A. The Issuer is a public service district, public corporation and political subdivision of the State of West Virginia in Berkeley County of said State.

B. The Issuer presently owns and operates a public waterworks treatment and distribution system which it has financed or refinanced, in part, pursuant to the issuance of the Prior Bonds and the Series 2006 Bonds.

C. It is deemed necessary for the Issuer to issue its Water Refunding Revenue Bonds, Series 2015 A (Bank Qualified), in one or more series, in the total aggregate principal amount of not more than $10,000,000 to pay all or a portion of the outstanding principal of, and interest on, the Series 2006 Bonds. The proceeds of the Series 2015 A Bonds may also be applied to funding the Series 2015 A Bonds Reserve Account and the payment of underwriter's discount; financial advisor expenses; legal expenses; expenses for estimates of costs and revenues; administrative expense; discount; initial fees for the services of registrar's, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2015 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2015 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall also be permitted.

D. It is in the best interests of the Issuer that the Series 2015 A Bonds be sold to the Original Purchaser pursuant to the terms and provisions of a bond purchase agreement or bond purchase agreements to be entered into by and between the Issuer and the Original Purchaser, as shall be approved by supplemental resolution of the Issuer.

E. The Series 2015 A Bonds shall be issued on a parity with one another and the First Lien Bonds and senior and prior to the Second Lien Bonds with respect to liens, pledge and source of and security for payment and in all other respects. Prior to the issuance of the Series 2015 A Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the First Lien Bonds have been met; (ii) the written consent of the Holders of the First Lien State Bonds to the issuance of the Series 2015 A Bonds on a parity with the First Lien State Bonds; and (iii) the written consent of the Holders of the Second Lien Bonds to the issuance of the Series 2015 A Bonds senior and prior to the Second Lien Bonds. H. The adoption of this Resolution, and the execution and issuance of the Series 2015 A Bonds, subject to the terms thereof, will not result in any breach of, or constitute a default under, any instrument to which the Issuer is a party or by which it may be bound or affected.

I. The Issuer has complied with all requirements of West Virginia law relating to the operation of the System, the issuance of the Series 2015 A Bonds and the refunding of the Series 2006 Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a certificate of convenience and necessity from the West Virginia Public Service Commission by final order, the time for rehearing and appeal of which will either have expired prior to the date of issuance of the Series 2015 A Bonds or such final order will not be subject to appeal or rehearing.

ARTICLE III

THE BONDS

Section 3.01. Form and Payment of Bonds. No Series 2015 A Bond shall be issued pursuant to this Resolution except as provided in this Article III. Any Series 2015 A Bonds issued pursuant to this Resolution may be issued only as fully registered Series 2015 A Bonds without coupons, in the denomination of $5,000 or any integral multiple thereof for any year of maturity (or such other denominations as may be set forth in a Supplemental Resolution). All Series 2015 A Bonds shall be dated as of the date provided in a Supplemental Resolution applicable to such series. All Series 2015 A Bonds shall bear interest from the interest payment date next preceding the date of authentication or, if authenticated after the Record Date but prior to the applicable interest payment date or on such interest payment date, from such interest payment date or, if no interest on such Series 2015 A Bonds has been paid, from the date thereof; provided however, that, if, as shown by the records of the Registrar, interest on such Series 2015 A Bonds shall be in default, Series 2015 A Bonds issued in exchange for Series 2015 A Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the initial Series 2015 A Bonds surrendered.

The principal of and the premium, if any, on the Series 2015 A Bonds shall be payable in any coin or currency which, on the respective date of such payment, is legal tender for the payment of public and private debts under the laws of the United States of America upon surrender at the principal office of the Paying Agent. Interest on the Series 2015 A Bonds shall be paid by check or draft made payable and mailed to the Registered Owner thereof at his address as it appears in the Bond Register at the close of business on the Record Date, or, if requested, in the case of a Registered Owner of $1,000,000 or more of the Series 2015 A Bonds, by wire transfer to a domestic bank account specified in writing at least 5 days prior to such interest payment date by such Registered Owner.

In the event any Series 2015 A Bond is redeemed in part, such bond shall be surrendered to and canceled by the Registrar, and the Issuer shall execute, and the Registrar shall authenticate and deliver to the Registered Owner thereof, another Series 2015 A Bond in the principal amount of said Series 2015 A Bond then Outstanding.

Section 3.02. Execution of Bonds. The Series 2015 A Bonds shall be executed in the name of the Issuer by the Chairman, by his or her manual or facsimile signatures, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Secretary by his or her manual or facsimile signature; provided, that, all such signatures and the seal may be by facsimile. In case any one or more of the officers who shall have signed or sealed any of the Series 2015 A Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2015 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Series 2015 A Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in EXHIBIT A - FORM OF SERIES 2015 A BONDS attached hereto and incorporated herein by reference with respect to such respective Series 2015 A Bond, shall have been duly manually executed by the

Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Series 2015 A Bond has been authenticated, registered and delivered under this Resolution. The Certificate of Authentication and Registration on any Series 2015 A Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2015 A Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Series 2015 A Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder, in accepting any of said Series 2015 A Bonds, shall be conclusively deemed to have agreed that such Series 2015 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder shall further be conclusively deemed to have agreed that said Series 2015 A Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2015 A Bonds remain Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Series 2015 A Bonds. Series 2015 A Bonds shall be transferable only by transfer of registration upon the Bond Register by the registered owner thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or such duly authorized attorney or legal representative. Upon transfer of a Series 2015 A Bond, there shall be issued at the option of the Holder or the transferee another Series 2015 A Bond of the aggregate principal amount equal to the unpaid amount of the transferred Bond and of the same series, interest rate and maturity of said transferred Series 2015 A Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the registered owner or his attorney or legal representative duly authorized in writing, Series 2015 A Bonds may at the option of the Holder thereof be exchanged for an equal aggregate principal amount of Series 2015 A Bonds of the same series, maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Series 2015 A Bond is exercised, Bonds shall be delivered in accordance with the provisions of this Resolution. All Series 2015 A Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Series 2015 A Bonds, the initial exchange of Series 2015 A Bonds and exchanges of Series 2015 A Bonds in the event of partial redemption of fully registered Series 2015 A Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2015 A Bonds, the Registrar may impose a service charge. For every such transfer or exchange of bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2015 A Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2015 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Series 2015 A Bond of like series, maturity and principal amount as the Series 2015 A Bond, so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Bond, or in lieu of and substitution for the Series 2015 A Bond destroyed, stolen or lost, and upon the Holder's furnishing the Issuer and the Registrar proof of his ownership thereof and that said Series 2015 A Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Bondholder listed in the Bond Register shall constitute proof of ownership. All Series 2015 A Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Series 2015 A Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Series 2015 A Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Series 2015 A Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Series 2015 A Bonds be at any time found by any one, and such duplicate Series 2015 A Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the Revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued pursuant to this Resolution, the following provisions shall apply:

A. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2015 A Bonds Redemption Account in accordance with Subsection 4.03A(3) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory Redemption Date of said Term Bonds, a sum equal to 1/12th of the amount required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with respect to the Series 2015 A Bonds shall be set forth in the Supplemental Resolution relating thereto.

B. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

C. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect

to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

D. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the monies in the Series 2015 A Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

E. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Series 2015 A Bonds Sinking Fund, as will exhaust as nearly as practicable such Series 2015 A Bonds Redemption Account payment designated to be made in accordance with paragraph (A) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of $5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Series 2015 A Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to Original Purchaser and the registered owner of the Series 2015 A Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

So long as DTC (as CEDE & CO.) is the registered Owner of the Series 2015 A Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice. Copies of all redemption notices relating to optional redemption of the Series 2015 A Bonds shall also be sent to registered securities depositories.

All official notices of redemption shall be dated and shall state:

(1) The Redemption Date;

(2) The Redemption Price;

(5) The place where such Series 2015 A Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar; and

(6) Such other information, if any, as shall be required for DTC-eligible Series 2015 A Bonds.

If funds sufficient to redeem all Series 2015 A Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such notice shall also state that such optional redemption is subject to the deposit of such monies with the Paying Agent on or before the Redemption Date. If such monies are not so deposited, the Registrar shall notify all holders of Series 2015 A Bonds called for redemption of such fact.

Official notice of redemption having been given as aforesaid, the Series 2015 A Bonds or portions of Series 2015 A Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Series 2015 A Bonds or portions of Series 2015 A Bonds shall cease to bear interest. Upon surrender of such Series 2015 A Bonds for redemption in accordance with said notice, such Series 2015 A Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Series 2015 A Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unredeemed principal of such Series 2015 A Bond. All Series 2015 A Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2015 A Bonds, and failure to mail or otherwise send such notice shall not affect the validity of proceedings for the redemption of any portion of Series 2015 A Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Series 2015 A Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on, such Bond and for all other purposes, whether or not such Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Resolution. Upon the presentation and surrender of any Bond or Bonds in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefor, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefor to the Holder of such Bond in temporary form.

The Series 2015 A Bonds shall be dated; shall be in such aggregate principal amount; shall bear interest at such rate or rates, not exceeding the then legally permissible rate, payable semiannually on such dates; shall mature on such dates and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Bonds. A. The Series 2015 A Bonds shall each initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2015 A Bonds, respectively, of each maturity, registered in the name of CEDE & CO., as nominee of DTC. Except as provided in paragraph E below, all of the Series 2015 A Bonds shall be registered in the registration books kept by the Registrar in the name of CEDE & CO., as nominee of DTC; provided, that if DTC shall request that the Series 2015 A Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Series 2015 A Bonds registered in the name of such nominee or nominees. No person other than DTC or its nominee shall be entitled to receive from the Issuer or the Registrar either a Series 2015 A Bond, or any other evidence of ownership of the Series 2015 A Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Series 2015 A Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry system as provided in paragraph E below.

B. At or prior to settlement for the Series 2015 A Bonds, the Issuer and the Registrar shall execute or signify their approval of a representation letter addressed to DTC in a form satisfactory to DTC (the "Representation Letter"). Any successor Registrar shall, in its written acceptance of its duties under this Resolution, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Series 2015 A Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Series 2015 A Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in New York Clearing House or equivalent next day funds on the dates provided for such payments to be made to any Bondholder under this Resolution. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Issuer and the Registrar with respect to the principal or Redemption Price of or interest on the Series 2015 A Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Series 2015 A Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Series 2015 A Bonds so redeemed, but DTC may return such Series 2015 A Bonds and make an appropriate notation on the Series 2015 A Bonds certificate as to the amount of such partial redemption; provided, that DTC shall deliver to the Registrar, upon request, a written confirmation of such partial redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Series 2015 A Bonds of such maturity which have been redeemed.

D. The Issuer, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Series 2015 A Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Series 2015 A Bonds, selecting the Series 2015 A Bonds, or portions thereof, to be redeemed, giving any notice permitted or required to be given to Bondholders under this Resolution, registering the transfer of Series 2015 A Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Issuer nor the Registrar shall be affected by any notice to the contrary. Neither the Issuer nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Series 2015 A Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books of the Registrar as being a Bondholder with respect to (i) the Series 2015 A Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2015 A Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Resolution, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Series 2015 A Bonds, or (vi) any consent given or other action taken by DTC as Bondholder.

E. The book entry system for registration of the ownership of the Series 2015 A Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Series 2015 A Bonds; or (ii) the Issuer determines that continuation of the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Series 2015 A Bonds. In either of such events (unless in the case described in clause (ii) above, the Issuer appoints a successor securities depository), the Series 2015 A Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer or the Registrar for the accuracy of such designation. Whenever DTC requests the Issuer and the Registrar to do so, the Issuer and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 2015 A Bonds.

Section 3.12. Delivery of Bonds. The Issuer shall execute and deliver the Series 2015 A Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2015 A Bonds to the Original Purchaser upon receipt of the documents set forth below:

(1) A list of the names in which the Series 2015 A Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;

(4) The unqualified approving opinion upon the Series 2015 A Bonds by Bond Counsel; and

(5) A copy of such other documents, certifications and verifications as the Original Purchaser may reasonably require.

Section 3.13. Form of Bonds. The definitive Series 2015 A Bonds shall be in substantially the form set forth in EXHIBIT A – FORM OF SERIES 2015 A BondS attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 2015 A Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series 2015 A Bonds shall have the form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Bonds. Upon the issuance and delivery of the Series 2015 A Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

(1). All interest accrued on the Series 2015 A Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 2015 A Bonds Sinking Fund and applied to payment of interest on the Series 2015 A Bonds at the first interest payment date.

(2). An amount of the proceeds of the Series 2015 A Bonds equal to the Series 2015 A Bonds Reserve Requirement shall be remitted to the Bond Commission for deposit in the Series 2015 A Bonds Reserve Account, provided that, to the extent the Series 2015 A Bonds Reserve Requirement is satisfied in whole or in part from a reserve account letter of credit, surety bond or other credit facility and proceeds of the Series 2015 A Bonds shall be used to purchase said reserve account letter of credit, surety bond or other credit facility and proceeds of the Series 2015 A Bonds shall be deposited in the Series 2015 A Bonds Reserve Account only to the extent needed to satisfy the balance of the Series 2015 A Bonds Reserve Requirement.

(3). An amount of the proceeds of the Series 2015 A Bonds which shall, be sufficient to pay the outstanding principal of, and interest on, the Series 2006 Bonds, shall be deposited into the Sinking Fund for the Series 2006 Bonds held by the Bond Commission.

(4). An amount of Series 2015 A Bond proceeds which, together with other monies or securities deposited therein, shall be equal to the Costs of Issuance of the Series 2015 A Bonds shall be deposited with the Depository Bank in the Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Series 2015 A Bonds at the written direction of the Issuer. Monies not to be applied immediately to pay such costs of issuance may be invested in accordance with this Resolution, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 120 days following the Closing Date for the Series 2015 A Bonds, such unapplied proceeds shall be transferred by the Issuer to the Series 2015 A Bonds Sinking Fund established in Section 4.02 hereof and applied to the next ensuing payment of interest on the Series 2015 A Bonds. All such proceeds shall constitute a trust fund for such purposes, and there hereby is created a lien upon such monies until so

applied in favor of the Holders of the Series 2015 A Bonds from which such proceeds are derived.

Section 4.03. System Revenues and Application Thereof. So long as any of the Bonds shall be Outstanding and unpaid, the Issuer covenants as follows:

A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Resolution and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided.

(1) The Issuer shall first each month pay from the Revenue Fund the Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) the amounts required by the Prior Resolutions to pay interest on the First Lien Bonds; and (ii) commencing 6 months prior to the first interest payment date on the Series 2015 A Bonds, for deposit in the Series 2015 A Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on the Series 2015 A Bonds on the next ensuing semiannual interest payment date; provided, that in the event the period to elapse between the date of such initial deposit in the Series 2015 A Bonds Sinking Fund and the next ensuing semiannual interest payment date is less than or greater than 6 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date; and, provided further that, the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2015 A Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 2015 A Bonds deposited therein and subsequent amounts required to be transferred from the Revenue Fund and deposited in the Series 2015 A Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Series 2015 A Bonds Sinking Fund.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) the amounts required by the Prior Resolutions to pay the principal of the First Lien Bonds; and (ii)

commencing 12 months prior to the first principal payment date or mandatory Redemption Date of the Series 2015 A Bonds, for deposit in the Series 2015 A Bonds Sinking Fund, and in the Series 2015 A Bonds Redemption Account therein in the case of Term Bonds which are to be redeemed, a sum equal to 1/12th of the amount of principal which will mature or be redeemed and become due on the Series 2015 A Bonds on the next ensuing principal payment date or mandatory Redemption Date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2015 A Bonds Sinking Fund and the next ensuing annual principal payment date or mandatory Redemption Date is less than or greater than 12 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing annual principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and, provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2015 A Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the respective Reserve Accounts, the amounts required under the Prior Resolutions to be deposited in the respective reserve requirements for the First Lien Bonds; and (ii) for deposit in the Series 2015 A Bonds Reserve Account, an amount sufficient to remedy any decrease in value of the Series 2015 A Bonds Reserve Account below the Series 2015 A Bonds Reserve Requirement or any withdrawal from the Series 2015 A Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2015 A Bonds Reserve Account results in a determination that the amount of monies and the value of the Qualified Investments deposited to the credit of the Series 2015 A Bonds Reserve Account is less than the Series 2015 A Bonds Reserve Requirement, or (b) any amount is withdrawn from the Series 2015 A Bonds Reserve Account for deposit into the Series 2015 A Bonds Sinking Fund. To the extent Net Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of monies on deposit in the Series 2015 A Bonds Reserve Account to an amount equal to the Series 2015 A Bonds Reserve Requirement to the full extent that such Net Revenues are available; provided, that no payments shall be required to be made into the Series 2015 A Bonds Reserve Account whenever and as long as the amount deposited therein shall be equal to the Series 2015 A Bonds Reserve Requirement.

(5) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund, a sum equal to 2.5% of the Gross Revenues each month (as previously set forth in the Prior Resolutions and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article V hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as

of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Bond Commission for deposit in the Sinking Fund for the Second Lien Bonds the amount required under the Prior Resolutions to pay principal of the Second Lien Bonds.

(7) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Bond Commission for deposit in the Reserve Account for the Second Lien Bonds the amount required under the Prior Resolutions.

Monies in the Series 2015 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2015 A Bonds as the same shall become due, whether by maturity or redemption prior to maturity. Amounts in the Series 2015 A Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2015 A Bonds when due, when amounts in the Series 2015 A Bonds Sinking Fund are insufficient therefor and for no other purpose.

The Issuer shall not be required to make any further payments into the Series 2015 A Bonds Sinking Fund or the Series 2015 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of Series 2015 A Bonds issued pursuant to this Resolution then Outstanding, plus the amount of interest due or thereafter to become due on the Series 2015 A Bonds then Outstanding.

As and when additional Bonds ranking on a parity with the Series 2015 A Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at or before maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirements therefor.

The payments into the Series 2015 A Bonds Sinking Fund shall be made on the first day of each month, except that, when the first day of any month shall be a Saturday, Sunday or legal holiday, then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Bond Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Resolution.

The Issuer shall restore any withdrawals from the Series 2015 A Bonds Reserve Account which have the effect of reducing the assets therein below the Series 2015 A Bonds Reserve Requirement, from the first Net Revenues available after all required payments have been made in full in the order set forth above.

Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the First Lien Bonds and the Series 2015 A Bonds, senior and prior to the principal, interest, if any, or reserve payments for the Second Lien Bonds, in accordance with the respective principal amounts then Outstanding.

The Bond Commission is hereby designated as the fiscal agent for the administration of the Series 2015 A Bonds Sinking Fund and Series 2015 A Bonds Reserve Account, created hereunder, and all amounts required for said accounts shall be remitted to the Bond Commission from the Revenue Fund by the Issuer at the times provided herein.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall remit from the Revenue Fund to the Bond Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Bond Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay any charges and fees then due.

D. The monies in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If on any monthly payment date the Net Revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 4.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

F. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE V

INVESTMENTS; NON-ARBITRAGE; REBATES OF EXCESS INVESTMENT EARNINGS

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any monies held as a part of the funds and accounts created by this Resolution in Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or

account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section:

(A) Qualified Investments acquired for the Series 2015 A Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to annually transfer from the Series 2015 A Bonds Reserve Account to the Series 2015 A Bonds Sinking Fund, any earnings on the monies deposited therein and any other funds in excess of the requirement therefor; provided, however, that there shall at all times remain on deposit in the Series 2015 A Bonds Reserve Account an amount at least equal to the Series 2015 A Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2015 A Bonds Reserve Account, whereupon such account shall be valued immediately after such withdrawal.

(D) All amounts representing accrued and capitalized interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 2015 A Bonds and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all monies deposited in the Series 2015 A Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Board of Treasury Investments pursuant to Chapter 12, Article 6C of the West Virginia Code of 1931, as amended.

Section 5.02. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 2015 A Bonds in such manner and to such extent as may be necessary, so that the Series 2015 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2015 A Bonds) so that the interest on the Series 2015 A Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.03. Tax Certificate and Rebate. A. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2015 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2015 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

B. The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect, with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and the required amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Series 2015 A Bonds from gross income for federal income tax purposes.

Section 5.04. Continuing Disclosure Agreement. The Issuer shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Resolution shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2015 A Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this

Resolution, the Issuer hereby covenants and agrees with the Holders of the Series 2015 A Bonds, as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2015 A Bonds, or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Series 2015 A Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any of the provisions or limitations of the constitution but shall be payable solely from the Net Revenues of the System, the monies in the Series 2015 A Bonds Sinking Fund and all accounts therein, or the unexpended proceeds of the Series 2015 A Bonds, all as herein provided. No Holder or Holders of the Series 2015 A Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2015 A Bonds, or the interest thereon.

Section 6.03. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of all of the Series 2015 A Bonds issued hereunder shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the First Lien Bonds, which lien and pledge are senior and prior to the lien on the Net Revenues in favor of the Holders of the Second Lien Bonds. The Net Revenues derived from the System, in an amount sufficient to pay the interest on and principal of the Prior Bonds and the Series 2015 A Bonds herein authorized, and to make the payments into the Series 2015 A Bonds Sinking Fund, the Series 2015 A Bonds Reserve Account, and all other payments provided for in this Resolution and the Prior Resolutions, are hereby irrevocably pledged in the manner provided in this Resolution to the payment of the interest on and principal of the Series 2015 A Bonds herein authorized as the same become due and for the other purposes provided in this Resolution.

Section 6.04. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created or continued hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 120% of the maximum amount required in any fiscal year for payment of principal of and interest on the Series 2015 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or subordinate to the Series 2015 A Bonds, including the Prior Bonds. In any event, subject to any requirements of law, the Issuer shall not reduce the rates or charges for services set forth in the current rate order.

In the computation provided in the above paragraph, "revenues of the System" shall include increased Net Revenues estimated to be derived from any improvements under construction, and any change in rates adopted by the Issuer and approved by the Public Service Commission of West Virginia (without successful appeal), whether or not such approved rates are being charged and collected by the Issuer.

The Issuer shall require that each annual audit contain a statement of the auditor that the Issuer either is or is not in compliance with the rate covenant contained in this Section 6.04. In the event that any audit contains a statement that the Issuer is not in compliance with the rate covenant contained in this Section 6.04, the Issuer hereby covenants that it shall, within ninety (90) days of receiving the audit report, file a request with the Public Service Commission of West Virginia for a rate increase sufficient to comply with the above-mentioned rate requirement.

Section 6.05. Operation and Maintenance. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the Revenues of said System in the manner provided in this Resolution.

The Issuer has or will obtain all permits required by state and federal laws for the operation of the System and all orders and approvals from the Public Service Commission of West Virginia necessary for the issuance of the Series 2015 A Bonds and the operation of the System.

Section 6.06. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System except as provided in the Prior Resolutions. Additionally, so long as the Series 2015 A Bonds are Outstanding, the System may be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, or to defease the pledge created by this Resolution and the Prior Resolutions. The proceeds from such sale, mortgage, lease or other disposition of the System shall be immediately remitted to the Commission for deposit in the respective Sinking Funds, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $500,000, the Issuer may provide for the sale of such property. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $500,000 but not in excess of $5,000,000 the Issuer, by resolution duly adopted, shall determine that the property is no longer necessary, useful or profitable in the operation of the System and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition off such property which are less than $500,000 may be deposited in the Revenue Fund or the Renewal and Replacement Fund, at the sole discretion of the Issuer. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $500,000 and not in excess of $5,000,000, shall be deposited by the Issuer into Sinking Funds for the Bonds or the Renewal and Replacement Fund, at the sole discretion of the Issuer. Such payment of such proceeds into the Sinking Funds for the Bonds or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Resolution.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, shall be in excess of $5,000,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of over 50% of the par amount of the Bonds then Outstanding. The Issuer

shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2015 A Bonds, except as provided in Section 6.08 herein. All obligations issued by the Issuer after the issuance of the Series 2015 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2015 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2015 A Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2015 A Bonds and the interest thereon, if any, in this Resolution, or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable.

No such Additional Parity Bonds (as hereinafter defined) shall be issued except for the purposes of financing the costs of the design, acquisition and construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds or Additional Parity Bonds, or to pay claims which may exist against the revenues or facilities of the System or all of such purposes.

So long as the Series 2015 A Bonds are Outstanding, no such Additional Parity Bonds shall be issued at any time, however, unless and until there has been procured a written statement by an Independent Certified Public Accountant, reciting the conclusion that the Net Revenues actually derived from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 2 Fiscal Years immediately following the Fiscal Year in which such Additional Parity Bonds are issued, if any, shall not be less than 120% of the Maximum Annual Debt Service on the following:

(1) The Bonds then Outstanding;

(2) Any Additional Parity Bonds theretofore issued pursuant to the provisions contained in the Prior Resolutions and this Resolution then Outstanding; and

(3) The Additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues" as that term is used in the computation provided in the above paragraph, shall include increased Net Revenues estimated to be derived from the improvements to be financed by such Additional Parity Bonds, if any, and any change in

rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) or such rates have been approved by the Public Service Commission of West Virginia (without successful appeal), prior to the date of delivery of such Additional Parity Bonds, whether or not such approved rates are being charged and collected by the Issuer.

The term "Additional Parity Bonds," as used in this section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this section, payable from the Net Revenues of the System on a parity with the Bonds. All covenants and other provisions of this Resolution (except as to details of such Additional Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Additional Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Resolution required for and on account of such Additional Parity Bonds, in addition to the payments required for the Bonds theretofore issued pursuant to this Resolution.

Additional Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to the lien on and source of and security for payment from such revenues, with the Bonds.

No Additional Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Resolution and the Prior Resolutions with respect to the Bonds then Outstanding, and any other payments provided for in this Resolution and the Prior Resolutions, shall have been made in full as required to the date of issuance of such Additional Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Resolution and the Prior Resolutions.

Provided, however, that if the audit by an Independent Certified Public Accountant for the Issuer for the Fiscal Year immediately preceeding the proposed issuance of Additional Parity Bonds states that the Issuer was not in compliance with the rate covenant in Section 6.04 of this Resolution for the year being audited and the Issuer has, as required by Section 6.04, enacted a rate ordinance seeking a rate increase sufficient to comply with Section 6.04, such statement in the most recent audit shall not be considered a violation of the covenants, agreements and terms of this Resolutions, so as to prevent the Issuer from issuing Additional Parity Bonds under this Section 6.08.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2015 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance and bonds and workers' compensation coverage with a reputable insurance carrier or carriers or bonding company or companies covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent

available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged and destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

C. WORKERS' COMPENSATION COVERAGE for all employees of or for the System eligible therefore.

D. FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 6.10. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and, in the event the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself or themselves of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.11. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all delinquent rates, rentals and other changes, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System to all delinquent users of services and facilities of the System and will not restore such services of the System until all billing for charges for the services and facilities of the System, plus reasonable interest and penalty charges for the restoration of service, has been fully paid.

Section 6.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.13. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Series 2015 A Bond shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as it shall direct.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by an Independent Certified Public Accountant in compliance with OMB Circular 128 or any successor thereto and the Single Audit Act.

Section 6.14. Operating Budget. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, or at such earlier date, prepare and adopt by resolution a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year.

Section 6.15. Connections. To the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, the Issuer shall require every owner, tenant or occupant of any house, dwelling or building intended to be served by the System to connect thereto.

Section 6.16. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2015 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2015 A Bonds, pro rata, and shall be on a parity with the statutory mortgage lien in favor of the Holders of the First Lien Bonds, and senior and prior to the lien in favor of the Holders of the Second Lien Bonds.

Section 6.17. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2015 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2015 A Bonds during the term thereof is, under the terms of the Series 2015 A Bonds or any underlying

arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2015 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2015 A Bonds during the term thereof is, under the terms of the Series 2015 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2015 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the System, or if the Series 2015 A Bonds are for the purpose of financing more than one project, a portion of the System, and shall not exceed the proceeds used for the governmental use of that portion of the System to which such Private Business Use is related.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2015 A Bonds or $5,000,000 are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2015 A Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2015 A Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2015 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 6.18. Designation of Series 2015 A Bonds as Qualified Tax-Exempt Obligations. The Issuer hereby designates the Series 2015 A Bonds as "Qualified Tax-Exempt Obligations" for purposes of paragraph (3) of Section 265(b) of the Code and that not more than $10,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income taxes (excluding, however, obligations described in Section 265(b)(3)(C)(ii) of the Code), have been or shall be issued by the Issuer or any entities subordinate to it, during the calendar year 2015, all as determined in accordance with the Code. For purposes of this paragraph and for the purposes of applying such Section 265(b)(3) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a subordinate entity shall, for purposes of applying this paragraph and Section 265(b)(3) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of Section 265(b)(3)(C) or (D) of the Code and all entities benefitting thereby shall be treated as one issuer.

Section 6.19. Continuing Disclosures. In order to provide the written undertaking for the benefit of the owners of the Series 2015 A Bonds required by the Securities and Exchange Commission Rule 15c2-12, the Issuer shall enter into a Continuing Disclosure Agreement in such form as may be approved by the Supplemental Resolution, and the Chairman is authorized and directed to execute and deliver such Continuing Disclosure Agreement on behalf of the Issuer, with such changes as the Chairman shall approve, such approval to be conclusively evidenced by the execution of such Agreement by the Chairman.

Section 6.20. Preliminary Official Statement; Official Statement. The distribution of the Preliminary Official Statement with respect to the Series 2015 A Bonds shall be and the same is hereby approved. The form of the Preliminary Official Statement shall be in such form as may be approved by the Supplemental Resolution. The Chairman is hereby authorized and directed to execute and deliver a final official statement on behalf of the Issuer, which shall be in substantially the form of the Preliminary Official Statement with such changes, insertions and omissions as may be required to reflect the terms of the sale of the Series 2015 A Bonds and as the Chairman may approve (the "Official Statement"). The execution of the Official Statement by the Chairman shall be conclusive evidence of such approval. Copies of the Official Statement are hereby authorized to be prepared and furnished to the Original Purchaser for distribution.

Section 6.21. Bond Insurance Policy. The Issuer may apply for a bond insurance policy for the Series 2015 A Bonds. In the event a bond insurance policy is obtained, additional covenants and provisions of the Issuer may be required by the bond insurer as a condition to insuring the Series 2015 A Bonds. These additional covenants and provisions shall be set forth in a Supplemental Resolution, shall apply to the Series 2015 A Bonds, and shall be controlling in the event any other provisions of this Resolution may be in conflict therewith.

ARTICLE VII

DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2015 A Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on the Series 2015 A Bonds;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Resolution or any Supplemental Resolution or in the Series 2015 A Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Bondholder;

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds or the Prior Resolutions.

The Issuer must cure any covenant default within 30 days after notice of the default, and failure to pay principal of or interest on the Bonds shall be an immediate event of default.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the Issuer to perform its duties under the Act and this Resolution;

(C) Bring suit upon the Series 2015 A Bonds;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of this Resolution or the rights of the Bondholders.

No remedy by the terms of this Resolution conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute. All rights and remedies of the Holders of the Series 2015 A Bonds shall be on a parity with one another and also on parity with those of the Holders of the First Lien Bonds, and senior and prior to those of the Holders of the Second Lien Bonds.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate, maintain, manage

and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2015 A Bonds issued pursuant to this Resolution and interest thereon and under any covenants of this Resolution for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Resolution shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Series 2015 A Bonds issued pursuant to this Resolution. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Bondholders, and the curing and making good of any default under the provisions of this Resolution, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Section 7.04. Restoration of Issuer and Bondholder. In case any Bondholder shall have proceeded to enforce any right under this Resolution by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Bondholder shall be restored to their former positions and rights hereunder, and all rights and remedies of such Bondholder shall continue as if no such proceedings had been taken.

ARTICLE VIII

REGISTRAR AND PAYING AGENT

Section 8.01. Appointment of Registrar. The Registrar for the Series 2015 A Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Registrar. The recitals of fact in the Series 2015 A Bonds shall be taken as statements of the Issuer, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any

liability on account of, the validity of the execution of any Series 2015 A Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2015 A Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Resolution and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Registrar May Act. Except as otherwise provided by Section 10.02, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Bonds, the first exchange of Bonds and the exchange of Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2015 A Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or effect or aid in any reorganization growing out of the enforcement of the Series 2015 A Bonds or this Resolution, whether or not any such committee shall represent the Holders of a majority in principal amount of the Series 2015 A Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Resolution by giving not less than 60 days' written notice to the Issuer, specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer or by the Holders of a majority in principal amount of the Series 2015 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer or by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Series 2015 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification

thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Bondholders. The Issuer shall notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Bondholders. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Resolution.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any monies, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2015 A Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Bonds so authenticated, and, in case any Series 2015 A Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent. So long as required by the Act, the Bond Commission shall serve as the Paying Agent. DEFEASANCE; DISCHARGE OF PLEDGE OF RESOLUTION

Section 9.01. Defeasance; Discharge of Pledge of Resolution. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Series 2015 A Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then this Resolution and the pledges of the Net Revenues and other monies and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Holders of the Series 2015 A Bonds made hereunder, shall thereupon cease, terminate and become void and be discharged and satisfied, except as may be necessary to assure the exclusion of interest on the Series 2015 A Bonds from gross income for federal income tax purposes.

The Series 2015 A Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on the Series 2015 A Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2015 A Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on the Series 2015 A Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of the Series 2015 A Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Series 2015 A Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the

principal of and redemption premium, if any, and interest to become due on the Series 2015 A Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations, as such term is limited by the provisions in Section 1.01 hereof or such additional securities as shall be set forth in the Supplemental Resolution.

Not withstanding the foregoing provision, no such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Series 2015 A Bond without the express written consent of the Registered Owner of such Bond, nor reduce the percentage of Series 2015 A Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Resolution may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Resolution if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Bondholder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Bonds held by a person executing any instrument as a Bondholder, the date of his holding such Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Bond shall bind all future Holders and owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.04. Cancellation of Bonds. All Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Bonds shall be deemed Outstanding under this Resolution and no Bonds shall be issued in lieu thereof. All such Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Bonds. Anything in this Resolution to the contrary notwithstanding, any monies held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Bonds which remain unclaimed for 1 year after the date on which such Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Bonds shall look only to the Issuer for the payment of such Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such monies remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such monies then unclaimed will be returned to the Issuer.

- Once determined, the underwriters' final pricing numbers, including the final debt service schedule for the Bonds, should be delivered to the credit analyst and Closing Coordinator responsible for the transaction by fax and/or e-mail in order that AGM may confirm the premium to be paid for the insurance policy and request the assignment of an insured rating for the Bonds.

4. The Bonds shall contain no reference to AGM, the Policy or the insurance evidenced thereby except as may be approved by AGM. BOND PROOFS SHALL HAVE BEEN APPROVED BY AGM PRIOR TO PRINTING. The Bonds shall bear a Statement of Insurance in the form provided by AGM.

5 AGM shall be provided with:

(a) Executed copies of all financing documents, the Official Statement and the various legal opinions delivered in connection with the issuance and sale of the Bonds (which shall be dated the Closing Date and which, except for the opinions of counsel relating to the adequacy of disclosure, shall be addressed to AGM or accompanied by a letter of such counsel permitting AGM to rely on such opinion as if such opinion were addressed to AGM), including, without limitation, the approving opinion of bond counsel. Each of the foregoing shall be in form and substance acceptable to AGM. Copies of all drafts of such documents prepared subsequent to the date of the Commitment (blacklined to reflect all revisions from previously reviewed drafts) shall be furnished to AGM for review and approval. Final drafts of such documents shall be provided to AGM at least three (3) business days prior to the issuance of the Policy, unless AGM shall agree to some shorter period.

(b) Evidence of wire transfer in federal funds of an amount equal to the insurance premium, unless alternative arrangements for the payment of such amount acceptable to AGM have been made prior to the delivery date of the Bonds.

(c) Standard & Poor's Rating Service and Moody's Investors Service Inc. will separately present bills for their respective fees relating to the Bonds Payment of such bills by the Issuer should be made directly to such rating agency. Payment of the rating fee is not a condition to release of the Policy by AGM.

6. Promptly after the closing of the Bonds, AGM shall receive three completed sets of executed documents (one original and either (i) two photocopies (each unbound) or (ii) two compact discs).

7. The Official Statement shall contain the language provided by AGM and only such other references to AGM or otherwise as AGM shall supply or approve. AGM SHALL BE PROVIDED WITH FOUR PRINTED COPIES OF THE OFFICIAL STATEMENT.

AUTHORIZING DOCUMENT REQUIREMENTS

The Authorizing Document shall incorporate the following requirements either in one section or article entitled "Provisions Relating to 2015 A Reserve Policy" (or the like), **the provisions of which section or article shall be stated in the Authorizing Document to govern, notwithstanding anything to the contrary set forth in the Authorizing Document**, or individually in the appropriate sections. The Authorizing Document otherwise shall be in form and substance acceptable to AGM:

(a) The Issuer shall repay any draws under the Reserve Policy and pay all related reasonable expenses incurred by the Insurer and shall pay interest thereon from the date of payment by the Insurer at the Late Payment Rate. "Late Payment Rate" means the lesser of (x) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Series 2015 A Bonds and (y) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event JPMorgan Chase Bank ceases to announce its Prime Rate publicly, Prime Rate shall be the publicly announced prime or base lending rate of such national bank as the Insurer shall specify. If the interest provisions of this subparagraph (a) shall result in an effective rate of interest which, for any period, exceeds the limit of the usury or any other laws applicable to the indebtedness created herein, then all sums in excess of those lawfully collectible as interest for the period in question shall, without further agreement or notice between or by any party hereto, be applied as additional interest for any later periods of time when amounts are outstanding hereunder to the extent that interest otherwise due hereunder for such periods plus such additional interest would not exceed the limit of the usury or such other laws, and any excess shall be applied upon principal immediately upon receipt of such moneys by the Insurer, with the same force and effect as if the Issuer had specifically designated such extra sums to be so applied and the Insurer had agreed to accept such extra payment(s) as additional interest for such later periods. In no event shall any agreed-to or actual exaction as consideration for the indebtedness created herein exceed the limits imposed or provided by the law applicable to this transaction for the use or detention of money or for forbearance in seeking its collection.

Repayment of draws and payment of expenses and accrued interest thereon at the Late Payment Rate (collectively, "Policy Costs") shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of Policy Costs related to such draw.

Amounts in respect of Policy Costs paid to the Insurer shall be credited first to interest due, then to the expenses due and then to principal due. As and to the extent that payments are made to the Insurer on account of principal due, the coverage under the Reserve Policy will be increased by a like amount, subject to the terms of the Reserve Policy. The obligation to pay Policy Costs shall be secured by a valid lien on all revenues and other collateral pledged as security for the Series 2015 A Bonds (subject only to the priority of payment provisions set forth under the Resolution).

All cash and investments in the Series 2015 A Bonds Reserve Account established for the Series 2015 A Bonds (the "Reserve Fund") shall be transferred to the Series 2015 A Bonds Sinking Fund for payment of debt service on Series 2015 A Bonds before any drawing may be made on the Reserve Policy or any other credit facility credited to the Reserve Fund in lieu of cash ("Credit Facility"). Payment of any Policy Costs shall be made prior to replenishment of any such cash amounts. Draws on all Credit Facilities (including the Reserve Policy) on which there is available coverage shall be made on a pro-rata basis (calculated by reference to the coverage then available thereunder) after applying all available cash and investments in the Reserve Fund. Payment of Policy Costs and reimbursement of amounts with respect to other Credit Facilities shall be made on a pro-rata basis prior to replenishment of any cash drawn from the Reserve Fund. For the avoidance of doubt, "available coverage" means the coverage then available for disbursement pursuant to the terms of the applicable alternative credit instrument

without regard to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.

(b) If the Issuer shall fail to pay any Policy Costs in accordance with the requirements of subparagraph (a) hereof, the Insurer shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under the Resolution other than (i) acceleration of the maturity of the Bonds or (ii) remedies which would adversely affect owners of the Bonds.

(c) The Resolution shall not be discharged until all Policy Costs owing to the Insurer shall have been paid in full. The Issuer's obligation to pay such amounts shall expressly survive payment in full of the Series 2015 A Bonds.

(d) The Issuer shall include any Policy Costs then due and owing the Insurer in the calculation of the additional bonds test and the rate covenant in the Resolution.

(e) The Trustee shall ascertain the necessity for a claim upon the Reserve Policy in accordance with the provisions of subparagraph (a) hereof and to provide notice to the Insurer in accordance with the terms of the Reserve Policy at least five Business Days prior to each date upon which interest or principal is due on the Series 2015 A Bonds. Where deposits are required to be made by the Issuer with the Trustee to the Series 2015 A Bonds Sinking Fund for the Series 2015 A Bonds more often than semi-annually, the Trustee shall give notice to the Insurer of any failure of the Issuer to make timely payment in full of such deposits within two Business Days of the date due.

MUNICIPAL BOND DEBT SERVICE RESERVE INSURANCE POLICY

Termination Date:

ASSURED GUARANTY MUNICIPAL CORP. ("AGM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") as set forth in the documentation (the "Bond Document") providing for the issuance of and securing the Bonds, for the benefit of the Owners, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

AGM will make payment as provided in this Policy to the Trustee or Paying Agent on the later of the Business Day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which AGM shall have received Notice of Nonpayment, in a form reasonably satisfactory to it. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by AGM is incomplete, it shall be deemed not to have been received by AGM for purposes of the preceding sentence and AGM shall promptly so advise the Trustee, Paying Agent or Issuer, as appropriate, who may submit an amended Notice of Nonpayment. Payment by AGM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of AGM under this Policy. Upon such payment, AGM shall become entitled to reimbursement of the amount so paid (together with interest and expenses) pursuant to the Insurance Agreement.

The amount available under this Policy for payment shall not exceed the Policy Limit. The amount available at any particular time to be paid to the Trustee or Paying Agent under the terms of this Policy shall automatically be reduced by any payment under this Policy. However, after such payment, the amount available under this Policy shall be reinstated in full or in part, but only up to the Policy Limit, to the extent of the reimbursement of such payment (exclusive of interest and expenses) to AGM by or on behalf of the Issuer. Within three Business Days of such reimbursement, AGM shall provide the Trustee, the Paying Agent and the Issuer with notice of the reimbursement and reinstatement.

Payment under this Policy shall not be available with respect to (a) any Nonpayment that occurs prior to the Effective Date or after the Termination Date of this Policy or (b) Bonds that are not outstanding under the Bond Document. If the amount payable under this Policy is also payable under another insurance policy or surety bond insuring the Bonds, payment first shall be made under this Policy to the extent of the amount available under this Policy up to the Policy Limit. In no event shall AGM incur duplicate liability for the same amounts owing with respect to the Bonds that are covered under this Policy and any other insurance policy or surety bond that AGM has issued.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York are, or the Insurer's Fiscal Agent is, authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AGM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the

stated date for payment of interest. "Insurance Agreement" means the Insurance Agreement dated as of the effective date hereof in respect of this Policy, as the same may be amended or supplemented from time to time. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer that has been recovered from such Owner pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from the Issuer, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment of principal or interest thereunder, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds. "Policy Limit" shall be the dollar amount of the debt service reserve fund required to be maintained for the Bonds by the Bond Document from time to time (the "Debt Service Reserve Requirement") but in no event shall the Policy Limit exceed $. The Policy Limit shall automatically and irrevocably be reduced from time to time by the amount of each reduction in the Debt Service Reserve Requirement, as provided in the Bond Document.

AGM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AGM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AGM and shall not be deemed received until received by both and (b) all payments required to be made by AGM under this Policy may be made directly by AGM or by the Insurer's Fiscal Agent on behalf of AGM. The Insurer's Fiscal Agent is the agent of AGM only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AGM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AGM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AGM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be cancelled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

In witness whereof, ASSURED GUARANTY MUNICIPAL CORP has caused this Policy to be executed on its behalf by its Authorized Officer.

INSURANCE AGREEMENT

THIS INSURANCE AGREEMENT, dated _____, (the "Agreement"), by and between Berkeley County Public Service District, West Virginia (the "Issuer") and Assured Guaranty Municipal Corp. (the "Insurer").

In consideration of the issuance by the Insurer of its Municipal Bond Debt Service Reserve Insurance Policy No. _____ (the "Reserve Policy") with respect to the Issuer's Water Refunding Revenue Bonds, Series 2015 A (the "Bonds") issued under the bond authorizing resolution adopted by the Public Service Board of the Issuer on January 12, 2015 and a supplemental parameters resolution adopted by the Public Service Board of the Issuer on January 12, 2015 setting forth the security for and authorizing the issuance of the Bonds (the "Authorizing Document") and the Issuer's payment to the Insurer of the insurance premium for the Reserve Policy, the Insurer and the Issuer hereby covenant and agree as follows:

1. Upon any payment by the Insurer under the Reserve Policy, the Insurer shall furnish to the Issuer written instructions as to the manner in which payment of amounts owed to the Insurer as a result of such payment under the Reserve Policy shall be made. Amounts drawn under the Reserve Policy shall be used solely to pay scheduled payments of principal and interest due on the Bonds.

2. The Issuer shall pay the Insurer the principal amount of any draws under the Reserve Policy and pay all related reasonable expenses incurred by the Insurer and shall pay interest thereon from the date of payment by the Insurer at the Late Payment Rate. "Late Payment Rate" means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event JPMorgan Chase Bank ceases to announce its Prime Rate, the Prime Rate shall be the prime or base lending rate of such national bank as the Insurer shall designate. If the interest provisions of this Section 2 shall result in an effective rate of interest which, for any period, exceeds the limit of the usury or any other laws applicable to the indebtedness created herein, then all sums in excess of those lawfully collectible as interest for the period in question shall, without further agreement or notice between or by any party hereto, be applied as additional interest for any later periods of time when amounts are outstanding hereunder to the extent that interest otherwise due hereunder for such periods plus such additional interest would not exceed the limit of the usury or such other laws, and any excess shall be applied upon principal immediately upon receipt of such moneys by the Insurer, with the same force and effect as if the Issuer had specifically designated such extra sums to be so applied and the Insurer had agreed to accept such extra payment(s) as additional interest for such later periods. In no event shall any agreed-to or actual exaction as consideration for the indebtedness created herein exceed the limits imposed or provided by the law applicable to this transaction for the use or detention of money or for forbearance in seeking its collection.

3. Repayment of draws and payment of expenses and the interest accrued thereon at the Late Payment Rate (collectively, "Policy Costs") shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12th of the aggregate of Policy Costs related to such draw. Amounts in respect of Policy Costs paid to the Insurer shall be credited first to interest due, then to the expenses due and then to principal due.

4. As and to the extent that payments are made to the Insurer on account of principal due, the coverage under the Reserve Policy will be increased by a like amount, subject to the terms of the Reserve Policy.

5. All cash and investments in the Series 2015 A Bonds Reserve Account shall be transferred to the Series 2015 A Bonds Sinking Fund for payment of debt service on the Bonds before any drawing may be made on

the Reserve Policy or on any alternative credit instrument. Payment of any Policy Costs shall be made prior to replenishment of any such cash amounts. Draws on all alternative credit instruments (including the Reserve Policy) on which there is available coverage shall be made on a pro rata basis (calculated by reference to available coverage under each such alternative credit instrument) after applying available cash and investments in the Series 2015 A Bonds Reserve Account. Payment of Policy Costs and reimbursement of amounts with respect to alternative credit instruments shall be made on a pro-rata basis prior to replenishment of any cash drawn from the Series 2015 A Bonds Reserve Account. For the avoidance of doubt, "available coverage" means the coverage then available for disbursement pursuant to the terms of the applicable alternative credit instrument without regard to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.

6 If the Issuer shall fail to pay any Policy Costs in accordance with the requirements of the Authorizing Document and this Agreement, the Insurer shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under the Authorizing Document, other than (i) acceleration of the maturity of the Bonds or (ii) remedies which would adversely affect owners of the Bonds.

7. The Authorizing Document shall not be discharged until all Policy Costs owing to the Insurer shall have been paid in full. The Issuer's obligation to pay such amounts shall expressly survive payment in full of the Bonds.

8. In order to secure the Issuer's payment obligations with respect to the Policy Costs, there is hereby granted and perfected in favor of the Insurer a security interest (subject only to the priority of payment provisions set forth under the Authorizing Document) in all revenues and collateral pledged as security for the Bonds.

9. Policy Costs due and owing shall be included in debt service requirements for purposes of calculation of the additional bonds test and the rate covenant in the Authorizing Document.

10. The Trustee shall ascertain the necessity for a claim upon the Reserve Policy in accordance with the provisions of Section 5 hereof and shall provide notice to the Insurer in accordance with the terms of the Reserve Policy at least five Business Days prior to each date upon which interest or principal is due on the Bonds. Where deposits are required to be made by the Issuer with the Trustee to the Series 2015 A Bonds Sinking Fund for the Bonds more often than semi-annually, the Trustee shall give notice to the Insurer of any failure of the Issuer to make timely payment in full of such deposits within two Business Days of the date due.

11. The Issuer will pay or reimburse the Insurer any and all charges, fees, costs, losses, liabilities and expenses which the Insurer may pay or incur, including, but not limited to, fees and expenses of attorneys, accountants, consultants and auditors and reasonable costs of investigations, in connection with (i) any accounts established to facilitate payments under the Reserve Policy, (ii) the administration, enforcement, defense or preservation of any rights in respect of this Agreement, the Authorizing Document or any other document executed in connection with the Bonds (the "Related Documents"), including defending, monitoring or participating in any litigation or proceeding (including any bankruptcy proceeding in respect of the Issuer) relating to this Agreement, the Authorizing Document or any other Related Document, any party to this Agreement, the Authorizing Document or any other Related Document or the transactions contemplated by the Related Documents, (iii) the foreclosure against, sale or other disposition of any collateral securing any obligations under this Agreement, the Authorizing Document or any other Related Document, if any, or the pursuit of any remedies under this Agreement, the Authorizing Document or any other Related Document, to the extent such costs and expenses are not recovered from such foreclosure, sale or other disposition, (iv) any amendment, waiver or other action with respect to, or related to this Agreement, the Authorizing Document, the Reserve Policy or any other Related Document whether or not executed or completed, or (v) any action taken by the Insurer to cure a default or termination or similar event (or to mitigate the effect thereof) under the Authorizing Document or any other Related Document; costs and expenses shall include a reasonable allocation of compensation and overhead attributable to time of employees of the Insurer spent in connection with the actions described in clauses (ii) through (v) above. The Insurer reserves the right to charge a reasonable fee as a

condition to executing any amendment, waiver or consent proposed in respect of this Agreement, the Authorizing Document or any other Related Document. Amounts payable by the Issuer hereunder shall bear interest at the Late Payment Rate from the date such amount is paid or incurred by the Insurer until the date the Insurer is paid in full.

12. The obligation of the Issuer to pay all amounts due under this Agreement shall be an absolute and unconditional obligation of the Issuer and will be paid or performed strictly in accordance with this Agreement, irrespective of: (i) any lack of validity or enforceability of or any amendment or other modifications of, or waiver with respect to the Bonds, the Authorizing Document or any other Related Document; (ii) any amendment or other modification of, or waiver with respect to the Reserve Policy; (iii) any exchange, release or non-perfection of any security interest in property securing the Bonds, this Agreement, the Authorizing Document or any other Related Documents; (iv) whether or not such Bonds are contingent or matured, disputed or undisputed, liquidated or unliquidated; (v) any amendment, modification or waiver of or any consent to departure from this Agreement, the Reserve Policy, the Authorizing Document or all or any of the other Related Documents; (vi) the existence of any claim, setoff, defense (other than the defense of payment in full), reduction, abatement or other right which the Issuer may have at any time against the Trustee or any other person or entity other than the Insurer, whether in connection with this Agreement, the transactions contemplated herein, in the Authorizing Document or in any other Related Documents or any unrelated transactions; (vii) any statement or any other document presented under or in connection with the Reserve Policy proving in any and all respects invalid, inaccurate, insufficient, fraudulent or forged or any statement therein being untrue or inaccurate in any respect; or (viii) any payment by the Insurer under the Reserve Policy against presentation of a certificate or other document which does not strictly comply with the terms of the Reserve Policy.

13. Notices to the Insurer shall be sent to the following address (or such other address as the Insurer may designate in writing): Assured Guaranty Municipal Corp., 31 West 52nd Street, New York, New York 10019, Attention: Managing Director – Surveillance, Re: Policy No. _____.

14. If any one or more of the agreements, provisions or terms of this Agreement shall be for any reason whatsoever held invalid, then such agreements, provisions or terms shall be deemed severable from the remaining agreements, provisions or terms of this Agreement and shall in no way affect the validity or enforceability of the other provisions of this Agreement.

15. All capitalized terms used herein and not otherwise defined shall have the meanings ascribed to them in the Authorizing Document.

16. This Agreement may be executed in counterparts, each of which alone and all of which together shall be deemed one original Agreement.

17. This Agreement and the rights and obligations of the parties of the Agreement shall be governed by and construed and interpreted in accordance with the laws of the State of New York.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed in their respective names as of the date first written above.

Exhibit D

Provisions Relating to Bond Insurance

Bond Insurance Provisions

Pursuant to Section 6.21 of the Resolution and Section 12 of the Supplemental Parameters Resolution, the provisions of this Exhibit D shall govern, notwithstanding anything to the contrary set forth in the Resolution. Defined terms used but not defined herein shall have the meanings ascribed thereto in the Resolution.

(a) "Insurance Policy" shall be defined as follows: "this insurance policy issued by the Insurer guaranteeing the scheduled payment of principal of and interest on the Series 2015 A Bonds when due." "Insurer" shall be defined as follows: "Assured Guaranty Municipal Corp., a New York stock insurance company, or any successor thereto or assignee thereof."

(b) The prior written consent of the Insurer shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Series 2015 A Bonds Reserve Account. Notwithstanding anything to the contrary set forth in the Resolution, amounts on deposit in the Series 2015 A Bonds Reserve Account shall be applied solely to the payment of debt service due on the Series 2015 A Bonds.

(c) The Insurer shall be deemed to be the sole Holder of the Series 2015 A Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the Holders of the Series 2015 A Bonds insured by it are entitled to take pursuant to the Resolution pertaining to (i) defaults and remedies and (ii) the duties and obligations of the Paying Agent. In furtherance thereof and as a term of the Resolution and the Series 2015 A Bonds, the Paying Agent and each Holder of the Series 2015 A Bonds appoint the Insurer as their agent and attorney-in-fact with respect to the Series 2015 A Bonds and agree that the Insurer may at any time during the continuation of any proceeding by or against the Issuer under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "Insolvency Proceeding") direct all matters relating to such Insolvency Proceeding, including without limitation, (A) all matters relating to any claim or enforcement proceeding in connection with an Insolvency Proceeding (a "Claim"), (B) the direction of any appeal of any order relating to any Claim, (C) the posting of any surety, supersedeas or performance bond pending any such appeal, and (D) the right to vote to accept or reject any plan of adjustment. In addition, the Paying Agent and each Holder of the Series 2015 A Bonds delegate and assign to the Insurer, to the fullest extent permitted by law, the rights of the Paying Agent and each Holder of the Series 2015 A Bonds with respect to the Series 2015 A Bonds in the conduct of any Insolvency Proceeding, including, without limitation, all rights of any party to an adversary proceeding or action with respect to any court order issued in connection with any such Insolvency Proceeding. Remedies granted to the Bondholders shall expressly include mandamus.

(d) The security for the Series 2015 A Bonds shall include a pledge of any agreement with any underlying obligor that is a source of payment for the Series 2015 A Bonds and a default under any such agreement shall constitute an Event of Default under the Resolution.

(e) If acceleration is permitted under the Resolution, the maturity of Series 2015 A Bonds insured by the Insurer shall not be accelerated without the consent of the Insurer and in the event the maturity of the Series 2015 A Bonds is accelerated, the Insurer may elect, in its sole discretion, to pay accelerated principal and interest accrued on such principal to the date of acceleration (to the extent unpaid by the Issuer) and the Paying Agent shall be required to accept such amounts. Upon payment of such accelerated principal and interest accrued to the acceleration date as provided above, the Insurer's

obligations under the Insurance Policy with respect to such Series 2015 A Bonds shall be fully discharged.

(f) No grace period for a covenant default shall exceed 30 days or be extended for more than 60 days, without the prior written consent of the Insurer. No grace period shall be permitted for payment defaults.

(g) The Insurer is a third party beneficiary to the Resolution.

(h) Upon the occurrence of an extraordinary optional, special or extraordinary mandatory redemption in part, the selection of Series 2015 A Bonds to be redeemed shall be subject to the approval of the Insurer. The exercise of any provision of the Resolution which permits the purchase of the Series 2015 A Bonds in lieu of redemption shall require the prior written approval of the Insurer if any Series 2015 A Bond so purchased is not cancelled upon purchase.

(i) Any amendment, supplement, modification to, or waiver of, the Resolution or any other transaction document, including any underlying security agreement (each a "Related Document"), that requires the consent of Bondholders or adversely affects the rights and interests of the Insurer shall be subject to the prior written consent of the Insurer.

(j) [Reserved].

(k) The rights granted to the Insurer under the Resolution or any other Related Document to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Insurance Policy. Any exercise by the Insurer of such rights is merely an exercise of the Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the Holders of the Series 2015 A Bonds and such action does not evidence any position of the Insurer, affirmative or negative, as to whether the consent of the Holders of the Series 2015 A Bonds or any other person is required in addition to the consent of the Insurer.

(l) Only (1) cash, (2) non-callable direct obligations of the United States of America ("Treasuries"), (3) evidences of ownership of proportionate interests in future interest and principal payments on Treasuries held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor and the underlying Treasuries are not available to any person claiming through the custodian or to whom the custodian may be obligated, (4) subject to the prior written consent of the Insurer, pre-refunded municipal obligations rated "AAA" and "Aaa" by S&P and Moody's, respectively, or (5) subject to the prior written consent of the Insurer, securities eligible for "AAA" defeasance under then existing criteria of S&P or any combination thereof, shall be used to effect defeasance of the Series 2015 A Bonds unless the Insurer otherwise approves.

To accomplish defeasance of the Series 2015 A Bonds, the Issuer shall cause to be delivered (i) a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to the Insurer ("Accountant") verifying the sufficiency of the escrow established to pay the Series 2015 A Bonds in full on the maturity or redemption date ("Verification"), (ii) an Escrow Deposit Agreement (which shall be acceptable in form and substance to the Insurer), (iii) an opinion of nationally recognized bond counsel to the effect that the Series 2015 A Bonds are no longer "Outstanding" under the Resolution and (iv) a certificate of discharge of the Paying Agent with respect to the Series 2015 A Bonds; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the Issuer, Paying Agent and the Insurer. The Insurer shall be provided with final drafts of the above-referenced documentation not less than five Business Days prior to the funding of the escrow.

Series 2015 A Bonds shall be deemed "Outstanding" under the Resolution unless and until they are in fact paid and retired or the above criteria are met.

(m) Amounts paid by the Insurer under the Insurance Policy shall not be deemed paid for purposes of the Resolution and the Series 2015 A Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the Issuer in accordance with the Resolution. The Resolution shall not be discharged unless all amounts due or to become due to the Insurer have been paid in full or duly provided for.

(n) Each of the Issuer and Paying Agent covenant and agree to take such action (including, as applicable, filing of UCC financing statements and continuations thereof) as is necessary from time to time to preserve the priority of the pledge of the Net Revenues under applicable law.

(o) Claims Upon the Insurance Policy and Payments by and to the Insurer.

If, on the third Business Day prior to the related scheduled interest payment date or principal payment date ("Payment Date") there is not on deposit with the Paying Agent, after making all transfers and deposits required under the Resolution, moneys sufficient to pay the principal of and interest on the Series 2015 A Bonds due on such Payment Date, the Paying Agent shall give notice to the Bond Insurer and to its designated agent (if any) (the "Insurer's Fiscal Agent") by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Series 2015 A Bonds due on such Payment Date, the Paying Agent shall make a claim under the Insurance Policy and give notice to the Insurer and the Insurer's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Series 2015 A Bonds and the amount required to pay principal of the Series 2015 A Bonds, confirmed in writing to the Insurer and the Insurer's Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Insurance Policy.

The Paying Agent shall designate any portion of payment of principal on Series 2015 A Bonds paid by the Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Series 2015 A Bonds registered to the then current Holder of the Series 2015 A Bonds, whether DTC or its nominee or otherwise, and shall issue a replacement Series 2015 A Bond to the Insurer, registered in the name of Assured Guaranty Municipal Corp., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Paying Agent's failure to so designate any payment or issue any replacement Series 2015 A Bond shall have no effect on the amount of principal or interest payable by the Issuer on any Series 2015 A Bond or the subrogation rights of the Insurer.

The Paying Agent shall keep a complete and accurate record of all funds deposited by the Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Series 2015 A Bond. The Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Paying Agent.

Upon payment of a claim under the Insurance Policy, the Paying Agent shall establish a separate special purpose trust account for the benefit of Holders of the Series 2015 A Bonds referred to herein as the "Policy Payments Account" and over which the Paying Agent shall have exclusive control and sole right of withdrawal. The Paying Agent shall receive any amount paid under the Insurance Policy in trust on behalf of Holders of the Series 2015 A Bonds and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Paying Agent to Holders of the Series 2015 A Bonds in the same manner as principal and interest payments are to be made with respect to the Series

2015 A Bonds under the sections of the Resolution regarding payment of Series 2015 A Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything in the Resolution to the contrary, the Issuer agrees to pay to the Insurer (i) a sum equal to the total of all amounts paid by the Insurer under the Insurance Policy (the "Insurer Advances"); and (ii) interest on such Insurer Advances from the date paid by the Insurer until payment thereof in full, payable to the Insurer at the Late Payment Rate per annum (collectively, the "Insurer Reimbursement Amounts"). "Late Payment Rate" means the lessor of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Series 2015 A Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. The Issuer hereby covenants and agrees that the Insurer Reimbursement Amounts are secured by a lien on and pledge of the Net Revenues and payable from such Net Revenues on a parity with debt service due on the Series 2015 A Bonds.

Funds held in the Policy Payments Account shall not be invested by the Paying Agent and may not be applied to satisfy any costs, expenses or liabilities of the Paying Agent. Any funds remaining in the Policy Payments Account following a Payment Date shall promptly be remitted to the Insurer.

(p) The Insurer shall, to the extent it makes any payment of principal of or interest on the Series 2015 A Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Insurance Policy. Each obligation of the Issuer to the Insurer under the Related Documents shall survive discharge or termination of such Related Documents.

(q) The Issuer shall pay or reimburse the Insurer any and all charges, fees, costs and expenses that the Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Related Document; (ii) the pursuit of any remedies under the Resolution or any other Related Document or otherwise afforded by law or equity; (iii) any amendment, waiver or other action with respect to, or related to, the Resolution or any other Related Document whether or not executed or completed, or (iv) any litigation or other dispute in connection with the Resolution or any other Related Document or the transactions contemplated hereby, other than costs resulting from the failure of the Insurer to honor its obligations under the Insurance Policy. The Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Resolution or any other Related Document.

(r) After payment of reasonable expenses of the Paying Agent, the application of funds realized upon default shall be applied to the payment of expenses of the Issuer or rebate only after the payment of past due and current debt service on the Series 2015 A Bonds and amounts required to restore the Series 2015 A Bonds Reserve Account to the Series 2015 A Bonds Reserve Requirement.

(s) The Insurer shall be entitled to pay principal or interest on the Series 2015 A Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Insurance Policy) and any amounts due on the Series 2015 A Bonds as a result of acceleration of the maturity thereof in accordance with the Resolution, whether or not the Insurer has received a Notice of Nonpayment (as such terms are defined in the Insurance Policy) or a claim upon the Insurance Policy.

(t) The notice address of the Insurer is: Assured Guarantee Municipal Corp., 31 West 52nd Street, New York, New York 10019, Attention: Managing Director- Surveillance, Re: Policy No. 216534-N, Telephone: (212) 826-0100; Telecopier: (212) 339-3556. In each case in which notice or other communication refers to an Event of Default, then a copy of such notice or other communication shall

also be sent to the attention of the General Counsel and shall be marked to indicate "URGENT MATERIAL ENCLOSED."

(u) The Insurer shall be provided with the following information by the Issuer or Paying Agent, as the case may be:

(1) Annual audited financial statements within 180 days after the end of the Issuer's fiscal year (together with a certification of the Issuer that it is not aware of any default or Event of Default under the Resolution), and the Issuer's annual budget within 30 days after the approval thereof with such other information, data or reports as the Insurer shall reasonably request from time to time;

(2) Notice of any draw upon the Series 2015 A Bonds Reserve Account within two Business Days after knowledge thereof other than (i) withdrawals of amounts in excess of the Series 2015 A Bonds Reserve Requirement and (ii) withdrawals in connection with a refunding of Series 2015 A Bonds;

(3) Notice of any default known to the Paying Agent or Issuer within five Business Days after knowledge thereof;

(4) Prior notice of the advance refunding or redemption of any of the Series 2015 A Bonds, including the principal amount, maturities and CUSIP numbers thereof;

(5) Notice of resignation or removal of the Paying Agent and Bond Registrar and the appointment of, and acceptance of duties by, any successor thereto;

(6) Notice of the commencement of any proceeding by or against the Issuer commenced under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "Insolvency Proceeding");

(7) Notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of, or interest on, the Series 2015 A Bonds;

(8) A full original transcript of all proceedings relating to the execution of any amendment, supplement or waiver to the Related Documents; and

(9) All reports, notices and correspondence to be delivered to Bondholders under the terms of the Related Documents.

(v) The Insurer shall have the right to receive such additional information as it may reasonably request.

(w) The Issuer will permit the Insurer to discuss the affairs, finances and accounts of the Issuer or any information the Insurer may reasonably request regarding the security for the Series 2015 A Bonds with appropriate officers of the Issuer and will use commercially reasonable efforts to enable the Insurer to have access to the facilities, books and records of the Issuer on any Business Day upon reasonable prior notice.

(x) Notwithstanding satisfaction of the other conditions to the issuance of Additional Parity Bonds set forth in the Resolution, no such issuance may occur (1) if an Event of Default (or any event which, once all notice or grace periods have passed, would constitute an Event of Default) exists unless such

default shall be cured upon such issuance and (2) unless the Series 2015 A Bonds Reserve Account is fully funded at the Series 2015 A Bonds Reserve Requirement (including the proposed issue) upon the issuance of such Additional Parity Bonds, in either case unless otherwise permitted by the Insurer.

(y) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Resolution would adversely affect the security for the Series 2015 A Bonds or the rights of the Bondholders, the Paying Agent shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Insurance Policy.

(z) No contract shall be entered into or any action taken by which the rights of the Insurer or security for or sources of payment of the Series 2015 A Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Insurer.

This Bond is additionally secured, but only to the extent described in the Statement of Insurance printed on the Bonds, by a policy of financial guaranty bond insurance issued by Assured Guaranty Municipal Corp.

The Bonds of this issue are subject to redemption prior to their stated maturity dates, as provided in the Bond Legislation and as set forth herein.

Optional Redemption. The Bonds are subject to optional redemption prior to maturity as follows: The Series 2015 A Bonds maturing on and after December 1, 2025, are subject to redemption at the option of the District, prior to maturity, on or after June 1, 2025, in whole or in part at any time from amounts deposited with the Bond Commission by the District or from other funds available therefore at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the date fixed for redemption.

If fewer than all of the Series 2015 A Bonds shall be called for optional redemption, the particular maturities of the Bonds to be redeemed shall be selected by the District in such manner, as it shall determine. So long as the Bonds are maintained under a book-entry system, the selection of individual ownership interests in the Bonds to be credited with any partial redemption shall be made as determined pursuant to the rules and regulations of DTC or its successor as the depository for the Series 2015 A Bonds.

In the event of any redemption of less than all outstanding Bonds, Bonds shall be selected for redemption by lot or in such other manner deemed appropriate by the Paying Agent. If less than all the Bonds are to be redeemed, the Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Bond, unless waived, shall be given by the Registrar on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar. A copy of such notice of redemption shall also be mailed to the Paying Agent. Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Bond.

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the First Lien Bonds and senior and prior to the pledge of Net Revenues in favor of the holders of the Second Lien Bonds, and from monies in the reserve account created under the Bond Legislation for the Bonds (the "Series 2015 A Bonds Reserve Account") and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. All monies received from the sale of this Bond except for accrued interest thereon shall be applied solely to pay a portion of the principal of, and interest on, the Series 2006 Bonds, to purchase a Municipal Bond Insurance Policy from Assured Guaranty to secure the payment of the Series 2015 A Bonds, to purchase a Municipal Debt Service Reserve Insurance Policy in an amount equal to the Reserve Requirement for the Series 2015 A Bonds in lieu of depositing cash in the Reserve Account for the Series 2015 A Bonds, and to pay costs of issuance hereof, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Bond Legislation.

The Issuer has "deemed designated" the portion of the Series 2015 A Bonds equal to the outstanding par amount of the Series 2006 Bonds. The Issuer has designated the remaining portion of the Series 2015 A Bonds exceeding the outstanding par amount of the Series 2006 Bonds as "qualified tax-exempt obligations" for the purposes of Section 265(b)(3) of the Code

This Bond is, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of the State.

This Bond shall not be entitled to any benefit under the Bond Legislation, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

The Series 1993 C Bonds are hereinafter called the "Second Lien Bonds".

This Bond is additionally secured, but only to the extent described in the Statement of Insurance printed on the Bonds, by a policy of financial guaranty bond insurance issued by Assured Guaranty Municipal Corp.

The Bonds of this issue are subject to redemption prior to their stated maturity dates, as provided in the Bond Legislation and as set forth herein.

Optional Redemption. The Bonds are subject to optional redemption prior to maturity as follows: The Series 2015 A Bonds maturing on and after December 1, 2025, are subject to redemption at the option of the District, prior to maturity, on or after June 1, 2025, in whole or in part at any time from amounts deposited with the Bond Commission by the District or from other funds available therefore at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the date fixed for redemption.

If fewer than all of the Series 2015 A Bonds shall be called for optional redemption, the particular maturities of the Bonds to be redeemed shall be selected by the District in such manner, as it shall determine. So long as the Bonds are maintained under a book-entry system, the selection of individual ownership interests in the Bonds to be credited with any partial redemption shall be made as determined pursuant to the rules and regulations of DTC or its successor as the depository for the Series 2015 A Bonds.

In the event of any redemption of less than all outstanding Bonds, Bonds shall be selected for redemption by lot or in such other manner deemed appropriate by the Paying Agent. If less than all the Bonds are to be redeemed, the Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Bond, unless waived, shall be given by the Registrar on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar. A copy of such notice of redemption shall also be mailed to the Paying Agent. Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Bond.

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the First Lien Bonds and senior and prior to the pledge of Net Revenues in favor of the holders of the Second Lien Bonds, and from monies in the reserve account created under the Bond Legislation for the Bonds (the "Series 2015 A Bonds Reserve Account") and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any of the provisions or limitations of the constitution, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the monies in the Series 2015 A Bonds Reserve Account and unexpended proceeds of the Bonds. All monies received from the sale of this Bond except for accrued interest thereon shall be applied solely to pay a portion of the principal of, and interest on, the Series 2006 Bonds, to purchase a Municipal Bond Insurance Policy from Assured Guaranty to secure the payment of the Series 2015 A Bonds, to purchase a Municipal Debt Service Reserve Insurance Policy in an amount equal to the Reserve Requirement for the Series 2015 A Bonds in lieu of depositing cash in the Reserve Account for the Series 2015 A Bonds, and to pay costs of issuance hereof, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said

Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Bond Legislation.

The Issuer has "deemed designated" the portion of the Series 2015 A Bonds equal to the outstanding par amount of the Series 2006 Bonds. The Issuer has designated the remaining portion of the Series 2015 A Bonds exceeding the outstanding par amount of the Series 2006 Bonds as "qualified tax-exempt obligations" for the purposes of Section 265(b)(3) of the Code

This Bond is, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of the State.

This Bond shall not be entitled to any benefit under the Bond Legislation, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

This Bond is additionally secured, but only to the extent described in the Statement of Insurance printed on the Bonds, by a policy of financial guaranty bond insurance issued by Assured Guaranty Municipal Corp.

The Bonds of this issue are subject to redemption prior to their stated maturity dates, as provided in the Bond Legislation and as set forth herein.

Optional Redemption. The Bonds are subject to optional redemption prior to maturity as follows: The Series 2015 A Bonds maturing on and after December 1, 2025, are subject to redemption at the option of the District, prior to maturity, on or after June 1, 2025, in whole or in part at any time from amounts deposited with the Bond Commission by the District or from other funds available therefore at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the date fixed for redemption.

In the event of any redemption of less than all outstanding Bonds, Bonds shall be selected for redemption by lot or in such other manner deemed appropriate by the Paying Agent. The Series 1993 C Bonds are hereinafter called the "Second Lien Bonds".

This Bond is additionally secured, but only to the extent described in the Statement of Insurance printed on the Bonds, by a policy of financial guaranty bond insurance issued by Assured Guaranty Municipal Corp.

The Bonds of this issue are subject to redemption prior to their stated maturity dates, as provided in the Bond Legislation and as set forth herein.

Optional Redemption. The Bonds are subject to optional redemption prior to maturity as follows: The Series 2015 A Bonds maturing on and after December 1, 2025, are subject to redemption at the option of the District, prior to maturity, on or after June 1, 2025, in whole or in part at any time from amounts deposited with the Bond Commission by the District or from other funds available therefore at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the date fixed for redemption.

If fewer than all of the Series 2015 A Bonds shall be called for optional redemption, the particular maturities of the Bonds to be redeemed shall be selected by the District in such manner, as it shall determine. So long as the Bonds are maintained under a book-entry system, the selection of individual ownership interests in the Bonds to be credited with any partial redemption shall be made as determined pursuant to the rules and regulations of DTC or its successor as the depository for the Series 2015 A Bonds.

In the event of any redemption of less than all outstanding Bonds, Bonds shall be selected for redemption by lot or in such other manner deemed appropriate by the Paying Agent. If less than all the Bonds are to be redeemed, the Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Bond, unless waived, shall be given by the Registrar on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar. A copy of such notice of redemption shall also be mailed to the Paying Agent. Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Bond.

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the First Lien Bonds and senior and prior to the pledge of Net Revenues in favor of the holders of the Second Lien Bonds, and from monies in the reserve account created under the Bond Legislation for the Bonds (the "Series 2015 A Bonds Reserve Account") and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any of the provisions or limitations of the constitution, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the monies in the Series 2015 A Bonds Reserve Account and unexpended proceeds of the Bonds. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 120% of the maximum amount payable in any fiscal year for principal of and interest, if any, on the Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or subordinate to the Bonds, including the First Lien Bonds and the Second Lien Bonds.

All monies received from the sale of this Bond except for accrued interest thereon shall be applied solely to pay a portion of the principal of, and interest on, the Series 2006 Bonds, to purchase a Municipal Bond Insurance Policy from Assured Guaranty to secure the payment of the Series 2015 A Bonds, to purchase a Municipal Debt Service Reserve Insurance Policy in an amount equal to the Reserve Requirement for the Series 2015 A Bonds in lieu of depositing cash in the Reserve Account for the Series 2015 A Bonds, and to pay costs of issuance hereof, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said

Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Bond Legislation.

The Issuer has "deemed designated" the portion of the Series 2015 A Bonds equal to the outstanding par amount of the Series 2006 Bonds. The Issuer has designated the remaining portion of the Series 2015 A Bonds exceeding the outstanding par amount of the Series 2006 Bonds as "qualified tax-exempt obligations" for the purposes of Section 265(b)(3) of the Code

This Bond is, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of the State.

This Bond shall not be entitled to any benefit under the Bond Legislation, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

The Series 1993 C Bonds are hereinafter called the "Second Lien Bonds".

This Bond is additionally secured, but only to the extent described in the Statement of Insurance printed on the Bonds, by a policy of financial guaranty bond insurance issued by Assured Guaranty Municipal Corp.

The Bonds of this issue are subject to redemption prior to their stated maturity dates, as provided in the Bond Legislation and as set forth herein.

Optional Redemption. The Bonds are subject to optional redemption prior to maturity as follows: The Series 2015 A Bonds maturing on and after December 1, 2025, are subject to redemption at the option of the District, prior to maturity, on or after June 1, 2025, in whole or in part at any time from amounts deposited with the Bond Commission by the District or from other funds available therefore at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the date fixed for redemption.

If fewer than all of the Series 2015 A Bonds shall be called for optional redemption, the particular maturities of the Bonds to be redeemed shall be selected by the District in such manner, as it shall determine. So long as the Bonds are maintained under a book-entry system, the selection of individual ownership interests in the Bonds to be credited with any partial redemption shall be made as determined pursuant to the rules and regulations of DTC or its successor as the depository for the Series 2015 A Bonds.

In the event of any redemption of less than all outstanding Bonds, Bonds shall be selected for redemption by lot or in such other manner deemed appropriate by the Paying Agent. If less than all the Bonds are to be redeemed, the Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Bond, unless waived, shall be given by the Registrar on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar. A copy of such notice of redemption shall also be mailed to the Paying Agent. Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Bond.

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the First Lien Bonds and senior and prior to the pledge of Net Revenues in favor of the holders of the Second Lien Bonds, and from monies in the reserve account created under the Bond Legislation for the Bonds (the "Series 2015 A Bonds Reserve Account") and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any of the provisions or limitations of the constitution, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the monies in the Series 2015 A Bonds Reserve Account and unexpended proceeds of the Bonds. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 120% of the maximum amount payable in any fiscal year for principal of and interest, if any, on the Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or subordinate to the Bonds, including the First Lien Bonds and the Second Lien Bonds.

All monies received from the sale of this Bond except for accrued interest thereon shall be applied solely to pay a portion of the principal of, and interest on, the Series 2006 Bonds, to purchase a Municipal Bond Insurance Policy from Assured Guaranty to secure the payment of the Series 2015 A Bonds, to purchase a Municipal Debt Service Reserve Insurance Policy in an amount equal to the Reserve Requirement for the Series 2015 A Bonds in lieu of depositing cash in the Reserve Account for the Series 2015 A Bonds, and to pay costs of issuance hereof, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said

Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Bond Legislation.

The Issuer has "deemed designated" the portion of the Series 2015 A Bonds equal to the outstanding par amount of the Series 2006 Bonds. The Issuer has designated the remaining portion of the Series 2015 A Bonds exceeding the outstanding par amount of the Series 2006 Bonds as "qualified tax-exempt obligations" for the purposes of Section 265(b)(3) of the Code

This Bond is, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of the State.

This Bond shall not be entitled to any benefit under the Bond Legislation, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Bond Legislation and the statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

Optional Redemption. The Bonds are subject to optional redemption prior to maturity as follows: The Series 2015 A Bonds maturing on and after December 1, 2025, are subject to redemption at the option of the District, prior to maturity, on or after June 1, 2025, in whole or in part at any time from amounts deposited with the Bond Commission by the District or from other funds available therefore at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the date fixed for redemption.

If fewer than all of the Series 2015 A Bonds shall be called for optional redemption, the particular maturities of the Bonds to be redeemed shall be selected by the District in such manner, as it shall determine. So long as the Bonds are maintained under a book-entry system, the selection of individual ownership interests in the Bonds to be credited with any partial redemption shall be made as determined pursuant to the rules and regulations of DTC or its successor as the depository for the Series 2015 A Bonds.

In the event of any redemption of less than all outstanding Bonds, Bonds shall be selected for redemption by lot or in such other manner deemed appropriate by the Paying Agent. If less than all the Bonds are to be redeemed, the Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Bond, unless waived, shall be given by the Registrar on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar. A copy of such notice of redemption shall also be mailed to the Paying Agent. Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Bond.

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the First Lien Bonds and senior and prior to the pledge of Net Revenues in favor of the holders of the Second Lien Bonds, and from monies in the reserve account created under the Bond Legislation for the Bonds (the "Series 2015 A Bonds Reserve Account") and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any of the provisions or limitations of the constitution, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the monies in the Series 2015 A Bonds Reserve Account and unexpended proceeds of the Bonds. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 120% of the maximum amount payable in any fiscal year for principal of and interest, if any, on the Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or subordinate to the Bonds, including the First Lien Bonds and the Second Lien Bonds.

All monies received from the sale of this Bond except for accrued interest thereon shall be applied solely to pay a portion of the principal of, and interest on, the Series 2006 Bonds, to purchase a Municipal Bond Insurance Policy from Assured Guaranty to secure the payment of the Series 2015 A Bonds, to purchase a Municipal Debt Service Reserve Insurance Policy in an amount equal to the Reserve Requirement for the Series 2015 A Bonds in lieu of depositing cash in the Reserve Account for the Series 2015 A Bonds, and to pay costs of issuance hereof, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said

Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Bond Legislation.

The Issuer has "deemed designated" the portion of the Series 2015 A Bonds equal to the outstanding par amount of the Series 2006 Bonds. The Issuer has designated the remaining portion of the Series 2015 A Bonds exceeding the outstanding par amount of the Series 2006 Bonds as "qualified tax-exempt obligations" for the purposes of Section 265(b)(3) of the Code

This Bond is, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of the State.

This Bond shall not be entitled to any benefit under the Bond Legislation, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

The Series 1993 C Bonds are hereinafter called the "Second Lien Bonds".

This Bond is additionally secured, but only to the extent described in the Statement of Insurance printed on the Bonds, by a policy of financial guaranty bond insurance issued by Assured Guaranty Municipal Corp.

The Bonds of this issue are subject to redemption prior to their stated maturity dates, as provided in the Bond Legislation and as set forth herein.

Optional Redemption. The Bonds are subject to optional redemption prior to maturity as follows: The Series 2015 A Bonds maturing on and after December 1, 2025, are subject to redemption at the option of the District, prior to maturity, on or after June 1, 2025, in whole or in part at any time from amounts deposited with the Bond Commission by the District or from other funds available therefore at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the date fixed for redemption.

If fewer than all of the Series 2015 A Bonds shall be called for optional redemption, the particular maturities of the Bonds to be redeemed shall be selected by the District in such manner, as it shall determine. So long as the Bonds are maintained under a book-entry system, the selection of individual ownership interests in the Bonds to be credited with any partial redemption shall be made as determined pursuant to the rules and regulations of DTC or its successor as the depository for the Series 2015 A Bonds.

In the event of any redemption of less than all outstanding Bonds, Bonds shall be selected for redemption by lot or in such other manner deemed appropriate by the Paying Agent. If less than all the Bonds are to be redeemed, the Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Bond, unless waived, shall be given by the Registrar on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar. A copy of such notice of redemption shall also be mailed to the Paying Agent. Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Bond.

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the First Lien Bonds and senior and prior to the pledge of Net Revenues in favor of the holders of the Second Lien Bonds, and from monies in the reserve account created under the Bond Legislation for the Bonds (the "Series 2015 A Bonds Reserve Account") and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any of the provisions or limitations of the constitution, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the monies in the Series 2015 A Bonds Reserve Account and unexpended proceeds of the Bonds. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 120% of the maximum amount payable in any fiscal year for principal of and interest, if any, on the Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or subordinate to the Bonds, including the First Lien Bonds and the Second Lien Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said

Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Bond Legislation.

The Issuer has designated the remaining portion of the Series 2015 A Bonds exceeding the outstanding par amount of the Series 2006 Bonds as "qualified tax-exempt obligations" for the purposes of Section 265(b)(3) of the Code

This Bond shall not be entitled to any benefit under the Bond Legislation, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

Optional Redemption. The Bonds are subject to optional redemption prior to maturity as follows: The Series 2015 A Bonds maturing on and after December 1, 2025, are subject to redemption at the option of the District, prior to maturity, on or after June 1, 2025, in whole or in part at any time from amounts deposited with the Bond Commission by the District or from other funds available therefore at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the date fixed for redemption.

Optional Redemption. The Bonds are subject to optional redemption prior to maturity as follows: The Series 2015 A Bonds maturing on and after December 1, 2025, are subject to redemption at the option of the District, prior to maturity, on or after June 1, 2025, in whole or in part at any time from amounts deposited with the Bond Commission by the District or from other funds available therefore at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the date fixed for redemption.

The Series 1993 C Bonds are hereinafter called the "Second Lien Bonds".

This Bond is additionally secured, but only to the extent described in the Statement of Insurance printed on the Bonds, by a policy of financial guaranty bond insurance issued by Assured Guaranty Municipal Corp.

The Bonds of this issue are subject to redemption prior to their stated maturity dates, as provided in the Bond Legislation and as set forth herein.

Optional Redemption. The Bonds are subject to optional redemption prior to maturity as follows: The Series 2015 A Bonds maturing on and after December 1, 2025, are subject to redemption at the option of the District, prior to maturity, on or after June 1, 2025, in whole or in part at any time from amounts deposited with the Bond Commission by the District or from other funds available therefore at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the date fixed for redemption.

If fewer than all of the Series 2015 A Bonds shall be called for optional redemption, the particular maturities of the Bonds to be redeemed shall be selected by the District in such manner, as it shall determine. So long as the Bonds are maintained under a book-entry system, the selection of individual ownership interests in the Bonds to be credited with any partial redemption shall be made as determined pursuant to the rules and regulations of DTC or its successor as the depository for the Series 2015 A Bonds.

In the event of any redemption of less than all outstanding Bonds, Bonds shall be selected for redemption by lot or in such other manner deemed appropriate by the Paying Agent. If less than all the Bonds are to be redeemed, the Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Bond, unless waived, shall be given by the Registrar on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar. A copy of such notice of redemption shall also be mailed to the Paying Agent. Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Bond.

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the First Lien Bonds and senior and prior to the pledge of Net Revenues in favor of the holders of the Second Lien Bonds, and from monies in the reserve account created under the Bond Legislation for the Bonds (the "Series 2015 A Bonds Reserve Account") and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any of the provisions or limitations of the constitution, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the monies in the Series 2015 A Bonds Reserve Account and unexpended proceeds of the Bonds. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 120% of the maximum amount payable in any fiscal year for principal of and interest, if any, on the Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or subordinate to the Bonds, including the First Lien Bonds and the Second Lien Bonds.

All monies received from the sale of this Bond except for accrued interest thereon shall be applied solely to pay a portion of the principal of, and interest on, the Series 2006 Bonds, to purchase a Municipal Bond Insurance Policy from Assured Guaranty to secure the payment of the Series 2015 A Bonds, to purchase a Municipal Debt Service Reserve Insurance Policy in an amount equal to the Reserve Requirement for the Series 2015 A Bonds in lieu of depositing cash in the Reserve Account for the Series 2015 A Bonds, and to pay costs of issuance hereof, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said

Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Bond Legislation.

The Issuer has "deemed designated" the portion of the Series 2015 A Bonds equal to the outstanding par amount of the Series 2006 Bonds. The Issuer has designated the remaining portion of the Series 2015 A Bonds exceeding the outstanding par amount of the Series 2006 Bonds as "qualified tax-exempt obligations" for the purposes of Section 265(b)(3) of the Code

This Bond is, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of the State.

This Bond shall not be entitled to any benefit under the Bond Legislation, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

This Bond is additionally secured, but only to the extent described in the Statement of Insurance printed on the Bonds, by a policy of financial guaranty bond insurance issued by Assured Guaranty Municipal Corp.

The Bonds of this issue are subject to redemption prior to their stated maturity dates, as provided in the Bond Legislation and as set forth herein.

Optional Redemption. The Bonds are subject to optional redemption prior to maturity as follows: The Series 2015 A Bonds maturing on and after December 1, 2025, are subject to redemption at the option of the District, prior to maturity, on or after June 1, 2025, in whole or in part at any time from amounts deposited with the Bond Commission by the District or from other funds available therefore at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the date fixed for redemption.

This Bond is additionally secured, but only to the extent described in the Statement of Insurance printed on the Bonds, by a policy of financial guaranty bond insurance issued by Assured Guaranty Municipal Corp.

The Bonds of this issue are subject to redemption prior to their stated maturity dates, as provided in the Bond Legislation and as set forth herein.

Optional Redemption. The Bonds are subject to optional redemption prior to maturity as follows: The Series 2015 A Bonds maturing on and after December 1, 2025, are subject to redemption at the option of the District, prior to maturity, on or after June 1, 2025, in whole or in part at any time from amounts deposited with the Bond Commission by the District or from other funds available therefore at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the date fixed for redemption.

If fewer than all of the Series 2015 A Bonds shall be called for optional redemption, the particular maturities of the Bonds to be redeemed shall be selected by the District in such manner, as it shall determine. So long as the Bonds are maintained under a book-entry system, the selection of individual ownership interests in the Bonds to be credited with any partial redemption shall be made as determined pursuant to the rules and regulations of DTC or its successor as the depository for the Series 2015 A Bonds.

In the event of any redemption of less than all outstanding Bonds, Bonds shall be selected for redemption by lot or in such other manner deemed appropriate by the Paying Agent. If less than all the Bonds are to be redeemed, the Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Bond, unless waived, shall be given by the Registrar on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar. A copy of such notice of redemption shall also be mailed to the Paying Agent. Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Bond.

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the First Lien Bonds and senior and prior to the pledge of Net Revenues in favor of the holders of the Second Lien Bonds, and from monies in the reserve account created under the Bond Legislation for the Bonds (the "Series 2015 A Bonds Reserve Account") and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any of the provisions or limitations of the constitution, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the monies in the Series 2015 A Bonds Reserve Account and unexpended proceeds of the Bonds. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 120% of the maximum amount payable in any fiscal year for principal of and interest, if any, on the Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or subordinate to the Bonds, including the First Lien Bonds and the Second Lien Bonds.

All monies received from the sale of this Bond except for accrued interest thereon shall be applied solely to pay a portion of the principal of, and interest on, the Series 2006 Bonds, to purchase a Municipal Bond Insurance Policy from Assured Guaranty to secure the payment of the Series 2015 A Bonds, to purchase a Municipal Debt Service Reserve Insurance Policy in an amount equal to the Reserve Requirement for the Series 2015 A Bonds in lieu of depositing cash in the Reserve Account for the Series 2015 A Bonds, and to pay costs of issuance hereof, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said

Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Bond Legislation.

The Issuer has "deemed designated" the portion of the Series 2015 A Bonds equal to the outstanding par amount of the Series 2006 Bonds. The Issuer has designated the remaining portion of the Series 2015 A Bonds exceeding the outstanding par amount of the Series 2006 Bonds as "qualified tax-exempt obligations" for the purposes of Section 265(b)(3) of the Code

This Bond is, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of the State.

This Bond shall not be entitled to any benefit under the Bond Legislation, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Bond Legislation and the statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

IN WITNESS WHEREOF, BERKELEY COUNTY PUBLIC SERVICE DISTRICT (WEST VIRGINIA) has caused this Bond to be signed by its Chairman, and its corporate seal to be imprinted hereon and attested by its Secretary, and has caused this Bond to be dated as of the Bond Date specified above.

IN RE: QUALIFICATION OF DEEB CALVIN (O. C.) NOLL AS COUNTY COMMISSIONER

This day O. C. Noll, who had heretofore been elected County Commissioner in and for Berkeley County for a term of six years, beginning on the 1st day of January, 1955, and ending on the 31st day of December, 1960, appeared in Open Court and qualified as such County Commissioner by giving bond conditioned according to law in the penalty of Five Thousand Dollars ($5,000.00), with the Hartford Accident and Indemnity Company of Hartford, Connecticut, as his surety and by taking the oath prescribed by law.

Said bond, having been approved by Decatur H. Bodrers, Judge of the Circuit Court of Berkeley County, West Virginia, is also hereby approved.

IN THE MATTER OF THE CREATION OF A PUBLIC SERVICE DISTRICT UNDER THE AUTHORITY OF CHAPTER NO. 147 OF THE ACTS OF THE LEGISLATURE, 1953, REGULAR SESSION

This matter came on again to be heard this 10th day of December, 1954, upon a petition heretofor presented to this Court on the 12th day of November, 1954, petitioning this Court for the establishment of a public service district under the authority of Chapter No. 147, of the Acts of the Legislature, 1953, Regular Session; upon the finding by this Court that said petition was signed by more than one hundred (100) legal voters resident within and owning real property within the limits of such proposed public service district and upon the entry of an order herein setting this matter for hearing this day, but requiring that a notice first be published by the Clerk of this Court, at least once, in a newspaper of general circulation, published within this County, at least ten days prior to this date.

And it appearing to the Court that notice has been duly published in the Martinsburg Journal, a newspaper published in Berkeley County, West Virginia, at least once, ten days prior to the date that this Court would, on the 10th day of December, 1954, at 11:00 o'clock A. M. in the County Courthouse in Martinsburg, Berkeley County, West Virginia, proceed to take evidence on the proposal to establish the Pikeside Public Service District and to hear such persons resident within, or owning or having any interest in property, in such proposed public service district, who cared to be heard, for or against the creation of such public service district.

And thereupon, this Court proceeded to hear the evidence of all interested parties for and against the creation of such public service district.

And this Court, after hearing the evidence offered before it, does find and determine that the construction or acquisition, by purchase or otherwise, and maintenance, operation, improvement and extension of public service properties by a public service district to comprise Cerrardstown Magisterial District, Mill Creek, Magisterial District, and so much of Arden Magisterial District as is situate outside the municipal limits of the City of Martinsburg, Berkeley County, West Virginia, is feasible and will be conducive to the preservation of the public health, comfort and convenience of the persons residing within such area and will be conducive, particularly to the preservation of health, comfort and convenience of students and pupils attending the public schools of the County located within such area.

And it further appearing that written protest signed by thirty per cent (30%) or more of the qualified voters registered and residing within said district, has not been filed and this Court, finding no reason against the establishment of a public service district as petitioned for,

IT IS THEREFORE, ORDERED , that there shall be, and there is, hereby created a public service district to be known as "PIKESIDE PUBLIC SERVICE DISTRICT, a corporation", which shall have existence from this date, and be possessed of all of the rights, powers, duties and obligations granted to and imposed upon it, by the laws of the State of West Virginia, the territorial limits of which shall embrace the territorial limits of Cerrardstown and Mill Creek Magisterial Districts and such portion of Arden Magisterial District as is situate outside the geographical limits of the City of Martinsburg, Berkeley County, West Virginia, and the powers, duties of such Pikeside Public Service District shall be vested in and exercised by a public service board.

IT IS FURTHER ORDERED, that the persons named hereafter are hereby appointed as members of the Public Service Board of Pikeside Public Service District, who shall serve for

2000

BEFORE THE COUNTY COMMISSION OF BERKELEY COUNTY
WEST VIRGINIA

On Thursday, the 1st day of June, 2000, pursuant to previous order of this Commission continuing the public hearing of this matter, assembled the Commission and members of the public for the purposes of considering the feasibility of the merger or consolidation of Opequon Public Service District, Berkeley County Public Service District, and Hedgesville Public Service District into one public water service district.

The Commission, having considered the opinions and views stated by those who spoke in favor of and against such proposed merger/consolidation, finds that a merger of the three districts will be conducive to the preservation of the public health, comfort and convenience of the people of Berkeley County. Further, the Commission finds that such merger of the three public water service districts into one district for the purpose of providing water service to the people of Berkeley County will permit a more efficient and effective method of planning for and implementing the provision of water service to the public; will result in a greater ability to compete for the resources necessary to the implementation of water service to the public; will permit greater efficiencies and cost effective service to the citizens of Berkeley County; and, will ultimately result in a fairer rate structure for the people of this county.

Accordingly, it is the ORDER of this Commission that the Opequon Public Service District and the Hedgesville Public Service District shall be merged into the Berkeley County Public Service District for the purpose of providing water service to the people of Berkeley County; that such merger shall be effective on the 1st day of January, 2001 and that all details of the new entity shall be in place on or before June 30, 2001; that the merger shall be accomplished in an orderly and

business-like manner; that the boards of the three subject districts shall continue to operate until a new, single board is appointed by this Commission; and, that this Commission shall direct and manage the merger through a series of orders until the same is fully realized and operational.

It is further ORDERED that this decision and ORDER shall be forwarded to the Chairperson of the West Virginia Public Service Commission for review and action and that the Public Service Commission be requested to provide technical and other assistance to Berkeley County in the implementation of the merger.

PUBLIC SERVICE COMMISSION
OF WEST VIRGINIA
CHARLESTON

At a session of the Public Service Commission of West Virginia, in the City of Charleston, on the 28th day of December, 2000.

CASE NO. 00-0893-PWD-PC

BERKELEY COUNTY COMMISSION
Petition for consent and approval to merge Berkeley County Public Service District, Hedgesville Public Service District and Opequon Public Service District.

COMMISSION ORDER

By order entered June 1, 2000, the County Commission of Berkeley County, West Virginia, decided to merge Hedgesville Public Service District (Hedgesville) and Opequon Public Service District (Opequon) into the Berkeley County Public Service District, effective January 1, 2001, for the provision of water service. Petition p. 1. On June 5, 2000, the Berkeley County Commission petitioned the Public Service Commission for its approval of the merger, as required by W. Va. Code § 16-13A-2. Id.

The Commission conducted a public hearing, as required by the statute, in Martinsburg on November 2, 2000, at which there was unanimous support for the merger. As is set forth more-fully below, the Commission grants its consent to the merger of Hedgesville and Opequon Public Service Districts into Berkeley County Public Service District for the provision of water service.

Berkeley County already has a county-wide utility for the provision of sewer service, known as the Berkeley County Public Service Sewer District. To avoid confusion, and to be consistent, the Commission determines that the merged water utility shall be known as the Berkeley County Public Service Water District.

[1] At the November 2nd public hearing, the Commission granted Berkeley County Public Service District's motion to change the case caption to reflect that the Hedgesville and Opequon districts are being merged into the Berkeley County Public Service District. The three utilities are not being consolidated into a new entity.

BACKGROUND

In filing for the Commission's approval, the Berkeley County Commission gave the following reasons:

> . . . merger of the three districts will be conducive to the preservation of the public health, comfort and convenience, . . . will permit a more efficient and effective method of planning for and implementing the provision of water service to the public; will result in a greater ability to compete for the resources necessary to the implementation of water service to the public; will permit greater efficiencies and cost effective service to the citizens of Berkeley County; and, will ultimately result in a fairer rate structure for the people of this county.

Berkeley Co. Comm'n Order p. 1 (filed June 5, 2000). The County Commission ordered that the merger be effective on January 1, 2001, and that all details of the new entity be in place by June 30, 2001. Id. The boards of the three districts would continue to operate until a new, single board is appointed. Id. p. 2. The County Commission would direct and manage the merger through a series of orders until the merger was fully realized and operational. Id.

On July 17, 2000, Commission Staff recommended that the merger be approved, subject to several conditions. Initial & Final Joint Staff Memorandum p. 1. Technical Staff recommended that the cash assets of the three districts, other than restricted bond reserve, be placed in an interest bearing account for repairs, replacements and extensions for each of the respective districts. Initial & Final Internal Memo p. 2, attached to Initial & Final Joint Staff Memorandum. Further, Technical Staff recommended that the merged utility adopt the separate tariffs of the three districts and continue to charge customers pursuant to the separate tariffs. Id. The merged utility should be required to maintain a separate financial and statistical account of the operation of each of the three districts, Staff said. Id. After all financial obligations of the three districts are met, any surplus cash should be deposited into the restricted cash account previously recommended. Id. And, Technical Staff recommended that the merged district file a rate case after eighteen months of consolidated operations so that a rate structure for the merged operations could be determined. Id.

In addition, Staff recommended that the Berkeley County Commission's June 1, 2000, order be modified in two respects. Initial & Final Joint Staff Memorandum p. 1. First, "water" should be part of the merged district's name: The County Commission order simply merged Opequon and Hedgesville into Berkeley County Public Service District without changing the name. Id. Second, the merged district's area should be described to "include all of the area of Berkeley County, West Virginia, which is not currently contained within the boundaries of any municipal or private public utility, for the provision of water service."

instead of "to the people of Berkeley County." Id.

On August 30, 2000, Staff advised all details should be in place before there is an effective date for the merger, which is opposite what the County Commission proposed. Further Final Internal Memorandum p. 1, attached to Further Joint Staff Memorandum. Thus, Staff recommended that the County Commission's order be further revised to reflect a July 1, 2001, effective date, with January 1, 2001, being the date for all details to be in place. Id. Staff noted that an effective date of January 1, 2001, would occur in the middle of the districts' fiscal years, which would result in additional accounting expenses. Id. The effective date of the merger should coincide with the end of the fiscal year, Technical Staff said. Id.

On November 1, 2000, Staff updated the Commission on its assistance efforts regarding the merger. Internal Joint Staff Memorandum p. 1, attached to Further Joint Staff Memorandum. Staff advised that it had requested extensive financial information from each district, and much of that information had been received. Id. Staff estimated that its final report to the County Commission would likely be submitted by January 31, 2001. Id.

Further, Staff reversed its recommendation regarding the merger's effective date. Id. Staff recommended that the effective date be January 1, 2001, with the three districts remaining operationally separate until July 1, 2001. Id. This would create a six-month transition period. Id.

On December 5, 2000, Berkeley County Public Service District filed a letter from bond counsel relating to bond requirements in connection with the merger. Ltr. p. 1 & attachment. The letter also recited, "The BCPSD [Berkeley County Public Service District] clearly supports this merger." Id. p. 2.

Also on December 5, 2000, Commission Staff moved the Commission to accept a post-hearing exhibit, a copy of Berkeley County Public Service District's 1994 Series Bond Resolution. Motion p. 1. After reviewing that document, Staff said that no bond holder approval was required for the proposed merger. Id.

On December 11, 2000, the County Commission advised that it had amended its order on November 30, 2000.[2] Ltr. p. 1 & attached memo. The County Commission changed the effective date of the merger to July 1, from January 1, as well as inserted the phrase "or as

---

soon thereafter as possible."

DISCUSSION

The Commission grants Staff's motion to file the post-hearing exhibit. The exhibit shall be considered with the letter filed by Berkeley County Public Service District relating to bond holder requirements.

This case arises pursuant to W. Va. Code §16-13A-2, which provides in pertinent part as follows:

> (f) . . . [W]ithin ten days after the entry of an order . . . merging . . . a district, such order must be filed for review and approval by the public service commission. The public service commission shall provide a hearing in the effected county on the matter and may approve, reject or modify the order of the county commission if it finds it is in the best interest of the public to do so.

The Commission concludes that it is in the best interest of the public to merge Hedgesville and Opequon into the Berkeley County Public Service District consistent with the Berkeley County Commission's order. These districts serve an area of burgeoning growth and the customers will benefit from a merger of personnel and customer base. Eventually, a single rate structure in the county may provide economies of scale and assist in economic development.

The Commission modifies the County Commission's order to provide that the resulting merged district shall be known as the Berkeley County Public Service Water District. The merged district shall include all of Berkeley County which is not currently contained within the boundaries of any municipal or private water utility. The Commission will permit the merged utility to continue the separate tariffs of the three districts and to charge customers pursuant to those tariffs. Those rates shall remain in effect until further Commission proceeding and order.

The Commission finds that it is in the public interest for this merger to be concluded as soon as possible. Therefore, the Commission directs that the merger be completed and effective on or before July 1, 2001. Staff, the district and the County Commission shall continue to work out all remaining details and shall file joint progress reports with the Executive Secretary's office.

The Commission also requires an opinion from AMBAC, the insurer of Berkeley County Public Service District's publicly held bonds, as to any requirements needed for the merger.

The Commission reviewed the bond document and finds no provision requiring bondholder approval for the merger of two existing districts into Berkeley County Public Service District. The bond document refers to the sale of the system, providing, in relevant part, "the System may be sold, mortgaged, leased or otherwise disposed of only as a whole[.]" See Bond Resolution for Berkeley County Public Service District Water Revenue Bonds, Series 1994, Section 6.06, p. 36. This merger is not a sale or other disposition of the system as contemplated by the bond document. Obviously, the bond document is to preserve the underlying assets of the system for the protection of the bondholders. This merger leaves Berkeley County Public Service District as the surviving entity and does not change any rates, so the current sufficient bond coverage of each of the districts remains unaffected. See Transcript p. 33 (Nov. 2 hearing) (Wagner).

This case shall be removed from the Commission's docket of active cases. The filing of the monthly progress reports shall not trigger a reopening of this case.

FINDINGS OF FACT

1. By order entered June 1, 2000, the Berkeley County Commission decided to merge Hedgesville and Opequon Public Service Districts into the Berkeley County Public Service District for the provision of water service. Petition p. 1.

2. On June 5, 2000, the County Commission petitioned the Public Service Commission for its approval of the merger, as required by W. Va. Code § 16-13A-2. Id.

3. The Commission conducted a public hearing in Martinsburg on November 2, 2000, at which there was unanimous support for the merger.

4. Berkeley County already has a county-wide utility for the provision of sewer service, known as the Berkeley County Public Service Sewer District.

5. The merger of the three districts will be conducive to the preservation of the public health, comfort and convenience; will permit a more efficient and effective method of planning for and implementing the provision of water service to the public; will result in a greater ability to compete for the resources necessary for the implementation of water service to the public; will permit greater efficiencies and cost effective service to Berkeley County citizens; and, will ultimately result in a fairer rate structure for Berkeley County citizens.

6. On July 17, 2000, Commission Staff recommended that the merger be approved, subject to several conditions. Initial & Final Joint Staff Memorandum p. 1. In addition, Staff recommended that the Berkeley County Commission's June 1, 2000, order

be modified in a couple of respects. Initial & Final Joint Staff Memorandum p. 1.

7. On August 30, 2000, Staff recommended that the County Commission's order be further revised to reflect a July 1, 2001, effective date, because an effective date of January 1, 2001, would occur in the middle of the districts' fiscal years, which would result in additional accounting expenses. Further Final Internal Memorandum p. 1, attached to Further Joint Staff Memorandum.

8. On November 1, 2000, Staff updated the Commission on its assistance efforts regarding the merger. Internal Joint Staff Memorandum p. 1, attached to Further Joint Staff Memorandum.

9. On December 5, 2000, Berkeley County Public Service District filed a letter from bond counsel relating to bond requirements in connection with the merger. Ltr. p. 1 & attachment. The letter also recited, "The BCPSD [Berkeley County Public Service District] clearly supports this merger." Id. p. 2.

10. Also on December 5, 2000, Commission Staff moved the Commission to accept a post-hearing exhibit, a copy of Berkeley County Public Service District's 1994 Series Bond Resolution. Motion p. 1. After reviewing that document, Staff said that no bond holder approval was required for the proposed merger. Id.

11. On December 11, 2000, the County Commission advised that it had amended its order on November 30, 2000, to change the effective date of the merger to July 1, from January 1, and to insert the phrase "or as soon thereafter as possible." Ltr p. 1 & attached memo.

CONCLUSIONS OF LAW

1. Staff's motion to file the post-hearing exhibit should be granted.

2. Berkeley County already has a county-wide utility for the provision of sewer service, known as the Berkeley County Public Service Sewer District. To avoid confusion, and to be consistent in naming, "water" should be added to the name of the Berkeley County Public Service District. Thus, the merged water utility shall be known as the Berkeley County Public Service Water District.

3. Pursuant to W. Va. Code § 16-13A-2(f), the Commission concludes that it is in the best interest of the public to merge these districts, as the Berkeley County Commission has requested. These districts serve an area of burgeoning growth. It makes sense to merge the utility personnel and customer base to achieve economies of scale.

4. The Commission agrees with Staff that the authority of the merged district shall include all of Berkeley County which is not currently contained within the boundaries of any municipal or private water utility.

5. The Commission will permit the merged utility to continue the separate tariffs of the three districts and to charge customers pursuant to those tariffs. Said rates will remain in effect until further Commission proceeding and order.

6. It is in the public interest for this merger to be concluded as soon as possible. Therefore, the Commission directs that the merger be completed and effective on or before July 1, 2001. Staff, the district and the County Commission shall continue to work out all remaining details and shall file joint progress reports with the Executive Secretary's office.

7. The Commission shall require that an opinion be obtained from AMBAC, the insurer of Berkeley County Public Service District's publicly held bonds.

8. The Commission finds after a review of the bond document that bondholder approval is not required on the Berkeley County bonds because the record indicates that the rates of the three districts are sufficient to provide bond coverage; the merger of the three districts will not change rates; and no utility assets will be sold as a result of this transaction. See Transcript p. 32 (Nov. 2 hearing) (Wagner).

ORDER

IT IS THEREFORE ORDERED that Berkeley County's action to merge Opequon and Hedgesville Public Service Districts into the Berkeley County Public Service District for the provision of water service is approved as modified herein. The Commission's approval will permit the merged utility to continue the separate tariffs of the three districts and to charge customers pursuant to those tariffs. Said rates shall remain in effect until further Commission proceeding and order.

IT IS FURTHER ORDERED that the merger be completed and effective on or before July 1, 2001.

IT IS FURTHER ORDERED that the merged district shall be known as the Berkeley County Public Service Water District.

IT IS FURTHER ORDERED that Staff, the district and the County Commission shall continue to work out all remaining details and shall file joint progress reports with the Executive Secretary's office.

IT IS FURTHER ORDERED that an opinion be obtained from AMBAC, the insurer of Berkeley County Public Service District's publicly held bonds.

IT IS FURTHER ORDERED that this proceeding be removed from the Commission's docket of active cases.

IT IS FURTHER ORDERED that the Commission's Executive Secretary shall serve a copy of this order upon all parties of record by United States First Class Mail, and upon Commission Staff by hand delivery.

PUBLIC SERVICE COMMISSION
OF WEST VIRGINIA
CHARLESTON

At a session of the Public Service Commission of West Virginia, in the City of Charleston, on the 26th day of April, 2001.

CASE NO. 00-0893-PWD-PC

BERKELEY COUNTY COMMISSION
Petition for consent and approval to merge Berkeley County Public Service District, Hedgesville Public Service District and Opequon Public Service District

COMMISSION ORDER

The Public Service Commission (PSC) has approved the Berkeley County Commission's plan to merge Hedgesville and Opequon Public Service Districts into Berkeley County Public Service District for the provision of water service. The surviving entity will be known as the Berkeley County Public Service Water District.

The Berkeley County Public Service District petitioned the PSC to reconsider part of its decision. This order clarifies that the PSC's approval of the merger is one step of the process.

BACKGROUND

On December 28, 2000, pursuant to W. Va. Code § 16-13A-2(f), the PSC approved an order adopted by the Berkeley County Commission to merge the public service districts that provide water utility service in Berkeley County. The PSC concluded that it was in the public interest for this merger to be concluded as soon as possible and directed that the merger be completed and effective on or before July 1, 2001. Comm'n Order p. 4. To monitor progress, the PSC required joint progress reports to be filed. Id. Further, the PSC required that an opinion be obtained from AMBAC, the insurer of the Berkeley Co. PSD's publicly held bonds, even though the PSC concluded, based upon its review of the bond document, that bondholder approval was not required on the Berkeley County bonds. Id. PSC Staff was directed to continue assisting in the merger tasks. Id.

On February 5, 2001, the Berkeley Co. PSD moved the PSC to reconsider its order, stating that the PSC had not sufficiently allowed time for the bondholders' consent to the merger plan to be obtained. Berkeley Co. PSD's Motion to Reconsider pp. 1-5. The PSC's

order would permit the merger to occur, regardless of whether bondholder consent had been obtained, the Berkeley Co. PSD argued. Id. p. 5. Further, without bondholder consent, the merged entity would be defectively formed, the result of which could be to cloud the utility's ability to enter into contracts or obtain loans or grants. Id.

"These consequences can be easily avoided by simply obtaining the requisite consents," the Berkeley Co. PSD said. Id. "None of the stated requirements for consent are unduly burdensome, and there is no reason to believe any of them cannot be satisfied. These consents should easily be obtainable before July 1, 2001, if work is started soon." Id. pp. 5-6.

On February 23, 2001,[1] the Berkeley County Commission objected to the Berkeley Co. PSD's motion. Objection to Motion for Reconsideration pp. 1-2. The Berkeley Co. PSD's motion ignores the Berkeley County Commission's November 30, 2000, order, which accommodates the need of all bondholders, the County Commission argued. Id. p. 1. The Berkeley County Commission has repeatedly assured all parties that it will not effectuate the merger until the appropriate consents have been received. Id. (emphasis in original). An amendment to the PSC's approval is unnecessary. Id. "If, for any reason, such consents are not in place by July 1, 2001, the County Commission will not make the merger effective until such consents are received, assuming consent is not unreasonably withheld." Id. p. 2.

On March 6, 2001, the Berkeley Co. PSD responded, arguing that the County Commission's November 30, 2000, order was not sufficient assurance for the bondholders. Berkeley Co. PSD's Response pp. 1-3. That order only stated that the merger would be effective on July 1, 2001, or as soon thereafter as possible. Id. p. 1. The order did not recognize and condition the merger upon bondholder consent. Id. The Berkeley County Commission's assurance needs to be reduced to writing, the Berkeley Co. PSD argued. Id. Further, the County Commission has conditioned its position upon bondholder consent not being unreasonably withheld. Id. p. 2. The Berkeley County Commission will, in its sole opinion, determine whether bondholder consent is being unreasonably withheld, and this creates a serious impediment and threat. Id. The Berkeley Co. PSD is not trying to delay the merger. Id. p. 2. "The Berkeley County Public Service District supports the proposed merger and is working diligently with the BCC, the Hedgesville Public Service District, and the Opequon Public Service District to identify the requirements for consent of the bondholders and supply them with the information necessary to grant their consent." Id.

[1] The County Commission's objection was received by the PSC's Legal Staff on February 23, 2001. When it was determined that the objection was not contained in the case file maintained by the PSC's Executive Secretary, the PSC's Legal Staff, as a courtesy, provided a copy for the Executive Secretary's file on April 5, 2001.

DISCUSSION

The merger of public service districts can be complicated, and the PSC's order reflects this. The process starts with the deliberations of the local county commission. When a county commission has concluded that its public service districts should be merged, the county commission must file its order with the PSC, for the PSC's review. If the PSC agrees that the public service districts should be merged, the county commission is authorized to take the necessary steps to effectuate the merger.

Bonds may add another layer to this process. Many public service districts have issued bonds, and, a common provision in a bond agreement is that bondholder approval is required before significant changes may be made to the utility's structure or operations. In this particular case, the PSC has reviewed the bond agreement of the Berkeley Co. PSD and concluded that bondholder approval is not needed because no sale of the Berkeley Co. PSD system will occur. Comm'n Order p. 5. Further, PSC Staff's analysis shows that the rates of the three districts are sufficient to provide bond coverage, and the merger of the three districts will not change rates. Id., citing Transcript p. 32 (Nov. 2 hearing) (Wagner). However, the PSC recognized in its order that a difference of opinion may exist as to the necessity of bondholder approval. Therefore, the PSC required that the bondholder's opinion be obtained. Id.

It seems that the Berkeley Co. PSD is concerned that the PSC's order may permit the merger to take effect, prior to bondholder approval being obtained, if that approval is necessary. The PSC's order does not do this. Given the complicated nature of this proceeding, the PSC shall clarify its order. The PSC's approval of the merger is only one step of the process.

The PSC's order requires that bondholder approval, if it is needed, be obtained as quickly as possible. The Berkeley Co. PSD advises that it is reasonable to expect that bondholder approval could be obtained by July 1, 2001, the target date set in the PSC's order, and we agree. The PSC set July 1, 2001, as the target date because this proposed merger is in the public interest. The public's interest is not served by unnecessary delay. The PSC expects all parties to work diligently to obtain bondholder approval prior to July 1, if such approval is necessary. If unexpected problems crop up, the Commission should be promptly advised.

Pursuant to W. Va. Code § 16-13A-2(f)[2], the PSC can modify a county commission

---

[2] W. Va. Code § 16-13A-2 provides in pertinent part as follows:

order. By placing a target date on the merger, the PSC has effectively modified the Berkeley County Commission order, which is what the Berkeley Co. PSD asks to be done in these reconsideration pleadings.

Although the Berkeley Co. PSD seems not reassured, the PSC is confident that the assertion made in the Berkeley County Commission's pleading, that it would not effectuate the merger until necessary bondholder approvals were obtained, may be relied upon. Therefore, the PSC encourages energies to be focused on obtaining the bondholder approvals, if they are required, and other necessary tasks, instead of on perfecting the written form of the County Commission's position. The PSC Staff shall continue to assist in working out the remaining details for this merger.

FINDINGS OF FACT

1. On December 28, 2000, pursuant to W. Va. Code § 16-13A-2(f), the PSC concluded that it was in the public interest for the proposed merger to be concluded as soon as possible and directed that the merger be completed and effective on or before July 1, 2001. Comm'n Order p. 4.

2. The PSC also required that an opinion be obtained from AMBAC, the insurer of the Berkeley Co. PSD's publicly held bonds, even though the PSC concluded, based upon its review of the bond document, that bondholder approval was not required on the Berkeley Co. PSD bonds. Id.

3. On February 5, 2001, the Berkeley Co. PSD moved the PSC to reconsider its order, stating that the PSC had not sufficiently allowed time for the bondholders' consent to the merger plan to be obtained prior to the merger being effectuated. Berkeley Co. PSD's Motion to Reconsider pp. 1-5.

4. On February 23, 2001, the Berkeley County Commission objected to the Berkeley Co. PSD's motion, stating that it had repeatedly assured all parties that it would not effectuate the merger until the appropriate consents have been received. Objection to Motion for Reconsideration pp. 1-2 (emphasis in original).

(f) . . . [W]ithin ten days after the entry of an order . . . consolidating a district, such order must be filed for review and approval by the public service commission. The public service commission shall provide a hearing in the affected county on the matter and may approve, reject or modify the order of the county commission if it finds it is in the best interest of the public to do so.

5. On March 6, 2001, the Berkeley Co. PSD responded, arguing that the County Commission's November 30, 2000, order was not sufficient assurance for the bondholders. Berkeley Co. PSD's Response pp. 1-3.

CONCLUSIONS OF LAW

1. Given the complicated nature of this proceeding, the PSC should clarify its order. The PSC's approval of the merger is only one step of the process.

2. The PSC set July 1, 2001, as the target date because this proposed merger is in the public interest. The public's interest is not served by unnecessary delay.

3. All parties should work diligently to obtain bondholder approval prior to July 1, if such approval is necessary. If unexpected problems crop up, the Commission should be promptly advised.

ORDER

IT IS THEREFORE ORDERED that the Commission's December 28, 2000, order is clarified, as set forth above.

IT IS FURTHER ORDERED that this proceeding be removed from the Commission's docket of active cases.

IT IS FURTHER ORDERED that the Commission's Executive Secretary shall serve a copy of this order upon all parties of record by United States First Class Mail, and upon Commission Staff by hand delivery.

Re: Berkeley County Public Service District, West Virginia,
Water Refunding Revenue Bonds, Series 2015 A (Bank Qualified)

Ladies and Gentlemen:

We have acted as bond counsel to Berkeley County Public Service District, West Virginia (the "Issuer") and in such capacity have examined a record of proceedings relating to the issuance by the Issuer of its $9,575,000 aggregate principal amount of Water Refunding Revenue Bonds, Series 2015 A (Bank Qualified) (the "Series 2015 A Bonds").

The Series 2015 A Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and a Bond Resolution duly adopted by the Issuer on January 12, 2015, as supplemented by a Supplemental Parameters Resolution duly adopted by the Issuer on January 12, 2015 and a Certificate of Determinations dated January 29, 2015 (collectively, the "Bond Legislation"), and are subject to all the terms and conditions of the Bond Legislation. All capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Bond Legislation.

The Series 2015 A Bonds are issued in fully registered form, are dated their date of original issuance, February 26, 2015, mature on December 1, 2036 in the years and amounts, and bear interest payable each June 1 and December 1, commencing June 1, 2015 all as set forth in the Bond Legislation.

The Bond Legislation provides that the Series 2015 A Bonds are issued for the purpose, along with other funds of the Issuer available therfore, of (i) paying a portion of the cost of currently refunding all outstanding maturities of the Issuer's Water Revenue Bonds, Series 2006 (Bank Qualified) dated December 28, 2006, issued in the original aggregate principal amount of $10,000,000 (the "Series 2006 Bonds") on March 3, 2015; (ii) purchasing a municipal bond debt service reserve insurance policy from Assured Guaranty Municipal Corp. sufficient to satisfy the Debt Service Reserve Requirement for the Series 2015 A Bonds; (iii) purchasing a municipal bond insurance policy from Assured Guaranty Municipal Corp. to secure the payment of the Series 2015 A Bonds; and (iv) pay certain costs of issuance of the Series 2015 A Bonds and related costs. In connection with the current refunding, the Issuer has entered into a Prepayment Agreement, dated as of February 26, 2015 (the "Prepayment Agreement"), with the West Virginia Municipal Bond Commission, the Paying Agent.

The Series 2015 A Bonds have been sold to Robert W. Baird & Co. Incorporated (the "Original Purchaser"), pursuant to a competitive sale held January 29, 2015, with the assistance of Compass Municipal Advisors, LLC serving as Municipal Advisor to the Issuer.

As to questions of fact material to our opinion, we have relied upon representations and warranties of the Issuer, the Original Purchaser, the Municipal Advisor, and other entities; the representations and warranties contained in the Bond Legislation, the Continuing Disclosure Agreement, dated the date hereof (the "Continuing Disclosure Agreement"), between the Issuer and United Bank, Inc., and the Tax Certificate and Agreement, dated the date hereof (the "Tax Certificate"), executed by the Issuer; the certified proceedings and other certifications of certain officials of the Issuer; and certifications of authorized representatives of the Issuer, Original Purchaser and the Municipal Advisor and others furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, and assuming compliance with the covenants and representations of the Issuer and others set forth in the Bond Legislation, the Continuing Disclosure Agreement, the Tax Certificate and such certifications, we are of the opinion, under existing law, that:

1. The Issuer is a duly organized and validly existing public service district under and pursuant to the laws of the State of West Virginia, with full power and authority to adopt the Bond Legislation, enter into the Prepayment Agreement, the Continuing Disclosure Agreement and Tax Certificate, perform its obligations under the terms and provisions thereof and to issue and sell the Series 2015 A Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Issuer, through its governing body, has legally and effectively adopted the Bond Legislation, has authorized, executed and delivered the Prepayment Agreement, the Continuing Disclosure Agreement and the Tax Certificate, has authorized the distribution of the Official Statement in connection with the marketing and sale of the Series 2015 A Bonds, and has issued and sold the Series 2015 A Bonds to the Original Purchaser. The Bond Legislation is in full force and effect as of the date hereof.

3. Assuming due authorization, execution and delivery by the other parties thereto, the Prepayment Agreement, the Continuing Disclosure Agreement and the Tax Certificate constitute valid, legal, binding and enforceable instruments of the Issuer in accordance with their respective terms. We have examined the executed and authenticated Series 2015 A Bonds of said issue, and, in our opinion, said Series 2015 A Bonds are in proper form and have been duly executed and authenticated.

4. The Series 2015 A Bonds have been duly authorized, executed and delivered by the Issuer and, assuming proper authentication, constitute valid and legally enforceable limited obligations of the Issuer, payable from and secured by a first lien on the Net Revenues of the System, on a parity with the Issuer's: (i) Water Revenue Bonds, Series 1993 B, dated March 8, 1993, issued in the original aggregate principal amount of $528,871 and held by the West Virginia Water Development Authority (the "Series 1993 B Bonds"); (ii) Water Revenue Bonds, Series 1993 D, dated July 29, 1993, issued in the original aggregate principal amount of $10,257,957 and held by the West Virginia Water Development Authority (the "Series 1993 D Bonds"); (iii) Water Revenue Bonds, Series 1996, dated August 6, 1996, issued in the original aggregate principal amount of $677,158 and held by the West Virginia Water Development Authority (the "Series 1996 Bonds"); (iv) Water Revenue Bonds, Series 2001 A (West Virginia Water Development Authority), dated October 25, 2001, issued in the original aggregate principal amount of $2,010,000 (the "Series 2001 A Bonds"); (v) Water Revenue Bonds, Series 2003 C (West Virginia Water Development Authority), dated May 15, 2003, issued in the original

aggregate principal amount of $2,430,000 (the "Series 2003 C Bonds"); (vi) Water Revenue Bonds, Series 2007 A (Bank Qualified), dated December 21, 2007, issued in the original aggregate principal amount of $2,300,000 (the "Series 2007 A Bonds"); (vii) Water Revenue Bonds, Series 2008 (Bank Qualified), dated January 24, 2008 and issued in the original aggregate principal amount of $9,500,000 (the "Series 2008 Bonds"); (viii) Water Revenue Bonds, Series 2009 (Bank Qualified, dated February 17, 2009, and issued in the original aggregate principal amount of $7,510,000 (the "Series 2009 Bonds"); (ix) Water Refunding Revenue Bonds, Series 2012 A (Bank Qualified), dated December 19, 2012 issued in the aggregate principal amount of $7,425,000 (the "Series 2012 A Bonds"); (x) Water Revenue Bonds, Series 2012 B (Bank Qualified), dated December 20, 2012 issued in the aggregate principal amount of $7,800,000 (the "Series 2012 B Bonds"); (xi) Water Refunding Revenue Bonds, Series 2013 A (Bank Qualified) dated December 30, 2013, issued in the original aggregate principal amount of $9,900,000 (the "Series 2013 A Bonds"); (xii) Water Refunding Revenue Bonds, Series 2013 B (Taxable), issued in the aggregate principal amount of $2,875,000 (the "Series 2013 B Bonds"), and (xiii) Water Refunding Revenue Bonds, Series 2015 B (Bank Qualified), issued concurrently herewith in the aggregate principal amount of $525,000 (the "Series 2015 B Bonds") (collectively referred to herein as the "First Lien Bonds.")

There are also outstanding obligations of the Issuer which are subordinate to the Series 2015 A Bonds as to liens, pledge and source of and security for payment, being the Issuer's Water Revenue Bonds, Series 1993 C, dated March 8, 1993, issued in the original aggregate principal amount of $17,629 and held by the West Virginia Water Development Authority (the "Series 1993 C Bonds" or the "Second Lien Bonds"). The First Lien Bonds and Second Lien Bonds are hereinafter collectively called the "Prior Bonds". The Series 2015 A Bonds are enforceable in accordance with their terms and the terms of the Bond Legislation, and are entitled to the benefits of the Bond Legislation and the Act.

5. The Series 2006 Bonds have been paid within the meaning and with the effect expressed in the Bond Resolution, as supplemented, pursuant to which they were issued, and the covenants, agreements and other obligations of the Issuer to the holders and owners of the Series 2006 Bonds have been satisfied and discharged.

6. Under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2015 A Bonds is excludable from gross income of the holders thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations. It should be noted, however, that for the purpose of calculating the alternative minimum tax on certain corporations (as defined for federal income tax purposes), such interest is taken into account as an adjustment to current earnings of such corporations.

Ownership of tax-exempt obligations, including the Series 2015 A Bonds, may result in collateral federal income tax consequences to certain taxpayers. We offer no opinion as to such collateral tax consequences or any other federal tax consequences arising with respect to the Series 2015 A Bonds. Prospective purchasers of the he Series 2015 A Bonds should consult their own tax advisors as to such consequences.

The portion of the Series 2015 A Bonds which are being used to refund the outstanding principal amount of the Series 2006 Bonds are "deemed designated" by the Issuer pursuant to Section 265(b)(3) of the Code. The Issuer has designated the remainder of the Series 2015 A Bonds as "Qualified Tax-Exempt Obligations" for purposes of Section 265(b)(3) of the Code and covenanted that not more than $10,000,000 aggregate principal amount of obligations, including the portion of the Series 2015 A Bonds in excess of the outstanding principal amount of the Series 2006 Bonds and the Series 2015 B

Bonds, the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income taxes (excluding, however, obligations described in Section 265(b)(3)(C)(ii) of the Code, including the portion of the Series 2015 A Bonds which have been "deemed designated," have been or shall be issued by the Issuer or any entities subordinate to it, during the calendar year 2015, all as determined in accordance with the Code.

The opinions set forth in this paragraph 6 are subject to the condition that the Issuer comply with all requirements of the Internal Revenue Code of 1986, as amended, and regulations thereunder (collectively, the "Code") that must be satisfied for interest on the Series 2015 A Bonds to be or continue to be excludable from gross income for federal income tax purposes, and with all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Series 2015 A Bonds set forth in the Bond Legislation, the Prepayment Agreement, the Tax Certificate and the certifications of the Issuer and others (collectively, the "Tax Covenants"). Failure to comply with the Tax Covenants could cause the interest on the Series 2015 A Bonds to be included in gross income retroactively to the date of issuance of the Series 2015 A Bonds.

7. Under the Act, the Series 2015 A Bonds and the interest thereon are exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

8. The Series 2015 A Bonds are exempted securities within the meaning of Section 3(a)(2) of the Securities Act of 1933, as amended, and the West Virginia Uniform Securities Act, as amended, and it is not necessary, in connection with the public offering and sale of the Series 2015 A Bonds, to register any securities under said Securities Acts.

It is to be understood that the rights of the holders of the Series 2015 A Bonds and the enforceability of the Series 2015 A Bonds, the Bond Legislation, the Prepayment Agreement, the Continuing Disclosure Agreement, the Tax Certificate, and the liens, pledges, rights or remedies with respect thereto, are subject to and may be limited by any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally and that their enforcement may also be subject to the application of public policy, general principles of equity and the exercise of judicial discretion in appropriate cases.

We do not express any opinion as to the sufficiency or accuracy of the material, information or financial statements which are set forth in the Official Statement prepared and used in connection with the offering and sale of the Series 2015 A Bonds.

The opinions expressed in this letter are based upon the law in effect on the date hereof, and may be affected by actions taken or omitted or events occurring after the date hereof, including subsequent interpretations of the applicable law by competent judicial, regulatory and administrative authorities that modify, revoke, supplement, reverse, overrule or otherwise change applicable law and current interpretations thereof. We assume no obligation to revise or supplement this opinion should such law be changed by legislative action, judicial decision, or otherwise, or to determine or to inform any person whether any such actions are taken or omitted or any such events occur.

This opinion is intended solely for the benefit of the addressee and may not be relied upon by any other person or entity without, in each such case, our express written consent.

Very truly yours,

Re: Berkeley County Public Service District
$9,575,000 Water Refunding Revenue Bonds Series 2015 A (Bank Qualified)

Ladies and Gentlemen:

I have acted as counsel for Berkeley County Public Service District (the "Issuer") and have acted as such in connection with the sale of the above-referenced Bonds (the "Bonds"), which are being delivered, and have been sold to Robert W. Baird & Co. Incorporated (the "Original Purchaser"), pursuant to a competitive sale held January 29, 2015, with the assistance of Compass Municipal Advisors, LLC serving as Municipal Advisor to the Issuer. Any capitalized term used herein and not defined shall have the meaning assigned to it in the Bond Resolution.

In this connection, I have reviewed and examined certain proceedings and documents with respect to the Bonds, any such records, certificates and other documents as I have considered necessary or appropriate for the purposes of this opinion, the Constitution and the laws of the State of West Virginia, specifically Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (the "Act"), the Resolution of the Issuer relating to the Bonds adopted by the Public Service Board of the District on January 12, 2015 (the "Bond Resolution"), as supplemented by a supplemental parameters resolution adopted by the Public Service Board of the District on January 12, 2015 (the "Supplemental Parameters Resolution") and a Certificate of Determinations executed by the Chairman of the Issuer on January 29, 2015 (the "Certificate of Determinations," and, collectively with the Supplemental Parameters Resolution and the Bond Resolution, hereinafter the "Bond Legislation"), the Continuing Disclosure Agreement (the "Undertaking"), the Preliminary Official Statement dated January 23, 2015, and the Official Statement dated January 29, 2015, with respect to the issuance and

offering of the Bonds (collectively the "Official Statement"), and a closing certificate of the Issuer. Based on such review and such other considerations of law and fact as I believe to be relevant, I am of the opinion that:

1. The District is a political subdivision and public service district of the State of West Virginia.

2. The District has complied with all requirements of the Act that must be satisfied in connection with the issuance of the Bonds.

3. No litigation is pending, or to my knowledge, threatened in any court in any way affecting the existence of the District or the titles of its officers to their respective offices, or seeking to restrain or to enjoin the issuance or delivery of the Bonds, or the collection of Net Revenues of the System pledged or to be pledged to pay the principal of and interest on the Bonds, or the pledge thereof, or in any way contesting or affecting the validity or enforceability of the Bonds or the Bond Legislation, or contesting the powers of the District with respect to the Bonds, the Bond Legislation, or the Undertaking or any transaction described in or contemplated by the Official Statement.

4. The Official Statement, as amended or supplemented to the date of Closing (except as aforesaid) contains no untrue statement of a material fact or omits to state material fact required to be stated therein or necessary to make the statements therein regarding the District, in light of the circumstances under which they were made, not misleading.

5. The statements contained in the Official Statement under the captions "The Series 2015 A Bonds", "Security for the Series 2015 A Bonds", "The District and the System", "Absence of Material Litigation", and "Financing Plan," insofar as such statements contained under such captions purport to summarize certain matters set forth therein and certain provisions of the Resolution, are accurate and present a fair summary of the matters referred to therein. All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

and there are outstanding obligations of the Issuer which are subordinate to the Series 2015 A Bonds as to liens, pledge and source of and security for payment, being the Issuer's:

(1) Water Revenue Bonds, Series 1993 C, dated March 8, 1993, issued in the original aggregate principal amount of $17,629 and held by the West Virginia Water Development Authority (the "Series 1993 C Bonds").

The Series 1993 C Bonds are hereinafter called the "Second Lien Bonds." The First Lien Bonds are secured by a first lien on and a pledge of the Net Revenues of the System, on a parity with each other, which lien and pledge are senior and prior to the lien on the Net Revenues of the System of the Second Lien Bonds. The First Lien Bonds and Second Lien Bonds are collectively referred to as the "Prior Bonds".

The Series 2015 A Bonds shall be issued on a parity with one another and with the First Lien Bonds and senior and prior to the Second Lien Bonds with respect to liens, pledge and source of and security for payment and in all other respects. The Issuer has met the coverage requirements for issuance of parity bonds of the First Lien Bonds and the Resolutions authorizing the First Lien Bonds and has substantially complied with all other parity requirements, except to the extent that noncompliance with any such other parity requirements is not of a material nature. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. The respective debt service reserve funds for the Prior Bonds are adequately funded as of the date hereof.

Berkeley County Public Service District
Water Refunding Revenue Bonds, Series 2015 A (Bank Qualified)

Dated: February 26, 2015

Delivery Date: February 26, 2015

TAX AND NON-ARBITRAGE CERTIFICATE

The undersigned Gregory Rhoe, Chairman of Berkeley County Public Service District, West Virginia (the *"Issuer"*), being the officer of the Issuer responsible for issuing the $9,575,000 aggregate principal amount of its Water Refunding Revenue Bonds, Series 2015 A (Bank Qualified) (the *"Series 2015 A Bonds"*), hereby certifies on this 26th day of February, 2015 as follows. The Series 2015 A Bonds are being issued and delivered on February 26, 2015, pursuant to the Bond Act (as defined below), and the Bond Resolution, adopted by the Issuer on January 12, 2015, as supplemented by the Supplemental Parameters Resolution, adopted by the Issuer on January 12, 2015 (collectively, the *"Bond Legislation"*).

This Tax and Non-Arbitrage Certificate (the *"Tax Certificate"*) is executed on the date hereof for the purpose of establishing the reasonable expectations of the Issuer as to future events regarding the Series 2015 A Bonds. The certifications and representations made herein are intended, and may be relied upon, as a certification described in Regulations §1.148-2(b)(2). In addition, the Issuer is relying upon certificates and representations of Robert W. Baird & Co. Incorporated, as the underwriter (the *"Underwriter"*), and of Compass Municipal Advisors, LLC (the *"Financial Advisor"*) in making certain of its certifications relating to matters covered in the Underwriter's Certificate attached to this Tax Certificate. This Tax Certificate also sets forth certain terms and conditions relating to the restrictions on the use and investment of the proceeds of the Series 2015 A Bonds in order that the interest received by the owners thereof will be excluded from gross income for federal income tax purposes.

NOW, THEREFORE, the Issuer hereby certifies, covenants, represents and agrees as follows:

ARTICLE I

GENERAL

Section 1.1 Authorization. The Series 2015 A Bonds are being executed and delivered by the Chairman pursuant to the Bond Legislation and such execution and delivery was authorized by the Bond Legislation.

Section 1.2 Definitions. Capitalized terms used herein which are not otherwise defined herein shall have the respective meanings set forth in the Bond Legislation or, if not defined in the Bond Legislation, in Sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended (the *"Code"*), and the Income Tax Regulations promulgated thereunder (the *"Regulations"*).

Section 1.3 Purpose of the Series 2015 A Bonds. The Series 2015 A Bonds are being executed and delivered for and on behalf of the Issuer for the following purposes:

(i) to refund on March 3, 2015, that is, within 90 days of the issue date of the Series 2015 A Bonds, all of the Issuer's outstanding Water Revenue Bonds, Series 2006 (Bank Qualified), dated December 28, 2006, issued in the original aggregate principal amount of $10,000,000 (the *"Refunded Bonds"*);

(ii) to pay the premium for a municipal bond insurance policy (the *"Insurance Policy"*) from Assured Guaranty Municipal Corp. (*"Assured Guaranty"* or the *"Bond Insurer"*) in order to insure the timely payment of debt service on the Series 2015 A Bonds;

(iii) to pay the premium for a municipal bond debt service reserve insurance policy from Assured Guaranty Municipal Corp. (the *"Surety Bond"*) in an amount necessary to meet the Reserve Requirement for the Series 2015 A Bonds; and

(iv) to pay the costs of issuing the Series 2015 A Bonds and related costs.

Section 1.4 Reliance on Other Parties. The expectations of the Issuer concerning certain uses of the proceeds of the Series 2015 A Bonds and other matters are based in whole or in part on representations and certifications of other parties set forth in this Tax Certificate and accompanying certificates. The Issuer is not aware of any facts or circumstances that would cause it to question the accuracy or reasonableness of any representation or certification made in this Tax Certificate and accompanying certificates.

Section 1.5 Private Activity Bond Representations. For purposes of determining whether the Series 2015 A Bonds are private activity bonds, the Issuer makes the following representations. For this purpose, the proceeds of the Series 2015 A Bonds used for refunding purposes are treated in the same manner as the proceeds of the Refunded Bonds.

(i) Not more than ten percent (10%) of the proceeds of the Series 2015 A Bonds will be used, directly or indirectly, for a private business use.

(ii) Not more than ten percent (10%) of the payment of principal of or interest on the Series 2015 A Bonds will be, directly or indirectly, (A) secured by any interest in (1) property used or to be used for a private business use by any person other than a state

or local governmental unit, or (2) payments in respect of such property; or (B) derived from payments (whether or not to the Issuer), in respect of property, or borrowed money, used or to be used for a private business use by any person other than a state or local governmental unit.

(iii) Not more than five percent (5%) of the proceeds of the Series 2015 A Bonds will be used, directly or indirectly, to make or finance loans to persons other than a state or local governmental unit.

(iv) No user of the facilities that were financed with the Refunded Bonds other than a state or local governmental unit will use more than ten percent (10%) of such facilities on any basis other than the same basis as the general public, and no person other than a state or local governmental unit will be a user of more than ten percent (10%) of such facilities as a result of (A) ownership, (B) actual or beneficial use pursuant to a lease or a management or incentive payment contract, or (C) any other similar arrangement.

(v) In order to ensure that the Series 2015 A Bonds are and remain tax-exempt under Section 103 of the Code, the Issuer agrees to comply with the Compliance Policies set forth in Exhibit C attached hereto. The Issuer further agrees and understands that if the Tax Exempt Rules are not complied with, the Issuer, in consultation with Bond Counsel, may use (i) the remedial actions set forth in Regulations §1.141-12, or (ii) the voluntary closing agreement process of the Internal Revenue Service in order to bring the Series 2015 A Bonds into compliance with the Tax Exempt Rules.

Section 1.6 Single Issue for Certain Tax Purposes. No obligations are (i) being sold at substantially the same time (*i.e.,* within fifteen (15) days) as the Series 2015 A Bonds, (ii) being sold pursuant to the same plan of financing as the Series 2015 A Bonds, and (iii) are reasonably expected to be paid from substantially the same source of funds as the Series 2015 A Bonds, determined without regard to guarantees from unrelated parties.

Section 1.7 Series 2015 A Bonds Not Hedge Bonds. At the time the Refunded Bonds were issued, the Issuer reasonably expected to spend at least eighty-five percent (85%) of the spendable proceeds of such issue, and in fact did spend at least 85% of such proceeds, to carry out the governmental purposes for which such issue was issued, within three (3) years of the issuance date thereof. Not more than fifty percent (50%) of the Refunded Bonds have been invested in investments having a substantially guaranteed yield for four (4) years or more.

Section 1.8 Qualified Tax-Exempt Obligations. The Issuer designated the Refunded Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code. Not more than $10,000,000 in aggregate principal amount of obligations the interest on which was excludable (under Section 103(a) of the Code) from gross income for federal income taxes (excluding, however, obligations described in Section 265(b)(3)(C)(ii) of the Code), were issued in 2006. Thus, for purposes of Section 265(b)(3), $9,490,000 of the par amount of the Series 2015 A Bonds, which equals the par amount of the Refunded Bonds which were refinanced with the proceeds of the Series 2015 A Bonds, are not taken into account for purposes of determining

the $10 million limit for 2015 pursuant to Section 265(b)(3)(C)(ii)(III) of the Code, and are "deemed designated" as qualified tax-exempt obligations pursuant to Section 265(b)(3)(D) of the Code. The remaining par amount of the Series 2015 A Bonds, $85,000, has been designated by the Issuer pursuant to Section 265 (b)(3)(i)(III).

ARTICLE II

ARBITRAGE

Section 2.1 Reasonable Expectations. This Article II states the reasonable expectations, statements of facts and estimates of the Issuer with respect to the amount and use of the proceeds of the Series 2015 A Bonds and certain other funds. On the basis of the following, it is not expected that the Series 2015 A Bonds will be *"arbitrage bonds"* within the meaning of Section 148 of the Code.

Section 2.2 Sale Proceeds.

(a) Sources of Proceeds. Sale proceeds of the Series 2015 A Bonds plus transfers from funds held for payment of the Refunded Bonds:

Par Amount of Series 2015 A Bonds	$ 9,575,000.00

Transfer from Debt Service Fund for Refunded Bonds	153,101.03
Total Proceeds	$ 9,932,719.53

(b) Uses of Proceeds:

Pay the Refunded Bonds	$ 9,591,276.67

(i) After payment of the Underwriter's Discount in the amount of $143,503.41, an amount of $147,349.28 will be deposited in the Series 2015 A Bonds Costs of Issuance Fund established under the Bond Legislation and used to pay the costs of issuance of the Series 2015 A Bonds;

(ii) Series 2015 A Bond proceeds and the amount in the Series 2006 Debt Service Fund for the Refunded Bonds in the total amount of $9,591,276.67 will be

deposited on the Closing Date with the West Virginia Municipal Bond Commission in the Series 2006 Prepayment Fund (the *"Refunded Bonds Prepayment Fund"*) and applied on March 3, 2015, to the payment in full of the principal of, redemption premium (if any), and accrued interest on the Refunded Bonds to effect the redemption and retirement thereof;

(v) An amount of $15,926.95 will be used on the Closing Date to purchase the Surety Bond for the 2015 A Reserve Fund; and

(vi) An amount of $34,663.22 will be used on the Closing Date to purchase the Insurance Policy for the Series 2015 A Bonds; and

Section 2.3 No Over-issuance. The total proceeds to be received from the sale of the Series 2015 A Bonds and anticipated investment earnings thereon do not exceed the total of the amount necessary to finance the governmental purposes for which the Series 2015 A Bonds are issued as described above.

Section 2.4 Investment of Proceeds. No portion of the Series 2015 A Bonds is being issued solely for the purpose of investing the proceeds at a yield higher than the yield on the Series 2015 A Bonds or to replace funds which were used, directly or indirectly, to acquire investments with a yield higher than the yield on the Series 2015 A Bonds.

Section 2.5 Funds and Accounts.

(a) General. The following funds and accounts with respect to the Series 2015 A Bonds are created and established or continued under the Bond Legislation:

(1) Revenue Fund;

(2) Renewal and Replacement Fund;

(3) Series 2015 A Bonds Costs of Issuance Fund;

(4) Rebate Fund;

(5) Series 2015 A Bonds Sinking Fund;

(6) Series 2015 A Bonds Redemption Account; and

(7) Series 2015 A Bonds Reserve Account.

The Issuer certifies that the following sections accurately reflect various matters relating to these funds and accounts with respect to the Series 2015 A Bonds.

(b) Revenue Fund. All monies received from time to time by the Issuer from the operation of the water system (as more fully defined in the Bond Legislation, the *"Water*

System") of the Issuer are deposited into the Revenue Fund. From the Revenue Fund such monies are disbursed pursuant to the Bond Legislation to pay the operations and maintenance of the Water System and to pay debt service on outstanding bonds of the Issuer. At no time were any proceeds of the Refunded Bonds on deposit in the Revenue Fund and no proceeds of the Series 2015 A Bonds shall be deposited in the Revenue Fund.

(c) Renewal and Replacement Fund. A Renewal and Replacement Fund is created under the Bond Legislation, to be funded through monthly deposits of Gross Revenues. Absent an Event of Default on the Series 2015 A Bonds, and depletion in full of the Series 2015 A Bonds Reserve Account or a call on the Surety Bond which is not reimbursed from other funds of the Issuer, the Renewal and Replacement Fund is not expected to be used for the purpose of paying debt service on the Series 2015 A Bonds. The Issuer is required to deposit 2.5% of the Gross Revenues each month into the Renewal and Replacement Fund. Disbursements may be made from the Renewal and Replacement Fund at any time to pay for replacements, repairs or improvements of the Water System. In the event the Issuer experiences financial difficulties with respect to the Water System, it is not expected that the Renewal and Replacement Fund or any portion thereof will be available to pay debt service on the Series 2015 A Bonds. Therefore, monies in the Renewal and Replacement Fund will be invested without restriction as to yield and are not subject to rebate.

(d) Series 2015 A Bonds Costs of Issuance Fund. As described in Section 2.2(b)(i) hereof, a Series 2015 A Bonds Costs of Issuance Fund is created under the Bond Legislation to be funded from proceeds of the Series 2015 A Bonds to pay costs of issuance of the Series 2015 A Bonds. Proceeds of the Series 2015 A Bonds deposited in the Costs of Issuance Fund generally may be invested at an unrestricted yield for a period of thirteen (13) months from the date hereof, and, thereafter, at a yield not materially higher than the yield on the Series 2015 A Bonds. For investments of amounts described in the preceding sentence, the term *"materially higher"* means one quarter of one percentage point (0.125%).

(e) Rebate Fund. The Issuer has covenanted not to use moneys in any fund or account in connection with the Series 2015 A Bonds in a manner which will cause the Series 2015 A Bonds to be arbitrage bonds within the meaning of Section 148 of the Code. To that end, the Rebate Fund was created under the Bond Legislation and will be funded to the extent required either from transfers from the other funds or accounts or from the Issuer's general funds. The MBC, as the paying agent, shall deposit into the Rebate Fund any payments received in accordance with this Tax Certificate for purposes of paying rebate to the United States Treasury and so identified. The amount required to be held in the Rebate Fund at any point in time is determined pursuant to the requirements of the Code, including particularly Section 148(f) of the Code and the Regulations promulgated thereunder. Moneys in the Rebate Fund are neither pledged to nor expected to be used to pay debt service on the Series 2015 A Bonds.

(f) Series 2015 A Bonds Sinking Fund. The Series 2015 A Bonds Sinking Fund will be used primarily to achieve a proper matching of revenues and debt service within each bond year. To the extent the Series 2015 A Bonds Sinking Fund will be used to pay debt service on

the Series 2015 A Bonds, it is expected to be depleted at least once each bond year except for a reasonable carryover amount not to exceed the greater of (i) the earnings on investment of the moneys in these accounts for the immediately preceding bond year, or (ii) one-twelfth ($1/12^{th}$) of the debt service on the Series 2015 A Bonds for the immediately preceding bond year. Amounts deposited in the Series 2015 A Bonds Sinking Fund will be expended to pay debt service on the Series 2015 A Bonds within thirteen (13) months from the date of deposit therein pursuant to the Bond Legislation. The Series 2015 A Bonds Sinking Fund is expected to constitute a *"bona fide debt service fund"* within the meaning of the Regulations.

Amounts deposited into the Series 2015 A Bonds Sinking Fund for the purpose of paying current debt service on the Series 2015 A Bonds may be invested at an unrestricted yield for a period not exceeding thirteen (13) months from the date of the first deposit of such amounts to such fund and, thereafter, at a yield not materially higher than the yield on the Series 2015 A Bonds. For investments of amounts described in the preceding sentence, the term *"materially higher"* means one-thousandth of one percentage point (0.001%). As long as the Series 2015 A Bonds Sinking Fund qualifies as bona fide debt service funds, amounts therein will not be subject to the arbitrage rebate requirements of Section 148(f) of the Code.

(g) Series 2015 A Bonds Reserve Account. As described in Section 2.2(b)(iv) hereof, the Series 2015 A Bonds Reserve Account will be funded with the Surety Policy to secure the payment of debt service on the Series 2015 A Bonds. The Underwriter has certified, in Exhibit A attached hereto, that the establishment and maintenance of the Series 2015 A Bonds Reserve Account was a vital factor in the marketing of the Series 2015 A Bonds. Any amounts deposited in the Series 2015 A Bonds Reserve Account will not exceed the least of (i) 10% of the proceeds of the Series 2015 A Bonds, (ii) 125% of average annual debt service on the Series 2015 A Bonds, or (iii) maximum annual debt service on the Series 2015 A Bonds. If the Surety Policy is cancelled or terminated, any amounts deposited in the Series 2015 A Bonds Reserve Account may be invested at an unrestricted yield throughout the term of the Series 2015 A Bonds and is subject to rebate.

(h) Series 2015 A Redemption Account. The Series 2015 A Redemption Account is created under the Bond Legislation. In the event moneys are deposited into the Series 2015 A Bonds Redemption Account, to the extent they are not part of a "bona fide debt service fund" within the meaning of the Regulations, they will be subject to rebate, to the extent the yield thereon exceeds the yield on the Series 2015 A Bonds. Otherwise, they will be invested without restriction as to yield and are not subject to rebate.

Section 2.6 No Replacement. Other than proceeds of the Series 2015 A Bonds, neither the Issuer nor any person related to it within the meaning of Section 147(a) of the Code (a *"Related Person"*) has on hand any funds which could legally and practically be used for the purposes for which the Series 2015 A Bonds are being issued, which are not pledged, budgeted, earmarked or otherwise necessary to be used for other purposes. Accordingly, no portion of the proceeds of the Series 2015 A Bonds will be used (i) directly or indirectly to replace funds of the Issuer or any Related Person that could be used for the purpose for which the Series 2015 A

Bonds are being issued, or (ii) to replace any proceeds of any prior issuance of obligations by the Issuer or any Related Person.

Section 2.7 No Other Sinking or Pledged Funds. Except for the Series 2015 A Bonds Sinking Fund and the Series 2015 A Bonds Reserve Account, no other funds or accounts have been or are expected to be established, and no moneys or property have been or are expected to be available or pledged (no matter where held or the source thereof) which are expected to be used or available to pay, directly or indirectly, principal or interest on the Series 2015 A Bonds, or restricted so as to give reasonable assurance of their availability for such purposes.

Section 2.8 No Abusive Arbitrage Device. The Issuer certifies, warrants and covenants that the Series 2015 A Bonds are not and will not be part of a transaction or series of transactions that (i) attempts to circumvent the provisions of Section 148 of the Code and related Regulations, thereby enabling the Issuer to exploit the difference between tax-exempt and taxable interest rates to obtain a material financial advantage, and (ii) overburdens the tax-exempt bond market in any manner, including, without limitation, issuing more bonds, issuing bonds earlier, or allowing them to remain outstanding longer than is otherwise reasonably necessary to accomplish the governmental purpose of the Series 2015 A Bonds.

Section 2.9 No Transferred Proceeds. Proceeds of refunded bonds become transferred proceeds of the refunding bonds when proceeds of the refunding bonds discharge the refunded bonds. There are no remaining proceeds of the Refunded Bonds and all moneys currently in the 2006 Bonds Debt Service Fund will be directly allocated on the date hereof to the escrow to be held by MBC and expended on March 3, 2015, to refund and redeem the Refunded Bonds. Thus, there will be no transferred proceeds with respect to the Series 2015 A Bonds.

ARTICLE III

CALCULATION OF YIELD

Section 3.1 Yield. For purposes of this Tax Certificate, yield is calculated as set forth in Section 148(h) of the Code and Regulations §§1.148-4 and 1.148-5. Thus, yield generally means that discount rate which, when used in computing the present value of all unconditionally payable payments of principal and interest with respect to an obligation and the cost of qualified guarantees (if any) paid and to be paid with respect to such obligation, produces an amount equal to the issue price of the obligation.

The Underwriter has certified in the Underwriter's Certificate, dated the date hereof, a copy of which is attached hereto as Exhibit A (the *"Underwriter's Certificate"*), that the Series 2015 A Bonds have been offered, and a substantial amount of each maturity (at least 10%) thereof sold, to purchasers other than bond houses, brokers or other intermediaries, at the initial respective offering prices shown on the cover page of the Official Statement for the Series 2015 A Bonds. The Issuer certifies, based upon such representations of the Underwriter, that the aggregate reoffering price of the Series 2015 A Bonds is $9,779,618.50, which represents the

price at which the Series 2015 A Bonds were sold to the public (excluding bond houses, brokers and other intermediaries) plus accrued interest (if any).

Series 2015 A Bonds maturing December 1, 2025 through and including December 1, 2030, are subject to optional redemption on June 1, 2025 (the *"Yield-to-Call Bonds"*), at a redemption price of par. As determined by Compass Municipal Advisors, LLC, as the financial advisor to the Issuer, the Yield on the Series 2015 A Bonds, which are fixed yield bonds as described in Regulations §1.148-4(b), was determined by treating those Yield-to-Call Bonds as being redeemed on June 1, 2025, the earliest date on which the Yield-to-Call Bonds can be redeemed producing the lowest yield on the Series 2015 A Bonds.

For purposes hereof, yield shall be calculated on a 360-day year basis with interest compounded semiannually. Based upon the above and the information in Section 3.2 hereof, the yield on the Series 2015 A Bonds on an aggregate basis as computed by the Financial Advisor, is 2.8970%.

Section 3.2. Qualified Guarantee. In connection with the issuance of the Series 2015 A Bonds the Issuer has purchased the Insurance Policy from Assured Guaranty, as the Bond Insurer, at a premium cost of $34,663.22. In addition, the Issuer has purchased the Surety Policy for the Series 2015 A Reserve Fund from the Bond Insurer at a premium cost of $15,926.95. The Insurance Policy and the Surety Policy impose a secondary liability on Assured Guaranty, which unconditionally shifts all of the credit risk for the payment of debt service on the Series 2015 A Bonds to the Bond Insurer. Thus, the Insurance Policy is a guarantee in substance of the Series 2015 A Bonds.

As a result of the purchase of the Insurance Policy and the Surety Policy, and pursuant to the certifications of the Underwriter in its Underwriter's Certificate, the present value of the premiums payable with respect to the Insurance Policy and the Surety Policy is less than the present value of the expected interest savings on the Series 2015 A Bonds as a result of the Insurance Policy and the Surety Policy. For this purpose, as calculated by the Underwriter, present value was determined taking into account the premiums on the Insurance Policy and the Surety Policy as a part of the discount rate. The Underwriter has also certified in its Underwriter's Certificate that the costs of the Insurance Policy and the Surety Policy, respectively, do not exceed reasonable, arm's length charges for the transfer of the credit risk on the Series 2015 A Bonds.

The Bond Insurer has certified that neither the cost of the Insurance Policy nor the cost of the Surety Policy includes any payment for any services other than the transfer of credit risk. Assured Guaranty is not a co-obligor with the Issuer on the Series 2015 A Bonds. That is, Assured Guaranty does not expect to make any payments other than under an arrangement under which the guarantor will be immediately reimbursed. Assured Guaranty and any related parties will not use more than 10% of the proceeds of the Series 2015 A Bonds. None of the cost of the Insurance Policy or the Surety Policy is repayable if the Series 2015 A Bonds are refunded in whole or in part.

ARTICLE IV

REBATE

Section 4.1 Undertakings. The Issuer has covenanted to comply with certain requirements of the Code. The Issuer covenants that it shall retain an arbitrage consultant to determine any rebate due with respect to the Refunded Bonds and any rebate or yield reduction payments required to be made with respect to the Series 2015 A Bonds. The Issuer acknowledges that the Regulations with respect to these undertakings, including the proper method for computing whether any rebate amount is due the United States under Section 148(f) of the Code, are (as applicable to a current refunding) §§1.148-0 through 1.148-11, 1.149(d)-1, 1.149(g)-1, 1.150-1 and 1.150-2. The Issuer covenants that it will undertake to determine (or have determined on its behalf) what is required with respect to the rebate provisions contained in Section 148(f) of the Code from time to time and will undertake to comply with any requirements that may be applicable to the Series 2015 A Bonds. The Issuer will undertake the methodology described in this Article IV of this Tax Certificate, except to the extent inconsistent with any requirements of present or future law, regulations or future guidance issued by the United States Treasury or the Internal Revenue Service or if the Issuer receives an opinion of Bond Counsel that such other methodology will not adversely affect the exclusion of interest on the Series 2015 A Bonds from gross income for federal income tax purposes.

Section 4.2 Rebate Fund. A special fund designated the *"Rebate Fund"* has been continued pursuant to the Bond Legislation. The Issuer shall keep the Rebate Fund separate and apart from all other funds and moneys held by it.

Section 4.3 Recordkeeping. Detailed records with respect to each and every Nonpurpose Investment attributable to Gross Proceeds (within the meaning of Regulations §1.148-1(b)) of the Series 2015 A Bonds must be maintained for three (3) years after the Series 2015 A Bonds mature or are prepaid by the Issuer, including (i) purchase date, (ii) purchase price, (iii) any accrued interest paid, (iv) face amount, (v) coupon rate, (vi) frequency of interest payments, (vii) disposition price, (viii) any accrued interest received, (ix) disposition date, and (x) broker's fees. Such detailed record keeping is required for the calculation of the rebate amount (within the meaning of Regulations §1.148-3) which, in part, will require a determination of the difference between the actual aggregate earnings of all Nonpurpose Investments and the amount of such earnings assuming a rate of return equal to the yield on the Series 2015 A Bonds.

Section 4.4 Rebate Amount Calculation and Payment.

(a) The Issuer represents, warrants and covenants that it will prepare or cause to be prepared a calculation of the rebate amount with respect to the Series 2015 A Bonds consistent with the rules described in this Section 4.4. The Issuer will prepare the calculation of the rebate amount (i) within fifty-five (55) days after the close of the fifth Bond Year and each fifth Bond Year thereafter so long as any Series 2015 A Bonds remain unpaid, and (ii) within fifty-five (55) days after the first date on which there are no unpaid Series 2015 A Bonds. Not later than fifty-five (55) days after the end of the fifth Bond Year and each fifth Bond Year thereafter so

long as any Series 2015 A Bonds remains unpaid, and within fifty-five (55) days after the last Series 2015 A Bonds is paid, the Issuer shall deposit an amount necessary to increase or decrease the sum held in the Rebate Fund to the rebate amount.

(b) For purposes of calculating the rebate amount (i) the aggregate amount earned with respect to a Nonpurpose Investment shall be determined by assuming that the Nonpurpose Investment was acquired for an amount equal to its value at the time it becomes a Nonpurpose Investment, and (ii) the aggregate amount earned with respect to any Nonpurpose Investment shall include any unrealized gain or loss with respect to the Nonpurpose Investment on the first date when there are no unpaid Series 2015 A Bonds or when the investment ceases to be a Nonpurpose Investment.

(c) The Paying Agent shall pay to the United States Treasury, pursuant to instructions from the Issuer, out of designated funds (i) not later than sixty (60) days after the end of each fifth Bond Year, a payment equal to at least ninety percent (90%) of the rebate amount with respect to the Series 2015 A Bonds, calculated as of the end of such fifth Bond Year, and (ii) not later than sixty (60) days after the first date when there are no unpaid Series 2015 A Bonds, an amount equal to one hundred percent (100%) of the rebate amount (determined as of the first date when there are no unpaid Series 2015 A Bonds) plus any actual or imputed earnings on such rebate amount, all as set forth in Regulations §§1.148-1 through 1.148-11 and as determined by or on behalf of the Issuer.

(d) Each payment required to be made pursuant hereto and relating to the Series 2015 A Bonds shall be filed with the Internal Revenue Service Center designated in the then-applicable Internal Revenue Service forms and instructions, on or before the date such payment is due and shall be accompanied by Internal Revenue Service Form 8038-T or successor form. The Issuer must retain records of the calculations required by this Section 4.4 until three years after the retirement of the last obligation of the Series 2015 A Bonds.

Section 4.5 Valuation of Investments.

(a) General Rule. Except as otherwise provided in this Section 4.5, for all purposes of Section 148 of the Code, the value of an investment allocated to the Series 2015 A Bonds (including a payment or receipt on the investment) on a date must be determined using one of the following valuation methods:

(i) Outstanding Principal Amount Method. A plain par investment (as defined in Regulations §1.148-1(b)) may be valued at its outstanding stated principal amount, plus any accrued unpaid interest on that date.

(ii) Present Value Method. An investment whose yield is fixed and determinable on the issue date (a *"fixed rate investment"*) may be valued at its present value on that date. Present value of an investment is computed under the economic accrual method, using the same compounding interval and financial conventions used to compute the yield on the Series 2015 A Bonds (*i.e.,* 360-day year basis with interest

compounded semiannually). The present value of an investment on a date is equal to the present value of all unconditionally payable receipts to be received from and payments to be paid for the investment after that date, using the yield on the investment as the discount rate.

(iii) Fair Market Value Method. An investment may be valued at its fair market value on that date. The fair market value of an investment is the price at which a willing buyer would purchase the investment from a willing seller in a bona fide, arm's-length transaction. Fair market value generally is determined on the date on which a contract to purchase or sell the nonpurpose investment becomes binding (*i.e.*, the trade date rather than the settlement date). Except as otherwise provided in Sections 4.5(e), (f) and (g) hereof, an investment that is not of a type traded on an established securities market, within the meaning of Section 1273 of the Code, is rebuttably presumed to be acquired or disposed of for a price that is not equal to its fair market value.

(b) Mandatory Valuation of Certain Investments at Fair Market Value. Except as provided in Sections 4.5(c) and (d), an investment must be valued at fair market value on the date that it is first allocated to the Series 2015 A Bonds or first ceases to be allocated to the Series 2015 A Bonds as a consequence of a deemed acquisition or deemed disposition.

(c) Mandatory Valuation of Yield Restricted Investments at Present Value. Any yield restricted investment must be valued at present value.

(d) Transferred Proceeds Allocations, Universal Cap Allocations and Commingled Funds. Notwithstanding Section 4.5(b) hereof, an investment need not be valued at fair market value if it is allocated to the Series 2015 A Bonds or ceases to be allocated to the Series 2015 A Bonds as a result of the transferred proceeds allocation rule under Regulations §1.148-9(b) or the universal cap rule under Regulations §1.148-6(b)(2). In addition, investments in a commingled fund (other than a bona fide debt service fund) need not be valued at fair market value unless it is a commingled fund described in Regulations §1.148-6(e)(5)(iii).

(e) Certificates of Deposit. The purchase price of a certificate of deposit that has a fixed interest rate, a fixed payment schedule and a substantial penalty for early withdrawal will be treated as its fair market value on the purchase date if:

(i) the yield on the certificate of deposit is not less than the yield on reasonably comparable direct obligations of the United States; and

(ii) the yield on the certificate of deposit is not less than the highest yield that is published or posted by the provider to be currently available from the provider on reasonably comparable certificates of deposit offered to the public.

(f) Guaranteed Investment Contracts. The purchase price of a guaranteed investment contract will be treated as its fair market value on the purchase date if:

(i) the Issuer has made (or had made on its behalf) a bona fide solicitation for a specified guaranteed investment contract and received at least three bona fide bids from providers that have no material financial interest in the Series 2015 A Bonds;

(ii) the Issuer purchased (or had purchased on its behalf) the highest-yielding guaranteed investment contract for which a qualifying bid is made (determined net of broker's fees);

(iii) the yield on the guaranteed investment contract (determined net of broker's fees) is not less than the yield then available from the provider on reasonably comparable guaranteed investment contract, if any, offered to other persons from a source of funds other than gross proceeds of tax-exempt bonds;

(iv) the determination of the terms of the guaranteed investment contract took into account as a significant factor the Issuer's reasonably expected drawdown schedule for the amounts to be invested, exclusive of amounts deposited in debt service funds and reasonably required reserve or replacement funds;

(v) the terms of the guaranteed investment contract, including collateral security requirements, are reasonable; and

(vi) the provider of the guaranteed investment contract certified the administrative costs that it paid (or expects to pay) to third parties in connection with the guaranteed investment contract.

(g) United States Treasury Obligations. The fair market value of a United States Treasury obligation that is purchased directly from the United States Treasury is its purchase price.

Section 4.6 Six-Month Spend-Down Exception. The Issuer may qualify for the six-month exception to rebate applicable to refunding issues if the Series 2015 A Bonds satisfy the following requirements:

(a) The gross proceeds of the Series 2015 A Bonds (other than amounts in a bona fide debt service fund, a reserve fund, or arise unexpectedly after the six-month period) are allocated to expenditures for the refunding of the Refunded Bonds within six months after the Closing Date.

(b) The rebate requirement is met for amounts not required to be spent within such six-month period.

Section 4.7 Segregation of Proceeds. In order to perform the calculations required by the Code, it is necessary to track separately all of the Gross Proceeds. To that end, the Issuer hereby agrees to establish separate funds, accounts or subaccounts or take other accounting measures in order to account fully for all Gross Proceeds.

Section 4.8 Filing Requirements. The Issuer shall file or cause to be filed such reports or other documents with the Internal Revenue Service as may be required by the Code from time to time (*e.g.,* Form 8038-G and Form 8038-T). For purposes of filing the Form 8038-G, the Issuer's EIN is 55-6008864. The Form 8038-G attached hereto as Exhibit B is, to the best of my knowledge, true and correct, and may be relied upon by Bond Counsel.

Section 4.9 Compliance with All Rebate Requirements. The Issuer covenants and agrees to comply with the rebate requirements of the Code if not exempted therefrom, and with all other requirements of the Code necessary, proper or desirable to maintain the tax-exemption of the interest on the Series 2015 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2015 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code. The Issuer covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with Section 148(f) of the Code and the Regulations, regardless of whether such actions may be contrary to any of the provisions of the Bond Legislation.

ARTICLE V

OTHER MATTERS

Section 5.1 Authority. The undersigned is an authorized representative of the Issuer and is acting for and on behalf of the Issuer in executing this Tax Certificate. To the best of the knowledge and belief of the undersigned representative of the Issuer, there are no other facts, estimates or circumstances that would materially change the expectations as set forth herein, and said expectations are reasonable.

Section 5.2 Amendment and Supplementation.

(a) Notwithstanding any other provision herein, the Issuer has reserved the right to amend, supplement or modify this Tax Certificate to the extent necessary to maintain the exclusion of interest on the Series 2015 A Bonds from gross income for federal tax purposes as required pursuant to an opinion of Bond Counsel that such action does not adversely affect the exclusion of interest on the Series 2015 A Bonds from gross income for federal tax purposes.

(b) Notwithstanding any other provision herein, if the Issuer does amend, supplement or modify this Tax Certificate, such amendment, supplement or modification shall become effective only if accompanied by an opinion of Bond Counsel that such action does not adversely affect the exclusion of interest on the Series 2015 A Bonds from gross income for federal tax purposes.

Section 5.3 Severability. If any provision of this Tax Certificate (including all accompanying certificates) shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

Section 5.4 Multiple Counterparts. This Tax Certificate may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 5.5 Survival of Defeasance. Notwithstanding anything in this Tax Certificate or any other provisions of the Bond Legislation to the contrary, the obligation to remit the rebate amount to the United States Treasury and to comply with all other requirements contained in this Tax Certificate shall survive the defeasance or payment in full of the Series 2015 A Bonds.

Section 5.6 Permitted Changes; Opinion of Bond Counsel. The yield restrictions contained in Section 2.5 or any other restriction or covenant contained herein need not be observed or may be changed if the Issuer receives an opinion of Bond Counsel to the effect that such noncompliance or change will not adversely affect the exclusion of interest on the Series 2015 A Bonds for federal income tax purposes.

Section 5.7 Successors and Assigns. The terms, provisions, covenants and conditions of this Tax Certificate shall bind and inure to the benefit of the respective successors and assigns of the Issuer.

Section 5.8 Headings. The headings of this Tax Certificate are inserted for convenience only and shall not be deemed to constitute a part of this Tax Certificate.

Section 5.9 Reliance by Bond Counsel. The Issuer hereby acknowledges and agrees that the certifications, representations, and warranties set forth in this Tax Certificate may be relied upon by Steptoe & Johnson PLLC, Bond Counsel, in rendering its opinions with respect to the Series 2015 A Bonds. To the best knowledge, information and belief of the undersigned, there are no other facts, estimates or circumstances that would materially change any of the foregoing certifications. The representations in this Tax Certificate are made for the benefit of the purchasers of the Series 2015 A Bonds and Steptoe & Johnson PLLC, Bond Counsel, and may be relied upon by the purchasers of the Series 2015 A Bonds and said Bond Counsel in determining whether or not the Series 2015 A Bonds constitute "arbitrage bonds" within the meaning of Section 148 of the Code and the Regulations.

BERKELEY COUNTY PUBLIC SERVICE DISTRICT

TAX COMPLIANCE POLICIES

Purpose

Governmental issuers of tax-exempt and tax-credit bonds must comply with certain federal tax rules pertaining to expenditure of proceeds for qualified costs, rate of expenditure, use of bond financed property, investment of proceeds in compliance with arbitrage rules, and retention of records. The following policies are intended to establish compliance by the Berkeley County Public Service District (the *"Issuer"*), as the issuer, with these rules in connection with the issuance of the Issuer's Water Refunding Revenue Bonds, Series 2015 A (Bank Qualified) (the "*Tax-Exempt Bonds*"). It is understood and agreed by the Issuer, and the Issuer has covenanted to take all actions necessary to maintain the Tax-Exempt Bonds as tax-exempt state and local bonds.

Tax Requirements Associated with Sale and Issuance of Bonds

Review and retention of tax documents related to the sale and issuance of Bonds will be supervised by the Chairman or his designee (the "*Oversight Officer*").

- Form 8038-G (tax exempt bonds) will be reviewed and filed not later than the 15th day of the 2nd calendar month following the quarter in which the bonds were issued. Filing of appropriate version or versions of Form 8038-G will be confirmed with bond counsel.

Expenditure of Proceeds for Governmental Costs

Expenditure of bond proceeds will be reviewed by the Oversight Officer.

- Bond proceeds will be disbursed pursuant to the Bond Ordinance, and will be a written order of an Authorized Officer, stating the date, amount and purpose of the disbursement.

- Requisitions must identify the financed property in conformity with the Tax and Non-Arbitrage Certificate executed by the Issuer at closing, including any certifications as to the character and average economic life of the bond-financed property.

- Requisitions for costs that were paid prior to the issuance of the bonds are, in general, limited to costs paid subsequent to, or not more than 60 days prior to, the date a "declaration of intent" to reimburse the costs was adopted by the Issuer. If proceeds are used for reimbursement, a copy of the declaration will be obtained and included in the records for the Tax-Exempt Bonds, if not already part of the bond transcript.

- Requisitions will be in accordance with expectations to spend or commit 5% of net sale proceeds within 6 months, to spend 85% of net sale proceeds within 3 years, and to proceed with due diligence to complete the project and fully spend the net sale proceeds. Expected expenditure schedules, project timelines, and plans and specifications will be maintained to support expectations. Reasons for failure to meet the expected schedule will be documented and retained in the records for the Tax-Exempt Bonds.

- If the 18-month spending exception to rebate applies, expenditure of gross proceeds will be monitored against the following schedule for the arbitrage rebate exception for the issue, if applicable:

  15% within 6 months
  60% within 12 months
  100% within 18 months

- If the 2-year spending exception to rebate applies, expenditure of "available construction proceeds" will be monitored against the following schedule for the arbitrage rebate exception for construction issues if applicable:

  10% within 6 months
  45% within 12 months
  75% within 18 months
  100% within 24 months

Expenditure of Proceeds

In addition to the general review of expenditures described above, expenditure of proceeds of the Tax-Exempt Bonds will be reviewed by the Oversight Officer.

- Reserve funds cannot exceed the least of 10% of bond proceeds, maximum annual debt service, or 125% of average annual debt service. The initial funding of any reserve fund will be measured against this limit.

- Only a small portion (5%) of the proceeds of Tax-Exempt Bonds can be used for operating expenses or other "working capital" costs. Requisitions for costs of the

Project will accordingly be monitored to confirm that they are for capital costs of the Project.

- Investment earnings on sale proceeds of the Tax-Exempt Bonds will be tracked and will be requisitioned only for appropriate expenditures.

Use of Bond-Financed Property

Use of bond-financed property when completed and placed in service will be reviewed by the Oversight Officer.

- Average nonexempt use of bond-financed property over the life of the issue cannot exceed 10% of the proceeds.

- Agreements with business users or non-profit organizations for lease or management or services contracts, sponsored research, naming rights or any other potential nonexempt use of bond-financed property will be reviewed prior to execution of any contract to determine if property subject to the Bond Ordinance is bond-financed.

- Agreements with business users or other non-profit organizations for lease or management or services contracts or other private business use involving bond-financed property will be tracked and aggregated with other private business uses for compliance with the 10% limit, as set forth in the Tax and Non-Arbitrage Certificate.

- No item of bond-financed property will be sold or transferred to a nonexempt party without advance arrangement of a "remedial action" under the applicable Income Tax Regulations.

Investments and IRS Filings

Investment of bond proceeds in compliance with the arbitrage bond rules and rebate of arbitrage will be supervised by the Oversight Officer.

- Guaranteed investment contracts ("*GIC*") will be purchased only using the three-bid "safe harbor" of applicable Income Tax Regulations, in compliance with fee limitations on GIC brokers in the Income Tax Regulations.

- Other investments will be purchased only in market transactions.

- Calculations of rebate liability will be performed annually by outside consultants.

- Rebate payments will be made with Form 8038-T no later than 60 days after (a) each fifth anniversary of the date of issuance and (b) the final retirement of the issue. Compliance with rebate requirements will be reported to the bond trustee and the issuer.

- Identify date for first rebate payment at time of issuance. Enter in records for the issue.

Records

Management and retention of records related to tax-exempt bond issues will be supervised by the Oversight Officer.

- Records will be retained for the life of the bonds plus any refunding bonds plus three years. Records may be in the form of documents or electronic copies of documents, appropriately indexed to specific bond issues and compliance functions.

- Retainable records pertaining to the Tax-Exempt Bonds include transcript of documents executed in connection with the issuance of the bonds (including authorizing resolutions, Bond Ordinance, Form 8038-G, and Tax and Non-Arbitrage Certificate) and any amendments, and copies of rebate calculations and records of payments, including Forms 8038-T.

- Retainable records pertaining to expenditures of bond proceeds include requisitions, accounting statements and final allocation of proceeds.

- Retainable records pertaining to use of property include all agreements reviewed for nonexempt use and any reviewed documents relating to unrelated business activity.

- Retainable records pertaining to investments include GIC documents under the Income Tax Regulations, records of purchase and sale of other investments, and records of investment activity sufficient to permit calculation of arbitrage rebate or demonstration that no rebate is due.

Overall Responsibility

Overall administration and coordination of this policy is the responsibility of the Oversight Officer.

New York, New York

Ladies and Gentlemen:

Based upon the rates and charges set forth in the Recommended Decision dated October 28, 2013, which became a Final Order on November 17, 2013 in Case No. 13-0106-PWD-42A-PC of the Public Service Commission of West Virginia and projected operation and maintenance expenses and anticipated customer usage as furnished to us by Berkeley County Public Service District (the "Issuer"), it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the waterworks system (the "System") of the Issuer, will pay all operating expenses of the System and leave a balance each year equal to at least 120% of the maximum amount required in any year for debt service on the Issuer's Water Refunding Revenue Bonds, Series 2015 A (Bank Qualified) in the aggregate principal amount of $9,575,000 (the "Series 2015 A Bonds"), and all other obligations secured by or payable from the Net Revenues of the System, on a parity with or junior to the Series 2015 A Bonds, including the Issuer's:

(1) Water Revenue Bonds, Series 1993 B, dated March 8, 1993, issued in the original aggregate principal amount of $528,871 and held by the West Virginia Water Development Authority (the "Series 1993 B Bonds");

(2) Water Revenue Bonds, Series 1993 D, dated July 29, 1993, issued in the original aggregate principal amount of $10,257,957 and held by the West Virginia Water Development Authority (the "Series 1993 D Bonds");

(3) Water Revenue Bonds, Series 1996, dated August 6, 1996, issued in the original aggregate principal amount of $677,158 and held by the West Virginia Water Development Authority (the "Series 1996 Bonds");

(4) Water Revenue Bonds, Series 2001 A (West Virginia Water Development Authority), dated October 25, 2001, issued in the original aggregate principal amount of $2,010,000 (the "Series 2001 A Bonds");

(5) Water Revenue Bonds, Series 2003 C (West Virginia Water Development Authority), dated May 15, 2003, issued in the original aggregate principal amount of $2,430,000 (the "Series 2003 C Bonds");

(6) Water Revenue Bonds, Series 2007 (Bank Qualified), dated December 21, 2007, issued in the original aggregate principal amount of $2,300,000 (the "Series 2007 Bonds");

(7) Water Revenue Bonds, Series 2008 (Bank Qualified), dated January 24, 2008 and issued in the original aggregate principal amount of $9,500,000 (the "Series 2008 Bonds");

(8) Water Revenue Bonds, Series 2009 (Bank Qualified), dated February 17, 2009, and issued in the original aggregate principal amount of $7,510,000 (the "Series 2009 Bonds");

(9) Water Refunding Revenue Bonds, Series 2012 A (Bank Qualified), dated December 19, 2012, issued in the aggregate principal amount of $7,425,000 (the "Series 2012 A Bonds");

(10) Water Revenue Bonds, Series 2012 B (Bank Qualified), dated December 20, 2012, issued in the aggregate principal amount of $7,800,000 (the "Series 2012 B Bonds");

(11) Water Refunding Revenue Bonds, Series 2013 A (Bank Qualified), dated December 30, 2013, issued in the original aggregate principal amount of $9,900,000 (the "Series 2013 A Bonds");

(12) Water Refunding Revenue Bonds, Series 2013 B (Taxable), dated December 30, 2013, issued in the original aggregate principal amount of $2,875,000 (the "Series 2013 B Bonds");

(13) Water Refunding Revenue Bonds, Series 2015 B (Bank Qualified), issued contemporaneously herewith in the original aggregate principal amount of $525,000 (the "Series 2015 B Bonds"); and

(14) Water Revenue Bonds, Series 1993 C, dated March 8, 1993, issued in the original aggregate principal amount of $17,629 and held by the West Virginia Water Development Authority (the "Series 1993 C Bonds") (collectively, the "Prior Bonds").

It is our further opinion that the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Series 2015 A Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2015 A Bonds, are not less than 120% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Prior Bonds and the Series 2015 A Bonds.

Sincerely,

Decker & Company PLLC

Individual purchases will be made in book- entry only form in the principal amount of $5,000 or any integral multiple thereof not exceeding the principal amount of Bonds maturing each year; purchasers will not receive physical delivery of certificates representing their interest in the Bonds purchased. The winning bidder, as a condition to delivery of the Bonds, will be required to deposit the Bond certificates representing each maturity with DTC. Notwithstanding the foregoing, at the request of the successful bidder, the Bonds will be issued as one single fully registered bond and not issued through the book-entry system.

Bonds: The Bonds will be issued in fully registered form; will be dated and bear interest from their date of issuance (expected to be February 26, 2015) or such other date as the successful bidder may request, will be in denominations of $5,000 each or any integral multiple thereof not exceeding the principal amount of Bonds maturing each year; and will mature in successive annual installments on December 1 in each of the years and in the principal amounts, as follows:

The Bonds will bear interest from the date thereof payable semiannually on June 1 and December 1 of each year commencing June 1, 2015. Interest will be calculated on the basis of a 360- day year comprised of twelve 30-day months.

Adjustment of Maturity Schedule: The District reserves the right in its sole discretion to adjust the principal amount of any of the maturities of the Bonds (all calculations to be rounded to $5,000); provided, such adjustment will not increase the total par amount of the Bonds to more than $10,000,000. Such adjustment(s), if any, shall be made within twenty-four (24) hours of the award of the Bonds. In order to calculate the yield on the Bonds for federal tax law purposes and as a condition precedent to the award of the Bonds, bidders must disclose to the District in connection with their respective bids the price (or yield to maturity) at which each maturity of the Bonds will be reoffered to the public.

In the event of any adjustment of the principal amount of any of the maturities of the Bonds as described herein, no rebidding or recalculation of the proposals submitted will be required or permitted. Nevertheless, the award of the Bonds will be made to the bidder whose proposal produces the lowest true interest cost solely on the basis of the Bonds offered, without taking into account any adjustment of the principal amount of the maturities of the Bonds pursuant to this paragraph. The successful bidder may not withdraw its bid as a result of any changes made within these limits.

Debt Service Reserve Fund: A debt service reserve fund will be established for the Bonds and funded with a Surety Bond from Assured Guaranty Municipal Corp.

Redemption Provisions: The Bonds maturing on or prior to December 1, 2024 shall not be subject to redemption prior to their stated maturities. The Bonds maturing on and after December 1, 2025 shall be subject to redemption at the option of the District on or after June 1, 2025, as a whole or in part at any time in such order of their maturities as the District shall determine and by lot within a maturity, at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed together with the interest accrued on such principal amount to the date fixed for redemption.

Bidders' Special Option for Term Bonds: Bidders submitting proposals may specify that all the principal amount of Bonds maturing on any two or more consecutive annual payment dates may, in lieu of maturity on each of such dates, be combined to comprise one or more maturities of the Bonds scheduled to mature on the latest of such annual payment dates (the "Term Bonds"). Term Bonds shall be subject to redemption through mandatory sinking fund installments in the principal amount that would have matured in each year as set forth in this Notice of Sale, on each of the annual principal payment dates, except for the principal amount of Bonds scheduled to mature on the latest such annual payment date, which Bonds shall mature on such annual principal payment date. Bidders may specify one or more of such Term Bonds and such specifications must be made at the time of the award.

Mandatory Sinking Fund Redemption: The Bonds will be subject to mandatory redemption if and to the extent the option to establish Term Bonds is exercised by the successful bidder.

Bank-Held Bids: Notwithstanding anything herein to the contrary, proposals may be submitted by a bidder which, at the time of initial purchase, intends to purchase and hold the Bonds for its own portfolio, upon redemption terms and conditions which may be different from those specified in this Notice of Sale.

Bid Requirements: Bidders shall specify the rate or rates of interest per annum which the Bonds are to bear, to be expressed in multiples of 1/20 or 1/8 or 1/100 of 1% with no greater difference than three (3%) percent between the highest and lowest rates of interest named by a bidder. Bidders are not limited as to the number of rates of interest named, but the rate of interest on each separate maturity must be the same single rate for all Bonds of that maturity from their date to such maturity date. NO PROPOSAL FOR THE PURCHASE OF LESS THAN ALL THE BONDS OR A PURCHASE PRICE OF LESS THAN 100% WILL BE CONSIDERED.

Good Faith Deposit: By 12:00 p.m., Eastern Standard Time, on **January 30, 2015**, $100,000.00 shall be wired by the successful bidder to the District as a good faith deposit in the manner specified by the District on the date of the sale. The deposit of the successful bidder will be held pending the delivery of the Bonds and applied to the purchase price of the Bonds or retained as liquidated damages should the bidder fail to comply with the terms of the bid. Interest will not be paid on any good faith deposit.

Award of Bid: After the proposals are received, they will be evaluated by the officials of the District and its Municipal Advisor based on various factors, including the true interest cost ("TIC" as further described below), redemption terms, fees of the bidder or its counsel, additional credit or underwriting approval and any other conditions set forth therein. Based on such evaluation, the Bonds will be awarded to the bidder deemed to provide the most advantageous proposal, determined in the sole discretion of the District. The TIC will be the nominal interest rate which, when compounded semiannually and used to discount all debt service payments on the Bonds (computed at the interest rates specified in the bid and on the basis of a 360-day year comprised of twelve 30-day months) to the dated date of the Bonds, results in an amount equal to

the price bid for the Bonds. In the case of a tie bid, the winning bid will be awarded by lot. The District reserves the right to reject any and all bids or to waive irregularities in any bid. Bids will be accepted or rejected no later than 5:00 p.m., West Virginia time, on the date of the sale.

For the purpose of calculating the yield on the Bonds for Federal tax purposes as a condition precedent to the award of the Bonds, the successful bidder will, within 30 minutes after being notified of its winning bid, advise the District or its financial advisor by telephone confirmed by facsimile transmission of the initial offering prices of the Bonds to the public (expressed as a price, exclusive of accrued interest, or yield per maturity).

Bid Form: It is requested, but not required, that your bid be submitted on the attached bid form.

Official Statement: The District deems the Preliminary Official Statement to be "final" as described in SEC Rule 15c2-12(b)(1) for the purposes of such Rule. Upon the award of the Bonds, the District will prepare a Final Official Statement (the "Official Statement") in substantially the same form as the Preliminary Official Statement subject to minor additions, deletions and revisions as required to complete the Official Statement. Within seven (7) business days after the award of the Bonds, the District will provide the successful bidder a sufficient quantity of the Official Statement to comply with Rule G-32 of the Municipal Securities Rulemaking Board. The successful bidder agrees to supply to the District all necessary pricing information and any Underwriter identification necessary to complete the Official Statement within 24 hours after the award of the Bonds.

Continuing Disclosure: In order to assist the bidders in complying with S.E.C. Rule 15c2- 12(b)(5), the District will undertake, pursuant to a Continuing Disclosure Agreement executed with United Bank, Inc., to provide certain annual financial information and notices of the occurrence of certain events if material. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Final Official Statement. Questions regarding continuing disclosure may be addressed to John C. Stump, Steptoe & Johnson PLLC, 304.353.8196 or john.stump@steptoe-johnson.com.

Registrar: United Bank. Inc. in Charleston, West Virginia, will serve as the Registrar for the Bonds.

Paying Agent: The West Virginia Municipal Bond Commission, Charleston, West Virginia, will serve as Paying Agent for the Bonds.

Purpose: The Bonds are issued for the purposes of (i) to pay the costs necessary to refund the District's outstanding Water Revenue Bonds, Series 2006 (Bank Qualified), dated December 28, 2006, issued in the original aggregate principal amount of $10,000,000 and currently outstanding in the approximate aggregate principal amount of $9,490,000 (the "Series 2006 Bonds" or the "Bonds to be Refunded"); (ii) to purchase a Surety Bond in an amount necessary to meet the Reserve Requirement for the Series 2015 A Bonds; (iii) to purchase a municipal bond insurance policy from Assured Guaranty Municipal Corp. to ensure the payment

of the interest on, and principal of, the Series 2015 A Bonds; and (iv) to pay certain costs of issuance of the Series 2015 A Bonds and related costs.

Legal Authority and Security: The Bonds are issued under, pursuant to and in full compliance with the Constitution and statutes of the State of West Virginia, including specifically Chapter 16, Article 13A of the Code of West Virginia of 1931, as amended (the "Act"). The Bonds are issued pursuant to a bond authorizing resolution adopted by the Public Service Board of the District on January 12, 2015 and a supplemental parameters resolution adopted by the Public Service Board of the District on January 12, 2015 (collectively, the "Resolution"). The Bonds will be secured by a pledge of Net Revenues of the System on a parity with the pledge of Net Revenues securing existing First Lien Bonds (each as defined in the Resolution) and any Additional Bonds (as defined in the Resolution) and senior and prior to the lien on Net Revenues of the Second Lien Bonds (as defined in the Resolution).

Bank Qualified: The District has designated the Bonds as "qualified tax-exempt obligations" for purposes of Section 265 of the Code relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.

In this capacity, Compass Municipal Advisors, LLC provided technical assistance in the preparation of the offering documents and assisted the District in preparing for this financing.

Certificate as to Issue Price: The successful bidder must provide a certificate to the District by the date of delivery of the Bonds, stating the initial reoffering price of the Bonds to the public (excluding bond houses and brokers) and the price at which a substantial amount of the Bonds were sold to the public, in form satisfactory to Bond Counsel. A sample copy of such a certificate may be obtained from Bond Counsel.

Delivery: The Bonds will be delivered through the facilities of DTC in New York, New York, on or about February 26, 2015, at the expense of the District, or at such other place as may be agreed upon with the purchaser at the expense of the purchaser. The purchase price then due must be paid in federal funds or other immediately available funds. Any cost of printing of the Bonds will be borne by the District.

CUSIP Numbers: It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of its proposal. All expenses in relation to the printing of CUSIP identification numbers on the Bonds shall be paid for by the District;

provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the successful bidder.

Postponement: The District reserves the right to postpone, from time to time, the date established for the receipt of bids. The District will communicate any such change in the sale date through Bond Buyer Wire, Bloomberg Wire, or other electronic information service not less than 48 hours prior to the time bids are to be received. On any such alternative sale date, any bidder may submit a sealed, facsimile, or electronic bid for the purchase of the Bonds in conformity in all respects with the provisions of this Notice of Sale, except for the date of sale and except for the changes announced through Bond Buyer Wire, Bloomberg Wire, or other electronic information service at the time the sale date and time are announced.

In the event the Series 2015 B Bonds are sold prior to the closing of the Series 2015 A Bonds the Series 2015 A Bonds and the Series 2015 B Bonds shall close on the same day and the Series 2003 B Bonds shall be considered defeased and the Series 2015 B Bonds shall be considered First Lien Bonds.

There are outstanding obligations of the District which are secured by the Net Revenues of the System but subordinate to the First Lien Bonds and the Series 2015 A Bonds as to liens, pledge and source of, and security for, payment. These are the District's Water Revenue Bonds, Series 1993 C, dated March 8, 1993, issued in the original aggregate principal amount of $17,629 and held by the West Virginia Water Development Authority (the "Series 1993 C Bonds" or "Second Lien Bonds").

The First Lien Bonds are secured by a first lien on and a pledge of the Net Revenues of the System, on a parity with each other and the Series 2015 A Bonds, which lien and pledge are senior and prior to the lien on the Net Revenues of the System of the Second Lien Bonds. The First Lien Bonds and Second Lien Bonds are collectively hereinafter called the "Prior Bonds". The resolutions pursuant to which the Prior Bonds were issued are hereinafter collectively called the "Prior Resolutions."

The Series 2015 A Bonds shall be issued on a parity with the First Lien Bonds, and will be senior and prior to the Second Lien Bonds with respect to liens, pledge and source of and security for payment and in all other respects pursuant to the Resolution. See "SECURITY FOR THE BONDS."

The Series 2015 A Bonds are payable from and secured by the Net Revenues, as defined in the Resolution and hereinafter, derived from the existing waterworks system of the District and any extensions, improvements or betterments thereto (the "System") on parity with the First Lien Bonds, and, respectively, from funds on deposit in the Series 2015 A Bonds Sinking Fund and the Series 2015 A Bonds Reserve Account therein. The Series 2015 A Bonds do not constitute an

indebtedness of the District within the meaning of any constitutional or statutory provisions or limitations, and the District shall not be obligated to pay the Series 2015 A Bonds or premium, if any, or the interest thereon except from such Net Revenues and such funds on deposit.

Pursuant to the Resolution, the District has covenanted and agreed to establish and collect just and equitable rates and charges for the use of the System and the services rendered thereby so as to produce for each fiscal year Net Revenues, as defined in the Resolution and hereinafter, equal to at least 120% of the maximum amount required in any year to pay the principal of and interest on the Series 2015 A Bonds and all other obligations secured by a lien on or payable from Net Revenues on a parity with, or subordinate to, the Series 2015 A Bonds, specifically including, but not limited to, the Prior Bonds. See "SECURITY FOR THE SERIES 2015 A BONDS - Rate Covenant."

The Series 2015 A Bonds will be dated, will mature, will bear interest and will be subject to redemption prior to maturity as more fully described on the cover page and under the heading "THE SERIES 2015 A BONDS" herein. The Series 2015 A Bonds initially will be maintained under a book-entry system. So long as the Series 2015 A Bonds are maintained under a book-entry system, the manner of payment, the denominations, the transfer and exchange of ownership and the method of providing notice of redemption to the owners of the Series 2015 A Bonds shall be determined as described under "BOOK-ENTRY ONLY SYSTEM" herein. If the book-entry system is discontinued, principal of, interest, and premium, if any, on the Series 2015 A Bonds will be payable by the West Virginia Municipal Bond Commission, Charleston, West Virginia, as paying agent (the "Bond Commission" or the "Paying Agent"), to the owners thereof at the addresses appearing in the books kept by United Bank, Inc., as registrar (the "Registrar"). For further information describing the method of payment and other matters in the event the book-entry system is discontinued, see "THE SERIES 2015 A BONDS" herein.

For a description of the exclusion of interest on the Series 2015 A Bonds from gross income for federal income tax purposes and the exclusion of interest on the Series 2015 A Bonds from gross income for West Virginia state income tax purposes, see "TAX MATTERS" herein.

The District may issue additional bonds, on parity with First Lien Bonds and the Series 2015 A Bonds for the purpose of financing the cost of the construction or acquisition of additions, improvements and betterments to the System and/or refunding one or more of the Prior Bonds, the Series 2015 A Bonds, and any Additional Parity Bonds (as hereinafter defined) subject, in each case, to certain tests and conditions provided for by the Resolution. See "SECURITY FOR THE BONDS - Additional Parity Bonds."

The Series 2015 A Bonds are offered when, as and if issued and subject to withdrawal or modification of the offering without notice and to the unqualified approval of the legality thereof by Steptoe & Johnson PLLC, Charleston, West Virginia, Bond Counsel. THE SERIES 2015 A BONDS

General

The Series 2015 A Bonds are dated February 26, 2015, upon original issuance. All Series 2015 A Bonds shall bear interest from the interest payment date next preceding the date of authentication or, if authenticated after the Record Date but prior to the applicable interest payment

date or on such interest payment date, from such interest payment date or, if no interest on such Series 2015 A Bonds has been paid, from the date thereof; provided however, that, if, as shown by the records of the Registrar, interest on such Series 2015 A Bonds shall be in default, Series 2015 A Bonds issued in exchange for Series 2015 A Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the initial Series 2015 A Bonds surrendered. The Series 2015 A Bonds will bear interest from their date, payable semiannually on each June 1 and December 1, commencing December 1, 2015, upon original issuance, at the rates per annum and will mature on the dates and in the amounts set forth on the cover page of this Official Statement.

The Series 2015 A Bonds will be issued as fully registered bonds without coupons in denominations of $5,000 and integral multiples thereof for any year of maturity. The Series 2015 A Bonds initially shall be maintained under a book-entry system; Beneficial Owners shall have no right to receive physical possession of the Series 2015 A Bonds and payments of principal of, redemption price, if any, and interest on the Series 2015 A Bonds will be made as described herein under "BOOK-ENTRY ONLY SYSTEM." If the book-entry system is discontinued, interest on the Series 2015 A Bonds will be payable by check or draft made payable and mailed to the owners thereof at the addresses appearing in the books kept by the Registrar as of the 15th day of the month preceding such interest payment date or, in the event of a default in the payment of the Bonds, that special record date to be fixed by the Registrar by notice given to the owners not less than 10 days prior to said special record date (the "Record Date"). If the book-entry system is discontinued, principal of, premium, if any, and interest on the Series 2015 A Bonds will be payable to the owner thereof upon surrender thereof at the principal corporate trust department office of the Paying Agent.

So long as the Series 2015 A Bonds are maintained under a book-entry system, transfers of ownership interests in the Series 2015 A Bonds will be made as described herein under "BOOK-ENTRY ONLY SYSTEM." If the book-entry system is discontinued, ownership of any Series 2015 A Bond may be transferred upon surrender thereof to the Registrar, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or his duly authorized attorney or legal representative. Upon any such transfer of a Series 2015 A Bond, there will be issued another Series 2015 A Bond or Series 2015 A Bonds, at the option of the transferee, of the same aggregate principal amount, series, maturity and interest rate as said Series 2015 A Bond. For every exchange or transfer of Series 2015 A Bonds, the Registrar may make a charge sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer. The District shall pay any service charge of the Registrar and any applicable tax or other governmental charge.

Optional Redemption

The Series 2015 A Bonds maturing on and after December 1, 2025, are subject to redemption at the option of the District, prior to maturity, on or after June 1, 2025, in whole or in part at any time from amounts deposited with the Bond Commission by the District or from other funds available therefore at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the date fixed for redemption.

If fewer than all of the Series 2015 A Bonds shall be called for optional redemption, the particular maturities of the Bonds to be redeemed shall be selected by the District in such manner, as it shall determine. So long as the Bonds are maintained under a book-entry system, the

selection of individual ownership interests in the Bonds to be credited with any partial redemption shall be made as determined pursuant to the rules and regulations of DTC or its successor as the depository for the Series 2015 A Bonds.

Notice of Redemption

So long as the Series 2015 A Bonds are maintained under a book-entry system, notice of the call for any redemption of the Series 2015 A Bonds shall be given as described below under "BOOK-ENTRY ONLY SYSTEM." At any other time, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the registered owner of the Series 2015 A Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar. Failure to receive such notice or any defect in the mailing thereof shall not affect the validity of any proceedings for the redemption of the Series 2015 A Bonds; and failure to mail such notice shall not affect the validity of any such proceedings for any Bond with respect to which no such failure has occurred. After notice of redemption has been given in the manner herein above and in the Resolution described and moneys necessary therefor have been deposited, the Series 2015 A Bonds specified in such notice shall on the date fixed for redemption be deemed paid, and interest thereon shall cease to accrue. Upon surrender for any partial redemption of any Series 2015 A Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unredeemed principal of such Series 2015 A Bond. All Series 2015 A Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

SECURITY FOR THE SERIES 2015 A BONDS

The Series 2015 A Bonds are special obligations of the District and are payable as to principal, premium, if any, and interest solely from the sources described below. The District is under no obligation to pay the Series 2015 A Bonds except from said sources.

Sources of Payment

The payment of the debt service on the Series 2015 A Bonds shall be secured forthwith equally and ratably by a lien on and pledge of the Net Revenues derived from the System on parity with the First Lien Bonds and senior and prior to the Second Lien Bonds, and the funds on deposit in the Series 2015 A Bonds Sinking Fund and the Series 2015 A Bonds Reserve Account, as more fully described below under "ANNUAL DEBT SERVICE REQUIREMENTS." Net Revenues derived from the System in an amount sufficient to pay the principal of, premium, if any, and interest on the Series 2015 A Bonds and to make the payments into the Series 2015 A Bonds Sinking Fund and all other payments provided for in the Resolution, and the funds in the Series 2015 A Bonds Sinking Fund and the Series 2015 A Bonds Reserve Account are irrevocably pledged to the payment of the principal of, premium, if any, and interest on the Series 2015 A Bonds as the same become due and for the other purposes provided in the Resolution.

Rate Covenant

The District has covenanted and agreed in the Resolution to establish and collect just and equitable rates and charges for the use of the System and the services rendered thereby as will produce for each fiscal year Net Revenues, as defined in the Resolution and hereinafter, equal to at least 120% of the maximum amount required in any year to pay the principal of and interest on the Series 2015 A Bonds and all other obligations secured by a lien on or payable from Net Revenues on parity with, or subordinate to the Series 2015 A Bonds, including the Prior Bonds.

For the fiscal year ended June 30, 2014, the District failed to meet the most strict Rate Covenant contained in the Prior Bonds. The covenant violation was primarily due to the delayed implementation of a rate increase to the middle of Fiscal Year 2014.

The District did meet all rate covenants for the Prior Bonds for the fiscal year ended June 30, 2013.

The District projects that Debt Service Coverage for the fiscal year ending June 30, 2015 will be at least 1.20.

Series 2015 A Bonds Reserve Account

The deposit of $ _____ into the Series 2015 A Bonds Reserve Account or the Surety Bond purchased therefor is equal to the least of (i) 10% of the original stated principal amount of the Series 2015 A Bonds; (ii) the maximum amount of principal and interest which will become due on the Series 2015 A Bonds in any year; or (iii) 125% of the average amount of principal and interest which will become due on the Series 2015 A Bonds. In the event funds in the Series 2015 A Bonds Sinking Fund are insufficient to pay the principal of and/or interest on the Series 2015 A Bonds, the Bond Commission shall withdraw and transfer to the Series 2015 A Bonds Sinking Fund sufficient amounts from the Series 2015 A Bonds Reserve Account to make payments of principal of and/or interest on the Series 2015 A Bonds as the same become due.

The District shall restore any withdrawals from the Series 2015 A Bonds Reserve Account which have the effect of reducing the assets therein below the Series 2015 A Bonds Reserve Requirement from the Net Revenues.

The reimbursement obligation of the District will be secured by the Net Revenues derived from the System and the funds on deposit in the Renewal and Replacement Fund, provided however, that such lien will be subordinate to the payment of debt service to holders of the First Lien Bonds and the Series 2015 A Bonds.

Application of Revenues

The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt by the District in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Resolution and shall be kept separate and distinct from all other funds of the District and the Depository Bank and used only for the purposes and in the manner herein provided.

(1) The District shall first each month pay from the Revenue Fund the Operating Expenses of the System.

(2) The District shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) the amounts required by the Prior Resolutions to pay interest on the First Lien Bonds; and (ii) commencing 6 months prior to the first interest payment date on the Series 2015 A Bonds, for deposit in the Series 2015 A Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on the Series 2015 A Bonds on the next ensuing semiannual interest payment date; provided, that in the event the period to elapse between the date of such initial deposit in the Series 2015 A Bonds Sinking Fund and the next ensuing semiannual interest payment date is less than or greater than 6 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date; and, provided further that, the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2015 A Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 2015 A Bonds deposited therein and subsequent amounts required to be transferred from the Revenue Fund and deposited in the Series 2015 A Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Series 2015 A Bonds Sinking Fund.

(3) The District shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) the amounts required by the Prior Resolutions to pay the principal of the First Lien Bonds; and (ii) commencing 12 months prior to the first principal payment date or mandatory Redemption Date of the Series 2015 A Bonds, for deposit in the Series 2015 A Bonds Sinking Fund, and in the Series 2015 A Bonds Redemption Account therein in the case of Term Bonds which are to be redeemed, a sum equal to 1/12th of the amount of principal which will mature or be redeemed and become due on the Series 2015 A Bonds on the next ensuing principal payment date or mandatory Redemption Date; provided that,

in the event the period to elapse between the date of such initial deposit in the Series 2015 A Bonds Sinking Fund and the next ensuing annual principal payment date or mandatory Redemption Date is less than or greater than 12 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing annual principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and, provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2015 A Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph.

(4) The District shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the respective Reserve Accounts for the First Lien Bonds, the amounts required under the Prior Resolutions to be deposited therein in order to maintain the respective reserve requirements for the First Lien Bonds; and (ii) for deposit in the Series 2015 A Bonds Reserve Account, an amount sufficient to remedy any decrease in value of the Series 2015 A Bonds Reserve Account below the Series 2015 A Bonds Reserve Requirement or any withdrawal from the Series 2015 A Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2015 A Bonds Reserve Account results in a determination that the amount of monies and the value of the Qualified Investments deposited to the credit of the Series 2015 A Bonds Reserve Account is less than the Series 2015 A Bonds Reserve Requirement, or (b) any amount is withdrawn from the Series 2015 A Bonds Reserve Account for deposit into the Series 2015 A Bonds Sinking Fund. To the extent Net Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of monies on deposit in the Series 2015 A Bonds Reserve Account to an amount equal to the Series 2015 A Bonds Reserve Requirement to the full extent that such Net Revenues are available; provided, that no payments shall be required to be made into the Series 2015 A Bonds Reserve Account whenever and as long as the amount deposited therein shall be equal to the Series 2015 A Bonds Reserve Requirement.

(5) The District shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund, a sum equal to 2 1/2% of the Gross Revenues each month (as previously set forth in the Prior Resolutions and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the District or of the Depository Bank and shall be invested and reinvested in accordance with Article V hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent

required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) The District shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Bond Commission for deposit in the Sinking Fund for the Second Lien Bonds the amount required under the Prior Resolutions to pay principal of the Second Lien Bonds.

(7) The District shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Bond Commission for deposit in the Reserve Account for the Second Lien Bonds the amount required under the Prior Resolutions.

Enforcement of Collections

The District covenants in the Resolution to diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System and take all steps, actions and proceedings for the enforcement and collection of such fees, rates, rentals and other charges that shall become delinquent to the full extent permitted or authorized by the Act, or otherwise by the laws of the State. The District further covenants and agrees in the Resolution that it will, subject to applicable State law and regulations, and under such reasonable rules and regulations as may be prescribed by the District, discontinue water services to all delinquent users, until such delinquent amounts, plus reasonable interest and penalty charges thereon, have been fully paid.

Additional Parity Bonds

No such Additional Parity Bonds (as hereinafter defined) shall be issued except for the purposes of financing the costs of the design, acquisition and construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds or Additional Parity Bonds, or to pay claims which may exist against the revenues or facilities of the System or all of such purposes.

So long as the Series 2015 A Bonds are Outstanding, no such Additional Parity Bonds shall be issued at any time, however, unless and until there has been procured a written statement by an Independent Certified Public Accountant, reciting the conclusion that the Net Revenues actually derived from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 2 Fiscal Years immediately following the Fiscal Year in which such Additional Parity Bonds are issued, if any, shall not be less than 120% of the Maximum Annual Debt Service on the following:

(1) The Bonds then Outstanding;

(2) Any Additional Parity Bonds theretofore issued pursuant to the provisions contained in the Prior Resolutions and the

Resolution then Outstanding; and

(3) The Additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues" as that term is used in the computation provided in the above paragraph, shall include increased Net Revenues estimated to be derived from the improvements to be financed by such Additional Parity Bonds, if any, and any change in rates enacted by the District, the time for appeal of which shall have expired (without successful appeal) or such rates have been approved by the Public Service Commission of West Virginia (without successful appeal), prior to the date of delivery of such Additional Parity Bonds, whether or not such approved rates are being charged and collected by the District.

The term "Additional Parity Bonds," as used in this section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this section, payable from the Net Revenues of the System on a parity with the Bonds. All covenants and other provisions of this Ordinance (except as to details of such Additional Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Additional Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The District shall comply fully with all the increased payments into the various funds and accounts created by the Resolution required for and on account of such Additional Parity Bonds, in addition to the payments required for the Bonds theretofore issued pursuant to the Resolution.

Additional Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The District shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to the lien on and source of and security for payment from such revenues, with the Bonds.

No Additional Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in the Resolution and the Prior Resolutions with respect to the Bonds then Outstanding, and any other payments provided for in this Resolution and the Prior Resolutions, shall have been made in full as required to the date of issuance of such Additional Parity Bonds, and the District shall then be in full compliance with all the covenants, agreements and terms of the Resolution and the Prior Resolutions.

Provided, however, that if the audit by an Independent Certified Public Accountant for the District for the Fiscal Year immediately preceeding the proposed issuance of Additional Parity Bonds states that the District was not in compliance with the rate covenant in Section 6.04 of the Resolution for the year being audited and the District has, as required by Section 6.04 of the Resolution, enacted a rate ordinance seeking a rate increase sufficient to comply with Section 6.04 of the Resolution, such statement in the most recent audit shall not be considered a violation of the covenants, agreements and terms of the Resolution, so as to prevent the District from issuing Additional Parity Bonds under the Resolution.

THE DISTRICT AND THE SYSTEM

The District was created by The County Commission of Berkeley County (the "County Commission") in 1954 to provide water service to designated unincorporated areas of Berkeley County. In 2000, the County Commission merged Hedgesville Public Service District and Opequon Public Service District into the District. The merger expanded the District's service area to include the entire County, except several small local private systems and the City of Martinsburg. Such merger was approved by the Public Service Commission in 2001. The District conducts business under the name "Berkeley County Public Service Water District."

The District currently has a capacity to pump 9,014,000 gallons of water per day. The average daily usage from all sources as of June 30, 2014 is 4,870,000 gallons per day, leaving 4,144,000 gallons of unused capacity. The District uses three water treatment processes: diatomaceous earth filtration (Bunker Hill Plant), up flow clarification with filtration (Hedgesville Plant) and conventional treatment with membrane filtration (Potomac River Plant).

The District's water supply is provided by the Potomac River, LeFever and Ben Speck Springs and Potomac Station, Baker Lakes, Springdale, Morning Dove and Glenwood Forest Wells. The Potomac River, pursuant to a permit from the State of Maryland, yields on average 2,570,000 gallons daily with a maximum of 4,000,000 gallons per day. The various springs and wells have a combined maximum daily production level of 5,594,000 gallons, bringing the maximum gallons available daily to 9,594,000 as depicted below:

Water Source	Maximum Gallons Yielded Daily	Percentage
Potomac River	4,000,000	41.7%

The District has covenanted to diligently enforce and collect all fees and charges as described in "SECURITY FOR THE SERIES 2015 A BONDS -- Enforcement of Collections" herein.

System Budget and Expenditure

An operating budget is prepared annually by the Executive Director and is required by the Act to be submitted to the Board no later than 45 days before the new fiscal year begins. The budget is compared to actual year-to-date revenues and expenditures monthly.

Method of Accounting

The District maintains its accounts on an accrual basis and prepares its financial statements in accordance with generally accepted accounting principles. Decker & Company PLLC, Certified Public Accounting, Martinsburg, West Virginia, audited the records of the District for the fiscal years ended June 30, 2014 (See "Appendix B - Audited Financial Statement for Fiscal Year Ended June 30, 2014.")

Retirement System

All full-time employees of the District are covered by the West Virginia Public Employees Retirement System ("PERS").

All full-time employees are eligible and must participate in the State PERS. The pension plan provides pension benefits, deferred allowances, and death and disability benefits. A member may retire after reaching the age of 60 and accumulating 5 years of credited service in force. Benefits generally vest in varying degrees once a member attains 5 or more years of credited service in force. Employees who retire at age 60 with 5 or more years of credited service in force are entitled to pension payments for the rest of their lives equal to 2% of their highest three-year average salary in the past 10 years times the number of years for which they were employed as a participant in the State PERS.

Pension provisions include annuity options to provide benefits to a member's nominated beneficiary if so elected. In addition, disability retirement is provided for members who meet certain requirements as specified in the Act. The District's covered payroll amounted to $2,097,238, for the year ended June 30, 2014.

Employees of the District are required to pay 4.5% of their gross earnings to the pension plan. In year ended June 30, 2014, the District made an annual contribution to the plan equal to 13.8% of its covered payroll. Total contributions made during the fiscal year ended June 30, 2014 Amounted to $384,014, of which $90,762 was made by employees. Information regarding the plan is available from the State.

Other Post Employment Benefits

Effective July 1, 2010, the District adopted the provisions of GASB Statement No. 45, "Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions." GASB Statement 45 does not mandate the prefunding of postemployment benefits liability. The District currently funds these benefits on a pay-as-you-go basis. No assets have been segregated and restricted to provide postemployment benefits.

Please see the discussion of the District's obligations related to Other Post Employment Benefits contained in Appendix B – Audited Financial Statement for the Fiscal Year Ended June 30, 2014.

INVESTMENT CONSIDERATIONS

Net Revenue Pledge

The Series 2015 A Bonds are secured solely by the Net Revenues of the System on a parity with the First Lien Bonds and senior and prior to the Second Lien Bonds. There can be no guarantee that current rates of the System will always produce revenue sufficient to pay the debt service on the Series 2015 A Bonds. The District has covenanted in the Resolution to raise the rates of the System if the Net Revenues of the System are not sufficient to provide 120% coverage of the maximum annual debt service of the Series 2015 A Bonds and all bonds issued on a parity with, or subordinate to, the Series 2015 A Bonds, including the Prior Bonds. Any rate increase proposed by the District must first be approved by the Public Service Commission of West Virginia (the "Commission"). Further discussion of rate review by the Commission is set forth below.

Future Legislation

Current or future legislative proposals, if enacted into law, may cause interest on the Series 2015 A Bonds to be subject, directly or indirectly, to federal income taxation or otherwise prevent holders of the Bonds from realizing the full current benefit of the tax status of such interest. For example, both the American Jobs Act of 2011, introduced by President Obama on September 12, 2011 (the "Jobs Act"), and the federal budget for fiscal year 2013, proposed by President Obama on February 13, 2012 (the "2013 Proposed Budget"), would have, for tax years beginning on or after January 1, 2013, limited the exclusion from gross income of interest on obligations like the Series 2015 A Bonds to some extent for taxpayers who are individuals and whose income is subject to higher marginal income tax rates. The introduction or enactment of any similar legislative proposals may also affect the market price for, or marketability of, the Series 2015 A Bonds. Prospective purchasers of the Series 2015 A Bonds should consult their own tax advisors regarding any such pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

It is not an event of default on the Series 2015 A Bonds if legislation is enacted reducing or eliminating the exclusion of interest on state and local government bonds from gross income for federal income tax purposes.

The Public Service Commission of West Virginia

In West Virginia, public service districts are subject to regulatory oversight by the Commission. Pursuant to Chapter 16, Article 13A of the West Virginia Code, public service districts must seek Commission approval for most actions. Moreover, pursuant to West Virginia Code Section 24-2-11, for projects that are outside of "the usual course of business," all utilities, including public service districts, must obtain a certificate of public convenience and necessity prior to proceeding to construction. As well, public service districts need Commission approval prior to any increased rates. Accordingly, public service districts in West Virginia do not have the ability to adjust rates without prior Commission approval. Such regulatory approval process may delay the implementation of rate increases, which could cause the District to fail to meet rate covenants.

The Commission has two levels of review. Most cases are initially assigned to an administrative law judge ("ALJ") for decision. The Commission employs a "staff" comprised of

engineers, lawyers, and financial analysts (the "Staff") to review cases and make recommendations. The District is also permitted to make recommendations, as are other parties who are granted "intervenor" status. The ALJ may conduct an evidentiary hearing, at which evidence is presented and witnesses for all parties may be cross-examined, after which a recommended decision is issued. Any party to the underlying proceeding, including a party granted intervenor status, may take exception to the recommended decision of the ALJ, in which case the matter is referred to the full Commission for decision.

The Commission is comprised of three individuals appointed by the Governor, and confirmed by the State Senate, for staggered six-year terms. West Virginia Code Section 24-1-3 provides that one of the Commissioners must be a lawyer licensed in West Virginia. The current composition of the Commission may be found at http://www.psc.state.wv.us/Bios/default.htm. The Commission also employs lawyers and financial analysts who work specifically for the Commission, and are distinctly separate from the Staff.

Commission Regulatory Oversight of Rate Increases

Pursuant to West Virginia Code Sections 24-2-1, 24-2-2, 24-2-3 and 24-2-4a the District must make a filing with the Commission to increase rates. This can be done one of two ways. One option is for the District to file with the Commission a proposed tariff that includes increased rates. Prior to filing a tariff with increased rates, West Virginia Code Section 24-2-3a requires the District to provide the Commission with 30 days notice of its intent to file the same. After expiration of the 30-day notice of intent period, the District may file a proposed tariff with the Commission that includes increased rates. Pursuant to West Virginia Code Section 24-2-4a, the District's proposed tariff can take effect no sooner than 30 days after the proposed tariff is filed. However, West Virginia Code Section 24-2-4a also provides that the Commission may suspend the proposed tariff prior to its effective date. In most instances, the Commission will not allow the proposed tariff to take effect and it will enter an order suspending the tariff. Depending on the size of the utility, the suspension period can range from a minimum of 120 days to a maximum of 270 days. The suspension period for the District is 270 days.

Pursuant to legislation enacted in 2014, another option is for the District to file a tariff with the Commission that places increased rates into effect on the date of filing if the rate increase results in an increase of less than 25% of the gross revenue of the District, provided, however, that revenues collected from rates put into effect upon filing may be subject to refund if the rates are subsequently disapproved or modified by the Commission or presiding ALJ. Before making such a filing, this option also requires the District to provide the Commission with 30 days notice of its intent to increase rates. If the rates approved by the Commission or the presiding ALJ are less than the rates the District placed into effect upon filing, the District can provide the refund to customers by billing credit for a period of six months. After six months, the District must refund the amount to customers by check. Since rates pursuant to this option are placed into effect upon filing, there is no suspension period. Despite the lack of a suspension period, the Commission usually imposes a case processing timeframe similar to the suspension period applicable to the utility under the first option discussed above. Thus, if the District makes a tariff filing that places rates into effect upon filing, the Commission is likely to apply a 270 day case processing timeframe.

Once a tariff filing is made under either option discussed above, the Commission or the presiding ALJ will establish a procedural schedule. This schedule will include a due date for Staff to file its financial analysis and recommended rates. The schedule may also include a due date for

written testimony (direct and rebuttal) to be filed by the District, Staff, and any intervenors. If there is a disagreement among the parties regarding any issue in the case, the Commission or the presiding ALJ will usually set the matter for hearing. After the hearing, the parties may submit briefs in support of their position(s). Ultimately, the Commission or presiding ALJ will issue a decision prior to the end of the applicable suspension period that establishes the District's new rates.

Potential Delays in Effective Date of Rates

Under the first option discussed above, at a minimum, the amount of time required to obtain Commission approval of increased rates is 30 days. In reality, however, the District is not likely to realize increased revenues for at least 8 months after determining a rate increase is necessary. At the end of each fiscal year, the District must close its books, determine if a rate increase is required and, if so, prepare a financial exhibit to support the proposed increased rates. The District is required to file a notice of intent to raise rates, which tariff the Commission generally suspends and then has up to 270 days to render a decision. Finally, from the date the new rates begin to be charged, the District will not begin collecting increased revenues for approximately 45 to 60 days. The foregoing creates a situation whereby the increased rates for the District may not be timely and may be inadequate on the date they go into effect.

While the second option discussed above does allow the District to place rates into effect immediately upon filing for rate increases that result in less than a 25% increase in the utility's gross revenue, the Commission is likely to apply a 270-day case processing timeframe. Given this long timeframe along with the fact that the rates are subject to refund, the District may encounter a significant refund obligation at the end of the case.

A final decision of the Commission may be appealed to the Supreme Court of Appeals of West Virginia, which court has no statutory time frame within which to render a decision. While a party does have the right to appeal a Commission decision, the Supreme Court of Appeals of West Virginia has "'previously held, in deference to the Commission's expertise, that the Court will not substitute [its] judgment for that of the Commission on controverted evidence. However, findings of fact made by the Commission will be overturned as clearly wrong when there is no substantial evidence to support them.'" *Berkeley Utils., Inc. v. Pub. Serv. Comm'n of W. Va.*, 227 W. Va. 589, 595, 712 S.E.2d 498, 504 (2011) (quoting *Chesapeake and Potomac Tel. Co. of W. Va. v. Pub. Serv. Comm'n of W. Va.*, 171 W. Va. 494, 498, 300 S.E.2d 607, 611 (1982)). In other words, the court gives significant deference to decisions of the Commission. Commission-approved rates may be charged (provided that the applicable suspension period has ended) during an appeal to the Supreme Court of Appeals of West Virginia. If the appealing party prevails and new rates are established by the court, the new rates apply prospectively.

Resale customers are required to obtain authorization from the Commission for any necessary increase in resale rates. Traditionally, such increases are sought by resale customers after the rates for the selling utility go into effect, which means no assurance exists that resale customers will have sufficient rates to begin paying the increased resale rates as of the effective date. As a result, resale customers may not be in a position to begin charging the new resale rates as soon as the rates go into effect, which ultimately affects the ability of resale customers to remain current with the selling utility.

Test Year

To support proposed increased rates, the regulations of the Commission require the District to file "financial justification" for the proposed increased rates. This financial justification must be based on financial data from the most recent actual audited or finally closed 12-month period ending on a calendar quarter, also known as a "test year." Events that occur outside the test year are not generally permitted in the rate adjustment. Thus, a determination at the end of any 12-month period that a rate increase is necessary may not result in increased rates and collections for eight months or more from the end of that period.

Reliance on "Known and Measurable" Adjustments

When considering adjustments to the rates of a utility for costs occurring during the test year, the Commission's regulations require that the need for, and amount of, such adjustments be based on information that is "known and measurable." As a result, a change in revenues or expenses must, in most cases, have occurred in the test year being analyzed. If an increase in a cost, or a decline in revenue, is anticipated for the coming year, the Commission generally will not take such change into account for ratemaking purposes. By way of example, even if a utility can demonstrate a consistent year-over-year drop in customers, the Commission generally will not allow rates to include consideration of continuing declines in revenue because the anticipated decline is not "known and measurable."

As a result of the requirement that the support for adjustments be "known and measurable," the Commission will generally not allow multi-year rate increases to address anticipated inflation or drops in customer usage. As a result, the District must file a tariff with proposed increased rates whenever increased costs or decreased revenues necessitate a rate increase.

Emergency Rate Increase

West Virginia Code Section 24-2-4a permits the District to request "emergency rates" if it is in "financial distress." Financial distress has been defined by the Commission to mean the utility is unable to pay operation and maintenance expenses and the principal and interest on the utility's debt obligations. Such rates, however, are subject to refund, in the event the Commission determines that the emergency rates, or any portion thereof, are not warranted. Generally, emergency rates CANNOT be obtained to meet coverage requirements in bond documents.

Treatment of Renewal and Replacement Funds

Funding agencies in West Virginia, as well as most public market bond issues for public water and sewer utilities, require public service districts, pursuant to the terms of their outstanding bonds, to deposit 2.5% of gross revenues in a "Renewal and Replacement Fund" or "Depreciation Account" each month. The purpose of this account is to provide monies for capital repairs and improvements, to construct extensions, and to make up the deficiencies in reserve funds. In recent years, the Commission has taken the position that while the deposits should be made into the account each month, such deposits are to be included in the calculation of the District's funds available for capital additions for the fiscal year. The Commission generally calculates funds available for capital additions by averaging capital additions for the last five years; provided, however, the Commission will consider a different calculation if the utility can demonstrate the need for a higher capital requirement. As a result, the District is not permitted to accumulate funds

to be used for unforeseen capital repairs and replacements, for needed extensions, or to replenish draws from the reserve funds as the account is to be utilized each year as part of the ongoing capital expenditures for the system. The District's inability to maintain funds for emergencies increases the likelihood of the District utilizing current revenues to pay for emergency repairs leaving insufficient funds to pay debt service on the Bonds.

SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION

The following is a summary of certain provisions of the Resolution. The summary does not purport to be a comprehensive statement of the terms and provisions thereof, for which reference is made to the complete text of the Resolution, copies of which may be obtained from the Issuer. See Appendix E "FORM OF THE BOND AUTHORIZING RESOLUTION" herein.

Application of System Revenues

The Gross Revenues derived from the operation of the System and all parts thereof are to be deposited in the Revenue Fund established with the Depository Bank and used only for the System.

Investments

The District shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any monies held as a part of the funds and accounts created by the Resolution in Qualified Investments to the fullest extent possible under applicable laws, the Resolution, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The District shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The District may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section:

(A) Qualified Investments acquired for the Series 2015 A Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The District shall, or shall cause the Bond Commission to annually transfer from the Series 2015 A Bonds Reserve Account to the Series 2015 A Bonds Sinking Fund, any earnings on the monies deposited therein and any other funds in excess of the requirement therefor; provided, however, that there shall at all times

remain on deposit in the Series 2015 A Bonds Reserve Account an amount at least equal to the Series 2015 A Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2015 A Bonds Reserve Account, whereupon such account shall be valued immediately after such withdrawal.

(D) All amounts representing accrued and capitalized interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 2015 A Bonds and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all monies deposited in the Series 2015 A Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Board of Treasury Investments pursuant to Chapter 12, Article 6C of the West Virginia Code of 1931, as amended.

General Covenants

Enforcement of Collections. The District has covenanted to diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System and to take all steps, actions and proceedings for the enforcement and collection of such fees, rates, rentals or other charges that become delinquent to the full extent permitted or authorized by State law. The District will shut off and discontinue the supplying of water service for the nonpayment of the rates or charges for said water service to the full extent permitted or authorized by State law.

Operation and Maintenance. The District will operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

Sale of the System. So long as the Prior Bonds are outstanding, the District shall not sell, mortgage, lease or otherwise dispose of or encumber the System except as provided in the Prior Resolutions. Additionally, so long as the Series 2015 A Bonds are Outstanding, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, or to defease the pledge created by the Resolution and the Prior Resolutions. The proceeds from such sale, mortgage, lease or other disposition of the System shall be immediately remitted to the Commission for deposit in the respective Sinking Funds, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the District by the Commission unless necessary for the payment of other obligations of the District payable out of the revenues of the System.

The foregoing provision notwithstanding, the District shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such

property, if the amount to be received therefor is not in excess of $500,000, the District may provide for the sale of such property. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $500,000 but not in excess of $5,000,000 the District, by resolution duly adopted, shall determine that the property is no longer necessary, useful or profitable in the operation of the System and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition off such property which are less than $500,000 may be deposited in the Revenue Fund or the Renewal and Replacement Fund, at the sole discretion of the District. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $500,000 and not in excess of $5,000,000, shall be deposited by the District into Sinking Funds for the First Lien Bonds, pro rata, or the Renewal and Replacement Fund, at the sole discretion of the District. Such payment of such proceeds into the Sinking Funds for the First Lien Bonds or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of the Resolution.

No sale, lease or other disposition of the properties of the System shall be made by the District if the proceeds to be derived therefrom, shall be in excess of $5,000,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of over 50% of the par amount of the Bonds then Outstanding. The District shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The District shall not issue any other obligations whatsoever payable from the revenues of the System, which rank prior to, or equally, as to lien on and source of and security for payment from the revenues with the Series 2015 A Bonds, provided that additional bonds on parity with the Series 2015 A Bonds and the First Lien Bonds may be issued as provided in the Resolution. See "SECURITY FOR THE SERIES 2015 A BONDS--Additional Parity Bonds." All obligations issued by the District payable from the revenues of the System, except such Additional Parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from Revenues and in all other respects, to the Series 2015 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the District shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to Additional Parity Bonds, being on parity with the lien of the Series 2015 A Bonds, and the interest thereon, if any, upon any of the income and revenues of the System pledged for payment of the Series 2015 A Bonds and the interest thereon in the Resolution, or upon the System or any part thereof.

Insurance. The District has covenanted and agreed, that so long as the Series 2015 A Bonds remain Outstanding, the District will, as an Operating Expense, procure, carry and maintain insurance and bonds and workers' compensation coverage with a reputable insurance carrier or carriers or bonding company or companies covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the District will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged and destroyed properties or for the other purposes provided in the Resolution for the Renewal and Replacement Fund.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the District from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the District from claims arising out of operation or ownership of motor vehicles of or for the System.

C. WORKERS' COMPENSATION COVERAGE for all employees of or for the System eligible therefor.

D. FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the District.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the District.

F. FIDELITY BONDS will be provided as to every officer and employee of the District having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

No Free Services. The District will not render or cause to be rendered any free services of any nature by its System, nor will any preferential rates be established for users of the same class; and, in the event the District or any department, agency, instrumentality, officer or employee of the District shall avail himself of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the District and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from the operation of the System.

No Competing Franchise. To the extent legally allowable, the District will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Restrictions as to Arbitrage Bonds. The District covenants that (i) it will restrict the use of the proceeds of the Series 2015 A Bonds in such manner and to such extent as may be necessary, so that the Series 2015 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2015 A Bonds) so that the interest on the Series 2015 A Bonds will be and

remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Operating Budget. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, or at such earlier date, prepare and adopt by resolution a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year.

Amendment. The Resolution and any Supplemental Resolution may be amended or modified without the consent of any Registered Owner or other person, solely for the purpose of maintaining the tax-exempt status of the Series 2015 A Bonds. Otherwise, no materially adverse amendment or modification to this Resolution, or any Supplemental Resolution, may be made without the written consent of the Registered Owners of at least 51% in aggregate principal amount of the Series 2015 A Bonds then Outstanding and affected thereby, which must be filed with the Secretary of the Issuer before any such modification or amendment may be made. Not withstanding the foregoing provision, no such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Series 2015 A Bond without the express written consent of the Registered Owner of such Bond, nor reduce the percentage of Series 2015 A Bonds required for consent to any such modification or amendment.

Defeasance. If the District shall pay or cause to be paid, or there shall otherwise be paid, to the respective Holders of all Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in the Resolution, then the Resolution and the pledges of the Net Revenues and other monies and securities pledged thereunder, and all covenants, agreements and other obligations of the District on behalf of the Holders of the Bonds made thereunder, shall thereupon cease, terminate and become void and be discharged and satisfied, except as may be necessary to assure the exclusion of interest on the Series 2015 A Bonds from gross income for federal income tax purposes.

The Series 2015 A Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on the Series 2015 A Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2015 A Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on the Series 2015 A Bonds on and prior to the maturity date thereof, or if the District irrevocably determines to redeem any of the Series 2015 A Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Series 2015 A Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such

securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on the Series 2015 A Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the District as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations.

Default and Remedies

Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2015 A Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on the Series 2015 A Bonds;

(B) If default occurs in the District's observance of any of the covenants, agreements or conditions on its part in the Resolution or any Supplemental Resolution or in the Series 2015 A Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by any Bondholder;

(C) If the District files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds or the Prior Resolutions.

Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the District to perform its duties under the Act and the Resolution;

(C) Bring suit upon the Series 2015 A Bonds;

(D) By action at law or bill in equity require the District to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of the Resolution or the rights of the Bondholders.

No remedy by the terms of this Resolution conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute. All rights and remedies of the Holders of the Series 2015 A Bonds shall be on a parity with one another and also on parity with those of the Holders of the First Lien Bonds, and senior and prior to those of the Holders of the Second Lien Bonds.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the District, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Series 2015 A Bonds and the Prior Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of the Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the District exercise all the rights and powers of the District with respect to said facilities as the District itself might do.

Whenever all that is due upon the Series 2015 A Bonds and the Prior Bonds issued pursuant to the Resolution and interest thereon and under any covenants of the Resolution for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of the Resolution shall have been cured and made good, possession of the System shall be surrendered to the District upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers herein above conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the District and for the joint protection and benefit of the District and the Holders of the Bonds issued pursuant to the Resolution. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the District and the Bondholders, and the curing and making good of any default under the provisions of the Resolution, and the title to and ownership of said System shall remain in the District, and no court shall have any jurisdiction to

enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

TAX MATTERS

General

In the opinion of Steptoe & Johnson PLLC, Bond Counsel, under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2015 A Bonds [(including original issue discount properly allocable to holders of the Series 2015 A Bonds)] (i) is excludable from gross income of the holders thereof for Federal income tax purposes, assuming compliance with certain provisions described herein pertaining to the Internal Revenue Code of 1986, as amended (the "Code"), (ii) is not a specific item of tax preference, under Section 57(a)(5) of the Code, in computing the federal alternative minimum tax imposed on individuals and corporations. It should be noted, however, that interest on the Series 2015 A Bonds is included as an adjustment to current earnings for purposes of computing the alternative minimum tax that may be imposed with respect to certain corporations for federal income tax purposes. In addition, under the laws of the State of West Virginia, the Series 2015 A Bonds are exempt from taxation by the State of West Virginia and the other taxing bodies of the State.

The opinions described in this section are subject to the condition that the District comply on a continuing basis with all requirements of the Code, and regulations thereunder that must be satisfied in order for interest thereon to be or continue to be excluded from gross income for federal income tax purposes. The District has covenanted to comply with each such requirement. Failure to comply with certain of such requirements could cause the interest on the Series 2015 A Bonds to be included in the gross income of the recipients thereof for purposes of federal income taxation retroactively to the date of issuance of the Series 2015 A Bonds.

The accrual or receipt of the interest on the Series 2015 A Bonds may otherwise affect the federal income tax liability of certain recipients. The extent of these and other consequences will depend upon the recipient's particular tax status or other items of income or deductions. Bond Counsel expresses no opinion regarding any such consequences, and investors should consult their tax advisors regarding the tax consequences of purchasing or holding the Bonds.

Series 2015 A Bonds Qualified Tax-Exempt Obligations

The Bonds to be Refunded were designated in 2006 as "qualified tax exempt obligations" for purposes of Section 265(b)(3) of the Code. As such, the portion of the Series 2015 A Bonds which does not exceed the outstanding principal amount of the Bonds to be Refunded are not taken into account in 2015 for purposes of Section 265(b)(3) and are deemed designated as "qualified tax exempt obligations. The District has designated the remaining portion of the Series 2015 A Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3)(B) of the Code. The Series 2015 A Bonds do not constitute private activity bonds as defined in Section 141 of the Code, and not more than $10,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income tax purposes (excluding, however, obligations described in Section 265(b)(3)(C)(ii) of the Code), including the Series 2015 A Bonds, have been or shall be issued by the District, including all subordinate entities of the District, during the calendar year 2015.

Original Issue Discount

[The original issue discount in the selling price of the Series 2015 A Bonds maturing on _____ 1, _____through _____1, _____(the "Discount Bonds"), to the extent properly allocable to each owner of such Discount Bonds, is excluded from gross income for federal income tax purposes with respect to such owner. The original issue discount is the excess of the stated redemption price at maturity of such Discount Bond over its initial offering price to the public, excluding underwriters and other intermediaries, at which price a substantial amount of the Discount Bonds of such maturity were sold.]

Under Sections 1288 and 1272 of the Code, original issue discount on tax-exempt bonds is the sum of the daily portions of the original issue discount for each day during the taxable year of the holder of a Discount Bond. The amount of original issue discount that accrues to an owner of a Discount Bond during any accrual period generally equals (i) the issue price of such Discount Bond plus the amount of original issue discount accrued in all prior accrual periods, multiplied by (ii) the yield to maturity of such Discount Bond (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period), minus (iii) any interest payable on such Discount Bond during such accrual period. The amount of original issue discount so accrued in a particular accrual period will be considered to be received ratably on each day of the accrual period, will be excludable from gross income for federal income tax purposes, and will increase the owner's tax basis in such Discount Bond.

Purchasers of any Discount Bond at any original issue discount should consult their tax advisors regarding the determination and treatment of original issue discount for federal income tax purposes, and with respect to state and local tax consequences of owning such Discount Bonds.

Amortizable Bond Premium

The Series 2015 A Bonds maturing on _____ 1, 20__ through _____ 1, 20__, ("Premium Bonds"), will be sold with an amortizable bond premium ("Premium"). The original issue premium will be equal to the excess of a holder's tax basis in the Premium Bonds over the amount payable at maturity, or in the case of Premium Bonds subject to redemption, the amount payable on the redemption date. Under current law, the amortizable premium for Premium Bonds must be amortized on an annual basis by the holder thereof. The amount of amortizable premium amortized each year will not be deductible for federal income tax purposes. Further, Section 1016 of the Code requires that the amount of annual amortization for the Premium Bonds be deducted from the holder's tax basis in such Premium Bonds. This reduction in a holder's tax basis will affect the amount of capital gain or loss to be recognized by the holder if the Premium Bonds are sold or redeemed prior to their maturity or scheduled redemption date. Owners of OIP Bonds should consult their tax advisors with respect to the determination and treatment of amortizable bond premium for federal income tax purposes, and with respect to the state and local tax consequences of owning such Premium Bonds.

APPROVAL OF LEGALITY

Legal matters incident to the authorization, sale and issuance of the Bonds are subject to the unqualified approving opinion of Steptoe & Johnson PLLC, Charleston, West Virginia, Bond Counsel. Hoy Shingleton, Jr., Esquire, Martinsburg, West Virginia, Counsel for the District, will pass upon certain legal matters for the District, including proceedings regarding the Public Service Commission of West Virginia. Steptoe & Johnson PLLC, Charleston, West Virginia, as

Disclosure Counsel, will pass on certain legal matters for the District.

ABSENCE OF MATERIAL LITIGATION

There is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any court, public board or body, now pending or, to the best knowledge of the District, threatened or affecting the District (or, to the District's knowledge, any basis therefor) wherein an unfavorable decision, ruling or finding would have a material adverse affect on the District's financial position or on the validity of the Series 2015 A Bonds, the Resolution or any agreement to which the District is a party and which is a part of the issuance of the Series 2015 A Bonds.

NEGOTIABLE INSTRUMENTS

Pursuant to State law, the Bonds are and have all the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia. See "THE BONDS - General."

The District has obtained the consent of Decker & Company PLLC, Certified Public Accountants to publish the audited financial statements with this Official Statement.

CONTINUING DISCLOSURE

The District has covenanted for the benefit of the Owners of the Bonds, in accordance with the Continuing Disclosure Agreement which shall be delivered in substantially the form attached hereto as APPENDIX D, to provide financial information not later than two hundred seventy (270) days following the end of the District's fiscal year, commencing with the report for the fiscal year ended June 30, 2014, and to provide notice of the occurrence of the enumerated events listed therein. The Annual Information and each notice of enumerated events will be filed electronically by United Bank, Inc., Charleston, West Virginia, as dissemination agent, on behalf of the District, with the Electronic Municipal Markets Access system ("EMMA").

This continuing disclosure obligation is being undertaken to comply with Rule 15c2-12 (the "Rule") promulgated by the Securities Exchange Commission. The District has agreed to give notice in a timely manner to EMMA of any failure to supply the required information. However, any such failure will not constitute a default under the terms of the Bonds. Under the Continuing Disclosure Agreement, the sole remedy for such failure is to seek an order for specific performance. SEE "APPENDIX D – FORM OF CONTINUING DISCLOSURE AGREEMENT." Registered Owners may contact the District's Executive Director at 251 Caperton Boulevard,

Martinsburg, West Virginia 25403, (304) 267 - 4600, for more information.

The District has ten series of outstanding bonds which are subject to "undertakings" for continuing disclosure under the Rule: the Series 2003 A Bonds, Series 2003 B Bonds, Series 2007 Bonds, Series 2008 Bonds, Series 2009 Bonds, Series 2012 A Bonds, Series 2012 B Bonds, Series 2013 A Bonds, Series 2013 B Bonds and Series 2015 A Bonds. The District failed to timely file audited financial statements for each of the aforementioned bond issues for the fiscal years ended June 30, 2010 and June 30, 2011, neither of which was filed until October 30, 2012. The audited financial statements for the fiscal years end June 30, 2012, June 30, 2013 and June 30, 2014 were timely filed.

The District failed to provide certain annual operating data required by the undertakings required by certain of the Prior Bonds for the fiscal years ended June 30, 2010, June 30, 2011, June 30, 2012 and June 30, 2013. The District included the required financial information for its fiscal year ended June 30, 2013 pursuant to its Official Statement with respect to the Series 2013 A Bonds and Series 2013 B Bonds filed with EMMA on December 13, 2013. The District filed its annual operating data with respect to its fiscal years ending June 30, 2013 and June 30, 2014 with EMMA on December 6, 2013, which was not timely pursuant to the requirements of its prior undertakings pursuant to the Rule. The District has not filed annual operating data with respect to its Fiscal Years ending in June 30, 2010 or June 30, 2011. The District has filed a material event notice with EMMA regarding the failure to file the aforementioned annual operating data.

The District failed to timely file material event notices related to the downgrade of Assured Guaranty Municipal Corp. by various ratings agencies, although the District has made such filings with EMMA subsequent to the filing period required by the Rule and its prior undertakings.

The District failed to timely file notice of the downgrade of its underlying rating by Moody's Investors Service Inc. on November 20, 2012. The District has filed a material event notice with EMMA regarding the downgrade of the District by Moody's, although such filing was made subsequent to the period of time required by the Rule and its prior undertakings.

The District had not, historically, employed a third party dissemination agent until United Bank, Inc. was hired by the District as dissemination agent in connection with the issuance of its Series 2013 A Bonds and Series 2013 B Bonds. It is anticipated that the hiring by the District of United Bank, Inc. as dissemination agent should serve to facilitate timely filings by the District with EMMA pursuant to the Rule and avoid the need in the future for corrective actions.

RATING

Standard & Poor's Rating Services ("S&P") and Moody's Investor Services ("Moody's") have, respectively, assigned ratings of "____" and "____" upon delivery of the Policy by AGM at closing with respect to the Series 2015 A Bonds. Moody's has assigned an underlying rating of "____" to the Series 2015 A Bonds. Each such rating reflects only the views of such organization, and reference is made to such organization for the meaning of such rating. There is no assurance that any such rating will continue for any period of time or that any such rating will not be revised downward or withdrawn entirely by the assigning rating agency, if in the judgment of such rating agency, circumstances so warrant. Any downward revision or withdrawal of any such rating may have an adverse effect upon the market price or value of the Series 2015 A Bonds.

Except as provided under "CONTINUING DISCLOSURE" herein, the District has not

undertaken any responsibility to take any action with respect to possible changes in such rating or to bring any such changes to the attention of the Bondholders.

INDEPENDENT AUDITORS' REPORT ON FINANCIAL STATEMENTS AND SUPPLEMENTAL INFORMATION

The Members of the Public Service Board
Berkeley County Public Service District

We have audited the accompanying financial statements of the business-type activities, of Berkeley County Public Service District ("District"), as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents. The District's financial statements for the year ended June 30, 2013 were audited by other auditors whose report dated September 24, 2013 expressed an unqualified opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the business-type activities, of the Berkeley County Public Service District as of June 30, 2014 and 2013, and the changes in financial position and cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, schedule of funding progress and budgetary comparison information on pages 5-11 and 34-36 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Berkeley County Public Service District's basic financial statements. The supplemental information on page 38 is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The supplemental schedules of operating expenses are responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, this supplemental information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Other Reporting Required by *Governmental Auditing Standards*

In accordance with *Government Auditing Standards,* we have also issued our report dated September 16, 2014, on our consideration of the Berkeley County Public Service District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and in considering the District's internal control over financial reporting and compliance.

District highlights

The District completed a $9.07 million of capital improvement projects, including the construction of an Operations Center, construction of 1.47 miles of large diameter water mains, and commissioning new groundwater well pumps and transmission main.

There were 4.05 miles of water mains added to the water distribution system during the year, of which 1.49 miles (estimated cost of $0.70 million) were installed by developers who transferred ownership to the District.

The number of metered customers served by the District increased from 20,579 to 21,071, an increase of 2.39%. Steady growth continues to create a need for additional resources to efficiently maintain the water system.

The District issued $12,775,000 in new revenue bonds to refinance the 2007 bond anticipation note. A rate increase of approximately 15.5% was approved by the West Virginia Public Service Commission to finance the Series 2013 revenue bonds. Although the District was not in compliance with its revenue bond required debt service coverage ratio as of June 30, 2014, the District believes that the rate increase will provide sufficient revenue to achieve compliance for the fiscal year ending June 30, 2015.

USING THIS ANNUAL REPORT

This annual report consists of three parts: Management's Discussions and Analysis, Financial Statements, and Required Supplemental Information. The Financial Statements also include notes that explain in more detail some of the information in the financial statements.

USING THIS ANNUAL REPORT (continued)

Financial Statements

The Financial Statements of the District report information about the District using accounting methods similar to those used by private-sector companies. These statements offer short- and long-term financial information about its activities.

The **Balance Sheet** includes all of the District's assets and liabilities and provides information about the nature and amounts of investments in resources (assets) and obligations to creditors (liabilities). It also provides basis for computing rate of return, evaluating the capital structure of the District and assessing the liquidity and financial flexibility of the District.

All of the current year's revenues and expenses are accounted for in the **Statements of Revenues, Expenses, and Changes in Net Position**. This statement measures the success of the District's operations over the past year and can be used to determine 1) whether the District has successfully recovered all its costs through its user fees and other charges, 2) profitability, and 3) credit worthiness.

The Statements of Cash Flows provides information about the District's cash receipts, cash payments, and net changes in cash resulting from operations, investing, and capital and noncapital financing activities. It also provides answers to such questions as "from where did cash come?", "for what was cash used?", and "what was the change in cash balance during the year?".

FINANCIAL ANALYSIS OF THE DISTRICT AS A WHOLE

One of the most important questions about the District's finances is, "Is the District, as a whole, better off or worse off as a result of the year's activities?" The Balance Sheet and the Statement of Revenues, Expenses and Change in Net Position report information about the District's activities in a way that will help answer this question. These two statements report the net position of the District and changes in it. You can think of the District's net position (the difference between assets and liabilities) as one way to measure financial health or financial position. Over time, increases and decreases in the District's net position are one indicator of whether its financial health is improving or deteriorating. However, you will need to also consider other non-financial factors such as changes in economic conditions, population growth, and new or changed legislation.

The District's total net position decreased by $0.27 million from last year. Our analysis below focuses on the District's net position (Table 1) and changes in net position (Table 2) during the year.

FINANCIAL ANALYSIS OF THE DISTRICT AS A WHOLE (continued)

Total Operating Revenues reflect a 10.73% increase in 2014 compared to 2013 due mainly to the rate increase that became effective during the past year. Water sales also increased as a result of growth in the number of customer connections. Interest income was less in 2014 because the District had fewer funds to invest compared to the year before.

Operating expenses increased by approximately 5.99% in 2014 compared to 2013 due primarily to higher costs for power, chemicals, purchased water, maintenance, wages, and health insurance.

THE DISTRICT'S FUNDS

The District is operated as a proprietary or enterprise fund venture. As such the District operates **six** primary cash fund types. The **General Cash Fund** has been established since the District's inception to report charges to water customers and for services provided to them. The **Renewal and Replacement (R&R) Cash Fund** is required by bond documents and is used to provide replacements of capital equipment and vehicles and for major repairs to water production and storage equipment. The **Construction Cash Fund** is used for the orderly disbursement of bond monies to complete approved projects. The **Security Deposit Cash Fund** is used strictly as an escrow depository for customer security deposits. The **Tank Maintenance Cash Fund** provides for the systematic completion of required maintenance of the District's water storage tanks. The **Membrane Replacement Fund** provides for the replacement of the membrane filtration units at the Potomac River Water Filtration Plant.

Budgetary highlights

The District's Board of Directors adopted the Operating Budget of $11,746,300 for FY 2013/2014 on May 29, 2013. Major differences between budgeted and actual amounts per budgetary basis on the Budgetary Comparison Schedule on page 35 are as follows: Income from metered water sales of all customer categories except Industrial exceeded budget, resulting from the rate increase that went into effect earlier in the fiscal year than was anticipated; the refund from the West Virginia Municipal Bond Commission was greater than anticipated; with the higher revenue, the District had no need to borrow funds for daily operations; electricity and chemical costs for water treatment were greater than budgeted; less water was purchased than anticipated; the District moved into the new Operations Center earlier than expected, reducing rent expenses; and capital expenditures fell below budget because a planned water main project was postponed.

GENERAL

The Berkeley County Public Service District ("District") is a public corporation created under the law of the State of West Virginia on December 12, 1954, for the purpose of operating a water utility and providing water services to customers in its franchise area within Berkeley County. On July 1, 2001, the former Opequon Public Service District and the former Hedgesville Public Service District merged into the Berkeley County Public Service District pursuant to an order made by the Berkeley County Commission and approved by the Public Service Commission of West Virginia. The Berkeley County Public Service District conducts business under the name of the Berkeley County Public Service Water District.

Reporting Entity

For financial reporting purposes, the District is considered an independent reporting entity. The basic criteria for defining the District as an independent reporting entity is the District's financial independence, accountability for fiscal matters, significant influence on operations and ability to designate management.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies and the presentation of the financial report of the District have been designated to conform to generally accepted accounting principles as applicable to governmental entities, in accordance with the Governmental Accounting Standards Board (GASB). GASB embodies the official pronouncements previously issued by the National Council on Governmental Accounting (NCGA).

Financial Reporting Entity

The District complies with GASB Statement No. 14, "The Financial Reporting Entity." This statement establishes standards for defining and reporting on the financial reporting entity. It defines component units as legally separate organizations for which the officials of the primary government are financially accountable and other organizations for which the nature and significance of their relationship with a primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. Based on these criteria, there are no component units to include in the District's financial statements.

Basis of Presentation

Accounts of the District are organized on the basis of fund accounting under one fund, an enterprise fund. Enterprise funds are proprietary funds used to account for business-like activities provided to the general public. These activities are financed primarily by user charges and the measurement of financial activity focuses on net income measurement similar to the private sector.

Measurement Focus and Basis of Accounting

Measurement focus is a term used to describe *which* transactions are recorded within the various financial statements. Basis of accounting refers to *when* transactions are recorded regardless of the measurement focus applied.

The proprietary funds utilize an "*economic resources*" measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. All assets and liabilities (whether current or noncurrent) associated with their activities are reported. Proprietary fund equity is classified as net position.

All proprietary funds utilize the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus and Basis of Accounting (Continued)

Proprietary funds distinguish *operating* revenues and expenses from *nonoperating* items. Operating revenues and expenses generally result from providing services in connection with a proprietary fund's principle ongoing operations. The principle operating revenues of the District's enterprise funds are charged to customers for sales and service. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenue and expenses.

Assets, Liabilities and Net Position

For purposes of the statement of cash flows, the District considers all highly liquid investments, including restricted assets, with a maturity of three months or less when purchased to be cash equivalents.

The reserve method is used to provide for possible losses in the collection of customer's accounts receivable.

Inventory is stated at the lower of cost or market using the average cost method.

Utility plant is stated at cost at the date of acquisition. Donated assets, principally water lines, are recorded at an amount which approximates the donor's cost and are recorded as capital contributions. Depreciation is provided on a straight-line method at various rates calculated to allocate the cost of the respective items over their estimated useful lives ranging from 5 to 50 years and charged to operations. Interest paid on loans obtained for construction of plant facilities is capitalized when material. Capitalized interest for the years ended June 30, 2014 and 2013 was $132,370 and $93,254, respectively. Maintenance and repairs are charged to expense as incurred; major renewals and betterments are capitalized. When items of property or equipment are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is included in income.

Major classifications of utility plant of the District and their respective estimated useful lives at June 30, 2014 and 2013, are summarized below:

Classification	Useful lives
Utility plant and equipment	10-50 years
Water lines, meters and hydrants	10-50 years
Office equipment and furniture	5-20 years
Vehicle	5-10 years
Shop and garage equipment	5-25 years

Construction work in progress represents costs accumulated for the replacement of sections of the District's transmission and distribution systems, plan expansions and rehabilitation, and other projects that were not completed at year end.

It is the District's policy to permit employees to accumulate earned but unused vacation and sick pay benefits. Employees may, depending on level and length of service, be paid for various amounts of their total accrued vacation leave upon termination or retirement. The District accrues liability for leave hours that meets the criteria for payment at the eligible employees' current rates of pay plus retirement benefits and employment taxes. The accrual for compensated absences was $53,677 and $59,570 at June 30, 2014 and 2013, respectively.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Long-term Obligations

Long-term debt and other long-term obligations are reported as liabilities in the District's balance sheets. Bond issuance costs are reported as "other assets" and amortized over the term of the related debt or on a weighted average of outstanding of outstanding debt during the year.

Net Position Classifications

Net position is classified and displayed in three components:

a. Invested in capital assets, net of related debt - consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, notes, or other borrowings that are attributable to the acquisition, construction or improvement of those assets.

b. Restricted net position - consists of net position with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation.

c. Unrestricted net position - all other net position that do not meet the definition of "restricted" or "invested in capital assets, net of related debt."

Budget

In accordance with West Virginia Code, management shall prepare and submit to the Board a tentative budget. Such tentative budget shall be considered by the Board and, subject to any revisions or amendments that may be determined by the Board, shall be adopted as the budget for the ensuing fiscal year. No expenditures for operation and maintenance expenses in excess of the budget shall be made during such fiscal year unless unanimously authorized and directed by the Board.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

CASH AND TEMPORARY INVESTMENTS

Cash and temporary investments consists of the following accounts and amounts at June 30, 2014 and 2013:

	2014	2013
Operation and maintenance	$ 5,583	$ 14,968
Other cash	900	900
Revenue fund - cash	334,705	268,131
Revenue fund - certificates of deposit	202,013	230,404
Total	$ 543,201	$ 514,403

The revenue fund is a restricted account under the control of a trustee in accordance with provisions of the revenue bond resolutions; however, these funds are generally available for the operations of the District.

RESTRICTED ASSETS

The debt service represent funds on deposit with the West Virginia Municipal Bond Commission as trustee under the various bond resolutions. These funds are to be used to pay bond interest and principal.

The debt service reserve funds represent funds on deposit with the West Virginia Municipal Bond Commission. The District is required to maintain these accounts over the life of the outstanding bond issues.

The construction funds represents funds on deposit with a financial institution and the West Virginia Municipal Bond Commission. These funds are to be used to pay the costs of the District's construction projects.

The renewal and replacement fund represents funds on deposit with several financial institutions for the purpose of meeting unforeseen emergencies or renewal and replacement work.

Customer deposits represent funds on deposit with several financial institutions for the purpose of securing payment for services in the event customer accounts become delinquent.

Capacity improvement fees represent funds on deposit with a financial institution. These fees are collected from all new service connections to the District's water system and are to be used only for upgrades to or construction of the system as stated in the Joint Stipulation approved by the Public Service Commission of West Virginia (WV PSC). Per order of the WV PSC, the District no longer collects these fees, but is still restricted in regard to use of previously collected fees still held on deposit.

It is the District's policy to first use restricted assets when available and then use general revenues to finance projects and expenses.

DEPOSITS AND INVESTMENTS

DEPOSITS AND INVESTMENTS (continued)

Custodial Credit Risk-Deposits and Investments (excluding investments at the West Virginia Municipal Bond Commission)

Custodial credit risk is the risk that in the event of a bank or counter party failure, the District will not be able to recover the value of its deposits, investments or collateral securities that are in possession of an outside party. The District does not have a formal deposit policy for custodial credit risk. As of June 30, 2014, $1,788,200 of the District's bank balance of $2,804,274 was exposed to custodial credit risk. Of the bank balance, $1,201,920 was covered by Federal Deposit Insurance (FDIC). Of the remaining balance of $1,602,354, $1,368,961 was collateralized with securities held by the pledging financial institution's trust department or agent but not in the District's name, and $233,393 was invested in overnight repurchase agreements with securities held by the pledging financial institution's trust department or agent, not maintained separately in the District's name.

Interest Rate Risk

The District does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value changes arising from changing interest rates.

DAILY CASH INVESTMENT REPURCHASE AGREEMENT

The District has a repurchase agreement with a local financial institution for the investment of excess funds in one of the District's bank accounts. Under the repurchase agreement, all collected balances in the account at the end of each day are automatically withdrawn and used to purchase an investment under the repurchase agreement. Investments are backed by securities that are direct obligations of, or are fully guaranteed as to principal and interest by the United States of America or any agency thereof. The market value of the investments approximates cost at June 30, 2014 and 2013.

Also included in this account are advanced payment received by the District as of June 30, 2014 and 2013 of $477,482 and $582,422, respectively. These are payment for lines to be installed in developments.

RETIREMENT PLAN

All full-time employees of the District are covered by the West Virginia Public Employees Retirement System, which is a cost-sharing multi-employer PERS.

All full-time employees are eligible and must participate in the State PERS. The pension plan provides benefits, deferred allowances, and death and disability benefits. A member may retire after reaching the age of 60 and accumulating 5 years of credited service in force. Benefits generally vest in varying degrees once a member attains 5 or more years of credited service in force. Employees who retire at age 60 with 5 or more years of credited service in force are entitled to pension payments for the rest of their lives equal to 2% of their Final Average Salary (FAS) times the number of years for which they were employed as a participant in the State PERS. FAS refers to the average annual salary from the highest 36 consecutive months within the last 10 years of employment.

Pension provisions include deferred allowances whereby an employee may terminate his or her employment with the District after accumulating 5 or more years of credited service in force, but before reaching the age of 60. If the employee does not withdraw his or her accumulated contributions, the employee is entitled to certain pension benefits in accordance with the West Virginia Public Employees Retirement Act. Pension provisions include annuity options to provide benefits to a member's nominated beneficiary if so elected. In addition, disability retirement is provided for members who meet certain requirements as specified in the Act. The District's covered payroll amounted to $2,097,238, $2,102,296, and $2,088,564 for the years ended June 30, 2014, 2013 and 2012, respectively.

Employees of the District are required to pay 4.5% of their gross earnings to the pension plan. The District was required to make annual contributions to the plan equal to 14.5% of its covered payroll. Total contributions made during the fiscal years ended June 30, 2012 through 2014 amounted to $302,719, $388,835, and $384,014 respectively, of which $87,887, $94,513, and $90,762 was made by employees. The above contributions represent 100% of the required contributions to the plan. Information regarding this plan is available from the state of West Virginia.

OTHER POST EMPLOYMENT BENEFITS

Effective July 1, 2010, the District adopted the provisions of GASB Statement No. 45, "Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions". In addition to the relevant disclosures within this note related to the implementation of GASB Statement No. 45, the financial statements reflect long-term liabilities and related expenses resulting from the adoption as follows:

Fiscal Year:	Long-term Liabilities	Related Expenses
2014	$ 102,877	$ 20,537
2013	$ 82,340	$ (82,508)
2012	$ 164,848	$ 61,791

Plan Description. The District is deemed a non-participating entity with eligible retirees, which means that the District does not currently participate in a group medical or prescription drug coverage plan through PEIA; however, the District has qualifying retirees who are eligible to participate in a retiree plan due to prior service. As a result of being a non-participating entity, the District does not have covered payroll associated with its liability.

The financial activities of PEIA's OPEB plan are accounted for by the West Virginia Retiree Health Benefit Trust (RHBT). The plan provides retiree group medical and prescription drug coverage. The RHBT issues a publically available financial report that includes financial statements and required supplementary information for RHBT. That report and details regarding this plan can be obtained by contacting Public Employees Insurance Agency, 601 57th Street Southeast, Suite 2, Charleston, West Virginia 25304-2345 or by calling 1-888-680-7342.

Funding Policy. GASB Statement 45 does not mandate the prefunding of postemployment benefits liability. The District currently funds these benefits on a pay-as-you-go basis. No assets have been segregated and restricted to provide postemployment benefits.

The District's OPEB cost is a calculated annual required contribution (ARC), an amount actuarially determined in accordance with the parameters of GASB 45. ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded liabilities over a period of thirty (30) years. As of July 1, 2012, the most recent actuarial date, the Plan was not funded. The following tables illustrate the components of the District's annual OPEB cost for the year, the amount actually contributed to the Plan, changes in the net OPEB obligation, and funding progress.

For the fiscal years ended June 30:

	2014	2013
Normal cost	$ **6,124**	$ 6,124
Amortization of unfunded	**14,532**	14,532

Adjustment pursuant to current actuarial estimate	**2,493**	(98,401)
Net OPEB obligation - end of year	$ **102,877**	$ 82,340

OTHER POST EMPLOYMENT BENEFITS (continued)

The District's annual OPEB cost, the percentage of annual OPEB cost contribution to the plan, and the net OPEB obligation for the years ended June 30, 2014 thru 2012:

Fiscal Year:	Annual OPEB Cost	Percentage of Annual OPEB Cost Contributed	Net OPEB Obligation-End of year
2014	$ 21,092	14.45%	$ 102,877
2013	$ 21,092	18.23%	$ 82,340
2012	$ 61,791	7.52%	$ 164,848

Actuarial valuations of an ongoing plan involves estimates of the value of reported amounts and assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, is meant to present multiyear trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.

Projection of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by employer and plan members) and include the types of benefits in force at the valuation date and the pattern of sharing benefits costs between the District and plan members at that point. The actuarial methods and assumptions used included techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations. Significant methods and assumptions were as follows:

Actuarial valuation date	July 1, 2012
Actuarial cost method	Alternative measurement method
Amortization method	Level dollar
Remaining amortization period	30 years
Actuarial assumptions:	
Investment rate of return	3%
Projected salary increases	Not applicable
Healthcare inflation rate	1.5% - 7.0%

PRIOR PERIOD ADJUSTMENT

An Adjustment was made to correct an error by decreasing prepaid expenses by $64,417 to agree to actual balances as of June 30, 2013. The prior period adjustment had no effect on operations for the year ended June 30, 2014.

RECLASSIFICATIONS

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

SUBSEQUENT EVENTS

In preparing these financial statements, The District has evaluated events and transactions for potential recognition or disclosure through September 16, 2014, the date the financial statements were available to be issued.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Members of the Public Service Board
Berkeley County Public Service District

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business- type activities of Berkeley County Public Service District ("District") as of and for the years ended June 30, 2014 and 2013, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our report thereon dated September 16, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing and opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charge in governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we preformed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

FORM OF OPINION OF BOND COUNSEL

February 26, 2015

Berkeley County Public Service District
Martinsburg, West Virginia

Assured Guaranty Municipal Corp.
New York, New York

Re: Berkeley County Public Service District, West Virginia,
Water Refunding Revenue Bonds, Series 2015 A (Bank Qualified)

Ladies and Gentlemen:

We have acted as bond counsel to Berkeley County Public Service District, West Virginia (the "Issuer") and in such capacity have examined a record of proceedings relating to the issuance by the Issuer of its $9,450,000 aggregate principal amount of Water Refunding Revenue Bonds, Series 2015 A (Bank Qualified) (the "Series 2015 A Bonds").

The Series 2015 A Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (collectively, the "Act"), and a Bond Resolution duly adopted by the Issuer on January 12, 2015, as supplemented by a Supplemental Parameters Resolution duly adopted by the Issuer on January 12, 2015 (collectively, the "Bond Legislation"), and are subject to all the terms and conditions of the Bond Legislation. All capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Bond Legislation.

The Series 2015 A Bonds are issued in fully registered form, are dated their date of original issuance, February 26, 2015, mature on December 1, 2036 in the years and amounts, and bear interest payable each June 1 and December 1, commencing June 1, 2015 all as set forth in the Bond Legislation.

The Bond Legislation provides that the Series 2015 A Bonds are issued for the purpose, along with other funds of the Issuer available therfore, of (i) paying a portion of the cost of currently refunding the Issuer's Water Revenue Bonds, Series 2006 (Bank Qualified) dated December 28, 2006, issued in the original aggregate principal amount of $10,000,000 (the "Series 2006 Bonds"); (ii) funding a debt service reserve account for the Series 2015 A Bonds; and (iii) paying costs of issuance and related costs of the Series 2015 A Bonds. In connection with the current refunding, the Issuer has entered into a Prepayment Agreement, dated as of _____, 2015 (the "Prepayment Agreement"), with the West Virginia Municipal Bond Commission, the Paying Agent.

The Series 2015 A Bonds have been sold to _____ (the "_____"), pursuant to a Bond Purchase Agreement, dated _____, 2015 (the "Bond Purchase Agreement"), between the _____ and the Issuer.

As to questions of fact material to our opinion, we have relied upon representations and warranties of the Issuer, the _____, and other entities, the representations and warranties contained in the Bond Legislation; the Bond Purchase Agreement; the Continuing Disclosure Agreement, dated _____, 2015 (the "Continuing Disclosure Agreement"), between the Issuer and United Bank, Inc.;

the Tax Certificate and Agreement, dated the date hereof (the "Tax Certificate"), executed by the Issuer; and the certified proceedings and other certifications of certain officials of the Issuer and others furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, and assuming compliance with the covenants and representations of the Issuer and others set forth in the Bond Legislation, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate and such certifications, we are of the opinion, under existing law, that:

1. The Issuer is a duly organized and validly existing public service district under and pursuant to the laws of the State of West Virginia, with full power and authority to adopt the Bond Legislation, enter into the Prepayment Agreement, the Bond Purchase Agreement, the Continuing Disclosure Agreement and Tax Certificate, perform its obligations under the terms and provisions thereof and to issue and sell the Series 2015 A Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Issuer, through its governing body, has legally and effectively adopted the Bond Legislation, has authorized, executed and delivered the Prepayment Agreement, the Bond Purchase Agreement, the Continuing Disclosure Agreement and the Tax Certificate, has authorized the distribution of the Official Statement in connection with the marketing and sale of the Series 2015 A Bonds, and has issued and delivered the Series 2015 A Bonds to the Underwriter pursuant to the Bond Purchase Agreement. The Bond Legislation is in full force and effect as of the date hereof.

3. Assuming due authorization, execution and delivery by the other parties thereto, the Prepayment Agreement, the Bond Purchase Agreement, the Continuing Disclosure Agreement and the Tax Certificate constitute valid, legal, binding and enforceable instruments of the Issuer in accordance with their respective terms. We have examined the executed and authenticated Series 2015 A Bonds of said issue, and, in our opinion, said Series 2015 A Bonds are in proper form and have been duly executed and authenticated.

4. The Series 2015 A Bonds have been duly authorized, executed and delivered by the Issuer and, assuming proper authentication, constitute valid and legally enforceable limited obligations of the Issuer, payable from and secured by a first lien on the Net Revenues of the System, on a parity with the Issuer's: (i) Water Revenue Bonds, Series 1993 B, dated March 8, 1993, issued in the original aggregate principal amount of $528,871 and held by the West Virginia Water Development Authority (the "Series 1993 B Bonds"); (ii) Water Revenue Bonds, Series 1993 D, dated July 29, 1993, issued in the original aggregate principal amount of $10,257,957 and held by the West Virginia Water Development Authority (the "Series 1993 D Bonds"); (iii) Water Revenue Bonds, Series 1996, dated August 6, 1996, issued in the original aggregate principal amount of $677,158 and held by the West Virginia Water Development Authority (the "Series 1996 Bonds"); (iv) Water Revenue Bonds, Series 2001 A (West Virginia Water Development Authority), dated October 25, 2001, issued in the original aggregate principal amount of $2,010,000 (the "Series 2001 A Bonds"); (v) Water Refunding Revenue Bonds, Series 2003 B, dated April 1, 2003, issued in the original aggregate principal amount of $2,030,000 (the "Series 2003 B Bonds"); (vi) Water Revenue Bonds, Series 2003 C (West Virginia Water Development Authority), dated May 15, 2003, issued in the original aggregate principal amount of $2,430,000 (the "Series 2003 C Bonds"); (vii) Water Revenue Bonds, Series 2007 A (Bank Qualified), dated December 21, 2007, issued in the original aggregate principal amount of $2,300,000 (the "Series 2007 A Bonds"); (viii) Water Revenue Bonds, Series 2008 (Bank Qualified), dated January 24, 2008 and issued in the original aggregate principal amount of $9,500,000 (the "Series 2008 Bonds") ; (ix) Water Revenue Bonds, Series 2009 (Bank Qualified, dated February 17, 2009, and issued in the original aggregate principal amount of $7,510,000 (the "Series 2009 Bonds"); (x) Water Refunding Revenue Bonds, Series 2012 A (Bank Qualified), dated December 19, 2012 issued in the aggregate principal amount of $7,425,000 (the "Series 2012 A Bonds"); (xi) Water Revenue Bonds, Series 2012 B (Bank Qualified), dated December 20, 2012 issued in the aggregate principal amount of $7,800,000 (the "Series 2012 B Bonds"); (xii) Water Refunding Revenue Bonds, Series 2013 A (Bank Qualified) dated December 30, 2013, issued in the original aggregate principal amount of $9,900,000 (the "Series 2013 A Bonds") and (xiii) Water Refunding Revenue Bonds, Series 2013 B (Taxable), issued in the aggregate principal amount of $2,875,000 (the "Series 2013 B Bonds"), (collectively, referred to herein as the "First Lien Bonds.")

There are also outstanding obligations of the Issuer which are subordinate to the Series 2015 A Bonds as to liens, pledge and source of and security for payment, being the Issuer's Water Revenue Bonds, Series 1993 C, dated March 8, 1993, issued in the original aggregate principal amount of $17,629 and held by the West Virginia Water Development Authority (the "Series 1993 C Bonds" or the "Second Lien Bonds"). The First Lien Bonds and Second Lien Bonds are hereinafter collectively called the "Prior Bonds". The Series 2015 A Bonds are enforceable in accordance with their terms and the terms of the Bond Legislation, and are entitled to the benefits of the Bond Legislation and the Act.

5. The Series 2006 Bonds have been paid within the meaning and with the effect expressed in the Bond Resolution, as supplemented, pursuant to which they were issued, and the covenants, agreements and other obligations of the Issuer to the holders and owners of the Series 2006 Bonds have been satisfied and discharged.

6. Under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2015 A Bonds is excludable from gross income of the holders thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations. It should be noted, however, that for the purpose of calculating the alternative minimum tax on certain corporations (as defined for federal income tax purposes), such interest is taken into account as an adjustment to current earnings of such corporations.

Ownership of tax-exempt obligations, including the Series 2015 A Bonds, may result in collateral federal income tax consequences to certain taxpayers. We offer no opinion as to such collateral tax consequences or any other federal tax consequences arising with respect to the Series 2015 A Bonds. Prospective purchasers of the he Series 2015 A Bonds should consult their own tax advisors as to such consequences.

The portion of the Series 2015 A Bonds which are being used to refund the outstanding principal amount of the Series 2006 Bonds are "deemed designated" by the Issuer pursuant to Section 265(b)(3) of the Code. The Issuer has designated the remainder of the Series 2015 A Bonds as "Qualified Tax-Exempt Obligations" for purposes of Section 265(b)(3) of the Code and covenanted that not more than $10,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income taxes (excluding, however, obligations described in Section 265(b)(3)(C)(ii) of the Code, including the Series 2006 Bonds), including the Bonds, have been or shall be issued by the Issuer or any entities subordinate to it, during the calendar year 2015, all as determined in accordance with the Code.

The opinions set forth in the above paragraph 6 are subject to the condition that the Issuer comply with all requirements of the Internal Revenue Code of 1986, as amended, and regulations thereunder (collectively, the "Code") that must be satisfied for interest on the Series 2015 A Bonds to be or continue to be excludable from gross income for federal income tax purposes, and with all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Series 2015 A Bonds set forth in the Bond Legislation, the Prepayment Agreement, the Tax Certificate and the certifications of the Issuer and others (collectively, the "Tax Covenants"). Failure to comply with the Tax Covenants could cause the interest on the Series 2015 A Bonds to be included in gross income retroactively to the date of issuance of the Series 2015 A Bonds.

7. Under the Act, the Series 2015 A Bonds and the interest thereon are exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

8. The Series 2015 A Bonds are exempted securities within the meaning of Section 3(a)(2) of the Securities Act of 1933, as amended, and the West Virginia Uniform Securities Act, as amended, and it is not necessary, in connection with the public offering and sale of the Series 2015 A Bonds, to register any securities under said Securities Acts.

It is to be understood that the rights of the holders of the Series 2015 A Bonds and the enforceability of the Series 2015 A Bonds, the Bond Legislation, the Prepayment Agreement, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate, and the liens, pledges, rights or remedies with respect thereto, are subject to and may be limited by any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally and that their enforcement may also be subject to the application of public policy, general principles of equity and the exercise of judicial discretion in appropriate cases.

We do not express any opinion as to the sufficiency or accuracy of the material, information or financial statements which are set forth in the Official Statement prepared and used in connection with the offering and sale of the Series 2015 A Bonds.

The opinions expressed in this letter are based upon the law in effect on the date hereof, and may be affected by actions taken or omitted or events occurring after the date hereof, including subsequent interpretations of the applicable law by competent judicial, regulatory and administrative authorities that modify, revoke, supplement, reverse, overrule or otherwise change applicable law and current interpretations thereof. We assume no obligation to revise or supplement this opinion should such law be changed by legislative action, judicial decision, or otherwise, or to determine or to inform any person whether any such actions are taken or omitted or any such events occur.

This opinion is intended solely for the benefit of the addressee and may not be relied upon by any other person or entity without, in each such case, our express written consent.

Very truly yours,

SECTION 9. Additional Information. Nothing in this Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Agreement or any other means of communication, or including any other information in any Annual Financial Information or notice of occurrence of any of the Listed Events, in addition to that which is required by this Agreement. If the Issuer chooses to include any information in any Annual Financial Information or notice of occurrence of any of the Listed Events in addition to that which is specifically required by this Agreement, the Issuer shall have no obligation under this Agreement to update such information or include it in any future Annual Financial Information or notice of occurrence of any of the Listed Events.

A default under this Agreement shall not be deemed an Event of Default under the Ordinance, and the sole remedy under this Agreement in the event of any failure of the Issuer or Dissemination Agent to comply with this Agreement shall be an action to compel performance.

The obligations of the Issuer under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

A. The Issuer is a public service district, public corporation and political subdivision of the State of West Virginia in Berkeley County of said State.

B. The Issuer presently owns and operates a public waterworks treatment and distribution system which it has financed or refinanced, in part, pursuant to the issuance of the Prior Bonds and the Series 2006 Bonds.

C. It is deemed necessary for the Issuer to issue its Water Refunding Revenue Bonds, Series 2015 A (Bank Qualified), in one or more series, in the total aggregate principal amount of not more than $10,000,000 to pay all or a portion of the outstanding principal of, and interest on, the Series 2006 Bonds. The proceeds of the Series 2015 A Bonds may also be applied to funding the Series 2015 A Bonds Reserve Account and the payment of underwriter's discount; financial advisor expenses; legal expenses; expenses for estimates of costs and revenues; administrative expense; discount; initial fees for the services of registrar's, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2015 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2015 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall also be permitted.

D. It is in the best interests of the Issuer that the Series 2015 A Bonds be sold to the Original Purchaser pursuant to the terms and provisions of a bond purchase agreement or bond purchase agreements to be entered into by and between the Issuer and the Original Purchaser, as shall be approved by supplemental resolution of the Issuer.

E. H. The adoption of this Resolution, and the execution and issuance of the Series 2015 A Bonds, subject to the terms thereof, will not result in any breach of, or constitute a default under, any instrument to which the Issuer is a party or by which it may be bound or affected.

I. The Issuer has complied with all requirements of West Virginia law relating to the operation of the System, the issuance of the Series 2015 A Bonds and the refunding of the Series 2006 Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a certificate of convenience and necessity from the West Virginia Public Service Commission by final order, the time for rehearing and appeal of which will either have expired prior to the date of issuance of the Series 2015 A Bonds or such final order will not be subject to appeal or rehearing.

THE BONDS

Section 3.01. Form and Payment of Bonds. No Series 2015 A Bond shall be issued pursuant to this Resolution except as provided in this Article III. Any Series 2015 A Bonds issued pursuant to this Resolution may be issued only as fully registered Series 2015 A Bonds without coupons, in the denomination of $5,000 or any integral multiple thereof for any year of maturity (or such other denominations as may be set forth in a Supplemental Resolution). All Series 2015 A Bonds shall be dated as of the date provided in a Supplemental Resolution applicable to such series. All Series 2015 A Bonds shall bear interest from the interest payment date next preceding the date of authentication or, if authenticated after the Record Date but prior to the applicable interest payment date or on such interest payment date, from such interest payment date or, if no interest on such Series 2015 A Bonds has been paid, from the date thereof; provided however, that, if, as shown by the records of the Registrar, interest on such Series 2015 A Bonds shall be in default, Series 2015 A Bonds issued in exchange for Series 2015 A Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the initial Series 2015 A Bonds surrendered.

The principal of and the premium, if any, on the Series 2015 A Bonds shall be payable in any coin or currency which, on the respective date of such payment, is legal tender for the payment of public and private debts under the laws of the United States of America upon surrender at the principal office of the Paying Agent. Interest on the Series 2015 A Bonds shall be paid by check or draft made payable and mailed to the Registered Owner thereof at his address as it appears in the Bond Register at the close of business on the Record Date, or, if requested, in the case of a Registered Owner of $1,000,000 or more of the Series 2015 A Bonds, by wire transfer to a domestic bank account specified in writing at least 5 days prior to such interest payment date by such Registered Owner.

In the event any Series 2015 A Bond is redeemed in part, such bond shall be surrendered to and canceled by the Registrar, and the Issuer shall execute, and the Registrar shall authenticate and deliver to the Registered Owner thereof, another Series 2015 A Bond in the principal amount of said Series 2015 A Bond then Outstanding.

Section 3.02. Execution of Bonds. The Series 2015 A Bonds shall be executed in the name of the Issuer by the Chairman, by his or her manual or facsimile signatures, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Secretary by his or her manual or facsimile signature; provided, that, all such signatures and the seal may be by facsimile. In case any one or more of the officers who shall have signed or sealed any of the Series 2015 A Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2015 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Series 2015 A Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in EXHIBIT A - FORM OF SERIES 2015 A BONDS attached hereto and incorporated herein by reference with respect to such respective Series 2015 A Bond, shall have been duly manually executed by the

Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Series 2015 A Bond has been authenticated, registered and delivered under this Resolution. The Certificate of Authentication and Registration on any Series 2015 A Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2015 A Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Series 2015 A Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder, in accepting any of said Series 2015 A Bonds, shall be conclusively deemed to have agreed that such Series 2015 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder shall further be conclusively deemed to have agreed that said Series 2015 A Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2015 A Bonds remain Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Series 2015 A Bonds. Series 2015 A Bonds shall be transferable only by transfer of registration upon the Bond Register by the registered owner thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or such duly authorized attorney or legal representative. Upon transfer of a Series 2015 A Bond, there shall be issued at the option of the Holder or the transferee another Series 2015 A Bond of the aggregate principal amount equal to the unpaid amount of the transferred Bond and of the same series, interest rate and maturity of said transferred Series 2015 A Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the registered owner or his attorney or legal representative duly authorized in writing, Series 2015 A Bonds may at the option of the Holder thereof be exchanged for an equal aggregate principal amount of Series 2015 A Bonds of the same series, maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Series 2015 A Bond is exercised, Bonds shall be delivered in accordance with the provisions of this Resolution. All Series 2015 A Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Series 2015 A Bonds, the initial exchange of Series 2015 A Bonds and exchanges of Series 2015 A Bonds in the event of partial redemption of fully registered Series 2015 A Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2015 A Bonds, the Registrar may impose a service charge. For every such transfer or exchange of bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2015 A Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2015 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Series 2015 A Bond of like series, maturity and principal amount as the Series 2015 A Bond, so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Bond, or in lieu of and substitution for the Series 2015 A Bond destroyed, stolen or lost, and upon the Holder's furnishing the Issuer and the Registrar proof of his ownership thereof and that said Series 2015 A Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Bondholder listed in the Bond Register shall constitute proof of ownership. All Series 2015 A Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Series 2015 A Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Series 2015 A Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Series 2015 A Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Series 2015 A Bonds be at any time found by any one, and such duplicate Series 2015 A Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the Revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued pursuant to this Resolution, the following provisions shall apply:

B. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

C. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect

to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

D. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the monies in the Series 2015 A Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

E. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Series 2015 A Bonds Sinking Fund, as will exhaust as nearly as practicable such Series 2015 A Bonds Redemption Account payment designated to be made in accordance with paragraph (A) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of $5,000.

So long as DTC (as CEDE & CO.) is the registered Owner of the Series 2015 A Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice. (6) Such other information, if any, as shall be required for DTC-eligible Series 2015 A Bonds.

If funds sufficient to redeem all Series 2015 A Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such notice shall also state that such optional redemption is subject to the deposit of such monies with the Paying Agent on or before the Redemption Date. If such monies are not so deposited, the Registrar shall notify all holders of Series 2015 A Bonds called for redemption of such fact.

Official notice of redemption having been given as aforesaid, the Series 2015 A Bonds or portions of Series 2015 A Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Series 2015 A Bonds or portions of Series 2015 A Bonds shall cease to bear interest. Upon surrender of such Series 2015 A Bonds for redemption in accordance with said notice, such Series 2015 A Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. All Series 2015 A Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Series 2015 A Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on, such Bond and for all other purposes, whether or not such Bond is overdue.

Any successor Registrar shall, in its written acceptance of its duties under this Resolution, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Series 2015 A Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Series 2015 A Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in New York Clearing House or equivalent next day funds on the dates provided for such payments to be made to any Bondholder under this Resolution. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Issuer and the Registrar with respect to the principal or Redemption Price of or interest on the Series 2015 A Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Series 2015 A Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Series 2015 A Bonds so redeemed, but DTC may return such Series 2015 A Bonds and make an appropriate notation on the Series 2015 A Bonds certificate as to the amount of such partial redemption; provided, that DTC shall deliver to the Registrar, upon request, a written confirmation of such partial redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Series 2015 A Bonds of such maturity which have been redeemed.

D. The Issuer, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Series 2015 A Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Series 2015 A Bonds, selecting the Series 2015 A Bonds, or portions thereof, to be redeemed, giving any notice permitted or required to be given to Bondholders under this Resolution, registering the transfer of Series 2015 A Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Issuer nor the Registrar shall be affected by any notice to the contrary. Neither the Issuer nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Series 2015 A Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books of the Registrar as being a Bondholder with respect to (i) the Series 2015 A Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2015 A Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Resolution, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Series 2015 A Bonds, or (vi) any consent given or other action taken by DTC as Bondholder.

E. The book entry system for registration of the ownership of the Series 2015 A Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Series 2015 A Bonds; or (ii) the Issuer determines that continuation of the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Series 2015 A Bonds. In either of such events (unless in the case described in clause (ii) above, the Issuer appoints a successor securities depository), the Series 2015 A Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer or the Registrar for the accuracy of such designation. Whenever DTC requests the Issuer and the Registrar to do so, the Issuer and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 2015 A Bonds.

Section 3.12. Delivery of Bonds. The Issuer shall execute and deliver the Series 2015 A Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2015 A Bonds to the Original Purchaser upon receipt of the documents set forth below:

(1) A list of the names in which the Series 2015 A Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;

(2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2015 A Bonds to the Original Purchaser;

(3) Copies of this Resolution and the Supplemental Resolution certified by the Secretary;

(4) The unqualified approving opinion upon the Series 2015 A Bonds by Bond Counsel; and

(5) A copy of such other documents, certifications and verifications as the Original Purchaser may reasonably require.

Section 3.13. Form of Bonds. The definitive Series 2015 A Bonds shall be in substantially the form set forth in EXHIBIT A – FORM OF SERIES 2015 A BondS attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 2015 A Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series 2015 A Bonds shall have the form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Bonds. Upon the issuance and delivery of the Series 2015 A Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

(1). All interest accrued on the Series 2015 A Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 2015 A Bonds Sinking Fund and applied to payment of interest on the Series 2015 A Bonds at the first interest payment date.

(2). An amount of the proceeds of the Series 2015 A Bonds equal to the Series 2015 A Bonds Reserve Requirement shall be remitted to the Bond Commission for deposit in the Series 2015 A Bonds Reserve Account, provided that, to the extent the Series 2015 A Bonds Reserve Requirement is satisfied in whole or in part from a reserve account letter of credit, surety bond or other credit facility and proceeds of the Series 2015 A Bonds shall be used to purchase said reserve account letter of credit, surety bond or other credit facility and proceeds of the Series 2015 A Bonds shall be deposited in the Series 2015 A Bonds Reserve Account only to the extent needed to satisfy the balance of the Series 2015 A Bonds Reserve Requirement.

(3). An amount of the proceeds of the Series 2015 A Bonds which shall, be sufficient to pay the outstanding principal of, and interest on, the Series 2006 Bonds, shall be deposited into the Sinking Fund for the Series 2006 Bonds held by the Bond Commission.

(4). An amount of Series 2015 A Bond proceeds which, together with other monies or securities deposited therein, shall be equal to the Costs of Issuance of the Series 2015 A Bonds shall be deposited with the Depository Bank in the Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Series 2015 A Bonds at the written direction of the Issuer. Monies not to be applied immediately to pay such costs of issuance may be invested in accordance with this Resolution, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 120 days following the Closing Date for the Series 2015 A Bonds, such unapplied proceeds shall be transferred by the Issuer to the Series 2015 A Bonds Sinking Fund established in Section 4.02 hereof and applied to the next ensuing payment of interest on the Series 2015 A Bonds. All such proceeds shall constitute a trust fund for such purposes, and there hereby is created a lien upon such monies until so

applied in favor of the Holders of the Series 2015 A Bonds from which such proceeds are derived.

Section 4.03. System Revenues and Application Thereof. So long as any of the Bonds shall be Outstanding and unpaid, the Issuer covenants as follows:

A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Resolution and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided.

(1) The Issuer shall first each month pay from the Revenue Fund the Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) the amounts required by the Prior Resolutions to pay interest on the First Lien Bonds; and (ii) commencing 6 months prior to the first interest payment date on the Series 2015 A Bonds, for deposit in the Series 2015 A Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on the Series 2015 A Bonds on the next ensuing semiannual interest payment date; provided, that in the event the period to elapse between the date of such initial deposit in the Series 2015 A Bonds Sinking Fund and the next ensuing semiannual interest payment date is less than or greater than 6 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date; and, provided further that, the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2015 A Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 2015 A Bonds deposited therein and subsequent amounts required to be transferred from the Revenue Fund and deposited in the Series 2015 A Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Series 2015 A Bonds Sinking Fund.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) the amounts required by the Prior Resolutions to pay the principal of the First Lien Bonds; and (ii)

commencing 12 months prior to the first principal payment date or mandatory Redemption Date of the Series 2015 A Bonds, for deposit in the Series 2015 A Bonds Sinking Fund, and in the Series 2015 A Bonds Redemption Account therein in the case of Term Bonds which are to be redeemed, a sum equal to 1/12th of the amount of principal which will mature or be redeemed and become due on the Series 2015 A Bonds on the next ensuing principal payment date or mandatory Redemption Date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2015 A Bonds Sinking Fund and the next ensuing annual principal payment date or mandatory Redemption Date is less than or greater than 12 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing annual principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and, provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2015 A Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the respective Reserve Accounts, the amounts required under the Prior Resolutions to be deposited in the respective reserve requirements for the First Lien Bonds; and (ii) for deposit in the Series 2015 A Bonds Reserve Account, an amount sufficient to remedy any decrease in value of the Series 2015 A Bonds Reserve Account below the Series 2015 A Bonds Reserve Requirement or any withdrawal from the Series 2015 A Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2015 A Bonds Reserve Account results in a determination that the amount of monies and the value of the Qualified Investments deposited to the credit of the Series 2015 A Bonds Reserve Account is less than the Series 2015 A Bonds Reserve Requirement, or (b) any amount is withdrawn from the Series 2015 A Bonds Reserve Account for deposit into the Series 2015 A Bonds Sinking Fund. To the extent Net Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of monies on deposit in the Series 2015 A Bonds Reserve Account to an amount equal to the Series 2015 A Bonds Reserve Requirement to the full extent that such Net Revenues are available; provided, that no payments shall be required to be made into the Series 2015 A Bonds Reserve Account whenever and as long as the amount deposited therein shall be equal to the Series 2015 A Bonds Reserve Requirement.

(5) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund, a sum equal to 2.5% of the Gross Revenues each month (as previously set forth in the Prior Resolutions and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article V hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as

of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Bond Commission for deposit in the Sinking Fund for the Second Lien Bonds the amount required under the Prior Resolutions to pay principal of the Second Lien Bonds.

(7) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Bond Commission for deposit in the Reserve Account for the Second Lien Bonds the amount required under the Prior Resolutions.

Monies in the Series 2015 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2015 A Bonds as the same shall become due, whether by maturity or redemption prior to maturity. Amounts in the Series 2015 A Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2015 A Bonds when due, when amounts in the Series 2015 A Bonds Sinking Fund are insufficient therefor and for no other purpose.

The Issuer shall not be required to make any further payments into the Series 2015 A Bonds Sinking Fund or the Series 2015 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of Series 2015 A Bonds issued pursuant to this Resolution then Outstanding, plus the amount of interest due or thereafter to become due on the Series 2015 A Bonds then Outstanding.

As and when additional Bonds ranking on a parity with the Series 2015 A Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at or before maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirements therefor.

The payments into the Series 2015 A Bonds Sinking Fund shall be made on the first day of each month, except that, when the first day of any month shall be a Saturday, Sunday or legal holiday, then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Bond Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Resolution.

The Issuer shall restore any withdrawals from the Series 2015 A Bonds Reserve Account which have the effect of reducing the assets therein below the Series 2015 A Bonds Reserve Requirement, from the first Net Revenues available after all required payments have been made in full in the order set forth above.

Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the First Lien Bonds and the Series 2015 A Bonds, senior and prior to the principal, interest, if any, or reserve payments for the Second Lien Bonds, in accordance with the respective principal amounts then Outstanding.

The Bond Commission is hereby designated as the fiscal agent for the administration of the Series 2015 A Bonds Sinking Fund and Series 2015 A Bonds Reserve Account, created hereunder, and all amounts required for said accounts shall be remitted to the Bond Commission from the Revenue Fund by the Issuer at the times provided herein.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall remit from the Revenue Fund to the Bond Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Bond Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay any charges and fees then due.

D. The monies in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If on any monthly payment date the Net Revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 4.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

F. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE V

INVESTMENTS; NON-ARBITRAGE; REBATES OF EXCESS INVESTMENT EARNINGS

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any monies held as a part of the funds and accounts created by this Resolution in Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or

account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section:

(A) Qualified Investments acquired for the Series 2015 A Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to annually transfer from the Series 2015 A Bonds Reserve Account to the Series 2015 A Bonds Sinking Fund, any earnings on the monies deposited therein and any other funds in excess of the requirement therefor; provided, however, that there shall at all times remain on deposit in the Series 2015 A Bonds Reserve Account an amount at least equal to the Series 2015 A Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2015 A Bonds Reserve Account, whereupon such account shall be valued immediately after such withdrawal.

(D) All amounts representing accrued and capitalized interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 2015 A Bonds and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all monies deposited in the Series 2015 A Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Board of Treasury Investments pursuant to Chapter 12, Article 6C of the West Virginia Code of 1931, as amended.

Section 5.02. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 2015 A Bonds in such manner and to such extent as may be necessary, so that the Series 2015 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2015 A Bonds) so that the interest on the Series 2015 A Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.03. Tax Certificate and Rebate. A. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2015 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2015 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

B. The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect, with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and the required amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Series 2015 A Bonds from gross income for federal income tax purposes.

Section 5.04. Continuing Disclosure Agreement. The Issuer shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Resolution shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2015 A Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this

Resolution, the Issuer hereby covenants and agrees with the Holders of the Series 2015 A Bonds, as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2015 A Bonds, or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Series 2015 A Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any of the provisions or limitations of the constitution but shall be payable solely from the Net Revenues of the System, the monies in the Series 2015 A Bonds Sinking Fund and all accounts therein, or the unexpended proceeds of the Series 2015 A Bonds, all as herein provided. No Holder or Holders of the Series 2015 A Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2015 A Bonds, or the interest thereon.

Section 6.03. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of all of the Series 2015 A Bonds issued hereunder shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the First Lien Bonds, which lien and pledge are senior and prior to the lien on the Net Revenues in favor of the Holders of the Second Lien Bonds. The Net Revenues derived from the System, in an amount sufficient to pay the interest on and principal of the Prior Bonds and the Series 2015 A Bonds herein authorized, and to make the payments into the Series 2015 A Bonds Sinking Fund, the Series 2015 A Bonds Reserve Account, and all other payments provided for in this Resolution and the Prior Resolutions, are hereby irrevocably pledged in the manner provided in this Resolution to the payment of the interest on and principal of the Series 2015 A Bonds herein authorized as the same become due and for the other purposes provided in this Resolution.

Section 6.04. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created or continued hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 120% of the maximum amount required in any fiscal year for payment of principal of and interest on the Series 2015 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or subordinate to the Series 2015 A Bonds, including the Prior Bonds. In any event, subject to any requirements of law, the Issuer shall not reduce the rates or charges for services set forth in the current rate order.

In the computation provided in the above paragraph, "revenues of the System" shall include increased Net Revenues estimated to be derived from any improvements under construction, and any change in rates adopted by the Issuer and approved by the Public Service Commission of West Virginia (without successful appeal), whether or not such approved rates are being charged and collected by the Issuer.

The Issuer shall require that each annual audit contain a statement of the auditor that the Issuer either is or is not in compliance with the rate covenant contained in this Section 6.04. In the event that any audit contains a statement that the Issuer is not in compliance with the rate covenant contained in this Section 6.04, the Issuer hereby covenants that it shall, within ninety (90) days of receiving the audit report, file a request with the Public Service Commission of West Virginia for a rate increase sufficient to comply with the above-mentioned rate requirement.

Section 6.05. Operation and Maintenance. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the Revenues of said System in the manner provided in this Resolution.

The Issuer has or will obtain all permits required by state and federal laws for the operation of the System and all orders and approvals from the Public Service Commission of West Virginia necessary for the issuance of the Series 2015 A Bonds and the operation of the System.

Section 6.06. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System except as provided in the Prior Resolutions. Additionally, so long as the Series 2015 A Bonds are Outstanding, the System may be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, or to defease the pledge created by this Resolution and the Prior Resolutions. The proceeds from such sale, mortgage, lease or other disposition of the System shall be immediately remitted to the Commission for deposit in the respective Sinking Funds, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $500,000, the Issuer may provide for the sale of such property. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $500,000 but not in excess of $5,000,000 the Issuer, by resolution duly adopted, shall determine that the property is no longer necessary, useful or profitable in the operation of the System and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition off such property which are less than $500,000 may be deposited in the Revenue Fund or the Renewal and Replacement Fund, at the sole discretion of the Issuer. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $500,000 and not in excess of $5,000,000, shall be deposited by the Issuer into Sinking Funds for the Bonds or the Renewal and Replacement Fund, at the sole discretion of the Issuer. Such payment of such proceeds into the Sinking Funds for the Bonds or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Resolution.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, shall be in excess of $5,000,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of over 50% of the par amount of the Bonds then Outstanding. The Issuer

shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2015 A Bonds, except as provided in Section 6.08 herein. All obligations issued by the Issuer after the issuance of the Series 2015 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2015 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2015 A Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2015 A Bonds and the interest thereon, if any, in this Resolution, or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable.

No such Additional Parity Bonds (as hereinafter defined) shall be issued except for the purposes of financing the costs of the design, acquisition and construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds or Additional Parity Bonds, or to pay claims which may exist against the revenues or facilities of the System or all of such purposes.

So long as the Series 2015 A Bonds are Outstanding, no such Additional Parity Bonds shall be issued at any time, however, unless and until there has been procured a written statement by an Independent Certified Public Accountant, reciting the conclusion that the Net Revenues actually derived from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 2 Fiscal Years immediately following the Fiscal Year in which such Additional Parity Bonds are issued, if any, shall not be less than 120% of the Maximum Annual Debt Service on the following:

(1) The Bonds then Outstanding;

(2) Any Additional Parity Bonds theretofore issued pursuant to the provisions contained in the Prior Resolutions and this Resolution then Outstanding; and

(3) The Additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues" as that term is used in the computation provided in the above paragraph, shall include increased Net Revenues estimated to be derived from the improvements to be financed by such Additional Parity Bonds, if any, and any change in

rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) or such rates have been approved by the Public Service Commission of West Virginia (without successful appeal), prior to the date of delivery of such Additional Parity Bonds, whether or not such approved rates are being charged and collected by the Issuer.

The term "Additional Parity Bonds," as used in this section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this section, payable from the Net Revenues of the System on a parity with the Bonds. All covenants and other provisions of this Resolution (except as to details of such Additional Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Additional Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Resolution required for and on account of such Additional Parity Bonds, in addition to the payments required for the Bonds theretofore issued pursuant to this Resolution.

Additional Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to the lien on and source of and security for payment from such revenues, with the Bonds.

No Additional Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Resolution and the Prior Resolutions with respect to the Bonds then Outstanding, and any other payments provided for in this Resolution and the Prior Resolutions, shall have been made in full as required to the date of issuance of such Additional Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Resolution and the Prior Resolutions.

Provided, however, that if the audit by an Independent Certified Public Accountant for the Issuer for the Fiscal Year immediately preceeding the proposed issuance of Additional Parity Bonds states that the Issuer was not in compliance with the rate covenant in Section 6.04 of this Resolution for the year being audited and the Issuer has, as required by Section 6.04, enacted a rate ordinance seeking a rate increase sufficient to comply with Section 6.04, such statement in the most recent audit shall not be considered a violation of the covenants, agreements and terms of this Resolutions, so as to prevent the Issuer from issuing Additional Parity Bonds under this Section 6.08.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2015 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance and bonds and workers' compensation coverage with a reputable insurance carrier or carriers or bonding company or companies covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent

available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged and destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

C. WORKERS' COMPENSATION COVERAGE for all employees of or for the System eligible therefore.

D. FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 6.10. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and, in the event the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself or themselves of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.11. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all delinquent rates, rentals and other changes, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System to all delinquent users of services and facilities of the System and will not restore such services of the System until all billing for charges for the services and facilities of the System, plus reasonable interest and penalty charges for the restoration of service, has been fully paid.

Section 6.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.13. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Series 2015 A Bond shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as it shall direct.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by an Independent Certified Public Accountant in compliance with OMB Circular 128 or any successor thereto and the Single Audit Act.

Section 6.14. Operating Budget. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, or at such earlier date, prepare and adopt by resolution a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year.

Section 6.15. Connections. To the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, the Issuer shall require every owner, tenant or occupant of any house, dwelling or building intended to be served by the System to connect thereto.

Section 6.16. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2015 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2015 A Bonds, pro rata, and shall be on a parity with the statutory mortgage lien in favor of the Holders of the First Lien Bonds, and senior and prior to the lien in favor of the Holders of the Second Lien Bonds.

Section 6.17. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2015 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2015 A Bonds during the term thereof is, under the terms of the Series 2015 A Bonds or any underlying

arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2015 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2015 A Bonds during the term thereof is, under the terms of the Series 2015 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2015 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the System, or if the Series 2015 A Bonds are for the purpose of financing more than one project, a portion of the System, and shall not exceed the proceeds used for the governmental use of that portion of the System to which such Private Business Use is related.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2015 A Bonds or $5,000,000 are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2015 A Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2015 A Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2015 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 6.18. Designation of Series 2015 A Bonds as Qualified Tax-Exempt Obligations. The Issuer hereby designates the Series 2015 A Bonds as "Qualified Tax-Exempt Obligations" for purposes of paragraph (3) of Section 265(b) of the Code and that not more than $10,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income taxes (excluding, however, obligations described in Section 265(b)(3)(C)(ii) of the Code), have been or shall be issued by the Issuer or any entities subordinate to it, during the calendar year 2015, all as determined in accordance with the Code. For purposes of this paragraph and for the purposes of applying such Section 265(b)(3) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a subordinate entity shall, for purposes of applying this paragraph and Section 265(b)(3) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of Section 265(b)(3)(C) or (D) of the Code and all entities benefitting thereby shall be treated as one issuer.

Section 6.19. Continuing Disclosures. In order to provide the written undertaking for the benefit of the owners of the Series 2015 A Bonds required by the Securities and Exchange Commission Rule 15c2-12, the Issuer shall enter into a Continuing Disclosure Agreement in such form as may be approved by the Supplemental Resolution, and the Chairman is authorized and directed to execute and deliver such Continuing Disclosure Agreement on behalf of the Issuer, with such changes as the Chairman shall approve, such approval to be conclusively evidenced by the execution of such Agreement by the Chairman.

Section 6.20. Preliminary Official Statement; Official Statement. The distribution of the Preliminary Official Statement with respect to the Series 2015 A Bonds shall be and the same is hereby approved. The form of the Preliminary Official Statement shall be in such form as may be approved by the Supplemental Resolution. The Chairman is hereby authorized and directed to execute and deliver a final official statement on behalf of the Issuer, which shall be in substantially the form of the Preliminary Official Statement with such changes, insertions and omissions as may be required to reflect the terms of the sale of the Series 2015 A Bonds and as the Chairman may approve (the "Official Statement"). The execution of the Official Statement by the Chairman shall be conclusive evidence of such approval. Copies of the Official Statement are hereby authorized to be prepared and furnished to the Original Purchaser for distribution.

Section 6.21. Bond Insurance Policy. The Issuer may apply for a bond insurance policy for the Series 2015 A Bonds. In the event a bond insurance policy is obtained, additional covenants and provisions of the Issuer may be required by the bond insurer as a condition to insuring the Series 2015 A Bonds. These additional covenants and provisions shall be set forth in a Supplemental Resolution, shall apply to the Series 2015 A Bonds, and shall be controlling in the event any other provisions of this Resolution may be in conflict therewith.

ARTICLE VII

DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2015 A Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on the Series 2015 A Bonds;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Resolution or any Supplemental Resolution or in the Series 2015 A Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Bondholder;

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds or the Prior Resolutions.

The Issuer must cure any covenant default within 30 days after notice of the default, and failure to pay principal of or interest on the Bonds shall be an immediate event of default.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the Issuer to perform its duties under the Act and this Resolution;

(C) Bring suit upon the Series 2015 A Bonds;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of this Resolution or the rights of the Bondholders.

No remedy by the terms of this Resolution conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute. All rights and remedies of the Holders of the Series 2015 A Bonds shall be on a parity with one another and also on parity with those of the Holders of the First Lien Bonds, and senior and prior to those of the Holders of the Second Lien Bonds.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate, maintain, manage

and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2015 A Bonds issued pursuant to this Resolution and interest thereon and under any covenants of this Resolution for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Resolution shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Series 2015 A Bonds issued pursuant to this Resolution. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Bondholders, and the curing and making good of any default under the provisions of this Resolution, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Section 7.04. Restoration of Issuer and Bondholder. In case any Bondholder shall have proceeded to enforce any right under this Resolution by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Bondholder shall be restored to their former positions and rights hereunder, and all rights and remedies of such Bondholder shall continue as if no such proceedings had been taken.

ARTICLE VIII

REGISTRAR AND PAYING AGENT

Section 8.01. Appointment of Registrar. The Registrar for the Series 2015 A Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Registrar. The recitals of fact in the Series 2015 A Bonds shall be taken as statements of the Issuer, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any

liability on account of, the validity of the execution of any Series 2015 A Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2015 A Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Resolution and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Registrar May Act. Except as otherwise provided by Section 10.02, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Bonds, the first exchange of Bonds and the exchange of Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2015 A Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or effect or aid in any reorganization growing out of the enforcement of the Series 2015 A Bonds or this Resolution, whether or not any such committee shall represent the Holders of a majority in principal amount of the Series 2015 A Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Resolution by giving not less than 60 days' written notice to the Issuer, specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer or by the Holders of a majority in principal amount of the Series 2015 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer or by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Series 2015 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification

thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Bondholders. The Issuer shall notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Bondholders. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Resolution.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any monies, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. DEFEASANCE; DISCHARGE OF PLEDGE OF RESOLUTION

Section 9.01. Defeasance; Discharge of Pledge of Resolution. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Series 2015 A Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then this Resolution and the pledges of the Net Revenues and other monies and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Holders of the Series 2015 A Bonds made hereunder, shall thereupon cease, terminate and become void and be discharged and satisfied, except as may be necessary to assure the exclusion of interest on the Series 2015 A Bonds from gross income for federal income tax purposes.

The Series 2015 A Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on the Series 2015 A Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2015 A Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on the Series 2015 A Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of the Series 2015 A Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Series 2015 A Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the

principal of and redemption premium, if any, and interest to become due on the Series 2015 A Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations, as such term is limited by the provisions in Section 1.01 hereof or such additional securities as shall be set forth in the Supplemental Resolution.

Not withstanding the foregoing provision, no such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Series 2015 A Bond without the express written consent of the Registered Owner of such Bond, nor reduce the percentage of Series 2015 A Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Resolution may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Resolution if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Bondholder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Bonds held by a person executing any instrument as a Bondholder, the date of his holding such Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Bond shall bind all future Holders and owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Resolution shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Bondholder, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Resolution shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Bonds. All Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Bonds shall be deemed Outstanding under this Resolution and no Bonds shall be issued in lieu thereof. All such Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Bonds. Anything in this Resolution to the contrary notwithstanding, any monies held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Bonds which remain unclaimed for 1 year after the date on which such Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Bonds shall look only to the Issuer for the payment of such Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such monies remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such monies then unclaimed will be returned to the Issuer.

("AGM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") as set forth in the documentation (the "Bond Document") providing for the issuance of and securing the Bonds, for the benefit of the Owners, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

AGM will make payment as provided in this Policy to the Trustee or Paying Agent on the later of the Business Day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which AGM shall have received Notice of Nonpayment, in a form reasonably satisfactory to it. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by AGM is incomplete, it shall be deemed not to have been received by AGM for purposes of the preceding sentence and AGM shall promptly so advise the Trustee, Paying Agent or Issuer, as appropriate, who may submit an amended Notice of Nonpayment. Payment by AGM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of AGM under this Policy. Upon such payment, AGM shall become entitled to reimbursement of the amount so paid (together with interest and expenses) pursuant to the Insurance Agreement.

The amount available under this Policy for payment shall not exceed the Policy Limit. The amount available at any particular time to be paid to the Trustee or Paying Agent under the terms of this Policy shall automatically be reduced by any payment under this Policy. However, after such payment, the amount available under this Policy shall be reinstated in full or in part, but only up to the Policy Limit, to the extent of the reimbursement of such payment (exclusive of interest and expenses) to AGM by or on behalf of the Issuer. Within three Business Days of such reimbursement, AGM shall provide the Trustee, the Paying Agent and the Issuer with notice of the reimbursement and reinstatement.

Payment under this Policy shall not be available with respect to (a) any Nonpayment that occurs prior to the Effective Date or after the Termination Date of this Policy or (b) Bonds that are not outstanding under the Bond Document. If the amount payable under this Policy is also payable under another insurance policy or surety bond insuring the Bonds, payment first shall be made under this Policy to the extent of the amount available under this Policy up to the Policy Limit. In no event shall AGM incur duplicate liability for the same amounts owing with respect to the Bonds that are covered under this Policy and any other insurance policy or surety bond that AGM has issued.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York are, or the Insurer's Fiscal Agent is, authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AGM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the

stated date for payment of interest. "Insurance Agreement" means the Insurance Agreement dated as of the effective date hereof in respect of this Policy, as the same may be amended or supplemented from time to time. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer that has been recovered from such Owner pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from the Issuer, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment of principal or interest thereunder, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds. "Policy Limit" shall be the dollar amount of the debt service reserve fund required to be maintained for the Bonds by the Bond Document from time to time (the "Debt Service Reserve Requirement"), but in no event shall the Policy Limit exceed $. The Policy Limit shall automatically and irrevocably be reduced from time to time by the amount of each reduction in the Debt Service Reserve Requirement, as provided in the Bond Document.

AGM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AGM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AGM and shall not be deemed received until received by both and (b) all payments required to be made by AGM under this Policy may be made directly by AGM or by the Insurer's Fiscal Agent on behalf of AGM. The Insurer's Fiscal Agent is the agent of AGM only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AGM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AGM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AGM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be cancelled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

In witness whereof, ASSURED GUARANTY MUNICIPAL CORP. has caused this Policy to be executed on its behalf by its Authorized Officer.

APPENDIX G

BOOK-ENTRY ONLY SYSTEM

The information in this section has been obtained from sources that the District believes to be reliable, but the District does not take any responsibility for the accuracy thereof.

The Depository Trust Company

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bonds certificate will be issued for the Bonds, in the aggregate principal amount of such issue, and will be deposited with DTC.

2. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

3. Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will

not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

4. To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bonds documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

6. Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. A Beneficial Owner shall give notice to elect to have its Bonds purchased or tendered,

through its Participant, to Tender/Remarketing Agent, and shall effect delivery of such Bonds by causing the Direct Participant to transfer the Participant's interest in the Bonds, on DTC's records,to Tender/Remarketing Agent. The requirement for physical delivery of Bonds in connection withan optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Securities to Tender/Remarketing Agent's DTC account.

10. DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Bonds certificates are required to be printed and delivered.

11. Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bonds certificates will be printed and delivered to DTC.

12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.

There are outstanding obligations of the District which are secured by the Net Revenues of the System but subordinate to the First Lien Bonds and the Series 2015 A Bonds as to liens, pledge and source of, and security for, payment. These are the District's Water Revenue Bonds, Series 1993 C, dated March 8, 1993, issued in the original aggregate principal amount of $17,629 and held by the West Virginia Water Development Authority (the "Series 1993 C Bonds" or "Second Lien Bonds").

The First Lien Bonds are secured by a first lien on and a pledge of the Net Revenues of the System, on a parity with each other and the Series 2015 A Bonds, which lien and pledge are senior and prior to the lien on the Net Revenues of the System of the Second Lien Bonds. The First Lien Bonds and Second Lien Bonds are collectively hereinafter called the "Prior Bonds". The resolutions pursuant to which the Prior Bonds were issued are hereinafter collectively called the "Prior Resolutions."

The Series 2015 A Bonds shall be issued on a parity with the First Lien Bonds, and will be senior and prior to the Second Lien Bonds with respect to liens, pledge and source of and security for payment and in all other respects pursuant to the Resolution. See "SECURITY FOR THE BONDS."

The Series 2015 A Bonds are payable from and secured by the Net Revenues, as defined in the Resolution and hereinafter, derived from the existing waterworks system of the District and any extensions, improvements or betterments thereto (the "System") on parity with the First Lien Bonds, and, respectively, from funds on deposit in the Series 2015 A Bonds Sinking Fund and the

Series 2015 A Bonds Reserve Account therein. The Series 2015 A Bonds do not constitute an indebtedness of the District within the meaning of any constitutional or statutory provisions or limitations, and the District shall not be obligated to pay the Series 2015 A Bonds or premium, if any, or the interest thereon except from such Net Revenues and such funds on deposit.

Pursuant to the Resolution, the District has covenanted and agreed to establish and collect just and equitable rates and charges for the use of the System and the services rendered thereby so as to produce for each fiscal year Net Revenues, as defined in the Resolution and hereinafter, equal to at least 120% of the maximum amount required in any year to pay the principal of and interest on the Series 2015 A Bonds and all other obligations secured by a lien on or payable from Net Revenues on a parity with, or subordinate to, the Series 2015 A Bonds, specifically including, but not limited to, the Prior Bonds. See "SECURITY FOR THE SERIES 2015 A BONDS - Rate Covenant."

The Series 2015 A Bonds will be dated, will mature, will bear interest and will be subject to redemption prior to maturity as more fully described on the cover page and under the heading "THE SERIES 2015 A BONDS" herein. The Series 2015 A Bonds initially will be maintained under a book-entry system. So long as the Series 2015 A Bonds are maintained under a book-entry system, the manner of payment, the denominations, the transfer and exchange of ownership and the method of providing notice of redemption to the owners of the Series 2015 A Bonds shall be determined as described under "BOOK-ENTRY ONLY SYSTEM" herein. If the book-entry system is discontinued, principal of, interest, and premium, if any, on the Series 2015 A Bonds will be payable by the West Virginia Municipal Bond Commission, Charleston, West Virginia, as paying agent (the "Bond Commission" or the "Paying Agent"), to the owners thereof at the addresses appearing in the books kept by United Bank, Inc., as registrar (the "Registrar"). For further information describing the method of payment and other matters in the event the book-entry system is discontinued, see "THE SERIES 2015 A BONDS" herein.

For a description of the exclusion of interest on the Series 2015 A Bonds from gross income for federal income tax purposes and the exclusion of interest on the Series 2015 A Bonds from gross income for West Virginia state income tax purposes, see "TAX MATTERS" herein.

The District may issue additional bonds, on parity with First Lien Bonds and the Series 2015 A Bonds for the purpose of financing the cost of the construction or acquisition of additions, improvements and betterments to the System and/or refunding one or more of the Prior Bonds, the Series 2015 A Bonds, and any Additional Parity Bonds (as hereinafter defined) subject, in each case, to certain tests and conditions provided for by the Resolution. See "SECURITY FOR THE BONDS - Additional Parity Bonds."

The Series 2015 A Bonds are offered when, as and if issued and subject to withdrawal or modification of the offering without notice and to the unqualified approval of the legality thereof by Steptoe & Johnson PLLC, Charleston, West Virginia, Bond Counsel. The Series 2015 A Bonds will be issued as fully registered bonds without coupons in denominations of $5,000 and integral multiples thereof for any year of maturity. The Series 2015 A Bonds initially shall be maintained under a book-entry system; Beneficial Owners shall have no right to receive physical possession of the Series 2015 A Bonds and payments of principal of, redemption price, if any, and interest on the Series 2015 A Bonds will be made as described herein under "BOOK-ENTRY ONLY SYSTEM." If the book-entry system is discontinued, principal of, premium, if any, and interest on the Series 2015 A Bonds will be payable to the owner thereof upon surrender thereof at the principal corporate trust department office of the Paying Agent.

So long as the Series 2015 A Bonds are maintained under a book-entry system, transfers of ownership interests in the Series 2015 A Bonds will be made as described herein under "BOOK-ENTRY ONLY SYSTEM." If the book-entry system is discontinued, ownership of any Series 2015 A Bond may be transferred upon surrender thereof to the Registrar, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or his duly authorized attorney or legal representative. Upon any such transfer of a Series 2015 A Bond, there will be issued another Series 2015 A Bond or Series 2015 A Bonds, at the option of the transferee, of the same aggregate principal amount, series, maturity and interest rate as said Series 2015 A Bond. If fewer than all of the Series 2015 A Bonds shall be called for optional redemption, the particular maturities of the Bonds to be redeemed shall be selected by the District in such manner, as it shall determine. So long as the Bonds are maintained under a book-entry system, the selection of individual ownership interests in the Bonds to be credited with any partial redemption shall be made as determined pursuant to the rules and regulations of DTC or its successor as the depository for the Series 2015 A Bonds.

Notice of Redemption

SECURITY FOR THE SERIES 2015 A BONDS

The Series 2015 A Bonds are special obligations of the District and are payable as to principal, premium, if any, and interest solely from the sources described below. The District is under no obligation to pay the Series 2015 A Bonds except from said sources.

Sources of Payment

The payment of the debt service on the Series 2015 A Bonds shall be secured forthwith equally and ratably by a lien on and pledge of the Net Revenues derived from the System on parity with the First Lien Bonds and senior and prior to the Second Lien Bonds, and the funds on deposit in the Series 2015 A Bonds Sinking Fund and the Series 2015 A Bonds Reserve Account, as more fully described below under "ANNUAL DEBT SERVICE REQUIREMENTS." Net Revenues derived from the System in an amount sufficient to pay the principal of, premium, if any, and interest on the Series 2015 A Bonds and to make the payments into the Series 2015 A Bonds Sinking Fund and all other payments provided for in the Resolution, and the funds in the Series 2015 A Bonds Sinking Fund and the Series 2015 A Bonds Reserve Account are irrevocably pledged to the payment of the principal of, premium, if any, and interest on the Series 2015 A Bonds as the same become due and for the other purposes provided in the Resolution.

Rate Covenant

The District has covenanted and agreed in the Resolution to establish and collect just and equitable rates and charges for the use of the System and the services rendered thereby as will produce for each fiscal year Net Revenues, as defined in the Resolution and hereinafter, equal to at least 120% of the maximum amount required in any year to pay the principal of and interest on the Series 2015 A Bonds and all other obligations secured by a lien on or payable from Net Revenues on parity with, or subordinate to the Series 2015 A Bonds, including the Prior Bonds.

For the fiscal year ended June 30, 2014, the District failed to meet the most strict Rate Covenant contained in the Prior Bonds. The covenant violation was primarily due to the delayed implementation of a rate increase to the middle of Fiscal Year 2014.

The District did meet all rate covenants for the Prior Bonds for the fiscal year ended June 30, 2013.

The District projects that Debt Service Coverage for the fiscal year ending June 30, 2015 will be at least 1.20.

Series 2015 A Bonds Reserve Account

The District has purchased a municipal bond debt service reserve insurance policy from Assured Guaranty Municipal Corp. In an amount equal to $796,347.18, which is equal to the least of (i) 10% of the original stated principal amount of the Series 2015 A Bonds; (ii) the maximum amount of principal and interest which will become due on the Series 2015 A Bonds in any year; or (iii) 125% of the average amount of principal and interest which will become due on the Series 2015 A Bonds. In the event funds in the Series 2015 A Bonds Sinking Fund are insufficient to pay the principal of and/or interest on the Series 2015 A Bonds, the Bond Commission shall withdraw sufficient amounts from the Surety Bond to make payments of principal of and/or interest on the Series 2015 A Bonds as the same become due.

The reimbursement obligation of the District under the Surety Bond will be secured by the Net Revenues derived from the System and the funds on deposit in the Renewal and Replacement Fund, provided however, that such lien will be subordinate to the payment of debt service to holders of the First Lien Bonds and the Series 2015 A Bonds.

Application of Revenues

The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt by the District in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Resolution and shall be kept separate and distinct from all other funds of the District and the Depository Bank and used only for the purposes and in the manner herein provided.

> (1) The District shall first each month pay from the Revenue Fund the Operating Expenses of the System.
>
> (2) The District shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) the amounts required by the Prior Resolutions to pay interest on the First Lien Bonds; and (ii) commencing 6 months prior to the first interest payment date on the Series 2015 A Bonds, for deposit in the Series 2015 A Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on the Series 2015 A Bonds on the next ensuing semiannual interest payment date; provided, that in the event the period to elapse between the date of such initial deposit in the Series 2015 A Bonds Sinking Fund and the next ensuing semiannual interest payment date is less than or greater than 6 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date; and, provided further that, the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2015 A Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 2015 A Bonds deposited therein and

subsequent amounts required to be transferred from the Revenue Fund and deposited in the Series 2015 A Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Series 2015 A Bonds Sinking Fund.

(3) The District shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) the amounts required by the Prior Resolutions to pay the principal of the First Lien Bonds; and (ii) commencing 12 months prior to the first principal payment date or mandatory Redemption Date of the Series 2015 A Bonds, for deposit in the Series 2015 A Bonds Sinking Fund, and in the Series 2015 A Bonds Redemption Account therein in the case of Term Bonds which are to be redeemed, a sum equal to 1/12th of the amount of principal which will mature or be redeemed and become due on the Series 2015 A Bonds on the next ensuing principal payment date or mandatory Redemption Date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2015 A Bonds Sinking Fund and the next ensuing annual principal payment date or mandatory Redemption Date is less than or greater than 12 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing annual principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and, provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2015 A Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph.

(4) The District shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the respective Reserve Accounts for the First Lien Bonds, the amounts required under the Prior Resolutions to be deposited therein in order to maintain the respective reserve requirements for the First Lien Bonds; and (ii) for deposit in the Series 2015 A Bonds Reserve Account, an amount sufficient to remedy any decrease in value of the Series 2015 A Bonds Reserve Account below the Series 2015 A Bonds Reserve Requirement or any withdrawal from the Series 2015 A Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2015 A Bonds Reserve Account results in a determination that the amount of monies and the value of the Qualified Investments deposited to the credit of the Series 2015 A Bonds Reserve Account is less than the Series 2015 A Bonds Reserve Requirement, or (b) any amount is withdrawn from the Series 2015 A Bonds Reserve Account for deposit into the Series 2015 A Bonds Sinking Fund. To the extent Net Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of monies on deposit in the Series 2015 A Bonds Reserve Account to an amount equal to the Series 2015 A Bonds Reserve Requirement to the full extent that such Net Revenues are available; provided, that no payments shall be required to be made into the Series 2015 A Bonds Reserve Account whenever and as long as the amount deposited therein shall be equal to the Series 2015 A Bonds Reserve Requirement.

(5) The District shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund, a sum equal to 2 1/2% of the Gross Revenues each month (as previously set forth in the Prior Resolutions and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the District or of the Depository Bank and shall be invested and reinvested in accordance with Article V hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) The District shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Bond Commission for deposit in the Sinking Fund for the Second Lien Bonds the amount required under the Prior Resolutions to pay principal of the Second Lien Bonds.

(7) The District shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Bond Commission for deposit in the Reserve Account for the Second Lien Bonds the amount required under the Prior Resolutions.

Enforcement of Collections

The District covenants in the Resolution to diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System and take all steps, actions and proceedings for the enforcement and collection of such fees, rates, rentals and other charges that shall become delinquent to the full extent permitted or authorized by the Act, or otherwise by the laws of the State. The District further covenants and agrees in the Resolution that it will, subject to applicable State law and regulations, and under such reasonable rules and regulations as may be prescribed by the District, discontinue water services to all delinquent users, until such delinquent amounts, plus reasonable interest and penalty charges thereon, have been fully paid.

Additional Parity Bonds

No such Additional Parity Bonds (as hereinafter defined) shall be issued except for the purposes of financing the costs of the design, acquisition and construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds or Additional Parity Bonds, or to pay claims which may exist against the revenues or facilities of the System or all of such purposes.

So long as the Series 2015 A Bonds are Outstanding, no such Additional Parity Bonds shall be issued at any time, however, unless and until there has been procured a written statement by an Independent Certified Public Accountant, reciting the conclusion that the Net Revenues actually derived from the System during any 12 consecutive months within the 18

months immediately preceding the date of the actual issuance of such Additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 2 Fiscal Years immediately following the Fiscal Year in which such Additional Parity Bonds are issued, if any, shall not be less than 120% of the Maximum Annual Debt Service on the following:

(1) The Bonds then Outstanding;

(2) Any Additional Parity Bonds theretofore issued pursuant to the provisions contained in the Prior Resolutions and the Resolution then Outstanding; and

(3) The Additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues" as that term is used in the computation provided in the above paragraph, shall include increased Net Revenues estimated to be derived from the improvements to be financed by such Additional Parity Bonds, if any, and any change in rates enacted by the District, the time for appeal of which shall have expired (without successful appeal) or such rates have been approved by the Public Service Commission of West Virginia (without successful appeal), prior to the date of delivery of such Additional Parity Bonds, whether or not such approved rates are being charged and collected by the District.

The term "Additional Parity Bonds," as used in this section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this section, payable from the Net Revenues of the System on a parity with the Bonds. All covenants and other provisions of this Ordinance (except as to details of such Additional Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Additional Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The District shall comply fully with all the increased payments into the various funds and accounts created by the Resolution required for and on account of such Additional Parity Bonds, in addition to the payments required for the Bonds theretofore issued pursuant to the Resolution.

Additional Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The District shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to the lien on and source of and security for payment from such revenues, with the Bonds.

No Additional Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in the Resolution and the Prior Resolutions with respect to the Bonds then Outstanding, and any other payments provided for in this Resolution and the Prior Resolutions, shall have been made in full as required to the date of issuance of such Additional Parity Bonds, and the District shall then be in full compliance with all the covenants, agreements and terms of the Resolution and the Prior Resolutions.

Provided, however, that if the audit by an Independent Certified Public Accountant for the District for the Fiscal Year immediately preceeding the proposed issuance of Additional Parity Bonds states that the District was not in compliance with the rate covenant in Section 6.04 of the Resolution for the year being audited and the District has, as required by Section 6.04 of the Resolution, enacted a rate ordinance seeking a rate increase sufficient to comply with Section 6.04 of the Resolution, such statement in the most recent audit shall not be considered a violation of the covenants, agreements and terms of the Resolution, so as to prevent the District from issuing Additional Parity Bonds under the Resolution.

THE DISTRICT AND THE SYSTEM

The District was created by The County Commission of Berkeley County (the "County Commission") in 1954 to provide water service to designated unincorporated areas of Berkeley County. In 2000, the County Commission merged Hedgesville Public Service District and Opequon Public Service District into the District. The merger expanded the District's service area to include the entire County, except several small local private systems and the City of Martinsburg. Such merger was approved by the Public Service Commission in 2001. The District conducts business under the name "Berkeley County Public Service Water District."

The District currently has a capacity to pump 9,014,000 gallons of water per day. The average daily usage from all sources as of June 30, 2014 is 4,870,000 gallons per day, leaving 4,144,000 gallons of unused capacity. The District uses three water treatment processes: diatomaceous earth filtration (Bunker Hill Plant), up flow clarification with filtration (Hedgesville Plant) and conventional treatment with membrane filtration (Potomac River Plant).

The District's water supply is provided by the Potomac River, LeFever and Ben Speck Springs and Potomac Station, Baker Lakes, Springdale, Morning Dove and Glenwood Forest Wells. The Potomac River, pursuant to a permit from the State of Maryland, yields on average 2,570,000 gallons daily with a maximum of 4,000,000 gallons per day. The various springs and wells have a combined maximum daily production level of 5,594,000 gallons, bringing the maximum gallons available daily to 9,594,000 as depicted below:

Water Source	Maximum Gallons Yielded Daily	Percentage
Potomac River	4,000,000	41.7%

System Budget and Expenditure

An operating budget is prepared annually by the Executive Director and is required by the Act to be submitted to the Board no later than 45 days before the new fiscal year begins. The budget is compared to actual year-to-date revenues and expenditures monthly.

Method of Accounting

The District maintains its accounts on an accrual basis and prepares its financial statements in accordance with generally accepted accounting principles. Decker & Company PLLC, Certified Public Accounting, Martinsburg, West Virginia, audited the records of the District for the fiscal year ended June 30, 2014 (See "Appendix B - Audited Financial Statement for Fiscal Year Ended June 30, 2014.")

Retirement System

All full-time employees of the District are covered by the West Virginia Public Employees Retirement System ("PERS").

All full-time employees are eligible and must participate in the State PERS. The pension plan provides pension benefits, deferred allowances, and death and disability benefits. A member may retire after reaching the age of 60 and accumulating 5 years of credited service in force. Benefits generally vest in varying degrees once a member attains 5 or more years of credited service in force. Employees who retire at age 60 with 5 or more years of credited service in force are entitled to pension payments for the rest of their lives equal to 2% of their highest three-year average salary in the past 10 years times the number of years for which they were employed as a participant in the State PERS.

Pension provisions include annuity options to provide benefits to a member's nominated beneficiary if so elected. In addition, disability retirement is provided for members who meet certain requirements as specified in the Act. The District's covered payroll amounted to $2,097,238, for the year ended June 30, 2014.

Employees of the District are required to pay 4.5% of their gross earnings to the pension plan. In year ended June 30, 2014, the District made an annual contribution to the plan equal to 13.8% of its covered payroll. Total contributions made during the fiscal year ended June 30, 2014 Amounted to $384,014, of which $90,762 was made by employees. Information regarding the plan is available from the State.

Other Post Employment Benefits

Effective July 1, 2010, the District adopted the provisions of GASB Statement No. 45, "Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions." GASB Statement 45 does not mandate the prefunding of postemployment benefits liability. The District currently funds these benefits on a pay-as-you-go basis. No assets have been segregated and restricted to provide postemployment benefits.

Please see the discussion of the District's obligations related to Other Post Employment Benefits contained in Appendix B – Audited Financial Statement for the Fiscal Year Ended June 30, 2014.

INVESTMENT CONSIDERATIONS

Net Revenue Pledge

The Series 2015 A Bonds are secured solely by the Net Revenues of the System on a parity with the First Lien Bonds and senior and prior to the Second Lien Bonds. There can be no guarantee that current rates of the System will always produce revenue sufficient to pay the debt service on the Series 2015 A Bonds. The District has covenanted in the Resolution to raise the rates of the System if the Net Revenues of the System are not sufficient to provide 120% coverage of the maximum annual debt service of the Series 2015 A Bonds and all bonds issued on a parity with, or subordinate to, the Series 2015 A Bonds, including the Prior Bonds. Any rate increase proposed by the District must first be approved by the Public Service Commission of West Virginia (the "Commission"). Further discussion of rate review by the Commission is set forth below.

Future Legislation

Current or future legislative proposals, if enacted into law, may cause interest on the Series 2015 A Bonds to be subject, directly or indirectly, to federal income taxation or otherwise prevent holders of the Bonds from realizing the full current benefit of the tax status of such interest. For example, both the American Jobs Act of 2011, introduced by President Obama on September 12, 2011 (the "Jobs Act"), and the federal budget for fiscal year 2013, proposed by President Obama on February 13, 2012 (the "2013 Proposed Budget"), would have, for tax years beginning on or after January 1, 2013, limited the exclusion from gross income of interest on obligations like the Series 2015 A Bonds to some extent for taxpayers who are individuals and whose income is subject to higher marginal income tax rates. The introduction or enactment of any similar legislative proposals may also affect the market price for, or marketability of, the Series 2015 A Bonds. Prospective purchasers of the Series 2015 A Bonds should consult their own tax advisors regarding any such pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

It is not an event of default on the Series 2015 A Bonds if legislation is enacted reducing or eliminating the exclusion of interest on state and local government bonds from gross income for federal income tax purposes.

The Public Service Commission of West Virginia

In West Virginia, public service districts are subject to regulatory oversight by the Commission. Pursuant to Chapter 16, Article 13A of the West Virginia Code, public service districts must seek Commission approval for most actions. Moreover, pursuant to West Virginia Code Section 24-2-11, for projects that are outside of "the usual course of business," all utilities, including public service districts, must obtain a certificate of public convenience and necessity prior to proceeding to construction. As well, public service districts need Commission approval prior to any increased rates. Accordingly, public service districts in West Virginia do not have the ability to adjust rates without prior Commission approval. Such regulatory approval process may delay the implementation of rate increases, which could cause the District to fail to meet rate covenants.

The Commission has two levels of review. Most cases are initially assigned to an administrative law judge ("ALJ") for decision. The Commission employs a "staff" comprised of

engineers, lawyers, and financial analysts (the "Staff") to review cases and make recommendations. The District is also permitted to make recommendations, as are other parties who are granted "intervenor" status. The ALJ may conduct an evidentiary hearing, at which evidence is presented and witnesses for all parties may be cross-examined, after which a recommended decision is issued. Any party to the underlying proceeding, including a party granted intervenor status, may take exception to the recommended decision of the ALJ, in which case the matter is referred to the full Commission for decision.

The Commission is comprised of three individuals appointed by the Governor, and confirmed by the State Senate, for staggered six-year terms. West Virginia Code Section 24-1-3 provides that one of the Commissioners must be a lawyer licensed in West Virginia. The current composition of the Commission may be found at http://www.psc.state.wv.us/Bios/default.htm. The Commission also employs lawyers and financial analysts who work specifically for the Commission, and are distinctly separate from the Staff.

Commission Regulatory Oversight of Rate Increases

Pursuant to West Virginia Code Sections 24-2-1, 24-2-2, 24-2-3 and 24-2-4a the District must make a filing with the Commission to increase rates. This can be done one of two ways. One option is for the District to file with the Commission a proposed tariff that includes increased rates. Prior to filing a tariff with increased rates, West Virginia Code Section 24-2-3a requires the District to provide the Commission with 30 days notice of its intent to file the same. After expiration of the 30-day notice of intent period, the District may file a proposed tariff with the Commission that includes increased rates. Pursuant to West Virginia Code Section 24-2-4a, the District's proposed tariff can take effect no sooner than 30 days after the proposed tariff is filed. However, West Virginia Code Section 24-2-4a also provides that the Commission may suspend the proposed tariff prior to its effective date. In most instances, the Commission will not allow the proposed tariff to take effect and it will enter an order suspending the tariff. Depending on the size of the utility, the suspension period can range from a minimum of 120 days to a maximum of 270 days. The suspension period for the District is 270 days.

Pursuant to legislation enacted in 2014, another option is for the District to file a tariff with the Commission that places increased rates into effect on the date of filing if the rate increase results in an increase of less than 25% of the gross revenue of the District, provided, however, that revenues collected from rates put into effect upon filing may be subject to refund if the rates are subsequently disapproved or modified by the Commission or presiding ALJ. Before making such a filing, this option also requires the District to provide the Commission with 30 days notice of its intent to increase rates. If the rates approved by the Commission or the presiding ALJ are less than the rates the District placed into effect upon filing, the District can provide the refund to customers by billing credit for a period of six months. After six months, the District must refund the amount to customers by check. Since rates pursuant to this option are placed into effect upon filing, there is no suspension period. Despite the lack of a suspension period, the Commission usually imposes a case processing timeframe similar to the suspension period applicable to the utility under the first option discussed above. Thus, if the District makes a tariff filing that places rates into effect upon filing, the Commission is likely to apply a 270 day case processing timeframe.

Once a tariff filing is made under either option discussed above, the Commission or the presiding ALJ will establish a procedural schedule. This schedule will include a due date for Staff to file its financial analysis and recommended rates. The schedule may also include a due date for

written testimony (direct and rebuttal) to be filed by the District, Staff, and any intervenors. If there is a disagreement among the parties regarding any issue in the case, the Commission or the presiding ALJ will usually set the matter for hearing. After the hearing, the parties may submit briefs in support of their position(s). Ultimately, the Commission or presiding ALJ will issue a decision prior to the end of the applicable suspension period that establishes the District's new rates.

Potential Delays in Effective Date of Rates

Under the first option discussed above, at a minimum, the amount of time required to obtain Commission approval of increased rates is 30 days. In reality, however, the District is not likely to realize increased revenues for at least 8 months after determining a rate increase is necessary. At the end of each fiscal year, the District must close its books, determine if a rate increase is required and, if so, prepare a financial exhibit to support the proposed increased rates. The District is required to file a notice of intent to raise rates, which tariff the Commission generally suspends and then has up to 270 days to render a decision. Finally, from the date the new rates begin to be charged, the District will not begin collecting increased revenues for approximately 45 to 60 days. The foregoing creates a situation whereby the increased rates for the District may not be timely and may be inadequate on the date they go into effect.

While the second option discussed above does allow the District to place rates into effect immediately upon filing for rate increases that result in less than a 25% increase in the utility's gross revenue, the Commission is likely to apply a 270-day case processing timeframe. Given this long timeframe along with the fact that the rates are subject to refund, the District may encounter a significant refund obligation at the end of the case.

A final decision of the Commission may be appealed to the Supreme Court of Appeals of West Virginia, which court has no statutory time frame within which to render a decision. While a party does have the right to appeal a Commission decision, the Supreme Court of Appeals of West Virginia has "'previously held, in deference to the Commission's expertise, that the Court will not substitute [its] judgment for that of the Commission on controverted evidence. However, findings of fact made by the Commission will be overturned as clearly wrong when there is no substantial evidence to support them.'" *Berkeley Utils., Inc. v. Pub. Serv. Comm'n of W. Va.*, 227 W. Va. 589, 595, 712 S.E.2d 498, 504 (2011) (quoting *Chesapeake and Potomac Tel. Co. of W. Va. v. Pub. Serv. Comm'n of W. Va.*, 171 W. Va. 494, 498, 300 S.E.2d 607, 611 (1982)). In other words, the court gives significant deference to decisions of the Commission. Commission-approved rates may be charged (provided that the applicable suspension period has ended) during an appeal to the Supreme Court of Appeals of West Virginia. If the appealing party prevails and new rates are established by the court, the new rates apply prospectively.

Resale customers are required to obtain authorization from the Commission for any necessary increase in resale rates. Traditionally, such increases are sought by resale customers after the rates for the selling utility go into effect, which means no assurance exists that resale customers will have sufficient rates to begin paying the increased resale rates as of the effective date. As a result, resale customers may not be in a position to begin charging the new resale rates as soon as the rates go into effect, which ultimately affects the ability of resale customers to remain current with the selling utility.

Test Year

To support proposed increased rates, the regulations of the Commission require the District to file "financial justification" for the proposed increased rates. This financial justification must be based on financial data from the most recent actual audited or finally closed 12-month period ending on a calendar quarter, also known as a "test year." Events that occur outside the test year are not generally permitted in the rate adjustment. Thus, a determination at the end of any 12-month period that a rate increase is necessary may not result in increased rates and collections for eight months or more from the end of that period.

Reliance on "Known and Measurable" Adjustments

When considering adjustments to the rates of a utility for costs occurring during the test year, the Commission's regulations require that the need for, and amount of, such adjustments be based on information that is "known and measurable." As a result, a change in revenues or expenses must, in most cases, have occurred in the test year being analyzed. If an increase in a cost, or a decline in revenue, is anticipated for the coming year, the Commission generally will not take such change into account for ratemaking purposes. By way of example, even if a utility can demonstrate a consistent year-over-year drop in customers, the Commission generally will not allow rates to include consideration of continuing declines in revenue because the anticipated decline is not "known and measurable."

As a result of the requirement that the support for adjustments be "known and measurable," the Commission will generally not allow multi-year rate increases to address anticipated inflation or drops in customer usage. As a result, the District must file a tariff with proposed increased rates whenever increased costs or decreased revenues necessitate a rate increase.

Emergency Rate Increase

West Virginia Code Section 24-2-4a permits the District to request "emergency rates" if it is in "financial distress." Financial distress has been defined by the Commission to mean the utility is unable to pay operation and maintenance expenses and the principal and interest on the utility's debt obligations. Such rates, however, are subject to refund, in the event the Commission determines that the emergency rates, or any portion thereof, are not warranted. Generally, emergency rates CANNOT be obtained to meet coverage requirements in bond documents.

Treatment of Renewal and Replacement Funds

Funding agencies in West Virginia, as well as most public market bond issues for public water and sewer utilities, require public service districts, pursuant to the terms of their outstanding bonds, to deposit 2.5% of gross revenues in a "Renewal and Replacement Fund" or "Depreciation Account" each month. The purpose of this account is to provide monies for capital repairs and improvements, to construct extensions, and to make up the deficiencies in reserve funds. In recent years, the Commission has taken the position that while the deposits should be made into the account each month, such deposits are to be included in the calculation of the District's funds available for capital additions for the fiscal year. The Commission generally calculates funds available for capital additions by averaging capital additions for the last five years; provided, however, the Commission will consider a different calculation if the utility can demonstrate the need for a higher capital requirement. As a result, the District is not permitted to accumulate funds

to be used for unforeseen capital repairs and replacements, for needed extensions, or to replenish draws from the reserve funds as the account is to be utilized each year as part of the ongoing capital expenditures for the system. The District's inability to maintain funds for emergencies increases the likelihood of the District utilizing current revenues to pay for emergency repairs leaving insufficient funds to pay debt service on the Bonds.

SUMMARY OF CERTAIN PROVISIONS OF THE RESOLUTION

The following is a summary of certain provisions of the Resolution. The summary does not purport to be a comprehensive statement of the terms and provisions thereof, for which reference is made to the complete text of the Resolution, copies of which may be obtained from the Issuer. See Appendix E "FORM OF THE BOND AUTHORIZING RESOLUTION" herein.

Application of System Revenues

The Gross Revenues derived from the operation of the System and all parts thereof are to be deposited in the Revenue Fund established with the Depository Bank and used only for the System.

Investments

The District shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any monies held as a part of the funds and accounts created by the Resolution in Qualified Investments to the fullest extent possible under applicable laws, the Resolution, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The District shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The District may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section:

(A) Qualified Investments acquired for the Series 2015 A Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The District shall, or shall cause the Bond Commission to annually transfer from the Series 2015 A Bonds Reserve Account to the Series 2015 A Bonds Sinking Fund, any earnings on the monies deposited therein and any other funds in excess of the requirement therefor; provided, however, that there shall at all times

remain on deposit in the Series 2015 A Bonds Reserve Account an amount at least equal to the Series 2015 A Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2015 A Bonds Reserve Account, whereupon such account shall be valued immediately after such withdrawal.

(D) All amounts representing accrued and capitalized interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 2015 A Bonds and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all monies deposited in the Series 2015 A Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Board of Treasury Investments pursuant to Chapter 12, Article 6C of the West Virginia Code of 1931, as amended.

General Covenants

Enforcement of Collections. The District has covenanted to diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System and to take all steps, actions and proceedings for the enforcement and collection of such fees, rates, rentals or other charges that become delinquent to the full extent permitted or authorized by State law. The District will shut off and discontinue the supplying of water service for the nonpayment of the rates or charges for said water service to the full extent permitted or authorized by State law.

Operation and Maintenance. The District will operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

Sale of the System. So long as the Prior Bonds are outstanding, the District shall not sell, mortgage, lease or otherwise dispose of or encumber the System except as provided in the Prior Resolutions. Additionally, so long as the Series 2015 A Bonds are Outstanding, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, or to defease the pledge created by the Resolution and the Prior Resolutions. The proceeds from such sale, mortgage, lease or other disposition of the System shall be immediately remitted to the Commission for deposit in the respective Sinking Funds, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the District by the Commission unless necessary for the payment of other obligations of the District payable out of the revenues of the System.

The foregoing provision notwithstanding, the District shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such

property, if the amount to be received therefor is not in excess of $500,000, the District may provide for the sale of such property. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $500,000 but not in excess of $5,000,000 the District, by resolution duly adopted, shall determine that the property is no longer necessary, useful or profitable in the operation of the System and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition off such property which are less than $500,000 may be deposited in the Revenue Fund or the Renewal and Replacement Fund, at the sole discretion of the District. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $500,000 and not in excess of $5,000,000, shall be deposited by the District into Sinking Funds for the First Lien Bonds, pro rata, or the Renewal and Replacement Fund, at the sole discretion of the District. Such payment of such proceeds into the Sinking Funds for the First Lien Bonds or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of the Resolution.

No sale, lease or other disposition of the properties of the System shall be made by the District if the proceeds to be derived therefrom, shall be in excess of $5,000,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of over 50% of the par amount of the Bonds then Outstanding. The District shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The District shall not issue any other obligations whatsoever payable from the revenues of the System, which rank prior to, or equally, as to lien on and source of and security for payment from the revenues with the Series 2015 A Bonds, provided that additional bonds on parity with the Series 2015 A Bonds and the First Lien Bonds may be issued as provided in the Resolution. See "SECURITY FOR THE SERIES 2015 A BONDS--Additional Parity Bonds." All obligations issued by the District payable from the revenues of the System, except such Additional Parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from Revenues and in all other respects, to the Series 2015 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the District shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to Additional Parity Bonds, being on parity with the lien of the Series 2015 A Bonds, and the interest thereon, if any, upon any of the income and revenues of the System pledged for payment of the Series 2015 A Bonds and the interest thereon in the Resolution, or upon the System or any part thereof.

Insurance. The District has covenanted and agreed, that so long as the Series 2015 A Bonds remain Outstanding, the District will, as an Operating Expense, procure, carry and maintain insurance and bonds and workers' compensation coverage with a reputable insurance carrier or carriers or bonding company or companies covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the District will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged and destroyed properties or for the other purposes provided in the Resolution for the Renewal and Replacement Fund.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the District from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the District from claims arising out of operation or ownership of motor vehicles of or for the System.

C. WORKERS' COMPENSATION COVERAGE for all employees of or for the System eligible therefor.

D. FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the District.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the District.

F. FIDELITY BONDS will be provided as to every officer and employee of the District having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

No Free Services. The District will not render or cause to be rendered any free services of any nature by its System, nor will any preferential rates be established for users of the same class; and, in the event the District or any department, agency, instrumentality, officer or employee of the District shall avail himself of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the District and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from the operation of the System.

No Competing Franchise. To the extent legally allowable, the District will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Restrictions as to Arbitrage Bonds. The District covenants that (i) it will restrict the use of the proceeds of the Series 2015 A Bonds in such manner and to such extent as may be necessary, so that the Series 2015 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2015 A Bonds) so that the interest on the Series 2015 A Bonds will be and

remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Operating Budget. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, or at such earlier date, prepare and adopt by resolution a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year.

Amendment. The Resolution and any Supplemental Resolution may be amended or modified without the consent of any Registered Owner or other person, solely for the purpose of maintaining the tax-exempt status of the Series 2015 A Bonds. Otherwise, no materially adverse amendment or modification to this Resolution, or any Supplemental Resolution, may be made without the written consent of the Registered Owners of at least 51% in aggregate principal amount of the Series 2015 A Bonds then Outstanding and affected thereby, which must be filed with the Secretary of the Issuer before any such modification or amendment may be made. Not withstanding the foregoing provision, no such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Series 2015 A Bond without the express written consent of the Registered Owner of such Bond, nor reduce the percentage of Series 2015 A Bonds required for consent to any such modification or amendment.

Defeasance. If the District shall pay or cause to be paid, or there shall otherwise be paid, to the respective Holders of all Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in the Resolution, then the Resolution and the pledges of the Net Revenues and other monies and securities pledged thereunder, and all covenants, agreements and other obligations of the District on behalf of the Holders of the Bonds made thereunder, shall thereupon cease, terminate and become void and be discharged and satisfied, except as may be necessary to assure the exclusion of interest on the Series 2015 A Bonds from gross income for federal income tax purposes.

The Series 2015 A Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on the Series 2015 A Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2015 A Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on the Series 2015 A Bonds on and prior to the maturity date thereof, or if the District irrevocably determines to redeem any of the Series 2015 A Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Series 2015 A Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such

securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on the Series 2015 A Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the District as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations.

Default and Remedies

Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2015 A Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on the Series 2015 A Bonds;

(B) If default occurs in the District's observance of any of the covenants, agreements or conditions on its part in the Resolution or any Supplemental Resolution or in the Series 2015 A Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by any Bondholder;

(C) If the District files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds or the Prior Resolutions.

Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the District to perform its duties under the Act and the Resolution;

(C) Bring suit upon the Series 2015 A Bonds;

(D) By action at law or bill in equity require the District to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of the Resolution or the rights of the Bondholders.

No remedy by the terms of this Resolution conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute. All rights and remedies of the Holders of the Series 2015 A Bonds shall be on a parity with one another and also on parity with those of the Holders of the First Lien Bonds, and senior and prior to those of the Holders of the Second Lien Bonds.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the District, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Series 2015 A Bonds and the Prior Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of the Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the District exercise all the rights and powers of the District with respect to said facilities as the District itself might do.

Whenever all that is due upon the Series 2015 A Bonds and the Prior Bonds issued pursuant to the Resolution and interest thereon and under any covenants of the Resolution for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of the Resolution shall have been cured and made good, possession of the System shall be surrendered to the District upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers herein above conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the District and for the joint protection and benefit of the District and the Holders of the Bonds issued pursuant to the Resolution. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the District and the Bondholders, and the curing and making good of any default under the provisions of the Resolution, and the title to and ownership of said System shall remain in the District, and no court shall have any jurisdiction to

enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

TAX MATTERS

General

In the opinion of Steptoe & Johnson PLLC, Bond Counsel, under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2015 A Bonds [(including original issue discount properly allocable to holders of the Series 2015 A Bonds)] (i) is excludable from gross income of the holders thereof for Federal income tax purposes, assuming compliance with certain provisions described herein pertaining to the Internal Revenue Code of 1986, as amended (the "Code"), (ii) is not a specific item of tax preference, under Section 57(a)(5) of the Code, in computing the federal alternative minimum tax imposed on individuals and corporations. It should be noted, however, that interest on the Series 2015 A Bonds is included as an adjustment to current earnings for purposes of computing the alternative minimum tax that may be imposed with respect to certain corporations for federal income tax purposes. In addition, under the laws of the State of West Virginia, the Series 2015 A Bonds are exempt from taxation by the State of West Virginia and the other taxing bodies of the State.

The opinions described in this section are subject to the condition that the District comply on a continuing basis with all requirements of the Code, and regulations thereunder that must be satisfied in order for interest thereon to be or continue to be excluded from gross income for federal income tax purposes. The District has covenanted to comply with each such requirement. Failure to comply with certain of such requirements could cause the interest on the Series 2015 A Bonds to be included in the gross income of the recipients thereof for purposes of federal income taxation retroactively to the date of issuance of the Series 2015 A Bonds.

The accrual or receipt of the interest on the Series 2015 A Bonds may otherwise affect the federal income tax liability of certain recipients. The extent of these and other consequences will depend upon the recipient's particular tax status or other items of income or deductions. Bond Counsel expresses no opinion regarding any such consequences, and investors should consult their tax advisors regarding the tax consequences of purchasing or holding the Bonds.

Series 2015 A Bonds Qualified Tax-Exempt Obligations

The Bonds to be Refunded were designated in 2006 as "qualified tax exempt obligations" for purposes of Section 265(b)(3) of the Code. As such, the portion of the Series 2015 A Bonds which does not exceed the outstanding principal amount of the Bonds to be Refunded are not taken into account in 2015 for purposes of Section 265(b)(3) and are deemed designated as "qualified tax exempt obligations. The District has designated the remaining portion of the Series 2015 A Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3)(B) of the Code. The Series 2015 A Bonds do not constitute private activity bonds as defined in Section 141 of the Code, and not more than $10,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income tax purposes (excluding, however, obligations described in Section 265(b)(3)(C)(ii) of the Code), including the Series 2015 A Bonds, have been or shall be issued by the District, including all subordinate entities of the District, during the calendar year 2015.

Original Issue Discount

The original issue discount in the selling price of the Series 2015 A Bonds maturing on December 1, 2032 through December 1, 2036 (the "Discount Bonds"), to the extent properly allocable to each owner of such Discount Bonds, is excluded from gross income for federal income tax purposes with respect to such owner. The original issue discount is the excess of the stated redemption price at maturity of such Discount Bond over its initial offering price to the public, excluding underwriters and other intermediaries, at which price a substantial amount of the Discount Bonds of such maturity were sold.

Under Sections 1288 and 1272 of the Code, original issue discount on tax-exempt bonds is the sum of the daily portions of the original issue discount for each day during the taxable year of the holder of a Discount Bond. The amount of original issue discount that accrues to an owner of a Discount Bond during any accrual period generally equals (i) the issue price of such Discount Bond plus the amount of original issue discount accrued in all prior accrual periods, multiplied by (ii) the yield to maturity of such Discount Bond (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period), minus (iii) any interest payable on such Discount Bond during such accrual period. The amount of original issue discount so accrued in a particular accrual period will be considered to be received ratably on each day of the accrual period, will be excludable from gross income for federal income tax purposes, and will increase the owner's tax basis in such Discount Bond.

Purchasers of any Discount Bond at any original issue discount should consult their tax advisors regarding the determination and treatment of original issue discount for federal income tax purposes, and with respect to state and local tax consequences of owning such Discount Bonds.

Amortizable Bond Premium

The Series 2015 A Bonds maturing on December 1, 2015 through December 1, 2030, ("Premium Bonds"), will be sold with an amortizable bond premium ("Premium"). The original issue premium will be equal to the excess of a holder's tax basis in the Premium Bonds over the amount payable at maturity, or in the case of Premium Bonds subject to redemption, the amount payable on the redemption date. Under current law, the amortizable premium for Premium Bonds must be amortized on an annual basis by the holder thereof. The amount of amortizable premium amortized each year will not be deductible for federal income tax purposes. Further, Section 1016 of the Code requires that the amount of annual amortization for the Premium Bonds be deducted from the holder's tax basis in such Premium Bonds. This reduction in a holder's tax basis will affect the amount of capital gain or loss to be recognized by the holder if the Premium Bonds are sold or redeemed prior to their maturity or scheduled redemption date. Owners of OIP Bonds should consult their tax advisors with respect to the determination and treatment of amortizable bond premium for federal income tax purposes, and with respect to the state and local tax consequences of owning such Premium Bonds.

APPROVAL OF LEGALITY

Legal matters incident to the authorization, sale and issuance of the Bonds are subject to the unqualified approving opinion of Steptoe & Johnson PLLC, Charleston, West Virginia, Bond Counsel. Hoy Shingleton, Jr., Esquire, Martinsburg, West Virginia, Counsel for the District, will pass upon certain legal matters for the District, including proceedings regarding the Public Service Commission of West Virginia. Steptoe & Johnson PLLC, Charleston, West Virginia, as

Disclosure Counsel, will pass on certain legal matters for the District.

ABSENCE OF MATERIAL LITIGATION

There is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any court, public board or body, now pending or, to the best knowledge of the District, threatened or affecting the District (or, to the District's knowledge, any basis therefor) wherein an unfavorable decision, ruling or finding would have a material adverse affect on the District's financial position or on the validity of the Series 2015 A Bonds, the Resolution or any agreement to which the District is a party and which is a part of the issuance of the Series 2015 A Bonds.

NEGOTIABLE INSTRUMENTS

Pursuant to State law, the Bonds are and have all the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia. See "THE BONDS - General."

The District has obtained the consent of Decker & Company PLLC, Certified Public Accountants to publish the audited financial statements with this Official Statement.

CONTINUING DISCLOSURE

The District has covenanted for the benefit of the Owners of the Bonds, in accordance with the Continuing Disclosure Agreement which shall be delivered in substantially the form attached hereto as APPENDIX D, to provide financial information not later than two hundred seventy (270) days following the end of the District's fiscal year, commencing with the report for the fiscal year ended June 30, 2014, and to provide notice of the occurrence of the enumerated events listed therein. The Annual Information and each notice of enumerated events will be filed electronically by United Bank, Inc., Charleston, West Virginia, as dissemination agent, on behalf of the District, with the Electronic Municipal Markets Access system ("EMMA").

This continuing disclosure obligation is being undertaken to comply with Rule 15c2-12 (the "Rule") promulgated by the Securities Exchange Commission. The District has agreed to give notice in a timely manner to EMMA of any failure to supply the required information. However, any such failure will not constitute a default under the terms of the Bonds. Under the Continuing Disclosure Agreement, the sole remedy for such failure is to seek an order for specific performance. SEE "APPENDIX D – FORM OF CONTINUING DISCLOSURE AGREEMENT." Registered Owners may contact the District's Executive Director at 251 Caperton Boulevard,

Martinsburg, West Virginia 25403, (304) 267 - 4600, for more information.

The District has ten series of outstanding bonds which are subject to "undertakings" for continuing disclosure under the Rule: the Series 2003 A Bonds, Series 2003 B Bonds, Series 2007 Bonds, Series 2008 Bonds, Series 2009 Bonds, Series 2012 A Bonds, Series 2012 B Bonds, Series 2013 A Bonds, Series 2013 B Bonds and Series 2015 A Bonds. The District failed to timely file audited financial statements for each of the aforementioned bond issues for the fiscal years ended June 30, 2010 and June 30, 2011, neither of which was filed until October 30, 2012. The audited financial statements for the fiscal years end June 30, 2012, June 30, 2013 and June 30, 2014 were timely filed.

The District failed to provide certain annual operating data required by the undertakings required by certain of the Prior Bonds for the fiscal years ended June 30, 2010, June 30, 2011, June 30, 2012, June 30, 2013 and June 30, 2014. The District included the required financial information for its fiscal year ended June 30, 2013 pursuant to its Official Statement with respect to the Series 2013 A Bonds and Series 2013 B Bonds filed with EMMA on December 6, 2013. The District filed its annual operating data with respect to its fiscal years ending June 30, 2012 and June 30, 2013 with EMMA on December 6, 2013, which was not timely pursuant to the requirements of its prior undertakings pursuant to the Rule. The District has filed annual operating data with respect to its Fiscal Years ending in June 30, 2010 or June 30, 2011. The District filed the annual operating data for the fiscal year ended June 30, 2014 on January 26, 2015. The District failed to file a material event notice with EMMA regarding the failure to file the aforementioned annual operating data until January 28, 2015.

The District failed to timely file material event notices related to the downgrade of Assured Guaranty Municipal Corp. by various ratings agencies, although the District has made such filings with EMMA subsequent to the filing period required by the Rule and its prior undertakings.

The District failed to timely file notice of the downgrade of its underlying rating by Moody's Investors Service Inc. on November 20, 2012. The District has filed a material event notice with EMMA regarding the downgrade of the District by Moody's, although such filing was made subsequent to the period of time required by the Rule and its prior undertakings.

The District had not, historically, employed a third party dissemination agent until United Bank, Inc. was hired by the District as dissemination agent in connection with the issuance of its Series 2013 A Bonds and Series 2013 B Bonds. It is anticipated that the hiring by the District of United Bank, Inc. as dissemination agent should serve to facilitate timely filings by the District with EMMA pursuant to the Rule and avoid the need in the future for corrective actions.

RATING

Standard & Poor's Rating Services ("S&P") and Moody's Investor Services ("Moody's") are expected to assign ratings of "AA" (stable outlook) and "A2" (stable outlook) upon delivery of the Policy by AGM at closing with respect to the Series 2015 A Bonds. Moody's has assigned an underlying rating of "A3" to the Series 2015 A Bonds. Each such rating reflects only the views of such organization, and reference is made to such organization for the meaning of such rating. There is no assurance that any such rating will continue for any period of time or that any such rating will not be revised downward or withdrawn entirely by the assigning rating agency, if in the judgment of such rating agency, circumstances so warrant. Any downward revision or withdrawal of any such rating may have an adverse effect upon the market price or value of the Series 2015 A

Bonds.

Except as provided under "CONTINUING DISCLOSURE" herein, the District has not undertaken any responsibility to take any action with respect to possible changes in such rating or to bring any such changes to the attention of the Bondholders.

INDEPENDENT AUDITORS' REPORT ON FINANCIAL STATEMENTS AND SUPPLEMENTAL INFORMATION

The Members of the Public Service Board
Berkeley County Public Service District

We have audited the accompanying financial statements of the business-type activities, of Berkeley County Public Service District ("District"), as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents. The District's financial statements for the year ended June 30, 2013 were audited by other auditors whose report dated September 24, 2013 expressed an unqualified opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the business-type activities, of the Berkeley County Public Service District as of June 30, 2014 and 2013, and the changes in financial position and cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, schedule of funding progress and budgetary comparison information on pages 5-11 and 34-36 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Berkeley County Public Service District's basic financial statements. The supplemental information on page 38 is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The supplemental schedules of operating expenses are responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, this supplemental information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Other Reporting Required by *Governmental Auditing Standards*

In accordance with *Government Auditing Standards,* we have also issued our report dated September 16, 2014, on our consideration of the Berkeley County Public Service District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and in considering the District's internal control over financial reporting and compliance.

Financial highlights

The District's net position decreased by $0.27 million, or 0.47%, as a result of this year's operations.

Operating revenues increased to $11.02 million, or 10.73% in FY2014 and operating expenses increased 5.99%.

The District's capital contributions increased by $0.61 million to $1.08 million, a 130.81% increase from last year.

District highlights

The District completed a $9.07 million of capital improvement projects, including the construction of an Operations Center, construction of 1.47 miles of large diameter water mains, and commissioning new groundwater well pumps and transmission main.

There were 4.05 miles of water mains added to the water distribution system during the year, of which 1.49 miles (estimated cost of $0.70 million) were installed by developers who transferred ownership to the District.

The number of metered customers served by the District increased from 20,579 to 21,071, an increase of 2.39%. Steady growth continues to create a need for additional resources to efficiently maintain the water system.

The District issued $12,775,000 in new revenue bonds to refinance the 2007 bond anticipation note. A rate increase of approximately 15.5% was approved by the West Virginia Public Service Commission to finance the Series 2013 revenue bonds. Although the District was not in compliance with its revenue bond required debt service coverage ratio as of June 30, 2014, the District believes that the rate increase will provide sufficient revenue to achieve compliance for the fiscal year ending June 30, 2015.

USING THIS ANNUAL REPORT

This annual report consists of three parts: Management's Discussions and Analysis, Financial Statements, and Required Supplemental Information. The Financial Statements also include notes that explain in more detail some of the information in the financial statements.

USING THIS ANNUAL REPORT (continued)

Financial Statements

The Financial Statements of the District report information about the District using accounting methods similar to those used by private-sector companies. These statements offer short- and long-term financial information about its activities.

The **Balance Sheet** includes all of the District's assets and liabilities and provides information about the nature and amounts of investments in resources (assets) and obligations to creditors (liabilities). It also provides basis for computing rate of return, evaluating the capital structure of the District and assessing the liquidity and financial flexibility of the District.

All of the current year's revenues and expenses are accounted for in the **Statements of Revenues, Expenses, and Changes in Net Position**. This statement measures the success of the District's operations over the past year and can be used to determine 1) whether the District has successfully recovered all its costs through its user fees and other charges, 2) profitability, and 3) credit worthiness.

The Statements of Cash Flows provides information about the District's cash receipts, cash payments, and net changes in cash resulting from operations, investing, and capital and noncapital financing activities. It also provides answers to such questions as "from where did cash come?", "for what was cash used?", and "what was the change in cash balance during the year?".

FINANCIAL ANALYSIS OF THE DISTRICT AS A WHOLE

One of the most important questions about the District's finances is, "Is the District, as a whole, better off or worse off as a result of the year's activities?" The Balance Sheet and the Statement of Revenues, Expenses and Change in Net Position report information about the District's activities in a way that will help answer this question. These two statements report the net position of the District and changes in it. You can think of the District's net position (the difference between assets and liabilities) as one way to measure financial health or financial position. Over time, increases and decreases in the District's net position are one indicator of whether its financial health is improving or deteriorating. However, you will need to also consider other non-financial factors such as changes in economic conditions, population growth, and new or changed legislation.

The District's total net position decreased by $0.27 million from last year. Our analysis below focuses on the District's net position (Table 1) and changes in net position (Table 2) during the year.

FINANCIAL ANALYSIS OF THE DISTRICT AS A WHOLE (continued)

Total Operating Revenues reflect a 10.73% increase in 2014 compared to 2013 due mainly to the rate increase that became effective during the past year. Water sales also increased as a result of growth in the number of customer connections. Interest income was less in 2014 because the District had fewer funds to invest compared to the year before.

Operating expenses increased by approximately 5.99% in 2014 compared to 2013 due primarily to higher costs for power, chemicals, purchased water, maintenance, wages, and health insurance.

THE DISTRICT'S FUNDS

The District is operated as a proprietary or enterprise fund venture. As such the District operates **six** primary cash fund types. The **General Cash Fund** has been established since the District's inception to report charges to water customers and for services provided to them. The **Renewal and Replacement (R&R) Cash Fund** is required by bond documents and is used to provide replacements of capital equipment and vehicles and for major repairs to water production and storage equipment. The **Construction Cash Fund** is used for the orderly disbursement of bond monies to complete approved projects. The **Security Deposit Cash Fund** is used strictly as an escrow depository for customer security deposits. The **Tank Maintenance Cash Fund** provides for the systematic completion of required maintenance of the District's water storage tanks. The **Membrane Replacement Fund** provides for the replacement of the membrane filtration units at the Potomac River Water Filtration Plant.

Budgetary highlights

The District's Board of Directors adopted the Operating Budget of $11,746,300 for FY 2013/2014 on May 29, 2013. Major differences between budgeted and actual amounts per budgetary basis on the Budgetary Comparison Schedule on page 35 are as follows: Income from metered water sales of all customer categories except Industrial exceeded budget, resulting from the rate increase that went into effect earlier in the fiscal year than was anticipated; the refund from the West Virginia Municipal Bond Commission was greater than anticipated; with the higher revenue, the District had no need to borrow funds for daily operations; electricity and chemical costs for water treatment were greater than budgeted; less water was purchased than anticipated; the District moved into the new Operations Center earlier than expected, reducing rent expenses; and capital expenditures fell below budget because a planned water main project was postponed.

GENERAL

The Berkeley County Public Service District ("District") is a public corporation created under the law of the State of West Virginia on December 12, 1954, for the purpose of operating a water utility and providing water services to customers in its franchise area within Berkeley County. On July 1, 2001, the former Opequon Public Service District and the former Hedgesville Public Service District merged into the Berkeley County Public Service District pursuant to an order made by the Berkeley County Commission and approved by the Public Service Commission of West Virginia. The Berkeley County Public Service District conducts business under the name of the Berkeley County Public Service Water District.

Reporting Entity

For financial reporting purposes, the District is considered an independent reporting entity. The basic criteria for defining the District as an independent reporting entity is the District's financial independence, accountability for fiscal matters, significant influence on operations and ability to designate management.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies and the presentation of the financial report of the District have been designated to conform to generally accepted accounting principles as applicable to governmental entities, in accordance with the Governmental Accounting Standards Board (GASB). GASB embodies the official pronouncements previously issued by the National Council on Governmental Accounting (NCGA).

Financial Reporting Entity

The District complies with GASB Statement No. 14, "The Financial Reporting Entity." This statement establishes standards for defining and reporting on the financial reporting entity. It defines component units as legally separate organizations for which the officials of the primary government are financially accountable and other organizations for which the nature and significance of their relationship with a primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. Based on these criteria, there are no component units to include in the District's financial statements.

Basis of Presentation

Accounts of the District are organized on the basis of fund accounting under one fund, an enterprise fund. Enterprise funds are proprietary funds used to account for business-like activities provided to the general public. These activities are financed primarily by user charges and the measurement of financial activity focuses on net income measurement similar to the private sector.

Measurement Focus and Basis of Accounting

Measurement focus is a term used to describe *which* transactions are recorded within the various financial statements. Basis of accounting refers to *when* transactions are recorded regardless of the measurement focus applied.

The proprietary funds utilize an "*economic resources*" measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. All assets and liabilities (whether current or noncurrent) associated with their activities are reported. Proprietary fund equity is classified as net position.

All proprietary funds utilize the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus and Basis of Accounting (Continued)

Proprietary funds distinguish *operating* revenues and expenses from *nonoperating* items. Operating revenues and expenses generally result from providing services in connection with a proprietary fund's principle ongoing operations. The principle operating revenues of the District's enterprise funds are charged to customers for sales and service. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenue and expenses.

Assets, Liabilities and Net Position

For purposes of the statement of cash flows, the District considers all highly liquid investments, including restricted assets, with a maturity of three months or less when purchased to be cash equivalents.

The reserve method is used to provide for possible losses in the collection of customer's accounts receivable.

Inventory is stated at the lower of cost or market using the average cost method.

Utility plant is stated at cost at the date of acquisition. Donated assets, principally water lines, are recorded at an amount which approximates the donor's cost and are recorded as capital contributions. Depreciation is provided on a straight-line method at various rates calculated to allocate the cost of the respective items over their estimated useful lives ranging from 5 to 50 years and charged to operations. Interest paid on loans obtained for construction of plant facilities is capitalized when material. Capitalized interest for the years ended June 30, 2014 and 2013 was $132,370 and $93,254, respectively. Maintenance and repairs are charged to expense as incurred; major renewals and betterments are capitalized. When items of property or equipment are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is included in income.

Major classifications of utility plant of the District and their respective estimated useful lives at June 30, 2014 and 2013, are summarized below:

Classification	Useful lives
Utility plant and equipment	10-50 years
Water lines, meters and hydrants	10-50 years
Office equipment and furniture	5-20 years
Vehicle	5-10 years
Shop and garage equipment	5-25 years

Construction work in progress represents costs accumulated for the replacement of sections of the District's transmission and distribution systems, plan expansions and rehabilitation, and other projects that were not completed at year end.

It is the District's policy to permit employees to accumulate earned but unused vacation and sick pay benefits. Employees may, depending on level and length of service, be paid for various amounts of their total accrued vacation leave upon termination or retirement. The District accrues liability for leave hours that meets the criteria for payment at the eligible employees' current rates of pay plus retirement benefits and employment taxes. The accrual for compensated absences was $53,677 and $59,570 at June 30, 2014 and 2013, respectively.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Long-term Obligations

Long-term debt and other long-term obligations are reported as liabilities in the District's balance sheets. Bond issuance costs are reported as "other assets" and amortized over the term of the related debt or on a weighted average of outstanding of outstanding debt during the year.

Net Position Classifications

Net position is classified and displayed in three components:

a. Invested in capital assets, net of related debt - consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, notes, or other borrowings that are attributable to the acquisition, construction or improvement of those assets.

b. Restricted net position - consists of net position with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation.

c. Unrestricted net position - all other net position that do not meet the definition of "restricted" or "invested in capital assets, net of related debt."

Budget

In accordance with West Virginia Code, management shall prepare and submit to the Board a tentative budget. Such tentative budget shall be considered by the Board and, subject to any revisions or amendments that may be determined by the Board, shall be adopted as the budget for the ensuing fiscal year. No expenditures for operation and maintenance expenses in excess of the budget shall be made during such fiscal year unless unanimously authorized and directed by the Board.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

CASH AND TEMPORARY INVESTMENTS

Cash and temporary investments consists of the following accounts and amounts at June 30, 2014 and 2013:

	2014	2013
Operation and maintenance	$ 5,583	$ 14,968
Other cash	900	900
Revenue fund - cash	334,705	268,131
Revenue fund - certificates of deposit	202,013	230,404
Total	$ 543,201	$ 514,403

The revenue fund is a restricted account under the control of a trustee in accordance with provisions of the revenue bond resolutions; however, these funds are generally available for the operations of the District.

RESTRICTED ASSETS

The debt service represent funds on deposit with the West Virginia Municipal Bond Commission as trustee under the various bond resolutions. These funds are to be used to pay bond interest and principal.

The debt service reserve funds represent funds on deposit with the West Virginia Municipal Bond Commission. The District is required to maintain these accounts over the life of the outstanding bond issues.

The construction funds represents funds on deposit with a financial institution and the West Virginia Municipal Bond Commission. These funds are to be used to pay the costs of the District's construction projects.

The renewal and replacement fund represents funds on deposit with several financial institutions for the purpose of meeting unforeseen emergencies or renewal and replacement work.

Customer deposits represent funds on deposit with several financial institutions for the purpose of securing payment for services in the event customer accounts become delinquent.

Capacity improvement fees represent funds on deposit with a financial institution. These fees are collected from all new service connections to the District's water system and are to be used only for upgrades to or construction of the system as stated in the Joint Stipulation approved by the Public Service Commission of West Virginia (WV PSC). Per order of the WV PSC, the District no longer collects these fees, but is still restricted in regard to use of previously collected fees still held on deposit.

It is the District's policy to first use restricted assets when available and then use general revenues to finance projects and expenses.

DEPOSITS AND INVESTMENTS (continued)

Custodial Credit Risk-Deposits and Investments (excluding investments at the West Virginia Municipal Bond Commission)

Custodial credit risk is the risk that in the event of a bank or counter party failure, the District will not be able to recover the value of its deposits, investments or collateral securities that are in possession of an outside party. The District does not have a formal deposit policy for custodial credit risk. As of June 30, 2014, $1,788,200 of the District's bank balance of $2,804,274 was exposed to custodial credit risk. Of the bank balance, $1,201,920 was covered by Federal Deposit Insurance (FDIC). Of the remaining balance of $1,602,354, $1,368,961 was collateralized with securities held by the pledging financial institution's trust department or agent but not in the District's name, and $233,393 was invested in overnight repurchase agreements with securities held by the pledging financial institution's trust department or agent, not maintained separately in the District's name.

Interest Rate Risk

The District does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value changes arising from changing interest rates.

DAILY CASH INVESTMENT REPURCHASE AGREEMENT

The District has a repurchase agreement with a local financial institution for the investment of excess funds in one of the District's bank accounts. Under the repurchase agreement, all collected balances in the account at the end of each day are automatically withdrawn and used to purchase an investment under the repurchase agreement. Investments are backed by securities that are direct obligations of, or are fully guaranteed as to principal and interest by the United States of America or any agency thereof. The market value of the investments approximates cost at June 30, 2014 and 2013.

These advances represent the unreimbursed cost of line additions constructed by developers and titled to the District. The District is obligated to reimburse the developers based on the revenue derived from customers connected to the lines. The reimbursements are payable for up to a ten year period from the date of completion of the lines and are based on service connections made during a year. In no case is the reimbursement to the developers to exceed the total cost of the line additions. Also included in this account are advanced payment received by the District as of June 30, 2014 and 2013 of $477,482 and $582,422, respectively. These are payment for lines to be installed in developments.

RETIREMENT PLAN

All full-time employees of the District are covered by the West Virginia Public Employees Retirement System, which is a cost-sharing multi-employer PERS.

All full-time employees are eligible and must participate in the State PERS. The pension plan provides benefits, deferred allowances, and death and disability benefits. A member may retire after reaching the age of 60 and accumulating 5 years of credited service in force. Benefits generally vest in varying degrees once a member attains 5 or more years of credited service in force. Employees who retire at age 60 with 5 or more years of credited service in force are entitled to pension payments for the rest of their lives equal to 2% of their Final Average Salary (FAS) times the number of years for which they were employed as a participant in the State PERS. FAS refers to the average annual salary from the highest 36 consecutive months within the last 10 years of employment.

Pension provisions include deferred allowances whereby an employee may terminate his or her employment with the District after accumulating 5 or more years of credited service in force, but before reaching the age of 60. If the employee does not withdraw his or her accumulated contributions, the employee is entitled to certain pension benefits in accordance with the West Virginia Public Employees Retirement Act. Pension provisions include annuity options to provide benefits to a member's nominated beneficiary if so elected. In addition, disability retirement is provided for members who meet certain requirements as specified in the Act. The District's covered payroll amounted to $2,097,238, $2,102,296, and $2,088,564 for the years ended June 30, 2014, 2013 and 2012, respectively.

Employees of the District are required to pay 4.5% of their gross earnings to the pension plan. The District was required to make annual contributions to the plan equal to 14.5% of its covered payroll. Total contributions made during the fiscal years ended June 30, 2012 through 2014 amounted to $302,719, $388,835, and $384,014 respectively, of which $87,887, $94,513, and $90,762 was made by employees. The above contributions represent 100% of the required contributions to the plan. Information regarding this plan is available from the state of West Virginia.

OTHER POST EMPLOYMENT BENEFITS

Effective July 1, 2010, the District adopted the provisions of GASB Statement No. 45, "Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions". In addition to the relevant disclosures within this note related to the implementation of GASB Statement No. 45, the financial statements reflect long-term liabilities and related expenses resulting from the adoption as follows:

Fiscal Year:	Long-term Liabilities	Related Expenses
2014	$ 102,877	$ 20,537
2013	$ 82,340	$ (82,508)
2012	$ 164,848	$ 61,791

Plan Description. The District is deemed a non-participating entity with eligible retirees, which means that the District does not currently participate in a group medical or prescription drug coverage plan through PEIA; however, the District has qualifying retirees who are eligible to participate in a retiree plan due to prior service. As a result of being a non-participating entity, the District does not have covered payroll associated with its liability.

The financial activities of PEIA's OPEB plan are accounted for by the West Virginia Retiree Health Benefit Trust (RHBT). The plan provides retiree group medical and prescription drug coverage. The RHBT issues a publically available financial report that includes financial statements and required supplementary information for RHBT. That report and details regarding this plan can be obtained by contacting Public Employees Insurance Agency, 601 57th Street Southeast, Suite 2, Charleston, West Virginia 25304-2345 or by calling 1-888-680-7342.

Funding Policy. GASB Statement 45 does not mandate the prefunding of postemployment benefits liability. The District currently funds these benefits on a pay-as-you-go basis. No assets have been segregated and restricted to provide postemployment benefits.

The District's OPEB cost is a calculated annual required contribution (ARC), an amount actuarially determined in accordance with the parameters of GASB 45. ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded liabilities over a period of thirty (30) years. As of July 1, 2012, the most recent actuarial date, the Plan was not funded. The following tables illustrate the components of the District's annual OPEB cost for the year, the amount actually contributed to the Plan, changes in the net OPEB obligation, and funding progress.

For the fiscal years ended June 30:

	2014	2013
Normal cost	**$ 6,124**	$ 6,124
Amortization of unfunded	**14,532**	14,532

Adjustment to annual required contribution	**-**	(3,431)
Annual OPEB	**21,092**	19,739

Adjustment pursuant to current actuarial estimate	**2,493**	(98,401)
Net OPEB obligation - end of year	**$ 102,877**	$ 82,340

OTHER POST EMPLOYMENT BENEFITS (continued)

The District's annual OPEB cost, the percentage of annual OPEB cost contribution to the plan, and the net OPEB obligation for the years ended June 30, 2014 thru 2012:

Fiscal Year:	Annual OPEB Cost	Percentage of Annual OPEB Cost Contributed	Net OPEB Obligation-End of year
2014	$ 21,092	14.45%	$ 102,877
2013	$ 21,092	18.23%	$ 82,340
2012	$ 61,791	7.52%	$ 164,848

Actuarial valuations of an ongoing plan involves estimates of the value of reported amounts and assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, is meant to present multiyear trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.

Projection of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by employer and plan members) and include the types of benefits in force at the valuation date and the pattern of sharing benefits costs between the District and plan members at that point. The actuarial methods and assumptions used included techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations. Significant methods and assumptions were as follows:

Actuarial valuation date	July 1, 2012
Actuarial cost method	Alternative measurement method
Amortization method	Level dollar
Remaining amortization period	30 years
Actuarial assumptions:	
Investment rate of return	3%
Projected salary increases	Not applicable
Healthcare inflation rate	1.5% - 7.0%

PRIOR PERIOD ADJUSTMENT

An Adjustment was made to correct an error by decreasing prepaid expenses by $64,417 to agree to actual balances as of June 30, 2013. The prior period adjustment had no effect on operations for the year ended June 30, 2014.

RECLASSIFICATIONS

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

SUBSEQUENT EVENTS

In preparing these financial statements, The District has evaluated events and transactions for potential recognition or disclosure through September 16, 2014, the date the financial statements were available to be issued.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Members of the Public Service Board
Berkeley County Public Service District

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business- type activities of Berkeley County Public Service District ("District") as of and for the years ended June 30, 2014 and 2013, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our report thereon dated September 16, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing and opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charge in governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we preformed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

FORM OF OPINION OF BOND COUNSEL

February 26, 2015

Berkeley County Public Service District
Martinsburg, West Virginia

Assured Guaranty Municipal Corp.
New York, New York

Re: Berkeley County Public Service District, West Virginia,
Water Refunding Revenue Bonds, Series 2015 A (Bank Qualified)

Ladies and Gentlemen:

We have acted as bond counsel to Berkeley County Public Service District, West Virginia (the "Issuer") and in such capacity have examined a record of proceedings relating to the issuance by the Issuer of its $9,450,000 aggregate principal amount of Water Refunding Revenue Bonds, Series 2015 A (Bank Qualified) (the "Series 2015 A Bonds").

The Series 2015 A Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (collectively, the "Act"), and a Bond Resolution duly adopted by the Issuer on January 12, 2015, as supplemented by a Supplemental Parameters Resolution duly adopted by the Issuer on January 12, 2015 (collectively, the "Bond Legislation"), and are subject to all the terms and conditions of the Bond Legislation. All capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Bond Legislation.

The Series 2015 A Bonds are issued in fully registered form, are dated their date of original issuance, February 26, 2015, mature on December 1, 2036 in the years and amounts, and bear interest payable each June 1 and December 1, commencing June 1, 2015 all as set forth in the Bond Legislation.

The Bond Legislation provides that the Series 2015 A Bonds are issued for the purpose, along with other funds of the Issuer available therfore, of (i) paying a portion of the cost of currently refunding the Issuer's Water Revenue Bonds, Series 2006 (Bank Qualified) dated December 28, 2006, issued in the original aggregate principal amount of $10,000,000 (the "Series 2006 Bonds"); (ii) purchasing a municipal bond debt service reserve insurance policy from Assured Guaranty Municipal Corp. sufficient to satisfy the Debt Service Reserve Requirement for the Series 2015 A Bonds; (iii) to purchase a municipal bond insurance policy from Assured Guaranty Municipal Corp. to secure the payment of the Series 2015 A Bonds; and (iv) pay certain costs of issuance of the Series 2015 A Bonds and related costs. In connection with the current refunding, the Issuer has entered into a Prepayment Agreement, dated as of February 26, 2015 (the "Prepayment Agreement"), with the West Virginia Municipal Bond Commission, the Paying Agent.

The Series 2015 A Bonds have been sold to Robert W. Baird & Co. Incorporated (the "Original Purchaser"), pursuant to a competitive sale held January 29, 2015, with the assistance of Compass Municipal Advisors, LLC serving as Municipal Advisor to the Issuer.

As to questions of fact material to our opinion, we have relied upon representations and warranties of the Issuer, the Original Purchaser, the Municipal Advisor, and other entities; the representations and warranties contained in the Bond Legislation, the Continuing Disclosure Agreement, dated February 26, 2015 (the "Continuing Disclosure Agreement"), between the Issuer and United Bank, Inc., and the Tax Certificate and Agreement, dated the date hereof (the "Tax Certificate"), executed by the Issuer; the certified proceedings and other certifications of certain officials of the Issuer; and certifications of authorized representatives of the Issuer, Original Purchaser and the Municipal Advisor and others furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, and assuming compliance with the covenants and representations of the Issuer and others set forth in the Bond Legislation, the Continuing Disclosure Agreement, the Tax Certificate and such certifications, we are of the opinion, under existing law, that:

1. The Issuer is a duly organized and validly existing public service district under and pursuant to the laws of the State of West Virginia, with full power and authority to adopt the Bond Legislation, enter into the Prepayment Agreement, the Continuing Disclosure Agreement and Tax Certificate, perform its obligations under the terms and provisions thereof and to issue and sell the Series 2015 A Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Issuer, through its governing body, has legally and effectively adopted the Bond Legislation, has authorized, executed and delivered the Prepayment Agreement, the Continuing Disclosure Agreement and the Tax Certificate, has authorized the distribution of the Official Statement in connection with the marketing and sale of the Series 2015 A Bonds, and has issued and sold the Series 2015 A Bonds to the Original Purchaser. The Bond Legislation is in full force and effect as of the date hereof.

3. Assuming due authorization, execution and delivery by the other parties thereto, the Prepayment Agreement, the Continuing Disclosure Agreement and the Tax Certificate constitute valid, legal, binding and enforceable instruments of the Issuer in accordance with their respective terms. We have examined the executed and authenticated Series 2015 A Bonds of said issue, and, in our opinion, said Series 2015 A Bonds are in proper form and have been duly executed and authenticated.

4. The Series 2015 A Bonds have been duly authorized, executed and delivered by the Issuer and, assuming proper authentication, constitute valid and legally enforceable limited obligations of the Issuer, payable from and secured by a first lien on the Net Revenues of the System, on a parity with the Issuer's: (i) Water Revenue Bonds, Series 1993 B, dated March 8, 1993, issued in the original aggregate principal amount of $528,871 and held by the West Virginia Water Development Authority (the "Series 1993 B Bonds"); (ii) Water Revenue Bonds, Series 1993 D, dated July 29, 1993, issued in the original aggregate principal amount of $10,257,957 and held by the West Virginia Water Development Authority (the "Series 1993 D Bonds"); (iii) Water Revenue Bonds, Series 1996, dated August 6, 1996, issued in the original aggregate principal amount of $677,158 and held by the West Virginia Water Development Authority (the "Series 1996 Bonds"); (iv) Water Revenue Bonds, Series 2001 A (West Virginia Water Development Authority), dated October 25, 2001, issued in the original aggregate principal amount of $2,010,000 (the "Series 2001 A Bonds"); (v) Water Revenue Bonds, Series 2003 C (West Virginia Water Development Authority), dated May 15, 2003, issued in the original aggregate principal amount of $2,430,000 (the "Series 2003 C Bonds"); (vi) Water Revenue Bonds, Series 2007 A (Bank Qualified), dated December 21, 2007, issued in the original aggregate principal amount of $2,300,000 (the "Series 2007 A Bonds"); (vii) Water Revenue Bonds, Series 2008 (Bank Qualified), dated January 24, 2008 and issued in the original aggregate principal amount of $9,500,000 (the "Series 2008 Bonds"); (viii) Water Revenue Bonds, Series 2009 (Bank Qualified, dated February 17,

2009, and issued in the original aggregate principal amount of $7,510,000 (the "Series 2009 Bonds"); (ix) Water Refunding Revenue Bonds, Series 2012 A (Bank Qualified), dated December 19, 2012 issued in the aggregate principal amount of $7,425,000 (the "Series 2012 A Bonds"); (x) Water Revenue Bonds, Series 2012 B (Bank Qualified), dated December 20, 2012 issued in the aggregate principal amount of $7,800,000 (the "Series 2012 B Bonds"); (xi) Water Refunding Revenue Bonds, Series 2013 A (Bank Qualified) dated December 30, 2013, issued in the original aggregate principal amount of $9,900,000 (the "Series 2013 A Bonds") and (xii) Water Refunding Revenue Bonds, Series 2013 B (Taxable), issued in the aggregate principal amount of $2,875,000 (the "Series 2013 B Bonds"), and (xiii) Water Refunding Revenue Bonds, Series 2015 B (Bank Qualified), issued concurrently herewith in the aggregate principal amount of $_____ (the "Series 2015 B Bonds") (collectively, referred to herein as the "First Lien Bonds.")

There are also outstanding obligations of the Issuer which are subordinate to the Series 2015 A Bonds as to liens, pledge and source of and security for payment, being the Issuer's Water Revenue Bonds, Series 1993 C, dated March 8, 1993, issued in the original aggregate principal amount of $17,629 and held by the West Virginia Water Development Authority (the "Series 1993 C Bonds" or the "Second Lien Bonds"). The First Lien Bonds and Second Lien Bonds are hereinafter collectively called the "Prior Bonds". The Series 2015 A Bonds are enforceable in accordance with their terms and the terms of the Bond Legislation, and are entitled to the benefits of the Bond Legislation and the Act.

5. The Series 2006 Bonds have been paid within the meaning and with the effect expressed in the Bond Resolution, as supplemented, pursuant to which they were issued, and the covenants, agreements and other obligations of the Issuer to the holders and owners of the Series 2006 Bonds have been satisfied and discharged.

6. Under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2015 A Bonds is excludable from gross income of the holders thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations. It should be noted, however, that for the purpose of calculating the alternative minimum tax on certain corporations (as defined for federal income tax purposes), such interest is taken into account as an adjustment to current earnings of such corporations.

Ownership of tax-exempt obligations, including the Series 2015 A Bonds, may result in collateral federal income tax consequences to certain taxpayers. We offer no opinion as to such collateral tax consequences or any other federal tax consequences arising with respect to the Series 2015 A Bonds. Prospective purchasers of the he Series 2015 A Bonds should consult their own tax advisors as to such consequences.

The portion of the Series 2015 A Bonds which are being used to refund the outstanding principal amount of the Series 2006 Bonds are "deemed designated" by the Issuer pursuant to Section 265(b)(3) of the Code. The Issuer has designated the remainder of the Series 2015 A Bonds as "Qualified Tax-Exempt Obligations" for purposes of Section 265(b)(3) of the Code and covenanted that not more than $10,000,000 aggregate principal amount of obligations, including the portion of the Series 2015 A Bonds in excess of the outstanding principal amount of the Series 2006 Bonds and the Series 2015 B Bonds, the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income taxes (excluding, however, obligations described in Section 265(b)(3)(C)(ii) of the Code, including the portion of the Series 2015 A Bonds which have been "deemed designated" have been or shall be issued by the Issuer or any entities subordinate to it, during the calendar year 2015, all as determined in accordance with the Code.

The opinions set forth in the above paragraph 6 are subject to the condition that the Issuer comply with all requirements of the Internal Revenue Code of 1986, as amended, and regulations thereunder (collectively, the "Code") that must be satisfied for interest on the Series 2015 A Bonds to be or continue to be excludable from gross income for federal income tax purposes, and with all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Series 2015 A Bonds set forth in the Bond Legislation, the Prepayment Agreement, the Tax Certificate and the certifications of the Issuer and others (collectively, the "Tax Covenants"). Failure to comply with the Tax Covenants could cause the interest on the Series 2015 A Bonds to be included in gross income retroactively to the date of issuance of the Series 2015 A Bonds.

7. Under the Act, the Series 2015 A Bonds and the interest thereon are exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

8. The Series 2015 A Bonds are exempted securities within the meaning of Section 3(a)(2) of the Securities Act of 1933, as amended, and the West Virginia Uniform Securities Act, as amended, and it is not necessary, in connection with the public offering and sale of the Series 2015 A Bonds, to register any securities under said Securities Acts.

It is to be understood that the rights of the holders of the Series 2015 A Bonds and the enforceability of the Series 2015 A Bonds, the Bond Legislation, the Prepayment Agreement, the Continuing Disclosure Agreement, the Tax Certificate, and the liens, pledges, rights or remedies with respect thereto, are subject to and may be limited by any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally and that their enforcement may also be subject to the application of public policy, general principles of equity and the exercise of judicial discretion in appropriate cases.

We do not express any opinion as to the sufficiency or accuracy of the material, information or financial statements which are set forth in the Official Statement prepared and used in connection with the offering and sale of the Series 2015 A Bonds.

The opinions expressed in this letter are based upon the law in effect on the date hereof, and may be affected by actions taken or omitted or events occurring after the date hereof, including subsequent interpretations of the applicable law by competent judicial, regulatory and administrative authorities that modify, revoke, supplement, reverse, overrule or otherwise change applicable law and current interpretations thereof. We assume no obligation to revise or supplement this opinion should such law be changed by legislative action, judicial decision, or otherwise, or to determine or to inform any person whether any such actions are taken or omitted or any such events occur.

This opinion is intended solely for the benefit of the addressee and may not be relied upon by any other person or entity without, in each such case, our express written consent.

Very truly yours,

STEPTOE & JOHNSON PLLC

Section 1.02. Authority for this Resolution. This Resolution is adopted pursuant to the provisions of the Act and other applicable provisions of law.

Section 1.03. Findings. The Governing Body hereby finds and determines as follows:

A. The Issuer is a public service district, public corporation and political subdivision of the State of West Virginia in Berkeley County of said State.

B. The Issuer presently owns and operates a public waterworks treatment and distribution system which it has financed or refinanced, in part, pursuant to the issuance of the Prior Bonds and the Series 2006 Bonds.

C. It is deemed necessary for the Issuer to issue its Water Refunding Revenue Bonds, Series 2015 A (Bank Qualified), in one or more series, in the total aggregate principal amount of not more than $10,000,000 to pay all or a portion of the outstanding principal of, and interest on, the Series 2006 Bonds. The proceeds of the Series 2015 A Bonds may also be applied to funding the Series 2015 A Bonds Reserve Account and the payment of underwriter's discount; financial advisor expenses; legal expenses; expenses for estimates of costs and revenues; administrative expense; discount; initial fees for the services of registrar's, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2015 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2015 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall also be permitted.

D. It is in the best interests of the Issuer that the Series 2015 A Bonds be sold to the Original Purchaser pursuant to the terms and provisions of a bond purchase agreement or bond purchase agreements to be entered into by and between the Issuer and the Original Purchaser, as shall be approved by supplemental resolution of the Issuer.

E. The Series 2015 A Bonds shall be issued on a parity with one another and the First Lien Bonds and senior and prior to the Second Lien Bonds with respect to liens, pledge and source of and security for payment and in all other respects. Prior to the issuance of the Series 2015 A Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the First Lien Bonds have been met; (ii) the written consent of the Holders of the First Lien State Bonds to the issuance of the Series 2015 A Bonds on a parity with the First Lien State Bonds; and (iii) the written consent of the Holders of the Second Lien Bonds to the issuance of the Series 2015 A Bonds senior and prior to the Second Lien Bonds. The Series 2003 B Bonds, Series 2007 A Bonds, Series 2009 Bonds, Series 2012 A Bonds, Series 2012 B Bonds, Series 2013 A Bonds and Series 2013 B Bonds do not require written consent. Upon payment in full of the Series 2006 Bonds, other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. The Issuer is in compliance with the covenants of the Prior Bonds and the Prior Resolutions.

F. The Series 2015 A Bonds and the Certificate of Authentication and Registration to be endorsed thereon are to be in substantially the form set forth in EXHIBIT A – FORM OF SERIES 2015 A BONDS attached hereto and incorporated herein by reference, with necessary and appropriate variations, omissions and insertions as permitted or required by this Resolution or a Supplemental Resolution or as deemed necessary by the Registrar or the Issuer.

G. All things necessary to make the Series 2015 A Bonds, when authenticated by the Registrar and issued as in this Resolution provided, the valid, binding and legal special obligations of the Issuer according to the import thereof, and to validly pledge and assign those funds pledged hereby to the payment of the principal of and interest on the Series 2015 A Bonds, will be timely done and duly performed.

H. The adoption of this Resolution, and the execution and issuance of the Series 2015 A Bonds, subject to the terms thereof, will not result in any breach of, or constitute a default under, any instrument to which the Issuer is a party or by which it may be bound or affected.

I. The Issuer has complied with all requirements of West Virginia law relating to the operation of the System, the issuance of the Series 2015 A Bonds and the refunding of the Series 2006 Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a certificate of convenience and necessity from the West Virginia Public Service Commission by final order, the time for rehearing and appeal of which will either have expired prior to the date of issuance of the Series 2015 A Bonds or such final order will not be subject to appeal or rehearing.

Section 1.04. Resolution Constitutes Contract. In consideration of the acceptance of the Series 2015 A Bonds by those who shall own or hold the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of such Bondholders of any and all of such Series 2015 A Bonds, all of which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bond, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

ARTICLE II

AUTHORIZATION OF REFUNDING

Section 2.01. Authorization of Refunding. All Series 2006 Bonds Outstanding as of the date of issuance of the Series 2015 A Bonds, and all unpaid interest accrued thereon, if any, are hereby ordered to be refunded and paid in full and the pledge of Net Revenues in favor of the Registered Owners of the Series 2006 Bonds imposed by the Series 2006 Resolution authorizing the issuance of the Series 2006 Bonds, the monies in the funds and accounts created by the Series 2006 Resolution pledged to payment of the Series 2006 Bonds, and any other funds pledged by the Series 2006 Resolution to payment of the Series 2006 Bonds are hereby ordered terminated, discharged and released upon such payment to the Registered Owners of the Series 2006 Bonds. Contemporaneously with the payment in full of the Series 2006 Bonds, the amounts on deposit in the sinking fund, and all other funds and accounts created and maintained on behalf of the Series 2006 Bonds, shall be released from the lien created by the Series 2006 Resolution authorizing the issuance of the Series 2006 Bonds.

ARTICLE III

THE BONDS

Section 3.01. Form and Payment of Bonds. No Series 2015 A Bond shall be issued pursuant to this Resolution except as provided in this Article III. Any Series 2015 A Bonds issued pursuant to this Resolution may be issued only as fully registered Series 2015 A Bonds without coupons, in the denomination of $5,000 or any integral multiple thereof for any year of maturity (or such other denominations as may be set forth in a Supplemental Resolution). All Series 2015 A Bonds shall be dated as of the date provided in a Supplemental Resolution applicable to such series. All Series 2015 A Bonds shall bear interest from the interest payment date next preceding the date of authentication or, if authenticated after the Record Date but prior to the applicable interest payment date or on such interest payment date, from such interest payment date or, if no interest on such Series 2015 A Bonds has been paid, from the date thereof; provided however, that, if, as shown by the records of the Registrar, interest on such Series 2015 A Bonds shall be in default, Series 2015 A Bonds issued in exchange for Series 2015 A Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the initial Series 2015 A Bonds surrendered.

The principal of and the premium, if any, on the Series 2015 A Bonds shall be payable in any coin or currency which, on the respective date of such payment, is legal tender for the payment of public and private debts under the laws of the United States of America upon surrender at the principal office of the Paying Agent. Interest on the Series 2015 A Bonds shall be paid by check or draft made payable and mailed to the Registered Owner thereof at his address as it appears in the Bond Register at the close of business on the Record Date, or, if requested, in the case of a Registered Owner of $1,000,000 or more of the Series 2015 A Bonds, by wire transfer to a domestic bank account specified in writing at least 5 days prior to such interest payment date by such Registered Owner.

In the event any Series 2015 A Bond is redeemed in part, such bond shall be surrendered to and canceled by the Registrar, and the Issuer shall execute, and the Registrar shall authenticate and deliver to the Registered Owner thereof, another Series 2015 A Bond in the principal amount of said Series 2015 A Bond then Outstanding.

Section 3.02. Execution of Bonds. The Series 2015 A Bonds shall be executed in the name of the Issuer by the Chairman, by his or her manual or facsimile signatures, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Secretary by his or her manual or facsimile signature; provided, that, all such signatures and the seal may be by facsimile. In case any one or more of the officers who shall have signed or sealed any of the Series 2015 A Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2015 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Series 2015 A Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in EXHIBIT A - FORM OF SERIES 2015 A BONDS attached hereto and incorporated herein by reference with respect to such respective Series 2015 A Bond, shall have been duly manually executed by the

Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Series 2015 A Bond has been authenticated, registered and delivered under this Resolution. The Certificate of Authentication and Registration on any Series 2015 A Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2015 A Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Series 2015 A Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder, in accepting any of said Series 2015 A Bonds, shall be conclusively deemed to have agreed that such Series 2015 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder shall further be conclusively deemed to have agreed that said Series 2015 A Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2015 A Bonds remain Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Series 2015 A Bonds. Series 2015 A Bonds shall be transferable only by transfer of registration upon the Bond Register by the registered owner thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or such duly authorized attorney or legal representative. Upon transfer of a Series 2015 A Bond, there shall be issued at the option of the Holder or the transferee another Series 2015 A Bond of the aggregate principal amount equal to the unpaid amount of the transferred Bond and of the same series, interest rate and maturity of said transferred Series 2015 A Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the registered owner or his attorney or legal representative duly authorized in writing, Series 2015 A Bonds may at the option of the Holder thereof be exchanged for an equal aggregate principal amount of Series 2015 A Bonds of the same series, maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Series 2015 A Bond is exercised, Bonds shall be delivered in accordance with the provisions of this Resolution. All Series 2015 A Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Series 2015 A Bonds, the initial exchange of Series 2015 A Bonds and exchanges of Series 2015 A Bonds in the event of partial redemption of fully registered Series 2015 A Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2015 A Bonds, the Registrar may impose a service charge. For every such transfer or exchange of bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2015 A Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2015 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Series 2015 A Bond of like series, maturity and principal amount as the Series 2015 A Bond, so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Bond, or in lieu of and substitution for the Series 2015 A Bond destroyed, stolen or lost, and upon the Holder's furnishing the Issuer and the Registrar proof of his ownership thereof and that said Series 2015 A Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Bondholder listed in the Bond Register shall constitute proof of ownership. All Series 2015 A Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Series 2015 A Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Series 2015 A Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Series 2015 A Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Series 2015 A Bonds be at any time found by any one, and such duplicate Series 2015 A Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the Revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued pursuant to this Resolution, the following provisions shall apply:

A. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2015 A Bonds Redemption Account in accordance with Subsection 4.03A(3) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory Redemption Date of said Term Bonds, a sum equal to 1/12th of the amount required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with respect to the Series 2015 A Bonds shall be set forth in the Supplemental Resolution relating thereto.

B. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

C. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect

to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

D. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the monies in the Series 2015 A Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

E. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Series 2015 A Bonds Sinking Fund, as will exhaust as nearly as practicable such Series 2015 A Bonds Redemption Account payment designated to be made in accordance with paragraph (A) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of $5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Series 2015 A Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to Original Purchaser and the registered owner of the Series 2015 A Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

So long as DTC (as CEDE & CO.) is the registered Owner of the Series 2015 A Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice. Copies of all redemption notices relating to optional redemption of the Series 2015 A Bonds shall also be sent to registered securities depositories.

All official notices of redemption shall be dated and shall state:

(1) The Redemption Date;

(2) The Redemption Price;

(3) If less than all outstanding Series 2015 A Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Series 2015 A Bonds, as appropriate, to be redeemed;

(4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Series 2015 A Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date;

(5) The place where such Series 2015 A Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar; and

(6) Such other information, if any, as shall be required for DTC-eligible Series 2015 A Bonds.

If funds sufficient to redeem all Series 2015 A Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such notice shall also state that such optional redemption is subject to the deposit of such monies with the Paying Agent on or before the Redemption Date. If such monies are not so deposited, the Registrar shall notify all holders of Series 2015 A Bonds called for redemption of such fact.

Official notice of redemption having been given as aforesaid, the Series 2015 A Bonds or portions of Series 2015 A Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Series 2015 A Bonds or portions of Series 2015 A Bonds shall cease to bear interest. Upon surrender of such Series 2015 A Bonds for redemption in accordance with said notice, such Series 2015 A Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Series 2015 A Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unredeemed principal of such Series 2015 A Bond. All Series 2015 A Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2015 A Bonds, and failure to mail or otherwise send such notice shall not affect the validity of proceedings for the redemption of any portion of Series 2015 A Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Series 2015 A Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on, such Bond and for all other purposes, whether or not such Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Resolution. Upon the presentation and surrender of any Bond or Bonds in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefor, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefor to the Holder of such Bond in temporary form.

Section 3.10. Authorization of Bonds. For the purposes of paying all or a portion of the outstanding principal of, and interest on, the Series 2006 Bonds, funding the Series 2015 A Bonds Reserve Account, and paying costs of issuance in connection therewith, there shall be issued the Series 2015 A Bonds of the Issuer, in an aggregate principal amount of not more than $10,000,000. The Series 2015 A Bonds shall be designated "Water Refunding Revenue Bonds, Series 2015 A (Bank Qualified)" and shall be issued in fully registered form, in the denomination of $5,000 or any integral multiple thereof for any year of maturity, not exceeding the aggregate principal amount of Series 2015 A Bonds maturing in the year of maturity for which the denomination is to be specified. The Series 2015 A Bonds shall be numbered from AR-1 consecutively upward. The Series 2015 A Bonds shall be dated; shall be in such aggregate principal amount; shall bear interest at such rate or rates, not exceeding the then legally permissible rate, payable semiannually on such dates; shall mature on such dates and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Bonds. A. The Series 2015 A Bonds shall each initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2015 A Bonds, respectively, of each maturity, registered in the name of CEDE & CO., as nominee of DTC. Except as provided in paragraph E below, all of the Series 2015 A Bonds shall be registered in the registration books kept by the Registrar in the name of CEDE & CO., as nominee of DTC; provided, that if DTC shall request that the Series 2015 A Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Series 2015 A Bonds registered in the name of such nominee or nominees. No person other than DTC or its nominee shall be entitled to receive from the Issuer or the Registrar either a Series 2015 A Bond, or any other evidence of ownership of the Series 2015 A Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Series 2015 A Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry system as provided in paragraph E below.

B. At or prior to settlement for the Series 2015 A Bonds, the Issuer and the Registrar shall execute or signify their approval of a representation letter addressed to DTC in a form satisfactory to DTC (the "Representation Letter"). Any successor Registrar shall, in its written acceptance of its duties under this Resolution, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Series 2015 A Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Series 2015 A Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in New York Clearing House or equivalent next day funds on the dates provided for such payments to be made to any Bondholder under this Resolution. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Issuer and the Registrar with respect to the principal or Redemption Price of or interest on the Series 2015 A Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Series 2015 A Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Series 2015 A Bonds so redeemed, but DTC may return such Series 2015 A Bonds and make an appropriate notation on the Series 2015 A Bonds certificate as to the amount of such partial redemption; provided, that DTC shall deliver to the Registrar, upon request, a written confirmation of such partial redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Series 2015 A Bonds of such maturity which have been redeemed.

D. The Issuer, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Series 2015 A Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Series 2015 A Bonds, selecting the Series 2015 A Bonds, or portions thereof, to be redeemed, giving any notice permitted or required to be given to Bondholders under this Resolution, registering the transfer of Series 2015 A Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Issuer nor the Registrar shall be affected by any notice to the contrary. Neither the Issuer nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Series 2015 A Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books of the Registrar as being a Bondholder with respect to (i) the Series 2015 A Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2015 A Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Resolution, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Series 2015 A Bonds, or (vi) any consent given or other action taken by DTC as Bondholder.

E. The book entry system for registration of the ownership of the Series 2015 A Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Series 2015 A Bonds; or (ii) the Issuer determines that continuation of the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Series 2015 A Bonds. In either of such events (unless in the case described in clause (ii) above, the Issuer appoints a successor securities depository), the Series 2015 A Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer or the Registrar for the accuracy of such designation. Whenever DTC requests the Issuer and the Registrar to do so, the Issuer and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 2015 A Bonds.

Section 3.12. Delivery of Bonds. The Issuer shall execute and deliver the Series 2015 A Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2015 A Bonds to the Original Purchaser upon receipt of the documents set forth below:

(1) A list of the names in which the Series 2015 A Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;

(2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2015 A Bonds to the Original Purchaser;

(3) Copies of this Resolution and the Supplemental Resolution certified by the Secretary;

(4) The unqualified approving opinion upon the Series 2015 A Bonds by Bond Counsel; and

(5) A copy of such other documents, certifications and verifications as the Original Purchaser may reasonably require.

Section 3.13. Form of Bonds. Section 4.03. System Revenues and Application Thereof. So long as any of the Bonds shall be Outstanding and unpaid, the Issuer covenants as follows:

A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Resolution and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided.

(1) The Issuer shall first each month pay from the Revenue Fund the Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) the amounts required by the Prior Resolutions to pay interest on the First Lien Bonds; and (ii) commencing 6 months prior to the first interest payment date on the Series 2015 A Bonds, for deposit in the Series 2015 A Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on the Series 2015 A Bonds on the next ensuing semiannual interest payment date; provided, that in the event the period to elapse between the date of such initial deposit in the Series 2015 A Bonds Sinking Fund and the next ensuing semiannual interest payment date is less than or greater than 6 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date; and, provided further that, the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2015 A Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 2015 A Bonds deposited therein and subsequent amounts required to be transferred from the Revenue Fund and deposited in the Series 2015 A Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Series 2015 A Bonds Sinking Fund.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) the amounts required by the Prior Resolutions to pay the principal of the First Lien Bonds; and (ii)

commencing 12 months prior to the first principal payment date or mandatory Redemption Date of the Series 2015 A Bonds, for deposit in the Series 2015 A Bonds Sinking Fund, and in the Series 2015 A Bonds Redemption Account therein in the case of Term Bonds which are to be redeemed, a sum equal to 1/12th of the amount of principal which will mature or be redeemed and become due on the Series 2015 A Bonds on the next ensuing principal payment date or mandatory Redemption Date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2015 A Bonds Sinking Fund and the next ensuing annual principal payment date or mandatory Redemption Date is less than or greater than 12 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing annual principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and, provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2015 A Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the respective Reserve Accounts, the amounts required under the Prior Resolutions to be deposited in the respective reserve requirements for the First Lien Bonds; and (ii) for deposit in the Series 2015 A Bonds Reserve Account, an amount sufficient to remedy any decrease in value of the Series 2015 A Bonds Reserve Account below the Series 2015 A Bonds Reserve Requirement or any withdrawal from the Series 2015 A Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2015 A Bonds Reserve Account results in a determination that the amount of monies and the value of the Qualified Investments deposited to the credit of the Series 2015 A Bonds Reserve Account is less than the Series 2015 A Bonds Reserve Requirement, or (b) any amount is withdrawn from the Series 2015 A Bonds Reserve Account for deposit into the Series 2015 A Bonds Sinking Fund. To the extent Net Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of monies on deposit in the Series 2015 A Bonds Reserve Account to an amount equal to the Series 2015 A Bonds Reserve Requirement to the full extent that such Net Revenues are available; provided, that no payments shall be required to be made into the Series 2015 A Bonds Reserve Account whenever and as long as the amount deposited therein shall be equal to the Series 2015 A Bonds Reserve Requirement.

(5) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund, a sum equal to 2.5% of the Gross Revenues each month (as previously set forth in the Prior Resolutions and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article V hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as

of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Bond Commission for deposit in the Sinking Fund for the Second Lien Bonds the amount required under the Prior Resolutions to pay principal of the Second Lien Bonds.

(7) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Bond Commission for deposit in the Reserve Account for the Second Lien Bonds the amount required under the Prior Resolutions.

Monies in the Series 2015 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2015 A Bonds as the same shall become due, whether by maturity or redemption prior to maturity. Amounts in the Series 2015 A Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2015 A Bonds when due, when amounts in the Series 2015 A Bonds Sinking Fund are insufficient therefor and for no other purpose.

The Issuer shall not be required to make any further payments into the Series 2015 A Bonds Sinking Fund or the Series 2015 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of Series 2015 A Bonds issued pursuant to this Resolution then Outstanding, plus the amount of interest due or thereafter to become due on the Series 2015 A Bonds then Outstanding.

As and when additional Bonds ranking on a parity with the Series 2015 A Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at or before maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirements therefor.

The payments into the Series 2015 A Bonds Sinking Fund shall be made on the first day of each month, except that, when the first day of any month shall be a Saturday, Sunday or legal holiday, then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Bond Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Resolution.

The Issuer shall restore any withdrawals from the Series 2015 A Bonds Reserve Account which have the effect of reducing the assets therein below the Series 2015 A Bonds Reserve Requirement, from the first Net Revenues available after all required payments have been made in full in the order set forth above.

Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the First Lien Bonds and the Series 2015 A Bonds, senior and prior to the principal, interest, if any, or reserve payments for the Second Lien Bonds, in accordance with the respective principal amounts then Outstanding.

The Bond Commission is hereby designated as the fiscal agent for the administration of the Series 2015 A Bonds Sinking Fund and Series 2015 A Bonds Reserve Account, created hereunder, and all amounts required for said accounts shall be remitted to the Bond Commission from the Revenue Fund by the Issuer at the times provided herein.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall remit from the Revenue Fund to the Bond Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Bond Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay any charges and fees then due.

D. The monies in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If on any monthly payment date the Net Revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 4.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

F. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE V

INVESTMENTS; NON-ARBITRAGE; REBATES OF EXCESS INVESTMENT EARNINGS

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any monies held as a part of the funds and accounts created by this Resolution in Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or

account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section:

(A) Qualified Investments acquired for the Series 2015 A Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to annually transfer from the Series 2015 A Bonds Reserve Account to the Series 2015 A Bonds Sinking Fund, any earnings on the monies deposited therein and any other funds in excess of the requirement therefor; provided, however, that there shall at all times remain on deposit in the Series 2015 A Bonds Reserve Account an amount at least equal to the Series 2015 A Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2015 A Bonds Reserve Account, whereupon such account shall be valued immediately after such withdrawal.

(D) All amounts representing accrued and capitalized interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 2015 A Bonds and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all monies deposited in the Series 2015 A Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Board of Treasury Investments pursuant to Chapter 12, Article 6C of the West Virginia Code of 1931, as amended.

Section 5.02. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 2015 A Bonds in such manner and to such extent as may be necessary, so that the Series 2015 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2015 A Bonds) so that the interest on the Series 2015 A Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.03. Tax Certificate and Rebate. A. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2015 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2015 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

B. The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect, with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and the required amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Series 2015 A Bonds from gross income for federal income tax purposes.

Section 5.04. Continuing Disclosure Agreement. The Issuer shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Resolution shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2015 A Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this

Resolution, the Issuer hereby covenants and agrees with the Holders of the Series 2015 A Bonds, as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2015 A Bonds, or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Series 2015 A Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any of the provisions or limitations of the constitution but shall be payable solely from the Net Revenues of the System, the monies in the Series 2015 A Bonds Sinking Fund and all accounts therein, or the unexpended proceeds of the Series 2015 A Bonds, all as herein provided. No Holder or Holders of the Series 2015 A Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2015 A Bonds, or the interest thereon.

Section 6.03. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of all of the Series 2015 A Bonds issued hereunder shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the First Lien Bonds, which lien and pledge are senior and prior to the lien on the Net Revenues in favor of the Holders of the Second Lien Bonds. The Net Revenues derived from the System, in an amount sufficient to pay the interest on and principal of the Prior Bonds and the Series 2015 A Bonds herein authorized, and to make the payments into the Series 2015 A Bonds Sinking Fund, the Series 2015 A Bonds Reserve Account, and all other payments provided for in this Resolution and the Prior Resolutions, are hereby irrevocably pledged in the manner provided in this Resolution to the payment of the interest on and principal of the Series 2015 A Bonds herein authorized as the same become due and for the other purposes provided in this Resolution.

Section 6.04. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created or continued hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 120% of the maximum amount required in any fiscal year for payment of principal of and interest on the Series 2015 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or subordinate to the Series 2015 A Bonds, including the Prior Bonds. In any event, subject to any requirements of law, the Issuer shall not reduce the rates or charges for services set forth in the current rate order.

In the computation provided in the above paragraph, "revenues of the System" shall include increased Net Revenues estimated to be derived from any improvements under construction, and any change in rates adopted by the Issuer and approved by the Public Service Commission of West Virginia (without successful appeal), whether or not such approved rates are being charged and collected by the Issuer.

The Issuer shall require that each annual audit contain a statement of the auditor that the Issuer either is or is not in compliance with the rate covenant contained in this Section 6.04. In the event that any audit contains a statement that the Issuer is not in compliance with the rate covenant contained in this Section 6.04, the Issuer hereby covenants that it shall, within ninety (90) days of receiving the audit report, file a request with the Public Service Commission of West Virginia for a rate increase sufficient to comply with the above-mentioned rate requirement.

Section 6.05. Operation and Maintenance. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the Revenues of said System in the manner provided in this Resolution.

The Issuer has or will obtain all permits required by state and federal laws for the operation of the System and all orders and approvals from the Public Service Commission of West Virginia necessary for the issuance of the Series 2015 A Bonds and the operation of the System.

Section 6.06. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System except as provided in the Prior Resolutions. Additionally, so long as the Series 2015 A Bonds are Outstanding, the System may be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, or to defease the pledge created by this Resolution and the Prior Resolutions. The proceeds from such sale, mortgage, lease or other disposition of the System shall be immediately remitted to the Commission for deposit in the respective Sinking Funds, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of $500,000, the Issuer may provide for the sale of such property. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of $500,000 but not in excess of $5,000,000 the Issuer, by resolution duly adopted, shall determine that the property is no longer necessary, useful or profitable in the operation of the System and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition off such property which are less than $500,000 may be deposited in the Revenue Fund or the Renewal and Replacement Fund, at the sole discretion of the Issuer. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $500,000 and not in excess of $5,000,000, shall be deposited by the Issuer into Sinking Funds for the Bonds or the Renewal and Replacement Fund, at the sole discretion of the Issuer. Such payment of such proceeds into the Sinking Funds for the Bonds or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Resolution.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, shall be in excess of $5,000,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of over 50% of the par amount of the Bonds then Outstanding. The Issuer

shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2015 A Bonds, except as provided in Section 6.08 herein. All obligations issued by the Issuer after the issuance of the Series 2015 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2015 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2015 A Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2015 A Bonds and the interest thereon, if any, in this Resolution, or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable.

No such Additional Parity Bonds (as hereinafter defined) shall be issued except for the purposes of financing the costs of the design, acquisition and construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds or Additional Parity Bonds, or to pay claims which may exist against the revenues or facilities of the System or all of such purposes.

So long as the Series 2015 A Bonds are Outstanding, no such Additional Parity Bonds shall be issued at any time, however, unless and until there has been procured a written statement by an Independent Certified Public Accountant, reciting the conclusion that the Net Revenues actually derived from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 2 Fiscal Years immediately following the Fiscal Year in which such Additional Parity Bonds are issued, if any, shall not be less than 120% of the Maximum Annual Debt Service on the following:

(1) The Bonds then Outstanding;

(2) Any Additional Parity Bonds theretofore issued pursuant to the provisions contained in the Prior Resolutions and this Resolution then Outstanding; and

(3) The Additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues" as that term is used in the computation provided in the above paragraph, shall include increased Net Revenues estimated to be derived from the improvements to be financed by such Additional Parity Bonds, if any, and any change in

rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) or such rates have been approved by the Public Service Commission of West Virginia (without successful appeal), prior to the date of delivery of such Additional Parity Bonds, whether or not such approved rates are being charged and collected by the Issuer.

The term "Additional Parity Bonds," as used in this section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this section, payable from the Net Revenues of the System on a parity with the Bonds. All covenants and other provisions of this Resolution (except as to details of such Additional Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Additional Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Resolution required for and on account of such Additional Parity Bonds, in addition to the payments required for the Bonds theretofore issued pursuant to this Resolution.

Additional Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to the lien on and source of and security for payment from such revenues, with the Bonds.

No Additional Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Resolution and the Prior Resolutions with respect to the Bonds then Outstanding, and any other payments provided for in this Resolution and the Prior Resolutions, shall have been made in full as required to the date of issuance of such Additional Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Resolution and the Prior Resolutions.

Provided, however, that if the audit by an Independent Certified Public Accountant for the Issuer for the Fiscal Year immediately preceeding the proposed issuance of Additional Parity Bonds states that the Issuer was not in compliance with the rate covenant in Section 6.04 of this Resolution for the year being audited and the Issuer has, as required by Section 6.04, enacted a rate ordinance seeking a rate increase sufficient to comply with Section 6.04, such statement in the most recent audit shall not be considered a violation of the covenants, agreements and terms of this Resolutions, so as to prevent the Issuer from issuing Additional Parity Bonds under this Section 6.08.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2015 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance and bonds and workers' compensation coverage with a reputable insurance carrier or carriers or bonding company or companies covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent

available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged and destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

C. WORKERS' COMPENSATION COVERAGE for all employees of or for the System eligible therefore.

D. FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 6.10. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and, in the event the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself or themselves of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.11. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all delinquent rates, rentals and other changes, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System to all delinquent users of services and facilities of the System and will not restore such services of the System until all billing for charges for the services and facilities of the System, plus reasonable interest and penalty charges for the restoration of service, has been fully paid.

Section 6.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.13. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Series 2015 A Bond shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as it shall direct.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by an Independent Certified Public Accountant in compliance with OMB Circular 128 or any successor thereto and the Single Audit Act.

Section 6.14. Operating Budget. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, or at such earlier date, prepare and adopt by resolution a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year.

Section 6.15. Connections. To the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, the Issuer shall require every owner, tenant or occupant of any house, dwelling or building intended to be served by the System to connect thereto.

Section 6.16. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2015 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2015 A Bonds, pro rata, and shall be on a parity with the statutory mortgage lien in favor of the Holders of the First Lien Bonds, and senior and prior to the lien in favor of the Holders of the Second Lien Bonds.

Section 6.17. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2015 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2015 A Bonds during the term thereof is, under the terms of the Series 2015 A Bonds or any underlying

arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2015 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2015 A Bonds during the term thereof is, under the terms of the Series 2015 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2015 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the System, or if the Series 2015 A Bonds are for the purpose of financing more than one project, a portion of the System, and shall not exceed the proceeds used for the governmental use of that portion of the System to which such Private Business Use is related.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2015 A Bonds or $5,000,000 are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2015 A Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2015 A Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2015 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 6.18. Designation of Series 2015 A Bonds as Qualified Tax-Exempt Obligations. The Issuer hereby designates the Series 2015 A Bonds as "Qualified Tax-Exempt Obligations" for purposes of paragraph (3) of Section 265(b) of the Code and that not more than $10,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income taxes (excluding, however, obligations described in Section 265(b)(3)(C)(ii) of the Code), have been or shall be issued by the Issuer or any entities subordinate to it, during the calendar year 2015, all as determined in accordance with the Code. For purposes of this paragraph and for the purposes of applying such Section 265(b)(3) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a subordinate entity shall, for purposes of applying this paragraph and Section 265(b)(3) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of Section 265(b)(3)(C) or (D) of the Code and all entities benefitting thereby shall be treated as one issuer.

Section 6.19. Continuing Disclosures. In order to provide the written undertaking for the benefit of the owners of the Series 2015 A Bonds required by the Securities and Exchange Commission Rule 15c2-12, the Issuer shall enter into a Continuing Disclosure Agreement in such form as may be approved by the Supplemental Resolution, and the Chairman is authorized and directed to execute and deliver such Continuing Disclosure Agreement on behalf of the Issuer, with such changes as the Chairman shall approve, such approval to be conclusively evidenced by the execution of such Agreement by the Chairman.

Section 6.20. Preliminary Official Statement; Official Statement. The distribution of the Preliminary Official Statement with respect to the Series 2015 A Bonds shall be and the same is hereby approved. The form of the Preliminary Official Statement shall be in such form as may be approved by the Supplemental Resolution. The Chairman is hereby authorized and directed to execute and deliver a final official statement on behalf of the Issuer, which shall be in substantially the form of the Preliminary Official Statement with such changes, insertions and omissions as may be required to reflect the terms of the sale of the Series 2015 A Bonds and as the Chairman may approve (the "Official Statement"). The execution of the Official Statement by the Chairman shall be conclusive evidence of such approval. Copies of the Official Statement are hereby authorized to be prepared and furnished to the Original Purchaser for distribution.

Section 6.21. Bond Insurance Policy. The Issuer may apply for a bond insurance policy for the Series 2015 A Bonds. In the event a bond insurance policy is obtained, additional covenants and provisions of the Issuer may be required by the bond insurer as a condition to insuring the Series 2015 A Bonds. These additional covenants and provisions shall be set forth in a Supplemental Resolution, shall apply to the Series 2015 A Bonds, and shall be controlling in the event any other provisions of this Resolution may be in conflict therewith.

ARTICLE VII

DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2015 A Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on the Series 2015 A Bonds;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Resolution or any Supplemental Resolution or in the Series 2015 A Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Bondholder;

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds or the Prior Resolutions.

The Issuer must cure any covenant default within 30 days after notice of the default, and failure to pay principal of or interest on the Bonds shall be an immediate event of default.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the Issuer to perform its duties under the Act and this Resolution;

(C) Bring suit upon the Series 2015 A Bonds;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of this Resolution or the rights of the Bondholders.

No remedy by the terms of this Resolution conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute. All rights and remedies of the Holders of the Series 2015 A Bonds shall be on a parity with one another and also on parity with those of the Holders of the First Lien Bonds, and senior and prior to those of the Holders of the Second Lien Bonds.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate, maintain, manage

and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2015 A Bonds issued pursuant to this Resolution and interest thereon and under any covenants of this Resolution for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Resolution shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Series 2015 A Bonds issued pursuant to this Resolution. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Bondholders, and the curing and making good of any default under the provisions of this Resolution, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Section 7.04. Restoration of Issuer and Bondholder. In case any Bondholder shall have proceeded to enforce any right under this Resolution by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Bondholder shall be restored to their former positions and rights hereunder, and all rights and remedies of such Bondholder shall continue as if no such proceedings had been taken.

ARTICLE VIII

REGISTRAR AND PAYING AGENT

Section 8.01. Appointment of Registrar. The Registrar for the Series 2015 A Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Registrar. The recitals of fact in the Series 2015 A Bonds shall be taken as statements of the Issuer, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any

liability on account of, the validity of the execution of any Series 2015 A Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2015 A Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Resolution and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Registrar May Act. Except as otherwise provided by Section 10.02, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Bonds, the first exchange of Bonds and the exchange of Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2015 A Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or effect or aid in any reorganization growing out of the enforcement of the Series 2015 A Bonds or this Resolution, whether or not any such committee shall represent the Holders of a majority in principal amount of the Series 2015 A Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Resolution by giving not less than 60 days' written notice to the Issuer, specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer or by the Holders of a majority in principal amount of the Series 2015 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer or by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Series 2015 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification

thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Bondholders. The Issuer shall notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Bondholders. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Resolution.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any monies, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2015 A Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Bonds so authenticated, and, in case any Series 2015 A Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent. So long as required by the Act, the Bond Commission shall serve as the Paying Agent. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Resolution. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Bonds shall be and remain DTC-eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from monies available therefor.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Resolution. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying

Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Bondholders may make such appointment.

The Paying Agent shall enjoy the same protective provisions in the performance of its duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All monies received by the Paying Agent shall, until used or applied as provided in this Resolution, be held in trust for the purposes for which they were received.

ARTICLE IX

DEFEASANCE; DISCHARGE OF PLEDGE OF RESOLUTION

Section 9.01. Defeasance; Discharge of Pledge of Resolution. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Series 2015 A Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then this Resolution and the pledges of the Net Revenues and other monies and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Holders of the Series 2015 A Bonds made hereunder, shall thereupon cease, terminate and become void and be discharged and satisfied, except as may be necessary to assure the exclusion of interest on the Series 2015 A Bonds from gross income for federal income tax purposes.

The Series 2015 A Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on the Series 2015 A Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2015 A Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on the Series 2015 A Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of the Series 2015 A Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Series 2015 A Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the

principal of and redemption premium, if any, and interest to become due on the Series 2015 A Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations, as such term is limited by the provisions in Section 1.01 hereof or such additional securities as shall be set forth in the Supplemental Resolution.

Not withstanding the foregoing provision, no such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Series 2015 A Bond without the express written consent of the Registered Owner of such Bond, nor reduce the percentage of Series 2015 A Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Resolution may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Resolution if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Bondholder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Bonds held by a person executing any instrument as a Bondholder, the date of his holding such Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Bond shall bind all future Holders and owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Resolution shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Bondholder, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Resolution shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Bonds. All Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Bonds shall be deemed Outstanding under this Resolution and no Bonds shall be issued in lieu thereof. All such Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Bonds. Anything in this Resolution to the contrary notwithstanding, any monies held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Bonds which remain unclaimed for 1 year after the date on which such Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Bonds shall look only to the Issuer for the payment of such Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such monies remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such monies then unclaimed will be returned to the Issuer.

ASSURED GUARANTY MUNICIPAL CORP. ("AGM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") (as set forth in the documentation providing for the issuance of and securing the Bonds) for the Bonds, for the benefit of the Owners or, at the election of AGM, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which AGM shall have received Notice of Nonpayment, AGM will disburse to or for the benefit of each Owner of a Bond the face amount of principal of and interest on the Bond that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by AGM, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of the principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in AGM. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by AGM is incomplete, it shall be deemed not to have been received by AGM for purposes of the preceding sentence and AGM shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, who may submit an amended Notice of Nonpayment. Upon disbursement in respect of a Bond, AGM shall become the owner of the Bond, any appurtenant coupon to the Bond or right to receipt of payment of principal of or interest on the Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under the Bond, to the extent of any payment by AGM hereunder. Payment by AGM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of AGM under this Policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AGM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer which has been recovered from such Owner pursuant to the

United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from an Owner, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

AGM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AGM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AGM and shall not be deemed received until received by both and (b) all payments required to be made by AGM under this Policy may be made directly by AGM or by the Insurer's Fiscal Agent on behalf of AGM. The Insurer's Fiscal Agent is the agent of AGM only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AGM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AGM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AGM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be canceled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

In witness whereof, ASSURED GUARANTY MUNICIPAL CORP. has caused this Policy to be executed on its behalf by its Authorized Officer.

APPENDIX G

BOOK-ENTRY ONLY SYSTEM

The information in this section has been obtained from sources that the District believes to be reliable, but the District does not take any responsibility for the accuracy thereof.

The Depository Trust Company

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bonds certificate will be issued for the Bonds, in the aggregate principal amount of such issue, and will be deposited with DTC.

2. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

3. Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will

not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

4. To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bonds documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

6. Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. A Beneficial Owner shall give notice to elect to have its Bonds purchased or tendered,

through its Participant, to Tender/Remarketing Agent, and shall effect delivery of such Bonds by causing the Direct Participant to transfer the Participant's interest in the Bonds, on DTC's records,to Tender/Remarketing Agent. The requirement for physical delivery of Bonds in connection withan optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Securities to Tender/Remarketing Agent's DTC account.

10. DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Bonds certificates are required to be printed and delivered.

11. Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bonds certificates will be printed and delivered to DTC.

12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.

ASSURED GUARANTY MUNICIPAL CORP. ("AGM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") (as set forth in the documentation providing for the issuance of and securing the Bonds) for the Bonds, for the benefit of the Owners or, at the election of AGM, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which AGM shall have received Notice of Nonpayment, AGM will disburse to or for the benefit of each Owner of a Bond the face amount of principal of and interest on the Bond that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by AGM, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of the principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in AGM. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by AGM is incomplete, it shall be deemed not to have been received by AGM for purposes of the preceding sentence and AGM shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, who may submit an amended Notice of Nonpayment. Upon disbursement in respect of a Bond, AGM shall become the owner of the Bond, any appurtenant coupon to the Bond or right to receipt of payment of principal of or interest on the Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under the Bond, to the extent of any payment by AGM hereunder. Payment by AGM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of AGM under this Policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AGM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer which has been recovered from such Owner pursuant to the

United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from an Owner, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

AGM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AGM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AGM and shall not be deemed received until received by both and (b) all payments required to be made by AGM under this Policy may be made directly by AGM or by the Insurer's Fiscal Agent on behalf of AGM. The Insurer's Fiscal Agent is the agent of AGM only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AGM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AGM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AGM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be canceled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

In witness whereof, ASSURED GUARANTY MUNICIPAL CORP. has caused this Policy to be executed on its behalf by its Authorized Officer.

DISCLOSURE, NO DEFAULT AND TAX CERTIFICATE OF ASSURED GUARANTY MUNICIPAL CORP.

The undersigned hereby certifies on behalf of Assured Guaranty Municipal Corp. ("AGM"), in connection with the issuance by AGM of its Policy No. 216534-N (the "Insurance Policy") and Policy No. 216534-R (the "Reserve Policy" and together with the Insurance Policy, the "Policy") in respect of the $9,575,000 in aggregate principal amount of the Berkeley County Public Service District (West Virginia) Water Refunding Revenue Bonds, Series 2015 A (the "Bonds") that:

(i) the information set forth under the caption "BOND INSURANCE – Assured Guaranty Municipal Corp." in the official statement dated January 29, 2015, relating to the Bonds (the "Official Statement") is true and correct,

(ii) AGM is not currently in default nor has AGM ever been in default under any policy or obligation guaranteeing the payment of principal of or interest on an obligation,

(iii) the Policy is an unconditional and recourse obligation of AGM (enforceable by or on behalf of the holders of the Bonds) to pay the scheduled principal of and interest on the Bonds in the event of Nonpayment by the Issuer (as set forth in the Policy),

(iv) the insurance premium for the Insurance Policy of $34,663.22 and for the Reserve Policy of $15,926.95 (collectively, the "Premium") is a charge for the transfer of credit risk and was determined in arm's length negotiations and is required to be paid to AGM as a condition to the issuance of the Policy,

(v) no portion of such Premium represents an indirect payment of costs of issuance, including rating agency fees, other than fees paid by AGM to maintain its ratings, which, together with all other overhead expenses of AGM, are taken into account in the formulation of its rate structure, or for the provision of additional services by us, nor the direct or indirect payment for a cost, risk or other element that is not customarily borne by insurers of tax-exempt bonds (in transactions in which the guarantor has no involvement other than as a guarantor),

(vi) AGM is not providing any services in connection with the Bonds other than providing the Policy, and except for the Premium, AGM will not use any portion of the Bond proceeds; provided, however, that AGM or its affiliates may independently provide a guaranteed investment contract for the investment of all or a portion of the proceeds of the Bonds,

(vii) except for payments under the Policy in the case of Nonpayment by the Issuer, there is no obligation to pay any amount of principal or interest on the Bonds by AGM,

(viii) AGM does not expect that a claim will be made on the Policy,

(ix) the Issuer is not entitled to a refund of the premium for the Policy in the event a Bond is retired before the final maturity date, and

(x) for Bonds which are secured by a debt service reserve fund, AGM would not have issued the Policy unless the authorizing or security agreement for the Bonds provided for a debt service reserve fund funded and maintained in an amount at least equal to, as of any particular date of computation, the reserve requirement as set forth in such agreement.

AGM makes no representation as to the nature of the interest to be paid on the Bonds or the treatment of the Policy under Section 1.148-4(f) of the Income Tax Regulations.

Please return one fully executed copy of each to Ms. Audrey A. Udit, of our office, prior to any reference to AGM as insurer of the issue being made in marketing efforts in respect of the issue.

Please note that a blacklined copy of each draft of the financing documents, opinions, preliminary and final official statements and bond proof should be delivered to AGM for review and comment.

Attached as a link to this e-mail is AGM's website, where the logo, statement of insurance, disclosure language, specimen policy, procedures for premium payment, form of opinion and form of disclosure, no default and tax certificate may be accessed and downloaded as needed. AGM will require, prior to closing, four hard copies of the final official statement.

Upon acceptance and satisfaction of the conditions of the Commitment, the following must occur in order for AGM to complete its review of applicable disclosure and financing documents in advance of the closing date, request the assignment of an insured rating for the Bonds, and timely issue its insurance policy:

- A copy of (i) the preliminary official statement and the final official statement, each of which shall include the disclosure provided by AGM and the specimen policy and any other references to AGM, and (ii) the Bonds, together with the legend to be affixed to such Bonds, must be delivered to the Closing Coordinator by fax or e-mail in order that AGM may confirm its accuracy.
- Once determined, the underwriters' final pricing numbers, including the final debt service schedule for the Bonds, should be delivered to the credit analyst and Closing Coordinator responsible for the transaction by fax and/or e-mail in order that AGM may confirm the premium to be paid for the insurance policy and request the assignment of an insured rating for the Bonds.
- A copy of either (i) the final pricing wire with CUSIP numbers shown or CUSIP wire evidencing the CUSIP numbers assigned to the Bonds; or (ii) the letter from the CUSIP Service Bureau listing the CUSIP numbers assigned to the Bonds should be delivered to the Closing Coordinator listed below by fax and/or email in order that AGM may request the assignment of an insured rating for the Bonds.

AGM will deliver to Bond Counsel at the pre-closing, assuming the requirements of the Commitment have been met, an opinion of counsel as to the validity of the insurance policy, a disclosure, no default and tax certificate and the executed original insurance policy. Prior to the closing, AGM will obtain rating letters from the rating agencies indicated in the official statement. 3. On the date hereof and on the Closing Date, there shall have been no material adverse change in or affecting the Issuer or the Bonds (including, without limitation, the security for the Bonds or the proposed debt service schedule of the Bonds), any disclosure document relating to the Bonds (the "Official Statement"), the financing documents to be executed and delivered with respect to the Bonds, the legal opinions to be executed and delivered in connection with the issuance and sale of the Bonds, or any other information submitted to AGM with respect to the referenced transaction, or the Bonds, from that previously delivered or otherwise communicated to AGM.

4. The Bonds shall contain no reference to AGM, the Policy or the insurance evidenced thereby except as may be approved by AGM. BOND PROOFS SHALL HAVE BEEN APPROVED BY AGM PRIOR TO PRINTING. The Bonds shall bear a Statement of Insurance in the form provided by AGM.

5. AGM shall be provided with:

(a) Executed copies of all financing documents, the Official Statement and the various legal opinions delivered in connection with the issuance and sale of the Bonds (which shall be dated the Closing Date and which, except for the opinions of counsel relating to the adequacy of disclosure, shall be addressed to AGM or accompanied by a letter of such counsel permitting AGM to rely on such opinion as if such opinion were addressed to AGM), including, without limitation, the approving opinion of bond counsel. Each of the foregoing shall be in form and substance acceptable to AGM. Copies of all drafts of such documents prepared subsequent to the date of the Commitment (blacklined to reflect all revisions from previously reviewed drafts) shall be furnished to AGM for review and approval. Final drafts of such documents shall be provided to AGM at least three (3) business days prior to the issuance of the Policy, unless AGM shall agree to some shorter period.

(b) Evidence of wire transfer in federal funds of an amount equal to the insurance premium, unless alternative arrangements for the payment of such amount acceptable to AGM have been made prior to the delivery date of the Bonds.

(c) Standard & Poor's Rating Service and Moody's Investors Service Inc. will separately present bills for their respective fees relating to the Bonds. Payment of such bills by the Issuer should be made directly to such rating agency. Payment of the rating fee is not a condition to release of the Policy by AGM.

6. Promptly after the closing of the Bonds, AGM shall receive three completed sets of executed documents (one original and either (i) two photocopies (each unbound) or (ii) two compact discs).

7. The Official Statement shall contain the language provided by AGM and only such other references to AGM or otherwise as AGM shall supply or approve. AGM SHALL BE PROVIDED WITH FOUR PRINTED COPIES OF THE OFFICIAL STATEMENT.

AUTHORIZING DOCUMENT REQUIREMENTS

The Authorizing Document shall incorporate the following requirements either in one section or article entitled "Provisions Relating to 2015 A Reserve Policy" (or the like), **the provisions of which section or article shall be stated in the Authorizing Document to govern, notwithstanding anything to the contrary set forth in the Authorizing Document**, or individually in the appropriate sections. The Authorizing Document otherwise shall be in form and substance acceptable to AGM:

(a) The Issuer shall repay any draws under the Reserve Policy and pay all related reasonable expenses incurred by the Insurer and shall pay interest thereon from the date of payment by the Insurer at the Late Payment Rate. "Late Payment Rate" means the lesser of (x) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Series 2015 A Bonds and (y) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event JPMorgan Chase Bank ceases to announce its Prime Rate publicly, Prime Rate shall be the publicly announced prime or base lending rate of such national bank as the Insurer shall specify. If the interest provisions of this subparagraph (a) shall result in an effective rate of interest which, for any period, exceeds the limit of the usury or any other laws applicable to the indebtedness created herein, then all sums in excess of those lawfully collectible as interest for the period in question shall, without further agreement or notice between or by any party hereto, be applied as additional interest for any later periods of time when amounts are outstanding hereunder to the extent that interest otherwise due hereunder for such periods plus such additional interest would not exceed the limit of the usury or such other laws, and any excess shall be applied upon principal immediately upon receipt of such moneys by the Insurer, with the same force and effect as if the Issuer had specifically designated such extra sums to be so applied and the Insurer had agreed to accept such extra payment(s) as additional interest for such later periods. In no event shall any agreed-to or actual exaction as consideration for the indebtedness created herein exceed the limits imposed or provided by the law applicable to this transaction for the use or detention of money or for forbearance in seeking its collection.

Repayment of draws and payment of expenses and accrued interest thereon at the Late Payment Rate (collectively, "Policy Costs") shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of Policy Costs related to such draw.

Amounts in respect of Policy Costs paid to the Insurer shall be credited first to interest due, then to the expenses due and then to principal due. As and to the extent that payments are made to the Insurer on account of principal due, the coverage under the Reserve Policy will be increased by a like amount, subject to the terms of the Reserve Policy. The obligation to pay Policy Costs shall be secured by a valid lien on all revenues and other collateral pledged as security for the Series 2015 A Bonds (subject only to the priority of payment provisions set forth under the Resolution).

All cash and investments in the Series 2015 A Bonds Reserve Account established for the Series 2015 A Bonds (the "Reserve Fund") shall be transferred to the Series 2015 A Bonds Sinking Fund for payment of debt service on Series 2015 A Bonds before any drawing may be made on the Reserve Policy or any other credit facility credited to the Reserve Fund in lieu of cash ("Credit Facility"). Payment of any Policy Costs shall be made prior to replenishment of any such cash amounts. Draws on all Credit Facilities (including the Reserve Policy) on which there is available coverage shall be made on a pro-rata basis (calculated by reference to the coverage then available thereunder) after applying all available cash and investments in the Reserve Fund. Payment of Policy Costs and reimbursement of amounts with respect to other Credit Facilities shall be made on a pro-rata basis prior to replenishment of any cash drawn from the Reserve Fund. For the avoidance of doubt, "available coverage" means the coverage then available for disbursement pursuant to the terms of the applicable alternative credit instrument

without regard to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.

(b) If the Issuer shall fail to pay any Policy Costs in accordance with the requirements of subparagraph (a) hereof, the Insurer shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under the Resolution other than (i) acceleration of the maturity of the Bonds or (ii) remedies which would adversely affect owners of the Bonds.

(c) The Resolution shall not be discharged until all Policy Costs owing to the Insurer shall have been paid in full. The Issuer's obligation to pay such amounts shall expressly survive payment in full of the Series 2015 A Bonds.

(d) The Issuer shall include any Policy Costs then due and owing the Insurer in the calculation of the additional bonds test and the rate covenant in the Resolution.

(e) The Trustee shall ascertain the necessity for a claim upon the Reserve Policy in accordance with the provisions of subparagraph (a) hereof and to provide notice to the Insurer in accordance with the terms of the Reserve Policy at least five Business Days prior to each date upon which interest or principal is due on the Series 2015 A Bonds. Where deposits are required to be made by the Issuer with the Trustee to the Series 2015 A Bonds Sinking Fund for the Series 2015 A Bonds more often than semi-annually, the Trustee shall give notice to the Insurer of any failure of the Issuer to make timely payment in full of such deposits within two Business Days of the date due.

ASSURED GUARANTY MUNICIPAL

MUNICIPAL BOND DEBT SERVICE RESERVE INSURANCE POLICY

ISSUER: Policy No.:

BONDS: Effective Date:

Premium: $

Termination Date:

ASSURED GUARANTY MUNICIPAL CORP. ("AGM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") as set forth in the documentation (the "Bond Document") providing for the issuance of and securing the Bonds, for the benefit of the Owners, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

AGM will make payment as provided in this Policy to the Trustee or Paying Agent on the later of the Business Day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which AGM shall have received Notice of Nonpayment, in a form reasonably satisfactory to it. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by AGM is incomplete, it shall be deemed not to have been received by AGM for purposes of the preceding sentence and AGM shall promptly so advise the Trustee, Paying Agent or Issuer, as appropriate, who may submit an amended Notice of Nonpayment. Payment by AGM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of AGM under this Policy. Upon such payment, AGM shall become entitled to reimbursement of the amount so paid (together with interest and expenses) pursuant to the Insurance Agreement.

The amount available under this Policy for payment shall not exceed the Policy Limit. The amount available at any particular time to be paid to the Trustee or Paying Agent under the terms of this Policy shall automatically be reduced by any payment under this Policy. However, after such payment, the amount available under this Policy shall be reinstated in full or in part, but only up to the Policy Limit, to the extent of the reimbursement of such payment (exclusive of interest and expenses) to AGM by or on behalf of the Issuer. Within three Business Days of such reimbursement, AGM shall provide the Trustee, the Paying Agent and the Issuer with notice of the reimbursement and reinstatement.

Payment under this Policy shall not be available with respect to (a) any Nonpayment that occurs prior to the Effective Date or after the Termination Date of this Policy or (b) Bonds that are not outstanding under the Bond Document. If the amount payable under this Policy is also payable under another insurance policy or surety bond insuring the Bonds, payment first shall be made under this Policy to the extent of the amount available under this Policy up to the Policy Limit. In no event shall AGM incur duplicate liability for the same amounts owing with respect to the Bonds that are covered under this Policy and any other insurance policy or surety bond that AGM has issued.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York are, or the Insurer's Fiscal Agent is, authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AGM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the

stated date for payment of interest. "Insurance Agreement" means the Insurance Agreement dated as of the effective date hereof in respect of this Policy, as the same may be amended or supplemented from time to time. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer that has been recovered from such Owner pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from the Issuer, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment of principal or interest thereunder, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds. "Policy Limit" shall be the dollar amount of the debt service reserve fund required to be maintained for the Bonds by the Bond Document from time to time (the "Debt Service Reserve Requirement"), but in no event shall the Policy Limit exceed $. The Policy Limit shall automatically and irrevocably be reduced from time to time by the amount of each reduction in the Debt Service Reserve Requirement, as provided in the Bond Document.

AGM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AGM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AGM and shall not be deemed received until received by both and (b) all payments required to be made by AGM under this Policy may be made directly by AGM or by the Insurer's Fiscal Agent on behalf of AGM. The Insurer's Fiscal Agent is the agent of AGM only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AGM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AGM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AGM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be cancelled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

In witness whereof, ASSURED GUARANTY MUNICIPAL CORP. has caused this Policy to be executed on its behalf by its Authorized Officer.

1. Upon any payment by the Insurer under the Reserve Policy, the Insurer shall furnish to the Issuer written instructions as to the manner in which payment of amounts owed to the Insurer as a result of such payment under the Reserve Policy shall be made. Amounts drawn under the Reserve Policy shall be used solely to pay scheduled payments of principal and interest due on the Bonds.

2. The Issuer shall pay the Insurer the principal amount of any draws under the Reserve Policy and pay all related reasonable expenses incurred by the Insurer and shall pay interest thereon from the date of payment by the Insurer at the Late Payment Rate. "Late Payment Rate" means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event JPMorgan Chase Bank ceases to announce its Prime Rate, the Prime Rate shall be the prime or base lending rate of such national bank as the Insurer shall designate. If the interest provisions of this Section 2 shall result in an effective rate of interest which, for any period, exceeds the limit of the usury or any other laws applicable to the indebtedness created herein, then all sums in excess of those lawfully collectible as interest for the period in question shall, without further agreement or notice between or by any party hereto, be applied as additional interest for any later periods of time when amounts are outstanding hereunder to the extent that interest otherwise due hereunder for such periods plus such additional interest would not exceed the limit of the usury or such other laws, and any excess shall be applied upon principal immediately upon receipt of such moneys by the Insurer, with the same force and effect as if the Issuer had specifically designated such extra sums to be so applied and the Insurer had agreed to accept such extra payment(s) as additional interest for such later periods. In no event shall any agreed-to or actual exaction as consideration for the indebtedness created herein exceed the limits imposed or provided by the law applicable to this transaction for the use or detention of money or for forbearance in seeking its collection.

3. Repayment of draws and payment of expenses and the interest accrued thereon at the Late Payment Rate (collectively, "Policy Costs") shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12th of the aggregate of Policy Costs related to such draw. Amounts in respect of Policy Costs paid to the Insurer shall be credited first to interest due, then to the expenses due and then to principal due.

4. As and to the extent that payments are made to the Insurer on account of principal due, the coverage under the Reserve Policy will be increased by a like amount, subject to the terms of the Reserve Policy.

5. All cash and investments in the Series 2015 A Bonds Reserve Account shall be transferred to the Series 2015 A Bonds Sinking Fund for payment of debt service on the Bonds before any drawing may be made on

the Reserve Policy or on any alternative credit instrument. Payment of any Policy Costs shall be made prior to replenishment of any such cash amounts. Draws on all alternative credit instruments (including the Reserve Policy) on which there is available coverage shall be made on a pro rata basis (calculated by reference to available coverage under each such alternative credit instrument) after applying available cash and investments in the Series 2015 A Bonds Reserve Account. Payment of Policy Costs and reimbursement of amounts with respect to alternative credit instruments shall be made on a pro-rata basis prior to replenishment of any cash drawn from the Series 2015 A Bonds Reserve Account. For the avoidance of doubt, "available coverage" means the coverage then available for disbursement pursuant to the terms of the applicable alternative credit instrument without regard to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.

6. If the Issuer shall fail to pay any Policy Costs in accordance with the requirements of the Authorizing Document and this Agreement, the Insurer shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under the Authorizing Document, other than (i) acceleration of the maturity of the Bonds or (ii) remedies which would adversely affect owners of the Bonds.

7. The Authorizing Document shall not be discharged until all Policy Costs owing to the Insurer shall have been paid in full. The Issuer's obligation to pay such amounts shall expressly survive payment in full of the Bonds.

8. In order to secure the Issuer's payment obligations with respect to the Policy Costs, there is hereby granted and perfected in favor of the Insurer a security interest (subject only to the priority of payment provisions set forth under the Authorizing Document) in all revenues and collateral pledged as security for the Bonds.

9. Policy Costs due and owing shall be included in debt service requirements for purposes of calculation of the additional bonds test and the rate covenant in the Authorizing Document.

10. The Trustee shall ascertain the necessity for a claim upon the Reserve Policy in accordance with the provisions of Section 5 hereof and shall provide notice to the Insurer in accordance with the terms of the Reserve Policy at least five Business Days prior to each date upon which interest or principal is due on the Bonds. Where deposits are required to be made by the Issuer with the Trustee to the Series 2015 A Bonds Sinking Fund for the Bonds more often than semi-annually, the Trustee shall give notice to the Insurer of any failure of the Issuer to make timely payment in full of such deposits within two Business Days of the date due.

11. The Issuer will pay or reimburse the Insurer any and all charges, fees, costs, losses, liabilities and expenses which the Insurer may pay or incur, including, but not limited to, fees and expenses of attorneys, accountants, consultants and auditors and reasonable costs of investigations, in connection with (i) any accounts established to facilitate payments under the Reserve Policy, (ii) the administration, enforcement, defense or preservation of any rights in respect of this Agreement, the Authorizing Document or any other document executed in connection with the Bonds (the "Related Documents"), including defending, monitoring or participating in any litigation or proceeding (including any bankruptcy proceeding in respect of the Issuer) relating to this Agreement, the Authorizing Document or any other Related Document, any party to this Agreement, the Authorizing Document or any other Related Document or the transactions contemplated by the Related Documents, (iii) the foreclosure against, sale or other disposition of any collateral securing any obligations under this Agreement, the Authorizing Document or any other Related Document, if any, or the pursuit of any remedies under this Agreement, the Authorizing Document or any other Related Document, to the extent such costs and expenses are not recovered from such foreclosure, sale or other disposition, (iv) any amendment, waiver or other action with respect to, or related to this Agreement, the Authorizing Document, the Reserve Policy or any other Related Document whether or not executed or completed, or (v) any action taken by the Insurer to cure a default or termination or similar event (or to mitigate the effect thereof) under the Authorizing Document or any other Related Document; costs and expenses shall include a reasonable allocation of compensation and overhead attributable to time of employees of the Insurer spent in connection with the actions described in clauses (ii) through (v) above. The Insurer reserves the right to charge a reasonable fee as a

condition to executing any amendment, waiver or consent proposed in respect of this Agreement, the Authorizing Document or any other Related Document. Amounts payable by the Issuer hereunder shall bear interest at the Late Payment Rate from the date such amount is paid or incurred by the Insurer until the date the Insurer is paid in full.

12. The obligation of the Issuer to pay all amounts due under this Agreement shall be an absolute and unconditional obligation of the Issuer and will be paid or performed strictly in accordance with this Agreement, irrespective of: (i) any lack of validity or enforceability of or any amendment or other modifications of, or waiver with respect to the Bonds, the Authorizing Document or any other Related Document; (ii) any amendment or other modification of, or waiver with respect to the Reserve Policy; (iii) any exchange, release or non-perfection of any security interest in property securing the Bonds, this Agreement, the Authorizing Document or any other Related Documents; (iv) whether or not such Bonds are contingent or matured, disputed or undisputed, liquidated or unliquidated; (v) any amendment, modification or waiver of or any consent to departure from this Agreement, the Reserve Policy, the Authorizing Document or all or any of the other Related Documents; (vi) the existence of any claim, setoff, defense (other than the defense of payment in full), reduction, abatement or other right which the Issuer may have at any time against the Trustee or any other person or entity other than the Insurer, whether in connection with this Agreement, the transactions contemplated herein, in the Authorizing Document or in any other Related Documents or any unrelated transactions; (vii) any statement or any other document presented under or in connection with the Reserve Policy proving in any and all respects invalid, inaccurate, insufficient, fraudulent or forged or any statement therein being untrue or inaccurate in any respect; or (viii) any payment by the Insurer under the Reserve Policy against presentation of a certificate or other document which does not strictly comply with the terms of the Reserve Policy.

13. Notices to the Insurer shall be sent to the following address (or such other address as the Insurer may designate in writing): Assured Guaranty Municipal Corp., 31 West 52nd Street, New York, New York 10019, Attention: Managing Director – Surveillance, Re: Policy No. _____.

14. If any one or more of the agreements, provisions or terms of this Agreement shall be for any reason whatsoever held invalid, then such agreements, provisions or terms shall be deemed severable from the remaining agreements, provisions or terms of this Agreement and shall in no way affect the validity or enforceability of the other provisions of this Agreement.

15. All capitalized terms used herein and not otherwise defined shall have the meanings ascribed to them in the Authorizing Document.

16. This Agreement may be executed in counterparts, each of which alone and all of which together shall be deemed one original Agreement.

17. This Agreement and the rights and obligations of the parties of the Agreement shall be governed by and construed and interpreted in accordance with the laws of the State of New York.

With Respect to

Berkeley County Public Service District (West Virginia)
Water Refunding Revenue Bonds, Series 2015 A

Ladies and Gentlemen:

I am Counsel of Assured Guaranty Municipal Corp., a New York stock insurance company ("AGM"). You have requested my opinion in such capacity as to the matters set forth below in connection with the issuance by AGM of its above-referenced policy no. 216534-N (the "Insurance Policy") and its municipal bond debt service reserve insurance policy no. 216534-R (the "Reserve Policy" and, together with the Insurance Policy, the "Policy"). In that regard, and for purposes of this opinion, I have examined such corporate records, documents and proceedings as I have deemed necessary and appropriate.

Based upon the foregoing, I am of the opinion that:

1. AGM is a stock insurance company duly organized and validly existing under the laws of the State of New York and authorized to transact financial guaranty insurance business therein.

2. The Policy has been duly authorized, executed and delivered by AGM.

3. The Policy constitutes the valid and binding obligation of AGM, enforceable in accordance with its terms, subject, as to the enforcement of remedies, to bankruptcy, insolvency, reorganization, rehabilitation, moratorium and other similar laws affecting the enforceability of creditors' rights generally applicable in the event of the bankruptcy or insolvency of AGM and to the application of general principles of equity.

In addition, please be advised that I have reviewed the description of the Policy under the caption "BOND INSURANCE – Bond Insurance Policy" in the official statement relating to the above-referenced Bonds dated January 29, 2015 (the "Official Statement"). There has not come to my attention any information which would cause me to believe that the description of the Policy referred to above, as of the date of the Official Statement or as of the date of this opinion, contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. Please be advised that I express no opinion with respect to any information contained in, or omitted from, the caption "BOND INSURANCE – Assured Guaranty Municipal Corp.".

I am a member of the Bar of the State of New York, and do not express any opinion as to any law other than the laws of the State of New York.

Very truly yours,

Counsel

Ladies and Gentlemen:

This letter sets forth our understanding with respect to all issues (the "Securities") that Issuer shall request be made eligible for deposit by The Depository Trust Company ("DTC").

To induce DTC to accept the Securities as eligible for deposit at DTC, and to act in accordance with DTC's Rules with respect to the Securities, Issuer represents to DTC that Issuer will comply with the requirements stated in DTC's Operational Arrangements, as they may be amended from time to time.

Note:

Schedule A contains statements that DTC believes accurately describe DTC, the method of effecting book-entry transfers of securities distributed through DTC, and certain related matters.

Very truly yours,

SCHEDULE A
(To Blanket Issuer Letter of Representations)

SAMPLE OFFERING DOCUMENT LANGUAGE DESCRIBING BOOK-ENTRY-ONLY ISSUANCE

(Prepared by DTC—bracketed material may be applicable only to certain issues)

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds $200 million, one certificate will be issued with respect to each $200 million of principal amount and an additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Participants") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Rules applicable to DTC and its Participants are on file with the Securities and Exchange Commission.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

[Beneficial Owners of the Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners, or in the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.]

[6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.]

7. Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to Securities. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Principal and interest payments on the Securities will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC (nor its nominee), Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants is the responsibility of DTC, and disbursement of such payments to Beneficial Owners is the responsibility of Direct and Indirect Participants.

[9. A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to [Tender/Remarketing] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered securities to [Tender/Remarketing] Agent's DTC account.]

10. DTC may discontinue providing its services as securities depository with respect to the Securities at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Security certificates are required to be printed and delivered.

11. Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered.

12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.

CASE NO. 14-1356-PWD-PC

BERKELEY COUNTY PUBLIC SERVICE DISTRICT,
dba BERKELEY COUNTY PUBLIC SERVICE WATER DISTRICT,
a public utility,

Petition for consent and approval to refinance existing bonded indebtedness.

RECOMMENDED DECISION

This Order approves the Petition requesting consent and approval to refinance existing bonded indebtedness.

PROCEDURE

On July 29, 2014, the Berkeley County Public Service District, dba Berkeley County Public Service Water District (District) filed a Petition requesting the Commission's consent and approval to refinance existing bonded indebtedness. The District is seeking to refinance its Water Revenue Bonds Series 2003B (Series 2003B Bonds) and Water Revenue Bonds Series 2006 (Series 2006 Bonds), which have an outstanding principal balance of $885,000 and $9,575,000, respectively. The District stated that it could refinance the Bonds at a more favorable interest rate, which would result in a net present value cash flow savings of $358,000, or approximately 3.5%. The District proposed to issue Refunding Revenue Bonds for the Series 2003B Bonds in an amount not to exceed $585,000, at an interest rate between 4% and 4.4%, and that amount, together with its accrued debt service reserve funds, would be used to retire the Series 2003B Bonds. Additionally, the District proposed to issue another Refunding Revenue Bond in an amount not to exceed $9,775,000, at an interest rate between 3.6% and 4.3%, to retire the Series 2006 Bonds.

On August 29, 2014, Commission Staff filed its Initial Joint Staff Memorandum requesting additional information from the District regarding discrepancies in the amounts of the proposed not to exceed amounts and the outstanding principal balance, as well as requesting a draft of the bond resolution for the Refunding Revenue Bonds.

On September 3, 2014, draft bond resolutions were filed and on September 5, 2014, the District responded to Staff's request for additional information regarding the discrepancies.

On September 9, 2014, a Commission Referral Order was issued referring the case to the Division of Administrative Law Judges for a decision to be rendered on or before February 24, 2015.

On October 1, 2014, Commission Staff filed its Final Joint Staff Memorandum recommending the refinancing be approved. Specifically, Staff recommended the District's Petition to refinance the Series 2003B Bonds, in an amount not to exceed $585,000, with an interest rate not to exceed 4.4%, be approved; and the refinancing of the Series 2006 Bonds, in an amount not to exceed $9,775,000, with an interest rate not to exceed 4.3%, also be approved. Staff also recommended that any coverage requirements included in the refinancing not exceed 120%. Lastly, Staff recommended that after closing on the two Series 2014 Bonds, the District file a letter stating the amount borrowed and the interest rate for each bond, as a closed entry in the case.

On October 2, 2014, the District filed a Response to the Final Joint Staff Memorandum agreeing with Staff's recommendations, except for a statement in Utility Staff's Memorandum recommending the coverage requirement for the Series 2003B Bonds not exceed 115%. The District explained that the rate coverage covenant in the new bonds require 120% and noted that Staff's final recommendation ultimately included a not to exceed coverage requirement of 120%.

DISCUSSION

Pursuant to W. Va. Code § 16-13A-25, a public service district shall not borrow money without the prior consent and approval of the Commission. Based upon the District's Petition and supporting financial documentation, it is reasonable to grant prior consent and approval for the District to issue Refunding Revenue Bonds in order to refinance the Water Revenue Bonds Series 2003B, in an amount not to exceed $585,000, with an interest rate not to exceed 4.4%, and the Water Revenue Bonds Series 2006, in an amount not to exceed $9,775,000, with an interest rate not to exceed 4.3%, and a debt coverage requirement not to exceed 120%, as recommended by Staff. After closing on the two Series 2014 Bonds, the District should file with the Commission a letter stating the amount borrowed and the interest rate for the bonds.

FINDINGS OF FACT

1. The Berkeley County Public Service District, dba Berkeley County Public Service Water District filed a Petition requesting the Commission's consent and approval to refinance existing bonded indebtedness. (Petition, July 29, 2014).

2. The District is seeking to refinance its Water Series 2003B Bonds and Series 2006 Bonds, which have an outstanding principal balance of $885,000 and $9,575,000, respectively. (Id.).

3. Refinancing the Bonds would result in a net present value cash flow savings of $358,000, or approximately 3.5%. (Id.).

4. The District proposed to issue Refunding Revenue Bonds for the Series 2003B Bonds in an amount not to exceed $585,000, at an interest rate between 4% and 4.4%, and that amount, together with its debt service reserve funds, would be used to retire the Series 2003B Bonds. (Id.).

5. The District proposed to issue a Refunding Revenue Bond in an amount not to exceed $9,775,000, at an interest rate between 3.6% and 4.3%, to retire the Series 2006 Bonds. (Id.).

6. The difference in the amount of the outstanding principal balance of the current Bonds and the not to exceed amount of the proposed refinancing, is to allow for a possible fluctuation in interest rates at the time the actual refinancing takes place. (Filing, September 5, 2014).

7. Commission Staff recommended the refinancing of the Series 2003B Bonds, in an amount not to exceed $585,000, with an interest rate not to exceed 4.4%, be approved. (Final Joint Staff Memorandum, October 1, 2014).

8. Commission Staff recommended the refinancing of the Series 2006 Bonds, in an amount not to exceed $9,775,000, with an interest rate not to exceed 4.3%, be approved. (Id.).

9. Commission Staff recommended that any coverage requirements included in the refinancing not exceed 120%. (Id.).

10. Commission Staff recommended that after closing on the two Series 2014 Bonds, the District file a letter stating the amount borrowed and the interest rate for the bonds, as a closed entry in the case. (Id.).

11. The District agreed with Staff's final recommendations. (Filing, October 2, 2014).

§ 16–13A–1. Legislative findings

The Legislature of the state of West Virginia hereby determines and finds that the present system of public service districts within the state has provided a valuable service at a reasonable cost to persons who would otherwise have been

unable to obtain public utility services. To further this effort, and to insure that all areas of the state are benefiting from the availability of public service district utility services and to further correct areas with health hazards, the Legislature concludes that it is in the best interest of the public to implement better management of public service district resources by expanding the ability and the authority of the public service commission to assist public service districts by offering advice and assistance in operational, financial and regulatory affairs.

In addition to the expanded powers which shall be given to the public service commission, the Legislature also concludes that it is in the best interest of the public for each county commission to review current technology available and consider consolidating existing public service districts where it is feasible and will not result in the interference with existing bond instruments. Further, if such consolidation is not feasible, the Legislature finds that it is in the best interest of the public for each county commission to review current technology available and consider consolidating or centralizing the management of public service districts within its county or multi-county area to achieve efficiency of operations. The Legislature also finds that additional guidelines should be imposed on the creation of new public service districts and that county commissions shall dissolve inactive public service districts as hereinafter provided. The Legislature also finds that the public service commission shall promulgate rules and regulations to effectuate the expanded powers given to the commission relating to public service districts.

1. Validity

Title of act authorizing creation of public service districts in connection with acquisition, construction, maintenance, operation, improvement and extension of properties supplying water and sewerage services, clearly defines object and purposes of act and powers of governing board, and is sufficient to meet constitutional requirements. Acts 1953, c. 147; Const. art. 6,

§ 30. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Statutes ⇐ 123(3); Statutes ⇐ 123(5)

Statute authorizing creation of public service districts violates no provision of State Constitution, nor is it violative of Fourteenth Amendment to United States Constitution. Act 1953, c. 147; U.S.C.A.Const. Amend. 14. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Constitutional Law ⇐ 4056; Municipal Corporations ⇐ 4

In statute authorizing creation of public service districts, provision for delinquent fixed rates and charges for services rendered to be lien on premises served was not unconstitutional as depriving owners of property without due process of law or as violating Fourteenth Amendment of United States Constitution or applicable provisions of State Constitution. Acts 1953, c. 147, § 1 et seq.; Const. art. 3, §§ 9, 10; U.S.C.A.Const. Amend. 14. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Constitutional Law ⇐ 4416; Municipal Corporations ⇐ 408(1)

Statute authorizing creation of public service districts does not, in so far as it requires County Court to define territory to be included in public service district and appoint a board to govern same in first instance, involve unconstitutional delegation of judicial functions to the County Court, Acts 1953, c. 147; Const. art. 8, § 24. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Constitutional Law ⇐ 2355; Municipal Corporations ⇐ 4

2. In general

A public service district may be created for the purpose of furnishing water or sewer services, or both water and sewer services. Code, 16-13A-1. Canyon Public Service Dist. v. Tasa Coal Co., 1973, 195 S.E.2d 647, 156 W.Va. 606. Municipal Corporations ⇐ 5

Creation and operation of water or sanitary districts or authorities by issuance of revenue bonds payable from revenues are authorized. Code, 16-13A-1 et seq. State ex rel. Appalachian Power Co. v. Gainer, 1965, 143 S.E.2d 351, 149 W.Va. 740. Health ⇐ 369; Waters And Water Courses ⇐ 183.5

A county court may use Federal Revenue Sharing Funds for ordinary and necessary maintenance and operating expenses for sewage disposal, sanitation, and pollution abatement, and ordinary and necessary capital expenditures authorized by law but may not use such funds for matching purposes under any other federal-aid program. 55 W.Va. Op.Atty.Gen. 116 (June 27, 1973) 1973 WL 159152.

3. Construction and application

A public service district is a public corporation and does not come within constitutional provision which in substance provides that all corporations shall be created by general laws and which is applicable to private corporations. Acts 1953, c. 147, § 1 et seq.; Const. art. 11, § 1. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Statutes ⇐ 80(3)

4. Eminent domain powers

Where notice, hearing and order with respect to creation of public service district considered only the question of furnishing water, such district was created only for the purposes of furnishing water services, and had no power to condemn real estate for sewerage facilities. Code, 16-13A-1, 16-13A-2. Canyon Public Service Dist. v. Tasa Coal Co., 1973, 195 S.E.2d 647, 156 W.Va. 606. Eminent Domain ⇐ 32

Condemnation by public service district is not a taking of private property for private use in violation of applicable constitutional provision. Const. art. 3, § 9. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Eminent Domain ⇐ 13

5. Property of public service district

Property of public service district is public property used for public purposes, and, under constitutional provision that public property shall be exempt from taxation, statute authorizing creation of public service districts and granting tax exemption was not violative of constitutional provision requiring that taxation be equal and uniform throughout state. Acts 1953, c. 147, § 1 et seq.; Const. art. 10, § 1. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Taxation ⇐ 2289

6. Rates and charges for service

Relief under Federal Securities Act of 1933 was not adequate or sufficient remedy for relief sought by corporations holding sewer revenue bonds of public service district in mandamus proceeding to compel district to establish and collect rates for services rendered by district sufficient to provide for all operational and maintenance expenses, to pay, when due, principal and interest of revenue bonds issued by district, and to file tariff reflecting such charges with Public Service Commission, and any relief afforded under provisions of federal statute could not supersede relief which could be granted in mandamus proceeding. Securities Act of 1933, § 1 et seq., 15 U.S.C.A. § 77a et seq.; Code, 16-13A-1 et seq. State ex rel. Allstate Ins. Co. v. Union Public Service Dist., 1966, 151 S.E.2d 102, 151 W.Va. 207. Mandamus ⇐ 3(8)

Corporations holding sewer revenue bonds of public service district, a public corporation and political subdivision of state, had right by mandamus to enforce and compel district and members of the Public Service Board to establish, charge and collect rates for services rendered by district sufficient to provide for all operation-

al and maintenance expenses, to pay, when due, principal and interest of revenue bonds issued by district, and to file tariffs reflecting such charges with Public Service Commission. Code, 16–13A–1 et seq., 16–13A–9, 16–13A–10, 16–13A–13, 16–13A–17. State ex rel. Allstate Ins. Co. v. Union Public Service Dist., 1966, 151 S.E.2d 102, 151 W.Va. 207. Mandamus ⇐ 110

It was ministerial duty of chairman of public service board of public service district to sign revenue bonds and to assist in effectuating their issuance, and in view of constitutionality of statute authorizing creation of the public service board, relator's showing of legal right to require performance of such duty, was sufficient and writ of mandamus would issue. Acts 1953, c. 147. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Mandamus ⇐ 103

7. Creation and enforcement of liens

Public service district's failure to docket notice of lien prior to date purchaser recorded deed of trust prevented district from enforcing sewer lien against purchaser. Code, 16–13A–9, 38–10C–1. Public service district liens must be docketed to be enforceable against purchaser of property for valuable consideration, without notice. Code, 16–13A–9, 38–10C–1. McClung Investments, Inc. v. Statute authorizing creation of public service districts confers upon public service board authority to create mortgage lien on the property of public service district, and action of legislature conferring such authority was within the legislature's power. Acts 1953, c. 147; Const. art. 10, § 8. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Municipal Corporations ⇐ 222; Municipal Corporations ⇐ 225(1)

8. Admissibility of evidence

Extrinsic evidence relating to background and negotiations with regard to forming a public service district were not admissible in regard to construction of a contract for furnishing of water, where contract language was clear and unambiguous that district was to furnish water as customer should require. Berkeley County Public Service Dist. v. Vitro Corp. of America, 1968, 162 S.E.2d 189, 152 W.Va. 252. Evidence ⇐ 448

9. Costs

Costs of proceeding whereby constitutionality of statute authorizing creation of public service districts was tested would not be taxed against defendant who was chairman of public service board and who, honestly and in good faith, though mistakenly, endeavored to perform his duty in refusing to sign revenue bonds, and each litigant would pay his own costs. § 16–13A–1a. Jurisdiction of the public service commission

The jurisdiction of the public service commission relating to public service districts shall be expanded to include the following powers and such powers shall be in addition to all other powers of the public service commission set forth in this code:

(a) To study, modify, approve, deny or amend the plans created under section one-b of this article for consolidation or merger of public service districts and their facilities, personnel or administration;

(c) To create by general order a separate division within the public service commission to provide assistance to public service districts in technological, operational, financial and regulatory matters.

§ 16-13A-1b. County commissions to develop plan to create, consolidate, merge, expand or dissolve public service districts

Each county commission shall conduct a study of all public service districts which have their principal offices within its county and shall develop a plan relating to the creation, consolidation, merger, expansion or dissolution of such districts or the consolidation or merger of management and administrative services and personnel and shall present such plan to the public service commission for approval, disapproval, or modification: Provided, That within ninety days of the effective date of this section each county commission in this state shall elect either to perform its own study or request that the public service commission perform such study. Each county commission electing to perform its own study has one year from the date of election to present such plan to the public service commission. For each county wherein the county commission elects not to perform its own study, the public service commission shall conduct a study of such county. The public service commission shall establish a schedule for such studies upon a priority basis, with those counties perceived to have the greatest need of creation or consolidation of public service districts receiving the highest priority. In establishing the priority schedule, and in the performance of each study, the bureau of public health and the division of environmental protection shall offer their assistance and cooperation to the public service commission. Upon completion by the public service commission of each study, it shall be submitted to the appropriate county commission for review and comment. Each county commission has six months in which to review the study conducted by the public service commission, suggest changes or modifications thereof, and present such plan to the public service commission. All county plans, whether conducted by the county commission itself or submitted as a result of a public service commission study, shall, by order, be approved, disapproved or modified by the public service commission in accordance with rules promulgated by the public service commission and such order shall be implemented by the county commission.

§ 16–13A–2. Creation of districts by county commission; enlarging, reducing, merging, or dissolving district; consolidation; agreements, etc.; infringing upon powers of county commission; filing list of members and districts with the Secretary of State

(a) The county commission of any county may propose the creation, enlargement, reduction, merger, dissolution, or consolidation of a public service district by any of the following methods: (1) On its own motion by order duly adopted, (2) upon the recommendation of the Public Service Commission, or (3) by petition of twenty-five percent of the registered voters who reside within the limits of the proposed public service district within one or more counties. The petition shall contain a description, including metes and bounds, sufficient to identify the territory to be embraced therein and the name of such proposed district: *Provided,* That after the effective date of this section, no new public service district shall be created, enlarged, reduced, merged, dissolved or consolidated under this section without the written consent and approval of the Public Service Commission, which approval and consent shall be in accordance with rules promulgated by the Public Service Commission and may only be requested after consent is given by the appropriate county commission or commissions pursuant to this section. Any territory may be included regardless of whether or not the territory includes one or more cities, incorporated towns or other municipal corporations which own and operate any public service properties and regardless of whether or not it includes one or more cities, incorporated towns or other municipal corporations being served by privately owned public service properties: *Provided, however,* That the same territory shall not be included within the boundaries of more than one public service district except where the territory or part thereof is included within the boundaries of a separate public service district organized to supply water, sewerage services, stormwater services or gas facilities not being furnished within such territory or part thereof: *Provided further,* That no city, incorporated town or other municipal corporation shall be included within the boundaries of the proposed district

except upon the adoption of a resolution of the governing body of the city, incorporated town or other municipal corporation consenting.

(b) The petition shall be filed in the office of the clerk of the county commission of the county in which the territory to constitute the proposed district is situated, and if the territory is situated in more than one county, then the petition shall be filed in the office of the clerk of the county commission of the county in which the major portion of the territory extends, and a copy thereof (omitting signatures) shall be filed with each of the clerks of the county commission of the other county or counties into which the territory extends. The clerk of the county commission receiving such petition shall present it to the county commission of the county at the first regular meeting after the filing or at a special meeting called for the consideration thereof.

(c) When the county commission of any county enters an order on its own motion proposing the creation, enlargement, reduction, merger, dissolution or consolidation of a public service district, as aforesaid, or when a petition for the creation is presented, as aforesaid, the county commission shall at the same session fix a date of hearing in the county on the creation, enlargement, reduction, merger, dissolution or consolidation of the proposed public service district, which date so fixed shall be not more than forty days nor less than twenty days from the date of the action. Within ten days of fixing the date of hearing, the county commission shall provide the Executive Secretary of the Public Service Commission with a copy of the order or petition and notification of the time and place of the hearing to be held by the county commission. If the territory proposed to be included is situated in more than one county, the county commission, when fixing a date of hearing, shall provide for notifying the county commission and clerk thereof of each of the other counties into which the territory extends of the date so fixed. The clerk of the county commission of each county in which any territory in the proposed public service district is located shall cause notice of the hearing and the time and place thereof, and setting forth a description of all of the territory proposed to be included therein to be given by publication as a Class I legal advertisement in compliance with the provisions of article three, chapter fifty-nine of this code, and the publication area for the publication shall be by publication in each city, incorporated town or municipal corporation if available in each county in which any territory in the proposed public service district is located. The publication shall be at least ten days prior to the hearing.

(d) In all cases where proceedings for the creation, enlargement, reduction, merger, dissolution or consolidation of the public service districts are initiated by petition as aforesaid, the person filing the petition shall advance or satisfactorily indemnify the payment of the cost and expenses of publishing the hearing notice, and otherwise the costs and expenses of the notice shall be paid in the first instance by the county commission out of contingent funds or any other funds available or made available for that purpose. In addition to the notice required herein to be published, there shall also be posted in at least five conspicuous places in the proposed public service district, a notice containing

the same information as is contained in the published notice. The posted notices shall be posted not less than ten days before the hearing.

(e) All persons residing in or owning or having any interest in property in the proposed public service district shall have an opportunity to be heard for and against its creation, enlargement, reduction, merger, dissolution or consolidation. At the hearing the county commission before which the hearing is conducted shall consider and determine the feasibility of the creation, enlargement, reduction, merger, dissolution or consolidation of the proposed district. If the county commission determines that the construction or acquisition by purchase or otherwise and maintenance, operation, improvement and extension of public service properties by the public service district will be conducive to the preservation of public health, comfort and convenience of such area, the county commission shall by order create, enlarge, reduce, merge, dissolve or consolidate such public service district. If the county commission, after due consideration, determines that the proposed district will not be conducive to the preservation of public health, comfort or convenience of the area or that the creation, enlargement, reduction, merger, dissolution or consolidation of the proposed district as set forth and described in the petition or order is not feasible, it may refuse to enter an order creating the district or it may enter an order amending the description of the proposed district and create, enlarge, reduce, merge, dissolve or consolidate the district as amended.

(f) If the county commission determines that any other public service district or districts can adequately serve the area of the proposed public service district, whether by enlargement, reduction, merger, dissolution or consolidation, it shall refuse to enter the order, but shall enter an order creating, enlarging, reducing, merging, dissolving or consolidating the area with an existing public service district, in accordance with rules adopted by the Public Service Commission for such purpose: *Provided,* That no enlargement of a public service district may occur if the present or proposed physical facilities of the public service district are determined by the appropriate county commission or the Public Service Commission to be inadequate to provide such enlarged service. The clerk of the county commission of each county into which any part of such district extends shall retain in his office an authentic copy of the order creating, enlarging, reducing, merging, dissolving or consolidating the district: *Provided, however,* That within ten days after the entry of an order creating, enlarging, reducing, merging, dissolving or consolidating a district, such order must be filed for review and approval by the Public Service Commission. The Public Service Commission may provide a hearing in the affected county on the matter and may approve, reject or modify the order of the county commission if it finds it is in the best interests of the public to do so. The Public Service Commission shall adopt rules relating to such filings and the approval, disapproval or modification of county commission orders for creating, enlarging, merging, dissolving or consolidating districts. The provisions of this section shall not apply to the implementation by a county commission of an order issued by the Public Service Commission pursuant to this section and section one-b, of this article.

(g) The county commission may, if in its discretion it deems it necessary, feasible and proper, enlarge the district to include additional areas, reduce the area of the district, where facilities, equipment, service or materials have not been extended, or dissolve the district if inactive or create or consolidate two or more such districts. If consolidation of districts is not feasible, the county commission may consolidate and centralize management and administration of districts within its county or multi-county area to achieve efficiency of operations: *Provided,* That where the county commission determines on its own motion by order entered of record, or there is a petition to enlarge the district, merge and consolidate districts, or the management and administration thereof, reduce the area of the district or dissolve the district if inactive, all of the applicable provisions of this article providing for hearing, notice of hearing and approval by the Public Service Commission shall apply. The Commission shall at all times attempt to bring about the enlargement or merger of existing public service districts in order to provide increased services and to eliminate the need for creation of new public service districts in those areas which are not currently serviced by a public service district: *Provided, however,* That where two or more public service districts are consolidated pursuant to this section, any rate differentials may continue for the period of bonded indebtedness incurred prior to consolidation. The districts may not enter into any agreement, contract or covenant that infringes upon, impairs, abridges or usurps the duties, rights or powers of the county commission, as set forth in this article, or conflicts with any provision of this article.

(h) A list of all districts and their current board members shall be filed by the county commission with the Secretary of State and the Public Service Commission by the first day of July of each year.

Validity 1

1. Validity

Title of act authorizing creation of public service districts in connection with acquisition, construction, maintenance, operation, improvement and extension of properties supplying water and sewerage services, clearly defines object and purposes of act and powers of governing board, and is sufficient to meet constitutional requirements. Acts 1953, c. 147; Const. art. 6, § 30. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Statutes ⇐ 123(3); Statutes ⇐ 123(5).

Statute authorizing creation of public service districts does not, in so far as it requires County Court to define territory to be included in public service district and appoint a board to govern same in first instance, involve unconstitutional delegation of judicial functions to the County Court, Acts 1953, c. 147; Const. art. 8, § 24.

2. Creation of public service districts

Where notice, hearing and order with respect to creation of public service district considered only the question of furnishing water, such district was created only for the purposes of furnishing water services, and had no power to condemn real estate for sewerage facilities. Code, 16-13A–1, 16–13A–2. Canyon Public Service Dist. v. Tasa Coal Co., 1973, 195 S.E.2d 647, 156 W.Va. 606. Eminent Domain ⇐ 32

Where public service district was created for purpose of furnishing water services, county court had authority to add sewerage services to the facilities of the district under appropriate proceedings. Statute authorizing creation of public service districts confers upon public service board authority to create mortgage lien on the property of public service district, and action of legislature conferring such authority was within the legislature's power. 3. District boundaries

Public service district statute that allowed county commission to designate district's boundaries did not also empower commission to make service territories exclusive, displacing Public Service Commission's (PSC) authority to determine service rights. 4. Notice of hearing

Provisions of statute, with respect to creation of public service districts, which relate to the filing of the petition or motion of the county court, the description of the territory to be embraced, and like provisions are mandatory; but, despite use of the word "shall," the requirements for posting and publication of notice and the time of setting the hearing are directory and require only substantial compliance. Code, 16–13A–2. Canyon Public Service Dist. v. Tasa Coal Co., 1973, 195 S.E.2d 647, 156 W.Va. 606. Municipal Corporations ⇐ 12(3); Municipal Corporations ⇐ 12(6)

Though record with respect to creation of public service district was silent with respect to posting of notice of hearing and as to whether hearing was not more than 40 nor less than 20 days after his fixing the date for hearing as provided by statute, there was substantial compliance with statute where hearing was set some time prior to the date of the hearing, there was publication of notice more than ten days prior to the date of the hearing as required, and there were no objections either before, during or after the hearing to the creation of the district or to the procedures employed in its creation. Code, 16–13A–2. Canyon Public Service Dist. v. Tasa Coal Co., 1973, 195 S.E.2d 647, 156 W.Va. 606. Municipal Corporations ⇐ 12(6)

5. Number of voters within district

Public service district was not void because there were not 100 legal voters owning property within the district. Code, 16–13A–2. Canyon Public Service Dist. v. Tasa Coal Co., 1973, 195 S.E.2d 647, 156 W.Va. 606. Municipal Corporations ⇐ 6

6. Costs

Costs of proceeding whereby constitutionality of statute authorizing creation of public service districts was tested would not be taxed against defendant who was chairman of public service board and who, honestly and in good faith, though mistakenly, endeavored to perform his duty in refusing to sign revenue bonds, and each litigant would pay his own costs. § 16–13A–3. District to be a public corporation and political subdivision; powers thereof; public service boards

From and after the date of the adoption of the order creating any public service district, it is a public corporation and political subdivision of the state, but without any power to levy or collect ad valorem taxes. Each district may acquire, own and hold property, both real and personal, in its corporate name, and may sue, may be sued, may adopt an official seal and may enter into

contracts necessary or incidental to its purposes, including contracts with any city, incorporated town or other municipal corporation located within or without its boundaries for furnishing wholesale supply of water for the distribution system of the city, town or other municipal corporation, or for furnishing stormwater services for the city, town or other municipal corporation, and contract for the operation, maintenance, servicing, repair and extension of any properties owned by it or for the operation and improvement or extension by the district of all or any part of the existing municipally owned public service properties of any city, incorporated town or other municipal corporation included within the district: Provided, That no contract shall extend beyond a maximum of forty years, but provisions may be included therein for a renewal or successive renewals thereof and shall conform to and comply with the rights of the holders of any outstanding bonds issued by the municipalities for the public service properties.

The powers of each public service district shall be vested in and exercised by a public service board consisting of not less than three members, who shall be persons residing within the district, who possess certain educational, business or work experience which will be conducive to operating a public service district. Each board member shall, within six months of taking office, successfully complete the training program to be established and administered by the public service commission in conjunction with the division of environmental protection and the bureau of public health. Board members shall not be or become pecuniarily interested, directly or indirectly, in the proceeds of any contract or service, or in furnishing any supplies or materials to the district nor shall a former board member be hired by the district in any capacity within a minimum of twelve months after board member's term has expired or such board member has resigned from the district board. The members shall be appointed in the following manner:

Each city, incorporated town or other municipal corporation having a population of more than three thousand but less than eighteen thousand is entitled to appoint one member of the board, and each city, incorporated town or other municipal corporation having a population in excess of eighteen thousand shall be entitled to appoint one additional member of the board for each additional eighteen thousand population. The members of the board representing such cities, incorporated towns or other municipal corporations shall be residents thereof and shall be appointed by a resolution of the governing bodies thereof and upon the filing of a certified copy or copies of the resolution or resolutions in the office of the clerk of the county commission which entered the order creating the district, the persons so appointed become members of the board without any further act or proceedings. If the number of members of the board so appointed by the governing bodies of cities, incorporated towns or other municipal corporations included in the district equals or exceeds three, then no further members shall be appointed to the board and the members so appointed are the board of the district except in cases of merger or consolidation where the number of board members may equal five.

If no city, incorporated town or other municipal corporation having a population of more than three thousand is included within the district, then the county commission which entered the order creating the district shall appoint three members of the board, who are persons residing within the district and residing within the state of West Virginia, which three members become members of the board of the district without any further act or proceedings except in cases of merger or consolidation where the number of board members may equal five.

If the number of members of the board appointed by the governing bodies of cities, incorporated towns or other municipal corporations included within the district is less than three, then the county commission which entered the order creating the district shall appoint such additional member or members of the board, who are persons residing within the district, as is necessary to make the number of members of the board equal three except in cases of merger or consolidation where the number of board members may equal five, and the member or members appointed by the governing bodies of the cities, incorporated towns or other municipal corporations included within the district and the additional member or members appointed by the county commission as aforesaid, are the board of the district. A person may serve as a member of the board in one or more public service districts.

The population of any city, incorporated town or other municipal corporation, for the purpose of determining the number of members of the board, if any, to be appointed by the governing body or bodies thereof, is the population stated for such city, incorporated town or other municipal corporation in the last official federal census.

Notwithstanding any provision of this code to the contrary, whenever a district is consolidated or merged pursuant to section two of this article, the terms of office of the existing board members shall end on the effective date of the merger or consolidation. The county commission shall appoint a new board according to rules promulgated by the public service commission. Whenever districts are consolidated or merged no provision of this code prohibits the expansion of membership on the new board to five.

The respective terms of office of the members of the first board shall be fixed by the county commission and shall be as equally divided as may be, that is approximately one third of the members for a term of two years, a like number for a term of four years, the term of the remaining member or members for six years, from the first day of the month during which the appointments are made. The first members of the board appointed as aforesaid shall meet at the office of the clerk of the county commission which entered the order creating the district as soon as practicable after the appointments and shall qualify by taking an oath of office: Provided, That any member or members of the board may be removed from their respective office as provided in section three-a of this article.

Any vacancy shall be filled for the unexpired term within thirty days, otherwise successor members of the board shall be appointed for terms of six

years and the terms of office shall continue until successors have been appointed and qualified. All successor members shall be appointed in the same manner as the member succeeded was appointed. The district shall provide to the public service commission, within thirty days of the appointment, the following information: The new board member's name, home address, home and office phone numbers, date of appointment, length of term, who the new member replaces and if the new appointee has previously served on the board. The public service commission shall notify each new board member of the legal obligation to attend training as prescribed in this section.

The board shall organize within thirty days following the first appointments and annually thereafter at its first meeting after the first day of January of each year by selecting one of its members to serve as chair and by appointing a secretary and a treasurer who need not be members of the board. The secretary shall keep a record of all proceedings of the board which shall be available for inspection as other public records. Duplicate records shall be filed with the county commission and shall include the minutes of all board meetings. The treasurer is lawful custodian of all funds of the public service district and shall pay same out on orders authorized or approved by the board. The secretary and treasurer shall perform other duties appertaining to the affairs of the district and shall receive salaries as shall be prescribed by the board. The treasurer shall furnish bond in an amount to be fixed by the board for the use and benefit of the district.

The members of the board, and the chair, secretary and treasurer thereof, shall make available to the county commission, at all times, all of its books and records pertaining to the district's operation, finances and affairs, for inspection and audit. The board shall meet at least monthly.

The county commission or the public service commission or any other appointive body creating or establishing a public service district under the provisions of this article, or any group of five percent or more of the customers of a public service district, may petition the circuit court of the county in which the district maintains its principal office for the removal of any member of the governing board thereof for consistent violations of any provisions of this article, for reasonable cause which includes, but is not limited to, a continued failure to attend meetings of the board, failure to diligently pursue the objectives for which the district was created, or failure to perform any other duty either prescribed by law or required by a final order of the public service commission or for any malfeasance in public office. The board may construct any public service properties within or outside the district necessary or incidental to its purposes and each such district may acquire, construct, maintain and operate any such public service properties within the corporate limits of any city, incorporated town or other municipal corporation included within the district or in any unincorporated territory within ten miles of the territorial boundaries of the district: Provided, That if any incorporated city, town or other municipal corporation included within the district owns and operates either water facilities, sewer facilities, stormwater facilities or gas facilities or all of these, then the district may not acquire, construct, establish, improve or extend any public service properties of the same kind within such city, incorporated towns or other municipal corporations or the adjacent unincorporated territory served by such cities, incorporated towns or other municipal corporations, except upon the approval of the public service commission, the consent of such cities, incorporated towns or other municipal corporations and in conformity and compliance with the rights of the holders of any revenue bonds or obligations theretofore issued by such cities, incorporated towns or other municipal corporations then outstanding

1. Validity

Title of act authorizing creation of public service districts in connection with acquisition, construction, maintenance, operation, improvement and extension of properties supplying wa-

ter and sewerage services, clearly defines object and purposes of act and powers of governing board, and is sufficient to meet constitutional requirements. Acts 1953, c. 147; Const. art. 6, § 30. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Statutes ⇐ 123(3); Statutes ⇐ 123(5)

Property of public service district is public property used for public purposes, and, under constitutional provision that public property shall be exempt from taxation, statute authorizing creation of public service districts and granting tax exemption was not violative of constitutional provision requiring that taxation be equal and uniform throughout state. Acts 1953, c. 147, § 1 et seq.; Const. art. 10, § 1. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Taxation ⇐ 2289

2. In general

Statute providing that private property may be taken or damaged for a number of specified purposes amounts to legislative declaration of public purposes within meaning of laws, and it is a judicial question whether such declaration is consonant with organic law. Acts 1949, c. 59; Const. art. 3, § 9. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Constitutional Law ⇐ 2510

3. Eminent domain powers

Although construction of new facility proposed by utility will often require taking of private property through eminent domain, absent express statutory language Public Service Commission (PSC) has no duty to review and decide issues that are inherent in eminent domain proceeding. Sexton v. Public Service Com'n, 1992, 423 S.E.2d 914, 188 W.Va. 305. Public Utilities ⇐ 114

Statute providing that private property may be taken or damaged for a number of specified purposes is consonant with organic law and is constitutional. Acts 1949, c. 59; Const. art. 3, § 9. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Eminent Domain ⇐ 3

4. Valuation of property

Although landowner is competent to give estimate of value of property in eminent domain proceeding, that valuation is not conclusive; government agency may rely on appraisal report concerning estimated value of property to be taken. Sexton v. Public Service Com'n, 1992, 423 S.E.2d 914, 188 W.Va. 305. Evidence ⇐ 568(4)

5. Environmental assessment

Whether construction of sewage lagoons would constitute "nuisance" does not defeat Public Service Commission's (PSC) jurisdiction to issue certificate of public convenience and necessity; while PSC may assess environmental considerations, chief inquiry by PSC is need of public for project. Code, 24–2–11. Sexton v. Public Service Com'n, 1992, 423 S.E.2d 914, 188 W.Va. 305. Municipal Corporations ⇐ 708

6. Connections with sewers or drains

City, rather than sewer and water districts, was entitled to provide sewer and water services to newly developed tract that was within districts' boundaries, but was annexed to city, where such services were not previously furnished to tract. Code, 16–13A–8. Berkeley County Public Service Sewer Dist. v. West Virginia Public Service Com'n, 1998, 512 S.E.2d 201, 204 W.Va. 279. Municipal Corporations ⇐ 712(1); Waters And Water Courses ⇐ 201

If a tract of real estate located within a public service district has been annexed into a municipality, then, as between the municipality and the public service district, the municipality has the superior right to extend water and/or sewer service which were not being previously furnished to the tract by the public service district, and under those circumstances, a public service district would need the consent of the municipality and the Public Service Commission (PSC) in order to provide such service. Code, 16–13A–8. Berkeley County Public Service Sewer Dist. v. West Virginia Public Service Com'n, 1998, 512 S.E.2d 201, 204 W.Va. 279. Municipal Corporations ⇐ 712(1); Waters And Water Courses ⇐ 201; Waters And Water Courses ⇐ 202

7. Public corporation

A public service district is a public corporation and does not come within constitutional provision which in substance provides that all corporations shall be created by general laws and which is applicable to private corporations. Acts 1953, c. 147, § 1 et seq.; Const. art. 11, § 1. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Statutes ⇐ 80(3)

§ 16–13A–9. Rules; service rates and charges; discontinuance of service; required water and sewer connections; lien for delinquent fees

(a)(1) The board may make, enact and enforce all needful rules in connection with the acquisition, construction, improvement, extension, management,

maintenance, operation, care, protection and the use of any public service properties owned or controlled by the district. The board shall establish rates, fees and charges for the services and facilities it furnishes, which shall be sufficient at all times, notwithstanding the provisions of any other law or laws, to pay the cost of maintenance, operation and depreciation of the public service properties and principal of and interest on all bonds issued, other obligations incurred under the provisions of this article and all reserve or other payments provided for in the proceedings which authorized the issuance of any bonds under this article. The schedule of the rates, fees and charges may be based upon:

(A) The consumption of water or gas on premises connected with the facilities, taking into consideration domestic, commercial, industrial and public use of water and gas;

(B) The number and kind of fixtures connected with the facilities located on the various premises;

(C) The number of persons served by the facilities;

(D) Any combination of paragraphs (A), (B) and (C) of this subdivision; or

(E) May be determined on any other basis or classification which the board may determine to be fair and reasonable, taking into consideration the location of the premises served and the nature and extent of the services and facilities furnished. However, no rates, fees or charges for stormwater services may be assessed against highways, road and drainage easements or stormwater facilities constructed, owned or operated by the West Virginia division of highways.

(2) Where water, sewer, stormwater or gas services, or any combination thereof, are all furnished to any premises, the schedule of charges may be billed as a single amount for the aggregate of the charges. The board shall require all users of services and facilities furnished by the district to designate on every application for service whether the applicant is a tenant or an owner of the premises to be served. If the applicant is a tenant, he or she shall state the name and address of the owner or owners of the premises to be served by the district. Notwithstanding the provisions of section eight, article three, chapter twenty-four of this code to the contrary, all new applicants for service shall deposit the greater of a sum equal to two twelfths of the average annual usage of the applicant's specific customer class or fifty dollars, with the district to secure the payment of service rates, fees and charges in the event they become delinquent as provided in this section. If a district provides both water and sewer service, all new applicants for service shall deposit the greater of a sum equal to two twelfths of the average annual usage for water service or fifty dollars and the greater of a sum equal to two twelfths of the average annual usage for wastewater service of the applicant's specific customer class or fifty dollars. In any case where a deposit is forfeited to pay service rates, fees and charges which were delinquent at the time of disconnection or termination of service, no reconnection or reinstatement of service may be made by the district until another deposit equal to the greater of a sum equal to two twelfths of the average usage for the applicant's specific customer class or fifty dollars

has been remitted to the district. After twelve months of prompt payment history, the district shall return the deposit to the customer or credit the customer's account at a rate as the public service commission may prescribe: *Provided,* That where the customer is a tenant, the district is not required to return the deposit until the time the tenant discontinues service with the district. Whenever any rates, fees, rentals or charges for services or facilities furnished remain unpaid for a period of twenty days after the same become due and payable, the user of the services and facilities provided is delinquent and the user is liable at law until all rates, fees and charges are fully paid. The board may, under reasonable rules promulgated by the public service commission, shut off and discontinue water or gas services to all delinquent users of either water or gas facilities, or both, ten days after the water or gas services become delinquent.

(b) In the event that any publicly or privately owned utility, city, incorporated town, other municipal corporation or other public service district included within the district owns and operates separately either water facilities or sewer facilities, and the district owns and operates the other kind of facilities either water or sewer, as the case may be, then the district and the publicly or privately owned utility, city, incorporated town or other municipal corporation or other public service district shall covenant and contract with each other to shut off and discontinue the supplying of water service for the nonpayment of sewer service fees and charges: *Provided,* That any contracts entered into by a public service district pursuant to this section shall be submitted to the public service commission for approval. Any public service district providing water and sewer service to its customers has the right to terminate water service for delinquency in payment of either water or sewer bills. Where one public service district is providing sewer service and another public service district or a municipality included within the boundaries of the sewer district is providing water service, and the district providing sewer service experiences a delinquency in payment, the district or the municipality included within the boundaries of the sewer district that is providing water service, upon the request of the district providing sewer service to the delinquent account, shall terminate its water service to the customer having the delinquent sewer account: *Provided, however,* That any termination of water service must comply with all rules and orders of the public service commission.

(c) Any district furnishing sewer facilities within the district may require, or may by petition to the circuit court of the county in which the property is located, compel or may require the division of health to compel all owners, tenants or occupants of any houses, dwellings and buildings located near any sewer facilities where sewage will flow by gravity or be transported by other methods approved by the division of health, including, but not limited to, vacuum and pressure systems, approved under the provisions of section nine, article one, chapter sixteen of this code, from the houses, dwellings or buildings into the sewer facilities, to connect with and use the sewer facilities and to cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from the houses, dwellings and buildings where

there is gravity flow or transportation by any other methods approved by the division of health, including, but not limited to, vacuum and pressure systems, approved under the provisions of section nine, article one, chapter sixteen of this code and the houses, dwellings and buildings can be adequately served by the sewer facilities of the district and it is declared that the mandatory use of the sewer facilities provided for in this paragraph is necessary and essential for the health and welfare of the inhabitants and residents of the districts and of the state. If the public service district requires the property owner to connect with the sewer facilities even when sewage from dwellings may not flow to the main line by gravity and the property owner incurs costs for any changes in the existing dwellings' exterior plumbing in order to connect to the main sewer line, the public service district board shall authorize the district to pay all reasonable costs for the changes in the exterior plumbing, including, but not limited to, installation, operation, maintenance and purchase of a pump or any other method approved by the division of health. Maintenance and operation costs for the extra installation should be reflected in the users charge for approval of the public service commission. The circuit court shall adjudicate the merits of the petition by summary hearing to be held not later than thirty days after service of petition to the appropriate owners, tenants or occupants.

(d) Whenever any district has made available sewer facilities to any owner, tenant or occupant of any house, dwelling or building located near the sewer facility and the engineer for the district has certified that the sewer facilities are available to and are adequate to serve the owner, tenant or occupant and sewage will flow by gravity or be transported by other methods approved by the division of health from the house, dwelling or building into the sewer facilities, the district may charge, and the owner, tenant or occupant shall pay the rates and charges for services established under this article only after thirty-day notice of the availability of the facilities has been received by the owner, tenant or occupant. Rates and charges for sewage services shall be based upon actual water consumption or the average monthly water consumption based upon the owner's, tenant's or occupant's specific customer class.

(e) Whenever any district has made available a stormwater system to any owner, tenant or occupant of any real property located near the stormwater system and where stormwater from real property affects or drains into the stormwater system, it is hereby found, determined and declared that the owner, tenant or occupant is being served by the stormwater system and it is further hereby found, determined and declared that the mandatory use of the stormwater system is necessary and essential for the health and welfare of the inhabitants and residents of the district and of the state. The district may charge, and the owner, tenant or occupant shall pay the rates, fees and charges for stormwater services established under this article only after thirty-day notice of the availability of the stormwater system has been received by the owner.

(f) All delinquent fees, rates and charges of the district for either water facilities, sewer facilities, gas facilities or stormwater systems or stormwater management programs are liens on the premises served of equal dignity, rank and priority with the lien on the premises of state, county, school and munici-

pal taxes. In addition to the other remedies provided in this section, public service districts are granted a deferral of filing fees or other fees and costs incidental to the bringing and maintenance of an action in magistrate court for the collection of delinquent water, sewer, stormwater or gas bills. If the district collects the delinquent account, plus reasonable costs, from its customer or other responsible party, the district shall pay to the magistrate the normal filing fee and reasonable costs which were previously deferred. In addition, each public service district may exchange with other public service districts a list of delinquent accounts: *Provided,* That an owner of real property may not be held liable for the delinquent rates or charges for services or facilities of a tenant, nor may any lien attach to real property for the reason of delinquent rates or charges for services or facilities of a tenant of the real property, unless the owner has contracted directly with the public service district to purchase the services or facilities.

(g) Anything in this section to the contrary notwithstanding, any establishment, as defined in section three, article eleven, chapter twenty-two, now or hereafter operating its own sewage disposal system pursuant to a permit issued by the division of environmental protection, as prescribed by section eleven, article eleven, chapter twenty-two of this code, is exempt from the provisions of this section.

Public service district liens 3
Rates and charges for service 4
Takings 2
Validity 1

1. Validity

In statute authorizing creation of public service districts, provision for delinquent fixed rates and charges for services rendered to be lien on premises served was not unconstitutional as depriving owners of property without due process of law or as violating Fourteenth Amendment of United States Constitution or applicable provisions of State Constitution. Acts 1953, c. 147, § 1 et seq.; Const. art. 3, §§ 9, 10; U.S.C.A.Const. Amend. 14. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Constitutional Law ⇐ 4416; Municipal Corporations ⇐ 408(1)

2. Takings

Public service district's requiring property owner to connect onto its sewer system and to abandon private sewer system located on property was not a taking of private property without just compensation. Const. Art. 3, § 9; Code, 16-13A-9; U.S.C.A. Const.Amend. 5. Kingmill Valley Public Service Dist. v. River-

view Estates Mobile Home Park, Inc., 1989, 386 S.E.2d 483, 182 W.Va. 116. Eminent Domain ⇐ 2.18

Statute providing that private property may be taken or damaged for a number of specified purposes amounts to legislative declaration of public purposes within meaning of laws, and it is a judicial question whether such declaration is consonant with organic law. Acts 1949, c. 59; Const. art. 3, § 9. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Constitutional Law ⇐ 2510

3. Public service district liens

Public service district liens must be docketed to be enforceable against purchaser of property for valuable consideration, without notice. Code, 16–13A–9, 38–10C–1. McClung Investments, Inc. v. Green Valley Community Public Service Dist., 1997, 485 S.E.2d 434, 199 W.Va. 490. Gas ⇐ 14.6; Municipal Corporations ⇐ 712(7); Waters And Water Courses ⇐ 203(14)

Public service district's failure to docket notice of lien prior to date purchaser recorded deed of trust prevented district from enforcing sewer lien against purchaser. Code, 16–13A–9, 38–10C–1. McClung Investments, Inc. v. Green Valley Community Public Service Dist., 1997, 485 S.E.2d 434, 199 W.Va. 490. Municipal Corporations ⇐ 712(7)

If owner, tenant or occupant of garage apartment did not receive notice that public service district's sewer facilities were available for apartment, district would have been without statutory authority to impose charges and a lien against apartment for sewer services, though the apartment was on a lot containing another dwelling which was properly subject to sewer service charges. Code, 16–13A–9, 16–13A–21. Rhodes v. Malden Public Service Dist., 1983, 301 S.E.2d 601, 171 W.Va. 645. Municipal Corporations ⇐ 712(7)

Statute authorizing creation of public service districts confers upon public service board authority to create mortgage lien on the property of public service district, and action of legislature conferring such authority was within the legislature's power. Acts 1953, c. 147; Const. art. 10, § 8. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Municipal Corporations ⇐ 222; Municipal Corporations ⇐ 225(1)

4. Rates and charges for service

Statute clearly and unambiguously gives Public Service Commission (PSC) power to reduce or increase utility rates whenever it finds that existing rate is unjust, unreasonable, insufficient, or unjustly discriminatory or otherwise in violation of any provision of legislation governing Commission. Code, 24–1–1 et seq., 24–2–3. State ex rel. Water Development Authority v. Northern Wayne County Public Service Dist., 1995, 464 S.E.2d 777, 195 W.Va. 135. Public Utilities ⇐ 123

Corporations holding sewer revenue bonds of public service district, a public corporation and political subdivision of state, had right by mandamus to enforce and compel district and members of the Public Service Board to establish, charge and collect rates for services rendered by district sufficient to provide for all operational and maintenance expenses, to pay, when due, principal and interest of revenue bonds issued by district, and to file tariffs reflecting such charges with Public Service Commission. Code, 16–13A–1 et seq., 16–13A–9, 16–13A–10, 16–13A–13, 16–13A–17. State ex rel. Allstate Ins. Co. v. Union Public Service Dist., 1966, 151 S.E.2d 102, 151 W.Va. 207. Mandamus ⇐ 110

Duty imposed on public service district, a public corporation and political subdivision of state, to establish rates and charges sufficient to pay cost of maintenance, operation and depreciation of properties of district and principal of and interest on all bonds issued by district is nondiscretionary duty which may be enforced by mandamus. Code, 16–13A–9. State ex rel. Allstate Ins. Co. v. Union Public Service Dist., 1966, 151 S.E.2d 102, 151 W.Va. 207. Mandamus ⇐ 80

5. Notice of availability of sewer service

Issue of fact as to whether owner or tenant had received notice that public service district's sewer services were available for garage apartment, so as to allow imposition of sewer service charges and a lien against apartment, was not appropriate for resolution in mandamus proceeding. Code, 16–13A–9, 16–13A–21. Rhodes v. Malden Public Service Dist., 1983, 301 S.E.2d 601, 171 W.Va. 645. Mandamus ⇐ 174

§ 16–13A–9a. Limitations with respect to foreclosure

No public service district shall foreclose upon the premises served by such district for delinquent fees, rates or charges for which a lien is authorized by sections nine or nineteen of this article except through the bringing and maintenance of a civil action for such purpose brought in the circuit court of the county wherein the district lies. In every such action, the court shall be required to make a finding based upon the evidence and facts presented that

the district prior to the bringing of such action had exhausted all other remedies for the collection of debts with respect to such delinquencies. In no event shall foreclosure procedures be instituted by any such district or on its behalf unless such delinquency had been in existence or continued for a period of two years from the date of the first such delinquency for which foreclosure is being sought.

Validity 1

---

1. Validity

Statute authorizing creation of public service districts violates no provision of State Constitution, nor is it violative of Fourteenth Amendment to United States Constitution. Act 1953, c. 147; U.S.C.A.Const. Amend. 14. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Constitutional Law ⇐ 4056; Municipal Corporations ⇐ 4

Statute authorizing creation of public service districts does not, in so far as it requires County Court to define territory to be included in public service district and appoint a board to govern same in first instance, involve unconstitutional

delegation of judicial functions to the County Court, Acts 1953, c. 147; Const. art. 8, § 24. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Constitutional Law ⇐ 2355; Municipal Corporations ⇐ 4

2. In general

Statute authorizing creation of public service districts confers upon public service board authority to create mortgage lien on the property of public service district, and action of legislature conferring such authority was within the legislature's power. Acts 1953, c. 147; Const. art. 10, § 8. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Municipal Corporations ⇐ 222; Municipal Corporations ⇐ 225(1)

Title of act authorizing creation of public service districts in connection with acquisition, construction, maintenance, operation, improvement and extension of properties supplying water and sewerage services, clearly defines object and purposes of act and powers of governing board, and is sufficient to meet constitutional requirements. Notes of Decisions

In general 1

1. In general

The borrowing by PSD's of money from counties and/or municipalities, as evidenced by a note, is permissible borrowing under this section. 62 W.Va. Op.Atty.Gen. 27 (May 6, 1988) 1988 WL 483331.

§ 16-13A-25. Borrowing and bond issuance; procedure

(a) Notwithstanding any other provisions of this article to the contrary, a public service district may not borrow money, enter into contracts for the provision of engineering, design or feasibility studies, issue or contract to issue revenue bonds or exercise any of the powers conferred by the provisions of section thirteen, twenty or twenty-four of this article without the prior consent and approval of the Public Service Commission: *Provided*, That approval of funding set forth in section eleven, article two, chapter twenty-four of this code or this section is not required if the funding is for a project which has received a certificate of public convenience and necessity after the eighth day of July, two thousand five, from the commission and where the cost of the project changes but the change does not affect the rates established for the project.

(b) The Public Service Commission may waive the provision of prior consent and approval for entering into contracts for engineering, design or feasibility studies pursuant to this section for good cause shown which is evidenced by the public service district filing a request for waiver of this section stated in a letter directed to the commission with a brief description of the project, a verified statement by the board members that the public service district has complied with chapter five-g of this code, and further explanation of ability to evaluate their own engineering contract, including, but not limited to:

(1) Experience with the same engineering firm; or

(2) Completion of a construction project requiring engineering services. The district shall also forward an executed copy of the engineering contract to the commission after receiving approval of the waiver.

(c) An engineering contract that meets one or more of the following criteria is exempt from the waiver or approval requirements:

(1) A contract with a public service district that is a Class A utility on the first day of April, two thousand three, or subsequently becomes a Class A utility as defined by commission rule;

(2) A contract with a public service district that does not require borrowing and that can be paid out of existing rates;

(3) A contract where the payment of engineering fees are contingent upon the receipt of funding, and commission approval of the funding, to construct the project which is the subject of the contract; or

(4) A contract that does not exceed fifteen thousand dollars.

(d) Requests for approval or waivers of engineering contracts shall be deemed granted thirty days after the filing date unless the staff of the Public Service Commission or a party files an objection to the request. If an objection is filed, the Public Service Commission shall issue its decision within one hundred twenty days of the filing date. In the event objection is received to a request for a waiver, the application shall be considered a request for waiver as well as a request for approval in the event a waiver is not appropriate.

(e) Unless the properties to be constructed or acquired represent ordinary extensions or repairs of existing systems in the usual course of business, a public service district must first obtain a certificate of public convenience and necessity from the Public Service Commission in accordance with the provision of chapter twenty-four of this code when a public service district is seeking to acquire or construct public service property.

§ 16–13A–3. District to be a public corporation and political subdivision; powers thereof; public service boards

From and after the date of the adoption of the order creating any public service district, it is a public corporation and political subdivision of the state, but without any power to levy or collect ad valorem taxes. Each district may acquire, own and hold property, both real and personal, in its corporate name; and may sue, may be sued, may adopt an official seal and may enter into contracts necessary or incidental to its purposes, including contracts with any city, incorporated town or other municipal corporation located within or without its boundaries for furnishing wholesale supply of water for the distribution system of the city, town or other municipal corporation, or for furnishing storm water services for the city, town or other municipal corporation, and contract for the operation, maintenance, servicing, repair and extension of any properties owned by it or for the operation and improvement or extension by the district of all or any part of the existing municipally owned public service properties of any city, incorporated town or other municipal corporation included within the district: *Provided*, That no contract shall extend beyond a maximum of forty years, but provisions may be included therein for a renewal or successive renewals thereof and shall conform to and comply with the rights of the holders of any outstanding bonds issued by the municipalities for the public service properties.

The powers of each public service district shall be vested in and exercised by a public service board consisting of not less than three members who shall be persons residing within the district, who possess certain educational, business or work experience which will be conducive to operating a public service district. In the event the public service district is providing any utility service and billing rates and charges to its customers, at least one board member shall be a rate-paying residential customer of the public service district: *Provided*, That if an existing public service board does not have a member who is a rate-paying residential customer of the public service district on July 1, 2013, the next following appointment to the board shall be a rate-paying residential customer of that public service district. For purposes of this section, "rate-paying residential customer" means a person who:

(1) In the case of a water or sewer public service district, is physically connected to and actively receiving residential public service district utility services; or

(2) In the case of a storm water public service district, has storm water conveyed away from the residential property by a utility owned system; and

(3) Has an active account in good standing and is the occupier of the residential property which is on the public service district utility service account.

Each board member shall, within six months of taking office, successfully complete the training program to be established and administered by the Public Service Commission in conjunction with the Department of Environmental Protection and the Bureau for Public Health. Board members shall not be or become pecuniarily interested, directly or indirectly, in the proceeds of any contract or service, or in furnishing any supplies or materials to the district nor shall a former board member be hired by the district in any capacity within a minimum of twelve months after board member's term has expired or such board member

has resigned from the district board. The members shall be appointed in the following manner:

Each city, incorporated town or other municipal corporation having a population of more than three thousand but less than eighteen thousand is entitled to appoint one member of the board, and each city, incorporated town or other municipal corporation having a population in excess of eighteen thousand shall be entitled to appoint one additional member of the board for each additional eighteen thousand population. The members of the board representing such cities, incorporated towns or other municipal corporations shall be residents thereof and shall be appointed by a resolution of the governing bodies thereof and upon the filing of a certified copy or copies of the resolution or resolutions in the office of the clerk of the county commission which entered the order creating the district, the persons so appointed become members of the board without any further act or proceedings. If the number of members of the board so appointed by the governing bodies of cities, incorporated towns or other municipal corporations included in the district equals or exceeds three, then no further members shall be appointed to the board and the members so appointed are the board of the district except in cases of merger or consolidation where the number of board members may equal five.

If no city, incorporated town or other municipal corporation having a population of more than three thousand is included within the district, then the county commission which entered the order creating the district shall appoint three members of the board, who are persons residing within the district and residing within the State of West Virginia, which three members become members of the board of the district without any further act or proceedings except in cases of merger or consolidation where the number of board members may equal five.

If the number of members of the board appointed by the governing bodies of cities, incorporated towns or other municipal corporations included within the district is less than three, then the county commission which entered the order creating the district shall appoint such additional member or members of the board, who are persons residing within the district, as is necessary to make the number of members of the board equal three except in cases of merger or consolidation where the number of board members may equal five, and the member or members appointed by the governing bodies of the cities, incorporated towns or other municipal corporations included within the district and the additional member or members appointed by the county commission as aforesaid, are the board of the district. A person may serve as a member of the board in one or more public service districts.

The population of any city, incorporated town or other municipal corporation, for the purpose of determining the number of members of the board, if any, to be appointed by the governing body or bodies thereof, is the population stated for such city, incorporated town or other municipal corporation in the last official federal census.

Notwithstanding any provision of this code to the contrary, whenever a district is consolidated or merged pursuant to section two of this article, the terms of office of the existing board members shall end on the effective date of the merger or consolidation. The county commission shall appoint a new board according to rules promulgated by the Public Service Commission. Whenever districts are consolidated or merged no provision of this code prohibits the expansion of membership on the new board to five.

The respective terms of office of the members of the first board shall be fixed by the county commission and shall be as equally divided as may be, that is approximately one third of the members for a term of two years, a like number for a term of four years, the term of the remaining member or members for six years, from the first day of the month during which the appointments are made. The first members of the board appointed as aforesaid shall meet at the office of the clerk of the county commission which entered the order creating the district as soon as practicable after the appointments and shall qualify by taking an oath of office: *Provided*, That any member or members of the board may be removed from their respective office as provided in section three-a of this article.

Any vacancy shall be filled for the unexpired term within thirty days; otherwise successor members of the board shall be appointed for terms of six years and the terms of office shall continue until successors have been appointed and qualified. All successor members shall be

appointed in the same manner as the member succeeded was appointed. The district shall provide to the Public Service Commission, within thirty days of the appointment, the following information: The new board member's name, home address, home and office phone numbers, date of appointment, length of term, who the new member replaces and if the new appointee has previously served on the board. The Public Service Commission shall notify each new board member of the legal obligation to attend training as prescribed in this section.

The board shall organize within thirty days following the first appointments and annually thereafter at its first meeting after January 1 of each year by selecting one of its members to serve as chair and by appointing a secretary and a treasurer who need not be members of the board. The secretary shall keep a record of all proceedings of the board which shall be available for inspection as other public records. Duplicate records shall be filed with the county commission and shall include the minutes of all board meetings. The treasurer is lawful custodian of all funds of the public service district and shall pay same out on orders authorized or approved by the board. The secretary and treasurer shall perform other duties appertaining to the affairs of the district and shall receive salaries as shall be prescribed by the board. The treasurer shall furnish bond in an amount to be fixed by the board for the use and benefit of the district.

The members of the board, and the chair, secretary and treasurer thereof, shall make available to the county commission, at all times, all of its books and records pertaining to the district's operation, finances and affairs, for inspection and audit. The board shall meet at least monthly.

(4) For districts with annual revenues of $500,000 or more, up to $200 per attendance at regular monthly meetings and $150 per attendance at additional special meetings, total salary not to exceed $6,400 per annum.

The public service district shall certify the number of customers served and its annual revenue to the Public Service Commission on July 1 of each fiscal year.

(d) Board members may be reimbursed for all reasonable and necessary expenses actually incurred in the performance of their duties as provided by the rules of the board. Notwithstanding any other provision of this code to the contrary, board members are not eligible for salary payment or reimbursement for expenses incurred prior to the public service district initiating service to its first customer. Salary and reimbursement for expenses may be incurred only at meetings occurring after the public service district initiated service to customers.

(e) The board shall by resolution determine its own rules of procedure, fix the time and place of its meetings and the manner in which special meetings may be called. Public notice of meetings shall be given in accordance with section three, article nine-a, chapter six of this code. Emergency meetings may be called as provided by that section. A majority of the members constituting the board also constitute a quorum to do business.

(f) The members of the board are not personally liable or responsible for any obligations of the district or the board, but are answerable only for willful misconduct in the performance of their duties. The county commission which created a district or county commissions if more than one created the district may, upon written request of the district, adopt an order changing the official name of a public service district: *Provided*, That the name change will not be effective until approved by the Public Service Commission of West Virginia and the owners of any bonds and notes issued by the district, if any, shall have consented, in writing, to the name change. If a district includes territory located in more than one county, the county commission or county commissions changing the name of the district shall provide any county commission into which the district also extends with a certified copy of the order changing the name of the district. The official name of any district created under the provisions of this article may contain the name or names of any city, incorporated town or other municipal corporation included therein or the name of any county or counties in which it is located.

§ 16-13A-7. Acquisition and operation of district properties

The board of these districts shall have the supervision and control of all public service properties acquired or constructed by the district, and shall have the power, and it shall be its duty, to maintain, operate, extend and improve the same, including, but not limited to, those activities necessary to comply with all federal and state requirements, including water quality improvement activities. All contracts involving the expenditure by the district of more than $25,000 for construction work or for the purchase of equipment and improvements, extensions or replacements, shall be entered into only after notice inviting bids shall have been published as a Class I legal advertisement in compliance with the provision of article three, chapter fifty-nine of this code, and the publication area for such publication shall be as specified in section two of this article in the county or counties in which the district is located. The publication shall not be less than ten days prior to the making of any such contract. To the extent allowed by law, in-state contractors shall be given first priority in awarding public service district contracts. It shall be the duty of the board to ensure that local in-state labor shall be utilized to the greatest extent possible when hiring laborers for public service district

construction or maintenance repair jobs. It shall further be the duty of the board to encourage contractors to use American made products in their construction to the extent possible. Any obligations incurred of any kind or character shall not in any event constitute or be deemed an indebtedness within the meaning of any of the provisions or limitations of the Constitution, but all such obligations shall be payable solely and only out of revenues derived from the operation of the public service properties of the district or from proceeds of bonds issued as hereinafter provided. No continuing contract for the purchase of materials or supplies or for furnishing the district with electrical energy or power shall be entered into for a longer period than fifteen years.

§ 16-13A-9. Rules; service rates and charges; discontinuance of service; required water and sewer connections; lien for delinquent fees

(a)(1) The board may make, enact and enforce all needful rules in connection with the acquisition, construction, improvement, extension, management, maintenance, operation, care, protection and the use of any public service properties owned or controlled by the district. The board shall establish rates, fees and charges for the services and facilities it furnishes, which shall be sufficient at all times, notwithstanding the provisions of any other law or laws, to pay the cost of maintenance, operation and depreciation of the public service properties and principal of and interest on all bonds issued, other obligations incurred under the provisions of this article and all reserve or other payments provided for in the proceedings which authorized the issuance of any bonds under this article. The schedule of the rates, fees and charges may be based upon:

(A) The consumption of water or gas on premises connected with the facilities, taking into consideration domestic, commercial, industrial and public use of water and gas;

(B) The number and kind of fixtures connected with the facilities located on the various premises;

(C) The number of persons served by the facilities;

(D) Any combination of paragraphs (A), (B) and (C) of this subdivision; or

(E) May be determined on any other basis or classification which the board may determine to be fair and reasonable, taking into consideration the location of the premises served and the nature and extent of the services and facilities furnished. However, no rates, fees or charges for stormwater services may be assessed against highways, road and drainage easements or stormwater facilities constructed, owned or operated by the West Virginia Division of Highways.

(2) Where water, sewer, stormwater or gas services, or any combination thereof, are all furnished to any premises, the schedule of charges may be billed as a single amount for the aggregate of the charges. The board shall require all users of services and facilities furnished by the district to designate on every application for service whether the applicant is a tenant or an owner of the premises to be served. If the applicant is a tenant, he or she shall state the name and address of the owner or owners of the premises to be served by the district. Notwithstanding the provisions of section eight, article three, chapter twenty-four of this code to the contrary, all new applicants for service shall deposit the greater of a sum equal to two twelfths of the average annual usage of the applicant's specific customer class or $50, with the district to secure the payment of service rates, fees and charges in the event they become delinquent as provided in this section. If a district provides both water and sewer service, all new applicants for service shall deposit the greater of a sum equal to two twelfths of the average annual usage for water service or $50 and the greater of a sum equal to two twelfths of the average annual usage for wastewater service of the applicant's specific customer class or $50. In any case where a deposit is forfeited to pay service rates, fees and charges which were delinquent at the time of disconnection or termination of service, no reconnection or reinstatement of service may be made by the district until another deposit equal to the greater of a sum equal to two twelfths of the average usage for the applicant's specific customer class or $50 has been remitted to the district. After twelve months of

prompt payment history, the district shall return the deposit to the customer or credit the customer's account at a rate as the Public Service Commission may prescribe: *Provided,* That where the customer is a tenant, the district is not required to return the deposit until the time the tenant discontinues service with the district. Whenever any rates, fees, rentals or charges for services or facilities furnished remain unpaid for a period of twenty days after the same become due and payable, the user of the services and facilities provided is delinquent and the user is liable at law until all rates, fees and charges are fully paid. The board may, under reasonable rules promulgated by the Public Service Commission, shut off and discontinue water or gas services to all delinquent users of either water or gas facilities, or both, ten days after the water or gas services become delinquent. *Provided, however,* That nothing contained within the rules of the Public Service Commission shall be deemed to require any agents or employees of the board to accept payment at the customer's premises in lieu of discontinuing service for a delinquent bill.

(b) In the event that any publicly or privately owned utility, city, incorporated town, other municipal corporation or other public service district included within the district owns and operates separately water facilities, sewer facilities or stormwater facilities and the district owns and operates another kind of facility either water or sewer, or both, as the case may be, then the district and the publicly or privately owned utility, city, incorporated town or other municipal corporation or other public service district shall covenant and contract with each other to shut off and discontinue the supplying of water service for the nonpayment of sewer or stormwater service fees and charges: *Provided,* That any contracts entered into by a public service district pursuant to this section shall be submitted to the Public Service Commission for approval. Any public service district which provides water and sewer service, water and stormwater service or water, sewer and stormwater service has the right to terminate water service for delinquency in payment of water, sewer or stormwater bills. Where one public service district is providing sewer service and another public service district or a municipality included within the boundaries of the sewer or stormwater district is providing water service and the district providing sewer or stormwater service experiences a delinquency in payment, the district or the municipality included within the boundaries of the sewer or stormwater district that is providing water service, upon the request of the district providing sewer or stormwater service to the delinquent account, shall terminate its water service to the customer having the delinquent sewer or stormwater account: *Provided, however,* That any termination of water service must comply with all rules and orders of the Public Service Commission: *Provided further,* That nothing contained within the rules of the Public Service Commission shall be deemed to require any agents or employees of the Public Service Districts to accept payment at the customer's premises in lieu of discontinuing service for a delinquent bill.

(c) Any district furnishing sewer facilities within the district may require, or may by petition to the circuit court of the county in which the property is located, compel or may require the Division of Health to compel all owners, tenants or occupants of any houses, dwellings and buildings located near any sewer facilities where sewage will flow by gravity or be transported by other methods approved by the Division of Health, including, but not limited to, vacuum and pressure systems, approved under the provisions of section nine, article one, chapter sixteen of this code, from the houses, dwellings or buildings into the sewer facilities, to connect with and use the sewer facilities and to cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from the houses, dwellings and buildings where there is gravity flow or transportation by any other methods approved by the Division of Health, including, but not limited to, vacuum and pressure systems, approved under the provisions of section nine, article one, chapter sixteen of this code and the houses, dwellings and buildings can be adequately served by the sewer facilities of the district and it is declared that the mandatory use of the sewer facilities provided for in this paragraph is necessary and essential for the health and welfare of the inhabitants and residents of the districts and of the state. If the public service district requires the property owner to connect with the sewer facilities even when sewage from dwellings may not flow to the main line by gravity and the property owner incurs costs for any changes in the existing dwellings' exterior plumbing in order to connect to the main sewer line, the Public Service District Board shall authorize the district to pay all reasonable costs for the changes in the exterior plumbing, including, but not limited to, installation,

operation, maintenance and purchase of a pump or any other method approved by the Division of Health. Maintenance and operation costs for the extra installation should be reflected in the users charge for approval of the Public Service Commission. The circuit court shall adjudicate the merits of the petition by summary hearing to be held not later than thirty days after service of petition to the appropriate owners, tenants or occupants.

(d) Whenever any district has made available sewer facilities to any owner, tenant or occupant of any house, dwelling or building located near the sewer facility and the engineer for the district has certified that the sewer facilities are available to and are adequate to serve the owner, tenant or occupant and sewage will flow by gravity or be transported by other methods approved by the Division of Health from the house, dwelling or building into the sewer facilities, the district may charge, and the owner, tenant or occupant shall pay, the rates and charges for services established under this article only after thirty-day notice of the availability of the facilities has been received by the owner, tenant or occupant. Rates and charges for sewage services shall be based upon actual water consumption or the average monthly water consumption based upon the owner's, tenant's or occupant's specific customer class.

(e) The owner, tenant or occupant of any real property may be determined and declared to be served by a stormwater system only after each of the following conditions is met: (1) The district has been designated by the Environmental Protection Agency as an entity to serve a West Virginia Separate Storm Sewer System community, as defined in 40 C.F.R. § 122.26; (2) the district's authority has been properly expanded to operate and maintain a stormwater system; (3) the district has made available a stormwater system where stormwater from the real property affects or drains into the stormwater system; and (4) the real property is located in the Municipal Separate Storm Sewer System's designated service area. It is further hereby found, determined and declared that the mandatory use of the stormwater system is necessary and essential for the health and welfare of the inhabitants and residents of the district and of the state. The district may charge and the owner, tenant or occupant shall pay the rates, fees and charges for stormwater services established under this article only after thirty-day notice of the availability of the stormwater system has been received by the owner. An entity providing stormwater service shall provide a tenant a report of the stormwater fee charged for the entire property and, if appropriate, that portion of the fee to be assessed to the tenant.

(f) All delinquent fees, rates and charges of the district for either water facilities, sewer facilities, gas facilities or stormwater systems or stormwater management programs are liens on the premises served of equal dignity, rank and priority with the lien on the premises of state, county, school and municipal taxes. Nothing contained within the rules of the Public Service Commission shall be deemed to require any agents or employees of the Public Service Districts to accept payment at the customer's premises in lieu of discontinuing service for a delinquent bill. In addition to the other remedies provided in this section, public service districts are granted a deferral of filing fees or other fees and costs incidental to the bringing and maintenance of an action in magistrate court for the collection of delinquent water, sewer, stormwater or gas bills. If the district collects the delinquent account, plus reasonable costs, from its customer or other responsible party, the district shall pay to the magistrate the normal filing fee and reasonable costs which were previously deferred. In addition, each public service district may exchange with other public service districts a list of delinquent accounts: *Provided,* That an owner of real property may not be held liable for the delinquent rates or charges for services or facilities of a tenant, nor may any lien attach to real property for the reason of delinquent rates or charges for services or facilities of a tenant of the real property, unless the owner has contracted directly with the public service district to purchase the services or facilities.

(g) Anything in this section to the contrary notwithstanding, any establishment, as defined in section three, article eleven, chapter twenty-two of this code, now or hereafter operating its own sewage disposal system pursuant to a permit issued by the Department of Environmental Protection, as prescribed by section eleven of said article, is exempt from the provisions of this section.

(h) A public service district which has been designated by the Environmental Protection Agency as an entity to serve a West Virginia Separate Storm Sewer System community shall

prepare an annual report detailing the collection and expenditure of rates, fees or charges and make it available for public review at the place of business of the governing body and the stormwater utility main office.

§ 16–13A–18a. Sale, lease or rental of water, sewer, stormwater or gas system by district; distribution of proceeds

In any case where a public service district owns a water, sewer, stormwater or gas system, and a majority of not less than sixty percent of the members of the public service board thereof deem it for the best interests of the district to sell, lease or rent such water, sewer, stormwater or gas system to any municipality or privately-owned water, sewer, stormwater or gas system, or to any water, sewer, stormwater or gas system owned by an adjacent public service district, the board may so sell, lease or rent such water, sewer, stormwater or gas system upon such terms and conditions as said board, in its discretion, considers in the best interests of the district: *Provided*, That such sale, leasing or rental may be made only upon: (1) The publication of notice of a hearing before the board of the public service district, as a Class I legal advertisement in compliance with the provisions of article three, chapter fifty-nine of this code, in a newspaper published and of general circulation in the county or counties wherein the district is located, such publication to be made not earlier than twenty days and not later than seven days prior to the hearing; (2) approval by the county commission or commissions of the county or counties in which the district operates; and (3) approval by the public service commission of West Virginia.

In the event of any such sale, the proceeds thereof, if any, remaining after payment of all outstanding bonds and other obligations of the district, shall be ratably distributed to any persons who have made contributions in aid of construction of such water, sewer, stormwater or gas system, such distribution not to exceed the actual amount of any such contribution, without interest, and any balance of funds thereafter remaining shall be paid to the county commission of the county in which the major portion of such water, sewer, stormwater or gas system is located to be placed in the general funds of such county commission: *Provided*, That no such distribution shall be required in the case of a sale between political subdivisions of the state.

Water Refunding Revenue Bonds, Series 2015 A (Bank Qualified)

CERTIFICATE OF MUNICIPAL ADVISOR

The undersigned Brian Nurick, Managing Director of Compass Municipal Advisors, LLC (the "Municipal Advisor"), municipal advisor for the Berkeley County Public Service District (the "Issuer") in connection with the issuance of the Water Refunding Revenue Bonds, Series 2015 A (Bank Qualified), in the aggregate principal amount of $9,575,000, dated February 26, 2015 (the "Series 2015 A Bonds"), hereby certifies this 26th day of February, 2015, that:

1. The Municipal Advisor assisted the Issuer in the competitive sale of the Series 2015 A Bonds on January 29, 2015 (the "Sale"). Attached hereto as Exhibit A are the final financing schedules for the Series 2015 A Bonds prepared by our firm.

2. The Municipal Advisor hereby confirms that the Issuer has purchased a municipal bond debt service reserve insurance policy (the "Surety Policy") from Assured Guaranty Municipal Corp. ("Assured Guaranty") in an amount equal to $796,347.18, which is equal to the least of: (i) 10% of the principal amount of the Series 2015 A Bonds; (ii) maximum amount of principal and interest payable on the Series 2015 A Bonds in any year; or (iii) 125% of the average annual debt service on the Series 2015 A Bonds payable in any year during the term of the Series 2015 A Bonds. We are of the opinion that providing a debt service reserve account for the Series 2015 A Bonds resulted in the Issuer receiving a lower interest rate on the Series 2015 A Bonds than otherwise would have been available.

3. The Municipal Advisor hereby confirms that the proceeds of the Series 2015 A Bond in the amount of $9,438,175.64 and the $153,101.03 on deposit in the Series 2006 Bonds Redemption Account for the Issuer's Water Revenue Bonds, Series 2006, dated December 28, 2006, issued in the original aggregate principal amount of $10,000,000 and presently outstanding in the principal amount of $9,490,000.00 (the "Series 2006 Bonds") is sufficient to pay in full the outstanding principal of and interest on the Series 2006 Bonds on March 3, 2015.

4. The Municipal Advisor does hereby determine that the Municipal Bond Insurance Policy offered by Assured Guaranty for the Series 2015 A Bonds resulted in an interest cost savings for the Issuer in excess of the premium to be paid by the Issuer for such Insurance Policy.

5. The Municipal Advisor does hereby determine that the Municipal Bond Debt Service Reserve Insurance Policy offered by Assured Guaranty for the Series 2015 A Bonds resulted in an interest cost savings for the Issuer in excess of the premium to be paid by the Issuer for such Debt Service Reserve Insurance Policy.

6. The Municipal Advisor hereby confirms that the remaining weighted average maturity of the Series 2006 Bonds is 15.018 years.

7. The Municipal Advisor hereby confirms that the weighted average maturity of the Series 2015 A Bonds, based on the issue price of the Series 2015 A Bonds from their date of issue (and not on the basis of the principal amount of the Series 2015 A Bonds from their dated date) is 14.550% years.

8. The Series 2015 A Bonds are issued as fixed-rate bonds.

9. The Municipal Advisor has not and will not receive any compensation from the proceeds of the sale of the Series 2015 A Bonds, including investment earnings thereon, in excess of its fee in the amount of $54,787.90.

10. This certificate may be relied upon by the Issuer with respect to the Tax and Non-Arbitrage Certificate relating to the Series 2015 A Bonds and by Steptoe & Johnson PLLC in rendering its opinions with respect to the Series 2015 A Bonds.

All Credit Rating Actions in Ratings Services' Sole Discretion. Ratings Services may assign, raise, lower, suspend, place on CreditWatch, or withdraw a credit rating, and assign or revise an Outlook, at any time, in Ratings Services' sole discretion. Ratings Services may take any of the foregoing actions notwithstanding any request for a confidential or private credit rating or a withdrawal of a credit rating, or termination of a credit rating engagement. If, however, a confidential or private credit rating or the existence of a confidential or private credit rating subsequently becomes public through disclosure other than by an act of Ratings Services or its affiliates, Ratings Services reserves the right to treat the credit rating as a public credit rating, including, without limitation, publishing the credit rating and any related analytical reports. Any analytical reports published by Ratings Services are not issued by or on behalf of the issuer or at the issuer's request. Ratings Services reserves the right to use, publish, disseminate or license others to use, publish or disseminate analytical reports with respect to public credit ratings that have been withdrawn, regardless of the reason for such withdrawal. Ratings Services may publish explanations of Ratings Services' credit ratings criteria from time to time and Ratings Services may modify or refine its credit ratings criteria at any time as Ratings Services deems appropriate.

Credit ratings, and the maintenance of credit ratings, may be affected by Ratings Services' opinion of the information received from issuers, their agents or advisors.

Confidential Information. Ratings Services has established policies and procedures to maintain the confidentiality of certain non-public information received from issuers, their agents or advisors. For these purposes, "Confidential Information" shall mean verbal or written information that the issuer or its agents or advisors have provided to Ratings Services and, in a specific and particularized manner, have marked or otherwise indicated in writing (either prior to or promptly following such disclosure) that such information is "Confidential."

However, Moody's is not an auditor and cannot in every instance independently validate or verify information received in the rating process. Moody's expects and is relying upon you possessing all legal rights and required consents to disclose the information to Moody's, and that such information is not subject to any restrictions that would prevent use by Moody's for its ratings process. In assigning the Credit Ratings, Moody's has relied upon the truth, accuracy, and completeness of the information supplied by you or on your behalf to Moody's. Moody's expects that you will, and is relying upon you to, on an ongoing basis, promptly provide Moody's with all information necessary in order for Moody's to accurately and timely monitor the Credit Ratings, including current financial and statistical information.

Under no circumstances shall Moody's have any liability (whether in contract, tort or otherwise) to any person or entity for any loss, injury or damage or cost caused by, resulting from, or relating to, in whole or in part, directly or indirectly, any action or error (negligent or otherwise) on the part of, or other circumstance or contingency within or outside the control of, Moody's or any of its or its affiliates, directors, officers, employees or agents in connection with the Credit Ratings. **ALL INFORMATION, INCLUDING THE CREDIT RATING, ANY FEEDBACK OR OTHER COMMUNICATION RELATING THERETO IS PROVIDED "AS IS" WITHOUT REPRESENTATION OR WARRANTY OF ANY KIND.**

Any non-public information discussed with or revealed to you must be kept confidential and only disclosed either (i) to your legal counsel acting in their capacity as such; (ii) to your other authorized agents acting in their capacity as such with a need to know that have entered into non-disclosure agreements with Moody's in the form provided by Moody's and (iii) as required by applicable law or regulation. You agree to cause your employees, affiliates, agents and advisors to keep non-public information confidential.

If there is a conflict between the terms of this rating letter and any related Moody's rating application, the terms of the executed rating application will govern and supercede this rating letter.
