BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF GREATER MARION PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Greater Marion Public Service District (the "Issuer") is a public service district and a public corporation and political subdivision of the State of West Virginia in Marion County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed improvements and extensions to the existing public sewerage system of the Issuer, consisting of replacement of the existing vacuum collection system in the communities of Carolina and Idamay with a gravity collection system to convey the sewage to the City of Worthington for treatment, together with all necessary appurtenances (collectively, the "Project"), which constitute

properties for the collection, treatment, purification or disposal of liquid or solid wastes, sewage or industrial wastes (the existing public sewer facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds in the total aggregate principal amount of $3,660,759, in two series (collectively, the "Series 2013 Bonds"), being the: (1) Sewer Revenue Bonds, Series 2013 A (West Virginia SRF Program), in the aggregate principal amount of $1,663,080 (the "Series 2013 A Bonds"); and (2) Sewer Revenue Bonds, Series 2013 B (West Virginia SRF Program), in the aggregate principal amount of $1,997,679 (the "Series 2013 B Bonds"), to (i) permanently finance a portion of the costs of acquisition and construction of the Project; and (ii) pay costs of issuance and related costs. The remaining costs of the Project shall be funded from the sources set forth in Section 2.01 hereof. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2013 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Reserve Accounts (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2013 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2013 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Series 2013 A Bonds and Series 2013 B Bonds be sold to the Authority pursuant to the terms and provisions of a Bond Purchase Agreement by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection (the "DEP"), in form satisfactory to the Issuer, the Authority and the DEP, approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2013 Bonds as to liens, pledge and source of and security for payment, which obligations are designated and have the lien positions with respect to the Series 2013 Bonds as follows: (i) Sewer Revenue Bonds, Series 1999 A (West Virginia SRF Program), dated June 23, 1999, issued in the original aggregate principal amount of $400,000 (the "Series 1999 A Bonds"); (ii) Sewer Revenue Bonds, Series

1999 B (West Virginia Infrastructure Fund), dated June 23, 1999, issued in the original aggregate principal amount of $1,700,000 (the "Series 1999 B Bonds"); and (iii) Sewer Revenue Bonds, Series 2000 (West Virginia SRF Program), dated December 11, 2000, issued in the original aggregate principal amount of $400,000 (the "Series 2000 Bonds"), (collectively, the "Prior Bonds").

The Series 2013 Bonds shall be issued on a parity with the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects. The Issuer has met the coverage and parity requirements for issuance of parity bonds of the Prior Bonds and the resolutions authorizing the Prior Bonds and has substantially complied with all other parity requirements. The Issuer will (i) obtain a certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and the (ii) written consent of the Holders of the Prior Bonds to the issuance of the Series 2013 Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. The Issuer is in compliance with all the covenants of the Prior Bonds and Prior Resolutions.

H. The estimated revenues to be derived in each year following completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System and the principal of and interest, if any, on the Series 2013 Bonds and the Prior Bonds, and to make payments into all funds and accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law and the Bond Purchase Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2013 Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the Project and the financing thereof by the Council and the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2013 Bonds or such final order will not be subject to appeal or rehearing.

J. The Project has been reviewed and determined to be technically and financially feasible by the Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

The Series 2013 A Bonds shall be payable as to principal at the office of the Paying Agent, in any coin or currency which, on the dates of payment of principal is legal tender for the payment of public or private debts under the laws of the United States of America. Interest on the Series 2013 A Bonds, if any, shall be paid by check or draft of the Paying Agent mailed to the Registered Owner thereof at the address as it appears on the books of the Bond Registrar, or by such other method as shall be mutually agreeable so long as the Authority is the Registered Owner thereof.

Unless otherwise provided by the Supplemental Resolution, the Series 2013 A Bonds shall be issued in the form of a single bond for each series, fully registered to the Authority, with a record of advances and a debt service schedule attached, representing the aggregate principal amount of each series of the Series 2013 A Bonds. The Series 2013 A Bonds shall be exchangeable at the option and expense of the Registered Owner for another fully registered Bond or Bonds of the same series in aggregate principal amount equal to the amount of said Bonds then Outstanding and being exchanged, with principal installments or maturities, as applicable, corresponding to the dates of payment of principal installments of said Bonds; provided, that the Authority shall not be obligated to pay any expenses of such exchange.

Subsequent series of Bonds, if any, shall be issued in fully registered form and in denominations as determined by a Supplemental Resolution. Such Bonds shall be dated and shall bear interest as specified in a Supplemental Resolution.

Section 3.03. Execution of Bonds. The Series 2013 Bonds shall be executed in the name of the Issuer by the Chairman, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Secretary. In case any one or more of the officers who shall have signed or sealed the Series 2013 Bonds shall cease to be such officer of the Issuer before the Series 2013 Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2013 Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. The Bond Registrar for the Series 2013 Bonds shall be the bank or other entity to be designated as such in the Supplemental Resolution and its successors and assigns. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any Series 2013 Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 2013 Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting the Series 2013 Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be

conclusively deemed to have agreed that such Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as the Series 2013 Bonds remain outstanding, the Issuer, through the Bond Registrar as its agent, shall keep and maintain books for the registration and transfer of the Bonds.

The registered Series 2013 Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 2013 Bonds or transferring the registered Series 2013 Bonds are exercised, all Series 2013 Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Series 2013 Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Bond Registrar. For every such exchange or transfer of Series 2013 Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Series 2013 Bonds or, in the case of any proposed redemption of Series 2013 Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2013 Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2013 Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No holder or holders of the Series 2013 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2013 Bonds or the interest, if any, thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues; Lien Positions with Respect to Prior Bonds. The payment of the debt service of the Series 2013 A Bonds and Series 2013 B Bonds (to the extent required) shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on Net Revenues in favor of the Holders of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any,

on and other payments for the Series 2013 Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

(1) The Issuer shall first, each month, pay from the Revenue Fund all Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) the amounts required by the Prior Resolution to pay principal of the Prior Bonds; and (ii) commencing 4 months prior to the first date of payment of principal of the Series 2013 A Bonds, for deposit in the Series 2013 A Bonds Sinking Funds, an amount equal to 1/3rd of the amount of principal which will mature and become due on the Series 2013 A Bonds on the next ensuing quarterly principal payment date.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) the amounts required by the Prior Resolutions to be deposited in the Reserve Accounts with respect to the Prior Bonds; and (ii) commencing 4 months prior to the first date of payment of principal of the Series 2013 A Bonds, if not fully funded upon issuance of the Series 2013 A Bonds, for deposit in the Series 2013 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2013 A Bonds Reserve Requirement, until the amount in the Series 2013 A Bonds Reserve Account equals the Series 2013 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2013 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2013 A Bonds Reserve Requirement.

(4) The Issuer shall next, on the first day of each month, from the monies remaining in the Revenue Fund, transfer to the Renewal and Replacement Fund, a sum equal to 2 ½% of the Gross Revenues each month (as previously set forth in the Prior Resolutions and not in addition thereto), exclusive of any payments for account of any Reserve

Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

Monies in the Series 2013 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 2013 A Bonds, as the same shall become due. Monies in the Series 2013 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the Series 2013 A Bonds, as the same shall come due, when other monies in the Series 2013 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on monies in the Series 2013 A Bonds Sinking Fund and the Series 2013 A Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2013 Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2013 A Bonds, and then to the next ensuing principal payment due thereon, all on a pro rata basis.

Any withdrawals from the Series 2013 A Bonds Reserve Account which result in a reduction in the balance therein to below the Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2013 Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in an amount equal to the requirement thereof.

The Issuer shall not be required to make any further payments into the Series 2013 A Bonds Sinking Fund or the Series 2013 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2013 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

The Issuer covenants and agrees to transfer moneys in the Series 1999 A Bonds Reserve Account to the Series 2013 A Bonds Reserve Account upon maturity of the Series 1999 A Bonds. The Issuer covenants and agrees not to use the Series 1999 A Bonds Reserve Account for the final payment of the Series 1999 A Bonds.

The Issuer covenants and agrees to transfer moneys in the Series 1999 B Bonds Reserve Account to the Series 2013 A Bonds Reserve Account upon maturity of the Series 1999 B Bonds. The

Issuer covenants and agrees not to use the Series 1999 B Bonds Reserve Account for the final payment of the Series 1999 B Bonds.

The Issuer covenants and agrees to transfer moneys in the Series 2000 Bonds Reserve Account to the Series 2013 A Bonds Reserve Account upon maturity of the Series 2000 Bonds. The Issuer covenants and agrees not to use the Series 2000 Bonds Reserve Account for the final payment of the Series 2000 Bonds.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2013 A Bonds Sinking Fund and the Series 2013 A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. The Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the Series 2013 A Bonds Sinking Fund and the Series 2013 A Bonds Reserve Account, shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2013 A Bonds Sinking Fund and the Series 2013 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2013 A Bonds, under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest, if any, and reserve account payments with respect to the Series 2013 A Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited. The Issuer shall also on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the SRF Administrative Fee as set forth in the Schedule Y attached to the Bond Purchase Agreement for the Series 2013 A Bonds.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Bond Purchase Agreement, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the respective parties shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The monies in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. The Gross Revenues of the System shall only be used for purposes of the System.

B. Next, from the proceeds of the Series 2013 A Bonds, there shall be deposited with the Commission in the Series 2013 A Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding the Series 2013 A Bonds Reserve Account.

C. As the Issuer receives advances of the remaining monies derived from the sale of the Series 2013 A Bonds, such monies shall be deposited with the Depository Bank in the Series 2013 Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2013 A Bonds.

D. As the Issuer receives advances of the remaining monies derived from the sale of the Series 2013 B Bonds, such monies shall be deposited with the Depository Bank in the Series 2013 Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2013 B Bonds.

E. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2013 A Bonds and Series 2013 B Bonds shall be applied as directed by the DEP.

Payments of all Costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements from the Series 2013 A Bonds and Series 2013 B Bonds deposited in the Series 2013 Bonds Construction Trust Fund shall be made only after submission to and approval from the DEP, of a completed and signed "Payment Requisition Form," a form of which is attached to the Bond Purchase Agreement for the Series 2013 A Bonds and Series 2013 B Bonds, in compliance with the construction schedule, and

Pending such application, monies in the Series 2013 Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2013 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2013 Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2013 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Positions with Respect to Bonds. The payment of the debt service of the Series 2013 A Bonds and the Series 2013 B Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System on a parity with the lien on such Net Revenues in favor of the Holders of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2013 Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and shall provide an opinion of counsel to the Issuer of such effect. Such rates and

charges shall be sufficient to comply with the requirements of the Bond Purchase Agreement and the Issuer shall supply a certificate of certified public accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Recommended Decision of the Public Service Commission of West Virginia (the "PSC") dated September 17, 2012 which became the Final Order on October 7, 2012 in Case No. 12-0571-PSD-CN and such rates are hereby adopted.

So long as the Series 2013 Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Bond Purchase Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2013 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement.

Section 7.05. Sale of the System. So long as the Series 2013 Bonds and the Prior Bonds are outstanding and except as otherwise required by law or with the written consent of the DEP and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2013 Bonds, immediately be remitted to the Commission for deposit in the Sinking Funds, and, with the written permission of the DEP and the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2013 Bonds. Any balance remaining after the payment of the Series 2013 Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $10,000 but not in excess of $50,000, the Issuer shall first, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds

to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2013 Bonds and the Prior Bonds. All obligations issued by the Issuer after the issuance of the Series 2013 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2013 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2013 Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2013 Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the DEP and the Authority prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolution shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2013 Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the DEP and without complying with the conditions and requirements herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2013 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions extensions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed

by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer and approved by the Public Service Commission of West Virginia, the time for appeal of which shall have expired prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the time for appeal of which shall have expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 2013 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2013 Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the DEP and the Authority, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the DEP and the Authority such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the DEP and the Authority, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the DEP, the Authority, or any other original purchaser of the Series 2013 Bonds, and shall mail in each year to any Holder or Holders of the Series 2013 Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required, in compliance with the applicable OMB Circular and the Single Audit Act, or any successor thereto), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2013 Bonds, and shall submit said report to the DEP and the Authority, or any other original purchaser of the Series 2013 Bonds. Such audit report submitted to the DEP and the Authority shall include a statement that the Issuer is in

compliance with the terms and provisions of the Act, the Bond Purchase Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Bond Purchase Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the DEP and the Authority, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the DEP and the Authority, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the DEP and the Authority with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2013 Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2013 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2013 Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit in the Series 2013 A Bonds Reserve Account, and the reserve accounts for obligations on a parity with or junior to the Series 2013 Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2013 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2013 Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the DEP and the Authority within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the

System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the DEP and the Authority and to any Holder of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the DEP and the Authority and to any Holder of any Bonds, or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Bond Purchase Agreement, and forward a copy of such report to the DEP and the Authority by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Bond Purchase Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the DEP is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the DEP covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the DEP and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt. The Issuer shall submit a "Performance Certificate," a form of which is attached to the Bond Purchase Agreement for the Series 2013 Bonds as Exhibit A, to the DEP within 60 days of the end of the first year after the Project is completed.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the DEP when the Project is 90% completed. The Issuer shall at all times provide operation and maintenance of the System in compliance with all state and federal standards.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the Bond Purchase Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

INSTRUCTIONS FOR COMPLETING MONTHLY FINANCIAL REPORT

Item 1 You will need a copy of the current fiscal year budget adopted by the Local Government to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of $1,200 are anticipated to be received for the year, each month the base would be increased by $100 ($1,200/12). This is the incremental amount for the Budget Year-to-Date column.

Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of $900 are anticipated to be incurred for the year, each month the base would be increased by $75 ($900/12). This is the incremental amount for the Budget Year-to-Date column.

Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Local Government according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.

Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are $1,200, then $30 (2.5% of $1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Government.

The Local Government must complete the Monthly Financial Report and forward it to the Water Development Authority by the 20th day of each month, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Local Government on _____, as supplemented by the

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Bond Purchase Agreement has been duly authorized by and executed on behalf of the Local Government and is a valid and binding special obligation of the Local Government, enforceable in accordance with the terms thereof.

2. The Bond Purchase Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Local Government without the consent of the Authority and the DEP.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Government to the Authority and are valid, legally enforceable and binding special obligations of the Local Government, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

Re: Case No. 12-0571-PSD-CN
Greater Marion Public Service District

Dear Ms. Squire:

The September 17, 2012 Recommended Decision, which was adopted as a final order by the Commission's October 17, 2012 Commission Order, requires the Greater Marion Public Service District ("District") to file an affidavit with the Commission from the District's CPA verifying that rates will not be effected in the event project funding changes. The amount of the forgivable loan from the West Virginia Department of Environmental Protection ("DEP") has increased from the level approved in the Recommended Decision of $1,762,594 to a new total of $1,997,679.

Attached hereto please find an affidavit from the District's CPA certifying that this charge in funding will not affect the District's rates.

Very truly yours,

James V. Kelsh

CASE NO. 12-0571-PSD-CN

GREATER MARION PUBLIC SERVICE DISTRICT,
a public utility, Worthington, Marion County,
Application for a certificate of convenience and necessity to construct wastewater collection facility replacement project.

RECOMMENDED DECISION

This Recommended Decision grants the certificate application and approves the Staff-recommended rates.

On May 3, 2012, Greater Marion Public Service District (Applicant/District) filed an application with the West Virginia Public Service Commission (Commission) for a certificate of convenience and necessity to replace its existing vacuum collection system in the communities of Carolina and Idamay with a gravity collection system and convey the sewage to the City of Worthington for treatment. The total estimated project cost is $5,700,000. The District proposed to pay for the project with a negative amortization loan from the West Virginia Department of Environmental Protection (WV DEP) State Revolving Fund (SRF) program in the amount of $2,000,000, with negative amortization resulting in no obligation for repayment; a WV DEP State Revolving Fund wrap loan payable over forty (40) years at 0% interest and a 0.5% administrative fee; a $500,000 grant from the Appalachian Regional Commission; and a $1,500,000 Small Cities Block Grant and a $275,000 grant from the West Virginia Infrastructure and Jobs Development Council, for a total of $1,775,000. The District's Rule 42 Exhibit included an increase in the District's volumetric rates of 34% to support the debt service and related operation and maintenance expenses associated with the proposed project. The District's application stated that, "The project is needed because the existing system is frequently overwhelmed during rain events, resulting in sewage backing up into customer basements. This problem has persisted for over a decade."

On May 4, 2012, a Notice of Filing was issued by the Commission which required that the District give notice of the filing of the certificate application, by publishing a copy of the Notice

of Filing once in a qualified newspaper as provided in W. Va. Code §59-3-1 et seq., published and of general circulation in counties where service is provided, making due return to the Public Service Commission of proper certification of publication within thirty (30) days from the date of publication. The District was also ordered to complete the mailing of separate notices to each of its customers, within thirty (30) days of May 4, 2012, by one of the following methods: (i) inclusion of the Form No. 14 Notice of Filing as a bill insert; (ii) separately mailing the Form No. 14 Notice of Filing; or (iii) only for utilities that bill by postcard instead of in an envelope, and who elect not to separately mail the Form No. 14 Notoce of Filing, inclusion of a statement on a postcard billing as follows: "This utility is seeking a rate increase. Details available in newspaper publications or at the utility office after May 3, 2012, by calling (304) 287-2222." The District was to make due return to the Public Service Commission of its affidavit as proper certification that the notice was provided.

The Notice of Filing stated that, "Anyone desiring to protest or intervene should file a written protest or notice of intervention within 30 days following the date of this publication unless otherwise modified by Commission Order. Failure to timely protest or intervene can affect your right to protest aspects of this certificate case, including any associated rate increases, or to participate in future proceedings." The Order also stated that, in the absence of substantial protest received within the stated thirty (30) day period, the Commission may waive formal hearing and grant the application based on the evidence submitted with the application and the Commission's review thereof.

On May 9, 2012, the District filed the original Contract 1 Plans, which were omitted from the application that was submitted to the Commission on May 3, 2012.

By Commission Referral Order issued on May 15, 2012, the case was referred to the Division of Administrative Law Judges. The Order required that, if no substantial public protest to the District's application was received within thirty days after the required notice was provided, the Division of Administrative Law Judges was to render a decision in this matter on or before September 17, 2012. If substantial protest was received within thirty days after the required notice was provided, the Division of Administrative Law Judges was to render its decision on or before October 15, 2012.

On May 22, 2012, the District filed an Affidavit of Publication from the *Times West Virginian,* a newspaper regularly published daily except Saturday and Sunday, in the Municipality of Fairmont, Marion County, West Virginia, and is a newspaper of "general circulation," as that term is defined in article three, chapter fifty-nine of the Code of West Virginia, 1931, as amended, within the publication area or areas of the aforementioned municipality and Marion County, which affirmed that the Notice of Filing had been published therein, as a Class I legal advertisement, on May 10, 2012.

On May 24, 2012, Staff Attorney John Auville of the Commission's Legal Division filed the Initial Joint Staff Memorandum along with the Utilities and Engineering Division Initial Memorandum, prepared by Utilities Analyst Karen Buckley of the Commission's Utilities Division and Technical Analyst Jim Spurlock of the Commission's Engineering Division. Staff

noted that funding commitment letters were not included in the District's application. Staff pointed out that a letter from the WV IJDC which was attached to the District's application would not be considered a commitment of funds, but only a determination that the proposed project had been found technically feasible. Staff noted that an Operation and Maintenance Agreement between the District and the Town of Worthington was included by the District along with its certificate application. The Operation and Maintenance Agreement was actually entered into between the Idamay Public Service District and the Town of Worthington. At the time the Agreement was entered into, the District's legal name was Idamay Public Service District. Staff noted that the District's application disclosed that the bill for the average residential customer (based upon consumption of 4,000 gallons of water per month) would increase by 34%, and the bill for the average commercial customer (based upon consumption of 8,647 gallons of water per month) would increase by 34%. Staff reported that, in its initial review of this certificate application, no deficiencies were found. However, Staff requested that the District file funding letters from all sources of funding within twenty (20) days. Staff indicated that a final written recommendation regarding this matter would be filed within the timeframe established in this matter.

On June 13, 2012, the District filed a Certificate of Notice to Customers of Change in Rates in which it affirmed that, on May 26, 2012, it mailed postcard bills for sewer service to its customers which included the statement that, "This utility is seeking a rate increase. Details available in newspaper publications or the utility office after May 3, 2012 by calling (304) 287-2244."

On June 21, 2012, a letter of protest was received by the Commission from Ida. P. Starks, of Carolina, West Virginia.

On June 22, 2012, the District's attorney filed correspondence with the Commission in which he advised that the District requested a binding commitment letter for the proposed funding from the West Virginia DEP. In response to the District's request, the DEP reviewed the funding proposal for the proposed project and the resulting rates. After its review, DEP reduced the amount of the negative amortization loan, and correspondingly increased the amount of the wrap loan. A binding commitment letter from the West Virginia DEP confirmed its intent to provide a negative amortization loan in the amount of $1,761,954 and a wrap loan in the amount of $1,663,080, payable over 38 years at 0% interest and a 0.5% administrative fee. The June 22, 2012 letter from the District's attorney stated that, "The District's accountant has reviewed DEP's revised funding package and determined that the change will not affect the District's proposed post-project rates."

On June 27, 2012, a one-page, unsigned letter was received by the Commission from Concerned Citizens of the Greater Marion Public Service District. The letter simply stated that, "We, the Concerned Citizens of the Greater Marion Public Service District, request intervener status regarding the new proposed sewer system, Case #12-0571-PSD-CN."

On July 6, 2012, a one-page letter was received by the Commission from Concerned Citizens of Greater Marion PSD, which stated, "We, the concerned citizens of the Greater

Marion Public Service District, request intervener status regarding the new proposed sewer system, case # 12-0571-PSD-CN. We have some concerns about the new system as proposed. We want to be certain, based on past experience, that the new system has the lowest probability of system failure. We also want to be sure it is the most cost effective option." Attached to the letter were notarized signatures of nine (9) individuals.

On July 6, 2012, the District's attorney filed an objection, on his client's behalf, to the request for intervenor status filed on June 27, 2012, and July 6, 2012, by a group identified as Concerned Citizens of Greater Marion Public Service District. The District requested that the intervention request be denied because it did not comply with the Commission's *Rules of Practice and Procedure* for petitions to intervene. The District's attorney reported that, "A business organization search on the West Virginia Secretary of State's website yields no results for the Concerned Citizens of the Greater Marion Public Service District." He also stated that the group appeared to be neither a natural person nor a legally recognized organization of any type. "As such, there is no one to whom the Commission could grant intervenor status."

On July 9, 2012, the Commission received a list of names, addresses and telephone numbers for the nine (9) individuals whose notarized signatures were attached to the correspondence filed with the Commission on July 6, 2012.

On July 11, 2012, Staff Attorney Auville filed Staff's first set of interrogatories, data requests and requests for information for the District. Staff requested that the District file responses the Staff's request as soon as the responses were available and no later than ten (10) days following service of Staff's requests.

On July 31, 2012, the District filed its response to Staff's first set of interrogatories, data requests and requests for information.

On August 1, 2012, Staff Attorney Auville filed the Final Joint Staff Memorandum along with the Utilities and Engineering Divisions Final Recommendation, prepared by Utilities Analyst Buckley and Technical Analyst Spurlock. Staff reported that it had been in contact with the District regarding the funding commitment letters. The District advised Staff that the ARC and WV IJDC funding had not yet been committed. Also, Staff indicated that the District had yet to provide an acceptable response to Staff's data requests, which had been filed on July 11, 2012. Technical Staff stated that, "Staff has reached its internal 90 day timeframe and is unable to make a final recommendation since the District has not filed its remaining commitment of funding. Thus, Staff recommends this case be dismissed." Staff Attorney Auville agreed with Technical Staff's conclusion that the case should be dismissed. However, Staff Attorney Auville added that, "If that committed funding is not filed within the next 14 days, this case should be dismissed."

On August 14, 2012, the District's attorney filed correspondence with the Commission in which he advised that, "The District provided the information it had on the accounting of the class action settlement funds by its July 31, 2012 response to Staff's July 11, 2012 data request." The District's attorney also stated that, "funding for this project has changed slightly from the

sources and amounts indicated in the District's original application, however the District's accountant has determined that these changes in funding do not affect the District's proposed post-project rates. In its June 22, 2012 response to the Initial Joint Staff Memorandum, the District provided the binding commitment letter from DEP for a $1,761,954 negative amortization loan, and a $1,663,080 wrap loan, payable over 40 years at 0% interest with a .5% administrative fee." The District attached, along with its letter, a binding commitment for the WV IJDC grant in the amount of $1,025,000 and a binding commitment from the ARC for a grant in the amount of $1,250,000.

On August 29, 2012, Staff Attorney Auville filed the Further Final Joint Staff Memorandum along with the Utilities and Engineering Divisions Further Final Recommendation, prepared by Utilities Analyst Buckley and Technical Analyst Spurlock. Technical Analyst Spurlock reported that the proposed project involves replacing the District's existing vacuum collection system in the communities of Carolina and Idamay with a gravity collection system. Sewage will continue to be conveyed to the Town of Worthington for treatment. The new conventional gravity system in the community of Idamay will flow to a pump station which will convey all of Idamay's sewage via force main to Carolina. The new conventional gravity system in the community of Carolina will flow to a second pump station which will convey all of the sewage via force main to the Town of Worthington for treatment. The total estimated project cost for the project is $5,700,000, which Technical Staff concluded appeared to be reasonable for the scope of the project. Given that total estimated project cost, the cost per customer would be $14,109 for the District's 404 existing customers. Technical Staff stated that operation and maintenance expenses were expected to increase by approximately $50,369 annually as a result of this project. Staff noted that there is excessive inflow and infiltration into the existing system which the District's engineering report characterized as unquantifiable. Because the actual volume or amount of inflow and infiltration is unknown at this time, the project was designed and expenses were calculated based upon an assumption that the excess inflow and infiltration would be double the amount of the customer base flow. Staff noted that it could be higher than the assumption, which would, in turn, drive up operation and maintenance expenses. Commission Staff stated that it was imperative that the District pursue a reduction of the inflow and infiltration into its system. Staff noted that Category A funds from the class action lawsuit would be available for this purpose. Permits and letters of approval have been received from the appropriate agencies. Staff's review of the plans and specifications for the proposed project did not reveal any conflicts with the Commission's rules and regulations. With regard to the issue of necessity, Utilities Analyst Spurlock stated that, "This is a much needed project to replace a failing vacuum collection system which shuts down during heavy rain events, resulting in sewage backing up into homes."

The Utilities Analyst explained that the project funding was revised after the certificate application was filed with the Commission. Ms. Buckley reported that the West Virginia Department of Environmental Protection has committed a total amount of $3,425,034. This amount includes a repayable wrap loan of $1,663,080 at 0% interest with a 0.5% administrative fee for a term of 40 years and a forgivable loan of $1,761,954. The Appalachian Regional

Commission has made a funding commitment of a grant in the amount of $1,250,000. The West Virginia Infrastructure and Jobs Development Council has committed the amount of $1,025,000.

Utilities Analyst Buckley reported that the District's Rule 42 Exhibit for this certificate case reflects an increase in rates of 34%, based on the year ending June 30, 2011. As part of this case, the District proposes to remove a surcharge of $1.09 per 1,000 gallons per bill per month. Funds generated by the surcharge were used to pay off a loan from the Class A Settlement Fund. The District has paid that loan in full. Utilities Analyst Buckley explained the background of the District's involvement as a party to a class action lawsuit, which resulted in a settlement. The proceeds of the settlement were divided into two (2) funds. Category A, totaling approximately $1,910,000, was to be used primarily to repair the District's existing vacuum sewer system. Pursuant to the settlement, all expenditures from Category A funds were required to be approved by a three (3) member panel consisting of representatives of the Marion County Commission, the Greater Marion Public Service District and the "class." Legal fees of $200,000 were to be paid from Category A funds and the Marion County Commission was to be reimbursed $300,000 from the Category A funds. Staff reported that the District has approximately $437,000 remaining in Category A funds after expenditures for repairs. The District also anticipates some reimbursement at closing for some amounts paid to advance the current project. The District plans to use the remaining Category A funds for further reduction of inflow and infiltration. The settlement agreement states that Category B funds will be utilized primarily to compensate homeowners for property and personal injury damages. If any additional money is made available by an excess insurer, that sum would be transferred to a Category C fund for the exclusive benefit of the Class Plaintiffs.

Utilities Analyst Buckley recommended an increase in rates of 31.3% to support the project. Such an increase would give the District a surplus of $8,249 and bond coverage of 115%. The District's Rule 42 Exhibit shows a six-year average of capital additions of $344. Under the Staff-recommended rates, the average monthly bill for residential customers (based upon usage of 4,062 gallons of water per month) would increase by $11.50, from $36.76 to $48.26 per month, an increase of 31.3%. Under the Staff-recommended rates, the average monthly bill for commercial customers (based upon usage of 10,510 gallons of water per month) would increase by $28.64, from $91.48 to $120.12, an increase of 31.3%. Under the Staff-recommended rates, the average monthly bill for public authority customers (based upon usage of 2,050 gallons of water per month) would increase by $5.80, from $18.55 to $24.35, or 31.3%. The District does not have any industrial customers. Staff also recommended that the District's leak adjustment rate be decreased to $4.66 per 1,000 gallons.

Ms. Buckley determined that the District's proposed rates would generate a total surplus of $14,128, including the renewal and replacement reserve, and 122% debt coverage ratio after completion of the project. The Staff-recommended rates would generate a total surplus of $8,249, including the renewal and replacement reserve, and 115% debt coverage ratio after completion of the project, which would satisfy the 115% debt service coverage requirement. Other modifications to the District's current tariff were recommended by the Utilities Analyst.

Staff recommended that the District's application for a certificate of convenience and necessity to construct a wastewater collection facility replacement project be approved in the amount of $5,700,034. Staff's recommendation included

(1) Approval of project funding as follows:

a.	WV DEP State Revolving Fund loan (0%, 40 years, 0.5% administrative fee and a 115% bond coverage rate until debt service reserve is fully funded; thereafter bond coverage rate of 110%)	$1,663,080
b	DEP SRF negative amortization loan	$1,761,954
c.	Appalachian Regional Commission loan	$1,250,000
d.	IJDC grant	$1,025,000;

(2) If there are any changes in the plans or scope of the project, the District must seek Commission approval of such changes. If there are changes in the rates to be charged associated with the project, the District must also seek Commission approval of such changes. However, if project-related rates remain unchanged, it is not necessary for the District to seek further Commission approval of changes in project costs or financing. Under such circumstances, the District should be required to file an affidavit executed by its certified public accountant verifying that its rates and charges are not affected;

(3) The District provide a copy of the project engineer's certified bid tabulation(s) for all contracts to be awarded for this project as soon as they become available;

(4) The District submit a copy of the "Certificate of Substantial Completion" issued for each construction contract associated with the project as soon as it becomes available; and

(5) Approval of the Staff-recommended rates and charges found on Schedule 4, attached to the Further Final Joint Staff Memorandum.

On September 12, 2012, Staff Attorney Auville filed the Further Final Joint Staff Memorandum along with the Utilities and Engineering Divisions 2nd Further Final Recommendation, prepared by Utilities Analyst Buckley and Technical Analyst Spurlock. Staff reported that, after the Further Final Joint Memorandum and attachments were filed in this matter on August 29, 2012, Staff learned that the debt service reserve was incorrect on the Cash Flow Analysis included with Staff's memorandum. Staff explained that the debt service reserve should have been $8,487. Because the debt service reserve had to be increased, Staff has now revised it's previous recommended rate increase of 31.3%. Staff recommended that the District's rates be increased by 33.2% to support this project. The revised rates should generate a total surplus of $7,335 and a bond coverage ratio of 122.91%.

Under the revised Staff-recommended rates, the average monthly bill for residential customers (based on usage of 4,062 gallons of water per month) would increase by $12.19, from

$36.76 to $48.95, or 33.2%; the average monthly bill for commercial customers (based on usage of 10,510 gallons of water per month) would increase by $30.38, from $91.48 to $121.86, or 33.2%; and the average monthly bill for public authority customers (based on usage of 2,050 gallons of water per month) would increase by $6.15, or 33.2%.

On September 13, 2012, the District's attorney filed correspondence with the Commission in which he advised that the District concurred with Staff's recommendations as set forth in the Further Final Joint Staff Memorandum filed in this case on September 12, 2012.

DISCUSSION

After completing its review of Greater Marion Public Service District's certificate application filed on May 3, 2012, Commission Staff recommended approval of the subject certificate application. That recommendation, along with several additional conclusions and recommendations, was set forth in the Further Final Joint Staff Memorandum and attachments, which were filed in this case on August 29, 2012 and later revised by Commission Staff in its Further Final Joint Staff Memorandum and attachments filed in this case on September 12, 2012. Thereafter, the District's attorney filed correspondence with the Commission on September 13, 2012, in which he reported that the District had reviewed Staff's Further Final Joint Staff Memorandum and attachments, filed in this case on September 12, 2012 and the District concurred with Staff's recommendations. The District has accepted Staff's recommendation that the certificate application be granted, along with Staff's recommendation of a 33.2% across-the-board rate increase and approval of the funding as described by Commission Staff in its further final memorandum filed in this case on September 12, 2012.

The only protest that was received by the Commission in response to the District's publication of its Notice of Filing in the *Times West Virginian* on May 10, 2012, was received on June 21, 2012, from Ida B. Starks of Carolina, West Virginia. However, the Notice of Filing contained the following language, "Anyone desiring to protest or intervene should file a written protest or notice of intervention within thirty (30) days following the date of this publication unless otherwise modified by Commission order." In this case, the protest from Ms. Starks was untimely as it was received approximately eleven (11) days beyond the conclusion of the thirty (30) day public protest period. Furthermore, the Commission's May 4, 2012 Order stated that, "in the absence of substantial protest received within the thirty (30) day period, the Commission may waive formal hearing and grant the application based on the evidence submitted with the application and the Commission's review thereof." Since the protest filed by Ms. Starks was the only public protest, it is reasonable to conclude that there was not substantial protest to the District's application.

On July 6, 2012, approximately one month after the thirty (30) day public protest and intervention period had expired, the Commission received a request for intervention signed by nine (9) individuals who identified themselves as "Concerned Citizens of the Greater Marion Public Service District." They stated that, "We have some concerns about the new system as proposed. We want to be certain, based on past experience, that the new system has the lowest

probability of system failure. We also want to be sure it is the most cost effective option." The request for intervention did not include a request for a hearing.

The District objected to the intervention on the basis that the request for intervention was not from an actual "person," as required by the Commission's *Rules of Practice and Procedure* regarding intervention motions or requests. The District also objected based upon the fact that there was no record of the "Concerned Citizens of the Greater Marion Public Service District" as a valid business organization on the West Virginia Secretary of State's website. The District's reasoning is not convincing. Even though the actual intervention request was presented by the "Concerned Citizens of the Greater Marion Public Service District," nine (9) identified individuals signed notarized signature pages that were attached to the request indicating that they were customers of the District.

However, the request for intervention cannot be granted because the request was not filed in a timely manner. As previously noted herein, the District's Notice of Filing (published on May 10, 2012 in the *Times West Virginian*) stated that, "Anyone desiring to protest or intervene should file a written protest or notice of intervention within thirty (30) days following the date of this publication unless otherwise modified by Commission order." Further, Rule 12.6 of the Commission's *Rules of Practice and Procedure* requires that, "Any person having a legal interest in the subject matter of any hearing or investigation pending before the Commission may petition or move orally for leave to intervene in the proceeding. **Unless the Commission establishes an intervention deadline by order, petitions and oral requests to intervene may be made prior to or at the time a case is called for hearing, but not thereafter except for good cause shown."** Because a specific time frame of thirty (30) days was established in the Notice of Filing for requesting intervention and since the request filed in this case on July 6, 2012, was filed almost one month beyond the time frame established by the Commission, the request for intervention filed in this case on July 6, 2012, must be denied.

The record reflects that the Notice of Filing was properly published as a Class I legal notice, as directed in the Commission's May 4, 2012 Order. The Notice of Filing provided that public protests or requests for intervention regarding the certificate application filed by Greater Marion Public Service District be filed with the Public Service Commission within thirty (30) days of the date of publication of the Notice of Filing. The District later filed an affidavit of publication demonstrating that publication of the Notice of Filing occurred on May 10, 2012. The District also filed a certificate in which it affirmed that it sent postcard bills to each of its customers on May 26, 2012, which contained a statement which notified its customers that it was seeking a rate increase and that additional information or details could be found in future newspaper publications or by contacting the District by telephone. The District has substantially complied with the public notice requirements related to certificate applications which include rate increases.

FINDINGS OF FACT

1. Greater Marion Public Service District filed an application with the Public Service Commission of West Virginia for a certificate of convenience and necessity to construct a project designed to replace its existing vacuum wastewater collection system with a conventional gravity wastewater collection system in the communities of Carolina and Idamay, which will convey all wastewater collected, via force main, to the Town of Worthington for treatment. (See, certificate application filed May 3, 2012).

2. The project consists of the construction of 22,000 feet of six (6), eight (8) and ten (10)-inch gravity sewer lines; 21,450 feet of four (4), six (6) and eight (8)-inch force main, and two (2) pumping stations. (See, Further Final Joint Staff Memorandum and Utilities and Engineering Divisions Further Final Recommendation, filed August 29, 2012).

3. Total estimated project cost is $5,700,000. (See, certificate application filed May 3, 2012).

4. The project funding consists of a West Virginia Department of Environmental Protection State Revolving Fund loan in the amount of $1,663,080 (at an annual interest rate of 0%, for a term of 40 years, with an administrative fee of 0.5%); a West Virginia Department of Environmental Protection State Revolving Fund negative amortization loan in the amount of $1,761,594; an Appalachian Regional Commission grant in the amount of $1,250,000, and a West Virginia Infrastructure and Jobs Development Council grant in the amount of $1,025,000. (See, Utilities and Engineering Divisions 2nd Further Final Recommendation, filed September 12, 2012; August 14, 2012 filing; June 22, 2012 filing).

5. The Town of Worthington has been treating the District's wastewater flows from this area based upon a Transmission and Treatment Agreement, originally entered into by the parties and dated August 10, 1998. (See, May 3, 2012 filing, Exhibit I).

6. The Town of Worthington and the District are parties to an existing Operation and Maintenance Agreement which was entered into by the parties on August 10, 1998, pursuant to which the Town of Worthington operates and maintains the District's existing sewage collection System in the communities of Carolina and Idamay. (See, May 3, 2012 filing, Exhibit H).

7. The Operation and Maintenance Agreement between the Town of Worthington and the District, as well as the Transmission and Treatment Agreement between the Town of Worthington and the District were previously approved by the Public Service Commission in Case No. 98-0474-PSD-CN (March 29, 1999 Recommended Decision, final April 18, 1999). (See, certificate application filed May 3, 2012).

8. The existing vacuum collection system shuts down during heavy rain events, resulting in sewage backing up into homes. (See, Further Final Joint Staff Memorandum and Utilities and Engineering Division Further Final Recommendation, filed August 29, 2012).

9. Operation and maintenance expenses are expected to increase by approximately $50,369 annually as a result of the proposed project. (See, Further Final Joint Staff Memorandum and Utilities and Engineering Division Further Final Recommendation, filed August 29, 2012).

10. The District's current rates and charges do not generate a level of revenue sufficient to offset the various costs and expenses associated with construction, operation and maintenance of the new conventional gravity wastewater collection system and facilities proposed by the District in this certificate application. Further, they generate a debt service coverage of 114.64%. The District's bonds require a minimum debt service coverage of 115%. (See, Further Final Joint Staff Memorandum, filed September 12, 2012, cash flow analysis - revised).

11. The Staff-recommended increased rates and charges for providing wastewater collection and treatment services, representing a 33.2% increase, will generate a cash flow surplus of $7,335 and a debt service coverage ratio of 122.91%, after completion of the project. (See, Further Final Joint Staff Memorandum, filed September 12, 2012, cash flow analysis-revised).

12. Greater Marion Public Service District issued postcard bills for sewer service to each of its customers on May 26, 2012, which included a statement that, "This utility is seeking a rate increase. Details available in newspaper publications or the utility office after May 3, 2012 by calling (304)287-2244," in compliance with Rule 10.3.c.3 of the Public Service Commission's *Rules of Practice and Procedure*. (See, June 13, 2012 filing).

13. Greater Marion Public Service District published the Notice of Filing regarding this certificate application in the *Times West Virginian*, a newspaper published daily, except for Saturday and Sunday, published in the Municipality of Fairmont, Marion County, West Virginia, in compliance with the Commission's Order entered in this matter on May 4, 2012. The protest/intervention period expired on June 11, 2012. (See, affidavit of publication filed May 22, 2012).

14. No timely protests or requests to intervene were filed. (See, case file generally).

CONCLUSIONS OF LAW

1. The public convenience and necessity require the replacement of the District's existing wastewater collection system and facilities described by Greater Marion Public Service District in its certificate application filed with the Public Service Commission of West Virginia on May 3, 2012.

2. It is reasonable to grant Greater Marion Public Service District's application for a certificate of public convenience and necessity to replace its existing wastewater collection

system and facilities as described by Greater Marion Public Service District in its certificate application filed with the Public Service Commission of West Virginia on May 3, 2012.

3. It is reasonable to approve the funding for the project described in Greater Marion Public Service District's certificate application filed with the Public Service Commission of West Virginia on May 3, 2012, consisting of a West Virginia Department of Environmental Protection State Revolving Fund loan in the amount of $1,663,080 (at an annual interest rate of 0%, for a term of 40 years with an administrative fee of 0.5%); a West Virginia Department of Environmental Protection State Revolving Fund negative amortization loan in the amount of $1,761,594; an Appalachian Regional Commission grant in the amount of $1,250,000; and a West Virginia Infrastructure and Jobs Development Council grant in the amount of $1,025,000.

4. The rates recommended by Commission Staff and set forth in Schedule 4 of the Further Final Joint Staff Memorandum filed in this case on September 12, 2012, are sufficient, but not more than sufficient, to cover the District's operation and maintenance expenses, taxes, debt service requirements and capital additions, including those increases generated by the project certificated herein.

5. Greater Marion Public Service District has complied with the public notice requirements established by the Public Service Commission.

6. Because a specific time frame of thirty (30) days was established in the Notice of Filing for requesting intervention and since the intervention request filed in this case on July 6, 2012, was filed almost one month beyond the time frame established by the Commission, the request for intervention must be denied.

IT IS FURTHER ORDERED that, if there is a change in project cost that does not affect rates, Greater Marion Public Service District is not required to obtain Commission approval of such change. However, Greater Marion Public Service District shall, in such case, file an affidavit with the Commission, duly executed by its Certified Public Accountant, verifying that rates are not affected.

Any party may request waiver of the right to file exceptions to an Administrative Law Judge's order by filing an appropriate petition in writing with the Executive Secretary. No such waiver will be effective until approved by order of the Commission.

SCHEDULE II

SURCHARGE FORMULA TO BE APPLIED IN CASES WHERE SURFACE DRAINAGE IS CONNECTED TO THE DISTRICT'S SANITARY SYSTEM

APPLICABILITY

Wherever the District has discovered that a customer's roof drain, downspout, storm sewer or similar facility conducting surface water has been connected to the District's sewer system and such customer has failed to take appropriate action within thirty (30) days of receipt of a demand by the District in accordance with the rules and regulations

of the Public Service Commission to eliminate such connection, a surcharge will be imposed upon the customer calculated on the basis of the following formula:

$$S = A \times R \times .0006233 \times C$$

S	=	the surcharge in dollars
A	=	the area under roof and/or the area of any other water collecting surface connected to the sanitary sewer, in square feet
R	=	the measured monthly rainfall, in inches
.0006233	=	a conversion factor to change inches of rain x square feet of surface to thousands of gallons of water
C	=	the District's approved rate per thousand gallons of metered water usage

The utility shall not impose the surcharge unless and until the customer has been notified by certified mail, return receipt requested, or by hand delivery, that it has been established by smoke testing, dye testing, or on-site inspection that rain or surface water is being introduced into the sanitary sewer system at the customer's location, and that the customer has not acted within thirty (30) days from receipt of such notice to divert the water from the sanitary sewer system.

Said surcharge shall be calculated and imposed for each month the condition continues to exist. Failure to pay the surcharge and/or correct the situation shall give rise to the possible termination of water service in accordance with the rules and regulations of the Public Service Commission of West Virginia.

Sewer Project 2009S-1097 (resubmitted)

Dear Ms. Sisk,

The West Virginia Infrastructure and Jobs Development Council (Infrastructure Council) has reviewed the Greater Marion Public Service District's (District) resubmitted preliminary application to replace the existing vacuum collection system within the communities of Carolina and Idamay with a gravity collection system (Project).

Based on the findings of the Sewer Technical Review Committee, the Infrastructure Council has determined that the Project is technically feasible within the guidelines of the Infrastructure and Jobs Development Act. The District should carefully review the enclosed comments of the Sewer Technical Review Committee as the District may need to address certain issues raised in said comments as it proceeds with the Project.

Upon consideration of the resubmitted preliminary application, the Infrastructure Council determined that the District should pursue a $3,700,000 Clean Water State Revolving Fund forgivable loan and Rural Utilities Service assistance for $2,000,000 to fund this $5,700,000 Project. Please contact the West Virginia Division of Environmental Protection office at 304-926-0499 (X1611) and the Rural Utilities Service office at 304-636-2158 for specific information on the steps the District needs to follow to apply for these funds. **Please note that this letter <u>does not</u> constitute funding approval from these agencies.**

If you have any questions regarding this matter, please contact Angela K. Chestnut at 304-558-4607 (X201).

RE: Greater Marion PSD BCL
SRF No. C-544251-03
IJDC No. 2012S-1320

Dear Ms. Brooks:

This letter is to confirm our intention of providing the long-term financing through the Clean Water State Revolving Fund Program for the Greater Marion PSD's (PSD's) wastewater improvement project. The project will extend and replace the PSD's existing vacuum system in the communities of Carolina and Idamay with a gravity collection system.

We are hereby committing an amount of $3,425,034 which contains two loan components. A repayable wrap loan of $1,663,080 will be issued at 0% interest, 0.5% annual administrative fee, for a term of 40 years (38-year payback). A forgivable loan amount of $1,761,954 may also be assumed. The PSD qualifies for these terms as long as the 4,000 gallon average sewer rate is equal to or greater than $48.18 (2.0% MHI). The final loan amount may be adjusted after receipt of bids and a formal application is submitted.

If the PSD's bonds have not been issued to the Fund prior to December 6, 2012, it is understood that the Fund reserves the right to discontinue processing the PSD's application and on that day, will have no further responsibilities or obligations hereunder.

Should you have any questions, please do not hesitate to contact me at (304) 926-0499, ext. 1596 or at Katheryn.D.Emery@wv.gov .

KNOW ALL MEN BY THESE PRESENTS: The 1st day of February, 2013, that GREATER MARION PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Marion County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the WEST VIRGINIA WATER DEVELOPMENT AUTHORITY (the "Authority") or registered assigns the sum of ONE MILLION NINE HUNDRED NINETY-SEVEN THOUSAND SIX HUNDRED SEVENTY-NINE DOLLARS ($1,997,679), or such lesser amount as shall have been advanced to the Issuer hereunder and not previously forgiven, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference. The Series 2013 B Bonds are not subject to the SRF Administrative Fee (as defined in the hereinafter described Bond Legislation).

This Bond shall bear no interest. The principal amounts advanced under the Series 2013 B Bonds will be deemed forgiven on the 30th day of June in the fiscal year in which advanced. The Series 2013 B Bonds shall be deemed no longer outstanding after the last advance is forgiven.

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Department of Environmental Protection (the "DEP"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Bond Purchase Agreement by and among the Issuer, the Authority and the DEP, dated February 1, 2013.

We have served as bond counsel in connection with the issuance by Greater Marion Public Service District (the "Issuer"), a public service district, public corporation and political subdivision created and existing under the laws of the State of West Virginia, of its $1,663,080 Sewer Revenue Bonds, Series 2013 A (West Virginia SRF Program), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a Bond Purchase Agreement dated February 1, 2013, including all schedules and exhibits attached thereto (the "Bond Purchase Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Bond Purchase Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal only to the Authority, bearing no interest, with principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing September 1, 2014, to and including December 1, 2052 all as set forth in the "Schedule Y" attached to the Bond Purchase Agreement and incorporated in and made a part of the Bonds. The SRF Administrative Fee of 0.5% shall also be payable quarterly on March 1, June 1, September 1 and December 1 of each year commencing September 1, 2014 as set forth in the "Schedule Y" attached to the Bond Purchase Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquisition and construction of improvements and extensions to the existing public sewerage system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Bond Resolution duly adopted by the Issuer on January 19, 2013, as supplemented by a Supplemental Resolution duly adopted by the Issuer on January 19, 2013 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the Bond Purchase Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Bond Purchase Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Bond Purchase Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district, public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Bond Purchase Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the DEP and cannot be amended by the Issuer so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.

3. The Bond Legislation and all other necessary orders and resolutions have been duly and effectively adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 and Exhibit E of the Bond Purchase Agreement.

The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's: (i) Sewer Revenue Bonds, Series 1999 A (West Virginia SRF Program), dated June 23, 1999, issued in the original aggregate principal amount of $400,000 (the "Series 1999 A Bonds"); (ii) Sewer Revenue Bonds, Series 1999 B (West Virginia Infrastructure Fund), dated June 23, 1999, issued in the original aggregate principal amount of $1,700,000 (the "Series 1999 B Bonds"); and (iii) Sewer Revenue Bonds, Series 2000 (West Virginia SRF Program), dated December 11, 2000, issued in the original aggregate principal amount of $400,000 (the "Series 2000 Bonds"), (collectively, the "Prior Bonds"); and (iv) Sewer Revenue Bonds, Series 2013 B (West Virginia SRF Program), dated February 1, 2013, issued concurrently herewith in the original aggregate principal amount of $1,997,679 (the "Series 2013 B Bonds"); all in accordance with the terms of the Bonds and the Bond Legislation.

4. The Bonds are, under the Act, exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

5. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Bond Purchase Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

Based upon the sewer rates and charges set forth in the Recommended Decision dated September 17, 2012 which became Final Order on October 7, 2012 in Case No. 12-0571-PSD-CN of the Public Service Commission of West Virginia, and projected operation and maintenance expenses and anticipated customer usage as furnished to us by Greater Marion Public Service District (the "Issuer"), it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the sewerage system (the "System") of the Issuer, will (i) provide for all reasonable expenses of operation, repair and maintenance of the System and (ii) leave a balance each Fiscal Year equal to at least 115% of the maximum amount required in any Fiscal Year for payment of principal of and interest on the (a) Sewer Revenue Bonds, Series 2013 A (West Virginia SRF Program), dated February 1, 2013, issued in the aggregate principal amount of $1,663,080, and (b) Sewer Revenue Bonds, Series 2013 B (West Virginia SRF Program), dated February 1, 2013, issued in the aggregate principal amount of $1,997,679, (collectively, the "Series 2013 Bonds") and all other obligations secured by or payable from such revenues, including the Issuer's: (i) Sewer Revenue Bonds, Series 1999 A (West Virginia SRF Program), dated June 23, 1999, issued in the original aggregate principal amount of $400,000 (the "Series 1999 A Bonds"); (ii) Sewer Revenue Bonds, Series 1999 B (West Virginia Infrastructure Fund), dated June 23, 1999, issued in the original aggregate principal amount of $1,700,000 (the "Series 1999 B Bonds"); and (iii) Sewer Revenue Bonds, Series 2000 (West Virginia SRF Program), dated December 11, 2000, issued in the original aggregate principal amount of $400,000 (the "Series 2000 Bonds"), (collectively, the "Prior Bonds").

It is further our opinion that the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Series 2012 Bonds plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2013 Bonds are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest, if any, on the Prior Bonds and the Series 2013 Bonds.

Sincerely,

CERTIFICATE AS TO USE OF PROCEEDS

The undersigned Chairman of the Public Service Board of Greater Marion Public Service District in Marion County, West Virginia (the "Issuer"), being one of the officials of the Issuer duly charged with the responsibility for the issuance of $1,663,080 Sewer Revenue Bonds, Series 2013 A (West Virginia SRF Program), and $1,997,679 Sewer Revenue Bonds, Series 2013 B (West Virginia SRF Program), of the Issuer, both dated February 1, 2013 (collectively, the "Series 2013 Bonds"), hereby certify this 1st day of February, 2013 as follows:

CASE NO. 98-0801-PSD-PC

MARION COUNTY COMMISSION
Petition for consent and approval to enlarge the Idamay Public Service District and to change the name of the expanded district from Idamay Public Service District to Greater Marion Public Service District.

RECOMMENDED DECISION

On July 2, 1998, the Marion County Commission (County Commission) filed a petition with the Public Service Commission for approval to enlarge the boundaries of the Idamay Public Service District (Idamay) and to change the name of the expanded district from Idamay Public Service District to Greater Marion Public Service District.

By Order dated July 27, 1998, this matter was referred to the Division of Administrative Law Judges for a decision to be rendered on or before January 28, 1999.

On September 21, 1998, Staff Attorney Ronald E. Robertson, Jr., filed the Final Joint Staff Memorandum, to which was attached the Final Internal Memorandum prepared by Mr. James Boggess, Utilities Analyst II, Water and Wastewater Division.

Messrs. Robertson and Boggess explained that Idamay was created by the Marion County Commission on February 25, 1983, "to construct or acquire by purchase or otherwise and maintain, operate, improve and extend properties supplying water and sewer services within said District." In Case No. 83-484-S-CN, Idamay was granted a certificate of convenience and necessity to operate a sewerage facility by Recommended Decision entered April 10, 1984, which became final April 30, 1984. Idamay is anticipating prefiling with the Commission a sewer project in which Idamay and neighboring Carolina Improvement Association will abandon their archaic treatment plants and connect with the Town of Worthington's new sewerage treatment plant. The boundary expansion in this case will place the project area within the boundaries of the Idamay Public Service District. The expansion will also encompass the watershed for the area in anticipation of future sewer extensions.

Staff recommended that approval be granted to the Marion County Commission's petition for the boundary expansion and for the name change

and that a hearing be set in this case to complete the requirements of West Virginia Code §16-13A-2.

By Order dated October 15, 1998, this matter was set for a hearing to be held in Room 104, City-County Complex, Fairmont, West Virginia, on November 20, 1998. Said Order also provided that the Marion County Commission give notice of the hearing to be held on November 20, 1998, by publishing a Notice of Hearing once in a newspaper, duly qualified by the Secretary of State, published and of general circulation in Marion County.

The hearing was held as scheduled. Mr. Kevin McClung appeared as a representative of the Marion County Commission. Commission Staff was represented by Staff Attorney Ronald E. Robertson, Jr. No one appeared in protest to the application.

A copy of the affidavit of publication was provided at the hearing which reflects that publication was made in accordance with the Commission's requirements.

The Final Joint Staff Memorandum prepared in this case was marked as Staff Exhibit No. 1 and received into evidence.

Since there was no protest to the application, no evidence was received and the case was submitted as unprotested.

FINDINGS OF FACT

1. On July 2, 1998, the Marion County Commission filed a petition seeking approval of the Public Service Commission to enlarge the boundaries of the Idamay Public Service District and to change the name of the expanded District from Idamay Public Service District to Greater Marion Public Service District. (See, petition).

2. On September 21, 1998, Staff Attorney Ronald E. Robertson, Jr., filed the Final Joint Staff Memorandum, to which was attached the Final Internal Memorandum prepared by Mr. James Boggess, Utilities Analyst II, Water and Wastewater Division. Staff recommended that approval be granted to the Marion County Commission's petition for the boundary expansion and the name change and that a hearing be set to complete the requirements of West Virginia Code §16-13A-2. (See Final Joint Staff Memorandum filed September 21, 1998).

3. By Order dated October 15, 1998, this matter was set for a hearing to be held in Room 104, City-County Complex, Fairmont, West Virginia, on November 20, 1998. Said Order also provided that the Marion County Commission give notice of the hearing to be held by publishing a Notice of Hearing once in a newspaper, duly qualified by the Secretary of State, published and of general circulation in Marion County. (See, October 15, 1998 Order).

4. The hearing was held as scheduled and, at the hearing, a copy of the affidavit of publication was provided, which reflects that

publication was made in accordance with the Commission's requirements. (See, Tr., p. 3).

5. No one appeared in protest to the application of the Marion County Commission. (See, Tr., p. 4).

CONCLUSION OF LAW

Since the Marion County Commission gave proper notice of the hearing to be held on its petition on November 20, 1998, and no one appeared in protest to the petition, the petition of the Marion County Commission filed on July 2, 1998, to enlarge the boundaries of the Idamay Public Service District and to change the name of the expanded District from Idamay Public Service District to the Greater Marion Public Service District can be approved as unprotested.

ORDER

IT IS, THEREFORE, ORDERED that the Order of the Marion County Commission, enlarging the boundaries of the Idamay Public Service District and changing the name of the expanded District from Idamay Public Service District to the Greater Marion Public Service District, entered on September 11, 1998, be, and the same hereby is, approved.

The Executive Secretary is hereby ordered to serve a copy of this order upon the Commission by hand delivery, and upon all parties of record by United States Certified Mail, return receipt requested.

Leave is hereby granted to the parties to file written exceptions supported by a brief with the Executive Secretary of the Commission within fifteen (15) days of the date this order is mailed. If exceptions are filed, the parties filing exceptions shall certify to the Executive Secretary that all parties of record have been served said exceptions.

If no exceptions are so filed this order shall become the order of the Commission, without further action or order, five (5) days following the expiration of the aforesaid fifteen (15) day time period, unless it is ordered stayed or postponed by the Commission.

Any party may request waiver of the right to file exceptions to an Administrative Law Judge's order by filing an appropriate petition in writing with the Secretary. No such waiver will be effective until approved by order of the Commission, nor shall any such waiver operate to make any Administrative Law Judge's Order or Decision the order of the Commission sooner than five (5) days after approval of such waiver by the Commission.

PUBLIC SERVICE COMMISSION WEST VIRGINIA CHARLESTON

Entered by the Public Service Commission of West Virginia, in the City of Charleston on the 29th day of June, 2009.

CASE NO. 09-1036-PSD-SCN

GREATER MARION PUBLIC SERVICE DISTRICT, a public corporation.

Application for a certificate of convenience and necessity to construct wastewater collection facilities.

NOTICE OF FILING

On June 23, 2009, Greater Marion Public Service District ("District") filed an application ("Application") duly verified, for a certificate of convenience and necessity to undertake a project ("Project") for the construction to replace the existing vacuum collection system in the communities of Carolina and Idamay with a gravity collection system and convey the sewage to Worthington for treatment, and for approval of engineering agreement.

The District estimates that the Project will cost approximately $6,640,800.00. It is proposed that the construction will be financed by a $6,640,800.00 loan ("Loan") from the West Virginia Department of Environmental Protection ("DEP") State Revolving Fund ("SRF"), using American Recovery and Reinvestment Act funds, popularly known as federal stimulus funds.

The District anticipates charging the following rates upon substantial completion of the Project.

RATES

First 5,000 gallons used per month $12.05 per 1,000 gallons

Next 15,000 gallons used per month $11.26 per 1,000 gallons

Next 30,000 gallons used per month $10.49 per 1,000 gallons

All over 50,000 gallons used per month $9.69 per 1,000 gallons

MINIMUM MONTHLY BILL

No bill will be rendered for less than $36.15 per month, which is the equivalent of 3,000 gallons.

TAP FEE

The following charge is to be made whenever the District installs a new tap to serve an applicant.

A tap fee of $300.00 will be charged to customers applying for service outside of a certificate proceeding before the Commission for each new tap to the system.

DISCONNECT/ RECONNECT FEES) ADMINISTRATIVE FEES

Whenever water service has been disconnected for non-payment of sewer bills in conjunction with a water service termination agreement with the Town of Monongah, a disconnection fee of $25.00 shall be charged; or in the event the delinquent sewer bill is collected by the water company, an administrative fee of $25.00 shall be charged.

Whenever water service, which has been previously disconnected or otherwise withheld for non-payment of sewer bills in conjunction with a water service termination agreement with the Town of Monongah is reconnected, a reconnect fee of $25.00 shall be charged.

Whenever water service has been disconnected for non-payment of sewer bills in conjunction with a water service termination agreement with the Town of Worthington, a disconnection fee of $25.00 shall be charged; or in the event the delinquent sewer bill is collected by the water company, an administrative fee of $25.00 shall be charged.

Whenever water service, which has been previously disconnected or otherwise withheld for non-payment of sewer bills in conjunction with a water service termination agreement with the Town of Worthington, is reconnected, a reconnect fee of $25.00 shall be charged.

DELAYED PAYMENT PENALTY

The above schedule is net. On all accounts not paid in full when due, ten percent (10%) will be added to the net current amount unpaid. This delayed payment penalty is not interest and is only to be collected only once for each bill where it is appropriate.

LEAK ADJUSTMENT INCREMENT

$3.48 per M. gallons of water is to be used when the bill reflects unusual consumption which can be attributed to eligible leakage on customer's side of the meter. This rate shall be applied to all such consumption above customer's historical average usage.

RETURNED CHECK CHARGE

A service charge equal to the actual bank fee assessed to the District or a maximum of $25.00 will be imposed upon any customer whose check for payment of charges is returned by the bank due to insufficient finds.

SECURITY DEPOSIT

A deposit of $50.00 or 2-1/2 of the average annual usage of the applicant's specific customer class, whichever is greater.

ADMINISTRATIVE FEE - $15.00

To be charged in the event the District or its agent collects payment in full of a delinquent sewer bill at the customer's premise in lieu of discontinuance of water service for nonpayment of a sewer bill.

SURCHARGE FORMULA TO BE APPLIED IN CASES WHERE SURFACE DRAINAGE IS CONNECTED TO THE DISTRICT'S SANITARY SYSTEM

APPLICABILITY

Whenever the District has discovered that a customer's roof drain, downspout, storm sewer or similar facility conducting surface water has been connected to the District's sewer system and such a customer has failed to take appropriate action within thirty (30) days of receipt of a demand by the District in accordance with the Rules and Regulations of the Public Service Commission to eliminate such connection, a surcharge will be imposed upon the customer calculated on the basis of the following formula:

S = A x R x .006233 x C

S = the surcharge in dollars

A = the area under roof and or the area of any other water collecting surface connected to the sanitary sewer in square feet

R = the measured monthly rainfall in inches

.0006233 = a conversion factor to change inches of rain x square feet of surface to thousand of gallons of water

C = the District's approved rate per thousand gallons of metered water usage

The District shall not impose the surcharge unless and until the customer has been notified by certified mail, return receipt requested, or by hand delivery, that it has been established by smoke testing, dye testing, or on-site inspection that rain or surface water is being introduced into the sanitary sewer system at the customer's location, and that the customer has not acted within thirty days from receipt of such notice to divert the water from the sanitary sewer system.

The surcharge shall be calculated and imposed for each month the condition continues to exist. Failure to pay the surcharge and/or correct the situation shall give rise to the possible termination of water service in accordance with the Rules and Regulations of the Public Service Commission of West Virginia.

These rates represent the following project-related increases:

	MONTHLY ($)INCREASE	(%)INCREASE
Residential (4,000 gallons per month)	$12.00	33%
Commercial (20,000 gallons per month)	$58.05	34%

The proposed increased rates and charges will produce approximately $72,859.00 in additional revenue, an increase of 40.7%.

The increases shown are based on averages of all customers in the indicated class. Individual customers may receive increases that are greater or less than average. Furthermore, the requested rates and charges are only a proposal and are subject to change (increases or decreases) by the Public Service Commission in its review of this filing.

Pursuant to §24-2-11, West Virginia Code, IT IS ORDERED that the Greater Marion Public Service District give notice of the filing of said application, by publishing a copy of this order, once in a newspaper duly qualified by the Secretary of State, published and of general circulation in Marion County, making due return to this Commission of proper certification of publication immediately after publication. Anyone desiring to protest or intervene should file a written protest or notice of intervention within thirty days following the date of this publication unless otherwise modified by Commission order. Failure to timely protest or intervene can affect your right to protest aspects of this certificate case, including any associated rate increases, or to participate in future proceedings. All protests or requests to intervene should briefly state the reason for the protest or intervention. Requests to intervene must comply with the Commission's rules on intervention set forth in the Commission's Rules of Practice and Procedure. All protests and interventions should be addressed to Sandra Squire, Executive Secretary, P. O. Box 812, Charleston, West Virginia 25323.

IT IS FURTHER ORDERED that if there is no substantial protest to the Application received within said thirty day period, the Commission may waive formal hearing and grant the application based on the evidence submitted with said application and its review thereof.

Dear Commissioner Tennant:

I am pleased to inform you that I have approved the Marion County Commission project application in the amount of $1,250,000 for Appalachian Regional Commission (ARC) assistance, and I am forwarding the project for the Commission's review.

The project will replace the existing vacuum collection system in the communities of Carolina and Idamay in Marion County with a gravity collection system. The current system experiences repeated system failures resulting in raw sewage spilling into homes and streets in the communities. The project will serve 427 existing residential and commercial customers.

You must not proceed with this project until you have been officially notified that it has been approved by the Commission.

I am pleased to work with you to make this improvement a reality for the citizens of West Virginia.

With warmest regards,

BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF GREATER MARION PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A, Chapter 22C, Article 2 and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Greater Marion Public Service District (the "Issuer") is a public service district and a public corporation and political subdivision of the State of West Virginia in Marion County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain improvements and extensions to the existing public sewerage facilities of the Issuer, consisting of a new vacuum sewage collection system connecting to the existing vacuum system of the Town of Worthington in the communities of Idamay, Carolina and Kelly Town in Marion County, together with all appurtenant facilities (collectively, the "Project"), which constitute properties for the collection, treatment, purification or disposal of liquid or solid wastes, sewage or industrial wastes (the Project and any further improvements or extensions thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund and the West Virginia Infrastructure Fund pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds in the total aggregate principal amount of not more than $2,100,000 in two series (collectively, the "Series 1999 Bonds"), being the Sewer Revenue Bonds, Series 1999 A (West Virginia SRF Program), in the aggregate principal amount of not more than $400,000 (the "Series 1999 A Bonds"), and the Sewer Revenue Bonds, Series 1999 B (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than $1,700,000 (the "Series 1999 B Bonds"), to permanently finance a portion of the costs of acquisition and construction of the Project. The remaining costs of the Project shall be funded from the sources set forth in Section 2.01 hereof. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 1999 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Reserve Accounts (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 1999 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the

performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 1999 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Series 1999 A Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and among the Issuer, the Authority and the West Virginia Division of Environmental Protection, a division of the West Virginia Bureau of Environment (the "DEP"), and its Series 1999 B Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and between the Issuer and the Authority, on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), both loan agreements in form satisfactory to the respective parties (collectively, the "Loan Agreement"), approved hereby if not previously approved by resolution of the Issuer.

G. There are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

H. The estimated revenues to be derived in each year following completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System and the principal of and interest on the Series 1999 Bonds and to make payments into all funds and accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 1999 Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 1999 Bonds or such final order will not be subject to appeal or rehearing.

J. The Project has been reviewed and determined to be technically and financially feasible by the Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Series 1999 Bonds by those who shall be the Registered Owners of the

same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owners, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Registered Owners of any and all of such Series 1999 Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond of a series and any other Bonds of the same series, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

The registered Series 1999 Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 1999 Bonds or transferring the registered Bonds are exercised, Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 1999 Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No holder or holders of the Series 1999 Bonds shall ever have the right to compel

the exercise of the taxing power of the Issuer, if any, to pay the Series 1999 Bonds or the interest, if any, thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Series 1999 A Bonds and the Series 1999 B Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 1999 Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

As and when additional Bonds ranking on a parity with the Series 1999 Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in an amount equal to the maximum amount of principal and interest which will become due in any year for account of the Bonds of such series, including such additional parity Bonds.

Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

The moneys in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency

shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 1999 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 1999 Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 1999 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 1999 Bonds, shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 1999 Bonds or the interest , if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Series 1999 A Bonds and the Series 1999 B Bonds shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the System. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 1999 Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Final Order of the Public Service Commission of West Virginia entered March 29, 1999, in Case No. 98-0474-PSD-CN, and such rates are hereby adopted.

Section 7.05. Sale of the System. So long as the Series 1999 Bonds are outstanding and except as otherwise required by law or with the written consent of the DEP, the Authority and the Council, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of

the System shall, with respect to the Series 1999 Bonds, immediately be remitted to the Commission for deposit in the Sinking Funds, and, with the written permission of the DEP, the Authority and the Council, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 1999 Bonds. Any balance remaining after the payment of the Series 1999 Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $10,000 but not in excess of $50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 1999 Bonds. All obligations issued by the Issuer after the issuance of the Series 1999 Bonds and payable from the revenues of

the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 1999 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 1999 Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 1999 Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the DEP, the Authority and the Council prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. No Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 1999 Bonds pursuant to this Bond Legislation, except with the prior written consent of the Authority, the DEP and the Council under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 1999 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions and improvements to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 1999 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 1999 Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the

Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the DEP, the Authority and the Council, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the DEP, the Authority and the Council such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the DEP, the Authority and the Council, or their agents and representatives, to inspect all records pertaining to the operation of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the DEP, the Council, the Authority, or any other original purchaser of the Series 1999 Bonds, and shall mail in each year to any Holder or Holders of the Series 1999 Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 1999 Bonds, and shall submit said report to the DEP, the Council and the Authority, or any other original purchaser of the Series 1999 Bonds. Such audit report submitted to the DEP, the Authority and the Council shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

The Issuer shall permit the DEP, the Authority and the Council, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the Authority and the Council, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the DEP, the Authority and the Council with respect to the System pursuant to the Act.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in EXHIBIT E of the Loan Agreement for the Series 1999 A Bonds or as promulgated from time to time.

Section 7.09. Rates. Prior to the issuance of the Series 1999 Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate

of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 1999 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 1999 Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 1999 A Bonds Reserve Account, the Series 1999 B Bonds Reserve Account and the reserve accounts for obligations on a parity with the Series 1999 Bonds are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 1999 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 1999 Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the DEP, the Authority and the Council within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the DEP, the Authority and the Council and to any Holder of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the DEP, the Authority and the Council and to any Holder of any Bonds, or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached

to the respective Loan Agreements, and forward a copy of such report to the DEP, the Authority and the Council by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the DEP, the Authority and the Council, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the DEP, the Authority and the Council is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate resident engineering services satisfactory to the DEP, the Authority and the Council covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such resident engineer shall certify to the DEP, the Authority, the Council and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt. The Issuer shall submit a "Performance Certificate," a form of which is attached to the Loan Agreement for the Series 1999 A Bonds as Exhibit A, to the DEP within 60 days of the end of the first year after the Project is completed.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the DEP when the Project is 90% completed.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 25% complete and shall retain such a certified operator(s) to operate the System during the entire term of the Loan Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 25% completion stage.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System and any services and facilities of the water system, if so owned by the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water facilities are not owned by the Issuer, the Issuer shall enter into a termination agreement with the water provider, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 7.14. No Free Services. Except as required by law, the Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the

System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority and the DEP. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Division of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Division of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Completion and Operation of Project; Permits and Orders. The Issuer will complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer has entered into a transmission and treatment agreement with the Town of Worthington (the "Town"), whereby the Town will treat the wastewater of the Issuer delivered to the Town's treatment plant. The Issuer has also entered into an operation and maintenance agreement with the Town, whereby the Town will operate and maintain the System.

The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia necessary for the acquisition and construction of the Project and the operation of the System.

Section 7.18. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 1999 Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 1999 Bonds during the term thereof is, under the terms of the Series 1999 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 1999 Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 1999 Bonds during the term thereof is, under the terms of the Series 1999 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 1999 Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 1999 Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of the portion of the Project to which such Private Business Use is related. All of the foregoing shall be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of 5% of the Net Proceeds of the Series 1999 Bonds or $5,000,000 are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 1999 Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The Issuer will timely file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 1999 Bonds and the interest thereon including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest on the Series 1999 Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.19. Statutory Mortgage Lien. For the further protection of the Holders of the Series 1999 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 1999 Bonds.

Section 7.20. Compliance with Loan Agreement and Law. The Issuer agrees to comply with all the terms and conditions of the Loan Agreement and the Act. Notwithstanding anything herein to the contrary, the Issuer will provide the DEP and the Council with copies of all documents submitted to the Authority.

The Issuer also agrees to comply with all applicable laws, rules and regulations issued by the DEP, the Authority, the Council or other state, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

Section 7.21. Securities Laws Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

Section 7.22. Contracts. A. The Issuer shall, simultaneously with the delivery of the Series 1999 Bonds or immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

B. The Issuer shall submit all proposed change orders to the DEP and the Council for written approval. The Issuer shall obtain the written approval of the DEP and the Council before expending any proceeds of the Series 1999 Bonds held in "contingency" as set forth in the respective Schedules attached to the Loan Agreement. The Issuer shall also obtain the written approval of the DEP and the Council before expending any proceeds of the Series 1999 Bonds made available due to bid or construction or project underruns.

ARTICLE VIII

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank, or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 1999 Bonds are Outstanding and as long thereafter as necessary to assure the exclusion of interest, if any, on the Series 1999 Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 1999 Bonds which would cause the Series 1999 Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take any and all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 1999 Bonds) so that the interest, if

any, on the Series 1999 Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Tax Certificate and Rebate. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 1999 Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 1999 Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

If the Issuer is subject to the rebate requirements of Section 148(f) of the Code, and not exempted from such requirements, the Issuer covenants to make, or cause to be made, all rebate calculations, computations and payments in the time, manner and as required in Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Series 1999 Bonds and otherwise covenants and agrees to comply with the provisions of such Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Series 1999 Bonds. In the event of a failure to pay the correct rebate amount, the Issuer will pay, from any lawful sources available therefor, to the United States such amount, plus a penalty equal to 50% of the rebate amount not paid when required to be paid, plus interest on that amount, unless waived. In order to provide for the administration of this paragraph, the Issuer may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the Issuer may deem appropriate.

The Issuer shall furnish to the Authority, annually, and at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be requested by the Authority. In addition, the Issuer shall cooperate with the Authority in preparing any required rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation or, if the Issuer qualifies for any exception to rebate, the Issuer shall submit a certificate stating that it is exempt from the rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Series 1999 Bonds subject to rebate. The Issuer shall also furnish the

Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority, including information with respect to earnings on all funds constituting "gross proceeds" of the Series 1999 Bonds (as such term "gross proceeds" is defined in the Code).

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 1999 Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest, if any, on the Series 1999 Bonds; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 1999 Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 1999 Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, Registrar or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 1999 A Bonds shall be on a parity with the Holders of the Series 1999 B Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and

charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond

Legislation, and the title to and ownership of the System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

(WEST VIRGINIA SRF PROGRAM)

No. AR-1 $400,000

KNOW ALL MEN BY THESE PRESENTS: That GREATER MARION PUBLIC SERVICE DISTRICT, a public corporation and political subdivision of the State of West Virginia in Marion County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the West Virginia Water Development Authority (the "Authority") or registered assigns the sum of FOUR HUNDRED THOUSAND DOLLARS ($400,000), or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing June 1, 2001, as set forth on the "Schedule of Annual Debt Service" attached as EXHIBIT B hereto and incorporated herein by reference. The SRF Administrative Fee (as defined in the hereinafter described Bond Legislation) shall also be payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing June 1, 2001, as set forth on said EXHIBIT B.

This Bond shall bear no interest. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Department of Environmental Protection (the "DEP"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and among the Issuer, the Authority and the DEP, dated May 7, 1999.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public sewerage facilities of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of the Bonds of this

Series (the "Bonds") and related costs. The existing public sewerage facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (the "Act"), and a Bond Resolution duly adopted by the Issuer on June 22, 1999, and a Supplemental Resolution duly adopted by the Issuer on June 22, 1999 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Issuer has

entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Bond Legislation. Remedies provided the registered owners of the Bonds are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

UNITED STATES OF AMERICA
STATE OF WEST VIRGINIA
GREATER MARION PUBLIC SERVICE DISTRICT
SEWER REVENUE BOND, SERIES 1999 B
(WEST VIRGINIA INFRASTRUCTURE FUND)

No. BR-1 $1,700,000

KNOW ALL MEN BY THESE PRESENTS: That GREATER MARION PUBLIC SERVICE DISTRICT, a public corporation and political subdivision of the State of West Virginia in Marion County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the West Virginia Water Development Authority (the "Authority") or registered assigns the sum of ONE MILLION SEVEN HUNDRED THOUSAND DOLLARS ($1,700,000), or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2000, as set forth on the "Schedule of Annual Debt Service" attached as EXHIBIT B hereto and incorporated herein by reference.

This Bond shall bear no interest. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Infrastructure and Jobs Development Council (the "Council"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and between the Issuer and the Authority, on behalf of the Council, dated June 23, 1999.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public sewerage facilities of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of the Bonds of this Series (the "Bonds") and related costs. The existing public sewerage facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the

"System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (the "Act"), and a Bond Resolution duly adopted by the Issuer on June 22, 1999, and a Supplemental Resolution duly adopted by the Issuer on June 22, 1999 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL OTHER RESPECTS, WITH THE ISSUER'S SEWER REVENUE BONDS, SERIES 1999 A (WEST VIRGINIA SRF PROGRAM), DATED JUNE 23, 1999, ISSUED CONCURRENTLY HEREWITH IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $400,000 (THE "SERIES 1999 A BONDS").

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the Series 1999 A Bonds, and from moneys in the reserve account created under the Bond Legislation for the Bonds (the "Series 1999 B Bonds Reserve Account") and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the moneys in the Series 1999 B Bonds Reserve Account and unexpended proceeds of the Bonds. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest on the Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Bonds, including the Series 1999 A Bonds; provided however, that so long as there exists in the Series 1999 B Bonds Reserve Account an amount at least equal to the maximum amount of principal and interest which will become due on the Bonds in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with the Bonds, including the Series 1999 A Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Bond Legislation. Remedies provided the registered owners of the

Bonds are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of One Valley Bank, National Association, Charleston, West Virginia, as registrar (the "Registrar"), by the registered owner, or by its attorney duly authorized in writing, upon the surrender of this Bond together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of the Project and costs of issuance hereof described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the registered owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF GREATER MARION PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Greater Marion Public Service District (the "Issuer") is a public service district and a public corporation and political subdivision of the State of West Virginia in Marion County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain improvements and extensions to the existing public sewerage facilities of the Issuer, consisting of completion of a new vacuum sewage collection system connecting to the existing vacuum system of the Town of Worthington in the communities of Idamay, Carolina and Kelly Town in Marion County, and all appurtenant facilities (collectively, the "Project"), which constitute properties for the collection, transportation, treatment, purification or disposal of liquid or solid wastes, sewage or industrial wastes (the existing public sewerage system of the Issuer, the Project and any further additions, betterments and improvements thereto or extensions thereof are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund which the Authority administers pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds, Series 2000 (West Virginia SRF Program), in the aggregate principal amount of not more than $400,000 (the "Series 2000 Bonds"), to permanently finance a portion of the costs of acquisition and construction of the Project. The remaining costs of the Project shall be funded from the sources set forth in Section 2.01 hereof. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor and eligible under the SRF Program; interest, if any, upon the Series 2000 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Series 2000 Bonds Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2000 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2000 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 35 years.

F. It is in the best interests of the Issuer that the Series 2000 Bonds be sold to the Authority pursuant to the terms and provisions of the Bond Purchase Agreement (hereinafter defined), by and among the Issuer, the Authority and the West Virginia Division of Environmental Protection, a division of the West Virginia Bureau of the Environment (the "DEP"), in form satisfactory to the parties thereunder, to be approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2000 Bonds as to liens, pledge and source of and security for payment, being the (1) Sewer Revenue Bonds, Series 1999 A (West Virginia SRF Program), dated June 23, 1999, issued in the original aggregate principal amount of $400,000 (the "Series 1999 A Bonds"); and (2) Sewer Revenue Bonds, Series 1999 B (West Virginia Infrastructure Fund), dated June 23, 1999, issued in the original aggregate principal amount of $1,700,000 (the "Series 1999 B Bonds"); The Series 1999 A Bonds and the Series 1999 B Bonds are hereinafter collectively referred to as the "Prior Bonds."

The Series 2000 Bonds shall be issued on a parity with the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects. Prior to the issuance of the Series 2000 Bonds, the Issuer will obtain a certificate of an Independent Certified Public Accountant stating that the parity tests of the Prior Bonds are met and the written consent of the Holders of the Prior Bonds to the issuance of the Series 2000 Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no Outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. The Issuer is in compliance with all the covenants of the Prior Bonds and the Prior Resolutions.

H. The estimated revenues to be derived in each year following completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System, to pay the principal of and interest on the Series 2000 Bonds and the Prior Bonds, and to make payments into all funds and accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law and the Bond Purchase Agreement relating to authorization of the acquisition and construction of the Project and operation of the System and issuance of the Series 2000 Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the

time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2000 Bonds or such final order will not be subject to appeal or rehearing.

J. The Project has been reviewed and determined to be technically and financially feasible by the West Virginia Infrastructure and Jobs Development Council (the "Council") pursuant to Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Series 2000 Bonds by those who shall be the Registered Owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owners, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Registered Owners of any and all of such Series 2000 Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond of a series and any other Bonds of the same series, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2000 Bonds Sinking Fund and the Series 2000 Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority at anytime, the Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 2000 Bonds Sinking Fund and the Series 2000 Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2000 Bonds Sinking Fund and the Series 2000 Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2000 Bonds under the conditions and restrictions hereinafter set forth.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest and reserve account payments with respect to the Series

2000 Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. The Issuer shall also on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission, the SRF Administrative Fee as set forth in the Schedule Y attached to the Bond Purchase Agreement.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Bond Purchase Agreement, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

J. All Tap Fees shall be deposited by the Issuer, as received, in the Bond Construction Trust Fund, and following completion of the Project, shall be deposited in the Revenue Fund and may be used for any lawful purpose of the System.

ARTICLE VI

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2000 Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2000 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2000 Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2000 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2000 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2000 Bonds or the interest , if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service of the Series 2000 Bonds shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the System, on a parity with the lien on such Net Revenues in favor of the Holders of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2000 Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges , with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Bond Purchase Agreement. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Final Order of the Public Service Commission of West Virginia entered November 8, 2000, in Case No. 98-0474-PSD-CN (Reopened), and such rates are hereby adopted.

So long as the Series 2000 Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Bond Purchase Agreement. In the event the schedule of rates and charges initially established for the System in connection with the Series 2000 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, or any part thereof, except as provided in the Prior Resolutions. Additionally, so long as the Series 2000 Bonds are outstanding and except as otherwise required by law or with the written consent of the DEP and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2000 Bonds, immediately be remitted to the Commission for deposit in the Series 2000 Bonds Sinking Fund, and, with the written permission of the DEP and the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2000 Bonds. Any balance remaining after the payment of the Series 2000 Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $10,000 but not in excess of $50,000,

the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2000 Bonds. All obligations issued by the Issuer after the issuance of the Series 2000 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2000 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2000 Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2000 Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the DEP and the Authority prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions shall be applicable. Additionally, no Parity Bonds, payable out of the revenues of the System, shall

be issued after the issuance of the Series 2000 Bonds pursuant to this Bond Legislation, except with the prior written consent of the Authority and the DEP under the conditions and in the manner herein provided (unless less restrictive than the provisions of the Prior Resolutions).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2000 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions and improvements to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer and approved by the Public Service Commission of West Virginia, the period for appeal of which has expired prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent

Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 2000 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2000 Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the DEP and the Authority, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the DEP and the Authority such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the DEP and the Authority, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Authority and the DEP, or any other original purchaser of the Series 2000 Bonds, and shall mail in each year to any Holder or Holders of the Series 2000 Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular or any successor thereto and the Single Audit Act or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2000 Bonds, and shall submit said report to

the DEP and the Authority, or any other original purchaser of the Series 2000 Bonds. Such audit report submitted to the DEP and the Authority shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Bond Purchase Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Bond Purchase Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the DEP and the Authority, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Authority and the DEP, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the DEP and the Authority with respect to the System pursuant to the Act.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in EXHIBIT E of the Bond Purchase Agreement or as promulgated from time to time.

Section 7.09. Rates. Prior to the issuance of the Series 2000 Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2000 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series

2000 Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit respectively in the Reserve Accounts and the reserve accounts for obligations on a parity with the Series 2000 Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2000 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2000 Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the DEP and the Authority within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the DEP, the Authority and to any Holder of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the DEP, the Authority and to any Holder of any Bonds, or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Bond Purchase Agreement, and forward a copy of such report to the DEP and the Authority by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Bond Purchase Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the DEP and

the Authority, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the DEP and the Authority is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the DEP and the Authority covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the DEP and the Authority and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt. The Issuer shall submit a "Performance Certificate," a form of which is attached to the Bond Purchase Agreement as Exhibit A, to the DEP within 60 days of the end of the first year after the Project is completed.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the DEP when the Project is 90% completed. The Issuer shall at all times provide operation and maintenance of the system in compliance with all state and federal standards.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the Bond Purchase Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System and any services and facilities of the water system, if so owned by the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water facilities are not owned by the Issuer, the Issuer shall enter into a termination agreement with the water provider, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 2000 Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and

Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Bond Purchase Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank, or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest, if any, on the Series 2000 Bonds from gross income for federal income tax purposes.

Section 8.02. Certificate as to Use of Proceeds; Covenants as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2000 Bonds as a condition to issuance of the Series 2000 Bonds. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time

to time in effect and applicable to the Series 2000 Bonds as may be necessary in order to maintain the status of the Series 2000 Bonds as governmental bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2000 Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority, the Council or the DEP, as the case may be, from which the proceeds of the Series 2000 Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority, the Council or the DEP, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2000 Bonds and any additional information requested by the Authority.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2000 Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest, if any, on the Series 2000 Bonds; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2000 Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2000 Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, Registrar or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Resolutions.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holder of the Series 2000 Bonds shall be on a parity with the Holder of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the

System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of the System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

STATE OF WEST VIRGINIA
GREATER MARION PUBLIC SERVICE DISTRICT
SEWER REVENUE BONDS, SERIES 2000
(WEST VIRGINIA SRF PROGRAM)

No. R-1 $400,000

KNOW ALL MEN BY THESE PRESENTS: That GREATER MARION PUBLIC SERVICE DISTRICT, a public corporation and political subdivision of the State of West Virginia in Marion County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the West Virginia Water Development Authority (the "Authority") or registered assigns the sum of FOUR HUNDRED THOUSAND DOLLARS ($400,000), or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2001, as set forth on the "Debt Service Schedule" attached as EXHIBIT B hereto and incorporated herein by reference. The SRF Administrative Fee (as defined in the hereinafter described Bond Legislation) shall also be payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2001, as set forth on said EXHIBIT B.

This Bond shall bear no interest. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Division of Environmental Protection (the "DEP"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Bond Purchase Agreement by and among the Issuer, the Authority and the DEP, dated November 21, 2000.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public sewerage system of the Issuer (the "Project"); and (ii) to pay certain costs of issuance hereof and related costs. The existing public sewerage facilities of the Issuer, the Project and any further improvements and extensions thereto are herein called the "System." This Bond is issued under the

authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), a Bond Resolution duly adopted by the Issuer on December 7, 2000, and a Supplemental Resolution duly adopted by the Issuer on December 7, 2000 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL OTHER RESPECTS, WITH THE ISSUER'S (1) SEWER REVENUE BONDS, SERIES 1999 A (WEST VIRGINIA SRF PROGRAM), DATED JUNE 23, 1999, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $400,000 (THE "SERIES 1999 A BONDS"); AND (2) SEWER REVENUE BONDS, SERIES 1999 B (WEST VIRGINIA INFRASTRUCTURE FUND), DATED JUNE 23, 1999, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $1,700,000 (THE "SERIES 1999 B BONDS"). THE SERIES 1999 A BONDS AND THE SERIES 1999 B BONDS ARE HEREINAFTER COLLECTIVELY REFERRED TO AS THE "PRIOR BONDS".

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the holders of the Prior Bonds, unexpended proceeds of the Bonds, and from moneys in the reserve account created under the Bond Legislation for the Bonds (the "Series 2000 Bonds Reserve Account"). Such Net Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest, if any, hereon, except from said special fund provided from the Net Revenues, the moneys in the Series 2000 Bonds Reserve Account and unexpended proceeds of the Bonds. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest, if any, on the Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Bonds, including the Prior Bonds; provided however, that so long as there exists in the Series 2000 Bonds Reserve Account an amount at least equal to the maximum amount of principal and interest, if any, which will become due on the Bonds in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations

outstanding on a parity with the Bonds, including the Prior Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Bond Legislation. Remedies provided the registered owners of the Bonds are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of the Registrar (as defined in the Bond Legislation), by the registered owner, or by its attorney duly authorized in writing, upon the surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of the Project and costs of issuance hereof described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the registered owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.
