CITY OF CHARLES TOWN, WEST VIRGINIA

AN ORDINANCE AUTHORIZING THE ACQUISITION AND CONSTRUCTION OF CERTAIN ADDITIONS, BETTERMENTS AND IMPROVEMENTS TO THE WATERWORKS AND SEWERAGE PORTIONS OF THE EXISTING COMBINED WATERWORKS AND SEWERAGE SYSTEM OF THE CITY OF CHARLES TOWN AND THE FINANCING OF THE COST THEREOF, NOT OTHERWISE PROVIDED, THROUGH THE ISSUANCE BY THE CITY OF NOT MORE THAN \$3,500,000 IN AGGREGATE PRINCIPAL AMOUNT OF COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 2013 B (TAX EXEMPT); PROVIDING FOR THE RIGHTS AND REMEDIES OF, AND THE SECURITY FOR, THE REGISTERED OWNERS OF SUCH BONDS; AUTHORIZING THE EXECUTION AND DELIVERY OF A BOND PURCHASE AGREEMENT, A CONTINUING DISCLOSURE AGREEMENT AND OTHER DOCUMENTS RELATING TO THE BONDS; AND ENACTING OTHER PROVISIONS WITH RESPECT TO SUCH BONDS.

WHEREAS, the City of Charles Town (the “Issuer” or the “City”) presently owns and operates a public combined waterworks and sewerage system (the “System”) and has heretofore financed the acquisition and construction of the System and certain additions, betterments and improvements thereto through the issuance of several series of bonds or refunding bonds, of which there are presently outstanding the Prior Bonds, as hereinafter defined.

WHEREAS, all of the Prior Bonds were issued pursuant to ordinances of the Issuer previously enacted (such ordinances, as so amended and supplemented, collectively herein called the “Prior Ordinances”);

WHEREAS, under the provisions of Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the “Act”), the Issuer is authorized and empowered to acquire, construct and operate extensions, additions, betterments and improvements for the System, consisting of the purchase of Willow Springs wastewater treatment plant, the acquisition and construction of the Tuscawilla Supplemental Environmental Project, the installation of generators at the Water Treatment Plant and River Intake and the Avis Street Water Tank painting project, and all necessary appurtenances (collectively, the "Project") (the existing public combined waterworks and sewerage system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System") in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer;

WHEREAS, the Issuer has determined, and does hereby affirm, that the acquisition and construction of certain extensions, additions, betterments and improvements to the waterworks and sewerage portions of the System, is necessary, appropriate, useful and desirable for the health, safety, and welfare of the inhabitants of the City and surrounding areas;

WHEREAS, the Issuer has determined that the aforementioned acquisition and construction of extensions, additions, betterments and improvements to the waterworks and sewerage portions of the System should be financed, as provided under the Act, in whole or in part, from the

proceeds of revenue bonds to be issued by the Issuer, to pay all or any portion of the costs thereof, and to enact this Ordinance and issue its Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax-Exempt) (the "Series 2013 B Bonds"), such Series 2013 B Bonds to be secured by and payable from the Gross Revenues of the System, and containing such other terms and provisions as are hereinafter provided, all in the manner set forth herein; and

WHEREAS, the Issuer has determined and hereby determines that it is in the best interest of the residents of the City that its Series 2013 B Bonds be sold to the Original Purchaser (as hereinafter defined) thereof pursuant to the terms and provisions of a bond purchase agreement, (the "Bond Purchase Agreement") between the Issuer and the Original Purchaser.

NOW, THEREFORE, THE COUNCIL OF THE CITY OF CHARLES TOWN HEREBY ORDAINS:

ARTICLE I

DEFINITIONS, STATUTORY AUTHORITY AND FINDINGS

Section 1.01. Definitions. All capitalized terms used in this Ordinance and not otherwise defined in the recitals hereto shall have the meanings specified below, unless the context expressly requires otherwise:

"Act" means Chapter 8, Article 20 of the West Virginia Code of 1931, as amended and in effect on the Closing Date for the Series 2013 B Bonds.

"Authorized Newspaper" means a financial journal or newspaper of general circulation in the City of New York, New York, printed in the English language and customarily published on each business day of the Registrar, whether or not published on Saturdays, Sundays or legal holidays, and so long as so published, shall include The Bond Buyer.

"Authorized Officer" means the Mayor of the Issuer or any other officer of the Issuer specifically designated by resolution of the Council of the Issuer.

"Bond Commission" means the West Virginia Municipal Bond Commission or any other agency of the State of West Virginia which succeeds to the functions of the Bond Commission.

"Bond Counsel" means any law firm having a national reputation in the field of municipal law whose opinions are generally accepted by purchasers of municipal bonds, appointed by the Issuer, and shall initially mean Steptoe & Johnson PLLC, Charleston, West Virginia.

"Bondholder," "Holder," "Holder of the Bonds," "Owner of the Bonds," "Registered Owner," or any similar term means any person who shall be the registered owner of any outstanding Bond.

"Bond Insurer" means any entity which shall insure all or any portion of the payment of principal of and interest on the Bonds, and with respect to the Series 2013 B Bonds shall initially mean the bond insurer or bond insurers, if any, named in the Supplemental Resolution.

"Bond Purchase Agreement" means the Bond Purchase Agreement between the Issuer and the Original Purchaser relating to the sale and purchase of the Series 2013 B Bonds.

“Bond Register” means the books of the Issuer maintained by the Registrar for the registration and transfer of the Series 2013 B Bonds.

“Bond Year” means with respect to each series of the Series 2013 B Bonds the 12 month period beginning on the anniversary of the Closing Date in each year and ending on the day prior to the anniversary date of the Closing Date in the following year, except that the first Bond Year shall begin on the Closing Date.

“Bonds” means, collectively, the Series 2013 B Bonds, the Prior Bonds and any additional parity Bonds hereafter issued within the terms, restrictions and conditions contained herein.

“Business Day” means any day other than a Saturday, Sunday or a day on which national banking associations, West Virginia banking corporations or the New York Stock Exchange are authorized by law to remain closed.

“Certificate of Authentication and Registration” means the Certificate of Authentication and Registration on the Series 2013 B Bonds in substantially the form set forth in EXHIBIT A – FORM OF SERIES 2013 B Bond hereto.

“City” or “Issuer” means the City of Charles Town, a municipal corporation and political subdivision of the State of West Virginia, in Jefferson County thereof, and, where appropriate, the Council, and any successor thereto.

“City Council” or “Council” means the City Council of the Issuer or any other governing body of the Issuer that succeeds to the functions of the Council as presently constituted.

“City Manager” means the City Manager of the Issuer.

“Clerk” or “City Clerk” means the City Clerk of the Issuer.

“Closing Date” means the date upon which there is an exchange of the Bonds for the proceeds representing the original purchase price thereof.

“Code” shall mean the Internal Revenue Code of 1986, as amended and supplemented from time to time, and Regulations thereunder and such guidance with respect thereto as may be issued by the Internal Revenue Service or Department of the Treasury from time to time.

“Connection Fees” means the fees, if any, paid by customers of the System in order to connect thereto.

“Consulting Engineers” means Rummel, Klepper & Kahl, LLP, Keyser, West Virginia, or any independent qualified engineer or engineers or firm or firms of engineers that shall at any time now or hereafter be retained by the Issuer as Consulting Engineers for the System, or portion thereof.

“Continuing Disclosure Agreement” means the agreement delivered by the Issuer to disseminate annual financial information and material event disclosures as required by Rule 15c2-12.

“Costs” or similar terms means all those costs now or hereafter permitted by the Act to be financed with bonds issued pursuant hereto, including, without limitation those costs set forth in Section 1.02C.

“Debt Service” with reference to a specified period, means the amount of principal, including any sinking fund payments, and interest payable with respect to the Bonds during such period.

“Depository Bank” means the bank or banks to be designated as such in the Supplemental Resolution, and any other bank or national banking association located in the State of West Virginia, eligible under the laws of the State of West Virginia to receive deposits of state and municipal funds and insured by the FDIC that may hereafter be appointed by the Issuer as Depository Bank.

“DTC” means The Depository Trust Company, New York, New York, or its successor thereof.

“DTC-eligible” means, with respect to the Series 2013 B Bonds, meeting the qualifications prescribed by DTC.

“Event of Default” means any occurrence or event specified in Section 7.01 hereof.

“FDIC” means the Federal Deposit Insurance Corporation or any successor to the functions of the FDIC.

“Fiscal Year” means each 12-month period beginning on July 1 and ending on the succeeding June 30.

“Governing Body” means the City Council of the Issuer or any other governing body of the Issuer that succeeds to the functions of the City Council, as it may now or hereafter be constituted.

“Government Obligations” shall have the meaning set forth in the Supplemental Resolution.

“Gross Revenues” means the aggregate gross operating and non-operating revenues of the System and includes investment income, connection fees, disconnections fees, System use charges and fees, and all other items of income which have been established as reasonably anticipated annual income of the System, determined in accordance with generally accepted accounting principles, after deduction of prompt payment discounts, if any, and reasonable provision for uncollectible accounts, and includes any proceeds from the sale or other disposition of capital assets, but does not include any increase in the value of capital assets (including Qualified Investments).

“Independent Certified Public Accountant” means the West Virginia State Tax Department or any certified public accountant or firm of certified public accountants that shall at any time hereafter be retained by the Issuer to prepare an independent annual or special audit of the accounts of the System or for any purpose except keeping the accounts of said System in the normal operations of its business and affairs.

“Investment Property” means any security (as said term is defined in Section 165(g)(2)(A) or (B) of the Code), obligation, annuity contract, investment-type property or residential rental property for family units which is not located within the jurisdiction of the Issuer and which is not acquired to implement a court ordered or approved housing desegregation plan, excluding,

however, obligations the interest on which is excluded from gross income, under Section 103 of the Code, for federal income tax purposes other than specified private activity bonds as defined in Section 57(a)(5)(C) of the Code.

“Maximum Annual Debt Service” means, at the time of computation, the greatest amount of Debt Service required to be paid on the Bonds for the then current or any succeeding Fiscal Year.

“Mayor” means the Mayor of the Issuer.

“Municipal Bond Insurance Policy” means the municipal bond insurance policy, if any, issued by the Bond Insurer simultaneously with the delivery of the Series 2013 B Bonds insuring the timely payment of the principal of and interest on all or any of the Series 2013 B Bonds in accordance with the terms thereof.

“Net Proceeds” means the face amount of the Series 2013 B Bonds, plus accrued interest and premium, if any, less original issue discount, if any, on such issue, and less proceeds deposited in the Series 2013 B Bonds Reserve Account. For purposes of the Private Business Use limitations set forth herein, the term Net Proceeds shall include any amounts resulting from the investment of proceeds of the Series 2013 B Bonds, without regard to whether or not such investment is made in tax-exempt obligations.

“Net Revenues” means Gross Revenues less Operating Expenses.

“Nonpurpose Investment” means any Investment Property which is acquired with the gross proceeds of the Series 2013 B Bonds and is not acquired in order to carry out the governmental purpose of the Series 2013 B Bonds.

“Official Statement” means a document or set of documents prepared by an issuer of municipal securities or its representatives setting forth, among other matters, information concerning the Issuer of such municipal securities and the proposed issue of securities that is complete as of the date of delivery of the document or set of documents to the Original Purchaser.

“Operating Expenses” unless qualified, means the current expenses, paid or accrued, of repair, operation and maintenance of the System, and includes, without limiting the generality of the foregoing, administrative, engineering, legal, auditing and insurance expenses (other than those capitalized as part of the costs of any project relating to the acquisition or construction of additions, betterments or improvements for the System), supplies, labor, wages, the cost of materials and supplies used for current operations, fees and expenses of fiscal agents and of the Depository Bank, Registrar and Paying Agent or Paying Agents, payments to pension or retirement funds, taxes and such other reasonable operating costs and expenses as should normally and regularly be included under generally accepted accounting principles.

“Ordinance” or “Bond Ordinance” regardless of whether preceded by the article “the” or “this,” means this Ordinance, as it may hereafter from time to time be amended or supplemented, by ordinance or by resolution.

“Original Purchaser” means the investment banking firm or firms, bank or banks or such other entity or entities as shall purchase the Series 2013 B Bonds directly from the Issuer, as determined by the Supplemental Resolution.

“Outstanding” when used with reference to the Series 2013 B Bonds or the Prior Bonds and as of any particular date, describes all Bonds theretofore and thereupon being issued and delivered except (a) any Bond or Prior Bond canceled by the registrar for such Bond or Prior Bonds at or prior to said date; (b) any Bond or Prior Bonds for the payment of which monies, equal to its principal amount, with interest to the date of maturity, shall be held in trust under this Ordinance and set aside for such payment (whether upon or prior to maturity); (c) any Bond deemed to have been paid as provided by Section 9.01 hereof; and (d) with respect to determining the number or percentage of Bondholders or Bonds or Prior Bonds for the purpose of consents, notices and the like, any Bond registered to the Issuer. Notwithstanding the foregoing, in the event that a Bond Insurer has paid principal of and/or interest on any Bond or Prior Bond, such Bond or Prior Bond shall be deemed to be Outstanding until such time as such Bond Insurer has been reimbursed in full.

“Paying Agent” means, initially, the West Virginia Municipal Bond Commission and any other paying agent for the Series 2013 B Bonds which may be appointed by a resolution supplemental hereto, all in accordance with Section 8.12 hereof.

“Prior Bonds” means, collectively, the Series 1987 B Bonds, Series 1988 B-1 Bonds, Series 1988 B-2 Bonds, Series 1989 B Bonds, Series 1998 Bonds, Series 2000 A Bonds, Series 2002 A Bonds, Series 2002 B Bonds, Series 2002 C Bonds, Series 2003 A Bonds, Series 2005 A Bonds, Series 2006 A Bonds, Series 2006 B Bonds, Series 2009 A Bonds, Series 2010 A Bonds, Series 2010 B Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2011 A Bonds, Series 2011 B Bonds, Series 2012 A Bonds and Series 2013 A Bonds.

“Prior Ordinances” means, collectively, the ordinance of the Issuer authorizing the issuance of the Prior Bonds.

“Private Business Use” means use directly or indirectly in a trade or business carried on by a natural person or in any activity carried on by a person other than a natural person, excluding, however, use by a state or local governmental unit and use as a member of the general public.

“Project” means the acquisition and construction of certain additions, betterments and improvements to the System, including the purchase of Willow Springs wastewater treatment plant, the acquisition and construction of the Tuscowilla Supplemental Environmental Project, the installation of generators at the Water Treatment Plant and River Intake and the Avis Street Water Tank painting project, and all necessary appurtenances.

“Purchase Price” for the purpose of computation of the Yield of the Series 2013 B Bonds, has the same meaning as the term “issue price” in Sections 1273(b) and 1274 of the Code, and, in general, means the initial offering price of the Series 2013 to the public (not including bond houses and brokers, or similar persons or organizations acting in the capacity of underwriters or wholesalers) at which price a substantial amount of the Bonds of each maturity is sold or, if the Series 2013 B Bonds are privately placed, the price paid by the first buyer of the Series 2013 B Bonds or the acquisition cost of the first buyer. “Purchase Price,” for purposes of computing Yield of Nonpurpose Investments, means the fair market value of the Nonpurpose Investments on the date of use of Gross Proceeds of the Series 2013 B Bonds for acquisition thereof, or if later, on the date that Investment Property constituting a Nonpurpose Investment becomes a Nonpurpose Investment of the Series 2013 B Bonds.

“Qualified Investments” means and includes the investments set forth in the Supplemental Resolution and designated as such.

“Record Date” means the date or dates which shall be so stated in the Series 2013 B Bonds, regardless of whether such day is a Saturday, Sunday or legal holiday.

“Redemption Date” means the date fixed for redemption of Bonds subject to redemption in any notice of redemption published or mailed in accordance herewith.

“Redemption Price” means the price at which any of the Bonds may be called for redemption and includes the principal amount of the Bonds to be redeemed, plus the interest and the premium, if any, required to be paid to effect such redemption.

“Registrar” means the bank to be designated in the Supplemental Resolution as the Registrar for the Series 2013 B Bonds, and any successor thereto appointed in accordance with Section 8.08 hereof.

“Regulations” means temporary and permanent regulations promulgated under the Code, and includes applicable regulations promulgated under the Internal Revenue Code of 1986 as amended.

The terms "herein," "hereunder," "hereby," "hereto," "hereof" and any similar terms refer to this Ordinance; and the term "hereafter" means after the date of enactment of this Ordinance.

Articles, sections and subsections mentioned by number only are the respective articles, sections and subsections of this Ordinance so numbered.

Section 1.02. Authority for this Ordinance. This Ordinance is enacted pursuant to the provisions of the Act and other applicable provisions of law.

Section 1.03. Findings. The Council hereby finds and determines as follows:

A. The Issuer is a municipal corporation and political subdivision of the State of West Virginia in Jefferson County of said State.

B. The Issuer presently owns and operates a public combined waterworks and sewerage system. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer, and for the improvement of the water environment of the Issuer, that there be acquired and constructed certain extensions, additions, betterments and improvements to the waterworks and sewerage portions of the existing public combined waterworks and sewerage system of the Issuer, consisting of the

Project, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. It is deemed necessary for the Issuer to issue its Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax Exempt), in the aggregate principal amount of not more than \$3,500,000 to permanently finance the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2013 B Bonds prior to and during acquisition or construction and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Series 2013 B Bonds Reserve Account; underwriter's discount, engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expense; commitment fees; premiums for municipal bond insurance, reserve account insurance or reserve account surety bonds; letter of credit fees; discount; initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2013 B Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; the acquisition and construction of the Project and the placing of same in operation; and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2013 B Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

D. The period of usefulness of the System after completion of the Project is not less than 30 years.

E. It is in the best interests of the Issuer that the Series 2013 B Bonds be sold to the Original Purchaser pursuant to the terms and provisions of a bond purchase agreement to be entered into by and between the Issuer and the Original Purchaser (the "Bond Purchase Agreement"), as shall be approved by the Supplemental Resolution of the Issuer.

F. The Issuer will have the following outstanding obligations which will rank on a parity with the Series 2013 B Bonds as to liens, pledge, source of and security for payment, being the Issuer's:

1. Combined Waterworks and Sewerage System Revenue Bonds, Series 1987 B, dated November 18, 1987, issued in the original aggregate principal amount of \$413,629 (the "Series 1987 B Bonds");

14. Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2009 A (Tax-Exempt), dated December 1, 2009, issued in the original aggregate principal amount of \$7,120,000 (the "Series 2009 A Bonds");
15. Combined Waterworks and Sewerage System Revenue Bonds, Series 2010 A (West Virginia DWTRF Program), dated January 13, 2010, issued in the original aggregate principal amount of \$912,458 (the "Series 2010 A Bonds");
16. Combined Waterworks and Sewerage System Revenue Bonds, Series 2010 B (West Virginia DWTRF Program/ARRA), dated January 13, 2010, issued in the original aggregate principal amount of \$100,000 (the "Series 2010 B Bonds");

17. Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2010 C (West Virginia SRF Program), dated December 2, 2010, issued in the original aggregate principal amount of \$1,250,000 (the "Series 2010 C Bonds");

18. Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2010 D (West Virginia SRF Program), dated December 2, 2010, issued in the original aggregate principal amount of \$500,000 (the "Series 2010 D Bonds");

19. Combined Waterworks and Sewerage System Revenue Bonds, Series 2011 A (West Virginia SRF Program), dated July 22, 2011, issued in the original aggregate principal amount of \$13,147,192 (the "Series 2011 A Bonds");

20. Combined Waterworks and Sewerage System Revenue Bonds, Series 2011 B (West Virginia SRF Program), dated July 22, 2011, issued in the original aggregate principal amount of \$2,000,000 (the "Series 2011 B Bonds");

21. Combined Waterworks and Sewerage System Revenue Bonds, Series 2012 A (West Virginia SRF Program), dated December 18, 2012, issued in the original aggregate principal amount of \$1,500,000 (the "Series 2012 A Bonds"); and

22. Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2013 A (West Virginia SRF Program), dated June 27, 2013, issued in the original aggregate principal amount of \$591,977 (the "Series 2013 A Bonds").

The Series 1987 B Bonds, Series 1988 B-1 Bonds, Series 1988 B-2 Bonds, Series 1989 B Bonds, Series 1998 Bonds, Series 2000 A Bonds, Series 2002 A Bonds, Series 2002 B Bonds, Series 2002 C Bonds, Series 2003 A Bonds, Series 2005 A Bonds, Series 2006 A Bonds, Series 2006 B Bonds, Series 2009 A Bonds, Series 2010 A Bonds, Series 2010 B Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2011 A Bonds, Series 2011 B Bonds, Series 2012 A Bonds and Series 2013 A Bonds are hereinafter collectively called the "Prior Bonds." The ordinances which authorized the issuance of the Prior Bonds are herein collectively referred to as the "Prior Ordinances."

Prior to the issuance of the Series 2013 B Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consent of the Registered Owners of the Prior Bonds to the issuance of the Series 2013 B Bonds on a parity with such Prior Bonds if required by the Prior Ordinances. The Series 2002 C Bonds, Series 2003 A Bonds, Series 2005 A Bonds, Series 2006 A Bonds, Series 2006 B Bonds and Series 2009 A Bonds do not require consent.

Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

G. The Issuer intends to issue the Series 2013 B Bonds and to pledge for payment thereof, the Gross Revenues of the System, on a parity with each other and on a parity with such pledge in favor of the Holders of the Prior Bonds.

H. The estimated revenues to be derived in each year after the date hereof from the operation of the System will be sufficient, to provide for the repair, maintenance and operation of the System, the payment of interest upon the Series 2013 B Bonds, and the Prior Bonds and to create sinking funds, as hereinafter provided, to pay the principal on the Series 2013 B Bonds and the Prior Bonds as

and when it becomes due and reasonable reserves therefor, to provide an adequate renewal and replacement fund, as hereinafter provided, and to make all other payments provided for in this Ordinance and the Prior Ordinances.

I. It is in the best interests of the Issuer, and the residents thereof, that the Issuer issue the Series 2013 B Bonds, and secure the Series 2013 B Bonds by a pledge and assignment of the Gross Revenues derived from the operation of the System, the monies in the Series 2013 B Bonds Reserve Account, unexpended proceeds of the Series 2013 B Bonds and as further set forth herein.

J. The Series 2013 B Bonds and the Certificate of Authentication and Registration to be endorsed thereon are to be in substantially the forms set forth in EXHIBIT A – FORM OF SERIES 2013 B BOND attached hereto and incorporated herein by reference, with necessary and appropriate variations, omissions and insertions as permitted or required by this Ordinance or a Supplemental Resolution or as deemed necessary by the Registrar or the Issuer.

K. All things necessary to make the Series 2013 B Bonds, when authenticated by the Registrar and issued as in this Ordinance provided, the valid, binding and legal special obligations of the Issuer according to the import thereof, and to validly pledge and assign those funds pledged hereby to the payment of the principal of and interest on the Series 2013 B Bonds, will be timely done and duly performed.

L. The enactment of this Ordinance, the execution and issuance of the Series 2013 B Bonds, subject to the terms thereof, will not result in any breach of, or constitute a default under, any instrument to which the Issuer is a party or by which it may be bound or affected.

M. The Issuer has complied with all requirements of West Virginia law relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2013 B Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a certificate of convenience and necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the date of issuance of the Series 2013 B Bonds or such final order will not be subject to appeal or rehearing.

Section 1.04. Ordinance Constitutes Contract. In consideration of the acceptance of the Series 2013 B Bonds by those who shall own or hold the same from time to time, this Ordinance shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the legal Holders of any and all of such Bonds, all of which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bond, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

ARTICLE II

AUTHORIZATION OF ACQUISITION AND CONSTRUCTION OF THE PROJECT

Section 2.01. Authorization of Acquisition and Construction of the Project. There is hereby authorized and ordered the acquisition and construction of the Project, at an estimated cost of not more than \$3,500,000. The proceeds of the Series 2013 B Bonds hereby authorized shall be applied as

provided herein. The Series 2013 B Bonds are hereby authorized, to be issued in one or more series, in the aggregate principal amount of not more than \$3,500,000.

ARTICLE III

THE SERIES 2013 B BONDS

Section 3.01. Form and Payment of Bonds. No Series 2013 B Bond shall be issued pursuant to this Ordinance except as provided in this Article III. Any Series 2013 B Bonds issued pursuant to this Ordinance may be issued only as fully registered Series 2013 B Bonds, in the denomination of \$5,000 or any integral multiple thereof for any year of maturity. All Series 2013 B Bonds shall be dated as of the date provided in a Supplemental Resolution applicable to such series. All Series 2013 B Bonds shall bear interest from the interest payment date next preceding the date of authentication or, if authenticated after the Record Date but prior to the applicable interest payment date or on such interest payment date, from such interest payment date or, if no interest on such Series 2013 B Bonds has been paid, from the date thereof; provided however, that, if, as shown by the records of the Registrar, interest on such Series 2013 B Bonds shall be in default, Bonds issued in exchange for Series 2013 B Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the initial Series 2013 B Bonds surrendered.

The principal of and the premium, if any, on the Series 2013 B Bonds shall be payable in any coin or currency which, on the respective date of such payment, is legal tender for the payment of public and private debts under the laws of the United States of America upon surrender at the principal office of the Paying Agent. Interest on the Series 2013 B Bonds shall be paid by check or draft made payable and mailed to the Holder thereof at his address as it appears in the Bond Register at the close of business on the Record Date, or, if requested, in the case of a Registered Owner of \$1,000,000 or more of the Series 2013 B Bonds, by wire transfer to a domestic bank account specified in writing at least 5 days prior to such interest payment date by such Registered Owner.

In the event any Series 2013 B Bonds are redeemed in part, such bond shall be surrendered to and canceled by the Registrar, and the Issuer shall execute, and the Registrar shall authenticate and deliver to the Holder thereof, another Series 2013 B Bond in the principal amount of said Series 2013 B Bond then Outstanding.

Section 3.02. Execution of Bonds. The Series 2013 B Bonds shall be executed in the name of the Issuer by the Mayor, by his manual or facsimile signature, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the City Clerk by his or her manual or facsimile signature; provided, that, all such signatures and the seal may be by facsimile. In case any one or more of the officers who shall have signed or sealed any of the Series 2013 B Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2013 B Bonds shall be signed and sealed on behalf of the City by such person as at the actual time of the execution of such Bonds shall hold the proper office in the City, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Series 2013 B Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Ordinance unless and until the Certificate of Authentication and Registration on such Series 2013 B Bond, substantially in the form set

forth in EXHIBIT A – FORM OF SERIES 2013 B Bond attached hereto and incorporated herein by reference with respect to the Series 2013 B Bonds, shall have been duly manually executed by the Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Series 2013 B Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Ordinance. The Certificate of Authentication and Registration on any Series 2013 B Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2013 B Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Series 2013 B Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder, in accepting any of said Bonds, shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2013 B Bonds remain Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Series 2013 B Bonds. The Series 2013 B Bonds shall be transferable only by transfer of registration upon the Bond Register by the registered owner thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or such duly authorized attorney or legal representative. Upon transfer of a Series 2013 B Bond, there shall be issued at the option of the Holder or the transferee another Bond or Bonds of the aggregate principal amount equal to the unpaid amount of the transferred Bond and of the same series, interest rate and maturity of said transferred Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the registered owner or his attorney or legal representative duly authorized in writing, Series 2013 B Bonds may at the option of the Holder thereof be exchanged for an equal aggregate principal amount of Bonds of the same series, maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Series 2013 B Bond is exercised, Bonds shall be delivered in accordance with the provisions of this Ordinance. All Series 2013 B Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Series 2013 B Bonds, the initial exchange of Bonds and exchanges of Bonds in the event of partial redemption of fully registered Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2013 B Bonds, the Registrar may impose a service charge. For every such transfer or exchange of Series 2013 B Bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2013 B Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2013 B Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Bond of like series, maturity and principal

amount as the Bond, so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing the Issuer and the Registrar proof of his ownership thereof and that said Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Bondholder listed in the Bond Register shall constitute proof of ownership. All Series 2013 B Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Bonds be at any time found by any one, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the Revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued as part of the Series 2013 B Bonds pursuant to this Ordinance, the following provisions shall apply:

1. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2013 B Bonds Redemption Account in accordance with Subsection 4.03(A)(1) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/12th of the amount (or, if the Series 2013 B Bonds mature semiannually rather than annually, that month which is 6 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/6th of the amount) required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with respect to a series of Bonds shall be set forth in the Supplemental Resolution relating thereto.

2. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

3. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

4. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the monies in the Series 2013 B Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

5. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Series 2013 B Bonds Sinking Fund), as will exhaust as nearly as practicable such Series 2013 B Bonds Redemption Account payment designated to be made in accordance with paragraph (A)(1) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of \$5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Series 2013 B Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the applicable Bond Insurer, if any, the Original Purchaser, and the registered owner of the Series 2013 B Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

So long as DTC (as CEDE & CO.) is the registered Owner of the Series 2013 B Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice.

All official notices of redemption shall be dated and shall state:

- (1) The Redemption Date,
- (2) The Redemption Price,
- (3) If less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,
- (5) The place where such Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar, and
- (6) Such other information, if any, as shall be required for DTC-Eligible Bonds.

If funds sufficient to redeem all Series 2013 B Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such

notice shall also state that such optional redemption is subject to the deposit of such monies with the Paying Agent on or before the Redemption Date. If such monies are not so deposited, the Registrar shall notify all holders of Series 2013 B Bonds called for redemption of such fact.

Official notice of redemption having been given as aforesaid, the Series 2013 B Bonds, or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Series 2013 B Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal of such Bond. All Series 2013 B Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2013 B Bonds, and failure to mail such notice shall not affect the validity of proceedings for the redemption of any portion of Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on, such Bond and (except as provided in Section 6.18) for all other purposes, whether or not such Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Ordinance. Upon the presentation and surrender of any Bond or Bonds in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefor, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefor to the Holder of such Bond in temporary form.

Section 3.10. Series 2013 B Bonds. For the purposes of paying a portion of the costs of acquisition and construction of improvements and betterments to the waterworks and sewerage portions of the System, paying capitalized interest, if any, funding the Series 2013 B Bonds Reserve Account and paying costs in connection therewith, there shall be issued the Series 2013 B Bonds of the Issuer, in one or more series, in an aggregate principal amount of not more than \$3,500,000. Said Series 2013 B Bonds shall be designated "Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax Exempt)" or such other designation as may be appropriate for the year and sequence of the issue, as may be set forth in a Supplemental Resolution, and shall be issued in fully registered form, in the denomination of \$5,000 or any integral multiple thereof for any period of maturity, not exceeding the aggregate principal amount of Series 2013 B Bonds maturing in the period of maturity for which the denomination is to be specified. The Series 2013 B Bonds shall be numbered from BR-1 consecutively upward. The Series 2013 B Bonds shall be dated; shall be in such aggregate principal amount (not to exceed \$3,500,000); shall bear interest at such rate or rates, not exceeding the then legally permissible

rate (not to exceed 6%), payable semiannually on such dates; shall mature on such dates (which may be annual or semi-annual) (not to exceed 30 years) and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Series 2013 B Bonds. A. The Series 2013 B Bonds shall each initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2013 B Bonds of each maturity, registered in the name of CEDE & CO., as nominee of DTC. Except as provided in paragraph E below, all of the Series 2013 B Bonds shall be registered in the registration books kept by the Registrar in the name of CEDE & CO., as nominee of DTC; provided that if DTC shall request that the Series 2013 B Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Series 2013 B Bonds registered in the name of such nominee or nominees. No person other than DTC or its nominee shall be entitled to receive from the Issuer or the Registrar either a Series 2013 B Bond or any other evidence of ownership of the Series 2013 B Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Series 2013 B Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry system as provided in paragraph E below.

B. At or prior to settlement for the Series 2013 B Bonds, the Issuer and the Registrar shall execute or signify their approval of a representation letter addressed to DTC in a form satisfactory to DTC (the "Representation Letter"). Any successor Registrar shall, in its written acceptance of its duties under this Ordinance, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Series 2013 B Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Series 2013 B Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in New York Clearing House or equivalent next day funds on the dates provided for such payments to be made to any Bondholder under this Ordinance. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Issuer and the Registrar with respect to the principal or Redemption Price of or interest on the Series 2013 B Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Series 2013 B Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Series 2013 B Bonds so redeemed, but DTC may retain such Series 2013 B Bonds and make an appropriate notation on the Series 2013 B Bonds certificate as to the amount of such partial redemption; provided that DTC shall deliver to the Registrar, upon request, a written confirmation of such partial redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Series 2013 B Bonds of such maturity which have been redeemed.

D. The Issuer, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Series 2013 B Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Series 2013 B Bonds, selecting the Series 2013 B Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under this Ordinance, registering the transfer of Series 2013 B Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Issuer nor the Registrar shall be affected by any notice to the contrary. Neither the Issuer nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Series 2013 B Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books

of the Registrar as being a Bondholder with respect to (i) the Series 2013 B Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2013 B Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Ordinance, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Series 2013 B Bonds, or (vi) any consent given or other action taken by DTC as Bondholder.

E. The book entry system for registration of the ownership of the Series 2013 B Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Series 2013 B Bonds; or (ii) the Issuer determines that continuation of the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Series 2013 B Bonds. In either of such events (unless in the case described in clause (iii) above, the Issuer appoints a successor securities depository), the Series 2013 B Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer or the Registrar for the accuracy of such designation. Whenever DTC requests the Issuer and the Registrar to do so, the Issuer and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 2013 B Bonds.

Section 3.12. Delivery of Series 2013 B Bonds. The Issuer shall execute and deliver the Series 2013 B Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2013 B Bonds to the Original Purchaser upon receipt of the documents set forth below:

- (1) If not registered in the name of DTC or its nominee, a list of the names in which the Series 2013 B Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;
- (2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2013 B Bonds to DTC for the benefit of the Original Purchaser;
- (3) Copies, certified by the City Clerk, of this Ordinance and the Supplemental Resolution;
- (4) The unqualified approving opinion upon the Series 2013 B Bonds by Bond Counsel; and
- (5) Such other opinions, certificates and documents as shall be reasonably requested by the Original Purchaser.

Section 3.13. Form of Series 2013 B Bonds. The definitive Series 2013 B Bonds shall be in substantially the form set forth in EXHIBIT A – FORM OF SERIES 2013 B BOND attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 2013 B Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series 2013 B Bonds shall have the form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Series 2013 B Bonds. Upon the issuance and delivery of the Series 2013 B Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

1. All interest accrued, if any, on the Series 2013 B Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 2013 B Bonds Sinking Fund and applied to payment of interest on the Series 2013 B Bonds at the first interest payment date.

2. An amount of the proceeds of the Series 2013 B Bonds equal to the amount, if any, set forth in the Supplemental Resolution shall be remitted to the Bond Commission for deposit in the Series 2013 B Bonds Reserve Account, provided that, to the extent the Series 2013 B Bonds Reserve Requirement is satisfied in whole or in part from a reserve account letter of credit, surety bond or other credit facility, proceeds of the Series 2013 B Bonds shall be deposited in the Series 2013 B Bonds Reserve Account only to the extent needed to satisfy the balance of the Series 2013 B Bonds Reserve Requirement.

3. The amount of Series 2013 B Bond proceeds which, together with other monies or securities deposited therein shall be equal to the Costs of Issuance of the Series 2013 B Bonds shall be deposited with the Depository Bank in the Series 2013 B Bonds Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Series 2013 B Bonds at the written direction of the Issuer. Monies not to be applied immediately to pay such costs of issuance may be invested in accordance with this Ordinance, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 120 days following the Closing Date for the Series 2013 B Bonds, such unapplied proceeds shall be transferred by the Issuer to the Series 2013 B Bonds Sinking Fund established in Section 4.01 hereof and applied to the next ensuing payment of interest on the Series 2013 B Bonds. All such proceeds shall constitute a trust fund for such purposes, and there hereby is created a lien upon such monies until so applied in favor of the Holders of the Series 2013 B Bonds from which such proceeds are derived.

4. The balance of Series 2013 B Bonds proceeds, if any, shall be deposited in the Series 2013 B Bonds Construction Fund and disbursed as provided in Section 3.15 hereof.

Section 3.15. Disbursements from the Series 2013 B Bonds Construction Fund. Disbursements from the Series 2013 B Bonds Construction Fund, except for payment of Costs of Issuance of the Series 2013 B Bonds in excess of the monies available in the Costs of Issuance Fund which shall be made upon request of the Issuer, shall be made only for acquisition and construction of the Project, including all necessary engineering and other professional services relating thereto. Pending such application, monies in the Series 2013 B Bonds Construction Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

- (46) Series 2013 B Bonds Reserve Account.

Section 4.03. System Revenues and Application Thereof. So long as any of the Series 2013 B Bonds shall be Outstanding and unpaid, the Issuer covenants as follows:

A. The entire Gross Revenues derived from the operation of the System and all parts thereof shall be deposited by the Issuer in the Revenue Fund. The Revenue Fund shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. All Revenues at any time remaining on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first, each month on or before the due date, transfer from the Revenue Fund and simultaneously remit to the Commission (i) the amounts required to be paid by Prior Ordinances for the interest on the Series 1998 Bonds, Series 2000 A Bonds, Series 2002 A Bonds, Series 2002 C Bonds, Series 2003 A Bonds, Series 2005 A Bonds, Series 2006 A Bonds, Series 2006 B Bonds, Series 2009 A Bonds, Series 2010 A Bonds, Series 2010 B Bonds and Series 2013 A Bonds; and (ii) beginning on the first day of that month which is 6 months prior to the first interest payment date on the Series 2013 B Bonds, apportion and set apart out of the Revenue Fund and deposit in the Series 2013 B Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on said Series 2013 B Bonds on the next ensuing semiannual interest payment date, provided, that in the event the period to elapse between the date of such initial deposit in the Series 2013 B Bonds Sinking Fund and the next ensuing semiannual interest payment date is less than or greater than 6 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date, and provided further, that the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2013 B Bonds Sinking Fund shall be reduced by the amount of accrued interest, if any, on the Series 2013 B Bonds deposited therein and subsequent amounts required to be transferred from the Revenue Fund and deposited in the Series 2013 B Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Series 2013 B Bonds Sinking Fund;

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously remit to the Commission (i) the amounts required by the Prior Ordinances to pay principal on the Prior Bonds; and (ii) for deposit in the Series 2013 B Bonds Sinking Fund (and in the Series 2013 B Bonds Redemption Account therein in the case of Term Bonds which are to be redeemed) on the first day of each month, beginning on the first day of that month which is 12 months prior to the first principal payment or mandatory Redemption Date of the Series 2013 B Bonds, a sum equal to 1/12th

of the amount (or 1/6th of the amount if the Series 2013 B Bonds mature semiannually rather than annually) of principal which will mature or be redeemed and become due on the Series 2013 B Bonds on the next ensuing principal payment or mandatory Redemption Date, provided, that in the event the period to elapse between the date of such initial deposit in the Series 2013 B Bonds Sinking Fund and the next ensuing principal payment or mandatory Redemption Date is less than or greater than 12 months (or 6 months if the Series 2013 B Bonds mature semiannually rather than annually), then such monthly payments shall be increased or decreased proportionately to provide, one month prior to the next ensuing principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2013 B Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously remit to the Commission (i) the amounts required by the Prior Ordinances to be deposited in the Prior Bonds Reserve Accounts; and (ii) commencing 13 months prior to the first date of payment of principal of the Series 2013 B Bonds or upon completion of construction of the Project, whichever is earlier, if not fully funded upon issuance of the Series 2013 B Bonds, for deposit in the Series 2013 B Bonds Reserve Account, an amount equal to 1/120th of the Series 2013 B Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2013 B Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2013 B Bonds Reserve Requirement; provided further, that if the amounts in the Series 2013 B Bonds Reserve Account, as a result of a decrease in value of the Series 2013 B Bonds Reserve Account below the Series 2013 B Bonds Reserve Account Requirement or any withdrawal from the Series 2013 B Bonds Reserve Account, the Issuer shall apply such monies for deposit into the Series 2013 B Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2013 B Bonds Reserve Account results in a determination that the amount of monies and the value of the Qualified Investments deposited to the credit of the Series 2013 B Bonds Reserve Account is less than the Series 2013 B Bonds Reserve Account Requirement, or (b) any amount is withdrawn from the Series 2013 B Bonds Reserve Account for deposit into the Series 2013 B Bonds Sinking Fund. To the extent Gross Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of monies on deposit in the Series 2013 B Bonds Reserve Account to an amount equal to the Series 2013 B Bonds Reserve Account Requirement to the full extent that such Gross Revenues are available; provided, however, that if the shortfall in the Series 2013 B Bonds Reserve Account is due to a decrease in the value of investments therein, such shortfall shall be replenished by not less than 4 equal monthly payments, and if such shortfall is due to a withdrawal from the Series 2013 B Bonds Reserve Account, such shortfall shall be replenished by not less than 12 equal monthly payments, and provided further, that no payments shall be required to be made into the Series 2013 B Bonds Reserve Account whenever and as long as the amount deposited therein shall be equal to the Series 2013 Reserve Account Requirement.

Amounts in the Series 2013 B Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2013 B Bonds when due, when amounts in the Series 2013 B Bonds Sinking Fund are insufficient therefor and for no other purpose.

(4) The Issuer shall next, each month, pay from the Revenue Fund the current Operating Expenses of the System.

(5) The Issuer shall next, on the first day of each month, transfer from the monies remaining in the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund (as previously set forth in the Prior Ordinances and not in addition thereto), a sum equal to 2 1/2% of the

Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Subject to the restrictions contained in the Prior Ordinances, so long as the Prior Bonds are outstanding, withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, or improvements or extensions to the System; provided, that any deficiency in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof, shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by the Act, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the System.

B. The Bond Commission is hereby designated as the fiscal agent for the administration of the Series 2013 B Bonds Sinking Fund created hereunder, and all amounts required for said Sinking Fund shall be remitted to the Bond Commission from said Revenue Fund and from the proceeds of the sale of the Series 2013 B Bonds, by the Issuer at the times and as otherwise provided herein. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited.

C. The monies on deposit in the Revenue Fund and the Renewal and Replacement Fund in excess of the sum insured by the FDIC shall at all times be secured, to the full extent thereof in excess of such insured sum, by Government Obligations or by other Qualified Investments as shall be eligible as security for deposits of municipal funds under the laws of the State.

D. Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds and the Series 2013 B Bonds, all in accordance with the respective principal amounts then Outstanding.

ARTICLE V

INVESTMENTS; NON-ARBITRAGE; REBATES AND CONTINUING DISCLOSURE

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any monies held as a part of the funds and accounts created by this Ordinance in Qualified Investments to the fullest extent possible under applicable laws, this Ordinance, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the

cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section (unless otherwise required by the Bond Insurer, if any, and as set forth in the Supplemental Resolution):

(A) Qualified Investments acquired for the Series 2013 B Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to, annually transfer from the Series 2013 B Bonds Reserve Account to the Series 2013 B Bonds Sinking Fund any earnings on the monies deposited therein and any other funds in excess of the Series 2013 B Bonds Reserve Requirement, provided, however, that there shall at all times remain on deposit in the Series 2013 B Bonds Reserve Account an amount at least equal to the Series 2013 B Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2013 B Bonds Reserve Account, whereupon it shall be valued immediately after such withdrawal. If amounts on deposit in the Series 2013 B Bonds Reserve Account shall, at any time, be less than the applicable Series 2013 B Bonds Reserve Requirement, the applicable Bond Insurer, if any, shall be notified immediately of such deficiency, and such deficiency shall be made up from the first available Gross Revenues after required deposits to the Sinking Fund and otherwise in accordance with Section 4.03.

(D) All amounts representing accrued and capitalized interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 2013 B Bonds, as appropriate, and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all monies deposited in the Series 2013 B Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Board of Treasury Investments pursuant to Chapter 12, Article 6C of the Code of West Virginia, 1931, as amended.

Section 5.02. Continuing Disclosure Agreement. The Issuer shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser, the form of which shall be approved by the Supplemental Resolution, sufficient to ensure compliance with Rule 15c2-12, as it may be amended from time to time, and the Issuer hereby instructs the Mayor and Clerk to take all actions necessary for the Issuer to comply with the continuing disclosure agreement.

Section 5.03. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2013 B Bonds which would cause the Series 2013 B Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2013 B

Bonds) so that the interest on the Series 2013 B Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.04. Tax Certificate, Rebates, and Rebate Fund. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by Bond Counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of any series of Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2013 B Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Ordinance.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be in time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefore. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2013 B Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Ordinance, the Issuer hereby covenants and agrees with the Holders of the Series 2013 B Bonds, as

hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2013 B Bonds or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Series 2013 B Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the Gross Revenues of the System, the monies in the Series 2013 B Bonds Sinking Fund and all accounts therein, the unexpended proceeds of the Series 2013 B Bonds or money in the Series 2013 B Bonds Construction Fund, if any, all as herein provided. No Holder or Holders of any Series 2013 B Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer to pay said Series 2013 B Bonds or the interest thereon.

Section 6.03. Bonds Secured by Pledge of Gross Revenues and Monies in Sinking Fund. The payment of the debt service of all of the Series 2013 B Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Gross Revenues derived from the operation of the System on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds and, in the instance of the Series 2013 B Bonds, all monies and securities in the Series 2013 B Bonds Sinking Fund, including the Series 2013 B Bonds Reserve Account therein to the extent necessary to make the payments required under Section 4.03. The Gross Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Series 2013 B Bonds herein authorized, to make the payments into the Series 2013 B Bonds Sinking Fund, all monies and securities in the Series 2013 B Bonds Sinking Fund, the Series 2013 B Bonds Reserve Account and all other payments provided for in this Ordinance, are hereby irrevocably pledged in the manner provided in this Ordinance to the payment of the principal of and interest on the Prior Bonds and the Series 2013 B Bonds herein authorized as the same become due and for the other purposes provided in this Ordinance.

Section 6.04. Rates. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the Bond Purchase Agreement and the Issuer shall supply a certificate of Certified Public Accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the water rate ordinance of the Issuer enacted on April 15, 2008 and the sewer rate ordinance of the Issuer enacted August 7, 2006, which rates are incorporated herein by reference as a part hereof.

So long as the Series 2013 B Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Ordinance and in compliance with this Ordinance. In the event the schedule of rates and charges initially established for the System in connection with the Series 2013 B Bonds shall prove to be insufficient to produce the required sums set forth in this Ordinance, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Ordinance.

Prior to the issuance of the Series 2013 B Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the

office of the City Clerk of the Issuer, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that (a) so long as the Prior Bonds are outstanding, the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, to provide a rate coverage equal to the highest rate coverage required by either (a) the Prior Ordinances or (b) this Ordinance, as set forth below, and thereafter, sufficient, together with other revenues of the System, to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2013 B Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with, or subordinate to, the Series 2013 B Bonds including the Prior Bonds.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 90 days following a determination of the Independent Certified Public Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 6.05. Completion of Project; Operation and Maintenance. The Issuer will complete the Project as promptly as possible. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the revenues of said System in the manner provided in this Ordinance.

The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia necessary for the acquisition and construction of the Project and the operation of the System.

Section 6.06. Sale of the System. So long as the Prior Bonds are Outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, except as provided by the Prior Ordinances. Additionally, so long as the Series 2013 B Bonds are Outstanding, the System may be sold, mortgaged, leased or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to defease the pledge created by this Ordinance as provided by Section 9.01. The proceeds from such sale, mortgage, lease or other disposition of the System shall be immediately remitted to the Bond Commission for deposit in the Series 2013 B Bonds Sinking Fund, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the Gross Revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of \$500,000, the Issuer may provide for the sale of such property. If the amount

to be received from such sale, lease or other disposition of said property shall be in excess of \$500,000 but not in excess of \$5,000,000 the Issuer shall first, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property not in excess of \$5,000,000, shall be deposited by the Issuer into the Renewal and Replacement Fund.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of \$5,000,000 and insufficient to defease the pledge created by this Ordinance, as provided by Section 9.01, without the prior approval and consent in writing of any applicable Bond Insurer, if any, and the Holders, or their duly authorized representatives, of 51% in amount of Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the Bond Insurer, if any, and the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any other obligations whatsoever, except Additional Parity Bonds provided for in Section 6.08 hereof, payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from the Gross Revenues with the Series 2013 B Bonds; and all obligations hereafter issued by the Issuer payable from the revenues of the System, except such Additional Parity Bonds, shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such revenues and in all other respects to the Series 2013 B Bonds.

The Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to such Additional Parity Bonds, being on a parity with the lien of the Series 2013 B Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2013 B Bonds and the interest thereon in this Ordinance or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable.

No such additional Parity Bonds shall be issued except for the purposes of financing the costs of the design, acquisition and construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto, or to pay claims which may exist against the revenues or facilities of the System or all of such purposes.

So long as the Series 2013 B Bonds are outstanding, no Parity Bonds shall be issued at any time, however, unless and until there has been procured a written statement by Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustment hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall be not less than 115%, of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding;

(2) Any additional Parity Bonds theretofore issued pursuant to the provisions contained in the Prior Ordinances and this Ordinance then Outstanding; and

(3) The additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which has expired (without successful appeal) prior to the issuance of such Parity Bonds.

All covenants and other provisions of this Ordinance (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such Parity Bonds, in addition to the payments required for the Bonds theretofore issued pursuant to this Ordinance.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to the lien on and source of and security for payment from such revenues, with the Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Ordinance and the Prior Ordinances with respect to the Bonds then Outstanding, and any other payments provided for in this Ordinance and the Prior Ordinances, shall have been made in full as required to the date of issuance of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Ordinance and the Prior Ordinances.

Provided, however, that if the most recent audit by an independent certified public accountant for the Issuer states that the Issuer was not in compliance with the rate covenant in Section 6.04 of this Ordinance for the year being audited and the Issuer has, as required by Section 6.04, filed a petition with the Public Service Commission of West Virginia seeking a rate increase sufficient to comply with Section 6.04, such statement in the most recent audit shall not be considered a violation of the

covenants, agreements and terms of this Ordinance, so as to prevent the Issuer from issuing additional Parity Bonds under this Section 6.08.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2013 B Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance and bonds and workers' compensation coverage with a reputable insurance carrier or carriers or bonding company or companies rated at least "A" by Standard & Poor's Corporation covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the greater of the fair appraised value or the original cost thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damages or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than is customarily carried by municipalities of equivalent size with respect to works and properties similar to the System to protect the Issuer from claims for bodily injury and/or death and from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System, provided that, the Issuer, with the review of an insurance consultant and the concurrence of the Issuer, may elect to self-insure, so long as the following requirements are met:

(i) The self-insurance program has been reviewed by an insurance consultant;

(ii) The self-insurance program includes an actuarially sound claims reserve fund out of which each self-insured claim shall be paid; the adequacy of such fund shall be evaluated on an annual basis by an insurance consultant; and any deficiencies in any self-insured claims reserve fund will be remedied in accordance with the recommendation of the insurance consultant;

(iii) The self-insured claims reserve fund shall be held in the United States of America in a separate trust fund by an independent corporate trustee; and

(iv) In the event the current funding of the self-insurance program shall be discontinued, the actuarial soundness of its claims reserve fund, as determined by an insurance consultant, shall be maintained.

If the Issuer determines in good faith that any required insurance is not commercially available at a reasonable cost with reasonable terms, it shall engage an insurance consultant to verify the determination and to make recommendations regarding the types, amounts and provisions of any such insurance that should be purchased or funded by the Issuer, taking into consideration the costs and practices of other municipal water and sewer systems of similar size and type in the State to the extent that such information is available. The Issuer may, upon resolution adopted in good faith and upon the recommendations of the insurance consultant, adopt alternate or supplemental risk management programs which the Issuer determines to be reasonable, including the right to self-insure and participate in captive insurance companies.

C. WORKERS' COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Issuer and such payment bonds will be filed with the Clerk of the County Commission of Jefferson County prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such workers' compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project.

Section 6.10. Services Rendered to the Issuer. The Issuer will not render or cause to be rendered any free services of any nature by its System; and, in the event the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.11. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service

Commission of West Virginia, all delinquent rates, rentals and other charges, if not paid, shall become a lien on the premises served by the System. The Issuer further covenants and agree that it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System to all delinquent users of services and facilities of the System and will not restore such services of the System until all billing for charges for the services and facilities of the System, including penalties and reconnect fees, have been fully paid, or a payment agreement in compliance with the West Virginia Public Service Commission regulations has been entered.

Section 6.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.13. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Series 2013 B Bond, shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as it shall direct.

The Issuer shall file with the Original Purchaser and any Bond Insurer, and shall mail to any Bondholder requesting the same, an annual report within 30 days following the date of receipt of the final audit containing a balance sheet, statement of revenues, expenses, and changes in retained earnings, and statement of cash flows, as prescribed by generally accepted accounting principles.

The Issuer shall also file with the Original Purchaser and any Bond Insurer, and mail to any Bondholder requesting the same, a monthly unaudited report within 30 days following the end of each month containing the following:

(A) A statement of Gross Revenues, Operating Expenses, and Net Revenues derived from the System; and

(B) A statement of account balances in the Sinking Fund accounts provided for in this Ordinance and status of said funds.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by an Independent Accountant, shall mail upon request, and make available generally, the report of said Independent Certified Public Accountant, or a summary thereof, to any Holder or Holders of Series 2013 B Bonds issued pursuant to this Ordinance and shall file said report with the Original Purchaser.

Section 6.14. Operating Budget. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, or at such earlier date required by the charter of the Issuer, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. The Issuer shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Original Purchaser and to any Bondholder or anyone acting for and in behalf of such Bondholder who requests the same.

Section 6.15. Mandatory Connections. The mandatory use of the sewerage portion of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer, and in order to assure the rendering harmless of sewage and waterborne waste matter produced or arising within the territory served by the sewerage portion of the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sewerage portion of the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building and every such owner, tenant or occupant shall, after a 30 day notice of the availability of sewerage services of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or waterborne waste matter and which is not so connected with the sewerage portion of the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the residents of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.16. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2013 B Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon the issuance of the Series 2013 B Bonds and shall be on a parity with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 6.17. Covenants Regarding the Municipal Bond Insurance Policy. The Issuer may obtain a Municipal Bond Insurance Policy for the Series 2013 B Bonds. In the event such Municipal Bond Insurance Policy is obtained, certain additional covenants of the Issuer will be required by the Bond Insurer as a condition to insuring the Series 2013 B Bonds. These additional covenants shall be set forth in full in the Supplemental Resolution, shall apply to the Series 2013 B Bonds and any other Bonds which may be insured by such Bond Insurer, and shall be controlling in the event any other provisions of this Ordinance may be in conflict therewith.

Section 6.18. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2013 B Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2013 B Bonds during the term thereof is, under the terms of the Series 2013 B Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or

to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2013 B Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2013 B Bonds during the term thereof is, under the terms of the Series 2013 B Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2013 B Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 2013 B Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related, all of the foregoing to be determined in accordance with the Code.

B. **PRIVATE LOAN LIMITATION.** The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2013 B Bonds or \$5,000,000 are used, directly or indirectly, to make or finance a loan to persons other than state or local government units

C. **FEDERAL GUARANTEE PROHIBITION.** The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2013 B Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

D. **INFORMATION RETURN.** The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2013 B Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. **FURTHER ACTIONS.** The Issuer will take all actions that may be required of it so that the interest on the Series 2013 B Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion. .

Section 6.19. Continuing Disclosures. In order to provide the written undertaking for the benefit of the owners of the Series 2013 B Bonds required by the Securities and Exchange Commission Rule 15c2-12, the Issuer shall enter into a Continuing Disclosure Agreement in such form as may be approved by the Supplemental Resolution, and the Mayor are authorized and directed to execute and deliver such Continuing Disclosure Agreement on behalf of the Issuer, with such changes as the Mayor shall approve, such approval to be conclusively evidenced by the execution of such Agreement by the Mayor.

Section 6.20 Preliminary Official Statement; Official Statement. The distribution of the Preliminary Official Statement with respect to the Series 2013 B Bonds shall be and the same is hereby approved. The form of the Preliminary Official Statement shall be in such form as may be approved by the Supplemental Resolution. The Mayor is hereby authorized and directed to execute and deliver a final official statement on behalf of the Issuer, which shall be in substantially the form of the Preliminary Official Statement with such changes, insertions and omissions as may be required to reflect the terms of the sale of the Series 2013 B Bonds and as the Mayor may approve (the “Official Statement”). The execution of the Official Statement by the Mayor shall be conclusive evidence of such approval. Copies of the Official Statement are hereby authorized to be prepared and furnished to the Original Purchaser for distribution.

ARTICLE VII

DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an “Event of Default” with respect to the Series 2013 B Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on any Bond;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Ordinance or any Supplemental Resolution or in the Series 2013 B Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Bondholder or any Insurer; or

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder (with the prior written consent of the applicable Bond Insurer) or any Bond Insurer may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the Issuer to perform its duties under the Act and this Ordinance;

(C) Bring suit upon the Series 2013 B Bonds, as applicable;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of this Ordinance or the rights of the Bondholders.

No remedy by the terms of this Ordinance conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall be made without the prior written consent of the applicable Bond Insurer or shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder or any Bond Insurer shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Series 2013 B Bonds, and the Prior Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2013 B Bonds issued pursuant to this Ordinance and interest thereon and under any covenants of this Ordinance for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Ordinance shall have been cured and made good, and all monies due hereunder or under any Supplemental Resolution have been paid in full, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Series 2013 B Bonds issued pursuant to this Ordinance. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Bondholders, and the curing and making good of any default under the provisions of this Ordinance, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Notwithstanding any other provision of this Ordinance, in determining whether the rights of the Bondholders will be adversely affected by any action taken pursuant to the terms and provisions of this Ordinance, any trustee or Bondholder's committee shall consider the effect on the Bondholders as if no Municipal Bond Insurance Policy were then in effect.

Section 7.04. Restoration of Issuer and Bondholder. In case any Bondholder shall have proceeded to enforce any right under this Ordinance by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Bondholder shall be restored to their former positions and rights hereunder, and all rights and remedies of such Bondholder shall continue as if no such proceedings had been taken.

ARTICLE VIII

REGISTRAR AND PAYING AGENT

Section 8.01. Appointment of Registrar. The Registrar for the Series 2013 B Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Registrar. The recitals of fact in the Bonds shall be taken as statements of the Issuer, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2013 B Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2013 B Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Ordinance and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Registrar May Act. Except as otherwise provided by Section 10.02, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Series 2013 B Bonds, the first exchange of Series 2013 B Bonds and the exchange of Series 2013 B Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2013 B Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or effect or aid in any reorganization growing out of the enforcement of the Series 2013 B Bonds, or this Ordinance, whether or not any such committee shall represent the Holders of a majority in principal amount of the Series 2013 B Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Ordinance by giving not less than 60 days' written

notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Bondholder in the event all Bonds are fully registered), specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately, provided that in no event shall such resignation take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer, the applicable Bond Insurer or by the Holders of a majority in principal amount of the Series 2013 B Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer, the applicable Bond Insurer or by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar. Such removal shall take effect upon the date stated in such instrument, provided that in no event shall such removal take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Series 2013 B Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Bondholders. The Issuer shall publish in an Authorized Newspaper (or mail to each Bondholder in the event all Bonds are fully registered) notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Bondholders. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any monies, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2013 B Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Bonds so authenticated, and, in case any Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent. The West Virginia Municipal Bond Commission shall initially serve as Paying Agent. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Series 2013 B Bonds shall be and remain DTC-Eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from monies available therefor.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Ordinance. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Bondholders may make such appointment.

The Paying Agents shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All monies received by the Paying Agents shall, until used or applied as provided in this Ordinance, be held in trust for the purposes for which they were received.

ARTICLE IX

DEFEASANCE; DISCHARGE OF PLEDGE OF ORDINANCE

Section 9.01. Defeasance; Discharge of Pledge of Ordinance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Holders of all Series 2013 B Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, and all other monies due hereunder have been paid, then this Ordinance and the pledges of the Gross Revenues and other monies and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Holders of the Series 2013 B Bonds made

hereunder, as applicable, shall thereupon cease, terminate and become void and be discharged and satisfied.

Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on such Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2013 B Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on said Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of said Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on said Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge.

ARTICLE X

MISCELLANEOUS

Section 10.01. Amendment of Ordinance. Prior to issuance of the Series 2013 B Bonds, this Ordinance may be amended, modified or supplemented in any way by the Supplemental Resolution. All provisions required by the Bond Insurer, if any, shall be set forth in the Supplemental Resolution and to the extent they constitute an amendment or modification of this Ordinance, shall be controlling. Following issuance of the Series 2013 B Bonds, this Ordinance and any Supplemental Resolution may, without the consent of any Bondholder or other person, be amended, modified or supplemented in any manner which, in the opinion of Bond Counsel, does not materially adversely affect the interests of the Bondholders or any Bond Insurer, provided that, in the event any of the Bonds are insured, no such amendment or modification which affects the rights of the applicable Bond Insurer for such Bonds may be made without the written consent of such Bond Insurer. Otherwise, no materially adverse amendment or modification to this Ordinance, or of any Supplemental Resolution, may be made without the written consent of the Holders of 60% in aggregate principal amount of the Series 2013 B Bonds then Outstanding and affected thereby and the Bond Insurer, if any, which must be filed with the Clerk of the Issuer before any such modification or amendment may be made. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Bond without the express written consent of the Holder of such Bond, nor reduce the percentage of Series 2013 B Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Ordinance may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Ordinance if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Bondholder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Series 2013 B Bonds held by a person executing any instrument as a Bondholder, the date of his holding such Series 2013 B Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Bond shall bind all future Holders and owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Ordinance shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Bondholder, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Ordinance shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Bonds. All Series 2013 B Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Bonds shall be deemed Outstanding under this Ordinance and no Series 2013 B Bonds shall be issued in lieu thereof. All such Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Bonds. Anything in this Ordinance to the contrary notwithstanding, any monies held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Series 2013 B Bonds which remain unclaimed for two years after the date on which such Bonds have become due and payable, whether by maturity or upon call for redemption, shall

at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Bonds shall look only to the Issuer for the payment of such Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such monies remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such monies then unclaimed will be returned to the Issuer.

Section 10.06. Notices, Demands and Requests. Unless otherwise expressly provided, all notices, demands and requests to be given or made hereunder to or by the Issuer, the Registrar, the Depository Bank, the Original Purchaser or the Bond Insurer, if any, shall be in writing and shall be properly made if sent by United States mail, postage prepaid, and addressed as follows or if hand-delivered to the individual to whom such notice, demand or request is required to be directed as indicated below:

Principal and premium, if any, shall be paid when due upon presentation and surrender of this Bond for payment at the office of the Paying Agent, in Charleston, West Virginia.

This Bond is one of an issue of a series of bonds, in the aggregate principal amount of \$ _____ designated the "City of Charles Town Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax Exempt)" (the "Series 2013 B Bonds"), of like tenor and effect, except as to number, denomination, date of maturity and interest rate, dated _____, 2013, upon original issuance, the proceeds of which are to be used, together with other funds of the Issuer, (i) to finance the cost of acquisition and construction of certain additions, betterments and improvements to the sewerage portion of the combined waterworks and sewerage system of the Issuer, (ii) to fund a reserve account for the Series 2013 B Bonds, and (iii) to pay certain costs of issuance of the Series 2013 B Bonds and related costs. The Series 2013 B Bonds are issued under the authority of and in full compliance with the Constitution and statute of the State of West Virginia, including particularly, Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "Act"), and an ordinance duly enacted by the City Council of the Issuer on April 1, 2013, and supplemented by a supplemental resolution adopted by said Council on _____, 2013 (hereinafter collectively referred to as the "Ordinance"), and is subject to all the terms and conditions of said Ordinance. The Ordinance provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Series 2013 B Bonds under the Ordinance. Reference is hereby made to the Ordinance, as the same may be amended and supplemented from time to time, for a description of the rights, limitations of rights, obligations, duties and immunities of the Issuer, the Registrar, the Paying Agent, the Registered Owners of the Series 2013 B Bonds and the Registered Owners of any subsequently issued additional bonds. Executed counterparts or certified copies of the Ordinance are on file at the office of the City Clerk in The City of Charles Town, West Virginia.

[The Series 2013 B Bonds are additionally secured, but only to the extent described in the Statement of Insurance printed on the Bonds, by a policy of municipal bond insurance issued by [Bond Insurer].]

The Series 2013 B Bonds are subject to redemption prior to their stated maturity dates, as provided in the Ordinance and as set forth in the following lettered paragraphs:

(A) Optional Redemption. The Bonds maturing on and after _____, 20____, are subject to redemption prior to maturity at the option of the Issuer on or after _____, 20____, in whole at any time and in part on any Interest Payment Date, as directed by the Issuer, in reverse order of maturity and by lot within a maturity, at the following Redemption Prices (expressed as percentages of the principal amount of Bonds to be redeemed), plus interest accrued thereon to the date fixed for redemption:

Period During Which Redeemed (Dates Inclusive)	Redemption Price
---	---------------------

(B) Mandatory Sinking Fund Redemption. The Bonds maturing on _____, 20____ and 20____ are subject to annual mandatory sinking fund redemption prior to maturity by random selection as may be determined by the Registrar, on _____ 1 of the years and in the principal amounts set forth below, at the Redemption Price of 100% of the principal amount of each Bond so called for redemption plus interest accrued to the date fixed for redemption:

Bonds Maturing _____ 1, 20

_____	Year (_____)	_____	<u>Principal Amount</u>
-------	----------------	-------	-------------------------

Bonds Maturing _____ 1, 20

_____	Year (_____)	_____	<u>Principal Amount</u>
-------	----------------	-------	-------------------------

* Final Maturity

In the event of any redemption of less than all outstanding Series 2013 B Bonds, the maturities to be redeemed shall be selected by the Paying Agent at the direction of the Issuer and Series 2013 B Bonds to be redeemed shall be determined by lot within a maturity, or in such other manner deemed appropriate by the Paying Agent. If less than all the Series 2013 B Bonds are to be redeemed, the Series 2013 B Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Series 2013 B Bond, unless waived, shall be given by the Paying Agent on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Series 2013 B Bond or Series 2013 B Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Paying Agent. Such notice shall also be given by the Paying Agent to the Registrar. Notice of redemption having been given as aforesaid, the Series 2013 B Bonds or portions of Series 2013 B Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Series 2013 B Bonds or portions of Series 2013 B Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Series 2013 B Bond.

The Series 2013 B Bonds and the interest thereon are payable only from and are secured by the Gross Revenues (as defined in the Ordinance) to be derived from the operation of the System, on a parity in all respects with the pledge of the Gross Revenues created in favor of the holders of the Prior Bonds, all monies in the Series 2013 B Bonds Sinking Fund, and the Series 2013 B Bonds Reserve Account therein, established under the Ordinance, and the unexpended proceeds of the Series 2013 B Bonds, and the Issuer hereby and in the Ordinance pledges such revenues and monies to such payment. Said Gross Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose and to make the other payments required by the Ordinance. This Series 2013 B Bond does not constitute an indebtedness of the Issuer within any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Gross Revenues, the monies in the Series 2013 B Bonds Sinking Fund and the Series 2013 B Bonds Reserve Account and said unexpended Series 2013 B Bond proceeds. Pursuant to the Ordinance, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for

principal of and interest, if any, on the Series 2013 B Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2013 B Bonds, including the Prior Bonds. The Issuer has entered into certain further covenants with the registered owners of the Series 2013 B Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the registered owners of the Series 2013 B Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All monies received from the sale of the Bonds except for accrued interest thereon shall be applied solely to pay all costs of the Project, funding a reserve account for the Series 2013 B Bonds and pay costs of issuance of the Bonds, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owners of said Series 2013 B Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Series 2013 B Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Series 2013 B Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Series 2013 B Bonds of which this Series 2013 B Bond is one.

This Series 2013 B Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the within-described Ordinance.

This Series 2013 B Bond and the income therefrom are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof.

This Series 2013 B Bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Ordinance, and the statutes under which this Series 2013 B Bond is issued shall be deemed to be a part of the contract evidenced by this Series 2013 B Bond to the same extent as if written fully herein.

WHEREAS, capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Conformed Bond Ordinance attached as Exhibit C when used herein;

WHEREAS, the Issuer desires to supplement the Bond Ordinance through this Supplemental Resolution and Conformed Ordinance (collectively, the Bond Legislation);

WHEREAS, the Ordinance provided for the issuance by the Issuer of its Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 (Tax-Exempt), in the aggregate principal amount of not more than \$3,500,000 (the "Series 2013 Bonds"), for the purposes of paying a portion of

the costs of acquisition and construction of additions, betterments and improvements to the System capitalizing interest on the Series 2013 Bonds, funding a reserve account for the Series 2013 B Bonds and paying costs of issuance thereof, all in accordance with Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "Act");

WHEREAS, The Issuer issued it Series 2013 A Bonds on June 27, 2013; therefore, the Issuer desires to conform the Ordinance to redesignate the Series 2013 Bonds as the Series 2013 B Bonds and incorporate the Series 2013 A Bonds.

WHEREAS, the Ordinance further provided that the exact dates, amounts, maturities, interest rates, redemption provisions, purchase price and other terms of the Series 2013 B Bonds should be established by a supplemental resolution, that a Registrar, Paying Agent and Depository Bank be designated, that a Bond Purchase Agreement, a Continuing Disclosure Agreement, a Registrar Agreement, a Preliminary Official Statement and an Official Statement be approved and that other matters pertaining to the Series 2013 B Bonds be provided for by a supplemental resolution of the Governing Body, that additional covenants and provisions relating to the Bonds be provided therein, and that other matters pertaining to the Series 2013 B Bonds be provided for by a supplemental resolution of this Governing Body and a certificate of determinations executed by the Mayor and the City Manager;

WHEREAS, the Series 2013 B Bonds are proposed to be purchased by Crews & Associates, Inc. (the "Original Purchaser"), pursuant to a Bond Purchase Agreement between the Original Purchaser and the Issuer, to be dated the date of execution thereof (the "Bond Purchase Agreement");

WHEREAS, the Governing Body wishes to delegate to the Mayor and City Manager the authority to approve, within the parameters set forth herein and in the Ordinance, the final terms of the Bonds and all provisions of all documents relating to the Series 2013 B Bonds (the "Bond Documents"), without the requirement of further official action by this Governing Body; and

WHEREAS, the Governing Body deems it essential and desirable that this Supplemental Resolution be adopted, that the Bond Purchase Agreement, the Continuing Disclosure Agreement and the Registrar Agreement hereinafter provided for be entered into by the Issuer, that the Preliminary Official Statement and Official Statement relating to the Series 2013 B Bonds, hereinafter described, be approved, that the Issuer's Mayor and City Manager be authorized to execute the Certificate of Determinations and enter into the Bond Purchase Agreement, all within the parameters hereby approved by the Governing Body, and that other matters relating to the Series 2013 B Bonds be herein provided for, all in accordance with said Ordinance.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF CHARLES TOWN:

Section 1. The Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 (Tax-Exempt), are hereby redesignated as Combined Waterworks and Sewerage System Revenue Bonds, Series 2013B (Tax-Exempt), (the "Series 2013 B Bonds").

Section 2. The Issuer hereby approves the Conformed Bond Ordinance attached hereto as Exhibit C.

Section 3. Pursuant to the Ordinance and the Act, this Supplemental Resolution is adopted and there are hereby authorized and ordered to be issued the Series 2013 B Bonds. The Series 2013 B Bonds shall be issued in the aggregate principal amount not to exceed \$3,500,000, bear interest at a true

interest rate not to exceed 6.0% payable semiannually, shall mature in not more than 40 years from the date of issue, shall be dated such date, upon original issuance, shall mature in such principal amounts on such dates, and shall be subject to such redemption provisions, all as shall subsequently be approved by the Mayor pursuant to her execution of the Certificate of Determinations and the Series 2013 B Bonds shall be substantially in the form set forth in the Ordinance, provided however, that the specific terms of the Series 2013 B Bonds shall be as determined by the Mayor at the time of the execution of the Bond Purchase Agreement and as approved by the Mayor in the Certificate of Determinations attached hereto as EXHIBIT A. All other provisions relating to the Series 2013 B Bonds shall be as provided in the Ordinance.

Section 4. The Bond Purchase Agreement by and between the Original Purchaser and the Issuer, and the execution and delivery (in multiple counterparts) by the Mayor and City Manager thereof shall be and the same are hereby authorized, approved, and directed. The Mayor and City Manager shall execute the Bond Purchase Agreement on behalf of the Issuer with such changes, insertions and omissions as may be approved by the Mayor and City Manager. The execution of the Bond Purchase Agreement by the Mayor and City Manager shall be conclusive evidence of any approval required by this Section, and authorization of any action required by the Bond Purchase Agreement relating to the issuance and sale of the Series 2013 B Bonds, including the payment of all necessary fees and expenses in connection therewith.

Section 5. The Continuing Disclosure Agreement by and between the Issuer and the Original Purchaser, to be dated as of the date of delivery of the Series 2013 B Bonds, substantially in the form submitted to this meeting, and the execution and delivery (in multiple counterparts) by the Mayor and City Manager thereof shall be and the same are hereby authorized, approved and directed. The Mayor and City Manager shall execute and deliver the Continuing Disclosure Agreement with such changes, insertions and omissions as may be approved by the Mayor and City Manager. The execution of the Continuing Disclosure Agreement by the Mayor and City Manager shall be conclusive evidence of any approval required by this Section. United Bank, Inc., Charleston, West Virginia is hereby appointed as dissemination agent under the Continuing Disclosure Agreement.

Section 6. The Preliminary Official Statement to be substantially in the form attached hereto (with such changes, insertions and omissions as may be necessary or advisable in the opinion of the Mayor and City Manager), and the distribution of counterparts or copies thereof by the Original Purchaser are hereby approved. The Mayor and City Manager shall execute and deliver the Official Statement with such changes, insertions and omissions as may be approved by the Mayor and City Manager. The execution of the Official Statement by the Mayor and City Manager shall be conclusive evidence of any approval required by this Section. The certificate of the Issuer relating to compliance with SEC Rule 15c-12 and the execution and delivery thereof by the Mayor and City Manager is hereby ratified and approved.

Section 7. The Registrar Agreement by and between the Issuer and the Registrar designated herein, to be dated as of the date of delivery of the Series 2013 B Bonds, substantially in the form submitted to this meeting, shall be and the same is hereby approved. The Mayor shall execute and deliver the Registrar Agreement with such changes, insertions and omissions as may be approved by the Mayor. The execution of the Registrar Agreement by the Mayor shall be conclusive evidence of any approval required by this Section.

Section 8. The Tax Compliance Policy attached hereto as Exhibit B is hereby approved.

Section 9. The firm of Steptoe & Johnson PLLC, Charleston, West Virginia, is hereby appointed bond counsel to the Issuer in connection with the issuance of the Series 2013 B Bonds.

Section 10. The Issuer does hereby appoint and designate United Bank, Inc., Charleston, West Virginia for the purpose of serving in the capacity of Registrar.

Section 11. The Issuer does hereby appoint and designate the West Virginia Municipal Bond Commission for the purpose of serving in the capacity of Paying Agent.

EXHIBIT B

TAX COMPLIANCE POLICY

CITY OF CHARLES TOWN (WEST VIRGINIA)

TAX COMPLIANCE POLICIES

Purpose

Governmental issuers of tax-exempt and tax-credit bonds must comply with certain federal tax rules pertaining to expenditure of proceeds for qualified costs, rate of expenditure, use of bond financed property, investment of proceeds in compliance with arbitrage rules, and retention of records. The following policies are intended to establish compliance by the City of Charles Town, West Virginia (the "*Issuer*"), as the issuer, with these rules in connection with the issuance of the Issuer's Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax-Exempt) (the "*Tax-Exempt Bonds*"). It is understood and agreed by the Issuer, and the Issuer has covenanted to take all actions necessary to maintain the Tax-Exempt Bonds as tax-exempt state and local bonds.

Tax Requirements Associated with Sale and Issuance of Bonds

Review and retention of tax documents related to the sale and issuance of Bonds will be supervised by the City Manager or his designee (the "*Oversight Officer*").

- Form 8038-G (tax exempt bonds) will be reviewed and filed not later than the 15th day of the 2nd calendar month following the quarter in which the bonds were issued. Filing of appropriate version or versions of Form 8038-G will be confirmed with bond counsel.

Expenditure of Proceeds for Governmental Costs

Expenditure of bond proceeds will be reviewed by the Oversight Officer.

- Bond proceeds will be disbursed pursuant to the Bond Ordinance, and will be a written order of an Authorized Officer, stating the date, amount and purpose of the disbursement.
- Requisitions must identify the financed property in conformity with the Tax and Non-Arbitrage Certificate executed by the Issuer at closing, including any certifications as to the character and average economic life of the bond-financed property.

- Requisitions for costs that were paid prior to the issuance of the bonds are, in general, limited to costs paid subsequent to, or not more than 60 days prior to, the date a “declaration of intent” to reimburse the costs was adopted by the City. If proceeds are used for reimbursement, a copy of the declaration will be obtained and included in the records for the Tax-Exempt Bonds, if not already part of the bond transcript.
- Requisitions will be in accordance with expectations to spend or commit 5% of net sale proceeds within 6 months, to spend 85% of net sale proceeds within 3 years, and to proceed with due diligence to complete the project and fully spend the net sale proceeds. Expected expenditure schedules, project timelines, and plans and specifications will be maintained to support expectations. Reasons for failure to meet the expected schedule will be documented and retained in the records for the Tax-Exempt Bonds.
- If the 18-month spending exception to rebate applies, expenditure of gross proceeds will be monitored against the following schedule for the arbitrage rebate exception for the issue, if applicable:
 - 15% within 6 months
 - 60% within 12 months
 - 100% within 18 months
- If the 2-year spending exception to rebate applies, expenditure of “available construction proceeds” will be monitored against the following schedule for the arbitrage rebate exception for construction issues if applicable:
 - 10% within 6 months
 - 45% within 12 months
 - 75% within 18 months
 - 100% within 24 months

Expenditure of Proceeds

In addition to the general review of expenditures described above, expenditure of proceeds of the Tax-Exempt Bonds will be reviewed by the Oversight Officer.

- Reserve funds cannot exceed the least of 10% of bond proceeds, maximum annual debt service, or 125% of average annual debt service. The initial funding of any reserve fund will be measured against this limit.
- Only a small portion (5%) of the proceeds of Tax-Exempt Bonds can be used for operating expenses or other “working capital” costs. Requisitions for costs of the Project will accordingly be monitored to confirm that they are for capital costs of the Project.

- Investment earnings on sale proceeds of the Tax-Exempt Bonds will be tracked and will be requisitioned only for appropriate expenditures.

Use of Bond-Financed Property

Use of bond-financed property when completed and placed in service will be reviewed by the Oversight Officer.

- Average nonexempt use of bond-financed property over the life of the issue cannot exceed 10% of the proceeds.
- Agreements with business users or non-profit organizations for lease or management or services contracts, sponsored research, naming rights or any other potential nonexempt use of bond-financed property will be reviewed prior to execution of any contract to determine if property subject to the Bond Ordinance is bond-financed.
- Agreements with business users or other non-profit organizations for lease or management or services contracts or other private business use involving bond-financed property will be tracked and aggregated with other private business uses for compliance with the 10% limit, as set forth in the Tax and Non-Arbitrage Certificate.
- No item of bond-financed property will be sold or transferred to a nonexempt party without advance arrangement of a “remedial action” under the applicable Income Tax Regulations.

Investments and IRS Filings

Investment of bond proceeds in compliance with the arbitrage bond rules and rebate of arbitrage will be supervised by the Oversight Officer.

- Guaranteed investment contracts (“GIC”) will be purchased only using the three-bid “safe harbor” of applicable Income Tax Regulations, in compliance with fee limitations on GIC brokers in the Income Tax Regulations.
- Other investments will be purchased only in market transactions.
- Calculations of rebate liability will be performed annually by outside consultants.
- Rebate payments will be made with Form 8038-T no later than 60 days after (a) each fifth anniversary of the date of issuance and (b) the final retirement of the issue. Compliance with rebate requirements will be reported to the bond trustee and the issuer.

- Identify date for first rebate payment at time of issuance. Enter in records for the issue.

Records

Management and retention of records related to tax-exempt bond issues will be supervised by the Oversight Officer.

- Records will be retained for the life of the bonds plus any refunding bonds plus three years. Records may be in the form of documents or electronic copies of documents, appropriately indexed to specific bond issues and compliance functions.
- Retainable records pertaining to the Tax-Exempt Bonds include transcript of documents executed in connection with the issuance of the bonds (including authorizing resolutions, Bond Ordinance, Form 8038-G, and Tax and Non-Arbitrage Certificate) and any amendments, and copies of rebate calculations and records of payments, including Forms 8038-T.
- Retainable records pertaining to expenditures of bond proceeds include requisitions, accounting statements and final allocation of proceeds.
- Retainable records pertaining to use of property include all agreements reviewed for nonexempt use and any reviewed documents relating to unrelated business activity.
- Retainable records pertaining to investments include GIC documents under the Income Tax Regulations, records of purchase and sale of other investments, and records of investment activity sufficient to permit calculation of arbitrage rebate or demonstration that no rebate is due.

Overall Responsibility

Overall administration and coordination of this policy is the responsibility of the Oversight Officer.

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT: TWO HUNDRED EIGHTY THOUSAND DOLLARS

KNOW ALL MEN BY THESE PRESENTS: That the CITY OF CHARLES TOWN (West Virginia), a municipal corporation organized and existing under the laws of the State of West Virginia (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the Registered Owner specified above, or registered assigns (the "Registered Owner"), on the Maturity Date specified above, the Principal Amount specified above and solely from such special funds also to pay interest on said Principal Amount from the Interest Payment Date (as hereinafter defined) preceding the date of authentication hereof or, if authenticated after the Record Date (as hereinafter defined) but prior to the applicable Interest Payment Date or on said Interest Payment Date, from said Interest Payment Date or, if no interest has been paid, from the Bond Date specified above, or, if and to the extent that the Issuer shall default in the payment of interest on any Interest Payment Date, then this Bond shall bear interest from the most recent Interest Payment Date to which interest has been paid or duly provided for, and in which case any Bond surrendered for transfer or exchange shall be dated as of the Interest Payment Date to which interest has been paid in full, at the Interest Rate per annum specified above, semiannually, on April 1 and October 1, in each year, beginning April 1, 2014 (each an "Interest Payment Date"), until maturity or until the date fixed for redemption if this Bond is called for prior redemption and payment on such date is provided for. Capitalized terms used and not defined herein shall have the meanings ascribed thereto in the hereinafter-described Ordinance.

Interest accruing on this Bond on and prior to the Maturity Date hereof shall be payable by check or draft mailed by the West Virginia Municipal Bond Commission, Charleston, West Virginia, as paying agent (in such capacity, the "Paying Agent"), to the Registered Owner hereof as of the applicable Record Date (each March 15 and September 15) or, in the event of a default in the payment of Bonds, that special record date to be fixed by the hereinafter named Registrar by notice given to the Registered Owners not less than 10 days prior to said special record date at the address of such Registered Owner as it appears on

the registration books of the Issuer maintained by United Bank, Inc., Charleston, West Virginia, as registrar (in such capacity, the "Registrar"), or, at the option of any Registered Owner of at least \$1,000,000 in aggregate principal amount of Bonds, by wire transfer in immediately available funds to a domestic bank account specified in writing by the Registered Owner to the Paying Agent at least 5 days prior to such Record Date. Principal and premium, if any, shall be paid when due upon presentation and surrender of this Bond for payment at the office of the Paying Agent, in Charleston, West Virginia.

This Bond is one of an issue of a series of bonds, in the aggregate principal amount of \$2,970,000 designated the "City of Charles Town Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax Exempt)" (the "Series 2013 B Bonds"), of like tenor and effect, except as to number, denomination, date of maturity and interest rate, dated October 1, 2013, upon original issuance, the proceeds of which are to be used, together with other funds of the Issuer, (i) to finance the costs of acquisition and construction of certain additions, betterments and improvements to the combined waterworks and sewerage system of the Issuer, (ii) to fund a reserve account for the Series 2013 B Bonds, and (iii) to pay certain costs of issuance of the Series 2013 B Bonds and related costs. The Series 2013 B Bonds are issued under the authority of and in full compliance with the Constitution and statute of the State of West Virginia, including particularly, Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "Act"), and an ordinance duly enacted by the City Council of the Issuer on April 1, 2013, and supplemented by a Supplemental Resolution and Conformed Ordinance adopted by said Council on September 3, 2013 (hereinafter collectively referred to as the "Ordinance"), and is subject to all the terms and conditions of said Ordinance. The Ordinance provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Series 2013 B Bonds under the Ordinance. Reference is hereby made to the Ordinance, as the same may be amended and supplemented from time to time, for a description of the rights, limitations of rights, obligations, duties and immunities of the Issuer, the Registrar, the Paying Agent, the Registered Owners of the Series 2013 B Bonds and the Registered Owners of any subsequently issued additional bonds. Executed counterparts or certified copies of the Ordinance are on file at the office of the City Clerk in the City of Charles Town, West Virginia.

2023 (Maturity)	70,000

The principal amount of Series 2013 B Bonds maturing October 1, 2023, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

The Series 2013 B Bonds maturing October 1, 2028, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price

equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1; 2024, and on each October 1 thereafter to and including October 1, 2028, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2024	\$75,000
2025	75,000
2026	80,000
2027	85,000
2028 (Maturity)	85,000

The principal amount of Series 2013 B Bonds maturing October 1, 2028, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

The Series 2013 B Bonds maturing October 1, 2032, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 2029, and on each October 1 thereafter to and including October 1, 2032, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2029	\$90,000
2030	95,000

2032 (Maturity)	105,000

The principal amount of Series 2013 B Bonds maturing October 1, 2032, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

The Series 2013 B Bonds maturing October 1, 2036, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 2033, and on each October 1 thereafter to and including October 1, 2036, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2033	\$110,000
2034	115,000
2035	120,000
2036 (Maturity)	125,000

The principal amount of Series 2013 B Bonds maturing October 1, 2036, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

The Series 2013 B Bonds maturing October 1, 2043, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on

October 1, 2037, and on each October 1 thereafter to and including October 1, 2043, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2037	\$135,000
2038	140,000
2039	150,000
2040	155,000
2041	165,000
2042	175,000
2043 (Maturity)	180,000

The principal amount of Series 2013 B Bonds maturing October 1, 2043, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

In the event of any redemption of less than all outstanding Series 2013 B Bonds, the maturities to be redeemed shall be selected by the Paying Agent at the direction of the Issuer and Series 2013 B Bonds to be redeemed shall be determined by lot within a maturity, or in such other manner deemed appropriate by the Paying Agent. If less than all the Series 2013 B Bonds are to be redeemed, the Series 2013 B Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Series 2013 B Bond, unless waived, shall be given by the Registrar on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Series 2013 B Bond or Series 2013 B Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar. Notice of redemption having been given as aforesaid, the Series 2013 B Bonds or portions of Series 2013 B Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Series 2013 B Bonds or portions of Series 2013 B Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Series 2013 B Bond.

The Series 2013 B Bonds and the interest thereon are payable only from and are secured by the Gross Revenues (as defined in the Ordinance) to be derived from the operation of the System, on a parity in all respects with the pledge of the Gross Revenues created in favor of the holders of the Prior Bonds, all monies in the Series 2013 B Bonds Sinking Fund, and the Series 2013 B Bonds Reserve Account therein, established under the Ordinance, and the unexpended proceeds of the Series 2013 B Bonds, and the Issuer hereby and in the Ordinance pledges such revenues and monies to such payment. Said Gross Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose and to make the other payments required by the Ordinance. This Series 2013 B Bond does not constitute an indebtedness of the Issuer within any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Gross Revenues, the monies in the Series 2013 B Bonds Sinking Fund and the Series 2013 B Bonds Reserve Account and said unexpended Series 2013 B Bond proceeds. Pursuant to the Ordinance, the

Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest, if any, on the Series 2013 B Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2013 B Bonds, including the Prior Bonds. The Issuer has entered into certain further covenants with the registered owners of the Series 2013 B Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the registered owners of the Series 2013 B Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All monies received from the sale of the Bonds except for accrued interest thereon shall be applied solely to pay all costs of the Project, funding a reserve account for the Series 2013 B Bonds and pay costs of issuance of the Bonds, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owners of said Series 2013 B Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Series 2013 B Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Series 2013 B Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Series 2013 B Bonds of which this Series 2013 B Bond is one.

This Series 2013 B Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the within-described Ordinance.

This Series 2013 B Bond and the income therefrom are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof.

This Series 2013 B Bond is hereby designated a "qualified tax-exempt obligation" within the meaning of Section 265(b) of the Internal Revenue Code of 1986, as amended.

This Series 2013 B Bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Ordinance and the statutes under which this Series 2013 B Bond is issued shall be deemed to be a part of the contract evidenced by this Series 2013 B Bond to the same extent as if written fully herein.

PRINCIPAL AMOUNT: THREE HUNDRED THIRTY THOUSAND DOLLARS

KNOW ALL MEN BY THESE PRESENTS: That the CITY OF CHARLES TOWN (West Virginia), a municipal corporation organized and existing under the laws of the State of West Virginia (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the Registered Owner specified above, or registered assigns (the "Registered Owner"), on the Maturity Date specified above, the Principal Amount specified above and solely from such special funds also to pay interest on said Principal Amount from the Interest Payment Date (as hereinafter defined) preceding the date of authentication hereof or, if authenticated after the Record Date (as hereinafter defined) but prior to the applicable Interest Payment Date or on said Interest Payment Date, from said Interest Payment Date or, if no interest has been paid, from the Bond Date specified above, or, if and to the extent that the Issuer shall default in the payment of interest on any Interest Payment Date, then this Bond shall bear interest from the most recent Interest Payment Date to which interest has been paid or duly provided for, and in which case any Bond surrendered for transfer or exchange shall be dated as of the Interest Payment Date to which interest has been paid in full, at the Interest Rate per annum specified above, semiannually, on April 1 and October 1, in each year, beginning April 1, 2014 (each an "Interest Payment Date"), until maturity or until the date fixed for redemption if this Bond is called for prior redemption and payment on such date is provided for. Capitalized terms used and not defined herein shall have the meanings ascribed thereto in the hereinafter-described Ordinance.

Interest accruing on this Bond on and prior to the Maturity Date hereof shall be payable by check or draft mailed by the West Virginia Municipal Bond Commission, Charleston, West Virginia, as paying agent (in such capacity, the "Paying Agent"), to the Registered Owner hereof as of the applicable Record Date (each March 15 and September 15) or, in the event of a default in the payment of Bonds, that special record date to be fixed by the hereinafter named Registrar by notice given to the Registered Owners not less than 10 days prior to said special record date at the address of such Registered Owner as it appears on

the registration books of the Issuer maintained by United Bank, Inc., Charleston, West Virginia, as registrar (in such capacity, the "Registrar"), or, at the option of any Registered Owner of at least \$1,000,000 in aggregate principal amount of Bonds, by wire transfer in immediately available funds to a domestic bank account specified in writing by the Registered Owner to the Paying Agent at least 5 days prior to such Record Date. Principal and premium, if any, shall be paid when due upon presentation and surrender of this Bond for payment at the office of the Paying Agent, in Charleston, West Virginia.

This Bond is one of an issue of a series of bonds, in the aggregate principal amount of \$2,970,000 designated the "City of Charles Town Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax Exempt)" (the "Series 2013 B Bonds"), of like tenor and effect, except as to number, denomination, date of maturity and interest rate, dated October 1, 2013, upon original issuance, the proceeds of which are to be used, together with other funds of the Issuer, (i) to finance the costs of acquisition and construction of certain additions, betterments and improvements to the combined waterworks and sewerage system of the Issuer, (ii) to fund a reserve account for the Series 2013 B Bonds, and (iii) to pay certain costs of issuance of the Series 2013 B Bonds and related costs. The Series 2013 B Bonds are issued under the authority of and in full compliance with the Constitution and statute of the State of West Virginia, including particularly, Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "Act"), and an ordinance duly enacted by the City Council of the Issuer on April 1, 2013, and supplemented by a Supplemental Resolution and Conformed Ordinance adopted by said Council on September 3, 2013 (hereinafter collectively referred to as the "Ordinance"), and is subject to all the terms and conditions of said Ordinance. The Ordinance provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Series 2013 B Bonds under the Ordinance. Reference is hereby made to the Ordinance, as the same may be amended and supplemented from time to time, for a description of the rights, limitations of rights, obligations, duties and immunities of the Issuer, the Registrar, the Paying Agent, the Registered Owners of the Series 2013 B Bonds and the Registered Owners of any subsequently issued additional bonds. Executed counterparts or certified copies of the Ordinance are on file at the office of the City Clerk in the City of Charles Town, West Virginia.

The Series 2013 B Bonds maturing October 1, 2043, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on

October 1, 2037, and on each October 1 thereafter to and including October 1, 2043, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2037	\$135,000
2038	140,000
2039	150,000
2040	155,000
2041	165,000
2042	175,000
2043 (Maturity)	180,000

The principal amount of Series 2013 B Bonds maturing October 1, 2043, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

In the event of any redemption of less than all outstanding Series 2013 B Bonds, the maturities to be redeemed shall be selected by the Paying Agent at the direction of the Issuer and Series 2013 B Bonds to be redeemed shall be determined by lot within a maturity, or in such other manner deemed appropriate by the Paying Agent. If less than all the Series 2013 B Bonds are to be redeemed, the Series 2013 B Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Series 2013 B Bond, unless waived, shall be given by the Registrar on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Series 2013 B Bond or Series 2013 B Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar. Notice of redemption having been given as aforesaid, the Series 2013 B Bonds or portions of Series 2013 B Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Series 2013 B Bonds or portions of Series 2013 B Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Series 2013 B Bond.

The Series 2013 B Bonds and the interest thereon are payable only from and are secured by the Gross Revenues (as defined in the Ordinance) to be derived from the operation of the System, on a parity in all respects with the pledge of the Gross Revenues created in favor of the holders of the Prior Bonds, all monies in the Series 2013 B Bonds Sinking Fund, and the Series 2013 B Bonds Reserve Account therein, established under the Ordinance, and the unexpended proceeds of the Series 2013 B Bonds, and the Issuer hereby and in the Ordinance pledges such revenues and monies to such payment. Said Gross Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose and to make the other payments required by the Ordinance. This Series 2013 B Bond does not constitute an indebtedness of the Issuer within any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Gross Revenues, the monies in the Series 2013 B Bonds Sinking Fund and the Series 2013 B Bonds Reserve Account and said unexpended Series 2013 B Bond proceeds. Pursuant to the Ordinance, the

Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest, if any, on the Series 2013 B Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2013 B Bonds, including the Prior Bonds. The Issuer has entered into certain further covenants with the registered owners of the Series 2013 B Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the registered owners of the Series 2013 B Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All monies received from the sale of the Bonds except for accrued interest thereon shall be applied solely to pay all costs of the Project, funding a reserve account for the Series 2013 B Bonds and pay costs of issuance of the Bonds, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owners of said Series 2013 B Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Series 2013 B Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Series 2013 B Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Series 2013 B Bonds of which this Series 2013 B Bond is one.

This Series 2013 B Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the within-described Ordinance.

This Series 2013 B Bond and the income therefrom are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof.

This Series 2013 B Bond is hereby designated a "qualified tax-exempt obligation" within the meaning of Section 265(b) of the Internal Revenue Code of 1986, as amended.

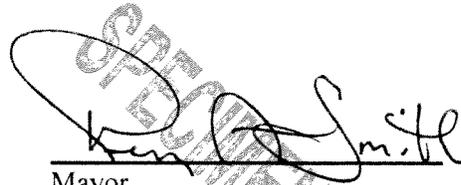

This Series 2013 B Bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Ordinance and the statutes under which this Series 2013 B Bond is issued shall be deemed to be a part of the contract evidenced by this Series 2013 B Bond to the same extent as if written fully herein.

PRINCIPAL AMOUNT: FOUR HUNDRED THOUSAND DOLLARS

KNOW ALL MEN BY THESE PRESENTS: That the CITY OF CHARLES TOWN (West Virginia), a municipal corporation organized and existing under the laws of the State of West Virginia (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the Registered Owner specified above, or registered assigns (the "Registered Owner"), on the Maturity Date specified above, the Principal Amount specified above and solely from such special funds also to pay interest on said Principal Amount from the Interest Payment Date (as hereinafter defined) preceding the date of authentication hereof or, if authenticated after the Record Date (as hereinafter defined) but prior to the applicable Interest Payment Date or on said Interest Payment Date, from said Interest Payment Date or, if no interest has been paid, from the Bond Date specified above, or, if and to the extent that the Issuer shall default in the payment of interest on any Interest Payment Date, then this Bond shall bear interest from the most recent Interest Payment Date to which interest has been paid or duly provided for, and in which case any Bond surrendered for transfer or exchange shall be dated as of the Interest Payment Date to which interest has been paid in full, at the Interest Rate per annum specified above, semiannually, on April 1 and October 1, in each year, beginning April 1, 2014 (each an "Interest Payment Date"), until maturity or until the date fixed for redemption if this Bond is called for prior redemption and payment on such date is provided for. Capitalized terms used and not defined herein shall have the meanings ascribed thereto in the hereinafter-described Ordinance.

Interest accruing on this Bond on and prior to the Maturity Date hereof shall be payable by check or draft mailed by the West Virginia Municipal Bond Commission, Charleston, West Virginia, as paying agent (in such capacity, the "Paying Agent"), to the Registered Owner hereof as of the applicable Record Date (each March 15 and September 15) or, in the event of a default in the payment of Bonds, that special record date to be fixed by the hereinafter named Registrar by notice given to the Registered Owners not less than 10 days prior to said special record date at the address of such Registered Owner as it appears on

the registration books of the Issuer maintained by United Bank, Inc., Charleston, West Virginia, as registrar (in such capacity, the "Registrar"), or, at the option of any Registered Owner of at least \$1,000,000 in aggregate principal amount of Bonds, by wire transfer in immediately available funds to a domestic bank account specified in writing by the Registered Owner to the Paying Agent at least 5 days prior to such Record Date. Principal and premium, if any, shall be paid when due upon presentation and surrender of this Bond for payment at the office of the Paying Agent, in Charleston, West Virginia.

This Bond is one of an issue of a series of bonds, in the aggregate principal amount of \$2,970,000 designated the "City of Charles Town Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax Exempt)" (the "Series 2013 B Bonds"), of like tenor and effect, except as to number, denomination, date of maturity and interest rate, dated October 1, 2013, upon original issuance, the proceeds of which are to be used, together with other funds of the Issuer, (i) to finance the costs of acquisition and construction of certain additions, betterments and improvements to the combined waterworks and sewerage system of the Issuer, (ii) to fund a reserve account for the Series 2013 B Bonds, and (iii) to pay certain costs of issuance of the Series 2013 B Bonds and related costs. The Series 2013 B Bonds are issued under the authority of and in full compliance with the Constitution and statute of the State of West Virginia, including particularly, Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "Act"), and an ordinance duly enacted by the City Council of the Issuer on April 1, 2013, and supplemented by a Supplemental Resolution and Conformed Ordinance adopted by said Council on September 3, 2013 (hereinafter collectively referred to as the "Ordinance"), and is subject to all the terms and conditions of said Ordinance. The Ordinance provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Series 2013 B Bonds under the Ordinance. Reference is hereby made to the Ordinance, as the same may be amended and supplemented from time to time, for a description of the rights, limitations of rights, obligations, duties and immunities of the Issuer, the Registrar, the Paying Agent, the Registered Owners of the Series 2013 B Bonds and the Registered Owners of any subsequently issued additional bonds. Executed counterparts or certified copies of the Ordinance are on file at the office of the City Clerk in the City of Charles Town, West Virginia.

2043 (Maturity)	180,000

The principal amount of Series 2013 B Bonds maturing October 1, 2043, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

In the event of any redemption of less than all outstanding Series 2013 B Bonds, the maturities to be redeemed shall be selected by the Paying Agent at the direction of the Issuer and Series 2013 B Bonds to be redeemed shall be determined by lot within a maturity, or in such other manner deemed appropriate by the Paying Agent. If less than all the Series 2013 B Bonds are to be redeemed, the Series 2013 B Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Series 2013 B Bond, unless waived, shall be given by the Registrar on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Series 2013 B Bond or Series 2013 B Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar. Notice of redemption having been given as aforesaid, the Series 2013 B Bonds or portions of Series 2013 B Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Series 2013 B Bonds or portions of Series 2013 B Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Series 2013 B Bond.

The Series 2013 B Bonds and the interest thereon are payable only from and are secured by the Gross Revenues (as defined in the Ordinance) to be derived from the operation of the System, on a parity in all respects with the pledge of the Gross Revenues created in favor of the holders of the Prior Bonds, all monies in the Series 2013 B Bonds Sinking Fund, and the Series 2013 B Bonds Reserve Account therein, established under the Ordinance, and the unexpended proceeds of the Series 2013 B Bonds, and the Issuer hereby and in the Ordinance pledges such revenues and monies to such payment. Said Gross Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose and to make the other payments required by the Ordinance. This Series 2013 B Bond does not constitute an indebtedness of the Issuer within any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Gross Revenues, the monies in the Series 2013 B Bonds Sinking Fund and the Series 2013 B Bonds Reserve Account and said unexpended Series 2013 B Bond proceeds. Pursuant to the Ordinance, the

Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest, if any, on the Series 2013 B Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2013 B Bonds, including the Prior Bonds. The Issuer has entered into certain further covenants with the registered owners of the Series 2013 B Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the registered owners of the Series 2013 B Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All monies received from the sale of the Bonds except for accrued interest thereon shall be applied solely to pay all costs of the Project, funding a reserve account for the Series 2013 B Bonds and pay costs of issuance of the Bonds, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owners of said Series 2013 B Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Series 2013 B Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Series 2013 B Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Series 2013 B Bonds of which this Series 2013 B Bond is one.

This Series 2013 B Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the within-described Ordinance.

This Series 2013 B Bond and the income therefrom are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof.

This Series 2013 B Bond is hereby designated a "qualified tax-exempt obligation" within the meaning of Section 265(b) of the Internal Revenue Code of 1986, as amended.

This Series 2013 B Bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Ordinance and the statutes under which this Series 2013 B Bond is issued shall be deemed to be a part of the contract evidenced by this Series 2013 B Bond to the same extent as if written fully herein.

PRINCIPAL AMOUNT: THREE HUNDRED NINETY THOUSAND DOLLARS

KNOW ALL MEN BY THESE PRESENTS: That the CITY OF CHARLES TOWN (West Virginia), a municipal corporation organized and existing under the laws of the State of West Virginia (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the Registered Owner specified above, or registered assigns (the "Registered Owner"), on the Maturity Date specified above, the Principal Amount specified above and solely from such special funds also to pay interest on said Principal Amount from the Interest Payment Date (as hereinafter defined) preceding the date of authentication hereof or, if authenticated after the Record Date (as hereinafter defined) but prior to the applicable Interest Payment Date or on said Interest Payment Date, from said Interest Payment Date or, if no interest has been paid, from the Bond Date specified above, or, if and to the extent that the Issuer shall default in the payment of interest on any Interest Payment Date, then this Bond shall bear interest from the most recent Interest Payment Date to which interest has been paid or duly provided for, and in which case any Bond surrendered for transfer or exchange shall be dated as of the Interest Payment Date to which interest has been paid in full, at the Interest Rate per annum specified above, semiannually, on April 1 and October 1, in each year, beginning April 1, 2014 (each an "Interest Payment Date"), until maturity or until the date fixed for redemption if this Bond is called for prior redemption and payment on such date is provided for. Capitalized terms used and not defined herein shall have the meanings ascribed thereto in the hereinafter-described Ordinance.

Interest accruing on this Bond on and prior to the Maturity Date hereof shall be payable by check or draft mailed by the West Virginia Municipal Bond Commission, Charleston, West Virginia, as paying agent (in such capacity, the "Paying Agent"), to the Registered Owner hereof as of the applicable Record Date (each March 15 and September 15) or, in the event of a default in the payment of Bonds, that special record date to be fixed by the hereinafter named Registrar by notice given to the Registered Owners not less than 10 days prior to said special record date at the address of such Registered Owner as it appears on

the registration books of the Issuer maintained by United Bank, Inc., Charleston, West Virginia, as registrar (in such capacity, the "Registrar"), or, at the option of any Registered Owner of at least \$1,000,000 in aggregate principal amount of Bonds, by wire transfer in immediately available funds to a domestic bank account specified in writing by the Registered Owner to the Paying Agent at least 5 days prior to such Record Date. Principal and premium, if any, shall be paid when due upon presentation and surrender of this Bond for payment at the office of the Paying Agent, in Charleston, West Virginia.

This Bond is one of an issue of a series of bonds, in the aggregate principal amount of \$2,970,000 designated the "City of Charles Town Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax Exempt)" (the "Series 2013 B Bonds"), of like tenor and effect, except as to number, denomination, date of maturity and interest rate, dated October 1, 2013, upon original issuance, the proceeds of which are to be used, together with other funds of the Issuer, (i) to finance the costs of acquisition and construction of certain additions, betterments and improvements to the combined waterworks and sewerage system of the Issuer, (ii) to fund a reserve account for the Series 2013 B Bonds, and (iii) to pay certain costs of issuance of the Series 2013 B Bonds and related costs. The Series 2013 B Bonds are issued under the authority of and in full compliance with the Constitution and statute of the State of West Virginia, including particularly, Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "Act"), and an ordinance duly enacted by the City Council of the Issuer on April 1, 2013, and supplemented by a Supplemental Resolution and Conformed Ordinance adopted by said Council on September 3, 2013 (hereinafter collectively referred to as the "Ordinance"), and is subject to all the terms and conditions of said Ordinance. The Ordinance provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Series 2013 B Bonds under the Ordinance. Reference is hereby made to the Ordinance, as the same may be amended and supplemented from time to time, for a description of the rights, limitations of rights, obligations, duties and immunities of the Issuer, the Registrar, the Paying Agent, the Registered Owners of the Series 2013 B Bonds and the Registered Owners of any subsequently issued additional bonds. Executed counterparts or certified copies of the Ordinance are on file at the office of the City Clerk in the City of Charles Town, West Virginia.

The Series 2013 B Bonds are subject to redemption prior to their stated maturity dates, as provided in the Ordinance and as set forth in the following lettered paragraphs:

(A) Extraordinary Redemption

The Series 2013 B Bonds shall also be subject to redemption if there should occur any damage to or destruction of the System or any condemnation of title to or the use of the System, the applicable Series 2013 B Bonds shall be subject to redemption at any time at the redemption price of 100% of the principal amount thereof plus accrued interest to the Redemption Date from any condemnation awards or insurance proceeds which are not used to repair, rebuild or rearrange the System.

(B) Optional Redemption

The Series 2013 B Bonds maturing on or after October 1, 2020 are subject to redemption at the option of the Issuer, prior to maturity, on or after October 1, 2019, in whole at any time and in part on any Interest Payment Date, in inverse order of maturity and by random selection within maturities if less than all of any maturity, at a redemption price (expressed as a percentage of the principal amount) of 100%, plus interest accrued to the date fixed for redemption.

So long as the Series 2013 B Bonds are maintained under a book-entry system, the selection of individual ownership interests in the Series 2013 B Bonds to be credited with any partial redemption shall be made as described herein under “BOOK-ENTRY ONLY SYSTEM.”

(C) Mandatory Redemption

The Series 2013 B Bonds maturing October 1, 2018, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 2014, and on each October 1 thereafter to and including October 1, 2018, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2014	\$50,000
2015	55,000
2016	55,000
2017	60,000
2018 (Maturity)	60,000

The principal amount of Series 2013 B Bonds maturing October 1, 2018, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

The Series 2013 B Bonds maturing October 1, 2023, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 2019, and on each October 1 thereafter to and including October 1, 2023, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>

2023 (Maturity)	70,000

The principal amount of Series 2013 B Bonds maturing October 1, 2023, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

The Series 2013 B Bonds maturing October 1, 2028, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price

equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 2024, and on each October 1 thereafter to and including October 1, 2028, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2024	\$75,000
2025	75,000
2026	80,000
2027	85,000
2028 (Maturity)	85,000

The principal amount of Series 2013 B Bonds maturing October 1, 2028, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

The Series 2013 B Bonds maturing October 1, 2032, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 2029, and on each October 1 thereafter to and including October 1, 2032, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2029	\$90,000

The principal amount of Series 2013 B Bonds maturing October 1, 2032, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

The Series 2013 B Bonds maturing October 1, 2036, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 2033, and on each October 1 thereafter to and including October 1, 2036, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2033	\$110,000
2034	115,000
2035	120,000
2036 (Maturity)	125,000

The principal amount of Series 2013 B Bonds maturing October 1, 2036, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

The Series 2013 B Bonds maturing October 1, 2043, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on

October 1, 2037, and on each October 1 thereafter to and including October 1, 2043, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2037	\$135,000
2038	140,000
2039	150,000
2040	155,000
2041	165,000
2042	175,000
2043 (Maturity)	180,000

The principal amount of Series 2013 B Bonds maturing October 1, 2043, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

In the event of any redemption of less than all outstanding Series 2013 B Bonds, the maturities to be redeemed shall be selected by the Paying Agent at the direction of the Issuer and Series 2013 B Bonds to be redeemed shall be determined by lot within a maturity, or in such other manner deemed appropriate by the Paying Agent. If less than all the Series 2013 B Bonds are to be redeemed, the Series 2013 B Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Series 2013 B Bond, unless waived, shall be given by the Registrar on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Series 2013 B Bond or Series 2013 B Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar. Notice of redemption having been given as aforesaid, the Series 2013 B Bonds or portions of Series 2013 B Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Series 2013 B Bonds or portions of Series 2013 B Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Series 2013 B Bond.

The Series 2013 B Bonds and the interest thereon are payable only from and are secured by the Gross Revenues (as defined in the Ordinance) to be derived from the operation of the System, on a parity in all respects with the pledge of the Gross Revenues created in favor of the holders of the Prior Bonds, all monies in the Series 2013 B Bonds Sinking Fund, and the Series 2013 B Bonds Reserve Account therein, established under the Ordinance, and the unexpended proceeds of the Series 2013 B Bonds, and the Issuer hereby and in the Ordinance pledges such revenues and monies to such payment. Said Gross Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose and to make the other payments required by the Ordinance. This Series 2013 B Bond does not constitute an indebtedness of the Issuer within any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Gross Revenues, the monies in the Series 2013 B Bonds Sinking Fund and the Series 2013 B Bonds Reserve Account and said unexpended Series 2013 B Bond proceeds. Pursuant to the Ordinance, the

Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest, if any, on the Series 2013 B Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2013 B Bonds, including the Prior Bonds. The Issuer has entered into certain further covenants with the registered owners of the Series 2013 B Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the registered owners of the Series 2013 B Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All monies received from the sale of the Bonds except for accrued interest thereon shall be applied solely to pay all costs of the Project, funding a reserve account for the Series 2013 B Bonds and pay costs of issuance of the Bonds, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owners of said Series 2013 B Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Series 2013 B Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Series 2013 B Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Series 2013 B Bonds of which this Series 2013 B Bond is one.

This Series 2013 B Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the within-described Ordinance.

This Series 2013 B Bond and the income therefrom are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof.

This Series 2013 B Bond is hereby designated a "qualified tax-exempt obligation" within the meaning of Section 265(b) of the Internal Revenue Code of 1986, as amended.

This Series 2013 B Bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Ordinance and the statutes under which this Series 2013 B Bond is issued shall be deemed to be a part of the contract evidenced by this Series 2013 B Bond to the same extent as if written fully herein.

PRINCIPAL AMOUNT: FOUR HUNDRED SEVENTY THOUSAND DOLLARS

KNOW ALL MEN BY THESE PRESENTS: That the CITY OF CHARLES TOWN (West Virginia), a municipal corporation organized and existing under the laws of the State of West Virginia (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the Registered Owner specified above, or registered assigns (the "Registered Owner"), on the Maturity Date specified above, the Principal Amount specified above and solely from such special funds also to pay interest on said Principal Amount from the Interest Payment Date (as hereinafter defined) preceding the date of authentication hereof or, if authenticated after the Record Date (as hereinafter defined) but prior to the applicable Interest Payment Date or on said Interest Payment Date, from said Interest Payment Date or, if no interest has been paid, from the Bond Date specified above, or, if and to the extent that the Issuer shall default in the payment of interest on any Interest Payment Date, then this Bond shall bear interest from the most recent Interest Payment Date to which interest has been paid or duly provided for, and in which case any Bond surrendered for transfer or exchange shall be dated as of the Interest Payment Date to which interest has been paid in full, at the Interest Rate per annum specified above, semiannually, on April 1 and October 1, in each year, beginning April 1, 2014 (each an "Interest Payment Date"), until maturity or until the date fixed for redemption if this Bond is called for prior redemption and payment on such date is provided for. Capitalized terms used and not defined herein shall have the meanings ascribed thereto in the hereinafter-described Ordinance.

Interest accruing on this Bond on and prior to the Maturity Date hereof shall be payable by check or draft mailed by the West Virginia Municipal Bond Commission, Charleston, West Virginia, as paying agent (in such capacity, the "Paying Agent"), to the Registered Owner hereof as of the applicable Record Date (each March 15 and September 15) or, in the event of a default in the payment of Bonds, that special record date to be fixed by the hereinafter named Registrar by notice given to the Registered Owners not less than 10 days prior to said special record date at the address of such Registered Owner as it appears on

the registration books of the Issuer maintained by United Bank, Inc., Charleston, West Virginia, as registrar (in such capacity, the "Registrar"), or, at the option of any Registered Owner of at least \$1,000,000 in aggregate principal amount of Bonds, by wire transfer in immediately available funds to a domestic bank account specified in writing by the Registered Owner to the Paying Agent at least 5 days prior to such Record Date. Principal and premium, if any, shall be paid when due upon presentation and surrender of this Bond for payment at the office of the Paying Agent, in Charleston, West Virginia.

This Bond is one of an issue of a series of bonds, in the aggregate principal amount of \$2,970,000 designated the "City of Charles Town Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax Exempt)" (the "Series 2013 B Bonds"), of like tenor and effect, except as to number, denomination, date of maturity and interest rate, dated October 1, 2013, upon original issuance, the proceeds of which are to be used, together with other funds of the Issuer, (i) to finance the costs of acquisition and construction of certain additions, betterments and improvements to the combined waterworks and sewerage system of the Issuer, (ii) to fund a reserve account for the Series 2013 B Bonds, and (iii) to pay certain costs of issuance of the Series 2013 B Bonds and related costs. The Series 2013 B Bonds are issued under the authority of and in full compliance with the Constitution and statute of the State of West Virginia, including particularly, Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "Act"), and an ordinance duly enacted by the City Council of the Issuer on April 1, 2013, and supplemented by a Supplemental Resolution and Conformed Ordinance adopted by said Council on September 3, 2013 (hereinafter collectively referred to as the "Ordinance"), and is subject to all the terms and conditions of said Ordinance. The Ordinance provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Series 2013 B Bonds under the Ordinance. Reference is hereby made to the Ordinance, as the same may be amended and supplemented from time to time, for a description of the rights, limitations of rights, obligations, duties and immunities of the Issuer, the Registrar, the Paying Agent, the Registered Owners of the Series 2013 B Bonds and the Registered Owners of any subsequently issued additional bonds. Executed counterparts or certified copies of the Ordinance are on file at the office of the City Clerk in the City of Charles Town, West Virginia.

The Series 2013 B Bonds are subject to redemption prior to their stated maturity dates, as provided in the Ordinance and as set forth in the following lettered paragraphs:

(A) Extraordinary Redemption

The Series 2013 B Bonds shall also be subject to redemption if there should occur any damage to or destruction of the System or any condemnation of title to or the use of the System, the applicable Series 2013 B Bonds shall be subject to redemption at any time at the redemption price of 100% of the principal amount thereof plus accrued interest to the Redemption Date from any condemnation awards or insurance proceeds which are not used to repair, rebuild or rearrange the System.

(B) Optional Redemption

The Series 2013 B Bonds maturing on or after October 1, 2020 are subject to redemption at the option of the Issuer, prior to maturity, on or after October 1, 2019, in whole at any time and in part on any Interest Payment Date, in inverse order of maturity and by random selection within maturities if less than all of any maturity, at a redemption price (expressed as a percentage of the principal amount) of 100%, plus interest accrued to the date fixed for redemption.

So long as the Series 2013 B Bonds are maintained under a book-entry system, the selection of individual ownership interests in the Series 2013 B Bonds to be credited with any partial redemption shall be made as described herein under “BOOK-ENTRY ONLY SYSTEM.”

(C) Mandatory Redemption

The Series 2013 B Bonds maturing October 1, 2018, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 2014, and on each October 1 thereafter to and including October 1, 2018, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2014	\$50,000
2015	55,000
2016	55,000
2017	60,000
2018 (Maturity)	60,000

The principal amount of Series 2013 B Bonds maturing October 1, 2018, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

The Series 2013 B Bonds maturing October 1, 2023, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 2019, and on each October 1 thereafter to and including October 1, 2023, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2019	\$60,000
2020	65,000
2021	65,000
2022	70,000
2023 (Maturity)	70,000

The principal amount of Series 2013 B Bonds maturing October 1, 2023, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

The Series 2013 B Bonds maturing October 1, 2028, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price

equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 2024, and on each October 1 thereafter to and including October 1, 2028, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2024	\$75,000
2025	75,000
2026	80,000
2027	85,000
2028 (Maturity)	85,000

The principal amount of Series 2013 B Bonds maturing October 1, 2028, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

The Series 2013 B Bonds maturing October 1, 2032, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 2029, and on each October 1 thereafter to and including October 1, 2032, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2029	\$90,000

2031	100,000
2032 (Maturity)	105,000

The principal amount of Series 2013 B Bonds maturing October 1, 2032, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

The Series 2013 B Bonds maturing October 1, 2036, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 2033, and on each October 1 thereafter to and including October 1, 2036, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2033	\$110,000
2034	115,000
2035	120,000
2036 (Maturity)	125,000

The principal amount of Series 2013 B Bonds maturing October 1, 2036, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

The Series 2013 B Bonds maturing October 1, 2043, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on

October 1, 2037, and on each October 1 thereafter to and including October 1, 2043, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2037	\$135,000
2038	140,000
2039	150,000
2040	155,000
2041	165,000
2042	175,000
2043 (Maturity)	180,000

The principal amount of Series 2013 B Bonds maturing October 1, 2043, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

In the event of any redemption of less than all outstanding Series 2013 B Bonds, the maturities to be redeemed shall be selected by the Paying Agent at the direction of the Issuer and Series 2013 B Bonds to be redeemed shall be determined by lot within a maturity, or in such other manner deemed appropriate by the Paying Agent. If less than all the Series 2013 B Bonds are to be redeemed, the Series 2013 B Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Series 2013 B Bond, unless waived, shall be given by the Registrar on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Series 2013 B Bond or Series 2013 B Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar. Notice of redemption having been given as aforesaid, the Series 2013 B Bonds or portions of Series 2013 B Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Series 2013 B Bonds or portions of Series 2013 B Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Series 2013 B Bond.

The Series 2013 B Bonds and the interest thereon are payable only from and are secured by the Gross Revenues (as defined in the Ordinance) to be derived from the operation of the System, on a parity in all respects with the pledge of the Gross Revenues created in favor of the holders of the Prior Bonds, all monies in the Series 2013 B Bonds Sinking Fund, and the Series 2013 B Bonds Reserve Account therein, established under the Ordinance, and the unexpended proceeds of the Series 2013 B Bonds, and the Issuer hereby and in the Ordinance pledges such revenues and monies to such payment. Said Gross Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose and to make the other payments required by the Ordinance. This Series 2013 B Bond does not constitute an indebtedness of the Issuer within any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Gross Revenues, the monies in the Series 2013 B Bonds Sinking Fund and the Series 2013 B Bonds Reserve Account and said unexpended Series 2013 B Bond proceeds. Pursuant to the Ordinance, the

Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest, if any, on the Series 2013 B Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2013 B Bonds, including the Prior Bonds. The Issuer has entered into certain further covenants with the registered owners of the Series 2013 B Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the registered owners of the Series 2013 B Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All monies received from the sale of the Bonds except for accrued interest thereon shall be applied solely to pay all costs of the Project, funding a reserve account for the Series 2013 B Bonds and pay costs of issuance of the Bonds, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owners of said Series 2013 B Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Series 2013 B Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Series 2013 B Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Series 2013 B Bonds of which this Series 2013 B Bond is one.

This Series 2013 B Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the within-described Ordinance.

This Series 2013 B Bond and the income therefrom are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof.

This Series 2013 B Bond is hereby designated a "qualified tax-exempt obligation" within the meaning of Section 265(b) of the Internal Revenue Code of 1986, as amended.

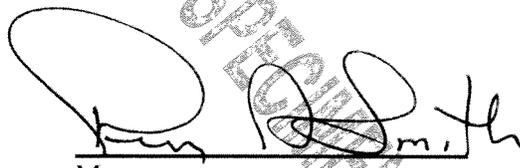

This Series 2013 B Bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Ordinance and the statutes under which this Series 2013 B Bond is issued shall be deemed to be a part of the contract evidenced by this Series 2013 B Bond to the same extent as if written fully herein.

INTEREST RATE: 5.300% MATURITY DATE: 10/01/2043 BOND DATE: 10/01/2013 CUSIP: 160028 CU8

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT: ONE MILLION ONE HUNDRED THOUSAND DOLLARS

KNOW ALL MEN BY THESE PRESENTS: That the CITY OF CHARLES TOWN (West Virginia), a municipal corporation organized and existing under the laws of the State of West Virginia (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the Registered Owner specified above, or registered assigns (the "Registered Owner"), on the Maturity Date specified above, the Principal Amount specified above and solely from such special funds also to pay interest on said Principal Amount from the Interest Payment Date (as hereinafter defined) preceding the date of authentication hereof or, if authenticated after the Record Date (as hereinafter defined) but prior to the applicable Interest Payment Date or on said Interest Payment Date, from said Interest Payment Date or, if no interest has been paid, from the Bond Date specified above, or, if and to the extent that the Issuer shall default in the payment of interest on any Interest Payment Date, then this Bond shall bear interest from the most recent Interest Payment Date to which interest has been paid or duly provided for, and in which case any Bond surrendered for transfer or exchange shall be dated as of the Interest Payment Date to which interest has been paid in full, at the Interest Rate per annum specified above, semiannually, on April 1 and October 1, in each year, beginning April 1, 2014 (each an "Interest Payment Date"), until maturity or until the date fixed for redemption if this Bond is called for prior redemption and payment on such date is provided for. Capitalized terms used and not defined herein shall have the meanings ascribed thereto in the hereinafter-described Ordinance.

Interest accruing on this Bond on and prior to the Maturity Date hereof shall be payable by check or draft mailed by the West Virginia Municipal Bond Commission, Charleston, West Virginia, as paying agent (in such capacity, the "Paying Agent"), to the Registered Owner hereof as of the applicable Record Date (each March 15 and September 15) or, in the event of a default in the payment of Bonds, that special record date to be fixed by the hereinafter named Registrar by notice given to the Registered Owners not less than 10 days prior to said special record date at the address of such Registered Owner as it appears on

the registration books of the Issuer maintained by United Bank, Inc., Charleston, West Virginia, as registrar (in such capacity, the "Registrar"), or, at the option of any Registered Owner of at least \$1,000,000 in aggregate principal amount of Bonds, by wire transfer in immediately available funds to a domestic bank account specified in writing by the Registered Owner to the Paying Agent at least 5 days prior to such Record Date. Principal and premium, if any, shall be paid when due upon presentation and surrender of this Bond for payment at the office of the Paying Agent, in Charleston, West Virginia.

This Bond is one of an issue of a series of bonds, in the aggregate principal amount of \$2,970,000 designated the "City of Charles Town Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax Exempt)" (the "Series 2013 B Bonds"), of like tenor and effect, except as to number, denomination, date of maturity and interest rate, dated October 1, 2013, upon original issuance, the proceeds of which are to be used, together with other funds of the Issuer, (i) to finance the costs of acquisition and construction of certain additions, betterments and improvements to the combined waterworks and sewerage system of the Issuer, (ii) to fund a reserve account for the Series 2013 B Bonds, and (iii) to pay certain costs of issuance of the Series 2013 B Bonds and related costs. The Series 2013 B Bonds are issued under the authority of and in full compliance with the Constitution and statute of the State of West Virginia, including particularly, Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "Act"), and an ordinance duly enacted by the City Council of the Issuer on April 1, 2013, and supplemented by a Supplemental Resolution and Conformed Ordinance adopted by said Council on September 3, 2013 (hereinafter collectively referred to as the "Ordinance"), and is subject to all the terms and conditions of said Ordinance. The Ordinance provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Series 2013 B Bonds under the Ordinance. Reference is hereby made to the Ordinance, as the same may be amended and supplemented from time to time, for a description of the rights, limitations of rights, obligations, duties and immunities of the Issuer, the Registrar, the Paying Agent, the Registered Owners of the Series 2013 B Bonds and the Registered Owners of any subsequently issued additional bonds. Executed counterparts or certified copies of the Ordinance are on file at the office of the City Clerk in the City of Charles Town, West Virginia.

The Series 2013 B Bonds are subject to redemption prior to their stated maturity dates, as provided in the Ordinance and as set forth in the following lettered paragraphs:

(A) Extraordinary Redemption

The Series 2013 B Bonds shall also be subject to redemption if there should occur any damage to or destruction of the System or any condemnation of title to or the use of the System, the applicable Series 2013 B Bonds shall be subject to redemption at any time at the redemption price of 100% of the principal amount thereof plus accrued interest to the Redemption Date from any condemnation awards or insurance proceeds which are not used to repair, rebuild or rearrange the System.

(B) Optional Redemption

The Series 2013 B Bonds maturing on or after October 1, 2020 are subject to redemption at the option of the Issuer, prior to maturity, on or after October 1, 2019, in whole at any time and in part on any Interest Payment Date, in inverse order of maturity and by random selection within maturities if less than all of any maturity, at a redemption price (expressed as a percentage of the principal amount) of 100%, plus interest accrued to the date fixed for redemption.

So long as the Series 2013 B Bonds are maintained under a book-entry system, the selection of individual ownership interests in the Series 2013 B Bonds to be credited with any partial redemption shall be made as described herein under "BOOK-ENTRY ONLY SYSTEM."

(C) Mandatory Redemption

The Series 2013 B Bonds maturing October 1, 2018, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 2014, and on each October 1 thereafter to and including October 1, 2018, in annual principal amounts as follows:

The principal amount of Series 2013 B Bonds maturing October 1, 2032, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

The Series 2013 B Bonds maturing October 1, 2036, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 2033, and on each October 1 thereafter to and including October 1, 2036, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2033	\$110,000
2034	115,000
2035	120,000
2036 (Maturity)	125,000

The principal amount of Series 2013 B Bonds maturing October 1, 2036, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

The Series 2013 B Bonds maturing October 1, 2043, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on

October 1, 2037, and on each October 1 thereafter to and including October 1, 2043, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2037	\$135,000
2038	140,000
2039	150,000
2040	155,000
2041	165,000
2042	175,000
2043 (Maturity)	180,000

The principal amount of Series 2013 B Bonds maturing October 1, 2043, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

In the event of any redemption of less than all outstanding Series 2013 B Bonds, the maturities to be redeemed shall be selected by the Paying Agent at the direction of the Issuer and Series 2013 B Bonds to be redeemed shall be determined by lot within a maturity, or in such other manner deemed appropriate by the Paying Agent. If less than all the Series 2013 B Bonds are to be redeemed, the Series 2013 B Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Series 2013 B Bond, unless waived, shall be given by the Registrar on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Series 2013 B Bond or Series 2013 B Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar. Notice of redemption having been given as aforesaid, the Series 2013 B Bonds or portions of Series 2013 B Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Series 2013 B Bonds or portions of Series 2013 B Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Series 2013 B Bond.

The Series 2013 B Bonds and the interest thereon are payable only from and are secured by the Gross Revenues (as defined in the Ordinance) to be derived from the operation of the System, on a parity in all respects with the pledge of the Gross Revenues created in favor of the holders of the Prior Bonds, all monies in the Series 2013 B Bonds Sinking Fund, and the Series 2013 B Bonds Reserve Account therein, established under the Ordinance, and the unexpended proceeds of the Series 2013 B Bonds, and the Issuer hereby and in the Ordinance pledges such revenues and monies to such payment. Said Gross Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose and to make the other payments required by the Ordinance. This Series 2013 B Bond does not constitute an indebtedness of the Issuer within any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Gross Revenues, the monies in the Series 2013 B Bonds Sinking Fund and the Series 2013 B Bonds Reserve Account and said unexpended Series 2013 B Bond proceeds. Pursuant to the Ordinance, the

Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest, if any, on the Series 2013 B Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2013 B Bonds, including the Prior Bonds. The Issuer has entered into certain further covenants with the registered owners of the Series 2013 B Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the registered owners of the Series 2013 B Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All monies received from the sale of the Bonds except for accrued interest thereon shall be applied solely to pay all costs of the Project, funding a reserve account for the Series 2013 B Bonds and pay costs of issuance of the Bonds, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owners of said Series 2013 B Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Series 2013 B Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Series 2013 B Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Series 2013 B Bonds of which this Series 2013 B Bond is one.

This Series 2013 B Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the within-described Ordinance.

This Series 2013 B Bond and the income therefrom are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof.

This Series 2013 B Bond is hereby designated a "qualified tax-exempt obligation" within the meaning of Section 265(b) of the Internal Revenue Code of 1986, as amended.

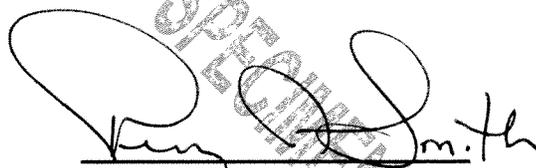

This Series 2013 B Bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Ordinance and the statutes under which this Series 2013 B Bond is issued shall be deemed to be a part of the contract evidenced by this Series 2013 B Bond to the same extent as if written fully herein.

CASE NO. 12-0217-S-PC

CITY OF CHARLES TOWN and
WILLOW SPRING PUBLIC SERVICE CORPORATION
Joint petition for approval of the sale of the Willow Spring utility assets to Charles Town.

and

CASE NO. 11-0935-S-PC

WILLOW SPRING PUBLIC SERVICE CORPORATION
Petition for determination of equivalent dwelling units available for use in cooperative venture agreements; use of revised equivalent dwelling units factor; elimination of obligation to reserve capacity for non-developers; approval of a cooperative venture agreement with NVR, Inc.; and approval of proposed new standard form cooperative venture agreement.

COMMISSION ORDER

The Commission grants conditional approval of the petition pending in Case No. 12-0217-S-PC and dismisses as moot the remaining issues in Case No. 11-0935-S-PC.

Background

Case No. 12-0217-S-PC

On February 8, 2012, Willow Spring Public Service Corporation (Willow Spring) and the City of Charles Town (Charles Town) filed a joint petition for Commission approval of an Asset Purchase Agreement by which Charles Town would purchase the sewer system assets of Willow Spring for a price of \$1,440,000. The petition also requested that the Commission approve amendments to the terms and conditions of Willow Spring Cooperative Venture Agreements (COVAs) so that Charles Town may use Willow Spring COVA funds. Charles Town planned to use the COVA funds to pay the costs of design and construction of facilities to connect the Willow Spring system to the Charles Town sewer system. The petition stated that the service territories of the two sewer utilities are adjacent and that Charles Town provides water utility service to the

Willow Spring customers. The petition stated that the acquisition would increase the Charles Town sewage treatment capacity, provide Charles Town with more flexibility in meeting wastewater treatment needs in the area, and benefit customers through increased economies of scale. The petition further proposed that the current rates and tariffs of Willow Spring and Charles Town customers remain in place.

The petition asserted that the acquisition would be consistent with the Commission preference that Charles Town serve as the regional wastewater treatment provider, as expressed in the Commission decision not to certificate a new wastewater treatment plant for Jefferson County Public Service District. Further, the purchase would, in the long run, provide the best service to customers of both utilities at the most reasonable rates.

On March 15, 2012, Commission Staff filed a memorandum recommending that the Commission dismiss the petition because of noncompliance with Commission Rules. Willow Spring and Charles Town responded to the Staff recommendation by filing on March 26, 2012.

On April 19, 2012, Staff filed a further memorandum stating additional deficiencies with the Willow Spring and Charles Town petition. Staff continued to recommend dismissal. Willow Spring responded to the further memorandum on April 30, 2012.

By Order issued April 30, 2012, the Commission stated that the petitioners must provide all of the information listed in Rule 10.6 of the Commission Rules of Practice and Procedure, 150 C.S.R. 1, in substantially the form of Form No. 7 attached to those rules. The Commission agreed with Staff that the information filed with the Willow Spring and Charles Town petition was incomplete. Rather than dismissing this case, the Commission required the petitioners to comply with the rules by supplementing the petition. The Order also established a procedural schedule to allow Staff and any intervenors sufficient time to review the completed petition. Finally, the Commission required the petitioners to publish notice.

On May 9, 2012, the petitioners filed an Amendment to the Joint Petition.

On July 13, 2012, the petitioners filed proof of publication of notice.

On July 18, 2012, Charles Town filed the direct testimonies of Peggy Smith, Jane Arnett, John Cole and David Decker. On the same date, Willow Spring filed the direct testimonies of Peter Chakmakian and John Kunkle.

On August 1, 2012, Staff filed the direct testimonies of Jonathan Fowler, P.E. and Dixie L. Kellmeyer.

On August 15, 2012, Charles Town filed the rebuttal testimonies of Jane Arnett and David Decker, and Willow Spring filed the rebuttal testimony of John Kunkle.

The Commission held a hearing as scheduled on September 14, 2012, with Willow Spring, Charles Town and Staff participating. Charles Town presented the testimony of four witnesses, Willow Spring presented the testimony of two witnesses and Staff presented the testimony of two witnesses.

On October 18, 2012, the parties filed their initial briefs. Staff argued that there is a single issue for Commission decision – the proper price, if any, that Charles Town should pay Willow Spring to acquire the Willow Spring wastewater treatment plant and collection lines. The Staff position is that the proposed \$1,440,000 purchase price is not in the public interest and does not meet the requirements of W. Va. Code § 24-2-12. Staff's reasoning is based on its calculation of a negative book value of the Willow Spring utility plant which was completely paid for by developer COVA fees. Staff stated its belief that the purchase price would unjustly enrich the owner of Willow Spring, and that the transaction as proposed ignores the interests of the 318 Willow Spring customers who will have to pay again for the same treatment plant that was already paid for by developers.

The Willow Spring brief argued that the sale will benefit both Charles Town and the Willow Spring customers who will enjoy greater rate stability and a stronger service provider. The brief stated that if Willow Spring remains in operation, ratepayers will ultimately pay higher rates than they would as Charles Town customers because the Willow Spring plant will need an upgrade and Charles Town has access to less expensive funding. The acquisition will also create efficiencies and economies of scale. Willow Spring argued that the next Charles Town rate increase will be delayed by the inflow of the Willow Spring COVA monies. It is also likely that Willow Spring customers will not have a rate increase for a long time.

Willow Spring cited Commission precedent for approving a utility purchase price that includes a premium or amount greater than the owner's equity in utility plant. Willow Spring also stated that there is nothing in W. Va. Code § 24-2-12 to prohibit the payment of a premium. Willow Spring stated that one Commission duty is to ensure the well-planned development of utility resources and approval of this transaction will fulfill that duty. The Willow Spring position is that the totality of the circumstances presented in this case indicates that the public interest will be advanced by the acquisition.

In its reply brief, Willow Spring cited the testimony of its accountant, John Kunkle, refuting Staff witness Kellmeyer's "negative book value" assessment. Mr. Kunkle testified that the book value of the utility is actually \$693,443. Under the Staff argument, a transfer of Willow Spring could only occur for a purchase price of free, which is completely absurd. Willow Spring also argues that the acquisition will result in rate stability because Charles Town will delay any rate increase which might otherwise be required, and reduce the magnitude of that rate increase when it does occur.

The Charles Town brief stated the fact that twelve years ago the greater Charles Town area was served by six separate sewer utilities and that Jefferson County suffered from those overlapping service areas. The utilities included Charles Town, Ranson,

Jefferson County Public Service District, Tuscowilla Utilities, Inc. (TWI), Dr. Gerald Miller, and Willow Spring. Charles Town has acquired the TWI and Dr. Miller systems and, with Commission approval, paid more than book value for both of those systems. If Charles Town acquired Willow Spring, there will remain only three major sewer utilities in the area, with all sewerage of the three being treated by Charles Town. In the long run, Charles Town argued that customers of both Willow Spring and Charles Town will benefit. Willow Spring will soon have to choose how to serve growth in its service area, whether by expansion or with an agreement with Charles Town. In either case, its rates will increase. Charles Town argued that the transaction is in the public interest because there will be no rate impact and will result in a reasonable approach to the provision of sewer service.

The Staff brief continued to object to the purchase price as unreasonable and not in the public interest for the Willow Spring ratepayers under W. Va. Code §24-2-12.

Case No. 11-0935-S-PC

On June 27, 2011, Willow Spring filed a petition requesting that the Commission 1) determine that it has 183.46 equivalent dwelling units (EDUs) available for reservation through COVAs with developers; 2) approve the use of a revised EDU factor; 3) eliminate the requirement that Willow Spring reserve twenty percent of treatment capacity for new customers outside of developments; 4) grant Willow Spring authority to enter into a COVA with NVR, Inc. to reserve EDUs beyond the Commission's previously established EDU limit; and 5) approve a standard COVA for future use.

Following notice and hearing, the Commission issued an Order September 12, 2012, stating that it continued to consider the evidence and the precedent regarding COVAs and was not yet ready to make a final decision on all of the issues presented. However, in light of the pending acquisition case involving the City of Charles Town and Willow Spring, Case No. 12-0217-S-PC, the Commission issued an interim Order. The interim Order declined to make Willow Spring pay COVA refunds to developers as recommended by Staff. In addition, the Commission revised the former twenty percent reservation of capacity for property owners outside developments to a new reservation requirement of ten percent. With the new ninety percent allowance for capacity available for reservation through COVAs, the Commission concluded that Willow Spring had sufficient capacity (twenty-nine EDUs) to enter into a COVA with NVR, Inc. for reservation of thirteen EDUs and authorized Willow Spring to enter into that COVA. The Order continued the requirement that Willow Spring retain all COVA proceeds in a separate account and seek the prior consent and approval of the Commission to use any of the COVA funds, including earnings on the funds. The Commission deferred to a future Order a decision on the issues regarding amendment of the gallon per day (gpd) to EDU conversion factor, the appropriate amount of the COVA fee, and use of a standard COVA agreement.

DISCUSSION

The Willow Spring and Charles Town policy argument in support of merging the two utilities is that the consolidation will further the orderly development of sewer utility service in the region. Charles Town witness Cole, Exh. JC-D at 5-6, JC-1 at 2-4; Charles Town witness Smith, Exh. PS-D at 2-4. The petitioners also made an argument that efficiencies would result from a single utility providing sewer service in the combined Charles Town/Willow Spring areas. Charles Town witness Smith Direct, Exh. PS-D at 4; Willow Spring witness Kunkle Rebuttal, Exh. JK-R at 2. The Commission's Staff certified that the merger of the two utilities makes sense from an engineering and efficiency perspective. Staff witness Fowler Direct, Exh. JF-D at 2-5; Hr. Tr. at 83.

The above arguments do not, however, address a justification for the proposed purchase price that is significantly in excess of the net book value of the utility assets to be acquired. Commission Staff made an argument that even if there is not an immediate rate increase from the proposed transaction, with the proposed purchase price in excess of book value, there will eventually be a rate impact on customers because of the debt. Kellmeyer, Hr. Tr. at 90. Staff argued that maintaining a higher rate for the Willow Spring customers will result in those customers subsidizing other Charles Town customers by a significant amount when considered across the smaller Willow Spring customer base. The former Willow Spring customers will moreover, effectively be paying the debt service incurred to acquire the Willow Spring system at the same time that Charles Town pays a premium price for that system. Kellmeyer, Hr. Tr. at 94-95, 102-103. While Ms. Arnett stated that Charles Town intends to equalize customer rates, she did not state a timetable for doing so. Exh. JA-D at 14.

Willow Spring, in its brief, stated that "[t]he Commission has approved the sale of utility assets exceeding book value on numerous occasions." Willow Spring cited four cases for this proposition. While the Commission did approve a purchase price that was in excess of book value in each case, Willow Spring did not acknowledge the Commission's statements in those cases regarding the rate impact of the excess purchase price. We believe that it is important to note what the Commission said in the cited cases including a statement that the Commission does not typically allow rate recovery of a premium, Mountaineer Village, Case No. 07-2072-S-PC, Comm'n Order March 17, 2008 at 2, and directives that amounts paid in excess of the net book value of assets be booked as an acquisition adjustment or goodwill and not be directly or indirectly allowed for ratemaking purposes, Apple Valley Waste Service, Case No. 10-1630-MC-TC, Comm'n Order December 29, 2010 at 3 and COL No. 4; Suburban Sanitation Co., Case Nos. 10-1757-MC-TC, 10-1758-MC-TC, and 10-1759-SWF-P, and Allied Waste Services of North America, Case No. 11-0239-SWF-C, Recommended Decision final July 31, 2011 at COL No. 6 and fifth ordering paragraph; C&J Utilities, Inc. and John M. Vetter and John Vetter, Jr., Case No. 10-0482-S-PC, Recommended Decision final October 19, 2010 at 3, COL No. 4 and third ordering paragraph.

Willow Spring also cited a precedent that is helpful in this proceeding. Jefferson County Public Service District, Case No. 97-0102-PSWD-PC. In that case, the utility to be acquired had been poorly run and in receivership for ten years, and the acquiring utility had operated the system during that time. The record showed there would be clear operational benefits from the acquisition. In addition, the record showed that there were unspecified current and future values of easements and rights-of-way. The easements and rights-of-way to be transferred were not reflected on the utility books when those assets were originally acquired. The agreement for the sale moreover, included future easements and rights-of-way required for future construction. Under those circumstances, the Commission determined that a purchase price that was approximately \$50,000 in excess of the book value of the utility assets was reasonable. Jefferson County, Case No. 97-0102-PSWD-PC, Comm'n Order September 3, 1998.

Similar to the evidence in the Jefferson County Case, there was evidence presented in this case that efficiencies will be gained by consolidation and that the elimination of one small utility through merger with a larger utility serving a wider territory will serve the public interest. There is also testimony that future service to WVU Hospital, if it is provided by Charles Town, can be accomplished more economically if Charles Town owns Willow Spring. Charles Town witness Arnett, Hr. Tr. at 21-22; Willow Spring witness Chakmakian, *Id.* at 64. There is also testimony that Charles Town will operate the former Willow Spring assets at a much lower cost. Arnett Direct, Exh. JA-D; attached Exh. JA-6; Cole direct, Exh. JC-D attached Exh. JC-1 at 3; Charles Town witness Decker, Exh. DD-D at 3, Exh. DD-1 at 46-47; Kellmeyer, Hr. Tr. at 105-106. Taking into consideration the operating efficiencies to be gained, the benefits of consolidated systems, and the lower facilities costs for Charles Town to serve WVU Hospital, under these specific circumstances and with the conditions imposed on the transaction by this Order, the \$1,440,000 purchase price, which all parties agree includes a premium over book value, is reasonable as a negotiated price between Charles Town and Willow Spring, who are willing and unaffiliated buyer and seller.

The Commission is concerned, however, with the plan to continue to charge the existing Willow Spring rates to the former Willow Spring customers. The tariffs on file at the Commission confirm that the current Charles Town rates are substantially lower than the current Willow Spring rates. The evidence presented in this case is that Charles Town anticipates that after the acquisition, operating expenses to provide service to the former Willow Spring customers will be reduced by \$90,222 per year. These savings will be offset by an increase in debt service of \$30,792 per year. Even with the additional debt service, there is a net saving of \$59,430. Arnett Direct, Exh. JA-D; Exh. JA-6; Cole direct, Exh. JC-1 at 3; Decker, Exh. DD-D at 3, Exh. DD-1 at 46-47; Kellmeyer, Hr. Tr. at 105-106. The evidence indicates that absent a decrease to the Willow Spring customers, Charles Town cash surplus will increase by nearly \$100,000 per year after the purchase. Decker Direct, Exh. DD-D at 46, Decker Rebuttal, Exh. DD-R at 3; Kunkle Rebuttal, Exh. JK-R at 2. In light of the anticipated savings in operating costs, and the fact that the Willow Spring rates are substantially higher than the Charles Town rates, it is troubling that the acquisition does not include a pass-through of any portion of the savings to the Willow Spring customers through a rate decrease.

In approving the acquisition, the Commission concludes that it is reasonable to condition approval on a spreading of the cost of Charles Town operations following the acquisition, including the purchase price for Willow Spring, over all of the Charles Town customers. The Commission will not require an immediate rate equalization but the Commission will require that Charles Town accomplish rate equalization between its existing core (non-Huntfield) customers and Willow Spring, within three years. Charles Town can accomplish this rate equalization in future rate modifications if it finds it necessary to adjust rates to its core group of customers. Charles Town is permitted to make the rate equalization in three steps. The first rate equalization adjustment is to be adopted by final ordinance no later than six months of the date of this Order and will eliminate one-third of the rate difference. The second rate equalization adjustment must be adopted by final ordinance no later than twelve months following the first adjustment and must move the Willow Spring rates at least one-half of the remaining difference between the core Charles Town and the Willow Spring rates. The final rate equalization adjustment must be adopted by final ordinance no later than thirty-six months from the date of this Order and will eliminate the remaining difference between the core Charles Town rates and the former Willow Spring rates. Charles Town must file an acknowledgment that it understands and agrees to accomplish the rate equalization in the three steps as ordered herein, or sooner, before it is authorized to close on the transaction with Willow Spring.

The Commission has reviewed the Asset Purchase Agreement executed by Willow Spring and Charles Town and filed in this proceeding, and concludes that as conditioned in this Order, the proposed transfer of assets is reasonable and in the public interest, and that neither party is given an undue advantage over the other.

As contemplated in the Asset Purchase and Sale Agreement, the Commission will require all of the Willow Spring COVA funds to be transferred to Charles Town. Furthermore, because the Willow Spring COVA conditions required by the Commission in Case No. Case No. 06-1180-S-CN-PW-PC were specific to Willow Spring, once Willow Spring is no longer the operating utility, the assessment, collection and escrowing of any new COVAs in the former Willow Spring service territory will no longer be authorized. Accordingly, the issues that remain pending in Case No. 11-0935-S-PC will be moot and this Order will dismiss that case from the docket. The requirement for Commission approval for expenditure of COVA funds will remain in effect and will apply to Charles Town.

Consistent with Rule 14.1 (Rule 31) of the Commission Rules for the Construction and Filing of Tariffs, 150 C.S.R. 2 (Tariff Rules), after the asset transfer closing date and prior to the effective date of the first step toward rate equalization referred to above, Charles Town will apply the tariff rates of the former Willow Spring utility to customers whose flows currently are or will be treated at the Willow Spring wastewater treatment plant. Charles Town must incorporate a separate schedule in its tariff for service to customers in the Willow Spring area. This schedule will initially reflect the current

Willow Spring usage rates and will be modified in the future to accomplish the rate equalization required herein.

FINDINGS OF FACT

1. The joint petition filed in Case No. 12-0217-S-PC requests Commission approval of an Asset Purchase Agreement by which Charles Town would purchase the sewer system assets of Willow Spring for a price of \$1,440,000. The petition also requests that the Commission approve amendments to the terms and conditions of Willow Spring COVAs to allow Charles Town to use the COVA funds.

2. Commission Staff opposes the proposed purchase price of \$1,440,000 on grounds that it is unreasonable and not in the public interest under W. Va. Code § 24-2-12.

3. The record indicates that Charles Town would operate the former Willow Spring assets at a much lower cost. Arnett Direct, Exh. JA-D; attached Exh. JA-6; Cole direct, Exh. JC-D attached Exh. JC-1 at 3; Decker Direct, Exh. DD-D at 3, Exh. DD-1 at 46-47; Kellmeyer, Hr. Tr. at 105-106.

4. Charles Town anticipates that after the acquisition the operating expenses to serve the former Willow Spring customers will be reduced by \$90,222 per year. These savings will be offset by an increase in debt service of \$30,792 per year, to result in a net saving of \$59,430. Id.

5. The record reflects that future sewer service by Charles Town to the new WVU Hospital can be accomplished more economically if Charles Town owns Willow Spring. Arnett, Hr. Tr. at 21-22; Chakmakian, Id. at 64.

6. The engineering testimony was that the merger of Charles Town and Willow Spring makes sense from an engineering and efficiency perspective. Fowler Direct, Exh. JF-D at 2-5; Hr. Tr. at 83.

7. The current Charles Town rates are substantially lower than the current Willow Spring rates and the petition does not propose a timetable for equalizing rates. Decker, Hr. Tr. at 49; Arnett Direct, Exh. JA-D at 12.

8. Absent a rate decrease to the Willow Spring customers, Charles Town's cash surplus will increase by nearly \$100,000 per year after the purchase. Decker Direct, Exh. DD-D at 46, Decker Rebuttal, Exh. DD-R at 3; Kunkle Rebuttal, Exh. JK-R at 2.

9. Willow Spring Case No. 11-0935-S-PC is open pending resolution of three issues.

CONCLUSIONS OF LAW

1. The proposed utility acquisition will further the orderly development of sewer utility service in the region. Cole, Exh. JC-D at 5-6, JC-1 at 2-4; Smith, Exh. PS-D at 2-4.

2. The Commission does not typically allow rate recovery of a premium utility asset purchase price. Mountaineer Village, Comm'n Order March 17, 2008, Case No. 07-2072-S-PC.

3. Commission policy is that amounts paid to acquire utility assets that are in excess of the net book value of those assets should be booked as an acquisition adjustment or goodwill and not be directly or indirectly allowed for ratemaking purposes. Apple Valley Waste Service, Case No. 10-1630-MC-TC, Comm'n Order December 29, 2010 at 3 and COL No. 4; Suburban Sanitation Co., Case Nos. 10-1757-MC-TC, 10-1758-MC-TC, and Allied Waste Services of North America, Case No. 10-1759-SWF-P and Case No. 11-0239-SWF-C, Recommended Decision final July 31, 2011 at COL No. 6 and fifth ordering paragraph, C&J Utilities, Inc. and John M. Vetter and John Vetter, Jr., Case No. 10-0482-S-PC, Recommended Decision final October 19, 2010 at 3, COL No. 4 and third ordering paragraph.

4. Commission precedent does not support the funding of an excess purchase price through customer rates applicable to only a small subset of customers residing in the service territory of the acquired utility.

5. Absent adequate and sufficient justification, the Commission will not approve a public utility acquisition price that is significantly in excess of the net book value of the utility assets to be acquired. See Jefferson County Public Service District, Case No. 97-0102-PSWD-PC.

6. Maintaining the current higher sewer utility rates for the Willow Spring customers will result in those customers subsidizing other Charles Town customers by a significant amount when considered across the smaller Willow Spring customer base.

7. A continuation of the higher Willow Spring rates following the acquisition will result in the former Willow Spring customers effectively paying the debt service incurred to acquire the Willow Spring system at the same time that Charles Town pays a premium price for that system. Kellmeyer, Hr. Tr. at 94-95, 102-103.

8. The combination of the operational efficiencies to be gained and the public interest that will be served by eliminating one small utility and merging it into a larger utility, as well as the lower facilities costs for Charles Town to serve WVU Hospital, justify the \$1,440,000 negotiated purchase price to be paid by Charles Town to Willow Spring, who are willing and unaffiliated buyer and seller.

9. Approval of the petition should be conditioned on a spreading of the cost of Charles Town operations following the acquisition, including the purchase price for Willow Spring, over all of the Charles Town customers.

10. It is reasonable to require that Charles Town accomplish rate equalization between its existing (non-Huntfield) customers and the former Willow Spring customers, within three-years. The three-year timetable should apply even if Charles Town increases its other rates.

11. Charles Town should be permitted to make the rate equalization in three steps. The first rate equalization adjustment is to be adopted by final ordinance no later than six months of the date of this Order and will eliminate one-third of the rate difference between the Charles Town core customer rates and the former Willow Spring customer rates. The second rate equalization adjustment must be adopted by final ordinance no later than twelve months following the first adjustment and must move the Willow Spring rates at least one-half of the remaining difference between the core Charles Town and Willow Springs rates. The final rate equalization adjustment must be adopted by final ordinance no later than thirty-six months from the date of this Order and will eliminate the remaining difference between the core Charles Town rates and the former Willow Spring rates.

12. It is reasonable to require that Charles Town file an acknowledgment that it understands and agrees to accomplish the equalization required by this order before it will be authorized to close on the transaction with Willow Spring.

13. As conditioned in this Order, the transfer of assets contemplated in the Asset Purchase Agreement executed by Willow Spring and Charles Town and filed in this proceeding, is reasonable and in the public interest, and neither party is given an undue advantage over the other.

14. It is reasonable that all of the Willow Spring COVA funds transfer to Charles Town on the closing of the asset transfer.

15. Once Willow Spring is no longer the operating utility, the assessment, collection and escrowing of new COVAs in the former Willow Spring service territory will no longer be authorized. Case No. 06-1180-S-CN-PW-PC.

16. The requirement for Commission approval for expenditure of COVA funds will remain in effect and will apply to Charles Town.

17. With issuance of this Order, the issues still pending in Case No. 11-0935-S-PC will be moot.

18. After the asset transfer closing date and prior to the effective date of the first step toward rate equalization, Charles Town should apply the tariff rates of the

former Willow Spring utility to customers whose flows currently are or will be treated at the Willow Spring wastewater treatment plant. Tariff Rule 14.1 Rule 31.

ORDER

IT IS THEREFORE ORDERED that the petition for approval of an Asset Purchase Agreement by which Charles Town would purchase the sewer system assets of Willow Spring for a price of \$1,440,000 is granted as conditioned in this Order, without specific approval of the terms of the agreement.

IT IS FURTHER ORDERED that Commission grant of the Case No. 12-0217-S-PC petition is conditioned on Charles Town agreeing to complete the equalization of rates between its existing core customers and the customers whose flows are or will be treated at the Willow Spring wastewater treatment plant, in three steps. The first rate equalization adjustment is to be adopted by final ordinance no later than six months of the date of this Order and will eliminate one-third of the rate difference between the Charles Town core customer rates and the former Willow Spring customer rates. The second rate equalization adjustment must be adopted by final ordinance no later than twelve months following the first adjustment and must move the Willow Spring rates at least one-half of the remaining difference between the core Charles Town and Willow Springs rates. The final rate equalization adjustment must be adopted by final ordinance no later than thirty-six months from the date of this Order and will eliminate the remaining difference between the core Charles Town rates and the former Willow Spring rates.

IT IS FURTHER ORDERED that Charles Town must file an acknowledgment that it understands and agrees to accomplish the equalization in the three steps as ordered herein or sooner, before it is authorized to close on the transaction with Willow Spring. This filing will be docketed as a closed entry.

IT IS FURTHER ORDERED that until the effective date of the first step toward rate equalization, Charles Town will apply the tariff rates of the former Willow Spring utility to customers whose flows currently are or will be treated at the Willow Spring wastewater treatment plant.

IT IS FURTHER ORDERED that Charles Town incorporate a separate schedule in its tariff for service to customers in the Willow Spring area. This schedule will initially reflect the current Willow Spring usage rates and will be modified in the future to accomplish the rate equalization required herein.

IT IS FURTHER ORDERED that COVA authority applicable to the Willow Spring service territory will terminate as of the date of the closing of the asset transfer.

IT IS FURTHER ORDERED that Case No. 11-0935-S-PC is dismissed as moot.

IT IS FURTHER ORDERED that on entry of this Order, these cases are closed and removed from the open docket.

IT IS FURTHER ORDERED that the Commission Executive Secretary serve a copy of this Order on all parties of record that have filed an e-service agreement, or by United States First Class Mail on parties that have not provided the Commission with an e-mail address, and on Staff by hand delivery.

**PUBLIC SERVICE COMMISSION
OF WEST VIRGINIA
CHARLESTON**

At a session of the PUBLIC SERVICE COMMISSION OF WEST VIRGINIA in the City of Charleston on the 8th day of March 2013.

CASE NO. 12-0217-S-PC

CITY OF CHARLES TOWN and
WILLOW SPRING PUBLIC SERVICE CORPORATION

Joint petition for approval of the sale of the Willow Spring utility assets to Charles Town.

COMMISSION ORDER

On reconsideration the Commission revises the conditions for approval of the sale of utility assets.

Background

On February 8, 2012, Willow Spring Public Service Corporation (Willow Spring) and the City of Charles Town (Charles Town) filed a joint petition for Commission approval of an Asset Purchase Agreement by which Charles Town would purchase the sewer system assets of Willow Spring for a price of \$1,440,000. The petition also requested that the Commission approve amendments to the terms and conditions of Willow Spring Cooperative Venture Agreements (COVAs) so that Charles Town may use Willow Spring COVA funds. Charles Town planned to use the COVA funds to pay the costs of design and construction of facilities to connect the Willow Spring system to the Charles Town sewer system. The petition stated that the service territories of the two sewer utilities are adjacent and that Charles Town provides water utility service to the Willow Spring customers. The petition stated that the acquisition would increase the Charles Town sewage treatment capacity, provide Charles Town with more flexibility in meeting wastewater treatment needs in the area, and benefit customers through increased economies of scale. The petition further proposed that the current rates and tariffs of Willow Spring and Charles Town customers remain in place.

The petition asserted that the acquisition would be consistent with the Commission preference that Charles Town serve as the regional wastewater treatment provider, as expressed in the Commission decision in Jefferson County Public Service District, Case No. 09-0347-PSD-PC-CN, Comm'n Order August 12, 2011. The petition further asserted that the purchase would, in the long run, provide the best service to customers of both Charles Town and Willow Spring at the most reasonable rates. The petition did not propose a timetable for equalizing the Charles Town and Willow Spring rates although

the current Charles Town rates are substantially lower than the current Willow Spring rates.

The Commission held a hearing on September 14, 2012 at which the main issue of contention between the petitioners and Commission Staff was the purchase price. Although the parties did not agree as to how much of the purchase price would represent a premium over net book value of plant, both parties acknowledged that the price included a premium. The Staff position was that the amount of the purchase price was unreasonable and not in the public interest for the Willow Spring ratepayers under W. Va. Code §24-2-12.

January 8, 2013 Order

By Order issued January 8, 2013, the Commission concluded that the utility acquisition proposed in this case would further the orderly development of sewer utility service in the region and that the merger made sense from an engineering and efficiency perspective. In evaluating the purchase price, the Commission stated that it does not typically allow rate recovery of a utility asset purchase price premium. Mountaineire Village, Comm'n Order March 17, 2008, Case No. 07-2072-S-PC, and that Commission policy is that amounts paid to acquire utility assets that are in excess of the net book value of those assets should be booked as an acquisition adjustment or goodwill and not be directly or indirectly allowed for ratemaking purposes. Apple Valley Waste Service, Case No. 10-1630-MC-TC, Comm'n Order December 29, 2010 at 3 and COL No. 4; Suburban Sanitation Co., Case Nos. 10-1757-MC-TC, 10-1758-MC-TC, and Allied Waste Services of North America, Case No. 10-1759-SWF-P and Case No. 11-0239-SWF-C, Recommended Decision final July 31, 2011 at COL No. 6 and fifth ordering paragraph, C&J Utilities, Inc. and John M. Vetter and John Vetter, Jr., Case No. 10-0482-S-PC, Recommended Decision final October 19, 2010 at 3, COL No. 4 and third ordering paragraph.

The Commission further concluded that precedent did not support the funding of an excess purchase price through customer rates that would be applicable to only a small subset of customers residing in the service territory of the acquired utility, in this case the former Willow Spring customers. The Commission found that maintaining the current higher sewer utility rates for the Willow Spring customers would result in those customers subsidizing other Charles Town customers by a significant amount when considered across the smaller Willow Spring customer base. Also, a continuation of the higher Willow Spring rates following the acquisition would result in the former Willow Spring customers effectively paying the debt service incurred to acquire the Willow Spring system at the same time that Charles Town paid a premium price for that system.

The Commission reasoned, however, that the combination of the operational efficiencies to be gained and the public interest that will be served by eliminating one small utility and merging it into a larger utility, as well as lower facilities costs for Charles Town to serve a future WVU Hospital, justified the \$1,440,000 negotiated purchase price to be paid by Charles Town to Willow Spring. The Commission required,

however, that approval be conditioned on a spreading of the cost of Charles Town operations following the acquisition, including the purchase price for Willow Spring, over all of the Charles Town customers.

To accomplish the spreading of the costs, the Commission ordered Charles Town to accomplish rate equalization between its existing (non-Huntfield) customers and the former Willow Spring customers within three-years and ordered that the three-year timetable would apply even if Charles Town increases its other rates. The Commission allowed Charles Town to make the rate equalization in three steps. The first rate equalization adjustment was to be adopted by final ordinance no later than July 2013 to eliminate one-third of the rate difference between the Charles Town core customer rates and the former Willow Spring customer rates. The second rate equalization adjustment was to be adopted by final ordinance no later than July 2014 to move the Willow Spring rates at least one-half of the remaining difference between the core Charles Town and Willow Springs rates. The final rate equalization adjustment was to be adopted by final ordinance no later than January 2016 to eliminate the remaining difference between the core Charles Town rates and the former Willow Spring rates.

The Commission also included requirements in the January 8, 2013 Commission Order that: 1) prior to closing, Charles Town acknowledge its understanding and agreement to the above rate equalization; 2) at closing, all of the Willow Spring COVA funds would transfer to Charles Town; 3) after closing, the assessment, collection and escrowing of new COVAs in the former Willow Spring service territory would no longer be authorized; and 4) Commission approval would still be required prior to the expenditure of COVA funds by Charles Town.

Petition for reconsideration

On February 15, 2013, Charles Town filed a petition for reconsideration of the acquisition conditions contained in the January 8, 2013 Order. The petition stated that Charles Town had analyzed the impact of the Commission's conditions on its operations and concluded that it could not purchase the Willow Spring assets with the conditions imposed by the Commission Order because of their impact on debt service coverage requirements. Charles Town stated, however, that it agrees with the Commission position that the Willow Spring and Charles Town rates should eventually be equalized. As an alternative to the three steps to achieve equalization required by the Commission Order, Charles Town proposed two steps toward rate equalization that it anticipates can be accomplished in less than three years. The first step would occur within six months of closing, or July 2013, at which time Charles Town would reduce Willow Spring rates to be equal to the current tariff rates of the Charles Town Huntfield area customers, for an approximate \$13.21 per month reduction for the average Willow Spring customer. Charles Town represented that this would eliminate nearly two-thirds of the rate difference between the current Willow Spring rates and the Charles Town rates that will go into effect upon substantial completion of the Tuscawilla I plant expansion project. See City of Charles Town Case Nos. 09-1980-S-CN and 10-0070-S-MA, Recommended Decision final July 8, 2010, Comm'n Order approving revisions to project June 19, 2012.

The substantial completion date and effective date of those project-related rates is anticipated to be in the fall of 2013. That project-related rate increase will not affect the Huntfield area rates, but will increase the bill of a general Charles Town average residential customer consuming 4,500 gallons a month to \$44.94. The average former Willow Spring customer consuming 4,500 gallons per month will at that time pay \$51.75 per month.

The second step proposed by Charles Town would occur upon substantial completion of a future certificate project which is expected to occur by December 2015. Charles Town explained that in the third or fourth quarter of 2013 it plans to file an application for a certificate of convenience and necessity to improve its sewer system, including improvements to accomplish the connection between the Willow Spring system and the Charles Town system. Charles Town anticipates an increase in rates related to that project. Charles Town estimates that on substantial completion of the future project, a general Charles Town residential customer will be billed a monthly rate at, or perhaps slightly exceeding, \$51.75. Accordingly, by December 2015, the rates for the average general Charles Town residential customer, the average Huntfield area customer and the average former Willow Spring customer will be nearly identical. Larger Willow Spring customers, however, would continue to have slightly higher rates.

Charles Town stated that its two-step proposal will satisfy the conditions in the Commission Order of January 8, 2013, for all but larger customers and will do so on a more rapid timeline than under the Commission Order.

DISCUSSION

The Commission concludes that the Charles Town proposal set forth in its petition for reconsideration is reasonable if in its certificate application that Charles Town intends to file later this year, it will propose to unify all of its customer rates for all classes of customers, including those of its Huntfield area and the former Willow Spring area. The petition for reconsideration proposes to maintain rate disparity between former large Willow Spring customers and other large Charles Town customers but does not provide any justification for continuing to charge large former customers of Willow Spring higher rates than the core Charles Town customers beyond the date when other classes of customers would have substantially unified tariffs. In addition, based on Commission policy, it is appropriate to require Charles Town to implement uniform tariff pricing as of the substantial completion date of its future project.

Commission policy favors uniform tariff pricing as being in the public interest and the Commission has concluded that unified rates should be a goal for most water and sewer utilities. Pendleton County Pub. Serv. Dist. Case No. 94-1123-PWD-CN, Comm'n Order January 9, 1996 at 8-11; Hardy County Pub. Serv. Dist. Case No. 94-0570-PWD-CN and 95-0020-PWD-CN, Comm'n Order August 10, 1995. While cases authorizing multiple rate schedules arise from time to time, they generally are required by specific or unique proposed funding requirements, are an exception to the general rule and do not set the direction for future cases. Pendleton County, supra. Where customers are served

under the same or substantially similar circumstances, uniform tariff pricing is the policy goal of the Commission. Claywood Park Pub. Serv. Dist. Case No. 96-0656-PWD-CN, February 26, 1997 at 6. The Commission has invoked its policy favoring uniform tariff pricing, or unified rates more recently in Brooke County Pub. Serv. Dist. Case No. 08-0164-PSD-CN, Recommended Decision November 19, 2008 at 25, adopted by Comm'n Order January 12, 2009 at 4; Mountaineer Gas Co., Case No. 08-1304-G-30C, Recommended Decision May 29, 2009 at 6; adopted by Comm'n Order July 30, 2009; Friendly Pub. Serv. Dist. Case No. 02-0159-PSWD-19A, Recommended Decision final March 27, 2003 at 8.

Charles Town must propose the uniform tariff pricing in its upcoming certificate application, but the unified rates would not take effect until substantial completion of that sewer system improvement project, anticipated to occur in late December 2015.

FINDINGS OF FACT

1. The January 8, 2013 Commission Order required Charles Town to accomplish rate equalization between its existing (non-Huntfield) customers and the former Willow Spring customers, within three-years.

2. The January 8, 2013, Order allowed Charles Town to make the rate equalization in three steps, the last of which was to be adopted by ordinance no later than January 2016.

3. The Charles Town petition for reconsideration stated agreement with the Commission position that the Willow Spring and Charles Town rates should eventually be equalized.

4. As an alternative to the three steps to achieve equalization required by the Commission Order, Charles Town proposed two steps toward rate equalization that it anticipates can be accomplished in less than three years.

5. Charles Town proposed that by July 2013 it would reduce Willow Spring rates to be equal to the current tariff rates of the Charles Town Huntfield area customers, an approximate \$13.21 per month reduction for the average Willow Spring customer.

6. The second step proposed by Charles Town would occur upon substantial completion of a future certificate project that is expected to occur by December 2015. Charles Town expects to file the certificate application in the third or fourth quarter of 2013 to improve its sewer system, including accomplishing the connection between the Willow Spring system and the Charles Town system.

7. Charles Town intends to request a project-related rate increase when it files its certificate application later this year and request that rates following the project-related increase be substantially equal for all customer rates with the exception of larger customers formerly served by Willow Spring.

8. The petition for reconsideration proposes to maintain rate disparity between former large Willow Spring customers and other large Charles Town customers.

CONCLUSIONS OF LAW

1. Commission policy favors uniform tariff pricing as being in the public interest and the Commission has concluded that unified rates should be a goal for most water and sewer utilities. Pendleton County Pub. Serv. Dist. Case No. 94-1123-PWD-CN, Comm'n Order January 9, 1996 at 8-11; Hardy County Pub. Serv. Dist. Serv. Dist. Case No. 02-0159-PSWD-19A, Recommended Decision final March 27, 2003 at 8.

2. While cases authorizing multiple rate schedules arise from time to time, they generally are required by specific or unique proposed funding requirements, are an exception to the general rule and do not set the direction for future cases. Pendleton County, supra. Where customers are served under the same or substantially similar circumstances, uniform tariff pricing is the policy goal of the Commission. Claywood Park Pub. Serv. Dist. Case No. 96-0656-PWD-CN, February 26, 1997 at 6.

3. The petition for reconsideration does not provide any justification for continuing to charge large former customers of Willow Spring higher rates than the core Charles Town customers beyond the date when other classes of customers would have substantially unified tariffs.

4. The Charles Town proposal to equalize its rates in two steps is reasonable provided that the certificate application that Charles Town intends to file later this year will propose to unify all customer rates for all classes of customers, including those of its Huntfield area and the former Willow Spring area.

ORDER

IT IS THEREFORE ORDERED that the Charles Town petition for reconsideration of the January 8, 2013 Commission Order is granted as conditioned in this Order.

IT IS FURTHER ORDERED that on or before July 2013, Charles Town take the actions necessary to reduce former Willow Spring customer rates to be equal to the current tariff rates of the Huntfield area customers.

IT IS FURTHER ORDERED that the rate changes to be proposed in the Charles Town application for a certificate of convenience and necessity that the utility anticipates

filing in the third or fourth quarter of 2013, will propose uniform tariff pricing, or equalized rates for all its customers including Huntfield area and all former Willow Spring customers.

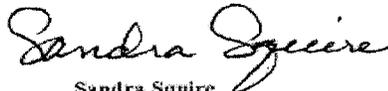

IT IS FURTHER ORDERED that Charles Town comply with the rate equalization steps above in lieu of those required by the January 8, 2013 Commission Order.

IT IS FURTHER ORDERED that except as modified, the January 8, 2013, Order remains in full force and effect.

IT IS FURTHER ORDERED that on entry of this Order, this case is closed and removed from the open docket.

IT IS FURTHER ORDERED that the Executive Secretary of the Commission serve a copy of this Order by electronic service on all parties of record who have filed an e-service agreement, and by United States First Class Mail on all parties of record who have not filed an e-service agreement, and on Commission Staff by hand delivery.

**PUBLIC SERVICE COMMISSION
OF WEST VIRGINIA
CHARLESTON**

At a session of the PUBLIC SERVICE COMMISSION OF WEST VIRGINIA in the City of Charleston on the 6th day of June 2013.

CASE NO. 12-0217-S-PC

CITY OF CHARLES TOWN and
WILLOW SPRING PUBLIC SERVICE CORPORATION
Joint petition for approval of the sale of the Willow Spring utility assets to Charles Town.

CASE NO. 11-0935-S-PC

WILLOW SPRING PUBLIC SERVICE CORPORATION
Petition for determination of equivalent dwelling units available for use in cooperative venture agreements; use of revised equivalent dwelling units factor; elimination of obligation to reserve capacity for non-developers; approval of a cooperative venture agreement with NVR, Inc.; and approval of proposed new standard form cooperative venture agreement.

COMMISSION ORDER

The Commission grants its consent to the sale of utility assets and closes these cases.

Background

Case No. 11-0935-S-PC

On June 27, 2011, Willow Spring Public Service Corporation (Willow Spring) filed a petition requesting that the Commission 1) determine that it has 183.46 equivalent dwelling units (EDUs) available for reservation through cooperative venture agreements (COVAs) with developers; 2) approve the use of a revised EDU factor; 3) eliminate the requirement that Willow Spring reserve twenty percent of treatment capacity for new customers outside of developments; 4) grant Willow Spring authority to enter into a COVA with NVR, Inc. to reserve EDUs beyond the Commission's previously established EDU limit; and 5) approve a standard COVA for future use. The background of this proceeding has been summarized in prior Orders. This petition docketed in Case No. 11-0935-S-PC was made moot by the Commission consent, as conditioned, to the asset

transfer proposed in Case No. 12-0217-S-PC. For the full background of Case No. 11-0935-S-PC, please see prior Orders of the Commission.

Case No. 12-0217-S-PC

On February 8, 2012, Willow Spring and the City of Charles Town (Charles Town) filed a joint petition for Commission approval of an Asset Purchase Agreement by which Charles Town would purchase the sewer system assets of Willow Spring for a price of \$1,440,000. The petition also requested that the Commission approve amendments to the terms and conditions of Willow Spring COVAs so that Charles Town may use Willow Spring COVA funds. Charles Town planned to use the COVA funds to pay the costs of design and construction of facilities to connect the Willow Spring system to the Charles Town sewer system. The petition stated that the service territories of the two sewer utilities are adjacent and that Charles Town provides water utility service to the Willow Spring customers. The petition stated that the acquisition would increase the Charles Town sewage treatment capacity, provide Charles Town with more flexibility in meeting wastewater treatment needs in the area, and benefit customers through increased economies of scale. The petition further proposed that the current rates and tariffs of Willow Spring and Charles Town customers remain in place and did not propose a timetable for equalizing the Charles Town and Willow Spring rates although the current Charles Town rates are substantially lower than the current Willow Spring rates.

The Commission held a hearing on September 14, 2012 at which the main issue of contention between the petitioners and Commission Staff was the purchase price. Although the parties did not agree as to how much of the purchase price would represent a premium over net book value of plant, both parties acknowledged that the price included a premium.

January 8, 2013 Order

By Order issued January 8, 2013, the Commission granted prior consent to the asset transfer but conditioned its consent on a spreading of the cost of Charles Town operations following the acquisition, including the \$1,440,000 purchase price for Willow Spring, over all of the Charles Town customers. The Commission ordered that Charles Town equalize customer rates over a three-year period in steps. In addition, the Commission required that: 1) prior to closing, Charles Town acknowledge its understanding and agreement to the above rate equalization; 2) at closing, all of the Willow Spring COVA funds would transfer to Charles Town; 3) after closing, the assessment, collection and escrowing of new COVAs in the former Willow Spring service territory would no longer be authorized; and 4) Commission approval would still be required prior to the expenditure of COVA funds by Charles Town.

Petition for reconsideration

On February 15, 2013, Charles Town filed a petition for reconsideration of the acquisition conditions contained in the January 8, 2013 Order. The petition stated that

Charles Town had analyzed the impact of the Commission's conditions on its operations and concluded that it could not purchase the Willow Spring assets with the conditions imposed by the Commission Order because of their impact on debt service coverage requirements. Charles Town stated, however, that it agreed with the Commission position that the Willow Spring and Charles Town rates should eventually be equalized. As an alternative to the three steps to achieve equalization required by the Commission Order, Charles Town proposed two steps toward rate equalization that it anticipates can be accomplished in less than three years. The first step would occur within six months of closing, or July 2013, at which time Charles Town would reduce Willow Spring rates to be equal to the current tariff rates of the Charles Town Huntfield area customers, for an approximate \$13.21 per month reduction for the average Willow Spring customer. Charles Town represented that this would eliminate nearly two-thirds of the rate difference between the current Willow Spring rates and the Charles Town rates that will go into effect upon substantial completion of the Tuscawilla I plant expansion project. See City of Charles Town Case Nos. 09-1980-S-CN and 10-0070-S-MA, Recommended Decision final July 8, 2010, Comm'n Order approving revisions to project June 19, 2012. The substantial completion date and effective date of those project-related rates is anticipated to be in the fall of 2013. That project-related rate increase will not affect the Huntfield area rates, but will increase the bill of a general Charles Town average residential customer consuming 4,500 gallons a month to \$44.94. The average former Willow Spring customer consuming 4,500 gallons per month will at that time pay \$51.75 per month.

The second step proposed by Charles Town would occur upon substantial completion of a future certificate project which is expected to occur by December 2015. Charles Town explained that in the third or fourth quarter of 2013 it plans to file an application for a certificate of convenience and necessity to improve its sewer system, including improvements to accomplish the connection between the Willow Spring system and the Charles Town system. Charles Town anticipates an increase in rates related to that project. Charles Town estimates that on substantial completion of the future project, a general Charles Town residential customer will be billed a monthly rate at, or perhaps slightly exceeding, \$51.75. Accordingly, by December 2015, the rates for the average general Charles Town residential customer, the average Huntfield area customer and the average former Willow Spring customer will be nearly identical. Larger Willow Spring customers, however, would continue to have slightly higher rates.

Charles Town stated that its two-step proposal would satisfy the conditions in the Commission Order of January 8, 2013, for all but larger customers and will do so on a more rapid timeline than under the Commission Order.

March 8, 2013, Commission Order

By Order issued March 8, 2013, the Commission concluded that the Charles Town proposal to equalize its rates on two steps as set forth in its petition for reconsideration would be reasonable if in its certificate application that Charles Town intends to file later this year, it will propose to unify all of its customer rates for all classes of customers,

including those of its Huntfield area and the former Willow Spring area. The Commission required Charles Town to propose the uniform tariff pricing in its upcoming certificate application, but the unified rates would not take effect until substantial completion of that sewer system improvement project, anticipated to occur in late December 2015.

Charles Town Acceptance of March 8, 2013, Commission Order

Charles Town requested and was granted two extension of time to file a petition for reconsideration of the March 8, 2013 Commission Order. Commission Orders March 13, 2013, as corrected on March 29, 2013, and April 11, 2013.

On May 23, 2013, Charles Town filed a Response stating it agreed to the terms and conditions of its purchase of the assets of Willow Spring as set forth in the Commission Order issued on March 8, 2013.

DISCUSSION

The May 23, 2013, Charles Town filing indicates that it will not ask the Commission to reconsider the terms and conditions of the Commission Order issued on March 8, 2013. It is appropriate, therefore, to restate the ordering paragraphs of the March 8, 2013 Commission Order and close these proceedings.

FINDING OF FACT

Charles Town did not file a petition for reconsideration of the March 8, 2013 Commission Order. Charles Town Response filed May 28, 2013.

CONCLUSION OF LAW

The March 8, 2013, Commission Order remains in effect and it is reasonable to restate the ordering paragraphs and close these proceedings.

ORDER

IT IS THEREFORE ORDERED that the petition for approval of an Asset Purchase Agreement by which Charles Town would purchase the sewer system assets of Willow Spring for a price of \$1,440,000 is granted as conditioned in the March 8, 2013 Commission Order and in this Order, without specific approval of the terms of the agreement.

IT IS FURTHER ORDERED that Commission consent to the asset transfer is conditioned on the requirement that on or before July 2013, Charles Town take the actions necessary to reduce former Willow Spring customer rates to be equal to the current tariff rates of the Huntfield area customers.

IT IS FURTHER ORDERED that the rate changes to be proposed in the Charles Town application for a certificate of convenience and necessity that the utility anticipates filing in the third or fourth quarter of 2013, will propose uniform tariff pricing, or equalized rates for all its customers including the Huntfield area and all former Willow Spring customers.

IT IS FURTHER ORDERED that until the Willow Spring customer rates are equalized as required by this Order, Charles Town will apply the rates of the former Willow Spring utility to customers whose flows currently are or will be treated at the Willow Spring wastewater treatment plant.

IT IS FURTHER ORDERED that the COVA authority applicable to the Willow Spring service territory is terminated as of the date of the closing of the asset transfer.

IT IS FURTHER ORDERED that Charles Town seek prior Commission approval to use the former Willow Spring COVA funds.

IT IS FURTHER ORDERED that on entry of this Order, Case No. 11-0935-S-PC and Case No. 12-0217-S-PC are closed and removed from the open docket.

IT IS FURTHER ORDERED that the Executive Secretary of the Commission serve a copy of this Order by electronic service on all parties of record who have filed an e-service agreement, and by United States First Class Mail on all parties of record who have not filed an e-service agreement, and on Commission Staff by hand delivery.

PUBLIC SERVICE COMMISSION
OF WEST VIRGINIA
CHARLESTON

Entered: November 13, 2012

FINAL

12/3/2012

CASE NO. 12-1005-W-CN

CITY OF CHARLES TOWN
Martinsburg, Jefferson County,

Application for a certificate of convenience and necessity to make improvements to its existing water treatment plant by constructing generators to provide emergency power to the water intake facility and the treatment plant in the event of an electric outage

RECOMMENDED DECISION

This Order grants the certificate of convenience and necessity.

DISCUSSION

On May 31, 2012, The City of Charles Town (City) filed a notice of intent with the Public Service Commission (PSC) that acting, through the Charles Town Utility Board, it planned to request a Certificate of Convenience and Necessity to construct backup generators for the existing Shenandoah River Water Treatment Plant.

The City filed its application on July 23, 2012, stating that the water source for the water treatment plant is the Shenandoah River. Charles Town owns and operates an intake facility at the river, which pumps raw water to the treatment plant. There are no backup facilities at either the intake facility or the treatment plant to operate those systems in the event of an electrical outage. The application also indicated that the total cost of the project is \$1,555,000, of which \$850,000 will be used for the generator construction, with the balance going to the City's ongoing efforts to reduce unaccounted-for water loss. The application further stated that the project will not include any changes to the City's existing water tariff nor result in acquiring any new customers.

Nine exhibits were included with the application, consisting of the required Rule 42 exhibit, a copy of the City's existing water tariff, a letter from Rummel, Klepper & Kahn stating that all necessary applications and/or permits have been made or acquired for the project, a letter from Crews and Associates committing to the financing for the project, a construction cost estimate for both the generator construction and water loss project, one set of project plan drawings, one set of project specifications, a proposed notice of filing, and a letter to the PSC giving the required 30-day advance notice. According to the Crews and Associates letter, the project would be funded entirely by Tax-Exempt Revenue Bonds issued by the City.

On August 27, 2012, the PSC issued an Order directing the City to give notice of its filing by publishing a copy of the Notice of Filing once in qualified newspapers, published and of general circulation in each county where service is provided, and to certify this publication to the PSC within thirty (30) days of its occurrence. The Order noted that, if substantial protest to the application was not received within thirty (30) days of publication, the PSC may waive a formal hearing and grant the application based upon the evidence of record.

Also on August 27, 2012, PSC Staff Attorney Ronald Robertson, Jr., filed an Initial Joint Staff Memorandum in this matter. The Memorandum noted two prior cases involving the City of Charles Town. In *Case No. 05-1184-W-CN*, the City was directed to reduce its water loss to 15% within three years, and in *09-0872-W-PC* the PSC held that a project related to reducing water loss was in the usual course of business and did not require a Certificate.

By Order dated September 4, 2012, this matter was referred to the Division of Administrative Law Judges of the PSC, for a decision to be rendered on or before January 4, 2013.

On September 25, 2012, the City filed its Certificate of Publication, verifying that the Notice of Filing was published in the *Spirit of Jefferson Advocate* on September 5, 2012.

On October 10, 2012, PSC Staff Attorney Ronald Robertson submitted the Staff's Final Joint Staff Memorandum (FJSM) in this matter. Mr. Robertson noted that the thirty-day protest period for the City's notice of filing has passed with no protests filed, and he recommended that the application be approved without a formal hearing. Accompanying the FJSM is the Final Recommendation of the PSC Utilities and Engineering Divisions. Among the conclusions of the FJSM are the following:

- a. Staff performed a cash flow analysis which found that the project would add additional debt service requirements of \$99,840 and additional reserve requirements of \$9,984, and that, after the project, the City will have a surplus of \$85,664 and 122.67% debt service coverage.
- b. The Engineering Review noted that the City's water production and distribution system serves approximately 5,565 residential and commercial customers, with total water sales of \$3,183,700 and expenses of \$2,713,040. The project financing is to be \$1,555,000 for a term of 30 years at an interest rate in the range of 5%. The project itself consists of two parts: the reduction of unaccounted-for water (UFW) losses, and the construction of backup generators for the City's treatment plant and raw water pump stations.
- c. UFW losses were reported at just over 38% for the most recent year and were just less than 38% for the previous year, both of which substantially exceed the Commission allowed maximum of 15%. Other than the UFW issue, however, the City appears to have no other operational or managerial issues. The City will

spend approximately \$714,000 to hire a specialty contractor to locate and correct leakage. The Staff concluded that, "The reduction of UFW losses will serve to reduce system O&M costs and will also enhance reliability; engineering staff thus supports the proposed work as appropriate."

d. The emergency power project will consist of the installation of 1) a new 300 KW diesel-powered emergency generator system at the water treatment facility housed in a weather-proof sound-attenuating enclosure, including minor revisions to the existing electrical system, and 2) the installation of a new 175 KW diesel-powered emergency generator system at the raw water pump station, housed in a prefabricated, precast-concrete building. The Staff considers the need for backup power for critical infrastructure to be "self-evident."

e. The cost of engineering design services for this project is approximately 7.13% of the construction cost of the non-UFW portion of the project, which Staff considers to be acceptable and within the customary range for comparable projects based upon similar types of projects and Staff's experience.

f. Staff noted that this project has not actually been bid and that the project cost is based entirely upon estimated construction costs. Once bids are actually received it is likely that the project cost will change.

g. The Engineering Staff has reviewed the project plans and construction documents and found no apparent violations of the Commission's Water Rules (W.Va. CSR §150-7).

h. The Technical Staff has reviewed the estimates of system operations & maintenance expenses as supplied by the applicant and its consulting engineer. Staff generally agrees with the estimated level of annual O&M expense increase, as predicted by the applicant, and opined that the adjustment is adequate, but not more than adequate. The Staff also noted that the successful completion of the leak detection and correction portion of this work will reduce system O&M in the long term and will enhance system reliability and performance.

Finally, on October 18, 2012, the City, through its counsel, filed correspondence with the Commission stating that the City "has reviewed the [FJSM] filed in this case and agrees with Staff's recommendations."

FINDINGS OF FACT

1. On July 23, 2012, the City of Charles Town filed an application for a certificate of public convenience and necessity for a two-part project, consisting of the installation of backup electric generators for the City's water treatment plant and related intake facility, and for ongoing efforts to mitigate unaccounted-for water loss. (Application filed July 23, 2012; Final Joint Staff Memorandum filed October 10, 2012).

2. There are no backup facilities at either the City's raw water intake facility or the City's water treatment plant. Also, the City is currently experiencing unaccounted-for water of approximately 38%. (Application filed July 23, 2012; Final Joint Staff Memorandum and attachment filed October 10, 2012).

3. The proposed project will install backup generators at the City's intake facility and treatment plant at a cost of approximately \$850,000, with the remainder of the cost covering leak detection and connection activities to reduce the high level of unaccounted-for water. (Application filed July 23, 2012; Final Joint Staff Memorandum and attachment filed October 10, 2012).

4. The project is intended to cost \$1,555,000 and will be financed by the City selling 30-year tax-exempt revenue bonds at 5% interest. (Application filed July 23, 2012; Final Joint Staff Memorandum filed October 10, 2012).

5. The firm of Crews & Associates has indicated its desire to underwrite the project. (Crews & Associates letter of June 28, 2012, listed as Exhibit 4 to the Application filed July 23, 2012).

6. Based upon the Rule 42 exhibit filed by the City and the City's proposed financing, Staff prepared a cash flow analysis which demonstrated that, post project, the City should have a surplus of \$85,664 and debt service coverage of 122.76%. The City's bonds require debt service coverage of 115%. (Application filed July 23, 2012; Final Joint Staff Memorandum and attachment filed October 10, 2012).

7. The City has complied with the PSC order regarding publication of the project, with the Notice of Filing being published in the *Spirit of Jefferson Advocate* on September 5, 2012. (Certificate of Publication filed September 25, 2012).

8. No protests have been made to the proposed project, either within the 30-day protest period or as of the date of this Order. (Final Joint Staff Memorandum filed October 10, 2012; Letter from City dated October 18, 2012; case file generally).

9. Commission Staff has reviewed the design and found no obvious violations of the Commission's *Water Rules*. (Final Joint Staff Memorandum filed October 10, 2012).

10. Commission Staff recommended that the application be granted and the project be certificated. (Final Joint Staff Memorandum filed October 13, 2012).

CONCLUSIONS OF LAW

1. The public convenience and necessity require the proposed project.
2. The proposed project is financially feasible and economically viable.

3. A certificate of public convenience and necessity should be granted to the City of Charles Town for the proposed project.

4. The certificate can be granted without hearing since the project was properly published, with no protests having been filed in response thereto, and since Commission Staff has recommended approval of the project.

ORDER

IT IS, THEREFORE, ORDERED that a certificate of convenience and necessity be, and hereby is, granted to the City of Charles Town to make improvements to its existing water treatment plant by constructing generators to provide emergency power to the water intake facility and the treatment plant, and to fund further efforts to mitigate unaccounted-for water loss. However, construction may not commence until all necessary approvals, permits, etc. have been received from the various reviewing authorities.

IT IS FURTHER ORDERED that the financing for the project, consisting of the City issuing \$1,555,000 in 30-year tax-exempt revenue bonds at 5% interest and with 115% debt service coverage, be, and hereby is, approved.

IT IS FURTHER ORDERED that, if the scope, design, financing or cost of the proposed project changes, the City of Charles Town petition the Public Service Commission for approval of such changes prior to commencing construction. However, if the project cost changes do not require a rate change, the City's certified public accountant may file a verified statement to that effect, in lieu of such petition.

IT IS FURTHER ORDERED that the City of Charles Town file with the Commission the certified bid tabulations for each contract awarded, as soon as they become available.

IT IS FURTHER ORDERED that the City of Charles Town file with the Commission a certificate of substantial completion for each contract awarded for the project certificated herein, as soon as each becomes available.

IT IS FURTHER ORDERED that, if the project certificated in this order requires the use of the Division of Highways' rights-of-way, the City of Charles Town fully comply with all relevant rules and regulations of the Division of Highways.

IT IS FURTHER ORDERED that this proceeding be, and hereby is, removed from the Commission's docket of open cases.

The Executive Secretary is hereby ordered to serve a copy of this order upon the Commission by hand delivery, and by electronic service upon all parties of record who have filed an e-service agreement with the Commission and by United States Certified Mail, return

receipt requested, upon all parties of record who have not filed an e-service agreement with the Commission.

Leave is hereby granted to the parties to file written exceptions supported by a brief with the Executive Secretary of the Commission within fifteen (15) days of the date this order is mailed. If exceptions are filed, the parties filing exceptions shall certify to the Executive Secretary that all parties of record have been served said exceptions.

If no exceptions are so filed this order shall become the order of the Commission, without further action or order, five (5) days following the expiration of the aforesaid fifteen (15) day time period, unless it is ordered stayed or postponed by the Commission.

Any party may request waiver of the right to file exceptions to an Administrative Law Judge's order by filing an appropriate petition in writing with the Secretary. No such waiver will be effective until approved by order of the Commission.

Editor's Note: In addition to the above described territory, the following territory was annexed to the city in 1967:

Beginning at the present corporation line of Charles Town in the east line of South Samuel Street; thence N 72-30 E 926 feet; thence N 17-30 W 750 feet, crossing Forrest Avenue, to a point; thence and still with said present corporation line, N 72-30 E 797.3 feet to a point; thence leaving said present corporation line and running with the east line of an alley, S 20-15 W 1463.7 feet to a point therein; thence S 69-45 E 3 feet; thence S 20-15 W 992.2 feet to a point; thence N 69-43 W 79.8 feet; and N 18-00 W 425.4 feet; N 13-30 E 285.7 feet; N 25-10 E 45 feet; N 14-15 W 205 feet; and S 73-15 W 343.5 feet to the east line of South Samuel Street (extended); and thence with same N 17-30 W 232 feet to the beginning; containing 22.48 acres.

SECTION 2. MUNICIPAL AUTHORITIES.

The Municipal authorities of said Town shall be a Mayor and two Councilmen from each ward who, together, shall be a Common Council.

SECTION 3. TOWN INCORPORATE.

The Mayor and Councilmen as soon as they shall be elected and qualified, as herein provided, shall be a body politic and corporate by the name of "The Corporation of Charles Town", and shall have perpetual succession and a common seal; and by that name may sue and be sued, plead and be impleaded, contract and be contracted with, and may purchase and hold real estate and other property necessary or proper to enable it to discharge its duties, and useful for the good order, government and welfare of said corporation.

SECTION 4. CORPORATE POWERS.

All the corporate powers of said town shall be exercised by the said Council or under its authority, except when otherwise provided.

SECTION 5. ELECTION OF MAYOR.

The Mayor and Councilmen shall be elected by the qualified voters of said corporation.

SECTION 6. WARDS; ELECTIONS THEREIN.

The said town shall consist of four wards located and bounded as follows:
The first ward shall include all the territory within the corporate limits lying north of Washington Street and the Summit Point road and west of George Street; the second ward, all the territory lying south of Washington Street and the Summit Point road and west of George Street; the third ward all the territory within said corporate limits lying east of George Street and south of Washington Street; the fourth ward all the territory within said corporate limits lying east of George Street and north of Washington Street. Elections in said corporation under this Act shall be held on the fourth Thursday in May, one thousand nine hundred and fifteen, and annually thereafter on such Thursday, and shall be under the supervision of three inspectors at each election precinct in said Town, who are to be appointed by the Council, and who shall be governed by such rules and regulations as the Council may prescribe. The Council shall select and designate the voting places of the respective wards in the Town.

SECTION 7. QUALIFICATIONS OF MAYOR, ETC.,

The Mayor and Councilmen must be, at the time of their election and during their terms of office, owners in fee of real estate in said corporation of the value of two hundred and fifty dollars over and above all encumbrances, and be entitled to vote for members of its common Council.

SECTION 8. TERMS OF OFFICE

Their term of office shall be (except when to fill vacancies) for two years, and until their successors are elected and qualified, as herein provided; except that at the election to be held on the fourth Thursday in May, one thousand nine hundred and fifteen, there shall be elected one Councilman from the first, second, and fourth wards, and two Councilmen from the third ward, one of the said two so elected from the third ward to hold office for two years, and the other for one year; the terms of office of said Councilmen so elected from the third ward shall be determined by lot at the first meeting of the Council held after such election in one thousand nine hundred and fifteen.

Annually thereafter, on the fourth Thursday in May, there shall be elected one Councilman from each ward, to be voted for throughout the town as hereinbefore provided. The Mayor shall be elected on the fourth Thursday in May, one thousand nine hundred and sixteen, and every two years thereafter on such Thursday. The Mayor and members of the Council elected in May, one thousand nine hundred and fifteen, shall continue in office until their successors are elected in May, one thousand nine hundred and sixteen.

SECTION 9. CERTIFICATES OF ELECTION.

As soon as the result for such election for Mayor and Councilmen is ascertained, the inspectors of election shall sign a certificate containing complete returns of the polls taken at their place of voting for all of said officers, and shall enclose the certificate in an envelope, which shall be sealed up and endorsed by each of such inspectors. The inspectors, or one of them, shall, within three days after the day on which such election was held, deliver said certificates to the Mayor of said Town. At the next meeting of the Council thereafter the Mayor shall present such certificates to the Council, who shall examine the same and ascertain the true result of such election in said Town, and the person respectively appearing to have received the highest number of vote for the several officers shall be declared elected, and a certificate thereof signed by the Mayor shall be granted to the person so elected.

SECTION 10. WHO MAY VOTE.

Every person who shall have resided within the boundaries of said Town for one month, and within the ward in which he offers to vote for five days next preceding the election held therein, and who is a qualified voter under the laws and Constitution of this State, and no others, shall be entitled to vote at any election held in said town.

SECTION 11. VACANCIES IN OFFICE.

All vacancies occurring from any cause in any elective office of the Town shall be filled by appointment by the Council until the next election held in said Town for Councilmen; but in case of a Councilman, such appointment shall be made only of a resident of the ward in which such vacancy has occurred, and such appointees shall be otherwise qualified as is required by this Act.

SECTION 12. MODE OF VOING.

At all elections the mode of voting shall be that proscribed by the State Constitution for election of State officers.

SECTION 13. TIE VOTES

Whenever two or more candidates for the same office at any election shall receive an equal number of votes, the Council shall, in an equitable mode, determine which of the persons so voted for shall be returned elected.

SECTION 14. CONTESTED ELECTIONS.

All contested elections shall be heard and decided by the Council for the time being; but the Council may order a new election if satisfied the ends of justice will be better attained thereby.

SECTION 15. QUORUM.

A majority of the Councilmen elected shall be necessary for the transaction of any business.

SECTION 16. NUMBER, TERMS, DUTIES AND COMPENSATION OF APPOINTIVE OFFICERS.

There shall be one or more Sergeants, a Clerk, a Treasurer, an Assessor, a City Attorney, a City Health Officer, a City Engineer, and three Commissioners of Roads, Streets and Alleys of said Town, who shall be appointed by the Council thereof and hold office during the pleasure of said Council. The duties of Sergeant, Clerk, Treasurer and Assessor may be discharged by the same person, or otherwise, as the Council may from time to time determine; but no member of the Council shall hold any of said offices. The compensation for said officers shall be in the discretion of the Council.

SECTION 17. OATH OF MAYOR AND COUNCILMEN.

The Mayor and Councilmen and all officers herein provided for, shall each, before entering upon the duties of his office, and within ten days of the time of his election or appointment, take and subscribe an oath to faithfully and impartially discharge the duties of his office, and the oath to support the Constitution of the United States, and the Constitution of the State of West Virginia. The Mayor, having taken such oath or affirmation, may administer the same to the Councilmen and other officers. Certificates of said oaths or affirmations shall be recorded in the journal of said Council, and whenever two-thirds of the members of the Council shall have qualified, they shall enter upon said offices.

SECTION 18. FAILURE TO QUALIFY.

If any one who shall have been elected Mayor or Councilman shall not be eligible as herein prescribed, or shall refuse or fail to take the oath or affirmation required under this Act, within the time prescribed, the Council may declare his office vacant and fill the vacancy as provided in Section Eleven of this Act.

SECTION 19. PRESIDING OFFICER.

The Council shall be presided over at its meetings by the Mayor, or in his absence, by the Mayor Pro Tem, who shall be chosen annually by a majority of the Council present at the first meeting of said Council, from the members of the Council after the election and qualification; and such Mayor Pro Tem, shall in the absence of the Mayor, have all the powers and perform all the duties of the Mayor.

SECTION 20. JOURNAL OF COUNCIL.

The Council shall cause to be kept, in a well-bound book, an accurate record of all its proceedings, bylaws, acts and orders, which shall be fully indexed, and open to the inspection of citizens of the Town. The proceedings of each meeting shall be read and corrected at the succeeding meeting, and signed by the person presiding at the time being. Upon the call of any member the yeas and nays shall be called and recorded in the journal. In all cases of a tie the person presiding at the time shall have the casting vote.

SECTION 21. POWERS OF COUNCIL.

The Council shall have power to open and grade new streets and extend, widen, straighten, repair and grade old streets and alleys; to curb and pave streets, sidewalks and gutters for public use, and to alter, improve and light the same, and shall have control of all the avenues for public use in said Town; to have the same kept in good order and free from obstructions on or over them; to regulate and determine the width of all streets, sidewalks and public alleys; to order and direct the curbing and paving of all sidewalks and footways for public use in said town, to be done and kept in good order by the owners or occupants of the adjacent property; to control the construction and repair of all houses, bridges and culverts; the opening and construction of all ditches, drains and gutters; to widen, deepen and clear the same of stagnant water and filth, and to determine at whose expense the same shall be done; to purchase, lay off and appropriate public grounds and control the use of the same; to provide, contract for and take care of all public buildings proper to the Town; to provide for the regular building of houses or other structures; to cause the removal of unsafe walls or buildings; to prevent injury or annoyance to the public or individuals from anything dangerous, offensive or unwholesome; to abate or cause to be abated anything which, in the opinion of the majority of the whole Council, shall be a nuisance; to regulate the keeping of gunpowder and other combustibles and explosives; to provide in or near the Town places for the burial of the dead, and regulate the interments in the Town, and provide ornamental trees; to provide for making division fences, and for the draining of lots by proper drains and ditches; to make regulations for guarding against danger or damages from fire;

to provide for the poor of the Town; to organize one or more fire companies, and provide the necessary apparatus, tools, implements, engines, or any of them, for their use; to provide a sufficient revenue for said Town, and appropriate the same to its expenses; to issue bonds of the corporation and make sale thereof, but no such bonds shall be sold by said corporation for less than par, nor bearing a higher rate of interest than six percent per annum; nor shall said corporation be indebted on account of such issue at any period in a greater sum than ten thousand dollars without the consent of a majority of the voters of the Town expressed at an election held for that purpose; nor shall the whole indebtedness of said Town at any time ever exceed the sum of one hundred thousand dollars; to provide for the annual assessment of taxable persons and property in the Town; to adopt rules for the transaction of business, and for the government and regulation of its own body; to promote the general welfare of the Town, and to protect the persons and the property of the citizens therein; to appoint the officers authorized by Section Sixteen of this Act, fix their terms of service and compensation, require and take from them bonds, with such sureties and in such penalties as the Council may determine, conditioned for the true and faithful discharge of their duties, and remove them at pleasure; but all bonds taken by the Council shall be made payable to the Town by its corporate name; to provide for and regulate the weighing of hay, coal, wood and other articles sold or for sale in said Town, and to regulate the transportation thereof through the streets; to establish and regulate markets, or prescribe the time for holding the same, and what articles shall be sold only in said markets; to protect places of divine worship; to lay off the Town into four or more wards, prescribing the boundaries of said wards; but should any change in the boundaries of the wards be made, the new wards shall be equal in population as nearly as possible; to appoint and publish the places of holding Town elections; to erect or authorize or prohibit the erection of gas works in or near the Town; to prevent injuries to, and provide protection of the same; to provide for the purity of the water and the healthfulness of the town; for all of which purposes except that of taxation, the Council shall have jurisdiction for one mile beyond the corporate limits of said Town; to prescribe and enforce ordinances for the purpose of protecting the health, decency, morality and order of the Town and its inhabitants, and to punish violators of such ordinances, even if the offenses under and against such ordinances shall also constitute offenses under the laws of the State of West Virginia, or the common law, for which purpose also the jurisdiction of said Town shall extend for one mile beyond the corporate limits thereof.

SECTION 22. POWER TO REPAIR SIDEWALKS, ETC.

If the owner or occupant of any sidewalk, footway, gutter or pavement in said Town, or of the real property next adjacent thereto, shall fail or refuse to curb, pave or keep the same clean, in the manner and within the time required by the Council, it shall be the duty of the Council to cause the same to be done at the expense of the said Town and to assess the amount of such expense upon such owner or occupant, and the same may be collected by the Town sergeant in the manner herein provided for the collection of Town taxes.

SECTION 23. GENERAL POWERS.

To carry into effect these enumerated powers, and all other powers conferred upon the said Town, or its Council, expressly or by implication, by this or any future act of the legislature of this State, the Council shall have power to make, pass and enforce all needful orders, bylaws, ordinances, resolutions, rules and regulations, not contrary to the Constitution and laws of this State; and to prescribe and impose reasonable fines, penalties, and imprisonment in the County jail for a term not exceeding thirty days, for violations thereof. Such fines, penalties and imprisonment shall be recovered and enforced under the judgment of the Mayor of said Town, or the person lawfully exercising the functions of Mayor. And the authorities of said Town may, with the consent of the County Court of Jefferson County, entered of record, use the jail of said County for any purposes for which the use of a jail may be needed by them, under the acts of the Council or of the State.

SECTION 24. ANNUAL ESTIMATE.

The Council shall cause to be made up annually and entered upon its journal an accurate estimate of all sums which are or may become lawfully chargeable on said Town, and which ought to be paid within one year, and it shall order a Town levy of so much, in its opinion, as may be necessary to pay the same; provided, however, that the tax rate shall not exceed thirty-five cents on the one hundred dollars, except where it appears to the satisfaction of the Council that a levy of thirty-five cents on each one hundred dollars will not produce sufficient revenue in any one year to pay current expenses, the interest on the bonded indebtedness of the Town, and provide for a sinking fund sufficient to liquidate such bonded indebtedness within the time prescribed by law; and in such case, the Council may, by a vote of a majority of all members elected to the Council, increase such tax rate to such a rate, not exceeding fifty cents on the one hundred dollars, as may be necessary for the purpose aforesaid. All vacant property embraced in the proposed boundaries of the said Town, beyond the old limits of the Town, shall be subject only to such taxation for the benefit of said Town, as is levied upon other property for county and district purposes, and until the said vacant property shall be divided into lots for building purposes, and offered for sale as such, and until the streets of the said Town shall be opened for the use and accommodation of the same.

SECTION 25. ANNUAL LEVY.

The levy so ordered shall be upon all male persons resident of said Town over the age of twenty-one years, dogs, and all real and personal estate within the said Town, subject to State or County taxes; provided, that the tax so levied upon persons does not exceed two dollars per head.

SECTION 26. LICENSES.

Whenever anything for which a State license is required is to be done within the said Town, the Council may require a Town license therefor, and may impose a tax thereon for the use of the Town. The Council may require from the persons so licensed a bond with sureties, payable to the Town, in such penalties and with such conditions as it may think proper, and may revoke such license at any time, after due notice and a hearing thereon, if the conditions of said bond be broken.

SECTION 27. ASSESSOR.

It shall be the duty of the Assessor to make an assessment of the persons, dogs, and property within said Town subject to taxation, substantially in the manner and form in which such assessments are made by the Assessor of the County, and to return the same to the Council on or before the first day of July in each year; and for this purpose he shall have all the powers conferred by law upon the County Assessor. He shall receive a compensation for his services to be fixed by the Council, which shall not be increased or diminished during his continuance in office.

SECTION 28. SERGEANT.

The Sergeant shall have power to collect the Town taxes, fines, and levies, and shall have power one month after he receives the books of the Assessor of said Town, to distrain and sell therefor, in like manner as the Sheriff may distrain and sell for State taxes, and shall in all other respects have the same powers as a Sheriff, to enforce the payment and collection thereof; and the said Sergeant shall have power, within the corporate limits, to exercise all the duties of a constable as a conservator of the peace, and he shall be entitled to the same compensation therefor. Upon the conviction of any person arrested by him, for the violation of any of the ordinances of the Town, he shall be entitled to one dollar for such arrest, to be taxed in the costs against the person so convicted, and he and his sureties shall be liable to all fines, penalties and forfeitures that a constable is legally liable to, for any failure or dereliction in his said office, to be recovered in the same manner and before the same courts that said fines, penalties and forfeitures are now recoverable against constables.

SECTION 29. LIEN ON REAL ESTATE FOR TAXES.

There shall be a lien upon real estate within said corporation for the Town taxes assessed thereon, from the commencement of the year in which they are assessed, and for all other assessments, fines and penalties assessed or imposed upon the owners thereof by the authorities of the Town, from the time the same are so assessed or imposed, which liens shall be enforced by the Council in the same manner as the lien for taxes for county purposes is now enforced or by suit in equity in the circuit court of Jefferson County. The lien aforesaid shall have priority over all other liens, except that for taxes due the State.

SECTION 30. PROHIBITION OF SHOWS.

The Council may prohibit any theatrical or other performance, show or exhibition which it may deem injurious to the morals or good order of the Town.

SECTION 31. BONDS OF SERGEANT AND TREASURER.

The Council shall have the power to require and take from the sergeant and treasurer bonds, with sureties satisfactory to the Council, in such penalty as it may deem sufficient, except that as to the sergeant it shall not be for a penalty less than two thousand five hundred dollars; and said bond shall be conditioned for the true and faithful performance of his duties as sergeant, and for the collecting and accounting for and payment of the taxes, fines and other moneys of the Town which shall come into his hands, or which it shall be his duty to collect, at such times and to such persons as the Council may order.

The Treasurer's bond shall be conditioned for the true and faithful performance of his duties as Treasurer, and that he will faithfully pay over and account for all moneys that shall come into his hands as Treasurer, when and as he shall be thereto required by the Council.

SECTION 32. MAYOR; POWERS, DUTIES, ETC.

The Mayor shall be the chief executive officer of the Town, and shall take care that all bylaws, ordinances and orders of the Council are faithfully executed. He shall be ex officio a conservator and justice of the peace within said Town, and shall, within the same, exercise all the powers and duties vested in justices, except that he shall have no jurisdiction as such in civil cases. He shall have control of the police of the Town, and may appoint special police officers whenever he deems it necessary, and it shall be his duty especially to see that the peace and good order of said Town are preserved, and that the persons and property therein are protected; and to this end he may cause the arrest and detention of all riotous and disorderly persons in said Town before issuing his warrant therefor. He shall have power to issue executions for all fines, penalties and costs imposed by him, or he may require the immediate payment thereof, and in default of such payment he may commit the party in default to the jail of Jefferson County until the fine or penalty and costs shall be paid, to be employed during the term of his imprisonment as hereinafter provided; but the term of imprisonment in such case shall not exceed thirty days. He shall, from time to time, recommend to the Council such measures as he may deem needful to the welfare of the Town. He may receive a compensation for his services, to be fixed by the Council, which shall not be increased nor diminished during the term for which he was elected.

SECTION 33. CLERK; HIS DUTIES AND COMPENSATION.

It shall be the duty of the Clerk to keep the journal of the proceedings of the Council, and to have charge of and preserve the records, papers, documents, contracts, etc., of the Town. He shall attend the Mayor in all his examinations, issue his orders, swear witnesses, and perform all the duties of a Clerk in the Council and Mayor's Court. He shall receive such compensation for his services as may be fixed by the Council, which shall not be increased nor diminished during his term of office.

SECTION 34. SERGEANT; HIS DUTIES, LIABILITIES AND COMPENSATION.

It shall be the duty of the Town Sergeant to collect the taxes, fines and other income and revenue of the Town, as specified in his bond, and to account for and pay the same to the Treasurer at such times as the Council may order. And it shall be his duty, at least once in every three months, and oftener if required by the Council, to render an account of the taxes, fines and other claims in his hands for collection, and return a list of such as he shall have been unable to collect by reason of insolvency, to which list he shall make an oath that he has used due diligence to collect the same, but has been unable to do so. The Council shall, if it be satisfied that he could not have collected the same by the use of due diligence, allow them. But if the Council shall be of opinion that by the use of due diligence on the part of said Sergeant he could have collected the same, or any part thereof, then he shall be

charged with such as he might have collected. The said Sergeant shall do and perform all other acts pertaining to the office of Sergeant of a corporation, and of a police officer within said Town, and as such shall have the same powers, duties, fees and liabilities as are by law prescribed for a constable when acting as such. He shall for his services receive such compensation as shall be fixed by the Council.

SECTION 35. TREASURER.

All moneys belonging to said Town shall be paid over to the Treasurer, none of which shall be paid out by him except as the same have been apportioned and ordered to be paid by the Council; and the said Treasurer shall pay the same upon the certificate of the Mayor.

SECTION 36. MOTION AGAINST TREASURER.

If the Treasurer shall fail to account for and pay over all or any moneys that shall come into his hands, when thereto required by the Council, it shall be lawful for the Council, in the corporate name of the town, by motion before the circuit court of Jefferson County, or any court having jurisdiction, after ten days' previous notice, to recover from the treasurer and his sureties, or their personal representative, any sum that may be due from said treasurer to said town.

SECTION 37. MOTION AGAINST SERGEANT.

If the Sergeant shall fail to collect, account for and pay over all the taxes, fines and other revenue of the Town in his hands for collection, according to the conditions of his bond, it shall be lawful for the Council to recover the same by motion, in the corporate name of the Town, in the same manner and before the same courts as provided against the Treasurer in Section Thirty-Six of this Act.

SECTION 38. COMMISSIONER OF STREETS.

It shall be the duty of the Commissioner of Streets to superintend the opening, construction and repair of the roads, streets and alleys, sidewalks, crosswalks, footways, drains, and gutters within the said Town, and to put and keep the same in good repair, and to carry into execution all the resolutions, orders and ordinances of the Council in relation thereto.

SECTION 39. EXEMPTION FROM ROAD AND POOR TAX.

The said Town, and the taxable persons and property therein, shall be exempt and free from the payment of any poor taxes or ordinary road tax, and from contributing to any county expenses for the poor and the ordinary roads and bridges of said County, outside of the corporate limits of the said Town, for any year in which said Town shall, at its own expense, provide for its own poor and keep its streets and bridges in order.

SECTION 40. HITCHING YARD.

The Municipal authorities of the Town shall have power to provide, maintain and operate a hitching yard for the use of the public, and to this end may acquire by purchase, condemnation or otherwise, a sufficient amount of real estate, either within or without the corporate limits. It is authorized to make reasonable rules and regulations for the use of the same, including the rights to make reasonable charges against persons using and occupying it; to erect suitable buildings and sheds thereon; to keep the same clean; to provide a watchman or caretaker, and to prescribe his powers, duties, and compensation, taking from him such bond as may be thought proper. The County Court of Jefferson County is hereby authorized to appropriate such sums annually as it may think proper for the purpose of maintaining, in connection with the authorities of the Town of Charles Town such hitching yard. Should said County Court make such appropriation, rules and regulations respecting the use thereof shall be prescribed by a joint committee of the County Court of Jefferson County and the Council of the corporation of Charles Town. The amount of the appropriation by the County Court in each year shall not be less than one hundred nor more than five hundred dollars.

SECTION 41. FORMER TOLL ROADS WITHIN THE CORPORATE LIMITS.

Nothing contained in this Act shall be deemed to place upon the corporation of Charles Town the duty of maintaining and keeping in good order and repair and covered with gravel such streets and roads within the corporate limits as were formerly toll roads or turnpikes, the duty to maintain which and keep in good order and repair and covered with gravel, is placed upon the County Court by the acts of the legislature of one thousand nine hundred and three, one thousand nine hundred and seven and one thousand nine hundred and nine. The County Court of Jefferson County may, however, upon the request of the Council of the corporation of Charles Town surrender its jurisdiction and control of any or all of such roads or streets within the corporate limits to the corporation of Charles Town; and in such case, the duty of maintaining such streets, and keeping them in good order and repaired and covered with gravel, shall be placed upon the corporation of Charles Town; and in such case the county court of Jefferson County shall pay to the corporation of Charles Town annually such amounts as may be expended by it in maintenance of such roads and streets; or the said County Court of Jefferson County may, at its option, pay to the corporation of Charles Town such lump sum as may be agreed upon between them, in consideration of the corporation of Charles Town assuming jurisdiction of such roads and streets, and becoming liable for their upkeep, maintenance and repair, as aforesaid.

SECTION 42. OTHER PROVISIONS OF LAW APPLICABLE.

The corporation of Charles Town, except as is herein otherwise provided, shall have all the powers, rights and privileges, and be entitled to all the benefits now conferred on municipal corporations by West Virginia Code 8-11-1 et seq. or which may hereafter be granted to municipal corporations by general law.

SECTION 43. RIGHTS RESERVED.

All rights, privileges and properties of the said Town, heretofore acquired and possessed, owned and enjoyed by said Town under any act now in force, shall continue undiminished and remain vested in said Town under this Act; and all laws, ordinances and resolutions of the council now in force and not inconsistent with this Act shall be and continue in full force and effect until regularly repealed by a Council elected as provided under this Act.

SECTION 44. DUTIES OF THE COUNCIL.

The Council shall adopt all needful and just ward regulations, whether general or special, for the good of the citizens thereof. It shall authorize street expenditures in the several wards as equity and justice shall demand; and may authorize the collection of a special tax in any ward of the Town, for a specified purpose within such ward, when requested to do so by a majority of the voters thereof. Whenever in the opinion of the Council it becomes necessary to lay off said Town into more than four wards, the said Council shall lay it off.

SECTION 45. PRISONERS; HOW EMPLOYED.

The Council shall provide for the employment and safekeeping of persons who may be committed for default in payment of fines, penalties, or costs under this Act, and who are otherwise unable to discharge the same, by putting them to work for the benefit of the Town; shall keep on hand an ample supply of necessary material for the same, and shall provide all necessary tools, implements, fixtures, and facilities for the immediate employment of any and all of such persons; shall fix a reasonable rate per diem as wages to be allowed every person, until such fine and costs against him are discharged; and the clerk shall keep an account of all fines and penalties so collected and expended.

SECTION 46. OPENING STREETS.

The Council of said corporation shall be entitled to all the benefits of West Virginia Code 54-1-1 to 54-2-20 for the condemnation of land for streets, alleys and public buildings in said corporation, and the Commissioners appointed under said chapter shall in cases of opening streets or alleys or in widening the same, not only assess what is a just compensation as provided in said chapter, but they shall also assess the damages and benefits to all lot owners or property holders having lots or land adjacent to and abutting on said street or alley, whose lot or land may be benefited or injured by the opening of such street or alley or by the widening of any such street or alley, and shall make report as provided in said chapter, but lot owners and property holders shall be named in the application and served with notice as required by said chapter, and the duties of such Commissioners and their oaths shall cover the duties herein imposed. All assessments for benefits under this Act shall be a lien on the property against which the same are assessed, and may be enforced in a court of equity. But either party to such assessment of damages or benefits shall have the right to call for a jury as provided in said chapter.

RESOLUTION NO. 02-08

A RESOLUTION PROMULGATING RULES OF THE
COMMON COUNCIL OF THE CITY OF CHARLES TOWN IN
ACCORDANCE WITH WEST VIRGINIA STATE CODE §6-9A-
5, *Proceedings to be open; public notice of meetings.*

The Common Council of the City of Charles Town recognizes the right of each citizen to be heard before the Council and;

WHEREAS, the Common Council of the City of Charles Town hereby finds and states the following declaration of policy in accordance with West Virginia State Code §6-9A-1:

That public agencies in this City exist for the singular purpose of representing citizens of this City in governmental affairs, and it is, therefore, in the best interests of the people of this City for the proceedings of public agencies be conducted openly, with only a few clearly defined exceptions. The Common Council hereby further finds and declares that the citizens of the City do not yield their sovereignty to the governmental agencies that serve them. The people in delegating authority do not give their public servants the right to decide what is good for them to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments of government created by them.

Open government allows the public to educate itself about government decision-making through individuals' attendance and participation at government functions, distribution of government information by the press or interested citizens, and public debate on issues deliberated within the government.

Public access to information promotes attendance at meetings, improves planning of meetings, and encourages more thorough preparation and complete discussion of issues by participating officials. The government also benefits from openness because better preparation and public input allow government agencies to gauge public preferences accurately and thereby tailor their actions and policies more closely to public needs. Public confidence and understanding ease potential resistance to government programs.

Resolution No. 02-08

Accordingly, the benefits of openness inure to both the public affected by governmental decision-making and the decision makers themselves. The Common Council finds, however, that openness, public access to information and a desire to improve the operation of government do not require nor permit every meeting to be a public meeting. The Common Council finds that it would be unrealistic, if not impossible, to carry on the business of government should every meeting, every contact and every discussion seeking advice and counsel in order to acquire the necessary information, data or intelligence needed by a governing body were required to be a public meeting. It is the intent of the Common Council to balance these interests in order to allow government to function and the public to participate in a meaningful manner in public agency decision-making.

WHEREAS, the Common Council of the City of Charles Town intends to adhere to West Virginia State Code §6-9A-3, *Proceedings to be open; public notice of meeting*, that states in part:

Any governing body may make and enforce reasonable rules and regulations for attendance and presentation at any meeting where there is not room enough for all members of the public who wish to attend. This article does not prohibit the removal from a meeting of any member of the public who is disrupting the meeting to the extent that orderly conduct of the meeting is compromised; Provided, That persons who desire to address the governing body may not be required to register to address the body more than fifteen minutes prior to time the scheduled meeting is to commence.

WHEREAS, the Common Council of the City of Charles Town intends to adhere to West Virginia State Code §6-9A-3, *Proceedings to be open; public notice of meeting*, that further states in part:

Each governing body shall promulgate rules by which the date, time, place and agenda of all regularly scheduled meetings and the date, time, place and purpose of all special meetings are made available, in advance, to the public and news media, except in the event of an emergency requiring immediate official action.

WHEREAS, the Common Council of the City of Charles Town by this Resolution shall establish and enforce as reasonable regulations the following:

1. To constitute a meeting, the Common Council hereby finds that a meeting is the convening of any public agency for which a quorum is required in order to make a decision or to deliberate toward a decision on any matter that results in an official action.

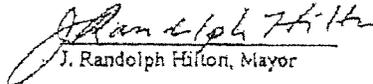

Resolution No. 02-08

2. That when a governing body holds regular meetings every two weeks, or less frequently, a meeting agenda should be made available to the media and public at least three days in advance of the meeting. In calculating the three-day notice period, Saturdays, Sundays, and legal holidays are not counted. The governing body can amend an agenda that was issued three or more days in advance of a meeting, to add additional items that were not known when the agenda was first issued. However, this amended agenda must be made available at least two days in advance of the meeting. Notices required herein shall be placed on the public notice board at 103 S. George Street, Charles Town, WV.
3. That the right of each citizen to be heard before the Council shall be for an initial period of five minutes. Council may upon motion extend this time period with regard to complex subject matter. That persons who desire to address the governing body shall register to address the body fifteen minutes prior to the time the scheduled meeting is to commence.
4. This Resolution shall not be construed to prohibit the removal from a meeting of any member of the public who is disrupting the meeting to the extent that orderly conduct of the meeting is compromised.
5. All Boards and ^{Commissions} ~~Committees~~ of the City of Charles Town shall comply with this Resolution.
6. In keeping with past practice and procedure, the standing committees of the Common Council shall not require a quorum to meet.
7. Exceptions set forth in West Virginia State Code §6-9A-4 are applicable herein.

NOW, THEREFORE, BE IT RESOLVED that the Common Council of the City of Charles Town in Jefferson County of the State of West Virginia hereby proclaims this Resolution & promulgation of rules in accordance with West Virginia State Code §6-9A-3. *Proceedings to be open; public notice of meeting.*

Councilman Clendening opened the floor for the First Reading of AN ORDINANCE AUTHORIZING THE ACQUISITION AND CONSTRUCTION OF CERTAIN ADDITIONS, BETTERMENTS AND IMPROVEMENTS TO THE WATERWORKS AND SEWERAGE PORTIONS OF THE EXISTING COMBINED WATERWORKS AND SEWERAGE SYSTEM OF THE CITY OF CHARLES TOWN AND THE FINANCING OF THE COST THEREOF, NOT OTHERWISE PROVIDED, THROUGH THE ISSUANCE BY THE CITY OF NOT MORE THAN \$3,500,000 IN AGGREGATE PRINCIPAL AMOUNT OF COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 2013 (TAX EXEMPT); PROVIDING FOR THE RIGHTS AND REMEDIES OF, AND THE SECURITY FOR THE REGISTERED OWNERS OF SUCH BONDS; AUTHORIZING THE EXECUTION AND DELIVERY OF A BOND PURCHASE AGREEMENT, A CONTINUING DISCLOSURE AGREEMENT AND OTHER DOCUMENTS RELATING TO THE BONDS; AND ENACTING OTHER PROVISIONS WITH RESPECT TO SUCH BONDS. A motion was

made by Councilman Slover, seconded by Councilwoman McDonald, and the Council voted 7-1 to approve the First Reading of AN ORDINANCE AUTHORIZING THE ACQUISITION AND CONSTRUCTION OF CERTAIN ADDITIONS, BETTERMENTS AND IMPROVEMENTS TO THE WATERWORKS AND SEWERAGE PORTIONS OF THE EXISTING COMBINED WATERWORKS AND SEWERAGE SYSTEM OF THE CITY OF CHARLES TOWN AND THE FINANCING OF THE COST THEREOF, NOT OTHERWISE PROVIDED, THROUGH THE ISSUANCE BY THE CITY OF NOT MORE THAN \$3,500,000 IN AGGREGATE PRINCIPAL AMOUNT OF COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 2013 (TAX EXEMPT); PROVIDING FOR THE RIGHTS AND REMEDIES OF, AND THE SECURITY FOR THE REGISTERED OWNERS OF SUCH BONDS; AUTHORIZING THE EXECUTION AND DELIVERY OF A BOND PURCHASE AGREEMENT, A CONTINUING DISCLOSURE AGREEMENT AND OTHER DOCUMENTS RELATING TO THE BONDS; AND ENACTING OTHER PROVISIONS WITH RESPECT TO SUCH BONDS, with Councilman Clark voting against.

Councilman Clendening opened the floor for the approval of the Yard Waste Request for Proposal. Mr. Cosentini informed the Council that the RFP was advertised in February and that the City has received one bid from Lyle C. Tabb & Sons, Inc. A motion was made by Councilman Hines, seconded by Councilman Reinhart, and the Council unanimously voted to approve the Request for Proposal and the contract with Lyle C. Tabb & Sons, Inc. for yard waste removal services.

Councilman Clendening opened the floor for Special Activity Permit 1304: Charles Town Farmers' Market. The Council discussed the possibility of alternate locations for the market. A motion was made by Councilman Reinhart, seconded by Councilman Bringewatt, and the Council unanimously voted to table approval of Special Activity Permit 1304: Charles Town Farmers' Market until the March 18 Council meeting.

APPOINTMENTS

Councilman Clendening opened the floor for one vacancy, a term that expired on January 1, 2013, on the Board of Zoning Appeals. A motion was made by Councilman Bringewatt, seconded by Councilman Clark, and the Council unanimously voted to reappoint William Warren to the Board of Zoning Appeals for the term ending January 1, 2016.

COUNCIL REPORTS

Councilman Reinhart, Ward I, informed the Council that Joan Slusher's dog has been found.

Councilman Hines, Ward II, asked Chief Kutcher if there was any news on the break-ins in his ward. The Chief informed the Council that there are no leads at this point but that patrols have been increased in the area.

Councilwoman Paonessa, Ward III, asked about the status of the Historic Landmarks Commission ordinance. Mr. Cosentini informed the Council that this ordinance is being finalized.

Councilman Bringewatt, Ward IV, asked what the next step would be to resolve the traffic and safety issues at the intersection of Route 115 and Citizens Way. Councilman Bringewatt would like to see the process expedited. Mr. Cosentini informed the Council that staff and the Police Department are currently working with the Department of Highways to review options for this intersection.

CITY MANAGER'S REPORT

Mr. Cosentini informed the Council that the City currently has a 1999 International Dump Truck at the maintenance yard that is not being used. The Utility Board would like to purchase this truck for \$10,000. Because this is an intergovernmental transfer, the purchase of the truck does not need to be bid. A motion was made by Councilman Hines, seconded by Councilman Reinhart, and the Council unanimously voted to sell the dump truck to the Utility Board for \$10,000 and place the funds in reserve for the Maintenance Department.

Mr. Cosentini informed the Council that the City has partnered with the Hagerstown/Eastern Panhandle Metropolitan Planning Organization to develop the Charles Town Transportation Plan with reserve funding from the FY2012 carryover. A motion was made by Councilman Reinhart, seconded by Councilman Bringewatt, and the Council unanimously voted to approve the scope of work for the Transportation Plan and add prioritization of traffic control at the Route 115 and Citizens Way intersection to the scope of work.

Mr. Cosentini informed the Council that the FY2014 Budget will be presented at the March 18 Council meeting and shows a 3% decrease from the FY2013 budget. Mr. Cosentini also informed the Council that the Hunter Hill rezoning request came before the Planning Commission on February 25 and the planning commission recommended that the rezoning request be denied. The two property owners at Jefferson Heights have not been able to agree on a plan for the properties and one owner has submitted a revised concept plan and conditions of annexation which will be presented to Council on March 18. The weather report for March 6 is indicating heavy snow and the Maintenance Department is currently preparing for the snowstorm.

CHIEF OF POLICE REPORT

Chief Kutcher informed the Council that in February, the number of accidents decreased.

The department continued to maintain high productivity and the number of arrests increased.

PERSONNEL COMMITTEE REPORT

Councilman Clendening informed the Council that the Personnel Committee met on February 8 to discuss holiday and pay schedules for employees who work less than 40-hour work weeks. The Personnel Committee made recommendations to update the holiday, vacation leave, and sick leave policies for these employees. A motion was made by Councilman Reinhart, seconded by Councilman Clark, and the Council unanimously voted to approve the following holiday, vacation leave, and sick leave policy recommendations from the Personnel Committee for employees who work less than 40-hour work weeks:

5.3 Holidays

Both civil service and non-civil service employees shall receive holidays as specified in West Virginia State Code §2-2-1.

A regular full-time, non-civil service employee who works less than a 40-hour work week will receive holiday pay if the holiday falls on their regularly scheduled work day. If the holiday falls on their regularly scheduled day off, they will not receive holiday pay for that day.

NEW BUSINESS

Mayor Smith opened the floor for Resolution 2013-02: National Missing Children's Day. A motion was made by Councilman Clark, seconded by Councilman Reinhart, and the Council unanimously voted to approve Resolution 2013-02: National Missing Children's Day, as follows:

Resolution 2013-02
National Missing Children's Day

WHEREAS, according to the U.S. Department of Justice, an estimated 800,000 children are reported missing each year; and

WHEREAS, on average, approximately 2,000 children are reported missing to law-enforcement agencies daily; and

APPROXIMATELY, 58,200 of these children are victims of non-family abductions and more than 200,000 are the victims of family abductions; and

WHEREAS, the National Center for Missing & Exploited Children® (NCMEC) exists as a resource to help prevent child abduction and sexual exploitation, help find missing children, and assist victims of child abduction and sexual exploitation, their families, and the professionals who serve them; and

WHEREAS, this special day is a time to remember those children who are missing and give hope to their families.

NOW THEREFORE BE IT RESOLVED that, in partnership with NCMEC and its supporters, the City of Charles Town proclaims May 25 as National Missing Children's Day.

THEREFORE, BE IT FURTHER RESOLVED that the City of Charles Town urges the participation of local government, law enforcement, and communities in the protection of children and educating children about child abduction and sexual exploitation, and how to respond and seek help from law enforcement, social services, and NCMEC.

THEREFORE, BE IT FURTHER RESOLVED that the City of Charles Town encourages all individuals to take 25 minutes to help children stay safer.

THEREFORE, BE IT FURTHER RESOLVED by the City of Charles Town: That May 25, 2013, is set aside as National Missing Children's Day as part of the City of Charles Town's continuing efforts to prevent the abduction and sexual exploitation of children.

Mayor Smith opened the floor for the appointment of 2013 Charles Town Municipal Election Pollworkers. The City Clerk asked that the Council approve the following pollworkers: Valerie Campbell, Stella Robinson, Tara Hostler, Peggy Turner, Locke Wysong, Jr., Jean Lademan, and Jean Roberts. The City Clerk also asked that the Council approve the following pollworkers for early voting: Valerie Campbell, Tara Hostler, Norma Napier, Jeni Sales, and Katie See. A motion was made by Councilman Clendening, seconded by Councilman Hines, and the Council unanimously voted to approve Valerie Campbell, Stella Robinson, Tara Hostler, Peggy Turner, Locke Wysong, Jr., Jean Lademan, and Jean Roberts as election pollworkers and Valerie Campbell, Tara Hostler, Norma Napier, Jeni Sales, and Katie See as early voting pollworkers.

Mayor Smith opened the floor for approval of bills. A motion was made by Councilman Reinhart, seconded by Councilwoman McDonald, and the Council unanimously voted to approve the bills as presented.

MAYOR AND COUNCIL REPORTS

Mayor Smith informed the Council that the City has pictures of the demolished structure on West Street.

Councilman Clark, Ward II, informed the Council that he would like to be notified in advance of the next City demolition effort.

Councilman Clendening, Ward III, informed the Council that the Charles Town sign by Summit Point Road is in need of repair. Councilman Clendening also informed the Council that he contacted the Journal in order to rebut the recent comments regarding feral cats.

Councilman Bringewatt, Ward IV, informed the Council that he has received positive feedback from the community regarding the recent demolition of the vacant/uninhabitable structure on West Street. Councilman Bringewatt also informed the Council that both the West Virginia House and Senate will soon be voting on the Commuter Rail Access Act which would provide a tax incentive for CSX to continue commuter rail services in West Virginia. He believes the City Council should support this effort.

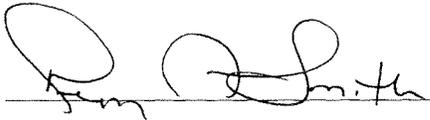

CITY MANAGER REPORT

Mr. Cosentini informed the Council that the FY2012 Audit was included in Council packets and that the OPEB liability was listed as a finding. Perry & Associates offers a post-audit conference and if the Council is interested, he can schedule a conference.

CHIEF OF POLICE REPORT

Lieutenant Manning informed the Council that the Charles Town Police Department was awarded money from the Highway Safety Patrol for DUI patrols. The Police Department also recently concluded a narcotics investigation.

With no further business pending, a motion was made by Councilman Reinhart, seconded by Councilwoman McDonald, and the Council unanimously voted to adjourn at 7:56 p.m.

Mayor Smith opened the floor for Resolution 2013-06: Revision of the Village at Samuel Station Conditions of Annexation. Mr. Cosentini explained to the Council that a request was received from the property owner to amend the Conditions of Annexation. The request complies with the Subdivision and Land Development Ordinance A motion was made by Councilman Clark, seconded by Councilwoman McDonald, and upon discussion, the Council voted 5-2 to approve Resolution 2013-06: Revision of the Village at Samuel Station Conditions of

Annexation with the additional provision added to Planning and Zoning Compliance #5 Condition of Annexation that the location of the existing sewer plant and pump station be disclosed to prospective property owners. Councilman Wertman and Councilwoman Paonessa voted against the Resolution. Resolution 2013-06: Revision of the Village at Samuel Station Conditions of Annexation is as follows:

Resolution 2013-06

Accepting Revised Conditions of Annexation

WHEREAS, the owner of the Village at Samuel Station property wishes to amend the Conditions of Annexation that were adopted when the property was annexed into the City in 2007; and,

WHEREAS, through direct negotiation, the City and the property owner have compiled revised conditions of annexation attached to this document, referred to as Exhibit 1: Amended Conditions of Annexation for the Village at Samuel Station.

NOW, THEREFORE BE IT RESOLVED, by the City Council of the City of Charles Town, to accept and approve the amended Conditions of Annexation for the Village at Samuel Station.

Mayor Smith opened the floor for the Review and Approval of Norborne Glebe Bond Phase 3. A motion was made by Councilman Reinhart, seconded by Councilman Clark, and the Council unanimously voted to approve Norborne Glebe Bond Phase 3.

MAYOR AND COUNCIL REPORTS

Mayor Smith informed the Council that a thank you letter was received from the Animal Welfare Society of Jefferson County for the City's donation. Mayor Smith thanked City staff for their work on the Car Show. The Car Show was very successful this year and over 400 cars were displayed. The Mayor informed the Council that they have received an invitation from Maria Lorensen to tour the new Hospice facility on September 26. The Mayor will be approaching the County Commission on September 5 to request that the courthouse be open for two tours on Saturdays and one tour on Sundays during peak tourism season. A sample tour for the County Commission and City Council will be provided on September 14 at 10:00 a.m. Jim Surkamp will be paid \$25 per tour to guide visitors through the courthouse.

Councilman Reinhart, Ward I, informed the Council that he received a complaint regarding the 4-way stop at Revere and Campbell Drives. Mr. Cosentini informed the Council that he has met with neighbors in the area, the subdivision developer, and the Homeowner's

Association President regarding this stop and that discussions are in process regarding possible speed humps at the crosswalk.

Councilman Clark, Ward II, informed the Council that attended an event in Spruce Hill North and that residents are pleased with the recent paving. Councilman Clark informed the Council that there have been posts in the Journal Junction that claim to be from a sitting Charles Town City Council member in Huntfield. Councilman Clark informed the Council that he has not written these comments in the Journal, and that he has contacted the Journal regarding the comments.

Councilwoman Paonessa, Ward III, informed the Council that the Anvil Play will be taking place at the Jefferson County courthouse during the weekend of the Heritage Festival and that it is a great play.

Councilman Wertman, Ward III, informed the Council that he attended a Jefferson County Historic Landmarks Commission meeting where a contract was awarded for the renovation of the exterior of the Jefferson County Courthouse. The maintenance director is currently making decisions on the renovations and the Commission is amenable to input from the public. Councilman Wertman would like to see the Charles Town Historic Landmarks Commission provide input.

CITY MANAGER'S REPORT

Mr. Cosentini informed the Council that the contract between the City and Thomas P. Miller & Associates needs to be approved. There is one amendment to the contract on page 2, item 7. Councilman Bringewatt pointed out that there is no expiration period in the contract. A motion was made by Councilman Clark, seconded by Councilwoman McDonald, and the Council unanimously voted to approve the contract for economic development planning services with Thomas P. Miller & Associates with the amendment to Item 7 on Page 2, and an expiration clause. Mr. Cosentini distributed accountings for event revenues and expenses in 2013. Mr. Cosentini informed the Council that he is in discussions with John Dorsey regarding the Women's Club property. It is likely that representatives from Charles Town, Ranson, and Jefferson County will be petitioning the court to sell or otherwise dispose of the property. The Avis Street water tank will be painted beginning this week. The tank will be shrouded, a few trees will be removed, and a pressure system will be installed while the tank is offline.

CHIEF OF POLICE REPORT

Chief Kutcher presented to the Council a service agreement between the Charles Town Police Department and the Jefferson County Board of Education regarding the employment of crossing guards. A motion was made by Councilman Reinhart, seconded by Councilwoman Paonessa, and the Council unanimously voted to approve the service agreement between the

Charles Town Police Department and the Jefferson County Board of Education with the description of the employee status of "Part-Time" changed to "Seasonal". Chief Kutcher provided monthly statistics for the Police Department. Chief Kutcher informed the Council that the car show went well and that he received a very nice e-mail from the recipient of the Chief of Police's award for the Car Show.

FINANCE COMMITTEE REPORT

Mr. Cosentini informed the Council that the Finance Committee met on August 23 and recommends transferring \$200,000 of the unencumbered carryover funds to the residual funds. A motion was made by Councilman Clark, seconded by Councilwoman McDonald, and the Council unanimously voted to transfer \$200,000 of the unencumbered carryover funds to the residual fund. Mr. Cosentini informed the Council that an increase in revenues from building code fees for this fiscal year will allow the City to hire a full-time Code Enforcement position. A motion was made by Councilman Reinhart, seconded by Councilman Bringewatt, and the Council unanimously voted to combine the salaries for Code Enforcement and Maintenance Officials and increase the revenue from building code fees. The Finance Committee has proposed using unencumbered capital funds to pay off a remodeling bond from 2004 that is approximately \$190,000. A motion was made by Councilman Clark, seconded by Councilman Reinhart, and the Council unanimously voted to approve using unencumbered capital funds to pay off the remodeling bond from 2004.

Mayor Smith opened the floor for the approval of bills. A motion was made by Councilman Reinhart, seconded by Councilwoman McDonald, and the Council unanimously voted to approve the bills as presented.

With no further business pending, a motion was made by Councilman Hines, seconded by Councilwoman McDonald, and the Council unanimously voted to adjourn at 8:18 p.m.

**NOTICE OF PUBLIC HEARING ON THE
CITY OF CHARLES TOWN BONDS ORDINANCE**

A public hearing will be held on the following-entitled Ordinance at a regular meeting of the Council of the City of Charles Town (the "City") to be held on Monday, April 1, 2013, at 7:00 p.m. at the City Hall, Charles Town, West Virginia, and at such hearing any person interested may appear before the City and present protests, and all protests and suggestions shall be heard by the City and it shall then take such actions as it shall deem proper in the premises upon an Ordinance entitled:

CITY OF CHARLES TOWN

AN ORDINANCE AUTHORIZING THE ACQUISITION AND CONSTRUCTION OF CERTAIN ADDITIONS, BETTERMENTS AND IMPROVEMENTS TO THE WATERWORKS AND SEWERAGE PORTIONS OF THE EXISTING COMBINED WATERWORKS AND SEWERAGE SYSTEM OF THE CITY OF CHARLES TOWN AND THE FINANCING OF THE COST THEREOF, NOT OTHERWISE PROVIDED, THROUGH THE ISSUANCE BY THE CITY OF NOT MORE THAN \$3,500,000 IN AGGREGATE PRINCIPAL AMOUNT OF COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 2013 (TAX EXEMPT); PROVIDING FOR THE RIGHTS AND REMEDIES OF, AND THE SECURITY FOR, THE REGISTERED OWNERS OF SUCH BONDS; AUTHORIZING THE EXECUTION AND DELIVERY OF A BOND PURCHASE AGREEMENT, A CONTINUING DISCLOSURE AGREEMENT AND OTHER DOCUMENTS RELATING TO THE BONDS; AND ENACTING OTHER PROVISIONS WITH RESPECT TO SUCH BONDS.

The above-quoted title of the Ordinance describes generally the contents thereof and the purposes of the Bonds contemplated thereby. The City contemplates the issuance of the Bonds described in the Ordinance. The proceeds of the Bonds will be used (i) to pay the costs of acquisition and construction of certain additions, betterments and improvements to the waterworks and sewerage portions of the existing combined waterworks and sewerage system of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of the Bonds and related costs. The Bonds are payable solely from revenues to be derived from the ownership and operation of the system of the City.

The above-entitled Ordinance was adopted by the Council of the City of Charles Town on March 18, 2013. A certified copy of the

above-entitled Ordinance is on file with the City for review by interested parties during regular office hours.

Following the public hearing, the City intends to enact the Ordinance upon final reading.

A second public hearing will be held on the following-entitled Ordinance at a regular meeting of the Council of the City of Charles Town to be held on Monday, April 1, 2013, at 7:10 p.m. at the City Hall, Charles Town, West Virginia, and at such hearing any person interested may appear before the City and present protests, and all protests and suggestions shall be heard by the City and it shall then take such actions as it shall deem proper in the premises upon an Ordinance entitled:

AN ORDINANCE AUTHORIZING THE ACQUISITION AND CONSTRUCTION OF CERTAIN ADDITIONS, BETTERMENTS AND IMPROVEMENTS TO THE SEWERAGE PORTION OF THE EXISTING COMBINED WATERWORKS AND SEWERAGE SYSTEM OF THE CITY OF CHARLES TOWN AND THE FINANCING OF THE COST THEREOF, NOT OTHERWISE PROVIDED, THROUGH THE ISSUANCE BY THE CITY OF NOT MORE THAN \$1,200,000 IN AGGREGATE PRINCIPAL AMOUNT OF COMBINED WATERWORKS AND SEWERAGE SYSTEM BOND ANTICIPATION NOTES, SERIES 2013; PROVIDING FOR THE RIGHTS AND REMEDIES OF, AND THE SECURITY FOR, THE REGISTERED OWNERS OF SUCH BONDS; AUTHORIZING THE EXECUTION AND DELIVERY OF A NOTE PURCHASE AGREEMENT, A CONTINUING DISCLOSURE AGREEMENT AND OTHER DOCUMENTS RELATING TO THE NOTES; AND ENACTING OTHER PROVISIONS WITH RESPECT TO SUCH NOTES.

The above-quoted title of the Ordinance describes generally the contents thereof and the purposes of the Notes contemplated thereby. The City contemplates the issuance of the Notes described in the Ordinance. The proceeds of the Notes will be used (i) to temporarily finance the costs of acquisition and construction of certain additions, betterments and improvements to the sewerage portion of the existing combined waterworks and sewerage system of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of the Notes and related costs. The Notes are payable solely from future combined waterworks and sewerage system revenue bonds of the City to be issued subsequent to the issuance of the Series 2013 Notes to permanently finance the Project.

The above-entitled Ordinance was adopted by the Council of the City of Charles Town on March 18, 2013. A certified copy of the above-entitled Ordinance is on file with the City for review by interested parties during regular office hours.

Following the public hearing, the City intends to enact the Ordinance upon final reading.

Furthermore, the requested rates and charges are only a proposal and are subject to change (increases or decreases) by the Public Service Commission in its review of this filing. The Commission shall review and approve or modify the increased rates only upon the filing of a petition within thirty (30) days of the adoption of the ordinance changing said rates or charges, by:

(1) Any customer aggrieved by the changed rates or charges who presents to the Commission a petition signed by not less than twenty-five percent of the customers served by City of Charles Town operated utility; or

(2) Any customer who is served by City of Charles Town utility and who resides outside the corporate limits and who is affected by the change in said rates or charges and who presents to the Commission a Petition alleging discrimination between customers within and without the City of Charles Town boundaries. Said petition shall be accompanied by evidence of discrimination; or

(3) Any customer or group of customers who are affected by said change in rates who reside within the City of Charles Town corporate boundaries and who present a petition to the Commission alleging discrimination between said customer or group of customers and other customers of the City of Charles Town utility. Said petition shall be accompanied by evidence of discrimination.

All petitions should be addressed to the Executive Secretary, Public Service Commission of West Virginia, 201 Brooks Street, P.O. Box 812, Charleston, West Virginia 25323.

A complete copy of the proposed rates, as well as a representative of the utility to provide any information requested concerning it, is available to all customers, prospective customers, or their agents at the office of the City Clerk at Charles Town City Hall, 101 E. Washington St., Charles Town, WV and at the office of the Executive Secretary of the Public Service Commission at 201 Brooks Street, P.O. Box 812, Charleston, West Virginia 25323.

Mayor Smith opened the floor for discussion regarding the second reading of an Annexation Ordinance annexing the real estate known as the Fritts Property and Resolution 2008-06 Acceptance of Conditions of Annexation. Upon discussion, a motion by Councilwoman Willingham, seconded by Councilwoman Schmitt and the Council voted 5-4, with Councilwoman Gannon-Miller, Councilwoman McDaniel, Councilwoman Paonessa and Councilman Slover voting against, to approve the second reading of an Annexation Ordinance annexing the real estate known as the Fritts Property and Resolution 2008-06 Acceptance of Conditions of Annexation as presented and as follows:

AN ORDINANCE ANNEXING THE PROPERTY OF
J. RUSSELL FRITTS INC. CONTAINING
98.912 ACRES OF LAND

WHEREAS, West Virginia Code 8-6-4 permits a municipality to, by ordinance, annex additional territory without ordering a vote on the question if (1) a majority of the qualified voters of the additional territory file with the governing body a petition to be annexed and (2) a majority of all freeholders of the additional territory, whether they reside or have a place of business therein or not, file with the governing body a petition to be annexed, and

WHEREAS, J. Russell Fritts Inc. is the owner of the property sought to be annexed and is a West Virginian Corporation, and

WHEREAS, by definition in West Virginia Code 8-6-4(b), J. Russell Fritts Inc. is a qualified voter in the area sought to be annexed, and

WHEREAS, there are no other qualified voters or freeholders in the area sought to be annexed, and

WHEREAS, J. Russell Fritts Inc. constitutes a majority of the qualified voters in the area sought to be annexed, and

WHEREAS, pursuant to West Virginia Code 8-6-4(d) which states if qualified voters of the additional territory sought to be annexed are also freeholders in the additional territory, they may join only and sign one petition in the additional territory sought to be annexed, and

WHEREAS, pursuant to West Virginia Code 8-6-4(f) which states if all of the eligible petitioners are qualified voters, then only a voters petition is required, and

WHEREAS, the City of Charles Town has determined that the property sought to be annexed is contiguous and adjacent to the municipal boundary lines of the City of Charles Town pursuant to the description attached to the petition, and

WHEREAS, the property that is sought to be annexed is in the Charles Town District and is shown on the maps of the Charles Town District as Map 9, Parcel I, and

NOW, THEREFORE, WITNESSETH: That the undersigned, being a majority of the qualified eligible voters of the additional territory sought to be annexed, and the freeholders of the additional territory sought to be annexed, do hereby petition the City of Charles Town to include in its municipal boundaries by annexation, without election, all of that certain parcel of real estate as more particularly described in Exhibit A hereto. This parcel of land is contiguous and adjacent to the municipal boundary.

CONDITIONS OF ANNEXATION
FOR PROPERTY OF J. RUSSELL FRITTS, INC.

The Petitioner, J. Russell Fritts, Inc. for property owned by J. Russell Fritts, Inc., herein also referred to as "The Property", "Fritts Property" or similar language, and as identified by Parcel 1, Tax Map 9, Charles Town District, agrees to the following conditions of annexation if the property is annexed into the City of Charles Town, herein also referred to as "The City" and "Charles Town."

Impact statements pertaining to the City of Charles Town Annexation Policy Evaluation Criteria, and all proposed voluntary contributions, submitted as conditions of annexation, are as follows:

PLANNING & ZONING COMPLIANCE - EVALUATION CRITERIA #1:

Evaluation Criteria 1A -- Comprehensive Plan

This annexation is consistent with the City of Charles Town Comprehensive Plan per the following:

Chapter 3 -- Charles Town's Vision for the Future

- Commerce and Industry -- The Fritts Property will have a positive impact on the commerce and industry in Charles Town. The Fritts Property will offer between ten (10) to twenty (20) acres of commercial development which in turn will provide opportunity for the creation of new jobs and increased local tax revenue. As a consequence, petitioner reserves the right to request the City to amend the conditions of annexation and to potentially rezone the property to allow for the possible expansion of commercial uses within the site.
- Safety and Walkability - The Petitioner's current plans for the Property will promote walkability, with the incorporation of a walking trail or path in the proposed city park which will be linked to the sidewalks to be developed on the Property in both the proposed commercial and portions of the proposed residential sections of the property as deemed appropriate. The Fritts Property will promote safety in the community and Charles Town by completing the linking of recently annexed property (Langlet property) to the West Virginia Route 340 bypass and by connecting this property and recently annexed property to other recently annexed property (Prospect Place) via a new connecting road. This new connecting road would be consistent with the draft Charles Town Transportation Plan. This linkage via City street will have street lights and will meet other City requirements for safety purposes.
- Affordable Living -- The Petitioner intends to have multi-family housing, townhome and single family detached residential units on the Property, possibly including housing targeted and restricted to persons over the age of fifty-five (55), adding to the types of residential units found in the City which could provide affordable housing for median income families. In addition, and as specified below, Workforce Housing shall be provided.
- Jobs -- Upon completion of the project, the Property's commercial component will provide long-term employment opportunities. During the development of the property and the construction of individual units, the development of the Property will provide jobs in the local construction trades. New housing units will also create additional jobs in the community through the provision of services to the residents. Housing units targeted to those persons aged fifty-five (55) and older, will create new job opportunities as those types of units require services above and beyond those required in other types of new residential units.
- Infrastructure -- The Petitioner is providing the infrastructure for the Property by building the necessary roads and stormwater management

facilities. Water service for the development of the Property will be from the City of Charles Town Water Department. Sewer service for the development of the Property will be from Willow Spring Public Service Corporation and will not impact the City of Charles Town's sewer plant.

- Beautification – In keeping with the City's beautification efforts, the Petitioner shall donate a minimum of twenty (20) acres for a city park around Cattail Run and its accompanying unnamed tributary. The Petitioner will submit the park plan as part of its overall Schematic Plan proposal for the development and shall submit its landscaping plan to the City of Charles Town tree board and will provide landscaping throughout the Property in accordance with the requirements of the City's ordinances.

- Parks, Trails, Greenspace, and Recreation – As specified above, the Petitioner will donate land to the City of Charles Town for a city park along and buffering Cattail Run and unnamed tributary. This park would also run along the new street linking recently annexed property and the West Virginia Route 340 bypass providing a green space along one of the City's newest corridors. In addition to the donation of twenty (20) plus acres for a linear park, the Fritts Property will provide a donation of at least one and a half (1 ½) acres, void of any environmental features (i.e. wetlands, floodplains, steep slopes, etc.), along the proposed connector road for a neighborhood park. All donated parkland shall be dedicated to the City no later than ten (10) years from the date of annexation. As a requirement of development, a trail shall be constructed by the developer along Cattail Run from the adjacent property recently annexed by the City (Langlet Property), and shall connect with Keye's Ferry Road. This trail shall be a standard width of six (6) feet and shall be constructed with a hard surface material (i.e. asphalt).

Evaluation Criteria 1B – Urban Zoning

The following Charles Town zoning classification is requested with this annexation and is appropriate and will promote urban development on the Property ensuring orderly future growth that is consistent with the Charles Town growth policy.

The Fritts Property, as defined herein, consisting of approximately 98.912 acres, shall be zoned NR (Neighborhood Residential); provided that, the modifications expressly stated below will supersede City ordinance standards where applicable:

- No single family residential or duplex lot shall be smaller than five thousand (5,000) square feet or be larger than one acre (1 acre).
- The development of the property shall be limited as to residential use to 370 residential dwelling units.
- The development shall be designed so the larger single-family lots are located adjacent to the adjoining residential single-family lots in the County.

Evaluation Criteria 1C – Contiguous Location

The Property satisfies the requirements of the Code of West Virginia and is contiguous to the existing corporate limits of the City of Charles Town.

Evaluation Criteria 1D – Transportation Planning

This annexation is compatible with the City's efforts to coordinate land use and transportation planning and to avoid adverse traffic impacts on the community. To this end, the Petitioners agree to the following:

All non-state roads shall be designed to meet the City's design guidelines to serve the eventual users, residents and tenants of the road network. The connector road connecting the Route 340 Bypass with the planned road on the adjacent Langlet property recently annexed by the City shall be dedicated to the City with an eighty (80) foot wide right-of-way, except where the Planning Commission may decide a lesser width would be acceptable or necessary.

Connectivity of any internal roads and/or parking lot facilities shall be provided between adjoining properties to the greatest extent feasible, as determined by the Planning Commission and the developer of the Property.

A transportation study shall be prepared by a qualified professional and submitted as information for the Planning Commission's consideration during the Schematic Plan review process. This transportation study shall be prepared using the methodology determined acceptable by the West Virginia Department of Transportation, Division of Highways for transportation studies. The transportation study shall specify the on-site and off-site transportation improvements that are determined to be necessary for maintaining acceptable levels of service of proposed and existing transportation facilities which are impacted by the development of the Property. Unless later agreed by the government body of Charles Town, no costs shall be incurred by the City for the construction of new, or upgrading of existing, transportation facilities.

ECONOMIC GROWTH - EVALUATION CRITERIA #2:

This annexation increases the City's ability to create quality jobs and establish retail and commercial businesses because it provides at least ten (10) acres designed for commercial uses along the Route 340 Bypass. Furthermore, and as jointly determined by the Petitioner and City, the development of this property shall be done in a manner that emphasizes good aesthetics from the viewshed of the Route 340 Bypass.

AFFORDABLE HOUSING - EVALUATION CRITERIA #3

- This annexation will provide townhome and single family residential units on the Property, possibly including housing targeted and restricted to persons over the age of fifty-five (55), which will provide an additional housing stock type in the City which may provide affordable options for some median family income households.

- A minimum of twenty (20) units, either single-family detached or townhouse or a combination of the same, shall be developed and sold as Workforce Housing, in accordance to the rules and requirements approved by the City of Charles Town's Housing Opportunity Board.

PROTECTION OF RESOURCES - EVALUATION CRITERIA #4

The Petitioner intends to protect and buffer the Cattail Run by providing land for a park to be donated to the City of Charles Town. In addition, all known environmental features, including, but not limited to, sinkholes, floodplain, wetland, natural waterways, natural drainage ways, and woodlands shall be identified on individual site plans. Any disturbance of environmental features shall be limited unless it is demonstrated that all city, county, state, and federal regulations are complied with.

A regional stormwater management area may be considered by the Planning Commission within the twenty (20) plus acre parkland, but shall be subject to approval by both entities. Regarding the future development of the Fritts Property by the owner, vegetation and land disturbance within the boundaries of the twenty (20) plus acre park area shall be restricted, except where Best Management Practices (BMPs) are utilized in accordance with the engineering standards found in the Virginia Stormwater Management Handbook and the Virginia Erosion and Sediment Control Handbook.

MUNICIPAL INFRASTRUCTURE AND SERVICES - EVALUATION CRITERIA #5

The Petitioner is providing the infrastructure for the Property by building the necessary roads and stormwater management facilities. Water service for the development of the Property will be from the City of Charles Town Water Department. Sewer service for the development of the Property will be from Willow Spring Public Service Corporation and will not impact the City of Charles Town's sewer plant.

FISCAL IMPACT - EVALUATION CRITERIA #6

This annexation will provide a positive fiscal impact from the future businesses that will locate within the annexed area through increased B&O tax collections.

The parties hereby acknowledge that there are cases currently pending in the state courts in which the imposition of county impact fees within municipal limits is in issue. The rulings in these cases may or may not affect the applicability of county impact fees to developments in the subject annexed territory. The parties acknowledge that the conditions of annexation required hereafter are not intended to result in a double payment by the Petitioner, its successors and assigns, of contributions, through both impact fees and conditions of annexation, to support services impacted by the uses to be developed in the subject territory. Accordingly, the following conditions of annexation shall apply:

(1) For any commercial development on the Property, the Petitioner agrees to pay, at the required time, amounts of contributions to the City, as conditions of annexation, equal to the impact fees that the Petitioner would have had to pay to the Jefferson County Commission had the Petitioner's property not become annexed into the City. The City agrees not to assess any other type of fee, assessment or other charge upon the Petitioner's property that would otherwise be due solely as a condition of annexation, such as the Capital Cost Fee and the Non-Capital Cost Fee. The funds paid to the City of Charles Town required by this paragraph as a condition of annexation shall be held in escrow until the cases now pending are resolved. If the rulings in the pending cases would result in the application of county impact fees to the subject territory, the funds paid to the City of Charles Town hereunder would be applied to such fees. If the rulings in the pending cases would not result in the application of county impact fees to the subject territory, the funds paid to the City of Charles Town hereunder would be refunded to the Petitioner.

(2) Separate from any applicable County school impact fees, the development of the Fritts Property shall be subject to the payment of monetary funds aimed at mitigating the impacts of development on the City of Charles Town. The owner of the Fritts Property, voluntarily agrees to donate \$948 for capital improvement costs, and \$4,500 for non-capital costs, to the City of Charles Town for each residential unit. These fees are subject to adjustment by the City on a bi-annual basis, starting from the time the annexation is recorded by the County Commission. The City shall provide to the Petitioner a written 60-day advanced notice of the increase with the supporting documentation to justify the fee increase. These fees shall be payable to the City upon the issuance of the building permit for residential structures, and shall be deemed voluntary and not subject to the right of appeal. Residential units provided to the City for the purpose of ~~Workforce Housing~~, as defined by the City, shall be exempt from having to pay the capital and non-capital cost payments due to the City.

The Fritts Property shall not request offsets to the aforementioned voluntary non-monetary contributions cited herein.

In addition to all standard City fees, County school impact fees, and all voluntary fees mentioned herein, the Petitioner agrees to pay to the City all other additional impact fees declared by the County Commission as being owed for property developed in the City; provided that, these fees shall only be paid while the legal issues pertaining to the pending court cases are unresolved. Furthermore, these funds shall be held in escrow until the cases now pending are resolved. Minus all costs incurred by the City for administering the escrow, the interest earned while these funds are held in escrow shall be paid to the Petitioner. If the rulings in the pending cases would result in the application of county impact fees to the subject territory, the additional impact fees paid to the City of Charles Town hereunder would be applied to such fees and any remainder would be refunded to the Petitioner. If the rulings in the pending cases would not result in the application of county impact fees to the subject territory, the funds paid to the City of Charles Town hereunder would be refunded to the Petitioner.

The City agrees not to assess any other type of fee, assessment or other charge upon the Petitioner's property that would otherwise be due solely as a condition of annexation other than the fees specifically mentioned in this section (2). Nothing contained herein is intended to relieve the Petitioner, its successors and assigns, of the obligation to pay county impact fees for schools if such fees are applicable to the type of residential unit ultimately developed on the Property, which obligation, if applicable to such residential unit, both parties acknowledge is unaffected by the annexation conditions provided herein, and which obligation, if applicable to such residential unit, is specifically required by the Settlement Agreement dated October 1, 2004, in Civil Action No. 04-C-194 in the Circuit

Court of Jefferson County.

All of the above voluntary contributions offered in this document as conditions of this annexation shall be binding to all of the above-described property that is annexed into the City of Charles Town. The property owners shall ensure that these restrictions are conveyed with the property to all future assigns and/or transferees of all or any part of the subject property, excluding land given to the City of Charles Town, West Virginia Department of Transportation, or other local, state or federal government entity. These conditions of annexation shall be fully enforceable.

Mayor Smith opened the floor for discussion regarding the second reading of an Annexation Ordinance annexing the real estate known as the Jamison Property and Resolution 2008-07 Acceptance of Conditions of Annexation. Upon discussion, a motion by Councilwoman Willingham, seconded by Councilwoman Schmitt and the Council voted 7-1, with Councilwoman Paonessa voting against, to approve the second reading and Resolution 2008-07 Acceptance of Conditions of Annexation as presented and as follows:

AN ORDINANCE ANNEXING THE PROPERTY OF
FLOYD R. JAMISON AND JOYCE G. JAMISON CONTAINING
1.565 ACRES OF LAND

WHEREAS, West Virginia Code 8-6-4 permits a municipality to, by ordinance, annex additional territory without ordering a vote on the question if (1) a majority of the qualified voters of the additional territory file with the governing body a petition to be annexed and (2) a majority of all freeholders of the additional territory, whether they reside or have a place of business therein or not, file with the governing body a petition to be annexed, and

WHEREAS, Floyd R. Jamison and Joyce G. Jamison are the owners of the property sought to be annexed and they are also qualified voters in the area sought to be annexed, and

WHEREAS, Barry L. Grimm also signed a petition seeking to annex the property as a resident on the property, but that Barry L. Grimm is not a freeholder nor is he a qualified voter in the area sought to be annexed, and

WHEREAS, pursuant to West Virginia Code 8-6-4(d) which states if qualified voters of the additional territory sought to be annexed are also freeholders in the additional territory, they may join only and sign one petition in the additional territory sought to be annexed, and

WHEREAS, pursuant to West Virginia Code 8-6-4(f) which states if all of the eligible petitioners are qualified voters, then only a voters petition is required, and

WHEREAS, there are no other qualified voters or freeholders in the area sought to be annexed, and

WHEREAS, Floyd R. Jamison and Joyce G. Jamison constitute a majority of the qualified voters in the area sought to be annexed, and

WHEREAS, the City of Charles Town has determined that the property sought to be annexed is contiguous and adjacent to the municipal boundary lines of the City of Charles Town pursuant to the description attached to the petition, and

WHEREAS, the property that is sought to be annexed is in the Charles Town District and is shown on the Assessor's map of the Charles Town District as Map 10, Parcel 8.5, and

NOW, THEREFORE, WITNESSETH: That the undersigned, being a majority of the qualified eligible voters of the additional territory sought to be annexed, and the freeholders of the additional territory sought to be annexed, do hereby petition the City of Charles Town to include in its municipal boundaries by annexation, without election, all of that certain parcel of real estate as more particularly described in Exhibit A hereto. CONDITIONS OF ANNEXATION
FOR
PROPERTY OF THE JAMISON PROPERTY

The Petitioner and property owners, Floyd R. Jamison and Joyce G. Jamison, herein also referred to as "The Property", "Jamison Property", "The Petitioner", "The Property Owners", or similar language, and as identified by Parcel 10, Tax Map 3, Charles Town District, agrees to the following conditions of annexation if the property is annexed into the City of Charles Town, herein referred to as "The City", "Charles Town", or similar.

Impact statements pertaining to the City of Charles Town Annexation Policy Evaluation Criteria, and all proposed voluntary contributions, submitted as conditions of annexation, are as follows:

PLANNING & ZONING COMPLIANCE - EVALUATION CRITERIA #1:

Evaluation Criteria 1A - Comprehensive Plan

This annexation is consistent with the City of Charles Town Comprehensive Plan per the following:

Chapter 3 - Charles Town's Vision for the Future

- Commerce and Industry -- The Jamison Property is located in an area suitable for potential residential development which would support other necessary uses, such as commercial and recreational.
- Safety and Walkability -- The Property is located adjacent to other planned development areas and will be developed in a way that promotes connectivity, both pedestrian and vehicular.
- Affordable Living -- No special affordable housing component is proposed in association with the Property being proposed for annexation.
- Jobs -- This annexation is anticipated to have a neutral impact on local job creation.
- Infrastructure -- Upon annexation and development, the Property will be designed and constructed to all applicable City standards in regards to infrastructure.
- Beautification -- The Property will be designed to meet all city standards in regards to landscaping and other elements that support beautification of the neighborhood, which would promote a more livable community.
- Parks, Trails, Greenspace, and Recreation -- As noted above, the standard Capital and Non-Capital Cost Fees to the City are proposed with this annexation, which would contribute to the City's Park System.

Evaluation Criteria 1B - Urban Zoning

The Planning Commission agrees that the future development and subdivision of the parcel into as many as three (3) residential lots with a minimum lot size of 12,000 square feet would be compatible with the neighborhood and consistent with the City of Charles Town's Comprehensive Plan. Therefore, the Planning Commission supports designating the property in the RS (Residential Single-Family) District. The Property Owners agree to comply with the City's design standards and requirements as necessary for property zoned RS (Residential Single-Family) District.

Evaluation Criteria 1C - Contiguous Location

The Property satisfies the requirements of the Code of West Virginia and is contiguous to the existing corporate limits of the City of Charles Town.

Evaluation Criteria 1D - Transportation Planning

No transportation study shall be required for the further development or subdivision of the Property. However, the Property Owner agrees to design any future subdivision or development in a way that allows for the extension of Fourth Street (referred to as Euclid Ave.), unless otherwise waived by the Planning Commission. Furthermore, as a condition of development, and if it is determined necessary at the engineering stage, the Property Owner would dedicate a small portion of the Property to the City, or other legal entity, for the purpose of allowing adequate room for the extension of Fourth Street.

ECONOMIC GROWTH - EVALUATION CRITERIA #2:

The Jamison Property has a neutral impact towards economic growth in the City, but would support housing for the future labor force, which is a necessary component for attracting businesses.

AFFORDABLE HOUSING - EVALUATION CRITERIA #3

No special affordable housing conditions are proposed.

PROTECTION OF RESOURCES - EVALUATION CRITERIA #4

All City requirements shall be complied with prior to and during any construction activities that take place on the property.

MUNICIPAL INFRASTRUCTURE AND SERVICES - EVALUATION
CRITERIA #5

The Petitioner is providing the infrastructure for the Property by building the necessary roads and stormwater management facilities. Water service for the development of the Property will be from the City of Charles Town Water Department. Sewer service for the development of the Property will be from Willow Spring Public Service Corporation or the City of Charles Town Utilities.

FISCAL IMPACT - EVALUATION CRITERIA #6

The parties hereby acknowledge that there are cases currently pending in the state courts in which the imposition of county impact fees within municipal limits is in issue. The rulings in these cases may or may not affect the applicability of county impact fees to developments in the subject annexed territory. The parties acknowledge that the conditions of annexation required hereafter are not intended to result in a double payment by the Petitioner, its successors and assigns, of contributions, through both impact fees and conditions of annexation, to support services impacted by the uses to be developed in the subject territory. Accordingly, the following conditions of annexation shall apply:

(1) For any commercial development on the Property, the Petitioner agrees to pay, at the required time, amounts of contributions to the City, as conditions of annexation, equal to the impact fees that the Petitioner would have had to pay to the Jefferson County Commission had the Petitioner's property not become annexed into the City. The City agrees not to assess any other type of fee, assessment or other charge upon the Petitioner's property that would otherwise be due solely as a condition of annexation, such as the Capital Cost Fee and the Non-Capital Cost Fee. The funds paid to the City of Charles Town required by this paragraph as a condition of annexation shall be held in escrow until the cases now pending are resolved. If the rulings in the pending cases would result in the application of county impact fees to the subject territory, the funds paid to the City of Charles Town hereunder would be applied to such fees. If the rulings in the pending cases would not result in the application of county impact fees to the subject territory, the funds paid to the City of Charles Town hereunder would be refunded to the Petitioner.

(2) Separate from any applicable County school impact fees, the development of the Jamison Property shall be subject to the payment of monetary funds aimed at mitigating the impacts of development on the City of Charles Town. The owner of the Jamison Property, voluntarily agrees to donate \$948 for capital improvement costs, and \$4,500 for non-capital costs, to the City of Charles Town for each residential unit. These fees are subject to adjustment by the City on a bi-annual basis, starting from the time the annexation is recorded by the County Commission. The City shall provide to the Petitioner a written 60-day advanced notice of the increase with the supporting documentation to justify the fee increase. These fees shall be payable to the City upon the issuance of the building permit for residential structures, and shall be deemed voluntary and not subject to the right of appeal. Residential units provided to the City for the purpose of Workforce Housing, as defined by the City, shall be exempt from having to pay the capital and non-capital cost payments due to the City.

The Jamison Property shall not request offsets to the aforementioned voluntary non-monetary contributions cited herein.

In addition to all standard City fees, County school impact fees, and all voluntary fees mentioned herein, the Petitioner agrees to pay to the City all other additional impact fees declared by the County Commission as being owed for property developed in the City, provided that, these fees shall only be paid while the legal issues pertaining to the pending court cases are unresolved. Furthermore, these funds shall be held in escrow until the cases now pending are resolved. Minus all costs incurred by the City for administering the escrow, the interest earned while these funds are held in escrow shall be paid to the Petitioner. If the rulings in the pending cases would result in the application of county impact fees to the subject territory, the additional impact fees paid to the City of Charles Town hereunder would be applied to such fees and any remainder would be refunded to the Petitioner. If the rulings in the pending cases would not result in the application of county impact fees to the subject territory, the funds paid to the City of Charles Town hereunder would be refunded to the Petitioner.

The City agrees not to assess any other type of fee, assessment or other charge upon the Petitioner's property that would otherwise be due solely as a condition of annexation other than the fees specifically mentioned in this section (2). Nothing contained herein is intended to relieve the Petitioner, its successors and assigns, of the obligation to pay county impact fees for schools if such fees are applicable to the type of residential unit ultimately developed on the Property, which obligation, if applicable to such residential unit, both parties acknowledge is unaffected by the annexation conditions provided herein, and which obligation, if applicable to such residential unit, is specifically required by the Settlement Agreement dated October 1, 2004, in Civil Action No. 04-C-194 in the Circuit Court of Jefferson County.

All of the above voluntary contributions offered in this document as conditions of this annexation shall be binding to all of the above-described property that is annexed into the City of Charles Town. The property owners shall ensure that these restrictions are conveyed with the property to all future assigns and/or transferees of all or any part of the subject property, excluding land given to the City of Charles Town, West Virginia Department of Transportation, or other local, state or federal government entity. These conditions of annexation shall be fully enforceable.

Dated this 17th day of March, 2008.

Donation Request Policy

PURPOSE: To establish a uniform policy and procedure for administering the annual donation budget of the City of Charles Town.

STATEMENT: It is the policy of the City of Charles Town that all organizations requesting funding complete an application and follow the procedure outlined in this policy.

PROCEDURE:

1. The City of Charles Town shall appropriate a certain amount of its annual budget to fund organizations that tend to directly benefit a significant segment of the citizens of the City of Charles Town.
2. Eligibility. Generally, eligible organizations include:
 - a. Public charities (501 (c) 3 or 4 non-profit organizations)
 - b. Fraternal and/or civic organizations that contribute to the betterment of the community
 - c. Independent youth sports leagues
 - d. Materiel support for schools located within the City limits of Charles Town or serve a significant number of Charles Town residents

Generally, funding shall not be considered for the following:

- a. Clubs, organizations or sports teams affiliated with any churches, religious groups or not open to the general public

- b. Individuals for travel or costs associated with pageants, academic competitions or other contests
 - c. Other government bodies, agencies or entities who are providing the same or similar service or events already being provided by the City of Charles Town
3. Funding Considerations. Eligible organizations may apply for funding for capital expenses, special projects, events and/or general operating funds. Priority for funding will be given to organizations and/or projects that:
- a. Provide vital services to the community that are not duplicated by the City including, but not limited to: public safety, health and human services, youth, recreation, cultural programs and the arts.
 - b. Demonstrate fiscal responsibility and community impact
 - c. Are located within the City limits of Charles Town and/or serve a significant number of City residents.
 - d. Seek funding for capital expenses and special projects
4. Program Dates. Applications for donation must be received between January 1 and March 31 for consideration. Upon City Council approval, annual awards will be issued no later than June 30.

Reporting. Organizations awarded funds of \$500.00 and above are required to submit a Spending Report between October 1 and December 31. Failure to complete/submit this report could result in loss of eligibility for future funding.

MAYOR

Mayor Smith opened the meeting regarding "A RESOLUTION OF THE COUNCIL OF THE CORPORATION OF CHARLES TOWN, WEST VIRGINIA, AUTHORIZING CREATION AND OPERATION OF THE CHARLES TOWN AND RANSON JOINT STUDY COMMITTEE TO STUDY AND REPORT ON THE POTENTIAL MERGER OF THE TWO CITIES' PARKS AND RECREATION COMMISSIONS AND ASSOCIATED ISSUES." Councilman [Name] updated Council on the actions of the Charles Town Parks and Recreation Commission. In discussion, a motion by Councilman Clendening, seconded by Councilman [Name], and the Council unanimously voted to approve "A RESOLUTION OF THE COUNCIL OF THE CORPORATION OF CHARLES TOWN, WEST VIRGINIA, AUTHORIZING CREATION AND OPERATION OF THE CHARLES TOWN AND RANSON JOINT STUDY COMMITTEE TO STUDY AND REPORT ON THE POTENTIAL MERGER OF THE TWO CITIES' PARKS AND RECREATION COMMISSIONS AND ASSOCIATED ISSUES" pending legal review and action by the Ranson City Council.

RESOLUTION

A RESOLUTION OF THE COUNCIL OF THE CORPORATION OF CHARLES TOWN, WEST VIRGINIA, AUTHORIZING CREATION AND OPERATION OF THE CHARLES TOWN AND RANSON JOINT STUDY COMMITTEE TO STUDY AND REPORT ON THE POTENTIAL MERGER OF THE TWO CITIES' PARKS AND RECREATION COMMISSIONS AND ASSOCIATED ISSUES.

WHEREAS, West Virginia Code § 10-2-3 permits any two or more governing bodies to jointly establish and conduct a system of recreation, including recreation centers, parks, swimming pools, playgrounds, and any and all other recreation facilities and activities; and may exercise all the powers given by Chapter 10, Article 2 of the West Virginia Code; and

WHEREAS, neither the City of Ranson nor the City of Charles Town have determined whether merger, resource sharing short of merger, or maintenance of the status quo would be in the best interest of the citizens of either City; and

WHEREAS, the City of Ranson and the City of Charles Town believe that an organized, comprehensive and thorough study of the issues implicated by consideration of merger or of less extensive joint undertakings would be prudent and beneficial to the citizens of each city; and

WHEREAS, the City of Ranson and City of Charles Town believe that the involvement of the Jefferson County Parks and Recreation and the Jefferson County Board of Education is important to the success of the "Joint Study Committee."

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CORPORATION OF CHARLES TOWN, WEST VIRGINIA, as follows:

SECTION 1. *Authorization.* The Charles Town City Council hereby authorizes the creation of a "Charles Town and Ranson Joint Study Committee" to be structured and tasked as set forth below.

SECTION 2. *Cooperation.* The Mayor, Members of City Council, Members of the Park and Recreation Commission, and other city staff and consultants are authorized and directed to provide such information and support service as may be reasonably necessary to the work of the Joint Study Committee.

SECTION 3. *Purpose.* The primary purpose of the Joint Study Committee shall be to carefully study the advantages and disadvantages of merging the two cities' Parks and Recreation Commissions. If the Joint Study Committee recommends the merger of the cities' Parks and Recreation Commissions, the Joint Study Committee shall provide a detailed report to the governing bodies detailing, but not limited to, the following: (1) all aspects of finances; (2) personnel; (3) draft copy of articles and bylaws of joint parks and recreation commission which includes, but is not limited to, the following: (a) makeup, number and terms of commissioners and officers, (b) title and authorities of commissioners; (c) duties and authorities of the entire entity; (d) procedures of meetings; (e) amendment procedures to bylaws; and (f) any other item the Joint Study Committee deems necessary.

SECTION 4. *Membership.* The governing body of each city shall appoint three (3) voting members to the Joint Study Committee. The two City Managers or his or her staff designee shall be ex-officio members of the Joint Study Committee. The Board of Education and the Jefferson County Parks and Recreation shall each be invited to have one (1) non-voting advisory member to participate in all Joint Study Committee meetings and shall be noticed of all meetings of the Joint Study Committee in accordance with the guidelines set forth in SECTION 5. The Joint Study Committee may ask persons not on the Committee to speak, participate in meetings for expertise, guidance and input.

SECTION 5. *Meetings.* The Joint Study Committee shall meet at least monthly at dates and times to be determined by the Joint Study Committee. All decisions will be made by a majority vote of the members at the Joint Study Committee meeting. There shall be public notice of all meetings and voting in compliance with the West Virginia Open Governmental Proceedings Act. Proxy

voting shall not be permitted. A quorum of the Joint Study Committee shall be at least two members from each city.

SECTION 6. *Public Access and Minutes.* All meetings shall be open and the public invited to attend. All meetings and oral sites shall be properly advertised in accordance with the West Virginia Open Governmental Proceedings Act. Minutes of all Joint Study Committee meetings shall be taken and made available to the public. The Joint Study Committee shall appoint a Secretary at its first meeting who shall be responsible for the distribution of meeting notices to members, advertisement of meetings and notices in accordance with the West Virginia Open Governmental Proceedings Act and taking and keeping record of the minutes of each meeting.

SECTION 7. *Term.* The term of the Joint Study Committee shall be twelve (12) months; provided, however, if the Joint Study Committee has a final recommendation before the end of its term, the Joint Study Committee may present its study to the governing bodies of both cities. If the work of the Joint Study Committee is completed within its twelve (12) month term, then the term of the Joint Study Committee may be extended by resolution from the governing bodies of both cities.

SECTION 8. *Finances.* The cost of the study by the Joint Study Committee will be borne by the cities (exclusive of in kind staff time). All costs and expenses incurred by the study shall be approved in advance by the elected bodies of both cities. The cities shall have the discretion to spend the budgeted funds in a manner deemed appropriate.

SECTION 9. *Final Report.* At the end of its work, the Joint Study Commission shall submit its final recommendations in written form to the Ranson Mayor and City Council and the Charles Town Mayor and City Council. Those two elected bodies shall separately consider all such recommendations and then shall separately approve or disapprove the recommendations with or without recommendations. If both cities' elected bodies approve the Joint Study Commission's recommendations with or without any mutually agreed upon amendments, the cities shall thereupon jointly draft separate, but identical, resolutions to implement the approved recommendations and implement such recommendations.

Signed and approved this _____ day of _____, 2008.

AMENDMENT TO THE CODIFIED ORDINANCE OF THE CITY OF CHARLES TOWN, WEST VIRGINIA WITH REGARD TO CHAPTER THREE, STREETS, UTILITIES & PUBLIC SERVICES, ARTICLE 921 SEWERS

BE IT ORDAINED by the City Council of the City of Charles Town as follows:
That Article 921.18, Sewer Service Rates be AMENDED as follows:

a) Establishment. For the payment of the proper and reasonable expense of operation, repair, replacement, improvements, additions, betterments, extensions, and maintenance of the sewer system and for the payment of the sums required to pay the principal and interest of all sewer revenue bonds as the same become due, there is hereby established a schedule of just and equitable rates or charges for the use of and services rendered by the Municipal sewer system and works of the City of Charles Town, West Virginia, which schedule of rates or charges, based upon the metered amount of water supplied the premises, where possible, but providing for a flat rate when no meter is available, shall be as follows:

(b) Rules and Regulations. Rules and Regulations for the government of sewerage utilities adopted by the Public Service Commission of West Virginia, and now in effect, and all amendments thereto and modifications thereof hereafter made by the Commission are hereby adopted by reference.

ESTABLISHMENT OF A SCHEDULE OF JUST AND EQUITABLE RATES OR CHARGES FOR SEWER SERVICE; USE OF WATER METERS; PROVISION FOR FLAT RATE

For the payment of the proper and reasonable expense of operation, repair, replacement, improvements, additions, betterments, extensions and maintenance of the sewer system and for the payment of the sums required to pay the principal and interest of all sewer revenue bonds as the same become due, there is hereby established a schedule of just and equitable rates or charges for the use of and services rendered by the Municipal sewer system and works of the City of Charles Town, West Virginia, which schedule of rates or charges, based upon the metered amount of water supplied to the premises, where possible, but providing for a flat rate when no meter is available, shall be as follows:

i. *Rules and Regulations for the Government of Sewerage Utilities* adopted by the Public Service Commission of West Virginia, and now in effect, and all amendments thereto and modifications thereafter made by the Commission are hereby adopted by reference.

ii. MULTIPLE OCCUPANCY

In apartment buildings, shopping centers or other multiple occupancy buildings, each unit shall be required to pay not less than the minimum monthly charge provided above.

SCHEDULE I

APPLICABILITY

Applicable within the entire territory served excluding the entire area know as the Huntfield subdivision and the areas formerly served by Willow Spring Public Service Corporation.

AVAILABILITY

Available for general domestic, commercial and industrial service and sale for resale sewer service.

RATES (Customers with a metered water supply)

First	2,000 gallons used per month	\$11.83	per 1,000 gallons
Next	3,000 gallons used per month	\$8.51	per 1,000 gallons
Next	20,000 gallons used per month	\$7.73	per 1,000 gallons
All over	30,000 gallons used per month	\$6.85	per 1,000 gallons

MINIMUM CHARGE

No bill shall be rendered for less than \$23.66 per month, which is the equivalent of 2,000 gallons.

FLAT RATE CHARGE (Customers with non-metered water supply)

Equivalent of 4,500 gallons of water usage, \$44.94 per month.

RESALE RATE

\$6.13 per 1,000 gallons per month

RESALE CREDIT (Applicable only to Jefferson County Public Service District)

A monthly credit of \$3,451 per month will be credited against the respective bill rendered to Jefferson County Public Service District for debt incurred by the District as part of the 2000 Charles Town Treatment Plant upgrade. This credit will remain in effect until the indebtedness associated with the respective upgrade is satisfied (Matures 2031).

TRANSPORTATION CREDIT (Applicable only to Jefferson County Public Service District)

A monthly credit of \$1,009 per month will be credited against the respective bill rendered to Jefferson County Public Service District for reimbursement of fixed debt associated with lift stations needed to transport Charles Town's sewage from the former Sanitary Associates service area. The credit will be given until the indebtedness is satisfied. In addition to the monthly credit of \$1,009, a transportation credit of \$1.65 per thousand gallons shall be provided to the Jefferson County Public Service District for all flows from the former Sanitary Associates area.

DELAYED PAYMENT PENALTY

The above schedule is net. On all accounts not paid in full when due, ten percent (10%) will be added to the net current amount unpaid. This delayed payment penalty is not interest and is to be collected only once for each bill where it is appropriate.

TAP FEE

The following charge is to be made whenever the utility installs a new tap to serve an applicant.

A tap fee of \$400.00 will be charged to customers applying for service outside of a certificate proceeding before the Commission for each new tap to the system.

RETURNED CHECK CHARGE

A service charge equal to the actual bank fee assessed to the sewer utility up to a maximum of \$25.00 will be imposed upon any customer whose check for payment of charges is returned by the bank due to insufficient funds.

LEAK ADJUSTMENT

\$0.95 per 1,000 gallons of water is to be used when the bill reflects unusual consumption which can be attributed to eligible leakage on customer's side of the meter. This rate shall be applied to all such consumption above customer's historical average usage.

SECURITY DEPOSIT

The security deposit shall be \$50.00.

SCHEDULE II

APPLICABILITY

POST

**PUBLIC NOTICE OF SEWERAGE RATES OF
THE CITY OF CHARLES TOWN**

NOTICE is hereby given that the CITY OF CHARLES TOWN (the "City") enacted an ordinance on July 15, 2013 containing rates and charges for furnishing sewerage service to 2,905 customers at Charles Town and vicinity, in Jefferson County, West Virginia.

The proposed rates and charges will become effective 45 days from the date the ordinance was adopted and upon the City's acquisition of the assets of Willow Spring Public Service Corporation ("Willow Spring"), unless otherwise ordered by the Public Service Commission. Because the City did not increase rates, no additional revenue will be produced from existing City customers as a result of the enacted ordinance. The ordinance was adopted by the City to incorporate Willow Spring customers into the City's current tariff. Upon the City's acquisition of the assets of Willow Spring, the City will charge the former Willow Spring customers the rates in Schedule II of the City's current tariff. Thus, there will be no increase to the City's current rates. It is estimated that the former Willow Spring customers will produce \$323,369 annually in revenue.

TYPE OF CUSTOMER	(\$) INCREASE	INCREASE (%)
Residential	\$0.00	0%
Commercial	\$0.00	0%
Resale	\$0.00	0%

Resale customers of the City include Jefferson County Public Service District and the City of Ranson.

The increases shown are based on averages of all customers in the indicated class. Individual customers may receive increases that are greater or less than average. Furthermore, the requested rates and charges are only a proposal and are subject to change (increases or decreases) by the Public Service Commission in its review of this filing. The Public Service Commission shall review and approve or modify the increased rates only upon the filing of a petition within thirty (30) days of the adoption of the ordinance changing said rates and charges by:

(1) Any customer aggrieved by the changed rates or charges who presents to the Public Service Commission a petition signed by not less than twenty-five percent (25%) of the customers served by the City's sewerage system; or

(2) Any customer who is served by the City's sewerage system and who resides outside the corporate limits and who is affected by the change in said rates or charges and who presents to the Public Service Commission a petition alleging discrimination between customers within and without the City's boundaries. Said petition shall be accompanied by evidence of discrimination; or

(3) Any customer or group of customers who are affected by said change in rates who reside within the City's boundaries and who present a petition to the Public Service Commission alleging discrimination between said customer or group of customers and other customers of the City's sewerage system. Said petition shall be accompanied by evidence of discrimination.

All petitions should be addressed to the Executive Secretary, Public Service Commission of West Virginia, 201 Brooks Street, Post Office Box 812, Charleston, West Virginia 25323.

A complete copy of the proposed rates, as well as a representative of the utility to provide any information requested concerning it, is available to all customers, prospective customers, or their agents at the Clerk's Office at the City Hall, Charles Town, West Virginia.

A copy of the proposed rates is available for public inspection at the Office of the Executive Secretary of the Public Service Commission at 201 Brooks Street, Post Office Box 812, Charleston, West Virginia 25323.

7/24/21

June 17, 2013

The Common Council of the City of Charles Town, Jefferson County, West Virginia, met in regular session pursuant to the rules of said Common Council in the Council Chambers at City Hall in said city on Monday, May 20, 2013 at 7:00 p.m. The following members of Council were present: Rich Bringewatt, Wayne Clark, Jonathan Wertman, Chet Hines, Ann Paonessa, Mark Reinhart and Mike Slover. Mayor Peggy Smith presided and Kiya Tabb, City Clerk, took the minutes of the meeting. Also present were Joe Cosentini, City Manager, and Captain Glenn Stevens of the Charles Town Police Department.

Kiya Tabb, City Clerk, administered the Oath of Office to re-elected Mayor, Peggy Smith from the May 23, 2013 election. Peggy Smith, Mayor, administered the Oath of Office to Chester Hines, Ward II, Jonathan Wertman, Ward III, and Richard Bringewatt, Ward IV, the duly elected members of Council from the May 23, 2013 election.

A motion was made by Councilman Hines, seconded by Councilman Reinhart, and the Council unanimously voted to dispense with reading of the minutes dated May 20, 2013. A motion was made by Councilman Clark, seconded by Councilman Hines, and the Council unanimously voted to approve the minutes dated May 20, 2013, as presented.

Mayor Smith opened the floor for public comment. No public comments were provided.

NEW BUSINESS

Mayor Smith opened the floor for a Supplemental Resolution providing for the issuance of its Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2013 A (the "Design Bonds"). John Stump of Steptoe & Johnson appeared before the Council to explain that this Supplemental Resolution was the final action required for the design bond associated with the Chesapeake Bay projects, and will result in no rate increase. A motion was made by Councilman Reinhart, seconded by Councilwoman Paonessa, and the Council unanimously voted to approve the Supplemental Resolution providing for the issuance of its Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2013 A (the "Design Bonds").

Mayor Smith opened the floor for a Sweep Resolution pertaining to the automatic payments of the Design Bonds to the Municipal Bond Commission. A motion was made by Councilman Reinhart, seconded by Councilman Slover, and the Council unanimously voted to approve the Sweep Resolution pertaining to the automatic payments of the Design Bonds to the Municipal Bond Commission.

Mayor Smith opened the floor for the First Reading of a proposed Sewer Rate Ordinance establishing and fixing sewer rates, connection charges, delayed payment penalties and other charges for service to customers for the sewerage system of the City of Charles Town. Mr. Cosentini explained that this Ordinance is the first step in acquiring the Willow Spring Public

Service Corporation service area. This Ordinance brings the Willow Spring customers into the City of Charles Town tariff. The only other change in the proposed tariff is rescinding the previously approved increase in the capacity improvement fee and maintaining the fee at its current level. A motion was made by Councilman Slover, seconded by Councilman Reinhart, and the Council unanimously voted to approve the First Reading of a proposed Sewer Rate Ordinance establishing and fixing sewer rates, connection charges, delayed payment penalties and other charges for service to customers for the sewerage system of the City of Charles Town.

UTILITY BOARD REPORT

David Decker, of Decker and Company, PLLC, appeared before the Council to present a cash flow analysis and performance assumptions for the tariff, as they relate to the impact on construction projects. This tariff will be introduced to City Council at a later meeting and involves the construction aspects of the previously approved design bond. All proposed rate increases would not become effective until the projects are substantially complete, estimated to be December of 2015, and they do not take into account potential State contributions from the Chesapeake Bay fund.

NEW BUSINESS

Mayor Smith opened the floor for Approval of the Bond for Norborne Glebe Phase 4. Mr. Cosentini explained that the bond has been reviewed by the necessary City commissions. A motion was made by Councilman Clark, seconded by Councilman Hines, and the Council unanimously voted to approve the Bond for Norborne Glebe Phase 4.

Mayor Smith opened the floor for Resolution 2013-03: Acceptance of the Updated Jefferson County Multi-Jurisdictional All-Hazard Mitigation Plan. A motion was made by Councilman Slover, seconded by Councilman Hines, and the Council unanimously voted to approve Resolution 2013-03: Acceptance of the Updated Jefferson County Multi-Jurisdictional All-Hazard Mitigation Plan, as follows:

Resolution 2013-03
Acceptance of the Updated Jefferson County Multi-Jurisdictional All-Hazard Mitigation Plan

WHEREAS, natural, technological, and man-made hazards can affect the City of Charles Town; and

WHEREAS, significant structural, historical, and economic losses could result from an occurrence of a natural, technological, or man-made hazard event; and

WHEREAS, undertaking mitigation projects during pre-disaster periods could decrease the total losses the City of Charles Town incurs as a result of said hazard occurrences.

THEREFORE, the Charles Town City Council has partnered with the county to update the existing *Jefferson County Multi-Jurisdictional All-Hazard Mitigation Plan*, adopted in 2008, in an effort to further identify, define, and characterize the

hazards affecting the City as well as to continue identifying and prioritizing projects that could lessen hazard vulnerability.

WHEREAS, the Charles Town City Council has a strong interest in reducing losses from future hazard occurrences; and

WHEREAS, the hazard mitigation plan is a federal and state requirement to maintain eligibility for hazard mitigation funding, and, by that requirement, must be updated a minimum of every five (5) years; and

WHEREAS, a cooperative, joint effort is a proven, efficient way to plan for and reduce hazard susceptibility in all government jurisdictions in Jefferson County, West Virginia.

THEREFORE, the City of Charles Town joined Jefferson County in the completion of this plan update.

NOW BE IT RESOLVED that the Charles Town City Council does hereby adopt the updated *Jefferson County Multi-Jurisdictional All-Hazard Mitigation Plan* (as presented and with any state/federally-required modifications) this 17th day of June, 2013.

No other nominations were offered and the Council voted unanimously to appoint Councilman Clark and Councilman Bringewatt to the Personnel Committee.

Mayor Smith opened the floor for two appointments to the Street Committee. A motion was made by Councilwoman Paonessa to appoint Councilman Hines and Councilwoman McDonald to the Street Committee. The nomination was seconded by Councilman Reinhart, and the Council unanimously voted to appoint Councilman Hines and Councilwoman McDonald to the Street Committee.

Mayor Smith opened the floor for the approval of bills. A motion was made by Councilman Clark, seconded by Councilman Hines, and the Council unanimously voted to approve the bills as presented.

MAYOR AND COUNCIL REPORTS

Mayor Smith informed the Council that the Grand Opening for Walgreens will be July 5 at 8 a.m. Donations from the City for over \$2,000 will be presented in City Hall at 10:00 a.m. on June 18.

Councilman Hines, Ward II, informed the Council that one of the new picnic tables at Evitts Run Park is broken and suggested that the tables be clamped down. The Kubota at the maintenance yard is in need of repair.

Councilman Clark, Ward II, informed the Council that more children are crossing the road at the intersection of Evitts Run Park and Route 51. Signage or a crosswalk would be beneficial in this area.

Councilman Wertman, Ward III, informed the Council that the basketball backboards at Jefferson Memorial Park are in need of repair.

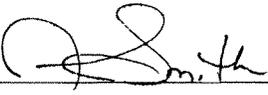

CHIEF OF POLICE REPORT

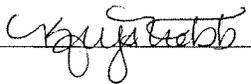

Captain Stevens informed the Council that the Police Department is continuing the hiring process for one officer. A record-keeping system is still being evaluated for the Police Department.

CITY MANAGER'S REPORT

Mr. Cosentini informed the Council that the first Discover Downtown Charles Town Third Thursday will be June 20. The Charles Town Farm to Fork Dinner will be held on June 22. The West Virginia Municipal League Conference is August 7-9 and one of the topics discussed at the conference will be Home Rule.

With no further business pending, a motion was made by Councilman Hines, seconded by Councilwoman Paonessa, and the Council unanimously voted to adjourn at 7:47 p.m.

MAYOR:   DATE: 7/1/13

CLERK:  DATE: 7/1/13

July 15, 2013

The Common Council of the City of Charles Town, Jefferson County, West Virginia, met in regular session pursuant to the rules of said Common Council in the Council Chambers at City Hall in said city on Monday, July 15, 2013 at 7:00 p.m. The following members of Council were present: Rich Bringewatt, Wayne Clark, Jonathan Wertman, Chet Hines, Ann Paonessa, Mark Reinhart, and Sandra McDonald. Mayor Peggy Smith presided and Kiya Tabb, City Clerk, took the minutes of the meeting. Also present were Joe Cosentini, City Manager, and Chief Kutcher of the Charles Town Police Department.

A motion was made by Councilman Hines, seconded by Councilwoman McDonald, and the Council unanimously voted to dispense with reading of the minutes dated July 1, 2013. A motion was made by Councilman Hines, seconded by Councilwoman McDonald, and the Council unanimously voted to approve the minutes dated July 1, 2013.

Mayor Smith opened the floor for public comment. Cindy Emmans of Revere Drive appeared before the Council to express her desire for a density cap on the Peachtree property.

Carla Coffey, representing Arcadia Communities, appeared before the Council to express her concern that the adjacent Arcadia property will shoulder the burden of meeting existing conditions of annexation if the Peachtree property is rezoned. Ms. Coffey also supports a density cap for the entirety of the developed property.

UNFINISHED BUSINESS

Mayor Smith opened the floor for the Second Reading of Zoning Amendment Request REZ 2013-01 Peach Tree Investments, LLC and Resolution 2013-05: Accepting Revised Conditions of Annexation. Mr. Cosentini explained that there seems to be a consensus that General Commercial is not the best use for the property. A motion was made by Councilman Clark, seconded by Councilman Bringewatt, and upon discussion, the Council unanimously voted to table the Second Reading of Zoning Amendment Request REZ 2013-01 Peach Tree Investments, LLC and Resolution 2013-05: Accepting Revised Conditions of Annexation until a site plan is submitted by the applicant.

Mayor Smith opened the floor for a Public Hearing and Second Reading of a proposed Sewer Rate Ordinance establishing and fixing sewer rates, connection charges, delayed payment penalties and other charges for service to customers of the sewerage system of the City of Charles Town. A motion was made by Councilman Reinhart, seconded by Councilwoman McDonald, and the Council unanimously voted to open the Public Hearing at 7:26 p.m. As no public comments were provided, a motion was made by Councilman Reinhart, seconded by Councilwoman McDonald, and the Council unanimously voted to close the Public Hearing at 7:27 p.m. A motion was made by Councilman Wertman, seconded by Councilwoman

McDonald, and the Council voted to approve the Second Reading of a proposed Sewer Rate Ordinance establishing and fixing sewer rates, connection charges, delayed payment penalties and other charges for service to customers of the sewerage system of the City of Charles Town.

NEW BUSINESS

Mr. Cosentini informed the Council that there will be a conference call with the EPA on July 16 and the EPA Revolving Loan Fund Request will be discussed at the August 5 Council meeting.

APPOINTMENTS

Mayor Smith opened the floor for the appointment of an Affordable Housing Representative. A motion was made by Councilwoman Paonessa, seconded by Councilwoman McDonald and the Council unanimously voted to appoint Councilman Clark to the Affordable Housing Committee.

Mayor Smith opened the floor for the approval of bills. A motion was made by Councilman Reinhart, seconded by Councilwoman McDonald, and the Council unanimously voted to approve the bills as presented.

MAYOR AND COUNCIL REPORTS

Mayor Smith informed the Council that she received a thank you letter for a donation from Independent Fire Company.

Councilman Reinhart, Ward I, informed the Council that he received several comments from citizens about the comments in the Journal Junction and he tried to clarify that there was an error in the reporting. Councilman Reinhart commended Chief Kutcher and the police department for doing a good job.

Councilman Clark, Ward II, informed the Council that Locust Hill Golf Course will be hosting the WV Junior Amateur tournament on July 20-21. Three hotels in Charles Town are booked for the weekend.

Councilman Bringewatt, Ward IV, informed the Council that he enjoyed watching Walter Washington throw out the first pitch at a recent Charles Town Cannons baseball game.

CITY MANAGER'S REPORT

Mr. Cosentini informed the Council that five proposals for Economic Development Planning Services were received. Each Councilmember was polled to determine which companies would be interviewed. The Council decided to interview all five companies that provided proposals.

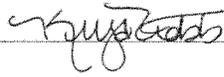

CHIEF OF POLICE REPORT

Chief Kutcher informed the Council that there was a recent misprint in the Journal concerning police department statistics.

0380

With no further business pending, a motion was made by Councilman Reinhart, seconded by Councilwoman McDonald, and the Council unanimously voted to adjourn at 8:15 p.m.

Combined Waterworks and Sewerage System Revenue Bonds,
Series 2013 B (Tax-Exempt)

City of Charles Town
Charles Town, West Virginia

Crews and Associates, Inc.
Charleston, West Virginia

West Virginia Water
Development Authority
Charleston, West Virginia

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the authorization, issuance, sale, and the initial delivery on the date hereof, by the City of Charles Town, West Virginia (the "*Issuer*") of its \$2,970,000 aggregate principal amount of Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax-Exempt) (the "*Series 2013 B Bonds*").

The Series 2013 B Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "*Act*"), and a Bond Ordinance duly enacted by the Issuer on April 1, 2013, as supplemented by a Supplemental Parameters Resolution and Conformed Ordinance duly adopted by the Issuer on September 3, 2013 (collectively, the "*Ordinance*"), and are subject to all the terms and conditions of the Ordinance. All capitalized terms used and not otherwise defined herein shall have the meanings set forth in the Ordinance.

The Series 2013 B Bonds are issued in fully registered form, are dated October 1, 2013, mature on October 1 in the years and amounts and bear interest payable each April 1 and October 1, commencing April 1, 2014, all as set forth in the Ordinance.

The Ordinance provides that the Series 2013 B Bonds are issued for the purpose of (i) paying the costs of acquisition and construction of certain additions, betterments and

improvements to the System; (ii) funding the Series 2013 B Bonds Reserve Account; and (iii) paying the costs of issuance of the Series 2013 B Bonds.

The Series 2013 B Bonds have been sold to Crews and Associates, Inc. (the "*Original Purchaser*"), pursuant to a Bond Purchase Agreement dated September 24, 2013 (the "*Bond Purchase Agreement*"), accepted by the Issuer.

In connection with our engagement as Bond Counsel, we have examined the law and such documents and matters as we have deemed necessary to render this opinion. As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Original Purchaser and other entities contained in the Ordinance, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate and in the certified proceedings and other certifications of certain officials furnished to us without undertaking to verify the same by independent investigation and have relied upon, and have assumed, due compliance with the provisions of, the proceedings and other documents.

Based upon the foregoing, and assuming compliance with the covenants and representations of the Issuer and others set forth in the Ordinance, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate and such certifications, we are of the opinion, under existing law, that:

1. The Issuer is a duly organized and validly existing municipal corporation under and pursuant to the laws of the State of West Virginia, with full power and authority to adopt and enact the Ordinance, enter into the Bond Purchase Agreement, the Continuing Disclosure Agreement and the Tax Certificate, perform its obligations under the terms and provisions thereof and to issue and sell the Series 2013 B Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Issuer, through its governing body, has legally and effectively adopted and enacted the Ordinance; has authorized, executed and delivered the Bond Purchase Agreement, the Continuing Disclosure Agreement, and the Tax Certificate; has authorized the distribution of the Official Statement in connection with the marketing and sale of the Series 2013 B Bonds; and has issued and delivered the Series 2013 B Bonds to the Original Purchaser pursuant to the Bond Purchase Agreement. The Ordinance is in full force and effect as of the date hereof.

3. Assuming due authorization, execution and delivery by the other parties thereto, the Bond Purchase Agreement, the Continuing Disclosure Agreement and the Tax Certificate constitute valid, legal, binding and enforceable instruments of the Issuer in accordance with their respective terms.

4. The Series 2013 B Bonds have been duly authorized, executed and delivered by the Issuer and, assuming proper authentication, constitute valid and legally enforceable limited obligations of the Issuer, payable from, and secured by a lien on, the Gross Revenues of the System, on a parity with the Issuer's: (a) Combined Waterworks and Sewerage System Revenue

Bonds, Series 1987 B, dated November 18, 1987, issued in the original aggregate principal amount of \$413,629 (the "*Series 1987 B Bonds*"); (b) Combined Waterworks and Sewerage System Revenue Bonds, Series 1988 B-1, dated May 4, 1988, issued in the original aggregate principal amount of \$295,916 (the "*Series 1988 B-1 Bonds*"); (c) Combined Waterworks and Sewerage System Revenue Bonds, Series 1988 B-2, dated May 20, 1988, issued in the original aggregate principal amount of \$558,000 (the "*Series 1988 B-2 Bonds*"); (d) Combined Waterworks and Sewerage System Revenue Bonds, Series 1989 B, dated April 13, 1989, issued in the original aggregate principal amount of \$117,480 (the "*Series 1989 B Bonds*"); (e) Combined Waterworks and Sewerage System Design Revenue Bonds, Series 1998 (West Virginia SRF Program), dated September 29, 1998, issued in the original aggregate principal amount of \$437,601 (the "*Series 1998 Bonds*"); (f) Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 A (West Virginia SRF Program), dated June 22, 2000, issued in the original aggregate principal amount of \$3,163,781 (the "*Series 2000 A Bonds*"); (g) Combined Waterworks and Sewerage System Revenue Bonds, Series 2002 A (West Virginia Water Development Authority), dated August 22, 2002, issued in the original aggregate principal amount of \$1,100,000 (the "*Series 2002 A Bonds*"); (h) Combined Waterworks and Sewerage System Revenue Bonds, Series 2002 B (West Virginia Infrastructure Fund), dated August 22, 2002, issued in the original aggregate principal amount of \$3,600,000 (the "*Series 2002 B Bonds*"); (i) Combined Waterworks and Sewerage System Revenue Bonds, Series 2002 C (Insured), dated December 20, 2002, issued in the original aggregate principal amount of \$4,135,000 (the "*Series 2002 C Bonds*"); (j) Combined Waterworks and Sewerage System Revenue Bonds, Series 2003 A (AMT - Uninsured), dated January 15, 2003, issued in the original aggregate principal amount of \$1,000,000 (the "*Series 2003 A Bonds*"); (k) Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 A (Taxable), dated January 19, 2006, issued in the original aggregate principal amount of \$1,830,000 (the "*Series 2006 A Bonds*"); (l) Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 B (Tax-Exempt), dated July 27, 2006, issued in the original aggregate principal amount of \$2,000,000 (the "*Series 2006 B Bonds*"); (m) Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2009 A (Tax-Exempt), dated December 1, 2009, issued in the original aggregate principal amount of \$7,120,000 (the "*Series 2009 A Bonds*"); (n) Combined Waterworks and Sewerage System Revenue Bonds, Series 2010 A (West Virginia DWTRF Program), dated January 13, 2010, issued in the original aggregate principal amount of \$912,458 (the "*Series 2010 A Bonds*"); (o) Combined Waterworks and Sewerage System Revenue Bonds, Series 2010 B (West Virginia DWTRF Program/ARRA), dated January 13, 2010, issued in the original aggregate principal amount of \$100,000 (the "*Series 2010 B Bonds*"); (p) Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2010 C (West Virginia SRF Program), dated December 2, 2010, issued in the original aggregate principal amount of \$1,250,000 (the "*Series 2010 C Bonds*"); (q) Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2010 D (West Virginia SRF Program), dated December 2, 2010, issued in the original aggregate principal amount of \$500,000 (the "*Series 2010 D Bonds*"); (r) Combined Waterworks and Sewerage System Revenue Bonds, Series 2011 A (West Virginia SRF Program), dated July 22, 2011, issued in the original aggregate principal amount of \$13,147,192 (the "*Series 2011 A Bonds*"); (s) Combined Waterworks and Sewerage System

Revenue Bonds, Series 2011 B (West Virginia SRF Program), dated July 22, 2011, issued in the original aggregate principal amount of \$2,000,000 (the "*Series 2011 B Bonds*"); (t) Combined Waterworks and Sewerage System Revenue Bonds, Series 2012 A (West Virginia SRF Program), dated December 18, 2012, issued in the original aggregate principal amount of \$1,500,000 (the "*Series 2012 A Bonds*"); and (u) Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2013 A (West Virginia SRF Program), dated June 27, 2013, issued in the original aggregate principal amount of \$591,977 (the "*Series 2013 A Bonds*"), (collectively, the "*Prior Bonds*"). The Series 2013 B Bonds are enforceable in accordance with their terms and the terms of the Ordinance, and are entitled to the benefits of the Ordinance and the Act.

5. We have examined the executed and authenticated Series 2013 B Bonds of said issue, and in our opinion, said Series 2013 B Bonds are in proper form and have been duly executed and authenticated.

6. Under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2013 B Bonds is excluded from the gross income of the holders thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations; *provided, that* the interest on the Series 2013 B Bonds is taken into account as an adjustment to current earnings when computing the federal alternative minimum tax on certain corporations. Ownership of tax-exempt obligations, including the Series 2013 B Bonds, may result in collateral federal income tax consequences to certain taxpayers, including without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry such obligations. We offer no opinion as to such collateral tax consequences or any other federal tax consequences arising with respect to the Series 2013 B Bonds. Prospective purchasers of the Series 2013 B Bonds should consult their own tax advisors as to such consequences.

The opinions set forth in paragraph 6 above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations promulgated thereunder (collectively, the "*Code*") that must be satisfied in order for interest on the Series 2013 B Bonds to be or continue to be excludable from gross income for federal income tax purposes and with all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Series 2013 B Bonds set forth in the Ordinance, the Bond Purchase Agreement, the Tax Certificate and the certifications of the Issuer and others. Failure to comply with such Code provisions or such certifications, covenants and representations could cause the interest on the Series 2013 B Bonds to be includable in gross income retroactive to the date of issuance of the Series 2013 B Bonds.

7. Under the Act, the Series 2013 B Bonds and the interest thereon are exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

8. The Series 2013 B Bonds are exempted securities within the meaning of Section 3(a)(2) of the Securities Act of 1933, as amended, and the West Virginia Uniform Securities Act, as amended, and it is not necessary, in connection with the public offering and sale of the Series 2013 B Bonds, to register any securities under said Securities Acts.

It is to be understood that the rights of the holders of the Series 2013 B Bonds and the enforceability of the Series 2013 B Bonds, the Ordinance, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate, and the liens, pledges, rights or remedies with respect thereto, are subject to and may be limited by any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally and that their enforcement may also be subject to the application of public policy, general principles of equity and the exercise of judicial discretion in appropriate cases.

We do not express any opinion as to the sufficiency or accuracy of the material, information or financial statements which are set forth in the Official Statement prepared and used in connection with the offering and sale of the Series 2013 B Bonds.

The opinions expressed in this letter are based upon the law in effect on the date hereof, and may be affected by actions taken or omitted or events occurring after the date hereof, including subsequent interpretations of the applicable law by competent judicial, regulatory and administrative authorities that modify, revoke, supplement, reverse, overrule or otherwise change applicable law and current interpretations thereof. We assume no obligation to revise or supplement this opinion should such law be changed by legislative action, judicial decision, or otherwise, or to determine or to inform any person whether any such actions are taken or omitted or any such events occur.

This opinion is intended solely for the benefit of the addressees and may not be relied upon by any other person or entity without, in each such case, our express written consent.

Very truly yours,

Crews & Associates, Inc.
Little Rock, Arkansas

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance and sale by the City of Charles Town (the "City" or "Issuer") of its \$2,970,000 aggregate principal amount of Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax-Exempt) (the "Series 2013 B Bonds"). In our capacity as bond counsel, we are delivering an opinion of even date herewith concerning the legality of the Series 2013 B Bonds and the exclusion of interest on the Series 2013 B Bonds from gross income for federal income tax purposes (the "Bond Opinion"). We have examined the documents and instruments as described in the Bond Opinion, the Official Statement and such other matters as we have deemed necessary or appropriate to render this opinion. Words and terms used in this opinion shall have the meanings assigned to them in the Bond Purchase Agreement (the "Bond Purchase Agreement") dated September 24, 2013, between the City and Crews & Associates, Inc. (the "Underwriter") and approved by the Issuer.

Based upon the foregoing, we are of opinion that:

- (1) The Bond Purchase Agreement has been duly authorized, executed and delivered by the City and, (assuming due authorization, execution and delivery by the other parties thereto and that it is a binding agreement of the other parties in accordance with its terms), is a legal, valid, binding and enforceable obligation in accordance with its terms of the City (except to the extent that enforceability may be limited by bankruptcy, insolvency or other laws or equitable principles affecting creditors' rights generally).
- (2) The City, under the Act, has full power and authority to enact the Ordinance, enter into the Bond Purchase Agreement and perform its obligations thereunder.

- (3) The Official Statement has been duly approved, signed and delivered by the City, and the City has authorized the distribution of the Official Statement and the use thereof by the Underwriter in connection with the offering of the Series 2013 B Bonds.
- (4) The statements and information contained in the Official Statement under the captions or subcaptions (i) "Tax Matters" are true and accurate in all material respects and presents a fair summary and description of the matters summarized and described under such caption, and (ii) the statements and information contained in the Official Statement under the captions or subcaptions, "Introduction," "The Series 2013 B Bonds," (except for the statements referred to therein under "Book-Entry Series 2013 B Bonds" with respect to the Depository Trust Company), "Security for the Series 2013 B Bonds," "Bond Ordinance," "Tax Matters," and "Appendix C – Form of Opinion of Bond Counsel" do not contain any untrue statement of a material fact or omit to state a material fact necessary to make such statements, in light of the circumstances under which they were made, not misleading in any material respect and are accurate and present a fair summary of the matters referred to therein.
- (5) The Series 2013 B Bonds are exempt from registration pursuant to the Securities Act of 1933, as amended, and the Ordinance is exempt from qualification as a trust indenture pursuant to the Trust Indenture Act of 1939, as amended.

Ladies and Gentlemen:

We have acted as counsel for the City of Charles Town, West Virginia (the "City") in connection with the sale of the above-referenced Bonds (the "Series 2013 B Bonds"), which are being delivered and sold pursuant to a Bond Purchase Agreement dated as of September 24, 2013 (the "Purchase Agreement") between Crews & Associates, Inc. (the "Underwriter") and the City. Any capitalized term used herein and not defined herein shall have the meaning assigned to it in the Purchase Agreement.

In this connection, we have reviewed and examined certain proceedings and documents with respect to the Series 2013 B Bonds, any such records, certificates and other documents as we have considered necessary or appropriate for the purposes of this opinion, the Constitution and the laws of the State of West Virginia, including Chapter 8, Article 20 of the Code of West Virginia, 1931, as amended (the "Act"), the Ordinance of the City relating to the Series 2013 B Bonds enacted on April 1, 2013, as supplemented by a Supplemental Parameters Resolution and Conformed Ordinance adopted by the Council of the City on September 3, 2013 (collectively, the "Ordinance"), the Purchase Agreement and the Official Statement dated September 24, 2013, with respect to the issuance and offering of the Series 2013 B Bonds (the "Official Statement"), and certifications of the City. Based on such review and such other considerations of law and fact as we believe to be relevant, we are of the opinion that:

1. The City is a municipal corporation and political subdivision duly organized and existing under the laws and Constitution of the State of West Virginia. The City is authorized by the laws of the State of West Virginia, as provided by the Act, to enter into and perform its obligations under the Ordinance and the Purchase Agreement.

2. The City has full power and authority to consummate all transactions contemplated by the Series 2013 B Bonds, the Purchase Agreement and any other agreements relating thereto, to which the City is a party and the City has complied with all requirements of the Act that must be satisfied in connection with the issuance of the Series 2013 B Bonds.

3. To the best of our knowledge following due inquiry, there is no litigation pending or threatened against the City, in any court, which in any way affects the existence of the City or the titles of its officers to their respective offices, or seeking to restrain or to enjoin the issuance or delivery of the Series 2013 B Bonds, or the collection of revenues and assets of the City pledged or to be pledged to pay the principal of and interest on the Series 2013 B Bonds, or the pledge thereof, or in any way contesting or affecting the validity or enforceability of the Series 2013 B Bonds, the Ordinance, the Purchase Agreement, or contesting the powers of the State of West Virginia with respect to the Series 2013 B Bonds, the Ordinance or this Purchase Agreement or any transaction described in or contemplated by the Official Statement.

4. The Official Statement, as amended or supplemented to the date hereof, contains no untrue statement regarding the City of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein regarding the City, in light of the circumstances under which they were made, not misleading.

5. The statements contained in the Official Statement under the captions "Financing Plan," "Absence of Material Litigation," "Management's Discussion," and "Continuing Disclosure," (as such information pertains to the Issuer) do not contain any untrue statement of a material fact or omit to state a material fact necessary to make such statements, in light of the circumstances under which they were made, not misleading in any material respect.

All counsel to this transaction may rely upon the foregoing opinion as if specifically addressed to them.

Ladies and Gentlemen:

I am special counsel to the City of Charles Town, a municipality in Jefferson County, West Virginia (the "Issuer"). As such counsel, I have represented the Issuer before the Public Service Commission of West Virginia in connection with the issuance of the above-referenced bonds, and the acquisition and construction of the Project. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Bond Legislation and the Bond Purchase Agreement when used herein.

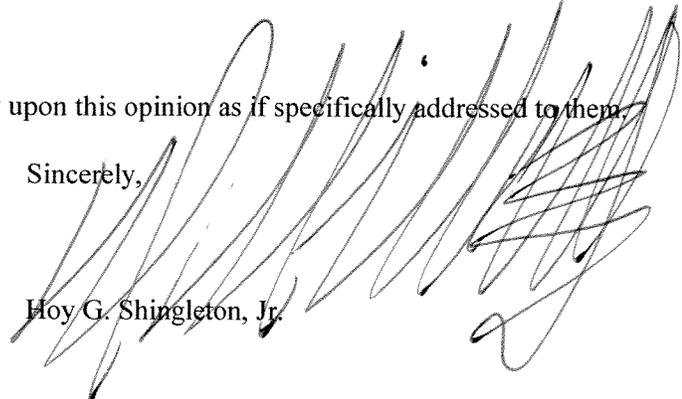

I am of the opinion that the Issuer has received all orders and approvals from the Public Service Commission of West Virginia, including the Commission Order entered on January 8, 2013, Commission Order entered March 8, 2013, and Commission Order entered June 6, 2013 in Case No. 12-0217-S-PC of the Public Service Commission of West Virginia, and Recommended Decision dated November 13, 2012 which became a Final Order on December 3, 2012 in Case No. 12-1005-W-CN of the Public Service Commission of West Virginia (collectively, the "Order"), approving the Project and approving the financing for the Project. Such Order remains in full force and effect.

Ladies and Gentlemen:

We have acted as counsel to you (the "Underwriter") in connection with the issuance and sale by the City of Charles Town (the "City") of its Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax Exempt), in the aggregate principal amount of \$2,970,000 (the "Series 2013 B Bonds"). In connection with rendering this opinion, we have examined the Official Statement dated September 24, 2013, the Bond Purchase Agreement dated September 24, 2013 (the "Purchase Agreement"), and Rule 15c2-12 of the Securities and Exchange Commission promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"). Capitalized terms used but not defined herein shall have the meanings set forth in the Purchase Agreement.

Based upon the foregoing review, we are of the opinion that you are not required to comply with the requirements of paragraph (b)(5) of the Rule.

Without having undertaken to determine independently the accuracy or completeness of the statements contained in the Official Statement, but on the basis of our conferences with representatives of the City, counsel for the City, Bond Counsel and the Underwriter, and our examination of certain documents referred to in the Official Statement, nothing has come to our attention that would lead us to believe that the Official Statement (excluding therefrom the financial and statistical data included in the Official Statement, including Appendices A and B thereto as to which we express no opinion) contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

This opinion is solely for the benefit of, and may be relied upon only by, the Underwriter; and it is not to be used, circulated, quoted or otherwise referred to for any other purpose, except that a copy hereof may be included in the transcript of closing documents pertaining to the delivery of the Series 2013 B Bonds.

Respectfully submitted,

We, the undersigned MAYOR and CITY CLERK of the City of Charles Town, West Virginia (the "Issuer"), hereby certify this 1st day of October, 2013, in connection with the \$2,970,000 aggregate principal amount of the City of Charles Town Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax-Exempt) (the "Series 2013 B Bonds"), as follows:

1. TERMS: All capitalized words and terms used in this General Certificate and not otherwise defined herein shall have the same meanings as set forth in the Bond Ordinance of the Issuer enacted April 1, 2013, as supplemented by a Supplemental Parameters Resolution and Conformed Ordinance of the Issuer adopted September 3, 2013 (collectively, the "Ordinance").

2. NO LITIGATION: Except as otherwise disclosed in the Official Statement, no controversy or litigation of any nature is now pending or, to the knowledge of any of the undersigned, threatened, restraining, enjoining or affecting in any manner the issuance, sale and delivery of the Series 2013 B Bonds, the collection or use of the revenues of the System, or the respective pledge thereof to the payment of the principal of and interest on the Series 2013 B Bonds, nor in any manner questioning the proceedings and authority by which the Issuer authorized the issuance and sale of the Series 2013 B Bonds, nor in any manner affecting the validity or enforceability of the Series 2013 B Bonds, the

Ordinance or the Bond Purchase Agreement, dated September 24, 2013 (the "Bond Purchase Agreement"), by and between the Issuer and Crews and Associates, Inc. (the "Underwriter") or any agreement or instrument relating thereto, used or contemplated by the Bond Purchase Agreement or any provisions made or authorized for the payment of the Series 2013 B Bonds; nor in any manner questioning the valid existence of the Issuer or the authority or titles of the Mayor, City Manager, City Clerk and the members of the Council and other officials of the Issuer to their respective offices; nor in any manner questioning any proceeding, procedure, action or thing followed, taken or done in connection with the issuance, sale and delivery of the Series 2013 B Bonds, which is not set forth in the Official Statement relating to the Series 2013 B Bonds.

3. GOVERNMENTAL APPROVALS: All applicable approvals and certificates required by law for acquisition and construction of the Project, operation of the System, including, without limitation, the imposition of rates and charges, and the issuance of the Series 2013 B Bonds, have been obtained as of the date hereof and remain in full force and effect.

4. RATES: The Issuer has duly enacted a water rate ordinance on April 15, 2008 and a sewer rate ordinance on August 7, 2006 which rates are in full force and effect.

5. PUBLIC SERVICE COMMISSION ORDERS: The Issuer has received the Commission Order entered on January 8, 2013, Commission Order entered March 8, 2013, and Commission Order entered June 6, 2013 in Case No. 12-0217-S-PC of the Public Service Commission of West Virginia, and Recommended Decision dated November 13, 2012 which became a Final Order on December 3, 2012 in Case No. 12-1005-W-CN the Public Service Commission of West Virginia (collectively, the "Order"), approving the Project and approved the financing for the Project. Such Order remains in full force and effect.

6. PUBLICATION OF NOTICES: Notice of the public hearing upon the Ordinance was duly published as required by law. The Council of the Issuer approved the Ordinance, and the Ordinance became fully effective April 1, 2013 and remains in full force and effect on the date hereof. The Ordinance was supplemented by a Supplemental Resolution and Conformed Ordinance adopted by the Issuer on September 3, 2013.

7. AWARD OF BONDS; SIGNATURES: The Series 2013 B Bonds were awarded to the Underwriter upon a negotiated basis at the price of \$2,856,739.10 (par amount of \$2,970,000 less net original issue discount in the amount of \$53,860.90 and less underwriter's discount of \$59,400). As of the date hereof, the Series 2013 B Bonds were duly signed by the manual signature of the Mayor, and the official seal of the Issuer, which seal is impressed upon this Certificate, was impressed or imprinted thereon and attested by the manual signature of the City Clerk.

8. DELIVERY AND PAYMENT: On the date hereof the undersigned Mayor did deliver to the Underwriter the entire issue of the Series 2013 B Bonds, numbered BR-1 to BR-6.

At the time of delivery of the Series 2013 B Bonds, there was paid to the Issuer (or others, on behalf of the Issuer) the agreed price therefor as follows:

Par Amount of Series 2013 B Bonds	\$2,970,000.00
Less: Net Original Issue Discount	(53,860.90)
Less: Underwriter's Discount	(54,900.00)

The Series 2013 B Bonds shall be issued on a parity with the Prior Bonds. The Issuer has obtained (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consent of the Registered Owners of the Prior Bonds to the issuance of the Series 2013 B Bonds on a parity with such Prior Bonds if required by the Prior Ordinances. The Series 2002 C Bonds, Series 2003 A Bonds, Series 2006 A Bonds, Series 2006 B Bonds and Series 2009 A Bonds do not require consent. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

11. MEETINGS, ETC.: All actions, ordinances, resolutions, orders and agreements taken by and entered into by or on behalf of the Issuer in any way connected with the issuance of the

Series 2013 B Bonds were authorized or adopted at meetings of the Council of the Issuer duly and regularly called and held pursuant to the City Charter and City Council Rules of Procedure, and all applicable statutes, including Chapter 6, Article 9A of the Official West Virginia Code of 1931, as amended, and a quorum of duly elected, qualified and acting members of the council was present and acting at all times during all such meetings.

12. INCUMBENCY AND OFFICIAL NAME: The proper corporate title of the Issuer is the “City of Charles Town” and it is a municipal corporation of the State of West Virginia, in Jefferson County of said state. The governing body of the Issuer is its Council, consisting of a Mayor and 8 council members. The names and terms of office of the members of Council and the Mayor are as follows:

13. PUBLICATION AND PUBLIC HEARING ON BOND ORDINANCE: Upon adoption of the Bond Ordinance, an abstract thereof, determined by the Council of the Issuer to contain sufficient information as to give notice of the contents thereof, was published once each week for 2 successive weeks, with not less than 6 full days between each publication, the first such publication occurring not less than 10 days before the date stated below for the public hearing, in *Spirit of Jefferson Advocate*, a newspaper of general circulation in the City of Charles Town, together with a notice to all persons concerned, stating that the Bond Ordinance had been adopted and that the Issuer contemplated the issuance of the Series 2013 B Bonds described in such Ordinance, stating that any person interested may appear before the Council at the public hearing held at a public meeting of Council on the 1st day of April, 2013, at 7:00 p.m., in the Council Chambers of the City Hall of the City of Charles Town and present protests, and stating that a certified copy of the Bond Ordinance was on file at the office of the City Clerk of the Issuer for review by interested parties during the office hours of the City Clerk. At such hearing all objections and suggestions were heard by the Council of the Issuer and the Bond Ordinance became finally adopted, enacted and effective as of the date of such public hearing, and remains in full force and effect.

14. SPECIMEN BONDS. Delivered concurrently herewith are true and accurate specimens of the Series 2013 B Bonds.

15. NO FEDERAL GUARANTY: The Series 2013 B Bonds are not, in whole or part, and will not be, directly or indirectly, federally guaranteed within the meaning of Section 149(b) of the Code.

16. IRS INFORMATION RETURN: On the date hereof, the undersigned Mayor did officially sign a properly completed IRS Form 8038-G and will cause such executed Form 8038-G to be filed in a timely manner with the Internal Revenue Service Center, Ogden, Utah, with respect to the Series 2013 B Bonds.

17. OFFICIAL STATEMENT CERTIFICATION: At and since the date of the Official Statement nothing has come to the attention of any signer hereof which would lead any such signer to believe that the Official Statement contains an untrue statement of a material fact or omits to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

18. CERTIFICATIONS REGARDING BOND PURCHASE AGREEMENT: In addition to the foregoing, the undersigned Mayor hereby certifies in connection with Section 7.2(d) of the Bond Purchase Agreement as follows: (i) the representations and warranties made by the Issuer in this Bond Purchase Agreement are true and correct as of the Closing Date with the same effect as if made on the Closing Date; (ii) the Issuer has performed and complied with all agreements and conditions required by this Bond Purchase Agreement to be performed or complied with by it at or prior to the Closing Date; (iii) since the respective dates as of which information is given in the Official Statement, and except as set forth therein, there has not been any material or adverse change in the Issuer's condition, financial or otherwise; (iv) the Official Statement, insofar as it relates to the Issuer, does not include any untrue statement of a material fact or omit to state any material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, (v) that subsequent to June 30, 2012, the date of the City of Charles Town's most recent audited financial statements included as Appendix B of the Official Statement, there has been no material adverse change in the financial position or results of operations of the Issuer, (vi) that no litigation is pending or, to the knowledge of the Issuer, threatened against the Issuer or its officials (A) to restrain or enjoin issuance or delivery of any of the Bonds or the collection of Revenues pledged under the Ordinance, (B) in any way contesting or affecting any authority for the issuance of the Bonds, or the validity of the Bonds, or the Bond Documents, (C) in any way contesting or affecting the existence or powers of the Issuer or its ability to perform its obligations under the Bond Documents, or (D) that may materially adversely affect the financial condition or operations of the Issuer, (vii) that the Issuer has satisfied all conditions pertaining to the issuance of the Bonds pursuant to the Ordinance and all other applicable provisions, and (viii) that no event affecting the Issuer or the transactions contemplated by the Official Statement or the Bond Documents has occurred since the date of the Official Statement which should be disclosed in the Official Statement for the purpose for which it is to be used, or which it is necessary to disclose therein in order to make the statements and information therein, in the light of the circumstances under which they were made, not misleading.

19. DESIGNATION OF REGISTRAR, PAYING AGENT AND DEPOSITORY BANK: The Issuer hereby confirms the appointment of (a) United Bank, Inc., Charleston, West Virginia, as Registrar, (b) United Bank, Inc., Charles Town, West Virginia, as Depository Bank and (c) West Virginia Municipal Bond Commission, Charleston, West Virginia, as Paying Agent.

20. CONTINUING DISCLOSURE CERTIFICATE: The Issuer is obligated by the Continuing Disclosure Certificate and is in full compliance with all of its prior continuing disclosure undertakings entered into pursuant to the provisions of Rule 15c2-12(b)(5) excepting such matters as may be described in the Continuing Disclosure Section of the Official Statement

21. COUNTERPARTS: This Certificate may be executed in one or more counterparts, and all counterparts shall be deemed to be the Certificate.

\$2,970,000 Combined Waterworks and Sewerage System Revenue Bonds,
Series 2013 B (Tax-Exempt)

TAX AND NON-ARBITRAGE CERTIFICATE

The undersigned, Mayor of the City of Charles Town (the “Issuer”), on this 1st day of October, 2013, being the official of the Issuer duly charged with the responsibility for the issuance of the \$2,970,000 Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax-Exempt) (the “Series 2013 B Bonds”), dated October 1, 2013, hereby certify as follows, (all capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Ordinance enacted by the Issuer on April 1, 2013, as supplemented by Supplemental Parameters Resolution and Conformed Ordinance adopted by the Issuer on September 3, 2013 (collectively, the “Bond Legislation”), pursuant to which the Series 2013 B Bonds are issued):

A. DEFINITIONS

The following words and phrases shall have the following meanings or such other meanings as may be required under the Code or the Regulations. Any capitalized word or term used herein but not defined herein shall have the meaning set forth in the Bond Legislation.

“**Bona Fide Debt Service Fund**” shall mean a fund which may include proceeds of an issue, that:

(a) Is used primarily to achieve a proper matching of revenues with principal and interest payments within each Bond Year; and

(b) Is depleted at least once each Bond Year, except for a reasonable carryover amount not to exceed the greater of:

(i) the earnings on the fund for the immediately preceding Bond Year; or

(ii) one-twelfth (1/12th) of the principal and interest payments on the Bonds for the immediately preceding Bond Year.

“**Bond Act**” means Article 20 of Chapter 8 of the Code of West Virginia of 1931, as amended.

“**Bond Counsel**” means the law firm or firms delivering its or their approving opinion or opinions with respect to the issuance of the Bonds and the exclusion of interest on the Bonds from gross income for the purposes of federal income taxation.

“**Bond Year**” means the 12-month period beginning on the anniversary of the Closing Date in each year and ending on the day prior to the anniversary date of the Closing Date in the following

year, or such other period as shall be determined by the Issuer, except that the first Bond Year shall begin on the Closing Date.

“**Bond Yield**” means the yield of the Bonds, calculated in accordance with the provisions of Section 1.148-4 of the Regulations.

“**Code**” means the Internal Revenue Code of 1986, as amended, and all rulings and regulations promulgated thereunder.

“**Computation Date**” means each Installment Computation Date and the Final Computation Date.

“**Costs of Issuance**” means all costs incurred in connection with the issuance of the Bonds within the meaning of Section 147(g) of the Code. Examples of costs of issuance include (but are not limited to):

(a) underwriters’ spread (whether realized directly or derived through purchase of the Bonds at a discount below the price at which a substantial number of Bonds are sold to the public);

(b) counsel fees (including Bond Counsel, Underwriters’ Counsel, Issuer’s Counsel, and any other specialized counsel fees incurred in connection with the issuance of the Bonds);

(c) financial advisor fees incurred in connection with the issuance of the Bonds;

(d) trustee fees and registrar fees;

(e) paying agent, disbursement agent, and certifying and authenticating agent fees related to issuance of the Bonds;

(f) accountant fees related to issuance of the Bonds;

(g) printing costs (for the Bonds and of preliminary and final offering materials); and

(h) costs incurred in connection with any required public approval process (e.g., publication costs for public notices generally and costs of the public hearing or voter referendum).

“**Date of Issue**” means October 1, 2013.

“**Discharged**” means, with respect to any Bond, the date on which all amounts due with respect to such Bond are actually and unconditionally due if cash is available at the place of payment and no interest accrues with respect to the Bond after such date.

“**Fair Market Value**” of an Investment means as follows:

(a) In General. Except as specifically otherwise provided below, the Fair Market Value of an Investment is the price at which a willing buyer would purchase the Investment from a willing seller in a bona fide arm's length transaction. The Fair Market Value of an Investment that is purchased directly from the United States Treasury is its purchase price.

(b) Safe Harbor for Establishing Fair Market Value for Guaranteed Investment Contracts and Investments Purchased for a Yield Restricted Defeasance Escrow. The purchase price of a guaranteed investment contract is treated as its Fair Market Value on the purchase date if -

(i) The institution makes a bona fide solicitation for a specified guaranteed investment contract and reserves at least three (3) bona fide bids from providers that have no material financial interest in the issue (e.g. as underwriters or brokers);

(ii) The institution purchases the highest yielding guaranteed investment contract for which a qualifying bid is made (determined net of broker's fees);

(iii) The yield on the guaranteed investment contract (determined net of broker's fees) is not less than the yield then available from the provider on reasonably comparable guaranteed investment contracts, if any, offered to persons from a source of funds other than gross proceeds of tax exempt bonds;

(iv) The determination of the terms of the guaranteed investment contract takes into account as a significant factor the Issuer's reasonably expected draw down schedule for the amounts to be invested, exclusive of amounts deposited in debt service funds and reasonably required reserve or replacement funds;

(v) The terms of the guaranteed investment contract, including collateral security requirements, are reasonable; and

(vi) The obligor on the governmental investment contract certifies the administrative costs that it is paying (or expects to pay) to third parties in connection with the guaranteed investment contract.

(c) Safe Harbor for Establishing Fair Market Value for Certificates of Deposit. The Fair Market Value of a certificate of deposit is its purchase price if it has a fixed rate of interest, a fixed payment schedule, and a substantial penalty for early withdrawal and the yield on the certificate of deposit is not less than (i) the yield on reasonably comparable direct obligations of the United States; and (ii) the highest yield that is published or posted by the provider to be currently available on reasonably comparable certificates of deposit offered to the public.

“**Final Computation Date**” means the date on which the last Bond is Discharged.

“**Future Value**” means the amount determined by using the following formula:

$$FV = PV(1+i)^n$$

where:

FV = The future value of the nonpurpose receipt or payment at the end of the interval. Each interval ends on the last day of a compounding interval. The compounding interval is the same compounding interval used in computing the Bond Yield.

PV = The future value of the nonpurpose receipt or payment at the beginning of the interval, or the amount thereof if the computation is for the first interval. The first interval begins on the date the nonpurpose receipt or payment is actually or constructively received or paid (or otherwise is taken into account). The amount of every nonpurpose receipt and payment with respect to an issue that is taken into account at the beginning of the first interval may be rounded to the nearest whole dollar. The preceding sentence shall not apply to receipts and payments with respect to investments in a restricted escrow within the meaning of Section 1.148-8(g) of the Regulations.

i = The Bond Yield during the interval (expressed as a decimal) divided by the number of compounding intervals in a year.

ⁿ = A fraction, the numerator of which is the length of the interval and the denominator of which is the length of a whole compounding interval.

“**Gross Proceeds**” means Proceeds and Replacement Proceeds of the Bonds within the meaning of the Regulations.

“**Installment Computation Date**” means the last day of the fifth Bond Year and each succeeding fifth Bond Year.

“**Investment**” means any security, obligation, annuity contract, or investment type property as defined in section 148(b) of the Code.

“**Investment Proceeds**” means any amounts actually or constructively received from investing Proceeds of an issue of bonds.

“**IRS**” means the Internal Revenue Service.

“**Issue Price**” means \$2,916,139.10 being the Issue Price of the Series 2013 B Bonds.

The Issue Price is the initial offering price to the public at which price a substantial amount of the Bonds is sold. For this purpose, ten percent (10%) is a substantial amount, and the term “the public” does not include bond houses, brokers, or similar persons or organizations acting in the

capacity of underwriters or wholesalers. The Issue Price generally is the first price at which the Bonds are sold to the public, and the issue price will not change if part of the issue is subsequently sold at a different price. The Issue Price of bonds that are not substantially identical is determined separately. The Issue Price of a bond issue for which a bona fide public offering is made is determined as of the sale date based on reasonable expectations regarding the initial public offering price. The Issue Price of the Bonds may not exceed their fair market value as of the sale date.

“**Net Sale Proceeds**” means Sale Proceeds less the amount of those Sale Proceeds invested in a reasonably required reserve or replacement fund under Section 148(d) of the Code and as part of a minor portion under Section 148(e) of the Code.

“**Nonpurpose Investment**” means any Investment that is not acquired to carry out the governmental purpose of an issue.

“**Payment**” means a payment as defined in Section 1.148-3(d) of the Regulations for purposes of computing the Rebate Amount, and a payment as defined in Section 1.148-5(b) of the Regulations for purposes of computing the Yield on an Investment.

“**Present Value**” means the amount determined by using the following formula:

$$PV = \frac{FV(1+i)^n}{(1+i)^n}$$

where *i* equals the discount rate divided by the number of compounding intervals in a year and *n* equals the sum of (i) the number of whole compounding intervals for the period ending on the date as of which the Future Value is determined and (ii) a fraction the numerator of which is the length of any short compounding interval during such period and the denominator of which is the length of a whole compounding interval.

“**Present Value of an Investment**” shall mean the value of an investment computed under the economic accrual method; using the same compounding interval and financial conventions used to compute the yield on the Bonds. On any valuation date, the Present Value of an Investment is equal to the Present Value of all unconditionally payable receipts to be received from the payments to be paid for the investment after that date, using the Yield on the Investment as the discount rate.

“**Proceeds**” means any Sale Proceeds and Investment Proceeds of an issue of bonds. Proceeds do not include amounts that are actually or constructively received that with respect to an Investment that is acquired for the governmental purpose of an issue that are properly allocable to the immaterially higher yield under Section 1.148-2(d) of the Regulations or Section 143(g) of the Code or to qualified administrative cost recoverable under Section 1.148-5(e).

“**Rebate Amount**” means, in respect of the Series 2013 B Bonds, the amount determined pursuant to the Code and Regulations in accordance with section E(1) hereof. Generally, under the Regulations, the rebate amount, as of any date, equals the excess of the Future Value of all Receipts with respect to Nonpurpose Investments allocated to the Gross Proceeds of the Series 2013 B Bonds over the Future Value of all the Payments with respect to such Nonpurpose Investments computed in accordance with the Regulations.

“**Rebate Analyst**” means the entity or person chosen by the Issuer in accordance with section E(3) hereof to determine the Rebate Amounts.

“Rebate Payment Date” means the date following a Computation Date on which the Rebate Amount is mailed or otherwise filed with the IRS. The Rebate Payment Date cannot be a date which is more than 60 days after a Computation Date.

“Receipt” means a receipt as defined in Section 1.148-3(d) of the Regulations for purposes of computing the Rebate Amount, and a receipt as defined in Section 1.148-5(b) of the Regulations for purposes of computing Yield on an Investment.

“Regulation” or **“Regulations”** means the temporary, proposed or final Income Tax Regulations promulgated by the Department of the Treasury that are applicable to the Series 2013 B Bonds.

“Replacement Proceeds” means amounts that are treated as replacement proceeds of an issue of bonds under Section 1.148-1(c) of the Regulations. Generally, amounts are Replacement Proceeds of an issue if the amounts have a sufficiently direct nexus to the governmental purpose of the issue to conclude that the amounts would have been used for that governmental purpose if the proceeds of the issue were not used or to be used for that governmental purpose. Replacement Proceeds include, but are not limited to, sinking funds or pledged funds to the extent that those funds are held by or derived from a substantial beneficiary of the issue (which, for this purpose includes the issuer and any related party to the issuer).

“Sale Proceeds” means amounts actually or constructively received from the sale of an issue of bonds (including amounts used to pay underwriter’s discount and compensation and accrued interest other than pre-issuance accrued interest). Sale Proceeds also include, but are not limited to, amounts derived from the sale of a right that is associated with a Series 2013 B Bond and that is described in Section 1.148-4(b)(4) of the Regulations.

“Tax-Exempt Bond” means any tax-exempt bond within the meaning of Section 103 of the Code and Section 1.150-1 of the Regulations that is not investment property within the meaning of Section 148(b)(3) of the Code.

“Underwriter” means Crews and Associates, Inc., Charleston, West Virginia.

“Universal Cap” means the maximum value of Nonpurpose Investments which may be allocated to the Series 2013 B Bonds under Section 1.148-6 of the Regulations and is determined by reference to the Value of all outstanding Series 2013 B Bonds of the issue. For purposes of this determination Nonpurpose Investments include cash, Tax-Exempt Bonds (i.e., any tax-exempt bond that is not investment property under Section 148(b)(3) of the Code), qualified mortgage loans, and qualified student loans.

“Valuation Date” means the date on which the value of the Universal Cap and the Nonpurpose Investments allocable to the Series 2013 B Bonds thereunder must be determined under Section 1.148-6 of the Regulations. In general, beginning with the first Bond Year beginning after second year anniversary of the Issue Date, the first day of each Bond Year constitutes a Valuation Date.

“Value of a Bond” means the value of a bond determined under Section 1.148-4(e) of the Regulations. Under those Regulations, value generally means:

(a) In the case of a plain par bond (within the meaning of Section 1.148-1(b) of the Regulations), its outstanding stated principal amount, plus accrued unpaid interest or in the case of a plain par bond actually redeemed, or that is treated as redeemed, its stated redemption price on the redemption date plus accrued unpaid interest; and

(b) In the case of a bond other than a plain par bond, the value on a date of such a bond is generally its Present Value on that date, using the yield on the issue of which the bonds are a part as the discount factor. In determining the Present Value of a variable rate bond, the initial interest rate on the bond established by the index or other rate setting mechanism is used to determine the interest payments on that bond.

“Value of an Investment” means the value of an investment determined under Section 1.148-5(d) of the Regulations. Under those Regulations, value as of any date generally means, for any fixed rate investment (within the meaning of Section 1.148-1(b) of the Regulations) or Yield Restricted Investment, Present Value on that date, and for any plain par investment (within the meaning of Section 1.148-1(b) of the Regulations), the outstanding stated principal amount, plus accrued unpaid interest, as of that date.

“Yield” or **“yield”** means the yield computed under Section 1.148-4 of the Regulations for the Bonds, and the yield computed under Section 1.148-5 of the Regulations for an Investment.

“Yield Restricted Investments” means any Investments which either (1) bear a yield that is no greater than the Bond Yield, or (2) are investments in one or more Tax-Exempt Bonds.

B. GENERAL

1. This certificate is being executed and delivered pursuant to Section 148 of the Code. I am an officer of the Issuer charged with the responsibility of issuing the Series 2013 B Bonds. I am familiar with the facts, circumstances, and estimates herein certified and am duly authorized to execute and deliver this certificate on behalf of the Issuer.

2. This certificate may be relied upon as the certificate of the Issuer.

3. The Issuer has not been notified by the Internal Revenue Service of any listing or proposed listing of it as an issuer the certification of which may not be relied upon by holders of their respective obligations or that there is any disqualification thereof by the Internal Revenue Service because a certification made by it contains a material misrepresentation.

4. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on October 1, 2013, the date on which the Series 2013 B Bonds are to be physically delivered in exchange for the issue price thereof, and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

5. The Issuer has covenanted in the Bond Legislation that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2013 B Bonds which would cause the Series 2013 B Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without

implied limitation, the timely filing of a federal information return with respect to the Series 2013 B Bonds) so that the interest on the Series 2013 B Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

6. The Series 2013 B Bonds were sold on September 24, 2013, to the Underwriter for a purchase price of \$2,856,739.10 (par amount of \$2,970,000, less net original issue discount of \$53,860.90 and less underwriter's discount of \$59,400).

7. The Series 2013 B Bonds are being delivered simultaneously with the delivery of this certificate and are issued for the following purpose: (i) to finance a portion of the costs of acquisition and construction of certain additions, betterments and improvements to the existing combined waterworks and sewerage system of the Issuer; (ii) to fund a reserve account for the Series 2013 B Bonds; and (iii) to pay certain costs of issuance and related costs.

8. The sources of proceeds of the Series 2013 B Bonds is as follows:

SOURCES

Par Amount of the Series 2013 B Bonds	\$2,970,000.00
Net Original Issue Discount	\$53,860.90
Total	\$2,916,139.10

9. The proceeds of sale of the Bonds will be applied as follows:

USES

Acquisition and Construction of Project	\$2,612,000.00
Funding the Series 2013 B Bonds	
Reserve Account	\$194,450.00
Underwriter's Discount	\$59,400.00
Costs of Issuance for 2013 B Bonds	\$50,289.10
Total	\$2,916,139.10

10. The Underwriter has stated, in its certificate, a copy of which is attached as EXHIBIT A - UNDERWRITER'S CERTIFICATE hereto (the "Underwriter's Certificate") that the Series 2013 B Bonds have been reoffered, and a substantial amount thereof sold, to purchasers other than bond houses, brokers or other intermediaries, at the initial offering prices not greater than the respective prices shown on the cover page of the Official Statement for the Series 2013 B Bonds.

11. The yield on the Series 2013 B Bonds, as so computed, has been determined to be 5.1085714% (the "Bond Yield"), based on a "purchase price" equal to the Issue Price for the Series 2013 B Bonds.

C. THE SERIES 2013 B BONDS

1. The principal amounts, interest rates, interest and principal payment dates, and debt service with respect to the Series 2013 B Bonds are detailed in the Series 2013 B Bonds.

2. [Reserved]

3. A Sinking Fund for the Series 2013 B Bonds is created under the Bond Legislation. Monies deposited in the Series 2013 B Bonds Sinking Fund, including subsequent deposits thereto, will be spent within a 13-month period beginning on the date of deposit and will be depleted at least once a year, except for a reasonable carryover amount not in excess of 1/12 of the annual debt service with respect to the Series 2013 B Bonds. The Series 2013 B Bonds Sinking Fund is designed to achieve a proper matching of the Issuer's revenues and debt service on the Series 2013 B Bonds within each Bond Year. All monies held in the Series 2013 B Bonds Sinking Fund will be used to pay debt service on the Series 2013 B Bonds. The Series 2013 B Bonds Sinking Fund qualifies as a Bona Fide Debt Service Fund and all monies in the Series 2013 B Bonds Sinking Fund will be invested without restriction as to yield and are not subject to rebate.

4. A Series 2013 B Bonds Reserve Account is created under the Bond Legislation for the Series 2013 B Bonds in an aggregate amount equal to the lesser of (i) 10% of the original principal amount of the Series 2013 B Bonds, (ii) Maximum Annual Debt Service at the time of original issuance of the Series 2013 B Bonds, or (iii) 125% of average annual Debt Service at the time of original issuance of the Series 2013 B Bonds (the "Reserve Account Requirement"). The monies in the Series 2013 B Bonds Reserve Account will be invested without restriction as to yield. All earnings on amounts deposited in the Series 2013 B Bonds Reserve Account will, to the extent the yield thereon exceeds the yield on the Series 2013 B Bonds, be subject to rebate.

5. A Renewal and Replacement Fund is created, or continued, under the Bond Legislation, to be funded through monthly deposits of Revenues in an amount equal to 2 1/2% of the Gross Revenues of the System. Absent an Event of Default on the Series 2013 B Bonds, and depletion in full of the Reserve Account, the Renewal and Replacement Fund is not expected to be used for the purpose of paying Debt Service on the Series 2013 B Bonds. Such monies will be invested without restriction as to yield and are not subject to rebate.

6. A Redemption Account for the Series 2013 B Bonds is created under the Bond Legislation. In the event monies are deposited into the Redemption Account, to the extent they are not part of a Bona Fide Debt Service Fund, they will, to the extent the yield thereon exceeds the yield on the Series 2013 B Bonds, be subject to rebate. Otherwise, they will be invested without restriction as to yield and are not subject to rebate.

7. A Costs of Issuance Fund is created under the Bond Legislation to be funded from proceeds of the Series 2013 B Bonds in the amount of \$50,289.10, to pay costs of issuance of the Series 2013 B Bonds. All such amounts shall be fully expended within 6 months from the date hereof. Pending such disbursement, such monies will be invested without restriction as to yield and are not subject to rebate.

8. A Construction Fund is created under the Bond Legislation to be funded only from remaining proceeds of the Series 2013 B Bonds to pay costs of the Project. All such amounts shall be fully expended within 3 years from the date hereof. Pending such disbursement, such monies will be invested without restriction as to yield and are not subject to rebate. Work with respect to the acquisition and construction of the Project will commence shortly and will proceed with due diligence to completion. Acquisition and construction of the Project is expected to be completed within 3 years. All proceeds of the Series 2013 B Bonds designated for the Project will be expended within 3 years from the date of issuance thereof. The Project will be operated solely for a public purpose as a local governmental activity of the Issuer. The Issuer expects no part of the Project financed by proceeds of the Series 2013 B Bonds will be sold or otherwise disposed of prior to the last maturity date of the Series 2013 B Bonds.

Except for the proceeds of the Series 2013 B Bonds designated for the Project, no other funds of the Issuer will be available to meet costs of the Project, which would constitute “replacement proceeds” within the meaning of Treas. Reg. § 1.148-1(c), inasmuch as (i) the Issuer does not reasonably expect that the term of the Series 2013 B Bonds is longer than is reasonably necessary for the governmental purposes of the Issuer, (ii) the weighted average maturity of the Series 2013 B Bonds does not exceed 120% of the average expected economic life of the Project, and (iii) there are no amounts that have a sufficiently direct nexus to the Series 2013 B Bonds or to the governmental purpose of the Series 2013 B Bonds to conclude that the amounts would have been used for that governmental purpose if the proceeds of the Series 2013 B Bonds were not used or to be used for that governmental purpose.

9. Other than the funds and accounts described above, there are no other funds or accounts of the Issuer which (i) are reasonably expected to be used to pay Debt Service on the Series 2013 B Bonds or which are pledged as collateral to secure repayment of Debt Service on the Series 2013 B Bonds and (ii) for which there is a reasonable assurance that amounts therein will be available to pay Debt Service on the Series 2013 B Bonds.

10. Accrued interest, if any, with respect to the Series 2013 B Bonds in an amount less than 6 month’s interest on the Series 2013 B Bonds may be applied within one year from the date hereof toward the payment of interest first due on the Series 2013 B Bonds, as detailed in the Schedules. Pending such disbursement, such monies, if any, will be invested without restriction as to yield.

D. REBATE OF EXCESS ARBITRAGE

1. Rebate Fund; Calculation of Rebate Amount.

(a) Section 148(f) of the Code requires the payment to the United States of the excess of the amount earned on the investment of Gross Proceeds in Nonpurpose Investments over the amount that would have been earned on such investments had the amount so invested been invested at a rate equal to the Bond Yield, together with any income attributable to such excess. Except as provided below, and as previously set forth as excepted in Section C hereof, all other funds or accounts treated as containing Gross Proceeds are subject to this requirement.

(b) Pursuant to the Bond Legislation, the Issuer has created the Rebate Fund to be held by the Depository Bank. On or before 45 days following each Computation Date, an amount shall be deposited into the Rebate Fund by the Issuer so that the balance held in the Rebate Fund shall equal the aggregate Rebate Amount due as of the Rebate Payment Date following such Computation Date. Monies so deposited shall be derived from the Issuer’s own funds.

(c) To meet the rebate requirements of Section 148(f) of the Code, the Issuer (or the Rebate Analyst described in section E(3) hereof) agrees and covenants to take the following actions:

(i) For each investment of (i) amounts held in the Reserve Accounts, and (ii) any other monies held by the Issuer which constitute Gross Proceeds, the Issuer shall record the purchase date of such investment, its purchase price, accrued interest due on its purchase date, its face amount, its coupon rate, the frequency of its interest payment, its disposition price, accrued interest due on its disposition date and its disposition date.

(ii) For each Installment Computation Date with respect to Rebate Amounts specified in paragraph (iii) below, the Issuer shall compute the Yield on the Series 2013 B Bonds as required by the Code and Regulations. If any of the Series 2013 B Bonds are redeemed prior to their scheduled maturity, the Issuer agrees to seek the advice of Bond Counsel or other rebate expert to recompute the Yield on the Series 2013 B Bonds as required by the Regulations.

(iii) For each Computation Date, the Issuer shall determine the amount of earnings received on all Nonpurpose Investments described in paragraph (i) above this section E(1)(c) that are allocable to Gross Proceeds of the Series 2013 B Bonds. In addition, where Nonpurpose Investments are retained by the Bond Commission after retirement of the Series 2013 B Bonds, any unrealized gains or losses as of the date of retirement of the Series 2013 B Bonds must be taken into account in calculating the earnings on such Nonpurpose Investments to the extent required by the Regulations.

(iv) In determining the Nonpurpose Investments that are allocable to Gross Proceeds of the Series 2013 B Bonds, the Issuer shall consider the allocation rules set forth in the Regulations, including the rules relating to the Universal Cap. In general, the Universal Cap represents the maximum value of Nonpurpose Investments that may be allocated to an issue of bonds and is determined by reference to the Value of all the outstanding bonds of the issue.

(v) For each Computation Date, the Issuer shall calculate for each Nonpurpose Investment described in paragraph (iii) above, an amount equal to the earnings which would have been received on such Nonpurpose Investment at an interest rate equal to the Yield on the Series 2013 B Bonds as described in paragraph (ii) above. The method of calculation shall follow that set forth in the Regulations.

(vi) In determining the amount of any rebate computed pursuant to this section, all earnings on any Bona Fide Debt Service Fund to the extent such earnings do not exceed \$100,000 in any Bond year shall not be taken into account.

(vii) For each Computation Date, the Issuer shall calculate the Rebate Amount (computed from the Issue Date of the Series 2013 B Bonds to each such Computation Date) by any appropriate method provided in the Code and Regulations that is applicable to the Series 2013 B Bonds, taking into account any computation credit allowed thereunder. In determining the Rebate Amount, the Issuer shall account for the amounts determined under paragraphs (iii), (iv), and (v) above.

(viii) If the Rebate Amount exceeds the amount on deposit in the Rebate Account, the Issuer shall immediately pay that amount, or cause that amount to be paid, into the Rebate Account.

2. Payment to United States. (a) Installment Computation Dates. Unless the Series 2013 B Bonds are redeemed prior to such time, the Issuer shall pay to the United States, not later than sixty (60) days after each Installment Computation Date, an amount which, when added to all previous rebate payments made with respect to the Series 2013 B Bonds, is equal to not less than ninety percent (90%) of the Rebate Amount (computed from the date of issuance of the Series 2013 B Bonds to each such Installment Computation Date).

(b) Final Computation Date. The Issuer shall pay to the United States, not later than sixty (60) days after the last outstanding Series 2013 B Bonds are paid or redeemed, one hundred percent (100%) of the Rebate Amount for the Final Computation Date (computed from the date of issuance of the Series 2013 B Bonds to the Final Computation Date).

(c) Mailing of Rebate Payment. Each Payment of an installment shall be mailed to the Internal Revenue Service Center, Internal Revenue Service Center, Ogden, Utah 84201-0027. Each payment shall be accompanied by (i) a copy of IRS Form 8038-T, and (ii) the CUSIP number for the Series 2013 B Bond with the latest maturity.

(d) Excess Balance in Rebate Fund; Excess Rebate Payments. If on the Rebate Payment Date the balance on deposit in the Rebate Fund is in excess of the Rebate Amount attributable to the Series 2013 B Bonds, such excess may be withdrawn by the Issuer from the Rebate Fund. The Issuer may direct that any overpayment of rebate may be recovered from any rebate payment previously made to the United States under any procedure that may be permitted by the Code or the Regulations.

(e) Recordkeeping. In connection with the rebate requirement, the Issuer shall maintain (or cause to be maintained) the following records:

(i) The Issuer shall record all amounts paid to the United States pursuant to section E(2) hereof.

(ii) The Issuer shall retain records of the rebate calculations until six years after the Final Computation Date.

(iii) The Issuer shall keep and record the data described in section E(1)(c) hereof pertaining to the investment of the proceeds of the Series 2013 B Bonds until six years after the Final Computation Date.

3. Rebate Analyst. (a) A Rebate Analyst shall be appointed to perform the rebate calculations, as required herein.

(b) The Issuer may rely conclusively upon the opinions, calculations, determinations, directions and advice of the Rebate Analyst. The charges and fees for such Rebate Analyst shall be paid by the Issuer upon presentation of an invoice for services rendered in connection therewith.

4. Failure to Pay Rebate Amounts. In the event the Issuer fails to pay at the proper time and in the proper amounts, any Rebate Amount, it will pay the rebate amount plus interest within 180 days after discovery of such failure as set forth in Section 1.148-3(h)(3) of the Regulations. Notwithstanding the foregoing, in the event the Issuer fails to pay at the proper time and in the proper amount any Rebate Payment or correction amount, it hereby covenants and agrees to pay any penalty required by Internal Revenue Service in lieu of a declaration of taxability on the Series 2013 B Bonds.

E. MISCELLANEOUS

1. The Series 2013 B Bonds is considered a single issue pursuant to Section 1.150-1(c) of the Regulation.
2. The amount designated as “Cost of Issuance” of the Series 2013 B Bonds consists only of costs which are directly related to and necessary for the issuance of the Series 2013 B Bonds.
3. The Issuer shall, on the date hereof or immediately hereafter, enter into a contract for the construction of the Project, and the amount to be expended pursuant to such contract exceeds 5% of the net sale proceeds of the Bonds.
4. Work with respect to the acquisition and construction of the Project will proceed with due diligence to completion. Acquisition and construction of the Project is expected to be completed within 24 months.
5. The Issuer shall file Form 8038-G in a timely fashion with the Internal Revenue Service Center, Ogden, Utah. The Form 8038-G attached hereto as EXHIBIT B - FORM 8038-G is, to the best of my knowledge, true and correct, and may be relied upon by Bond Counsel.
6. The Issuer agrees to continue to monitor the use of the facilities and the expenditure of proceeds of the Series 2013 B Bonds in order to ensure compliance with the relevant tax rules and regulations required so that the interest on the Series 2013 B Bonds will be excluded from gross income for federal income tax purposes. The Issuer will use the compliance policies attached hereto as Exhibit C. The Issuer further agrees and understands that if the Tax Exempt Rules are not complied with, the parties may use the remedial actions set forth in Regulations §1.141-12, or may use the voluntary closing agreement process of the Internal Revenue Service in order to bring the Series 2013 B Bonds into compliance with the Tax Exempt Rules.
7. None of the proceeds of the Series 2013 B Bonds will be used (directly or indirectly) in any trade or business carried on by, or will be used to make or finance loans to, any person who is not a governmental unit.
8. The original proceeds of the Series 2013 B Bonds will not exceed the amount necessary for the purpose of the issue, except to the extent any such proceeds are required for rebate to the United States.
9. The Issuer shall use the proceeds of the Series 2013 B Bonds solely to fund a Reserve Account for the Series 2013 B Bonds; to pay the costs of acquisition and construction of the Project; and to pay costs of issuance and related costs.
10. The Issuer shall not permit at any time or times any of the proceeds of the Series 2013 B Bonds or any other funds of the Issuer to be used directly or indirectly in a manner which would result in the exclusion of the Series 2013 B Bonds from treatment afforded by Section 103(a) of the Code by reason of classification of the Series 2013 B Bonds as “private activity bonds” within the meaning of the Code. The Issuer will take all actions necessary to comply with the Code and the Treasury Regulations promulgated or to be promulgated thereunder.

11. The Series 2013 B Bonds are not, and will not be, in whole or part, directly or indirectly, federally guaranteed within the meaning of Section 149(b) of the Code.

12. The Issuer has not entered and will not enter into any transaction to reduce the Yield on an investment of the Gross Proceeds of the Series 2013 B Bonds so as to cause the amount to be rebated to the United States Treasury to be less than it would have been had the transaction been at arm's length and the Yield on the Series 2013 B Bonds not been relevant to either party to the transaction, and that all investments of Gross Proceeds will be made on an arm's length, Fair Market Value basis.

13. On each Valuation Date, the Issuer agrees to value the Universal Cap and the Nonpurpose Investments allocable to the Series 2013 B Bonds thereunder in accordance with the Regulations. Notwithstanding anything herein to the contrary, the failure to perform the determination of Nonpurpose Investments allocable to the Series 2013 B Bonds as of a Valuation Date shall not be considered a violation of this provision if the application of the Universal Cap would not result in a reduction or reallocation of Gross Proceeds of an issue.

14. No portion of the proceeds of the Series 2013 B Bonds will be used directly or indirectly to replace funds of the Issuer or other related governmental agency that have been used directly or indirectly to acquire securities or obligations which may reasonably be expected, on the date hereof, to produce a yield materially higher than the Yield on the Series 2013 B Bonds.

15. In connection with the Series 2013 B Bonds, there has not been created or established, and the Issuer does not expect that there will be created or established, any sinking fund, pledged fund or similar fund (other than as specifically identified in this Tax and Arbitrage Certificate), including without limitation any arrangement under which money, securities, or obligations are pledged directly or indirectly to secure the Series 2013 B Bonds or any contract securing the Series 2013 B Bonds or any arrangement providing for compensating or minimum balances to be maintained by the Issuer or related governmental agencies with any registered owner of the Series 2013 B Bonds.

16. The Series 2013 B Bonds are not and will not be part of a transaction or series of transactions that (i) attempt to circumvent the provisions of Section 148 of the Code, or any successor thereto, and the Regulations promulgated thereunder which enable the Issuer to exploit the difference between tax-exempt and taxable interest rates to gain a material financial advantage or (ii) increase the burden on the market for tax-exempt obligations in any manner, including, without limitation, by selling obligations that would not otherwise be sold or selling a larger amount of obligations, or issuing them sooner, or allowing them to remain outstanding longer, than would otherwise be necessary.

17. No other obligations are being issued by the Issuer or any related entity at substantially the same time and sold pursuant to a common plan of financing and which will be paid out of substantially the same source of funds (or which will have substantially the same claim to be paid out of substantially the same source of funds) as the Series 2013 B Bonds or which will be paid directly or indirectly from proceeds of the sale of the Series 2013 B Bonds.

18. The issuance of the Series 2013 B Bonds will not involve the use of a "device" or an "abusive transaction" within the meaning of Section 149(d)(4) of the Code and the Regulations thereunder.

19. The Issuer covenants to comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Series 2013 B Bonds in order that the interest thereon be and continue to be excludable from gross income for federal income tax purposes.

20. The Issuer will rebate to the United States the amount, if any, required by the Code and to take all steps necessary to make such rebates. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, and take all other actions required of it in order to maintain the exclusion of interest on the Series 2013 B Bonds from gross income for federal income tax purposes.

21. The Issuer has retained the right to amend the Bond Legislation authorizing the issuance of the Series 2013 B Bonds if such amendment is necessary to assure compliance with Section 148(f) of the Code or as may otherwise be necessary to assure the exclusion of interest on the Series 2013 B Bonds from the gross income of the holders thereof.

22. The Issuer shall comply with all yield restrictions on Series 2013 B Bond proceeds as set forth in the Code.

23. The Issuer covenants and agrees to comply with the rebate requirements of the Code if not exempted therefrom, and with all other requirements of the Code necessary, proper or desirable to maintain the tax-exempt status of the Series 2013 B Bonds and the interest thereon. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2013 B Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of the Bond Legislation.

24. The Series 2013 B Bonds are a fixed yield issue. No interest or other amount payable on any of the Series 2013 B Bonds (other than in the event of an unanticipated contingency) is determined by reference to (or by reference to an index that reflects) market interest rates or stock or commodity prices after the date of issue.

25. Under Section 1.148-2(b) of the Regulations, an officer of the Issuer must certify the issuer's expectations as of the issue date. In accordance therewith, the undersigned Mayor of the Issuer hereby in good faith certifies that the representations and covenants set forth in this Certificate constitute the reasonable expectations of the Issuer as of the Issue Date. Accordingly, the representations and covenants set forth herein are intended and may be relied upon as the certification described in Section 1.148-2(b) of the Regulations and are being delivered as part of the record of proceedings in connection with the issuance of the Series 2013 B Bonds.

26. To the best of my knowledge, information and belief there are no other facts, estimates and circumstances which would materially change the expectations herein expressed.

27. Steptoe & Johnson PLLC is entitled to rely upon the representations, expectations, covenants, certifications and statements contained herein in rendering its opinions regarding the tax-exempt status of interest on the Series 2013 B Bonds.

28. Notwithstanding any other provision hereof, any provision of this Tax and Arbitrage Certificate shall be amended at any time and such amendment shall be complied with, upon receipt by the Issuer of an opinion of Bond Counsel that such amendment is necessary or permissible under the then current Code and Regulations and is either necessary to or will not adversely affect the

excludability of interest on the Series 2013 B Bonds from gross income of the recipients thereof for federal income tax purposes.

29. To the best of our knowledge, information and belief, the foregoing expectations are reasonable.

TAX COMPLIANCE POLICY

[Included in Transcript as Document No. 22]

CITY OF CHARLES TOWN (WEST VIRGINIA)

TAX COMPLIANCE POLICIES

Purpose

Governmental issuers of tax-exempt and tax-credit bonds must comply with certain federal tax rules pertaining to expenditure of proceeds for qualified costs, rate of expenditure, use of bond financed property, investment of proceeds in compliance with arbitrage rules, and retention of records. The following policies are intended to establish compliance by the City of Charles Town, West Virginia (the “*Issuer*”), as the issuer, with these rules in connection with the issuance of the Issuer’s Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax-Exempt) (the “*Tax-Exempt Bonds*”). It is understood and agreed by the Issuer, and the Issuer has covenanted to take all actions necessary to maintain the Tax-Exempt Bonds as tax-exempt state and local bonds.

Tax Requirements Associated with Sale and Issuance of Bonds

Review and retention of tax documents related to the sale and issuance of Bonds will be supervised by the City Manager or his designee (the “*Oversight Officer*”).

- Form 8038-G (tax exempt bonds) will be reviewed and filed not later than the 15th day of the 2nd calendar month following the quarter in which the bonds were issued. Filing of appropriate version or versions of Form 8038-G will be confirmed with bond counsel.

Expenditure of Proceeds for Governmental Costs

Expenditure of bond proceeds will be reviewed by the Oversight Officer.

- Bond proceeds will be disbursed pursuant to the Bond Ordinance, and will be a written order of an Authorized Officer, stating the date, amount and purpose of the disbursement.
- Requisitions must identify the financed property in conformity with the Tax and Non-Arbitrage Certificate executed by the Issuer at closing, including any certifications as to the character and average economic life of the bond-financed property.
- Requisitions for costs that were paid prior to the issuance of the bonds are, in general, limited to costs paid subsequent to, or not more than 60 days prior to, the date a “declaration of intent” to reimburse the costs was adopted by the City. If proceeds are used for reimbursement, a copy of the declaration will be obtained and included in the records for the Tax-Exempt Bonds, if not already part of the bond transcript.

- Requisitions will be in accordance with expectations to spend or commit 5% of net sale proceeds within 6 months, to spend 85% of net sale proceeds within 3 years, and to proceed with due diligence to complete the project and fully spend the net sale proceeds. Expected expenditure schedules, project timelines, and plans and specifications will be maintained to support expectations. Reasons for failure to meet the expected schedule will be documented and retained in the records for the Tax-Exempt Bonds.
- If the 18-month spending exception to rebate applies, expenditure of gross proceeds will be monitored against the following schedule for the arbitrage rebate exception for the issue, if applicable:
 - 15% within 6 months
 - 60% within 12 months
 - 100% within 18 months
- If the 2-year spending exception to rebate applies, expenditure of “available construction proceeds” will be monitored against the following schedule for the arbitrage rebate exception for construction issues if applicable:
 - 10% within 6 months
 - 45% within 12 months
 - 75% within 18 months
 - 100% within 24 months

Expenditure of Proceeds

In addition to the general review of expenditures described above, expenditure of proceeds of the Tax-Exempt Bonds will be reviewed by the Oversight Officer.

- Reserve funds cannot exceed the least of 10% of bond proceeds, maximum annual debt service, or 125% of average annual debt service. The initial funding of any reserve fund will be measured against this limit.
- Only a small portion (5%) of the proceeds of Tax-Exempt Bonds can be used for operating expenses or other “working capital” costs. Requisitions for costs of the Project will accordingly be monitored to confirm that they are for capital costs of the Project.
- Investment earnings on sale proceeds of the Tax-Exempt Bonds will be tracked and will be requisitioned only for appropriate expenditures.

Use of Bond-Financed Property

Use of bond-financed property when completed and placed in service will be reviewed by the Oversight Officer.

- Average nonexempt use of bond-financed property over the life of the issue cannot exceed 10% of the proceeds.
- Agreements with business users or non-profit organizations for lease or management or services contracts, sponsored research, naming rights or any other potential nonexempt use of bond-financed property will be reviewed prior to execution of any contract to determine if property subject to the Bond Ordinance is bond-financed.
- Agreements with business users or other non-profit organizations for lease or management or services contracts or other private business use involving bond-financed property will be tracked and aggregated with other private business uses for compliance with the 10% limit, as set forth in the Tax and Non-Arbitrage Certificate.
- No item of bond-financed property will be sold or transferred to a nonexempt party without advance arrangement of a “remedial action” under the applicable Income Tax Regulations.

Investments and IRS Filings

Investment of bond proceeds in compliance with the arbitrage bond rules and rebate of arbitrage will be supervised by the Oversight Officer.

- Guaranteed investment contracts (“GIC”) will be purchased only using the three-bid “safe harbor” of applicable Income Tax Regulations, in compliance with fee limitations on GIC brokers in the Income Tax Regulations.
- Other investments will be purchased only in market transactions.
- Calculations of rebate liability will be performed annually by outside consultants.
- Rebate payments will be made with Form 8038-T no later than 60 days after (a) each fifth anniversary of the date of issuance and (b) the final retirement of the issue. Compliance with rebate requirements will be reported to the bond trustee and the issuer.
- Identify date for first rebate payment at time of issuance. Enter in records for the issue.

Records

Management and retention of records related to tax-exempt bond issues will be supervised by the Oversight Officer.

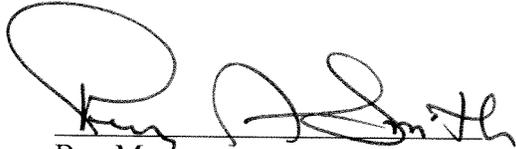

- Records will be retained for the life of the bonds plus any refunding bonds plus three years. Records may be in the form of documents or electronic copies of documents, appropriately indexed to specific bond issues and compliance functions.
- Retainable records pertaining to the Tax-Exempt Bonds include transcript of documents executed in connection with the issuance of the bonds (including authorizing resolutions, Bond Ordinance, Form 8038-G, and Tax and Non-Arbitrage Certificate) and any amendments, and copies of rebate calculations and records of payments, including Forms 8038-T.
- Retainable records pertaining to expenditures of bond proceeds include requisitions, accounting statements and final allocation of proceeds.
- Retainable records pertaining to use of property include all agreements reviewed for nonexempt use and any reviewed documents relating to unrelated business activity.
- Retainable records pertaining to investments include GIC documents under the Income Tax Regulations, records of purchase and sale of other investments, and records of investment activity sufficient to permit calculation of arbitrage rebate or demonstration that no rebate is due.

[Remainder of Page Intentionally Blank]

Overall Responsibility

Overall administration and coordination of this policy is the responsibility of the Oversight Officer.

CERTIFICATE OF UNDERWRITER

The undersigned Gregory B. Isaacs, Senior Managing Director of CREWS & ASSOCIATES, INC. (the "Underwriter"), which is purchasing the entirety of the above-captioned bonds in the aggregate principal amount of \$2,970,000, dated October 1, 2013 (the "Series 2013 B Bonds") of the City of Charles Town (the "Issuer"), hereby certifies this 1st day of October, 2013, that:

1. The Underwriter and the Issuer on September 24, 2013 (the "Sale Date") executed a Bond Purchase Agreement for the Series 2013 B Bonds (the "Bond Purchase Agreement"). The Bond Purchase Agreement has not been modified since the execution thereof on the Sale Date. Capitalized terms used herein shall have the meanings set forth in the Bond Purchase Agreement.

2. The Underwriter certifies that the initial offering price of the Series 2013 B Bonds to the public (excluding bond houses, brokers and similar persons or organizations acting in the capacity of underwriters or wholesalers) at which a substantial amount of the Series 2013 B Bonds of that maturity (i.e., at least ten percent (10%) of such maturity) were reasonably expected to be sold as of the Sale Date is as follows for each of the maturities listed below:

<u>Maturity Date</u> <u>(October 1)</u>	<u>Principal Amount</u>	<u>Initial Offering Price</u>	<u>Dollar Price</u>
2018	280,000	100.000%	280,000
2023	330,000	100.000%	330,000
2028	400,000	100.000%	400,000
2032	390,000	100.000%	390,000
2036	470,000	97.043%	456,102.10
2043	1,100,000	96.367%	1,060,037.00
		Total	\$2,916,139.10

3. All of the Series 2013 B Bonds have been the subject of a bona fide initial offering to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of Underwriter, placement agents or wholesalers) at prices equal to those set forth in the Bond Purchase Agreement. Based upon the Underwriter's assessment of then prevailing market conditions, the purchase price of each Series 2013 B Bond is not less than the fair market value of each Bond as of the Sale Date.

4. The weighted average maturity of the Series 2013 B Bonds, based on the issue price of the Series 2013 B Bonds from their date of issue (and not on the basis of the principal amount of the Series 2013 B Bonds from their dated date) is 18.611 years.

5. The yield on the Series 2013 B Bonds, calculated in accordance with Treasury Regulations Section 1.148-4 is 5.1085714%.

6. The Underwriter has not and will not receive any compensation from the proceeds of the sale of the Series 2013 B Bonds, including investment earnings thereon, in excess of its underwriter's discount in the amount of \$59,400.

7. The Reserve Fund for the Series 2013 B Bonds in the amount of \$194,450 established under the Bond Legislation for the Series 2013 B Bonds is reasonable, necessary and required for the marketability of the Series 2013 B Bonds.

8. The issue price of the Series 2013 B Bonds, calculated in accordance with Treasury Regulations Section 1.148-1(b) is \$2,916,139.10.

Par Amount of Series 2013 B Bonds	\$2,970,000.00
Less: Net Original Issue Discount	<u>(53,860.90)</u>
Issue Price	\$2,916,139.10

9. The maximum amount of principal and interest payable on the Series 2013 B Bonds in any year is \$194,450, and such amount is less than 10% of the principal amount of the Series 2013 B Bonds and 125% of the average annual debt service on the Bonds payable in any year during the term of the Bonds.

10. The Series 2013 B Bonds are issued as fixed-rate bonds.

11. The terms used herein have the same meaning given them in Section 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations applicable thereunder or in the Tax and Non-Arbitrage Certificate for the Series 2013 B Bonds.

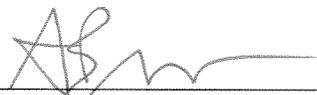

12. This certificate may be relied upon by the Issuer with respect to the Tax and Non-Arbitrage Certificate relating to the Series 2013 B Bonds and by Steptoe & Johnson PLLC in rendering its opinions with respect to the Series 2013 B Bonds.

13. The undersigned is only certifying as to facts in existence on the date hereof.

Ladies and Gentlemen:

Based upon the rates and charges as set forth in the Water Rate Ordinance enacted on April 15, 2008 and Sewer Rate Ordinance enacted on August 7, 2006 by the City of Charles Town (the "Issuer") and the projected operating expenses and the anticipated customer usage as furnished to us by the Issuer, it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the combined waterworks and sewerage system (the "System") of the Issuer, will pay all operating expenses of the System and leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Issuer's Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax Exempt) issued in the aggregate principal amount of \$2,970,000 (the "Series 2013 B Bonds") and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2013 B Bonds, including the Issuer's:

(1) Combined Waterworks and Sewerage System Revenue Bonds, Series 1987 B, dated November 18, 1987, issued in the original aggregate principal amount of \$413,629 ("Series 1987 B Bonds");

(2) Combined Waterworks and Sewerage System Revenue Bonds, Series 1988 B-1, dated May 4, 1988, issued in the original aggregate principal amount of \$295,916 ("Series 1988 B-1 Bonds");

(7) Combined Waterworks and Sewerage System Revenue Bonds, Series 2002 A (West Virginia Water Development Authority), dated August 22, 2002, issued in the original aggregate principal amount of \$1,100,000 ("Series 2002 A Bonds");

(8) Combined Waterworks and Sewerage System Revenue Bonds, Series 2002 B (West Virginia Infrastructure Fund), dated August 22, 2002, issued in the original aggregate principal amount of \$3,600,000 ("Series 2002 B Bonds");

(9) Combined Waterworks and Sewerage System Revenue Bonds, Series 2002 C (Insured), dated December 20, 2002, issued in the original aggregate principal amount of \$4,135,000 ("Series 2002 C Bonds");

(10) Combined Waterworks and Sewerage System Revenue Bonds, Series 2003 A (AMT - Uninsured), dated January 15, 2003, issued in the original aggregate principal amount of \$1,000,000 ("Series 2003 A Bonds");

(11) Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 A (Taxable), dated January 19, 2006, issued in the original aggregate principal amount of \$1,830,000 ("Series 2006 A Bonds");

(12) Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 B (Tax-Exempt), dated July 27, 2006, issued in the original aggregate principal amount of \$2,000,000 ("Series 2006 B Bonds");

(13) Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2009 A (Tax-Exempt), dated December 1, 2009, issued in the original aggregate principal amount of \$7,120,000 ("Series 2009 A Bonds");

(14) Combined Waterworks and Sewerage System Revenue Bonds, Series 2010 A (West Virginia DWTRF Program), dated January 13, 2010, issued in the original aggregate principal amount of \$912,458 ("Series 2010 A Bonds");

(15) Combined Waterworks and Sewerage System Revenue Bonds, Series 2010 B (West Virginia DWTRF Program/ARRA), dated January 13, 2010, issued in the original aggregate principal amount of \$100,000 ("Series 2010 B Bonds");

(16) Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2010 C (West Virginia SRF Program), dated December 2, 2010, issued in the original aggregate principal amount of \$1,250,000 ("Series 2010 C Bonds");

(17) Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2010 D (West Virginia SRF Program), dated December 2, 2010, issued in the original aggregate principal amount of \$500,000 ("Series 2010 D Bonds");

(18) Combined Waterworks and Sewerage System Revenue Bonds, Series 2011 A (West Virginia SRF Program), dated July 22, 2011, issued in the original aggregate principal amount of \$13,147,192 (the "Series 2011 A Bonds");

(19) Combined Waterworks and Sewerage System Revenue Bonds, Series 2011 B (West Virginia SRF Program), dated July 22, 2011, issued in the original aggregate principal amount of \$2,000,000 (the "Series 2011 B Bonds");

(20) Combined Waterworks and Sewerage System Revenue Bonds, Series 2012 A (West Virginia SRF Program), dated December 18, 2012, issued in the original aggregate principal amount of \$1,500,000 (the "Series 2012 A Bonds"); and

(21) Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2013 A (West Virginia SRF Program), dated June 27, 2013, issued in the aggregate principal amount of \$591,977 (the "Series 2013 A Bonds") (collectively referred to as the "Prior Bonds").

It is further our opinion that the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Series 2013 B Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2013 B Bonds, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Series 2013 B Bonds and the Prior Bonds.

In addition the respective Reserve Accounts for the Prior Bonds are funded in accordance with the Prior Ordinances.

Sincerely,

Decker & Company PLLC

This Preliminary Official Statement and the information contained herein are subject to completion and amendment. SYSTEM REVENUE BONDS, SERIES 2013 B (TAX-EXEMPT)

Dated: Date of Delivery

Due: October 1, as shown below

The Series 2013 B Bonds are issuable only as fully registered bonds without coupons in denominations of \$5,000 and integral multiples thereof for any year of maturity. All of the Series 2013 B Bonds initially will be maintained under a book-entry system under which The Depository Trust Company, New York, New York ("DTC"), will act as securities depository. Purchases of the Series 2013 B Bonds will be in book-entry form only. Semiannual interest on the Series 2013 B Bonds is payable April 1, 2014, and each April 1 and October 1 thereafter. So long as the Series 2013 B Bonds are maintained under a book-entry system, payments of the principal of and premium, if any, and interest on the Series 2013 B Bonds will be made when due by the West Virginia Municipal Bond Commission, Charleston, West Virginia, as Paying Agent (the "Paying Agent"), to DTC in accordance with the Ordinance and the Supplemental Resolution, and the Paying Agent will have no obligation to make any payments to any beneficial owner of any Series 2013 B Bonds. See "THE SERIES 2013 B BONDS - Book-Entry Only System." The Series 2013 B Bonds are subject to redemption prior to maturity as described herein.

Proceeds of the Series 2013 B Bonds will be used, together with other funds available therefor, to: (i) provide funds in the amount of \$ _____, to be deposited in the Series 2013 B Bonds Project Fund to purchase an existing sewer system (acquisition of the assets of Willow Spring Public Service Corporation) that will be added to the City's combined water and sewer system, construction of a wetlands reserve account for the Series 2013 B Bonds; and (iii) pay certain costs of issuance of the Series 2013 B Bonds and related costs.

The Series 2013 B Bonds are payable from and further secured by the Gross Revenues derived from the existing combined waterworks and sewerage system of the City and any extensions, improvements and betterments thereto on parity with the Prior Bonds, as hereinafter defined, and any additional parity bonds that may hereafter be issued by the City as permitted by the Ordinance, as hereinafter defined, and the Series 2013 B Bonds are also payable from funds on deposit in the Series 2013 B Bonds Sinking Fund and the Reserve Account therein. The Series 2013 B Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory provisions or limitations, and the City shall not be obligated to pay the principal of or premium, if any, and the interest on the Series 2013 B Bonds, except from the Gross Revenues and such funds on deposit. Neither the full faith and credit nor the taxing power of the City shall be deemed to be pledged to, nor shall any tax be levied for, the payment of the principal of or the premium, if any, or interest on the Series 2013 B Bonds.

The City has designated the Series 2013 B Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b) of the Internal Revenue Code of 1986, as amended.

CITY OF CHARLES TOWN (WEST VIRGINIA) COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 2013 B (TAX-EXEMPT)

INTRODUCTION

This Official Statement, including the cover page and appendices, is provided for the purpose of setting forth certain information concerning the City of Charles Town, West Virginia (the "City"), the City's combined waterworks and sewerage system hereinafter described and the City's \$2,915,000* in aggregate principal amount of Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax-Exempt) (the "Series 2013 B Bonds"). The Series 2013 B Bonds are being issued pursuant to the Constitution and laws of the State of West Virginia (the "State"), specifically Chapter 8, Article 20 of the Code of West Virginia of 1931, as amended (the "Act"), and an ordinance enacted by the City Council of the City on April 1, 2013 (the "Original Ordinance"), as supplemented and amended by supplemental resolution and Conformed Ordinance adopted by the City Council of the City on September 3, 2013 (the "Supplemental Resolution" and together with the Original Ordinance, the "Ordinance").

The proceeds of the Series 2013 B Bonds, together with other funds available therefor, will be used as follows: (i) to provide funds in the amount of \$_____, to be deposited in the Series 2013 B Bonds Project Fund, to purchase an existing sewer system (acquisition of the assets of Willow Spring Public Service Corporation) that will be added to the City's combined waterworks and sewerage system, construction of a wetlands (a Supplemental Environmental Project), and purchase generators for water treatment and water tank painting (collectively, the "Project"), (ii) to fund a debt service reserve account for the Series 2013 B Bonds, and (iii) to pay certain costs of issuance of the Series 2013 B Bonds and related costs.

The Series 2013 B Bonds are payable from and secured by the Gross Revenues, as defined in the Ordinance, derived from the existing combined waterworks and sewerage system of the City and any extensions, improvements or betterments thereto (the "System") on parity with the Prior Bonds, as hereinafter defined, and any additional parity bonds that may hereafter be issued by the City as permitted by the Ordinance (the Series 2013 B Bonds, the Prior Bonds and any such additional parity bonds are collectively referred to herein as the "Bonds"), and the Series 2013 B Bonds are also payable from funds on deposit in the Series 2013 B Bonds Sinking Fund and the Reserve Account therein. The Series 2013 B Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory provisions or limitations, and the City shall not be obligated to pay the Series 2013 B Bonds or premium, if any, or the interest thereon except from such Gross Revenues and such funds on deposit. Pursuant to the Ordinance and the ordinances enacted with respect to other Bonds outstanding payable from the Gross Revenues, the City has covenanted and agreed to establish and collect just and equitable rates and charges for the use of the System and the services rendered thereby as will produce for each fiscal year Gross Revenues, as

*Preliminary, subject to change.

defined in the Ordinance, equal to at least 115% of the maximum amount required in any year to pay the principal of and interest on the Bonds and the Prior Bonds. See "SECURITY FOR THE SERIES 2013 B BONDS - Rate Covenant."

The audited financial statements of the City as of and for the twelve-month period ended June 30, 2012, include a note that the debt service coverage ratio requirement for the System for that fiscal year was met. At closing on the issuance of the Series 2013 B Bonds, the City will certify that it met the debt service coverage ratio requirement for the System for the fiscal year ended June 30, 2013. The City has provided a pro-forma analysis of the System's revenues and expenses for the fiscal year ending June 30, 2014, including the additional debt service represented by the Series 2013 B Bonds, that indicates the City will be able to meet the debt service coverage ratio requirement for the System for the fiscal year ending June 30, 2014. See "SECURITY FOR THE SERIES 2013 B BONDS - Rate Covenant."

The City has consistently exceeded its debt service coverage requirements for the five fiscal years prior to the fiscal year ended June 30, 2013. See "SECURITY FOR THE SERIES 2013 B BONDS - Rate Covenant."

The Series 2013 B Bonds will be dated, will mature, will bear interest and will be subject to redemption prior to maturity as more fully described on the cover page and under the heading "THE SERIES 2013 B BONDS" herein. The Series 2013 B Bonds initially will be maintained under a book-entry system. So long as the Series 2013 B Bonds are maintained under a book-entry system, the manner of payment, the denominations, the transfer and exchange of ownership and the method of providing notice of redemption to the owners of the Series 2013 B Bonds shall be determined as described under the "BOOK-ENTRY ONLY SYSTEM" herein. If the book-entry system is discontinued, principal of, interest, and premium, if any, on the Series 2013 B Bonds will be payable by the West Virginia Municipal Bond Commission, Charleston, West Virginia, as paying agent (the "Paying Agent"), to the owners thereof at the addresses appearing in the books kept by United Bank, Inc., Charleston, West Virginia, as registrar (the "Registrar"). For further information describing the method of payment and other matters in the event the book-entry system is discontinued, see "THE SERIES 2013 B BONDS" herein.

The City may issue additional bonds on a parity with the Series 2013 B Bonds for the purpose of financing the cost of the construction or acquisition of additions, improvements and betterments to the System and/or refunding one or more or all series of bonds subject, in each case, to certain tests and conditions provided for by the Ordinance. See "SECURITY FOR THE SERIES 2013 B BONDS - Additional Parity Bonds."

The Series 2013 B Bonds are offered when, as and if issued and received on behalf of the underwriter appearing on the cover page hereof (the "Underwriter"), subject to prior sale, to withdrawal or modification of the offering without notice and to the unqualified approval of the legality thereof by Steptoe & Johnson PLLC, Charleston, West Virginia, Bond Counsel. Hoy G. Shingleton, Jr., Esquire, Martinsburg, West Virginia, as counsel for the City, will pass upon certain legal matters for the City. Goodwin & Goodwin, LLP, Charleston, West Virginia, as counsel to the Underwriter, will pass upon certain legal matters for the Underwriter.

Brief descriptions of the Series 2013 B Bonds, the System, the City and certain provisions of the Ordinance and the Act, as defined in the Ordinance and hereinbefore, are set forth in this

Official Statement, as well as other information contained in the appendices hereto. Such descriptions and information do not purport to be comprehensive or definitive. All references herein to the Ordinance, provisions of the Act and other applicable laws of the State are qualified in their entirety by reference to each such document or law. References herein to the Series 2013 B Bonds are qualified in their entirety by reference to the form thereof included in the Ordinance and the information with respect thereto included in the aforesaid documents. Capitalized terms used and not otherwise defined in this Official Statement shall have the respective meanings given them in the Ordinance. Copies of the Ordinance and other applicable documents may be obtained from the City or, during the period of offering the Series 2013 B Bonds, from the Underwriter.

THE PROJECT

One component of the Project will allow the City to purchase certain existing sewerage collection and treatment assets that will be added to the City’s combined waterworks and sewerage system. The purchase is projected to add 324 new customers and as many as 500 new sewer customers in the next ten (10) years to the City’s system. Those customers will reside in properties recently annexed into the City, including Windmill Crossing, Fritts and Langlet and the commercial property known as Prospect Place. The annexed parcels consist of approximately 485.5 acres and have the capacity to accommodate over 1,320 homes.

The other components of the Project are (i) construction of a wetlands (a Supplemental Environmental Project), (ii) purchase and installation of a power generator to support the water treatment system, and (iii) painting of water storage tanks.

THE SERIES 2013 B BONDS ARE SECURED ONLY BY THE GROSS REVENUES OF THE SYSTEM, AS SET FORTH UNDER “SECURITY FOR THE BONDS” HEREIN, AND ON A PARITY WITH THE PRIOR BONDS. THE SERIES 2013 B BONDS ARE NOT SUPPORTED BY A SURETY, A LETTER OF CREDIT OR ANY OTHER FORM OF CREDIT ENHANCEMENT.

THE SERIES 2013 B BONDS

General

The Series 2013 B Bonds shall be dated as of the date of delivery, and shall bear interest from the interest payment date next preceding the date of authentication or, if authenticated after the Record Date but prior to the applicable interest payment date or on such interest payment date, from such interest payment date or, if no interest on such Series 2013 B Bonds has been paid, from the date thereof; provided however, that, if, as shown by the records of the Registrar, interest on such Series 2013 B Bonds shall be in default, Series 2013 B Bonds issued in exchange for Series 2013 B Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the initial Series 2013 B Bonds surrendered. The Series 2013 B Bonds will bear interest from their date, payable semiannually on each April 1 and October 1, commencing April 1, 2014, upon original issuance, at the rates per annum and will mature on the dates and in the amounts set forth on the cover page of this Official Statement.

The Series 2013 B Bonds will be issued as fully registered bonds without coupons in denominations of \$5,000 and integral multiples thereof for any year of maturity. The Series 2013 B Bonds initially shall be maintained under a book-entry system; Beneficial Owners shall have no right to receive physical possession of the Series 2013 B Bonds and payments of principal or redemption price of and interest on the Series 2013 B Bonds will be made as described herein under "BOOK-ENTRY ONLY SYSTEM." If the book-entry system is discontinued, interest on the Series 2013 B Bonds will be payable by check or draft made payable and mailed to the owners thereof at the addresses appearing in the books kept by the Registrar as of the 15th day of the month preceding such interest payment date (the "Record Date"). If the book-entry system is discontinued, principal of and premium, if any, on the Series 2013 B Bonds will be payable to the owner thereof upon surrender thereof at the office of the Paying Agent.

So long as the Series 2013 B Bonds are maintained under a book-entry system, transfers of ownership interests in the Series 2013 B Bonds will be made as described herein under "BOOK-ENTRY ONLY SYSTEM." If the book-entry system is discontinued, ownership of any Series 2013 B Bond may be transferred upon surrender thereof to the Registrar, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or his duly authorized attorney or legal representative. Upon any such transfer of a Series 2013 B Bond, there will be issued another Series 2013 B Bond or Series 2013 B Bonds, at the option of the transferee, of the same aggregate principal amount, series, maturity and interest rate as said Series 2013 B Bond. For every exchange or transfer of Series 2013 B Bonds, the Registrar may make a charge sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer. The party requesting such transfer shall pay any service charge of the Registrar and any applicable tax or other governmental charge.

Extraordinary Redemption

The Series 2013 B Bonds shall also be subject to redemption if there should occur any damage to or destruction of the System or any condemnation of title to or the use of the System, the applicable Series 2013 B Bonds shall be subject to redemption at any time at the redemption price of 100% of the principal amount thereof plus accrued interest to the Redemption Date from

any condemnation awards or insurance proceeds which are not used to repair, rebuild or rearrange the System.

Optional Redemption*

The Series 2013 B Bonds maturing on and after October 1, 20__ , are subject to redemption at the option of the City, prior to maturity, on or after October 1, 20__ , in whole or in part at any time from amounts deposited with the Bond Commission by the City or from other funds available therefore at a redemption price equal to the principal amount thereof, plus accrued interest to the date fixed for redemption.

If fewer than all of the Series 2013 B Bonds shall be called for optional redemption, the particular maturities of the Series 2013 B Bonds to be redeemed shall be selected by the City in such manner as it shall determine. So long as the Series 2013 B Bonds are maintained under a book-entry system, the selection of individual ownership interests in the Series 2013 B Bonds to be credited with any partial redemption shall be made as described herein under “BOOK-ENTRY ONLY SYSTEM.”

Mandatory Redemption*

The Series 2013 B Bonds maturing October 1, 201_ , shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 201_ , and on each October 1 thereafter to and including October 1, 201_ , in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
201_	\$ __,000
201_	__,000
201_	__,000
201_	__,000
201_ (Maturity)	__,000

The principal amount of Series 2013 B Bonds maturing October 1, 201_ , delivered to or purchased by the Trustee shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

*Preliminary, subject to change.

Notice of Redemption

So long as the Series 2013 B Bonds are maintained under a book-entry system, notice of the call for any redemption of the Series 2013 B Bonds shall be given as described below under “BOOK-ENTRY ONLY SYSTEM.” At any other time, notice to the registered owner of any redemption shall be given by the Registrar not less than 30 nor more than 60 days prior to the date fixed for redemption by registered or certified mail at the address appearing in the Register. Failure to receive such notice or any defect in the mailing thereof shall not affect the validity of any

proceedings for the redemption of the Series 2013 B Bonds; and failure to mail such notice shall not affect the validity of any such proceedings for any Series 2013 B Bond with respect to which no such failure has occurred. Notice of redemption having been given in the manner hereinabove and in the Ordinance described and moneys necessary therefor having been deposited with the Paying Agent, the Series 2013 B Bonds specified in such notice shall on the date fixed for redemption be deemed paid, and interest thereon shall cease to accrue.

Book-Entry Only System

The Series 2013 B Bonds will be issued as fully registered bonds in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”), New York, New York. DTC will act as securities depository for the Series 2013 B Bonds. One fully-registered Series 2013 B Bond will be issued for each maturity, and will be deposited with the DTC.

Purchases of the Series 2013 B Bonds will be made only in book-entry form through DTC Participants in the principal amount of \$5,000 and integral multiples thereof and no physical delivery of the Series 2013 B Bonds will be made to purchasers. Unless otherwise provided herein, payments of the principal, interest and premium, if any, will be made to purchasers by DTC through its Participants.

Except as otherwise provided herein or in APPENDIX E - “BOOK-ENTRY ONLY SYSTEM,” each actual purchaser of each Series 2013 B Bond (“Beneficial Owner”) will not be or be considered to be and will not have any rights as, owners or holders of the Series 2013 B Bonds under the Ordinance. For additional information about DTC and the book-entry-only system see APPENDIX E - “BOOK-ENTRY ONLY SYSTEM.”

SECURITY FOR THE SERIES 2013 B BONDS

The Series 2013 B Bonds are special obligations of the City and are payable as to principal, premium, if any, and interest solely from the sources described below. The City is under no obligation to pay the Series 2013 B Bonds except from said sources.

Sources of Payment

The payment of the debt service on the Series 2013 B Bonds shall be secured forthwith equally and ratably by a first lien on and pledge of the Gross Revenues derived from the System, on parity with the Prior Bonds and any additional parity bonds that may hereafter be issued by the City as permitted by the Ordinance, and the Series 2013 B Bonds are also payable from the funds on deposit in the Series 2013 B Bonds Sinking Fund and the Reserve Account therein. Gross Revenues derived from the System in an amount sufficient to pay the principal of, premium, if any, and interest on the Bonds and to make the payments into the Series 2013 B Bonds Sinking Fund, to pay all operation and maintenance expenses and to pay all other payments provided for in the Ordinance, and the funds in the Series 2013 B Bonds Sinking Fund and the Series 2013 B Bonds Reserve Account therein, are irrevocably pledged to the payment of the principal of, premium, if any, and interest on the Series 2013 B Bonds as the same become due and for the other purposes provided in the Ordinance.

Rate Covenant

Prior to the issuance of the Series 2013 B Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the Clerk of the City, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the City has covenanted and agreed that the schedule or schedules of rates or charges from time to time in effect shall be sufficient to produce Gross Revenues (i) to provide for all Operating Expenses of the System and (ii) to have a balance each year equal to not less than 115% of the Maximum Annual Debt Service on the Bonds in any Fiscal Year. All such rates and charges, if not paid when due, shall constitute a lien upon the premises served by the System. For purposes of this test, the terms "Gross Revenues" shall include proceeds from the sale of capital assets but does not include any increase in the value of capital assets (including Qualified Investments). In any event, the City shall not reduce the rates or charges of the System set forth in the rate ordinances enacted by the City on April 15, 2008, for the provision of water service, and August 7, 2006, for the provision of sewer service.

The City further covenanted that it will enact any rate increases, subject, however, to potential review by the Public Service Commission of West Virginia, as shall be required to comply with the aforementioned rate covenant, to the extent and in the manner authorized by law, immediately following a determination by the City or upon an annual audit of the City that the City is not in compliance with such rate covenant.

As demonstrated by the charts shown below, the City has been in compliance with the debt service coverage requirement for every year since the fiscal year ended June 30, 2008, is prepared to certify that it is in compliance with such requirement for the fiscal year ended June 30, 2013, and

has projected that it will be in compliance with such requirement for the fiscal year ending June 30, 2014.

Series 2013 B Bonds Reserve Account

\$_____ of proceeds of the Series 2013 B Bonds will be deposited in the Series 2013 B Bonds Reserve Account.

In the event of a transfer from the Series 2013 B Bonds Reserve Account to the Series 2013 B Bonds Sinking Fund as aforesaid, the City shall restore the balance to the Series 2013 B Bonds Reserve Account in an amount up to the Series 2013 B Bonds Reserve Requirement, and the City shall replenish the Series 2013 B Bonds Reserve Account as provided in the Ordinance.

Application of Revenues

The entire Gross Revenues derived from the operation of the System and all parts thereof shall be deposited by the City in the Revenue Fund. The Revenue Fund shall be kept separate and distinct from all other funds of the City and the Depository Bank and used only for the purposes and in the manner herein provided. All Revenues at any time remaining on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The City shall first, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission for deposit in the Sinking Funds of the Prior Bonds, the amounts required by the Prior Ordinances to pay the interest on the Prior Bonds that bear interest and commencing 7 months prior to the first interest payment date of the Series 2013 B Bonds, for deposit in the Series 2013 B Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on the Series 2013 B Bonds on the next ensuing semiannual interest payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2013 B Bonds Sinking Fund and the next ensuing semiannual interest payment date is more or less than 7 months, then such monthly payments shall be decreased or increased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date; provided further that, the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2013 B Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 2013 B Bonds deposited therein.

(2) The City shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission for deposit in the Sinking Funds of the Prior Bonds, the amounts required by the Prior Ordinances to pay the principal on the Prior Bonds and commencing 13 months prior to the first principal payment date or mandatory Redemption Date of the Series 2013 B Bonds, for deposit in the Series 2013 B Bonds Sinking Fund and in the Series 2013 B Bonds Redemption Account therein in the case of the Term Bonds which are to be redeemed, a sum equal to 1/12th of the amount of principal which will mature or be redeemed and become due on the Series 2013 B Bonds on the next ensuing annual principal payment date or mandatory Redemption Date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2013 B Bonds Sinking Fund and the next ensuing annual principal payment date or mandatory Redemption Date is more or less than 13 months, then such monthly payments shall be decreased or increased proportionately to provide, 1 month prior to the next ensuing annual principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date.

Moneys in the Series 2013 B Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2013 B Bonds, whether by maturity or redemption prior to maturity and, with respect to the Series 2013 B Bonds Reserve Account therein, any amounts necessary to fund such Reserve Account to maintain the Series 2013 B Bonds Reserve Account Requirement. Pending such use, such moneys shall be invested in accordance with the Ordinance.

The City shall not be required to make any further payments into the Series 2013 B Bonds Sinking Fund when the aggregate amount of funds therein, including the Series 2013 B Bonds Reserve Account therein, is at least equal to the aggregate principal amount of Series 2013 B Bonds then Outstanding, plus the amount of interest due or thereafter to become due on such Bonds then Outstanding.

As and when additional Bonds ranking on a parity with the Series 2013 B Bonds are issued, provision shall be made for additional deposits into the Series 2013 B Bonds Reserve Account sufficient to maintain the Series 2013 B Bonds Reserve Account Requirement in accordance with the provisions of the Ordinance.

The payments into the Series 2013 B Bonds Sinking Funds shall be made on the first day of each month, except that, when the first day of any month shall be a Saturday, Sunday or legal holiday, then such payments shall be made on the next succeeding Business Day, and all such payments shall be remitted to the Bond Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of the Ordinance.

(3) The City shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the Reserve Accounts of the Prior Bonds, the amount required by the Prior Ordinances; and (ii) for deposit in the Series 2013 B Bonds Reserve Account, an amount sufficient to remedy any decrease in value of the Series 2013 B Bonds Reserve Account below the Series 2013 B Bonds Reserve Requirement or any withdrawal from the Series 2013 B Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2013 B Bonds Reserve Account results in a determination that the amount of moneys and the value of the Qualified Investments deposited to the credit of the Series 2013 B Bonds Reserve Account is less than the Series 2013 B Bonds Reserve Requirement, or (b) any amount is withdrawn from the Series 2013 B Bonds Reserve Account for deposit into the Series 2013 B Bonds Sinking Fund. To the extent Gross Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of moneys on deposit in the Series 2013 B Bonds Reserve Account to an amount equal to the Series 2013 B Bonds Reserve Requirement to the full extent that such Gross Revenues are available; provided however, that if the shortfall in the Series 2013 B Bonds Reserve Account is due to a decrease in value of investments therein, such shortfall shall be replenished by not less than 4 equal monthly payments, and if such shortfall is due to a withdrawal from the Series 2013 B Bonds Reserve Account, such shortfall shall be replenished by not less than 12 equal monthly payments, and provided further, that no payments shall be required to be made into the Series 2013 B Bonds Reserve Account whenever and as long as the amount on deposit therein shall be equal to the Series 2013 B Bonds Reserve Requirement.

Amounts in the Series 2013 B Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2013 B Bonds when due, when amounts in the Series 2013 B Bonds Sinking Fund are insufficient therefor and for no other purpose.

(4) The City shall next, each month, pay from the Revenue Fund the current Operating Expenses.

(5) The City shall next, from the moneys remaining in the Revenue Fund, on the first day of each month, transfer to the Repair and Replacement Fund a sum equal to not less than 2 1/2% of the Gross Revenues each month (as previously set forth in the Prior Ordinances and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Subject to the restrictions contained in the Prior Ordinances, so long as the Prior Bonds are outstanding, withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, or improvements or extensions to the System; provided, that any deficiency in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof, shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by the Act, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the System. Any Surplus Revenues then remaining in the Revenue Fund may be used for any lawful purpose of the System.

Enforcement of Collections

The City covenants in the Ordinance to diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals and other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia or otherwise by the laws of the State. The City further covenants and agrees in the Ordinance that it will, subject to the laws of the State and regulations of the Public Service Commission of West Virginia, discontinue water services to all delinquent users of services and facilities of the System, until such delinquent amounts, plus reasonable interest and penalty charges thereon, have been fully paid or an appropriate payment plan has been established. (See "THE SYSTEM - Customer Statistics.")

Additional Parity Bonds

So long as the Prior Bonds are Outstanding, the limitations and requirements on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. No additional Parity Bonds, payable out of the Gross Revenues of the System shall be issued after

the issuance of any Bonds pursuant to the Ordinance, except under the conditions and in the manner herein provided.

No such Additional Parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition or construction of additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto or the Prior Bonds, to pay claims which may exist against the revenues or facilities of the System or all of such purposes.

No such Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Clerk a written statement by an Independent Accountant, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during 12 consecutive months in the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the issuance of such Additional Parity Bonds, shall be not less than 115%, of the Maximum Annual Debt Service on the following:

- (1) The Series 2013 B Bonds then outstanding;
- (2) The Prior Bonds then Outstanding;
- (3) Any Additional Parity Bonds then Outstanding; and
- (4) The Additional Parity Bonds then proposed to be issued.

The “estimated average increased annual Gross Revenues expected to be received in each of the 3 succeeding years,” as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Additional Parity Bonds and any increase in rates enacted by the City, the time for appeal of which shall have expired (without successful appeal) prior to the date of delivery of such Additional Parity Bonds, and shall not exceed the amount to be stated in a certificate of Independent Accountant, which shall be filed in the office of the Clerk prior to the issuance of such Additional Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Consulting Engineers and the Independent Accountant, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System enacted by the City, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Additional Parity Bonds.

The term “Additional Parity Bonds,” as used in this section, shall be deemed to mean additional bonds issued under the provisions and within the limitations of this section and the Prior Ordinance, payable from the Gross Revenues of the System on a parity with the Series 2013 B Bonds and the Prior Bonds, and all the covenants and other provisions of the Ordinance (except as to details of such additional parity Bonds inconsistent herewith) shall be

for the equal benefit, protection and security of the Holders of the Series 2013 B Bonds and the Prior Bonds and the Holders of any Additional Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All the Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System, and their source of and security for payment from said Gross Revenues, without preference of any Bond over any other. The City shall comply fully with all the increased payments into the various funds and accounts created in the Ordinance required for and on account of such Additional Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to the Ordinance.

The term "Additional Parity Bonds," as used in this section, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the Revenues of the System is subject to the prior and superior lien of the Bonds on such Revenues. The City shall not issue any obligations whatsoever payable from the Revenues of the System, or any part thereof, which rank prior to or equally, as to lien on and source of and security for payment from such Revenues, with the Series 2013 B Bonds, except in the manner and under the conditions provided in the Ordinance.

No Additional Parity Bonds, as in this section defined, shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in the Ordinance and the Prior Ordinances with respect to the Bonds then Outstanding, and any other payments provided for in the Ordinance and the Prior Ordinances, shall have been made in full as required to the date of issuance of the Parity Bonds, and the City then be in full compliance with all the covenants, agreements and terms of the Ordinance and the Prior Ordinances.

Provided, however, that if the most recent audit by an independent certified public accountant for the City states that the City was not in compliance with the rate covenant in Section 6.04 of the Ordinance for the year being audited, and the City has, as required by Section 6.04, adopted an ordinance increasing rates sufficiently to comply with Section 6.04, such statement in the most recent audit shall not be considered a violation of the covenants, agreements and terms of the Ordinance, so as to prevent the City from issuing additional Parity Bonds.

INVESTMENT CONSIDERATIONS

Gross Revenue Pledge

The Series 2013 B Bonds are secured solely by the Gross Revenues of the System. There can be no guarantee that current rates of the System will always produce revenue sufficient to pay the debt service on the Prior Bonds, the Series 2013 B Bonds and any additional bonds subsequently issued on a parity therewith. The City has covenanted in the Ordinance to raise the rates of the System if the Gross Revenues of the System are not sufficient to provide the required coverage of the maximum annual debt service of the Series 2013 B Bonds and all bonds issued on a parity with the Series 2013 B Bonds and the Prior Bonds. After enactment of a rate increase, however, if twenty-five percent or more of the City's customers or one of the City's wholesale customers file a petition protesting the rate increase, the Public Service Commission of West Virginia (the "Commission") will have jurisdiction to review and modify the rates of the City. If a rate increase is appealed, there can be no assurance that the Commission will approve the increase of rates and charges to a level sufficient to generate revenues sufficient to pay the

debt service on the Prior Bonds and the Series 2013 B Bonds and meet the coverage requirements. The Commission is not expressly statutorily required to set rates sufficient to satisfy the bond covenants of any combined waterworks and sewerage utility.

Gross Revenues sufficient to pay the debt service on the Series 2013 B Bonds, the Prior Bonds and any additional bonds subsequently issued on a parity therewith also depend on the retention of current customers by the City. An unexpected loss of customers by the City could have an adverse effect on the ability of the City to make the required payments on the Series 2013 B Bonds. Additionally, a significant reduction in the amount of water used by customers of the City may also have an adverse impact on the City's ability to make the required payments on the Series 2013 B Bonds. The City does not have the authority to require citizens to accept potable water service by the System. Accordingly, any further extensions of the waterworks portion of the System by the City are dependent upon the City being able to obtain agreements with those potential customers to purchase water from the City. If the City is unable to obtain agreements from potential water customers after an extension is constructed, it may have an adverse impact on the ability of the City to make the required payments on the Series 2013 B Bonds.

Future Legislation

Current or future legislative proposals, if enacted into law, may cause interest on the Series 2013 B Bonds to be subject, directly or indirectly, to federal income taxation or otherwise prevent holders of the Series 2013 B Bonds from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals may also affect the market price for, or marketability of, the Series 2013 B Bonds. Prospective purchasers of the Series 2013 B Bonds should consult their own tax advisors regarding any such pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

It is not an event of default on the Series 2013 B Bonds if any legislation is enacted reducing or eliminating the exclusion of interest on state and local government bonds from gross income for federal income tax purposes.

The Public Service Commission of West Virginia

In West Virginia, municipal combined waterworks and sewerage utilities such as the City are subject to regulatory oversight by the Public Service Commission of West Virginia (the "Commission") in certain situations. Specifically, pursuant to Chapter 24, Article 2, Section 11 of the Code of West Virginia, 1931, as amended, utilities must obtain a certificate of public convenience and necessity prior to proceeding to construction for projects which are outside of "the normal course of business." Additionally, rate increases approved by the Council of the City are subject to review for regulatory "notice" requirements and, under certain circumstances, the actual proposed rates. Municipal combined waterworks and sewerage utilities in West Virginia do not have the ability to adjust rates without the possibility of regulatory review. The parameters surrounding this review are discussed below. Such regulatory review may delay or halt the implementation of rate increases which could cause the utility to fail to meet rate covenants or produce revenue sufficient to pay debt service.

The Commission has two levels of review. Most cases are initially assigned to an administrative law judge ("ALJ") for decision. The Commission employs a "staff" comprised of engineers, lawyers and financial analysts (the "Staff") to review cases and make recommendations. The City is also permitted to make recommendations, as are other parties who are granted "intervenor" status. The ALJ may conduct a hearing, at which evidence is presented and witnesses for all parties may be cross-examined, after which a recommended decision is issued. Any party to the underlying proceeding, including a party granted intervenor status, may take exception to the recommended decision of the ALJ, in which case the matter is referred to the full Commission for decision. Otherwise, the recommended decision becomes a final

order of the Commission.

Commission Regulatory Oversight of Rate Increases

Pursuant to Chapter 8, Article 11, Section 4, Chapter 8, Article 19, Section 11 and Chapter 24, Article 2, Section 4b of the Code of West Virginia, 1931, as amended, the Council of the City has the ability to establish rates for the combined waterworks and sewerage utility through the enactment of an ordinance, following a public hearing on such ordinance. In the enactment of such an ordinance, the City must comply with regulations of the Commission related to providing notice of such proposed rate increase. The Commission reviews the compliance of the City with such regulations and, if the Commission determines that the City has failed to satisfy the requirements of the regulations, the Commission may declare the rate ordinance invalid.

In such instance, the City would have no choice but to reenact the ordinance.

Commission Review of Proposed Rate Increases

Once enacted by the City, the proposed rates are subject to review by the Commission under the following scenarios:

1. More than 25% of the customers of the City sign a petition asking that the Commission review the rates proposed by the City; or
2. A customer of the City, which resides within the municipal boundaries of the City, alleges in writing that the rates being proposed by the City are "discriminatory"; or
3. A customer of the City, which resides outside of the municipal boundaries of the City, alleges in writing that the rates being proposed by the City are "discriminatory."

If any of the above occurs, the Commission then takes "jurisdiction" over the rates, initiating an investigation into the need for the proposed rates. Pursuant to Chapter 24, Article 2, Section 4b of the Code of West Virginia, 1931, as amended (the "PSC Act"), the rates enacted by the City are suspended for 120 days from the date the rates would otherwise have gone into effect and the new rates, if any, established by the Commission will go into effect at that end of the suspension period.

The Commission views the term "discrimination" to include more situations than those where a different rate is applied to resident and non-resident customers. The Supreme Court of Appeals of West Virginia previously affirmed the Commission's interpretation of the term "discrimination" when the court held that verified allegations, "which included the failure of the [municipality] to perform a class cost of service study and the discriminatory imposition of certain costs to resale customers, were sufficient to meet the requirements" found in the PSC Act. *City of Wheeling v. Pub. Serv. Comm'n of W. Va.*, 199 W. Va. 252, 257, 483 S.E.2d 835, 840 (1997).

The City has utility resale customers. Any one resale customer may allege "discrimination," causing the Commission to take jurisdiction over any proposed rate increase. Likewise, any one customer located within the City limits may allege "discrimination," also causing the Commission to take jurisdiction over any proposed rate ordinance.

Potential Delays for the Enactment of Rate Increases

Generally, the process of enacting a rate ordinance requires a minimum of four weeks (two readings by Council, separated by sufficient time to allow for the publication of a public hearing prior to

the second reading. Pursuant to the PSC Act and regulations of the Commission, the rates cannot go into effect any sooner than 45 days from the date of enactment, provided that an appeal of the proposed rates does not occur. In the event that the Commission takes jurisdiction of the rate increase, the Commission will establish a decision due date for the ALJ, that is generally 30 days prior to the end of the 120-day suspension period. If any of the parties, however, appeal the ALJ's recommended decision to the full Commission, the Commission will render its decision no later than the end of the 120-day suspension period. Additionally, a decision of the Commission may be appealed to the Supreme Court of Appeals of West Virginia, which has no statutory time frame within which to render a decision.

Consequently, the time period from the first reading of a rate ordinance to the increased rates being charged to the customers is a minimum of 75 days, and if the Commission takes jurisdiction, can exceed 180 days (Commission approved rates are billable during an appeal to the Supreme Court of Appeals of West Virginia). From the date the new rates begin to be charged, the City should realize revenues in approximately 45 to 60 days. Resale customers are required to obtain authorization from the Commission for any necessary increase in resale rates. Such increases are often granted by the Commission after the rates for the City go into effect, which means no assurance exists that resale customers will have sufficient revenues to begin paying the increased resale rates. The Commission can, and has on occasion, pre-approved resale rate increases in advance of the effective date of the new rates. As a result, resale customers may have the ability to begin charging the new resale rates of the City as soon as the rates go into effect.

Test Year

If the Commission takes jurisdiction over a municipality's rate ordinance as described above, the regulations of the Commission require a municipality to file "financial justification" for the proposed rate increase. This financial justification must be based on financial data from the most recent actual audited or finally closed twelve-month period, also known as the "test year." Events which occur outside the test year are not generally permitted in the rate adjustment. A determination at the end of any twelve-month period that a rate increase is necessary may not result in increased rates and collections for nine months or more from the end of that period.

The City has the option to proceed with a rate increase at any time during the course of the year, however, the financials examined by the Commission will be the financials for the most recent full fiscal year, not the 12-month period immediately preceding the date of the request.

Reliance on "Known and Measurable" Adjustments

When considering adjustments to the rates of a utility for costs occurring during the "test year," the Commission's regulations require that the need for, and amount of, such adjustments be based on information that is "known and measurable." As a result, a change in revenues or expenses must, in most cases, have occurred in the test year being analyzed. If an increase in a cost, or a decline in revenue, is anticipated for the coming year, the Commission generally will not take such change into account for rate making purposes unless the change occurs during the test year.

As a result of the requirement that the support for adjustments be "known and measurable," the Commission will generally not allow multi-year rate increases to address anticipated inflation or drops in customer usage. Therefore, the City must initiate the rate ordinance process, and potential Commission review, whenever increased costs or decreased revenues necessitate a rate increase.

Emergency Rate Increase

The PSC Act permits utilities to request "emergency rates" if the utility is in "financial distress."

Financial distress has been defined by the Commission to mean the utility is unable to pay operation and maintenance expenses and the principal and interest on the utility's debt obligations. Such rates, however, are subject to refund, in the event the Commission determines that the emergency rates, or any portion thereof, are not warranted. Generally, emergency rates sufficient to meet coverage requirements in bond documents will not be permitted by the Commission.

Treatment of Renewal and Replacement Funds

Most municipal combined waterworks and sewerage utilities in the State are required, pursuant to the terms of their outstanding bonds, to deposit 2.5% of gross revenues in a "Renewal and Replacement Fund" or "Depreciation Account" each month. The purpose of this account is to provide monies for capital repairs and improvements, to construct extensions and to make up deficiencies in the reserve funds. In recent years, the Commission has taken the position that while the deposits should be made into such "Renewal and Replacement Fund" or "Depreciation Account" each month, such deposits are to be included in the calculation of the City's funds available for capital additions for the Fiscal Year. The Commission generally calculates funds available for capital additions by averaging capital additions for the last five years; provided, however, the Commission will consider a different calculation if the utility can demonstrate the need for a higher capital requirement.

Consequently, the City is not permitted to accumulate funds to be used for unforeseen capital repairs and replacements, for needed extensions or to replenish draws from the reserve funds as the account is to be utilized each year as part of the ongoing capital expenditures for the System. The City's inability to maintain funds for emergencies increases its risk of utilizing revenues to pay for emergency repairs leaving insufficient funds to pay debt service on the Bonds.

Annual Municipal Audit

Pursuant to Chapter 6, Article 9 of the Code of West Virginia, 1931, as amended (the "Audit Act"), the State Auditor, as the chief inspector and supervisor of public offices (the "Chief Inspector") is charged with the responsibility of (1) formulating, prescribing and installing a system of accountability for all local units of government in West Virginia, including municipalities and (2) examining the financial affairs of every local government office or political subdivision and all boards, commissions, authorities, agencies or other offices. The City is a local government under the Audit Act. Accordingly, pursuant to Section 7 of the Audit Act, an audit of the City's finances must be accomplished by the Chief Inspector or any person appointed by him. The Chief Inspector has developed procedures which allow certain municipalities to obtain audit services from certain approved accounting firms. The City has been instructed by the Chief Auditor to procure audit services pursuant to such procedures. The procedures developed by the Chief Inspector to procure a CPA firm for the audit require written approval of all contracts and extensions to contracts by the Chief Inspector prior to the commencement of work on the audit by the CPA firm. Additionally, the Chief Inspector is authorized to unilaterally cancel any contract between the City and a CPA firm under certain conditions and elect to perform the audit. Accordingly, the actions or lack of actions of the Chief Inspector may adversely impact the ability of the selected CPA firm to timely complete the annual audited financial information required to be submitted to EMMA pursuant to the Continuing Disclosure Agreement. See "CONTINUING DISCLOSURE" herein. Additionally, the City has no power to require the Chief Inspector to take any action required under such procedures that would ensure the completion of the audit to meet the timely filing of such information.

THE SYSTEM

The City has operated a water treatment and distribution system since 1961 and a sewerage collection and treatment system since 1928. The systems are legally combined pursuant to the Act.

Water

The City's water treatment plant is a state of the art facility utilizing complete recycling of backwash and system overflows, gravity plate settlers, sludge concentrators and declining rate filter. The water treatment plant is designed to operate at 2.8 million gallons per day (MGD).

Raw water is obtained from the Shenandoah River through a single intake screen and 20-inch intake line that feeds into a 3.0 MGD pump station. The intake is approximately 600 feet upstream of the Route 9 bridge. The Shenandoah River is part of the Chesapeake Bay Watershed and has a drainage area of approximately 3,000 square miles. The plant is designed to produce an adequate supply of water meeting the requirements of the Safe Drinking Water Act.

According to a June 30, 2012 bill analysis, approximately 5,668 monthly billings were made by the water system, of which 5,131 were residential and 537 were commercial.

Sewer

The City owns, operates and maintains a wastewater treatment and collection system, extending throughout the City and into the Town of Ranson and the Jefferson County Public Service District, consisting of approximately 85 miles of sewer main. All operating and maintenance expenses, in addition to capital improvement expenditures, for the primary 1.75 MGD treatment plant are evenly split between the three entities pursuant to an existing long term sewer service agreement. Until operational problems at the treatment plant became too prevalent due to overloading, the facility also received septage from several local septage haulers. The plant discharges its treated effluent to Evitts Run, a tributary of the Shenandoah River.

According to a survey of sewer customers, as of June 30, 2012, approximately 12,299 residents were served by the wastewater treatment plant. This number was derived from metered water billing accounts and 2010 census information. The breakdown of residential customers in the three service entities is as follows:

Charles Town:	2,235 residences @ 2.26 people/residence	=	5,051
Ranson:	1,080 residences @ 2.44 people/residence	=	2,635
Jefferson Co. PSD:	1,816 residences @ 2.54 people/residence	=	<u>4,613</u>
			12,299

Sewer Service Area

The Charles Town wastewater treatment and collection system serves the following areas of Jefferson County:

North to the Bardane and Burr Industrial Parks including Jefferson High School and the Job Corps Center. This northern area is further described to include the subdivisions of Walnut Grove, Security Hills, Breckenridge, Briar Run, Flowing Springs, Patrick Henry as well as the Charles Town Plaza that includes Wal-Mart, Jefferson Crossing Shopping Center and the Charles Town Race Track.

The eastern boundary is described as approximately the Halltown area south of the railroad track, then in a southerly direction further bounded approximately by Marlowe Road.

West along the Frontage Road off U. S. Route 340 on the South to the Route 9 Bypass, encompassing all of Charles Town and Ranson. South and west approximately bounded by Huyett Road and Summit Point Road. Due west outside the corporate limits of Ranson to include Orchard Hills subdivision north to Leetown Pike.

Mayor/Council

The City is governed by an elected Mayor and Council. The Mayor and Council members, terms and occupations are listed below:

<u>Mayor/Council</u>	<u>Term</u>	<u>Occupation</u>
Peggy A. Smith	6/13 to 6/17	Retired
Rich Bringewatt	6/13 to 6/17	President, National Health Policy Group
Wayne Clark	6/11 to 6/15	Business Owner
Jonathan L. Wertman	6/13 to 6/17	Attorney
Chester Hines	6/13 to 6/17	Retired
Sandra Slusher McDonald	6/13 to 6/17	Administrative Assistant
Ann Paonessa	6/11 to 6/15	Office Manager
Mark Reinhart	6/11 to 6/15	Patent Examiner
Michael Slover	6/11 to 6/15	Economist

Joseph Cosentini has been the City Manager for the past 2 years. Mr. Cosentini joined the City's staff in 2005 initially as Recorder. In addition to the City Manager, the City has 29 full-time employees.

Utility Board

Pursuant to the Act and the Board Ordinance, the System is operated by a Utility Board appointed by the Council. Utility Board members include Kristen Stolipher, Peter Kubic, Registered Professional Engineer, Thomas W. Stocks, Charles W. Kline and the City Manager. The Board employs a Utility Manager, 18 full-time and 3 part-time employees, including a Class III Wastewater Plant Operator and a Class III Water Treatment Plant Operator.

Summary of Past Projects

The City is committed to continue improvements in the operation of the water and wastewater portions of the System. A brief history of the past projects and significant improvements under the current management include:

- Completed a water loss audit by an independent engineering firm (ACER Engineers & Consultants, Inc.).
- Implemented the recommendations of the audit through adoption of a water loss mitigation plan, a 100% water meter replacement program and hardware and software upgrades, to provide increased cash flow.
- Under West Virginia Senate Bill 568, requested and had completed a Public Service Commission audit.
- Adopted Finance Policy F1-1, *Collection Procedures*, to comply with PSC Rule 4.8, *Utility Discontinuance of Service*, to improve water and sewer collections.
- With regard to wastewater treatment and following a Pre-Application and Feasibility Study, an Inflow and Infiltration Study, an Influent BOD Source Study, Volumetric Metering of Effluent Flow, and Facilities Plan, the City completed a \$4.3 million upgrade to a sequential batch reactor system at the Wastewater Treatment Plant.
- Facilities Plan for Water System completed March 2001.
- Purchased a private utility with 175 customers, that includes a Super Wal-Mart. Purchased the assets of the Charles Town Races and Gaming private water system and connected the property to the City of Charles Town Water System.
- Acquired the assets of the existing Tuscowilla Utilities water and sewer systems, then engineered a water connecting line, constructed one Tuscowilla water tank and one Huntfield development water tank. Tuscowilla serves approximately 1,150 residential customers.
- Acquired an approximately one mile water main to connect the System to the Huntfield development water system. This new development of approximately 1,000 acres has the capacity to accommodate over 3,000 homes.
- Completed in 2003, the Downtown Revitalization Project and Phase I Water Improvement Project totaled \$6.7 million. The \$2 million Downtown Revitalization Project was funded primarily by State and Federal grant funding (\$1.4 million) to install new sidewalks, street areas, lighting and furniture that enhanced a state transportation corridor in the historic downtown area by promoting walkability and supporting tourism and economic development. Concurrently, a water line replacement project was completed through the downtown ensuring adequate fire flows in the National Register of Historic Places district. Finally, new water storage and three additional miles of water mains were installed.
- Financed with revenue bonds issued in June 2005 in the principal amount of \$2,355,000, a project to increase the System's treatment capacity by an additional 550,000 gallons per day. The project added two blowers to the Sequencing Batch Reactor ("SBR") system, as

well as a 600,000 gallon aerobic digester to enhance digestion and reduce solids. The project resulted in improved discharge water quality.

- Financed with revenue bonds issued in January 2006 in the principal amount of \$1,830,000, a project to purchase and add an existing sewerage collection system to the City's combined waterworks and sewerage system. The customers reside in the Huntfield residential subdivision. The development consists of approximately 1,000 acres located along US 340 and has the capacity to accommodate over 3,000 homes.
- Financed with revenue bonds issued in July 2006 in the principal amount of \$2,000,000, a project to acquire, construct and equip certain improvements to its existing combined waterworks and sewerage system, consisting of the Northern High Zone water storage tank, booster station and related appurtenances. In addition, the City completed a twelve (12) inch interconnection to the Tuscowilla-Locust Hill development.
- Received an Insurance Services Organization favorable report. The rating improved from the last audit. The previous rating was 6/9 and the 5/9 generally warrants a reduction in insurance premiums.
- Leak detection efforts completed in Charles Town, Ranson, Locust Hill and Tuscowilla; all leaks repaired. Water loss for fiscal year 2011 was 38.1% reduced in 2012 to 31.1%.
- New water line work in 2012 included Brooke Street (2,200 feet 4"), 200 block Reymann Street and 4th Avenue (1,100 feet of 4"), two blocks of 3rd Avenue and Preston (1,000 feet of 4"), 100 block of west 4th Avenue (460 feet of 2"), and Hessy Street (240 feet of 2").
- Began partnership with West Virginia University on scanning efforts for GIS Inventory.
- Since 2010, all fire hydrants flowed, tagged, mapped and repaired where necessary (156 Public and 212 Private).
- Completed an MBR pilot study to evaluate Water Plant Improvement and Expansion (Proposed at \$10,922,000).
- Converted to chloramines for water treatment to reduce HAA5 and THHM contaminants.
- Completed engineering efforts for the Water Generator Project at \$850,000.
- Purchased and installed a Sensus FlexNet meter reading system utilizing ARRA funds in the amount of \$1,012,458. Installation of AMR transceiver units totaled 5,772 capable of transmitting meter readings every 4 hours.
- Since 2007, the Charles Town Utility Board has committed to publishing a Sewer Strategic Plan annually to align sewer needs with developer projections and schedule compliance timelines for nutrient reductions to meet Chesapeake Bay limits. The most recent Plan is published at www.ctubwv.com as well as the 2012 Consumer Confidence Report. In 2009 the Board also prepared a Water and Wastewater Capital Improvement Program.

- Tuscowilla Project (SRF# C-544392-02). Major modification to construct a .5 MGD MBR facility approved February 3, 2011, and construction began September 1, 2011, at \$13,081,610.00. Substantial completion by Fall 2013.
- Huntfield Force Main and Augustine Ave. Pumpover Station Projects (SRF# C-544392-03). Permit Mod. No. 1 received April 11, 2012, and construction began January 2013, to provide an interconnect between the new Tuscowilla facility and the Charles Town Wastewater Treatment Plant at \$1,500,000. Significant flows will be diverted for enhanced quality treatment at Tuscowilla for Chesapeake Bay compliance.
- Combined Permit – Major Modification through public notice period to combine WVNPEs Permit No. WV0022349 and WVNPEs Permit No. WV0088013 for nutrient loading limits.
- Willow Spring and 2012 – 2014 Wastewater Projects – (Willow Spring purchase, Willow Spring pumpover, Samuel Street upgrade, Jefferson Ave line, Patrick Henry / Wal-Mart pump station improvements, the SEP and the Effluent Line at Tuscowilla). Application submitted January 10, 2012, IJDC approved April 11, 2012, Clean Water State Revolving Funds \$5,546,600 for Design and Construction - (0%, 0.5% Admin Fee, 30 year), Private Funding \$1,914,400 (Willow Spring purchase and SEP) – (4.88%, 30 year). FY2013 Priority List Application for the Clean Water State Revolving Fund Program submitted. Design Loan \$595,000 filed June 11, 2012 (Part of \$7,761,000 Project). Engineering to be completed in 2013.
- Chesapeake Bay projects at 2012 the Charles Town “eligible” Bay costs equal \$21,537,600 (as Tuscowilla Phase 1 with engineering \$16,397,192, Projects 1B and 1C \$1,153,558, Charles Town Phase 1 \$3,202,000 and Tuscowilla Effluent Line \$784,850) and would allow Charles Town to meet Chesapeake Bay compliance at 1.5 MGD. On December 1, 2012, the WV Water Development Authority issued report to the Joint Committee on Government and Finance of the total cost of compliant projects and the proposed grant awards for each eligible project. Grants are to be awarded through bonds issued by the State and paid from State Excess Lottery Revenue Fund (Senate Bill 245).
- JobsPlus asset management system fully operational from the server.
- Full implementation of new accounting and billing software from Tyler at January 2013 at a cost of \$150,000.

Current Sewer Rates

The Public Service Commission authorized a sewer rate increase effective for all service rendered on or after the completion of an improvements project undertaken in 2010. The current rates are as follows:

SCHEDULE I

Applicability

Applicable within the entire territory served excluding the entire area known as the Huntfield subdivision.

Availability

Available for general domestic, commercial and industrial service and sale for resale sewer service.

Rate (Customers with metered water supply)

First	2,000 gallons used per month	\$11.83 per 1,000 gallons
Next	8,000 gallons used per month	\$8.51 per 1,000 gallons
Next	20,000 gallons used per month	\$7.73 per 1,000 gallons
All Over	30,000 gallons used per month	\$6.85 per 1,000 gallons

Minimum Bill

No bill shall be rendered for less than \$23.66 per month, which is the equivalent of 2,000 gallons.

Flat Rate Charge (Customers with non-metered water supply)

Equivalent of 4,500 gallons of water usage, \$44.94 per month

Resale Rate

\$6.13 per 1,000 gallons per month

Resale Credit (Applicable only to Jefferson County Public Service District)

A monthly credit of \$3,451 per month will be credited against the respective bill rendered to Jefferson County Public Service District for debt incurred by the District as part of the 2000 Charles Town Treatment Plant upgrade. This credit will remain in effect until the indebtedness associated with the respective upgrade is satisfied (Matures 2031).

Transportation Credit (Applicable only to Jefferson County Public Service District)

A monthly credit of \$1,009 per month will be credited against the respective bill rendered to Jefferson County Public Service District for reimbursement of fixed debt associated with lift stations needed to transport Charles Town's sewage from the former Sanitary Associates service area. The credit will be given until the indebtedness is satisfied. In addition to the monthly credit of \$1,009, a transportation credit of \$1.65 per thousand gallons shall be provided to the Jefferson County Public Service District for all flows from the former Sanitary Associates area.

Delayed Payment Penalty

The above schedule is net. On all current usage billings not paid in full when due, ten percent (10%) will be added to the net current amount unpaid. The delayed payment penalty is not interest and is only to be collected only once for each bill where it is appropriate.

Tap Fee

The following charge is to be made whenever the utility installs a new tap to serve an applicant.

A tap fee of \$400.00 will be charged to customers applying for service outside of a certificate proceeding before the Commission for each new tap to the system.

Returned Check Charge

If a check is returned by the bank for any reason, the bank's charge to the Utility shall be the Utility's charge to the customer for such a bad check, but such charge to customers shall not exceed \$25.00.

Leak Adjustment

\$0.95 per 1,000 gallons of water is to be used when the bill reflects unusual consumption which can be attributed to eligible leakage on the customer's side of the meter. This rate shall be applied to all such consumption above customer's historical average usage.

Security Deposit

A deposit of \$50.00 or 2/12 of the average annual usage of the applicant's specific customer class, whichever is greater.

SCHEDULE II

Applicability

Applicable within the entire territory known as the Huntfield subdivision.

Availability

Available for general domestic, commercial, industrial and sale for resale sewer service.

Rate (Customers with metered water supply)

\$11.50 per 1,000 gallons of metered water usage

Minimum Bill

No bill shall be rendered for less than \$26.98 per month.

The above minimum charge is subject to an additional \$0.71 per 1,000 gallons per month.

Flat Rate Charge (Customers with non-metered water supply)

Equivalent of 4,500 gallons of water usage, \$51.75 per month

Multiple Occupancy

For unmetered trailer parks, the monthly charge for services shall be equal to the number of units multiplied by the unmetered charge provided above.

Delayed Payment Penalty

The above schedule is net. On all current usage billings not paid in full when due, ten percent (10%) will be added to the new current amount unpaid. This delayed payment penalty is not interest and is only to be collected only once for each bill where it is appropriate.

Tap Fee

The following charge is to be made whenever the utility installs a new tap to serve an applicant.

A tap fee of \$250.00 will be charged to customers applying for service outside of a certificate proceeding before the Commission for each new tap to the system.

Disconnect/ Reconnect/Administrative Fees

Whenever water service has been disconnected for non-payment of sewer bills in conjunction with a water service termination agreement with the City of Charles Town, a disconnect fee of \$10.00 shall be charged. Whenever water service has been disconnected for non-payment of sewer bills in conjunction with a water service termination agreement with Jefferson Utilities, Inc., a disconnect fee of \$20.00 shall be charged.

Whenever water service, which has been previously disconnected or otherwise withheld for non-payment of a sewer bill in conjunction with a water service termination agreement with the City of Charles Town is reconnected, a reconnection fee of \$10.00 shall be charged. Whenever water service, which has been previously disconnected or otherwise withheld for non-payment of a sewer bill in conjunction with a water service termination agreement with Jefferson Utilities, Inc. is reconnected, a reconnection fee of \$20.00 shall be charged.

Leak Adjustment

\$0.95 per 1,000 gallons of water is to be used when the bill reflects unusual consumption which can be attributed to eligible leakage on the customer's side of the meter. This rate shall be applied to all such consumption above customer's historical average usage.

Returned Check Charge

A service charge equal to the actual bank fee assessed to the sewer utility up to a maximum of \$25.00 will be imposed upon any customer whose check for payment of charges is returned by the bank due to insufficient funds.

SCHEDULE III

Applicability

Applicable to Developers, which is defined as a person, corporation or entity who is in the business of land and/or commercial or housing development for profit, or a person, corporation, or entity who requests an alternate main line extension that includes the installation of mains by the person, corporation or entity. Applicable to non-Developers when the property at issue is a subdivided portion of a Previously Developed Tract. The term "Previously Developed Tract" as used in this Order is defined as property previously subdivided for commercial or housing development, for profit. Owners of existing or new (being constructed) single-family structures, where the person applying for service will be the customer of record, and the proposed service location is not part of a Previously Developed Tract, shall be exempt from payment of the Capital Capacity Improvement Fee.

Capacity Improvement Capital Cost Fee

There shall be paid to the City at the time of issuance by the City of a final sewer availability letter for the property to be served a capital capacity improvement fee of \$5,500 for each residential connection. Connections for non-residential use shall be paid in accordance with a residential usage equivalent schedule set forth below. The funds collected from the capital capacity improvement fee shall be maintained in a separate fund administered jointly by the City, the Jefferson County PSD and the City of Ranson or their designees and shall be used only for the purpose of improving the City's treatment facilities.

Additional Capacity Improvement Fee – Huntfield Pump Station

There shall be paid to the City at the time of issuance by the City of a final sewer availability letter for any development using the Huntfield pump station an additional capital capacity improvement fee - Huntfield pump station of \$2,875.00 for each equivalent dwelling unit. The funds collected from the capital capacity improvement fee shall be maintained in a separate fund administered by the City and shall be used only for the purpose of expanding the Huntfield pump station. All properties within the originally annexed acreage of the Huntfield subdivision, as described by the annexation of additional territory of the City of Charles Town pursuant to West Virginia Code 8-6-4 order by the County Commission of Jefferson County dated January 10, 2002, shall be exempt from this fee.

The usage equivalent for other than single family residential units for the capital capacity improvement fee and additional capital capacity improvement fee - Huntfield pump station shall be based upon the following:

BOND ORDINANCE

The Conformed Bond Ordinance is set forth herein as Appendix F. See APPENDIX F - "CONFORMED BOND ORDINANCE."

TAX MATTERS

In the opinion of Steptoe & Johnson PLLC, Bond Counsel, under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2013 B Bonds (i) is excludable from gross income of the holders thereof for Federal income tax purposes, assuming compliance with certain provisions described herein pertaining to the Internal Revenue Code of 1986, as amended, (ii) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, however, interest paid to corporate holders of the Series 2013 B Bonds is taken into account to determine adjusted current earnings when computing the alternative minimum tax for certain corporations, and (iii) under the laws of the State of West Virginia, the Series 2013 B Bonds are exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Series 2013 B Bonds is exempt from personal and corporate income taxes imposed directly thereon by the State of West Virginia.

The City has designated the Series 2013 B Bonds as "qualified tax-exempt obligations" and has covenanted that it does not reasonably expect to issue more than \$10,000,000 of tax-exempt obligations (other than private activity bonds) during the calendar year 2013. Therefore, the Series 2013 B Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code, and the provision of the Code which disallows all deductibility of interest expense incurred by financial institutions on debt incurred or to purchase or carry most tax-exempt obligations does not apply to the Series 2013 B Bonds; accordingly, 80% of the interest expense of a financial institution incurred for the purpose of purchasing or carrying the Series 2013 B Bonds is deductible for federal income tax purposes.

The opinions described above are subject to the condition that the City complies on a continuing basis with all requirements of the Internal Revenue Code of 1986, as amended, and regulations thereunder (the "Code") that must be satisfied for interest on the Series 2013 B Bonds to be or continue to be excluded from gross income for federal income tax purposes. The City has covenanted to comply with each such requirement. Failure to comply with certain of such requirements could cause the interest on the Series 2013 B Bonds to be included in the gross income of the recipients thereof for purposes of federal income taxation retroactively to the date of issuance of the Series 2013 B Bonds.

The accrual or receipt of the interest on the Series 2013 B Bonds may otherwise affect the federal income tax liability of certain recipients. The extent of these and other consequences will depend upon the recipient's particular tax status or other items of income or deductions. Bond Counsel expresses no opinion regarding any such consequences, and investors should consult their tax advisors regarding the tax consequences of purchasing or holding the Series 2013 B Bonds.

Current or future legislative proposals, if enacted into law, or regulatory or Internal Revenue Service promulgations may adversely affect the exclusion of interest on the Series 2013 B Bonds, or could cause interest on the Series 2013 B Bonds to be subject, directly or indirectly, to federal income taxation or otherwise prevent holders of the Series 2013 B Bonds from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals, or the promulgation of any regulations or rulings, may also affect the market price for, or marketability of, the Series 2013 B Bonds. Prospective purchasers of the Series 2013 B Bonds should consult their own tax advisors regarding any such pending or proposed federal or state tax legislation, regulations, rulings or litigation, as to which Bond Counsel expresses no opinion.

[Original Issue Discount/Original Issue Premium

The original issue discount in the selling price of Series 2013 B Bonds maturing on ___ 1, ____ through ____ 1, ____ (the “Discount Bonds”), to the extent properly allocable to each owner of such Discount Bonds, is excluded from gross income for Federal income tax purposes with respect to such owner. The original issue discount is the excess of the stated redemption price at maturity of such Discount Bond over its initial offering price to the public, excluding underwriters and other intermediaries, at which price a substantial amount of the Discount Bonds of such maturity were sold.

Under Section 1288 of the Code, original issue discount on tax-exempt bonds accrues on a compound basis. The amount of original issue discount that accrues to an owner of a Discount Bond during any accrual period generally equals (i) the issue price of such Discount Bond plus the amount of original issue discount accrued in all prior accrual periods, multiplied by (ii) the yield to maturity of such Discount Bond (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period), minus (iii) any interest payable on such Discount Bond during such accrual period. The amount of original issue discount so accrued in a particular accrual period will be considered to be received ratably on each day of the accrual period, will be excludable from gross income for Federal income tax purposes, and will increase the owner’s tax basis in such Discount Bond.

Purchasers of any Discount Bond at any original issue discount should consult their tax advisors regarding the determination and treatment of original issue discount for Federal income tax purposes, and with respect to state and local tax consequences of owning such Discount Bonds.

The Series 2013 B Bonds maturing on ____ 1, 20__ through ____ 1, 20__, (“OIP Bonds”), will be sold with an original issue premium (“OIP”). The OIP will be equal to the excess of a holder’s tax basis in the OIP Bonds over the amount payable at maturity, or in the case of OIP Bonds subject to redemption, the amount payable on the redemption date. Under current law, the OIP for OIP Bonds must be amortized on an annual basis by the holder thereof. The amount of OIP amortized each year will not be deductible for Federal income tax purposes. Further, Section 1016 of the Code requires that the amount of annual amortization for the OIP Bonds be deducted from the holder’s tax basis in such OIP Bonds. This reduction in a holder’s tax basis will affect the amount of capital gain or loss to be recognized by the holder when the OIP Bonds are sold or redeemed. Owners of OIP Bonds should consult their tax advisors with respect to the determination and treatment of amortizable OIP for Federal income tax purposes, and with respect to the state and local tax consequences of owning such OIP Bonds.]

APPROVAL OF LEGALITY

Legal matters incident to the authorization, sale and issuance of the Series 2013 B Bonds are subject to the unqualified approving opinion of Steptoe & Johnson PLLC, Charleston, West Virginia, Bond Counsel. Hoy G. Shingleton, Jr., Esquire, Martinsburg, West Virginia, as counsel for the City, will pass upon certain legal matters for the City. Goodwin & Goodwin, LLP, Charleston, West Virginia, as counsel to the Underwriter, will pass upon certain legal matters for the Underwriter.

ABSENCE OF MATERIAL LITIGATION

There is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any court, public board or body, now pending or, to the best knowledge of the City, threatened or affecting the City (or, to the City's knowledge, any basis therefor) wherein an unfavorable decision, ruling or finding would have a material adverse effect on the City's financial position or on the validity of the Series 2013 B Bonds, the Ordinance or any agreement to which the City is a party and which is a part of the issuance of the Series 2013 B Bonds.

NEGOTIABLE INSTRUMENTS

Pursuant to State law, the Series 2013 B Bonds are and have all the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia. See "THE SERIES 2013 B BONDS - General."

UNDERWRITING

The Series 2013 B Bonds are being purchased by the Underwriter named on the cover of this Official Statement. The Purchase Contract provides that the Underwriter will purchase all the Series 2013 B Bonds, if any are purchased, at a purchase price equal to the initial public offering prices set forth on the cover page hereof less an Underwriter's discount of \$_____ plus accrued interest. The obligation to make such purchase is subject to the terms and conditions set forth in the Purchase Contract, including the approval of certain legal matters by counsel. The Underwriter may change the initial public offering prices from time to time. The Underwriter may offer and sell Series 2013 B Bonds to certain dealers (including dealers depositing Series 2013 B Bonds into investment trusts) and certain dealer banks acting as agents at prices lower than the public offering prices stated on the cover page hereof.

FINANCIAL STATEMENTS

Included herein as Appendix B are the audited financial statements of the City of Charles Town as of and for the twelve-month period ended June 30, 2012, and the report with respect to the audited financial statements as of and for the twelve-month period ended June 30, 2012, dated February 8, 2013, of Perry & Associates, Certified Public Accountants, A.C.

CONTINUING DISCLOSURE

The City will provide the continuing disclosure described below. The City has covenanted to provide, in accordance with the Continuing Disclosure Agreement, which shall be

delivered in substantially the form attached hereto as APPENDIX D, certain financial information and operating data regarding the City not later than two hundred seventy (270) days following the end of the Corporation's fiscal year, commencing with the reports for the fiscal year ended June 30, 2013 (which are due no later than March 31, 2014) (the "Annual Information"), and notice of the occurrence of the enumerated events listed therein, if material. The Annual Information and each notice of material events will be filed electronically by the City with the Electronic Municipal Markets Access system ("EMMA").

This continuing disclosure obligation is being undertaken by the City to assist the Underwriter in complying with Rule 15c2-12 promulgated by the SEC. The City has agreed to give notice in a timely manner to EMMA of any failure to supply the required information. However, any such failure will not constitute a default under the terms of the Series 2013 B Bonds. Under the Continuing Disclosure Agreement, the sole remedy for such failure is to seek an order for specific performance. See APPENDIX D - "Form of Continuing Disclosure Agreement."

As indicated in the Five Year Historic Coverage Ratio chart shown on page 9 hereof, for the fiscal year ended June 30, 2008, the City failed to achieve the required debt service coverage ratio required by its Prior Ordinances. The City recognized its deficiency and took immediate steps to correct the deficiency, as indicated by the coverage ratios achieved in subsequent years. The steps taken by the City included increasing its rates and an increased focus on its budgeted revenue and expenses. As a result, the City's water revenues increased by over \$500,000 during the fiscal year ended June 30, 2009, which led to an increase in operating income of over \$300,000 for the fiscal year ended June 30, 2009.

MISCELLANEOUS

The foregoing summaries, explanations and quotations do not purport to be complete and are expressly made subject to the exact provisions of the complete documents. Purchasers are referred to the Act and the Ordinance for full and complete statements of their provisions.

Any statements in this Official Statement involving matters of opinion, whether or not expressly so stated, are intended as such and not as representation of fact. This Official Statement is not to be construed as a contract or agreement between the City and the purchasers or owners of any of the Series 2013 B Bonds. The City has authorized the execution and distribution of this Official Statement.

INDEPENDENT ACCOUNTANTS' REPORT

February 8, 2013

Charles Town Utility Board
832 South George Street
Charles Town, WV 25414

To the Board of Directors:

We have audited the accompanying financial statements of the business-type activities of the **Charles Town Utility Board**, a component unit of the Municipality of Charles Town, Jefferson County, West Virginia, (the Utility Board), as of and for the year ended June 30, 2012, which collectively comprise the Utility Board's financial statements as listed in the table of contents. These financial statements are the responsibility of the Utility Board's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinions.

The Utility Board has elected not to record the 2012 OPEB expense that, in our opinion, should be recorded in order to conform with accounting principles generally accepted in the United States of America. If the OPEB expense was recorded, OPEB liability would increase \$183,414, and net assets would decrease by \$183,414 as of June 30, 2012. Additionally, expenses would increase by \$183,414 for the year ending June 30, 2012. In addition the utility Board has elected not to record previous periods OPEB expense that, in our opinion, should be recorded in order to conform with accounting principles generally accepted in the United States of America. If the previous OPEB expense was recorded the OPEB liability would be \$588,803 as of June 30, 2012.

In our opinion, except for the effects of not recording OPEB expense as explained in the preceding paragraph, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the Charles Town Utility Board, as of June 30, 2012 and the respective changes in financial position and cash flows, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated February 8, 2013 on our consideration of the Utility Board's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

Accounting principles generally accepted in the United States of America require this presentation to include *Management's discussion and analysis*, as listed in the table of contents, to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

We conducted our audit to opine on the financial statements that collectively comprise the Board's financial statements taken as a whole. The accompanying Schedule of Federal Awards Expenditures provides additional information required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is also not a required part of the basic financial statements. The Schedule of Federal Awards Expenditures is management's responsibility, and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. This schedule was subject to the auditing procedures applied to the basic financial statements. We also applied certain additional procedures, including comparing and reconciling this information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, in accordance with auditing standards generally accepted in the United States of America. In our opinion, this information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Respectfully Submitted,

Perry & Associates
Certified Public Accountants, A.C.

CHARLES TOWN UTILITY BOARD
JEFFERSON COUNTY
MANAGEMENT'S DISCUSSION AND ANALYSIS
For the Year Ended June 30, 2012
(Unaudited)

The discussion and analysis of the Charles Town Utility Board's (Utility Board) financial performance provides an overview of the Utility Board's financial activities for the fiscal year ended June 30, 2012. Please read it in conjunction with the Utility Board's financial statements.

FINANCIAL HIGHLIGHTS

The Utility Board's net assets increased \$0.4 million as a result of this year's operations. Net assets of the water fund increased \$0.2 million compared to the previous year, or 6 percent, net assets of the sewer fund increased by \$0.2 million, or 5 percent compared to the previous year.

The Utility Board's operating revenues decreased by \$0.1 million and operating expenses increased \$0.2 million compared to the previous year. Water fund operating revenues decreased by \$0.1 million and water fund operating expenses increased by \$0.2 million compared to the previous year. Sewer fund operating revenues remained constant at \$2.1 million and sewer operating expenses remained constant at \$1.7 million.

Operating income decreased by \$0.3 million for the water fund and remained constant at \$0.4 million for the sewer fund.

USING THIS ANNUAL REPORT

1. Management's Discussion and Analysis

The Management's Discussion and Analysis is intended to serve as an introduction to the Utility Board's financial statements. The Utility Board's financial statements and Notes to the Financial Statements included in this report were prepared in accordance with GAAP applicable to governmental entities in the United States of America for proprietary fund types, except that the Utility Board has elected to not record the liability for other post employment benefits (OPEB).

2. Financial Statements

The financial statements are designed to provide readers with a broad overview of the Utility Board's finances, in a manner similar to private-sector business. They consist of the Statement of Net Assets, Statement of Revenues, Expenses, and Changes in Net Assets, and Statement of Cash Flows.

The Statement of Net Assets presents information on all the Utility Board's assets and liabilities, with the difference between the two reported as net assets. Increases or decreases in net assets will serve as a useful indicator of whether the financial position of the Utility Board is improving or deteriorating.

The Statement of Revenues, Expenses, and Changes in Net Assets presents information showing how the Utility Board's net assets changed during the most recent fiscal year. All changes in net assets are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will result in cash flows in different fiscal periods (e.g., depreciation and earned but unused vacation leave).

The Statement of Cash Flows presents the Utility Board's sources and uses of cash and changes in cash balances between the current and prior year.

The financial statements report all Utility Board financial activities. The activities are primarily supported by water and sewer user fees. The Utility Board's mission is furthering the preservation of public health, comfort and convenience of the residents of the Municipality of Charles Town and surrounding areas by providing water and sewer services to customers in its franchise area.

3. Notes to Financial Statements

The Notes to Financial Statements provide additional information that is essential to a full understanding of the data provided in the financial statements. The Notes to Financial Statements can be found in the financial statements mentioned at #2 above.

REPORTING THE UTILITY BOARD AS A WHOLE

The analysis below focuses on net assets (Table 1) and changes in net assets (Table 2) of the Utility Board's financial activities.

Table 1 - Net Assets (in Millions)

MANAGEMENT'S DISCUSSION AND ANALYSIS
For the Year Ended June 30, 2012
(Unaudited)**

By far, the largest portion of the Utility Board's assets reflects its investment in capital assets. The Utility Board uses these capital assets to provide water and sewer services to its customers; consequently, these assets are not available for future spending.

Table 2 - Changes in Net Assets (in Millions)

	Water Fund		Sewer Fund		Total

Change in net assets	\$ 0.2	\$ 0.2	\$ 0.2	\$ (0.1)	\$ 0.4	\$ 0.1

The Utility Board's operating revenues decreased by \$0.1 million or 2 percent. The operating expenses increased by \$0.2 million or 5 percent. The analysis separately considers the operations of the water and sewer funds.

BUDGETARY HIGHLIGHTS

For the year ended June 30, 2012, budgets were prepared by the Utility Board and were approved by the Utility Board of Directors. The budgets were primarily used as a management tool and have no legal stature. The budgets were prepared in accordance with principles used in the preparation of the financial statements.

CAPITAL ASSET AND DEBT ADMINISTRATION

Capital Assets

At June 30, 2012, the Utility Board had \$28.8 million invested in a broad range of capital assets, including land, structures, machinery and equipment, and water and sewer lines. (See Table 3). This amount represents a net increase (including additions and deductions) of \$1.8 million.

See Note 3 for additional information on Capital Assets.

Debt

At year-end, the Utility Board had \$25.8 million in long-term debt outstanding compared to \$25.3 million in the previous year.

Total	\$ 25.8	\$ 25.3
	<hr/>	<hr/>

The debt resulted mainly from issuing revenue bonds for the construction of water and sewer utility plant improvements. These bonds are secured by revenues derived from the combined water and sewer system.

Other obligations include notes, loans, and obligations under capital leases. More detailed information about the Utility Board's long-term liabilities is presented in the Notes 4 and 5 of the financial statements.

ECONOMIC FACTORS

The Utility Board's appointed officials considered many factors when setting the fiscal year 2012 budget. One of those factors is the economy. The County's population has a direct impact on the Utility Board's economic growth.

The Utility Board is optimistic about its potential for economic growth in the future. The increasing population, infrastructure improvements, annexation, and procurement of grants and other funding sources are all positive indicators for continued economic growth of the Utility Board.

**CHARLES TOWN UTILITY BOARD
JEFFERSON COUNTY
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended June 30, 2012**

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF BUSINESS

The Charles Town Utility Board (the "Utility Board") is a component unit of the Municipality of Charles Town, West Virginia. The Utility Board's purpose is furthering the preservation of the public health, comfort, and convenience of the residents of the Municipality of Charles Town and surrounding areas by providing water and sewer services to customers in its franchise area. The Utility Board is governed by a board of directors who are appointed by the Municipality of Charles Town. The Utility Board serves approximately 6,000 water customers and 3,000 sewer customers.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Governmental Accounting Standards Board is the accepted standard setting body for establishing governmental accounting and financial reporting principles. Significant accounting policies of the Utility Board are described below.

Reporting Entity

For financial reporting purposes, the Utility Board is considered a component unit of the Municipality of Charles Town. The basic criteria for defining the Utility Board as a component unit of the Municipality of Charles Town is the financial interdependence, accountability for fiscal matters, significant influence on operations and ability to designate management.

For purposes of regulation by the West Virginia Public Service Commission and as required by its revenue bond issues, water and sewer are maintained as separate funds with separate books of account.

Basis of Presentation

The accounting policies of the Utility Board conform to accounting principles generally accepted in the United States of America as applicable to enterprise funds of governmental units. The Utility Board accounts for its operations in a manner similar to those often found in the private sector. The measurement focus is based upon the determination of net income. The costs (including depreciation) of providing goods and services to customers on a continuing basis are recovered primarily through user charges. Periodic determination of revenues earned, expenses incurred and/or net income is appropriate for capital maintenance, public policy, management control and accountability.

Basis of Accounting

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Revenues and expenses of the Utility Board are accounted for within two funds, both of which are enterprise funds. The Utility Board uses the accrual basis of accounting for its enterprise funds, under which revenues are recognized when they are earned and expenses are recognized when they are incurred. In accordance with Governmental Accounting Standards Board (GASB) Statement No. 20, "Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities that Use Proprietary Fund Accounting," the Utility Board has elected to apply all applicable GASB pronouncements as well as FASB statements and interpretations, APB opinions, and Accounting Research Bulletins issued on or before November 30, 1989 that do not conflict with or contradict GASB pronouncements. Governments also have the option of following subsequent private-sector guidance for their business-type activities and enterprise funds, subject to this same limitation. The Utility Board has elected not to follow subsequent private-sector guidance.

Operating revenues and expenses consist of those revenues and expenses that result from the ongoing principal operations of the Utility Board. Operating revenues consist primarily of charges for services. Non-operating revenues and expenses consist of those revenues and expenses that are related to financing and investing types of activities and result from nonexchange or ancillary activities.

NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended June 30, 2012**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of Accounting (continued)

When both restricted and unrestricted resources are available for use, it is the Utility Board's policy to use restricted resources first, and then the unrestricted resources as needed.

Utility Plant

Utility plant purchased or acquired under capital leases by the Utility Board is stated at cost and utility plant contributed to the Utility Board is stated at fair market value at the time received. Depreciation is provided on all utility plant in service based on the estimated useful lives, which range from 5 to 50 years, using the straight-line method. The Utility Board's policy is to capitalize all property, plant, and equipment with a purchase price greater than \$5,000.

Expenditures for repairs and upgrading which materially add to the value or life of an asset are capitalized. Other maintenance and repair costs are expensed as incurred.

Interest related to construction projects is capitalized as a cost of the project. There was no capitalized interest for the year ended June 30, 2012.

Cash and Cash Equivalents

For purposes of reporting the Statement of Cash Flows, the Utility Board considers all cash accounts and all highly liquid debt instruments purchased with an original maturity of three months or less, to be cash equivalents.

Cash and cash equivalents at June 30, 2012 includes deposits of \$1,455,032 at four banks. Deposits are FDIC insured and deposits in excess of FDIC limits are 100% collateralized with securities held by the financial institution in the name of the Utility Board.

All carrying values are the same as market values.

Restricted Assets

Assets whose use is limited include:

Debt service funds and debt service reserve funds represent funds required by debt covenants under the various debt ordinances. These funds are to be used to pay bond interest and principal.

Construction funds represent funds held by banks as trustees under the bond ordinances. These funds are to be used solely for payment of costs associated with the Utility Board's ongoing construction projects.

Capacity improvement funds are established by ordinance and subject to West Virginia Public Service Commission regulation. The capacity improvement fund is to be kept apart from all other funds and shall be invested and reinvested in accordance with applicable regulation. Withdrawals and disbursements may be made for replacements, emergency repairs, improvements, and upgrades to the system.

The repair and replacement fund represents funds held by a bank under the Utility Board's bond ordinances. Withdrawals may be made for replacement and emergency repairs.

All carrying values are the same as market values.

For the Year Ended June 30, 2012

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue Recognition

The Utility Board's policy is to recognize revenue on the accrual basis. The Utility Board accrues revenue earned but not billed.

Accounts Receivable and Bad Debts

The Utility Board's management periodically analyzes delinquent accounts of the waster and sewer funds and uses the allowance method for accounting for bad debts. At June 30, 2012, accounts receivable for the water and sewer funds are \$188,280 and \$81,740, respectively, net of allowance for doubtful accounts. Revenue accrued but not billed for the water and sewer funds at June 30, 2012 are \$261,236 and \$97,231, respectively.

Intangible Assets

Amortization of debt issue costs is calculated by the straight-line method over the terms of the related bond issues.

Advance Refunding of Debt

Deferred amounts resulting from advance refunding of debt are being amortized by the straight-line method over the life of the new debt.

Income Taxes

The Utility Board is exempt from federal and state income taxes as a subdivision of the Municipality of Charles Town.

Inventories

Inventories consist of expendable supplies and are accounted for on a first-in first-out basis. Inventories approximate fair market value at June 30, 2012.

Compensated Absences

The Utility Board's policy is to permit employees to accumulate earned but unused vacation benefits. The Utility Board fully recognizes the liability related to compensated absences in the funds. Compensated absences amounted to \$62,940 at June 30, 2012.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Nonexchange Transactions

The Utility Board follows GASB Statement No. 33, *Accounting and Financial Reporting for Nonexchange Transactions* (Statement 33), which establishes accounting and reporting guidelines for government entities that gives (or receives) value without directly receiving (or giving) equal value in return. The Utility Board receives voluntary nonexchange transactions from developer and customer donations of cash, property, lines and improvements. In addition, the Utility Board receives various capital grants from federal and state agencies. These donations are considered capital contributions on the Statements of Revenues, Expenses, and Changes in Net Assets.

NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended June 30, 2012**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Customer Deposits

Customer deposits are refunded after bills for service have been paid on time for twelve consecutive months.

Net Assets

Net assets present the difference between assets and liabilities in the statement of net assets. Net assets invested in capital assets net of related debt are made up of capital assets net of accumulated depreciation reduced by the outstanding balances of any borrowing used for the acquisition, construction, or improvement of those assets. Net assets are reported as restricted when there are legal limitations imposed on their use by legislation or external restrictions by creditors, grantors, laws or regulations of other governments. Unrestricted net assets are all net assets that do not meet the definition of "invested in capital assets, net of related debt" or "restricted net assets."

Interfund Transactions

Interfund transactions are fully reflected in the financial statements and recorded through applicable "due to/due from" asset and liability accounts.

NOTE 2 - CASH

NOTE 6 - PENSION PLAN

The Utility Board is a participant in the West Virginia Public Employees Retirement System (WVPERS), which is a defined benefit, cost-sharing multiple-employer pension plan. The pension plan covers all the Utility Board's employees whose tenure is not temporary or provisional. Members' rights to employee contributions vest immediately while members with one year or more contributing service and five years or more credited service shall be eligible to retire at age 60. Contributions to the WVPERS by the Utility Board are 14.5% of eligible employees' compensation. In addition, the Utility Board withholds 4.5% of the eligible employees' compensation and remits the withholding on a monthly basis to the WVPERS. The Utility Board's contribution requirement was not actuarially determined. Contribution obligations and benefit provisions are established pursuant to the West Virginia Public Employees Retirement Act. The employer contributions for the year ended June 30, 2012, 2011 and 2010 were \$158,110, \$137,336 and \$124,530, respectively. The employee contributions for the years ended June 30, 2012, 2011 and 2010 were \$49,069, \$49,452 and \$50,944, respectively. Total covered payroll for the year ended June 30, 2012 was approximately \$1,090,000.

Information regarding benefit provisions, actuarial assumptions and funding method, pension benefit obligation (actuarial present value of projected benefits), net assets available for benefits, historical trends, and related party transactions are not readily available since such determinations are made and information is kept on a system-wide basis and not for the individual participating entities. This information is available in the separately issued financial statements of the WVPERS at Capitol Complex, Building 5, Room 1000, 1900 Kanawha Boulevard, East, Charleston, West Virginia 25305.

NOTE 7 - RETIREE HEALTH PLAN (RHP)

Plan Description

The Utility Board contributes to the West Virginia Retiree Health Benefits Trust Fund (RHBT), a cost-sharing multiple-employer defined benefit postemployment healthcare plan administered by the West Virginia Public Employees Insurance Agency (PEIA). The RHBT provides medical benefits to eligible retired employees of participating employers. Eligibility is primarily established through participation in certain defined benefit plans. The RHBT issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to West Virginia Retiree Health Benefits Trust, Building 5, Room 1001, 1900 Kanawha Boulevard East, Charleston, West Virginia.

Corporation Establishing the Plan and Funding Policy

Chapter 5, Article 16D of the West Virginia State Code assigns the Corporation to establish and amend benefits and provisions to the RHBT. Participating employers are contractually required to contribute at a rate based on the annual required contributions (ARC) of the plan, an amount actuarially determined in accordance with the parameters of Governmental Accounting Standards Board (GASB) Statement No. 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal costs each year and amortize any unfunded actuarial liabilities (or funding excess) of the plan over a period not to exceed thirty years. The Utility Board elected not to record OPEB expense for fiscal year 2012 and certain preceding years which is required under Generally Accepted Accounting Principles.

NOTE 8 - RISK MANAGEMENT

The Utility Board is exposed to various risks of loss related to torts, theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Utility Board participates in several risk management programs administered by the State of West Virginia.

NOTE 9 - LOAN FROM MUNICIPALITY OF CHARLES TOWN

The Municipality of Charles Town loaned the Utility Board \$640,795 to finance certain construction projects. The loan bears no interest and is generally being repaid over a 50 year term. For the year ended June 30, 2012, \$12,816 has been repaid on the loan.

NOTE 10 - RESTRICTED NET ASSETS

Restricted net assets reflect that portion of total net assets legally or contractually segregated for a specific future use. The following amounts represent restricted net assets at June 30, 2012:

Cash and temporary investments	
Debt service and debt service reserve funds	\$2,378,856
Repair and replacement funds	51,736
Capacity improvement funds	715,954
Construction funds	48,545
Accrued interest	<u>(131,823)</u>
 Total	 <u><u>\$3,063,268</u></u>

NOTE 11 - COMMITMENTS AND CONTINGENCIES

The Utility Board is in the process of constructing an upgrade to its Tuscowilla sewerage treatment plant and system. The total cost of the project is estimated to be approximately \$18,000,000. Costs incurred through June 30, 2012 amount to \$2,882,357. The project is being financed with the proceeds from bond issuances.

**INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
REQUIRED BY *GOVERNMENT AUDITING STANDARDS***

February 8, 2013

Charles Town Utility Board
832 South George Street
Charles Town, WV 25414

To the Board of Directors:

We have audited the financial statements of the business-type activities of the **Charles Town Utility Board**, a component unit of the Municipality of Charles Town, Jefferson County, West Virginia, (the Utility Board), as of and for the year ended June 30, 2012, which collectively comprise the Utility Board's basic financial statements and have issued our report thereon dated February 8, 2013, wherein we qualified our opinion because the Utility Board elected not to record OPEB liability for the year ended June 30, 2012. Except as discussed above, we conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Utility Board's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinions on the financial statements, but not to opine on the effectiveness of the Utility Board's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Utility Board's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. Therefore, we cannot assure that we have identified all deficiencies, significant deficiencies or material weaknesses. However, as described in the accompanying schedule of audit findings we identified a certain deficiency in internal control over financial reporting, that we consider a material weakness.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and timely corrected. We consider finding 2012-01 described in the accompanying schedule of findings to be a material weakness.

Compliance and Other Matters

As part of reasonably assuring whether the Utility Board's basic financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We did note certain matters not requiring inclusion in this report that we reported to the Utility Board's management in a separate letter dated February 8, 2013.

We intend the report solely for the information and use of management, the Board of Directors of Charles Town Utility Board, federal awarding agencies and pass-through entities, and others within the Utility Board. We intend it for no one other than these specified parties.

Respectfully Submitted,

**INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH REQUIREMENTS
APPLICABLE TO EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY WITH OMB CIRCULAR A-133**

February 8, 2013

Charles Town Utility Board
832 South George Street
Charles Town, WV 25414

To the Board of Directors:

Compliance

We have audited the compliance of the **Charles Town Utility Board**, a component unit of the Municipality of Charles Town, Jefferson County, West Virginia, (the Utility Board), with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133, Compliance Supplement* that could directly and materially affect the Utility Board's major federal program for the year ended June 30, 2012. The summary of auditor's results section of the accompanying schedule of audit findings identifies the Utility Board's major federal program. The Utility Board's management is responsible for complying with the requirements of laws, regulations, contracts, and grants applicable to each major federal program. Our responsibility is to opine on the Utility Board's compliance based on our audit.

Our compliance audit followed auditing standards generally accepted in the United States of America; the standards applicable to financial audits included in the Comptroller General of the United States' *Government Auditing Standards*; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. These standards and OMB Circular A-133 require that we plan and perform the audit to reasonably assure whether noncompliance occurred with the compliance requirements referred to above that could directly and materially affect a major federal program. An audit includes examining, on a test basis, evidence about the Utility Board's compliance with these requirements and performing other procedures we considered necessary in the circumstances. We believe our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Utility Board's compliance with these requirements.

In our opinion, the Charles Town Utility Board, a component unit of the Municipality of Charles Town, Jefferson County, West Virginia complied, in all material respects, with the requirements referred to above that could directly and materially affects its major federal program for the year ended June 30, 2012.

Internal Control Over Compliance

The Utility Board's management is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the Utility Board's internal control over compliance with requirements that could directly and materially affect a major federal program, to determine our auditing procedures for the purpose of opining on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of opining on the effectiveness of internal control over compliance. Accordingly, we have not opined on the effectiveness of the Utility Board's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, when performing their assigned functions, to prevent, or to timely detect and correct, noncompliance with a federal program compliance requirement. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a federal program compliance requirement will not be prevented, or timely detected and corrected.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

We intend the report solely for the information and use of management, the Board of Directors of Charles Town Utility Board, federal awarding agencies and pass-through entities, and others within the Utility Board. We intend it for no one other than these specified parties.

Respectfully Submitted,

OPEB Liability

The Utility Board has elected not to record the 2012 OPEB expense that, in our opinion, should be recorded in order to conform with accounting principles generally accepted in the United States of America. If the OPEB expense was recorded, OPEB liability would increase \$183,414, and net assets would decrease by \$183,414 as of June 30, 2012. Additionally, expenses would increase by \$183,414 for the year ending June 30, 2012. In addition the utility Board has elected not to record previous periods OPEB expense that, in our opinion, should be recorded in order to conform with accounting principles generally accepted in the United States of America. If the previous OPEB expense was recorded the OPEB liability would be \$588,803 as of June 30, 2012.

Management's Response- The Utility Board elected not to record the liability, which is consistent with the City of Charles Town. The Utility Board supports the City of Charles Town's position.

FORM OF OPINION OF BOND COUNSEL

_____, 2013

City of Charles Town
Combined Waterworks and Sewerage System Revenue Bonds,
Series 2013 B, (Tax-Exempt)

City of Charles Town
Charles Town, West Virginia

Crews and Associates, Inc.
Charleston, West Virginia

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the authorization, issuance, sale, and the initial delivery on the date hereof, by the City of Charles Town, West Virginia (the "Issuer") of its \$_____ aggregate principal amount of Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax-Exempt) (the "Series 2013 B Bonds").

The Series 2013 B Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "Act"), and a Bond Ordinance duly enacted by the Issuer on April 1, 2013, as supplemented by a Supplemental Parameters Resolution and Conformed Ordinance duly adopted by the Issuer on _____, 2013 (collectively, the "Ordinance"), and are subject to all the terms and conditions of the Ordinance. All capitalized terms used and not otherwise defined herein shall have the meanings set forth in the Ordinance.

The Series 2013 B Bonds are issued in fully registered form, are dated _____, 2013, mature on _____ 1 in the years and amounts and bear interest payable each _____ 1 and _____ 1, commencing _____ 1, 20___, all as set forth in the Ordinance.

The Ordinance provides that the Series 2013 B Bonds are issued for the purpose of (i) paying the costs of acquisition and construction of certain additions, betterments and improvements to the System; (ii) funding the Series 2013 B Bonds Reserve Account; and (iii) paying the costs of issuance of the Series 2013 B Bonds.

The Series 2013 B Bonds have been sold to Crews and Associates, Inc. (the "*Original Purchaser*"), pursuant to a Bond Purchase Agreement dated _____, 2013 (the "*Bond Purchase Agreement*"), accepted by the Issuer.

In connection with our engagement as Bond Counsel, we have examined the law and such documents and matters as we have deemed necessary to render this opinion. As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Original Purchaser and other entities contained in the Ordinance, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate and in the certified proceedings and other certifications of certain officials furnished to us without undertaking to verify the same by independent investigation and have relied upon, and have assumed, due compliance with the provisions of, the proceedings and other documents.

Based upon the foregoing, and assuming compliance with the covenants and representations of the Issuer and others set forth in the Ordinance, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate and such certifications, we are of the opinion, under existing law, that:

1. The Issuer is a duly organized and validly existing municipal corporation under and pursuant to the laws of the State of West Virginia, with full power and authority to adopt and enact the Ordinance, enter into the Bond Purchase Agreement, the Continuing Disclosure Agreement and the Tax Certificate, perform its obligations under the terms and provisions thereof and to issue and sell the Series 2013 B Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Issuer, through its governing body, has legally and effectively adopted and enacted the Ordinance; has authorized, executed and delivered the Bond Purchase Agreement, the Continuing Disclosure Agreement, and the Tax Certificate; has authorized the distribution of the Official Statement in connection with the marketing and sale of the Series 2013 B Bonds; and has issued and delivered the Series 2013 B Bonds to the Original Purchaser pursuant to the Bond Purchase Agreement. The Ordinance is in full force and effect as of the date hereof.

3. Assuming due authorization, execution and delivery by the other parties thereto, the Bond Purchase Agreement, the Continuing Disclosure Agreement and the Tax Certificate constitute valid, legal, binding and enforceable instruments of the Issuer in accordance with their respective terms.

4. The Series 2013 B Bonds have been duly authorized, executed and delivered by the Issuer and, assuming proper authentication, constitute valid and legally enforceable limited obligations of the Issuer, payable from, and secured by a lien on, the Gross Revenues of the

System, on a parity with the Issuer's: (a) Combined Waterworks and Sewerage System Revenue Bonds, Series 1987 B, dated November 18, 1987, issued in the original aggregate principal amount of \$413,629 (the "*Series 1987 B Bonds*"); (b) Combined Waterworks and Sewerage System Revenue Bonds, Series 1988 B-1, dated May 4, 1988, issued in the original aggregate principal amount of \$295,916 (the "*Series 1988 B-1 Bonds*"); (c) Combined Waterworks and Sewerage System Revenue Bonds, Series 1988 B-2, dated May 20, 1988, issued in the original aggregate principal amount of \$558,000 (the "*Series 1988 B-2 Bonds*"); (d) Combined Waterworks and Sewerage System Revenue Bonds, Series 1989 B, dated April 13, 1989, issued in the original aggregate principal amount of \$117,480 (the "*Series 1989 B Bonds*"); (e) Combined Waterworks and Sewerage System Design Revenue Bonds, Series 1998 (West Virginia SRF Program), dated September 29, 1998, issued in the original aggregate principal amount of \$437,601 (the "*Series 1998 Bonds*"); (f) Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 A (West Virginia SRF Program), dated June 22, 2000, issued in the original aggregate principal amount of \$3,163,781 (the "*Series 2000 A Bonds*"); (g) Combined Waterworks and Sewerage System Revenue Bonds, Series 2002 A (West Virginia Water Development Authority), dated August 22, 2002, issued in the original aggregate principal amount of \$1,100,000 (the "*Series 2002 A Bonds*"); (h) Combined Waterworks and Sewerage System Revenue Bonds, Series 2002 B (West Virginia Infrastructure Fund), dated August 22, 2002, issued in the original aggregate principal amount of \$3,600,000 (the "*Series 2002 B Bonds*"); (i) Combined Waterworks and Sewerage System Revenue Bonds, Series 2002 C (Insured), dated December 20, 2002, issued in the original aggregate principal amount of \$4,135,000 (the "*Series 2002 C Bonds*"); (j) Combined Waterworks and Sewerage System Revenue Bonds, Series 2003 A (AMT - Uninsured), dated January 15, 2003, issued in the original aggregate principal amount of \$1,000,000 (the "*Series 2003 A Bonds*"); (k) Combined Waterworks and Sewerage System Revenue Bonds, Series 2005 A (Taxable), dated June 15, 2005, issued in the original aggregate principal amount of \$2,355,000 (the "*Series 2005 A Bonds*"); (l) Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 A (Taxable), dated January 19, 2006, issued in the original aggregate principal amount of \$1,830,000 (the "*Series 2006 A Bonds*"); (m) Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 B (Tax-Exempt), dated July 27, 2006, issued in the original aggregate principal amount of \$2,000,000 (the "*Series 2006 B Bonds*"); (n) Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2009 A (Tax-Exempt), dated December 1, 2009, issued in the original aggregate principal amount of \$7,120,000 (the "*Series 2009 A Bonds*"); (o) Combined Waterworks and Sewerage System Revenue Bonds, Series 2010 A (West Virginia DWTRF Program), dated January 13, 2010, issued in the original aggregate principal amount of \$912,458 (the "*Series 2010 A Bonds*"); (p) Combined Waterworks and Sewerage System Revenue Bonds, Series 2010 B (West Virginia DWTRF Program/ARRA), dated January 13, 2010, issued in the original aggregate principal amount of \$100,000 (the "*Series 2010 B Bonds*"); (q) Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2010 C (West Virginia SRF Program), dated December 2, 2010, issued in the original aggregate principal amount of \$1,250,000 (the "*Series 2010 C Bonds*"); (r) Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2010 D (West Virginia SRF Program), dated December 2, 2010, issued in the original aggregate principal amount of \$500,000 (the "*Series 2010 D Bonds*"); (s) Combined Waterworks and Sewerage System Revenue Bonds, Series 2011 A (West Virginia SRF Program), dated July 22, 2011,

issued in the original aggregate principal amount of \$13,147,192 (the “*Series 2011 A Bonds*”); (t) Combined Waterworks and Sewerage System Revenue Bonds, Series 2011 B (West Virginia SRF Program), dated July 22, 2011, issued in the original aggregate principal amount of \$2,000,000 (the “*Series 2011 B Bonds*”); (u) Combined Waterworks and Sewerage System Revenue Bonds, Series 2012 A (West Virginia SRF Program), dated December 18, 2012, issued in the original aggregate principal amount of \$1,500,000 (the “*Series 2012 A Bonds*”); and (v) Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2013 A (West Virginia SRF Program), dated June 27, 2013, issued in the original aggregate principal amount of \$591,977 (the “*Series 2013 A Bonds*”), (collectively, the “*Prior Bonds*”). The Series 2013 B Bonds are enforceable in accordance with their terms and the terms of the Ordinance, and are entitled to the benefits of the Ordinance and the Act.

5. We have examined the executed and authenticated Series 2013 B Bonds of said issue, and in our opinion, said Series 2013 B Bonds are in proper form and have been duly executed and authenticated.

6. Under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2013 B Bonds is excluded from the gross income of the holders thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations; *provided, that* the interest on the Series 2013 B Bonds is taken into account as an adjustment to current earnings when computing the federal alternative minimum tax on certain corporations. Ownership of tax-exempt obligations, including the Series 2013 B Bonds, may result in collateral federal income tax consequences to certain taxpayers, including without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry such obligations. We offer no opinion as to such collateral tax consequences or any other federal tax consequences arising with respect to the Series 2013 B Bonds. Prospective purchasers of the Series 2013 B Bonds should consult their own tax advisors as to such consequences.

The opinions set forth in paragraph 6 above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations promulgated thereunder (collectively, the “*Code*”) that must be satisfied in order for interest on the Series 2013 B Bonds to be or continue to be excludable from gross income for federal income tax purposes and with all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Series 2013 B Bonds set forth in the Ordinance, the Bond Purchase Agreement, the Tax Certificate and the certifications of the Issuer and others. Failure to comply with such Code provisions or such certifications, covenants and representations could cause the interest on the Series 2013 B Bonds to be includable in gross income retroactive to the date of issuance of the Series 2013 B Bonds.

7. Under the Act, the Series 2013 B Bonds and the interest thereon are exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

8. The Series 2013 B Bonds are exempted securities within the meaning of Section 3(a)(2) of the Securities Act of 1933, as amended, and the West Virginia Uniform Securities Act, as amended, and it is not necessary, in connection with the public offering and sale of the Series 2013 B Bonds, to register any securities under said Securities Acts.

It is to be understood that the rights of the holders of the Series 2013 B Bonds and the enforceability of the Series 2013 B Bonds, the Ordinance, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate, and the liens, pledges, rights or remedies with respect thereto, are subject to and may be limited by any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally and that their enforcement may also be subject to the application of public policy, general principles of equity and the exercise of judicial discretion in appropriate cases.

We do not express any opinion as to the sufficiency or accuracy of the material, information or financial statements which are set forth in the Official Statement prepared and used in connection with the offering and sale of the Series 2013 B Bonds.

The opinions expressed in this letter are based upon the law in effect on the date hereof, and may be affected by actions taken or omitted or events occurring after the date hereof, including subsequent interpretations of the applicable law by competent judicial, regulatory and administrative authorities that modify, revoke, supplement, reverse, overrule or otherwise change applicable law and current interpretations thereof. We assume no obligation to revise or supplement this opinion should such law be changed by legislative action, judicial decision, or otherwise, or to determine or to inform any person whether any such actions are taken or omitted or any such events occur.

FORM OF CONTINUING DISCLOSURE AGREEMENT

This Continuing Disclosure Agreement (the “Agreement”) is by and between the City of Charles Town (the “City”) and United Bank, Inc., as Disclosure Agent (the “Dissemination Agent”). By the terms of an ordinance enacted by the Council of the City on April 1, 2013 (the “Ordinance”), the City authorized the issuance of \$____,000 City of Charles Town, Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax-Exempt) (the “Series 2013 B Bonds”). The Series 2013 B Bonds were sold pursuant to the terms of a Bond Purchase Agreement dated _____, 2013, by and between the Crews & Associates, Inc. (the “Underwriter”) and the City (the “Purchase Agreement”). Capitalized terms used in this Agreement shall have the respective meanings specified above or in Article IV hereof. The parties agree as follows:

SECTION 1. Purpose of Agreement. The Agreement is being executed and delivered by the City and Dissemination Agent for the benefit of the holders and Beneficial Owners of the Bonds and in order to assist the Underwriter in complying with SEC Rule 15c2-12(b)(5).

SECTION 2. Definitions. In addition to the definitions set forth in the Ordinance and the Bond Purchase Agreement dated _____, 2013, which apply to any capitalized term used in the Agreement unless otherwise defined in this Section, the following capitalized terms shall have the following meanings:

“Annual Financial Information” means the financial information (which shall be based on financial statements prepared in accordance with generally accepted accounting principles (“GAAP”)) and operating data with respect to the City, provided at least annually, of the type included in those sections of the final official statement with respect to the Bonds attached thereto as Appendix C, which Annual Financial Information shall include Audited Financial Statements if available on the Report Date, and, if not then available, unaudited financial statements.

“Audited Financial Statements” means the City’s annual financial statements, prepared in accordance with GAAP, which financial statements shall have been audited by a firm of independent certified public accountants.

“Beneficial Owner” shall mean any person who has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries).

“Dissemination Agent” shall initially mean United Bank, Inc. or any later appointed Dissemination Agent or any successor Dissemination Agent designated in writing by the City and which has filed with the City a written acceptance of such designation.

“EMMA” means the Electronic Municipal Market Access System described in the 1934 Act Release No. 59062 and maintained by the Municipal Securities Rulemaking Board for purposes of the Rule.

“Listed Events” shall mean any of the events listed in Section 5(a) of the Agreement.

“National Repository” shall mean the Municipal Securities Rulemaking Board, Washington, D.C. the sole Nationally Recognized Municipal Securities Information Repository for purposes of the Rule.

“Participating Underwriter” shall mean the original underwriter of the Bonds who is required to comply with the Rule in connection with offering of the Bonds.

“Purchase Agreement” shall mean the Bond Purchase Agreement dated September __, 2013, between Crews & Associates, Inc. (the “Underwriter”) and the City, by which the Underwriter agreed to purchase the Series 2013 B Bonds upon the terms set forth therein.

“Repository” shall mean each National Repository and the State Repository, if any.

“Rule” shall mean Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

“State” shall mean the State of West Virginia.

“State Repository” shall mean any public or private repository or entity designated by the State as the state repository for the purpose of the Rule and recognized as such by the Securities and Exchange Commission. As of the date of the Agreement, there is no State Repository.

SECTION 3. Provision of Annual Reports.

(a) Not later than nine (9) months after the end of the Fiscal Year, commencing with Fiscal Year ended June 30, 2013, the City shall provide Annual Financial Information to each Repository and to the Dissemination Agent. In each case, Annual Financial Information may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 4 of this Agreement. Notwithstanding the foregoing, Annual Financial Information may be submitted separately when they become available. In the event that audited financial statements are not included with Annual Financial Information and will be submitted at a later date, the City shall include unaudited financial statements and shall indicate the date on which the audited financial statements of the City will be submitted. The audited financial statements of the City, when available, will be provided to each Repository.

(b) If the City is unable to provide to the Repositories with its Annual Financial Information by the date required in the above paragraph, the City shall send a notice to each Repository and the Dissemination Agent.

(c) If, on the date specified in subsection (a) above for providing Annual Financial Information to Repositories, the Dissemination Agent has not received a copy of Annual

Financial Information, the Dissemination Agent shall contact the City to determine if the City is in compliance with subsection (a).

(d) If the Dissemination Agent is unable to verify that Annual Financial Information has been provided to the Repositories by the date required within subsection (a), the Dissemination Agent shall file a notice of (i) non-filing or (ii) inability to verify filing with the Repositories and the MSRB.

SECTION 4. Content of Annual Financial Information. Within two hundred seventy (270) days of the City's 2013 Fiscal year-end, and each subsequent fiscal year, the Dissemination Agent shall submit to EMMA information and data of the City for the prior fiscal year, including the Audited Financial Statements, prepared in accordance with generally accepted accounting principles in effect from time to time.

Any or all of the items listed above may be included by specific reference to other documents, including official statements of debt issues of the City or related public entities, which have been submitted to EMMA or the Securities and Exchange Commission. If the document included by reference is a final official statement it must be available from the MSRB. The City shall clearly identify each such other document so included by reference.

SECTION 5. Reporting of Significant Events.

(a) Pursuant to the provisions of this Section 5, the City shall give, or cause to be given, notice of the occurrence of any of the following events, if applicable, with respect to the Series 2013 B Bonds, if material:

1. principal and interest payment delinquencies;
2. non-payment related defaults, if material;
3. unscheduled draws on debt service reserves reflecting financial difficulties;
4. unscheduled draws on credit enhancements reflecting financial difficulties;
5. substitution of credit or liquidity providers or their failure to perform;
6. adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the security;
7. modifications to rights of security holders, if material;
8. bond calls, if material, and tender offers;
9. defeasances;

10. release, substitution, or sale of property securing repayment of the Series 2013 B Bonds, if material;

11. rating changes;

12. bankruptcy, insolvency, receivership, or similar event of the City¹;

13. the consummation of a merger, consolidation or acquisition involving the City, or the sale of all or substantially all of the assets of the City, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its term, if material; and

14. appointment of a successor or additional trustee or the change of name of a trustee, if material.

(b) The Dissemination Agent shall, within one (1) Business Day of obtaining actual knowledge of the occurrence of any of the Listed Events contact the Disclosure Representative, inform such person of the event, and request that the City promptly notify the Dissemination Agent in writing whether or not to report the event pursuant to subsection (f).

(c) Whenever the City obtains knowledge of the occurrence of a Listed Event, classified under Section 5(a) (2), (7), (8), (10), (13) or (14), because of a notice from the Dissemination Agent pursuant to subsection (b) or otherwise, the City shall as soon as possible determine if such event would be material under applicable federal securities laws, in any event such determination must be made and submitted to the Dissemination Agent within two (2) business days.

(d) If the City determines that knowledge of the occurrence of any of the Listed Events, classified under Section 5(a) (2), (7), (8), (10), (13) or (14), would be material under applicable federal securities laws pursuant to subsection (b) or the City received notice of any Listed Event that does not require a finding of materiality classified under Section 5(a) (1), (3), (4), (5), (6), (9), (11) or (12), the City shall promptly file with the Dissemination Agent a notice of such occurrence to be provided to EMMA.

(e) If in response to a request under subsection (b), the City determines that the Listed Event, classified under Section 5(a) (2), (7), (8), (10), (13) or (14), would not be material under applicable federal securities laws, the City shall so notify the Dissemination

¹ For the purposes of the event identified in Section 5(a)(12) above, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

Agent in writing and instruct the Dissemination Agent not to report the occurrence pursuant to subsection (f).

(f) If the Dissemination Agent has been instructed by the City to report the occurrence of a Listed Event, the Dissemination Agent shall file a notice of such occurrence with EMMA with a copy to the City. The Dissemination Agent must file such notice with EMMA within ten (10) business days of the occurrence of such Listed Event.

SECTION 6. Termination of Reporting Obligation. The City's obligations under the Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. If such termination occurs prior to the final maturity of the Bonds, the City shall give notice of such termination in the same manner as for any of the Listed Events under Section 5(a).

SECTION 7. Dissemination Agent. United Bank, Inc., Charleston, West Virginia, is hereby appointed as Dissemination Agent. The City may, from time to time, appoint or engage an alternate or successor Dissemination Agent to assist it in carrying out its obligations under the Agreement, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the City pursuant to the Agreement.

SECTION 8. Amendment, Waiver. Notwithstanding any other provision of the Agreement, the City may amend the Agreement, and any provision of the Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4 or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the City with respect to the Series 2013 B Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Series 2013 B Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances, and

(c) The amendment or waiver either (i) is approved by the Holders of the Series 2013 B Bonds in the same manner as provided in the Ordinance for amendments to the Ordinance with the consent of Holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Holders or Beneficial Owners of the Series 2013 B Bonds.

In the event of any amendment or waiver of a provision of the Agreement, the City shall describe such amendment in the next Annual Financial Information and Audited Financial Statements, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the

City. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for any of the Listed Events under Section 5(a), and (ii) the Annual Financial Information and Audited Financial Statements for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

SECTION 9. Additional Information. Nothing in the Agreement shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in the Agreement or any other means of communication, or including any other information in any Annual Financial Information and Audited Financial Statements or notice of occurrence of any of the Listed Events, in addition to that which is required by the Agreement. If the City chooses to include any information in any Annual Financial Information and Audited Financial Statements or notice of occurrence of any of the Listed Events in addition to that which is specifically required by the Agreement, the City shall have no obligation under the Agreement to update such information or include it in any future Annual Financial Information and Audited Financial Statements or notice of occurrence of any of the Listed Events.

SECTION 10. Default. In the event of a failure of the City or Dissemination Agent to comply with any provision of the Agreement (and, at the request of the Original Purchaser), the Dissemination Agent may or any Holder or Beneficial Owner of the Series 2013 B Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the City or Dissemination Agent to comply with its obligations under the Agreement. A default under the Agreement shall not be deemed an Event of Default under the Ordinance, and the sole remedy under the Agreement in the event of any failure of the City or Dissemination Agent to comply with the Agreement shall be an action to compel performance.

SECTION 11. Duties, Immunities and Liabilities of Dissemination. The Dissemination Agent shall have only such duties as are specifically set forth in the Agreement, and the City agrees to the extent allowed by State law to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's gross negligence or willful misconduct. The obligations of the City under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Series 2013 B Bonds.

SECTION 12. Notices. Any notices or communications to or among any of the parties to the Agreement may be given as follows:

To the City:

City of Charles Town, West Virginia
101 East Washington Street
Charles Town, WV 25414

To the Dissemination Agent: United Bank, Inc.
500 Virginia Street, East
Charleston, WV 25301

Any person may, by written notice to the other persons listed above, designate a different address or telephone number(s) to which subsequent notices or communications should be sent.

SECTION 13. Beneficiaries. The Agreement shall inure solely to the benefit of the City, the Dissemination Agent, the Participating Underwriter and Holders and Beneficial Owners from time to time of the Series 2013 B Bonds, and shall create no rights in any other person or entity.

SECTION 14. Counterparts. The Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

SECTION 15. Fees. The City agrees to pay all fees and expenses of the Dissemination Agent including, without limitation, all reasonable expenses, charges, costs, attorney's fees and other disbursements in the administration and performance of the Dissemination Agent's duties.

SECTION 16. Right to Resign. The Dissemination Agent may resign at any time by providing thirty (30) days' written notice to the City.

SECTION 17. Right to Counsel. The Dissemination Agent shall have the right to consult with counsel in carrying out its duties under the Agreement and to rely upon an opinion of counsel.

IN WITNESS WHEREOF, the City and the Dissemination Agent have caused this Agreement to be executed by its duly authorized representatives, all as of the date first above written.

APPENDIX E

BOOK-ENTRY ONLY SYSTEM

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Series 2013 B Bonds. The Series 2013 B Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2013 B Bond certificate will be issued for each maturity of the Series 2013 B Bonds and in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC is a limited purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of bond certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation, and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC System is also available to others such as both U.S. and non-U.S. securities, brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a AA+ rating from S&P. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2013 B Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2013 B Bonds on DTC’s records. The ownership interest of each actual purchaser of each Series 2013 B Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2013 B Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2013 B Bonds, except in the event that use of the book-entry system for the 2013 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2013 B Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2013 B Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2013 B Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2013 B Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Redemption and other notices shall be sent to DTC. If less than all Series 2013 B Bonds of a maturity and series are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2013 B Bonds to be redeemed.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2013 B Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2013 B Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payments of principal of and interest on the Series 2013 B Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or the Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest on the Series 2013 B Bonds to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

THE CITY AND THE TRUSTEE WILL HAVE NO RESPONSIBILITY OR OBLIGATION TO THE DIRECT PARTICIPANTS, INDIRECT PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTE FOR SUCH DIRECT PARTICIPANTS, INDIRECT PARTICIPANTS, OR BENEFICIAL OWNERS. PAYMENTS MADE TO DTC

OR ITS NOMINEE SHALL SATISFY THE CITY'S OBLIGATION UNDER THE ORDINANCE TO THE EXTENT OF SUCH PAYMENTS.

SO LONG AS CEDE & CO., AS NOMINEE OF DTC, IS THE REGISTERED OWNER OF THE SERIES 2013 B BONDS, REFERENCES TO THE HOLDERS OF THE 2013 BONDS OR OWNERS OF THE SERIES 2013 B BONDS, SHALL MEAN CEDE & CO., AND SHALL NOT MEAN THE BENEFICIAL OWNERS.

In the event that either (a) the City receives notice from DTC to the effect that DTC is unable or unwilling to discharge its responsibilities as a clearing agency for the Series 2013 B Bonds or (b) the City elects to discontinue its use of DTC as a clearing agency for the Series 2013 B Bonds, then the City will do or perform or cause to be done or performed all acts or things, not adverse to the rights of the holders of the Series 2013 B Bonds, as are necessary or appropriate to discontinue use of DTC as a clearing agency for the Series 2013 B Bonds and to transfer the ownership of each of the 2013 Bonds to such person or persons, including any clearing agency, as provided in the Ordinance. Any expenses of such a discontinuation and transfer, including any expenses of printing new certificates to evidence the Series 2013 B Bonds, will be paid by the City.

According to DTC, the foregoing information with respect to DTC has been provided to the industry for informational purposes only and is not intended to serve as a representation, warranty or contract modification of any kind.

The information in this section concerning DTC and DTC's book-entry only system has been obtained from DTC. The City and the Underwriter take no responsibility for the accuracy thereof.

EXHIBIT A - FORM OF SERIES 2013 B Bond

CITY OF CHARLES TOWN, WEST VIRGINIA

AN ORDINANCE AUTHORIZING THE ACQUISITION AND CONSTRUCTION OF CERTAIN ADDITIONS, BETTERMENTS AND IMPROVEMENTS TO THE WATERWORKS AND SEWERAGE PORTIONS OF THE EXISTING COMBINED WATERWORKS AND SEWERAGE SYSTEM OF THE CITY OF CHARLES TOWN AND THE FINANCING OF THE COST THEREOF, NOT OTHERWISE PROVIDED, THROUGH THE ISSUANCE BY THE CITY OF NOT MORE THAN \$3,500,000 IN AGGREGATE PRINCIPAL AMOUNT OF COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 2013 B (TAX EXEMPT); PROVIDING FOR THE RIGHTS AND REMEDIES OF, AND THE SECURITY FOR, THE REGISTERED OWNERS OF SUCH BONDS; AUTHORIZING THE EXECUTION AND DELIVERY OF A BOND PURCHASE AGREEMENT, A CONTINUING DISCLOSURE AGREEMENT AND OTHER DOCUMENTS RELATING TO THE BONDS; AND ENACTING OTHER PROVISIONS WITH RESPECT TO SUCH BONDS.

WHEREAS, the City of Charles Town (the "Issuer" or the "City") presently owns and operates a public combined waterworks and sewerage system (the "System") and has heretofore financed the acquisition and construction of the System and certain additions, betterments and improvements thereto through the issuance of several series of bonds or refunding bonds, of which there are presently outstanding the Prior Bonds, as hereinafter defined.

WHEREAS, all of the Prior Bonds were issued pursuant to ordinances of the Issuer previously enacted (such ordinances, as so amended and supplemented, collectively herein called the "Prior Ordinances");

WHEREAS, under the provisions of Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "Act"), the Issuer is authorized and empowered to acquire, construct and operate extensions, additions, betterments and improvements for the System, consisting of the purchase of Willow Springs wastewater treatment plant, the acquisition and construction of the Tuscowilla Supplemental Environmental Project, the installation of generators at the Water Treatment Plant and River Intake and the Avis Street Water Tank painting project, and all necessary appurtenances (collectively, the "Project") (the existing public combined waterworks and sewerage system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System") in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer;

WHEREAS, the Issuer has determined, and does hereby affirm, that the acquisition and construction of certain extensions, additions, betterments and improvements to the waterworks and sewerage portions of the System, is necessary, appropriate, useful and desirable for the health, safety, and welfare of the inhabitants of the City and surrounding areas;

WHEREAS, the Issuer has determined that the aforementioned acquisition and construction of extensions, additions, betterments and improvements to the waterworks and sewerage portions of the System should be financed, as provided under the Act, in whole or in part, from the

proceeds of revenue bonds to be issued by the Issuer, to pay all or any portion of the costs thereof, and to enact this Ordinance and issue its Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax-Exempt) (the “Series 2013 B Bonds”), such Series 2013 B Bonds to be secured by and payable from the Gross Revenues of the System, and containing such other terms and provisions as are hereinafter provided, all in the manner set forth herein; and

WHEREAS, the Issuer has determined and hereby determines that it is in the best interest of the residents of the City that its Series 2013 B Bonds be sold to the Original Purchaser (as hereinafter defined) thereof pursuant to the terms and provisions of a bond purchase agreement, (the “Bond Purchase Agreement”) between the Issuer and the Original Purchaser.

NOW, THEREFORE, THE COUNCIL OF THE CITY OF CHARLES TOWN HEREBY ORDAINS:

ARTICLE I

DEFINITIONS, STATUTORY AUTHORITY AND FINDINGS

Section 1.01. Definitions. All capitalized terms used in this Ordinance and not otherwise defined in the recitals hereto shall have the meanings specified below, unless the context expressly requires otherwise:

“Act” means Chapter 8, Article 20 of the West Virginia Code of 1931, as amended and in effect on the Closing Date for the Series 2013 B Bonds.

“Authorized Newspaper” means a financial journal or newspaper of general circulation in the City of New York, New York, printed in the English language and customarily published on each business day of the Registrar, whether or not published on Saturdays, Sundays or legal holidays, and so long as so published, shall include The Bond Buyer.

“Authorized Officer” means the Mayor of the Issuer or any other officer of the Issuer specifically designated by resolution of the Council of the Issuer.

“Bond Commission” means the West Virginia Municipal Bond Commission or any other agency of the State of West Virginia which succeeds to the functions of the Bond Commission.

“Bond Counsel” means any law firm having a national reputation in the field of municipal law whose opinions are generally accepted by purchasers of municipal bonds, appointed by the Issuer, and shall initially mean Steptoe & Johnson PLLC, Charleston, West Virginia.

“Bondholder,” “Holder,” “Holder of the Bonds,” “Owner of the Bonds,” “Registered Owner,” or any similar term means any person who shall be the registered owner of any outstanding Bond.

“Bond Insurer” means any entity which shall insure all or any portion of the payment of principal of and interest on the Bonds, and with respect to the Series 2013 B Bonds shall initially mean the bond insurer or bond insurers, if any, named in the Supplemental Resolution.

“Bond Purchase Agreement” means the Bond Purchase Agreement between the Issuer and the Original Purchaser relating to the sale and purchase of the Series 2013 B Bonds.

“Bond Register” means the books of the Issuer maintained by the Registrar for the registration and transfer of the Series 2013 B Bonds.

“Bond Year” means with respect to each series of the Series 2013 B Bonds the 12 month period beginning on the anniversary of the Closing Date in each year and ending on the day prior to the anniversary date of the Closing Date in the following year, except that the first Bond Year shall begin on the Closing Date.

“Bonds” means, collectively, the Series 2013 B Bonds, the Prior Bonds and any additional parity Bonds hereafter issued within the terms, restrictions and conditions contained herein.

“Business Day” means any day other than a Saturday, Sunday or a day on which national banking associations, West Virginia banking corporations or the New York Stock Exchange are authorized by law to remain closed.

“Certificate of Authentication and Registration” means the Certificate of Authentication and Registration on the Series 2013 B Bonds in substantially the form set forth in EXHIBIT A – FORM OF SERIES 2013 B Bond hereto.

“City” or “Issuer” means the City of Charles Town, a municipal corporation and political subdivision of the State of West Virginia, in Jefferson County thereof, and, where appropriate, the Council, and any successor thereto.

"City Council" or "Council" means the City Council of the Issuer or any other governing body of the Issuer that succeeds to the functions of the Council as presently constituted.

"City Manager" means the City Manager of the Issuer.

“Clerk” or “City Clerk” means the City Clerk of the Issuer.

“Closing Date” means the date upon which there is an exchange of the Bonds for the proceeds representing the original purchase price thereof.

“Code” shall mean the Internal Revenue Code of 1986, as amended and supplemented from time to time, and Regulations thereunder and such guidance with respect thereto as may be issued by the Internal Revenue Service or Department of the Treasury from time to time.

“Connection Fees” means the fees, if any, paid by customers of the System in order to connect thereto.

“Consulting Engineers” means Rummel, Klepper & Kahl, LLP, Keyser, West Virginia, or any independent qualified engineer or engineers or firm or firms of engineers that shall at any time now or hereafter be retained by the Issuer as Consulting Engineers for the System, or portion thereof.

"Continuing Disclosure Agreement" means the agreement delivered by the Issuer to disseminate annual financial information and material event disclosures as required by Rule 15c2-12.

“Costs” or similar terms means all those costs now or hereafter permitted by the Act to be financed with bonds issued pursuant hereto, including, without limitation those costs set forth in Section 1.02C.

“Debt Service” with reference to a specified period, means the amount of principal, including any sinking fund payments, and interest payable with respect to the Bonds during such period.

“Depository Bank” means the bank or banks to be designated as such in the Supplemental Resolution, and any other bank or national banking association located in the State of West Virginia, eligible under the laws of the State of West Virginia to receive deposits of state and municipal funds and insured by the FDIC that may hereafter be appointed by the Issuer as Depository Bank.

“DTC” means The Depository Trust Company, New York, New York, or its successor thereof.

“DTC-eligible” means, with respect to the Series 2013 B Bonds, meeting the qualifications prescribed by DTC.

“Event of Default” means any occurrence or event specified in Section 7.01 hereof.

“FDIC” means the Federal Deposit Insurance Corporation or any successor to the functions of the FDIC.

“Fiscal Year” means each 12-month period beginning on July 1 and ending on the succeeding June 30.

“Governing Body” means the City Council of the Issuer or any other governing body of the Issuer that succeeds to the functions of the City Council, as it may now or hereafter be constituted.

“Government Obligations” shall have the meaning set forth in the Supplemental Resolution.

“Gross Revenues” means the aggregate gross operating and non-operating revenues of the System and includes investment income, connection fees, disconnections fees, System use charges and fees, and all other items of income which have been established as reasonably anticipated annual income of the System, determined in accordance with generally accepted accounting principles, after deduction of prompt payment discounts, if any, and reasonable provision for uncollectible accounts, and includes any proceeds from the sale or other disposition of capital assets, but does not include any increase in the value of capital assets (including Qualified Investments).

“Independent Certified Public Accountant” means the West Virginia State Tax Department or any certified public accountant or firm of certified public accountants that shall at any time hereafter be retained by the Issuer to prepare an independent annual or special audit of the accounts of the System or for any purpose except keeping the accounts of said System in the normal operations of its business and affairs.

“Investment Property” means any security (as said term is defined in Section 165(g)(2)(A) or (B) of the Code), obligation, annuity contract, investment-type property or residential rental property for family units which is not located within the jurisdiction of the Issuer and which is not acquired to implement a court ordered or approved housing desegregation plan, excluding,

however, obligations the interest on which is excluded from gross income, under Section 103 of the Code, for federal income tax purposes other than specified private activity bonds as defined in Section 57(a)(5)(C) of the Code.

“Maximum Annual Debt Service” means, at the time of computation, the greatest amount of Debt Service required to be paid on the Bonds for the then current or any succeeding Fiscal Year.

“Mayor” means the Mayor of the Issuer.

“Municipal Bond Insurance Policy” means the municipal bond insurance policy, if any, issued by the Bond Insurer simultaneously with the delivery of the Series 2013 B Bonds insuring the timely payment of the principal of and interest on all or any of the Series 2013 B Bonds in accordance with the terms thereof.

“Net Proceeds” means the face amount of the Series 2013 B Bonds, plus accrued interest and premium, if any, less original issue discount, if any, on such issue, and less proceeds deposited in the Series 2013 B Bonds Reserve Account. For purposes of the Private Business Use limitations set forth herein, the term Net Proceeds shall include any amounts resulting from the investment of proceeds of the Series 2013 B Bonds, without regard to whether or not such investment is made in tax-exempt obligations.

“Net Revenues” means Gross Revenues less Operating Expenses.

“Nonpurpose Investment” means any Investment Property which is acquired with the gross proceeds of the Series 2013 B Bonds and is not acquired in order to carry out the governmental purpose of the Series 2013 B Bonds.

“Official Statement” means a document or set of documents prepared by an issuer of municipal securities or its representatives setting forth, among other matters, information concerning the Issuer of such municipal securities and the proposed issue of securities that is complete as of the date of delivery of the document or set of documents to the Original Purchaser.

“Operating Expenses” unless qualified, means the current expenses, paid or accrued, of repair, operation and maintenance of the System, and includes, without limiting the generality of the foregoing, administrative, engineering, legal, auditing and insurance expenses (other than those capitalized as part of the costs of any project relating to the acquisition or construction of additions, betterments or improvements for the System), supplies, labor, wages, the cost of materials and supplies used for current operations, fees and expenses of fiscal agents and of the Depository Bank, Registrar and Paying Agent or Paying Agents, payments to pension or retirement funds, taxes and such other reasonable operating costs and expenses as should normally and regularly be included under generally accepted accounting principles.

“Ordinance” or “Bond Ordinance” regardless of whether preceded by the article “the” or “this,” means this Ordinance, as it may hereafter from time to time be amended or supplemented, by ordinance or by resolution.

“Original Purchaser” means the investment banking firm or firms, bank or banks or such other entity or entities as shall purchase the Series 2013 B Bonds directly from the Issuer, as determined by the Supplemental Resolution.

“Outstanding” when used with reference to the Series 2013 B Bonds or the Prior Bonds and as of any particular date, describes all Bonds theretofore and thereupon being issued and delivered except (a) any Bond or Prior Bond canceled by the registrar for such Bond or Prior Bonds at or prior to said date; (b) any Bond or Prior Bonds for the payment of which monies, equal to its principal amount, with interest to the date of maturity, shall be held in trust under this Ordinance and set aside for such payment (whether upon or prior to maturity); (c) any Bond deemed to have been paid as provided by Section 9.01 hereof; and (d) with respect to determining the number or percentage of Bondholders or Bonds or Prior Bonds for the purpose of consents, notices and the like, any Bond registered to the Issuer. Notwithstanding the foregoing, in the event that a Bond Insurer has paid principal of and/or interest on any Bond or Prior Bond, such Bond or Prior Bond shall be deemed to be Outstanding until such time as such Bond Insurer has been reimbursed in full.

“Paying Agent” means, initially, the West Virginia Municipal Bond Commission and any other paying agent for the Series 2013 B Bonds which may be appointed by a resolution supplemental hereto, all in accordance with Section 8.12 hereof.

Section 1.02. Authority for this Ordinance. This Ordinance is enacted pursuant to the provisions of the Act and other applicable provisions of law.

Section 1.03. Findings. The Council hereby finds and determines as follows:

A. The Issuer is a municipal corporation and political subdivision of the State of West Virginia in Jefferson County of said State.

B. The Issuer presently owns and operates a public combined waterworks and sewerage system. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer, and for the improvement of the water environment of the Issuer, that there be acquired and constructed certain extensions, additions, betterments and improvements to the waterworks and sewerage portions of the existing public combined waterworks and sewerage system of the Issuer, consisting of the

Project, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. It is deemed necessary for the Issuer to issue its Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax Exempt), in the aggregate principal amount of not more than \$3,500,000 to permanently finance the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2013 B Bonds prior to and during acquisition or construction and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Series 2013 B Bonds Reserve Account; underwriter's discount, engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expense; commitment fees; premiums for municipal bond insurance, reserve account insurance or reserve account surety bonds; letter of credit fees; discount; initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2013 B Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; the acquisition and construction of the Project and the placing of same in operation; and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2013 B Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

D. The period of usefulness of the System after completion of the Project is not less than 30 years.

E. It is in the best interests of the Issuer that the Series 2013 B Bonds be sold to the Original Purchaser pursuant to the terms and provisions of a bond purchase agreement to be entered into by and between the Issuer and the Original Purchaser (the "Bond Purchase Agreement"), as shall be approved by the Supplemental Resolution of the Issuer.

F. The Issuer will have the following outstanding obligations which will rank on a parity with the Series 2013 B Bonds as to liens, pledge, source of and security for payment, being the Issuer's:

1. Combined Waterworks and Sewerage System Revenue Bonds, Series 1987 B, dated November 18, 1987, issued in the original aggregate principal amount of \$413,629 (the "Series 1987 B Bonds");

2. Combined Waterworks and Sewerage System Revenue Bonds, Series 1988 B-1, dated May 4, 1988, issued in the original aggregate principal amount of \$295,916 (the "Series 1988 B-1 Bonds");

3. Combined Waterworks and Sewerage System Revenue Bonds, Series 1988 B-2, dated May 20, 1988, issued in the original aggregate principal amount of \$558,000 (the "Series 1988 B-2 Bonds");

4. Combined Waterworks and Sewerage System Revenue Bonds, Series 1989 B, dated April 13, 1989, issued in the original aggregate principal amount of \$117,480 (the "Series 1989 B Bonds");

5. Combined Waterworks and Sewerage System Design Revenue Bonds, Series 1998 (West Virginia SRF Program), dated September 29, 1998, issued in the original aggregate principal amount of \$437,601 (the "Series 1998 Bonds");

The Series 1987 B Bonds, Series 1988 B-1 Bonds, Series 1988 B-2 Bonds, Series 1989 B Bonds, Series 1998 Bonds, Series 2000 A Bonds, Series 2002 A Bonds, Series 2002 B Bonds, Series 2002 C Bonds, Series 2003 A Bonds, Series 2005 A Bonds, Series 2006 A Bonds, Series 2006 B Bonds, Series 2009 A Bonds, Series 2010 A Bonds, Series 2010 B Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2011 A Bonds, Series 2011 B Bonds, Series 2012 A Bonds and Series 2013 A Bonds are hereinafter collectively called the "Prior Bonds." The ordinances which authorized the issuance of the Prior Bonds are herein collectively referred to as the "Prior Ordinances."

Prior to the issuance of the Series 2013 B Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consent of the Registered Owners of the Prior Bonds to the issuance of the Series 2013 B Bonds on a parity with such Prior Bonds if required by the Prior Ordinances. The Series 2002 C Bonds, Series 2003 A Bonds, Series 2005 A Bonds, Series 2006 A Bonds, Series 2006 B Bonds and Series 2009 A Bonds do not require consent.

Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

G. The Issuer intends to issue the Series 2013 B Bonds and to pledge for payment thereof, the Gross Revenues of the System, on a parity with each other and on a parity with such pledge in favor of the Holders of the Prior Bonds.

H. The estimated revenues to be derived in each year after the date hereof from the operation of the System will be sufficient, to provide for the repair, maintenance and operation of the System, the payment of interest upon the Series 2013 B Bonds, and the Prior Bonds and to create sinking funds, as hereinafter provided, to pay the principal on the Series 2013 B Bonds and the Prior Bonds as

and when it becomes due and reasonable reserves therefor, to provide an adequate renewal and replacement fund, as hereinafter provided, and to make all other payments provided for in this Ordinance and the Prior Ordinances.

I. It is in the best interests of the Issuer, and the residents thereof, that the Issuer issue the Series 2013 B Bonds, and secure the Series 2013 B Bonds by a pledge and assignment of the Gross Revenues derived from the operation of the System, the monies in the Series 2013 B Bonds Reserve Account, unexpended proceeds of the Series 2013 B Bonds and as further set forth herein.

J. The Series 2013 B Bonds and the Certificate of Authentication and Registration to be endorsed thereon are to be in substantially the forms set forth in EXHIBIT A – FORM OF SERIES 2013 B BOND attached hereto and incorporated herein by reference, with necessary and appropriate variations, omissions and insertions as permitted or required by this Ordinance or a Supplemental Resolution or as deemed necessary by the Registrar or the Issuer.

K. All things necessary to make the Series 2013 B Bonds, when authenticated by the Registrar and issued as in this Ordinance provided, the valid, binding and legal special obligations of the Issuer according to the import thereof, and to validly pledge and assign those funds pledged hereby to the payment of the principal of and interest on the Series 2013 B Bonds, will be timely done and duly performed.

L. The enactment of this Ordinance, the execution and issuance of the Series 2013 B Bonds, subject to the terms thereof, will not result in any breach of, or constitute a default under, any instrument to which the Issuer is a party or by which it may be bound or affected.

M. The Issuer has complied with all requirements of West Virginia law relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2013 B Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a certificate of convenience and necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the date of issuance of the Series 2013 B Bonds or such final order will not be subject to appeal or rehearing.

Section 1.04. Ordinance Constitutes Contract. In consideration of the acceptance of the Series 2013 B Bonds by those who shall own or hold the same from time to time, this Ordinance shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the legal Holders of any and all of such Bonds, all of which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bond, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

ARTICLE II

AUTHORIZATION OF ACQUISITION AND CONSTRUCTION OF THE PROJECT

Section 2.01. Authorization of Acquisition and Construction of the Project. There is hereby authorized and ordered the acquisition and construction of the Project, at an estimated cost of not more than \$3,500,000. The proceeds of the Series 2013 B Bonds hereby authorized shall be applied as

provided herein. The Series 2013 B Bonds are hereby authorized, to be issued in one or more series, in the aggregate principal amount of not more than \$3,500,000.

ARTICLE III

THE SERIES 2013 B BONDS

Section 3.01. Form and Payment of Bonds. No Series 2013 B Bond shall be issued pursuant to this Ordinance except as provided in this Article III. Any Series 2013 B Bonds issued pursuant to this Ordinance may be issued only as fully registered Series 2013 B Bonds, in the denomination of \$5,000 or any integral multiple thereof for any year of maturity. All Series 2013 B Bonds shall be dated as of the date provided in a Supplemental Resolution applicable to such series. All Series 2013 B Bonds shall bear interest from the interest payment date next preceding the date of authentication or, if authenticated after the Record Date but prior to the applicable interest payment date or on such interest payment date, from such interest payment date or, if no interest on such Series 2013 B Bonds has been paid, from the date thereof; provided however, that, if, as shown by the records of the Registrar, interest on such Series 2013 B Bonds shall be in default, Bonds issued in exchange for Series 2013 B Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the initial Series 2013 B Bonds surrendered.

The principal of and the premium, if any, on the Series 2013 B Bonds shall be payable in any coin or currency which, on the respective date of such payment, is legal tender for the payment of public and private debts under the laws of the United States of America upon surrender at the principal office of the Paying Agent. Interest on the Series 2013 B Bonds shall be paid by check or draft made payable and mailed to the Holder thereof at his address as it appears in the Bond Register at the close of business on the Record Date, or, if requested, in the case of a Registered Owner of \$1,000,000 or more of the Series 2013 B Bonds, by wire transfer to a domestic bank account specified in writing at least 5 days prior to such interest payment date by such Registered Owner.

In the event any Series 2013 B Bonds are redeemed in part, such bond shall be surrendered to and canceled by the Registrar, and the Issuer shall execute, and the Registrar shall authenticate and deliver to the Holder thereof, another Series 2013 B Bond in the principal amount of said Series 2013 B Bond then Outstanding.

Section 3.02. Execution of Bonds. The Series 2013 B Bonds shall be executed in the name of the Issuer by the Mayor, by his manual or facsimile signature, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the City Clerk by his or her manual or facsimile signature; provided, that, all such signatures and the seal may be by facsimile. In case any one or more of the officers who shall have signed or sealed any of the Series 2013 B Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2013 B Bonds shall be signed and sealed on behalf of the City by such person as at the actual time of the execution of such Bonds shall hold the proper office in the City, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Series 2013 B Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Ordinance unless and until the Certificate of Authentication and Registration on such Series 2013 B Bond, substantially in the form set

forth in EXHIBIT A – FORM OF SERIES 2013 B Bond attached hereto and incorporated herein by reference with respect to the Series 2013 B Bonds, shall have been duly manually executed by the Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Series 2013 B Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Ordinance. The Certificate of Authentication and Registration on any Series 2013 B Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2013 B Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Series 2013 B Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder, in accepting any of said Bonds, shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2013 B Bonds remain Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Series 2013 B Bonds. The Series 2013 B Bonds shall be transferable only by transfer of registration upon the Bond Register by the registered owner thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or such duly authorized attorney or legal representative. Upon transfer of a Series 2013 B Bond, there shall be issued at the option of the Holder or the transferee another Bond or Bonds of the aggregate principal amount equal to the unpaid amount of the transferred Bond and of the same series, interest rate and maturity of said transferred Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the registered owner or his attorney or legal representative duly authorized in writing, Series 2013 B Bonds may at the option of the Holder thereof be exchanged for an equal aggregate principal amount of Bonds of the same series, maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Series 2013 B Bond is exercised, Bonds shall be delivered in accordance with the provisions of this Ordinance. All Series 2013 B Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Series 2013 B Bonds, the initial exchange of Bonds and exchanges of Bonds in the event of partial redemption of fully registered Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2013 B Bonds, the Registrar may impose a service charge. For every such transfer or exchange of Series 2013 B Bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2013 B Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2013 B Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Bond of like series, maturity and principal

amount as the Bond, so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing the Issuer and the Registrar proof of his ownership thereof and that said Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Bondholder listed in the Bond Register shall constitute proof of ownership. All Series 2013 B Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Bonds be at any time found by any one, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the Revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued as part of the Series 2013 B Bonds pursuant to this Ordinance, the following provisions shall apply:

1. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2013 B Bonds Redemption Account in accordance with Subsection 4.03(A)(1) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/12th of the amount (or, if the Series 2013 B Bonds mature semiannually rather than annually, that month which is 6 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/6th of the amount) required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with respect to a series of Bonds shall be set forth in the Supplemental Resolution relating thereto.

2. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

3. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

4. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the monies in the Series 2013 B Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

5. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Series 2013 B Bonds Sinking Fund), as will exhaust as nearly as practicable such Series 2013 B Bonds Redemption Account payment designated to be made in accordance with paragraph (A)(1) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of \$5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Series 2013 B Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the applicable Bond Insurer, if any, the Original Purchaser, and the registered owner of the Series 2013 B Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

So long as DTC (as CEDE & CO.) is the registered Owner of the Series 2013 B Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice.

All official notices of redemption shall be dated and shall state:

- (1) The Redemption Date,
- (2) The Redemption Price,
- (3) If less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,
- (5) The place where such Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar, and
- (6) Such other information, if any, as shall be required for DTC-Eligible Bonds.

If funds sufficient to redeem all Series 2013 B Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such

notice shall also state that such optional redemption is subject to the deposit of such monies with the Paying Agent on or before the Redemption Date. If such monies are not so deposited, the Registrar shall notify all holders of Series 2013 B Bonds called for redemption of such fact.

Official notice of redemption having been given as aforesaid, the Series 2013 B Bonds, or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Series 2013 B Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal of such Bond. All Series 2013 B Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2013 B Bonds, and failure to mail such notice shall not affect the validity of proceedings for the redemption of any portion of Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on, such Bond and (except as provided in Section 6.18) for all other purposes, whether or not such Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Ordinance. Upon the presentation and surrender of any Bond or Bonds in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefor, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefor to the Holder of such Bond in temporary form.

Section 3.10. Series 2013 B Bonds. For the purposes of paying a portion of the costs of acquisition and construction of improvements and betterments to the waterworks and sewerage portions of the System, paying capitalized interest, if any, funding the Series 2013 B Bonds Reserve Account and paying costs in connection therewith, there shall be issued the Series 2013 B Bonds of the Issuer, in one or more series, in an aggregate principal amount of not more than \$3,500,000. Said Series 2013 B Bonds shall be designated "Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax Exempt)" or such other designation as may be appropriate for the year and sequence of the issue, as may be set forth in a Supplemental Resolution, and shall be issued in fully registered form, in the denomination of \$5,000 or any integral multiple thereof for any period of maturity, not exceeding the aggregate principal amount of Series 2013 B Bonds maturing in the period of maturity for which the denomination is to be specified. The Series 2013 B Bonds shall be numbered from BR-1 consecutively upward. The Series 2013 B Bonds shall be dated; shall be in such aggregate principal amount (not to exceed \$3,500,000); shall bear interest at such rate or rates, not exceeding the then legally permissible

rate (not to exceed 6%), payable semiannually on such dates; shall mature on such dates (which may be annual or semi-annual) (not to exceed 30 years) and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Series 2013 B Bonds. A. The Series 2013 B Bonds shall each initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2013 B Bonds of each maturity, registered in the name of CEDE & CO., as nominee of DTC. Except as provided in paragraph E below, all of the Series 2013 B Bonds shall be registered in the registration books kept by the Registrar in the name of CEDE & CO., as nominee of DTC; provided that if DTC shall request that the Series 2013 B Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Series 2013 B Bonds registered in the name of such nominee or nominees. No person other than DTC or its nominee shall be entitled to receive from the Issuer or the Registrar either a Series 2013 B Bond or any other evidence of ownership of the Series 2013 B Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Series 2013 B Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry system as provided in paragraph E below.

B. At or prior to settlement for the Series 2013 B Bonds, the Issuer and the Registrar shall execute or signify their approval of a representation letter addressed to DTC in a form satisfactory to DTC (the "Representation Letter"). Any successor Registrar shall, in its written acceptance of its duties under this Ordinance, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Series 2013 B Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Series 2013 B Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in New York Clearing House or equivalent next day funds on the dates provided for such payments to be made to any Bondholder under this Ordinance. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Issuer and the Registrar with respect to the principal or Redemption Price of or interest on the Series 2013 B Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Series 2013 B Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Series 2013 B Bonds so redeemed, but DTC may retain such Series 2013 B Bonds and make an appropriate notation on the Series 2013 B Bonds certificate as to the amount of such partial redemption; provided that DTC shall deliver to the Registrar, upon request, a written confirmation of such partial redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Series 2013 B Bonds of such maturity which have been redeemed.

D. The Issuer, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Series 2013 B Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Series 2013 B Bonds, selecting the Series 2013 B Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under this Ordinance, registering the transfer of Series 2013 B Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Issuer nor the Registrar shall be affected by any notice to the contrary. Neither the Issuer nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Series 2013 B Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books

of the Registrar as being a Bondholder with respect to (i) the Series 2013 B Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2013 B Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Ordinance, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Series 2013 B Bonds, or (vi) any consent given or other action taken by DTC as Bondholder.

E. The book entry system for registration of the ownership of the Series 2013 B Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Series 2013 B Bonds; or (ii) the Issuer determines that continuation of the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Series 2013 B Bonds. In either of such events (unless in the case described in clause (iii) above, the Issuer appoints a successor securities depository), the Series 2013 B Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer or the Registrar for the accuracy of such designation. Whenever DTC requests the Issuer and the Registrar to do so, the Issuer and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 2013 B Bonds.

Section 3.12. Delivery of Series 2013 B Bonds. The Issuer shall execute and deliver the Series 2013 B Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2013 B Bonds to the Original Purchaser upon receipt of the documents set forth below:

- (1) If not registered in the name of DTC or its nominee, a list of the names in which the Series 2013 B Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;
- (2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2013 B Bonds to DTC for the benefit of the Original Purchaser;
- (3) Copies, certified by the City Clerk, of this Ordinance and the Supplemental Resolution;
- (4) The unqualified approving opinion upon the Series 2013 B Bonds by Bond Counsel; and
- (5) Such other opinions, certificates and documents as shall be reasonably requested by the Original Purchaser.

Section 3.13. Form of Series 2013 B Bonds. The definitive Series 2013 B Bonds shall be in substantially the form set forth in EXHIBIT A – FORM OF SERIES 2013 B BOND attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 2013 B Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series 2013 B Bonds shall have the form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Series 2013 B Bonds. Upon the issuance and delivery of the Series 2013 B Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

1. All interest accrued, if any, on the Series 2013 B Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 2013 B Bonds Sinking Fund and applied to payment of interest on the Series 2013 B Bonds at the first interest payment date.

2. An amount of the proceeds of the Series 2013 B Bonds equal to the amount, if any, set forth in the Supplemental Resolution shall be remitted to the Bond Commission for deposit in the Series 2013 B Bonds Reserve Account, provided that, to the extent the Series 2013 B Bonds Reserve Requirement is satisfied in whole or in part from a reserve account letter of credit, surety bond or other credit facility, proceeds of the Series 2013 B Bonds shall be deposited in the Series 2013 B Bonds Reserve Account only to the extent needed to satisfy the balance of the Series 2013 B Bonds Reserve Requirement.

3. The amount of Series 2013 B Bond proceeds which, together with other monies or securities deposited therein shall be equal to the Costs of Issuance of the Series 2013 B Bonds shall be deposited with the Depository Bank in the Series 2013 B Bonds Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Series 2013 B Bonds at the written direction of the Issuer. Monies not to be applied immediately to pay such costs of issuance may be invested in accordance with this Ordinance, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 120 days following the Closing Date for the Series 2013 B Bonds, such unapplied proceeds shall be transferred by the Issuer to the Series 2013 B Bonds Sinking Fund established in Section 4.01 hereof and applied to the next ensuing payment of interest on the Series 2013 B Bonds. All such proceeds shall constitute a trust fund for such purposes, and there hereby is created a lien upon such monies until so applied in favor of the Holders of the Series 2013 B Bonds from which such proceeds are derived.

4. The balance of Series 2013 B Bonds proceeds, if any, shall be deposited in the Series 2013 B Bonds Construction Fund and disbursed as provided in Section 3.15 hereof.

Section 3.15. Disbursements from the Series 2013 B Bonds Construction Fund. Disbursements from the Series 2013 B Bonds Construction Fund, except for payment of Costs of Issuance of the Series 2013 B Bonds in excess of the monies available in the Costs of Issuance Fund which shall be made upon request of the Issuer, shall be made only for acquisition and construction of the Project, including all necessary engineering and other professional services relating thereto. Pending such application, monies in the Series 2013 B Bonds Construction Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

- (45) Series 2013 B Bonds Sinking Fund; and
- (46) Series 2013 B Bonds Reserve Account.

Section 4.03. System Revenues and Application Thereof. So long as any of the Series 2013 B Bonds shall be Outstanding and unpaid, the Issuer covenants as follows:

A. The entire Gross Revenues derived from the operation of the System and all parts thereof shall be deposited by the Issuer in the Revenue Fund. The Revenue Fund shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. All Revenues at any time remaining on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first, each month on or before the due date, transfer from the Revenue Fund and simultaneously remit to the Commission (i) the amounts required to be paid by Prior Ordinances for the interest on the Series 1998 Bonds, Series 2000 A Bonds, Series 2002 A Bonds, Series 2002 C Bonds, Series 2003 A Bonds, Series 2005 A Bonds, Series 2006 A Bonds, Series 2006 B Bonds, Series 2009 A Bonds, Series 2010 A Bonds, Series 2010 B Bonds and Series 2013 A Bonds; and (ii) beginning on the first day of that month which is 6 months prior to the first interest payment date on the Series 2013 B Bonds, apportion and set apart out of the Revenue Fund and deposit in the Series 2013 B Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on said Series 2013 B Bonds on the next ensuing semiannual interest payment date, provided, that in the event the period to elapse between the date of such initial deposit in the Series 2013 B Bonds Sinking Fund and the next ensuing semiannual interest payment date is less than or greater than 6 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date, and provided further, that the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2013 B Bonds Sinking Fund shall be reduced by the amount of accrued interest, if any, on the Series 2013 B Bonds deposited therein and subsequent amounts required to be transferred from the Revenue Fund and deposited in the Series 2013 B Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Series 2013 B Bonds Sinking Fund;

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously remit to the Commission (i) the amounts required by the Prior Ordinances to pay principal on the Prior Bonds; and (ii) for deposit in the Series 2013 B Bonds Sinking Fund (and in the Series 2013 B Bonds Redemption Account therein in the case of Term Bonds which are to be redeemed) on the first day of each month, beginning on the first day of that month which is 12 months prior to the first principal payment or mandatory Redemption Date of the Series 2013 B Bonds, a sum equal to 1/12th

of the amount (or 1/6th of the amount if the Series 2013 B Bonds mature semiannually rather than annually) of principal which will mature or be redeemed and become due on the Series 2013 B Bonds on the next ensuing principal payment or mandatory Redemption Date, provided, that in the event the period to elapse between the date of such initial deposit in the Series 2013 B Bonds Sinking Fund and the next ensuing principal payment or mandatory Redemption Date is less than or greater than 12 months (or 6 months if the Series 2013 B Bonds mature semiannually rather than annually), then such monthly payments shall be increased or decreased proportionately to provide, one month prior to the next ensuing principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2013 B Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously remit to the Commission (i) the amounts required by the Prior Ordinances to be deposited in the Prior Bonds Reserve Accounts; and (ii) commencing 13 months prior to the first date of payment of principal of the Series 2013 B Bonds or upon completion of construction of the Project, whichever is earlier, if not fully funded upon issuance of the Series 2013 B Bonds, for deposit in the Series 2013 B Bonds Reserve Account, an amount equal to 1/120th of the Series 2013 B Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2013 B Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2013 B Bonds Reserve Requirement; provided further, that if the amounts in the Series 2013 B Bonds Reserve Account, as a result of a decrease in value of the Series 2013 B Bonds Reserve Account below the Series 2013 B Bonds Reserve Account Requirement or any withdrawal from the Series 2013 B Bonds Reserve Account, the Issuer shall apply such monies for deposit into the Series 2013 B Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2013 B Bonds Reserve Account results in a determination that the amount of monies and the value of the Qualified Investments deposited to the credit of the Series 2013 B Bonds Reserve Account is less than the Series 2013 B Bonds Reserve Account Requirement, or (b) any amount is withdrawn from the Series 2013 B Bonds Reserve Account for deposit into the Series 2013 B Bonds Sinking Fund. To the extent Gross Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of monies on deposit in the Series 2013 B Bonds Reserve Account to an amount equal to the Series 2013 B Bonds Reserve Account Requirement to the full extent that such Gross Revenues are available; provided, however, that if the shortfall in the Series 2013 B Bonds Reserve Account is due to a decrease in the value of investments therein, such shortfall shall be replenished by not less than 4 equal monthly payments, and if such shortfall is due to a withdrawal from the Series 2013 B Bonds Reserve Account, such shortfall shall be replenished by not less than 12 equal monthly payments, and provided further, that no payments shall be required to be made into the Series 2013 B Bonds Reserve Account whenever and as long as the amount deposited therein shall be equal to the Series 2013 Reserve Account Requirement.

Amounts in the Series 2013 B Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2013 B Bonds when due, when amounts in the Series 2013 B Bonds Sinking Fund are insufficient therefor and for no other purpose.

(4) The Issuer shall next, each month, pay from the Revenue Fund the current Operating Expenses of the System.

(5) The Issuer shall next, on the first day of each month, transfer from the monies remaining in the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund (as previously set forth in the Prior Ordinances and not in addition thereto), a sum equal to 2 1/2% of the

Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Subject to the restrictions contained in the Prior Ordinances, so long as the Prior Bonds are outstanding, withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, or improvements or extensions to the System; provided, that any deficiency in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof, shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by the Act, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the System.

B. The Bond Commission is hereby designated as the fiscal agent for the administration of the Series 2013 B Bonds Sinking Fund created hereunder, and all amounts required for said Sinking Fund shall be remitted to the Bond Commission from said Revenue Fund and from the proceeds of the sale of the Series 2013 B Bonds, by the Issuer at the times and as otherwise provided herein. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited.

C. The monies on deposit in the Revenue Fund and the Renewal and Replacement Fund in excess of the sum insured by the FDIC shall at all times be secured, to the full extent thereof in excess of such insured sum, by Government Obligations or by other Qualified Investments as shall be eligible as security for deposits of municipal funds under the laws of the State.

D. Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds and the Series 2013 B Bonds, all in accordance with the respective principal amounts then Outstanding.

ARTICLE V

INVESTMENTS; NON-ARBITRAGE; REBATES AND CONTINUING DISCLOSURE

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any monies held as a part of the funds and accounts created by this Ordinance in Qualified Investments to the fullest extent possible under applicable laws, this Ordinance, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the

cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section (unless otherwise required by the Bond Insurer, if any, and as set forth in the Supplemental Resolution):

(A) Qualified Investments acquired for the Series 2013 B Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to, annually transfer from the Series 2013 B Bonds Reserve Account to the Series 2013 B Bonds Sinking Fund any earnings on the monies deposited therein and any other funds in excess of the Series 2013 B Bonds Reserve Requirement, provided, however, that there shall at all times remain on deposit in the Series 2013 B Bonds Reserve Account an amount at least equal to the Series 2013 B Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2013 B Bonds Reserve Account, whereupon it shall be valued immediately after such withdrawal. If amounts on deposit in the Series 2013 B Bonds Reserve Account shall, at any time, be less than the applicable Series 2013 B Bonds Reserve Requirement, the applicable Bond Insurer, if any, shall be notified immediately of such deficiency, and such deficiency shall be made up from the first available Gross Revenues after required deposits to the Sinking Fund and otherwise in accordance with Section 4.03.

(D) All amounts representing accrued and capitalized interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 2013 B Bonds, as appropriate, and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all monies deposited in the Series 2013 B Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Board of Treasury Investments pursuant to Chapter 12, Article 6C of the Code of West Virginia, 1931, as amended.

Section 5.02. Continuing Disclosure Agreement. The Issuer shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser, the form of which shall be approved by the Supplemental Resolution, sufficient to ensure compliance with Rule 15c2-12, as it may be amended from time to time, and the Issuer hereby instructs the Mayor and Clerk to take all actions necessary for the Issuer to comply with the continuing disclosure agreement.

Section 5.03. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2013 B Bonds which would cause the Series 2013 B Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2013 B

Bonds) so that the interest on the Series 2013 B Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.04. Tax Certificate, Rebates, and Rebate Fund. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by Bond Counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of any series of Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2013 B Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Ordinance.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be in time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefore. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2013 B Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Ordinance, the Issuer hereby covenants and agrees with the Holders of the Series 2013 B Bonds, as

hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2013 B Bonds or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Series 2013 B Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the Gross Revenues of the System, the monies in the Series 2013 B Bonds Sinking Fund and all accounts therein, the unexpended proceeds of the Series 2013 B Bonds or money in the Series 2013 B Bonds Construction Fund, if any, all as herein provided. No Holder or Holders of any Series 2013 B Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer to pay said Series 2013 B Bonds or the interest thereon.

Section 6.03. Bonds Secured by Pledge of Gross Revenues and Monies in Sinking Fund. The payment of the debt service of all of the Series 2013 B Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Gross Revenues derived from the operation of the System on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds and, in the instance of the Series 2013 B Bonds, all monies and securities in the Series 2013 B Bonds Sinking Fund, including the Series 2013 B Bonds Reserve Account therein to the extent necessary to make the payments required under Section 4.03. The Gross Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Series 2013 B Bonds herein authorized, to make the payments into the Series 2013 B Bonds Sinking Fund, all monies and securities in the Series 2013 B Bonds Sinking Fund, the Series 2013 B Bonds Reserve Account and all other payments provided for in this Ordinance, are hereby irrevocably pledged in the manner provided in this Ordinance to the payment of the principal of and interest on the Prior Bonds and the Series 2013 B Bonds herein authorized as the same become due and for the other purposes provided in this Ordinance.

Section 6.04. Rates. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the Bond Purchase Agreement and the Issuer shall supply a certificate of Certified Public Accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the water rate ordinance of the Issuer enacted on April 15, 2008 and the sewer rate ordinances of the Issuer enacted August 17, 2009 and December 7, 2009 as amended by Recommended Decision dated June 18, 2010, which became Final Order on July 8, 2010 in Case No. 10-0070-S-MA and Case No. 09-1562-S-MA of the Public Service Commission of West Virginia, which rates are incorporated herein by reference as a part hereof.

So long as the Series 2013 B Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Ordinance and in compliance with this Ordinance. In the event the schedule of rates and charges initially established for the System in connection with the Series 2013 B Bonds shall prove to be insufficient to produce the required sums set forth in this Ordinance, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Ordinance.

Prior to the issuance of the Series 2013 B Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a

copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the City Clerk of the Issuer, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that (a) so long as the Prior Bonds are outstanding, the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, to provide a rate coverage equal to the highest rate coverage required by either (a) the Prior Ordinances or (b) this Ordinance, as set forth below, and thereafter, sufficient, together with other revenues of the System, to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2013 B Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with, or subordinate to, the Series 2013 B Bonds including the Prior Bonds.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 90 days following a determination of the Independent Certified Public Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 6.05. Completion of Project; Operation and Maintenance. The Issuer will complete the Project as promptly as possible. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the revenues of said System in the manner provided in this Ordinance.

The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia necessary for the acquisition and construction of the Project and the operation of the System.

Section 6.06. Sale of the System. So long as the Prior Bonds are Outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, except as provided by the Prior Ordinances. Additionally, so long as the Series 2013 B Bonds are Outstanding, the System may be sold, mortgaged, leased or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to defease the pledge created by this Ordinance as provided by Section 9.01. The proceeds from such sale, mortgage, lease or other disposition of the System shall be immediately remitted to the Bond Commission for deposit in the Series 2013 B Bonds Sinking Fund, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the Gross Revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of \$500,000, the Issuer may provide for the sale of such property. If the amount

to be received from such sale, lease or other disposition of said property shall be in excess of \$500,000 but not in excess of \$5,000,000 the Issuer shall first, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property not in excess of \$5,000,000, shall be deposited by the Issuer into the Renewal and Replacement Fund.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of \$5,000,000 and insufficient to defease the pledge created by this Ordinance, as provided by Section 9.01, without the prior approval and consent in writing of any applicable Bond Insurer, if any, and the Holders, or their duly authorized representatives, of 51% in amount of Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the Bond Insurer, if any, and the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any other obligations whatsoever, except Additional Parity Bonds provided for in Section 6.08 hereof, payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from the Gross Revenues with the Series 2013 B Bonds; and all obligations hereafter issued by the Issuer payable from the revenues of the System, except such Additional Parity Bonds, shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such revenues and in all other respects to the Series 2013 B Bonds.

The Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to such Additional Parity Bonds, being on a parity with the lien of the Series 2013 B Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2013 B Bonds and the interest thereon in this Ordinance or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable.

No such additional Parity Bonds shall be issued except for the purposes of financing the costs of the design, acquisition and construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto, or to pay claims which may exist against the revenues or facilities of the System or all of such purposes.

So long as the Series 2013 B Bonds are outstanding, no Parity Bonds shall be issued at any time, however, unless and until there has been procured a written statement by Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustment hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall be not less than 115%, of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding;

(2) Any additional Parity Bonds theretofore issued pursuant to the provisions contained in the Prior Ordinances and this Ordinance then Outstanding; and

(3) The additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which has expired (without successful appeal) prior to the issuance of such Parity Bonds.

All covenants and other provisions of this Ordinance (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such Parity Bonds, in addition to the payments required for the Bonds theretofore issued pursuant to this Ordinance.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to the lien on and source of and security for payment from such revenues, with the Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Ordinance and the Prior Ordinances with respect to the Bonds then Outstanding, and any other payments provided for in this Ordinance and the Prior Ordinances, shall have been made in full as required to the date of issuance of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Ordinance and the Prior Ordinances.

Provided, however, that if the most recent audit by an independent certified public accountant for the Issuer states that the Issuer was not in compliance with the rate covenant in Section 6.04 of this Ordinance for the year being audited and the Issuer has, as required by Section 6.04, filed a petition with the Public Service Commission of West Virginia seeking a rate increase sufficient to comply with Section 6.04, such statement in the most recent audit shall not be considered a violation of the

covenants, agreements and terms of this Ordinance, so as to prevent the Issuer from issuing additional Parity Bonds under this Section 6.08.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2013 B Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance and bonds and workers' compensation coverage with a reputable insurance carrier or carriers or bonding company or companies rated at least "A" by Standard & Poor's Corporation covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the greater of the fair appraised value or the original cost thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damages or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than is customarily carried by municipalities of equivalent size with respect to works and properties similar to the System to protect the Issuer from claims for bodily injury and/or death and from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System, provided that, the Issuer, with the review of an insurance consultant and the concurrence of the Issuer, may elect to self-insure, so long as the following requirements are met:

(i) The self-insurance program has been reviewed by an insurance consultant;

(ii) The self-insurance program includes an actuarially sound claims reserve fund out of which each self-insured claim shall be paid; the adequacy of such fund shall be evaluated on an annual basis by an insurance consultant; and any deficiencies in any self-insured claims reserve fund will be remedied in accordance with the recommendation of the insurance consultant;

(iii) The self-insured claims reserve fund shall be held in the United States of America in a separate trust fund by an independent corporate trustee; and

(iv) In the event the current funding of the self-insurance program shall be discontinued, the actuarial soundness of its claims reserve fund, as determined by an insurance consultant, shall be maintained.

If the Issuer determines in good faith that any required insurance is not commercially available at a reasonable cost with reasonable terms, it shall engage an insurance consultant to verify the determination and to make recommendations regarding the types, amounts and provisions of any such insurance that should be purchased or funded by the Issuer, taking into consideration the costs and practices of other municipal water and sewer systems of similar size and type in the State to the extent that such information is available. The Issuer may, upon resolution adopted in good faith and upon the recommendations of the insurance consultant, adopt alternate or supplemental risk management programs which the Issuer determines to be reasonable, including the right to self-insure and participate in captive insurance companies.

C. WORKERS' COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Issuer and such payment bonds will be filed with the Clerk of the County Commission of Jefferson County prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such workers' compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project.

Section 6.10. Services Rendered to the Issuer. The Issuer will not render or cause to be rendered any free services of any nature by its System; and, in the event the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.11. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service

Commission of West Virginia, all delinquent rates, rentals and other charges, if not paid, shall become a lien on the premises served by the System. The Issuer further covenants and agree that it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System to all delinquent users of services and facilities of the System and will not restore such services of the System until all billing for charges for the services and facilities of the System, including penalties and reconnect fees, have been fully paid, or a payment agreement in compliance with the West Virginia Public Service Commission regulations has been entered.

Section 6.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.13. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Series 2013 B Bond, shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as it shall direct.

The Issuer shall file with the Original Purchaser and any Bond Insurer, and shall mail to any Bondholder requesting the same, an annual report within 30 days following the date of receipt of the final audit containing a balance sheet, statement of revenues, expenses, and changes in retained earnings, and statement of cash flows, as prescribed by generally accepted accounting principles.

The Issuer shall also file with the Original Purchaser and any Bond Insurer, and mail to any Bondholder requesting the same, a monthly unaudited report within 30 days following the end of each month containing the following:

(A) A statement of Gross Revenues, Operating Expenses, and Net Revenues derived from the System; and

(B) A statement of account balances in the Sinking Fund accounts provided for in this Ordinance and status of said funds.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by an Independent Accountant, shall mail upon request, and make available generally, the report of said Independent Certified Public Accountant, or a summary thereof, to any Holder or Holders of Series 2013 B Bonds issued pursuant to this Ordinance and shall file said report with the Original Purchaser.

Section 6.14. Operating Budget. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, or at such earlier date required by the charter of the Issuer, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. The Issuer shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Original Purchaser and to any Bondholder or anyone acting for and in behalf of such Bondholder who requests the same.

Section 6.15. Mandatory Connections. The mandatory use of the sewerage portion of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer, and in order to assure the rendering harmless of sewage and waterborne waste matter produced or arising within the territory served by the sewerage portion of the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sewerage portion of the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building and every such owner, tenant or occupant shall, after a 30 day notice of the availability of sewerage services of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or waterborne waste matter and which is not so connected with the sewerage portion of the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the residents of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.16. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2013 B Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon the issuance of the Series 2013 B Bonds and shall be on a parity with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 6.17. Covenants Regarding the Municipal Bond Insurance Policy. The Issuer may obtain a Municipal Bond Insurance Policy for the Series 2013 B Bonds. In the event such Municipal Bond Insurance Policy is obtained, certain additional covenants of the Issuer will be required by the Bond Insurer as a condition to insuring the Series 2013 B Bonds. These additional covenants shall be set forth in full in the Supplemental Resolution, shall apply to the Series 2013 B Bonds and any other Bonds which may be insured by such Bond Insurer, and shall be controlling in the event any other provisions of this Ordinance may be in conflict therewith.

Section 6.18. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2013 B Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2013 B Bonds during the term thereof is, under the terms of the Series 2013 B Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or

to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2013 B Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2013 B Bonds during the term thereof is, under the terms of the Series 2013 B Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2013 B Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 2013 B Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related, all of the foregoing to be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2013 B Bonds or \$5,000,000 are used, directly or indirectly, to make or finance a loan to persons other than state or local government units

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2013 B Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2013 B Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2013 B Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion. .

Section 6.19. Continuing Disclosures. In order to provide the written undertaking for the benefit of the owners of the Series 2013 B Bonds required by the Securities and Exchange Commission Rule 15c2-12, the Issuer shall enter into a Continuing Disclosure Agreement in such form as may be approved by the Supplemental Resolution, and the Mayor are authorized and directed to execute and deliver such Continuing Disclosure Agreement on behalf of the Issuer, with such changes as the Mayor shall approve, such approval to be conclusively evidenced by the execution of such Agreement by the Mayor.

Section 6.20 Preliminary Official Statement; Official Statement. The distribution of the Preliminary Official Statement with respect to the Series 2013 B Bonds shall be and the same is hereby approved. The form of the Preliminary Official Statement shall be in such form as may be approved by the Supplemental Resolution. The Mayor is hereby authorized and directed to execute and deliver a final official statement on behalf of the Issuer, which shall be in substantially the form of the Preliminary Official Statement with such changes, insertions and omissions as may be required to reflect the terms of the sale of the Series 2013 B Bonds and as the Mayor may approve (the “Official Statement”). The execution of the Official Statement by the Mayor shall be conclusive evidence of such approval. Copies of the Official Statement are hereby authorized to be prepared and furnished to the Original Purchaser for distribution.

ARTICLE VII

DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an “Event of Default” with respect to the Series 2013 B Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on any Bond;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Ordinance or any Supplemental Resolution or in the Series 2013 B Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Bondholder or any Insurer; or

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder (with the prior written consent of the applicable Bond Insurer) or any Bond Insurer may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the Issuer to perform its duties under the Act and this Ordinance;

(C) Bring suit upon the Series 2013 B Bonds, as applicable;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of this Ordinance or the rights of the Bondholders.

No remedy by the terms of this Ordinance conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall be made without the prior written consent of the applicable Bond Insurer or shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder or any Bond Insurer shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Series 2013 B Bonds, and the Prior Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2013 B Bonds issued pursuant to this Ordinance and interest thereon and under any covenants of this Ordinance for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Ordinance shall have been cured and made good, and all monies due hereunder or under any Supplemental Resolution have been paid in full, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Series 2013 B Bonds issued pursuant to this Ordinance. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Bondholders, and the curing and making good of any default under the provisions of this Ordinance, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Notwithstanding any other provision of this Ordinance, in determining whether the rights of the Bondholders will be adversely affected by any action taken pursuant to the terms and provisions of this Ordinance, any trustee or Bondholder's committee shall consider the effect on the Bondholders as if no Municipal Bond Insurance Policy were then in effect.

Section 7.04. Restoration of Issuer and Bondholder. In case any Bondholder shall have proceeded to enforce any right under this Ordinance by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Bondholder shall be restored to their former positions and rights hereunder, and all rights and remedies of such Bondholder shall continue as if no such proceedings had been taken.

ARTICLE VIII

REGISTRAR AND PAYING AGENT

Section 8.01. Appointment of Registrar. The Registrar for the Series 2013 B Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Registrar. The recitals of fact in the Bonds shall be taken as statements of the Issuer, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2013 B Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2013 B Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Ordinance and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Registrar May Act. Except as otherwise provided by Section 10.02, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Series 2013 B Bonds, the first exchange of Series 2013 B Bonds and the exchange of Series 2013 B Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2013 B Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or effect or aid in any reorganization growing out of the enforcement of the Series 2013 B Bonds, or this Ordinance, whether or not any such committee shall represent the Holders of a majority in principal amount of the Series 2013 B Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Ordinance by giving not less than 60 days' written

notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Bondholder in the event all Bonds are fully registered), specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately, provided that in no event shall such resignation take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer, the applicable Bond Insurer or by the Holders of a majority in principal amount of the Series 2013 B Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer, the applicable Bond Insurer or by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar. Such removal shall take effect upon the date stated in such instrument, provided that in no event shall such removal take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Series 2013 B Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Bondholders. The Issuer shall publish in an Authorized Newspaper (or mail to each Bondholder in the event all Bonds are fully registered) notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Bondholders. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any monies, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2013 B Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Bonds so authenticated, and, in case any Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent. The West Virginia Municipal Bond Commission shall initially serve as Paying Agent. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Series 2013 B Bonds shall be and remain DTC-Eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from monies available therefor.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Ordinance. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Bondholders may make such appointment.

The Paying Agents shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All monies received by the Paying Agents shall, until used or applied as provided in this Ordinance, be held in trust for the purposes for which they were received.

ARTICLE IX

DEFEASANCE; DISCHARGE OF PLEDGE OF ORDINANCE

Section 9.01. Defeasance; Discharge of Pledge of Ordinance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Holders of all Series 2013 B Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, and all other monies due hereunder have been paid, then this Ordinance and the pledges of the Gross Revenues and other monies and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Holders of the Series 2013 B Bonds made

hereunder, as applicable, shall thereupon cease, terminate and become void and be discharged and satisfied.

Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on such Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2013 B Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on said Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of said Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on said Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge.

ARTICLE X

MISCELLANEOUS

Section 10.01. Amendment of Ordinance. Prior to issuance of the Series 2013 B Bonds, this Ordinance may be amended, modified or supplemented in any way by the Supplemental Resolution. All provisions required by the Bond Insurer, if any, shall be set forth in the Supplemental Resolution and to the extent they constitute an amendment or modification of this Ordinance, shall be controlling. Following issuance of the Series 2013 B Bonds, this Ordinance and any Supplemental Resolution may, without the consent of any Bondholder or other person, be amended, modified or supplemented in any manner which, in the opinion of Bond Counsel, does not materially adversely affect the interests of the Bondholders or any Bond Insurer, provided that, in the event any of the Bonds are insured, no such amendment or modification which affects the rights of the applicable Bond Insurer for such Bonds may be made without the written consent of such Bond Insurer. Otherwise, no materially adverse amendment or modification to this Ordinance, or of any Supplemental Resolution, may be made without the written consent of the Holders of 60% in aggregate principal amount of the Series 2013 B Bonds then Outstanding and affected thereby and the Bond Insurer, if any, which must be filed with the Clerk of the Issuer before any such modification or amendment may be made. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Bond without the express written consent of the Holder of such Bond, nor reduce the percentage of Series 2013 B Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Ordinance may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Ordinance if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Bondholder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Series 2013 B Bonds held by a person executing any instrument as a Bondholder, the date of his holding such Series 2013 B Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Bond shall bind all future Holders and owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Ordinance shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Bondholder, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Ordinance shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Bonds. All Series 2013 B Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Bonds shall be deemed Outstanding under this Ordinance and no Series 2013 B Bonds shall be issued in lieu thereof. All such Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Bonds. Anything in this Ordinance to the contrary notwithstanding, any monies held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Series 2013 B Bonds which remain unclaimed for two years after the date on which such Bonds have become due and payable, whether by maturity or upon call for redemption, shall

at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Bonds shall look only to the Issuer for the payment of such Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such monies remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such monies then unclaimed will be returned to the Issuer.

Section 10.06. Notices, Demands and Requests. Unless otherwise expressly provided, all notices, demands and requests to be given or made hereunder to or by the Issuer, the Registrar, the Depository Bank, the Original Purchaser or the Bond Insurer, if any, shall be in writing and shall be properly made if sent by United States mail, postage prepaid, and addressed as follows or if hand-delivered to the individual to whom such notice, demand or request is required to be directed as indicated below:

PRINCIPAL AMOUNT: _____

KNOW ALL MEN BY THESE PRESENTS: That the CITY OF CHARLES TOWN (West Virginia), a municipal corporation organized and existing under the laws of the State of West Virginia (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the Registered Owner specified above, or registered assigns (the "Registered Owner"), on the Maturity Date specified above, the Principal Amount specified above and solely from such special funds also to pay interest on said Principal Amount from the Interest Payment Date (as hereinafter defined) preceding the date of authentication hereof or, if authenticated after the Record Date (as hereinafter defined) but prior to the applicable Interest Payment Date or on said Interest Payment Date, from said Interest Payment Date or, if no interest has been paid, from the Bond Date specified above, or, if and to the extent that the Issuer shall default in the payment of interest on any Interest Payment Date, then this Bond shall bear interest from the most recent Interest Payment Date to which interest has been paid or duly provided for, and in which case any Bond surrendered for transfer or exchange shall be dated as of the Interest Payment Date to which interest has been paid in full, at the Interest Rate per annum specified above, semiannually, on _____ 1 and _____ 1, in each year, beginning _____ 1, 20__ (each an "Interest Payment Date"), until maturity or until the date fixed for redemption if this Bond is called for prior redemption and payment on such date is provided for. Capitalized terms used and not defined herein shall have the meanings ascribed thereto in the hereinafter-described Ordinance.

Interest accruing on this Bond on and prior to the Maturity Date hereof shall be payable by check or draft mailed by the West Virginia Municipal Bond Commission, Charleston, West Virginia, as paying agent (in such capacity, the "Paying Agent"), to the Registered Owner hereof as of the applicable Record Date (each _____ 15 and _____ 15) or, in the event of a default in the payment of Bonds, that special record date to be fixed by the hereinafter named Registrar by notice given to the Registered Owners not less than 10 days prior to said special record date at the address of such Registered Owner as it appears on the registration books of the Issuer maintained by _____, _____, West Virginia, as registrar (in such capacity, the "Registrar"), or, at the option of any Registered Owner of at least \$1,000,000 in aggregate principal amount of Bonds, by wire transfer in immediately available funds to a domestic bank account specified in writing by the Registered Owner to the Paying Agent at least 5 days prior to such Record Date. Principal and premium, if any, shall be paid when due upon presentation and surrender of this Bond for payment at the office of the Paying Agent, in Charleston, West Virginia.

This Bond is one of an issue of a series of bonds, in the aggregate principal amount of \$ _____ designated the "City of Charles Town Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax Exempt)" (the "Series 2013 B Bonds"), of like tenor and effect, except as to number, denomination, date of maturity and interest rate, dated _____, 2013, upon original issuance, the proceeds of which are to be used, together with other funds of the Issuer, (i) to finance the cost of acquisition and construction of certain additions, betterments and improvements to the sewerage portion of the combined waterworks and sewerage system of the Issuer, (ii) to fund a reserve account for the Series 2013 B Bonds, and (iii) to pay certain costs of issuance of the Series 2013 B Bonds and related costs. The Series 2013 B Bonds are issued under the authority of and in full compliance with the Constitution and statute of the State of West Virginia, including particularly, Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "Act"), and an ordinance duly enacted by the City Council of the Issuer on _____, 2013, and supplemented by a supplemental resolution adopted by said Council on _____, 2013 (hereinafter collectively referred to as the "Ordinance"), and is subject to all the terms and conditions of said Ordinance. The Ordinance provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Series 2013 B Bonds under the Ordinance. Reference is hereby made to the Ordinance, as the same may be amended and supplemented from time to time, for a description of the rights, limitations of rights, obligations, duties and immunities of the Issuer, the Registrar, the Paying Agent, the Registered Owners of the Series 2013 B Bonds and the Registered Owners of any subsequently issued additional bonds. Executed counterparts or certified copies of the Ordinance are on file at the office of the City Clerk in The City of Charles Town, West Virginia.

[The Series 2013 B Bonds are additionally secured, but only to the extent described in the Statement of Insurance printed on the Bonds, by a policy of municipal bond insurance issued by [Bond Insurer].]

22. COMBINED WATERWORKS AND SEWERAGE SYSTEM DESIGN REVENUE BONDS, SERIES 2013 A (WEST VIRGINIA SRF PROGRAM), DATED JUNE 27, 2013, ISSUED IN

THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$591,977 (THE "SERIES 2013 A BONDS").

THE SERIES 1987 B BONDS, SERIES 1988 B-1 BONDS, SERIES 1988 B-2 BONDS, SERIES 1989 B BONDS, SERIES 1998 BONDS, SERIES 2000 A BONDS, SERIES 2002 A BONDS, SERIES 2002 B BONDS, SERIES 2002 C BONDS, SERIES 2003 A BONDS, SERIES 2005 A BONDS, SERIES 2006 A BONDS, SERIES 2006 B BONDS, SERIES 2009 A BONDS, SERIES 2010 A BONDS, SERIES 2010 B BONDS, SERIES 2010 C BONDS, SERIES 2010 D BONDS, SERIES 2011 A BONDS, SERIES 2011 B BONDS, SERIES 2012 A BONDS AND SERIES 2013 A BONDS ARE HEREINAFTER COLLECTIVELY CALLED THE "PRIOR BONDS."

The Series 2013 B Bonds are subject to redemption prior to their stated maturity dates, as provided in the Ordinance and as set forth in the following lettered paragraphs:

(A) Optional Redemption. The Bonds maturing on and after _____, 20____, are subject to redemption prior to maturity at the option of the Issuer on or after _____, 20____, in whole at any time and in part on any Interest Payment Date, as directed by the Issuer, in reverse order of maturity and by lot within a maturity, at the following Redemption Prices (expressed as percentages of the principal amount of Bonds to be redeemed), plus interest accrued thereon to the date fixed for redemption:

Period During Which Redeemed (Dates Inclusive)	Redemption Price
---	---------------------

(B) Mandatory Sinking Fund Redemption. The Bonds maturing on _____, 20____ and 20____ are subject to annual mandatory sinking fund redemption prior to maturity by random selection as may be determined by the Registrar, on _____ 1 of the years and in the principal amounts set forth below, at the Redemption Price of 100% of the principal amount of each Bond so called for redemption plus interest accrued to the date fixed for redemption:

Bonds Maturing _____ 1, 20

Year (1)	Principal Amount
-----------	------------------

Bonds Maturing _____ 1, 20

Year (1)	Principal Amount
-----------	------------------

* Final Maturity

In the event of any redemption of less than all outstanding Series 2013 B Bonds, the maturities to be redeemed shall be selected by the Paying Agent at the direction of the Issuer and Series 2013 B Bonds to be redeemed shall be determined by lot within a maturity, or in such other manner deemed appropriate by the Paying Agent. If less than all the Series 2013 B Bonds are to be redeemed, the Series 2013 B Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Series 2013 B Bond, unless waived, shall be given by the Paying Agent on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Series 2013 B Bond or Series 2013 B Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Paying Agent. Such notice shall also be given by the Paying Agent to the Registrar. Notice of redemption having been given as aforesaid, the Series 2013 B Bonds or portions of Series 2013 B Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Series 2013 B Bonds or portions of Series 2013 B Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Series 2013 B Bond.

The Series 2013 B Bonds and the interest thereon are payable only from and are secured by the Gross Revenues (as defined in the Ordinance) to be derived from the operation of the System, on a parity in all respects with the pledge of the Gross Revenues created in favor of the holders of the Prior Bonds, all monies in the Series 2013 B Bonds Sinking Fund, and the Series 2013 B Bonds Reserve Account therein, established under the Ordinance, and the unexpended proceeds of the Series 2013 B Bonds, and the Issuer hereby and in the Ordinance pledges such revenues and monies to such payment. Said Gross Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose and to make the other payments required by the Ordinance. This Series 2013 B Bond does not constitute an indebtedness of the Issuer within any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Gross Revenues, the monies in the Series 2013 B Bonds Sinking Fund and the Series 2013 B Bonds Reserve Account and said unexpended Series 2013 B Bond proceeds. Pursuant to the Ordinance, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for

principal of and interest, if any, on the Series 2013 B Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2013 B Bonds, including the Prior Bonds. The Issuer has entered into certain further covenants with the registered owners of the Series 2013 B Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the registered owners of the Series 2013 B Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All monies received from the sale of the Bonds except for accrued interest thereon shall be applied solely to pay all costs of the Project, funding a reserve account for the Series 2013 B Bonds and pay costs of issuance of the Bonds, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owners of said Series 2013 B Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Series 2013 B Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Series 2013 B Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Series 2013 B Bonds of which this Series 2013 B Bond is one.

This Series 2013 B Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the within-described Ordinance.

This Series 2013 B Bond and the income therefrom are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof.

This Series 2013 B Bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Ordinance, and the statutes under which this Series 2013 B Bond is issued shall be deemed to be a part of the contract evidenced by this Series 2013 B Bond to the same extent as if written fully herein.

COMBINED WATERWORKS AND SEWERAGE
SYSTEM REVENUE BONDS, SERIES 2013 B (TAX-EXEMPT)**

Dated: Date of Delivery

Due: October 1, as shown below

The Series 2013 B Bonds are issuable only as fully registered bonds without coupons in denominations of \$5,000 and integral multiples thereof for any year of maturity. All of the Series 2013 B Bonds initially will be maintained under a book-entry system under which The Depository Trust Company, New York, New York ("DTC"), will act as securities depository. Purchases of the Series 2013 B Bonds will be in book-entry form only. Semiannual interest on the Series 2013 B Bonds is payable April 1, 2014, and each April 1 and October 1 thereafter. So long as the Series 2013 B Bonds are maintained under a book-entry system, payments of the principal of and premium, if any, and interest on the Series 2013 B Bonds will be made when due by the West Virginia Municipal Bond Commission, Charleston, West Virginia, as Paying Agent (the "Paying Agent"), to DTC in accordance with the Ordinance and the Supplemental Resolution, and the Paying Agent will have no obligation to make any payments to any beneficial owner of any Series 2013 B Bonds. See "THE SERIES 2013 B BONDS - Book-Entry Only System." The Series 2013 B Bonds are subject to redemption prior to maturity as described herein.

The proceeds of the Series 2013 B Bonds, together with other funds available therefor, will be used as follows: (i) to provide funds in the amount of \$2,612,000, to be deposited in the Series 2013 B Bonds Project Fund, to purchase an existing sewer system (acquisition of the assets of Willow Spring Public Service Corporation) that will be added to the City's combined waterworks and sewerage system, construction of a wetlands (a Supplemental Environmental Project), and to purchase and install generators for water treatment facilities and water tank painting (collectively, the "Project"), (ii) to fund a debt service reserve account for the Series 2013 B Bonds, and (iii) to pay certain costs of issuance of the Series 2013 B Bonds and related costs.

The Series 2013 B Bonds are payable from and further secured by the Gross Revenues derived from the existing combined waterworks and sewerage system of the City and any extensions, improvements and betterments thereto on parity with the Prior Bonds, as hereinafter defined, and any additional parity bonds that may hereafter be issued by the City as permitted by the Ordinance, as hereinafter defined, and the Series 2013 B Bonds are also payable from funds on deposit in the Series 2013 B Bonds Sinking Fund and the Reserve Account therein. The Series 2013 B Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory provisions or limitations, and the City shall not be obligated to pay the principal of, or premium, if any, or the interest on the Series 2013 B Bonds, except from the Gross Revenues and such funds on deposit. Neither the full faith and credit nor the taxing power of the City shall be deemed to be pledged to, nor shall any tax be levied for, the payment of the principal of or the premium, if any, or interest on the Series 2013 B Bonds.

The City has designated the Series 2013 B Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b) of the Internal Revenue Code of 1986, as amended.

CITY OF CHARLES TOWN (WEST VIRGINIA) COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 2013 B (TAX-EXEMPT)

INTRODUCTION

This Official Statement, including the cover page and appendices, is provided for the purpose of setting forth certain information concerning the City of Charles Town, West Virginia (the "City"), the City's combined waterworks and sewerage system hereinafter described and the City's \$2,970,000 in aggregate principal amount of Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax-Exempt) (the "Series 2013 B Bonds"). The Series 2013 B Bonds are being issued pursuant to the Constitution and laws of the State of West Virginia (the "State"), specifically Chapter 8, Article 20 of the Code of West Virginia of 1931, as amended (the "Act"), and an ordinance enacted by the City Council of the City on April 1, 2013 (the "Original Ordinance"), as supplemented and amended by supplemental resolution and Conformed Ordinance adopted by the City Council of the City on September 3, 2013 (the "Supplemental Resolution" and together with the Original Ordinance, the "Ordinance").

The proceeds of the Series 2013 B Bonds, together with other funds available therefor, will be used as follows: (i) to provide funds in the amount of \$2,612,000, to be deposited in the Series 2013 B Bonds Project Fund, to purchase an existing sewer system (acquisition of the assets of Willow Spring Public Service Corporation) that will be added to the City's combined waterworks and sewerage system, construction of a wetlands (a Supplemental Environmental Project), and to purchase and install generators for water treatment facilities and water tank painting (collectively, the "Project"), (ii) to fund a debt service reserve account for the Series 2013 B Bonds, and (iii) to pay certain costs of issuance of the Series 2013 B Bonds and related costs.

The Series 2013 B Bonds are payable from and secured by the Gross Revenues, as defined in the Ordinance, derived from the existing combined waterworks and sewerage system of the City and any extensions, improvements or betterments thereto (the "System") on parity with the Prior Bonds, as hereinafter defined, and any Parity Bonds, as hereinafter defined, that may hereafter be issued by the City as permitted by the Ordinance (the Series 2013 B Bonds, the Prior Bonds and any such Parity Bonds are collectively referred to herein as the "Bonds"), and the Series 2013 B Bonds are also payable from funds on deposit in the Series 2013 B Bonds Sinking Fund and the Reserve Account therein. The Series 2013 B Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory provisions or limitations, and the City shall not be obligated to pay the Series 2013 B Bonds or premium, if any, or the interest thereon except from such Gross Revenues and such funds on deposit. Pursuant to the Ordinance and the ordinances enacted with respect to the Prior Bonds, the City has covenanted and agreed to establish and collect just and equitable rates and charges for the use of the System and the services rendered thereby as will produce for each fiscal year Gross Revenues, as defined in the Ordinance, equal to at least 115% of the maximum amount required in any year to pay the

principal of and interest on the Bonds and the Prior Bonds. See "SECURITY FOR THE SERIES 2013 B BONDS - Rate Covenant."

The audited financial statements of the City as of and for the twelve-month period ended June 30, 2012, include a note that the debt service coverage ratio requirement for the System for that fiscal year was met. At closing on the issuance of the Series 2013 B Bonds, the City will certify that it met the debt service coverage ratio requirement for the System for the fiscal year ended June 30, 2013. The City has provided a pro-forma analysis of the System's revenues and expenses for the fiscal year ending June 30, 2014, including the additional debt service represented by the Series 2013 B Bonds, that indicates the City will be able to meet the debt service coverage ratio requirement for the System for the fiscal year ending June 30, 2014. See "SECURITY FOR THE SERIES 2013 B BONDS - Rate Covenant."

The City has consistently exceeded its debt service coverage requirements for the five fiscal years prior to the fiscal year ended June 30, 2013. See "SECURITY FOR THE SERIES 2013 B BONDS - Rate Covenant."

The Series 2013 B Bonds will be dated, will mature, will bear interest and will be subject to redemption prior to maturity as more fully described on the cover page and under the heading "THE SERIES 2013 B BONDS" herein. The Series 2013 B Bonds initially will be maintained under a book-entry system. So long as the Series 2013 B Bonds are maintained under a book-entry system, the manner of payment, the denominations, the transfer and exchange of ownership and the method of providing notice of redemption to the owners of the Series 2013 B Bonds shall be determined as described under the "BOOK-ENTRY ONLY SYSTEM" herein. If the book-entry system is discontinued, principal of, interest, and premium, if any, on the Series 2013 B Bonds will be payable by the West Virginia Municipal Bond Commission, Charleston, West Virginia, as paying agent (the "Paying Agent"), to the owners thereof at the addresses appearing in the books kept by United Bank, Inc., Charleston, West Virginia, as registrar (the "Registrar"). For further information describing the method of payment and other matters in the event the book-entry system is discontinued, see "THE SERIES 2013 B BONDS" herein.

The City may issue additional bonds on a parity with the Series 2013 B Bonds for the purpose of financing the cost of the construction or acquisition of additions, improvements and betterments to the System and/or refunding one or more or all series of bonds subject, in each case, to certain tests and conditions provided for by the Ordinance. See "SECURITY FOR THE SERIES 2013 B BONDS - Parity Bonds."

The Series 2013 B Bonds are offered when, as and if issued and received on behalf of the underwriter appearing on the cover page hereof (the "Underwriter"), subject to prior sale, to withdrawal or modification of the offering without notice and to the unqualified approval of the legality thereof by Steptoe & Johnson PLLC, Charleston, West Virginia, Bond Counsel. Hoy G. Shingleton, Jr., Esquire, Martinsburg, West Virginia, as counsel for the City, will pass upon certain legal matters for the City. Goodwin & Goodwin, LLP, Charleston, West Virginia, as counsel to the Underwriter, will pass upon certain legal matters for the Underwriter.

Brief descriptions of the Series 2013 B Bonds, the System, the City and certain provisions of the Ordinance and the Act, as defined in the Ordinance and hereinbefore, are set forth in this Official Statement, as well as other information contained in the appendices hereto. Such descriptions and information do not purport to be comprehensive or definitive. All references herein to the Ordinance, provisions of the Act and other applicable laws of the State are qualified in their entirety by reference to each such document or law. References herein to the Series 2013 B Bonds are qualified in their entirety by reference to the form thereof included in the Ordinance and the information with respect thereto included in the aforesaid documents. Capitalized terms used and not otherwise defined in this Official Statement shall have the respective meanings given them in the Ordinance. Copies of the Ordinance and other applicable documents may be obtained from the City or, during the period of offering the Series 2013 B Bonds, from the Underwriter.

THE PROJECT

One component of the Project will allow the City to purchase certain existing sewerage collection and treatment assets that will be added to the City's combined waterworks and sewerage system. The purchase is projected to add 324 new customers and as many as 500 new sewer customers in the next ten (10) years to the City's system. Those customers will reside in properties recently annexed into the City, including Windmill Crossing, Fritts and Langlet and the commercial property known as Prospect Place. The annexed parcels consist of approximately 485.5 acres and have the capacity to accommodate over 1,320 homes.

The other components of the Project are (i) construction of a wetlands (a Supplemental Environmental Project), (ii) purchase and installation of power generators to support the water treatment system, and (iii) painting of water storage tanks.

THE SERIES 2013 B BONDS ARE SECURED ONLY BY THE GROSS REVENUES OF THE SYSTEM, AS SET FORTH UNDER "SECURITY FOR THE BONDS" HEREIN, AND ON A PARITY WITH THE PRIOR BONDS. THE SERIES 2013 B BONDS ARE NOT SUPPORTED BY A SURETY, A LETTER OF CREDIT OR ANY OTHER FORM OF CREDIT ENHANCEMENT.

THE SERIES 2013 B BONDS

General

The Series 2013 B Bonds shall be dated as of the date of delivery, and shall bear interest from the interest payment date next preceding the date of authentication or, if authenticated after the Record Date but prior to the applicable interest payment date or on such interest payment date, from such interest payment date or, if no interest on such Series 2013 B Bonds has been paid, from the date thereof; provided however, that, if, as shown by the records of the Registrar, interest on such Series 2013 B Bonds shall be in default, Series 2013 B Bonds issued in exchange for Series 2013 B Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the initial Series 2013 B Bonds surrendered. The Series 2013 B Bonds will bear interest from their date, payable semiannually on each April 1 and October 1, commencing April 1, 2014, upon original issuance, at the rates per annum and will mature on the dates and in the amounts set forth on the cover page of this Official Statement.

The Series 2013 B Bonds will be issued as fully registered bonds without coupons in denominations of \$5,000 and integral multiples thereof for any year of maturity. The Series 2013 B Bonds initially shall be maintained under a book-entry system; Beneficial Owners shall have no right to receive physical possession of the Series 2013 B Bonds and payments of principal or redemption price of and interest on the Series 2013 B Bonds will be made as described herein under "BOOK-ENTRY ONLY SYSTEM." If the book-entry system is discontinued, interest on the Series 2013 B Bonds will be payable by check or draft made payable and mailed to the owners thereof at the addresses appearing in the books kept by the Registrar as of the 15th day of the month preceding such interest payment date (the "Record Date"). If the book-entry system is discontinued, principal of and premium, if any, on the Series 2013 B Bonds will be payable to the owner thereof upon surrender thereof at the office of the Paying Agent.

So long as the Series 2013 B Bonds are maintained under a book-entry system, transfers of ownership interests in the Series 2013 B Bonds will be made as described herein under "BOOK-ENTRY ONLY SYSTEM." If the book-entry system is discontinued, ownership of any Series 2013 B Bond may be transferred upon surrender thereof to the Registrar, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or his duly authorized attorney or legal representative. Upon any such transfer of a Series 2013 B Bond, there will be issued another Series 2013 B Bond or Series 2013 B Bonds, at the option of the transferee, of the same aggregate principal amount, series, maturity and interest rate as said Series 2013 B Bond. For every exchange or transfer of Series 2013 B Bonds, the Registrar may make a charge sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer. The party requesting such transfer shall pay any service charge of the Registrar and any applicable tax or other governmental charge.

Extraordinary Redemption

The Series 2013 B Bonds shall also be subject to redemption if there should occur any damage to or destruction of the System or any condemnation of title to or the use of the System, the applicable Series 2013 B Bonds shall be subject to redemption at any time at the redemption price of 100% of the principal amount thereof plus accrued interest to the Redemption Date from any condemnation awards or insurance proceeds which are not used to repair, rebuild or rearrange the System.

Optional Redemption

The Series 2013 B Bonds maturing on or after October 1, 2020 are subject to redemption at the option of the Issuer, prior to maturity, on or after October 1, 2019, in whole at any time and in part on any Interest Payment Date, in inverse order of maturity and by random selection within maturities if less than all of any maturity, at a redemption price (expressed as a percentage of the principal amount) of 100%, plus interest accrued to the date fixed for redemption.

So long as the Series 2013 B Bonds are maintained under a book-entry system, the selection of individual ownership interests in the Series 2013 B Bonds to be credited with any partial redemption shall be made as described herein under "BOOK-ENTRY ONLY SYSTEM."

Mandatory Redemption

The Series 2013 B Bonds maturing October 1, 2018, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 2014, and on each October 1 thereafter to and including October 1, 2018, in annual principal amounts as follows:

The principal amount of Series 2013 B Bonds maturing October 1, 2028, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B

Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

The Series 2013 B Bonds maturing October 1, 2032, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 2029, and on each October 1 thereafter to and including October 1, 2032, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2029	\$90,000
2030	95,000
2031	100,000
2032 (Maturity)	105,000

The principal amount of Series 2013 B Bonds maturing October 1, 2032, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

The Series 2013 B Bonds maturing October 1, 2036, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 2033, and on each October 1 thereafter to and including October 1, 2036, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>
2033	\$110,000
2034	115,000
2035	120,000
2036 (Maturity)	125,000

The principal amount of Series 2013 B Bonds maturing October 1, 2036, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

The Series 2013 B Bonds maturing October 1, 2043, shall be subject to mandatory redemption prior to maturity in part from moneys on deposit in the Series 2013 B Bonds Sinking Fund at a redemption price equal to 100% of the principal amount thereof, plus accrued interest to the mandatory redemption date, on October 1, 2037, and on each October 1 thereafter to and including October 1, 2043, in annual principal amounts as follows:

<u>Year</u>	<u>Amount</u>

2042	175,000
2043 (Maturity)	180,000

The principal amount of Series 2013 B Bonds maturing October 1, 2043, delivered to or purchased by the Paying Agent shall reduce pro tanto the principal amount of Series 2013 B Bonds to be redeemed on the mandatory redemption date with respect to such maturity next following such delivery or purchase.

Notice of Redemption

So long as the Series 2013 B Bonds are maintained under a book-entry system, notice of the call for any redemption of the Series 2013 B Bonds shall be given as described below under “BOOK-ENTRY ONLY SYSTEM.” At any other time, notice to the registered owner of any redemption shall be given by the Registrar not less than 30 nor more than 60 days prior to the date fixed for redemption by registered or certified mail at the address appearing in the Register. Failure to receive such notice or any defect in the mailing thereof shall not affect the validity of any proceedings for the redemption of the Series 2013 B Bonds; and failure to mail such notice shall not affect the validity of any such proceedings for any Series 2013 B Bond with respect to which no such failure has occurred. Notice of redemption having been given in the manner hereinabove and in the Ordinance described and moneys necessary therefor having been deposited with the Paying Agent, the Series 2013 B Bonds specified in such notice shall on the date fixed for redemption be deemed paid, and interest thereon shall cease to accrue.

Book-Entry Only System

The Series 2013 B Bonds will be issued as fully registered bonds in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”), New York, New York. DTC will act as securities depository for the Series 2013 B Bonds. One fully-registered Series 2013 B Bond will be issued for each maturity, and will be deposited with the DTC.

Purchases of the Series 2013 B Bonds will be made only in book-entry form through DTC Participants in the principal amount of \$5,000 and integral multiples thereof and no physical delivery of the Series 2013 B Bonds will be made to purchasers. Unless otherwise provided herein, payments of the principal, interest and premium, if any, will be made to purchasers by DTC through its Participants.

Except as otherwise provided herein or in APPENDIX E - “BOOK-ENTRY ONLY SYSTEM,” each actual purchaser of each Series 2013 B Bond (“Beneficial Owner”) will not be or be considered to be and will not have any rights as, owners or holders of the Series 2013 B Bonds under the Ordinance. For additional information about DTC and the book-entry-only system see APPENDIX E - “BOOK-ENTRY ONLY SYSTEM.”

SECURITY FOR THE SERIES 2013 B BONDS

The Series 2013 B Bonds are special obligations of the City and are payable as to principal, premium, if any, and interest solely from the sources described below. The City is under no obligation to pay the Series 2013 B Bonds except from said sources.

Sources of Payment

The payment of the debt service on the Series 2013 B Bonds shall be secured forthwith equally and ratably by a first lien on and pledge of the Gross Revenues derived from the System, on parity with the Prior Bonds and any Parity Bonds that may hereafter be issued by the City as permitted by the Ordinance, and the Series 2013 B Bonds are also payable from the funds on deposit in the Series 2013 B Bonds Sinking Fund and the Reserve Account therein. Gross Revenues derived from the System in an amount sufficient to pay the principal of, premium, if any, and interest on the Bonds and to make the payments into the Series 2013 B Bonds Sinking Fund, to pay all operation and maintenance expenses and to pay all other payments provided for in the Ordinance, and the funds in the Series 2013 B Bonds Sinking Fund and the Series 2013 B Bonds Reserve Account therein, are irrevocably pledged to the payment of the principal of, premium, if any, and interest on the Series 2013 B Bonds as the same become due and for the other purposes provided in the Ordinance.

Rate Covenant

Prior to the issuance of the Series 2013 B Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the Clerk of the City, which copy will be open to

inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the City has covenanted and agreed that the schedule or schedules of rates or charges from time to time in effect shall be sufficient to produce Gross Revenues (i) to provide for all Operating Expenses of the System and (ii) to have a balance each year equal to not less than 115% of the Maximum Annual Debt Service on the Bonds in any Fiscal Year. All such rates and charges, if not paid when due, shall constitute a lien upon the premises served by the System. For purposes of this test, the terms "Gross Revenues" shall include proceeds from the sale of capital assets but does not include any increase in the value of capital assets (including Qualified Investments). In any event, the City shall not reduce the rates or charges of the System set forth in the rate ordinances enacted by the City on April 15, 2008, for the provision of water service, and August 7, 2006, for the provision of sewer service.

The City further covenanted that it will enact any rate increases, subject, however, to potential review by the Public Service Commission of West Virginia, as shall be required to comply with the aforementioned rate covenant, to the extent and in the manner authorized by law, immediately following a determination by the City or upon an annual audit of the City that the City is not in compliance with such rate covenant.

As demonstrated by the charts shown below, the City has been in compliance with the debt service coverage requirement for every year since the fiscal year ended June 30, 2008, is prepared to certify that it is in compliance with such requirement for the fiscal year ended June 30, 2013, and has projected that it will be in compliance with such requirement for the fiscal year ending June 30, 2014.

Series 2013 B Bonds Reserve Account

\$194,450 of proceeds of the Series 2013 B Bonds will be deposited in the Series 2013 B Bonds Reserve Account.

In the event of a transfer from the Series 2013 B Bonds Reserve Account to the Series 2013 B Bonds Sinking Fund as aforesaid, the City shall restore the balance to the Series 2013 B Bonds Reserve Account in an amount up to the Series 2013 B Bonds Reserve Requirement, and the City shall replenish the Series 2013 B Bonds Reserve Account as provided in the Ordinance.

Application of Revenues

The entire Gross Revenues derived from the operation of the System and all parts thereof shall be deposited by the City in the Revenue Fund. The Revenue Fund shall be kept separate and distinct from all other funds of the City and the Depository Bank and used only for the purposes and in the manner herein provided. All Revenues at any time remaining on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The City shall first, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission for deposit in the Sinking Funds of the Prior Bonds, the amounts required by the Prior Ordinances to pay the interest on the Prior Bonds that bear interest and commencing 7 months prior to the first interest payment date of the Series 2013 B Bonds, for deposit in the Series 2013 B Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on the Series 2013 B Bonds on the next ensuing semiannual interest payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2013 B Bonds Sinking Fund and the next ensuing semiannual interest payment date is more or less than 7 months, then such monthly payments shall be decreased or increased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date; provided further that, the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2013 B Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 2013 B Bonds deposited therein.

(2) The City shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission for deposit in the Sinking Funds of the Prior Bonds, the amounts required by the Prior Ordinances to pay the principal on the Prior Bonds and commencing 13 months prior to the first principal payment date or mandatory Redemption Date of the Series 2013 B Bonds, for deposit in the Series 2013 B Bonds Sinking Fund and in the Series 2013 B Bonds Redemption Account therein in the case of the Term Bonds which are to be redeemed, a sum equal to 1/12th of the amount of principal which will mature or be redeemed and become due on the Series 2013 B Bonds on the next ensuing annual principal payment date or mandatory Redemption Date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2013 B Bonds Sinking Fund and the next ensuing annual principal payment date or mandatory Redemption Date is more or less than 13 months, then such monthly payments shall be decreased or increased

proportionately to provide, 1 month prior to the next ensuing annual principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date.

Moneys in the Series 2013 B Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2013 B Bonds, whether by maturity or redemption prior to maturity and, with respect to the Series 2013 B Bonds Reserve Account therein, any amounts necessary to fund such Reserve Account to maintain the Series 2013 B Bonds Reserve Account Requirement. Pending such use, such moneys shall be invested in accordance with the Ordinance.

The City shall not be required to make any further payments into the Series 2013 B Bonds Sinking Fund when the aggregate amount of funds therein, including the Series 2013 B Bonds Reserve Account therein, is at least equal to the aggregate principal amount of Series 2013 B Bonds then Outstanding, plus the amount of interest due or thereafter to become due on such Bonds then Outstanding.

As and when additional Bonds ranking on a parity with the Series 2013 B Bonds are issued, provision shall be made for additional deposits into the Series 2013 B Bonds Reserve Account sufficient to maintain the Series 2013 B Bonds Reserve Account Requirement in accordance with the provisions of the Ordinance.

The payments into the Series 2013 B Bonds Sinking Funds shall be made on the first day of each month, except that, when the first day of any month shall be a Saturday, Sunday or legal holiday, then such payments shall be made on the next succeeding Business Day, and all such payments shall be remitted to the Bond Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of the Ordinance.

(3) The City shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the Reserve Accounts of the Prior Bonds, the amount required by the Prior Ordinances; and (ii) for deposit in the Series 2013 B Bonds Reserve Account, an amount sufficient to remedy any decrease in value of the Series 2013 B Bonds Reserve Account below the Series 2013 B Bonds Reserve Requirement or any withdrawal from the Series 2013 B Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2013 B Bonds Reserve Account results in a determination that the amount of moneys and the value of the Qualified Investments deposited to the credit of the Series 2013 B Bonds Reserve Account is less than the Series 2013 B Bonds Reserve Requirement, or (b) any amount is withdrawn from the Series 2013 B Bonds Reserve Account for deposit into the Series 2013 B Bonds Sinking Fund. To the extent Gross Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of moneys on deposit in the Series 2013 B Bonds Reserve Account to an amount equal to the Series 2013 B Bonds Reserve Requirement to the full extent that such Gross Revenues are available; provided however, that if the shortfall in the Series 2013 B Bonds Reserve Account is due to a decrease in value of investments therein, such shortfall shall be replenished by not less than 4 equal monthly payments, and if such shortfall is due to a withdrawal from the Series 2013 B Bonds Reserve Account, such shortfall shall be replenished by not less than

12 equal monthly payments, and provided further, that no payments shall be required to be made into the Series 2013 B Bonds Reserve Account whenever and as long as the amount on deposit therein shall be equal to the Series 2013 B Bonds Reserve Requirement.

Amounts in the Series 2013 B Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2013 B Bonds when due, when amounts in the Series 2013 B Bonds Sinking Fund are insufficient therefor and for no other purpose.

(4) The City shall next, each month, pay from the Revenue Fund the current Operating Expenses.

(5) The City shall next, from the moneys remaining in the Revenue Fund, on the first day of each month, transfer to the Repair and Replacement Fund a sum equal to not less than 2 1/2% of the Gross Revenues each month (as previously set forth in the Prior Ordinances and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Subject to the restrictions contained in the Prior Ordinances, so long as the Prior Bonds are outstanding, withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, or improvements or extensions to the System; provided, that any deficiency in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof, shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by the Act, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the System. Any Surplus Revenues then remaining in the Revenue Fund may be used for any lawful purpose of the System.

Enforcement of Collections

The City covenants in the Ordinance to diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals and other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia or otherwise by the laws of the State. The City further covenants and agrees in the Ordinance that it will, subject to the laws of the State and regulations of the Public Service Commission of West Virginia, discontinue water services to all delinquent users of services and facilities of the System, until such delinquent amounts, plus

reasonable interest and penalty charges thereon, have been fully paid or an appropriate payment plan has been established. (See "THE SYSTEM - Customer Statistics.")

Parity Bonds

So long as the Prior Bonds are Outstanding, the limitations and requirements on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. No Parity Bonds, payable out of the Gross Revenues of the System shall be issued after the issuance of any Bonds pursuant to the Ordinance, except under the conditions and in the manner herein provided.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition or construction of additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto or the Prior Bonds, to pay claims which may exist against the revenues or facilities of the System or all of such purposes.

No such Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Clerk a written statement by an Independent Certified Public Accountant, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115%, of the largest aggregate amount that will mature and become due in any succeeding fiscal year for principal of and interest on the following:

- (1) The Series 2013 B Bonds then outstanding;
- (2) The Prior Bonds then Outstanding;
- (3) Any Parity Bonds then Outstanding; and
- (4) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the City, the time for appeal of which shall have expired (without successful appeal) prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of Independent Certified Public Accountant, which shall be filed in the office of the Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such

additional Net Revenues which would have been received, in the opinion of the Consulting Engineers and the Independent Certified Public Accountant, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System enacted by the City, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Parity Bonds.

The term "Parity Bonds," as used in this section, shall be deemed to mean additional bonds issued under the provisions and within the limitations of this section and the Prior Ordinances, payable from the Gross Revenues of the System on a parity with the Series 2013 B Bonds and the Prior Bonds, and all the covenants and other provisions of the Ordinance (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2013 B Bonds and the Prior Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All the Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System, and their source of and security for payment from said Gross Revenues, without preference of any Bond over any other. The City shall comply fully with all the increased payments into the various funds and accounts created in the Ordinance required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to the Ordinance.

The term "Parity Bonds," as used in this section, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the Revenues of the System is subject to the prior and superior lien of the Bonds on such Revenues. The City shall not issue any obligations whatsoever payable from the Revenues of the System, or any part thereof, which rank prior to or equally, as to lien on and source of and security for payment from such Revenues, with the Series 2013 B Bonds, except in the manner and under the conditions provided in the Ordinance.

No Parity Bonds, as in this section defined, shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in the Ordinance and the Prior Ordinances with respect to the Bonds then Outstanding, and any other payments provided for in the Ordinance and the Prior Ordinances, shall have been made in full as required to the date of issuance of the Parity Bonds, and the City then be in full compliance with all the covenants, agreements and terms of the Ordinance and the Prior Ordinances.

Provided, however, that if the most recent audit by an independent certified public accountant for the City states that the City was not in compliance with the rate covenant in Section 6.04 of the Ordinance for the year being audited, and the City has, as required by Section 6.04, adopted an ordinance increasing rates sufficiently to comply with Section 6.04, such statement in the most recent audit shall not be considered a violation of the covenants, agreements and terms of the Ordinance, so as to prevent the City from issuing Parity Bonds.

INVESTMENT CONSIDERATIONS

Gross Revenue Pledge

The Series 2013 B Bonds are secured solely by the Gross Revenues of the System on a parity with the Prior Bonds. There can be no guarantee that current rates of the System will always produce revenue sufficient to pay the debt service on the Prior Bonds, the Series 2013 B Bonds and any additional bonds subsequently issued on a parity therewith. The City has covenanted in the Ordinance to raise the rates of the System if the Gross Revenues of the System are not sufficient to provide the required coverage of the maximum annual debt service of the Series 2013 B Bonds and all bonds issued on a parity with the Series 2013 B Bonds and the Prior Bonds. After enactment of a rate increase, however, if twenty-five percent or more of the City's customers or one of the City's wholesale customers file a petition protesting the rate increase, the Public Service Commission of West Virginia (the "Commission") will have jurisdiction to review and modify the rates of the City. If a rate increase is appealed, there can be no assurance that the Commission will approve the increase of rates and charges to a level sufficient to generate revenues sufficient to pay the debt service on the Prior Bonds and the Series 2013 B Bonds and meet the coverage requirements. The Commission is not expressly statutorily required to set rates sufficient to satisfy the bond covenants of any combined waterworks and sewerage utility.

Gross Revenues sufficient to pay the debt service on the Series 2013 B Bonds, the Prior Bonds and any additional bonds subsequently issued on a parity therewith also depend on the retention of current customers by the City. An unexpected loss of customers by the City could have an adverse effect on the ability of the City to make the required payments on the Series 2013 B Bonds. Additionally, a significant reduction in the amount of water used by customers of the City may also have an adverse impact on the City's ability to make the required payments on the Series 2013 B Bonds. The City does not have the authority to require citizens to accept potable water service by the System. Accordingly, any further extensions of the waterworks portion of the System by the City are dependent upon the City being able to obtain agreements with those potential customers to purchase water from the City. If the City is unable to obtain agreements from potential water customers after an extension is constructed, it may have an adverse impact on the ability of the City to make the required payments on the Series 2013 B Bonds.

Future Legislation

Current or future legislative proposals, if enacted into law, may cause interest on the Series 2013 B Bonds to be subject, directly or indirectly, to federal income taxation or otherwise prevent holders of the Series 2013 B Bonds from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals may also affect the market price for, or marketability of, the Series 2013 B Bonds. Prospective purchasers of the Series 2013 B Bonds should consult their own tax advisors regarding any such pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

It is not an event of default on the Series 2013 B Bonds if any legislation is enacted reducing or eliminating the exclusion of interest on state and local government bonds from gross income for federal income tax purposes.

The Public Service Commission of West Virginia

In West Virginia, municipal combined waterworks and sewerage utilities such as the City are subject to regulatory oversight by the Public Service Commission of West Virginia (the "Commission") in certain situations. Specifically, pursuant to Chapter 24, Article 2, Section 11 of the Code of West Virginia, 1931, as amended, utilities must obtain a certificate of public convenience and necessity prior to proceeding to construction for projects which are outside of "the normal course of business." Additionally, rate increases approved by the Council of the City are subject to review for regulatory "notice" requirements and, under certain circumstances, the actual proposed rates. Municipal combined waterworks and sewerage utilities in West Virginia do not have the ability to adjust rates without the possibility of regulatory review. The parameters surrounding this review are discussed below. Such regulatory review may delay or halt the implementation of rate increases which could cause the utility to fail to meet rate covenants or produce revenue sufficient to pay debt service.

The Commission has two levels of review. Most cases are initially assigned to an administrative law judge ("ALJ") for decision. The Commission employs a "staff" comprised of engineers, lawyers and financial analysts (the "Staff") to review cases and make recommendations. The City is also permitted to make recommendations, as are other parties who are granted "intervenor" status. The ALJ may conduct a hearing, at which evidence is presented and witnesses for all parties may be cross-examined, after which a recommended decision is issued. Any party to the underlying proceeding, including a party granted intervenor status, may take exception to the recommended decision of the ALJ, in which case the matter is referred to the full Commission for decision. Otherwise, the recommended decision becomes a final order of the Commission.

Commission Regulatory Oversight of Rate Increases

Pursuant to Chapter 8, Article 11, Section 4, Chapter 8, Article 20, Section 11 and Chapter 24, Article 2, Section 4b of the Code of West Virginia, 1931, as amended, the Council of the City has the ability to establish rates for the combined waterworks and sewerage utility through the enactment of an ordinance, following a public hearing on such ordinance. In the enactment of such an ordinance, the City must comply with regulations of the Commission related to providing notice of such proposed rate increase. The Commission reviews the compliance of the City with such regulations and, if the Commission determines that the City has failed to satisfy the requirements of the regulations, the Commission may declare the rate ordinance invalid.

In such instance, the City would have no choice but to reenact the ordinance.

Commission Review of Proposed Rate Increases

Once enacted by the City, the proposed rates are subject to review by the Commission under the following scenarios:

1. More than 25% of the customers of the City sign a petition asking that the Commission review the rates proposed by the City; or
2. A customer of the City, which resides within the municipal boundaries of the City, alleges in writing that the rates being proposed by the City are "discriminatory"; or

3. A customer of the City, which resides outside of the municipal boundaries of the City, alleges in writing that the rates being proposed by the City are "discriminatory."

If any of the above occurs, the Commission then takes "jurisdiction" over the rates, initiating an investigation into the need for the proposed rates. Pursuant to Chapter 24, Article 2, Section 4b of the Code of West Virginia, 1931, as amended (the "PSC Act"), the rates enacted by the City are suspended for 120 days from the date the rates would otherwise have gone into effect and the new rates, if any, established by the Commission will go into effect at that end of the suspension period.

The Commission views the term "discrimination" to include more situations than those where a different rate is applied to resident and non-resident customers. The Supreme Court of Appeals of West Virginia previously affirmed the Commission's interpretation of the term "discrimination" when the court held that verified allegations, "which included the failure of the [municipality] to perform a class cost of service study and the discriminatory imposition of certain costs to resale customers, were sufficient to meet the requirements" found in the PSC Act. *City of Wheeling v. Pub. Serv. Comm'n of W. Va.*, 199 W. Va. 252, 257, 483 S.E.2d 835, 840 (1997).

The City has utility resale customers. Any one resale customer may allege "discrimination," causing the Commission to take jurisdiction over any proposed rate increase. Likewise, any one customer located within the City limits may allege "discrimination," also causing the Commission to take jurisdiction over any proposed rate ordinance.

Potential Delays for the Enactment of Rate Increases

Generally, the process of enacting a rate ordinance for the City requires a minimum of four weeks (two readings by Council, separated by sufficient time to allow for the publication of a public hearing prior to the second reading. Pursuant to the PSC Act and regulations of the Commission, the rates cannot go into effect any sooner than 45 days from the date of enactment, provided that an appeal of the proposed rates does not occur. In the event that the Commission takes jurisdiction of the rate increase, the Commission will establish a decision due date for the ALJ, that is generally 30 days prior to the end of the 120-day suspension period. If any of the parties, however, appeal the ALJ's recommended decision to the full Commission, the Commission will render its decision no later than the end of the 120-day suspension period. Additionally, a decision of the Commission may be appealed to the Supreme Court of Appeals of West Virginia, which has no statutory time frame within which to render a decision.

Consequently, the time period from the first reading of a rate ordinance to the increased rates being charged to the customers is a minimum of 75 days, and if the Commission takes jurisdiction, can exceed 180 days (Commission approved rates are billable during an appeal to the Supreme Court of Appeals of West Virginia). From the date the new rates begin to be charged, the City should realize revenues in approximately 45 to 60 days. Resale customers are required to obtain authorization from the Commission for any necessary increase in resale rates. Such increases are often granted by the Commission after the rates for the City go into effect, which means no assurance exists that resale customers will have sufficient revenues to begin paying the increased resale rates. The Commission can, and has on occasion, pre-approved resale rate increases in advance of the effective date of the new rates. As a result, resale customers may have the ability to begin charging the new resale rates

of the City as soon as the rates go into effect.

Test Year

If the Commission takes jurisdiction over a municipality's rate ordinance as described above, the regulations of the Commission require a municipality to file "financial justification" for the proposed rate increase. This financial justification must be based on financial data from the most recent actual audited or finally closed twelve-month period, also known as the "test year." Events which occur outside the test year are not generally permitted in the rate adjustment. A determination at the end of any twelve-month period that a rate increase is necessary may not result in increased rates and collections for nine months or more from the end of that period.

The City has the option to proceed with a rate increase at any time during the course of the year, however, the financials examined by the Commission will be the financials for the most recent full fiscal year, not the 12-month period immediately preceding the date of the request.

Reliance on "Known and Measurable" Adjustments

When considering adjustments to the rates of a utility for costs occurring during the "test year," the Commission's regulations require that the need for, and amount of, such adjustments be based on information that is "known and measurable." As a result, a change in revenues or expenses must, in most cases, have occurred in the test year being analyzed. If an increase in a cost, or a decline in revenue, is anticipated for the coming year, the Commission generally will not take such change into account for rate making purposes unless the change occurs during the test year.

As a result of the requirement that the support for adjustments be "known and measurable," the Commission will generally not allow multi-year rate increases to address anticipated inflation or drops in customer usage. Therefore, the City must initiate the rate ordinance process, and potential Commission review, whenever increased costs or decreased revenues necessitate a rate increase.

Emergency Rate Increase

The PSC Act permits utilities to request "emergency rates" if the utility is in "financial distress." Financial distress has been defined by the Commission to mean the utility is unable to pay operation and maintenance expenses and the principal and interest on the utility's debt obligations. Such rates, however, are subject to refund, in the event the Commission determines that the emergency rates, or any portion thereof, are not warranted. Generally, emergency rates sufficient to meet coverage requirements in bond documents will not be permitted by the Commission.

Treatment of Renewal and Replacement Funds

Most municipal combined waterworks and sewerage utilities in the State are required, pursuant to the terms of their outstanding bonds, to deposit 2.5% of gross revenues in a "Renewal and Replacement Fund" or "Depreciation Account" each month. The purpose of this account is to provide monies for capital repairs and improvements, to construct extensions and to make up deficiencies in the reserve funds. In recent years, the Commission has taken

the position that while the deposits should be made into such "Renewal and Replacement Fund" or "Depreciation Account" each month, such deposits are to be included in the calculation of the City's funds available for capital additions for the Fiscal Year. The Commission generally calculates funds available for capital additions by averaging capital additions for the last five years; provided, however, the Commission will consider a different calculation if the utility can demonstrate the need for a higher capital requirement.

Consequently, the City is not permitted to accumulate funds to be used for unforeseen capital repairs and replacements, for needed extensions or to replenish draws from the reserve funds as the account is to be utilized each year as part of the ongoing capital expenditures for the System. The City's inability to maintain funds for emergencies increases its risk of utilizing revenues to pay for emergency repairs leaving insufficient funds to pay debt service on the Bonds.

Annual Municipal Audit

Pursuant to Chapter 6, Article 9 of the Code of West Virginia, 1931, as amended (the "Audit Act"), the State Auditor, as the chief inspector and supervisor of public offices (the "Chief Inspector") is charged with the responsibility of (1) formulating, prescribing and installing a system of accountability for all local units of government in West Virginia, including municipalities and (2) examining the financial affairs of every local government office or political subdivision and all boards, commissions, authorities, agencies or other offices. The City is a local government under the Audit Act. Accordingly, pursuant to Section 7 of the Audit Act, an audit of the City's finances must be accomplished by the Chief Inspector or any person appointed by him. The Chief Inspector has developed procedures which allow certain municipalities to obtain audit services from certain approved accounting firms. The City has been instructed by the Chief Auditor to procure audit services pursuant to such procedures. The procedures developed by the Chief Inspector to procure a CPA firm for the audit require written approval of all contracts and extensions to contracts by the Chief Inspector prior to the commencement of work on the audit by the CPA firm. Additionally, the Chief Inspector is authorized to unilaterally cancel any contract between the City and a CPA firm under certain conditions and elect to perform the audit. Accordingly, the actions or lack of actions of the Chief Inspector may adversely impact the ability of the selected CPA firm to timely complete the annual audited financial information required to be submitted to EMMA pursuant to the Continuing Disclosure Certificate. See "CONTINUING DISCLOSURE" herein. Additionally, the City has no power to require the Chief Inspector to take any action required under such procedures that would ensure the completion of the audit to meet the timely filing of such information.

THE SYSTEM

The City has operated a water treatment and distribution system since 1961 and a sewerage collection and treatment system since 1928. The systems are legally combined pursuant to the Act.

Water

The City's water treatment plant is a state of the art facility utilizing complete recycling of backwash and system overflows, gravity plate settlers, sludge concentrators and declining rate filter. The water treatment plant is designed to operate at 2.8 million gallons per day (MGD).

Raw water is obtained from the Shenandoah River through a single intake screen and 20-inch intake line that feeds into a 3.0 MGD pump station. The intake is approximately 600 feet upstream of the Route 9 bridge. The Shenandoah River is part of the Chesapeake Bay Watershed and has a drainage area of approximately 3,000 square miles. The plant is designed to produce an adequate supply of water meeting the requirements of the Safe Drinking Water Act.

According to a June 30, 2012 bill analysis, approximately 5,668 monthly billings were made by the water system, of which 5,131 were residential and 537 were commercial.

Sewer

The City owns, operates and maintains a wastewater treatment and collection system, extending throughout the City and into the Town of Ranson and the Jefferson County Public Service District, consisting of approximately 85 miles of sewer main. All operating and maintenance expenses, in addition to capital improvement expenditures, for the primary 1.75 MGD treatment plant are evenly split between the three entities pursuant to an existing long term sewer service agreement. Until operational problems at the treatment plant became too prevalent due to overloading, the facility also received septage from several local septage haulers. The plant discharges its treated effluent to Evitts Run, a tributary of the Shenandoah River.

According to a survey of sewer customers, as of June 30, 2012, approximately 12,299 residents were served by the wastewater treatment plant. This number was derived from metered water billing accounts and 2010 census information. The breakdown of residential customers in the three service entities is as follows:

Charles Town:	2,235 residences @ 2.26 people/residence	=	5,051
Ranson:	1,080 residences @ 2.44 people/residence	=	2,635
Jefferson Co. PSD:	1,816 residences @ 2.54 people/residence	=	<u>4,613</u>
			12,299

Sewer Service Area

The Charles Town wastewater treatment and collection system serves the following areas of Jefferson County:

North to the Bardane and Burr Industrial Parks including Jefferson High School and the Job Corps Center. This northern area is further described to include the subdivisions of Walnut Grove, Security Hills, Breckenridge, Briar Run, Flowing Springs, Patrick Henry as well as the Charles Town Plaza that includes Wal-Mart, Jefferson Crossing Shopping Center and the Charles Town Race Track.

The eastern boundary is described as approximately the Halltown area south of the railroad track, then in a southerly direction further bounded approximately by Marlowe Road.

West along the Frontage Road off U. S. Route 340 on the South to the Route 9 Bypass, encompassing all of Charles Town and Ranson. South and west approximately bounded by Huyett Road and Summit Point Road. Due west outside the corporate limits of Ranson to include Orchard Hills subdivision north to Leetown Pike.

Mayor/Council

The City is governed by an elected Mayor and Council. The Mayor and Council members, terms and occupations are listed below:

<u>Mayor/Council</u>	<u>Term</u>	<u>Occupation</u>
Peggy A. Smith	6/13 to 6/17	Retired
Rich Bringewatt	6/13 to 6/17	President, National Health Policy Group
Wayne Clark	6/11 to 6/15	Business Owner
Jonathan L. Wertman	6/13 to 6/17	Attorney
Chester Hines	6/13 to 6/17	Retired
Sandra Slusher McDonald	6/13 to 6/17	Administrative Assistant
Ann Paonessa	6/11 to 6/15	Office Manager
Mark Reinhart	6/11 to 6/15	Patent Examiner
Michael Slover	6/11 to 6/15	Economist

Joseph Cosentini has been the City Manager for the past 2 years. Mr. Cosentini joined the City's staff in 2005 initially as Recorder. In addition to the City Manager, the City has 29 full-time employees.

Utility Board

Pursuant to the Act and the Board Ordinance, the System is operated by a Utility Board appointed by the Council. Utility Board members include Kristen Stolipher, Peter Kubic,

Registered Professional Engineer, Thomas W. Stocks, Charles W. Kline and the City Manager. The Board employs a Utility Manager, 18 full-time and 3 part-time employees, including a Class III Wastewater Plant Operator and a Class III Water Treatment Plant Operator.

Summary of Past Projects

The City is committed to continue improvements in the operation of the water and wastewater portions of the System. A brief history of the past projects and significant improvements under the current management include:

- Completed a water loss audit by an independent engineering firm (ACER Engineers & Consultants, Inc.).
- Implemented the recommendations of the audit through adoption of a water loss mitigation plan, a 100% water meter replacement program and hardware and software upgrades, to provide increased cash flow.
- Under West Virginia Senate Bill 568, requested and had completed a Public Service Commission audit.
- Adopted Finance Policy F1-1, *Collection Procedures*, to comply with PSC Rule 4.8, *Utility Discontinuance of Service*, to improve water and sewer collections.
- With regard to wastewater treatment and following a Pre-Application and Feasibility Study, an Inflow and Infiltration Study, an Influent BOD Source Study, Volumetric Metering of Effluent Flow, and Facilities Plan, the City completed a \$4.3 million upgrade to a sequential batch reactor system at the Wastewater Treatment Plant.
- Facilities Plan for Water System completed March 2001.
- Purchased a private utility with 175 customers, that includes a Super Wal-Mart. Purchased the assets of the Charles Town Races and Gaming private water system and connected the property to the City of Charles Town Water System.
- Acquired the assets of the existing Tuscawilla Utilities water and sewer systems, then engineered a water connecting line, constructed one Tuscawilla water tank and one Huntfield development water tank. Tuscawilla serves approximately 1,150 residential customers.
- Acquired an approximately one mile water main to connect the System to the Huntfield development water system. This new development of approximately 1,000 acres has the capacity to accommodate over 3,000 homes.
- Completed in 2003, the Downtown Revitalization Project and Phase I Water Improvement Project totaled \$6.7 million. The \$2 million Downtown Revitalization Project was funded primarily by State and Federal grant funding (\$1.4 million) to install new sidewalks, street areas, lighting and furniture that enhanced a state transportation corridor in the historic downtown area by promoting walkability and supporting tourism and economic development. Concurrently, a water line replacement project was completed through the downtown ensuring adequate fire flows in the National Register of Historic

Places district. Finally, new water storage and three additional miles of water mains were installed.

- Financed with revenue bonds issued in June 2005 in the principal amount of \$2,355,000, a project to increase the System's treatment capacity by an additional 550,000 gallons per day. The project added two blowers to the Sequencing Batch Reactor ("SBR") system, as well as a 600,000 gallon aerobic digester to enhance digestion and reduce solids. The project resulted in improved discharge water quality.
- Financed with revenue bonds issued in January 2006 in the principal amount of \$1,830,000, a project to purchase and add an existing sewerage collection system to the City's combined waterworks and sewerage system. The customers reside in the Huntfield residential subdivision. The development consists of approximately 1,000 acres located along US 340 and has the capacity to accommodate over 3,000 homes.
- Financed with revenue bonds issued in July 2006 in the principal amount of \$2,000,000, a project to acquire, construct and equip certain improvements to its existing combined waterworks and sewerage system, consisting of the Northern High Zone water storage tank, booster station and related appurtenances. In addition, the City completed a twelve (12) inch interconnection to the Tusawilla-Locust Hill development.
- Received an Insurance Services Organization favorable report. The rating improved from the last audit. The previous rating was 6/9 and the 5/9 generally warrants a reduction in insurance premiums.
- Leak detection efforts completed in Charles Town, Ranson, Locust Hill and Tusawilla; all leaks repaired. Water loss for fiscal year 2011 was 38.1% reduced in 2012 to 31.1%.
- New water line work in 2012 included Brooke Street (2,200 feet 4"), 200 block Reymann Street and 4th Avenue (1,100 feet of 4"), two blocks of 3rd Avenue and Preston (1,000 feet of 4"), 100 block of west 4th Avenue (460 feet of 2"), and Hessa Street (240 feet of 2").
- Began partnership with West Virginia University on scanning efforts for GIS Inventory.
- Since 2010, all fire hydrants flowed, tagged, mapped and repaired where necessary (156 Public and 212 Private).
- Completed an MBR pilot study to evaluate Water Plant Improvement and Expansion (Proposed at \$10,922,000).
- Converted to chloramines for water treatment to reduce HAA5 and THHM contaminants.
- Completed engineering efforts for the Water Generator Project at \$850,000.

- Purchased and installed a Sensus FlexNet meter reading system utilizing ARRA funds in the amount of \$1,012,458. Installation of AMR transceiver units totaled 5,772 capable of transmitting meter readings every 4 hours.
- Since 2007, the Charles Town Utility Board has committed to publishing a Sewer Strategic Plan annually to align sewer needs with developer projections and schedule compliance timelines for nutrient reductions to meet Chesapeake Bay limits. The most recent Plan is published at www.ctubwv.com as well as the 2012 Consumer Confidence Report. In 2009 the Board also prepared a Water and Wastewater Capital Improvement Program.
- Tuscawilla Project (SRF# C-544392-02). Major modification to construct a .5 MGD MBR facility approved February 3, 2011, and construction began September 1, 2011, at \$13,081,610.00. Substantial completion by Fall 2013.
- Huntfield Force Main and Augustine Ave. Pumpover Station Projects (SRF# C-544392-03). Permit Mod. No. 1 received April 11, 2012, and construction began January 2013, to provide an interconnect between the new Tuscawilla facility and the Charles Town Wastewater Treatment Plant at \$1,500,000. Significant flows will be diverted for enhanced quality treatment at Tuscawilla for Chesapeake Bay compliance.
- Combined Permit – Major Modification through public notice period to combine WVNPES Permit No. WV0022349 and WVNPDES Permit No. WV0088013 for nutrient loading limits.
- Willow Spring and 2012 – 2014 Wastewater Projects – (Willow Spring purchase, Willow Spring pumpover, Samuel Street upgrade, Jefferson Ave line, Patrick Henry / Wal-Mart pump station improvements, the SEP and the Effluent Line at Tuscawilla). Application submitted January 10, 2012, IJDC approved April 11, 2012, Clean Water State Revolving Funds \$5,546,600 for Design and Construction - (0%, 0.5% Admin Fee, 30 year), Private Funding \$1,914,400 (Willow Spring purchase and SEP) – (4.88%, 30 year). FY2013 Priority List Application for the Clean Water State Revolving Fund Program submitted. Design Loan \$595,000 filed June 11, 2012 (Part of \$7,761,000 Project). Engineering to be completed in 2013.
- Chesapeake Bay projects at 2012 the Charles Town “eligible” Bay costs equal \$21,537,600 (as Tuscawilla Phase 1 with engineering \$16,397,192, Projects 1B and 1C \$1,153,558, Charles Town Phase 1 \$3,202,000 and Tuscawilla Effluent Line \$784,850) and would allow Charles Town to meet Chesapeake Bay compliance at 1.5 MGD. On December 1, 2012, the WV Water Development Authority issued report to the Joint Committee on Government and Finance of the total cost of compliant projects and the proposed grant awards for each eligible project. Grants are to be awarded through bonds issued by the State and paid from State Excess Lottery Revenue Fund (Senate Bill 245).
- JobsPlus asset management system fully operational from the server.

- Full implementation of new accounting and billing software from Tyler at January 2013 at a cost of \$150,000.

Current Sewer Rates

The Public Service Commission authorized a sewer rate increase effective for all service rendered on or after the completion of an improvements project undertaken in 2010. The current rates are as follows:

SCHEDULE I

Applicability

Applicable within the entire territory served excluding the entire area known as the Huntfield subdivision.

Availability

Available for general domestic, commercial and industrial service and sale for resale sewer service.

Rate (Customers with metered water supply)

First	2,000 gallons used per month	\$11.83 per 1,000 gallons
Next	8,000 gallons used per month	\$8.51 per 1,000 gallons
Next	20,000 gallons used per month	\$7.73 per 1,000 gallons
All Over	30,000 gallons used per month	\$6.85 per 1,000 gallons

Minimum Bill

No bill shall be rendered for less than \$23.66 per month, which is the equivalent of 2,000 gallons.

Flat Rate Charge (Customers with non-metered water supply)

Equivalent of 4,500 gallons of water usage, \$44.94 per month

Resale Rate

\$6.13 per 1,000 gallons per month

Resale Credit (Applicable only to Jefferson County Public Service District)

A monthly credit of \$3,451 per month will be credited against the respective bill rendered to Jefferson County Public Service District for debt incurred by the District as part of the 2000 Charles Town Treatment Plant upgrade. This credit will remain in effect until the indebtedness associated with the respective upgrade is satisfied (Matures 2031).

Transportation Credit (Applicable only to Jefferson County Public Service District)

A monthly credit of \$1,009 per month will be credited against the respective bill rendered to Jefferson County Public Service District for reimbursement of fixed debt associated with lift stations needed to transport Charles Town's sewage from the former Sanitary Associates service area. The credit will be given until the indebtedness is satisfied. In addition to the monthly credit of \$1,009, a transportation credit of \$1.65 per thousand gallons shall be provided to the Jefferson County Public Service District for all flows from the former Sanitary Associates area.

Delayed Payment Penalty

The above schedule is net. On all current usage billings not paid in full when due, ten percent (10%) will be added to the net current amount unpaid. The delayed payment penalty is not interest and is only to be collected only once for each bill where it is appropriate.

Tap Fee

The following charge is to be made whenever the utility installs a new tap to serve an applicant.

A tap fee of \$400.00 will be charged to customers applying for service outside of a certificate proceeding before the Commission for each new tap to the system.

Returned Check Charge

If a check is returned by the bank for any reason, the bank's charge to the Utility shall be the Utility's charge to the customer for such a bad check, but such charge to customers shall not exceed \$25.00.

Leak Adjustment

\$0.95 per 1,000 gallons of water is to be used when the bill reflects unusual consumption which can be attributed to eligible leakage on the customer's side of the meter. This rate shall be applied to all such consumption above customer's historical average usage.

Security Deposit

A deposit of \$50.00 or 2/12 of the average annual usage of the applicant's specific customer class, whichever is greater.

SCHEDULE II

Applicability

Applicable within the entire territory known as the Huntfield subdivision.

Availability

Available for general domestic, commercial, industrial and sale for resale sewer service.

Rate (Customers with metered water supply)

\$11.50 per 1,000 gallons of metered water usage

Minimum Bill

No bill shall be rendered for less than \$26.98 per month.

The above minimum charge is subject to an additional \$0.71 per 1,000 gallons per month.

Flat Rate Charge (Customers with non-metered water supply)

Equivalent of 4,500 gallons of water usage, \$51.75 per month

Multiple Occupancy

For unmetered trailer parks, the monthly charge for services shall be equal to the number of units multiplied by the unmetered charge provided above.

Delayed Payment Penalty

The above schedule is net. On all current usage billings not paid in full when due, ten percent (10%) will be added to the new current amount unpaid. This delayed payment penalty is not interest and is only to be collected only once for each bill where it is appropriate.

Tap Fee

The following charge is to be made whenever the utility installs a new tap to serve an applicant.

A tap fee of \$250.00 will be charged to customers applying for service outside of a certificate proceeding before the Commission for each new tap to the system.

Disconnect/ Reconnect/Administrative Fees

Whenever water service has been disconnected for non-payment of sewer bills in conjunction with a water service termination agreement with the City of Charles Town, a disconnect fee of \$10.00 shall be charged. Whenever water service has been disconnected for non-payment of sewer bills in conjunction with a water service termination agreement with Jefferson Utilities, Inc., a disconnect fee of \$20.00 shall be charged.

Whenever water service, which has been previously disconnected or otherwise withheld for non-payment of a sewer bill in conjunction with a water service termination agreement with the City of Charles Town is reconnected, a reconnection fee of \$10.00 shall be charged. Whenever water service, which has been previously disconnected or otherwise withheld for non-payment of a sewer bill in conjunction with a water service termination agreement with Jefferson Utilities, Inc. is reconnected, a reconnection fee of \$20.00 shall be charged.

Leak Adjustment

\$0.95 per 1,000 gallons of water is to be used when the bill reflects unusual consumption which can be attributed to eligible leakage on the customer's side of the meter. This rate shall be applied to all such consumption above customer's historical average usage.

Returned Check Charge

A service charge equal to the actual bank fee assessed to the sewer utility up to a maximum of \$25.00 will be imposed upon any customer whose check for payment of charges is returned by the bank due to insufficient funds.

SCHEDULE III

Applicability

Applicable to Developers, which is defined as a person, corporation or entity who is in the business of land and/or commercial or housing development for profit, or a person, corporation, or entity who requests an alternate main line extension that includes the installation of mains by the person, corporation or entity. Applicable to non-Developers when the property at issue is a subdivided portion of a Previously Developed Tract. The term "Previously Developed Tract" as used in this Order is defined as property previously subdivided for commercial or housing development, for profit. Owners of existing or new (being constructed) single-family structures, where the person applying for service will be the

customer of record, and the proposed service location is not part of a Previously Developed Tract, shall be exempt from payment of the Capital Capacity Improvement Fee.

Capacity Improvement Capital Cost Fee

There shall be paid to the City at the time of issuance by the City of a final sewer availability letter for the property to be served a capital capacity improvement fee of \$5,500 for each residential connection. Connections for non-residential use shall be paid in accordance with a residential usage equivalent schedule set forth below. The funds collected from the capital capacity improvement fee shall be maintained in a separate fund administered jointly by the City, the Jefferson County PSD and the City of Ranson or their designees and shall be used only for the purpose of improving the City's treatment facilities.

Additional Capacity Improvement Fee – Huntfield Pump Station

There shall be paid to the City at the time of issuance by the City of a final sewer availability letter for any development using the Huntfield pump station an additional capital capacity improvement fee - Huntfield pump station of \$2,875.00 for each equivalent dwelling unit. The funds collected from the capital capacity improvement fee shall be maintained in a separate fund administered by the City and shall be used only for the purpose of expanding the Huntfield pump station. All properties within the originally annexed acreage of the Huntfield subdivision, as described by the annexation of additional territory of the City of Charles Town pursuant to West Virginia Code 8-6-4 order by the County Commission of Jefferson County dated January 10, 2002, shall be exempt from this fee.

The usage equivalent for other than single family residential units for the capital capacity improvement fee and additional capital capacity improvement fee - Huntfield pump station shall be based upon the following:

BOND ORDINANCE

The Conformed Bond Ordinance is set forth herein as Appendix F. See APPENDIX F - "CONFORMED BOND ORDINANCE."

TAX MATTERS

In the opinion of Steptoe & Johnson PLLC, Bond Counsel, under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2013 B Bonds (i) is excludable from gross income of the holders thereof for Federal income tax purposes, assuming compliance with certain provisions described herein pertaining to the Internal Revenue Code of 1986, as amended, (ii) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, however, interest paid to corporate holders of the Series 2013 B Bonds is taken into account to determine adjusted current earnings when computing the alternative minimum tax for certain corporations, and (iii) under the laws of the State of West Virginia, the Series 2013 B Bonds are exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Series 2013 B Bonds is exempt from personal and corporate income taxes imposed directly thereon by the State of West Virginia.

The City has designated the Series 2013 B Bonds as "qualified tax-exempt obligations" and has covenanted that it does not reasonably expect to issue more than \$10,000,000 of tax-exempt obligations (other than private activity bonds) during the calendar year 2013. Therefore, the Series 2013 B Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code, and the provision of the Code which disallows all deductibility of interest expense incurred by financial institutions on debt incurred or to purchase or carry most tax-exempt obligations does not apply to the Series 2013 B Bonds; accordingly, 80% of the interest expense of a financial institution incurred for the purpose of purchasing or carrying the Series 2013 B Bonds is deductible for federal income tax purposes.

The opinions described above are subject to the condition that the City complies on a continuing basis with all requirements of the Internal Revenue Code of 1986, as amended, and regulations thereunder (the "Code") that must be satisfied for interest on the Series 2013 B Bonds to be or continue to be excluded from gross income for federal income tax purposes. The City has covenanted to comply with each such requirement. Failure to comply with certain of such requirements could cause the interest on the Series 2013 B Bonds to be included in the gross income of the recipients thereof for purposes of federal income taxation retroactively to the date of issuance of the Series 2013 B Bonds.

The accrual or receipt of the interest on the Series 2013 B Bonds may otherwise affect the federal income tax liability of certain recipients. The extent of these and other consequences will depend upon the recipient's particular tax status or other items of income or deductions. Bond Counsel expresses no opinion regarding any such consequences, and investors should consult their tax advisors regarding the tax consequences of purchasing or holding the Series 2013 B Bonds.

Current or future legislative proposals, if enacted into law, or regulatory or Internal Revenue Service promulgations may adversely affect the exclusion of interest on the Series 2013 B Bonds, or could cause interest on the Series 2013 B Bonds to be subject, directly or indirectly, to federal income taxation or otherwise prevent holders of the Series 2013 B Bonds from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals, or the promulgation of any regulations or rulings, may also affect the market price for, or marketability of, the Series 2013 B Bonds. Prospective purchasers of the Series 2013 B Bonds should consult their own tax advisors regarding any such pending or proposed federal or state tax legislation, regulations, rulings or litigation, as to which Bond Counsel expresses no opinion.

Original Issue Discount

The original issue discount in the selling price of Series 2013 B Bonds maturing on October 1, 2036 and October 1, 2043 (the "Discount Bonds"), to the extent properly allocable to each owner of such Discount Bonds, is excluded from gross income for Federal income tax purposes with respect to such owner. The original issue discount is the excess of the stated redemption price at maturity of such Discount Bond over its initial offering price to the public, excluding underwriters and other intermediaries, at which price a substantial amount of the Discount Bonds of such maturity were sold.

Under Section 1288 of the Code, original issue discount on tax-exempt bonds accrues on a compound basis. The amount of original issue discount that accrues to an owner of a Discount Bond during any accrual period generally equals (i) the issue price of such Discount Bond plus the amount of original issue discount accrued in all prior accrual periods, multiplied by (ii) the yield to maturity of such Discount Bond (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period), minus (iii) any interest payable on such Discount Bond during such accrual period. The amount of original issue discount so accrued in a particular accrual period will be considered to be received ratably on each day of the accrual period, will be excludable from gross income for Federal income tax purposes, and will increase the owner's tax basis in such Discount Bond.

Purchasers of any Discount Bond at any original issue discount should consult their tax advisors regarding the determination and treatment of original issue discount for Federal income tax purposes, and with respect to state and local tax consequences of owning such Discount Bonds.

APPROVAL OF LEGALITY

Legal matters incident to the authorization, sale and issuance of the Series 2013 B Bonds are subject to the unqualified approving opinion of Steptoe & Johnson PLLC, Charleston, West Virginia, Bond Counsel. Hoy G. Shingleton, Jr., Esquire, Martinsburg, West Virginia, as counsel for the City, will pass upon certain legal matters for the City. Goodwin & Goodwin, LLP, Charleston, West Virginia, as counsel to the Underwriter, will pass upon certain legal matters for the Underwriter.

ABSENCE OF MATERIAL LITIGATION

There is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any court, public board or body, now pending or, to the best knowledge of the City, threatened or affecting the City (or, to the City's knowledge, any basis therefor) wherein an unfavorable decision, ruling or finding would have a material adverse effect on the City's financial position or on the validity of the Series 2013 B Bonds, the Ordinance or any agreement to which the City is a party and which is a part of the issuance of the Series 2013 B Bonds.

NEGOTIABLE INSTRUMENTS

Pursuant to State law, the Series 2013 B Bonds are and have all the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia. See "THE SERIES 2013 B BONDS - General."

UNDERWRITING

The Series 2013 B Bonds are being purchased by the Underwriter named on the cover of this Official Statement. The Purchase Contract provides that the Underwriter will purchase all the Series 2013 B Bonds, if any are purchased, at a purchase price equal to the initial public offering prices set forth on the cover page hereof less an Underwriter's discount of \$59,400. The obligation to make such purchase is subject to the terms and conditions set forth in the Purchase Contract, including the approval of certain legal matters by counsel. The Underwriter may change the initial public offering prices from time to time. The Underwriter may offer and sell Series 2013 B Bonds to certain dealers (including dealers depositing Series 2013 B Bonds into investment trusts) and certain dealer banks acting as agents at prices lower than the public offering prices stated on the cover page hereof.

FINANCIAL STATEMENTS

Included herein as Appendix B are the audited financial statements of the City of Charles Town as of and for the twelve-month period ended June 30, 2012, and the report with respect to the audited financial statements as of and for the twelve-month period ended June 30, 2012, dated February 8, 2013, of Perry & Associates, Certified Public Accountants, A.C.

CONTINUING DISCLOSURE

The City will provide the continuing disclosure described below. The City has covenanted to provide, in accordance with the Continuing Disclosure Certificate, which shall be delivered in substantially the form attached hereto as APPENDIX D, certain financial information and operating data regarding the City not later than two hundred seventy (270) days following the end of the Corporation's fiscal year, commencing with the reports for the fiscal year ended June 30, 2013 (which are due no later than March 31, 2014) (the "Annual Information"), and notice of the occurrence of the enumerated events listed therein, if material.

The Annual Information and each notice of material events will be filed electronically by the City with the Electronic Municipal Markets Access system (“EMMA”).

This continuing disclosure obligation is being undertaken by the City to assist the Underwriter in complying with Rule 15c2-12 promulgated by the SEC. The City has agreed to give notice in a timely manner to EMMA of any failure to supply the required information. However, any such failure will not constitute a default under the terms of the Series 2013 B Bonds. Under the Continuing Disclosure Certificate, the sole remedy for such failure is to seek an order for specific performance. See APPENDIX D - “Form of Continuing Disclosure Certificate.”

As indicated in the Five Year Historic Coverage Ratio chart shown on page 9 hereof, for the fiscal year ended June 30, 2008, the City failed to achieve the required debt service coverage ratio required by its Prior Ordinances. The City recognized its deficiency and took immediate steps to correct the deficiency, as indicated by the coverage ratios achieved in subsequent years. The steps taken by the City included increasing its rates and an increased focus on its budgeted revenue and expenses. As a result, the City’s water revenues increased by over \$500,000 during the fiscal year ended June 30, 2009, which led to an increase in operating income of over \$300,000 for the fiscal year ended June 30, 2009.

MISCELLANEOUS

The foregoing summaries, explanations and quotations do not purport to be complete and are expressly made subject to the exact provisions of the complete documents. Purchasers are referred to the Act and the Ordinance for full and complete statements of their provisions.

Any statements in this Official Statement involving matters of opinion, whether or not expressly so stated, are intended as such and not as representation of fact. This Official Statement is not to be construed as a contract or agreement between the City and the purchasers or owners of any of the Series 2013 B Bonds. The City has authorized the execution and distribution of this Official Statement.

INDEPENDENT ACCOUNTANTS' REPORT

February 8, 2013

Charles Town Utility Board
832 South George Street
Charles Town, WV 25414

To the Board of Directors:

We have audited the accompanying financial statements of the business-type activities of the **Charles Town Utility Board**, a component unit of the Municipality of Charles Town, Jefferson County, West Virginia, (the Utility Board), as of and for the year ended June 30, 2012, which collectively comprise the Utility Board's financial statements as listed in the table of contents. These financial statements are the responsibility of the Utility Board's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinions.

The Utility Board has elected not to record the 2012 OPEB expense that, in our opinion, should be recorded in order to conform with accounting principles generally accepted in the United States of America. If the OPEB expense was recorded, OPEB liability would increase \$183,414, and net assets would decrease by \$183,414 as of June 30, 2012. Additionally, expenses would increase by \$183,414 for the year ending June 30, 2012. In addition the utility Board has elected not to record previous periods OPEB expense that, in our opinion, should be recorded in order to conform with accounting principles generally accepted in the United States of America. If the previous OPEB expense was recorded the OPEB liability would be \$588,803 as of June 30, 2012.

In our opinion, except for the effects of not recording OPEB expense as explained in the preceding paragraph, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the Charles Town Utility Board, as of June 30, 2012 and the respective changes in financial position and cash flows, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated February 8, 2013 on our consideration of the Utility Board's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

Accounting principles generally accepted in the United States of America require this presentation to include *Management's discussion and analysis*, as listed in the table of contents, to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

We conducted our audit to opine on the financial statements that collectively comprise the Board's financial statements taken as a whole. The accompanying Schedule of Federal Awards Expenditures provides additional information required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is also not a required part of the basic financial statements. The Schedule of Federal Awards Expenditures is management's responsibility, and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. This schedule was subject to the auditing procedures applied to the basic financial statements. We also applied certain additional procedures, including comparing and reconciling this information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, in accordance with auditing standards generally accepted in the United States of America. In our opinion, this information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Respectfully Submitted,

Perry & Associates
Certified Public Accountants, A.C.

CHARLES TOWN UTILITY BOARD
JEFFERSON COUNTY
MANAGEMENT'S DISCUSSION AND ANALYSIS
For the Year Ended June 30, 2012
(Unaudited)

The discussion and analysis of the Charles Town Utility Board's (Utility Board) financial performance provides an overview of the Utility Board's financial activities for the fiscal year ended June 30, 2012. Please read it in conjunction with the Utility Board's financial statements.

FINANCIAL HIGHLIGHTS

The Utility Board's net assets increased \$0.4 million as a result of this year's operations. Net assets of the water fund increased \$0.2 million compared to the previous year, or 6 percent, net assets of the sewer fund increased by \$0.2 million, or 5 percent compared to the previous year.

The Utility Board's operating revenues decreased by \$0.1 million and operating expenses increased \$0.2 million compared to the previous year. Water fund operating revenues decreased by \$0.1 million and water fund operating expenses increased by \$0.2 million compared to the previous year. Sewer fund operating revenues remained constant at \$2.1 million and sewer operating expenses remained constant at \$1.7 million.

Operating income decreased by \$0.3 million for the water fund and remained constant at \$0.4 million for the sewer fund.

USING THIS ANNUAL REPORT

1. Management's Discussion and Analysis

The Management's Discussion and Analysis is intended to serve as an introduction to the Utility Board's financial statements. The Utility Board's financial statements and Notes to the Financial Statements included in this report were prepared in accordance with GAAP applicable to governmental entities in the United States of America for proprietary fund types, except that the Utility Board has elected to not record the liability for other post employment benefits (OPEB).

2. Financial Statements

The financial statements are designed to provide readers with a broad overview of the Utility Board's finances, in a manner similar to private-sector business. They consist of the Statement of Net Assets, Statement of Revenues, Expenses, and Changes in Net Assets, and Statement of Cash Flows.

The Statement of Net Assets presents information on all the Utility Board's assets and liabilities, with the difference between the two reported as net assets. Increases or decreases in net assets will serve as a useful indicator of whether the financial position of the Utility Board is improving or deteriorating.

The Statement of Revenues, Expenses, and Changes in Net Assets presents information showing how the Utility Board's net assets changed during the most recent fiscal year. All changes in net assets are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will result in cash flows in different fiscal periods (e.g., depreciation and earned but unused vacation leave).

The Statement of Cash Flows presents the Utility Board's sources and uses of cash and changes in cash balances between the current and prior year.

The financial statements report all Utility Board financial activities. The activities are primarily supported by water and sewer user fees. The Utility Board's mission is furthering the preservation of public health, comfort and convenience of the residents of the Municipality of Charles Town and surrounding areas by providing water and sewer services to customers in its franchise area.

3. Notes to Financial Statements

The Notes to Financial Statements provide additional information that is essential to a full understanding of the data provided in the financial statements. The Notes to Financial Statements can be found in the financial statements mentioned at #2 above.

REPORTING THE UTILITY BOARD AS A WHOLE

The analysis below focuses on net assets (Table 1) and changes in net assets (Table 2) of the Utility Board's financial activities.

Table 1 - Net Assets (in Millions)

MANAGEMENT'S DISCUSSION AND ANALYSIS
For the Year Ended June 30, 2012
(Unaudited)**

By far, the largest portion of the Utility Board's assets reflects its investment in capital assets. The Utility Board uses these capital assets to provide water and sewer services to its customers; consequently, these assets are not available for future spending.

Table 2 - Changes in Net Assets (in Millions)

	Water Fund		Sewer Fund		Total

Change in net assets	\$ 0.2	\$ 0.2	\$ 0.2	\$ (0.1)	\$ 0.4	\$ 0.1

The Utility Board's operating revenues decreased by \$0.1 million or 2 percent. The operating expenses increased by \$0.2 million or 5 percent. The analysis separately considers the operations of the water and sewer funds.

BUDGETARY HIGHLIGHTS

For the year ended June 30, 2012, budgets were prepared by the Utility Board and were approved by the Utility Board of Directors. The budgets were primarily used as a management tool and have no legal stature. The budgets were prepared in accordance with principles used in the preparation of the financial statements.

CAPITAL ASSET AND DEBT ADMINISTRATION

Capital Assets

At June 30, 2012, the Utility Board had \$28.8 million invested in a broad range of capital assets, including land, structures, machinery and equipment, and water and sewer lines. (See Table 3). This amount represents a net increase (including additions and deductions) of \$1.8 million.

This year's major additions included (in Millions):			
Tuscowilla sewer treatment plant upgrade	\$ 2.9		

See Note 3 for additional information on Capital Assets.

Debt

At year-end, the Utility Board had \$25.8 million in long-term debt outstanding compared to \$25.3 million in the previous year.

Table 4 - Outstanding Debt at Year-End (in Millions)

	<u>2012</u>		<u>2011</u>

Loans (Municipality of Charles Town)	0.6		0.6
Notes	0.1		0.2
Bonds	24.6		23.8
Total	\$ 25.8	\$	25.3

The debt resulted mainly from issuing revenue bonds for the construction of water and sewer utility plant improvements. These bonds are secured by revenues derived from the combined water and sewer system.

Other obligations include notes, loans, and obligations under capital leases. More detailed information about the Utility Board's long-term liabilities is presented in the Notes 4 and 5 of the financial statements.

ECONOMIC FACTORS

The Utility Board's appointed officials considered many factors when setting the fiscal year 2012 budget. One of those factors is the economy. The County's population has a direct impact on the Utility Board's economic growth.

The Utility Board is optimistic about its potential for economic growth in the future. The increasing population, infrastructure improvements, annexation, and procurement of grants and other funding sources are all positive indicators for continued economic growth of the Utility Board.

JEFFERSON COUNTY
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended June 30, 2012**

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF BUSINESS

The Charles Town Utility Board (the "Utility Board") is a component unit of the Municipality of Charles Town, West Virginia. The Utility Board's purpose is furthering the preservation of the public health, comfort, and convenience of the residents of the Municipality of Charles Town and surrounding areas by providing water and sewer services to customers in its franchise area. The Utility Board is governed by a board of directors who are appointed by the Municipality of Charles Town. The Utility Board serves approximately 6,000 water customers and 3,000 sewer customers.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Governmental Accounting Standards Board is the accepted standard setting body for establishing governmental accounting and financial reporting principles. Significant accounting policies of the Utility Board are described below.

Reporting Entity

For financial reporting purposes, the Utility Board is considered a component unit of the Municipality of Charles Town. The basic criteria for defining the Utility Board as a component unit of the Municipality of Charles Town is the financial interdependence, accountability for fiscal matters, significant influence on operations and ability to designate management.

For purposes of regulation by the West Virginia Public Service Commission and as required by its revenue bond issues, water and sewer are maintained as separate funds with separate books of account.

Basis of Presentation

The accounting policies of the Utility Board conform to accounting principles generally accepted in the United States of America as applicable to enterprise funds of governmental units. The Utility Board accounts for its operations in a manner similar to those often found in the private sector. The measurement focus is based upon the determination of net income. The costs (including depreciation) of providing goods and services to customers on a continuing basis are recovered primarily through user charges. Periodic determination of revenues earned, expenses incurred and/or net income is appropriate for capital maintenance, public policy, management control and accountability.

Basis of Accounting

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Revenues and expenses of the Utility Board are accounted for within two funds, both of which are enterprise funds. The Utility Board uses the accrual basis of accounting for its enterprise funds, under which revenues are recognized when they are earned and expenses are recognized when they are incurred. In accordance with Governmental Accounting Standards Board (GASB) Statement No. 20, "Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities that Use Proprietary Fund Accounting," the Utility Board has elected to apply all applicable GASB pronouncements as well as FASB statements and interpretations, APB opinions, and Accounting Research Bulletins issued on or before November 30, 1989 that do not conflict with or contradict GASB pronouncements. Governments also have the option of following subsequent private-sector guidance for their business-type activities and enterprise funds, subject to this same limitation. The Utility Board has elected not to follow subsequent private-sector guidance.

Operating revenues and expenses consist of those revenues and expenses that result from the ongoing principal operations of the Utility Board. Operating revenues consist primarily of charges for services. Non-operating revenues and expenses consist of those revenues and expenses that are related to financing and investing types of activities and result from nonexchange or ancillary activities.

NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended June 30, 2012**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of Accounting (continued)

When both restricted and unrestricted resources are available for use, it is the Utility Board's policy to use restricted resources first, and then the unrestricted resources as needed.

Utility Plant

Utility plant purchased or acquired under capital leases by the Utility Board is stated at cost and utility plant contributed to the Utility Board is stated at fair market value at the time received. Depreciation is provided on all utility plant in service based on the estimated useful lives, which range from 5 to 50 years, using the straight-line method. The Utility Board's policy is to capitalize all property, plant, and equipment with a purchase price greater than \$5,000.

Expenditures for repairs and upgrading which materially add to the value or life of an asset are capitalized. Other maintenance and repair costs are expensed as incurred.

Interest related to construction projects is capitalized as a cost of the project. There was no capitalized interest for the year ended June 30, 2012.

Cash and Cash Equivalents

For purposes of reporting the Statement of Cash Flows, the Utility Board considers all cash accounts and all highly liquid debt instruments purchased with an original maturity of three months or less, to be cash equivalents.

Cash and cash equivalents at June 30, 2012 includes deposits of \$1,455,032 at four banks. Deposits are FDIC insured and deposits in excess of FDIC limits are 100% collateralized with securities held by the financial institution in the name of the Utility Board.

All carrying values are the same as market values.

Restricted Assets

Assets whose use is limited include:

Debt service funds and debt service reserve funds represent funds required by debt covenants under the various debt ordinances. These funds are to be used to pay bond interest and principal.

Construction funds represent funds held by banks as trustees under the bond ordinances. These funds are to be used solely for payment of costs associated with the Utility Board's ongoing construction projects.

Capacity improvement funds are established by ordinance and subject to West Virginia Public Service Commission regulation. The capacity improvement fund is to be kept apart from all other funds and shall be invested and reinvested in accordance with applicable regulation. Withdrawals and disbursements may be made for replacements, emergency repairs, improvements, and upgrades to the system.

The repair and replacement fund represents funds held by a bank under the Utility Board's bond ordinances. Withdrawals may be made for replacement and emergency repairs.

All carrying values are the same as market values.

For the Year Ended June 30, 2012

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue Recognition

The Utility Board's policy is to recognize revenue on the accrual basis. The Utility Board accrues revenue earned but not billed.

Accounts Receivable and Bad Debts

The Utility Board's management periodically analyzes delinquent accounts of the waster and sewer funds and uses the allowance method for accounting for bad debts. At June 30, 2012, accounts receivable for the water and sewer funds are \$188,280 and \$81,740, respectively, net of allowance for doubtful accounts. Revenue accrued but not billed for the water and sewer funds at June 30, 2012 are \$261,236 and \$97,231, respectively.

Intangible Assets

Amortization of debt issue costs is calculated by the straight-line method over the terms of the related bond issues.

Advance Refunding of Debt

Deferred amounts resulting from advance refunding of debt are being amortized by the straight-line method over the life of the new debt.

Income Taxes

The Utility Board is exempt from federal and state income taxes as a subdivision of the Municipality of Charles Town.

Inventories

Inventories consist of expendable supplies and are accounted for on a first-in first-out basis. Inventories approximate fair market value at June 30, 2012.

Compensated Absences

The Utility Board's policy is to permit employees to accumulate earned but unused vacation benefits. The Utility Board fully recognizes the liability related to compensated absences in the funds. Compensated absences amounted to \$62,940 at June 30, 2012.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Nonexchange Transactions

The Utility Board follows GASB Statement No. 33, *Accounting and Financial Reporting for Nonexchange Transactions* (Statement 33), which establishes accounting and reporting guidelines for government entities that gives (or receives) value without directly receiving (or giving) equal value in return. The Utility Board receives voluntary nonexchange transactions from developer and customer donations of cash, property, lines and improvements. In addition, the Utility Board receives various capital grants from federal and state agencies. These donations are considered capital contributions on the Statements of Revenues, Expenses, and Changes in Net Assets.

NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended June 30, 2012**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Customer Deposits

Customer deposits are refunded after bills for service have been paid on time for twelve consecutive months.

Net Assets

Net assets present the difference between assets and liabilities in the statement of net assets. Net assets invested in capital assets net of related debt are made up of capital assets net of accumulated depreciation reduced by the outstanding balances of any borrowing used for the acquisition, construction, or improvement of those assets. Net assets are reported as restricted when there are legal limitations imposed on their use by legislation or external restrictions by creditors, grantors, laws or regulations of other governments. Unrestricted net assets are all net assets that do not meet the definition of "invested in capital assets, net of related debt" or "restricted net assets."

Interfund Transactions

Interfund transactions are fully reflected in the financial statements and recorded through applicable "due to/due from" asset and liability accounts.

NOTE 6 - PENSION PLAN

The Utility Board is a participant in the West Virginia Public Employees Retirement System (WVPERS), which is a defined benefit, cost-sharing multiple-employer pension plan. The pension plan covers all the Utility Board's employees whose tenure is not temporary or provisional. Members' rights to employee contributions vest immediately while members with one year or more contributing service and five years or more credited service shall be eligible to retire at age 60. Contributions to the WVPERS by the Utility Board are 14.5% of eligible employees' compensation. In addition, the Utility Board withholds 4.5% of the eligible employees' compensation and remits the withholding on a monthly basis to the WVPERS. The Utility Board's contribution requirement was not actuarially determined. Contribution obligations and benefit provisions are established pursuant to the West Virginia Public Employees Retirement Act. The employer contributions for the year ended June 30, 2012, 2011 and 2010 were \$158,110, \$137,336 and \$124,530, respectively. The employee contributions for the years ended June 30, 2012, 2011 and 2010 were \$49,069, \$49,452 and \$50,944, respectively. Total covered payroll for the year ended June 30, 2012 was approximately \$1,090,000.

Information regarding benefit provisions, actuarial assumptions and funding method, pension benefit obligation (actuarial present value of projected benefits), net assets available for benefits, historical trends, and related party transactions are not readily available since such determinations are made and information is kept on a system-wide basis and not for the individual participating entities. This information is available in the separately issued financial statements of the WVPERS at Capitol Complex, Building 5, Room 1000, 1900 Kanawha Boulevard, East, Charleston, West Virginia 25305.

NOTE 7 - RETIREE HEALTH PLAN (RHP)

Plan Description

The Utility Board contributes to the West Virginia Retiree Health Benefits Trust Fund (RHBT), a cost-sharing multiple-employer defined benefit postemployment healthcare plan administered by the West Virginia Public Employees Insurance Agency (PEIA). The RHBT provides medical benefits to eligible retired employees of participating employers. Eligibility is primarily established through participation in certain defined benefit plans. The RHBT issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to West Virginia Retiree Health Benefits Trust, Building 5, Room 1001, 1900 Kanawha Boulevard East, Charleston, West Virginia.

Corporation Establishing the Plan and Funding Policy

Chapter 5, Article 16D of the West Virginia State Code assigns the Corporation to establish and amend benefits and provisions to the RHBT. Participating employers are contractually required to contribute at a rate based on the annual required contributions (ARC) of the plan, an amount actuarially determined in accordance with the parameters of Governmental Accounting Standards Board (GASB) Statement No. 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal costs each year and amortize any unfunded actuarial liabilities (or funding excess) of the plan over a period not to exceed thirty years. The Utility Board elected not to record OPEB expense for fiscal year 2012 and certain preceding years which is required under Generally Accepted Accounting Principles.

NOTE 8 - RISK MANAGEMENT

The Utility Board is exposed to various risks of loss related to torts, theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Utility Board participates in several risk management programs administered by the State of West Virginia.

**INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
REQUIRED BY *GOVERNMENT AUDITING STANDARDS***

February 8, 2013

Charles Town Utility Board
832 South George Street
Charles Town, WV 25414

To the Board of Directors:

We have audited the financial statements of the business-type activities of the **Charles Town Utility Board**, a component unit of the Municipality of Charles Town, Jefferson County, West Virginia, (the Utility Board), as of and for the year ended June 30, 2012, which collectively comprise the Utility Board's basic financial statements and have issued our report thereon dated February 8, 2013, wherein we qualified our opinion because the Utility Board elected not to record OPEB liability for the year ended June 30, 2012. Except as discussed above, we conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Utility Board's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinions on the financial statements, but not to opine on the effectiveness of the Utility Board's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Utility Board's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. Therefore, we cannot assure that we have identified all deficiencies, significant deficiencies or material weaknesses. However, as described in the accompanying schedule of audit findings we identified a certain deficiency in internal control over financial reporting, that we consider a material weakness.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and timely corrected. We consider finding 2012-01 described in the accompanying schedule of findings to be a material weakness.

Compliance and Other Matters

As part of reasonably assuring whether the Utility Board's basic financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We did note certain matters not requiring inclusion in this report that we reported to the Utility Board's management in a separate letter dated February 8, 2013.

We intend the report solely for the information and use of management, the Board of Directors of Charles Town Utility Board, federal awarding agencies and pass-through entities, and others within the Utility Board. We intend it for no one other than these specified parties.

**INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH REQUIREMENTS
APPLICABLE TO EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY WITH OMB CIRCULAR A-133**

February 8, 2013

Charles Town Utility Board
832 South George Street
Charles Town, WV 25414

To the Board of Directors:

Compliance

We have audited the compliance of the **Charles Town Utility Board**, a component unit of the Municipality of Charles Town, Jefferson County, West Virginia, (the Utility Board), with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133, Compliance Supplement* that could directly and materially affect the Utility Board's major federal program for the year ended June 30, 2012. The summary of auditor's results section of the accompanying schedule of audit findings identifies the Utility Board's major federal program. The Utility Board's management is responsible for complying with the requirements of laws, regulations, contracts, and grants applicable to each major federal program. Our responsibility is to opine on the Utility Board's compliance based on our audit.

Our compliance audit followed auditing standards generally accepted in the United States of America; the standards applicable to financial audits included in the Comptroller General of the United States' *Government Auditing Standards*; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. These standards and OMB Circular A-133 require that we plan and perform the audit to reasonably assure whether noncompliance occurred with the compliance requirements referred to above that could directly and materially affect a major federal program. An audit includes examining, on a test basis, evidence about the Utility Board's compliance with these requirements and performing other procedures we considered necessary in the circumstances. We believe our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Utility Board's compliance with these requirements.

In our opinion, the Charles Town Utility Board, a component unit of the Municipality of Charles Town, Jefferson County, West Virginia complied, in all material respects, with the requirements referred to above that could directly and materially affects its major federal program for the year ended June 30, 2012.

Internal Control Over Compliance

The Utility Board's management is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the Utility Board's internal control over compliance with requirements that could directly and materially affect a major federal program, to determine our auditing procedures for the purpose of opining on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of opining on the effectiveness of internal control over compliance. Accordingly, we have not opined on the effectiveness of the Utility Board's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, when performing their assigned functions, to prevent, or to timely detect and correct, noncompliance with a federal program compliance requirement. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a federal program compliance requirement will not be prevented, or timely detected and corrected.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

We intend the report solely for the information and use of management, the Board of Directors of Charles Town Utility Board, federal awarding agencies and pass-through entities, and others within the Utility Board. We intend it for no one other than these specified parties.

Respectfully Submitted,

OPEB Liability

The Utility Board has elected not to record the 2012 OPEB expense that, in our opinion, should be recorded in order to conform with accounting principles generally accepted in the United States of America. If the OPEB expense was recorded, OPEB liability would increase \$183,414, and net assets would decrease by \$183,414 as of June 30, 2012. Additionally, expenses would increase by \$183,414 for the year ending June 30, 2012. In addition the utility Board has elected not to record previous periods OPEB expense that, in our opinion, should be recorded in order to conform with accounting principles generally accepted in the United States of America. If the previous OPEB expense was recorded the OPEB liability would be \$588,803 as of June 30, 2012.

Management's Response- The Utility Board elected not to record the liability, which is consistent with the City of Charles Town. The Utility Board supports the City of Charles Town's position.

FORM OF OPINION OF BOND COUNSEL

October 1, 2013

City of Charles Town
Combined Waterworks and Sewerage System Revenue Bonds,
Series 2013 B (Tax-Exempt)

City of Charles Town
Charles Town, West Virginia

Crews and Associates, Inc.
Charleston, West Virginia

West Virginia Water
Development Authority
Charleston, West Virginia

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the authorization, issuance, sale, and the initial delivery on the date hereof, by the City of Charles Town, West Virginia (the "*Issuer*") of its \$2,970,000 aggregate principal amount of Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax-Exempt) (the "*Series 2013 B Bonds*").

The Series 2013 B Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "*Act*"), and a Bond Ordinance duly enacted by the Issuer on April 1, 2013, as supplemented by a Supplemental Parameters Resolution and Conformed Ordinance duly adopted by the Issuer on September 3, 2013 (collectively, the "*Ordinance*"), and are subject to all the terms and conditions of the Ordinance. All capitalized terms used and not otherwise defined herein shall have the meanings set forth in the Ordinance.

The Series 2013 B Bonds are issued in fully registered form, are dated October 1, 2013, mature on October 1 in the years and amounts and bear interest payable each April 1 and October 1, commencing April 1, 2014, all as set forth in the Ordinance.

The Ordinance provides that the Series 2013 B Bonds are issued for the purpose of (i) paying the costs of acquisition and construction of certain additions, betterments and

improvements to the System; (ii) funding the Series 2013 B Bonds Reserve Account; and (iii) paying the costs of issuance of the Series 2013 B Bonds.

The Series 2013 B Bonds have been sold to Crews and Associates, Inc. (the "*Original Purchaser*"), pursuant to a Bond Purchase Agreement dated September 24, 2013 (the "*Bond Purchase Agreement*"), accepted by the Issuer.

In connection with our engagement as Bond Counsel, we have examined the law and such documents and matters as we have deemed necessary to render this opinion. As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Original Purchaser and other entities contained in the Ordinance, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate and in the certified proceedings and other certifications of certain officials furnished to us without undertaking to verify the same by independent investigation and have relied upon, and have assumed, due compliance with the provisions of, the proceedings and other documents.

Based upon the foregoing, and assuming compliance with the covenants and representations of the Issuer and others set forth in the Ordinance, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate and such certifications, we are of the opinion, under existing law, that:

1. The Issuer is a duly organized and validly existing municipal corporation under and pursuant to the laws of the State of West Virginia, with full power and authority to adopt and enact the Ordinance, enter into the Bond Purchase Agreement, the Continuing Disclosure Agreement and the Tax Certificate, perform its obligations under the terms and provisions thereof and to issue and sell the Series 2013 B Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Issuer, through its governing body, has legally and effectively adopted and enacted the Ordinance; has authorized, executed and delivered the Bond Purchase Agreement, the Continuing Disclosure Agreement, and the Tax Certificate; has authorized the distribution of the Official Statement in connection with the marketing and sale of the Series 2013 B Bonds; and has issued and delivered the Series 2013 B Bonds to the Original Purchaser pursuant to the Bond Purchase Agreement. The Ordinance is in full force and effect as of the date hereof.

3. Assuming due authorization, execution and delivery by the other parties thereto, the Bond Purchase Agreement, the Continuing Disclosure Agreement and the Tax Certificate constitute valid, legal, binding and enforceable instruments of the Issuer in accordance with their respective terms.

4. The Series 2013 B Bonds have been duly authorized, executed and delivered by the Issuer and, assuming proper authentication, constitute valid and legally enforceable limited obligations of the Issuer, payable from, and secured by a lien on, the Gross Revenues of the System, on a parity with the Issuer's: (a) Combined Waterworks and Sewerage System Revenue

Bonds, Series 1987 B, dated November 18, 1987, issued in the original aggregate principal amount of \$413,629 (the "*Series 1987 B Bonds*"); (b) Combined Waterworks and Sewerage System Revenue Bonds, Series 1988 B-1, dated May 4, 1988, issued in the original aggregate principal amount of \$295,916 (the "*Series 1988 B-1 Bonds*"); (c) Combined Waterworks and Sewerage System Revenue Bonds, Series 1988 B-2, dated May 20, 1988, issued in the original aggregate principal amount of \$558,000 (the "*Series 1988 B-2 Bonds*"); (d) Combined Waterworks and Sewerage System Revenue Bonds, Series 1989 B, dated April 13, 1989, issued in the original aggregate principal amount of \$117,480 (the "*Series 1989 B Bonds*"); (e) Combined Waterworks and Sewerage System Design Revenue Bonds, Series 1998 (West Virginia SRF Program), dated September 29, 1998, issued in the original aggregate principal amount of \$437,601 (the "*Series 1998 Bonds*"); (f) Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 A (West Virginia SRF Program), dated June 22, 2000, issued in the original aggregate principal amount of \$3,163,781 (the "*Series 2000 A Bonds*"); (g) Combined Waterworks and Sewerage System Revenue Bonds, Series 2002 A (West Virginia Water Development Authority), dated August 22, 2002, issued in the original aggregate principal amount of \$1,100,000 (the "*Series 2002 A Bonds*"); (h) Combined Waterworks and Sewerage System Revenue Bonds, Series 2002 B (West Virginia Infrastructure Fund), dated August 22, 2002, issued in the original aggregate principal amount of \$3,600,000 (the "*Series 2002 B Bonds*"); (i) Combined Waterworks and Sewerage System Revenue Bonds, Series 2002 C (Insured), dated December 20, 2002, issued in the original aggregate principal amount of \$4,135,000 (the "*Series 2002 C Bonds*"); (j) Combined Waterworks and Sewerage System Revenue Bonds, Series 2003 A (AMT - Uninsured), dated January 15, 2003, issued in the original aggregate principal amount of \$1,000,000 (the "*Series 2003 A Bonds*"); (k) Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 A (Taxable), dated January 19, 2006, issued in the original aggregate principal amount of \$1,830,000 (the "*Series 2006 A Bonds*"); (l) Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 B (Tax-Exempt), dated July 27, 2006, issued in the original aggregate principal amount of \$2,000,000 (the "*Series 2006 B Bonds*"); (m) Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2009 A (Tax-Exempt), dated December 1, 2009, issued in the original aggregate principal amount of \$7,120,000 (the "*Series 2009 A Bonds*"); (n) Combined Waterworks and Sewerage System Revenue Bonds, Series 2010 A (West Virginia DWTRF Program), dated January 13, 2010, issued in the original aggregate principal amount of \$912,458 (the "*Series 2010 A Bonds*"); (o) Combined Waterworks and Sewerage System Revenue Bonds, Series 2010 B (West Virginia DWTRF Program/ARRA), dated January 13, 2010, issued in the original aggregate principal amount of \$100,000 (the "*Series 2010 B Bonds*"); (p) Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2010 C (West Virginia SRF Program), dated December 2, 2010, issued in the original aggregate principal amount of \$1,250,000 (the "*Series 2010 C Bonds*"); (q) Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2010 D (West Virginia SRF Program), dated December 2, 2010, issued in the original aggregate principal amount of \$500,000 (the "*Series 2010 D Bonds*"); (r) Combined Waterworks and Sewerage System Revenue Bonds, Series 2011 A (West Virginia SRF Program), dated July 22, 2011, issued in the original aggregate principal amount of \$13,147,192 (the "*Series 2011 A Bonds*"); (s) Combined Waterworks and Sewerage System

Revenue Bonds, Series 2011 B (West Virginia SRF Program), dated July 22, 2011, issued in the original aggregate principal amount of \$2,000,000 (the “*Series 2011 B Bonds*”); (t) Combined Waterworks and Sewerage System Revenue Bonds, Series 2012 A (West Virginia SRF Program), dated December 18, 2012, issued in the original aggregate principal amount of \$1,500,000 (the “*Series 2012 A Bonds*”); and (u) Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2013 A (West Virginia SRF Program), dated June 27, 2013, issued in the original aggregate principal amount of \$591,977 (the “*Series 2013 A Bonds*”), (collectively, the “*Prior Bonds*”). The Series 2013 B Bonds are enforceable in accordance with their terms and the terms of the Ordinance, and are entitled to the benefits of the Ordinance and the Act.

5. We have examined the executed and authenticated Series 2013 B Bonds of said issue, and in our opinion, said Series 2013 B Bonds are in proper form and have been duly executed and authenticated.

6. Under existing laws, regulations, published rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2013 B Bonds is excluded from the gross income of the holders thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations; *provided, that* the interest on the Series 2013 B Bonds is taken into account as an adjustment to current earnings when computing the federal alternative minimum tax on certain corporations. Ownership of tax-exempt obligations, including the Series 2013 B Bonds, may result in collateral federal income tax consequences to certain taxpayers, including without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry such obligations. We offer no opinion as to such collateral tax consequences or any other federal tax consequences arising with respect to the Series 2013 B Bonds. Prospective purchasers of the Series 2013 B Bonds should consult their own tax advisors as to such consequences.

The opinions set forth in paragraph 6 above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations promulgated thereunder (collectively, the “*Code*”) that must be satisfied in order for interest on the Series 2013 B Bonds to be or continue to be excludable from gross income for federal income tax purposes and with all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Series 2013 B Bonds set forth in the Ordinance, the Bond Purchase Agreement, the Tax Certificate and the certifications of the Issuer and others. Failure to comply with such Code provisions or such certifications, covenants and representations could cause the interest on the Series 2013 B Bonds to be includable in gross income retroactive to the date of issuance of the Series 2013 B Bonds.

7. Under the Act, the Series 2013 B Bonds and the interest thereon are exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

8. The Series 2013 B Bonds are exempted securities within the meaning of Section 3(a)(2) of the Securities Act of 1933, as amended, and the West Virginia Uniform Securities Act, as amended, and it is not necessary, in connection with the public offering and sale of the Series 2013 B Bonds, to register any securities under said Securities Acts.

It is to be understood that the rights of the holders of the Series 2013 B Bonds and the enforceability of the Series 2013 B Bonds, the Ordinance, the Bond Purchase Agreement, the Continuing Disclosure Agreement, the Tax Certificate, and the liens, pledges, rights or remedies with respect thereto, are subject to and may be limited by any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally and that their enforcement may also be subject to the application of public policy, general principles of equity and the exercise of judicial discretion in appropriate cases.

We do not express any opinion as to the sufficiency or accuracy of the material, information or financial statements which are set forth in the Official Statement prepared and used in connection with the offering and sale of the Series 2013 B Bonds.

The opinions expressed in this letter are based upon the law in effect on the date hereof, and may be affected by actions taken or omitted or events occurring after the date hereof, including subsequent interpretations of the applicable law by competent judicial, regulatory and administrative authorities that modify, revoke, supplement, reverse, overrule or otherwise change applicable law and current interpretations thereof. We assume no obligation to revise or supplement this opinion should such law be changed by legislative action, judicial decision, or otherwise, or to determine or to inform any person whether any such actions are taken or omitted or any such events occur.

This opinion is intended solely for the benefit of the addressees and may not be relied upon by any other person or entity without, in each such case, our express written consent.

Very truly yours,

STEPTOE & JOHNSON PLLC

CONTINUING DISCLOSURE CERTIFICATE

This Continuing Disclosure Certificate (this “Certificate”) is made by the City of Charles Town (the “City”). By the terms of an ordinance enacted by the Council of the City on April 1, 2013 (the “Ordinance”), the City authorized the issuance of \$2,970,000 City of Charles Town, Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax-Exempt) (the “Series 2013 B Bonds”). The Series 2013 B Bonds were sold pursuant to the terms of a Bond Purchase Agreement dated September 24, 2013, by and between the Crews & Associates, Inc. (the “Underwriter”) and the City (the “Purchase Agreement”). Capitalized terms used in this Certificate shall have the respective meanings specified above or in Article IV hereof. The parties agree as follows:

SECTION 1. Purpose of Certificate. This Certificate is being executed and delivered by the City for the benefit of the holders and Beneficial Owners of the Bonds and in order to assist the Underwriter in complying with SEC Rule 15c2-12(b)(5).

SECTION 2. Definitions. In addition to the definitions set forth in the Ordinance and the Bond Purchase Agreement dated September 24, 2013, which apply to any capitalized term used in this Certificate unless otherwise defined in this Section, the following capitalized terms shall have the following meanings:

“Annual Financial Information” means the financial information (which shall be based on financial statements prepared in accordance with generally accepted accounting principles (“GAAP”)) and operating data with respect to the City, provided at least annually, of the type included in those sections of the final official statement with respect to the Bonds attached thereto as Appendix B, which Annual Financial Information shall include Audited Financial Statements if available on the Report Date, and, if not then available, unaudited financial statements.

“Audited Financial Statements” means the City’s annual financial statements, prepared in accordance with GAAP, which financial statements shall have been audited by a firm of independent certified public accountants.

“Beneficial Owner” shall mean any person who has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries).

“Dissemination Agent” shall initially mean the City of Charles Town, or any later appointed Dissemination Agent or any successor Dissemination Agent designated in writing by the City and which has filed with the City a written acceptance of such designation.

“EMMA” means the Electronic Municipal Market Access System described in the 1934 Act Release No. 59062 and maintained by the Municipal Securities Rulemaking Board for purposes of the Rule.

“Listed Events” shall mean any of the events listed in Section 5(a) of this Certificate.

“National Repository” shall mean the Municipal Securities Rulemaking Board, Washington, D.C. the sole Nationally Recognized Municipal Securities Information Repository for purposes of the Rule.

“Participating Underwriter” shall mean the original underwriter of the Bonds who is required to comply with the Rule in connection with offering of the Bonds.

“Purchase Agreement” shall mean the Bond Purchase Agreement dated September 24, 2013, between Crews & Associates, Inc. (the “Underwriter”) and the City, by which the Underwriter agreed to purchase the Series 2013 B Bonds upon the terms set forth therein.

“Repository” shall mean each National Repository and the State Repository, if any.

“Rule” shall mean Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

“State” shall mean the State of West Virginia.

“State Repository” shall mean any public or private repository or entity designated by the State as the state repository for the purpose of the Rule and recognized as such by the Securities and Exchange Commission. As of the date of this Certificate, there is no State Repository.

SECTION 3. Provision of Annual Reports.

(a) Not later than nine (9) months after the end of the Fiscal Year, commencing with Fiscal Year ended June 30, 2013, the City shall provide Annual Financial Information to each Repository and to the Dissemination Agent. In each case, Annual Financial Information may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 4 of this Agreement. Notwithstanding the foregoing, Annual Financial Information may be submitted separately when they become available. In the event that audited financial statements are not included with Annual Financial Information and will be submitted at a later date, the City shall include unaudited financial statements and shall indicate the date on which the audited financial statements of the City will be submitted. The audited financial statements of the City, when available, will be provided to each Repository.

(b) If the City is unable to provide to the Repositories with its Annual Financial Information by the date required in the above paragraph, the City shall send a notice to each Repository and the Dissemination Agent.

(c) If, on the date specified in subsection (a) above for providing Annual Financial Information to Repositories, the Dissemination Agent has not received a copy of Annual Financial Information, the Dissemination Agent shall contact the City to determine if the City is in compliance with subsection (a).

(d) If the Dissemination Agent is unable to verify that Annual Financial Information has been provided to the Repositories by the date required within subsection (a), the Dissemination Agent shall file a notice of (i) non-filing or (ii) inability to verify filing with the Repositories and the MSRB.

SECTION 4. Content of Annual Financial Information. Within two hundred seventy (270) days of the City's 2013 Fiscal year-end, and each subsequent fiscal year, the Dissemination Agent shall submit to EMMA information and data of the City for the prior fiscal year, including the Audited Financial Statements, prepared in accordance with generally accepted accounting principles in effect from time to time.

Any or all of the items listed above may be included by specific reference to other documents, including official statements of debt issues of the City or related public entities, which have been submitted to EMMA or the Securities and Exchange Commission. If the document included by reference is a final official statement it must be available from the MSRB. The City shall clearly identify each such other document so included by reference.

SECTION 5. Reporting of Significant Events.

(a) Pursuant to the provisions of this Section 5, the City shall give, or cause to be given, notice of the occurrence of any of the following events, if applicable, with respect to the Series 2013 B Bonds, if material:

1. principal and interest payment delinquencies;
2. non-payment related defaults, if material;
3. unscheduled draws on debt service reserves reflecting financial difficulties;
4. unscheduled draws on credit enhancements reflecting financial difficulties;
5. substitution of credit or liquidity providers or their failure to perform;
6. adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the security;
7. modifications to rights of security holders, if material;
8. bond calls, if material, and tender offers;
9. defeasances;

10. release, substitution, or sale of property securing repayment of the Series 2013 B Bonds, if material;

11. rating changes;

12. bankruptcy, insolvency, receivership, or similar event of the City¹;

13. the consummation of a merger, consolidation or acquisition involving the City, or the sale of all or substantially all of the assets of the City, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its term, if material; and

14. appointment of a successor or additional trustee or the change of name of a trustee, if material.

(b) The Dissemination Agent shall, within one (1) Business Day of obtaining actual knowledge of the occurrence of any of the Listed Events contact the Disclosure Representative, inform such person of the event, and request that the City promptly notify the Dissemination Agent in writing whether or not to report the event pursuant to subsection (f).

(c) Whenever the City obtains knowledge of the occurrence of a Listed Event, classified under Section 5(a) (2), (7), (8), (10), (13) or (14), because of a notice from the Dissemination Agent pursuant to subsection (b) or otherwise, the City shall as soon as possible determine if such event would be material under applicable federal securities laws, in any event such determination must be made and submitted to the Dissemination Agent within two (2) business days.

(d) If the City determines that knowledge of the occurrence of any of the Listed Events, classified under Section 5(a) (2), (7), (8), (10), (13) or (14), would be material under applicable federal securities laws pursuant to subsection (b) or the City received notice of any Listed Event that does not require a finding of materiality classified under Section 5(a) (1), (3), (4), (5), (6), (9), (11) or (12), the City shall promptly file with the Dissemination Agent a notice of such occurrence to be provided to EMMA.

(e) If in response to a request under subsection (b), the City determines that the Listed Event, classified under Section 5(a) (2), (7), (8), (10), (13) or (14), would not be material under applicable federal securities laws, the City shall so notify the Dissemination Agent in writing and instruct the Dissemination Agent not to report the occurrence pursuant to subsection (f).

¹ For the purposes of the event identified in Section 5(a)(12) above, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

(f) If the Dissemination Agent has been instructed by the City to report the occurrence of a Listed Event, the Dissemination Agent shall file a notice of such occurrence with EMMA with a copy to the City. The Dissemination Agent must file such notice with EMMA within ten (10) business days of the occurrence of such Listed Event.

SECTION 6. Termination of Reporting Obligation. The City's obligations under this Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. If such termination occurs prior to the final maturity of the Bonds, the City shall give notice of such termination in the same manner as for any of the Listed Events under Section 5(a).

SECTION 7. Dissemination Agent. The City of Charles Town is hereby appointed as Dissemination Agent. The City may, from time to time, appoint or engage an alternate or successor Dissemination Agent to assist it in carrying out its obligations under this Certificate, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the City pursuant to this Certificate.

SECTION 8. Amendment, Waiver. Notwithstanding any other provision of this Certificate, the City may amend this Certificate, and any provision of this Certificate may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4 or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the City with respect to the Series 2013 B Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Series 2013 B Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances, and

(c) The amendment or waiver either (i) is approved by the Holders of the Series 2013 B Bonds in the same manner as provided in the Ordinance for amendments to the Ordinance with the consent of Holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Holders or Beneficial Owners of the Series 2013 B Bonds.

In the event of any amendment or waiver of a provision of this Certificate, the City shall describe such amendment in the next Annual Financial Information and Audited Financial Statements, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the City. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for any of the Listed Events under Section 5(a), and (ii) the Annual Financial Information and

Audited Financial Statements for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

SECTION 9. Additional Information. Nothing in this Certificate shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in this Certificate or any other means of communication, or including any other information in any Annual Financial Information and Audited Financial Statements or notice of occurrence of any of the Listed Events, in addition to that which is required by this Certificate. If the City chooses to include any information in any Annual Financial Information and Audited Financial Statements or notice of occurrence of any of the Listed Events in addition to that which is specifically required by this Certificate, the City shall have no obligation under this Certificate to update such information or include it in any future Annual Financial Information and Audited Financial Statements or notice of occurrence of any of the Listed Events.

SECTION 10. Default. In the event of a failure of the City or Dissemination Agent to comply with any provision of this Certificate (and, at the request of the Original Purchaser), the Dissemination Agent may or any Holder or Beneficial Owner of the Series 2013 B Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the City or Dissemination Agent to comply with its obligations under this Certificate. A default under this Certificate shall not be deemed an Event of Default under the Ordinance, and the sole remedy under this Certificate in the event of any failure of the City or Dissemination Agent to comply with this Certificate shall be an action to compel performance.

SECTION 11. Duties, Immunities and Liabilities of Dissemination. The Dissemination Agent shall have only such duties as are specifically set forth in this Certificate, and the City agrees to the extent allowed by State law to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's gross negligence or willful misconduct. The obligations of the City under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Series 2013 B Bonds.

SECTION 12. Beneficiaries. This Certificate shall inure solely to the benefit of the City, the Participating Underwriter and Holders and Beneficial Owners from time to time of the Series 2013 B Bonds, and shall create no rights in any other person or entity.

SECTION 13. Fees. The City agrees to pay all fees and expenses of the Dissemination Agent including, without limitation, all reasonable expenses, charges, costs, attorney's fees and other disbursements in the administration and performance of the Dissemination Agent's duties.

SECTION 14. Right to Resign. The Dissemination Agent may resign at any time by providing thirty (30) days' written notice to the City.

SECTION 15. Right to Counsel. The Dissemination Agent shall have the right to consult with counsel in carrying out its duties under this Certificate and to rely upon an opinion of counsel.

IN WITNESS WHEREOF, the City has caused this Certificate to be executed by its duly authorized representative as of the date first above written.

APPENDIX E

BOOK-ENTRY ONLY SYSTEM

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Series 2013 B Bonds. The Series 2013 B Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2013 B Bond certificate will be issued for each maturity of the Series 2013 B Bonds and in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC is a limited purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of bond certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation, and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC System is also available to others such as both U.S. and non-U.S. securities, brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a AA+ rating from S&P. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2013 B Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2013 B Bonds on DTC’s records. The ownership interest of each actual purchaser of each Series 2013 B Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2013 B Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2013 B Bonds, except in the event that use of the book-entry system for the 2013 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2013 B Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2013 B Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2013 B Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2013 B Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Redemption and other notices shall be sent to DTC. If less than all Series 2013 B Bonds of a maturity and series are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2013 B Bonds to be redeemed.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2013 B Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2013 B Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payments of principal of and interest on the Series 2013 B Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or the Paying Agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest on the Series 2013 B Bonds to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

THE CITY AND THE PAYING AGENT WILL HAVE NO RESPONSIBILITY OR OBLIGATION TO THE DIRECT PARTICIPANTS, INDIRECT PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTE FOR SUCH DIRECT PARTICIPANTS, INDIRECT PARTICIPANTS, OR BENEFICIAL OWNERS. PAYMENTS MADE TO DTC

OR ITS NOMINEE SHALL SATISFY THE CITY'S OBLIGATION UNDER THE ORDINANCE TO THE EXTENT OF SUCH PAYMENTS.

SO LONG AS CEDE & CO., AS NOMINEE OF DTC, IS THE REGISTERED OWNER OF THE SERIES 2013 B BONDS, REFERENCES TO THE HOLDERS OF THE 2013 BONDS OR OWNERS OF THE SERIES 2013 B BONDS, SHALL MEAN CEDE & CO., AND SHALL NOT MEAN THE BENEFICIAL OWNERS.

In the event that either (a) the City receives notice from DTC to the effect that DTC is unable or unwilling to discharge its responsibilities as a clearing agency for the Series 2013 B Bonds or (b) the City elects to discontinue its use of DTC as a clearing agency for the Series 2013 B Bonds, then the City will do or perform or cause to be done or performed all acts or things, not adverse to the rights of the holders of the Series 2013 B Bonds, as are necessary or appropriate to discontinue use of DTC as a clearing agency for the Series 2013 B Bonds and to transfer the ownership of each of the 2013 Bonds to such person or persons, including any clearing agency, as provided in the Ordinance. Any expenses of such a discontinuation and transfer, including any expenses of printing new certificates to evidence the Series 2013 B Bonds, will be paid by the City.

According to DTC, the foregoing information with respect to DTC has been provided to the industry for informational purposes only and is not intended to serve as a representation, warranty or contract modification of any kind.

The information in this section concerning DTC and DTC's book-entry only system has been obtained from DTC. The City and the Underwriter take no responsibility for the accuracy thereof.

CITY OF CHARLES TOWN, WEST VIRGINIA

AN ORDINANCE AUTHORIZING THE ACQUISITION AND CONSTRUCTION OF CERTAIN ADDITIONS, BETTERMENTS AND IMPROVEMENTS TO THE WATERWORKS AND SEWERAGE PORTIONS OF THE EXISTING COMBINED WATERWORKS AND SEWERAGE SYSTEM OF THE CITY OF CHARLES TOWN AND THE FINANCING OF THE COST THEREOF, NOT OTHERWISE PROVIDED, THROUGH THE ISSUANCE BY THE CITY OF NOT MORE THAN \$3,500,000 IN AGGREGATE PRINCIPAL AMOUNT OF COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 2013 B (TAX EXEMPT); PROVIDING FOR THE RIGHTS AND REMEDIES OF, AND THE SECURITY FOR, THE REGISTERED OWNERS OF SUCH BONDS; AUTHORIZING THE EXECUTION AND DELIVERY OF A BOND PURCHASE AGREEMENT, A CONTINUING DISCLOSURE AGREEMENT AND OTHER DOCUMENTS RELATING TO THE BONDS; AND ENACTING OTHER PROVISIONS WITH RESPECT TO SUCH BONDS.

WHEREAS, the City of Charles Town (the "Issuer" or the "City") presently owns and operates a public combined waterworks and sewerage system (the "System") and has heretofore financed the acquisition and construction of the System and certain additions, betterments and improvements thereto through the issuance of several series of bonds or refunding bonds, of which there are presently outstanding the Prior Bonds, as hereinafter defined.

WHEREAS, all of the Prior Bonds were issued pursuant to ordinances of the Issuer previously enacted (such ordinances, as so amended and supplemented, collectively herein called the "Prior Ordinances");

WHEREAS, under the provisions of Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "Act"), the Issuer is authorized and empowered to acquire, construct and operate extensions, additions, betterments and improvements for the System, consisting of the purchase of Willow Springs wastewater treatment plant, the acquisition and construction of the Tuscowilla Supplemental Environmental Project, the installation of generators at the Water Treatment Plant and River Intake and the Avis Street Water Tank painting project, and all necessary appurtenances (collectively, the "Project") (the existing public combined waterworks and sewerage system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System") in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer;

WHEREAS, the Issuer has determined, and does hereby affirm, that the acquisition and construction of certain extensions, additions, betterments and improvements to the waterworks and sewerage portions of the System, is necessary, appropriate, useful and desirable for the health, safety, and welfare of the inhabitants of the City and surrounding areas;

WHEREAS, the Issuer has determined that the aforementioned acquisition and construction of extensions, additions, betterments and improvements to the waterworks and sewerage portions of the System should be financed, as provided under the Act, in whole or in part, from the

proceeds of revenue bonds to be issued by the Issuer, to pay all or any portion of the costs thereof, and to enact this Ordinance and issue its Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax-Exempt) (the "Series 2013 B Bonds"), such Series 2013 B Bonds to be secured by and payable from the Gross Revenues of the System, and containing such other terms and provisions as are hereinafter provided, all in the manner set forth herein; and

WHEREAS, the Issuer has determined and hereby determines that it is in the best interest of the residents of the City that its Series 2013 B Bonds be sold to the Original Purchaser (as hereinafter defined) thereof pursuant to the terms and provisions of a bond purchase agreement, (the "Bond Purchase Agreement") between the Issuer and the Original Purchaser.

NOW, THEREFORE, THE COUNCIL OF THE CITY OF CHARLES TOWN HEREBY ORDAINS:

ARTICLE I

DEFINITIONS, STATUTORY AUTHORITY AND FINDINGS

Section 1.01. Definitions. All capitalized terms used in this Ordinance and not otherwise defined in the recitals hereto shall have the meanings specified below, unless the context expressly requires otherwise:

"Act" means Chapter 8, Article 20 of the West Virginia Code of 1931, as amended and in effect on the Closing Date for the Series 2013 B Bonds.

"Authorized Newspaper" means a financial journal or newspaper of general circulation in the City of New York, New York, printed in the English language and customarily published on each business day of the Registrar, whether or not published on Saturdays, Sundays or legal holidays, and so long as so published, shall include The Bond Buyer.

"Authorized Officer" means the Mayor of the Issuer or any other officer of the Issuer specifically designated by resolution of the Council of the Issuer.

"Bond Commission" means the West Virginia Municipal Bond Commission or any other agency of the State of West Virginia which succeeds to the functions of the Bond Commission.

"Bond Counsel" means any law firm having a national reputation in the field of municipal law whose opinions are generally accepted by purchasers of municipal bonds, appointed by the Issuer, and shall initially mean Steptoe & Johnson PLLC, Charleston, West Virginia.

"Bondholder," "Holder," "Holder of the Bonds," "Owner of the Bonds," "Registered Owner," or any similar term means any person who shall be the registered owner of any outstanding Bond.

"Bond Insurer" means any entity which shall insure all or any portion of the payment of principal of and interest on the Bonds, and with respect to the Series 2013 B Bonds shall initially mean the bond insurer or bond insurers, if any, named in the Supplemental Resolution.

"Bond Purchase Agreement" means the Bond Purchase Agreement between the Issuer and the Original Purchaser relating to the sale and purchase of the Series 2013 B Bonds.

Section 1.02. Authority for this Ordinance. This Ordinance is enacted pursuant to the provisions of the Act and other applicable provisions of law.

Section 1.03. Findings. The Council hereby finds and determines as follows:

A. The Issuer is a municipal corporation and political subdivision of the State of West Virginia in Jefferson County of said State.

B. The Issuer presently owns and operates a public combined waterworks and sewerage system. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer, and for the improvement of the water environment of the Issuer, that there be acquired and constructed certain extensions, additions, betterments and improvements to the waterworks and sewerage portions of the existing public combined waterworks and sewerage system of the Issuer, consisting of the

Project, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. It is deemed necessary for the Issuer to issue its Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax Exempt), in the aggregate principal amount of not more than \$3,500,000 to permanently finance the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2013 B Bonds prior to and during acquisition or construction and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Series 2013 B Bonds Reserve Account; underwriter's discount, engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expense; commitment fees; premiums for municipal bond insurance, reserve account insurance or reserve account surety bonds; letter of credit fees; discount; initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2013 B Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; the acquisition and construction of the Project and the placing of same in operation; and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2013 B Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

D. The period of usefulness of the System after completion of the Project is not less than 30 years.

E. It is in the best interests of the Issuer that the Series 2013 B Bonds be sold to the Original Purchaser pursuant to the terms and provisions of a bond purchase agreement to be entered into by and between the Issuer and the Original Purchaser (the "Bond Purchase Agreement"), as shall be approved by the Supplemental Resolution of the Issuer.

F. The Issuer will have the following outstanding obligations which will rank on a parity with the Series 2013 B Bonds as to liens, pledge, source of and security for payment, being the Issuer's:

1. Combined Waterworks and Sewerage System Revenue Bonds, Series 1987 B, dated November 18, 1987, issued in the original aggregate principal amount of \$413,629 (the "Series 1987 B Bonds");

The Series 1987 B Bonds, Series 1988 B-1 Bonds, Series 1988 B-2 Bonds, Series 1989 B Bonds, Series 1998 Bonds, Series 2000 A Bonds, Series 2002 A Bonds, Series 2002 B Bonds, Series 2002 C Bonds, Series 2003 A Bonds, Series 2005 A Bonds, Series 2006 A Bonds, Series 2006 B Bonds, Series 2009 A Bonds, Series 2010 A Bonds, Series 2010 B Bonds, Series 2010 C Bonds, Series 2010 D Bonds, Series 2011 A Bonds, Series 2011 B Bonds, Series 2012 A Bonds and Series 2013 A Bonds are hereinafter collectively called the "Prior Bonds." The ordinances which authorized the issuance of the Prior Bonds are herein collectively referred to as the "Prior Ordinances."

Prior to the issuance of the Series 2013 B Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consent of the Registered Owners of the Prior Bonds to the issuance of the Series 2013 B Bonds on a parity with such Prior Bonds if required by the Prior Ordinances. The Series 2002 C Bonds, Series 2003 A Bonds, Series 2005 A Bonds, Series 2006 A Bonds, Series 2006 B Bonds and Series 2009 A Bonds do not require consent.

Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

G. The Issuer intends to issue the Series 2013 B Bonds and to pledge for payment thereof, the Gross Revenues of the System, on a parity with each other and on a parity with such pledge in favor of the Holders of the Prior Bonds.

H. The estimated revenues to be derived in each year after the date hereof from the operation of the System will be sufficient, to provide for the repair, maintenance and operation of the System, the payment of interest upon the Series 2013 B Bonds, and the Prior Bonds and to create sinking funds, as hereinafter provided, to pay the principal on the Series 2013 B Bonds and the Prior Bonds as

and when it becomes due and reasonable reserves therefor, to provide an adequate renewal and replacement fund, as hereinafter provided, and to make all other payments provided for in this Ordinance and the Prior Ordinances.

I. It is in the best interests of the Issuer, and the residents thereof, that the Issuer issue the Series 2013 B Bonds, and secure the Series 2013 B Bonds by a pledge and assignment of the Gross Revenues derived from the operation of the System, the monies in the Series 2013 B Bonds Reserve Account, unexpended proceeds of the Series 2013 B Bonds and as further set forth herein.

J. The Series 2013 B Bonds and the Certificate of Authentication and Registration to be endorsed thereon are to be in substantially the forms set forth in EXHIBIT A – FORM OF SERIES 2013 B BOND attached hereto and incorporated herein by reference, with necessary and appropriate variations, omissions and insertions as permitted or required by this Ordinance or a Supplemental Resolution or as deemed necessary by the Registrar or the Issuer.

K. All things necessary to make the Series 2013 B Bonds, when authenticated by the Registrar and issued as in this Ordinance provided, the valid, binding and legal special obligations of the Issuer according to the import thereof, and to validly pledge and assign those funds pledged hereby to the payment of the principal of and interest on the Series 2013 B Bonds, will be timely done and duly performed.

L. The enactment of this Ordinance, the execution and issuance of the Series 2013 B Bonds, subject to the terms thereof, will not result in any breach of, or constitute a default under, any instrument to which the Issuer is a party or by which it may be bound or affected.

M. The Issuer has complied with all requirements of West Virginia law relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2013 B Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a certificate of convenience and necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the date of issuance of the Series 2013 B Bonds or such final order will not be subject to appeal or rehearing.

Section 1.04. Ordinance Constitutes Contract. In consideration of the acceptance of the Series 2013 B Bonds by those who shall own or hold the same from time to time, this Ordinance shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the legal Holders of any and all of such Bonds, all of which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bond, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

ARTICLE II

AUTHORIZATION OF ACQUISITION AND CONSTRUCTION OF THE PROJECT

Section 2.01. Authorization of Acquisition and Construction of the Project. There is hereby authorized and ordered the acquisition and construction of the Project, at an estimated cost of not more than \$3,500,000. The proceeds of the Series 2013 B Bonds hereby authorized shall be applied as

provided herein. The Series 2013 B Bonds are hereby authorized, to be issued in one or more series, in the aggregate principal amount of not more than \$3,500,000.

ARTICLE III

THE SERIES 2013 B BONDS

Section 3.01. Form and Payment of Bonds. No Series 2013 B Bond shall be issued pursuant to this Ordinance except as provided in this Article III. Any Series 2013 B Bonds issued pursuant to this Ordinance may be issued only as fully registered Series 2013 B Bonds, in the denomination of \$5,000 or any integral multiple thereof for any year of maturity. All Series 2013 B Bonds shall be dated as of the date provided in a Supplemental Resolution applicable to such series. All Series 2013 B Bonds shall bear interest from the interest payment date next preceding the date of authentication or, if authenticated after the Record Date but prior to the applicable interest payment date or on such interest payment date, from such interest payment date or, if no interest on such Series 2013 B Bonds has been paid, from the date thereof; provided however, that, if, as shown by the records of the Registrar, interest on such Series 2013 B Bonds shall be in default, Bonds issued in exchange for Series 2013 B Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the initial Series 2013 B Bonds surrendered.

The principal of and the premium, if any, on the Series 2013 B Bonds shall be payable in any coin or currency which, on the respective date of such payment, is legal tender for the payment of public and private debts under the laws of the United States of America upon surrender at the principal office of the Paying Agent. Interest on the Series 2013 B Bonds shall be paid by check or draft made payable and mailed to the Holder thereof at his address as it appears in the Bond Register at the close of business on the Record Date, or, if requested, in the case of a Registered Owner of \$1,000,000 or more of the Series 2013 B Bonds, by wire transfer to a domestic bank account specified in writing at least 5 days prior to such interest payment date by such Registered Owner.

In the event any Series 2013 B Bonds are redeemed in part, such bond shall be surrendered to and canceled by the Registrar, and the Issuer shall execute, and the Registrar shall authenticate and deliver to the Holder thereof, another Series 2013 B Bond in the principal amount of said Series 2013 B Bond then Outstanding.

Section 3.02. Execution of Bonds. The Series 2013 B Bonds shall be executed in the name of the Issuer by the Mayor, by his manual or facsimile signature, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the City Clerk by his or her manual or facsimile signature; provided, that, all such signatures and the seal may be by facsimile. In case any one or more of the officers who shall have signed or sealed any of the Series 2013 B Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2013 B Bonds shall be signed and sealed on behalf of the City by such person as at the actual time of the execution of such Bonds shall hold the proper office in the City, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Series 2013 B Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Ordinance unless and until the Certificate of Authentication and Registration on such Series 2013 B Bond, substantially in the form set

forth in EXHIBIT A – FORM OF SERIES 2013 B Bond attached hereto and incorporated herein by reference with respect to the Series 2013 B Bonds, shall have been duly manually executed by the Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Series 2013 B Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Ordinance. The Certificate of Authentication and Registration on any Series 2013 B Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2013 B Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Series 2013 B Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder, in accepting any of said Bonds, shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2013 B Bonds remain Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Series 2013 B Bonds. The Series 2013 B Bonds shall be transferable only by transfer of registration upon the Bond Register by the registered owner thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or such duly authorized attorney or legal representative. Upon transfer of a Series 2013 B Bond, there shall be issued at the option of the Holder or the transferee another Bond or Bonds of the aggregate principal amount equal to the unpaid amount of the transferred Bond and of the same series, interest rate and maturity of said transferred Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the registered owner or his attorney or legal representative duly authorized in writing, Series 2013 B Bonds may at the option of the Holder thereof be exchanged for an equal aggregate principal amount of Bonds of the same series, maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Series 2013 B Bond is exercised, Bonds shall be delivered in accordance with the provisions of this Ordinance. All Series 2013 B Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Series 2013 B Bonds, the initial exchange of Bonds and exchanges of Bonds in the event of partial redemption of fully registered Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2013 B Bonds, the Registrar may impose a service charge. For every such transfer or exchange of Series 2013 B Bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2013 B Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2013 B Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Bond of like series, maturity and principal

amount as the Bond, so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing the Issuer and the Registrar proof of his ownership thereof and that said Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Bondholder listed in the Bond Register shall constitute proof of ownership. All Series 2013 B Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Bonds be at any time found by any one, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the Revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued as part of the Series 2013 B Bonds pursuant to this Ordinance, the following provisions shall apply:

1. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2013 B Bonds Redemption Account in accordance with Subsection 4.03(A)(1) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/12th of the amount (or, if the Series 2013 B Bonds mature semiannually rather than annually, that month which is 6 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/6th of the amount) required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with respect to a series of Bonds shall be set forth in the Supplemental Resolution relating thereto.

2. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

3. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

4. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the monies in the Series 2013 B Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

5. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Series 2013 B Bonds Sinking Fund), as will exhaust as nearly as practicable such Series 2013 B Bonds Redemption Account payment designated to be made in accordance with paragraph (A)(1) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of \$5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Series 2013 B Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the applicable Bond Insurer, if any, the Original Purchaser, and the registered owner of the Series 2013 B Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

So long as DTC (as CEDE & CO.) is the registered Owner of the Series 2013 B Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice.

All official notices of redemption shall be dated and shall state:

- (1) The Redemption Date,
- (2) The Redemption Price,
- (3) If less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,
- (5) The place where such Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar, and
- (6) Such other information, if any, as shall be required for DTC-Eligible Bonds.

If funds sufficient to redeem all Series 2013 B Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such

notice shall also state that such optional redemption is subject to the deposit of such monies with the Paying Agent on or before the Redemption Date. If such monies are not so deposited, the Registrar shall notify all holders of Series 2013 B Bonds called for redemption of such fact.

Official notice of redemption having been given as aforesaid, the Series 2013 B Bonds, or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Series 2013 B Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal of such Bond. All Series 2013 B Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2013 B Bonds, and failure to mail such notice shall not affect the validity of proceedings for the redemption of any portion of Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on, such Bond and (except as provided in Section 6.18) for all other purposes, whether or not such Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Ordinance. Upon the presentation and surrender of any Bond or Bonds in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefor, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefor to the Holder of such Bond in temporary form.

Section 3.10. Series 2013 B Bonds. For the purposes of paying a portion of the costs of acquisition and construction of improvements and betterments to the waterworks and sewerage portions of the System, paying capitalized interest, if any, funding the Series 2013 B Bonds Reserve Account and paying costs in connection therewith, there shall be issued the Series 2013 B Bonds of the Issuer, in one or more series, in an aggregate principal amount of not more than \$3,500,000. Said Series 2013 B Bonds shall be designated "Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax Exempt)" or such other designation as may be appropriate for the year and sequence of the issue, as may be set forth in a Supplemental Resolution, and shall be issued in fully registered form, in the denomination of \$5,000 or any integral multiple thereof for any period of maturity, not exceeding the aggregate principal amount of Series 2013 B Bonds maturing in the period of maturity for which the denomination is to be specified. The Series 2013 B Bonds shall be numbered from BR-1 consecutively upward. The Series 2013 B Bonds shall be dated; shall be in such aggregate principal amount (not to exceed \$3,500,000); shall bear interest at such rate or rates, not exceeding the then legally permissible

rate (not to exceed 6%), payable semiannually on such dates; shall mature on such dates (which may be annual or semi-annual) (not to exceed 30 years) and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Series 2013 B Bonds. A. The Series 2013 B Bonds shall each initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2013 B Bonds of each maturity, registered in the name of CEDE & CO., as nominee of DTC. Except as provided in paragraph E below, all of the Series 2013 B Bonds shall be registered in the registration books kept by the Registrar in the name of CEDE & CO., as nominee of DTC; provided that if DTC shall request that the Series 2013 B Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Series 2013 B Bonds registered in the name of such nominee or nominees. No person other than DTC or its nominee shall be entitled to receive from the Issuer or the Registrar either a Series 2013 B Bond or any other evidence of ownership of the Series 2013 B Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Series 2013 B Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry system as provided in paragraph E below.

B. At or prior to settlement for the Series 2013 B Bonds, the Issuer and the Registrar shall execute or signify their approval of a representation letter addressed to DTC in a form satisfactory to DTC (the "Representation Letter"). Any successor Registrar shall, in its written acceptance of its duties under this Ordinance, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Series 2013 B Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Series 2013 B Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in New York Clearing House or equivalent next day funds on the dates provided for such payments to be made to any Bondholder under this Ordinance. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Issuer and the Registrar with respect to the principal or Redemption Price of or interest on the Series 2013 B Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Series 2013 B Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Series 2013 B Bonds so redeemed, but DTC may retain such Series 2013 B Bonds and make an appropriate notation on the Series 2013 B Bonds certificate as to the amount of such partial redemption; provided that DTC shall deliver to the Registrar, upon request, a written confirmation of such partial redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Series 2013 B Bonds of such maturity which have been redeemed.

D. The Issuer, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Series 2013 B Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Series 2013 B Bonds, selecting the Series 2013 B Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under this Ordinance, registering the transfer of Series 2013 B Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Issuer nor the Registrar shall be affected by any notice to the contrary. Neither the Issuer nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Series 2013 B Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books

of the Registrar as being a Bondholder with respect to (i) the Series 2013 B Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2013 B Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Ordinance, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Series 2013 B Bonds, or (vi) any consent given or other action taken by DTC as Bondholder.

E. The book entry system for registration of the ownership of the Series 2013 B Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Series 2013 B Bonds; or (ii) the Issuer determines that continuation of the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Series 2013 B Bonds. In either of such events (unless in the case described in clause (iii) above, the Issuer appoints a successor securities depository), the Series 2013 B Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer or the Registrar for the accuracy of such designation. Whenever DTC requests the Issuer and the Registrar to do so, the Issuer and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 2013 B Bonds.

Section 3.12. Delivery of Series 2013 B Bonds. The Issuer shall execute and deliver the Series 2013 B Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2013 B Bonds to the Original Purchaser upon receipt of the documents set forth below:

- (1) If not registered in the name of DTC or its nominee, a list of the names in which the Series 2013 B Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;
- (2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2013 B Bonds to DTC for the benefit of the Original Purchaser;
- (3) Copies, certified by the City Clerk, of this Ordinance and the Supplemental Resolution;
- (4) The unqualified approving opinion upon the Series 2013 B Bonds by Bond Counsel; and
- (5) Such other opinions, certificates and documents as shall be reasonably requested by the Original Purchaser.

Section 3.13. Form of Series 2013 B Bonds. The definitive Series 2013 B Bonds shall be in substantially the form set forth in EXHIBIT A – FORM OF SERIES 2013 B BOND attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 2013 B Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series 2013 B Bonds shall have the form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Series 2013 B Bonds. Upon the issuance and delivery of the Series 2013 B Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

1. All interest accrued, if any, on the Series 2013 B Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 2013 B Bonds Sinking Fund and applied to payment of interest on the Series 2013 B Bonds at the first interest payment date.

2. An amount of the proceeds of the Series 2013 B Bonds equal to the amount, if any, set forth in the Supplemental Resolution shall be remitted to the Bond Commission for deposit in the Series 2013 B Bonds Reserve Account, provided that, to the extent the Series 2013 B Bonds Reserve Requirement is satisfied in whole or in part from a reserve account letter of credit, surety bond or other credit facility, proceeds of the Series 2013 B Bonds shall be deposited in the Series 2013 B Bonds Reserve Account only to the extent needed to satisfy the balance of the Series 2013 B Bonds Reserve Requirement.

3. The amount of Series 2013 B Bond proceeds which, together with other monies or securities deposited therein shall be equal to the Costs of Issuance of the Series 2013 B Bonds shall be deposited with the Depository Bank in the Series 2013 B Bonds Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Series 2013 B Bonds at the written direction of the Issuer. Monies not to be applied immediately to pay such costs of issuance may be invested in accordance with this Ordinance, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 120 days following the Closing Date for the Series 2013 B Bonds, such unapplied proceeds shall be transferred by the Issuer to the Series 2013 B Bonds Sinking Fund established in Section 4.01 hereof and applied to the next ensuing payment of interest on the Series 2013 B Bonds. All such proceeds shall constitute a trust fund for such purposes, and there hereby is created a lien upon such monies until so applied in favor of the Holders of the Series 2013 B Bonds from which such proceeds are derived.

4. The balance of Series 2013 B Bonds proceeds, if any, shall be deposited in the Series 2013 B Bonds Construction Fund and disbursed as provided in Section 3.15 hereof.

Section 3.15. Disbursements from the Series 2013 B Bonds Construction Fund. Disbursements from the Series 2013 B Bonds Construction Fund, except for payment of Costs of Issuance of the Series 2013 B Bonds in excess of the monies available in the Costs of Issuance Fund which shall be made upon request of the Issuer, shall be made only for acquisition and construction of the Project, including all necessary engineering and other professional services relating thereto. Pending such application, monies in the Series 2013 B Bonds Construction Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE IV

SYSTEM REVENUES; FUNDS AND ACCOUNTS

Section 4.01. Establishment of Funds and Accounts with Depository Bank. Pursuant to this Article IV, the following special funds are created with (or continued if previously established by Prior Ordinances), and shall be held by, the Depository Bank, segregated from all other funds and accounts of the Depository Bank or the Issuer and from each other (except as set forth in this Section 4.01), and used solely for the purposes provided herein:

- (1) Revenue Fund (established by the Prior Ordinances);

- (2) Operation and Maintenance Fund (established by the Prior Ordinances);
- (3) Renewal and Replacement Fund (established by the Prior Ordinances);
- (4) Rebate Fund (established by Prior Ordinances); and
- (5) Series 2013 B Bonds Project Fund.

- (45) Series 2013 B Bonds Sinking Fund; and
- (46) Series 2013 B Bonds Reserve Account.

Section 4.03. System Revenues and Application Thereof. So long as any of the Series 2013 B Bonds shall be Outstanding and unpaid, the Issuer covenants as follows:

A. The entire Gross Revenues derived from the operation of the System and all parts thereof shall be deposited by the Issuer in the Revenue Fund. The Revenue Fund shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. All Revenues at any time remaining on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first, each month on or before the due date, transfer from the Revenue Fund and simultaneously remit to the Commission (i) the amounts required to be paid by Prior Ordinances for the interest on the Series 1998 Bonds, Series 2000 A Bonds, Series 2002 A Bonds, Series 2002 C Bonds, Series 2003 A Bonds, Series 2005 A Bonds, Series 2006 A Bonds, Series 2006 B Bonds, Series 2009 A Bonds, Series 2010 A Bonds, Series 2010 B Bonds and Series 2013 A Bonds; and (ii) beginning on the first day of that month which is 6 months prior to the first interest payment date on the Series 2013 B Bonds, apportion and set apart out of the Revenue Fund and deposit in the Series 2013 B Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on said Series 2013 B Bonds on the next ensuing semiannual interest payment date, provided, that in the event the period to elapse between the date of such initial deposit in the Series 2013 B Bonds Sinking Fund and the next ensuing semiannual interest payment date is less than or greater than 6 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date, and provided further, that the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2013 B Bonds Sinking Fund shall be reduced by the amount of accrued interest, if any, on the Series 2013 B Bonds deposited therein and subsequent amounts required to be transferred from the Revenue Fund and deposited in the Series 2013 B Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Series 2013 B Bonds Sinking Fund;

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously remit to the Commission (i) the amounts required by the Prior Ordinances to pay principal on the Prior Bonds; and (ii) for deposit in the Series 2013 B Bonds Sinking Fund (and in the Series 2013 B Bonds Redemption Account therein in the case of Term Bonds which are to be redeemed) on the first day of each month, beginning on the first day of that month which is 12 months prior to the first principal payment or mandatory Redemption Date of the Series 2013 B Bonds, a sum equal to 1/12th

of the amount (or 1/6th of the amount if the Series 2013 B Bonds mature semiannually rather than annually) of principal which will mature or be redeemed and become due on the Series 2013 B Bonds on the next ensuing principal payment or mandatory Redemption Date, provided, that in the event the period to elapse between the date of such initial deposit in the Series 2013 B Bonds Sinking Fund and the next ensuing principal payment or mandatory Redemption Date is less than or greater than 12 months (or 6 months if the Series 2013 B Bonds mature semiannually rather than annually), then such monthly payments shall be increased or decreased proportionately to provide, one month prior to the next ensuing principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2013 B Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and, simultaneously remit to the Commission (i) the amounts required by the Prior Ordinances to be deposited in the Prior Bonds Reserve Accounts; and (ii) commencing 13 months prior to the first date of payment of principal of the Series 2013 B Bonds or upon completion of construction of the Project, whichever is earlier, if not fully funded upon issuance of the Series 2013 B Bonds, for deposit in the Series 2013 B Bonds Reserve Account, an amount equal to 1/120th of the Series 2013 B Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2013 B Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2013 B Bonds Reserve Requirement; provided further, that if the amounts in the Series 2013 B Bonds Reserve Account, as a result of a decrease in value of the Series 2013 B Bonds Reserve Account below the Series 2013 B Bonds Reserve Account Requirement or any withdrawal from the Series 2013 B Bonds Reserve Account, the Issuer shall apply such monies for deposit into the Series 2013 B Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2013 B Bonds Reserve Account results in a determination that the amount of monies and the value of the Qualified Investments deposited to the credit of the Series 2013 B Bonds Reserve Account is less than the Series 2013 B Bonds Reserve Account Requirement, or (b) any amount is withdrawn from the Series 2013 B Bonds Reserve Account for deposit into the Series 2013 B Bonds Sinking Fund. To the extent Gross Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of monies on deposit in the Series 2013 B Bonds Reserve Account to an amount equal to the Series 2013 B Bonds Reserve Account Requirement to the full extent that such Gross Revenues are available; provided, however, that if the shortfall in the Series 2013 B Bonds Reserve Account is due to a decrease in the value of investments therein, such shortfall shall be replenished by not less than 4 equal monthly payments, and if such shortfall is due to a withdrawal from the Series 2013 B Bonds Reserve Account, such shortfall shall be replenished by not less than 12 equal monthly payments, and provided further, that no payments shall be required to be made into the Series 2013 B Bonds Reserve Account whenever and as long as the amount deposited therein shall be equal to the Series 2013 Reserve Account Requirement.

Amounts in the Series 2013 B Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2013 B Bonds when due, when amounts in the Series 2013 B Bonds Sinking Fund are insufficient therefor and for no other purpose.

(4) The Issuer shall next, each month, pay from the Revenue Fund the current Operating Expenses of the System.

(5) The Issuer shall next, on the first day of each month, transfer from the monies remaining in the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund (as previously set forth in the Prior Ordinances and not in addition thereto), a sum equal to 2 1/2% of the

Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Subject to the restrictions contained in the Prior Ordinances, so long as the Prior Bonds are outstanding, withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, or improvements or extensions to the System; provided, that any deficiency in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof, shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by the Act, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the System.

B. The Bond Commission is hereby designated as the fiscal agent for the administration of the Series 2013 B Bonds Sinking Fund created hereunder, and all amounts required for said Sinking Fund shall be remitted to the Bond Commission from said Revenue Fund and from the proceeds of the sale of the Series 2013 B Bonds, by the Issuer at the times and as otherwise provided herein. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited.

C. The monies on deposit in the Revenue Fund and the Renewal and Replacement Fund in excess of the sum insured by the FDIC shall at all times be secured, to the full extent thereof in excess of such insured sum, by Government Obligations or by other Qualified Investments as shall be eligible as security for deposits of municipal funds under the laws of the State.

D. Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds and the Series 2013 B Bonds, all in accordance with the respective principal amounts then Outstanding.

ARTICLE V

INVESTMENTS; NON-ARBITRAGE; REBATES AND CONTINUING DISCLOSURE

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any monies held as a part of the funds and accounts created by this Ordinance in Qualified Investments to the fullest extent possible under applicable laws, this Ordinance, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the

cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section (unless otherwise required by the Bond Insurer, if any, and as set forth in the Supplemental Resolution):

(A) Qualified Investments acquired for the Series 2013 B Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to, annually transfer from the Series 2013 B Bonds Reserve Account to the Series 2013 B Bonds Sinking Fund any earnings on the monies deposited therein and any other funds in excess of the Series 2013 B Bonds Reserve Requirement, provided, however, that there shall at all times remain on deposit in the Series 2013 B Bonds Reserve Account an amount at least equal to the Series 2013 B Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2013 B Bonds Reserve Account, whereupon it shall be valued immediately after such withdrawal. If amounts on deposit in the Series 2013 B Bonds Reserve Account shall, at any time, be less than the applicable Series 2013 B Bonds Reserve Requirement, the applicable Bond Insurer, if any, shall be notified immediately of such deficiency, and such deficiency shall be made up from the first available Gross Revenues after required deposits to the Sinking Fund and otherwise in accordance with Section 4.03.

(D) All amounts representing accrued and capitalized interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 2013 B Bonds, as appropriate, and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all monies deposited in the Series 2013 B Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia “consolidated fund” managed by the West Virginia Board of Treasury Investments pursuant to Chapter 12, Article 6C of the Code of West Virginia, 1931, as amended.

Section 5.02. Continuing Disclosure Agreement. The Issuer shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser, the form of which shall be approved by the Supplemental Resolution, sufficient to ensure compliance with Rule 15c2-12, as it may be amended from time to time, and the Issuer hereby instructs the Mayor and Clerk to take all actions necessary for the Issuer to comply with the continuing disclosure agreement.

Section 5.03. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2013 B Bonds which would cause the Series 2013 B Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2013 B

Bonds) so that the interest on the Series 2013 B Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.04. Tax Certificate, Rebates, and Rebate Fund. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by Bond Counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of any series of Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2013 B Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Ordinance.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be in time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefore. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2013 B Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Ordinance, the Issuer hereby covenants and agrees with the Holders of the Series 2013 B Bonds, as

hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2013 B Bonds or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Series 2013 B Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the Gross Revenues of the System, the monies in the Series 2013 B Bonds Sinking Fund and all accounts therein, the unexpended proceeds of the Series 2013 B Bonds or money in the Series 2013 B Bonds Construction Fund, if any, all as herein provided. No Holder or Holders of any Series 2013 B Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer to pay said Series 2013 B Bonds or the interest thereon.

Section 6.03. Bonds Secured by Pledge of Gross Revenues and Monies in Sinking Fund. The payment of the debt service of all of the Series 2013 B Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Gross Revenues derived from the operation of the System on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds and, in the instance of the Series 2013 B Bonds, all monies and securities in the Series 2013 B Bonds Sinking Fund, including the Series 2013 B Bonds Reserve Account therein to the extent necessary to make the payments required under Section 4.03. The Gross Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Series 2013 B Bonds herein authorized, to make the payments into the Series 2013 B Bonds Sinking Fund, all monies and securities in the Series 2013 B Bonds Sinking Fund, the Series 2013 B Bonds Reserve Account and all other payments provided for in this Ordinance, are hereby irrevocably pledged in the manner provided in this Ordinance to the payment of the principal of and interest on the Prior Bonds and the Series 2013 B Bonds herein authorized as the same become due and for the other purposes provided in this Ordinance.

Section 6.04. Rates. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the Bond Purchase Agreement and the Issuer shall supply a certificate of Certified Public Accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the water rate ordinance of the Issuer enacted on April 15, 2008 and the sewer rate ordinances of the Issuer enacted August 17, 2009 and December 7, 2009 as amended by Recommended Decision dated June 18, 2010, which became Final Order on July 8, 2010 in Case No. 10-0070-S-MA and Case No. 09-1562-S-MA of the Public Service Commission of West Virginia, which rates are incorporated herein by reference as a part hereof.

So long as the Series 2013 B Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Ordinance and in compliance with this Ordinance. In the event the schedule of rates and charges initially established for the System in connection with the Series 2013 B Bonds shall prove to be insufficient to produce the required sums set forth in this Ordinance, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Ordinance.

Prior to the issuance of the Series 2013 B Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a

copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the City Clerk of the Issuer, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that (a) so long as the Prior Bonds are outstanding, the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, to provide a rate coverage equal to the highest rate coverage required by either (a) the Prior Ordinances or (b) this Ordinance, as set forth below, and thereafter, sufficient, together with other revenues of the System, to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2013 B Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with, or subordinate to, the Series 2013 B Bonds including the Prior Bonds.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 90 days following a determination of the Independent Certified Public Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 6.05. Completion of Project; Operation and Maintenance. The Issuer will complete the Project as promptly as possible. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the revenues of said System in the manner provided in this Ordinance.

The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia necessary for the acquisition and construction of the Project and the operation of the System.

Section 6.06. Sale of the System. So long as the Prior Bonds are Outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, except as provided by the Prior Ordinances. Additionally, so long as the Series 2013 B Bonds are Outstanding, the System may be sold, mortgaged, leased or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to defease the pledge created by this Ordinance as provided by Section 9.01. The proceeds from such sale, mortgage, lease or other disposition of the System shall be immediately remitted to the Bond Commission for deposit in the Series 2013 B Bonds Sinking Fund, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the Gross Revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of \$500,000, the Issuer may provide for the sale of such property. If the amount

to be received from such sale, lease or other disposition of said property shall be in excess of \$500,000 but not in excess of \$5,000,000 the Issuer shall first, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property not in excess of \$5,000,000, shall be deposited by the Issuer into the Renewal and Replacement Fund.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of \$5,000,000 and insufficient to defease the pledge created by this Ordinance, as provided by Section 9.01, without the prior approval and consent in writing of any applicable Bond Insurer, if any, and the Holders, or their duly authorized representatives, of 51% in amount of Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the Bond Insurer, if any, and the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any other obligations whatsoever, except Additional Parity Bonds provided for in Section 6.08 hereof, payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from the Gross Revenues with the Series 2013 B Bonds; and all obligations hereafter issued by the Issuer payable from the revenues of the System, except such Additional Parity Bonds, shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such revenues and in all other respects to the Series 2013 B Bonds.

The Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to such Additional Parity Bonds, being on a parity with the lien of the Series 2013 B Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2013 B Bonds and the interest thereon in this Ordinance or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable.

No such additional Parity Bonds shall be issued except for the purposes of financing the costs of the design, acquisition and construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto, or to pay claims which may exist against the revenues or facilities of the System or all of such purposes.

So long as the Series 2013 B Bonds are outstanding, no Parity Bonds shall be issued at any time, however, unless and until there has been procured a written statement by Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustment hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall be not less than 115%, of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding;

(2) Any additional Parity Bonds theretofore issued pursuant to the provisions contained in the Prior Ordinances and this Ordinance then Outstanding; and

(3) The additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which has expired (without successful appeal) prior to the issuance of such Parity Bonds.

All covenants and other provisions of this Ordinance (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such Parity Bonds, in addition to the payments required for the Bonds theretofore issued pursuant to this Ordinance.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to the lien on and source of and security for payment from such revenues, with the Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Ordinance and the Prior Ordinances with respect to the Bonds then Outstanding, and any other payments provided for in this Ordinance and the Prior Ordinances, shall have been made in full as required to the date of issuance of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Ordinance and the Prior Ordinances.

Provided, however, that if the most recent audit by an independent certified public accountant for the Issuer states that the Issuer was not in compliance with the rate covenant in Section 6.04 of this Ordinance for the year being audited and the Issuer has, as required by Section 6.04, filed a petition with the Public Service Commission of West Virginia seeking a rate increase sufficient to comply with Section 6.04, such statement in the most recent audit shall not be considered a violation of the

covenants, agreements and terms of this Ordinance, so as to prevent the Issuer from issuing additional Parity Bonds under this Section 6.08.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2013 B Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance and bonds and workers' compensation coverage with a reputable insurance carrier or carriers or bonding company or companies rated at least "A" by Standard & Poor's Corporation covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the greater of the fair appraised value or the original cost thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damages or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than is customarily carried by municipalities of equivalent size with respect to works and properties similar to the System to protect the Issuer from claims for bodily injury and/or death and from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System, provided that, the Issuer, with the review of an insurance consultant and the concurrence of the Issuer, may elect to self-insure, so long as the following requirements are met:

(i) The self-insurance program has been reviewed by an insurance consultant;

(ii) The self-insurance program includes an actuarially sound claims reserve fund out of which each self-insured claim shall be paid; the adequacy of such fund shall be evaluated on an annual basis by an insurance consultant; and any deficiencies in any self-insured claims reserve fund will be remedied in accordance with the recommendation of the insurance consultant;

(iii) The self-insured claims reserve fund shall be held in the United States of America in a separate trust fund by an independent corporate trustee; and

(iv) In the event the current funding of the self-insurance program shall be discontinued, the actuarial soundness of its claims reserve fund, as determined by an insurance consultant, shall be maintained.

If the Issuer determines in good faith that any required insurance is not commercially available at a reasonable cost with reasonable terms, it shall engage an insurance consultant to verify the determination and to make recommendations regarding the types, amounts and provisions of any such insurance that should be purchased or funded by the Issuer, taking into consideration the costs and practices of other municipal water and sewer systems of similar size and type in the State to the extent that such information is available. The Issuer may, upon resolution adopted in good faith and upon the recommendations of the insurance consultant, adopt alternate or supplemental risk management programs which the Issuer determines to be reasonable, including the right to self-insure and participate in captive insurance companies.

C. WORKERS' COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Issuer and such payment bonds will be filed with the Clerk of the County Commission of Jefferson County prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such workers' compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project.

Section 6.10. Services Rendered to the Issuer. The Issuer will not render or cause to be rendered any free services of any nature by its System; and, in the event the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.11. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service

Commission of West Virginia, all delinquent rates, rentals and other charges, if not paid, shall become a lien on the premises served by the System. The Issuer further covenants and agree that it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System to all delinquent users of services and facilities of the System and will not restore such services of the System until all billing for charges for the services and facilities of the System, including penalties and reconnect fees, have been fully paid, or a payment agreement in compliance with the West Virginia Public Service Commission regulations has been entered.

Section 6.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.13. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Series 2013 B Bond, shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as it shall direct.

The Issuer shall file with the Original Purchaser and any Bond Insurer, and shall mail to any Bondholder requesting the same, an annual report within 30 days following the date of receipt of the final audit containing a balance sheet, statement of revenues, expenses, and changes in retained earnings, and statement of cash flows, as prescribed by generally accepted accounting principles.

The Issuer shall also file with the Original Purchaser and any Bond Insurer, and mail to any Bondholder requesting the same, a monthly unaudited report within 30 days following the end of each month containing the following:

(A) A statement of Gross Revenues, Operating Expenses, and Net Revenues derived from the System; and

(B) A statement of account balances in the Sinking Fund accounts provided for in this Ordinance and status of said funds.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by an Independent Accountant, shall mail upon request, and make available generally, the report of said Independent Certified Public Accountant, or a summary thereof, to any Holder or Holders of Series 2013 B Bonds issued pursuant to this Ordinance and shall file said report with the Original Purchaser.

Section 6.14. Operating Budget. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, or at such earlier date required by the charter of the Issuer, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. The Issuer shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Original Purchaser and to any Bondholder or anyone acting for and in behalf of such Bondholder who requests the same.

Section 6.15. Mandatory Connections. The mandatory use of the sewerage portion of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer, and in order to assure the rendering harmless of sewage and waterborne waste matter produced or arising within the territory served by the sewerage portion of the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sewerage portion of the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building and every such owner, tenant or occupant shall, after a 30 day notice of the availability of sewerage services of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or waterborne waste matter and which is not so connected with the sewerage portion of the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the residents of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.16. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2013 B Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon the issuance of the Series 2013 B Bonds and shall be on a parity with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 6.17. Covenants Regarding the Municipal Bond Insurance Policy. The Issuer may obtain a Municipal Bond Insurance Policy for the Series 2013 B Bonds. In the event such Municipal Bond Insurance Policy is obtained, certain additional covenants of the Issuer will be required by the Bond Insurer as a condition to insuring the Series 2013 B Bonds. These additional covenants shall be set forth in full in the Supplemental Resolution, shall apply to the Series 2013 B Bonds and any other Bonds which may be insured by such Bond Insurer, and shall be controlling in the event any other provisions of this Ordinance may be in conflict therewith.

Section 6.18. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2013 B Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2013 B Bonds during the term thereof is, under the terms of the Series 2013 B Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or

to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2013 B Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2013 B Bonds during the term thereof is, under the terms of the Series 2013 B Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2013 B Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 2013 B Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related, all of the foregoing to be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2013 B Bonds or \$5,000,000 are used, directly or indirectly, to make or finance a loan to persons other than state or local government units

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2013 B Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2013 B Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2013 B Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 6.19. Continuing Disclosures. In order to provide the written undertaking for the benefit of the owners of the Series 2013 B Bonds required by the Securities and Exchange Commission Rule 15c2-12, the Issuer shall enter into a Continuing Disclosure Agreement in such form as may be approved by the Supplemental Resolution, and the Mayor are authorized and directed to execute and deliver such Continuing Disclosure Agreement on behalf of the Issuer, with such changes as the Mayor shall approve, such approval to be conclusively evidenced by the execution of such Agreement by the Mayor.

Section 6.20 Preliminary Official Statement; Official Statement. The distribution of the Preliminary Official Statement with respect to the Series 2013 B Bonds shall be and the same is hereby approved. The form of the Preliminary Official Statement shall be in such form as may be approved by the Supplemental Resolution. The Mayor is hereby authorized and directed to execute and deliver a final official statement on behalf of the Issuer, which shall be in substantially the form of the Preliminary Official Statement with such changes, insertions and omissions as may be required to reflect the terms of the sale of the Series 2013 B Bonds and as the Mayor may approve (the “Official Statement”). The execution of the Official Statement by the Mayor shall be conclusive evidence of such approval. Copies of the Official Statement are hereby authorized to be prepared and furnished to the Original Purchaser for distribution.

ARTICLE VII

DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2013 B Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on any Bond;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Ordinance or any Supplemental Resolution or in the Series 2013 B Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Bondholder or any Insurer; or

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder (with the prior written consent of the applicable Bond Insurer) or any Bond Insurer may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the Issuer to perform its duties under the Act and this Ordinance;

(C) Bring suit upon the Series 2013 B Bonds, as applicable;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of this Ordinance or the rights of the Bondholders.

No remedy by the terms of this Ordinance conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall be made without the prior written consent of the applicable Bond Insurer or shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder or any Bond Insurer shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Series 2013 B Bonds, and the Prior Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2013 B Bonds issued pursuant to this Ordinance and interest thereon and under any covenants of this Ordinance for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Ordinance shall have been cured and made good, and all monies due hereunder or under any Supplemental Resolution have been paid in full, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Series 2013 B Bonds issued pursuant to this Ordinance. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Bondholders, and the curing and making good of any default under the provisions of this Ordinance, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Notwithstanding any other provision of this Ordinance, in determining whether the rights of the Bondholders will be adversely affected by any action taken pursuant to the terms and provisions of this Ordinance, any trustee or Bondholder's committee shall consider the effect on the Bondholders as if no Municipal Bond Insurance Policy were then in effect.

Section 7.04. Restoration of Issuer and Bondholder. In case any Bondholder shall have proceeded to enforce any right under this Ordinance by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Bondholder shall be restored to their former positions and rights hereunder, and all rights and remedies of such Bondholder shall continue as if no such proceedings had been taken.

ARTICLE VIII

REGISTRAR AND PAYING AGENT

Section 8.01. Appointment of Registrar. The Registrar for the Series 2013 B Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Registrar. The recitals of fact in the Bonds shall be taken as statements of the Issuer, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2013 B Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2013 B Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Ordinance and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Registrar May Act. Except as otherwise provided by Section 10.02, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Series 2013 B Bonds, the first exchange of Series 2013 B Bonds and the exchange of Series 2013 B Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2013 B Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or effect or aid in any reorganization growing out of the enforcement of the Series 2013 B Bonds, or this Ordinance, whether or not any such committee shall represent the Holders of a majority in principal amount of the Series 2013 B Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Ordinance by giving not less than 60 days' written

notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Bondholder in the event all Bonds are fully registered), specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately, provided that in no event shall such resignation take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer, the applicable Bond Insurer or by the Holders of a majority in principal amount of the Series 2013 B Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer, the applicable Bond Insurer or by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar. Such removal shall take effect upon the date stated in such instrument, provided that in no event shall such removal take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Series 2013 B Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Bondholders. The Issuer shall publish in an Authorized Newspaper (or mail to each Bondholder in the event all Bonds are fully registered) notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Bondholders. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any monies, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2013 B Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Bonds so authenticated, and, in case any Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent. The West Virginia Municipal Bond Commission shall initially serve as Paying Agent. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Series 2013 B Bonds shall be and remain DTC-Eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from monies available therefor.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Ordinance. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Bondholders may make such appointment.

The Paying Agents shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All monies received by the Paying Agents shall, until used or applied as provided in this Ordinance, be held in trust for the purposes for which they were received.

ARTICLE IX

DEFEASANCE; DISCHARGE OF PLEDGE OF ORDINANCE

Section 9.01. Defeasance; Discharge of Pledge of Ordinance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Holders of all Series 2013 B Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, and all other monies due hereunder have been paid, then this Ordinance and the pledges of the Gross Revenues and other monies and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Holders of the Series 2013 B Bonds made

hereunder, as applicable, shall thereupon cease, terminate and become void and be discharged and satisfied.

Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on such Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2013 B Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on said Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of said Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on said Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge.

ARTICLE X

MISCELLANEOUS

Section 10.01. Amendment of Ordinance. Prior to issuance of the Series 2013 B Bonds, this Ordinance may be amended, modified or supplemented in any way by the Supplemental Resolution. All provisions required by the Bond Insurer, if any, shall be set forth in the Supplemental Resolution and to the extent they constitute an amendment or modification of this Ordinance, shall be controlling. Following issuance of the Series 2013 B Bonds, this Ordinance and any Supplemental Resolution may, without the consent of any Bondholder or other person, be amended, modified or supplemented in any manner which, in the opinion of Bond Counsel, does not materially adversely affect the interests of the Bondholders or any Bond Insurer, provided that, in the event any of the Bonds are insured, no such amendment or modification which affects the rights of the applicable Bond Insurer for such Bonds may be made without the written consent of such Bond Insurer. Otherwise, no materially adverse amendment or modification to this Ordinance, or of any Supplemental Resolution, may be made without the written consent of the Holders of 60% in aggregate principal amount of the Series 2013 B Bonds then Outstanding and affected thereby and the Bond Insurer, if any, which must be filed with the Clerk of the Issuer before any such modification or amendment may be made. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Bond without the express written consent of the Holder of such Bond, nor reduce the percentage of Series 2013 B Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Ordinance may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Ordinance if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Bondholder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Series 2013 B Bonds held by a person executing any instrument as a Bondholder, the date of his holding such Series 2013 B Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Bond shall bind all future Holders and owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Ordinance shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Bondholder, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Ordinance shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Bonds. All Series 2013 B Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Bonds shall be deemed Outstanding under this Ordinance and no Series 2013 B Bonds shall be issued in lieu thereof. All such Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Bonds. Anything in this Ordinance to the contrary notwithstanding, any monies held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Series 2013 B Bonds which remain unclaimed for two years after the date on which such Bonds have become due and payable, whether by maturity or upon call for redemption, shall

at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Bonds shall look only to the Issuer for the payment of such Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such monies remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such monies then unclaimed will be returned to the Issuer.

Section 10.06. Notices, Demands and Requests. Unless otherwise expressly provided, all notices, demands and requests to be given or made hereunder to or by the Issuer, the Registrar, the Depository Bank, the Original Purchaser or the Bond Insurer, if any, shall be in writing and shall be properly made if sent by United States mail, postage prepaid, and addressed as follows or if hand-delivered to the individual to whom such notice, demand or request is required to be directed as indicated below:

PRINCIPAL AMOUNT: _____

KNOW ALL MEN BY THESE PRESENTS: That the CITY OF CHARLES TOWN (West Virginia), a municipal corporation organized and existing under the laws of the State of West Virginia (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the Registered Owner specified above, or registered assigns (the "Registered Owner"), on the Maturity Date specified above, the Principal Amount specified above and solely from such special funds also to pay interest on said Principal Amount from the Interest Payment Date (as hereinafter defined) preceding the date of authentication hereof or, if authenticated after the Record Date (as hereinafter defined) but prior to the applicable Interest Payment Date or on said Interest Payment Date, from said Interest Payment Date or, if no interest has been paid, from the Bond Date specified above, or, if and to the extent that the Issuer shall default in the payment of interest on any Interest Payment Date, then this Bond shall bear interest from the most recent Interest Payment Date to which interest has been paid or duly provided for, and in which case any Bond surrendered for transfer or exchange shall be dated as of the Interest Payment Date to which interest has been paid in full, at the Interest Rate per annum specified above, semiannually, on _____ 1 and _____ 1, in each year, beginning _____ 1, 20__ (each an "Interest Payment Date"), until maturity or until the date fixed for redemption if this Bond is called for prior redemption and payment on such date is provided for. Capitalized terms used and not defined herein shall have the meanings ascribed thereto in the hereinafter-described Ordinance.

Interest accruing on this Bond on and prior to the Maturity Date hereof shall be payable by check or draft mailed by the West Virginia Municipal Bond Commission, Charleston, West Virginia, as paying agent (in such capacity, the "Paying Agent"), to the Registered Owner hereof as of the applicable Record Date (each _____ 15 and _____ 15) or, in the event of a default in the payment of Bonds, that special record date to be fixed by the hereinafter named Registrar by notice given to the Registered Owners not less than 10 days prior to said special record date at the address of such Registered Owner as it appears on the registration books of the Issuer maintained by _____, _____, West Virginia, as registrar (in such capacity, the "Registrar"), or, at the option of any Registered Owner of at least \$1,000,000 in aggregate principal amount of Bonds, by wire transfer in immediately available funds to a domestic bank account specified in writing by the Registered Owner to the Paying Agent at least 5 days prior to such Record Date. Principal and premium, if any, shall be paid when due upon presentation and surrender of this Bond for payment at the office of the Paying Agent, in Charleston, West Virginia.

This Bond is one of an issue of a series of bonds, in the aggregate principal amount of \$ _____ designated the "City of Charles Town Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax Exempt)" (the "Series 2013 B Bonds"), of like tenor and effect, except as to number, denomination, date of maturity and interest rate, dated _____, 2013, upon original issuance, the proceeds of which are to be used, together with other funds of the Issuer, (i) to finance the cost of acquisition and construction of certain additions, betterments and improvements to the sewerage portion of the combined waterworks and sewerage system of the Issuer, (ii) to fund a reserve account for the Series 2013 B Bonds, and (iii) to pay certain costs of issuance of the Series 2013 B Bonds and related costs. The Series 2013 B Bonds are issued under the authority of and in full compliance with the Constitution and statute of the State of West Virginia, including particularly, Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "Act"), and an ordinance duly enacted by the City Council of the Issuer on _____, 2013, and supplemented by a supplemental resolution adopted by said Council on _____, 2013 (hereinafter collectively referred to as the "Ordinance"), and is subject to all the terms and conditions of said Ordinance. The Ordinance provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Series 2013 B Bonds under the Ordinance. Reference is hereby made to the Ordinance, as the same may be amended and supplemented from time to time, for a description of the rights, limitations of rights, obligations, duties and immunities of the Issuer, the Registrar, the Paying Agent, the Registered Owners of the Series 2013 B Bonds and the Registered Owners of any subsequently issued additional bonds. Executed counterparts or certified copies of the Ordinance are on file at the office of the City Clerk in The City of Charles Town, West Virginia.

[The Series 2013 B Bonds are additionally secured, but only to the extent described in the Statement of Insurance printed on the Bonds, by a policy of municipal bond insurance issued by [Bond Insurer] .]

The Series 2013 B Bonds are subject to redemption prior to their stated maturity dates, as provided in the Ordinance and as set forth in the following lettered paragraphs:

(A) Optional Redemption. The Bonds maturing on and after _____, 20____, are subject to redemption prior to maturity at the option of the Issuer on or after _____, 20____, in whole at any time and in part on any Interest Payment Date, as directed by the Issuer, in reverse order of maturity and by lot within a maturity, at the following Redemption Prices (expressed as percentages of the principal amount of Bonds to be redeemed), plus interest accrued thereon to the date fixed for redemption:

<u>Period During Which Redeemed</u> <u>(Dates Inclusive)</u>	<u>Redemption</u> <u>Price</u>
---	-----------------------------------

(B) Mandatory Sinking Fund Redemption. The Bonds maturing on _____, 20____ and 20____ are subject to annual mandatory sinking fund redemption prior to maturity by random selection as may be determined by the Registrar, on _____ 1 of the years and in the principal amounts set forth below, at the Redemption Price of 100% of the principal amount of each Bond so called for redemption plus interest accrued to the date fixed for redemption:

<u>Bonds Maturing</u> _____ 1, 20	
_____ <u>Year (</u> 1) _____	<u>Principal Amount</u>

<u>Bonds Maturing</u> _____ 1, 20	
_____ <u>Year (</u> 1) _____	<u>Principal Amount</u>

* Final Maturity

In the event of any redemption of less than all outstanding Series 2013 B Bonds, the maturities to be redeemed shall be selected by the Paying Agent at the direction of the Issuer and Series 2013 B Bonds to be redeemed shall be determined by lot within a maturity, or in such other manner deemed appropriate by the Paying Agent. If less than all the Series 2013 B Bonds are to be redeemed, the Series 2013 B Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Series 2013 B Bond, unless waived, shall be given by the Paying Agent on behalf of the Issuer by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Series 2013 B Bond or Series 2013 B Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Paying Agent. Such notice shall also be given by the Paying Agent to the Registrar. Notice of redemption having been given as aforesaid, the Series 2013 B Bonds or portions of Series 2013 B Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Series 2013 B Bonds or portions of Series 2013 B Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Series 2013 B Bond.

The Series 2013 B Bonds and the interest thereon are payable only from and are secured by the Gross Revenues (as defined in the Ordinance) to be derived from the operation of the System, on a parity in all respects with the pledge of the Gross Revenues created in favor of the holders of the Prior Bonds, all monies in the Series 2013 B Bonds Sinking Fund, and the Series 2013 B Bonds Reserve Account therein, established under the Ordinance, and the unexpended proceeds of the Series 2013 B Bonds, and the Issuer hereby and in the Ordinance pledges such revenues and monies to such payment. Said Gross Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose and to make the other payments required by the Ordinance. This Series 2013 B Bond does not constitute an indebtedness of the Issuer within any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Gross Revenues, the monies in the Series 2013 B Bonds Sinking Fund and the Series 2013 B Bonds Reserve Account and said unexpended Series 2013 B Bond proceeds. Pursuant to the Ordinance, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for

principal of and interest, if any, on the Series 2013 B Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2013 B Bonds, including the Prior Bonds. The Issuer has entered into certain further covenants with the registered owners of the Series 2013 B Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the registered owners of the Series 2013 B Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All monies received from the sale of the Bonds except for accrued interest thereon shall be applied solely to pay all costs of the Project, funding a reserve account for the Series 2013 B Bonds and pay costs of issuance of the Bonds, and there shall be, and hereby is, created and granted a lien upon such monies, until so applied, in favor of the registered owners of said Series 2013 B Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Series 2013 B Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Series 2013 B Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Series 2013 B Bonds of which this Series 2013 B Bond is one.

This Series 2013 B Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the within-described Ordinance.

This Series 2013 B Bond and the income therefrom are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof.

This Series 2013 B Bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Ordinance, and the statutes under which this Series 2013 B Bond is issued shall be deemed to be a part of the contract evidenced by this Series 2013 B Bond to the same extent as if written fully herein.

SERIES 2013 B (TAX EXEMPT)

BOND PURCHASE AGREEMENT

September 24, 2013

City of Charles Town
101 East Washington Street
Charles Town, WV 25414

Ladies and Gentlemen:

Crews & Associates, Inc. (the “Underwriter”) hereby offers to enter into this Bond Purchase Agreement with the City of Charles Town (the “Issuer”) for the sale by the Issuer and the purchase by the Underwriter of the Issuer’s Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax Exempt) in the aggregate principal amount of \$2,970,000 (the “Bonds”) described herein and in the Official Statement (defined herein), which are being issued by the Issuer. Upon your acceptance of this offer and your execution and delivery of this Bond Purchase Agreement (hereinafter referred to as the “Bond Purchase Agreement”), this Bond Purchase Agreement will be binding upon you and the Underwriter. This offer is made subject to your acceptance, evidenced by your execution and delivery of this Bond Purchase Agreement to the Underwriter, at or prior to 11:30 p.m., New York, New York time, on the date hereof, and will expire if not so accepted at or prior to such time (or such later time as the Underwriter may agree to in writing).

1. Definitions. The capitalized terms used in this Bond Purchase Agreement shall have the meanings assigned to them herein or, if not defined herein, shall have the meanings set forth in the Bond Ordinance enacted by the Issuer on April 1, 2013 (the “Ordinance”). This Bond Purchase Agreement, the Official Statement, the Preliminary Official Statement, the Tax Regulatory Agreement and the Continuing Disclosure Certificate are sometimes herein referred to as the “Bond Documents.”

2. Closing. Delivery and acceptance of the Bonds and payment therefor (the “Closing”) will take place in Charleston, West Virginia, at the offices of Steptoe & Johnson PLLC, Chase Bank Center, 7th Floor, on October 1, 2013 (the “Closing Date”) by 1:00 p.m. or at such other place or time as may be mutually agreed upon by you and the Underwriter. The Bonds will be available in definitive form at the offices of The Depository Trust Company (or the Registrar, if “DTC-Fast” delivery is used) not less than twenty-four hours prior to the Closing Date.

3. Purchase and Sale.

3.1 Subject to the terms and conditions set forth in this Bond Purchase Agreement, and upon the basis of the representations hereinafter set forth, the Underwriter hereby agrees to purchase

from the Issuer, and the Issuer hereby agrees to sell to the Underwriter when, as and if issued, all (but not less than all) of the Bonds identified in Exhibit A attached hereto, at an aggregate purchase price of \$2,856,739.10 (\$2,970,000.00 minus Underwriter's discount of \$59,400.00, minus a net original issue discount of \$53,860.90).

3.2 The Bonds will (i) be issued pursuant to the Ordinance and (ii) have the payment related terms (that is, dated dates, principal or issuance amounts, maturity dates, interest rates and yield to maturity) set forth in Exhibit A attached hereto, and will otherwise correspond to the description thereof contained in the Official Statement referred to in Section 3.3.

3.3 Within seven business days of its acceptance hereof, the Issuer shall deliver to the Underwriter a reasonable number of copies of a final Official Statement of the Issuer of even date herewith, executed by the Issuer (the "Official Statement"). The Official Statement shall be in substantially the same form as that of the Preliminary Official Statement of the Issuer dated September 20, 2013 (the "Preliminary Official Statement"), previously distributed with respect to the Bonds.

4. Concurrent Matters.

4.1 Your acceptance, execution and delivery of this Bond Purchase Agreement will constitute your acknowledgment that the Underwriter (a) proposes to make a public offering of the Bonds at the initial offering prices or yields set forth in the Official Statement (which such initial offering prices or yields may be changed by the Underwriter, in its sole discretion), (b) may effect transactions that stabilize or maintain the market price of the Bonds at a level above that which might otherwise prevail in the open market and may discontinue such stabilizing, if commenced, at any time and (c) may change the offering prices of the Bonds from time to time and may offer the Bonds to certain dealers and others at prices lower than the public offering prices shown on the front cover (or inside front cover) of the Official Statement.

4.2 Your acceptance, execution and delivery of this Bond Purchase Agreement will constitute (i) your consent and authorization to the use by the Underwriter, in connection with the public offering and sale of the Bonds, of copies of the Official Statement and the information, contained therein, and (ii) your ratification of the use by the Underwriter, in connection with such offering and sale, of the Preliminary Official Statement and the information contained therein.

5. Representations and Warranties.

5.1 The Issuer hereby makes the following representations and warranties to the Underwriter:

(a) The Issuer is a political subdivision of the State of West Virginia and authorized to issue the Bonds pursuant to Chapter 8, Article 20 of the West Virginia Code of 1931, as amended (the "Act").

(b) On April 1, 2013, the Issuer enacted the Ordinance, and since that time the

Ordinance has not been rescinded, amended or modified.

(c) When delivered to the Underwriter against payment therefor in accordance with the provisions of this Bond Purchase Agreement, the Bonds will have been duly authorized, executed, authenticated, issued and delivered.

(d) The execution and delivery by the Issuer of the Bond Documents and the consummation by the Issuer of the transactions contemplated thereby are not prohibited by, do not violate any provision of, and will not result in the breach of or default under the Act, or, to its knowledge, any applicable law, rule, regulation, judgment, decree, order or other requirement, or any material contract, indenture, agreement or commitment to which the Issuer is a party or by which it is bound.

(e) The Issuer is not in breach of or in default under any existing law, court or administrative regulation, judgment, decree, order, agreement, mortgage, lease, loan agreement or other instrument to which it is a party or by which it is bound. No event has occurred or is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or an event of default under the Bond Documents or any other agreement or instrument to which the Issuer is a party, or by which it may be bound or to which any of its property is or may be subject.

(f) The Issuer has duly authorized all necessary action to be taken by it for (i) the issuance and sale of the Bonds by the Issuer upon the terms and conditions set forth herein, in the Official Statement and in the Ordinance and the approval of the Official Statement, the Ordinance and the Bonds, and (ii) the execution, delivery and receipt of the Bond Documents and any and all such other agreements and documents as may be required to be executed, delivered and received by the Issuer in order to carry out, effectuate and consummate the transactions contemplated in the Bond Documents.

(g) The information contained in the Preliminary Official Statement and the Official Statement relating to the Issuer and its properties, operations and financial and other affairs, including Appendices A and B, and the project being refinanced with proceeds of the Bonds, is true and correct in all respects and does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(h) Except as may be described in the Preliminary Official Statement and the Official Statement, there is no legal action, or other proceeding, or any investigation or inquiry (before or by any court, agency, arbitrator or other entity or person) pending or, to the knowledge of the Issuer, threatened against or affecting the Issuer or any of its officials, in their respective capacities as such, which would restrain or enjoin the issuance or delivery of any of the Bonds or the collection of Revenues pledged under the Ordinance or in any way would contest or affect the organization or existence of the Issuer or the entitlement of any officials of the Issuer to their respective offices or which may reasonably be expected to have a material and adverse effect upon (A) the due performance by the Issuer of the transactions contemplated by the Bond Documents, (B) the validity or enforceability of the Bonds, the Ordinance, the Bond Documents, or any other agreement or instrument to which the Issuer is a party and that is used or contemplated for use in consummation of

the transactions contemplated hereby and thereby or (C) the exclusion of the interest on the Bonds from gross income for federal income tax purposes and the exemption from State income taxation of the Bonds and interest thereon as set forth in the Official Statement. The Issuer is not is subject to any judgment, decree or order entered in any lawsuit or proceeding brought against it that may reasonably be expected to have such an effect.

(i) The Issuer has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the Issuer is an issuer whose arbitrage certifications may not be relied upon.

(j) The Bond Documents, when executed and delivered, by the Issuer, will be, and this Bond Purchase Agreement constitutes, the legal, valid and binding obligations of the Issuer, enforceable in accordance with their terms, except as enforceability thereof may be limited by bankruptcy, insolvency or other laws affecting creditors' rights generally and as to the availability of equitable remedies.

(k) When the Bonds are issued, sold and delivered to the Underwriter, the representations and certifications of the Issuer herein and in the other Bond Documents will be true, accurate and complete.

(l) The audited financial statements and other financial information of the City of Charles Town for the year ended June 30, 2012, contained in the Preliminary Official Statement and the Official Statement as Appendix B, present fairly the financial position of the Issuer at the date indicated and the results of operations for the period specified, and such financial statement; have been prepared in conformity with generally accepted accounting principles consistently applied in all material respects to the periods involved, except as otherwise stated in the notes thereto.

(m) Since June 30, 2012, there has been no material adverse change in the financial position or results of operations of the Issuer, nor has the Issuer incurred any material liabilities except as set forth in the Preliminary Official Statement and the Official Statement or disclosed to the Underwriter in writing.

(n) The Issuer deems the Preliminary Official Statement to be final as of its date in accordance with subsection (b)(1) of Rule 15c2-12 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Issuer deems the Official Statement to be final and complete as of its date for purposes of subsection (b)(3) of such Rule.

(o) Except as described in the Official Statement and Preliminary Official Statement, the Issuer is in compliance with all continuing disclosure agreements or certificates heretofore delivered by the Issuer in connection with the issuance of any Prior Bonds.

6. Covenants.

6.1 The Issuer hereby makes the following covenants with the Underwriter:

(a) The Issuer will not supplement or amend the Official Statement or cause the Official Statement to be supplemented or amended without the prior written consent of the Underwriter.

(b) Prior to the Closing Date, the Issuer will not amend, terminate or rescind, and will not agree to any amendment, termination or rescission of, the Ordinance or the Bond Documents without the prior written consent of the Underwriter.

(c) Prior to the Closing Date, the Issuer will not create, assume or guarantee any indebtedness payable from, or pledge or otherwise encumber, the revenues, assets, properties, funds or interest which will be pledged pursuant to the Ordinance or the Bond Documents.

(d) The Issuer will promptly advise the Underwriter of any matter arising or occurring or discovered before Closing or within 90 days after the end of the underwriting period for the Bonds (within the meaning of Rule 15c2-12 under the Exchange Act) that if existing or known at the date hereof would render any of the representations or warranties set forth herein to be untrue or misleading or might adversely affect the correctness or completeness of any statement of a material fact contained in the Official Statement.

(e) If as the result of any matters described in paragraph (d) of this Section it becomes necessary, in the opinion of the Underwriter, to amend or supplement the Official Statement to make the statements contained therein, in light of the circumstances under which they were made, not misleading, the Issuer will, upon notice thereof, promptly prepare and furnish to the Underwriter (at the expense of the Issuer) a reasonable number of copies of an amendment of, or a supplement to, the Official Statement (in form and substance satisfactory to the Underwriter) so that, as amended or supplemented, it will not contain any untrue statement of a material fact or omit to state a material fact that is necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading.

(f) Except as disclosed in the Official Statement, prior to the Closing Date, the Issuer will obtain or cause to be obtained all governmental consents, approvals, orders or authorizations (other than state securities law clearances) of any governmental authority or agency that would constitute a condition precedent to the performance by Issuer of its obligations under the Ordinance, the Bond Documents or the Bonds.

(g) The Issuer will not voluntarily undertake any course of action inconsistent with the satisfaction of the requirements applicable to it as set forth in the Bond Documents.

(h) The Issuer will cooperate with the Underwriter in the qualification of the Bonds for offering and sale and the determination of their eligibility for investment under the laws of such jurisdictions as the Underwriter might designate, the cost of which will be borne by the Underwriter, as provided in Section 10.2(iii) below.

(i) The Issuer will not, except as required by law, take or omit to take any action which, under existing law, adversely affects the exemption from federal income taxation of the interest on the Bonds, or adversely affects the West Virginia State tax exemptions with respect to the Bonds and the

interest thereon, as set forth in the Official Statement.

(j) The Issuer agrees to comply with all provisions of the Continuing Disclosure Certificate.

(k) The Issuer acknowledges that the Underwriter is not a fiduciary to the Issuer, is a separate principal to this transaction and owes no fiduciary duty to the Issuer.

7. Conditions of Closing.

7.1 The obligations of the Underwriter to consummate the transactions contemplated hereby are subject to receipt by the Underwriter of the items described in Section 7.2 hereof and to the satisfaction (unless waived by the Underwriter in its sole discretion) of the following conditions:

(a) The representations and warranties made by the Issuer in this Bond Purchase Agreement shall be true and correct as of the Closing Date as if made on such date.

(b) The Issuer shall have performed and complied with all agreements and conditions required by this Bond Purchase Agreement to be performed or complied with prior to closing.

(c) The Bond Documents each shall have been executed and delivered by each of the parties thereto, shall be in full force and effect on and as of the Closing Date and shall not have been amended, modified or supplemented prior to the Closing Date except as may have been agreed to in writing by the Underwriter.

(d) The proceeds of the sale of the Bonds shall be applied as described in the Official Statement.

7.2 In addition to the conditions set forth in Section 7.1, the obligations of the Underwriter to consummate the transactions on the Closing Date contemplated hereby are subject to receipt by the Underwriter of the following items:

(a) An approving opinion of Steptoe & Johnson PLLC, Bond Counsel, in form and substance satisfactory to the Underwriter, dated the Closing Date with respect to the validity and tax-exempt nature of the Bonds, and a supplementary opinion of Bond Counsel, dated the date of Closing, addressed to the Underwriter, to the effect that: (i) this Bond Purchase Agreement has been duly authorized, executed and delivered by the Issuer, (ii) the Official Statement has been duly approved, signed and delivered by the Issuer, (iii) assuming due authorization, execution and delivery by the other parties thereto, the Bond Documents have been duly authorized, executed, acknowledged and delivered by the Issuer, and are legal, valid and binding agreements of the Issuer enforceable in accordance with their respective terms (except as enforcement of remedies may be limited by bankruptcy, insolvency or other laws and equitable principles affecting the right of creditors), (iv) the statements contained in the Official Statement under the captions "Introduction," "The Series 2013 B Bonds," "Security for the Series 2013 B Bonds," "Bond Ordinance," "Tax Matters," and "Appendix C - Form of Opinion of Bond Counsel" do not contain any untrue statement of a material fact or omit

to state a material fact necessary to make such statements, in light of the circumstances under which they were made, not misleading in any material respect, and (v) the Bonds are exempt from registration pursuant to the Securities Act of 1933, as amended, and the Ordinance is exempt from qualification as an indenture pursuant to the Trust Indenture Act of 1939, as amended.

(b) An opinion Steptoe & Johnson PLLC, Special Counsel to the Issuer, addressed to, among others, Bond Counsel and the Underwriter, in form and substance satisfactory to Bond Counsel and the Underwriter, dated the Closing Date, to the effect that: (i) no litigation is pending or, to his knowledge, threatened (a) to restrain or enjoin the issuance or delivery of any of the Bonds or the collection of Revenues pledged under the Ordinance, (b) in any way contesting the power or the authority of the Issuer for the issuance of the Bonds or the validity of the Bonds, or the Bond Documents, (c) in any way contesting the existence or powers of the Issuer relating to the issuance of the Bonds, (ii) to the best of his knowledge, no event affecting the Issuer has occurred since the date of the Official Statement that should be disclosed in the Official Statement for the purpose for which it is to be used or that is necessary to disclose therein in order to make the statements and information therein with respect to the Issuer not misleading in any material respect, (iii) the Issuer is a body corporate and politic (constituting a governmental agency of the State and existing under the provisions of the Act, pursuant to which the Issuer has full legal right, power and authority to enter into the Bond Documents and each constitutes the legal, valid and binding agreement of the Issuer enforceable in accordance with its respective terms (subject to bankruptcy, insolvency and other laws affecting the rights of creditors generally and to general principles of equity), and compliance with the provisions of each thereof will not conflict with or constitute a violation or breach of or default under any existing law or administrative rule or regulation, or any court order or decree or any agreement, contract or other instrument, to which the Issuer is party or otherwise subject or bound, (v) the Official Statement has been duly approved, executed and delivered by the Issuer, and (vi) the statements contained in the Official Statement under the captions "Financing Plan," "Absence of Material Litigation," "Management's Discussion," and "Continuing Disclosure" (as such information pertains to the Issuer) (do not contain any untrue statement of a material fact or omit to state a material fact necessary to make such statements, in light of the circumstances under which they were made, not misleading in any material respect.

(c) An opinion of Goodwin & Goodwin, LLP, Counsel to the Underwriter, in form and substance satisfactory to the Underwriter.

(d) A certificate of the Issuer, dated the Closing Date, signed by the Mayor of the Issuer to the effect that (i) the representations and warranties made by the Issuer in this Bond Purchase Agreement are true and correct as of the Closing Date with the same effect as if made on the Closing Date; (ii) the Issuer has performed and complied with all agreements and conditions required by this Bond Purchase Agreement to be performed or complied with by it at or prior to the Closing Date; (iii) since the respective dates as of which information is given in the Official Statement, and except as set forth therein, there has not been any material or adverse change in the Issuer's condition, financial or otherwise; (iv) the Official Statement, insofar as it relates to the Issuer, does not include any untrue statement of a material fact or omit to state any material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, (v) that subsequent to June 30, 2012, the

date of the City of Charles Town's most recent audited financial statements included as Appendix B of the Official Statement, there has been no material adverse change in the financial position or results of operations of the Issuer, (vi) that no litigation is pending or, to the knowledge of the Issuer, threatened against the Issuer or its officials (A) to restrain or enjoin issuance or delivery of any of the Bonds or the collection of Revenues pledged under the Ordinance, (B) in any way contesting or affecting any authority for the issuance of the Bonds, or the validity of the Bonds, or the Bond Documents, (C) in any way contesting or affecting the existence or powers of the Issuer or its ability to perform its obligations under the Bond Documents, or (D) that may materially adversely affect the financial condition or operations of the Issuer, (vii) that the Issuer has satisfied all conditions pertaining to the issuance of the Bonds pursuant to the Ordinance and all other applicable provisions, and (viii) that no event affecting the Issuer or the transactions contemplated by the Official Statement or the Bond Documents has occurred since the date of the Official Statement which should be disclosed in the Official Statement for the purpose for which it is to be used, or which it is necessary to disclose therein in order to make the statements and information therein, in the light of the circumstances under which they were made, not misleading.

(e) A Certificate dated as of the Closing Date signed by the authorized officials of the Issuer, sufficient in form and substance to show to the satisfaction of Bond Counsel and the Underwriter that the Bonds will not be arbitrage bonds under Section 148 of the Code and the regulations thereunder, which certificate shall conform to the requirements of said regulations.

(f) A certified copy of the Ordinance authorizing the execution and delivery by the Issuer of the Bond Documents, certified by its Secretary.

(g) One executed original of each of the Bond Documents.

(h) The executed IRS Form 8038-G to be filed with the Internal Revenue Service.

(i) Such additional legal opinions, certificates and other documents as the Underwriter or Bond Counsel reasonably may deem necessary to evidence the truth and accuracy as of the Closing Date of the representations and warranties of the Issuer herein contained and of the Official Statement, and to evidence compliance by the Issuer with this Bond Purchase Agreement and all applicable legal requirements, and the due performance and satisfaction by the Issuer at or prior to such time of all agreements then to be performed and all conditions then to be satisfied by either of them.

7.3 If any of the conditions set forth in Section 7.1 or 7.2 has not been met on the Closing Date, the Underwriter may, in its sole discretion, terminate this Bond Purchase Agreement or proceed to Closing upon waiving any rights under this Bond Purchase Agreement with respect to any such condition. If this Bond Purchase Agreement is terminated pursuant to this Section, neither party will have any rights or obligations to the other, except as provided in Sections 10 and 11 herein.

8. Actions and Events at the Closing. The following events will take place at closing:

(a) The Issuer will direct the Registrar to authenticate and deliver the Bonds to the Underwriter, at the place established pursuant to Section 2 herein. Each of the Bonds so delivered

will be in definitive form or, with the consent of the Underwriter, in temporary form, duly executed on behalf of the Issuer, in denominations or maturity amounts of five thousand dollars (\$5,000) or any integral multiple thereof, and will be fully registered in such names and amounts as the Underwriter will request at least four (4) business days prior to the Closing Date. In the event the Bonds are delivered in temporary form, the Issuer shall deliver the Bonds in definitive form on such date as the Underwriter may reasonably require.

(b) The Issuer will deliver or cause to be delivered at Closing to the Underwriter the documents described in Section 7.2 hereof.

(c) The Underwriter will deliver to the Depository Bank, for the account of the Issuer, immediately available funds in an amount equal to the purchase price of the Bonds set forth as the Net Purchase Price in Exhibit A hereto.

9. Termination of Bond Purchase Agreement. The Underwriter may terminate this Bond Purchase Agreement without liability therefor (except as provided under Section 10) by noticing the Issuer at any time at or prior to the Closing if:

(a) Any legislation is introduced in, or enacted by, the United States Congress, or shall have been reported out of committee, or any decision is rendered by any court of competent jurisdiction or any ruling or regulation, temporary regulation, release or announcement shall have been issued or proposed by the Treasury Department of the United States, the Internal Revenue Service, or any other agency of the government of the United States that, in the reasonable opinion of the Underwriter, has the purpose or effect of subjecting interest on the Bonds to inclusion in gross income for federal income tax purposes or has a material and adverse effect upon the ability of the Underwriter to sell the Bonds at the contemplated offering prices;

(b) Any legislation, ordinance, rule or regulation is introduced in, or enacted by, any governmental body, department or agency of the State of West Virginia, or shall have been reported out of committee, or a decision by any court of competent jurisdiction within the State of West Virginia is rendered, that, in the reasonable opinion of the Underwriter, has the purpose or effect of subjecting the Bonds or the interest thereon to West Virginia State income taxation or otherwise has a material and adverse effect upon the ability of the Underwriter to sell the Bonds at the contemplated offering prices;

(c) Any other action or event shall exist or have transpired which has the purpose or effect, directly or indirectly, of materially adversely affecting the federal or West Virginia income tax consequences of the transactions contemplated by the Official Statement, and in the reasonable opinion of the Underwriter, materially adversely affects the market for the Bonds or the sale at the contemplated offering prices by the Underwriter of the Bonds;

(d) Any fact exists or any event occurs that, in the reasonable opinion of the Underwriter, makes untrue or incorrect in any material respect any statement or information in the Official Statement or causes the Official Statement to contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under

which they were made, not misleading for the purposes for which the Official Statement is to be used;

(e) Any amendment of or supplement to the Official Statement is distributed (whether or not such amendment or supplement was approved by the Underwriter prior to its distribution) which, in the reasonable opinion of the Underwriter, has a material and adverse effect upon the ability of the Underwriter to sell the Bonds at the contemplated offering prices;

(f) There shall have occurred any outbreak, continuation or resumption of hostilities, whether declared or undeclared, or other national or international calamity or crisis, which, in the reasonable opinion of the Underwriter, has a material and adverse effect upon the ability of the Underwriter to sell the Bonds at the contemplated offering prices;

(g) Any legislation is introduced in, or enacted by the United States Congress, or any action is taken by, or on behalf of, the Securities and Exchange Commission, that in the opinion of the Underwriter has the effect of requiring (i) the registration of a security under the Securities Act of 1933, as amended, or the qualification of an indenture under the Trust Indenture Act of 1939, as amended, in connection with the offering and sale of the Bonds or (ii) any governmental consents, approvals, orders or authorizations for the consummation of the transactions contemplated by this Bond Purchase Agreement, the Official Statement, or the other Bond Documents, which cannot, without undue expense, be obtained prior to the Closing Date;

(h) There shall have occurred a general suspension of trading on the New York Stock Exchange, or a general banking moratorium is declared by the United States or by the State of West Virginia authorities, that, in the reasonable opinion of the Underwriter, has a material and adverse effect upon the ability of the Underwriter to sell the Bonds at the contemplated offering prices; or

(i) Any fact exists or any event occurs that is not disclosed in the Preliminary Official Statement, which after disclosure in the Official Statement affects the ability of the Underwriter to sell the Bonds at the contemplated offering prices.

10. Expenses.

10.1 The Issuer will pay or cause to be paid from proceeds of the Bonds or otherwise (i) fees and expenses of bond counsel, counsel to the Issuer, and Underwriter's counsel; (ii) initial fees of the Registrar and Paying Agent; (iii) fee for obtaining "CUSIP Numbers" for the Bonds; and (iv) any other costs and expenses of the issue not set forth in Section 10.2 below.

10.2 The Underwriter will pay (i) sales commissions associated with marketing the Bonds; (ii) costs of qualification of the Bonds for sale under the securities or "Blue Sky" laws of various jurisdictions; (iii) initial fees relating to The Depository Trust Company; and (iv) costs and expenses incurred by the Underwriter in connection with the preparation, offering and distribution of the Bonds, including but not limited to advertising, local and long distance telephone, and travel expenses, as well as management fees in connection with such offering.

10.3 In the event that the Issuer or the Underwriter shall have temporarily paid obligations of

the other as set forth in this Section, appropriate adjustments will promptly be made.

10.4 Nothing herein will limit the rights of the Issuer to take action against the Underwriter for default of its responsibilities hereunder or for its actions or inactions regarding the matters contemplated herein.

11. Indemnification.

11.1 To the extent permitted by the laws of the State, the Issuer agrees to indemnify and hold harmless the Underwriter, each director, officer, attorney, agent or employee of the Underwriter, and each person, if any, who controls the Underwriter within the meaning of the Securities Act of 1933, as amended, or within the meaning as determined by the Office of the Comptroller of the Currency (each hereafter, an "Indemnified Party"), from and against all losses, claims, damages, liabilities, settlements and expenses, joint or several, to which each Indemnified Party may become subject, under federal laws or regulations or otherwise, insofar as such losses, claims, damages, liabilities, settlements and expenses, or actions in respect thereof (i) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact pertaining to the Issuer as set forth in the Official Statement, or any amendment or supplement thereto, or the Preliminary Official Statement, or arise out of or are based upon the omission or alleged omission to state therein a material fact pertaining to the Issuer required to be stated therein or necessary to make the statements therein not misleading, or (ii) arise out of or are based upon any claim that the issuance of the Bonds violated any requirements contained in pre-existing bond documents, and the Issuer will assume the defense of any action against any Indemnified Party based upon allegations of any such loss, claim, damage, liability or action, including the retaining of counsel approved by the Indemnified Party (which approval shall not be unreasonably withheld) and the payment of counsel fees and all other expenses relating to such defense, provided, however, that each Indemnified Party may retain separate counsel in any such action and may participate in the defense thereof (at its expenses, unless the retention of such counsel has been specifically authorized by the Issuer); and provided further, that the Issuer will not be liable to the Underwriter or any Indemnified Party related to it, in any such case to the extent that any such loss, claim, damage, liability and expense arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission made in any such documents under the caption "Underwriting."

11.2 Promptly after receipt by an Indemnified Party under this Bond Purchase Agreement of notice of the commencement of any action, such Indemnified Party will, if a claim in respect thereof is to be made against the Issuer under this Bond Purchase Agreement, notify the Issuer of the commencement thereof, but failure to give such notice shall not relieve the Issuer of its indemnification obligations under this Bond Purchase Agreement unless and to the extent that such failure causes actual harm or prejudice to the Issuer. In case any such action is brought against any Indemnified Party, and it notifies the Issuer of the commencement thereof, the Issuer (i) will assume the defense thereof if and as required under this Bond Purchase Agreement, with counsel satisfactory to the Indemnified Party or (ii) if not required to assume the defense, will be entitled to participate in, and, to the extent that it may wish, jointly with any other Indemnifying Party similarly notified, to assume the defense thereof, with counsel satisfactory to such Indemnified Party. After notice from the Issuer to such Indemnified Party of its assumption of the defense, the Issuer will not be liable to

such Indemnified Party in connection with the defense thereof other than for reasonable expenses incurred by the Indemnified Party and its counsel, reimbursement of out-of-pocket expenses and other reasonable costs of investigation or participation in the defense of the claim.

12. Miscellaneous.

12.1 All notices, demands and formal actions hereunder will be written and mailed, telegraphed or delivered to the following address or such other address as either of the parties shall specify:

IF TO THE ISSUER:

City of Charles Town

12.2 This Bond Purchase Agreement will inure to the benefit of and be binding upon the parties hereto and their successors and will not confer any rights upon any other person. The term "successor" will not include any purchaser of any of the Bonds from the Underwriter merely because of such purchase. All representations, warranties and agreements in this Bond Purchase Agreement shall remain operative and in full force and effect, regardless of (a) delivery of and payment for the Bonds hereunder, and (b) any termination of this Bond Purchase Agreement including, but not limited to, the indemnity agreements contained in Section 11 and the continuing disclosure agreement contained in Section 6.1.

12.3 This Bond Purchase Agreement may not be assigned by any of the parties hereto.

12.4 If any provision of this Bond Purchase Agreement is held or deemed to be or is, in fact, inoperative, invalid or unenforceable as applied in any particular case in any jurisdiction or jurisdictions, or in all jurisdictions because it conflicts with any provision of any constitution, statute, rule of public policy, or any other reason, such circumstances will not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance or of rendering any other provision or provisions of this Bond Purchase Agreement invalid, inoperative or unenforceable to any extent whatever.

12.5 The payment for, acceptance of, and delivery and execution of any receipt for the Bonds and any other instruments upon or in connection with the closing by the Underwriter will be valid and sufficient for all purposes and binding upon the Underwriter. No such action by the Underwriter will impose any obligation or liability upon the Underwriter, other than as may arise as expressly set forth in this Bond Purchase Agreement.

12.6 Whenever any action contemplated by this Bond Purchase Agreement requires the consent or approval of the Underwriter, it is acknowledged that the Underwriter may not unreasonably withhold such approval.

12.7 This Bond Purchase Agreement shall be governed by and construed in accordance with the laws of the State of West Virginia applicable to agreements to be performed wholly therein. The parties hereto intend to be legally bound hereby.

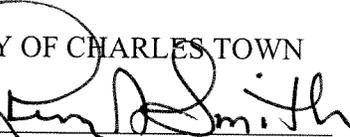

12.8 This Bond Purchase Agreement may be executed in several counterparts, each of which will be regarded as an original and all of which will constitute one and the same document.

12.9 No personal recourse shall be had for any claim based on this Bond Purchase Agreement or the Bonds against any official, agent or employee, past, present or future, of the Issuer or any successor body or entity as such, either directly or through the Issuer or any such successor body or entity, under any constitutional provision, statute, or rule of law or by the enforcement of an assessment or penalty or otherwise.

CONTINUING DISCLOSURE CERTIFICATE

This Continuing Disclosure Certificate (this “Certificate”) is made by the City of Charles Town (the “City”). By the terms of an ordinance enacted by the Council of the City on April 1, 2013 (the “Ordinance”), the City authorized the issuance of \$2,970,000 City of Charles Town, Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax-Exempt) (the “Series 2013 B Bonds”). The Series 2013 B Bonds were sold pursuant to the terms of a Bond Purchase Agreement dated September 24, 2013, by and between the Crews & Associates, Inc. (the “Underwriter”) and the City (the “Purchase Agreement”). Capitalized terms used in this Certificate shall have the respective meanings specified above or in Article IV hereof. The parties agree as follows:

SECTION 1. Purpose of Certificate. This Certificate is being executed and delivered by the City for the benefit of the holders and Beneficial Owners of the Bonds and in order to assist the Underwriter in complying with SEC Rule 15c2-12(b)(5).

SECTION 2. Definitions. In addition to the definitions set forth in the Ordinance and the Bond Purchase Agreement dated September 24, 2013, which apply to any capitalized term used in this Certificate unless otherwise defined in this Section, the following capitalized terms shall have the following meanings:

“Annual Financial Information” means the financial information (which shall be based on financial statements prepared in accordance with generally accepted accounting principles (“GAAP”)) and operating data with respect to the City, provided at least annually, of the type included in those sections of the final official statement with respect to the Bonds attached thereto as Appendix B, which Annual Financial Information shall include Audited Financial Statements if available on the Report Date, and, if not then available, unaudited financial statements.

“Audited Financial Statements” means the City’s annual financial statements, prepared in accordance with GAAP, which financial statements shall have been audited by a firm of independent certified public accountants.

“Beneficial Owner” shall mean any person who has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries).

“Dissemination Agent” shall initially mean the City of Charles Town, or any later appointed Dissemination Agent or any successor Dissemination Agent designated in writing by the City and which has filed with the City a written acceptance of such designation.

“EMMA” means the Electronic Municipal Market Access System described in the 1934 Act Release No. 59062 and maintained by the Municipal Securities Rulemaking Board for purposes of the Rule.

“Listed Events” shall mean any of the events listed in Section 5(a) of this Certificate.

“National Repository” shall mean the Municipal Securities Rulemaking Board, Washington, D.C. the sole Nationally Recognized Municipal Securities Information Repository for purposes of the Rule.

“Participating Underwriter” shall mean the original underwriter of the Bonds who is required to comply with the Rule in connection with offering of the Bonds.

“Purchase Agreement” shall mean the Bond Purchase Agreement dated September 24, 2013, between Crews & Associates, Inc. (the “Underwriter”) and the City, by which the Underwriter agreed to purchase the Series 2013 B Bonds upon the terms set forth therein.

“Repository” shall mean each National Repository and the State Repository, if any.

“Rule” shall mean Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

“State” shall mean the State of West Virginia.

“State Repository” shall mean any public or private repository or entity designated by the State as the state repository for the purpose of the Rule and recognized as such by the Securities and Exchange Commission. As of the date of this Certificate, there is no State Repository.

SECTION 3. Provision of Annual Reports.

(a) Not later than nine (9) months after the end of the Fiscal Year, commencing with Fiscal Year ended June 30, 2013, the City shall provide Annual Financial Information to each Repository and to the Dissemination Agent. In each case, Annual Financial Information may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 4 of this Agreement. Notwithstanding the foregoing, Annual Financial Information may be submitted separately when they become available. In the event that audited financial statements are not included with Annual Financial Information and will be submitted at a later date, the City shall include unaudited financial statements and shall indicate the date on which the audited financial statements of the City will be submitted. The audited financial statements of the City, when available, will be provided to each Repository.

(b) If the City is unable to provide to the Repositories with its Annual Financial Information by the date required in the above paragraph, the City shall send a notice to each Repository and the Dissemination Agent.

(c) If, on the date specified in subsection (a) above for providing Annual Financial Information to Repositories, the Dissemination Agent has not received a copy of Annual Financial Information, the Dissemination Agent shall contact the City to determine if the City is in compliance with subsection (a).

(d) If the Dissemination Agent is unable to verify that Annual Financial Information has been provided to the Repositories by the date required within subsection (a), the Dissemination Agent shall file a notice of (i) non-filing or (ii) inability to verify filing with the Repositories and the MSRB.

SECTION 4. Content of Annual Financial Information. Within two hundred seventy (270) days of the City's 2013 Fiscal year-end, and each subsequent fiscal year, the Dissemination Agent shall submit to EMMA information and data of the City for the prior fiscal year, including the Audited Financial Statements, prepared in accordance with generally accepted accounting principles in effect from time to time.

Any or all of the items listed above may be included by specific reference to other documents, including official statements of debt issues of the City or related public entities, which have been submitted to EMMA or the Securities and Exchange Commission. If the document included by reference is a final official statement it must be available from the MSRB. The City shall clearly identify each such other document so included by reference.

SECTION 5. Reporting of Significant Events.

(a) Pursuant to the provisions of this Section 5, the City shall give, or cause to be given, notice of the occurrence of any of the following events, if applicable, with respect to the Series 2013 B Bonds, if material:

1. principal and interest payment delinquencies;
2. non-payment related defaults, if material;
3. unscheduled draws on debt service reserves reflecting financial difficulties;
4. unscheduled draws on credit enhancements reflecting financial difficulties;
5. substitution of credit or liquidity providers or their failure to perform;
6. adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the security;
7. modifications to rights of security holders, if material;
8. bond calls, if material, and tender offers;
9. defeasances;
10. release, substitution, or sale of property securing repayment of the Series 2013 B Bonds, if material;

11. rating changes;
12. bankruptcy, insolvency, receivership, or similar event of the City¹;
13. the consummation of a merger, consolidation or acquisition involving the City, or the sale of all or substantially all of the assets of the City, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its term, if material; and
14. appointment of a successor or additional trustee or the change of name of a trustee, if material.

(b) The Dissemination Agent shall, within one (1) Business Day of obtaining actual knowledge of the occurrence of any of the Listed Events contact the Disclosure Representative, inform such person of the event, and request that the City promptly notify the Dissemination Agent in writing whether or not to report the event pursuant to subsection (f).

(c) Whenever the City obtains knowledge of the occurrence of a Listed Event, classified under Section 5(a) (2), (7), (8), (10), (13) or (14), because of a notice from the Dissemination Agent pursuant to subsection (b) or otherwise, the City shall as soon as possible determine if such event would be material under applicable federal securities laws, in any event such determination must be made and submitted to the Dissemination Agent within two (2) business days.

(d) If the City determines that knowledge of the occurrence of any of the Listed Events, classified under Section 5(a) (2), (7), (8), (10), (13) or (14), would be material under applicable federal securities laws pursuant to subsection (b) or the City received notice of any Listed Event that does not require a finding of materiality classified under Section 5(a) (1), (3), (4), (5), (6), (9), (11) or (12), the City shall promptly file with the Dissemination Agent a notice of such occurrence to be provided to EMMA.

(e) If in response to a request under subsection (b), the City determines that the Listed Event, classified under Section 5(a) (2), (7), (8), (10), (13) or (14), would not be material under applicable federal securities laws, the City shall so notify the Dissemination Agent in writing and instruct the Dissemination Agent not to report the occurrence pursuant to subsection (f).

¹ For the purposes of the event identified in Section 5(a)(12) above, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

(f) If the Dissemination Agent has been instructed by the City to report the occurrence of a Listed Event, the Dissemination Agent shall file a notice of such occurrence with EMMA with a copy to the City. The Dissemination Agent must file such notice with EMMA within ten (10) business days of the occurrence of such Listed Event.

SECTION 6. Termination of Reporting Obligation. The City's obligations under this Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. If such termination occurs prior to the final maturity of the Bonds, the City shall give notice of such termination in the same manner as for any of the Listed Events under Section 5(a).

SECTION 7. Dissemination Agent. The City of Charles Town is hereby appointed as Dissemination Agent. The City may, from time to time, appoint or engage an alternate or successor Dissemination Agent to assist it in carrying out its obligations under this Certificate, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the City pursuant to this Certificate.

SECTION 8. Amendment, Waiver. Notwithstanding any other provision of this Certificate, the City may amend this Certificate, and any provision of this Certificate may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4 or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the City with respect to the Series 2013 B Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Series 2013 B Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances, and

(c) The amendment or waiver either (i) is approved by the Holders of the Series 2013 B Bonds in the same manner as provided in the Ordinance for amendments to the Ordinance with the consent of Holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Holders or Beneficial Owners of the Series 2013 B Bonds.

In the event of any amendment or waiver of a provision of this Certificate, the City shall describe such amendment in the next Annual Financial Information and Audited Financial Statements, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the City. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for any of the Listed Events under Section 5(a), and (ii) the Annual Financial Information and Audited Financial Statements for the year in which the change is made should present a

comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

SECTION 9. Additional Information. Nothing in this Certificate shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in this Certificate or any other means of communication, or including any other information in any Annual Financial Information and Audited Financial Statements or notice of occurrence of any of the Listed Events, in addition to that which is required by this Certificate. If the City chooses to include any information in any Annual Financial Information and Audited Financial Statements or notice of occurrence of any of the Listed Events in addition to that which is specifically required by this Certificate, the City shall have no obligation under this Certificate to update such information or include it in any future Annual Financial Information and Audited Financial Statements or notice of occurrence of any of the Listed Events.

SECTION 10. Default. In the event of a failure of the City or Dissemination Agent to comply with any provision of this Certificate (and, at the request of the Original Purchaser), the Dissemination Agent may or any Holder or Beneficial Owner of the Series 2013 B Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the City or Dissemination Agent to comply with its obligations under this Certificate. A default under this Certificate shall not be deemed an Event of Default under the Ordinance, and the sole remedy under this Certificate in the event of any failure of the City or Dissemination Agent to comply with this Certificate shall be an action to compel performance.

SECTION 11. Duties, Immunities and Liabilities of Dissemination. The Dissemination Agent shall have only such duties as are specifically set forth in this Certificate, and the City agrees to the extent allowed by State law to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's gross negligence or willful misconduct. The obligations of the City under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Series 2013 B Bonds.

SECTION 12. Beneficiaries. This Certificate shall inure solely to the benefit of the City, the Participating Underwriter and Holders and Beneficial Owners from time to time of the Series 2013 B Bonds, and shall create no rights in any other person or entity.

SECTION 13. Fees. The City agrees to pay all fees and expenses of the Dissemination Agent including, without limitation, all reasonable expenses, charges, costs, attorney's fees and other disbursements in the administration and performance of the Dissemination Agent's duties.

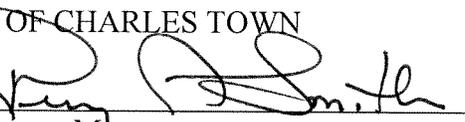

SECTION 14. Right to Resign. The Dissemination Agent may resign at any time by providing thirty (30) days' written notice to the City.

SECTION 15. Right to Counsel. The Dissemination Agent shall have the right to consult with counsel in carrying out its duties under this Certificate and to rely upon an opinion of counsel.

IN WITNESS WHEREOF, the City has caused this Certificate to be executed by its duly authorized representative as of the date first above written.

Ladies and Gentlemen:

This letter sets forth our understanding with respect to all issues (the "Securities") that Issuer shall request be made eligible for deposit by The Depository Trust Company ("DTC").

To induce DTC to accept the Securities as eligible for deposit at DTC, and to act in accordance with DTC's Rules with respect to the Securities, Issuer represents to DTC that Issuer will comply with the requirements stated in DTC's Operational Arrangements, as they may be amended from time to time.

Note:

Schedule A contains statements that DTC believes accurately describe DTC, the method of effecting book-entry transfers of securities distributed through DTC, and certain related matters.

Very truly yours,

SCHEDULE A
(To Blanket Issuer Letter of Representations)

SAMPLE OFFERING DOCUMENT LANGUAGE
DESCRIBING BOOK-ENTRY-ONLY ISSUANCE

(Prepared by DTC—bracketed material may be applicable only to certain issues)

1. The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the securities (the “Securities”). The Securities will be issued as fully registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds \$200 million, one certificate will be issued with respect to each \$200 million of principal amount and an additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants (“Participants”) deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participants’ accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). The Rules applicable to DTC and its Participants are on file with the Securities and Exchange Commission.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC’s records. The ownership interest of each actual purchaser of each Security (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co. or such other name as requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

[Beneficial Owners of the Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners, or in the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.]

[6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.]

7. Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to Securities. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Principal and interest payments on the Securities will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC (nor its nominee), Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants is the responsibility of DTC, and disbursement of such payments to Beneficial Owners is the responsibility of Direct and Indirect Participants.

[9. A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to [Tender/Remarketing] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered securities to [Tender/Remarketing] Agent's DTC account.]

10. DTC may discontinue providing its services as securities depository with respect to the Securities at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Security certificates are required to be printed and delivered.

11. Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered.

12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.

SWEEP RESOLUTION

WHEREAS, the City of Charles Town (the "Issuer") is a governmental body and political subdivision of West Virginia;

WHEREAS, the Issuer has issued bonds, as more specifically set forth on Exhibit A, attached hereto and incorporated herein by reference (the "Bonds");

WHEREAS, the Issuer makes monthly debt service payments on the Bonds by check to the West Virginia Municipal Bond Commission (the "MBC") which in turn pays the owners of the Bonds and deposits funds in the reserve accounts;

WHEREAS, the MBC may accept such monthly payments by electronic funds transfer thereby eliminating delay in payments and lost checks;

WHEREAS Pursuant to Chapter 13, Article 3, Section 5a, the MBC has established fees for its services (the "MBC Fee");

WHEREAS, the Issuer find and determines that it is in the best interest of the Issuer, its citizens and the owners of the Bonds that the monthly debt service and reserve fund payments be made by electronic transfer with the State Treasurer **sweeping** the Issuer's account.

NOW THEREFORE BE IT RESOLVED AS FOLLOWS:

- 1) The monthly debt service payments on the Bonds, as set forth in Exhibit A, along with the MBC Fee, shall be made to the MBC by electronic transfer by the State Treasurer from the accounts set forth in Exhibit A in such form and at such directions as are provided by the MBC.
- 2) The Mayor and Clerk are hereby authorized to sign and execute all such documents as are necessary to facilitate the electronic transfer of the Bond debt service and reserve fund payments.
- 3) This resolution shall be effective immediately upon adoption.

Adopted this 3rd day of September 2013.

City of Charles Town
Combined Waterworks and Sewerage System Revenue Bonds,
Series 2013 B (Tax-Exempt)

REGISTRAR AGREEMENT

THIS AGREEMENT, dated as of the 1st day of October, 2013, by and between the CITY OF CHARLES TOWN, a municipal corporation and political subdivision of the State of West Virginia (the "Issuer"), and UNITED BANK, INC., Charleston, West Virginia, a state banking corporation (the "Bank").

WHEREAS, the Issuer has, contemporaneously with the execution hereof, issued and sold its \$2,970,000 aggregate principal amount of Combined Waterworks and Sewerage System Revenue Bonds, Series 2013 B (Tax-Exempt), (the "Series 2013 B Bonds" or "Bonds"), in fully registered form pursuant to a Bond Ordinance enacted April 1, 2013, as supplemented by a Supplemental Parameters Resolution and Conformed Ordinance adopted September 3, 2013 (collectively, the "Bond Legislation");

WHEREAS, capitalized words and terms used in this Agreement and not otherwise defined herein shall have the respective meanings given them in the Bond Legislation, a copy of which is attached as Exhibit A hereto and incorporated herein by reference;

WHEREAS, the Bond Legislation provides for an appointment by the Issuer of a Registrar for the Bonds; and

WHEREAS, the Issuer desires to appoint, and by the Bond Legislation and this Agreement does appoint the Bank to act as Registrar under the Bond Legislation and to take certain other actions hereinafter set forth;

NOW, THEREFORE, it is agreed by and between the parties hereto as follows:

1. Upon the execution of this Agreement by the Issuer and the Bank and during the term hereof, the Bank does accept and shall have and agrees to perform all of the powers and duties of Registrar, as set forth in the Bond Legislation, such duties including, among other things, the duties to authenticate, register and deliver Bonds upon original issuance and when properly presented for exchange or transfer, and shall do so with the intention of maintaining the excludability from gross income of interest on the Series 2013 B Bonds for purposes of federal income taxation, in accordance with any rules and regulations promulgated by the United States Treasury Department or by the Municipal Securities Rulemaking Board or similar regulatory bodies as the Issuer advises it of and with generally accepted industry standards.

2. The Bank agrees to furnish the Issuer with appropriate records of all transactions carried out by it as Registrar and to furnish the Issuer with the names and specimen signatures of the Bank's authorized officers for the purposes of acting as the Registrar and with such other information and reports as the Issuer may from time to time reasonably require.

3. The Bank shall have no responsibility or liability for any action taken by it at the specific direction of the Issuer.

4. As compensation for acting as Registrar pursuant to this Agreement, the Issuer hereby agrees to pay to the Bank, the compensation for services rendered as provided in the annexed fee schedule and reimbursement for reasonable expenses incurred in connection therewith.

5. It is intended that this Agreement shall carry out and implement provisions of the Bond Legislation with respect to the Registrar. In the event of any conflict between the terms of this Agreement and the Bond Legislation, the terms of the Bond Legislation shall govern.

6. The Issuer and the Bank each warrants and represents that it is duly authorized and empowered to execute and enter into this Agreement and that neither such execution nor the performance of its duties hereunder or under the Bond Legislation will violate any order, decree or agreement to which it is a party or by which it is bound.

7. This Agreement may be terminated by either party upon 60 days' written notice sent by registered or certified mail to the other party, at the following respective addresses:

ISSUER:

Attention: Trust Department

8. The Bank is hereby requested and authorized to authenticate and deliver the Bonds in accordance with the Bond Legislation.

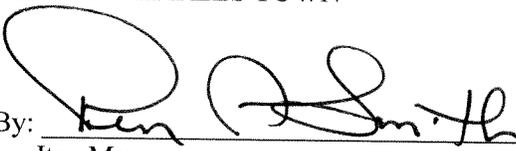

9. If any one or more of the covenants or agreements provided in this Agreement to be performed on the part of any of the parties hereto shall be determined by a court of competent jurisdiction to be contrary to law, such covenant or agreement shall be deemed and construed to be severable from the remaining covenants and agreements herein contained and shall in no way affect the validity of the remaining provisions of this Agreement.

10. This Agreement may be executed in several counterparts, all or any of which shall be regarded for all purposes as one original and shall constitute and be but one and the same instrument.

PART I—COMBINED WATERWORKS AND SEWERAGE SYSTEMS AUTHORIZED; DEFINITIONS

§ 8-20-1. Acquisition and operation of combined waterworks and sewerage systems; extension beyond corporate limits; definitions

Any municipality may acquire, construct, establish and equip and thereafter repair, maintain and operate a combined waterworks and sewerage system either wholly within or partly within and partly without the corporate limits thereof, under the provisions of this article, and any municipality owning and operating either a waterworks or a sewerage system, but not both, may acquire, construct, establish and equip the waterworks or sewerage system which it does not then own and operate, and in either of such cases such municipality may provide by ordinance that when such waterworks or sewerage system, or both, shall have been acquired, constructed, established and equipped, the same shall thereafter be owned, repaired, maintained and operated as a combined undertaking under the provisions of this article, and any municipality already owning and operating an existing waterworks system and an existing sewerage system may by ordinance combine the same into a single undertaking under the provisions of this article.

Any municipality which has combined its waterworks and sewerage system under the provisions of this article, or pursuant to provisions of any other law, may hereafter construct extensions, additions, betterments and improvements to either the waterworks system or the sewerage system of said combined waterworks and sewerage system, or both, and may finance the acquisition, construction, establishment and equipment of any such waterworks or sewerage system, or both, or the construction of extensions, additions, betterments and improvements to either the waterworks system or the sewerage system of such combined waterworks and sewerage system, or both, by the issuance of revenue bonds under the provisions of this article.

Notwithstanding the provisions of any other law or charter to the contrary, any such municipality may serve and supply the area included within twenty miles outside its corporate limits with the water or sewer services and facilities, or both, of its combined waterworks and sewerage system: Provided, That such water or sewer services and facilities shall not be served or supplied within the corporate limits of any other municipality without the consent of the governing body of such other municipality.

When used in this article, the term "waterworks system" shall be construed to mean and include a waterworks system in its entirety or any integral part thereof, including mains, hydrants, meters, valves, standpipes, storage tanks, pump tanks, pumping stations, intakes, wells, impounding reservoirs, pumps, machinery, purification plants, softening apparatus, and all other facilities necessary, appropriate, useful, convenient or incidental in connection with or to a water supply system; the term "sewerage system" shall be construed to mean and include any or all of the following: A sewage treatment plant or plants, collecting, intercepting and outlet sewers, lateral sewers, drains, force mains, conduits, pumping stations, ejector stations and all other appurtenances, extensions, additions and improvements necessary, appropriate, useful, conve-

nient or incidental for the collection, treatment and disposal in a sanitary manner of sewage and industrial wastes; and the term "combined waterworks and sewerage system" shall be construed to mean and include a waterworks and sewerage system, which a municipality determines by ordinance to operate in combination.

Notes of Decisions

New and annexed tracts 1

1. New and annexed tracts

City, rather than sewer and water districts, was entitled to provide sewer and water services to newly developed tract that was within districts' boundaries, but was annexed to city, where such services were not previously furnished to tract. Code, 16-13A-8. Berkeley County Public Service Sewer Dist. v. West Virginia Public Service Com'n, 1998, 512 S.E.2d 201, 204 W.Va. 279. Municipal Corporations ↔ 712(1); Water Law ↔ 2037

If a tract of real estate located within a public service district has been annexed into a municipality, then, as between the municipality and the public service district, the municipality has the superior right to extend water and/or sewer service which were not being previously furnished to the tract by the public service district,

and under those circumstances, a public service district would need the consent of the municipality and the Public Service Commission (PSC) in order to provide such service. * Code, 16-13A-8. Berkeley County Public Service Sewer Dist. v. West Virginia Public Service Com'n, 1998, 512 S.E.2d 201, 204 W.Va. 279. Municipal Corporations ↔ 712(1); Water Law ↔ 2037; Water Law ↔ 2110

Awarding sewer and water service rights in newly developed tract to city, rather than to sewer and water districts, could reasonably be expected to provide appropriate protection to the relevant public interests, both existing and foreseeable. Berkeley County Public Service Sewer Dist. v. West Virginia Public Service Com'n, 1998, 512 S.E.2d 201, 204 W.Va. 279. Municipal Corporations ↔ 712(1); Water Law ↔ 2037

§ 8-20-1a. Acquisition and operation of combined systems; extension beyond corporate limits; definitions

(a) Any municipality may acquire, construct, establish and equip and thereafter repair, maintain and operate a combined waterworks, sewerage and storm-water system either wholly within or partly within and partly without the corporate limits thereof under the provisions of this article, and any municipali-

ty owning and operating a waterworks and sewerage system, but not a stormwater system, may acquire, construct, establish and equip the stormwater system which it does not then own and operate, and such municipality may provide by ordinance that when such stormwater system shall have been acquired, constructed, established and equipped, the same shall thereafter be owned, repaired, maintained and operated as a combined undertaking under the provisions of this article, and any municipality already owning and operating an existing waterworks system, sewerage system, and stormwater system, may by ordinance combine the same into a single undertaking under the provisions of this article. However, no municipality may acquire, construct, establish and equip or thereafter repair, maintain and operate a combined waterworks, sewerage and stormwater system which includes highways, road and drainage easements, and/or stormwater facilities constructed, owned and/or operated by the West Virginia Division of Highways without the express agreement of the commissioner of highways.

(b) Any municipality which has combined its waterworks, sewerage system and stormwater systems under the provisions of this article, or pursuant to the provisions of any other law, may hereafter construct extensions, additions, betterments and improvements to any of the systems, any combination thereof, or all of the waterworks, sewerage and stormwater systems of said combined waterworks, sewerage and stormwater system, and may finance the acquisition, construction, establishment and equipment thereof, or the construction or extensions, additions, betterments and improvements thereof by the issuance of revenue bonds under the provisions of this article.

(c) Notwithstanding the provisions of any other law or charter to the contrary, any such municipality may serve and supply the area included within twenty miles outside its corporate limits with either the water, sewer or stormwater services, any combination of such services or all such services, of its combined waterworks, sewerage and stormwater system; provided that such water, sewer or stormwater services and facilities shall not be served or supplied within the corporate limits of any municipality without the consent of the governing body of such municipality: Provided, That for stormwater systems, within the twenty miles beyond the municipality's corporate limits the only areas the municipality may serve and supply shall be those areas from which stormwater affects or drains into the municipality.

(d) As used in this article, the following terms shall have the following meanings unless the text clearly indicates otherwise.

(1) "Stormwater system" means a stormwater system in its entirety or any integral part thereof used to collect and dispose of stormwater and an associated stormwater management program. It includes all facilities, structures and natural water courses used for collecting and conducting stormwater to, through and from drainage areas to the points of final outlet, including, but not limited to, any and all of the following: Inlets, conduits, outlets, channels, ponds, drainage ways, easements, water quality facilities, catch basins, ditches, streams, gulches, flumes, culverts, siphons, retention or detention basins, dams, floodwalls, pipes, flood control systems, levies and pumping stations. The term

“stormwater system” shall not include highways, road and drainage easements, and/or stormwater facilities constructed, owned and/or operated by the West Virginia Division of Highways.

(2) “Combined waterworks, sewerage and stormwater system” means a waterworks, sewerage and stormwater system which a municipality determines by ordinance to operate in combination.

(3) “Combined system” means either a combined waterworks, sewerage and stormwater system, or a combined waterworks and sewerage system.

(4) “Stormwater management program” means those activities associated with the management, operation and maintenance and control of stormwater and stormwater systems, and shall include and not be limited to public education, stormwater and surface runoff water quality improvement, mapping, planning, flood control, inspection, enforcement and any other activities required by state and federal law. The term “stormwater management program” shall not include those activities associated with the management, operation, maintenance and control of highways, road and drainage easements, and/or stormwater facilities constructed, owned and/or operated by the West Virginia Division of Highways without the express agreement of the commissioner of highways.

§ 8-20-1b. Cooperation with other governmental units

In carrying out any lawful purpose prescribed by this article, any municipality may, in the exercise of its powers, duties and responsibilities, cooperate or join with the state of West Virginia or any political subdivision, agency, board, commission, office or department thereof, however designated, or with the United States of America or any agency or department thereof.

§ 8-20-1c. Severance of combined system

Any municipality which has combined its waterworks and sewerage systems or waterworks, sewerage and stormwater systems, under the provisions of this article, or pursuant to provisions of any other law, may hereafter sever said combined system if the following conditions are met:

(a) An ordinance is enacted by the governing body of the municipality severing the combined system into separate systems.

(b) If revenue bonds or notes or other obligations with a lien on or pledge of the revenues of said combined system, or any part thereof, are outstanding, then the municipality must provide in said ordinance that the severance of the combined system is not effective until all such outstanding revenue bonds or

§ 8-20-1c

MUNICIPAL CORPORATIONS

notes or other obligations with a lien on or pledge of the revenues of the system, or any part thereof, are paid and the method for paying said outstanding revenue bonds or notes or other obligations. For the purposes of this section, said municipality may provide for payment of said outstanding revenue bonds or notes or other obligations by:

(1) Depositing moneys and funds with the West Virginia municipal bond commission or in escrow with a corporate trustee, which may be a trust company or bank having powers of a trust company within or without the state of West Virginia selected by the issuer to pay interest when due and to pay principal when due, whether at maturity or earlier redemption;

(2) Depositing securities with the municipal bond commission or said escrow trustee, the principal of and earnings on which will provide moneys sufficient to pay interest when due and to pay principal when due, whether at maturity or earlier redemption; or

(3) Depositing with the municipal bond commission or said escrow trustee any combination of the foregoing sufficient to pay interest when due and to pay principal when due, whether at maturity or earlier redemption.

(c) If the combined system is under the supervision and control of a separate committee, board or commission, then the governing body of the municipality must provide for the dissolution of the committee, board or commission, and the creation of other committees, boards or commissions as may be required by law.

PART II—RIGHT OF EMINENT DOMAIN

§ 8-20-2. Right of eminent domain; limitations

For the purpose of acquiring, constructing, establishing or extending any system within a combined system, or a combined system, or for the purpose of constructing any additions, betterments or improvements to any system within a combined system, or a combined system, or for the purpose of acquiring any property necessary, appropriate, useful, convenient or incidental for or to any system within a combined system, or combined system, under the provisions of this article, the municipality shall have the right of eminent domain as provided in chapter fifty-four of this code: Provided, That such right of eminent domain for the acquisition of a complete privately owned waterworks system may not be exercised without prior approval of the public service commission, and in no event shall any municipality construct, establish or extend beyond the corporate limits of the municipality a municipal waterworks system or a combined system under the provisions of this article to supply service in competition with an

existing privately or municipally owned waterworks system or combined system in the municipality or within the proposed extension of the system, unless, except in the case of a stormwater system, a certificate of public convenience and necessity therefor shall have been issued by the public service commission: Provided, however, that the power of eminent domain provided in this section shall not extend to highways, road and drainage easements, and/or stormwater facilities constructed, owned and/or operated by the West Virginia Division of Highways without the express agreement of the commissioner of highways. PART III—REVENUE BOND FINANCING

§ 8-20-3. Ordinance describing project; contents

The governing body of any municipality availing itself of the provisions of this article shall adopt an ordinance describing in a general way the contemplated project. If it is intended to include in the combined system any existing waterworks system or any existing sewerage system, or both, or if applicable, any existing stormwater system, or any of them, or all of them, the ordinance shall provide that it or they be so included in the combined system and shall describe in a general way such existing waterworks or sewerage system or both, or, if applicable, any existing stormwater system, or any of them, or all of them, to be included in the combined system. The ordinance shall state the means provided for refunding any obligations unpaid and outstanding payable solely from the revenues of any such waterworks or sewerage system, or both, or if applicable, any existing stormwater system, or any of them, or all of them. The ordinance shall determine the period of usefulness of the contemplated project.

If it is intended to acquire, construct, establish and equip a combined system or any part thereof, or to construct extensions, additions, betterments and improvements to either the waterworks system or the sewerage system of the combined system, or both, or if applicable, any existing stormwater system, or any of them, or all of them, the ordinance shall describe in a general way the works or property or system to be acquired, constructed, established or equipped or the extensions, additions, betterments and improvements to be constructed.

The ordinance shall fix the amount of revenue bonds proposed to be issued, the interest rate or rates, and any other details in connection with the bonds considered advisable. The ordinance may state that the bonds, or such ones thereof as may be specified, shall, to the extent and in the manner prescribed, be subordinated and be junior in standing, with respect to principal and

§ 8-20-4. Publication of abstract of ordinance and notice; hearing

After the ordinance for any project under the provisions of this article has been adopted, an abstract of the ordinance, determined by the governing body to contain sufficient information as to give notice of the contents of such ordinance, together with the following described notice, shall be published as a Class II legal advertisement in compliance with the provisions of article three, chapter fifty-nine of this code, and the publication area for such publication shall be such municipality. The notice to be published with said abstract of the ordinance shall state that said ordinance has been adopted, that the municipality contemplates the issuance of the bonds described in the ordinance, that any person interested may appear before the governing body upon a certain date, which shall not be less than ten days subsequent to the date of the first publication of such abstract and notice and which shall not be prior to the date of the last publication of such abstract and notice, and present protests and that a certified copy of the ordinance is on file with the governing body for review by interested parties during the office hours of the governing body. At such hearing all protests and suggestions shall be heard and the governing body shall take such action as it shall deem proper in the premises: Provided, That if at such hearing written protest is filed by thirty percent or more of the freeholders of the municipality, then the governing body of said municipality shall not take further action unless four fifths of the qualified members of said governing body assent thereto.

§ 8-20-5. Amount, negotiability and execution of bonds; refund of outstanding obligations or securities by sale or exchange of bonds

For the purpose of defraying the cost of acquisition, construction, establishment or equipment of any system within a combined system, or a combined system, and for the purpose of paying the cost of constructing any extensions, additions, betterments or improvements to any of the systems of said combined system, or all of them, any such municipality may issue revenue bonds under the provisions of this article.

All such bonds may be authorized, issued and sold pursuant to ordinance in installments at different times or an entire issue or series may be sold at one time. Such bonds shall bear interest at a rate not to exceed twelve percent per annum, payable at such times, and shall mature within the period of usefulness of the project involved, to be determined by the governing body and in any event within a period of not more than forty years. The bonds may be in denomination or denominations, may be in such form, either coupon or registered, may carry registration and conversion privileges, may be executed in such manner, may be payable in such medium of payment, at such place or places, may be subject to terms of redemption, with or without a premium, may be declared to become due before the maturity date thereof, may provide for the replacement of mutilated, destroyed, stolen or lost bonds, may be authenticated in such manner and upon compliance with such conditions, and may contain other terms and covenants, as may be provided by ordinance of the governing body of the municipality. Notwithstanding the form or tenor thereof, and in the absence of an express recital on the face thereof that the bond is nonnegotiable, all bonds shall at all times be, and shall be treated as, negotiable instruments for all purposes.

The bonds and the interest thereon, together with all properties and facilities of the municipality owned or used in connection with the combined system, and all the moneys, revenues and other income of such municipality derived from the combined system shall be exempt from all taxation by this state or any county, municipality, political subdivision or agency thereof. Bonds may be sold in such manner as the governing body shall determine. If any bonds shall be issued to bear interest at a rate of twelve percent per annum, the price at which they may be sold shall be such that the interest cost to the municipality of the proceeds of the bonds may not exceed thirteen percent per annum computed to maturity according to the standard table of bond values.

If the governing body of the municipality determines to sell any revenue bonds of such combined system for refunding purposes, the proceeds of the bonds shall be deposited at the place of payment of the bonds, obligations or securities being refunded thereby.

In case any officer whose signature appears on the bonds or coupons attached thereto shall cease to be such officer before the delivery of the bonds to the purchaser, such signature shall nevertheless be valid and sufficient for all purposes, with the same effect as if he or she had remained in office until the delivery of the bonds. All signatures on the bonds or coupons and the corporate seal may be mechanically reproduced if authorized in the ordinance authorizing the issuance of the bonds. The bonds shall have all the qualities of negotiable instruments under the laws of this state.

Whenever a waterworks and sewerage system or stormwater system, if applicable, is included in a combined system under the provisions of this article and there are unpaid and outstanding revenue bonds or any other obligations or securities previously issued which are payable solely from the revenues of the waterworks or the sewerage system or stormwater system, if applicable, or any part thereof, such outstanding bonds, obligations or securities may be

§ 8-20-5

MUNICIPAL CORPORATIONS

refunded by the issuance and sale or exchange therefor of revenue bonds to be issued under the provisions of this article.

Whenever any outstanding bonds, obligations or securities previously issued which are payable solely from the revenues of any waterworks or sewerage system, or stormwater system, if applicable, included in a combined system under the provisions of this article are refunded and the refunding is to be accomplished by exchange, such outstanding bonds, obligations or securities shall be surrendered and exchanged for revenue bonds of such combined system of a total principal amount which shall not be more and may be less than the principal amount of the bonds, obligations or securities surrendered and exchanged plus the interest to accrue thereon to the date of surrender and exchange, and if the refunding is to be accomplished through the sale of revenue bonds of such combined system the total principal amount of such revenue bonds which may be sold for refunding purposes shall not exceed the principal amount of the bonds, obligations or securities being refunded plus the interest to accrue thereon to the retirement date or the next succeeding interest payment date, whichever date may be earlier.

Provision may be made that each bond to be exchanged for refunding bonds shall be kept intact and shall not be canceled or destroyed until the refunding bonds, and interest thereon, have been finally paid and discharged, but each bond shall be stamped with a legend to the effect that the same has been refunded pursuant to the provisions of this article.

§ 8-20-7. Lien of bondholders

There shall be and there is hereby created and granted a statutory mortgage lien upon such combined system which shall exist in favor of the holder of bonds hereby authorized to be issued, and each of them, and to and in favor of the holder of the coupons attached to said bonds, and such combined system shall remain subject to such statutory mortgage lien until payment in full of the principal of and interest upon said bonds. However, no lien may attach to any portion of any highways, road or drainage easements or stormwater facilities constructed, owned or operated by the West Virginia Division of Highways.

Any municipality in acquiring an existing waterworks system may provide that payment therefor shall be made by issuing revenue bonds and delivering the same at such prices as may be agreed upon within the limitations prescribed in section five hereof. Any revenue bonds so issued in payment for an existing waterworks system shall for all purposes be regarded as partaking of the nature of and as being secured by a purchase money mortgage upon the property so acquired; and the holders thereof shall have, in addition to any other remedies and rights prescribed by this article, remedies and rights as may now or hereafter exist in law in the case of purchase money mortgages. § 8-20-8. Covenants with bondholders

Any ordinance authorizing the issuance of bonds hereunder, or any trust indenture with any banking institution or trust company, within or without the state, for the security of said bonds, which any municipality is hereby empowered and authorized to enter into and execute, may contain covenants with the holders of the bonds as to:

(a) The purpose or purposes to which the proceeds of sale of bonds or the revenues derived from said combined system may be applied and the securing, use and disposition thereof, including, if considered desirable, the appointment of a trustee or depository for any of the funds;

(b) The pledging of all or any part of the revenues derived from the ownership, control or operation of such combined system, including any part thereof heretofore or hereafter acquired, constructed, established, extended, equipped, added to, bettered or improved or derived from any other sources, to the payment of the principal of or interest thereon of bonds issued hereunder and for reserve or other funds as may be considered necessary or desirable;

(c) The fixing, establishing and collecting of rates, fees or charges for the use of the services and facilities of the combined system, including the parts thereof heretofore or hereafter acquired, constructed, established, extended, equipped, added to, bettered or improved and the revision of same from time to time, as will always provide revenues at least sufficient to provide for all expenses of repair, maintenance and operation of such combined system, the payment of the principal of and interest upon all bonds or other obligations payable from the revenues of such combined system, and all reserve and other funds required by the terms of the ordinance authorizing the issuance of bonds;

(d) The transfer from the general funds of the municipality to the account or accounts of the combined system of an amount equal to the cost of furnishing the municipality or any of its departments, boards or agencies with the services and facilities of such combined system;

(e) Limitations or restrictions upon the issuance of additional bonds or other obligations payable from the revenues of such combined system, and the rank or priority, as to lien and source and security for payment from the revenues of such combined system, between bonds payable from the revenues;

(f) The manner and terms upon which all bonds and other obligations issued hereunder may be declared immediately due and payable upon the happening of a default in the payment of the principal of or interest thereon, or in the performance of any covenant or agreement with bondholders, and the manner and terms upon which defaults may be declared cured and the acceleration of the maturity of the bonds rescinded and repealed;

(g) Budgets for the annual repair, maintenance and operation of such combined system and restrictions and limitations upon expenditures for the purposes, and the manner of adoption, modification, repeal or amendment thereof, including the approval of the budgets by consulting engineers designated by holders of bonds issued hereunder;

(h) The amounts of insurance to be maintained upon the combined system, or any part thereof, and the use and disposition of the proceeds of any insurance; and

(i) The keeping of books of account, relating to such undertaking and the audit and inspection thereof, and the furnishing to the holders of bonds issued hereunder or their representatives, reports prepared, certified or approved by accountants designated or approved by the holders of bonds issued hereunder.

Any ordinance or trust indenture may also contain other additional covenants as shall be considered necessary or desirable for the security of the holders of bonds issued under the provisions of this article, notwithstanding that other covenants are not expressly enumerated above, it being the intention hereof to grant to municipalities plenary power and authority to make any and all covenants or agreements necessary in order to secure greater marketability for bonds issued hereunder as fully and to the same extent as covenants or agreements could be made by a private corporation rendering similar services and facilities and to grant to municipalities full and complete power and

authority to enter into any contracts, covenants or agreements with holders of bonds issued hereunder not inconsistent with the constitution of this state.

§ 8-20-10. Power and authority of municipality to enact ordinances and make rules and fix rates, fees or charges; deposit required for new customers; change in rates, fees or charges; failure to cure delinquency; delinquent rates, discontinuance of service; reconnecting deposit; return of deposit; fees or charges as liens; civil action for recovery thereof; deferral of filing fees and costs in magistrate court action; limitations with respect to foreclosure

(a)(1) The governing body of a municipality availing itself of the provisions of this article shall have plenary power and authority to make, enact and enforce all necessary rules for the repair, maintenance, operation and management of the combined system of the municipality and for the use thereof. The governing body of a municipality also has the plenary power and authority to make, enact and enforce all necessary rules and ordinances for the care and protection of any such system for the health, comfort and convenience of the public, to provide a clean water supply, to provide properly treated sewage insofar as it is reasonably possible to do and, if applicable, to properly collecting and controlling the stormwater as is reasonably possible to do: *Provided*, That no municipality may make, enact or enforce any rule, regulation or ordinance regulating any highways, road or drainage easements or storm water facilities constructed, owned or operated by the West Virginia Division of Highways.

(2) A municipality has the plenary power and authority to charge the users for the use and service of a combined system and to establish required deposits, rates, fees or charges for such purpose. Separate deposits, rates, fees or charges may be fixed for the water and sewer services respectively and, if applicable, the stormwater services, or combined rates, fees or for the combined water and sewer services, and, if applicable, the storm water services. Such deposits, rates, fees or charges, whether separate or combined, shall be sufficient at all times to pay the cost of repair, maintenance and operation of the combined system, provide an adequate reserve fund, an adequate depreciation fund and pay the principal and interest upon all revenue bonds issued under this article. Deposits, rates, fees or charges shall be established, revised and maintained by ordinance and become payable as the governing body may determine by ordinance. The rates, fees or charges shall be changed, from time to time, as necessary, consistent with the provisions of this article.

(3) All new applicants for service shall indicate to the municipality or governing body whether they are an owner or tenant with respect to the service location. An entity providing stormwater service shall provide a tenant a report of the stormwater fee charged for the entire property and, if appropriate, that portion of the fee to be assessed to the tenant.

(4) The municipality or governing body, but only one of them, may collect from all new applicants for service a deposit of \$100 or two twelfths of the average annual usage of the applicant's specific customer class, whichever is greater, to secure the payment of water and sewage service rates, fees and charges in the event they become delinquent as provided in this section. In any case where a deposit is forfeited to pay service rates, fees and charges which were delinquent and the user's service is disconnected or terminated, service may not be reconnected or reinstated by the municipality or governing body until another deposit equal to \$100 or a sum equal to two twelfths of the average usage for the applicant's specific customer class, whichever is greater, is remitted to the municipality or governing body. After twelve months of prompt payment history, the municipality or governing body shall return the deposit to the customer or credit the customer's account with interest at a rate to be set by the Public Service Commission: *Provided*, That where the customer is a tenant, the municipality or governing body is not required to return the deposit until the time the tenant discontinues service with the municipality governing body. Whenever any rates, fees, rentals or charges for services or facilities furnished remain unpaid for a period of twenty days after they become due, the user of the services and facilities provided is delinquent and the user is liable at law until all rates, fees and charges are fully paid. The municipality or governing body may terminate water services to a delinquent user of either water or sewage facilities, or both, ten days after the water or sewage services become delinquent regardless of whether the governing body utilizes the security deposit to satisfy any delinquent payments: *Provided further*, That any termination of water service must comply with all rules and orders of the Public Service Commission: *Provided however*, That nothing contained within the rules of the Public Service Commission shall be deemed to require any

agents or employees of the municipality or governing body to accept payment at the customer's premises in lieu of discontinuing service for a delinquent bill.

(b) Whenever any rates, fees or charges for services or facilities furnished remain unpaid for a period of twenty days after they become due, the user of the services and facilities provided shall be delinquent and the municipality or governing body may apply any deposit against any delinquent fee. The user is liable until such time as all rates, fees and charges are fully paid.

(c) All rates, fees or charges for water service, sewer service and, if applicable, stormwater service, whenever delinquent, as provided by ordinance of the municipality, shall be liens of equal dignity, rank and priority with the lien on such premises of state, county, school and municipal taxes for the amount thereof upon the real property served. The municipality has the plenary power and authority to enforce such lien in a civil action to recover the money due for services rendered plus court fees and costs and reasonable attorney's fees: *Provided*, That an owner of real property may not be held liable for the delinquent rates, fees or charges for services or facilities of a tenant, nor shall any lien attach to real property for the reason of delinquent rates, fees or charges for services or facilities of a tenant of the real property, unless the owner has contracted directly with the municipality to purchase such services or facilities.

(d) Municipalities are hereby granted a deferral of filing fees or other fees and costs incidental to filing an action in magistrate court for collection of the delinquent rates and charges. If the municipality collects the delinquent account, plus fees and costs, from its customer or other responsible party, the municipality shall pay to the magistrate court the filing fees or other fees and costs which were previously deferred.

(e) No municipality may foreclose upon the premises served by it for delinquent rates, fees or charges for which a lien is authorized by this section except through a civil action in the circuit court of the county wherein the municipality lies. In every such action, the court shall be required to make a finding based upon the evidence and facts presented that the municipality has exhausted all other remedies for collection of debts with respect to such delinquencies prior to bringing the action. In no event shall foreclosure procedures be instituted by any municipality or on its behalf unless the delinquency has been in existence or continued for a period of two years from the date of the first delinquency for which foreclosure is being sought.

(f) Notwithstanding any other provision contained in this article, a municipality which has been designated by the Environmental Protection Agency as an entity to serve a West Virginia Separate Storm Sewer System community, as defined in 40 C.F.R. § 122.26, has the authority to enact ordinances or regulations which allow for the issuance of orders, the right to enter properties and the right to impose reasonable fines and penalties regarding correction of violations of municipal stormwater ordinances or regulations within the municipal watershed served by the municipal stormwater system, as long as such

rules, regulations, fines or acts are not contrary to any rules or orders of the Public Service Commission.

(g) Notice of a violation of a municipal stormwater ordinance or regulation shall be served in person to the alleged violator or by certified mail, return receipt requested. The notice shall state the nature of the violation, the potential penalty, the action required to correct the violation and the time limit for making the correction. Should a person, after receipt of proper notice, fail to correct violation of the municipal stormwater ordinance or regulation, the municipality may correct or have the corrections of the violation made and bring the party into compliance with the applicable stormwater ordinance or regulation. The municipality may collect the costs of correcting the violation from the person by instituting a civil action, as long as such actions are not contrary to any rules or orders of the Public Service Commission.

(h) A municipality which has been designated by the Environmental Protection Agency as an entity to serve a West Virginia Separate Storm Sewer System community shall prepare an annual report detailing the collection and expenditure of rates, fees or charges and make it available for public review at the place of business of the governing body and the stormwater utility main office.

§ 8-20-12. Use of revenues; sinking fund

All revenues derived from the operation of any combined system under the provisions of this article shall be set aside as collected and used only for the purpose of paying the cost of repairing, maintaining and operating such system, providing an adequate reserve fund, an adequate depreciation fund, and paying the principal of and interest upon the revenue bonds issued by the municipality under the provisions of this article. The ordinance pursuant to which any bonds are issued shall pledge the revenues derived from the combined system to the purposes aforesaid and shall definitely fix and determine the amount of revenues which shall be necessary and set apart in a special fund for the bond requirements. The amounts so set apart into said special fund for the bond requirements shall be remitted to the West Virginia municipal bond commission to be retained and paid out by said commission consistent with the provisions of this article and the ordinance pursuant to which the bonds have been issued: Provided, That payments of principal of and interest on any bonds owned by the United States of America or any agency or department thereof may be made by the municipality directly to the United States of America or said agency or department thereof.

§ 8-20-15. Protection and enforcement of rights of bondholders, etc.; receivership

Any holder of any bonds issued under the provisions of this article or of any coupons representing interest accrued thereon may by civil action, mandamus or other proper proceeding enforce the statutory mortgage lien created and granted in section seven of this article, protect and enforce any and all rights granted hereunder or under any such ordinance or trust indenture, and may enforce and compel performance of all duties required by the provisions of this article or by any ordinance or trust indenture to be performed by the municipality or by the governing body or any officer, including the making and collecting of reasonable and sufficient rates, fees or charges for services rendered by the combined system.

If there be default in the payment of the principal of or interest upon any of bonds, or of both principal and interest, any court having jurisdiction shall

appoint a receiver to administer said combined system on behalf of the municipality, and the bondholders or trustee, or both, with power to charge and collect rates, fees or charges sufficient to provide for the retirement of the bonds and pay the interest thereon, and for the payment of the repair, maintenance and operation expenses, and the receiver shall apply the revenues in conformity with the provisions of this article and the ordinance pursuant to which the bonds have been issued or trust indenture, or both.

PART IV—GRANTS, LOANS AND ADVANCES; CUMULATIVE AUTHORITY

§ 8-20-16. Grants, loans and advances

Any municipality is hereby empowered and authorized to accept loans or grants and procure loans or temporary advances evidenced by notes or other negotiable instruments issued in the manner, and subject to the privileges and limitations, set forth with respect to bonds authorized to be issued under the provisions of this article, for the purpose of paying part or all of the cost of acquisition, construction, establishment, extension or equipment of combined systems and the construction of additions, betterments and improvements thereto, and for the other purposes herein authorized, from any authorized agency of the state or from the United States of America or any federal or public agency or department of the United States or any private agency, corporation or individual, which loans or temporary advances, including the interest thereon, may be repaid out of the proceeds of bonds authorized to be issued under the provisions of this article, the revenues of the said combined system or grants to the municipality from any agency of the state or from the United States of America or any federal or public agency or department of the United States or any private agency, corporation or individual or from any combination of such sources of payment, and to enter into the necessary contracts and agreements to carry out the purposes hereof with any agency of the state, the United States of America or any federal or public agency or department of the United States, or with any private agency, corporation or individual. Any other provisions of this article notwithstanding, interest on any loans or temporary advances may be paid from the proceeds thereof until the maturity of the notes or other negotiable instrument.

In no event shall any loan or temporary advance be a general obligation of the municipality and the loans or temporary advances, including the interest thereon, shall be paid solely from the sources specified in this section.

PART V—OPERATION BY BOARD; CONSTRUCTION

§ 8-20-18. Alternative procedure for acquisition, construction, etc., of combined system

(a) As an alternative to the procedure provided in this article, any municipality is hereby empowered and authorized to acquire, construct, establish, extend, equip, repair, maintain and operate a combined system or to construct, maintain and operate additions, betterments and improvements thereto, whether acquired, constructed, established, extended or equipped under the provisions of this article or not, and to collect the revenues therefrom for the services rendered thereby, through the supervision and control of a committee, by whatever name called, composed of all or of a portion of the governing body, or of a board or commission appointed by the governing body, as may be provided by the governing body, and if such alternative is followed, said committee,

board or commission shall have and be limited to all the powers, authority and duties granted to and imposed upon a board as provided in article sixteen of this chapter.

However, no municipality may acquire, construct, establish, extend, repair or equip or thereafter repair, maintain and operate a combined waterworks, sewerage or stormwater system, which includes highways, road and drainage easements, and/or stormwater facilities constructed, owned and/or operated by the West Virginia Division of Highways without the express agreement of the commissioner of highways.

(b) In the event that the waterworks or sewerage system or both, or if applicable, stormwater services, are in existence prior to the creation of the combined system, and the waterworks or sewerage system or both, and if applicable, stormwater services, are supervised and controlled by a committee, board or commission, and the alternative provided for in subsection (a) of this section is to be followed with respect to the supervision and control of the combined system, the governing body may by ordinance, after the creation of the combined system, provide:

(1) The manner of and procedure for transferring supervision and control from each separate committee, board or commission to the committee, board or commission which is supervising and controlling the combined system; or

(2) The manner of and procedure for combining each separate committee, board or commission into one committee, board or commission and transferring thereto supervision and control as aforesaid.

CITY OF CHARLES TOWN

ORDINANCE

ORDINANCE AUTHORIZING THE ACQUISITION AND CONSTRUCTION OF ADDITIONS AND IMPROVEMENTS FOR THE EXISTING WATERWORKS SYSTEM OF THE CITY OF CHARLES TOWN AND THE FINANCING OF THE COST, NOT OTHERWISE PROVIDED, THEREOF THROUGH THE ISSUANCE BY THE CITY OF NOT MORE THAN \$2,400,000 IN AGGREGATE PRINCIPAL AMOUNT OF WATER REVENUE BONDS, SERIES 1987 A AND NOT MORE THAN \$600,000 IN AGGREGATE PRINCIPAL AMOUNT OF WATER REVENUE BONDS, SERIES 1987 B, PROVIDING FOR THE RIGHTS AND REMEDIES OF AND SECURITY FOR THE REGISTERED OWNERS OF SUCH BONDS; APPROVING AND RATIFYING A LOAN AGREEMENT AND SUPPLEMENTAL LOAN AGREEMENT RELATING TO SUCH BONDS; AUTHORIZING THE SALE AND PROVIDING FOR THE TERMS AND PROVISIONS OF SUCH BONDS AND ADOPTING OTHER PROVISIONS RELATING THERETO.

BE IT ORDAINED AND ENACTED BY THE COUNCIL OF THE CITY OF CHARLES TOWN:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 8, Article 19 of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Charles Town (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Jefferson County of said State.

B. The Issuer now owns and operates a public water treatment and distribution system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be constructed certain additions, betterments and improvements for such existing waterworks facilities of the Issuer (the "Project") (the existing waterworks facilities, the Project and any further additions thereto or extensions thereof is herein called the "System") at an estimated cost of \$2,100,000, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all the costs of the operation and maintenance of said System, the principal of and interest on the Prior Bonds and the Bonds and all Sinking Fund, Reserve Account and other payments provided for herein and in the Prior Ordinance, all as such terms are hereinafter defined.

D. It is deemed necessary for the Issuer to issue its Water Revenue Bonds in the total aggregate principal amount of not more than \$3,000,000 in two series, being the Series 1987 A Bonds in the aggregate principal amount of not more than \$2,400,000, and the Series 1987 B Bonds in the aggregate principal amount of not more than \$600,000 (collectively, the "Bonds"), to finance costs of construction and acquisition of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest upon the Bonds prior to and during construction or acquisition and for 6 months after completion of construction of the Project; amounts which may be deposited in the Reserve Accounts; engineering, and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the construction or acquisition of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Bonds or the repayment of indebtedness incurred by the Issuer for such purposes, shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Original Bonds (as hereinafter defined) be sold to the Authority (as hereinafter defined) pursuant to the terms and provisions of a loan agreement and a supplemental loan agreement (collectively, the "Loan Agreement") to be entered into between the Issuer and the Authority, in form satisfactory to the Issuer and the Authority, and attached hereto as "Exhibit A," and made a part hereof.

G. There are outstanding certain obligations of the Issuer which will rank prior to the Bonds as to lien and source of and security for payment as follows: (i) Water Revenue Refunding Bonds, dated April 1, 1977, issued in the original aggregate principal amount of \$1,315,000, of which \$1,235,000 remains Outstanding as of the date of enactment of this Ordinance (the "1977 Bonds"); and (ii) Water Revenue Bonds, dated April 1, 1961, issued in the original aggregate principal amount of \$525,000, of which \$304,000 remains Outstanding as of the date of this Ordinance (the "1961 Bonds"). The 1977 Bonds and 1961 Bonds are herein collectively called the "Prior Bonds." The Series 1987 A Bonds shall be junior and subordinate to the Prior Bonds and the Series 1987 B Bonds shall be junior and subordinate to the Prior Bonds and the Series 1987 A Bonds as set forth herein.

H. The Issuer has complied with all requirements of West Virginia law relating to authorization of the construction, acquisition and operation of the Project and issuance of the Bonds, or will have so complied prior to issuance thereof, including, among other things, the obtaining of a Certificate of Convenience and Necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired.

I. The Issuer is a governmental unit which has general taxing powers to finance operations of or facilities of the nature of the Project and System, and the Issuer, all subordinate entities, all entities which issue obligations on behalf of the Issuer, and all entities formed or, to the extent provided under Section 148 of the Code, herein defined, availed of, to avoid the purposes of Section 148(f)(4)(C) of the Code and all other entities benefiting thereby reasonably expect to issue less than \$5,000,000 aggregate principal amount of tax-exempt obligations during the calendar year in which the Bond is to be issued.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Bonds by those who shall be the registered owners of the same from time to time, this Bond

Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the registered owners of any and all of such Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond of a series and any other Bonds of the same series, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

Section 1.04. Definitions. The following terms shall have the following meanings herein unless the context expressly requires otherwise:

"Act" means Chapter 8, Article 19 of the West Virginia Code of 1931, as amended and in effect on the date of enactment hereof.

"Authority" means the West Virginia Water Development Authority, which is expected to be the original purchaser of the Original Bonds, or any other agency of the State of West Virginia that succeeds to the functions of the Authority.

"Authorized Officer" means the Mayor of the Issuer or any acting Mayor duly appointed by the Governing Body.

"Bond Construction Trust Fund" means the Bond Construction Trust Fund established by Section 5.01 hereof.

"Bondholder," "Holder of the Bonds," "Holder" or any similar term whenever used herein with respect to an outstanding Bond or Bonds, means the person in whose name such Bond is registered.

"Bond Legislation," "Ordinance," "Bond Ordinance" or "Local Act" means this Bond Ordinance and all ordinances, orders and resolutions supplemental hereto or amendatory hereof.

"Bond Registrar" or "Registrar" means the bank or other entity to be designated as such in the Supplemental Resolution and its successors and assigns.

"Bond Year" means the 12 month period beginning on the anniversary of the Closing Date in each year and ending on the day prior to the anniversary date of the Closing Date in the following year except that the first Bond Year shall begin on the Closing Date.

"Bonds" means the Original Bonds, and any bonds on a parity therewith authorized to be issued hereunder.

"1977 Bonds" means the Issuer's Water Revenue Refunding Bonds, dated April 1, 1977, issued in the original aggregate principal amount of \$1,315,000, of which \$1,235,000 remains Outstanding as of the date of enactment of this Ordinance.

"1961 Bonds" means the Issuer's Water Revenue Bonds, dated April 1, 1961, issued in the original aggregate principal amount of \$525,000, of which \$304,000 remains Outstanding as of the date of enactment of this Ordinance.

"City Clerk" or "Recorder" means the Recorder of the Issuer.

"Closing Date" means the date upon which there is an exchange of the Bonds for the proceeds representing the purchase of the Bonds by the Authority.

"Code" means the Internal Revenue Code of 1986, as amended, and the Regulations.

"Commission" means the West Virginia Municipal Bond Commission or any other agency of the State of West Virginia that succeeds to the functions of the Commission.

"Consulting Engineers" means Kelley, Gidley, Blair & Wolfe, Inc., Charleston, West Virginia, or any engineer or firm of engineers that shall at any time hereafter be retained by the Issuer as Consulting Engineers for the System.

"Costs" or "Costs of the Project" means those costs described in Section 1.02D hereof to be a part of the cost of construction and acquisition of the Project.

"Debt Service" means the scheduled amount of interest and amortization of principal payable on the Bonds during the period of computation, excluding amounts scheduled during such period which relate to principal which has been retired before the beginning of such period.

"Depository Bank" means the bank designated as such in the Supplemental Resolution, and its successors and assigns.

"Excess Investment Earnings" means an amount equal to the sum of:

(A) The excess of

(i) The aggregate amount earned from the Closing Date on all Nonpurpose Investments in which Gross Proceeds of the Series A Bonds are invested [other than amounts attributable to an excess described in this clause (A) of this definition of Excess Investment Earnings], over

(ii) The amount that would have been earned if the Yield on such Nonpurpose Investments [other than amounts attributable to an excess described in this clause (A) of this definition of Excess Investment Earnings] had been equal to the Yield on the Series A Bonds, plus

(B) Any income attributable to the excess described in clause (A) of this definition of Excess Investment Earnings.

"FDIC" means the Federal Deposit Insurance Corporation and any successor to the functions of the FDIC.

"Fiscal Year" means each 12-month period beginning on July 1 and ending on the succeeding June 30.

"Governing Body" means the council of the Issuer, as it may now or hereafter be constituted.

"Government Obligations" means direct obligations of, or obligations the timely payment of the principal of and interest on which is guaranteed by, the United States of America.

"Gross Proceeds" means the sum of the following amounts:

(i) Original proceeds, namely, net amounts received by or for the Issuer as a result of the sale of the Series A Bonds, excluding original proceeds which become transferred proceeds (determined in accordance with applicable Regulations) of obligations issued to refund in whole or in part the Series A Bonds;

(ii) Investment proceeds, namely, amounts received at any time by or for the Issuer, such as interest and dividends, resulting from the investment of any original proceeds (as referenced in clause (i) above) or investment proceeds (as referenced in this clause (ii)) in Nonpurpose Investments, increased by any profits and decreased (if necessary, below zero) by any

losses on such investments, excluding investment proceeds which become transferred proceeds (determined in accordance with applicable Regulations) of obligations issued to refund in whole or in part the Series A Bonds;

(iii) Transferred proceeds, namely, original proceeds of any prior obligations, and interest earnings and profits less losses resulting from investment of such original proceeds in Nonpurpose Investments, which are used to discharge the outstanding principal of any prior bonds and which are deemed to become proceeds of the Series A Bonds ratably as original proceeds of the Series A Bonds, and interest earnings and profits resulting from investment of such original proceeds in Nonpurpose Investments, which are used to discharge the outstanding principal of any such prior obligations, all on the date of such ratable discharge;

(iv) Sinking fund proceeds, namely, amounts, other than original proceeds, investment proceeds or transferred proceeds (as referenced in clauses (i) through (iii) above) of the Series A Bonds, which are held in any fund to the extent that the Issuer reasonably expects to use such other fund to pay Debt Service;

(v) Amounts in the Reserve Accounts and in any other fund established as a reasonably required reserve or replacement fund;

(vi) Investment Property pledged as security for payment of Debt Service on the Series A Bonds by the Issuer;

(vii) Amounts, other than as specified in this definition, used to pay Debt Service on the Series A Bonds; and

(viii) Amounts received as a result of investing amounts described in this definition.

"Gross Revenues" means the aggregate gross operating and non-operating revenues of the System, as hereinafter defined, determined in accordance with generally accepted accounting principles, after deduction of prompt payment discounts, if any, and

reasonable provision for uncollectible accounts; provided, that "Gross Revenues" does not include any gains from the sale or other disposition of, or from any increase in the value of, capital assets (including Qualified Investments, as hereinafter defined, purchased pursuant to Article 8.01 hereof) or any Tap Fees, as hereinafter defined.

"Herein," "hereto" and similar words shall refer to this entire Bond Legislation.

"Independent Certified Public Accountants" shall mean any certified public accountant or firm of certified public accountants that shall at any time hereafter be retained by the Issuer to prepare an independent annual or special audit of the accounts of the System or for any other purpose except keeping the accounts of the System in the normal operation of its business and affairs.

"Investment Property" means any security (as said term is defined in Section 165(g)(2)(A) or (B) of the Code), obligation, annuity contract or investment-type property, excluding, however, obligations the interest on which is excluded from gross income, under Section 103 of the Code, for federal income tax purposes.

"Issuer" means the City of Charles Town, in Jefferson County, West Virginia, and, unless the context clearly indicates otherwise, includes the Governing Body of the Issuer.

"Loan Agreement" shall mean, collectively, the Loan Agreement and the Supplemental Loan Agreement, to be entered into between the Authority and the Issuer providing for the purchase of the Original Bonds from the Issuer by the Authority, the forms of which are approved, and the execution and delivery by the Issuer ratified and confirmed by, this Ordinance.

"Mayor" means the Mayor of the Issuer.

"Net Proceeds" means the face amount of the Series A Bonds, plus accrued interest and premium, if any, less original issue discount, if any, and less proceeds deposited in the Reserve Accounts. For purposes of the Private Business Use limitations set forth herein, the term Net Proceeds shall include any amounts resulting from the investment of proceeds of the Series A Bonds, without regard to whether or not such investment is made in tax-exempt obligations.

"Net Revenues" means the balance of the Gross Revenues, remaining after deduction of Operating Expenses, as hereinafter defined.

"Nonpurpose Investment" means any Investment Property which is acquired with the Gross Proceeds of the Series A Bonds and is not acquired in order to carry out the governmental purpose of the Bonds.

"Operating Expenses" means the reasonable, proper and necessary costs of repair, maintenance and operation of the System and includes, without limiting the generality of the foregoing, administrative, engineering, legal, auditing and insurance expenses, other than those capitalized as part of the Costs, fees and expenses of the Authority, fiscal agents, the Depository Bank, Registrar and Paying Agent (all as herein defined), other than those capitalized as part of the Costs, payments to pension or retirement funds, taxes and such other reasonable operating costs and expenses as should normally and regularly be included under generally accepted accounting principles; provided, that "Operating Expenses" does not include payments on account of the principal of or redemption premium, if any, or interest on the Bonds, charges for depreciation, losses from the sale or other disposition of, or from any decrease in the value of, capital assets, amortization of debt discount or such miscellaneous deductions as are applicable to prior accounting periods.

"1977 Ordinance" means the Ordinance enacted by the Issuer on March 7, 1977, authorizing issuance of the 1977 Bonds.

"1961 Ordinance" means the Ordinance enacted by the Issuer on March 6, 1961, authorizing issuance of the 1961 Bonds.

"Original Bonds" or "Bonds originally authorized hereby" or similar phrases mean, collectively, the not more than \$2,400,000 in aggregate principal amount of Series 1987 A Bonds and the not more than \$600,000 in aggregate principal amount of Series 1987 B Bonds, issued for the purpose of paying a portion of the Costs of the Project and for such other purposes permitted and authorized by this Bond Legislation.

"Outstanding," when used with reference to Bonds and as of any particular date, describes all Bonds theretofore and thereupon being authenticated and delivered except (i) any Bond cancelled by the Bond Registrar at or prior to said date; (ii) any Bond for the payment of which moneys, equal to its principal amount, with interest to the date of maturity, shall be in trust hereunder and set aside for such payment (whether upon or prior to maturity); (iii) any Bond deemed to have been paid as provided in Article X hereof; and (iv) for purposes of consents or other action by a specified percentage of Bondholders, any Bonds registered to the Issuer.

"Parity Bonds" means additional Bonds issued under the provisions and within the limitations prescribed by Section 7.07 hereof.

"Paying Agent" means the bank or banks or other entity designated as such for the Bonds from time to time in the Supplemental Resolution or such entity or authority as may be designated by the Issuer.

"Prior Bonds" means collectively, the 1977 Bonds and the 1961 Bonds.

"Prior Ordinance" means collectively, the 1977 Ordinance and the 1961 Ordinance.

"Private Business Use" means use directly or indirectly in a trade or business carried on by a natural person, including all persons "related" to such person within the meaning of Section 144(a)(3) of the Code, or in any activity carried on by a person other than a natural person, including all persons "related" to such person within the meaning of Section 144(a)(3) of the Code, excluding, however, use by a state or local governmental unit and use as a member of the general public. All of the foregoing shall be determined in accordance with the Code, including, without limitation, giving due regard to "incidental use," if any, of the proceeds of the issue and/or proceeds used for "qualified improvements," if any.

"Program" means the Authority's loan program, under which the Authority purchases the water development revenue bonds of local governmental entities satisfying certain legal and other requirements with the proceeds of water development revenue bonds of the Authority.

"Project" means the acquisition and construction of certain additions, betterments and improvements for the Issuer's existing public waterworks system, including storage tanks, water mains and connectors and all necessary appurtenances.

"Purchase Price," for the purpose of computation of the Yield of the Bonds, has the same meaning as the term "issue price" in Sections 1273(b) and 1274 of the Code, and, in general, means the initial offering price of the Series A Bonds to the public (not including bond houses and brokers, or similar persons or organizations acting in the capacity of underwriters or wholesalers) at which price a substantial amount of the Series A Bonds of each maturity is sold or, if the Series A Bonds are privately placed, the price paid by the first buyer of the Series A Bonds or the acquisition cost of the first buyer. "Purchase Price," for purposes

of computing Yield of Nonpurpose Investments, means the fair market value of the Nonpurpose Investments on the date of use of Gross Proceeds of the Series A Bonds for acquisition thereof, or if later, on the date that Investment Property constituting a Nonpurpose Investment becomes a Nonpurpose Investment of the Bonds.

"Qualified Investments" means and includes any of the following:

(a) Government Obligations;

(b) Government Obligations which have been stripped of their unmatured interest coupons, interest coupons stripped from Government Obligations, and receipts or certificates evidencing payments from Government Obligations or interest coupons stripped from Government Obligations;

(c) Bonds, debentures, notes or other evidences of indebtedness issued by any of the following agencies: Banks for Cooperatives; Federal Intermediate Credit Banks; Federal Home Loan Bank System; Export-Import Bank of the United States; Federal Land Banks; Government National Mortgage Association; Tennessee Valley Authority; or Washington Metropolitan Area Transit Authority;

(d) Any bond, debenture, note, participation certificate or other similar obligations issued by the Federal National Mortgage Association to the extent such obligation is guaranteed by the Government National Mortgage Association or issued by any other federal agency and backed by the full faith and credit of the United States of America;

(e) Time accounts (including accounts evidenced by time certificates of deposit, time deposits or other similar banking arrangements) which, to the extent not insured by the FDIC or Federal Savings and Loan Insurance Corporation, shall be secured by a pledge of Government Obligations, provided, that said Government Obligations pledged either must mature as nearly as practicable coincident with the maturity of said time accounts or must be replaced or

increased so that the market value thereof is always at least equal to the principal amount of said time accounts;

(f) Money market funds or similar funds whose only assets are investments of the type described in paragraphs (a) through (e) above;

(g) Repurchase agreements, fully secured by investments of the types described in paragraphs (a) through (e) above, with banks or national banking associations which are members of FDIC or with government bond dealers recognized as primary dealers by the Federal Reserve Bank of New York, provided, that said investments securing said repurchase agreements either must mature as nearly as practicable coincident with the maturity of said repurchase agreements or must be replaced or increased so that the market value thereof is always at least equal to the principal amount of said repurchase agreements, and provided further that the holder of such repurchase agreement shall have a prior perfected security interest in the collateral therefor; must have (or its agent must have) possession of such collateral; and such collateral must be free of all claims by third parties;

(h) The West Virginia "consolidated fund" managed by the West Virginia State Board of Investments pursuant to Chapter 12, Article 6 of the West Virginia Code of 1931, as amended; and

(i) Obligations of States or political subdivisions or agencies thereof, the interest on which is exempt from federal income taxation, and which are rated at least "A" by Moody's Investors Service, Inc. or Standard & Poor's Corporation.

"Registered Owner," "Bondholder," "Holder" or any similar term means whenever used herein with respect to an outstanding Bond, the person in whose name such Bond is registered.

"Regulations" means all applicable regulations promulgated under the Code, or any predecessor thereto.

"Renewal and Replacement Fund" means the Renewal and Replacement Fund established by Section 5.01 hereof.

"Revenue Fund" means the Revenue Fund established by Section 5.01 hereof.

"Series 1987 A Bonds" or "Series A Bonds" means the not more than \$2,400,000 in aggregate principal amount of Sewer Revenue Bonds, Series 1987 A, of the Issuer.

"Series 1987 A Bonds Reserve Account" means the Series 1987 A Bonds Reserve Account established in the Series 1987 A Bonds Sinking Fund pursuant to Section 5.02 hereof.

"Series 1987 A Bonds Reserve Requirement" means, as of any date of calculation, the maximum amount of principal and interest which will become due on the Series 1987 A Bonds in any year.

"Series 1987 A Bonds Sinking Fund" means the Series 1987 A Sinking Fund established by Section 5.02 hereof.

"Series 1987 B Bonds" or "Series B Bonds" means the not more than \$600,000 in aggregate principal amount of Sewer Revenue Bonds, Series 1987 B, of the Issuer.

"Series 1987 B Bonds Reserve Account" means the Series 1987 B Bonds Reserve Account established in the Series 1987 B Bonds Sinking Fund pursuant to Section 5.02 hereof.

"Series 1987 B Bonds Reserve Requirement" means, as of the date of calculation, the maximum amount of principal which will become due on the Series 1987 B Bonds in any year.

"Series 1987 B Bonds Sinking Fund" means the Series 1987 B Bonds Sinking Fund established by Section 5.02 hereof.

"State" means the State of West Virginia.

"Supplemental Resolution" means any resolution, ordinance or order of the Issuer supplementing or amending this Ordinance and, when preceded by the article "the," refers specifically to the supplemental resolutions authorizing the sale of the Original Bonds; provided, that any matter intended by this Ordinance to be included in the Supplemental Resolution with respect to the Original Bonds, and not so included may be included in another Supplemental Resolution.

"Surplus Revenues" means the Net Revenues not required by the Bond Legislation to be set aside and held for the payment of or

security for the Bonds, the Prior Bonds or any other obligations of the Issuer, including the Renewal and Replacement Fund and the Reserve Accounts, the proceeds of which Bonds or other obligations are to be used to pay Costs of the Project.

"System" means the complete municipal waterworks system of the Issuer, as presently existing in its entirety or any integral part thereof, and shall include the Project and any further improvements or extensions thereto hereafter constructed or acquired from any sources whatsoever.

"Tap Fees" means the fees, if any, paid by prospective customers of the System in order to connect thereto.

"Yield" means that yield which, when used in computing the present worth of all payments of principal and interest (or other payments in the case of Nonpurpose Investments which require payments in a form not characterized as principal and interest) on a Nonpurpose Investment or on the Series A Bonds produces an amount equal to the Purchase Price of such Nonpurpose Investment or the Bonds, all computed as prescribed in applicable Regulations.

Words importing singular number shall include the plural number in each case and vice versa; words importing persons shall include firms and corporations; and words importing the masculine, feminine or neutral gender shall include any other gender.

ARTICLE II

AUTHORIZATION OF CONSTRUCTION
AND ACQUISITION OF THE PROJECT

Section 2.01. Authorization of Construction and Acquisition of the Project. There is hereby authorized the construction and acquisition of the Project, at an estimated cost of \$2,100,000, in accordance with the plans and specifications which have been prepared by the Consulting Engineers, heretofore filed in the office of the Governing Body. The proceeds of the Bonds hereby authorized shall be applied as provided in Article VI hereof.

ARTICLE III

AUTHORIZATION, TERMS, EXECUTION, REGISTRATION AND SALE OF BONDS; AUTHORIZATION AND EXECUTION OF LOAN AGREEMENT

Section 3.01. Authorization of Bonds. For the purposes of capitalizing interest on the Series 1987 A Bonds, funding a reserve account for each series of Original Bonds, paying Costs of the Project not otherwise provided for and paying certain costs of issuance and related costs, or any of such purposes, there shall be issued negotiable Original Bonds of the Issuer, in an aggregate principal amount of not more than \$3,000,000. Said Bonds shall be issued in two series, to be designated respectively, "Sewer Revenue Bonds, Series 1987 A," in the aggregate principal amount of not more than \$2,400,000, and "Sewer Revenue Bonds, Series 1987 B," in the aggregate principal amount of not more than \$600,000, and shall have such terms as set forth hereinafter and in the Supplemental Resolution. The proceeds of the Bonds remaining after funding of the Reserve Accounts (if funded from Bond proceeds) and capitalization of interest, if any, shall be deposited in the Bond Construction Trust Fund established by Section 5.01 hereof.

Section 3.02. Terms of Bonds. The Bonds shall bear interest at such rate or rates, not exceeding the then legal maximum, payable semiannually on such dates; shall mature on such dates and in such amounts; and shall be redeemable, in whole or in part, all as the Issuer shall prescribe in a Supplemental Resolution. The Bonds shall be payable as to principal at the office of the Paying Agent, in any coin or currency which, on the dates of payment of principal is legal tender for the payment of public or private debts under the laws of the United States of America. Interest on the Bonds shall be paid by check or draft of the Paying Agent mailed to the registered owner thereof at the address as it appears on the books of the Bond Registrar, or by such other method as shall be mutually agreeable so long as the Authority is the Registered Owner thereof.

Unless otherwise provided by the Supplemental Resolution, the Original Bonds shall be issued in the form of a single bond for each series, fully registered to the Authority, with a debt service schedule attached, representing the aggregate principal amount of each series, and shall mature in principal installments, all as provided in the Supplemental Resolution. The Bonds of each series shall be exchangeable at the option and expense of the Holder for other fully registered Bonds of the same series in aggregate principal amount equal to the amount of said Bonds then Outstanding and being exchanged, with principal installments or maturities, as applicable, corresponding to the dates of payment of principal

installments of said Bonds; provided, that the Authority shall not be obligated to pay any expenses of such exchange.

Subsequent series of Bonds, if any, shall be issued in fully registered form and in denominations as determined by a Supplemental Resolution. The Bonds shall be dated as of the date specified in a Supplemental Resolution and shall bear interest from such date.

Section 3.03. Execution of Bonds. The Bonds shall be executed in the name of the Issuer by the Mayor, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the City Clerk. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bond, substantially in the forms set forth in Section 3.09 shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting any of said Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall

further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Bonds remain outstanding, the Issuer, through the Bond Registrar, shall keep and maintain books for the registration and transfer of the Bonds.

The registered Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Bonds or transferring the registered Bonds are exercised, Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month preceding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost.
In case any Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified

as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Gross Revenues derived from the operation of the System as herein provided and amounts, if any, in the respective Reserve Accounts. No holder or holders of any of the Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Bonds or the interest thereon.

Section 3.08. Bonds Secured by Pledge of Gross Revenues, Junior and Subordinate to Prior Bonds. The payment of the debt service of all the Series 1987 A Bonds shall be secured forthwith equally and ratably with each other, by a lien on the Gross Revenues junior and subordinate to the lien on Gross Revenues in favor of the Holders of the Prior Bonds. The payment of the debt service of all the Series 1987 B Bonds shall also be secured forthwith equally and ratably with each other by a lien on the Gross Revenues derived from the System, but junior and subordinate to the lien on such Gross Revenues in favor of the Holders of the Prior Bonds and the Series 1987 A Bonds. Such Gross Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Bonds and to make the payments into the Sinking Funds, the Reserve Accounts therein and the Renewal and Replacement Fund hereinafter established, are hereby irrevocably pledged to the payment of the principal of and interest on the Bonds as the same become due.

Section 3.09. Form of Original Bonds. The text of the Bonds shall be in substantially the following forms, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted hereby, or by any Supplemental Resolution adopted prior to the issuance thereof:

[Form of Series 1987 A Bond]

UNITED STATES OF AMERICA
STATE OF WEST VIRGINIA
CITY OF CHARLES TOWN
WATER REVENUE BOND, SERIES 1987 A

No. AR-_____

\$ _____

KNOW ALL MEN BY THESE PRESENTS: That the CITY OF CHARLES TOWN, a municipal corporation and political subdivision of the State of West Virginia in Jefferson County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the West Virginia Water Development Authority (the "Authority") or registered assigns the sum of _____ (\$ _____), in installments on October 1 of each year as set forth on the "Schedule of Annual Debt Service" attached as Exhibit A hereto and incorporated herein by reference with interest on each installment at the rate per annum set forth on said Exhibit A.

The interest rate on each installment shall run from the original date of delivery of this Bond to the Authority and payment therefor, and until payment of such installment, and such interest shall be payable on April 1 and October 1 in each year, beginning _____ 1, 19____. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent"). The interest on this Bond is payable by check or draft of the Paying Agent mailed to the registered owner hereof at the address as it appears on the books of One Valley Bank, National Association, Charleston, West Virginia, as registrar (the "Registrar") on the 15th day of the month next preceding an interest payment date, or by such other method as shall be mutually agreeable so long as the Authority is the Registered Owner hereof.

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority, and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement between the Issuer and the Authority, dated _____, 198__.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain additions, betterments and improvements for the existing waterworks facilities of the Issuer (the "Project"); and (ii) to pay certain costs of issuance hereof and related costs. The Bonds of this series (the "Bonds") are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 8, Article 19 of the West Virginia Code of 1931, as amended (the "Act"), and an Ordinance and Supplemental Resolution, duly enacted and adopted, respectively, by the Issuer on _____, 1987 (collectively called the "Bond Legislation"), and are subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Bond Legislation.

This Bond is issued contemporaneously with the Sewer Revenue Bonds, Series 1987 B, of the Issuer (the "Series 1987 B Bonds"), issued in the aggregate principal amount of \$ _____, which Series 1987 B Bonds are junior and subordinate with respect to liens and sources of and security for payment to the Bonds.

THIS BOND IS JUNIOR AND SUBORDINATE WITH RESPECT TO LIENS, PLEDGES AND SOURCES OF AND SECURITY FOR PAYMENT TO THE ISSUER'S OUTSTANDING WATER REVENUE REFUNDING BONDS, DATED APRIL 1, 1977, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$1,315,000 AND WATER REVENUE BONDS, DATED APRIL 1, 1966, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$525,000 (COLLECTIVELY, THE "PRIOR BONDS").

This Bond is payable only from and secured by a pledge of the Gross Revenues (as defined in the Bond Legislation) to be derived from the operation of the System after there has first been paid from said Gross Revenues all payments then due and owing on account of the Prior Bonds, moneys in the Reserve Account (the "Series 1987 A Bonds Reserve Account") created under the Bond Legislation for the Bonds, and unexpended proceeds of the Bonds and the Series 1987 B Bonds. Such Gross Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and which shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Gross Revenues, the moneys

in the Series 1987 A Bonds Reserve Account and unexpended proceeds of this Bond and the Series 1987 B Bond. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the amount required to pay the maximum amount due in any year of principal of and interest on the Bonds, the Series 1987 B Bonds, and all other obligations secured by or payable from such revenues prior to or on a parity with the Bonds or the Series 1987 B Bonds, including the Prior Bonds, provided however, that so long as there exists in the Series 1987 A Bonds Reserve Account an amount at least equal to the maximum amount of principal and interest which will become due on the Bonds in any year, and in the respective reserve accounts established for the Series 1987 B Bonds and any other obligations outstanding prior to or on a parity with the Bonds or the Series 1987 B Bonds, including the Prior Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Bond Legislation. Remedies provided the registered owners of the Bonds are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of the Registrar by the registered owner, or by its attorney duly authorized in writing, upon the surrender of this Bond together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law, shall be applied solely to the payment of the Costs of the Project described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the owner of this Bond.

This Bond is a "qualified tax-exempt obligation" within the meaning of Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of and interest on this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

IN WITNESS WHEREOF, the CITY OF CHARLES TOWN has caused this Bond to be signed by its Mayor and its corporate seal to be affixed hereon and attested by its Recorder, and has caused this Bond to be dated _____, 1987.

ARTICLE V

SYSTEM REVENUES AND APPLICATION THEREOF

Section 5.01. Establishment of Funds and Accounts with Depository Bank. The following special funds or accounts are created (or continued if previously established by the Prior Ordinance) with and shall be held by, the Depository Bank separate and apart from all other funds or accounts of the Depository Bank and from each other:

- (1) Revenue Fund (established by Prior Ordinance);
- (2) Operation and Maintenance Fund (established by the Prior Ordinance);
- (3) Depreciation Fund (established by the Prior Ordinance);
- (4) Renewal and Replacement Fund; and
- (5) Bond Construction Trust Fund.

Section 5.02. Establishment of Funds and Accounts with Commission. The following special funds or accounts are hereby established (or continued if previously established by the Prior Ordinance) with the Commission:

- (1) The Sinking Fund established for the Prior Bonds (herein called the "Prior Bonds Sinking Fund");
- (2) Series 1987 A Bonds Sinking Fund;
 - (a) Within the Series 1987 A Bonds Sinking Fund, the Series 1987 A Bonds Reserve Account.
- (3) Series 1987 B Bonds Sinking Fund;
 - (a) Within the Series 1987 B Bonds Sinking Fund, the Series 1987 B Bonds Reserve Account.

Section 5.03. System Revenues; Flow of Funds. A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Bond Legislation and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided.

(1) The Issuer shall first, on or before the 10th day of each month, transfer from the Revenue Fund and remit to the Commission for deposit into the Prior Bonds Sinking Fund such sums as will be sufficient to pay 1/5th of the interest which will mature and become due on the next interest payment date on all the Prior Bonds Outstanding, and shall also, on or before the 10th day of each month, transfer from the Revenue Fund and remit to the Commission for deposit into the Prior Bonds Sinking Fund, such sums as will be sufficient to pay 1/10th of the principal which will mature and become due on the Prior Bonds Outstanding on the next succeeding April 1, all in accordance with the Prior Ordinance. When and so long as there has been accumulated and retained in the Prior Bonds Sinking Fund sufficient moneys to pay the principal of and the interest on the Prior Bonds becoming due in the next succeeding 24 months, the amount which shall be deposited monthly into the Prior Bonds Sinking Fund shall be 1/6th of the interest becoming due on the next interest payment date and 1/12th of the principal of the Bonds maturing on the next principal payment date. Computations for payments into the Prior Bonds Sinking Fund shall be made as of April 1 of each year.

(2) Thereafter, from the moneys remaining in the Revenue Fund, the Issuer shall next, on the first day of each month, commencing 7 months prior to the first date of payment of interest on the Series 1987 A Bonds for which interest has not been capitalized, apportion and set apart out of the Revenue Fund and remit to the Commission, for deposit in the Series 1987 A Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on said Series 1987 A Bonds on the next ensuing semiannual interest payment date; provided, that, in the event the period to elapse between the date of such initial deposit in the Series 1987 A Bonds Sinking Fund and the next semiannual interest payment date is less than 7 months, then such monthly payments shall be increased proportionately to provide, one month prior to the next semiannual interest payment date, the required amount of interest coming due on such date.

(3) The Issuer shall also, on the first day of each month, commencing 13 months prior to the first date of payment of principal on the Series 1987 A Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Series 1987 A Bonds Sinking Fund, a sum equal to 1/12th of the amount of principal which will mature and become due on said Series 1987 A

Bonds on the next ensuing principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 1987 A Bonds Sinking Fund and the next annual principal payment date is less than 13 months then such monthly payments shall be increased proportionately to provide, one month prior to the next annual principal payment date, the required amount of principal coming due on such date.

(4) The Issuer shall also, on the first day of each month, commencing 13 months prior to the first date of payment of principal of the Series 1987 A Bonds, if not fully funded upon issuance of the Series 1987 A Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Series 1987 A Bonds Reserve Account, an amount equal to 1/120 of the Series 1987 A Bonds Reserve Requirement; provided, that no further payments shall be made into the Series 1987 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 1987 A Bonds Reserve Requirement.

(5) From the moneys remaining in the Revenue Fund, the Issuer shall next, on the first day of each month, commencing with the month succeeding the first full calendar month after completion of construction of the Project, transfer to the Renewal and Replacement Fund a sum equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of the Series 1987 A Bonds Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in the Series 1987 A Bonds Reserve Account [except to the extent such deficiency exists because the required payments into such account has not, as of the date of determination of a deficiency, funded such account to the maximum extent required by Subsection 5.03(A)(4)] shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

(6) The Issuer shall next, on the first day of each month, commencing 13 months prior to the first date of payment of principal on the Series 1987 B Bonds, apportion

and set apart out of the Revenue Fund and remit to the Commission for deposit in the Series 1987 B Bonds Sinking Fund, a sum equal to 1/12th of the amount of principal which will mature and become due on said Series 1987 B Bonds on the next ensuing principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 1987 B Bonds Sinking Fund and the next annual principal payment date is less than 13 months then such monthly payments shall be increased proportionately to provide, one month prior to the next annual principal payment date, the required amount of principal coming due on such date.

(7) The Issuer shall next, on the first day of each month, commencing 13 months prior to the first date of payment of principal of the Series 1987 B Bonds, if not fully funded upon issuance of the Series 1987 B Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Series 1987 B Bonds Reserve Account, an amount equal to 1/120 of the Series 1987 B Bonds Reserve Requirement; provided, that no further payments shall be made into the Series 1987 B Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 1987 B Bonds Reserve Requirement.

(8) The Issuer shall next, each month, transfer from the Revenue Fund into the Operation and Maintenance Fund established by the Prior Ordinance and hereby continued, an amount sufficient to pay all reasonable and proper expenses of operation, maintenance and repair of the System for the current month and from which disbursements shall be made only for that purpose. If in any month for any reason there is a failure to transfer and pay the required amount into the Operation and Maintenance Fund, then the amount of any deficiency shall be added to the amount otherwise required to be transferred and paid into said Fund in the next succeeding month. Fixed annual charges, such as insurance and costs of major repairs and maintenance, may be computed and set up on an annual basis and 1/12th of the amount thereof may be accumulated in said Fund each month.

(9) Thereafter, from the revenues remaining in the Revenue Fund, the Issuer shall next, each month, pay into the Depreciation Fund, established by the Prior Ordinance and hereby continued with the Depository Bank, the sum of \$750, in addition to the \$325 required by Subsection (3)

of Section 6 of the 1961 Ordinance, until the amount in the Depreciation Fund shall aggregate \$85,000 and whenever the amount in the Depreciation Fund is less than \$85,000, the said monthly payments shall be resumed until such aggregate sum of \$85,000 is in the Depreciation Fund; provided, that if the amount in the Depreciation Fund exceeds \$25,000, only \$750 a month shall be required to be transferred thereto. The moneys in the Depreciation Fund shall be used first to restore any deficiency in the Prior Bonds Sinking Fund resulting from inadequate revenues to make the required deposits into the Sinking Fund, and shall next be used only for the replacement, renewal, improvement, betterment or extension of capital assets of the waterworks.

Moneys in the Series 1987 A Bonds Sinking Fund and the Series 1987 B Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the respective series of Bonds as the same shall become due. Moneys in the Series 1987 A Bonds Reserve Account and the Series 1987 B Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the respective series of Bonds, as the same shall come due, when other moneys in the attendant Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the several Sinking Funds and Reserve Accounts shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Bond Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payments, if any, due on the respective Series of Bonds, and then to the next ensuing principal payments due thereon.

Any withdrawals from the Series 1987 A Bonds Reserve Account which result in a reduction in the balance of the Series 1987 A Bonds Reserve Account to below the Series 1987 A Bonds Reserve Requirement shall be subsequently restored from the first Gross Revenues available after all required payments to the Series 1987 A Bonds Sinking Fund for payment of debt service on the Bonds have been made in full.

Any withdrawals from the Series 1987 B Bonds Reserve Account which result in a reduction in the balance of the

Series 1987 B Bonds Reserve Account to below the Series 1987 B Bonds Reserve Requirement shall be subsequently restored from the first Gross Revenues available after all required payments to the Series 1987 A Bonds Sinking Fund, the Series 1987 A Bonds Reserve Account, the Renewal and Replacement Fund and the Series 1987 B Bonds Sinking Fund have been made in full.

As and when additional Bonds ranking on a parity with the Bonds are issued, provision shall be made for additional payments into the respective Sinking Fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate Reserve Account in an amount equal to the maximum provided and required to be paid into the concomitant Sinking Fund in any year for account of the Bonds of such series, including such additional Bonds which by their terms are payable from such Sinking Fund.

The Issuer shall not be required to make any further payments into the Series 1987 A Bonds Sinking Fund, or the Series 1987 B Bonds Sinking Fund or into the Reserve Accounts therein when the aggregate amount of funds in said respective Sinking Funds and Reserve Accounts are at least equal to the aggregate principal amount of the respective Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the respective maturities thereof.

The Commission is hereby designated as the fiscal agent for the administration of the Sinking Funds created hereunder, and all amounts required for said Sinking Funds shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein.

The payments into the Sinking Funds shall be made on the first day of each month, except that when the first day of any month shall be a Sunday or legal holiday then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

Moneys in the Reserve Accounts shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Sinking Funds, including the Reserve Accounts therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the respective Bonds and any additional Bonds ranking on a parity therewith that may be issued and Outstanding under the conditions and restrictions hereinafter set forth.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in said Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into the Sinking Funds, including the Reserve Accounts therein and the sinking funds established for the Prior Bonds, and the Depreciation Fund and Renewal and Replacement Fund during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay the Depository Bank's charges and the Paying Agent fees then due.

D. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in the Revenue Fund and the Renewal and Replacement Fund shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates.

F. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

H. All Tap Fees shall be deposited by the Issuer, as received, in the Bond Construction Trust Fund, and following

completion of the Project, shall be deposited in the Revenue Fund and may be used for any lawful purpose of the System.

ARTICLE VI

BOND PROCEEDS; FUNDS AND ACCOUNTS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the moneys received from the sale of any or all of the Original Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 1987 A Bonds there shall first be paid any and all borrowings by the Issuer made for the purpose of temporarily financing a portion of the Costs of the Project, including interest accrued thereon to the date of such payment.

B. From the proceeds of the Series 1987 A Bonds, there shall next be deposited with the Commission in the Series 1987 A Bonds Sinking Fund, the amount, if any, specified in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 1987 A Bonds for the period commencing on the date of issuance of the Bonds and ending 6 months after the estimated date of completion of construction of the Project.

C. Next, from the proceeds of the Series 1987 A Bonds, there shall first be credited to the Bond Construction Trust Fund and then be deposited with the Commission in the Series 1987 A Bonds Reserve Account and from the proceeds of the Series 1987 B Bonds, there shall be deposited with the Commission in the Series 1987 B Reserve Account the respective sums, if any, set forth in the Supplemental Resolution for funding of the Reserve Accounts.

D. The remaining moneys derived from the sale of the Bonds shall be deposited with the Depository Bank in the Bond Construction Trust Fund and applied solely to payment of Costs of the Project in the manner set forth in Section 6.02.

E. The Depository Bank shall act as a trustee and fiduciary for the Bondholder with respect to the Bond Construction Trust Fund and shall comply with all requirements with respect to the disposition of the Bond Construction Trust Fund set forth in the Bond Legislation. Moneys in the Bond Construction Trust Fund shall be used solely to pay Costs of the Project and until so expended, are hereby pledged as additional security for the Series 1987 A Bonds, and thereafter for the Series 1987 B Bonds.

Section 6.02. Disbursements From the Bond Construction Trust Fund. Payments for Costs of the Project shall be made monthly.

Disbursements from the Bond Construction Trust Fund, except for the costs of issuance of the Original Bonds which shall be made upon request of the Issuer, shall be made only after submission to the Depository Bank of a certificate, signed by an Authorized Officer and the Consulting Engineers, stating:

(A) That none of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(B) That each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(C) That each of such costs has been otherwise properly incurred; and

(D) That payment for each of the items proposed is then due and owing.

In case any contract provides for the retention of a portion of the contract price, the Depository Bank shall disburse from the Bond Construction Trust Fund only the net amount remaining after deduction of any such portion. All payments made from the Bond Construction Trust Fund shall be presumed by the Depository Bank to be made for the purposes set forth in said certificate, and the Depository Bank shall not be required to monitor the application of disbursements from the Bond Construction Trust Fund. The Consulting Engineers shall from time to time file with the Depository Bank written statements advising the Depository Bank of its then authorized representative.

Pending such application, moneys in the Bond Construction Trust Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the direction of the Issuer.

After completion of the Project, as certified by the Consulting Engineers, the Depository Bank shall transfer any moneys remaining in the Bond Construction Trust Fund to the Series 1987 A Bonds Reserve Account, and when fully funded to the Series 1987 B Bonds Reserve Account, and when both Reserve Accounts are fully funded, shall return such remaining moneys to the Issuer for deposit in the Revenue Fund. The Issuer shall thereafter, apply such moneys in full, first to the next ensuing interest payments, if any, due on

the respective Series of Bonds and thereafter to the next ensuing principal payments due thereon.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Bonds, shall ever have the right to compel the exercise of the taxing power of the Issuer to pay said Bonds or the interest thereon.

Section 7.03. Bonds Secured by Subordinate Pledge of Gross Revenues. The payment of the debt service of the Series 1987 A Bonds issued hereunder shall be secured forthwith equally and ratably by a lien on the Gross Revenues derived from the operation of the System junior and subordinate to the lien in favor of the Holders of the Prior Bonds and payment of the debt service of the Series 1987 B Bonds issued hereunder shall be secured forthwith equally and ratably by a lien on said Gross Revenues, junior and subordinate to the lien on said Gross Revenues in favor of the Holders of both the Prior Bonds and the Series 1987 A Bonds. The revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Bonds and to make the payments into the Sinking Funds, including the Reserve Accounts therein, and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to the payment of the principal of and interest on the Bonds as the same become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the ordinance of the Issuer enacted March 2, 1987.

Section 7.05. Sale of the System. The System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds Outstanding, or to effectively defease this Ordinance in accordance with Section 10.01 hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Bonds, immediately be remitted to the Commission for deposit in the Sinking Funds, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal at maturity of and interest on the Bonds. Any balance remaining after the payment of all the Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property, aggregating during such Fiscal Year in excess of \$10,000 and not in excess of \$50,000, shall with the written consent of the Authority, be remitted by the Issuer to the Commission for deposit in the Sinking Fund and shall be applied only to the purchase of Bonds of the last maturities then Outstanding at prices not greater than the par value thereof plus 3% of such par value. Such payment of such proceeds into the Sinking Fund or the Renewal and Replacement Fund shall not reduce the amounts required

to be paid into said funds by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of over 50% in amount of the Bonds then Outstanding and the Consulting Engineers. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and in Section 7.07B, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System, which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Bonds; provided, however, that additional Bonds on a parity with the Series 1987 B Bonds only may be issued as provided for in Section 7.07 hereof. All obligations issued by the Issuer after the issuance of the Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 1987 A Bonds and the Series 1987 B Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into the Reserve Accounts and the Renewal and Replacement Fund at the time of the issuance of such subordinate obligations have been made and are current.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

Section 7.07. Parity Bonds. A. No Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 1987 B Bonds. No Parity Bonds shall be

issued which shall be payable out of the revenues of the System on a parity with the Series 1987 A Bonds, unless the Series 1987 B Bonds are no longer outstanding.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of extensions, improvements or betterments to the System or refunding one or more series of Bonds issued pursuant hereto, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the City Clerk a written statement by the Independent Certified Public Accountants, based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Prior Bonds and any other obligations with a lien on the Gross Revenues prior to that of the Bonds;
- (2) The Bonds then Outstanding;
- (3) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and
- (4) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineers, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be

adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Consulting Engineers and the said Independent Certified Public Accountants, as stated in a certificate jointly made and signed by the Consulting Engineers and said Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

Not later than simultaneously with the delivery of such Parity Bonds, the Issuer shall have entered into written contracts for the immediate construction or acquisition of such additions, betterments or improvements, if any, to the System that are to be financed by such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

All Parity Bonds shall mature on the day of the years of maturities, and the semiannual interest thereon shall be payable on the days of each year, specified in a Supplemental Resolution.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 1987 A Bonds and the Series 1987 B Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 1987 A Bonds or the Series 1987 B Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding,

and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

B. Notwithstanding the foregoing, or any provision of Section 7.06 to the contrary, additional Bonds may be issued solely for the purpose of completing the Project as described in the application to the Authority submitted as of the date of the Loan Agreement without regard to the restrictions set forth in this Section 7.07, if there is first obtained by the Issuer the written consent of the Authority to the issuance of bonds on a parity with the Bonds.

Section 7.08. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation or the Trustee shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Consulting Engineers and the Authority, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond

Legislation and the Indenture with respect to said Bonds and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of Bonds or and shall file said report with the Authority, or any other original purchaser of the Bonds.

Section 7.09. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the City Clerk, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all reasonable expenses of operation, repair and maintenance of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Bonds and all other obligations secured by or payable from such revenues prior to or on a parity with the Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the Reserve Requirements are on deposit respectively in the Reserve Accounts and reserve accounts for obligations prior to or on a parity with the Bonds (including the Prior Bonds) are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest on the Bonds and all other obligations secured by or payable from such revenues prior to or on a parity with the Bonds.

Section 7.10. Operating Budget and Audit. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced

budget of the estimated expenditures for operation and maintenance of the System during the succeeding Fiscal Year. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by the Consulting Engineers, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of the Consulting Engineers that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

In addition, the Issuer shall annually cause the records of the System to be audited by an independent certified public accountant, the report of which audit shall be submitted to the Authority and which audit report shall include a statement that the Issuer is in compliance with the terms and provisions of this Bond Legislation and the Loan Agreement.

Section 7.11. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.12. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules of the Issuer, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a

period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.13. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.14. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as any of the Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily carried with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and

restoration of the damaged or destroyed properties or for the other purposes provided herein for said Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project in the full insurable value thereof, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$100,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

B. The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project. Such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.15. Connections. To the extent permitted by the laws of the State and rules and regulations of the Public Service Commission of West Virginia, the Issuer shall require every owner, tenant or occupant of any house, dwelling or building intended to be served by the System to connect thereto.

Section 7.16. Completion of Project. The Issuer will complete the Project and operate and maintain the System in good condition.

Section 7.17. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Bonds during the term thereof is, under the terms of the Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Bonds during the term thereof is, under the terms of the Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Bonds or \$5,000,000 are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the

result of the same would be to cause the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions (or fail to take any actions) which would adversely affect such exclusion.

ARTICLE VIII

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Except as otherwise herein provided, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank, or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.
