BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF CENTRAL HAMPSHIRE PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 31, Article

15A, of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Central Hampshire Public Service District (the "Issuer") is a public service district, a public corporation and political subdivision of the State of West Virginia in Hampshire County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, it is deemed necessary and desirable for the health, safety, advantage, convenience and welfare of the inhabitants of the Issuer that there be acquired and constructed certain improvements and extensions to the existing public sewerage system of the Issuer, consisting of certain additions and improvements to the Frenchburg Wastewater Treatment Plant, together with all appurtenant facilities (collectively, the "Project") (the existing public sewerage facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer has heretofore financed the acquisition and construction of certain additions, extensions and improvements to the System by issuance of several series of bonds, including the outstanding Sewer Revenue Bonds, Series 1999 B (West Virginia Infrastructure Fund), dated April 27, 1999, issued in the original aggregate principal amount of \$1,725,000, of which approximately \$1,725,000 is presently outstanding (the "Series 1999 B Bonds"). The Issuer hereby determines that it is necessary and desirable to currently refund and pay in full the Series 1999 B Bonds with proceeds of the Series 2005 A Bonds.

D. The Issuer has also heretofore temporarily financed the acquisition and construction of certain additions, extensions and improvements to the System by issuance of its Sewerage System Bond Anticipation Notes, Series 1999 (West Virginia Infrastructure Fund), dated April 27, 1999, issued in the original aggregate principal amount of \$1,600,000, of which \$1,599,500 is presently outstanding (the "Prior Notes"). The Issuer hereby determines that it is necessary and desirable to permanently finance and pay in full the Prior Notes with proceeds of the Series 2005 B Bonds.

E. The Series 1999 B Bonds and the Prior Notes were issued pursuant to a resolution of the Issuer duly adopted on April 20, 1999, as supplemented by a supplemental resolution dated April 20, 1999 (collectively, the "Prior Resolution").

F. Pursuant to the Act, the Issuer is authorized and empowered to issue refunding revenue bonds for the purpose of refunding, paying or discharging all or any part of the outstanding Series 1999 B Bonds and the Prior Notes.

G. The Issuer intends to refund the Series 1999 B Bonds and the Prior Notes and permanently finance the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), which administers the West Virginia Infrastructure Fund (the "Infrastructure Fund") for the West Virginia Infrastructure and Jobs Development Council (the "Council").

H. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds, in three series (collectively, the "Series 2005 Bonds"), being the Sewer Refunding Bonds, Series 2005 A (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than \$1,725,000 (the "Series 2005 A Bonds") to refund the Series 1999 B Bonds; the Sewer Refunding Bonds, Series 2005 B (West Virginia Infrastructure Fund), in the aggregate principal amount of \$1,599,500 (the "Series 2005 B Bonds") to refund the Prior Notes; and the Sewer Revenue Bonds, Series 2005 C (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than \$220,203 (the "Series 2005 C Bonds"), to permanently finance the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2005 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding six (6) months after completion of acquisition and construction of the Project; amounts which may be deposited in the respective Reserve Accounts (as hereinafter defined); costs of refunding the Series 1999 B Bonds and the Prior Notes; engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2005 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the cost of acquisition and construction of the Project, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2005 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

I. The period of usefulness of the System after completion of the Project is not less than 40 years.

J. It is in the best interests of the Issuer that the Series 2005 Bonds be sold to the Authority pursuant to the terms and provisions of the respective loan agreements by and between the Issuer and the Authority, on behalf of the Council, in forms satisfactory to the Issuer, the Authority and the Council (collectively, the "Loan Agreements") all of which are approved hereby if not previously approved by resolution of the Issuer.

K. Upon payment of the Series 1999 B Bonds and the Prior Notes, there are outstanding obligations of the Issuer which will rank on a parity with the Series 2005 Bonds as to liens, pledge and source of and security for payment, being the Sewer Revenue Bonds, Series 1999 A (West Virginia SRF Program), dated April 27, 1999, issued in the original aggregate principal amount of \$2,836,000 (the "Prior Bonds").

Prior to the issuance of the Series 2005 Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consent of the Holders of the Prior Bonds to the issuance of the Series 2005 Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. The Issuer is in compliance with all the covenants of the Prior Bonds and the Prior Resolution.

L. The estimated revenues to be derived in each year following completion of the Project and the refunding of the Series 1999 B Bonds and the Prior Notes from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System and the principal of and interest on the Series 2005 Bonds and the Prior Bonds, and to make payments into all Sinking Funds, Reserve Accounts and other payments provided for herein, all as such terms are hereinafter defined.

M. The Issuer has complied with all requirements of West Virginia law and the Loan Agreements relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2005 Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the Project and the financing hereof by the Council and the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2005 Bonds or such final order will not be subject to appeal or rehearing.

N. The Project has been approved by the Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Series 2005 Bonds by those who shall be the Registered Owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owners, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Registered Owners of any and all of such Series 2005 Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond of a series and any other Bonds of the same series, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

Such Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Series 2005 Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreements, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of each calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Resolution. Additionally, so long as the Series 2005 Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the Council, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall immediately be remitted to the Commission for deposit in the respective Series 2005 Bonds Sinking Fund, and, with the written permission of the Authority and the Council, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the respective Series 2005 Bonds. Any balance remaining after the payment of the respective Series 2005 Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution, duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale shall be deposited in the Renewal and Replacement Fund. The payment

of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2005 Bonds. All obligations issued by the Issuer after the issuance of the Series 2005 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2005 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2005 Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2005 Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the Council prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolution shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2005 Bonds pursuant to this Bond Legislation, except with the prior written consent of the Authority and the Council under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2005 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition, or construction of extensions and improvements to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the issuance of such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer and approved by the Public Service Commission of West Virginia, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and

security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 2005 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2005 Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the cost of designing, acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the Council such documents and information as it may reasonably require in connection with the design, acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at any reasonable time following completion of construction of the Project and commencement of operation thereof, or if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and

correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Council and Authority, or any other original purchaser of the respective Series 2005 Bonds, and shall mail in each year to any Holder or Holders of the respective Series 2005 Bonds, requesting the same, an annual report containing the following:

- (A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.
- (B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.
- (C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2005 Bonds, and shall submit said report to the Council and the Authority, or any other original purchaser of the Series 2005 Bonds. Such audit report submitted to the Council and the Authority shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes

whether the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreements and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Council and the Authority, or their agents and representatives, to enter and inspect the Project site and facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Council and the Authority, or their agents and representatives, with access to the System site and facilities, as may be reasonably necessary to accomplish all of the powers and rights of the Council and the Authority with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2005 Bonds, equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2005 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2005 Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit in the respective Series 2005 Bonds Reserve Accounts and any reserve accounts for obligations on a parity with the Series 2005 Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2005 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the

Series 2005 Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Council and the Authority within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Council and the Authority and to any Holder of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Council and the Authority and to any Holder of any Bonds, or anyone acting for and on behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreements, and forward a copy of such report to the Council and the Authority by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreements, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Council and the Authority, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Council and the Authority is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Council and the Authority covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting

Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Council and the Authority and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of the Loan Agreements.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water facilities are not owned by the Issuer, the Issuer will use diligent efforts to enter into a termination agreement with the provider of such water, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all its rules, regulations and orders.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or

charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 2005 Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreements, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Council and the Authority. In the event the Loan Agreements so require, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear. The Issuer shall verify such insurance prior to commencement of construction.

Section 7.16. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Completion of Project; Permits and Orders. The Issuer shall complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer has obtained all permits required by state and federal laws for the acquisition and construction of the Project, all orders and approvals from the Public Service Commission of West Virginia and the West Virginia Infrastructure and Jobs Development Council necessary for the acquisition and construction of the Project and the operation of the System and all approvals for issuance of the Series 2005 Bonds required by state law, with all requisite appeal periods having expired without successful appeal.

Section 7.18. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2005 Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2005 Bonds during the term thereof is, under the terms of the Series 2005 Bonds or any underlying arrangement, directly or indirectly, secured by any

interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2005 Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2005 Bonds during the term thereof is, under the terms of the Series 2005 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2005 Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 2005 Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of the portion of the Project to which such Private Business Use is related. All of the foregoing shall be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of 5% of the Net Proceeds of the Series 2005 Bonds or \$5,000,000 are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2005 Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The Issuer shall timely file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2005 Bonds and the interest thereon including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer shall take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest on the Series 2005 Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.19. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2005 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be

valid and binding, shall take effect immediately upon delivery of the Series 2005 Bonds, provided however, that the statutory mortgage lien of the Series 2005 Bonds shall be on a parity with the statutory mortgage lien of the Prior Bonds.

Section 7.20. Compliance with Loan Agreements and Law. The Issuer shall perform, satisfy and comply with all the terms, conditions and requirements of the Loan Agreements and the Act. Notwithstanding anything herein to the contrary, the Issuer will provide the Council with copies of all documents submitted to the Authority.

The Issuer also agrees to comply with all applicable laws, rules and regulations issued by the Council and the Authority or other state, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

Section 7.21. Securities Laws Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

Section 7.22. Contracts; Public Releases. A. The Issuer shall, simultaneously with the delivery of the Series 2005 Bonds immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

B. The Issuer shall submit all proposed change orders to the Council for written approval. The Issuer shall obtain the written approval of the Council before expending any proceeds of the Series 2005 Bonds held in "contingency" as set forth in the schedule attached to the Certificate of the Consulting Engineer. The Issuer shall also obtain the written approval of the Council before expending any proceeds of the Series 2005 Bonds made available due to bid or construction or project underruns.

C. The Issuer shall list the funding provided by the Council in any press release, publication, program, bulletin, sign or other public communication that references the Project, including but not limited to any program document distributed in conjunction with any ground breaking or dedication of the Project.

ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investments. Any monies held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2005 Bonds are Outstanding and as long thereafter as necessary to assure the exclusion of interest, if any, on the Series 2005 Bonds from gross income for federal income tax purposes.

2.6 The Governmental Agency agrees that it will permit the Authority and the Council and their agents and representatives to have access to the records of the Governmental Agency pertaining to the operation and maintenance of the System at any reasonable time following completion of construction of the Project and commencement of operation thereof or if the Project is an improvement to an existing system at any reasonable time following commencement of construction.

2.7 The Governmental Agency shall require that each construction contractor furnish a performance bond and a payment bond, each in an amount at least equal to one hundred percent (100%) of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract and shall verify or have verified such bonds prior to commencement of construction.

2.8 The Governmental Agency shall require that each of its contractors and all subcontractors maintain, during the life of the construction contract, workers' compensation coverage, public liability insurance, property damage insurance and vehicle liability insurance in amounts and on terms satisfactory to the Council and the Authority and shall verify or have verified such insurance prior to commencement of construction. The Governmental Agency shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of this Loan Agreement.

2.11 The Governmental Agency hereby covenants and agrees to comply with all applicable laws, rules and regulations issued by the Council, the Authority or other State, federal or local bodies in regard to the construction of the Project and operation, maintenance and use of the System.

3.5 The Governmental Agency understands and acknowledges that it is one of several governmental agencies which have applied to the Council for loans from the Infrastructure Fund to finance projects and that the obligation of the Authority to make any such loan is subject to the Council's authorization and the Governmental Agency's fulfilling all of the terms and conditions of this Loan Agreement on or prior to the Date of Loan Closing. The Governmental Agency specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Infrastructure Fund to purchase all the Local Bonds and that, prior to execution of this Loan Agreement, the Authority may commit to and purchase the revenue bonds of other governmental agencies for which it has sufficient funds available.

ARTICLE IV

Local Bonds; Security for Loan; Repayment of Loan; Interest on Loan; Fees and Charges

4.1 The Governmental Agency shall, as one of the conditions of the Authority to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Governmental Agency in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows, unless the specific provision or covenant is modified or waived by the Council:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues shall be used monthly, in the order of priority listed below:

(i) to pay Operating Expenses of the System;

(ii) to the extent not otherwise limited by any outstanding loan resolution, indenture or other act or document and beginning on the date set forth in Schedule X, to provide debt service on the Local Bonds by depositing in a sinking fund one-third (1/3) of the interest payment next coming due on the Local Bonds and one-third (1/3) of the principal payment next coming due on the Local Bonds and, beginning three (3) months prior to the first date of payment of principal of the Local Bonds, if the reserve account for the Local Bonds (the "Reserve Account") was not funded from proceeds of the Local Bonds or otherwise concurrently with the issuance thereof (which, with an approving opinion of bond counsel to the Governmental Agency, may be with a letter of credit or surety) in an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement"), by depositing in the Reserve Account an amount not less than one-twelfth (1/12) of one-tenth (1/10) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided, that if the Governmental Agency has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Governmental Agency shall complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or with the written consent of the Council and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Local Bonds outstanding, with further restrictions on the disposition of portions of the System as are normally contained in such covenants;

(v) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected

revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and the Council; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Governmental Agency will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Governmental Agency will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Governmental Agency under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Governmental Agency will not grant any franchise to provide any services which would compete with the System;

(xi) That the Governmental Agency shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and the Council, which report shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the Governmental Agency's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xii) That the Governmental Agency shall annually adopt a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding fiscal year and shall submit a copy of such budget to the Authority and the Council within 30 days of adoption thereof;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Governmental Agency and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim financing of such Governmental Agency, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the Authority and the Council, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Governmental Agency may not redeem any Local Bonds by it without the written consent of the Authority and the Council and otherwise in compliance with this Loan Agreement;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for the Local Bonds;

(xvii) That the Governmental Agency shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Governmental Agency shall complete the Monthly Payment Form, attached hereto as Exhibit D and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month;

(xviii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Governmental Agency will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Governmental Agency shall take any and all action, or shall refrain from taking any action regarding the use of the proceeds of the Local Bonds, as shall be deemed necessary by the Authority to maintain the exclusion from gross income for federal income tax purposes of interest on the State's general obligation bonds or any bonds secured by the Local Bonds;

(xx) That the Governmental Agency shall have obtained the certificate of the Consulting Engineer in the form attached hereto as Exhibit A, to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority and the Council, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the Council is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and State laws for construction of the Project have been obtained;

(xxii) That the Governmental Agency shall furnish to the Authority such information with respect to earnings on all funds constituting "gross proceeds" of the Local Bonds (as that term is defined in the Internal Revenue Code of 1986, as amended) from time to time as the Authority may request;

The monthly requisitions submitted to the Council shall also certify that the Governmental Agency is monitoring compliance by its contractors and subcontractors and that the required information has been submitted.

The Governmental Agency hereby represents and warrants that the Local Act has been or shall be duly adopted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. Ladies and Gentlemen:

We are bond counsel to _____ (the
"Governmental Agency"), a _____.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated _____, _____, including all schedules and exhibits attached thereto (the "Loan Agreement"), between the Governmental Agency and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and (ii) the issue of a series of revenue bonds of the Governmental Agency, dated _____, _____ (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of \$_____, in the form of one bond, registered as to principal and interest to the Authority, with interest and principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, beginning _____, 1, _____, and ending _____, 1, _____, as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Governmental Agency on _____, as supplemented by the supplemental resolution duly adopted by the Governmental Agency on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior

to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding special obligation of the Governmental Agency, enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Governmental Agency without the consent of the Authority and the Council.

3. The Governmental Agency is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Governmental Agency and constitute valid and binding obligations of the Governmental Agency, enforceable against the Governmental Agency in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Governmental Agency to the Authority and are valid, legally enforceable and binding special obligations of the Governmental Agency, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($\$1,200/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. - Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Governmental Agency.

2.1 The Project shall generally consist of the construction and acquisition of the facilities described in the Application, to be, being or having been constructed in accordance with plans, specifications and designs prepared for the Governmental Agency by the Consulting Engineers, the Authority and Council having found, to the extent applicable, that the Project is consistent with the Act.

2.2 Subject to the terms, conditions and provisions of this Loan Agreement and the Local Act, the Governmental Agency has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared for the Governmental Agency by the Consulting Engineers.

2.3 All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Governmental Agency, subject to any mortgage lien or other security interest as is provided for in the Local Statute unless a sale or transfer of all or a portion of said property or any interest therein is approved by the Authority and Council.

2.4 The Governmental Agency agrees that the Authority and the Council and their duly authorized agents shall have the right at all reasonable times to enter upon the Project site and Project facilities and to examine and inspect the same. The Governmental Agency further agrees that the Authority and the Council and their duly authorized agents and representatives shall, prior to, during and after completion of construction and commencement of operation of the Project, have such rights of access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the Council with respect to the System pursuant to the pertinent provisions of the Act.

2.5 The Governmental Agency shall keep complete and accurate records of the cost of acquiring the Project site and the costs of constructing, acquiring and installing the Project. The Governmental Agency shall permit the Authority and the Council, acting by and through their directors or their duly authorized agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at any and all reasonable times for the purpose of audit and examination, and the Governmental Agency shall submit to the Authority and the Council such documents and information as they may reasonably require in connection with the construction, acquisition and installation of the Project, the operation and maintenance of the System and the administration of the Loan or of any State and federal grants or other sources of financing for the Project.

2.6 The Governmental Agency agrees that it will permit the Authority and the Council and their agents and representatives to have access to the records of the Governmental Agency pertaining to the operation and maintenance of the System at any reasonable time following completion of construction of the Project and commencement of operation thereof or if the Project is an improvement to an existing system at any reasonable time following commencement of construction.

2.7 The Governmental Agency shall require that each construction contractor furnish a performance bond and a payment bond, each in an amount at least equal to one hundred percent (100%) of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract and shall verify or have verified such bonds prior to commencement of construction.

2.8 The Governmental Agency shall require that each of its contractors and all subcontractors maintain, during the life of the construction contract, workers' compensation coverage, public liability insurance, property damage insurance and vehicle liability insurance in amounts and on terms satisfactory to the Council and the Authority and shall verify or have verified such insurance prior to commencement of construction. Until the Project facilities are completed and accepted by the Governmental Agency, the Governmental Agency or (at the option of the Governmental Agency) the contractor shall maintain builder's risk insurance (fire and extended coverage) on a one hundred percent (100%) basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Governmental Agency, the prime contractor and all subcontractors, as their interests may appear. If facilities of the System

which are detrimentally affected by flooding are or will be located in designated special flood or mudslide-prone areas and if flood insurance is available at a reasonable cost, a flood insurance policy must be obtained by the Governmental Agency on or before the Date of Loan Closing, as hereinafter defined, and maintained so long as any of the Local Bonds is outstanding. Prior to commencing operation of the Project, the Governmental Agency must also obtain, and maintain so long as any of the Local Bonds are outstanding, business interruption insurance if available at a reasonable cost.

2.9 The Governmental Agency shall provide and maintain competent and adequate engineering services satisfactory to the Council and the Authority covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the Council and the Governmental Agency at the completion of construction that construction is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

2.10 The Governmental Agency shall at all times provide operation and maintenance of the System in compliance with any and all State and federal standards. The Governmental Agency shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of this Loan Agreement.

2.11 The Governmental Agency hereby covenants and agrees to comply with all applicable laws, rules and regulations issued by the Council, the Authority or other State, federal or local bodies in regard to the construction of the Project and operation, maintenance and use of the System.

2.12 The Governmental Agency, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project, shall each month complete a Monthly Financial Report, the form of which is attached hereto as Exhibit C and incorporated herein by reference, and forward a copy by the 10th of each month to the Authority and Council.

The Governmental Agency specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Infrastructure Fund to purchase all the Local Bonds and that, prior to execution of this Loan Agreement, the Authority may commit to and purchase the revenue bonds of other governmental agencies for which it has sufficient funds available.

ARTICLE IV

Local Bonds; Security for Loan; Repayment of Loan; Interest on Loan; Fees and Charges

4.1 The Governmental Agency shall, as one of the conditions of the Authority to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Governmental Agency in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows, unless the specific provision or covenant is modified or waived by the Council:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues shall be used monthly, in the order of priority listed below:

(i) to pay Operating Expenses of the System;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Governmental Agency shall complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or with the written consent of the Council and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Local Bonds outstanding, with further restrictions on the disposition of portions of the System as are normally contained in such covenants;

(v) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected

revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and the Council; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Governmental Agency will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Governmental Agency will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Governmental Agency under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Governmental Agency will not grant any franchise to provide any services which would compete with the System;

(xi) That the Governmental Agency shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and the Council, which report shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the Governmental Agency's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Governmental Agency and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim financing of such Governmental Agency, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the Authority and the Council, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Governmental Agency may not redeem any Local Bonds by it without the written consent of the Authority and the Council and otherwise in compliance with this Loan Agreement;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for the Local Bonds;

(xvii) That the Governmental Agency shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Governmental Agency shall complete the Monthly Payment Form, attached hereto as Exhibit D and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month;

(xviii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Governmental Agency will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

OPINION OF BOND COUNSEL FOR GOVERNMENTAL AGENCY

[To Be Dated as of Date of Loan Closing]

West Virginia Infrastructure and

West Virginia Water Development Authority

Ladies and Gentlemen:

We are bond counsel to _____ (the
"Governmental Agency"), a _____.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated _____, _____, including all schedules and exhibits attached thereto (the "Loan Agreement"), between the Governmental Agency and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and (ii) the issue of a series of revenue bonds of the Governmental Agency, dated _____, _____ (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of \$_____, in the form of one bond, registered as to principal and interest to the Authority, with interest and principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, beginning _____, 1, _____, and ending _____, 1, _____, as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Governmental Agency on _____, as supplemented by the supplemental resolution duly adopted by the Governmental Agency on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior

to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding special obligation of the Governmental Agency, enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Governmental Agency without the consent of the Authority and the Council.

3. The Governmental Agency is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Governmental Agency and constitute valid and binding obligations of the Governmental Agency, enforceable against the Governmental Agency in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Governmental Agency to the Authority and are valid, legally enforceable and binding special obligations of the Governmental Agency, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

INSTRUCTIONS FOR COMPLETING MONTHLY FINANCIAL REPORT

- Item 1 You will need a copy of the current fiscal year budget adopted by the Governmental Agency to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($\$1,200/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ($\$900/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Governmental Agency according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.
- Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Governmental Agency.

The Governmental Agency must complete the Monthly Financial Report and forward it to the Water Development Authority by the 10th day of each month, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project.

The Governmental Agency specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Infrastructure Fund to purchase all the Local Bonds and that, prior to execution of this Loan Agreement, the Authority may commit to and purchase the revenue bonds of other governmental agencies for which it has sufficient funds available.

ARTICLE IV

Local Bonds; Security for Loan;
Repayment of Loan; Interest on Loan;
Fees and Charges

4.1 The Governmental Agency shall, as one of the conditions of the Authority to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Governmental Agency in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows, unless the specific provision or covenant is modified or waived by the Council:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues shall be used monthly, in the order of priority listed below:

(i) to pay Operating Expenses of the System;

(ii) to the extent not otherwise limited by any outstanding loan resolution, indenture or other act or document and beginning on the date set forth in Schedule X, to provide debt service on the Local Bonds by depositing in a sinking fund one-third (1/3) of the interest payment next coming due on the Local Bonds and one-third (1/3) of the principal payment next coming due on the Local Bonds and, beginning three (3) months prior to the first date of payment of principal of the Local Bonds, if the reserve account for the Local Bonds (the "Reserve Account") was not funded from proceeds of the Local Bonds or otherwise concurrently with the issuance thereof (which, with an approving opinion of bond counsel to the Governmental Agency, may be with a letter of credit or surety) in an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement"), by depositing in the Reserve Account an amount not less than one-twelfth (1/12) of one-tenth (1/10) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided, that if the Governmental Agency has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by a pledge of either the gross or net revenues of the System, as more fully set forth in Schedule X attached hereto and in the Local Act;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Governmental Agency shall complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or with the written consent of the Council and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Local Bonds outstanding, with further restrictions on the disposition of portions of the System as are normally contained in such covenants;

(v) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected

revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and the Council; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Governmental Agency will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Governmental Agency will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Governmental Agency under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Governmental Agency will not grant any franchise to provide any services which would compete with the System;

(xi) That the Governmental Agency shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and the Council, which report shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the Governmental Agency's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xii) That the Governmental Agency shall annually adopt a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding fiscal year and shall submit a copy of such budget to the Authority and the Council within 30 days of adoption thereof;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Governmental Agency and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim financing of such Governmental Agency, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the Authority and the Council, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Governmental Agency may not redeem any Local Bonds by it without the written consent of the Authority and the Council and otherwise in compliance with this Loan Agreement;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for the Local Bonds;

(xvii) That the Governmental Agency shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Governmental Agency shall complete the Monthly Payment Form, attached hereto as Exhibit D and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month;

(xviii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Governmental Agency will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Governmental Agency shall take any and all action, or shall refrain from taking any action regarding the use of the proceeds of the Local Bonds, as shall be deemed necessary by the Authority to maintain the exclusion from gross income for federal income tax purposes of interest on the State's general obligation bonds or any bonds secured by the Local Bonds;

(xx) That the Governmental Agency shall have obtained the certificate of the Consulting Engineer in the form attached hereto as Exhibit A, to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority and the Council, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the Council is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and State laws for construction of the Project have been obtained;

(xxii) That the Governmental Agency shall furnish to the Authority such information with respect to earnings on all funds constituting "gross proceeds" of the Local Bonds (as that term is defined in the Internal Revenue Code of 1986, as amended) from time to time as the Authority may request;

The monthly requisitions submitted to the Council shall also certify that the Governmental Agency is monitoring compliance by its contractors and subcontractors and that the required information has been submitted.

The Governmental Agency hereby represents and warrants that the Local Act has been or shall be duly adopted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. Certain Covenants of the Governmental Agency; Imposition and Collection of User Charges; Payments To Be Made by Governmental Agency to the Authority

5.1 The Governmental Agency hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this Loan Agreement and the Local Act. The Governmental Agency hereby further irrevocably covenants and agrees that, as one of the conditions of the Authority to make the Loan, it has fixed and collected, or will fix and collect, the rates, fees and other charges for the use of the System and will take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and in compliance with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof.

5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds shall prove to be insufficient to produce the required sums set forth in the Local Act and this Loan Agreement, the Governmental Agency hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges (or where applicable, immediately file with the PSC for a rate increase) and take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and this Loan Agreement.

West Virginia Infrastructure and

Charleston, West Virginia 25301

West Virginia Water Development Authority

Charleston, West Virginia 25311

Ladies and Gentlemen:

We are bond counsel to _____ (the "Governmental Agency"), a _____.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated _____, _____, including all schedules and exhibits attached thereto (the "Loan Agreement"), between the Governmental Agency and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and (ii) the issue of a series of revenue bonds of the Governmental Agency, dated _____, _____ (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of \$_____, in the form of one bond, registered as to principal and interest to the Authority, with interest and principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, beginning _____, 1, _____, and ending _____, 1, _____, as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Governmental Agency on _____, as supplemented by the supplemental resolution duly adopted by the Governmental Agency on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior

to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding special obligation of the Governmental Agency, enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Governmental Agency without the consent of the Authority and the Council.

3. The Governmental Agency is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Governmental Agency and constitute valid and binding obligations of the Governmental Agency, enforceable against the Governmental Agency in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Governmental Agency to the Authority and are valid, legally enforceable and binding special obligations of the Governmental Agency, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

- Item 1 You will need a copy of the current fiscal year budget adopted by the Governmental Agency to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($\$1,200/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ($\$900/12$). This is the incremental amount for the Budget Year-to-Date column.

For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.
- Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Governmental Agency.

CASE NO. 01-0647-PSWD-PC

HAMPSHIRE COUNTY COMMISSION

Petition for consent and approval to
enlarge the boundaries of Central
Hampshire Public Service District.

RECOMMENDED DECISION

On May 14, 2001, the Hampshire County Commission filed a petition for consent and approval to enlarge the boundaries of Central Hampshire Public Service District, pursuant to West Virginia Code §16-13A-2. The County Commission's petition addresses only water service.

By Order dated June 25, 2001, this matter was referred to the Division of Administrative Law Judges for a decision to be rendered on or before December 10, 2001.

On June 8, 2001, Staff Attorney Caryn Watson Short filed an Initial and Final Joint Staff Memorandum to which was attached the Initial and Final Internal Memorandum prepared by Ms. Karen L. Buckley, Utilities Analyst, Water and Wastewater Division, and Mr. Christopher B. Farrish, Engineering Technician, Engineering Division. Staff noted that, on May 29, 2001, the Hampshire County Commission filed information in response to a Staff request for further information in this proceeding. However, since the case number was not on the information that the Hampshire County Commission filed, the Executive Secretary's Office treated the information as a new case and assigned it Case No. 01-0711-PSWD-PC. Staff recommended that the proceeding designated as Case No. 01-0711-PSWD-PC be dismissed and the information filed therein placed in the file for Case No. 01-0647-PSWD-PC.

By Commission Order dated June 8, 2001, it was ordered that the documents filed on May 29, 2001, in this proceeding be placed in Case No. 01-0647-PSWD-PC, Hampshire County Commission. Said order also dismissed, and removed from the Commission's docket of open cases, Case No. 01-0711-PSWD-PC.

On July 18, 2001, Staff Attorney Caryn Watson Short filed the Final Joint Staff Memorandum to which was attached the Final Internal Memorandum prepared by Ms. Karen L. Buckley, Utilities Analyst, Water and Wastewater Division, and Christopher B. Farrish, Engineering Technician, Engineering Division. Staff explained that the Hampshire County Commission determined it necessary, feasible and proper to enlarge the boundaries of Central Hampshire Public Service District and that it will

02/10/01

be conducive to the preservation of public health, comfort and convenience of the area. The proposed consolidation will not infringe upon any other water utility. The application included the affidavits of publication. Although the County Commission had not provided evidence that posting was done, Staff believed the Hampshire County Commission had substantially complied with West Virginia Code §16-13A-2 and recommended that a hearing be set for this case in Hampshire County. Staff will support approval of the boundary expansion.

On July 19, 2001, Staff Attorney Short filed a Further Final Joint Staff Memorandum indicating that the Hampshire County Commission had provided evidence that posting had been done.

By Order dated July 27, 2001, this matter was set for a hearing to be held in Hampshire County in accordance with the provisions of West Virginia Code §16-13A-2 on August 21, 2001. Said Order also provided that the Hampshire County Commission publish a notice of hearing once in a newspaper, duly qualified by the Secretary of State, published and of general circulation in Hampshire County. The proper affidavit of publication was to be submitted to the Commission at the hearing.

Mr. David W. Pancake, Executive Director of the Hampshire County Development Authority, appeared on behalf of the Hampshire County Commission and provided the proper affidavit of publication reflecting that publication had been made of the notice of hearing in accordance with the Commission's requirements. (Tr., p. 5).

Commission Staff was represented by Staff Attorney Cassius H. Toon. No one appeared in protest to the Hampshire County Commission's petition.

Since no one appeared in protest to the petition of the Hampshire County Commission, the matter was submitted for a decision as an unprotested case.

FINDINGS OF FACT

1. On May 14, 2001, the Hampshire County Commission filed a petition for consent and approval to enlarge the boundaries of Central Hampshire Public Service District, pursuant to West Virginia Code §16-13A-2. The County Commission's petition addresses only water service. (See petition filed May 14, 2001).

2. On July 18, 2001, Staff Attorney Caryn Watson Short recommended that a hearing be held in this matter in accordance with the provisions of West Virginia Code §16-13A-2 in Hampshire County. (See, Final Joint Staff Memorandum filed July 18, 2001).

3. On July 19, 2001, Staff Attorney Short filed a Further Final Joint Staff Memorandum in which she advised that Staff had filed a Final Joint Staff Memorandum in this case on July 18, 2001, recommending approval of the boundary enlargement. (See Further Final Joint Staff Memorandum filed July 19, 2001).

4. By Order dated July 27, 2001, this matter was set for a hearing to be held in Hampshire County on August 21, 2001. Said Order also provided that the Hampshire County Commission publish a notice of hearing once in a newspaper, duly qualified by the Secretary of State, published and of general circulation in Hampshire County. (See Order dated July 27, 2001).

5. The hearing was held as scheduled on August 21, 2001, and a proper affidavit of publication was submitted by the Hampshire County Commission indicating that the notice of hearing had been published in accordance with the Commission's requirements. No one appeared at the hearing in protest to the petition. (See, Tr., pp. 4, 5).

CONCLUSION OF LAW

Since the Hampshire County Commission gave notice of the hearing to be held in this matter on August 21, 2001, in accordance with the Commission's requirements and no one appeared in protest to the petition, it is reasonable to approve the order of the Hampshire County Commission, dated March 23, 2001, and filed on May 14, 2001, enlarging the boundaries of the Central Hampshire Public Service District, pursuant to West Virginia Code §16-13A-2.

ORDER

IT IS, THEREFORE, ORDERED that the March 23, 2001 Order of the Hampshire County Commission enlarging the boundaries of the Central Hampshire Public Service District, be, and the same hereby is, approved.

Leave is hereby granted to the parties to file written exceptions supported by a brief with the Executive Secretary of the Commission within fifteen (15) days of the date this order is mailed. If exceptions are filed, the parties filing exceptions shall certify to the Executive Secretary that all parties of record have been served said exceptions.

If no exceptions are so filed this order shall become the order of the Commission, without further action or order, five (5) days following the expiration of the aforesaid fifteen (15) day time period, unless it is ordered stayed or postponed by the Commission.

Any party may request waiver of the right to file exceptions to an Administrative Law Judge's Order by filing an appropriate petition in writing with the Secretary. No such waiver will be effective until approved by order of the Commission, nor shall any such waiver operate to make any Administrative Law Judge's Order or Decision the order of the

Commission sooner than five (5) days after approval of such waiver by the Commission.

At a session of the PUBLIC SERVICE COMMISSION OF WEST VIRGINIA in the City of Charleston on the 15th day of February, 2005.

CASE NO. 04-1070-PSD-ECN (REOPENED)

CENTRAL HAMPSHIRE PUBLIC SERVICE DISTRICT, a public utility, Hampshire County.

Application for a Certificate of Convenience and Necessity to construct certain additions and improvements to the District's existing sewerage system and for approval of the financing thereof.

COMMISSION ORDER

On October 21, 2004, the Commission granted the Central Hampshire Public Service District (District) a certificate of convenience and necessity to construct certain additions and improvements to the Frenchburg Wastewater Treatment Plant, contingent upon the District filing a copy of the revised National Pollutant Discharge Elimination System Water Pollution Control Permit. The Commission also approved the project funding as follows:

West Virginia Infrastructure and Jobs Development Council grant	\$401,805
Hampshire County Development Authority grant	\$250,000
West Virginia Development Office grant	\$ 70,000
West Virginia School Building Authority grant	<u>\$100,000</u>
TOTAL	\$821,805

The District was also granted approval for the issuance of the Series 2004 Refunding Bonds in the amount of the \$1,725,000, and the issuance of the Series 2004 A Bonds in the amount of \$1,600,000, with each bond issue carrying a 0% interest rate and extending for 40 years.

On November 19, 2004, the District filed a petition to reopen this case for expedited approval of a revised funding package and a rate increase to finance the

previously approved construction. Due to higher than anticipated bids, the total project cost is now \$1,280,405 (an increase of \$458,600). The scope of the project has not changed.

Pursuant to the District's petition and attached commitment letter, the West Virginia Infrastructure and Jobs Development Council (WVIJDC) has committed to the following: an additional \$220,203 loan for a 40-year term and 0% interest; and an additional \$238,397 grant. Due to the additional WVIJDC loan, the District requested to increase its rates. The District indicated it would also proceed with the issuance of the Series 2004 Refunding Bonds and the Series 2004 A Bonds, as previously approved and set forth above.

The District requested expedited treatment as bids for the project expire on March 6, 2005. To avoid such expiration and to avoid the possible resulting increase in construction costs, the District asked that the Commission enter an order by February 28, 2005.

On December 2, 2004, Commission Staff (Staff) filed an Initial Joint Staff Memorandum and noted the District's choice to obtain the needed rate increase by changing its rate block structure, rather than applying the rate increase evenly across all classes of customers under the existing tariff. Given this choice, Staff stated that a Class Cost of Service Study would be required to examine the reasonableness of the rates and to be assured that the proposed change in the rate structure would not unreasonably discriminate against one class of customers.

On January 13, 2005, the District filed an Affidavit of Publication that the Notice of Filing for Petition to Reopen was published in the *Hampshire Review* on December 1, 2004.

On January 27, 2005, Staff filed a Final Joint Staff Memorandum, attaching thereto Technical Staff's Final Internal Memorandum. Staff explained that in order to cover the additional debt service payment on the WVIJDC loan, the District proposed to revise its tariff structure by eliminating the tail block consumption of \$6.44 per 1,000 gallons. Currently, the District charges \$8.93 per 1,000 gallons for the first 10,000 gallons used per month and \$6.44 per 1,000 gallons for all consumption over 10,000 gallons. By eliminating the tail block, the District would charge all customers a flat rate of \$8.93 per 1,000 gallons per month.

Upon Staff's review, it was noted that although the construction bids came in 83% over the estimated costs of the project, the new \$1,280,405 project cost, which per equivalent customer is \$1,940, is reasonable for a sewer project.

Staff found that the District's sewer operations are being subsidized by the water operations, in that the District does not currently allocate any of the Superintendent's or Office Manager's wages to the sewer operations. Thus, Staff properly allocated these wages based on the current customer count of the utility. Staff also adjusted the other office employee costs based on the same allocation percentages since the employee spends some time working on both water and sewer operations.

Additionally, Staff made a Going-Level adjustment to include the \$10,803 adjustment proposed by the District in its filing for the increases in expenses associated with the new commercial customers coming on-line. Staff also made a Going-Level adjustment to uncollectibles for the associated increases in revenues. Although no other Going-Level increases were made, they would need to be made in a future rate increase application.

Staff further determined that as of November 30, 2004, the sewer operations owe the water operations approximately \$70,877. The District did not obtain approval for this borrowing in accordance with W. Va. Code § 16-13A-25. Therefore, Staff included approximately \$7,000 (0%) a year in its analysis for the payback of this amount to the water operations.

Staff opined that the District clearly needs a rate increase and that the Cost of Service Study revealed that the District's proposed rate change will result in fair and equitable rates for the respective classes of customers and provide a cash flow surplus of \$7,952 and a coverage of 115.87%. The surplus plus the respective Renewal and Replacement Reserve is sufficient at this time to handle needed annual capital improvements.

According to Staff, the District's current rates result in a minimum bill of \$17.86 (based on 2,000 gallons) and a bill of \$40.19 based upon 4,500 gallons per month. The Proforma/Staff Recommended rates also result in a minimum bill of \$17.86 (based on 2,000 gallons) and a bill of \$40.19 based upon 4,500 gallons per month. Thus, Staff explained, customers with consumptions below 10,000 gallons per month will not see an increase. However, customers with consumptions above 10,000 gallons per month will see an increase in charges.

Staff revised the District's tariff language to be consistent with the Commission's most recent Tariff Rules language and recommended a leak adjustment rate of \$1.42 per 1,000 gallons of water.

Based upon the above analysis, Staff recommended the following, pursuant to W. Va. Code §§ 16-13A-25 and 24-2-11 and without hearing:

- (1) Grant the District consent and approval to modify the funding of the sewer project which is now projected to cost \$1,280,405 by approving, in addition to the funding previously approved, (1) the District's borrowing of \$220,203 at 0% interest for 40 years from the WVIJDC and (2) the District's acceptance of a WVIJDC grant of \$238,397;
- (2) Approve the rates and charges recommended by Staff and included as Statement D, Schedule 3 as an attachment to Staff's final recommendation;
- (3) Direct the District to immediately file for a rate increase (e.g., the District must file an application for a rate increase within thirty (30) days of the Commission's final order);¹
- (4) Direct the District to seek consent and approval from the Commission of all future borrowings in accordance with W. Va. Code § 16-13A-25; and
- (5) State that the Commission's October 21, 2004 order in this case remains in full force and effect except as modified by above.

Staff also recommended that the Commission review this case as expeditiously as possible since the project was accorded emergency status by the WVIJDC pursuant to W. Va. Code § 31-15A-8.

To date, no protests have been filed.

¹Staff believes the District should immediately file for a rate increase since current operations are running a significant deficit and the rates recommended in this application will not take effect until completion of the project.

DISCUSSION

For those reasons discussed by Staff and the District, the Commission finds it is reasonable to approve the revised financing as requested by the District. In addition to the financing previously approved in the Order of October 21, 2004, the Commission will approve the additional \$220,203 WVIJDC loan at 0% interest for 40 years and the additional \$238,397 WVIJDC grant.

Given the additional loan, the Commission will also approve the rates and charges recommended by Staff. As such, rates will not become effective until substantial completion of the project and because the District's current operations are running at a significant deficit, the Commission will require that the District file for a rate increase within thirty (30) days of this Order.

Finally, as Staff explained that the sewer operations have been subsidized by the water operations and that the sewer operations owe the water operations approximately \$70,877, the District is reminded that it must seek consent and approval from the Commission of all future borrowings. W. Va. Code § 16-13A-25 states that "(a) Notwithstanding any other provisions of this article to the contrary, a public service district may not borrow money . . . without the prior consent and approval of the public service commission."

To date, the District has not objected to Staff's recommendation.

FINDINGS OF FACT

1. On October 21, 2004, the Commission granted District a certificate of convenience and necessity to construct certain additions and improvements to the Frenchburg Wastewater Treatment Plant, contingent upon the District filing a copy of the revised National Pollutant Discharge Elimination System Water Pollution Control Permit. The Commission also approved the project funding (of \$821,805), the issuance of the Series 2004 Refunding Bonds in the amount of the \$1,725,000, and the issuance of the Series 2004 A Bonds in the amount of \$1,600,000, with each bond issue carrying a 0% interest rate and extending for 40 years.

2. On November 19, 2004, the District petitioned to reopen this case for expedited approval of a revised funding package and a rate increase to finance the previously approved construction.

3. Due to higher than anticipated bids, the total project cost has increased \$458,600 and is now \$1,280,405. The scope of the project has not changed.

4. The WVIJDC committed the following: an additional \$220,203 loan for a 40-year term and 0% interest; and an additional \$238,397 grant.

5. On January 13, 2005, the District filed an Affidavit of Publication that the Notice of Filing for Petition to Reopen was published in the *Hampshire Review* on December 1, 2004.

6. On January 27, 2005, Staff filed a Final Joint Staff Memorandum, setting forth a detailed summary of its analysis and recommending the following, without hearing: a) Grant approval of the proposed revised financing (i.e. the \$220,203 WVIJDC loan at 0% interest for 40 years and the \$238,397 WVIJDC grant); b) approve the Staff-recommended rates and charges; c) direct the District to immediately file for a rate increase within thirty (30) days of the Commission's final order; d) direct the District to seek consent and approval from the Commission of all future borrowings in accordance with W. Va. Code § 16-13A-25; and e) state that the Commission's October 21, 2004 order in this case remains in full force and effect except as modified by above.

7. To date, no protests have been filed, and the District has not objected to Staff's recommendation.

CONCLUSIONS OF LAW

1. The revised financing as requested by the District, consisting of the additional \$220,203 WVIJDC loan at 0% interest for 40 years and the additional \$238,397 WVIJDC grant, should be approved.

2. Given the additional loan, it is reasonable to approve the Staff-recommended rates and charges to become effective upon substantial completion of the project.

3. As the Staff-recommended rates will not become effective until substantial completion of the project and because the District's current operations are running at a significant deficit, the District should file for a rate increase within thirty (30) days of this Order.

4. The District should be reminded that it must seek consent and approval from the Commission of all future borrowings pursuant to W. Va. Code § 16-13A-25.

COMMISSION ORDER

On July 12, 2004, the Central Hampshire Public Service District (District) filed an emergency application for a certificate of convenience and necessity to construct certain additions and improvements to the Frenchburg Wastewater Treatment Plant. The District does not anticipate increasing rates to fund the project.

On July 12, 2004, the Commission issued a Notice of Filing Order in which it directed the District to publish the notice once in a newspaper published and of general circulation in Hampshire County. The District was further directed to file an affidavit of publication.

Commission Staff (Staff) filed a Final Joint Staff Memorandum on August 23, 2004, explaining that, in summary, the project is estimated to cost \$821,805. The Frenchburg Wastewater Treatment Plant serves approximately 640 residential customers and 19 commercial customers, for a total of 660 equivalent dwelling units in the Sunrise and Augusta areas of Hampshire County. According to Staff, the additions and improvements will generally affect the aeration and clarification systems. Staff further opined that the proposed upgrades and additions will bring the Frenchburg Wastewater

Treatment Plant into compliance with the National Pollutant Discharge Elimination System (NPDES) Water Pollution Control Permit requirements and allow for future growth and connections. Thus, Staff determined the project is necessary and convenient, and recommended the following action be taken without a hearing (See Final Joint Staff Memorandum pp. 3-4):

1) Grant the District's application for an emergency certificate of convenience and necessity pursuant to W. Va. Code §§ 24-1-11 and 31-15A-8 to construct system improvements contingent upon the District filing a copy of the revised NPDES permit under this case number since the District has shown that there is a need for this project and that the general public's convenience will be served by the project;

2) Approve the project funding as follows:

West Virginia Infrastructure and Jobs Development Council grant	\$401,805
Hampshire County Development Authority grant	\$250,000
West Virginia Development Office grant	\$ 70,000
West Virginia School Building Authority [grant]	<u>\$100,000</u>
TOTAL	\$821,805

Additionally, approve the issuance of the Series 2004 Refunding Bonds in the amount of the \$1,725,000, and approve the issuance of the Series 2004 A Bonds in the amount of \$1,600,000. Both bond issues carry a 0% interest rate and extend for 40 years. This approval should be given pursuant to W. Va. Code § 16-13A-25. Additionally, the Commission should direct the District immediately petition the Commission for approval if there is any change in the funding of the project (including if there is a need for additional funding);

3) Direct the District to file a copy of the bids with the Commission as part of this case as soon as they are tabulated;

4) Direct the District to seek permission from the Commission if there are any changes in the scope of the project or financing of the project before proceeding;

5) Direct the District to notify the Commission in writing in this case when its Engineer has performed the substantial completion inspection; and

- 6) Approve the Staff Recommended Tariff and direct the District to file copies of this tariff with the Commission. Staff notes that the Staff recommended revisions do not involve changing any rates or charges. The changes are merely wording changing to bring the tariff into compliance with the revised Tariff Rules.

On August 25, 2004, the District filed an affidavit of publication reflecting that the Notice of Pre-Filing was published in the *Hampshire Review* for two consecutive weeks beginning on July 7, 2004.

An affidavit of publication was also filed by the District filed on September 7, 2004, evidencing the Notice of Filing had been published in the *Hampshire Review* on September 1, 2004.

On September 14, 2004, Staff recommended that if no substantial protest was filed within the 30-day protest period (which expired on October 1, 2004), the Commission should enter an Order which adopts Staff's recommendations.

No protests have been filed.

DISCUSSION

W. Va. Code §§ 24-2-11 provides, in pertinent part, as follows:

(a) No public utility . . . shall begin the construction of any plant . . . for furnishing to the public any [utility] service . . . unless and until it shall obtain from the public service commission a certificate of convenience and necessity requiring such construction Upon the filing of any application for such certificate, and after hearing, the commission may, in its discretion, issue or refuse to issue, or issue in part and refuse in part, such certificate of convenience and necessity: Provided, That the commission, after it gives proper notice and if no protest is received within thirty days after the notice is given, may waive formal hearing on the application.

Furthermore, in considering a certificate application, the Commission must assess whether the general public convenience will be served and assess the public necessity for

the project. Sexton v. Public Service Commission, 188 W. Va. 305, 423 S.E.2d 914 (1992).

Upon review, the Commission concludes that the project is necessary because the District's wastewater treatment plant is currently not meeting the WV/NPDES permit requirements and because it will allow for additional connections and future growth. Moreover, the Commission concludes that the general public convenience will be served by this project as it is entirely grant funded, and therefore, will not require a rate increase.

W. Va. Code § 16-13A-25 provides, in pertinent part, as follows:

. . . a public service district shall not borrow money . . .
without the prior consent and approval of the public service
commission . . .

The Commission finds Staff's recommendations reasonable and will approve the District's application for a certificate of convenience and necessity, as well as the proposed funding and issuance of bonds.

FINDINGS OF FACT

1. On July 12, 2004, the District filed an emergency application for a certificate of convenience and necessity to construct certain additions and improvements to the Frenchburg Wastewater Treatment Plant.

2. Staff filed a Final Joint Staff Memorandum on August 23, 2004, explaining that the Frenchburg Wastewater Treatment Plant serves approximately 640 residential customers and 19 commercial customers, for a total of 660 equivalent dwelling units in the Sunrise and Augusta areas of Hampshire County. According to Staff, the additions and improvements will generally affect the aeration and clarification systems; bring the Frenchburg Wastewater Treatment Plant into compliance with the WV/NPDES permit requirements; and allow for future growth and connections.

3. Staff recommended that an Order be entered, without a hearing, which does the following: a) grants the District's application, contingent upon the District filing a copy of the revised NPDES permit under this case number; b) approves the project funding as detailed in Staff's final memorandum; c) directs the District to file a copy of the tabulated bids; d) directs the District to seek permission from the Commission if there are any changes in the project's scope or financing; e) directs the District to notify the Commission in writing in this case when its Engineer has performed the substantial

completion inspection; and f) approves the Staff Recommended Tariff and directs the District to file copies of the tariff with the Commission.

4. An affidavit of publication was filed by the District on September 7, 2004, evidencing the Notice of Filing had been published in the *Hampshire Review* on September 1, 2004.

5. On September 14, 2004, Staff recommended that if no substantial protest was filed within the 30-day protest period (which expired on October 1, 2004), the Commission should enter an Order which adopts Staff's recommendations.

6. No protests have been filed.

CONCLUSIONS OF LAW

1. The Commission concludes that the general public convenience will be served by this project as it is entirely grant funded, and therefore, will not require a rate increase.

2. The District's project, more specifically described above, is needed and will serve the general public convenience. Therefore, pursuant to W. Va. Code § 24-2-11 and Sexton v. Public Service Commission, 188 W. Va. 305, 423 S.E.2d 914 (1992), a certificate of convenience and necessity will be granted, contingent upon the District filing a copy of the revised NPDES, as recommended by Staff.

3. The Commission concludes that it is reasonable to approve the financing for the project and the issuance of the bonds, as more specifically described above.

4. The Commission concludes that it is reasonable to approve Staff's Recommended Tariff (attached to Staff's Final Internal Memorandum, filed on August 25, 2004) and to require the District to file copies of the revised tariff.

5. The Commission will require the District to file a copy of the project bids as soon as they are tabulated.

6. The Commission will require the District to notify the Commission when the project Engineer has performed the substantial completion inspection.

7. The Commission will require the District to request a reopening of this case should there be any changes in the plans, scope and terms of financing of the project.

ORDER

IT IS, THEREFORE, ORDERED that the Central Hampshire Public Service District's application for an emergency certificate of convenience and necessity, filed on July 12, 2004, is granted, contingent upon the District filing a copy of the revised NPDES permit with the Commission under this case number.

IT IS FURTHER ORDERED that the project funding is approved as follows:

West Virginia School Building Authority grant	<u>\$100,000</u>
TOTAL	\$821,805

IT IS FURTHER ORDERED that the Central Hampshire Public Service District shall file a copy of the bids with the Commission, as part of this case, as soon as they are tabulated.

IT IS FURTHER ORDERED that Central Hampshire Public Service District shall seek permission from the Commission if there are any changes in the scope or financing of the project before proceeding.

IT IS FURTHER ORDERED that the Central Hampshire Public Service District shall notify the Commission in writing when its Engineer has performed the substantial completion inspection.

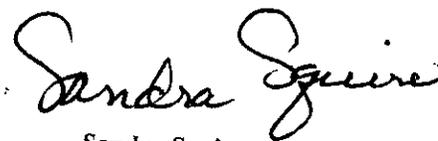

IT IS FURTHER ORDERED that the Staff Recommended Tariff, attached hereto as Attachment A, is approved.

IT IS FURTHER ORDERED that the Central Hampshire Public Service District shall file an original and five (5) copies of the revised tariff with the Commission within 30 days of the date of this Order.

IT IS FURTHER ORDERED that, upon entry hereof, this proceeding shall be removed from the Commission's active docket of cases.

Re: Binding Commitment Letter
Wastewater Project
Project 2003S-773
Emergency Project

Dear Mr. Bohrer:

The West Virginia Infrastructure and Jobs Development Council (the "Infrastructure Council") has reviewed the Central Hampshire Public Service District (the "District") preliminary application regarding the above referenced wastewater upgrade project (the "Project").

Based on the findings of the Sewer Technical Review Committee, the Infrastructure Council has determined that the Project is technically feasible within the guidelines of the Infrastructure and Jobs Development Act. The District should carefully review the enclosed comments of the Sewer Technical Review Committee as the District may need to address certain issues raised in said comments as it proceeds with the Project.

The Infrastructure Council provides this binding offer to the District for an Infrastructure Fund grant of approximately \$401,805 (the "Grant") and restructuring of the District's 1999B Sewer Revenue Bonds and 1999 Sewerage System Bond Anticipation Notes (cumulatively with the Grant to be the "Financial Assistance") for the Project. The Financial Assistance will be subject to the terms set forth on Schedule A attached hereto and incorporated herein by reference. The Financial Assistance will be between the District and the West Virginia Water Development Authority (the "Authority"), acting on behalf of the Infrastructure Council.

This Financial Assistance commitment will expire on the earlier of (i) December 30, 2005 or (ii) upon the District's written notification to the Infrastructure Council that the District does not desire to pursue the Financial Assistance.

The Financial Assistance will be closed with the District following receipt of the completed Schedule B, a final, nonappealable order from the Public Service Commission authorizing construction of the Project, evidence of binding commitments for other funding; evidence of all permits; evidence of acceptable bids; and any other documents requested by the Infrastructure Council.

No statements or representations made before or after the issuance of this contingent commitment by any person, member of the Infrastructure Council, or agent or employee of the Authority shall be construed as approval

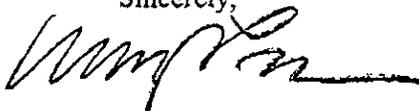

Greg Bohrer

to alter or amend this commitment, as all such amendments or alterations shall only be made in writing after approval of the Infrastructure Council.

The Project has met the criteria of section 31-15A-2 for an emergency project; however, the Project does not qualify for exemption of the Public Service Commission approval as loan dollars are included in the overall financing. The emergency status does limit the Public Service Commission review time to 120 days and exempts the District from the pre-filing requirements.

If the District has any questions regarding this commitment, please contact Katy Mallory at the above-referenced telephone number.

Sincerely,

Mark Prince

No. BR-1

\$1,599,500

KNOW ALL MEN BY THESE PRESENTS: That on this 11th day of March, 2005, CENTRAL HAMPSHIRE PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Hampshire County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the WEST VIRGINIA WATER DEVELOPMENT AUTHORITY (the "Authority") or registered assigns, the sum of ONE MILLION FIVE HUNDRED NINETY NINE THOUSAND FIVE HUNDRED DOLLARS (\$1,599,500), or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing September 1, 2006, as set forth on the "Debt Service Schedule" attached as EXHIBIT B hereto and incorporated herein by reference.

This Bond shall bear no interest. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Infrastructure and Jobs Development Council (the "Council"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and between the Issuer and the Authority, on behalf of the Council, dated March 11, 2005.

This Bond is issued (i) to pay in full on the date hereof the entire outstanding principal of and all accrued interest on the Issuer's Sewerage System Bond Anticipation Notes, Series 1999 (West Virginia Infrastructure Fund) (the "Prior Notes"); and (ii) to pay certain costs of issuance of the Bonds of this Series (the "Bonds") and related costs. The existing public sewerage facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia,

including particularly Chapter 16, Article 13A and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), a Bond Resolution duly adopted by the Issuer on March 8, 2005, and a Supplemental Resolution duly adopted by the Issuer on March 8, 2005 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS WITH THE ISSUER'S (1) SEWER REVENUE BONDS, SERIES 1999 A (WEST VIRGINIA SRF PROGRAM), DATED APRIL 27, 1999, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$2,836,000; (2) SEWER REFUNDING BONDS, SERIES 2005 A (WEST VIRGINIA INFRASTRUCTURE FUND), DATED MARCH 11, 2005, ISSUED CONCURRENTLY HEREWITH IN THE ORIGINAL PRINCIPAL AMOUNT OF \$1,725,000; AND (3) SEWER REVENUE BONDS, SERIES 2005 C (WEST VIRGINIA INFRASTRUCTURE FUND), DATED MARCH 11, 2005, ISSUED CONCURRENTLY HEREWITH IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$220,203 (COLLECTIVELY, THE "FIRST LIEN BONDS").

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the First Lien Bonds and from monies in the reserve account created under the Bond Legislation for the Bonds (the "Series 2005 B Bonds Reserve Account") and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same, or the interest, if any, hereon, except from said special fund provided from the Net Revenues, the monies in the Series 2005 B Bonds Reserve Account and unexpended proceeds of the Bonds. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest, if any, on the Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Bonds, including the First Lien Bonds; provided however, that so long as there exists in the Series 2005 B Bonds Reserve Account an amount at least equal to the maximum amount of

principal and interest, if any, which will become due on the Bonds in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with the Bonds, including the First Lien Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Bond Legislation. Remedies provided the registered owners of the Bonds are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of The Huntington National Bank, Charleston, West Virginia (the "Registrar") by the registered owner, or by its attorney duly authorized in writing, upon the surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All monies received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of refunding the Prior Notes and costs of issuance hereof described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such monies, until so applied, in favor of the registered owner of this Bond.

No. CR-1

\$220,203

KNOW ALL MEN BY THESE PRESENTS: That on this 11th day of March, 2005, CENTRAL HAMPSHIRE PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Hampshire County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the WEST VIRGINIA WATER DEVELOPMENT AUTHORITY (the "Authority") or registered assigns, the sum of TWO HUNDRED TWENTY THOUSAND TWO HUNDRED THREE DOLLARS (\$220,203), or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing September 1, 2006, as set forth on the "Debt Service Schedule" attached as EXHIBIT B hereto and incorporated herein by reference.

This Bond shall bear no interest. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Infrastructure and Jobs Development Council (the "Council"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and between the Issuer and the Authority, on behalf of the Council, dated March 11, 2005.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public sewerage facilities of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of the Bonds of this Series (the "Bonds") and related costs. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS WITH THE ISSUER'S (1) SEWER REVENUE BONDS, SERIES 1999 A (WEST VIRGINIA SRF PROGRAM), DATED APRIL 27, 1999, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$2,836,000; (2) SEWER REFUNDING BONDS, SERIES 2005 A (WEST VIRGINIA INFRASTRUCTURE FUND), DATED MARCH 11, 2005, ISSUED CONCURRENTLY HERewith IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$1,725,00; AND (3) SEWER REFUNDING BONDS, SERIES 2005 B (WEST VIRGINIA INFRASTRUCTURE FUND), DATED MARCH 11, 2005, ISSUED CONCURRENTLY HERewith IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$1,599,500 (COLLECTIVELY, THE "FIRST LIEN BONDS").

Such Net Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Central Hampshire Public Service District (the "Issuer"), a public service district, public corporation and political subdivision created and existing under the laws of the State of West Virginia, of its \$1,725,000 Sewer Refunding Bonds, Series 2005 A (West Virginia Infrastructure Fund), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a loan agreement dated March 11, 2005, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council") and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal only to the Authority, bearing no interest. The principal of the Bonds is payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2020, and maturing March 1, 2039, all as set forth in "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying in full on the date hereof the entire outstanding principal of and all accrued interest on the Issuer's Sewer Revenue Bonds, Series 1999 B (West Virginia Infrastructure Fund) (the "Series 1999 B Bonds"); and (ii) paying certain costs of issuance of the Bonds and related costs.

We have also examined the applicable provisions of the Act, the Bond Resolution duly adopted by the Issuer on March 8, 2005, as supplemented by a Supplemental Resolution duly adopted by the Issuer on March 8, 2005 (collectively, the "Resolution"), pursuant to and under which Act and Resolution the Bonds are authorized and issued, and the Loan Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Resolution and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Resolution and the Loan Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district, public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Resolution and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the Council and cannot be amended by the Issuer so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Issuer without the written consent of the Authority and the Council.

3. The Resolution and all other necessary orders and resolutions have been duly and effectively adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Resolution contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Resolution and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's Sewer Revenue Bonds, Series 1999 A (West Virginia SRF Program), the Sewer Refunding Bonds, Series 2005 B (West Virginia Infrastructure Fund) and the Sewer Revenue Bonds, Series 2005 C (West Virginia Infrastructure Fund), both issued contemporaneously herewith, all in accordance with the terms of the Bonds and the Bond Legislation.

5. The Bonds are, under the Act, exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

7. The Issuer's Sewer Revenue Bonds, Series 1999 B (West Virginia Infrastructure Fund) (the "Series 1999 B Bonds") have been paid within the meaning and with the effect expressed in the 1999 Resolution, and the covenants, agreements and other obligations of the Issuer to the owners of the Series 1999 B Bonds have been satisfied and discharged. In rendering the opinion set forth in this paragraph, we have relied upon the certificate of the West Virginia Municipal Bond Commission stating that it has received payment for the entire outstanding principal of and all accrued interest on the Series 1999 B Bonds and the Series 1999 B Bonds have been paid in full on the date hereof.

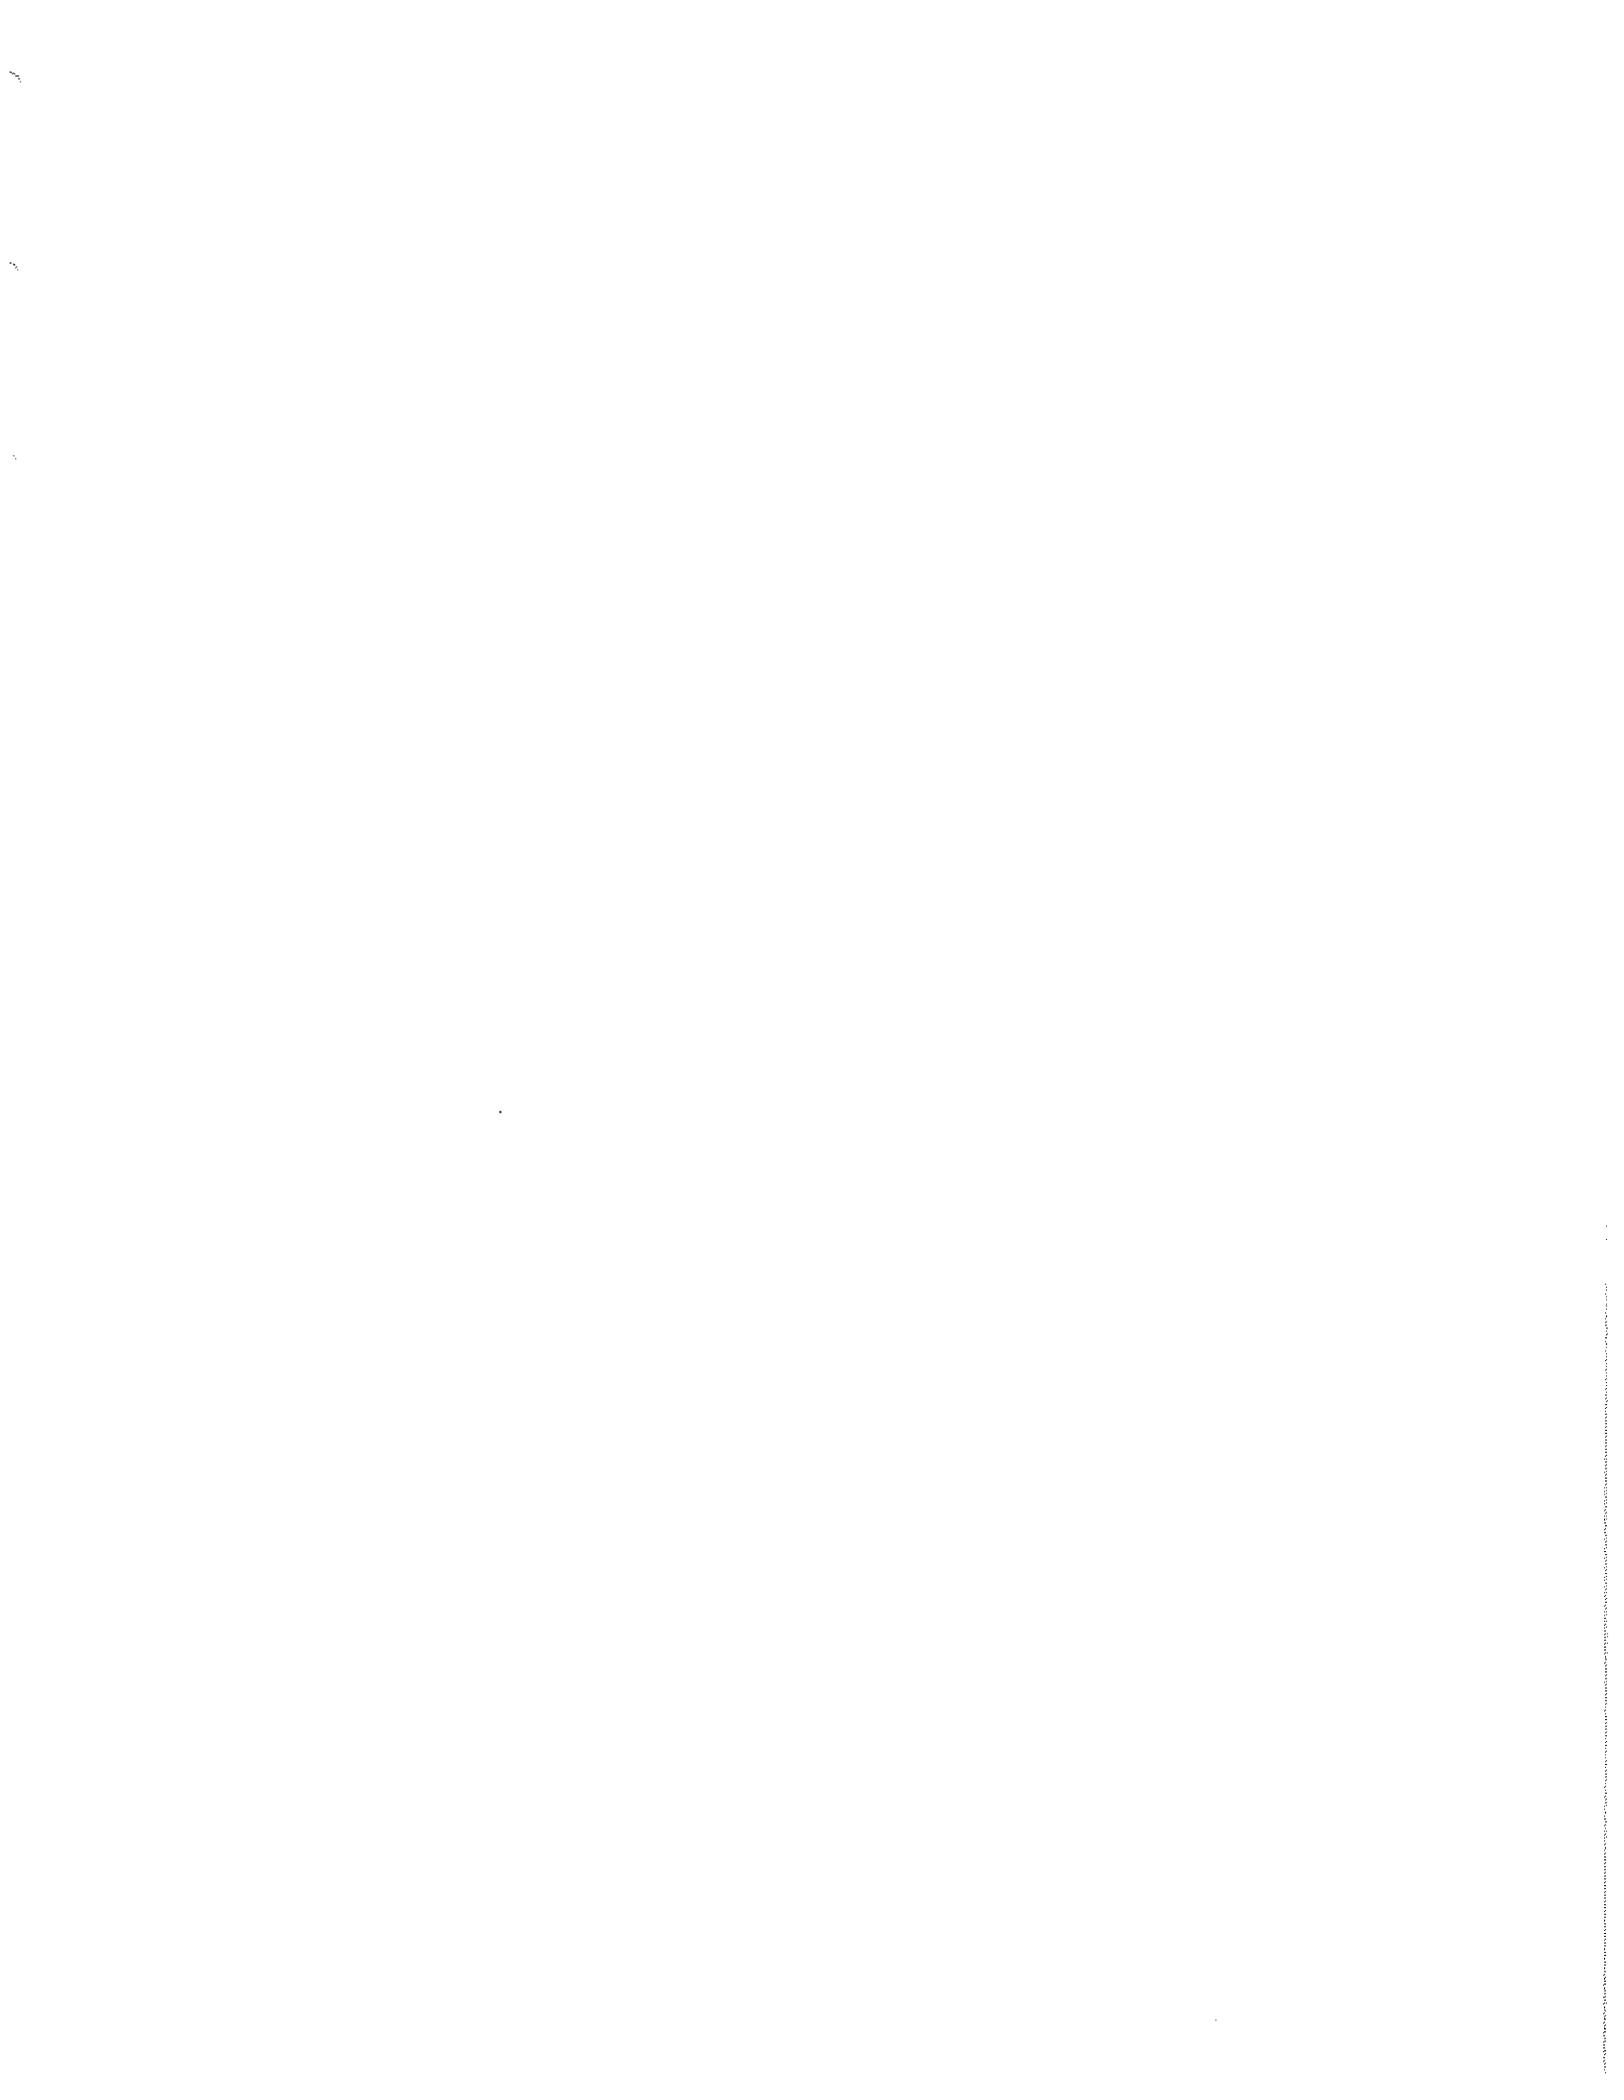

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Loan Agreement and the Resolution, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

6. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Loan Agreement and the Resolution, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered CR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

Resolution the Bonds are authorized and issued, and the Loan Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Resolution and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Resolution and the Loan Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district, public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Resolution and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the Council and cannot be amended by the Issuer so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Issuer without the written consent of the Authority and the Council.

3. The Resolution and all other necessary orders and resolutions have been duly and effectively adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Resolution contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Resolution and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's Sewer Revenue Bonds, Series 1999 A (West Virginia SRF Program), the Sewer Refunding Bonds, Series 2005 A (West Virginia Infrastructure Fund), and the Sewer Refunding Bonds, Series 2005 B (West Virginia Infrastructure Fund), both issued contemporaneously herewith, all in accordance with the terms of the Bonds and the Bond Legislation.

5. The Bonds are, under the Act, exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

I am of the opinion that:

1. The Issuer is duly created and validly existing as a public service district and as a public corporation and political subdivision of the State of West Virginia.
2. The members and officers of the Public Service Board of the Issuer have been duly, lawfully and properly appointed and elected, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.
3. The Loan Agreements have been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the other parties thereto, constitute valid and binding agreements of the Issuer enforceable in accordance with their terms.
4. The Resolution has been duly adopted by the Issuer and is in full force and effect.
5. The execution and delivery of the Bonds and the Loan Agreements and the consummation of the transactions contemplated by the Bonds, the Loan Agreements and the Resolution and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any order, resolution, agreement or other instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, court order or consent decree to which the Issuer is subject.
6. The Issuer has received the Commission Orders of the Public Service Commission of West Virginia entered on October 21, 2004 and February 15, 2005, respectively, in Case No. 04-1070-PSD-ECN, among other things, granting to the Issuer a certificate of public convenience and necessity for the Project, approving the financing for the Project, approving rates and approving the refunding of the Series 1999 B Bonds and the Prior Notes. The time for appeal of the October 21, 2004 Order has expired prior to the date hereof without any appeal. The time for appeal of the February 15, 2005 Order has not expired on the date hereof. However, the parties to such Order have stated that they will not appeal such Order. Both Orders remain in full force and effect.
7. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the creation and existence of the Issuer, the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, all requisite orders, certificates and approvals from The County Commission of Hampshire County, the West Virginia Department of Environmental Protection, the Council, and the Public Service Commission of West Virginia, and has taken any other action required for the imposition of such rates and charges, including the adoption of a resolution prescribing such rates and charges.

8. To the best of my knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Bonds, the Loan Agreements, the Resolution, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds or the collection of the Gross Revenues or the pledge of the Net Revenues for the payment of the Bonds.

9. I have verified that all successful bidders have made required provisions for all insurance and payment and performance bonds and I have reviewed such insurance policies or binders and such bonds for accuracy. I have reviewed the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project and verified that such surety bonds and policies (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interests of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Bond Legislation and the Loan Agreements; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Very truly yours,

Ladies and Gentlemen:

Based upon the rates and charges set forth in the Commission Order of the Public Service Commission of West Virginia entered February 15, 2005, in Case No. 04-1070-PSD-ECN, the projected operating expenses and the anticipated customer usage as furnished to us by Central Hampshire Public Service District (the "Issuer"), it is my opinion that such rates and charges, together with other revenues of the existing sewerage system of the Issuer (the "System"), are sufficient (i) to pay all operating expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Issuer's Sewer Refunding Bonds, Series 2005 A, Sewer Refunding Bonds, Series 2005 B and Sewer Revenue Bonds, Series 2005 C (West Virginia Infrastructure Fund) (collectively, the "Bonds"), to be issued to the West Virginia Water Development Authority, and all other obligations secured by or payable from revenues of the System on a parity with the Bonds, including the Sewer Revenue Bonds, Series 1999 A (West Virginia SRF Program), dated April 27, 1999 (the "Prior Bonds").

It is further my opinion that the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the issuance of the Bonds, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Bonds and the Prior Bonds.

Very truly yours,

CERTIFICATE AS TO USE OF PROCEEDS

On this March 11, 2005, the undersigned Chairman of the Public Service Board of Central Hampshire Public Service District in Hampshire County, West Virginia (the "Issuer"), being one of the officials of the Issuer duly charged with the responsibility for the issuance of its \$1,725,000 Sewer Refunding Bonds, Series 2005 A (West Virginia Infrastructure Fund), \$1,599,500 Sewer Refunding Bonds, Series 2005 B (West Virginia Infrastructure Fund) and \$220,203 Sewer Revenue Bonds, Series 2005 C (West Virginia Infrastructure Fund), all dated March 11, 2005 (collectively, the "Bonds" or the "Series 2005 Bonds"), hereby certifies as follows:

1. I am one of the officers of the Issuer duly charged with the responsibility of issuing the Bonds. I am familiar with the facts, circumstances and estimates herein certified and duly authorized to execute and deliver this certificate on behalf of the Issuer. Capitalized terms used herein and not otherwise defined herein shall have the meanings set forth in the Bond Resolution duly adopted by the Issuer on March 8, 2005 (the "Bond Resolution"), authorizing the Bonds.

2. This certificate may be relied upon as the certificate of the Issuer.

3. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on March 11, 2005, the date on which the Bonds are being physically delivered in exchange for all or an initial advance of the principal amount of the Series 2005 Bonds, and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

4. In the Bond Resolution pursuant to which the Bonds are issued, the Issuer has covenanted that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Internal

Revenue Code of 1986, as amended, and the temporary and permanent regulations promulgated thereunder or under any predecessor thereto (collectively, the "Code"), issued by the West Virginia Water Development Authority (the "Authority"), or the West Virginia Infrastructure and Jobs Development Council (the "Council"), as the case may be, from which the proceeds of the Bonds are derived, to lose their status as tax-exempt bonds. The Issuer hereby covenants to take all actions necessary to comply with such covenant.

5. The Series 2005 Bonds were sold on the 11th day of March, 2005, to the Authority, pursuant to the loan agreements dated the 11th day of March, 2005, by and between the Issuer and the Authority, on behalf of the Council, for an aggregate purchase price of \$3,544,703 (100% of par), at which time, the Issuer received \$1,725,000, being the entire principal amount of the Series 2005 A Bonds, \$1,599,500, being the entire principal amount of the Series 2005 B Bonds and \$19,550 being the first advance of the principal amount of the Series 2005 C Bonds. No accrued interest has been or will be paid on the Series 2005 Bonds. The balance of the principal amount of the Series 2005 C Bonds will be advanced to the Issuer as acquisition and construction of the Project progresses.

6. The Series 2005 Bonds are being delivered simultaneously with the delivery of this certificate and are issued for the purposes of (i) paying in full the entire outstanding principal of and all accrued interest on the Issuer's Sewer Revenue Bonds, Series 1999 B (West Virginia Infrastructure Fund) (the "Series 1999 B Bonds"); (ii) paying in full the Issuer's Sewerage System Bond Anticipation Notes, Series 1999 (West Virginia Infrastructure Fund) (the "Prior Notes"); (iii) paying a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public sewerage facilities of the Issuer (the "Project") and (iv) paying certain costs of issuance of the Bonds and related costs.

7. Within 30 days after the delivery of the Bonds, the Issuer shall enter into agreements which require the Issuer to expend at least 5% of the net sale proceeds of the Bonds on the Project, constituting a substantial binding commitment. The acquisition and construction of the Project and the allocation of the net sale proceeds of the Bonds to expenditures of the Project shall commence immediately and shall proceed with due diligence to completion, and with the exception of proceeds deposited in the Reserve Account for the Bonds, if any, all of the proceeds from the sale of the Bonds, together with any investment earnings thereon, will be expended for payment of costs of the Project on or before May 11, 2006. The acquisition and construction of the Project is expected to be completed by February 11, 2006.

21. The Bonds are not federally guaranteed.

22. The Issuer has retained the right to amend the Bond Resolution authorizing the issuance of the Bonds if such amendment is necessary to assure that the Bonds remain governmental bonds.

23. The Issuer has either (a) funded the respective Series 2005 Bonds Reserve Accounts at the maximum amount of principal and interest which will mature and become due on the Bonds in the then current or any succeeding year with the proceeds of the Bonds or other available funds, or (b) created the respective Series 2005 Bonds Reserve Accounts which will be funded with equal payments made on a monthly basis over a 10-year period until such respective Series 2005 Bonds Reserve Accounts hold amounts equal to the maximum amount of principal and interest which will mature and become due on the Bonds in the then current or any succeeding year. Monies in the respective Series 2005 Bonds Reserve Accounts and the respective Series 2005 Bonds Sinking Funds will be used solely to pay principal of and interest on the Bonds and will not be available to pay costs of the Project.

24. There are no other obligations of the Issuer which (a) are to be issued at substantially the same time as the Bonds, (b) are to be sold pursuant to a common plan of financing together with the Bonds and (c) will be paid out of substantially the same sources of funds or will have substantially the same claim to be paid out of substantially the same sources of funds as the Bonds.

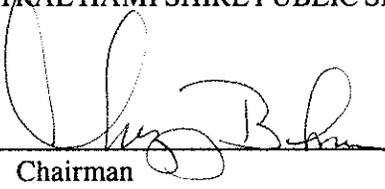

25. To the best of my knowledge, information and belief, there are no other facts, estimates and circumstances which would materially change the expectations herein expressed.

RE: PUBLIC SERVICE DISTRICT

E. Garry Shanholtz stated they are going to have the hearing of the Public Service District concerning the Route 28 water extension. The hearing started at 7:25 P.M. Present were Scott Shoemaker, Teddy Smith, Donald Judy and Brian Judy, Commissioners Shanholtz, Bradfield, Shoemaker and County Clerk Sharon Link. Teddy Smith stated they need to extend the service area on Route 28 to do the line extension. He advised the old Route 28 system was not included in their territory. PUBLIC SERVICE COMMISSION
OF WEST VIRGINIA
CHARLESTON

Entered: September 12, 2001

CASE NO. 01-0647-PSWD-PC

HAMPSHIRE COUNTY COMMISSION

Petition for consent and approval to
enlarge the boundaries of Central
Hampshire Public Service District.

RECOMMENDED DECISION

On May 14, 2001, the Hampshire County Commission filed a petition for consent and approval to enlarge the boundaries of Central Hampshire Public Service District, pursuant to West Virginia Code §16-13A-2. The County Commission's petition addresses only water service.

By Order dated June 25, 2001, this matter was referred to the Division of Administrative Law for a decision to be rendered on or before December 10, 2001.

On June 8, 2001, Staff Attorney Caryn Watson Short filed an Initial and Final Joint Staff Memorandum to which was attached the Initial and Final Internal Memorandum prepared by Ms. Karen L. Buckley, Utilities Analyst, Water and Wastewater Division, and Mr. Christopher B. Farrish, Engineering Technician, Engineering Division. Staff noted that, on May 29, 2001, the Hampshire County Commission filed information in response to a Staff request for further information in this proceeding. However, since the case number was not on the information that the Hampshire County Commission filed, the Executive Secretary's Office treated the information as a new case and assigned it Case No. 01-0711-PSWD-PC. Staff recommended that the proceeding designated as Case No. 01-0711-PSWD-PC be dismissed and the information filed therein placed in the file for Case No. 01-0647-PSWD-PC.

By Commission Order dated June 8, 2001, it was ordered that the documents filed on May 29, 2001, in this proceeding be placed in Case No. 01-0647-PSWD-PC, Hampshire County Commission. Said order also dismissed, and removed from the Commission's docket of open cases, Case No. 01-0711-PSWD-PC.

On July 18, 2001, Staff Attorney Caryn Watson Short filed the Final Joint Staff Memorandum to which was attached the Final Internal Memorandum prepared by Ms. Karen L. Buckley, Utilities Analyst, Water and Wastewater Division, and Christopher B. Farrish, Engineering Technician, Engineering Division. Staff explained that the Hampshire County Commission determined it necessary, feasible and proper to enlarge the boundaries of Central Hampshire Public Service District and that it will

be conducive to the preservation of public health, comfort and convenience of the area. The proposed consolidation will not infringe upon any other water utility. The application included the affidavits of

publication. Although the County Commission had not provided evidence that posting was done, Staff believed the Hampshire County Commission had substantially complied with West Virginia Code §16-13A-2 and recommended that a hearing be set for this case in Hampshire County. Staff will support approval of the boundary expansion.

On July 19, 2001, Staff Attorney Short filed a Further Final Joint Staff Memorandum indicating that the Hampshire County Commission had provided evidence that posting had been done.

By Order dated July 27, 2001, this matter was set for a hearing to be held in Hampshire County in accordance with the provisions of West Virginia Code §16-13A-2 on August 21, 2001. Said Order also provided that the Hampshire County Commission publish a notice of hearing once in a newspaper, duly qualified by the Secretary of State, published and of general circulation in Hampshire County. The proper affidavit of publication was to be submitted to the Commission at the hearing.

Mr. David W. Pancake, Executive Director of the Hampshire County Development Authority, appeared on behalf of the Hampshire County Commission and provided the proper affidavit of publication reflecting that publication had been made of the notice of hearing in accordance with the Commission's requirements. (Tr., p. 5).

Commission Staff was represented by Staff Attorney Cassius H. Toon. No one appeared in protest to the Hampshire County Commission's petition.

Since no one appeared in protest to the petition of the Hampshire County Commission, the matter was submitted for a decision as an unopposed case.

FINDINGS OF FACT

1. On May 14, 2001, the Hampshire County Commission filed a petition for consent and approval to enlarge the boundaries of Central Hampshire Public Service District, pursuant to West Virginia Code §16-13A-2. The County Commission's petition addresses only water service. (See petition filed May 14, 2001).

2. On July 18, 2001, Staff Attorney Caryn Watson Short recommended that a hearing be held in this matter in accordance with the provisions of West Virginia Code §16-13A-2 in Hampshire County. (See, Final Joint Staff Memorandum filed July 18, 2001).

3. On July 19, 2001, Staff Attorney Short filed a Further Final Joint Staff Memorandum in which she advised that Staff had filed a Final Joint Staff Memorandum in this case on July 18, 2001, recommending approval of the boundary enlargement. (See Further Final Joint Staff Memorandum filed July 19, 2001).

4. By Order dated July 27, 2001, this matter was set for a hearing to be held in Hampshire County on August 21, 2001. Said Order also provided that the Hampshire County Commission publish a notice of hearing once in a newspaper, duly qualified by the Secretary of State, published and of general circulation in Hampshire County. (See Order dated July 27, 2001).

5. The hearing was held as scheduled on August 21, 2001, and a proper affidavit of publication was submitted by the Hampshire County Commission indicating that the notice of hearing had been published in accordance with the Commission's requirements. No one appeared at the hearing in protest to the petition. (See, Tr., pp. 4, 5).

CONCLUSION OF LAW

Since the Hampshire County Commission gave notice of the hearing to be held in this matter on August 21, 2001, in accordance with the Commission's requirements and no one appeared in protest to the petition, it is reasonable to approve the order of the Hampshire County Commission, dated March 23, 2001, and filed on May 14, 2001, enlarging the boundaries of the Central Hampshire Public Service District, pursuant to West Virginia Code §16-13A-2.

ORDER

IT IS, THEREFORE, ORDERED that the March 23, 2001 Order of the Hampshire County Commission enlarging the boundaries of the Central Hampshire Public Service District, be, and the same hereby is, approved.

The Executive Secretary is hereby ordered to serve a copy of this order upon the Commission by hand delivery, and upon all parties of record by United States Certified Mail, return receipt requested.

Leave is hereby granted to the parties to file written exceptions supported by a brief with the Executive Secretary of the Commission within fifteen (15) days of the date this order is mailed. If exceptions are filed, the parties filing exceptions shall certify to the Executive Secretary that all parties of record have been served said exceptions.

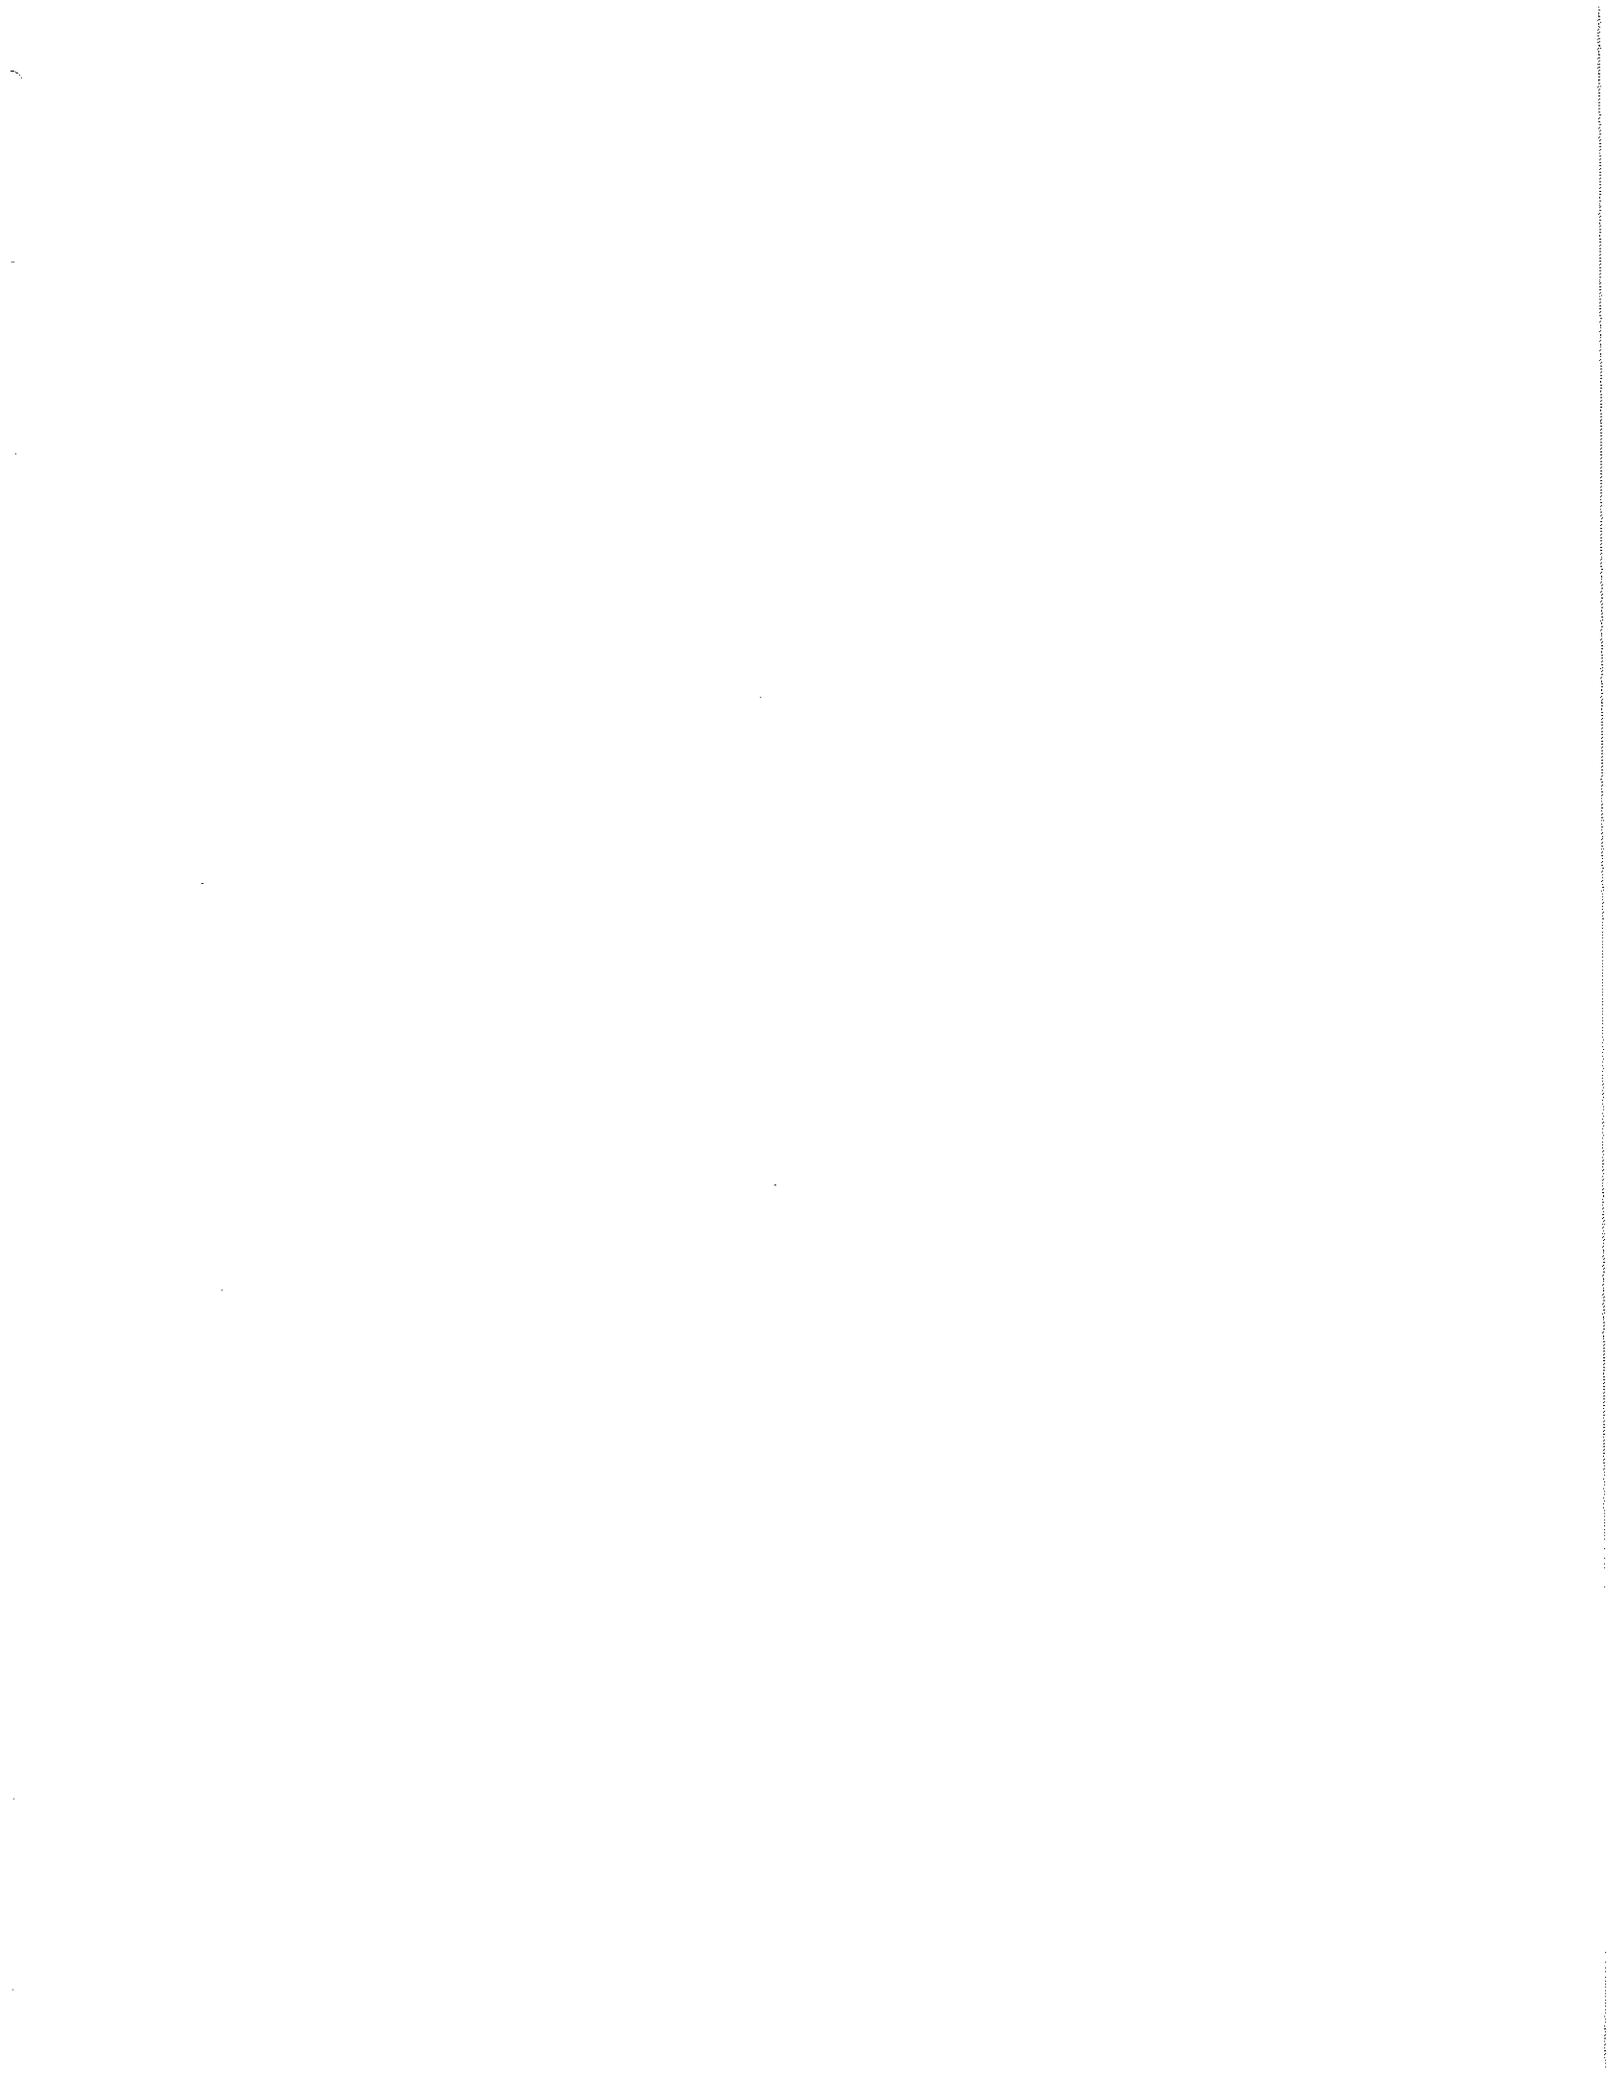

If no exceptions are so filed this order shall become the order of the Commission, without further action or order, five (5) days following the expiration of the aforesaid fifteen (15) day time period, unless it is ordered stayed or postponed by the Commission.

Any party may request waiver of the right to file exceptions to an Administrative Law Judge's Order by filing an appropriate petition in writing with the Secretary. No such waiver will be effective until approved by order of the Commission, nor shall any such waiver operate to make any Administrative Law Judge's Order or Decision the order of the

Commission sooner than five (5) days after approval of such waiver by the Commission.

PUBLIC SERVICE COMMISSION
OF WEST VIRGINIA
CHARLESTON

Entered by the PUBLIC SERVICE COMMISSION OF WEST VIRGINIA in the City of Charleston on the 12th day of July, 2004.

CASE NO. 04-1070-PSD-ECN

CENTRAL HAMPSHIRE PUBLIC SERVICE DISTRICT

Application for a Certificate of Convenience and Necessity to construct, operate and maintain a Wastewater Treatment Plant to serve approximately 846 customers in Sunrise and Augusta areas of Hampshire County, West Virginia.

NOTICE OF FILING

WHEREAS, on July 12, 2004, Central Hampshire Public Service District filed an application, duly verified, for a Certificate to construct certain additions and improvements to the Frenchburg Wastewater Treatment Plant aeration and clarifier improvements system in Hampshire County. The application is on file with and available for public inspection at the Public Service Commission, 201 Brooks Street, in Charleston, West Virginia.

WHEREAS, the Central Hampshire Public Service District (Applicant) estimates that construction will cost approximately \$850,000.00. It is proposed that the construction will be financed as follows: West Virginia Infrastructure Jobs & Development Council grant in the amount of \$401,805.00, West Virginia Development Office Local Economic grant in the amount of \$70,600.00, West Virginia School Building Authority grant in the amount of \$ 100,000.00, and a grant in the amount of \$250,000.00 from the Hampshire County Development Authority.

WHEREAS, the utility anticipates charging the following current sewer rates for its customers:

APPLICABILITY

Applicable in entire territory served.

AVAILABILITY OF SERVICE

Available for general domestic, commercial and industrial service.

RATES

First	10,000 gallons used per month	\$8.93 per thousand gallons
All over	10,000 gallons used per month	\$6.44 per thousand gallons

MINIMUM BILL

No bill shall be rendered for less than \$17.86 per month for two thousand (2,000) gallons or less usage.

FLAT RATE CHARGE

For sewer customers without metered water service, the flat monthly rate for sewer service will be \$40.19 (equivalent to 4,500 gallons per month).

DELAYED PAYMENT PENALTY

The above tariff is net. On all accounts not paid within twenty (20) days of date of bill, ten percent (10%) will be added to the net amount shown. If any bill is not paid within sixty (60) days after date, service to the customer will be disconnected. Service will not be restored until all past due bills have been paid in full and all accrued penalties plus a reconnection charge have been paid.

CONNECTION CHARGE

Prior to construction - \$0.
After construction passes the premises to be served, charge for connection to the system - \$0.

INCREMENTAL COST OF WASTEWATER TREATED

\$0.74 per 1,000 gallons. To be used when bill reflects unusual consumption which can be attributed to eligible leakage on customer's side of the meter. This rate is used to calculate consumption above the customer's historical usage.

RETURNED CHECK CHARGE

A service charge equal to the actual bank fee assessed to the District or a maximum of \$25.00 will be imposed upon any customer whose check for payment of charges is returned by their bank due to insufficient funds.

This project is funded entirely by grant funds and NO rate increase is proposed.

The District does not have any resale customers.

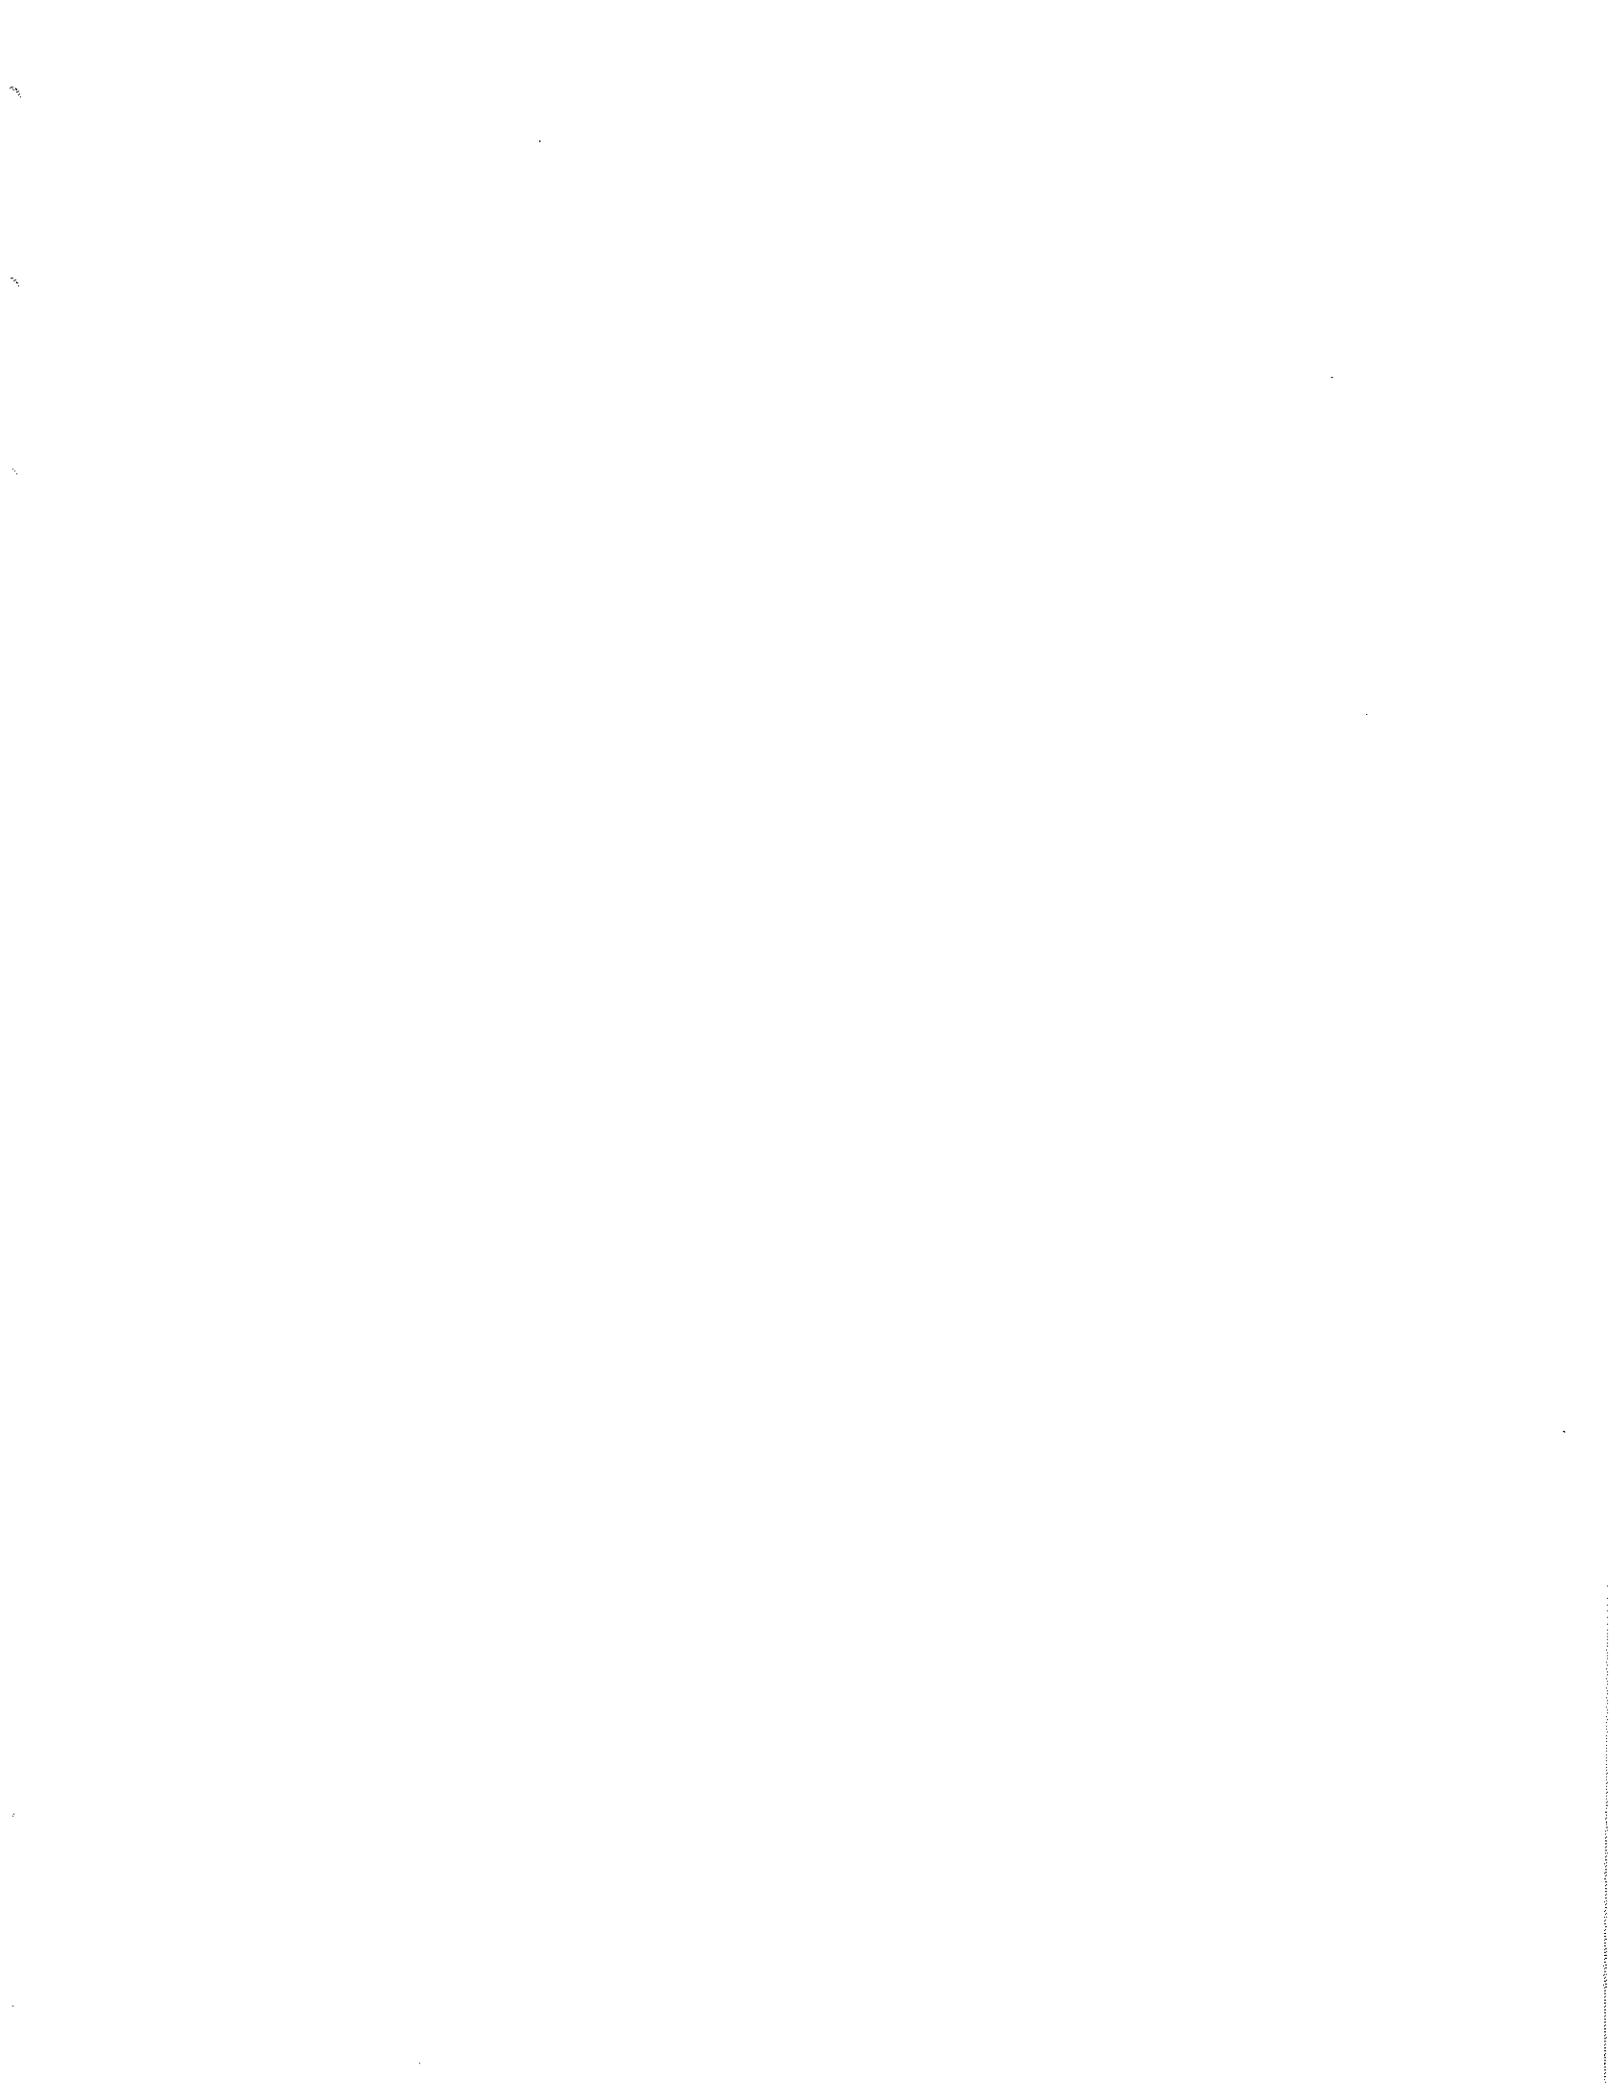

These rates represent no change from the District's current rates. The requested rates and charges are only a proposal and are subject to change (increase or decrease) by the Public Service Commission in its review of this filing.

Pursuant to §24-2-11, West Virginia Code, IT IS ORDERED that Central Hampshire Public Service District give notice of the filing of said application, by publishing a copy of this order once in a newspaper duly qualified by the Secretary of State, published and of general circulation in Hampshire County, making due return to this Commission of proper certification of publication immediately after publication. Anyone desiring to protest or intervene should file a written protest or notice of intervention within 30 days following the date of this publication unless modified by Commission order. Failure to timely protest or intervene can affect your right to protest aspects of this certificate case, including any associated rate increases, or to participate in future proceedings. All protests or requests to intervene should briefly state the reason for the protest or intervention. Requests to intervene must comply with the Commission's rules on intervention set forth in the Commission's Rules of Practice and Procedure. All protests and interventions should be addressed to: Sandra Squire, Executive Secretary, P.O. Box 812, Charleston, West Virginia 25323.

IT IS FURTHER ORDERED that if no protests are received within said thirty (30) day period, the Commission may waive formal hearing and grant the application based on the evidence submitted with said application and its review thereof.

The purpose of the NEW ISSUE REPORT FORM is to provide the WV Municipal Bond Commission with an early warning of three basic facts no later than the day of closing on any issue for which the Commission is to act as fiscal agent. These are:

1. Formal notification that a new issue is outstanding.
2. Date of first action or debt service.
3. Contact people should we lack documents, information, or funds needed to administer the issue by the date of the first action or debt service.

The commission recognizes that as bond transcripts become increasingly long and complex, it has become more difficult to assemble and submit them to the Commission within the 30 days specified by the West Virginia Code 13-3-8. This notice is not intended to provide all the information needed to administer an issue, but to alert the Commission and ensure that no debt service payments are missed due to delays in assembling bond transcripts. If, at the time of closing, documents such as the ordinance and all supplements, debt service schedules, and a specimen bond or photostat are available and submitted with this form, it will greatly aid the Commission in the performance of its duties. These documents are needed to set up the proper accounts and to advise the issuer of monthly deposit requirements as far in advance of the first debt service as possible.

It is not necessary to complete all items if they are not pertinent to your issue. Indicate the County of the issuer. With PSDs that overlap more than one county, indicate the county of their business office. Complete "Rate" only if the issue has only one rate. Please complete a separate form for each series of an issue. Other important information can be recorded under "Notes."

Again, please submit this form on each new issue on the day of closing. If fund transfers into or out of the Commission at closing are required, please submit this form before closing. If no significant facts change by closing, no resubmission at closing is required. If, however, there are changes, please submit an updated form, with changes noted, at closing.

If you should have any questions concerning this form, please call the Commission.

Dear Mr. Pancake:

I am appreciative of your letter of May 15, 2002 describing the problems that will be anticipated for the Central Hampshire sewer service located on the Little Capon River by the construction of the new Romney Middle School. Based upon my understanding of your correspondence, you have indicated that committing \$100,000 of the school's construction project funds toward upgrading the current plant will assure having sufficient sewage services for the new facility. In that regard, it is to the advantage of both our agencies to be assured that the existing sewage plant can handle the additional flow and we are pleased to earmark \$100,000 to that end.

We can be of further assistance, please do not hesitate to contact Bill Ratcliffe or me.

Respectfully,

Dr. Clacy Williams

The interest shall also be payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2020, or such earlier or later date as provided for in Section 5.03A(2) of the hereinafter defined Bond Legislation, as set forth on EXHIBIT B attached hereto.

Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent"). The interest on this Bond is payable by check or draft of the Paying Agent mailed to the registered owner hereof at the address as it appears on the books of One Valley Bank, National Association, Charleston, West Virginia, as registrar (the "Registrar"), on the 15th day of the month next preceding an interest payment date, or by such other method as shall be mutually agreeable so long as the Authority is the registered owner hereof.

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Infrastructure and Jobs Development Council (the "Council"), and upon the terms and

conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and between the Issuer and the Authority, on behalf of the Council, dated April 27, 1999.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public sewerage system of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of the Bonds of this Series (the "Bonds") and related costs. The existing public sewerage system of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), and a Resolution duly adopted by the Issuer on April 20, 1999, and a Supplemental Resolution duly adopted by the Issuer on April 20, 1999 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY, WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL OTHER RESPECTS, WITH THE ISSUER'S SEWER REVENUE BONDS, SERIES 1999 A (WEST VIRGINIA SRF PROGRAM), DATED APRIL 27, 1999, ISSUED CONCURRENTLY HEREWITH IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$2,836,000 (THE "SERIES 1999 A BONDS").

THIS BOND IS ISSUED SENIOR AND PRIOR, WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL OTHER RESPECTS, TO THE ISSUER'S SEWERAGE SYSTEM BOND ANTICIPATION NOTES, SERIES 1999 (WEST VIRGINIA INFRASTRUCTURE FUND), DATED APRIL 27, 1999, ISSUED CONCURRENTLY HEREWITH IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$1,600,000 (THE "NOTES").

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the Series 1999 A Bonds, and from moneys in the reserve account created under the Bond Legislation for the Bonds (the "Series 1999 B Bonds Reserve Account") and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest hereon, except from said special fund provided from the Net Revenues, the moneys in the Series 1999 B Bonds Reserve Account

and unexpended proceeds of the Bonds. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest on the Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Bonds, including the Series 1999 A Bonds; provided however, that so long as there exists in the Series 1999 B Bonds Reserve Account an amount at least equal to the maximum amount of principal and interest which will become due on the Bonds in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with the Bonds, including the Series 1999 A Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Bond Legislation. Remedies provided the registered owners of the Bonds are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of the Registrar by the registered owner, or by its attorney duly authorized in writing, upon the surrender of this Bond together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of the Project and costs of issuance hereof described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the registered owner of this Bond.

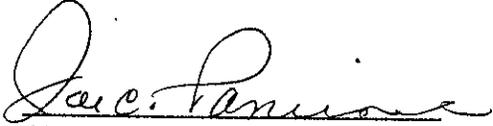

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Net Revenues of the System

has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of and interest on this Bond.

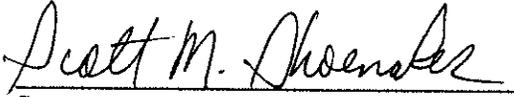

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

(WEST VIRGINIA INFRASTRUCTURE FUND)

No. R-1

\$1,600,000

KNOW ALL MEN BY THESE PRESENTS: That CENTRAL HAMPSHIRE PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Hampshire County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the sources and in the manner provided therefor, as hereinafter set forth, to the West Virginia Water Development Authority (the "Authority") or registered assigns the sum of ONE MILLION SIX HUNDRED THOUSAND DOLLARS (\$1,600,000), or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in annual installments of One Hundred Dollars (\$100) on December 1 of each year, commencing December 1, 2000, with the entire outstanding principal amount payable in full on December 1, 2005. Notwithstanding the foregoing, if the SRF Program (as defined in the hereinafter described Notes Resolution) is amended prior to the maturity date of this Note to permit the Authority and the DEP to authorize and make loans under the SRF Program for terms in excess of 20 years, the Authority, acting on behalf of the Council and upon providing reasonable written notice to the Issuer, may declare all or any portion of the outstanding principal amount of this Note to be due and payable prior to maturity.

This Note shall bear no interest. The principal of this Note is payable in any coin or currency which on the date of payment thereof is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Note may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Infrastructure and Jobs Development Council (the "Council"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and between the Issuer and the Authority, on behalf of the Council, dated April 27, 1999.

This Note is issued (i) to temporarily finance a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public sewerage system of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of the Notes of this Series (the "Notes") and related costs. The existing public sewerage system of the Issuer, the Project and any further improvements or extensions thereto are herein called

the "System". This Note is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), and a Resolution duly adopted by the Issuer on April 20, 1999, and a Supplemental Resolution duly adopted by the Issuer on April 20, 1999 (collectively, the "Notes Legislation"), and is subject to all the terms and conditions thereof.

THIS NOTE IS ISSUED JUNIOR AND SUBORDINATE, WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL OTHER RESPECTS, TO THE ISSUER'S SEWER REVENUE BONDS, SERIES 1999 A (WEST VIRGINIA SRF PROGRAM) AND SERIES 1999 B (WEST VIRGINIA INFRASTRUCTURE FUND), BOTH DATED APRIL 27, 1999, ISSUED CONCURRENTLY HEREWITH IN THE RESPECTIVE ORIGINAL AGGREGATE PRINCIPAL AMOUNTS OF \$2,836,000 AND \$1,725,000.

This Note is payable only from and secured by a first lien on (i) the proceeds of any grants (other than grants from the West Virginia Infrastructure Fund) or other financial assistance to be received by the Issuer for the System; and (ii) the proceeds of any revenue bonds, refunding bonds, bond anticipation notes or other obligations of the Issuer, issued subsequent to the issuance of this Note to permanently finance the costs of acquisition and construction of the Project. The moneys from these sources shall be deposited into the Notes Payment Fund established under the Notes Legislation for the prompt payment of the principal of this Note. If, on the fortieth anniversary of the date of issuance of this Note, the Issuer has not received any grants (other than grants from the West Virginia Infrastructure Fund) or other financial assistance for the System or issued any revenue bonds, refunding bonds, bond anticipation notes or other obligations to permanently finance the costs of the Project, then the Council shall authorize the Authority to convert this Note to a grant and cancel this Note; provided that, in no event shall an amount of the principal of this Note greater than \$489,000 be converted to a grant.

This Note does not constitute a corporate indebtedness of the Issuer within the meaning of any constitutional, statutory or charter provisions or limitations, nor shall the Issuer be obligated to pay the same except from the sources set forth above. Under the Notes Legislation, the Issuer has entered into certain covenants with the Authority, for the terms of which reference is made to the Notes Legislation. Remedies provided the Authority are exclusively as provided in the Notes Legislation, to which reference is here made for a detailed description thereof.

Subject to the requirements for transfer set forth herein, this Note is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia. This Note is transferable, as provided in the Notes Legislation, only by transfer of registration upon the books of One Valley Bank, National

All moneys received from the sale of this Note shall be applied solely to the payment of the costs of the Project and the costs of issuance and related costs described in the Notes Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the registered owner of this Note.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at issuance of this Note do exist, have happened and have been performed in due time, form and manner as required by law, and that the Notes, together with all other obligations of the Issuer, do not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia.

All provisions of the Notes Legislation and the statutes under which this Note is issued shall be deemed to be part of the contract evidenced by this Note to the same extent as if written fully herein.

BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF CENTRAL HAMPSHIRE PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Resolution") is adopted pursuant to the provisions of Chapter 16, Article 13A, Chapter 22 C, Article 2 and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Central Hampshire Public Service District (the "Issuer") is a public service district and a public corporation and political subdivision of the State of West Virginia in Hampshire County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, the Issuer has experienced serious environmental problems due to the poor condition of its existing sewerage system. It is deemed necessary and desirable for the health, safety, advantage, convenience and welfare of the inhabitants of the Issuer that there be acquired and constructed certain improvements and extensions to the existing public sewerage system of the Issuer, consisting of a wastewater collection and treatment system, together with all appurtenant facilities (collectively, the "Project"), which constitute properties for the collection, treatment, purification or disposal of liquid or solid wastes, sewage or industrial wastes (the Project and any further additions or improvements thereto or extensions thereof are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System and the principal of and interest on the Series 1999 Bonds and to make payments into all funds and accounts and other payments provided for herein.

D. The Issuer intends to finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund and the West Virginia Infrastructure Fund, pursuant to the Act.

E. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds in the total aggregate principal amount of not more than \$4,561,000 in two series (collectively, the "Series 1999 Bonds"), being the Sewer Revenue Bonds, Series 1999 A

(West Virginia SRF Program), in the aggregate principal amount of not more than \$2,836,000 (the "Series 1999 A Bonds"), and the Sewer Revenue Bonds, Series 1999 B (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than \$1,725,000 (the "Series 1999 B Bonds"), to permanently finance a portion of the costs of acquisition and construction of the Project, and to issue its Sewerage System Bond Anticipation Notes, Series 1999 (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than \$1,600,000 (the "Notes"), to temporarily finance a portion of the costs of acquisition and construction of the Project. The remaining costs of the Project shall be funded from the sources set forth in Section 2.01 hereof. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Notes during the term thereof and upon the Series 1999 Bonds prior to and during construction or acquisition and for a period not exceeding 6 months after completion of construction of the Project; amounts which may be deposited in the Reserve Accounts (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 1999 Bonds and/or the Notes and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof, including, with respect to the Notes, any fees for the providing of a letter of credit, as hereinafter defined, and any costs of obtaining insurance thereon; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 1999 Bonds or the Notes or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

F. The period of usefulness of the System after completion of the Project is not less than 40 years.

G. It is in the best interests of the Issuer that its Series 1999 A Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and among the Issuer, the Authority and the West Virginia Division of Environmental Protection, a division of the West Virginia Bureau of Environment (the "DEP"), its Series 1999 B Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and between the Issuer and the Authority, on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and its Notes be sold to the Authority pursuant to the terms and provisions of a loan agreement by and between the Issuer and the Authority, on behalf of the Council, such loan agreements in form satisfactory to the respective parties (collectively, the "Loan Agreement"), approved hereby if not previously approved by resolution of the Issuer.

H. The Series 1999 Bonds shall be issued on a parity with each other with respect to liens, pledge and source of and security for payment and in all other respects. Other than the Series 1999 Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by Net Revenues or assets of the System.

The Notes shall be issued junior and subordinate to the Series 1999 Bonds with respect to liens, pledge and source of and security for payment and in all other respects. The Notes shall not be payable from or secured by Net Revenues, but shall be payable only from and secured by a first lien on (i) the proceeds of any grants (other than grants from the West Virginia Infrastructure Fund) or other financial assistance to be received by the Issuer for the System; and (ii) the proceeds of any revenue bonds, refunding bonds, bond anticipation notes or other obligations of the Issuer, issued subsequent to the issuance of the Notes to permanently finance the costs of acquisition and construction of the Project.

On the date of issuance of the Series 1999 B Bonds, the Issuer shall use a portion of the proceeds of the Series 1999 B Bonds to pay in full its loans from The First National Bank of Romney in the outstanding principal amount of \$40,469.30, its loans from the Hampshire County Development Authority in the outstanding principal amount of \$150,000, and its Sewerage System Design Notes, Series 1997 (West Virginia Infrastructure Fund), in the outstanding principal amount of \$120,000 (collectively, the "Prior Obligations").

I. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and the issuance of the Series 1999 Bonds and the Notes, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 1999 Bonds or any of the Notes or such final order will not be subject to appeal or rehearing.

J. The Project has been reviewed and approved by the Council pursuant to Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03. Resolution Constitutes Contract. In consideration of the acceptance of the Series 1999 Bonds and the Notes by those who shall be the Registered Owners of the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owners, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Registered Owners of any and all of such Series 1999 Bonds and Notes, respectively, all which shall be of equal rank and without preference, priority or distinction between any one Bond of a series and any other Bonds of the same series and

between any one Note of a series and any other Note of the same series, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

Section 3.12. "Amended Schedule" Filing. Upon completion of the acquisition and construction of the Project, the Issuer will file with the Authority, the DEP and the Council a schedule in substantially the form attached to the Loan Agreement, setting forth the actual costs of the Project and sources of funds therefor.

ARTICLE IV

AUTHORIZATION, TERMS, EXECUTION, REGISTRATION AND SALE OF NOTES

Section 4.01. Authorization of Notes. For the purposes of paying costs of the Project not otherwise provided for and paying certain costs of issuance of the Notes and related costs, or any or all of such purposes, as determined by the Supplemental Resolution, there shall be and hereby are authorized to be issued negotiable Notes of the Issuer. The Notes shall be issued as a single note, designated as "Sewerage System Bond Anticipation Notes, Series 1999 (West Virginia Infrastructure Fund)," in the principal amount of not more than \$1,600,000, and shall have such terms as set forth hereinafter and in the Supplemental Resolution. The proceeds of the Notes shall be deposited in or credited to the Notes Construction Trust Fund established by Section 5.01 hereof and applied as set forth in Article VI hereof.

Section 4.02. Terms of Notes. The Notes shall be issued in such principal amounts; shall bear interest, if any, at such rate or rates, not exceeding the then legal maximum rate; shall mature on such dates and in such amounts; and shall be redeemable, in whole or in part, all as the Issuer shall prescribe in a Supplemental Resolution or as specifically provided in the Loan Agreement. The Notes shall be payable as to principal at the office of the Paying Agent, in any coin or currency which, on the dates of payment of principal is legal tender for the payment of public or private debts under the laws of the United States of America. Interest on the Notes, if any, shall be paid by check or draft of the Paying Agent mailed to the Registered Owner thereof at the address as it appears on the books of the Note Registrar, or by such other method as shall be mutually agreeable so long as the Authority is the Registered Owner thereof. Unless otherwise provided by the Supplemental Resolution, the Notes shall be issued in the form of a single note, fully registered to the Authority, with a record of advances attached, representing the aggregate principal amount of the Notes.

Section 4.03. Execution of Notes. The Notes shall be executed in the name of the Issuer by the Chairman, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Secretary. In case any one or more of the officers who shall have signed or sealed the Notes shall cease to be such officer of the Issuer before the Notes so signed and sealed have been actually sold and delivered, such Notes may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Notes had not ceased to hold such office. Any Notes may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Notes shall hold the proper office in the Issuer, although at the date of such Notes such person may not have held such office or may not have been so authorized.

Section 4.04. Authentication and Registration. No Notes shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the Certificate of Authentication and Registration on such Note, substantially in the form set forth in Section 4.10 shall have been manually executed by the Note Registrar. Any such executed Certificate of Authentication and Registration upon any such Note shall be conclusive evidence that such Note has been authenticated, registered and delivered under this Resolution. The Certificate of Authentication and Registration on any Note shall be deemed to have been executed by the Note Registrar if manually signed by an authorized officer of the Note Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Notes issued hereunder.

Section 4.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Notes shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting the Notes shall be conclusively deemed to have agreed that such Notes shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that such Notes shall be incontestable in the hands of a bona fide holder for value.

So long as the Notes remain outstanding, the Issuer, through the Note Registrar as its agent, shall keep and maintain books for the registration and transfer of the Notes.

The Notes shall be transferable only upon the books of the Note Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Note Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging or transferring the Notes are exercised, Notes shall be delivered in accordance with the provisions of this Resolution. All Notes surrendered in any such exchanges or transfers shall forthwith be cancelled by the Note Registrar. For every such exchange or transfer of Notes, the Note Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Note upon each exchange or transfer, and any other expenses of the Note Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Note Registrar shall not be obliged to make any such exchange or transfer of Notes during the period commencing on the 15th day of the month next preceding an interest payment date on the Notes or, in the case of any proposed redemption of Notes, next preceding the date of the selection of Notes to be redeemed, and ending on such interest payment date or redemption date.

Section 4.06. Notes Mutilated, Destroyed, Stolen or Lost. In case any Note shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Note Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Note of the same series and of like tenor as the Notes so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Note, upon surrender and cancellation of such mutilated Note, or in lieu of and substitution for the Note destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Note Registrar may incur. All Notes so surrendered shall be cancelled by the Note Registrar and held for the account of the Issuer. If any such Note shall have matured or be about to mature, instead of issuing a substitute Note, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Note be lost, stolen or destroyed, without surrender thereof.

Section 4.07. Notes not to be Indebtedness of the Issuer. The Notes shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the sources as herein provided. No holder or holders of the Notes shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Notes or the interest, if any, thereon.

Section 4.08. Security for the Notes. The Notes shall be payable only from and secured by a first lien on (i) the proceeds of any grants (other than grants from the West Virginia Infrastructure Fund) or other financial assistance to be received by the Issuer for the System; and (ii) the proceeds of any revenue bonds, refunding bonds, bond anticipation notes or other obligations of the Issuer, issued subsequent to the issuance of the Notes to permanently finance the costs of acquisition and construction of the Project.

If, on the fortieth anniversary of the date of issuance of the Notes, the Issuer has not received any grants (other than grants from the West Virginia Infrastructure Fund) or other financial assistance for the System or issued any revenue bonds, refunding bonds, bond anticipation notes or other obligations to permanently finance the costs of the Project, then the Council shall authorize the Authority to convert the Notes to a grant and cancel the Notes; provided that, in no event shall an amount of the principal of the Notes greater than \$489,000 be converted to a grant.

Section 4.09. Delivery of Notes. The Issuer shall execute and deliver the Notes to the Note Registrar, and the Note Registrar shall authenticate, register and deliver the Notes to the original purchasers upon receipt of the documents set forth below:

- A. If other than the Authority, a list of the names in which the Notes are to be registered upon original issuance, together with such taxpayer

C. An executed and certified copy of the Resolution;

D. An executed copy of the Loan Agreement; and

E. The unqualified approving opinion of bond counsel on the Notes.

Section 4.10. Form of Notes. The text of the Notes shall be in substantially the following form, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted hereby, or by any Supplemental Resolution adopted prior to the issuance thereof:

The Notes shall be sold to the Authority contemporaneously with, or as soon as practicable and authorized and permitted by applicable law after, adoption of the Supplemental Resolution; provided, that the Authority and the Issuer shall have agreed to the purchase thereof.

Section 4.12. Prohibition of Other Loans. So long as the Notes are outstanding, no bonds, notes or other evidences of indebtedness shall be issued by the Issuer without the prior written consent of the Authority and the Council; provided however, that the Issuer may issue its refunding notes or bonds to pay in full the entire outstanding principal of and interest, if any, accrued on the Notes.

Section 4.13. Covenants with Holders of Notes. All covenants and restrictions contained in this Resolution, where appropriate and to the extent required by the Loan Agreement, the Council or the Authority, shall be applicable to the Notes. In order to further secure the payment of the Notes, the Issuer hereby covenants and agrees with the Holders of the Notes as follows:

(A) The Issuer shall not make or cause or permit to be made any application of the proceeds of the Notes except as provided herein, or of any moneys held in the Notes Payment Fund except as provided herein.

(B) The Issuer shall comply in all respects with the terms and provisions of any grant agreements applicable to the System and with all applicable State and federal laws and regulations governing the implementation of such grant agreements.

(C) The Issuer shall comply with all the terms and conditions of the Loan Agreement.

Section 4.14. Required Notices to Holders of Notes. The Issuer shall provide the Authority and the Council, prompt written notice, appropriately documented, of any of the following events:

(A) If the Issuer is unable or unsuccessful in obtaining permanent financing to pay the Notes in full;

(B) Any suspension, termination or modification of any grant;

(C) The authorization by the Issuer of any additional indebtedness related to the System; and

(D) Any activity that would stop the work schedule of the Project.

Section 4.15. Notes Payment Fund. Pursuant to Section 5.02 hereof, the Notes Payment Fund is created and established with the Commission, to be held by the Commission separate and apart from all other funds or accounts of the Commission and from all other funds or accounts of the Issuer. Upon receipt of proceeds of any grants (other than grants from the West Virginia Infrastructure Fund) for the System, any revenue bonds, refunding bonds, bond anticipation notes or other obligations which the Issuer may issue upon the maturity of the Notes, an amount of the proceeds of such grants, revenue bonds, refunding bonds, bond anticipation notes or other obligations sufficient to pay all or a portion of the entire outstanding principal of and interest, if any, on the Notes shall be deposited in the Notes Payment Fund. All moneys so deposited in the Notes Payment Fund shall be paid by the Commission to the Authority on the maturity date of the Notes, if such moneys have been so deposited prior to the maturity date of the Notes, or on an earlier date if so requested by the Authority on behalf of the Council and if so directed by the Issuer, in full or partial payment of the outstanding principal of the Notes. All moneys deposited in the Notes Payment Fund shall be held in trust for the Authority on behalf of the Council, and the Issuer shall have no rights with respect thereto except to receive the balance therein after payment of the Notes in full and the charges, if any, of the Paying Agent.

Any moneys remaining in the Notes Payment Fund, after the payment of the Notes in full and all charges of the Paying Agent, shall be used as directed in writing by the Authority and the Council.

Section 4.16. Conversion of Notes to Permanent Financing and/or Additional Bond Anticipation Notes.

A. In the event proceeds of any grants (other than grants from the West Virginia Infrastructure Fund) for the System, any revenue bonds, refunding bonds, bond anticipation notes or other obligations of the Issuer, issued subsequent to the issuance of the Notes, are not sufficient or available on a timely basis to pay the Notes in full by the maturity date of the Notes, the Issuer covenants and agrees to issue and sell its revenue bonds and/or additional bond anticipation notes in an amount sufficient to pay the Notes in full pursuant to the requirements of this Section 4.16.

B. The Issuer covenants that no later than twelve months prior to the maturity date of the Notes, the Issuer will retain an Independent Certified Public Accountant to prepare a report (the "Customer Growth Report") setting forth the following information:

- (i) the amount of additional Net Revenues of the System attributable to the annual customer growth experienced by the System during the period between the date of issuance of the Notes and the date of the report, taking into account any rebates required to be repaid to new customers for construction advances pursuant to applicable regulations of the Public Service Commission of West Virginia;

(ii) the existing maximum annual debt service requirements of all bonds, notes, and other obligations then Outstanding payable from the Net Revenues of the System, taking into account the periodic payments required to be made into the Sinking Funds, Reserve Accounts, Renewal and Replacement Fund required by this Resolution on account of the Series 1999 Bonds and by any other resolution authorizing the issuance of such bonds, notes and other obligations;

(iii) the increases in operation and maintenance expenses experienced by the System during the period between the date of issuance of the Notes and the date of the report, and the additional increases in operation and maintenance expenses that are expected to be experienced by the System as a result of future customer growth, the effects of inflation, or otherwise;

(iv) the rate coverage requirements established by Section 7.09 of this Resolution and any more stringent rate coverage requirements established in any resolution adopted after this Resolution authorizing the issuance of other bonds, notes or other obligations of the Issuer then Outstanding;

(v) the then-current rates and charges of the Issuer;

(vi) the sources of permanent financing potentially available to the Issuer during the succeeding six months, including, for each such source, the applicable principal amount available to be loaned to the Issuer, the applicable interest rate, the existence and amount of any administrative or similar fee to be imposed by the lender, and the term of the loan; and

(vii) whether, considering the factors stated in subdivisions (ii), (iii), (iv) and (v) above and the terms of the available sources of permanent financing stated in subdivision (vi) above, the additional Net Revenues of the System attributable to the annual customer growth experienced by the System stated in subdivision (i) are sufficient to permit the Issuer to issue additional revenue bonds payable from the Net Revenues of the System to repay all or a portion of the Outstanding principal amount of the Notes and, if so, the principal amount of such additional revenue bonds that could be so issued.

No later than twelve months prior to the maturity date of the Notes, the Issuer will contact all available governmental funding sources to secure the information required to be set forth in subdivision (vi) above.

C. The Issuer shall provide the Customer Growth Report to the Authority and the Council no later than ten and one-half months prior to the maturity date of the Notes.

Based on its review of the Customer Growth Report, the Council will recommend that the Issuer take one or both of the following actions:

(i) that the Issuer issue additional revenue bonds, notes or other obligations of the System and that the proceeds of such additional revenue bonds, notes or other obligations be deposited in the Notes Payment Fund prior to the maturity date of the Notes to be applied to the payment of all or a portion of the Outstanding principal amount of the Notes; or

(ii) to the extent that the proceeds of such additional revenue bonds, notes or other obligations deposited in the Notes Payment Fund will be sufficient to repay only a portion of the Outstanding principal amount of the Notes, that on the maturity date of the Notes, the Issuer issue an additional bond anticipation note or notes to the Authority on behalf of the Council, containing such terms as the Authority and the Council may request, with an aggregate principal amount equal to the principal amount of the Notes not paid in full on the maturity date of the Notes.

D. Upon receipt of the Council's recommendations offered in response to the Customer Growth Report, the Issuer will take such actions as are necessary and convenient to implement the recommendations of the Council, including the adoption of a bond and/or note resolution, the issuance of additional revenue bonds, notes or other obligations payable from the Net Revenues of the System or the issuance of additional bond anticipation notes or both in principal amounts sufficient to convert all of the Outstanding principal amount of the Notes to permanent financing or additional bond anticipation notes.

E. Notwithstanding any other provision of this Resolution, if the SRF Program is amended prior to the maturity date of the Notes to permit the Authority and the DEP to authorize and make loans under the SRF Program for terms in excess of twenty years, the Authority, acting on behalf of the Council and upon providing reasonable written notice to the Issuer, may declare all or any portion of the outstanding principal amount of the Notes to be due and payable prior to maturity.

(4) The Issuer shall next, on the first day of each month, from the moneys remaining in the Revenue Fund, transfer to the Renewal and Replacement Fund, a sum equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

Moneys in the Series 1999 A Bonds Sinking Fund and the Series 1999 B Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 1999 A Bonds and the Series 1999 B Bonds, respectively, as the same shall become due. Moneys in the Series 1999 A Bonds Reserve Account and the Series 1999 B Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the Series 1999 A Bonds and the Series 1999 B Bonds, respectively, as the same shall come due, when other moneys in the Series 1999 A Bonds Sinking Fund and the Series 1999 B Bonds Sinking Fund are insufficient therefor, and for no other purpose.

the Series 1999 B Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the respective Bond Construction Trust Funds, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 1999 A Bonds and the Series 1999 B Bonds, respectively, and then to the next ensuing principal payment due thereon, all on a pro rata basis.

Any withdrawals from the Series 1999 A Bonds Reserve Account or the Series 1999 B Bonds Reserve Account which result in a reduction in the balance therein to below the respective Reserve Requirements shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 1999 Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in an amount equal to the maximum amount of principal and interest which will become due in any year for account of the Bonds of such series, including such additional parity Bonds.

The Issuer shall not be required to make any further payments into the Series 1999 A Bonds Sinking Fund, the Series 1999 A Bonds Reserve Account, the Series 1999 B Bonds Sinking Fund or the Series 1999 B Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the respective aggregate principal amount of the Series 1999 A Bonds and the Series 1999 B Bonds then Outstanding and all interest, if any, to accrue until the maturity thereof.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 1999 Bonds, in accordance with the respective principal amounts then Outstanding.

If required by the Authority at anytime, the Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 1999 A Bonds Sinking Fund, the Series 1999 A Bonds Reserve Account, the Series 1999 B Bonds Sinking Fund and the Series 1999 B Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 1999 A Bonds Sinking Fund, the Series 1999 A Bonds Reserve Account, the Series 1999 B Bonds Sinking Fund and the Series 1999 B Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 1999 A Bonds and the Series 1999 B Bonds respectively under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if such day is not a business day, then the next succeeding business day) deposit with the Commission the required principal, interest and reserve payments with respect to the Series 1999 Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Resolution. The Issuer shall also on the first day of each month (if such day is not a business day, then the next succeeding business day) deposit with the Commission the SRF Administrative Fee as set forth in Schedule Y attached to the Loan Agreement for the Series 1999 A Bonds.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement for the Series 1999 A Bonds, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent

thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Resolution shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 1999 Bonds. In addition to the other covenants, agreements and provisions of this Resolution, the Issuer hereby covenants and agrees with the Holders of the Series 1999 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 1999 Bonds or the interest, if any, thereon is Outstanding and unpaid.

Until the payment in full of the principal of and interest, if any, on the Notes when due, and to the extent they do not materially adversely affect Bondholders, the covenants, agreements and provisions contained in this Resolution shall, where applicable, also inure to the benefit of the Holders of the Notes and constitute valid and legally binding covenants of the Issuer, enforceable in any court of competent jurisdiction by any Holder or Holders of the Notes.

Section 7.02. Bonds and Notes not to be Indebtedness of the Issuer. Neither the Series 1999 Bonds nor the Notes shall be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Resolution. No Holder or Holders of the Series 1999 Bonds or Notes, shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 1999 Bonds or Notes or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues. The payment of debt service of the Series 1999 A Bonds and the Series 1999 B Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with each other. The Net Revenues in an amount sufficient to pay the principal of and interest and other payments on the Series 1999 Bonds and to make the other payments provided for in this Resolution, are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in this Resolution.

Section 7.04. Initial Schedule of Rates and Charges. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Order of the Public Service Commission of West Virginia entered December 16, 1998 (Case No. 98-0076-PSD-CN), and such rates are hereby adopted.

Section 7.05. Sale of the System. So long as the Series 1999 Bonds and the Notes are outstanding and except as otherwise required by law and with the written consent of the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds and Notes Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall immediately be remitted to the Commission for deposit in the Series 1999 A Bonds Sinking Fund, the Series 1999 B Bonds Sinking Fund and the Notes Payment Fund, respectively, and the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 1999 Bonds and the Notes. Any balance remaining after the payment of all the Bonds and the Notes and interest, if any, thereon, shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into such fund by other provisions of this Resolution.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts

received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds and Notes then Outstanding without the prior approval and consent in writing of the Holders of the Bonds and Notes then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds and Notes for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 1999 Bonds. All obligations issued by the Issuer after the issuance of the Series 1999 Bonds and payable from revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 1999 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

In addition to the provisions and limitations stated in the preceding paragraph, the Issuer shall not issue any other obligations whatsoever payable from revenues of the System so long as any portion of principal amount of the Notes or any additional bond anticipation notes issued for the purpose of renewing all or a portion of the original principal amount of the Notes is outstanding, unless the Issuer has secured the prior written consent of the Council and the Authority. The limitations imposed by the preceding sentence shall apply equally (i) in the case where all or any portion of the aggregate principal amount of the Series 1999 Bonds is Outstanding and the obligations sought to be issued would rank prior to, equally with, or junior and subordinate to such Bonds as to lien on and source of and security for payment with such Bonds; or (ii) in the case where the aggregate principal amount of the Series 1999 Bonds has been paid in full in accordance with Article X hereof.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 1999 Bonds, and the interest, if any, thereon, upon any or all of the income and revenues of the System pledged for payment of the Series 1999 Bonds and the interest, if any, thereon in this Resolution, or upon the System or any part thereof.

The Issuer shall give the DEP, the Council and the Authority prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. No Parity Bonds payable out of revenues of the System shall be issued after the issuance of the Series 1999 Bonds pursuant to this Resolution, except under the conditions and in the manner herein provided and with the prior written consent of the DEP, the Council and the Authority.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 1999 Bonds.

No such Parity Bonds shall be issued except for the purposes of financing the costs of acquisition or construction of extensions and improvements to the System or refunding the Series 1999 Bonds issued pursuant hereto, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the issuance of such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the

System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Resolution (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Resolution required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Resolution.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 1999 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 1999 Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Resolution with respect to the Series 1999 Bonds then Outstanding, and any other payments provided for in this Resolution, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Resolution.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the DEP, the Council and the Authority, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the DEP, the Council and the Authority such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the DEP, the Council and the Authority, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and

commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds or of a Note or Notes issued pursuant to this Resolution shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the DEP, the Council and the Authority, or any other original purchasers of the Series 1999 Bonds or the Notes, and shall mail in each year to any Holder or Holders of Bonds or Notes, as the case may be, requesting the same, an annual report containing the following:

- (A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.
- (B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Resolution with respect to the Series 1999 Bonds or the Notes, as the case may be, and the status of all said funds and accounts.
- (C) The amount of any Bonds, Notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 1999 Bonds or the Notes, as the case may be, and shall submit said report to the DEP, the Council and the Authority, or any other original purchasers of the Series 1999 Bonds or the Notes. Such audit report submitted to the DEP, the Council and the Authority shall include a statement that the Issuer is in compliance with

the terms and provisions of the Loan Agreement, the Act and this Resolution and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

The Issuer shall permit the DEP, the Council and the Authority, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the DEP, the Council and the Authority, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the DEP, the Council and the Authority with respect to the System pursuant to the Act.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in Exhibit E of the Loan Agreement for the Series 1999 A Bonds or as promulgated from time to time.

Section 7.09. Rates. Prior to the issuance of the Series 1999 Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 1999 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 1999 Bonds; provided that, in the event that amounts equal to or in excess of the Reserve Requirements are on deposit in the Reserve Accounts and the reserve accounts for obligations on a parity with the Series 1999 Bonds are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 1999 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 1999 Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinance described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the DEP, the Council and the Authority within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the DEP, the Council, the Authority and to any Holder of any Bonds or Notes, as the case may be, who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or Notes, as the case may be, or anyone acting for and in behalf of such Holder of any Bonds or Notes, as the case may be.

Commencing on the Closing Date and for 2 years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement, and forward a copy of such report to the DEP, the Council and the Authority by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. Prior to the issuance of the Series 1999 Bonds, the Issuer shall obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the DEP, the Council and the Authority, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the DEP, the Council and the Authority is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate resident engineering services satisfactory to the DEP, the Council and the Authority covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary

governmental bodies. Such resident engineer shall certify to the Authority, the DEP, the Council and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt. The Issuer shall submit a "Performance Certificate," a form of which is attached to the Loan Agreement for the Series 1999 A Bonds as Exhibit A, to the DEP within 60 days of the end of the first year after the Project is completed.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the DEP when the Project is 90% completed.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 25% complete and shall retain such a certified operator to operate the System during the entire term of the Loan Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 25% completion stage.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer shall not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer shall diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System and any services and facilities of the water system, if so owned by

the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law or, if the waterworks facilities are not owned by the Issuer, the Issuer will use diligent efforts to enter into a similar termination agreement with the provider of such water, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 7.14. No Free Services. The Issuer shall not render or cause to be rendered any free services of any nature by the System, or any part thereof, nor shall any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 1999 Bonds or the Notes remain Outstanding, the Issuer shall, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties, or for the other purposes provided herein for said Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance

to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(4) FLOOD INSURANCE, if the System facilities are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided for every officer, member and employee of the Issuer having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project, provided that the amounts and terms of such coverage are satisfactory to the DEP, the Council and the Authority. In the event the Loan

Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Division of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Division of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Completion of Project; Permits and Orders. The Issuer shall complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer shall obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the West Virginia Public Service Commission necessary for the acquisition and construction of the Project and the operation of the System.

Section 7.18. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 1999 Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 1999 Bonds

during the term thereof is, under the terms of the Series 1999 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 1999 Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 1999 Bonds during the term thereof is, under the terms of the Series 1999 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 1999 Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 1999 Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of the portion of the Project to which such Private Business Use is related. C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 1999 Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The Issuer will timely file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 1999 Bonds and the interest thereon, including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest on the Series 1999 Bonds will be and remain excluded from gross income for federal income tax purposes,

and will not take any actions or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.19. Statutory Mortgage Lien. For the further protection of the Holders of the Series 1999 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 1999 Bonds.

Section 7.20. Compliance with Loan Agreement and Law. The Issuer shall comply with all the terms and conditions of the Loan Agreement and the Act. Notwithstanding anything herein to the contrary, the Issuer shall provide the DEP and the Council with copies of all documents submitted to the Authority.

Section 7.21. Securities Laws Compliance. The Issuer shall provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17CFR Part 240).

Section 7.22. Contracts. A. The Issuer shall, simultaneously with the delivery of the Series 1999 Bonds and the Notes or immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

B. The Issuer shall submit all proposed change orders to the DEP and the Council for written approval. The Issuer shall obtain the written approval of the DEP and the Council before expending any proceeds of the Series 1999 Bonds or the Notes held in "contingency" as set forth in the respective schedules attached to the Loan Agreement. The Issuer shall also obtain the written approval of the DEP and the Council before expending any proceeds of the Series 1999 Bonds or the Notes made available due to bid or construction or project underruns.

ARTICLE VIII

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Resolution, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 1999 Bonds are Outstanding and as long thereafter as necessary to comply with the Code and to assure the exclusion of interest, if any, on the Series 1999 Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 1999 B Bonds which would cause any of the Series 1999 B Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take any and all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 1999 B Bonds) so that the interest on the Series 1999 B Bonds will be and remain excluded from gross income for

federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Tax Certificate and Rebate. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 1999 B Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 1999 B Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

If the Issuer is subject to the rebate requirements of Section 148(f) of the Code, and not exempted from such requirements, the Issuer covenants to make, or cause to be made, all rebate calculations, computations and payments in the time, manner and as required in Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Series 1999 B Bonds and otherwise covenants and agrees to comply with the provisions of such Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Series 1999 B Bonds. In order to provide for the administration of this paragraph, the Issuer may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the Issuer may deem appropriate.

The Issuer shall furnish to the Authority, annually, and at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be requested by the Authority. funds constituting "gross proceeds" of the Series 1999 B Bonds (as such term "gross proceeds" is defined in the Code).

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Note or Bond, as the case may be, may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and this Resolution relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Notes or Bonds, as the case may be, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Notes or Bonds, as the case may be, and (v) by action or bill in equity enjoin any acts in violation of this Resolution with respect to the Notes or Bonds, or the rights of such Registered Owners, provided however, that no remedy herein stated may be exercised by a Noteholder in a manner which adversely affects any remedy available to the Bondholders, and provided further, that all rights and remedies of the Holders of the Series 1999 Bonds shall be senior and prior to the Holders of the Notes.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under this Resolution and the Act, including, after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Resolution, and the title to and ownership of the System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

Section 1. Pursuant to the Resolution and the Act, this Supplemental Resolution is adopted and there are hereby authorized and ordered to be issued the following bonds and notes of the Issuer:
