BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF BERKELEY COUNTY PUBLIC SERVICE SEWER DISTRICT:

**ARTICLE I**

**STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS**

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A, Chapter 22C, Article 2 and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Berkeley County Public Service Sewer District (the "Issuer") is a public service district and a public corporation and political subdivision of the State of West Virginia in Berkeley County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed improvements and extensions to the existing public sewerage system of the

Issuer, consisting of Baker Heights Wastewater Treatment Plant upgrade, the Inwood Wastewater Treatment Plant upgrade, the Opequon Hedgesville Wastewater Treatment Plant upgrade, the North Area Wastewater Treatment Plant upgrade and the Gantt Pump station upgrade, together with all necessary appurtenances (collectively, the "Project"), which constitute properties for the collection, treatment, purification or disposal of liquid or solid wastes, sewage or industrial wastes (the existing public sewer facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), which administers the West Virginia Infrastructure Fund (the "Infrastructure Fund") for the West Virginia Infrastructure and Jobs Development Council (the "Council") and the West Virginia Water Pollution Control Revolving Fund Program (the "SRF Program"), on behalf of the West Virginia Department of Environmental Protection (the "DEP") all pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its (1) Sewer Revenue Bonds, Series 2015 A (West Virginia SRF Program), in the aggregate principal amount of \$26,435,450 (the "Series 2015 A Bonds"); and (2) Sewer Revenue Bonds, Series 2015 B (West Virginia Infrastructure Fund), in the aggregate principal amount of \$10,623,472 (the "Series 2015 B Bonds"), to (i) permanently finance a portion of the costs of acquisition and construction of the Project; and (ii) pay costs of issuance and related costs. The remaining Costs of the Project shall be funded from the sources set forth in Section 2.01 hereof. Said Costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2015 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Reserve Accounts (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2015 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2015 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Series 2015 A Bonds be sold to the Authority pursuant to the terms and provisions of a Bond Purchase Agreement by and among the Issuer, the Authority and the DEP (the "Bond Purchase Agreement"), in form satisfactory to the Issuer, the Authority and the DEP, approved hereby if not previously approved by resolution of the Issuer.

It is in the best interests of the Issuer that its Series 2015 B Bonds be sold to the

Authority pursuant to the terms and provisions of a loan agreement by and between the Issuer and the Authority, on behalf of the Council, (the "Loan Agreement") in the form satisfactory to the respective parties, to be approved hereby if not previously approved by resolution of the Issuer.

The Issuer shall not be required to make any further payments into the Series 2015 A Bonds Sinking Fund or the Series 2015 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2015 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

The Issuer shall not be required to make any further payments into the Series 2015 B Bonds Sinking Fund or the Series 2015 B Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2015 B Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Surplus Revenues may be used for any lawful purpose of the System.

D. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the respective parties shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to

## ARTICLE VII

### **ADDITIONAL COVENANTS OF THE ISSUER**

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2015 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2015 Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2015 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Positions with Respect to Bonds. The payment of the debt service of the Series 2015 Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the System, on a parity with each other and with the lien on the Net Revenues in favor of the Holders of the Series 2015 C Bonds and the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2015 Bonds, Series 2015 C Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and shall provide an opinion of counsel to the Issuer of such effect. Such rates and charges shall be sufficient to comply with the requirements of the Bond Purchase Agreement and Loan Agreement and the Issuer shall supply a certificate of certified public accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Recommended Decision dated December 1, 2014 of the Public Service Commission of West Virginia (the "PSC") in Case No. 13-1836-PSD-42A-CN and such rates are hereby adopted.

So long as the Series 2015 Bonds are Outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Bond Purchase Agreement and the Loan Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2015 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation, the Bond Purchase Agreement, and the Loan Agreement the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation, the Bond Purchase Agreement and the Loan Agreement.

Section 7.05.      Sale of the System. So long as the Series 2015 Bonds, Series 2015 C Bonds and the Prior Bonds are Outstanding and except as otherwise required by law or with the written consent of the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2015 Bonds, immediately be remitted to the Commission for deposit in the Sinking Funds, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2015 Bonds. Any balance remaining after the payment of the Series 2015 Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the

then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2015 Bonds and the Prior Bonds. All obligations issued by the Issuer after the issuance of the Series 2015 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2015 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2015 Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2015 Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are Outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2015 Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and without complying with the conditions and requirements herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2015 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions, extensions, improvements or betterments to the System or refunding any Outstanding Bonds, or both such purposes.

So long as the RUS Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions

contained in this Resolution then Outstanding; and

- (3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the RUS Bonds, representing 75% of the then-outstanding principal indebtedness.

So long as the Series 1986 B Bonds, Series 1990 A Bonds, Series 1990 B Bonds, Series 1994 A Bonds, Series 1995 A Bonds, Series 1995 B Bonds, Series 1996 A Bonds, Series 1996 B Bonds, Series 1996 C Bonds, Series 1997 A Bonds, Series 1997 B Bonds, Series 1999 A Bonds, Series 2000 A Bonds, Series 2001 A Bonds, Series 2001 B Bonds, Series 2002 A Bonds, Series 2002 B Bonds, Series 2002 C Bonds, Series 2002 D Bonds, Series 2002 E Bonds, Series 2003 A Bonds, Series 2003 B Bonds, Series 2004 A Bonds, Series 2007 A Bonds, Series 2009 A Bonds, Series 2009 B Bonds, Series 2013 A Bonds, Series 2013 B Bonds, Series 2013 C Bonds, Series 2013 D Bonds, Series 2015 A Bonds, Series 2015 B Bonds or Series 2015 C Bonds are Outstanding, no Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer and approved by the Public Service Commission of West Virginia, the time for appeal of which shall have expired prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the time for appeal of which shall have expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 2015 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2015 Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the DEP, the Council and the Authority, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the DEP, the Council and the Authority such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the DEP, the Council and the Authority, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records

as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the DEP, the Council the Authority, or any other original purchaser of the Series 2015 Bonds, and shall mail in each year to any Holder or Holders of the Series 2015 Bonds, requesting the same, an annual report containing the following:

- (A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.
- (B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.
- (C) The amount of any Bonds, notes or other obligations Outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required, in compliance with the applicable OMB Circular and the Single Audit Act, or any successor thereto), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2015 Bonds, and shall submit said report to the DEP, the Council and the Authority, or any other original purchaser of the Series 2015 Bonds. Such audit report submitted to the DEP, the Council and the Authority shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Bond Purchase Agreement, the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Bond Purchase Agreement, the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the DEP, the Council and the Authority, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the DEP, the Council and the Authority, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the DEP, the Council and the Authority with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2015 Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and

charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2015 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2015 Bonds, including the Series 2015 C Bonds and the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit in the Series 2015 Bonds Reserve Accounts, and the reserve accounts for obligations on a parity with or junior to the Series 2015 Bonds, including the Series 2015 C Bonds and the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2015 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2015 Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the DEP, the Council and the Authority within 45 days of adoption thereof.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Bond Purchase Agreement and Loan Agreement, and forward a copy of such report to the DEP, the Council and the Authority by the 20th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Bond Purchase Agreement and Loan Agreement stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority, the Council and the DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority, the Council and the DEP is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority, the Council and the DEP covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Berkeley County Public Service Sewer District (the "Issuer"), a Public Service Sewer District, public corporation and political subdivision created and existing under the laws of the State of West Virginia, of its \$26,435,450 Sewer Revenue Bonds, Series 2015 A (West Virginia SRF Program), dated the date hereof (the "Bonds").

We have examined the law and a certified copy of proceedings and other papers relating to the authorization of (i) a Bond Purchase Agreement dated February 12, 2015, including all schedules and exhibits attached thereto (the "Bond Purchase Agreement"), among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and (ii) the Bonds to be purchased by the Authority in accordance with the provisions of the Bond Purchase Agreement. The Bonds are issued in the principal amount of \$26,435,450, in the form of one bond, bearing no interest, registered as to principal to the Authority, with principal of the Bonds payable quarterly on March 1, June 1, September 1, and December 1 of each year, beginning June 1, 2017, to and including December 1, 2054, all as set forth in "Schedule Y" attached to the Bond Purchase Agreement and incorporated in and made a part of the Bonds. The Series 2015 A Bonds are subject to the SRF Administrative Fee equal to 0.50% of the principal amount of the Series 2015 A Bonds as set forth in the Schedule Y attached to the Bond Purchase Agreement.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquisition and construction of improvements and extensions to the existing public sewerage system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Bond Resolution duly adopted by the Issuer on January 20, 2015, as supplemented by a Supplemental Resolution duly adopted by the Issuer on February 3, 2015 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the Bond Purchase Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Bond Purchase Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Bond Purchase Agreement when used herein.

2. The Bond Purchase Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the DEP and cannot be amended by the Issuer so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.

1990 B Bonds”), (the “Second Lien Bonds” and collectively with the First Lien Bonds the “Prior Bonds”) all in accordance with the terms of the Bonds and the Bond Legislation.

4. The Bonds are, under the Act, exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

5. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Loan Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors’ rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered BR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

7.2 If any provision of this Bond Purchase Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Bond Purchase Agreement, and this Bond Purchase Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

## INSTRUCTIONS FOR COMPLETING MONTHLY FINANCIAL REPORT

- Item 1 You will need a copy of the current fiscal year budget adopted by the Local Government to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ( $\$1,200/12$ ). This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ( $\$900/12$ ). This is the incremental amount for the Budget Year-to-Date column.
- Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Local Government according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.
- Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Government.

**The Local Government must complete the Monthly Financial Report and forward it to the Water Development Authority by the 20<sup>th</sup> day of each month, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project.**

OPINION OF BOND COUNSEL FOR LOCAL GOVERNMENT

[To Be Dated as of Date of Closing]

West Virginia Water Development Authority  
1009 Bullitt Street  
Charleston, WV 25301

West Virginia Department of Environmental Protection  
601 57<sup>th</sup> Street  
Charleston, WV 25304

Ladies and Gentlemen:

We are bond counsel to \_\_\_\_\_ (the "Local Government"), a  
\_\_\_\_\_.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a bond purchase agreement dated \_\_\_\_\_, \_\_\_\_\_, including all schedules and exhibits attached thereto (the "Bond Purchase Agreement"), among the Local Government, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and (ii) the issue of a series of revenue bonds of the Local Government, dated \_\_\_\_\_, \_\_\_\_\_ (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Bond Purchase Agreement. The Local Bonds are issued in the principal amount of \$ \_\_\_\_\_, in the form of one bond, registered as to principal only to the Authority, with principal payable quarterly on March 1, June 1, September 1, and December 1 of each year, beginning \_\_\_\_\_ 1, \_\_\_\_\_, and ending \_\_\_\_\_ 1, \_\_\_\_\_, all as set forth in the "Schedule Y" attached to the Bond Purchase Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) \_\_\_\_\_, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of \_\_\_\_\_ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond \_\_\_\_\_ duly adopted or enacted by the Local Government on \_\_\_\_\_, as supplemented by the supplemental resolution duly adopted by the Local Government on \_\_\_\_\_ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Bond Purchase Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Bond Purchase Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Bond Purchase Agreement has been duly authorized by and executed on behalf of the Local Government and is a valid and binding special obligation of the Local Government, enforceable in accordance with the terms thereof.

2. The Bond Purchase Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Local Government without the consent of the Authority and the DEP.

3. The Local Government is a duly organized and validly existing \_\_\_\_\_, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Local Government and constitute valid and binding obligations of the Local Government, enforceable against the Local Government in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Bond Purchase Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Government to the Authority and are valid, legally enforceable and binding special obligations of the Local Government, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt \_\_\_\_\_, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

OPINION OF BOND COUNSEL FOR GOVERNMENTAL AGENCY

[To Be Dated as of Date of Loan Closing]

Jobs Development Council  
1009 Bullitt Street  
Charleston, WV 25301

West Virginia Water Development Authority  
1009 Bullitt Street  
Charleston, WV 25301

Ladies and Gentlemen:

We are bond counsel to \_\_\_\_\_ (the  
“Governmental Agency”), a \_\_\_\_\_.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated \_\_\_\_\_, \_\_\_\_\_, including all schedules and exhibits attached thereto (the “Loan Agreement”), between the Governmental Agency and the West Virginia Water Development Authority (the “Authority”), on behalf of the West Virginia Infrastructure and Jobs Development Council (the “Council”), and (ii) the issue of a series of revenue bonds of the Governmental Agency, dated \_\_\_\_\_, \_\_\_\_\_ (the “Local Bonds”), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of \$\_\_\_\_\_, in the form of one bond, registered as to principal and interest to the Authority, with interest and principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, beginning \_\_\_\_\_, 1, \_\_\_\_\_, and ending \_\_\_\_\_, 1, \_\_\_\_\_, as set forth in the “Schedule Y” attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) \_\_\_\_\_, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of \_\_\_\_\_ of the Code of West Virginia, 1931, as amended (the “Local Statute”), and the bond \_\_\_\_\_ duly adopted or enacted by the Governmental Agency on \_\_\_\_\_, as supplemented by the supplemental resolution duly adopted by the Governmental Agency on \_\_\_\_\_ (collectively, the “Local Act”), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding special obligation of the Governmental Agency, enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Governmental Agency without the consent of the Authority and the Council.

3. The Governmental Agency is a duly organized and validly existing \_\_\_\_\_, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Governmental Agency and constitute valid and binding obligations of the Governmental Agency, enforceable against the Governmental Agency in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Governmental Agency to the Authority and are valid, legally enforceable and binding special obligations of the Governmental Agency, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt \_\_\_\_\_, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

## INSTRUCTIONS FOR COMPLETING MONTHLY FINANCIAL REPORT

- Item 1      You will need a copy of the current fiscal year budget adopted by the Governmental Agency to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ( $\$1,200/12$ ). This is the incremental amount for the Budget Year-to-Date column.
- Item 2      Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ( $\$900/12$ ). This is the incremental amount for the Budget Year-to-Date column.
- Item 3      Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Governmental Agency according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.
- Item 4      Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Governmental Agency.

**The Governmental Agency must complete the Monthly Financial Report and forward it to the Water Development Authority by the 10<sup>th</sup> day of each month, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project.**
