D. The period of usefulness of the System after completion of the Project is not less than 40 years.

E. It is in the best interests of the Issuer that the Series 2009 A Bonds be sold to the Original Purchaser pursuant to the terms and provisions of a bond purchase agreement or bond purchase agreements to be entered into by and between the Issuer and the Original Purchaser, as shall be approved by supplemental resolution of the Issuer.

For other exchanges of Series 2009 A Bonds, the Registrar may impose a service charge. For every such transfer or exchange of bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The name of the Bondholder listed in the Bond Register shall constitute proof of ownership. All Series 2009 A Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Series 2009 A Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Series 2009 A Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Series 2009 A Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Series 2009 A Bonds be at any time found by any one, and such duplicate Series 2009 A Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the Revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued pursuant to this Resolution, the following provisions shall apply:

A. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2009 A Bonds Redemption Account in accordance with Subsection 4.03A(3) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory Redemption Date of said Term Bonds, a sum equal to 1/12th of the amount required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with respect to the Series 2009 A Bonds shall be set forth in the Supplemental Resolution relating thereto.

B. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

C. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

D. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the monies in the Series 2009 A Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

E. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Series 2009 A Bonds Sinking Fund, as will exhaust as nearly as practicable such Series 2009 A Bonds

Redemption Account payment designated to be made in accordance with paragraph (A) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of $5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Series 2009 A Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Original Purchaser and the registered owner of the Series 2009 A Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

So long as DTC (as CEDE & CO.) is the registered Owner of the Series 2009 A Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice. Copies of all redemption notices relating to optional redemption of the Series 2009 A Bonds shall also be sent to registered securities depositories.

All official notices of redemption shall be dated and shall state:

(1) The Redemption Date;

(2) The Redemption Price;

(3) If less than all outstanding Series 2009 A Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Series 2009 A Bonds, as appropriate, to be redeemed;

(4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Series 2009 A Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date;

(5) The place where such Series 2009 A Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar; and

(6) Such other information, if any, as shall be required for DTC-eligible Series 2009 A Bonds.

If funds sufficient to redeem all Series 2009 A Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such notice shall also state that such optional redemption is subject to the deposit of such monies with the Paying Agent on or before the Redemption Date. If such monies are not so deposited, the Registrar shall notify all holders of Series 2009 A Bonds called for redemption of such fact.

Official notice of redemption having been given as aforesaid, the Series 2009 A Bonds or portions of Series 2009 A Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Series 2009 A Bonds or portions of Series 2009 A Bonds shall cease to bear interest. Upon surrender of such Series 2009 A Bonds for redemption in accordance with said notice, such Series 2009 A Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Series 2009 A Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unredeemed principal of such Series 2009 A Bond. All Series 2009 A Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2009 A Bonds, and failure to mail or otherwise send such notice shall not affect the validity of proceedings for the redemption of any portion of Series 2009 A Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Series 2009 A Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on, such Bond and for all other purposes, whether or not such Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Resolution. Upon the presentation and surrender of any Bond or Bonds in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefor, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefor to the Holder of such Bond in temporary form.

Section 3.10. Authorization of Bonds. For the purposes of paying a portion of the costs of acquisition and construction of the Project, funding the Series 2009 A Bonds Reserve Account, paying capitalized interest on the Series 2009 A Bonds and paying costs in connection therewith, there shall be issued the Series 2009 A Bonds of the Issuer, in an aggregate principal amount of not more than $2,695,000. The Series 2009 A shall be designated "Sewer Revenue Bonds, Series 2009 A (Bank Qualified)" and shall be issued in fully registered form, in the denomination of $5,000 or any integral multiple thereof for any

year of maturity, not exceeding the aggregate principal amount of Series 2009 A Bonds maturing in the year of maturity for which the denomination is to be specified. The Series 2009 A Bonds shall be numbered from R-1 consecutively upward. The Series 2009 A Bonds shall be dated; shall be in such aggregate principal amount; shall bear interest at such rate or rates, not exceeding the then legally permissible rate, payable semiannually on such dates; shall mature on such dates and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Bonds. A. The Series 2009 A Bonds shall each initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2009 A Bonds, respectively, of each maturity, registered in the name of CEDE & CO., as nominee of DTC. Except as provided in paragraph E below, all of the Series 2009 A Bonds shall be registered in the registration books kept by the Registrar in the name of CEDE & CO., as nominee of DTC; provided that if DTC shall request that the Series 2009 A Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Series 2009 A Bonds registered in the name of such nominee or nominees. No person other than DTC or its nominee shall be entitled to receive from the Issuer or the Registrar either a Series 2009 A Bond, or any other evidence of ownership of the Series 2009 A Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Series 2009 A Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry system as provided in paragraph E below.

B. At or prior to settlement for the Series 2009 A Bonds, the Issuer and the Registrar shall execute or signify their approval of a representation letter addressed to DTC in a form satisfactory to DTC (the "Representation Letter"). Any successor Registrar shall, in its written acceptance of its duties under this Resolution, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Series 2009 A Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Series 2009 A Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in New York Clearing House or equivalent next day funds on the dates provided for such payments to be made to any Bondholder under this Resolution. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Issuer and the Registrar with respect to the principal or Redemption Price of or interest on the Series 2009 A Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Series 2009 A Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Series 2009 A Bonds so redeemed, but DTC may return such Series 2009 A Bonds and make an appropriate notation on the Series 2009 A Bonds certificate as to the amount of such partial redemption; provided that DTC shall deliver to the Registrar, upon request, a written confirmation of such partial redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Series 2009 A Bonds of such maturity which have been redeemed.

D. The Issuer, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Series 2009 A Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Series 2009 A Bonds, selecting the Series 2009 A Bonds, or portions thereof, to be redeemed, giving any notice permitted or required to be given to Bondholders under this Resolution, registering the transfer of Series 2009 A Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Issuer nor the Registrar shall be affected by any notice to the contrary. Neither the Issuer nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Series 2009 A Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books of the Registrar as being a Bondholder with respect to (i) the Series 2009 A Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2009 A Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Resolution, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Series 2009 A Bonds, or (vi) any consent given or other action taken by DTC as Bondholder.

E. The book entry system for registration of the ownership of the Series 2009 A Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Series 2009 A Bonds; or (ii) the Issuer determines that continuation of the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Series 2009 A Bonds. In either of such events (unless in the case described in clause (ii) above, the Issuer appoints a successor securities depository), the Series 2009 A Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer or the Registrar for the accuracy of such designation. Whenever DTC requests the Issuer and the Registrar to do so, the Issuer and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 2009 A Bonds.

Section 3.12. Delivery of Bonds. The Issuer shall execute and deliver the Series 2009 A Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2009 A Bonds to the Original Purchaser upon receipt of the documents set forth below:

(1) A list of the names in which the Series 2009 A Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;

(2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2009 A Bonds to the Original Purchaser;

(3) Copies of this Resolution and the Supplemental Resolution certified by the Secretary;

(4) The unqualified approving opinion upon the Series 2009 A Bonds by Bond Counsel; and

(5) A copy of such other documents, certifications and verifications as the Original Purchaser may reasonably require.

Section 3.13. Form of Bonds. The definitive Series 2009 A Bonds shall be in substantially the form set forth in EXHIBIT A - SERIES 2009 A BOND FORM attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 2009 A Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series 2009 A Bonds shall have the form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Bonds. Upon the issuance and delivery of the Series 2009 A Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

1. All interest accrued on the Series 2009 A Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 2009 A Bonds Sinking Fund and applied to payment of interest on the Series 2009 A Bonds at the first interest payment date.

2. An amount of the proceeds of the Series 2009 A Bonds equal to the Series 2009 A Bonds Reserve Requirement shall be remitted to the Bond Commission for deposit in the Series 2009 A Bonds Reserve Account, if funded by proceeds of the Series 2009 A Bonds, provided that, to the extent the Series 2009 A Bonds Reserve Requirement is satisfied in whole or in part from a reserve account letter of credit, surety bond or other credit facility, proceeds of the Series 2009 A Bonds shall be used to purchase said reserve account letter of credit, surety bond or other credit facility and proceeds of the Series 2009 A Bonds shall be deposited in the Series 2009 A Bonds Reserve Account only to the extent needed to satisfy the balance of the Series 2009 A Bonds Reserve Requirement.

3. An amount of the proceeds of the Series 2009 A Bonds which shall be sufficient to pay the costs of issuance of the Series 2009 A Bonds shall be deposited with the Depository Bank in the Costs of Issuance Fund and shall

be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Series 2009 A Bonds. All such costs of issuance shall be paid within 60 days of the Closing Date. Monies not to be applied immediately to pay such costs of issuance may be invested in accordance with this Resolution, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 6 months after the Closing Date, such unapplied proceeds shall be transferred by the Issuer to the Series 2009 A Bonds Construction Fund.

4. The balance of proceeds of the Series 2009 A Bonds, not used for any of the purposes set forth above, shall be deposited in the Series 2009 A Bonds Construction Fund and shall be drawn out, used and applied by the Issuer solely to pay a portion of the costs of acquisition and construction of the Project and disbursed as provided in Section 3.15 hereof.

Section 3.15. Disbursements from the Series 2009 A Bonds Construction Fund. Disbursements from the Series 2009 A Bonds Construction Fund, except for payment of Costs of Issuance of the Series 2009 A Bonds in excess of the monies available in the Costs of Issuance Fund which shall be made upon request of the Issuer, shall be made only for acquisition and construction of the Project, including all necessary engineering and other professional services relating thereto. Pending such application, monies in the Series 2009 A Bonds Construction Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

Section 3.16. Designation of Series 2009 A Bonds as "Qualified Tax-Exempt Obligations." The Issuer hereby designates the Series 2009 A Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3)(B) of the Code and covenants that the Series 2009 A Bonds do not constitute private activity bonds as defined in Section 141 of the Code, and that not more than $2,695,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income tax purposes (excluding, however, obligations issued to currently refund any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the amount of the refunded obligation and private activity bonds, as defined in Section 141 of the Code, other than qualified 501(c)(3) bonds as defined in Section 145 of the Code), including the Series 2009 A Bonds, have been or shall be issued by the Issuer, including all subordinate entities of the Issuer, during the calendar year 2009, all as determined in accordance with the Code.

Monies in the Series 2009 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2009 A Bonds as the same shall become due, whether by maturity or redemption prior to maturity. Amounts in the Series 2009 A Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2009 A Bonds when due, when amounts in the Series 2009 A Bonds Sinking Fund are insufficient therefor and for no other purpose.

The Issuer shall not be required to make any further payments into the Series 2009 A Bonds Sinking Fund or the Series 2009 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of Series 2009 A Bonds issued pursuant to this Resolution then Outstanding, plus the amount of interest due or thereafter to become due on the Series 2009 A Bonds then Outstanding.

As and when additional Bonds ranking on a parity with the Series 2009 A Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at or before maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirements therefor.

The payments into the Series 2009 A Bonds Sinking Fund shall be made on the first day of each month, except that, when the first day of any month shall be a Saturday, Sunday or legal holiday, then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Bond Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Resolution.

The Issuer shall restore any withdrawals from the Series 2009 A Bonds Reserve Account which have the effect of reducing the assets therein below the Series 2009 A Bonds Reserve Requirement, from the first Net Revenues available after all required payments have been made in full in the order set forth above.

Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the First Lien Bonds, the Series 2009 A Bonds and the Series 2009 B Bonds, senior and prior to the principal, interest or reserve payments for the Second Lien Bonds, in accordance with the respective principal amounts then Outstanding.

The Bond Commission is hereby designated as the fiscal agent for the administration of the Series 2009 A Bonds Sinking Fund and the Series 2009 A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Bond Commission from the Revenue Fund by the Issuer at the times provided herein.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall remit from the Revenue Fund to the Bond Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Bond Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay any charges and fees then due.

E. If on any monthly payment date the Net Revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 4.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

F. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

INVESTMENTS; NON-ARBITRAGE; REBATES OF EXCESS INVESTMENT EARNINGS

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any monies held as a part of the funds and accounts created by this Resolution in Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section:

(A) Qualified Investments acquired for the Series 2009 A Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to annually transfer from the Series 2009 A Bonds Reserve Account, pro rata, to the Series 2009 A Bonds Sinking Fund, any earnings on the monies deposited therein and any other funds in excess of the requirement therefor; provided, however, that there shall at all times remain on deposit in the Series 2009 A Bonds Reserve Account an amount at least equal to the Series 2009 A Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2009 A Bonds Reserve Account, whereupon such account shall be valued immediately after such withdrawal. If amounts on deposit in the Series 2009 A Bonds Reserve Account shall, at any time, be less than the Series 2009 A Bonds Reserve Requirement, such deficiency shall be made up from the first available Net Revenues in the order set forth in Section 4.03 hereof.

(D) All amounts representing accrued and capitalized interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 2009 A Bonds and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all monies deposited in the Series 2009 A Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Board of Treasury Investments pursuant to Chapter 12, Article 6C of the West Virginia Code of 1931, as amended.

Section 5.02. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 2009 A Bonds in such manner and to such extent as may be necessary, so that the Series 2009 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2009 A Bonds) so that the interest on the Series 2009 A Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.03. Tax Certificate and Rebate. A. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2009 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2009 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

B. The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the

sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect, with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and the required amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Series 2009 A Bonds from gross income for federal income tax purposes.

Section 5.04. Continuing Disclosure Agreement. The Issuer shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Resolution shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2009 A Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Resolution, the Issuer hereby covenants and agrees with the Holders of the Series 2009 A Bonds, as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2009 A Bonds, or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Series 2009 A Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any of the provisions or limitations of the constitution but shall be payable solely from the Net Revenues of the System, the monies in the Series 2009 A Bonds Sinking Fund and all accounts therein, the unexpended proceeds of the Series 2009 A Bonds or monies in the Series 2009 A Bonds Construction Fund, all as herein provided. No Holder or Holders of the Series 2009 A Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2009 A Bonds, or the interest thereon.

Section 6.03. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of all of the Series 2009 A Bonds issued hereunder shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the First Lien Bonds and Series 2009 B Bonds, which lien and pledge are senior and prior to the lien on the Net Revenues in favor of the Holders of the Second Lien Bonds. The Net Revenues derived from the System, in an amount sufficient to pay the interest on and principal of the Series 2009 A Bonds herein authorized, and to make the payments into the Series 2009 A Bonds Sinking Fund, the Series 2009 A Bonds Reserve Account, and all other payments provided for in this Resolution, are hereby irrevocably pledged in the manner provided in this Resolution to the payment of the interest on and principal of the Series 2009 A Bonds herein authorized as the same become due and for the other purposes provided in this Resolution.

Section 6.04. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted

whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2009 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or subordinate to the Series 2009 A Bonds, including the First Lien Bonds, the Series 2009 B Bonds and the Second Lien Bonds.

The Issuer shall require that each annual audit contain a statement of the auditor that the Issuer either is or is not in compliance with the rate covenant contained in this Section 6.04. In the event that any audit contains a statement that the Issuer is not in compliance with the rate covenant contained in this Section 6.04, the Issuer hereby covenants that it shall, within sixty (60) days of receiving the audit report, file a request with the Public Service Commission of West Virginia for a rate increase sufficient to comply with the above-mentioned rate requirement.

Section 6.05. Completion of Project; Operation and Maintenance. The Issuer will complete the Project as promptly as possible. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the Revenues of said System in the manner provided in this Resolution.

The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia necessary for the acquisition and construction of the Project and the operation of the System.

Section 6.06. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, or any part thereof, except as provided in the Prior Resolutions. Additionally, so long as the Series 2009 A Bonds are outstanding and except as otherwise required by law, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds Outstanding, or to effectively defease this Resolution in accordance with Article IX hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2009 A Bonds, immediately be remitted to the Bond Commission for deposit in the Series 2009 A Bonds Sinking Fund and the Issuer shall direct the Bond Commission to apply such proceeds to the payment of principal of and interest on the Series 2009 A Bonds. Any balance remaining after the payment of the Series 2009 A Bonds and interest thereon shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $50,000, the Issuer shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $50,000 but not in excess of $200,000, the Issuer shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Governing Body may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $50,000 and not in excess of $200,000, shall be deposited by the Issuer into the Renewal and Replacement Fund. Such payments of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said fund by other provisions of Prior Resolution and this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the fiscal year for such sales, leases or other dispositions of such properties, shall be in excess of $200,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2009 A Bonds, except as provided in Section 6.08 herein. All obligations issued by the Issuer after the issuance of the Series 2009 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2009 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2009 A Bonds, and the interest thereon,

if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2009 A Bonds and the interest thereon, if any, in this Resolution, or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds and the Series 2009 B Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions and the Series 2009 B Resolution shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2009 A Bonds pursuant to this Resolution, except under the conditions and in the manner herein provided (unless less restrictive than the provisions of the Prior Resolutions).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2009 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions and improvements to the System or refunding any series of Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by an Independent Certified Public Accountant reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of issuance of such additional Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountant, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Resolution (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Resolution required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Resolution.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 2009 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2009 A Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Resolution with respect to the Bonds then Outstanding, and any other payments provided for in this Resolution, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Resolution.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2009 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance and bonds and worker's compensation coverage with a reputable insurance carrier or carriers or bonding company or companies covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement

Fund and used only for the repairs and restoration of the damaged and destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

C. WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Issuer and such payment bonds will be filed with the Clerk of the County Commission of the County in which such work is to be performed prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 6.10. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and, in the event the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself or themselves of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.11. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted

or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all delinquent rates, rentals and other changes, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System and any services and facilities of the water system, if so owned by the Issuer, to all delinquent users of services and facilities of the System and will not restore such services of either System until all billing for charges for the services and facilities of the System, plus reasonable interest and penalty charges for the restoration of service, has been fully paid. If the water facilities are not owned by the Issuer, the Issuer shall enter into a termination agreement with the water provider, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 6.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.13. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Series 2009 A Bond shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as it shall direct.

The Issuer shall file with the Original Purchaser, and shall mail to any Bondholder requesting the same, an annual report within 30 days following the date of

receipt of the final audit containing a balance sheet, statement of revenues, expenses, and changes in retained earnings, and statement of cash flows, as prescribed by generally accepted accounting principles.

The Issuer shall also file with the Original Purchaser, and mail to any Bondholder requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, and Net Revenues derived from the System.

(B) A statement of account balances in all funds and accounts provided for herein and status of said funds.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by an Independent Certified Public Accountant (and to the extent legally required, in compliance with OMB Circular 128 or any successor thereto and the Single Audit Act), shall mail upon request, and make available generally, the report of said Independent Certified Public Accountant, or a summary thereof, to any Holder or Holders of Bonds issued pursuant to this Resolution and shall file said report with the Original Purchaser.

Section 6.14. Operating Budget. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, or at such earlier date, prepare and adopt by resolution a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of such a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Original Purchaser and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Original Purchaser, and to any Bondholder or anyone acting for and in behalf of such Bondholder who requests the same.

Section 6.15. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where

sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.16. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2009 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2009 A Bonds, pro rata, and shall be on a parity with the statutory mortgage lien in favor of the Holders of the First Lien Bonds and the Series 2009 B Bonds, and senior and prior to the lien in favor of the Holders of the Second Lien Bonds.

Section 6.17. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2009 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2009 A Bonds during the term thereof is, under the terms of the Series 2009 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2009 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2009 A Bonds during the term thereof is, under the terms of the Series 2009 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2009 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the

governmental use of the System, or if the Series 2009 A Bonds are for the purpose of financing more than one project, a portion of the System, and shall not exceed the proceeds used for the governmental use of that portion of the System to which such Private Business Use is related.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2009 A Bonds or $5,000,000 are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2009 A Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2009 A Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2009 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

ARTICLE VII

DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2009 A Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on the Series 2009 A Bonds;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Resolution or any Supplemental Resolution or in the Series 2009 A Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Bondholder;

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds and the Series 2009 B Bonds or the Prior Resolutions.

The Issuer must cure any covenant default within 30 days after notice of the default, and failure to pay principal of or interest on the Bonds shall be an immediate event of default.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the Issuer to perform its duties under the Act and this Resolution;

(C) Bring suit upon the Series 2009 A Bonds;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of this Resolution or the rights of the Bondholders.

No remedy by the terms of this Resolution conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute. All rights and remedies of the Holders of the Series 2009 A Bonds shall be on a parity with one another and also on parity with those of the Holders of the First Lien Bonds and Series 2009 B Bonds, and senior and prior to those of the Holders of the Second Lien Bonds.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2009 A Bonds issued pursuant to this Resolution and interest thereon and under any covenants of this Resolution for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Resolution shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed

thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Series 2009 A Bonds issued pursuant to this Resolution. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Bondholders, and the curing and making good of any default under the provisions of this Resolution, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Notwithstanding any other provision of this Resolution, in determining whether the rights of Bondholders will be adversely affected by any action taken pursuant to the terms and provisions of this Resolution, any trustee or Bondholder's committee shall consider the effect on the Bondholders as if no Financial Guaranty Insurance Policy were then in effect.

Section 7.04. Restoration of Issuer and Bondholder. In case any Bondholder shall have proceeded to enforce any right under this Resolution by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Bondholder shall be restored to their former positions and rights hereunder, and all rights and remedies of such Bondholder shall continue as if no such proceedings had been taken.

ARTICLE VIII

REGISTRAR AND PAYING AGENT

Section 8.01. Appointment of Registrar. The Registrar for the Series 2009 A Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Registrar. The recitals of fact in the Series 2009 A Bonds shall be taken as statements of the Issuer, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2009 A Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2009 A Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Resolution and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Registrar May Act. Except as otherwise provided by Section 10.02, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Bonds, the first exchange of Bonds and the exchange of Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2009 A Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or effect or aid in any reorganization growing out of the enforcement of the Series 2009 A Bonds or this Resolution, whether or not any such committee shall represent the Holders of a majority in principal amount of the Series 2009 A Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Resolution by giving not less than 60 days' written notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Bondholder in the event all Series 2009 A Bonds are fully registered), specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer or by the Holders of a majority in principal amount of the Series 2009 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer or by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Series 2009 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Bondholders. The Issuer shall publish in an Authorized Newspaper (or mail to each Bondholder in the event all Series 2009 A Bonds are fully registered) notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Bondholders. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Resolution.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any monies, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2009 A Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Bonds so authenticated, and, in case any Series 2009 A Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent. The Bond Commission shall serve as the Paying Agent. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Resolution. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Bonds shall be and remain DTC-eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from monies available therefor.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Resolution. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Bondholders may make such appointment.

The Paying Agent shall enjoy the same protective provisions in the performance of its duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All monies received by the Paying Agent shall, until used or applied as provided in this Resolution, be held in trust for the purposes for which they were received.

ARTICLE IX

DEFEASANCE; DISCHARGE OF PLEDGE OF RESOLUTION

Section 9.01. Defeasance; Discharge of Pledge of Resolution. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Series 2009 A Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then this Resolution and the pledges of the Net Revenues and other monies and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Holders of the Series 2009 A Bonds made hereunder, shall thereupon cease, terminate and become void and be discharged and satisfied, except as may be necessary to assure the exclusion of interest on the Series 2009 A Bonds from gross income for federal income tax purposes.

The Series 2009 A Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on the Series 2009 A Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2009 A Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on the Series 2009 A Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of the Series 2009 A Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Series 2009 A Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on the Series 2009 A Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations, as such term is limited by the provisions in Section 1.01 hereof or such additional securities as shall be set forth in the Supplemental Resolution.

ARTICLE X

MISCELLANEOUS

Section 10.01. Amendment of Resolution. Prior to issuance of the Series 2009 A Bonds, this Resolution may be amended or supplemented in any way by the Supplemental Resolution. Following issuance of the Series 2009 A Bonds, this Resolution and any Supplemental Resolution may be amended or modified without the consent of any Bondholder or other person, so long as such amendment or modification is not materially adverse to any Bondholder, as determined by an opinion of Bond Counsel. No materially adverse amendment or modification to this Resolution, or of any Supplemental Resolution, may be made without the written consent of the Holders of 60% in aggregate principal amount of the Series 2009 A Bonds then Outstanding and affected thereby, which must be filed with the Issuer before any such modification or amendment may be made. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Series 2009 A Bonds without the express written consent of the Holder of each Series 2009 A Bond so affected, nor reduce the percentage of Series 2009 A Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Resolution may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Resolution if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Bondholder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-

president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Bonds held by a person executing any instrument as a Bondholder, the date of his holding such Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Bond shall bind all future Holders and owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Resolution shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Bondholder, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Resolution shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Bonds. All Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Bonds shall be deemed Outstanding under this Resolution and no Bonds shall be issued in lieu thereof. All such Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Bonds. Anything in this Resolution to the contrary notwithstanding, any monies held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Bonds which remain unclaimed for 1 year after the date on which such Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Bonds shall look only to the Issuer for the payment of such Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such monies remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such monies then unclaimed will be returned to the Issuer. If any of said Bonds is a coupon Bond, the Registrar or said Paying Agent shall also publish such notice, not less than 30 days prior to the date such monies will be returned to the Issuer, in an Authorized Newspaper.

Section 10.06. Notices, Demands and Requests. Unless otherwise expressly provided, all notices, demands and requests to be given or made hereunder to or

In the event any Series 2009 A Bond is redeemed in part, such bond shall be surrendered to and canceled by the Registrar, and the Issuer shall execute, and the Registrar shall authenticate and deliver to the Holder thereof, another Bond in the principal amount of said Series 2009 A Bond then Outstanding.

Section 3.02. Execution of Bonds. The Series 2009 A Bonds shall be executed in the name of the Issuer by the Chairman, by his or her manual or facsimile signature, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Secretary by his or her manual or facsimile signature; provided, that, all such signatures and the seal may be by facsimile. In case any one or more of the officers who shall have signed or sealed any of the Series 2009 A Bonds shall cease to be such officer of the Issuer before the Series 2009 A Bonds so signed and sealed have been actually sold and delivered, such Series 2009 A Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Series 2009 A Bonds had not ceased to hold such office. Any Series 2009 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Series 2009

A Bonds shall hold the proper office in the Issuer, although at the date of such Series 2009 A Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Series 2009 A Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the Certificate of Authentication and Registration on such Series 2009 A Bond, substantially in the form set forth in EXHIBIT A - SERIES 2009 A BOND FORM attached hereto and incorporated herein by reference, shall have been duly manually executed by the Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Series 2009 A Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Resolution. The Certificate of Authentication and Registration on any Series 2009 A Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2009 A Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Series 2009 A Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder, in accepting any of said Series 2009 A Bonds, shall be conclusively deemed to have agreed that such Series 2009 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder shall further be conclusively deemed to have agreed that said Series 2009 A Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2009 A Bonds remain Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Series 2009 A Bonds. Series 2009 A Bonds shall be transferable only by transfer of registration upon the Bond Register by the registered owner thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or such duly authorized attorney or legal representative. Upon transfer of a Series 2009 A Bond, there shall be issued at the option of the Holder or the transferee another Series 2009 A Bond of the aggregate principal amount equal to the unpaid amount of the transferred Bond and of the same series, interest rate and maturity of said transferred Series 2009 A Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the registered owner or his attorney or legal representative duly authorized in writing, Series 2009 A Bonds may at the option of the Holder thereof be exchanged for an equal aggregate principal amount of Series 2009 A Bonds of the same series, maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Series 2009 A Bond is exercised, Bonds shall be delivered in accordance with the provisions of this Resolution. All Series 2009 A Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Series 2009 A Bonds, the initial exchange of Series 2009 A Bonds and exchanges of Series 2009 A Bonds in the event of partial redemption of fully registered Series 2009 A Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2009 A Bonds, the Registrar may impose a service charge. For every such transfer or exchange of bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2009 A Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2009 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Series 2009 A Bond of like series, maturity and principal amount as the Series 2009 A Bond, so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Bond, or in lieu of and substitution for the Series 2009 A Bond destroyed, stolen or lost, and upon the Holder's furnishing the Issuer and the Registrar proof of his ownership thereof and that said Series 2009 A Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Bondholder listed in the Bond Register shall constitute proof of ownership. All Series 2009 A Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Series 2009 A Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Series 2009 A Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Series 2009 A Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Series 2009 A Bonds be at any time found by any one, and such duplicate Series 2009 A Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the Revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued pursuant to this Resolution, the following provisions shall apply:

A. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2009 A Bonds Redemption Account in accordance with Subsection 4.03A(3) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory Redemption Date of said Term Bonds, a sum equal to 1/12th of the amount required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with respect to the Series 2009 A Bonds shall be set forth in the Supplemental Resolution relating thereto.

B. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

C. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

D. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the monies in the Series 2009 A Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

E. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Series 2009 A Bonds Sinking Fund, as will exhaust as nearly as practicable such Series 2009 A Bonds

Redemption Account payment designated to be made in accordance with paragraph (A) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of $5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Series 2009 A Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Original Purchaser and the registered owner of the Series 2009 A Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

So long as DTC (as CEDE & CO.) is the registered Owner of the Series 2009 A Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice. Copies of all redemption notices relating to optional redemption of the Series 2009 A Bonds shall also be sent to registered securities depositories.

All official notices of redemption shall be dated and shall state:

(1) The Redemption Date;

(2) The Redemption Price;

(3) If less than all outstanding Series 2009 A Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Series 2009 A Bonds, as appropriate, to be redeemed;

(4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Series 2009 A Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date;

(5) The place where such Series 2009 A Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar; and

(6) Such other information, if any, as shall be required for DTC-eligible Series 2009 A Bonds.

If funds sufficient to redeem all Series 2009 A Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such notice shall also state that such optional redemption is subject to the deposit of such monies with the Paying Agent on or before the Redemption Date. If such monies are not so deposited, the Registrar shall notify all holders of Series 2009 A Bonds called for redemption of such fact.

Official notice of redemption having been given as aforesaid, the Series 2009 A Bonds or portions of Series 2009 A Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Series 2009 A Bonds or portions of Series 2009 A Bonds shall cease to bear interest. Upon surrender of such Series 2009 A Bonds for redemption in accordance with said notice, such Series 2009 A Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Series 2009 A Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unredeemed principal of such Series 2009 A Bond. All Series 2009 A Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2009 A Bonds, and failure to mail or otherwise send such notice shall not affect the validity of proceedings for the redemption of any portion of Series 2009 A Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Series 2009 A Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on, such Bond and for all other purposes, whether or not such Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Resolution. Upon the presentation and surrender of any Bond or Bonds in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefor, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefor to the Holder of such Bond in temporary form.

Section 3.10. Authorization of Bonds. For the purposes of paying a portion of the costs of acquisition and construction of the Project, funding the Series 2009 A Bonds Reserve Account, and paying costs in connection therewith, there shall be issued the Series 2009 A Bonds of the Issuer, in an aggregate principal amount of not more than $2,695,000. The Series 2009 A shall be designated "Sewer Revenue Bonds, Series 2009 A" and shall be issued in fully registered form, in the denomination of $5,000 or any integral multiple thereof for any year of maturity, not exceeding the aggregate principal amount of Series

2009 A Bonds maturing in the year of maturity for which the denomination is to be specified. The Series 2009 A Bonds shall be numbered from R-1 consecutively upward. The Series 2009 A Bonds shall be dated; shall be in such aggregate principal amount; shall bear interest at such rate or rates, not exceeding the then legally permissible rate, payable semiannually on such dates; shall mature on such dates and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Bonds. A. The Series 2009 A Bonds shall each initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2009 A Bonds, respectively, of each maturity, registered in the name of CEDE & CO., as nominee of DTC. Except as provided in paragraph E below, all of the Series 2009 A Bonds shall be registered in the registration books kept by the Registrar in the name of CEDE & CO., as nominee of DTC; provided that if DTC shall request that the Series 2009 A Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Series 2009 A Bonds registered in the name of such nominee or nominees. No person other than DTC or its nominee shall be entitled to receive from the Issuer or the Registrar either a Series 2009 A Bond, or any other evidence of ownership of the Series 2009 A Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Series 2009 A Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry system as provided in paragraph E below.

B. At or prior to settlement for the Series 2009 A Bonds, the Issuer and the Registrar shall execute or signify their approval of a representation letter addressed to DTC in a form satisfactory to DTC (the "Representation Letter"). Any successor Registrar shall, in its written acceptance of its duties under this Resolution, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Series 2009 A Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Series 2009 A Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in New York Clearing House or equivalent next day funds on the dates provided for such payments to be made to any Bondholder under this Resolution. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Issuer and the Registrar with respect to the principal or Redemption Price of or interest on the Series 2009 A Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Series 2009 A Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Series 2009 A Bonds so redeemed, but DTC may return such Series 2009 A Bonds and make an appropriate notation on the Series 2009 A Bonds certificate as to the amount of such partial redemption; provided that DTC shall deliver to the Registrar, upon request, a written confirmation of such partial redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Series 2009 A Bonds of such maturity which have been redeemed.

D. The Issuer, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Series 2009 A Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Series 2009 A Bonds, selecting the Series 2009 A Bonds, or portions thereof, to be redeemed, giving any notice permitted or required to be given to Bondholders under this Resolution, registering the transfer of Series 2009 A Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Issuer nor the Registrar shall be affected by any notice to the contrary. Neither the Issuer nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Series 2009 A Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books of the Registrar as being a Bondholder with respect to (i) the Series 2009 A Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2009 A Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Resolution, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Series 2009 A Bonds, or (vi) any consent given or other action taken by DTC as Bondholder.

E. The book entry system for registration of the ownership of the Series 2009 A Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Series 2009 A Bonds; or (ii) the Issuer determines that continuation of the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Series 2009 A Bonds. In either of such events (unless in the case described in clause (ii) above, the Issuer appoints a successor securities depository), the Series 2009 A Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer or the Registrar for the accuracy of such designation. Whenever DTC requests the Issuer and the Registrar to do so, the Issuer and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 2009 A Bonds.

Section 3.12. Delivery of Bonds. The Issuer shall execute and deliver the Series 2009 A Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2009 A Bonds to the Original Purchaser upon receipt of the documents set forth below:

Section 3.14. Disposition of Proceeds of Bonds. Upon the issuance and delivery of the Series 2009 A Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

1. All interest accrued on the Series 2009 A Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 2009 A Bonds Sinking Fund and applied to payment of interest on the Series 2009 A Bonds at the first interest payment date.

2. An amount of the proceeds of the Series 2009 A Bonds equal to the Series 2009 A Bonds Reserve Requirement shall be remitted to the Bond Commission for deposit in the Series 2009 A Bonds Reserve Account, if funded by proceeds of the Series 2009 A Bonds, provided that, to the extent the Series 2009 A Bonds Reserve Requirement is satisfied in whole or in part from a reserve account letter of credit, surety bond or other credit facility, proceeds of the Series 2009 A Bonds shall be used to purchase said reserve account letter of credit, surety bond or other credit facility and proceeds of the Series 2009 A Bonds shall be deposited in the Series 2009 A Bonds Reserve Account only to the extent needed to satisfy the balance of the Series 2009 A Bonds Reserve Requirement.

3. An amount of the proceeds of the Series 2009 A Bonds which shall be sufficient to pay the costs of issuance of the Series 2009 A Bonds shall be deposited with the Depository Bank in the Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Series 2009 A Bonds. All such costs of issuance shall be paid within 60 days of the Closing Date. Monies not to be applied immediately to pay

such costs of issuance may be invested in accordance with this Resolution, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 6 months after the Closing Date, such unapplied proceeds shall be transferred by the Issuer to the Series 2009 A Bonds Construction Fund.

4. The balance of proceeds of the Series 2009 A Bonds, not used for any of the purposes set forth above, shall be deposited in the Series 2009 A Bonds Construction Fund and shall be drawn out, used and applied by the Issuer solely to pay a portion of the costs of acquisition and construction of the Project and disbursed as provided in Section 3.15 hereof.

Section 3.15. Disbursements from the Series 2009 A Bonds Construction Fund. Disbursements from the Series 2009 A Bonds Construction Fund, except for payment of Costs of Issuance of the Series 2009 A Bonds in excess of the monies available in the Costs of Issuance Fund which shall be made upon request of the Issuer, shall be made only for acquisition and construction of the Project, including all necessary engineering and other professional services relating thereto. Pending such application, monies in the Series 2009 A Bonds Construction Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

Section 3.16. Extraordinary Mandatory Redemption. In the event the Internal Revenue Service shall issue a determination of taxability with respect to the Series 2009 A Bonds or the Internal Revenue Service shall serve notice on the holders of the Series 2009 A Bonds that any portion of the interest thereon either should have been, or must be, included in the gross income of the holders thereof for federal income tax purposes, then the Series 2009 A Bonds shall subject to Mandatory Redemption, at any time, on thirty (30) days notice as provided in Section 3.07 hereof.

All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank

and shall be invested and reinvested in accordance with Article V hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Commission for deposit in the Sinking Fund for the Second Lien Bonds the amount required under the Prior Resolutions to pay principal of the Second Lien Bonds.

(7) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Commission for deposit in the Reserve Account for the Second Lien Bonds the amount required under the Prior Resolutions.

(8) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund the amount, if any, required by the CIF Resolutions to be deposited into the CIF Surplus Fund.

(9) After all of the foregoing provisions for use of monies in the Revenue Fund have been fully complied with, any monies remaining therein and not permitted to be retained therein may be used to prepay installments of the Bonds, pro rata, or for any lawful purpose.

Monies in the Series 2009 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2009 A Bonds as the same shall become due, whether by maturity or redemption prior to maturity. Amounts in the Series 2009 A Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2009 A Bonds when due, when amounts in the Series 2009 A Bonds Sinking Fund are insufficient therefor and for no other purpose.

The Issuer shall not be required to make any further payments into the Series 2009 A Bonds Sinking Fund or the Series 2009 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of Series 2009 A Bonds issued pursuant to this Resolution then Outstanding, plus the amount of interest due or thereafter to become due on the Series 2009 A Bonds then Outstanding.

As and when additional Bonds ranking on a parity with the Series 2009 A Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at or before maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirements therefor.

The payments into the Series 2009 A Bonds Sinking Fund shall be made on the first day of each month, except that, when the first day of any month shall be a Saturday, Sunday or legal holiday, then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Bond Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Resolution.

The Issuer shall restore any withdrawals from the Series 2009 A Bonds Reserve Account which have the effect of reducing the assets therein below the Series 2009 A Bonds Reserve Requirement, from the first Net Revenues available after all required payments have been made in full in the order set forth above.

Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the First Lien Bonds, the Series 2009 A Bonds and the Series 2009 B Bonds, senior and prior to the principal, interest or reserve payments for the Second Lien Bonds, in accordance with the respective principal amounts then Outstanding.

The Bond Commission is hereby designated as the fiscal agent for the administration of the Series 2009 A Bonds Sinking Fund and the Series 2009 A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Bond Commission from the Revenue Fund by the Issuer at the times provided herein.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall remit from the Revenue Fund to the Bond Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Bond Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay any charges and fees then due.

D. The monies in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent

thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If on any monthly payment date the Net Revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 4.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

F. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE V

INVESTMENTS; NON-ARBITRAGE; REBATES OF EXCESS INVESTMENT EARNINGS

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any monies held as a part of the funds and accounts created by this Resolution in Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section:

(A) Qualified Investments acquired for the Series 2009 A Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to annually transfer from the Series 2009 A Bonds Reserve Account, pro rata, to the Series 2009 A Bonds Sinking Fund, any earnings on the monies deposited therein and any other funds in excess of the requirement therefor; provided, however, that there shall at all times remain on deposit in the Series 2009 A Bonds Reserve Account an amount at least equal to the Series 2009 A Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2009 A Bonds Reserve Account, whereupon such account shall be valued immediately after such withdrawal. If amounts on deposit in the Series 2009 A Bonds Reserve Account shall, at any time, be less than the Series 2009 A Bonds Reserve Requirement, such deficiency shall be made up from the first available Net Revenues in the order set forth in Section 4.03 hereof.

(D) All amounts representing accrued and capitalized interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 2009 A Bonds and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all monies deposited in the Series 2009 A Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Board of Treasury Investments pursuant to Chapter 12, Article 6C of the West Virginia Code of 1931, as amended.

Section 5.02. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 2009 A Bonds in such manner and to such extent as may be necessary, so that the Series 2009 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2009 A Bonds) so that the interest on the Series 2009 A Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.03. Tax Certificate and Rebate. A. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2009 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2009 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

B. The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the

sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect, with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and the required amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Series 2009 A Bonds from gross income for federal income tax purposes.

Section 5.04. Continuing Disclosure Agreement. The Issuer shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Resolution shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2009 A Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Resolution, the Issuer hereby covenants and agrees with the Holders of the Series 2009 A Bonds, as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2009 A Bonds, or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Series 2009 A Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any of the provisions or limitations of the constitution but shall be payable solely from the Net Revenues of the System, the monies in the Series 2009 A Bonds Sinking Fund and all accounts therein, the unexpended proceeds of the Series 2009 A Bonds or monies in the Series 2009 A Bonds Construction Fund, all as herein provided. No Holder or Holders of the Series 2009 A Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2009 A Bonds, or the interest thereon.

Section 6.03. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of all of the Series 2009 A Bonds issued hereunder shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the First Lien Bonds and Series 2009 B Bonds, which lien and pledge are senior and prior to the lien on the Net Revenues in favor of the Holders of the Second Lien Bonds. The Net Revenues derived from the System, in an amount sufficient to pay the interest on and principal of the Series 2009 A Bonds herein authorized, and to make the payments into the Series 2009 A Bonds Sinking Fund, the Series 2009 A Bonds Reserve Account, and all other payments provided for in this Resolution, are hereby irrevocably pledged in the manner provided in this Resolution to the payment of the interest on and principal of the Series 2009 A Bonds herein authorized as the same become due and for the other purposes provided in this Resolution.

Section 6.04. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted

whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2009 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or subordinate to the Series 2009 A Bonds, including the First Lien Bonds, the Series 2009 B Bonds and the Second Lien Bonds.

The Issuer shall require that each annual audit contain a statement of the auditor that the Issuer either is or is not in compliance with the rate covenant contained in this Section 6.04. In the event that any audit contains a statement that the Issuer is not in compliance with the rate covenant contained in this Section 6.04, the Issuer hereby covenants that it shall, within sixty (60) days of receiving the audit report, file a request with the Public Service Commission of West Virginia for a rate increase sufficient to comply with the above-mentioned rate requirement.

Section 6.05. Completion of Project; Operation and Maintenance. The Issuer will complete the Project as promptly as possible. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the Revenues of said System in the manner provided in this Resolution.

The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia necessary for the acquisition and construction of the Project and the operation of the System.

Section 6.06. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, or any part thereof, except as provided in the Prior Resolutions. Additionally, so long as the Series 2009 A Bonds are outstanding and except as otherwise required by law, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds Outstanding, or to effectively defease this Resolution in accordance with Article IX hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2009 A Bonds, immediately be remitted to the Bond Commission for deposit in the Series 2009 A Bonds Sinking Fund and the Issuer shall direct the Bond Commission to apply such proceeds to the payment of principal of and interest on the Series 2009 A Bonds. Any balance remaining after the payment of the Series 2009 A Bonds and interest thereon shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $50,000, the Issuer shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $50,000 but not in excess of $200,000, the Issuer shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Governing Body may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $50,000 and not in excess of $200,000, shall be deposited by the Issuer into the Renewal and Replacement Fund. Such payments of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said fund by other provisions of Prior Resolution and this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the fiscal year for such sales, leases or other dispositions of such properties, shall be in excess of $200,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2009 A Bonds, except as provided in Section 6.08 herein. All obligations issued by the Issuer after the issuance of the Series 2009 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2009 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2009 A Bonds, and the interest thereon,

if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2009 A Bonds and the interest thereon, if any, in this Resolution, or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds and the Series 2009 B Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions and the Series 2009 B Resolution shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2009 A Bonds pursuant to this Resolution, except under the conditions and in the manner herein provided (unless less restrictive than the provisions of the Prior Resolutions).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2009 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions and improvements to the System or refunding any series of Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by an Independent Certified Public Accountant reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of issuance of such additional Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountant, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Resolution (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Resolution required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Resolution.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 2009 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2009 A Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Resolution with respect to the Bonds then Outstanding, and any other payments provided for in this Resolution, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Resolution.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2009 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance and bonds and worker's compensation coverage with a reputable insurance carrier or carriers or bonding company or companies covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement

Fund and used only for the repairs and restoration of the damaged and destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

C. WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Issuer and such payment bonds will be filed with the Clerk of the County Commission of the County in which such work is to be performed prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 6.10. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and, in the event the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself or themselves of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.11. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted

or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all delinquent rates, rentals and other changes, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System and any services and facilities of the water system, if so owned by the Issuer, to all delinquent users of services and facilities of the System and will not restore such services of either System until all billing for charges for the services and facilities of the System, plus reasonable interest and penalty charges for the restoration of service, has been fully paid. If the water facilities are not owned by the Issuer, the Issuer shall enter into a termination agreement with the water provider, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 6.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.13. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Series 2009 A Bond shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as it shall direct.

The Issuer shall file with the Original Purchaser, and shall mail to any Bondholder requesting the same, an annual report within 30 days following the date of

receipt of the final audit containing a balance sheet, statement of revenues, expenses, and changes in retained earnings, and statement of cash flows, as prescribed by generally accepted accounting principles.

The Issuer shall also file with the Original Purchaser, and mail to any Bondholder requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, and Net Revenues derived from the System.

(B) A statement of account balances in all funds and accounts provided for herein and status of said funds.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by an Independent Certified Public Accountant (and to the extent legally required, in compliance with OMB Circular 128 or any successor thereto and the Single Audit Act), shall mail upon request, and make available generally, the report of said Independent Certified Public Accountant, or a summary thereof, to any Holder or Holders of Bonds issued pursuant to this Resolution and shall file said report with the Original Purchaser.

Section 6.14. Operating Budget. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, or at such earlier date, prepare and adopt by resolution a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of such a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Original Purchaser and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Original Purchaser, and to any Bondholder or anyone acting for and in behalf of such Bondholder who requests the same.

Section 6.15. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where

sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.16. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2009 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2009 A Bonds, pro rata, and shall be on a parity with the statutory mortgage lien in favor of the Holders of the First Lien Bonds and the Series 2009 B Bonds, and senior and prior to the lien in favor of the Holders of the Second Lien Bonds.

Section 6.17. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2009 A Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

B. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2009 A Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

C. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2009 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

ARTICLE VII

DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2009 A Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on the Series 2009 A Bonds;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Resolution or any Supplemental Resolution or in the Series 2009 A Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Bondholder;

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds and the Series 2009 B Bonds or the Prior Resolutions.

The Issuer must cure any covenant default within 30 days after notice of the default, and failure to pay principal of or interest on the Bonds shall be an immediate event of default.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the Issuer to perform its duties under the Act and this Resolution;

(C) Bring suit upon the Series 2009 A Bonds;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of this Resolution or the rights of the Bondholders.

No remedy by the terms of this Resolution conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute. All rights and remedies of the Holders of the Series 2009 A Bonds shall be on a parity with one another and also on parity with those of the Holders of the First Lien Bonds and Series 2009 B Bonds, and senior and prior to those of the Holders of the Second Lien Bonds.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2009 A Bonds issued pursuant to this Resolution and interest thereon and under any covenants of this Resolution for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Resolution shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed

thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Series 2009 A Bonds issued pursuant to this Resolution. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Bondholders, and the curing and making good of any default under the provisions of this Resolution, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Notwithstanding any other provision of this Resolution, in determining whether the rights of Bondholders will be adversely affected by any action taken pursuant to the terms and provisions of this Resolution, any trustee or Bondholder's committee shall consider the effect on the Bondholders as if no Financial Guaranty Insurance Policy were then in effect.

Section 7.04. Restoration of Issuer and Bondholder. In case any Bondholder shall have proceeded to enforce any right under this Resolution by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Bondholder shall be restored to their former positions and rights hereunder, and all rights and remedies of such Bondholder shall continue as if no such proceedings had been taken.

ARTICLE VIII

REGISTRAR AND PAYING AGENT

Section 8.01. Appointment of Registrar. The Registrar for the Series 2009 A Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Registrar. The recitals of fact in the Series 2009 A Bonds shall be taken as statements of the Issuer, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2009 A Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2009 A Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Resolution and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Registrar May Act. Except as otherwise provided by Section 10.02, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Bonds, the first exchange of Bonds and the exchange of Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2009 A Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or effect or aid in any reorganization growing out of the enforcement of the Series 2009 A Bonds or this Resolution, whether or not any such committee shall represent the Holders of a majority in principal amount of the Series 2009 A Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Resolution by giving not less than 60 days' written notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Bondholder in the event all Series 2009 A Bonds are fully registered), specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer or by the Holders of a majority in principal amount of the Series 2009 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer or by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Series 2009 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Bondholders. The Issuer shall publish in an Authorized Newspaper (or mail to each Bondholder in the event all Series 2009 A Bonds are fully registered) notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Bondholders. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Resolution.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any monies, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2009 A Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Bonds so authenticated, and, in case any Series 2009 A Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent. The Bond Commission shall serve as the Paying Agent. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Resolution. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Bonds shall be and remain DTC-eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from monies available therefor.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Resolution. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Bondholders may make such appointment.

The Paying Agent shall enjoy the same protective provisions in the performance of its duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All monies received by the Paying Agent shall, until used or applied as provided in this Resolution, be held in trust for the purposes for which they were received.

ARTICLE IX

DEFEASANCE; DISCHARGE OF PLEDGE OF RESOLUTION

Section 9.01. Defeasance; Discharge of Pledge of Resolution. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Series 2009 A Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then this Resolution and the pledges of the Net Revenues and other monies and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Holders of the Series 2009 A Bonds made hereunder, shall thereupon cease, terminate and become void and be discharged and satisfied, except as may be necessary to assure the exclusion of interest on the Series 2009 A Bonds from gross income for federal income tax purposes.

The Series 2009 A Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on the Series 2009 A Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2009 A Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on the Series 2009 A Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of the Series 2009 A Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Series 2009 A Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on the Series 2009 A Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations, as such term is limited by the provisions in Section 1.01 hereof or such additional securities as shall be set forth in the Supplemental Resolution.

ARTICLE X

MISCELLANEOUS

Section 10.01. Amendment of Resolution. Prior to issuance of the Series 2009 A Bonds, this Resolution may be amended or supplemented in any way by the Supplemental Resolution. Following issuance of the Series 2009 A Bonds, this Resolution and any Supplemental Resolution may be amended or modified without the consent of any Bondholder or other person, so long as such amendment or modification is not materially adverse to any Bondholder, as determined by an opinion of Bond Counsel. No materially adverse amendment or modification to this Resolution, or of any Supplemental Resolution, may be made without the written consent of the Holders of 60% in aggregate principal amount of the Series 2009 A Bonds then Outstanding and affected thereby, which must be filed with the Issuer before any such modification or amendment may be made. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Series 2009 A Bonds without the express written consent of the Holder of each Series 2009 A Bond so affected, nor reduce the percentage of Series 2009 A Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Resolution may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Resolution if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Bondholder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-

president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Bonds held by a person executing any instrument as a Bondholder, the date of his holding such Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Bond shall bind all future Holders and owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Resolution shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Bondholder, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Resolution shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Bonds. All Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Bonds shall be deemed Outstanding under this Resolution and no Bonds shall be issued in lieu thereof. All such Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Bonds. Anything in this Resolution to the contrary notwithstanding, any monies held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Bonds which remain unclaimed for 1 year after the date on which such Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Bonds shall look only to the Issuer for the payment of such Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such monies remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such monies then unclaimed will be returned to the Issuer. If any of said Bonds is a coupon Bond, the Registrar or said Paying Agent shall also publish such notice, not less than 30 days prior to the date such monies will be returned to the Issuer, in an Authorized Newspaper.

Section 10.06. Notices, Demands and Requests. Unless otherwise expressly provided, all notices, demands and requests to be given or made hereunder to or

by the Issuer, the Registrar, the Paying Agent, the Depository Bank or the Original Purchaser shall be in writing and shall be properly made if sent by United States mail, postage prepaid, and addressed as follows or if hand-delivered to the individual to whom such notice, demand or request is required to be directed as indicated below:

In the event the Internal Revenue Service shall issue a determination of taxability with respect to the Series 2009 A Bonds or the Internal Revenue Service shall serve notice on the holders of the Series 2009 A Bonds that any portion of the interest thereon either should have been, or must be, included

in the gross income of the holders thereof for federal income tax purposes, then the Series 2009 A Bonds shall subject to Mandatory Redemption, at any time.

In the event of any redemption of less than all outstanding Bonds, Bonds shall be selected for redemption by lot or in such other manner deemed appropriate by the Paying Agent. If less than all the Bonds are to be redeemed, the Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Bond, unless waived, shall be given by the Paying Agent on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar. Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Bond.

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Resolution) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the First Lien Bonds and Series 2009 B Bonds, and senior and prior to the pledge of Net Revenues in favor of the holders of the Second Lien Bonds, and from monies in the reserve account created under the Resolution for the Bonds (the "Series 2009 A Bonds Reserve Account") and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. Pursuant to the Resolution, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any fiscal year for principal of and interest, if any, on the Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or subordinate to the Bonds, including the First Lien Bonds, the Series 2009 B Bonds and the Second Lien Bonds.

All monies received from the sale of this Bond except for accrued interest thereon shall be applied solely to pay costs of acquisition and construction of certain additions, betterments and improvements to the System, and pay costs of issuance hereof, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Resolution.

This Bond is, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of the State.

This Bond shall not be entitled to any benefit under the Resolution, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All monies received from the sale of this Bond except for accrued interest thereon shall be applied solely to pay costs of acquisition and construction of certain additions, betterments and improvements to the System, and pay costs of issuance hereof, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owner of this Bond.

All monies received from the sale of this Bond except for accrued interest thereon shall be applied solely to pay costs of acquisition and construction of certain additions, betterments and improvements to the System, and pay costs of issuance hereof, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Resolution.

FINAL

Entered: August 19, 2008

CASE NO. 08-0311-PSD-PW-PC

BERKELEY COUNTY PUBLIC SERVICE SEWER DISTRICT,
a public utility, Martinsburg, Berkeley County.
Petition for consent and approval of a Third Amendment to the alternate mainline extension agreement between the District and Ecolab, Inc., and an intent to underwrite letter from Crews & Associates, a waiver of the filing requirements of a certificate of convenience and necessity for proposed modifications to the existing industrial wastewater treatment plant and for approval to borrow funds for the necessary treatment modifications.

RECOMMENDED DECISION

On March 6, 2008, Berkeley County Public Service Sewer District (District) filed a petition with the Commission for approval of a document entitled "Third Amendment to Alternate Mainline Extension Agreement" (Third Amendment) between the District and Ecolab, Inc. (Ecolab or Developer), along with an "intent to underwrite" letter from Crews & Associates dated January 22, 2008, which the District also submitted to the Commission for consideration and approval. The Third Amendment modifies the existing alternate mainline extension agreement between the District and Ecolab in order to provide for an expansion of the existing industrial wastewater pre-treatment plant.

The District additionally requested a waiver of the requirement for a certificate of convenience and necessity for the proposed modifications to the existing industrial wastewater treatment plant as contemplated in the Third Amendment and requested approval of borrowing in the amount of $3,695,000 for the necessary treatment plant modifications. The District indicated that it had received an unwritten loan commitment from the West Virginia State Development Authority in the amount of $1,000,000, which will replace an equal portion of the Crews & Associates' financing, provided that the terms are more favorable. Attached to the petition was the Third Amendment, executed by Ecolab, but not the District; the January 22, 2008 "intent to underwrite" letter referenced in the petition; and copies of the Commission's Orders in Case Nos. 99-0704-PSD-PC and 06-0732-PSD-PC.

In Case No. 99-0704-PSD-PC, the Commission approved the alternate mainline extension agreement and purchase agreement between the District and Ecolab, with conditions, and authorized the District to borrow funds from the West Virginia Infrastructure and Jobs Development Council (WVIJDC) in an amount not to exceed $429,000, at the rate of 0% for years

1 through 5 and at the rate of 1% for years 6 through maturity, with a repayment period of 20 years; to accept a grant in the amount of $871,000 from the West Virginia Development Office; and to accept a $500,000 contribution in aid of construction from Ecolab. In Case No. 06-0732-PSD-PC, the Second Amendment to the alternate mainline extension agreement was approved, subject to the filing of the Health Department permit and the filing of a revised agreement that included the entire provision of Rule 5.5.h.10.C. of the Commission's Water Rules which states that the property owner or Developer will grant the utility the necessary easements to make future extensions into unserved areas.

On April 10, 2008, Staff Attorney Ronald E. Robertson, Jr., filed the Initial Joint Staff Memorandum, attached to which was the Initial Internal Memorandum prepared by Utilities Analysts Nathan Nelson and Troy Eggleton, of the Commission's Water and Wastewater Division, and Technical Analyst Dave Holley of the Commission's Engineering Division. Staff reviewed the filing, noting that the project cost of $3,695,000 would be financed through bonds issued and underwritten by Crews & Associates at an interest rate of 6.5% for the tax exempt bonds, totaling $3,575,000 payable over 20 years, and at a rate of 7.5% for the taxable bonds, totaling $125,000, payable in the first two years, in addition to the unwritten $1,000,000 loan commitment from the West Virginia State Development Authority which would replace an equal portion of the Crews & Associates' financing, provided that the terms are more favorable. Staff assumed that this would eliminate the $125,000 in taxable bonds. While the District will be assuming the loans, Ecolab is constructing the project and guaranteeing the repayment of the bonds/loans. Therefore, there would be no impact on the District's current rates and charges. From a financial standpoint, Staff considered the project to be feasible and in the best interest of the District.

Commission Staff indicated that the issue regarding waiver of the requirement for a certificate of convenience and necessity was still being reviewed. Staff was evaluating several aspects of the project and whether it could be considered construction in the normal course of business. If it is determined that a certificate is required, the District and Ecolab likely would need to file the application as joint applicants. Further, if a certificate was required, the request for borrowing would be addressed in that case. Staff noted that the District must submit the commitment for the additional $1,000,000 loan when it is received and indicate which bonds it will offset. Staff also requested that the District clarify why $125,000 of the bond issuance is taxable and what the $2,625 shown as a "rounding amount" represents. Staff indicated that it would review the filing and submit its final recommendation within the established time frame and recommended that the case be retained by the Commission for disposition.

Mr. Robertson noted that the form of agreement filed by the District herein combines the District's standard cooperative venture agreement (COVA) with a purchase agreement for the sewer collection mains and all related appurtenances constructed by Ecolab for the District. The agreement obligates the District to borrow funds in order to purchase the sewer system improvements built by the Developer. Effectively, the purchase reimburses the Developer up front for the sewer system improvements, with the Developer guaranteeing repayment of the

bonds/loans, along with its sewage treatment costs, to insure that the District's rates are not impacted.

On April 29, 2008, Commission Staff filed its first set of interrogatories and data requests to the District.

Also on April 29, 2008, Staff Attorney Robertson filed the Further Joint Staff Memorandum, noting that it was filing the data requests to obtain the additional information it needed to conclude its review. Commission Staff noted that, while the District will assume the loans to be used to finance the project, Ecolab is constructing the project and guaranteeing the repayment of the bonds/loans. If Ecolab's guarantee falls through, the District still has sufficient surplus funds to absorb the bond payments. Therefore, regardless of which party is responsible for those bonds/loan payments, the District's current rates and charges will not be impacted. Staff prepared a cash flow analysis presenting both scenarios, i.e., the District receiving the funds from Ecolab to make the loan payments and the District not receiving the funds from Ecolab, but still making the loan payments. The cash flow analysis reflected cash surpluses of $1,650,637 and $1,320,050, respectively. With respect to the issue of the requirement for a certificate of convenience and necessity, Technical Staff again indicated that the issue is still being reviewed. However, it noted that the construction under the prior agreements approved by the Commission did not require a certificate of convenience and necessity.

By Commission Order entered on May 14, 2008, this matter was referred to the Division of Administrative Law Judges for a decision to be rendered on or before October 16, 2008.

On June 4, 2008, Staff Attorney Robertson filed the Second Further Joint Staff Memorandum, to provide the Commission with an updated status of the case. Commission Staff concluded that it could not render a final recommendation at this time, because the District had not responded to the data requests filed by Staff on April 29, 2008. Once that information was received from the District and Staff concluded its review of the case, Staff would file its final recommendation. In the alternative, Staff may file a motion to compel the production of the requested information or recommend dismissal of the petition, if timely responses are not filed by the District.

On July 7, 2008, the District filed additional information with the Commission, including the WVNPDES Permit issued by the West Virginia Department of Environmental Protection, dated June 30, 2008. Included with the WVNPDES Permit was Administrative Order No. 6497, requiring the District to upgrade its treatment to meet the requirements of the Permit.

On July 9, 2008, the District filed its responses to Commission Staff's first set of interrogatories and data requests, including the construction drawings, the preliminary engineering report and the answers to the questions propounded by Commission Staff in its Initial Joint Staff Memorandum filed on April 10, 2008.

By Procedural Order issued on July 16, 2008, Commission Staff was directed to file its Final Joint Staff Memorandum, containing its final substantive recommendations on the petition filed herein, on or before

August 8, 2008. Further, the District was directed to file any response or objection to the Final Joint Staff Memorandum no later than ten (10) days after the filing thereof, but, in any event, no later than August 18, 2008.

On August 8, 2008, Staff Attorney Robertson filed the Final Joint Staff Memorandum in this matter, attached to which was the Final Internal Memorandum prepared by Mr. Nelson, Mr. Eggleton and Mr. Holley. As discussed by Technical Staff, the Third Amendment provides for an expansion of the existing industrial wastewater pre-treatment plant and replaces the First and Second Amendments to the alternate mainline extension agreement between the District and Ecolab. Ecolab produces cleaners and cleaning products. The Berkeley County facility is Ecolab's East Coast distribution facility.

Among other things, the Third Amendment increases the daily wastewater pre-treatment capacity from 30,000 gallons to 100,000 gallons, by adding a second wastewater pre-treatment unit. Ecolab agrees to discharge no more than 100,000 gallons per day of wastewater, containing, at all times, a maximum daily loading of different constituents, pursuant to a provided schedule. A revised NPDES permit was issued for this project on June 30, 2008, which increased the allowable discharge from Ecolab from 50,000 gallons per day to 100,000 gallons per day. According to the District's responses to the Staff's data requests, no permit is required from the West Virginia Bureau of Public Health, because that agency does not regulate industrial pre-treatment facilities. The modifications will not only increase the treatment capacity of the pre-treatment facility, but also will correct some treatment process problems. The modifications consist of the construction of a 200,000-gallon flow equalization tank in front of the treatment plant; increasing the existing 107,000-gallon influent aerated tank to 135,000 gallons; construction of a second sequencing batch reactor; installation of a second digester; installation of a sludge box de-watering system to prepare the sludge for sanitary landfill disposal; installation of chemical feed lines to allow chemicals to be added, to aid in the control of and to precipitate the suspended solids and phosphorus; and the installation of an enhanced control system which will use real-time monitoring to assist in control and improve the treatment process. Ecolab has contracted with a firm to design the modifications and will contract to have the modifications constructed and installed.

The project is estimated to cost $3,695,000, consisting of a loan in the amount of $2,695,000 from Crews & Associates, payable over a period of 20 years, at an interest rate of 6.5% for the tax exempt bonds and an interest rate of 7.5% for the taxable bonds, and a $1,000,000 loan from the West Virginia State Development Office, with an interest rate of 3% with a 20-year term. While the District is assuming the two loans, Ecolab is constructing the project and, pursuant to the agreement, guarantees repayment of the bonds/loan. Staff noted that, if the guarantee by Ecolab is not upheld, the District still will have sufficient surplus funds to absorb the bond payments in their entirety. Thus, there will be no impact to the District's current rates and charges resulting from this project. The cash flow analysis attached to the Final Internal Memorandum describes two different scenarios. Under the first scenario, pursuant to which Ecolab fulfills its obligations under the contract and repays the bonds/loan, the District should have an

annual remaining cash surplus of $1,673,554, with a debt service coverage factor of 148%. In the alternative, if Ecolab does not fulfill its obligations under the contract and the District must assume the responsibility for repaying the two loans, the District's current rates will still generate a remaining cash surplus of $1,242,967, with a debt service coverage factor of 140%.

Having reviewed the previous Commission cases dealing with the Ecolab agreement, Commission Staff has determined that the District has not been complying with Section 7.04 of the agreement, which requires the District to provide an annual update regarding the project to the Public Service Commission. Staff also noted that the Commission did not require the District to obtain a certificate of convenience and necessity for the construction to be performed under the alternate mainline extension agreement and the two amendments thereto. Because the engineering and construction for the project are the responsibility of Ecolab, and because the financing will not result in an increase in rates for the District, even if Ecolab defaults on the guaranteed minimum payment, Staff does not believe that a certificate of convenience and necessity is necessary for the modifications proposed herein. Staff believes that the work is in the ordinary course of business for this Utility. Staff recommended approval of the Third Amendment; approval of the District's issuing the bonds and obtaining the loan, contingent upon receipt by the Commission of the commitment letter for the Development Office loan; the District be granted authority to proceed with the project as being in the ordinary course of business, and without the requirement of a certificate of convenience and necessity; and that the District comply with Section 7.04 of the alternate mainline extension agreement and provide an annual update to the Commission on the project. Commission Staff also recommended that Case Nos. 06-0732-PSD-PC and 99-0704-PSD-PC be reopened and that the contents of those case files be transferred to the instant proceeding, so that all of the Commission's actions relative to Ecolab and the District will be contained in one case number.

Upon consideration of all of the above, the undersigned is of the opinion that the Third Amendment to the alternate sewer mainline agreement between Ecolab and the District should be approved and that the construction to be conducted there under should be considered an ordinary extension of the District's existing system in the usual course of business, so that a certificate of convenience and necessity is not required for that construction. Additionally, the proposed financing should be approved, with the Staff proviso that the Commission receive a copy of the commitment letter from the West Virginia State Development Office. Further, it is reasonable that the District be required to comply with Section 7.04 of the agreement with Ecolab and provide an annual update to the Commission on the project, until the project is fully constructed and operational. With respect to the Staff recommendation regarding the reopening of the two prior cases, Case Nos. 99-0704-PSD-PC and 06-0732-PSD-PC, and the transfer of the contents of the 2006 proceeding and the instant proceeding into Case No. 99-0704-PSD-PC, that recommendation cannot be accomplished at this time. The Division of Administrative Law Judges does not have the authority to reopen closed cases.

The magnitude of the project and financing at issue herein normally would require that a certificate of convenience and necessity be

obtained, pursuant to W. Va. Code §24-2-11. However, the Commission has previously noted that the District has extensive experience with alternate mainline extension agreements/cooperative venture agreements, pursuant to which developers or large customers construct and finance extensions of the District's existing system to provide service to their property. Some of these alternate mainline extension agreements or COVAs have covered projects of a similar magnitude as the project herein. Accordingly, based upon the District's past practices and experience with alternate mainline extension agreements and cooperative venture agreements, it is reasonable to conclude, for this District only, that the Ecolab project is an ordinary extension of the District's existing system in the usual course of business.

FINDINGS OF FACT

1. By Commission Order entered on August 18, 2000, in Case No. 99-0704-PSD-PC, the Public Service Commission approved the alternate mainline extension agreement, with amendment, and a purchase agreement, between Berkeley County Public Service Sewer District and Ecolab, Inc., and authorized the District to borrow funds from the West Virginia Infrastructure and Jobs Development Council in an amount not to exceed $429,000; to accept a grant from the West Virginia State Development Office in the amount of $871,000; and to accept a $500,000 contribution in aid of construction from Ecolab. The Commission subsequently approved a Second Amendment to the original agreement and amendment by Commission Order entered on July 12, 2006, in Case No. 06-0732-PSD-PC. (See, Case Nos. 99-0704-PSD-PC and 06-0732-PSD-PC).

2. On March 6, 2008, the District filed a petition with the Commission for approval of a Third Amendment to the Ecolab alternate mainline extension agreement, and approval of revised borrowing in the amount of $3,695,000 for the necessary treatment plant modifications. (See, petition filed March 6, 2008).

3. The District has obtained an intent to underwrite letter from Crews and Associates to issue and underwrite bonds in the amount of $2,695,000, payable over 20 years, at an interest rate of 6.5% for the tax-exempt bonds and an interest rate of 7.5% for the taxable bonds. The District has also received a commitment from the West Virginia State Development Office for a loan in the amount of $1,000,000, at an interest rate of 3% for a 20-year term. (See, petition filed March 6, 2008; Final Joint Staff Memorandum and attachment filed August 8, 2008).

4. The West Virginia Department of Environmental Protection has issued a revised WVNPDES Permit to the District encompassing the modifications for the project which are reflected in the Third Amendment filed herein. No Health Department permit is required because the West Virginia Bureau of Public Health does not regulate industrial pre-treatment facilities. (See, WVNPDES Permit filed July 7, 2008; Final Joint Staff Memorandum and attachment filed August 8, 2008).

5. Among other things, the Third Amendment increases the daily wastewater pre-treatment capacity from 50,000 gallons to 100,000 gallons, by adding a second wastewater pre-treatment unit and provides for the construction of a 200,000-gallon flow equalization tank in front of the

treatment plant; the construction of a sludge box de-watering system; the installation of chemical feed lines; and the installation of an enhanced control system which will use real-time monitoring to assist in control and improve the treatment process. Ecolab has contracted with a firm for the design of the modifications and will contract to have the modifications constructed and/or installed. (See, petition filed March 6, 2008; Final Joint Staff Memorandum and attachment filed August 8, 2008).

6. Under the original agreement, Ecolab is obligated to make a monthly guaranteed minimum payment to the District until the District's debt is paid in full. The District is to pay the loans associated with the Ecolab project utilizing those monthly guaranteed minimum payments. That obligation of Ecolab to make a monthly guaranteed minimum payment does not include the normal operation and maintenance costs associated with the pre-treatment unit, which are to be billed separately, on a monthly basis, for the life of the system while it is under the District's operation. In the event that the monthly sewer bill for metered pre-treated sewer service exceeds the monthly guaranteed minimum payment, Ecolab is only responsible for the monthly guaranteed minimum payment plus any amount for monthly sewer service as calculated by its discharge wastewater flow meter in excess of that minimum payment. Ecolab is liable for only one payment for monthly service as it relates to the loan agreement. (See, Case No. 99-0704-PSD-PC; petition filed March 6, 2008; Final Joint Staff Memorandum and attachment filed August 8, 2008).

7. Even if, for some reason, Ecolab would not uphold the obligation to guarantee payment of the District's debt obligations associated with the alternate mainline extension agreement, the District has sufficient surplus funds to absorb those bond payments in their entirety. In the event that Ecolab fulfills its obligations under the agreement, the District's current rates should generate a cash flow surplus of $1,673,554, with a debt service coverage factor of 148%. If Ecolab should fail to fulfill its obligations under the agreement, and the District must shoulder the burden of the debt service requirements associated with the Ecolab project, the District's current rates and charges will still generate an annual remaining cash surplus of $1,342,967 and a debt service coverage factor of 140%. (See, Final Joint Staff Memorandum and attachments filed August 8, 2008).

8. Commission Staff recommended that the construction required under the alternate mainline extension agreement, as amended, be considered an ordinary extension of the District's existing system in the usual course of business, because the engineering and construction for the project are the responsibility of Ecolab, and the financing will not cause the District to seek an increase in rates, even if Ecolab defaults on the guaranteed minimum payment. (See, Final Joint Staff Memorandum and attachment filed August 8, 2008).

9. Commission Staff noted that, pursuant to Section 7.04 of the original agreement and its amendments, the District is obligated to provide an annual update of the Ecolab project to the Public Service Commission. However, the District has not been complying with that requirement. (See, Final Joint Staff Memorandum and attachment filed August 8, 2008).

CONCLUSIONS OF LAW

1. For the reasons set forth previously in this Order, the construction required under the agreement and subsequent amendments between Ecolab and the District constitute ordinary extensions of an existing system in the usual course of business, and, therefore, said construction does not require a certificate of convenience and necessity from the Public Service Commission.

2. The proposed financing is reasonable and should be approved.

3. The Third Amendment to the Alternate Mainline Extension Agreement between the District and Ecolab is reasonable and should be approved, without specifically approving the terms and conditions thereof.

4. The District must begin complying with Section 7.04 of the agreement and provide an annual update to the Commission on the Ecolab project. The first filing shall occur no later than August 31, 2009.

ORDER

IT IS, THEREFORE, ORDERED that the petition filed by the Berkeley County Public Service Sewer District on March 6, 2008, for approval of the Third Amendment to Alternate Mainline Extension Agreement between the District and Ecolab, Inc., be, and hereby is, approved, without specifically approving the terms and conditions thereof.

IT IS FURTHER ORDERED that proposed financing for the project covered by the alternate mainline extension agreement and subsequent amendments between the District and Ecolab, consisting of bonds underwritten and issued by Crews and Associates in amount not to exceed $2,695,000, with a term of 20 years, at an interest rate of 6.5% for the tax-exempt bonds and an interest rate of 7.5% for the taxable bonds, and a loan from the West Virginia State Development Authority in the amount of $1,000,000, at 3% interest over a 20-year term, be, and hereby is, approved, contingent upon Berkeley County Public Service Sewer District filing with the Commission a copy of the commitment letter for the West Virginia State Development Office loan no later than thirty (30) days from the date that this Order becomes final.

IT IS FURTHER ORDERED that Berkeley County Public Service Sewer District begin complying with Section 7.04 of the alternate mainline extension agreement and file annual updates with the Public Service Commission regarding the Ecolab project. The first annual filing shall occur no later than August 31, 2009.

IT IS FURTHER ORDERED that this proceeding be, and hereby is, removed from the Commission's docket of open cases.

The Executive Secretary is hereby ordered to serve a copy of this order upon the Commission by hand delivery, and upon all parties of record by United States Certified Mail, return receipt requested.

Leave is hereby granted to the parties to file written exceptions supported by a brief with the Executive Secretary of the Commission within fifteen (15) days of the date this order is mailed. If exceptions are filed, the parties filing exceptions shall certify to the Executive Secretary that all parties of record have been served said exceptions.

If no exceptions are so filed this order shall become the order of the Commission, without further action or order, five (5) days following the expiration of the aforesaid fifteen (15) day time period, unless it is ordered stayed or postponed by the Commission.

Any party may request waiver of the right to file exceptions to an Administrative Law Judge's order by filing an appropriate petition in writing with the Secretary. No such waiver will be effective until approved by order of the Commission, nor shall any such waiver operate to make any Administrative Law Judge's Order or Decision the order of the Commission sooner than five (5) days after approval of such waiver by the Commission.

PROJECTS

NORTH BERKELEY PROJECT

Mike Parker from Woolpert updated the BOD with the following information:

All pump stations are now operating except Dupont. Contractors have various items they are working on. All District and contractor work is finished with the exception of the variety of work to be completed in the Spring. Chairman Kunkle questioned if letters regarding work being done in the Spring had been sent out. Mike Parker informed Chairman Kunkle that they had been sent out.

Items that need taken care of will be discussed as soon as the meeting is rescheduled. General Counsel Rohrbaugh told the BOD that by agreement the PSC complaint case involving Mr. Lam & Mr. Howell had been dismissed. The District agreed on certain items and a timetable to get them completed.

Chairman Kunkle asked how many customers still are not connected. General Manager Keller stated he was not sure of the number. General Manager Keller will get an updated number on connections completed.

Jamie Weist from Woolpert, Inc. informed the BOD of the status of the wastewater treatment plant issues. Woolpert is having biweekly meetings with General Manager Keller and the design engineer to keep him updated on the progress of the wastewater treatment plant corrections. Woolpert, Inc. will be providing progress meeting notes following those meetings for the BOD. A progress meeting was held this morning concerning the corrections. Everything will be put in as a change order. Jamie Weist informed the BOD that they are drafting an agreement. The Digester is still in the layout stage. They are looking to make sure the District has enough land should they need to double or triple the size of the plant. Woolpert wants to make sure everything will fit in future. Once everyone agrees with layout that is needed it will take about 1 ½ year to complete. The Adams pump station and Carousel Lane pump station have issues that need worked on. Woolpert has ideas of how to resolve those and are working to resolve them.

INWOOD LAND DRAINAGE AND WATER QUALITY PROJECT

Flint Holbrook, from Woolpert, Inc. gave an update to the BOD on the project. Structure inventory is moving along nicely. Door hangers have been made for residents. There have been several folks asking questions. They are identifying new or not identified sink holes that have not been located on previously sink hole inventories. They did find underground detention areas as well. Field monitoring is moving forward, rain gages are installed and they are working on flow monitoring devices. Karst area watershed areas have been identified and they are working with residents to find out what is going underground. There is a meeting scheduled with Edgar Mason to gather information from him. Charlie Bennett from Knouse Foods is also scheduled to meet with Woolpert

to review their facilities. Woolpert is in process of scheduling a public meeting the week of February 24 at Musselman High School. They have put together a newspaper press release about the project as well. Chairman Kunkle thanked Woolpert, Inc. for the update.

MANAGEMENT REPORTS

Human Resource Director Regina Keller updated the BOD with the following information:

Two employees were terminated in December , one in the Maintenance Department and one in the Construction Department. The District is leaving the two positions unfilled for now. Cost of those two District employees with benefits is probably $60,000 per year. An electrician position was filled and the new employee started last week. There is one employee out on leave and one is ill. Harassment training was done with Claudia Bentley. An update to the Leave of Absence policy was included in the BOD packets. The Family Medical Leave Act changed and the changes to the policy are in accordance with Federal FMLA changes.

Motion made by Treasurer Collins, seconded by Secretary Myers to approve the Leave of Absence Policy as presented and discussed.

Unanimously approved.

General Counsel Rohrbaugh discussed with the BOD the following information:

- One condemnation will go to trial on February 10th, which is Gladwell.
- Fritz Blatl, a resident who lives near Howard Speaks subdivision is claiming that there was blasting damage that cracked his pool in 2007. He submitted a claim to the insurance company. General Counsel Rohrbaugh is getting records on the blasting to review.
- With respect to the two developers that have been slow in paying under their AMLE's, Whitmore has been paying and is current but Springdale Farms has not. They have been put on notice and the District may have to draw on the letters of credit.
- NPDES permit decision has been reached but has not been released publicly.
- The District was served with a new lawsuit for Rocky Glenn MHP. The owner claims piles of rocks were not removed and the package plants need to be removed. Last May (2008), the package plant was disconnected.
- Condemnation for Wine in Mill Ridge. The District has been talking to him to try to reach an agreement. Mr. Wine has indicated he may have other damage claims to assert. BOD felt offer that was made is fair and should not be increased at this time.
- Sewer back up in apartments on half street from new Apache pump station. Not sure what damage amount from claim will be. It consisted of 7 apartments, which had different degrees of damage.

General Manager Keller discussed with the BOD the following information:

- In the last packet there was copy of general complaints incurred throughout last year for the entire District.
- In the last packet and this packet were Fiscal Officer DeLawder's internal financial statements.
- From a financial stand point, cash flow is still an issue. It is more about the timing of customers making payments. As of today, we still had $700,000 outstanding in Accounts Receivable. Fiscal Officer DeLawder has put preliminary numbers together and a rate increase would be in the 10-15% range. General Manager Keller feels this will help but won't make people pay quicker. In November and Decemeber the District had $15,000 in accounts that skipped out without paying their bill. General Manager Keller said he would bring additional information and details to the next meeting.
- Meeting with Jamie Weist with Woolpert, Inc. tomorrow to discuss the project over runs and the WWTP corrections. Chairman Kunkle asked if General Manager Keller agreed with approach on cost sharing. General Manager said he agreed and thought they want to make sure everyone was clear on who was responsible with what, which included a draft agreement.
- PSC BOD member seminar in February but the BOD does not have to go. It will be held in Charleston.

APPROVAL OF FINANCIALS/PAYROLL

Motion made by Secretary Myers, seconded by Treasurer Collins to approve the Accounts Payable and Payroll for January 20, 2009.

Unanimously approved.

EXECUTIVE SESSION

Executive Session was not needed.

ADJOURNMENT

Motion made by Treasurer Collins, seconded by Secretary Myers to adjourn the meeting at 9:07 p.m.

Unanimously approved.

Berkeley County Public Service Sewer District (West Virginia)
Sewer Revenue Bonds, Series 2009 A

Berkeley County Public Service Sewer District
Martinsburg, West Virginia

Crews & Associates, Inc.
Charleston, West Virginia

Ladies and Gentlemen:

We have examined a record of proceedings relating to the issuance by Berkeley County Public Service Sewer District (West Virginia) (the "Issuer") of its $2,695,000 in aggregate principal amount of Sewer Revenue Bonds, Series 2009 A (the "Series 2009 A Bonds").

The Series 2009 A Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act") and a Bond Resolution duly adopted by the Issuer on July 14, 2009, as supplemented by a Supplemental Parameters Resolution duly adopted by the Issuer on July 14, 2009 (collectively, the "Resolution") and are subject to all the terms and conditions of the Resolution. All capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Resolution.

The Series 2009 A Bonds are issued in fully registered form, are dated July 31, 2009, upon original issuance, mature on March 1 in years and amounts and bear interest payable each March 1 and September 1, commencing March 1, 2010, as follows:

$780,000	5.300%Term Bonds, Due March 1, 2029 at	97.615%	CUSIP	084249 CA7

The Series 2009 A Bonds are subject to optional and mandatory sinking fund redemption prior to maturity on the dates, in the amounts and at the redemption prices set forth in the Certificate of Determinations of the Issuer dated July 23, 2009.

The Series 2009 A Bonds are issued for the purposes of (i) permanently financing the costs of acquisition and construction of certain additions, betterments and improvements to the System; (ii) funding a reserve account for the Series 2009 A Bonds; and (iii) paying a portion of the costs of issuance of the Series 2009 A Bonds.

The Series 2009 A Bonds have been sold to Crews & Associates, Inc. (the "Purchaser"), pursuant to a Bond Purchase Agreement dated July 23, 2009, and accepted by the Issuer (the "Purchase Agreement").

As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Purchaser and other entities contained in the Resolution, the Tax and Non-Arbitrage Certificate and the Continuing Disclosure Agreement and in the certified proceedings and other certifications of certain officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, and assuming compliance with the covenants of the Issuer, the Purchaser and other entities pertaining to tax matters set forth in the Resolution, the Tax and Non-Arbitrage Certificate and the Continuing Disclosure Agreement and with certain certificates delivered in connection with the issuance of the Series 2009 A Bonds, we are of the opinion, under existing law, that:

1. The Issuer is a duly created and validly existing public service district and public corporation under and pursuant to the laws of the State of West Virginia, with full power and authority to adopt the Resolution, enter into the Continuing Disclosure Agreement and the Purchase Agreement, perform its obligations under the terms and provisions thereof and to issue and sell the Series 2009 A Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Issuer, through its governing body, has legally and effectively adopted the Resolution, has authorized, executed and delivered the Purchase Agreement and the Continuing Disclosure Agreement and has issued and delivered the Series 2009 A Bonds to the Purchaser pursuant to the Purchase Agreement. The Resolution is in full force and effect as of the date hereof.

3. Assuming due authorization, execution and delivery by the other parties thereto, the Purchase Agreement and the Continuing Disclosure Agreement constitute valid, legal, binding and enforceable instruments of the Issuer in accordance with their respective terms; and the Series 2009 A Bonds, subject to the terms thereof, constitute valid and legally enforceable limited obligations of the Issuer, payable and enforceable in accordance with their terms and the terms of the Resolution, and are entitled to the benefits of the Resolution and the Act.

4. Under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2009 A Bonds (including original issue discount properly allocable to owners of the Series 2009 A Bonds) is excludable from gross income of the owners thereof for federal income tax purposes, except for any period during which a Bond is held by a person who, within the meaning of the Internal Revenue Code of 1986, as amended and regulations thereunder (the "Code"), is a "substantial user" of facilities financed with proceeds of the Series 2009 A Bonds or a "related person" thereto. Interest on the Series 2009 A Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations. For the purpose of computing the alternative minimum tax on corporations (as defined for federal income tax purposes), such interest is not taken into account in determining adjusted current earnings. Ownership of tax-exempt obligations, including the Series 2009 A Bonds, may result in collateral federal income tax consequences to certain taxpayers, including without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, and taxpayers who may be deemed to have incurred or continued

indebtedness to purchase or carry such obligations. We offer no opinion as to such collateral tax consequences. Prospective purchasers of the Series 2009 A Bonds should consult their own tax advisors as to such consequences. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Code that must be satisfied subsequent to issuance of the Series 2009 A Bonds for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Series 2009 A Bonds set forth in the Resolution, and the Tax and Non-Arbitrage Certificate. Failure to comply with such Code provisions or such certifications, covenants and representations could cause the interest on the Series 2009 A Bonds to be includable in gross income retroactive to the date of issuance of the Series 2009 A Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Series 2009 A Bonds except as expressly set forth in paragraph 8.

5. Under the Act, the Series 2009 A Bonds are exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Series 2009 A Bonds is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Series 2009 A Bonds are exempted securities within the meaning of Section 3(a)(2) of the Securities Act of 1933, as amended, and the West Virginia Uniform Securities Act, as amended, and it is not necessary, in connection with the public offering and sale of the Series 2009 A Bonds, to register any securities under said Securities Acts.

7. The Series 2009 A Bonds have been duly authorized, issued, executed and delivered by the Issuer and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Resolution and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with the Issuer's First Lien Bonds and the Issuer's Series 2009 B Bonds issued contemporaneously with the Series 2009 A Bonds, and, senior and prior to the Second Lien Bonds with respect to liens, pledge and source of and security for payment and in all other respects, all as more fully defined and described in the Resolution.

8. The Series 2009 A Bonds are being issued as exempt facility bonds pursuant to Section 142 of the Code. Exempt facility bonds may not be designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code. The provisions of the Code which disallow all deductibility of interest expense incurred by financial institutions on debt incurred or continued to carry most tax-exempt obligations do not apply to "qualified tax-exempt obligations" as defined in Section 265(b)(3) of the Code; accordingly, 80% of the interest expense of a financial institution incurred for the purpose of purchasing or carrying such "qualified tax-exempt obligations" is deductible for federal income tax purposes. However, the American Recovery and Reinvestment Act of 2009, Pub.L. 111-5, Feb. 17, 2009, 123 Stat. 115, amended Section 265(b) and Section 291 of the Code to permit a financial institution to acquire non "qualified tax-exempt obligations" in an amount up to 2% of the average adjusted bases for all of the financial institution's assets and achieve the tax treatment that applies to "qualified tax-exempt obligations" as described above.

It is to be understood that the rights of the holders of the Series 2009 A Bonds and the enforceability of liens, pledges, rights or remedies with respect to the Series 2009 A Bonds, the Resolution, the Continuing Disclosure Agreement, Tax and Non-Arbitrage Certificate, and the Purchase Agreement are subject to any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally, and that their enforcement may also be subject to the application of public policy, general principles of equity and the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond Nos. AR-1 through AR-4 of said issue, and in our opinion, said Series 2009 A Bonds are in proper form and have been duly executed and authenticated.

Very truly yours,

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance and sale by Berkeley County Public Service Sewer District (the "District") of its $2,695,000 aggregate principal amount of Sewer Revenue Bonds, Series 2009 A (the "Series 2009 A Bonds"). In our capacity as Bond Counsel, we are delivering an opinion of even date herewith concerning the legality of the Series 2009 A Bonds and the exclusion of interest on the Series 2009 A Bonds from gross income for federal income tax purposes (the "Bond Opinion"). We have examined the documents and instruments as described in the Bond Opinion, the Official Statement and such other matters as we have deemed necessary or appropriate to render this opinion. Words and terms used in this opinion shall have the meanings assigned to them in the Bond Purchase Agreement (the "Purchase Agreement") dated July 23, 2009, between the District and Crews & Associates, Inc. (the "Underwriter") and approved by the District.

Based upon the foregoing, we are of opinion that:

(1) The Purchase Agreement has been authorized, executed and delivered by the District and, assuming due authorization, execution and delivery by the other parties thereto, is a legal, valid, binding and enforceable obligation of the District (except to the extent that enforceability may be limited by bankruptcy, insolvency or other laws or equitable principles affecting creditors' rights generally).

(2) The District, under the Act, has full power and authority to adopt the Resolution, enter into the Undertaking and the Purchase Agreement and perform its obligations thereunder.

(3) The District has duly ratified the distribution of the Official Statement, the Official Statement has been duly approved, signed and delivered by the District, and the District has authorized the distribution of the Official Statement and the use thereof by the Underwriter in connection with the public offering of the Series 2009 A Bonds.

(4) The statements and information contained in the Official Statement under the captions or subcaptions "SECURITY FOR THE SERIES 2009 A BONDS," "THE SERIES 2009 A BONDS," and "FINANCING PLAN," inso far as such statements contained under such captions purport to summarize certain matters set forth therein and certain provisions of the Resolution, are complete and accurate and present a fair summary of the matters referred to therein.

(5) The statements contained in the Official Statement under the caption "TAX MATTERS" are true and accurate in all material respects and presents a fair and accurate summary and description of the matters summarized and described under such caption.

(6) The Series 2009 A Bonds are exempt from registration pursuant to the Securities Act of 1933, as amended, and the Resolution is exempt from qualification as an indenture pursuant to the Trust Indenture Act of 1939, as amended.

Berkeley County Public Service Sewer District (West Virginia)
Sewer Revenue Bonds, Series 2009 A

Crews & Associates, Inc.
As the Underwriter named in the
Bond Purchase Agreement dated July 23, 2009,
by and between said Underwriter and
Berkeley County Public Service Sewer District

Berkeley County Public Service Sewer District
Martinsburg, West Virginia

Ladies and Gentlemen:

We have served as bond counsel with respect to the above-referenced bonds (the "Series 2009 A Bonds"). The initial public offering price of the Series 2009 A Bonds maturing in each of the following years on March 1, 2025, and March 1, 2029 (the "Discount Bonds"), is less than that amount payable on the Discount Bonds at maturity. The difference between the initial public offering price at which the Discount Bonds were sold and the amount payable at maturity constitutes an original issue discount ("OID"). In the case of any original Holder of a Discount Bond, the amount of the OID which is treated as having accrued with respect to such Discount Bond is added to the cost basis of the Holder in determining, for federal income tax purposes, gain or loss upon its disposition (including its sale, redemption or payment at maturity). We are of the opinion that amounts received upon such disposition which are attributable to accrued OID will be treated as tax-exempt interest, rather than as taxable gain, for federal income tax purposes.

Interest in the form of OID is treated as compounding semiannually on days which are determined by reference to the maturity date of the Discount Bonds. The amount of OID, which is treated as having accrued in respect of a Discount Bond for any particular semiannual compounding period, is equal to the difference between the product of (a) one-half of the yield for the Discount Bonds (adjusted as necessary for an initial short period) and (b) the tax basis of the Discount Bond during such period. For purposes of the preceding sentence, the tax basis of a Discount Bond, if held by an original purchaser, can be determined by adding to the initial public offering price of such Discount Bond the OID that is treated as having accrued during all prior semiannual compounding periods. If a Discount Bond is sold or otherwise disposed of between semiannual compounding dates, the OID which would have accrued for that semiannual compounding period for federal income tax purposes is to be apportioned in equal amount among the days in such compounding period. Holders of Discount Bonds should consult their tax

advisors with respect to the determination for federal income tax purposes of OID accrued upon sale or redemption of such Discount Bonds, and with respect to the state and local tax consequences of owning such Discount Bonds.

Re: $2,695,000 Berkeley County Public Service Sewer District Sewer Revenue Bonds, Series 2009 A

Ladies and Gentlemen:

We have acted as counsel to you (the "Underwriter") in connection with the issuance and sale by the Berkeley County Public Service Sewer District (the "District") of its Sewer Revenue Bonds, Series 2009 A (the "Series 2009 A Bonds") in the aggregate principal amount of $2,695,000. In connection with rendering this opinion, we have examined the Official Statement dated July 23, 2009, the Bond Purchase Agreement dated July 23, 2009 (the "Purchase Agreement"), the Continuing Disclosure Agreement dated as of the Closing Date (the "Undertaking"), and Rule 15c2-12 of the Securities Exchange Commission promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"). Capitalized terms used but not defined herein shall have the meanings set forth in the Purchase Agreement.

Based upon the foregoing, we are of the opinion that the Undertaking complies as to form in all material respects with the requirements of paragraph (b)(5) of the Rule. In rendering the foregoing opinion, we have relied as to certain matters on information obtained from officials of the District and other sources believed by us to be responsible and we have assumed that the Undertaking has been duly authorized, executed and delivered by the parties thereto.

The Purchase Agreement has been duly authorized, executed and delivered by, and, assuming due authorization, execution and delivery by the other parties to the Purchase Agreement, constitutes a binding agreement in accordance with its terms, of the Underwriter.

Without having undertaken to determine independently the accuracy or completeness of the statements contained in the Official Statement, but on the basis of our conferences with representatives of the District, counsel for the District, Bond Counsel and the Underwriter, and our examination of certain documents referred to in the Official Statement, nothing has come to our attention that would lead us to believe that the Official Statement (excluding therefrom the financial and statistical data included in the Official Statement, including Appendix A, Appendix B and Appendix C thereto as to which we express no opinion) contains any untrue statement of a material fact or omits to state a

material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

This opinion is solely for the benefit of, and may be relied upon only by, the Underwriter; and it is not to be used, circulated, quoted or otherwise referred to for any other purpose, except that a copy hereof may be included in its transcript of closing documents pertaining to the delivery of the Series 2009 A Bonds.

Very truly yours,

Steptoe & Johnson PLLC
Charleston, West Virginia

Ladies and Gentlemen:

I have acted as counsel for Berkeley County Public Service Sewer District (the "District") and have acted as such in connection with the sale of the above-referenced Bonds (the "Series 2009 A Bonds"), which are being delivered and sold pursuant to a Bond Purchase Agreement dated as of July 23, 2009 (the "Purchase Agreement") between Crews & Associates, Inc. (the "Underwriter") and the District. Any capitalized term used herein and not defined shall have the meaning assigned to it in the Purchase Agreement.

In this connection, I have reviewed and examined certain proceedings and documents with respect to the Series 2009 A Bonds, any such records, certificates and other documents as I have considered necessary or appropriate for the purposes of this opinion, the Constitution and the laws of the State of West Virginia, specifically Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (collectively, the "Act"), the Resolution of the District relating to the Series 2009 A Bonds adopted on July 14, 2009, as supplemented by a Supplemental Parameters Resolution adopted July 14, 2009 (collectively, the "Resolution"), the Continuing Disclosure Agreement (the "Undertaking"), the Purchase Agreement, the Official Statement dated July 23, 2009, with respect to the issuance and offering of the Series 2009 A Bonds (collectively, the "Official Statement") and a closing certificate of the

District. Based on such review and such other considerations of law and fact as I believe to be relevant, I am of the opinion that:

1. The District is a public service sewer district and a public corporation and political subdivision of the State of West Virginia. The District is authorized by the laws of the State of West Virginia, as provided by the Act, to issue the Series 2009 A Bonds, enter into and perform its obligations under the Resolution, the Undertaking and the Purchase Agreement.

2. The District has full power and authority to consummate all transactions contemplated by the Series 2009 A Bonds, the Purchase Agreement, the Undertaking and any and all other agreements relating thereto, to which the District is a party.

3. The District has duly authorized all action necessary to be taken by it or on its behalf for (i) the acquisition and construction of the Project; (ii) the execution and delivery of the Undertaking and the Purchase Agreement; (iii) the approval of the distribution of the Official Statement; (iv) the ratification of the actions of the District and the issuance and delivery of the Series 2009 A Bonds upon the terms set forth in the Resolution; and (v) the carrying out, giving effect to and consummation of the transactions contemplated thereby.

4. The Undertaking and the Purchase Agreement have been duly and validly authorized, executed and delivered by the District and the same are in full force and effect as of the date hereof and are valid and legally binding obligations of the District, enforceable against the District in accordance with their respective terms, except to the extent the enforceability thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting creditors' rights generally.

5. The Resolution has been duly adopted at meetings of the governing body (Board) of the District which were called and held pursuant to law and in accordance with all applicable open meeting laws and at which a quorum was present and acting at the time of the enactment of the Resolution.

6. The execution and delivery by the District of the Undertaking and the Purchase Agreement and the performance of its obligations thereunder do not and will not result in a violation of any provision of, or in default under, the West Virginia statutes organizing and governing the District or, to the best of my knowledge after diligent inquiry and review of the District's records, any agreement or other instrument to which the District is a party or by which it or its properties are bound.

7. All actions necessary to be taken by the District have been taken, and no additional approval, authorization, consent or other order of the District or any public board or body is legally required to allow the District to enter into and perform its obligations under the Purchase Agreement or as described in the Official Statement.

8. The District is not in violation of any provision of, or in default under, West Virginia statutes organizing and governing the District.

9. No litigation is pending, or to my knowledge, threatened in any court in any way affecting the existence of the District or the titles of its officers to their respective offices, or seeking to restrain or to enjoin the issuance or delivery of the Series 2009 A Bonds, or the collection of revenues and assets of the District pledged or to be pledged to pay the principal of and interest on the Series 2009 A Bonds, or the pledge thereof, or in any way contesting or affecting the validity or enforceability of the Series 2009 A Bonds, or the pledge thereof, or in any way contesting or affecting the validity or

enforceability of the Series 2009 A Bonds, the Resolution or the Purchase Agreement, or contesting the powers of the State with respect to the Series 2009 A Bonds, the Resolution or the Purchase Agreement or any transaction described in or contemplated by the Official Statement.

10. All approvals, consents, authorizations, resolutions and orders of or filings or registrations with any governmental authority, legislative body, board, agency or commission having jurisdiction which would constitute conditions precedent to, or the absence of which would materially adversely affect, the due performance by the District of its obligations under the Resolution, the Series 2009 A Bonds or the Purchase Agreement, have been duly obtained and are in full force and effect, except for such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Series 2009 A Bonds, as to which no opinion is hereby expressed.

11. The Resolution creates a legally valid and binding pledge of, and lien and charge upon, the security, for payment of the principal of, premium, if any, and interest on the Series 2009 A Bonds as the same become due and for the other purposes provided in the Resolution, subject only to the provisions of the Resolution permitting application thereof on the terms and conditions set forth in the Resolution.

12. The Official Statement, as amended or supplemented to the date of Closing contains no untrue statement regarding the District of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein regarding the District, in light of the circumstances under which they were made, not misleading.

13. The statements contained in the Official Statement under the caption, "The Project", "Financing Plan", "The District and the System", "Absence of Material Litigation" and "Appendix B –The District and the System," insofar as such statements contained under such caption purport to summarize certain matters set forth therein and certain provisions of the Resolution, are complete and accurate and present a fair summary of the matters referred to therein.

I hereby consent to the references made to me in the Official Statement.

(a) In General. Except as specifically otherwise provided below, the Fair Market Value of an Investment is the price at which a willing buyer would purchase the Investment from a willing seller in a bona fide arm's length transaction. The Fair Market Value of an Investment that is purchased directly from the United States Treasury is its purchase price.

(b) Safe Harbor for Establishing Fair Market Value for Guaranteed Investment Contracts and Investments Purchased for a Yield Restricted Defeasance Escrow. The purchase price of a guaranteed investment contract is treated as its Fair Market Value on the purchase date if -

(I) The institution makes a bona fide solicitation for a specified guaranteed investment contract and reserves at least three (3) bona fide bonds from providers that have no material financial interest in the issue (e.g. as underwriters or brokers);

(ii) The institution purchases the highest yielding guaranteed investment contract for which a qualifying bid is made (determined net of broker's fees);

"**Final Computation Date**" means the date on which the last Bond is Discharged.

"**Future Value**" means the amount determined by using the following formula:

$FV = PV(1+i)^{n}$

where:

FV = The future value of the nonpurpose receipt or payment at the end of the interval. Each interval ends on the last day of a compounding interval. The compounding interval is the same compounding interval used in computing the Bond Yield.

PV = The future value of the nonpurpose receipt or payment at the beginning of the interval, or the amount thereof if the computation is for the first interval. The first interval begins on the date the nonpurpose receipt or payment is actually or constructively received or paid (or otherwise is taken into account). The amount of every nonpurpose receipt and payment with respect to an issue that is taken into account at the beginning of the first interval may be rounded to the nearest whole dollar. The preceding sentence shall not apply to receipts and payments with respect to investments in a restricted escrow within the meaning of Section 1.148-8(g) of the Regulations.

i = The Bond Yield during the interval (expressed as a decimal) divided by the number of compounding intervals in a year.

^{n} = A fraction, the numerator of which is the length of the interval and the denominator of which is the length of a whole compounding interval.

For this purpose, ten percent (10%) is a substantial amount, and the term "the public" does not include bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters or wholesalers. The Issue Price generally is the first price at which the Series 2009 A Bonds are sold to the public, and the issue price will not change if part of the issue is subsequently sold at a different price. The Issue Price of bonds that are not substantially identical is determined separately. The Issue Price of a bond issue for which a bona fide public offering is made is determined as of the sale date based on reasonable expectations regarding the initial public offering price. The Issue Price of the Series 2009 A Bonds may not exceed their fair market value as of the sale date.

"**Net Sale Proceeds**" means Sale Proceeds less the amount of those Sale Proceeds invested in a reasonably required reserve or replacement fund under section 148(d) of the Code and as part of a minor portion under section 148(e) of the Code.

$$PV = \frac{FV}{(1+i)^n}$$

where i equals the discount rate divided by the number of compounding intervals in a year and n equals the sum of (i) the number of whole compounding intervals for the period ending on the date as of which the Future Value is determined and (ii) a fraction the numerator of which is the length of any short compounding interval during such period and the denominator of which is the length of a whole compounding interval.

"**Present Value of an Investment**" shall mean the value of an investment computed under the economic accrual method; using the same compounding interval and financial conventions used to compute the yield on the Series 2009 A Bonds. On any valuation date, the Present Value of an Investment is equal to the Present Value of all unconditionally payable receipts to be received from the payments to be paid for the investment after that date, using the Yield on the Investment as the discount rate.

"**Proceeds**" means any Sale Proceeds, Investment Proceeds, and Transferred Proceeds of an issue of bonds. Proceeds do not include amounts that are actually or constructively received that with respect to an Investment that is acquired for the governmental purpose of an issue that are properly allocable to the immaterially higher yield under section 1.148-2(d) of the Regulations or section 143(g) of the Code or to qualified administrative cost recoverable under section 1.148-5(e).

"**Rebate Amount**" means, in respect of the Series 2009 A Bonds, the amount determined pursuant to the Code and Regulations in accordance with section E(1) hereof. Generally, under the Regulations, the rebate amount, as of any date, equals the excess of the Future Value of all Receipts with respect to Nonpurpose Investments allocated to the Gross Proceeds of the Series 2009 A Bonds over the Future Value of all the Payments with respect to such Nonpurpose Investments computed in accordance with the Regulations.

"**Replacement Proceeds**" means amounts that are treated as replacement proceeds of an issue of bonds under section 1.148-1(c) of the Regulations. Generally, amounts are Replacement Proceeds of an issue if the amounts have a sufficiently direct nexus to the governmental purpose of the issue to conclude that the amounts would have been used for that governmental purpose if the proceeds of the issue were not used or to be used for that governmental purpose. Replacement Proceeds include, but are not limited to, sinking funds or pledged funds to the extent that those funds are held by or derived from a substantial beneficiary of the issue (which, for this purpose includes the issuer and any related party to the issuer).

"**Sale Proceeds**" means amounts actually or constructively received from the sale of an issue of bonds (including amounts used to pay underwriter's discount and compensation and accrued interest other than pre-issuance accrued interest). "**Underwriter**" means Crews & Associates, Inc., Charleston, West Virginia.

"**Universal Cap**" means the maximum value of Nonpurpose Investments which may be allocated to the Series 2009 A Bonds under section 1.148-6 of the Regulations and is determined by reference to the Value of all outstanding Series 2009 A Bonds of the issue. For purposes of this determination Nonpurpose Investments include cash, Tax-Exempt Bonds (i.e., any tax-exempt bond that is not investment property under section 148(b)(3) of the Code), qualified mortgage loans, and qualified student loans.

"**Valuation Date**" means the date on which the value of the Universal Cap and the Nonpurpose Investments allocable to the Series 2009 A Bonds thereunder must be determined under section 1.148-6 of the Regulations. In general, beginning with the first Bond Year beginning after second year anniversary of the Issue Date, the first day of each Bond Year constitutes a Valuation Date. In addition, the Regulations provide with respect to a refunded issue (e.g., the Prior Bonds) and a refunding issue (i.e., the Series 2009 A Bonds) each date on which proceeds of the refunded issue would become transferred proceeds of the refunding issue, e.g., each date on which principal of the refunded issue is paid with proceeds of the refunding bonds, constitutes a Valuation Date.

"**Value of a Bond**" means the value of a bond determined under section 1.148-4(e) of the Regulations. Under those Regulations, value generally means:

> (a) In the case of a plain par bond (within the meaning of section 1.148-1(b) of the Regulations), its outstanding stated principal amount, plus accrued unpaid interest or in the case of a plain par bond actually redeemed, or that is treated as redeemed, its stated redemption price on the redemption date plus accrued unpaid interest; and
>
> (b) In the case of a bond other than a plain par bond, the value on a date of such a bond is generally its Present Value on that date, using the yield on the issue of which the bonds are a part as the discount factor. In determining the Present Value of a variable rate bond, the initial interest rate on the bond established by the index or other rate setting mechanism is used to determine the interest payments on that bond.

"**Value of an Investment**" means the value of an investment determined under section 1.148-5(d) of the Regulations. Under those Regulations, value as of any date generally means, for any fixed rate investment (within the meaning of section 1.148-1(b) of the Regulations) or Yield Restricted Investment, Present Value on that date, and for any plain par investment (within the meaning of section 1.148-1(b) of the Regulations), the outstanding stated principal amount, plus accrued unpaid interest, as of that date.

"**Yield**" or "**yield**" means the yield computed under section 1.148-4 of the Regulations for the Series 2009 A Bonds, and the yield computed under Section 1.148-5 of the Regulations for an Investment.

"**Yield Restricted Investments**" means any Investments which either (1) bear a yield that is no greater than the Bond Yield, or (2) are investments in one or more Tax-Exempt Bonds.

Work with respect to the acquisition and construction of the Project will commence shortly and will proceed with due diligence to completion. Acquisition and construction of the Project is expected to be completed within 2 years. All proceeds of the Series 2009 A Bonds designated for the Project will be expended within 3 years from the date of issuance thereof. The Project will be operated solely for a public purpose as a local governmental activity of the Issuer. The Issuer expects no part of the Project financed by proceeds of the Series 2009 A Bonds will be sold or otherwise disposed of prior to the last maturity date of the Series 2009 A Bonds. None of the proceeds of the Series 2009 A Bonds will be used to reimburse the Issuer for costs of the Project previously incurred and paid by the Issuer with its own funds.

Except for the proceeds of the Series 2009 A Bonds and the Parity 2009 Bonds, as defined in the Resolution, designated for the Project, no other funds of the Issuer will be available to meet costs of the Project, which would constitute "replacement proceeds" within the meaning of Treas. Reg. § 1.148-1 (c), inasmuch as (i) the Issuer does not reasonably expect that the term of the Series 2009 A Bonds is longer than is reasonably necessary for the governmental purposes of the Issuer, (ii) the weighted average maturity of the Series 2009 A Bonds does not exceed 120% of the average expected

economic life of the Project, and (iii) there are no amounts that have a sufficiently direct nexus to the Series 2009 A Bonds or to the governmental purpose of the Series 2009 A Bonds to conclude that the amounts would have been used for that governmental purpose if the proceeds of the Series 2009 A Bonds were not used or to be used for that governmental purpose.

9. Other than the funds and accounts described above, there are no other funds or accounts of the Issuer which (i) are reasonably expected to be used to pay Debt Service on the Series 2009 A Bonds or which are pledged as collateral to secure repayment of Debt Service on the Series 2009 A Bonds and (ii) for which there is a reasonable assurance that amounts therein will be available to pay Debt Service on the Series 2009 A Bonds.

10. Accrued interest, if any, with respect to the Series 2009 A Bonds in an amount less than 6 month's interest on the Series 2009 A Bonds may be applied within one year from the date hereof toward the payment of interest first due on the Series 2009 A Bonds, as detailed in the Schedules. Pending such disbursement, such monies, if any, will be invested without restriction as to yield.

E. REBATE OF EXCESS ARBITRAGE

1. Rebate Fund; Calculation of Rebate Amount.

(a) Section 148(f) of the Code requires the payment to the United States of the excess of the amount earned on the investment of Gross Proceeds in Nonpurpose Investments over the amount that would have been earned on such investments had the amount so invested been invested at a rate equal to the Bond Yield, together with any income attributable to such excess. Except as provided below, and as previously set forth as excepted in Section D hereof, the Sinking Funds, the Reserve Accounts therein, the Costs of Issuance Fund and all other funds or accounts treated as containing Gross Proceeds are subject to this requirement.

(b) Pursuant to the Resolution, the Issuer has created the Rebate Fund to be held by the Depository Bank. On or before 45 days following each Computation Date, an amount shall be deposited into the Rebate Fund by the Issuer so that the balance held in the Rebate Fund shall equal the aggregate Rebate Amount due as of the Rebate Payment Date following such Computation Date. Monies so deposited shall be derived from the Issuer's own funds.

(c) To meet the rebate requirements of Section 148(f) of the Code, the Issuer (or the Rebate Analyst described in Section E(3) hereof) agrees and covenants to take the following actions:

(i) For each investment of (i) amounts held in the Reserve Accounts, (ii) Transferred Proceeds of the Series 2009 A Bonds, and (iii) any other monies held by the Issuer which constitute Gross Proceeds, the Issuer shall record the purchase date of such investment, its purchase price, accrued interest due on its purchase date, its face amount, its coupon rate, the frequency of its interest payment, its disposition price, accrued interest due on its disposition date and its disposition date.

(ii) For each Installment Computation Date with respect to Rebate Amounts specified in paragraph (iii) below, the Issuer shall compute the Yield on the Series 2009 A Bonds as required by the Code

and Regulations. If the Series 2009 A Bonds are redeemed prior to their scheduled maturity, the Issuer agrees to seek the advice of Bond Counsel or other rebate expert to recompute the Yield on the Series 2009 A Bonds as required by the Regulations.

(iii) For each Computation Date, the Issuer shall determine the amount of earnings received on all Nonpurpose Investments described in paragraph (i) above this section E(1)(c) that are allocable to Gross Proceeds of the Series 2009 A Bonds. In addition, where Nonpurpose Investments are retained by the Bond Commission after retirement of the Series 2009 A Bonds, any unrealized gains or losses as of the date of retirement of the Series 2009 A Bonds must be taken into account in calculating the earnings on such Nonpurpose Investments to the extent required by the Regulations.

(iv) In determining the Nonpurpose Investments that are allocable to Gross Proceeds of the Series 2009 A Bonds, the Issuer shall consider the allocation rules set forth in the Regulations, including the rules relating to the Universal Cap. In general, the Universal Cap represents the maximum value of Nonpurpose Investments that may be allocated to an issue of bonds and is determined by reference to the Value of all the outstanding bonds of the issue.

(v) For each Computation Date, the Issuer shall calculate for each Nonpurpose Investment described in paragraph (iii) above, an amount equal to the earnings which would have been received on such Nonpurpose Investment at an interest rate equal to the Yield on the Series 2009 A Bonds as described in paragraph (ii) above. The method of calculation shall follow that set forth in the Regulations.

(vi) In determining the amount of any rebate computed pursuant to this section, all earnings on any Bona Fide Debt Service Fund to the extent such earnings do not exceed $100,000 in any Bond year shall not be taken into account.

(vii) For each Computation Date, the Issuer shall calculate the Rebate Amount (computed from the Issue Date of the Series 2009 A Bonds to each such Computation Date) by any appropriate method provided in the Code and Regulations that is applicable to the Series 2009 A Bonds, taking into account any computation credit allowed thereunder. In determining the Rebate Amount, the Issuer shall account for the amounts determined under paragraphs (iii), (iv), and (v) above.

(viii) If the Rebate Amount exceeds the amount on deposit in the Rebate Account, the Issuer shall immediately pay that amount, or cause that amount to be paid, into the Rebate Account.

2. Payment to United States. (a) Installment Computation Dates. Unless the Series 2009 A Bonds are redeemed prior to such time, the Issuer shall pay to the United States, not later than sixty (60) days after each Installment Computation Date, an amount which, when added to all previous rebate payments made with respect to the Series 2009 A Bonds, is equal to not less than ninety percent (90%) of the Rebate Amount (computed from the date of issuance of the Series 2009 A Bonds to each such Installment Computation Date).

(b) Final Computation Date. The Issuer shall pay to the United States, not later than sixty (60) days after the last outstanding Series 2009 A Bonds are paid or redeemed, one hundred percent (100%) of the Rebate Amount for the Final Computation Date (computed from the date of issuance of the Series 2009 A Bonds to the Final Computation Date).

(c) Mailing of Rebate Payment. Each Payment of an installment shall be mailed to the Internal Revenue Service Center, Philadelphia, Pennsylvania 19255. Each payment shall be accompanied by (i) a copy of IRS Form 8038-T, and (ii) the CUSIP number for the Series 2009 A Bond with the latest maturity.

(d) Excess Balance in Rebate Fund; Excess Rebate Payments. If on the Rebate Payment Date the balance on deposit in the Rebate Fund is in excess of the Rebate Amount attributable to the Series 2009 A Bonds, such excess may be withdrawn by the Issuer from the Rebate Fund. The Issuer may direct that any overpayment of rebate may be recovered from any rebate payment previously made to the United States under any procedure that may be permitted by the Code or the Regulations.

(e) Recordkeeping. In connection with the rebate requirement, the Issuer shall maintain (or cause to be maintained) the following records:

(i) The Issuer shall record all amounts paid to the United States pursuant to Section E(2) hereof.

(ii) The Issuer shall retain records of the rebate calculations until six years after the Final Computation Date.

(iii) The Issuer shall keep and record the data described in Section E(1)(c) hereof pertaining to the investment of the proceeds of the Series 2009 A Bonds until six years after the Final Computation Date.

3. Rebate Analyst. (a) A Rebate Analyst shall be appointed to perform the rebate calculations, as required herein.

(b) The Issuer may rely conclusively upon the opinions, calculations, determinations, directions and advice of the Rebate Analyst. The charges and fees for such Rebate Analyst shall be paid by the Issuer upon presentation of an invoice for services rendered in connection therewith.

4. Failure to Pay Rebate Amounts. In the event the Issuer fails to pay at the proper time and in the proper amounts, any Rebate Amount, it will pay the rebate amount plus interest within 180 days after discovery of such failure as set forth in Section 1.148-3(h)(3) of the Regulations. Notwithstanding the foregoing, in the event the Issuer fails to pay at the proper time and in the proper

amount any Rebate Payment or correction amount, it hereby covenants and agrees to pay any penalty required by Internal Revenue Service in lieu of a declaration of taxability on the Series 2009 A Bonds.

F. MISCELLANEOUS

1. The amount designated as "Cost of Issuance" of the Series 2009 A Bonds consists only of costs which are directly related to and necessary for the issuance of the Series 2009 A Bonds.

2. The Issuer shall file Form 8038 in a timely fashion with the Internal Revenue Service Center, Ogden, Utah. The Form 8038 attached hereto as EXHIBIT B - FORM 8038 is, to the best of my knowledge, true and correct, and may be relied upon by Bond Counsel.

3. None of the proceeds of the Series 2009 A Bonds will be used (directly or indirectly) in any trade or business carried on by, or will be used to make or finance loans to, any person who is not a governmental unit.

4. The original proceeds of the Series 2009 A Bonds will not exceed the amount necessary for the purpose of the issue, except to the extent any such proceeds are required for rebate to the United States.

5. The Issuer shall use the proceeds of the Series 2009 A Bonds (i) to fund the Series 2009 A Bonds Reserve Account; and (ii) to pay the costs of acquisition and construction of the Project. The costs of issuance were paid from proceeds of the Series 2009 B Bonds.

6. The Issuer shall not permit at any time or times any of the proceeds of the Series 2009 A Bonds or any other funds of the Issuer to be used directly or indirectly in a manner which would result in the exclusion of the Series 2009 A Bonds from treatment afforded by Section 103(a) of the Code by reason of classification of the Series 2009 A Bonds as "private activity bonds" within the meaning of the Code. The Issuer will take all actions necessary to comply with the Code and the Treasury Regulations promulgated or to be promulgated thereunder.

7. The Series 2009 A Bonds are not, and will not be, in whole or part, directly or indirectly, federally guaranteed within the meaning of Section 149(b) of the Code.

8. The Issuer has not entered and will not enter into any transaction to reduce the Yield on an investment of the Gross Proceeds of the Series 2009 A Bonds so as to cause the amount to be rebated to the United States Treasury to be less than it would have been had the transaction been at arm's length and the Yield on the Series 2009 A Bonds not been relevant to either party to the transaction, and that all investments of Gross Proceeds will be made on an arm's length, Fair Market Value basis.

9. On each Valuation Date, the Issuer agrees to value the Universal Cap and the Nonpurpose Investments allocable to the Series 2009 A Bonds thereunder in accordance with the Regulations. Notwithstanding anything herein to the contrary, the failure to perform the determination of Nonpurpose Investments allocable to the Series 2009 A Bonds as of a Valuation Date shall not be considered a violation of this provision if the application of the Universal Cap would not result in a reduction or reallocation of Gross Proceeds of an issue.

10. [RESERVED]

11. No portion of the proceeds of the Series 2009 A Bonds will be used directly or indirectly to replace funds of the Issuer or other related governmental agency that have been used directly or indirectly to acquire securities or obligations which may reasonably be expected, on the date hereof, to produce a yield materially higher than the Yield on the Series 2009 A Bonds.

12. In connection with the Series 2009 A Bonds, there has not been created or established, and the Issuer does not expect that there will be created or established, any sinking fund, pledged fund or similar fund (other than as specifically identified in this Tax and Arbitrage Certificate), including without limitation any arrangement under which money, securities, or obligations are pledged directly or indirectly to secure the Series 2009 A Bonds or any contract securing the Series 2009 A Bonds or any arrangement providing for compensating or minimum balances to be maintained by the Issuer or related governmental agencies with any registered owner of the Series 2009 A Bonds.

13. The Series 2009 A Bonds are not and will not be part of a transaction or series of transactions that (i) attempt to circumvent the provisions of Section 148 of the Code, or any successor thereto, and the Regulations promulgated thereunder which enable the Issuer to exploit the difference between tax-exempt and taxable interest rates to gain a material financial advantage or (ii) increase the burden on the market for tax-exempt obligations in any manner, including, without limitation, by selling obligations that would not otherwise be sold or selling a larger amount of obligations, or issuing them sooner, or allowing them to remain outstanding longer, than would otherwise be necessary.

14. Except for the Parity 2009 Bonds, no other obligations are being issued by the Issuer or any related entity at substantially the same time and sold pursuant to a common plan of financing and which will be paid out of substantially the same source of funds (or which will have substantially the same claim to be paid out of substantially the same source of funds) as the Series 2009 A Bonds or which will be paid directly or indirectly from proceeds of the sale of the Series 2009 A Bonds.

15. Gross Proceeds of the Series 2009 A Bonds, other than gross proceeds that are allocable to:

(A) the payment of administrative costs allocable to carrying and repaying the Series 2009 A Bonds, or the reasonable investments of Proceeds of the Series 2009 A Bonds;

(B) amounts deposited in the Sinking Fund (including investment earnings thereon) to pay debt service on the Series 2009 A Bonds, if any; and

(C) qualified guarantee fees (within the meaning of the Regulations) for the Series 2009 A Bonds;

will not exceed 1% of the Sale Proceeds from the Series 2009 A Bonds.

16. The issuance of the Series 2009 A Bonds will not involve the use of a "device" or an "abusive transaction" within the meaning of Section 149(d)(4) of the Code and the Regulations thereunder.

17. The Issuer covenants to comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Series 2009 A Bonds in order that the interest thereon be and continue to be excludable from gross income for federal income tax purposes.

18. The Issuer will rebate to the United States the amount, if any, required by the Code and to take all steps necessary to make such rebates. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, and take all other actions required of it in order to maintain the exclusion of interest on the Series 2009 A Bonds from gross income for federal income tax purposes.

19. The Issuer has retained the right to amend the Resolution authorizing the issuance of the Series 2009 A Bonds if such amendment is necessary to assure compliance with Section 148(f) of the Code or as may otherwise be necessary to assure the exclusion of interest on the Series 2009 A Bonds from the gross income of the holders thereof.

20. The Issuer shall comply with all yield restrictions on Series 2009 A Bond proceeds as set forth in the Code.

21. The Issuer covenants and agrees to comply with the rebate requirements of the Code if not exempted therefrom, and with all other requirements of the Code necessary, proper or desirable to maintain the tax-exempt status of the Series 2009 A Bonds and the interest thereon. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2009 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of the Resolution.

22. The Series 2009 A Bonds are a fixed yield issue. No interest or other amount payable on any of the Series 2009 A Bonds (other than in the event of an unanticipated contingency) is determined by reference to (or by reference to an index that reflects) market interest rates or stock or commodity prices after the date of issue.

23. Under section 1.148-2(b) of the Regulations, an officer of the Issuer must certify the Issuer's expectations as of the issue date. In accordance therewith, the undersigned Chairman of the Governing Body of the Issuer hereby in good faith certifies that the representations and covenants set forth in this Certificate constitute the reasonable expectations of the Issuer as of the Issue Date. Accordingly, the representations and covenants set forth herein are intended and may be relied upon as the certification described in section 1.148-2(b) of the Regulations and are being delivered as part of the record of proceedings in connection with the issuance of the Series 2009 A Bonds.

24. Pursuant to Section 265(b)(3)(D)(ii) of the Code, the Series 2009 A Bonds shall be treated as a "qualified tax-exempt obligation" for purposes of Section 265(b)(3) of the Code and shall

be deemed so designated as the Series 2009 A Bonds and the issue of which they are a part satisfy the requirements set forth in Section 265(b)(3)(D)(ii) of the Code.

25. To the best of my knowledge, information and belief there are no other facts, estimates and circumstances which would materially change the expectations herein expressed.

26. Steptoe & Johnson PLLC is entitled to rely upon the representations, expectations, covenants, certifications and statements contained herein in rendering its opinions regarding the tax-exempt status of interest on the Series 2009 A Bonds.

27. Notwithstanding any other provision hereof, any provision of this Tax and Arbitrage Certificate shall be amended at any time and such amendment shall be complied with, upon receipt by the Issuer of an opinion of Bond Counsel that such amendment is necessary or permissible under the then current Code and Regulations and is either necessary to or will not adversely affect the excludability of interest on the Series 2009 A Bonds from gross income of the recipients thereof for federal income tax purposes.

28. To the best of my knowledge, information and belief, the foregoing expectations are reasonable.

WITNESS my signature the day and year first written above.

(a) At least 10% of the Bonds have been the subject of an initial offering to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers), made pursuant to the Bond Purchase Agreement dated July 23, 2009, by and between Berkeley County Public Service Sewer District (the "Issuer") and the Underwriter, at prices no higher than, or yields no lower than, those shown on the cover of the Official Statement dated July 23, 2009 relating to the Bonds. (xxiv) Sewer Refunding Revenue Bonds, Series 2006 A (Bank-Qualified), dated October 1, 2006, issued in the original aggregate principal amount of $3,665,000;

(xxv) Sewer Refunding Revenue Bonds, Series 2006 B (Non Bank-Qualified), dated October 1, 2006, issued in the original aggregate principal amount of $240,000;

(xxvi) Sewer Revenue Bonds, Series 2007 A (Bank Qualified), dated March 6, 2007, issued in the original aggregate principal amount of $3,970,000;

(xxvii) Sewer Revenue Bonds, Series 2007 B (United States Department of Agriculture), dated March 6, 2007, issued in the original aggregate principal amount of $9,000,000;

(xxviii) Sewer Revenue Bonds, Series 2007 C (United States Department of Agriculture), dated March 6, 2007, issued in the original aggregate principal amount of $9,000,000;

(xxix) Sewer Revenue Bonds, Series 2007 D (United States Department of Agriculture), dated March 6, 2007, issued in the original aggregate principal amount of $7,104,000;

(xxx) Sewer Revenue Bonds, Series 2007 E (United States Department of Agriculture), dated March 6, 2007, issued in the original aggregate principal amount of $500,000;

(xxxi) Sewer Revenue Bonds, Series 2007 F (United States Department of Agriculture), dated March 6, 2007, issued in the original aggregate principal amount of $4,999,900; and

(xxxii) Sewer Revenue Bonds, Series 1990 B, dated May 3, 1990, issued in the original aggregate principal amount of $38,669. (collectively, the "Prior Bonds")

It is our further opinion that the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Series 2009 Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the issuance of the Series 2009 Bonds, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Prior Bonds and the Series 2009 Bonds.

It is also our further opinion that the current schedule of rates and charges are sufficient to generate revenues equal to 100% of the annual payment of principal of and interest on all obligations payable from the Net Revenues, including but not limited to the Sewer Net Revenue Bonds and the Subordinate Sewer Net Revenue Bonds, and the Series 2006 A CIF Bonds and any obligations on a parity with the Series 2006 A CIF Bonds.

Very truly yours,

The proceeds of the Series 2009 A Bonds shall be used to: (i) permanently finance a portion of the cost of increasing the daily wastewater pre-treatment capacity from 50,000 gallons to 100,000 gallons by adding a second wastewater pre-treatment unit; constructing a 200,000 gallon flow equalization tank in front of the treatment plant; constructing a sludge box de-watering system; installing chemical feed lines and install an enhanced control system that will use real time monitoring to assist in control and improve the treatment process (the "Project"); (ii) fund the Series 2009 A Bonds Reserve Account; and (iii) pay certain costs of issuance of the Series 2009 A Bonds and related costs.

THE PROJECT

The Project consists of the construction and acquisition of a second wastewater pre-treatment unit to increase the daily wastewater pre-treatment capacity from 50,000 gallons to 100,000 gallons; a 200,000 gallon flow equalization tank in front of the treatment plant; a sludge box de-watering system; chemical feed lines; an enhanced control system which will use real time monitoring to assist in control and improve the treatment process, and all appurtenant facilities with a total project cost of $3,695,000. The District has a current customer base of 19,215 customers which will generate sufficient revenues to pay for the additional debt service without a rate increase. The District entered into an Alternate Mainline Extension Agreement with Ecolab Inc., as amended by a First Amendment, Second Amendment and a Third Amendment (collectively, the "Agreement"). Pursuant to the Agreement, Ecolab is required to construct the Project and the District is required to reimburse Ecolab for the cost of the Project with the proceeds of the Series 2009 Bonds. The PSC approved the Third Amendment to the Alternate Mainline Extension Agreement between the District and Ecolab, Inc., and classifying the construction of the Project as an ordinary extension of the existing system in the usual course of business in Case No. 08-0311-PSD-PW-PC by a Final Order entered on September 8, 2008. The PSC also approved the financing of the Project through the issuance of the Series 2009 A Bonds and Series 2009 B Bonds in such order. The Project was substantially completed on November 4, 2008. The proceeds of the Series 2009 A Bonds will be used to (i) acquire the Project from Ecolab; (ii) fund the Series 2009 A Bonds Reserve Account; and (iii) pay certain costs of issuance of the Series 2009 A Bonds and related costs.

In addition to the issuance of the Series 2009 A Bonds, the District is simultaneously issuing its Series 2009 B Bonds in the principal aggregate amount of $1,000,000 to the West Virginia Water Development Authority on behalf of the West Virginia Infrastructure and Jobs Development Council for this Project. Any monies remaining in the Revenue Fund and not permitted to be retained therein may be used to prepay installments of the Bonds, pro rata, or for any lawful purpose. See "APPENDIX F-- RESOLUTION."

Enforcement of Collections

The District covenants in the Resolution to diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System and take all steps, actions and proceedings for the enforcement and collection of such fees, rates, rentals and other charges that shall become delinquent to the full extent permitted or authorized by the Act, or otherwise by the laws of the State. The District further covenants and agrees in the Resolution that it will, subject to applicable State law and regulations, and under such reasonable rules and regulations as may be prescribed by the District, discontinue sewer services to all delinquent users, until such delinquent amounts, plus reasonable interest and penalty charges thereon, have

been fully paid. See "APPENDIX B – THE DISTRICT AND THE SYSTEM – Customer Background."

Additional Parity Bonds

So long as the First Lien Bonds, the Second Lien Bonds and the Series 2009 B Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions and the Series 2009 B Resolution shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2009 A Bonds pursuant to the Resolution, except under the conditions and in the manner therein provided (unless less restrictive than the provisions of the Prior Resolutions).

All Parity Bonds issued under the Resolution shall be on a parity in all respects with the Series 2009 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions and improvements to the System or refunding any series of Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary of the District a written statement by an Independent Certified Public Accountant reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in the Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the District, the period for appeal of which has expired prior to the date of issuance of such additional Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary of the District prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountant, on account of increased rates, rentals, fees and charges for the System adopted by the District, the period for appeal of which has expired prior to issuance of such Parity Bonds.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 2009 A Bonds on such revenues. The District shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2009 A Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in the Resolution with respect to the Bonds then Outstanding, and any other payments provided for in the Resolution, shall have been made in full as required to the date of delivery of such Parity Bonds, and the District shall then be in full compliance with all the covenants, agreements and terms of the Resolution. See "APPENDIX F – RESOLUTION."

THE DISTRICT AND THE SYSTEM

The District is a public corporation created under authority of The County Commission of Berkeley County, West Virginia (the "County Commission"), on April 10, 1979, pursuant to Chapter 16, Article 13A, Section 2 of the Code of West Virginia of 1931, as amended. The District's Board of Directors is composed of three members appointed by the County Commission. The District is responsible for providing sewerage services for all of Berkeley County except for the City of Martinsburg. The District serves 18,703 residential and 512 commercial customers.

For additional information regarding the County, see "APPENDIX A – ECONOMIC AND DEMOGRAPHIC INFORMATION REGARDING BERKELEY COUNTY, WEST VIRGINIA," herein. For information regarding the District and the System, see "APPENDIX B – THE DISTRICT AND THE SYSTEM," herein.

INVESTMENT CONSIDERATIONS

The District does not have direct control over the Net Revenues it produces. The District's rates and charges are set by the PSC following a public notice and review process. The District cannot automatically increase rates, thereby increasing Net Revenues if customer numbers or customer usage decline or if operation and maintenance expenses increase significantly.

The District may and anticipates issuing additional bonds secured by the Net Revenues of the System, provided that the coverage and parity tests for the Series 2009 A Bonds, the Series 2009 B Bonds, the First Lien Bonds and the Second Lien Bonds are satisfied. The District is not required to obtain the consent of the owners of the Series 2009 A Bonds to the issuance of obligations secured by Net Revenues. However, the coverage and parity tests contained in the Resolutions authorizing the Series 2009 A Bonds must be met in order for the District to issue additional obligations secured by Net Revenues and the PSC must approve the issuance of any such obligations.

If Net Revenues are not sufficient to cover the debt service on the Series 2009 A Bonds, then the District must request an increase in rates from the PSC. There can be no assurance that the PSC will increase rates and charges to a level sufficient to generate revenue sufficient to pay the debt service on the Series 2009 A Bonds.

TAX MATTERS

In the opinion of Steptoe & Johnson PLLC, Bond Counsel, under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2009 A Bonds (including original issue discount properly allocable to owners of the Series 2009 A Bonds) is excludable from gross income of the owners thereof for federal income tax purposes, except for any period during which a Bond is held by a person who, within the meaning of the Internal Revenue Code of 1986, as amended, and regulations thereunder (the "Code"), is a "substantial user" of facilities financed with proceeds of the Series 2009 A Bonds or a "related person" thereto. Interest on the Series 2009 A Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations. For the purpose of computing the alternative minimum tax on corporations (as defined for federal income tax purposes), such interest is not taken into account in determining adjusted current earnings. Under the current laws of the State of West Virginia, the Series 2009 A Bonds are exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Series 2009 A Bonds is exempt from personal and corporate income taxes imposed directly thereon by the State of West Virginia.

The Bonds are being issued as exempt facility bonds pursuant to Section 142 of the Code. Exempt facility bonds may not be designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code. The provisions of the Code which disallow all deductibility of interest expense incurred by financial institutions on debt incurred or continued to carry most tax-exempt obligations do not apply to "qualified tax-exempt obligations" as defined in Section 265(b)(3) of the Code; accordingly, 80% of the interest expense of a financial institution incurred for the purpose of purchasing or carrying such "qualified tax-exempt obligations" is deductible for federal income tax purposes. However, the American Recovery and Reinvestment Act of 2009, Pub.L. 111-5, Feb. 17, 2009, 123 Stat. 115, amended Section 265(b) and Section 291 of the Code to permit a financial institution to acquire non "qualified tax-exempt obligations" in an amount up to 2% of the average adjusted bases for all of the financial institution's assets and achieve the tax treatment that applies to "qualified tax-exempt

obligations" as described above. Investors should consult their own tax advisors to determine the federal, state, local and other tax consequences of the purchase, ownership and disposition of Bonds

The opinions described above are subject to the condition that the District complies on a continuing basis with all requirements of the Internal Revenue Code of 1986, as amended, and regulations thereunder (the "Code") that must be satisfied subsequent to issuance of the Series 2009 A Bonds for interest thereon to be or continue to be excluded from gross income for federal income tax purposes. The District has covenanted to comply with each such requirement. Failure to comply with certain of such requirements could cause the interest on the Series 2009 A Bonds to be included in the gross income of the recipients thereof for purposes of federal income taxation retroactively to the date of issuance of the Series 2009 A Bonds.

The accrual or receipt of the interest on the Series 2009 A Bonds may otherwise affect the federal income tax liability of certain recipients. The extent of these and other consequences will depend upon the recipient's particular tax status or other items of income or deductions. Bond Counsel expresses no opinion regarding any such consequences, and investors should consult their tax advisors regarding the tax consequences of purchasing or holding the Series 2009 A Bonds.

To ensure compliance with Treasury Circular 230, taxpayers are hereby notified that holders of the Series 2009 A Bonds should be aware that: (a) the discussion in this Official Statement with respect to U.S. federal income tax consequences of owning the Bonds is not intended or written to be used, and cannot be used, by any taxpayer for the purpose of avoiding penalties that may be imposed on the taxpayer; (b) such discussion was written in connection with the promotion or marketing (within the meaning of Treasury Circular 230) of the transactions or matters addressed by such discussion; and (c) each taxpayer should seek advice based on its particular circumstances from an independent tax advisor.

APPROVAL OF LEGALITY

Legal matters incident to the authorization, sale and issuance of the Series 2009 A Bonds are subject to the unqualified approving opinion of Steptoe & Johnson PLLC, Charleston, West Virginia, Bond Counsel. William F. Rohrbaugh, Martinsburg, West Virginia, Counsel for the District, will pass upon certain legal matters for the District, including proceedings regarding the PSC. Jackson Kelly PLLC, Charleston, West Virginia, as Counsel to the Underwriter, will pass upon certain legal matters for the Underwriter.

ABSENCE OF MATERIAL LITIGATION

There is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any court, public board or body, now pending or, to the best knowledge of the District, threatened or affecting the District (or, to the District's knowledge, any basis therefor) wherein an unfavorable decision, ruling or finding would have a material adverse affect on the District's financial position or on the validity of the Series 2009 A Bonds, the Project, the

Resolution or any agreement to which the District is a party and which is a part of the issuance of the Series 2009 A Bonds. Under its regulatory power, the PSC initiated a general investigation to review the necessity and or sufficiency of the current rate for Capacity Improvement Fees in Case No. 09-0192-PSWD-C.

NEGOTIABLE INSTRUMENTS

Pursuant to State law, the Series 2009 A Bonds are and have all the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia. See "THE SERIES 2009 A BONDS - General."

UNDERWRITING

The Underwriter named on the cover of this Official Statement is purchasing the Series 2009 A Bonds. The Purchase Contract provides that the Underwriter will purchase all the Series 2009 A Bonds, if any are purchased, at a purchase price equal to the initial public offering prices set forth on the cover page hereof less an Underwriter's discount of $_____. The obligation to make such purchase is subject to the terms and conditions set forth in the Purchase Contract, including the approval of certain legal matters by counsel. The Underwriter may change the initial public offering prices from time to time. The Underwriter may offer and sell Series 2009 A Bonds to certain dealers (including dealers depositing Series 2009 A Bonds into investment trusts) and certain dealer banks acting as agents at prices lower than the public offering prices stated on the cover page hereof.

CONTINUING DISCLOSURE

The District has agreed in the Resolution to execute and deliver contemporaneously with the issuance of the Series 2009 A Bonds a certificate or agreement to undertake for the benefit of the Registered Owners of the Series 2009 A Bonds to provide certain financial and operating information of the System (the "Annual Information") not later than three hundred sixty-five (365) days following the end of the fiscal year of the District, commencing in 2009, and to provide the Annual Information to the Electronic Municipal Markets Access System ("EMMA") and to provide notice of the occurrence of the enumerated events to EMMA. See Appendix E—"FORM OF CONTINUING DISCLOSURE AGREEMENT."

This continuing disclosure obligation is being undertaken by the District to assist the Underwriter in complying with Rule 15c2-12 promulgated by the SEC. The District has agreed to give notice in a timely manner to EMMA of any failure to supply the requested information. However, any such failure will not constitute a default under the terms of the Series 2009 A Bonds. Registered Owners may contact the District's General Manager at P.O. Box 944, Martinsburg, West Virginia 25401, (304) 263-8566, for more information.

MISCELLANEOUS

The foregoing summaries, explanations and quotations do not purport to be complete and are expressly made subject to the exact provisions of the complete documents. Purchasers are referred to the Act and the Resolution for full and complete statements of their provisions.

Any statements in this Official Statement involving matters of opinion, whether or not expressly so stated, are intended as such and not as representation of fact. ECONOMIC AND DEMOGRAPHIC INFORMATION REGARDING BERKELEY COUNTY, WEST VIRGINIA

The Eastern Panhandle of West Virginia is the home of Berkeley County. It is located partly in the Great Appalachian Valley. It is bounded on the northeast by the Potomac River. Dairy products, livestock, and fruit farms make up some of the economic base of the County. There also is limestone quarrying. The area is home to a diverse manufacturing and industrial base as well. A number of federal agencies have offices in Berkeley County, including the Internal Revenue Service, United States National Guard, the United States Coast Guard and the Veterans Administration.

Berkeley County was one of the first settled areas of the State of West Virginia. Quakers and Scotch-Irish Presbyterians, as well as the English and Dutch, became the residents here in the early 1700's. Berkeley County was formed from Frederick County, Virginia, in 1772 and is named for Lord Norborne Berkeley. The county seat was established in the colonial village of Martinsburg, named for Thomas Bryan Martin and was incorporated in 1778.

The arrival of B&O Railroad in the 1840's gave Martinsburg and Berkeley County a big boost. The town of Martinsburg changed hands over 50 times in the Civil War. The North was determined to keep control of the valuable railroads, and the South was determined to destroy them. Confederate troops destroyed them, and Union troops repaired them nine times.

Martinsburg was also home to famous Civil War spy, Belle Boyd. Belle Boyd secretly passed information to General Jackson regarding troop movement. Belle Boyd's house has been turned into a museum that is operated by the Berkeley County Historical Society.

In 1872 the Pennsylvania Railroad came to the area, and it, along with the B&O Railroad, gave the area an excellent transportation base. At the time, a major source of the area's income came from selling flour produced by the area's water-powered mills to the Alexandria and Baltimore markets. Electricity, replacing waterpower, soon followed and the area became a large textile-milling center. In the late 1940's, Martinsburg experienced a series of changes in businesses which served as the commercial foundation for the town. It is at present in another rebirth, as more high-tech industries and governmental agencies locate in the county.

In the fall of 1992, the U.S. Census Bureau established Berkeley County as part of the Washington, D.C./Baltimore, Maryland Standard Metropolitan Statistical Area (SMSA).

Rates

The Public Service Commission of West Virginia (the "Commission") approved the current schedule of sewer rates and charges by order issued on February 15, 2007, in Case No. 06-0026-PSD-CN. The Commission approved an increase in the Capacity Improvement Fees in Case No. 06-0016-PSD-T by a final order entered October 24, 2006. Under its regulatory power, the PSC initiated a general case to review the necessary and or sufficiency of the current rate for Capacity Improvement Fees in Case No. 09-0192-PSWD-C. The provisions of the tariff on file with the PSC are as follows:

APPLICABILITY

Applicable to all customers served by the Berkeley County Public Service Sewer District other than the former customers of Sylvan Grove Waste Treatment, Inc.

AVAILABILITY OF SERVICE

Available for general domestic, commercial and industrial service and sale for resale sewer service.

CHARGES

Volumetric Charge:	$ 7.60 per 1,000 gallons usage
Service Charge:	$ 7.90 per month
Flat Rate:	$42.08 per month
Service Connection Charge:	$350.00

DELAYED PAYMENT PENALTY

The above schedule is net. On all accounts not paid in full when due, ten percent (10%) will be added to the net amount unpaid. This delayed payment penalty is not interest and is to be collected only once for each bill where it is applicable.

DISCONNECT/RECONNECT/ADMINISTRATIVE FEES

Whenever water service has been disconnected for non-payment of sewer bills in conjunction with a water service termination agreement, a disconnection fee of $20.00 shall be charged; or, in the event the delinquent sewer bill is collected by the water company, an administrative fee of $20.00 shall be charged.

Whenever water service, which has been previously disconnected or otherwise withheld for nonpayment of a sewer bill in conjunction with a water service termination agreement, is reconnected, a reconnection fee of $20.00 shall be charged.

LEAK ADJUSTMENT

$0.53 per 1,000 gallons of water is to be used when a bill reflects unusual water consumption which can be attributed to eligible leakage on the customer's side of the meter. This rate shall be applied to all such consumption above the customer's historical average usage.

RETURNED CHECK CHARGE

A service charge equal to the actual bank fee assessed to the sewer utility up to a maximum of $25.00 will be imposed upon any customer whose check for payment of charges is returned by the bank due to insufficient funds.

SURFACE OR GROUND WATER SURCHARGE

An additional amount shall be charged where surface or ground water is introduced into the sanitary system where evidence of a violation exists.

Surcharge formula to be applied in cases where surface drainage is connected to the utility's sewer system.

Applicability

Whenever the utility has discovered that a customer's roof drain, downspout, storm sewer or similar facilities that conduct surface water have been connected to the utility's sewer system, and such customer has failed to take appropriate action, within thirty (30) days of receipt of a demand by the utility in accordance with the Rules of the Public Service Commission, to eliminate such connection, a surcharge will be imposed upon the customer calculated on the basis of the following formula:

$$S = A \times R \times .0006233 \times C$$

S = A x R x .0006233 x C
S = The surcharge in dollars
A = The area under roof and/or the area of any other water collection surface connected to the sanitary sewer, in square feet.
R = The measured rainfall, in inches
.0006233 = A conversion factor to change inches of rain x square feet of surface to thousands of gallons of water
A = The utility's approved rate per thousand gallons of metered water usage.

Billing and Collections

Gross Revenues - the District renders a monthly bill to all customers of the System. Payments are due 20 days after the billing date. If a bill remains unpaid beyond the due date, a 10% penalty is added to the delinquent account and delinquency procedures are initiated, including the mailing of termination notices and termination of service 30 days after the initial due date. Service on a delinquent account remains terminated until payment of the account is made. A reconnection charge of $20.00 is required to reinstate a previously delinquent account.

Capacity Improvement Fees – the District collects the Capacity Improvement Fees at the time the District is requested to provide a final letter of availability for a proposed connection to the System.

Allowance for Uncollectibles

The District uses the specific write-off method in recording uncollectible accounts, which does not result in amounts that differ materially from the allowance method required by generally accepted accounting principles. Since bad debt has historically not been material, no allowance for uncollectible accounts has been provided.

System Budget

The District prepares a draft budget for its operations, with assistance from its accountants. The District's budget is compiled from the draft budget and submitted to the Public Service Board on or before June 30 of each year. The budget is required by statute to indicate operating expenditures and capital expenditures proposed for the ensuing fiscal year and the method of financing such expenditures. The total of proposed expenditures may not exceed the total of estimated income. Upon adoption of the budget, a copy shall be provided to the County Commission. No payments may be made in excess of the budget unless authorized and directed by the Public Service Board. Separate accounting records are kept by the District and reviewed by the District's accountant each year.

Method of Accounting

The District maintains its accounts pertaining to the system on an accrual basis and in accordance with the guidelines of the West Virginia Public Service Commission. The records of the District for the fiscal years ended June 30 of each of the past three years have been audited and are available for public inspection at the District office. The audited financial statements of the District for the fiscal year ending June 30, 2006 are attached as Appendix C.

The pension plan covers all the District's employees whose tenure is not temporary or provisional. Members' rights to employee contributions vest immediately while members with one year or more contributing service and five years or more credited service shall be eligible to retire at age 60. Contributions to the WVPERS by the District are 10.5% of eligible employees' compensation. In addition, the District withholds 4.5% of the eligible employee's compensation and remits the withholding on a monthly basis to the WVPERS. The District's contribution requirement was not actuarially determined. Contribution obligations and benefit provisions are established pursuant to the West Virginia Public Employees Retirement Act. Information regarding benefit provisions, actuarial assumptions and funding method, pension benefit obligations (actuarial present value of credit projected benefits), net assets available for benefits, historical trends, and related party transactions are not readily available since such determinations are made and information is kept on a system-wide basis and not for the individual participating entities. This information is available in the separately issued financial statements of the WVPERS at Capitol Complex, Building 5, Room 1000, 1900 Kanawha Boulevard, East, Charleston, West Virginia 25305.

The District provides a §401(a) plan for employees with the §457 Governmental employer deferred compensation match. For the §401(a) Plan, employees may contribute the lesser of 25% of their compensation or $30,000. For the §457 Plan, both employee deferrals

and employer contributions are aggregated for purposes of the maximum annual limit of the lesser of $8,000 or 25% of compensation.

For the fiscal year ending June 30, 2008, the District contributed $239,612.13 into the WVPERS account and the employees contributed $102,691.85 into the WVPERS account. INDEPENDENT AUDITOR'S REPORT

To the Members of the Public Service Board
Berkeley County Public Service Sewer District
Martinsburg, West Virginia

We have audited the accompanying basic financial statements of the Berkeley County Public Service Sewer District, as of and for the years ended June 30, 2008 and 2007, which collectively comprise the District's basic financial statements as listed in the table of contents. These basic financial statements are the responsibility of the Berkeley County Public Service Sewer District's management. Our responsibility is to express an opinion on these basic financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in "Government Auditing Standards," issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinions.

In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the Berkeley County Public Service Sewer District, as of June 30, 2008 and 2007, and the respective changes in financial position and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with "Government Auditing Standards," we have also issued our report dated December 4, 2008 on our consideration of the Berkeley County Public Service Sewer District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with "Government Auditing Standards" and should be read in conjunction with this report in considering the results of our audits.

Management's Discussion and Analysis, as indicated in the table of contents, is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted primarily of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audits were conducted for the purpose of forming opinions on the financial statements that collectively comprise the Berkeley County Public Service Sewer District's basic financial statements. The supplemental schedules of operating expenses is not a required part of the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

MANAGEMENT'S DISCUSSION AND ANALYSIS

The following discussion and analysis of the Berkeley County Public Service Sewer District's financial performance provides a narrative overview of the financial activities of the District for the fiscal year ended June 30, 2008. We encourage readers to consider the information presented here in conjunction with the financial statements that follow this section.

FINANCIAL HIGHLIGHTS

- Assets exceeded liabilities at the close of the year by $57,176,915.
- Total capital assets increased due to the upgrades to the Baker Heights and Inwood treatment plants. The North End Wastewater project is nearing completion and has added to the capital asset increase.
- Operating revenues increased slightly from 2007. Customers are becoming more conscious of their usages and are conserving our resources.
- User rates were maintained from the previous year.

OVERVIEW OF THE FINANCIAL STATEMENTS

This annual report consists of four parts; Management's Discussion and Analysis, Financial Statements, Supplementary Information, and Expenditures of Federal Awards in accordance with OMB Circular A-133. The Financial Statements also include notes that explain in more detail some of the information in the financial statements.

REQUIRED FINANCIAL STATEMENTS

The Financial Statements of the District report information about the District using accounting methods similar to those used by private sector companies. These statements offer short and long-term financial information about its activities. The Statement of Net Assets includes all of the District's assets and liabilities and provides information about the nature and amounts of investments in resources (assets) and obligations to District creditors (liabilities). It also provides the basis for computing rate of return, evaluating the capital structure of the District and assessing the liquidity and financial flexibility of the District. All of the current year's revenues and expenses are accounted for in the Statement of Revenues, Expenses, and Changes in Net Assets. This statement measures the success of the District's operations over the past year and can be used to determine whether the District has successfully recovered all its costs through its user fees and other charges, profitability, and credit worthiness. The final required financial statement is the Statement of Cash Flows. The primary purpose of this statement is to provide information about the District's cash receipts and cash payments during the reporting period. The statement reports cash receipts, cash payments, and net changes in cash resulting from operations, investing, and financing activities and provides answers to such questions as where did cash come from, what was cash used for, and what was the change in cash balance during the reporting period.

FINANCIAL ANALYSIS OF THE DISTRICT

One of the most important questions asked about the District's finances is "Is the District as a whole better off or worse off as a result of the year's activities?" The Statement of Net Assets and the Statements of Revenues, Expenses and Changes in Net Assets report information about the District's activities in a way that will help answer this question. These two statements report the net assets of the District and changes in them. You can think of the District's net assets-the difference between assets and liabilities-as one way to measure financial health or financial position. Over time, increases or decreases in the District's net assets are one indicator of whether its financial health is improving or deteriorating. However, you will need to consider other non-financial factors such as changes in economic conditions, population growth, zoning and new or changed government legislation.

NET ASSETS

To begin our analysis, a summary of the District's Statements of Net Assets is presented in Table A-1.

OPERATING INCOME

Revenues totaled $11,630,521 in fiscal year 2008, an increase of $224,354 from 2007. This slight increase can be attributed to the customers of the district conserving their water usage for the current year. Operating expenses were $5,449,425 in 2008, an increase of $565,095 from 2007. This increase is attributed primarily to an increase in fuel cost and legal expenses associated to the legal action the district is involved in. Table A-2 provides a summary of Revenues and Expenses.

Table A-2	June 30, 2008	June 30, 2007
Operating Revenues	$ 10,854,730	$ 10,488,179

While the Statements of Net Assets shows the change in financial position of net assets, the Statements of Revenues and Expenses provides answers as to the nature and source of these changes. Increases in costs were primarily the result of rising fuel and costs associated with the increased operating costs within the treatment facilities. These costs include, an increase in operations costs needed to support current and future system growth, and the additional costs associated with increased fuel and legal expenses.

BUDGETARY HIGHLIGHTS

As required by its Bylaws, the District adopts an Operating Budget no later than 45 days prior to the start of its Fiscal Year. The General Manager must approve any overruns within departmental budgets and only the Board of Directors may revise the total budget. All annual appropriations lapse at year end. The table below shows a comparison of 2008 budget projections to 2008 actual revenues and expenses.

As can be seen from Table A-3 the District's operating revenues increased to $10,854,730 showing a favorable variance to the budget. This favorable variance to budget for 2008 was due to an increase in customers but a decrease in customer usage and credits from exemption meters. During this time operating expenses increased by $209,554 over budget. This increase was primarily due to legal costs.

CAPITAL ASSETS AND DEBT ADMINISTRATION

At the end of 2008 the District had invested $171 million in a broad range of capital assets including sewer lines, land, buildings, treatment plants, vehicles and equipment as shown in Table A-4.

The construction projects for the North End Sewer System, Baker Heights Treatment Facility upgrade and the Inwood Treatment Facility upgrade are still in progress at the end of this Fiscal Year. The upgrades and additions account for the largest percentage of the increase in capital assets as compared to last year.

LONG TERM DEBT

The District's outstanding debt as of June 30, 2008 includes $123,739,084 in Sewer System Revenue Bonds that bear interest from 0% to 7.85%. The payment of principal and interest on revenue bonds is secured by the pledge of net revenues of the District. The District also has a bond entitled 2006A CIF. This bond is for the upgrades of the Baker Heights and Inwood Treatment facilities. Principal and Interest are paid from capacity improvement funds from developers of new projects.

BOND RATINGS

All outstanding bonds carry an Aaa and AAA rating from Moody's and Standard & Poor's respectfully based upon a Municipal Bond Commission policy. The 2006A CIF bond carries a BBB Rating.

LIMITATIONS ON DEBT

Bond Covenants allow for the issuance of additional debt on a parity, as to lien on the net revenues of the System provided certain net earning ratio(s) conditions are met. The major criteria is that all estimated future net earnings of the system must be at least 1.15 times the highest combined debt service requirement. The district currently enjoys a coverage ratio of 1.29.

The district has been successful in taking advantage of available low financing through the West Virginia State Revolving Fund administered by the Department of Environmental Protection.

ECONOMIC OUTLOOK AND NEXT YEAR'S BUDGET AND RATES

The economic outlook for Berkeley County is extremely positive. The recent slow-down in the housing market and weak economic markets has slowed the growth rate for Berkeley County this Fiscal Year. There have been some positive signs by the commercial development taking place and some stability by the developers in the housing market. The District continues to evaluate its resources as well as operational and capital requirements to ensure that wastewater service will be available to meet expected demand.

The District's rate structure is designed to collect sufficient revenues to pay debt service and recover operating and maintenance expenses, and the District successfully accomplished this objective in 2008. User rates were maintained for the Fiscal Year 2008.

Note 1. Nature of Business and Summary of Significant Accounting Policies

The Berkeley County Public Service Sewer District (the "District") is a corporation created under the authority of the County Commission of Berkeley County, West Virginia on April 10, 1979 under West Virginia Code Section 16-13A-2. The Board of Directors is composed of three members appointed by the County Commission of Berkeley County, West Virginia. The District is responsible for providing sewerage services for all of Berkeley County, West Virginia. The District serves approximately 17,000 customers.

A summary of significant accounting policies are as follows:

Basis of Presentation

The accounting policies of the District conform to accounting principles generally accepted in the United States of America as applicable to enterprise funds of governmental units. The District accounts for its operations in a manner similar to those often found in the private sector. The measurement focus is based upon the determination of net income. The costs (including depreciation) of providing goods and services to customers on a continuing basis are recovered primarily through user charges. Periodic determination of revenues earned, expenses incurred and/or net income is appropriate for capital maintenance, public policy, management control and accountability.

Basis of Accounting

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Revenues and expenses of the District are accounted for within one fund, an enterprise fund. The District uses the accrual basis of accounting for its enterprise fund, under which revenues are recognized when they are earned and expenses are recognized when they are incurred. In accordance with Governmental Accounting Standards Board (GASB) Statement No. 20, "Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities that Use Proprietary Fund Accounting," the District has elected to apply all applicable GASB pronouncements as well as FASB statements and interpretations, APB opinions, and Accounting Research Bulletins issued on or before November 30, 1989 that do not conflict with or contradict GASB pronouncements. Governments also have the option of following subsequent private-sector guidance for their business-type activities and enterprise funds, subject to this same limitation. The District has elected not to follow subsequent private-sector guidance.

Operating revenues and expenses consist of those revenues and expenses that result from the ongoing principal operations of the District. Operating revenues consist primarily of charges for services. Non-operating revenues and expenses consist of those revenues and expenses that are related to financing and investing types of activities and result from nonexchange transactions or ancillary activities.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash, Cash Equivalents and Investments

For purposes of reporting the statements of cash flows, the District considers all cash accounts, which are not subject to withdrawal restrictions or penalties, and all highly liquid debt instruments purchased with an original maturity of three months or less, except those set aside for a specific purpose, to be cash equivalents. As of June 30, 2008, the District has not formally adopted an investment policy.

Restricted Assets

Assets whose use is limited include:

Debt service funds and debt service reserve funds represent funds on deposit with the West Virginia Municipal Bond Commission as trustee under the various bond resolutions. These funds are to be used to pay bond interest and principal.

Construction funds represent funds held by a bank as trustee under the District's bond resolutions. These funds are to be used solely for payment of costs associated with the District's construction projects.

The capacity improvement fund was established by bond ordinance. The fund is to be kept apart from all other funds and shall be invested or reinvested in accordance with Article VIII of the bond ordinance. Withdrawals and disbursements may be made for replacements, emergency repairs, improvements or extensions to the system.

Customer security deposits are held in a separate bank account in the name of the District. Interest earned on security deposits held by the District is paid to customers when the security deposit is refunded.

Revenue Recognition

The District's policy is to recognize revenue on the accrual basis. At June 30, 2008 and 2007, the District accrued two months of revenue earned but not billed for the months of May and June. An estimation was used for this accrual.

Property, Plant and Equipment

The District capitalizes all property, plant and equipment with a purchase price greater than $500.

Property, plant and equipment is stated at historical cost. Donated assets are recorded at fair market value at the time received. Expenditures for repairs and upgrading which materially add to the value or life of an asset are capitalized. Other maintenance and repair costs are expensed as incurred.

Depreciation is provided by the straight-line method over the estimated useful lives which range from 8 to 50 years.

Interest is capitalized on qualifying construction in process. For assets acquired with tax-exempt debt, the amount of capitalized interest equals the difference between the interest cost associated with the tax-exempt borrowing used to finance the project and the interest earned from temporary investment of the debt proceeds. Capitalized interest is amortized using the straight-line method over the estimated useful life of the asset. The District capitalized $868,200 and $113,329 of net interest expense in 2008 and 2007, respectively.

The depreciation expense on assets acquired under capital leases is included with depreciation expense on owned assets.

Intangibles

Amortization of debt issue costs is calculated by the straight-line method over the term of the related bond issue.

Deferred amounts resulting from an advance refunding of debt are being amortized by the straight-line method over the life of the new debt.

Nonexchange Transactions

The District follows GASB Statement No. 33, *Accounting and Financial Reporting for Nonexchange Transactions* (Statement 33), which establishes accounting and reporting guidelines for government entities that gives (or receives) value without directly receiving (or giving) equal value in return. The District receives voluntary nonexchange transactions from developer donations of cash, property, lines and improvements. These donations are considered capital contributions on the Statements of Revenues, Expenses and Changes in Net Assets.

New Accounting Pronouncements Adopted

GASB Statement No. 48, *Sales and Pledges of Receivables and Future Revenues and Intra-Entity Transfers of Assets and Future Revenues* (Statement 48) establishes criteria that governments will use to ascertain whether the proceeds received should be reported as a sale or as a liability. The District has adopted Statement 48 for the fiscal year ending June 30, 2008. The adoption of this Statement has no effect on the presentation of the financial statements.

GASB Statement No. 50, *Pension Disclosures-an amendment of GASB Statements No. 25 and No. 27* (Statement 50) aligns financial reporting requirements for pensions and other postemployment benefits and enhances information disclosed in notes to financial statements or presented as required supplementary information (RSI) by employers that provide pension benefits. The District has adopted Statement 50 for the fiscal year ending June 30, 2008. The adoption of this Statement has no effect on the presentation of the financial statements.

New Accounting Pronouncements

GASB Statement No. 43, *Financial Reporting for Postretirement Benefit Plans Other Than Pension Plans* (Statement 43) establishes uniform financial reporting standards for other postretirement benefit plans. Statement 43 will be effective for the District beginning with its year ending June 30, 2009.

GASB Statement No. 45, *Accounting and Financial Reporting by Employers for Postretirement Benefits Other Than Pensions* (Statement 45) establishes standards for measurement, recognition, and display of other postemployment benefit expense/expenditures and related liabilities (assets), note disclosures and, if applicable, required supplementary information (RSI) in the financial reports of state and local government employers. Statement 45 will be effective for the District beginning with its fiscal year ending June 30, 2009.

GASB Statement No. 49, *Accounting and Financial Reporting for Pollution Remediation Obligations* (Statement 49) addresses accounting and financial reporting standards for pollution remediation obligations. Statement 49 will be effective for the District beginning with its fiscal year ending June 30, 2009.

GASB Statement No. 51, *Accounting and Financial Reporting for Intangible Assets* (Statement 51) establishes accounting and financial reporting requirements for intangible assets to reduce inconsistencies, thereby enhancing the comparability of the accounting and financial reporting of intangible assets among state and local governments. Statement 51 will be effective for the District beginning with its fiscal year ending June 30, 2010.

GASB Statement No. 52, *Land and Other Real Estate Held as Investments by Endowments* (Statement 52) establishes consistent standards for the reporting of land and other real estate held as investments. It requires these investments to be reported at their fair value. Statement 52 will be effective for the District beginning with its fiscal year ending June 30, 2009.

GASB Statement No. 53, *Accounting and Financial Reporting for Derivative Instrumental* (Statement 53) addresses the recognition, measurement and disclosure of information regarding derivative instruments. Statement 53 will be effective for the District beginning with its fiscal year ending June 30, 2010.

The District's management has not yet determined the effect these Statements will have on its financial statements.

Note 2. Accounts Receivable - Developers

This represents amounts due from certain developers in connection with the District's purchase of utility plants from the developers. Under these agreements, the developers are obligated to reimburse the District for costs associated with acquiring and operating the system in excess of revenues derived from the system. The reimbursements under these agreements continue until net system revenues are sufficient to meet debt service payments. Thereafter, the District is obligated to repay the developer for amounts which it receives under these agreements. Note 12. Litigation

In May 2005, the West Virginia Department of Environmental Protection (WVDEP) filed civil action against the District alleging the District violated provisions of the West Virginia Water Pollution Act and the West Virginia National Pollutant Discharge Elimination System permit issued to the District. To date, the parties have estimated that the maximum value of the civil penalty will be between $1,000,000 and $1,500,000. Negotiations with the WVDEP have resulted in tentative agreement that satisfaction of the civil penalty may be achieved through a combination of a cash payment and a Supplemental Environmental Project (SEP). The District will be able to meet the SEP obligation through adjustment of certain planned projects, which should alleviate liability for amounts designated as SEP. The WVDEP has assessed a monetary penalty of $100,000. During the year ended June 30, 2008, the District paid the $100,000 penalty. The District is also trying to satisfy the penalty by performing supplemental environmental projects funded by private developers.

The District has numerous claims and pending legal proceedings that generally involve contract and property damage issues. These proceedings are, in the opinion of management, ordinary routine matters incidental to the normal business conducted by the District. In the opinion of management and the District's legal counsel, such proceedings are substantially covered by insurance, and the ultimate disposition of such proceedings are not expected to have a material adverse effect on the District's financial position, results of operations or cash flows.

Note 13. Subsequent Events

On July 3, 2008, the District entered into a lease agreement for five new 2008 Ford Ranger Super Cab R14 Trucks. The District will pay monthly payments of $1,531 for 60 months ending on June 2, 2013.

Since June 30, 2008, the District has anticipated that it will spend approximately $1,300,000 to complete the North End Project.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Members of the Public Service Board
Berkeley County Public Service Sewer District
Martinsburg, West Virginia

We have audited the financial statements of Berkeley County Public Service Sewer District as of and for the year ended June 30, 2008, and have issued our report thereon dated December 4, 2008. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Berkeley County Public Service Sewer District's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Berkeley County Public Service Sewer District's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Berkeley County Public Service Sewer District's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control. We consider the deficiency described in the Schedule of Findings and Questioned Costs, Financial Statement Finding 2008-1, to be a significant deficiency in internal control over financial reporting.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control. Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, we believe that none of the significant deficiencies described in the Schedule of Findings and Questioned Costs is a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Berkeley County Public Service Sewer District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Board of Directors, management, Federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than those specified parties.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the Members of the Public Service Board
Berkeley County Public Service Sewer District
Martinsburg, West Virginia

Compliance

We have audited the compliance of Berkeley County Public Service Sewer District with the types of compliance requirements described in the U. S. Office of Management and Budget (OMB) Circular A-133, *Compliance Supplement* that are applicable to each of its major federal programs for the year ended June 30, 2008. Berkeley County Pubic Service Sewer District's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of Berkeley County Public Service Sewer District's management. Our responsibility is to express an opinion on Berkeley County Public Service Sewer District's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Berkeley County Public Service Sewer District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on Berkeley County Public Service Sewer District's compliance with those requirements.

In our opinion, Berkeley County Public Service Sewer District complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2008.

Internal Control Over Compliance

The management of Berkeley County Public Service Sewer District is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Berkeley County Public Service Sewer District's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance but, not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Berkeley County Public Service Sewer District's internal control over compliance:

A *control deficiency* in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in a normal course of performing their assigned functions, to prevent or detect non compliance with a type of compliance requirement of federal program on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by any entity's internal control.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as described above.

This report is intended solely for the information and use of the audit committee, board of directors, management, federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than those specified parties.

II. FINDINGS RELATING TO THE FINANCIAL STATEMENT AUDIT AS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GENERALLY ACCEPTED GOVERNMENT AUDITING STANDARDS

Financial Statement Finding 2008-1:
The District's accounting department currently does not prepare its financial statements, complete with footnote disclosures, and record certain transactions in accordance with accounting principles generally accepted in the United States of America. Accordingly, the District is unable to, and has not established internal controls over the preparation of financial statements.

Statement on Auditing Standards (SAS) 112 requires that we report this deficiency. The SAS does not provide exceptions to reporting deficiencies that are adequately mitigated with nonaudit services rendered by the auditor or deficiencies for which the remedy would be cost prohibitive. Because prudent management requires that the potential benefit from an internal control must exceed its cost, it may not be practical to correct all the deficiencies an auditor reports under SAS 112. Accordingly, the District may decide that curing the deficiency described above would not be cost effective and take no action.

Management's Response Finding 2008-1:
The District's staff does not have enough time to prepare its financial statements in order to satisfy the Public Service Commission deadline. In order to accomplish this, the District would need to hire additional staff and incur additional costs greater than what is currently spent to produce the financial statements.

III. FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARDS

No matters were reported.

BERKELEY COUNTY PUBLIC SERVICE SEWER DISTRICT

Summary Schedule of Prior Audit Findings
For the Year Ended June 30, 2008

Financial Statement Finding 2007-1:
The District's accounting department currently does not prepare its financial statements, complete with footnote disclosures, and record certain transactions in accordance with accounting principles generally accepted in the United States of America. Accordingly, the District is unable to, and has not established internal controls over the preparation of financial statements.

Recently issued Statement on Auditing Standards (SAS) 112 requires that we report this deficiency. The SAS does not provide exceptions to reporting deficiencies that are adequately mitigated with nonaudit services rendered by the auditor or deficiencies for which the remedy would be cost prohibitive. Because prudent management requires that the potential benefit from an internal control must exceed its cost, it may not be practical to correct all the deficiencies an auditor reports under SAS 112. Accordingly, you may decide that curing the deficiency described above would not be cost effective and take no action.

Management's Response Finding 2007-1:
The District's staff does not have enough time to prepare its financial statements in order to satisfy the PSC deadline. In order to accomplish this, the District would need to hire additional staff and incur additional costs greater than what is currently spent to produce the financial statements.

FORM OF OPINION OF BOND COUNSEL

[LETTERHEAD OF STEPTOE & JOHNSON PLLC]

(Form of Bond Counsel Opinion)

July __, 2009

Berkeley County Public Service Sewer District (West Virginia)
Sewer Revenue Bonds, Series 2009 A

Berkeley County Public Service Sewer District
Martinsburg, West Virginia

Crews & Associates, Inc.
Charleston, West Virginia

Ladies and Gentlemen:

We have examined a record of proceedings relating to the issuance by Berkeley County Public Service Sewer District (West Virginia) (the "Issuer") of its $2,695,000 in aggregate principal amount Sewer Revenue Bonds, Series 2009 A (the "Series 2009 A Bonds").

The Series 2009 A Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act") and a Bond Resolution duly adopted by the Issuer on July 14, 2009, as supplemented by a Supplemental Parameters Resolution duly adopted by the Issuer on July 14, 2009 (collectively, the "Resolution") and are subject to all the terms and conditions of the Resolution. All capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Resolution.

The Series 2009 A Bonds are issued in fully registered form, are dated July ___, 2009, upon original issuance, mature on _____ 1 in years and amounts and bear interest payable each _____ 1 and _____ 1, commencing _____ 1, 2009, as follows:

$2,695,000 Series 2009 A Bonds

$_____	_____%Term Bonds, Due _____ 1, 20__ at	_____%	CUSIP	_____
$_____	_____%Term Bonds, Due _____ 1, 20__ at	_____%	CUSIP	_____
$_____	_____%Term Bonds, Due _____ 1, 20__ at	_____%	CUSIP	_____
$_____	_____%Term Bonds, Due _____ 1, 20__ at	_____%	CUSIP	_____

The Series 2009 A Bonds are subject to optional and mandatory sinking fund redemption prior to maturity on the dates, in the amounts and at the redemption prices set forth in the Resolution.

The Series 2009 A Bonds are issued for the purposes of (i) paying the costs of acquisition and construction of certain additions, betterments and improvements to the System; (ii) funding a reserve account for the Series 2009 A Bonds; and (iii) paying the costs of issuance of the Series 2009 A Bonds.

The Series 2009 A Bonds have been sold to Crews & Associates, Inc. (the "Purchaser"), pursuant to a Bond Purchase Agreement dated July __, 2009, and accepted by the Issuer (the "Purchase Agreement").

As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Purchaser and other entities contained in the Resolution, the Tax and Non-Arbitrage Certificate and the Continuing Disclosure Agreement and in the certified proceedings and other certifications of certain officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, and assuming compliance with the covenants of the Issuer, the Purchaser and other entities pertaining to tax matters set forth in the Resolution, the Tax and Non-Arbitrage Certificate and the Continuing Disclosure Agreement and with certain certificates delivered in connection with the issuance of the Series 2009 A Bonds, we are of the opinion, under existing law, that:

1. The Issuer is a duly created and validly existing public service district and public corporation under and pursuant to the laws of the State of West Virginia, with full power and authority to adopt the Resolution, enter into the Continuing Disclosure Agreement and the Purchase Agreement, perform its obligations under the terms and provisions thereof and to issue and sell the Series 2009 A Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Issuer, through its governing body, has legally and effectively adopted the Resolution, has authorized, executed and delivered the Purchase Agreement and the Continuing Disclosure Agreement and has issued and delivered the Series 2009 A Bonds to the Purchaser pursuant to the Purchase Agreement. The Resolution is in full force and effect as of the date hereof.

3. Assuming due authorization, execution and delivery by the other parties thereto, the Purchase Agreement and the Continuing Disclosure Agreement constitute valid, legal, binding and enforceable instruments of the Issuer in accordance with their respective terms; and the Series 2009 A Bonds, subject to the terms thereof, constitute valid and legally enforceable limited obligations of the Issuer, payable and enforceable in accordance with their terms and the terms of the Resolution, and are entitled to the benefits of the Resolution and the Act.

4. Under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2009 A Bonds (including original issue discount properly allocable to owners of the Series 2009 A Bonds) is excludable from gross income of the owners thereof for federal income tax purposes, except for any period during which a Bond is held by a person who, within the meaning of the Internal Revenue Code of 1986, as amended and regulations thereunder (the "Code"), is a "substantial user" of facilities financed with proceeds of the Series 2009 A Bonds or a "related person" thereto. Interest on the Series 2009 A Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations. For the purpose of computing the alternative minimum tax on corporations (as defined for federal income tax purposes), such interest is not taken into account in determining

adjusted current earnings. Ownership of tax-exempt obligations, including the Series 2009 A Bonds, may result in collateral federal income tax consequences to certain taxpayers, including without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry such obligations. We offer no opinion as to such collateral tax consequences. Prospective purchasers of the Series 2009 A Bonds should consult their own tax advisors as to such consequences. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Code that must be satisfied subsequent to issuance of the Series 2009 A Bonds for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Series 2009 A Bonds set forth in the Resolution, and the Tax and Non-Arbitrage Certificate. Failure to comply with such Code provisions or such certifications, covenants and representations could cause the interest on the Series 2009 A Bonds to be includable in gross income retroactive to the date of issuance of the Series 2009 A Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Series 2009 A Bonds except as expressly set forth in paragraph 8.

5. Under the Act, the Series 2009 A Bonds are exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Series 2009 A Bonds is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Series 2009 A Bonds are exempted securities within the meaning of Section 3(a)(2) of the Securities Act of 1933, as amended, and the West Virginia Uniform Securities Act, as amended, and it is not necessary, in connection with the public offering and sale of the Series 2009 A Bonds, to register any securities under said Securities Acts.

7. The Series 2009 A Bonds have been duly authorized, issued, executed and delivered by the Issuer and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Resolution and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with the Issuer's First Lien Bonds and the Issuer's Series 2009 B Bonds issued contemporaneously with the Series 2009 A Bonds, and, senior and prior to the Second Lien Bonds with respect to liens, pledge and source of and security for payment and in all other respects, all as more fully defined and described in the Resolution.

8. The Series 2009 A Bonds are being issued as exempt facility bonds pursuant to Section 142 of the Code. Exempt facility bonds may not be designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code. The provisions of the Code which disallow all deductibility of interest expense incurred by financial institutions on debt incurred or continued to carry most tax-exempt obligations do not apply to "qualified tax-exempt obligations" as defined in Section 265(b)(3) of the Code; accordingly, 80% of the interest expense of a financial institution incurred for the purpose of purchasing or carrying such "qualified tax-exempt obligations" is deductible for federal income tax purposes. However, the American Recovery and Reinvestment Act of 2009, Pub.L. 111-5, Feb. 17, 2009, 123 Stat. 115, amended Section 265(b) and Section 291 of the Code to permit a financial institution to acquire non "qualified tax-exempt obligations" in an amount up to 2% of the average adjusted bases for all of the financial institution's assets and achieve the tax treatment that applies to "qualified tax-exempt obligations" as described above.

It is to be understood that the rights of the holders of the Series 2009 A Bonds and the enforceability of liens, pledges, rights or remedies with respect to the Series 2009 A Bonds, the Resolution, the Continuing Disclosure Agreement, Tax and Non-Arbitrage Certificate, and the Purchase

Agreement are subject to any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally, and that their enforcement may also be subject to the application of public policy, general principles of equity and the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond Nos. AR-1 through AR-__ of said issue, and in our opinion, said Series 2009 A Bonds are in proper form and have been duly executed and authenticated.

Very truly yours,

STEPTOE & JOHNSON PLLC

Transfers of Series 2009 A Bonds, the initial exchange of Series 2009 A Bonds and exchanges of Series 2009 A Bonds in the event of partial redemption of fully registered Series 2009 A Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2009 A Bonds, the Registrar may impose a service charge. For every such transfer or exchange of bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2009 A Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2009 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Series 2009 A Bond of like series, maturity and principal amount as the Series 2009 A Bond, so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Bond, or in lieu of and substitution for the Series 2009 A Bond destroyed, stolen or lost, and upon the Holder's furnishing the Issuer and the Registrar proof of his ownership thereof and that said Series 2009 A Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Bondholder listed in the Bond Register shall constitute proof of ownership. All Series 2009 A Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Series 2009 A Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Series 2009 A Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Series 2009 A Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Series 2009 A Bonds be at any time found by any one, and such duplicate Series 2009 A Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the Revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued pursuant to this Resolution, the following provisions shall apply:

A. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2009 A Bonds Redemption Account in accordance with Subsection 4.03A(3) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory Redemption Date of said Term Bonds, a sum equal to 1/12th of the amount required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with respect to the Series 2009 A Bonds shall be set forth in the Supplemental Resolution relating thereto.

B. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

C. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

D. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the monies in the Series 2009 A Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

E. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Series 2009 A Bonds Sinking Fund, as will exhaust as nearly as practicable such Series 2009 A Bonds

Redemption Account payment designated to be made in accordance with paragraph (A) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of $5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Series 2009 A Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Original Purchaser and the registered owner of the Series 2009 A Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

So long as DTC (as CEDE & CO.) is the registered Owner of the Series 2009 A Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice. Copies of all redemption notices relating to optional redemption of the Series 2009 A Bonds shall also be sent to registered securities depositories.

All official notices of redemption shall be dated and shall state:

(1) The Redemption Date;

(2) The Redemption Price;

(3) If less than all outstanding Series 2009 A Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Series 2009 A Bonds, as appropriate, to be redeemed;

(4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Series 2009 A Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date;

(5) The place where such Series 2009 A Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar; and

(6) Such other information, if any, as shall be required for DTC-eligible Series 2009 A Bonds.

If funds sufficient to redeem all Series 2009 A Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such notice shall also state that such optional redemption is subject to the deposit of such monies with the Paying Agent on or before the Redemption Date. If such monies are not so deposited, the Registrar shall notify all holders of Series 2009 A Bonds called for redemption of such fact.

Official notice of redemption having been given as aforesaid, the Series 2009 A Bonds or portions of Series 2009 A Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Series 2009 A Bonds or portions of Series 2009 A Bonds shall cease to bear interest. Upon surrender of such Series 2009 A Bonds for redemption in accordance with said notice, such Series 2009 A Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Series 2009 A Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unredeemed principal of such Series 2009 A Bond. All Series 2009 A Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2009 A Bonds, and failure to mail or otherwise send such notice shall not affect the validity of proceedings for the redemption of any portion of Series 2009 A Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Series 2009 A Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on, such Bond and for all other purposes, whether or not such Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Resolution. Upon the presentation and surrender of any Bond or Bonds in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefor, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefor to the Holder of such Bond in temporary form.

Section 3.10. Authorization of Bonds. For the purposes of paying a portion of the costs of acquisition and construction of the Project, funding the Series 2009 A Bonds Reserve Account, and paying costs in connection therewith, there shall be issued the Series 2009 A Bonds of the Issuer, in an aggregate principal amount of not more than $2,695,000. The Series 2009 A shall be designated "Sewer Revenue Bonds, Series 2009 A" and shall be issued in fully registered form, in the denomination of $5,000 or any integral multiple thereof for any year of maturity, not exceeding the aggregate principal amount of Series

2009 A Bonds maturing in the year of maturity for which the denomination is to be specified. The Series 2009 A Bonds shall be numbered from R-1 consecutively upward. The Series 2009 A Bonds shall be dated; shall be in such aggregate principal amount; shall bear interest at such rate or rates, not exceeding the then legally permissible rate, payable semiannually on such dates; shall mature on such dates and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Bonds. A. The Series 2009 A Bonds shall each initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2009 A Bonds, respectively, of each maturity, registered in the name of CEDE & CO., as nominee of DTC. Except as provided in paragraph E below, all of the Series 2009 A Bonds shall be registered in the registration books kept by the Registrar in the name of CEDE & CO., as nominee of DTC; provided that if DTC shall request that the Series 2009 A Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Series 2009 A Bonds registered in the name of such nominee or nominees. No person other than DTC or its nominee shall be entitled to receive from the Issuer or the Registrar either a Series 2009 A Bond, or any other evidence of ownership of the Series 2009 A Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Series 2009 A Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry system as provided in paragraph E below.

B. At or prior to settlement for the Series 2009 A Bonds, the Issuer and the Registrar shall execute or signify their approval of a representation letter addressed to DTC in a form satisfactory to DTC (the "Representation Letter"). Any successor Registrar shall, in its written acceptance of its duties under this Resolution, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Series 2009 A Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Series 2009 A Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in New York Clearing House or equivalent next day funds on the dates provided for such payments to be made to any Bondholder under this Resolution. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Issuer and the Registrar with respect to the principal or Redemption Price of or interest on the Series 2009 A Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Series 2009 A Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Series 2009 A Bonds so redeemed, but DTC may return such Series 2009 A Bonds and make an appropriate notation on the Series 2009 A Bonds certificate as to the amount of such partial redemption; provided that DTC shall deliver to the Registrar, upon request, a written confirmation of such partial redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Series 2009 A Bonds of such maturity which have been redeemed.

D. The Issuer, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Series 2009 A Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Series 2009 A Bonds, selecting the Series 2009 A Bonds, or portions thereof, to be redeemed, giving any notice permitted or required to be given to Bondholders under this Resolution, registering the transfer of Series 2009 A Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Issuer nor the Registrar shall be affected by any notice to the contrary. Neither the Issuer nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Series 2009 A Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books of the Registrar as being a Bondholder with respect to (i) the Series 2009 A Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2009 A Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Resolution, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Series 2009 A Bonds, or (vi) any consent given or other action taken by DTC as Bondholder.

E. The book entry system for registration of the ownership of the Series 2009 A Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Series 2009 A Bonds; or (ii) the Issuer determines that continuation of the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Series 2009 A Bonds. In either of such events (unless in the case described in clause (ii) above, the Issuer appoints a successor securities depository), the Series 2009 A Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer or the Registrar for the accuracy of such designation. Whenever DTC requests the Issuer and the Registrar to do so, the Issuer and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 2009 A Bonds.

Section 3.12. Delivery of Bonds. The Issuer shall execute and deliver the Series 2009 A Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2009 A Bonds to the Original Purchaser upon receipt of the documents set forth below:

(1) A list of the names in which the Series 2009 A Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;

(2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2009 A Bonds to the Original Purchaser;

(3) Copies of this Resolution and the Supplemental Resolution certified by the Secretary;

(4) The unqualified approving opinion upon the Series 2009 A Bonds by Bond Counsel; and

(5) A copy of such other documents, certifications and verifications as the Original Purchaser may reasonably require.

Section 3.13. Form of Bonds. The definitive Series 2009 A Bonds shall be in substantially the form set forth in EXHIBIT A - SERIES 2009 A BOND FORM attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 2009 A Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series 2009 A Bonds shall have the form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Bonds. Upon the issuance and delivery of the Series 2009 A Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

1. All interest accrued on the Series 2009 A Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 2009 A Bonds Sinking Fund and applied to payment of interest on the Series 2009 A Bonds at the first interest payment date.

2. An amount of the proceeds of the Series 2009 A Bonds equal to the Series 2009 A Bonds Reserve Requirement shall be remitted to the Bond Commission for deposit in the Series 2009 A Bonds Reserve Account, if funded by proceeds of the Series 2009 A Bonds, provided that, to the extent the Series 2009 A Bonds Reserve Requirement is satisfied in whole or in part from a reserve account letter of credit, surety bond or other credit facility, proceeds of the Series 2009 A Bonds shall be used to purchase said reserve account letter of credit, surety bond or other credit facility and proceeds of the Series 2009 A Bonds shall be deposited in the Series 2009 A Bonds Reserve Account only to the extent needed to satisfy the balance of the Series 2009 A Bonds Reserve Requirement.

3. An amount of the proceeds of the Series 2009 A Bonds which shall be sufficient to pay the costs of issuance of the Series 2009 A Bonds shall be deposited with the Depository Bank in the Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Series 2009 A Bonds. All such costs of issuance shall be paid within 60 days of the Closing Date. Monies not to be applied immediately to pay

such costs of issuance may be invested in accordance with this Resolution, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 6 months after the Closing Date, such unapplied proceeds shall be transferred by the Issuer to the Series 2009 A Bonds Construction Fund.

4. The balance of proceeds of the Series 2009 A Bonds, not used for any of the purposes set forth above, shall be deposited in the Series 2009 A Bonds Construction Fund and shall be drawn out, used and applied by the Issuer solely to pay a portion of the costs of acquisition and construction of the Project and disbursed as provided in Section 3.15 hereof.

Section 3.15. Disbursements from the Series 2009 A Bonds Construction Fund. Disbursements from the Series 2009 A Bonds Construction Fund, except for payment of Costs of Issuance of the Series 2009 A Bonds in excess of the monies available in the Costs of Issuance Fund which shall be made upon request of the Issuer, shall be made only for acquisition and construction of the Project, including all necessary engineering and other professional services relating thereto. Pending such application, monies in the Series 2009 A Bonds Construction Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

Section 3.16. Extraordinary Mandatory Redemption. In the event the Internal Revenue Service shall issue a determination of taxability with respect to the Series 2009 A Bonds or the Internal Revenue Service shall serve notice on the holders of the Series 2009 A Bonds that any portion of the interest thereon either should have been, or must be, included in the gross income of the holders thereof for federal income tax purposes, then the Series 2009 A Bonds shall subject to Mandatory Redemption, at any time, on thirty (30) days notice as provided in Section 3.07 hereof.

Monies in the Series 2009 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2009 A Bonds as the same shall become due, whether by maturity or redemption prior to maturity. Amounts in the Series 2009 A Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2009 A Bonds when due, when amounts in the Series 2009 A Bonds Sinking Fund are insufficient therefor and for no other purpose.

The Issuer shall not be required to make any further payments into the Series 2009 A Bonds Sinking Fund or the Series 2009 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of Series 2009 A Bonds issued pursuant to this Resolution then Outstanding, plus the amount of interest due or thereafter to become due on the Series 2009 A Bonds then Outstanding.

The payments into the Series 2009 A Bonds Sinking Fund shall be made on the first day of each month, except that, when the first day of any month shall be a Saturday, Sunday or legal holiday, then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Bond Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Resolution.

The Issuer shall restore any withdrawals from the Series 2009 A Bonds Reserve Account which have the effect of reducing the assets therein below the Series 2009 A Bonds Reserve Requirement, from the first Net Revenues available after all required payments have been made in full in the order set forth above.

Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the First Lien Bonds, the Series 2009 A Bonds and the Series 2009 B Bonds, senior and prior to the principal, interest or reserve payments for the Second Lien Bonds, in accordance with the respective principal amounts then Outstanding.

The Bond Commission is hereby designated as the fiscal agent for the administration of the Series 2009 A Bonds Sinking Fund and the Series 2009 A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Bond Commission from the Revenue Fund by the Issuer at the times provided herein.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall remit from the Revenue Fund to the Bond Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Bond Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay any charges and fees then due.

D. The monies in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent

thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If on any monthly payment date the Net Revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 4.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

F. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE V

INVESTMENTS; NON-ARBITRAGE; REBATES OF EXCESS INVESTMENT EARNINGS

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any monies held as a part of the funds and accounts created by this Resolution in Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section:

(A) Qualified Investments acquired for the Series 2009 A Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to annually transfer from the Series 2009 A Bonds Reserve Account, pro rata, to the Series 2009 A Bonds Sinking Fund, any earnings on the monies deposited therein and any other funds in excess of the requirement therefor; provided, however, that there shall at all times remain on deposit in the Series 2009 A Bonds Reserve Account an amount at least equal to the Series 2009 A Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2009 A Bonds Reserve Account, whereupon such account shall be valued immediately after such withdrawal. If amounts on deposit in the Series 2009 A Bonds Reserve Account shall, at any time, be less than the Series 2009 A Bonds Reserve Requirement, such deficiency shall be made up from the first available Net Revenues in the order set forth in Section 4.03 hereof.

(D) All amounts representing accrued and capitalized interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 2009 A Bonds and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all monies deposited in the Series 2009 A Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Board of Treasury Investments pursuant to Chapter 12, Article 6C of the West Virginia Code of 1931, as amended.

Section 5.02. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 2009 A Bonds in such manner and to such extent as may be necessary, so that the Series 2009 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2009 A Bonds) so that the interest on the Series 2009 A Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.03. Tax Certificate and Rebate. A. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2009 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2009 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

B. The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the

sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect, with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and the required amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Series 2009 A Bonds from gross income for federal income tax purposes.

Section 5.04. Continuing Disclosure Agreement. The Issuer shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Resolution shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2009 A Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Resolution, the Issuer hereby covenants and agrees with the Holders of the Series 2009 A Bonds, as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2009 A Bonds, or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Series 2009 A Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any of the provisions or limitations of the constitution but shall be payable solely from the Net Revenues of the System, the monies in the Series 2009 A Bonds Sinking Fund and all accounts therein, the unexpended proceeds of the Series 2009 A Bonds or monies in the Series 2009 A Bonds Construction Fund, all as herein provided. No Holder or Holders of the Series 2009 A Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2009 A Bonds, or the interest thereon.

Section 6.03. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of all of the Series 2009 A Bonds issued hereunder shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the First Lien Bonds and Series 2009 B Bonds, which lien and pledge are senior and prior to the lien on the Net Revenues in favor of the Holders of the Second Lien Bonds. The Net Revenues derived from the System, in an amount sufficient to pay the interest on and principal of the Series 2009 A Bonds herein authorized, and to make the payments into the Series 2009 A Bonds Sinking Fund, the Series 2009 A Bonds Reserve Account, and all other payments provided for in this Resolution, are hereby irrevocably pledged in the manner provided in this Resolution to the payment of the interest on and principal of the Series 2009 A Bonds herein authorized as the same become due and for the other purposes provided in this Resolution.

Section 6.04. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted

whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2009 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or subordinate to the Series 2009 A Bonds, including the First Lien Bonds, the Series 2009 B Bonds and the Second Lien Bonds.

The Issuer shall require that each annual audit contain a statement of the auditor that the Issuer either is or is not in compliance with the rate covenant contained in this Section 6.04. In the event that any audit contains a statement that the Issuer is not in compliance with the rate covenant contained in this Section 6.04, the Issuer hereby covenants that it shall, within sixty (60) days of receiving the audit report, file a request with the Public Service Commission of West Virginia for a rate increase sufficient to comply with the above-mentioned rate requirement.

Section 6.05. Completion of Project; Operation and Maintenance. The Issuer will complete the Project as promptly as possible. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the Revenues of said System in the manner provided in this Resolution.

The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia necessary for the acquisition and construction of the Project and the operation of the System.

Section 6.06. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, or any part thereof, except as provided in the Prior Resolutions. Additionally, so long as the Series 2009 A Bonds are outstanding and except as otherwise required by law, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds Outstanding, or to effectively defease this Resolution in accordance with Article IX hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2009 A Bonds, immediately be remitted to the Bond Commission for deposit in the Series 2009 A Bonds Sinking Fund and the Issuer shall direct the Bond Commission to apply such proceeds to the payment of principal of and interest on the Series 2009 A Bonds. Any balance remaining after the payment of the Series 2009 A Bonds and interest thereon shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $50,000, the Issuer shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $50,000 but not in excess of $200,000, the Issuer shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Governing Body may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $50,000 and not in excess of $200,000, shall be deposited by the Issuer into the Renewal and Replacement Fund. Such payments of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said fund by other provisions of Prior Resolution and this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the fiscal year for such sales, leases or other dispositions of such properties, shall be in excess of $200,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2009 A Bonds, except as provided in Section 6.08 herein. All obligations issued by the Issuer after the issuance of the Series 2009 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2009 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2009 A Bonds, and the interest thereon,

if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2009 A Bonds and the interest thereon, if any, in this Resolution, or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds and the Series 2009 B Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions and the Series 2009 B Resolution shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2009 A Bonds pursuant to this Resolution, except under the conditions and in the manner herein provided (unless less restrictive than the provisions of the Prior Resolutions).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2009 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions and improvements to the System or refunding any series of Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by an Independent Certified Public Accountant reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of issuance of such additional Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountant, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Resolution (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Resolution required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Resolution.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 2009 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2009 A Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Resolution with respect to the Bonds then Outstanding, and any other payments provided for in this Resolution, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Resolution.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2009 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance and bonds and worker's compensation coverage with a reputable insurance carrier or carriers or bonding company or companies covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement

Fund and used only for the repairs and restoration of the damaged and destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

C. WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Issuer and such payment bonds will be filed with the Clerk of the County Commission of the County in which such work is to be performed prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 6.10. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and, in the event the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself or themselves of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.11. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted

or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all delinquent rates, rentals and other changes, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System and any services and facilities of the water system, if so owned by the Issuer, to all delinquent users of services and facilities of the System and will not restore such services of either System until all billing for charges for the services and facilities of the System, plus reasonable interest and penalty charges for the restoration of service, has been fully paid. If the water facilities are not owned by the Issuer, the Issuer shall enter into a termination agreement with the water provider, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 6.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.13. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Series 2009 A Bond shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as it shall direct.

The Issuer shall file with the Original Purchaser, and shall mail to any Bondholder requesting the same, an annual report within 30 days following the date of

receipt of the final audit containing a balance sheet, statement of revenues, expenses, and changes in retained earnings, and statement of cash flows, as prescribed by generally accepted accounting principles.

The Issuer shall also file with the Original Purchaser, and mail to any Bondholder requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, and Net Revenues derived from the System.

(B) A statement of account balances in all funds and accounts provided for herein and status of said funds.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by an Independent Certified Public Accountant (and to the extent legally required, in compliance with OMB Circular 128 or any successor thereto and the Single Audit Act), shall mail upon request, and make available generally, the report of said Independent Certified Public Accountant, or a summary thereof, to any Holder or Holders of Bonds issued pursuant to this Resolution and shall file said report with the Original Purchaser.

Section 6.14. Operating Budget. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, or at such earlier date, prepare and adopt by resolution a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of such a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Original Purchaser and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Original Purchaser, and to any Bondholder or anyone acting for and in behalf of such Bondholder who requests the same.

Section 6.15. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where

sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.16. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2009 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2009 A Bonds, pro rata, and shall be on a parity with the statutory mortgage lien in favor of the Holders of the First Lien Bonds and the Series 2009 B Bonds, and senior and prior to the lien in favor of the Holders of the Second Lien Bonds.

Section 6.17. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2009 A Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

B. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2009 A Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

C. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2009 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

ARTICLE VII

DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2009 A Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on the Series 2009 A Bonds;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Resolution or any Supplemental Resolution or in the Series 2009 A Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Bondholder;

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds and the Series 2009 B Bonds or the Prior Resolutions.

The Issuer must cure any covenant default within 30 days after notice of the default, and failure to pay principal of or interest on the Bonds shall be an immediate event of default.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the Issuer to perform its duties under the Act and this Resolution;

(C) Bring suit upon the Series 2009 A Bonds;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of this Resolution or the rights of the Bondholders.

No remedy by the terms of this Resolution conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute. All rights and remedies of the Holders of the Series 2009 A Bonds shall be on a parity with one another and also on parity with those of the Holders of the First Lien Bonds and Series 2009 B Bonds, and senior and prior to those of the Holders of the Second Lien Bonds.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2009 A Bonds issued pursuant to this Resolution and interest thereon and under any covenants of this Resolution for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Resolution shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed

thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Series 2009 A Bonds issued pursuant to this Resolution. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Bondholders, and the curing and making good of any default under the provisions of this Resolution, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Notwithstanding any other provision of this Resolution, in determining whether the rights of Bondholders will be adversely affected by any action taken pursuant to the terms and provisions of this Resolution, any trustee or Bondholder's committee shall consider the effect on the Bondholders as if no Financial Guaranty Insurance Policy were then in effect.

Section 7.04. Restoration of Issuer and Bondholder. In case any Bondholder shall have proceeded to enforce any right under this Resolution by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Bondholder shall be restored to their former positions and rights hereunder, and all rights and remedies of such Bondholder shall continue as if no such proceedings had been taken.

ARTICLE VIII

REGISTRAR AND PAYING AGENT

Section 8.01. Appointment of Registrar. The Registrar for the Series 2009 A Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Registrar. The recitals of fact in the Series 2009 A Bonds shall be taken as statements of the Issuer, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2009 A Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2009 A Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Resolution and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Registrar May Act. Except as otherwise provided by Section 10.02, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Bonds, the first exchange of Bonds and the exchange of Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2009 A Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or effect or aid in any reorganization growing out of the enforcement of the Series 2009 A Bonds or this Resolution, whether or not any such committee shall represent the Holders of a majority in principal amount of the Series 2009 A Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Resolution by giving not less than 60 days' written notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Bondholder in the event all Series 2009 A Bonds are fully registered), specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer or by the Holders of a majority in principal amount of the Series 2009 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer or by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Series 2009 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Bondholders. The Issuer shall publish in an Authorized Newspaper (or mail to each Bondholder in the event all Series 2009 A Bonds are fully registered) notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Bondholders. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Resolution.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any monies, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2009 A Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Bonds so authenticated, and, in case any Series 2009 A Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent. The Bond Commission shall serve as the Paying Agent. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Resolution. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Bonds shall be and remain DTC-eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from monies available therefor.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Resolution. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Bondholders may make such appointment.

The Paying Agent shall enjoy the same protective provisions in the performance of its duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All monies received by the Paying Agent shall, until used or applied as provided in this Resolution, be held in trust for the purposes for which they were received.

ARTICLE IX

DEFEASANCE; DISCHARGE OF PLEDGE OF RESOLUTION

Section 9.01. Defeasance; Discharge of Pledge of Resolution. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Series 2009 A Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then this Resolution and the pledges of the Net Revenues and other monies and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Holders of the Series 2009 A Bonds made hereunder, shall thereupon cease, terminate and become void and be discharged and satisfied, except as may be necessary to assure the exclusion of interest on the Series 2009 A Bonds from gross income for federal income tax purposes.

The Series 2009 A Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on the Series 2009 A Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2009 A Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on the Series 2009 A Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of the Series 2009 A Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Series 2009 A Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on the Series 2009 A Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations, as such term is limited by the provisions in Section 1.01 hereof or such additional securities as shall be set forth in the Supplemental Resolution.

ARTICLE X

MISCELLANEOUS

Section 10.01. Amendment of Resolution. Prior to issuance of the Series 2009 A Bonds, this Resolution may be amended or supplemented in any way by the Supplemental Resolution. Following issuance of the Series 2009 A Bonds, this Resolution and any Supplemental Resolution may be amended or modified without the consent of any Bondholder or other person, so long as such amendment or modification is not materially adverse to any Bondholder, as determined by an opinion of Bond Counsel. No materially adverse amendment or modification to this Resolution, or of any Supplemental Resolution, may be made without the written consent of the Holders of 60% in aggregate principal amount of the Series 2009 A Bonds then Outstanding and affected thereby, which must be filed with the Issuer before any such modification or amendment may be made. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Series 2009 A Bonds without the express written consent of the Holder of each Series 2009 A Bond so affected, nor reduce the percentage of Series 2009 A Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Resolution may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Resolution if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Bondholder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-

president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Bonds held by a person executing any instrument as a Bondholder, the date of his holding such Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Bond shall bind all future Holders and owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Resolution shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Bondholder, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Resolution shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Bonds. All Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Bonds shall be deemed Outstanding under this Resolution and no Bonds shall be issued in lieu thereof. All such Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Bonds. Anything in this Resolution to the contrary notwithstanding, any monies held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Bonds which remain unclaimed for 1 year after the date on which such Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Bonds shall look only to the Issuer for the payment of such Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such monies remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such monies then unclaimed will be returned to the Issuer. If any of said Bonds is a coupon Bond, the Registrar or said Paying Agent shall also publish such notice, not less than 30 days prior to the date such monies will be returned to the Issuer, in an Authorized Newspaper.

Section 10.06. Notices, Demands and Requests. Unless otherwise expressly provided, all notices, demands and requests to be given or made hereunder to or

The Issuer also has outstanding its Sewer Capacity Improvement Fee Revenue Bonds, Series 2006 A, dated November 2, 2006, issued in the aggregate principal amount of $15,405,000 (the "CIF Bonds"). The CIF Bonds are repaid solely from and are secured solely by the Capacity Improvement Fees of the Issuer and the Surplus Revenues of the System (all as more clearly hereinafter defined and described) and are not payable from or secured by the Net Revenues of the System.

The Issuer is issuing the Sewer Revenue Bonds, Series 2009 B, dated July 30, 2009, issued in the original aggregate principal amount of $1,000,000 (the "Series 2009 B Bonds"), simultaneously herewith. (C) Extraordinary Mandatory Redemption. In the event the Internal Revenue Service shall issue a determination of taxability with respect to the Series 2009 A Bonds or the Internal Revenue Service shall serve notice on the holders of the Series 2009 A Bonds that any portion of the interest thereon either should have been, or must be, included in the gross income of the holders thereof for federal income tax purposes, then the Series 2009 A Bonds shall subject to Mandatory Redemption, at any time.

In the event of any redemption of less than all outstanding Bonds, Bonds shall be selected for redemption by lot or in such other manner deemed appropriate by the Paying Agent. If less than all the Bonds are to be redeemed, the Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Bond, unless waived, shall be given by the Paying Agent on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar. A copy of such notice of redemption shall also be mailed to the Registrar. Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Bond.

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Resolution) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the First Lien Bonds and Series 2009 B Bonds, and senior and prior to the pledge of Net Revenues in favor of the holders of the Second Lien Bonds, and from monies in the reserve account created under the Resolution for the Bonds (the "Series 2009 A Bonds Reserve Account") and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any of the provisions or limitations of the constitution, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the monies in the Series 2009 A Bonds Reserve Account and unexpended proceeds of the Bonds. Pursuant to the Resolution, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any fiscal year for principal of and interest, if any, on the Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or subordinate to the Bonds, including the First Lien Bonds, the Series 2009 B Bonds and the Second Lien Bonds.

All monies received from the sale of this Bond except for accrued interest thereon shall be applied solely to pay costs of acquisition and construction of certain additions, betterments and improvements to the System, and pay costs of issuance hereof,

and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Resolution.

This Bond is, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of the State.

This Bond shall not be entitled to any benefit under the Resolution, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Resolution and the statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

BOOK-ENTRY ONLY SYSTEM

The information in this section has been obtained from sources that the District and the Underwriter believe to be reliable, but neither the District nor the Underwriter take any responsibility for the accuracy thereof.

The Depository Trust Company

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for the Securities, in the aggregate principal amount of such issue, and will be deposited with DTC.

2. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner

entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or

registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to the District or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

10. The District may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.

11. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the accuracy thereof.

THE INFORMATION PROVIDED IMMEDIATELY ABOVE UNDER THIS APPENDIX HAS BEEN PROVIDED BY DTC. NO REPRESENTATION IS MADE BY THE DISTRICT OR THE UNDERWRITER AS TO THE ACCURACY OR ADEQUACY OF SUCH INFORMATION PROVIDED BY DTC OR AS TO THE ABSENCE OF MATERIAL ADVERSE CHANGES IN SUCH INFORMATION SUBSEQUENT TO THE DATE HEREOF.

For so long as the Bonds are registered in the name of DTC or its nominee, Cede & Co., the District and the Paying Agent will recognize only DTC or its nominee, Cede & Co., as the registered owner of the Bonds for all purposes, including payments, notices and voting.

Under the Resolution, payments made by the Paying Agent to DTC or its nominee shall satisfy the District's obligation under the Resolution to the extent of the payments so made.

Neither the District nor the Paying Agent shall have any responsibility or obligation to any DTC Participant or Indirect Participant with respect to:

(i) the accuracy of the records of DTC, its nominee or any DTC participant or indirect participant with respect to any beneficial ownership interest in any bonds;

(ii) the delivery to any DTC participant or indirect participant or any other person, other than the registered owner of a bond, as shown in the bond register, of any notice with respect to any bond, including, without limitation, any notice of redemption;

(iii) the selection by DTC or any DTC participant or indirect participant of any person to receive payment in the event of a partial redemption of bonds;

(iv) the payment to any DTC participant or indirect participant or any other person other than the registered owner of a bond, as shown in the bond register, of any amount with respect to the principal of, redemption price, or interest on, any bond; or

(v) any consent given by DTC as registered owner.

Prior to the discontinuation of the book-entry only system as described above, the District and the Paying Agent may treat DTC and any successor securities depository to be the absolute owner of the bonds for all purposes, including, without limitation:

(i) The payment of principal of redemption price or interest on the bonds;
(ii) giving notices of redemption and other matters with respect to the bonds;
(iii) registering transfers with respect to the bonds; and
(iv) the selection of bonds for redemption.

The Beneficial Owners of the Bonds have no right to a securities depository for the Bonds. DTC or any successor securities depository may resign as depository for the Bonds by giving notice to the Paying Agent and discharging its responsibilities under applicable law. In addition, the District may remove DTC or a successor securities depository for any reason at any time. In such event, the District shall (i) appoint a securities depository qualified to act as such under Section 17(a) of the Securities Exchange Act of 1934, notify the prior securities depository of the appointment of such successor depository and transfer separate bond certificates to such successor securities depository or (ii) notify the securities depository of the availability through the securities depository of bond certificates and transfer one or more separate bond certificates to Depository Participants having Bonds credited to their accounts at the securities depository. In such event, such Bonds shall no longer be restricted to being registered in the registration books of the District in the name of the securities depository or its nominee, but may be registered in the name of the successor securities depository or its nominee, or in whatever name or names the Depository Participants receiving such Bonds shall designate, in accordance with the provisions of the Resolution.

The book-entry system for registration of the ownership of the Bonds may be discontinued at any time if: (i) DTC determines to resign as securities depository for the Bonds; or (ii) the District determines that continuation of the system of book-entry transfers through DTC (or through a successor securities depository) is not in the best interests of the Beneficial Owners. In either such event (unless the District appoints a successor securities depository), Bonds will then be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the District or the Paying Agent for the accuracy of such designation. Whenever DTC requests the District or the Paying Agent to do so, the District or the Paying Agent shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 2009 A Bonds.

See "SECURITY FOR THE SERIES 2009 A BONDS."

Pursuant to the Resolution, the District has covenanted and agreed to establish and collect just and equitable rates and charges for the use of the System and the services rendered thereby so as to produce for each fiscal year Net Revenues equal to at least 115% of the maximum amount required in any year to pay the principal of and interest on the Series 2009 A Bonds and all other obligations secured by a lien on or payable from Net Revenues prior to or on a parity

with the Series 2009 A Bonds, including the First Lien Bonds and the Series 2009 B Bonds. See "SECURITY FOR THE SERIES 2009 A BONDS – RATE COVENANT" and "APPENDIX F--RESOLUTION."

The Series 2009 A Bonds will be dated, will mature, will bear interest and will be subject to redemption prior to maturity as more fully described on the cover page and under the heading "THE SERIES 2009 A BONDS" herein. The Series 2009 A Bonds initially will be maintained under a book-entry system. So long as the Series 2009 A Bonds are maintained under a book-entry system, the manner of payment, the denominations, the transfer and exchange of ownership and the method of providing notice of redemption to the owners of the Series 2009 A Bonds shall be determined as described under the "BOOK-ENTRY ONLY SYSTEM" herein. If the book-entry system is discontinued, principal of, interest, and premium, if any, on the Series 2009 A Bonds will be payable by the West Virginia Municipal Bond Commission, Charleston, West Virginia, as paying agent (the "Bond Commission" or the "Paying Agent"), to the owners thereof at the addresses appearing in the books kept by United Bank, Inc., Charleston, West Virginia, as registrar (the "Registrar"). For further information describing the method of payment and other matters in the event the book-entry system is discontinued, see "THE SERIES 2009 A BONDS" herein.

See "SECURITY FOR THE SERIES 2009 A BONDS - ADDITIONAL PARITY BONDS" See "APPENDIX F— RESOLUTION."

Such descriptions and information do not purport to be comprehensive or definitive. All references herein to the Resolution, provisions of the Act and other applicable laws of the State are qualified in their entirety by reference to each such document or law. References herein to the Series 2009 A Bonds are qualified in their entirety by reference to the form thereof included in the Resolution and the information with respect thereto included in the aforesaid documents. THE PROJECT

The Project consists of the construction and acquisition of a second wastewater pre-treatment unit to increase the daily wastewater pre-treatment capacity from 50,000 gallons to 100,000 gallons; a 200,000 gallon flow equalization tank in front of the treatment plant; a sludge box de-watering system; chemical feed lines; an enhanced control system which will use real time monitoring to assist in control and improve the treatment process, and all appurtenant facilities with a total project cost of $3,695,000. The District has a current customer base of 19,215 customers which will generate sufficient revenues to pay for the additional debt service without a rate increase. The District entered into an Alternate Mainline Extension Agreement with Ecolab Inc., as amended by a First Amendment, Second Amendment and a Third Amendment (collectively, the "Agreement"). Pursuant to the Agreement, Ecolab is required to construct the Project and the District is required to reimburse Ecolab for the cost of the Project with the proceeds of the Series 2009 Bonds. The PSC approved the Third Amendment to the Alternate Mainline Extension Agreement between the District and Ecolab, Inc., and classifying the construction of the Project as an ordinary extension of the existing system in the usual course of business in Case No. 08-0311-PSD-PW-PC by a Final Order entered on September 8, 2008. The PSC also approved the financing of the Project through the issuance of the Series 2009 A Bonds and Series 2009 B Bonds in such order. The Project was substantially completed on November 4, 2008. A portion of the proceeds of the Series 2009 A Bonds will be used to (i) acquire the Project from Ecolab; (ii) fund the Series 2009 A Bonds Reserve Account; and (iii) pay a portion of the costs of issuance of the Series 2009 A Bonds and related costs.

In addition to the issuance of the Series 2009 A Bonds, the District is simultaneously issuing its Series 2009 B Bonds in the principal aggregate amount of $1,000,000 to the West Virginia Water Development Authority on behalf of the West Virginia Infrastructure and Jobs Development Council for this Project. Proceeds of the Series 2009 B Bonds will be used to pay a portion of the cost of issuance of the Series 2009 A Bonds. The Series 2009 A Bonds will be on a parity with the First Lien Bonds and the Series 2009 B Bonds.

SECURITY FOR THE SERIES 2009 A BONDS

The Series 2009 A Bonds are special obligations of the District and are payable as to principal, premium, if any, and interest solely from the sources described below. The District is under no obligation to pay the Series 2009 A Bonds except from said sources.

Sources of Payment

The payment of the debt service on the Series 2009 A Bonds shall be secured forthwith equally and ratably by a parity first lien on and pledge of the Net Revenues derived from the System on parity with the First Lien Bonds and the Series 2009 B Bonds and senior and prior to the Second Lien Bonds. The payment of the debt service on the Series 2009 A Bonds are also secured by the funds on deposit in the Series 2009 A Bonds Sinking Fund and the Series 2009 A Bonds Reserve Account therein, as more fully described below under "ANNUAL DEBT SERVICE REQUIREMENTS." Net Revenues derived from the System in an amount sufficient to pay the principal of, premium, if any, and interest on the Series 2009 A Bonds and to make the payments into the Series 2009 A Bonds Sinking Funds and all other payments provided for in the Resolution, and the funds in the Series 2009 A Bonds Sinking Fund and the Series 2009 A Bonds Reserve Account therein are irrevocably pledged to the payment of the principal of, premium, if any, and interest on the Series 2009 A Bonds as the same become due and for the other purposes provided in the Resolution. See "APPENDIX F— RESOLUTION."

Rate Covenant

The District has covenanted and agreed in the Resolution to establish and collect just and equitable rates and charges for the use of the System and the services rendered thereby as will produce for each fiscal year Net Revenues equal to at least 115% of the maximum amount required in any year to pay the principal of and interest on the Series 2009 A Bonds and all other obligations secured by a lien on or payable from Net Revenues prior to or on parity with the First Lien Bonds and the Series 2009 B Bonds. The District is also obligated to require that each annual audit contain a statement that the District is or is not in compliance with such rate covenant. If the statement indicates the District is not in compliance with the rate covenant, the District is required to file a rate increase request with the Public Service Commission of West Virginia within sixty (60) days of receiving the audit report. See "APPENDIX F-- RESOLUTION."

Series 2009 A Bonds Reserve Account

The Series 2009 A Bonds Reserve Account will be funded with proceeds of the Series 2009 A Bonds. In the event funds in the Series 2009 A Bonds Sinking Fund is insufficient to pay the principal of and/or interest on the Series 2009 A Bonds, the Bond Commission shall withdraw from the Series 2009 A Bonds Reserve Account and transfer to the Series 2009 A Bonds Sinking Fund sufficient amounts to make payments of principal of and/or interest on the Series 2009 A Bonds as the same becomes due from cash on deposit in the Series 2009 A Bonds Reserve Account.

In the event of a transfer from the Series 2009 A Bonds Reserve Account to the Series 2009 A Bonds Sinking Funds as aforesaid, the District shall restore the balance to the Series 2009 A Bonds Reserve Account in an amount up to the Series 2009 A Bonds Reserve Requirement. Any deficiencies in the Series 2009 A Reserve Account or any Reserve Account required by the Prior Bonds (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required) shall be promptly eliminated with monies from the Renewal and Replacement Fund. The District shall restore any withdrawals from the Series 2009 A Bonds Reserve Account which have the effect of reducing the assets therein below the Series 2009 A Bonds Reserve Requirement, from the first Net Revenues available after all required payments have been made in full in the order set forth in the Resolution. See "APPENDIX F— RESOLUTION."

Bonds Redemption Account therein in the case of Term Bonds which are to be redeemed, a sum equal to 1/12th of the amount of principal which will mature or be redeemed and become due on the Series 2009 A Bonds on the next ensuing principal payment date or mandatory Redemption Date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2009 A Bonds Sinking Fund and the next ensuing annual principal payment date or mandatory Redemption Date is less than or greater than 12 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing annual principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2009 A Bonds Sinking Fund and not previously credited pursuant to the preceding clause; (4) the District shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission for deposit in the respective Reserve Accounts (i) the amounts required under the Prior Resolutions to fund the respective reserves requirements for the First Lien Bonds; (ii) the amounts required under the Series 2009 B Resolution to fund the respective reserves requirements for the Series 2009 B Bonds; and (iii) commencing 12 months prior to the first date of payment of principal of the Series 2009 A Bonds, if not fully funded upon issuance of the Series 2009 A Bonds, for deposit in the Series 2009 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2009 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2009 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2009 A Bonds Reserve Requirement; (5) the District shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund, a sum equal to 2 1/2% of the Gross Revenues each month (as previously set forth in the Prior Resolutions and not in addition thereto), exclusive of any payments for account of any Reserve Account; (6) the District shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Commission for deposit in the Sinking Fund for the Second Lien Bonds the amount required under the Prior Resolutions to pay principal of the Second Lien Bonds; (7) the District shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Commission for deposit in the Reserve Account for the Second Lien Bonds the amount required under the Prior Resolutions; and (8) the District shall next, on the first day of each month, transfer from the Revenue Fund the amount, if any, required by the CIF Resolutions to be deposited into the CIF Surplus Fund.

Any monies remaining in the Revenue Fund and not permitted to be retained therein may be used to prepay installments of the Bonds, pro rata, or for any lawful purpose. See "APPENDIX F-- RESOLUTION."

Enforcement of Collections

The District covenants in the Resolution to diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System and take all steps, actions and proceedings for the enforcement and collection of such fees, rates, rentals and other charges that shall become delinquent to the full extent permitted or authorized by the Act, or

otherwise by the laws of the State. The District further covenants and agrees in the Resolution that it will, subject to applicable State law and regulations, and under such reasonable rules and regulations as may be prescribed by the District, discontinue sewer services to all delinquent users, until such delinquent amounts, plus reasonable interest and penalty charges thereon, have been fully paid. See "APPENDIX B – THE DISTRICT AND THE SYSTEM – Customer Background."

Additional Parity Bonds

So long as the First Lien Bonds, the Second Lien Bonds and the Series 2009 B Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions and the Series 2009 B Resolution shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2009 A Bonds pursuant to the Resolution, except under the conditions and in the manner therein provided (unless less restrictive than the provisions of the Prior Resolutions).

All Parity Bonds issued under the Resolution shall be on a parity in all respects as to security and payment from Net Revenues with the Series 2009 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions and improvements to the System or refunding any series of Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary of the District a written statement by an Independent Certified Public Accountant reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in the Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the District, the period for appeal of which has expired prior to the date of issuance of such additional Parity

Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary of the District prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountant, on account of increased rates, rentals, fees and charges for the System adopted by the District, the period for appeal of which has expired prior to issuance of such Parity Bonds.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 2009 A Bonds on such revenues. The District shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2009 A Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in the Resolution with respect to the Bonds then Outstanding, and any other payments provided for in the Resolution, shall have been made in full as required to the date of delivery of such Parity Bonds, and the District shall then be in full compliance with all the covenants, agreements and terms of the Resolution. See "APPENDIX F – RESOLUTION."

THE DISTRICT AND THE SYSTEM

The District is a public corporation created under authority of The County Commission of Berkeley County, West Virginia (the "County Commission"), on April 10, 1979, pursuant to Chapter 16, Article 13A, Section 2 of the Code of West Virginia of 1931, as amended. The District's Board of Directors is composed of three members appointed by the County Commission. The District is responsible for providing sewerage services for all of Berkeley County except for the City of Martinsburg. The District serves 18,703 residential and 512 commercial customers.

For additional information regarding the County, see "APPENDIX A – ECONOMIC AND DEMOGRAPHIC INFORMATION REGARDING BERKELEY COUNTY, WEST VIRGINIA," herein. For information regarding the District and the System, see "APPENDIX B – THE DISTRICT AND THE SYSTEM," herein.

INVESTMENT CONSIDERATIONS

The District does not have direct control over the Net Revenues it produces. The District's rates and charges are set by the PSC following a public notice and review process. The District cannot automatically increase rates, thereby increasing Net Revenues if customer numbers or customer usage decline or if operation and maintenance expenses increase significantly.

The District may and anticipates issuing additional bonds secured by the Net Revenues of the System, provided that the coverage and parity tests for the Series 2009 A Bonds, the Series 2009 B Bonds, the First Lien Bonds and the Second Lien Bonds are satisfied. The District is not required to obtain the consent of the owners of the Series 2009 A Bonds to the issuance of obligations secured by Net Revenues. However, the coverage and parity tests contained in the Resolutions authorizing the Series 2009 A Bonds must be met in order for the District to issue additional obligations secured by Net Revenues and the PSC must approve the issuance of any such obligations.

If Net Revenues are not sufficient to cover the debt service on the Series 2009 A Bonds, then the District must request an increase in rates from the PSC. There can be no assurance that the PSC will increase rates and charges to a level sufficient to generate revenue sufficient to pay the debt service on the Series 2009 A Bonds.

TAX MATTERS

In the opinion of Steptoe & Johnson PLLC, Bond Counsel, under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2009 A Bonds (including original issue discount properly allocable to owners of the Series 2009 A Bonds) is excludable from gross income of the owners thereof for federal income tax purposes, except for any period during which a Bond is held by a person who, within the meaning of the Internal Revenue Code of 1986, as amended, and regulations thereunder (the "Code"), is a "substantial user" of facilities financed with proceeds of the Series 2009 A Bonds or a "related person" thereto. Interest on the Series 2009 A Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations. For the purpose of computing the alternative minimum tax on corporations (as defined for federal income tax purposes), such interest is not taken into account in determining adjusted current earnings. Under the current laws of the State of West Virginia, the Series 2009 A Bonds are exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Series 2009 A Bonds is exempt from personal and corporate income taxes imposed directly thereon by the State of West Virginia. In the opinion of Bond Counsel, under existing law, the original issue discount in the selling price of each Bond maturing on March 1, 2025 and March 1, 2029, to the extent properly allocable to each owner of such Bond, is excludable from gross income for federal income tax purposes with respect to such owner. The original issue discount is the excess of the stated redemption price at maturity of such Bond over its initial offering price to

the public, excluding underwriters and other intermediaries, at which price a substantial amount of the Bonds of such maturity were sold.

Under Section 1288 of the Internal Revenue Code of 1986, as amended, original issue discount on tax-exempt bonds accrues on a compound basis. The amount of original issue discount that accrues to an owner of a Bond during any accrual period generally equals (i) the issue price of such Bond plus the amount of original issue discount accrued in all prior accrual periods, multiplied by (ii) the yield to maturity of such Bond (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period), minus (iii) any interest payable on such Bond during such accrual period. The amount of original issue discount so accrued in a particular accrual period will be considered to be received ratably on each day of the accrual period, will be excludable from gross income for federal income tax purpose, and will increase the owner's tax basis in such Bond. Purchasers of any Bond at an original issue discount should consult their tax advisors regarding the determination and treatment of original issue discount for federal income tax purposes, and with respect to state and local tax consequences of owning such Bonds.

The Bonds are being issued as exempt facility bonds pursuant to Section 142 of the Code. Exempt facility bonds may not be designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code. The provisions of the Code which disallow all deductibility of interest expense incurred by financial institutions on debt incurred or continued to carry most tax-exempt obligations do not apply to "qualified tax-exempt obligations" as defined in Section 265(b)(3) of the Code; accordingly, 80% of the interest expense of a financial institution incurred for the purpose of purchasing or carrying such "qualified tax-exempt obligations" is deductible for federal income tax purposes. However, the American Recovery and Reinvestment Act of 2009, Pub.L. 111-5, Feb. 17, 2009, 123 Stat. 115, amended Section 265(b) and Section 291 of the Code to permit a financial institution to acquire non "qualified tax-exempt obligations" in an amount up to 2% of the average adjusted bases for all of the financial institution's assets and achieve the tax treatment that applies to "qualified tax-exempt obligations" as described above. Investors should consult their own tax advisors to determine the federal, state, local and other tax consequences of the purchase, ownership and disposition of Bonds

The opinions described above are subject to the condition that the District complies on a continuing basis with all requirements of the Internal Revenue Code of 1986, as amended, and regulations thereunder (the "Code") that must be satisfied subsequent to issuance of the Series 2009 A Bonds for interest thereon to be or continue to be excluded from gross income for federal income tax purposes. The District has covenanted to comply with each such requirement. Failure to comply with certain of such requirements could cause the interest on the Series 2009 A Bonds to be included in the gross income of the recipients thereof for purposes of federal income taxation retroactively to the date of issuance of the Series 2009 A Bonds.

The accrual or receipt of the interest on the Series 2009 A Bonds may otherwise affect the federal income tax liability of certain recipients. The extent of these and other consequences will depend upon the recipient's particular tax status or other items of income or

deductions. Bond Counsel expresses no opinion regarding any such consequences, and investors should consult their tax advisors regarding the tax consequences of purchasing or holding the Series 2009 A Bonds.

To ensure compliance with Treasury Circular 230, taxpayers are hereby notified that holders of the Series 2009 A Bonds should be aware that: (a) the discussion in this Official Statement with respect to U.S. federal income tax consequences of owning the Bonds is not intended or written to be used, and cannot be used, by any taxpayer for the purpose of avoiding penalties that may be imposed on the taxpayer; (b) such discussion was written in connection with the promotion or marketing (within the meaning of Treasury Circular 230) of the transactions or matters addressed by such discussion; and (c) each taxpayer should seek advice based on its particular circumstances from an independent tax advisor.

APPROVAL OF LEGALITY

Legal matters incident to the authorization, sale and issuance of the Series 2009 A Bonds are subject to the unqualified approving opinion of Steptoe & Johnson PLLC, Charleston, West Virginia, Bond Counsel. William F. Rohrbaugh, Martinsburg, West Virginia, Counsel for the District, will pass upon certain legal matters for the District, including proceedings regarding the PSC. Jackson Kelly PLLC, Charleston, West Virginia, as Counsel to the Underwriter, will pass upon certain legal matters for the Underwriter.

ABSENCE OF MATERIAL LITIGATION

There is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any court, public board or body, now pending or, to the best knowledge of the District, threatened or affecting the District (or, to the District's knowledge, any basis therefor) wherein an unfavorable decision, ruling or finding would have a material adverse affect on the District's financial position or on the validity of the Series 2009 A Bonds, the Project, the Resolution or any agreement to which the District is a party and which is a part of the issuance of the Series 2009 A Bonds. Under its regulatory power, the PSC initiated a general investigation to review the necessity and or sufficiency of the current rate for Capacity Improvement Fees in Case No. 09-0192-PSWD-C.

NEGOTIABLE INSTRUMENTS

Pursuant to State law, the Series 2009 A Bonds are and have all the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia. See "THE SERIES 2009 A BONDS - General."

The Purchase Contract provides that the Underwriter will purchase all the Series 2009 A Bonds, if any are purchased, at a purchase price equal to the initial public offering prices set forth on the cover page hereof less an Underwriter's discount of $53,372.31 and an original issue discount of $26,384.40. The District will pay the Underwriter an additional fee of $14,002.69 to be paid at the date of closing from the proceeds of the Series 2009 B Bonds. The obligation to make such purchase is subject to the terms and conditions set forth in the Purchase Contract, including the approval of certain legal matters by counsel. The Underwriter may change the initial public offering prices from time to time. The Underwriter may offer and sell Series 2009 A Bonds to certain dealers (including dealers depositing Series 2009 A Bonds into investment trusts) and certain dealer banks acting as agents at prices lower than the public offering prices stated on the cover page hereof.

The District has agreed in the Resolution to execute and deliver contemporaneously with the issuance of the Series 2009 A Bonds a certificate or agreement to undertake for the benefit of the Registered Owners of the Series 2009 A Bonds to provide certain financial and operating information of the System (the "Annual Information") not later than three hundred sixty-five (365) days following the end of the fiscal year of the District, commencing in 2009, and to provide the Annual Information to the Electronic Municipal Markets Access System ("EMMA") and to provide notice of the occurrence of the enumerated events to EMMA. See Appendix E—"FORM OF CONTINUING DISCLOSURE AGREEMENT."

This continuing disclosure obligation is being undertaken by the District to assist the Underwriter in complying with Rule 15c2-12 promulgated by the SEC. ECONOMIC AND DEMOGRAPHIC INFORMATION REGARDING BERKELEY COUNTY, WEST VIRGINIA

The Eastern Panhandle of West Virginia is the home of Berkeley County. It is located partly in the Great Appalachian Valley. It is bounded on the northeast by the Potomac River. Dairy products, livestock, and fruit farms make up some of the economic base of the County. There also is limestone quarrying. The area is home to a diverse manufacturing and industrial base as well. A number of federal agencies have offices in Berkeley County, including the Internal Revenue Service, United States National Guard, the United States Coast Guard and the Veterans Administration.

Harrisburg, PA:	93 miles

Berkeley County was one of the first settled areas of the State of West Virginia. Quakers and Scotch-Irish Presbyterians, as well as the English and Dutch, became the residents here in the early 1700's. Berkeley County was formed from Frederick County, Virginia, in 1772 and is named for Lord Norborne Berkeley. The county seat was established in the colonial village of Martinsburg, named for Thomas Bryan Martin and was incorporated in 1778.

The arrival of B&O Railroad in the 1840's gave Martinsburg and Berkeley County a big boost. The town of Martinsburg changed hands over 50 times in the Civil War. The North was determined to keep control of the valuable railroads, and the South was determined to destroy them. Confederate troops destroyed them, and Union troops repaired them nine times.

Martinsburg was also home to famous Civil War spy, Belle Boyd. Belle Boyd secretly passed information to General Jackson regarding troop movement. Belle Boyd's house has been turned into a museum that is operated by the Berkeley County Historical Society.

In 1872 the Pennsylvania Railroad came to the area, and it, along with the B&O Railroad, gave the area an excellent transportation base. At the time, a major source of the area's income came from selling flour produced by the area's water-powered mills to the Alexandria and Baltimore markets. Electricity, replacing waterpower, soon followed and the area became a large textile-milling center. In the late 1940's, Martinsburg experienced a series of changes in businesses which served as the commercial foundation for the town. It is at present in another rebirth, as more high-tech industries and governmental agencies locate in the county.

In the fall of 1992, the U.S. Census Bureau established Berkeley County as part of the Washington, D.C./Baltimore, Maryland Standard Metropolitan Statistical Area (SMSA).

The Public Service Commission of West Virginia (the "Commission") approved the current schedule of sewer rates and charges by order issued on February 15, 2007, in Case No. 06-0026-PSD-CN. The Commission approved an increase in the Capacity Improvement Fees in Case No. 06-0016-PSD-T by a final order entered October 24, 2006. Under its regulatory power, the PSC initiated a general case to review the necessary and or sufficiency of the current rate for Capacity Improvement Fees in Case No. 09-0192-PSWD-C. The provisions of the tariff on file with the PSC are as follows:

APPLICABILITY

Applicable to all customers served by the Berkeley County Public Service Sewer District other than the former customers of Sylvan Grove Waste Treatment, Inc.

AVAILABILITY OF SERVICE

Available for general domestic, commercial and industrial service and sale for resale sewer service.

CHARGES

Volumetric Charge:	$ 7.60 per 1,000 gallons usage
Service Charge:	$ 7.90 per month
Flat Rate:	$42.08 per month
Service Connection Charge:	$350.00

DELAYED PAYMENT PENALTY

The above schedule is net. On all accounts not paid in full when due, ten percent (10%) will be added to the net amount unpaid. This delayed payment penalty is not interest and is to be collected only once for each bill where it is applicable.

DISCONNECT/RECONNECT/ADMINISTRATIVE FEES

Whenever water service has been disconnected for non-payment of sewer bills in conjunction with a water service termination agreement, a disconnection fee of $20.00 shall be charged; or, in the event the delinquent sewer bill is collected by the water company, an administrative fee of $20.00 shall be charged.

Whenever water service, which has been previously disconnected or otherwise withheld for nonpayment of a sewer bill in conjunction with a water service termination agreement, is reconnected, a reconnection fee of $20.00 shall be charged.

LEAK ADJUSTMENT

$0.53 per 1,000 gallons of water is to be used when a bill reflects unusual water consumption which can be attributed to eligible leakage on the customer's side of the meter. This rate shall be applied to all such consumption above the customer's historical average usage.

RETURNED CHECK CHARGE

A service charge equal to the actual bank fee assessed to the sewer utility up to a maximum of $25.00 will be imposed upon any customer whose check for payment of charges is returned by the bank due to insufficient funds.

SURFACE OR GROUND WATER SURCHARGE

An additional amount shall be charged where surface or ground water is introduced into the sanitary system where evidence of a violation exists.

Surcharge formula to be applied in cases where surface drainage is connected to the utility's sewer system.

Applicability

Whenever the utility has discovered that a customer's roof drain, downspout, storm sewer or similar facilities that conduct surface water have been connected to the utility's sewer system, and such customer has failed to take appropriate action, within thirty (30) days of receipt of a demand by the utility in accordance with the Rules of the Public Service Commission, to eliminate such connection, a surcharge will be imposed upon the customer calculated on the basis of the following formula:

$$S = A \times R \times .0006233 \times C$$

S = A x R x .0006233 x C
S = The surcharge in dollars
A = The area under roof and/or the area of any other water collection surface connected to the sanitary sewer, in square feet.
R = The measured rainfall, in inches
.0006233 = A conversion factor to change inches of rain x square feet of surface to thousands of gallons of water
A = The utility's approved rate per thousand gallons of metered water usage.

Billing and Collections

Gross Revenues - the District renders a monthly bill to all customers of the System. Payments are due 20 days after the billing date. If a bill remains unpaid beyond the due date, a 10% penalty is added to the delinquent account and delinquency procedures are initiated, including the mailing of termination notices and termination of service 30 days after the initial due date. Service on a delinquent account remains terminated until payment of the account is made. A reconnection charge of $20.00 is required to reinstate a previously delinquent account.

Capacity Improvement Fees – the District collects the Capacity Improvement Fees at the time the District is requested to provide a final letter of availability for a proposed connection to the System.

Allowance for Uncollectibles

The District uses the specific write-off method in recording uncollectible accounts, which does not result in amounts that differ materially from the allowance method required by generally accepted accounting principles. Since bad debt has historically not been material, no allowance for uncollectible accounts has been provided.

System Budget

The District prepares a draft budget for its operations, with assistance from its accountants. The District's budget is compiled from the draft budget and submitted to the Public Service Board on or before June 30 of each year. The budget is required by statute to indicate operating expenditures and capital expenditures proposed for the ensuing fiscal year and the method of financing such expenditures. The total of proposed expenditures may not exceed the total of estimated income. Upon adoption of the budget, a copy shall be provided to the County Commission. No payments may be made in excess of the budget unless authorized and directed by the Public Service Board. Separate accounting records are kept by the District and reviewed by the District's accountant each year.

Method of Accounting

The District maintains its accounts pertaining to the system on an accrual basis and in accordance with the guidelines of the West Virginia Public Service Commission. The records of the District for the fiscal years ended June 30 of each of the past three years have been audited and are available for public inspection at the District office. The audited financial statements of the District for the fiscal year ending June 30, 2006 are attached as Appendix C.

Members' rights to employee contributions vest immediately while members with one year or more contributing service and five years or more credited service shall be eligible to retire at age 60. Contributions to the WVPERS by the District are 10.5% of eligible employees' compensation. In addition, the District withholds 4.5% of the eligible employee's compensation and remits the withholding on a monthly basis to the WVPERS. The District's contribution requirement was not actuarially determined. Contribution obligations and benefit provisions are established pursuant to the West Virginia Public Employees Retirement Act. Information regarding benefit provisions, actuarial assumptions and funding method, pension benefit obligations (actuarial present value of credit projected benefits), net assets available for benefits, historical trends, and related party transactions are not readily available since such determinations are made and information is kept on a system-wide basis and not for the individual participating entities. This information is available in the separately issued financial statements of the WVPERS at Capitol Complex, Building 5, Room 1000, 1900 Kanawha Boulevard, East, Charleston, West Virginia 25305.

The District provides a §401(a) plan for employees with the §457 Governmental employer deferred compensation match. For the §401(a) Plan, employees may contribute the lesser of 25% of their compensation or $30,000. For the §457 Plan, both employee deferrals and employer contributions are aggregated for purposes of the maximum annual limit of the lesser of $8,000 or 25% of compensation.

For the fiscal year ending June 30, 2008, the District contributed $239,612.13 into the WVPERS account and the employees contributed $102,691.85 into the WVPERS account. INDEPENDENT AUDITOR'S REPORT

To the Members of the Public Service Board
Berkeley County Public Service Sewer District
Martinsburg, West Virginia

We have audited the accompanying basic financial statements of the Berkeley County Public Service Sewer District, as of and for the years ended June 30, 2008 and 2007, which collectively comprise the District's basic financial statements as listed in the table of contents. These basic financial statements are the responsibility of the Berkeley County Public Service Sewer District's management. Our responsibility is to express an opinion on these basic financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in "Government Auditing Standards," issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinions.

In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the Berkeley County Public Service Sewer District, as of June 30, 2008 and 2007, and the respective changes in financial position and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with "Government Auditing Standards," we have also issued our report dated December 4, 2008 on our consideration of the Berkeley County Public Service Sewer District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with "Government Auditing Standards" and should be read in conjunction with this report in considering the results of our audits.

Management's Discussion and Analysis, as indicated in the table of contents, is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted primarily of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audits were conducted for the purpose of forming opinions on the financial statements that collectively comprise the Berkeley County Public Service Sewer District's basic financial statements. The supplemental schedules of operating expenses is not a required part of the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

MANAGEMENT'S DISCUSSION AND ANALYSIS

The following discussion and analysis of the Berkeley County Public Service Sewer District's financial performance provides a narrative overview of the financial activities of the District for the fiscal year ended June 30, 2008. We encourage readers to consider the information presented here in conjunction with the financial statements that follow this section.

FINANCIAL HIGHLIGHTS

- Assets exceeded liabilities at the close of the year by $57,176,915.
- Total capital assets increased due to the upgrades to the Baker Heights and Inwood treatment plants. The North End Wastewater project is nearing completion and has added to the capital asset increase.
- Operating revenues increased slightly from 2007. Customers are becoming more conscious of their usages and are conserving our resources.
- User rates were maintained from the previous year.

OVERVIEW OF THE FINANCIAL STATEMENTS

This annual report consists of four parts; Management's Discussion and Analysis, Financial Statements, Supplementary Information, and Expenditures of Federal Awards in accordance with OMB Circular A-133. The Financial Statements also include notes that explain in more detail some of the information in the financial statements.

REQUIRED FINANCIAL STATEMENTS

The Financial Statements of the District report information about the District using accounting methods similar to those used by private sector companies. These statements offer short and long-term financial information about its activities. The Statement of Net Assets includes all of the District's assets and liabilities and provides information about the nature and amounts of investments in resources (assets) and obligations to District creditors (liabilities). It also provides the basis for computing rate of return, evaluating the capital structure of the District and assessing the liquidity and financial flexibility of the District. All of the current year's revenues and expenses are accounted for in the Statement of Revenues, Expenses, and Changes in Net Assets. This statement measures the success of the District's operations over the past year and can be used to determine whether the District has successfully recovered all its costs through its user fees and other charges, profitability, and credit worthiness. The final required financial statement is the Statement of Cash Flows. The primary purpose of this statement is to provide information about the District's cash receipts and cash payments during the reporting period. The statement reports cash receipts, cash payments, and net changes in cash resulting from operations, investing, and financing activities and provides answers to such questions as where did cash come from, what was cash used for, and what was the change in cash balance during the reporting period.

FINANCIAL ANALYSIS OF THE DISTRICT

One of the most important questions asked about the District's finances is "Is the District as a whole better off or worse off as a result of the year's activities?" The Statement of Net Assets and the Statements of Revenues, Expenses and Changes in Net Assets report information about the District's activities in a way that will help answer this question. These two statements report the net assets of the District and changes in them. You can think of the District's net assets-the difference between assets and liabilities-as one way to measure financial health or financial position. Over time, increases or decreases in the District's net assets are one indicator of whether its financial health is improving or deteriorating. However, you will need to consider other non-financial factors such as changes in economic conditions, population growth, zoning and new or changed government legislation.

NET ASSETS

To begin our analysis, a summary of the District's Statements of Net Assets is presented in Table A-1.

Table A-1	**June 30, 2008**	**June 30, 2007**
Current and Other Assets	$ 18,340,274	$ 26,841,788

Other Liabilities	10,603,960	11,308,190
Total Liabilities	$ 132,121,896	$ 112,289,693

Unrestricted net assets	2,395,057	2,758,059
Total net assets	$ 57,176,915	$ 55,126,998

OPERATING INCOME

Revenues totaled $11,630,521 in fiscal year 2008, an increase of $224,354 from 2007. This slight increase can be attributed to the customers of the district conserving their water usage for the current year. Operating expenses were $5,449,425 in 2008, an increase of $565,095 from 2007. This increase is attributed primarily to an increase in fuel cost and legal expenses associated to the legal action the district is involved in. Table A-2 provides a summary of Revenues and Expenses.

Table A-2	**June 30, 2008**	**June 30, 2007**
Operating Revenues	$ 10,854,730	$ 10,488,179
Non-Operating Revenues	775,791	917,988
Total Revenues	$ 11,630,521	$ 11,406,167
Depreciation Expense	$ (5,123,552)	$ (4,275,220)
Operating Expense	(5,449,425)	(4,884,330)
Non-Operating Expense	(1,996,233)	(1,580,035)
Gain on Extinquished Debt	- -	1,041,264
Total Expenses	$ (12,569,210)	$ (9,698,321)
Net income (loss) before capital contributions	(938,689)	1,707,846
Capital Contributions	2,988,606	11,691,778
Change in Net Assets	$ 2,049,917	$ 13,399,624

While the Statements of Net Assets shows the change in financial position of net assets, the Statements of Revenues and Expenses provides answers as to the nature and source of these changes. Increases in costs were primarily the result of rising fuel and costs associated with the increased operating costs within the treatment facilities. These costs include, an increase in operations costs needed to support current and future system growth, and the additional costs associated with increased fuel and legal expenses.

BUDGETARY HIGHLIGHTS

As required by its Bylaws, the District adopts an Operating Budget no later than 45 days prior to the start of its Fiscal Year. The General Manager must approve any overruns within departmental budgets and only the Board of Directors may revise the total budget. All annual appropriations lapse at year end. The table below shows a comparison of 2008 budget projections to 2008 actual revenues and expenses.

As can be seen from Table A-3 the District's operating revenues increased to $10,854,730 showing a favorable variance to the budget. This favorable variance to budget for 2008 was due to an increase in customers but a decrease in customer usage and credits from exemption meters. During this time operating expenses increased by $209,554 over budget. This increase was primarily due to legal costs.

CAPITAL ASSETS AND DEBT ADMINISTRATION

At the end of 2008 the District had invested $171 million in a broad range of capital assets including sewer lines, land, buildings, treatment plants, vehicles and equipment as shown in Table A-4.

The construction projects for the North End Sewer System, Baker Heights Treatment Facility upgrade and the Inwood Treatment Facility upgrade are still in progress at the end of this Fiscal Year. The upgrades and additions account for the largest percentage of the increase in capital assets as compared to last year.

LONG TERM DEBT

The District's outstanding debt as of June 30, 2008 includes $123,739,084 in Sewer System Revenue Bonds that bear interest from 0% to 7.85%. The payment of principal and interest on revenue bonds is secured by the pledge of net revenues of the District. The District also has a bond entitled 2006A CIF. This bond is for the upgrades of the Baker Heights and Inwood Treatment facilities. Principal and Interest are paid from capacity improvement funds from developers of new projects.

BOND RATINGS

All outstanding bonds carry an Aaa and AAA rating from Moody's and Standard & Poor's respectfully based upon a Municipal Bond Commission policy. The 2006A CIF bond carries a BBB Rating.

LIMITATIONS ON DEBT

Bond Covenants allow for the issuance of additional debt on a parity, as to lien on the net revenues of the System provided certain net earning ratio(s) conditions are met. The major criteria is that all estimated future net earnings of the system must be at least 1.15 times the highest combined debt service requirement. The district currently enjoys a coverage ratio of 1.29.

The district has been successful in taking advantage of available low financing through the West Virginia State Revolving Fund administered by the Department of Environmental Protection.

ECONOMIC OUTLOOK AND NEXT YEAR'S BUDGET AND RATES

The economic outlook for Berkeley County is extremely positive. The recent slow-down in the housing market and weak economic markets has slowed the growth rate for Berkeley County this Fiscal Year. There have been some positive signs by the commercial development taking place and some stability by the developers in the housing market. The District continues to evaluate its resources as well as operational and capital requirements to ensure that wastewater service will be available to meet expected demand.

The District's rate structure is designed to collect sufficient revenues to pay debt service and recover operating and maintenance expenses, and the District successfully accomplished this objective in 2008. User rates were maintained for the Fiscal Year 2008.

Note 1. Nature of Business and Summary of Significant Accounting Policies

The Berkeley County Public Service Sewer District (the "District") is a corporation created under the authority of the County Commission of Berkeley County, West Virginia on April 10, 1979 under West Virginia Code Section 16-13A-2. The Board of Directors is composed of three members appointed by the County Commission of Berkeley County, West Virginia. The District is responsible for providing sewerage services for all of Berkeley County, West Virginia. The District serves approximately 17,000 customers.

A summary of significant accounting policies are as follows:

Basis of Presentation

The accounting policies of the District conform to accounting principles generally accepted in the United States of America as applicable to enterprise funds of governmental units. The District accounts for its operations in a manner similar to those often found in the private sector. The measurement focus is based upon the determination of net income. The costs (including depreciation) of providing goods and services to customers on a continuing basis are recovered primarily through user charges. Periodic determination of revenues earned, expenses incurred and/or net income is appropriate for capital maintenance, public policy, management control and accountability.

Basis of Accounting

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Revenues and expenses of the District are accounted for within one fund, an enterprise fund. The District uses the accrual basis of accounting for its enterprise fund, under which revenues are recognized when they are earned and expenses are recognized when they are incurred. In accordance with Governmental Accounting Standards Board (GASB) Statement No. 20, "Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities that Use Proprietary Fund Accounting," the District has elected to apply all applicable GASB pronouncements as well as FASB statements and interpretations, APB opinions, and Accounting Research Bulletins issued on or before November 30, 1989 that do not conflict with or contradict GASB pronouncements. Governments also have the option of following subsequent private-sector guidance for their business-type activities and enterprise funds, subject to this same limitation. The District has elected not to follow subsequent private-sector guidance.

Operating revenues and expenses consist of those revenues and expenses that result from the ongoing principal operations of the District. Operating revenues consist primarily of charges for services. Non-operating revenues and expenses consist of those revenues and expenses that are related to financing and investing types of activities and result from nonexchange transactions or ancillary activities.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash, Cash Equivalents and Investments

For purposes of reporting the statements of cash flows, the District considers all cash accounts, which are not subject to withdrawal restrictions or penalties, and all highly liquid debt instruments purchased with an original maturity of three months or less, except those set aside for a specific purpose, to be cash equivalents. As of June 30, 2008, the District has not formally adopted an investment policy.

Restricted Assets

Assets whose use is limited include:

Debt service funds and debt service reserve funds represent funds on deposit with the West Virginia Municipal Bond Commission as trustee under the various bond resolutions. These funds are to be used to pay bond interest and principal.

Construction funds represent funds held by a bank as trustee under the District's bond resolutions. These funds are to be used solely for payment of costs associated with the District's construction projects.

The capacity improvement fund was established by bond ordinance. The fund is to be kept apart from all other funds and shall be invested or reinvested in accordance with Article VIII of the bond ordinance. Withdrawals and disbursements may be made for replacements, emergency repairs, improvements or extensions to the system.

Customer security deposits are held in a separate bank account in the name of the District. Interest earned on security deposits held by the District is paid to customers when the security deposit is refunded.

Revenue Recognition

The District's policy is to recognize revenue on the accrual basis. At June 30, 2008 and 2007, the District accrued two months of revenue earned but not billed for the months of May and June. An estimation was used for this accrual.

Property, Plant and Equipment

The District capitalizes all property, plant and equipment with a purchase price greater than $500.

Property, plant and equipment is stated at historical cost. Donated assets are recorded at fair market value at the time received. Expenditures for repairs and upgrading which materially add to the value or life of an asset are capitalized. Other maintenance and repair costs are expensed as incurred.

Depreciation is provided by the straight-line method over the estimated useful lives which range from 8 to 50 years.

Interest is capitalized on qualifying construction in process. For assets acquired with tax-exempt debt, the amount of capitalized interest equals the difference between the interest cost associated with the tax-exempt borrowing used to finance the project and the interest earned from temporary investment of the debt proceeds. Capitalized interest is amortized using the straight-line method over the estimated useful life of the asset. The District capitalized $868,200 and $113,329 of net interest expense in 2008 and 2007, respectively.

The depreciation expense on assets acquired under capital leases is included with depreciation expense on owned assets.

Intangibles

Amortization of debt issue costs is calculated by the straight-line method over the term of the related bond issue.

Deferred amounts resulting from an advance refunding of debt are being amortized by the straight-line method over the life of the new debt.

Nonexchange Transactions

The District follows GASB Statement No. 33, *Accounting and Financial Reporting for Nonexchange Transactions* (Statement 33), which establishes accounting and reporting guidelines for government entities that gives (or receives) value without directly receiving (or giving) equal value in return. The District receives voluntary nonexchange transactions from developer donations of cash, property, lines and improvements. These donations are considered capital contributions on the Statements of Revenues, Expenses and Changes in Net Assets.

New Accounting Pronouncements Adopted

GASB Statement No. 48, *Sales and Pledges of Receivables and Future Revenues and Intra-Entity Transfers of Assets and Future Revenues* (Statement 48) establishes criteria that governments will use to ascertain whether the proceeds received should be reported as a sale or as a liability. The District has adopted Statement 48 for the fiscal year ending June 30, 2008. The adoption of this Statement has no effect on the presentation of the financial statements.

GASB Statement No. 50, *Pension Disclosures-an amendment of GASB Statements No. 25 and No. 27* (Statement 50) aligns financial reporting requirements for pensions and other postemployment benefits and enhances information disclosed in notes to financial statements or presented as required supplementary information (RSI) by employers that provide pension benefits. The District has adopted Statement 50 for the fiscal year ending June 30, 2008. The adoption of this Statement has no effect on the presentation of the financial statements.

New Accounting Pronouncements

GASB Statement No. 43, *Financial Reporting for Postretirement Benefit Plans Other Than Pension Plans* (Statement 43) establishes uniform financial reporting standards for other postretirement benefit plans. Statement 43 will be effective for the District beginning with its year ending June 30, 2009.

GASB Statement No. 45, *Accounting and Financial Reporting by Employers for Postretirement Benefits Other Than Pensions* (Statement 45) establishes standards for measurement, recognition, and display of other postemployment benefit expense/expenditures and related liabilities (assets), note disclosures and, if applicable, required supplementary information (RSI) in the financial reports of state and local government employers. Statement 45 will be effective for the District beginning with its fiscal year ending June 30, 2009.

Statement 51 will be effective for the District beginning with its fiscal year ending June 30, 2010.

GASB Statement No. 52, *Land and Other Real Estate Held as Investments by Endowments* (Statement 52) establishes consistent standards for the reporting of land and other real estate held as investments. It requires these investments to be reported at their fair value. Statement 52 will be effective for the District beginning with its fiscal year ending June 30, 2009.

GASB Statement No. 53, *Accounting and Financial Reporting for Derivative Instrumental* (Statement 53) addresses the recognition, measurement and disclosure of information regarding derivative instruments. Statement 53 will be effective for the District beginning with its fiscal year ending June 30, 2010.

The District's management has not yet determined the effect these Statements will have on its financial statements.

Note 2. Accounts Receivable - Developers

This represents amounts due from certain developers in connection with the District's purchase of utility plants from the developers. Under these agreements, the developers are obligated to reimburse the District for costs associated with acquiring and operating the system in excess of revenues derived from the system. The reimbursements under these agreements continue until net system revenues are sufficient to meet debt service payments. Thereafter, the District is obligated to repay the developer for amounts which it receives under these agreements. Total amounts receivable under the agreements were $32,564 and $32,616 as of June 30, 2008 and 2007, respectively.

Note 3. Developers' Contracts Payable

These liabilities represent the cost of line additions constructed by developers and titled to the District. The District is obligated to reimburse the developers based on the revenue derived from customers connected to the lines. The reimbursements are payable for up to a ten year period from the date of completion of the lines. At June 30, the balance consisted of the following:

The District is a participant in the West Virginia Public Employees Retirement System (WVPERS), which is a defined benefit, cost-sharing multiple-employer pension plan. The pension plan covers all the District's employees whose tenure is not temporary or provisional. Members' rights to employee contributions vest immediately while members with one year or more contributing service and five years or more credited service shall be eligible to retire at age 60. Contributions to the WVPERS by the District are 10.5% of eligible employees' compensation. In addition, the District withholds 4.5% of the eligible employee's compensation and remits the withholding on a monthly basis to the WVPERS. The District's contribution requirement was not actuarially determined. Contribution obligations and benefit provisions are established pursuant to the West Virginia Public Employees Retirement Act. The employer contributions for the years ended June 30, 2008 and 2007, were $214,161 and $199,128, respectively, representing 10.5% of the year's covered payroll. Information regarding benefit provisions, actuarial assumptions and funding method, pension benefit obligation (actuarial present value of credit projected benefits), net assets available for benefits, historical trends, and related party transactions are not readily available since such determinations are made and information is kept on a system-wide basis and not for the individual participating entities. This information is available in the separately issued financial statements of the WVPERS at Capitol Complex, Building 5, Room 1000, 1900 Kanawha Boulevard, East, Charleston, West Virginia 25305.

The District provides a 401(a) plan for employees with the 457 Governmental employer deferred compensation match. Employees are eligible to participate in the plans upon hire and after 6 months of service they are eligible to receive up to a 5% match on their contributions. Participants vest after one year. For the 401(a) Plan, employees may contribute the lesser of 25% of their compensation or $30,000. For the 457 Plan, both employee deferrals and employer contributions are aggregated for purposes of the maximum annual limit of the lesser of $8,000 or 25% of compensation.

The employer contributions for the years ended June 30, 2008 and 2007, were $67,032 and $58,769, respectively. Note 12. Litigation

In May 2005, the West Virginia Department of Environmental Protection (WVDEP) filed civil action against the District alleging the District violated provisions of the West Virginia Water Pollution Act and the West Virginia National Pollutant Discharge Elimination System permit issued to the District. To date, the parties have estimated that the maximum value of the civil penalty will be between $1,000,000 and $1,500,000. Negotiations with the WVDEP have resulted in tentative agreement that satisfaction of the civil penalty may be achieved through a combination of a cash payment and a Supplemental Environmental Project (SEP). The District will be able to meet the SEP obligation through adjustment of certain planned projects, which should alleviate liability for amounts designated as SEP. The WVDEP has assessed a monetary penalty of $100,000. During the year ended June 30, 2008, the District paid the $100,000 penalty. The District is also trying to satisfy the penalty by performing supplemental environmental projects funded by private developers.

The District has numerous claims and pending legal proceedings that generally involve contract and property damage issues. These proceedings are, in the opinion of management, ordinary routine matters incidental to the normal business conducted by the District. In the opinion of management and the District's legal counsel, such proceedings are substantially covered by insurance, and the ultimate disposition of such proceedings are not expected to have a material adverse effect on the District's financial position, results of operations or cash flows.

Note 13. Subsequent Events

On July 3, 2008, the District entered into a lease agreement for five new 2008 Ford Ranger Super Cab R14 Trucks. The District will pay monthly payments of $1,531 for 60 months ending on June 2, 2013.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Members of the Public Service Board
Berkeley County Public Service Sewer District
Martinsburg, West Virginia

We have audited the financial statements of Berkeley County Public Service Sewer District as of and for the year ended June 30, 2008, and have issued our report thereon dated December 4, 2008. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Berkeley County Public Service Sewer District's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Berkeley County Public Service Sewer District's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Berkeley County Public Service Sewer District's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control. We consider the deficiency described in the Schedule of Findings and Questioned Costs, Financial Statement Finding 2008-1, to be a significant deficiency in internal control over financial reporting.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control. Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, we believe that none of the significant deficiencies described in the Schedule of Findings and Questioned Costs is a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Berkeley County Public Service Sewer District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Board of Directors, management, Federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than those specified parties.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the Members of the Public Service Board
Berkeley County Public Service Sewer District
Martinsburg, West Virginia

Compliance

We have audited the compliance of Berkeley County Public Service Sewer District with the types of compliance requirements described in the U. S. Office of Management and Budget (OMB) Circular A-133, *Compliance Supplement* that are applicable to each of its major federal programs for the year ended June 30, 2008. Berkeley County Pubic Service Sewer District's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of Berkeley County Public Service Sewer District's management. Our responsibility is to express an opinion on Berkeley County Public Service Sewer District's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Berkeley County Public Service Sewer District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on Berkeley County Public Service Sewer District's compliance with those requirements.

In our opinion, Berkeley County Public Service Sewer District complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2008.

Internal Control Over Compliance

The management of Berkeley County Public Service Sewer District is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Berkeley County Public Service Sewer District's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance but, not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Berkeley County Public Service Sewer District's internal control over compliance.

A *control deficiency* in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in a normal course of performing their assigned functions, to prevent or detect non compliance with a type of compliance requirement of federal program on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by any entity's internal control.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as described above.

This report is intended solely for the information and use of the audit committee, board of directors, management, federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than those specified parties.

II. FINDINGS RELATING TO THE FINANCIAL STATEMENT AUDIT AS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GENERALLY ACCEPTED GOVERNMENT AUDITING STANDARDS

Financial Statement Finding 2008-1:
The District's accounting department currently does not prepare its financial statements, complete with footnote disclosures, and record certain transactions in accordance with accounting principles generally accepted in the United States of America. Accordingly, the District is unable to, and has not established internal controls over the preparation of financial statements.

Statement on Auditing Standards (SAS) 112 requires that we report this deficiency. The SAS does not provide exceptions to reporting deficiencies that are adequately mitigated with nonaudit services rendered by the auditor or deficiencies for which the remedy would be cost prohibitive. Because prudent management requires that the potential benefit from an internal control must exceed its cost, it may not be practical to correct all the deficiencies an auditor reports under SAS 112. Accordingly, the District may decide that curing the deficiency described above would not be cost effective and take no action.

Management's Response Finding 2008-1:
The District's staff does not have enough time to prepare its financial statements in order to satisfy the Public Service Commission deadline. In order to accomplish this, the District would need to hire additional staff and incur additional costs greater than what is currently spent to produce the financial statements.

III. FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARDS

No matters were reported.

BERKELEY COUNTY PUBLIC SERVICE SEWER DISTRICT

Summary Schedule of Prior Audit Findings
For the Year Ended June 30, 2008

Financial Statement Finding 2007-1:
The District's accounting department currently does not prepare its financial statements, complete with footnote disclosures, and record certain transactions in accordance with accounting principles generally accepted in the United States of America. Accordingly, the District is unable to, and has not established internal controls over the preparation of financial statements.

Recently issued Statement on Auditing Standards (SAS) 112 requires that we report this deficiency. The SAS does not provide exceptions to reporting deficiencies that are adequately mitigated with nonaudit services rendered by the auditor or deficiencies for which the remedy would be cost prohibitive. Because prudent management requires that the potential benefit from an internal control must exceed its cost, it may not be practical to correct all the deficiencies an auditor reports under SAS 112. Accordingly, you may decide that curing the deficiency described above would not be cost effective and take no action.

Management's Response Finding 2007-1:

In order to accomplish this, the District would need to hire additional staff and incur additional costs greater than what is currently spent to produce the financial statements.

Berkeley County Public Service Sewer District (West Virginia)
Sewer Revenue Bonds, Series 2009 A

Berkeley County Public Service Sewer District
Martinsburg, West Virginia

Crews & Associates, Inc.
Charleston, West Virginia

Ladies and Gentlemen:

We have examined a record of proceedings relating to the issuance by Berkeley County Public Service Sewer District (West Virginia) (the "Issuer") of its $2,695,000 in aggregate principal amount of Sewer Revenue Bonds, Series 2009 A (the "Series 2009 A Bonds").

The Series 2009 A Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act") and a Bond Resolution duly adopted by the Issuer on July 14, 2009, as supplemented by a Supplemental Parameters Resolution duly adopted by the Issuer on July 14, 2009 (collectively, the "Resolution") and are subject to all the terms and conditions of the Resolution. All capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Resolution.

The Series 2009 A Bonds are issued in fully registered form, are dated July 31, 2009, upon original issuance, mature on March 1 in years and amounts and bear interest payable each March 1 and September 1, commencing March 1, 2010, as follows:

$2,695,000 Series 2009 A Bonds

$415,000	4.000%Term Bonds, Due March 1, 2014 at	100.000%	CUSIP	084249 BX8
$1,005,000	5.000%Term Bonds, Due March 1, 2022 at	100.000%	CUSIP	084249 BY6
$495,000	5.250%Term Bonds, Due March 1, 2025 at	98.428%	CUSIP	084249 BZ3
$780,000	5.300%Term Bonds, Due March 1, 2029 at	97.615%	CUSIP	084249 CA7

The Series 2009 A Bonds are subject to optional and mandatory sinking fund redemption prior to maturity on the dates, in the amounts and at the redemption prices set forth in the Certificate of Determinations of the Issuer dated July 23, 2009.

The Series 2009 A Bonds are issued for the purposes of (i) permanently financing the costs of acquisition and construction of certain additions, betterments and improvements to the System; (ii) funding a reserve account for the Series 2009 A Bonds; and (iii) paying a portion of the costs of issuance of the Series 2009 A Bonds.

The Series 2009 A Bonds have been sold to Crews & Associates, Inc. (the "Purchaser"), pursuant to a Bond Purchase Agreement dated July 23, 2009, and accepted by the Issuer (the "Purchase Agreement").

As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Purchaser and other entities contained in the Resolution, the Tax and Non-Arbitrage Certificate and the Continuing Disclosure Agreement and in the certified proceedings and other certifications of certain officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, and assuming compliance with the covenants of the Issuer, the Purchaser and other entities pertaining to tax matters set forth in the Resolution, the Tax and Non-Arbitrage Certificate and the Continuing Disclosure Agreement and with certain certificates delivered in connection with the issuance of the Series 2009 A Bonds, we are of the opinion, under existing law, that:

1. The Issuer is a duly created and validly existing public service district and public corporation under and pursuant to the laws of the State of West Virginia, with full power and authority to adopt the Resolution, enter into the Continuing Disclosure Agreement and the Purchase Agreement, perform its obligations under the terms and provisions thereof and to issue and sell the Series 2009 A Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Issuer, through its governing body, has legally and effectively adopted the Resolution, has authorized, executed and delivered the Purchase Agreement and the Continuing Disclosure Agreement and has issued and delivered the Series 2009 A Bonds to the Purchaser pursuant to the Purchase Agreement. The Resolution is in full force and effect as of the date hereof.

3. Assuming due authorization, execution and delivery by the other parties thereto, the Purchase Agreement and the Continuing Disclosure Agreement constitute valid, legal, binding and enforceable instruments of the Issuer in accordance with their respective terms; and the Series 2009 A Bonds, subject to the terms thereof, constitute valid and legally enforceable limited obligations of the Issuer, payable and enforceable in accordance with their terms and the terms of the Resolution, and are entitled to the benefits of the Resolution and the Act.

4. Under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2009 A Bonds (including original issue discount properly allocable to owners of the Series 2009 A Bonds) is excludable from gross income of the owners thereof for federal income tax purposes, except for any period during which a Bond is held by a person who, within the meaning of the

Internal Revenue Code of 1986, as amended and regulations thereunder (the "Code"), is a "substantial user" of facilities financed with proceeds of the Series 2009 A Bonds or a "related person" thereto. Interest on the Series 2009 A Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations. For the purpose of computing the alternative minimum tax on corporations (as defined for federal income tax purposes), such interest is not taken into account in determining adjusted current earnings. Ownership of tax-exempt obligations, including the Series 2009 A Bonds, may result in collateral federal income tax consequences to certain taxpayers, including without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry such obligations. We offer no opinion as to such collateral tax consequences. Prospective purchasers of the Series 2009 A Bonds should consult their own tax advisors as to such consequences. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Code that must be satisfied subsequent to issuance of the Series 2009 A Bonds for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Series 2009 A Bonds set forth in the Resolution, and the Tax and Non-Arbitrage Certificate. Failure to comply with such Code provisions or such certifications, covenants and representations could cause the interest on the Series 2009 A Bonds to be includable in gross income retroactive to the date of issuance of the Series 2009 A Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Series 2009 A Bonds except as expressly set forth in paragraph 8.

5. Under the Act, the Series 2009 A Bonds are exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Series 2009 A Bonds is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Series 2009 A Bonds are exempted securities within the meaning of Section 3(a)(2) of the Securities Act of 1933, as amended, and the West Virginia Uniform Securities Act, as amended, and it is not necessary, in connection with the public offering and sale of the Series 2009 A Bonds, to register any securities under said Securities Acts.

7. The Series 2009 A Bonds have been duly authorized, issued, executed and delivered by the Issuer and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Resolution and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with the Issuer's First Lien Bonds and the Issuer's Series 2009 B Bonds issued contemporaneously with the Series 2009 A Bonds, and, senior and prior to the Second Lien Bonds with respect to liens, pledge and source of and security for payment and in all other respects, all as more fully defined and described in the Resolution.

8. The Series 2009 A Bonds are being issued as exempt facility bonds pursuant to Section 142 of the Code. Exempt facility bonds may not be designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code. The provisions of the Code which disallow all deductibility of interest expense incurred by financial institutions on debt incurred or continued to carry most tax-exempt obligations do not apply to "qualified tax-exempt obligations" as defined in Section 265(b)(3) of the Code; accordingly, 80% of the interest expense of a financial institution incurred for the purpose of purchasing or carrying such "qualified tax-exempt obligations" is deductible for federal income tax purposes. However, the

American Recovery and Reinvestment Act of 2009, Pub.L. 111-5, Feb. 17, 2009, 123 Stat. 115, amended Section 265(b) and Section 291 of the Code to permit a financial institution to acquire non "qualified tax-exempt obligations" in an amount up to 2% of the average adjusted bases for all of the financial institution's assets and achieve the tax treatment that applies to "qualified tax-exempt obligations" as described above.

It is to be understood that the rights of the holders of the Series 2009 A Bonds and the enforceability of liens, pledges, rights or remedies with respect to the Series 2009 A Bonds, the Resolution, the Continuing Disclosure Agreement, Tax and Non-Arbitrage Certificate, and the Purchase Agreement are subject to any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally, and that their enforcement may also be subject to the application of public policy, general principles of equity and the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond Nos. AR-1 through AR-4 of said issue, and in our opinion, said Series 2009 A Bonds are in proper form and have been duly executed and authenticated.

Very truly yours,

STEPTOE & JOHNSON PLLC

A. The Issuer is a public corporation and public service district of the State of West Virginia in Berkeley County of said State.

B. The Issuer presently owns and operates a public sewerage collection and treatment system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain additions, betterments and improvements to the System, consisting of the construction, and improvements to the Ecolab industrial wastewater pretreatment plant and all appurtenant facilities (collectively, the "Project") (the existing public sewerage facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds, Series 2009 A, in the total aggregate principal amount of not more than $2,695,000 to permanently finance a portion of the costs of acquisition and construction of the Project and pay the costs of issuance of the Series 2009 A Bonds. D. The period of usefulness of the System after completion of the Project is not less than 40 years.

E. It is in the best interests of the Issuer that the Series 2009 A Bonds be sold to the Original Purchaser pursuant to the terms and provisions of a bond purchase agreement or bond purchase agreements to be entered into by and between the Issuer and the Original Purchaser, as shall be approved by supplemental resolution of the Issuer.

F. The Series 2009 A Bonds shall be issued on a parity with the First Lien Bonds and the Series 2009 B Bonds and senior and prior to the Second Lien Bonds with respect to liens, pledge and source of and security for payment and in all other respects. The Issuer has met the coverage requirements for issuance of parity bonds set forth in the First Lien Bonds and the resolutions authorizing the First Lien Bonds and has substantially complied with all other parity requirements, except to the extent that noncompliance with any such other parity requirements is not of a material nature. For other exchanges of Series 2009 A Bonds, the Registrar may impose a service charge. For every such transfer or exchange of bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2009 A Bonds that have been called for redemption.

In case any Series 2009 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Series 2009 A Bond of like series, maturity and principal amount as the Series 2009 A Bond, so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Bond, or in lieu of and substitution for the Series 2009 A Bond destroyed, stolen or lost, and upon the Holder's furnishing the Issuer and the Registrar proof of his ownership thereof and that said Series 2009 A Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Bondholder listed in the Bond Register shall constitute proof of ownership. All Series 2009 A Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Series 2009 A Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Series 2009 A Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Series 2009 A Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Series 2009 A Bonds be at any time found by any one, and such duplicate Series 2009 A Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the Revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued pursuant to this Resolution, the following provisions shall apply:

A. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2009 A Bonds Redemption Account in accordance with Subsection 4.03A(3) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory Redemption Date of said Term Bonds, a sum equal to 1/12th of the amount required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with respect to the Series 2009 A Bonds shall be set forth in the Supplemental Resolution relating thereto.

B. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

C. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

D. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the monies in the Series 2009 A Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

E. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Series 2009 A Bonds Sinking Fund, as will exhaust as nearly as practicable such Series 2009 A Bonds

Redemption Account payment designated to be made in accordance with paragraph (A) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of $5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Series 2009 A Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Original Purchaser and the registered owner of the Series 2009 A Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

So long as DTC (as CEDE & CO.) is the registered Owner of the Series 2009 A Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice. Copies of all redemption notices relating to optional redemption of the Series 2009 A Bonds shall also be sent to registered securities depositories.

All official notices of redemption shall be dated and shall state:

(1) The Redemption Date;

(2) The Redemption Price;

(3) If less than all outstanding Series 2009 A Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Series 2009 A Bonds, as appropriate, to be redeemed;

(4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Series 2009 A Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date;

(5) The place where such Series 2009 A Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar; and

(6) Such other information, if any, as shall be required for DTC-eligible Series 2009 A Bonds.

If funds sufficient to redeem all Series 2009 A Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such notice shall also state that such optional redemption is subject to the deposit of such monies with the Paying Agent on or before the Redemption Date. If such monies are not so deposited, the Registrar shall notify all holders of Series 2009 A Bonds called for redemption of such fact.

Official notice of redemption having been given as aforesaid, the Series 2009 A Bonds or portions of Series 2009 A Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Series 2009 A Bonds or portions of Series 2009 A Bonds shall cease to bear interest. Upon surrender of such Series 2009 A Bonds for redemption in accordance with said notice, such Series 2009 A Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Series 2009 A Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unredeemed principal of such Series 2009 A Bond. All Series 2009 A Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2009 A Bonds, and failure to mail or otherwise send such notice shall not affect the validity of proceedings for the redemption of any portion of Series 2009 A Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Series 2009 A Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on, such Bond and for all other purposes, whether or not such Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Resolution. Upon the presentation and surrender of any Bond or Bonds in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefor, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefor to the Holder of such Bond in temporary form.

Section 3.10. Authorization of Bonds. For the purposes of paying a portion of the costs of acquisition and construction of the Project, funding the Series 2009 A Bonds Reserve Account, and paying costs in connection therewith, there shall be issued the Series 2009 A Bonds of the Issuer, in an aggregate principal amount of not more than $2,695,000. The Series 2009 A shall be designated "Sewer Revenue Bonds, Series 2009 A" and shall be issued in fully registered form, in the denomination of $5,000 or any integral multiple thereof for any year of maturity, not exceeding the aggregate principal amount of Series

2009 A Bonds maturing in the year of maturity for which the denomination is to be specified. The Series 2009 A Bonds shall be numbered from R-1 consecutively upward. The Series 2009 A Bonds shall be dated; shall be in such aggregate principal amount; shall bear interest at such rate or rates, not exceeding the then legally permissible rate, payable semiannually on such dates; shall mature on such dates and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Bonds. A. The Series 2009 A Bonds shall each initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2009 A Bonds, respectively, of each maturity, registered in the name of CEDE & CO., as nominee of DTC. Except as provided in paragraph E below, all of the Series 2009 A Bonds shall be registered in the registration books kept by the Registrar in the name of CEDE & CO., as nominee of DTC; provided that if DTC shall request that the Series 2009 A Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Series 2009 A Bonds registered in the name of such nominee or nominees. No person other than DTC or its nominee shall be entitled to receive from the Issuer or the Registrar either a Series 2009 A Bond, or any other evidence of ownership of the Series 2009 A Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Series 2009 A Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry system as provided in paragraph E below.

B. At or prior to settlement for the Series 2009 A Bonds, the Issuer and the Registrar shall execute or signify their approval of a representation letter addressed to DTC in a form satisfactory to DTC (the "Representation Letter"). Any successor Registrar shall, in its written acceptance of its duties under this Resolution, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Series 2009 A Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Series 2009 A Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in New York Clearing House or equivalent next day funds on the dates provided for such payments to be made to any Bondholder under this Resolution. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Issuer and the Registrar with respect to the principal or Redemption Price of or interest on the Series 2009 A Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Series 2009 A Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Series 2009 A Bonds so redeemed, but DTC may return such Series 2009 A Bonds and make an appropriate notation on the Series 2009 A Bonds certificate as to the amount of such partial redemption; provided that DTC shall deliver to the Registrar, upon request, a written confirmation of such partial redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Series 2009 A Bonds of such maturity which have been redeemed.

D. The Issuer, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Series 2009 A Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Series 2009 A Bonds, selecting the Series 2009 A Bonds, or portions thereof, to be redeemed, giving any notice permitted or required to be given to Bondholders under this Resolution, registering the transfer of Series 2009 A Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Issuer nor the Registrar shall be affected by any notice to the contrary. Neither the Issuer nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Series 2009 A Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books of the Registrar as being a Bondholder with respect to (i) the Series 2009 A Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2009 A Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Resolution, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Series 2009 A Bonds, or (vi) any consent given or other action taken by DTC as Bondholder.

E. The book entry system for registration of the ownership of the Series 2009 A Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Series 2009 A Bonds; or (ii) the Issuer determines that continuation of the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Series 2009 A Bonds. In either of such events (unless in the case described in clause (ii) above, the Issuer appoints a successor securities depository), the Series 2009 A Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer or the Registrar for the accuracy of such designation. Whenever DTC requests the Issuer and the Registrar to do so, the Issuer and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 2009 A Bonds.

Section 3.12. Delivery of Bonds. The Issuer shall execute and deliver the Series 2009 A Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2009 A Bonds to the Original Purchaser upon receipt of the documents set forth below:

(1) A list of the names in which the Series 2009 A Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;

(2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2009 A Bonds to the Original Purchaser;

(3) Copies of this Resolution and the Supplemental Resolution certified by the Secretary;

(4) The unqualified approving opinion upon the Series 2009 A Bonds by Bond Counsel; and

(5) A copy of such other documents, certifications and verifications as the Original Purchaser may reasonably require.

Section 3.13. Form of Bonds. The definitive Series 2009 A Bonds shall be in substantially the form set forth in EXHIBIT A - SERIES 2009 A BOND FORM attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 2009 A Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series 2009 A Bonds shall have the form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Bonds. Upon the issuance and delivery of the Series 2009 A Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

1. All interest accrued on the Series 2009 A Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 2009 A Bonds Sinking Fund and applied to payment of interest on the Series 2009 A Bonds at the first interest payment date.

2. An amount of the proceeds of the Series 2009 A Bonds equal to the Series 2009 A Bonds Reserve Requirement shall be remitted to the Bond Commission for deposit in the Series 2009 A Bonds Reserve Account, if funded by proceeds of the Series 2009 A Bonds, provided that, to the extent the Series 2009 A Bonds Reserve Requirement is satisfied in whole or in part from a reserve account letter of credit, surety bond or other credit facility, proceeds of the Series 2009 A Bonds shall be used to purchase said reserve account letter of credit, surety bond or other credit facility and proceeds of the Series 2009 A Bonds shall be deposited in the Series 2009 A Bonds Reserve Account only to the extent needed to satisfy the balance of the Series 2009 A Bonds Reserve Requirement.

3. An amount of the proceeds of the Series 2009 A Bonds which shall be sufficient to pay the costs of issuance of the Series 2009 A Bonds shall be deposited with the Depository Bank in the Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Series 2009 A Bonds. All such costs of issuance shall be paid within 60 days of the Closing Date. Monies not to be applied immediately to pay

such costs of issuance may be invested in accordance with this Resolution, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 6 months after the Closing Date, such unapplied proceeds shall be transferred by the Issuer to the Series 2009 A Bonds Construction Fund.

4. The balance of proceeds of the Series 2009 A Bonds, not used for any of the purposes set forth above, shall be deposited in the Series 2009 A Bonds Construction Fund and shall be drawn out, used and applied by the Issuer solely to pay a portion of the costs of acquisition and construction of the Project and disbursed as provided in Section 3.15 hereof.

Section 3.15. Disbursements from the Series 2009 A Bonds Construction Fund. Disbursements from the Series 2009 A Bonds Construction Fund, except for payment of Costs of Issuance of the Series 2009 A Bonds in excess of the monies available in the Costs of Issuance Fund which shall be made upon request of the Issuer, shall be made only for acquisition and construction of the Project, including all necessary engineering and other professional services relating thereto. Pending such application, monies in the Series 2009 A Bonds Construction Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

Section 3.16. Extraordinary Mandatory Redemption. In the event the Internal Revenue Service shall issue a determination of taxability with respect to the Series 2009 A Bonds or the Internal Revenue Service shall serve notice on the holders of the Series 2009 A Bonds that any portion of the interest thereon either should have been, or must be, included in the gross income of the holders thereof for federal income tax purposes, then the Series 2009 A Bonds shall subject to Mandatory Redemption, at any time, on thirty (30) days notice as provided in Section 3.07 hereof.

Monies in the Series 2009 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2009 A Bonds as the same shall become due, whether by maturity or redemption prior to maturity. Amounts in the Series 2009 A Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2009 A Bonds when due, when amounts in the Series 2009 A Bonds Sinking Fund are insufficient therefor and for no other purpose.

The Issuer shall not be required to make any further payments into the Series 2009 A Bonds Sinking Fund or the Series 2009 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of Series 2009 A Bonds issued pursuant to this Resolution then Outstanding, plus the amount of interest due or thereafter to become due on the Series 2009 A Bonds then Outstanding.

As and when additional Bonds ranking on a parity with the Series 2009 A Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at or before maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirements therefor.

The payments into the Series 2009 A Bonds Sinking Fund shall be made on the first day of each month, except that, when the first day of any month shall be a Saturday, Sunday or legal holiday, then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Bond Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Resolution.

The Issuer shall restore any withdrawals from the Series 2009 A Bonds Reserve Account which have the effect of reducing the assets therein below the Series 2009 A Bonds Reserve Requirement, from the first Net Revenues available after all required payments have been made in full in the order set forth above.

Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the First Lien Bonds, the Series 2009 A Bonds and the Series 2009 B Bonds, senior and prior to the principal, interest or reserve payments for the Second Lien Bonds, in accordance with the respective principal amounts then Outstanding.

The Bond Commission is hereby designated as the fiscal agent for the administration of the Series 2009 A Bonds Sinking Fund and the Series 2009 A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Bond Commission from the Revenue Fund by the Issuer at the times provided herein.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall remit from the Revenue Fund to the Bond Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Bond Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay any charges and fees then due.

D. The monies in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent

thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If on any monthly payment date the Net Revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 4.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

F. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE V

INVESTMENTS; NON-ARBITRAGE; REBATES OF EXCESS INVESTMENT EARNINGS

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any monies held as a part of the funds and accounts created by this Resolution in Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section:

(A) Qualified Investments acquired for the Series 2009 A Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to annually transfer from the Series 2009 A Bonds Reserve Account, pro rata, to the Series 2009 A Bonds Sinking Fund, any earnings on the monies deposited therein and any other funds in excess of the requirement therefor; provided, however, that there shall at all times remain on deposit in the Series 2009 A Bonds Reserve Account an amount at least equal to the Series 2009 A Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2009 A Bonds Reserve Account, whereupon such account shall be valued immediately after such withdrawal. If amounts on deposit in the Series 2009 A Bonds Reserve Account shall, at any time, be less than the Series 2009 A Bonds Reserve Requirement, such deficiency shall be made up from the first available Net Revenues in the order set forth in Section 4.03 hereof.

(D) All amounts representing accrued and capitalized interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 2009 A Bonds and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all monies deposited in the Series 2009 A Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Board of Treasury Investments pursuant to Chapter 12, Article 6C of the West Virginia Code of 1931, as amended.

Section 5.02. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 2009 A Bonds in such manner and to such extent as may be necessary, so that the Series 2009 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2009 A Bonds) so that the interest on the Series 2009 A Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.03. Tax Certificate and Rebate. A. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2009 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2009 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

B. The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the

sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect, with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and the required amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Series 2009 A Bonds from gross income for federal income tax purposes.

Section 5.04. Continuing Disclosure Agreement. The Issuer shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Resolution shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2009 A Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Resolution, the Issuer hereby covenants and agrees with the Holders of the Series 2009 A Bonds, as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2009 A Bonds, or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Series 2009 A Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any of the provisions or limitations of the constitution but shall be payable solely from the Net Revenues of the System, the monies in the Series 2009 A Bonds Sinking Fund and all accounts therein, the unexpended proceeds of the Series 2009 A Bonds or monies in the Series 2009 A Bonds Construction Fund, all as herein provided. No Holder or Holders of the Series 2009 A Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2009 A Bonds, or the interest thereon.

Section 6.03. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of all of the Series 2009 A Bonds issued hereunder shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the First Lien Bonds and Series 2009 B Bonds, which lien and pledge are senior and prior to the lien on the Net Revenues in favor of the Holders of the Second Lien Bonds. The Net Revenues derived from the System, in an amount sufficient to pay the interest on and principal of the Series 2009 A Bonds herein authorized, and to make the payments into the Series 2009 A Bonds Sinking Fund, the Series 2009 A Bonds Reserve Account, and all other payments provided for in this Resolution, are hereby irrevocably pledged in the manner provided in this Resolution to the payment of the interest on and principal of the Series 2009 A Bonds herein authorized as the same become due and for the other purposes provided in this Resolution.

Section 6.04. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted

whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2009 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or subordinate to the Series 2009 A Bonds, including the First Lien Bonds, the Series 2009 B Bonds and the Second Lien Bonds.

The Issuer shall require that each annual audit contain a statement of the auditor that the Issuer either is or is not in compliance with the rate covenant contained in this Section 6.04. In the event that any audit contains a statement that the Issuer is not in compliance with the rate covenant contained in this Section 6.04, the Issuer hereby covenants that it shall, within sixty (60) days of receiving the audit report, file a request with the Public Service Commission of West Virginia for a rate increase sufficient to comply with the above-mentioned rate requirement.

Section 6.05. Completion of Project; Operation and Maintenance. The Issuer will complete the Project as promptly as possible. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the Revenues of said System in the manner provided in this Resolution.

The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia necessary for the acquisition and construction of the Project and the operation of the System.

Section 6.06. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, or any part thereof, except as provided in the Prior Resolutions. Additionally, so long as the Series 2009 A Bonds are outstanding and except as otherwise required by law, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds Outstanding, or to effectively defease this Resolution in accordance with Article IX hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2009 A Bonds, immediately be remitted to the Bond Commission for deposit in the Series 2009 A Bonds Sinking Fund and the Issuer shall direct the Bond Commission to apply such proceeds to the payment of principal of and interest on the Series 2009 A Bonds. Any balance remaining after the payment of the Series 2009 A Bonds and interest thereon shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $50,000, the Issuer shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $50,000 but not in excess of $200,000, the Issuer shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Governing Body may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $50,000 and not in excess of $200,000, shall be deposited by the Issuer into the Renewal and Replacement Fund. Such payments of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said fund by other provisions of Prior Resolution and this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the fiscal year for such sales, leases or other dispositions of such properties, shall be in excess of $200,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2009 A Bonds, except as provided in Section 6.08 herein. All obligations issued by the Issuer after the issuance of the Series 2009 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2009 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2009 A Bonds, and the interest thereon,

if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2009 A Bonds and the interest thereon, if any, in this Resolution, or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds and the Series 2009 B Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions and the Series 2009 B Resolution shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2009 A Bonds pursuant to this Resolution, except under the conditions and in the manner herein provided (unless less restrictive than the provisions of the Prior Resolutions).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2009 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions and improvements to the System or refunding any series of Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by an Independent Certified Public Accountant reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of issuance of such additional Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountant, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Resolution (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Resolution required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Resolution.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 2009 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2009 A Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Resolution with respect to the Bonds then Outstanding, and any other payments provided for in this Resolution, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Resolution.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2009 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance and bonds and worker's compensation coverage with a reputable insurance carrier or carriers or bonding company or companies covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement

Fund and used only for the repairs and restoration of the damaged and destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

C. WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Issuer and such payment bonds will be filed with the Clerk of the County Commission of the County in which such work is to be performed prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 6.10. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and, in the event the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself or themselves of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.11. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted

or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all delinquent rates, rentals and other changes, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System and any services and facilities of the water system, if so owned by the Issuer, to all delinquent users of services and facilities of the System and will not restore such services of either System until all billing for charges for the services and facilities of the System, plus reasonable interest and penalty charges for the restoration of service, has been fully paid. If the water facilities are not owned by the Issuer, the Issuer shall enter into a termination agreement with the water provider, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 6.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.13. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Series 2009 A Bond shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as it shall direct.

The Issuer shall file with the Original Purchaser, and shall mail to any Bondholder requesting the same, an annual report within 30 days following the date of

receipt of the final audit containing a balance sheet, statement of revenues, expenses, and changes in retained earnings, and statement of cash flows, as prescribed by generally accepted accounting principles.

The Issuer shall also file with the Original Purchaser, and mail to any Bondholder requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, and Net Revenues derived from the System.

(B) A statement of account balances in all funds and accounts provided for herein and status of said funds.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by an Independent Certified Public Accountant (and to the extent legally required, in compliance with OMB Circular 128 or any successor thereto and the Single Audit Act), shall mail upon request, and make available generally, the report of said Independent Certified Public Accountant, or a summary thereof, to any Holder or Holders of Bonds issued pursuant to this Resolution and shall file said report with the Original Purchaser.

Section 6.14. Operating Budget. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, or at such earlier date, prepare and adopt by resolution a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of such a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Original Purchaser and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Original Purchaser, and to any Bondholder or anyone acting for and in behalf of such Bondholder who requests the same.

Section 6.15. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where

sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.16. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2009 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2009 A Bonds, pro rata, and shall be on a parity with the statutory mortgage lien in favor of the Holders of the First Lien Bonds and the Series 2009 B Bonds, and senior and prior to the lien in favor of the Holders of the Second Lien Bonds.

Section 6.17. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2009 A Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

B. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2009 A Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

C. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2009 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

ARTICLE VII

DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2009 A Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on the Series 2009 A Bonds;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Resolution or any Supplemental Resolution or in the Series 2009 A Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Bondholder;

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds and the Series 2009 B Bonds or the Prior Resolutions.

The Issuer must cure any covenant default within 30 days after notice of the default, and failure to pay principal of or interest on the Bonds shall be an immediate event of default.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the Issuer to perform its duties under the Act and this Resolution;

(C) Bring suit upon the Series 2009 A Bonds;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of this Resolution or the rights of the Bondholders.

No remedy by the terms of this Resolution conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute. All rights and remedies of the Holders of the Series 2009 A Bonds shall be on a parity with one another and also on parity with those of the Holders of the First Lien Bonds and Series 2009 B Bonds, and senior and prior to those of the Holders of the Second Lien Bonds.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2009 A Bonds issued pursuant to this Resolution and interest thereon and under any covenants of this Resolution for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Resolution shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed

thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Series 2009 A Bonds issued pursuant to this Resolution. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Bondholders, and the curing and making good of any default under the provisions of this Resolution, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Notwithstanding any other provision of this Resolution, in determining whether the rights of Bondholders will be adversely affected by any action taken pursuant to the terms and provisions of this Resolution, any trustee or Bondholder's committee shall consider the effect on the Bondholders as if no Financial Guaranty Insurance Policy were then in effect.

Section 7.04. Restoration of Issuer and Bondholder. In case any Bondholder shall have proceeded to enforce any right under this Resolution by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Bondholder shall be restored to their former positions and rights hereunder, and all rights and remedies of such Bondholder shall continue as if no such proceedings had been taken.

ARTICLE VIII

REGISTRAR AND PAYING AGENT

Section 8.01. Appointment of Registrar. The Registrar for the Series 2009 A Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Registrar. The recitals of fact in the Series 2009 A Bonds shall be taken as statements of the Issuer, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2009 A Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2009 A Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Resolution and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Registrar May Act. Except as otherwise provided by Section 10.02, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Bonds, the first exchange of Bonds and the exchange of Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2009 A Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or effect or aid in any reorganization growing out of the enforcement of the Series 2009 A Bonds or this Resolution, whether or not any such committee shall represent the Holders of a majority in principal amount of the Series 2009 A Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Resolution by giving not less than 60 days' written notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Bondholder in the event all Series 2009 A Bonds are fully registered), specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer or by the Holders of a majority in principal amount of the Series 2009 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer or by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Series 2009 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Bondholders. The Issuer shall publish in an Authorized Newspaper (or mail to each Bondholder in the event all Series 2009 A Bonds are fully registered) notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Bondholders. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Resolution.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any monies, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2009 A Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Bonds so authenticated, and, in case any Series 2009 A Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent. The Bond Commission shall serve as the Paying Agent. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Resolution. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Bonds shall be and remain DTC-eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from monies available therefor.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Resolution. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Bondholders may make such appointment.

The Paying Agent shall enjoy the same protective provisions in the performance of its duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All monies received by the Paying Agent shall, until used or applied as provided in this Resolution, be held in trust for the purposes for which they were received.

ARTICLE IX

DEFEASANCE; DISCHARGE OF PLEDGE OF RESOLUTION

Section 9.01. Defeasance; Discharge of Pledge of Resolution. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Series 2009 A Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then this Resolution and the pledges of the Net Revenues and other monies and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Holders of the Series 2009 A Bonds made hereunder, shall thereupon cease, terminate and become void and be discharged and satisfied, except as may be necessary to assure the exclusion of interest on the Series 2009 A Bonds from gross income for federal income tax purposes.

The Series 2009 A Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on the Series 2009 A Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2009 A Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on the Series 2009 A Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of the Series 2009 A Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Series 2009 A Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on the Series 2009 A Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations, as such term is limited by the provisions in Section 1.01 hereof or such additional securities as shall be set forth in the Supplemental Resolution.

ARTICLE X

MISCELLANEOUS

Section 10.01. Amendment of Resolution. Prior to issuance of the Series 2009 A Bonds, this Resolution may be amended or supplemented in any way by the Supplemental Resolution. Following issuance of the Series 2009 A Bonds, this Resolution and any Supplemental Resolution may be amended or modified without the consent of any Bondholder or other person, so long as such amendment or modification is not materially adverse to any Bondholder, as determined by an opinion of Bond Counsel. No materially adverse amendment or modification to this Resolution, or of any Supplemental Resolution, may be made without the written consent of the Holders of 60% in aggregate principal amount of the Series 2009 A Bonds then Outstanding and affected thereby, which must be filed with the Issuer before any such modification or amendment may be made. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Series 2009 A Bonds without the express written consent of the Holder of each Series 2009 A Bond so affected, nor reduce the percentage of Series 2009 A Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Resolution may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Resolution if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Bondholder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-

president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Bonds held by a person executing any instrument as a Bondholder, the date of his holding such Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Bond shall bind all future Holders and owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Resolution shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Bondholder, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Resolution shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Bonds. All Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Bonds shall be deemed Outstanding under this Resolution and no Bonds shall be issued in lieu thereof. All such Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Bonds. Anything in this Resolution to the contrary notwithstanding, any monies held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Bonds which remain unclaimed for 1 year after the date on which such Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Bonds shall look only to the Issuer for the payment of such Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such monies remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such monies then unclaimed will be returned to the Issuer. If any of said Bonds is a coupon Bond, the Registrar or said Paying Agent shall also publish such notice, not less than 30 days prior to the date such monies will be returned to the Issuer, in an Authorized Newspaper.

Section 10.06. Notices, Demands and Requests. Unless otherwise expressly provided, all notices, demands and requests to be given or made hereunder to or

The Issuer also has outstanding its Sewer Capacity Improvement Fee Revenue Bonds, Series 2006 A, dated November 2, 2006, issued in the aggregate principal amount of $15,405,000 (the "CIF Bonds"). The CIF Bonds are repaid solely from and are secured solely by the Capacity Improvement Fees of the Issuer and the Surplus Revenues of the System (all as more clearly hereinafter defined and described) and are not payable from or secured by the Net Revenues of the System.

The Issuer is issuing the Sewer Revenue Bonds, Series 2009 B, dated July 30, 2009, issued in the original aggregate principal amount of $1,000,000 (the "Series 2009 B Bonds"), simultaneously herewith. (C) Extraordinary Mandatory Redemption. In the event the Internal Revenue Service shall issue a determination of taxability with respect to the Series 2009 A Bonds or the Internal Revenue Service shall serve notice on the holders of the Series 2009 A Bonds that any portion of the interest thereon either should have been, or must be, included in the gross income of the holders thereof for federal income tax purposes, then the Series 2009 A Bonds shall subject to Mandatory Redemption, at any time.

In the event of any redemption of less than all outstanding Bonds, Bonds shall be selected for redemption by lot or in such other manner deemed appropriate by the Paying Agent. If less than all the Bonds are to be redeemed, the Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Bond, unless waived, shall be given by the Paying Agent on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar. A copy of such notice of redemption shall also be mailed to the Registrar. Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Bond.

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Resolution) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the First Lien Bonds and Series 2009 B Bonds, and senior and prior to the pledge of Net Revenues in favor of the holders of the Second Lien Bonds, and from monies in the reserve account created under the Resolution for the Bonds (the "Series 2009 A Bonds Reserve Account") and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any of the provisions or limitations of the constitution, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the monies in the Series 2009 A Bonds Reserve Account and unexpended proceeds of the Bonds. Pursuant to the Resolution, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any fiscal year for principal of and interest, if any, on the Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or subordinate to the Bonds, including the First Lien Bonds, the Series 2009 B Bonds and the Second Lien Bonds.

All monies received from the sale of this Bond except for accrued interest thereon shall be applied solely to pay costs of acquisition and construction of certain additions, betterments and improvements to the System, and pay costs of issuance hereof,

and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Resolution.

This Bond is, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of the State.

This Bond shall not be entitled to any benefit under the Resolution, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Resolution and the statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

APPENDIX H

BOOK-ENTRY ONLY SYSTEM

The information in this section has been obtained from sources that the District and the Underwriter believe to be reliable, but neither the District nor the Underwriter take any responsibility for the accuracy thereof.

The Depository Trust Company

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for the Securities, in the aggregate principal amount of such issue, and will be deposited with DTC.

2. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner

entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or

registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to the District or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

10. The District may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.

11. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the accuracy thereof.

THE INFORMATION PROVIDED IMMEDIATELY ABOVE UNDER THIS APPENDIX HAS BEEN PROVIDED BY DTC. NO REPRESENTATION IS MADE BY THE DISTRICT OR THE UNDERWRITER AS TO THE ACCURACY OR ADEQUACY OF SUCH INFORMATION PROVIDED BY DTC OR AS TO THE ABSENCE OF MATERIAL ADVERSE CHANGES IN SUCH INFORMATION SUBSEQUENT TO THE DATE HEREOF.

For so long as the Bonds are registered in the name of DTC or its nominee, Cede & Co., the District and the Paying Agent will recognize only DTC or its nominee, Cede & Co., as the registered owner of the Bonds for all purposes, including payments, notices and voting.

Under the Resolution, payments made by the Paying Agent to DTC or its nominee shall satisfy the District's obligation under the Resolution to the extent of the payments so made.

Neither the District nor the Paying Agent shall have any responsibility or obligation to any DTC Participant or Indirect Participant with respect to:

(i) the accuracy of the records of DTC, its nominee or any DTC participant or indirect participant with respect to any beneficial ownership interest in any bonds;

(ii) the delivery to any DTC participant or indirect participant or any other person, other than the registered owner of a bond, as shown in the bond register, of any notice with respect to any bond, including, without limitation, any notice of redemption;

(iii) the selection by DTC or any DTC participant or indirect participant of any person to receive payment in the event of a partial redemption of bonds;

(iv) the payment to any DTC participant or indirect participant or any other person other than the registered owner of a bond, as shown in the bond register, of any amount with respect to the principal of, redemption price, or interest on, any bond; or

(v) any consent given by DTC as registered owner.

Prior to the discontinuation of the book-entry only system as described above, the District and the Paying Agent may treat DTC and any successor securities depository to be the absolute owner of the bonds for all purposes, including, without limitation:

(i) The payment of principal of redemption price or interest on the bonds;
(ii) giving notices of redemption and other matters with respect to the bonds;
(iii) registering transfers with respect to the bonds; and
(iv) the selection of bonds for redemption.

The Beneficial Owners of the Bonds have no right to a securities depository for the Bonds. DTC or any successor securities depository may resign as depository for the Bonds by giving notice to the Paying Agent and discharging its responsibilities under applicable law. In addition, the District may remove DTC or a successor securities depository for any reason at any time. In such event, the District shall (i) appoint a securities depository qualified to act as such under Section 17(a) of the Securities Exchange Act of 1934, notify the prior securities depository of the appointment of such successor depository and transfer separate bond certificates to such successor securities depository or (ii) notify the securities depository of the availability through the securities depository of bond certificates and transfer one or more separate bond certificates to Depository Participants having Bonds credited to their accounts at the securities depository. In such event, such Bonds shall no longer be restricted to being registered in the registration books of the District in the name of the securities depository or its nominee, but may be registered in the name of the successor securities depository or its nominee, or in whatever name or names the Depository Participants receiving such Bonds shall designate, in accordance with the provisions of the Resolution.

The book-entry system for registration of the ownership of the Bonds may be discontinued at any time if: (i) DTC determines to resign as securities depository for the Bonds; or (ii) the District determines that continuation of the system of book-entry transfers through DTC (or through a successor securities depository) is not in the best interests of the Beneficial Owners. In either such event (unless the District appoints a successor securities depository), Bonds will then be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the District or the Paying Agent for the accuracy of such designation. Whenever DTC requests the District or the Paying Agent to do so, the District or the Paying Agent shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 2009 A Bonds.

July 23, 2009

Berkeley County Public Service Sewer District
65 District Way
Martinsburg, WV 25401

Ladies and Gentlemen:

Crews & Associates, Inc. (the "Underwriter"), offers to enter into this Bond Purchase Agreement (the "Purchase Agreement") with the Berkeley County Public Service Sewer District (the "District"). This offer is made subject to acceptance and execution of this Purchase Agreement by the District prior to 11:59 p.m., local prevailing time on the date hereof, or until withdrawn by the Underwriter upon written notice to the District as permitted herein, whichever shall occur earlier. Upon such acceptance and approval, as evidenced by the signature of the Chairman of the District in the space provided below, this Purchase Agreement shall be in full force and effect in accordance with its terms and shall be binding upon the District and the Underwriter.

All capitalized terms used in this Purchase Agreement and not otherwise defined herein shall have the meanings set forth in the hereinafter described the Resolution.

1. The Berkeley County Public Service Sewer District Sewer Revenue Bonds, Series 2009 A (the "Bonds") are being issued, along with other available funds, to: (i) to permanently finance a portion of the cost of increasing the daily wastewater pre-treatment capacity at the ECOLAB facility from 50,000 gallons to 100,000 gallons by adding a second wastewater pre-treatment unit; constructing a 200,000 gallon flow equalization tank in front of the treatment plant; constructing a sludge box de-watering system; installing chemical feed lines and installing an enhanced control system that will use real time monitoring to assist in control and improve the treatment process (the "Project"); (ii) to fund the Series 2009 A Bonds Reserve Account; and (iii) pay certain costs of issuance of the Bonds and related costs.

The Bonds shall be as described in, and shall be issued and secured under and pursuant to the provisions of the Bond Resolution adopted by the Board of the District on

July 14, 2009 (the "Resolution") and as supplemented by a Supplemental Parameters Resolution on July 14, 2009 (collectively, the "Resolution"). The Bonds shall be secured by the net revenues collected by the District from the operation of its sewer system (the "System) and the Series 2009 A Bonds Reserve Account.

Upon the terms and conditions and upon the basis of the representations and warranties set forth in this Purchase Agreement, the Underwriter agrees to purchase from the District, and the District agrees to sell to the Underwriter, the Bonds, at an aggregate purchase price of $2,615,243.29 ($2,695,000 minus Underwriter's discount of $53,372.31 and an original issue discount of $26,384.40). The District will pay the underwriter an additional fee of $14,002.69 to be paid at the date of closing from the proceeds of the District's Sewer Revenue Bonds, Series 2009 B (West Virginia Infrastructure Council) (the "Series 2009 B Bonds").

The Bonds shall mature on the dates and in the amounts, and shall bear interest from their date (each an "Interest Payment Date"), until maturity or until the date fixed for redemption if the Bond is called for prior redemption and payment on such date is provided for, payable semiannually on March 1 and September 1 of each year, commencing March 1, 2010, as more fully described on Exhibit A-1 attached hereto and incorporated herein by reference.

The Underwriter agrees to make a bona fide public offering of the Bonds at the initial offering prices as set forth in the Official Statement (as hereinafter defined) and in Exhibit A-1, which prices may be changed from time to time by the Underwriter.

2. Concurrently with the acceptance of this Purchase Agreement by the District, the District shall deliver or cause to be delivered to the Underwriter three copies of the Official Statement relating to the Bonds, substantially in the form of the Preliminary Official Statement, dated July 20, 2009 (the "Preliminary Official Statement") and prior to delivery of the Bonds, seven copies of the Official Statement (the "Official Statement") dated the date of this Purchase Agreement, signed on behalf of the District by its Chairman as requested below.

3. The Official Statement has been approved for distribution by the Resolution. The District authorizes the use of copies of the Official Statement and the Resolution in connection with the public offering and sale of the Bonds.

On July 20, 2009, the District delivered to the Underwriter the Preliminary Official Statement and the Underwriter received a certificate from the District which deemed the Preliminary Official Statement "final' within the meaning of clause (b)(1) of Rule

15c2-12 ("Rule 15c2-12") under the Securities and Exchange Act of 1934 (17 C.F.R. § 240.15c2-12) and Rule G-32 and all other rules of the Municipal Securities Rulemaking Board. The District shall deliver or cause to be delivered to the Underwriter, after the acceptance by the District of this Purchase Agreement, and within the time required by Rule 15c2-12, an adequate number of copies of the Official Statement.

Unless otherwise notified in writing by the Underwriter on or prior to the date of Closing, the "End of the Underwriting Period" for the Bonds for all purposes of Rule 15c2-12 is the date of the Closing, as hereinafter defined. In the event such notice is given in writing by the Underwriter, the Underwriter agrees to notify the District in writing following the occurrence of the End of the Underwriting Period for the Bonds as defined in Rule 15c2-12.

The District covenants and agrees that if, after the date of this Purchase Agreement and until after the End of the Underwriting Period (as determined above), any event shall occur of which the District has actual knowledge as a result of which it is necessary to amend or supplement the Official Statement to make the Official Statement not misleading in any material respect in light of the circumstances then existing, or if it is necessary to amend or supplement the Official Statement to comply with law, to notify the Underwriter (and for the purposes hereof to provide the Underwriter with such information as they may from time to time reasonably request), and to cooperate in the preparation of a reasonable number of copies of either amendments or supplements to the Official Statement (in form and substance satisfactory to the Underwriter and its counsel) at the expense of the District so that the Official Statement as so amended and supplemented will not contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances existing at the time the Official Statement is delivered to a purchaser, not misleading in any material respect.

For the purposes of this paragraph and for only so long as required by this paragraph, the District will furnish such information with respect to itself as the Underwriter from time to time reasonably requests. The Underwriter hereby agrees that it will deposit or cause to be deposited with the Municipal Securities Rulemaking Board a copy of the Official Statement at or prior to the time contemplated by Rule 15c2-12.

The Underwriter acknowledges and agrees that any liability of the District that may arise from its representations and agreements made in this paragraph 3 shall be limited to the proceeds of the Bonds (provided that the foregoing shall not be deemed to prevent the Underwriter or the District from seeking to enforce such agreements).

4. At 10:00 a.m. prevailing time, on July 31, 2009, or such other dates as shall be agreed upon by the parties to this Purchase Agreement (the "Closing"), the District will deliver or cause to be delivered to the Underwriter, (a) the Bonds in the form of one certificate for each maturity fully registered in the name of CEDE & CO., as registered owner and nominee of The Depository Trust Company, New York, New York ("DTC"), duly executed by the District and authenticated by the Registrar, and (b) at such other place as we mutually agree upon, will deliver to the Underwriter the other documents required in this Purchase Agreement and by the Resolution. Upon such delivery of the Bonds, the Underwriter will accept such delivery and pay the purchase price therefor, plus any accrued interest thereon, in immediately available funds to the order of the Depository Bank, for the account of the District. Such delivery shall be made at DTC, with the payment and other requisite actions to be taken at the place designated by the parties to this Purchase Agreement. The Bonds shall be made available to the Underwriter at DTC at least forty-eight (48) hours before the Closing for the purpose of inspection and packaging; provided that if DTC Fast delivery is used, then the Bonds shall be made available to the Registrar by 4:00 p.m. on July 29, 2009. If the District does not have a Blanket DTC Letter of Representation (the "DTC Letter of Representations"), the District agrees to provide one to DTC.

5. The District represents and warrants to the Underwriter and agrees that:

(a) The District is a public service district and public corporation and political subdivision of the State of West Virginia in Berkeley County of said State. The Bonds are being issued pursuant to the Constitution and laws of the State of West Virginia (the "State"), specifically, Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (the "Act");

(b) The District shall have complied and will comply at each Closing in all respects with all applicable statutes and laws, including the Act;

(c) The District has full legal right, power and authority to acquire and construct the Project, issue bonds for purposes provided in the Resolution and to enter into this Purchase Agreement, to enact the Resolution and to issue, sell and deliver the Bonds to the Underwriter as provided herein and to carry out and consummate all other transactions contemplated by each of the aforesaid documents;

(d) The information contained in the Preliminary Official Statement dated July 20, 2009, and in the Official Statement, is and, as of the Closing Date (as hereinafter defined), will be true and does not contain and will not contain any untrue statement of a material fact and does not omit and will not omit to state a material fact necessary in order to

make the statements made, in light of the circumstances under which they were made, not misleading;

(e) At the time of the District's acceptance hereof and (unless an event occurs of the nature described in subparagraph (i)) at all times during the period from the date of this Purchase Agreement to and including the date which is twenty-five (25) days following the End of the Underwriting Period for the respective series of Bonds (as determined in accordance with subparagraph (i) hereof), the Official Statement does not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(f) If the Official Statement is supplemented or amended pursuant to subparagraph (i) at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such subparagraph) at all times during the period from the date of this Purchase Agreement to and including the date which is twenty-five (25) days following the End of the Underwriting Period for the respective series of Bonds (as determined in accordance with subparagraph (i) hereof), the Official Statement as so supplemented or amended, will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(g) If during the period from the date of this Purchase Agreement to and including the date which is twenty-five (25) days following the End of the Underwriting Period for the respective series of Bonds (as determined in accordance with subparagraph (k) hereof) any event shall occur which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the District shall notify the Underwriter of any such event of which it has knowledge and, if in the opinion of the Underwriter such event requires the preparation and publication of a supplement or amendment to the Official Statement, the District will prepare and furnish to the Underwriter (i) a reasonable number of copies of the supplement or amendment to the Official Statement in form and substance approved by the District and acceptable to the Underwriter, and (ii) if such notification shall be subsequent to the Closing, such legal opinion, certification, instruments and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of such supplement or amendment to the Official Statement;

(h) Prior to the District's acceptance hereof, the District delivered to the Underwriter copies of the Preliminary Official Statement which the District deemed final (for

purposes of Rule 15c2-12 under the Securities Exchange Act of 1934) as of the date thereof; provided, however, that in making the representation and warranty contained in this paragraph (h) the District shall not be deemed to have made any additional representation or warranty as to the Preliminary Official Statement other than the representation and warranty contained in paragraph (e);

(i) For purposes of this Purchase Agreement, the End of the Underwriting Period for the respective series of Bonds shall mean the earlier of (a) the day of the Closing unless the District has been notified in writing by the Underwriter, on or prior to the day of the Closing, that the End of the Underwriting Period for the respective series of Bonds for all purposes of Rule 15c2-12 of the Securities and Exchange Commission promulgated under the Securities Exchange Act of 1934 (the "Rule") will not occur on the day of the Closing, or (b) the date on which notice is given to the District by the Underwriter in accordance with the following sentence. In the event that the Underwriter has given notice to the District pursuant to clause (a) above that the End of the Underwriting Period for the respective series of Bonds will not occur on the day of the Closing, the Underwriter agrees to notify the District in writing as soon as practicable following the "end of the underwriting period" for the respective series of Bonds for all purposes of the Rule;

(j) At or prior to the Closing, the District shall have duly authorized, executed and delivered a written continuing disclosure undertaking (an "Undertaking") which complies with the provisions of Rule 15c2-12(b)(5) and which shall be substantially in the form described in the Preliminary Official Statement;

(k) The District has duly authorized all necessary action to be taken by it for: (1) the acquisition and construction of the Project; (2) the issuance and sale of the Bonds upon the terms set forth herein, in the Resolution and in the Official Statement; (3) the execution and delivery of the Resolution and the Undertaking; (4) the approval of the Official Statement and the execution, distribution and delivery of the Official Statement by the Chairman of the District; (5) the execution, delivery, receipt and due performance of this Purchase Agreement, the Bonds, the Undertaking, the Resolution and any and all such other agreements and documents as may be required to be executed, delivered and received by the District in order to carry out, give effect to and consummate the transactions contemplated hereby and by the Official Statement; and (6) the carrying out, giving effect to and consummation of the transactions contemplated hereby and by the Resolution and the Official Statement;

(l) When delivered to and paid for by the Underwriter in accordance with the terms of this Purchase Agreement, the Bonds will have been duly authorized, executed, authenticated, issued and delivered and will constitute valid and binding obligations of the

District payable solely from the Net Revenues of the System and moneys pledged therefor under the Resolution and will be entitled to the benefit of the Resolution. Neither the credit nor the taxing power of the District shall be deemed to be pledged to, nor shall a tax ever be levied for the payment of the principal of, premium, if any, or the interest on the Bonds;

(m) There is no action, suit, proceeding, inquiry or investigation at law or in equity or before or by any court, public board or body pending or, to our knowledge, threatened against or affecting the District (or, to our knowledge, any basis therefor) wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated hereby or by the Official Statement or the acquisition and construction of the Project or the validity of the Bonds, the Resolution, the Undertaking, this Purchase Agreement or any agreement or instrument to which you are a party and which is used or contemplated hereby or by the Official Statement or the validity of the Bonds, the Resolution, this Purchase Agreement or any agreement or instrument to which you are a party and which is used or contemplated for use in the consummation of the transactions contemplated hereby or by the Official Statement;

(n) The execution and delivery of the Official Statement, this Purchase Agreement, the Bonds, the Undertaking, the Resolution and the other agreements contemplated hereby and by the Official Statement, and compliance with the provisions thereof, will not conflict with or constitute on the District's part a breach of or a default under any existing law, court or administrative regulation, decree or order or any agreement, indenture, mortgage, lease or other instrument to which the District is subject or by which the District is or may be bound, and to our knowledge all consents, approvals, authorizations and orders of governmental or regulatory authorities which are required for the consummation of the transactions contemplated thereby have been obtained;

(o) The District has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the District is a bond issuer whose arbitrage certifications may not be relied upon;

(p) All financial statements of the District included as a part of the Preliminary Official Statement and the Official Statement (the "Financial Statements"), fairly present the financial condition of the District's System as of the respective dates and the results of its operations for the respective periods therein set forth and have been prepared when so indicated in accordance with generally accepted accounting principles consistently applied and since the respective most recent dates as of which information is given in the Preliminary Official Statement or the Official Statement, there has not been any material change in the long-term debt of the District or any material adverse change in the general affairs, management, financial position, or results of operations of the District's System and

no material transactions or obligations other than in the ordinary course of business have been entered into with respect to the System by the District, except as reflected in or contemplated by the Official Statement; and

(q) Any certificate signed by the Chairman of the District or any of the District's authorized officers and delivered to the Underwriter shall be deemed a representation and warranty by the District to the Underwriter as to the statements made therein. It is understood that the representations, warranties and covenants by the District contained in this Section 5 and elsewhere in this Purchase Agreement shall not create any general obligation or liability of the District, and that any obligation or liability of the District hereunder or under the Resolution will be payable solely out of the Net Revenues and other income, charges and moneys derived by the District from, or in connection with the System, nor shall any member, official or employee of the District be personally liable therefor.

6. The Underwriter has entered into this Purchase Agreement in reliance upon the representations and agreements of the District made herein. The Underwriter's obligations under this Purchase Agreement are and shall be subject to the following further conditions:

(a) At or prior to the time of the Closing, the Resolution and the Undertaking, as approved by the Underwriter or its counsel, shall have been approved by the appropriate parties, shall have been duly executed, acknowledged, sealed and delivered, shall be in full force and effect and shall not have been amended, modified or supplemented, except as therein permitted or as may have been agreed to in writing by the Underwriter;

(b) The District shall simultaneous to the issuance of the Bonds issue the Series 2009 B Bonds;

(c) The Underwriter shall have the right to cancel its obligations hereunder to purchase the Bonds (such cancellation shall not constitute a default hereunder) by notifying the District in writing of their election to do so between the date hereof and each Closing Date, if at any time hereafter and prior to each Closing Date:

(i) Any legislation, rule or regulation shall be introduced in, or enacted by, the United States House of Representatives or the United States Senate or any committee thereof, or a decision by a court established under Article III of the Constitution of the United States of America, or the Tax Court of the United States, shall be rendered, or a ruling, regulation or order of the Treasury Department of the United States or the Internal Revenue Service shall be made or proposed, which, in the Underwriter's reasonable opinion, materially adversely affects the market price of the Bonds;

(ii) Any legislation, ordinance, rule or regulation shall be introduced in or enacted by any governmental body, department or agency of the State of West Virginia or political subdivision thereof, or a decision by any court of competent jurisdiction within the State of West Virginia shall have been rendered which, in the Underwriter's reasonable opinion, materially adversely affects the market price of the Bonds;

(v) A general banking moratorium shall have been established by Federal, New York State or West Virginia authorities;

(vi) In the reasonable opinion of the Underwriter, the market price of the Bonds, or the market price generally of obligations of the general character of the Bonds, has been adversely affected because (1) additional material restrictions not in force as of the date hereof shall have been imposed upon trading in securities generally by any governmental authority or by any national securities exchange, (2) the New York Stock Exchange, other national securities exchange or any governmental authority shall have imposed as to the Bonds or similar obligations any material restrictions not now in force, or increased materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of, the Underwriter, or (3) war or any outbreak of hostilities or other national or international calamity or crisis shall have occurred or any armed conflict shall have occurred or escalated to such a magnitude as in the reasonable opinion of the

(iii) An opinion, dated the date of Closing and addressed to the Underwriter, of William F. Rohrbaugh, counsel for the District, to the effect that (i) the District has complied with all requirements of the Act that must be satisfied upon and subsequent to issuance of the Bonds, (ii) any requirement as to legal matters as the

Underwriter shall reasonably require, (iii) no litigation is pending, or to their knowledge, threatened in any court in any way affecting the existence of the District or the titles of its officers to their respective offices, or seeking to restrain or to enjoin the issuance or delivery of the Bonds, or the collection of revenues and assets of the District pledged or to be pledged to pay the principal of and interest on the Bonds, or the pledge thereof, or in any way contesting or affecting the validity or enforceability of the Bonds, the Resolution or this Purchase Contract, or contesting the powers of the State with respect to the Bonds, the Resolution or this Purchase Contract or any transaction described in or contemplated by the Official Statement, (iv) that the Official Statement, as amended or supplemented to the date of Closing (except as aforesaid) contains no untrue statement regarding the District of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein regarding the District, in light of the circumstances under which they were made, not misleading, and (v) the statements contained in the Official Statement under the caption "The Project," The District and the System," "Financing Plan" and "Appendix B—The District and the System," insofar as such statements contained under such caption purport to summarize certain matters set forth therein and certain provisions of the Resolution, are complete and accurate and present a fair summary of the matters referred to therein;

(iv) Two counterpart originals of a transcript of all proceedings relating to the authorization and issuance of the Bonds;

Ladies and Gentlemen:

This letter sets forth our understanding with respect to all issues (the "Securities") that Issuer shall request be made eligible for deposit by The Depository Trust Company ("DTC").

To induce DTC to accept the Securities as eligible for deposit at DTC, and to act in accordance with DTC's Rules with respect to the Securities, Issuer represents to DTC that Issuer will comply with the requirements stated in DTC's Operational Arrangements, as they may be amended from time to time.

Note:

Schedule A contains statements that DTC believes accurately describe DTC, the method of effecting book-entry transfers of securities distributed through DTC, and certain related matters.

SAMPLE OFFERING DOCUMENT LANGUAGE DESCRIBING BOOK-ENTRY-ONLY ISSUANCE

(Prepared by DTC—bracketed material may be applicable only to certain issues)

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue,and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds $500 million, one certificate will be issued with respect to each $500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2.2 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Fixed Income Clearing Corporation and Emerging Markets Clearing Corporation (NSCC, FICC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at **www.dtcc.com** and **www.dtc.org**.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner")is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity

of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. [Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.]

[6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.]

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

[9. A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to [Tender/Remarketing] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Securities to [Tender/Remarketing] Agent's DTC account.]

10. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

11. Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.

12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.

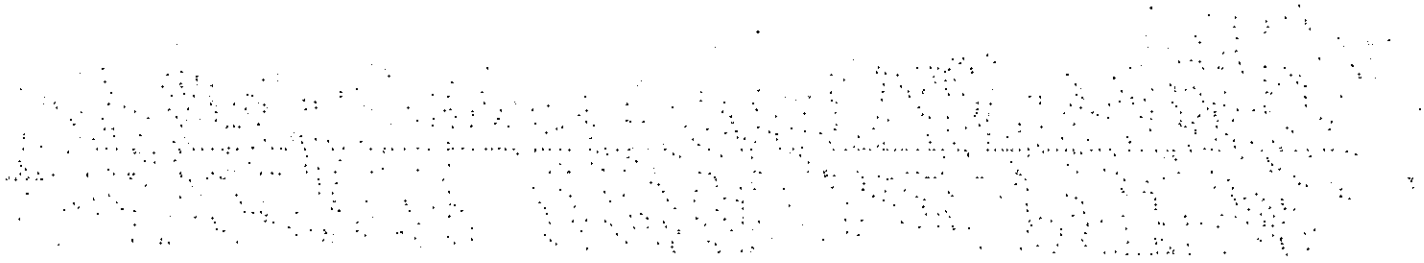
§ 16–13A–1. Legislative findings

The Legislature of the state of West Virginia hereby determines and finds that the present system of public service districts within the state has provided a valuable service at a reasonable cost to persons who would otherwise have been



unable to obtain public utility services. To further this effort, and to insure that all areas of the state are benefiting from the availability of public service district utility services and to further correct areas with health hazards, the Legislature concludes that it is in the best interest of the public to implement better management of public service district resources by expanding the ability and the authority of the public service commission to assist public service districts by offering advice and assistance in operational, financial and regulatory affairs.

In addition to the expanded powers which shall be given to the public service commission, the Legislature also concludes that it is in the best interest of the public for each county commission to review current technology available and consider consolidating existing public service districts where it is feasible and will not result in the interference with existing bond instruments. Further, if such consolidation is not feasible, the Legislature finds that it is in the best interest of the public for each county commission to review current technology available and consider consolidating or centralizing the management of public service districts within its county or multi-county area to achieve efficiency of operations. The Legislature also finds that additional guidelines should be imposed on the creation of new public service districts and that county commissions shall dissolve inactive public service districts as hereinafter provided. The Legislature also finds that the public service commission shall promulgate rules and regulations to effectuate the expanded powers given to the commission relating to public service districts.

1. Validity

Title of act authorizing creation of public service districts in connection with acquisition, construction, maintenance, operation, improvement and extension of properties supplying water and sewerage services, clearly defines object and purposes of act and powers of governing board, and is sufficient to meet constitutional requirements. Acts 1953, c. 147; Const. art. 6,

§ 30. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Statutes ⇐ 123(3); Statutes ⇐ 123(5)

Statute authorizing creation of public service districts violates no provision of State Constitution, nor is it violative of Fourteenth Amendment to United States Constitution. Act 1953, c. 147; U.S.C.A.Const. Amend. 14. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Constitutional Law ⇐ 4056; Municipal Corporations ⇐ 4

In statute authorizing creation of public service districts, provision for delinquent fixed rates and charges for services rendered to be lien on premises served was not unconstitutional as depriving owners of property without due process of law or as violating Fourteenth Amendment of United States Constitution or applicable provisions of State Constitution. Acts 1953, c. 147, § 1 et seq.; Const. art. 3, §§ 9, 10; U.S.C.A.Const. Amend. 14. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Constitutional Law ⇐ 4416; Municipal Corporations ⇐ 408(1)

Statute authorizing creation of public service districts does not, in so far as it requires County Court to define territory to be included in public service district and appoint a board to govern same in first instance, involve unconstitutional delegation of judicial functions to the County Court, Acts 1953, c. 147; Const. art. 8, § 24. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Constitutional Law ⇐ 2355; Municipal Corporations ⇐ 4

2. In general

A public service district may be created for the purpose of furnishing water or sewer services, or both water and sewer services. Code, 16–13A–1. Canyon Public Service Dist. v. Tasa Coal Co., 1973, 195 S.E.2d 647, 156 W.Va. 606. Municipal Corporations ⇐ 5

Creation and operation of water or sanitary districts or authorities by issuance of revenue bonds payable from revenues are authorized. Code, 16–13A–1 et seq. State ex rel. Appalachian Power Co. v. Gainer, 1965, 143 S.E.2d 351, 149 W.Va. 740. Health ⇐ 369; Waters And Water Courses ⇐ 183.5

A county court may use Federal Revenue Sharing Funds for ordinary and necessary maintenance and operating expenses for sewage disposal, sanitation, and pollution abatement, and ordinary and necessary capital expenditures authorized by law but may not use such funds for matching purposes under any other federal-aid program. 55 W.Va. Op.Atty.Gen. 116 (June 27, 1973) 1973 WL 159152.

3. Construction and application

A public service district is a public corporation and does not come within constitutional provision which in substance provides that all corporations shall be created by general laws and which is applicable to private corporations. Acts 1953, c. 147, § 1 et seq.; Const. art. 11, § 1. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Statutes ⇐ 80(3)

4. Eminent domain powers

Where notice, hearing and order with respect to creation of public service district considered only the question of furnishing water, such district was created only for the purposes of furnishing water services, and had no power to condemn real estate for sewerage facilities. Code, 16-13A–1, 16–13A–2. Canyon Public Service Dist. v. Tasa Coal Co., 1973, 195 S.E.2d 647, 156 W.Va. 606. Eminent Domain ⇐ 32

Condemnation by public service district is not a taking of private property for private use in violation of applicable constitutional provision. Const. art. 3, § 9. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Eminent Domain ⇐ 13

5. Property of public service district

Property of public service district is public property used for public purposes, and, under constitutional provision that public property shall be exempt from taxation, statute authorizing creation of public service districts and granting tax exemption was not violative of constitutional provision requiring that taxation be equal and uniform throughout state. Acts 1953, c. 147, § 1 et seq.; Const. art. 10, § 1. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Taxation ⇐ 2289

6. Rates and charges for service

Relief under Federal Securities Act of 1933 was not adequate or sufficient remedy for relief sought by corporations holding sewer revenue bonds of public service district in mandamus proceeding to compel district to establish and collect rates for services rendered by district sufficient to provide for all operational and maintenance expenses, to pay, when due, principal and interest of revenue bonds issued by district, and to file tariff reflecting such charges with Public Service Commission, and any relief afforded under provisions of federal statute could not supersede relief which could be granted in mandamus proceeding. Securities Act of 1933, § 1 et seq., 15 U.S.C.A. § 77a et seq.; Code, 16–13A–1 et seq. State ex rel. Allstate Ins. Co. v. Union Public Service Dist., 1966, 151 S.E.2d 102, 151 W.Va. 207. Mandamus ⇐ 3(8)

Corporations holding sewer revenue bonds of public service district, a public corporation and political subdivision of state, had right by mandamus to enforce and compel district and members of the Public Service Board to establish, charge and collect rates for services rendered by district sufficient to provide for all operation-

al and maintenance expenses, to pay, when due, principal and interest of revenue bonds issued by district, and to file tariffs reflecting such charges with Public Service Commission. Code, 16–13A–1 et seq., 16–13A–9, 16–13A–10, 16–13A–13, 16–13A–17. State ex rel. Allstate Ins. Co. v. Union Public Service Dist., 1966, 151 S.E.2d 102, 151 W.Va. 207. Mandamus ⇐ 110

It was ministerial duty of chairman of public service board of public service district to sign revenue bonds and to assist in effectuating their issuance, and in view of constitutionality of statute authorizing creation of the public service board, relator's showing of legal right to require performance of such duty, was sufficient and writ of mandamus would issue. Acts 1953, c. 147. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Mandamus ⇐ 103

7. Creation and enforcement of liens

Public service district's failure to docket notice of lien prior to date purchaser recorded deed of trust prevented district from enforcing sewer lien against purchaser. Code, 16–13A–9, 38–10C–1. McClung Investments, Inc. v. Green Valley Community Public Service Dist., 1997, 485 S.E.2d 434, 199 W.Va. 490. Municipal Corporations ⇐ 712(7)

Public service district liens must be docketed to be enforceable against purchaser of property for valuable consideration, without notice. Code, 16–13A–9, 38–10C–1. McClung Investments, Inc. v. Green Valley Community Public Service Dist., 1997, 485 S.E.2d 434, 199 W.Va. 490. Gas ⇐ 14.6; Municipal Corporations ⇐ 712(7); Waters And Water Courses ⇐ 203(14)

Statute authorizing creation of public service districts confers upon public service board authority to create mortgage lien on the property of public service district, and action of legislature conferring such authority was within the legislature's power. Acts 1953, c. 147; Const. art. 10, § 8. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Municipal Corporations ⇐ 222; Municipal Corporations ⇐ 225(1)

8. Admissibility of evidence

Extrinsic evidence relating to background and negotiations with regard to forming a public service district were not admissible in regard to construction of a contract for furnishing of water, where contract language was clear and unambiguous that district was to furnish water as customer should require. Berkeley County Public Service Dist. v. Vitro Corp. of America, 1968, 162 S.E.2d 189, 152 W.Va. 252. Evidence ⇐ 448

9. Costs

Costs of proceeding whereby constitutionality of statute authorizing creation of public service districts was tested would not be taxed against defendant who was chairman of public service board and who, honestly and in good faith, though mistakenly, endeavored to perform his duty in refusing to sign revenue bonds, and each litigant would pay his own costs. Acts 1953, c. 147. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Mandamus ⇐ 190

§ 16–13A–1a. Jurisdiction of the public service commission

The jurisdiction of the public service commission relating to public service districts shall be expanded to include the following powers and such powers shall be in addition to all other powers of the public service commission set forth in this code:

(a) To study, modify, approve, deny or amend the plans created under section one-b of this article for consolidation or merger of public service districts and their facilities, personnel or administration;

(b) To petition the appropriate circuit court for the removal of a public service district board member or members; and

(c) To create by general order a separate division within the public service commission to provide assistance to public service districts in technological, operational, financial and regulatory matters.

Notes of Decisions

In general 1

1. In general

Statute clearly and unambiguously gives Public Service Commission (PSC) power to reduce or increase utility rates whenever it finds that existing rate is unjust, unreasonable, insufficient, or unjustly discriminatory or otherwise in violation of any provision of legislation governing Commission. Code, 24–1–1 et seq., 24–2–3. State ex rel. Water Development Authority v. Northern Wayne County Public Service Dist., 1995, 464 S.E.2d 777, 195 W.Va. 135. Public Utilities ⇐ 123

Legislature sought to establish in Public Service Commission (PSC) governmental entity which would protect public from unfair rates and practices by public utilities and also ensure that public utilities are given competitive return for their stockholders. § 16–13A–1b. County commissions to develop plan to create, consolidate, merge, expand or dissolve public service districts

Each county commission shall conduct a study of all public service districts which have their principal offices within its county and shall develop a plan relating to the creation, consolidation, merger, expansion or dissolution of such districts or the consolidation or merger of management and administrative services and personnel and shall present such plan to the public service commission for approval, disapproval, or modification: Provided, That within ninety days of the effective date of this section each county commission in this state shall elect either to perform its own study or request that the public service commission perform such study. Each county commission electing to perform its own study has one year from the date of election to present such plan to the public service commission. For each county wherein the county commission elects not to perform its own study, the public service commission shall conduct a study of such county. The public service commission shall establish a schedule for such studies upon a priority basis, with those counties perceived to have the greatest need of creation or consolidation of public service districts receiving the highest priority. In establishing the priority schedule, and in the performance of each study, the bureau of public health and the division of environmental protection shall offer their assistance and cooperation to the public service commission. Upon completion by the public service commission of each study, it shall be submitted to the appropriate county commission for review and comment. Each county commission has six months in which to review the study conducted by the public service commission, suggest changes or modifications thereof, and present such plan to the public service commission. All county plans, whether conducted by the county commission itself or submitted as a result of a public service commission study, shall, by order, be approved, disapproved or modified by the public service commission in accordance with rules promulgated by the public service commission and such order shall be implemented by the county commission.

Any territory may be included regardless of whether or not the territory includes one or more cities, incorporated towns or other municipal corporations which own and operate any public service properties and regardless of whether or not it includes one or more cities, incorporated towns or other municipal corporations being served by privately owned public service properties: *Provided, however,* That the same territory shall not be included within the boundaries of more than one public service district except where the territory or part thereof is included within the boundaries of a separate public service district organized to supply water, sewerage services, stormwater services or gas facilities not being furnished within such territory or part thereof: *Provided further,* That no city, incorporated town or other municipal corporation shall be included within the boundaries of the proposed district

except upon the adoption of a resolution of the governing body of the city, incorporated town or other municipal corporation consenting.

(b) The petition shall be filed in the office of the clerk of the county commission of the county in which the territory to constitute the proposed district is situated, and if the territory is situated in more than one county, then the petition shall be filed in the office of the clerk of the county commission of the county in which the major portion of the territory extends, and a copy thereof (omitting signatures) shall be filed with each of the clerks of the county commission of the other county or counties into which the territory extends. The clerk of the county commission receiving such petition shall present it to the county commission of the county at the first regular meeting after the filing or at a special meeting called for the consideration thereof.

(c) When the county commission of any county enters an order on its own motion proposing the creation, enlargement, reduction, merger, dissolution or consolidation of a public service district, as aforesaid, or when a petition for the creation is presented, as aforesaid, the county commission shall at the same session fix a date of hearing in the county on the creation, enlargement, reduction, merger, dissolution or consolidation of the proposed public service district, which date so fixed shall be not more than forty days nor less than twenty days from the date of the action. Within ten days of fixing the date of hearing, the county commission shall provide the Executive Secretary of the Public Service Commission with a copy of the order or petition and notification of the time and place of the hearing to be held by the county commission. If the territory proposed to be included is situated in more than one county, the county commission, when fixing a date of hearing, shall provide for notifying the county commission and clerk thereof of each of the other counties into which the territory extends of the date so fixed. The clerk of the county commission of each county in which any territory in the proposed public service district is located shall cause notice of the hearing and the time and place thereof, and setting forth a description of all of the territory proposed to be included therein to be given by publication as a Class I legal advertisement in compliance with the provisions of article three, chapter fifty-nine of this code, and the publication area for the publication shall be by publication in each city, incorporated town or municipal corporation if available in each county in which any territory in the proposed public service district is located. The publication shall be at least ten days prior to the hearing.

(d) In all cases where proceedings for the creation, enlargement, reduction, merger, dissolution or consolidation of the public service districts are initiated by petition as aforesaid, the person filing the petition shall advance or satisfactorily indemnify the payment of the cost and expenses of publishing the hearing notice, and otherwise the costs and expenses of the notice shall be paid in the first instance by the county commission out of contingent funds or any other funds available or made available for that purpose. In addition to the notice required herein to be published, there shall also be posted in at least five conspicuous places in the proposed public service district, a notice containing

the same information as is contained in the published notice. The posted notices shall be posted not less than ten days before the hearing.

(e) All persons residing in or owning or having any interest in property in the proposed public service district shall have an opportunity to be heard for and against its creation, enlargement, reduction, merger, dissolution or consolidation. At the hearing the county commission before which the hearing is conducted shall consider and determine the feasibility of the creation, enlargement, reduction, merger, dissolution or consolidation of the proposed district. If the county commission determines that the construction or acquisition by purchase or otherwise and maintenance, operation, improvement and extension of public service properties by the public service district will be conducive to the preservation of public health, comfort and convenience of such area, the county commission shall by order create, enlarge, reduce, merge, dissolve or consolidate such public service district. If the county commission, after due consideration, determines that the proposed district will not be conducive to the preservation of public health, comfort or convenience of the area or that the creation, enlargement, reduction, merger, dissolution or consolidation of the proposed district as set forth and described in the petition or order is not feasible, it may refuse to enter an order creating the district or it may enter an order amending the description of the proposed district and create, enlarge, reduce, merge, dissolve or consolidate the district as amended.

(f) If the county commission determines that any other public service district or districts can adequately serve the area of the proposed public service district, whether by enlargement, reduction, merger, dissolution or consolidation, it shall refuse to enter the order, but shall enter an order creating, enlarging, reducing, merging, dissolving or consolidating the area with an existing public service district, in accordance with rules adopted by the Public Service Commission for such purpose: *Provided*, That no enlargement of a public service district may occur if the present or proposed physical facilities of the public service district are determined by the appropriate county commission or the Public Service Commission to be inadequate to provide such enlarged service. The clerk of the county commission of each county into which any part of such district extends shall retain in his office an authentic copy of the order creating, enlarging, reducing, merging, dissolving or consolidating the district: *Provided, however*, That within ten days after the entry of an order creating, enlarging, reducing, merging, dissolving or consolidating a district, such order must be filed for review and approval by the Public Service Commission. The Public Service Commission may provide a hearing in the affected county on the matter and may approve, reject or modify the order of the county commission if it finds it is in the best interests of the public to do so. The Public Service Commission shall adopt rules relating to such filings and the approval, disapproval or modification of county commission orders for creating, enlarging, merging, dissolving or consolidating districts. The provisions of this section shall not apply to the implementation by a county commission of an order issued by the Public Service Commission pursuant to this section and section one-b, of this article.

(g) The county commission may, if in its discretion it deems it necessary, feasible and proper, enlarge the district to include additional areas, reduce the area of the district, where facilities, equipment, service or materials have not been extended, or dissolve the district if inactive or create or consolidate two or more such districts. If consolidation of districts is not feasible, the county commission may consolidate and centralize management and administration of districts within its county or multi-county area to achieve efficiency of operations: *Provided,* That where the county commission determines on its own motion by order entered of record, or there is a petition to enlarge the district, merge and consolidate districts, or the management and administration thereof, reduce the area of the district or dissolve the district if inactive, all of the applicable provisions of this article providing for hearing, notice of hearing and approval by the Public Service Commission shall apply. The Commission shall at all times attempt to bring about the enlargement or merger of existing public service districts in order to provide increased services and to eliminate the need for creation of new public service districts in those areas which are not currently serviced by a public service district: *Provided, however,* That where two or more public service districts are consolidated pursuant to this section, any rate differentials may continue for the period of bonded indebtedness incurred prior to consolidation. The districts may not enter into any agreement, contract or covenant that infringes upon, impairs, abridges or usurps the duties, rights or powers of the county commission, as set forth in this article, or conflicts with any provision of this article.

(h) A list of all districts and their current board members shall be filed by the county commission with the Secretary of State and the Public Service Commission by the first day of July of each year.

Validity 1

1. Validity

Title of act authorizing creation of public service districts in connection with acquisition, construction, maintenance, operation, improvement and extension of properties supplying water and sewerage services, clearly defines object and purposes of act and powers of governing board, and is sufficient to meet constitutional requirements. Acts 1953, c. 147; Const. art. 6, § 30. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Statutes ⇐ 123(3); Statutes ⇐ 123(5)

Statute authorizing creation of public service districts does not, in so far as it requires County Court to define territory to be included in public service district and appoint a board to govern same in first instance, involve unconstitutional delegation of judicial functions to the County Court, Acts 1953, c. 147; Const. art. 8, § 24.

State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Constitutional Law ⇐ 2355; Municipal Corporations ⇐ 4

2. Creation of public service districts

Where notice, hearing and order with respect to creation of public service district considered only the question of furnishing water, such district was created only for the purposes of furnishing water services, and had no power to condemn real estate for sewerage facilities. Code, 16-13A–1, 16–13A–2. Canyon Public Service Dist. v. Tasa Coal Co., 1973, 195 S.E.2d 647, 156 W.Va. 606. Eminent Domain ⇐ 32

Where public service district was created for purpose of furnishing water services, county court had authority to add sewerage services to the facilities of the district under appropriate proceedings. Code, 16–13A–2. Canyon Public Service Dist. v. Tasa Coal Co., 1973, 195 S.E.2d 647, 156 W.Va. 606. Municipal Corporations ⇐ 270

Statute authorizing creation of public service districts confers upon public service board authority to create mortgage lien on the property of public service district, and action of legislature conferring such authority was within the legislature's power. Acts 1953, c. 147; Const. art. 10, § 8. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Municipal Corporations ⇐ 222; Municipal Corporations ⇐ 225(1)

3. District boundaries

Public service district statute that allowed county commission to designate district's boundaries did not also empower commission to make service territories exclusive, displacing Public Service Commission's (PSC) authority to determine service rights. Code, 16–13A–2. Berkeley County Public Service Sewer Dist. v. West Virginia Public Service Com'n, 1998, 512 S.E.2d 201, 204 W.Va. 279. Counties ⇐ 47

4. Notice of hearing

Provisions of statute, with respect to creation of public service districts, which relate to the filing of the petition or motion of the county court, the description of the territory to be embraced, and like provisions are mandatory; but, despite use of the word "shall," the requirements for posting and publication of notice and the time of setting the hearing are directory and require only substantial compliance. Code, 16–13A–2. Canyon Public Service Dist. v. Tasa Coal Co., 1973, 195 S.E.2d 647, 156 W.Va. 606. Municipal Corporations ⇐ 12(3); Municipal Corporations ⇐ 12(6)

Though record with respect to creation of public service district was silent with respect to posting of notice of hearing and as to whether hearing was not more than 40 nor less than 20 days after his fixing the date for hearing as provided by statute, there was substantial compliance with statute where hearing was set some time prior to the date of the hearing, there was publication of notice more than ten days prior to the date of the hearing as required, and there were no objections either before, during or after the hearing to the creation of the district or to the procedures employed in its creation. Code, 16–13A–2. Canyon Public Service Dist. v. Tasa Coal Co., 1973, 195 S.E.2d 647, 156 W.Va. 606. Municipal Corporations ⇐ 12(6)

5. Number of voters within district

Public service district was not void because there were not 100 legal voters owning property within the district. Code, 16–13A–2. Canyon Public Service Dist. v. Tasa Coal Co., 1973, 195 S.E.2d 647, 156 W.Va. 606. Municipal Corporations ⇐ 6

6. Costs

Costs of proceeding whereby constitutionality of statute authorizing creation of public service districts was tested would not be taxed against defendant who was chairman of public service board and who, honestly and in good faith, though mistakenly, endeavored to perform his duty in refusing to sign revenue bonds, and each litigant would pay his own costs. Acts 1953, c. 147. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Mandamus ⇐ 190

7. Referendum

A public service district, once created by county court, not subject to referendum on issue to continue or be abolished. 52 W.Va. Op.Atty. Gen. 33 (August 11, 1966) 1966 WL 87428.

§ 16–13A–3. District to be a public corporation and political subdivision; powers thereof; public service boards

From and after the date of the adoption of the order creating any public service district, it is a public corporation and political subdivision of the state, but without any power to levy or collect ad valorem taxes. Each district may acquire, own and hold property, both real and personal, in its corporate name, and may sue, may be sued, may adopt an official seal and may enter into

contracts necessary or incidental to its purposes, including contracts with any city, incorporated town or other municipal corporation located within or without its boundaries for furnishing wholesale supply of water for the distribution system of the city, town or other municipal corporation, or for furnishing stormwater services for the city, town or other municipal corporation, and contract for the operation, maintenance, servicing, repair and extension of any properties owned by it or for the operation and improvement or extension by the district of all or any part of the existing municipally owned public service properties of any city, incorporated town or other municipal corporation included within the district: Provided, That no contract shall extend beyond a maximum of forty years, but provisions may be included therein for a renewal or successive renewals thereof and shall conform to and comply with the rights of the holders of any outstanding bonds issued by the municipalities for the public service properties.

The powers of each public service district shall be vested in and exercised by a public service board consisting of not less than three members, who shall be persons residing within the district, who possess certain educational, business or work experience which will be conducive to operating a public service district. Each board member shall, within six months of taking office, successfully complete the training program to be established and administered by the public service commission in conjunction with the division of environmental protection and the bureau of public health. Board members shall not be or become pecuniarily interested, directly or indirectly, in the proceeds of any contract or service, or in furnishing any supplies or materials to the district nor shall a former board member be hired by the district in any capacity within a minimum of twelve months after board member's term has expired or such board member has resigned from the district board. The members shall be appointed in the following manner:

Each city, incorporated town or other municipal corporation having a population of more than three thousand but less than eighteen thousand is entitled to appoint one member of the board, and each city, incorporated town or other municipal corporation having a population in excess of eighteen thousand shall be entitled to appoint one additional member of the board for each additional eighteen thousand population. The members of the board representing such cities, incorporated towns or other municipal corporations shall be residents thereof and shall be appointed by a resolution of the governing bodies thereof and upon the filing of a certified copy or copies of the resolution or resolutions in the office of the clerk of the county commission which entered the order creating the district, the persons so appointed become members of the board without any further act or proceedings. If the number of members of the board so appointed by the governing bodies of cities, incorporated towns or other municipal corporations included in the district equals or exceeds three, then no further members shall be appointed to the board and the members so appointed are the board of the district except in cases of merger or consolidation where the number of board members may equal five.

If no city, incorporated town or other municipal corporation having a population of more than three thousand is included within the district, then the county commission which entered the order creating the district shall appoint three members of the board, who are persons residing within the district and residing within the state of West Virginia, which three members become members of the board of the district without any further act or proceedings except in cases of merger or consolidation where the number of board members may equal five.

If the number of members of the board appointed by the governing bodies of cities, incorporated towns or other municipal corporations included within the district is less than three, then the county commission which entered the order creating the district shall appoint such additional member or members of the board, who are persons residing within the district, as is necessary to make the number of members of the board equal three except in cases of merger or consolidation where the number of board members may equal five, and the member or members appointed by the governing bodies of the cities, incorporated towns or other municipal corporations included within the district and the additional member or members appointed by the county commission as aforesaid, are the board of the district. A person may serve as a member of the board in one or more public service districts.

The population of any city, incorporated town or other municipal corporation, for the purpose of determining the number of members of the board, if any, to be appointed by the governing body or bodies thereof, is the population stated for such city, incorporated town or other municipal corporation in the last official federal census.

Notwithstanding any provision of this code to the contrary, whenever a district is consolidated or merged pursuant to section two of this article, the terms of office of the existing board members shall end on the effective date of the merger or consolidation. The county commission shall appoint a new board according to rules promulgated by the public service commission. Whenever districts are consolidated or merged no provision of this code prohibits the expansion of membership on the new board to five.

The respective terms of office of the members of the first board shall be fixed by the county commission and shall be as equally divided as may be, that is approximately one third of the members for a term of two years, a like number for a term of four years, the term of the remaining member or members for six years, from the first day of the month during which the appointments are made. The first members of the board appointed as aforesaid shall meet at the office of the clerk of the county commission which entered the order creating the district as soon as practicable after the appointments and shall qualify by taking an oath of office: Provided, That any member or members of the board may be removed from their respective office as provided in section three-a of this article.

Any vacancy shall be filled for the unexpired term within thirty days, otherwise successor members of the board shall be appointed for terms of six

years and the terms of office shall continue until successors have been appointed and qualified. All successor members shall be appointed in the same manner as the member succeeded was appointed. The district shall provide to the public service commission, within thirty days of the appointment, the following information: The new board member's name, home address, home and office phone numbers, date of appointment, length of term, who the new member replaces and if the new appointee has previously served on the board. The public service commission shall notify each new board member of the legal obligation to attend training as prescribed in this section.

The board shall organize within thirty days following the first appointments and annually thereafter at its first meeting after the first day of January of each year by selecting one of its members to serve as chair and by appointing a secretary and a treasurer who need not be members of the board. The secretary shall keep a record of all proceedings of the board which shall be available for inspection as other public records. Duplicate records shall be filed with the county commission and shall include the minutes of all board meetings. The treasurer is lawful custodian of all funds of the public service district and shall pay same out on orders authorized or approved by the board. The secretary and treasurer shall perform other duties appertaining to the affairs of the district and shall receive salaries as shall be prescribed by the board. The treasurer shall furnish bond in an amount to be fixed by the board for the use and benefit of the district.

The members of the board, and the chair, secretary and treasurer thereof, shall make available to the county commission, at all times, all of its books and records pertaining to the district's operation, finances and affairs, for inspection and audit. The board shall meet at least monthly.

(f) The members of the board are not personally liable or responsible for any obligations of the district or the board, but are answerable only for willful

misconduct in the performance of their duties. The county commission which created a district or county commissions if more than one created the district may, upon written request of the district, adopt an order changing the official name of a public service district: *Provided,* That such name change will not be effective until approved by the public service commission of West Virginia and the owners of any bonds and notes issued by the district, if any, shall have consented, in writing, to the name change. If a district includes territory located in more than one county, the county commission or county commissions changing the name of the district shall provide any county commission into which the district also extends with a certified copy of the order changing the name of the district. The official name of any district created under the provisions of this article may contain the name or names of any city, incorporated town or other municipal corporation included therein or the name of any county or counties in which it is located.

§ 16–13A–8. Acquisition and purchase of public service properties; right of eminent domain; extraterritorial powers

The board may acquire any publicly or privately owned public service properties located within the boundaries of the district regardless of whether or not all or any part of such properties are located within the corporate limits of any city, incorporated town or other municipal corporation included within the district and may purchase and acquire all rights and franchises and any and all property within or outside the district necessary or incidental to the purpose of the district.

The board may construct any public service properties within or outside the district necessary or incidental to its purposes and each such district may acquire, construct, maintain and operate any such public service properties within the corporate limits of any city, incorporated town or other municipal corporation included within the district or in any unincorporated territory within ten miles of the territorial boundaries of the district: Provided, That if any incorporated city, town or other municipal corporation included within the district owns and operates either water facilities, sewer facilities, stormwater facilities or gas facilities or all of these, then the district may not acquire, construct, establish, improve or extend any public service properties of the same kind within such city, incorporated towns or other municipal corporations or the adjacent unincorporated territory served by such cities, incorporated towns or other municipal corporations, except upon the approval of the public service commission, the consent of such cities, incorporated towns or other municipal corporations and in conformity and compliance with the rights of the holders of any revenue bonds or obligations theretofore issued by such cities, incorporated towns or other municipal corporations then outstanding

Property of public service district is public property used for public purposes, and, under constitutional provision that public property shall be exempt from taxation, statute authorizing creation of public service districts and granting tax exemption was not violative of constitutional provision requiring that taxation be equal and uniform throughout state. Acts 1953, c. 147, § 1 et seq.; Const. art. 10, § 1. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Taxation ⇐ 2289

2. In general

Statute providing that private property may be taken or damaged for a number of specified purposes amounts to legislative declaration of public purposes within meaning of laws, and it is a judicial question whether such declaration is consonant with organic law. Acts 1949, c. 59; Const. art. 3, § 9. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Constitutional Law ⇐ 2510

3. Eminent domain powers

Although construction of new facility proposed by utility will often require taking of private property through eminent domain, absent express statutory language Public Service Commission (PSC) has no duty to review and decide issues that are inherent in eminent domain proceeding. Whether construction of sewage lagoons would constitute "nuisance" does not defeat Public Service Commission's (PSC) jurisdiction to issue certificate of public convenience and necessity; while PSC may assess environmental considerations, chief inquiry by PSC is need of public for project. 6. Connections with sewers or drains

City, rather than sewer and water districts, was entitled to provide sewer and water services to newly developed tract that was within districts' boundaries, but was annexed to city, where such services were not previously furnished to tract. If a tract of real estate located within a public service district has been annexed into a municipality, then, as between the municipality and the public service district, the municipality has the superior right to extend water and/or sewer service which were not being previously furnished to the tract by the public service district, and under those circumstances, a public service district would need the consent of the municipality and the Public Service Commission (PSC) in order to provide such service. Code, 16–13A–8. Berkeley County Public Service Sewer Dist. v. West Virginia Public Service Com'n, 1998, 512 S.E.2d 201, 204 W.Va. 279. A public service district is a public corporation and does not come within constitutional provision which in substance provides that all corporations shall be created by general laws and which is applicable to private corporations. Acts 1953, c. 147, § 1 et seq.; Const. art. 11, § 1. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Statutes ⇐ 80(3)

§ 16–13A–9. Rules; service rates and charges; discontinuance of service; required water and sewer connections; lien for delinquent fees

(a)(1) The board may make, enact and enforce all needful rules in connection with the acquisition, construction, improvement, extension, management,

maintenance, operation, care, protection and the use of any public service properties owned or controlled by the district. The board shall establish rates, fees and charges for the services and facilities it furnishes, which shall be sufficient at all times, notwithstanding the provisions of any other law or laws, to pay the cost of maintenance, operation and depreciation of the public service properties and principal of and interest on all bonds issued, other obligations incurred under the provisions of this article and all reserve or other payments provided for in the proceedings which authorized the issuance of any bonds under this article. The schedule of the rates, fees and charges may be based upon:

(A) The consumption of water or gas on premises connected with the facilities, taking into consideration domestic, commercial, industrial and public use of water and gas;

(B) The number and kind of fixtures connected with the facilities located on the various premises;

(C) The number of persons served by the facilities;

(D) Any combination of paragraphs (A), (B) and (C) of this subdivision; or

(E) May be determined on any other basis or classification which the board may determine to be fair and reasonable, taking into consideration the location of the premises served and the nature and extent of the services and facilities furnished. However, no rates, fees or charges for stormwater services may be assessed against highways, road and drainage easements or stormwater facilities constructed, owned or operated by the West Virginia division of highways.

(2) Where water, sewer, stormwater or gas services, or any combination thereof, are all furnished to any premises, the schedule of charges may be billed as a single amount for the aggregate of the charges. The board shall require all users of services and facilities furnished by the district to designate on every application for service whether the applicant is a tenant or an owner of the premises to be served. If the applicant is a tenant, he or she shall state the name and address of the owner or owners of the premises to be served by the district. Notwithstanding the provisions of section eight, article three, chapter twenty-four of this code to the contrary, all new applicants for service shall deposit the greater of a sum equal to two twelfths of the average annual usage of the applicant's specific customer class or fifty dollars, with the district to secure the payment of service rates, fees and charges in the event they become delinquent as provided in this section. If a district provides both water and sewer service, all new applicants for service shall deposit the greater of a sum equal to two twelfths of the average annual usage for water service or fifty dollars and the greater of a sum equal to two twelfths of the average annual usage for wastewater service of the applicant's specific customer class or fifty dollars. In any case where a deposit is forfeited to pay service rates, fees and charges which were delinquent at the time of disconnection or termination of service, no reconnection or reinstatement of service may be made by the district until another deposit equal to the greater of a sum equal to two twelfths of the average usage for the applicant's specific customer class or fifty dollars

has been remitted to the district. After twelve months of prompt payment history, the district shall return the deposit to the customer or credit the customer's account at a rate as the public service commission may prescribe: *Provided,* That where the customer is a tenant, the district is not required to return the deposit until the time the tenant discontinues service with the district. Whenever any rates, fees, rentals or charges for services or facilities furnished remain unpaid for a period of twenty days after the same become due and payable, the user of the services and facilities provided is delinquent and the user is liable at law until all rates, fees and charges are fully paid. The board may, under reasonable rules promulgated by the public service commission, shut off and discontinue water or gas services to all delinquent users of either water or gas facilities, or both, ten days after the water or gas services become delinquent.

(b) In the event that any publicly or privately owned utility, city, incorporated town, other municipal corporation or other public service district included within the district owns and operates separately either water facilities or sewer facilities, and the district owns and operates the other kind of facilities either water or sewer, as the case may be, then the district and the publicly or privately owned utility, city, incorporated town or other municipal corporation or other public service district shall covenant and contract with each other to shut off and discontinue the supplying of water service for the nonpayment of sewer service fees and charges: *Provided,* That any contracts entered into by a public service district pursuant to this section shall be submitted to the public service commission for approval. Any public service district providing water and sewer service to its customers has the right to terminate water service for delinquency in payment of either water or sewer bills. Where one public service district is providing sewer service and another public service district or a municipality included within the boundaries of the sewer district is providing water service, and the district providing sewer service experiences a delinquency in payment, the district or the municipality included within the boundaries of the sewer district that is providing water service, upon the request of the district providing sewer service to the delinquent account, shall terminate its water service to the customer having the delinquent sewer account: *Provided, however,* That any termination of water service must comply with all rules and orders of the public service commission.

(c) Any district furnishing sewer facilities within the district may require, or may by petition to the circuit court of the county in which the property is located, compel or may require the division of health to compel all owners, tenants or occupants of any houses, dwellings and buildings located near any sewer facilities where sewage will flow by gravity or be transported by other methods approved by the division of health, including, but not limited to, vacuum and pressure systems, approved under the provisions of section nine, article one, chapter sixteen of this code, from the houses, dwellings or buildings into the sewer facilities, to connect with and use the sewer facilities and to cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from the houses, dwellings and buildings where

there is gravity flow or transportation by any other methods approved by the division of health, including, but not limited to, vacuum and pressure systems, approved under the provisions of section nine, article one, chapter sixteen of this code and the houses, dwellings and buildings can be adequately served by the sewer facilities of the district and it is declared that the mandatory use of the sewer facilities provided for in this paragraph is necessary and essential for the health and welfare of the inhabitants and residents of the districts and of the state. If the public service district requires the property owner to connect with the sewer facilities even when sewage from dwellings may not flow to the main line by gravity and the property owner incurs costs for any changes in the existing dwellings' exterior plumbing in order to connect to the main sewer line, the public service district board shall authorize the district to pay all reasonable costs for the changes in the exterior plumbing, including, but not limited to, installation, operation, maintenance and purchase of a pump or any other method approved by the division of health. Maintenance and operation costs for the extra installation should be reflected in the users charge for approval of the public service commission. The circuit court shall adjudicate the merits of the petition by summary hearing to be held not later than thirty days after service of petition to the appropriate owners, tenants or occupants.

(d) Whenever any district has made available sewer facilities to any owner, tenant or occupant of any house, dwelling or building located near the sewer facility and the engineer for the district has certified that the sewer facilities are available to and are adequate to serve the owner, tenant or occupant and sewage will flow by gravity or be transported by other methods approved by the division of health from the house, dwelling or building into the sewer facilities, the district may charge, and the owner, tenant or occupant shall pay the rates and charges for services established under this article only after thirty-day notice of the availability of the facilities has been received by the owner, tenant or occupant. Rates and charges for sewage services shall be based upon actual water consumption or the average monthly water consumption based upon the owner's, tenant's or occupant's specific customer class.

(e) Whenever any district has made available a stormwater system to any owner, tenant or occupant of any real property located near the stormwater system and where stormwater from real property affects or drains into the stormwater system, it is hereby found, determined and declared that the owner, tenant or occupant is being served by the stormwater system and it is further hereby found, determined and declared that the mandatory use of the stormwater system is necessary and essential for the health and welfare of the inhabitants and residents of the district and of the state. The district may charge, and the owner, tenant or occupant shall pay the rates, fees and charges for stormwater services established under this article only after thirty-day notice of the availability of the stormwater system has been received by the owner.

(f) All delinquent fees, rates and charges of the district for either water facilities, sewer facilities, gas facilities or stormwater systems or stormwater management programs are liens on the premises served of equal dignity, rank and priority with the lien on the premises of state, county, school and munici-

pal taxes. In addition to the other remedies provided in this section, public service districts are granted a deferral of filing fees or other fees and costs incidental to the bringing and maintenance of an action in magistrate court for the collection of delinquent water, sewer, stormwater or gas bills. If the district collects the delinquent account, plus reasonable costs, from its customer or other responsible party, the district shall pay to the magistrate the normal filing fee and reasonable costs which were previously deferred. In addition, each public service district may exchange with other public service districts a list of delinquent accounts: *Provided,* That an owner of real property may not be held liable for the delinquent rates or charges for services or facilities of a tenant, nor may any lien attach to real property for the reason of delinquent rates or charges for services or facilities of a tenant of the real property, unless the owner has contracted directly with the public service district to purchase the services or facilities.

(g) Anything in this section to the contrary notwithstanding, any establishment, as defined in section three, article eleven, chapter twenty-two, now or hereafter operating its own sewage disposal system pursuant to a permit issued by the division of environmental protection, as prescribed by section eleven, article eleven, chapter twenty-two of this code, is exempt from the provisions of this section.

1. Validity

Statute authorizing creation of public service districts violates no provision of State Constitution, nor is it violative of Fourteenth Amendment to United States Constitution. Act 1953, c. 147; U.S.C.A.Const. Amend. 14. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Constitutional Law ⇐ 4056; Municipal Corporations ⇐ 4

Statute authorizing creation of public service districts does not, in so far as it requires County Court to define territory to be included in public service district and appoint a board to govern same in first instance, involve unconstitutional

delegation of judicial functions to the County Court, Acts 1953, c. 147; Const. art. 8, § 24. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Constitutional Law ⇐ 2355; Municipal Corporations ⇐ 4

2. In general

Statute authorizing creation of public service districts confers upon public service board authority to create mortgage lien on the property of public service district, and action of legislature conferring such authority was within the legislature's power. 1. In general

The borrowing by PSD's of money from counties and/or municipalities, as evidenced by a note, is permissible borrowing under this section. 62 W.Va. Op.Atty.Gen. 27 (May 6, 1988) 1988 WL 483331.

§ 16–13A–25. Borrowing and bond issuance; procedure

(a) Notwithstanding any other provisions of this article to the contrary, a public service district may not borrow money, enter into contracts for the provision of engineering, design or feasibility studies, issue or contract to issue revenue bonds or exercise any of the powers conferred by the provisions of section thirteen, twenty or twenty-four of this article without the prior consent and approval of the Public Service Commission: *Provided,* That approval of funding set forth in section eleven, article two, chapter twenty-four of this code or this section is not required if the funding is for a project which has received a certificate of public convenience and necessity after the eighth day of July, two thousand five, from the commission and where the cost of the project changes but the change does not affect the rates established for the project.

(b) The Public Service Commission may waive the provision of prior consent and approval for entering into contracts for engineering, design or feasibility studies pursuant to this section for good cause shown which is evidenced by the public service district filing a request for waiver of this section stated in a letter directed to the commission with a brief description of the project, a verified statement by the board members that the public service district has complied with chapter five-g of this code, and further explanation of ability to evaluate their own engineering contract, including, but not limited to:

(1) Experience with the same engineering firm; or

(2) Completion of a construction project requiring engineering services. The district shall also forward an executed copy of the engineering contract to the commission after receiving approval of the waiver.

(c) An engineering contract that meets one or more of the following criteria is exempt from the waiver or approval requirements:

(1) A contract with a public service district that is a Class A utility on the first day of April, two thousand three, or subsequently becomes a Class A utility as defined by commission rule;

(2) A contract with a public service district that does not require borrowing and that can be paid out of existing rates;

(3) A contract where the payment of engineering fees are contingent upon the receipt of funding, and commission approval of the funding, to construct the project which is the subject of the contract; or

(4) A contract that does not exceed fifteen thousand dollars.

(d) Requests for approval or waivers of engineering contracts shall be deemed granted thirty days after the filing date unless the staff of the Public Service Commission or a party files an objection to the request. If an objection is filed, the Public Service Commission shall issue its decision within one hundred twenty days of the filing date. In the event objection is received to a request for a waiver, the application shall be considered a request for waiver as well as a request for approval in the event a waiver is not appropriate.

(e) Unless the properties to be constructed or acquired represent ordinary extensions or repairs of existing systems in the usual course of business, a public service district must first obtain a certificate of public convenience and necessity from the Public Service Commission in accordance with the provision of chapter twenty-four of this code when a public service district is seeking to acquire or construct public service property.

Proposed sewage treatment project complied with buffer zone requirements where all parties acknowledged that distance of proposed sewage lagoons from property owners' home was further than minimum buffer-zone requirement of 300 feet; Public Service Commission relied on ample evidence in record to support claim that proposed location was both cost-effective and environmentally sound. PUBLIC SERVICE DISTRICTS

Section		Section	
16–13A–9.	Rules; service rates and charges; discontinuance of service; required water and sewer connections; lien for delinquent fees.		

§ 16–13A–9. Rules; service rates and charges; discontinuance of service; required water and sewer connections; lien for delinquent fees

(a)(1) The board may make, enact and enforce all needful rules in connection with the acquisition, construction, improvement, extension, management, maintenance, operation, care, protection and the use of any public service properties owned or controlled by the district. The board shall establish rates, fees and charges for the services and facilities it furnishes, which shall be sufficient at all times, notwithstanding the provisions of any other law or laws, to pay the cost of maintenance, operation and depreciation of the public service properties and principal of and interest on all bonds issued, other obligations incurred under the provisions of this article and all reserve or other payments provided for in the proceedings which authorized the issuance of any bonds under this article. The schedule of the rates, fees and charges may be based upon:

(A) The consumption of water or gas on premises connected with the facilities, taking into consideration domestic, commercial, industrial and public use of water and gas;

(B) The number and kind of fixtures connected with the facilities located on the various premises;

(C) The number of persons served by the facilities;

(D) Any combination of paragraphs (A), (B) and (C) of this subdivision; or

(E) May be determined on any other basis or classification which the board may determine to be fair and reasonable, taking into consideration the location of the premises served and the nature and extent of the services and facilities furnished. However, no rates, fees or charges for stormwater services may be assessed against highways, road and drainage easements or stormwater facilities constructed, owned or operated by the West Virginia Division of Highways.

(2) Where water, sewer, stormwater or gas services, or any combination thereof, are all furnished to any premises, the schedule of charges may be billed as a single amount for the aggregate of the charges. The board shall require all users of services and facilities furnished by the district to designate on every application for service whether the applicant is a tenant or an owner of the premises to be served. If the applicant is a tenant, he or she shall state the name and address of the owner or owners of the premises to be served by the district. Notwithstanding the provisions of section eight, article three, chapter twenty-four of this code to the contrary, all new applicants for service shall deposit the greater of a sum equal to two twelfths of the average annual usage of the applicant's specific customer class or fifty dollars, with the district to secure the payment of service rates, fees and charges in the event they become delinquent as provided in this section. If a district provides both water and sewer service, all new applicants for service shall deposit the greater of a sum equal to two twelfths of the average annual usage for water service or fifty dollars and the greater of a sum equal to two twelfths of the average annual usage for wastewater service of the applicant's specific customer class or fifty dollars. In any case where a deposit is forfeited to pay service rates, fees and charges which were delinquent at the time of disconnection or termination of service, no reconnection or reinstatement of service may be made by the district until another deposit equal to the greater of a sum equal to two twelfths of the average usage for the applicant's specific customer class or fifty dollars has been remitted to the district. After twelve months of prompt payment history, the district shall return the deposit to the customer or credit the customer's account at a rate as the Public Service Commission may prescribe: *Provided,* That where the customer is a tenant, the district is not required to return the deposit until the time the tenant discontinues service with the district. Whenever any rates, fees, rentals or charges for services or facilities furnished remain unpaid for a period of twenty days after the same become due and payable, the user of the services and facilities provided is delinquent and the user is liable at law until all rates, fees and charges are fully paid. The board may, under reasonable rules promulgated by the Public Service Commission, shut off and discontinue water or gas services to all delinquent users of either water or gas facilities, or both, ten days after the water or gas services become delinquent.

(b) In the event that any publicly or privately owned utility, city, incorporated town, other municipal corporation or other public service district included within the district owns and operates separately water facilities, sewer facilities or stormwater facilities and the district owns and operates another kind of facility either water or sewer, or both, as the case may be, then the district and the publicly or privately owned utility, city, incorporated town or other municipal corporation or other public service district shall covenant and contract with each other to shut off and discontinue the supplying of water service for the nonpayment of sewer or stormwater service fees and charges: *Provided,* That any contracts entered into by a public service district pursuant to this section shall be submitted to the Public Service Commission for approval. Any public service district which provides water and sewer service, water and stormwater service or water, sewer and stormwater service has the right to terminate water service for delinquency in payment of water, sewer or stormwater bills. Where one public service district is providing sewer service and another public service district or a municipality included within the boundaries of the sewer or stormwater district is providing water service and the district providing sewer or stormwater service experiences a delinquency in payment, the district or the municipality included within the boundaries of the sewer or stormwater district that is providing water service, upon the request of the district

providing sewer or stormwater service to the delinquent account, shall terminate its water service to the customer having the delinquent sewer or stormwater account: *Provided, however,* That any termination of water service must comply with all rules and orders of the Public Service Commission.

(c) Any district furnishing sewer facilities within the district may require, or may by petition to the circuit court of the county in which the property is located, compel or may require the Division of Health to compel all owners, tenants or occupants of any houses, dwellings and buildings located near any sewer facilities where sewage will flow by gravity or be transported by other methods approved by the Division of Health, including, but not limited to, vacuum and pressure systems, approved under the provisions of section nine, article one, chapter sixteen of this code, from the houses, dwellings or buildings into the sewer facilities, to connect with and use the sewer facilities and to cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from the houses, dwellings and buildings where there is gravity flow or transportation by any other methods approved by the Division of Health, including, but not limited to, vacuum and pressure systems, approved under the provisions of section nine, article one, chapter sixteen of this code and the houses, dwellings and buildings can be adequately served by the sewer facilities of the district and it is declared that the mandatory use of the sewer facilities provided for in this paragraph is necessary and essential for the health and welfare of the inhabitants and residents of the districts and of the state. If the public service district requires the property owner to connect with the sewer facilities even when sewage from dwellings may not flow to the main line by gravity and the property owner incurs costs for any changes in the existing dwellings' exterior plumbing in order to connect to the main sewer line, the Public Service District Board shall authorize the district to pay all reasonable costs for the changes in the exterior plumbing, including, but not limited to, installation, operation, maintenance and purchase of a pump or any other method approved by the Division of Health. Maintenance and operation costs for the extra installation should be reflected in the users charge for approval of the Public Service Commission. The circuit court shall adjudicate the merits of the petition by summary hearing to be held not later than thirty days after service of petition to the appropriate owners, tenants or occupants.

(d) Whenever any district has made available sewer facilities to any owner, tenant or occupant of any house, dwelling or building located near the sewer facility and the engineer for the district has certified that the sewer facilities are available to and are adequate to serve the owner, tenant or occupant and sewage will flow by gravity or be transported by other methods approved by the Division of Health from the house, dwelling or building into the sewer facilities, the district may charge, and the owner, tenant or occupant shall pay, the rates and charges for services established under this article only after thirty-day notice of the availability of the facilities has been received by the owner, tenant or occupant. Rates and charges for sewage services shall be based upon actual water consumption or the average monthly water consumption based upon the owner's, tenant's or occupant's specific customer class.

(e) The owner, tenant or occupant of any real property may be determined and declared to be served by a stormwater system only after each of the following conditions is met: (1) the district has been designated by the Environmental Protection Agency as an entity to serve a West Virginia Separate Storm Sewer System community, as defined in 40 C. F. R. § 122.26; (2) the district's authority has been properly expanded to operate and maintain a stormwater system; (3) the district has made available a stormwater system where stormwater from the real property affects or drains into the stormwater system; and (4) the real property is located in the Municipal Separate Storm Sewer System's designated service area. It is further hereby found, determined and declared that the mandatory use of the stormwater system is necessary and essential for the health and welfare of the inhabitants and residents of the district and of the state. The district may charge and the owner, tenant or occupant shall pay the rates, fees and charges for stormwater services established under this article only after thirty-day notice of the availability of the stormwater system has been received by the owner. An entity providing stormwater service shall provide a tenant a report of the stormwater fee charged for the entire property and, if appropriate, that portion of the fee to be assessed to the tenant.

(f) All delinquent fees, rates and charges of the district for either water facilities, sewer facilities, gas facilities or stormwater systems or stormwater management programs are liens on the premises served of equal dignity, rank and priority with the lien on the premises of state, county, school and municipal taxes. In addition to the other remedies provided in this section, public service districts are granted a deferral of filing fees or other fees and costs incidental to the bringing and maintenance of an action in magistrate court for the collection of delinquent water, sewer, stormwater or gas bills. If the district collects the delinquent account, plus reasonable costs, from its customer or other responsible party, the district shall pay to the magistrate the normal filing fee and reasonable costs which were previously deferred. In addition, each public service district may exchange with other public service districts a list of delinquent accounts: *Provided,* That an owner of real property may not be held liable for the delinquent rates or charges for services or facilities of a tenant, nor may any lien attach to real property for the reason of delinquent rates or charges for services or facilities of a tenant of the real property, unless the owner has contracted directly with the public service district to purchase the services or facilities.

(g) Anything in this section to the contrary notwithstanding, any establishment, as defined in section three, article eleven, chapter twenty-two of this code, now or hereafter operating its own sewage disposal system pursuant to a permit issued by the Department of Environmental Protection, as prescribed by section eleven, article eleven, chapter twenty-two of this code, is exempt from the provisions of this section.

(h) A public service district which has been designated by the Environmental Protection Agency as an entity to serve a West Virginia Separate Storm Sewer System community shall prepare an annual report detailing the collection and expenditure of rates, fees or charges and make it available for public review at the place of business of the governing body and the stormwater utility main office.

Martinsburg: Third Amendment to Alternate Main Line Extension Agreement

THIS THIRD AMENDMENT TO ALTERNATE MAIN LINE EXTENSION AGREEMENT is entered into by and between the BERKELEY COUNTY PUBLIC SERVICE SEWER DISTRICT (the "District"), and ECOLAB INC., a Delaware Corporation ("Ecolab"):

WHEREAS, the District and Ecolab previously entered into an Alternate Main Line Extension Agreement ("AMLEA") and Amendment ("First Amendment"), both of which are dated March 27, 2001. WHEREAS, the District and Ecolab subsequently entered into a Second Amendment on August 22, 2006, which superseded and replaced the First Amendment in its entirety. WHEREAS, the District and Ecolab now agree to supersede and replace the Second Amendment in its entirety with this Third Amendment to AMLEA.

The AMLEA is hereby amended as follows:

1. Section 2.01 – DELETE the sentence "The Development will include one wastewater pre-treatment unit of 50,000 gallons per day capacity, one pump station, one flow meter, and approximately 1,000 linear feet of force main with one road bore to serve the Ecolab facility." SUBSTITUTE the sentence "The Development will include two wastewater pre-treatment units of 50,000 gallons per day capacity, each, for a total of 100,000 gallons per day capacity, one flow meter, one 200,000 gallon equalization tank, one solids removal process unit, and approximately 1,000 linear feet of gravity sewer with one road crossing to convey effluent to the Development."

2. INSERT the following: "Section 2.08 – Ecolab agrees to pump all wastewater discharged from the Ecolab facility to the Development, except for wastewater hauled away due to capacity limitations of the Development. The head and flow rate required shall be mutually agreed upon and determined by discussions between the District's and Ecolab's engineers. Ecolab, based upon the cost sharing agreement attached hereto as Exhibit 1, which is incorporated into this Third Amendment, shall modify the Development by installing a second sequence batch reactor and second digester tank, modifying the solids handling system, and constructing an equalization tank. The full extent of the modification undertaken and authorized herein (hereinafter referred to as the "ITP Upgrade"), is specified in Exhibit 1, as may be amended by mutual agreement of the parties. Upon completion of this ITP Upgrade and verification of treatment capacity by a professional engineer, Ecolab may discharge amounts up to 100,000 gallons/day in accordance with permitted limits and the District will accept wastewater volumes up to 100,000 gallons/day. Ecolab shall be responsible for all aspects of designing and constructing the ITP Upgrade.

3. INSERT the following: "Section 2.09 – To enhance the Development's capacity, Ecolab agrees to engage and has engaged, at its sole expense, a professional engineering firm to design the ITP Upgrade. Ecolab further agrees to pay all other engineering fees to be incurred for the ITP Upgrade, including, but not limited to, bidding and construction monitoring.

PUBLIC SERVICE COMMISSION
OF WEST VIRGINIA
Engineering Division

4. INSERT the following: "Section 2.10 – Ecolab shall cooperate in securing WV DEP and WV PSC approval of the ITP Upgrade to the Development and in securing assistance from the WV Development Office with financing the ITP Upgrade. At Ecolab's option, Ecolab may elect to finance 100% of the construction cost of the ITP Upgrade. Ecolab shall be responsible for soliciting bids and overseeing construction of the ITP Upgrade. The District shall be responsible for providing land within the Development for the ITP Upgrade consistent with Section 4.05."

5. Section 4.04, DELETE the sentence "In order that the District may provide sewer service to all adjoining properties of Ecolab's project, the District shall require and Ecolab shall agree to provide all necessary easements on Ecolab's property that are mutually agreed upon to run from the Development to all adjoining properties." And, SUBSTITUTE the following "As a condition to obtaining a main extension, Ecolab shall grant the District the necessary easements to allow the District to make future extensions into unserved areas. The granting of the necessary easements shall be made without the District being required to pay additional consideration for the additional easements to Ecolab. If Ecolab is unwilling to grant the additional easements, the District shall not be required to extend its main to serve Ecolab."

6. Section 5.01 – DELETE "The District shall commence construction within a reasonable time after the approval of this Agreement. The District shall complete construction so that the Development will be ready for use by May 1, 2000." SUBSTITUTE the sentence "It is anticipated that the ITP Upgrade will be operational by the end of 2008. The District shall complete construction of the Baker Heights POTW upgrade by March 2008."

7. INSERT the following: "Section 7.09 – "The District shall provide an itemization of costs in the monthly service bill, identifying costs for labor, maintenance, chemical supplies, sludge disposal, testing, and other major cost categories."

Once the ITP Upgrade is fully operational, Ecolab and the District will test the system at higher concentrations to determine the maximum treatment capacity of the ITP Upgrade.

Section 12.02 Ecolab agrees not to discharge wastewater having any characteristic that negatively affects the operation of the Development or the Baker Heights Wastewater Treatment Plant. In the event that the DISTRICT determines that Ecolab has negatively affected either facility, the District shall notify Ecolab in writing, which shall immediately make all reasonable alterations to its process to eliminate the negative effect.

Section 12.03 Ecolab agrees, in the event the waste sludge produced at the Baker Heights facility becomes unsuitable for land application caused by metals in Ecolab's wastewater discharge, Ecolab shall reimburse the DISTRICT for the increased disposal costs. The amount reimbursed each month will be the difference between the current costs for land application versus landfill disposal, multiplied by the gross tonnage of waste sludge disposed in that month. The District shall provide written notice of any such unsuitability and itemization of associated costs shall be included in Ecolab's monthly billing.

Section 12.04 Ecolab agrees to implement a process wastewater-monitoring program and to provide the results of the following monitoring program to the District:

- The analysis method for each parameter will be mutually agreed upon between the District and Ecolab (the methods may be, but do not have to be U.S. EPA approved test methods provided that alternate methods are shown to provide results consistent with U.S. EPA methods).
- The monitoring point will be Ecolab's 15,000-gallon wastewater equalization tank.
- A batch consists of the total volume of wastewater in the equalization tank that is monitored and then discharged prior to the introduction of additional wastewater to the tank.
- The process wastewater in the equalization tank will be recirculated.
- The following schedule will be utilized during normal operations:

ECOLAB FACILITY NORMAL OPERATION

Parameter	Type	Frequency
Flow	Flow Meter (BCPSSD)	Daily
pH	Grab from Equal. Tank	One per Batch
Free Chlorine	Grab from Equal. Tank	One per Batch
COD	Grab from Equal. Tank	One per Batch

TSS	Grab from Equal. Tank	One per Batch
Foam	Grab from Equal. Tank	One per Batch

In the event that any batch exceeds one or more of the loadings listed in Section 12.01, Ecolab agrees not to discharge the wastewater from that batch to the District, until conformance is achieved.

Section 12.05 Ecolab agrees to sample and analyze the co-mingled process and sanitary wastewater discharge in accordance with the requirements of the WVDEP NPDES permit revisions that will be issued to the District. The District shall install and maintain a continuous flow measurement device and totalizer, and an automatic flow, proportional-sampling unit at the influent point of the pretreatment system. The District shall share influent testing results with Ecolab, and Ecolab may elect to review and comment on Discharge Monitoring Reports (DMR) for influent to the pretreatment facility. The equipment and testing data shall be used by Ecolab to facilitate its monitoring programs.

Section 12.06 Ecolab agrees to maintain records of testing required in Section 12.04 at the facility and to make these records available to the District upon request within normal business hours. Ecolab agrees to submit to the District the analytical test results required by Section 12.05 within two weeks of receipt of the final laboratory analytical reports.

Section 12.07 If the aforementioned monitoring results identify loadings of wastewater parameters consistently below the limits identified in Section 12.01, Ecolab may request, or the District may, at its own discretion, reduce the sampling and analysis requirements described in Section 12.04. The District may, based on monitoring results consistently above the limits identified in Section 12.01 and following written notification to Ecolab, apply the additional monitoring requirements.

RESOLUTION STATING THE REASONABLE EXPECTATION OF THE PUBLIC SERVICE BOARD OF BERKELEY COUNTY PUBLIC SERVICE SEWER DISTRICT TO REIMBURSE THE DISTRICT FOR CAPITAL EXPENDITURES IN CONNECTION WITH THE PLANNING, DESIGN AND ACQUISITION OF SEWERAGE SYSTEM FACILITIES MADE PRIOR TO THE ISSUANCE OF TAX-EXEMPT REVENUE BONDS

WHEREAS, the Public Service Board (the "Board") has determined that Berkeley County Public Service Sewer District (the "District") should assist in the planning and design for, and subsequently acquire, certain improvements to the District's existing public sewerage system (the "System"), consisting of improvements to the pre-treatment facility for Ecolab, Inc., such planning, design and acquisition called the "Project" and the cost thereof is estimated not to exceed $5,000,000;

WHEREAS, the Board expects that the District will make certain capital expenditures related to the Project prior to the issuance of revenue bonds to permanently finance such expenditures;

WHEREAS, such costs will be paid from the District's Operating Fund; and

WHEREAS, the Board reasonably expects that the District will reimburse such Operating Fund for a portion of the cost of such planning, design and acquisition of the Project in an amount estimated not to exceed $1,000,000, from the proceeds of sale of tax-exempt sewer revenue bonds (the "Bonds") anticipated to be hereinafter issued by the District in one or more series;

NOW, THEREFORE BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF BERKELEY COUNTY PUBLIC SERVICE SEWER DISTRICT, AS FOLLOWS:

Section 1. The Board of the District reasonably expects that the District will reimburse itself for certain capital expenditures made not more than 60 days prior to the date of adoption of this resolution (and after the date of such adoption, but prior to the issuance of the Bonds) in connection with the planning, design and acquisition of the Project, such

expenditures to be undertaken or incurred prior to the execution and delivery of the Bonds, from the proceeds of such Bonds, which are reasonably expected to be executed and delivered within 18 months from the later of (i) the expenditure for payment of said costs or (ii) the placing of the Project in service.

Section 2. This Resolution is intended to constitute a "declaration of official intent" pursuant to Section 1.150-2 of the Treasury Regulations promulgated under Section 103 of the Internal Revenue Code of 1986, as amended (the "Reimbursement Regulations").

Section 3. The source of payment for such capital expenditures will be the Operating Fund, and upon issuance of the Bonds, proceeds thereof not to exceed the amount of such capital expenditures will be applied to reimbursement of such Operating Fund.

Section 4. The maximum principal amount of Bonds to be issued for the Project (including costs of issuance of the Bonds and related costs) is $5,000,000.

Section 5. The District shall make all reimbursement allocations within 30 days following the date of issuance of the Bonds and shall provide written evidence of such allocations.

Section 6. This Resolution shall become effective on the date of its adoption.

Martinsburg: Third Amendment to Alternate Main Line Extension Agreement

THIS THIRD AMENDMENT TO ALTERNATE MAIN LINE EXTENSION AGREEMENT is entered into by and between the BERKELEY COUNTY PUBLIC SERVICE SEWER DISTRICT (the "District"), and ECOLAB INC., a Delaware Corporation ("Ecolab"):

WHEREAS, the District and Ecolab previously entered into an Alternate Main Line Extension Agreement ("AMLEA") and Amendment ("First Amendment"), both of which are dated March 27, 2001. WHEREAS, the District and Ecolab subsequently entered into a Second Amendment on August 22, 2006, which superseded and replaced the First Amendment in its entirety. WHEREAS, the District and Ecolab now agree to supersede and replace the Second Amendment in its entirety with this Third Amendment to AMLEA.

The AMLEA is hereby amended as follows:

1. Section 2.01 – DELETE the sentence "The Development will include one wastewater pre-treatment unit of 50,000 gallons per day capacity, one pump station, one flow meter, and approximately 1,000 linear feet of force main with one road bore to serve the Ecolab facility." SUBSTITUTE the sentence "The Development will include two wastewater pre-treatment units of 50,000 gallons per day capacity, each, for a total of 100,000 gallons per day capacity, one flow meter, one 200,000 gallon equalization tank, one solids removal process unit, and approximately 1,000 linear feet of gravity sewer with one road crossing to convey effluent to the Development."

2. INSERT the following: "Section 2.08 – Ecolab agrees to pump all wastewater discharged from the Ecolab facility to the Development, except for wastewater hauled away due to capacity limitations of the Development. The head and flow rate required shall be mutually agreed upon and determined by discussions between the District's and Ecolab's engineers. Ecolab, based upon the cost sharing agreement attached hereto as Exhibit 1, which is incorporated into this Third Amendment, shall modify the Development by installing a second sequence batch reactor and second digester tank, modifying the solids handling system, and constructing an equalization tank. The full extent of the modification undertaken and authorized herein (hereinafter referred to as the "ITP Upgrade"), is specified in Exhibit 1, as may be amended by mutual agreement of the parties. Upon completion of this ITP Upgrade and verification of treatment capacity by a professional engineer, Ecolab may discharge amounts up to 100,000 gallons/day in accordance with permitted limits and the District will accept wastewater volumes up to 100,000 gallons/day. Ecolab shall be responsible for all aspects of designing and constructing the ITP Upgrade.

3. INSERT the following: "Section 2.09 – To enhance the Development's capacity, Ecolab agrees to engage and has engaged, at its sole expense, a professional engineering firm to design the ITP Upgrade. Ecolab further agrees to pay all other engineering fees to be incurred for the ITP Upgrade, including, but not limited to, bidding and construction monitoring.

RECEIVED
APR - 6
PUBLIC SERVICE COMMISSION

4. INSERT the following: "Section 2.10 – Ecolab shall cooperate in securing WV DEP and WV PSC approval of the ITP Upgrade to the Development and in securing assistance from the WV Development Office with financing the ITP Upgrade. At Ecolab's option, Ecolab may elect to finance 100% of the construction cost of the ITP Upgrade. Ecolab shall be responsible for soliciting bids and overseeing construction of the ITP Upgrade. The District shall be responsible for providing land within the Development for the ITP Upgrade consistent with Section 4.05."

5. Section 4.04, DELETE the sentence "In order that the District may provide sewer service to all adjoining properties of Ecolab's project, the District shall require and Ecolab shall agree to provide all necessary easements on Ecolab's property that are mutually agreed upon to run from the Development to all adjoining properties." And, SUBSTITUTE the following "As a condition to obtaining a main extension, Ecolab shall grant the District the necessary easements to allow the District to make future extensions into unserved areas. The granting of the necessary easements shall be made without the District being required to pay additional consideration for the additional easements to Ecolab. If Ecolab is unwilling to grant the additional easements, the District shall not be required to extend its main to serve Ecolab."

6. Section 5.01 – DELETE "The District shall commence construction within a reasonable time after the approval of this Agreement. The District shall complete construction so that the Development will be ready for use by May 1, 2000." SUBSTITUTE the sentence "It is anticipated that the ITP Upgrade will be operational by the end of 2008. The District shall complete construction of the Baker Heights POTW upgrade by March 2008."

7. INSERT the following: "Section 7.09 – "The District shall provide an itemization of costs in the monthly service bill, identifying costs for labor, maintenance, chemical supplies, sludge disposal, testing, and other major cost categories."

8. INSERT the following:

"ARTICLE XII – CHARACTERISTICS OF DISCHARGE

Section 12.01 Ecolab agrees to discharge (from Outlet Number IU09) no more than 100,000 gallons per day of wastewater containing, at all times, a maximum daily loading of the following constituents:

Constituent	Daily Mass Loading	Equivalent Max. Concentration (mg/l) at flow rate of 86,000 gpd	Equivalent Max. Concentration (mg/l) at flow rate of 100,000 gpd
Flow	100,000 gpd	86,000 gpd	100,000 gpd
Biochemical Oxygen Demand (BOD_5)	1,252 (lbs/day)	1,745	1,501
Chemical Oxygen Demand	4,300 (lbs/day)	6,000	5,160

Suspended Solids	250 (lbs/day)	300	300
pH	6.5 to 8.5 (su)		
Copper	0.56 (lbs/day)		
Lead	0.126 (lbs/day)		
Zinc	3.75 (lbs/day)		

Once the ITP Upgrade is fully operational, Ecolab and the District will test the system at higher concentrations to determine the maximum treatment capacity of the ITP Upgrade.

Section 12.02 Ecolab agrees not to discharge wastewater having any characteristic that negatively affects the operation of the Development or the Baker Heights Wastewater Treatment Plant. In the event that the DISTRICT determines that Ecolab has negatively affected either facility, the District shall notify Ecolab in writing, which shall immediately make all reasonable alterations to its process to eliminate the negative effect.

Section 12.03 Ecolab agrees, in the event the waste sludge produced at the Baker Heights facility becomes unsuitable for land application caused by metals in Ecolab's wastewater discharge, Ecolab shall reimburse the DISTRICT for the increased disposal costs. The amount reimbursed each month will be the difference between the current costs for land application versus landfill disposal, multiplied by the gross tonnage of waste sludge disposed in that month. The District shall provide written notice of any such unsuitability and itemization of associated costs shall be included in Ecolab's monthly billing.

Section 12.04 Ecolab agrees to implement a process wastewater-monitoring program and to provide the results of the following monitoring program to the District:

- The analysis method for each parameter will be mutually agreed upon between the District and Ecolab (the methods may be, but do not have to be U.S. EPA approved test methods provided that alternate methods are shown to provide results consistent with U.S. EPA methods).
- The monitoring point will be Ecolab's 15,000-gallon wastewater equalization tank.
- A batch consists of the total volume of wastewater in the equalization tank that is monitored and then discharged prior to the introduction of additional wastewater to the tank.
- The process wastewater in the equalization tank will be recirculated.
- The following schedule will be utilized during normal operations:

ECOLAB FACILITY NORMAL OPERATION

Parameter	Type	Frequency
Flow	Flow Meter (BCPSSD)	Daily
pH	Grab from Equal. Tank	One per Batch
Free Chlorine	Grab from Equal. Tank	One per Batch
COD	Grab from Equal. Tank	One per Batch

TSS	Grab from Equal. Tank	One per Batch
Foam	Grab from Equal. Tank	One per Batch

In the event that any batch exceeds one or more of the loadings listed in Section 12.01, Ecolab agrees not to discharge the wastewater from that batch to the District, until conformance is achieved.

Section 12.05 Ecolab agrees to sample and analyze the co-mingled process and sanitary wastewater discharge in accordance with the requirements of the WVDEP NPDES permit revisions that will be issued to the District. The District shall install and maintain a continuous flow measurement device and totalizer, and an automatic flow, proportional-sampling unit at the influent point of the pretreatment system. The District shall share influent testing results with Ecolab, and Ecolab may elect to review and comment on Discharge Monitoring Reports (DMR) for influent to the pretreatment facility. The equipment and testing data shall be used by Ecolab to facilitate its monitoring programs.

Section 12.06 Ecolab agrees to maintain records of testing required in Section 12.04 at the facility and to make these records available to the District upon request within normal business hours. Ecolab agrees to submit to the District the analytical test results required by Section 12.05 within two weeks of receipt of the final laboratory analytical reports.

Section 12.07 If the aforementioned monitoring results identify loadings of wastewater parameters consistently below the limits identified in Section 12.01, Ecolab may request, or the District may, at its own discretion, reduce the sampling and analysis requirements described in Section 12.04. The District may, based on monitoring results consistently above the limits identified in Section 12.01 and following written notification to Ecolab, apply the additional monitoring requirements.

Second Amendment To Alternate Main Line Extension Agreement

THIS SECOND AMENDMENT TO ALTERNATE MAIN LINE EXTENSION AGREEMENT is entered into on _____, 2006, by and between the BERKELEY COUNTY PUBLIC SERVICE SEWER DISTRICT (the "District"), and ECOLAB, INC., a Delaware Corporation ("Ecolab");

WHEREAS, the District and Ecolab previously entered into an Alternate Main Line Extension Agreement (AMLEA") dated as of March 27, 2001. The parties have entered into one Amendment ("First Amendment") to the AMLEA, and now agree to supersede and replace the First Amendment in its entirety with this Second Amendment to Alternate Main Line Extension Agreement.

The AMLEA is hereby amended as follows:

1. Section 2.01 -- DELETE the sentence "The Development will include one wastewater pre-treatment unit of 50,000 gallons per day capacity, one pump station, one flow meter, and approximately 1,000 linear feet of force main with one road bore to serve the Ecolab facility." SUBSTITUTE the sentence "The Development will include one wastewater pre-treatment unit of 50,000 gallons per day capacity, one flow meter, and approximately 1,000 linear feet of gravity sewer with one road crossing to convey effluent from the Development."

2. INSERT the following: "Section 2.08 -- Ecolab agrees to pump all wastewater discharged from the Ecolab facility to the Development, except for wastewater hauled away due to capacity limitations of the Development. The head and flow rate required shall be mutually agreed upon and determined by discussions between the District's and Ecolab's engineers. Within 45 days after the date of this Second Amendment, the District, at its sole expense, shall modify the Development by installing aeration devices in the pre-treatment holding tank and adjusting the process control software in an effort to increase the number of daily treatment cycles from 1.0 to 1.5 cycles/day. Upon completion of these modifications and verification of treatment capacity by a professional engineer, Ecolab may discharge amounts greater than current limitations of 28,000 gallons/day and the District will accept wastewater volumes up to 50,000 gallons/day or such lesser volume as is determined to be the maximum treatment capacity of the modified Development."

3. INSERT the following: "Section 2.09 – To enhance the Development's capacity, Ecolab, at its sole expense, shall engage a professional engineering firm to develop a design for an appropriate upgrade to the Development's pretreatment plant. By June 30, 2006, Ecolab shall submit the proposed pretreatment upgrade design to the District for preliminary review and approval."

4. INSERT the following: "Section 2.10 – Ecolab and the District shall cooperate in securing WV DEP and WV PSC approval of the pretreatment upgrade to the Development and in securing potential assistance from the WV Development Office

with financing the upgrade. At Ecolab's option, Ecolab may elect to finance 100% of the construction cost of the pretreatment upgrade. Ecolab shall be responsible for soliciting bids and overseeing construction of the pretreatment upgrade. The District shall be responsible for providing land within Development for the pretreatment upgrade consistent with Section 4.05."

5. Section 5.01, DELETE "The District shall complete construction so that the Development will be ready for use by May 1, 2000." and SUBSTITUTE "The District shall complete construction so that the development is ready for use five (5) months after execution of this agreement or December 1, 2000, whichever is later.

6. INSERT the following: "Section 7.09 – "The District shall provide an itemization of costs in the monthly service bill, identifying costs for labor, maintenance, chemical supplies, sludge disposal, testing, and other major cost categories."

7. INSERT the following:
"ARTICLE XII – CHARACTERISTICS OF DISCHARGE

Section 12.01 Ecolab agrees to discharge (from Outlet Number IU09) no more than 50,000 gallons per day of wastewater containing, at all times, a maximum daily loading of the following constituents:

Constituent	Daily Mass Loading (lbs/day)	Equivalent Max. Concentration (mg/l)
Flow	N/A	50,000 gpd
Biochemical Oxygen Demand (BOD_5)	626	1,500
Chemical Oxygen Demand	1,668	4,000
Suspended Solids	125	300
pH	N/A	6.5 – 8.5 SU
Residual Chlorine	N/A	1.0
FOG, Hexane EXTR.	63	150
Copper	0.28	0.66
Lead	0.063	N/A
Zinc	1.87	4.48
Phenols	4.2	10
Surfactant (MBAS)	63	150

Section 12.01 (a) Upon completion of the pretreatment upgrade described in paragraphs 3 and 4 above, the parties agree to cooperate in good faith in establishing revised discharge limitations for pH and FOG in recognition of the expanded capacity of the upgraded treatment facility.

Section 12.02 Ecolab agrees not to discharge wastewater having any characteristic that negatively affects the operation of the Development or the Baker Heights Wastewater Treatment Plant. In the event that the DISTRICT determines that Ecolab has negatively affected either facility, the District shall notify Ecolab in writing, who

shall immediately make all reasonable alterations to its process to eliminate the negative effect.

Section 12.03 Ecolab agrees, in the event the waste sludge produced at the Baker Heights facility becomes unsuitable for land application, caused by metals in Ecolab's wastewater discharge, Ecolab shall reimburse the DISTRICT for the increased disposal costs. The amount reimbursed each month will be the difference between the current costs for land application versus landfill disposal, multiplied by the gross tonnage of waste sludge disposed in that month. The District shall provide written notice of any such unsuitability and itemization of associated costs shall be included in Ecolab's monthly billing.

Section 12.04 Ecolab agrees to implement a process wastewater-monitoring program and to provide the results of the following monitoring program to the District:

- The analysis method for each parameter will be mutually agreed upon between the District and Ecolab (the methods may be, but do not have to be U.S. EPA approved test methods provided that alternate methods are shown to provide results consistent with U.S. EPA methods).
- The monitoring point will be Ecolab's 15,000-gallon wastewater equalization tank.
- A batch consists of the total volume of wastewater in the equalization tank that is monitored and then discharged prior to the introduction of additional wastewater to the tank.
- The process wastewater in the equalization tank will be recirculated.
- The following schedule will be utilized during normal operations:

ECOLAB FACILITY NORMAL OPERATION

Parameter	Type	Frequency
Flow	Flow Meter (BCPSSD)	Daily
pH	Grab from Equal. Tank	One per Batch
Free Chlorine	Grab from Equal. Tank	One per Batch
COD	Grab from Equal. Tank	One Batch per Month
BOD5	Grab from Equal. Tank	One Batch per Quarter (split sample with COD)
TSS	Grab from Equal. Tank	One Batch per Month
Copper, Total	Grab from Equal. Tank	One Batch per Quarter
Zinc, Total	Grab from Equal. Tank	One Batch per Quarter

In the event that any batch exceeds one or more of the loadings listed in Section 12.01, Ecolab agrees not to discharge the wastewater from that batch to the District, until conformance is achieved. The BOD5 loading shall be evaluated on the basis of COD as measured and multiplied by the BOD/COD ratio determined through split sampling.

Section 12.05 Ecolab agrees to sample and analyze the co-mingled process and sanitary wastewater discharge in accordance with the requirements of the WVDEP NPDES permit revisions that will be issued to the District. The District shall install and maintain a continuous flow measurement device and totalizer, and an automatic flow, proportional-sampling unit at the influent point of the pretreatment system. The District shall share influent testing results with Ecolab, and Ecolab may elect to review and comment on Discharge Monitoring Reports (DMR) for influent to the pretreatment facility. The equipment and testing data shall be used by Ecolab to facilitate its monitoring programs.

Section 12.06 Ecolab agrees to maintain records of testing required in Section 12.04 at the facility and to make these records available to the District upon request within normal business hours. Ecolab agrees to submit to the District the analytical test results required by Section 12.05 within two weeks of receipt of the final laboratory analytical reports.

Section 12.07 If the aforementioned monitoring results identify loadings of wastewater parameters consistently below the limits identified in Section 12.01, Ecolab may request, or the District may, at its own discretion, reduce the sampling and analysis requirements described in Section 12.04. The District may, based on monitoring results consistently above the limits identified in Section 12.01 and following notification to Ecolab, apply the additional monitoring requirements.

Conditions to Loan; Issuance of Local Bonds

3.1 The agreement of the Authority and Council to make the Loan is subject to the Governmental Agency's fulfillment, to the satisfaction of the Authority and the Council, of each and all of those certain conditions precedent on or before the delivery date for the Local Bonds, which shall be the date established pursuant to Section 3.4 hereof. Said conditions precedent are as follows:

(b) The Governmental Agency shall have authorized the issuance of and delivery to the Authority of the Local Bonds described in this Article III and in Article IV hereof;

(c) The Governmental Agency shall either have received bids or entered into contracts for the construction of the Project which are in an amount and otherwise compatible with the plan of financing described in the Application; provided that, if the Loan will refund an interim construction financing, the Governmental Agency must either be constructing or have constructed its Project for a cost and as otherwise compatible with the plan of financing described in the Application; and, in either case, the Authority and the Council shall have received a certificate of the Consulting Engineers to such effect, the form of which certificate is attached hereto as Exhibit A;

(d) The Governmental Agency shall have obtained all permits required by the laws of the State and the federal government necessary for the construction of the Project, and the Authority and the Council shall have received a certificate of the Consulting Engineers to such effect;

(e) The Governmental Agency shall have obtained all requisite orders of and approvals from the Public Service Commission of West Virginia (the "PSC") and the Council necessary for the construction of the Project and operation of the System, with all requisite appeal periods having expired without successful appeal, and the Authority and the Council shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority and the Council, to such effect;

(f) The Governmental Agency shall have obtained any and all approvals for the issuance of the Local Bonds required by State law, and the Authority and the Council shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

(g) The Governmental Agency shall have obtained any and all approvals of rates and charges required by State law and shall have taken any other action required to establish and impose such rates and charges (imposition of such rates and charges is not, however, required to be effective until completion of construction of the Project), with all requisite appeal periods having expired without successful appeal, and the Authority and the Council shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority and the Council, to such effect;

(i) The net proceeds of the Local Bonds, together with all moneys on deposit or to be simultaneously deposited (or, with respect to proceeds of grant anticipation notes or other indebtedness for which a binding purchase contract has been entered, to be deposited on a date certain) and irrevocably pledged thereto and the proceeds of grants irrevocably committed therefor, shall be sufficient to pay the costs of construction and acquisition of the Project as set forth in the Application, and the Authority shall have received a certificate of the Consulting Engineers, or such other person or firm experienced in the financing of projects and satisfactory to the Authority and the Council, to such effect, such certificate to be in form and substance satisfactory to the Authority and the Council, and evidence satisfactory to the Authority and the Council of such irrevocably committed grants.

3.2 Subject to the terms and provisions of this Loan Agreement, the rules and regulations promulgated by the Authority, the Council or any other appropriate State agency and any applicable rules, regulations and procedures promulgated from time to time by the federal government, it is hereby agreed that the Authority shall make the Loan to the Governmental Agency and the Governmental Agency shall accept the Loan from the Authority, and in furtherance thereof it is agreed that the Governmental Agency shall sell to the Authority and the Authority shall make the Loan by purchasing the Local Bonds in the principal amount and at the price set forth in Schedule X hereto. The Local Bonds shall have such further terms and provisions as described in Article IV hereof.

3.3 The Loan shall be secured and shall be repaid in the manner hereinafter provided in this Loan Agreement.

3.4 The Local Bonds shall be delivered to the Authority, at the offices of the Authority, on a date designated by the Governmental Agency by written notice to the Authority, which written notice shall be given not less than ten (10) business days prior to the date designated; provided, however, that if the Authority is unable to accept delivery on the date designated, the Local Bonds shall be delivered to the Authority on a date as close as possible to the designated date and mutually agreeable to the Authority, the Council and the Governmental Agency. The date of delivery so designated or agreed upon is hereinafter referred to as the "Date of Loan Closing." Notwithstanding the foregoing, the Date of Loan Closing shall in no event occur more than ninety (90) days after the date of execution of this Loan Agreement by the Authority or such later date as is agreed to in writing by the Council.

3.5 The Governmental Agency understands and acknowledges that it is one of several governmental agencies which have applied to the Council for loans from the Infrastructure Fund to finance projects and that the obligation of the Authority to make any such loan is subject to the Council=s authorization and the Governmental Agency's fulfilling all of the terms and conditions of this Loan Agreement on or prior to the Date of Loan Closing. The Governmental Agency specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Infrastructure Fund to purchase all the Local Bonds and that, prior to execution of this Loan Agreement, the Authority may commit to and purchase the revenue bonds of other governmental agencies for which it has sufficient funds available.

ARTICLE IV

Local Bonds; Security for Loan; Repayment of Loan; Interest on Loan; Fees and Charges

4.1 The Governmental Agency shall, as one of the conditions of the Authority to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Governmental Agency in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows, unless the specific provision or covenant is modified or waived by the Council:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues shall be used monthly, in the order of priority listed below:

(i) to pay Operating Expenses of the System;

(ii) to the extent not otherwise limited by any outstanding loan resolution, indenture or other act or document and beginning on the date set forth in Schedule X, to provide debt service on the Local Bonds by depositing in a sinking fund one-third (1/3) of the interest payment next coming due on the Local Bonds and one-third (1/3) of the

principal payment next coming due on the Local Bonds and, beginning three (3) months prior to the first date of payment of principal of the Local Bonds, if the reserve account for the Local Bonds (the AReserve Account@) was not funded from proceeds of the Local Bonds or otherwise concurrently with the issuance thereof (which, with an approving opinion of bond counsel to the Governmental Agency, may be with a letter of credit or surety) in an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the AReserve Requirement@), by depositing in the Reserve Account an amount not less than one-twelfth (1/12) of one-tenth (1/10) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided, that if the Governmental Agency has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by a pledge of either the gross or net revenues of the System, as more fully set forth in Schedule X attached hereto and in the Local Act;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Governmental Agency shall complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or with the written consent of the Council and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Local Bonds outstanding, with further restrictions on the disposition of portions of the System as are normally contained in such covenants;

(v) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and the Council; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Governmental Agency will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Governmental Agency will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Governmental Agency under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Governmental Agency will not grant any franchise to provide any services which would compete with the System;

(xi) That the Governmental Agency shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and

West Virginia Water Development Authority

Ladies and Gentlemen:

We are bond counsel to _____ (the "Governmental Agency"), a _____.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated _____, _____, including all schedules and exhibits attached thereto (the "Loan Agreement"), between the Governmental Agency and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and (ii) the issue of a series of revenue bonds of the Governmental Agency, dated _____, (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of $_____, in the form of one bond, registered as to principal and interest to the Authority, with interest and principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, beginning _____, 1, _____, and ending _____, 1, _____, as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Governmental Agency on _____, as supplemented by the supplemental resolution duly adopted by the Governmental Agency on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior

to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding special obligation of the Governmental Agency, enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Governmental Agency without the consent of the Authority and the Council.

3. The Governmental Agency is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Governmental Agency and constitute valid and binding obligations of the Governmental Agency, enforceable against the Governmental Agency in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Governmental Agency to the Authority and are valid, legally enforceable and binding special obligations of the Governmental Agency, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

Item 1 You will need a copy of the current fiscal year budget adopted by the Governmental Agency to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of $1,200 are anticipated to be received for the year, each month the base would be increased by $100 ($1,200/12). This is the incremental amount for the Budget Year-to-Date column.

Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are $1,200, then $30 (2.5% of $1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Governmental Agency.
