ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Grant County Public Service District (the "Issuer") is a public service district and a public corporation and political subdivision of the State of West Virginia in Grant County of said State.

B. The Issuer presently owns and operates a public waterworks system. However, it is deemed necessary and desirable for the health, safety, advantage, convenience and welfare of the inhabitants of the Issuer that there be acquired and constructed improvements and extensions to the existing public waterworks system of the Issuer, consisting of extension of water service in the Deep Spring Road area, booster pump station and water tank near Rough Run and all necessary appurtenances, the Project and any further improvements or extensions thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer and at the costs estimated in Section 2.01 hereof.

C. The Issuer intends to permanently finance the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), which administers the West Virginia Infrastructure Fund pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Water Revenue Bonds, Series 2011 A (West Virginia Infrastructure Fund) in the total aggregate principal amount of \$328,300 (the "Series 2011 A Bonds"), to permanently finance the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, upon the Series 2011 A Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Reserve Accounts (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2011 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2011 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 22 years.

F. It is in the best interests of the Issuer that its Series 2011 A Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and between the Issuer and the Authority, on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), in form satisfactory to the respective parties (the "Loan Agreement"), approved hereby if not previously approved by resolution of the Issuer.

G. Upon issuance of the Series 2011 A Bonds, the Issuer will have the following outstanding obligations which will rank on a parity with the Series 2011 A Bonds as to liens, pledge and source of and security for payment, being the Issuer's: (1) Water Revenue Bonds, Series 1976 (United States Department of Agriculture), dated November 13, 1978, issued in the original aggregate principal amount of \$350,000 (the "Series 1976 Bonds"); (2) Water Revenue Bonds, Series 1984 (United States Department of Agriculture), dated August 14, 1984, issued in the original aggregate principal amount of \$400,000 (the "Series 1984 Bonds"); (3) Water Revenue Bonds, Series 1990 (United States Department of Agriculture), dated September 25, 1990, issued in the original aggregate principal amount of \$209,000 (the "Series 1990 Bonds"); (4) Water Revenue Bonds, Series 1991 (United States Department of Agriculture), dated August 6, 1991, issued in the original aggregate principal amount of \$600,000 (the "Series 1991 Bonds"); (5) Water Revenue Bonds, Series 1993 (United States Department of Agriculture), dated December 6, 1993, issued in the original aggregate principal amount of \$130,000 (the "Series 1993 Bonds"); (6) Water Revenue Bonds, Series 1999 (United States Department of Agriculture), dated February 25, 1999, issued in the original aggregate principal amount of \$1,850,000 (the "Series 1999 Bonds"); (7) Water Revenue Bonds, Series 2005 A (West Virginia Infrastructure Fund), dated July 28, 2005, issued in the original aggregate principal amount of \$1,833,369 (the "Series 2005 A Bonds"); and

J. The Project has been reviewed and determined to be technically and financially feasible by the Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Any Series 2011 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. The Bond Registrar for the Series 2011 A Bonds shall be the bank or other entity to be designated as such in the Supplemental Resolution and its successors and assigns. No Series 2011 A Bond shall be valid or obligatory for any purpose or entitled to

Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any Series 2011 A Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

So long as the Series 2011 A Bonds remain outstanding, the Issuer, through the Bond Registrar as its agent, shall keep and maintain books for the registration and transfer of the Bonds.

The registered Series 2011 A Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 2011 A Bonds or transferring the registered Series 2011 A Bonds are exercised, all Series 2011 A Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Series 2011 A Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Bond Registrar. For every such exchange or transfer of Series 2011 A Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Series 2011 A Bonds or, in the case of any proposed redemption of Series 2011 A Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2011 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such

Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2011 A Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No holder or holders of the Series 2011 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2011 A Bonds or the interest, if any, thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues; Lien Positions with Respect to Prior Bonds and the Series 2011 B Bonds. The payment of the debt service of the Series 2011 A Bonds shall be secured by a first lien on the Net Revenues derived from the System on a parity with the lien on such Net Revenues in favor of the Holders of the Series 2011 B Bonds and the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Series 2011 A Bonds, Series 2011 B Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 3.09. Delivery of Bonds. The Issuer shall execute and deliver the Series 2011 A Bonds to the Bond Registrar, and the Bond Registrar shall authenticate, register and deliver the Series 2011 A Bonds to the original purchasers upon receipt of the documents set forth below:

Monies in the Series 2011 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 2011 A Bonds as the same shall become due. Monies in the Series 2011 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the Series 2011 A Bonds as the same shall come due, when other monies in the Series 2011 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on monies in the Series 2011 A Bonds Sinking Fund and the Series 2011 A Bonds Reserve Account, shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2011 A Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2011 A Bonds, and then to the next ensuing principal payment due thereon, all on a pro rata basis.

Any withdrawals from the Series 2011 A Bonds Reserve Account which result in a reduction in the balance therein to below the Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2011 A Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement thereof.

The Issuer shall not be required to make any further payments into the Series 2011 A Bonds Sinking Fund and the Series 2011 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2011 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2011 A Bonds, the Series 2011 B Bonds and the Prior Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2011 A Bonds Sinking Fund and the Series 2011 A Bonds Reserve Account and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. The Issuer shall make the necessary arrangements whereby required payments

into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the Series 2011 A Bonds Sinking Fund and the Series 2011 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2011 A Bonds Sinking Fund and the Series 2011 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2011 A Bonds under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest and reserve account payments with respect to the Series 2011 A Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the respective parties shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The monies in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

BOND PROCEEDS; CONSTRUCTION DISBURSEMENTS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the monies received from the sale of the Series 2011 A Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 2011 A Bonds, there shall first be deposited with the Commission in the Series 2011 A Bonds Sinking Fund, the amount, if any, set forth in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 2011 A Bonds for the period commencing on the date of issuance of the Series 2011 A Bonds and ending 6 months after the estimated date of completion of construction of the Project.

B. Next, from the proceeds of the Series 2011 A Bonds, there shall be deposited with the Commission in the Series 2011 A Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding the Series 2011 A Bonds Reserve Account.

C. As the Issuer receives advances of the remaining monies derived from the sale of the Series 2011 A Bonds, such monies shall be deposited with the Depository Bank in the Series 2011 A Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2011 A Bonds.

D. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2011 A Bonds shall be applied as directed by the Council.

Section 6.02. Disbursements From the Bond Construction Trust Fund. The Issuer shall each month provide the Council with a requisition for the costs incurred for the Project, together with such documentation as the Council shall require. Payments of all Costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements from the Series 2011 A Bonds Construction Trust Fund shall be made only after submission to and approval from the Council, of a certificate, signed by an Authorized Officer stating that:

- (a) None of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

- (b) Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;
- (c) Each of such costs has been otherwise properly incurred; and
- (d) Payment for each of the items proposed is then due and owing.

The Issuer shall expend all proceeds of the Series 2011 A Bonds within 3 years of the date of issuance of the Council's bonds, the proceeds of which were used to make the loan to the Issuer.

Pending such application, monies in the Series 2011 A Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2011 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2011 A Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2011 A Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No holder or holders of the Series 2011 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2011 A Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Positions with Respect to the Series 2011 B Bonds and the Prior Bonds. The payment of the debt service of the Series 2011 A Bonds shall be secured by a first lien on the Net Revenues derived from the System on a parity with the lien on such Net Revenues in favor of the Holders of the Series 2011 B Bonds and the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2011 A Bonds, Series 2011 B Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect. Such rates and charges

shall be sufficient to comply with the requirements of the Loan Agreement and the Issuer shall supply a certificate of certified public accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Recommended Decision of the Public Service Commission of West Virginia entered November 17, 2010 and Further Recommended Decision dated November 22, 2010 which became final on December 12, 2010 in Case No. 10-0953-PWD-CN, and such rates are hereby adopted.

So long as the Series 2011 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2011 A Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Series 2011 Bonds and the Prior Bonds are outstanding and except as otherwise required by law or with the written consent of the Council, the Authority and the holders of the Prior Bonds, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2011 A Bonds, immediately be remitted to the Commission for deposit in the Series 2011 A Bonds Sinking Fund and applied to the payment of principal of and interest, if any, on the Series 2011 A Bonds. Any balance remaining after the payment of the Series 2011 A Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with

all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2011 A Bonds. All obligations issued by the Issuer after the issuance of the Series 2011 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2011 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2011 A Bonds, and the interest thereon upon any or all of the income and revenues of the System pledged for payment of the Series 2011 A Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the Council prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Series 2011 B Bonds or Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2011 A Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the Council and without complying with the conditions and requirements herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2011 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions extensions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

So long as the Series 1976 Bonds, Series 1984 Bonds, Series 1990 Bonds, Series 1991 Bonds, Series 1993 Bonds, Series 1999 Bonds or Series 2008 A Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the Series 1976 Bonds, Series 1984 Bonds, Series 1990 Bonds, Series 1991 Bonds, Series 1993 Bonds, Series 1999 Bonds or Series 2008 A Bonds, representing 75% of the then-outstanding principal indebtedness. In the event the foregoing limitation is waived or when the Series 1976 Bonds, Series 1984 Bonds, Series 1990 Bonds, Series 1991 Bonds, Series 1993 Bonds, Series 1999 Bonds or Series 2008 A Bonds are no longer outstanding, the following requirement shall be met:

So long as the Series 2005 A Bonds or Series 2011 A Bonds are outstanding, no Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer and approved by the Public Service Commission of West Virginia, the time for appeal of which shall have expired prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the time for appeal of which shall have expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 2011 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2011 A Bonds.

So long as the Series 2005 A Bonds or Series 2011 A Bonds are outstanding no Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the Council such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary

records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Council, the Authority, or any other original purchaser of the Series 2011 A Bonds, and shall mail in each year to any Holder or Holders of the Series 2011 A Bonds, requesting the same, an annual report containing the following:

- (A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.
- (B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.
- (C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required, in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto) and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2011 A Bonds, and shall submit said report to the Council and the Authority, or any other original purchaser of the Series 2011 A Bonds. Such audit report submitted to the Authority and the Council shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Authority and the Council, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the Authority and the Council, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the Council with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2011 A Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file

with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2011 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2011 A Bonds, including the Series 2011 B Bonds and the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit in the Series 2011 A Bonds Reserve Account and the reserve accounts for obligations on a parity with the Series 2011 A Bonds, including the Series 2011 B Bonds and the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2011 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2011 A Bonds, including the Series 2011 B Bonds and the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the Council within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the Council and to any Holder of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority and the Council and to any Holder of any Bonds, or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement, and forward a copy of such report to the Authority and the Council by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans,

specifications and designs as submitted to the Authority and the Council, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the Council is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the Council covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the Council and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall employ qualified operating personnel properly certified by the State during the entire term of the Loan Agreement.

The Issuer will serve the additional customers at the location(s) as set forth in Certificate of Engineer. The Issuer will not reduce the amount of additional customers served by the project without the prior written approval of the Board of the Water Development Authority (the "Authority"). Following completion of the Project the Issuer will certify to the Authority the number of customers added to the System.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. Section 8.01. Investments. Any monies held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of the System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

(iii) That the Governmental Agency shall complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or with the written consent of the Council and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Local Bonds outstanding, with further restrictions on the disposition of portions of the System as are normally contained in such covenants;

(v) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and the Council; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Governmental Agency will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Governmental Agency will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Governmental Agency under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law;

(xi) That the Governmental Agency shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and

the Council, which report shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the Governmental Agency's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Governmental Agency and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim financing of such Governmental Agency, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the Authority and the Council, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Governmental Agency may not redeem any Local Bonds by it without the written consent of the Authority and the Council and otherwise in compliance with this Loan Agreement;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for the Local Bonds;

(xvii) That the Governmental Agency shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Governmental Agency shall complete the Monthly Payment Form, attached hereto as Exhibit D and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month. When required by the Authority, the Local Entity shall make monthly payments to the Commission by electronic transfer;

(xviii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Governmental Agency will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Governmental Agency shall take any and all action, or shall refrain from taking any action regarding the use of the proceeds of the Local Bonds, as shall be deemed necessary by the Authority to maintain the exclusion from gross income for federal income tax purposes of interest on the State's general obligation bonds or any bonds secured by the Local Bonds;

OPINION OF BOND COUNSEL FOR GOVERNMENTAL AGENCY

[To Be Dated as of Date of Loan Closing]

West Virginia Infrastructure and

West Virginia Water Development Authority

Charleston, West Virginia 25311

Ladies and Gentlemen:

We are bond counsel to _____ (the
"Governmental Agency"), a _____.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated _____, _____, including all schedules and exhibits attached thereto (the "Loan Agreement"), between the Governmental Agency and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and (ii) the issue of a series of revenue bonds of the Governmental Agency, dated _____, (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of \$_____, in the form of one bond, registered as to principal and interest to the Authority, with interest and principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, beginning _____, 1, _____, and ending _____, 1, _____, as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and
(ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Governmental Agency on _____, as supplemented by the supplemental resolution duly adopted by the Governmental Agency on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior

to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding special obligation of the Governmental Agency, enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Governmental Agency without the consent of the Authority and the Council.

3. The Governmental Agency is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Governmental Agency and constitute valid and binding obligations of the Governmental Agency, enforceable against the Governmental Agency in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Governmental Agency to the Authority and are valid, legally enforceable and binding special obligations of the Governmental Agency, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

- Item 1 You will need a copy of the current fiscal year budget adopted by the Governmental Agency to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($\$1,200/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ($\$900/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Governmental Agency according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.
- Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Governmental Agency.

The Governmental Agency must complete the Monthly Financial Report and forward it to the Water Development Authority by the 10th day of each month, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project.

On August 16, 2010, the Utility filed an affidavit of publication indicating that it published the notice required by the Commission.

On November 4, 2010, Staff recommended granting the certificate and recommended certain rates.

By Procedural Order issued November 5, 2010, the Utility was granted ten days to file any objections to the Staff recommendation. The Utility did not file any objections.

FINDINGS OF FACT

1. On June 29, 2010, the Utility filed an application for a certificate of convenience and necessity to construct certain extensions to its water system in the Deep Springs Road area in Milroy District, Grant County. (See application).
2. The wells in the proposed project area produce water of poor quality with excessive levels of iron and sulphur. The wells also have trouble producing sufficient quantity of water during dry periods. (See Staff filing of November 4, 2010).
3. The project would support economic growth in the region. (Id.).

4. The Utility purchases all of its water from the City of Petersburg which has sufficient capacity to provide the project. (See Staff filing of November 4, 2010).

5. The Utility currently serves 2,587 customers. (Id.).

6. The proposed project will serve 34 new customers. (Id.).

7. Proposed financing includes a West Virginia Infrastructure and Jobs Development Council (IJDC) loan in the amount of \$328,300 for twenty years at 3% interest; a Special Appropriations Grant (SAG) in the amount of \$461,700; a Grant County Commission grant in the amount of \$100,000; and a Utility contribution in the amount of \$100,000. (Id.).

8. The project will cost an estimated \$990,000. (Id.).

9. Twenty out of the thirty-four potential customers have signed water user agreements. (Id.).

10. Staff concluded that the cost per customer was excessive but that the monthly cost of \$0.71 per all customers on the system to finance the project was affordable. (Id.).

11. The total engineering costs are approximately 9.8% of the total project cost and 13.3% of the construction cost which Staff believes are within the range of reasonableness. (Id.).

12. The Utility plans to put pressure regulators on all water services where the pressure is greater than 135 pounds. The regulators will be maintained by the Utility in the meter boxes. (Id.).

13. The project will increase operation and maintenance expenses by \$4,819.13. (Id.).

14. The Office of Environmental Health Services, Division of Natural Resources, West Virginia Division of Culture and History, the United States Department of the Interior, and the Department of the Army have reviewed the project in some respect and issued various permits for the project. (Id.).

15. Staff determined that the rates of the Utility need to be increased some 2% over those approved in Case No. 10-0330-PWD-42T. (Id.).

16. The Staff-recommended rates provide the Utility with a surplus of \$43,466 and debt service coverage of 135.99%. (Id.).

17. The Staff-recommended rates create a minimum bill for a 3,000 gallon user of \$26.94 per month and an average bill of \$39.29 per month for a 4,500 gallon user. (Id.).

CONCLUSIONS OF LAW

1. Public convenience and necessity require the project.
2. The proposed financing is reasonable and should be approved.

3. The Staff-recommended rates are reasonable, just, based primarily on the cost of providing service, and should be adopted for all service rendered on and after the substantial completion of the project.

4. The application for a certificate of convenience and necessity should be granted without hearing.

ORDER

IT IS, THEREFORE, ORDERED that the Grant County Public Service District be, and hereby is, granted a certificate of convenience and necessity to construct the improvements to its water system described in its application of June 29, 2010. The cost of the project shall not exceed \$990,000. Approval is contingent upon the Utility obtaining all necessary state and federal permits before construction.

IT IS FURTHER ORDERED that the proposed financing, consisting of a West Virginia Infrastructure and Jobs Development Council loan in the amount of \$328,300 for twenty years at 3% interest; a Special Appropriations Grant in the amount of \$461,700; a Grant County Commission grant in the amount of \$100,000; and a Utility contribution in the amount of \$100,000, be, and hereby is, approved.

IT IS FURTHER ORDERED that, if the scope or plans for the project change, or project cost or financing changes require a further rate increase beyond any reviewed and approved by this Order, the Utility must obtain prior Commission approval before commencing construction. Changes in project cost or financing do not require separate approval if those changes do not affect rates and the Utility submits an affidavit from a certified public accountant to this effect.

IT IS FURTHER ORDERED that the Utility provide the Commission with a copy of an engineer's certified bid tabulation for all contracts awarded on this project as soon as they are available, but no later than ten days after the bid opening date.

IT IS FURTHER ORDERED that the Utility submit to the Commission a copy of the certificate of substantial completion issued for each construction contract associated with the project as soon as they are available, but no later than ten days after the issuance of such documents.

IT IS FURTHER ORDERED that the rates attached as Appendix A be, and hereby are, approved for use by the Grant County Public Service District for all service rendered on and after the date of substantial completion of the project. The Utility shall file with the Commission a proper tariff and at least five (5) copies within thirty (30) days of the date that the project is certified as substantially complete.

IT IS FURTHER ORDERED that the Utility comply with all rules and regulations of the Division of Highways regarding the use of Division of Highways' rights-of-way.

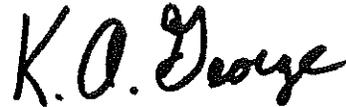

IT IS FURTHER ORDERED that the matter be removed from the open docket.

The Executive Secretary is hereby ordered to serve a copy of this order upon the Commission by hand delivery, and by electronic service upon all parties of record who have filed an e-service agreement with the Commission and by United States Certified Mail, return receipt requested, upon all parties of record who have not filed an e-service agreement with the Commission.

Leave is hereby granted to the parties to file written exceptions supported by a brief with the Executive Secretary of the Commission within fifteen (15) days of the date this order is mailed. If exceptions are filed, the parties filing exceptions shall certify to the Executive Secretary that all parties of record have been served said exceptions.

If no exceptions are so filed this order shall become the order of the Commission, without further action or order, five (5) days following the expiration of the aforesaid fifteen (15) day time period, unless it is ordered stayed or postponed by the Commission.

Any party may request waiver of the right to file exceptions to an Administrative Law Judge's order by filing an appropriate petition in writing with the Secretary. No such waiver will be effective until approved by order of the Commission, nor shall any such waiver operate to make any Administrative Law Judge's Order or Decision the order of the Commission sooner than five (5) days after approval of such waiver by the Commission.

Dear Ms. Kitzmiller:

Angela K. Chestnut, P.E.
Executive Director

The West Virginia Infrastructure and Jobs Development Council (Infrastructure Council) has reviewed the Grant County Public Service District's (District) revised preliminary application to extend public water supply into areas that have poor quality groundwater and low producing wells (Project).

Barbara J. Pauley
Administrative Secretary

Based on the findings of the Water Technical Review Committee, the Infrastructure Council has determined that the Project is technically feasible within the guidelines of the Infrastructure and Jobs Development Act.

Upon consideration of the revised preliminary application, the Infrastructure Council recommends that the District utilize a \$461,700 Special Appropriations grant, a \$100,000 Grant County Commission contribution, and a \$100,000 Grant County Public Service District contribution to fund this \$990,000 Project.

The Infrastructure Council also determined that the District may be eligible for a \$328,300 Infrastructure Fund loan (3%, 20 yrs) pending final determination of the project's eligibility and readiness to proceed. **This letter is not a commitment of Infrastructure Funds.** The Project will be placed on the Infrastructure Council's pending list of projects.

If you have any questions regarding this matter, please contact Angela Chestnut at 304-558-4607 (X201).

Sincerely,

Kenneth Lowe, Jr.

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Grant County Public Service District (the "Issuer"), a public service district, public corporation and political subdivision created and existing under the laws of the State of West Virginia, of its \$328,300 Water Revenue Bonds, Series 2011 A (West Virginia Infrastructure Fund), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a loan agreement, dated March 22, 2011, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal and interest to the Authority, bearing interest at the rate of 3%, with principal and interest payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing September 1, 2012, to and including June 1, 2032, all as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying the costs of acquisition and construction of improvements and extensions to the existing public waterworks system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Bond Resolution duly adopted by the Issuer on March 10, 2011, as supplemented by a Supplemental Resolution duly adopted by the Issuer on March 10, 2011 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the Loan Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Loan Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district, public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the Council and cannot be amended by the Issuer so as to affect adversely the rights of the Authority and the Council or diminish the obligations of the Issuer without the written consent of the Authority and the Council.

3. The Bond Legislation and all other necessary orders and resolutions have been duly and effectively adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's: (1) Water Revenue Bonds, Series 1976 (United States Department of Agriculture), dated November 13, 1978, issued in the original aggregate principal amount of \$350,000 (the "Series 1976 Bonds"); (2) Water Revenue Bonds, Series 1984 (United States Department of Agriculture), dated August 14, 1984, issued in the original aggregate principal amount of \$400,000 (the "Series 1984 Bonds"); (3) Water Revenue Bonds, Series 1990 (United States Department of Agriculture), dated September 25, 1990, issued in the original principal amount of \$209,000 (the "Series 1990 Bonds"); (4) Water Revenue Bonds, Series 1991 (United States Department of Agriculture), dated August 6, 1991, issued in the original aggregate principal amount of \$600,000 (the "Series 1991 Bonds"); (5) Water Revenue Bonds, Series 1993 (United States Department of Agriculture), dated December 6, 1993, issued in the original aggregate principal amount of \$130,000 (the "Series 1993 Bonds"); (6) Water Revenue Bonds, Series 1999 (United States Department of Agriculture), dated February 25, 1999, issued in the original aggregate principal amount of \$1,850,000 (the "Series 1999 Bonds"); (7) Water Revenue Bonds, Series 2005 A (West Virginia Infrastructure Fund), dated July 28, 2005, issued in the original aggregate principal amount of \$1,833,369 (the "Series 2005 A Bonds"); and (8) Water Revenue Bonds, Series 2008 A (United States Department of Agriculture), dated March 27, 2008, issued in the original aggregate principal amount of \$500,000 (the "Series 2008 A Bonds")

(collectively, the "Prior Bonds"), and the Water Revenue Bonds, Series 2011 B (West Virginia Infrastructure Fund), dated March 22, 2011, issued simultaneously herewith in the original aggregate principal amount of \$115,000 (the "Series 2011 B Bonds") all in accordance with the terms of the Bonds and the Bond Legislation.

5. The Bonds are, under the Act, exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Loan Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

Steptoe & Johnson PLLC

Ladies and Gentlemen:

I am counsel to Grant County Public Service District, a public service district, in Grant County, West Virginia (the "Issuer"). As such counsel, I have examined copies of the approving opinion of Steptoe & Johnson PLLC, as bond counsel, a loan agreement for the Series 2011 A Bonds dated March 22, 2011, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), the Bond Resolution duly adopted by the Issuer on March 10, 2011, as supplemented by the Supplemental Resolution duly adopted by the Issuer on March 10, 2011 (collectively, the "Bond Legislation"), orders of The County Commission of Grant County relating to the Issuer and the appointment of members of the Public Service Board of the Issuer, and other documents, papers, agreements, instruments and certificates relating to the above-captioned Bonds of the Issuer (collectively, the "Bonds"). All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Bond Legislation and the Loan Agreement when used herein.

I am of the opinion that:

1. The Issuer is duly created and validly existing as a public service district and as a public corporation and political subdivision of the State of West Virginia.

2. The Loan Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the other parties thereto, constitutes a valid and binding agreement of the Issuer enforceable in accordance with its terms.

3. The members and officers of the Public Service Board of the Issuer have been duly, lawfully and properly appointed and elected, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.

4. The Bond Legislation has been duly adopted by the Issuer and is in full force and effect.

5. The execution and delivery of the Bonds and the Loan Agreement and the consummation of the transactions contemplated by the Bonds, the Loan Agreement and the Bond Legislation and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, court order or consent decree to which the Issuer is subject.

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the creation and existence of the Issuer, the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders, certificates and approvals from The County Commission of Grant County, the Bureau of Public Health, the Council and the Public Service Commission of West Virginia, and has taken any other action required for the imposition of such rates and charges, including, without limitation, the adoption of a resolution prescribing such rates and charges. The Issuer has received the Recommended Decision of the Public Service Commission of West Virginia entered on November 17, 2010 and Further Recommended Decision entered on November 22, 2010 which became a final order on December 12, 2010 in Case No. 10-0953-PWD-CN, approving the financing for the Project and approving the rates for the System. The time for appeal of the Commission Order has expired prior to the date hereof without any appeal.

7. To the best of my knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Loan Agreement, the Bond Legislation, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds or the collection or pledge of the Net Revenues therefor.

8. All successful bidders have provided the drug-free workplace affidavit, submitted their drug free workplace plan, and the contracts contain language that complies with the Drug Free Workplace Act, Article 1D, Chapter 21 of the West Virginia Code. All successful bidders have made the required provisions for all insurance and payment and performance bonds and I have verified such insurance policies and bonds for accuracy. I have reviewed the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, and verify that such surety bonds and policies (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interests of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Bond Legislation and the Loan Agreements; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

Re: Grant County Public Service District
Final Title Opinion
Deep Springs Waterline Extension
Council Project Number: 2008W-1020 (Revised)

Dear Ladies and Gentlemen:

This firm represents the Grant County Public Service District ("District") with regard to a proposed project to extend water service in the Deep Springs Road area ("Deep Spring Project"), booster pump station and water tank near Rough Run and all necessary appurtenances and project facilities, ("Project") and provides this final title opinion on behalf of the District to satisfy the requirements of the West Virginia Infrastructure & Jobs Development Council (the "IJDC") with regard to the financing proposed for the Project. Please be advised of the following:

1. That I am of the opinion that the District is a duly created and existing public service district possessed with all the powers and authority granted to public service districts under the laws of the State of West Virginia and has the full power and authority to construct, operate and maintain the Project as approved by the West Virginia Bureau for Public Health.
2. That the District has obtained approval for all necessary permits and approvals for the construction of the Project.
3. That I have investigated and ascertained the location of and am familiar with the legal description of the necessary sites, including easements and/or rights of way, required for the Project as set forth in the plans for the Project prepared by Geary Associates, the consulting engineer for the Project.

4. That I have examined the records on file in the Office of the Clerk of the County Commission of Grant County, West Virginia, the county in which the Project is to be located, and, in my opinion, the District has acquired legal title or such other estate or interest in the necessary site components for the Project sufficient to assure undisturbed use and possession for the purpose of construction, operation and maintenance for the estimated life of the facilities to be constructed.

5. That all deeds or other documents which have been acquired to date by the District have been duly recorded in the aforesaid Clerk's Office in order to protect the legal title to and interest of the District.

Very truly yours,

~~GEARY AND GEARY, L.C.~~

Charleston, West Virginia

Ladies and Gentlemen:

Based upon the rates and charges set forth in the Recommended Decision of the Public Service Commission of West Virginia entered on November 17, 2010 and Further Recommended Decision entered on November 22, 2010 which became a Final Order on December 12, 2010 in Case No. 10-0953-PWD-CN and the current operation and maintenance expenses and customer usage as furnished to us by Grant County Public Service District (the "Issuer"), it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the waterworks system (the "System") of the Issuer, will pay all repair, operation and maintenance expenses of the System and leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Issuer's: Water Revenue Bonds, Series 2011 A (West Virginia Infrastructure Fund) issued in the principal amount of \$328,300; and Water Revenue Bonds, Series 2011 B (West Virginia Infrastructure Fund) issued in the principal amount of \$115,000 (collectively, the "Bonds"), and all other obligations secured by a lien on or payable from the revenues of the System, on a parity with the Bonds, including the Issuer's: (1) Water Revenue Bonds, Series 1976 (United States Department of Agriculture), dated November 13, 1978, issued in the original aggregate principal amount of \$350,000; (2) Water Revenue Bonds, Series 1984 (United States Department of Agriculture), dated August 14, 1984, issued in the original aggregate principal amount of \$400,000; (3) Water Revenue Bonds, Series 1990 (United States Department of Agriculture), dated September 25, 1990, issued in the original principal amount of \$209,000; (4) Water Revenue Bonds, Series 1991 (United States Department of Agriculture), dated August 6, 1991, issued in the original aggregate principal amount of \$600,000; (5) Water Revenue Bonds, Series 1993 (United States Department of Agriculture), dated December 6, 1993, issued in the original principal amount of \$130,000; (6) Water Revenue Bonds, Series 1999 (United States Department of Agriculture), dated February 25, 1999, issued in the original principal amount of \$1,850,000; (7) Water Revenue Bonds, Series 2005 A (West Virginia Infrastructure Fund), dated July 28, 2005, issued in the original aggregate principal amount of \$1,833,369; and (8) Water Revenue

Bonds, Series 2008 A (United States Department of Agriculture), dated March 27, 2008, issued in the original principal amount of \$500,000 (collectively, the "Prior Bonds").

It is further our opinion that (i) the Net Revenues for the Fiscal Year following the year in which the Series 2011 A Bonds are issued will be at least 120% of the average annual debt service on the Prior Bonds, the Series 2011 A Bonds and that (ii) the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Series 2011 A Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2011 A Bonds, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Prior Bonds and the Series 2011 A Bonds.

Very truly yours,

(West Virginia Infrastructure Fund)

CERTIFICATE AS TO USE OF PROCEEDS

The undersigned Chairman of the Public Service Board of Grant County Public Service District in Grant County, West Virginia (the "Issuer"), being one of the officials of the Issuer duly charged with the responsibility for the issuance of \$328,300 Water Revenue Bonds, Series 2011 A (West Virginia Infrastructure Fund), of the Issuer, dated March 22, 2011 (the "Bonds"), hereby certify this 22nd day of March, 2011 as follows:

1. I am one of the officers of the Issuer duly charged with the responsibility of issuing the Bonds. I am familiar with the facts, circumstances and estimates herein certified and duly authorized to execute and deliver this certificate on behalf of the Issuer. Capitalized terms used herein and not otherwise defined herein shall have the meanings set forth in the Bond Resolution duly adopted by the Issuer on March 10, 2011 (the "Bond Resolution"), authorizing the Bonds.

2. This certificate may be relied upon as the certificate of the Issuer.

3. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on March 22, 2011, the date on which the Bonds are being physically delivered in exchange for an initial advance of the principal amount of the Series 2011 A Bonds, and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

4. In the Bond Resolution pursuant to which the Bonds are issued, the Issuer has covenanted that it shall not take, or permit or suffer to be taken, any action with respect to Issuer's use of the proceeds of the Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Internal Revenue Code of 1986, as amended, and the temporary and permanent regulations promulgated thereunder or under any predecessor thereto (collectively, the "Code"), issued by the West Virginia Water Development Authority (the "Authority") or the West Virginia Infrastructure and Jobs Development Council (the "Council"), as the case may be, from which the proceeds of the Bonds are derived, to lose their status as tax-exempt bonds. The Issuer hereby covenants to take all actions necessary to comply with such covenant.

5. The Series 2011 A Bonds were sold on March 22, 2011, to the Authority, pursuant to a loan agreement dated March 22, 2011, by and between the Issuer and the Authority, on behalf of the Council, for an aggregate purchase price of \$328,300 (100% of par), at which time, the Issuer received \$9,750.34 from the Authority and the Council, being the first advance of the principal amount of the Series 2011 A Bonds. No accrued interest has been or will be paid on the Series 2011 A Bonds. The balance of the principal amount of the Series 2011 A Bonds will be advanced to the Issuer as acquisition and construction of the Project progresses.

6. The Series 2011 A Bonds are being delivered simultaneously with the delivery of this certificate and are issued for the purposes of (i) paying the costs of acquisition and construction of the Project; and (ii) paying certain costs of issuance and related costs.

7. Within 30 days after the delivery of the Bonds, the Issuer shall enter into agreements which require the Issuer to expend at least 5% of the net sale proceeds of the Bonds on the Project, constituting a substantial binding commitment. The acquisition and construction of the Project and the allocation of the net sale proceeds of the Bonds to expenditures of the Project shall commence immediately and shall proceed with due diligence to completion all of the proceeds from the sale of the Bonds, together with any investment earnings thereon, will be expended for payment of costs of the Project on or before June 1, 2012. 15. The Issuer does not expect to sell or otherwise dispose of the Project in whole or in part prior to the last maturity date of the Bonds.

16. The amount designated as costs of issuance of the Bonds consists only of costs which are directly related to and necessary for the issuance of the Bonds.

17. All property financed with the proceeds of the Bonds will be owned and held by (or on behalf of) a qualified governmental unit.

18. No proceeds of the Bonds will be used, directly or indirectly, in any trade or business carried on by any person who is not a governmental unit.

19. The original proceeds of the Bonds will not exceed the amount necessary for the purposes of the issue.

20. The Issuer shall use the Bond proceeds solely for the costs of the Project, and the Project will be operated solely for a public purpose as a local governmental activity of the Issuer.

21. The Bonds are not federally guaranteed.

22. The Issuer has retained the right to amend the Bond Resolution authorizing the issuance of the Bonds if such amendment is necessary to assure that the Bonds remain public purpose bonds.

23. The Issuer has either (a) funded the Series 2011 A Bonds Reserve Account at the maximum amount of principal and interest which will mature and become due, on the Bonds in the then current or any succeeding year with the proceeds of the Bonds, or (b) created the Series 2011 A Bonds Reserve Account which will be funded with equal payments made on a monthly basis over a 10-year period until such Series 2011 A Bonds Reserve Account hold an amount equal to the maximum amount of principal and interest which will mature and become due, respectively, on the Bonds in the then current or any succeeding year. Monies in the Series 2011 A Bonds Reserve Account and the Series 2011 A Bonds Sinking Fund will be used solely to pay principal of and interest on each series of the Bonds and will not be available to pay costs of the Project.

24. There are no other obligations of the Issuer which (a) are to be issued at substantially the same time as the Series 2011 A Bonds, (b) are to be sold pursuant to a common plan of financing together with the 2011 A Bonds and (c) will be paid out of substantially the same sources of funds or will have substantially the same claim to be paid out of substantially the same sources of funds as the Bonds.

25. To the best of my knowledge, information and belief, there are no other facts, estimates and circumstances which would materially change the expectations herein expressed.

26. The Issuer will comply with instructions as may be provided by the Authority, at any time, regarding use and investment of proceeds of the Bonds, rebates and rebate calculations.

27. To the best of my knowledge, information and belief, the foregoing expectations are reasonable.

CASE NO. 89-344-PSWD-PC

GRANT COUNTY COMMISSION, Grant County.
Request for approval of County Plan
of Public Service Districts pursuant
to S.B. 191 and General Order No. 229.2.

5-6-90

ADMINISTRATIVE LAW JUDGE'S DECISION

PROCEDURE

Pursuant to Senate Bill 191 enacted by the West Virginia Legislature on March 8, 1986, and the Public Service Commission's General Order No. 229.2, entered December 2, 1986, the Staff of the Public Service Commission (Commission) has performed a study of all public service districts in Grant County and has submitted its County Plan (Plan) to the Grant County Commission.

On June 7, 1989, the Commission received a written communication from the Grant County Commission (County Commission) indicating that the County Commission had passed a resolution on May 31, 1989, adopting the draft Plan for the County Commission, as prepared by the West Virginia Public Service Commission. The County Commission requested that the Commission continue to assist it in its efforts until a final plan had been completed and implemented.

By Order entered August 9, 1989, a hearing was set pursuant to General Order No. 229.2, to be held in the County Commissioners' Court Room, Grant County Court House, Petersburg, West Virginia, on Thursday, September 14, 1989, at 1:30 p.m., EDST, at which time and place the Commission would hear any pertinent comments regarding the Grant County Plan.

By Joint Staff Memorandum received August 28, 1989, Ronald E. Robertson, Jr., Staff Attorney, filed with this Commission a copy of the Grant County Plan Addendum (Addendum) which was accompanied by a Memorandum from Danny L. Ellis of the Public Service District Division. Mr. Robertson stated that the Addendum contained Staff's final revised recommendations, benefits of recommended actions and Cost Benefit Analysis supporting the revised recommendations in the Grant County Plan. On September 8, 1989, Danny L. Ellis, then Chief Utilities Manager, County Plans, Public Service District Division, and David H. Wagner, Chief Utilities Analyst, Public Service District Division, filed with the Executive Secretary prepared direct testimony concerning the Plan.

RLW

The hearing was convened as scheduled in Petersburg, West Virginia, at which time it came to the attention of the Administrative Law Judge that the public had not received proper notice of the Addendum to the Plan, which contained the Cost Benefit Analysis. At the hearing, three documents were introduced as County Commission Exhibit Nos. 1, 2 and 3, indicating that the Notice of Hearing had been published in The Grant County Press on the 5th day of September, 1989; that the Mountain Top Public Service District had received a copy of the Notice of Hearing and a copy of the County Plan; that the Grant County Public Service District and Dorcas Public Service District had also received a copy of the Notice of Hearing and a copy of the Grant County Plan; and that a supplemental resolution had been passed indicating that the County Commission had met with the Grant County Public Service District (Grant) and Dorcas Public Service (Dorcas) District on May 15, 1989, and reviewed the draft Plan for Grant County. The supplemental resolution further indicated that the Plan had been adopted by Mountain Top Public Service District (Mountain Top) on June 2, 1989. The hearing was continued generally to allow the County Commission a review period of six months in which to review the complete Public Service Commission Staff-prepared Plan, including the Cost Benefit Analysis contained in the Addendum.

By Joint Staff Memorandum received November 3, 1989, Ronald E. Robertson, Jr., Staff Attorney, filed the following documents with the Commission:

- (1) A Certificate of Publication and Minutes of the Grant County Commission public hearing on September 18, 1989, regarding the County Plan Addendum;
- (2) Letters from the Grant County PSD, Mountain Top PSD, and Dorcas PSD approving the County Plan Addendum;
- (3) Minutes of the Grant County Commission meeting with Grant County PSD, Mountain Top PSD and Dorcas PSD on September 21, 1989;
- (4) Affidavit of Posting and the Grant County Commission Resolution for the public hearing on September 28, 1989; and
- (5) The Grant County Commission Resolution adopting the Grant County Plan.

Mr. Robertson also stated that the County Commission had requested a waiver of the remaining six-month review period and requested that the hearing be scheduled to comply with the Rules and Regulations for County Plans.

By Order entered December 5, 1989, the hearing was scheduled to be held in the Circuit Court Room, Grant County Court House, Petersburg, West Virginia, on Tuesday, January 16, 1990, at 1:30 p.m., EST. By Further Procedural Order entered December 13, 1989, the hearing was rescheduled to be held in the Circuit Court Room, Grant County Court House, Petersburg, West Virginia, on Wednesday, January 17, 1990, at 1:30 p.m., EST., and the

County Commission was required to publishing a copy of the order as a Class II legal advertisement in a newspaper, duly qualified by the Secretary of State, published and of general circulation in Grant County, no earlier than thirty (30) days nor later than ten (10) days prior to January 17, 1990.

The hearing was held on January 17, 1990, as scheduled. Appearing on behalf of Commission Staff was Ronald E. Robertson, Jr., Esquire, Staff Attorney, Legal Division; and Danny L. Ellis, David H. Wagner and Amy Swann, Director, all of the Public Service District Division. Appearing on behalf of the County Commission was Lewis E. Enderly, Esquire, of the law firm of Steptoe and Johnson. No parties or persons appeared in protest to the Plan.

EVIDENCE

The first person to testify on behalf of Commission Staff was Danny L. Ellis, Chief Utilities Manager, Public Service District Division. Mr. Ellis sponsored the Plan and the Addendum, for the record, and adopted his prepared direct testimony as filed with the Commission on September 8, 1989. Mr. Ellis briefly described the Plan and stated that the sponsored documents were true and accurate to the best of his knowledge. (Tr., pp. 7-8).

Mr. Ellis' prepared testimony gave an overview of the Plan process and a brief summary of the enabling legislation which resulted in rules promulgated by the Public Service Commission governing the County Plan process. Mr. Ellis also addressed the techniques employed in completing the district field investigations, and the drafting, reviewing and completion of the County Plans. He testified that the specific goal of each Plan include the analysis of each public service district for the purpose of determining the cost-effective manner of providing and expanding water and sewer service. (Staff Exh. No. C, p. 4 of 22). The summary objective for each district is simply the cost-effective improvement of current management, operations and service. (Staff Exh. No. C, p. 5 of 22). Mr. Ellis stated that the Plans are county-wide only if a county's district covers the entire county and that private and municipal systems are excluded. (Staff Exh. No. C, p. 5 of 22). Mr. Ellis explained that the County Commission elected on July 28, 1986, to prepare its own Plan. Then on February 17, 1989, the County Commission informed the Commission Staff that it would unable to complete the Plan and asked that the Plan be prepared by the Commission Staff. The Plan was prepared and forwarded to the County Commission and the Districts within Grant County on May 3, 1989, with the case being open for formal review on June 7, 1989. (Staff Exh. No. C, pp. 7-8 of 22). A description was given on the review process of a County Plan draft and the methodology used in completing a Cost Benefit Analysis of consolidation, merger or centralization. (Staff Exh. No. C, pp. 14-22).

The next person to testify on behalf of Commission Staff was David H. Wagner, former Chief Utilities Analyst, Public Service District Division. Mr. Wagner adopted his prepared direct testimony as filed on September 8, 1989, and added a few minor corrections to the testimony. (Tr.,

pp. 11-13; Staff Exh. No. D). Mr. Wagner also sponsored a document entitled "Follow-Up Field Investigation" and made two minor changes in the document. (Tr., p. 15; Staff Exh. No. F). Mr. Wagner explained that the Addendum was primarily his responsibility and that it contained the final recommendations, and the Cost Benefit Analysis that would result from his recommendations. (Tr., p. 16). His final recommendation is that Grant and Dorcas Public Service Districts be consolidated, as opposed to merged. He also recommended that the northwest corner of the county, which is currently in Grant County Public Service District's territory be given to Mountain Top Public Service District and that Mountain Top should not be included in the consolidation. (Tr., pp. 17-18). Mr. Wagner explained that the reason that the Commission Staff recommended that Mountain Top not become a part of the consolidation of Dorcas and Grant was due to the distance between Mountain Top and the other two Public Service Districts, and that the Cost Benefit Analysis shows that there would be no cost-savings in consolidating all the districts. (Tr., pp. 18-19). Mr. Wagner further stated that based upon his economic analysis of the Public Service Districts in Grant County that he believed that consolidation of Dorcas and Grant was in the best interest of the citizens, inasmuch as he believed that the consolidation would result in fewer rate increases and more efficient operation, the elimination of one office and board of directors. (Tr., p. 19-20).

Mr. Wagner's prefiled direct testimony consisted of eighteen (18) pages, with several pages of statements attached, and provided an overview of the Plan and Addendum with the investigation findings and recommendations. A reference was made to the possibility of multi-county plan actions, but at this time, none were considered in the Plan. (Staff Exh. No. D, p. 4 of 18). A brief description was given of the public service districts in Grant County, namely Dorcas Public Service District, Grant County Public Service District and Mountain Top Public Service District. (Staff Exh. No. D, pp. 4-5 of 18). The initial field investigation revealed that the Grant County districts were not in compliance with several Commission rules and several laws and in some instances were not in conformance with general accepted business practices. Further evaluations on July 24, 25, 26 and 27, 1989, showed that most of the findings have been corrected or actions have been taken to correct them. (Staff Exh. No. D, p. 8 of 18). Recommendations concerning creation, expansion, dissolution, consolidation, merger and centralization of the county districts were made. The final recommendation being that Grant and Dorcas be consolidated, or in the event consolidation is not acceptable to the debtholders, that Grant and Dorcas be merged. Secondly, Mountain Top should continue as a separate entity from the consolidation of Grant and Dorcas. (Staff Exh. No. 4, pp. 10-11 of 18). An explanation of how Staff arrived at its final recommendations and a brief description of the difference between consolidation and merger was given. Mr. Wagner explained that consolidation requires the creation of a new district with a new identity, and merger would cause one district to be absorbed into another. (Staff Exh. No. D, p. 11-18 of 18).

The first person to testify on behalf of the County Commission was Robert F. Sites, a Grant County Commissioner. Mr. Sites testified that the three public service districts within Grant County had been consulted as to their opinion of the plans and recommendations contained within the

Plan and Addendum and that public hearings on the Plan had been conducted. (Tr., p. 24). Mr. Sites gave a brief description of the events and procedures the County Commission had conducted in order to comply with the West Virginia Code and regulations of the Public Service Commission regarding the County Plans. (Tr., pp. 24-25). Mr. Sites indicated that various meetings were held to review not only the Plan but also the Addendum. (Tr., p. 24). Mr. Sites sponsored a resolution in which the County Commission approved the Plan and Addendum. (Tr., p. 27). He also stated that the County Commission requested that the remaining six-month review period be waived, since the Plan and Addendum had been approved. (Tr., p. 30). Mr. Sites testified that he understood that the districts and the County Commission had the six-month period to review the Plan. (Tr., p. 33).

The next person to testify on behalf of the County Commission was Ollie Arnold who is the Chairperson of the Grant County Public Service District. Mrs. Arnold testified that the Public Service Board of the Grant County Public Service District (Board) had received a copy of the Plan and Addendum and that the Commission and the Board supported the Plan. (Tr., pp. 35-36). Mrs. Arnold further explained that Mrs. Kitzmiller was authorized by the Board to send a letter to the County Commission stating that Grant agreed with the Plan and that the Board understood that it had a full six-month period, if necessary, to review the Plan and Addendum. Mrs. Arnold stated that the Board needed no additional time to review and study the Plan and Addendum. (Tr., p. 39).

The next person to testify on behalf of the County Commission was Larry Kitzmiller, who is the Treasurer of Mountain Top Public Service District and a member of the Public Service Board of Mountain Top (Board of Mountain Top). Mr. Kitzmiller was authorized to speak on behalf of the Board of Mountain Top at the hearing. Mr. Kitzmiller testified that the Board of Mountain Top had an opportunity to review the Plan and the Addendum; that it accepted the Plan and Addendum by resolution; and that the Board understands that it has up to six months to review and study the Plan and Addendum and wishes to waive any additional time, as it may be entitled under the West Virginia Code or Public Service Commission regulations. (Tr., pp. 41-46).

The next person to testify on behalf of the County Commission was Jack Yokum, Chairman of the Dorcas Public Service District, who testified that Dorcas received and studied the contents of the Plan and Addendum; that the Dorcas Board approved the Plan and Addendum by formal resolution; and that they also wish to waive any remaining time for review of the Plan and Addendum. (Tr., pp. 47-51).

The last person to testify on behalf of the County Commission was Tom Hinkle, News and Sports Editor, etc., of The Grant County Press. Mr. Hinkle verified that the notice for the hearing was published in The Grant County Press on January 2, and January 9, 1990. (Tr., pp. 54-55; County Commission Exh. F).

Upon consideration of all the above, the Administrative Law Judge finds and concludes that the County Commission has reviewed the Plan and Addendum and adopted it as its County Plan pursuant to Senate Bill 191.

No persons appeared in protest to the petition and, therefore, the Administrative Law Judge is of the opinion that it is reasonable that said Plan with Addendum be approved, with certain provisions. Since no private or municipal water and/or sewer systems were included in any substantive manner in the investigation for, and the preparation of, the Plan and Addendum, the adoption of the Plan and Addendum should not be construed as limiting or foreclosing any rights and privileges which these utilities may have, including the ability to increase their service territory and/or serve additional customers.

FINDINGS OF FACT

1. On March 8, 1986, the West Virginia Legislature enacted Senate Bill 191 requiring the Public Service Commission to perform a study of all public service districts and submit a County Plan concerning each county. (Staff Exh. No. C).
2. The Grant County Commission informed the Public Service Commission that it would be unable to prepare its own County Plan and asked that the County Plan be prepared by the Public Service Commission. (Staff Exh. No. C, pp. 7-8 of 22).
3. On May 3, 1989, the Public Service District Division, Public Service Commission, forwarded a Plan draft of the Plan to the County Commission. (Staff Exh. No. C, pp. 7-8 of 22).
4. By resolution passed May 31, 1989, the County Commission adopted the Draft Plan for Grant County as prepared by the West Virginia Public Service Commission with the concurrence of the three public service district's serving Grant County. (County Commission Exh. No. 3).
5. On June 27, 1989, the County Commission adopted the Plan and Addendum for Grant County, as prepared by the Staff of the West Virginia Public Service Commission. (County Commission Exh. No. A).
6. On August 29, 1989, the County Commission was supplied with the copy of the Addendum, which included the Cost Benefit Analysis of the Plan. (Internal Memorandum dated August 21, 1989).
7. On September 21, 1989, the County Commission met with Dorcas Public Service District, Grant County Public Service District and Mountain Top Public Service District to discuss the Addendum with Cost Benefit Analysis. (County Commission Exhs. A, B, C, D, E; Tr., pp. 26, 28, 44).
8. On September 28, 1989, the County Commission passed a resolution in which it adopted the Addendum and Cost Benefit Analysis. (County Commission Exh. A).
9. By Order entered August 9, 1989, these matters were set for hearing to be held in the County Commissioners' Court Room, Grant County Court House, Petersburg, West Virginia, on Thursday, September 14, 1989, at 1:30 p.m., EST. (Commission Order entered August 9, 1989, Notice of Hearing).

10. Proper notice was given pursuant to said August 9, 1989 Order. (County Commission Exh. No. 1).

11. At the hearing held on September 14, 1989, it became apparent that the County Commission had not properly reviewed the Cost Benefit Analysis which is referred to as the Addendum and the hearing was continued. (Tr., pp. 11-12, September 14, 1989 hearing).

12. By Order entered December 13, 1989, these matters were set for hearing to be held in the Circuit Court Room, Grant County Court House, Petersburg, West Virginia, on Wednesday, January 17, 1990, at 1:30 p.m. EST. (Commission Order entered December 13, 1989, Notice of Hearing: County Commission Exh. F).

13. Proper notice was given pursuant to said December 13, 1989 Order. (County Commission Exh. F).

14. At the hearing held on January 17, 1990, no one appeared to make protest to the approval and acceptance of the Plan. (Tr., p. 59, January 17, 1989 hearing).

15. Grant County Commissioner Robert Sites testified that the Plan and Addendum was in the public's best interest. (Tr. January 17, 1990 Hearing, p. 25).

16. Grant County Commissioner Robert Sites, Ollie Arnold, Chairperson of the Grant County Public Service District, Larry Kitzmiller, Treasurer of Mountain Top Public Service District and Jack Yokum, Chairman of the Dorcas Public Service District, all testified that they respectively waived the remainder of the six-month review period in order to review the County Plan or the Cost Benefit Analysis and that all districts had approved the Plan and Addendum. (Tr. January 17, 1990 Hearing, pp. 3, 39, 45, 51).

17. David H. Wagner, former Chief Utilities Analyst, Public Service District Division, Public Service Commission, testified that the final recommendation for the Plan is that Grant and Dorcas be consolidated as opposed to merged; that the northwest corner of the county which is currently in Grant's territory be given to Mountain Top and that Mountain Top not be included in the consolidation of Grant and Dorcas PSD. (Tr. January 17, 1990 Hearing, pp. 17-18; Staff Exh. No. D, pp. 11, 17 of 18).

18. Mr. Danny L. Ellis stated in his prepared direct testimony that the private and municipal systems were excluded from the analysis and the private and municipal systems are excluded in the Plan, per Staff's interpretation of the enabling legislation. (See, Staff Exh. No. C, p. 5 of 22).

CONCLUSION OF LAW

1. The Administrative Law Judge is of the opinion and finds that the Plan and Addendum as submitted at hearing are hereby approved. However, since municipal and private water and/or sewer systems were

neither reviewed by Commission Staff nor participated in the Plan and Addendum, or this proceeding, the adoption of the Plan and Addendum shall not be construed to limit or foreclose the ability of existing or future municipal or private utility systems to serve any areas which they may be able to reach either through their certificates or by statute. Further, the adoption of the Plan should not be utilized as a reason for the rejection of an otherwise acceptable application for a certificate of convenience and necessity filed by a municipal or private water and/or sewer system.

2. Any changes in the operation of the Grant County public service districts directed in said Plan and Addendum shall be implemented immediately. If the County Commission is unable to implement the Plan, either wholly or in part, a request of waiver for modifications should be filed with this Commission.

ORDER

IT IS, THEREFORE, ORDERED that the Plan and Addendum as approved and accepted by the Grant County Commission on June 27, 1989 and September 28, 1989, and accepted by resolution entered by the Grant County Commission (dated June 27, 1989) on May 31, 1989 and October 16, 1989, be, and the same hereby are, approved; provided, however, since municipal and private water and/or sewer systems were neither reviewed by Commission Staff nor participated in the Plan, Addendum, or this proceeding, the adoption of the Plan and Addendum shall not be construed to limit or foreclose the ability of existing or future municipal or private utility systems to serve any areas which they may be able to reach either through their certificates or by statute. Further, the adoption of the Plan and Addendum should not be utilized as a reason for the rejection of an otherwise acceptable application for a certificate of convenience and necessity filed by a municipal or private water and/or sewer system.

IT IS FURTHER ORDERED that the County Commission shall immediately take the steps necessary to implement the Plan and Addendum herein approved. Further, if the County Commission is unable to implement the Plan and Addendum, either wholly or in part, a request of waiver for modification shall be filed with this Commission.

The Executive Secretary is hereby ordered to serve a copy of this order upon the Commission by hand delivery, and upon all parties of record by United States Certified Mail, return receipt requested.

Leave is hereby granted to the parties to file written exceptions supported by a brief with the Executive Secretary of the Commission within fifteen (15) days of the date this order is mailed. If exceptions are filed, the parties filing exceptions shall certify to the Executive Secretary that all parties of record have been served said exceptions.

If no exceptions are so filed this order shall become the order of the Commission, without further action or order, five (5) days following the expiration of the aforesaid fifteen (15) day time period, unless it is ordered stayed or postponed by the Commission.

Any party may request waiver of the right to file exceptions to an Administrative Law Judge's Order by filing an appropriate petition in writing with the Secretary. No such waiver will be effective until approved by order of the Commission, nor shall any such waiver operate to make any Administrative Law Judge's Order or Decision the order of the Commission sooner than five (5) days after approval of such waiver by the Commission.

RE: Case No. 90-521-PWD-PC

Dear Mr. Cunningham:

Attached is a copy of Order No. 9-25-90-38, issued by the Grant County Commission during their Regular Session of this date and certified by the Clerk of the County Commission, consolidating the Dorcas PSD and the Grant County PSD.

At this same Regular Session, the motion was made, seconded and unanimously passed, to request that the Public Service Commission grant an exception from the requirement for a second public hearing on the consolidation and that a final order be issued as soon as possible. We realize that our request for a waiver of the public hearing may not be possible since we have been advised by counsel that §16-13A-2 of the West Virginia Code provides that "the Public Service Commission shall provide a hearing in the affected county on the [consolidation order]..." (emphasis added). If our request cannot be granted, we would appreciate it if you could expedite the public hearing process and the decision from the administrative law judge.

By way of explanation, we were advised by Bond Counsel that the consolidation order should not be issued until the Grant County PSD bond with F&HA had been closed. This bond closing has just taken place today (9/25).

We were further advised by Bond Counsel that the contract for the Dorcas PSD extension should not be awarded until the consolidation order had been issued and approved by the Public Service Commission. Bids for the Dorcas PSD extension were opened September 9, 1990, with the stipulation that the contract would not be awarded for 120 days.

As you can see, time is of the essence. Please advise us whether or not our request for exemption can be granted. We will appreciate anything you can do to expedite issuance of the Public Service Commission's final order approving the consolidation.

Sincerely,

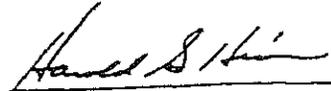

for

COMMISSION ORDER

On September 25, 1990, the Grant County Commission, a public corporation, Petersburg, Grant County, adopted a resolution consolidating the Dorcas Public Service District and the Grant County Public Service District, pursuant to the provisions of West Virginia Code, §16-13A-2.

By order entered by the Commission on November 1, 1990, this matter was set for hearing in Petersburg, West Virginia, on November 15, 1990. The Grant County Commission was required to give notice of said November 15, 1990 hearing by newspaper publication.

The hearing was held as scheduled on November 15, 1990. Mr. Robert Sites, a member of the Grant County Commission, appeared representing said Commission. Thomas Sayre, Esq., Staff Attorney, Legal Division, appeared on behalf of Commission Staff. No parties appeared at the hearing in protest to the action of the Grant County Commission. On November 26, 1990, the Administrative Law Judge entered a recommended decision.

On November 29, 1990, the Grant County Commission filed a request with the Commission for waiver of its right to file exceptions to the aforesaid recommended decision. Also, on November 29, 1990, the Commission received a written communication from Thomas Sayre, Esq., indicating that Commission Staff will not file exceptions to the recommended decision and had no objection to same.

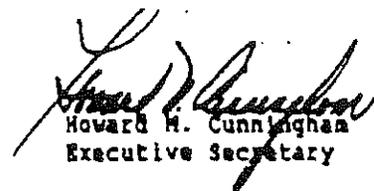

West Virginia Code §24-1-9 provides for a time period of at least twenty (20) days from the date of a recommended order until it becomes effective. Pursuant to West Virginia Code §16-13A-2, it is necessary for the Public Service Commission to schedule a hearing in Grant County.

**PUBLIC SERVICE COMMISSION
OF WEST VIRGINIA
CHARLESTON**

At a session of the PUBLIC SERVICE COMMISSION OF WEST VIRGINIA in the City of Charleston on the 4th day of May, 2009.

CASE NO. 09-0396-PWD-PC

THE COUNTY COMMISSION OF PENDLETON COUNTY, Franklin, Pendleton County, and THE COUNTY COMMISSION OF GRANT COUNTY, Petersburg, Grant County.

Petition for consent and approval to enlarge the service territory of Pendleton County Public Service District and to reduce the service territory of Grant County Public Service District.

COMMISSION ORDER

The Commission approves a petition to revise the service territory of two public service districts.

BACKGROUND

In Case Number 09-0115-PWD-PC-CN, the Pendleton County Public Service District has applied for a certificate of convenience and necessity for the Kline-Mozer project to extend its water system to serve 87 new customers, and a small portion of those new customers reside in Grant County. Grant County Public Service District does not object to the Grant County residents being served by the Pendleton County PSD. Application p. 4, Pendleton Co. PSD, Case No. 09-0115-PWD-PC-CN (filed Feb. 10, 2009).

Consistent with the recitations in the certificate application in Case Number 09-0115-PWD-PC-CN, the County Commissions of Pendleton County and Grant County petitioned on March 20, 2009, for the Public Service Commission's consent to enlarge the service territory of Pendleton County PSD and to reduce the service territory of Grant County PSD. In support of the petition, they filed

See Exhibits A-G.

On April 13, 2009, Commission Staff advised that no opposition was raised to the proposed boundary changes at either of the county commission hearings. Initial & Final Joint Staff Memorandum p. 2.

Staff legal counsel advised that W. Va. Code §16-13A-2 was amended in 2005 to leave to the Public Service Commission's discretion whether a hearing should be conducted in the Public Service Commission proceedings relating to a proposed boundary change. Prior to this amendment, the Public Service Commission was statutorily required to hold a hearing, and the Commission's rules¹ have not been revised and still require a hearing in a boundary change case. Initial & Final Joint Staff Memorandum pp. 2-3.

Staff legal counsel expressed concern that without a Public Service Commission hearing, the affected public has no notice of the ability to provide information to the Public Service Commission as to whether the boundary change should occur. Initial & Final Joint Staff Memorandum p. 3. Staff legal counsel noted that in an Order entered on November 9, 2005, the Public Service Commission required such notice in Cabell County Commission, Case Number 05-1019-PSD-PC.

¹ Rule 7.3 of the Commission's Rules for the Government of Sewer Utilities, 150 C.S.R. Series 5, and Rule 8.3 of the Commission's Rules for the Government of Water Utilities, 150 C.S.R. Series 7.

Staff legal counsel also acknowledged that the Public Service Commission entered an Order on January 21, 2009, in Fayette County Commission, Case Number 08-1861-PWD-PC, reciting that it is within the Commission's discretion whether notice and hearing are necessary in Public Service Commission proceedings regarding boundary modification requests. Initial & Final Joint Staff Memorandum pp. 3-4. In that recent case, the Public Service Commission did not require any hearing or notice of the Public Service Commission proceeding, after a hearing on the proposed boundary change was noticed and held in the affected county and no one appeared at the county commission hearing. See Comm'n Order p. 2, Fayette Co. Comm'n, Case No. 08-1861-PWD-PC (Jan. 21, 2009).

Legal and technical Staff advised that the Grant and Pendleton County Commissions had complied with W. Va. Code § 16-13A-2 and recommended that the Commission consent to the enlargement of Pendleton County PSD's service territory and the reduction of Grant County PSD's service territory. Initial & Final Joint Staff Memorandum p. 4. Staff legal counsel deferred to the Public Service Commission as to whether notice of the Public Service Commission proceeding should be provided in this case. Id.

On April 23, 2009, the Grant and Pendleton County Commissions responded, stating that notices were posted and published in both Grant and Pendleton Counties and that the orders proposing enlargement and reduction each noted that the actions being taken were subject to Public Service Commission approval. Therefore, the Grant and Pendleton County Commissions argued that further notice was not necessary. Ltr. p. 1.

DISCUSSION

W. Va. Code §16-13A-2 establishes the requirements for revising public service district boundaries. In accordance with those requirements, the Pendleton County Commission provided notice, conducted a hearing and issued an order approving the enlargement of the Pendleton County PSD's service territory and the Grant County Commission provided notice, conducted a hearing and issued an order approving the reduction of the Grant County PSD's service territory. As required by W. Va. Code §16-13A-2(f), the Grant and Pendleton County Commissions now seek the approval of the Public Service Commission for these changes.

It is within the Public Service Commission's discretion to determine whether notice and hearing are necessary in Public Service Commission proceedings regarding proposed boundary modification. W. Va. Code §16-13A-2(f). No one appeared at the Grant and Pendleton County hearings after notice of the proposed changes was posted and published. Upon these facts, the Public Service Commission will not require any notice or hearing of the Public Service Commission proceedings and will approve the requested reduction of Grant County PSD service territory and the enlargement of the Pendleton County PSD service territory.

FINDINGS OF FACT

1. On March 20, 2009, the Grant and Pendleton County Commissions filed a petition for the Commission's approval of County Commission Orders to reduce the Grant County PSD service territory and enlarge the Pendleton County PSD service territory, pursuant to W. Va. Code §16-13A-2. See Petition & exhibits.

2. After notice and hearing, the Grant County Commission approved the reduction of the Grant County PSD service territory and the Pendleton County Commission approved the enlargement of the Pendleton County PSD service territory. See Petition Exhibits A & E.

3. Staff recommended that the petition be approved. Staff deferred to the Public Service Commission whether hearing and notice should be provided of the Public Service Commission proceedings. Initial & Final Joint Staff Memorandum pp. 3-4 (Apr. 13, 2009).

CONCLUSIONS OF LAW

1. No County Commission order regarding public service district boundary modifications is effective without approval by the Public Service Commission. W. Va. Code §16-13A-2.

2. Adequate public notice of the boundary change for the Pendleton County PSD and the Grant County PSD has been provided.

3. It is reasonable to approve the enlargement of the Pendleton County PSD service territory and the reduction of the Grant County PSD service territory so that Grant County residents in the affected area may receive public water service.

ORDER

IT IS THEREFORE ORDERED that the petition to reduce the service territory of Grant County PSD and to enlarge the service territory of Pendleton County PSD is approved.

IT IS FURTHER ORDERED that this case shall be removed from the Commission docket of open cases.

IT IS FURTHER ORDERED that the Commission's Executive Secretary serve a copy of this Order upon all parties of record by United States First Class Mail and upon Commission Staff by hand delivery.

voted or acted upon. However, this rule does not prohibit the Board from deliberating, voting or otherwise taking action by reference to an agenda, if copies of the agenda, sufficiently worded to enable the public to understand what is being deliberated, voted or acted upon, are available for public inspection at the meeting. The Board may not vote by secret or written ballot.

Rule No. 7. Broadcasting of Meetings. Except as otherwise provided in this rule, any radio or television station is entitled to broadcast all or any part of a Board meeting required to be open. The Board shall allow the equipment to be placed within the meeting room in such a way as to permit its intended use, and the ordinary use of the equipment may not be declared to constitute undue interference; provided, that if the Board, in good faith, determines that the size of the meeting room is such that all the members of the public present and the equipment and personnel necessary for broadcasting, photographing, filming and tape-recording the meeting cannot be accommodated in the meeting room without unduly interfering with the meeting and an adequate alternative meeting room is not readily available, then the Board, acting in good faith and consistent with the purposes of this rule, may require the pooling of the equipment and the personnel operating it.

Rule No. 8. Telephonic Meetings. Board meetings may be held by telephone conference or other electronic means. All Board members participating by telephone or other electronic means must be audible to all those personally present.

BE IT RESOLVED AND ORDERED BY THE PUBLIC SERVICE BOARD OF GRANT COUNTY PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for This Resolution. This Resolution is adopted pursuant to the provisions of Article 13A, Chapter 16 of the West Virginia Code and other applicable provisions of law. Grant County Public Service District (herein called the "District") is a public service district created pursuant to said Article 13A by The County Commission of Grant County by merger of Maysville Public Service District and North Fork Public Service District, both said public service districts also being in Grant County and having been created by said County Commission by orders entered respectively January 14, 1971, and September 12, 1974.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

(A) The District does not now have a waterworks system and water supply facilities within the District adequate to serve the needs of the District and all or most of such facilities will be abandoned upon completion of the Project.

(B) It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of

the District, and, accordingly, it is hereby ordered, that there be constructed a new waterworks system of the District consisting of water mains and distribution lines,

with all necessary appurtenant facilities (herein called the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Secretary of the Public Service Board of the District (herein called the "Board"). Water will be purchased under contract from the City of Petersburg.

(C) It is necessary for the District to issue its revenue bond in the principal amount of \$350,000 to finance the cost of such construction in the manner hereinafter provided.

(D) The estimated maximum cost of the construction of the Project is \$1,150,000, of which \$350,000 will be obtained from the proceeds of sale of the Series 1976 Bond herein Authorized, \$500,000 from a grant from the United States Department of Housing and Urban Development, \$100,000 from the County Commission of Grant County, and \$200,000 from Appalachian Regional Commission.

(E) The cost of such construction shall be deemed to include, without being limited to, the construction or acquisition of the Project, the acquisition of any necessary property, real or personal, or interest therein; interest on the Series 1976 Bond prior to, during and for six months after completion of such construction to the extent that revenues of the System are not sufficient therefor; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; and such other expenses as may be necessary or incidental to the construction of the Project and the financing authorized by this resolution.

(F) The period of usefulness of the System after completion of the Project is not less than forty years.

(G) There are not outstanding any obligations of the District nor of the former Maysville Public Service District and North Fork Public Service District which will rank on a parity with or superior to the Series 1976 Bond as to lien and source of and security for payment.

(H) The District has complied with all requirements of West Virginia law relating to authorization of the construction, acquisition and operation of the Project and issuance of the Series 1976 Bond, or will have so complied prior to issuance of the Series 1976 Bond including, among other things, the consent and approval, pursuant to the Act, of the issuance of the Series 1976 Bond by the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired.

Section 1.03. Resolution to Constitute Contract. In consideration of the acceptance of the Series 1976 Bond by the Government, this Resolution shall be deemed to be and shall constitute a contract between the District and the Government, and the covenants and agreements set forth in this Resolution to be performed by the District shall be for the benefit, protection and security of the Government as holder of the 1976 Bond.

WATER REVENUE BOND, SERIES 1976

GRANT COUNTY PUBLIC SERVICE DISTRICT

\$350,000

No. 1

FOR VALUE RECEIVED, GRANT COUNTY PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America, acting through the Farmers Home Administration, United States Department of Agriculture (herein called the "Government"), at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of Three Hundred Fifty Thousand Dollars (\$350,000), plus interest on the unpaid principal balance at the rate of five per cent (5%) per annum. The said principal and interest shall be paid in the following installments on the following dates: Installments of interest only on the first day of each month for the first twenty-four months after the date hereof and \$1,719, covering principal and interest, thereafter on the first day of each month, except that the final installment shall be paid at the end of forty (40) years from the date of this Bond, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the reverse hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Farmers Loan Administration according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower, and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the

Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of construction and acquisition of additions, extensions and improvements to the waterworks of the Borrower, is payable solely from the revenue to be derived from the operation of such waterworks after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the waterworks. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Article 13A of Chapter 16 of the West Virginia Code (herein called the "Act").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act. This Bond shall be subject to the present regulations

of the Farmers Home Administration and to its future regulations not inconsistent with the express provisions hereof.

SERIES 1976 BOND PROCEEDS; REVENUES
AND APPLICATION THEREOF

Section 3.01. Series 1976 Bond Proceeds; Project Construction Account. All moneys received from the sale of the Series 1976 Bond shall be deposited on receipt by the District in Potomac Valley Bank, Petersburg, West Virginia, a member of Federal Deposit Insurance Corporation (herein called "FDIC"), in a special account hereby created and designated as "Grant County Public Service District Construction Account" (herein called the "Project Construction Account"). The moneys in the Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by such bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Moneys in the Project Construction Account shall be expended by the District solely for the purposes provided in this Resolution.

Until completion of construction of the Project, the District will transfer from the Project Construction Account and deposit in the Bond Fund, not later than fifteen days prior to the next interest payment date, such sums as shall be from time to time required to pay the interest becoming due on the Series 1976 Bond on such interest payment date if moneys in the Bond Fund are insufficient for such purpose.

If the District shall determine at any time that all funds on deposit in the Project Construction Account exceed the estimated disbursements on account of the Project for the ensuing 90 days, the District may invest such excess funds in direct obligations of, or obligations the principal of and interest on which are guaranteed by, the United States of America, which shall mature not later than eighteen months after the date of such investment. All such investments and the income therefrom shall be carried to the credit of the Project Construction Account.

When construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made.

* or Grant County Bank, either or both which are herein referred to as the "bank".

any balance remaining in the Project Construction Account shall be disposed of in accordance with the regulations of the Government.

Section 3.02. Covenants of the District as to Revenues and Funds.

So long as the Series 1976 Bond shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund, hereinafter established, a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Series 1976 Bond remaining unpaid, together with interest accrued and to accrue thereon, the District further covenants with the Government as follows:

(A) Revenue Fund. The entire gross revenues derived from the operation of the System, and all parts thereof, and all tap fees received, shall be deposited as collected by the District in a special fund in a bank or trust company in the State of West Virginia which is a member of FDIC, which fund, known as the "Revenue Fund", is hereby established with said Bank. The Revenue Fund shall constitute a trust fund for the purposes provided in this Resolution and shall be kept separate and distinct from all other funds of the District and used only for the purposes and in the manner provided in this Resolution.

(B) Disposition of Revenues. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority:

(1) The District shall first each month pay from the moneys in the Revenue Fund all current Operating Expenses.

(2) The District shall next, by the fifteenth day of each month, transfer from the Revenue Fund and pay to the National Finance Office designated in the Series 1976 Bond the amounts required to pay the interest on and the principal of the Series 1976 Bond as provided therein.

(3) The District shall next, by the fifteenth day of each month, transfer from the Revenue Fund and deposit with the said Bank in the Reserve Fund hereby established with said Bank, 1/12 of 1/10 of the maximum amount of principal and interest becoming due on the Series 1976 Bond

in any year until the aggregate amount in the Reserve Fund equals the sum of \$21,000, which sum is herein called the "Minimum Reserve". After the Minimum Reserve has been accumulated in the Reserve Fund, the District shall monthly deposit into the Reserve Fund such part of the moneys remaining in the Revenue Fund, after such provision for payment of monthly installments on the Series 1976 Bond and for payment of operating expenses of the System, as shall be required to maintain the Minimum Reserve in the Reserve Fund. Moneys in the Reserve Fund shall be used solely to make up any deficiency for monthly payments of the principal of and interest on the Series 1976 Bond to said National Finance Office as the same shall become due or for mandatory redemption of the Series 1976 Bond as hereinafter provided, and for no other purpose.

(4) The District shall next, by the fifteenth day of each month, transfer from the Revenue Fund and deposit in the Depreciation Reserve hereby established with said Bank, the moneys remaining in the Revenue Fund and not permitted to be retained therein, until there has been accumulated in the Depreciation Reserve the aggregate sum of \$58,000 and thereafter, such sums as shall be required to maintain such amount therein. Moneys in the Depreciation Reserve shall be used first to make up any deficiencies for monthly payments of principal of and interest on the Series 1976 Bond as the same become due, and next to restore to the Reserve Fund any sum or sums transferred therefrom. Thereafter, and provided that payments into the Reserve Fund are current and in accordance with the foregoing provisions, moneys in the Depreciation Reserve may be withdrawn by the District and used for extraordinary repairs and for replacements of equipment and improvements for the System, or any part thereof.

(5) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, any moneys remaining therein and not permitted to be retained therein may be used to prepay installments of the Series 1976 Bond outstanding, or for any lawful purpose.

Whenever the moneys in the Reserve Fund shall be sufficient to prepay the entire principal outstanding of the Series 1976 Bond, together with interest accrued and to accrue thereon to the date of prepayment, it shall be the mandatory duty of the District, anything to the contrary in this Resolution notwithstanding, to direct the said Bank to prepay the Series 1976 Bond at the earliest practical date and in accordance with applicable provisions hereof.

The aforesaid Bank (and any successor appointed by the District) is hereby designated as the Fiscal Agent for the administration of the Reserve Fund as herein provided, and all amounts required therefor will be deposited by the District upon transfers of funds from the Revenue Fund at the times provided herein.

All the funds provided for in this Section shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used the Government shall have a lien thereon for further securing payment of the Series 1976 Bond and the interest thereon, but the aforesaid Bank shall not be a trustee as to such funds. The moneys in excess of the sum insured by FDIC in any of such funds shall at all times be secured, to the full extent thereof in excess of such insured sum, in a manner lawful for securing deposits of State and municipal funds under the laws of the State of West Virginia.

If on any payment date the revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

The Fiscal Agent shall keep the moneys in the Reserve Fund and the Depreciation Reserve invested and reinvested to the fullest extent practicable in direct obligations of, or obligations the payment of the principal of and interest on which are guaranteed by, the United States of America and having maturities not exceeding two years. Earnings upon

moneys in the Reserve Fund, so long as the Minimum Reserve is on deposit and maintained therein, shall be paid annually in January into the Revenue Fund by the Fiscal Agent. Losses on investments shall be charged to the particular fund and made up by increased payments into such fund.

(C) Change of Fiscal Agent. The District may designate another bank insured by FDIC as Fiscal Agent if the aforesaid Bank should cease for any reason to serve or if the Board determines by resolution that said Bank or its successor should no longer serve as Fiscal Agent. Upon any such change, the Board will cause notice of the change to be sent by registered or certified mail to the Government.

(D) User Contracts. The District shall, prior to delivery of the Series 1976 Bond obtain user agreements from not less than 115 bona fide users and shall collect from such users and deposit in the Project Construction Account not less than \$15,750, based on a tap fee of \$50.

ARTICLE IV

GENERAL COVENANTS

Section 4.01. General Statement. So long as the Series 1976 Bond shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund a sum sufficient to prepay the entire principal of the Series 1976 Bond remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the District and the Government.

Section 4.02. Rates. The District will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide revenues in each fiscal year sufficient to produce net revenues equal to not less than 110% of the annual debt service on the Series 1976 Bond and to make the payments required herein into the Reserve Fund and the Depreciation Reserve and all the necessary expenses of operating and maintaining the System during such fiscal year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate revenues for such purposes.

Section 4.03. Sale of the System. The System will not be sold without the prior written consent of the Government so long as the Series 1976 Bond is outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 4.04. Issuance of Additional Parity Bonds. No additional parity Bonds payable out of the revenues of the System shall be issued after the issuance of the Series 1976 Bond pursuant to this Resolution except with the prior written consent of the Government.

Section 4.05. Insurance and Bonds. The District hereby covenants and agrees that, so long as the Series 1976 Bond remains outstanding, it will, as an expense of operation and maintenance of the

System, procure, carry and maintain insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, on all above-ground structures of the System in an amount equal to the actual cost thereof. In the event of any damage to or destruction of any portion of the System, the District will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The District will itself, or will require that each contractor dealing directly with the District ("prima contractor"), obtain and maintain builder's risk insurance to protect the interests of the District during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for persons injured or killed in one accident to protect the District from claims for bodily injury and/or death, and not less than \$200,000 from claims for damage to property of others which may arise from the District's operation of the System, such insurance to be procured at the commencement of construction of the Project.

(c) Vehicular Public Liability Insurance, in the event the District owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the District is operated for the benefit of the District, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the District from claims for bodily injury and/or death, and not less than \$200,000 from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle.

(d) Workmen's Compensation Coverage for all Employees of the

District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 1, Section 39.

(e) Fidelity Bonds will be provided as to every member of the Board and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the District in an amount at least equal to the total funds in the custody of any such person at any one time, provided, however, that no bond shall be required insofar as custody of the Project Construction Account is concerned.

(f) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Series 1976 Bond is outstanding, the District will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the District, and during such construction will require each prime contractor to carry insurance, of such types and in such amounts as the Government may specify, with insurance carriers or bonding companies acceptable to the Government.

Section 4.06. Statutory Mortgage. For the further protection of the Government, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Series 1976 Bond.

Section 4.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

- (A) Failure to make payment of any monthly amortization installment into the Bond Fund at the date specified for payment thereof;
- (B) Failure duly and punctually to observe or perform any of

the covenants, conditions and agreements on the part of the District contained in the Series 1976 Bond or in this Resolution, or violation of or failure to observe any provision of any pertinent law, provided any such failure or violation, excluding that covered in (A) above in this Section, shall continue for a period of thirty days after written notice shall have been given to the District by the Government specifying such failure or violation and requiring the same to be remedied.

Section 4.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Government may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Government, such court may, upon proof of such default, appoint a receiver for the affairs of the District and the System. The receiver so appointed shall administer the System on behalf of the District, shall exercise all the rights and powers of the District with respect to its System and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 4.09. Fiscal Year; Budget. While the Series 1976 Bond is outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a fiscal year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than thirty days prior to the beginning of each fiscal year, the District agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such fiscal year unless unanimously authorized and

directed by the Board. Copies of each Annual Budget shall be delivered to the Government by the beginning of each fiscal year.

If for any reason the District shall not have adopted the Annual Budget before the first day of any fiscal year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the year next preceding by more than ten per centum; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the District. Each such Budget of Current Expenses shall be mailed immediately to the Government.

Section 4.10. Compensation of Board Members. The District hereby covenants and agrees that no compensation for policy direction shall be paid to the members of its Board in excess of the amount permitted by the Act. Payment of any compensation to any member of the Board for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision of this resolution.

Section 4.11. Covenant to Proceed and Complete. The District hereby covenants to proceed as promptly as possible with the construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer and on file with the Secretary of the Board on the date of adoption of this resolution, subject to permitted changes.

Section 4.12. Books and Records. The District will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the District, in which complete and correct entries shall be made of all transactions relating to the System, and the

Government shall have the right at all reasonable times to inspect the System and all records, accounts and data of the District relating thereto.

The District shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Government.

Section 4.13. Maintenance of System. The District covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Series 1976 Bond is outstanding.

Section 4.14. No Competition. The District will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to, or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the District or within the territory served by the System.

Section 4.15. Concerning Arbitrage. The proceeds of sale of the Series 1976 Bond will not be invested in such a way as to violate the operating rules in the regulations of the Internal Revenue Service or of the Treasury Department of the United States of America in connection with the arbitrage provisions of Section 103(d) of the Internal Revenue Code of 1954, as amended.

BE IT RESOLVED AND ORDERED BY THE PUBLIC SERVICE BOARD OF GRANT COUNTY PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS
AND DEFINITIONS

Section 1.01. Authority for This Resolution. This Resolution is adopted pursuant to the provisions of Article 13A, Chapter 16 of the West Virginia Code (the "Act") and other applicable provisions of law. Grant County Public Service District (the "Issuer") is a public service district created pursuant to the Act by The County Commission of Grant County.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

A. The Issuer now has a public waterworks system and desires to acquire and construct an extension to said system, within the boundaries of the Issuer to be owned and operated by the Issuer. The acquisition and construction of such an extension to the existing waterworks facilities is herein called the "Project."

B. It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer, and, accordingly, it is hereby ordered, that there be constructed and acquired the Project consisting of water mains and transmission lines with all necessary appurtenant facilities (the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Secretary of the Public

Service Board District (the "Governing Body") of the Issuer. Water will be purchased from the City of Petersburg pursuant to a Water Purchase Agreement between the Issuer and said City of Petersburg. The construction and acquisition of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. It is necessary for the Issuer to issue its revenue bond in the principal amount of \$400,000 to finance a portion of the cost of such acquisition and construction in the manner hereinafter provided.

D. The estimated maximum cost of the acquisition and construction of the Project is \$1,840,000 of which \$400,000 will be obtained from the proceeds of sale of the Bond herein authorized, and \$1,250,000 from a grant by the Purchaser and \$190,000 in grants from other sources.

E. The cost of such construction shall be deemed to include, without being limited to, the construction and acquisition of the Project, the acquisition of any necessary property, real or personal, or interest therein; interest on the Bond prior to, during and for six months after completion of such construction to the extent that revenues of the System (hereinafter defined) are not sufficient therefor; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; and such other expenses as may be necessary or incidental to the acquisition and construction of the Project and the financing authorized hereby.

F. The period of usefulness of the System after completion of the Project is not less than forty years.

AUTHORIZATION, TERMS, EXECUTION, REGISTRATION AND ISSUE OF BOND

Section 2.01. Authorization of Bond. Subject and pursuant to the provisions of this Resolution, the Bond of the Issuer, to be known as "Water Revenue Bond, Series 1984," is hereby authorized to be issued in the aggregate principal amount of not exceeding Four Hundred Thousand Dollars (\$400,000) for the purpose of financing a portion of the cost of the construction and acquisition of the Project.

Section 2.02. Description of Bond. The Bond shall be issued in single form, No. R-1, only as a fully registered Bond, and shall be dated the date of delivery. The Bond shall bear interest from date, payable monthly at the rate of five per centum (5%) per annum, and shall be sold for the par value thereof.

The Bond shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer, and shall be payable as provided in the Bond form hereinafter set forth.

Section 2.03. Negotiability, Registration, Transfer and Exchange of Bonds. The Bond shall be and have all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but the Bond may only be transferred by transfer of the registration thereof upon the books required to be kept pursuant to Section 2.04 hereof, by the party in whose name it is registered, in person or by attorney duly authorized in writing, upon surrender of the Bond for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Registrar.

Whenever the Bond shall be surrendered for registration of transfer, the Issuer shall execute and deliver a new Bond in authorized denominations, for a like aggregate principal amount. The Registrar shall require the payment by the new owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer, but the Issuer shall pay any other expenses incurred by the Registrar with respect to such transfer.

No registration of transfer of the Bond shall be permitted to be made after the 15th day next preceding any installment payment date on the Bond.

Section 2.04. Registrar. The Registrar will keep or cause to be kept at its office, sufficient books for the registration and transfer of the Bond, and, upon presentation for such purpose, the Registrar shall, under such reasonable regulations as it may prescribe, register the Bond initially issued pursuant hereto and register the transfer, or cause to be registered, on such books, the transfer of the Bond as hereinbefore provided.

Section 2.07. Bond Secured by Pledge of Revenues. The payment of the debt service of the Bond shall be secured forthwith by a first lien on the Net Revenues derived from the System on a parity with the 1976 Bond in addition to the statutory mortgage lien on the System hereinafter provided for as to the Bonds. WATER REVENUE BOND, SERIES 1984

GRANT COUNTY PUBLIC SERVICE DISTRICT

\$400,000

No. R-1

Date: _____

FOR VALUE RECEIVED, GRANT COUNTY PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America, acting through the Farmers Home Administration, United States Department of Agriculture (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of FOUR HUNDRED THOUSAND DOLLARS (\$400,000) plus interest on the unpaid principal balance at the rate of five percent (5%) per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing on the 30th day following delivery of the Bond and continuing on the corresponding day of each month for the first twenty-four months after the date hereof and \$1,964, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of forty (40) years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the reverse hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Farmers Home Administration according to the source of funds involved,

shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of construction and acquisition of improvements for the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an

indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Registrar as defined in the Resolution hereinafter described, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in said Resolution, and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Article 13A of Chapter 16 of the West Virginia Code and a Resolution of the Borrower (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Farmers Home Administration and to its future regulations not inconsistent with the express provisions hereof.

This Bond is on a parity in all respects with the 1976 Bond described in said Resolution.

ARTICLE III

BOND PROCEEDS; REVENUES
AND APPLICATION THEREOF

Section 3.01. Bond Proceeds; Project Construction Account. The proceeds of sale of the Bond shall be deposited on receipt by the Issuer in the Grant County Bank, Petersburg, West Virginia, a member of Federal Deposit Insurance Corporation (the "FDIC"), in a special account hereby created and designated as "Grant County Public Service District Project Construction Account" (herein called the "Project Construction Account"). The monies in the Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by such bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Moneys in the Project Construction Account shall be expended by the Issuer solely for the purposes provided herein.

Until completion of acquisition and construction of the Project, the Issuer will transfer from the Project Construction Account and pay to the Purchaser on or before the due date, such sums as shall be from time to time required to make the monthly installments on the Bond if there are not sufficient Net Revenues to make such monthly payment.

Moneys in the Project Construction Account shall be used solely to pay the cost of acquisition and construction of the Project upon vouchers and other documentation approved by Purchaser.

If the Issuer shall determine at any time that all funds on deposit in the Project Construction Account exceed the estimated disbursements on account of the Project for the ensuing 90 days, the Issuer may invest such excess funds in direct obligations of, or obligations the principal of and interest on which are guaranteed by, the United States of America ("Government Obligations"), which shall mature not later than eighteen months after the date of such investment, or in investments secured by a pledge of Government Obligations. All such investments and the income therefrom shall be carried to the credit of the Project Construction Account.

When acquisition and construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the Project Construction Account shall be disposed of in accordance with the regulations of the Purchaser.

Section 3.02. Covenants of the Issuer as to Revenues and Funds. So long as the Bond shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund hereinafter described, a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Bond remaining unpaid, together with interest accrued and to accrue thereon, the Issuer further covenants with the holder of the Bond as follows:

A. REVENUE FUND. The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all tap fees received, shall be deposited as collected by the Issuer in a special fund in a bank or trust company in the State of West Virginia which is a member of FDIC, which Fund, known as the "Revenue Fund" was established by the 1976 Resolution and hereby continued. The Revenue Fund shall constitute a trust fund for the purposes provided in the Resolutions and shall be kept separate and distinct from all other funds of the Issuer and used only for the purposes and in the manner provided in the Resolutions.

B. DISPOSITION OF REVENUES. All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority:

(1) The Issuer shall first each month pay from the moneys in the Revenue Fund all current Operating Expenses.

(2) The Issuer shall next, on or before the due date of payment of each installment on the Bonds, transfer from the Revenue Fund and pay to the National Finance Office designated in the Bonds or otherwise the amounts required to pay the interest on the Bonds, and to amortize the principal of these Bonds over the life of each Bond issue.

(3) The Issuer shall next, by the fifteenth day of each month, transfer from the Revenue Fund and deposit with the said Bank in the Reserve Fund established by the 1976 Resolution and hereby continued, 1/12th of 1/10th of the amount of principal and interest becoming due on the Bonds in any year until the amount in the Reserve Fund equals the sum of \$45,000, such sum being herein called the "Minimum Reserve." After the Minimum Reserve has been accumulated in the Reserve Fund, the Issuer shall monthly deposit into the Reserve Fund such part of the moneys remaining in the Revenue Fund, after such provision for payment of monthly installments on the Bonds and for payment of operating expenses of the System, as shall be required to maintain the Minimum Reserve in the Reserve Fund. Moneys in the Reserve Fund shall be used solely to

make up any deficiency for monthly payments of the principal of and interest on the Bonds to said National Finance Office as the same shall become due or for prepayment of installments on the Bonds, or for mandatory prepayment of the Bonds as hereinafter provided, and for no other purpose; provided, however, that when the Minimum Reserve has been accumulated in the Reserve Fund all earnings of investments of moneys therein shall at least annually be transferred to and deposited in the Revenue Fund and used for ratable prepayment of principal of the Bonds.

(4) The Issuer shall next, each month, transfer from the Revenue Fund and deposit in the Depreciation Reserve, established by the 1976 Resolution with said Bank and hereby continued, the moneys remaining in the Revenue Fund and not permitted to be retained therein, until there has been accumulated in the Depreciation Reserve the aggregate sum of \$143,000, and thereafter such sums as shall be required to maintain such amount therein. Moneys in the Depreciation Reserve shall be used first to make up any deficiencies for monthly payments of principal of and interest on the Bonds as the same become due, and next to restore to the Reserve Fund any sum or sums transferred therefrom. Thereafter, and provided that payments into the Reserve Fund are current and in accordance with the foregoing provisions, moneys in the Depreciation Reserve may be withdrawn by the Issuer and used for extraordinary repairs and for replacements of equipment and improvements for the System, or any part thereof.

(5) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, any moneys remaining therein and not permitted to be retained therein may be used to prepay portions of the principal amounts of the Bonds ratably or for any lawful purpose.

Whenever the moneys in the Reserve Fund shall be sufficient to prepay the Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The aforesaid Bank (and any successor appointed by the Issuer) is hereby designated as the Fiscal Agent for the administration of the Reserve Fund and the

Depreciation Reserve as herein provided, and all amounts required therefor will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written advice stating the amount remitted for deposit into each such Fund.

All the funds provided for in this Section shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Bonds and the interest thereon, but the aforesaid Bank shall not be a trustee as to such funds. The moneys in excess of the sum insured by FDIC in any of such funds shall at all times be secured, to the full extent thereof in excess of such insured sum, in a manner lawful for securing deposits of State and municipal funds under the laws of the State of West Virginia.

If on any payment date the revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

The Fiscal Agent shall keep the moneys in the Reserve Fund and the Depreciation Reserve invested and reinvested to the fullest extent practicable in direct obligations of, or obligations the payment of the principal of and interest on which are guaranteed by, the United States of America and having maturities not exceeding two years. Earnings upon moneys in the Reserve Fund, so long as the Minimum Reserve is on deposit and maintained therein, shall be paid annually in January into the Revenue Fund by the Fiscal Agent.

C. CHANGE OF FISCAL AGENT. The Issuer may designate another bank insured by FDIC as Fiscal Agent if the aforesaid Bank should cease for any reason to serve or if the Governing Body determines by resolution that said Bank or its successor should no longer serve as Fiscal Agent. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

D. USER CONTRACTS. The Issuer, prior to delivery of the Bond, shall obtain signed user agreements from at least 210 bona fide full time users initially to be served by the Project and deposit in the Project Construction Account not less than \$10,500,

based on a tap fee of \$50 in full compliance with the conditions and requirements of the Purchaser.

ARTICLE IV

GENERAL COVENANTS

Section 4.01. General Statement. So long as the Bond shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund a sum sufficient to prepay the entire principal of the Bond remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Purchaser.

Section 4.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each fiscal year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Bonds and sufficient to make the payments required herein into the Reserve Fund and the Depreciation Reserve and all the necessary expenses of operating and maintaining the System during such fiscal year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate revenues for such purposes.

Section 4.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as the Bond is outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 4.04. Issuance of Additional Parity Bonds. No additional parity bonds payable out of the revenues of the System shall be issued, except with the prior written consent of the Purchaser.

Section 4.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Bond remains outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System and mechanical and electrical equipment in place or

stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Bond.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workman's Compensation Coverage for All Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds will be filed with the Clerk of the County Commission of said County prior to commencement of construction of

the Project in compliance with West Virginia Code Section 38-2-39.

(e) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount of \$10,000 upon the treasurer, provided, however, that no bond shall be required insofar as custody of the Project Construction Account is concerned so long as checks thereon require the signature of a representative of the Purchaser.

(f) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Bond is outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 4.06. Statutory Mortgage. For the further protection of the Purchaser, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Bond and shall be for the equal benefit of the Bonds.

Section 4.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(a) Failure to make payment of any monthly amortization installment upon the Bond at the date specified for payment thereof; and

(b) Failure duly and punctually to observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Bond or herein, or violation of or

failure to observe any provision of any pertinent law.

Section 4.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 4.09. Fiscal Year; Budget. While the Bond is outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a fiscal year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than thirty days prior to the beginning of each fiscal year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such fiscal year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each fiscal year.

If for any reason the Issuer shall not have adopted the Annual Budget before the first day of any fiscal year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year preceding by more than ten per centum; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 4.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 4.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer and on file with the Secretary on the date of adoption hereof, subject to permitted changes.

Section 4.12. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

BE IT RESOLVED AND ORDERED BY THE PUBLIC SERVICE BOARD OF GRANT COUNTY PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS
AND DEFINITIONS

Section 1.01. Authority for This Resolution. This Resolution is adopted pursuant to the provisions of Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law. Grant County Public Service District (the "Issuer") is a public service district and political subdivision of the State of West Virginia in Grant County of said State, duly created pursuant to the Act by The County Commission of Grant County.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

A. The Issuer now has a public waterworks system and desires to finance and acquire, construct, operate and maintain certain additional public service properties consisting of additions, betterments and improvements for such existing waterworks facilities of the Issuer with all appurtenant facilities, within the boundaries of the Issuer and to be owned and operated by the Issuer.

B. It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer, and, accordingly, it is hereby ordered,

that there be acquired and constructed certain additions, extensions and improvements to the existing waterworks facilities of the Issuer, consisting of an extension of the System (herein defined) by approximately 9,000 LF of four inch and two inch water line to serve nine families on Greenland Gap Road, Possum Hollow Road and across country to the Kessel Property, construction of two 31,000 gallon water storage tanks and the increase of the Route 42 booster station capacity from 75 GPM to 100 GPM and the addition of radio telemetry to control the Route 42 booster station, and all necessary appurtenant facilities (the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Secretary of the Public Service Board (the "Governing Body") of the Issuer. The Issuer will continue to purchase water from the City of Petersburg pursuant to a water purchase contract between the Issuer and said City. The existing waterworks facilities of the Issuer, together with the Project and any further additions, extensions or improvements thereto is herein called the "System." The acquisition and construction of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. The estimated revenues to be derived in each year from the operation of the System after completion of the Project will be sufficient to pay all the costs of the operation and maintenance of the System, the principal of and interest on the Bond (as hereinafter defined) and all debt service, reserve fund and other payments provided for herein.

D. The estimated maximum cost of the acquisition and construction of the Project is \$330,000, of which \$209,000 will be obtained from the proceeds of sale of the Bond herein authorized and \$121,000 from a grant by the Purchaser (as hereinafter defined).

E. It is necessary for the Issuer to issue its revenue bond in the principal amount of \$209,000 to finance a portion of the cost of such acquisition and construction in the manner hereinafter provided. The cost of such acquisition and construction shall be deemed to include, without being limited to, the acquisition and construction of the Project; the acquisition of any necessary property, real or personal, or interest therein; interest on the Bond prior to, during and for six months after completion of such construction to the extent that revenues of the System are not sufficient therefor; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; and such other expenses as may be necessary or incidental to the acquisition and construction of the Project and the financing authorized hereby; provided that, reimbursement to the Issuer for any

amounts expended by it for the repayment of indebtedness incurred for costs of the Project by the Issuer shall be deemed costs of the Project.

F. The period of usefulness of the System after completion of the Project is not less than 40 years.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Bond as to liens, pledges and source of and security for payment, being the Water Revenue Bond, Series 1976, dated November 13, 1978 (the "1976 Bond"), issued in the original principal amount of \$350,000 and the Water Revenue Bond, Series 1984, dated August 14, 1984 (the "1984 Bond"), issued in the original principal amount of \$400,000, both of which are held by the Purchaser. The 1976 Bond and the 1984 Bond are hereinafter collectively referred to as the "Prior Bonds." There are no other outstanding bonds or obligations which will rank prior to or on a parity with the Bond as to liens, pledges and/or source of and security for payment.

The Issuer is not in default under the terms of the Prior Bonds or any resolution or document in connection therewith, and has complied with all requirements of all the foregoing with respect to the issuance of parity bonds or has obtained a sufficient and valid waiver thereof.

H. It is in the best interest of the Issuer that the Bond be sold to the United States Department of Agriculture, Farmers Home Administration (the "Purchaser"), pursuant to the terms and provisions of a Letter of Conditions dated August 30, 1988, and all amendments thereto (collectively, the "Letter of Conditions").

I. The Issuer has complied with all requirements of law relating to the authorization of the acquisition and construction of the Project, the operation of the System, including, without limitation, the imposition of rates and charges, and the issuance of the Bond, or will have so complied prior to issuance of the Bond, including among other things and without limitation, the consent and approval, pursuant to the Act and other applicable provisions of law, of the issuance of the Bond, the acquisition and construction of the Project and the imposition of rates and charges by the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired.

ARTICLE III

AUTHORIZATION, TERMS, EXECUTION, REGISTRATION AND ISSUE OF BOND

Section 3.01. Authorization of Bond. Subject and pursuant to the provisions of the Bond Legislation, the Bond of the Issuer, to be known as "Water Revenue Bond, Series 1990," is hereby authorized to be issued in the aggregate principal amount of not exceeding \$209,000 for the purpose of permanently financing a portion of the cost of the acquisition and construction of the Project.

Section 3.02. Description of Bond. The Bond shall be issued in single form, numbered R-1, only as a fully registered Bond, and shall be dated the date of delivery thereof. The Bond shall bear interest from the date of delivery, payable monthly at the rate of 5% per annum, and shall be sold for the par value thereof.

The Bond shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer, and shall be payable as provided in the Bond form hereinafter set forth.

Section 3.03. Negotiability, Registration, Transfer and Exchange of Bonds. The Bond shall be and have all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but the Bond, and the right to principal of and stated interest on the Bond, may only be transferred by transfer of the registration thereof upon the books required to be kept pursuant to Section 3.04 hereof, by the party in whose name it is registered, in person or by attorney duly authorized in writing, upon surrender of the Bond for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Registrar. Whenever the Bond shall be surrendered for registration of transfer, the Issuer shall execute and deliver a new Bond or Bonds in authorized denominations, for a like aggregate principal amount. The Registrar shall require the payment by the new owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer, but the Issuer shall pay any other expenses incurred by the Registrar with respect to such transfer.

In case any one or more of the officers who shall have signed or sealed the Bond shall cease to be such officer of the Issuer before the Bond so signed and sealed have been actually sold and delivered, such Bond may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bond had not ceased to hold such office. or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, and, if such Bond be destroyed, stolen or lost, without surrender thereof.

GRANT COUNTY PUBLIC SERVICE DISTRICT

\$209,000

No. R-1

Date: _____

FOR VALUE RECEIVED, GRANT COUNTY PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America, acting through the Farmers Home Administration, United States Department of Agriculture (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri, 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of TWO HUNDRED NINE THOUSAND DOLLARS (\$209,000), plus interest on the unpaid principal balance at the rate of 5% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$1,027, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Farmers Home Administration according to the source of funds involved, shall, after

payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the

Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolution and upon surrender and cancellation of this Bond. This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Farmers Home Administration and to its future regulations not inconsistent with the express provisions hereof.

This Bond is on a parity as to liens, pledges and source of and security for payment, and in all other respects, with the 1976 Bond and the 1984 Bond described in said Resolution.

ARTICLE IV

SYSTEM REVENUES AND APPLICATION THEREOF; DISPOSITION OF BOND PROCEEDS; FUNDS AND ACCOUNTS

Section 4.01. Establishment of Funds and Accounts with Depository Bank. The following special funds or accounts are hereby created and established with (or continued if previously established by the 1976 Resolution and continued by the 1984 Resolution), and shall be held by, the Depository Bank separate, distinct and apart from all other funds or accounts of the Depository Bank and from each other:

- (1) Revenue Fund (established by the 1976 Resolution and continued by the 1984 Resolution and hereby);
- (2) Depreciation Reserve (established by the 1976 Resolution and continued by the 1984 Resolution and hereby);
- (3) Reserve Fund (established by the 1976 Resolution and continued by the 1984 Resolution and hereby); and
- (4) Project Construction Account.

Section 4.02. Bond Proceeds: Project Construction Account. The proceeds of the sale of the Bond shall be deposited upon receipt by the Issuer in the Project Construction Account. The moneys in the Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by the Depository Bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Moneys in the Project Construction Account shall be expended by the Issuer solely for the purposes provided herein.

Moneys in the Project Construction Account shall be used solely to pay the cost of acquisition and construction of the Project upon vouchers and other documentation approved by the Purchaser.

Until completion of acquisition and construction of the Project, the Issuer will additionally transfer from the Project Construction Account and pay to the Purchaser on or before the due date, such sums as shall be from time to time required to make the monthly installments on the Bond if there are not sufficient Net Revenues to make such monthly payment.

Pending application as provided in this Section 4.02, moneys and funds in the Project Construction Account shall be invested and reinvested at the direction of the Issuer, to the extent possible in accordance with applicable law, in Qualified Investments.

When construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the Project Construction Account shall be disposed of in accordance with the regulations of the Purchaser.

Section 4.03. Covenants of the Issuer as to System Revenues and Funds. So long as any of the Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund, a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Bonds remaining unpaid, together with interest accrued and to accrue thereon, the Issuer further covenants with the holders of the Bonds as follows:

A. REVENUE FUND. The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited as collected by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Resolutions and shall be kept separate and distinct from all other funds of the Issuer and used only for the purposes and in the manner provided in the Resolutions.

B. DISPOSITION OF REVENUES. All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority:

(i) The Issuer shall first each month pay from the moneys in the Revenue Fund all current Operating Expenses.

(ii) The Issuer shall next, each month, on or before the due date of payment of each installment on the Bonds, transfer from the Revenue Fund and pay to the National Finance Office designated in the Bonds or otherwise (or such other place as may be subsequently designated pursuant to the Bond with respect to the Bond), the amounts required to pay the interest on the Bonds, and to amortize the principal of the Bonds over the respective lives of each Bond issue.

(iii) The Issuer shall next, by the fifteenth day of each month, transfer from the Revenue Fund and deposit with the Depository Bank in the Reserve Fund, 1/12th of 1/10th of the maximum aggregate amount of principal and interest becoming due on the Bonds in any year, until the amount in the Reserve Fund equals such maximum aggregate amount (the "Minimum Reserve"). After the Minimum Reserve has been accumulated in the Reserve Fund, the Issuer shall monthly deposit into the Reserve Fund such part of the moneys remaining in the Revenue Fund, after such provision for payment of monthly installments on the Bonds and for payment of Operating Expenses of the System, as shall be required to maintain the Minimum Reserve in the Reserve Fund. Moneys in the Reserve Fund shall be used solely to make up any deficiency for monthly payments of the principal of and interest on or with respect to the Bonds to said National Finance Office (or other place provided) as the same shall become due or for prepayment of installments on the Bonds, or for mandatory prepayment of the Bonds as hereinafter provided, and for no other purpose; provided, however, that when the Minimum Reserve has been accumulated in the Reserve Fund all earnings of investments of moneys therein shall at least annually be transferred to and deposited in the Revenue Fund and used for ratable prepayment of principal of the Bonds.

(iv) The Issuer shall next, each month, transfer from the Revenue Fund and deposit in the Depreciation Reserve, the moneys remaining in the Revenue Fund and not permitted to be retained therein, until there has been accumulated in the Depreciation Reserve the aggregate sum of \$159,500, and thereafter such sums as shall be required to maintain such amount therein. Moneys in the Depreciation Reserve shall be used first to make up any deficiencies for monthly payments of principal of and interest on the Bonds as the same become due, and next to restore to the Reserve Fund any sum or sums transferred therefrom. Thereafter, and provided that payments into the Reserve Fund are current and in accordance with the foregoing provisions, moneys in the Depreciation Reserve may be withdrawn by

the Issuer and used for extraordinary repairs and for replacements of equipment and improvements for the System, or any part thereof.

(v) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, any moneys remaining therein and not permitted to be retained therein may be used to prepay portions of the principal amounts of the Bonds, ratably, or for any lawful purpose.

Whenever the moneys in the Reserve Fund shall be sufficient to prepay the Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The Depository Bank is hereby designated as the Fiscal Agent for the administration of the Reserve Fund and the Depreciation Reserve as herein provided, and all amounts required therefor will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written advice stating the amount remitted for deposit into each such fund.

All the funds provided for in this Article IV, other than the Project Construction Account, shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Bonds and the interest thereon, but the Depository Bank shall not be a trustee as to such funds.

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

Subject to the Prior Resolutions, the Depository Bank shall keep the moneys in the Reserve Fund and the Depreciation Reserve invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Legislation shall, unless otherwise provided in the Prior

Resolutions or herein, or unless otherwise required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia State Board of Investments. Subject to the Prior Resolutions, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. Earnings upon moneys in the Reserve Fund, so long as the Minimum Reserve is on deposit and maintained therein, shall be paid annually in January into the Revenue Fund by the Depository Bank.

C. CHANGE OF FISCAL AGENT. The Issuer may designate another bank or trust company insured by FDIC as Depository Bank and Fiscal Agent if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank and Fiscal Agent. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

D. USER CONTRACTS. The Issuer shall, prior to delivery of the Bond, provide evidence that there will be at least 892 bona fide users upon the System on completion of the Project, in full compliance with the requirements and conditions of the Purchaser.

E. CHARGES AND FEES. The Issuer shall remit from the Revenue Fund to the Depository Bank such additional sums as shall be necessary to pay the charges and fees of the Depository Bank then due.

F. INVESTMENT OF EXCESS BALANCES. The moneys in excess of the sum insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, in a lawful manner for securing deposits of State and municipal funds under the laws of the State of West Virginia.

G. REMITTANCES. All remittances made by the Issuer to the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

H. GROSS REVENUES. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE V

GENERAL COVENANTS, ETC.

Section 5.01. General Statement. So long as the Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund a sum sufficient to prepay the entire principal of the Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the holders of the Bonds.

Section 5.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Bonds and sufficient to make the payments required herein into the Reserve Fund and the Depreciation Reserve and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as the Bond is outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. No additional parity bonds or obligations payable out of any of the Revenues of the System shall be issued, except with the prior written consent of the Purchaser.

Section 5.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Bond remains outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all

above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Bond.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workers' Compensation Coverage for All Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds have been or will be filed with the Clerk of the County Commission of said County prior to commencement

of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

(e) Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer.

(f) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount of \$50,000 upon the treasurer, provided, however, that no bond shall be required insofar as custody of the Project Construction Account is concerned so long as checks thereon require the signature of a representative of the Purchaser.

(g) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Bond is outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Statutory Mortgage. For the further protection of the Holder of the Bond, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Bond and shall be for the equal benefit of the Bonds and on a parity with such liens in favor of the Prior Bonds.

Section 5.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(a) Failure to make payment of any monthly amortization installment upon the Bond at the date specified for payment thereof; and

(b) Failure duly and punctually to observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Bond or herein, or violation of or failure to observe any provision of any pertinent law.

Section 5.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 5.09. Fiscal Year; Budget. While the Bond is outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the 1st day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year

preceding by more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 5.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer on file with the Secretary on the date of adoption hereof, subject to permitted changes.

Section 5.12. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer shall further comply with the Act with respect to such books, records and accounts.

Section 5.13. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Bond is outstanding.

Section 5.14. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation,

public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

ARTICLE VI

RATES, ETC.

B. There shall not be any discrimination or differential in rates between customers in similar circumstances.

C. All delinquent fees, rates and charges for services or facilities of the System shall be liens on the premises served of equal degree, rank and priority with the lien on such premises of state, county, school and municipal taxes, as provided in the Act. The Issuer shall have all remedies and powers provided under the Act and other applicable provisions of law with regard to the collection and enforcement of such fees, rates and charges.

D. The Issuer will not render or cause to be rendered any free services of any nature by the System nor any of the facilities; and in the event that the Issuer or any department, agency, officer or employee thereof should avail itself or themselves of the services or facilities of the System, the same fees, rates and charges applicable to other customers receiving like services under similar circumstances shall be charged, such charges shall be paid as they accrue, and revenues so received shall be deposited and accounted for in the same manner as other Revenues of the System.

E. The Issuer may require any applicant for any service by the System to deposit a reasonable and equitable amount to insure payment of all charges for the services rendered by the System, which deposit shall be handled and disposed of under the applicable rules and regulations of the Public Service Commission of West Virginia.

F. The Issuer, to the extent permitted by law, will not accept payment of any water bill from a customer served with water and sewer services by the Issuer without payment at the same time of a sewer bill owed by such customer for the same premises.

ARTICLE VII

MISCELLANEOUS

Section 7.01. Defeasance of Bond. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Holder of the Bond, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then with respect to the Bond, the pledge of Net Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owner of the Bond, shall thereupon cease, terminate and become void and be discharged and satisfied.

Section 7.02. Modification or Amendment. The Bond Legislation may not be modified or amended after final passage without the prior written consent of the Bondholder.

Section 7.03. Delivery of Bond No. R-1. The Chairman, Secretary and Treasurer of the Governing Body are hereby authorized and directed to cause Bond No. R-1, hereby awarded to the Purchaser pursuant to prior agreement, to be delivered to the Purchaser as soon as the Purchaser will accept such delivery.

Section 7.04. Severability of Invalid Provisions. If any one or more of the covenants, agreements or provisions hereof should be held contrary to any express provision of law or contrary to the policy of express law, although not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed severable from the remaining covenants, agreements or provisions hereof, and shall in no way affect the validity of all the other provisions hereof or the Bond.

Section 7.05. Prior Resolutions: Conflicting Provisions Repealed. The Prior Resolutions and all parts thereof not expressly hereby changed or heretofore changed shall continue in full force and effect and this Bond Legislation shall be supplemental to the Prior Resolutions.

All resolutions and orders, or parts thereof, in conflict with the provisions hereof are, to the extent of such conflicts, hereby repealed; provided that this Section shall not be applicable to the Loan Resolution (Form FMHA 442-47).

BE IT RESOLVED AND ORDERED BY THE PUBLIC SERVICE BOARD OF GRANT COUNTY PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS
AND DEFINITIONS

Section 1.01. Authority for This Resolution. This Resolution is adopted pursuant to the provisions of Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law. Grant County Public Service District (in its own capacity and as the consolidated entity resulting from the consolidation of Dorcas and Grant County PSD, both hereinafter defined, into Grant County Public Service District, the "Issuer") is a public service district and political subdivision of the State of West Virginia in Grant County of said State, duly created pursuant to the Act by The County Commission of Grant County and consented to and approved by the Public Service Commission of West Virginia. The Issuer is the consolidated entity resulting from the consolidation of Dorcas Public Service District ("Dorcas") and the former Grant County Public Service District ("Grant County PSD"), both public service districts and political subdivisions of the State of West Virginia in Grant County, West Virginia, and both heretofore duly created pursuant to the Act by The County Commission of Grant County, into the Issuer.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

A. The Issuer now has a public waterworks system and desires to finance and acquire, construct, operate and maintain certain additional public service properties consisting of improvements and extensions to such existing waterworks facilities with all appurtenant facilities, within the boundaries of the Issuer to be owned and operated by the Issuer.

B. It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer, and, accordingly, it is hereby ordered, that there be acquired and constructed certain improvements and extensions to the existing waterworks facilities of the Issuer, consisting of water facilities in the Rough Run, Boot Hill and Franklin Pike areas of Grant County, including water main extensions, water tank and booster pump construction and installation, land and right-of-way acquisition, and all necessary appurtenant facilities (the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Secretary of the Public Service Board (the "Governing Body") of the Issuer. The Issuer will continue to purchase water from the City of Petersburg pursuant to water purchase contracts between Dorcas and Grant County and said City. Section 3.01. Authorization of Bond. Subject and pursuant to the provisions of the Bond Legislation, the Bond of the Issuer, to be known as "Water Revenue Bond, Series 1991," is hereby authorized to be issued in the aggregate principal amount of not exceeding \$600,000 for the purpose of permanently financing a portion of the cost of the acquisition and construction of the Project.

Section 3.02. Description of Bond. The Bond shall be issued in single form, numbered R-1, only as a fully registered Bond, and shall be dated the date of delivery thereof. The Bond shall bear interest from the date of delivery, payable monthly at the rate of 5% per annum, and shall be sold for the par value thereof.

The Bond shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer, and shall be payable as provided in the Bond form hereinafter set forth.

Section 3.03. Negotiability, Registration, Transfer and Exchange of Bonds. The Bond shall be and have all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but the Bond, and the right to principal of and stated interest on the Bond, may only be transferred by transfer of the registration thereof upon the books required to be kept pursuant to Section 3.04 hereof, by the party in whose name it is registered, in person or by attorney duly authorized in writing, upon surrender of the Bond for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Registrar. No interest in the Bond shall be transferable except by means of transfer of registration of a Bond representing such interest and delivery of a new Bond or Bonds in exchange therefor in accordance with this Bond Legislation.

Whenever the Bond shall be surrendered for registration of transfer, the Issuer shall execute and deliver a new Bond or Bonds in authorized denominations, for a like aggregate principal amount. The Registrar shall require the payment by the new owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer, but the Issuer shall pay any other expenses incurred by the Registrar with respect to such transfer.

No registration of transfer of the Bond shall be permitted to be made after the 15th day next preceding any installment payment date on the Bond.

Section 3.04. Registrar. The Issuer shall be the Registrar and will keep, or cause to be kept by its agent, at its office, sufficient books for the registration and transfer of the Bond, and, upon presentation for such purpose, the Registrar shall, under such reasonable regulations as it may prescribe, register the Bond initially issued pursuant hereto and register the transfer, or cause to be registered by its agent, on such books, the transfer of the Bond as hereinbefore provided.

The Bond shall initially be fully registered as to both principal and interest in the name of the United States of America, Farmers Home Administration. So long as the Bond shall be registered in the name of the United States of America, Farmers Home Administration, the address of the United States of America, Farmers Home Administration, for registration purposes shall be Post Office Box 678, Morgantown, West Virginia 26505, or such other address as shall be stated in writing to the Issuer by the United States of America, Farmers Home Administration.

Any Bond may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bond shall hold the proper office in the Issuer, although at the date of such Bond such person may not have held such office or may not have been so authorized.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost.

In case the Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may in its discretion issue and deliver a new Bond of like tenor as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the holder's furnishing the Issuer proof of his ownership thereof and complying with such other reasonable regulations and conditions as the Issuer may require. The Bond so surrendered shall be canceled and held for the account of the Issuer. If the Bond shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, and, if such Bond be destroyed, stolen or lost, without surrender thereof.

Section 3.07. Bond Secured by Pledge of Net Revenues.

The payment of the debt service of the Bond shall be secured forthwith by a lien on the Net Revenues derived from the System in addition to the statutory mortgage lien on the System hereinafter provided for, but such liens and pledge are junior and subordinate to the liens and pledges of the Prior Bonds. The Net Revenues derived from the System in an amount sufficient to pay the principal of and interest on the Bond, and to make the payments as hereinafter provided, are hereby irrevocably pledged to the payment of the principal of and interest on the Bond as the same become due as herein provided.

Section 3.08. Form of Bond.

Subject to the provisions hereof, the text of the Bond and the other details thereof shall be of substantially the following tenor, with such omissions, insertions and variations as may be authorized or permitted hereby or any resolution adopted after the date of adoption hereof and prior to the issuance thereof:

WATER REVENUE BOND, SERIES 1991

GRANT COUNTY PUBLIC SERVICE DISTRICT

\$600,000

No. R-1

Date: _____

FOR VALUE RECEIVED, GRANT COUNTY PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America, Farmers Home Administration (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of SIX HUNDRED THOUSAND DOLLARS (\$600,000), plus interest on the unpaid principal balance at the rate of 5% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$2,946, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Farmers Home Administration according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due

under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of

Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of Borrower, as Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolution and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of Borrower authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Farmers Home Administration and to its future regulations not inconsistent with the express provisions hereof.

This Bond is junior and subordinate, as to liens on, pledge and source of and security for payment from such revenues, and in all other respects, to the 1990 Bond, the 1984 Bond, the 1976 Bond, the 1974 Bond and the 1973 Bond, all defined and described in the Resolution.

When acquisition and construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the Project Construction Account shall be disposed of in accordance with the regulations of the Purchaser.

Section 4.03. Covenants of the Issuer as to System Revenues and Funds. So long as any of the Bonds shall be outstanding and

unpaid, or until there shall have been set apart in the 1991 Reserve Fund, the Grant County Reserve, the Dorcas Sinking Fund and the Dorcas Reserve Account, sums sufficient to pay, when due or at the earliest practical prepayment or redemption date, the entire principal of the respective Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of such payment or redemption, the Issuer further covenants with the holders of the Bonds as follows:

A. REVENUE FUND. The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited as collected by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Resolutions and shall be kept separate and distinct from all other funds of the Issuer and used only for the purposes and in the manner provided in the Resolutions.

B. DISPOSITION OF REVENUES. All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority, subject to and in accordance with the terms of the Prior Resolutions and this Bond Legislation:

(i) The Issuer shall first each month pay from the moneys in the Revenue Fund all current Operating Expenses.

(ii) The Issuer shall next, each month, on or before the due date of payment on each installment of the 1990 Bond, the 1984 Bond and the 1976 Bond, transfer from the Revenue Fund and pay to the National Finance Office designated in the 1990 Bond, the 1984 Bond and the 1976 Bond, respectively, or otherwise, the amounts required to pay the interest on the 1990 Bond, the 1984 Bond and the 1976 Bond, and to amortize the principal of the 1990 Bond, the 1984 Bond and the 1976 Bond over the respective lives of each such issue, and shall, before the end of each month, transfer from the Revenue Fund and remit to the Commission, for deposit into the Dorcas Sinking Fund, one-twelfth of the amount required to pay the interest becoming due on the 1973 Bond and the 1974 Bond on the next interest payment date and one-twelfth of the amount of principal maturing on the next 1973 Bond and 1974 Bond principal maturity date.

The Issuer shall also remit to the Commission, from time to time, such amounts as shall be required to pay the fiscal charges due to paying agents for paying the 1973 Bond and the 1974 Bond and the interest thereon.

(iii) The Issuer shall next, by the fifteenth day of each month, transfer from the Revenue Fund and deposit with the Depository Bank in the Grant County Reserve Fund, 1/12th of 1/10th of the maximum aggregate amount of principal and interest becoming due on the 1990 Bond, the 1984 Bond and the 1976 Bond in any year, until the amount in the Grant County Reserve Fund equals such maximum aggregate amount (the "Grant County Minimum Reserve"). After the Grant County Minimum Reserve has been accumulated in the Grant County Reserve Fund, the Issuer shall monthly deposit into the Grant County Reserve Fund such part of the moneys remaining in the Revenue Fund, after such provision for payment of monthly installments on and payment of maturing principal of and interest on the Prior Bonds, on a pro rata and parity basis, and for payment of Operating Expenses of the System, as shall be required to maintain the Grant County Minimum Reserve in the Grant County Reserve Fund, on a pro rata and parity basis as to the Prior Bonds. Moneys in the Grant County Reserve Fund shall be used solely to make up any deficiency for monthly payments of the principal of and interest on or with respect to the 1990 Bond, the 1984 Bond and the 1976 Bond to said National Finance Office as the same shall become due or for prepayment of installments on the 1990 Bond, the 1984 Bond and the 1976 Bond, or for mandatory prepayment of the 1990 Bond, the 1984 Bond and the 1976 Bond, as in the 1990 Resolution, the 1984 Resolution and the 1976 Resolution provided, all on a pro rata and parity basis with the 1974 Bond and the 1973 Bond, and for no other purpose; provided, however, that when the Grant County Minimum Reserve has been accumulated in the Grant County Reserve Fund all earnings of investments of moneys therein shall at least annually be transferred to and deposited in the Revenue Fund and used for ratable prepayment of principal of the 1990 Bond, the 1984 Bond and the 1976 Bond,

on a parity and pro rata basis with the 1974 Bond and the 1973 Bond.

The District shall, on each date that payment is made as set forth in the preceding provisions of this Section 4.03B (iii), transfer from the Revenue Fund and remit to the Commission, for deposit into the Dorcas Reserve Account, 1/12th of 1/10th of the maximum annual aggregate amount of interest and principal which will fall due on the 1973 Bond and the 1974 Bond outstanding until the amount in the Dorcas Reserve Account equals such maximum annual aggregate amount of interest and principal. After such amount has been accumulated in the Dorcas Reserve Account, the Issuer shall monthly remit to the Commission such part of the moneys remaining in the Revenue Fund, after such provision for payment of maturing principal of and interest on and payment of monthly installments on the Prior Bonds, on a pro rata and parity basis, as shall be required to maintain such amount in the Dorcas Reserve Account, on a pro rata and parity basis as to the Prior Bonds. Moneys in the Dorcas Reserve Account shall be used solely to make up any deficiency in the Dorcas Sinking Fund for payment of the principal of and interest on the 1973 Bond and the 1974 Bond as the same shall mature or for mandatory purchase or redemption of the 1973 Bond and the 1974 Bond (together with moneys in the Dorcas Sinking Fund) as in the 1973 Resolution and the 1974 Resolution provided, all on a pro rata and parity basis with the 1990 Bond, the 1984 Bond and the 1976 Bond, and for no other purpose.

(iv) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, the Issuer shall next, on or before the due date of each installment on the Bond, transfer from the Revenue Fund and pay to the National Finance Office designated in the Bond (or such other place as may be subsequently designated pursuant to the Bond), the amounts required to pay the interest on the Bond, and to amortize the principal of the Bond over the life of the Bond issue, and, thereafter, the Issuer

shall transfer from the Revenue Fund and deposit in the 1991 Reserve Fund, 1/12th of 1/10th of the amount equal to the maximum amount of principal and interest becoming due on the Bond in any year, until the amount in the 1991 Reserve Fund equals such maximum amount (the "1991 Minimum Reserve"). After the 1991 Minimum Reserve has been accumulated in the 1991 Reserve Fund, the Issuer shall monthly deposit into the 1991 Reserve Fund such part of the moneys remaining in the Revenue Fund, after such provision for the payments hereinabove provided, as shall be required to maintain the 1991 Minimum Reserve in the 1991 Reserve Fund. Moneys in the 1991 Reserve Fund shall be used solely to make up any deficiency for monthly payments of the principal of and interest on the Bond to said National Finance Office (or other place provided) as the same shall become due or for prepayment of installments on the Bond, or for mandatory prepayment of the Bond as hereinafter provided, and for no other purpose; provided, however, that when the 1991 Minimum Reserve has been accumulated in the 1991 Reserve Fund, all earnings of investments of moneys therein shall at least annually be transferred to and deposited in the Revenue Fund and used for prepayment of the principal of the Bond.

(v) The Issuer shall next, each month, transfer from the Revenue Fund and deposit in the Depreciation Reserve, one-half of the moneys remaining in the Revenue Fund and not permitted to be retained therein, until there has been accumulated in the Depreciation Reserve the aggregate sum of \$222,300, and thereafter such sums as shall be required to maintain such amount therein. Moneys in the Depreciation Reserve shall be used, first, to make up any deficiencies in the Dorcas Sinking Fund with respect to current payments of principal and interest on the 1974 Bond and the 1973 Bond as the same mature and to make up any deficiencies for monthly payments of principal of and interest on the 1990 Bond, the 1984 Bond and the 1976 Bond as the same become due, on a pro rata and parity basis, and next to restore to the Grant County Reserve Fund and the Dorcas Reserve Account any sum or sums

transferred therefrom, on a pro rata and parity basis, and, thereafter, to meet the principal, interest and reserve payments upon the Bond, on a subordinate basis, to the extent that moneys in the 1991 Reserve Fund are insufficient therefor. Thereafter, and provided that payments into the Dorcas Sinking Fund, the Dorcas Reserve Account, the Grant County Reserve Fund and the 1991 Reserve Fund are current and in accordance with the foregoing provisions, moneys in the Depreciation Reserve may be withdrawn by the Issuer and used for extraordinary repairs and for replacements of equipment and improvements for the System, or any part thereof.

The Issuer shall, on each date that payment is made as set forth in the preceding provisions of this Section 4.03B(v), transfer from the Revenue Fund and remit to the Commission the balance of the moneys remaining in the Revenue Fund and not permitted to be retained therein, for deposit in the Dorcas Depreciation Reserve, until there has been accumulated therein the sum of \$12,000 and thereafter, such sums as shall be required to maintain such amount therein. Moneys in the Dorcas Depreciation Reserve shall be used, first, to make up any deficiencies in the Dorcas Sinking Fund with respect to current payments of principal and interest on the 1974 Bond and the 1973 Bond as the same mature and to make up any deficiencies for monthly payments of principal of and interest on the 1990 Bond, the 1984 Bond and the 1976 Bond as the same become due, on a pro rata and parity basis, and next to restore to the Dorcas Reserve Account and the Grant County Reserve Fund any sum or sums transferred therefrom, on a pro rata and parity basis, and, thereafter, to meet principal, interest and reserve payments upon the Bond, on a subordinate basis, to the extent that moneys in the 1991 Reserve Fund are insufficient therefor. Thereafter, and provided that payments into the Dorcas Sinking Fund, the Dorcas Reserve Account, the Grant County Reserve Fund and the 1991 Reserve Fund are current and in accordance with the foregoing provisions, moneys in the Dorcas Depreciation Reserve may be withdrawn by the

Issuer and used for extensions, replacements and improvements of the System, or any part thereof.

(vi) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, any moneys remaining therein and not permitted to be retained therein may be used to prepay installments of or redeem Prior Bonds outstanding, pro rata as to each series, and, thereafter, to prepay installments on the Bond, or for any lawful purpose of the System.

Whenever the moneys in the 1991 Reserve Fund shall be sufficient to prepay the Bond in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Bond at the earliest practical date and in accordance with applicable provisions hereof.

The Depository Bank is hereby and by the 1990 Resolution, the 1984 Resolution and the 1976 Resolution designated as the Fiscal Agent for the administration of the Grant County Reserve Fund, the 1991 Reserve Fund and the Depreciation Reserve as herein and therein provided, and all amounts required for the Grant County Reserve Fund, the 1991 Reserve Fund and the Depreciation Reserve will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein and in the 1990 Resolution, the 1984 Resolution and the 1976 Resolution, together with written advice stating the amount remitted for deposit into each such fund.

The Commission is hereby and by the 1974 Resolution and the 1973 Resolution designated as the Fiscal Agent for the administration of the Dorcas Sinking Fund, the Dorcas Reserve Account and the Dorcas Depreciation Reserve as herein and therein provided, and all amounts required for the Dorcas Sinking Fund, the Dorcas Reserve Account and the Dorcas Depreciation Reserve will be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein and in the 1974 Resolution and the 1973 Resolution, together with written advice stating the amount remitted for deposit into said fund, account and reserve.

All the funds provided for in this Article IV other than the Project Construction Account and any project construction account created and established by the

1990 Resolution with respect to the 1990 Bond shall constitute trust funds and shall be used only for the purposes and in the order provided herein and in the Prior Resolutions, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Bond and the interest thereon, which lien shall be junior and subordinate to the liens of the holders of the Prior Bonds, but the Depository Bank shall not be a trustee as to such funds.

If on any payment date the Revenues are insufficient to make the payments and transfers and to place the required amount in any of the funds or accounts as hereinabove and in the Prior Resolutions provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

Subject to the Prior Resolutions, the Depository Bank, at the direction of the Issuer, shall keep the moneys in the Grant County Reserve Fund, the 1991 Reserve Fund and the Depreciation Reserve invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Legislation shall, unless otherwise provided in the Prior Resolutions or herein, or unless otherwise required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia State Board of Investments. Subject to the Prior Resolutions, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. Earnings upon moneys in the Grant County Reserve Fund and the 1991 Reserve Fund, so long as the respective Grant County Minimum Reserve and 1991 Minimum Reserve are on deposit and maintained therein, shall be paid annually in January into the Revenue Fund by the Depository Bank.

The Commission shall keep the moneys in the Dorcas Sinking Fund, the Dorcas Reserve Account and the Dorcas

Depreciation Reserve invested and reinvested to the fullest extent practicable in direct obligations of, or obligations the payment of the principal of and interest on which are guaranteed by, the United States of America and having maturities not exceeding two years.

C. CHANGE OF DEPOSITORY BANK AND FISCAL AGENT. The Issuer may designate another bank or trust company insured by FDIC as Depository Bank and Fiscal Agent if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank and Fiscal Agent. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser and shall give such other notice as required under, and in the manner provided in, the Prior Resolutions.

D. USER CONTRACTS. The Issuer shall, prior to delivery of the Bond, provide evidence that there will be at least 514 bona fide users upon the System on completion of the Project, in full compliance with the requirements and conditions of the Purchaser.

E. CHARGES AND FEES. The Issuer shall remit from the Revenue Fund to the Depository Bank such additional sums as shall be necessary to pay the charges and fees of the Depository Bank then due.

F. INVESTMENT OF EXCESS BALANCES. The moneys in excess of the sum insured by FDIC in any of such funds or accounts with the Depository Bank shall at all times be secured, to the full extent thereof in excess of such insured sum, in a lawful manner for securing deposits of State and municipal funds under the laws of the State of West Virginia.

G. REMITTANCES. All remittances made by the Issuer to the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

H. GROSS REVENUES. The Gross Revenues of the System shall only be used for purposes of the System.

I. PRO RATA PAYMENTS. No payments required to be made on behalf of the 1974 Bond and the 1973 Bond into the Dorcas Sinking Fund and the Dorcas Reserve Account, or on behalf of the 1990 Bond, the 1984 Bond and the 1976 Bond

with respect to payment of principal or interest thereon and into the Grant County Reserve Fund, shall have any preference or priority over the other. All payments required to be made on behalf of the 1974 Bond and the 1973 Bond into the Dorcas Sinking Fund and the Dorcas Reserve Account, and on behalf of the 1990 Bond, the 1984 Bond and the 1976 Bond with respect to payment of principal or interest thereon and into the Grant County Reserve Fund, shall be made pro rata in accordance with the then outstanding principal amounts thereof, in the event that moneys are not available to make all such payments in full.

ARTICLE V

GENERAL COVENANTS, ETC.

Section 5.01. General Statement. So long as the Bond shall be outstanding and unpaid, or until there shall have been set apart in the 1991 Reserve Fund a sum sufficient to prepay the entire principal of the Bond remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Purchaser.

Section 5.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to the payment and deposits on account of the Prior Bonds, plus Net Revenues equal to not less than 110% of the annual debt service on the Bond and sufficient to make the payments required herein into the 1991 Reserve Fund and the Depreciation Reserve and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as the Bond is outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. No additional parity bonds or obligations payable out of any or all of the Revenues of the System shall be issued, except with the prior written consent of the Purchaser.

Section 5.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Bond remains outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all

above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Bond.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workers' Compensation Coverage for All Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds have been or will be filed with the Clerk of the County Commission of said County prior to commencement

of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

(e) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount of \$50,000 upon the treasurer, provided, however, that no bond shall be required insofar as custody of the Project Construction Account is concerned so long as checks thereon require the signature of a representative of the Purchaser.

(f) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Bond is outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Statutory Mortgage. For the further protection of the Holder of the Bond, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Bond, but junior and subordinate to the lien in favor of the holders of the Prior Bonds.

Section 5.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(a) Failure to make payment of any monthly amortization installment upon the Bond at the date specified for payment thereof; and

(b) Failure duly and punctually to observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Bond or herein, or violation of or failure to observe any provision of any pertinent law.

Section 5.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 5.09. Fiscal Year: Budget. While the Bond is outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the 1st day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year preceding by more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such

Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 5.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer on file with the Secretary on the date of adoption hereof, subject to permitted changes.

Section 5.12. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer shall further comply with the Act with respect to such books, records and accounts.

Section 5.13. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Bond is outstanding.

Section 5.14. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

ARTICLE VI

RATES, ETC.

Section 6.01. Initial Schedule of Rates and Charges; Rules.

A. The initial schedule of rates and charges for the services and facilities of the System, subject to change consonant with the provisions hereof, shall be as set forth in the orders of the Public Service Commission of West Virginia, entered on May 30, 1990, Case No. 89-628-PWD-CN, August 30, 1990, and September 19, 1990, Case No. 90-475-PWD-30B, May 31, 1990, and July 16, 1990, Case No. 89-520-PWD-CN and December 11, 1990, Case No. 90-640-PWD-30B, which orders are incorporated herein by reference as a part hereof.

B. There shall not be any discrimination or differential in rates between customers in similar circumstances.

C. All delinquent fees, rates and charges for services or facilities of the System shall be liens on the premises served of equal dignity, rank and priority with the lien on such premises of state, county, school and municipal taxes, as provided in the Act. The Issuer shall have all remedies and powers provided under the Act and other applicable provisions of law with regard to the collection and enforcement of such fees, rates and charges.

D. The Issuer will not render or cause to be rendered any free services of any nature by the System nor any of the facilities; and in the event that the Issuer or any department, agency, officer or employee thereof should avail itself or themselves of the services or facilities of the System, the same fees, rates and charges applicable to other customers receiving like services under similar circumstances shall be charged, such charges shall be paid as they accrue, and Revenues so received shall be deposited and accounted for in the same manner as other Revenues of the System.

E. The Issuer may require any applicant for any service by the System to deposit a reasonable and equitable amount to insure payment of all charges for the services rendered by the System, which deposit shall be handled and disposed of under the applicable rules and regulations of the Public Service Commission of West Virginia.

F. The Issuer, to the extent permitted by law, will not accept payment of any water bill from a customer served with water and sewer services by the Issuer without payment at the same time of a sewer bill owed by such customer for the same premises.

ARTICLE VII

MISCELLANEOUS

Section 7.01. Payment of Bond. If the Issuer shall pay or there shall otherwise be paid, to the Holder of the Bond, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then with respect to the Bond, the pledge of Net Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owner of the Bond, shall thereupon cease, terminate and become void and be discharged and satisfied.

Section 7.02. Modification or Amendment. The Bond Legislation may not be modified or amended after final passage without the prior written consent of the Purchaser.

Section 7.03. Delivery of Bond No. R-1. The Chairman, Secretary and Treasurer of the Governing Body are hereby authorized and directed to cause Bond No. R-1, hereby awarded to the Purchaser pursuant to prior agreement, to be delivered to the Purchaser as soon as the Purchaser will accept such delivery.

Section 7.04. Severability of Invalid Provisions. If any one or more of the covenants, agreements or provisions hereof should be held contrary to any express provision of law or contrary to the policy of express law, although not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed severable from the remaining covenants, agreements or provisions hereof, and shall in no way affect the validity of all the other provisions hereof or the Bond.

Section 7.05. Conflicting Provisions Repealed. All other resolutions and orders, or parts thereof, in conflict with the provisions hereof are, to the extent of such conflicts, hereby repealed; provided that this Section shall not be applicable to the Loan Resolution (Form FmHA 442-47) or the Prior Resolutions; provided, further, that, notwithstanding the foregoing, the Prior Resolutions shall be, and hereby are, modified and amended to the extent of any express inconsistencies with the provisions of this Bond Legislation but the Prior Resolutions shall otherwise remain in full force and effect.

BE IT RESOLVED AND ORDERED BY THE PUBLIC SERVICE BOARD OF GRANT COUNTY PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS
AND DEFINITIONS

Section 1.01. Authority for This Resolution. This Resolution is adopted pursuant to the provisions of Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law. Grant County Public Service District (in its own capacity and as the consolidated entity resulting from the consolidation of Dorcas and Grant County PSD, both hereinafter defined, into Grant County Public Service District, the "Issuer") is a public service district and political subdivision of the State of West Virginia in Grant County of said State, duly created pursuant to the Act by The County Commission of Grant County and consented to and approved by the Public Service Commission of West Virginia. The Issuer is the consolidated entity resulting from the consolidation of Dorcas Public Service District ("Dorcas") and the former Grant County Public Service District ("Grant County PSD"), both public service districts and political subdivisions of the State of West Virginia in Grant County, West Virginia, and both heretofore duly created pursuant to the Act by The County Commission of Grant County, into the Issuer.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

A. The Issuer now has a public waterworks system and desires to finance and acquire, construct, operate and maintain certain additional public service properties consisting of improvements and extensions to such existing waterworks facilities with all appurtenant facilities, within the boundaries of the Issuer and to be owned and operated by the Issuer.

B. It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer, and, accordingly, it is hereby ordered, that there be acquired and constructed certain improvements and extensions to the existing waterworks facilities of the Issuer, consisting of the installation and upgrading of new water lines, pumps and storage tanks to serve existing customers in and around Vandevander Acres subdivision and Meadow Ridge subdivision in Milroy District, near Petersburg, Grant County, West Virginia, and all necessary appurtenant facilities (the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Secretary of the Public Service Board (the "Governing Body") of the Issuer. The Issuer will continue to purchase water from the City of Petersburg pursuant to water purchase contracts between Dorcas and Grant County PSD and said City. The acquisition and construction of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. The estimated revenues to be derived in each year from the operation of the System (as hereinafter defined) after completion of the Project will be sufficient to pay all the costs of the operation and maintenance of the System, the principal of and interest on the Bond (as hereinafter defined) and all debt service, reserve fund and other payments provided for herein.

D. The estimated maximum cost of the acquisition and construction of the Project will not exceed \$480,000, of which approximately \$130,000 will be obtained from the proceeds of sale of the Bond herein authorized and \$350,000 will be obtained from a grant by the Purchaser (as hereinafter defined).

E. It is necessary for the Issuer to issue its revenue bond in the principal amount of \$130,000 to finance a portion of the cost of such acquisition and construction in the manner hereinafter provided. The cost of such acquisition and construction shall be deemed to include, without being limited to, the acquisition and

construction of the Project; the acquisition of any necessary property, real or personal, or interest therein; interest on the Bond prior to, during and for six months after completion of such construction to the extent that revenues of the System are not sufficient therefor; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; and such other expenses as may be necessary or incidental to the acquisition and construction of the Project and the financing authorized hereby; provided that, reimbursement to the Issuer for any amounts expended by it for the repayment of indebtedness incurred for costs of the Project by the Issuer shall be deemed costs of the Project.

F. The period of usefulness of the System after completion of the Project is not less than 40 years.

G. There are outstanding obligations of the Issuer which will rank senior and prior to the Bond as to liens, pledge and source of and security for payment, as follows:

(i) Water Revenue Bond, Series 1990, dated September 25, 1990 (the "1990 Bond"), issued in the original principal amount of \$209,000 by Grant County PSD, and held by the Purchaser;

(ii) Water Revenue Bond, Series 1984, dated August 14, 1984 (the "1984 Bond"), issued in the original principal amount of \$400,000 by Grant County PSD, and held by the Purchaser;

(iii) Water Revenue Bond, Series 1976, dated November 13, 1978 (the "1976 Bond"), issued in the original principal amount of \$350,000 by Grant County PSD, and held by the Purchaser;

(v) Water Revenue Bond, Series 1973, dated September 21, 1973 (the "1973 Bond"), issued in the original principal amount of \$188,000 by Dorcas, and held by or through General Electric Capital Corporation.

There is outstanding an obligation of the Issuer which will rank on a parity with the Bond as to liens, pledge and source of and security for payment, being the Water Revenue Bond, Series 1991, dated August 6, 1991 (the "1991 Bond"), issued in the original principal amount of \$600,000 by the Issuer, and held by the Purchaser.

The 1990 Bond, the 1984 Bond, the 1976 Bond, the 1974 Bond and the 1973 Bond are hereinafter collectively referred to as the "Prior Bonds." Other than the Prior Bonds and the 1991 Bond, there are no outstanding bonds or obligations which will rank prior to or on a parity with the Bond as to liens, pledge and/or source of and security for payment.

H. It is in the best interest of the Issuer that the Bond be sold to the United States Department of Agriculture, Farmers Home Administration (the "Purchaser"), pursuant to the terms and provisions of a Letter of Conditions dated August 21, 1992, and all amendments thereto (collectively, the "Letter of Conditions").

I. The Issuer has complied with all requirements of law relating to the authorization of the acquisition and construction of the Project, the operation of the System, including, without limitation, the imposition of rates and charges, and the issuance of the Bond, or will have so complied prior to issuance of the Bond, including among other things and without limitation, the consent and approval, pursuant to the Act and other applicable provisions of law, of the issuance of the Bond, the acquisition and construction of the Project and the imposition of rates and charges by the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired.

Subject and pursuant to the provisions of the Bond Legislation, the Bond of the Issuer, to be known as "Water Revenue Bond, Series 1993," is hereby authorized to be issued in the aggregate principal amount of not exceeding \$130,000 for the purpose of permanently financing a portion of the cost of the acquisition and construction of the Project.

Section 3.02. Description of Bond. The Bond shall be issued in single form, numbered R-1, only as a fully registered Bond, and shall be dated the date of delivery thereof. The Bond shall bear interest from the date of delivery, payable monthly at the rate of 5% per annum, and shall be sold for the par value thereof.

The Bond shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer, and shall be payable as provided in the Bond form hereinafter set forth.

Section 3.03. Negotiability, Registration, Transfer and Exchange of Bonds. The Bond shall be and have all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but the Bond, and the right to principal of and stated interest on the Bond, may only be transferred by transfer of the registration thereof upon the books required to be kept pursuant to Section 3.04 hereof, by the party in whose name it is registered, in person or by attorney duly authorized in writing, upon surrender of the Bond for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Registrar.

Whenever the Bond shall be surrendered for registration of transfer, the Issuer shall execute and deliver a new Bond or Bonds in authorized denominations, for a like aggregate principal amount. The Registrar shall require the payment by the new owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer, but the Issuer shall pay any other expenses incurred by the Registrar with respect to such transfer.

No registration of transfer of the Bond shall be permitted to be made after the 15th day next preceding any installment payment date on the Bond.

Section 3.04. Registrar. The Issuer shall be the Registrar and will keep, or cause to be kept by its agent, at its office, sufficient books for the registration and transfer of the Bond, and, upon presentation for such purpose, the Registrar shall, under such reasonable regulations as it may prescribe, register the Bond initially issued pursuant hereto and register the transfer, or cause to be registered by its agent, on such books, the transfer of the Bond as hereinbefore provided.

The Registrar shall accept the Bond for registration or transfer only if ownership thereof is to be registered in the name of the Government, an individual (including joint ownership), a corporation, a partnership or a trust, and only upon receipt of the social security number of each individual, the federal employer identification number of each corporation or partnership or the social security numbers of the settlor and beneficiaries of each trust and the federal employer identification number and date of each trust and the name of the trustee of each trust and/or such other identifying number and information as may be required by law. Any Bond may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bond shall hold the proper office in the Issuer, although at the date of such Bond such person may not have held such office or may not have been so authorized.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case the Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may in its discretion issue and deliver a new Bond of like tenor as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the holder's furnishing the Issuer proof of his ownership thereof and

complying with such other reasonable regulations and conditions as the Issuer may require. The Bond so surrendered shall be canceled and held for the account of the Issuer. If the Bond shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, and, if such Bond be destroyed, stolen or lost, without surrender thereof.

Section 3.07. Bond Secured by Pledge of Net Revenues. The payment of the debt service of the Bond shall be secured forthwith by a lien on the Net Revenues derived from the System, in addition to the statutory mortgage lien on the System hereinafter provided, on a parity with the 1991 Bond, but such liens and pledge are junior and subordinate to the liens and pledges of the 1990 Bond, the 1984 Bond, the 1976 Bond, the 1974 Bond and the 1973 Bond. The Net Revenues derived from the System in an amount sufficient to pay the principal of and interest on the Bond, and to make the payments as hereinafter provided, are hereby irrevocably pledged to the payment of the principal of and interest on the Bond as the same become due as herein provided.

Section 3.08. Form of Bond. Subject to the provisions hereof, the text of the Bond and the other details thereof shall be of substantially the following tenor, with such omissions, insertions and variations as may be authorized or permitted hereby or any resolution adopted after the date of adoption hereof and prior to the issuance thereof:

GRANT COUNTY PUBLIC SERVICE DISTRICT

WATER REVENUE BOND, SERIES 1993

\$130,000

No. R-1

Date: _____

FOR VALUE RECEIVED, GRANT COUNTY PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of ONE HUNDRED THIRTY THOUSAND DOLLARS (\$130,000), plus interest on the unpaid principal balance at the rate of 5% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$639, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Farmers Home Administration according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due

under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the

Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolution and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower authorizing issuance of this Bond (the "Resolution").

Section 4.02. Bond Proceeds; Project Construction Account.

The proceeds of the sale of the Bond shall be deposited upon receipt by the Issuer in the Project Construction Account. The moneys in the Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by the Depository Bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Moneys in the Project Construction Account shall be expended by the Issuer solely for the purposes provided herein.

Moneys in the Project Construction Account shall be used solely to pay the cost of acquisition and construction of the Project upon vouchers and other documentation approved by the Purchaser.

Until completion of acquisition and construction of the Project, the Issuer will additionally transfer from the Project Construction Account and pay to the Purchaser on or before the due date, such sums as shall be from time to time required to make the monthly installments on the Bond if there are not sufficient Net Revenues to make such monthly payment.

Pending application as provided in this Section 4.02, moneys and funds in the Project Construction Account shall be invested and reinvested at the direction of the Issuer, to the extent possible in accordance with applicable law, in Qualified Investments.

When construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the Project Construction Account shall be disposed of in accordance with the regulations of the Purchaser.

Section 4.03. Covenants of the Issuer as to System Revenues and Funds. So long as any of the Bonds shall be outstanding and unpaid, or until there shall have been set apart in the 1991 Reserve Fund, the Grant County Reserve Fund, the Dorcas Sinking Fund and the Dorcas Reserve Account, sums sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the respective Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of such prepayment, the Issuer further covenants with the holders of the Bonds as follows:

A. REVENUE FUND. The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited as collected by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Resolutions and shall be kept separate and distinct from all other funds of the Issuer and used only for the purposes and in the manner provided in the Resolutions.

B. DISPOSITION OF REVENUES. All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority, subject to and in accordance with the terms of the Prior Resolutions and this Bond Legislation:

(i) The Issuer shall first each month pay from the moneys in the Revenue Fund all current Operating Expenses.

(ii) The Issuer shall next, each month, on or before the due date of payment of each installment of the 1990 Bond, the 1984 Bond and the 1976 Bond, transfer from the Revenue Fund and pay to the National Finance Office designated in the 1990 Bond, the 1984 Bond and the 1976 Bond, respectively, or otherwise, the amounts required to pay the interest on the 1990 Bond, the 1984 Bond and the 1976 Bond, and to amortize the principal of the 1990 Bond, the 1984 Bond and the 1976 Bond over the respective lives of each such issue, and shall, before the end of each month, transfer from the Revenue Fund and remit to the Commission, for deposit into the Dorcas Sinking Fund, one-twelfth of the amount required to pay the interest becoming due on the 1973 Bond and the 1974 Bond on the next interest payment date and one-twelfth of the amount of principal maturing on the next 1973 Bond and 1974 Bond principal maturity date. ✓

The Issuer shall also remit to the Commission, from time to time, such amounts as shall be required to pay the fiscal charges due to paying agents for paying the 1973 Bond and the 1974 Bond and the interest thereon.

(iii) The Issuer shall next, by the fifteenth day of each month, transfer from the

Revenue Fund and deposit with the Depository Bank in the Grant County Reserve Fund, 1/12th of 1/10th of the maximum aggregate amount of principal and interest becoming due on the 1990 Bond, the 1984 Bond and the 1976 Bond in any year, until the amount in the Grant County Reserve Fund equals such maximum aggregate amount (the "Grant County Minimum Reserve"). After the Grant County Minimum Reserve has been accumulated in the Grant County Reserve Fund, the Issuer shall monthly deposit into the Grant County Reserve Fund such part of the moneys remaining in the Revenue Fund, after such provision for payment of monthly installments on and payment of maturing principal of and interest on the Prior Bonds, on a pro rata and parity basis, and for payment of Operating Expenses of the System, as shall be required to maintain the Grant County Minimum Reserve in the Grant County Reserve Fund, on a pro rata and parity basis as to the Prior Bonds. Moneys in the Grant County Reserve Fund shall be used solely to make up any deficiency for monthly payments of the principal of and interest on or with respect to the 1990 Bond, the 1984 Bond and the 1976 Bond to said National Finance Office as the same shall become due or for prepayment of installments on the 1990 Bond, the 1984 Bond and the 1976 Bond, or for mandatory prepayment of the 1990 Bond, the 1984 Bond and the 1976 Bond, as in the 1990 Resolution, the 1984 Resolution and the 1976 Resolution provided, all on a pro rata and parity basis with the 1974 Bond and the 1973 Bond, and for no other purpose; provided, however, that when the Grant County Minimum Reserve has been accumulated in the Grant County Reserve Fund all earnings of investments of moneys therein shall at least annually be transferred to and deposited in the Revenue Fund and used for ratable prepayment of principal of the 1990 Bond, the 1984 Bond and the 1976 Bond, on a parity and pro rata basis with the 1974 Bond and the 1973 Bond.

The District shall, on each date that payment is made as set forth in the preceding provisions of this Section 4.03B (iii), transfer from the Revenue Fund and remit to the Commission, for deposit into the Dorcas Reserve

Account, 1/12th of 1/10th of the maximum annual aggregate amount of interest and principal which will fall due on the 1973 Bond and the 1974 Bond outstanding until the amount in the Dorcas Reserve Account equals such maximum annual aggregate amount of interest and principal. After such amount has been accumulated in the Dorcas Reserve Account, the Issuer shall monthly remit to the Commission such part of the moneys remaining in the Revenue Fund, after such provision for payment of maturing principal of and interest on and payment of monthly installments on the Prior Bonds, on a pro rata and parity basis, as shall be required to maintain such amount in the Dorcas Reserve Account, on a pro rata and parity basis as to the Prior Bonds. Moneys in the Dorcas Reserve Account shall be used solely to make up any deficiency in the Dorcas Sinking Fund for payment of the principal of and interest on the 1973 Bond and the 1974 Bond as the same shall mature or for mandatory purchase or redemption of the 1973 Bond and the 1974 Bond (together with moneys in the Dorcas Sinking Fund) as in the 1973 Resolution and the 1974 Resolution provided, all on a pro rata and parity basis with the 1990 Bond, the 1984 Bond and the 1976 Bond, and for no other purpose.

(iv) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, the Issuer shall next, on or before the due date of each installment on the 1991 Bond and the Bond, transfer from the Revenue Fund and pay to the National Finance Office designated in the 1991 Bond and the Bond (or such other place as may be subsequently designated pursuant to the 1991 Bond and the Bond), the amounts required to pay the interest on the 1991 Bond and the Bond, and to amortize the principal of the 1991 Bond and the Bond over the respective lives of each such issue; provided that, all payments with respect to principal of and interest on the 1991 Bond and the Bond shall be made on an equal pro rata basis in accordance with the respective aggregate principal amounts thereof outstanding and on a parity with each other, and, thereafter, the Issuer shall transfer

from the Revenue Fund and deposit in the 1991 Reserve Fund, 1/12th of 1/10th of the amount equal to the maximum amount of principal and interest becoming due on the 1991 Bond and the Bond in any year, until the amount in the 1991 Reserve Fund equals such maximum amount (the "1991 Minimum Reserve"). After the 1991 Minimum Reserve has been accumulated in the 1991 Reserve Fund, the Issuer shall monthly deposit into the 1991 Reserve Fund such part of the moneys remaining in the Revenue Fund, after such provision for the payments hereinabove provided, as shall be required to maintain the 1991 Minimum Reserve in the 1991 Reserve Fund. Moneys in the 1991 Reserve Fund shall be used solely to make up any deficiency for monthly payments of the principal of and interest on the 1991 Bond and the Bond to said National Finance Office (or other place provided) as the same shall become due or for prepayment of installments on the 1991 Bond and the Bond, or for mandatory prepayment of the 1991 Bond and the Bond as provided in the 1991 Resolution and this Resolution, and for no other purpose, on an equal pro rata basis in accordance with the respective aggregate principal amounts thereof outstanding and on a parity with each other; provided, however, that when the 1991 Minimum Reserve has been accumulated in the 1991 Reserve Fund, all earnings of investments of moneys therein shall at least annually be transferred to and deposited in the Revenue Fund and used for prepayment of the principal of the 1991 Bond and the Bond on a pro rata and parity basis.

(v) The Issuer shall next, each month, transfer from the Revenue Fund and deposit in the Depreciation Reserve, one-half of the moneys remaining in the Revenue Fund and not permitted to be retained therein, until there has been accumulated in the Depreciation Reserve the aggregate sum of \$246,300, and thereafter such sums as shall be required to maintain such amount therein. Moneys in the Depreciation Reserve shall be used, first, to make up any deficiencies in the Dorcas Sinking Fund with respect to current payments of principal and interest on the 1974 Bond and the 1973 Bond as the same mature

and to make up any deficiencies for monthly payments of principal of and interest on the 1990 Bond, the 1984 Bond and the 1976 Bond as the same become due, on a pro rata and parity basis, and next to restore to the Grant County Reserve Fund and the Dorcas Reserve Account any sum or sums transferred therefrom, on a pro rata and parity basis, and thereafter, to meet the principal, interest and reserve payments upon the 1991 Bond and the Bond, on a subordinate basis, to the extent that moneys in the 1991 Reserve Fund are insufficient therefor. Thereafter, and provided that payments into the Dorcas Sinking Fund, the Dorcas Reserve Account, the Grant County Reserve Fund and the 1991 Reserve Fund are current and in accordance with the foregoing provisions, moneys in the Depreciation Reserve may be withdrawn by the Issuer and used for extraordinary repairs and for replacements of equipment and improvements for the System, or any part thereof.

The Issuer shall, on each date that payment is made as set forth in the preceding provisions of this Section 4.03B(v), transfer from the Revenue Fund and remit to the Commission the balance of the moneys remaining in the Revenue Fund and not permitted to be retained therein, for deposit in the Dorcas Depreciation Reserve, until there has been accumulated therein the sum of \$12,000 and thereafter, such sums as shall be required to maintain such amount therein. Moneys in the Dorcas Depreciation Reserve shall be used, first, to make up any deficiencies in the Dorcas Sinking Fund with respect to current payments of principal and interest on the 1974 Bond and the 1973 Bond as the same mature and to make up any deficiencies for monthly payments of principal of and interest on the 1990 Bond, the 1984 Bond and the 1976 Bond as the same become due, on a pro rata and parity basis, and next to restore to the Dorcas Reserve Account and the Grant County Reserve Fund any sum or sums transferred therefrom, on a pro rata and parity basis, and, thereafter, to meet principal, interest and reserve payments upon the 1991 Bond and the Bond, on a subordinate basis, to the extent that moneys in the 1991 Reserve Fund are insufficient

therefor. Thereafter, and provided that payments into the Dorcas Sinking Fund, the Dorcas Reserve Account, the Grant County Reserve Fund and the 1991 Reserve Fund are current and in accordance with the foregoing provisions, moneys in the Dorcas Depreciation Reserve may be withdrawn by the Issuer and used for extensions, replacements and improvements of the System, or any part thereof.

(vi) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, any moneys remaining therein and not permitted to be retained therein may be used to prepay installments of or redeem Prior Bonds outstanding, pro rata as to each series, and, thereafter, to prepay installments on the 1991 Bond and the Bond, pro rata as to each series, or for any lawful purpose of the System.

Whenever the moneys in the 1991 Reserve Fund shall be sufficient to prepay the 1991 Bond and the Bond in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the 1991 Bond and the Bond at the earliest practical date and in accordance with applicable provisions hereof.

The Depository Bank is hereby and by the 1991 Resolution, the 1990 Resolution, the 1984 Resolution and the 1976 Resolution designated as the Fiscal Agent for the administration of the Grant County Reserve Fund, the 1991 Reserve Fund and the Depreciation Reserve as herein and therein provided, and all amounts required for the Grant County Reserve Fund, the 1991 Reserve Fund and the Depreciation Reserve will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein and in the 1991 Resolution, the 1990 Resolution, the 1984 Resolution and the 1976 Resolution, together with written advice stating the amount remitted for deposit into each such fund.

The Commission is hereby and by the 1974 Resolution and the 1973 Resolution designated as the Fiscal Agent for the administration of the Dorcas Sinking Fund, the Dorcas Reserve Account and the Dorcas Depreciation Reserve as herein and therein provided, and all amounts required for the Dorcas Sinking Fund, the Dorcas Reserve Account and the Dorcas Depreciation Reserve will be remitted to the

Commission from the Revenue Fund by the Issuer at the times provided herein and in the 1974 Resolution and the 1973 Resolution, together with written advice stating the amount remitted for deposit into said fund, account and reserve.

All the funds provided for in this Article IV, other than the Project Construction Account, shall constitute trust funds and shall be used only for the purposes and in the order provided herein and in the Prior Resolution, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Bond and the interest thereon, which lien shall be junior and subordinate to the liens of the holders of the Prior Bonds but the Depository Bank shall not be a trustee as to such funds.

If on any payment date the Revenues are insufficient to make the payments and transfers in any of the funds and accounts as hereinabove and in the Prior Resolutions provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

Subject to the Prior Resolutions, the Depository Bank shall keep the moneys in the Grant County Reserve Fund, the 1991 Reserve Fund and the Depreciation Reserve invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Legislation shall, unless otherwise provided in the Prior Resolutions or herein, or unless otherwise required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia State Board of Investments. Subject to the Prior Resolutions, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. Earnings upon moneys in the Grant County Reserve Fund and the 1991 Reserve Fund, so long as the respective Grant County Minimum Reserve and the 1991 Minimum Reserve are on deposit and maintained therein,

shall be paid annually in January into the Revenue Fund by the Depository Bank.

The Commission shall keep the moneys in the Dorcas Sinking Fund, the Dorcas Reserve Account and the Dorcas Depreciation Reserve invested and reinvested to the fullest extent practicable in direct obligations of, or obligations the payment of the principal of and interest on which are guaranteed by, the United States of America and having maturities not exceeding two years.

C. CHANGE OF DEPOSITORY BANK AND FISCAL AGENT. The Issuer may designate another bank or trust company insured by FDIC as Depository Bank and Fiscal Agent if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank and Fiscal Agent. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser and shall give such other notice as required under and in the manner provided in, the Prior Resolutions.

D. USER CONTRACTS. The Issuer shall, prior to delivery of the Bond, provide evidence that there will be at least 1,577 bona fide users upon the System on completion of the Project, in full compliance with the requirements and conditions of the Purchaser.

E. CHARGES AND FEES. The Issuer shall remit from the Revenue Fund to the Depository Bank such additional sums as shall be necessary to pay the charges and fees of the Depository Bank then due.

F. INVESTMENT OF EXCESS BALANCES. The moneys in excess of the sum insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, in a lawful manner for securing deposits of State and municipal funds under the laws of the State of West Virginia.

G. REMITTANCES. All remittances made by the Issuer to the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

H. GROSS REVENUES. The Gross Revenues of the System shall only be used for purposes of the System.

I. PRO RATA PAYMENTS. No payments required to be made on behalf of the 1974 Bond and the 1973 Bond into the Dorcas Sinking Fund and the Dorcas Reserve Account, or on behalf of the 1990 Bond, the 1984 Bond and the 1976 Bond with respect to payment of principal or interest thereon and into the Grant County Reserve Fund, shall have any preference or priority over the other. All payments required to be made on behalf of the 1974 Bond and the 1973 Bond into the Dorcas Sinking Fund and the Dorcas Reserve Account, and on behalf of the 1990 Bond, the 1984 Bond and the 1976 Bond with respect to payment of principal or interest thereon and into the Grant County Reserve Fund, shall be made pro rata in accordance with the then outstanding principal amounts thereof, in the event that moneys are not available to make all such payments in full.

ARTICLE V

GENERAL COVENANTS, ETC.

Section 5.01. General Statement. So long as the Bonds shall be outstanding and unpaid, or until there shall have been set apart in the 1991 Reserve Fund a sum sufficient to prepay the entire principal of the Bond remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the holders of the Bonds.

Section 5.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to the payment and deposits on account of the Prior Bonds, plus Net Revenues equal to not less than 110% of the annual debt service on the 1991 Bond and the Bond and sufficient to make the payments required herein into the 1991 Reserve Fund and the Depreciation Reserve and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as the Bond is outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. No additional parity bonds or obligations payable out of any of the Revenues of the System shall be issued, except with the prior written consent of the Purchaser.

Section 5.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Bond remains outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon

any portion of the System now in use, on all above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Bond.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workers' Compensation Coverage for All Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds have been or will be filed with the Clerk of the County

Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

(e) Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer; however, if the Issuer is located in a community which has been notified as having special flood or mudslide prone areas, flood insurance must be obtained.

(f) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount of \$50,000 upon the treasurer, provided, however, that no bond shall be required insofar as custody of the Project Construction Account is concerned so long as checks thereon require the signature of a representative of the Purchaser.

(g) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Bond is outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Statutory Mortgage Lien. For the further protection of the Holder of the Bond, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Bond, but junior and subordinate to the lien in favor of the Holders of the Prior Bonds and on a parity with the lien in favor of the Holder of the 1991 Bond.

Section 5.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(a) Failure to make payment of any monthly amortization installment upon the Bond at the date specified for payment thereof; and

(b) Failure duly and punctually to observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Bond or herein, or violation of or failure to observe any provision of any pertinent law.

Section 5.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 5.09. Fiscal Year; Budget. While the Bond is outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the 1st day of any Fiscal Year, it shall adopt a

Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year preceding by more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 5.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer on file with the Secretary on the date of adoption hereof, subject to permitted changes.

Section 5.12. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

Section 1.02. Authority for this Resolution. This Resolution is adopted pursuant to the provisions of the Act and other applicable provisions of law.

Section 1.03. Findings. It is hereby found, determined and declared as follows:

A. The Issuer (being a consolidated entity resulting from the consolidation of the Dorcas Public Service District and the Grant County Public Service District) now owns and operates a public waterworks system, furnishing water service to residences, premises and businesses residing or located within and without the area of the Issuer. There are, however, residents of the Issuer who are not currently served by the water system.

B. It is deemed necessary and desirable for the health, welfare and safety of the inhabitants of the Issuer that there be acquired and constructed certain extensions, additions and improvements to the existing System, the acquisition and construction to be permanently financed, in part, by the issuance of the Bonds to the Government all in accordance with the plans and specifications prepared by the Consulting Engineers. The acquisition and construction of the System was financed in part with the proceeds from the Prior Bonds, authorized pursuant to the Prior Resolutions.

C. The Issuer derives revenues from the System and, except for the pledge thereof to secure and pay for the Prior Bonds, said revenues are not pledged or encumbered in any manner. There are outstanding obligations of the Issuer which will rank on a parity with the Bonds (the "First Lien Bonds") or junior and subordinate to the Bonds (the "Second Lien Bonds") as to liens, pledge and source of and security for payment, as follows:

<u>ISSUE</u>	<u>LIEN POSITION</u>
Series 1993 Bond, held by the Government;	Second Lien
Series 1991 Bond, held by the Government;	Second Lien
Series 1990 Bond, held by the Government;	First Lien
Series 1984 Bond, held by the Government;	First Lien
Series 1976 Bond, held by the Government;	First Lien
Series 1974 Bond, held by or through GMAC Commercial Mortgage Corporation; and	First Lien
Series 1973 Bond, held by or through GMAC Commercial Mortgage Corporation; and	First Lien

The Issuer has met the parity tests set forth in the Prior Resolutions or has secured or will secure a waiver of the parity consent requirements of the Prior Resolutions. Prior to the issuance of the Bonds, the Issuer will obtain the consent of the Prior Bond owners to the issuance of the Bonds on a parity with the lien of the First Lien Bonds as may be required by the Prior Resolutions. Upon the issuance of the Bonds, the Issuer will grant the Government a first lien on the Net Revenues of the System on a parity as to liens, pledge and source of and security for payment with the lien of the First Lien Bonds.

D. The estimated maximum cost of the construction of the Project is \$3,350,000. The Project will be financed with the proceeds of the sale of the Bonds anticipated to be in the amount of \$1,850,000, the RUS Grant proceeds in the amount of \$500,000 and the SCBG Grant in the amount of \$1,000,000.

E. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all the costs of the operation and maintenance of the System, the principal of and interest on the Prior Bonds and the Bonds authorized to be issued pursuant to this Resolution, and all sinking funds, reserve and other payments provided for in this Resolution and the Prior Resolutions.

F. It is deemed necessary for the Issuer to issue its Bonds to permanently finance all or a portion of the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements, and franchises deemed necessary therefor; the cost of the construction of said extensions, additions, betterments and improvements to the System and any other expenses necessary, incidental, desirable or appurtenant to the acquisition and construction of the Project and such replacements as are necessary therefor; the cost of interim financing for such Project; interest on the Bonds, prior to, during and for six months after the estimated date of completion of construction of the Project; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; expenses for the service of registrars, paying agents, depositories or other agents in connection with the issuance of the Bonds, and such other expenses as may be necessary or desirable to said acquisition and construction of the project and placing the same in operation and the financing authorized by this Resolution.

G. The period of usefulness of the System after completion of the Project is not less than 40 years.

H. It is in the best interests of the Issuer that its Bonds be sold to the Government pursuant to the terms and provisions of the Letter of Conditions.

I. The Issuer has complied with all requirements of West Virginia law relating to authorization of the construction, acquisition and operation of the Project and issuance of the Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of the PSC Order, the time for rehearing and appeal of which have expired.

J. The Issuer has obtained the approval of the West Virginia Infrastructure and Jobs Development Council as to the feasibility of the Project.

Section 1.04. Resolution Constitutes Contract. In consideration of the acceptance of the Bonds by those who shall be the Registered Owners of the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Registered Owners of any and all of such Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bonds by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

ARTICLE II

CONSTRUCTION OF PROJECT

Section 2.01. Authorization of Acquisition and Construction of Project. There is hereby authorized the construction and acquisition of the Project in accordance with the plans and specifications which have been prepared by the Consulting Engineers, heretofore filed in the office of the Governing Body. The Issuer has received bids or entered into contracts for the acquisition and construction of the Project.

(A) The Bonds shall be issued in the form of one Bond, numbered R-1, in a principal amount not to exceed \$1,850,000. The Bonds shall be fully registered in the name of the Government. The Bonds shall be dated the date of delivery thereof. The Bonds shall be sold for an amount not to exceed the par value thereof.

(B) The Bonds shall bear interest at a rate not to exceed four and seventy-five one hundredths per centum (4.750%) per annum from the date of delivery, but only on amounts advanced thereunder as shown on the record of advances and payments attached to the Bonds.

(C) Principal and interest shall be paid in installments as provided in this subsection. The Issuer shall make monthly installments of interest on amounts advanced thereunder as shown on the record of advances and payments attached to the Bonds beginning on the Payment Date and continuing on the corresponding day of each month for the first twenty-four months after the date of delivery of the Bonds. At the end of this twenty-four month period, the Issuer shall make monthly installments of principal and interest in the amount of \$8,788 on the corresponding day of each month, except that the final installment shall be paid no later than forty years from the date of delivery of the Bond in the sum of the unpaid principal and interest due on that date.

(D) Notwithstanding the provisions of subsection (C) of this section, the Issuer may prepay all or any portion of the scheduled monthly installments described in this section. Prepayments of principal and interest shall be indicated on the record of advances and payments attached to the Bonds.

(E) The Bonds shall be subject to such other conditions as may be set forth in the Supplemental Resolution.

Section 3.03. Execution of Bonds. The Bonds shall be executed in the name of the Issuer by the manual or facsimile signature of the Chairman, and the seal of the Issuer shall be impressed thereon and attested by the manual or facsimile signature of the Secretary.

In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.09, shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Resolution. The Certificate of Authentication and Registration on any Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder, in accepting any of said Bonds, shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Bonds remain outstanding, the Issuer, through the Bond Registrar, shall keep and maintain books for the registration and transfer of the Bonds.

The Bonds shall be transferable only upon the books of the Bond Registrar, by the Registered Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the Registered Owner or his duly authorized attorney.

In all cases in which the privilege of exchanging or transferring the Bonds are exercised, Bonds shall be delivered in accordance with the provisions of this Resolution. All Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond

Registrar shall not be obligated to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month preceding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System, as herein provided, and amounts, if any, in the Reserve Account. No Holder or Holders of any of the Bonds shall ever have the right to compel the exercise of the taxing power, if any, of the Issuer to pay the Bonds or the interest thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Bonds and the First Lien Bonds shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the System. The Second Lien Bonds are junior and subordinate to the First Lien Bonds and the Bonds. Net Revenues of the System in an amount sufficient to pay the principal of and interest on and other payments for the Bonds and to make the payments as hereinafter provided are hereby irrevocably pledged to the payment of the principal of and interest on the Bonds as the same become due.

Section 3.09. Form of Bonds. The text of the Bonds shall be in substantially the following form, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted hereby, or by any Supplemental Resolution adopted prior to the issuance thereof:

SYSTEM REVENUES AND APPLICATION THEREOF

Section 5.01. System Revenues and Application Thereof. So long as the Bonds shall be Outstanding and unpaid, the Issuer covenants with the Bondholders as follows:

(A) The entire Gross Revenues derived from the operation of the System and all parts thereof shall be deposited by the Issuer in the Revenue Fund which was created by the Prior Resolutions and hereby continued. The Revenue Fund shall constitute a trust fund for the purposes provided in this Resolution and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. Funds in the Revenue Fund shall be disposed of only in the following manner and order of priorities.

(1) From the Revenue Fund, the Issuer shall first each month pay the current Operating Expenses of the System.

(2) Next from the moneys in the Revenue Fund, the Issuer shall make the interest payments required by the Prior Resolutions on account of the First Lien Bonds then outstanding, and commencing on the day which is thirty days following the date on which the Bonds were issued and continuing on the same day of each month thereafter, on a pro rata basis with interest payments under this subdivision (2) on account of the First Lien Bonds then outstanding, shall apportion and set apart out of the Revenue Fund and remit to the office and place designated by the Bonds (the "Series 1999 Sinking Fund") the monthly payment of interest set forth in the Supplemental Resolution or such lesser amount as is required to pay interest on the Bonds as evidenced by the Record of Advances and Payments attached to the Bonds.

(3) Next from the moneys in the Revenue Fund, the Issuer shall make the principal payments required by the Prior Resolutions on account of the First Lien Bonds then outstanding, and commencing on the date which is twenty-four months following the the date on which the Bonds were issued and continuing on the same day of each month thereafter, on a pro rata basis with principal payments under this subdivision (3) on account of the First Lien Bonds then outstanding, shall apportion and set apart from the Revenue Fund and remit to the Sinking Fund the monthly payment of principal set forth in the Supplemental Resolution or such lesser amount as is evidenced by the Record of Advances and Payments attached to the Bond as set forth in the Bond form in Section 3.09.

The deposits to the Sinking Fund provided in this subdivision (3) and in subdivision (2) above constitute actual payments of principal and interest on the Bonds issued to the Government. The amounts required for principal and interest payments on the

Bonds issued hereunder other than to the Government shall be deposited in a sinking fund created by a Supplemental Resolution.

(4) The Issuer shall next transfer from the Revenue Fund and make the transfers then required by the Prior Resolutions into the reserve accounts established or continued by the Prior Resolutions on account of the First Lien Bonds then outstanding, and commencing on the day which is thirty days following the date on which the Bonds were issued and continuing on the same day of each month thereafter, on a pro rata basis with reserve fund payments under this subdivision (4) on account of the First Lien Bonds then outstanding, deposit in the Series 1999 Reserve Account at the Commission or at a banking institution approved by the Government, or in the case of Bonds other than the Bonds originally authorized hereby, in a reserve account in a sinking fund created by Supplemental Resolution or otherwise as designated by a Supplemental Resolution, an amount equal to $\frac{1}{2}$ of $\frac{1}{12}$ th of $\frac{1}{10}$ th of the amount, as of the date of calculation, equal to the maximum aggregate amount of principal and interest which will become due on the Bonds in any year, until the amount in the Series 1999 Reserve Account equals the Series 1999 Reserve Requirement. In the event that additional funds are required to maintain the Series 1999 Reserve Requirement in the Series 1999 Reserve Account or to maintain the amounts required to be maintained by the Prior Resolutions into the reserve accounts established or continued by the Prior Resolutions on account of the First Lien Bonds then outstanding or both, the Issuer shall first make the required payments on a pro rata basis into the Series 1999 Reserve Account or the reserve accounts established or continued by the Prior Resolutions on account of the First Lien Bonds or both prior to making any of the payments required by subdivisions (5), (6), (7) or (8) of this subsection.

No further payments shall be made into the Series 1999 Reserve Account when there shall have been deposited therein and as long as there shall remain on deposit therein, an amount equal to the Series 1999 Reserve Requirement. Moneys in the Series 1999 Reserve Account shall be used only for the purpose of payment of maturing principal of or interest on the Bonds when moneys in the Revenue Fund or, in the case of bonds other than the Bonds originally authorized hereby, the funds in a sinking fund created by Supplemental Resolution are insufficient therefor and for no other purposes.

Any withdrawals from the Series 1999 Reserve Account which result in a reduction in the balance of the Series 1999 Reserve Account to below the Series 1999 Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments under subdivisions (2), (3) and (4) of this subsection, including any deficiencies for prior payments, have been made in full.

As and when Additional Bonds ranking on a parity with the Bonds are issued, provision shall be made by Supplemental Resolution for additional payments sufficient to pay the interest on such Additional Bonds and to accomplish retirement thereof at or before maturity and to accumulate a balance in the Series 1999 Reserve Account in an amount equal to the maximum provided and required to be paid in principal and interest in any succeeding year for account of all the Bonds.

(5) Next from the moneys in the Revenue Fund, the Issuer shall make the interest payments required by the Prior Resolutions on account of the Second Lien Bonds then outstanding, on a pro rata and parity basis among the Second Lien Bonds then outstanding.

(6) Next from the moneys in the Revenue Fund, the Issuer shall make the principal payments required by the Prior Resolutions on account of the Second Lien Bonds then outstanding, on a pro rata and parity basis among the Second Lien Bonds then outstanding.

(7) Next from the moneys in the Revenue Fund, the Issuer shall make the transfers required by the Prior Resolutions on account of the Second Lien Bonds then outstanding to any and all reserve accounts established for the Second Lien Bonds, on a pro rata and parity basis among the Second Lien Bonds then outstanding.

(8) Thereafter, from the moneys remaining in said Revenue Fund, the Issuer shall next make the transfers required to be made into the Depreciation Reserve by the 1993 Resolution until such account is fully funded pursuant to the 1993 Resolution, and shall, commencing with the month succeeding the first full calendar month after commencement of operation of the Project, transfer to the Depreciation Reserve, in addition to any amount then required to be transferred pursuant to the 1993 Resolution, an additional amount equal to $\frac{1}{2}$ of $\frac{1}{12}$ th of $\frac{1}{10}$ th of the amount of the Series 1999 Reserve Requirement; provided, that after the Series 1999 Reserve Requirement has been accumulated in the Series 1999 Reserve Account pursuant to subdivision (4) of this subsection, the Issuer shall also transfer from the Revenue Fund to the Depreciation Reserve an additional $\frac{1}{2}$ of $\frac{1}{12}$ th of $\frac{1}{10}$ th of the Series 1999 Reserve Requirement. Moneys in the Depreciation Reserve shall be used first to make up any deficiencies for monthly payments of principal of and interest on account of the First Lien Bonds then outstanding and the Bonds, on a pro rata basis, as the same become due; next to restore to the reserve accounts established for the First Lien Bonds then outstanding and the Series 1999 Reserve Account, on a pro rata basis, any sum or sums transferred therefrom; next to make up any deficiencies for monthly payments of principal of and interest on any Second Lien Bonds then outstanding, on a pro rata basis, as the same become due; and thereafter to make up any deficiencies in the reserve accounts established for any Second Lien Bonds then outstanding, on a pro rata basis, as the same become due. Thereafter and provided that payments into the aforementioned reserve accounts are current and in accordance with the foregoing provisions, monies in the Depreciation Reserve may be withdrawn by the Issuer and used for extraordinary repairs and for replacements of equipment and improvements for the System, or any part therefor. All funds in said Depreciation Reserve shall be kept apart from all other funds of the Issuer, and all or any part of said fund may be invested as provided by Article IX.

(9) If all of the above required payments are then current, the Issuer may use any moneys remaining in the Revenue Fund for the following purposes: (a) for prepayment of the amount, or any part thereof, of the First Lien Bonds then outstanding and of the Bonds, in accordance with the terms thereof, pro rata as to each series, (b) for

prepayment of the amount, or any part thereof, of the Second Lien Bonds then outstanding and of the Bonds, in accordance with the terms thereof, pro rata as to each series, (c) for additions, betterments or replacements to the System which the Consulting Engineers certify are needed, (d) for payments of principal of and interest on subordinate waterworks and sewerage system revenue bonds or other obligations which may hereafter be issued by the Issuer, or (e) for any lawful purpose of the System.

(B) All of the funds and accounts provided for above shall constitute trust funds and shall be used only for the purposes provided herein.

(C) The moneys in excess of the sum insured by the maximum amounts insured by the FDIC in the Revenue Fund, in the Series 1999 Reserve Account and in the Depreciation Reserve shall at all times be secured, to the full extent thereof in excess of such insured sum, by Government Obligations or such other obligations as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

(D) If on any monthly payment date the Net Revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payments dates; provided, that all deposits, including on account of deficiencies, shall be made in the order of priority set forth in Paragraph (A), above, and no payment of lower priority shall be made if there exists a deficiency in a fund or account of higher priority. No such deficiency shall exist solely because the required payments into the Series 1999 Reserve Account have not, as of such date, funded such account to the requirement therefor.

(E) All remittances made by the Issuer to the Government or to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

(F) The Gross Revenues of the System shall only be used for purposes of the System.

Section 5.02. Tap Fees. During the construction of the Project, Tap Fees shall be deposited in the Construction Trust Fund created in Section 6.02 hereof. Following completion of the Project, Tap Fees shall be deposited in the Revenue Fund and may be used for any lawful purpose of the System.

Section 5.03. Excess Bond Proceeds. The Issuer shall apply any excess proceeds from the Bonds not required by the Project as instructed in writing by the Government.

ARTICLE VI

APPLICATION OF BOND PROCEEDS

Section 6.01. Application of Bond Proceeds. All the moneys received from time to time from the sale of Bonds shall be deposited in the Construction Trust Fund, hereinafter created.

Section 6.02. Construction Trust Fund. There is hereby created with the Depository Bank a special fund to be known as the "Construction Trust Fund," which fund shall be kept separate and apart from all other funds of the Issuer, and shall be drawn out, used and applied by the Issuer solely for the payment of the Costs of the Project and purposes incidental thereto, including payment of any borrowings by the Issuer made for the purpose of temporarily financing a portion of the Costs of Project, for the payment of interest on the Bonds during construction and for a period up to six months thereafter and for no other purposes whatsoever. The moneys in said fund shall be secured at all times by the Depository Bank, by Government Obligations having a fair market value at least equal to the balance in said fund in excess of the amount insured by the FDIC. If for any reason the amounts on deposit in the Construction Trust Fund are not necessary for, or are not applied to, such purposes, then such unapplied amounts shall be deposited by the Issuer as determined by the rules and regulations of the Government. All such proceeds shall constitute a trust fund for such purposes, and there is hereby created a lien upon such moneys, until so applied, in favor of the Holders of the Bonds hereby authorized.

Expenditures or disbursements by the Depository Bank from said Construction Trust Fund shall be made only after such expenditures or disbursements shall have been approved in writing by the Governing Body, the Consulting Engineers and the Government.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Resolution shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Resolution, the Issuer hereby covenants and agrees with the Holders of the Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Resolution. No Holder or Holders of any Bonds shall ever have the right to compel the exercise of the taxing power, if any, of the Issuer to pay said Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the operation of the System which lien is on a parity as to such security and source of payment with the lien of the First Lien Bonds. The Net Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Bonds herein authorized and to make the payments into the Series 1999 Sinking Fund and the Series 1999 Reserve Account and all other payments provided for in this Resolution and the Prior Resolutions are hereby irrevocably pledged, in the manner provided herein and therein, to the payment of the principal of and interest on the Prior Bonds and the Bonds as the same become due, and for the other purposes provided in this Resolution and the Prior Resolutions.

Section 7.04. Rates. Prior to the issuance of the Bonds, equitable rates or charges for the use of and service rendered by the System will be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file in the office of the Governing Body, copies of which will be open to inspection by all interested parties. The schedule of rates and charges shall be sufficient to pay the Operating Expenses of the System, to pay the principal of and interest on the Bonds and the Prior Bonds, to make the required transfers into the Series 1999 Reserve Account and the reserve accounts established on account of any Prior Bonds then outstanding, and to to make the transfers into the Depreciation Reserve required by the 1993 Resolution and this Resolution. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this

covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient (i) to provide for all reasonable expenses of operation, repair and maintenance of the System and (ii) to leave a balance each year equal to at least 110% of the maximum amount required in any year for payment of principal of and interest on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds (including, without limitation, the First Lien Bonds).

Section 7.05. Sale of the System. So long as the Bonds are Outstanding, the System may be sold, transferred, mortgaged, leased or otherwise disposed of or encumbered (other than any statutory mortgage lien created under the Act on account of obligations issued within the restrictions hereof) only with the written consent of the Government, and such consent will specify the disposition of any such sale or transfer. So long as the Prior Bonds are outstanding, the System may be sold, transferred, mortgaged, leased or otherwise disposed of only in accordance with the terms of the Prior Resolutions and with the written consent of the Government.

Section 7.06. Issuance of Additional Bonds. As long as the Prior Bonds are Outstanding, no Additional Bonds shall be issued except as provided in the Prior Resolutions and with the prior written consent of the Government. As long as the Bonds are Outstanding, no additional Bonds shall be issued without the prior written consent of the Government.

Section 7.07. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Resolution shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the PSC. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Government. The Government shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Government shall be reported to such agent of the Issuer as the Government shall direct.

The Issuer shall file with the Government, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of Bonds requesting the same, an annual report containing the following:

- (A) A statement of Gross Revenues, Operating Expenses and Net Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Resolution and the status of all said funds and accounts.

(C) The amount of any Bonds, Prior Bonds or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of Bonds and shall submit said report to the Government, or any other original purchaser of the Bonds. Such audit report submitted to the Government shall include a statement that the Issuer is in compliance with the terms and provisions of this Resolution and the Prior Resolutions.

The Issuer shall keep and preserve all financial records for a period of ten (10) years, and such material, upon request, will be made available for public inspection.

Section 7.08. Fiscal Year; Budget. While the Bonds are Outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a fiscal year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the annual budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of such annual budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Board. Copies of each annual budget shall be delivered to the Government by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the annual budget before the first day of any Fiscal Year, it shall adopt a budget of current expenses from month to month until the adoption of the annual budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the year next preceding by more than ten percent (10%); and provided further, that adoption of a budget of current expenses shall not constitute compliance with the covenant to adopt an annual budget unless the Issuer's failure to submit an annual budget shall be for a reason beyond the control of the Issuer. Each such budget of current expenses shall be delivered and mailed immediately as in the case of the annual budget.

Section 7.09. Services Rendered by the System. The Issuer will not render or cause to be rendered any free services of any nature by its System; and, in the event the Issuer or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency,

instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.10. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals, or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent, to the full extent permitted or authorized by the laws of the State and the rules and regulations of the Public Service Commission. All such rates and charges, if not paid when due, shall become a lien on the premises served by the System.

To the extent allowed by law and the PSC, whenever any rates, rentals or charges for the services and facilities of the System, shall remain unpaid for a period of thirty (30) days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent and the owner, user and property shall be held liable at law until such time as all such rates and charges are fully paid.

The Issuer further covenants and agrees that it will, to the full extent permitted by law and the rules and regulations promulgated by the PSC, for any account not paid within sixty (60) days, discontinue and shut off the services and facilities of the System and, in the event the Issuer owns a sewer facility (the "Sewerage System"), the Sewerage System to all users of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System have been paid in full and all accrued penalties plus a reconnection charge have been paid and shall take all further actions to enforce collections to the maximum extent permitted by law. The Issuer further covenants to use its best efforts to enter into agreements with any other entities providing sewerage service to its users, providing for discontinuing and shutting off the services and facilities of the sewerage system to users of the System delinquent in payment.

Section 7.11. Insurance and Bonds. The Issuer hereby covenants and agrees that, so long as the Bonds remain Outstanding, it will, as an expense of operation and maintenance of the System, procure, carry and maintain insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(A) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured prior to acceptance of any part of the Project from the contractor, on all above-ground insurable portions of the System, including machinery and equipment housed therein, in an amount equal to the insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged

or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(B) Public Liability Insurance, with limits of not less than \$500,000 for personal liability to protect the Issuer from claims for bodily injury and/or death and not less than \$200,000 from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured at the commencement of construction of the Project.

(C) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated for the benefit of the Issuer, with limits of not less than \$500,000 for personal liability to protect the Issuer from claims for bodily injury and/or death and not less than \$200,000 from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle.

(D) Workers' Compensation Coverage for All Employees of the System Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each contractor dealing directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of Grant County prior to commencement of construction of the Project in compliance with Chapter 38, Article 2, Section 39 of the Code of West Virginia, 1931, as amended.

(E) Fidelity Bonds will be provided as to every officer and employee of the Issuer having custody of the Revenue Fund or of any other funds or valuable property of the System in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount required by the Government and to be increased thereafter as necessary to cover the maximum amount of funds under control of that position at any one time.

(F) Flood Insurance will be obtained by the Issuer if available.

(G) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this section, during construction of the Project and so long as the Government holds any of the Bonds, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each prime contractor to carry insurance, of such types and in such amounts as the Government may specify, and with insurance carriers or bonding companies acceptable to the Government.

Section 7.12. No Competing Franchise. To the extent allowable by law, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to

any person, firm, corporation or body, or agency or instrumentality for the providing of any services which would compete with services provided by the System.

Section 7.13. Consulting Engineer. The Issuer will retain recognized, qualified independent Consulting Engineers on an annual basis to supervise generally the operation, maintenance and renewal of the System, and to report annually to the Issuer writing their recommendations and comments as to the System. Such annual report of the Consulting Engineers, or a summary thereof, shall be made available at reasonable times to the Government and to any Bondholder requesting the same.

Section 7.14. Contracts. Not later than simultaneously with the delivery of the Bonds, the Issuer shall have entered into written contracts for the immediate acquisition or construction of the Project.

Section 7.15. Statutory Mortgage Lien. For the further protection of the Holders of Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, and shall take effect immediately upon delivery of the Bonds and shall be for the equal benefit of all Holders of the Bonds; provided however, that a statutory mortgage lien in favor of the Holders of the Bonds issued hereunder shall be on a parity with the statutory mortgage lien in favor of the owners of the First Lien Bonds.

Section 7.16. PSC Order. The Issuer shall comply with the conditions of the PSC Order and any supplement or amendment thereto.

Section 7.17. Covenant to Amend Resolution. The Issuer retains the right to make any amendments, insertions or deletions by Supplemental Resolution of this Resolution as the Issuer deems necessary prior to the issuance of the Bonds to meet the requirements of the Government.

Section 7.18. Compensation of the Issuer. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Public Service Board of the Issuer in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein and in the Prior Resolutions, nor when there is a default in the performance of or compliance with any covenants or provision hereof or of the Prior Resolutions.

Section 7.19. Funds and Accounts Under Prior Resolutions. The Issuer hereby covenants that all payments into the respective funds and accounts created under the Prior Resolutions will have been made in full as required by the Prior Resolutions prior to the date of delivery of the Bonds.

ARTICLE VIII

DEFAULTS AND REMEDIES

Section 8.01. Events of Default. A. Each of the following events shall constitute an "Event of Default" with respect to the Bonds.

(A) If default occurs in the due and punctual payment of the principal of or interest on any Bonds;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Bonds set forth in this Resolution, any Supplemental Resolution or the Bonds and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Government, the Depository Bank, the Bond Registrar, any Paying Agent or a Registered Owner of a Bond; or

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If a default occurs under the Prior Resolutions.

Section 8.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and this Resolution relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action at law or bill in equity enjoin any acts in violation of the resolution with respect to the Bonds, or the rights of such Registered Owners.

Section 8.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under this Resolution and the Act, including, after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default, with respect to the Bonds, the Registered Owner shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project, or both, on behalf of the Issuer, with power to charge rates, rentals, fees and other

charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and any interest thereon and the deposits into the funds and accounts herein provided and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Resolution for Reserve, Sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Resolution shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent Event of Default, any Registered Owner of Bonds issued pursuant to this Resolution shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of Bonds issued pursuant to this Resolution. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and Registered Owners, and the curing and making good of any default under the provisions of this Resolution, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage, or otherwise dispose of any assets of the System.

Section 8.04. Remedies On Parity With First Lien Bonds. The exercise of any remedies set forth in Sections 8.02 and 8.03 above shall recognize and protect the parity rights of the owners of the First Lien Bonds.

ARTICLE IX

INVESTMENTS

Section 9.01. Investments. Any moneys held as a part of the funds and accounts created by this Resolution, other than the Revenue Fund, shall be invested and reinvested by the Depository Bank at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section.

Except as specifically provided herein, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, including but not limited to those in the Construction Trust Fund, and used for the purpose of such fund or account. The interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the Owner, including the value of accrued interest and giving effect to the amortization of discount and investments in the "consolidated fund" of the West Virginia Board of Investments shall be valued at par. The Depository Bank shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. Such Depository Bank may make any and all investments permitted by this Section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

Notwithstanding the foregoing, any investments made pursuant to this Resolution shall comply with the guidelines of the Government.

ARTICLE X

MISCELLANEOUS

Section 10.01. Modification or Amendment. Except as provided in Section 7.17, no material modification or amendment of this Resolution, or of any resolution amendatory or supplemental hereto that would materially and adversely affect the respective rights of Owners of the Bonds shall be made without the consent in writing of the Owners of 66-2/3 percent or more in principal amount of the Bonds so affected and then Outstanding; provided, that no change shall be made in the maturity of any Bond or Bonds or the rate of interest thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest out of the Net Revenues of the System without the consent of the respective Owner thereof. No amendment or modification shall be made that would reduce the percentage of the principal amount of Bonds respectively, required for consent to the above-permitted amendments or modifications.

Section 10.02. Severability of Invalid Provisions. If any section, paragraph, clause or provision of this Resolution shall be held invalid, such invalidity shall not affect any of the remaining provisions of this Resolution, any Supplemental Resolution or the Bonds.

Section 10.03. Table of Contents and Headings. The Table of Contents and headings of the articles, sections and subsections hereof are for convenience only and shall neither control nor affect in any way the meaning or construction of any of the provisions hereof.

Section 10.04. Repeal of Conflicting Resolutions. All resolutions and orders, or parts thereof, in conflict with this Resolution are, to the extent of such conflict, repealed; provided, that no provision of the Government's Form 1942-47 or the Prior Resolutions shall be repealed hereby.

Section 10.05. Covenant of Due Procedure. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the adoption of this Resolution do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Chairman, Secretary and members of the Governing Body were at all times when any actions in connection with this Resolution occurred, and are, duly in office and duly qualified for such office.

Section 10.06. Satisfaction and Discharge. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then the respective pledges of Net Revenues, and other moneys and

securities pledged under this Resolution, and all covenants, agreements and other obligations of the Issuer to the Bondholders shall thereupon cease, terminate and become void and be discharged and satisfied. Any payment must comply with the terms of the Letter of Conditions and any Government regulations.

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Grant County Public Service District (the "Issuer") is a public service district, public corporation and political subdivision of the State of West Virginia in Grant County of said State.

B. The Issuer presently owns and operates a public water system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain improvements and extensions to the existing public water facilities of the Issuer, consisting of waterline extensions to serve approximately 126 new customers, together with all appurtenant facilities (collectively, the "Project"), which constitute public service properties for the diversion, development, pumping, impounding, treatment, storage, distribution or furnishing of water to or for the public for industrial, public, private or other uses (the existing public water facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Infrastructure Fund administered by the Authority pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Water Revenue Bonds, Series 2005 A (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than \$1,833,369 (the "Series 2005 A Bonds"), to permanently finance a portion of the costs of acquisition and construction of the Project. The remaining costs of the Project shall be funded from the sources set forth in Section 2.01 hereof. Such costs shall be deemed to include the cost of acquisition and construction of any public service properties and any improvements and extensions thereto, the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, on the Series 2005 A Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Series 2005 A Bonds Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2005 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2005 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that the Series 2005 A Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and between the Issuer and the Authority, on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), in form satisfactory to the respective parties (the "Loan Agreement"), approved hereby if not previously approved by resolution of the Issuer.

G. The following outstanding bonds of the Issuer have a first lien on the Net Revenues of the System: (i) Water Revenue Bonds, Series 1976, dated November 13, 1978, issued in the original principal amount of \$350,000 (the "Series 1976 Bonds"); (ii) Water Revenue Bonds, Series 1984, dated August 14, 1984, issued in the original principal amount of \$400,000 (the "Series 1984 Bonds"); (iii) Water Revenue Bonds, Series 1990, dated September 25, 1990, issued in the original principal amount of \$209,000 (the "Series 1990 Bonds"); and (iv) Water Revenue Bonds, Series 1999, dated March 4, 1999, issued in the original principal amount of \$1,850,000 (the "Series 1999 Bonds").

The following outstanding bonds of the Issuer have a second lien on the Net Revenues of the System: (a) Water Revenue Bonds, Series 1991, dated August 6, 1991, issued in the original principal amount of \$600,000 (the "Series 1991 Bonds"); and (b) Water Revenue Bonds, Series 1993, dated December 6, 1993, issued in the original principal amount of \$130,000 (the "Series 1993 Bonds").

The Series 1976 Bonds, the Series 1984 Bonds, the Series 1990 Bonds, the Series 1991 Bonds, the Series 1993 Bonds and the Series 1999 Bonds are hereinafter collectively called the "Prior Bonds."

The Series 2005 A Bonds shall be issued on a parity with the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

H. The estimated revenues to be derived in each year following completion of the Project from the operation of the System will be sufficient to pay all Operating Expenses of the System, the principal of and interest, if any, on the Series 2005 A Bonds and the Prior Bonds and all funds and accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System, and the issuance of the Series 2005 A Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the Project and the financing thereof by the Council and the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia (the "PSC") by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2005 A Bonds or such final order will not be subject to appeal or rehearing.

J. The Project has been reviewed and determined to be technically and financially feasible by the Council as required under Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended.

All Bonds so surrendered shall be canceled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2005 A Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. Simultaneously with the issuance of the Series 2005 A Bonds, the Series 1991 Bonds and the Series 1993 Bonds shall advance from a second lien to a first lien position. The payment of the debt service of the Series 2005 A Bonds shall be secured by a first lien on the Net Revenues, on a parity with the lien on the Net Revenues in favor of the Registered Owners of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2005 A Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation and the Prior Resolutions, are hereby irrevocably pledged to such payments as they become due.

Section 3.09. Delivery of Bonds. The Issuer shall execute and deliver the Series 2005 A Bonds to the Bond Registrar, and the Bond Registrar shall authenticate, register and deliver the Series 2005 A Bonds to the original purchasers upon receipt of a request and authorization to the Bond Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate, register and deliver such Bonds to the original purchasers.

STATE OF WEST VIRGINIA
GRANT COUNTY PUBLIC SERVICE DISTRICT

(WEST VIRGINIA INFRASTRUCTURE FUND)

No. AR-_____

\$ _____

KNOW ALL MEN BY THESE PRESENTS: That on this ___ day of _____, 200__, GRANT COUNTY PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Grant County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the WEST VIRGINIA WATER DEVELOPMENT AUTHORITY (the "Authority") or registered assigns, the sum of _____ DOLLARS (\$ _____), or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing _____ 1, _____, as set forth on the "Debt Service Schedule" attached as EXHIBIT B hereto and incorporated herein by reference.

This Bond shall bear no interest. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Infrastructure and Jobs Development Council (the "Council"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and between the Issuer and the Authority, on behalf of the Council, dated _____, 200__.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public water facilities of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of this Bond and related costs. The existing public water facilities of the Issuer, the Project and any further

improvements or extensions thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A and Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended (collectively, the "Act"), a Bond Resolution duly adopted by the Issuer on _____, 200__, and a Supplemental Resolution duly adopted by the Issuer on _____, 200__ (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for this Bond under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL OTHER RESPECTS, WITH THE ISSUER'S (1) WATER REVENUE BONDS, SERIES 1976, DATED NOVEMBER 13, 1978, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$350,000; (2) WATER REVENUE BONDS, SERIES 1984, DATED AUGUST 14, 1984, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$400,000; (3) WATER REVENUE BONDS, SERIES 1990, DATED SEPTEMBER 25, 1990, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$209,000; (4) WATER REVENUE BONDS, SERIES 1991, DATED AUGUST 6, 1991, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$600,000; (5) WATER REVENUE BONDS, SERIES 1993, DATED DECEMBER 6, 1993, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$130,000; AND (6) WATER REVENUE BONDS, SERIES 1999, DATED MARCH 4, 1999, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$1,850,000 (COLLECTIVELY, THE "PRIOR BONDS").

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the System, on a parity with the pledge of Net Revenues in favor of the registered owners of the Prior Bonds, and from moneys in the reserve account created under the Bond Legislation for this Bond (the "Series 2005 A Bonds Reserve Account") and unexpended proceeds of this Bond. Such Net Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the moneys in the Series 2005 A Bonds Reserve Account and unexpended proceeds of this Bond. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount of principal of and interest, if any, on this Bond payable

in any year and all other obligations secured by a lien on or payable from such revenues on a parity with this Bond, including the Prior Bonds; provided however, that so long as there exists in the Series 2005 A Bonds Reserve Account, an amount at least equal to the maximum amount of principal and interest, if any, which will become due on this Bond in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with this Bond, including the Prior Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the Registered Owner (as defined in the Bond Legislation) of this Bond for the terms of which reference is made to the Bond Legislation. Remedies provided the Registered Owner of this Bond are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of the Registrar (as defined in the Bond Legislation) by the Registered Owner, or by its attorney duly authorized in writing, upon the surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the Registered Owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of the Project and the costs of issuance hereof as described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the Registered Owner of this Bond.

In accordance with the requirements of the United States Department of Agriculture for the issuance of parity obligations, this Bond will be in default should any proceeds of this Bond be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Net Revenues of the System has been

pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

IN WITNESS WHEREOF, GRANT COUNTY PUBLIC SERVICE DISTRICT has caused this Bond to be signed by its Chairperson and its corporate seal to be hereunto affixed and attested by its Secretary, and has caused this Bond to be dated the date first written above.

The following special funds or accounts are hereby created with (or continued if previously established by the Prior Resolutions) and shall be held by the Depository Bank separate and apart from all other funds or accounts of the Depository Bank and the Issuer and from each other:

- (1) Revenue Fund (established by the Prior Resolutions);
- (2) Depreciation Reserve (established by the Prior Resolutions);
- (3) Renewal and Replacement Fund; and
- (4) Series 2005 A Bonds Construction Trust Fund.

Section 5.02. Establishment of Funds and Accounts with Commission.

The following special funds or accounts are hereby created with and shall be held by the Commission separate and apart from all other funds or accounts of the Commission and the Issuer and from each other:

- (1) Series 2005 A Bonds Sinking Fund; and
- (2) Series 2005 A Bonds Reserve Account.

Section 5.03. System Revenues; Flow of Funds.

A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Bond Legislation and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order of priority:

- (1) The Issuer shall first, each month, pay from the Revenue Fund all current Operating Expenses of the System.
- (2) The Issuer shall next, each month, from the moneys in the Revenue Fund,

make the interest payments on the Prior Bonds in the amounts and on the dates required by the Prior Resolutions.

(3) The Issuer shall next, each month, from the moneys in the Revenue Fund, (i) make the principal payments of the Prior Bonds in the amounts and on the dates required by the Prior Resolutions; and (ii) remit to the Commission, on the first day of each month, commencing 3 months prior to the first date of payment of principal of the Series 2005 A Bonds, for deposit in the Series 2005 A Bonds Sinking Fund, an amount equal to 1/3rd of the amount of principal which will mature and become due on the Series 2005 A Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2005 A Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payment shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date.

(4) The Issuer shall next, each month, from the moneys in the Revenue Fund, (i) make the reserve account payments into the Reserve Accounts for the Prior Bonds in the amounts and on the dates required by the Prior Resolutions; and (ii) remit to the Commission, on the first day of each month, commencing 3 months prior to the first date of payment of principal of the Series 2005 A Bonds, if not fully funded upon the issuance of the Series 2005 A Bonds, for deposit in the Series 2005 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2005 A Bonds Reserve Requirement, until the amount in the Series 2005 A Bonds Reserve Account equals the Series 2005 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2005 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2005 A Bonds Reserve Requirement.

(5) The Issuer shall next, each month, transfer from the Revenue Fund and remit to the Depository Bank (i) for deposit in the Depreciation Reserve, the amount required by the Prior Resolutions to be deposited therein; and (ii) for deposit in the Renewal and Replacement Fund, an amount equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account, so long as the Series 2005 A Bonds are outstanding. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided that, any deficiencies in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof, shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

Moneys in the Series 2005 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 2005 A Bonds as the same shall become due. Moneys in the Series 2005 A Bonds Reserve Account shall be used only for the purposes of paying principal of and interest, if any, on the Series 2005 A Bonds as the same shall come due, when other moneys in the Series 2005 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 2005 A Bonds Reserve Account (if fully funded) shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2005 A Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2005 A Bonds and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 2005 A Bonds Reserve Account which result in a reduction in the balance therein to below the Series 2005 A Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2005 A Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement therefor.

The Issuer shall not be required to make any further payments into the Series 2005 A Bonds Sinking Fund or the Series 2005 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2005 A Bonds then Outstanding and all interest, if any, to accrue until the maturity thereof.

Interest, principal or reserve account payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2005 A Bonds and the Prior Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2005 A Bonds Sinking Fund and the Series 2005 A Bonds Reserve Account created hereunder, and all amounts required for such accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority at any time, the Issuer shall make the necessary arrangements whereby required

payments into such accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 2005 A Bonds Sinking Fund and the Series 2005 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2005 A Bonds Sinking Fund and the Series 2005 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2005 A Bonds under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payments and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement, and submit a copy of said form, together with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the respective parties shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at any time, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such

insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

APPLICATION OF BOND PROCEEDS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the moneys received from the sale of the Series 2005 A Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 2005 A Bonds, there shall first be deposited in the Series 2005 A Bonds Sinking Fund, the amount, if any, set forth in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 2005 A Bonds for the period commencing on the date of issuance of the Series 2005 A Bonds and ending 6 months after the estimated date of completion of construction of the Project.

B. Next, from the proceeds of the Series 2005A Bonds, there shall be deposited in the Series 2005 A Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding the Series 2005 A Bonds Reserve Account.

C. As the Issuer receives advances of the remaining moneys derived from the sale of the Series 2005 A Bonds, such moneys shall be deposited with the Depository Bank in the Series 2005 A Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2005 A Bonds.

D. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2005 A Bonds shall be expended as directed by the Council.

Section 6.02. Disbursements From the Bond Construction Trust Fund. The Issuer shall each month provide the Council with a requisition for the costs incurred for the Project, together with such documentation as the Council shall require. Payments of all costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements of proceeds of the Series 2005 A Bonds from the Series 2005 A Bonds Construction Trust Fund shall be made only after submission to and approval from the Council of a certificate, signed by an Authorized Officer and the Consulting Engineers, stating that:

(a) None of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(b) Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a cost of the Project;

(c) Each of such costs has been otherwise properly incurred; and

(d) Payment for each of the items proposed is then due and owing.

The Issuer shall expend all proceeds of the Series 2005 A Bonds within 3 years of the date of issuance of the Council's bonds, the proceeds of which were used to make the loan to the Issuer.

Pending such application, moneys in the Series 2005 A Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Registered Owner of the Series 2005 A Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Registered Owner of the Series 2005 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as the Series 2005 A Bonds or the interest, if any, thereon are Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2005 A Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Registered Owner of the Series 2005 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2005 A Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. Simultaneously with the issuance of the Series 2005 A Bonds, the Series 1991 Bonds and the Series 1993 Bonds shall advance from a second lien to a first lien position. The payment of the debt service of the Series 2005 A Bonds shall be secured by a first lien on the Net Revenues, on a parity with the lien on the Net Revenues in favor of the Registered Owners of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2005 A Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation and the Prior Resolutions are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in and approved by the PSC Order and such rates are hereby adopted.

So long as the Series 2005 A Bonds are Outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2005 A Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are Outstanding, the System may not be sold, transferred, mortgaged, leased or otherwise disposed of, except in accordance with the terms of the Prior Resolutions. Additionally, so long as the Series 2005 A Bonds are Outstanding and except as otherwise required by law or with the written consent of the Council and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2005 A Bonds, be remitted to the Series 2005 A Bonds Sinking Fund and applied to the payment of principal of and interest, if any, on the Series 2005 A Bonds. Any balance remaining after the payment of the Series 2005 A Bonds and interest, if any, thereon shall be remitted to the Issuer unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other

disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Registered Owners of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Registered Owners of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2005 A Bonds. All obligations issued by the Issuer after the issuance of the Series 2005 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2005 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2005 A Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2005 A Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the Council prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are Outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2005 A Bonds pursuant to this Bond Legislation, except

with the prior written consent of the Authority, the Council and the Government under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2005 A Bonds.

No such Parity Bonds shall be issued except for the purposes of financing the costs of the design, acquisition or construction of extensions and improvements to the System or refunding any Outstanding Bonds, or both such purposes.

So long as the Prior Bonds are Outstanding, no Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Registered Owners of the Prior Bonds, representing 75% of the then-outstanding principal indebtedness. In the event the foregoing limitation is waived or when the Prior Bonds are no longer Outstanding, the following parity requirement shall be met:

No Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer and approved by the PSC, the period for appeal of which has expired prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Registered Owners of the Bonds and the Registered Owners of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the outstanding Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2005 A Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the Council such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any State and federal grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Registered Owner of the Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the PSC. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Council and the Authority, or any other original purchaser of the Series 2005 A Bonds, and shall mail in each year to any Registered Owner of the Series 2005 A Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Registered Owner of the Series 2005 A Bonds, and shall submit said report to the Council and the Authority, or any other original purchaser of the Series 2005 A Bonds. Such audit report submitted to the Authority and the Council shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the revenues of the System are adequate to meet the Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Authority and the Council, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Authority and the Council, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the Council with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2005 A Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2005 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2005 A Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 2005 A Bonds Reserve Account and the Reserve Accounts for obligations on a parity with the Series 2005 A Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2005 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2005 A Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 30 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the Council within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and

maintenance to the Authority and the Council and to any Registered Owner of the Series 2005 A Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority and the Council and to any Registered Owner of the Series 2005 A Bonds, or anyone acting for and on behalf of such Registered Owner.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement, and forward a copy of such report to the Authority and the Council by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, certifying, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the Council, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the Council is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the Council covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the Council and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of the Loan Agreement.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals

or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the PSC and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the PSC, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the PSC, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. Except as required by law, the Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 2005 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will

require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with Chapter 38, Article 2, Section 39 of the Code of West Virginia, 1931, as amended.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority and the Council. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear. The Issuer shall verify such insurance prior to commencement of construction.

Section 7.16. Connections. To the extent permitted by the laws of the State and rules and regulations of the PSC, the Issuer shall require every owner, tenant or occupant of any house, dwelling or building intended to be served by the System to connect thereto.

Section 7.17. Completion and Operation of Project; Permits and Orders. The Issuer shall complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and State requirements and standards.

The Issuer has obtained all permits required by State and federal laws for the acquisition and construction of the Project, all orders and approvals from the PSC and the Council necessary for the acquisition and construction of the Project and the operation of the System and all approvals for issuance of the Series 2005 A Bonds required by State law, with all requisite appeal periods having expired without successful appeal.

Section 7.18. [Reserved]

Section 7.19. Statutory Mortgage Lien. For the further protection of the Registered Owner of the Series 2005 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2005 A Bonds; provided however, that the statutory mortgage lien of the Series 2005 A Bonds shall be on a parity with the statutory mortgage lien of the Prior Bonds.

Section 7.20. Compliance with Loan Agreement and Law. The Issuer shall perform, satisfy and comply with all the terms and conditions of the Loan Agreement and the Act. Notwithstanding anything herein to the contrary, the Issuer shall provide the Council with copies of all documents submitted to the Authority.

The Issuer shall also comply with all applicable laws, rules and regulations issued by the Authority and the Council or other State, federal or local bodies in regard to the

acquisition and construction of the Project and the operation, maintenance and use of the System.

Section 7.21. Securities Laws Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

Section 7.22. Contracts; Public Releases. A. The Issuer shall, simultaneously with the delivery of the Series 2005 A Bonds or immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

B. The Issuer shall submit all proposed change orders to the Council for written approval. The Issuer shall obtain the written approval of the Council before expending any proceeds of the Series 2005 A Bonds held in "contingency" as set forth in the schedules attached to the certificate of the Consulting Engineer. The Issuer shall also obtain the written approval of the Council before expending any proceeds of the Series 2005 A Bonds made available due to bid or construction or project underruns.

C. The Issuer shall list the funding provided by the Council and the Authority in any press release, publication, program bulletin, sign or other public communication that references the Project, including but not limited to any program document distributed in conjunction with any ground breaking or dedication of the Project.

ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investment of Funds. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank, or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2005 A Bonds are Outstanding.

Section 8.02. Certificate as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2005 A Bonds as a condition to issuance of the Series 2005 A Bonds. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and applicable to the Series 2005 A Bonds as may be necessary in order to maintain the status of the Series

2005 A Bonds as governmental bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2005 A Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority or the Council, as the case may be, from which the proceeds of the Series 2005 A Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or the Council to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2005 A Bonds and any additional information requested by the Authority.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2005 A Bonds:

- (1) If default occurs in the due and punctual payment of the principal of or interest, if any, on any series of the Series 2005 A Bonds; or
- (2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2005 A Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2005 A Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or a Registered Owner of a Bond; or
- (3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or
- (4) If default occurs under the Prior Bonds or the Prior Resolutions.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of the Series 2005 A Bonds may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Registered Owners of the Series 2005 A Bonds shall be on a parity with those of the Registered Owners of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of the Series 2005 A Bonds may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project, the making and collection of sufficient rates and charges for services rendered by the System and

segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate and maintain, manage and control the System, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to the System as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and

ownership of the System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

PAYMENT OF BONDS

Section 10.01. Payment of Bonds. If the Issuer shall pay or there shall otherwise be paid to the Registered Owners of the Series 2005 A Bonds, the principal of and interest, if any, due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Net Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 2005 A Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

ARTICLE XI

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Infrastructure and Jobs Development Council (the "Council"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and between the Issuer and the Authority, on behalf of the Council, dated July 28, 2005.

AR-1

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public water facilities of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of this Bond and related costs. The existing public water facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A and Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended (collectively, the "Act"), a Bond Resolution duly adopted by the Issuer on July 21, 2005, and a Supplemental Resolution duly adopted by the Issuer on July 21, 2005 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for this Bond under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL OTHER RESPECTS, WITH THE ISSUER'S (1) WATER REVENUE BONDS, SERIES 1976, DATED NOVEMBER 13, 1978, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$350,000; (2) WATER REVENUE BONDS, SERIES 1984, DATED AUGUST 14, 1984, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$400,000; (3) WATER REVENUE BONDS, SERIES 1990, DATED SEPTEMBER 25, 1990, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$209,000; (4) WATER REVENUE BONDS, SERIES 1991, DATED AUGUST 6, 1991, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$600,000; (5) WATER REVENUE BONDS, SERIES 1993, DATED DECEMBER 6, 1993, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$130,000; AND (6) WATER REVENUE BONDS, SERIES 1999, DATED MARCH 4, 1999, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$1,850,000 (COLLECTIVELY, THE "PRIOR BONDS").

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the System, on a parity with the pledge of Net Revenues in favor of the registered owners of the Prior Bonds, and from moneys in the reserve account created under the Bond Legislation for this Bond (the "Series 2005 A Bonds Reserve Account") and unexpended proceeds of this Bond. Such Net Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the moneys in the Series 2005 A

AR-1

Bonds Reserve Account and unexpended proceeds of this Bond. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount of principal of and interest, if any, on this Bond payable in any year and all other obligations secured by a lien on or payable from such revenues on a parity with this Bond, including the Prior Bonds; provided however, that so long as there exists in the Series 2005 A Bonds Reserve Account, an amount at least equal to the maximum amount of principal and interest, if any, which will become due on this Bond in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with this Bond, including the Prior Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the Registered Owner (as defined in the Bond Legislation) of this Bond for the terms of which reference is made to the Bond Legislation. Remedies provided the Registered Owner of this Bond are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of the Registrar (as defined in the Bond Legislation) by the Registered Owner, or by its attorney duly authorized in writing, upon the surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the Registered Owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of the Project and the costs of issuance hereof as described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the Registered Owner of this Bond.

In accordance with the requirements of the United States Department of Agriculture for the issuance of parity obligations, this Bond will be in default should any

AR-1

proceeds of this Bond be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

AR-1

IN WITNESS WHEREOF, GRANT COUNTY PUBLIC SERVICE DISTRICT
has caused this Bond to be signed by its Chairperson and its corporate seal to be hereunto
affixed and attested by its Secretary, and has caused this Bond to be dated the date first written

Words importing singular number shall include the plural number in each case and vice versa; words importing persons shall include firms and corporations; and words importing the masculine, feminine or neutral gender shall include any other gender; and any requirement for execution or attestation of the Bonds or any certificate or other document by the Chairperson or the Secretary shall mean that such Bonds, certificate or other document may be executed or attested by an Acting Chairperson or Acting Secretary.

Section 1.02. Authority for this Resolution. This Resolution is adopted pursuant to the provisions of the Act and other applicable provisions of law.

Section 1.03. Findings. It is hereby found, determined and declared as follows:

A. The Issuer is a public service district, public corporation and political subdivision of the State in Grant County of the State. The Issuer presently owns and operates a public water system in Grant County. However, the Issuer deems it necessary and desirable for the health, welfare and safety of the inhabitants of the Issuer that there be acquired and constructed the Project, in accordance with the plans and specifications prepared by the Consulting Engineer, which plans and specifications have been approved by the Government and the Issuer.

B. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the Government.

C. The estimated maximum cost of acquisition and construction of the Project is \$900,000, of which \$500,000 will be obtained from the Series 2008 A Bonds, \$294,100 will be obtained from a grant from the Government and \$100,000 will be obtained from a grant from the Grant County Commission, and \$5,900 will be obtained from a grant from the Grant County Development Authority.

D. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all Operating Expenses of the System, the principal of and interest on the Prior Bonds and the Series 2008 A Bonds and to make payments into all funds and accounts provided for in this Resolution and the Prior Resolutions.

E. It is deemed necessary for the Issuer to issue the Series 2008 A Bonds in the aggregate principal amount of not more than \$500,000, to permanently finance a portion of the costs of acquisition and construction of the Project. Such costs shall be deemed to include the cost of acquisition or construction of any public service properties and any improvements and extensions thereto, the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest on the Series 2008 A Bonds prior to and during acquisition or construction and for six months after completion of acquisition or construction of the Project; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense and such other expenses as may be necessary or incident to the financing herein authorized, the acquisition or construction of the Project and the placing of the same in operation, and the performance of the things herein required or permitted, in connection with any thereof.

F. The Series 2008 A Bonds shall be issued on a parity with the Prior Bonds, with respect to liens, pledge and source of and security for payment and in all other respects. Prior to the issuance of the Series 2008 A Bonds, the Issuer will obtain (1) the certificate of an Independent Certified Public Accountant stating that the parity and coverage tests of the Prior Bonds have been met; and (2) the written consent of the Registered Owners of the Prior Bonds to the issuance of the Series 2008 A Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

G. The period of usefulness of the System after completion of the Project is not less than 40 years.

H. It is in the best interests of the Issuer that the Series 2008 A Bonds be sold to the Government pursuant to the terms and provisions of the Letter of Conditions.

I. The Issuer has complied with all requirements of West Virginia law and the Letter of Conditions relating to authorization of the acquisition, construction and operation of the Project and issuance of the Series 2008 A Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and the obtaining of the PSC Order, the time for rehearing and appeal of which has expired or will have been waived prior to the issuance of the Series 2008 A Bonds.

Section 1.04. Resolution Constitutes Contract. In consideration of the acceptance of the Series 2008 A Bonds by those who shall be the Registered Owners of the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owners, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Registered Owners of any and all of such Bonds, all of which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bonds by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

ARTICLE II

AUTHORIZATION OF ACQUISITION AND CONSTRUCTION OF PROJECT

Section 2.01. Authorization of Acquisition and Construction of Project. There is hereby authorized and ordered the acquisition and construction of the Project, at an estimated cost of not to exceed \$900,000, in accordance with the plans and specifications prepared by the Consulting Engineers, approved by the Government and the Issuer and heretofore filed in the office of the Governing Body. The proceeds of the Series 2008 A Bonds shall be applied as provided in Article VI hereof. The Issuer has received bids and will enter into contracts for the acquisition and construction of the Project, which are in an amount and otherwise compatible with the financing plan submitted to the Government.

The cost of the Project is estimated to be \$900,000, of which approximately \$500,000 will be obtained from the proceeds of the Series 2008 A Bonds, approximately \$294,100 will be obtained from a grant from the Government, approximately \$100,000 will be obtained from a grant from the Grant County Commission, and approximately \$5,900 will be obtained from a grant from the Grant County Development Authority.

ARTICLE III

AUTHORIZATION, TERMS, EXECUTION, REGISTRATION AND SALE OF BONDS

Section 3.01. Authorization of Bonds. For the purposes of paying a portion of the costs of the Project and paying the costs of issuance of the Series 2008 A Bonds and related costs, there shall be and hereby are authorized to be issued negotiable Series 2008 A Bonds of the Issuer. The Series 2008 A Bonds shall be issued as a single bond, designated "Water Revenue Bonds, Series 2008 A (United States Department of Agriculture)," in the aggregate principal amount of not more than \$500,000, and shall have such terms as are set forth hereinafter or in the Supplemental Resolution.

Section 3.02. Terms of Bonds. The Series 2008 A Bonds shall be issued in such principal amounts; shall bear interest at such rate or rates, not exceeding the legal maximum rate, payable monthly on such dates; shall mature on such dates and in such amounts; and shall be redeemable, in whole or in part, all as the Issuer shall prescribe in the Supplemental Resolution or as specifically provided in the Series 2008 A Bonds.

The Series 2008 A Bonds shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer, shall be payable as provided in the Bond form hereinafter set forth, and shall have such other terms not inconsistent with this Resolution, as shall be set forth in the Supplemental Resolution and such Bond form.

Section 3.03. Execution of Bonds. The Series 2008 A Bonds shall be executed in the name of the Issuer by the manual or facsimile signature of the Chairperson, and the seal of the Issuer shall be impressed thereon and attested by the manual or facsimile signature of the Secretary. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Negotiability, Transfer and Registration. The Series 2008 A Bonds shall be and have all the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, but the Bonds, and the right to principal of and

stated interest on the Bonds, may only be transferred by transfer of the registration thereof upon the books of the Bond Registrar, by the party in whose name it is registered, in person or by attorney duly authorized in writing, upon surrender of the Bonds for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Bond Registrar.

Whenever the Series 2008 A Bonds shall be surrendered for registration of transfer, the Issuer shall execute and deliver a new Bond or Bonds in authorized denominations, for a like aggregate principal amount. The Bond Registrar shall require the payment by the new owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No registration of transfer of the Series 2008 A Bonds shall be permitted to be made after the 15th day next preceding any installment payment date on the Bonds.

The Issuer shall be the Bond Registrar and will keep, or cause to be kept by its agent, at its office, books for the registration and transfer of the Series 2008 A Bonds and, upon presentation for such purpose, the Bond Registrar shall, under such reasonable regulations as it may prescribe, register the Bonds initially issued pursuant hereto and register the transfer, or cause to be registered by its agent, on such books, the transfer of the Bonds as hereinbefore provided.

The Bond Registrar shall accept the Series 2008 A Bonds for registration or transfer only if ownership thereof is to be registered in the name of the Government, an individual (including joint ownership), a corporation, a partnership or a trust, and only upon receipt of the social security number of each individual, the federal employer identification number of each corporation or partnership or the social security numbers of the settlor and beneficiaries of each trust and the federal employer identification number and date of each trust and the name of the trustee of each trust and/or such other identifying number and information as may be required by law. The Series 2008 A Bonds shall initially be fully registered as to both principal and interest in the name of the United States of America. So long as the Series 2008 A Bonds shall be registered in the name of the United States of America, the address of the United States of America for registration purposes shall be National Finance Office, 1520 Market Street, St. Louis, Missouri 63103, or such other address as shall be stated in writing to the Issuer by the United States of America.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2008 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue and deliver a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond,

upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Registered Owner's furnishing the Issuer proof of ownership and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer may incur. All Bonds so surrendered shall be canceled and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.06. Bonds not to be Indebtedness of the Issuer. The Series 2008 A Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System, as herein provided. No Registered Owner of the Series 2008 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2008 A Bonds or the interest thereon.

Section 3.07. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service of the Series 2008 A Bonds shall be secured by a first lien on the Net Revenues on a parity with the lien on the Net Revenues in favor of the Registered Owners of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Series 2008 A Bonds and the Prior Bonds and to make the payments into all funds and accounts provided for in this Resolution and the Prior Resolutions, are hereby irrevocably pledged to such payments as they become due.

Section 3.08. Form of Bonds. The text of the Series 2008 A Bonds shall be in substantially the following form, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted hereby, or by any Supplemental Resolution adopted prior to the issuance thereof:

(UNITED STATES DEPARTMENT OF AGRICULTURE)

No. AR-1

\$ _____

FOR VALUE RECEIVED, on this ____ day of _____, 2007, GRANT COUNTY PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Grant County of said State (the "Issuer"), promises to pay to the order of the UNITED STATES OF AMERICA (the "Government"), at its National Finance Office, 1520 Market Street, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, and in the manner provided below, the principal sum of _____ DOLLARS (\$ _____), or such lesser amount as is set forth on the Record of Advances attached hereto and incorporated herein by reference, plus interest on the unpaid principal balance at the rate of __% per annum.

The principal of and interest on this Bond shall be paid in the following installments on the following dates: Monthly installments of interest only on the amounts advanced hereunder, commencing 30 days following the date of delivery of this Bond and continuing on the corresponding day of each month thereafter for the first 24 months after the date hereof, and thereafter, on the corresponding day of each month in installments of principal and interest in the aggregate amount of \$ _____, except that the final installment shall be paid at the end of 40 years from the date of this Bond in the sum of the unpaid principal and interest due on the date thereof and except that prepayments may be made as provided below. This consideration shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to the Issuer as requested by the Issuer and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of the Issuer. Extra payments, as defined in the regulations of the Government, shall, after payment of interest, be applied to the installment last to come due under this Bond and shall not affect the obligation of the Issuer to pay the remaining installments as scheduled herein.

Any amount advanced or expended by the Government for the collection hereof, or to preserve or to protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government, shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by the Issuer to the Government without demand. The Issuer agrees to use the loan evidenced hereby solely for purposes authorized by the Government. The Issuer has granted to the Government a lien on the proceeds of this Bond until such proceeds are expended for authorized purposes.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public water facilities of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of this Bond and related costs. The existing public water facilities of the Issuer, the Project and any further improvements and extensions thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (the "Act"), a Bond Resolution duly adopted by the Issuer on March 25, 2008, and a Supplemental Resolution duly adopted by the Issuer on March 25, 2008 (collectively, the "Resolution"), and is subject to all the terms and conditions thereof. The Resolution provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for this Bond under the Resolution.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL OTHER RESPECTS, WITH THE ISSUER'S (1) WATER REVENUE BONDS, SERIES 1976, DATED NOVEMBER 13, 1978, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$350,000; (2) WATER REVENUE BONDS, SERIES 1984, DATED AUGUST 14, 1984, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$400,000; (3) WATER REVENUE BONDS, SERIES 1990, DATED SEPTEMBER 25, 1990, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$209,000; (4) WATER REVENUE BONDS,

{CI275651.1}

SERIES 1991, DATED AUGUST 6, 1991, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$600,000; (5) WATER REVENUE BONDS, SERIES 1993, DATED DECEMBER 6, 1993, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$130,000; (6) WATER REVENUE BONDS, SERIES 1999, DATED MARCH 4, 1999, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$1,850,000; AND (7) WATER REVENUE BONDS, SERIES 2005 A, DATED JULY 28, 2005, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF \$1,833,369 (COLLECTIVELY, THE "PRIOR BONDS").

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Resolution) to be derived from the System, on a parity with the pledge of Net Revenues in favor of the registered owners of the Prior Bonds, and from moneys in the reserve account created under the Resolution for this Bond (the "Series 2008 A Bonds Reserve Account") and unexpended proceeds of this Bond. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest hereon, except from said special fund provided from the Net Revenues, the moneys in the Series 2008 A Bonds Reserve Account and unexpended proceeds of this Bond. Pursuant to the Resolution, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on this Bond and all other obligations secured by a lien on or payable from such revenues on a parity with this Bond, including the Prior Bonds; provided however, that so long as there exists in the Series 2008 A Bonds Reserve Account, an amount equal to the maximum amount of principal and interest which will become due on this Bond in any year, and in the respective reserve accounts for any other obligations outstanding on a parity with this Bond, including the Prior Bonds, an amount equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the Registered Owner of this Bond for the terms of which reference is made to the Resolution. Remedies provided the Registered Owner of this Bond are exclusively as provided in the Resolution, to which reference is here made for a detailed description thereof.

Subject to the registration requirements in the Resolution, this Bond is transferable, as provided in the Resolution, only upon the books of the Secretary of the Issuer, as registrar (the "Registrar"), which shall be kept for that purpose at the office of the Registrar, by the Registered Owner or by its attorney or legal representative duly authorized in writing, upon surrender of this Bond, together with a written instrument of transfer

satisfactory to the Registrar, duly executed by the Registered Owner or its attorney or legal representative duly authorized in writing.

Subject to the registration requirements in the Resolution, this Bond, under the provision of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Resolution, shall be applied solely to payment of the costs of acquisition and construction of the Project and the costs of issuance hereof as described in the Resolution, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the registered owner of this Bond.

The Issuer hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for such purposes and periods of time.

If at any time it so appears to the Government that the Issuer may be able to obtain a loan from a responsible cooperative or private creditor at reasonable rates and terms for loans for such purposes and period of time, the Issuer will at the Government's request apply for and accept such loan in sufficient amount to repay the Government.

In accordance with the requirements of the United States Department of Agriculture for the issuance of parity obligations, this Bond will be in default should any proceeds of this Bond be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

This Bond is given as evidence of a loan to the Issuer made or insured by the Government pursuant to the Rural Development Act of 1972. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Net Revenues of the System

has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of and interest on this Bond.

All provisions of the Resolution, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

IN WITNESS WHEREOF, GRANT COUNTY PUBLIC SERVICE DISTRICT has caused this Bond to be signed by its Chairperson and its corporate seal to be hereunto affixed and attested by its Secretary, and has caused this Bond to be dated as of the date first written above.

Funds in the Revenue Fund shall be disposed of only in the following manner and order of priorities and as provided in the Prior Resolutions.

(1) The Issuer shall first, each month, pay from the Revenue Fund all current Operating Expenses of the System.

(2) The Issuer shall next, each month, from the moneys in the Revenue Fund, (i) make the interest payments on the Prior Bonds in the amounts and on the dates required by the Prior Resolutions; and (ii) commencing on the day which is 30 days following the date of delivery of the Series 2008 A Bonds and continuing on the corresponding day of each month, remit to the National Finance Office for deposit in the Series 2008 A Bonds Sinking Fund hereby established at the National Finance Office, the amount of interest set forth in the Series 2008 A Bonds.

(3) The Issuer shall next, each month, from the moneys in the Revenue Fund, (i) make the principal payments of the Prior Bonds in the amounts and on the dates required by the Prior Resolutions; and (ii) commencing on the day which is 24 months following the date of delivery of the Series 2008 A Bonds and continuing on the corresponding day of each month, remit to the National Finance Office for deposit in the Series 2008 A Bonds Sinking Fund, the amount of principal set forth in the Series 2008 A Bonds.

The deposits into the Series 2008 A Bonds Sinking Fund provided in this paragraph and in Section 5.03A (2) above, constitute actual payments of principal of and interest on the Series 2008 A Bonds to the Government.

(4) The Issuer shall next, each month, from the moneys in the Revenue Fund, (i) make the reserve account payments into the Reserve Accounts of the Prior Bonds in the amounts and on the dates required by the Prior Resolutions; and (ii) commencing on the day which is 24 months following the date of delivery of the Series 2008 A Bonds and continuing on the corresponding day of each month, remit to the Commission for deposit in the Series 2008 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2008 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2008 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2008 A Bonds Reserve Requirement.

(5) The Issuer shall next, each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund, an amount equal to 2 1/2% of the Gross Revenues each month (as previously set forth in the Prior Resolutions and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided that, any deficiencies in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof, shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

(6) The Issuer shall next, each month, from the moneys in the Revenue Fund, make the payments into the Depreciation Account in the amounts and on the dates required by the Prior Resolutions.

Moneys in the Series 2008 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2008 A Bonds as the same shall become due. Moneys in the Series 2008 A Bonds Reserve Account shall be used only for the purposes of paying principal of and interest on the Series 2008 A Bonds as the same shall come due, when other moneys in the Series 2008 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 2008 A Bonds Reserve Account (if fully funded) shall be transferred, not less than once each year, to the Series 2008 A Bonds Construction Trust Fund during construction of the Project and thereafter, to the Revenue Fund and applied in full, first to the next ensuing interest payment due on the Series 2005A Bonds and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 2008 A Bonds Reserve Account which result in a reduction in the balance therein to an amount below the Series 2008 A Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2008 A Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay any interest on such Parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement therefor.

Interest, principal, or reserve account payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2008 A Bonds and the Prior Bonds, in accordance with the respective principal amounts then outstanding.

Moneys in the Series 2008 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2008 A Bonds Sinking Fund and the Series 2008 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2008 A Bonds under the conditions and restrictions set forth herein.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent, or the Depository Bank, on such dates as the respective parties shall require, such additional sums as shall be necessary to pay their respective charges and the fees then due. If required by the Government, the Issuer shall make the necessary arrangements whereby payments to the Commission under this paragraph shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

D. The moneys in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If, on any monthly payment date, the revenues are insufficient to place the required amount in any of the funds and accounts as herein above provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, that all deposits, including on account of deficiencies, shall be made in the order of priority set forth in Section 5.03A hereof, and no payment of lower priority shall be made if there exists a deficiency in a fund or account of higher priority.

F. All remittances made by the Issuer to the Commission and the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

APPLICATION OF BOND PROCEEDS

Section 6.01. Application of Bond Proceeds. All moneys received from time to time from the sale of the Series 2008 A Bonds shall be deposited in the Series 2008 A Bonds Construction Trust Fund and shall be used solely to pay costs of the Project and until so expended, are hereby pledged as additional security for the Series 2008 A Bonds.

Section 6.02. Disbursements from Bond Construction Trust Fund. The Series 2008 A Bonds Construction Trust Fund shall be kept separate and apart from all other funds of the Issuer, and shall be drawn out, used and applied by the Issuer solely for the payment of the costs of the Project and purposes incidental thereto, including payment of any borrowings by the Issuer made for the purpose of temporarily financing a portion of the costs of the Project and payment of interest on the Series 2008 A Bonds prior to and during construction and for a period up to six months after completion of construction and for no other purposes whatsoever. If approved by the Government, the moneys in said fund shall be secured at all times by Government Obligations having a fair market value at least equal to the balance in said fund in excess of the amount insured by the FDIC. If for any reason the amounts on deposit in the Series 2008 A Bonds Construction Trust Fund are not necessary for, or are not applied to, such purposes, then such unapplied amounts shall be deposited by the Issuer as determined by the rules and regulations of the Government. All such proceeds shall constitute a trust fund for such purposes, and there is hereby created a lien upon such moneys, until so applied, in favor of the Registered Owners of the Series 2008 A Bonds.

Expenditures or disbursements from the Series 2008 A Bonds Construction Trust Fund shall be made only after such expenditures or disbursements have been approved in writing by the Governing Body, the Consulting Engineers and the Government.

The Issuer shall coordinate with the Government on the monthly payment of the costs of the Project and shall submit invoices and requisitions as directed by the Government.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Resolution shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Registered Owner of the Series 2008 A Bonds. In addition to the other covenants, agreements and provisions of this Resolution, the Issuer hereby covenants and agrees with the Registered Owner of the Series 2008 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as the Series 2008 A Bonds or the interest thereon are Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2008 A Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Resolution. No Registered Owner of the Series 2008 A Bonds shall ever have the right to compel the exercise of the taxing power, if any, of the Issuer to pay the Series 2008 A Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service of the Series 2008 A Bonds shall be secured by a first lien on the Net Revenues on a parity with the lien on the Net Revenues in favor of the Registered Owners of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Series 2008 A Bonds and to make the payments into all funds and accounts and all other payments provided for in this Resolution and the Prior Resolutions are hereby irrevocably pledged, in the manner provided herein and therein, to such payments as the same become due, and for the other purposes provided in this Resolution and the Prior Resolutions.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by state law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of this Resolution and the Prior Resolutions. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved in the PSC Order and such rates are hereby adopted.

So long as the Series 2008 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Resolution. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2008 A Bonds shall prove to be insufficient to produce the required sums set forth in this Resolution, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Resolution.

Section 7.05. Sale of the System. So long as the Prior Bonds are Outstanding, the System may not be sold, transferred, mortgaged, leased or otherwise disposed of, except in accordance with the terms of the Prior Resolutions. So long as the Series 2008 A Bonds are Outstanding, the System may be sold, transferred, mortgaged, leased or otherwise disposed of, or encumbered (other than any statutory mortgage lien created under the Act on account of obligations issued within the restrictions hereof) only with the written consent of the Government and such consent will specify the disposition of any such sale or transfer.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. So long as the Series 2008 A Bonds are Outstanding, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2008 A Bonds; provided, however, that Parity Bonds may be issued as provided for in Section 7.07 hereof and in the Prior Resolutions (so long as the Prior Bonds are Outstanding). All obligations hereafter issued by the Issuer payable from the revenues of the System, except such Parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2008 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein and in the Prior Resolutions have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the liens of the Series 2008 A Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2008 A Bonds and the interest thereon in this Resolution, or upon the System or any part thereof.

Section 7.07. Parity Bonds. So long as the Prior Bonds are Outstanding, no Parity Bonds shall be issued except in accordance with the terms of the Prior Resolutions. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant to this Resolution, except under the conditions and in the manner provided herein and with the prior written consent of the Government.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Prior Bonds and the Series 2008 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition or construction of extensions or improvements to the System or refunding any Bonds Outstanding, or both such purposes.

So long as the Series 2008 A Bonds are Outstanding, no Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Registered Owners of the Series 2008 A Bonds, representing 75% of the then-outstanding principal indebtedness. In the event the foregoing limitation is waived or when the Series 2008 A Bonds are no longer Outstanding, the following parity requirement shall be met:

No Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the three succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature

and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The “estimated average increased annual Net Revenues to be received in each of the three succeeding years,” as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer and approved by the PSC, the period for appeal of which has expired prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer and approved by the PSC, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Resolution (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Registered Owners of the Series 2008 A Bonds and the Registered Owners of any Parity Bonds issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their respective liens on the revenues of the System and their respective source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of another series on a parity therewith. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Resolution required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Resolution.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to

the prior and superior liens of the Outstanding Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2008 A Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the funds and accounts provided for in this Resolution with respect to the Bonds then Outstanding, and any other payments provided for in this Resolution, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Resolution.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Government and its agents and representatives to inspect all books, documents, papers and records relating to the Project and the System at any and all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Government such documents and information as it may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any State and federal grants or other sources of financing for the Project.

The Issuer shall permit the Government and its agents and representatives to inspect all records pertaining to the operation and maintenance of the System at any reasonable time following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Registered Owner of the Series 2008 A Bonds issued pursuant to this Resolution shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles in accordance with the rules and regulations of the PSC and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body.

The Issuer shall file with the Government or any Registered Owner of the Series 2008 A Bonds requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Resolution and the status of all said funds and accounts.

(C) The amount of any Bonds or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required, in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto), and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Registered Owner of the Series 2008 A Bonds and shall submit said report to the Government. Such audit report submitted to the Government shall include a statement that the Issuer is in compliance with the terms and provisions of the Act and this Resolution and that the Gross Revenues are adequate to meet the Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Letter of Conditions and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Government and its agents and representatives to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Government and its agents and representatives with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Government with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to issuance of the Series 2008 A Bonds, approvals of equitable rates or charges for the use of and service rendered by the System shall have

{C1275651.1}

been obtained in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reductions in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2008 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2008 A Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the Reserve Requirements are on deposit respectively in the Series 2008 A Bonds Reserve Account, and the Reserve Accounts for obligations on a parity with the Series 2008 A Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest on the Series 2008 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2008 A Bonds. In any event, the Issuer shall not reduce the rates or charges for services of the System described in Section 7.04.

Section 7.10. Operating Budget. The Issuer shall annually, at least 30 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Government within 30 days of the adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made, except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Government and to any Registered Owner of the Series 2008 A Bonds within 30 days

of adoption thereof and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Government and any Registered Owner of the Series 2008 A Bonds or anyone acting for and on behalf of such Registered Owner.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain the certificate of the Consulting Engineers, certifying that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Government, the Project will be adequate for the purposes for which it was designed, the funding plan as submitted to the Government is sufficient to pay the costs of the acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained. The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Government, covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. The Issuer shall employ qualified operating personnel properly certified by the State to operate the System so long as the Series 2008 A Bonds are Outstanding.

Section 7.12. No Competing Franchise. To the extent allowable by law, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation or body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals, or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent, to the full extent permitted or authorized by the Act, the rules and regulations of the PSC and other laws of the State.

Whenever any fees, rates, rentals or other charges for the services or facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the PSC, fees, rates, rentals and other charges, if not paid when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that it will, to the full extent permitted by law and the rules and regulations of the PSC, discontinue and shut off the services of the System to all delinquent users of the services of the System, and will not restore such services of the System until all delinquent

charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid, and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and, in the event the Issuer or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. The Issuer hereby covenants and agrees that, so long as the Series 2008 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(A) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured prior to acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground insurable portions of the System, including machinery and equipment housed therein, in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(B) Public Liability Insurance, with limits of not less than \$1,000,000 for personal liability to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 from claims for damage to property of others which may arise from the operation of the System.

(C) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated for the benefit of the Issuer, with limits of not less than \$1,000,000 for personal liability to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 from claims for damage to property of others which may arise from such operation of vehicles.

(D) Workers' Compensation Coverage for All Employees of the System Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each contractor dealing directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with Chapter 38, Article 2, Section 39 of the Code of West Virginia, 1931, as amended.

(E) Fidelity Bonds will be provided as to every member, officer and employee of the Issuer having custody of the Revenue Fund or of any other funds or property of the System in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount required by the Government and to be increased thereafter as necessary to cover the maximum amount of funds under control of that position at any one time.

(F) Flood Insurance will be obtained by the Issuer if available; however, if the System is located in a community which has been notified as having special flood or mudslide prone areas, flood insurance must be obtained.

(G) Construction Bonds. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction. The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project. The Issuer shall verify such insurance prior to commencement of construction.

Section 7.16. Connections. To the extent permitted by the laws of the State and rules and regulations of the PSC, the Issuer shall require every owner, tenant or occupant of any house, dwelling or building intended to be served by the System to connect thereto.

Section 7.17. Completion and Operation of Project; Permits and Orders. The Issuer shall complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer has obtained all permits required by state and federal laws for the acquisition and construction of the Project, all orders and approvals from the PSC and other state agencies necessary for the acquisition and construction of the Project and the operation of the System and all approvals for the issuance of the Series 2008 A Bonds required by state law, with all requisite appeal periods having expired without successful appeal.

Section 7.18. Statutory Mortgage Lien. For the further protection of the Registered Owners of the Series 2008 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, and shall take effect immediately upon delivery of the Series 2008 A Bonds; provided however, that the statutory mortgage lien in favor of the Registered Owners of the Series 2008 A Bonds shall be on a parity with the statutory mortgage lien in favor of the Registered Owners of the Prior Bonds.

Section 7.19. Compliance with Letter of Conditions and Law. The Issuer shall perform, satisfy and comply with all the terms and conditions of the Letter of Conditions, this Resolution and the Act. The Issuer shall also comply with all applicable laws, rules and regulations issued by the Government or other state, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

Section 7.20. Contracts. The Issuer shall, simultaneously with the delivery of the Series 2008 A Bonds or immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investment of Funds. Any moneys held as a part of the funds and accounts created by this Resolution, other than the Revenue Fund, shall be invested and reinvested by the Commission or the Depository Bank, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the owner, including the value of accrued interest and giving effect to the amortization of discount or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this Section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2008 A Bonds are Outstanding.

Notwithstanding the foregoing, any investments made pursuant to this Resolution shall comply with the guidelines of the Government.

ARTICLE IX

DEFAULTS AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2008 A Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on any Series 2008 A Bonds; or

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2008 A Bonds set forth in this Resolution, any Supplemental Resolution or the Series 2008 A Bonds and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Government, the Depository Bank, the Bond Registrar, the Paying Agent or the Registered Owner; or

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If a default occurs under the Prior Resolutions or the Prior Bonds.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of the Series 2008 A Bonds may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and this Resolution relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Series 2008 A Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Series 2008 A Bonds, and (v) by action at law or bill in equity enjoin any acts in violation of the resolution with respect to the Series 2008 A Bonds, or the rights of such Registered Owners; provided however, that all rights and remedies of the Registered Owners of the Series 2008 A Bonds shall be on a parity with those of the Registered Owners of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of the Series 2008 A Bonds may, by proper legal action, compel the performance of the duties of the Issuer under this Resolution and the Act, including, the completion of the Project, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default, with respect to the Bonds, the Registered Owner shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project, or both, on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and any interest thereon and the deposits into the funds and accounts herein provided and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Resolution and the Act.

Upon any subsequent Event of Default, any Registered Owner of Bonds issued pursuant to this Resolution shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers herein above conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of Bonds issued pursuant to this Resolution. Such receiver shall have no power to

No. AR-1

\$500,000

FOR VALUE RECEIVED, on this 27th day of March, 2008, GRANT COUNTY PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Grant County of said State (the "Issuer"), promises to pay to the order of the UNITED STATES OF AMERICA (the "Government"), at its National Finance Office, 1520 Market Street, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, and in the manner provided below, the principal sum of FIVE HUNDRED THOUSAND DOLLARS (\$500,000), or such lesser amount as is set forth on the Record of Advances attached hereto and incorporated herein by reference, plus interest on the unpaid principal balance at the rate of 4.125% per annum.

The principal of and interest on this Bond shall be paid in the following installments on the following dates: Monthly installments of interest only on the amounts advanced hereunder, commencing 30 days following the date of delivery of this Bond and continuing on the corresponding day of each month thereafter for the first 24 months after the date hereof, and thereafter, on the corresponding day of each month in installments of principal and interest in the aggregate amount of \$2,175, except that the final installment shall be paid at the end of 40 years from the date of this Bond in the sum of the unpaid principal and interest due on the date thereof and except that prepayments may be made as provided below. This consideration shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to the Issuer as requested by the Issuer and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of the Issuer. Extra payments, as defined in the regulations of the Government, shall, after payment of interest, be applied to the installment last to come due under this Bond and shall not affect the obligation of the Issuer to pay the remaining installments as scheduled herein.

Any amount advanced or expended by the Government for the collection hereof, or to preserve or to protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government, shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by the Issuer to the Government without demand. The Issuer agrees to use the loan evidenced hereby solely for purposes authorized by the Government. The Issuer has granted to the Government a lien on the proceeds of this Bond until such proceeds are expended for authorized purposes.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public water facilities of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of this Bond and related costs. The existing public water facilities of the Issuer, the Project and any further improvements and extensions thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (the "Act"), a Bond Resolution duly adopted by the Issuer on March 25, 2008, and a Supplemental Resolution duly adopted by the Issuer on March 25, 2008 (collectively, the "Resolution"), and is subject to all the terms and conditions thereof. The Resolution provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for this Bond under the Resolution.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL OTHER RESPECTS, WITH THE ISSUER'S (1) WATER REVENUE BONDS, SERIES 1976, DATED NOVEMBER 13, 1978, ISSUED IN THE ORIGINAL PRINCIPAL AMOUNT OF

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Resolution) to be derived from the System, on a parity with the pledge of Net Revenues in favor of the registered owners of the Prior Bonds, and from moneys in the reserve account created under the Resolution for this Bond (the "Series 2008 A Bonds Reserve Account") and unexpended proceeds of this Bond. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest hereon, except from said special fund provided from the Net Revenues, the moneys in the Series 2008 A Bonds Reserve Account and unexpended proceeds of this Bond. Pursuant to the Resolution, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on this Bond and all other obligations secured by a lien on or payable from such revenues on a parity with this Bond, including the Prior Bonds; provided however, that so long as there exists in the Series 2008 A Bonds Reserve Account, an amount equal to the maximum amount of principal and interest which will become due on this Bond in any year, and in the respective reserve accounts for any other obligations outstanding on a parity with this Bond, including the Prior Bonds, an amount equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the Registered Owner of this Bond for the terms of which reference is made to the Resolution. Remedies provided the Registered Owner of this Bond are exclusively as provided in the Resolution, to which reference is here made for a detailed description thereof.

The Issuer hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for such purposes and periods of time.

In accordance with the requirements of the United States Department of Agriculture for the issuance of parity obligations, this Bond will be in default should any proceeds of this Bond be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

This Bond is given as evidence of a loan to the Issuer made or insured by the Government pursuant to the Rural Development Act of 1972. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

Any withdrawals from the Series 2011 B Bonds Reserve Account which result in a reduction in the balance therein to below the Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2011 B Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement thereof.

The Issuer shall not be required to make any further payments into the Series 2011 B Bonds Sinking Fund and the Series 2011 B Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2011 B Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the respective parties shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

H. The Gross Revenues of the System shall only be used for purposes of the System.

The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2011 Bonds, immediately be remitted to the Commission for deposit in the Series 2011 Bonds Sinking Fund and applied to the payment of principal of and interest, if any, on the Series 2011 Bonds. Any balance remaining after the payment of the Series 2011 Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with

all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2011 Bonds. All obligations issued by the Issuer after the issuance of the Series 2011 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2011 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2011 Bonds, and the interest thereon upon any or all of the income and revenues of the System pledged for payment of the Series 2011 Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the Council prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Series 2011 A Bonds, Series 2011 B Bonds or Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Series 2011 A Bond Resolution and the Prior Resolutions shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2011 B Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the Council and without complying with the conditions and requirements herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2011 B Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions extensions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

So long as the Series 1976 Bonds, Series 1984 Bonds, Series 1990 Bonds, Series 1991 Bonds, Series 1993 Bonds, Series 1999 Bonds or Series 2008 A Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the Series 1976 Bonds, Series 1984 Bonds, Series 1990 Bonds, Series 1991 Bonds, Series 1993 Bonds, Series 1999 Bonds or Series 2008 A Bonds, representing 75% of the then-outstanding principal indebtedness. In the event the foregoing limitation is waived or when the Series 1976 Bonds, Series 1984 Bonds, Series 1990 Bonds, Series 1991 Bonds, Series 1993 Bonds, Series 1999 Bonds or Series 2008 A Bonds are no longer outstanding, the following requirement shall be met:

So long as the Series 2005 A Bonds, Series 2010 A Bonds or Series 2011 B Bonds are outstanding, no Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer and approved by the Public Service Commission of West Virginia, the time for appeal of which shall have expired prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the time for appeal of which shall have expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 2011 B Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2011 B Bonds.

So long as the Series 2005 A Bonds, Series 2010 A Bonds or Series 2011 B Bonds are outstanding no Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the Council such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary

records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Council, the Authority, or any other original purchaser of the Series 2011 B Bonds, and shall mail in each year to any Holder or Holders of the Series 2011 B Bonds, requesting the same, an annual report containing the following:

- (A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.
- (B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.
- (C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required, in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto) and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2011 B Bonds, and shall submit said report to the Council and the Authority, or any other original purchaser of the Series 2011 B Bonds. Such audit report submitted to the Authority and the Council shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Authority and the Council, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the Authority and the Council, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the Council with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2011 B Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file

with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2011 B Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2011 B Bonds, including the Series 2011 A Bonds and the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit in the Series 2011 B Bonds Reserve Account and the reserve accounts for obligations on a parity with the Series 2011 B Bonds, including the Series 2011 A Bonds and the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2011 B Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2011 B Bonds, including the Series 2011 A Bonds and the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the Council within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the Council and to any Holder of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority and the Council and to any Holder of any Bonds, or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement, and forward a copy of such report to the Authority and the Council by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans,

specifications and designs as submitted to the Authority and the Council, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the Council is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the Council covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the Council and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall employ qualified operating personnel properly certified by the State during the entire term of the Loan Agreement.

The Issuer will serve the additional customers at the location(s) as set forth in Certificate of Engineer. The Issuer will not reduce the amount of additional customers served by the project without the prior written approval of the Board of the Water Development Authority (the "Authority"). Following completion of the Project the Issuer will certify to the Authority the number of customers added to the System.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. Except as required by law, the Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds.

A. The Issuer hereby covenants and agrees that so long as the Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Replacement Reserve and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Replacement Reserve. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority and the Council and the Issuer shall verify such insurance prior to commencement of construction. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Connections. To the extent permitted by the laws of the State and rules and regulations of the Public Service Commission of West Virginia, the Issuer shall require every owner, tenant or occupant of any house, dwelling or building intended to be served by the System to connect thereto.

The Issuer has obtained all permits required by State and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia and the Council necessary for the acquisition and construction of the Project, the operation of the System and all approvals for issuance of the Bonds required by State law, with all requisite appeal

periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect.

Section 7.18. Reserved.

Section 7.19. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2011 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2011 B Bonds and shall be on a parity with the Series 2011 A Bonds and the Prior Bonds.

Section 7.20. Compliance with Loan Agreement and Law. The Issuer shall perform, satisfy and comply with all the terms and conditions of the Loan Agreement and the Act. Notwithstanding anything herein to the contrary, the Issuer will provide the Council with copies of all documents submitted to the Authority.

The Issuer also agrees to comply with all applicable laws, rules and regulations issued by the Authority, the Council or other state, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

The Issuer shall perform an annual maintenance audit which maintenance audit shall be submitted to the Authority and the Public Service Commission of West Virginia.

Section 7.21. Securities Laws Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

Section 7.22. Contracts; Change Orders; Public Releases.

The Issuer shall obtain the written approval of the Council before expending any proceeds of the Series 2011 B Bonds held in "contingency" as set forth in the respective schedules attached to the certificate of the Consulting Engineer. The Issuer shall also obtain the written approval of the Council before expending any proceeds of the Series 2011 B Bonds made available due to bid or construction or project underruns.

C. The Issuer shall list the funding provided by the Authority and the Council in any press release, publication, program bulletin, sign or other public communication that references the Project, including but not limited to any program document distributed in conjunction with any ground breaking or dedication of the Project.

ARTICLE VIII

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any monies held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank, or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2011 B Bonds are Outstanding and as long thereafter as necessary to assure the exclusion of interest, if any, on the Series 2011 B Bonds from gross income for federal income tax purposes.

Section 8.02. Certificate as to Use of Proceeds; Covenants as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2011 B Bonds as a condition to issuance of the Series 2011 B Bonds. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and applicable to the Series 2011 B Bonds as may be necessary in order to maintain the status of the Series 2011 B Bonds as public purpose bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2011 B Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority or the Council, from which the proceeds of the Series 2011 B Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or the Council, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2011 B Bonds and, at any time, any additional information requested by the Authority.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2011 B Bonds:

- (1) If default occurs in the due and punctual payment of the principal of or interest on the Series 2011 B Bonds; or
- (2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2011 B Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2011 B Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, Registrar or any other Paying Agent or a Holder of a Bond;
- (3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America;
- (4) If default occurs under the Prior Bonds or the Prior Resolutions;
or
- (5) If default occurs under the Series 2011 A Bonds or the Series 2011 A Bond Resolution.

Section 9.02. Remedies. Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the

Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of the System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.
