**ARTICLE I**

**STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS**

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the “Bond Legislation”) is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the “Act”), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Greater Harrison County Public Service District (the “Issuer”) is a public service district and a public corporation and political subdivision of the State of West Virginia in Harrison County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed improvements and extensions to the existing public sewerage system of the Issuer, consisting of of (i) installation of approximately 156 bio-shell units in the polishing cell of the existing 0.60 million gallon per day wastewater treatment plant, (ii) installation of three positive

displacement blowers, a blower enclosure, air piping and an access road, and (iii) appurtenances related thereto (collectively, the "Project"), which constitute properties for the collection, treatment, purification or disposal of liquid or solid wastes, sewage or industrial wastes (the existing public sewer facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds in the total aggregate principal amount of \$2,996,500, in two series (collectively, the "Series 2016 Bonds"), being the Sewer Revenue Bonds, Series 2016 A (West Virginia SRF Program), in the aggregate principal amount of \$2,496,500 (the "Series 2016 A Bonds"); and Sewer Revenue Bonds, Series 2016 B (West Virginia SRF Program/Green), in the aggregate principal amount of \$500,000 (the "Series 2016 B Bonds"), to permanently finance a portion of the costs of acquisition and construction of the Project; and pay costs of issuance and related costs. The remaining costs of the Project shall be funded from the sources set forth in Section 2.01 hereof. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2016 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Reserve Accounts (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2016 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2016 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 32 years.

F. It is in the best interests of the Issuer that its Series 2016 A Bonds and Series 2016 B Bonds be sold to the Authority pursuant to the terms and provisions of a Bond Purchase Agreement by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection (the "DEP"), in form satisfactory to the Issuer, the Authority and the DEP, approved hereby if not previously approved by resolution of the Issuer.

Any Series 2016 Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. The Bond Registrar for the Series 2016 Bonds shall be the bank or other entity to be designated as such in the Supplemental Resolution and its successors and assigns. No Series 2016 Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bond, substantially in the forms set forth in Section 3.10 hereof shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any Series 2016 Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 2016 Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting the Series 2016 Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that such Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as the Series 2016 Bonds remain outstanding, the Issuer, through the Bond Registrar as its agent, shall keep and maintain books for the registration and transfer of the Bonds.

The registered Series 2016 Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 2016 Bonds or transferring the registered Series 2016 Bonds are exercised, all Series 2016 Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Series 2016 Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Bond Registrar. For every such exchange or transfer of Series

2016 Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Series 2016 Bonds or, in the case of any proposed redemption of Series 2016 Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2016 Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2016 Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No holder or holders of the Series 2016 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2016 Bonds or the interest, if any, thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues; Lien Positions with Respect to Prior Bonds. The payment of the debt service of all Series 2016 Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on Net Revenues in favor of the Holders of the First Lien Bonds and senior and prior to the Second Lien Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2016 Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 3.09. Delivery of Bonds. The Issuer shall execute and deliver the Series 2016 Bonds to the Bond Registrar, and the Bond Registrar shall authenticate, register and deliver the Series 2016 Bonds to the original purchasers upon receipt of the documents set forth below:

- A. If other than the Authority, a list of the names in which the Series 2016 Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Bond Registrar may reasonably require;

C. An executed and certified copy of the Bond Legislation;

D. An executed copy of the Bond Purchase Agreement; and

E. The unqualified approving opinions of bond counsel on the Series 2016 Bonds.

Section 3.10. Form of Bonds. A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Bond Legislation and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order of priority:

(1) The Issuer shall first, each month, pay from the Revenue Fund all Operating Expenses of the System,

(2) The Issuer shall next simultaneously, on the first day of each month, transfer from the Revenue Fund (i) to the National Finance Office the amount required by the Prior Resolutions to make the interest payments on the Series 1995 Bonds; and (ii) to the Commission the amounts required by Prior Resolutions to make interest payments on the Series 1986 A Bonds, Series 1990 A Bonds and Series 2010 A Bonds.

(3) The Issuer shall next simultaneously, on the first day of each month, transfer from the Revenue Fund and remit (i) to the National Finance Office the amount required by Prior Resolutions to pay the principal on the Series 1995 Bonds; (ii) to the Commission the amount required by the Prior Resolutions to pay the principal of the Series 1986 A Bonds, Series 1990 A Bonds, Series 2003 A Bonds, Series 2003 B Bonds, Series 2008 A Bonds and Series 2010 A Bonds; and (iii) to the Commission commencing 4 months prior to the first date of payment of principal of the Series 2016 A Bonds, for deposit in the Series 2016 A Bonds Sinking Fund, an amount equal to 1/3rd of the amount of principal which will mature and become due on the Series 2016 A Bonds on the next ensuing quarterly principal payment date; provided, that in the event the period to elapse between the date of such initial deposit in the Series 2016 A Bonds Sinking Fund and the next quarterly principal payment date is less than 4 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit (i) to the Depository Bank the amount required by Prior Resolutions for deposit in the Reserve Fund for the Series 1995 Bonds; (ii) to the Commission the amounts required by the Prior Resolutions to be deposited in the respective Reserve Accounts for the Series 1986 A Bonds, Series 1990 A Bonds, Series 2003 A Bonds, Series 2003 B Bonds, Series 2008 A Bonds and Series 2010 A Bonds; and (iii) to the Commission the amounts required by the Series 2016 A

Bonds Resolution to be deposited in the Series 2016 A Bonds Reserve Account.

(5) The Issuer shall next, on the first day of each month, from the monies remaining in the Revenue Fund, transfer to the Renewal and Replacement Fund, a sum equal to 2 ½% of the Gross Revenues each month (as previously set forth in the Prior Resolutions and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and to the Commission the amount required by the Prior Resolutions to pay the principal of the Series 1986 B Bonds and Series 1990 B Bonds.

(7) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Commission for deposit in the Series 1986 B Bonds Reserve Account and the Series 1990 B Bonds Reserve Account, the amounts required by the Prior Resolutions.

Monies in the Series 2016 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 2016 A Bonds as the same shall become due. Monies in the Series 2016 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the Series 2016 A Bonds, as the same shall come due, when other monies in the Series 2016 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on monies in the Series 2016 A Bonds Sinking Fund and the Series 2016 A Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2016 Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2016 A Bonds and then to the next ensuing principal payment due thereon, all on a pro rata basis.

Any withdrawals from the Series 2016 A Bonds Reserve Account which result in a reduction in the balance therein to below the Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2016 Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in an amount equal to the requirement thereof.

The Issuer shall not be required to make any further payments into the Series 2016 A Bonds Sinking Fund or the Series 2016 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the respective aggregate principal amount of the Series 2016 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2016 Bonds and the First Lien Bonds in accordance with the respective principal amounts then Outstanding.

The Issuer may designate another bank or trust company insured by FDIC as Depository Bank if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the DEP and the Authority.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2016 A Bonds Sinking Fund and the Series 2016 A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. The Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the Series 2016 A Bonds Sinking Fund and the Series 2016 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2016 A Bonds Sinking Fund and the Series 2016 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2016 A Bonds under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest, if any, and reserve account payments with respect to the Series 2016 A Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited. The Issuer shall also on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the SRF Administrative Fee as set forth in the Schedule Y attached to the Bond Purchase Agreement for the Series 2016 Bonds.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Bond Purchase Agreement, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the respective parties shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The monies in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. The Gross Revenues of the System shall only be used for purposes of the System.

D. As the Issuer receives advances of the remaining monies derived from the sale of the Series 2016 B Bonds, such monies shall be deposited with the Depository Bank in the Series 2016 Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2016 B Bonds.

Except as provided in Section 6.01 hereof, disbursements from the Series 2016 A Bonds and Series 2016 B Bonds deposited in the Series 2016 Bonds Construction Trust Fund shall be made only after submission to and approval from the DEP, of a completed and signed "Payment Requisition Form," a form of which is attached to the Bond Purchase Agreement for the Series 2016 A Bonds and Series 2016 B Bonds, in compliance with the construction schedule, and

Pending such application, monies in the Series 2016 Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

## **ARTICLE VII**

### **ADDITIONAL COVENANTS OF THE ISSUER**

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2016 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2016 Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2016 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional,

statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Positions with Respect to Bonds. The payment of the debt service of all the Series 2016 Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the First Lien Bonds and senior and prior to the Second Lien Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2016 Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and shall provide an opinion of counsel to the Issuer of such effect. Such rates and charges shall be sufficient to comply with the requirements of the Bond Purchase Agreement and the Issuer shall supply a certificate of certified public accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the rate resolution duly adopted by the Issuer on March 16, 2016, to be effective June 5, 2016 and approved by The County Commission of Harrison County on April 21, 2016.

So long as the Series 2016 Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Bond Purchase Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2016 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement.

Section 7.05. Sale of the System. So long as the Series 2016 Bonds and the Prior Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2016 Bonds, immediately be remitted to the Commission for deposit in the Sinking Funds, and, with the written permission of the DEP and the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2016 Bonds. Any balance remaining after the payment of the Series 2016 Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2016 Bonds and the Prior Bonds. All obligations issued by the Issuer after the issuance of the Series 2016 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2016 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2016 Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2016 Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the DEP and the Authority prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolution shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2016 Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and without complying with the conditions and requirements herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2016 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions extensions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The “estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years,” as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer and approved by the Public Service Commission of West Virginia, the time for appeal of which shall have expired prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the time for appeal of which shall have expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their

issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 2016 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2016 Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from

time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2016 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2016 Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit in the Series 2016 A Bonds Reserve Account, and the reserve accounts for obligations on a parity with or junior to the Series 2016 Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal to at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2016 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2016 Bonds, including the Prior Bonds. 4.1 The Local Government shall, as one of the conditions of the Authority and DEP to purchase the Local Bonds, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Local Government in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues will be used monthly, in the order of priority listed below:

(i) to pay Operating Expenses of the System;

(ii) to the extent not otherwise limited by any outstanding loan resolution, indenture or other act or document and beginning on the date set forth in Schedule X, to provide debt service on the Local Bonds by depositing in a sinking fund one-third (1/3) of the interest payment next coming due on the Local Bonds and one-third (1/3) of the principal payment next coming due on the Local Bonds and, beginning three (3) months prior to the first date of payment of principal of the Local Bonds, if the reserve account for the Local Bonds (the "Reserve Account") was not funded from proceeds of the Local Bonds or otherwise concurrently with the issuance thereof in an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement"), by depositing in the Reserve Account an amount not less than one-twelfth (1/12) of one-tenth (1/10) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided, that if the Local Government has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by a pledge of either the net or gross revenues of the System as provided in the Local Act;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Local Government shall complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or the SRF Regulations, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole or substantially as a whole, provided that the net proceeds to be realized from such sale, mortgage, lease or other disposition shall be sufficient to fully pay all of the Local Bonds outstanding and further provided that portions of the System when no longer required for the ongoing operation of such System as evidenced by certificates from the Consulting Engineer, may be disposed of with such restrictions as are normally contained in such covenants;

(v) That the Local Government shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and DEP; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Local Government will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Local Government will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Local Government under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law and all rights as set forth in Section 5 of the Act;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Local Government will not grant any franchise to provide any services which would compete with the System;

(xi) That the Local Government shall annually cause the records of the System to be audited in accordance with 2 CFR 200 Subpart F (or any successor

thereto) or the laws of the State by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and DEP, which report shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the Local Government's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, except for accrued interest and capitalized interest, if any, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Local Government and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim financing of such Local Government, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the Authority and DEP, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Local Government may authorize redemption of the Local Bonds with 30 days written notice to the Authority and DEP, and with the prior written consent of the Authority and DEP;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for all Local Bonds;

(xvii) That the Local Government shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Local Government shall complete the Monthly Payment Form, attached hereto as Exhibit F and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month;

(xviii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Local Government will furnish to the Authority,

annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Local Government shall have obtained the certificate of the Consulting Engineers to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority and DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and DEP is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and State laws for construction of the Project have been obtained;

(xx) That the Local Government shall, to the full extent permitted by applicable law and the rules and regulations of the PSC, terminate the services of any water facility owned by it to any customer of the System who is delinquent in payment of charges for services provided by the System and will not restore the services of the water facility until all delinquent charges for the services of the System have been fully paid or, if the water facility is not owned by the Local Government, then the Local Government shall enter into a termination agreement with the water provider; and

(xxi) That the Local Government shall submit all proposed change orders to the DEP for approval. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds held in "contingency" as set forth in the final Schedule A attached to the certificate of the Consulting Engineer. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds available due to bid/construction/project underruns.

The Local Government hereby represents and warrants that the Local Act has been or shall be duly adopted or enacted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, validity, sale and delivery of the Local Bonds shall be approved without qualification by nationally recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit G.

4.2 The Local Bonds shall be secured by the pledge and assignment by the Local Government, as effected by the Local Act, of the fees, charges and other revenues of the Local Government from the System.

4.3 At least two percent (2%) of the proceeds of the Local Bonds will be advanced on the Date of Closing. The remaining proceeds of the Local Bonds shall be advanced by the DEP monthly as required by the Local Government to pay Costs of the Project, provided, however, if the proceeds of the Local Bonds will be used to repay an interim financing, the proceeds will be advanced on a schedule mutually agreeable to the Local Government, the DEP and the Authority. The Local Bonds shall not bear interest during the construction period but interest shall commence accruing on the completion date as defined in the SRF Regulations, provided that the annual repayment of principal and payment of interest shall begin not later than

one (1) year after the completion date. The repayment of principal and interest on the Local Bonds shall be as set forth on Schedule Y hereto. In no event shall the interest rate on or the net interest cost of the Local Bonds exceed any statutory limitation with regard thereto.

4.4 The Local Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Local Government. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series.

4.5 As provided by the SRF Regulations, the Local Government agrees to pay from time to time, if required by the Authority and DEP, the Local Government's allocable share of the reasonable administrative expenses of the Authority relating to the Program. Such administrative expenses shall be determined by the Authority and shall include, without limitation, Program expenses, legal fees paid by the Authority and fees paid to the trustee and paying agents for any bonds or notes to be issued by the Authority for contribution to the Fund and the fees and expenses of any corporate trustee for the Fund.

4.6 The obligation of the Authority to purchase the Local Bonds shall be conditioned upon the availability of moneys in the Fund in such amount and on such terms and conditions as, in the sole judgment of the Authority, will enable it to purchase the Local Bonds.

## ARTICLE V

### Certain Covenants of the Local Government; Imposition and Collection of User Charges; Payments To Be Made by Local Government to the Authority

5.1 The Local Government hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this Bond Purchase Agreement and the Local Act. The Local Government hereby further irrevocably covenants and agrees that, as one of the conditions of the Authority to purchase the Local Bonds, it has fixed and collected, or will fix and collect, the rates, fees and other charges for the use of the System and will take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and in compliance with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof.

5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds shall prove to be insufficient to produce the required sums set forth in the Local Act and this Bond Purchase Agreement, the Local Government hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges (or where applicable, immediately file with the PSC for a rate increase) and take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and this Bond Purchase Agreement.

5.3 In the event the Local Government defaults in any payment due to the Authority pursuant to this Bond Purchase Agreement, the amount of such default shall bear interest at the interest rate of the installment of the Local Bonds next due, from the date of the default until the date of the payment thereof.

5.4 The Local Government hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Local Government, the Authority may exercise any or all of the rights and powers granted under Section 5 of the Act, including, without limitation, the right to impose, enforce and collect charges of the System.

## ARTICLE VI

### Other Agreements of the Local Government

6.1 The Local Government hereby acknowledges to the Authority and DEP its understanding of the provisions of the Act, vesting in the Authority and DEP certain powers, rights and privileges with respect to wastewater treatment projects in the event of default by the Local Government in the terms and covenants of this Bond Purchase Agreement, and the Local Government hereby covenants and agrees that, if the Authority should hereafter have recourse to said rights and powers, the Local Government shall take no action of any nature whatsoever calculated to inhibit, nullify, void, delay or render nugatory such actions of the Authority in the due and prompt implementation of this Bond Purchase Agreement.

6.2 The Local Government hereby warrants and represents that all information provided to the Authority and DEP in this Bond Purchase Agreement, in the Application or in any other application or documentation with respect to financing the Project was at the time, and now is, true, correct and complete, and such information does not omit any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Prior to the Authority's purchasing and receiving the Local Bonds, the Authority and DEP shall have the right to cancel all or any of their obligations under this Bond Purchase Agreement if (a) any representation made to the Authority and DEP by the Local Government in connection with the issuance of the Local Bonds shall be incorrect or incomplete in any material respect or (b) the Local Government has violated any commitment made by it in its Application or in any supporting documentation or has violated any of the terms of the Act, the SRF Regulations or this Bond Purchase Agreement.

6.3 The Local Government hereby agrees to repay on or prior to the Date of Closing any moneys due and owing by it to the Authority or any other lender for the planning or design of the Project.

6.4 The Local Government hereby covenants that it will rebate any amounts required by Section 148 of the Internal Revenue Code of 1986, as amended, and will take all steps necessary to make any such rebates. In the event the Local Government fails to make any such rebates as required, then the Local Government shall pay any and all penalties, obtain a waiver from the Internal Revenue Service and take any other actions necessary or desirable to

preserve the exclusion from gross income for federal income tax purposes of interest on the Local Bonds.

6.5 Notwithstanding Section 6.4, the Authority and DEP may at any time, in their sole discretion, cause the rebate calculations prepared by or on behalf of the Local Government to be monitored or cause the rebate calculations for the Local Government to be prepared, in either case at the expense of the Local Government.

6.6 The Local Government hereby agrees to give the Authority and DEP prior written notice of the issuance by it of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project or otherwise related to the Project or the System.

6.7 The Local Government hereby agrees to file with the Authority and DEP upon completion of acquisition and construction of the Project a schedule in substantially the form of Amended Schedule A to the Application, setting forth the actual costs of the Project and sources of funds therefor.

## ARTICLE VII

### Miscellaneous

7.1 Schedules X and Y shall be attached to this Bond Purchase Agreement by the Authority as soon as practicable after the Date of Closing is established and shall be approved by an official action of the Local Government supplementing the Local Act, a certified copy of which official action shall be submitted to the Authority.

7.2 If any provision of this Bond Purchase Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Bond Purchase Agreement, and this Bond Purchase Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.3 This Bond Purchase Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Bond Purchase Agreement.

7.4 No waiver by any party of any term or condition of this Bond Purchase Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Bond Purchase Agreement.

7.5 This Bond Purchase Agreement supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Local Bonds and constitutes the entire agreement between the parties hereto in respect thereof.

7.6 By execution and delivery of this Bond Purchase Agreement, notwithstanding the date hereof, the Local Government specifically recognizes that it is hereby agreeing to sell its Local Bonds to the Authority and that such obligation may be specifically enforced or subject to a similar equitable remedy by the Authority.

7.7 This Bond Purchase Agreement shall terminate upon the earlier of:

(i) written notice of termination to the Local Government from either the Authority or DEP; or

(ii) payment in full of the principal of and interest on the Local Bonds and of any fees and charges owed by the Local Government to the Authority or DEP; provided that the amount of the Local Bonds purchased under this Bond Purchase Agreement in any succeeding fiscal year is contingent upon funds being appropriated by the State legislature or otherwise being available to purchase the Local Bonds. In the event funds are not appropriated or otherwise available to purchase all of the Local Bonds, the responsibility of the Authority and DEP to purchase the Local Bonds is terminated; provided further that the obligation of the Local Government to repay the outstanding amount of the Local Bonds is not terminated due to such non-funding on any balance of the Local Bonds. The DEP agrees to use its best efforts to have the amount contemplated under this Bond Purchase Agreement included in its budget. Non-appropriation or non-funding of the Loan shall not be considered an event of default under this Bond Purchase Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Bond Purchase Agreement to be executed by their respective duly authorized officers as of the date executed below by the Authority.

## INSTRUCTIONS FOR COMPLETING MONTHLY FINANCIAL REPORT

- Item 1 You will need a copy of the current fiscal year budget adopted by the Local Government to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ( $\$1,200/12$ ). This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ( $\$900/12$ ). This is the incremental amount for the Budget Year-to-Date column.
- Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Local Government according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.
- Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Government.

**The Local Government must complete the Monthly Financial Report and forward it to the Water Development Authority by the 20<sup>th</sup> day of each month, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project.**

The Local Bonds are issued in the principal amount of \$ \_\_\_\_\_, in the form of one bond, registered as to principal only to the Authority, with principal payable quarterly on March 1, June 1, September 1, and December 1 of each year, beginning \_\_\_\_\_ 1, \_\_\_\_\_, and ending \_\_\_\_\_ 1, \_\_\_\_\_, all as set forth in the "Schedule Y" attached to the Bond Purchase Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) \_\_\_\_\_, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of \_\_\_\_\_ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond \_\_\_\_\_ duly adopted or enacted by the Local Government on \_\_\_\_\_, as supplemented by the supplemental resolution duly adopted by the Local Government on \_\_\_\_\_ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Bond Purchase Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Bond Purchase Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Bond Purchase Agreement has been duly authorized by and executed on behalf of the Local Government and is a valid and binding special obligation of the Local Government, enforceable in accordance with the terms thereof.

2. The Bond Purchase Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Local Government without the consent of the Authority and the DEP.

3. The Local Government is a duly organized and validly existing \_\_\_\_\_, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Local Government and constitute valid and binding obligations of the Local Government, enforceable against the Local Government in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Bond Purchase Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Government to the Authority and are valid, legally enforceable and binding special obligations of the Local Government, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. Under the Act, the Local Bonds and any interest thereon are exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

Re: Greater Harrison County PSD

Binding Commitment

Dear Mr. Hoover:

This letter is to confirm our intention of providing the long-term financing through the Clean Water State Revolving Fund Program for the District's wastewater improvement project. The project will consist of the installation of Biodome units within the polishing pond of the existing 0.60 MGD wastewater treatment plant.

We are hereby committing an amount of \$2,835,000 which contains two loan components. A repayable loan of \$2,335,000 will be issued at 0 % interest, ½ % annual administrative fee for a term of 38 years. A forgivable loan in the amount of \$500,000 may also be assumed because the project qualifies for a "green" designation under the CWSRF program. The PSD qualifies for these terms as long as the 4,000 gallon average sewer rate is equal to or greater than \$57.15 (1.75% MHI). The final loan amount may be adjusted after receipt of bids and a formal application is submitted.

If the District's bonds have not been issued to the Fund prior to October 12, 2016, it is understood that the Fund reserves the right to discontinue processing the District's application on that day, and will have no further responsibilities or obligations hereunder.

Charleston, West Virginia

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Greater Harrison County Public Service District (the "Issuer"), a public service district, public corporation and political subdivision created and existing under the laws of the State of West Virginia, of its \$2,496,500 Sewer Revenue Bonds, Series 2016 A (West Virginia SRF Program), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a Bond Purchase Agreement dated July 20, 2016, including all schedules and exhibits attached thereto (the "Bond Purchase Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Bond Purchase Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal only to the Authority, bearing no interest, with principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing September 1, 2017, to and including June 1, 2055 all as set forth in the "Schedule Y" attached to the Bond Purchase Agreement and incorporated in and made a part of the Bonds. The SRF Administrative Fee of 0.5% shall also be payable quarterly on March 1, June 1, September 1 and December 1 of each year commencing September 1, 2017 as set forth in the "Schedule Y" attached to the Bond Purchase Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the

purposes of (i) paying a portion of the costs of acquisition and construction of improvements and extensions to the existing public sewerage system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Bond Resolution duly adopted by the Issuer on June 29, 2016, as supplemented by a Supplemental Resolution duly adopted by the Issuer on June 29, 2016 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the Bond Purchase Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Bond Purchase Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Bond Purchase Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district, public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Bond Purchase Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the DEP and cannot be amended by the Issuer so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.

3. The Bond Legislation and all other necessary orders and resolutions have been duly and effectively adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 and Exhibit E of the Bond Purchase Agreement.

The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's: (i) Sewer Revenue Bonds, Series 1986 A (West Virginia Water Development Authority), dated November 6, 1986, issued in the original aggregate principal amount of \$1,758,771, under its prior name Grant-Union Public Service District (the "Series 1986 A Bonds"); (ii) Sewer Revenue Bonds, Series 1990 A (West Virginia Water Development Authority), dated April 6, 1990, issued in the original aggregate principal amount of \$285,908, under its prior name Grant-Union Public Service District (the "Series 1990 A Bonds"); (iii) Sewer Revenue Bonds, Series 1995 (United States Department of Agriculture), dated April 18, 1995, issued in the original aggregate principal amount of \$432,000, assumed as a result of a merger with Mount Clare Road Public Service District (the "Series 1995 Bonds"); (iv) Sewer Revenue Bonds, Series 2003 A (West Virginia SRF Program), dated June 26, 2003, issued in the original aggregate principal amount of \$1,981,165 (the "Series 2003 A Bonds"); (v) Sewer Revenue Bonds, Series 2003 B (West Virginia Infrastructure Fund), dated June 26, 2003, issued in the original aggregate principal amount of \$4,130,000 (the "Series 2003 B Bonds"); (vi) Sewer Revenue

Bonds, Series 2008 A (West Virginia Infrastructure Fund), dated October 27, 2008, issued in the original aggregate principal amount of \$943,506 (the "Series 2008 A Bonds"); (vii) Sewerage System Design Revenue Bonds, Series 2010 A (West Virginia Water Development Authority), dated June 24, 2010, issued in the original aggregate principal amount of \$878,500 (the "Series 2010 A Bonds") (collectively, the "First Lien Bonds") and (viii) Sewer Revenue Bonds, Series 2016 B (West Virginia SRF Program/Green), dated July 20, 2016, issued concurrently herewith in the original aggregate principal amount of \$500,000 (the "Series 2016 B Bonds") and senior and prior to the Issuer's: (i) Sewer Revenue Bonds, Series 1986 B (West Virginia Water Development Authority), dated November 6, 1986, issued in the original aggregate principal amount of \$431,387, under its prior name Grant-Union Public Service District (the "Series 1986 B Bonds"); and (ii) Sewer Revenue Bonds, Series 1990 B (West Virginia Water Development Authority), dated April 6, 1990, issued in the original aggregate principal amount of \$13,342, under its prior name Grant-Union Public Service District (the "Series 1990 B Bonds" and, together with the Series 1986 B Bonds, the "Second Lien Bonds"); all in accordance with the terms of the Bonds and the Bond Legislation.

4. The Bonds are, under the Act, exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

5. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Bond Purchase Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

Ladies and Gentlemen:

I am counsel to Greater Harrison County Public Service District in Harrison County, West Virginia (the "Issuer"). As such counsel, I have examined copies of the approving opinions of Steptoe & Johnson PLLC, as bond counsel, a Bond Purchase Agreement for the Bonds dated July 20, 2016, including all schedules and exhibits attached thereto, by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP") (the "Bond Purchase Agreement"), a Bond Resolution duly adopted by the Issuer on June 29, 2016, as supplemented by a Supplemental Resolution duly adopted by the Issuer on June 29, 2016 (collectively, the "Bond Legislation"), and other documents relating to the above-captioned Bonds of the Issuer (the "Bonds"). All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Bond Legislation and the Bond Purchase Agreement when used herein.

I am of the opinion that:

1. The Issuer has been duly created and is validly existing as a public service district and as a public corporation and political subdivision of the State of West Virginia.
2. The Bond Purchase Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the other parties thereto, constitutes a valid and binding agreement of the Issuer, enforceable in accordance with its terms.
3. The members and officers of the Public Service Board of the Issuer have been duly, lawfully and properly appointed and elected, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer. The Bond Legislation has been duly adopted and enacted by the Issuer and is in full force and effect.

4. The execution and delivery of the Bonds and the Bond Purchase Agreement and the consummation of the transactions contemplated by the Bonds, the Bond Purchase Agreement and the Bond Legislation and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, court order or consent decree to which the Issuer is subject.

5. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders and approvals from the DEP and the Public Service Commission of West Virginia and has taken any other action required for the imposition of such rates and charges, including, without limitation, the enactment of a sewer ordinance prescribing such sewer rates and charges dated March 16, 2016. The ordinance remains in full force and effect.

6. To the best of my knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Bond Purchase Agreement, the Bond Legislation, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds or the collection or pledge of the Net Revenues therefore.

7. I have ascertained that all successful bidders have provided the drug-free workplace affidavit, submitted their drug-free workplace plan and the contracts contain language that complies with the Drug-Free Workplace Act, Article 1D, Chapter 21 of the West Virginia Code. I have also ascertained that all successful bidders have made required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy. Based upon my review of the submitted bids, the surety bonds or other evidence of insurance coverage in connection with the bids, we are of the opinion that such surety bonds and policies (1) are in compliance with the project bidding specifications and requirements; (2) are adequate in form, substance and amount to protect the various interests of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Bond Legislation and the Bond Purchase Agreement; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Sincerely,

STEPTOE & JOHNSON PLLC

Re: Final Title Opinion for Tracts and rights of way for the  
Greater Harrison County Public Service District Waste  
Water Treatment Plant situated in Union-West Milford  
District, Harrison County, West Virginia.

Ladies and Gentlemen:

We are counsel to the Greater Harrison County Public Service District (the "Issuer") in connection with a proposed 0.60MGD Waste Water Treatment Plant Upgrade (the "Project"). We provide this final title opinion on behalf of the Issuer to satisfy the requirements of the West Virginia Department of Environmental Protection (the "DEP") for the Project. Please be advised of the following:

1. This opinion encompasses all those tracts and parcels of land upon which the Waste Water Treatment Plant subject to the Project is located and being more particularly described as:
  - a. A tract measuring approximately 0.777 acres and rights of way described in the Order of record in Deed Book No. 1172 at page 872, Union-West Milford District, Harrison County, West Virginia;

---

(304) 626-1100		(304) 636-3553		(304) 329-077		(304) 422-7193

- b. A tract measuring approximately 8.482 acres and rights of way described in the Order of record in Deed Book No. 1176 at page 112, Union-West Milford District, Harrison County, West Virginia;
- c. Two tracts measuring approximately 1.183 acres and 18' wide described in the Oder of record in Deed Book No. 1568 at page 181, Union-West Milford District, Harrison County, West Virginia; and,
- d. A tract measuring approximately tract measuring approximately 2.877 acres and rights of way described in the Order of record in Deed Book No. 1174 at page 506, Union-West Milford District, Harrison County, West Virginia.

2. We are of the opinion that the Issuer is a duly created and validly existing Public Service District possessed with all the powers and authority granted to Public Service Districts under the laws of the State of West Virginia to construct, operate and maintain the Project as approved by the DEP.

3. The Issuer has obtained all necessary permits and approvals for the construction of the Project.

4. We have investigated and ascertained the location of, and are familiar with the legal description of, the necessary sites, including easements and/or rights of way, required for the Project as set forth in the plans for the Project prepared by The Thrasher Group, Inc., the consulting engineers for the Project.

5. We have examined the records on file in the Office of the Clerk of the County Commission of Harrison County, West Virginia, the county in which the Project is to be located, and, in our opinion, the Issuer has acquired legal title or such other estate or interest in all of the necessary site components for the Project, including all easements and/or rights of way, with the exception of those listed in Paragraph 5, sufficient to assure undisturbed use and possession for the purpose of construction, operation and maintenance for the estimated life of the Project.

6. The following listed properties are to be acquired by eminent domain and the necessary filings have been made in the Office of the Clerk of the Circuit Court of Harrison County, West Virginia, to permit the Issuer a right-of-entry for the purpose of construction, operation and maintenance of the Project on the subject properties. The Issuer's title thereto is defeasible in the event the Issuer does not satisfy any resulting judgment and/or award in the proceedings for acquisition of said properties, and our certification is subject to the following pending litigation:

Name	Tax Map	Parcel
------	---------	--------

No eminent domain proceedings are required for the Project.

7. All deeds, easements and rights of way which have been acquired to date by the Issuer have been duly recorded in the Office of the Clerk of the County Commission of Harrison County to protect the legal title to and interest of the Issuer.

Very truly yours,

A handwritten signature in black ink, appearing to read "Sam H. Harrold, III". The signature is fluid and cursive, with a long, sweeping tail that extends to the right.

The costs thereof, including costs of any properties which may have to be acquired by condemnation, are, in the opinion of all the undersigned, within the ability of the Issuer to pay for the same without jeopardizing the security of or payments on the Series 2016 Bonds.

8. MEETINGS, ETC.: All actions, ordinances, resolutions, orders and agreements taken by and entered into by or on behalf of the Issuer in any way connected with the issuance of the Series 2016 Bonds and the acquisition, construction, operation and financing of the Project and the System were authorized or adopted at regular or special meetings of the Governing Body of the Issuer duly and regularly called and held pursuant to the Rules of Procedure of the Governing Body and all applicable statutes, including, particularly and without limitation, Chapter 6, Article 9A of the West Virginia Code of 1931, as amended, and a quorum of duly elected or appointed, as applicable, qualified and acting members of the Governing Body was present and acting at all times during all such meetings. All notices required to be posted and/or published were so posted and/or published.

9. All insurance for the System required by the Bond Legislation and Bond Purchase Agreement is in full force and effect.

10. BOND PURCHASE AGREEMENT: As of the date hereof, (i) the representations of the Issuer contained in the respective Bond Purchase Agreement are true and correct in all material respects as if made on the date hereof; (ii) the Bond Purchase Agreement does not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; (iii) to the best knowledge of the undersigned, no event affecting the Issuer has occurred since the dates of the Bond Purchase Agreement which should be disclosed for the purpose for which it is to be used or which it is necessary to disclose therein in order to make the statements and information in the Bond Purchase Agreement not misleading; and (iv) the Issuer is in compliance with all covenants, terms and representations in the Bond Purchase Agreement.

The Issuer shall notify the Authority and the Council of any proposed bond indebtedness secured by the revenues of the System.

11. INSURANCE. The Issuer will maintain or, as appropriate, will require all contractors to maintain workers' compensation, public liability, property damage insurance, standard hazard insurance, builder's risk insurance, flood insurance and business interruption insurance, where applicable, in accordance with the Bond Legislation and the Bond Purchase Agreement. All insurance for the System required by the Bond Legislation and the Bond Purchase Agreement are in full force and effect.

13. RATES: The Issuer has adopted a resolution on March 16, 2016 prescribing such rates and charges. The rates will be effective when the Project is substantially complete. Since the Issuer satisfies the customer and gross revenue thresholds of West Virginia Code Section 16-13A-9, the Public Service Commission of West Virginia (the "PSC") does not have any regulatory authority over the Issuer's rates and charges. The rates were approved by the board of the Issuer on March 16, 2016, to be effective June 5, 2016 and approved by The County Commission of Harrison County on April 21, 2016.

14. PUBLIC SERVICE COMMISSION: Since the Issuer satisfies the customer and gross revenue thresholds for West Virginia Code Section 24-2-11, the Issuer is no longer required to obtain a certificate of public convenience and necessity from the PSC prior to the construction of additions, betterments and improvements for the System. The Issuer may issue bonds and undertake construction projects without PSC oversight. The Issuer has adopted a Project Resolution dated March 16, 2016 pursuant to 24-2-11.

18. CONFLICT OF INTEREST: No officer or employee of the Issuer has a substantial financial interest, direct, indirect or by reason of ownership of stock in any corporation, in any

contract with the Issuer or in the sale of any land, materials, supplies or services to the Issuer or to any contractor supplying the Issuer, relating to the Series 2016 Bonds, the Bond Legislation and/or the Project, including, without limitation, with respect to the Depository Bank. For purposes of this paragraph, a “substantial financial interest” shall include, without limitation, an interest amounting to more than 5% of the particular business enterprise or contract.

Ladies and Gentlemen:

Based upon the rate resolution duly adopted on March 16, 2016, to be effective June 5, 2016 and approved by the County Commission of Harrison County on April 21, 2016 and the current operation and maintenance expenses and customer usage as furnished to us by Greater Harrison County Public Service District (the "Issuer"), it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the sewerage system (the "System") of the Issuer, will pay all repair, operation and maintenance expenses of the System and leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Issuer's Sewer Revenue Bonds, Series 2016 A (West Virginia SRF Program), dated July 20, 2016, issued in the aggregate principal amount of \$2,496,500, (the "Series 2016 A Bonds"), and all other obligations secured by a lien on or payable from such revenues, including the Issuer's:

(i) Sewer Revenue Bonds, Series 1986 A (West Virginia Water Development Authority), dated November 6, 1986, issued in the original aggregate principal amount of \$1,758,771, under its prior name Grant-Union Public Service District (the "Series 1986 A Bonds");

(ii) Sewer Revenue Bonds, Series 1986 B (West Virginia Water Development Authority), dated November 6, 1986, issued in the original aggregate principal amount of \$431,387, under its prior name Grant-Union Public Service District (the "Series 1986 B Bonds");

(iii) Sewer Revenue Bonds, Series 1990 A (West Virginia Water Development Authority), dated April 6, 1990, issued in the original aggregate principal amount of \$285,908, under its prior name Grant-Union Public Service District (the "Series 1990 A Bonds");

(iv) Sewer Revenue Bonds, Series 1990 B (West Virginia Water Development Authority), dated April 6, 1990, issued in the original aggregate principal amount of \$13,342, under its prior name Grant-Union Public Service District (the "Series 1990 B Bonds");

(v) Sewer Revenue Bonds, Series 1995 (United States Department of Agriculture), dated April 18, 1995, issued in the original aggregate principal amount of \$432,000, assumed as a result of a merger with Mount Clare Road Public Service District (the "Series 1995 Bonds");

(vi) Sewer Revenue Bonds, Series 2003 A (West Virginia SRF Program), dated June 26, 2003, issued in the original aggregate principal amount of \$1,981,165 (the "Series 2003 A Bonds");

(vii) Sewer Revenue Bonds, Series 2003 B (West Virginia Infrastructure Fund), dated June 26, 2003, issued in the original aggregate principal amount of \$4,130,000 (the "Series 2003 B Bonds");

(viii) Sewer Revenue Bonds, Series 2008 A (West Virginia Infrastructure Fund), dated October 27, 2008, issued in the original aggregate principal amount of \$943,506 (the "Series 2008 A Bonds"), (collectively, hereinafter be referred to as the "Prior Bonds").

It is further our opinion that (i) the Net Revenues for the Fiscal Year following the year in which the Series 2016 A Bonds are issued will not be less than 120% of the average annual debt service on the Series 2016 A Bonds and the Prior Bonds and (ii) the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Series 2016 A Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2016 A Bonds, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Series 2016 A Bonds and the Prior Bonds.

Sincerely,

*Bennett & Dobbins PLLC*

CERTIFICATE AS TO USE OF PROCEEDS

The undersigned Chairman of the Public Service Board of Greater Harrison County Public Service District in Harrison County, West Virginia (the "Issuer"), being one of the officials of the Issuer duly charged with the responsibility for the issuance of \$2,496,500 Sewer Revenue Bonds, Series 2016 A (West Virginia SRF Program), and \$500,000 Sewer Revenue Bonds, Series 2016 B (West Virginia SRF Program/Green), of the Issuer, both dated July 20, 2016 (collectively, the "Bonds"), hereby certify this 20th day of July, 2016 as follows:

2. This certificate may be relied upon as the certificate of the Issuer.

3. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on July 20, 2016, the date on which the Bonds are being physically delivered in exchange for an initial advance of \$241,881, being a portion of the principal amount of the Series 2016 A Bonds and \$-0-, being a portion of the principal amount of the Series 2016 B Bonds, and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

4. In the Bond Resolution pursuant to which the Bonds are issued, the Issuer has covenanted that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Internal Revenue Code of 1986, as amended, and the temporary and permanent regulations promulgated thereunder or under any predecessor thereto (collectively, the "Code"), issued by the West Virginia Water Development Authority (the "Authority") or the West Virginia Department of Environmental Protection (the "DEP"), as the case may be, from which the proceeds of the Bonds are derived, to lose their status as tax-exempt bonds. The Issuer hereby covenants to take all actions necessary to comply with such covenant.

5. The Series 2016 A Bonds were sold on July 20, 2016, to the Authority, pursuant to a Bond Purchase Agreement dated July 20, 2016, by and among the Issuer, the Authority and the DEP, for an aggregate purchase price of \$2,496,500 (100% of par), at which time, the Issuer received \$241,881 from the Authority and the DEP, being the first advance of the principal amount of the Series 2016 A

No accrued interest has been or will be paid on the Series 2016 B Bonds. The balance of the principal amount of the Series 2016 B Bonds will be advanced to the Issuer as acquisition and construction of the Project progresses.

7. The Series 2016 A Bonds are being delivered simultaneously with the delivery of this certificate and are issued for the purposes of (i) paying a portion of the costs of acquisition and construction of improvements and extensions to the existing public sewerage system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

8. The Series 2016 B Bonds are being delivered simultaneously with the delivery of this certificate and are issued for the purposes of (i) paying a portion of the costs of acquisition and construction of the Project; and (ii) paying certain costs of issuance and related costs.

9. Within 30 days after the delivery of the Bonds, the Issuer shall enter into agreements which require the Issuer to expend at least 5% of the net sale proceeds of the Bonds on the Project, constituting a substantial binding commitment.
