§ 16-13A-1. Legislative findings

The Legislature of the state of West Virginia hereby determines and finds that the present system of public service districts within the state has provided a valuable service at a reasonable cost to persons who would otherwise have been unable to obtain public utility services. To further this effort, and to ensure that all areas of the state are benefiting from the availability of public service district utility services and to further correct areas with health hazards, the Legislature concludes that it is in the best interest of the public to implement better management of public service district resources by expanding the ability and the authority of the public service commission to assist public service districts by offering advice and assistance in operational, financial and regulatory affairs.

In addition to the expanded powers which shall be given to the public service commission, the Legislature also concludes that it is in the best interest of the public for each county commission to review current technology available and consider consolidating existing public service districts where it is feasible and will not result in the interference with existing bond instruments. Further, if such consolidation is not feasible, the Legislature finds that it is in the best interest of the public for each county commission to review current technology available and consider consolidating or centralizing the management of public service districts within its county or multi-county area to achieve efficiency of operations. The Legislature also finds that additional guidelines should be imposed on the creation of new public service districts and that county commissions shall dissolve inactive public service districts as hereinafter provided. The Legislature also finds that the public service commission shall promulgate rules and regulations to effectuate the expanded powers given to the commission relating to public service districts.

Validity 1

1. Validity

Title of act authorizing creation of public service districts in connection with acquisition, construction, maintenance, operation, improvement and extension of properties supplying wa-

Note 1

ter and sewerage services, clearly defines object and purposes of act and powers of governing board, and is sufficient to meet constitutional requirements. Acts 1953, c. 147; Const. art. 6, § 30. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Statutes ⇨ 123(3)

Statute authorizing creation of public service districts violates no provision of State Constitution, nor is it violative of Fourteenth Amendment to United States Constitution. Act 1953, c. 147; U.S.C.A.Const. Amend. 14. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Constitutional Law ⇨ 278(2)

In statute authorizing creation of public service districts, provision for delinquent fixed rates and charges for services rendered to be lien on premises served was not unconstitutional as depriving owners of property without due process of law or as violating Fourteenth Amendment of United States Constitution or applicable provisions of State Constitution. Acts 1953, c. 147, § 1 et seq.; Const. art. 3, §§ 9, 10; U.S.C.A.Const. Amend. 14. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Constitutional Law ⇨ 300(1)

Statute authorizing creation of public service districts does not, in so far as it requires County Court to define territory to be included in public service district and appoint a board to govern same in first instance, involve unconstitutional delegation of judicial functions to the County Court, Acts 1953, c. 147; Const. art. 8, § 24. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Constitutional Law ⇨ 56

2. In general

A public service district may be created for the purpose of furnishing water or sewer services, or both water and sewer services. Code, 16-13A-1. Canyon Public Service Dist. v. Tasa Coal Co., 1973, 195 S.E.2d 647, 156 W.Va. 606. Municipal Corporations ⇨ 5

Creation and operation of water or sanitary districts or authorities by issuance of revenue bonds payable from revenues are authorized. Code, 16-13A-1 et seq. State ex rel. Appalachian Power Co. v. Gainer, 1965, 143 S.E.2d 351, 149 W.Va. 740. Health And Environment ⇨ 4

3. Construction and application

A public service district is a public corporation and does not come within constitutional provision which in substance provides that all corporations shall be created by general laws and which is applicable to private corporations. Acts 1953, c. 147, § 1 et seq.; Const. art. 11, § 1. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Statutes ⇨ 80(3)

4. Eminent domain powers

Where notice, hearing and order with respect to creation of public service district considered

only the question of furnishing water, such district was created only for the purposes of furnishing water services, and had no power to condemn real estate for sewerage facilities. Code, 16-13A-1, 16-13A-2. Canyon Public Service Dist. v. Tasa Coal Co., 1973, 195 S.E.2d 647, 156 W.Va. 606. Eminent Domain ⇨ 32

Condemnation by public service district is not a taking of private property for private use in violation of applicable constitutional provision. Const. art. 3, § 9. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Eminent Domain ⇨ 13

5. Property of public service district

Property of public service district is public property used for public purposes, and, under constitutional provision that public property shall be exempt from taxation, statute authorizing creation of public service districts and granting tax exemption was not violative of constitutional provision requiring that taxation be equal and uniform throughout state. Acts 1953, c. 147, § 1 et seq.; Const. art. 10, § 1. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Taxation ⇨ 194

6. Rates and charges for service

Relief under Federal Securities Act of 1933 was not adequate or sufficient remedy for relief sought by corporations holding sewer revenue bonds of public service district in mandamus proceeding to compel district to establish and collect rates for services rendered by district sufficient to provide for all operational and maintenance expenses, to pay, when due, principal and interest of revenue bonds issued by district, and to file tariff reflecting such charges with Public Service Commission, and any relief afforded under provisions of federal statute could not supersede relief which could be granted in mandamus proceeding. Securities Act of 1933, § 1 et seq., 15 U.S.C.A. § 77a et seq.; Code, 16-13A-1 et seq. State ex rel. Allstate Ins. Co. v. Union Public Service Dist., 1966, 151 S.E.2d 102, 151 W.Va. 207. Mandamus ⇨ 3(8)

Corporations holding sewer revenue bonds of public service district, a public corporation and political subdivision of state, had right by mandamus to enforce and compel district and members of the Public Service Board to establish, charge and collect rates for services rendered by district sufficient to provide for all operational and maintenance expenses, to pay, when due, principal and interest of revenue bonds issued by district, and to file tariffs reflecting such charges with Public Service Commission. Code, 16-13A-1 et seq., 16-13A-9, 16-13A-10, 16-13A-13, 16-13A-17. State ex rel. Allstate Ins. Co. v. Union Public Service Dist., 1966, 151 S.E.2d 102, 151 W.Va. 207. Mandamus ⇨ 110

WATER, SEWER & GAS PUBLIC SERVICE DISTRICTS § 16-13A-1a

It was ministerial duty of chairman of public service board of public service district to sign revenue bonds and to assist in effectuating their issuance, and in view of constitutionality of statute authorizing creation of the public service board, relator's showing of legal right to require performance of such duty, was sufficient and writ of mandamus would issue. Acts 1953, c. 147. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Mandamus ⇨ 103

7. Creation and enforcement of liens

Public service district's failure to docket notice of lien prior to date purchaser recorded deed of trust prevented district from enforcing sewer lien against purchaser. Code, 16-13A-9, 38-10C-1. McClung Investments, Inc. v. Green Valley Community Public Service Dist., 1997, 485 S.E.2d 434, 199 W.Va. 490. Municipal Corporations ⇨ 712(7)

Public service district liens must be docketed to be enforceable against purchaser of property for valuable consideration, without notice. Code, 16-13A-9, 38-10C-1. McClung Investments, Inc. v. Green Valley Community Public Service Dist., 1997, 485 S.E.2d 434, 199 W.Va. 490. Gas ⇨ 14.6

Statute authorizing creation of public service districts confers upon public service board authority to create mortgage lien on the property of public service district, and action of legisla-

ture conferring such authority was within the legislature's power. Acts 1953, c. 147; Const. art. 10, § 8. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Municipal Corporations ⇨ 222

8. Admissibility of evidence

Extrinsic evidence relating to background and negotiations with regard to forming a public service district were not admissible in regard to construction of a contract for furnishing of water, where contract language was clear and unambiguous that district was to furnish water as customer should require. Berkeley County Public Service Dist. v. Vitro Corp. of America, 1968, 162 S.E.2d 189, 152 W.Va. 252. Evidence ⇨ 448

9. Costs

Costs of proceeding whereby constitutionality of statute authorizing creation of public service districts was tested would not be taxed against defendant who was chairman of public service board and who, honestly and in good faith, though mistakenly, endeavored to perform his duty in refusing to sign revenue bonds, and each litigant would pay his own costs. Acts 1953, c. 147. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Mandamus ⇨ 190

§ 16-13A-1a. Jurisdiction of the public service commission

The jurisdiction of the public service commission relating to public service districts shall be expanded to include the following powers, and such powers shall be in addition to all other powers of the public service commission set forth in this code:

(a) To study, modify, approve, deny or amend the plans created under section one-b of this article for consolidation or merger of public service districts and their facilities, personnel or administration;

(b) To petition the appropriate circuit court for the removal of a public service district board member or members; and

(c) To create by general order a separate division within the public service commission to provide assistance to public service districts in technological, operational, financial and regulatory matters.

Acts 1986, c. 81.

Notes of Decisions

In general 1

1995, 464 S.E.2d 777, 195 W.Va. 135. Public Utilities ⇌ 123

1. In general

Statute clearly and unambiguously gives Public Service Commission (PSC) power to reduce or increase utility rates whenever it finds that existing rate is unjust, unreasonable, insufficient, or unjustly discriminatory or otherwise in violation of any provision of legislation governing Commission. Code, 24-1-1 et seq., 24-2-3. State ex rel. Water Development Authority v. Northern Wayne County Public Service Dist.,

Legislature sought to establish in Public Service Commission (PSC) governmental entity which would protect public from unfair rates and practices by public utilities and also ensure that public utilities are given competitive return for their stockholders. Code, 24-2-3. State ex rel. Water Development Authority v. Northern Wayne County Public Service Dist., 1995, 464 S.E.2d 777, 195 W.Va. 135. Public Utilities ⇌ 123

§ 16-13A-1b. County commissions to develop plan to create, consolidate, merge, expand or dissolve public service districts

Each county commission shall conduct a study of all public service districts which have their principal offices within its county and shall develop a plan relating to the creation, consolidation, merger, expansion or dissolution of such districts or the consolidation or merger of management and administrative services and personnel and shall present such plan to the public service commission for approval, disapproval, or modification: Provided, That within ninety days of the effective date of this section each county commission in this state shall elect either to perform its own study or request that the public service commission perform such study. Each county commission electing to perform its own study has one year from the date of election to present such plan to the public service commission. For each county wherein the county commission elects not to perform its own study, the public service commission shall conduct a study of such county. The public service commission shall establish a schedule for such studies upon a priority basis, with those counties perceived to have the greatest need of creation or consolidation of public service districts receiving the highest priority. In establishing the priority schedule, and in the performance of each study, the bureau of public health and the division of environmental protection shall offer their assistance and cooperation to the public service commission. Upon completion by the public service commission of each study, it shall be submitted to the appropriate county commission for review and comment. Each county commission has six months in which to review the study conducted by the public service commission, suggest changes or modifications thereof, and present such plan to the public service commission. All county plans, whether conducted by the county commission itself or submitted as a result of a public service commission study, shall, by order, be approved, disapproved or modified by the public service commission in accordance with rules promulgated by the public service commission and such order shall be implemented by the county commission.

§ 16-13A-1c. General purpose of districts

Any territory constituting the whole or any part of one or more counties in the state so situated that the construction or acquisition by purchase or otherwise and the maintenance, operation, improvement and extension of, properties supplying water, sewerage or stormwater services or gas distribution services or all of these within such territory, will be conducive to the preservation of the public health, comfort and convenience of such area, may be constituted a public service district under and in the manner provided by this article. The words "public service properties," when used in this article, shall mean and include any facility used or to be used for or in connection with: (1) The diversion, development, pumping, impounding, treatment, storage, distribution or furnishing of water to or for the public for industrial, public, private or other uses (herein sometimes referred to as "water facilities"); (2) the collection, treatment, purification or disposal of liquid or solid wastes, sewage or industrial wastes (herein sometimes referred to as "sewer facilities" or "landfills"); (3) the distribution or the furnishing of natural gas to the public for industrial, public, private or other uses (herein sometimes referred to as "gas utilities or gas system"); or (4) the collection, control or disposal of stormwater (herein sometimes referred to as "stormwater system" or "stormwater systems"), or (5) the management, operation, maintenance and control of stormwater and stormwater systems (herein sometimes referred to as "stormwater management program" or "stormwater management programs"). As used in this article "stormwater system" or "stormwater systems" means a stormwater system in its entirety or any integral part thereof used to collect, control or dispose of stormwater, and includes all facilities, structures and natural water courses used for collecting and conducting stormwater to, through and from drainage areas to the points of final outlet including, but not limited to, any and all of the following: Inlets, conduits, outlets, channels, ponds, drainage easements, water quality facilities, catch basins, ditches, streams, gulches, flumes, culverts, siphons, retention or detention basins, dams, floodwalls, pipes, flood control systems, levies and pumping stations: Provided, That the term "stormwater system" or "stormwater systems" does not include highways, road and drainage easements, or stormwater facilities constructed, owned or operated by the West Virginia division of highways. As used in this article "stormwater management program" or "stormwater management programs" means those activities associated with the management, operation, maintenance and control of stormwater and stormwater systems, and includes, but is not limited to, public education, stormwater and surface runoff water quality improvement, mapping, planning, flood control, inspection, enforcement and any other activities required by state and federal law: Provided, however, That the term "stormwater management program" or "stormwater management programs" does not include those activities associated with the management, operation,

maintenance and control of highways, road and drainage easements, or storm-water facilities constructed, owned or operated by the West Virginia division of highways without the express agreement of the commissioner of highways. Acts 1986, c. 81; Acts 2002, c. 272, eff. 90 days after March 9, 2002.

§ 16-13A-2. Creation of districts by county commission; enlarging, reducing, merging, or dissolving district; consolidation; agreements, etc.; infringing upon powers of county commission; filing list of members and districts with the secretary of state

(a) The county commission of any county may propose the creation, enlargement, reduction, merger, dissolution, or consolidation of a public service district by any of the following methods: (1) On its own motion by order duly adopted, (2) upon the recommendation of the public service commission, or (3) by petition of twenty-five percent of the registered voters who reside within the limits of the proposed public service district within one or more counties. The petition shall contain a description, including metes and bounds, sufficient to identify the territory to be embraced therein and the name of such proposed district: Provided, That after the effective date of this section, no new public service district shall be created, enlarged, reduced, merged, dissolved or consolidated under this section without the written consent and approval of the public service commission, which approval and consent shall be in accordance with rules promulgated by the public service commission and may only be requested after consent is given by the appropriate county commission or commissions pursuant to this section. Any territory may be included regardless of whether or not the territory includes one or more cities, incorporated towns or other municipal corporations which own and operate any public service properties and regardless of whether or not it includes one or more cities, incorporated towns or other municipal corporations being served by privately owned public service properties: Provided, however, That the same territory shall not be included within the boundaries of more than one public service district except where the territory or part thereof is included within the boundaries of a separate public service district organized to supply water, sewerage services, stormwater services or gas facilities not being furnished within such territory or part thereof: Provided further, That no city, incorporated town or other municipal corporation shall be included within the boundaries of the proposed district except upon the adoption of a resolution of the governing body of the city, incorporated town or other municipal corporation consenting.

(b) The petition shall be filed in the office of the clerk of the county commission of the county in which the territory to constitute the proposed district is situated, and if the territory is situated in more than one county, then the petition shall be filed in the office of the clerk of the county commission of the county in which the major portion of the territory extends, and a copy thereof (omitting signatures) shall be filed with each of the clerks of the county commission of the other county or counties into which the territory extends. The clerk of the county commission receiving such petition shall present it to the county commission of the county at the first regular meeting after the filing or at a special meeting called for the consideration thereof.

(c) When the county commission of any county enters an order on its own motion proposing the creation, enlargement, reduction, merger, dissolution or consolidation of a public service district, as aforesaid, or when a petition for the creation is presented, as aforesaid, the county commission shall at the same session fix a date of hearing in the county on the creation, enlargement, reduction, merger, dissolution or consolidation of the proposed public service district, which date so fixed shall be not more than forty days nor less than twenty days from the date of the action. If the territory proposed to be included is situated in more than one county, the county commission, when fixing a date of hearing, shall provide for notifying the county commission and clerk thereof of each of the other counties into which the territory extends of the date so fixed. The clerk of the county commission of each county in which any territory in the proposed public service district is located shall cause notice of the hearing and the time and place thereof, and setting forth a description of all of the territory proposed to be included therein to be given by publication as a Class I legal advertisement in compliance with the provisions of article three, chapter fifty-nine of this code, and the publication area for the publication shall be by publication in each city, incorporated town or municipal corporation if available in each county in which any territory in the proposed public service district is located. The publication shall be at least ten days prior to the hearing.

(d) In all cases where proceedings for the creation, enlargement, reduction, merger, dissolution or consolidation of the public service districts are initiated by petition as aforesaid, the person filing the petition shall advance or satisfactorily indemnify the payment of the cost and expenses of publishing the hearing notice, and otherwise the costs and expenses of the notice shall be paid in the first instance by the county commission out of contingent funds or any other funds available or made available for that purpose. In addition to the notice required herein to be published, there shall also be posted in at least five conspicuous places in the proposed public service district, a notice containing the same information as is contained in the published notice. The posted notices shall be posted not less than ten days before the hearing.

(e) All persons residing in or owning or having any interest in property in the proposed public service district shall have an opportunity to be heard for and against its creation, enlargement, reduction, merger, dissolution or consolidation. At the hearing the county commission before which the hearing is conducted shall consider and determine the feasibility of the creation, enlarge-

ment, reduction, merger, dissolution or consolidation of the proposed district. If the county commission determines that the construction or acquisition by purchase or otherwise and maintenance, operation, improvement and extension of public service properties by the public service district will be conducive to the preservation of public health, comfort and convenience of such area, the county commission shall by order create, enlarge, reduce, merge, dissolve or consolidate such public service district. If the county commission, after due consideration, determines that the proposed district will not be conducive to the preservation of public health, comfort or convenience of the area or that the creation, enlargement, reduction, merger, dissolution or consolidation of the proposed district as set forth and described in the petition or order is not feasible, it may refuse to enter an order creating the district or it may enter an order amending the description of the proposed district and create, enlarge, reduce, merge, dissolve or consolidate the district as amended.

(f) If the county commission determines that any other public service district or districts can adequately serve the area of the proposed public service district, whether by enlargement, reduction, merger, dissolution or consolidation, it shall refuse to enter the order, but shall enter an order creating, enlarging, reducing, merging, dissolving or consolidating the area with an existing public service district, in accordance with rules adopted by the public service commission for such purpose: Provided, That no enlargement of a public service district may occur if the present or proposed physical facilities of the public service district are determined by the appropriate county commission or the public service commission to be inadequate to provide such enlarged service. The clerk of the county commission of each county into which any part of such district extends shall retain in his office an authentic copy of the order creating, enlarging, reducing, merging, dissolving or consolidating the district: Provided, however, That within ten days after the entry of an order creating, enlarging, reducing, merging, dissolving or consolidating a district, such order must be filed for review and approval by the public service commission. The public service commission shall provide a hearing in the affected county on the matter and may approve, reject or modify the order of the county commission if it finds it is in the best interests of the public to do so. The public service commission shall adopt rules relating to such filings and the approval, disapproval or modification of county commission orders for creating, enlarging, merging, dissolving or consolidating districts. The provisions of this section shall not apply to the implementation by a county commission of an order issued by the public service commission pursuant to this section and section one-b, of this article.

(g) The county commission may, if in its discretion it deems it necessary, feasible and proper, enlarge the district to include additional areas, reduce the area of the district, where facilities, equipment, service or materials have not been extended, or dissolve the district if inactive or create or consolidate two or more such districts. If consolidation of districts is not feasible, the county commission may consolidate and centralize management and administration of districts within its county or multi-county area to achieve efficiency of opera-

tions: Provided, That where the county commission determines on its own motion by order entered of record, or there is a petition to enlarge the district, merge and consolidate districts, or the management and administration thereof, reduce the area of the district or dissolve the district if inactive, all of the applicable provisions of this article providing for hearing, notice of hearing and approval by the public service commission shall apply. The commission shall at all times attempt to bring about the enlargement or merger of existing public service districts in order to provide increased services and to eliminate the need for creation of new public service districts in those areas which are not currently serviced by a public service district: Provided, however, That where two or more public service districts are consolidated pursuant to this section, any rate differentials may continue for the period of bonded indebtedness incurred prior to consolidation. The districts may not enter into any agreement, contract or covenant that infringes upon, impairs, abridges or usurps the duties, rights or powers of the county commission, as set forth in this article, or conflicts with any provision of this article.

(h) A list of all districts and their current board members shall be filed by the county commission with the secretary of state and the public service commission by the first day of July of each year.

1. Validity

Title of act authorizing creation of public service districts in connection with acquisition, construction, maintenance, operation, improvement and extension of properties supplying water and sewerage services, clearly defines object and purposes of act and powers of governing board, and is sufficient to meet constitutional requirements. Acts 1953, c. 147; Const. art. 6, § 30. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Statutes ⇐ 123(3)

3. District boundaries

Public service district statute that allowed county commission to designate district's boundaries did not also empower commission to make service territories exclusive, displacing Public Service Commission's (PSC) authority to determine service rights. 4. Notice of hearing

Provisions of statute, with respect to creation of public service districts, which relate to the filing of the petition or motion of the county court, the description of the territory to be embraced, and like provisions are mandatory; but, despite use of the word "shall," the requirements for posting and publication of notice and the time of setting the hearing are directory and require only substantial compliance. Code, 16-13A-2. Canyon Public Service Dist. v. Tasa Coal Co., 1973, 195 S.E.2d 647, 156 W.Va. 606. Municipal Corporations ⇨ 12(3)

Though record with respect to creation of public service district was silent with respect to posting of notice of hearing and as to whether hearing was not more than 40 nor less than 20 days after his fixing the date for hearing as provided by statute, there was substantial compliance with statute where hearing was set some time prior to the date of the hearing, there was publication of notice more than ten days prior to the date of the hearing as required, and there were no objections either before, during or after the hearing to the creation of the district or to the procedures employed in its creation. Code, 16-13A-2. Canyon Public Service Dist. v. Tasa Coal Co., 1973, 195 S.E.2d 647, 156 W.Va. 606. Municipal Corporations ⇨ 12(6)

5. Number of voters within district

Public service district was not void because there were not 100 legal voters owning property within the district. Code, 16-13A-2. Canyon Public Service Dist. v. Tasa Coal Co., 1973, 195 S.E.2d 647, 156 W.Va. 606. Municipal Corporations ⇨ 6

6. Costs

Costs of proceeding whereby constitutionality of statute authorizing creation of public service districts was tested would not be taxed against defendant who was chairman of public service board and who, honestly and in good faith, though mistakenly, endeavored to perform his duty in refusing to sign revenue bonds, and each litigant would pay his own costs. Acts 1953, c. 147. State ex rel. McMillion v. Stahl, 1955, 89 S.E.2d 693, 141 W.Va. 233. Mandamus ⇨ 190

§ 16-13A-3. District to be a public corporation and political subdivision; powers thereof; public service boards

From and after the date of the adoption of the order creating any public service district, it is a public corporation and political subdivision of the state, but without any power to levy or collect ad valorem taxes. Each district may acquire, own and hold property, both real and personal, in its corporate name, and may sue, may be sued, may adopt an official seal and may enter into contracts necessary or incidental to its purposes, including contracts with any city, incorporated town or other municipal corporation located within or without its boundaries for furnishing wholesale supply of water for the distribution system of the city, town or other municipal corporation, or for furnishing stormwater services for the city, town or other municipal corporation, and contract for the operation, maintenance, servicing, repair and extension of any properties owned by it or for the operation and improvement or extension by the district of all or any part of the existing municipally owned public service properties of any city, incorporated town or other municipal corporation included within the district: Provided, That no contract shall extend beyond a maximum of forty years, but provisions may be included therein for a renewal.

or successive renewals thereof and shall conform to and comply with the rights of the holders of any outstanding bonds issued by the municipalities for the public service properties.

The powers of each public service district shall be vested in and exercised by a public service board consisting of not less than three members, who shall be persons residing within the district, who possess certain educational, business or work experience which will be conducive to operating a public service district. Each board member shall, within six months of taking office, successfully complete the training program to be established and administered by the public service commission in conjunction with the division of environmental protection and the bureau of public health. Board members shall not be or become pecuniarily interested, directly or indirectly, in the proceeds of any contract or service, or in furnishing any supplies or materials to the district nor shall a former board member be hired by the district in any capacity within a minimum of twelve months after board member's term has expired or such board member has resigned from the district board. The members shall be appointed in the following manner:

Each city, incorporated town or other municipal corporation having a population of more than three thousand but less than eighteen thousand is entitled to appoint one member of the board, and each city, incorporated town or other municipal corporation having a population in excess of eighteen thousand shall be entitled to appoint one additional member of the board for each additional eighteen thousand population. The members of the board representing such cities, incorporated towns or other municipal corporations shall be residents thereof and shall be appointed by a resolution of the governing bodies thereof and upon the filing of a certified copy or copies of the resolution or resolutions in the office of the clerk of the county commission which entered the order creating the district, the persons so appointed become members of the board without any further act or proceedings. If the number of members of the board so appointed by the governing bodies of cities, incorporated towns or other municipal corporations included in the district equals or exceeds three, then no further members shall be appointed to the board and the members so appointed are the board of the district except in cases of merger or consolidation where the number of board members may equal five.

If no city, incorporated town or other municipal corporation having a population of more than three thousand is included within the district, then the county commission which entered the order creating the district shall appoint three members of the board, who are persons residing within the district and residing within the state of West Virginia, which three members become members of the board of the district without any further act or proceedings except in cases of merger or consolidation where the number of board members may equal five.

If the number of members of the board appointed by the governing bodies of cities, incorporated towns or other municipal corporations included within the district is less than three, then the county commission which entered the order creating the district shall appoint such additional member or members of the

board, who are persons residing within the district, as is necessary to make the number of members of the board equal three except in cases of merger or consolidation where the number of board members may equal five, and the member or members appointed by the governing bodies of the cities, incorporated towns or other municipal corporations included within the district and the additional member or members appointed by the county commission as aforesaid, are the board of the district. A person may serve as a member of the board in one or more public service districts.

The population of any city, incorporated town or other municipal corporation, for the purpose of determining the number of members of the board, if any, to be appointed by the governing body or bodies thereof, is the population stated for such city, incorporated town or other municipal corporation in the last official federal census.

Notwithstanding any provision of this code to the contrary, whenever a district is consolidated or merged pursuant to section two of this article, the terms of office of the existing board members shall end on the effective date of the merger or consolidation. The county commission shall appoint a new board according to rules promulgated by the public service commission. Whenever districts are consolidated or merged no provision of this code prohibits the expansion of membership on the new board to five.

The respective terms of office of the members of the first board shall be fixed by the county commission and shall be as equally divided as may be, that is approximately one third of the members for a term of two years, a like number for a term of four years, the term of the remaining member or members for six years, from the first day of the month during which the appointments are made. The first members of the board appointed as aforesaid shall meet at the office of the clerk of the county commission which entered the order creating the district as soon as practicable after the appointments and shall qualify by taking an oath of office: Provided, That any member or members of the board may be removed from their respective office as provided in section three-a of this article.

Any vacancy shall be filled for the unexpired term within thirty days, otherwise successor members of the board shall be appointed for terms of six years and the terms of office shall continue until successors have been appointed and qualified. All successor members shall be appointed in the same manner as the member succeeded was appointed. The district shall provide to the public service commission, within thirty days of the appointment, the following information: The new board member's name, home address, home and office phone numbers, date of appointment, length of term, who the new member replaces and if the new appointee has previously served on the board. The public service commission shall notify each new board member of the legal obligation to attend training as prescribed in this section.

The board shall organize within thirty days following the first appointments and annually thereafter at its first meeting after the first day of January of each year by selecting one of its members to serve as chair and by appointing a

secretary and a treasurer who need not be members of the board. The secretary shall keep a record of all proceedings of the board which shall be available for inspection as other public records. Duplicate records shall be filed with the county commission and shall include the minutes of all board meetings. The treasurer is lawful custodian of all funds of the public service district and shall pay same out on orders authorized or approved by the board. The secretary and treasurer shall perform other duties appertaining to the affairs of the district and shall receive salaries as shall be prescribed by the board. The treasurer shall furnish bond in an amount to be fixed by the board for the use and benefit of the district.

The members of the board, and the chair, secretary and treasurer thereof, shall make available to the county commission, at all times, all of its books and records pertaining to the district's operation, finances and affairs, for inspection and audit. The board shall meet at least monthly.

§ 16-13A-3a. Removal of members of public service board

The county commission or the public service commission or any other appointive body creating or establishing a public service district under the provisions of this article, or any group of five percent or more of the customers of a public service district, may petition the circuit court of the county in which the district maintains its principal office for the removal of any member of the governing board thereof for consistent violations of any provisions of this article, for reasonable cause which includes, but is not limited to, a continued failure to attend meetings of the board, failure to diligently pursue the objectives for which the district was created, or failure to perform any other duty either prescribed by law or required by a final order of the public service commission or for any malfeasance in public office. Any board member charged with a violation under this section who offers a successful defense against such charges shall be reimbursed for the reasonable costs of such defense from district revenues. Such costs shall be considered as costs associated with rate determination by the public service district and the public service commission. If the circuit court judge hearing the petition for removal finds that the charges are frivolous in nature, the judge may assess all or part of the court costs, plus the reasonable costs associated with the board member's defense, against the party or parties who petitioned the court for the board member's removal.

§ 16-13A-4. Board chairman; members' compensation; procedure; district name

(a) The chairman shall preside at all meetings of the board and may vote as any other member of the board. If the chairman is absent from any meeting, the remaining members may select a temporary chairman and if the member selected as chairman resigns as such or ceases for any reason to be a member of the board, the board shall select one of its members as chairman to serve until the next annual organization meeting.

(b) Salaries of the board members are:

(1) For districts with fewer than six hundred customers, up to seventy-five dollars per attendance at regular monthly meetings and fifty dollars per attendance at additional special meetings, total salary not to exceed fifteen hundred dollars per annum;

(2) For districts with six hundred customers or more but fewer than two thousand customers, up to one hundred dollars per attendance at regular monthly meetings and seventy-five dollars per attendance at additional special meetings, total salary not to exceed two thousand five hundred fifty dollars per annum;

(3) For districts with two thousand customers or more, up to one hundred twenty-five dollars per attendance at regular monthly meetings and seventy-five dollars per attendance at additional special meetings, total salary not to exceed three thousand seven hundred fifty dollars per annum; and

(4) For districts with four thousand or more customers, up to one hundred fifty dollars per attendance at regular monthly meetings and one hundred dollars per attendance at additional special meetings, total salary not to exceed five thousand four hundred dollars per annum.

The public service district shall certify the number of customers served to the public service commission beginning on the first day of July, one thousand nine hundred eighty-six, and continue each fiscal year thereafter.

(c) Public service districts selling water to other water utilities for resale may adopt the following salaries for its board members:

(1) For districts with annual revenues of less than fifty thousand dollars, up to seventy-five dollars per attendance at regular monthly meetings and fifty dollars per attendance at additional special meetings, total salary not to exceed fifteen hundred dollars per annum;

(2) For districts with annual revenues of fifty thousand dollars or more, but less than two hundred fifty thousand dollars, up to one hundred dollars per attendance at regular monthly meetings and seventy-five dollars per attendance

at special meetings, total salary not to exceed two thousand five hundred fifty dollars per annum;

(3) For districts with annual revenues of two hundred fifty thousand dollars or more, but less than five hundred thousand dollars, up to one hundred twenty-five dollars per attendance at regular monthly meetings and seventy-five dollars per attendance at additional special meetings, total salary not to exceed three thousand seven hundred fifty dollars per annum; and

(4) For districts with annual revenues of five hundred thousand dollars or more, up to one hundred fifty dollars per attendance at regular monthly meetings and one hundred dollars per attendance at additional special meetings, total salary not to exceed five thousand four hundred dollars per annum.

The public service district shall certify the number of customers served and its annual revenue to the public service commission beginning on the first day of July, two thousand, and continue each fiscal year thereafter.

(d) Board members may be reimbursed for all reasonable and necessary expenses actually incurred in the performance of their duties as provided for by the rules of the board.

(e) The board shall by resolution determine its own rules of procedure, fix the time and place of its meetings and the manner in which special meetings may be called. Public notice of meetings shall be given in accordance with section three, article nine-a, chapter six of this code. Emergency meetings may be called as provided for by said section. A majority of the members constituting the board also constitute a quorum to do business.

(f) The members of the board are not personally liable or responsible for any obligations of the district or the board, but are answerable only for willful misconduct in the performance of their duties. At any time prior to the issuance of bonds as hereinafter provided, the board may by resolution change the official or corporate name of the public service district and the change is effective from the filing of an authenticated copy of such resolution with the clerk of the county commission of each county in which the territory embraced within such district or any part thereof is located and with the public service commission. The official name of any district created under the provisions of this article may contain the name or names of any city, incorporated town or other municipal corporation included therein or the name of any county or counties in which it is located.

§ 16-13A-5. General manager of board

The board may employ a general manager to serve a term of not more than five years and until his or her successor is employed, and his or her compensation shall be fixed by resolution of the board. Such general manager shall devote all or the required portion of his or her time to the affairs of the district and may employ, discharge and fix the compensation of all employees of the district, except as in this article otherwise provided, and he or she shall perform and exercise such other powers and duties as may be conferred upon him or her by the board.

Such general manager shall be chosen without regard to his or her political affiliations and upon the sole basis of his or her administrative and technical qualifications to manage public service properties and affairs of the district and he or she may be discharged only upon the affirmative vote of two thirds of the board. Such general manager need not be a resident of the district at the time he or she is chosen. Such general manager may not be a member of the board but shall be an employee of the board.

The board of any public service district which purchases water, sewer or stormwater service from a municipal water, sewer or stormwater system or another public service district may, as an alternative to hiring its own general manager, elect to permit the general manager of the municipal water, sewer or stormwater system or public service district from which such water, sewer or stormwater service is purchased provide professional management to the district, if the appropriate municipality or public service board agrees to provide such assistance. The general manager shall receive reasonable compensation for such service.

§ 16-13A-7. Acquisition and operation of district properties

The board of such districts shall have the supervision and control of all public service properties acquired or constructed by the district, and shall have the power, and it shall be its duty, to maintain, operate, extend and improve the same, including, but not limited to, those activities necessary to comply with all federal and state requirements, including water quality improvement activities. All contracts involving the expenditure by the district of more than fifteen thousand dollars for construction work or for the purchase of equipment and improvements, extensions or replacements, shall be entered into only after notice inviting bids shall have been published as a Class I legal advertisement in compliance with the provision of article three, chapter fifty-nine of this code, and the publication area for such publication shall be as specified in section two of this article in the county or counties in which the district is located. The publication shall not be less than ten days prior to the making of any such contract. To the extent allowed by law, in-state contractors shall be given first priority in awarding public service district contracts. It shall be the duty of the board to ensure that local in-state labor shall be utilized to the greatest extent possible when hiring laborers for public service district construction or maintenance repair jobs. It shall further be the duty of the board to encourage contractors to use American made products in their construction to the extent possible. Any obligations incurred of any kind or character shall not in any event constitute or be deemed an indebtedness within the meaning of any of the provisions or limitations of the constitution, but all such obligations shall be payable solely and only out of revenues derived from the operation of the public service properties of the district or from proceeds of bonds issued as hereinafter provided. No continuing contract for the purchase of materials or supplies or for furnishing the district with electrical energy or power shall be entered into for a longer period than fifteen years.

§ 16-13A-8. Acquisition and purchase of public service properties; right of eminent domain; extraterritorial powers

The board may acquire any publicly or privately owned public service properties located within the boundaries of the district regardless of whether or not all or any part of such properties are located within the corporate limits of any city, incorporated town or other municipal corporation included within the district and may purchase and acquire all rights and franchises and any and all property within or outside the district necessary or incidental to the purpose of the district.

The board may construct any public service properties within or outside the district necessary or incidental to its purposes and each such district may acquire, construct, maintain and operate any such public service properties within the corporate limits of any city, incorporated town or other municipal corporation included within the district or in any unincorporated territory within ten miles of the territorial boundaries of the district: Provided, That if any incorporated city, town or other municipal corporation included within the district owns and operates either water facilities, sewer facilities, stormwater facilities or gas facilities or all of these, then the district may not acquire, construct, establish, improve or extend any public service properties of the same kind within such city, incorporated towns or other municipal corporations or the adjacent unincorporated territory served by such cities, incorporated towns or other municipal corporations, except upon the approval of the public service commission, the consent of such cities, incorporated towns or other municipal corporations and in conformity and compliance with the rights of the holders of any revenue bonds or obligations theretofore issued by such cities, incorporated towns or other municipal corporations then outstanding and in accordance with the ordinance, resolution or other proceedings which authorize the issuance of such revenue bonds or obligations.

Whenever such district has constructed, acquired or established water facilities, sewer facilities, a stormwater system, stormwater management program or gas facilities for water, sewer, stormwater or gas services within any city, incorporated town or other municipal corporation included within a district, then such city, incorporated town or other municipal corporation may not thereafter construct, acquire or establish any facilities of the same kind within such city, incorporated town or other municipal corporation without the consent of such district.

For the purpose of acquiring any public service properties or lands, rights or easements deemed necessary or incidental for the purposes of the district, each such district has the right of eminent domain to the same extent and to be exercised in the same manner as now or hereafter provided by law for such right of eminent domain by cities, incorporated towns and other municipal corporations: Provided, That the power of eminent domain provided in this section does not extend to highways, road and drainage easements, or stormwater facilities constructed, owned or operated by the West Virginia division of

highways without the express agreement of the commissioner of highways: Provided, however, That such board may not acquire all or any substantial part of a privately owned waterworks system unless and until authorized so to do by the public service commission of West Virginia, and that this section shall not be construed to authorize any district to acquire through condemnation proceedings either in whole or substantial part an existing privately owned waterworks plant or system or gas facilities located in or furnishing water or gas service within such district or extensions made or to be made by it in territory contiguous to such existing plant or system, nor may any such board construct or extend its public service properties to supply its services into areas served by or in competition with existing waterworks or gas facilities or extensions made or to be made in territory contiguous to such existing plant or system by the owner thereof.

2. In general

Statute providing that private property may be taken or damaged for a number of specified purposes amounts to legislative declaration of public purposes within meaning of laws, and it is a judicial question whether such declaration is consonant with organic law. 3. Eminent domain powers

Although construction of new facility proposed by utility will often require taking of private property through eminent domain, absent express statutory language Public Service Commission (PSC) has no duty to review and decide issues that are inherent in eminent domain proceeding. *Sexton v. Title of act authorizing creation of public service districts in connection with acquisition, construction, maintenance, operation, improvement and extension of properties supplying water and sewerage services, clearly defines object and purposes of act and powers of governing board, and is sufficient to meet constitutional requirements. § 16-13A-9. Rules; service rates and charges; discontinuance of service; required water and sewer connections; lien for delinquent fees

The board may make, enact and enforce all needful rules in connection with the acquisition, construction, improvement, extension, management, maintenance, operation, care, protection, and the use of any public service properties owned or controlled by the district, and the board shall establish rates, fees and charges for the services and facilities it furnishes, which shall be sufficient at all times, notwithstanding the provisions of any other law or laws, to pay the cost of maintenance, operation and depreciation of such public service properties and principal of and interest on all bonds issued, other obligations incurred under the provisions of this article and all reserve or other payments provided for in the proceedings which authorized the issuance of any bonds hereunder. The schedule of such rates, fees and charges may be based upon either (a) the consumption of water or gas on premises connected with such facilities, taking into consideration domestic, commercial, industrial and public use of water and gas; or (b) the number and kind of fixtures connected with such facilities located on the various premises; or (c) the number of persons served by such facilities; or (d) any combination thereof; or (e) may be determined on any other basis or classification which the board may determine to be fair and reasonable, taking into consideration the location of the premises served and the nature and extent of the services and facilities furnished. However, no rates, fees or charges for stormwater services may be assessed against highways, road

and drainage easements, or stormwater facilities constructed, owned or operated by the West Virginia division of highways. Where water, sewer, stormwater or gas services, or any combination thereof, are all furnished to any premises, the schedule of charges may be billed as a single amount for the aggregate thereof. The board shall require all users of services and facilities furnished by the district to designate on every application for service whether the applicant is a tenant or an owner of the premises to be served. If the applicant is a tenant, he or she shall state the name and address of the owner or owners of the premises to be served by the district. All new applicants for service shall deposit a minimum of fifty dollars with the district to secure the payment of service rates, fees and charges in the event they become delinquent as provided in this section. In any case where a deposit is forfeited to pay service rates, fees and charges which were delinquent at the time of disconnection or termination of service, no reconnection or reinstatement of service may be made by the district until another minimum deposit of fifty dollars has been remitted to the district. Whenever any rates, fees, rentals or charges for services or facilities furnished remain unpaid for a period of thirty days after the same become due and payable, the property and the owner thereof, as well as the user of the services and facilities provided are delinquent and the owner, user and property are liable at law until such time as all such rates, fees and charges are fully paid: Provided, That the property owner shall be given notice of any said delinquency by certified mail, return receipt requested. The board may, under reasonable rules promulgated by the public service commission, shut off and discontinue water or gas services to all delinquent users of either water or gas facilities, or both: Provided, however, That upon written request of the owner or owners of the premises, the board shall shut off and discontinue water and gas services where any rates, fees, rentals, or charges for services or facilities remain unpaid by the user of the premises for a period of sixty days after the same became due and payable.

In the event that any publicly or privately owned utility, city, incorporated town, other municipal corporation or other public service district included within the district owns and operates separately either water facilities or sewer facilities, and the district owns and operates the other kind of facilities, either water or sewer, as the case may be, then the district and such publicly or privately owned utility, city, incorporated town or other municipal corporation or other public service district shall covenant and contract with each other to shut off and discontinue the supplying of water service for the nonpayment of sewer service fees and charges: Provided, That any contracts entered into by a public service district pursuant to this section shall be submitted to the public service commission for approval. Any public service district providing water and sewer service to its customers has the right to terminate water service for delinquency in payment of either water or sewer bills. Where one public service district is providing sewer service and another public service district or a municipality included within the boundaries of the sewer district is providing water service, and the district providing sewer service experiences a delinquency in payment, the district or the municipality included within the boundaries of the sewer district that is providing water service, upon the request of the

district providing sewer service to the delinquent account, shall terminate its water service to the customer having the delinquent sewer account: Provided, however, That any termination of water service must comply with all rules and orders of the public service commission.

Any district furnishing sewer facilities within the district may require, or may by petition to the circuit court of the county in which the property is located, compel or may require the bureau of public health to compel all owners, tenants or occupants of any houses, dwellings and buildings located near any such sewer facilities, where sewage will flow by gravity or be transported by such other methods approved by the bureau of public health including, but not limited to, vacuum and pressure systems, approved under the provisions of section nine, article one, chapter sixteen of this code, from such houses, dwellings or buildings into such sewer facilities, to connect with and use such sewer facilities, and to cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such houses, dwellings and buildings where there is such gravity flow or transportation by such other methods approved by the bureau of public health including, but not limited to, vacuum and pressure systems, approved under the provisions of section nine, article one, chapter sixteen of this code, and such houses, dwellings and buildings can be adequately served by the sewer facilities of the district, and it is hereby found, determined and declared that the mandatory use of such sewer facilities provided for in this paragraph is necessary and essential for the health and welfare of the inhabitants and residents of such districts and of the state: Provided, That if the public service district determines that the property owner must connect with the sewer facilities even when sewage from such dwellings may not flow to the main line by gravity and the property owner must incur costs for any changes in the existing dwellings' exterior plumbing in order to connect to the main sewer line, the public service district board shall authorize the district to pay all reasonable costs for such changes in the exterior plumbing, including, but not limited to, installation, operation, maintenance and purchase of a pump, or any other method approved by the bureau of public health; maintenance and operation costs for such extra installation should be reflected in the users charge for approval of the public service commission. The circuit court shall adjudicate the merits of such petition by summary hearing to be held not later than thirty days after service of petition to the appropriate owners, tenants or occupants.

Whenever any district has made available sewer facilities to any owner, tenant or occupant of any house, dwelling or building located near such sewer facility, and the engineer for the district has certified that such sewer facilities are available to and are adequate to serve such owner, tenant or occupant, and sewage will flow by gravity or be transported by such other methods approved by the bureau of public health from such house, dwelling or building into such sewer facilities, the district may charge, and such owner, tenant or occupant shall pay the rates and charges for services established under this article only after thirty-day notice of the availability of the facilities has been received by the owner.

Whenever any district has made available a stormwater system to any owner, tenant or occupant of any real property located near such stormwater system, and where stormwater from such real property affects or drains into such stormwater system, it is hereby found, determined and declared that such owner, tenant or occupant is being served by such stormwater system, and it is further hereby found, determined and declared that the mandatory use of such stormwater system is necessary and essential for the health and welfare of the inhabitants and residents of such district and of the state. The district may charge, and such owner, tenant or occupant shall pay the rates, fees and charges for stormwater services established under this article only after thirty-day notice of the availability of the stormwater system has been received by the owner.

All delinquent fees, rates and charges of the district for either water facilities, sewer facilities, stormwater systems or stormwater management systems or gas facilities are liens on the premises served of equal dignity, rank and priority with the lien on such premises of state, county, school and municipal taxes. In addition to the other remedies provided in this section, public service districts are hereby granted a deferral of filing fees or other fees and costs incidental to the bringing and maintenance of an action in magistrate court for the collection of delinquent water, sewer, stormwater or gas bills. If the district collects the delinquent account, plus reasonable costs, from its customer or other responsible party, the district shall pay to the magistrate the normal filing fee and reasonable costs which were previously deferred. In addition, each public service district may exchange with other public service districts a list of delinquent accounts.

Anything in this section to the contrary notwithstanding, any establishment, as defined in section three, article eleven, chapter twenty-two, now or hereafter operating its own sewage disposal system pursuant to a permit issued by the division of environmental protection, as prescribed by section eleven, article eleven, chapter twenty-two of this code, is exempt from the provisions of this section. 16-13A-14. Items included in cost of properties.

The cost of any public service properties acquired under the provisions of this article shall be deemed to include the cost of the acquisition or construction thereof, the cost of all property rights, easements and franchises deemed necessary or convenient therefor and for the improvements and extensions thereto; for stormwater systems and associated stormwater management programs, those activities which include, but are not limited to, water quality improvement activities necessary to comply with all federal and state requirements; interest upon bonds prior to and during construction or acquisition and for six months after completion of construction or of acquisition of the improvements and extensions; engineering, fiscal agents and legal expenses; expenses for estimates of cost and of revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, and such other expenses as may be necessary or incident to the financing herein authorized, and the construction or acquisition of the properties and the placing of same in

operation, and the performance of the things herein required or permitted, in connection with any thereof.

§ 16-13A-9a. Limitations with respect to foreclosure

No public service district shall foreclose upon the premises served by such district for delinquent fees, rates or charges for which a lien is authorized by sections nine or nineteen of this article except through the bringing and maintenance of a civil action for such purpose brought in the circuit court of the county wherein the district lies. In every such action, the court shall be required to make a finding based upon the evidence and facts presented that the district prior to the bringing of such action had exhausted all other remedies for the collection of debts with respect to such delinquencies. In no event shall foreclosure procedures be instituted by any such district or on its behalf unless such delinquency had been in existence or continued for a period of two years from the date of the first such delinquency for which foreclosure is being sought.

§ 16-13A-11. Accounts; audit

The general manager, under direction of the board, shall install and maintain a proper system of accounts, in accordance with all rules, regulations or orders pertaining thereto by the public service commission, showing receipts from operation and application of the same, and the board shall at least once a year cause such accounts to be properly audited: Provided, That such audit may be any audit by an independent public accountant completed within one year of the time required for the submission of the report: Provided, however, That if the district is required to have its books, records and accounts audited annually by an independent certified public accountant as a result of any covenant in any board resolution or bond instrument, a copy of such audit may be submitted in satisfaction of the requirements of this section, and is hereby found, declared and determined to be sufficient to satisfy the requirements of article nine, chapter six of this code pertaining to the annual audit report by the state tax commission. A copy of the audit shall be forwarded within thirty days of submission to the county commission and to the public service commission.

The treasurer of each public service district shall keep and preserve all financial records of the public service district for ten years, and shall at all times have such records readily available for public inspection. At the end of his term of office, the treasurer of each public service district shall promptly deliver all financial records of the public service district to his successor in office. Any treasurer of a public service district who knowingly or willfully violates any provision of this section is guilty of a misdemeanor, and shall be fined not less than one hundred dollars nor more than five hundred dollars or imprisoned in the county jail not more than ten days, or both.

For constructing or acquiring any public service properties for the authorized purposes of the district, or necessary or incidental thereto, and for constructing improvements and extensions thereto, and also for reimbursing or paying the costs and expenses of creating the district, the board of any such district is hereby authorized to borrow money from time to time and in evidence thereof issue the bonds of such district, payable solely from the revenues derived from the operation of the public service properties under control of the district. Such bonds may be issued in one or more series, may bear such date or dates, may mature at such time or times not exceeding forty years from their respective dates, may bear interest at such rate or rates not exceeding eighteen percent per annum payable at such times, may be in such form, may carry such registration privileges, may be executed in such manner, may be payable at such place or places, may be subject to such terms of redemption with or without premium, may be declared or become due before maturity date thereof, may be authenticated in any manner, and upon compliance with such conditions, and may contain such terms and covenants as may be provided by resolution or resolutions of the board. Notwithstanding the form or tenor thereof, and in the absence of any express recital on the face thereof, that the bond is nonnegotiable, all such bonds shall be, and shall be treated as, negotiable instruments for all purposes. Bonds bearing the signatures of officers in office on the date of the signing thereof shall be valid and binding for all purposes notwithstanding that before the delivery thereof any or all of the persons whose signatures appear thereon shall have ceased to be such officers. Notwithstanding the requirements or provisions of any other law, any such bonds may be negotiated or sold in such manner and at such time or times as is found by the board to be most advantageous, and all such bonds may be sold at such price that the interest cost of the proceeds therefrom does not exceed

§ 16-13A-25. Borrowing and bond issuance; procedure

Notwithstanding any other provisions of this article to the contrary, a public service district shall not borrow money, enter into contracts for the provision of engineering, design or feasibility studies, issue or contract to issue revenue bonds or exercise any of the powers conferred by the provisions of section thirteen, twenty or twenty-four of this article, without the prior consent and approval of the public service commission. The public service commission may waive the provision of prior consent and approval for entering into contracts for engineering, design or feasibility studies pursuant to this section for good cause shown which is evidenced by the public service district filing a request for waiver of this section stated in a letter directed to the commission with a brief description of the project, evidence of compliance with chapter five-g of this code, and further explanation of ability to evaluate their own engineering contract, including, but not limited to: (1) Experience with the same engineering firm in the past two years requiring engineering services; or (2) completion of a construction project within the past two years requiring engineering services. The district shall also forward an executed copy of the engineering contract to the commission after receiving approval of the waiver. Unless the properties to be constructed or acquired represent ordinary extensions or repairs of existing systems in the usual course of business, a public service district must first obtain a certificate of public convenience and necessity from the public service commission in accordance with the provisions of chapter twenty-four of this code, when a public service district is seeking to acquire or construct public service property.

Thirty days prior to making formal application for the certificate, the public service district shall prefile with the public service commission its plans and supporting information for the project and shall publish a Class II legal advertisement in a newspaper or newspapers of general circulation in each city, incorporated town or municipal corporation if available in the public service district, which legal advertisement shall state:

(a) The amount of money to be borrowed, or the amount of revenue bonds to be issued: Provided, That if the amount is an estimate, the notice may be stated in terms of an amount "not to exceed" a specific amount;

(b) The interest rate and terms of the loan or bonds: Provided, That if the interest rate is an estimate, the notice may be stated in terms of a rate "not to exceed" a specific rate;

(c) The public service properties to be acquired or constructed, and the cost of the public service properties;

(d) The anticipated rates which will be charged by the public service district: Provided, That if the rates are an estimate, the notice may be stated in terms of rates "not to exceed" a specific rate; and

(e) The date that the formal application for a certificate of public convenience and necessity is to be filed with the public service commission. The public service commission may grant its consent and approval for the certificate, or any other request for approval under this section, subject to such terms and conditions as may be necessary for the protection of the public interest, pursuant to the provisions of chapter twenty-four of this code, or may withhold such consent and approval for the protection of the public interest.

In the event of disapproval, the reasons for the disapproval shall be assigned in writing by the commission.

Provided, That if such change or readjustment be made substantially pro rata, as to all classes of service, no hearing or notice shall be required. The aggregate of the rates, fees or charges shall always be sufficient for such expense of operation, repair and maintenance and for such sinking fund payments.

(k) All rates, fees or charges, if not paid when due, shall constitute a lien upon the premises served by such works. If any service rate, fees or charge so established is not paid within twenty days after the same is due, the amount thereof, together with a penalty of ten percent, and a reasonable attorney's fee, may be recovered by the board in a civil action in the name of the municipality, and in connection with such action said lien may be foreclosed against such lot, parcel of land or building, in accordance with the laws relating thereto: *Provided*, That where both water and sewer services are furnished by any municipality to any premises the schedule of charges may be billed as a single amount or individually itemized and billed for the aggregate thereof.

(l) Whenever any rates, rentals, fees or charges for services or facilities furnished shall remain unpaid for a period of twenty days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities shall be delinquent until such time as all rates, fees and charges are fully paid. When any payment for rates, rentals, fees or charges becomes delinquent, the governing body may use the security deposit to satisfy the delinquent payment.

(m) The board collecting such rates, fees or charges shall be obligated under reasonable rules to shut off and discontinue both water and sewer services to all delinquent users of either water facilities, or sewer facilities or both, and shall not restore either water facilities or sewer facilities, to any delinquent user of either until all delinquent rates, fees or charges for both water facilities, and sewer facilities, including reasonable interest and penalty charges, have been paid in full.

§ 16-13A-2. Creation of districts by county commission; enlarging, reducing, merging, or dissolving district; consolidation; agreements, etc.; infringing upon powers of county commission; filing list of members and districts with the Secretary of State

(a) The county commission of any county may propose the creation, enlargement, reduction, merger, dissolution, or consolidation of a public service district by any of the following methods: (1) On its own motion by order duly adopted, (2) upon the recommendation of the Public Service Commission, or (3) by petition of twenty-five percent of the registered voters who reside within the limits of the proposed public service district within one or more counties. The petition shall contain a description, including metes and bounds, sufficient to identify the territory to be embraced therein and the name of such proposed district: *Provided*, That after the effective date of this section, no new public service district shall be created, enlarged, reduced, merged, dissolved or consolidated under this section without the written consent and approval of the Public Service Commission, which approval and consent shall be in accordance with rules promulgated by the Public Service Commission and may only be requested after consent is given by the appropriate county commission or commissions pursuant to this section. Any territory may be included regardless of whether or not the territory includes one or more cities, incorporated towns or other municipal corporations which own and operate any public service properties and regardless of whether or not it includes one or more cities, incorporated towns or other municipal corporations being served by privately owned public service properties: *Provided, however*, That the same territory shall not be included within the boundaries of more than one public service district except where the territory or part thereof is included within the boundaries of a separate public service district organized to supply water, sewerage services, stormwater services or gas facilities not being furnished within such territory or part thereof: *Provided further*, That no city, incorporated town or other municipal corporation shall be included within the boundaries of the proposed district except upon the adoption of a resolution of the governing body of the city, incorporated town or other municipal corporation consenting.

(b) The petition shall be filed in the office of the clerk of the county commission of the county in which the territory to constitute the proposed district is situated, and if the territory is situated in more than one county, then the petition shall be filed in the office of the clerk of the county commission of the county in which the major portion of the territory extends, and a copy thereof (omitting signatures) shall be filed with each of the clerks of the county commission of the other county or counties into which the territory extends. The clerk of the county commission receiving such petition shall present it to the county commission of the county at the first regular meeting after the filing or at a special meeting called for the consideration thereof.

(c) When the county commission of any county enters an order on its own motion proposing the creation, enlargement, reduction, merger, dissolution or consolidation of a public service district, as aforesaid, or when a petition for the creation is presented, as aforesaid, the county commission shall at the same session fix a date of hearing in the county on the creation, enlargement, reduction, merger, dissolution or consolidation of the proposed public service district, which date so fixed shall be not more than forty days nor less than twenty days from the date of the action. Within ten days of fixing the date of hearing, the county commission shall provide the Executive Secretary of the Public Service Commission with a copy of the order or petition and notification of the time and place of the hearing to be held by the county commission. If the territory proposed to be included is situated in more than one county, the county commission, when fixing a date of hearing, shall provide for notifying the county

commission and clerk thereof of each of the other counties into which the territory extends of the date so fixed. The clerk of the county commission of each county in which any territory in the proposed public service district is located shall cause notice of the hearing and the time and place thereof, and setting forth a description of all of the territory proposed to be included therein to be given by publication as a Class I legal advertisement in compliance with the provisions of article three, chapter fifty-nine of this code, and the publication area for the publication shall be by publication in each city, incorporated town or municipal corporation if available in each county in which any territory in the proposed public service district is located. The publication shall be at least ten days prior to the hearing.

(d) In all cases where proceedings for the creation, enlargement, reduction, merger, dissolution or consolidation of the public service districts are initiated by petition as aforesaid, the person filing the petition shall advance or satisfactorily indemnify the payment of the cost and expenses of publishing the hearing notice, and otherwise the costs and expenses of the notice shall be paid in the first instance by the county commission out of contingent funds or any other funds available or made available for that purpose. In addition to the notice required herein to be published, there shall also be posted in at least five conspicuous places in the proposed public service district, a notice containing the same information as is contained in the published notice. The posted notices shall be posted not less than ten days before the hearing.

(e) All persons residing in or owning or having any interest in property in the proposed public service district shall have an opportunity to be heard for and against its creation, enlargement, reduction, merger, dissolution or consolidation. At the hearing the county commission before which the hearing is conducted shall consider and determine the feasibility of the creation, enlargement, reduction, merger, dissolution or consolidation of the proposed district. If the county commission determines that the construction or acquisition by purchase or otherwise and maintenance, operation, improvement and extension of public service properties by the public service district will be conducive to the preservation of public health, comfort and convenience of such area, the county commission shall by order create, enlarge, reduce, merge, dissolve or consolidate such public service district. If the county commission, after due consideration, determines that the proposed district will not be conducive to the preservation of public health, comfort or convenience of the area or that the creation, enlargement, reduction, merger, dissolution or consolidation of the proposed district as set forth and described in the petition or order is not feasible, it may refuse to enter an order creating the district or it may enter an order amending the description of the proposed district and create, enlarge, reduce, merge, dissolve or consolidate the district as amended.

(f) If the county commission determines that any other public service district or districts can adequately serve the area of the proposed public service district, whether by enlargement, reduction, merger, dissolution or consolidation, it shall refuse to enter the order, but shall enter an order creating, enlarging, reducing, merging, dissolving or consolidating the area with an existing public service district, in accordance with rules adopted by the Public Service Commission for such purpose: *Provided*, That no enlargement of a public service district may occur if the present or proposed physical facilities of the public service district are determined by the appropriate county commission or the Public Service Commission to be inadequate to provide such enlarged service. The clerk of the county commission of each county into which any part of such district extends shall retain in his office an authentic copy of the order creating, enlarging, reducing, merging, dissolving or consolidating the district: *Provided, however*, That within ten days after the entry of an order creating, enlarging, reducing, merging, dissolving or consolidating a district, such order must be filed for review and approval by the Public Service Commission. The Public Service Commission may provide a hearing in the affected county on the matter and may approve, reject or modify the order of the county commission if it finds it is in the best interests of the public to do so. The Public Service Commission shall adopt rules relating to such filings and the approval, disapproval or modification of county commission orders for creating, enlarging, merging, dissolving or consolidating districts. The provisions of this section shall not apply to the implementation by a county commission of an order issued by the Public Service Commission pursuant to this section and section one-b, of this article.

(g) The county commission may, if in its discretion it deems it necessary, feasible and proper, enlarge the district to include additional areas, reduce the area of the district, where

facilities, equipment, service or materials have not been extended, or dissolve the district if inactive or create or consolidate two or more such districts. If consolidation of districts is not feasible, the county commission may consolidate and centralize management and administration of districts within its county or multi-county area to achieve efficiency of operations: *Provided*, That where the county commission determines on its own motion by order entered of record, or there is a petition to enlarge the district, merge and consolidate districts, or the management and administration thereof, reduce the area of the district or dissolve the district if inactive, all of the applicable provisions of this article providing for hearing, notice of hearing and approval by the Public Service Commission shall apply. The Commission shall at all times attempt to bring about the enlargement or merger of existing public service districts in order to provide increased services and to eliminate the need for creation of new public service districts in those areas which are not currently serviced by a public service district: *Provided, however*, That where two or more public service districts are consolidated pursuant to this section, any rate differentials may continue for the period of bonded indebtedness incurred prior to consolidation. The districts may not enter into any agreement, contract or covenant that infringes upon, impairs, abridges or usurps the duties, rights or powers of the county commission, as set forth in this article, or conflicts with any provision of this article.

(h) A list of all districts and their current board members shall be filed by the county commission with the Secretary of State and the Public Service Commission by the first day of July of each year.

§ 16-13A-4. Board chairman; members' compensation; procedure; district name

(a) The chairman shall preside at all meetings of the board and may vote as any other member of the board. If the chairman is absent from any meeting, the remaining members may select a temporary chairman and if the member selected as chairman resigns as such or ceases for any reason to be a member of the board, the board shall select one of its members as chairman to serve until the next annual organization meeting.

(b) Salaries of the board members are:

(1) For districts with fewer than six hundred customers, up to seventy-five dollars per attendance at regular monthly meetings and fifty dollars per attendance at additional special meetings, total salary not to exceed fifteen hundred dollars per annum;

(2) For districts with six hundred customers or more but fewer than two thousand customers, up to one hundred dollars per attendance at regular monthly meetings and seventy-five dollars per attendance at additional special meetings, total salary not to exceed two thousand five hundred fifty dollars per annum;

(3) For districts with two thousand customers or more, up to one hundred twenty-five dollars per attendance at regular monthly meetings and seventy-five dollars per attendance at additional special meetings, total salary not to exceed three thousand seven hundred fifty dollars per annum; and

(4) For districts with four thousand or more customers, up to one hundred fifty dollars per attendance at regular monthly meetings and one hundred dollars per attendance at additional special meetings, total salary not to exceed five thousand four hundred dollars per annum.

The public service district shall certify the number of customers served to the Public Service Commission beginning on the first day of July, one thousand nine hundred eighty-six, and continue each fiscal year thereafter.

(c) Public service districts selling water to other water utilities for resale may adopt the following salaries for its board members:

(1) For districts with annual revenues of less than fifty thousand dollars, up to seventy-five dollars per attendance at regular monthly meetings and fifty dollars per attendance at additional special meetings, total salary not to exceed fifteen hundred dollars per annum;

(2) For districts with annual revenues of fifty thousand dollars or more, but less than two hundred fifty thousand dollars, up to one hundred dollars per attendance at regular monthly meetings and seventy-five dollars per attendance at special meetings, total salary not to exceed two thousand five hundred fifty dollars per annum;

(3) For districts with annual revenues of two hundred fifty thousand dollars or more, but less than five hundred thousand dollars, up to one hundred twenty-five dollars per attendance at regular monthly meetings and seventy-five dollars per attendance at additional special meetings, total salary not to exceed three thousand seven hundred fifty dollars per annum; and

(4) For districts with annual revenues of five hundred thousand dollars or more, up to one hundred fifty dollars per attendance at regular monthly meetings and one hundred dollars per attendance at additional special meetings, total salary not to exceed five thousand four hundred dollars per annum.

The public service district shall certify the number of customers served and its annual revenue to the public service commission beginning on the first day of July, two thousand, and continue each fiscal year thereafter.

(d) Board members may be reimbursed for all reasonable and necessary expenses actually incurred in the performance of their duties as provided for by the rules of the board.

(e) The board shall by resolution determine its own rules of procedure, fix the time and place of its meetings and the manner in which special meetings may be called. Public notice of meetings shall be given in accordance with section three, article nine-a, chapter six of this code. Emergency meetings may be called as provided for by said section. A majority of the members constituting the board also constitute a quorum to do business.

(f) The members of the board are not personally liable or responsible for any obligations of the district or the board, but are answerable only for willful misconduct in the performance of their duties. The county commission which created a district or county commissions if more than one created the district may, upon written request of the district, adopt an order changing the official name of a public service district: *Provided*, That such name change will not be effective until approved by the public service commission of West Virginia and the owners of any bonds and notes issued by the district, if any, shall have consented, in writing, to the name change. If a district includes territory located in more than one county, the county commission or county commissions changing the name of the district shall provide any

county commission into which the district also extends with a certified copy of the order changing the name of the district. The official name of any district created under the provisions of this article may contain the name or names of any city, incorporated town or other municipal corporation included therein or the name of any county or counties in which it is located.

§ 16-13A-9. Rules; service rates and charges; discontinuance of service; required water and sewer connections; lien for delinquent fees

(a)(1) The board may make, enact and enforce all needful rules in connection with the acquisition, construction, improvement, extension, management, maintenance, operation, care, protection and the use of any public service properties owned or controlled by the district. The board shall establish rates, fees and charges for the services and facilities it furnishes, which shall be sufficient at all times, notwithstanding the provisions of any other law or laws, to pay the cost of maintenance, operation and depreciation of the public service properties and principal of and interest on all bonds issued, other obligations incurred under the provisions of this article and all reserve or other payments provided for in the proceedings which authorized the issuance of any bonds under this article. The schedule of the rates, fees and charges may be based upon:

(A) The consumption of water or gas on premises connected with the facilities, taking into consideration domestic, commercial, industrial and public use of water and gas;

(B) The number and kind of fixtures connected with the facilities located on the various premises;

(C) The number of persons served by the facilities;

(D) Any combination of paragraphs (A), (B) and (C) of this subdivision; or

(E) May be determined on any other basis or classification which the board may determine to be fair and reasonable, taking into consideration the location of the premises served and the nature and extent of the services and facilities furnished. However, no rates, fees or charges for stormwater services may be assessed against highways, road and drainage easements or stormwater facilities constructed, owned or operated by the West Virginia division of highways.

(2) Where water, sewer, stormwater or gas services, or any combination thereof, are all furnished to any premises, the schedule of charges may be billed as a single amount for the aggregate of the charges. The board shall require all users of services and facilities furnished by the district to designate on every application for service whether the applicant is a tenant or an owner of the premises to be served. If the applicant is a tenant, he or she shall state the name and address of the owner or owners of the premises to be served by the district. Notwithstanding the provisions of section eight, article three, chapter twenty-four of this code to the contrary, all new applicants for service shall deposit the greater of a sum equal to two twelfths of the average annual usage of the applicant's specific customer class or fifty dollars, with the district to secure the payment of service rates, fees and charges in the event they become delinquent as provided in this section. If a district provides both water and sewer service, all new applicants for service shall deposit the greater of a sum equal to two twelfths of the average annual usage for water service or fifty dollars and the greater of a sum equal to two twelfths of the average annual usage for wastewater service of the applicant's specific customer class or fifty dollars. In any case where a deposit is forfeited to pay service rates, fees and charges which were delinquent at the time of disconnection or termination of service, no reconnection or reinstatement of service may be made by the district until another deposit equal to the greater of a sum equal to two twelfths of the average usage for the applicant's specific customer class or fifty dollars has been remitted to the district. After twelve months of prompt payment history, the district shall return the deposit to the customer or credit the customer's account at a rate as the public service commission may prescribe: *Provided*, That where the customer is a tenant, the district is not required to return the deposit until the time the tenant discontinues service with the district. Whenever any rates, fees, rentals or charges for services or facilities furnished remain unpaid for a period of twenty days after the same

become due and payable, the user of the services and facilities provided is delinquent and the user is liable at law until all rates, fees and charges are fully paid. The board may, under reasonable rules promulgated by the public service commission, shut off and discontinue water or gas services to all delinquent users of either water or gas facilities, or both, ten days after the water or gas services become delinquent.

(b) In the event that any publicly or privately owned utility, city, incorporated town, other municipal corporation or other public service district included within the district owns and operates separately either water facilities or sewer facilities, and the district owns and operates the other kind of facilities either water or sewer, as the case may be, then the district and the publicly or privately owned utility, city, incorporated town or other municipal corporation or other public service district shall covenant and contract with each other to shut off and discontinue the supplying of water service for the nonpayment of sewer service fees and charges: *Provided*, That any contracts entered into by a public service district pursuant to this section shall be submitted to the public service commission for approval. Any public service district providing water and sewer service to its customers has the right to terminate water service for delinquency in payment of either water or sewer bills. Where one public service district is providing sewer service and another public service district or a municipality included within the boundaries of the sewer district is providing water service, and the district providing sewer service experiences a delinquency in payment, the district or the municipality included within the boundaries of the sewer district that is providing water service, upon the request of the district providing sewer service to the delinquent account, shall terminate its water service to the customer having the delinquent sewer account: *Provided, however*, That any termination of water service must comply with all rules and orders of the public service commission.

(c) Any district furnishing sewer facilities within the district may require, or may by petition to the circuit court of the county in which the property is located, compel or may require the division of health to compel all owners, tenants or occupants of any houses, dwellings and buildings located near any sewer facilities where sewage will flow by gravity or be transported by other methods approved by the division of health, including, but not limited to, vacuum and pressure systems, approved under the provisions of section nine, article one, chapter sixteen of this code, from the houses, dwellings or buildings into the sewer facilities, to connect with and use the sewer facilities and to cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from the houses, dwellings and buildings where there is gravity flow or transportation by any other methods approved by the division of health, including, but not limited to, vacuum and pressure systems, approved under the provisions of section nine, article one, chapter sixteen of this code and the houses, dwellings and buildings can be adequately served by the sewer facilities of the district and it is declared that the mandatory use of the sewer facilities provided for in this paragraph is necessary and essential for the health and welfare of the inhabitants and residents of the districts and of the state. If the public service district requires the property owner to connect with the sewer facilities even when sewage from dwellings may not flow to the main line by gravity and the property owner incurs costs for any changes in the existing dwellings' exterior plumbing in order to connect to the main sewer line, the public service district board shall authorize the district to pay all reasonable costs for the changes in the exterior plumbing, including, but not limited to, installation, operation, maintenance and purchase of a pump or any other method approved by the division of health. Maintenance and operation costs for the extra installation should be reflected in the users charge for approval of the public service commission. The circuit court shall adjudicate the merits of the petition by summary hearing to be held not later than thirty days after service of petition to the appropriate owners, tenants or occupants.

(d) Whenever any district has made available sewer facilities to any owner, tenant or occupant of any house, dwelling or building located near the sewer facility and the engineer for the district has certified that the sewer facilities are available to and are adequate to serve the owner, tenant or occupant and sewage will flow by gravity or be transported by other methods approved by the division of health from the house, dwelling or building into the sewer facilities, the district may charge, and the owner, tenant or occupant shall pay the rates and charges for services established under this article only after thirty-day notice of the availability of the facilities has been received by the owner, tenant or occupant. Rates and

charges for sewage services shall be based upon actual water consumption or the average monthly water consumption based upon the owner's, tenant's or occupant's specific customer class.

(e) Whenever any district has made available a stormwater system to any owner, tenant or occupant of any real property located near the stormwater system and where stormwater from real property affects or drains into the stormwater system, it is hereby found, determined and declared that the owner, tenant or occupant is being served by the stormwater system and it is further hereby found, determined and declared that the mandatory use of the stormwater system is necessary and essential for the health and welfare of the inhabitants and residents of the district and of the state. The district may charge, and the owner, tenant or occupant shall pay the rates, fees and charges for stormwater services established under this article only after thirty-day notice of the availability of the stormwater system has been received by the owner.

(f) All delinquent fees, rates and charges of the district for either water facilities, sewer facilities, gas facilities or stormwater systems or stormwater management programs are liens on the premises served of equal dignity, rank and priority with the lien on the premises of state, county, school and municipal taxes. In addition to the other remedies provided in this section, public service districts are granted a deferral of filing fees or other fees and costs incidental to the bringing and maintenance of an action in magistrate court for the collection of delinquent water, sewer, stormwater or gas bills. If the district collects the delinquent account, plus reasonable costs, from its customer or other responsible party, the district shall pay to the magistrate the normal filing fee and reasonable costs which were previously deferred. In addition, each public service district may exchange with other public service districts a list of delinquent accounts: *Provided*, That an owner of real property may not be held liable for the delinquent rates or charges for services or facilities of a tenant, nor may any lien attach to real property for the reason of delinquent rates or charges for services or facilities of a tenant of the real property, unless the owner has contracted directly with the public service district to purchase the services or facilities.

(g) Anything in this section to the contrary notwithstanding, any establishment, as defined in section three, article eleven, chapter twenty-two, now or hereafter operating its own sewage disposal system pursuant to a permit issued by the division of environmental protection, as prescribed by section eleven, article eleven, chapter twenty-two of this code, is exempt from the provisions of this section.

§ 16-13A-14. Items included in cost of properties

The cost of any public service properties acquired under the provisions of this article shall be deemed to include the cost of the acquisition or construction thereof, the cost of all property rights, easements and franchises deemed necessary or convenient therefor and for the improvements and extensions thereto; for stormwater systems and associated stormwater management programs, those activities which include, but are not limited to, water quality

improvement activities necessary to comply with all federal and state requirements; interest upon bonds prior to and during construction or acquisition and for six months after completion of construction or of acquisition of the improvements and extensions; engineering, fiscal agents and legal expenses; expenses for estimates of cost and of revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, and such other expenses as may be necessary or incident to the financing herein authorized, and the construction or acquisition of the properties and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof.

§ 16-13A-25. Borrowing and bond issuance; procedure

(a) Notwithstanding any other provisions of this article to the contrary, a public service district may not borrow money, enter into contracts for the provision of engineering, design or feasibility studies, issue or contract to issue revenue bonds or exercise any of the powers conferred by the provisions of section thirteen, twenty or twenty-four of this article without the prior consent and approval of the Public Service Commission: *Provided*, That approval of funding set forth in section eleven, article two, chapter twenty-four of this code or this section is not required if the funding is for a project which has received a certificate of public convenience and necessity after the eighth day of July, two thousand five, from the commission and where the cost of the project changes but the change does not affect the rates established for the project.

(b) The Public Service Commission may waive the provision of prior consent and approval for entering into contracts for engineering, design or feasibility studies pursuant to this section for good cause shown which is evidenced by the public service district filing a request for waiver of this section stated in a letter directed to the commission with a brief description of the project, a verified statement by the board members that the public service district has complied with chapter five-g of this code, and further explanation of ability to evaluate their own engineering contract, including, but not limited to:

(1) Experience with the same engineering firm; or

(2) Completion of a construction project requiring engineering services. The district shall also forward an executed copy of the engineering contract to the commission after receiving approval of the waiver.

(c) An engineering contract that meets one or more of the following criteria is exempt from the waiver or approval requirements:

(1) A contract with a public service district that is a Class A utility on the first day of April, two thousand three, or subsequently becomes a Class A utility as defined by commission rule;

(2) A contract with a public service district that does not require borrowing and that can be paid out of existing rates;

(3) A contract where the payment of engineering fees are contingent upon the receipt of funding, and commission approval of the funding, to construct the project which is the subject of the contract; or

(4) A contract that does not exceed fifteen thousand dollars.

(d) Requests for approval or waivers of engineering contracts shall be deemed granted thirty days after the filing date unless the staff of the Public Service Commission or a party files an objection to the request. If an objection is filed, the Public Service Commission shall issue its decision within one hundred twenty days of the filing date. In the event objection is received to a request for a waiver, the application shall be considered a request for waiver as well as a request for approval in the event a waiver is not appropriate.

(e) Unless the properties to be constructed or acquired represent ordinary extensions or repairs of existing systems in the usual course of business, a public service district must first obtain a certificate of public convenience and necessity from the Public Service Commission in

accordance with the provision of chapter twenty-four of this code when a public service district is seeking to acquire or construct public service property.

§ 31-15A-1. Short title

This article shall be known and may be cited as the "West Virginia Infrastructure and Jobs Development Act."

Acts 1994, 1st Ex. Sess., c. 26.

§ 31-15A-2. Definitions

For purposes of this article:

(a) "Bond" or "infrastructure revenue bond" means a revenue bond, note, or other obligation issued by the water development authority pursuant to this article, including bonds to refund such bonds and notes to renew such notes, and notes in anticipation of and payable from the proceeds of such bonds.

(b) "Code" means the code of West Virginia, one thousand nine hundred thirty-one, as amended;

(c) "Cost" means, as applied to any project to be financed, in whole or in part, with infrastructure revenues or funds otherwise provided pursuant to this article, the cost of planning, acquisition, improvement and construction of the project; the cost of preliminary design and analysis, surveys, borings; the cost of environmental, financial, market and engineering feasibility studies, assessments, applications, approvals, submissions or clearances; the cost of preparation of plans and specifications and other engineering services; the cost of acquisition of all land, rights-of-way, property rights, easements, franchise rights and any other interests required for the acquisition, repair, improvement or construction of the project; the cost of demolishing or removing any buildings or structures on land so acquired, including the cost of acquiring any lands to which buildings or structures may be moved; the cost of excavation, grading, shaping or treatment of earth, demolishing or removing any buildings or structures; the cost of constructing any buildings or other improvements; the cost of all pumps, tanks, vehicles, apparatus and other machinery, furnishings and equipment; loan or origination fees and all finance charges and interest incurred prior to and during the construction and for no more than six months after completion of construction; the cost of all legal services and expenses; the cost of all plans, specifications, surveys and estimates of cost; all working capital and other expenses necessary or incident to determining the feasibility or practicability of acquiring, repairing, improving or constructing any project; the cost of placing any project in operation; and all other costs and expenses of any kind or nature incurred or to be incurred by the project sponsor developing the project that are reasonable and necessary for carrying out all works and undertakings necessary or incident to the accomplishment of any project: Provided, That costs shall not include any amounts related to the ongoing operations of the owner or operator, depreciation thereof or any other cost which the council or the water development authority has not determined to be consistent with the purposes and objectives of this article;

(d) "Council" means the West Virginia infrastructure and jobs development council created in section three of this article;

(e) "Division of environmental protection" means the division of environmental protection established under article one, chapter twenty-two of this code, or any successor to all or any substantial part of its powers and duties;

(f) "Division of health" means the division of health created in article one, chapter sixteen of this code, or any successor to all or any substantial part of its powers and duties;

(g) "Economic development authority" means the economic development authority established under article fifteen, chapter thirty-one of the code, or any successor to all or any substantial part of its powers and duties;

(h) "Emergency project" means a project which the council has determined:
(1) Is essential to the immediate economic development of an area of the state; and

(2) will not likely be developed in that area if construction of the project is not commenced immediately;

(i) "Governmental agency" means any county; municipality; watershed improvement district; assessment district; soil conservation district; sanitary district; public service district; drainage district; regional governmental authority and any other state governmental agency, entity, political subdivision or public corporation or agency authorized to acquire, construct or operate water or wastewater facilities or infrastructure projects;

(j) "Housing development fund" means the West Virginia housing development fund established under article eighteen of this chapter, or any successor to all or any substantial part of its powers and duties;

(k) "Infrastructure fund" means the West Virginia infrastructure fund created and established in section nine of this article;

(l) "infrastructure project" means a project in the state which the council determines is likely to foster and enhance economic growth and development in the area of the state in which the project is developed, for commercial, industrial, community improvement or preservation or other proper purposes, including, without limitation, tourism and recreational housing, land, air or water transportation facilities and bridges, industrial or commercial projects and facilities, mail order, warehouses, wholesale and retail sales facilities and other real and personal properties, including facilities owned or leased by this state or any other project sponsor, and includes, without limitation:

(1) the process of acquiring, holding, operating, planning, financing, demolition, construction, improving, expanding, renovation, leasing or otherwise disposing of the project or any part thereof or interest therein; and

(2) preparing land for construction and making, installing or constructing improvements on the land, including water or wastewater facilities or any part thereof, steam, gas, telephone and telecommunications and electric lines and installations, roads, bridges, railroad spurs, buildings, docking and shipping facilities, curbs, gutters, sidewalks, and drainage and flood control facilities, whether on or off the site;

(m) "Infrastructure revenue" means all amounts appropriated by the Legislature; all amounts deposited into the infrastructure fund; any amounts received, directly or indirectly, from any source for the use of all or any part of any project completed pursuant to this article; and any other amounts received by the state treasurer, council or the water development authority for the purposes of this article;

(n) "Need of the project sponsors" means there is a public need for a project. The council shall construe a population increase evidenced by the last two decennial censuses in a county in which a project is proposed, as a factor supporting the conclusion that a need exists for projects in that county.

(o) "Project" means any wastewater facility, water facility project or any combination thereof, constructed or operated or to be constructed or operated by a project sponsor;

(p) "Project sponsor" means any governmental agency or person, or any combination thereof, including, but not limited to, any public utility, which intends to plan, acquire, construct, improve or otherwise develop a project;

(q) "Public service commission" means the public service commission of West Virginia created and established under section three, article one, chapter twenty-four of this code, or any successor to all or any substantial part of its powers and duties;

(r) "Person" means any individual, corporation, partnership, association, limited liability company or any other form of business organization;

(s) "Public utility" means any person or persons, or association of persons, however associated, whether incorporated or not, including, without limitation, any governmental agency, operating a wastewater facility or water facility as a public service, which is regulated by the public service commission as a public utility under chapter twenty-four of this code or which is required to file its tariff with the public service commission;

(t) "State development office" means the West Virginia development office established under article two, chapter five-b of this code, or any successor to all or any substantial part of its powers and duties;

(u) "State infrastructure agency" means the division of health, division of environmental protection, housing development fund, public service commission, state development office, water development authority, economic development authority and any other state agency, division, body, authority, commission, instrumentality or entity which now or in the future receives applications for the funding of, and provides funding or technical assistance to, the planning, acquisition, construction or improvement of a project;

(v) "Waste water facility" means all facilities, land and equipment used for or in connection with treating, neutralizing, disposing of, stabilizing, cooling, segregating or holding waste water, including, without limitation, facilities for the treatment and disposal of sewage, industrial wastes or other wastes, wastewater, and the residue thereof; facilities for the temporary or permanent impoundment of wastewater, both surface and underground; and sanitary sewers or other collection systems, whether on the surface or underground, designed to transport wastewater together with the equipment and furnishings therefor or thereof and their appurtenances and systems, whether on the surface or underground including force mains and pumping facilities therefor;

(w) "Water development authority" means the West Virginia water development authority continued pursuant to the provisions of article one, chapter

twenty-two-c of this code, or any successor to all or any substantial part of its powers and duties; and

(x) "Water facility" means all facilities, land and equipment used for or in connection with the collection and/or storage of water, both surface and underground, transportation of water, storage of water, treatment of water and distribution of water all for the purpose of providing potable, sanitary water suitable for human consumption and use.

Acts 1994, 1st Ex. Sess., c. 26; Acts 1998, c. 180, eff. 90 days after March 14, 1998.

§ 31-15A-3. West Virginia infrastructure and jobs development council continued; members of council; staff of council

(a) The West Virginia infrastructure and jobs development council is hereby continued. The council is a governmental instrumentality of the state. The exercise by the council of the powers conferred by this article and the carrying out of its purpose and duties shall be considered and held to be, and are hereby determined to be, essential governmental functions and for a public purpose.

(b) The council shall consist of eleven members, including the executive director of the housing development fund or his or her designee, the director of the division of environmental protection or his or her designee, the director of the economic development authority or his or her designee, the director of the water development authority or his or her designee, the executive director of the state development office or his or her designee, the director of the division of health or his or her designee, the chairman of the public service commission or his or her designee, and four members representing the general public: Provided, That there shall be at least one member representing the general public from each congressional district: Provided, however, That after the expiration of the term of office of the members first appointed as representatives of the general public, no more than one member representing the general public may be a resident of the same county. The governor shall appoint the public members of the council who shall serve three-year staggered terms. The commissioner of the division of highways, the executive director of the state rail authority, two members of the West Virginia Senate, two members of the West Virginia House of Delegates, one representative of the board of directors of the state college system and one representative of the board of trustees of the university of West Virginia shall serve as advisory members of the council. The governor shall appoint the legislative members of the council: Provided, further That no more than three of the legislative members may be of the same political party. The governor shall appoint the representatives of the governing boards from a list of three names submitted by each governing board. The advisory members shall be ex officio, nonvoting members of the council.

(c) The council shall annually elect one of its members as chairman, and shall appoint a secretary, who need not be a member of the council and who shall keep records of its proceedings. Six members of the council shall constitute a quorum and the affirmative vote of at least the majority of those members present shall be necessary for any action taken by vote of the council.

No vacancy in the membership of the council impairs the rights of a quorum by such vote to exercise all the rights and perform all the duties of the council.

(d) No member of the council who serves by virtue of his or her office shall receive any compensation or reimbursement of expenses for serving as a member. The members of the council who represent the general public shall receive reimbursement for actual expenses incurred in the service of the council.

(e) The council shall meet at least monthly to review projects and infrastructure projects requesting funding assistance and otherwise to conduct its business, and shall meet more frequently if necessary. Notwithstanding any other provision of this article to the contrary, the economic development authority shall not be subject to council review with regard to any action taken pursuant to the authority established in article fifteen, chapter thirty-one of this code nor shall the governor's civil contingent fund be subject to council review with regard to projects or infrastructure projects funded through the governor's civil contingent fund.

(f) The water development authority shall provide office space for the council, and each governmental agency represented on the council shall provide staff support for the council in the manner determined by the council from time to time.

(g) The council shall invite to all its meetings one or more representatives of the United States department of agriculture, rural economic community development, the United States economic development agency and the United States army corps of engineers or any successors thereto. The council shall also invite such other appropriate parties as may be necessary to effectuate the purposes of this article.

Acts 1994, 1st Ex. Sess., c. 26; Acts 1995, c. 130, eff. March 10, 1995.

§ 31-15A-4. Development of guidelines and preliminary application for funding assistance

(a) To implement and carry out the intent of this article, the council shall promulgate legislative rules in accordance with article three, chapter twenty-nine-a of this code to develop comprehensive, uniform guidelines for use by the council and other state infrastructure agencies in evaluating any request by a project sponsor for funding assistance to plan, acquire, construct, improve or otherwise develop a project or infrastructure project. The guidelines shall include the following factors: (1) the public health benefits of the project or infrastructure project; (2) the economic development benefits of the project or infrastructure project; (3) the degree to which the project or infrastructure project will correct deficiencies in the compliance of water supply or sewage treatment facilities with state or federal laws, regulations or standards; (4) the degree to which the project or infrastructure project encourages effective and efficient consolidation of water or sewage treatment systems consistent with the comprehensive plan developed pursuant to section six of this article; (5) the cost effectiveness of the project or infrastructure project as compared with

alternatives which achieve substantially the same public health or economic development benefits, including the consideration of providing maximum feasible fire protection; (6) the availability of alternative sources of funding which could finance all or a part of the project and infrastructure project, and the need for the assistance of the council to finance the project or infrastructure project or attract other sources of funding; (7) the applicant's ability to operate and maintain the system if the project or infrastructure project is approved; (8) the degree to which the project or infrastructure project achieves other state or regional planning goals; (9) the estimated date upon which the project or infrastructure project could commence if funding were available and the estimated completion date of the project or infrastructure project; and (10) such other considerations as the council may consider necessary or appropriate to accomplish the purpose and intent of this article.

(b) The council shall create a preliminary application form which shall be used by all project sponsors requesting funding assistance from state infrastructure agencies to plan, acquire, construct, improve or otherwise develop an infrastructure project or project. The preliminary application form shall contain all information required by all state infrastructure agencies that will be required to issue permits and/or certificates regarding the project or infrastructure project. The preliminary application shall require the project sponsor to set forth the type and proposed location of the infrastructure project or project; the estimated total cost of the project; the amount of funding assistance required and the specific uses of the funding; other sources of funding available or potentially available for the infrastructure project or project; information demonstrating the need for the infrastructure project or project and that the proposed funding of the project is the most economically feasible and viable alternative to completing the project or infrastructure project; and such other information as the council considers necessary to enable it to recommend the type of project or infrastructure project financing, in terms of the kind, amount and source of funding, which the project sponsor should pursue and which the state infrastructure agency or agencies should consider an appropriate investment of public funds, and to otherwise carry out the intent of this article.

Acts 1994, 1st Ex. Sess., c. 26.

§ 31-15A-5. Requirements for project funding assistance; review of project preliminary applications by council

(a) No project sponsor may apply for or receive any loan, loan guarantee, grant or other funding assistance for a project or infrastructure project from any state infrastructure agency (i) unless the project sponsor requiring the funding assistance first submits a completed preliminary application to the council on the form prepared for such purpose by the council pursuant to section four of this article, and (ii) except as may be recommended by the council after consideration of the preliminary application: Provided, That any project sponsor which has an infrastructure project or project with either

acceptable bids or all funding in place on the effective date of this act is not required to comply with the provisions of this section.

(b) The council shall, within thirty days of receipt of each completed preliminary application submitted to it, review the preliminary application and either (i) make a written recommendation as to the infrastructure project or project financing, in terms of the kind, amount and source of funding, which the project sponsor submitting the application should pursue and which the state infrastructure agency or agencies should consider an appropriate investment of public funds, or (ii) if the council determines that (1) the proposed project or infrastructure project is not eligible for funding assistance from any state infrastructure agency, or (2) the proposed project or infrastructure project is not otherwise an appropriate or prudent investment of state funds, the council shall recommend that the project sponsor not seek funding from any state infrastructure agency. A project sponsor shall include the preliminary application and the council's recommendations in any application to a state infrastructure agency.

(c) The council shall provide a copy of its recommendation with respect to each preliminary application, together with a copy of the preliminary application, to all appropriate state infrastructure agencies, which shall take into account the council's recommendations with respect to a project or infrastructure project before taking any action with respect to the project. No state infrastructure agency shall take any action inconsistent with the recommendation of the council unless the governing body of the agency, or the head of the agency if it has no governing body, expressly finds and determines that the recommendation is not in the best interest of the state or the area in which the proposed infrastructure project or project is to be located.

(d) In reviewing each preliminary application, the council shall use the engineering, financial and technical expertise of the respective staffs of the state infrastructure agencies represented on the council so as to recommend for funding those projects or infrastructure projects which are consistent with the purposes and intent of this article and with the policies and priorities of this state generally. The council may include in its findings a recommendation that a state infrastructure agency consider technical reports on the project prepared by other infrastructure agencies or by any federal agency.

Acts 1994, 1st Ex. Sess., c. 26.

§ 31-15A-6. Powers, duties and responsibilities of the council generally; comprehensive assessment

(a) In addition to the powers set forth elsewhere in this article, the council is hereby granted, has and may exercise all powers necessary or appropriate to carry out and effectuate the purposes and intent of this article. The council shall have the power and capacity to:

(1) Provide consultation services to project sponsors in connection with the planning, acquisition, improvement, construction or development of any infrastructure project or project;

(2) Periodically prepare a list of infrastructure projects or projects which cannot meet the established funding guidelines of the various state infrastructure agencies, other than the housing development fund, but which are consistent with the mandates of this article and recommend to the water development authority that it make a grant or loan to the project sponsors from the infrastructure fund to finance the cost of one or more such projects or infrastructure projects;

(3) Do all other acts necessary and proper to carry out the powers expressly granted to the authority in this article; and

(4) To make and execute contracts, commitments and obligations and other instruments necessary or convenient for the exercise of its powers.

(b) The council shall develop a comprehensive statewide inventory of water supply systems and sewage treatment systems and an assessment of current and future needs by the first day of July, one thousand nine hundred ninety-six. The assessment shall identify the areas of the state which do not have adequate public water or sewage systems and offer recommendations for the construction of new facilities or the extension or expansion of existing facilities to meet the identified needs. The council shall include in the assessment an identification of the obstacles, issues and problems which prevent or inhibit development of adequate infrastructure throughout the state, including financial, governmental, physical, or geographical factors and make recommendation as the council considers appropriate regarding the obstacles, issues or problems identified. This comprehensive inventory and assessment shall be updated at least once in every three year period after the initial assessment and inventory is completed.

(c) The council shall study the viability of the consolidation of public service districts throughout the state: Provided, That the study shall encompass not only public service districts but also any and all entities which provide or supply water and sewer service to the general public: Provided, however, That the council shall, in the preparation of the study, consult with the public service district division of the public service commission and representatives of the West Virginia rural water association and the West Virginia association of public service districts, as needed. The council shall report their findings and conclusions on or before the sixteenth of January of the year one thousand nine hundred ninety-five to the governor, speaker of the house of delegates and president of the senate.

Acts 1994, 1st Ex. Sess., c. 26.

§ 31-15A-7. Current and prospective planning; roads and highways; report to division of highways

(a) The council shall take into account the current and prospective infrastructure needs in relation to plans of the division of highways for the development and building of new roads. Upon completion of an environmental impact study, the commissioner of highways shall provide the council with plans for any and all new roads. In a timely manner, the council shall advise the

commissioner of the division of highways on the feasibility of the expansion of new or existing water and sewer lines concomitant to the construction of the new roads.

(b) The council has the authority to appoint local infrastructure planning teams. The local infrastructure planning teams may consist of the following: A designee of the division of highways from the region where the new road is being built; a designee of the division of highways from the central state office; a designee from the environmental engineers division of the department of health and human resources; a designee from the local developmental authority where the new road is being built; a designee from the regional developmental authority in the area where the new road is being built; a designee from the public service commission; a designee from the division of environmental protection; a designee from the county commission where the new road is being built who shall serve as chairperson of the planning team; a citizen of the county where the new road is being built to be chosen by the county commission; and the elected state delegates and senators from the area where the new road is being built. In order to avoid delay of any highway project, immediately upon appointment of a local infrastructure planning team, the director of the division of highways shall submit to the council a time frame within which the planning team must act and within which the planning team must submit any plans, maps, recommendations or reports developed pursuant to this subsection. The local infrastructure planning team shall meet prior to the development and building of a new road. Members of the local infrastructure planning team shall only receive payment for actual expenses incurred. The local infrastructure planning team shall advise the commissioner of the division of highways on the feasibility of an infrastructure plan. The local infrastructure planning team shall meet to develop an infrastructure plan that includes an assessment study of existing water and sewer lines and a feasibility study on future development and laying of water and sewer lines. After these studies are completed, a developmental map shall be drawn of the proposed road route with overlays of the proposed water and sewer lines. These studies and the map shall be presented to the commissioner of the division of highways and shall be used by the commissioner in the planning, developing and building of the road.

(c) The water development authority shall establish a restricted account within the infrastructure fund to be expended for the construction of water and sewage lines as may be recommended by the council in accordance with this article and specifically, in accordance with the plan developed under subsection (b) of this section. The reserve account shall be known as the "infrastructure road improvement reserve account". The council and the division of highways may enter into agreements to share the cost of financing projects approved in accordance with this section from moneys available in the infrastructure road reserve account and moneys available from the state road fund. Annually, the council may direct the water development authority to transfer funds from the infrastructure fund in an amount not to exceed one million dollars to the

restricted account: Provided, That at no time may the balance of the restricted account exceed one million dollars.

(d) For the purposes of this section the term "new" means a road right-of-way being built for the first time.

(e) After the construction of water and sewer lines adjacent to the new road, these new lines shall be turned over to existing utilities by expansion of boundaries of public service districts or shall be main extensions from the municipality.

Acts 1994, 1st Ex. Sess., c. 26.

§ 31-15A-8. Exemption of certain emergency projects from certificate of public convenience and necessity requirements; review of certain emergency projects by public service commission; and exemption for North Fork Hughes River watershed project

(a) If the council determines a project to be an emergency and the emergency project will be funded solely with grant money for the extension of an existing certificated water facility or wastewater facility, and if the council finds in its recommendation that the construction and acquisition of the emergency project will have no effect on the public utility's customer rates and will have no significant effect on its operational costs as a result of the project cost, then the emergency project is exempt from the requirement to obtain a certificate of public convenience and necessity under section eleven, article two, chapter twenty-four of this code. If the public utility is a public service district, it is exempt from the approval of the public service commission required under section twenty-five, article thirteen-a, chapter sixteen of this code.

(b) Any public utility, and any other entity that will operate as a public utility, must obtain a certificate of public convenience and necessity pursuant to section eleven, article two, chapter twenty-four of this code for any emergency project that is not exempt under subsection (a) of this section. The public service commission shall render its final decision on any application for a certificate within one hundred twenty days of the filing of the application: Provided, That the thirty-day pre-filing requirement is not required. If the project sponsor is a public service district, then the project will be exempted from the approval requirements of section twenty-five, article thirteen-a, chapter sixteen of this code.

(c) Projects that are not emergency projects are subject to the requirements of section eleven, article two, chapter twenty-four of this code to the extent they would be otherwise.

(d) The North Fork Hughes River watershed project, proposed to enhance economic growth and development through tourism as provided in subsection (l), section two of this article and to include a water facility project as defined in subsection (n), section two of this article, is hereby specifically exempted from any requirement imposed by this article, except that the provisions of subsection (a) of this section are specifically made applicable to the project.

The project is hereby specifically authorized and the public land corporation shall have and may exercise the power of eminent domain and all authority otherwise prescribed by law to acquire necessary land and rights-of-way, to include approximately four hundred seventy-eight acres, in connection with the project. Funding for the project shall be provided by the federal government from the Appalachian regional commission through the United States soil conservation service. Upon completion of the project, the property acquired shall be transferred to the state park system. The commissioner of the division of tourism and parks or the successor to the commissioner's powers and duties is directed to expand the boundaries of North Bend state park to include the project area and to operate the expanded park property, including improved recreational facilities, from funds appropriated for that purpose.

§ 31-15A-9. Infrastructure fund; deposits in fund; disbursements to provide loans, loan guarantees, grants and other assistance; loans, loan guarantees, grants and other assistance shall be subject to assistance agreements

(a) The water development authority shall create and establish a special revolving fund of moneys made available by appropriation, grant, contribution or loan to be known as the "West Virginia Infrastructure Fund". This fund shall be governed, administered and accounted for by the directors, officers and managerial staff of the water development authority as a special purpose account separate and distinct from any other moneys, funds or funds owned and managed by the water development authority. The infrastructure fund shall consist of sub-accounts, as deemed necessary by the council or the water development authority, for the deposit of: (1) Infrastructure revenues; (2) any appropriations, grants, gifts, contributions, loan proceeds or other revenues received by the infrastructure fund from any source, public or private; (3) amounts received as payments on any loans made by the water development authority to pay for the cost of a project or infrastructure project; (4) insurance proceeds payable to the water development authority or the infrastructure fund in connection with any infrastructure project or project; (5) all income earned on moneys held in the infrastructure fund; (6) all funds deposited in accordance with section four of article fifteen-b; and (7) all proceeds derived from the sale of bonds issued pursuant to article fifteen-b of this chapter.

Any money collected pursuant to this section shall be paid into the West Virginia infrastructure fund by the state agent or entity charged with the collection of the same, credited to the infrastructure fund, and used only for purposes set forth in this article or article fifteen-b.

Amounts in the infrastructure fund shall be segregated and administered by the water development authority separate and apart from its other assets and programs. Amounts in the infrastructure fund may not be transferred to any other fund or account or used, other than indirectly, for the purposes of any other program of the water development authority, except that the water development authority may use funds in the infrastructure fund to reimburse

itself for any administrative costs incurred by it and approved by the council in connection with any loan, loan guarantee, grant or other funding assistance made by the water development authority pursuant to this article.

(b) Notwithstanding any provision of this code to the contrary, amounts in the infrastructure fund shall be deposited by the water development authority in one or more banking institutions: Provided, That any moneys so deposited shall be deposited in a banking institution located in this state. The banking institution shall be selected by the water development authority by competitive bid. Pending the disbursement of any money from the infrastructure fund as authorized under this section, the water development authority shall invest and reinvest the moneys subject to the limitations set forth in article eighteen, chapter thirty-one of this code.

(c) To further accomplish the purposes and intent of this article and article fifteen-b of this chapter, the water development authority may pledge infrastructure revenues and from time to time establish one or more restricted accounts within the infrastructure fund for the purpose of providing funds to guarantee loans for infrastructure projects or projects: Provided, That for any fiscal year the water development authority may not deposit into the restricted accounts more than twenty percent of the aggregate amount of infrastructure revenues deposited into the infrastructure fund during the fiscal year. No loan guarantee shall be made pursuant to this article unless recourse under the loan guarantee is limited solely to amounts in the restricted account or accounts. No person shall have any recourse to any restricted accounts established pursuant to this subsection other than those persons to whom the loan guarantee or guarantees have been made.

(d) Each loan, loan guarantee, grant or other assistance made or provided by the water development authority shall be evidenced by a loan, loan guarantee, grant or assistance agreement between the water development authority and the project sponsor to which the loan, loan guarantee, grant or assistance shall be made or provided, which agreement shall include, without limitation and to the extent applicable, the following provisions:

(1) The estimated cost of the infrastructure project or project, the amount of the loan, loan guarantee or grant or the nature of the assistance, and in the case of a loan or loan guarantee, the terms of repayment and the security therefor, if any;

(2) The specific purposes for which the loan or grant proceeds shall be expended or the benefits to accrue from the loan guarantee or other assistance, and the conditions and procedure for disbursing loan or grant proceeds;

(3) The duties and obligations imposed regarding the acquisition, construction, improvement or operation of the project or infrastructure project; and

(4) The agreement of the governmental agency to comply with all applicable federal and state laws, and all rules and regulations issued or imposed by the water development authority or other state, federal or local bodies regarding the acquisition, construction, improvement or operation of the infrastructure project or project and granting the water development authority the right to

appoint a receiver for the project or infrastructure if the project sponsor should default on any terms of the agreement.

(e) Any resolution of the water development authority approving loan, loan guarantee, grant or other assistance shall include a finding and determination that the requirements of this section have been met.

(f) The interest rate on any loan to governmental, quasi-governmental, or not for profit project sponsors for projects made pursuant to this article shall not exceed three percent per annum. Due to the limited availability of funds available for loans for projects, it is the public policy of this state to prioritize funding needs to first meet the needs of governmental, quasi-governmental and not for profit project sponsors and to require that loans made to for-profit entities shall bear interest at the current market rates. Therefore, no loan may be made by the council to a for-profit entity at an interest rate which is less than the current market rate at the time of the loan agreement.

(g) The water development authority shall cause an annual audit to be made by an independent certified public accountant of its books, accounts and records, with respect to the receipts, disbursements, contracts, leases, assignments, loans, grants and all other matters relating to the financial operation of the infrastructure fund, including the operating of any sub-account within the infrastructure fund. The person performing such audit shall furnish copies of the audit report to the commissioner of finance and administration, where they shall be placed on file and made available for inspection by the general public. The person performing such audit shall also furnish copies of the audit report to the Legislature's joint committee on government and finance.

Acts 1994, 1st Ex. Sess., c. 26; Acts 1995, c. 130, eff. March 10, 1995.

Acts 1990, c. 2, abolished the office of commissioner of finance and administration and transferred all duties and powers to the secretary of administration. See § 5A-1-2.

§ 31-15A-10. Recommendations by council for expenditures of funds by loan, grant or for engineering assistance

(a) To further accomplish the purpose and intent of this article, the water development authority shall use the moneys in the infrastructure fund created pursuant to section nine of this article, upon receipt of one or more recommendations from the council pursuant to section five of this article, to make loans, with or without interest, loan guarantees or grants and to provide other assistance, financial, technical or otherwise, to finance all or part of the costs of infrastructure projects or projects to be undertaken by a project sponsor: Provided, That any moneys disbursed from the infrastructure fund in the form of grants shall not exceed twenty percent of the total funds available for the funding of projects. No loan, loan guarantee, grant or other assistance shall be made or provided except upon a determination by the council that the loan, loan guarantee, grant or other assistance and the manner in which it will be provided are necessary or appropriate to accomplish the purposes and intent of this article, based upon an application submitted to the council: Provided,

however, That no grant shall be made to a project sponsor that is not a governmental agency or a not for profit corporation under the provisions of section 501(c) of the Internal Revenue Code of 1986, as amended. Applications for loans, loan guarantees, grants or other assistance may be submitted by a project sponsor for one or more infrastructure projects on preliminary application forms prepared by the council pursuant to section four of this article. Any recommendation of the council approving a loan, loan guarantee, grant or other assistance shall include a finding and determination by the council that the requirements of this section have been met. The council shall base any decisions to loan money for projects to project sponsors pursuant to this article solely on the need of the project sponsors.

(b) The council has the authority in its sole discretion to make grants to project sponsors if it finds that: (1) The level of rates for the users would otherwise be an unreasonable burden given the users' likely ability to pay; or (2) the absence of a sufficient number of users prevents funding of the project except through grants: Provided, That no project sponsor shall receive infrastructure grant money in an amount in excess of fifty percent of the total cost of the project. Therefore, the council may consider the economic or financial conditions of the area to be served. As a condition for receipt of a grant under this subsection, the council may require, in addition to any other conditions, that the applicant pursue other state or federal grant or loan programs. Upon a recommendation by the council, the water development authority shall provide the grant in accordance with the recommendation. The council shall develop criteria to be considered in making grants to project sponsors which shall require consideration of the economic or financial conditions of the area to be served and the availability of other funding sources. The council shall adopt procedural rules regarding the manner in which grants will be awarded in conformity with this section. The procedural rules shall be adopted pursuant to article three, chapter twenty-nine-a of this code.

(c) Notwithstanding any other provision of this article to the contrary, the council shall apply a mandatory minimum end user utility rate that must be met by the project sponsor before funding assistance may be awarded. The mandatory minimum end utility rate shall be based upon a uniform statewide percentage of the median household income in a particular geographic area and said rate shall not exceed six tenths of one percent: Provided, That funding assistance made from the proceeds of any general obligation bonds and revenue bonds issued after the fifteenth day of March, one thousand ninety-eight, after transfers required to make the state match for the water and wastewater revolving loan programs pursuant to article two, chapter twenty-two-c and article thirteen-c, chapter sixteen of this code, shall be provided by the council on a pro rata basis divided equally among the congressional districts of this state as delineated in accordance with section three, article two, chapter one of this code: Provided, however, That infrastructure projects as defined in subsection (1), section two of this article shall be subject to pro rata distribution. When determining median household income of a geographic area of the

project to be served, the council shall consider any surveys of the income of the households that will be served by the project.

(d) No loan or grant funds may be made available for a project if the project to be funded will provide subsidized services to certain users in the service area of the project.

(e) Notwithstanding any other provision of this article to the contrary, engineering studies and requirements imposed by the council for preliminary applications shall not exceed those engineering studies and requirements which are necessary for the council to determine the economic feasibility of the project. If the council determines that the engineering studies and requirements for the preapplication would impose an undue hardship on any project sponsor, the council may provide funding assistance to project sponsors to defray the expenses of the preapplication process from moneys available in the infrastructure fund for making loans: Provided, That the council may only provide funding assistance in an amount equal to five thousand dollars or fifty percent of the total preapplication cost of the project, whichever amount is greater. If the project is ultimately approved for a loan by the council, the amount of funding assistance provided to the project sponsor for the preapplication process shall be included in the total amount of the loan to be repaid by the project sponsor. If the project is not ultimately approved by the council, then the amount of funding assistance provided to the project sponsor will be considered a grant by the council and the total amount of the assistance shall be forgiven. In no event may the amount of funding assistance provided to all project sponsors exceed, in the aggregate, one hundred thousand dollars annually.

(f) The council shall report to the governor, the speaker of the House of Delegates and the president of the Senate during each regular and interim session of the Legislature, on its activities and decisions relating to distribution or planned distribution of grants and loans under the criteria to be developed pursuant to this article.

§ 31-15A-11. Reservation of funds for projects and infrastructure projects

Eighty percent of the funds deposited in the West Virginia infrastructure fund shall be dedicated for the purpose of providing funding for the cost of projects as defined in subsection (n), section two of this article. Twenty percent of the funds deposited in the West Virginia infrastructure fund shall be dedicated for the purpose of providing funding for costs of infrastructure projects as defined in subsection (l), section two of this article. Project sponsors of infrastructure projects shall follow the application process as established by this article: Provided, That notwithstanding any provision of this article to the contrary, all applications for any infrastructure project shall be submitted to the council for

community and economic development, or its successor, for review, recommendation and approval regarding infrastructure project funding.

§ 31-15A-12. Additional powers of water development authority

To accomplish the purpose and intent of this article, the water development authority is hereby empowered, in addition to all other powers granted to it under this code, upon approval of the council, to (1) enter into agreements or other transactions with any federal or state agency in connection with any infrastructure project or project; (2) receive or administer on behalf of any federal or state agency grants, subsidies or other payments to be applied to the costs of any infrastructure project or project financed in whole or in part or otherwise assisted by the water development authority, including, but not limited to, payments to be applied to operating costs and debt service or obligations of any project sponsor; (3) receive and accept aid or contributions from any source of money, property, labor or other things of value, to be held, used and applied only for the purposes for which such grants and contributions are made; (4) establish and amend the criteria and qualifications for making loans, loan guarantees or grants, or providing any other assistance, for any infrastructure project or project, and the terms of any loans, loan guarantee, grant or assistance agreement for any project; and (5) do all things which are necessary to further the purposes and intent of this article.

Acts 1994, 1st Ex. Sess., c. 26.

§ 31-15A-13. Prohibition on funds inuring to the benefit of or being distributable to water development board; transactions between the water development board and officers having certain interests in such transactions

No part of the infrastructure fund or the West Virginia infrastructure revenue debt service fund shall inure to the benefit of or be distributable to the water development board directors or officers of the water development authority except that the water development authority is authorized and empowered to pay reasonable compensation, other than to members of the water development board, including the chairman, vice chairman, secretary-treasurer for services rendered and to make loans and exercise its other powers as previously specified in furtherance of its corporate purpose: Provided, That no loans shall be made, and no property shall be purchased or leased from, or sold, leased or otherwise disposed of, to any water development board member or officer of the water development authority.

Acts 1994, 1st Ex. Sess., c. 26; Acts 1998, c. 180, eff. 90 days after March 14, 1998.

§ 31-15A-14. Termination or dissolution

Upon the termination or dissolution of the water development authority, all rights and properties of the water development authority with respect to the

infrastructure fund shall pass to and be vested in the state, subject to the rights of lienholders and other creditors.

Acts 1994, 1st Ex. Sess., c. 26.

§ 31-15A-15. Projects not to be considered public improvements; competitive bid requirements

(a) No project or infrastructure project acquired, constructed, maintained or financed, in whole or in part, by the water development authority shall be considered to be a "public improvement" within the meaning of the provisions of article five-a, chapter twenty-one of this code as a result of the financing.

(b) The state and its subdivisions shall, except as provided in subsection (c) of this section, solicit competitive bids and require the payment of prevailing wage rates as provided in article five-a, chapter twenty-one of this code for every project or infrastructure project funded pursuant to this article exceeding twenty-five thousand dollars in total cost.

Following the solicitation of the bids, the construction contract shall be awarded to the lowest qualified responsible bidder, who shall furnish a sufficient performance and payment bond: Provided, That the state and its subdivisions may reject all bids and solicit new bids on the project.

(c) This section does not:

(1) Apply to work performed on construction or repair projects not exceeding a total cost of fifty thousand dollars by regular full-time employees of the state or its subdivisions: Provided, That no more than fifty thousand dollars shall be expended on an individual project in a single location in a twelve-month period;

(2) Prevent students enrolled in vocational educational schools from being used in the construction or repair projects when such use is a part of the students' training program;

(3) Apply to emergency repairs to building components and systems: Provided, That the term "emergency repairs" means repairs that, if not made immediately, will seriously impair the use of the building components and systems or cause danger to those persons using the building components and systems; or

(4) Apply to any situation where the state or a subdivision of the state comes to an agreement with volunteers, or a volunteer group, by which the governmental body will provide construction or repair materials, architectural, engineering, technical or any other professional services and the volunteers will provide the necessary labor without charge to, or liability upon, the governmental body: Provided, That the total cost of the construction or repair projects does not exceed fifty thousand dollars.

(d) The provisions of subsection (b) of this section do not apply to privately owned projects or infrastructure projects constructed on lands not owned by the state or a subdivision of the state.

Historical and Statutory Notes

Acts 2001, c. 45 rewrote this section which as enacted provided:

"(a) No project or infrastructure project acquired, constructed, maintained or financed in whole or in part by the water development authority shall be considered to be a "public improvement" within the meaning of the provisions of article five-a, chapter twenty-one of this code, as a result of such financing.

"(b) The state and its subdivisions shall, except as provided in this subsection, solicit competitive bids and require the payment of prevailing wage rates as provided in article five-a, chapter twenty-one of this code for every project or infrastructure project funded pursuant to this article exceeding twenty-five thousand dollars in total cost. Following the solicitation of the bids, the construction contract shall be awarded to the lowest qualified responsible bidder, who shall furnish a sufficient performance and payment bond: Provided, That the state and its subdivisions may reject all bids and solicit new bids on the project. Nothing in this subsection applies to work performed on construction or repair projects not exceeding a total cost of twenty-five thousand dollars by regular full-time employees of the state or its subdivisions, nor shall anything in this subsection prevent stu-

dents enrolled in vocational educational schools from being utilized in the construction or repair projects when such use is a part of the students' training program. Nothing in this subsection applies to emergency repairs to building components and systems: Provided, however, That the term "emergency repairs" means repairs that if not made immediately will seriously impair the use of the building components and systems or cause danger to those persons using the building components and systems. This subsection shall not apply to any situation where the state or a subdivision thereof comes to an agreement with volunteers, or a volunteer group, whereby the governmental body will provide construction or repair materials, architectural, engineering, technical or any other professional services and the volunteers will provide the necessary labor without charge to, or liability upon, the governmental body: Provided further, That the total cost of the construction or repair projects does not exceed twenty-five thousand dollars.

"(c) The provisions of subsection (b) of this section shall not apply to privately owned projects or infrastructure projects constructed on lands not owned by the state or a subdivision of the state."

§ 31-15A-16. Dedication of severance tax proceeds

(a) There shall be dedicated an annual amount from the collections of the tax collected pursuant to article thirteen-a, chapter eleven of this code for the construction, extension, expansion, rehabilitation, repair and improvement of water supply and sewage treatment systems and for the acquisition, preparation, construction and improvement of sites for economic development in this state as provided in this article.

(b) Notwithstanding any other provision of this code to the contrary, beginning on the first day of July, one thousand nine hundred ninety-five, the first sixteen million dollars of the tax collected pursuant to article thirteen-a, chapter eleven of this code shall be deposited to the credit of the West Virginia infrastructure general obligation debt service fund created pursuant to section three, article fifteen-b of this chapter: Provided, That beginning on the first day of July, one thousand nine hundred ninety-eight, the first twenty-four million dollars of the tax annually collected pursuant to article thirteen-a of this code shall be deposited to the credit of the West Virginia infrastructure general obligation debt service fund created pursuant to section three, article fifteen-b of this chapter.

(c) Notwithstanding any provision of subsection (b) of this section to the contrary: (1) none of the collections from the tax imposed pursuant to section six, article thirteen-a, chapter eleven of this code shall be so dedicated or deposited; and (2) the portion of the tax imposed by article thirteen-a, chapter eleven and dedicated for purposes of medicaid and the division of forestry

pursuant to section twenty-a of said article thirteen-a shall remain dedicated for the purposes set forth in said section twenty-a.

(d) On or before the first day of May of each year, commencing the first day of May, one thousand nine hundred ninety-five, the council, by resolution, shall certify to the treasurer and the water development authority the principal and interest coverage ratio and amount for the following fiscal year on any infrastructure general obligation bonds issued pursuant to the provisions of article fifteen-b of this chapter.

Acts 1994, 1st Ex. Sess., c. 26; Acts 1995, c. 130, eff. March 10, 1995; Acts 1998, c. 180, eff. 90 days after March 14, 1998.

§ 31-15A-17. Water development authority empowered to issue infrastructure revenue bonds and refunding bonds; creation of infrastructure revenue debt service fund; funding of infrastructure revenue debt service fund; requirements and manner of such issuance

(a) To accomplish the purpose and intent of this article, the water development authority is hereby empowered at the written request of the council to issue from time to time infrastructure revenue bonds of the state in such principal amounts as the council deems necessary to make loans and loan guarantees and other forms of financial assistance to project sponsors for one or more projects or infrastructure projects: Provided, That the water development authority may not issue any such bonds, other than refunding bonds, unless the council by resolution determines that the aggregate cost of the projects or infrastructure projects expected to be constructed during any annual period exceeds (1) the projected annual infrastructure revenues for the same period, and (2) the principal and interest payments not otherwise pledged to the infrastructure revenue debt service fund that are due the water development authority on all outstanding loans previously made by the water development authority pursuant to the provisions of this article.

(b) The proceeds of infrastructure revenue bonds shall be used solely for the purpose of making loans and loan guarantees and other forms of financial assistance to sponsors of one or more projects or infrastructure projects, and shall be deposited in one or more special accounts with the trustee under the trust agreement securing such bonds and disbursed from time to time for projects or infrastructure projects in accordance with this article: Provided, That notwithstanding any provision of this code to the contrary, twenty percent of the funds deposited in the special account shall be dedicated for the purpose of providing funding for costs of infrastructure projects as defined in subsection (l), section two, of this article.

(c) The water development authority may not authorize the disbursement of any proceeds of infrastructure revenue bonds unless it has received documentation from the council pursuant to the provisions of section ten of this article.

(d) There is hereby created in the water development authority a special fund which shall be designated and known as the "West Virginia Infrastructure

Revenue Debt Service Fund," into which shall be transferred solely from the loan repayments deposited in the infrastructure fund the amounts certified by the director of the water development authority as necessary to pay the principal, premium, if any, and interest on infrastructure revenue bonds and any reserve requirements, subject to the terms of any agreement with the holders of the infrastructure revenue bonds. All amounts deposited in the West Virginia infrastructure revenue debt service fund shall be pledged to the repayment of the principal, interest and redemption premium, if any, on any infrastructure revenue bonds authorized by this article: Provided, That amounts on deposit in the fund may be used to establish or maintain reserves created for the purposes of securing such infrastructure revenue bonds. The pledge shall be valid and binding from the time the pledge is made, and the West Virginia infrastructure revenue debt service fund so pledged shall immediately be subject to the lien of the pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the water development authority irrespective of whether the parties have notice thereof.

(e) Except as may otherwise be expressly provided in this article or by resolution of the water development authority, every issue of infrastructure revenue bonds shall be special obligations of the water development authority payable solely from amounts in the West Virginia infrastructure revenue debt service fund, and the reserves created for this purpose by the water development authority, without preference or priority among the bonds regardless of when issued, subject only to any agreements with the holders of any bonds to the contrary. All such bonds are hereby declared to be negotiable instruments.

(f) Infrastructure revenue bonds shall be authorized by resolution of the water development authority. These bonds shall bear such dates and shall mature at such times, in case of any note or renewal thereof not exceeding five years from the date of issue of the original note, and in the case of any bond not exceeding fifty years from the date of issue, as the resolution may provide. Infrastructure revenue bonds shall bear interest at a rate or rates, including variable rates, shall be taxable or tax-exempt, shall be in the denominations, shall be in registered form, shall carry the registration privileges, shall be payable in the medium and place of payment, and shall be subject to the terms of redemption as the water development authority may authorize. Infrastructure revenue bonds may be sold by the water development authority at public or private sale at the price the water development authority determines in consultation with the council. Infrastructure revenue bonds shall be executed by the chairman and the vice chairman of the water development authority, either or both of whom may use a facsimile signature. The official seal of the water development authority or a facsimile thereof shall be affixed thereto or printed thereon and attested by manual or facsimile signature by the secretary-treasurer of the water development authority. If any officer whose signature, or a facsimile of whose signature appears on any infrastructure revenue bond ceases to be such officer before delivery of such bond, such signature or

facsimile is nevertheless sufficient for all purposes to the same extent as if he or she had remained in office until such delivery, and if the seal of the water development authority has been changed after a facsimile has been imprinted on such bond, the facsimile will continue to be sufficient for all purposes.

(g) Any resolution authorizing any infrastructure revenue bonds may contain provisions, subject to any agreement with bondholders or noteholders which may then exist, which agreements shall be part of the contract with the holder thereof, with respect to the pledge of or other use and disposition of amounts in the infrastructure revenue debt service fund; the setting aside of reserve funds; the disposition of any assets of the water development authority; limitations on the purpose to which the proceeds of sale of bonds may be applied; the authorization of notes issued in anticipation of the issuance of bonds; an agreement of the water development authority to do all things necessary for the authorization, issuance and sale of such bonds in such amounts as may be necessary for the timely retirement of such notes; limitations on the issuance of additional bonds; the terms upon which additional bonds may be issued and secured; the refunding of outstanding bonds and the renewal of outstanding notes; the procedures, if any, by which the terms of any contract with bondholders or noteholders may be amended or abrogated; the amount of bonds the holders of which must consent thereto and the manner in which such consent may be given; and any other matter which in any way affects the security for or protection of the bonds.

(h) In the event that the sum of all reserves pledged to the payment of the bonds is less than the minimum reserve requirements established in any resolution or resolutions authorizing the issuance of the bonds, the chairman or the director of the water development authority shall certify, on or before the first day of December of each year, the amount of such deficiency to the governor of the state for inclusion, if the governor shall so elect, of the amount of such deficiency in the budget to be submitted to the next session of the Legislature for appropriation to the water development authority to be pledged for payment of such bonds: Provided, That the Legislature shall not be required to make any appropriations so requested, and the amount of such deficiencies shall not constitute a debt or liability of the state.

(i) Neither the officers or board members of the water development authority, nor any person executing the infrastructure revenue bonds, shall be liable personally on the bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

Acts 1998, c. 180, eff. 90 days after March 14, 1998.

§ 31-15A-18. Trustee for holders of infrastructure revenue bonds; contents of trust agreement

(a) Any infrastructure revenue bonds issued by the water development authority under this article shall be secured by a trust agreement between the water development authority and a corporate trustee, which trustee may be any trust company or banking institution having the powers of a trust company within this state.

(b) Any trust agreement may pledge or assign the infrastructure revenue debt service fund. Any trust agreement or any resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the bondholders or noteholders as are reasonable and proper and not in violation of law, including the provisions contained in section seventeen of this article, and covenants setting forth the duties of the water development authority in respect to the payment of the principal of and interest, charges and fees on loans made to, or bond purchases from, governmental agencies from the proceeds of the bonds, and the custody, safeguarding and application of all moneys. Any banking institution or trust company incorporated under the laws of this state which may act as depository of the proceeds of bonds or of the infrastructure debt service fund shall furnish such indemnifying bonds or pledge securities as are required by the water development authority. The trust agreement may set forth the rights and remedies of the bondholders and noteholders and of the trustee and may restrict individual rights of action by bondholders and noteholders as customarily provided in trust agreements or trust indentures securing similar bonds and notes. The trust agreement may contain such other provisions as the water development authority deems reasonable and proper for the security of the bondholders or noteholders. All expenses incurred in carrying out the provisions of any such trust agreement may be treated as part of the cost of the construction, renovation, repair, improvement or acquisition of a project or infrastructure project.

Acts 1998, c. 180, eff. 90 days after March 14, 1998.

§ 31-15A-19. Legal remedies of infrastructure revenue bondholders or noteholders and trustees

Any holder of infrastructure revenue bonds issued pursuant to this article and the trustee under any trust agreement, except to the extent the rights given by this article may be restricted by the applicable resolution or trust agreement, may by civil action, mandamus or other proceedings protect and enforce any rights granted under the laws of this state or granted under this article, by the trust agreement or by the resolution in the issuance of the bonds, and may enforce and compel the performance of all duties required by this article, pursuant to the trust agreement or resolution, to be performed by the water development authority or any officer thereof.

Acts 1998, c. 180, eff. 90 days after March 14, 1998.

§ 31-15A-20. Infrastructure revenue bonds lawful investments

All infrastructure revenue bonds issued pursuant to this article shall be lawful investments for banking institutions, societies for savings, building and loan associations, savings and loan associations, deposit guarantee associations, trust companies, and insurance companies, including domestic for life and domestic not for life insurance companies.

Acts 1998, c. 180, eff. 90 days after March 14, 1998.

§ 31-15A-21. Purchase and cancellation of infrastructure revenue bonds

(a) The water development authority, subject to such agreements with note-holders or bondholders as may then exist, shall have the power, from any funds available therefor, to purchase or redeem infrastructure revenue bonds of the water development authority.

(b) If the infrastructure revenue bonds are then redeemable, the price of the purchase shall not exceed the redemption price then applicable, plus accrued interest to the next interest payment date thereon. If the infrastructure revenue bonds are not then redeemable, the price of the purchase shall not exceed the redemption price applicable on the first date after the purchase upon which the bonds become subject to redemption, plus accrued interest to such date. Upon purchase or redemption, the bonds shall be canceled.

Acts 1998, c. 180, eff. 90 days after March 14, 1998.

§ 31-15A-22. Refunding revenue bonds

Any infrastructure revenue bonds issued pursuant to the provisions of this article and at any time outstanding may at any time and from time to time be refunded by the water development authority by the issuance of its refunding revenue bonds in an amount it deems necessary to refund the principal of the bonds to be refunded, together with any unpaid interest thereon, to provide additional funds for the water development authority to accomplish the purpose of this article, and to pay any premiums and commissions necessary to be paid in connection therewith. Any refunding may be effected whether the infrastructure revenue bonds to be refunded shall have then matured or shall thereafter mature: Provided, That the holders of any infrastructure revenue bonds so to be refunded shall not be compelled without their consent to surrender their infrastructure revenue bonds for payment or exchange prior to the date on which they are payable or, if they are called for redemption, prior to the date on which they are by their terms subject to redemption. Any refunding revenue bonds issued pursuant to this article shall be payable from the West Virginia infrastructure revenue debt service fund, and shall be subject to the provisions contained in section seventeen of this article, and shall be secured in accordance with the provisions of sections seventeen and eighteen of this article.

Acts 1998, c. 180, eff. 90 days after March 14, 1998.

§ 31-15A-23. Infrastructure revenue bonds not debt of state, county, municipality or any political subdivision

Infrastructure revenue bonds issued pursuant to the provisions of this article shall not constitute a debt or a pledge of the faith and credit or taxing power of this state or of any county, municipality or any other political subdivision of this state. The holders or owners thereof shall have no right to have taxes levied by the Legislature or the taxing authority of any county, municipality or any other political subdivision of this state for the payment of the principal thereof or interest thereon. The bonds shall be payable solely from the

revenues and funds pledged for their payment as authorized by this article. All such bonds shall contain on the face thereof a statement to the effect that the bonds, as to both principal and interest, are not debts of the state or any county, municipality or political subdivision thereof, but are payable solely from revenues and funds pledged for their payment.

Acts 1998, c. 180, eff. 90 days after March 14, 1998.

§ 31-15A-24. Infrastructure revenue bonds exempt from taxation

The exercise of the powers granted to the water development authority by this article will be in all respects for the benefit of the people of the state, for the improvement of their health, safety, convenience and welfare and for the enhancement of their residential, agricultural, recreational, economic, commercial and industrial opportunities and is for a public purpose. As the construction, acquisition, repair or renovation of projects or infrastructure projects will constitute the performance of essential governmental functions, the water development authority shall not be required to pay any taxes or assessments upon any project or upon any property acquired or used by the water development authority or upon the income therefrom. The infrastructure revenue bonds and all interest and income thereon shall be exempt from all taxation by this state, or any county, municipality, political subdivision or agency thereof, except estate taxes.

§ 31-15A-3. West Virginia infrastructure and jobs development council continued; members of council; staff of council

(a) The West Virginia infrastructure and jobs development council is hereby continued. The council is a governmental instrumentality of the state. The exercise by the council of the

powers conferred by this article and the carrying out of its purpose and duties shall be considered and held to be, and are hereby determined to be, essential governmental functions and for a public purpose.

(b) The council shall consist of eleven members, including the governor or designee, the executive director of the housing development fund or his or her designee, the director of the division of environmental protection or his or her designee, the director of the economic development authority or his or her designee, the director of the water development authority or his or her designee, the director of the division of health or his or her designee, the chairman of the public service commission or his or her designee, and four members representing the general public: *Provided*, That there shall be at least one member representing the general public from each congressional district: *Provided, however*, That after the expiration of the term of office of the members first appointed as representatives of the general public, no more than one member representing the general public may be a resident of the same county. The governor shall appoint the public members of the council who shall serve three-year staggered terms. The commissioner of the division of highways, the executive director of the state rail authority, two members of the West Virginia Senate, two members of the West Virginia House of Delegates, the chancellor of the higher education policy commission and the chancellor of the West Virginia council for community and technical college education serve as advisory members of the council. The governor shall appoint the legislative members of the council: *Provided further*, That no more than three of the legislative members may be of the same political party. The governor shall appoint the representatives of the governing boards from a list of three names submitted by each governing board. The advisory members shall be ex officio, nonvoting members of the council.

(c) The governor or designee shall serve as chairman and the council shall annually appoint a vice chairperson and shall appoint a secretary, who need not be a member of the council and who shall keep records of its proceedings. Six members of the council shall constitute a quorum and the affirmative vote of at least the majority of those members present shall be necessary for any action taken by vote of the council. A vacancy in the membership of the council does not impair the rights of a quorum by such vote to exercise all the rights and perform all the duties of the council.

(d) A member of the council who serves by virtue of his or her office does not receive compensation or reimbursement of expenses for serving as a member. The public members are reimbursed for actual expenses incurred in the service of the council in a manner consistent with guidelines of the travel management office of the department of administration.

(e) The council meets at least monthly to review projects and infrastructure projects requesting funding assistance and otherwise to conduct its business and may meet more frequently if necessary. Notwithstanding any other provision of this article to the contrary, the economic development authority is not subject to council review with regard to any action taken pursuant to the authority established in article fifteen, chapter thirty-one of this code. The governor's civil contingent fund is not subject to council review with regard to projects or infrastructure projects funded through the governor's civil contingent fund.

(f) The water development authority shall provide office space for the council and each governmental agency represented on the council shall provide staff support for the council in the manner determined appropriate by the council.

(g) The council shall invite to each meeting one or more representatives of the United States department of agriculture, rural economic community development, the United States economic development agency and the United States army corps of engineers or any successors thereto. The council shall invite such other appropriate parties as is necessary to effectuate the purposes of this article.

Historical and Statutory Notes

Acts 2005, 1st Ex. Sess., c. 3, rewrote (b); in (c), substituted "The governor or designee shall serve as chairman and the council shall annually appoint a vice chairperson" for "The council shall annually elect one of its members as chairman"; rewrote (d); and made nonsubstantive changes throughout the section. Prior to revision, (b) and (d) read:

"(b) The council shall consist of eleven members, including the executive director of the housing development fund or his or her designee, the director of the division of environmental protection or his or her designee, the director of the economic development authority or his or her designee, the director of the water development authority or his or her designee, the executive director of the state development office or his or her designee, the director of the division of health or his or her designee, the chairman of the public service commission or his or her designee, and four members representing the general public: Provided, That there shall be at least one member representing the general public from each congressional district: Provided, however, That after the expiration of the term of office of the members first appointed as representatives of the general public, no more than one member representing the general public may

be a resident of the same county. The governor shall appoint the public members of the council who shall serve three-year staggered terms. The commissioner of the division of highways, the executive director of the state rail authority, two members of the West Virginia Senate, two members of the West Virginia House of Delegates, one representative of the board of directors of the state college system and one representative of the board of trustees of the university of West Virginia shall serve as advisory members of the council. The governor shall appoint the legislative members of the council: Provided further, That no more than three of the legislative members may be of the same political party. The governor shall appoint the representatives of the governing boards from a list of three names submitted by each governing board. The advisory members shall be ex officio, nonvoting members of the council."

"(d) No member of the council who serves by virtue of his or her office shall receive any compensation or reimbursement of expenses for serving as a member. The members of the council who represent the general public shall receive reimbursement for actual expenses incurred in the service of the council."

§ 31-15A-11. Reservation of funds for projects and infrastructure projects

Eighty percent of the funds deposited in the West Virginia infrastructure fund shall be dedicated for the purpose of providing funding for the cost of projects as defined in subsection (n), section two of this article. Twenty percent of the funds deposited in the West Virginia infrastructure fund shall be dedicated for the purpose of providing funding for costs of infrastructure projects as defined in subsection (l), section two of this article. Project sponsors of infrastructure projects shall follow the application process as established by this article: *Provided*, That notwithstanding any provision of this article to the contrary, all applications for any infrastructure project shall be submitted to the executive director of the West Virginia development office for review, recommendation and approval regarding infrastructure project funding.

Acts 2005, 1st Ex. Sess., c. 3, in the last sentence, substituted "executive director of the West Virginia development office" for "council for com-

munity and economic development, or its successor".

§ 31-15A-17a. Infrastructure revenue bonds payable from A. James Manchin Fund

Notwithstanding any other provision of this code to the contrary, the Water Development Authority may issue, in accordance with the provisions of section seventeen of this article, infrastructure revenue bonds payable from the A. James Manchin Fund created by section nine, article fifteen-a, chapter twenty-two of this code and such other sources as may be legally pledged for such purposes other than the West Virginia Infrastructure Revenue Debt Service Fund created by section seventeen of this article.

as shown on a map prepared by J. H. MILAM, INC, Dunbar, West Virginia dated July 16, 1970, Gauley River Public Service District, Fayette, Nicholas and Clay Counties. The purpose of this map is to include an annexation of 4.06 square miles to include portions of upper Sycamore Creek and Grassy Creek areas.

The purpose of said Public Service District shall be to construct or acquire by purchase or otherwise, and maintain, operate, improve and extend property supplying a public water system within such territory, also outside such territory to the extent permitted by law.

A Resolution and Order fixing a date of hearing on the creation of a proposed public service district within Fayette, Clay, and Nicholas Counties, West Virginia; and providing for the publication of a notice of such hearing.

WHEREAS, there has heretofore been filed in the office of the Clerk of the County Court of Fayette County, West Virginia, a petition to this County Court for the creation of a public service district within Fayette, Clay and Nicholas Counties, West Virginia; and

WHEREAS, said County Court Clerk has presented such petition to this County Court at this meeting; and

WHEREAS, Pursuant to the provisions of Article 13A of Chapter 16 of the West Virginia Code of this County Court upon presentation of such petition is required to fix a date of hearing on the creation of the proposed public service district:

NOW, THEREFORE, Be It and It Is Hereby Resolved and Ordered by the County Court of Fayette County, West Virginia, as follows:

Section 1. That the County Court of Fayette County, West Virginia, hereby finds and declares that there has been filed in the office of the County Court Clerk and presented by said County Court Clerk to this County Court a petition for the creation of a public service district within Fayette, Clay and Nicholas Counties, West Virginia, which petition contains a discription sufficient to identify the territory to be embraced within the proposed public service and the name of the public service district and which petition has been signed by at least one hundred legal voters resident within and owning real property within the limits of the proposed public service district, and said County Court further finds and declares that said petition in all respects meets the requirements of Article 13A of Chapter 16 of the West Virginia Code.

Section 2. That said petition, among other things, states as follows:

(a) The name and corporate title of said public service district shall be the "Gauley River Public Service District".

(b) The territory to be embraced in said public service shall be as follows:

RESOLUTION OF THE GAULEY RIVER PUBLIC SERVICE DISTRICT
RELEASING CERTAIN BOUNDARIES TO THE
CLAY COUNTY PUBLIC SERVICE DISTRICT

WHEREAS, the County Commission of Clay County, West Virginia, did by a Resolution and Order propose a change in the boundary lines in the Clay County Public Service District to provide water and sewer service, and

WHEREAS, the boundaries proposed overlap the boundaries of the Gauley River Public Service District, and

WHEREAS, the County Commission of Clay County has requested the Gauley River Public Service District to revise its boundaries and release unto the Clay County Public Service District certain areas of Clay County, and

WHEREAS, the Gauley River Public Service District has determined that it is not feasible to service the area that the Clay County Public Service District wishes to encompass,

NOW THEREFORE, be it RESOLVED that the Gauley River Public Service District agrees to amend its boundaries in accordance with a Resolution of the Clay County Commission adopted on the 25th day of July, 1995, when the Gauley River Public Service District agrees to release all of its boundaries which lie in Clay County as follows:

All property lying north and toward the Town of Clay from the intersection of latitude 38° 17' 49.05" longitude 81° 11' 31". Said intersection being approximately .2 miles toward Clay from Big Hollow. Big Hollow is remain within the boundary lines of the Gauley River Public Service District.

That the secretary of the Gauley River Public Service District shall cause a copy of this Resolution to be filed with the Clay County Commission with the understanding that a copy of this Resolution shall be filed with the Executive Secretary of the Public Service Commission which must ultimately approve any boundary changes.

CASE NO. 95-0606-PWD-PC

CLAY COUNTY COMMISSION
Petition to revise boundaries of Clay
County Public Service District.

CASE NO. 95-0927-PSWD-PC

FAYETTE COUNTY COMMISSION
Petition to reduce boundaries of Gauley
River Public Service District.

RECOMMENDED DECISION

On July 5, 1995, the Clay County Commission filed a petition with the Public Service Commission for approval to expand the boundaries of the Clay County Public Service District in accordance with West Virginia Code §16-13A-2. This filing was designated as Case No. 95-0606-PWD-PC.

On September 25, 1995, the Fayette County Commission filed a petition with the Public Service Commission for approval to reduce the boundaries of the Gauley River Public Service District within Clay County and Fayette County for the purpose of enlarging the boundary lines of the Clay County Public Service District to provide water and sewer service pursuant to West Virginia Code §16-13A-2. This filing was designated as Case No. 95-0927-PWD-PC.

By Order dated December 4, 1995, these matters were consolidated for decision and referred to the Division of Administrative Law Judges for a decision to be rendered on or before May 24, 1996.

In a Final Staff Internal Memorandum filed January 24, 1996, Meyishi P. Blair, Esquire, Staff Attorney, advised that in its petition filed June 30, 1995, the Clay County Commission proposed to expand the boundary lines of the Clay County Public Service District. Ms. Blair explained that the purpose of the expansion is to annex, into the Clay County Public Service District, a portion of Clay County that currently lies within the boundaries of the Gauley River Public Service District, but is not presently being provided with water and sewer service by the Gauley River Public Service District or any other entity.

On September 25, 1995, the Fayette County Commission filed a separate petition seeking approval of the reduction of the Gauley River's boundaries to coincide with the Clay County Public Service District's expansion. This

petition by the Fayette County Commission was subsequently consolidated with the petition of the Clay County Commission. Staff recommended that since the petitions of the County Commissions are in compliance with West Virginia Code §16-13A-2, approval of the consolidated petitions should be given after the required hearings are held in Clay and Fayette Counties.

By Order dated February 14, 1996, these matters were set for hearings to be held in the County Commissioner's Courtroom, Clay County Courthouse, Clay, West Virginia, and the County Commissioner's Courtroom, Fayette County Courthouse, Fayetteville, West Virginia, respectively.

The hearing was held as scheduled in Clay County on April 18, 1996. Appearing at the hearing in Clay was Mr. R. T. Sizemore, Jr., President of the Clay County Commission. No one appeared in protest to the petition. (Tr., pp. 2-3).

The hearing scheduled to be held in Fayetteville on April 18, 1996, was not held, and was rescheduled by Order dated April 22, 1996, to be held in the County Commissioner's Courtroom, Fayette County Courthouse, Fayetteville, West Virginia, on May 8, 1996. The Order of February 14, 1996, setting these matters for hearing required the Fayette and Clay County Commissions to publish a notice of hearing, once in a newspaper, duly qualified by the Secretary of State, published and of general circulation in Fayette and Clay Counties. Proper affidavits of publication were submitted reflecting that publication had been made in accordance with the Commission's requirements in Clay County.

The Order of April 22, 1996, required that publication in Fayette County be made by the Commission's Executive Secretary.

The hearing in Fayetteville was held as scheduled on May 8, 1996.

Appearing at the hearing in Fayette County was Meyishi P. Blair, Esquire, Staff Attorney. No one appeared in protest to the petition.

DISCUSSION

This case arises from petitions filed by the Clay and Fayette County Commissions. The purpose of the Clay County Commission petition was to annex into the Clay County Public Service District a portion of Clay County that currently lies within the boundaries of the Gauley River Public Service District, and is not being provided water or sewer service by the Gauley River Public Service District. The Fayette County Commission also filed a petition to reduce the boundaries of the Gauley River Public Service District's boundaries to coincide with the expansion of the boundaries of the Clay County Public Service District. Commission Staff, after review of the petitions, recommended approval of the consolidated petitions.

These two cases were consolidated for hearing and decision purposes and hearings were scheduled to be held in these cases on April 18, 1996. On that date, the hearing in Clay County was held as scheduled on April 18, 1996, and no one appeared in protest after proper publication had been made, in accordance with the Commission's requirements. The hearing scheduled to

be held in Fayette County on May 8, 1996, was held and no one appeared in protest, after proper publication had been made.

Since Staff has recommended approval of the petitions in these consolidated cases and proper publication was made and no one appeared in protest at the hearings held in either Clay or Fayette Counties, the petitions of the Clay and Fayette County Commissions filed on July 5, 1996 and September 25, 1996, respectively, should be approved.

FINDINGS OF FACT

1. On July 5, 1995, the Clay County Commission filed a petition with the Public Service Commission for approval to expand the boundaries of the Clay County Public Service District in accordance with West Virginia Code §16-13A-2. (See, Petition).

2. On September 25, 1995, the Fayette County Commission filed a petition with the Public Service Commission for approval to reduce the boundaries of the Gauley River Public Service District within Clay County and Fayette County for the purpose of enlarging the boundary lines of the Clay County Public Service District to provide water and sewer service pursuant to West Virginia Code §16-13A-2. (See, petition).

3. By Order dated December 4, 1995, these two cases were consolidated for decision purposes. (See, Order dated December 4, 1995).

4. By Order dated February 14, 1996, hearings were scheduled to be held in both these cases on April 18, 1996, in Clay and Fayette Counties. Said Order also required that the Clay and Fayette County Commissions provide notice of the hearings scheduled for April 18, 1996, by publishing a Notice of Hearing, once in a newspaper, duly qualified by the Secretary of State, published and of general circulation in Clay and Fayette Counties. (See, Order dated February 14, 1996).

5. At the hearing held in Clay County, on April 18, 1996, the affidavit of publication was submitted showing that proper publication had been made in accordance with the Commission's requirements and no one appeared in protest to the petition. (See, Tr., pp. 2-3).

6. By Order dated April 22, 1996, the hearing in Fayette County was rescheduled to be held on May 8, 1996, and the Executive Secretary of the Commission was ordered to publish a Notice of Hearing, once in a newspaper, duly qualified by the Secretary of State, published and of general circulation in Fayette County. (See, Order dated April 22, 1996).

7. At the hearing held in Fayette County, on May 8, 1996, no one appeared in protest to the petition of the Fayette County Commission after proper notice had been given, as is evidenced by the Affidavit of Publication included in the case file. (See, Affidavits of Publication; transcript of proceedings held on May 8, 1996; and case file generally).

CONCLUSION OF LAW

The Administrative Law Judge is of the opinion and finds that, since proper notice was given of the hearings to be held on the petitions of the

Fayette and Clay County Commissions in both Clay and Fayette Counties, in accordance with the Commission's requirements, and no one appeared in protest to the petitions, the petitions of the Fayette and Clay County Commissions, as filed on September 25, 1995 and July 5, 1995, respectively, should be approved.

ORDER

IT IS, THEREFORE, ORDERED that the Orders of the Clay County Commission dated July 25, 1995 and November 7, 1995, expanding the boundaries of the Clay County Public Service District, in Case No. 95-0606-PWD-PC, be, and the same hereby are, approved.

IT IS FURTHER ORDERED that the Orders of the Fayette County Commission, dated October 13, 1995, and January 12, 1996, reducing the boundaries of the Gauley River Public Service District within Clay County and Fayette County, for the purpose of enlarging the boundaries of the Clay County Public Service District, to provide water and sewer service, pursuant to West Virginia Code §16-13A-2, in Case No. 95-0927-PWD-PC, be, and the same hereby is, approved.

The Executive Secretary is hereby ordered to serve a copy of this order upon the Commission by hand delivery, and upon all parties of record by United States Certified Mail, return receipt requested.

Leave is hereby granted to the parties to file written exceptions supported by a brief with the Executive Secretary of the Commission within fifteen (15) days of the date this order is mailed. If exceptions are filed, the parties filing exceptions shall certify to the Executive Secretary that all parties of record have been served said exceptions.

If no exceptions are so filed this order shall become the order of the Commission, without further action or order, five (5) days following the expiration of the aforesaid fifteen (15) day time period, unless it is ordered stayed or postponed by the Commission.

Any party may request waiver of the right to file exceptions to an Administrative Law Judge's Order by filing an appropriate petition in writing with the Secretary. No such waiver will be effective until approved by order of the Commission, nor shall any such waiver operate to make any Administrative Law Judge's Order or Decision the order of the Commission sooner than five (5) days after approval of such waiver by the Commission.

MINUTES OF THE NICHOLAS COUNTY COMMISSION - MAY 17, 2000

The Nicholas County Commission met in regular session at the Nicholas County Courthouse Wednesday, May 17, 2000. Present were: President Tom Blankenship, Commissioner Birl O'Dell and Commissioner Mert Myers.

Representing the media - Ray Corbin and Chrissy McClung

Upon motion moved by Commissioner Myers and seconded by Commissioner O'Dell, with motion passing unanimously, exonerations as presented by the Nicholas County Assessor were reviewed and approved.

Upon motion moved by Commissioner Myers and seconded by Commissioner O'Dell, with motion passing unanimously, invoices were reviewed and approved for payment.

Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, estate and fiduciary matters were approved as presented by the Nicholas County Clerk.

Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, minutes from commission meeting May 3, 2000 were reviewed and approved as presented.

In the Matter of: Appointment of Guardian for infant child Patrick Valentine

Present for this proceeding were: Judith A. Valentine (grandmother of infant) and Myrtle Shahan, and Dennis Ray Hypes (grandfather of infant) and Charlotte Hypes (grandmother of infant) being represented by Counsel Don Bischoff, and Prosecuting Attorney Keith McMillion and Assistant Prosecutor Clay Anderson. It is being noted for the record that all parties offering testimony in this proceeding were sworn in to testify.

Mr. Bischoff noted that on May 2, 2000 the parents of Patrick Valentine were killed in an automobile accident. Mrs. Valentine noted for the record she felt it would be in Patrick's best interest for Mr. & Mrs. Hypes to be appointed guardian. Her main concern was for her to be allowed visitation and rights to her grandson. At the close of the hearing, upon motion moved by President Blankenship and seconded by Commissioner O'Dell, with motion passing unanimously, Dennis and Charlotte Hypes were appointed guardian for Patrick Valentine.

Appearing before the Commission - Chuck Shaw, Account Representative, Acordia of West Virginia - Beckley.

Mr. Shaw appeared to review the county's Statement of Values for our insurance renewal - 2000/2001.

In the matter of: Estate of Anna Madge Baker / Appearing before the Commission - J. P. Baker

Mr. Baker informed the Commission that Paula Cunningham at the consent of both him and his brother, qualified to administer his mother's estate. He noted that his mother had stocks and bonds and enough time has elapsed he felt the estate should be settled. Following a brief discussion, President Blankenship informed Mr. Baker that our office would direct a letter to Ms. Cunningham inquiring of the status of this estate and reminding her that the bond is due, and will notify him accordingly.

Appearing before the Commission - Shawn DeHaven, representing Valic Retirement Services

Mr. DeHaven appeared to inform the Commission that the county's supplemental retirement plan through PEBSO has done away with their field representatives on accounts less than \$500,000 and now anyone wishing to address their plan must do so via a telephone to Nationwide's main office. Valic Insurance is currently working to get the endorsement from the West Virginia Association of Counties to handle these accounts and provide on sight service. Mr. DeHaven noted he would be back in touch.

MINUTES OF THE NICHOLAS COUNTY COMMISSION - MAY 17, 2000

✓ Appearing before the Commission - Russell Deering, Chair, and Ramona Skaggs representing Gauley River Public Service District. Sitting in: Joe Hoffman, P. C. Brown, Wilkie Barnett, and Bert Grose.

Mr. Deering presented a petition to expand their boundaries in Nicholas County to Twenty Mile and possibly Jerry's Fork. Mr. Deering stated they could not do any more water extension projects until some source of back up water system was obtained. AML is currently doing a study from the Elk Mountain area to Jerry's Fork that entail approximately 150 households. In speaking to USDA (Farmers Home) Mr. Deering stated they told him that there was money to do this project through the Central Appalachian Empowerment Zone. Mr. Deering noted that the water would come from Clay County and eventually would connect to Summersville at Jerry's Fork. It was noted that once an agreement was made with Clay, the district would be obligated to maintain the Agreement. President Blankenship noted a meeting that Mr. Deering sat in on involving the City of Summersville's plan to bring water to the base of Little Elk Mountain and that their figures were based upon the same number of customers. Further that Summersville's projected project could be construed as a boundary expansion. Mr. Deering noted that the City of Summersville's plan as submitted to the Infrastructure Council is only a plan and not a boundary expansion. Following discussion, upon motion moved by President Blankenship and seconded by Commissioner Myers, with motion passing unanimously, a Resolution was entered setting forth a public meeting on June 21, 2000 at 10:00 a.m., for the proposed enlargement of the Gauley River Public Service District. Petition and Resolution attached to be recorded.

Appearing before the Commission - Cindy Stanton, Committee person representing Summersville's Beautification and Revitalization Committee.

Mrs. Stanton informed the Commission of the Committee's goals and noted their first project will place emphasis here on Main Street in front of the Courthouse. They do want to put in street lamps and asked if the commission would consider contributing to the cost of two street lights to be placed on the front corner of the courthouse. They have obtained no exact cost but the Committee is estimating approximately \$1,000 per lamp post. Also she noted some planters and benches they would like to place in front of the Courthouse. The Commission informed Mrs. Stanton that we would do our best to cooperate.

Upon motion moved by President Blankenship and seconded by Commissioner O'Dell, with motion passing unanimously, the Commission entered an Order to Realign the terms of expiration of the board members of the Craigsville Public Service District as follows: Arden Bayless - October 5, 2003, Alice Cutlip - October 5, 2005 and Carroll Stalnaker - October 5, 2007. Order attached to be recorded.

Upon motion moved by President Blankenship and seconded by Commissioner Myers, with motion passing unanimously, the Commission entered a Resolution authorizing an application for matching fund grant for litter control through the Division of Natural Resources. Resolution attached to be recorded.

Being no further business to come before the Commission, the Commission hereby adjourned until June 7, 2000.

RESOLUTION

The Nicholas County Commission met in regular session at the Courthouse, Summersville, West Virginia, on Wednesday, May 17, 2000, at which time a representative of the Gauley River Public Service District appeared and presented to the Commission a proposed Petition to enlarge the boundary of the service area for said District in connection with an extension project around West Virginia Route 39 in Nicholas County. In order to proceed with the project the Gauley River Public Service District must be expanded to include certain areas around West Virginia Route 39 in Nicholas County; and,

Upon motion moved by President Tom Blankenship and seconded by Commissioner Mert Myers, with motion passing unanimously, the following Resolution was adopted.

That the Gauley River Public Service District be expanded to include certain areas around West Virginia Route 39 and in Nicholas County; and,

The boundary involved is described as follows:

That the Gauley River Public Service District as described more aptly beginning with the southwest corner of the existing boundary; thence with the existing boundary N25°07'04"E and generally parallel with the Kanawha County/Fayette County Line 9504 feet to a point just west of the Nicholas/Clay/Kanawha/Fayette Counties junction; thence, N10°22'56"W and generally parallel with the Kanawha County/Clay County Line 9504 feet and west of the Kanawha County/Clay County Line to a point; thence S89°52'56"E 5280 feet to a point; thence S00°07'04"W 7392.00 feet to a point just south of the Clay County/Nicholas County Line; thence, N59°32'04"E 7392 feet and in a generally parallel direction with the Clay County/Nicholas County Line to a point; thence, N00°07'04"E 7656 feet to a point; thence, N60°07'04"E 5280 feet to a point; thence S69°53'38"E 1831 feet to a point; thence, S30°22'04"W 2220 feet to a point; thence, S00°07'04"W 4224 feet to a point; thence, leaving the existing Gauley River Public Service District boundary and running with the proposed Gauley River Public Service District and generally with the Clay County/Nicholas

accordingly.

Appearing before the Commission - Shawn DeHaven, representing Valic Retirement Services Mr. DeHaven appeared to inform the Commission that the county's supplemental retirement plan through PEBSO has done away with their field representatives on accounts less than \$500,000 and now anyone wishing to address their plan must do so via a telephone to Nationwide's main office. Valic Insurance is currently working to get the endorsement from the West Virginia Association of Counties to handle these accounts and provide on sight service. Mr. DeHaven noted he would be back in touch.

MINUTES OF THE NICHOLAS COUNTY COMMISSION - JUNE 21, 2000

The Nicholas County Commission met in regular session at the Nicholas County Courthouse Wednesday, June 21, 2000. Present were: President Tom Blankenship, Commissioner Birl O'Dell and Commissioner Mert Myers.

Representing the media - Ray Corbin and Chrissy McClung

Upon motion moved by Commissioner Myers and seconded by Commissioner O'Dell, with motion passing unanimously, exonerations as presented by the Nicholas County Assessor were reviewed and approved.

Upon motion moved by Commissioner Myers and seconded by Commissioner O'Dell, with motion passing unanimously, invoices were reviewed and approved for payment.

Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, estate and fiduciary matters were approved as presented by the Nicholas County Clerk.

Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, minutes from commission meeting June 7, 2000 were reviewed and approved as presented.

Appearing before the Commission - Assessor Fred Roberts and Ernie Dennison
Assessor Roberts appeared to obtain approval to hire the following people for part time Deputy Assessors for the summer of 2000: Helen Rose, Sherrie Kuntz, Betty J. Collins, Brian Phipps, Fred A. Roberts Jr., Aaron Alexander, Kim Childers and Marie Facemire. Mr. Roberts noted they will work on a contractual basis and will be paid the going rate for mileage for use of their personal vehicles. Upon motion moved by President Blankenship and seconded by Commissioner O'Dell, with motion passing unanimously, approval was given for the Assessors office contractual help. Also approval was given for Mr. Roberts to substitute in the event someone is unable to carry out their duty.

Appearing before the Commission - postmistress Elizabeth Sydner of the Craigsville Postal Service
This meeting took place at 9:15 a.m., and was advertised as such by Mrs. Sydner in the local paper giving the citizens an opportunity to express their views on Craigsville's Post Office facility expansion project. There was no citizen participation to record. Upon motion moved by President Blankenship and seconded by Commissioner Myers, with motion passing unanimously, the Commission endorsed the expansion project of the Craigsville Postal Service.

Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, Mike Tyler was appointed to fill the soon to expire term of Bob Starcher on the Nicholas County Airport Authority. Mr. Tyler's term will begin July 1, 2000 and will expire July 1, 2005.

Upon motion moved by Commissioner Myers and seconded by Commissioner O'Dell, Joe Young was reappointed to the Nicholas County Board of Health for a five-year term ending June 30, 2005.

Commissioner O'Dell noted for the record that our dog warden upgraded to a new cellular phone and that the Commission has in their possession the old phone. He noted there is a program going on in the county through H.O.P.E. asking for individuals to turn their old phones in to be used by victims of domestic violence. It was noted that while the phones have been deprogrammed, the E-911 feature still works. Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, the Commission will turn this cellular phone over to H.O.P.E..

Upon motion moved by Commissioner Myers and seconded by Commissioner O'Dell, with motion

MINUTES OF THE NICHOLAS COUNTY COMMISSION - JUNE 21, 2000

passing unanimously, Perry Queener was reappointed to the Nicholas County Solid Waste Authority for a three-year term of office, expiring June 30, 2003.

Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, Michael Steadham was reappointed to the 4-C Economic Development Authority for a three-year term of office, expiring June 30, 2003.

✓ At 10:30 a.m., a public hearing was held concerning the proposed boundary change of the Gauley River Public Service District, to include certain areas around West Virginia Route 39. Present were: Gauley River Public Service District Chair Russell Deering, B. C. Brown, Jim Harford, Ike Pritt, Bert Grose, Joe Hoffman, Wilkie Barnette, Howard Neil, Labenna Neil, Alfred Morris and Betty Smallwood.

President Blankenship noted that this meeting was properly advertised and posted.

Mr. Deering elaborated on a meeting held June 15 at Region 4 Planning and Development Office in which the Gauley River Public Service District, City of Summersville, Wilderness Public Service District, and Nicholas County Commission was represented to work out the details of the proposed enlargement. A conference call was placed to Jim Anderson with USDA Rural Development. Mr. Deering noted the meeting went well, and that an Intergovernmental Agreement is being drafted. Wilderness Public Service District will serve as Gauley River's emergency backup source and Gauley River will bring the water up to Jerry's Fork and the City of Summersville will eventually extend to Jerry's Fork. The funding for Gauley River PSD's proposed expansion project is coming through the Central Appalachian Empowerment Zone and if application is in by this summer, they can expect the project to be funded in April 2001. It is being noted that no opposition was expressed. Upon motion moved by President Blankenship and seconded by Commissioner O'Dell, with motion passing unanimously, the Commission entered an Order determining it necessary, feasible and proper to enlarge the Gauley River Public Service District and that it will be conducive to the preservation of public health, comfort and convenience of said area. (Order attached to be recorded)

Appearing before the Commission - Sheriff David Meadows and Probation Officer Roger Beverage and Rose Williams.

Mr. Beverage introduced Ms. Williams as their intern for the summer through Glenville State College.

As a follow up to their meeting before the Commission on June 7, the gentlemen presented to the Commission a job description of a Community Service Coordinator setting forth administration and responsibilities. The Commission took no action at this time. Mr. Beverage noted that if the Commission considers favorably in hiring a coordinator, that person would need adequate equipment to function, such as a van. He conveyed that we could use the van in transportation of prisoners and as transportation for jurors in court related cases.

The Sheriff made note on a separate matter that if the gas prices continue to rise, he would fall short within his budget for FY 2000-2001.

Appearing before the Commission - Cindy Stanton, Committee person representing Summersville's Beautification and Revitalization Committee

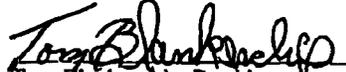

Mrs. Stanton appeared to give an update as to their Committee's progress and informed them that they now have a commitment of 20 street lamps. She asked if the Commission would consider purchasing two more to be placed at the front entrance of the sidewalk coming up to the courthouse. The purchase price of each light is \$1,150. The City of Summersville will absorb the costs of installation and powering the lights. Following a brief discussion, upon motion moved by President Blankenship and seconded by Commissioner O'Dell, with motion passing unanimously, the Commission agreed to purchase four street lamps.

Mrs. Stanton also received approval for their committee to mulch and shape some trees on the lawn, move some planters around, and perhaps pressure wash the monument.

PUBLIC SERVICE COMMISSION
OF WEST VIRGINIA
CHARLESTON

Entered: December 19, 2000

CASE NO. 00-0962-PWD-PC

NICHOLAS COUNTY COMMISSION
Petition for consent and approval to
enlarge Gauley River Public Service
District.

RECOMMENDED DECISION

On June 26, 2000, the Nicholas County Commission filed a petition for consent and approval of an Order of the Nicholas County Commission that it entered on June 21, 2000, seeking to expand the boundaries of the Gauley River Public Service District, pursuant to West Virginia Code §16-13A-2. The County Commission's petition addresses only water service.

On July 24, 2000, Staff Attorney Cecelia Jarrell filed the Initial and Final Joint Staff Memorandum to which was attached the Initial and Final Internal Memorandum prepared by Ms. Karen Buckley, Utilities Analyst, Water and Wastewater Division, and Mr. David W. Holley, Technical Analyst, Engineering Division. Staff explained that, in accordance with West Virginia Code §16-13A-2, the Nicholas County Commission held a public hearing on June 21, 2000, to address the proposed boundary expansion and provide an opportunity to the public to voice any opposition or support. There were only positive comments from the public and no opposition expressed by the public. The Nicholas County Commission determined it necessary, feasible and proper to enlarge the Gauley River Public Service District and that it would be conducive to the preservation of public health, comfort and convenience of the area. Staff opined that the Nicholas County Commission has sufficiently satisfied the requirements as set forth in West Virginia Code §16-13A-2. Therefore, Staff recommended approval of the Nicholas County Commission's petition to expand the boundaries of the Gauley River Public Service District.

By Order dated October 5, 2000, this matter was set for a hearing to be held in the Summersville Municipal Auditorium Teen Center, Summersville, West Virginia, on October 25, 2000. Said Order provided that the Nicholas County Commission publish a Notice of Hearing, once, in a newspaper, duly qualified by the Secretary of State, published and of general circulation in Nicholas County.

The hearing was held as scheduled. Mr. Tom Blankenship appeared for the Nicholas County Commission. The Commission Staff was represented by Staff Attorney Cecelia Jarrell. No one appeared at the hearing in protest to the Nicholas County petition.

FINDINGS OF FACT

1. On June 26, 2000, the Nicholas County Commission filed a petition for consent and approval of an Order of the Nicholas County Commission that it entered on June 21, 2000, seeking to expand the boundaries of the Gauley River Public Service District pursuant to West Virginia Code §16-13A-2. The County Commission's petition addressed only water service. (See, Petition).

2. On July 24, 2000, Staff Attorney Cecelia Jarrell filed the Initial and Final Joint Staff Memorandum recommending approval of the Nicholas County Commission's petition. (See, Final Joint Staff Memorandum filed July 24, 2000).

3. By Order dated October 5, 2000, this matter was set for a hearing to be held in the Summersville Municipal Auditorium Teen Center, Summersville, West Virginia, on October 25, 2000. Said Order also provided that the Nicholas County Commission publish a Notice of Hearing, once, in a newspaper, duly qualified by the Secretary of State, published and of general circulation in Nicholas County. (See, Order dated October 5, 2000).

4. The Nicholas County Commission filed a proper affidavit of publication reflecting that publication of the Notice of Hearing had been made in accordance with the Commission's requirements. (See, Affidavit of Publication, Commission case file).

5. At the hearing held on October 25, 2000, no one appeared in protest to the Nicholas County Commission's petition. (See, Tr., p. 4).

CONCLUSION OF LAW

Since the Nicholas County Commission properly published the Notice of Hearing, and no one appeared in protest to the Nicholas County Commission's petition at the hearing held on October 25, 2000, the petition of the Nicholas County Commission for approval of a June 21, 2000 Order of the Nicholas County Commission to expand the boundaries of the Gauley River Public Service District should be approved.

ORDER

IT IS, THEREFORE, ORDERED that the Order of the Nicholas County Commission, dated June 21, 2000, and filed with the Commission on June 26, 2000, seeking approval to expand the boundaries of the Gauley River Public Service District, pursuant to West Virginia Code §16-13A-2, be, and the same hereby is, approved.

MINUTES OF THE NICHOLAS COUNTY COMMISSION - APRIL 16, 2003

The Nicholas County Commission met in a regular session at the Nicholas County Courthouse Wednesday, April 16, 2003. Present were: President Tom Blankenship, Commissioner Birl O'Dell and Commissioner Mert Myers. Also present:

Representing the media - Ray Corbin

Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, exonerations as presented by the Nicholas County Assessor were reviewed and approved.

Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, invoices were reviewed and approved for payment.

Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, estate and fiduciary matters were approved as presented by the Nicholas County Clerk.

Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, minutes from commission meeting April 2, 2003 were reviewed and approved as presented.

Appearing before the Commission - Probation Officer Roger Beverage Sitting in: Emergency Service Director David King, Sheriff David Meadows, and Nicholas County Liaison to the 4-C Economic Development Authority Ralph Kelly

Mr. Beverage appeared to provide a summary overview resulting from the round table meeting the Commission held on April 8, 2003 of which he facilitated concerning the office of emergency services..

Mr. Beverage presented in written form a county evaluation of emergency operating plan which touched upon; recommendations and suggestions from Nicholas County to improve Office of Emergency Services operation within the county, recommendations to improve communications within and outside the county during a county disaster, insure adequate drinking water and adequate food, are provided to citizens, insure adequate shelters are established, insure adequate medical care is available to citizens, insure emergency transportation is available during a period of disaster and develop a plan to provide fuel to the public and emergency providers.

President Blankenship thanked Mr. Beverage for his assistance in conducting the meeting and for his efforts in summarizing and putting together an evaluation. The Commission will review his submission.

Appearing before the Commission - Theresa Cornett Sitting in: E-911 Coordinator David King, Clerk John Greer and Sheriff David Meadows

Ms. Cornett, a resident of Canvas appeared to discuss the name of her road, that being Persinger Ford Road. She conveyed she was informed by Mr. King that the residents residing along the road would need to come up with another name for their road, that it would be confusing to dispatch if a call were to come in that emergency providers may be sent to Persinger. She presented a petition of the residents requesting to maintain the name of the road. Currently there are 11 occupied homes and two vacant homes. Discussion followed whether Persinger Ford Road occupied both sides of the river or if there was an off road on Nile road with the same name. The State put a road sign up approximately five years ago designating their road as Persinger Ford Rd. Following a brief discussion, the Commission accepted her petition to be put on file and advised her they would make the appropriate contacts to determine if in fact another roadway was named the same. If so, it was mentioned that the name would need to be changed in one area.

Appearing before the Commission - Angie Knight, Administratrix over the Estate of Judy Painter and Dallas Knight. Sitting in: Sheriff David Meadows.

Mrs. Knight informed the Commission that from 1998 thru June 2002 her mother who was employed as Chief Tax Deputy for the Nicholas County Sheriff acquired 98.5 hours in overtime of which she

BOOK 040PC 584

MINUTES OF THE NICHOLAS COUNTY COMMISSION - APRIL 16, 2003

was never compensated for, the dollar amount being \$2,013.15. She noted prior to the Sheriff Meadows administration, other Chief employee working for the county received compensation for their overtime worked and as well as other employees at the present. She requested for the Estate to be reimbursed for the 98.5 hours. Mrs. Knight acknowledged she did not bring this matter to the Sheriff's attention prior to coming before the Commission. She stated her mother was aware that other people were being compensated for their overtime, but never said anything for fear of losing her job.

The Sheriff conveyed the topic was never brought to his attention in the past, however just this past Monday he was approached by his current Chief Tax Deputy who inquired of the over time issue. The Sheriff conveyed to her that based upon his knowledge of supervisory positions that if the employer has reached an agreement with them, they can serve wage and hour exempt supervisor employee or they can serve as nonexempt. He told his employee that he would give her the option of being exempt or nonexempt. He noted the difference being if a person is on salary the wage and hour does not enter into it. His Chief Tax Deputy conveyed she would like to serve as nonexempt and be subject to overtime pay. The Sheriff also conveyed he knew there was a section in the code wherein the employer and employee if agreed upon could receive overtime at time and one half for time off. The Commission sent for payroll clerk Wanda Hendrickson to come by and asked if she had a chance to verify the time sheets of Mrs. Painters and Mrs. Hendrickson conveyed she had. When asked if other employees receive compensation for over time she stated we do from various elected offices. An example would be during election time for the Clerk and Circuit Clerk offices. The Commission advised Mrs. Knight that our office would get back in touch with her concerning the decision reached.

Appearing before the Commission - Principle C. C. Lester of Richwood Jr. High Sitting in: Sheriff David Meadows

Mr. Lester appeared asking to maintain deputy sheriff Wayne Plummer as the Prevention Retention Officer (PRO) for the next school term. He noted that Deputy Plummer has built a rapport with the students and has done an excellent job. The Sheriff conveyed it has been his policy to rotate the officer every two years, and with Deputy Plummer holding the rank of Sergeant and with the turnover his office has experienced, he needs his experienced rank personnel in a supervisory capacity. The Commission advised Principle Lester that they can only recommend and make suggestions but it is up to the Sheriff when it comes to the scheduling of his officers. Mr. Lester conveyed he understood and appreciated the Sheriff's position and also because of the importance of the program would like to see Deputy Plummer remain at the Jr. High. The Commission conveyed to Mr. Lester they were sure the Sheriff would let him know of his decision soon.

Appearing before the Commission - Assistant Prosecuting Attorney James Milam, Drug Task Force members Dennis Morton, Kenny Barnett, Ty Barker, Sheriff David Meadows and Deputy Sheriff office staff Leah Burkholder.

Mr. Morton being the main spokesperson submitted the Task Forces renewal grant application to continue their program. He noted they would be asking for \$64,000 from the Department of Criminal Justice. The commission approved the grant application upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously.

Appearing before the Commission - Sheriff David Meadows

Sheriff Meadows informed the Commission that in all likelihood beginning with the last two weeks in July and continuing the month of August he intends to alter the scheduling of the tax department to accommodate the public during the peak tax season. He conveyed this change would not involve overtime by working the schedule as such, but intends to have the office remain open on Friday evenings until 6:00 p.m., and one half day on Saturdays. President Blankenship conveyed he thought this was a good idea.

On a personnel matter the Sheriff requested to enter into executive session. Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, the Commission entered into executive session pursuant to West Virginia Code 6-9A-4 at 9:45 a.m. Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, the Commission entered into regular session pursuant to West Virginia Code 6-9A-4 at 9:53 a.m. It was noted that no decisions were made while in executive session.

 Appearing before the Commission - Russell Deering, Chair, Gauley River Public Service District
 It is being noted for the record a large crowd gathered in for this meeting and for those people who were able to sign the attendance record, their names are herein attached to be recorded.

Mr. Deering expressed his purpose for appearing today was to try and help the people on Rt. 39 from Jerry's Fork to Summersville to obtain water. He also conveyed he would need a back up source for water. Mr. Deering noted that sometime back he was notified by a city official that Summersville was not interested in taking water down Rt. 39 and that their plans were to go a different direction. He attended two meetings of the city council. His understanding from the last meeting, the City agreed they would take the water down Rt. 39. Mr. Deering conveyed his Board of Directors passed a Resolution and Petition asking the County Commission to submit this project for consideration for Gauley River to proceed. Mr. Deering stated he make application for funding late this fall or early spring for this project. It was noted over 600 families would be included within the scope of this project. Mr. Deering noted that it was his understanding that the City of Summersville next phase is going in another direction and while they pursue that, his district could pursue Rt. 39. Attending this meeting was City Recorder Mike Brown and Project Manager Lisa Baker. Mr. Brown did not dispute Mr. Deering's statement that he spoke with a council member, but did say that did not reflect the position of the council as a whole. Mr. Brown noted that the City did vote this past Monday night to pursue Rt. 39. He noted why it was not done any earlier was because of the delays of their water source. The regional water plant is currently being built and should be operational within a year from now. Prior to that the City did not have the water source to take in and serve a large area. Mr. Brown noted that Rt. 39 was incorporated in their overall plans submitted to the Public Service Commission, but noted they could change. He noted according to the City's engineer they are six months ahead in plan design for this area. Mr. Deering noted that he would like to see boundaries established either by them or the City so the people of the area could have a voice and attend meetings concerning water needs of the area. Mr. Brown agreed. There was some discussion when Mr. Brown conveyed he has been in his position with the City approximately four years and has not had any conversations with anyone from the area concerning water. Some residents disagreed and it was mentioned that four petitions were brought to the City over the years and inquired what happened to them. Also attending this meeting was Alice King representing Region 4 Planning and Development Council who wanted the people present to know that when the decision has been made as to how the water is going to come, it will not happen overnight. The project would need to be submitted to the Infrastructure Council for funding and the process is lengthy.

Upon motion moved by President Blankenship and seconded by Commissioner Myers, with motion passing unanimously, the Commission agreed to enter an Order to pursue a public hearing based upon the request of Gauley River Public Service District and at that time reach a decision based upon comments received. Said notice will be duly published and posted within five prominent places. Later during the day the Commission entered an Order setting May 7, 2003 at 7:00 p.m., at the Nicholas County Courthouse - 2nd floor courtroom.

Upon motion moved by Commissioner Myers and seconded by Commissioner O'Dell, with motion passing unanimously, the Commission authorized an application for the county's CDBG Gauley River PSD/Wilderness PSD Water Extension project application be approved for payment from the Small Cities Community Development Block Grant. Resolution attached.

Appearing before the Commission - Red Cross Chapter President Nelson Deitz

Mr. Deitz informed the Commission that their Chapter was formed in 1917 and later fell by the wayside. In 1973 the Chapter was reorganized. In 1993 the National Headquarters began a reorganization and as part of that chapters need to reorganize periodically (around every five years). Nicholas County's latest recharter occurred in 2002. Mr. Deitz gave a brief overview of the services provided by Red Cross. He conveyed several years ago within the state there were approximately 50+ chapters organized. After National Headquarters began their reorganizations many of the chapters were eliminated either because of inactivity or other reasons and were consolidated with other area chapters. To date there are eighteen chapters in West Virginia with the majority falling into a multi-county chapters. He noted just recently, Raleigh County Chapter was incorporated into Central WV Chapter based out of Charleston. Since the ice storm he has had several people to inquire about joining Red Cross. Mr. Deitz informed the Commission the possibility is out there of this happening to Nicholas County and if that be the case the Commission then services offered would come directly from the main headquarters. He noted a membership drive meeting would be upcoming and has made arrangements to use the Commissions office to conduct their meeting. The Commission thanked Mr. Deitz for his efforts and that of the Red Cross.

MINUTES OF THE NICHOLAS COUNTY COMMISSION - APRIL 16, 2003

Appearing before the Commission - Gene Watkins representing Watkins and Associates
Mr. Watkins appeared to determine if the Commission had an interest for their firm to conduct an audit of the county's telecommunication bills. Around 90 percent has resulted in a savings for counties as a result of overcharges. He noted they can go back three years. After they finish with their review, it is presented to the phone company for their own audit. The money will be returned to the county commission and Watkins will be paid upon a contingency basis. They would require a contract to be signed, a letter of authorization and a copy of our long distance and local telephone bill. The Commission thanked Mr. Watkins for coming by and they would take his request under consideration.

Appearing before the Commission - Assessor Ernie Dennison
Mr. Dennison conveyed he was in receipt of some information from the State Tax Department on an industrial return for Georgia Pacific's Inventory. On March 25, 2003 he had received a fax from Evan Thurmond that Georgia Pacific had filed additional information with the state concerning inventory which was believed to be covered under the Freeport Exemption. This information was provided to the State on March 3, 2003. On March 27 Mr. Dennison contacted Brian Perry, Manager of Georgia Pacific in Atlanta for additional information concerning the inventory. Mr. Perry conveyed to our Assessor he had sent this information to the state previously, and agreed to provide his office with the information. Upon receipt of the information Mr. Dennison conveyed he contacted Jerry Knight with the State Tax Department and Steve Judy who is the Chief Industrial Appraiser for West Virginia. Upon discussing this problem with them, it was found to be in error. The error dollar amount in appraised value is 3,646,165. The assessed dollar amount being 2,187,699. Mr. Dennison noted he researched this to determine if there was any reason that Georgia Pacific should not receive the exemption and he has come to the conclusion their industrial return was submitted in a timely manner, there was a note with the state they would review the Freeport Exemption upon additional information, but for whatever reason this matter was not addressed and Nicholas County has since closed its books. Mr. Dennison wanted it made known for the record this error was through no fault of his office, but rather on the State of West Virginia Tax Department Industrial Return. An estimation of tax dollars lost would be \$59,654.17 based upon the 2002 tax rate. Assessor Dennison conveyed the Commission will need to address the matter now adjust its budget accordingly or they will end up doing an exoneration later and still be out of the money. Upon motion moved by Commissioner Myers and seconded by Commissioner O'Dell, with motion passing unanimously, the Commission asked Mr. Dennison to contact the State Tax Department to prepare and submit a letter of explanation for this error and will follow through upon receipt. Assessor Dennison noted the breakdown in approximate error as follows - school board - \$30,000, county - \$12,000, Richwood - \$16,000, and the state will be out approximately \$200,000.

Appearing before the Commission - Senator Robert Plymale, Director of the Rahall Transportation Institute and Calah Young representing Edwards & Kelcey Sitting in - City of Summersville Recorder Mike Brown

Mr. Plymale and Ms. Young appeared and gave a power point presentation to address a Master Land Use Plan for Nicholas County pursuant to Senate Bill 603. Senate Bill 603 provides for the review and recommendations by local economic or redevelopment authorities of surface-mining reclamation plans and to allow the Coal Field Community Development Office to prepare a Master Land Use Plan for inclusion in a Reclamation Plan. Edwards and Kelcey has been contracted to deliver the final product for Nicholas and Greenbrier counties. The study will not be limited to surface mining sites but brownfield sites can be targeted as well. There are 17 coalfield communities identified with Nicholas County being number 11 on the list. There will be no cost to the county. The county would need to appoint a steering committee and Edwards & Kelcey will facilitate all meetings. The steering committee will only need to meet three times and due to the time constraints on the funding, the final project will need to be completed by the end of June. Following their presentation, it was agreed upon for Nicholas County to participate. The Commission advised Mr. Plymale and Ms. Young of its intent to participate and will be meeting Friday with our discussion group on economic development. Upon motion moved by Commissioner Myers and seconded by Commissioner O'Dell, with motion passing unanimously, the Commission agreed to move forward and to put into action the Nicholas County Master Land Use Plan as outlined by Edwards & Kelcey and sponsored through the Transportation Institute.

570
Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, approval of a fire service agreement by and between the Nettie Fire Department and Nicholas County Commission pursuant to action taken by the Nettie Fire Department, Inc., to enter into a loan agreement in order to refinance a firehouse. Conv attached to be recorded

MINUTES OF THE NICHOLAS COUNTY COMMISSION - APRIL 16, 2003

Appearing before the Commission - Clerk John Greer and Julia Bailey on the estate of Geneva Stover, File No. 3456

Mrs. Bailey appeared to see if anything had transpired on this estate matter since her meeting before the Commission July 17, 2002. The Commission conveyed we failed to keep on top of this matter and will contact former Fiduciary Commissioner Greg Tucker to see if he made contact with the bonding company along with a letter to our Prosecuting Attorney of any other options available.

Concerning a personnel matter, upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, the Commission entered into executive session pursuant to West Virginia Code 6-9A-4 at 12:41 p.m.

Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, the Commission entered into regular session pursuant to West Virginia Code 6-9A-4 at 1:45 p.m. It was noted that no official decision made while in executive session.

President Blankenship moved for this Commission to post and advertise that we are now taking applications for a E9-1-1 telecommunicator for the Nicholas/Clay E9-1-1 Center and also for an assistant to the director of the office of emergency services. With applications being picked up here in our office. Commissioner O'Dell seconded the motion. Commissioner Myers voted nay. Commissioner Myers noted for the record he felt the position of E9-1-1 Director and Office of Emergency Service Director should be split. He believed there to be too much work presently in the E9-1-1 office and too much work needing to be done in the emergency service office that one person cannot do both, and would prefer posting of the job of OES director. President Blankenship conveyed by putting an assistant in the office of emergency services would help free up the director to concentrate on matters currently needing addressed. The record reflects two voted yea and 1 vote nay. The proposal submitted by Mr. Beverage has been accepted and will be reviewed to determine what needs to be incorporated into our current plan.

Being no further business to come before the Commission, the Commission hereby adjourned until May 7, 2003.

BECA 040PC 625

MINUTES OF THE NICHOLAS COUNTY COMMISSION - MAY 07, 2003

The Nicholas County Commission met in a regular session at the Nicholas County Courthouse Wednesday, May 07, 2003. Present were: President Tom Blankenship, Commissioner Birl O'Dell and Commissioner Mert Myers. Also present: Clerk John Greer

Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, exonerations as presented by the Nicholas County Assessor were reviewed and approved.

Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, invoices were reviewed and approved for payment.

Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, estate and fiduciary matters were approved as presented by the Nicholas County Clerk.

Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, minutes from commission meeting April 16, 2003 were reviewed and approved as presented.

Appearing before the Commission - Assessor Ernie Dennison

As a follow up from the April 16 meeting, Mr. Dennison appeared to see if the Commission had come to a decision concerning the Freeport Tax Amendment requested by Georgia Pacific Corporation. It is being noted the Commission received a letter from Evan Thurman, Department of Tax and Revenue dated April 16, 2003. It was the opinion of Mr. Thurman that any error that was made occurred when Georgia Pacific initially filed their property return and that the required documentation for implementation of the Freeport Amendment was erroneously omitted. Assessor Dennison conveyed both he and Mr. Thurman was of the opinion for the Commission to grant the Freeport exemption to Georgia Pacific. Assessor Dennison requested permission to begin the paperwork in making the correction. He noted by not doing so, our books would reflect a false value and this matter should be corrected before the tax tickets come out. Upon motion moved by Commissioner Myers and seconded by Commissioner O'Dell, with motion passing unanimously, the Commission approved to make the necessary adjustments by granting the Freeport exemption to Georgia Pacific's Inventory and for Assessor Dennison to proceed in correcting the value.

Appearing before the Commission - Wilma Richardson, Chair of the Nicholas County Historic Landmark Commission and Lisa Baker representing the Summersville Heritage Committee

In observance of West Virginia Historic Preservation Week May 10-17, 2003 requested of the Commission to enter a Proclamation. Commissioner Myers for the record read the Proclamation and upon motion moved by Commissioner Myers and seconded by Commissioner O'Dell, with motion passing unanimously, the Commission adopted the Proclamation designating May 10-17, 2003 as West Virginia Historic Preservation Week in Nicholas County. Proclamation attached to be recorded. It was noted on May 17 beginning at 9:00 a.m. a bus tour to visit some older homes in the area has been planned. The cost is \$10.00 per person which will cover lunch at the Cornerstone. On May 10 there will be a Richwood tour and Mrs. Richardson noted there was a nice write up in the paper. It was noted this event is a cooperative effort by the Landmark Commission, Historical Society and Heritage Committees community-wide. Nancy Meadows, a member of the Historical Society was present waiting the next meeting and recognized by Mrs. Richardson.

At 9:30 a.m., a Public Hearing was conducted in the matter of Annexation of 13.80 acres into the City of Summersville Corporate Limits. Present were: Summersville City Recorder Mike Brown, City of Summersville Projects Manager Lisa Baker, and residents Nancy Meadows, Arthur Meadows, Tammy Osborne and Roberta Moore

It is being noted that the Notice of Public Hearing was duly advertised in the local newspaper and posted in five prominent places in the proposed area to be annexed.

President Blankenship opened the floor for public comment and inquired if there was anyone present objecting to this proceeding. Both Tammy Osborne and Roberta Moore conveyed they did not want

BOOK 40PC 638

MINUTES OF THE NICHOLAS COUNTY COMMISSION - MAY 07, 2003

to be in the city limits. It was noted the proposed annexation took in three households and some footage from other residents whose properties were split. Mrs. Meadows conveyed when she approached the Town Council, she had only requested her and her husbands property to be included within the city limits and not that of her daughters. Mr. Brown conveyed there was a misunderstanding and Nancy clearly did not ask for the other properties as indicated, but when the description and map was drafted, Mr. Brown noted he failed to recognize the additions as shown. Mrs. Meadows noted she had filed for city councilwoman and had to be a resident of the city thirty days prior to the election. The Commission requested for Prosecutor Keith McMillion to appear and asked him to offer his opinion on this subject matter before we adjourn todays meeting. The Commission tabled this matter until such time as Prosecutor McMillion has had the opportunity to look into this. The Commission advised those present that we would notify them of the outcome.

In the matter of: Estate of Darrell Lee Barnhouse, File No: 6784

Present were: Darrell Glenn Barnhouse, Michael Barnhouse, Jimmy and Kimberly Faith, County Clerk John Greer and Deputy Clerk Betty Griffin

Darrell and Michael Barnhouse appeared seeking to have their sister, Brenda Spencer removed as Administratrix over the estate. Their father who died without a Will left behind a bank account which included Brenda Spencer on his account and the only other assets were two mobile homes as noted in the appraisal, a 1995 and 2003 valued at \$15,000. Prior to their fathers death, Jimmy and Kimberly Faith purchased their property from Darrell L. Barnhouse were making payments on the 1995 trailer that was already situated on the property at the time they purchased. Mrs. Faith noted that while there was no written contract to this affect, she had all receipts from payments made signed by the decedent totaling \$3,250.00 and owes \$750.00. Darrell Barnhouse conveyed this to be true and he has been informed that Brenda intends to sell the trailers. It was noted all heirs approved the appointment of Ms. Spencer at the time of their fathers death. At this point in time Ms. Spencer has done what she is required by law to do and that the appraisal has been filed. The estate is open for claims until June 6. It was noted that Michael Barnhouse underwent the bond of \$10,000 at the time Ms. Spencer qualified. President Blankenship conveyed to those present that the Commission cannot advise them as to what to do and for their protection they should consult with an attorney. He also noted to the Faith's they may want to consider filing a lien against the estate for the amount they have invested in the trailer prior to the deadline for filing claims. Prosecutor Keith McMillion later appeared concerning the previous appointment and the Commission asked for his opinion in this matter. Prosecutor McMillion's first impression was that from all appearances it sounded like the administratrix would need to honor this arrangement as being subject to contract. In the event it would be ruled otherwise he was of the opinion the Faith's should file a claim against the estate. The Commission conveyed they would draft a letter to Ms. Spencer to advise her of todays meeting.

Appearing before the Commission - Prosecuting Attorney Keith McMillion

Mr. McMillion appeared to present a code site in conjunction with the annexation proceeding wherein West Virginia Code §8-6-5 states in part "such application shall have attached thereto an accurate map showing the metes and bounds of such additional territory". President Blankenship conveyed that given the circumstances of todays proceeding, the Commission did not have an accurate map and description on file. Upon motion moved by President Blankenship and seconded by Commissioner O'Dell, with motion passing unanimously, the Commission rejected and dismissed the application to annex 13.80 acres into the corporate limits of the City of Summersville due to the discrepancy in the plat description as filed in the City of Summersville's Petition and also based on the fact that two out of three property owners objected to the annexation..

Appearing before the Commission - City of Summersville Recorder Mike Brown, City of Summersville Project Manager Lisa Baker, Jack Stafford and Ed Shurt with Stafford Consultants an engineering firm representing the City of Summersville, City of Summersville Attorney Gregory Tucker, and Jimmy James Sitting in: Prosecuting Attorney Keith McMillion, Sheriff David Meadows and Clerk John Greer

City of Summersville officials and representatives appeared to solicit support of the Commission for the City's efforts to obtain funding to put water down Rt. 39. President Blankenship noted that the public hearing concerning Rt. 39 was scheduled for this evening and would be the appropriate time to express their position. Ms. Baker conveyed they realize this and plan to attend the public meeting,

*
41

MINUTES OF THE NICHOLAS COUNTY COMMISSION - MAY 07, 2003

but wanted to come before the Commission to bring the City's position and its plan concerning this matter due to the fact it was to late to be placed on the commissions agenda after their council and voted to proceed. Mr. Tucker did convey that he delivered a letter setting forth the City's position for the public hearing scheduled this evening. He stated in January 2001 the City entered into a letter of intent with the other public service districts and the Commission relating to the area in question. Due to the City's work with the Regional Water Plant to get the source in place first, the City did not pursue this area until recently. He noted the Plant is under construction. The City received a letter from Mr. Deering who is Chair of the Gauley River Public Service District in March 27, 2003 indicating if it was the City's intent to go forward with this project on Rt. 39 that he (Mr. Deering) would support it. At the next council meeting the City agreed to pursue the project. The engineers are in the process of amending their preliminary engineering report, Mr. Tucker is pursuing the legal aspects and the City is actively pursuing this project. Mr. Tucker conveyed it makes economic sense for the City to pursue the project. If Gauley River PSD pursues the project, the water will need to be purchased through the City of Summersville, there will be additional costs for operation of maintenance, additional personnel put on board there and all of that drives the cost of the water up. He noted if there is any further delay, the City intends to pursue the project on its own. It is the City's position they are at least a year ahead in the planning phase and that they can deliver the water quicker and cheaper to the residents of Rt. 39. Mr. Shurt gave a brief overview of the history of regional water plant and the City of Summersville involvement. He conveyed that in 1997 the City of Summersville had requested of them to look at Rt. 39. In 1998 the City filed an application with the West Virginia Infrastructure and Job Development Council. During this time frame Wilderness PSD filed an application for the Nicholas Road Hominy Falls area and Nettie Leivasy PSD filed an application for a minor upgrade to its plant and the City of Summersville was charged with the duty to review outlying areas in terms of interconnections. The Infrastructure Council gave its approval for all to proceed. Based upon further developments, the City of Summersville is now in the position to resubmit its preliminary engineering report sometime in June and is hopeful to hear something back from the Infrastructure Council when they meet in August. In turn this frees up the City to pursue funding entities. The City of Summersville is hopeful to obtain the support of Gauley River PSD and for the County Commission to reaffirm its support. Commissioner Myers inquired if the water expansion would increase the rates for the residents of Summersville and outlying areas to be served. Mr. Shurt conveyed a rate increase has been already approved for January 2004 and another increase in August 2004 has been approved as well. He noted both rate increases deal with the debt of regional plant itself. Discussion turned to Glade Creek Phase II of the City's project to do water line extensions to Phillips Run, a section of Armstrong Rd., Glade Creek, Lower Glade Creek, Maria Estates, Silo Road, Old 19 Muddlety, Hookersville, and Spruce Run. It was noted the reason Glade Creek Phase was placed ahead of the Rt. 39 project was due to questions if CAEZ funding would apply to the area. President Blankenship conveyed he would appreciate should the City of Summersville entertain any future water extensions outside of its corporate limits in a public meeting forum, to notify the Commission so it may attend and offer input. President Blankenship thanked everyone for their input and conveyed whatever transpires at tonight's public hearing, that all entities will support the moving forward of this project.

Appearing before the Commission - Greg Boso representing the Nicholas County Firemens Association

Mr. Boso appeared on behalf of the Firemens Association and to follow up with some questions as a result of the round table discussion held concerning the office of emergency services. Mr. Boso noted the recent budget was published and they did not see anything for the fire departments. President Blankenship explained in dealing with outside entities, the Commission waits until the end of the fiscal year to see what the carry over is and then after that time addresses other entities. In regard to the round table discussion, Mr. Boso conveyed they were very pleased that Roger Beverage took upon himself to get some ideas on how to improve emergency response services in Nicholas County. Mr. Boso conveyed the fire departments have some questions they have been passing back and forth and have not received any clear response. President Blankenship informed Mr. Boso of certain steps taken by the Commission to date. He conveyed the Commission is putting a third station in the dispatch center, we have advertised and taking applications for another dispatcher and an assistant to the director of the office of emergency services, the Commission has been in contact with Steve Davis concerning property behind the McClung Annex in order to upgrade our generator source and storage building to house same, also at the LEPC meeting held on May 6 a five person committee was formed to address the highlights on the recommendations noted in Mr. Beverage's report. Mr. Boso eluded to an executive session held April 16, 2003 before the decision was made in advertising the positions as noted above and inquired if the purpose of the executive session was to discuss the assistant directors position. President Blankenship noted it was a personnel matter that

MINUTES OF THE NICHOLAS COUNTY COMMISSION - MAY 07, 2003

was related to the director. Mr. Boso conveyed if the Commission is taking affirmation action to review the Directors performance during the ice storm and over the past year. President Blankenship stated the Commission looked at the work load of the office of emergency services and other duties upon him and came to the conclusion an assistant was needed. Mr. Boso noted several letters seeking the removal of the Director for a variety of reasons and asked if the commission is dealing with that issue. During the executive session with the employee, President Blankenship conveyed several issues were discussed at length, and the Commission felt a change was needed, hence advertising for an assistant. He went on to say the Commission made this decision not because they felt the Director did a bad job during the storm, but that it was one instance where the work was too much for one person. Commissioner Myers conveyed he was in favor of splitting the job of E9-1-1 Director and Director of Emergency Services because one person could not effectively do both and he is still of that opinion. Even though the Commission did not agree to that Commissioner Myers felt confident if the right person was hired as an assistant, the county will come out of this stronger and have good guidelines that everyone can understand and will be able to function better. Commissioner O'Dell conveyed regardless of what anyone says, our current director has a vast knowledge of this office and with his help the assistant coming in could possible be a director in a short period of time. Mr. Boso conveyed that at the close of the round table he spoke with two dispatchers who attended and inquired if they had been informed of the fire department protocol adopted a few months back and they conveyed to him they were unaware of this. Mr. Boso noted this instance was a breakdown in management and that the fire departments should not have to go to dispatch to convey procedures which have been acted upon and approved. County addressing was also touched upon and it was a reasonable expectation it should have been completed by now. The Commission touched upon the fact that all rural areas have been address and turned over to the main postal office in Charleston. It was noted everyone's frustration because the postal service has not performed as was promised in past meetings with its representative. In closing, Mr. Boso conveyed this issue has been discussed since 1998 and concerns and instances have been expressed and in going back to the ice storm he stated the firefighters started at 9:30 on the Sunday morning and when they called the center at 8:00 that evening it was conveyed the Director had went home at 5:00 p.m., and several firefighters were irritated. President Blankenship conveyed to Mr. Boso that he had better check his sources again because at 10:30 a.m., he was notified and was out by 11:00 a.m., and never went home until sometime Monday evening. Mr. Boso conveyed the firefighting community has no confidence in the Directors abilities and managerial skills and had hoped to see support from the commission. He conveyed as a citizen of the county he is holding this commission accountable, just like the commission should be holding the director accountable.

Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, the Commission based upon Petition received from residents of Autumn View Lane in Craigsville, so moved to change the road name to Martin Lane.

President Blankenship noted three contractors were contacted to place a bid on some concrete work at the animal shelter, Bailes Construction, Hager Construction and Nicholas Welding & Supply. Two bids were received - Hager Construction at \$11,400 and Nicholas Welding at \$10,500. Upon motion moved by President Blankenship and seconded by Commissioner Myers, with motion passing unanimously, the Commission awarded the bid to Nicholas Welding.

671

Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, the Commission appointed Paul Humphreys to the Board of Directors of the Craigsville Public Service District. Mr. Humphreys will fill the unexpired term of Carroll Stalnaker who resigned his position and his term will expire October 5, 2007. Order attached

Upon motion moved by Commissioner Myers and seconded by Commissioner O'Dell, with motion passing unanimously, the Commission agreed to pay overtime worked by Judy Painter before she passed away and the amount owed to her estate is \$2,013.15. President Blankenship noted for the record her time sheets reflect hours worked.

672

Upon motion moved by Commission O'Dell and seconded by Commissioner Myers, with motion passing unanimously, the Commission entered a Resolution authorizing a Local Economic Development Assistance Grant Program Contract with the West Virginia Development Office on behalf of the Wilderness Volunteer Fire Department, Inc., to pay a portion of the cost associated with the purchase of a new fire engine. Resolution attached

Upon motion moved by Commission O'Dell and seconded by Commissioner Myers, with motion

 passing unanimously, the Commission authorized President Blankenship to execute a Resolution authorizing an application through the West Virginia Division of Natural Resources for a matching fund grant for litter control. Resolution attached

Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers, with motion passing unanimously, it was agreed to by the Commission to arrange for a dumpster to be placed at the animal shelter.

Upon motion moved by President Blankenship and seconded by Commissioner Myers, with motion passing unanimously, the Commission recessed its meeting until 7:00 p.m. that evening for a public hearing concerning Gauley River boundary expansion for Rt. 39.

Upon motion moved by Commissioner O'Dell and seconded by Commissioner Myers with motion passing unanimously, the Commission reconvened in regular session.

✓
 It is being noted for the record that this public hearing was duly advertised as a Class I legal notice and duly posted as required by statute, to the proposed boundary change of the Gauley River Public Service District, in include certain areas around West Virginia Route 39.

The Attendance Record is herein attached to become an official part of this record.

President Blankenship informed those present that the Commission was approached by Gauley River Public Service District to expand its boundaries from Jerrys Fork to the city limits at which time the Commission entered an Order to conduct this hearing. The Nicholas County Commission opened the hearing to public comment and highlights from the meeting is as follows

- Resident Straum Brown presented petitions in the range of 512 residents conveying that the people living between Jerry Fork and the City Limits of Summersville along and adjacent to State Rt. 39 with communities to include White Water, Gilboa, Zela, and Enon, petition the Nicholas County Commission to permit Gauley River Public Service District to provide water service to these areas. Petitions are herein attached to be made apart of this proceeding.
- Mr. Russell Deering, Chair, Gauley River PSD conveyed he would like to see the people have a voice, to belong within a public service district and be able to attend meetings. With the City of Summersville's Phase II Plan underway to take water to up Rt. 19 North, and noting Gauley River is in the process of putting water up to Jerry's Fork, he believed his district could provide service to the residents along Rt. 39 quicker. Also, he would not be in competition with the City of Summersville for Small Cities Block Grant funding. Mr. Deering conveyed he was dependent upon the City of Summersville's regional water plant as a backup water source.
- City of Summersville Mayor Stanley Adkins conveyed that the City broke ground for its regional water plant January 2003. Upon completion, the water plant will sell the water to any public service district that may be in need. Prior to this time it would have made no difference in placing the pipeline down Rt. 39 because there was no water to give. He conveyed it was immaterial who provides water to the residents, it is a matter of who can get it there the cheapest to the people and quickest. The City has already filed an Infrastructure application and the City will continue on with its plans for Rt. 39 either way.
- Jack Stafford with Stafford Consultants, Inc., representing the City of Summersville conveyed a preliminary study in 1998 was approved for this area by the Infrastructure Council and his firm will resubmit an update study to them by next month (June) as they begin seeking grant funding for this project. They have been instructed by the City to aggressively pursue Rt. 39 and feel they are in a better position and ahead in the process to provide service to the area ahead of Gauley River PSD.
- Commissioner Myers inquired since the City of Summersville has already started would there not be a duplication in effort and a common expense from both the PSD and the City. Mayor Adkins conveyed that some of the items accomplished by their engineer could possibly be used by Gauley River PSD, they would be happy to let them have it and made it clear they are not fighting with the District.
- Gregory A. Tucker, Counsel for the City of Summersville provided a letter dated May 6,

MINUTES OF THE NICHOLAS COUNTY COMMISSION - MAY 07, 2003

2003 setting forth reasons why it would be inappropriate for the county to extend the boundaries of the Gauley River PSD, a copy which is attached to be made apart of this proceeding. Mr. Tucker noted it would be a terrible duplication of effort in areas of engineering and accounting work to allow both the City and District to continue on, and in knowing the City will be applying for their funding in June. In knowing the City is ready to move forward with this project, and the paperwork involved in projects such as this, Mr. Tucker conveyed he believed the City can provide the water the quickest.

- David Foster, Utility Inspector, Engineering Division of the State of West Virginia Public Service Commission conveyed the issue this evening is a boundary expansion and that the Public Service Commission will not be able to render its opinion until they have something before them. Mr. Foster stated both the City and Gauley River PSD are well managed and operated utilities capable of providing good service to the residents of Rt. 39. In his opinion, the main goal is which one can provide this service the soonest. Regardless of which utility has these customers, the water will be provided by the new regional water plant. He believed the competition between the PSD and City has been good for the residents. In his opinion, if Gauley River PSD is not enlarged, the district will cease its efforts to serve the area residents. As a result, a major incentive for the City would be removed to work as hard as what they have been for this area. If the District's boundary is enlarged and the City is the first to secure the funding, there would be nothing to prevent the City from handling the project. Mayor Adkins disagreed with Mr. Foster by him giving the impression that the City became involved with Rt. 39 because Gauley River PSD initiated an interest. This area was included in the City's regional plan but could not be acted upon until the water plant became a reality.
- Alice King representing Region 4 Planning and Development Office conveyed it made no difference to Region 4 on how the parties wanted to proceed, but stressed she believed if a united front was not displayed, it would send mixed signals to the funding agencies in a negative manner.
- It was agreed by both the City of Summersville and Gauley River Public Service District there is specific funding agencies from which to draw upon, that the resources of these agencies are in great competition with counties and municipalities throughout the State and that each project is looked upon in its own merit.
- It was the consensus of the majority of residents who spoke out at this proceeding to give Gauley River Public Service District the opportunity to provide service to their area.

At the close of the meeting the Commission thanked everyone for coming out and for their input. On motion moved by President Blankenship and seconded by Commissioner O'Dell, the Nicholas County Commission approved the Petition to expand the boundaries of the Gauley River Public Service District and submit it to the Public Service Commission for its approval. When President Blankenship called for any questions on the motion, Commissioner Myers asked Mr. Foster to agree with a statement made in his letter directed to Edward L. Shurt, P.E., with Stafford Consultants, Inc., dated May 6, 2003 that if the District's boundary is enlarged and the City is first to secure funding and apply to the Commission for the Certificate of Needs and Necessity, there is nothing to prevent the Commission from allowing the City to serve this area. Mr. Foster stated for the record at least six people within the Public Service Commission to include two directors and two engineers reviewed his letter and concurred with the statement before the letter went out. With that said - motion passed unanimously.

It is being reflected for the minutes that an Order will be prepared.

ORDER

WHEREAS, pursuant to a Class I legal notice and posted notice as required by statute, a public hearing was held in the matter of the proposed boundary change of the Gauley River Public Service District, in include certain areas around West Virginia Route 39; and,

WHEREAS, said public hearing was conducted on May 7, 2003 at 7:00 p.m., at the Nicholas County Courthouse, 2nd Floor Courtroom in Summersville, West Virginia for the express purpose of public comment on the proposed boundary change; and,

WHEREAS, it is being noted for the purpose of this order that an Attendance Record was maintained due to the large crowd in attendance and is herein attached to become an official part of this record.

The Nicholas County Commission opened the hearing to public comment and let the record reflect the following highlights from the meeting:

- Resident Straum Brown presented petitions in the range of 512 residents conveying that the people living between Jerry Fork and the City Limits of Summersville along and adjacent to State Rt. 39 with communities to include White Water, Gilboa, Zela, and Enon, petition the Nicholas County Commission to permit Gauley River Public Service District to provide water service to these areas. - It was the consensus of the majority of residents who spoke out at this proceeding to give Gauley River Public Service District the opportunity to provide service to their area.

Upon motion moved by President Blankenship and seconded by Commissioner O'Dell, the Nicholas County Commission determined it necessary, feasible and proper to expand the boundaries of the Gauley River Public Service District being conducive to the preservation of public health, comfort and convenience of said area; and, herein approve the boundary change and that said documents be forwarded to the Public Service Commission for its approval. When President Blankenship called for any questions on the motion, Commissioner Myers asked Mr. Foster to agree with a statement made in his letter directed to Edward L. Shutt, P.E., with Stafford Consultants, Inc., dated May 6, 2003 that if the District's boundary is enlarged and the City is first to secure funding and apply to the Commission for the Certificate of Needs and Necessity, there is nothing to prevent the Commission from allowing the City to serve this area. Mr. Foster stated for the record at least six people within the Public Service Commission to include two directors and two engineers reviewed his letter and concurred with the statement before the letter went out. The record will reflect that the motion passed unanimously.

THEREFORE, the following revised boundary change was so ORDERED by the Nicholas County Commission:

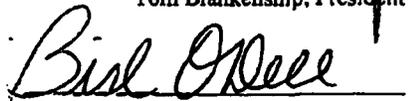

That the Gauley River Public Service District as described more aptly, BEGINNING at a point on the northernmost boundary of the existing Wilderness Public Service District; thence, N

PUBLIC SERVICE COMMISSION
OF WEST VIRGINIA
CHARLESTON

Entered: December 10, 2003

CASE NO. 03-0744-PWD-PC

NICHOLAS COUNTY COMMISSION
Petition for consent and approval of the
enlargement of the boundaries of Gauley
River Public Service District.

RECOMMENDED DECISION

On May 16, 2003, the Nicholas County Commission (County Commission) filed an Order with the Public Service Commission enlarging the boundaries of the Gauley River Public Service District (Gauley River PSD), in accordance with the provisions of West Virginia Code §16-13A-2.

On June 24, 2003, Staff Attorney Cecelia Jarrell filed an Initial and Final Joint Staff Memorandum, to which was attached the Initial and Final Internal Memorandum prepared by Karen L. Buckley, Utilities Analyst II, Water and Wastewater Division. The enlargement relates only to water authority for Gauley River PSD. At the public hearing conducted by the County Commission, the City of Summersville (Summersville) appeared in opposition to the boundary expansion for the District. Summersville wants to serve the area proposed in the enlargement and has taken steps to pursue funding for a project to serve the expansion area. At that public hearing, several area residents appeared and spoke in favor of the boundary enlargement and allowing the District to provide service to the expansion area. Over the objection of Summersville, the County Commission voted to enlarge the Gauley River PSD boundaries as proposed. Since the Nicholas County Commission has satisfied the requirements of West Virginia Code §16-13A-2, and the expansion will not infringe upon any other existing water utility in the area, Staff recommended approval of the Nicholas County Commission's petition to expand the boundaries of the District.

On June 6, 2003, the City of Summersville petitioned to intervene in these proceedings.

By Order dated July 2, 2003, this matter was referred to the Division of Administrative Law Judges for a decision to be rendered on or before December 12, 2003.

By Order dated September 4, 2003, this matter was set for a hearing to be held in Nicholas County, in accordance with the provisions of West Virginia Code §16-13A-2, on October 6, 2003. Said Order required the Nicholas County Commission to publish a Notice of Hearing in

Nicholas County.

The hearing was held as scheduled. The County Commission appeared by its counsel, Keith W. McMillion, Esquire. Summersville appeared by its counsel, Gregory A. Tucker, Esquire. Gauley River PSD appeared by its counsel, Mr. Mark E. Kauffelt, Esquire, and Commission Staff was represented by Cecelia G. Jarrell, Esquire. At the hearing, a proper affidavit of publication was provided reflecting that publication of the Notice of Hearing had been made in accordance with the Commission's requirements.

Briefs were filed by the City of Summersville and the Nicholas County Commission and a reply brief was filed by the Gauley River Public Service District.

EVIDENCE PRESENTED

Mr. Thomas Blankenship has been President of the Nicholas County Commission for five years. Overall, he has been on the County Commission for seven years. At the County Commission hearing on April 16, 2003, Mr. Deering, President of the Gauley River Public Service District, appeared, expressing interest in the enlargement of Gauley River PSD. The County Commission then decided to go ahead and enlarge Gauley River PSD's boundary lines. It held a public hearing on May 7, 2003. Notice of that hearing was given on April 24, 2003. At the hearing held by the County Commission, a majority of the residents from the proposed area appeared. Also presented was a petition containing approximately 500 signatures of residents and customers' names requesting that the boundary line be extended. At the May 7, 2003 hearing, the County Commission listened to numerous individuals, including Messrs. Strom Brown; Russell Deering; Stanley Adkins, the Mayor of Summersville; Jack Stafford, with Stafford Consultants; Gregory Tucker, with Summersville; David Foster, a Utility Inspector with the Public Service Commission; and Ms. Alice King, with Region IV Planning Development. (Tr., p. 14). After the County Commission heard the testimony, a motion was made to enlarge Gauley River

PSD and it was approved. (Tr., p. 14; Nicholas County Commission Order filed May 16, 2003).

During the time that Mr. Blankenship has been on the County Commission, Gauley River PSD has requested three boundary extensions for projects coming up State Route 39. It has always completed these extensions without difficulty. (Tr., p. 15). Summersville is currently pursuing other water projects going north up Route 41, at Glade Creek, Phillips Run and up Muglee area, plus it is building its new regional water plant at the present time. (Tr., p. 14). It was the County Commission's hope that, with Gauley River PSD's record of moving quickly, the Gauley River PSD could be able to complete the extension by the time the Summersville Regional Water Plant is completed. (Tr., p. 17).

The prime interest of the County Commission is to provide water to this area as quickly and cheaply as possible; it is not concerned particularly with who provides the water. (Tr., p. 19). The County Commission believed that, considering Gauley River PSD's record in the past and since Summersville was generally concentrating its expansion efforts in another area, Gauley River PSD could do it quicker. Prior to the hearing, Mr. Blankenship was approached by Mr. Deering, Chairman of Gauley River PSD, and residents of the area. Mr. Deering expressed the District's willingness to proceed with the job as quickly as he could. Approximately 100 persons

attended the County Commission meeting held on May 7, 2003. No one living in the area of the expansion was against the project. Summersville did appear at the hearing to object, indicating that it wanted to provide water in that particular area of Nicholas County. (Tr., p. 23). The area of the expansion is State Route 39 West, going to Gauley Bridge from the City of Summersville city limits down to Jerry's Fork, encompassing approximately 600 customers. (Tr., p. 24). The County Commission considered the time factor in determining whether to grant the extension to Gauley River PSD or wait for Summersville to proceed. Although there was a timing difference of only a couple of months, the County Commission believed that Gauley River PSD could get water to the people first, based upon the evidence presented at the hearing. (Tr., p. 24).

Currently, there is no water in the area between Jerry's Fork and Summersville. (Tr., p. 26). The office of Gauley River PSD is in Swiss, Nicholas County. Gauley River PSD does not have a water plant of its own, but buys its water. The water for the project would come from the Summersville regional water plant. (Tr., p. 31). In a letter of intent prepared in January 2001, the County Commission and Summersville, along with the Wilderness Public Service District, Gauley River PSD and the Region IV Planning and Development Council, recognized the need for a safe and reliable potable water system to serve the communities west of the City of Summersville, along State Route 39, and agreed to work to

this end in a cooperative manner to provide such regional water service to the benefit of all. (Tr., p. 32; Summersville Exhibit No. 1). Things changed when the residents approached the County Commission and wanted things done. Gauley River PSD indicated its interest to expand, while Summersville had experienced delays in obtaining permission from the Corps of Engineers to obtain water from Summersville Lake, which delayed its regional water plant. (Tr., p. 35).

Mr. Stanley Adkins is Mayor of Summersville. As Mayor, he became involved in the Route 39 expansion project. He had a meeting with the interested parties in the area, because Summersville was in the process of building its regional water plant and was interested in obtaining an intergovernmental agreement between all the parties that are interested in regional water planning, including public service districts and cities, which would indicate which areas were to be served by which provider. At the time that it signed the letter of intent, Summersville did not have water to sell and was only marginally able to produce water for its own customers. (Tr., p. 46; Summersville Exhibit No. 1).

The original concept for the State Route 39 extension was for Summersville to sell the water and it would apply for grants as soon as the water plant was in place. After Summersville finally got approval from the Corps of Engineers to withdraw water from the Summersville Lake, construction on the regional water plant began about a year ago. It has a completion date of approximately September 2004. Although residents need the water at this time, Summersville has no water to sell to any residents down Route 39. (Tr., p. 48). Although Summersville is involved with an extension into the Glade Creek/Phillip's Run area, it can handle more than one project at a time. Mr. Adkins indicated that he had talked with Mr. Deering who thought that there might be another source of money through the Central Appalachian Enterprise Zone (CAEZ), but this project wouldn't qualify.

In a letter received from Mr. Deering in March 2003, Gauley River PSD indicated that, if Summersville was willing to invest its water service resources in this area, Gauley River PSD would fully support its efforts. (Tr., p. 50; Summersville Exhibit No. 3). At the next

Summersville Council meeting, a motion was made to move forward with the Route 39 water extension project and approach the County Commission about a joint endeavor. (Tr., p. 52). Summersville continued with its State Route 39 Project, even after the petition was filed by the County Commission for the enlargement of the Gauley River PSD's boundaries. (Tr., p. 53). An application was submitted to the West Virginia Infrastructure and Jobs Development Council (Infrastructure Council) and has been approved by the Infrastructure Council to fund this project, which will cost approximately \$7,337,000. (Tr., p. 53). Summersville is presently waiting for the project to be funded. The Infrastructure

Council in its approval recommended that Summersville also pursue a Small Cities Block Grant Drinking Water Treatment Revolving Fund Loan to fund the project. (Tr., p. 54). Between January 2000 and June 2003, Summersville had not made applications for funding for anything else for this particular project. (Tr., pp. 59-60). Summersville is asking for \$2 million in grants from the Appalachian Regional Council (ARC) and \$3 million in a Small Cities Block Grant for the Glade Creek Phase II Project. (Tr., p. 63).

If the boundary expansion of the Nicholas County Commission does not prevent Summersville from pursuing its State Route 39 Project, then Summersville would not be injured. Summersville has already paid for one of its engineering studies done by Stafford Engineers. (Tr., p. 75). Mr. Adkins was not aware of how much was paid. If Gauley River PSD is allowed to pursue its expansion, then Summersville's program and engineering study would be useless. Mr. Adkins indicated that, when the regional water plant was started, it began as a \$6 million project and has now increased to approximately \$11 million. Summersville has an alternate source of water for the Glade Creek Project and an approved inter-governmental agreement with the Craigsville Public Service District, which has a 16-inch interconnection line. There is not yet a source of water available for the Route 39 Project. (Tr., p. 81). Summersville's objective is to get the water to these people the best way possible. (Tr., p. 83).

Ms. Gidget Deal lives in Enin. She brought a container to the hearing containing water from her well, which is her only water supply. The water had the color of weak tea. Ms. Deal will not drink the water. (Tr., p. 85). Approximately five years ago, there was a meeting with Summersville about bringing water to the area and it was indicated that the water would be there in about three years. Her daughter, who also lives in the area, has water that is orange in color. She did not care who provided water, as long as it is done quickly. (Tr., p. 88).

Ms. Betty Good lives in Gilboa. Her water is so bad that, when she washes dishes, the water is, in her words, "disgusting." Her daughter had a kidney transplant and could not come home since they did not have any water. (Tr., p. 89). A well is her source of water and it is worse than that of Ms. Deal's. Besides an awful odor, it is hard on the body. Ms. Good showed rashes on her hands. The water from the well is always bad. (Tr., p. 90).

Ms. Nova White lives in Enin. She has been trying to get water into that area since she was a teenager. (Tr., p. 91).

Mr. Edward Shutt is Vice President of Stafford Consultants, Incorporated, and is the engineer for Summersville. He has been the

engineer on the regional water plant and also the Glade Creek Phase II Project. Phase I of that project is now completed. The water for Phase I is provided through an intergovernmental

agreement between the Nicholas County Commission, the City of Summersville and the Craigs ville Public Service District, and comes from the Craigs ville Public Service District plant on the Gauley River. The Glade Creek Phase II Project is to get its water through the Phase I distribution lines. Public interest surveys showed that residents in the area definitely have a need for water. (Tr., p. 106). After a discussion with Randy Plum, Mr. Shutt was advised that RUS could not allocate the CAEZ funds to the projects from Jerry's Fork to Summersville. The only delay was to verify if CAEZ funds might be available. After the meeting on April 14, 2003, when the council learned about the CAEZ money, it voted to proceed, authorizing him to do a preliminary engineering report. (Tr., p. 110). Mr. Shutt updated the preliminary engineering report and submitted it for approval to the Infrastructure Council on June 19, 2003. Summersville has applied for ARC funds. (Tr., p. 130).

Summersville's funding of its Glade Creek Phase II Project would have no impact on the State Route 39 funding. If Gauley River PSD submits a competing package, it is going to create confusion and delay, based on his experience. (Tr., p. 112). If Summersville and Gauley River PSD both go ahead, Gauley River PSD may have access to more funds than Summersville, unless the Empowerment Zone is changed and to give Summersville access to these funds. (Tr., p. 116). Mr. Shutt indicated that he had another experience concerning competing applications in 1998 when applications from different groups in Nicholas County went to the Infrastructure Council within ninety days and the Infrastructure Council indicated that they needed to be consolidated. (Tr., p. 123). Mr. Shutt opined that the best solution is for Summersville, the public service districts and the County Commission to cooperate and get behind this project and work for the benefit of the people rather than creating conflict. Based upon the direction and emphasis that the Summersville's City Council has put on the project, he thinks that Summersville could provide the water faster. (Tr., p. 124). Summersville's resale rate will be one of the considerations in determining what the rate for Gauley River PSD will be. Because the project is a good project, if he worked on it, he would guarantee that it would receive the necessary funding. (Tr., p. 129).

The Small Cities Block Grant application has not yet been filed because the County Commission is not yet eligible to file until this expansion is approved. The ARC Grant application has been filed. A high cost per customer for a project can hurt its chances for funding, since the funding agencies consider the rate as one of the factors in determining its viability. (Tr., p. 134). The \$44.26 rate proposed by Summersville and which is contained in the preliminary application is the

rate that the people outside of Summersville would pay, including the customers in Glade Creek Phase I, and it is also projected for Glade Creek Phase II. Mr. Shutt indicated that, if approval of the County Commission's expansion would not affect Summersville's right to serve State Route 39, this expansion would not delay the steps that Summersville is taking to pursue its project. (Tr., p. 151). The rate of \$44.28 is a projected rate based on 4,500 gallons usage and was included in the certificate case for the water treatment plant expansion, not to go into effect until 2004. (Tr., p. 164). Stafford Consultants, Incorporated, prepared and filed the application with the Infrastructure Council even after the action by the County Commission, because the Summersville City Council had directed him to do so and it was in the contract. (Tr., p. 173).

Ms. Shawn Brown lives in Whitewater and would like to have water. Three years before she was asked by Robert Hilary, an employee of Summersville, to do a survey down State Route 39,

to see how many customers were interested in water. She turned in the names of over 600 customers who were interested, but she has not heard anything back about that project since then. (Tr., p. 180). In August of 2002, she attended a meeting of Gauley River PSD and asked Mr. Deering if he could do anything to get water to the Route 39 area. Ms. Brown observed that, recently, more has been done toward getting water than in the last twenty to twenty-five years. She did not really care who brought her water, depending upon the price. She would want water at the cheapest price possible. (Tr., p. 180).

Mr. John W. Tuggle is a Professional Engineer and Vice President of Pentree, Incorporated. Pentree, Incorporated (Pentree), is an engineering consulting firm in Princeton, West Virginia, involved in water and sewer projects. It has been employed by Gauley River PSD and prepared Gauley River PSD Exhibit No. 1, maps showing the existing public service district and the proposed extension to go to the Summersville corporate limits. The existing boundaries of the public service district on that exhibit are in red. The expansion is outlined in blue. (Tr., p. 186; Gauley River PSD Exhibit No. 1). Gauley River PSD had 200 customers in 1980. It did its first extension project along Route 16 and added 300 customers. (Tr., p. 187).

Another project was undertaken in 1990 along Route 39 toward the communities of Jody and Swiss, which added approximately 260 additional customers. There have also been some other small projects along Route 39 past Swiss that picked up 60 more customers. The source of the water for Gauley River PSD is the Kanawha Falls PSD. The Kanawha Falls PSD water plant is located on the Gauley River. The numerous expansion projects of Gauley River PSD have taken it up the Gauley River. There is another project in the works to expand between Swiss and Jerry's Fork to serve an

additional 150 customers. This project is to begin construction next year. With the completion of this project, Gauley River PSD will complete water service from the Kanawha River basically all the way up to Summersville. (Tr., p.190). Having reviewed the preliminary application of Summersville for its State Route 39 Project, he opined that the \$7.3 million projected cost is not unreasonable. (Tr., p. 190). No work has been started on Gauley River PSD's project from the Summersville city limits to Jerry's Fork. (Tr., p. 191). In 2000, Gauley River PSD met with Summersville and, from this, the Jerry's Fork Project was conceived, using Empowerment Zone money; then the District began to investigate going all the way up to Summersville for customers, not knowing that Summersville was coming the other way. It was agreed that, with Summersville coming down to Jerry's Fork, Gauley River PSD would just serve up to Jerry's Fork. (Tr., p. 193).

Mr. Tuggle attended a Summersville City Council meeting with Mr. Deering because he had indicated that Gauley River PSD would try to serve the area, obtaining water from the Summersville Regional Plant. (Tr., p. 195). At that meeting, it appeared that the Summersville City Council was in favor of Gauley River PSD proceeding, but no final decision was made at that meeting. At the next Council meeting, Mr. Deering and he were informed that the Summersville City Council had a project in the works and there was no need for Gauley River PSD to extend to Summersville. (Tr., p. 195). There is a minimum of two years time to apply for and obtain funding and start construction. The District has not yet developed any rates for this project. Currently, its rate for 4,500 gallons is around \$30.00, but this rate does not include the costs to finance this proposed project to Jerry's Fork. (Tr., p. 200).

Gauley River PSD has only one bulk customer, the Mt. Olive Correctional Facility. All other customers are residential and are charged the same rate. Kanawha Falls has advised Gauley River PSD that it has no excess capacity to provide to the District. (Tr., p. 205).

The District currently has three individuals to maintain its present system. In the past, Gauley River PSD has had no more than the usual difficulty in funding its projects. If additional sources of water become available, there may be an extension into the Belle Creek area serving 40 customers. If the State Route 39 extension were built, Gauley River PSD would have to add additional employees to handle the additional maintenance created. The overall operation of Gauley River PSD is above average. Mr. Tuggle opined that waiting until February to apply for funding would not significantly delay RUS funding. By applying before the middle of the year, the District would be within the RUS ground rules for funding. (Tr., p. 214).

The District could apply for a waiver of the Chapter 5G Code approval process for hiring an engineer because of the experience that Pentree has had with Gauley River PSD. However, the Public Service Commission does not usually approve these applications. (Tr., pp. 214- 215). There can be no final determination of the rate until the bulk rate to be charged by Summersville is determined. The public service district will have a unified rate. He understands that, if Summersville were to build the Route 39 extension, these customers would be charged a different rate than the customers in the municipal boundaries of Summersville. (Tr., p. 216).

Mr. Russell Deering has been Chairman of Gauley River Public Service District for 23 years. Gauley River PSD has been operating a water system in the Gauley River area. He is in favor of the boundary extension for his district. In August 2002, Mr. Brown, a customer of Gauley River PSD, asked the District about extending water up to the school house at Jerry's Fork. At that time, it was explained that Gauley River PSD did not have the water to supply that extension until the Summersville Regional Plant came on line.

There is a project in the works to take water to Jerry's Fork, on which construction will begin soon. (Tr., p. 221). Mayor Adkins of Summersville is the accountant for Gauley River PSD. At one point, Mr. Adkins was asked if Summersville might be interested in bringing water out of Summersville to serve this area. (Tr., p. 221). The District does not oppose Summersville providing water in that area. (Tr., p. 224).

Mr. Deering indicated that, if Summersville could tell him that it could get funding and show that it is able to provide water to the citizens along State Route 39 as cheap as Gauley River PSD, or cheaper, then he would tell Summersville that State Route 39 was Summersville's project. (Tr., p. 225). Until then, the District wants the option to pursue its project. Gauley River PSD, at this point, cannot seek funding until the boundaries are set, which requires this expansion. (Tr., p. 225).

If Summersville were to propose a project comparable to what the Gauley River PSD plans to do, it would not cause any problems. In September 2003, Mr. Deering met with individuals from RUSDA and discussed the Route 39 Project. Although he had not filed an application, funding was discussed. RUS appeared interested and indicated that it would be glad to do the project funding. The District has had a very good relationship with RUS. (Tr., p. 226).

RUS suggested to Gauley River PSD a finance package of 65% grant and 35% loan money.

(Tr., p. 226). Mr. Deering believed the rate is going

to be \$32.29, but the Board had been looking at a \$34.00 per month rate, per 4,500 gallons. RUS was concerned with the \$34.00 rate, considering the income base of the customers in the area. (Tr., p. 227). Gauley River PSD supports the expansion of its boundaries for two reasons. The first is to get water to the people and the second is because Gauley River PSD needs a backup for its water system. Mr. Deering has had no discussions with Summersville about the bulk rate that Summersville will charge from its regional water plant. (Tr., p. 228). Unless the regional water plant is built, there is no water for the State Route 39 Project. (Tr., p. 233). He is also aware that construction on the water plant started in December 2002. Summersville's action on April 14, 2003, authorized its State Route 39 expansion. After he had attended the first Summersville City Council meeting, it was determined that the District would file with the County Commission for a boundary change. (Tr., p. 235). If Gauley River PSD had a major repair cost, it would be able to handle this repair through money sources available to it. (Tr., p. 241).

Ms. Karen Buckley, Utilities Analyst, Water and Wastewater Division, prepared the Initial and Final Internal Memorandum in this case, recommending that the boundary extension be approved. Ms. Buckley indicated that, in reviewing these cases, she looks to West Virginia Code §16-13A-2 to see if the Nicholas County Commission had met all the requirements of the Code and she did not analyze the case further. (Tr., p. 249). Since the County Commission felt the boundaries should be expanded, it was Staff's recommendation that the boundaries be expanded since proper notice had been given by the County Commission. (Tr., p. 251).

Mr. James Weimer is a Commission Engineer reviewing complaints, certificate projects, rate cases and other cases involving utilities throughout the State. When the Legal Division requested that an engineer be involved in this case, he was assigned. He reviewed the filings of Summersville and Gauley River PSD, and looked at their Infrastructure applications. (Tr., p. 254). He also reviewed the engineering costs, rates, proposed rates, etc., in the service areas that would be involved and any of the issues that would affect the ability of the County Commission to proceed with this boundary expansion. Since there is a need for water, Mr. Weimer opined that an alternative for the Summersville project is needed because of the high rates that have been proposed by Summersville and it would be wise for the boundary expansion to occur. (Tr., p. 255).

In rural area expansions, it is preferred that extensions such as this be done by a public service district, since the Public Service Commission has more control over the rates and maintenance and other areas, as opposed to municipalities. (Tr., p. 258). The State Route 39 Project is a rural-type project. Typically, in a public service

district, the debt service is distributed among all of the existing customers. He explained that RUS is a rate-oriented lender and has become unsure of projects with high rates. Particularly, in rural areas, it likes to keep the rates as low as possible. (Tr., p. 264). In his experience, there is nothing sure about receiving funding until it is actually obtained. (Tr., p. 269). Mr. Weimer believes that Gauley River PSD can provide water at a lower rate. The actual rates to be charged will depend upon the bulk rate of Summersville. (Tr., p. 273). The Public Service Commission will be involved in setting the rates for both Summersville and Gauley River PSD. (Tr., p. 277). With the testimony of Mr. Weimer, no further evidence was presented in this matter and it was submitted for a decision. (Tr., p. 277).

DISCUSSION

This case began as a boundary expansion Order filed by the Nicholas County Commission to enlarge the boundaries of the Gauley River Public Service District to enable it to provide water service to numerous customers along State Route 39 in Nicholas County. Currently, this area is without a good water supply. The residents must rely on well water that is discolored and smelly. This case became more complex when the City of Summersville intervened. All of the parties are in agreement that this area must be provided with good water. The dispute is whether the water should be provided by a project undertaken by the Gauley River Public Service District, in accordance with this boundary expansion, or the City of Summersville.

The Nicholas County Commission, in arriving at its decision to use the Gauley River Public Service District as the vehicle for the project, did all of the things required by West Virginia Code §16-13A-2.

It appears that neither the City of Summersville nor the Gauley River Public Service District will have the amount of water needed to supply this project until the Summersville Regional Water Plant is completed in 2004.

A great deal of evidence was presented by engineers for both parties as to who could get the project done faster and secure the adequate funding for the project.

It cannot be ignored that, based on the testimony at the hearing in this case, Gauley River PSD will have access to more low-cost or grant funding than will Summersville and that the rates likely to be charged by Gauley River PSD will be significantly lower than the rates proposed by Summersville. The rate disparity between in-town and out-of-town customers proposed by Summersville will also be problematic.

To the undersigned Administrative Law Judge, it appears that the Gauley River Public Service District has completed successfully many other such projects, which was a consideration of the Nicholas County Commission in arriving at its decision. Since the County Commission is the party that had hearings and evaluated the evidence presented by the witnesses, unless there has been some violation of West Virginia Code §16-13A-2 or a Commission rule or regulation concerning this project, this Administrative Law Judge does not feel he should substitute his judgment for that of the members of the Nicholas County Commission who have been elected to carry out such duties. Therefore, the Order of the Nicholas County Commission enlarging the boundaries of the Gauley River Public Service District should be approved, which will enable the Gauley River Public Service District to begin planning the project and make application for funding. The bottom line to guide this case is the suggestion made by Mr. Shutt that all the entities should cooperate in getting the job done and not create problems in getting water to the residents along State Route 39.

It should be noted that approval of the boundary expansion in no way determines who will ultimately serve this area. All this expansion does is provide the Gauley River PSD with the opportunity to go forward with its own plans, just as Summersville is doing. The decision on who will be the utility for this area will be made within the context of one or more certificate proceedings before the Public Service Commission, and, to a lesser extent, by the various funding agencies.

FINDINGS OF FACT

1. The Nicholas County Commission filed an Order enlarging the boundaries of the Gauley River Public Service District, in accordance with the provisions of West Virginia Code §16-13A-2, to provide water to 512 customers along State Route 39 in Nicholas County. (See, application filed May 16, 2003; Summersville Exhibit No. 2).

2. Staff recommended approval of the expansion. (See, Initial and Final Joint Staff Memorandum filed June 24, 2003; Tr., pp. 248-249, 255).

3. The Nicholas County Commission held hearings and heard testimony from residents of the area to be served along State Route 39 and decided that the Gauley River Public Service District could get water to the area faster. (See, Nicholas County Commission Order dated May 16, 2003; Tr., p. 12).

4. Water for the State Route 39 expansion will come from the Summersville Regional Water Plant. (See, Tr., pp. 31, 224).

5. The Zela Grade School is the only grade school in Nicholas County and does not have a water supply, but must use bottled water. (See, Tr., p. 181).

6. Mr. Brown, Ms. Deel and Ms. Good live in the area of the expansion and support the expansion in order to get a good usable water supply. (See, Tr., pp. 178, 184, 188).

7. The rates for the Gauley River PSD project probably will be lower than the rates which Summersville would have to charge to serve the same customers. (See, Tr., p. 224).

CONCLUSIONS OF LAW

1. Under the provisions of West Virginia Code §16-13A-2, the Nicholas County Commission has the authority to enlarge public service districts, with approval by the Public Service Commission in accordance with its rules and regulations.

2. Since the Nicholas County Commission's Order enlarging the boundaries of the Gauley River Public Service District conforms to the Public Service Commission's rules and regulations; is in accordance with the Code; is recommended for approval by Commission Staff; and is supported by the evidence received at the hearing, the Order of the Nicholas County Commission, filed on May 16, 2003, to enlarge the boundaries of the Gauley River Public Service District, should be approved.

ORDER

IT IS, THEREFORE, ORDERED that the Order of the Nicholas County Commission, dated May 7, 2003, enlarging the boundaries of the Gauley River Public Service District, in accordance with the provisions of West Virginia Code §16-13A-2, be, and the same hereby is, approved.

The Executive Secretary is hereby ordered to serve a copy of this order upon the Commission by hand delivery, and upon all parties of record by United States Certified Mail, return receipt

requested.

Leave is hereby granted to the parties to file written exceptions supported by a brief with the Executive Secretary of the Commission within fifteen (15) days of the date this order is mailed. If exceptions are filed, the parties filing exceptions shall certify to the Executive Secretary that all parties of record have been served said exceptions.

If no exceptions are so filed this order shall become the order of the Commission, without further action or order, five (5) days following the expiration of the aforesaid fifteen (15) day time period, unless it is ordered stayed or postponed by the Commission.

Any party may request waiver of the right to file exceptions to an Administrative Law Judge's Order by filing an appropriate petition in writing with the Secretary. No such waiver will be effective until approved by order of the Commission, nor shall any such waiver operate to make any Administrative Law Judge's Order or Decision the order of the Commission sooner than five (5) days after approval of such waiver by the Commission.

**PUBLIC SERVICE COMMISSION
OF WEST VIRGINIA
CHARLESTON**

At a session of the PUBLIC SERVICE COMMISSION OF WEST VIRGINIA in the City of Charleston on the 25th day of February, 2004.

CASE NO. 03-0744-PWD-PC

NICHOLAS COUNTY COMMISSION
Petition for consent and approval of the
enlargement of the boundaries of Gauley
River Public Service District.

COMMISSION ORDER

On May 16, 2003, the Nicholas County Commission (County Commission) filed an Order with the Public Service Commission enlarging the boundaries of the Gauley River Public Service District (Gauley River PSD), in accordance with the provisions of West Virginia Code § 16-13A-2.

On June 24, 2003, Staff filed an Initial and Final Joint Staff Memorandum recommending approval of the Nicholas County Commission's petition to expand the boundaries of the District.

On June 6, 2003, the City of Summersville petitioned to intervene in these proceedings.

By Order dated July 2, 2003, this matter was referred to the Division of Administrative Law Judges (ALJ) for a decision to be rendered on or before December 12, 2003.

A hearing was held in this matter on October 6, 2003. The County Commission, the City of Summersville, the Gauley River PSD, and Staff were all present and represented by counsel.

Briefs were filed by the City of Summersville and the Nicholas County Commission and a reply brief was filed by the Gauley River PSD.

The assigned ALJ entered a Recommended Decision on December 10, 2003, approving the Order of the Nicholas County Commission which enlarged the boundaries of the Gauley River Public Service District.

Exceptions were filed by the City of Summersville on December 19, 2003.

The Gauley River PSD filed a "Response of Gauley River Public Service District to Exceptions of the City of Summersville" on December 29, 2003.

On February 11, 2004, counsel for the Gauley River PSD filed a letter indicating that the

City of Summersville planned to withdraw its exceptions.

On February 13, 2004, the Commission received the City of Summersville's "Motion to Withdraw Objections to Decision of Administrative Law Judge." In its motion the City of Summersville stated that it no longer wished to contest the findings of the ALJ and agreed to be bound by the findings therein.

DISCUSSION

As the City of Summersville has withdrawn its exceptions to the ALJ's Recommended Decision, the Commission shall adopt the ALJ's Recommended Decision as the final order in this proceeding.

FINDING OF FACT

The City of Summersville filed and then withdrew exceptions to the ALJ's December 10, 2003, Recommended Decision.

CONCLUSION OF LAW

It is reasonable to adopt the ALJ's December 10, 2003, Recommended Decision as the Commission's final order in this proceeding.

ORDER

IT IS THEREFORE ORDERED that the ALJ's December 10, 2004, Recommended Decision is hereby adopted as the Commission's final order in this case.

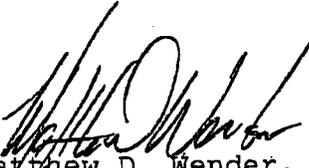

IT IS FURTHER ORDERED that upon entry of this order, this case shall be removed from the Commission's docket of open cases.

IT IS FURTHER ORDERED that the Commission's Executive Secretary serve a copy of this order upon all parties of record by United States First Class Mail and upon Commission Staff by hand delivery.

RULES OF PROCEDURE

1.5

GAULEY RIVER PUBLIC SERVICE DISTRICT

ARTICLE I

NAME AND PLACE OF BUSINESS

Section 1. The name of this Public Service District shall be GAULEY RIVER PUBLIC SERVICE DISTRICT (the "District").

Section 2. The principal office of the District will be located in Swiss, West Virginia.

Section 3. The official seal of the District shall consist of 2 concentric circles between which circles shall be inscribed Gauley River Public Service District, and in the center "seal" as follows:

Section 4. The fiscal year of the District shall begin on the 1st day of July in each year and shall end on June 30 of the following year.

ARTICLE II

PURPOSE

Section 1. The District is organized and operated exclusively for the purposes set forth in Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (the "Act").

ARTICLE III

MEMBERSHIP

Section 1. The members of the Public Service Board of the District (the "Board") shall be those persons appointed by The County Commission of Fayette County, West Virginia (the "County Commission"), or otherwise appointed pursuant to the Act, who shall serve for such terms as may be specified in the order of the County Commission or otherwise.

Section 2. Should any member of the Board resign or otherwise become legally disqualified to serve as a member of the Board, the District shall immediately notify the County Commission or other entity provided under the Act and request the appointment of a qualified person to fill such vacancy. Prior to the end of the term of any member of the Board, the District shall notify the County Commission or other entity provided under the Act of the pending termination and request the County Commission or other entity provided under the Act to enter an order of appointment or re-appointment to maintain a fully qualified membership of the Board.

Section 3. The District shall provide to the Public Service Commission of West Virginia, within 30 days of the appointment, the following information: the new board member's name, home address, home and office phone numbers, date of appointment, length of term, who the new member replaces and if the new appointee has previously served on the board, and such other information required under the Act.

Section 4. Each board member shall, within 6 months of taking office, successfully complete the training program established and administered by the Public Service Commission of West Virginia in conjunction with the West Virginia Department of Environmental Protection and the West Virginia Bureau for Public Health.

Section 5. Board members shall not be or become pecuniarily interested, directly or indirectly, in the proceeds of any contract or service, or in furnishing any supplies or materials to the District, nor shall a former board member be hired by the District in any capacity within a minimum of 12 months after such board member's term has expired or after such board member has resigned from the Board.

Section 6. Salaries of the board members shall be established as provided in Chapter 16, Article 13A, Section 4 of the Act. The District shall certify the number of customers served to the Public Service Commission of West Virginia on the first day of July each year. Board members may be reimbursed for all reasonable and necessary expenses actually incurred in the performance of their duties.

Section 7. The members of the Board are not personally liable or responsible for any obligations of the District or the Board but are answerable only for willful misconduct in the performance of their duties.

ARTICLE IV

MEETINGS OF THE BOARD

Section 1. The members of the Board shall hold regular monthly meetings on such days of each month and at such place and hour as the members shall determine from time to time. If the day stated shall fall on a legal holiday, the meeting shall be held on the following day. Special meetings of the Board may be called at any time by the Chairperson or by a quorum of the Board.

Section 2. At any meeting of the Board, a majority of the members of the Board shall constitute a quorum. Each member of the Board shall have one vote at any meeting and if a quorum is not present, those present may adjourn the meeting to a later date.

Section 3. Unless otherwise waived, notice to members of regular meetings shall be by letter or telephone. Unless otherwise waived, notice to members of each special meeting shall be by letter or telephone not less than 72 hours before the date fixed for such special meeting. The notice of any special meeting shall state briefly the purposes of such meeting and the nature of the business to be transacted at such meeting, and no business other than that stated in the notice shall be transacted at such special meeting.

Section 4. Pursuant to Chapter 6, Article 9A, Section 3 of the Code of West Virginia, 1931, as amended, notice of the date, time, place and agenda of all regularly scheduled meetings of the Board, and the date, time, place and purpose of all special meetings of the Board, shall be made available, in advance, to the public and news media as follows:

Rule No. 1. Notice of Regularly Scheduled Meetings. Immediately after adoption of these Rules of Procedure and in July of each year thereafter, the Board shall instruct the Secretary to, and the Secretary shall, post, and leave posted throughout the year to which it applies, at the regular meeting place of the Board and at the Fayette County Courthouse, where notices customarily are posted, a notice setting forth the date, time and place of the Board's regularly scheduled meetings for the ensuing year. In addition, a copy of the agenda for each regularly scheduled meeting shall also be posted at the same location by the Secretary not less than 72 hours before such regular meeting is to be held.

The Board shall also instruct the Secretary to, and the Secretary shall, distribute to each of the newspapers and other news media listed below a notice identical to that posted:

<u>News Media</u>	<u>Address</u>
Fayette Tribune	P.O. Box 139 Oak Hill, WV 25901
The Nicholas Chronicle	P.O. Box 503 Summersville, WV 26651
Clay County Free Press	P.O. Box 180 Clay, WV 25043

A notice shall be considered distributed to a news medium when it has been addressed to such news medium at the address listed above, or at such other address as the news medium has in writing requested be used, marked or stamped with first class postage and deposited in the United States mail. In July of each year after the adoption of these Rules of Procedure, the Board shall review the above list and shall amend such list as needed, in the opinion of the Board, to reflect properly all the newspapers and other news media that customarily cover news of the area served by the Board. In addition, a copy of the agenda for each regularly scheduled meeting shall also be distributed to the news media by the Secretary not less than 72 hours before such regular meeting is to be held.

In the event of any modification to the date, time, place or agenda of a regularly scheduled meeting of the Board, notice of such modification shall immediately be given to the public and news media by posting at the places and distributing to the news media in the manner set forth above not less than 48 hours before such regular meeting is to be held. A copy of the notice of such modification shall be attached to and made a part of the minutes of the meeting for which such notice was given.

Rule No. 2. Notice of Special Meetings. Not less than 72 hours prior to the date set for any special meeting of the Board, the Board shall instruct the Secretary to, and the Secretary shall, post at the regular meeting place of the Board and at the Fayette County Courthouse, where notices customarily are posted, a notice setting forth the date, time, place and purpose or purposes of such special meeting. Business at such special meeting shall be limited to the purpose or purposes specified in said notice.

As soon as practical after the posting of said notice, but not less than 72 hours prior to the date set for such special meeting, the Secretary shall distribute to each of the newspapers and other news media listed in Rule No. 1 hereof, a notice identical to that posted. Amendments made to such news media list, as provided for in said Rule No. 1, shall be incorporated by reference in this Rule No. 2. A notice shall be considered distributed to a news medium when it has been addressed to such news medium at the address listed in said

Rule No. 1, or at such other address as the news medium has in writing requested be used, marked or stamped with first class postage and deposited in the United States mail.

A copy of such notice posted and distributed pursuant to this Rule No. 2 shall be attached to and made a part of the minutes of the meeting for which such notice was given.

Rule No. 3. Emergency Meetings. The Board may hold a meeting without providing the notice to the public and news media required by Rule No. 1 and Rule No. 2 hereof only in the event of an emergency requiring immediate official action. The existence for such an emergency requiring immediate official action shall be determined by the Board and shall be attested to in a certificate by the Secretary describing such emergency and setting forth the reason or reasons immediate official action is required, which certificate shall be attached to and made a part of the minutes of such emergency meeting.

Rule No. 4. Executive Sessions. The Board may hold an executive session during a regular, special or emergency meeting in accordance with Chapter 6, Article 9A, Section 4 of the Code of West Virginia, 1931, as amended. During the open portion of the meeting, prior to convening an executive session, the Chairperson shall identify the authorization under Chapter 6, Article 9A, Section 4 of the Code of West Virginia, 1931, as amended, for holding the executive session and present it to the Board and to the general public, but no decision may be made in the executive session. An executive session may be held only upon a majority affirmative vote of the Board members present. The Board may hold an executive session and exclude the public only when a closed session is required for any of the actions permitted under Chapter 6, Article 9A, Section 4 of the Code of West Virginia, 1931, as amended.

Rule No. 5. Minutes. The Board shall provide for the preparation of written minutes of all of its meetings. Subject to the exceptions set forth in Chapter 6, Article 9A, Section 4 of the Code of West Virginia, 1931, as amended, minutes of all meetings except minutes of executive sessions, if any are taken, shall be available to the public within a reasonable time after the meeting and shall include, at least, the following information:

- (1) The date, time and place of the meeting;
- (2) The name of each Board member present and absent;
- (3) All motions, proposals, resolutions, orders, ordinances and measures proposed, the name of the person proposing the same and their disposition; and
- (4) The results of all votes and, upon the request of a Board member, the vote of each Board member, by name.

Rule No. 6. No Actions by Reference. Except as otherwise expressly provided by law, the Board may not deliberate, vote, or otherwise take official action upon any matter by reference to a letter, number or other designation or other secret device or method, which may render it difficult for persons attending a meeting to understand what is being deliberated, voted or acted upon. However, this rule does not prohibit the Board from deliberating, voting or otherwise taking action by reference to an agenda, if copies of the agenda, sufficiently worded to enable the public to understand what is being deliberated, voted or acted upon, are available for public inspection at the meeting. The Board may not vote by secret or written ballot.

Rule No. 7. Broadcasting of Meetings. Except as otherwise provided in this rule, any radio or television station is entitled to broadcast all or any part of a Board meeting required to be open. The Board may regulate the placement and use of equipment necessary for broadcasting, photographing, filming or recording a meeting, so as to prevent undue interference with the meeting. The Board shall allow the equipment to be placed within the meeting room in such a way as to permit its intended use, and the ordinary use of the equipment may not be declared to constitute undue interference; provided, that if the Board, in good faith, determines that the size of the meeting room is such that all the members of the public present and the equipment and personnel necessary for broadcasting, photographing, filming and tape-recording the meeting cannot be accommodated in the meeting room without unduly interfering with the meeting and an adequate alternative meeting room is not readily available, then the Board, acting in good faith and consistent with the purposes of this rule, may require the pooling of the equipment and the personnel operating it.

Rule No. 8. Telephonic Meetings. Board meetings may be held by telephone conference or other electronic means. All Board members participating by telephone or other electronic means must be audible to all those personally present.

Section 5. All meetings of any committee of the Board shall be subject to the Rules of Procedure set forth in Section 4 above.

ARTICLE V

OFFICERS

Section 1. The officers of the Board shall be a Chairperson, Secretary and Treasurer. The Chairperson shall be elected from the members of the Board. The Secretary and Treasurer need not be members of the Board.

Section 2. The officers of the Board shall be elected each year by the members at the first meeting after the first day of January of each year. The officers so

elected shall serve until the next annual election by the membership and until their successors are duly elected and qualified. Any vacancy occurring among the officers shall be filled by the members of the Board at a regular or special meeting. Persons selected to fill vacancies shall serve until the next annual organizational meeting of the Board when their successors shall be elected as hereinabove provided.

ARTICLE VI

DUTIES OF OFFICERS

Section 1. When present, the Chairperson shall preside as Chairperson at all meetings of the Board. The Chairperson shall, together with the Secretary, sign the minutes of all meetings at which the Chairperson shall preside. The Chairperson shall attend generally to the executive business of the Board and exercise such powers as may be conferred upon the Chairperson by the Board, by these Rules of Procedure, or prescribed by law. The Chairperson shall execute, and if necessary, acknowledge for record, any deeds, deeds of trust, contracts, notes, bonds, agreements, or other documents necessary, requisite, proper or convenient to be executed by or on behalf of the Board when and if directed by the members of the Board.

Section 2. If the Chairperson is absent from any meeting, the remaining members of the Board shall select a temporary chairperson.

Section 3. The Secretary shall keep a record of all proceedings of the Board which shall be available for inspection as other public records. Duplicate records shall be filed with the County Commission and shall include the minutes of all Board meetings. The Secretary shall, together with the Chairperson, sign the minutes of the meetings at which the Secretary is present. The Secretary shall have charge of the minute book, be the custodian of deeds and other documents and papers of the Board. The Secretary shall also perform such other duties as may be required of the Secretary by law or as may be conferred upon the Secretary from time to time by the members of the Board.

Section 4. The Treasurer shall be the lawful custodian of all funds of the District and shall pay same out on orders authorized or approved by the Board. The Treasurer shall keep or cause to be kept proper and accurate books of accounts and proper receipts and vouchers for all disbursements made by or through the Treasurer and shall prepare and submit such reports and statements of the financial condition of the Board as the members may from time to time prescribe. The Treasurer shall keep and preserve all financial records of the District for 10 years and shall at all times have such records readily available for public inspection. At the end of the Treasurer's term of office, the Treasurer shall promptly deliver all financial records of the District to the Treasurer's successor in office. The Treasurer shall also perform such other duties as may be required of the Treasurer by law or as may be conferred upon the Treasurer from time to time by the members of the Board. The Treasurer

shall furnish bond in an amount to be fixed by the Board for the use and benefit of the District.

Section 5. No money may be paid out by the District except upon an order signed by the Chairperson and Secretary, or such other person or persons authorized by the Chairperson or the Secretary, as the case may be, to sign such orders on their behalf. Each order for the payment of money shall specify the purposes for which the amount thereof is to be paid, with sufficient clearness to indicate the purpose for which the order is issued, and there shall be endorsed thereon the name of the particular fund out of which it is payable and it shall be payable from the fund constituted for such purpose, and no other. All such orders shall be reflected in the minutes of the next meeting of the Board.

Section 6. The members and officers of the Board shall make available to the County Commission, at all times, all of its books and records pertaining to the District's operation, finances and affairs, for inspection and audit.

ARTICLE VII

AMENDMENTS TO RULES OF PROCEDURE

Section 1. These Rules of Procedure may be altered, changed, amended or added to at any regular or special meeting of the Board when a quorum is present and a majority of those present vote for the alteration, change, amendment or addition; but no such alteration, change, amendment or addition shall be made at any special meeting unless notice of the intention to propose such alteration, change, amendment or addition and a clear statement of the substance thereof be included in the written notice calling such special meeting.

CASE NO. 04-0560-PWD-CN (Reopened)

GAULEY RIVER PUBLIC SERVICE DISTRICT

Application for a certificate of convenience and necessity to construct certain improvements and to upgrade the booster station at Alta to serve approximately 264 new customers in the Twentymile and Route 39/Peters Creek areas of Fayette and Nicholas Counties, at Twentymile Creek, Vaughn, Little Elk Mountain, Lyonsville, Lockwood and Drennan, West Virginia.

RECOMMENDED DECISION

By Recommended Decision entered on October 29, 2004, which became final on November 18, 2004, a certificate of convenience and necessity was issued to Gauley River Public Service District (District) to construct certain improvements and to upgrade the booster station at Alta to serve approximately 264 new customers in the Twentymile and Route 39/Peters Creek areas of Fayette and Nicholas Counties, all as set forth in the application filed on April 15, 2004. Additionally, proposed financing, consisting of a loan in the approximate amount of \$1,623,000, for a term of 40 years at an interest rate of 4.5%, and a grant in the approximate amount of \$3,237,850, both from the Rural Utilities Service (RUS), United States Department of Agriculture, were approved. Finally, the Staff-recommended rates and charges, consisting of an across-the-board increase of 14.8%, were approved to become effective on and after the date that the certificated project was placed in service.

By Commission Order entered on October 21, 2005, upon petition filed by the District on October 3, 2005, the Commission approved increased project costs for the certificated project, along with revised funding, consisting of an additional RUS grant in the amount of \$295,460 and an Abandoned Mine Lands grant in the amount of \$783,840, and interim financing consisting of a \$300,000 line of credit for a term not to exceed 12 months, with a variable interest rate at the Wall Street Journal prime rate plus 0.25%.

By Order issued on April 24, 2007, upon petition filed by Commission Staff on March 6, 2007, the Commission reopened this matter for the purpose of combining the District's increased rates to become effective for all service rendered on and after the date the project was placed into service, with a rate increase approved by the Public Service

Commission in Case No. 05-0356-PWD-30B, reflecting a pass-through of increased purchased water costs.

On May 29, 2007, the District filed a further petition to reopen this proceeding for the limited purpose of approving revised project costs, additional financing and an associated rate increase. The District requested expedited treatment. According to the petition, during the course of constructing the project, the District's contractors filed claims for material cost overruns arising from hurricanes. The contractors' claims were ultimately arbitrated and the claimants were awarded additional payments. The petition went on to state that, by letter dated May 8, 2007, from the West Virginia Infrastructure and Jobs Development Council (IJDC), the IJDC advised the District that it would extend a loan in the approximate principal amount of \$354,818, subject to the terms and conditions set forth in that letter, which was attached to the petition. The maturity date of the loan is 40 years from date of closing and it bears an interest rate of 0%. Reserve and coverage requirements were also set forth. With the IJDC loan, the total project funding and cost are \$6,264,958. The District also indicated that Commission Staff had determined that the District's user rates, approved by the April 24, 2007 Commission Order, would need to be increased by less than 2%. Also attached to the further petition for reopening was an April 9, 2007 technical review conducted by Commission Staff for the IJDC.

On June 7, 2007, the District filed its certificates of substantial completion for the project.

On June 13, 2007, as corrected on July 2, 2007, Staff Attorney Cassius H. Toon filed the Initial and Final Joint Staff Memorandum, attached to which was the Initial and Final Memorandum prepared by Utilities Analyst Supervisor David L. Acord, II, of the Commission's Water and Wastewater Division, and Technical Analyst Joseph A. Marakovits, of the Commission's Engineering Division. Commission Staff recommended that the District's petition to reopen be granted and that the additional borrowing from the IJDC be approved, along with the revised project costs. Commission Staff also recommended approval of revised rates and charges to incorporate the additional debt payments and coverage requirements generated by the revised financing. The Staff-recommended rates represent an increase of 16.3% over the District's current rates and charges. However, those rates represent only a net 4.1% increase over the rates previously approved for the project by the Commission Order of April 24, 2007. Finally, Commission Staff recommended that the case be retained by the Commission.

By Commission Order entered on June 27, 2007, this matter was referred to the Division of Administrative Law Judges for a decision to be rendered on or before December 26, 2007.

On June 27, 2007, the District filed a motion for the Commission to rescind its referral of the matter to the Division of Administrative Law Judges and indicated that Commission Staff supported the motion.

DISCUSSION

Upon consideration of all of the above, the undersigned will grant the District's motion for approval of revised project costs, financing and rates. The undersigned will approve the Staff-recommended rates attached to its Initial and Final Joint Staff Memorandum filed on June 13, 2007, without requiring additional notice. The undersigned notes that Technical Staff indicated that additional notice would have to be provided by the District. The Staff Attorney did not address the notice issue. However, since the net impact of the Staff-recommended revised rates is only 4.1% above the revised project rates approved by the Commission in April of this year, the undersigned concludes that the rate increase is de minimis and does not require additional notice to the public. Additionally, it is appropriate to waive additional notice because the certificates of substantial completion for the project have been filed, the project is ready to come on line and the District requires adequate rates that fully cover its debt service and project expenses.

FINDINGS OF FACT

1. On November 18, 2004, the Commission granted a certificate of convenience and necessity to Gauley River Public Service District to construct certain improvements and to upgrade the booster station at Alta to serve approximately 264 new customers in the Twentymile and Route 39/Peters Creek areas of Fayette and Nicholas Counties, all as set forth in the application filed herein on April 15, 2004. (See, Recommended Decision dated October 29, 2004, final November 18, 2004).

2. The original project cost was estimated to be \$4,860,850. (See, Recommended Decision entered October 29, 2004, final November 18, 2004).

3. In 2005, the Commission approved an increased project cost of \$5,910,150 for the project, as a result of the bids received on the project. Additionally, the Commission approved additional funding, consisting of an additional grant from the Rural Utilities Service and a grant from the Abandoned Mine Lands program, along with interim financing. The changes did not require an amendment to the rates approved for the project. (See, Commission Order issued October 21, 2005).

4. In April of 2007, the Commission approved a revised tariff to be used by the District once the certificated project was placed into service, to reflect a 2006 pass-through of purchased water costs which was not applied to the project rates at the time of the pass-through. (See, Commission Order issued April 24, 2007).

5. On May 29, 2007, the District filed a further petition to reopen this proceeding for the purpose of approval of further revised project costs, additional financing and revised rates. The District's contractors had successfully arbitrated claims for material cost overruns arising from the hurricanes which occurred while the project was under construction. The West Virginia Infrastructure and Jobs Development

Council had advised the District that it would provide a loan to the District in the amount of \$354,818, at 0% interest, to make up the additional project costs. With the revised financing, the revised project cost for which the District was requesting approval was \$6,264,958. A modest rate increase to accommodate the revised financing would need to be approved. (See, petition filed May 29, 2007).

6. The District has filed the certificates of substantial completion for the three construction contracts for the certificated project, with the latest date of substantial completion being April 30, 2007. (See, certificates filed June 7, 2007).

7. Commission Staff recommended approval of the revised project costs and financing from the IJDC, as well as increased rates and charges to accommodate the revised debt service and project cost. The net rate increase is only a 4.1% increase over the rates approved by the Commission in its Order issued on April 24, 2007. (See, Initial and Final Joint Staff Memorandum and attachment filed June 13, 2007).

CONCLUSIONS OF LAW

1. The contractors' claims for material cost overruns and the additional financing from the IJDC to cover those cost overruns represent reasonable project costs which must be included in the District's cost of service and associated rates.

2. It is reasonable to grant the District's petition for approval of a revised project cost of \$6,264,958 and for approval of a loan from the West Virginia Infrastructure and Jobs Development Council in the amount of \$354,818, at 0% interest for 40 years, to cover the cost overruns associated with the project.

3. Since the Staff-recommended revised rates and charges represent only a modest 4.1% increase over the rates previously approved for the project by Commission Order issued on April 24, 2007, additional public notice of those revised rates and charges is not required.

4. The Staff-recommended rates and charges, attached hereto as Appendix A, should be approved for the District for all service rendered on and after the date that the project certificated herein is placed into service.

ORDER

IT IS, THEREFORE, ORDERED that the petition filed by Gauley River Public Service District on May 27, 2007, be, and it hereby is, granted, so that the approved revised project cost for the project certificated in this proceeding is \$6,264,958.

IT IS FURTHER ORDERED that the revised financing requested by Gauley River Public Service District, consisting of a new loan from the West Virginia Infrastructure and Jobs Development Council in the approximate

principal amount of \$354,818, at 0% interest for a term of 40 years, be, and it hereby is, approved.

IT IS FURTHER ORDERED that the Staff-recommended rates and charges, attached hereto as Appendix A, be, and they hereby are, approved for use for all service rendered by Gauley River Public Service District on and after the date the project certificated herein is placed into service.

IT IS FURTHER ORDERED that this proceeding be, and it hereby is, removed from the Commission's docket of open cases.

The Executive Secretary is hereby ordered to serve a copy of this order upon the Commission by hand delivery, and upon all parties of record by United States Certified Mail, return receipt requested.

Leave is hereby granted to the parties to file written exceptions supported by a brief with the Executive Secretary of the Commission within fifteen (15) days of the date this order is mailed. If exceptions are filed, the parties filing exceptions shall certify to the Executive Secretary that all parties of record have been served said exceptions.

If no exceptions are so filed this order shall become the order of the Commission, without further action or order, five (5) days following the expiration of the aforesaid fifteen (15) day time period, unless it is ordered stayed or postponed by the Commission.

Any party may request waiver of the right to file exceptions to an Administrative Law Judge's Order by filing an appropriate petition in writing with the Secretary. No such waiver will be effective until approved by order of the Commission, nor shall any such waiver operate to make any Administrative Law Judge's Order or Decision the order of the Commission sooner than five (5) days after approval of such waiver by the Commission.

Application for a certificate of convenience and necessity to construct certain improvements and to upgrade the booster station at Alta to serve approximately 264 new customers in the Twentymile and Route 39/Peters Creek areas of Fayette and Nicholas Counties, at Twentymile Creek, Vaughn, Little Elk Mountain, Lyonsville, Lockwood and Drennan, West Virginia.

RECOMMENDED DECISION

On April 15, 2004, Gauley River Public Service District (District), a public utility, filed an application, duly verified, for a certificate of convenience and necessity to construct the following improvements: 74,210 feet of 8-inch PVC; 8,491 feet of 8-inch DIP; 15,820 feet of 6-inch PVC; 7,514 feet of 6-inch DIP; 255 feet of 4-inch DIP; 8,179 feet of 2-inch PVC; 280 feet of 2-inch water mains; 38 fire hydrant assemblies; two booster stations; two water storage tanks (78,000 gallons and 108,000 gallons, respectively); and the upgrade of a booster station at Alta to 280 gpm. The project will serve approximately 264 new customers in the Twentymile and Route 39/Peters Creek areas of Fayette and Nicholas Counties, at Twentymile Creek, Vaughn, Little Elk Mountain, Lyonsville, Lockwood and Drennan, West Virginia. The application is on file with and available for public inspection at the Public Service Commission, 201 Brooks Street, Charleston, West Virginia.

The District estimated that the cost of construction for the project will be approximately \$4,860,850. The project will be funded by a loan in the approximate amount of \$1,623,000 and a grant in the approximate amount of \$3,237,850, both from the Rural Utilities Service (RUS), United States Department of Agriculture. The loan will have a term of 40 years at an approximate interest rate of 4.5%.

The District's debt service on the RUS loan will be funded by additional revenues generated by the new customers to be served by the project and in part by an increase in the District's rates and charges as requested in the application. The District asserted that no interim financing will be necessary for the project.

By Order entered April 16, 2004, the District was directed to give public legal notice of the filing of its application by publishing a copy

7A

of the Commission's Order once in a newspaper duly qualified by the Secretary of State, published and of general circulation in Nicholas, Fayette and Clay Counties. If no public protests were timely filed in response to the published notice, the Commission would be authorized to render a decision without a hearing. Also, in the cover letter from the Executive Secretary, the District was reminded of the additional notice requirements contained in the Commission's Rules of Practice and Procedure, which require the District to mail notice to all customers informing them of the requested rate increase and further requires the District to serve a copy of the Notice of Filing upon each of its resale customers by United States Certified Mail, return receipt requested.

On May 12, 2004, the District filed affidavits of publication verifying publication of the Notice of Filing in The Nicholas Chronicle, a newspaper published and generally circulated in Nicholas County; the Clay County Free Press, a newspaper published and generally circulated in Clay County; and The Fayette Tribune, a newspaper published and generally circulated in Fayette County. The 30-day protest period expired on May 31, 2004, with no protests having been filed.

On May 24, 2004, Staff Attorney Cassius H. Toon filed an Initial Joint Staff Memorandum prepared by Joe Marakovits, Engineering Division, and Steve Wilson, Water and Wastewater Division. Staff noted that the District also had a general rate case pending before the Commission which would likely result in a rate increase to its customers. Staff stated that this case should be referred to the Division of Administrative Law Judges.

By Commission Order entered June 2, 2004, this case was referred to the Division of Administrative Law Judges for a decision to be rendered on or before November 10, 2004.

On August 4, 2004, Staff Attorney Toon filed a Final Joint Staff Memorandum attached to which was a Final Internal Memorandum from Messers. Marakovits and Wilson. According to Staff, the estimated project cost of \$4,680,850 includes \$3,632,900 for construction and \$302,000 for construction contingency as well as other items. The project cost per customer is \$18,413 which Technical Staff believes to be high for a water project. Customer density is approximately 14 customers per mile which is considered to be low but acceptable. The project had not yet been bid.

The plans and specifications for this project have been approved by the West Virginia Office of Environmental Health Services, which issued Permit No. 15,913 for construction of the project. Technical Staff's review of the plans and specifications did not reveal any conflict with the Commission's rules and regulations concerning engineering requirements. The engineering agreement for this project between Pentree, Inc., and Gauley River Public Service District was previously approved by the Commission in Case No. 03-0690-PWD-PC.

The need for this project has been adequately documented in the final engineering report, dated January 2004. Households in the areas to be served by this project utilize inadequate individual water systems consisting of cisterns or wells. The wells generally produce levels of iron and manganese in excess of acceptable levels as determined by the Bureau for Public Health for public water systems. This is typical for this region of West Virginia. As a result, many of the residents are forced to haul water from outside sources for household use. Additionally, this project will provide an emergency connection with the Wilderness Public Service District water system in Nicholas County.

As a result of this project, Technical Staff estimated that the District's known and measurable operation and maintenance (O&M) expenses will increase approximately \$46,944. The District's estimate is \$52,846. The District proposes to fund the \$4,860,850 project with a loan of \$1,623,000 and a grant of \$3,237,850 from the RUS, United States Department of Agriculture. The RUS loan will have a 40-year term at an interest rate of not more than 4.5%. The letter of conditions for the loan specifies that payments for the first two years will consist of interest only. The remaining 38 years will require an annual debt service payment of \$89,400. RUS requires the District to establish and fund a debt service reserve account equal to 10% of the annual payment until an amount is accumulated which equals one annual installment on the loan. Staff has allowed for the funding of a renewal and replacement reserve equal to 2.5% of the gross revenue total, which is required by the bond resolution for the proposed borrowing from RUS.

A Recommended Decision in Case No. 03-2076-PWD-19A was entered on July 16, 2004, and became final on July 25, 2004. That case authorized higher water rates for the District's customers. These higher rates took into account wage increases for District employees and associated payroll taxes.

The billing analysis submitted by the District's accountant provided for the addition of 211 customers with an estimated usage per customer of 4,431 gallons per month. Staff has used these projections in its determination of the increased rates necessary to support the proposed water extension project.

Technical Staff stated that the District's known and measurable O&M expenses will increase by \$46,944. A portion of the O&M increase is attributable to purchased water and power costs; therefore, Staff has recalculated the District's incremental cost of water produced and included it in its recommended tariff. The recalculated incremental cost is \$2.28 per M gallons.

On August 12, 2004, the District filed a letter objecting to the Staff-recommended user rates which were lower than those requested by the District. The District represented that it would further analyze the Staff recommendation to see if there were possible areas of compromise with Staff.

By Order entered on September 10, 2004, the District was given ten (10) days to show cause, and specify in detail, why the Staff-recommended rates are unreasonable, noting that the District had filed nothing since its letter of August 12, 2004.

On September 20, 2004, the District filed its response to the Final Joint Staff Memorandum filed on August 4, 2004. According to the District, it believes that Staff may have underestimated the anticipated cost of providing service upon completion of the project and has recommended potentially inadequate increases in the District's rates and charges, as noted in the District's letter/filing on August 12, 2004.

On September 7, 2004, representatives from the District attended a meeting at the Commission with the Staff to discuss these concerns. During the meeting, the District raised the following issues with the Staff: (1) the total operation and maintenance cost, estimated by the Staff to be \$46,944, is \$5,901 less than the District's estimate of \$52,845. The District believes that the reduction in labor charges would create a cash flow shortfall; (2) Staff estimated that the District will receive \$18,816 in penalty payments from its customers. However, the actual amount of penalties collected during the 2003 test year totaled \$13,021. The estimated penalties which will be shown in the District's 2004 Annual Report are \$10,578. Accordingly, there is likely to be a shortfall of approximately \$8,000 if the Staff's recommended level of penalties is accepted; (3) in the cash flow analysis, the Staff has indicated that the District will collect \$675,149 through annual water sales. Applying the Staff rates to the user demands provided with the certificate application, the District will collect \$645,845 through water sales annually. Given the above, the District is extremely concerned that a cash flow shortfall in water sales revenue will be realized should Staff's recommended rates be implemented.

On September 28, 2004, Staff Attorney Toon filed a Further Joint Staff Memorandum, attached to which was a Further Final Internal Memorandum from Mr. Marakovits and Mr. Wilson. According to Staff, its initial bill analysis provided that each of the new customers to be connected to the water distribution system would have a usage of 4,431 gallons per month. The District proposed that each of these new customers would use 3,500 gallons of water monthly. Based on the bill analysis used in Case No. 03-2076-PWD-19A, the current average usage for the District's customers is approximately 3,300 gallons. Thus, the lower usage amount of 3,500 gallons would be more applicable in this case. Staff has recalculated the amount of the rate increase using a 3,500 gallon average usage per customer per month instead of the original amount of 4,431 gallons per customer per month.

Based upon this change in the projected water sales to customers, Staff now recommends an across-the-board increase of 14.8% to the District's rates and charges. Staff's recommended rates, as shown on Attachment 2, will generate annual operating revenues of approximately \$675,142. The recommended rates will generate a cash flow surplus of

\$7,350, which is sufficient to cover the required cash flow surplus amount of \$6,826 established in the previous rate case, Case No. 03-2076-PWD-19A. The resulting debt service coverage will be 119.37% which is sufficient to meet the Rural Utilities Service requirement of 115.00%.

Staff continues to recommend approval of the application for a certificate of convenience and necessity for the proposed waterline extension project and all Staff Recommendations found in the Final Internal Memorandum remain the same, except those dealing with the amount of the rate increase, the resultant cash flow analysis and wording changes associated with the tap fee. Staff has also removed the security deposit language from the Staff-recommended tariff, since WV Code §16-13A-9 permits the charge and thus it is not necessary for it to be included in the District's tariff.

On October 5, 2004, the District filed a letter with the Commission responding to the Further Joint Staff Memorandum filed on September 28, 2004, stating that it concurs in all aspects with the Staff Recommendation.

On October 22, 2004, the District filed an affidavit certifying that each individual customer has been notified as required by Procedural Rule 10.3.d.

Upon consideration of all of the above, the Administrative Law Judge is of the opinion that the application should be approved, along with the proposed financing and recommended rates.

FINDINGS OF FACT

1. On April 15, 2004, Gauley River Public Service District filed an application, duly verified, for a certificate of convenience and necessity to construct certain improvements and to upgrade the booster station at Alta. (See Application).

2. On May 12, 2004, the District filed Affidavits of Publication verifying publication of the Notice of Filing in Nicholas, Clay, and Fayette counties. The thirty (30) day protest period expired on May 31, 2004, with no protests having been filed. (See Affidavits of publication filed May 12, 2004).

3. The District gave Notice to all of its customers of the Notice of Filing as required by Procedural Rule 10.3.d. (See Affidavit filed October 22, 2004).

4. The proposed project will serve approximately 264 new customers in the Twentymile and Route 39/Peters Creek areas of Fayette and Nicholas Counties, at 20 Mile Creek, Vaughan, Little Elk Mountain, Lyonsville, Lockwood and Drennan, West Virginia. (See application filed April 15, 2004; Final Joint Memorandum filed August 12, 2004).

5. The District estimated that the cost of the project will be approximately \$4,860,850. The project will be funded by a loan in the approximate amount of \$1,623,000 and a grant in the approximate amount of \$3,237,850, both from the Rural Utilities Service (RUS), United States Department of Agriculture. The loan will have a term of forty (40) years at an approximate interest rate of 4.5%. The District's debt service on the RUS loan will be funded by additional revenues generated by the new customers to be served by the project and in part by an increase in the District's rates and charges as requested in the application. (See application filed April 15, 2004; Final Joint Staff Memorandum filed August 4, 2004).

6. Staff is recommending an across-the-board increase of 14.8% to the District's rates and charges. Staff's recommended rates will generate annual operating revenues of approximately \$675,142. The recommended rates will generate a cash flow surplus of \$7,350 which is sufficient to cover the required cash flow surplus amount of \$6,826 established in the District's previous rate case, Case No. 03-2076-PWD-19A. The resulting debt service coverage will be 119.37% which is sufficient to meet the Rural Utility Service requirement of 115.00%. (See Further Joint Staff Memorandum filed September 28, 2004).

7. The need for this project has been adequately documented in the final engineering report, dated January 2004. Households in the areas to be served by this project utilize inadequate individual water systems consisting of cisterns or wells. The wells generally produce levels of iron and manganese in excess of acceptable levels as determined by the Bureau for Public Health for public water systems. This is typical for this region of West Virginia. As a result, many of the residents are forced to haul water from outside sources for household use. Additionally, this project will provide an emergency connection with the Wilderness Public Service District water system in Nicholas County. (See Final Joint Staff Memorandum filed August 4, 2004, with attachments).

8. Staff is of the opinion that the project is in the public interest and adequately funded, will serve the area at reasonable rates and should be approved. (See Final Joint Staff Memorandum filed August 4, 2004; Further Joint Staff Memorandum filed September 28, 2004, with Attachments).

9. The District filed a letter with the Commission stating that it concurs in all aspects with the Further Joint Staff Memorandum filed on September 28, 2004. (See letter filed October 5, 2004).

CONCLUSIONS OF LAW

1. The public convenience and necessity require the proposed project.

2. The proposed project will provide adequate service.

3. The project is adequately financed on a permanent basis and is economically feasible for Gauley River Public Service District.

4. The Staff recommended rates and charges are reasonable and should be approved for all service provided after the project is substantially completed.

5. Good cause has been shown to waive formal hearing on this matter pursuant to WV Code §24-2-11, since no protests have been received to the project.

6. The issuance of this certificate of convenience and necessity shall be valid for the project as proposed. Any substantial changes in the scope of this project and/or funding after the granting of the certificate will require further approval from the Public Service Commission.

ORDER

IT IS, THEREFORE, ORDERED that a certificate of convenience and necessity be, and hereby is, granted to Gauley River Public Service District to construct certain improvements and to upgrade the booster station at Alta to serve approximately 264 new customers in the Twenty Mile and Route 39/Peters Creek areas of Fayette and Nicholas County, at Twentymile Creek, Vaughan, Little Elk Mountain, Lyonsville, Lockwood, and Drennan, West Virginia, as set forth in the application filed herein on April 15, 2004.

IT IS FURTHER ORDERED that the proposed financing, consisting of a loan in the approximate amount of \$1,623,000 and a grant in the approximate amount of \$3,237,850.00, both from the Rural Utility Service (RUS), United States Department of Agriculture, be, and hereby is, approved. The loan will have a term of forty (40) years and an approximate interest rate of 4.5%.

IT IS FURTHER ORDERED that the Staff's recommended rates and charges be, and hereby are, approved, to become effective for all service rendered by Gauley River Public Service District on and after the date this project is placed into service. Gauley River Public Service District shall file a revised tariff setting forth the rates and charges approved herein, within thirty (30) days from the date that the project is certified as complete. The approved rates and charges are attached hereto as Appendix A.

IT IS FURTHER ORDERED that a formal hearing in this matter be waived, pursuant to WV Code §24-2-11, for the reasons that no protests were received after publication and there remain no outstanding issues to be litigated.

IT IS FURTHER ORDERED that the District notify the Commission as soon as the project is certified as complete.

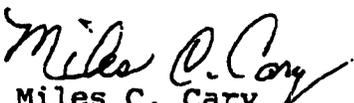

IT IS FURTHER ORDERED that, if there are any changes to the scope, plans or financing of the project, the District obtain Commission approval of such changes prior to commencing construction.

The Executive Secretary is hereby ordered to serve a copy of this order upon the Commission by hand delivery, and upon all parties of record by United States Certified Mail, return receipt requested.

Leave is hereby granted to the parties to file written exceptions supported by a brief with the Executive Secretary of the Commission within fifteen (15) days of the date this order is mailed. If exceptions are filed, the parties filing exceptions shall certify to the Executive Secretary that all parties of record have been served said exceptions.

If no exceptions are so filed this order shall become the order of the Commission, without further action or order, five (5) days following the expiration of the aforesaid fifteen (15) day time period, unless it is ordered stayed or postponed by the Commission.

Any party may request waiver of the right to file exceptions to an Administrative Law Judge's Order by filing an appropriate petition in writing with the Secretary. No such waiver will be effective until approved by order of the Commission, nor shall any such waiver operate to make any Administrative Law Judge's Order or Decision the order of the Commission sooner than five (5) days after approval of such waiver by the Commission.

At a session of the Public Service Commission of West Virginia, in the City of Charleston, on the 21st day of October, 2005.

CASE NO. 04-0560-PWD-CN

GAULEY RIVER PUBLIC SERVICE DISTRICT

Application for a certificate of convenience and necessity to construct certain improvements and to upgrade the booster station at Alta to serve approximately 264 new customers in the Twentymile and Route 39/Peters Creek areas of Fayette and Nicholas Counties, at Twentymile Creek, Vaughn, Little Elk Mountain, Lyonsville; Lockwood and Drennan, West Virginia

COMMISSION ORDER

The Commission shall grant the District's petition for approval of increased project costs and revised project financing.

BACKGROUND

By Recommended Decision entered October 29, 2004, which became a final order on November 18, 2004, the Commission granted a certificate of convenience and necessity to the Gauley River Public Service District (District) for a waterline extension. The order also approved an estimated project cost of \$4,860,850, with funding by a loan in the approximate amount of \$1,623,000 and a grant in the approximate amount of \$3,237,850, both from the Rural Utilities Service (RUS). The loan was for a term of forty (40) years at an approximate interest rate of 4.5%. The District was required to request a reopening of this case should there be any changes in the plans, scope and terms of financing of the project.

On October 3, 2005, the District filed a petition to reopen this certificate case to approve increased project costs and increased financing. The District indicated that on August 4, 2005, it opened bids for the project and the lowest responsible bid exceeded the original estimated budget by \$1,228,950. The District stated that it revised the original

project budget by deleting the equipment line item and reducing the contingency and interest line items. The District stated that it applied to the RUS for an additional loan of \$61,000 and an additional grant of \$234,460. The District had also applied for an Abandoned Mine Lands (AML) grant of \$753,840.

The District's bids will expire on November 2, 2005, and due to rising costs, the contractors have indicated that they will not grant an extension. The District requested an Order by October 21, 2005 in order to close on the financing on October 24, 2005.

On October 13, 2005, the District filed an amended petition. Therein, the District indicated that it had received an additional grant from RUS in the amount of \$295,460 so that it would not have to incur the additional RUS loan. The District also received the requested AML grant in the amount of \$783,840.

The District indicated that the total revised project costs are \$5,910,150 which is be funded with: (1) an RUS loan in the amount of \$1,623,000 at 4.25% interest with a term of 40 years; (2) an RUS grant in the total amount of \$3,533,310; and (3) an AML grant in the amount of \$753,840. Additionally, the District stated that the RUS requested that the District obtain interim financing for the project in the form of a line of credit in the principal amount of \$300,000 from a local bank. Approval for the revised project costs, revised permanent financing and interim financing was requested.

Staff filed its Initial and Final Joint Staff Memorandum on October 18, 2005. Staff confirmed that all commitment letters for the proposed financing had been received. Staff noted that although RUS requires that the District obtain interim financing, in the form of a \$300,000 line of credit, it is the intention that the District would never have to invoke the line of credit. The line of credit will serve as emergency backup in case there is a delay in funds becoming available to the District. Staff indicated that the District received a proposal for the line of credit from City National Bank in the amount of \$300,000 for a term not to exceed 12 months with a variable interest rate of the Wall Street Journal Prime rate plus 0.25%. Currently that would equal 7% per year.

As the increased project costs are being entirely funded by grants, Staff opined that it would not be necessary to increase rates. Staff recommended a waiver of any additional notice; approval of the increased project costs; approval of the additional funding; and, approval of the interim line of credit.

DISCUSSION

Based on a review of the foregoing, the Commission concludes that the District's petition for approval of increased project costs, revised permanent financing, and interim financing should be approved.

FINDINGS OF FACT

1. By filings on October 3 and October 13, 2005, the District asked that this proceeding be reopened for expedited approval of revised project costs and revised financing, due to a bid overrun.

2. The District has obtained an additional \$295,460 RUS grant and a grant from the AML in the amount of \$783,840. The District stated that the total project cost is now \$5,910,150 and will be funded with: (1) an RUS loan in the amount of \$1,623,000 at 4.25% interest with a term of 40 years; (2) an RUS grant in the amount of \$3,533,310; and (3) an AML grant in the amount of \$753,840.

3. At the request of RUS, the District is also seeking approval for interim financing consisting of a \$300,000 line of credit for a term not to exceed 12 months with a variable interest rate at the Wall Street Journal Prime rate plus 0.25%. Currently that would equal 7% per year. It is the intention that the District would never have to invoke the line of credit and it will only serve as emergency backup in case there is a delay in RUS funds becoming available to the District.

4. On October 18, 2005, Staff confirmed that all commitment letters for the proposed financing had been received; that there would be no change in the District's rates as a result of the revised funding; and recommended approval of the petition.

CONCLUSIONS OF LAW

1. The District's request to increase project costs to \$5,910,150 should be approved.

2. The District's request to increase funding consisting of an additional grant from RUS in the amount of \$295,460 and a grant from the AML in the amount of \$783,840 should be approved.

3. The District's request for interim financing consisting of a \$300,000 line of credit for a term not to exceed 12 months with a variable interest rate at the Wall Street

Journal Prime rate plus 0.25% should be approved.

ORDER

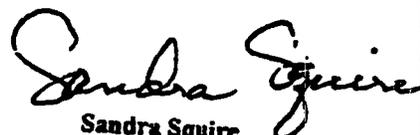

IT IS, THEREFORE, ORDERED that the Gauley River Public Service District's petition for increased project costs; revised funding, consisting of an additional \$295,460 RUS grant and an AML grant in the amount of \$783,840; and interim financing consisting of a \$300,000 line of credit for a term not to exceed 12 months with a variable interest rate at the Wall Street Journal Prime rate plus 0.25% is hereby approved.

IT IS FURTHER ORDERED that in the event of any change to the funding, terms of financing, plans, or scope of the approved project, the Gauley River Public Service District shall petition the Commission to reopen this proceeding for approval of the same.

IT IS FURTHER ORDERED that upon entry of this Order, this case shall be removed from the Commission's docket of active cases.

IT IS FURTHER ORDERED that the Commission's Executive Secretary serve a copy of this Order upon all parties of record by United States First Class Mail and upon Commission Staff by hand delivery.

Re: Binding Commitment Letter
Gauley River Public Service District
Water Project 2001W-630

Dear Mr. Deering:

The West Virginia Infrastructure and Jobs Development Council (the "Infrastructure Council") provides this binding offer of an Infrastructure Fund loan of approximately \$354,818 (the "Loan") for the above referenced water project ("Project"). The Infrastructure Council has determined that the Project is technically feasible within the guidelines of the Infrastructure and Jobs Development Act. The Loan will be subject to the terms set forth on Schedule A attached hereto and incorporated herein by reference. The Infrastructure Council will set aside a portion of the Infrastructure Fund to make the Loan upon the District's compliance with the program requirements. The Loan agreements will be between the District and the West Virginia Water Development Authority (Authority), acting on behalf of the Infrastructure Council.

The Authority will enter into a Loan agreement with the District following receipt of the completed Schedule B, a final, nonappealable order from the Public Service Commission authorizing construction of the Project, evidence of binding commitments for other funding; evidence of all permits; evidence of acceptable bids; and any other documents requested by the Infrastructure Council.

No statements or representations made before or after the issuance of this contingent commitment by any person, member of the Infrastructure Council, or agent or employee of the Authority shall be construed as approval to alter or amend this commitment, as all such amendments or alterations shall only be made in writing after approval of the Infrastructure Council.

If the District has any questions regarding this commitment, please contact Jeff Brady at the above-referenced telephone number.

Sincerely,

Kenneth Lowe, Jr.

Re: Gauley River Public Service District
Water Project 2001W-630

Dear Mr. Derring:

The West Virginia Infrastructure and Jobs Development Council (the "Infrastructure Council") has reviewed the Gauley River Public Service District's (the "District") preliminary application regarding its proposed project to extend water service to approximately 264 new customers (the "Project").

Based on the findings of the Water Technical Review Committee, the Infrastructure Council has determined that the Project is technically feasible within the guidelines of the Infrastructure and Jobs Development Act. The District should carefully review the enclosed comments of the Water Technical Review Committee as the District may need to address certain issues raised in said comments as it proceeds with the Project.

Upon consideration of the preliminary application, the Infrastructure Council recommends that the District pursue Abandoned Mine Lands (AML) assistance of \$937,759, a Small Cities Block Grant of \$1,500,000, and Rural Utilities Service (RUS) assistance of \$1,762,813 to finance this \$4,860,572 Project. Please contact the Department of Environmental Protection, Office of AML at 759-0521, the West Virginia Development Office at 558-4010 and the regional RUS office at 252-8644 for specific information on the steps the District needs to follow to apply for these funds. **Please note that this letter does not constitute funding approval from these agencies.**

The Infrastructure Council also determined the District may be eligible for Infrastructure Fund assistance in the amount of \$660,000. However, the Infrastructure Council's final decision regarding specific funding of the Project is deferred pending the District's readiness to proceed and availability of funds in the Infrastructure Fund. **This letter is not a commitment letter of Infrastructure Funds.** The Project will be placed on the Infrastructure Council's pending list of projects.

If you have any questions regarding this matter, please contact Katy Mallory at 558-4607.

Sincerely,

Russell L. Isaacs

LOAN AGREEMENT

THIS LOAN AGREEMENT, made and entered into in several counterparts, by and between the WEST VIRGINIA WATER DEVELOPMENT AUTHORITY, a governmental instrumentality and body corporate of the State of West Virginia (the "Authority"), acting on behalf of the WEST VIRGINIA INFRASTRUCTURE AND JOBS DEVELOPMENT COUNCIL (the "Council"), and the governmental agency designated below (the "Governmental Agency").

GAULEY RIVER PUBLIC SERVICE DISTRICT
(Governmental Agency)

W I T N E S S E T H:

WHEREAS, pursuant to the provisions of Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended (the "Act"), the Authority is empowered upon request of the Council to make loans to governmental agencies for the acquisition or construction of projects by such governmental agencies, subject to such provisions and limitations as are contained in the Act;

WHEREAS, the Governmental Agency constitutes a governmental agency as defined by the Act;

WHEREAS, the Governmental Agency is authorized and empowered by the statutes of the State to acquire, construct, improve, operate and maintain a project, as defined by the Act, and to finance the cost of acquisition and construction of the same by borrowing money to be evidenced by revenue bonds issued by the Governmental Agency;

WHEREAS, the Governmental Agency intends to construct, is constructing or has constructed such a project at the location and as more particularly described and set forth in the Application, as hereinafter defined (the "Project");

WHEREAS, the Governmental Agency has completed and filed with the Authority an Application for a Construction Loan with attachments and exhibits and an Amended Application for a Construction Loan also with attachments and exhibits (together, as further revised and supplemented, the "Application"), which Application is incorporated herein by this reference; and

WHEREAS, having reviewed the Application and made all findings required by the Act and having available sufficient funds therefor, the Council has authorized the Authority to lend the Governmental Agency the amount set forth on Schedule X attached hereto and incorporated herein by reference, through the purchase of revenue bonds of the Governmental Agency with money in the Infrastructure Fund, subject to the Governmental Agency's satisfaction of certain legal and other requirements of the Council's loan program (the "Program") as hereinafter set forth.

NOW, THEREFORE, in consideration of the premises and the mutual agreements hereinafter contained, the Governmental Agency and the Authority hereby agree as follows:

ARTICLE I

Definitions

1.1 Except where the context clearly indicates otherwise, the terms "Authority," "cost," "Council," "governmental agency," "project," "waste water facility" and "water facility" have the definitions and meanings ascribed to them in the Act.

1.2 "Authority" means the West Virginia Water Development Authority, which is expected to be the original purchaser of the Bonds, acting in its administrative capacity pursuant to Section 10 of the Act and upon authorization from the Council.

1.3 "Consulting Engineers" means the professional engineer, licensed by the State, designated in the Application and any qualified successor thereto; provided, however, when a Loan is made for a Project financed, in part, by the Office of Abandoned Mine Lands, "Consulting Engineers" shall mean the West Virginia Department of Environmental Protection, or any successor thereto.

1.4 "Infrastructure Fund" means the West Virginia Infrastructure Fund established in accordance with Section 9 of the Act.

1.5 "Loan" means the loan to be made by the Authority to the Governmental Agency through the purchase of Local Bonds, as hereinafter defined, pursuant to this Loan Agreement.

1.6 "Local Act" means the official action of the Governmental Agency required by Section 4.1 hereof, authorizing the Local Bonds.

1.7 "Local Bonds" means the revenue bonds to be issued by the Governmental Agency pursuant to the provisions of the Local Statute, as hereinafter defined, to evidence the Loan and to be purchased by the Authority, all in accordance with the provisions of this Loan Agreement.

1.8 “Local Statute” means the specific provisions of the Code of West Virginia, 1931, as amended, pursuant to which the Local Bonds are issued.

1.9 “Operating Expenses” means the reasonable, proper and necessary costs of operation and maintenance of the System, as hereinafter defined, as should normally and regularly be included as such under generally accepted accounting principles.

1.10 “Project” means the project hereinabove referred to, to be constructed or being constructed by the Governmental Agency in whole or in part with the net proceeds of the Local Bonds.

1.11 “System” means the project owned by the Governmental Agency, of which the Project constitutes all or to which the Project constitutes an improvement, and any improvements thereto hereafter constructed or acquired from any sources whatsoever.

1.12 Additional terms and phrases are defined in this Loan Agreement as they are used.

ARTICLE II

The Project and the System

2.1 The Project shall generally consist of the construction and acquisition of the facilities described in the Application, to be, being or having been constructed in accordance with plans, specifications and designs prepared for the Governmental Agency by the Consulting Engineers, the Authority and Council having found, to the extent applicable, that the Project is consistent with the Act.

2.2 Subject to the terms, conditions and provisions of this Loan Agreement and the Local Act, the Governmental Agency has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared for the Governmental Agency by the Consulting Engineers.

2.3 All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Governmental Agency, subject to any mortgage lien or other security interest as is provided for in the Local Statute unless a sale or transfer of all or a portion of said property or any interest therein is approved by the Authority and Council.

2.4 The Governmental Agency agrees that the Authority and the Council and their duly authorized agents shall have the right at all reasonable times to enter upon the Project site and Project facilities and to examine and inspect the same. The Governmental Agency further agrees that the Authority and the Council and their duly authorized agents and representatives shall, prior to, during and after completion of construction and commencement of operation of the Project, have such rights of access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the Council with respect to the System pursuant to the pertinent provisions of the Act.

2.5 The Governmental Agency shall keep complete and accurate records of the cost of acquiring the Project site and the costs of constructing, acquiring and installing the Project. The Governmental Agency shall permit the Authority and the Council, acting by and through their directors or their duly authorized agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at any and all reasonable times for the purpose of audit and examination, and the Governmental Agency shall submit to the Authority and the Council such documents and information as they may reasonably require in connection with the construction, acquisition and installation of the Project, the operation and maintenance of the System and the administration of the Loan or of any State and federal grants or other sources of financing for the Project.

2.6 The Governmental Agency agrees that it will permit the Authority and the Council and their agents and representatives to have access to the records of the Governmental Agency pertaining to the operation and maintenance of the System at any reasonable time following completion of construction of the Project and commencement of operation thereof or if the Project is an improvement to an existing system at any reasonable time following commencement of construction.

2.7 The Governmental Agency shall require that each construction contractor furnish a performance bond and a payment bond, each in an amount at least equal to one hundred percent (100%) of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract and shall verify or have verified such bonds prior to commencement of construction.

2.8 The Governmental Agency shall require that each of its contractors and all subcontractors maintain, during the life of the construction contract, workers' compensation coverage, public liability insurance, property damage insurance and vehicle liability insurance in amounts and on terms satisfactory to the Council and the Authority and shall verify or have verified such insurance prior to commencement of construction. Until the Project facilities are completed and accepted by the Governmental Agency, the Governmental Agency or (at the option of the Governmental Agency) the contractor shall maintain builder's risk insurance (fire and extended coverage) on a one hundred percent (100%) basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Governmental Agency, the prime contractor and all subcontractors, as

their interests may appear. If facilities of the System which are detrimentally affected by flooding are or will be located in designated special flood or mudslide-prone areas and if flood insurance is available at a reasonable cost, a flood insurance policy must be obtained by the Governmental Agency on or before the Date of Loan Closing, as hereinafter defined, and maintained so long as any of the Local Bonds is outstanding. Prior to commencing operation of the Project, the Governmental Agency must also obtain, and maintain so long as any of the Local Bonds are outstanding, business interruption insurance if available at a reasonable cost.

2.9 The Governmental Agency shall provide and maintain competent and adequate engineering services satisfactory to the Council and the Authority covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the Council and the Governmental Agency at the completion of construction that construction is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

2.10 The Governmental Agency shall at all times provide operation and maintenance of the System in compliance with any and all State and federal standards. The Governmental Agency shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of this Loan Agreement.

2.11 The Governmental Agency hereby covenants and agrees to comply with all applicable laws, rules and regulations issued by the Council, the Authority or other State, federal or local bodies in regard to the construction of the Project and operation, maintenance and use of the System.

2.12 The Governmental Agency, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project, shall each month complete a Monthly Financial Report, the form of which is attached hereto as Exhibit C and incorporated herein by reference, and forward a copy by the 10th of each month to the Authority and Council.

ARTICLE III

Conditions to Loan; Issuance of Local Bonds

3.1 The agreement of the Authority and Council to make the Loan is subject to the Governmental Agency's fulfillment, to the satisfaction of the Authority and the Council, of each and all of those certain conditions precedent on or before the delivery date for the Local Bonds, which shall be the date established pursuant to Section 3.4 hereof. Said conditions precedent are as follows:

(a) The Governmental Agency shall have performed and satisfied all of the terms and conditions to be performed and satisfied by it in this Loan Agreement;

(b) The Governmental Agency shall have authorized the issuance of and delivery to the Authority of the Local Bonds described in this Article III and in Article IV hereof;

(c) The Governmental Agency shall either have received bids or entered into contracts for the construction of the Project which are in an amount and otherwise compatible with the plan of financing described in the Application; provided that, if the Loan will refund an interim construction financing, the Governmental Agency must either be constructing or have constructed its Project for a cost and as otherwise compatible with the plan of financing described in the Application; and, in either case, the Authority and the Council shall have received a certificate of the Consulting Engineers to such effect, the form of which certificate is attached hereto as Exhibit A;

(d) The Governmental Agency shall have obtained all permits required by the laws of the State and the federal government necessary for the construction of the Project, and the Authority and the Council shall have received a certificate of the Consulting Engineers to such effect;

(e) The Governmental Agency shall have obtained all requisite orders of and approvals from the Public Service Commission of West Virginia (the "PSC") and the Council necessary for the construction of the Project and operation of the System, with all requisite appeal periods having expired without successful appeal, and the Authority and the Council shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority and the Council, to such effect;

(f) The Governmental Agency shall have obtained any and all approvals for the issuance of the Local Bonds required by State law, and the Authority and the Council shall have received an opinion of counsel to the Governmental Agency,

which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

(g) The Governmental Agency shall have obtained any and all approvals of rates and charges required by State law and shall have taken any other action required to establish and impose such rates and charges (imposition of such rates and charges is not, however, required to be effective until completion of construction of the Project), with all requisite appeal periods having expired without successful appeal, and the Authority and the Council shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority and the Council, to such effect;

(h) Such rates and charges for the System shall be sufficient to comply with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof, and the Authority and the Council shall have received a certificate of the accountant for the Governmental Agency, or such other person or firm experienced in the finances of governmental agencies and satisfactory to the Authority and the Council, to such effect; and

(i) The net proceeds of the Local Bonds, together with all moneys on deposit or to be simultaneously deposited (or, with respect to proceeds of grant anticipation notes or other indebtedness for which a binding purchase contract has been entered, to be deposited on a date certain) and irrevocably pledged thereto and the proceeds of grants irrevocably committed therefor, shall be sufficient to pay the costs of construction and acquisition of the Project as set forth in the Application, and the Authority shall have received a certificate of the Consulting Engineers, or such other person or firm experienced in the financing of projects and satisfactory to the Authority and the Council, to such effect, such certificate to be in form and substance satisfactory to the Authority and the Council, and evidence satisfactory to the Authority and the Council of such irrevocably committed grants.

3.2 Subject to the terms and provisions of this Loan Agreement, the rules and regulations promulgated by the Authority, the Council or any other appropriate State agency and any applicable rules, regulations and procedures promulgated from time to time by the federal government, it is hereby agreed that the Authority shall make the Loan to the Governmental Agency and the Governmental Agency shall accept the Loan from the Authority, and in furtherance thereof it is agreed that the Governmental Agency shall sell to the Authority and the Authority shall make the Loan by purchasing the Local Bonds in the principal amount and at the price set forth in Schedule X hereto. The Local Bonds shall have such further terms and provisions as described in Article IV hereof.

3.3 The Loan shall be secured and shall be repaid in the manner hereinafter provided in this Loan Agreement.

3.4 The Local Bonds shall be delivered to the Authority, at the offices of the Authority, on a date designated by the Governmental Agency by written notice to the

Authority, which written notice shall be given not less than ten (10) business days prior to the date designated; provided, however, that if the Authority is unable to accept delivery on the date designated, the Local Bonds shall be delivered to the Authority on a date as close as possible to the designated date and mutually agreeable to the Authority, the Council and the Governmental Agency. The date of delivery so designated or agreed upon is hereinafter referred to as the "Date of Loan Closing." Notwithstanding the foregoing, the Date of Loan Closing shall in no event occur more than ninety (90) days after the date of execution of this Loan Agreement by the Authority or such later date as is agreed to in writing by the Council.

3.5 The Governmental Agency understands and acknowledges that it is one of several governmental agencies which have applied to the Council for loans from the Infrastructure Fund to finance projects and that the obligation of the Authority to make any such loan is subject to the Council's authorization and the Governmental Agency's fulfilling all of the terms and conditions of this Loan Agreement on or prior to the Date of Loan Closing. The Governmental Agency specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Infrastructure Fund to purchase all the Local Bonds and that, prior to execution of this Loan Agreement, the Authority may commit to and purchase the revenue bonds of other governmental agencies for which it has sufficient funds available.

ARTICLE IV

Local Bonds; Security for Loan; Repayment of Loan; Interest on Loan; Fees and Charges

4.1 The Governmental Agency shall, as one of the conditions of the Authority to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Governmental Agency in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows, unless the specific provision or covenant is modified or waived by the Council:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues shall be used monthly, in the order of priority listed below:

(i) to pay Operating Expenses of the System;

(ii) to the extent not otherwise limited by any outstanding loan resolution, indenture or other act or document and beginning on the date set forth in Schedule X, to provide debt service on the Local Bonds by depositing in a sinking fund one-third (1/3) of the interest payment next coming due on the Local Bonds and one-third (1/3) of the principal payment next coming due on the Local Bonds and, beginning three

(3) months prior to the first date of payment of principal of the Local Bonds, if the reserve account for the Local Bonds (the "Reserve Account") was not funded from proceeds of the Local Bonds or otherwise concurrently with the issuance thereof (which, with an approving opinion of bond counsel to the Governmental Agency, may be with a letter of credit or surety) in an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement"), by depositing in the Reserve Account an amount not less than one-twelfth (1/12) of one-tenth (1/10) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided, that if the Governmental Agency has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by a pledge of either the gross or net revenues of the System, as more fully set forth in Schedule X attached hereto and in the Local Act;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Governmental Agency shall complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or with the written consent of the Council and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Local Bonds outstanding, with further restrictions on the disposition of portions of the System as are normally contained in such covenants;

(v) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and the Council; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Governmental Agency will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Governmental Agency will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Governmental Agency under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Governmental Agency will not grant any franchise to provide any services which would compete with the System;

(xi) That the Governmental Agency shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority

and the Council, which report shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the Governmental Agency's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xii) That the Governmental Agency shall annually adopt a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding fiscal year and shall submit a copy of such budget to the Authority and the Council within 30 days of adoption thereof;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Governmental Agency and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim financing of such Governmental Agency, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the Authority and the Council, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Governmental Agency may not redeem any Local Bonds by it without the written consent of the Authority and the Council and otherwise in compliance with this Loan Agreement;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for the Local Bonds;

(xvii) That the Governmental Agency shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Governmental Agency shall complete the Monthly Payment Form, attached hereto as Exhibit D and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month;

(xviii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which

exception shall be set forth in an opinion of bond counsel, the Governmental Agency will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Governmental Agency shall take any and all action, or shall refrain from taking any action regarding the use of the proceeds of the Local Bonds, as shall be deemed necessary by the Authority to maintain the exclusion from gross income for federal income tax purposes of interest on the State's general obligation bonds or any bonds secured by the Local Bonds;

(xx) That the Governmental Agency shall have obtained the certificate of the Consulting Engineer in the form attached hereto as Exhibit A, to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority and the Council, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the Council is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and State laws for construction of the Project have been obtained;

(xxi) That the Governmental Agency shall, to the full extent permitted by applicable law and the rules and regulations of the PSC, terminate the services of any water facility owned by it to any customer of the System who is delinquent in payment of charges for services provided by the System and will not restore the services of the water facility until all delinquent charges for the services of the System have been fully paid or, if the water facility is not owned by the Governmental Agency, then the Governmental Agency shall enter into a termination agreement with the water provider;

(xxii) That the Governmental Agency shall furnish to the Authority such information with respect to earnings on all funds constituting "gross proceeds" of the Local Bonds (as that term is defined in the Internal Revenue Code of 1986, as amended) from time to time as the Authority may request;

(xxiii) That the Governmental Agency shall submit all proposed change orders to the Council for written approval. The Governmental Agency shall obtain the written approval of the Council before expending any proceeds of the Local Bonds held in "contingency" as set forth in the final Schedule B attached to the certificate of the Consulting Engineer. The Governmental Agency shall obtain the written approval of the Council before expending any proceeds of the Local Bonds available due to bid/construction/project underruns;

(xxiv) That the Governmental Agency shall list the funding provided by the Authority and the Council in any press release, publication, program bulletin, sign or other public communication that references the Project, including but not

limited to any program document distributed in conjunction with any groundbreaking or dedication of the Project; and

(xxv) That, unless it qualifies for an exception, the Governmental Agency shall comply with all the requirements of Chapter 21, Article 1C of the Code of West Virginia, 1931, as amended (the "West Virginia Jobs Act") and shall require its contractors and subcontractors to comply with the West Virginia Jobs Act. The Governmental Agency shall provide the Council and the Authority with a certificate stating that (I) the Governmental Agency will comply with all the requirements of the West Virginia Jobs Act; (II) the Governmental Agency has included the provisions of the West Virginia Jobs Act in each contract and subcontract for the Project; (III) the Governmental Agency has received or will receive, prior to entering into contracts or subcontracts, from each contractor or subcontractor a certificate demonstrating compliance with Section 4 of the West Virginia Jobs Act or waiver certificates from the West Virginia Division of Labor ("DOL"); and (IV) the Governmental Agency will file with the DOL and the Council copies of the waiver certificates and certified payrolls or comparable documents that include the number of employees, the county and state wherein the employees reside and their occupation, following the procedures established by the DOL. The monthly requisitions submitted to the Council shall also certify that the Governmental Agency is monitoring compliance by its contractors and subcontractors and that the required information has been submitted.

The Governmental Agency hereby represents and warrants that the Local Act has been or shall be duly adopted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, validity, sale and delivery of the Local Bonds shall be approved without qualification by recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit B.

4.2 The Loan shall be secured by the pledge and assignment by the Governmental Agency, as effected by the Local Act, of the fees, charges and other revenues of the Governmental Agency from the System as further set forth by and subject only to such reservations and exceptions as are described in Schedules X and Y hereto or are otherwise expressly permitted in writing by the Authority and the Council.

4.3 The principal of the Loan shall be repaid by the Governmental Agency on the days and in the years provided in Schedule X hereto. Interest payments on the Loan shall be made by the Governmental Agency on a quarterly basis as provided in said Schedule X.

4.4 The Loan shall bear interest from the date and at the rate or rates per annum set forth on Schedule X hereto. In no event shall the interest rate on or the net interest cost of the Local Bonds exceed any statutory limitation with regard thereto.

4.5 The Local Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the

expense of the Governmental Agency. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series, as reflected by Schedule X hereto.

4.6 The Governmental Agency agrees to expend the net proceeds of the Local Bonds for the Project within 3 years of the issuance of the bonds which are the source of money used to purchase the Local Bonds, unless otherwise agreed to by the Council.

ARTICLE V

Certain Covenants of the Governmental Agency; Imposition and Collection of User Charges; Payments To Be Made by Governmental Agency to the Authority

5.1 The Governmental Agency hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this Loan Agreement and the Local Act. The Governmental Agency hereby further irrevocably covenants and agrees that, as one of the conditions of the Authority to make the Loan, it has fixed and collected, or will fix and collect, the rates, fees and other charges for the use of the System and will take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and in compliance with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof.

5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds shall prove to be insufficient to produce the required sums set forth in the Local Act and this Loan Agreement, the Governmental Agency hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges (or where applicable, immediately file with the PSC for a rate increase) and take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and this Loan Agreement.

5.3 In the event the Governmental Agency defaults in the payment due to the Authority pursuant to this Loan Agreement, the amount of such default shall bear interest at the interest rate of the installment of the Loan next due, from the date of the default until the date of the payment thereof.

5.4 The Governmental Agency hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Governmental Agency, the Authority may exercise any or all of the rights and powers granted under the Act and State law, including, without limitation, the right to an appointment of a receiver.

ARTICLE VI

Other Agreements of the Governmental Agency

6.1 The Governmental Agency hereby warrants and represents that all information provided to the Authority and the Council in this Loan Agreement, in the Application or in any other application or documentation with respect to financing the Project was at the time, and now is, true, correct and complete, and such information does not omit any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Prior to the Authority's making the Loan and receiving the Local Bonds, the Authority and the Council shall have the right to cancel all or any of their obligations under this Loan Agreement if (a) any representation made to the Authority and the Council by the Governmental Agency in connection with the Loan shall be incorrect or incomplete in any material respect or (b) the Governmental Agency has violated any commitment made by it in its Application or in any supporting documentation or has violated any of the terms of the Act or this Loan Agreement.

6.2 The Governmental Agency hereby covenants that it will rebate any amounts required by Section 148 of the Internal Revenue Code of 1986, as amended, and will take all steps necessary to make any such rebates. In the event the Governmental Agency fails to make any such rebates as required, then the Governmental Agency shall pay any and all penalties, obtain a waiver from the Internal Revenue Service and take any other actions necessary or desirable to preserve the exclusion from gross income for federal income tax purposes of interest on the Local Bonds.

6.3 Notwithstanding Section 6.2, the Authority may at any time, in its sole discretion, cause the rebate calculations prepared by or on behalf of the Governmental Agency to be monitored or cause the rebate calculations for the Governmental Agency to be prepared, in either case at the expense of the Governmental Agency.

6.4 The Governmental Agency hereby agrees to give the Authority and the Council prior written notice of the issuance by it of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project or otherwise related to the Project or the System.

6.5 The Governmental Agency hereby agrees to file with the Authority and the Council upon completion of acquisition and construction of the Project a schedule in substantially the form of Amended Schedule B to the Application, setting forth the actual costs of the Project and sources of funds therefor.

ARTICLE VII

Miscellaneous

7.1 Additional definitions, additional terms and provisions of the Loan and additional covenants and agreements of the Governmental Agency, if any, may be set forth in Schedule Z attached hereto and incorporated herein by reference, with the same effect as if contained in the text of this Loan Agreement.

7.2 Schedules X and Y shall be attached to this Loan Agreement by the Authority as soon as practicable after the Date of Loan Closing is established and shall be approved by an official action of the Governmental Agency supplementing the Local Act, a certified copy of which official action shall be submitted to the Authority and the Council.

7.3 The Authority shall take all actions required by the Council in making and enforcing this Loan Agreement.

7.4 If any provision of this Loan Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Loan Agreement, and this Loan Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.5 This Loan Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Loan Agreement.

7.6 No waiver by either party of any term or condition of this Loan Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Loan Agreement.

7.7 This Loan Agreement supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Loan and constitutes the entire agreement between the parties hereto in respect thereof.

7.8 The Authority acknowledges that certain terms and requirements in this Loan Agreement may not be applicable when the Project is financed in part by the West Virginia Department of Environmental Protection, Office of Abandoned Mine Lands and under that circumstance those terms and requirements are specifically waived or modified as agreed to by the Authority and set forth in the Local Act.

7.9 By execution and delivery of this Loan Agreement, notwithstanding the date hereof, the Governmental Agency specifically recognizes that it is hereby agreeing to sell its Local Bonds to the Authority and that such obligation may be specifically enforced or subject to a similar equitable remedy by the Authority.

7.10 This Loan Agreement shall terminate upon the earlier of:

- (i) the end of ninety (90) days after the date of execution hereof by the Authority or such later date as is agreed to in writing by the Council if the Governmental Agency has failed to deliver the Local Bonds to the Authority;
- (ii) termination by the Authority and the Council pursuant to Section 6.1 hereof; or
- (iii) payment in full of the principal of and interest on the Loan and of any fees and charges owed by the Governmental Agency to the Authority, acting on behalf of the Council.

IN WITNESS WHEREOF, the parties hereto have caused this Loan Agreement to be executed by their respective duly authorized officers as of the date executed below by the Authority.

OPINION OF BOND COUNSEL FOR GOVERNMENTAL AGENCY

[To Be Dated as of Date of Loan Closing]

West Virginia Infrastructure and
Jobs Development Council
300 Summers Street, Suite 980
Charleston, West Virginia 25301

West Virginia Water Development Authority
180 Association Drive
Charleston, West Virginia 25311

Ladies and Gentlemen:

We are bond counsel to _____ (the
“Governmental Agency”), a _____.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated _____, _____, including all schedules and exhibits attached thereto (the “Loan Agreement”), between the Governmental Agency and the West Virginia Water Development Authority (the “Authority”), on behalf of the West Virginia Infrastructure and Jobs Development Council (the “Council”), and (ii) the issue of a series of revenue bonds of the Governmental Agency, dated _____, _____ (the “Local Bonds”), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of \$ _____, in the form of one bond, registered as to principal and interest to the Authority, with interest and principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, beginning _____, 1, _____, and ending _____, 1, _____, as set forth in the “Schedule Y” attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the “Local Statute”), and the bond _____ duly adopted or enacted by the Governmental Agency on _____, as supplemented by the supplemental resolution duly adopted by the Governmental Agency on _____ (collectively, the “Local Act”), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the

conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding special obligation of the Governmental Agency, enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Governmental Agency without the consent of the Authority and the Council.

3. The Governmental Agency is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Governmental Agency and constitute valid and binding obligations of the Governmental Agency, enforceable against the Governmental Agency in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Governmental Agency to the Authority and are valid, legally enforceable and binding special obligations of the Governmental Agency, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

INSTRUCTIONS FOR COMPLETING MONTHLY FINANCIAL REPORT

- Item 1 You will need a copy of the current fiscal year budget adopted by the Governmental Agency to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($\$1,200/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ($\$900/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Governmental Agency according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.
- Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Governmental Agency.

The Governmental Agency must complete the Monthly Financial Report and forward it to the Water Development Authority by the 10th day of each month, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project.

SCHEDULE X

DESCRIPTION OF LOCAL BONDS

Principal Amount of Local Bonds \$354,818
Purchase Price of Local Bonds \$354,818

The Local Bonds shall bear no interest. Commencing June 1, 2008, principal of the Local Bonds is payable quarterly. Quarterly payments will be made on March 1, June 1, September 1 and December 1 of each year as set forth on the Schedule Y attached hereto and incorporated herein by reference.

The Governmental Agency shall submit its payments monthly to the Commission which will make quarterly payments to the Authority at such address as is given to the Commission in writing by the Authority.

The Local Bonds are fully registered in the name of the Authority as to interest, if any, and principal and the Local Bonds shall grant the Authority a first lien on the gross or net revenues of the Governmental Agency's system as provided in the Local Act.

The Governmental Agency may prepay the Local Bonds in full at any time at the price of par but only with the Council's written consent. The Governmental Agency shall request approval from the Authority and Council in writing of any proposed debt which will be issued by the Governmental Agency on a parity with the Local Bonds which request must be filed at least 60 days prior to the intended date of issuance.

As of the date of the Loan Agreement, the Local Bonds are on a parity as to liens, pledge and source of and security for payment with the following obligations of the Governmental Agency:

(i) Waterworks Revenue Bonds, Series 1986 A, dated May 9, 1986, issued in the original principal amount of \$123,230;

(ii) Water Revenue Bonds, Series 1993, dated March 17, 1993, issued in the original principal amount of \$1,600,000;

(iii) Water Revenue Bonds, Series 1997 A, dated June 26, 1997, issued in the original principal amount of \$414,000;

(iv) Water Revenue Bonds, Series 1997 B, dated June 26, 1997, issued in the original principal amount of \$57,000; and

(v) Water Revenue Bonds, Series 2005 A, dated November 2, 2005, issued in the original aggregate amount of \$1,623,000.

The following outstanding bonds of the Issuer have a second lien on the Net Revenues of the System: Supplemental Subordinate Waterworks Revenue Bonds, Series 1986, dated May 9, 1986, issued in the original principal amount of \$61,350.

GAULEY RIVER PUBLIC SERVICE DISTRICT

RESOLUTION AUTHORIZING THE COMPLETION OF, ACQUISITION AND CONSTRUCTION OF CERTAIN IMPROVEMENTS AND EXTENSIONS TO THE EXISTING PUBLIC WATER FACILITIES OF GAULEY RIVER PUBLIC SERVICE DISTRICT AND THE PERMANENT FINANCING OF THE COST THEREOF, NOT OTHERWISE PROVIDED, THROUGH THE ISSUANCE BY THE DISTRICT OF NOT MORE THAN \$354,818 IN AGGREGATE PRINCIPAL AMOUNT OF WATER REVENUE BONDS, SERIES 2007 A (WEST VIRGINIA INFRASTRUCTURE FUND); PROVIDING FOR THE RIGHTS AND REMEDIES OF AND SECURITY FOR THE REGISTERED OWNERS OF SUCH BONDS; AUTHORIZING EXECUTION AND DELIVERY OF ALL DOCUMENTS RELATING TO THE ISSUANCE OF SUCH BONDS; APPROVING, RATIFYING AND CONFIRMING A LOAN AGREEMENT RELATING TO SUCH BONDS; AUTHORIZING THE SALE AND PROVIDING FOR THE TERMS AND PROVISIONS OF SUCH BONDS AND ADOPTING OTHER PROVISIONS RELATING THERETO.

BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF GAULEY RIVER PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

{C1243301.1}

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the “Bond Legislation”) is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended (collectively, the “Act”), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Gauley River Public Service District (the “Issuer”) is a public service district, public corporation and political subdivision of the State of West Virginia in Fayette County of said State.

B. The Issuer presently owns and operates a public water system in Fayette, Nicholas and Clay Counties. However, it has been deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be constructed certain improvements and to upgrade the booster station at Alta to serve approximately 264 new customers in the Twentymile and Route 391 Peters Creek areas of Fayette and Nicholas Counties (collectively, the “Project”), which constitute public service properties for the diversion, development, pumping, impounding, treatment, storage, distribution or furnishing of water to or for the public for industrial, public, private or other uses (the existing public water facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the “System”), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. By a Resolution dated November 2, 2005, the Issuer authorized the funding of a portion of the cost of the Project through the issuance of the Water Revenue Bonds, Series 2005 A (United States Department of Agriculture) (“Series 2005 A Bonds”) in the original aggregate amount of \$1,623,000. Additionally, the Issuer obtained funding for the Project from a grant from the United States Department of Agriculture in the amount of \$3,533,310 and an Abandoned Mine Lands grant of \$753,840.

D. During the course of constructing the Project, the Issuer’s contractors filed claims for material cost overruns arising from the manufacturer cancellation of contract price under the force majeure clause following the 2005 hurricanes. The contractors’ claims were ultimately arbitrated and the contractors were awarded additional payments. As a result, the Issuer must pay these additional payments to the contractor as additional costs of the Project.

{C1243301.1}

E. The Issuer intends to permanently finance this portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the “Authority”), in connection with the West Virginia Infrastructure Fund administered by the Authority pursuant to the Act.

F. It is deemed necessary for the Issuer to issue its Water Revenue Bonds, Series 2007 A (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than \$354,818 (the “Series 2007 A Bonds”), to permanently finance the costs of completion of the acquisition and construction of the Project. The remaining costs of the Project were funded from the sources set forth in Section 2.01 hereof. Such costs shall be deemed to include the cost of acquisition and construction of any public service properties and any improvements and extensions thereto, the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, on the Series 2007 A Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Series 2007 A Bonds Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2007 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2007 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

G. The period of usefulness of the System after completion of the Project is not less than 40 years.

H. It is in the best interests of the Issuer that the Series 2007 A Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and between the Issuer and the Authority, on behalf of the West Virginia Infrastructure and Jobs Development Council (the “Council”), in form satisfactory to the respective parties

{C1243301.1}

(the "Loan Agreement"), approved hereby if not previously approved by resolution of the Issuer.

I. The following outstanding bonds of the Issuer have a first lien on the Net Revenues of the System: (i) Waterworks Revenue Bonds, Series 1986 A, dated May 9, 1986, issued in the original principal amount of \$123,230 (the "Series 1986 A Bonds"); (ii) Water Revenue Bonds, Series 1993, dated March 17, 1993, issued in the original principal amount of \$1,600,000 (the "Series 1993 Bonds"); (iii) Water Revenue Bonds, Series 1997 A, dated June 26, 1997, issued in the original principal amount of \$414,000 (the "Series 1997 A Bonds"); (iv) Water Revenue Bonds, Series 1997 B, dated June 26, 1997, issued in the original principal amount of \$57,000 (the "Series 1997 B Bonds"); and (v) the Series 2005 A Bonds (collectively the "First Lien Bonds").

The following outstanding bonds of the Issuer have a second lien on the Net Revenues of the System: Supplemental Waterworks Subordinate Revenue Bonds, Series 1986, dated May 9, 1986, issued in the original principal amount of \$61,350 (the "Series 1986 B Bonds" and collectively with the First Lien Bonds, the "Prior Bonds").

The Series 2007 A Bonds shall be issued on a parity with the First Lien Bonds and senior and prior to the Series 1986 B Bonds, with respect to liens, pledge and source of and security for payment and in all other respects. Prior to the issuance of the Series 2007 A Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the First Lien Bonds have been met; (ii) the written consent of the Registered Owner of the First Lien Bonds to the issuance of the Series 2007 A Bonds on a parity with the First Lien Bonds; and (iii) the written consent of the Registered Owner of the Series 1986 B Bonds to the issuance of the Series 2007 A Bonds on a senior and prior basis to the Series 1986 B Bonds. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

J. The estimated revenues to be derived in each year following completion of the Project from the operation of the System will be sufficient to pay all Operating Expenses of the System, the principal of and interest, if any, on the Series 2007 A Bonds and the Prior Bonds and all funds and accounts and other payments provided for herein.

K. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System, and the issuance of the Series 2007 A Bonds, or

{C1243301.1}

will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the Project and the financing thereof by the Council and the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia (the "PSC") by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2007 A Bonds or such final order will not be subject to appeal or rehearing.

L. The Project has been reviewed and determined to be technically and financially feasible by the Council as required under Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Series 2007 A Bonds by those who shall be the Registered Owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owners, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Registered Owners of any and all of such Series 2007 A Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond of a series and any other Bonds of the same series, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

Section 1.04. Definitions. The following terms shall have the following meanings herein unless the context expressly requires otherwise:

"Act" means, collectively, Chapter 16, Article 13A and Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended and in effect on the date of adoption hereof.

"Authority" means the West Virginia Water Development Authority, which is expected to be the original purchaser and Registered Owner of the Series 2007 A Bonds, or any other agency, board or department of the State of West Virginia that succeeds to the functions of the Authority.

"Authorized Officer" means the Chairperson of the Governing Body of the Issuer or any temporary Acting Chairperson duly elected by the Governing Body.

“Bond Year” means the 12-month period beginning on the anniversary of the Closing Date in each year and ending on the day prior to the anniversary date of the Closing Date in the following year, except that the first Bond Year shall begin on the Closing Date.

“Bonds” means, collectively, the Series 2007 A Bonds, the Prior Bonds and any bonds on a parity therewith subsequently authorized to be issued hereunder or by another resolution of the Issuer.

“Chairperson” means the Chairperson of the Governing Body of the Issuer or any temporary Acting Chairperson duly elected by the Governing Body.

“Closing Date” means the date upon which there is an exchange of the Series 2007 A Bonds for all or a portion of the proceeds of the Series 2007 A Bonds.

“Code” means the Internal Revenue Code of 1986, as amended, and the Regulations.

“Commission” means the West Virginia Municipal Bond Commission or any other agency of the State of West Virginia that succeeds to the functions of the Commission.

“Consulting Engineers” means Pentree, Incorporated, Princeton, West Virginia, or any qualified engineer or firm of engineers, licensed by the State, that shall at any time hereafter be procured by the Issuer as Consulting Engineers for the System or portion thereof in accordance with Chapter 5G, Article 1 of the Code of West Virginia, 1931, as amended.

“Costs” or “Costs of the Project” means those costs described in Section 1.02F hereof to be a part of the cost of acquisition and construction of the Project, and those additional costs described in Section 1.02D that have been awarded to the contractor.

{C1243301.1}

“Council” means the West Virginia Infrastructure and Jobs Development Council or any other agency of the State of West Virginia that succeeds to the functions of the Council.

“Depository Bank” means the bank or banks designated as such in the Supplemental Resolution and any successors and assigns, which shall be a member of FDIC.

“Depreciation Reserve” means the Depreciation Reserve created by the Prior Resolutions and continued by Section 5.01 hereof.

“FDIC” means the Federal Deposit Insurance Corporation and any successor to the functions of the FDIC.

“Fiscal Year” means each 12-month period beginning on July 1 and ending on the succeeding June 30.

“First Lien Bonds” means, collectively, the Series 1986 A Bonds, the Series 1993 Bonds, the Series 1997 A Bonds, the Series 1997 B Bonds, and the Series 2005 A Bonds.

“Governing Body” or “Board” means the public service board of the Issuer, as it may now or hereafter be constituted.

“Government” means the United States of America, United States Department of Agriculture, Rural Utilities Service.

“Government Obligations” means direct obligations of, or obligations the timely payment of the principal of and interest on which is guaranteed by, the United States of America.

“Grants” means all moneys received by the Issuer on account of any Grant for the Project.

“Gross Revenues” means the aggregate gross operating and non-operating revenues of the System, as hereinafter defined, determined in accordance with generally accepted accounting principles, after deduction of prompt payment discounts, if any, and reasonable provision for uncollectible accounts; provided, that “Gross Revenues” does

{C1243301.1}

not include any gains from the sale or other disposition of, or from any increase in the value of, capital assets (including Qualified Investments, as hereinafter defined) or any Tap Fees, as hereinafter defined.

“Herein,” “hereto” and similar words shall refer to this entire Bond Legislation.

“Independent Certified Public Accountants” means any certified public accountant or firm of certified public accountants that shall at any time hereafter be retained by the Issuer to prepare an independent annual or special audit of the accounts of the System or for any other purpose except keeping the accounts of the System in the normal operation of its business and affairs.

“Investment Property” means:

(A) any security (within the meaning of Section 165(g)(2)(A) or (B) of the Code),

(B) any obligation,

(C) any annuity contract,

(D) any investment-type property, or

(E) in the case of a bond other than a private activity bond, any residential rental property for family units which is not located within the jurisdiction of the Issuer and which is not acquired to implement a court ordered or approved housing desegregation plan.

Except as provided in the following sentence, the term “Investment Property” does not include any tax-exempt bond. With respect to an issue other than an issue a part of which is a specified private activity bond (as defined in section 57(a)(5)(C) of the Code), the term “Investment Property” includes a specified private activity bond (as so defined).

“Issuer” means Gauley River Public Service District, a public service district, public corporation and political subdivision of the State of West Virginia in Fayette County, West Virginia, operating the system in Fayette, Nicholas and Clay

Counties and, unless the context clearly indicates otherwise, includes the Governing Body of the Issuer.

“Loan Agreement” means the Loan Agreement heretofore entered, or to be entered, into by and between the Issuer and the Authority, on behalf of the Council, providing for the purchase of the Series 2007 A Bonds from the Issuer by the Authority, the form of which shall be approved, and the execution and delivery by the Issuer authorized and directed or ratified, by the Supplemental Resolution.

“Net Proceeds” means the face amount of the Series 2007 A Bonds, plus accrued interest and premium, if any, less original issue discount, if any, and less proceeds, if any, deposited in the Series 2007 A Bonds Reserve Account. For purposes of the Private Business Use limitations set forth herein, the term Net Proceeds shall include any amounts resulting from the investment of proceeds of the Series 2007 A Bonds, without regard to whether or not such investment is made in tax-exempt obligations.

“Net Revenues” means the balance of the Gross Revenues, remaining after deduction of Operating Expenses, as hereinafter defined.

ARTICLE II

AUTHORIZATION OF COMPLETION OF ACQUISITION AND CONSTRUCTION OF THE PROJECT

Section 2.01. Authorization of Completion of Acquisition and Construction of the Project. There is hereby authorized and ordered the completion of acquisition and construction of the Project, at an estimated cost of \$6,264,968, in accordance with the plans and specifications which have been prepared by the Consulting Engineers, heretofore filed in the office of the Governing Body. The proceeds of the Series 2007 A Bonds shall be applied as provided in Article VI hereof. The Issuer has received bids and has entered into contracts for the acquisition and construction of the Project, in an amount and otherwise compatible with the financing plan submitted to the Council.

The cost of the Project is estimated to be \$6,264,968 of which approximately \$354,818 will be obtained from proceeds of the Series 2007 A Bonds to complete the Project. The Project was also financed with \$1,623,000 from the proceeds of the Series 2005 A Bonds, \$3,533,310 from an United States Department of Agriculture (Rural Utility Services) Grant and \$753,840 from an Abandoned Mine Lands Grant.

ARTICLE III

AUTHORIZATION, TERMS, EXECUTION, REGISTRATION AND SALE OF BONDS; AUTHORIZATION AND EXECUTION OF LOAN AGREEMENT

Section 3.01. Authorization of Bonds. For the purposes of capitalizing interest on the Series 2007 A Bonds, funding the Series 2007 A Bonds Reserve Account, paying Costs of the Project not otherwise provided for, and paying certain costs of issuance of the Series 2007 A Bonds and related costs, or any or all of such purposes, as determined by the Supplemental Resolution, there shall be and hereby are authorized to be issued negotiable Series 2007 A Bonds of the Issuer. The Series 2007 A Bonds shall be issued as a single bond, designated as “Water Revenue Bonds, Series 2007 A (West Virginia Infrastructure Fund),” in the principal amount of not more than \$354,818, and shall have such terms as set forth hereinafter and in the Supplemental Resolution. The proceeds of the Series 2007 A Bonds remaining after funding the Series 2007 A Bonds Reserve Account (if funded from Bond proceeds) and capitalizing interest on the Series 2007 A Bonds, if any, shall be deposited in or credited to the Series 2007 A Bonds Construction Trust Fund established by Section 5.01 hereof and applied as set forth in Article VI hereof.

Section 3.02. Terms of Bonds. The Series 2007 A Bonds shall be issued in such principal amounts; shall bear interest, if any, at such rate or rates, not exceeding the legal maximum rate, payable quarterly on such dates; shall mature on such dates and in such amounts; and shall be redeemable, in whole or in part, all as the Issuer shall prescribe in a Supplemental Resolution or as specifically provided in the Loan Agreement. The Series 2007 A Bonds shall be payable as to principal at the office of the Paying Agent, in any coin or currency which, on the dates of payment of principal is legal tender for the payment of public or private debts under the laws of the United States of America. Interest on the Series 2007 A Bonds, if any, shall be paid by check or draft of the Paying Agent mailed to the Registered Owner thereof at the address as it appears on the books of the Bond Registrar, or by such other method as shall be mutually agreeable so long as the Authority is the Registered Owner thereof.

Unless otherwise provided by the Supplemental Resolution, the Series 2007 A Bonds shall be issued in the form of a single bond, fully registered to the Authority, with a record of advances and a debt service schedule attached, representing the aggregate principal amount of the Series 2007 A Bonds. The Series 2007 A Bonds shall be exchangeable at the option and expense of the Registered Owner for another fully

{C1243301.1}

registered Bond or Bonds of the same series in aggregate principal amount equal to the amount of said Bonds then Outstanding and being exchanged, with principal installments or maturities, as applicable, corresponding to the dates of payment of principal installments of said Bonds; provided, that the Authority shall not be obligated to pay any expenses of such exchange.

Subsequent series of Bonds, if any, shall be issued in fully registered form and in denominations as determined by a Supplemental Resolution. Such Bonds shall be dated and shall have such terms as set forth in a Supplemental Resolution.

Section 3.03. Execution of Bonds. The Series 2007 A Bonds shall be executed in the name of the Issuer by the Chairperson, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Secretary. In case any one or more of the officers who shall have signed or sealed the Series 2007 A Bonds shall cease to be such officer of the Issuer before the Series 2007 A Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2007 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. No Series 2007 A Bonds shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.10 hereof, shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any such Bonds shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of such Bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 2007 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Registered Owner, in accepting the Series 2007 A Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Registered Owner shall further be conclusively deemed to have agreed that such Bonds shall be incontestable in the hands of a bona fide registered owner for value.

So long as the Series 2007 A Bonds remain outstanding, the Issuer, through the Bond Registrar as its agent, shall keep and maintain books for the registration and transfer of the Bonds.

The registered Series 2007 A Bonds shall be transferable only upon the books of the Bond Registrar, by the Registered Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto, together with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the Registered Owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 2007 A Bonds or transferring the registered Series 2007 A Bonds is exercised, all such Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All such Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Bond Registrar. For every such exchange or transfer of such Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on such Bonds or, in the case of any proposed redemption of such Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2007 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate, register and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Registered Owner's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be canceled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2007 A Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No Registered Owner of such Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay such Bonds or the interest, if any, thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of the Series 2007 A Bonds shall be secured by a first lien on the Net Revenues, on a parity with the lien on the Net Revenues in favor of the Registered Owners of the First Lien Bonds and senior and prior to the lien on the Net Revenues in favor of the Registered Owners of the Series 1986 B Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2007 A Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation and the Prior Resolutions, are hereby irrevocably pledged to such payments as they become due.

Section 3.09. Delivery of Bonds. The Issuer shall execute and deliver the Series 2007 A Bonds to the Bond Registrar, and the Bond Registrar shall authenticate, register and deliver the Series 2007 A Bonds to the original purchasers upon receipt of a request and authorization to the Bond Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate, register and deliver such Bonds to the original purchasers.

{C1243301.1}

Section 3.10. Form of Bonds. The text of the Series 2007 A Bonds shall be in substantially the following form, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted hereby, or by any Supplemental Resolution adopted prior to the issuance thereof:

(FORM OF SERIES 2007 A BOND)

UNITED STATES OF AMERICA
STATE OF WEST VIRGINIA
GAULEY RIVER PUBLIC SERVICE DISTRICT
WATER REVENUE BOND, SERIES 2007 A
(WEST VIRGINIA INFRASTRUCTURE FUND)

No. AR-_____

\$_____

KNOW ALL MEN BY THESE PRESENTS: That on this ___ day of _____, 200_, GAULEY RIVER PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Gauley River of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the WEST VIRGINIA WATER DEVELOPMENT AUTHORITY (the "Authority") or registered assigns, the sum of _____ DOLLARS (\$_____), or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing _____ 1, _____, as set forth on the "Debt Service Schedule" attached as EXHIBIT B hereto and incorporated herein by reference.

This Bond shall bear no interest. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Infrastructure and Jobs Development Council (the "Council"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and between the Issuer and the Authority, on behalf of the Council, dated _____, 200_.

{C1243301.1}

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public water facilities of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of this Bond and related costs. The existing public water facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A and Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended (collectively, the "Act"), a Bond Resolution duly adopted by the Issuer on _____, 200_, and a Supplemental Resolution duly adopted by the Issuer on _____, 200_(collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for this Bond under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT WITH THE ISSUER'S (1) WATERWORKS REVENUE BONDS, SERIES 1986, DATED MAY 9, 1986, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$123,230; (2) WATER REVENUE BONDS, SERIES 1993, DATED MARCH 17, 1993, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$1,600,000; (3) WATER REVENUE BONDS, SERIES 1997 A, DATED JUNE 26, 1997, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$414,000; (4) WATER REVENUE BONDS, SERIES 1997 B, DATED JUNE 26, 1997, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$57,000; AND (5) WATER REVENUE BONDS, SERIES 2005 A, DATED NOVEMBER 2, 2005, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$1,623,000 (COLLECTIVELY, THE "FIRST LIEN BONDS").

THIS BOND IS ISSUED SENIOR AND PRIOR WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT TO THE ISSUER'S SUPPLEMENTAL SUBORDINATE WATERWORKS REVENUE BONDS, SERIES 1986, DATED MAY 9, 1986, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$61,350 (THE "SERIES 1986 B BONDS"). THE FIRST LIEN BONDS AND THE SERIES 1986 B BONDS ARE COLLECTIVELY REFERRED TO AS THE "PRIOR BONDS."

{C1243301.1}

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the System, on a parity with the pledge of Net Revenues in favor of the registered owners of the First Lien Bonds, and from moneys in the reserve account created under the Bond Legislation for this Bond (the "Series 2007 A Bonds Reserve Account") and unexpended proceeds of this Bond. Such Net Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the moneys in the Series 2007 A Bonds Reserve Account and unexpended proceeds of this Bond. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount of principal of and interest, if any, on this Bond payable in any year and all other obligations secured by a lien on or payable from such revenues on a parity with this Bond, including the Prior Bonds; provided however, that so long as there exists in the Series 2007 A Bonds Reserve Account, an amount at least equal to the maximum amount of principal and interest, if any, which will become due on this Bond in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with this Bond, including the Prior Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the Registered Owner (as defined in the Bond Legislation) of this Bond for the terms of which reference is made to the Bond Legislation. Remedies provided the Registered Owner of this Bond are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of the Registrar (as defined in the Bond Legislation) by the Registered Owner, or by its attorney duly authorized in writing, upon the surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the Registered Owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of the Project and the costs of issuance hereof as described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the Registered Owner of this Bond.

In accordance with the requirements of the United States Department of Agriculture for the issuance of parity obligations, this Bond will be in default should any proceeds of this Bond be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

IN WITNESS WHEREOF, GAULEY RIVER PUBLIC SERVICE DISTRICT has caused this Bond to be signed by its Chairperson and its corporate seal to be hereunto affixed and attested by its Secretary, and has caused this Bond to be dated the date first written above.

FUNDS AND ACCOUNTS; SYSTEM REVENUES AND APPLICATION THEREOF

Section 5.01. Establishment of Funds and Accounts with Depository Bank. The following special funds or accounts are hereby created with (or continued if previously established by the Prior Resolutions) and shall be held by the Depository Bank separate and apart from all other funds or accounts of the Depository Bank and the Issuer and from each other:

- (1) Revenue Fund (established by the Prior Resolutions);
- (2) Depreciation Account (established by the Prior Resolutions);
- (3) Renewal and Replacement Fund (established by the Prior Resolutions); and
- (4) Series 2007 A Bonds Construction Trust Fund.

Section 5.02. Establishment of Funds and Accounts with Commission. The following special funds or accounts are hereby created with and shall be held by the Commission separate and apart from all other funds or accounts of the Commission and the Issuer and from each other:

- (1) Series 2007 A Bonds Sinking Fund; and
- (2) Series 2007 A Bonds Reserve Account.

Section 5.03. System Revenues; Flow of Funds. A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Bond Legislation and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order of priority:

- (1) The Issuer shall first, each month, pay from the Revenue Fund all current Operating Expenses of the System.

{C1243301.1}

(2) The Issuer shall next, each month, from the moneys in the Revenue Fund, make the interest payments on the First Lien Bonds in the amounts and on the dates required by the Prior Resolutions.

(3) The Issuer shall next, each month, from the moneys in the Revenue Fund, (i) make the principal payments of the First Lien Bonds in the amounts and on the dates required by the Prior Resolutions; and (ii) remit to the Commission, on the first day of each month, commencing 3 months prior to the first date of payment of principal of the Series 2007 A Bonds, for deposit in the Series 2007 A Bonds Sinking Fund, an amount equal to 1/3rd of the amount of principal which will mature and become due on the Series 2007 A Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2007 A Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payment shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date.

(4) The Issuer shall next, each month, from the moneys in the Revenue Fund, (i) make the reserve account payments into the Reserve Accounts for the First Lien Bonds in the amounts and on the dates required by the Prior Resolutions; and (ii) remit to the Commission, on the first day of each month, commencing 3 months prior to the first date of payment of principal of the Series 2007 A Bonds, if not fully funded upon the issuance of the Series 2007 A Bonds, for deposit in the Series 2007 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2007 A Bonds Reserve Requirement, until the amount in the Series 2007 A Bonds Reserve Account equals the Series 2007 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2007 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2007 A Bonds Reserve Requirement.

(5) The Issuer shall next, each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund, an amount equal to 2 1/2% of the Gross Revenues each month (as previously set forth in the Prior Resolutions and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided that, any deficiencies in any

{C1243301.1}

Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof, shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

(6) The Issuer shall next, each month, from the moneys in the Revenue Fund, make the payments into the Depreciation Account in the amounts and on the dates required by the Prior Resolutions.

(7) The Issuer shall next, on the first day of each month, from the moneys in the Revenue Fund, remit to the Commission for deposit (i) in the Series 1986 B Bonds Sinking Fund, the amount required by the Prior Resolutions to pay principal of the Series 1986 B Bonds, and (ii) in the Series 1986 B Bonds Reserve Account, the amount required by the Prior Resolutions.

Moneys in the Series 2007 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 2007 A Bonds as the same shall become due. Moneys in the Series 2007 A Bonds Reserve Account shall be used only for the purposes of paying principal of and interest, if any, on the Series 2007 A Bonds as the same shall come due, when other moneys in the Series 2007 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 2007 A Bonds Reserve Account (if fully funded) shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2007 A Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2007 A Bonds and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 2007 A Bonds Reserve Account which result in a reduction in the balance therein to below the Series 2007 A Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2007 A Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement therefor.

{C1243301.1}

The Issuer shall not be required to make any further payments into the Series 2007 A Bonds Sinking Fund or the Series 2007 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2007 A Bonds then Outstanding and all interest, if any, to accrue until the maturity thereof.

Interest, principal or reserve account payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2007 A Bonds and the Prior Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2007 A Bonds Sinking Fund and the Series 2007 A Bonds Reserve Account created hereunder, and all amounts required for such accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority at any time, the Issuer shall make the necessary arrangements whereby required payments into such accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 2007 A Bonds Sinking Fund and the Series 2007 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2007 A Bonds Sinking Fund and the Series 2007 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2007 A Bonds under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payments and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

C. The Issuer shall complete the “Monthly Payment Form,” a form of which is attached to the Loan Agreement, and submit a copy of said form, together with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the respective parties shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at any time, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

APPLICATION OF BOND PROCEEDS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the moneys received from the sale of the Series 2007 A Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 2007 A Bonds, there shall first be deposited in the Series 2007 A Bonds Sinking Fund, the amount, if any, set forth in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 2007 A Bonds for the period commencing on the date of issuance of the Series 2007 A Bonds and ending 6 months after the estimated date of completion of construction of the Project.

B. Next, from the proceeds of the Series 2007 A Bonds, there shall be deposited in the Series 2007 A Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding the Series 2007 A Bonds Reserve Account.

C. As the Issuer receives advances of the remaining moneys derived from the sale of the Series 2007 A Bonds, such moneys shall be deposited with the Depository Bank in the Series 2007 A Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2007 A Bonds.

D. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2007 A Bonds shall be expended as directed by the Council.

Section 6.02. Disbursements From the Bond Construction Trust Fund. The Issuer shall each month provide the Council with a requisition for the costs incurred for the Project, together with such documentation as the Council shall require. Payments of all costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements of proceeds of the Series 2007 A Bonds from the Series 2007 A Bonds Construction Trust Fund shall be made only after submission to and approval from the Council of a certificate, signed by an Authorized Officer and the Consulting Engineers, stating that:

(a) None of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(b) Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a cost of the Project;

(c) Each of such costs has been otherwise properly incurred; and

(d) Payment for each of the items proposed is then due and owing.

The Issuer shall expend all proceeds of the Series 2007 A Bonds within 3 years of the date of issuance of the Council's bonds, the proceeds of which were used to make the loan to the Issuer.

Pending such application, moneys in the Series 2007 A Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Registered Owner of the Series 2007 A Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Registered Owner of the Series 2007 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as the Series 2007 A Bonds or the interest, if any, thereon are Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2007 A Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Registered Owner of the Series 2007 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2007 A Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of the Series 2007 A Bonds shall be secured by a first lien on the Net Revenues, on a parity with the lien on the Net Revenues in favor of the Registered Owners of the First Lien Bonds and senior and prior to the lien on the Net Revenues in favor of the Registered Owners of the Series 1986 B Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2007 A Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation and the Prior Resolutions are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in and approved by the PSC Order and such rates are hereby adopted.

So long as the Series 2007 A Bonds are Outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2007 A Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are Outstanding, the System may not be sold, transferred, mortgaged, leased or otherwise disposed of, except in accordance with the terms of the Prior Resolutions. Additionally, so long as the Series 2007 A Bonds are Outstanding and except as otherwise required by law or with the written consent of the Council and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2007 A Bonds, be remitted to the Series 2007 A Bonds Sinking Fund and applied to the payment of principal of and interest, if any, on the Series 2007 A Bonds. Any balance remaining after the payment of the Series 2007 A Bonds and interest, if any, thereon shall be remitted to the Issuer unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all

{C1243301.1}

other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Registered Owners of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Registered Owners of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2007 A Bonds. All obligations issued by the Issuer after the issuance of the Series 2007 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2007 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having

{C1243301.1}

priority over or being on a parity with the lien of the Series 2007 A Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2007 A Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the Council prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are Outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2007 A Bonds pursuant to this Bond Legislation, except with the prior written consent of the Authority, the Council and the Government under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2007 A Bonds.

No such Parity Bonds shall be issued except for the purposes of financing the costs of the design, acquisition or construction of extensions and improvements to the System or refunding any Outstanding Bonds, or both such purposes.

So long as the 2005 A Bonds are Outstanding, no Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Registered Owners of the Prior Bonds, representing 75% of the then-outstanding

{C1243301.1}

principal indebtedness. In the event the foregoing limitation is waived or when the Series 2005 A Bonds are no longer Outstanding, the following parity requirement shall be met:

When the Series 2005 A Bonds are no longer Outstanding, no Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The “estimated average increased annual Net Revenues to be received in each of the 3 succeeding years,” as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer and approved by the PSC, the period for appeal of which has expired prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Registered Owners of the Bonds and the Registered Owners of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the outstanding Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2007 A Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the Council such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any State and federal grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Registered Owner of the Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the PSC. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Council and the Authority, or any other original purchaser of the Series 2007 A Bonds, and shall mail in each year to any Registered Owner of the Series 2007 A Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required, in compliance with the applicable OMB Circular, or any

{C1243301.1}

successor thereto, and the Single Audit Act, or any successor thereto), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Registered Owner of the Series 2007 A Bonds, and shall submit said report to the Council and the Authority, or any other original purchaser of the Series 2007 A Bonds. Such audit report submitted to the Authority and the Council shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the revenues of the System are adequate to meet the Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Authority and the Council, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Authority and the Council, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the Council with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2007 A Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to

time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2007 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2007 A Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 2007 A Bonds Reserve Account and the Reserve Accounts for obligations on a parity with the Series 2007 A Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2007 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2007 A Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 30 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the Council within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the Council and to any Registered Owner of the Series 2007 A Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority and the Council and to any Registered Owner of the Series 2007 A Bonds, or anyone acting for and on behalf of such Registered Owner.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the

{C1243301.1}

Issuer shall each month complete a “Monthly Financial Report,” a form of which is attached to the Loan Agreement, and forward a copy of such report to the Authority and the Council by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, certifying, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the Council, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the Council is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the Council covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the Council and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall at all times provide operation and maintenance of the System in compliance with all State and federal standards. The Issuer shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of the Loan Agreement.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the PSC and other laws of the State of West Virginia.

{C1243301.1}

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the PSC, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the PSC, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. Except as required by law, the Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 2007 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or

{C1243301.1}

destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with Chapter 38, Article 2, Section 39 of the Code of West Virginia, 1931, as amended.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount

{C1243301.1}

equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority and the Council. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear. The Issuer shall verify such insurance prior to commencement of construction.

Section 7.16. Connections. To the extent permitted by the laws of the State and rules and regulations of the PSC, the Issuer shall require every owner, tenant or occupant of any house, dwelling or building intended to be served by the System to connect thereto.

Section 7.17. Completion and Operation of Project; Permits and Orders. The Issuer shall complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and State requirements and standards.

The Issuer has obtained all permits required by State and federal laws for the acquisition and construction of the Project, all orders and approvals from the PSC and the Council necessary for the acquisition and construction of the Project and the operation of the System and all approvals for issuance of the Series 2007 A Bonds required by State law, with all requisite appeal periods having expired without successful appeal.

Section 7.18. [Reserved]

Section 7.19. Statutory Mortgage Lien. For the further protection of the Registered Owner of the Series 2007 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2007 A Bonds; provided however, that the statutory mortgage lien of the Series 2007 A Bonds shall be on a parity with the statutory mortgage lien of the First Lien Bonds and senior and prior to the statutory mortgage lien of the Series 1986 B Bonds.

{C1243301.1}

Section 7.20. Compliance with Loan Agreement and Law. The Issuer shall perform, satisfy and comply with all the terms and conditions of the Loan Agreement and the Act. Notwithstanding anything herein to the contrary, the Issuer shall provide the Council with copies of all documents submitted to the Authority.

The Issuer shall also comply with all applicable laws, rules and regulations issued by the Authority and the Council or other State, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

Section 7.21. Securities Laws Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

Section 7.22. Contracts; Public Releases. A. The Issuer shall, simultaneously with the delivery of the Series 2007 A Bonds or immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

B. The Issuer shall submit all proposed change orders to the Council for written approval. The Issuer shall obtain the written approval of the Council before expending any proceeds of the Series 2007 A Bonds held in “contingency” as set forth in the schedules attached to the certificate of the Consulting Engineer. The Issuer shall also obtain the written approval of the Council before expending any proceeds of the Series 2007 A Bonds made available due to bid or construction or project underruns.

C. The Issuer shall list the funding provided by the Council and the Authority in any press release, publication, program bulletin, sign or other public communication that references the Project, including but not limited to any program document distributed in conjunction with any ground breaking or dedication of the Project.

ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investment of Funds. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank, or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2007 A Bonds are Outstanding.

Section 8.02. Certificate as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2007 A Bonds as a condition to issuance of the Series 2007 A Bonds. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and

applicable to the Series 2007 A Bonds as may be necessary in order to maintain the status of the Series 2007 A Bonds as governmental bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2007 A Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority or the Council, as the case may be, from which the proceeds of the Series 2007 A Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or the Council to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2007 A Bonds and any additional information requested by the Authority.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an “Event of Default” with respect to the Series 2007 A Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest, if any, on any series of the Series 2007 A Bonds; or

(2) If default occurs in the Issuer’s observance of any of the covenants, agreements or conditions on its part relating to the Series 2007 A Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2007 A Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or a Registered Owner of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs under the Prior Bonds or the Prior Resolutions.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of the Series 2007 A Bonds may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Registered Owners of the Series 2007 A Bonds shall be on a parity with those of the Registered Owners of the First Lien Bonds and senior and prior to the Series 1986 B Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of the Series 2007 A Bonds may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate and maintain, manage and control the System, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to the System as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of the System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

PAYMENT OF BONDS

Section 10.01. Payment of Bonds. If the Issuer shall pay or there shall otherwise be paid to the Registered Owners of the Series 2007 A Bonds, the principal of and interest, if any, due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Net Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 2007 A Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

ARTICLE XI

MISCELLANEOUS

Section 11.01. Amendment or Modification of Bond Legislation. Prior to issuance of the Series 2007 A Bonds, this Resolution may be amended or supplemented in any way by the Supplemental Resolution. Following issuance of the Series 2007 A Bonds, no material modification or amendment of this Resolution, or of any resolution amendatory or supplemental hereto, that would materially and adversely affect the rights of Registered Owners of the Series 2007 A Bonds shall be made without the consent in writing of the Registered Owners of the Series 2007 A Bonds so affected and then Outstanding; provided, that no change shall be made in the maturity of any Bond or Bonds or the rate of interest thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest, if any, out of the funds herein pledged therefor without the consent of the Registered Owner thereof. No amendment or modification shall be made that would reduce the percentage of the principal amount of Bonds, required for consent to the above-permitted amendments or modifications. Notwithstanding the foregoing, this Bond Legislation may be amended without the consent of any Registered Owner as may be necessary to assure compliance with Section 148(f) of the Code relating to rebate requirements or otherwise as may be necessary to assure the exclusion of interest, if any, on the Series 2007 A Bonds from gross income of the Registered Owners thereof.

Section 11.02. Bond Legislation Constitutes Contract. The provisions of the Bond Legislation shall constitute a contract between the Issuer and the Registered Owners of the Series 2007 A Bonds, and no change, variation or alteration of any kind of the provisions of the Bond Legislation shall be made in any manner, except as in this Bond Legislation provided.

Section 11.03. Severability of Invalid Provisions. If any section, paragraph, clause or provision of this Resolution should be held invalid by any court of competent jurisdiction, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution, the Supplemental Resolution, or the Series 2007 A Bonds.

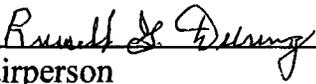

Section 11.04. Headings, Etc. The headings and catchlines of the articles, sections and subsections hereof are for convenience of reference only, and shall not affect in any way the meaning or interpretation of any provision hereof.

Section 11.05. Conflicting Provisions Repealed; Prior Resolutions. Except for the Prior Resolutions, all orders or resolutions, or parts thereof, in conflict with the provisions of this Resolution are, to the extent of such conflict, hereby repealed; provided that, in the event of any conflict between this Resolution and the Prior Resolutions, the Prior Resolutions shall control (unless less restrictive), so long as the Prior Bonds are Outstanding.

Section 11.06. Covenant of Due Procedure, Etc. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the adoption of this Resolution do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Chairperson, Secretary and members of the Governing Body were at all times when any actions in connection with this Resolution occurred and are duly in office and duly qualified for such office.

Section 11.07. Effective Date. This Resolution shall take effect immediately upon adoption.

Adopted this 13th day of November, 2007.

SUPPLEMENTAL RESOLUTION

SUPPLEMENTAL RESOLUTION PROVIDING AS TO THE PRINCIPAL AMOUNT, DATE, MATURITY DATE, INTEREST RATE, PAYMENT SCHEDULE, SALE PRICE AND OTHER TERMS OF THE GAULEY RIVER PUBLIC SERVICE DISTRICT WATER REVENUE BONDS, SERIES 2007 A (WEST VIRGINIA INFRASTRUCTURE FUND); AUTHORIZING AND APPROVING THE SALE AND DELIVERY OF SUCH BONDS TO THE WEST VIRGINIA WATER DEVELOPMENT AUTHORITY; APPROVING AND RATIFYING THE LOAN AGREEMENT WITH RESPECT TO SUCH BONDS; DESIGNATING A REGISTRAR, PAYING AGENT AND DEPOSITORY BANK; AND MAKING OTHER PROVISIONS AS TO THE BONDS.

WHEREAS, the Public Service Board (the "Governing Body") of Gauley River Public Service District (the "Issuer") has duly and officially adopted a Bond Resolution on November 13, 2007 (the "Resolution"), entitled:

RESOLUTION AUTHORIZING THE COMPLETION OF, ACQUISITION AND CONSTRUCTION OF CERTAIN IMPROVEMENTS AND EXTENSIONS TO THE EXISTING PUBLIC WATER FACILITIES OF GAULEY RIVER PUBLIC SERVICE DISTRICT AND THE PERMANENT FINANCING OF THE COST THEREOF, NOT OTHERWISE PROVIDED, THROUGH THE ISSUANCE BY THE DISTRICT OF NOT MORE THAN \$354,818 IN AGGREGATE PRINCIPAL AMOUNT OF WATER REVENUE BONDS, SERIES 2007 A (WEST VIRGINIA INFRASTRUCTURE FUND); PROVIDING FOR THE RIGHTS AND REMEDIES OF AND SECURITY FOR THE REGISTERED OWNERS OF SUCH BONDS; AUTHORIZING EXECUTION AND DELIVERY OF ALL DOCUMENTS RELATING TO THE ISSUANCE OF SUCH BONDS; APPROVING, RATIFYING AND CONFIRMING A LOAN AGREEMENT RELATING TO SUCH BONDS; AUTHORIZING THE SALE AND PROVIDING FOR THE TERMS AND PROVISIONS OF SUCH BONDS AND ADOPTING OTHER PROVISIONS RELATING THERETO.

WHEREAS, the capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Resolution when used herein;

WHEREAS, the Resolution provides for the issuance of the Water Revenue Bonds, Series 2007 A (West Virginia Infrastructure Fund), of the Issuer, in an aggregate principal amount not to exceed \$354,818 (the "Bonds" or the "Series 2007 A Bonds"), and has authorized the execution and delivery of a loan agreement relating to the Series 2007 A Bonds, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority ("the Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), all in accordance with Chapter 16, Article 13A and Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended (collectively, the "Act"); and in the Resolution it is provided that the exact principal amount, date, maturity date, interest rate, payment schedule, sale price and other terms of the Bonds should be established by a supplemental resolution, and that other matters relating to the Bonds be therein provided for;

WHEREAS, the Loan Agreement has been presented to the Issuer at this meeting;

WHEREAS, the Bonds are proposed to be purchased by the Authority pursuant to the Loan Agreement; and

WHEREAS, the Governing Body deems it essential and desirable that this supplemental resolution (the "Supplemental Resolution") be adopted, that the Loan Agreement be approved and ratified, that the exact principal amount, date, maturity date, interest rate, payment schedule, sale price and other terms of the Bonds be fixed hereby in the manner stated herein, and that other matters relating to the Bonds be herein provided for.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF GAULEY RIVER PUBLIC SERVICE DISTRICT:

Section 1. Pursuant to the Resolution and the Act, this Supplemental Resolution is adopted and there are hereby authorized and ordered to be issued the Water Revenue Bonds, Series 2007 A (West Virginia Infrastructure Fund), of the Issuer, originally represented by a single bond, numbered AR-1, in the original principal amount of \$354,818. The Series 2007 A Bonds shall be dated the date of delivery, shall finally mature September, 1, 2047, and shall bear no interest. The principal of the Series 2007 A Bonds shall be payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing June 1, 2008, in the amounts set forth in the Schedule Y attached

to the Loan Agreement and incorporated in and made a part of the Series 2007 A Bonds. The Series 2007 A Bonds shall be subject to redemption upon the written consent of the Authority and the Council, and upon payment of the redemption premium, if any, and otherwise in compliance with the Loan Agreement, so long as the Authority shall be the Registered Owner of the Series 2007 A Bonds.

Section 2. All other provisions relating to the Bonds and the text of the Bonds shall be in substantially the form provided in the Resolution.

Section 3. The Issuer hereby authorizes, approves, ratifies and accepts the Loan Agreement, including all schedules and exhibits attached thereto, a copy of which is incorporated herein by reference, and the execution and delivery of the Loan Agreement by the Chairperson and the performance of the obligations contained therein, on behalf of the Issuer, are hereby authorized, approved and directed. The Issuer hereby affirms all covenants and representations made in the Loan Agreement and in the applications to the Council and the Authority. The price of the Bonds shall be 100% of par value, there being no interest accrued thereon, provided that the proceeds of the Series 2007 A Bonds shall be advanced from time to time as requisitioned by the Issuer.

Section 4. The Issuer hereby appoints and designates United Bank, Inc., Charleston, West Virginia, to serve as Registrar (the "Registrar") for the Bonds under the Resolution and approves and accepts the Registrar's Agreement to be dated the date of delivery of the Bonds, by and between the Issuer and the Registrar, and the execution and delivery of the Registrar's Agreement by the Chairperson, and the performance of the obligations contained therein, on behalf of the Issuer, are hereby authorized, directed and approved.

Section 5. The Issuer hereby appoints and designates the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Commission"), to serve as Paying Agent for the Bonds under the Resolution.

Section 6. The Issuer hereby appoints and designates City National Bank, Gauley Bridge, West Virginia, to serve as the Depository Bank under the Resolution.

Section 7. Series 2007 A Bonds proceeds in the amount of \$-0- shall be deposited in the Series 2007 A Bonds Sinking Fund as capitalized interest.

Section 8. Series 2007 A Bonds proceeds in the amount of \$-0- shall be deposited in the Series 2007 A Bonds Reserve Account.

Section 9. The remaining proceeds of the Series 2007 A Bonds, as advanced from time to time, shall be deposited in the Series 2007 A Bonds Construction

Trust Fund for payment of costs of the Project, including costs of issuance of the Series 2007 A Bonds.

Section 10. The Chairperson and Secretary are hereby authorized and directed to execute and deliver such other documents and certificates required or desirable in connection with the Bonds hereby and by the Resolution approved and provided for, to the end that the Bonds may be delivered to the Authority pursuant to the Loan Agreement on or about November 13, 2007.

Section 11. The completion of the acquisition and construction of the Project and the financing thereof in part with proceeds of the Bonds are in the public interest, serve a public purpose of the Issuer and will promote the health, welfare and safety of the residents of the Issuer.

Section 12. The Issuer hereby determines to invest all moneys in the funds and accounts established by the Resolution held by the Depository Bank until expended, in money market accounts secured by a pledge of Government Obligations, and therefore, the Issuer hereby directs the Depository Bank to invest all moneys in such money market accounts until further directed in writing by the Issuer. Moneys in the Series 2007 A Bonds Sinking Fund and the Series 2007 A Bonds Reserve Account shall be invested by the Commission in the West Virginia Consolidated Fund.

Section 13. The Issuer hereby approves and accepts all contracts relating to the financing, acquisition and construction of the Project and the Chairperson is hereby authorized and directed to execute and deliver all such contracts.

Section 14. The Issuer hereby approves the costs of issuance and authorizes the payment of the same.

Section 15. This Supplemental Resolution shall be effective immediately following adoption hereof.

RESOLUTION OF THE PUBLIC SERVICE BOARD OF THE GAULEY RIVER PUBLIC SERVICE DISTRICT APPROVING INVOICES RELATING TO THE COMPLETION OF ACQUISITION AND CONSTRUCTION OF CERTAIN IMPROVEMENTS AND EXTENSIONS TO THE EXISTING PUBLIC WATER FACILITIES OF THE DISTRICT AND AUTHORIZING PAYMENT THEREOF

WHEREAS, the Gauley River Public Service District (the "District") has reviewed the invoices attached hereto and incorporated herein by reference relating to the completion of acquisition and construction of certain improvements and extensions to the existing public water facilities of the District to be financed in part by the proceeds of the District's Water Revenue Bonds, Series 2007 A, and by other sources, and finds as follows:

- (A) That none of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;
- (B) That each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;
- (C) That each of such costs has been otherwise properly incurred; and
- (D) That payment for each of the items proposed is now due and owing.

NOW, THEREFORE, BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF THE GAULEY RIVER PUBLIC SERVICE DISTRICT AS FOLLOWS:

There is hereby authorized and directed the payment of the attached invoices as summarized as follows:

KNOW ALL MEN BY THESE PRESENTS: That on this 13th day of November, 2007, GAULEY RIVER PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Fayette, Nicholas and Clay Counties of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the WEST VIRGINIA WATER DEVELOPMENT AUTHORITY (the "Authority") or registered assigns, the sum of THREE HUNDRED FIFTY-FOUR THOUSAND EIGHT HUNDRED EIGHTEEN DOLLARS \$354,818, or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing June 1, 2008, as set forth on the "Debt Service Schedule" attached as EXHIBIT B hereto and incorporated herein by reference.

This Bond shall bear no interest. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Infrastructure and Jobs Development Council (the "Council"), and upon the terms and

conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and between the Issuer and the Authority, on behalf of the Council, dated November 13, 2007.

This Bond is issued (i) to pay the costs of the completion of the acquisition and construction of certain improvements and extensions to the existing public water facilities of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of this Bond and related costs. The existing public water facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A and Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended (collectively, the "Act"), a Bond Resolution duly adopted by the Issuer on November 13, 2007, and a Supplemental Resolution duly adopted by the Issuer on November 13, 2007 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for this Bond under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT WITH THE ISSUER'S (1) WATERWORKS REVENUE BONDS, SERIES 1986, DATED MAY 9, 1986, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$123,230; (2) WATER REVENUE BONDS, SERIES 1993, DATED MARCH 17, 1993, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$1,600,000; (3) WATER REVENUE BONDS, SERIES 1997 A, DATED JUNE 26, 1997, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$414,000; (4) WATER REVENUE BONDS, SERIES 1997 B, DATED JUNE 26, 1997, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$57,000; AND (5) WATER REVENUE BONDS, SERIES 2005 A, DATED NOVEMBER 2, 2005, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$1,623,000 (COLLECTIVELY, THE "FIRST LIEN BONDS").

THIS BOND IS ISSUED SENIOR AND PRIOR WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT TO THE ISSUER'S SUPPLEMENTAL SUBORDINATE WATERWORKS REVENUE BONDS, SERIES 1986, DATED MAY 9, 1986, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$61,350 (THE "SERIES 1986 B BONDS"). THE FIRST LIEN BONDS AND THE SERIES 1986 B BONDS ARE COLLECTIVELY REFERRED TO AS THE "PRIOR BONDS."

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the System, on a parity with the pledge of Net Revenues in favor of the registered owners of the First Lien Bonds, and from moneys in the reserve account created under the Bond Legislation for this Bond (the "Series 2007 A Bonds Reserve Account") and unexpended proceeds of this Bond. Such Net Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the moneys in the Series 2007 A Bonds Reserve Account and unexpended proceeds of this Bond. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount of principal of and interest, if any, on this Bond payable in any year and all other obligations secured by a lien on or payable from such revenues on a parity with this Bond, including the Prior Bonds; provided however, that so long as there exists in the Series 2007 A Bonds Reserve Account, an amount at least equal to the maximum amount of principal and interest, if any, which will become due on this Bond in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with this Bond, including the Prior Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the Registered Owner (as defined in the Bond Legislation) of this Bond for the terms of which reference is made to the Bond Legislation. Remedies provided the Registered Owner of this Bond are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of the Registrar (as defined in the Bond Legislation) by the Registered Owner, or by its attorney duly authorized in writing, upon the surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the Registered Owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

AR-1 SPECIMEN

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of the Project and the costs of issuance hereof as described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the Registered Owner of this Bond.

In accordance with the requirements of the United States Department of Agriculture for the issuance of parity obligations, this Bond will be in default should any proceeds of this Bond be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

AR-1

IN WITNESS WHEREOF, GAULEY RIVER PUBLIC SERVICE DISTRICT has caused this Bond to be signed by its Chairperson and its corporate seal to be hereunto affixed and attested by its Secretary, and has caused this Bond to be dated the date first written above.

Aa. Articles, sections and subsections mentioned by number only are the respective articles, sections and subsections of this Resolution so numbered.

Section 1.02. Authority of this Resolution. This Resolution is enacted pursuant to the provisions of the Act and other applicable provisions of law.

Section 1.03. Findings. It is hereby found, determined and declared as follows:

A. The residents of the District have no public water service available to them, and the District has determined that their current sources of water are inadequate.

B. It is deemed necessary and desirable for the health, welfare and safety of the inhabitants of the District that there be acquired and constructed a waterworks system at an estimated cost of \$1,174,980, in accordance with the plans and specifications prepared and revised by Consulting Engineers, which plans and specifications are on file with the District, and which Project is generally described in Exhibit A attached hereto and by this reference made a part hereof and has an estimated useful life in excess of forty (40) years.

C. The estimated revenues to be derived in each year after the enactment of this Resolution from the operation of said System will be sufficient to pay all the costs of the operation and maintenance of said System, the principal of and interest on the Original Bonds and all sinking fund and other payments provided for in this Resolution.

D. It is deemed necessary for the District to issue its Original Bonds to finance the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of the acquisition of any real property involved; the cost of the construction of the Project and any other expenses necessary, incidental, desirable or appurtenant to the acquisition and construction of the Project; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; expenses for fiscal or other agents in connection with the issuance of the Original Bonds; interest on the Primary Bonds prior to, during and for 6 months after completion of construction of the Project; and such other expenses as may be necessary or desirable to said acquisition and construction of the Project authorized by this Resolution and the financing authorized by this Resolution.

E. It is in the best interests of the District that its Original Bonds be sold to the Authority pursuant to the terms and provisions of the Loan Agreement and the Supplemental Loan Agreement between the District and the Authority.

F. There are not outstanding any obligations of the District which will rank prior to or on a parity with the Original Bonds as to lien and source of and security for payment.

G. The District has complied with all requirements of West Virginia law relating to authorization of the construction, acquisition and operation of the Project and issuance of the Original Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a Certificate of Convenience and Necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal having expired.

Section 1.04. Resolution Constitutes Contract. In consideration of the acceptance of the Original Bonds and such other bonds authorized to be issued hereunder by those who shall own the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the District and such Bondholders, and the covenants and agreements herein set forth to be performed by said District shall be for the equal benefit, protection and security of the legal owners of any and all of such Primary Bonds or of such Supplemental Bonds, as the case may be, all of which Primary Bonds and Supplemental Bonds, respectively, shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bonds, as the case may be, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

ARTICLE II

AUTHORIZATION OF ACQUISITION AND CONSTRUCTION OF PROJECT

Section 2.01. Authorization of Project. There is hereby authorized the acquisition and construction of the Project in accordance with plans and specifications therefor prepared by the Consulting Engineers.

ARTICLE III

AUTHORIZATION, TERMS, EXECUTION AND REGISTRATION OF BONDS

Section 3.01. Authorization and Terms of Original Bonds. For the purpose of financing a portion of the costs of the acquisition and construction of the Project not otherwise provided for, there shall be issued the Original Bonds of the

District. The Original Bonds shall be issued in two issues, to be designated, respectively, "Waterworks Revenue Bonds, Series 1986" in an aggregate principal amount of not more than \$200,000, and "Supplemental Subordinate Waterworks Revenue Bonds, Series 1986," in an aggregate principal amount of not more than \$100,000. The Original Bonds shall be dated as of the date of delivery thereof, shall mature on October 1 in such years, not exceeding forty (40) years after the date of issuance; and in such amounts as shall be set out in the respective Schedule X to the WDA Loan Agreements. The Primary Bonds shall bear interest at the rate of 9.75 percent per annum, payable semiannually on April 1 and October 1 of each year, beginning on the first interest payment date following issuance and delivery of the Original Bonds. The Supplemental Bonds bear no interest. The Original Bonds shall contain such other terms, provisions, conditions and limitations, all as provided by this Resolution and the WDA Loan Agreements and as the Board shall prescribe by resolution (or by supplemental or amendatory resolution of said District as said District shall determine) adopted in connection with the sale of such Original Bonds.

The Bonds shall be payable as to principal at the principal office of the Paying Agent in any coin or currency which, on the respective dates of payment of principal, is legal tender for the payment of public or private debts under the laws of the United States of America. Interest on the Bonds shall be paid by check or draft mailed to the registered owner thereof at the address as it appears on the books of the Registrar, provided, that so long as the Authority is the owner thereof, interest on the Primary Bonds may be paid by wire transfer or other methods satisfactory to the District, the Paying Agent and the Authority.

Unless otherwise provided by the Supplemental Resolution, the Original Bonds shall be issued in the form of a single bond for each issue, fully registered to the Authority, with a payment record attached, representing the aggregate principal amount of each issue, and shall mature in principal installments, all as provided in the WDA Loan Agreements and said Supplemental Resolution. Bonds shall be exchangeable at the option and expense of the Owner for other fully registered Bonds in aggregate principal amount equal to the amount of said Bonds then Outstanding, with principal installments or maturities, as applicable, corresponding to the dates of payment of principal installments of said Bonds; provided, that the Authority shall not be obligated to pay any expenses of such exchange.

Subsequent series of Bonds may be issued in fully registered form, in the denomination of \$5,000 or any integral multiple thereof, all as determined by a Supplemental Resolution. Said Bonds shall be dated as of the date specified in a said Supplemental Resolution and shall bear interest from such date.

Section 3.02. Execution of Bonds. Said Bonds shall be executed in the name of the District by the Chairman, and the seal of the District shall be affixed thereto or imprinted thereon and attested by the Secretary. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer of the District before the Bonds so signed and sealed have been sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bonds may be signed and sealed on behalf of the District by such person as at the actual time of the execution of such Bonds shall hold the proper office in the District, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.08, shall have been manually executed by the Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Resolution. The Certificate of Authentication and Registration on any Bond shall be deemed to have been executed by the Registrar if manually signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.04. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive owner, in accepting any of said Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive owner shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Bonds remain outstanding, the District, through the Registrar, shall keep and maintain books for the registration and transfer of the Bonds.

Bonds shall be transferable only upon the books of the Registrar, by the Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Bonds or transferring Bonds are exercised, Bonds shall be delivered in accordance with the provisions of this Resolution. All Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Registrar. For every such exchange or transfer of Bonds, the Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Registrar incurred in connection therewith, which sum or sums shall be paid by the District. The Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period beginning on the Record Date and ending on the day preceding the applicable interest payment date or principal payment date or, in the case of any proposed redemption of Bonds, on or after the date of the selection of Bonds to be redeemed.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bonds shall become mutilated or be destroyed, stolen or lost, the District may in its discretion issue and deliver, and the Registrar shall authenticate, a new Bond in exchange and substitution for such mutilated Bonds, upon surrender and cancellation of such mutilated Bonds, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Owner's furnishing the District and the Registrar proof of his ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the District and the Registrar may prescribe and paying such expenses as the District and the Registrar may incur. All Bonds so surrendered shall be cancelled by the Registrar and held for the account of the District. If such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the District may pay the same, upon being indemnified as aforesaid, and, if such Bond be lost, stolen, or destroyed, without surrender therefor.

Any such duplicate Bonds issued pursuant to this Section shall constitute original, additional contractual obligations on the part of the District, whether or not the lost, stolen or destroyed Bonds be at any time found by any one, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of security for payment from the revenues pledged herein with all other Bonds issued hereunder provided that any such duplicate Bonds must be authenticated by the Registrar as set forth in Section 3.03 hereof.

Section 3.06. Bonds not to be Indebtedness of the District. The Bonds shall not, in any event, be or constitute an indebtedness of the District within the meaning of any constitutional or statutory provision or limitation, but shall

be payable solely from the Net Revenues derived from the operation of the System as herein provided. No Owner or Owners of any of the Bonds shall ever have the right to compel the exercise of the taxing power, if any, of the District to pay the Bonds or any interest thereon.

Section 3.07. Bonds Secured by Pledge of Net Revenues; Supplemental Bonds to be Junior and Subordinate to Primary Bonds. The payment of the debt service of all the Primary Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System. The payment of the debt service of all the Supplemental Bonds shall also be secured forthwith equally and ratably with each other by a lien on the Net Revenues derived from the System, but junior and subordinate to the lien on such Net Revenues in favor of the Owners of the Primary Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Bonds and to make the payments into the sinking funds and the reserve accounts therein and in the Renewal and Replacement Fund hereinafter established, are hereby irrevocably pledged to the payment of the principal of and any interest on the Bonds as the same become due.

Section 3.08. Form of Original Bonds. The text of the Primary Bonds and the Supplemental Bonds shall be of substantially the following tenor, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted by this Resolution or any subsequent resolution or ordinance adopted or enacted prior to the issuance thereof.

[FORM OF THE PRIMARY BOND]

UNITED STATES OF AMERICA
STATE OF WEST VIRGINIA
COUNTIES OF FAYETTE, NICHOLAS AND CLAY
GAULEY RIVER PUBLIC SERVICE DISTRICT
WATERWORKS REVENUE BOND,
SERIES 1986

No. R-1

\$123,230

KNOW ALL MEN BY THESE PRESENTS: That the GAULEY RIVER PUBLIC SERVICE DISTRICT, a public corporation organized and existing under the laws of, and a political subdivision of, the State of West Virginia in Fayette, Nicholas and Clay Counties of said State (the "District"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the West Virginia Water Development Authority (the "Authority"), or registered

assigns, the sum of One Hundred Twenty-three Thousand Two Hundred Thirty Dollars (\$123,230), in installments on October 1 of each year as set forth on the "Schedule of Annual Debt Service" attached as Exhibit A hereto and incorporated herein by reference, with interest on each installment at the rate per annum of 9.75%.

The interest rate on each installment shall run from the date of this Bond until payment of such installment, and such interest shall be payable on the 1st day of April and the 1st day of October in each year beginning October 1, 1986. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of principal, is legal tender for the payment of public and private debts under the laws of the United States of America, at the principal corporate trust office of The Gauley National Bank, Gauley Bridge, West Virginia, as registrar and paying agent (the "Registrar"). The interest on this Bond is payable by check or draft mailed to the Authority at the address as it appears on the books of the Registrar on the 15th day of the month preceding an interest payment date or by such other method as shall be mutually agreeable so long as the Authority is registered owner hereof.

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and as otherwise provided by the Loan Agreement, dated as December 18, 1985, between the District and the Authority.

This Bond represents the entire series or is one of a series of bonds entitled "Waterworks Revenue Bonds", issued by the District in the aggregate principal amount of \$123,230 (the "Bonds") to pay costs of acquisition and construction of a new public waterworks system of the District (the "Project") and to pay certain costs of issuance hereof and related costs. This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (the "Act"), a Resolution duly adopted by the District on the 30th day of April, 1986, and a Supplemental Resolution adopted by the District on the 30th day of April, 1986 (collectively, the "Resolution"), and is subject to all the terms and conditions thereof. The Resolution provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Resolution.

This Bond is issued contemporaneously with the Supplemental Subordinate Waterworks Revenue Bonds, Series 1986 of the District (the "Supplemental Bonds"), issued in the

aggregate principal amount of \$61,350, which Supplemental Bonds are junior and subordinate with respect to liens and sources of and security for payment of the Bonds of this issue.

This Bond is payable only from and secured by a first lien on and pledge of the Net Revenues (as defined in the Resolution) to be derived from the operation of the System, moneys in the Reserve Account created under the Resolution and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and which shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute a corporate indebtedness of the District within the meaning of any constitutional or statutory provisions or limitations, nor shall the District be obligated to pay the same or the interest thereon except from said special fund provided from the Net Revenues, the moneys in the Reserve Account and unexpended Bond proceeds. Pursuant to the Resolution, the District has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient to provide for the reasonable expenses of operation, repair and maintenance of the System, _____

such percentage may be reduced to 110%. The District has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Resolution. Remedies provided the registered owners of the Bonds are exclusively as provided in the Resolution, to which reference is here made for a detailed description thereof.

This Bond is transferable, as provided in the Resolution, only upon the books of the Registrar, kept for that purpose at the office of the Registrar by the registered owner, or by its attorney duly authorized in writing, upon the surrender of this Bond together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or its attorney duly authorized in writing.

Subject to the registration requirements, this Bond under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law, shall be applied solely to the payment of the Costs of the Project described in the Resolution or to the appurtenant sinking fund, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the District, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the revenues of the System has been pledged to and will be set aside into said special fund by the District for the prompt payment of the principal of and interest on this Bond.

All provisions of the Resolution, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

IN WITNESS WHEREOF, the GAULEY RIVER PUBLIC SERVICE DISTRICT has caused this Bond to be signed by its Chairman and its corporate seal to be affixed and attested by its Secretary, and has caused this Bond to be dated May 2, 1986.

GAULEY RIVER PUBLIC SERVICE DISTRICT
SUPPLEMENTAL SUBORDINATE WATERWORKS REVENUE BOND,
SERIES 1986

No. SR-1

\$61,350

KNOW ALL MEN BY THESE PRESENTS: That the GAULEY RIVER PUBLIC SERVICE DISTRICT, a public corporation organized and existing under the laws of, and a political subdivision of, the State of West Virginia, in Fayette, Nicholas, and Clay Counties of said State, (the "District"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the West Virginia Water Development Authority (the "Authority"), or respected assigns, the sum of Sixty-one Thousand three hundred fifty (\$61,350), in installments on October 1 of each year as set forth on the "Schedule of Annual Debt Service" attached as Exhibit A hereto and incorporated herein by reference.

Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of principal, is legal tender for the payment of public and private debts under the laws of the United States of America, at the principal corporate office of The Gauley National Bank, Gauley Bridge, West Virginia, as registrar and paying agent (the "Registrar"). This Bond bears no interest.

This Bond may be redeemed prior to its stated date of maturity in whole or in part but only with the express written consent of the Authority and as otherwise provided by the Supplemental Loan Agreement, dated December 18, 1985, between the District and the Authority.

This Bond represents the entire series or is one of a series of bonds entitled "Supplemental Subordinate Waterworks Revenue Bonds, Series 1986, issued by the District in the aggregate principal amount of \$61,350 (the "Bonds") to pay costs of acquisition and construction of the new public waterworks system of the District (the "Project") and to pay certain costs of issuance hereof and related costs. This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (the "Act"), a Resolution duly adopted by the District on the 30th day of April, 1986, and a Supplemental Resolution adopted by the District on the 30th day of April, 1986 (collectively, the "Resolution"), and is subject to all the terms and conditions thereof. The Resolution provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Resolution.

This Bond is issued contemporaneously with the Waterworks Revenue Bonds, Series 1986, of the District (the "Primary Bonds") issued in the aggregate principal amount of \$123,230, which Primary Bonds rank prior with respect to liens and sources of and security for payment to the Bonds of this issue.

This Bond is payable only from and secured by a second lien on and pledge of the Net Revenues (as defined in the Resolution) to be derived from the operation of the System, moneys in the Reserve Account created under the Resolution and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and which shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute a corporate indebtedness of the District within the meaning of any constitutional or statutory provisions or limitations, nor shall the District be obligated to pay the same except from said special fund provided from the

Net Revenues, the moneys in the Reserve Account and unexpended Bond proceeds. Pursuant to the Resolution, the District has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient to provide for the reasonable expenses of operation, repair and maintenance of the System,

such percentage may be reduced to 110%. The District has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Resolution. Remedies provided the registered owners of the Bonds are exclusively as provided in the Resolution, to which reference is here made for a detailed description thereof.

This Bond is transferable, as provided in the Resolution, only upon the books of the Registrar, kept for that purpose at the office of the Registrar by the registered owner, or by its attorney duly authorized in writing, upon the surrender of this Bond together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or its attorney duly authorized in writing.

Subject to the registration requirements, this Bond under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law, shall be applied solely to the payment of the Costs of the Project described in the Resolution and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the owner of this Bond; provided that such lien on moneys deposited in the Bond Construction Trust Fund created by the Resolution shall be subordinate to that of the Primary Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the District, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the revenues of the System has been pledged to and will be set aside into said special fund by the District for the prompt payment of the principal this Bond.

All provisions of the Resolution, resolutions and statutes under which this Bond is issued shall be deemed to be

a part of the contract evidenced by this Bond to the same extent as if written fully herein.

IN WITNESS WHEREOF, the GAULEY RIVER PUBLIC SERVICE DISTRICT has caused this Bond to be signed by its Chairman and its corporate seal to be affixed and attested by its Secretary, and has caused this Bond to be dated May 2, 1986.

ARTICLE IV

SYSTEM REVENUES AND APPLICATION THEREOF

Section 4.01. Establishment of Funds and Accounts with Depository Bank. The following special funds or accounts are created with and shall be held by the Depository Bank:

- (1) Revenue Fund;
- (2) Renewal and Replacement Fund; and
- (3) Bond Construction Trust Fund.

Section 4.02. Establishment of Funds and Accounts with Commission. The following special funds or accounts are hereby established with the Commission:

- (1) Sinking Fund;
 - (a) Within the Sinking Fund, the Reserve Account.
- (2) Supplemental Sinking Fund;
 - (a) Within the Supplemental Sinking Fund, the Supplemental Reserve Account.

Section 4.03. System Revenues; Flow of Funds. A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Resolution and shall be kept separate and distinct from all other funds of the District and the Depository Bank and used only for the purposes and in the manner herein provided.

(1) First, from the moneys in the Revenue Fund, the District shall pay all Operating Expenses of the System.

(2) Thereafter, from the money in the Revenue Fund, the District shall on the first day of each month, commencing seven months prior to the first date of payment of

interest on the Primary Bonds from Net Revenues, apportion and set apart out of the Revenue Fund and remit to the Commission, for deposit in the Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on said Primary Bonds on the next ensuing semiannual interest payment date, with a credit to the deposit immediately preceding the interest payment for any amounts already on deposit therein.

(3) The District shall also, on the first day of each month, commencing 13 months prior to the first date of payment of principal on the Primary Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Sinking Fund, a sum equal to 1/12th of the amount of principal which will mature and become due on said Primary Bonds on the next ensuing principal payment date, with a credit to the deposit immediately preceding the principal payment for any amounts already on deposit therein and not credited pursuant to paragraph (2) above.

(4) The District shall also, on the first day of each month, commencing 13 months prior to the first date of payment of principal of the Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Reserve Account, an amount equal to 1/120th of the Reserve Account Requirement; provided, that no further payments shall be made into the Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Reserve Account Requirement.

Moneys in the Sinking Fund shall be used only for the purposes of paying principal of and interest on the Primary Bonds as the same shall become due. Moneys in the Reserve Account in the Sinking Fund shall be used only for the purpose of paying principal of or interest on the Primary Bonds, as the same shall come due, when other moneys in the Sinking Fund are insufficient therefor, and for no other purpose. All investment earnings on moneys in the Reserve Account shall be transferred, not less than once each year, to the Bond Construction Trust Fund prior to completion of the Project and, thereafter, to the Sinking Fund.

Any withdrawals from the Reserve Account which result in a reduction in the balance of the Reserve Account to below the Reserve Account Requirement shall be subsequently restored from the first Net Revenues available after all required payments to the Sinking Fund for payment of debt service on the Primary Bonds have been made in full.

(5) From the moneys remaining in the Revenue Fund, the District shall next, on the first day of each month, commencing the month succeeding the first full calendar month after completion of the Project, transfer to the Renewal and Replacement Fund a sum equal to 2-1/2% of the Gross Revenues

each month, exclusive of payments for account of the Reserve Account in the Sinking Fund. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the District or of the Depository Bank and shall be invested and reinvested in accordance with Article VII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, or improvements or extensions to the System; provided, that any deficiency in the Reserve Account [except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required by Subsection 4.03(A)(4)] shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

(6) The District shall next, on the first day of each month, commencing 13 months prior to the first date of payment of principal on the Supplemental Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Supplemental Sinking Fund, a sum equal to 1/12th of the amount of principal which will mature and become due on said Supplemental Bonds on the next ensuing principal payment date, with a credit to the deposit or deposits immediately preceding the principal payment for any amounts already on deposit therein.

(7) The District shall next, on the first day of each month, commencing 13 months prior to the first date of payment of principal of the Supplemental Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Supplemental Reserve Account, an amount equal to 1/120th of the Supplemental Reserve Requirement; provided, that no further payments shall be made into the Supplemental Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Supplemental Reserve Requirement.

Moneys in the Supplemental Sinking Fund shall be used only for the purposes of paying debt service on the Supplemental Bonds as the same shall become due. Moneys in the Supplemental Reserve Account in the Supplemental Sinking Fund shall be used only for the purpose of paying debt service on the Supplemental Bonds, as the same shall come due, when other moneys in the Supplemental Sinking Fund are insufficient therefor, and for no other purpose. All investment earnings on moneys in the Supplemental Reserve Account shall be transferred, no less than once each year, to the Bond Construction Trust Fund prior to completion of the Project, and thereafter to the Supplemental Sinking Fund.

Any withdrawals from the Supplemental Reserve Account which result in a reduction in the balance of the Supplemental Reserve Account to below the Supplemental Reserve Requirement

shall be subsequently restored from the first Net Revenues available after all required payments prescribed above have been made in full.

B. As and when additional Bonds ranking on a parity with the Primary Bonds or the Supplemental Bonds are issued, provision shall be made for additional payments into the respective Sinking Fund sufficient to pay any interest on such additional Parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective Reserve Account in an amount equal to the respective Reserve Requirement.

The Commission is hereby designated as the fiscal agent for the administration of the respective Sinking Funds created hereunder, and all amounts required for said Sinking Funds shall be remitted to the Commission from the Revenue Fund by the District at the times provided herein.

The payments into the respective Sinking Funds shall be made on the first day of each month, except that when the first day of any month shall be a Sunday or legal holiday then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Resolution.

Moneys in the respective Reserve Accounts shall be invested and reinvested by the Commission in accordance with Article VII hereof.

The respective Sinking Funds, including the respective Reserve Accounts therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the respective Bonds and any additional Bonds ranking on a parity with either thereof that may be issued and Outstanding under the conditions and restrictions hereinafter set forth.

C. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in said Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into the respective Sinking Funds, including the Reserve Accounts therein, and the Renewal and Replacement Fund during the following month or such longer period as shall be required by the Act, such excess shall be considered as surplus revenues (the "Surplus Revenue"). Surplus Revenues may be used for any lawful purpose of the District.

D. The District shall remit from the Revenue Fund to Commission or the Depository Bank, on such dates as the Commission or the Depository Bank, as the case may be, shall

require, such additional sums as shall be necessary to pay any Depository Bank's charges and the Paying Agent fees then due.

E. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in the Revenue Fund and the Renewal and Replacement Fund shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

F. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates.

G. All remittances made by the District to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

H. The Gross Revenues of the System shall only be used for purposes of the System.

Section 4.04. Excess Bond Proceeds. The ^{District}~~City~~ shall place any excess proceeds from Bonds not required by the Project in the Reserve Account.

ARTICLE V

APPLICATION OF ORIGINAL BOND PROCEEDS; FUNDS AND ACCOUNTS

Section 5.01. Application of Original Bond Proceeds. From the moneys received from the sale of any or all of the Original Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. The amount of the proceeds which shall be at least sufficient to pay interest on the Primary Bonds for the period specified in the Supplemental Resolution shall be deposited in the Capitalized Interest Account created in Section 5.02 hereof; provided, that such period may not extend beyond the date which is six months after the estimated date of completion of construction of the Project.

B. The remaining moneys derived from the sale of the Original Bonds shall be deposited by the District in the Bond Construction Trust Fund.

Section 5.02. Bond Construction Trust Fund; Capitalized Interest Account. The Bond Construction Trust Fund shall be kept separate and apart from all other funds of the District and used and applied by the District solely for the payment of the Costs of the Projects, and for no other purposes whatsoever. The moneys in said fund shall be secured at all times by the deposit in such bank, as security, of direct obligations of the United States of America having a fair market value at least equal to the balance in said fund in excess of the amount insured by the FDIC. Any moneys not needed immediately for said purposes may, with the consent of the Consulting Engineers, be invested in Qualified Investments having maturities of not more than one year. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to, such purposes, then such unapplied proceeds shall be deposited by the District in the Reserve Accounts established pursuant to this Resolution and shall be used only as provided herein for said fund. All such proceeds shall constitute a trust fund for such purposes, and there is hereby created a lien upon such moneys until so applied in favor of the Owners of the Original Bonds with the lien on behalf of the Supplemental Bonds being subordinate to that of the Primary Bond.

Expenditures or disbursements from said Bond Construction Trust Fund, except for legal, fiscal and engineering expenses and expenses in connection with the issuance and sale of the Original Bonds, shall be made only after such expenditures or disbursements shall have been approved in writing by the Board and the Consulting Engineers.

There is hereby created and established within the Bond Construction Trust Fund a special account to be known as the "Capitalized Interest Account"; except as provided hereinafter, the funds of which account shall be kept separate and apart from all other funds of the District and used and applied to pay the interest on the Bonds during construction and for six months thereafter. Investment earnings on the Capitalized Interest Account shall be transferred monthly to the Bond Construction Trust Fund and used for Costs of the Project.

ARTICLE VI

ADDITIONAL COVENANTS OF THE DISTRICT

Section 6.01. General Covenants of the District. All the covenants, agreements and provisions of this Resolution shall be and constitute valid and legally binding covenants of the District and shall be enforceable in any court of competent jurisdiction by any Owner or Owners of the Bonds. In addition to the other covenants, agreements and provisions of this

Resolution, the District hereby covenants and agrees with the owners of the Bonds as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Bonds, or the interest thereon, is outstanding and unpaid.

Section 6.02. Bonds Not To Be Indebtedness of the District. The Bonds shall not be or constitute an indebtedness of the District within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the Net Revenues of the System, or from the respective Reserve Accounts, as herein provided. No Owner or Owners of any Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power, if any, of the District to pay said Bonds or the interest thereon.

Section 6.03. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of all of the Primary Bonds issued hereunder shall be secured forthwith equally and ratably by a lien on the Net Revenues derived from the operation of the System, and payment of the debt service of the Supplemental Bonds issued hereunder shall be secured forthwith equally and ratably by a lien on said Net Revenues, but such lien shall be junior and subordinate to the lien on said Net Revenues in favor of the Primary Bonds, to the extent necessary to make the payments required under Section 4.03 of this Resolution. The Net Revenues derived from the System, in an amount sufficient to pay the principal of and interest, if any, on the Bonds herein authorized, and to make the payments into the respective Sinking Funds, including the Reserve Accounts therein, and all other payments provided for in this Resolution, are hereby irrevocably pledged in the manner provided in this Resolution to the payment of the principal of and any interest on the Bonds herein authorized as the same become due and for the other purposes provided in this Resolution.

Section 6.04. Rates. The District hereby establishes the rates and charges of the System as set forth in Exhibit B hereto, said Exhibit B being incorporated herein and made a part hereof, said rates and charges being the rates and charges approved by the PSC and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The rates and charges shall be effective as prescribed by the rules and regulations of the PSC. The schedule of rates and charges shall at all times to be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance

of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the District hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient (i) to provide for all reasonable expenses of operation and maintenance of the System and (ii) to leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Primary Bonds and the Supplemental Bonds and all other obligations secured by or payable from the revenues of the System prior to or on a parity with the Primary Bonds and prior to or on a parity with the Supplemental Bonds or, if the reserve accounts established for the payment of debt service on the Primary Bonds and for the payment of debt service on the Supplemental Bonds are funded, respectively, at an amount at least equal to the maximum amount of principal and interest which will come due on the Primary Bonds in any year or on the Supplemental Bonds in any year, as the case may be, and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Primary Bonds and the Supplemental Bonds and any such prior or parity obligations.

Section 6.05. Completion, Operation and Maintenance. The District will expeditiously complete the Project and will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the revenues of said System in the manner provided in this Resolution.

Section 6.06. Sale of the System. The System may be sold, mortgaged, leased, or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient fully to pay or redeem at or prior to maturity all the Bonds Outstanding. The proceeds from such sale, mortgage, lease or other disposition of the System shall immediately be remitted to the Commission for deposit in the Sinking Funds, and the District shall direct the Commission to apply such proceeds to the payment of principal and any interest at maturity of Bonds about to mature and to the redemption prior to maturity, at the earliest date permitted hereby and at the redemption price, of all other Outstanding Bonds. Any balance remaining after the redemption or payment of all the Bonds and interest thereon shall be remitted to the District by the Commission unless necessary for the payment of other obligations of the District payable out of the revenues of the System.

The foregoing provision notwithstanding, the District shall have and hereby reserves the right to sell, lease or

otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of ten thousand dollars (\$10,000), the District shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the District may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of \$10,000 but not in excess of \$50,000, the District shall first, in writing, determine with the written approval of the Consulting Engineer that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the District may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property, in excess of \$10,000 and not in excess of \$50,000, shall be remitted by the District to the Commission for deposit in the appropriate Sinking Funds and shall be applied only to the redemption of Bonds of the last maturities then outstanding or to the purchase of Bonds of the last maturities then outstanding at prices not greater than the redemption price of such Bonds; provided that as long as the Authority is the Owner of the Bonds, no Bonds may be redeemed without the Authority's written consent. Such payments of such proceeds into the Sinking Fund or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Resolution.

No sale, lease or other disposition of the properties of the System shall be made by the District if the proceeds to be derived therefrom shall be in excess of fifty thousand dollars (\$50,000) and insufficient to pay or redeem prior to maturity the Bonds then outstanding without the prior approval and consent in writing of the owners, or their duly authorized representatives, of sixty-six and two-thirds percent (66-2/3%) in amount of the Bonds then outstanding. The District shall prepare the form of such approval and consent for execution by the then Owners of the Bonds, for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable out of Revenues and General Covenant Against Encumbrances. The District shall not issue any other obligations whatsoever, except pari passu additional Bonds provided for in Section 6.08 hereof, payable from the revenues of the System which rank

prior to, or equally, as to lien on and source of and security for payment from such revenues with the Supplemental Bonds or, if no Supplemental Bonds are outstanding, with the Primary Bonds; provided, however, that additional Parity Bonds may be issued as provided in Section 6.08 hereafter. All obligations hereafter issued by the District payable from the revenues of the System, except such additional Parity Bonds, shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such revenues and in all other respects, to the Bonds to the extent such are Outstanding, and, so long as any Primary Bonds are Outstanding, all Parity Bonds on a parity with the Supplemental Bonds shall contain an express statement that such Parity Bonds are junior and subordinate as to lien on and source of and security for payment from such revenues and in all other respects to the Primary Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into the respective Reserve Accounts and the Renewal and Replacement Fund at the time of the issuance of such subordinate obligations have been made and are current.

Except as provided above, the District shall not create, or cause or permit to be created any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to said pari passu additional Bonds, being on a parity with the lien of the Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Resolution or upon the System or any part thereof.

Section 6.08. Parity Bonds. No Parity Bonds payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant to this Resolution, except under the conditions and in the manner herein provided.

No Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions, additions, betterments or improvements to the System or refunding the entirety of one or more issues or series of Bonds or both such purposes.

Except as provided herein, no bonds on parity with the Primary Bonds shall be issued so long as any Supplemental Bonds are Outstanding. No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Secretary a written statement by Independent Accountants, based upon the necessary investigation and certification by the Consulting Engineer, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided, from the System during any twelve (12) consecutive months within the eighteen (18)

months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual net revenues to be received in each of the three (3) succeeding years after the completion of the improvements to be financed by such additional Parity Bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on the following:

- (1) The Original Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual net revenues to be received in each of the three (3) succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased net revenues estimated to be derived from any increase in rates enacted by the District, the time for appeal of which shall have expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineer, which shall be filed with the Secretary prior to the issuance of such additional Parity Bonds.

The Net Revenues actually derived from the System during the twelve (12) consecutive month period hereinabove referred to may be adjusted by adding to such net revenues such additional net revenues which would have been received, in the opinion of the Consulting Engineer and the Independent Accountants as stated in a certificate jointly made and signed by the Consulting Engineer and the Independent Accountants, on account of increased rates, rentals, fees and charges for the System enacted by the District, the time for appeal of which shall have expired prior to issuance of such Parity Bonds.

Not later than simultaneously with the delivery of such Parity Bonds, the District shall have entered into written contracts for the immediate acquisition or construction of such extensions, additions, betterments or improvements to the System which are to be financed by such Parity Bonds.

All the covenants and other provisions of this Resolution (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the owners of the Primary Bonds and the owners of any Parity Bonds and of the owners of the Supplemental Bonds and the Parity Supplemental Bonds subsequently issued from time to time within the limitations of and in compliance with this Section. All the Primary Bonds, regardless of the time or times of their issuance, and all the

Supplemental Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their respective liens on the Net Revenues of the System, and their respective sources of and security for payment from said Net Revenues, without preference of any Primary Bond over any other or any Supplemental Bond over any other. The District shall comply fully with all the increased payments into the various funds and accounts created in this Resolution required for and on account of such additional Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Resolution.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the outstanding Primary Bonds and Supplemental Bonds on such revenues.

Parity Bonds shall be not issued at any time unless all the payments into the respective funds and accounts provided for in this Resolution and the Bonds then outstanding, and any other payments provided for in this Resolution, shall have been made in full as required to the date of delivery of the Parity Bonds.

Notwithstanding the foregoing, the District may issue Parity Bonds without compliance with any other conditions for the purpose of refunding prior to maturity any issues or series of the Bonds, provided that the annual debt service required on account of the refunding Bonds and the Bonds which are not refunded shall not be greater in any year in which the Bonds not refunded and the refunding Bonds are to be outstanding than the annual debt service required in such year if the Bonds to be refunded were not so refunded.

With the written consent in advance of the Authority and anything to the contrary in Section 6.07 or this Section 6.08 notwithstanding, Bonds on a parity with the Primary Bonds and with the Supplemental Bonds may be authorized and issued by the District pursuant to Supplemental Resolution solely to complete the Project as described in the District's Program application to the Authority and in accordance with the plans and specifications, in the event that the Original Bonds should be insufficient, together with other funds lawfully available therefor, to pay all costs of acquisition and construction of the Project; provided, however, that, prior to the issuance of such Parity Bonds under the provisions of this paragraph, the Consulting Engineers shall file with the Secretary a certificate to the effect that additional funds are necessary for such purpose. All such Parity Bonds authorized and issued under the provisions of this paragraph shall be limited to the aggregate principal amount required to make up any deficiency in funds for payment of the construction costs to complete the

Project, and the maturities of any such Parity Bonds shall be in years and amounts suggested by the Authority.

Section 6.09. Insurance. The District will carry such insurance and in such amounts as is customarily carried with respect to works and properties similar to the System, with a reputable insurance carrier or carriers, against loss or damage by fire, explosion, hurricane, earthquake, cyclone, occupancy or other hazards and risks. In time of war, the District shall also carry in said amount such insurance as may be available against loss or damage by the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repair and restoration of the damaged or destroyed properties or for the other purposes provided herein for said Renewal and Replacement Fund. The District will also carry liability insurance for damage or injury to persons or property in amounts adequate for such purposes and customarily carried with respect to works and properties similar to the System. The District shall carry such other insurance as is required by the Authority.

Section 6.10. Services Rendered to the District. The District will not render or cause to be rendered any free services of any nature by its System nor will any preferential rates be established for uses of the same class; and, in the event the District or any department, agency, instrumentality, officer or employee of the District shall avail itself or himself of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the District and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the District shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.11. Enforcement of Collections. The District will, to the full extent permitted by applicable law and the rules and regulations of the PSC, discontinue and shut off the services and facilities of the System to all users of the System delinquent in payments of charges for the services of the System and will not restore the services of the System until all delinquent charges for the services of the System have been fully paid. All such rates and charges, if not paid when due, shall become a lien on the premises served by the System.

Whenever any rates, rentals or charges for the services or facilities of the System shall remain unpaid for a period of thirty (30) days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent and the owner, user and property shall be held liable at law until such time as all such rates and charges are fully paid. The District further covenants and agrees that it will, to the full extent permitted by law, and any rules and regulations promulgated by the PSC applicable thereto, shuff off and discontinue the water services and facilities of the System to all delinquent users of the System.

Section 6.12. No Competing Franchise. To the extent allowable by law, the District will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.13. Books and Records. The District will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the District, in which complete and correct entries shall be made of all transactions relating to the System, and any Owner of a Bond or Bonds issued pursuant to this Resolution shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the District relating thereto.

The accounting system for the System shall follow currently accepted accounting practices in accordance with the rules and regulations of the PSC and the Act. Separate control accounting records shall be maintained by the District. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books, and along with other bookkeeping records as prescribed by the District. The District shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the District shall be reported to such agent of the District as the District shall direct.

The District shall file with the Consulting Engineer, if any, and the Authority, and shall mail in each year to any Owner or Owners of Bonds requesting the same, an annual report containing the following:

A. A statement of Gross Revenues, Operating Expenses and Net Revenues derived from the System.

B. A balance sheet statement showing all deposits in all the funds and accounts provided for in this Resolution, and the status of all said funds.

The District shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by Independent Accountants and shall submit the report of said audit to the Authority. The report of said audit shall include a statement that the District is in compliance with the terms and provisions of the WDA Loan Agreements and this Resolution.

Section 6.14. Initial Schedule of Rates. The rates, fees and other charges for the use of the services and facilities of the System established under a resolution of the District enacted on or before the date of enactment of the Supplemental Resolution shall constitute the initial schedule of rates for said System for purposes of this Resolution.

Section 6.15. Operating Budget. The Board shall annually, at least forty-five (45) days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed budget of the estimated expenditures for operation and maintenance of the System during the succeeding Fiscal Year. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by the Consulting Engineers, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the District shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of ten percent (10%) of the amount of such budget shall be made except upon the further certificate of the Consulting Engineers that such increased expenditures are necessary for the continued operation of the System. The District shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to any Bondholder who requests in writing that copies of all such budgets and resolutions be furnished him, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Bondholder or anyone acting for and in behalf of such Bondholder.

Section 6.16. Connection. To the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto.

Section 6.17. Covenant to Amend Resolution. The District shall amend this Resolution by a resolution supplemental hereto to comply with any tax reform act as enacted by the Congress of the United States and signed by the President, if terms of the law as enacted are applicable to the Bonds and

are not addressed by or are in conflict with the terms hereof. In its determination to amend or supplement this Resolution, the District may rely on the opinion of nationally recognized bond counsel.

Section 6.18. Essential Governmental Function Bonds. The District shall use the Bond proceeds solely for the Project. The District shall take all action necessary to insure that the Bonds are not (i) industrial development bonds, (2) bonds that would be industrial development bonds if Section 501(c)(3) organizations were nonexempt persons, (3) student loan bonds, (4) mortgage subsidy bonds, (5) private ("consumer") loan bonds or (6) pension bonds.

ARTICLE VII

INVESTMENT OF FUNDS

Section 7.01. Investments. Any moneys held as a part of the funds and accounts created by this Resolution, other than the Revenue Fund, shall be invested and reinvested by the Commission, or such other bank or national banking association holding such fund or account, as the case may be, at the direction of the District in any Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such moneys for the purposes set forth herein and the specified restrictions and provisions set forth in this Section 7.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account, provided that investment earnings shall be transferred as provided in the Resolution. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount. The Commission or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss of such liquidation. Such other bank or national banking association may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

Section 7.02. Restrictions as to Arbitrage Bonds. The District shall not permit at any time or times any of the proceeds of the Bonds or any other funds of the District to be used directly or indirectly to acquire any securities or obligations the acquisition of which would cause any Bond to be an "arbitrage bond" as defined in Section 103(c)(2) of the Internal Revenue Code of 1954, as amended, or the rules and regulations promulgated pursuant thereto, and the Chairman of the District shall deliver his certificate, based upon this covenant, with regard thereto to the purchaser of the Primary Bonds originally authorized hereby.

DEFAULT AND REMEDIES

Section 8.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Primary Bonds or the Supplemental Bonds as the case maybe:

(A) If default occurs in the due and punctual payment of the principal of or interest on any such Bonds; or

(B) If default occurs in the District's observance of any of the covenants, agreements or conditions on its part relating to such Bonds set forth in this Resolution, any supplemental resolution, or in such Bonds, and such default shall have continued for a period of 30 days after the District shall have been given written notice of such default by any bank or banking association holding any fund or account hereunder or a owner of such Bonds; or

(C) If the District files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America or applicable State bankruptcy acts.

Section 8.02. Remedies. Upon the happening and continuance of any Event of Default with respect to any Primary Bonds or Supplemental Bonds, as the case may be, any registered Owner of such Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such registered Owners including the right to require the District to perform its duties under the Act and the Resolution relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon such Bonds, (iv) by action at law or bill in equity require the District to account as if it were the trustee of an express trust for the registered owners of

such Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Resolution with respect to such Bonds, or the rights of such registered Owners. The provisions of this section shall be subject to the senior rights of the Primary Bonds over the Supplemental Bonds.

Section 8.03. Appointment of Receiver. Any Bondholder may, by proper legal action, compel the performance of the duties of the District under this Resolution and the Act, including the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any default in the payment of interest on any Bond or Bonds when the same shall become due, or in the payment of the principal of any Bond or Bonds, either at the specified date of maturity thereof or at a date set for redemption thereof, or otherwise in the performance of any covenant contained in this Resolution other than as to such payment and such default shall continue for a period of thirty (30) days after written notice to the District of such default, any Bondholder shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the District, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the Bonds and any interest thereon, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the District exercise all the rights and powers of the District with respect to said facilities as the District itself might do.

Whenever all that is due upon the Bonds issued pursuant to this Resolution and interest thereon and under any covenants of this Resolution for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Resolution shall have been cured and made good, possession of the System shall be surrendered to the District upon the entry of an order of the court to that effect. Upon any subsequent default, any owner of Bonds issued pursuant to this Resolution shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the District and for the joint protection and benefit of the District and owners of Bonds issued pursuant to this Resolution. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the District and Bondholders, and the curing and making good of any default under the provisions of this Resolution, and the title to and ownership of said System shall remain in the District, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System. The provisions of this section shall be subject to the senior rights of the Primary Bonds over the Supplemental Bonds.

ARTICLE IX

DEFEASANCE

Section 9.01. Defeasance of Primary Bonds. If the District shall pay or cause to be paid, or there shall otherwise be paid, to the owners of all Primary Bonds the principal thereof, and redemption premium, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then with respect to the Primary Bonds only, the pledge of Net Revenues and any other moneys and securities pledged under this Resolution and all covenants, agreements and other obligations of the District to the Bondholders of the Primary Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

Primary Bonds for the payment of which either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Paying Agent at the same or earlier time, shall be

sufficient, to pay, as and when due, the principal of and interest on the Primary Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this Section. All Primary Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Commission or its agents, either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with other moneys, if any, deposited with the Commission at the same time, shall be sufficient to pay when due the principal installments of and interest due and to become due on said Primary Bonds on and prior to the maturity dates thereof. Neither securities nor moneys deposited with the Commission pursuant to this Section nor principal or interest payments on any such securities shall be withdrawn or used for any purposes other than, and shall be held in trust for, the payment of the principal of and redemption premium, if applicable, on and interest on said Bonds; provided, that any cash received from such principal or interest payments on such securities deposited with the Commission, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if applicable, on and interest to become due on said Primary Bonds on and prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the District, as received by the Commission, free and clear of any trust, lien or pledge. For the purpose of this Section, securities shall mean and include only Government Obligations.

Section 9.02. Defeasance of Supplemental Bonds. If the District shall pay or cause to be paid, or there shall otherwise be paid, to the respective Owners of all Supplemental Bonds, the principal thereof and interest, if any, at the times and in the manner stipulated therein and in this Resolution, then with respect to the Supplemental Bonds only, the pledge of Net Revenues and other moneys and securities pledged under this Resolution and all covenants, agreements and other obligations of the District to the registered Owners of the Supplemental Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

Supplemental Bonds for the payment of which either moneys in an amount which shall be sufficient, or securities the principal of which, when due, will provide moneys which, together with the moneys, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the principal installments of and interest, if any, on such Supplemental Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the

first paragraph of this section. All Supplemental Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Commission or its agent, either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with other moneys, if any, deposited with the Commission at the same time, shall be sufficient to pay when due the principal installments of said Supplemental Bonds on and prior to the maturity dates thereof. Neither securities or moneys deposited with the Commission pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal installments of said Supplemental Bonds; provided, that any cash received from such principal or interest payments on such securities deposited with the Commission or its agent, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal installments of said Supplemental Bonds on and prior to the maturity dates thereof, and interest earned from such reinvestments shall be paid over to the District as received by the Commission and its agent, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations.

ARTICLE X

MISCELLANEOUS

Section 10.01. Modification or Amendment. No material modification or amendment of this Resolution or of any ordinance or resolution amendatory hereof or supplemental hereto which would materially and adversely affect the rights of Bondholders shall be made without the consent in writing of the owners of two-thirds (2/3) or more in principal amount of the Bonds then outstanding and to be affected by said modification; provided, however, that no change shall be made in the maturity of any Bond or Bonds or the rate of interest thereon, or in the principal amount thereof, or affecting the unconditional promise of the District to pay such principal and interest out of the revenues of the System without the consent of the owner thereof. No amendment or modification shall be made which would reduce the percentage of the principal amount of Bonds required for consent to the above permitted amendments or modifications.

Section 10.02. Severability of Invalid Provisions. If any section, paragraph, clause or provision of this Resolution shall be held invalid, such invalidity shall not affect any of the remaining provisions of this Resolution.

Section 10.03. Repeal of Conflicting Resolutions. All resolutions and orders, or parts thereof, in conflict with this Resolution are to the extent of such conflict repealed.

Section 10.04. Covenant of Due Procedure. The District covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the final enactment and passage of this Resolution do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State applicable thereto; and that the Chairman, the Secretary and members of the Public Service District were at all times when any actions in connection with this Resolution occurred, and are, duly in office and duly qualified for such office.

Section 10.05. Effective Date. This Resolution shall take effect immediately upon its adoption.

SUPPLEMENTAL RESOLUTION PROVIDING AS TO DATES, MATURITIES, INTEREST RATES, PRINCIPAL PAYMENT SCHEDULES, SALE PRICES, AND OTHER TERMS OF THE WATERWORKS REVENUE BONDS, SERIES 1986, AND SUPPLEMENTAL SUBORDINATE WATERWORKS REVENUE BONDS, SERIES 1986, OF THE GAULEY RIVER PUBLIC SERVICE DISTRICT; DESIGNATING A REGISTRAR, PAYING AGENT AND DEPOSITORY BANK; AND MAKING OTHER PROVISIONS AS TO THE BONDS.

WHEREAS, the Public Service Board of the Public Service District of Gauley River (the "District") has duly and officially adopted a Bond Resolution on April 30, 1986, effective April 30, 1986 (the "Resolution"), entitled:

A Resolution authorizing the acquisition and construction of, and operation and maintenance of, certain public service properties constituting water facilities all within the Gauley River Public Service District; authorizing the issuance of not more than \$200,000 in aggregate principal amount of Waterworks Revenue Bonds, Series 1986, and not more than \$100,000 in aggregate principal amount of Supplemental Subordinate Waterworks Revenue Bonds, Series 1986, of said Gauley River Public Service District to be used, along with other funds and moneys of, or available to, the Gauley River Public Service District which may be lawfully expended for such purposes, to finance the cost of such acquisition and construction, to pay interest during construction, to pay other costs in connection therewith and if

determined by supplemental resolution to fund reserve accounts for such bonds; establishing rates for use of System; providing for the rights and remedies of and security for the owners of such bonds; and adopting other provisions related thereto.

WHEREAS, the Resolution provides for the issuance of Waterworks Revenue Bonds, Series 1986 (the "Primary Bonds"), and the Supplemental Subordinate Waterworks Revenue Bonds, Series 1986 (the "Supplemental Bonds") (collectively herein the "Bonds") of the Gauley River Public Service District (the "District") in aggregate principal amounts not to exceed \$200,000 and \$100,000, respectively, all in accordance with Chapter 16, Article 13A, of the Code of West Virginia, 1931, as amended, (the "Act"), and the terms of the Loan Agreement and Supplemental Loan Agreement (the "Loan Agreement") entered into between the District and the West Virginia Water Development Authority (the "Authority"), and in the Resolution it is provided that the dates, interest rates, maturities, sale prices and other terms of the Bonds should be established by a supplemental resolution and that other matters relating to the Bonds be herein provided for;

WHEREAS, the Bonds are proposed to be purchased by the Authority pursuant to the Loan Agreement; and

WHEREAS, the Public Service Board (the "Board") of the Gauley River Public Service District deems it essential and desirable that this resolution (the "Supplemental Resolution"), be adopted and that the prices, the maturity dates, the redemption provisions, the interest rates, and the interest and

principal dates of the Bonds be fixed hereby in the manner stated herein; and that other matters relating to the Bonds be herein provided for.

NOW, THEREFORE, BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF THE GAULEY RIVER PUBLIC SERVICE DISTRICT:

Section 1. Pursuant to the Resolution and the Act, this Supplemental Resolution is adopted and there are hereby authorized and ordered to be issued the Waterworks Revenue Bonds, Series 1986, in the aggregate principal amount of \$123,230 (the "Primary Bonds"), and the Supplemental Subordinate Waterworks Revenue Bonds, Series 1986 in the aggregate principal amount of \$61,350 (the "Supplemental Bonds") (collectively, the "Bonds"), all in the form set forth below and in the Resolution:

(A) The Primary Bonds of the District shall be originally issued in the form of a single bond, numbered R-1, in the principal amount of \$123,230. The Primary Bonds shall be dated the date of delivery thereof, shall bear interest at the rate of 9.75% per annum, payable semiannually on April 1 and October 1 of each year, first interest payable October 1, 1986, shall be subject to redemption upon the written consent of the Authority, and upon payment of the interest and redemption premium, if any, and subject to the other requirements provided in the Loan Agreement, as long as the Authority shall be the registered owner of the Primary Bonds, and shall be payable in installments of principal on October 1

of each of the years from 1988 through 2025, inclusive, and in the amounts as set forth in "Schedule X," attached to the Loan Agreement and incorporated therein by reference.

(B) The Supplemental Bonds of the District shall be originally issued in the form of a single bond, numbered SR-1, in the principal amount of \$61,350. The Supplemental Bonds shall be dated the date of delivery thereof, shall be interest free, shall be subject to redemption upon the written consent of the Authority as long as the Authority shall be the registered owner of the Supplemental Bonds, and shall be payable in installments of principal on October 1 of each of the years from 1988 through 2025, inclusive, and in the amounts as set forth in "Schedule X," attached to the Loan Agreement and incorporated therein by reference.

Section 2. All other provisions relating to the Bonds shall be as provided in the Resolution, and the Bonds shall be in substantially the form provided in the Resolution with such changes, insertions and omissions as may be approved by the Chairman of the District. The execution of the Primary Bonds and Supplemental Bonds by the Chairman shall be conclusive evidence of such approval.

Section 3. The District does hereby ratify, approve and accept the Loan Agreement and the Supplemental Loan Agreement, including the "Schedule X" attached to each, copies of which are incorporated herein by reference, and the execution and delivery by the Chairman of the Loan Agreement

and the Supplemental Loan Agreement, and the performance of the obligations contained therein, on behalf of the District have been and are hereby authorized, approved and directed. The price of the Bonds shall be 100% of par value.

Section 4. The District hereby appoints and designates The Gauley National Bank, Gauley Bridge, West Virginia, as the Depository Bank, as provided in the Resolution.

Section 5. The District hereby appoints and designates The Gauley National Bank, Gauley Bridge, West Virginia, as Registrar and Paying Agent for the Bonds and reserves the right to appoint such other bank or other entity or entities as the District may approve by supplemental resolution with the approval of the Authority and notice to said The Gauley National Bank.

Section 6. The District hereby directs that approximately \$13,400 of the proceeds of the Bonds be placed in the Capitalized Interest Account in the Bond Construction Trust Fund to be used solely for the payment of interest on the Bonds for the period of construction, being nine months and for six months thereafter.

Section 7. The District hereby directs that no proceeds of the Bonds be placed in the Reserve Accounts created under the Resolution and directs that the Reserve Accounts be funded from net revenues as provided in the Resolution.

Section 8. The Chairman and Secretary are hereby authorized and directed to execute and deliver such other documents and certificates, including the Registrar's

Agreement, required or desirable in connection with the Bonds hereby and by the Resolution approved and provided for, to the end that the Bonds may be delivered on or about May 2, 1986, to the Authority pursuant to the Loan Agreement and the Supplemental Loan Agreement.

Section 9. The financing of the Project in part with proceeds of the Bonds is in the public interest, serves a public purpose of the District and will promote the health, welfare and safety of the residents of the District.

Section 10. This Supplemental Resolution shall be effective immediately upon adoption.

The terms "herein," "hereunder," "hereby," "hereto," "hereof" and any similar terms refer to this Resolution; and the

term "hereafter" means after the date of adoption of this Resolution.

Articles, sections and subsections mentioned by number only are the respective articles, sections and subsections of this Resolution so numbered.

Section 1.02. Authority for this Resolution. This Resolution is adopted pursuant to the provisions of the Act and other applicable provisions of law.

Section 1.03. Findings. It is hereby found, determined and declared as follows:

A. The Issuer now owns and operates a public waterworks system, furnishing water service to residences, premises and businesses residing or located within and without the area of the Issuer, the acquisition and construction of certain extensions, additions, betterments and improvements thereto being permanently financed, in part, by the issuance of the Bonds to FmHA.

B. The acquisition and construction of the System was financed in part with the proceeds from the Prior Bonds, authorized pursuant to the Prior Resolution.

C. The Prior Bonds of the Issuer are currently outstanding in the principal amount of \$174,315.

D. The Issuer derives revenues from the System, and, except for the pledges thereof to secure and pay the Prior Bonds, said revenues are not pledged or encumbered in any manner.

E. It is deemed necessary and desirable for the health, welfare and safety of the inhabitants of the District that there be constructed certain extensions, additions, betterments and improvements to the System in accordance with the plans and specifications prepared by the Consulting Engineers, which Project A and Project B (collectively, the "Project") are described in Exhibits A and B.

F. The estimated maximum cost of the construction of the Project is \$3,552,400. Project A will be financed with the proceeds of the sale of the Bonds anticipated to be in the amount of \$1,600,000 and from the Government Grant in the approximate amount of \$1,002,400. Project B will be permanently financed with the proceeds of the EDA Grant in the amount of \$950,000.

G. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all the costs of the operation and maintenance of the System, the principal of and interest on the

Prior Bonds, the principal of and interest on the Bonds authorized to be issued pursuant to this Resolution and all sinking funds, reserve and other payments provided for in the Prior Resolution and in this Resolution.

H. Prior to the issuance of the Bonds, the Issuer will obtain the consent of the WDA to the issuance of the Bonds with a lien on a parity with the lien of the Prior First Lien Bonds. Upon the issuance of the Bonds, the Issuer will grant the Government a first lien on the Net Revenues of the System, which lien will be on a parity with the lien of the Prior First Lien Bonds.

I. It is deemed necessary for the Issuer to issue its Bonds, in part to permanently finance the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements, and franchises deemed necessary therefor; the cost of the construction of said extensions, additions, betterments and improvements to the System and any other expenses necessary, incidental, desirable or appurtenant to the acquisition and construction of the Project and such replacements as are necessary therefor; the Water Tap Fee; the cost of interim financing for such Project; interest on the Bonds, prior to, during and for six months after the estimated date of completion of construction of the Project; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; expenses for the service of registrars, paying agents, depositories or other agents in connection with the issuance of the Bonds, and such other expenses as may be necessary or desirable to said acquisition and construction of the project and placing the same in operation and the financing authorized by this Resolution.

J. The period of usefulness of the System after completion of the Project is not less than 40 years.

K. It is in the best interest of the Issuer that it enter into the Water Purchase Agreement and from the proceeds of the Project financing pay the Water Tap Fee.

L. It is in the best interests of the Issuer that its Bonds be sold to FmHA pursuant to the terms and provisions of the Letter of Conditions.

M. The Issuer has complied with all requirements of West Virginia law relating to authorization of the construction, acquisition and operation of the Project and issuance of the Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of the PSC Order, the time for rehearing and appeal of which have expired.

Section 1.04. Resolution Constitutes Contract. In consideration of the acceptance of the Bonds by those who shall be the Registered Owners of the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Registered Owners of any and all of such Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bonds by reason of priority of issuance or otherwise, except as expressly provided therein and herein. The Bonds share a first lien parity position with respect to sources of and security for payment with the Prior First Lien Bonds.

ARTICLE II

AUTHORIZATION OF EXTENSIONS, ADDITIONS,
BETTERMENTS AND IMPROVEMENTS TO THE SYSTEM

Section 2.01. Authorization of Extensions, Additions, Betterments and Improvements. There is hereby authorized the construction and acquisition of certain extensions, additions, betterments and improvements to the System in accordance with the plans and specifications which have been prepared by the Consulting Engineers; provided, that such plans and specifications, and the construction and acquisition of certain extensions, additions, betterments and improvements to the System in accordance therewith, are subject to the specific authorization by the Board pursuant to a Supplemental Resolution.

ARTICLE III

AUTHORIZATION, TERMS, EXECUTION, REGISTRATION AND SALE OF BONDS

Section 3.01. Authorization of Bonds. Subject and pursuant to the provisions hereof, the Bonds of the Issuer, to be known as "Gauley River Public Service District Water Revenue Bonds" (the "Bonds") are hereby authorized to be issued in the aggregate principal amount of \$1,600,000 for the purpose of permanently financing a portion of Costs of Project A.

Section 3.02. Description of Bonds. The Bonds shall be issued as fully registered Bonds with a record of advances and payments attached, numbered R-1 upward, and shall be dated the date of delivery thereof. The Bonds shall bear interest from the date of delivery on the amount outstanding on the interest payment date as evidenced on the record of advances and payments, payable monthly, commencing on the first day of the month following the month of delivery of the Bond and on the first day of each month thereafter for the first 24 months after the date thereof and thereafter on the first day of each month in installments of principal and interest in the aggregate amount of \$7,856.00 except that the final installment shall be paid at the end of 40 years from the date of the Bond, at a rate, not exceeding five percent (5%) per annum, as shall be determined by the Supplemental Resolution and shall be sold for the par value thereof.

The Bonds shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer, shall be payable as provided in the Bond form hereinafter set forth, and shall have such other terms not inconsistent with this Resolution, as shall be set forth in the Supplemental Resolution and such Bond form.

The series designation shall be as set forth in the Supplemental Resolution.

Section 3.03. Execution of Bonds. The Bonds shall be executed in the name of the Issuer by the manual or facsimile signature of the Chairman, and the seal of the Issuer shall be impressed thereon and attested by the manual or facsimile signature of the Secretary. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the

execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.09, shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Resolution. The Certificate of Authentication and Registration on any Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder, in accepting any of said Bonds, shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Bonds remain outstanding, the Issuer, through the Bond Registrar, shall keep and maintain books for the registration and transfer of the Bonds.

The Bonds shall be transferable only upon the books of the Bond Registrar, by the Registered Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the Registered Owner or his duly authorized attorney.

In all cases in which the privilege of exchanging or transferring the Bonds are exercised, Bonds shall be delivered in accordance with the provisions of this Resolution. All Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and

the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obligated to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month preceding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System, as herein provided, and amounts, if any, in the Reserve Account. No Holder or Holders of any of the Bonds shall ever have the right to compel the exercise of the taxing power, if any, of the Issuer to pay the Bonds or the interest thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Bonds and the Prior First Lien Bonds shall be secured forthwith equally and ratably and on a parity with each other, by a first lien on the Net Revenues derived from the System, which lien of the Bonds and the Prior First Lien Bonds are senior to the lien of the Prior Second Lien Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Bonds and the Prior Bonds and to make the payments as hereinafter provided are hereby irrevocably pledged to the payment of the principal of and interest on the Bonds and the Prior Bonds as the same become due.

Section 3.09. Form of Bonds. The text of the Bonds shall be in substantially the following form, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted hereby, or by any Supplemental Resolution adopted prior to the issuance thereof:

[Form of Bond]

UNITED STATES OF AMERICA
STATE OF WEST VIRGINIA
GAULEY RIVER PUBLIC SERVICE DISTRICT
WATER REVENUE BONDS
SERIES 1993

No. R-1

\$1,600,000

March 17, 1993
(Date)

United States Department of Agriculture
Farmers Home Administration
Morgantown, West Virginia 26505

FOR VALUE RECEIVED, the Gauley River Public Service District, a public corporation organized and existing under the laws of, and a political subdivision of, the State of West Virginia, in Fayette, Nicholas and Clay Counties (herein called the "Borrower"), promises to pay to the order of the United States Department of Agriculture, Farmers Home Administration (herein called the "Government"), at its National Finance Office, St. Louis, Missouri, or at such other place as the Government may hereafter designate in writing, and in the manner provided below, the principal sum of One Million Six Hundred Thousand Dollars (\$1,600,000) or such lesser amount as shall then be reflected on the Record of Advances and Payments attached hereto and incorporated herein by reference, plus interest on the unpaid principal balance at the rate of 5% per annum. Notwithstanding any provision of this Bond to the contrary, this Bond shall evidence only the indebtedness reflected as outstanding on the Record of Advances and Payments attached hereto. Interest shall accrue only on the amount of each advance from its actual date as listed on said Record of Advances and Payments and shall cease to accrue on the amount outstanding, or portions thereof, as the same are paid, as reflected by said Record of Advances and Payments.

The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only on the amounts advanced hereunder, commencing the first day of the month following the month of delivery of this Bond and on the first day of each month thereafter for the first 24 months after the date hereof, and thereafter on the first day of each month in installments of principal and interest in the aggregate amount of \$7,856.00 except the final installment shall be paid at the end of forty years from the date of this Bond in the sum of the unpaid principal and

interest due on the date thereof and prepayments may be made as provided below. This consideration shall support any agreement modifying the foregoing schedule of payments.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Pre-payments of scheduled installments, or any portion thereof, may be made at any time at the option of the Borrower. Extra payments, as defined in the regulations of the Government, shall, after payment of interest, be applied to the installment last to come due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

Any amount advanced or expended by the Government for the collection hereof, or to preserve or to protect any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government, shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government. Borrower has granted to the Government a lien on the proceeds of this Bond until such proceeds are expended for authorized purposes.

THIS BOND SHARES A FIRST LIEN PARITY POSITION WITH RESPECT TO SOURCES OF AND SECURITY FOR PAYMENT WITH THE OUTSTANDING GAULEY RIVER PUBLIC SERVICE DISTRICT WATERWORKS REVENUE BOND, SERIES 1986, DATED MAY 9, 1986 IN THE ORIGINAL PRINCIPAL AMOUNT OF \$123,230 (THE "PRIOR FIRST LIEN BONDS") AND IS SENIOR TO THE LIEN WITH RESPECT TO SOURCES AND SECURITY FOR PAYMENT WITH THE OUTSTANDING GAULEY RIVER PUBLIC SERVICE DISTRICT SUPPLEMENTAL SUBORDINATE WATERWORKS REVENUE BOND, SERIES 1986, DATED MAY 9, 1986 IN THE ORIGINAL PRINCIPAL AMOUNT OF \$61,350 (THE "PRIOR SECOND LIEN BONDS", AND COLLECTIVELY WITH THE PRIOR FIRST LIEN BONDS, THE "PRIOR BONDS").

This Bond is issued to permanently finance a portion of the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the Issuer's existing waterworks system (the "Project" and together with the existing waterworks system of the Issuer and any further extensions, additions, betterments and improvements thereto, herein called the "System"); to pay interest on the Bonds during acquisition and construction and for up to six months after completion of the Project; and to pay certain issuance and related costs in connection therewith. This Bond is authorized and issued under and in full compliance with the Constitution and statutes of the

State of West Virginia, including particularly Article 13A of Chapter 16 of the Code of West Virginia, 1931, as amended (the "Act"), and a resolution duly adopted by the Board of the Borrower on the _____ day of _____, 1993, and supplemented by a Supplemental Resolution duly adopted by said Board on the _____ day of _____, 1993 (collectively, the "Resolution"), and is subject to all the terms and conditions of said Resolution. The Resolution provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Resolution.

This Bond is payable only from and secured by a pledge of a first lien on the Net Revenues (as defined in the Resolution) to be derived from the operation of the System which lien is on a parity as to security and source of payment with the lien of the Prior First Lien Bonds, moneys in the Reserve Account created under the Resolution (the "Reserve Account") and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on this Bond, the Prior Bonds, and all bonds which may be issued for the construction, acquisition, improvement, extension or betterment of such System as and when the same become due and payable, and which shall be set aside and remitted for the Prior Bonds as provided in the Prior Resolution and to the Government for the Bonds as provided herein and in the Resolution. This Bond does not constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provisions or limitations, nor shall said Borrower be obligated to pay the same or the interest hereon except from the Net Revenues derived from the operation of said System, the moneys in the Reserve Account and unexpended Bond proceeds. Pursuant to the Resolution and the Prior Resolution, the Borrower has covenanted and agreed to establish and maintain just and equitable rates or charges for the use of such System and the services rendered thereby, which shall be sufficient to provide for the proper and reasonable expenses of operation, repair and maintenance of said System, and to leave a balance each year equal to at least 115% of the amount required to pay the maximum amount due in any ensuing year of principal of and interest on the Bonds and the Prior Bonds and on all obligations secured by or payable from such revenues prior to or on a parity with the Bonds and the Prior First Lien Bonds; provided that when the Reserve Funds for the Prior Bonds and the Bonds are funded at the maximum amount required by the Resolution and the Prior Resolution, then the balance each year must be equal to at least 110% of the amount required to pay the maximum amount due in any ensuing year of principal of and interest on the Bonds and the Prior Bonds; provided, however, upon the payment in full or defeasance of the Prior Bonds, the coverage requirement pursuant to the Resolution is 110%. The Borrower has entered into certain further covenants with the owner of this Bond for the terms of

which reference is made to said Resolution. Remedies provided the owner of this Bond are exclusively as provided in the Resolution, to which reference is here made for a detailed description thereof.

This Bond is transferable, as provided in the Resolution, only upon the books of the Registrar which shall be kept for that purpose at the office of the Registrar, by the owner or by its attorney or legal representative duly authorized in writing, upon surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar duly executed by the owner or its attorney or legal representative duly authorized in writing.

Subject to registration requirements, this Bond under the provision of the Act is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for such purposes and periods of time.

If at any time it so appears to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private creditor at reasonable rates and terms for loans for such purposes and period of time, Borrower will at the Government's request apply for and accept such loan in sufficient amount to repay the Government.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts connected with the issuance hereof, as provided by law and the Resolution, shall be applied solely to the costs of acquisition and construction of the Project, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said Borrower, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the revenues of the System of the Borrower has been pledged to and will be set aside into said special fund by the Borrower for the prompt payment of the principal of and interest on this Bond.

All provisions of the Resolution, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Rural Development Act of 1972. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

IN WITNESS WHEREOF, THE GAULEY RIVER PUBLIC SERVICE DISTRICT has caused this Bond to be signed by its Chairman and its seal to be hereunto impressed and attested by its Secretary, all as of the date first written above.

Section 3.10. Sale of Bonds. The Bonds shall be sold to FmHA pursuant to the terms and conditions of the Letter of Conditions. The provisions of the Letter of Conditions are specifically incorporated in this Resolution.

ARTICLE IV

SYSTEM REVENUES AND APPLICATION THEREOF

Section 4.01. System Revenues and Application Thereof.
So long as the Bonds shall be Outstanding and unpaid, the Issuer covenants with the Bondholders as follows:

(A) The entire Gross Revenues derived from the operation of the System and all parts thereof shall be deposited by the Issuer in the Revenue Fund created in the Prior Resolution and continued hereby. The Revenue Fund shall constitute a trust fund for the purposes provided in the Prior Resolution and this Resolution and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. Funds in the Revenue Fund shall be disposed of only in the following manner and order of priorities.

(1) From the Revenue Fund, the Issuer shall first each month pay the current Operating Expenses of the System.

(2) Next from the moneys in the Revenue Fund, the Issuer shall on the first day of each month commencing on the first day of the month following the month of delivery of the Bonds, make the payment required by Section 4.03(A) (2) of the Prior Resolution and shall simultaneously therewith apportion and set apart out of the Revenue Fund and remit to the office and place designated by the Bonds (herein called the "Sinking Fund") the monthly payment of interest set forth in the Supplemental Resolution or such lesser amount as is required to pay the interest on the Bonds as evidenced by the Record of Advances and Payments attached to the Bonds as set forth in the Bond form in Section 3.09. If funds in the Revenue Fund are not sufficient to make all the payments required by this Section, the Issuer shall apportion and prorate the funds available to the payments required herein.

(3) Next from the moneys in the Revenue Fund, the Issuer shall on the first day of each month commencing on the first day of the month following the month of delivery of the Bonds, make the payment required by Section 4.03(A) (3) of the Prior Resolution and simultaneously therewith shall apportion and set apart from the Revenue Fund and remit to the Sinking Fund the monthly payment of principal set forth in the Supplemental Resolution or such lesser amount as is evidenced by the Record of Advances and Payments attached to the Bond as set forth in the Bond form in Section 3.09, such amount or amounts being the amount required to amortize the principal of the Bonds over the life of the Bonds. If funds in the Revenue Fund are not sufficient to make all the

payments required by this Section, the Issuer shall apportion and prorate the funds available to the payments required herein.

The deposits to the Sinking Fund provided in this paragraph and in (2), above, constitute actual payments of principal and interest on the Bonds issued to the Government. The amounts required for principal and interest payments on the Bonds issued hereunder other than to the Government shall be deposited in a sinking fund created by a Supplemental Resolution.

(4) The Issuer shall next transfer from the Revenue Fund and make the payment required by Section 4.03(A)(4) of the Prior Resolution and simultaneously therewith deposit in a Reserve Account at the Depository Bank (herein the "Reserve Account"), or in the case of Bonds other than the Bonds originally authorized hereby in a reserve account in a sinking fund created by Supplemental Resolution or otherwise as designated by a Supplemental Resolution, on the first day of each month of each year beginning with and including the month in which payments from the Revenue Fund for interest on the Bonds are commenced, an amount equal to one tenth (1/10) of the amount deposited into the Sinking Fund, as set forth above. If funds in the Revenue Fund are not sufficient to make all the payments required by this Section, the Issuer shall apportion and prorate the funds available to the payments required herein.

No further payments shall be made into the Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Reserve Requirement. Moneys in the Reserve Account shall be used only for the purpose of payment of maturing principal of or interest on the Bonds when moneys in the Revenue Fund or, in the case of bonds other than the Bonds originally authorized hereby, the funds in a sinking fund created by Supplemental Resolution are insufficient therefor and for no other purposes.

Any withdrawals from the Reserve Account which result in a reduction in the balance of the Reserve Account to below the Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payment to the Sinking Fund and Reserve Account, including any deficiencies for prior payments, have been made in full.

As and when Additional Bonds ranking on a parity with the Bonds are issued, provision shall be made by Supplemental Resolution for additional payments sufficient to pay the interest on such Additional Bonds and to accomplish retirement thereof at or before maturity and to accumulate a balance in the Reserve Account in an amount equal to the maximum provided and required to

be paid in principal and interest in any succeeding year for account of all the Bonds.

(5) Thereafter, from the moneys remaining in said Revenue Fund, the Issuer shall make the payment required by Section 4.03(A) (5) of the Prior Resolution and shall next, on the first day of each month, commencing with the month succeeding the first full calendar month after commencement of operation of the Project, remit to the Depository Bank for deposit in a special account to be designated the "Depreciation Account," which account is hereby established and created, a sum equal to \$100 (\$1,200 per year). No further payments shall be required to be made into said Depreciation Account when there shall have been deposited therein, and so long as there shall remain on deposit therein, an amount equal to one year's maximum principal and interest payments. All funds in said Depreciation Account shall be kept apart from all other funds, and all or any part of said fund may be invested as provided by Article VIII. Withdrawals and disbursements may be made from said Depreciation Account for replacements, emergency repairs, additions, betterments or improvements to the System; deficiencies in the payment of principal and interest on the Bonds, or debt service on obligations not on a parity with the Bonds, the proceeds of which obligations were used to finance such additions, betterments or improvements.

(6) Thereafter, from the moneys remaining in said Revenue Fund, the Issuer shall make the payments required pursuant to Section 4.03(A) (6) and (7) of the Prior Resolution.

(7) If all of the above required payments are then current, the Issuer may use any moneys remaining in the Revenue Fund for the following purposes: (a) for prepayment of the amount, or any part thereof, of the Prior Bonds or the Bonds Outstanding in accordance with the terms thereof (b) additions, betterments or improvements to the System which the Consulting Engineers certify are needed and/or (c) payments of principal and interest on subordinate water revenue bonds, or other obligations which may hereafter be issued by the Issuer on account of the System.

(B) All of the funds and accounts provided for above shall constitute trust funds and shall be used only for the purposes provided herein.

(C) The moneys in excess of the sum insured by the maximum amounts insured by the FDIC in the Revenue Fund, in the Reserve Account and in the Depreciation Account shall at all times be secured, to the full extent thereof in excess of such insured sum, by Government Obligations or such other obligations as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

(D) If on any monthly payment date the Net Revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payments dates; provided, that all deposits, including on account of deficiencies, shall be made in the order of priority set forth in Paragraph (A), above, and no payment of lower priority shall be made if there exists a deficiency in a fund or account of higher priority. No such deficiency shall exist solely because the required payments into the Reserve Account have not, as of such date, funded such account to the requirement therefor.

(E) All remittances made by the Issuer to the Government or to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

(F) The Gross Revenues of the System shall only be used for purposes of the System.

Section 4.02. Tap Fees. During the construction of the Project, Tap Fees shall be deposited in the Construction Trust Fund created in Section 5.02 hereof. Following completion of the Project, Tap Fees shall be deposited in the Revenue Fund and may be used for any lawful purpose of the System.

ARTICLE V

APPLICATION OF BOND PROCEEDS

Section 5.01. Application of Bond Proceeds. All the moneys received from time to time from the sale of Bonds shall be deposited in the Construction Trust Fund, hereinafter created.

Section 5.02. Construction Trust Fund. There is hereby created with the Depository Bank a special fund to be known as the "Construction Trust Fund," which fund shall be kept separate and apart from all other funds of the Issuer, and shall be drawn out, used and applied by the Issuer solely for the payment of the Costs of Project A and purposes incidental thereto, including payment of any borrowings by the Issuer made for the purpose of temporarily financing a portion of the Costs of Project A, for the payment of interest on the Bonds during construction and for a period up to six months thereafter and for no other purposes whatsoever. The moneys in said fund shall be secured at all times by the Depository Bank, by Government Obligations having a fair market value at least equal to the balance in said fund in excess of the amount insured by the FDIC. If for any reason the amounts on deposit in the Construction Trust Fund are not necessary for, or are not applied to, such purposes, then such unapplied amounts shall be deposited by the Issuer as determined by the rules and regulations of the Government. All such proceeds shall constitute a trust fund for such purposes, and there is hereby created a lien upon such moneys, until so applied, in favor of the Holders of the Bonds hereby authorized.

Expenditures or disbursements by the Depository Bank from said Construction Trust Fund shall be made only after such expenditures or disbursements shall have been approved in writing by the Governing Body, the Consulting Engineers and the Government.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Resolution shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Resolution, the Issuer hereby covenants and agrees with the Holders of the Bonds as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Bonds or the interest thereon is Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Resolution. No Holder or Holders of any Bonds shall ever have the right to compel the exercise of the taxing power, if any, of the Issuer to pay said Bonds or the interest thereon.

Section 6.03. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the operation of the System which lien is on a parity as to such security with the lien of Prior First Lien Bonds. The Net Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Bonds herein authorized and to make the payments into the Sinking Fund and the Reserve Account and all other payments provided for in this Resolution and the Prior Resolution are hereby irrevocably pledged, in the manner provided herein and therein, to the payment of the principal of and interest on the Bonds and the Prior Bonds as the same become due, and for the other purposes provided in this Resolution and the Prior Resolution.

Section 6.04. Rates. Prior to the issuance of the Bonds, equitable rates or charges for the use of and service rendered by the System will be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file in the office of the Governing Body, copies of which will be open to inspection by all interested parties. The schedule of rates and charges shall be sufficient to pay the Operating Expenses of the System, to pay the principal of and interest on all Bonds issued hereunder, to pay

the principal of and interest on the Prior Bonds, to provide an adequate Reserve Account and an adequate Depreciation Fund and to pay all requirements set forth in the Prior Resolution. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient (i) to provide for all reasonable Operating Expenses of the System, and to fund any reserves required by the PSC Order or any supplement or amendment thereto, and (ii) to leave a balance each year equal to the maximum amount required in any succeeding fiscal year to pay the principal of and interest on the Bonds and the Prior Bonds and to leave a balance each fiscal year equal to at least 115% of the average annual debt service on the Bonds and the Prior Bonds Outstanding and all other obligations of the Issuer, secured by or payable from such revenues prior to or on a parity with the Bonds and the Prior First Lien Bonds, provided that when the Reserve Funds for the Prior Bonds and the Bonds are funded at the maximum level required therefor, then the balance each year must be equal to at least 110% of the amount required to pay the maximum principal and interest due on the Bonds and the Prior Bonds in any ensuing year; provided however, upon the payment in full or defeasance of the Prior Bonds, the coverage requirement pursuant to this Resolution is 110%.

Section 6.05. Sale of the System. So long as the Bonds are Outstanding, the System may be sold, transferred, mortgaged, leased or otherwise disposed of or encumbered (other than any statutory mortgage lien created under the Act on account of obligations issued within the restrictions hereof) only with the written consent of the Government, and such consent will specify the disposition of any such sale or transfer. So long as the Prior Bonds are Outstanding, the System may be sold, transferred, mortgaged, leased or otherwise disposed of only in accordance with the terms of the Prior Resolution and with the written consent of the Government.

Section 6.06. Issuance of Additional Bonds. No Additional Bonds, as in this section defined, payable out of the revenues of the System shall be issued after the issuance of the Bonds pursuant hereto, except under the conditions and in the manner herein provided, and as long as the Prior Bonds are Outstanding, no Additional Bonds secured by the revenues of the System shall be issued except under the conditions and in the manner provided herein and in the Prior Resolution.

(A) No such Additional Bonds shall be issued without the written consent in advance of FmHA. No such Additional Bonds

shall be issued except for the purpose of financing the costs of the construction or acquisition of extensions, additions, betterments and improvements to the System or refunding one or more series of Bonds issued hereunder, or both, except as provided in subsection (F) of this section.

(B) No such Additional Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Secretary a written certification by an Independent Certified Public Accountant, based upon the necessary investigation, reciting the conclusion that the Net Revenues actually derived from the System during the Fiscal Year immediately preceding the date of the issuance of such Additional Bonds shall have been not less than one hundred fifteen percent (115%) of the average aggregate amount which will mature or become due in any succeeding Fiscal Year for principal of and interest on the Prior Bonds, if outstanding, on the Bonds and on all Bonds of all other outstanding series on a parity with the Bonds and on the Additional Bonds then proposed to be issued. This limitation may be waived or modified by the written consent of Bondholders representing 75% of each series of the then Outstanding Bonds issued pursuant hereto.

(C) Prior to or concurrently with the issuance of any such Additional Bonds, the Issuer shall have entered into written contracts for the immediate acquisition or construction of such extensions, additions, betterments or improvements to the System which are to be financed by such Additional Bonds.

(D) The term "Additional Bonds," as used in this section, shall be deemed to mean Additional Bonds issued under the provisions and within the limitations of this section, payable from the revenues of the System on a parity with the Bonds, and all the covenants and other provisions of this Resolution (except as to details of such Additional Bonds inconsistent therewith) shall be for the equal benefit, protection and security of the Holders of any Additional Bonds subsequently issued within the limitations of and in compliance with this section. All such Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Net Revenues of the System, and their source of and security for payment from said Net Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds, either new or created herein, required for such Additional Bonds, in addition to the payments required for the Prior Bonds and the Bonds originally issued hereunder. Redemption of Bonds prior to maturity, in the event that the Bonds and Additional Bonds hereby authorized are Outstanding, shall as nearly as practical be on an equal pro rata basis reflecting the original amounts of each issue.

(E) No Additional Bonds shall be issued at any time unless all the payments into the respective funds provided for herein on Bonds then Outstanding and all other payments provided for herein shall have been made or paid up as required to the date of issuance of the Additional Bonds and the Issuer shall have fully complied with all the covenants, agreements and terms hereof or shall have remedied any deficiency in such compliance.

(F) With the written consent in advance of FmHA, and anything to the contrary in subsections (A), (B) and (C) of this section notwithstanding, Additional Bonds may be authorized and issued by the Issuer pursuant to a Supplemental Resolution in the event that the Bonds should be insufficient, together with other funds lawfully available therefor, to pay or provide for all Costs of Project A. Any such Additional Bonds authorized and issued under the provisions of this subsection shall be limited to the aggregate principal amount required to make up any deficiency in funds for payment of such Costs, and the maturities of any such Additional Bonds shall be in years and amounts suggested by FmHA.

Section 6.07. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Resolution shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the PSC. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by FmHA. FmHA shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of FmHA shall be reported to such agent of the Issuer as FmHA shall direct.

The Issuer shall file with the Consulting Engineers, and FmHA, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of Bonds requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses and Net Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts

provided for in this Resolution and the status of all said funds and accounts.

(C) The amount of any Prior Bonds, Bonds or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of Bonds and shall submit said report to FmHA, or any other original purchaser of the Bonds. Such audit report submitted to FmHA shall include a statement that the Issuer is in compliance with the terms and provisions of this Resolution and the Prior Resolution.

The Issuer shall keep and preserve all financial records for a period of ten (10) years, and such material, upon request, will be made available for public inspection.

Section 6.08. Fiscal Year; Budget. While the Bonds are Outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a fiscal year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the annual budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of such annual budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Board. Copies of each annual budget shall be delivered to FmHA by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the annual budget before the first day of any Fiscal Year, it shall adopt a budget of current expenses from month to month until the adoption of the annual budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the year next preceding by more than ten percent (10%); and provided further, that adoption of a budget of current expenses shall not constitute compliance with the covenant to adopt an annual budget unless the Issuer's failure to submit an annual budget shall be for a reason beyond the control of the Issuer. Each such budget of current expenses shall be delivered and mailed immediately as in the case of the annual budget.

Section 6.09. Services Rendered by the System. The Issuer will not render or cause to be rendered any free services of any nature by its System; and, in the event the Issuer or any

department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.10. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals, or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent, to the full extent permitted or authorized by the laws of the State and the rules and regulations of the Public Service Commission. All such rates and charges, if not paid when due, shall become a lien on the premises served by the System.

To the extent allowed by law and the PSC, whenever any rates, rentals or charges for the services and facilities of the System, shall remain unpaid for a period of thirty (30) days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent and the owner, user and property shall be held liable at law until such time as all such rates and charges are fully paid.

The Issuer further covenants and agrees that it will, to the full extent permitted by law and the rules and regulations promulgated by the PSC, for any account not paid within sixty (60) days, discontinue and shut off the services and facilities of the System and, in the event the Issuer owns a sewer facility (the "Sewerage System"), the Sewerage System to all users of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System have been paid in full and all accrued penalties plus a reconnection charge have been paid and shall take all further actions to enforce collections to the maximum extent permitted by law. The Issuer further covenants to use its best efforts to enter into agreements with any other entities providing sewerage service to its users, providing for discontinuing and shutting off the services and facilities of the sewerage system to users of the System delinquent in payment.

Section 6.11. Insurance and Bonds. The Issuer hereby covenants and agrees that, so long as the Bonds remain Outstanding, it will, as an expense of operation and maintenance of the System, procure, carry and maintain insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(A) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured prior to acceptance of any part of the Project from the contractor, on all above-ground insurable portions of the System, including machinery and equipment housed therein, in an amount equal to the insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(B) Public Liability Insurance, with limits of not less than \$500,000 for personal liability to protect the Issuer from claims for bodily injury and/or death and not less than \$200,000 from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured at the commencement of construction of the Project.

(C) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated for the benefit of the Issuer, with limits of not less than \$500,000 for personal liability to protect the Issuer from claims for bodily injury and/or death and not less than \$200,000 from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle.

(D) Workers' Compensation Coverage for All Employees of the System Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each contractor dealing directly with the Issuer, and such payment bonds will be filed with the Clerks of The County Commissions of Fayette, Nicholas and Clay Counties prior to commencement of construction of the Project in compliance with Chapter 38, Article 2, Section 39 of the Code of West Virginia, 1931, as amended.

(E) Fidelity Bonds will be provided as to every officer and employee of the Issuer having custody of the Revenue Fund or of any other funds or valuable property of the System in an amount

at least equal to the total funds in the custody of any such person at any one time, and initially in the amount required by FmHA and to be increased thereafter as necessary to cover the maximum amount of funds under control of that position at any one time.

(F) Flood Insurance will be obtained by the Issuer if available.

(G) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this section, during construction of the Project and so long as FmHA holds any of the Bonds, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each prime contractor to carry insurance, of such types and in such amounts as FmHA may specify, as long as such amounts are not less than any amounts acquired by the Prior Resolution as long as the Prior Bonds are outstanding, and with insurance carriers or bonding companies acceptable to FmHA.

Section 6.12. No Competing Franchise. To the extent allowable by law, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality for the providing of any services which would compete with services provided by the System.

Section 6.13. Consulting Engineer. The Issuer will retain recognized, qualified independent Consulting Engineers on an annual basis to supervise generally the operation, maintenance and renewal of the System and report annually to the Issuer in writing their recommendations and comments as to the System. Such annual report of the Consulting Engineers or a summary thereof shall be made available at reasonable times to FmHA and to any Bondholder requesting the same.

Section 6.14. Contracts. Not later than simultaneously with the delivery of the Bonds, the Issuer shall have entered into written contracts for the immediate acquisition or construction of the project.

Section 6.15. Statutory Mortgage Lien. For the further protection of the Holders of Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, and shall take effect immediately upon delivery of the Bonds and shall be for the equal benefit of all Holders of each respective series of Bonds; provided however, that the statutory mortgage lien in favor of the Holders of the Bonds issued hereunder shall be on a parity with the statutory mortgage lien in

favor of the Holders of the Prior First Lien Bonds. The statutory mortgage lien in favor of the Holders of the Prior Second Lien Bonds shall be junior and subordinate to the statutory mortgage lien in favor of the Holders of the Bonds and the Prior First Lien Bonds.

Section 6.16. PSC Order. The Issuer shall comply with the conditions of the PSC Order and any supplement or amendment thereto.

Section 6.17. Funds and Accounts Under Prior Resolution. The Issuer hereby covenants that all payments into the respective funds and accounts created under the Prior Resolution will have been made in full as required by the Prior Resolution prior to the date of delivery of the Bonds.

Section 6.18. Covenant to Amend Resolution. The Issuer retains the right to make any amendments, insertions or deletions by Supplemental Resolutions of this Resolution as the Issuer deems desirable or necessary to preserve the exclusion from gross income for federal income tax purposes of interest on the Prior First Lien Bonds. The Board of the Issuer hereby retains the specific authority to amend or supplement this Resolution to comply with the Internal Revenue Code of 1986, as amended, and any regulations promulgated thereto. In determining to amend or supplement this Resolution, the Board of the Issuer may rely on the opinion of a nationally recognized bond counsel.

The Issuer retains the right to make any amendments, insertions or deletions by Supplemental Resolution of this Resolution as the Issuer deems necessary prior to the issuance of the Bonds to meet the requirements of FmHA.

ARTICLE VII

DEFAULTS AND REMEDIES

Section 7.01. Events of Default. A. Each of the following events shall constitute an "Event of Default" with respect to the Bonds.

(A) If default occurs in the due and punctual payment of the principal of or interest on any Bonds;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Bonds set forth in this Resolution, any Supplemental Resolution or the Bonds and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Government, the Depository Bank, the Bond Registrar, any Paying Agent or a Registered Owner of a Bond; or

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America.

Section 7.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and this Resolution relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action at law or bill in equity enjoin any acts in violation of the resolution with respect to the Bonds, or the rights of such Registered Owners.

Section 7.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under this Resolution and the Act, including, after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default, with respect to the Bonds, the Registered Owner shall, in

addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project, or both, on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and any interest thereon and the deposits into the funds and accounts herein provided and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Resolution for Reserve, Sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Resolution shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent Event of Default, any Registered Owner of Bonds issued pursuant to this Resolution shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of Bonds issued pursuant to this Resolution. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole

purpose of the protection of both the Issuer and Registered Owners, and the curing and making good of any default under the provisions of this Resolution, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage, or otherwise dispose of any assets of the System.

Section 7.04. Remedies on Parity with Prior First Lien Bonds. The exercise of any remedy set forth in Sections 7.02 and 7.03 above shall recognize and protect the parity rights of the owners of the Prior First Lien Bonds.

ARTICLE VIII

INVESTMENTS; NON-ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Resolution, other than the Revenue Fund, shall be invested and reinvested by the Commission or the Depository Bank, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section.

Except as specifically provided herein, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, including but not limited to those in the Construction Trust Fund, and used for the purpose of such fund or account. The interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the Owner, including the value of accrued interest and giving effect to the amortization of discount and investments in the "consolidated fund" of the West Virginia Board of Investments shall be valued at par. The Commission or the Depository Bank, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. Such Depository Bank may make any and all investments permitted by this Section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under the section:

A. Qualified Investments acquired from the Reserve Account shall have maturities or be subject to redemption at the option of the Holder within five (5) years from the date of acquisition.

B. Qualified Investments acquired for the Depreciation Fund shall have maturities or be subject to redemption at the option of the Holder within ten (10) years from the date of acquisition.

C. Qualified Investments may be purchased for the Reserve Account either in the open market or from the Construction Trust Fund. If so purchased from the Construction Trust Fund, such Qualified Investments shall be purchased at a price equal to their original purchase price plus accrued interest.

ARTICLE IX

MISCELLANEOUS

Section 9.01. Modification or Amendment. Except as provided in Section 6.18, no material modification or amendment of this Resolution, or of any resolution amendatory or supplemental hereto that would materially and adversely affect the respective rights of Owners of the Bonds shall be made without the consent in writing of the Owners of 66-2/3 percent or more in principal amount of the Bonds so affected and then Outstanding; provided, that no change shall be made in the maturity of any Bond or Bonds or the rate of interest thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest out of the Net Revenues of the System without the consent of the respective Owner thereof. No amendment or modification shall be made that would reduce the percentage of the principal amount of Bonds respectively, required for consent to the above-permitted amendments or modifications.

Section 9.02. Severability of Invalid Provisions. If any section, paragraph, clause or provision of this Resolution shall be held invalid, such invalidity shall not affect any of the remaining provisions of this Resolution, any Supplemental Resolution or the Bonds.

Section 9.03. Table of Contents and Headings. The Table of Contents and headings of the articles, sections and subsections hereof are for convenience only and shall neither control nor affect in any way the meaning or construction of any of the provisions hereof.

Section 9.04. Repeal of Conflicting Resolutions. All resolutions and orders, or parts thereof, in conflict with this Resolution are, to the extent of such conflict, repealed; provided, that no provision of FmHA Form 1942-47 or the Prior Resolution shall be repealed hereby.

Section 9.05. Covenant of Due Procedure. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the adoption of this Resolution do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Chairman, Secretary and members of the Governing Body were at all times when any actions in connection with this Resolution occurred, and are, duly in office and duly qualified for such office.

Section 9.06. Satisfaction and Discharge. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then the respective pledges of Net Revenues, and other moneys and securities pledged under this Resolution, and all covenants, agreements and other obligations of the Issuer to the Bondholders shall thereupon cease, terminate and become void and be discharged and satisfied. Any payment must comply with the terms of the Letter of Conditions and any FmHA regulations.

Section 9.07. Effective Date. This Resolution shall take effect immediately upon its adoption.

Adopted this 17th day of March, 1993.

SUPPLEMENTAL RESOLUTION

SUPPLEMENTAL RESOLUTION PROVIDING AS TO DATE, INTEREST RATE, AND SALE PRICE OF THE GAULEY RIVER PUBLIC SERVICE DISTRICT WATER REVENUE BONDS, SERIES 1993; DESIGNATING A REGISTRAR AND DEPOSITORY BANK; SETTING FORTH REGISTRATION INFORMATION; AND MAKING OTHER PROVISIONS AS TO THE BONDS.

WHEREAS, the Public Service Board (the "Board") of the Gauley River Public Service District (the "District") has duly and officially enacted a Bond Resolution, effective March 17, 1993 (the "Resolution"), entitled:

Resolution authorizing the acquisition and construction of certain extensions, additions, betterments and improvements to the existing waterworks facility of the Gauley River Public Service District and the financing of the cost, not otherwise provided, thereof, through the issuance by the District of \$1,600,000 in aggregate principal amount of water revenue bonds and the sale thereof to the United States Department of Agriculture, Farmers Home Administration; providing for the rights and remedies of and security for the registered owners of such bonds; providing for the terms and provisions of such bonds and adopting other provisions relating thereto.

WHEREAS, the Resolution provides for the issuance of Water Revenue Bonds (the "Bonds") of the Gauley River Public Service District in an aggregate principal amount not to exceed \$1,600,000 and the sale thereof to the United States Department of Agriculture, Farmers Home Administration (the "Farmers Home Administration"), all in accordance with Chapter 16, Article 13A, of the Code of West Virginia, 1931, as amended (the "Act"), and the Resolution, and it is provided that the interest rates and sale price of the Bonds should be established by a supplemental

resolution and that other matters relating to the Bonds be herein provided for;

WHEREAS, Farmers Home Administration proposes to purchase the Bonds;

WHEREAS, the Board of the District deems it essential and desirable that this resolution (the "Supplemental Resolution"), be adopted and that the price of and the interest rate on the Bonds be fixed hereby in the manner stated herein; and that other matters relating to the Bonds be herein provided for;

NOW, THEREFORE, BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF THE GAULEY RIVER PUBLIC SERVICE DISTRICT:

Section 1. Pursuant to the Resolution and the Act, this Supplemental Resolution is adopted and there is hereby authorized and ordered to be issued the Gauley River Public Service District Water Revenue Bonds, Series 1993 in the aggregate principal amount of \$1,600,000, and the sale thereof to the United States Department of Agriculture, Farmers Home Administration. The Bonds shall be in the form of one Bond, shall be dated March 17, 1993, shall mature forty years from the date thereof, shall be numbered R-1 and the principal amount advanced under the Bonds shall bear interest at the rate of five per centum (5.0%) per annum. Monthly installments of interest only on the amounts advanced under the Bonds are payable monthly, commencing the first day of the month following the month of delivery of the Bonds, for the first 24 months after delivery of the Bonds and thereafter, monthly installments of principal and interest on the Bonds, in the aggregate amount of

\$7,856.00, are payable on the first day of each month, except that the final installment on the Bonds shall be made 40 years from the date of the Bonds in the sum of the unpaid principal and interest remaining unpaid on the date thereof. The Bonds are subject to prepayment as set forth in the Resolution.

Section 2. All other provisions relating to the Bonds shall be as provided in the Resolution and the Bonds shall be in substantially the form provided in the Resolution with such changes, insertions and omissions as may be approved by the Board of the District. The execution of the Bonds by the Chairman shall be conclusive evidence of such approval.

Section 3. The District hereby approves and accepts the offer of the Farmers Home Administration to purchase the Bonds. The execution and delivery by the Chairman and Secretary of the Bonds, and the performance of the obligations contained therein, on behalf of the District are hereby authorized, approved and directed. The price of the Bonds shall be one million six hundred thousand dollars (\$1,600,000) (100% of par value). At least Eighty Thousand Dollars (\$80,000) will be advanced on the date of Closing and the remaining purchase price will be advanced to the District as needed to pay the Costs of Project A.

Section 4. All principal and interest payments on the Bonds will be paid to the order of the United States Department of Agriculture at its National Finance Office, 1520 Market Street, St. Louis, Missouri 63103.

Section 5. The Bonds shall be issued as a fully registered Bond, both as to principal and interest, and shall be registered to the United States Department of Agriculture, Farmers Home Administration, P. O. Box 678, Morgantown, West Virginia 26505.

Section 6. The District hereby appoints and designates Merchants National Bank, Montgomery, West Virginia, as the Depository Bank, as provided in the Resolution.

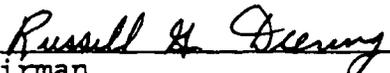

Section 7. The District hereby appoints and designates Merchants National Bank, Montgomery, West Virginia, as Registrar for the Bonds as provided in the Resolution.

Section 8. The Chairman and the Secretary are hereby authorized and directed to execute and deliver such other documents and certificates required or desirable in connection with the Resolution and the Farmers Home Administration financing.

Section 9. The financing of the Project by the Bonds is in the public interest, serves a public purpose of the District and will promote the health, welfare and safety of the residents of the District.

Section 10. This Supplemental Resolution shall be effective immediately upon adoption.

Words importing singular number shall include the plural number in each case and vice versa; words importing persons shall include firms and corporations; and words importing the masculine, feminine or neutral gender shall include any other gender.

The terms "herein," "hereunder," "hereby," "hereto," "hereof" and any similar terms refer to this Resolution; and the term "hereafter" means after the date of adoption of this Resolution.

Articles, sections and subsections mentioned by number only are the respective articles, sections and subsections of this Resolution so numbered.

Section 1.02. Authority for this Resolution. This Resolution is adopted pursuant to the provisions of the Act and other applicable provisions of law.

Section 1.03. Findings. It is hereby found, determined and declared as follows:

A. The Issuer now owns and operates a public waterworks distribution system, furnishing water service to residences, premises and businesses residing or located within and without the area of the Issuer.

B. The acquisition and construction of the System was financed in part with the proceeds from the Prior Bonds, authorized pursuant to the Prior Resolutions.

C. The Prior Bonds of the Issuer are currently outstanding in the approximate aggregate principal amount of \$1,697,380.

D. The Issuer derives revenues from the System, and, except for the pledges thereof to secure and pay the Prior Bonds, said revenues are not pledged or encumbered in any manner.

E. It is deemed necessary and desirable for the health, welfare and safety of the inhabitants of the District that there be constructed certain extensions, additions, betterments and improvements to the System, to extend service to customers in the Beech Glen, Jody and Swiss areas, in accordance with the plans and specifications prepared by the Consulting Engineers, which Project is described in Exhibit A.

F. The estimated maximum cost of the construction of the Project is \$2,170,000. The Project will be financed with the proceeds of the sale of the Bonds anticipated to be in the amount of \$471,000, from the Government Grant in the approximate amount of \$736,000 and with the proceeds of the ARC Grant in the amount of \$274,000 and with the proceeds of the AML Grant in the amount of \$689,500. The Issuer has entered into the MOU which provides for the administration of the AML Grant and the transfer of the AML Grant portion of the Project to the Issuer upon completion of the Project.

G. The estimated Gross Revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all the costs of the operation and maintenance of the System, the principal of and interest, if any,

on the Prior Bonds, the principal of and interest on the Bonds authorized to be issued pursuant to this Resolution and all sinking funds, reserve and other payments provided for in the Prior Resolutions and in this Resolution.

H. Prior to the issuance of the Bonds, the Issuer will obtain the consent of the WDA to the issuance of the Bonds with a lien on a parity with the lien of the Prior First Lien Bonds and the Consent of the Government to the issuance of the Bonds with a lien on a parity with the lien of the Prior 1993 Bonds. Upon the issuance of the Bonds, the Issuer will grant the Government a first lien on the Net Revenues of the System, which lien will be on a parity with the lien of the Prior First Lien Bonds and the Prior 1993 Bonds, and senior to the Prior Second Lien Bonds.

I. It is deemed necessary for the Issuer to issue its Bonds, in part to permanently finance the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements, and franchises deemed necessary therefor; the cost of the construction of said extensions, additions, betterments and improvements to the System and any other expenses necessary, incidental, desirable or appurtenant to the acquisition and construction of the Project and such replacements as are necessary therefor; the cost of interim financing for such Project; interest on the Bonds, prior to, during and for six months after the estimated date of completion of construction of the Project, if any; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; expenses for the service of registrars, paying agents, depositories or other agents in connection with the issuance of the Bonds, and such other expenses as may be necessary or desirable to said acquisition and construction of the project and placing the same in operation and the financing authorized by this Resolution.

J. The period of usefulness of the System after completion of the Project is not less than 40 years.

K. The Issuer has entered into a Water Purchase Agreement with Kanawha Falls Public Service District.

L. The Letter of Conditions requires the Issuer to obtain interim financing pending receipt of Bond proceeds. It is in the best interest of the Issuer that notes be issued to evidence such interim financing in an amount not to exceed \$300,000.

M. It is in the best interests of the Issuer that its Bonds be sold to the Government pursuant to the terms and provisions of the Letter of Conditions.

N. The Issuer has complied with all requirements of West Virginia law relating to authorization of the construction, acquisition and operation of the Project and issuance of the Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of the PSC Order, the time for rehearing and appeal of

which have expired and written approval or a waiver from the West Virginia Infrastructure and Jobs Development Council.

Section 1.04. Resolution Constitutes Contract. In consideration of the acceptance of the Bonds by those who shall be the Registered Owners of the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Registered Owners of any and all of such Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bonds by reason of priority of issuance or otherwise, except as expressly provided therein and herein. The Bonds share a first lien parity position with respect to sources of and security for payment with the Prior First Lien Bonds and the Prior 1993 Bonds and a senior position to the Prior Second Lien Bonds.

ARTICLE II

**AUTHORIZATION OF EXTENSIONS, ADDITIONS,
BETTERMENTS AND IMPROVEMENTS TO THE SYSTEM**

Section 2.01. Authorization of Extensions, Additions, Betterments and Improvements. There is hereby authorized the construction and acquisition of certain extensions, additions, betterments and improvements to the System in accordance with the plans and specifications which have been prepared by the Consulting Engineers; provided, that such plans and specifications, and the construction and acquisition of certain extensions, additions, betterments and improvements to the System in accordance therewith, are subject to the specific authorization by the Board pursuant to a Supplemental Resolution.

The Issuer has received bids or entered into contracts for the acquisition and construction of the Project.

ARTICLE III

AUTHORIZATION, TERMS, EXECUTION, REGISTRATION AND SALE OF BONDS

Section 3.01. Authorization of Bonds. Subject and pursuant to the provisions hereof, the Bonds of the Issuer, to be known as "Gauley River Public Service District Water Revenue Bonds" (the "Bonds") are hereby authorized to be issued in the aggregate principal amount of \$471,000 for the purpose of permanently financing the Costs of the Project.

Section 3.02. Description of Bonds. (a) The Series 1997 A Bonds shall be issued as fully registered Bonds with a record of advances and payments attached, numbered AR-1 upward, and shall be dated the date of delivery thereof. The Bonds shall bear interest from the date of delivery on the amount outstanding as evidenced on the record of advances and payments, payable monthly, commencing on the 26th day of the month following the month of delivery of the Bond and on the 26th day of each month thereafter for the first 24 months after the date thereof and thereafter on the 26th day of each month in installments of principal and interest in the aggregate amount of \$1,901 except that the final installment shall be paid at the end of 40 years from the date of the Bond, at a rate, not exceeding four and one-half percent (4.50%) per annum, as shall be determined by the Supplemental Resolution and shall be sold for the par value thereof.

(b) The Series 1997 B Bonds shall be issued as fully registered Bonds with a record of advances and payments attached, numbered BR-1 upward, and shall be dated the date of delivery thereof. The Bonds shall bear interest from the date of delivery on the amount outstanding as evidenced on the record of advances and payments, payable monthly, commencing on the 26th day of the month following the month of delivery of the Bond and on the 26th day of each month thereafter for the first 24 months after the date thereof and thereafter on the 26th day of each month in installments of principal and interest in the aggregate amount of \$262 except that the final installment shall be paid at the end of 40 years from the date of the Bond, at a rate, not exceeding four and one-half percent (4.50%) per annum, as shall be determined by the Supplemental Resolution and shall be sold for the par value thereof.

The Bonds shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer, shall be payable as provided in the Bond form hereinafter set forth, and shall have such other terms not inconsistent with this Resolution, as shall be set forth in the Supplemental Resolution and such Bond form.

The series designation shall be as set forth in the Supplemental Resolution.

Section 3.03. Execution of Bonds. The Bonds shall be executed in the name of the Issuer by the manual or facsimile signature of the Chairman, and the seal of the Issuer

shall be impressed thereon and attested by the manual or facsimile signature of the Secretary. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.09, shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Resolution. The Certificate of Authentication and Registration on any Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder, in accepting any of said Bonds, shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Bonds remain outstanding, the Issuer, through the Bond Registrar, shall keep and maintain books for the registration and transfer of the Bonds.

The Bonds shall be transferable only upon the books of the Bond Registrar, by the Registered Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the Registered Owner or his duly authorized attorney.

In all cases in which the privilege of exchanging or transferring the Bonds are exercised, Bonds shall be delivered in accordance with the provisions of this Resolution. All Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each

new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obligated to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month preceding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System, as herein provided, and amounts, if any, in the Reserve Account. No Holder or Holders of any of the Bonds shall ever have the right to compel the exercise of the taxing power, if any, of the Issuer to pay the Bonds or the interest thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Bonds, the Prior 1993 Bonds and the Prior First Lien Bonds shall be secured forthwith equally and ratably and on a parity with each other, by a first lien on the Net Revenues derived from the System, which lien of the Bonds, the Prior 1993 Bonds and the Prior First Lien Bonds is senior to the lien of the Prior Second Lien Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Bonds and the Prior Bonds and to make the payments as hereinafter provided and as provided in the Prior Resolutions are hereby irrevocably pledged to the payment of the principal of and interest, if any, on the Bonds and the Prior Bonds as the same become due.

Section 3.09. Form of Bonds. The text of the Bonds shall be in substantially the following form, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted hereby, or by any Supplemental Resolution adopted prior to the issuance thereof:

[Form of Bonds]

UNITED STATES OF AMERICA
STATE OF WEST VIRGINIA
GAULEY RIVER PUBLIC SERVICE DISTRICT
WATER REVENUE BONDS
SERIES 1997[A/B]

No. AR-1[BR-2]

\$414,000 [\$57,000]

_____, 1997

United States Department of Agriculture
National Finance Office
1520 Market Street
St. Louis, Missouri 63103

FOR VALUE RECEIVED, the Gauley River Public Service District, a public corporation organized and existing under the laws of, and a political subdivision of, the State of West Virginia, in Fayette, Nicholas and Clay Counties (herein called the "Borrower"), promises to pay to the order of the United States Department of Agriculture, Rural Economic and Community Development (herein called the "Government"), at its National Finance Office, St. Louis, Missouri, or at such other place as the Government may hereafter designate in writing, and in the manner provided below, the principal sum of _____ Dollars (\$ _____) or such lesser amount as shall then be reflected on the Record of Advances and Payments attached hereto and incorporated herein by reference, plus interest on the unpaid principal balance at the rate of four and one-half percent (4.50%) per annum. Notwithstanding any provision of this Bond to the contrary, this Bond shall evidence only the indebtedness reflected as outstanding on the Record of Advances and Payments attached hereto. Interest shall accrue only on the amount of each advance from its actual date as listed on said Record of Advances and Payments and shall cease to accrue on the amount outstanding, or portions thereof, as the same are paid, as reflected by said Record of Advances and Payments.

The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only on the amounts advanced hereunder, commencing the 26th day of the month following the month of delivery of this Bond and on the 26th day of each month thereafter for the first 24 months after the date hereof, and thereafter on the 26th day of each month in installments of principal and interest in the aggregate amount of [\$1,901/\$262] except the final installment shall be paid at the end of forty years from the date of this Bond in the sum of the unpaid principal and interest due

on the date thereof and prepayments may be made as provided below. This consideration shall support any agreement modifying the foregoing schedule of payments.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Pre-payments of scheduled installments, or any portion thereof, may be made at any time at the option of the Borrower. Extra payments, as defined in the regulations of the Government, shall, after payment of interest, be applied to the installment last to come due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

Any amount advanced or expended by the Government for the collection hereof, or to preserve or to protect any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government, shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government. Borrower has granted to the Government a lien on the proceeds of this Bond until such proceeds are expended for authorized purposes.

This Bond is issued to permanently finance a portion of the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the Issuer's existing waterworks system (the "Project" and together with the existing waterworks system of the Issuer and any further extensions, additions, betterments and improvements thereto, herein called the "System"); to pay interest on the Bonds during acquisition and construction and for up to six months after completion of the Project; and to pay certain issuance and related costs in connection therewith. This Bond is authorized and issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Article 13A of Chapter 16 of the Code of West Virginia, 1931, as amended (the "Act"), and a resolution duly adopted by the Board of the Borrower on the 26th day of June, 1997, and supplemented by a Supplemental Resolution duly adopted by said Board on the 26th day of June, 1997 (collectively, the "Resolution"), and is subject to all the terms and conditions of said Resolution. The Resolution provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Resolution.

THIS BOND SHARES A FIRST LIEN PARITY POSITION WITH RESPECT TO SOURCES OF AND SECURITY FOR PAYMENT WITH THE OUTSTANDING GAULEY RIVER PUBLIC SERVICE DISTRICT WATERWORKS REVENUE BOND, SERIES 1986, DATED MAY 9, 1986 IN THE ORIGINAL PRINCIPAL AMOUNT OF \$123,230 (THE "PRIOR FIRST LIEN BONDS") AND THE OUTSTANDING GAULEY RIVER PUBLIC SERVICE DISTRICT WATER REVENUE BONDS, SERIES 1993,

DATED MARCH 17, 1993, IN THE ORIGINAL PRINCIPAL AMOUNT OF \$1,600,000 (THE "PRIOR 1993 BONDS") AND THE WATER REVENUE BONDS, SERIES 1997[A/B] ISSUED SIMULTANEOUSLY HEREWITH (THE "SERIES 1997[A/B] BONDS"), AND ARE SENIOR TO THE LIEN WITH RESPECT TO SOURCES AND SECURITY FOR PAYMENT WITH THE OUTSTANDING GAULEY RIVER PUBLIC SERVICE DISTRICT SUPPLEMENTAL SUBORDINATE WATERWORKS REVENUE BOND, SERIES 1986, DATED MAY 9, 1986 IN THE ORIGINAL PRINCIPAL AMOUNT OF \$61,350 (THE "PRIOR SECOND LIEN BONDS" AND COLLECTIVELY WITH THE PRIOR FIRST LIEN BONDS AND THE PRIOR 1993 BONDS, THE "PRIOR BONDS").

This Bond is payable only from and secured by a pledge of a first lien on the Net Revenues (as defined in the Resolution) to be derived from the operation of the System which lien is on a parity as to security and source of payment with the lien of the Prior First Lien Bonds, the Prior 1993 Bonds and the Series 1997[A/B] Bonds, issued simultaneously herewith, and senior to the Prior Second Lien Bonds, moneys in the Reserve Accounts created under the Resolution (the "Reserve Account") and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on this Bond, the Series 1997[A/B] Bonds, the Prior Bonds, and all bonds which may be issued for the construction, acquisition, improvement, extension or betterment of such System as and when the same become due and payable, and which shall be set aside and remitted for the Prior Bonds as provided in the Prior Resolutions and to the Government for this Bond and the Series 1997[A/B] Bonds as provided herein and in the Resolution. This Bond does not constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provisions or limitations, nor shall said Borrower be obligated to pay the same or the interest hereon except from the Net Revenues derived from the operation of said System, the moneys in the Reserve Accounts and unexpended Bond proceeds. Pursuant to the Resolution and the Prior Resolutions, the Borrower has covenanted and agreed to establish and maintain just and equitable rates or charges for the use of such System and the services rendered thereby, which shall be sufficient to provide for the proper and reasonable expenses of operation, repair and maintenance of said System, and to leave a balance each year equal to at least 115% of the amount required to pay the maximum amount due in any ensuing year of principal of and interest on this Bond, the Series 1997[A/B] Bonds and the Prior Bonds and on all obligations secured by or payable from such revenues prior to or on a parity with this Bond, the Series 1997[A/B] Bonds and the Prior Bonds; provided that when the Reserve Funds for the Prior Bonds, the Series 1997[A/B] Bonds and this Bond are funded at the maximum amount required by the Resolution and the Prior Resolutions, then the balance each year must be equal to at least 110% of the amount required to pay the maximum amount due in any ensuing year of principal of and interest on this Bond, the Series 1997[A/B] Bonds and the Prior Bonds. The Borrower has entered into certain further covenants with the owner of this Bond for the terms of which reference is made to said Resolution. Remedies provided the owner of this Bond are exclusively as provided in the Resolution, to which reference is here made for a detailed description thereof.

This Bond is transferable, as provided in the Resolution, only upon the books of Merchants National Bank, Gauley Bridge, West Virginia (the "Registrar") which shall be kept for that purpose at the office of the Registrar, by the owner or by its attorney or legal representative duly authorized in writing, upon surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar duly executed by the owner or its attorney or legal representative duly authorized in writing.

Subject to registration requirements, this Bond under the provision of the Act is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for such purposes and periods of time.

If at any time it so appears to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private creditor at reasonable rates and terms for loans for such purposes and period of time, Borrower will at the Government's request apply for and accept such loan in sufficient amount to repay the Government.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts connected with the issuance hereof, as provided by law and the Resolution, shall be applied solely to the costs of acquisition and construction of the Project, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said Borrower, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the revenues of the System of the Borrower has been pledged to and will be set aside into said special fund by the Borrower for the prompt payment of the principal of and interest on this Bond.

This Bond will be in default should any proceeds be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as set forth in Exhibit M of subpart G of Part 1940 of Title 7 of the Code of Federal Regulations, as amended.

All provisions of the Resolution, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Rural Development Act of 1972. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

IN WITNESS WHEREOF, THE GAULEY RIVER PUBLIC SERVICE DISTRICT has caused this Bond to be signed by its Chairman and its seal to be hereunto impressed and attested by its Secretary, all as of the date first written above.

Section 3.10. Sale of Bonds. The Bonds shall be sold to the Government pursuant to the terms and conditions of the Letter of Conditions. The provisions of the Letter of Conditions are specifically incorporated in this Resolution.

ARTICLE IV

LINE OF CREDIT

Section 4.01. Authorization of Line of Credit. To provide funds for the acquisition and construction of the Project and other funds are not available therefor, the Issuer is hereby authorized to arrange for a Line of Credit in an amount not to exceed \$300,000. The amount and terms of the Line of Credit may be approved by a resolution supplemental hereto.

Section 4.02. Authorization of Credit Line Note. For the purpose of evidencing any draw upon the Line of Credit and thus, of financing a portion of the cost of acquisition and construction of the Project, there may be issued the Credit Line Note of the Issuer in an amount and upon such terms as set forth in a resolution supplemental hereto. The Credit Line Note may be issued in single, fully registered form and dated as of the date of delivery thereof. There shall be attached to the Credit Line Note a Record of Advances and Payments, upon which the date and principal amount of any draw upon the Line of Credit, the date and amount of any payment of principal of the Credit Line Note and the amount of the Credit Line Note outstanding after either of said transactions shall be recorded. Anything to the contrary herein, in the Line of Credit Agreement or therein notwithstanding, the Credit Line Note shall evidence only the outstanding indebtedness recorded on the Record of Advances and Payments attached thereto, and interest shall accrue only on the amount if each advance from the actual date thereof as listed on said Record of Advances and Payments. Each such advance shall bear interest, payable at such times and at a rate set forth in a supplemental resolution, but not to exceed the then legally permissible limit. Interest shall cease to accrue on the amount of the Credit Line Note outstanding, or portions thereof, as the same are paid, as reflected by said Record of Advances and Payments. The Credit Line Note shall mature not more than thirty (30) months from the date thereof. The Credit Line Note shall be subject to such further terms as shall be provided by the Line of Credit Agreement. Notwithstanding the foregoing, the terms of the Credit Line Note, other than the principal amount thereof, may be modified by resolution supplemental and amendatory hereto, subject to the limits of the Act.

The Credit Line Note shall be payable as to principal upon surrender at the principal office of the Notes Registrar, in any coin or currency which on the date of payment of principal is legal tender for the payment of public and private debts under the laws of the United States of America; provided, that any partial payment or principal prior to the final maturity of the Credit Line Note shall be recorded on the Record of Advances and Payments attached to the Credit Line Note, and the Credit Line Note shall be returned to the Registered Owner. Interest on the Credit Line Note shall be paid by check or draft mailed to the Registered Owner thereof at the address as it appears on the books of said Notes Registrar; provided, that, at the option of the Registered Owner, such payment may be made by wire transfer or such other lawful method as shall be mutually agreeable.

Section 4.03. Execution of Credit Line Note. The Credit Line Note shall be executed in the name of the Issuer by the signature of its Chairman, and the seal of the Issuer shall be impressed thereon and attested by the signature of the Secretary. Any Credit Line Note may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Credit Line Note shall hold the proper office of the Issuer, although at the date of such Credit Line Note such person may not have held such office or may not have been so authorized.

Section 4.04. Negotiability, Transfer and Registration. Subject to the restrictions on transfer set forth below, the Credit Line Note shall be and have all of the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State, and each successive Registered Owner, in accepting the Credit Line Note, shall be conclusively deemed to have agreed that said Credit Line Note shall be incontestable in the hands of a bona fide holder for value.

So long as the Credit Line Note or any portion thereof remains Outstanding, the Notes Registrar shall keep and maintain books for the registration and transfer of the Credit Line Note. The Credit Line Note shall be transferable only upon the books of the Notes Registrar which shall be kept for that purpose at the office of the Notes Registrar (and in such capacity as paying agent) by the Registered Owner thereof in person or by its attorney duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Notes Registrar duly executed by the Registered Owner or its duly authorized attorney. Upon the transfer of the Credit Line Note, there shall be issued at the option of the Registered Owner or the transferee another Credit Line Note or Notes of the aggregate stated principal amount equal to the stated principal amount of such transferred Credit Line Note not paid as reflected on the Record of Advances and Payments attached thereto and outstanding in the aggregate principal amount equal to the advanced but unpaid amount of the transferred Credit Line Note as reflected on the Record of Advances and Payments attached thereto.

In all cases in which the privilege of transferring the Credit Line Note is exercised, Credit Line Notes shall only be issued in accordance with the provisions of this Ordinance and the Supplemental Resolution. All Credit Line Notes surrendered in any such transfers shall forthwith be cancelled by the Notes Registrar. For every such transfer of Credit Line Notes, the Notes Registrar may make a charge sufficient to reimburse its office for any tax, fee or other governmental charge required to be paid with respect to such transfer and the cost of preparing each Credit Line Note upon each transfer, and any other expenses of the Notes Registrar incurred in connection therewith, which sum or sums shall be paid by the person requesting such transfer as a condition precedent to the exercise of the privilege of making such transfer. The Notes Registrar shall not be obligated to make any such transfer of Credit Line Notes during the ten (10) days preceding an interest payment date on the Credit Line Notes or after notice of any prepayment of the Credit Line Notes have been given.

Section 4.05. Form of Credit Line Note and Line of Credit Agreement. The text of the Credit Line Note and the Line of Credit Agreement shall be in substantially the form set forth in a Resolution Supplemental hereto. The Line of Credit Agreement shall be executed on behalf of the Issuer by the Chairman. The Credit Line Note shall not become valid until manually authenticated and registered by the Notes Registrar.

ARTICLE V

SYSTEM REVENUES AND APPLICATION THEREOF

Section 5.01. System Revenues and Application Thereof. So long as the Bonds shall be Outstanding and unpaid, the Issuer covenants with the Bondholders as follows:

(A) The entire Gross Revenues derived from the operation of the System and all parts thereof shall be deposited by the Issuer in the Revenue Fund created in the Prior Resolutions and continued hereby. The Revenue Fund shall constitute a trust fund for the purposes provided in the Prior Resolutions and this Resolution and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. Funds in the Revenue Fund shall be disposed of only in the following manner and order of priorities.

(1) From the Revenue Fund, the Issuer shall first each month pay the current Operating Expenses of the System.

(2) Next from the moneys in the Revenue Fund, the Issuer shall on the first day of each month commencing on the first day of the month following the month of delivery of the Bonds, make the payments required by Sections 4.03(A)(2) and 4.01(A)(2) of the Prior Resolutions and shall on the 26th day of each month apportion and set apart out of the Revenue Fund and remit to the office and place designated by the Series 1997A Bonds and Series 1997B Bonds (herein collectively called the "Sinking Funds") the monthly payment of interest set forth in the Supplemental Resolution or such lesser amount as is required to pay the interest on the Series 1997A Bonds and Series 1997B Bonds as evidenced by the Record of Advances and Payments attached to the Series 1997A Bonds and Series 1997B Bonds as set forth in the Bond form in Section 3.09. If funds in the Revenue Fund are not sufficient to make all the payments required by this Section, the Issuer shall apportion and prorate the funds available to the payments required herein.

(3) Next from the moneys in the Revenue Fund, the Issuer shall on the first day of each month commencing on the first day of the month following the month of delivery of the Bonds, make the payment required by Sections 4.03(A)(3) and 4.01(A)(3) of the Prior Resolutions and shall on the 26th day of each month apportion and set apart from the Revenue Fund and remit to the Sinking Funds the monthly payment of principal set forth in the Supplemental Resolution or such lesser amount as is evidenced by the Record of Advances and Payments attached to the Series 1997A Bonds and Series 1997B Bonds as set forth in the Bond form in Section 3.09, such amount or amounts being the amount required to amortize the principal of the Series 1997A Bonds and Series 1997B Bonds over the life of the Series 1997A Bonds and Series 1997B Bonds. If funds in the Revenue Fund are not

sufficient to make all the payments required by this Section, the Issuer shall apportion and prorate the funds available to the payments required herein.

The deposits to the Sinking Funds provided in this paragraph and in (2), above, constitute actual payments of principal and interest on the Series 1997A Bonds and Series 1997B Bonds issued to the Government. The amounts required for principal and interest payments on the Series 1997A Bonds and Series 1997B Bonds issued hereunder other than to the Government shall be deposited in a sinking fund created by a Supplemental Resolution.

(4) The Issuer shall next transfer from the Revenue Fund and make the payment required by Sections 4.03(A)(4) and 4.01(A)(4) of the Prior Resolutions and shall deposit in the Series 1997A Bonds Reserve Account and the Series 1997B Bonds Reserve Account at the Depository Bank (herein collectively the "Reserve Accounts"), or in the case of Bonds other than the Series 1997A Bonds and Series 1997B Bonds originally authorized hereby in a reserve account in a sinking fund created by Supplemental Resolution or otherwise as designated by a Supplemental Resolution, on the 26th day of each month of each year beginning with and including the month in which payments from the Revenue Fund for interest on the Series 1997A Bonds and Series 1997B Bonds are commenced, an amount equal to one tenth (1/10) of the amount deposited into the Sinking Funds, as set forth above. If funds in the Revenue Fund are not sufficient to make all the payments required by this Section, the Issuer shall apportion and prorate the funds available to the payments required herein.

No further payments shall be made into the Series 1997 A Bonds Reserve Account or the Series 1997B Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Reserve Requirements ($\$190.10 \times 120 = \$22,812$ for the Series 1997A Bonds and $\$26.20 \times 120 = \$3,144$ for the Series 1997B Bonds). Moneys in the Reserve Accounts shall be used only for the purpose of payment of maturing principal of or interest on the Bonds when moneys in the Revenue Fund or, in the case of bonds other than the Bonds originally authorized hereby, the funds in a sinking fund created by Supplemental Resolution are insufficient therefor and for no other purposes.

Any withdrawals from the Reserve Accounts which result in a reduction in the balance of the Reserve Accounts to below the Reserve Requirements shall be subsequently restored from the first Net Revenues available after all required payment to the Sinking Funds and Reserve Accounts, including any deficiencies for prior payments, have been made in full.

As and when Additional Bonds ranking on a parity with the Bonds are issued, provision shall be made by Supplemental Resolution for additional payments sufficient to pay the interest on such Additional Bonds and to accomplish retirement thereof at or before maturity and to accumulate a balance in the Reserve Accounts in an amount equal to the

maximum provided and required to be paid in principal and interest in any succeeding year for account of all the Bonds.

(5) Thereafter, from the moneys remaining in said Revenue Fund, the Issuer shall make the payment required by Sections 4.03(A)(5) and 4.01(A)(5) of the Prior Resolutions and shall next, on the 26th day of each month, commencing with the month succeeding the first full calendar month after commencement of operation of the Project, remit to the Depository Bank for deposit in a special account to be designated the "Depreciation Account," which account is hereby continued, a sum equal to \$100 (\$1,200 per year). No further payments shall be required to be made into said Depreciation Account when there shall have been deposited therein, and so long as there shall remain on deposit therein, an amount equal to one year's maximum principal and interest payments on all Outstanding Bonds. All funds in said Depreciation Account shall be kept apart from all other funds, and all or any part of said fund may be invested as provided by Article IX. Withdrawals and disbursements may be made from said Depreciation Account for replacements, emergency repairs, additions, betterments or improvements to the System; deficiencies in the payment of principal and interest on the Bonds and the Prior Bonds, or debt service on obligations not on a parity with the Bonds, the proceeds of which obligations were used to finance such additions, betterments or improvements.

(6) Thereafter, from the moneys remaining in said Revenue Fund, the Issuer shall make the payments required pursuant to Sections 4.03(A)(6) and (7) of the Prior Resolutions.

(7) If all of the above required payments are then current, the Issuer may use any moneys remaining in the Revenue Fund for the following purposes: (a) for prepayment of the amount, or any part thereof, of the Prior Bonds or the Bonds Outstanding in accordance with the terms thereof (b) additions, betterments or improvements to the System which the Consulting Engineers certify are needed and/or (c) payments of principal and interest on subordinate water revenue bonds, or other obligations which may hereafter be issued by the Issuer on account of the System.

(B) All of the funds and accounts provided for above shall constitute trust funds and shall be used only for the purposes provided herein.

(C) The moneys in excess of the sum insured by the maximum amounts insured by the FDIC in the Revenue Fund, in the Reserve Accounts and in the Depreciation Account shall at all times be secured, to the full extent thereof in excess of such insured sum, by Government Obligations or such other obligations as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

(D) If on any monthly payment date the Net Revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which

would otherwise be required to be made into the funds and accounts on the subsequent payments dates; provided, that all deposits, including on account of deficiencies, shall be made in the order of priority set forth in Paragraph (A), above, and no payment of lower priority shall be made if there exists a deficiency in a fund or account of higher priority. No such deficiency shall exist solely because the required payments into the Reserve Accounts have not, as of such date, funded such account to the requirement therefor.

(E) All remittances made by the Issuer to the Government or to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

(F) The Gross Revenues of the System shall only be used for purposes of the System.

Section 5.02. Tap Fees. During the construction of the Project, Tap Fees shall be deposited in the Construction Trust Fund created in Section 6.02 hereof. Following completion of the Project, Tap Fees shall be deposited in the Revenue Fund and may be used for any lawful purpose of the System.

ARTICLE VI

APPLICATION OF BOND PROCEEDS

Section 6.01. Application of Bond Proceeds. All the moneys received from time to time from the sale of Bonds shall be deposited in the Construction Trust Fund, hereinafter created.

Section 6.02. Construction Trust Fund. There is hereby created with the Depository Bank a special fund to be known as the "Construction Trust Fund," which fund shall be kept separate and apart from all other funds of the Issuer, and shall be drawn out, used and applied by the Issuer solely for the payment of the Costs of the Project and purposes incidental thereto, including payment of any borrowings by the Issuer made for the purpose of temporarily financing a portion of the Costs of the Project, for the payment of interest on the Bonds during construction and for a period up to six months thereafter and for no other purposes whatsoever. The moneys in said fund shall be secured at all times by the Depository Bank, by Government Obligations having a fair market value at least equal to the balance in said fund in excess of the amount insured by the FDIC. If for any reason the amounts on deposit in the Construction Trust Fund are not necessary for, or are not applied to, such purposes, then such unapplied amounts shall be deposited by the Issuer as determined by the rules and regulations of the Government. All such proceeds shall constitute a trust fund for such purposes, and there is hereby created a lien upon such moneys, until so applied, in favor of the Holders of the Bonds hereby authorized.

Expenditures or disbursements by the Depository Bank from said Construction Trust Fund shall be made only after such expenditures or disbursements shall have been approved in writing by the Governing Body, the Consulting Engineers and the Government.

Interest earned on the funds deposited in the Construction Trust Fund must be remitted, at least quarterly, to the Government.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Resolution shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Resolution, the Issuer hereby covenants and agrees with the Holders of the Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Resolution. No Holder or Holders of any Bonds shall ever have the right to compel the exercise of the taxing power, if any, of the Issuer to pay said Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the operation of the System which lien is on a parity as to such security with the lien of Prior First Lien Bonds and the Prior 1993 Bonds and senior to the Prior Second Lien Bonds. The Net Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Bonds herein authorized and to make the payments into the Sinking Funds and the Reserve Accounts and all other payments provided for in this Resolution and the Prior Resolutions are hereby irrevocably pledged, in the manner provided herein and therein, to the payment of the principal of and interest on the Bonds and the Prior Bonds as the same become due, and for the other purposes provided in this Resolution and the Prior Resolutions.

Section 7.04. Rates. Prior to the issuance of the Bonds, equitable rates or charges for the use of and service rendered by the System will be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file in the office of the Governing Body, copies of which will be open to inspection by all interested parties. The schedule of rates and charges shall be sufficient to pay the Operating Expenses of the System, to pay the principal of and interest on all Bonds issued hereunder, to pay the principal of and interest on the Prior Bonds, to provide adequate Reserve Accounts and an adequate Depreciation Fund and to pay all requirements set forth in the Prior Resolutions. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this

covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient (i) to provide for all reasonable Operating Expenses of the System, and to fund any reserves required by the PSC Order or any supplement or amendment thereto, and (ii) to leave a balance each year equal to the maximum amount required in any succeeding fiscal year to pay the principal of and interest on the Bonds and the Prior Bonds and to leave a balance each fiscal year equal to at least 115% of the average annual debt service on the Bonds and the Prior Bonds Outstanding and all other obligations of the Issuer, secured by or payable from such revenues prior to or on a parity with the Bonds and the Prior Bonds, provided that when the Reserve Funds for the Prior Bonds and the Bonds are funded at the maximum level required therefor, then the balance each year must be equal to at least 110% of the amount required to pay the maximum principal and interest due on the Bonds and the Prior Bonds in any ensuing year; provided however, upon the payment in full or defeasance of the Prior Bonds, the coverage requirement pursuant to this Resolution is 110%.

Section 7.05. Sale of the System. So long as the Bonds are Outstanding, the System may be sold, transferred, mortgaged, leased or otherwise disposed of or encumbered (other than any statutory mortgage lien created under the Act on account of obligations issued within the restrictions hereof) only with the written consent of the Government, and such consent will specify the disposition of any such sale or transfer. So long as the Prior Bonds are Outstanding, the System may be sold, transferred, mortgaged, leased or otherwise disposed of only in accordance with the terms of the Prior Resolutions and with the written consent of the Government.

Section 7.06. Issuance of Additional Bonds. No Additional Bonds, as in this section defined, payable out of the revenues of the System shall be issued after the issuance of the Bonds pursuant hereto, except under the conditions and in the manner herein provided, and as long as the Prior Bonds are Outstanding, no Additional Bonds secured by the revenues of the System shall be issued except under the conditions and in the manner provided herein and in the Prior Resolutions. As long as the Bonds are Outstanding, no Additional Bonds shall be issued without the advance written consent of the Government.

Section 7.07. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Resolution shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the PSC. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other

bookkeeping records as prescribed by the Government. The Government shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Government shall be reported to such agent of the Issuer as the Government shall direct.

The Issuer shall file with the Consulting Engineers, and the Government, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of Bonds requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses and Net Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Resolution and the status of all said funds and accounts.

(C) The amount of any Prior Bonds, Bonds or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of Bonds and shall submit said report to the Government, or any other original purchaser of the Bonds. Such audit report submitted to the Government shall include a statement that the Issuer is in compliance with the terms and provisions of this Resolution and the Prior Resolutions.

The Issuer shall keep and preserve all financial records for a period of ten (10) years, and such material, upon request, will be made available for public inspection.

Section 7.08. Fiscal Year: Budget. While the Bonds are Outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a fiscal year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the annual budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of such annual budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Board. Copies of each annual budget shall be delivered to the Government by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the annual budget before the first day of any Fiscal Year, it shall adopt a budget of current expenses from month to month until the adoption of the annual budget; provided, however, that no such monthly budget

shall exceed the budget for the corresponding month in the year next preceding by more than ten percent (10%); and provided further, that adoption of a budget of current expenses shall not constitute compliance with the covenant to adopt an annual budget unless the Issuer's failure to submit an annual budget shall be for a reason beyond the control of the Issuer. Each such budget of current expenses shall be delivered and mailed immediately as in the case of the annual budget.

Section 7.09. Services Rendered by the System. The Issuer will not render or cause to be rendered any free services of any nature by its System; and, in the event the Issuer or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.10. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals, or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent, to the full extent permitted or authorized by the laws of the State and the rules and regulations of the Public Service Commission. All such rates and charges, if not paid when due, shall become a lien on the premises served by the System.

To the extent allowed by law and the PSC, whenever any rates, rentals or charges for the services and facilities of the System, shall remain unpaid for a period of thirty (30) days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent and the owner, user and property shall be held liable at law until such time as all such rates and charges are fully paid.

The Issuer further covenants and agrees that it will, to the full extent permitted by law and the rules and regulations promulgated by the PSC, for any account not paid within sixty (60) days, discontinue and shut off the services and facilities of the System and, in the event the Issuer owns a sewer facility (the "Sewerage System"), the Sewerage System to all users of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System have been paid in full and all accrued penalties plus a reconnection charge have been paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.11. Insurance and Bonds. The Issuer hereby covenants and agrees that, so long as the Bonds remain Outstanding, it will, as an expense of operation and maintenance of the System, procure, carry and maintain insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(A) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured prior to acceptance of any part of the Project from the contractor, on all above-ground insurable portions of the System, including machinery and equipment housed therein, in an amount equal to the insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(B) Public Liability Insurance, with limits of not less than \$500,000 for personal liability to protect the Issuer from claims for bodily injury and/or death and not less than \$200,000 from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured at the commencement of construction of the Project.

(C) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated for the benefit of the Issuer, with limits of not less than \$500,000 for personal liability to protect the Issuer from claims for bodily injury and/or death and not less than \$200,000 from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle.

(D) Workers' Compensation Coverage for All Employees of the System Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each contractor dealing directly with the Issuer, and such payment bonds will be filed with the Clerks of The County Commissions of Fayette, Nicholas and Clay Counties prior to commencement of construction of the Project in compliance with Chapter 38, Article 2, Section 39 of the Code of West Virginia, 1931, as amended.

(E) Fidelity Bonds will be provided as to every officer and employee of the Issuer having custody of the Revenue Fund or of any other funds or valuable property of the System in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount required by the Government and to be increased thereafter as necessary to cover the maximum amount of funds under control of that position at any one time.

(F) Flood Insurance will be obtained by the Issuer if available.

(G) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this section, during construction of the Project and so long as the Government holds any of the Bonds, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each prime contractor to carry insurance, of such types and in such amounts as the Government may specify, as long as such amounts are not less than any amounts acquired by the Prior Resolutions as long as the Prior Bonds are outstanding, and with insurance carriers or bonding companies acceptable to the Government.

Section 7.12. No Competing Franchise. To the extent allowable by law, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality for the providing of any services which would compete with services provided by the System.

Section 7.13. Consulting Engineer. The Issuer will retain recognized, qualified independent Consulting Engineers on an annual basis to supervise generally the operation, maintenance and renewal of the System and report annually to the Issuer in writing their recommendations and comments as to the System. Such annual report of the Consulting Engineers or a summary thereof shall be made available at reasonable times to the Government and to any Bondholder requesting the same.

Section 7.14. Contracts. Not later than simultaneously with the delivery of the Bonds, the Issuer shall have entered into written contracts for the immediate acquisition or construction of the project.

Section 7.15. Statutory Mortgage Lien. For the further protection of the Holders of Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, and shall take effect immediately upon delivery of the Bonds and shall be for the equal benefit of all Holders of each respective series of Bonds; provided however, that the statutory mortgage lien in favor of the Holders of the Bonds issued hereunder shall be on a parity with the statutory mortgage lien in favor of the Holders of the Prior First Lien Bonds and the Prior 1993 Bonds. The statutory mortgage lien in favor of the Holders of the Prior Second Lien Bonds shall be junior and subordinate to the statutory mortgage lien in favor of the Holders of the Bonds, the Prior First Lien Bonds and the Prior 1993 Bonds.

Section 7.16. PSC Order. The Issuer shall comply with the conditions of the PSC Order and any supplement or amendment thereto.

Section 7.17. Funds and Accounts Under Prior Resolutions. The Issuer hereby covenants that all payments into the respective funds and accounts created under the Prior

Resolutions will have been made in full as required by the Prior Resolutions prior to the date of delivery of the Bonds.

Section 7.18. Covenant to Amend Resolution. The Issuer retains the right to make any amendments, insertions or deletions by Supplemental Resolution of this Resolution as the Issuer deems necessary prior to the issuance of the Bonds to meet the requirements of the Government.

ARTICLE VIII

DEFAULTS AND REMEDIES

Section 8.01. Events of Default. A. Each of the following events shall constitute an "Event of Default" with respect to the Bonds.

(A) If default occurs in the due and punctual payment of the principal of or interest on any Bonds, including the Prior Bonds and the Bonds issued herewith.

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Bonds set forth in this Resolution, any Supplemental Resolution or the Bonds and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Government, the Depository Bank, the Bond Registrar, any Paying Agent or a Registered Owner of a Bond;

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America;

(D) If a default occurs with respect to the Prior Bonds; or

(E) The use on any proceeds of this Bond for a purpose that will contribute to excessive erosion of highly erodible lands or to the conversion of wetlands to produce an agricultural commodity.

Section 8.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and this Resolution relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action at law or bill in equity enjoin any acts in violation of the resolution with respect to the Bonds, or the rights of such Registered Owners.

Section 8.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under this Resolution and the Act, including, after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and

segregation of the revenues therefrom and the application thereof. If there be any Event of Default, with respect to the Bonds, the Registered Owner shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project, or both, on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and any interest thereon and the deposits into the funds and accounts herein provided and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Resolution for Reserve, Sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Resolution shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent Event of Default, any Registered Owner of Bonds issued pursuant to this Resolution shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of Bonds issued pursuant to this Resolution. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and Registered Owners, and the curing and making good of any default under the provisions of this Resolution, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree

permitting or requiring such receiver to sell, mortgage, or otherwise dispose of any assets of the System.

Section 8.04. Remedies on Prior Bonds. The exercise of any remedy set forth in Sections 7.02 and 7.03 above shall recognize and protect the parity rights of the owners of the Prior Bonds.

ARTICLE IX
INVESTMENTS

Section 9.01. Investments. Unless otherwise directed by the Government, any moneys held as a part of the funds and accounts created by this Resolution, other than the Revenue Fund, shall be invested and reinvested by the Commission or the Depository Bank, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section.

Except as specifically provided herein, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, including but not limited to those in the Construction Trust Fund, and used for the purpose of such fund or account. The interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the Owner, including the value of accrued interest and giving effect to the amortization of discount and investments in the "consolidated fund" of the West Virginia Board of Investments shall be valued at par. The Commission or the Depository Bank, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. Such Depository Bank may make any and all investments permitted by this Section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under the section:

A. Qualified Investments acquired from the Reserve Accounts shall have maturities or be subject to redemption at the option of the Holder within five (5) years from the date of acquisition.

B. Qualified Investments acquired for the Depreciation Fund shall have maturities or be subject to redemption at the option of the Holder within ten (10) years from the date of acquisition.

C. Qualified Investments may be purchased for the Reserve Accounts either in the open market or from the Construction Trust Fund. If so purchased from the

Construction Trust Fund, such Qualified Investments shall be purchased at a price equal to their original purchase price plus accrued interest.

ARTICLE X

MISCELLANEOUS

Section 10.01. Modification or Amendment. Except as provided in Section 7.18, no material modification or amendment of this Resolution, or of any resolution amendatory or supplemental hereto that would materially and adversely affect the respective rights of Owners of the Bonds shall be made without the consent in writing of the Owners of 66-2/3 percent or more in principal amount of the Bonds so affected and then Outstanding; provided, that no change shall be made in the maturity of any Bond or Bonds or the rate of interest thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest out of the Net Revenues of the System without the consent of the respective Owner thereof. No amendment or modification shall be made that would reduce the percentage of the principal amount of Bonds respectively, required for consent to the above-permitted amendments or modifications.

Section 10.02. Severability of Invalid Provisions. If any section, paragraph, clause or provision of this Resolution shall be held invalid, such invalidity shall not affect any of the remaining provisions of this Resolution, any Supplemental Resolution or the Bonds.

Section 10.03. Table of Contents and Headings. The Table of Contents and headings of the articles, sections and subsections hereof are for convenience only and shall neither control nor affect in any way the meaning or construction of any of the provisions hereof.

Section 10.04. Repeal of Conflicting Resolutions. All resolutions and orders, or parts thereof, in conflict with this Resolution are, to the extent of such conflict, repealed; provided, that no provision of Government Form 1942-47 or the Prior Resolutions shall be repealed hereby.

Section 10.05. Covenant of Due Procedure. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the adoption of this Resolution do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Chairman, Secretary and members of the Governing Body were at all times when any actions in connection with this Resolution occurred, and are, duly in office and duly qualified for such office.

Section 10.06. Satisfaction and Discharge. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and

in this Resolution, then the respective pledges of Net Revenues, and other moneys and securities pledged under this Resolution, and all covenants, agreements and other obligations of the Issuer to the Bondholders shall thereupon cease, terminate and become void and be discharged and satisfied. Any payment must comply with the terms of the Letter of Conditions and any Government regulations.

Section 10.07. Effective Date. This Resolution shall take effect immediately upon its adoption.

Adopted this 26th day of June, 1997.

PROJECT DESCRIPTION

The District proposes to construct approximately 16,000 feet of 8-inch, 14,600 feet of 6-inch and 8,000 feet of 2-inch water lines, 4,000 feet of service line, hydrants, meters, valves, a booster station and a water storage tank, all which constitute water line extensions to the areas of Jodie, Beech Glen, Rich Creek and Swiss in Fayette and Nicholas Counties.

MEMORANDUM OF UNDERSTANDING

MEMORANDUM OF UNDERSTANDING

between

**WEST VIRGINIA DIVISION
OF ENVIRONMENTAL PROTECTION**

and

**GAULEY RIVER
PUBLIC SERVICE DISTRICT**

WHEREAS the West Virginia Division of Environmental Protection (WVDEP) is charged with the reclamation of lands and waters affected by the adverse effects of coal mining activities which took place prior to August 3, 1977, pursuant to Title IV of Public Law 95-87, as amended, and West Virginia Code §§ 22-2-1 to -9 (1994); and

WHEREAS it has been determined that the degradation of the water supply in the area of Jodie, Beech Glen, and Rich Creek in Fayette County, West Virginia has been caused in part by coal mining activities which took place prior to August 3, 1977; and

WHEREAS Gauley River Public Service District (GRPSD) and WVDEP are desirous of abating said effects by constructing water supply line extension facilities; and

WHEREAS WVDEP has funds available to assist in the construction and completion of said water supply line facilities; and

WHEREAS WVDEP and GRPSD are willing to cooperate in completing a project entitled "Gauley River Public Service Water Line Extension" which will bring domestic water service to approximately 320 residents in the Jodie, Beech Glen, and Rich Creek areas;

NOW, THEREFORE, WVDEP and GRPSD enter into this Memorandum of Understanding (MOU) this 20th day of May, 1997, setting forth the agreed terms and conditions under which said project shall be accomplished.

SECTION I PROJECT LOCATION

The center of the project is at north Latitude 37° 13' 44" and west Longitude 81° 08' 55". It includes approximately 320 residents in the communities of Jodie and Beech Glen and in the Rich Creek area. (See attached map marked as Attachment "A" and by reference incorporated herein.)

SECTION II NEED FOR THE PROJECT

The primary source of water for domestic use in the communities of Jodie and Beech Glen and the Rich Creek area is ground water, the quality of which is very poor. Many residents in this area are compelled to buy their water and wash clothes in nearby towns.

The main water pollution problems affecting these residents are red water, hard water, and iron water. The water stains fixtures and clothing and has an odor and a bad taste. Out of 201 residents interviewed, 80.6 percent want a public water system in the area. The interviews also showed that the water quality complaints are as follows: 68.2 percent complained that the water is red or has high iron content; 57.7 percent complained that it stains fixtures and clothes; 51.7 percent complained they have hard water; 37.3 percent

complained that the water has an odor; and 80 percent said that the water has a bad taste.

Such complaints are typical of waters that have been degraded by mining activity.

Chemical analysis data from a feasibility report conducted by GAI Consultants, Inc. (GAI), indicated that excessive levels of iron have been found in existing water sources in this area. High iron levels can be indicative of water supply degraded by mining activity. Other water quality parameters examined by GAI also indicate that the quality of the existing water sources has been adversely affected by mining. Thus, it has been established that the ground water in the communities of Jodie and Beech Glen and the area of Rich Creek is substandard for drinking and other purposes and that it poses a health hazard for those citizens who must drink it.

A major cause of the degraded water is that historic and intense coal mining activities have occurred within the communities of Jodie and Beech Glen and the area of Rich Creek. The history of mining in these communities began and ended pre-1977.

SECTION III SCOPE OF WORK

1. The work will generally consist of the extension of Gauley River Public Service District lines from the east portion of Belva along State Route 39, 4.1 miles up Gauley River, 1.7 miles up Rick Creek, and 2.4 miles up Little Elk Creek. The work will include the installation of approximately 26,500 feet of eight inch (8") PVC pipe and 3,360 feet of six inch (6") PVC pipe. The proposed facilities will consist of approximately 39,750 lineal feet of

water main and service line with associated appurtenances and fittings, 225 water meters for residential service, one water storage tank, and a water booster station.

2. ~~Title to and responsibility for the operation and maintenance of the completed facilities shall pass to Gauley River Public Service District upon completion of the project.~~

5/9/97
RPD

SECTION IV CONSTRUCTION MONITORING

1. It is understood and agreed that without prior approval from WVDEP, GRPSD shall not commence contract bidding or issue the Notice to Proceed.

2. GRPSD agrees to provide inspection expertise on and of the project as necessary to maintain sufficient surveillance of the construction operations and will be responsible for monitoring quantities, reviewing submitted construction invoices, as well as overseeing the initiation and processing of change orders (if accepted by WVDEP) in accordance with established WVDEP procedures. It is understood that WVDEP shall be contacted in advance of inspections and shall have the opportunity to participate in inspections of construction.

3. The WVDEP and the GRPSD representatives shall work together to ensure that the project is constructed according to the approved design plans and specifications, and in accordance with the costs agreed to by the bidder that is awarded the project. The GRPSP will have the authority to review and approve minor field changes in the work, to the extent that said field changes do not constitute a change in the scope of work. The WVDEP will be

furnished a copy of all proposed change orders. Prior approval from WVDEP must be obtained on all change orders that would substantially increase construction costs.

4. Copies of all Contract Documents, Inspection Reports, Shop Drawings, Plans and Specifications as well as other such construction related documents shall be provided in a timely fashion to WVDEP.

SECTION V FUNDING

1. WVDEP and GRPSD agree to pay the costs of construction, based upon a total estimated construction costs of \$1,964,760.00. The GRPSD shall pay \$923,437.20 as its actual contribution toward the total estimated construction costs associated with this project. The WVDEP shall pay \$1,041,322.80 as its actual contribution toward the total estimated construction costs associated with this project. The WVDEP's portion of construction costs is based on the proportion of the entire project that is eligible for Abandoned Mine Land funding.

2. In the event it appears the total costs of construction will exceed the estimated construction costs, the GRPSD shall notify WVDEP. The WVDEP and GRPSD will pay their respective portions of excess cost if prior approval of WVDEP was obtained. The WVDEP and GRPSD agree to pay for all such costs in the percentages of 53% for WVDEP, and 47% for GRPSD .

3. GRPSD agrees to perform and to pay for all the realty and realty rights-of-way work associated with the project in accordance with procedures utilized by the WVDEP

Abandoned Mine Lands. Upon request from WVDEP, GRPSD shall certify that all realty and realty rights-of-way necessary for this project have been acquired and supply WVDEP with the documents related thereto.

4. GRPSD agrees to be responsible, at its cost, for design of the project, contract bidding and awarding the contract for the project. It is understood and agreed that without prior approval from WVDEP, GRPSD shall not commence contract bidding or issue the subsequent Notice to Proceed. WVDEP shall also be given seven (7) days advance notice of pre-construction, progress and final conferences.

5. GRPSD agrees to, if necessary, pay for and obtain the Certificate of Convenience and Necessity for the project through the Public Service Commission of West Virginia, and all other necessary permits required by law, except those which are required to be obtained by the construction contractor by the contract documents for the project. GRPSD further agrees that all permits, authorizations and other necessary approvals will be obtained to satisfy federal laws and regulations and copies of the same furnished to WVDEP.

SECTION VI PAYMENTS

GRPSD will pay invoices from the construction contractor for project costs. After GRPSD has paid such invoices, GRPSD will submit them to WVDEP for payment of WVDEP's portion of project costs, per section V, paragraphs 1 and 2.

SECTION VII
EXTENSION AND TERMINATION

This MOU is entered into and is effective for the period beginning at the date of this MOU, May 20, 1997 and ending one year thereafter. This MOU may be extended upon prior written approval of both parties, or may be terminated prior to commencement of construction, by either party, upon thirty (30) days prior written notice to the other party.

This project may be subject to the approval of the Public Service Commission of West Virginia.

SUPPLEMENTAL RESOLUTION

SUPPLEMENTAL RESOLUTION PROVIDING AS TO DATES, INTEREST RATES, AND SALE PRICES OF THE GAULEY RIVER PUBLIC SERVICE DISTRICT WATER REVENUE BONDS, SERIES 1997 A AND SERIES 1997 B, DESIGNATING A REGISTRAR, PAYING AGENT, AND DEPOSITORY BANK; SETTING FORTH REGISTRATION INFORMATION; APPROVING THE LINE OF CREDIT AND MAKING OTHER PROVISIONS AS TO THE BONDS;

WHEREAS, the Public Service Board (the "Board") of the Gauley River Public Service District (the "District") has duly and officially adopted a Bond Resolution on June 26, 1997 (the "Resolution"), entitled:

RESOLUTION AUTHORIZING THE ACQUISITION AND CONSTRUCTION OF CERTAIN EXTENSIONS, ADDITIONS, BETTERMENTS AND IMPROVEMENTS TO THE EXISTING WATERWORKS FACILITY OF THE GAULEY RIVER PUBLIC SERVICE DISTRICT AND THE FINANCING OF THE COST, NOT OTHERWISE PROVIDED, THEREOF, THROUGH THE ISSUANCE BY THE DISTRICT OF \$471,000 IN AGGREGATE PRINCIPAL AMOUNT OF WATER REVENUE BONDS AND THE SALE THEREOF TO THE UNITED STATES DEPARTMENT OF AGRICULTURE, RURAL UTILITIES SERVICE; PROVIDING FOR THE RIGHTS AND REMEDIES OF AND SECURITY FOR THE REGISTERED OWNERS OF SUCH BONDS; AUTHORIZING A LINE OF CREDIT NOT TO EXCEED \$300,000; PROVIDING FOR THE TERMS AND PROVISIONS OF SUCH BONDS AND ADOPTING OTHER PROVISIONS RELATING THERETO.

WHEREAS, the Resolution provides for the issuance of Water Revenue Bonds, Series 1997 A and Water Revenue Bonds, Series 1997 B (collectively, the "Bonds") of the Gauley River Public Service District in an aggregate principal amount not to exceed \$471,000 and the sale thereof to the United States Department of Agriculture, Rural Utilities Service (the "RUS"), all in accordance with Chapter 16, Article 13A, of the Code of West Virginia, 1931, as amended (the "Act"), and the Resolution, and it is provided that the interest rates and sale price of the Bonds should be established by a supplemental resolution and that other matters relating to the Bonds be herein provided for;

WHEREAS, RUS proposes to purchase the Bonds;

WHEREAS, Merchants National Bank has offered to extend a line of credit to the District; and

WHEREAS, the Board of the District deems it essential and desirable that this resolution (the "Supplemental Resolution"), be adopted and that the price of and the interest rate on the Bonds be fixed hereby in the manner stated herein; that the line of credit be approved and that other matters relating to the Bonds be herein provided for;

NOW, THEREFORE, BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF THE GAULEY RIVER PUBLIC SERVICE DISTRICT:

Section 1. Pursuant to the Resolution and the Act, this Supplemental Resolution is adopted and (A) there is hereby authorized and ordered to be issued the Gauley River Public Service District Water Revenue Bonds, Series 1997 A in the principal amount of \$414,000, and the sale thereof to the RUS. The Bond shall be in the form of one Bond, shall be dated June 26, 1997, shall mature forty years from the date thereof, shall be numbered AR-1 and the principal amount advanced under the Bonds shall bear interest at the rate of four and one-half per centum (4.5%) per annum. Monthly installments of interest only on the amounts advanced under the Bonds are payable monthly, commencing the 26th day of the month following the month of delivery of the Bonds, for the first 24 months after delivery of the Bonds and thereafter, *monthly installments of principal and interest on the Bonds*, in the aggregate amount of \$1,901, are payable on the 26th day of each month, except that the final installment on the Bond shall be made 40 years from the date of the Bond in the sum of the unpaid principal and interest remaining unpaid on the date thereof. The Bond is subject to prepayment as set forth in the Resolution;

(B) There is hereby authorized and ordered to be issued the Gauley River Public Service District Water Revenue Bonds, Series 1997 B in the principal amount of \$57,000, and the sale thereof to RUS. The Bond shall be in the form of one Bond, shall be dated June 26, 1997, shall mature forty years from the date thereof, shall be numbered BR-2 and the principal amount advanced under the Bond shall bear interest at the rate of four and one-half per centum (4.5%) per annum. Monthly installments of interest only on the amounts advanced under the Bonds are payable monthly, commencing the 26th day of the month following the month of delivery of the Bonds, for the first 24 months after delivery of the Bonds and thereafter, *monthly installments of principal and interest on the Bonds*, in the aggregate amount of \$262, are payable on the 26th day of each month, except that the final installment of the Bond shall be made 40 years from the date of the Bond in the sum of the unpaid principal and interest remaining unpaid on the date thereof. The Bond is subject to prepayment as set forth in the Resolution.

Section 2. All other provisions relating to the Bonds shall be as provided in the Resolution and the Bonds shall be in substantially the form provided in the Resolution with such changes, insertions and omissions as may be approved by the Board of the District. The execution of the Bonds by the Chairman shall be conclusive evidence of such approval.

Section 3. The District hereby approves and accepts the offer of the RUS to purchase the Bonds. The execution and delivery by the Chairman and Secretary of the Bonds, and the performance of the obligations contained therein, on behalf of the District are hereby authorized, approved and directed. The price of the Series 1997 A Bonds shall be four hundred fourteen thousand dollars (\$414,000) and the price of the Series 1997 B Bonds shall be Fifty-seven Thousand Dollars (\$57,000) (100% of par value). At least Seventy Two Thousand Three Hundred Ten Dollars (\$72,310) (Series 1997A Bonds) and Fifty Seven Thousand Dollars (\$57,000) (Series 1997B Bonds) will be advanced on the date of Closing and the remaining purchase price will be advanced to the District as needed to pay the Costs of the Project.

Section 4. All principal and interest payments on the Bonds will be paid to the order of the United States Department of Agriculture at its National Finance Office, 1520 Market Street, St. Louis, Missouri 63103.

Section 5. The Bonds shall be issued as fully registered Bonds, both as to principal and interest, and shall be registered to the United States Department of Agriculture, Rural Utilities Service, P. O. Box 678, Morgantown, West Virginia 26505.

Section 6. The District hereby appoints and designates Merchants National Bank, Gauley Bridge, West Virginia, as the Depository Bank, as provided in the Resolution.

Section 7. The District hereby appoints and designates Merchants National Bank, Montgomery, West Virginia, as Registrar for the Bonds as provided in the Resolution.

Section 8. The line of credit in the amount of \$300,000 from Merchants National Bank (the "Line of Credit") is hereby approved pursuant to the terms of the Line of Credit Agreement and the Chairman and Secretary are hereby authorized to sign the Line of Credit Agreement and all other documents related to the Line of Credit.

Section 9. The Chairman and the Secretary are hereby authorized and directed to execute and deliver such other documents and certificates required or desirable in connection with the Resolution, the RUS financing and the Line of Credit.

Section 10. The financing of the Project by the Bonds is in the public interest, serves a public purpose of the District and will promote the health, welfare and safety of the residents of the District.

adoption. Section 11. This Supplemental Resolution shall be effective immediately upon

Dated: June 26, 1997.

Section 1.02. Authority for this Resolution. This Resolution is adopted pursuant to the provisions of the Act and other applicable provisions of law.

Section 1.03. Findings. It is hereby found, determined and declared as follows:

A. The Issuer is a public service district, public corporation and political subdivision of the State in Fayette County of said State. The Issuer presently owns and operates a public water system in Fayette, Nicholas and Clay Counties. However, the Issuer deems it necessary and desirable for the health, welfare and safety of the inhabitants of the Issuer that there be acquired and constructed the Project, in accordance with the plans and specifications prepared by the Consulting Engineer, which plans and specifications have been approved by the Government and the Issuer.

B. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the Government.

C. The estimated maximum cost of acquisition and construction of the Project is \$5,910,150, of which \$1,623,000 will be obtained from the Series 2005 A Bonds, \$3,533,310 will be obtained from a grant from the Government and \$753,840 will be obtained from an Abandoned Mine Lands Grant.

D. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all Operating Expenses of the System, the principal of and interest on the Prior Bonds and the Series 2005 A Bonds and to make payments into all funds and accounts provided for in this Resolution and the Prior Resolutions.

E. It is deemed necessary for the Issuer to issue the Series 2005 A Bonds in the aggregate principal amount of not more than \$1,623,000, to permanently finance a portion of the costs of acquisition and construction of the Project. Such costs shall be deemed to include the cost of acquisition or construction of any public service properties and any improvements and extensions thereto, the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest on the Series 2005 A Bonds prior to and during acquisition or construction and for six months after completion of acquisition or construction of the Project; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense and such other expenses as may be necessary or incident to the financing herein authorized, the acquisition or construction of the Project and the placing of the same in operation, and the performance of the things herein required or permitted, in connection with any thereof.

F. The Series 2005 A Bonds shall be issued on a parity with the First Lien Bonds and senior and prior to the Series 1986 B Bonds, with respect to liens, pledge and source of and security for payment and in all other respects. Prior to the issuance of the Series 2005 A Bonds, the Issuer will obtain (1) the certificate of an Independent Certified

Public Accountant stating that the parity and coverage tests of the First Lien Bonds have been met; (2) the written consent of the Registered Owners of the First Lien Bonds to the issuance of the Series 2005 A Bonds on a parity with the First Lien Bonds; and (3) the written consent of the Registered Owners of the Series 1986 B Bonds to the issuance of the Series 2005 A Bonds on a senior and prior basis to the Series 1986 B Bonds. Other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

G. The period of usefulness of the System after completion of the Project is not less than 40 years.

H. It is in the best interests of the Issuer that the Series 2005 A Bonds be sold to the Government pursuant to the terms and provisions of the Letter of Conditions.

I. The Issuer has complied with all requirements of West Virginia law and the Letter of Conditions relating to authorization of the acquisition, construction and operation of the Project and issuance of the Series 2005 A Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and the obtaining of the PSC Order, the time for rehearing and appeal of which has expired or will have been waived prior to the issuance of the Series 2005 A Bonds.

Section 1.04. Resolution Constitutes Contract. In consideration of the acceptance of the Series 2005 A Bonds by those who shall be the Registered Owners of the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owners, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Registered Owners of any and all of such Bonds, all of which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bonds by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

ARTICLE II

AUTHORIZATION OF ACQUISITION AND CONSTRUCTION OF PROJECT

Section 2.01. Authorization of Acquisition and Construction of Project. There is hereby authorized and ordered the acquisition and construction of the Project, at an estimated cost of not to exceed \$5,910,150, in accordance with the plans and specifications prepared by the Consulting Engineers, approved by the Government and the Issuer and heretofore filed in the office of the Governing Body. The proceeds of the Series 2005 A Bonds shall be applied as provided in Article VI hereof. The Issuer has received bids and will enter into contracts for the acquisition and construction of the Project, which are in an amount and otherwise compatible with the financing plan submitted to the Government.

ARTICLE III

AUTHORIZATION, TERMS, EXECUTION, REGISTRATION AND SALE OF BONDS

Section 3.01. Authorization of Bonds. For the purposes of paying a portion of the costs of the Project and paying the costs of issuance of the Series 2005 A Bonds and related costs, there shall be and hereby are authorized to be issued negotiable Series 2005 A Bonds of the Issuer. The Series 2005 A Bonds shall be issued as a single bond, designated "Water Revenue Bonds, Series 2005 A (United States Department of Agriculture)," in the aggregate principal amount of not more than \$1,623,000, and shall have such terms as are set forth hereinafter or in the Supplemental Resolution.

Section 3.02. Terms of Bonds. The Series 2005 A Bonds shall be issued in such principal amounts; shall bear interest at such rate or rates, not exceeding the legal maximum rate, payable monthly on such dates; shall mature on such dates and in such amounts; and shall be redeemable, in whole or in part, all as the Issuer shall prescribe in the Supplemental Resolution or as specifically provided in the Series 2005 A Bonds.

The Series 2005 A Bonds shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer, shall be payable as provided in the Bond form hereinafter set forth, and shall have such other terms not inconsistent with this Resolution, as shall be set forth in the Supplemental Resolution and such Bond form.

Section 3.03. Execution of Bonds. The Series 2005 A Bonds shall be executed in the name of the Issuer by the manual or facsimile signature of the Chairperson, and the seal of the Issuer shall be impressed thereon and attested by the manual or facsimile signature of the Secretary. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Negotiability, Transfer and Registration. The Series 2005 A Bonds shall be and have all the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, but the Bonds, and the right to principal of and stated interest on the Bonds, may only be transferred by transfer of the registration thereof upon the books of the Bond Registrar, by the party in whose name it is registered, in person or by

attorney duly authorized in writing, upon surrender of the Bonds for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Bond Registrar.

Whenever the Series 2005 A Bonds shall be surrendered for registration of transfer, the Issuer shall execute and deliver a new Bond or Bonds in authorized denominations, for a like aggregate principal amount. The Bond Registrar shall require the payment by the new owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No registration of transfer of the Series 2005 A Bonds shall be permitted to be made after the 15th day next preceding any installment payment date on the Bonds.

The Issuer shall be the Bond Registrar and will keep, or cause to be kept by its agent, at its office, books for the registration and transfer of the Series 2005 A Bonds and, upon presentation for such purpose, the Bond Registrar shall, under such reasonable regulations as it may prescribe, register the Bonds initially issued pursuant hereto and register the transfer, or cause to be registered by its agent, on such books, the transfer of the Bonds as hereinbefore provided.

The Bond Registrar shall accept the Series 2005 A Bonds for registration or transfer only if ownership thereof is to be registered in the name of the Government, an individual (including joint ownership), a corporation, a partnership or a trust, and only upon receipt of the social security number of each individual, the federal employer identification number of each corporation or partnership or the social security numbers of the settlor and beneficiaries of each trust and the federal employer identification number and date of each trust and the name of the trustee of each trust and/or such other identifying number and information as may be required by law. The Series 2005 A Bonds shall initially be fully registered as to both principal and interest in the name of the United States of America. So long as the Series 2005 A Bonds shall be registered in the name of the United States of America, the address of the United States of America for registration purposes shall be National Finance Office, 1520 Market Street, St. Louis, Missouri 63103, or such other address as shall be stated in writing to the Issuer by the United States of America.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2005 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue and deliver a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Registered Owner's furnishing the Issuer proof of ownership and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer may incur.

All Bonds so surrendered shall be canceled and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.06. Bonds not to be Indebtedness of the Issuer. The Series 2005 A Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System, as herein provided. No Registered Owner of the Series 2005 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2005 A Bonds or the interest thereon.

Section 3.07. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service of the Series 2005 A Bonds shall be secured by a first lien on the Net Revenues on a parity with the lien on the Net Revenues in favor of the Registered Owners of the First Lien Bonds and senior and prior to the lien on the Net Revenues in favor of the Registered Owners of the Series 1986 B Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Series 2005 A Bonds and the Prior Bonds and to make the payments into all funds and accounts provided for in this Resolution and the Prior Resolutions, are hereby irrevocably pledged to such payments as they become due.

Section 3.08. Form of Bonds. The text of the Series 2005 A Bonds shall be in substantially the following form, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted hereby, or by any Supplemental Resolution adopted prior to the issuance thereof:

(FORM OF SERIES 2005 A BOND)

UNITED STATES OF AMERICA
STATE OF WEST VIRGINIA
GAULEY RIVER PUBLIC SERVICE DISTRICT
WATER REVENUE BONDS, SERIES 2005 A
(UNITED STATES DEPARTMENT OF AGRICULTURE)

No. AR-1

\$ _____

FOR VALUE RECEIVED, on this ___ day of _____, 2005, GAULEY RIVER PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Fayette, Nicholas and Clay Counties of said State (the "Issuer"), promises to pay to the order of the UNITED STATES OF AMERICA (the "Government"), at its National Finance Office, 1520 Market Street, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, and in the manner provided below, the principal sum of _____ DOLLARS (\$ _____), or such lesser amount as is set forth on the Record of Advances attached hereto and incorporated herein by reference, plus interest on the unpaid principal balance at the rate of ___% per annum.

The principal of and interest on this Bond shall be paid in the following installments on the following dates: Monthly installments of interest only on the amounts advanced hereunder, commencing 30 days following the date of delivery of this Bond and continuing on the corresponding day of each month thereafter for the first 24 months after the date hereof, and thereafter, on the corresponding day of each month in installments of principal and interest in the aggregate amount of \$ _____, except that the final installment shall be paid at the end of 40 years from the date of this Bond in the sum of the unpaid principal and interest due on the date thereof and except that prepayments may be made as provided below. This consideration shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to the Issuer as requested by the Issuer and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of the Issuer. Extra payments, as defined in the regulations of the

Government, shall, after payment of interest, be applied to the installment last to come due under this Bond and shall not affect the obligation of the Issuer to pay the remaining installments as scheduled herein.

Any amount advanced or expended by the Government for the collection hereof, or to preserve or to protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government, shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by the Issuer to the Government without demand. The Issuer agrees to use the loan evidenced hereby solely for purposes authorized by the Government. The Issuer has granted to the Government a lien on the proceeds of this Bond until such proceeds are expended for authorized purposes.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public water facilities of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of this Bond and related costs. The existing public water facilities of the Issuer, the Project and any further improvements and extensions thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (the "Act"), a Bond Resolution duly adopted by the Issuer on _____, 200__, and a Supplemental Resolution duly adopted by the Issuer on _____, 200__ (collectively, the "Resolution"), and is subject to all the terms and conditions thereof. The Resolution provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for this Bond under the Resolution.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT WITH THE ISSUER'S (1) WATERWORKS REVENUE BONDS, SERIES 1986, DATED MAY 9, 1986, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$123,230; (2) WATER REVENUE BONDS, SERIES 1993, DATED MARCH 17, 1993, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$1,600,000; (3) WATER REVENUE BONDS, SERIES 1997 A, DATED JUNE 26, 1997, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$414,000; AND (4) WATER REVENUE BONDS, SERIES 1997 B, DATED JUNE 26, 1997, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$57,000 (COLLECTIVELY, THE "FIRST LIEN BONDS").

THIS BOND IS ISSUED SENIOR AND PRIOR WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT TO THE ISSUER'S SUPPLEMENTAL SUBORDINATE WATERWORKS REVENUE BONDS, SERIES 1986, DATED MAY 9, 1986, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$61,350 (THE "SERIES 1986 B BONDS"). THE FIRST LIEN BONDS AND THE SERIES 1986 B BONDS ARE COLLECTIVELY REFERRED TO AS THE "PRIOR BONDS."

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Resolution) to be derived from the System, on a parity with the pledge of Net Revenues in favor of the registered owners of the First Lien Bonds, and from moneys in the reserve account created under the Resolution for this Bond (the "Series 2005 A Bonds Reserve Account") and unexpended proceeds of this Bond. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest hereon, except from said special fund provided from the Net Revenues, the moneys in the Series 2005 A Bonds Reserve Account and unexpended proceeds of this Bond. Pursuant to the Resolution, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on this Bond and all other obligations secured by a lien on or payable from such revenues on a parity with this Bond, including the Prior Bonds; provided however, that so long as there exists in the Series 2005 A Bonds Reserve Account, an amount equal to the maximum amount of principal and interest which will become due on this Bond in any year, and in the respective reserve accounts for any other obligations outstanding on a parity with this Bond, including the Prior Bonds, an amount equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the Registered Owner of this Bond for the terms of which reference is made to the Resolution. Remedies provided the Registered Owner of this Bond are exclusively as provided in the Resolution, to which reference is here made for a detailed description thereof.

Subject to the registration requirements in the Resolution, this Bond is transferable, as provided in the Resolution, only upon the books of the Secretary of the Issuer, as registrar (the "Registrar"), which shall be kept for that purpose at the office of the Registrar, by the Registered Owner or by its attorney or legal representative duly authorized in writing, upon surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the Registered Owner or its attorney or legal representative duly authorized in writing.

Subject to the registration requirements in the Resolution, this Bond, under the provision of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Resolution, shall be applied solely to payment of the costs of acquisition and construction of

the Project and the costs of issuance hereof as described in the Resolution, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the registered owner of this Bond.

The Issuer hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for such purposes and periods of time.

If at any time it so appears to the Government that the Issuer may be able to obtain a loan from a responsible cooperative or private creditor at reasonable rates and terms for loans for such purposes and period of time, the Issuer will at the Government's request apply for and accept such loan in sufficient amount to repay the Government.

In accordance with the requirements of the United States Department of Agriculture for the issuance of parity obligations, this Bond will be in default should any proceeds of this Bond be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

This Bond is given as evidence of a loan to the Issuer made or insured by the Government pursuant to the Rural Development Act of 1972. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of and interest on this Bond.

All provisions of the Resolution, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

IN WITNESS WHEREOF, GAULEY RIVER PUBLIC SERVICE DISTRICT has caused this Bond to be signed by its Chairperson and its corporate seal to be hereunto affixed and attested by its Secretary, and has caused this Bond to be dated as of the date first written above.

In the presence of:

Section 3.09. Sale of Bonds. The Series 2005 A Bonds shall be sold to the Government pursuant to the terms and conditions of the Letter of Conditions. The Letter of Conditions is hereby approved and the provisions of the Letter of Conditions are specifically incorporated in this Resolution.

ARTICLE IV

LINE OF CREDIT

Section 4.01. Authorization of Line of Credit. To provide funds for paying the costs of acquisition and construction of the Project when funds from the permanent financing are temporarily not available therefor, the Issuer is hereby authorized to arrange for a line of credit in an amount not to exceed \$300,000 (the "Line of Credit"). The amount and terms of the Line of Credit shall be approved by a resolution supplemental hereto. For the purpose of evidencing any draw upon the Line of Credit, there may be issued a note of the Issuer in an amount and upon such terms as set forth in a resolution supplemental hereto (the "Note"). The text of the Note, the Line of Credit Agreement and all other documents relating thereto shall be in substantially the forms set forth in a resolution supplemental hereto. The principal of and interest on the Note are payable solely from and secured by a first lien on the proceeds of the Series 2005 A Bonds.

ARTICLE V

SYSTEM REVENUES AND APPLICATION THEREOF

Section 5.01. Establishment of Funds and Accounts with Depository Bank. The following special funds or accounts are created with (or continued if previously established by the Prior Resolutions) and shall be held by the Depository Bank separate and apart from all other funds or accounts of the Depository Bank and from each other:

- (1) Revenue Fund (established by the Prior Resolutions);
- (2) Renewal and Replacement Fund (established by the Prior Resolutions);
- (3) Depreciation Account (established by the Prior Resolutions); and
- (4) Series 2005 A Bonds Construction Trust Fund.

Section 5.02. Establishment of Funds and Accounts with Commission. The following special account is created with and shall be held by the Commission:

- (1) Series 2005 A Bonds Reserve Account.

Section 5.03. System Revenues; Flow of Funds. A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Resolution and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. Funds in the Revenue Fund shall be disposed of only in the following manner and order of priorities and as provided in the Prior Resolutions.

- (1) The Issuer shall first, each month, pay from the Revenue Fund all current Operating Expenses of the System.
- (2) The Issuer shall next, each month, from the moneys in the Revenue Fund,
 - (i) make the interest payments on the First Lien Bonds in the amounts and on the dates required by the Prior Resolutions; and
 - (ii) commencing on the day which is 30 days following the date of delivery of the Series 2005 A Bonds and continuing on the corresponding day of each month, remit to the National Finance Office for deposit in the Series 2005 A Bonds Sinking Fund hereby established at the National Finance Office, the amount of interest set forth in the Series 2005 A Bonds.

(3) The Issuer shall next, each month, from the moneys in the Revenue Fund, (i) make the principal payments of the First Lien Bonds in the amounts and on the dates required by the Prior Resolutions; and (ii) commencing on the day which is 24 months following the date of delivery of the Series 2005 A Bonds and continuing on the corresponding day of each month, remit to the National Finance Office for deposit in the Series 2005 A Bonds Sinking Fund, the amount of principal set forth in the Series 2005 A Bonds.

The deposits into the Series 2005 A Bonds Sinking Fund provided in this paragraph and in Section 5.03A (2) above, constitute actual payments of principal of and interest on the Series 2005 A Bonds to the Government.

(4) The Issuer shall next, each month, from the moneys in the Revenue Fund, (i) make the reserve account payments into the Reserve Accounts of the First Lien Bonds in the amounts and on the dates required by the Prior Resolutions; and (ii) commencing on the day which is 24 months following the date of delivery of the Series 2005 A Bonds and continuing on the corresponding day of each month, remit to the Commission for deposit in the Series 2005 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2005 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2005 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2005 A Bonds Reserve Requirement.

(5) The Issuer shall next, each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund, an amount equal to 2 1/2% of the Gross Revenues each month (as previously set forth in the Prior Resolutions and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided that, any deficiencies in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof, shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

(6) The Issuer shall next, each month, from the moneys in the Revenue Fund, make the payments into the Depreciation Account in the amounts and on the dates required by the Prior Resolutions.

(7) The Issuer shall next, on the first day of each month, from the moneys in the Revenue Fund, remit to the Commission for deposit (i) in the Series 1986 B Bonds Sinking Fund, the amount required by the Prior Resolutions to pay principal of the Series 1986 B Bonds, and (ii) in the Series 1986 B Bonds Reserve Account, the amount required by the Prior Resolutions.

Moneys in the Series 2005 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2005 A Bonds as the same shall become due. Moneys in the Series 2005 A Bonds Reserve Account shall be used only for the purposes of paying principal of and interest on the Series 2005 A Bonds as the same shall come due, when other moneys in the Series 2005 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 2005 A Bonds Reserve Account (if fully funded) shall be transferred, not less than once each year, to the Series 2005 A Bonds Construction Trust Fund during construction of the Project and thereafter, to the Revenue Fund and applied in full, first to the next ensuing interest payment due on the Series 2005 A Bonds and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 2005 A Bonds Reserve Account which result in a reduction in the balance therein to an amount below the Series 2005 A Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2005 A Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay any interest on such Parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement therefor.

Interest, principal, or reserve account payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2005 A Bonds and the Prior Bonds, in accordance with the respective principal amounts then outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2005 A Bonds Reserve Account created hereunder, and all amounts required for such account shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Government, the Issuer shall make the necessary arrangements whereby required payments into the Series 2005 A Bonds Reserve Account shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates hereunder.

Moneys in the Series 2005 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2005 A Bonds Sinking Fund and the Series 2005 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2005 A Bonds under the conditions and restrictions set forth herein.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent, or the Depository Bank, on such dates as the respective parties shall require, such additional sums as shall be necessary to pay their respective charges and the fees then due. If required by the Government, the Issuer shall make the necessary arrangements whereby payments to the Commission under this paragraph shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

D. The moneys in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If, on any monthly payment date, the revenues are insufficient to place the required amount in any of the funds and accounts as herein above provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, that all deposits, including on account of deficiencies, shall be made in the order of priority set forth in Section 5.03A hereof, and no payment of lower priority shall be made if there exists a deficiency in a fund or account of higher priority.

F. All remittances made by the Issuer to the Commission and the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

APPLICATION OF BOND PROCEEDS

Section 6.01. Application of Bond Proceeds. All moneys received from time to time from the sale of the Series 2005 A Bonds shall be deposited in the Series 2005 A Bonds Construction Trust Fund and shall be used solely to pay costs of the Project and until so expended, are hereby pledged as additional security for the Series 2005 A Bonds.

Section 6.02. Disbursements from Bond Construction Trust Fund. The Series 2005 A Bonds Construction Trust Fund shall be kept separate and apart from all other funds of the Issuer, and shall be drawn out, used and applied by the Issuer solely for the payment of the costs of the Project and purposes incidental thereto, including payment of any borrowings by the Issuer made for the purpose of temporarily financing a portion of the costs of the Project and payment of interest on the Series 2005 A Bonds prior to and during construction and for a period up to six months after completion of construction and for no other purposes whatsoever. If approved by the Government, the moneys in said fund shall be secured at all times by Government Obligations having a fair market value at least equal to the balance in said fund in excess of the amount insured by the FDIC. If for any reason the amounts on deposit in the Series 2005 A Bonds Construction Trust Fund are not necessary for, or are not applied to, such purposes, then such unapplied amounts shall be deposited by the Issuer as determined by the rules and regulations of the Government. All such proceeds shall constitute a trust fund for such purposes, and there is hereby created a lien upon such moneys, until so applied, in favor of the Registered Owners of the Series 2005 A Bonds.

Expenditures or disbursements from the Series 2005 A Bonds Construction Trust Fund shall be made only after such expenditures or disbursements have been approved in writing by the Governing Body, the Consulting Engineers and the Government.

The Issuer shall coordinate with the Government on the monthly payment of the costs of the Project and shall submit invoices and requisitions as directed by the Government.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Resolution shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Registered Owner of the Series 2005 A Bonds. In addition to the other covenants, agreements and provisions of this Resolution, the Issuer hereby covenants and agrees with the Registered Owner of the Series 2005 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as the Series 2005 A Bonds or the interest thereon are Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2005 A Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Resolution. No Registered Owner of the Series 2005 A Bonds shall ever have the right to compel the exercise of the taxing power, if any, of the Issuer to pay the Series 2005 A Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service of the Series 2005 A Bonds shall be secured by a first lien on the Net Revenues on a parity with the lien on the Net Revenues in favor of the Registered Owners of the First Lien Bonds and senior and prior to the lien on the Net Revenues in favor of the Registered Owners of the Series 1986 B Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Series 2005 A Bonds and to make the payments into all funds and accounts and all other payments provided for in this Resolution and the Prior Resolutions are hereby irrevocably pledged, in the manner provided herein and therein, to such payments as the same become due, and for the other purposes provided in this Resolution and the Prior Resolutions.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by state law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of this Resolution and the Prior Resolutions. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved in the PSC Order and such rates are hereby adopted.

So long as the Series 2005 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all

such actions necessary to provide funds sufficient to produce the required sums set forth in this Resolution. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2005 A Bonds shall prove to be insufficient to produce the required sums set forth in this Resolution, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Resolution.

Section 7.05. Sale of the System. So long as the Prior Bonds are Outstanding, the System may not be sold, transferred, mortgaged, leased or otherwise disposed of, except in accordance with the terms of the Prior Resolutions. So long as the Series 2005 A Bonds are Outstanding, the System may be sold, transferred, mortgaged, leased or otherwise disposed of, or encumbered (other than any statutory mortgage lien created under the Act on account of obligations issued within the restrictions hereof) only with the written consent of the Government and such consent will specify the disposition of any such sale or transfer.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. So long as the Series 2005 A Bonds are Outstanding, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2005 A Bonds; provided, however, that Parity Bonds may be issued as provided for in Section 7.07 hereof and in the Prior Resolutions (so long as the Prior Bonds are Outstanding). All obligations hereafter issued by the Issuer payable from the revenues of the System, except such Parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2005 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein and in the Prior Resolutions have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the liens of the Series 2005 A Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2005 A Bonds and the interest thereon in this Resolution, or upon the System or any part thereof.

Section 7.07. Parity Bonds. So long as the Prior Bonds are Outstanding, no Parity Bonds shall be issued except in accordance with the terms of the Prior Resolutions. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant to this Resolution, except under the conditions and in the manner provided herein and with the prior written consent of the Government.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Prior Bonds and the Series 2005 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition or construction of extensions or improvements to the System or refunding any Bonds Outstanding, or both such purposes.

So long as the Series 2005 A Bonds are Outstanding, no Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds then Outstanding;**
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and**
- (3) The Parity Bonds then proposed to be issued.**

The foregoing limitation may be waived or modified by the written consent of the Registered Owners of the Series 2005 A Bonds, representing 75% of the then-outstanding principal indebtedness. In the event the foregoing limitation is waived or when the Series 2005 A Bonds are no longer Outstanding, the following parity requirement shall be met:

No Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the three succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;**
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and**
- (3) The Parity Bonds then proposed to be issued.**

The "estimated average increased annual Net Revenues to be received in each of the three succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer and approved by the PSC, the period for appeal of which has expired prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer and approved by the PSC, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Resolution (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Registered Owners of the Series 2005 A Bonds and the Registered Owners of any Parity Bonds issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their respective liens on the revenues of the System and their respective source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of another series on a parity therewith. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Resolution required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Resolution.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Outstanding Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2005 A Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the funds and accounts provided for in this Resolution with respect to the Bonds then Outstanding, and any other payments provided for in this Resolution, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Resolution.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Government and its agents and representatives to inspect all books, documents, papers and records relating to the Project and the System at any and all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Government such documents and information as it may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any State and federal grants or other sources of financing for the Project.

The Issuer shall permit the Government and its agents and representatives to inspect all records pertaining to the operation and maintenance of the System at any reasonable time following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Registered Owner of the Series 2005 A Bonds issued pursuant to this Resolution shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles in accordance with the rules and regulations of the PSC and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body.

The Issuer shall file with the Government or any Registered Owner of the Series 2005 A Bonds requesting the same, an annual report containing the following:

- (A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.
- (B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Resolution and the status of all said funds and accounts.
- (C) The amount of any Bonds or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with

the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Registered Owner of the Series 2005 A Bonds and shall submit said report to the Government. Such audit report submitted to the Government shall include a statement that the Issuer is in compliance with the terms and provisions of the Act and this Resolution and that the Gross Revenues are adequate to meet the Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Letter of Conditions and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Government and its agents and representatives to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Government and its agents and representatives with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Government with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to issuance of the Series 2005 A Bonds, approvals of equitable rates or charges for the use of and service rendered by the System shall have been obtained in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reductions in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2005 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2005 A Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the Reserve Requirements are on deposit respectively in the Series 2005 A Bonds Reserve Account, and

the Reserve Accounts for obligations on a parity with the Series 2005 A Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest on the Series 2005 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2005 A Bonds. In any event, the Issuer shall not reduce the rates or charges for services of the System described in Section 7.04.

Section 7.10. Operating Budget. The Issuer shall annually, at least 30 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Government within 30 days of the adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made, except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Government and to any Registered Owner of the Series 2005 A Bonds within 30 days of adoption thereof and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Government and any Registered Owner of the Series 2005 A Bonds or anyone acting for and on behalf of such Registered Owner.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain the certificate of the Consulting Engineers, certifying that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Government, the Project will be adequate for the purposes for which it was designed, the funding plan as submitted to the Government is sufficient to pay the costs of the acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained. The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Government, covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. The Issuer shall employ qualified operating personnel properly certified by the State to operate the System so long as the Series 2005 A Bonds are Outstanding.

Section 7.12. No Competing Franchise. To the extent allowable by law, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation or body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals, or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent, to the full extent permitted or authorized by the Act, the rules and regulations of the PSC and other laws of the State.

Whenever any fees, rates, rentals or other charges for the services or facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the PSC, fees, rates, rentals and other charges, if not paid when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that it will, to the full extent permitted by law and the rules and regulations of the PSC, discontinue and shut off the services of the System to all delinquent users of the services of the System, and will not restore such services of the System until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid, and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and, in the event the Issuer or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. The Issuer hereby covenants and agrees that, so long as the Series 2005 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the

System. Such insurance shall initially cover the following risks and be in the following amounts:

(A) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured prior to acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground insurable portions of the System, including machinery and equipment housed therein, in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(B) Public Liability Insurance, with limits of not less than \$1,000,000 for personal liability to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 from claims for damage to property of others which may arise from the operation of the System.

(C) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated for the benefit of the Issuer, with limits of not less than \$1,000,000 for personal liability to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 from claims for damage to property of others which may arise from such operation of vehicles.

(D) Workers' Compensation Coverage for All Employees of the System Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each contractor dealing directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with Chapter 38, Article 2, Section 39 of the Code of West Virginia, 1931, as amended.

(E) Fidelity Bonds will be provided as to every member, officer and employee of the Issuer having custody of the Revenue Fund or of any other funds or property of the System in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount required by the Government and to be increased thereafter as necessary to cover the maximum amount of funds under control of that position at any one time.

(F) Flood Insurance will be obtained by the Issuer if available; however, if the System is located in a community which has been notified as having special flood or mudslide prone areas, flood insurance must be obtained.

(G) Construction Bonds. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction. The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project. The Issuer shall verify such insurance prior to commencement of construction.

Section 7.16. Connections. To the extent permitted by the laws of the State and rules and regulations of the PSC, the Issuer shall require every owner, tenant or occupant of any house, dwelling or building intended to be served by the System to connect thereto.

Section 7.17. Completion and Operation of Project; Permits and Orders. The Issuer shall complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer has obtained all permits required by state and federal laws for the acquisition and construction of the Project, all orders and approvals from the PSC and other state agencies necessary for the acquisition and construction of the Project and the operation of the System and all approvals for the issuance of the Series 2005 A Bonds required by state law, with all requisite appeal periods having expired without successful appeal.

Section 7.18. Statutory Mortgage Lien. For the further protection of the Registered Owners of the Series 2005 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, and shall take effect immediately upon delivery of the Series 2005 A Bonds; provided however, that the statutory mortgage lien in favor of the Registered Owners of the Series 2005 A Bonds shall be on a parity with the statutory mortgage lien in favor of the Registered Owners of the First Lien Bonds.

Section 7.19. Compliance with Letter of Conditions and Law. The Issuer shall perform, satisfy and comply with all the terms and conditions of the Letter of Conditions, this Resolution and the Act. The Issuer shall also comply with all applicable laws, rules and regulations issued by the Government or other state, federal or local bodies in regard to the

acquisition and construction of the Project and the operation, maintenance and use of the System.

Section 7.20. Contracts. The Issuer shall, simultaneously with the delivery of the Series 2005 A Bonds or immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investment of Funds. Any moneys held as a part of the funds and accounts created by this Resolution, other than the Revenue Fund, shall be invested and reinvested by the Commission or the Depository Bank, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the owner, including the value of accrued interest and giving effect to the amortization of discount or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this Section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2005 A Bonds are Outstanding.

Notwithstanding the foregoing, any investments made pursuant to this Resolution shall comply with the guidelines of the Government.

ARTICLE IX

DEFAULTS AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an “Event of Default” with respect to the Series 2005 A Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on any Series 2005 A Bonds; or

(B) If default occurs in the Issuer’s observance of any of the covenants, agreements or conditions on its part relating to the Series 2005 A Bonds set forth in this Resolution, any Supplemental Resolution or the Series 2005 A Bonds and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Government, the Depository Bank, the Bond Registrar, the Paying Agent or the Registered Owner; or

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If a default occurs under the Prior Resolutions or the Prior Bonds.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of the Series 2005 A Bonds may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and this Resolution relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Series 2005 A Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Series 2005 A Bonds, and (v) by action at law or bill in equity enjoin any acts in violation of the resolution with respect to the Series 2005 A Bonds, or the rights of such Registered Owners; provided however, that all rights and remedies of the Registered Owners of the Series 2005 A Bonds shall be on a parity with those of the Registered Owners of the First Lien Bonds and senior and prior to those of the Registered Owners of the Series 1986 B Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of the Series 2005 A Bonds may, by proper legal action, compel the performance of the duties of the Issuer under this Resolution and the Act, including, the completion of the Project, the making and collection of sufficient rates and charges for services rendered by the System and segregation

of the revenues therefrom and the application thereof. If there be any Event of Default, with respect to the Bonds, the Registered Owner shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project, or both, on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and any interest thereon and the deposits into the funds and accounts herein provided and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate and maintain, manage and control the System, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to the System as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Resolution for any reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Resolution shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent Event of Default, any Registered Owner of Bonds issued pursuant to this Resolution shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers herein above conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of Bonds issued pursuant to this Resolution. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and Registered Owners, and the curing and making good of any default under the provisions of this Resolution, and the title to and ownership of the System shall remain in the

Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage, or otherwise dispose of any assets of the System.

ARTICLE X

PAYMENT OF BONDS

Section 10.01. Payment of Bonds. If the Issuer shall pay, or there shall otherwise be paid, to the Registered Owners of the Series 2005 A Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then this Resolution and the pledge of Net Revenues and other moneys and securities pledged under this Resolution and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 2005 A Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

Except through direct payment of the entire outstanding principal of and all accrued interest on the Series 2005 A Bonds to the Registered Owners thereof, the Issuer may not defease the Series 2005 A Bonds or provide for payment thereof by escrow or other similar arrangements.

ARTICLE XI

MISCELLANEOUS

Section 11.01. Modification or Amendment of Resolution. Prior to the issuance of the Series 2005 A Bonds, this Resolution may be amended or supplemented in any way by the Supplemental Resolution. Following issuance of the Series 2005 A Bonds, no material modification or amendment of this Resolution, or of any resolution amendatory or supplemental hereto that would materially and adversely affect the rights of Registered Owners of the Series 2005 A Bonds shall be made without the consent in writing of the Registered Owners of the Series 2005 A Bonds then Outstanding; provided, that no change shall be made in the maturity of the Series 2005 A Bonds or the rate of interest thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest out of the funds herein pledged therefor without the consent of the Registered Owner thereof. No amendment or modification shall be made that would reduce the percentage of the principal amount of the Series 2005 A Bonds required for consent to the above-permitted amendments or modifications.

Section 11.02. Resolution Constitutes Contract. The provisions of this Resolution shall constitute a contract between the Issuer and the Registered Owners of the Series 2005 A Bonds and no change, variation or alteration of any kind of the provisions of the Resolution shall be made in any manner, except as in this Resolution provided.

Section 11.03. Severability of Invalid Provisions. If any section, paragraph, clause or provision of this Resolution shall be held invalid, such invalidity shall not affect any of the remaining provisions of this Resolution, any Supplemental Resolution or the Series 2005 A Bonds.

Section 11.04. Headings, Etc. The headings and catchlines of the articles, sections and subsections hereof are for convenience of reference only and shall not affect in any way the meaning or interpretation of any provision hereof.

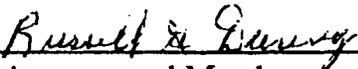

Section 11.05. Conflicting Provisions Repealed; Prior Resolutions. Except for the Prior Resolutions, all orders or resolutions and parts thereof in conflict with the provisions of this Resolution are, to the extent of such conflict, hereby repealed; provided that, in the event of any conflict between the Resolution and the Prior Resolutions, the Prior Resolutions shall control (unless less restrictive), so long as the Prior Bonds are outstanding.

Section 11.06. Covenant of Due Procedure. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the adoption of this Resolution do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in

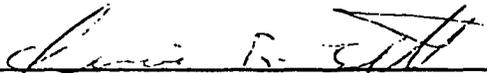

full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Chairperson, Secretary and members of the Governing Body were at all times when any actions in connection with this Resolution occurred, and are, duly in office and duly qualified for such office.

Section 11.07. Effective Date. This Resolution shall take effect immediately upon its adoption.

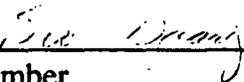

Adopted this 31st day of October, 2005.

SUPPLEMENTAL RESOLUTION PROVIDING AS TO THE PRINCIPAL AMOUNT, DATE, MATURITY DATE, INTEREST RATE, PAYMENT SCHEDULE, SALE PRICE AND OTHER TERMS OF THE GAULEY RIVER PUBLIC SERVICE DISTRICT WATER REVENUE BONDS, SERIES 2005 A (UNITED STATES DEPARTMENT OF AGRICULTURE); DESIGNATING A DEPOSITORY BANK AND MAKING OTHER PROVISIONS AS TO THE BONDS.

WHEREAS, the Public Service Board (the "Governing Body") of Gauley River Public Service District (the "Issuer") has duly and officially adopted a Bond Resolution on October 31, 2005 (the "Resolution"), entitled:

RESOLUTION AUTHORIZING THE ACQUISITION AND CONSTRUCTION OF CERTAIN IMPROVEMENTS AND EXTENSIONS TO THE EXISTING PUBLIC WATER FACILITIES OF GAULEY RIVER PUBLIC SERVICE DISTRICT AND THE FINANCING OF THE COST THEREOF, NOT OTHERWISE PROVIDED, THROUGH THE ISSUANCE BY THE DISTRICT OF NOT MORE THAN \$1,623,000 IN AGGREGATE PRINCIPAL AMOUNT OF WATER REVENUE BONDS, SERIES 2005 A (UNITED STATES DEPARTMENT OF AGRICULTURE); PROVIDING FOR THE RIGHTS AND REMEDIES OF AND SECURITY FOR THE REGISTERED OWNERS OF SUCH BONDS; AUTHORIZING THE SALE AND PROVIDING FOR THE TERMS AND PROVISIONS OF SUCH BONDS AND ADOPTING OTHER PROVISIONS RELATING THERETO.

WHEREAS, the capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Resolution when used herein;

WHEREAS, the Resolution provides for the issuance of the Water Revenue Bonds, Series 2005 A (United States Department of Agriculture), of the Issuer, in the aggregate principal amount not to exceed \$1,623,000 (the "Bonds" or the "Series 2005 A Bonds"), all in accordance with Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (the "Act"), and in the Resolution it is provided that the exact principal amount,

date, maturity date, interest rate, payment schedule, sale price and other terms of the Bonds should be established by a supplemental resolution, and that other matters relating to the Bonds be herein provided for;

WHEREAS, the Bonds are proposed to be purchased by the Government pursuant to the Letter of Conditions; and

WHEREAS, the Governing Body deems it essential and desirable that this supplemental resolution (the "Supplemental Resolution") be adopted, that the exact principal amount, date, maturity date, interest rate, payment schedule, sale price and other terms of the Bonds be fixed hereby in the manner stated herein, and that other matters relating to the Bonds be herein provided for.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF GAULEY RIVER PUBLIC SERVICE DISTRICT:

Section 1. Pursuant to the Resolution and the Act, this Supplemental Resolution is adopted and there are hereby authorized and ordered to be issued the Water Revenue Bonds, Series 2005 A (United States Department of Agriculture), of the Issuer, in the original aggregate principal amount of \$1,623,000. The Series 2005 A Bonds shall be issued in the form of one Bond, shall be dated the date of delivery, shall mature forty years from the date thereof, shall be numbered AR-1, and the principal amount advanced under the Series 2005 A Bonds shall bear interest at the rate of 4.25% per annum. Monthly installments of interest only on the amounts advanced under the Series 2005 A Bonds are payable 30 days following the date of delivery of the Series 2005 A Bonds and on the corresponding day of each month thereafter for the first 24 months after the date of delivery of the Series 2005 A Bonds, and thereafter, monthly installments of principal of and interest on the Series 2005 A Bonds, in the aggregate amount of \$7,190, are payable on the corresponding day of each month, except that the final installment on the Series 2005 A Bonds shall be paid at the end of 40 years from the date of the Series 2005 A Bonds in the sum of the unpaid principal and interest due on the date thereof. The Series 2005 A Bonds are subject to prepayment as set forth in the Resolution and the Series 2005 A Bonds. All principal and interest payments on the Series 2005 A Bonds will be paid by the Issuer directly to the order of the United States of America at its National Finance Office, 1520 Market Street, St. Louis, Missouri 63103.

Section 2. All other provisions relating to the Bonds and the text of the Bonds shall be in substantially the form provided in the Resolution.

Section 3. The Issuer hereby approves and accepts the Letter of Conditions and all amendments thereto, and the performance of the obligations contained therein, on behalf of the Issuer, are hereby authorized, approved and directed. The price of the Bonds shall be 100% of par value, there being no interest accrued thereon, provided that the proceeds of

the Bonds shall be advanced from time to time as requisitioned by the Issuer.

Section 4. The Issuer hereby appoints and designates The City National Bank of West Virginia, Gauley Bridge, West Virginia, to serve as the Depository Bank under the Resolution.

Section 5. The proceeds of the Bonds, as advanced from time to time, shall be deposited in the Series 2005 A Bonds Construction Trust Fund for payment of the costs of the Project and the costs of issuance of the Bonds and related costs.

Section 6. The Chairperson and Secretary are hereby authorized and directed to execute and deliver such other documents and certificates required or desirable in connection with the Bonds hereby and by the Resolution approved and provided for, to the end that the Bonds may be delivered to the Government pursuant to the Letter of Conditions on or about November 2, 2005.

Section 7. The acquisition and construction of the Project and the financing thereof in part with proceeds of the Bonds are in the public interest, serve a public purpose of the Issuer and will promote the health, welfare and safety of the residents of the Issuer.

Section 8. The Issuer hereby determines to invest all moneys in the funds and accounts established by the Resolution held by the Depository Bank until expended, in money market accounts secured by a pledge of Government Obligations, and therefore, the Issuer hereby directs the Depository Bank to invest all moneys in such money market accounts until further directed in writing by the Issuer. Moneys in the Series 2005 A Bonds Reserve Account shall be invested by the Commission in the West Virginia Consolidated Fund.

Section 9. The Issuer hereby approves the costs of issuance and authorizes the payment of the same.

Section 10. The Issuer hereby approves and accepts all contracts relating to the financing, acquisition and construction of the Project and the Chairperson is hereby authorized and directed to execute and deliver all such contracts.

Section 11. This Supplemental Resolution shall be effective immediately following adoption hereof.

Adopted this 31st day of October, 2005.

On this 13th day of November, 2007, we, the undersigned CHAIRPERSON and the undersigned SECRETARY of the Public Service Board of Gauley River Public Service District (the "Issuer") and the undersigned ATTORNEY for the Issuer, hereby certify in connection with the Gauley River Public Service District Water Revenue Bonds, Series 2007 A (West Virginia Infrastructure Fund), dated the date hereof (the "Bonds" or the "Series 2007 A Bonds"), as follows:

1. TERMS: All capitalized words and terms used in this General Certificate and not otherwise defined herein shall have the same meaning set forth in the Bond Resolution duly adopted by the Issuer on November 13, 2007, the Supplemental Resolution duly adopted by the Issuer on November 13, 2007 (collectively, the "Resolution"), and the loan agreement for the Series 2007 A Bonds by and between the Issuer and the Authority, on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), dated November 13, 2007 (the "Loan Agreement").

2. **NO LITIGATION:** No controversy or litigation of any nature is now pending or, to the knowledge of any of the undersigned, threatened, restraining, enjoining or affecting in any manner the authorization, issuance, sale and delivery of the Bonds, the acquisition and construction of the Project, the operation of the System, the collection or use of the revenues of the System, or the pledge and security of the Net Revenues for the Bonds; nor affecting the validity of the Bonds or any provisions made or authorized for the payment thereof; nor questioning the existence of the Issuer or the title of the members or officers of the Issuer or the Board thereof to their respective offices; nor questioning any proceedings of the Issuer taken with respect to the authorization, issuance, sale or delivery of the Bonds, the acquisition and construction of the Project, the operation of the System, the collection or use of the revenues of the System, or the pledge and security of the Net Revenues for the Bonds.

3. **GOVERNMENTAL APPROVALS AND BIDDING:** All applicable approvals, permits, exemptions, consents, authorizations, registrations, licenses, orders and certificates required by law for the creation and existence of the Issuer, the acquisition and construction of the Project, the operation of the System, the imposition of rates and charges and the issuance of the Bonds have been duly and timely obtained and remain in full force and effect. Competitive bids for the acquisition and construction of the Project have been solicited by the Issuer in accordance with Chapter 5, Article 22, Section 1 of the Code of West Virginia, 1931, as amended, which bids remain in full force and effect.

4. **NO ADVERSE FINANCIAL CHANGE; INDEBTEDNESS:** There has been no adverse change in the financial condition of the Issuer since the approval, execution and delivery of the Loan Agreement. The Issuer has met all conditions set forth in the Loan Agreement and will provide the financial, institutional, legal and managerial capabilities necessary to complete and operate the Project.

The Series 2007 A Bonds shall be issued on a parity with the First Lien Bonds and senior and prior to the Series 1986 B Bonds, with respect to liens, pledge and source of and security for payment and in all other respects. The Issuer has met the parity and coverage requirements of the Prior Bonds and the Prior Resolutions and has substantially complied with all other parity requirements, except to the extent that noncompliance with any such other parity requirements is not of a material nature. The Issuer has obtained (i) a certificate of an Independent Certified Public Accountant stating that the parity and coverage tests of the First Lien Bonds have been met and (ii) the written consent of the Registered Owners of the First Lien Bonds to the issuance of the Series 2007 A Bonds on a parity with the First Lien Bonds; and (iii) the written consent of the Registered Owners of the Series 1986 B Bonds to the issuance of the Bonds on a senior and prior basis to the Series 1986 B Bonds and other than the First Lien Bonds,

there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

5. **SIGNATURES AND DELIVERY:** The undersigned Chairperson and Secretary are the duly elected or appointed, qualified and acting officers of the Issuer as indicated by the official titles opposite their signatures below, and are duly authorized to execute and seal the Bonds for the Issuer. The seal impressed upon the Bonds and this Certificate is the duly authorized, proper and only seal of the Issuer. On the date hereof, the undersigned Chairperson did officially sign all of the Bonds, consisting upon original issuance of a single Bond, dated the date hereof, by his or her manual signature; the undersigned Secretary did officially cause the seal of the Issuer to be affixed upon the Bonds and to be attested by his or her manual signature; the Registrar did officially authenticate, register and deliver the Bonds to a representative of the Authority as the original purchaser of the Bonds under the Loan Agreement.

6. **PUBLIC SERVICE COMMISSION ORDER:** The Issuer has received the Orders of the Public Service Commission of West Virginia (the "PSC") entered on October 29, 2004, October 21, 2005 and July 23, 2007, in Case No. 04-0560-PWD-CN, granting to the Issuer a certificate of public convenience and necessity for the Project and approving the financing for the Project. The time for appeal of the October 29, 2004 Order and the October 21, 2005 Order has expired prior to the date hereof without any appeal having been filed. The time for appeal of the July 23, 2007 Order has not expired on the date hereof. However, the parties to such Order have stated that they will not appeal such Order. The Issuer hereby certifies that it will not appeal such Order. All Orders remain in full force and effect.

The Issuer has duly published the required notice with respect to, among other things, the amount of the Bonds to be issued, the interest rate and terms of the Bonds, the Project to be acquired or constructed, the cost of the Project, the anticipated user rates and charges and the date that a formal application for a certificate of public convenience and necessity is to be filed with the PSC in accordance with Chapter 16, Article 13A, Section 25 of the Code of West Virginia, 1931, as amended.

7. **RATES:** The rates for the System, as approved by the PSC order entered July 23, 2007, in Case No. 04-0560-PWD-CN will become effective when the Project is placed into service.

8. **INCUMBENCY AND OFFICIAL NAME:** The proper corporate title of the Issuer is "Gauley River Public Service District." The Issuer is a public service district and public corporation duly created by The County Commission of Fayette County and existing under the laws of, and a political subdivision of, the State of West Virginia. The Issuer operates the System in Fayette, Nicholas and Clay Counties of said

State. The governing body of the Issuer is its Public Service Board, consisting of three duly appointed, qualified and acting members, whose names and dates of commencement and termination of their current terms are as follows:

<u>Name</u>	<u>Date of Commencement of Office</u>	<u>Date of Termination of Office</u>
Teddie R. Elliott	January 1, 2004	December 31, 2009
Sue Gray	January 1, 2002	December 31, 2007
Russell G. Deering	January 1, 2006	December 31, 2011

The duly elected or appointed officers of the Board for 2005 are as follows:

Russell G. Deering	-	Chairperson
Ted Elliott	-	Secretary
Sue Gray	-	Treasurer

The duly appointed and acting attorney for the Issuer is Jackson Kelly PLLC, of Charleston, West Virginia.

9. LAND AND RIGHTS-OF-WAY: All land, rights-of-way and easements necessary for the acquisition and construction of the Project and the operation and maintenance of the System have been acquired or can and will be acquired by purchase or, if necessary, by condemnation by the Issuer and are adequate for such purposes and are not or will not be subject to any liens, encumbrances, reservations or exceptions that would adversely affect or interfere in any way with the use thereof for such purposes. The costs thereof, including costs of any properties that may have to be acquired by condemnation, are, in the opinion of all the undersigned, within the ability of the Issuer to pay for the same without jeopardizing the security of or payments on the Bonds.

10. MEETINGS: All actions, resolutions, orders and agreements taken, adopted and entered into by or on behalf of the Issuer in any way connected with the issuance of the Bonds and the acquisition, construction, operation and financing of the Project or the System were authorized or adopted at meetings of the Board duly and regularly or specifically called and held pursuant to all applicable statutes and the rules of procedure of the Board, and a quorum of duly appointed, qualified and acting members of the Board was present and acting at all times during all such meetings. All notices required to be posted and/or published were so posted and/or published.

11. **INSURANCE:** The Issuer will maintain or, as appropriate, will require all contractors to maintain worker's compensation, public liability insurance, property damage insurance, standard hazard insurance, builder's risk insurance, flood insurance and business interruption insurance, where applicable, in accordance with the Resolution and the Loan Agreement. All insurance for the System required by the Resolution and the Loan Agreement are in full force and effect.

12. **LOAN AGREEMENT:** As of the date hereof, (i) the representations of the Issuer contained in the Loan Agreement are true and correct in all material respects as if made on the date hereof; (ii) the Loan Agreement does not contain any untrue statements of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; (iii) to the best knowledge of the undersigned, no event affecting the Issuer has occurred since the date of the Loan Agreement, which should be disclosed for the purpose for which it is to be used or which it is necessary to disclose therein in order to make the statements and information therein not misleading; and (iv) the Issuer is in compliance with the Loan Agreement.

13. **SPECIMEN BOND:** Attached hereto as Exhibit A is a specimen of the Bond which, except as to execution and authentication, is identical in all respects with the Bond this day delivered to the Authority and being substantially in the form prescribed in the Resolution.

14. **BOND PROCEEDS:** On the date hereof, the Issuer received the sum of \$354,818 from the Authority and the Council, being the entire principal amount of the Series 2007 A Bonds. The balance of the principal amount of the Series 2007 A Bonds will be advanced to the Issuer from time to time as acquisition and construction of the Project progresses.

15. **CONFLICTS OF INTEREST:** No member, officer or employee of the Issuer has a substantial financial interest, direct, indirect or by reason of ownership of stock in any corporation, in any contract with the Issuer or the sale of any land, materials, supplies or services to the Issuer, or to any contractor supplying the Issuer, relating to the Bonds, the Resolution and/or the Project, including, without limitation, with respect to the Depository Bank. For purposes of this paragraph, a "substantial financial interest" shall include, without limitation, an interest amounting to more than 5% of the particular business enterprise or contract.

16. **VERIFICATION OF SCHEDULE:** The final amended Schedule B attached to the Certificate of Consulting Engineer, with the signature of the Chairperson and the Consulting Engineer, accurately represents the estimated costs of the Project, the

sources of funds available to pay the costs of the Project and the costs of financing of the Bonds.

17. GRANTS: As of the date hereof, the grant from the Government in the amount of \$3,533,310 and the grant from the Abandoned Mine Lands Grant in the amount of \$753,840 have been remitted to the Issuer to pay for a portion of the costs of the Project.

18. WETLANDS COVENANT: The Issuer hereby certifies that it will not use any proceeds of the Bonds for a purpose that will contribute to excessive erosion of highly erodible lands or to the conversion of wetlands to produce an agricultural commodity.

19. PROCUREMENT OF ENGINEERING SERVICES: The Issuer has complied with all the requirements of Chapter 5G, Article 1 of the Code of West Virginia, 1931, as amended, in the procurement of the engineering services of the Consulting Engineer.

20. COUNTERPARTS: This Certificate may be executed in counterparts and all counterparts shall be deemed to be the Certificate.

WITNESS our signatures and the official corporate seal of Gauley River Public Service District as of the date first written above.

3.2

CERTIFICATE AS TO USE OF PROCEEDS

On this 13th day of November, 2007, the undersigned Chairperson of the Public Service Board of Gauley River Public Service District in Fayette, Nicholas and Clay Counties, West Virginia (the "Issuer"), being one of the officials of the Issuer duly charged with the responsibility for the issuance of \$354,818 Water Revenue Bonds, Series 2007 A (West Virginia Infrastructure Fund), of the Issuer, dated November 13, 2007 (the "Bonds" or the "Series 2007 A Bonds"), hereby certify as follows:

1. I am one of the officers of the Issuer duly charged with the responsibility of issuing the Bonds. I am familiar with the facts, circumstances and estimates herein certified and duly authorized to execute and deliver this certificate on behalf of the Issuer. Capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Resolution duly adopted by the Issuer on November 13, 2007 (the "Bond Resolution"), authorizing the Bonds.

2. This certificate may be relied upon as the certificate of the Issuer.

3. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on November 13, 2007, the date on which the Bonds are being physically delivered in exchange for a portion of the principal amount of the Bonds, and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

4. In the Bond Resolution pursuant to which the Bonds are issued, the Issuer has covenanted that it shall not take, or permit or suffer to be taken, any action with respect to Issuer's use of the proceeds of the Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Internal Revenue Code of 1986, as amended, and the temporary and permanent regulations promulgated thereunder or under any predecessor thereto (collectively, the "Code"), issued by the West Virginia Water Development Authority (the "Authority") or the West Virginia Infrastructure and Jobs Development Council (the "Council"), as the case may be, from which the proceeds of the Bonds are derived, to lose their status as tax-exempt bonds. The Issuer hereby covenants to take all actions necessary to comply with such covenant.

5. The Bonds were sold on November 13, 2007, to the Authority, pursuant to a loan agreement dated November 13, 2007, by and between the Issuer and the Authority, on behalf of the Council, for an aggregate purchase price of \$354,818 (100% of par), at which time, the Issuer received the sum of \$354,818 from the Authority and the Council, being the entire principal amount of the Bonds. No accrued interest has been or will be paid on the Bonds. The balance of the principal amount of the Bonds will be advanced to the Issuer as acquisition and construction of the Project progresses.

6. The Bonds are being delivered simultaneously with the delivery of this certificate and are issued for the purposes of (i) paying a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public water facilities of the Issuer (the "Project"); and (ii) paying certain costs of issuance of the Bonds and related costs.

7. The Issuer shall, on the date hereof or immediately hereafter, enter into agreements which require the Issuer to expend at least 5% of the net sale proceeds of the Bonds for the acquisition and construction of the Project, constituting a substantial binding commitment, or has already done so. The acquisition and construction of the Project and the allocation of the net sale proceeds of the Bonds to expenditures of the Project shall commence immediately and shall proceed with due diligence to completion, and with the exception of proceeds deposited in the Series 2007 A Bonds Reserve Account, if any, all of the proceeds from the sale of the Bonds, together with any investment earnings thereon, will be expended for payment of costs of the Project on or before November 13, 2007. The acquisition and construction of the Project is expected to be completed by November 13, 2007.

8. The total cost of the Project is estimated at \$6,249,468. Sources and uses of funds for the Project are as follows:

SOURCES

Series 2007 A Bonds Proceeds	\$	354,818
Series 2005 A Bonds Proceeds	\$	1,623,000
RUS Grant	\$	3,533,310
Abandoned Mine Lands Grant	\$	<u>753,840</u>
Total Sources	\$	<u>6,264,968</u>

USES

Costs of Project	\$	6,249,468
Costs of Issuance	\$	<u>15,500</u>
Total Uses	\$	<u><u>6,264,968</u></u>

9. Pursuant to Article V of the Bond Resolution, the following special funds or accounts have been created or continued:

- (1) Revenue Fund;
- (2) Renewal and Replacement Fund;
- (3) Series 2007 A Bonds Construction Trust Fund;
- (4) Series 2007 A Bonds Sinking Fund; and
- (5) Series 2007 A Bonds Reserve Account.

10. Pursuant to Article VI of the Bond Resolution, the proceeds of the Bonds will be deposited as follows:

(1) Bond proceeds in the amount of \$-0- will be deposited in the Series 2007 A Bonds Reserve Account.

(2) The balance of the proceeds of the Bonds will be deposited in the Series 2007 A Bonds Construction Trust Fund as received from time to time and applied solely to payment of costs of the Project, including costs of issuance of the Bonds and related costs, and for no other purpose.

Prior to expenditure, the proceeds of the Bonds in the Series 2007 A Bonds Construction Trust Fund will be invested at a yield not to exceed the yield on the Council's bonds, the proceeds of which were used to make the loan to the Issuer.

11. Moneys held in the Series 2007 A Bonds Sinking Fund will be used solely to pay principal of and interest, if any, on the Bonds and will not be available to meet costs of acquisition and construction of the Project. All investment earnings on moneys in the Series 2007 A Bonds Reserve Account (if fully funded) will be withdrawn therefrom and deposited into the Series 2007 A Bonds Construction Trust Fund during

construction of the Project, and following completion of the Project, will be deposited in the Revenue Fund, and such amounts will be applied as set forth in the Bond Resolution.

12. Work with respect to the acquisition and construction of the Project will proceed with due diligence to completion. The acquisition and construction of the Project is expected to be completed within 8 months of the date hereof.

13. The Issuer will take such steps as requested by the Authority to ensure that the Authority's bonds meet the requirements of the Code.

14. With the exception of the amount deposited in the Series 2007 A Bonds Reserve Account, if any, all of the proceeds of the Bonds will be expended on the Project within 12 months from the date of issuance thereof.

15. The Issuer does not expect to sell or otherwise dispose of the Project in whole or in part prior to the last maturity date of the Bonds.

16. The amount designated as costs of issuance of the Bonds consists only of costs which are directly related to and necessary for the issuance of the Bonds.

17. All property financed with the proceeds of the Bonds will be owned and held by (or on behalf of) a qualified governmental unit.

18. No proceeds of the Bonds will be used, directly or indirectly, in any trade or business carried on by any person who is not a governmental unit.

19. The proceeds of the Bonds will not exceed the amount necessary for the purposes of the issue. The Issuer covenants that it shall maintain thorough and accurate accounting records, in conformance with generally accepted accounting principles, relative to the proceeds of the Bonds so that use of the proceeds of the Bonds can be accounted for.

20. The Issuer shall use the Bond proceeds solely for the costs of the Project, and the Project will be operated solely for a public purpose as a local governmental activity of the Issuer.

21. The Bonds are not federally guaranteed.

22. The Issuer has retained the right to amend the Bond Resolution authorizing the issuance of the Bonds if such amendment is necessary to assure that the Bonds remain governmental or public purpose bonds.

23. The Issuer has either (a) funded the Series 2007 A Bonds Reserve Account at the maximum amount of principal and interest, if any, which will mature and become due on the Bonds in the then current or any succeeding year with the proceeds of the Bonds, or (b) created the Series 2007 A Bonds Reserve Account which will be funded with equal payments made on a monthly basis over a 10-year period until such Series 2007 A Bonds Reserve Account hold an amount equal to the maximum amount of principal and interest, if any, which will mature and become due on the Bonds in the then current or any succeeding year. Moneys in the Series 2007 A Bonds Reserve Account and the Series 2007 A Bonds Sinking Fund will be used solely to pay principal of and interest on the Bonds and will not be available to pay costs of the Project.

24. There are no other obligations of the Issuer which (a) are to be issued at substantially the same time as the Bonds, (b) are to be sold pursuant to a common plan of financing together with the Bonds and (c) will be paid out of substantially the same sources of funds or will have substantially the same claim to be paid out of substantially the same sources of funds as the Bonds.

25. To the best of my knowledge, information and belief, there are no other facts, estimates and circumstances which would materially change the expectations herein expressed.

26. The Issuer will comply with instructions as may be provided by the Authority, at any time, regarding use and investment of proceeds of the Bonds, rebates and rebate calculations.

27. To the best of my knowledge, information and belief, the foregoing expectations are reasonable.

WITNESS my signature as of the date first written above.

CERTIFICATE OF CONSULTING ENGINEER

On this 28th day of November, 2007, I, John Tuggle, Registered Professional Engineer, West Virginia License No. 11845, of Pentree, Incorporated, Consulting Engineers, Princeton, West Virginia, hereby certify as follows:

1. My firm is engineer for the acquisition and construction of certain additions, betterments and improvements (the "Project") to the sewerage portion of the existing public combined waterworks and sewerage system (the "System") of the City of Mount Hope (the "Issuer"), to be constructed primarily in Fayette County, West Virginia, which acquisition and construction are being permanently financed in part by the above-captioned bonds (the "Bonds") of the Issuer. All capitalized words used herein and not defined herein shall have the same meaning set forth in the Bond Ordinance passed by the Issuer on July 10, 2007, and the bond purchase agreement by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection ("DEP"), dated November 1, 2007 (the "Loan Agreement").

2. The Bonds are being issued for the purposes of (i) paying a portion of the costs of acquisition and construction of the Project; and (ii) paying costs of issuance and related costs.

3. To the best of my knowledge, information and belief (i) within the limits and in accordance with the applicable and governing contractual requirements relating to the Project, the Project will be constructed in general accordance with the approved plans, specifications and designs prepared by my firm and approved by the DEP and any change orders approved by the Issuer, the DEP and all necessary governmental bodies; (ii) the Project, as designed, is adequate for its intended purpose and has a useful life of at least 40 years, if properly operated and maintained, excepting anticipated replacements due to normal wear and tear; (iii) the Issuer has received bids for the acquisition and construction of the Project which are in an amount and otherwise

compatible with the plan of financing set forth in the Schedule A attached hereto as Exhibit A, and in reliance upon the opinion of John Shumate, Esquire, of even date herewith, all successful bidders have made required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy; (iv) the successful bidders received any and all addenda to the original bid documents; (v) the bid documents relating to the Project reflect the Project as approved by the DEP and the bid forms provided to the bidders contain all critical operational components of the Project; (vi) the successful bids include prices for every item on such bid forms; (vii) the uniform bid procedures were followed; (viii) the Issuer has obtained all permits required by the laws of the State of West Virginia and the United States necessary for the acquisition and construction of the Project and operation of the System; (ix) in reliance upon the certificate of Hess, Stewart & Campbell, PLLC, of even date herewith, as of the effective date thereof, the rates and charges for the System as enacted by the Issuer will be sufficient to comply with the provisions of the Loan Agreement; (x) the net proceeds of the Bonds, together with all other moneys on deposit or to be simultaneously deposited and irrevocably pledged thereto and the proceeds of grants, if any, irrevocably committed therefor, are sufficient to pay the costs of acquisition and construction of the Project approved by the DEP; and (xi) attached hereto as Exhibit A is the final amended "Schedule A - Total Cost of Project, Sources of Funds and Cost of Financing" for the Project.

WITNESS my signature and seal as of the date first written above.

Ladies and Gentlemen:

I have reviewed the water rates of Gauley River Public Service District (the "Issuer"), as approved by the order of the Public Service Commission of West Virginia (the "PSC") entered July 23, 2007, in Case No. 04-0560-PWD-CN, and the projected operating expenses and anticipated customer usage provided by Pentree, Incorporated, the consulting engineer of the Issuer. It is my opinion that such rates are sufficient (i) to provide for all operating expenses of the water facilities of the Issuer (the "System") and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Issuer's Waterworks Revenue

Bonds, Series 1986; Supplemental Subordinate Waterworks Revenue Bonds, Series 1986; Water Revenue Bonds, Series 1993; Water Revenue Bonds, Series 1997 A; Water Revenue Bonds, Series 1997B; and Water Revenue Bonds, Series 2005 A (collectively, the "Prior Bonds"); and Water Revenue Bonds, Series 2007 A (West Virginia Infrastructure Fund) (the "Series 2007 A Bonds").

It is further my opinion that (i) the Net Revenues for the fiscal year following the year in which the Series 2007 A Bonds are to be issued will be at least 120% of the average annual debt service requirements on the Prior Bonds and the Series 2007 A Bonds; and (ii) the Net Revenues actually derived from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of the Series 2007 A Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2007 A Bonds, will not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for principal of and interest on the Prior Bonds and the Series 2007 A Bonds. The RUS reserve account is funded in accordance with bond documents.

Very truly yours,

Stanley S. Adkins, CPA

REGISTRAR'S AGREEMENT

THIS REGISTRAR'S AGREEMENT, dated as of the 13th day of November, 2007, by and between GAULEY RIVER PUBLIC SERVICE DISTRICT, a public corporation (the "Issuer"), and UNITED BANK, INC., Charleston, West Virginia (the "Registrar").

WHEREAS, the Issuer has, contemporaneously with the execution hereof, issued and sold its \$354,818 Water Revenue Bonds, Series 2007 A (West Virginia Infrastructure Fund), dated November 13, 2007 (the "Bonds"), in the form of one bond, in fully registered form, pursuant to a Bond Resolution and a Supplemental Resolution adopted by the Issuer on November 13, 2007 (collectively, the "Resolution");

WHEREAS, capitalized words and terms used in this Registrar's Agreement and not otherwise defined herein shall have the respective meanings given them in the Resolution, a copy of which is attached as Exhibit A hereto and incorporated herein by reference;

WHEREAS, the Resolution provides for an appointment by the Issuer of a Registrar for the Bonds; and

WHEREAS, the Issuer desires to appoint, and by the Resolution and this Registrar's Agreement does appoint, the Registrar to act as Registrar under the Resolution and to take certain other actions hereinafter set forth;

NOW, THEREFORE, it is agreed by and between the parties hereto as follows:

1. Upon the execution of this Registrar's Agreement by the Issuer and the Registrar and during the term hereof, the Registrar does accept and shall have and carry out the powers and duties of Registrar for the Bonds, all as set forth in the Resolution, such duties including, among other things, the duties to authenticate, register and deliver Bonds upon original issuance and when properly presented for exchange or transfer, and shall do so in accordance with any rules and regulations promulgated by the United States Treasury Department or by the Municipal Securities Rulemaking Board or similar regulatory bodies as the Issuer advises it of and with generally accepted industry standards.

2. The Registrar agrees to furnish the Issuer with appropriate records of all transactions carried out by it as Registrar and to furnish the Issuer with the names and specimen signatures of the Registrar's authorized officers for the purposes of acting as the Registrar and with such other information and reports as the Issuer may from time to time reasonably require.

3. The Registrar shall have no responsibility or liability for any action taken by it at the specific direction of the Issuer.

4. As compensation for acting as Registrar pursuant to this Registrar's Agreement, the Issuer hereby agrees to pay to the Registrar the compensation heretofore agreed by the parties and set forth in the attached invoice.

5. It is intended that this Registrar's Agreement shall carry out and implement provisions of the Resolution with respect to the Registrar. In the event of any conflict between the terms of this Registrar's Agreement and the Resolution, the terms of the Resolution shall govern.

6. The Issuer and the Registrar each warrants and represents that it is duly authorized and empowered to execute and enter into this Registrar's Agreement and that neither such execution nor the performance of its duties hereunder or under the Resolution will violate any order, decree or agreement to which it is a party or by which it is bound.

7. This Registrar's Agreement may be terminated by either party upon 60 days' written notice sent by registered or certified mail to the other party, at the following respective address:

Re: Gauley River Public Service District Water Revenue Bonds,
Series 2007 A (West Virginia Infrastructure Fund)

Ladies and Gentlemen:

We have served as bond counsel to Gauley River Public Service District (the "Issuer") in connection with the issuance of its Water Revenue Bonds, Series 2007 A (West Virginia Infrastructure Fund), dated the date hereof (the "Bonds").

We have examined certified copies of proceedings and other papers relating to the authorization of (i) a loan agreement for the Bonds, dated November 13, 2007, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and (ii) the Bonds to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are issued in the principal amount of \$354,818, in the form of one bond, registered as to principal only to the Authority, bearing no interest, with principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing June 1, 2008, all as set forth in the Schedule Y attached to the Loan Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of

{C1244277.1}

acquisition and construction of certain improvements and extensions to the existing public water facilities of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act and a Bond Resolution duly adopted by the Issuer on November 13, 2007, as supplemented by a Supplemental Resolution duly adopted by the Issuer on November 13, 2007 (collectively, the "Resolution"), pursuant to and under which Act and Resolution the Bonds are authorized and issued, and the Loan Agreement is entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Resolution and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Resolution and the Loan Agreement when used herein.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district and is a public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Resolution and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer, enforceable in accordance with the terms thereof.

3. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority and the Council or diminish the obligations of the Issuer, without the written consent of the Authority and the Council.

4. The Issuer has legally and effectively adopted the Resolution and all other necessary resolutions in connection with the issuance and sale of the Bonds. The Resolution constitutes a valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms thereof and contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System and secured by a first lien on and a pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the First Lien Bonds and senior and prior to the Series 1986 B Bonds, all in accordance with the terms of the Bonds and the Resolution.

6. Under the Act, the Bonds and the interest, if any, thereon are exempt from taxation by the State of West Virginia and the other taxing bodies of the State.

7. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

No opinion is given herein as to the effect upon the enforceability of the Bonds under any applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights or the exercise of judicial discretion or principles of equity in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1 and in our opinion, the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

Re: Gauley River Public Service District Water Revenue Bonds,
Series 2007 A (West Virginia Infrastructure Fund)

Ladies and Gentlemen:

We are counsel to Gauley River Public Service District (the “Issuer”). As such counsel, we have examined copies of the approving opinion of Jackson Kelly PLLC, as bond counsel, relating to the above-captioned bonds of the Issuer (the “Bonds”), a loan agreement for the Bonds, dated November 13, 2007, including all schedules and exhibits attached thereto (the “Loan Agreement”), by and between the Issuer and the West Virginia Water Development Authority (the “Authority”), on behalf of the West Virginia Infrastructure and Jobs Development Council (the “Council”), a Bond Resolution duly adopted by the Public Service Board of the Issuer (the “Board”) on November 13, 2007, as supplemented by a Supplemental Resolution duly adopted on November 13, 2007 (collectively, the “Resolution”), orders of The County Commission of Fayette County relating to the Issuer and the appointment of members of the Board, and other documents relating to the Bonds and the Issuer. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Loan Agreement and the Resolution when used herein.

{C1244278.1}

We are of the opinion that:

1. The Issuer is a duly created and validly existing public service district and is a public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System and to adopt the Resolution, all under the Act and other applicable provisions of law.

2. The members and officers of the Board have been duly and properly appointed and elected, have taken the requisite oaths and are thereby authorized to act on behalf of the Issuer in their respective capacities.

3. The Loan Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the Authority, constitutes a valid and binding agreement of the Issuer, enforceable in accordance with its terms.

4. The Resolution has been duly adopted by the Board and is in full force and effect.

5. The execution and delivery of the Bonds and the Loan Agreement and the consummation of the transactions contemplated by the Bonds, the Loan Agreement and the Resolution, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any resolution, agreement or other instrument to which the Issuer is a party or any existing law, regulation, court order or consent decree to which the Issuer is subject.

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates, registrations and authorizations necessary for the creation and existence of the Issuer, the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for the use of the System, including, without limitation, all requisite permits, approvals, orders and certificates from The County Commission of Fayette County, the West Virginia Bureau for Public Health, the Council and the Public Service Commission

of West Virginia (the "PSC"). The Issuer has received the PSC Order entered on July 23, 2007, in Case No. 04-0560-PWD-CN, approving the rates for the System. The Issuer has taken all actions required for the imposition of such rates and charges, including, without limitation, the adoption of a resolution prescribing such rates and charges. The Issuer has received the PSC Orders entered on October 29, 2004, October 21, 2005, and July 23, 2007, in Case No. 04-0560-PWD-CN, granting to the Issuer a certificate of public convenience and necessity for the Project and approving the financing for the Project. The time for appeal of the October 29, 2004 and October 21, 2005 Orders have expired prior to the date hereof without any appeal having been filed. The time for appeal of the July 23, 2007 Order has not expired on the date hereof. However, the parties to such Order have stated that they will not appeal such Order. Both Orders remain in full force and effect.

7. The Issuer has duly published the required notice with respect to, among other things, the amount of the Bonds to be issued, the interest rate and terms of the Bonds, the Project to be acquired or constructed, the cost of the Project, the anticipated user rates and charges and the date that a formal application for a certificate of public convenience and necessity is to be filed with the PSC in accordance with Chapter 16, Article 13A, Section 25 of the Code of West Virginia, 1931, as amended, and has duly complied with the provisions thereof.

8. To the best of our knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Loan Agreement, the Bonds and the Resolution, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds, the collection of the Gross Revenues or the pledge of the Net Revenues for the payment of the Bonds.

9. All successful bidders have made the required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy. Based upon our review of the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, we are of the opinion that such surety bonds and policies: (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interest of the Issuer; (3) have been executed by duly authorized

representatives of the proper parties; (4) meet the requirements of the Act, the Resolution and the Loan Agreement; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Very truly yours,

Re: Final Title Opinion for Gauley River Public Service District

Ladies and Gentlemen:

We are counsel to Gauley River Public Service District (the "Issuer") in connection with a proposed project to construct certain improvements and extensions to the existing public water facilities of the Issuer (the "Project"). We provide this final title opinion on behalf of the Issuer to satisfy the requirements of the West Virginia Infrastructure and Jobs Development Council for the Project. Please be advised of the following:

1. The Issuer is a duly created and validly existing public service district possessed with all the powers and authority granted to public service districts under the laws of the State of West Virginia to construct, operate and maintain the Project as approved by the West Virginia Bureau for Public Health.

2. The Issuer has obtained all necessary permits and approvals for the construction of the Project.

3. We have investigated and ascertained the location of, and we are familiar with the legal description of, the necessary sites, including easements and/or rights of way, required for the Project as set forth in the plans for the Project prepared by Pentree, Incorporated, the consulting engineers for the Project.

4. We have examined the records on file in the Office of the Clerk of The County Commission of Fayette County, West Virginia, the county in which the Project is to be located, and, in our opinion, the Issuer has acquired legal title or such

other estate or interest in all of the necessary site components for the Project, including all easements and/or rights of way, with the exception of those listed in Paragraph 5, sufficient to assure undisturbed use and possession for the purpose of construction, operation and maintenance for the estimated life of the Project.

5. All deeds, easements and rights of way which have been acquired to date by the Issuer have been duly recorded in the Office of the Clerk of The County Commission of Fayette County to protect the legal title to and interest of the Issuer.
