Statements are available on the Municipal Bond Commission's website at: <http://mbc.wv.gov>. You will receive a monthly email notifying you when the statements are ready. If you would prefer to opt out of the notification, please contact us and we will remove your email address for our files. Opting out will also include the monthly deposit emails. If your office is not equipped to handle electronic retrieval of statements, please let our office know. The annual statements will be the only statements we will continue to mail per your written request. You may fax your request to 304-558-1280.

Issuers have been successfully paying their monthly requirements electronically, FREE, through our website. Issuers still control when the payments are sent and the amount of each transaction. Electronic payment applications can be retrieved on-line through our website under the forms tabs on the left side. Advantages of using the electronic payment system (e-Pay):

- *Easier processing
- *Cost savings
- *Better reports
- *Additional interest
- *Convenience
- *Security.
