**ARTICLE I**

**STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS**

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the “Bond Legislation”) is enacted pursuant to the provisions of Chapter 8, Article 19 of the West Virginia Code of 1931, as amended (collectively, the “Act”), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The Town of Grantsville (the “Issuer”) is a municipal corporation and political subdivision of the State of West Virginia in Calhoun County of said State.

B. The Issuer presently owns and operates a public water system. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain additions, betterments and improvements to existing public water system of the Issuer, consisting of repairs and improvements to the clarifier and back wash basins, together with all appurtenant facilities (collectively, the “Project”), (the existing public water system of the Issuer, the Project and any further additions, betterments and improvements thereto are herein called the “System”), in accordance with the plans and

specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. It is deemed necessary for the Issuer to issue its Water Revenue Bonds, Series 2015 A, in the total aggregate principal amount of not more than \$500,000 (the "Series 2015 A Bonds"), initially to be represented by a single bond, to temporarily finance the costs of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest upon the Series 2015 A Bonds prior to and during the project and for a period not exceeding 6 months after completion of the Project; amounts which may be deposited in the Series 2015 A Bonds Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expense; commitment fees; discount; initial fees for the services of registrars, paying agents, depositories to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2015 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

D. The period of usefulness of the System after completion of the Project is not less than 20 years.

E. It is in the best interests of the Issuer that its Series 2015 A Bonds be sold to the Purchaser (as hereinafter defined) pursuant to this Bond Legislation.

F. There are outstanding obligations of the Issuer which will rank senior to the Series 2015 A Bonds as to liens, pledge, source of and security for payment, being the Issuer's:

(i) Water Revenue Bonds, Series 1979 (United States Department of Agriculture), dated January 14, 1982, issued in the original aggregate principal amount of \$289,000 (the "Series 1979 Bonds");

(ii) Water Revenue Bonds, Series 1991 (United States Department of Agriculture), dated February 27, 1991, issued in the original aggregate principal amount of \$80,000 (the "Series 1991 Bonds");

The Series 2015 A Bonds shall be issued subordinate to the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects. Prior to

the issuance of the Series 2015 A Bonds, the Issuer will obtain (i) a certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consent of the Holders of the Prior Bonds to the issuance of the Series 2015 A Bonds subordinate to the Prior Bonds. Other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. All Series 2015 A Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Series 2015 A Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Series 2015 A Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Series 2015 A Bonds or, in the case of any proposed redemption of Series 2015 A Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Series 2015 A Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2015 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Series 2015 A Bond of the same series and of like tenor as the Series 2015 A Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Series 2015 A Bonds, upon surrender and cancellation of such mutilated Series 2015 A Bonds, or in lieu of and substitution for the Series 2015 A Bonds destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Series 2015 A Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Series 2015 A Bonds shall have matured or be about to mature, instead of issuing substitute Series 2015 A Bonds,

the Issuer may pay the same, upon being indemnified as aforesaid, and if such Series 2015 A Bonds are lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2015 A Bonds shall not, in any event, be or constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No Holder or Holders of the Series 2015 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2015 A Bonds or the interest, if any, thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues; Lien Positions with respect to Prior Bonds. The payment of the debt service of all Series 2015 A Bonds shall be secured by a second lien on the Net Revenues derived from the operation of the System, subordinate to the lien on the Net Revenues in favor of the Holders of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Series 2015 A Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as the same become due.

Section 3.09. Delivery of Bonds. The Issuer shall execute and deliver the Series 2015 A Bonds to the Bond Registrar, and the Bond Registrar shall authenticate, register and deliver the Series 2015 A Bonds to the original purchasers upon receipt of the documents set forth below:

Section 3.10. Sale of Bonds. The Series 2015 A Bonds shall be sold to the Purchaser, pursuant to this Bond Legislation.

Section 3.11. Form of Bonds. The text of the Series 2015 A Bonds shall be in substantially the following form, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted hereby, or by any Supplemental Resolution adopted prior to the issuance thereof:

(1) The Issuer shall first, each month, from the Revenue Fund pay current Operating Expenses of the System.

(2) The Issuer shall next, each month, transfer from the Revenue Fund and simultaneously remit to the National Finance Office the amounts required by the Prior Ordinances to pay interest on the Prior Bonds.

(3) The Issuer shall next, each month, transfer from the Revenue Fund and simultaneously remit to the National Finance Office the amounts required by the Prior Ordinances to pay the principal of the Prior Bonds.

(4) The Issuer shall next, each month, transfer from the Revenue Fund and simultaneously remit to (i) the Depository Bank the amount required by the Prior Ordinances for deposit in the Reserve Fund for the Series 1979 Bonds and Series 1999 Bonds; and (ii) the Commission, the amounts required by Prior Ordinances to be deposited in the respective Reserve Accounts of the Series 1991 Bonds and Series 2011 A Bonds.

(8) The Issuer shall next, each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Depreciation Fund, an amount equal to 2.5% of the Gross Revenues each month (as previously set forth in the Prior Ordinances and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Depreciation Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Depreciation Fund for replacements, repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such accounts have not, as of the date of determination of a deficiency, funded such accounts to the maximum extent required hereof) shall be promptly eliminated with monies from the Depreciation Fund.

Monies in the Series 2015 A Bonds Sinking Fund and the Series 2015 A Bonds Reserve Account shall be used only for the purposes of paying principal of and interest, if any, on the Series 2015 A Bonds as the same shall come due and for no other purpose.

All investment earnings on monies in the Series 2015 A Bonds Sinking Fund and the Series 2015 A Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during the Project, be deposited in the Series 2015 A Bonds Project Trust Fund, and following completion of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2015 A Bonds and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 2015 A Bonds Reserve Account which result in a reduction in the balance of the Series 2015 A Bonds Reserve Account to below the Series 2015 A Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the priority as set forth above.

As and when additional Bonds ranking on a parity with the Series 2015 A Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirement therefor.

The Issuer shall not be required to make any further payments into the Series 2015 A Bonds Reserve Account therein when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2015 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the maturity thereof.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2015 A Bonds Sinking Fund and the Series 2015 A Bonds Reserve Account, created hereunder, and all required amounts for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited. The Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the Series 2015 A Bonds Sinking Fund and the Series 2015 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2015 A Bonds Sinking Fund and the Series 2015 A Bonds Reserve Account therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2015 A Bonds under the conditions and restrictions set forth herein.

B. C. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

D. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. The Issuer may make the necessary arrangements whereby such required payments can be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

E. The monies in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

F. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03 and the relevant provisions of the Prior Ordinances, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

G. All remittances made by the Issuer to the Commission and the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

H. The Gross Revenues of the System shall only be used for purposes of the System.

## ARTICLE VII

### **ADDITIONAL COVENANTS OF THE ISSUER**

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2015 A Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2015 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2015 A Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2015 A Bonds shall not be nor constitute a corporate indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Series 2015 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2015 A Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Positions with Respect to Prior Bonds. The payment of the debt service of the Series 2015 A Bonds shall be secured by a second lien on the Net Revenues derived from the System, subordinate to the lien on the Net Revenues in favor of the Holders of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Prior Bonds and the Series 2015 A Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Bond Legislation. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described by water rate ordinance dated December 1, 2014 of the Issuer.

So long as the Series 2015 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Bond Legislation. In the event the schedule of rates and charges initially established for the System in connection with the Series 2015 A Bonds shall

prove to be insufficient to produce the required sums set forth in this Bond Legislation, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances. Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2015 A Bonds and the Prior Bonds. All obligations issued by the Issuer after the issuance of the Series 2015 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2015 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts established by this Bond Legislation have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2015 A Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2015 A Bonds and the interest, if any, thereon in this Bond Legislation, or upon the System or any part thereof.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2015 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition or construction of additions, extensions, betterments or improvements to the System, refunding any or all outstanding Bonds, to pay claims which may exist against the revenues or facilities of the System, or all such purposes.

So long as any Prior Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Recorder a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the Prior Bonds, representing 75% of the then-outstanding principal indebtedness. In the event the foregoing limitation is waived or when the Prior Bonds are no longer Outstanding, the following requirement shall be met:

So long as the Series 2015 A Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Recorder a written statement by the Independent Certified Public Accountants reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The “estimated average increased annual Net Revenues to be received in each of the 3 succeeding years,” as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the additional customers to be connected to the System as a result of additions, extensions and improvements thereto, or from any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineers, which shall be filed in the office of the Recorder prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which has expired (without successful appeal) prior to the issuance of such Parity Bonds. For purposes of this

test, the terms “Gross Revenues” and “Net Revenues” shall not include proceeds from the sale of capital assets.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Net Revenues of the System and their source of and security for payment from said Net Revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Series 2015 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2015 A Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of issuance of such Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

No additional bonds, notes, certificates, contracts or any other obligations shall be issued by the Town unless no Event of Default shall have occurred and be continuing with respect to the Bonds.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia and the Act. Separate control accounting records shall

be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Issuer. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as the Issuer shall direct.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required, in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto), and shall mail and make available generally, the report of said Independent Certified Public Accountants, to any Holder or Holders of the Series 2015 A Bonds.

Subject to the terms, conditions and provisions of Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

Section 7.09. Rates. Prior to the issuance of the Series 2015 A Bonds, equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Recorder, which copies will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule or schedules of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2015 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2015 A Bonds, including the Prior Bonds; provided that, in the event that, amounts equal to or in excess of the Reserve Requirements are on deposit respectively in the Series 2015 A Bonds Reserve Account and any Reserve Accounts for obligations on a parity with or junior to the Series 2015 A Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2015 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2015 A Bonds.

All such rates and charges, if not paid when due, shall constitute a lien upon the premises served by the System. For purposes of this test, the terms “Gross Revenues” and “Net Revenues” shall not include proceeds from the sale of capital assets. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinance described in Section 7.04 hereof.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Issuer that less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers stating, among other things, that the Project has been or will be constructed in accordance with the plans, specifications and designs, the Project is adequate for the purposes for which it was designed, the funding plan is sufficient to pay the costs of the Project, and all permits required by federal and state laws for the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services covering the supervision and inspection of the development of the Project.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the

System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds.A. The Issuer hereby covenants and agrees that so long as the Series 2015 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Depreciation Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Depreciation Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the prime contractor and all subcontractors as their respective interests may appear, during the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System,

and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKERS' COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of any construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of any construction in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of any construction.

The Issuer shall also require all contractors engaged in the Project to carry such workers' compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project. The Issuer shall verify such insurance prior to commencement. Such insurance shall be made payable to the order of the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Connections. To the extent permitted by the laws of the State and rules and regulations of the Public Service Commission of West Virginia, the Issuer shall require every owner, tenant or occupant of any house, dwelling or building intended to be served by the System to connect thereto.

Section 7.17. Completion and Operation of Project; Permits and Orders. The Issuer shall complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer has obtained all permits required by State and federal laws for the Project.

Section 7.18. Compliance with Law. The Issuer shall perform, satisfy and comply with all the terms and conditions of the Act.

The Issuer shall also comply with all applicable laws, rules and regulations issued by the State, federal or local bodies in regard to the Project and the operation, maintenance and use of the System. The Issuer will provide the Purchaser, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base).

Section 7.19. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2015 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2015 A Bonds during the term thereof is, under the terms of the Series 2015 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2015 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2015 A Bonds during the term thereof is, under the terms of the Series 2015 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2015 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 2015 A Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related, all of the foregoing to be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% or \$5,000,000 of the Net Proceeds of the Series 2015 A Bonds are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2015 A Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2015 A Bonds and the interest thereon, including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take any and all actions that may be required of it so that the interest on the Series 2015 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions, or fail to take any actions the result of which would adversely affect such exclusion.

Section 7.22. Statutory Mortgage Lien. ## **ARTICLE VIII**

### **INVESTMENT OF FUNDS; NON ARBITRAGE**

Section 8.01. Investments. Any monies held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the “Consolidated Fund.” The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless

of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year (or more often if reasonably requested by the Issuer), a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2015 A Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest on the Series 2015 A Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2015 A Bonds which would cause the Series 2015 A Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2015 A Bonds) so that the interest on the Series 2015 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Designation of Series 2015 A Bonds as “Qualified Tax-Exempt Obligations.” The Issuer hereby designates the Series 2015 A Bonds as “qualified tax-exempt obligations” for purposes of Section 265(b)(3)(B) of the Code and covenants that the Series 2015 A Bonds do not constitute private activity bonds as defined in Section 141 of the Code, and that not more than \$10,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income tax purposes (excluding, however, obligations issued to currently refund any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the amount of the refunded obligation and private activity bonds, as defined in Section 141 of the Code, other than qualified 501(c)(3) bonds as defined in Section 145 of the Code), including the Series 2015 A Bonds, have been or shall be issued by the Issuer, including all subordinate entities of the Issuer, during the calendar year 2015, all as determined in accordance with the Code

If the Issuer is subject to the rebate requirements of Section 148(f) of the Code, and not exempted from such requirements, the Issuer covenants to calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, unless otherwise agreed by the Purchaser, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and shall be used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the

rebateable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. In addition, the Issuer shall cooperate with the Purchaser in preparing rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Purchaser at the expense of the Issuer. The Issuer may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 8.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 8.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay the required rebate amount, any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, and take any other actions necessary, in order to maintain the exclusion of interest on the Series 2015 A Bonds from gross income for federal income tax purposes.

The Issuer shall furnish to the Purchaser, annually, and at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be requested by the Purchaser.

## **ARTICLE IX**

### **DEFAULT AND REMEDIES**

Section 9.01. Events of Default. Each of the following events shall constitute an “Event of Default” with respect to the Series 2015 A Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest, if any, on the Series 2015 A Bonds;  
or

(2) If default occurs in the Issuer’s observance of any of the covenants, agreements or conditions on its part relating to the Series 2015 A Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2015 A Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due; (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System; (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds; and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 2015 A Bonds shall be junior and subordinate with the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any

Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

## **ARTICLE X**

### **PAYMENT OF BONDS**

Section 10.01. Payment of Bonds. EXHIBIT C  
Tax Compliance Policy

**TAX COMPLIANCE POLICIES**

**Town of Grantsville**

**Purpose**

Issuers of tax-exempt bonds must comply with federal tax rules pertaining to expenditure of proceeds for qualified costs, rate of expenditure, use of bond financed property, investment of proceeds in compliance with arbitrage rules, and retention of records. The following policies are intended to establish compliance by the Town of Grantsville (the “*Issuer*”) with these rules in connection with the issuance of the Issuer’s Water Revenue Bonds, Series 2015 A (the “*Tax-Exempt Bonds*”).

**Tax Requirements Associated with Sale and Issuance of Bonds**

Review and retention of tax documents related to the sale and issuance of Bonds will be supervised by the Mayor of the Issuer or his/her designee (the “*Oversight Officer*”).

- Form 8038-G (tax exempt bonds) will be reviewed and filed not later than the 15<sup>th</sup> day of the 2nd calendar month following the quarter in which the bonds were issued. Filing of appropriate version or versions of Form 8038-G will be confirmed with bond counsel.

**Expenditure of Proceeds for Qualified Costs**

Expenditure of bond proceeds will be reviewed by the Oversight Officer.

- Bond proceeds will be disbursed pursuant to an approved form of requisition stating the date, amount and purpose of the disbursement.
- Requisitions must identify the financed property and certify as to the character and average economic life of the bond-financed property.
- Requisitions for costs that were paid prior to the issuance of the bonds are, in general, limited to costs paid subsequent to, or not more than 60 days prior to, the date a “declaration of intent” to reimburse the costs was adopted by the Issuer. If proceeds are used for reimbursement, a copy of the declaration will be obtained and

included in the records for the Tax-Exempt Bonds, if not already part of the bond transcript.

- Requisitions will be summarized in a “final allocation” of proceeds to uses not later than 18 months after the in-service date of the financed property (and in any event not later than 5 years and 60 days after the issuance of the Tax-Exempt Bonds).
- Expenditure of proceeds will be monitored against the expectations to spend or commit 5% of net sale proceeds within 6 months, to spend 85% of net sale proceeds within 3 years, and to proceed with due diligence to complete the project and fully spend the net sale proceeds. Expected expenditure schedules, project timelines, and plans and specifications will be maintained to support expectations. Reasons for failure to meet the expected schedule will be documented and retained in the records for the Tax-Exempt Bonds.
- If the 18-month spending exception to rebate applies, expenditure of gross proceeds will be monitored against the following schedule for the arbitrage rebate exception for the issue, if applicable:

15% within 6 months  
60% within 12 months  
100% within 18 months

- If the 2-year spending exception to rebate applies, expenditure of “available proceeds” will be monitored against the following schedule for the arbitrage rebate exception for construction issues if applicable:

10% within 6 months  
45% within 12 months  
75% within 18 months  
100% within 24 months

### **Expenditure of Proceeds**

In addition to the general review of expenditures described above, expenditure of proceeds of the Tax-Exempt Bonds will be reviewed by the Oversight Officer.

- Only a small portion (5%) of the proceeds of Tax-Exempt Bonds can be used for operating expenses or other “working capital” costs. Requisitions for costs of the Project will accordingly be monitored to confirm that they are for capital costs of the Project.

- Investment earnings on sale proceeds of the Tax-Exempt Bonds will be tracked and will be requisitioned only for appropriate expenditures.

### **Use of Bond-Financed Property**

Use of bond-financed property when completed and placed in service will be reviewed by the Oversight Officer.

- Average nonexempt use of bond-financed property over the life of the issue cannot exceed 10% of the proceeds.
- Agreements with business users or non-profit organizations for lease or management or services contracts, sponsored research, naming rights or any other potential nonexempt use of bond-financed property will be reviewed prior to execution of any contract to determine if property is bond-financed.
- Agreements with business users or other non-profit organizations for lease or management or services contracts or other private business use involving bond-financed property will be tracked and aggregated with other private business uses for compliance with the 10% limit.
- No item of bond-financed property will be sold or transferred to a nonexempt party without advance arrangement of a “remedial action” under the applicable Income Tax Regulations.

### **Investments and IRS Filings**

Investment of bond proceeds in compliance with the arbitrage bond rules and rebate of arbitrage will be supervised by the Oversight Officer.

- Guaranteed investment contracts (“GIC”) will be purchased only using the three-bid “safe harbor” of applicable Income Tax Regulations, in compliance with fee limitations on GIC brokers in the Income Tax Regulations.
- Other investments will be purchased only in market transactions.
- Calculations of rebate liability will be performed annually by outside consultants.
- Rebate payments will be made with Form 8038-T no later than 60 days after (a) each fifth anniversary of the date of issuance and (b) the final retirement of the issue. Compliance with rebate requirements will be reported to the bond trustee and the issuer.

- Identify date for first rebate payment at time of issuance. Enter in records for the issue.

## **Records**

Management and retention of records related to tax-exempt bond issues will be supervised by the Oversight Officer.

- Records will be retained for the life of the bonds plus any refunding bonds plus three years. Records may be in the form of documents or electronic copies of documents, appropriately indexed to specific bond issues and compliance functions.
- Retainable records pertaining to the Tax-Exempt Bonds include transcript of documents executed in connection with the issuance of the bonds (including authorizing resolutions, and Form 8038-G) and any amendments, and copies of rebate calculations and records of payments, including Forms 8038-T.
- Retainable records pertaining to expenditures of bond proceeds include requisitions, trustee statements and final allocation of proceeds.
- Retainable records pertaining to use of property include all agreements reviewed for nonexempt use.
- Retainable records pertaining to investments include GIC documents under the Income Tax Regulations, records of purchase and sale of other investments, and records of investment activity sufficient to permit calculation of arbitrage rebate or demonstration that no rebate is due.

## **Overall Responsibility**

Overall administration and coordination of this policy is the responsibility of the Oversight Officer.

Town of Grantsville  
Water Revenue Bonds, Series 2015 A

Town of Grantsville  
Grantsville, West Virginia

Ohio Valley Bank Co.  
Gallipolis, Ohio

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by the Town of Grantsville (the "Issuer"), a municipal corporation and political subdivision organized and existing under the laws of the State of West Virginia, of its \$400,000 Water Revenue Bonds, Series 2015 A, dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of the Bonds, which are to be purchased by Ohio Valley Bank Co. (the "Purchaser"). The Bonds are originally issued in the form of one Bond, registered as to interest and principal to the Purchaser. The Bonds shall be dated August 28, 2015, and shall finally mature September 1, 2030 and shall bear interest at the rate of 4.3% per annum. Principal and interest payments shall be payable monthly commencing October 1, 2015 to and including September 1, 2030.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 19 of the West Virginia Code of 1931, as amended (the "Act"), for the purposes of (i) temporarily paying the costs of certain additions, betterments and improvements to the existing public waterworks system of the Issuer (the "Project"); (ii) funding the Series 2015 A Bonds Reserve Account; and (iii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Bond Ordinance duly enacted by the Issuer on July 6, 2015, as supplemented by a Supplemental Resolution and Conformed Ordinance duly adopted by the Issuer on August 3, 2015, (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued. The Bonds are subject to redemption prior to maturity under the conditions and subject to the limitations set forth in the Bond Legislation. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to enact the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Bond Legislation and all other necessary ordinances and resolutions have been duly and effectively enacted and adopted by the Issuer in connection with the issuance and sale of the Bonds and constitute valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their terms.

3. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Purchaser and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System and secured by a second lien on and pledge of the Net Revenues of the System, subordinate to liens, pledge and source of and security for payment to the Issuer's: (i) Water Revenue Bonds, Series 1979 (United States Department of Agriculture), dated January 14, 1982, issued in the original aggregate principal amount of \$289,000 (the "Series 1979 Bonds"); (ii) Water Revenue Bonds, Series 1991 (United States Department of Agriculture), dated February 27, 1991, issued in the original aggregate principal amount of \$80,000 (the "Series 1991 Bonds"); (iii) Water Revenue Bonds, Series 1999 (United States Department of Agriculture), dated November 10, 1999, issued in the original aggregate principal amount of \$400,000 (the "Series 1999 Bonds"); and (iv) Water Revenue Bonds, Series 2011 A (United States Department of Agriculture), dated December 27, 2011, issued in the original aggregate principal amount of \$1,075,000 (the "Series 2011 A Bonds"), (collectively, the "Prior Bonds").

4. Under existing laws, regulations, rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Bonds (a) is excludable from gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended and the regulations promulgated thereunder (the "Code") and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations under the Code. It should be noted, however, that interest on the Bonds is included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum tax that may be imposed with respect to corporations. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Code that must be satisfied subsequent to issuance of the Bonds for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Bonds set forth in the Ordinance, and in certain certificates delivered in connection with the issuance of the Bonds. Failure to comply with certain of such Code provisions or such certifications, covenants and representations could cause the interest on the Bonds to be includable in gross income retroactive to the date of issuance of the Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Bonds except as expressly set forth herein and in paragraph 6.

5. The Bonds are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Issuer has designated the Bonds as “qualified tax-exempt obligations” for purposes of the Code, and has covenanted that it does not reasonably expect to issue more than \$10,000,000 of tax-exempt obligations (other than private activity bonds or obligations issued to currently refund any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the outstanding amount of the refunded obligations) during the calendar year 2015. Therefore, the Bonds are “qualified tax-exempt obligations” within the meaning of Section 265(b)(3)(B) of the Code.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors’ rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

STEPTOE & JOHNSON PLLC

TOWN OF GRANTSVILLE

Water Revenue Bonds, Series 2015 A

TAX CERTIFICATE

On this 28th day of August, 2015, the undersigned Mayor of the Town of Grantsville (the "Issuer"), being the official of the Issuer charged with the responsibility for issuing the above-referenced bonds (the "Series 2015 A Bonds") of the Issuer, and acting for the Issuer and in its name, hereby certifies as follows with regard to the Series 2015 A Bonds and use of the proceeds thereof, all capitalized terms used herein and not otherwise defined herein to have the same meanings set forth in the Bond Ordinance duly enacted by the Issuer on July 6, 2015, as supplemented by a Supplemental Resolution and Conformed Ordinance duly adopted by the Issuer on August 3, 2015, (collectively, the "Ordinance"):

1. This certificate is being executed and delivered pursuant to Section 148 of the Internal Revenue Code of 1986, as amended, and the temporary and permanent regulations promulgated thereunder or any predecessor thereto (collectively, the "Code"). I am the officer of the Issuer duly charged with the responsibility of issuing the Series 2015 A Bonds. I am familiar with the facts, circumstances and estimates herein certified and duly authorized to execute and deliver this certificate on behalf of the Issuer.

2. This certificate may be relied upon as the certificate of the Issuer.

3. The Issuer has not been notified by the Internal Revenue Service of any listing or proposed listing of it as an issuer that may not certify its obligations or the certification of which may not be relied upon by holders of obligations of the Issuer or that there is any disqualification of the Issuer by the Internal Revenue Service because a certification made by the Issuer contains a material misrepresentation.

4. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on August 28, 2015, the date on which the Series 2015 A Bonds are to be physically delivered in exchange for more than a de minimus amount of the principal of the Series 2015 A Bonds, and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

5. In the Ordinance pursuant to which the Series 2015 A Bonds are issued, the Issuer has covenanted to not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2015 A Bonds which would cause the Series 2015 A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code. The Issuer has, therefore, covenanted to not intentionally use any portion of the proceeds of the Series 2015 A Bonds to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except as otherwise allowed under Section 148 of the Code. The Issuer, in the Ordinance, has further covenanted that it will take all actions that may be required of it so that the interest on the Series 2015 A Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

6. The Series 2015 A Bonds were sold on August 28, 2015, to The Ohio Valley Bank Company, Gallipolis, Ohio (the "Purchaser"), for a purchase price of \$400,000, being the par value thereof, there being no interest accrued thereon.

7. The entire principal of the Series 2015 A Bonds in the amount of \$400,000 will be paid to the Issuer on the Closing Date and deposited in the Series 2015 A Bonds Construction Trust Fund for the purposes of (i) temporarily paying the costs of acquisition and construction of certain additions, betterments and improvements to the existing public waterworks system of the Issuer as further described in the Ordinance (the “Project”); and (ii) paying costs of issuance and related costs thereof. All of such monies are necessary for such purpose.

8. All proceeds from the sale of the Series 2015 A Bonds, together with any investment earnings thereon, if any, will be expended for payment of such costs of the Project from the Series 2015 A Bonds Construction Trust Fund on or before September 1, 2016.

9. Sources and uses of the proceeds of the Series 2015 A Bonds are as follows:

<u>SOURCES</u>	
Gross Proceeds of the Series 2015 A Bonds	\$400,000
Total Sources	<u>\$400,000</u>
<u>USES</u>	
Construction Costs	\$385,000
Costs of Issuance	<u>15,000</u>
Total Uses	<u>\$400,000</u>

The costs of paying the costs of the Project and the costs of issuance of the Series 2015 A Bonds is estimated to be at least equal to the gross proceeds of the Series 2015 A Bonds. Except for the proceeds of the Series 2015 A Bonds, no other funds of the Issuer will be available to meet such costs, which would constitute “replacement proceeds” within the meaning of Treas. Reg. § 1.148-1(c), inasmuch as (i) the Issuer does not reasonably expect that the term of the Series 2015 A Bonds is longer than is reasonably necessary for the governmental purposes of the Issuer, (ii) the weighted average maturity of the Series 2015 A Bonds is 8.365 years and does not exceed 120% of the average expected economic life of the betterments and improvements for the System, and (iii) there are no amounts that have a sufficiently direct nexus to the Series 2015 A Bonds or to the governmental purpose of the Series 2015 A Bonds to conclude that the amounts would have been used for that governmental purpose if the proceeds of the Series 2015 A Bonds were not used or to be used for that governmental purpose.

10. Pursuant to Article IV of the Bond Ordinance, the following special funds have been created or continued:

- (1) Renewal and Replacement Fund (established by Prior Ordinance);
- (2) Series 2015 A Bonds Sinking Fund;
- (3) Series 2015 A Bonds Reserve Account; and

(4) Series 2015 A Bonds Construction Fund.

11. The Series 2015 A Bonds Reserve Requirement of \$36,401 is the lesser of (i) 10% of the proceeds of the Series 2015 A Bonds (\$40,000), (ii) 125% of average annual debt service on the Series 2015 A Bonds (\$45,501), or (iii) maximum annual debt service on the Series 2015 A Bonds (\$36,401). The Series 2015 A Bonds Reserve Account may be invested at an unrestricted yield throughout the term of the Series 2015 A Bonds.

12. Pursuant to Article IV of the Bond Ordinance, the proceeds of the Series 2015 A Bonds will be deposited in the Series 2015 A Bonds Construction Fund and applied solely to payment of the Project, including costs of issuance of the Series 2015 A Bonds and related costs. The Issuer reasonably expects that (i) it will incur a binding obligation to a third party to expend at least 5% of the net sale proceeds of the Series 2015 A Bonds within 6 months following the date of issuance of the Series 2015 A Bonds, (ii) completion of the betterments and improvements will proceed with due diligence, and (iii) it will expend at least 85% of the net sales proceeds for such costs within 3 years of the date of issuance of the Series 2015 A Bonds.

Except for "preliminary expenditures" as defined in Treas. Reg. §1.150-2(f)(2), none of the proceeds of the Series 2015 A Bonds will be used to reimburse the Issuer for costs of operating and other expenses of the System previously incurred and paid by the Issuer with its own or other funds.

13. Monies held in the Series 2015 A Bonds Sinking Fund and the Series 2015 A Bonds Reserve Account will be used solely to pay the principal of and interest on the Series 2015 A Bonds and will not be available to meet costs of operating and other expenses of the System.

14. Except for the Series 2015 A Bonds Sinking Fund and the Series 2015 A Bonds Reserve Account, there are no other funds or accounts established or held by the Issuer which are reasonably expected to be used to pay the principal and interest on the Series 2015 A Bonds, or which are pledged as collateral for the Series 2015 A Bonds and for which there is a reasonable assurance that amounts therein will be available to pay debt service on the Series 2015 A Bonds if the Issuer encounters financial difficulties.

15. Except for a reasonable temporary period until such proceeds are needed for the purpose for which such Bonds were issued or as otherwise allowed, no portion of the proceeds of the Series 2015 A Bonds will be used, directly or indirectly, to acquire higher yielding investments, or to replace funds which were used, directly or indirectly, to acquire higher yielding investments, all within the meaning of Section 148 of the Code.

16. The Issuer will comply with the provisions of the Code, for which the effective date precedes the date of delivery of its Series 2015 A Bonds to the Purchaser.

17. All proceeds of the Series 2015 A Bonds will be expended from the Series 2015 A Bonds Construction Trust Fund on payment of such costs of the Project and costs of issuance within 12 months from the date of issuance thereof.

18. The amount designated as cost of issuance of the Series 2015 A Bonds consists only of costs which are directly related to and necessary for the issuance of the Series 2015 A Bonds.

19. All property financed with the proceeds of the Series 2015 A Bonds will be held for federal income tax purposes by (or on behalf of) a qualified governmental unit.

20. No more than 10% of the proceeds of the Series 2015 A Bonds will be used (directly or indirectly) in any trade or business carried on by any person who is not a governmental unit. Less than 5% of the proceeds of the Series 2015 A Bonds have been or will be used to make or finance loans to any person who is not a governmental unit. The covenants of the Issuer set forth above shall not, in any way, limit or restrict the ability of the Issuer to pay the costs of design and other preliminary costs of the Project, specifically including, but not limited to, engineering fees, from the proceeds of the Series 2015 A Bonds.

21. The original proceeds of the Series 2015 A Bonds will not exceed the amount necessary for the purposes of the issue.

22. The Issuer shall use the Series 2015 A Bonds proceeds solely for such authorized costs of Project and costs of issuance and the System is and will be operated solely for a public purpose as a local governmental activity of the Issuer.

23. The Issuer shall not permit at any time or times any of the proceeds of the Series 2015 A Bonds or any other funds of the Issuer to be used directly or indirectly in a manner which would result in the exclusion of the Series 2015 A Bonds from treatment afforded by Section 103(a) of the Code by reason of classification of the Series 2015 A Bonds as "private activity bonds" within the meaning of the Code. The Issuer will take all actions and refrain from taking such actions as shall be necessary to comply with the Code in order to ensure the interest on the Series 2015 A Bonds is excludable from gross income for federal income tax purposes.

24. The Series 2015 A Bonds are not and will not be, in whole or in part, directly or indirectly, federally guaranteed within the meaning of Section 149(b) of the Code.

25. The Issuer is a governmental unit and has general taxing powers; no Series 2015 A Bonds are private activity bonds; 95% or more of the net proceeds of the Series 2015 A Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer); and the aggregate face amount of all tax-exempt bonds or obligations (other than private activity bonds) issued by the Issuer during the calendar year 2015, the calendar year in which the Series 2015 A Bonds are issued, is not reasonably expected to exceed \$5,000,000, determined in accordance with Section 148(f)(4)(D) of the Code. For purposes of this paragraph and for purposes of applying such Section 148(f)(4)(D) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a governmental unit to make loans to other governmental units with general taxing powers not subordinate to such unit shall, for purposes of applying this paragraph and Section 148(f)(4)(D) of the Code, be treated as not issued by such unit; all obligations issued by a subordinate entity shall, for purposes of applying this paragraph and Section 148(f)(4)(D) of the Code to each other entity to which such entity is subordinate, be

treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of such Section 148(f)(4)(D) of the Code and all other entities benefitting thereby shall be treated as one issuer. Therefore, the Issuer qualifies for the small governmental issuer exception to rebate.

26. The Issuer has retained the right to amend or supplement its authorizing documents if such amendment or supplement is necessary to preserve the exclusion from gross income for federal income tax purposes of the interest on the Series 2015 A Bonds in accordance with the Bond Legislation.

27. The Issuer shall comply with the yield restriction on the proceeds of the Series 2015 A Bonds as set forth in the Code. The yield on the Series 2015 A Bonds is 4.4042%.

28. There are no other obligations of the Issuer which (a) are to be issued at substantially the same time as the Series 2015 A Bonds, (b) are to be sold pursuant to a common plan of financing together with any of the Series 2015 A Bonds and (c) will be paid out of substantially the same source of funds or will have substantially the same claim to be paid out of substantially the same source of funds as any of the Series 2015 A Bonds.

29. The transactions contemplated herein do not represent an exploitation of the difference between taxable and tax-exempt interest rates and the execution and delivery of the Series 2015 A Bonds is not occurring sooner than otherwise necessary, nor are the Series 2015 A Bonds in principal amounts greater than otherwise necessary or to be outstanding longer than otherwise necessary.

30. The Issuer covenants and agrees to comply with the rebate requirements of the Code if not exempted therefrom, and with all other requirements of the Code necessary, proper or desirable to maintain the tax-exempt status of the Series 2015 A Bonds.

31. The Issuer shall file Form 8038-G in a timely fashion with the Internal Revenue Service.

32. On the basis of the foregoing, it is not expected that the proceeds of any of the Series 2015 A Bonds will be used in a manner that would cause any of the Series 2015 A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

33. To the best of my knowledge, information and belief, there are no other facts, estimates and circumstances which would materially change the expectations herein expressed.

34. Steptoe & Johnson PLLC is entitled to rely upon the representations, expectations, covenants, certifications and statements contained herein in rendering its opinions regarding the tax-exempt status of interest on the Series 2015 A Bonds.

35. To the best of my knowledge, information and belief, the foregoing expectations are reasonable.

WITNESS my signature, dated as of the day and year first written above.
