As and when additional Bonds ranking on a parity with the Series 2015 A Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective Reserve Accounts in an amount equal to the requirement thereof.

The Issuer shall not be required to make any further payments into the Series 2015 A Bonds Sinking Fund, or the Series 2015 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2015 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the maturity thereof.

Monies in the Series 2015 A Bonds Sinking Fund and the Series 2015 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2015 A Bonds Sinking Fund and the Series 2015 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2015 A Bonds, under the conditions and restrictions set forth herein.

C. **CHANGE OF DEPOSITORY BANK.** The Issuer may designate another bank or trust company insured by FDIC as Depository Bank if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. ## **ARTICLE V**

### **GENERAL COVENANTS**

Section 5.01. General Statement. So long as the Series 2015 A Bonds shall be outstanding and unpaid, or until there shall have been set apart a sum sufficient to prepay the entire principal of the Series 2015 A Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Bondholder.

Section 5.02. Rates. Prior to the issuance of the Series 2015 A Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such

schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2015 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2015 A Bonds, including the Prior Bonds.

Section 5.03. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System or any part thereof, except as provided in the Prior Resolutions.

Section 5.04. Issuance of Additional Parity Bonds. So long as the Prior Bonds are outstanding, no additional Parity Bonds or obligations payable out of any of the Revenues of the System shall be issued, except as set forth in the Prior Resolutions.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2015 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of extensions, improvements or betterments to the System or refunding the Prior Bonds or the Bonds issued pursuant hereto or subsequent Parity Bonds, or any combination of such purposes.

So long as the Prior Bonds or the Series 2015 A Bonds are outstanding, no Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The “estimated average increased annual Net Revenues to be received in each of the 3 succeeding years,” as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has

expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in the certificate of the Independent Certified Public Accountants.

The Net Revenues actually derived from the System during the 12-consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holder of the Series 2015 A Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the Revenues of the System is subject to the prior and superior liens of the Bonds on such Revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Bond.

No Parity Bonds shall be issued any time, however, unless all the payments provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 5.05. Insurance and Bonds. A. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Series 2015 A Bonds remain outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(i) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon any portion of the System now in use, on all above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion.

(ii) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect

the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Series 2015 A Bonds.

(iii) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(iv) Workers' Compensation Coverage for All Employees of the Issuer Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds have been or will be filed with the Clerk of the County Commission of said County prior to commencement of construction in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

(v) Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer.

(vi) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in such amount as may be requested by the Purchaser from time to time.

(vii) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, so long as the Series 2015 A Bonds are outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer with insurance carriers or bonding companies acceptable to Purchaser.

B. All insurance proceeds awarded to the Issuer that are not applied to the repair or replacement of the subject property damaged or destroyed, shall be applied by the Issuer to prepayment of the Bond, unless otherwise consented to in writing by the Bondholder.

Section 5.06. Statutory Mortgage Lien. For the further protection of the Holder of the Bond, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Series 2015 A Bonds, on a parity with the First Lien Bonds and senior and prior to the Second Lien Bonds.

Section 5.07. Fiscal Year; Budget. While the Series 2015 A Bonds are outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year.

Section 5.08. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 5.09. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser within 60 days of completion. The Issuer shall further comply with the Act with respect to such books, records and accounts.

Section 5.10. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Series 2015 A Bonds are outstanding.

Section 5.11. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

Section 5.12. Connections. To the extent permitted by the laws of the State and rules and regulations of the Public Service Commission of West Virginia, the Issuer shall require every owner, tenant or occupant of any house, dwelling or building intended to be served by the System to connect thereto.

## ARTICLE VI

The initial schedule of rates and charges for the services and facilities of the System, subject to change consonant with the provisions hereof, shall be as set forth in the Recommended Decision entered April 1, 2010 which became Final Order on April 21, 2010 in Case No. 09-1947-PSWD-T of the Public Service Commission of West Virginia which are incorporated herein by reference as a part hereof.

B. There shall not be any discrimination or differential in rates between customers in similar circumstances.

C. Flatwoods-Canoe Run Public Service District  
Sewer Refunding Revenue Bonds, Series 2015 A

Flatwoods-Canoe Run Public Service District  
Sutton, West Virginia

First Neighborhood Bank  
Parkersburg, West Virginia

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by the Flatwoods-Canoe Run Public Service District (the "Issuer") of its \$584,000 Sewer Refunding Revenue Bonds, Series 2015 A (the "Series 2015 A Bonds"), dated the date hereof.

The Series 2015 A Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and a Bond Resolution duly adopted by the Issuer on May 13, 2015, as supplemented by a Supplemental Resolution duly adopted by the Issuer on May 13, 2015 (collectively, the "Bond Resolution"), and are subject to all the terms and conditions of the Bond Resolution. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Resolution when used herein.

The Series 2015 A Bonds are originally issued in the form of one bond, numbered AR-1, in fully registered form and bear interest on the principal amount thereof at the rate of 3.5% per annum, payable in monthly installments of principal and interest as set forth therein.

This Bond is not subject to a prepayment penalty.

The Series 2015 A Bonds are issued for the purposes of: (i) currently refunding the Issuer's Sewer Refunding Revenue Bonds, Series 1990 C; (ii) funding the Series 2015 A Bonds Reserve Account; and (iii) paying costs of issuance and related costs thereof.

The Series 2015 A Bonds have been sold to First Neighborhood Bank, Parkersburg, West Virginia (the "Purchaser"), pursuant to a commitment letter dated April 7, 2015.

We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion. As to questions of fact material to our opinion, we have relied upon representations of the Issuer contained in the Bond Resolution and in the certified proceedings and other certifications of certain public officials furnished to us without undertaking to verify the same by independent investigation.

In connection with the issuance of the Series 2015 A Bonds, the Issuer has executed a Tax Certificate as to Arbitrage, dated as of the date hereof (the "Tax & Non-Arbitrage Certificate"), which, among other things, sets forth restrictions on the investment and expenditure of the Bond proceeds and earnings thereon, to ensure that the arbitrage requirements of the Internal Revenue Code of 1986, as amended, and regulations thereunder (collectively, the "Code"), necessary to establish and maintain the excludability of interest on the Series 2015 A Bonds from gross income for federal income tax purposes, are and will continue to be met.

Based upon the foregoing, and assuming compliance with the covenants of the Issuer set forth in the Bond Resolution and in certain certificates delivered in connection with the issuance of the Series 2015 A Bonds, we are of the opinion, under existing law, that:

1. The Issuer is a duly created and validly existing public service district under and pursuant to the laws of the State of West Virginia, with full power and authority to adopt the Bond Resolution and to issue and sell the Series 2015 A Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Bond Resolution has been duly adopted by the Issuer, is in full force and effect as of the date hereof and constitutes a valid and binding obligation of the Issuer enforceable in accordance with its terms.

3. The Series 2015 A Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Purchaser and are valid, legally enforceable and binding special obligations of the Issuer, payable only from and secured by a lien on the Net Revenues of the System, on a parity with the Issuer's: (i) Sewer Revenue Bonds, Series 1990 A (West Virginia Water Development Authority), dated November 14, 1990, issued in the original aggregate principal amount of \$1,147,938 (the "Series 1990 A Bonds"); (ii) Sewer Revenue Bonds, Series 1991 A (West Virginia Water Development Authority), dated November 15, 1991, issued in the original aggregate principal amount of \$275,806 (the "Series 1991 A Bonds"); (iii) Sewer Revenue Bonds, Series 1997 (West Virginia SRF Program), dated February 10, 1997, issued in the original aggregate principal amount of \$400,000 (the "Series 1997 Bonds"); and (iv) Sewer Revenue Bonds, Series 2011 A (West Virginia SRF Program), dated June 24, 2011, issued in the original aggregate principal amount of \$8,033,000 (the "Series 2011 A Bonds"), (hereinafter collectively, the "First Lien Bonds"); with respect to liens, pledge and source of and security for payment. There are outstanding obligations of the Issuer which will rank junior and subordinate to the Series 2015 A Bonds as to liens, pledge of and security for payment, being the Issuer's: (i) Sewer Revenue Bonds, Series 1990 B (West Virginia Water Development Authority), dated November 14, 1990, issued in the original aggregate principal amount of \$51,842 (the "Series 1990 B Bonds"); and (ii) Sewer Revenue Bonds, Series 1991 B (West Virginia Water Development Authority), dated November 15, 1991, issued in the original aggregate principal amount of \$9,194

(the "Series 1991 B Bonds") (hereinafter collectively, the "Second Lien Bonds" and collectively with the First Lien Bonds, the "Prior Bonds").

4. Under existing laws, regulations, rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2015 A Bonds (a) is excludable from gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended and the regulations promulgated thereunder (the "Code") and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations under the Code. It should be noted, however, that interest on the Series 2015 A Bonds is included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum tax that may be imposed with respect to corporations. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Code that must be satisfied subsequent to issuance of the Series 2015 A Bonds for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Series 2015 A Bonds set forth in the Bond Resolution, and in certain certificates delivered in connection with the issuance of the Series 2015 A Bonds. Failure to comply with certain of such Code provisions or such certifications, covenants and representations could cause the interest on the Series 2015 A Bonds to be includable in gross income retroactive to the date of issuance of the Series 2015 A Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Series 2015 A Bonds except as expressly set forth in paragraphs 4 and 6.

5. Under the Act, the Series 2015 A Bonds are exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof and the interest on the Series 2015 A Bonds is exempt from personal and corporate income taxes imposed directly thereon by the State of West Virginia.

6. The Issuer has designated the Series 2015 A Bonds as "qualified tax-exempt obligations" for purposes of the Code, and has covenanted that it does not reasonably expect to issue more than \$10,000,000 of tax-exempt obligations (other than private activity bonds and obligations issued to currently refund any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the outstanding amount of the refunded obligations) during the calendar year 2015. Therefore, the Series 2015 A Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3)(B) of the Code.

7. The Series 1990 C Bonds have been defeased within the meaning and with the effect expressed in the resolutions authorizing the issuance of the Series 1990 C Bonds, and the covenants, agreements and other obligations of the Issuer to the Holders and Owners of the Series 1990 C Bonds have been satisfied and discharged. In rendering the opinion set forth in this paragraph, we have relied upon the Receipt and Release of the United States Department of Agriculture to the sufficiency of the monies on deposit to provide for the payment of the principal of, interest on, and premium, if any, of the Series 1990 C Bonds.

It is to be understood that the rights of the Holders of the Series 2015 A Bonds and the enforceability of liens, pledges, rights or remedies with respect to the Series 2015 A Bonds and

the Bond Resolution may be subject to and limited by any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally, and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond No. AR-1 of said issue, and in our opinion, said Bond is in proper form and has been duly executed and authenticated.

Very truly yours,

STEPTOE & JOHNSON PLLC
