ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation"), is enacted pursuant to the provisions of Chapter 8, Article 19 of the West Virginia Code of 1931, as amended, and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Hurricane (the "City") is a municipal corporation and political subdivision of the State of West Virginia in Putnam County of said State.

B. The City presently owns and operates a public waterworks system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the City that there be acquired, constructed and equipped certain extensions, additions,

betterments and improvements to the existing public waterworks facilities of the City, consisting of, but not limited to, tank repair, 10" water line, meter wands/scions, flushing diffuser, water pumps, computer equipment, and the purchase of trucks (the "Project") (the existing public waterworks system of the City, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System").

C. The acquisition and construction of the System were financed, in part, by the proceeds of prior bond issues of the City, of which there is presently outstanding the Water Revenue Bonds, Series 1994, dated May 5, 1994, issued in the original aggregate principal amount of \$1,100,000 and currently outstanding in the approximate aggregate principal amount of \$988,842 (the "Series 1994 Bonds"), the Water Revenue Bonds, Series 2005 A, dated August 24, 2005, issued in the original aggregate principal amount of \$995,000 and currently outstanding in the approximate aggregate principal amount of \$995,000 (the "Series 2005 A Bonds") and Interim Financing of the City, being a loan from United Bank, dated August 23, 1999, issued in the original aggregate principal amount of \$750,000 and currently outstanding in the approximate aggregate principal amount of \$559,310, a loan from the Putnam County Bank, dated June 30, 2006, issued in the original approximate aggregate principal amount of \$49,500 and currently outstanding in the aggregate principal amount of \$48,090, and a loan from Scott Gordon (initial lease with Comvest), currently outstanding in the aggregate principal amount of \$3,318 and a loan from Eric Gordon (initial lease with Comvest), currently outstanding in the aggregate principal amount of \$13,263 (collectively, the "Interim Financing").

D. Under the provisions of the Act, the City is authorized and empowered to issue refunding revenue bonds for the purposes of permanently financing the Series 2005 A Bonds and the Interim Financing, including interest thereon, financing the costs of acquisition, construction and equipping of the Project, and paying costs of issuance thereof.

E. The City has determined and hereby determines that it is in the best interest of the residents of the City and other users of the System to permanently finance the Series 2005 A Bonds, as the Series 2005 A Bonds have matured on February 24, 2007, and the Interim Financing and finance the costs of the acquisition, construction and equipping of the Project.

F. It is deemed necessary for the City to issue its Water Refunding Revenue Bonds, Series 2007 A (the "Series 2007 A Bonds"), in the maximum total aggregate principal amount of not more than \$2,500,000, to permanently finance the Series 2005 A Bonds and the Interim Financing, to pay costs of acquisition, construction and equipping of the Project, and to pay costs of issuance of the Series 2007 A Bonds and related costs.

G. The Series 2007 A Bonds will rank on a parity with the Series 1994 Bonds as to liens, pledge and source of and security for payment on the Gross Revenues of the System and the Series 1994 Bonds are hereinafter referred to as the "Prior Bonds".

Prior to the issuance of the Series 2007 A Bonds, the City will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consent of the Holders of the Prior Bonds to the issuance of the Series 2007 A Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the City which are secured by revenues or assets of the System.

H. It is in the best interests of the City that its Series 2007 A Bonds be sold to the Purchaser (as hereinafter defined) pursuant to the terms and conditions of the commitment letter of the Purchaser, as amended (the "Commitment Letter").

I. The City has complied with all requirements of West Virginia law relating to the issuance of the Series 2007 A Bonds, or will have so complied prior to issuance of the Series 2007 A Bonds.

Section 3.04. Negotiability, Transfer and Registration. Subject to the restrictions on transfer set forth below, the Bonds shall be and have all the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder, in accepting any of said Bonds, shall be conclusively deemed to have agreed that said Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Bonds remains Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Bonds. The Bonds shall be transferrable only upon the books of the Registrar which shall be kept for that purpose at the office of the Registrar by request of the registered owner thereof in person or by his attorney duly authorized in writing, and upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. Upon the transfer of a Bond, there shall be issued to the transferee another fully registered Bond or Bonds of the aggregate principal amount equal to the unpaid amount of the transferred Bond.

In all cases in which the privilege of transferring Bonds is exercised, Bonds shall be delivered in accordance with the provisions of this Ordinance. All Bonds surrendered in any such transfers shall forthwith be canceled by the Registrar. For every such transfer of Bonds, the Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer and the cost of preparing each new Bond upon each transfer, and any other expenses of the Registrar incurred in connection therewith, which sum or sums shall be paid by the person requesting such transfer as a condition precedent to the exercise of the privilege of making such transfer. The Registrar shall not be obliged to make any such transfer of Bonds during the 15 days preceding an interest payment date on the Bonds or after notice of any prepayment of the Bonds has been given.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the City may, in its discretion, issue and deliver a new Bond in exchange and substitution for such mutilated Bond upon surrender and cancellation of such mutilated Bonds or in lieu of and substitution for the Bond destroyed, stolen or lost and upon the Holder's furnishing the City proof of ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the City may prescribe and paying such expenses as the City may incur. All Bonds so surrendered shall be submitted to and canceled by the Registrar and held for the account of the City. If such Bond shall have matured or be about to mature, instead of

issuing a substitute Bond, the City may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.06. Bonds Not to Be Indebtedness of the City. The Series 2007 A Bonds shall not, in any event, be or constitute an indebtedness of the City within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Gross Revenues derived from the operation of the System as herein provided. No Holder or Holders of the Series 2007 A Bonds shall ever have the right to compel the exercise of the taxing power of the City, if any, to pay the Series 2007 A Bonds or the interest thereon.

Section 3.07. Bonds Secured by Pledge of Gross Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of the Series 2007 A Bonds shall be secured forthwith by a lien on the Gross Revenues derived from the System, in addition to the statutory mortgage lien on the System hereinafter provided, on a parity with the Prior Bonds. The Gross Revenues derived from the System in an amount sufficient to pay the principal of and interest on the Series 2007 A Bonds and Prior Bonds, and to make the payments as hereinafter provided, are hereby irrevocably pledged to the payment of the principal of and interest on the Series 2007 A Bonds as the same become due.

Section 3.08. Form of Bonds . The text of the Bonds shall be in substantially the following form, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted by this Ordinance or any Supplemental Resolution adopted prior to the issuance thereof:

This Bond shall not be valid or obligatory unless authenticated and registered by the Registrar by the execution of the Registrar's Certificate of Authentication and Registration attached hereto and incorporated herein.

IN THE PRESENCE OF:

Section 3.09. Sale of Bonds and Bonds. The Bonds shall be sold to the Purchaser contemporaneously with, or as soon as practicable and authorized and permitted by applicable law after, adoption of the Supplemental Resolution; provided, that the Purchaser and the City shall have agreed to the purchase thereof.

Section 3.10. Disposition of Proceeds of Bonds. Upon the issuance and delivery of the Series 2007 A Bonds, the City shall forthwith deposit the proceeds thereof as follows:

A. All interest accrued, if any, on the Series 2007 A Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 2007 A Bonds Sinking Fund and applied to payment of interest on the Series 2007 A Bonds at the first interest payment date.

B. An amount of the proceeds of the Series 2007 A Bonds which, together with other monies or securities deposited therein and the earnings thereon, shall be sufficient to accomplish the defeasance of the Series 2005 A Bonds and the Interim Financing (which amount shall be set forth in the Supplemental Resolution) shall be paid to the Holders of the Series 2005 A Bonds and Interim Financing, respectively.

C. An amount of the proceeds of the Series 2007 A Bonds which shall be sufficient to pay all costs of issuance shall be deposited with the Depository Bank in the Series 2007 A Bonds Costs of Issuance Account and shall be drawn out, used and applied by the City solely to pay costs of issuance of the Series 2007 A Bonds and miscellaneous costs of permanent financing the Series 2005 A Bonds and the Interim Financing at the written direction of the City. All such costs of issuance shall be paid within 60 days of the Closing Date. Monies not to be applied immediately to pay such costs of issuance and permanent financing may be invested in accordance with this Ordinance, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 6 months after the Closing Date, such unapplied proceeds shall be transferred by the City to the Series 2007 A Bonds Sinking Fund.

D. As the City receives advances of the remaining monies derived from the sale of the Series 2007 A Bonds, such monies shall be deposited with the Depository Bank in the Series 2007 A Bonds Construction Trust Fund and applied solely to payment of the costs of the Project and, until so expended, are hereby pledged as additional security for the Series 2007 A Bonds. All covenants and requirements of the Series 2007 A Bonds Construction Trust Fund shall be as set forth in the Project Fund Agreement, approved by the City.

E. After completion of the construction of the Project, and all costs have been paid, any remaining proceeds of the Series 2007 A Bonds shall be expended as approved by the Purchaser.

Section 3.11. Disbursement of Monies from Series 2007 A Bonds Construction Trust Fund. The City shall provide Purchaser with a requisition for the costs incurred for the Project, together with such documents as the Purchaser shall require.

Section 3.12. Designation of Bonds "Qualified Tax-Exempt Obligations." The City hereby designates the Series 2007 A Bonds as "qualified tax-exempt obligations" for the purpose of Section 265(b)(3)(B) of the Code and covenants that the Bond does not constitute private activity bonds as defined in Section 141 of the Code, and that not more than \$10,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income tax purposes (excluding, however, obligations issued to currently refund any obligation of the City to the extent the amount of the permanent financing obligation does not exceed the amount of the refunded obligation and private activity bonds, as defined in Section 141 of the Code), including the Series 2007 A Bonds, have been or shall be issued by the City, including all subordinate entities of the City, during calendar year 2007.

Section 3.13. Small Issuer Exemption from Rebate of Excess Investment Earnings to the United States. In accordance with Section 148(f)(4)(D) of the Code, the City covenants that it is a governmental unit with general taxing powers; that no part of the Series 2007 A Bonds are private activity bonds; that 95% or more of the Gross Proceeds of the Series 2007 A Bonds are to be used for local governmental activities of the City (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the City); and that the aggregate face amount of all the tax-exempt obligations (other than private activity bonds) issued by the City during the calendar year in which the Series 2007 A Bonds are issued does not and will not exceed \$5,000,000, determined in accordance with Section 148(f)(4)(D) of the Code and the Regulations from time to time in effect and applicable to the Series 2007 A Bonds. For purposes of applying Section 148(f)(4)(D) of the Code, the City and all entities which issue obligations on behalf of the City shall be treated as one city; all obligations issued by a governmental unit to make loans to other governmental units with general taxing powers not subordinate to such unit shall, for purposes of Section 148(f)(4)(D) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of such Section 148(f)(4)(D) of the Code and all other entities benefitting thereby shall be treated as one City.

Notwithstanding the foregoing, if in fact the City is subject to the rebate requirements of Section 148(f) of the Code, and not exempted from such requirements, the City covenants to make, or cause to be made, all rebate calculations, computations and payments in the time, manner and as required in Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Series 1994 Bonds and otherwise

covenants and agrees to comply with the provisions of such Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Series 2007 A Bonds. In the event of a failure to pay any such amount or amounts, the City will pay, from any lawful sources available therefor, to the United States amounts required by the United States. In order to provide for the administration of this paragraph, the City may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the City may deem appropriate.

- (1) Revenue Fund (continued by the Prior Ordinance);
- (2) Operation and Maintenance Fund (continued by the Prior Ordinance);
- (3) Depreciation Fund (continued by the Prior Ordinance);
- (4) Series 2007 A Bonds Costs of Issuance Account; and

- (1) Series 2007 A Bonds Sinking Fund and within the Sinking Fund, the Redemption Account; and
- (2) Series 2007 A Bonds Reserve Account.

Section 4.03. System Revenues; Flow of Funds. So long as any of the Series 2007 A Bonds shall be Outstanding and unpaid, the City covenants as follows:

A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt by the City in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Ordinance and shall be kept separate and distinct from all other funds of the City and the Depository Bank and used only for the purposes and in the manner herein provided.

- (1) The City shall first, each month, transfer from the Revenue Fund and pay (i) to the Commission, the amount

required by the Prior Ordinance to be deposited into the Prior Bonds Sinking Fund to pay the interest on the Prior Bonds; and (ii) to the Commission, the amount required to be deposited into the Series 2007 A Bonds Sinking Fund to pay interest on the Series 2007 A Bonds.

(2) The City shall next, each month, transfer from the Revenue Fund and pay (i) to the Commission the amount required by the Prior Ordinance to be deposited into the Prior Bonds Sinking Fund to pay the principal on the Prior Bonds; and (ii) to the Commission, the amount required to be deposited into the Series 2007 A Bonds Sinking Fund to pay principal on the Series 2007 A Bonds.

(3) The City shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Commission for deposit in the (i) Prior Bonds Reserve Account the amount required by the Prior Ordinance and (ii) Series 2007 A Bonds Reserve Account, commencing on June 1, 2007, an amount equal to 1/120th of the Series 2007 A Bonds Reserve Account Requirement; provided that, no further payments shall be made into the Series 2007 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2007 A Bonds Reserve Account Requirement; provided further, that if the amounts in the Series 2007 A Bonds Reserve Account, as a result of a decrease in value of the Series 2007 A Bonds Reserve Account below the Series 2007 A Reserve Account Requirement or any withdrawal from the Series 2007 A Bonds Reserve Account, the City shall apply such monies for deposit into the Series 2007 A Bonds Reserve Act, beginning with the first full calendar month following the date on which (i) the valuation of investments in the Series 2007 A Bonds Reserve Account results in a determination that the amount of monies and the value of the Qualified Investments deposited to the credit of the Series 2007 A Bonds Reserve Account is less than the Series 2007 A Reserve Account Requirement.

(4) The City shall next, each month, transfer from the Revenue Fund to the Operation and Maintenance Fund the amount necessary to pay the current Operating Expenses.

(5) The City shall next, from the monies remaining in the Revenue Fund (as previously set forth in the Prior Ordinance

and not in addition thereto), on the first day of each month, transfer to the Depreciation Fund a sum equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Depreciation Fund shall be kept apart from all other funds of the City or of the Depository Bank and shall be invested and reinvested in Qualified Investments. Withdrawals and disbursements may be made from the Depreciation Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in any reserve account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required) shall be promptly eliminated with monies from the Depreciation Fund.

B. The Depository Bank and the Commission, as applicable, are hereby designated as the Fiscal Agents for the administration of the Series 2007 A Bonds Reserve Account and the Depreciation Fund, and all amounts required for the Series 2007 A Bonds Reserve Account and Depreciation Fund will be deposited therein by the City upon transfers of funds from the Revenue Fund at the times provided herein, as applicable, together with written advice stating the amount remitted for deposit into each such fund.

All the funds provided for in this Section shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Series 2007 A Bonds and the interest thereon.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2007 A Bonds and the Prior Bonds, in accordance with the respective principal amounts then Outstanding.

Any withdrawals from the Series 2007 A Bonds Reserve Account which result in a reduction in the balance of the Series 2007 A Bonds Reserve Account to below the Series 2007 A Bonds Reserve Requirement shall be subsequently restored, on a pro rata basis, from the first Gross Revenues available after all required payments have been made with respect to the principal of and interest on the Prior Bonds and the Series 2007 A Bonds. Monies in the Series 2007 A Bonds Reserve Account shall be used only for, and are hereby pledged for, the purpose of paying principal of and interest on the Series 2007 A Bonds as the same shall come due, when other monies of the City are insufficient therefor, and for no other purpose.

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent

payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

The Depository Bank and the Commission, as applicable, at the direction of the City, shall keep the monies in the Depreciation Fund and the Series 2007 A Bonds Reserve Account, as applicable, invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Legislation shall, unless otherwise provided herein or required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia Board of Treasury Investments. Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. Earnings from monies in the Depreciation Fund and the Series 2007 A Bonds Reserve Account, so long as the respective reserve requirement is on deposit and maintained therein, shall be paid annually into the Revenue Fund by the Depository Bank and the Commission, as applicable.

C. CHANGE OF DEPOSITORY BANK. The City may designate another bank or trust company insured by FDIC as Depository Bank if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

D. CHARGES AND FEES. The City shall remit from the Revenue Fund to the Depository Bank and the Commission such additional sums as shall be necessary to pay the charges and fees of the Depository Bank or the Commission then due.

E. INVESTMENT OF EXCESS BALANCES. The monies in excess of the sum insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State of West Virginia.

F. REMITTANCES. All remittances made by the City to the Depository Bank and the Commission shall clearly identify the fund or account into which each amount is to be deposited.

G. GROSS REVENUES. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE V

GENERAL COVENANTS

Section 5.01. General Statement. So long as the Series 2007 A Bonds shall be outstanding and unpaid, or until there shall have been set apart a sum sufficient to prepay the entire principal of the Series 2007 A Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the City and the Bondholder.

Section 5.02. Rates. So long as the Prior Bonds are outstanding, the City will maintain rates as required in the Prior Ordinance. The City will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Series 2007 A Bonds including all bonds Outstanding and sufficient to make the payments required herein into all funds and accounts and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. So long as the Prior Bonds are outstanding, the City shall not sell, mortgage, lease or otherwise dispose of the System or any part thereof, except as provided in the Prior Ordinance. The System will not be sold without the prior written consent of the Purchaser so long as the Series 2007 A Bonds are outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds. So long as the Prior Bonds are outstanding, no additional Parity Bonds or obligations payable out of any of the Revenues of the System shall be issued, except as set forth in the Prior Ordinance.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2007 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of extensions, improvements or betterments to the System or permanent financing the Prior Bonds or the Bonds issued pursuant hereto or subsequent Parity Bonds, or any combination of such purposes.

No Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments

hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the City, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in the certificate of the Independent Certified Public Accountants.

The Net Revenues actually derived from the System during the 12-consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, on account of increased rates, rentals, fees and charges for the System adopted by the City, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holder of the Series 2007 A Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond. The City shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the Revenues of the System is subject to the prior and superior liens of the Bonds on such Revenues. The City shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which

rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2007 A Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the City shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

The City shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by ordinance a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Purchaser within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by the Consulting Engineers, which finding and recommendation shall state in detail the purpose

of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the City shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of the Consulting Engineers that such increased expenditures are necessary for the continued operation of the System. The City shall mail copies of such annual budget and all ordinances authorizing increased expenditures for operation and maintenance to the Purchaser and to any Holder of any Bonds who shall file his or her address with the City and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the City as the Governing Body shall direct.

The City shall file with the Consulting Engineers and the Purchaser, or any other original purchaser of the Series 2007 A Bonds, and shall mail in each year to any Holder or Holders of Series 2007 A Bonds requesting the same, an annual report containing the following:

C. All delinquent fees, rates and charges for services or facilities of the System shall be liens on the premises served of equal degree, rank and priority with the lien on such premises of state, county, school and municipal taxes, as provided in the Act. The City shall have all remedies and powers provided under the Act and other applicable provisions of law with regard to the collection and enforcement of such fees, rates and charges.

TAX COVENANTS

Section 7.01. Tax Covenants. The City hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The City shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2007 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2007 A Bonds during the term thereof is, under the terms of the Series 2007 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the City, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2007 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2007 A Bonds during the term thereof is, under the terms of the Series 2007 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the City, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2007 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the project, or if the Series 2007 A Bonds is for the purpose of financing more than one project, a portion of the project, and shall not exceed the proceeds used for the governmental use of that portion of the project to which such Private Business Use is related. All of the foregoing shall be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The City shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2007 A Bonds or \$5,000,000 are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The City shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2007 A Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The City will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2007 A Bonds

and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The City will take all actions that may be required of it so that the interest on the Series 2007 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions, or fail to take any actions which would adversely affect such exclusion.

Section 7.02. Arbitrage and Tax Exemption. The City covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2007 A Bonds which would cause the Series 2007 A Bonds to be an "arbitrage bond" within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return with respect to the Series 2007 A Bonds) so that the interest on the Series 2007 A Bonds will be and remain excluded from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 7.03. Tax Certificate and Rebate. The City shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2007 A Bonds. In addition, the City covenants to comply with all Regulations from time to time in effect and applicable to the Series 2007 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

The City shall calculate, annually, if not exempt therefrom, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. The City shall pay, or cause to be paid, to the United States, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. The City shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be in time to time in effect with such reports and statements as may be prescribed by such Regulations. The City and the Depository Bank (at the expense of the City) may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the City or the Depository Bank may deem appropriate in order to assure compliance with this Section 7.03. The City shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 7.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations.

ARTICLE VIII

DEFAULTS AND REMEDIES

Section 8.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2007 A Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on the Series 2007 A Bonds or the Prior Bonds;

(B) If default occurs in City of Hurricane's observance of any of the covenants, agreements or conditions on its part in this Ordinance or any Supplemental Resolution or in the Series 2007 A Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to City of Hurricane by any Bondholder;

(C) If the City files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If default occurs with respect to the Prior Bonds or the Prior Ordinance.

The City must cure any covenant default within 30 days after notice of the default, and failure to pay principal of or interest on the Bonds shall be an immediate Event of Default.

Section 8.02. Remedies. Upon the happening and continuance of any Event of Default, any Holder of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of the Holders of the Bonds including the right to require the City to perform its duties under the Act and the Legislation relating thereto, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the City to account as if it were the trustee of an express trust for the Holders of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Legislation with respect to the Bonds, or the rights of the Holders of the Bonds; provided that, all rights and remedies of the Holders of the Series 2007 A Bonds shall be on a parity with those of the Holders of the Prior Bonds.

No remedy by the terms of this Ordinance conferred upon or reserved to the Holders of the Bonds is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Holders of the Bonds hereunder or now or hereafter existing at law or by statute.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Holders of the Notes or Bonds shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

ARTICLE IX

DEFEASANCE; DISCHARGE OF PLEDGE OF ORDINANCE

Section 9.01. Defeasance; Discharge of Pledge of Ordinance. If the City shall pay or cause to be paid, or there shall otherwise be paid, to the respective Holders of all Series 2007 A Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, then this Ordinance and the pledges of the Net Revenues and other monies and securities pledged hereunder, and all covenants, agreements and other obligations of the City on behalf of the Holders of the Series 2007 A Bonds made hereunder, shall thereupon cease, terminate and become void and be discharged and satisfied, except as may be necessary to assure the exclusion of interest on the Series 2007 A Bonds from gross income for federal income tax purposes.

The Series 2007 A Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Commission at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on the Series 2007 A Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. Neither securities nor monies deposited with an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Series 2007 A Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on the Series 2007 A Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the City as received by said escrow trustee, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations, as such term is limited by the provisions in Section 1.01 hereof or such additional securities as shall be set forth in the Supplemental Resolution.

Section 8. The Issuer hereby appoints and designates Branch Banking and Trust Company, as the Registrar and the Depository Bank.

Section 9. The Issuer hereby designates the Bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended (the "Code"), and covenants that the Bonds do not constitute private activity bonds as defined in Section 141 of the Code, and that not more than \$10,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income tax purposes (excluding, however, private activity bonds, as defined in Section 141 of the Code, other than qualified 501(c)(3) bonds as defined in Section 145 of the Code), including the Bonds, have been or are reasonably anticipated to be issued by the Issuer, including all subordinate entities of the Issuer, during the calendar year 2007.

Section 10. The Issuer qualifies for the small governmental issuer exception to rebate as the Issuer is a governmental unit and has general taxing powers; no Bonds are private activity bonds; 95% or more of the net proceeds of the Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer); and the aggregate face amount of all tax-exempt bonds or obligations (other than private activity bonds) issued by the Issuer during the calendar year 2007, the calendar year in which the Bonds are issued, is not reasonably expected to exceed \$5,000,000, determined in accordance with Section 148(f)(4)(D) of the Code.

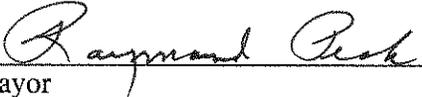

Section 11. The issuance of the Bonds, the permanent financing of the Series 2005 A Bonds and the Interim Financing, and the acquisition, construction and equipping of the Project with proceeds of the Bonds are in the public interest, serve a public purpose of the Issuer and will promote the health, welfare and safety of the residents of the Issuer.

Section 12. Under Section 1.03 of the Bond Ordinance, the definition of the “Series 2007 A Bonds Reserve Account Requirement” shall mean, as of any date of calculation, the maximum amount of principal and interest which will become due on the Series 2007 A Bonds in the then current or any succeeding year. The Commitment Letter does not require the Issuer to maintain a reserve account, however, in order to issue the Series 2007 A Bonds on a parity with the Prior Bonds, a reserve account is required.

Section 13. The Issuer hereby approves payments from the proceeds of the Series 2007 A Bonds as follows: (i) the entire outstanding amount of the principal of Series 2005 A Bonds and any accrued interest due as of May 31, 2007 in the amount of \$882,370, the entire amount of the Interim Financing and all accrued interest due as of May 31, 2007, in the amount of \$623,981; (ii) project costs in the amount of \$355,389 and (iii) costs of issuance of the Bonds in the amount of \$18,260, which includes the bank fee.

Section 14. This Supplemental Resolution shall be effective immediately following adoption hereof.

Adopted this 29th day of May, 2007.

PROJECT FUND AGREEMENT

PROJECT FUND AGREEMENT

THIS PROJECT FUND AGREEMENT is dated as of May 31, 2007, and is by and between the **CITY OF HURRICANE, WEST VIRGINIA**, a public body of the State of West Virginia (the "City"), and **BRANCH BANKING AND TRUST COMPANY ("BB&T")**.

RECITALS

The City is, simultaneously with the execution and delivery of this Project Fund Agreement, executing and delivering a Bond Ordinance dated of the Issuer duly enacted on May 7, 2007 as supplemented by a Supplemental and Amendatory Resolution duly adopted on May 29, 2007 (collectively, the "Ordinance"). The purpose of the Ordinance is to provide for the issuance of the City's Water Refunding Revenue Bonds, Series 2007 A (the "Bonds") pursuant to which BB&T has advanced \$1,880,000 to the City to (i) permanently finance the Water Revenue Bonds, Series 2005 A, dated August 24, 2005, issued in the original aggregate principal amount of \$995,000.00 and the Interim Financing (as defined and described in the Ordinance); (ii) pay the costs of acquisition, construction and equipping of the Project (as defined and described in the Ordinance) (the "Project"), and (iii) pay the costs of issuance of the Bonds and related costs. In partial consideration for BB&T's entering into the Ordinance, the City has agreed to provide for financing proceeds to be deposited and disbursed pursuant to this Project Fund Agreement.

NOW, THEREFORE, the parties agree as follows:

SECTION 1. DEFINITIONS

In this Project Fund Agreement, the term "*Project Costs*" means all costs of the acquiring, constructing and equipping of the Project as determined in accordance with generally accepted accounting principles and that will not adversely affect the exclusion from gross income for federal income tax purposes of the designated interest component of Installment Payments payable by the City under the Ordinance, including (a) sums required to reimburse the City or its agents for advances made for any such costs, (b) interest during the installation process and for up to six months thereafter, and (c) all costs related to the financing of the Equipment through the Ordinance and all related transactions.

In addition, any capitalized terms used in this Project Fund Agreement and not otherwise defined shall have the meanings assigned thereto in the Ordinance.

SECTION 2. PROJECT FUND.

2.1. Project Fund. On the Closing Date, BB&T will deposit \$1,880,000.00 into a special account of the City at Branch Banking and Trust Company to be designated "Series 2007 A Bonds Construction Trust Fund" (the "Project Fund"). This account shall be held separate and apart from

CH891358.1

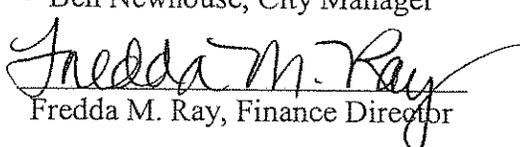

2(B)

all other funds of the City. The Project Fund is the City's property, but the City will withdraw amounts on deposit in the Project Fund only as provided in this Agreement and only for application from time to time to the payment of Project Costs. Pending such application, such amounts shall be subject to a lien and charge in favor of BB&T to secure the City's obligations under the Bonds and the Ordinance.

2.2. Requisitions from Project Fund. The City may withdraw funds from the Project Fund only after authorization from BB&T. BB&T will disburse funds from the Project Fund only to the City and only upon its receipt of one or more written requisitions signed by one of the below listed designated City Representatives substantially in the form of Exhibit A.

Ben Newhouse, City Manager

Fredda M. Ray, Finance Director

The City may designate additional Representatives to sign requisitions upon written notification to BB&T.

Upon receipt of a requisition from the City, BB&T will promptly undertake such review of the matters referred to in such requisition as it shall deem appropriate, and will then promptly notify the City of its approval of the requisition or the reasons for its disapproval.

2.3. Disposition of Project Fund Balance.

(a) *Upon completion* -- Promptly after the acquisition, construction and equipping of the Project has been completed, the City shall deliver to BB&T a certificate to such effect signed by a City Representative.

(b) *Upon default* -- Upon the occurrence of an Event of Default, BB&T may withdraw any balance remaining in the Project Fund and apply such balance against outstanding payments due with respect to the Bonds or the Ordinance.

(c) *After delay or inactivity* -- If (i) more than two years have elapsed from the Closing Date or (ii) at least six months has passed from BB&T's most recent receipt of a requisition for Project Costs, then BB&T, upon 30 days' notice from BB&T to the City, may withdraw any balance remaining in the Project Fund and apply such balance against outstanding payments due with respect to the Bonds or the Ordinance.

(d) *Application of Project Fund balance* -- BB&T will apply any amounts paid to it pursuant to this section (i) first to interest accrued and unpaid to the prepayment date, (ii) then to the prepayment, in inverse order of maturity and without premium, of the outstanding principal payments due on the Bonds, and (iii) then to any other payments due under the Ordinance. Such prepayment, however, will not affect any other City payment obligation under the Ordinance.

BB&T will notify the City of any withdrawal from the Project Fund made under this Section 2.3, and in the notice will describe its application of the funds withdrawn.

2.4. Investment. (a) The City and BB&T agree that money in the Project Fund will be continuously invested and reinvested in a public funds money rate savings account.

(b) From and after the date that is three years from the Closing Date, the City will not purchase or hold any investment which has a "yield," as determined under the Code, in excess of the "yield" on the City's obligations under the Bonds, unless the City has supplied BB&T with a Bond Counsel Opinion to the effect that such investment will not adversely affect the exclusion from gross income for federal income tax purposes to which the interest components of Installment Payments would otherwise be entitled.

(c) Investment obligations acquired with money in the Project Fund shall be deemed at all times to be part of the Project Fund. The interest accruing thereon and any profit or loss realized upon the disposition or maturity of any such investment shall be credited to or charged against the Project Fund.

(d) All earnings on moneys in the Project Fund must be used for Project Costs.

SECTION 3. MISCELLANEOUS.

3.1. Notices. Any notice or other communication required or contemplated by this Project Fund Agreement shall be deemed to be delivered if in writing, addressed as provided below and if (a) actually received by such addressee, or (b) in the case of mailing, when indicated to have been delivered by a signed receipt returned by the United States Postal Service after deposit in the United States mails, postage and registry fees prepaid, and clearly directed to be transmitted as registered or certified mail:

(i) If intended for the City, addressed to it at the following address: City of Hurricane, West Virginia, Attention: Finance Director, 3255 Teays Valley Road, Hurricane, West Virginia 25526.

(ii) If intended for BB&T, addressed to it at the following address: BB&T Governmental Finance, Attention: Account Administration/Municipal – Project Fund Agreement Notice, 5130 Parkway Plaza Boulevard, Building 9, Charlotte, North Carolina 28217.

Any party may designate a different or alternate address for notices by notice given under this Project Fund Agreement.

3.2. Survival of Covenants and Representations. All covenants, representations and warranties made by the City in this Project Fund Agreement and in any certificates delivered pursuant to this Project Fund Agreement shall survive the delivery of this Project Fund Agreement.

3.3. **Choice of Law.** The parties intend that West Virginia law shall govern this Project Fund Agreement.

3.4. **Amendments.** This Project Fund Agreement may not be modified or amended unless such amendment is in writing and signed by BB&T and the City.

3.5. **No Third-Party Beneficiaries.** There are no parties intended to be or which shall be deemed to be third-party beneficiaries of this Project Fund Agreement.

3.6. **Successors and Assigns.** All of the covenants and conditions of this Project Fund Agreement shall be binding upon and inure to the benefit of the parties to this Project Fund Agreement and their respective successors and assigns.

3.7. **Severability.** If any court of competent jurisdiction shall hold any provision of this Project Fund Agreement invalid or unenforceable, such holding shall not invalidate or render unenforceable any other provision of this.

3.8. **Counterparts.** This Project Fund Agreement may be executed in any number of counterparts, including separate counterparts, each executed counterpart constituting an original but all together only one agreement.

3.9. **Termination.** Except as otherwise provided in this Project Fund Agreement, this Project Fund Agreement shall cease and terminate upon payment of all funds (including investment proceeds) from the Project Fund.

IN WITNESS WHEREOF, each of the parties has caused this Project Fund Agreement to be signed and delivered by a duly authorized officer, all as of the date first above written.

A. Interest on this Bond shall be payable at the rate of 4.26% per annum (hereinafter sometimes called the "Tax-Exempt Rate").

B. Notwithstanding any other provision herein, in the event the interest on this Bond is declared to be includible in gross income for federal income tax purposes by the Internal Revenue Service ("Determination of Taxability"), interest on this Bond shall be payable at the rate of 2% above the prime rate published in the money rates column of The Wall Street Journal, as the same may change from time to time from the date of such determination of taxability (hereinafter sometimes called the "Taxable Rate"). Interest at the Taxable Rate shall commence to accrue on the date of Determination of Taxability and such interest rate shall be charged retroactively and prospectively for all periods in which interest paid on this Bond is asserted, declared or determined to be includible in gross income for federal income tax purposes, and shall continue until the entire principal of and interest on this Bond are paid, notwithstanding that the entire principal amount of this Bond may have been paid in full prior to the Determination of Taxability. Any interest being past due on this Bond by reason of such increase shall become immediately due and payable.

The principal of and interest on this Bond are payable in any coin or currency which on the date of payment thereof is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia, as Paying Agent.

The loan evidenced by this Bond shall be advanced to the City as requested by the City and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

This Bond is subject to prepayment of the principal balance in whole on a scheduled payment date with a 1% prepayment premium.

This Bond is issued (i) to permanently finance the City of Hurricane's Water Revenue Bonds, Series 2005 A and the Interim Financing (as defined in the Bond Legislation);(ii) to pay costs of acquisition, construction and equipping of Project; and (iii) to pay the costs of issuance hereof and related costs. Such Gross Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. Under the Act, this Bond and the interest hereon are exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

The Issuer has hereby designated this bond as a "qualified tax-exempt obligation" within the meaning of Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the Bonds, together with all other obligations of the City, do not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia.

All provisions of the Legislation and the statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

This Bond shall not be valid or obligatory unless authenticated and registered by the Registrar by the execution of the Registrar's Certificate of Authentication and Registration attached hereto and incorporated herein.

City of Hurricane
Water Refunding Revenue Bonds, Series 2007 A

City of Hurricane
Hurricane, West Virginia

West Virginia Water Development Authority
Charleston, West Virginia

Branch Banking and Trust Company
Charleston, West Virginia

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by the City of Hurricane (the "Issuer") of its \$1,880,000 Water Refunding Revenue Bonds, Series 2007 A (the "Bonds"), dated the date hereof.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 19 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and a Bond Ordinance duly enacted by the Issuer on May 7, 2007, as supplemented by a Supplemental and Amendatory Resolution duly adopted by the Issuer on May 29, 2007 (collectively, the "Ordinance"), and are subject to all the terms and conditions of the Ordinance. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Ordinance when used herein.

The Bonds are originally issued in the form of one bond, numbered AR-1, in fully registered form and bear interest on advances of the principal amount thereof from the date of each such advance at the rate of 4.26% per annum, subject to a higher rate in the event of a "Determination of Taxability" (as defined in the Bonds), payable at maturity or earlier prepayment thereof.

The Bonds are subject to prepayment of the principal balance, in whole on any scheduled payment date, at a 1% prepayment premium.

The Bonds are issued for the purposes of (i) permanently financing the Water Revenue Bonds, Series 2005 A, dated August 24, 2005, issued in the original aggregate principal amount of \$995,000 and the Interim Financing (as defined and described in the Ordinance); (ii) paying costs of acquisition, construction and equipping of the Project and (iii) paying the costs of issuance of the Bonds and related costs.

The Bonds have been sold to Branch Banking and Trust Company, Charlotte, North Carolina (the "Purchaser"), pursuant to a commitment letter dated February 22, 2007, as amended on March 1, 2007, and April 3, 2007.

We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion. As to questions of fact material to our opinion, we have relied upon representations of the Issuer contained in the Ordinance and in the certified proceedings and other certifications of certain public officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, and assuming compliance with the covenants of the Issuer pertaining to tax matters set forth in the Ordinance and in certain certificates delivered in connection with the issuance of the Bonds, we are of the opinion, under existing law, that:

1. The Issuer is a duly created and validly existing municipal corporation under and pursuant to the laws of the State of West Virginia, with full power and authority to enact the Ordinance and to issue and sell the Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Ordinance has been duly adopted and enacted by the Issuer, is in full force and effect as of the date hereof and constitutes a valid and binding obligation of the Issuer enforceable in accordance with its terms.

3. The Series 2007 A Bonds have been duly authorized, issued, executed and delivered by the Issuer and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Gross Revenues of the System referred to in the Ordinance and secured by a first lien on and pledge of the Gross Revenues of the System, on a parity with the Issuer's Prior Bonds, all as more fully defined and described in the Ordinance, and a statutory mortgage lien upon the System, including without limitation the personal property financed in whole or in part with the proceeds of the Bonds.

4. Under existing laws, regulations, rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Bonds (a) is excludable from gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended and the regulations promulgated thereunder (the "Code") and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations under the Code. It should be noted, however, that interest on the Bonds is included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum tax that may be imposed with respect to corporations. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Code that must be satisfied subsequent to issuance of the Bonds for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Bonds set forth in the Ordinance, and in certain certificates delivered in connection with the issuance of the Bonds. Failure to comply with certain of such Code provisions or such certifications, covenants and representations could cause the interest on the Bonds to be includable in gross income retroactive to the date of issuance of the Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Bonds except as expressly set forth in paragraphs 6 and 7.

5. Under the Act, the Bonds are exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof and the interest on the Bonds is exempt from personal and corporate income taxes imposed directly thereon by the State of West Virginia.

6. The Issuer has designated the Bonds as "qualified tax-exempt obligations" for purposes of the Code, and has covenanted that it does not reasonably expect to issue more than \$10,000,000 of tax-exempt obligations (other than private activity bonds and obligations issued to permanently finance any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the outstanding amount of the refunded obligations) during the calendar year 2007. Therefore, the Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3)(B) of the Code.

7. The Issuer is a governmental unit and has general taxing powers; no Bonds are private activity bonds; 95% or more of the net proceeds of the Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer); and the aggregate face amount of all tax-exempt bonds or obligations (other than private activity bonds) issued by the Issuer during the calendar year 2007, the calendar year in which the Bonds are issued, is not reasonably expected to exceed \$5,000,000, determined in accordance with Section 148(f)(4)(D) of the Code. For purposes of this paragraph and for purposes of applying such Section 148(f)(4)(D) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a governmental unit to make loans to other governmental units with general taxing powers not subordinate to such unit shall, for purposes of applying this paragraph and Section 148(f)(4)(D) of the Code, be treated as not issued by such unit; all obligations issued by a subordinate entity shall, for purposes of applying this paragraph and Section 148(f)(4)(D) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of such Section 148(f)(4)(D) of the Code and all other entities benefitting thereby shall be treated as one issuer. Therefore, the Issuer qualifies for the small governmental issuer exception to rebate.

8. The Issuer's Water Revenue Bonds, Series 2005 A (the "Series 2005 A Bonds"), dated August 24, 2005, issued in the original aggregate principal amount of \$995,000 have been paid within the meaning and with the effect expressed in the 2005 Bond Ordinance, and the covenants, agreements and other obligations of the Issuer to the holders and owners of the Series 2005 A Bonds have been satisfied and discharged. In rendering the opinion set forth in this paragraph, we have relied upon the receipt of JPMorgan Chase Bank, N.A. relating to the sufficiency of the monies on deposit in the Series 2005 A Bonds Payment Fund to provide for the payment of the principal of and interest on the Series 2005 A Bonds and the redemption premium, if any, as determined by the Registered Owner of the Series 2005 A Bonds.

9. The Issuer's Interim Financing (as defined and described in the Ordinance) has been paid in full. In rendering this opinion set forth in this paragraph, we have relied upon the receipts from United Bank, Inc., Putnam County Bank, Scott Gordon, and Eric Gordon.

It is to be understood that the rights of the holders of the Bonds and the enforceability of liens, pledges, rights or remedies with respect to the Bonds and the Ordinance may be subject to and limited by any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally, and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond No. AR-1 of said issue, and in our opinion, said Bond is in proper form and has been duly executed and authenticated.

Very truly yours,

Steptoe & Johnson PLLC

Ladies and Gentlemen:

I am counsel to the City of Hurricane, in Putnam County, West Virginia (the "Issuer"), in connection with the issuance and sale of the above-captioned bonds (the "Bonds"). As such counsel, I have reviewed copies of the approving opinion of Steptoe & Johnson PLLC, as bond counsel, the commitment letter dated February 22, 2007, as revised on March 1, 2007 and April 3, 2007, from Branch Banking and Trust Company, Charlotte, North Carolina (the "Purchaser"), the Bond Ordinance of the Issuer duly enacted May 7, 2007, as supplemented by the Supplemental Resolution of the Issuer duly adopted May 29, 2007 (collectively, the "Ordinance"), and other documents relating to the Bonds. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in Ordinance when used herein.

I am of the opinion that:

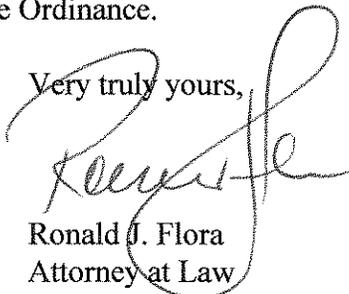

1. The issuer has been duly created and is validly existing as a municipal corporation and political subdivision of the State of West Virginia.
2. The Mayor, City Manager, Recorder, and members of the Council of the Issuer have been duly, lawfully and properly elected or appointed, as applicable, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.
3. The Ordinance has been duly adopted and enacted by the Issuer, is in full force and effect as of the date hereof and constitutes a valid and binding obligation of the Issuer enforceable in accordance with its terms.

4. The execution and delivery of the Bonds and the consummation of the transactions contemplated by the Bonds and the Ordinance, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or any existing law, regulation, court order or consent decree to which the Issuer is subject.

5. It is to be understood that the rights of the holders of the Bonds and the enforceability of liens, pledges, rights or remedies with respect to the Bonds and the Ordinance are subject to any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally, and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

6. To the best of my knowledge, there is no action, suit, litigation, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Bonds and the Ordinance, the operation of the System, the validity of the Bonds or pledge of the funds set forth in the Ordinance.

Very truly yours,

I am one of the officers of the Issuer duly charged with the responsibility of issuing the Bonds. I am familiar with the facts, circumstances and estimates herein certified and duly authorized to execute and deliver this certificate on behalf of the Issuer.

2. This certificate may be relied upon as the certificate of the Issuer.

3. The Issuer has not been notified by the Internal Revenue Service of any listing or proposed listing of it as an issuer that may not certify its obligations or the certification of which may not be relied upon by holders of obligations of the Issuer or that there is any disqualification of the Issuer by the Internal Revenue Service because a certification made by the Issuer contains a material misrepresentation.

4. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on May 31, 2007, the date on which the Bonds are to be physically delivered in exchange for more than a de minimus amount of the principal of the Bonds, and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

5. In the Ordinance pursuant to which the Bonds are issued, the Issuer has covenanted to not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Bonds which would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code. The Issuer has, therefore, covenanted to not

intentionally use any portion of the proceeds of the Bonds to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except as otherwise allowed under Section 148 of the Code. The Issuer, in the Ordinance, has further covenanted that it will take all actions that may be required of it so that the interest on the Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

6. The Bonds were sold on May 31, 2007, to Branch Banking and Trust Company, Charlotte, North Carolina (the "Purchaser"), for a purchase price of \$1,880,000, being the par value thereof, there being no interest accrued thereon.

7. The principal of the Bonds in the amount of \$1,880,000 will be paid to the Issuer on the Closing Date, for the purposes of (i) permanently financing the Issuer's Water Revenue Bonds, Series 2005 A, dated August 24, 2005, issued in the aggregate principal amount of \$995,000 (the "Series 2005 A Bonds"), and the Interim Financing (as described and defined in the Ordinance); (ii) paying costs of acquisition cost and equipping the Project, and (iii) paying costs of issuance and related costs thereof. None of such monies will be deposited in a reserve or replacement fund, and all of such monies are necessary for such purpose.

8. All proceeds from the sale of the Bonds, together with any investment earnings thereon, if any, will be expended for payment of such costs by May 31, 2010.

9. Sources and uses of the proceeds of the Bonds are as follows:

SOURCES

Gross Proceeds of the Bonds	<u>\$1,880,000</u>
Total Sources	<u>\$1,880,000</u>

USES

Paying Series 2005 A Bonds	\$ 972,538.37
Paying Interim Financing	\$ 625,445.12
Costs of Project	\$ 263,756.51
Costs of Issuance	\$ 18,260.00
Total Uses	<u>\$1,880,000.00</u>

The costs of permanently financing the Series 2005 A Bonds and Interim Financing, paying costs of the Project and paying the costs of issuance of the Bonds is estimated to be at least equal to the gross proceeds of the Bonds. Except for the proceeds of the Bonds, no other funds of the Issuer will be available to meet such costs, which would constitute "replacement proceeds" within the meaning of Treas. Reg. § 1.148-1(c), inasmuch as (i) the Issuer does not reasonably expect that the term of the Bonds is longer than is reasonably necessary for the governmental purposes of the Issuer, (ii) the weighted average maturity of the Bonds does not exceed 120% of the average expected economic life of the betterments and improvements for the System, and (iii) there are no amounts that have a sufficiently direct nexus to the Bonds or to the governmental purpose of the Bonds to conclude that the amounts would have been used for that governmental purpose if the proceeds of the Bonds were not used or to be used for that governmental purpose.

10. Pursuant to Article IV of the Bond Ordinance, the following special funds have been created or continued:

- (1) Revenue Fund (continued by the Prior Ordinance);
- (2) Operation and Maintenance Fund (continued by the Prior Ordinance);
- (3) Depreciation Fund (continued by the Prior Ordinance);
- (4) Series 2007 A Bonds Costs of Issuance Account;
- (5) Series 2007 A Bonds Sinking Fund; and
- (6) Series 2007 A Bonds Reserve Account.

11. Pursuant to Article III of the Bond Ordinance, the proceeds of the Bonds shall be applied as follows:

A. All interest accrued, if any, on the Series 2007 A Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 2007 A Bonds Sinking Fund and applied to payment of interest on the Series 2007 A Bonds at the first interest payment date.

B. An amount of the proceeds of the Series 2007 A Bonds which, together with other monies or securities deposited therein and the earnings thereon, shall be sufficient to accomplish the defeasance of the Series 2005 A Bonds and the Interim Financing (which amount shall be set forth in the Supplemental Resolution) shall be paid to the Holders of the Series 2005 A Bonds and Interim Financing, respectively.

C. An amount of the proceeds of the Series 2007 A Bonds which shall be sufficient to pay all costs of issuance shall be deposited with the Depository Bank in the

Series 2007 A Bonds Costs of Issuance Account and shall be drawn out, used and applied by the City solely to pay costs of issuance of the Series 2007 A Bonds and miscellaneous costs of permanent financing the Series 2005 A Bonds and the Interim Financing at the written direction of the City. All such costs of issuance shall be paid within 60 days of the Closing Date. Monies not to be applied immediately to pay such costs of issuance and permanent financing may be invested in accordance with this Ordinance, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 6 months after the Closing Date, such unapplied proceeds shall be transferred by the City to the Series 2007 A Bonds Sinking Fund.

D. As the City receives advances of the remaining monies derived from the sale of the Series 2007 A Bonds, such monies shall be deposited with the Depository Bank in the Series 2007 A Bonds Construction Trust Fund and applied solely to payment of the costs of the Project and, until so expended, are hereby pledged as additional security for the Series 2007 A Bonds. All covenants and requirements of the Series 2007 A Bonds Construction Trust Fund shall be as set forth in the Project Fund Agreement, approved by the City.

E. After completion of the construction of the Project, and all costs have been paid, any remaining proceeds of the Series 2007 A Bonds shall be expended as approved by the Purchaser.

Except for "preliminary expenditures" as defined in Treas. Reg. §1.150-2(f)(2), none of the proceeds of the Bonds will be used to reimburse the Issuer for costs of operating and other expenses of the System previously incurred and paid by the Issuer with its own or other funds.

12. Monies held in the Series 2007 A Bonds Sinking Fund will be used solely to pay the principal of and interest on the Bonds and will not be available to meet costs of operating and other expenses of the System.

13. Except for the Series 2007 A Bonds Sinking Fund and Series 2007 A Bonds Reserve Account, there are no other funds or accounts established or held by the Issuer which are reasonably expected to be used to pay the principal and interest on the Bonds, or which are pledged as collateral for the Bonds and for which there is a reasonable assurance that amounts therein will be available to pay debt service on the Bonds if the Issuer encounters financial difficulties. None of the monies received from the Bonds will be deposited in any reserve or replacement fund.

14. Except for a reasonable temporary period until such proceeds are needed for the purpose for which such Bonds were issued or as otherwise allowed, no portion of the proceeds of the Bonds will be used, directly or indirectly, to acquire higher yielding

investments, or to replace funds which were used, directly or indirectly, to acquire higher yielding investments, all within the meaning of Section 148 of the Code.

15. The Issuer will comply with the provisions of the Code, for which the effective date precedes the date of delivery of its Bonds to the Purchaser.

16. There are no funds or accounts established or held by the Issuer which are reasonably expected to be used to pay debt service on the Bonds, or which are pledged as collateral for the Bonds and for which there is a reasonable assurance that amounts therein will be available to pay debt service on the Bonds if the Issuer encounters financial difficulties. The Issuer does not expect that moneys in the Depreciation Fund will be used or needed for payments upon the Bonds. Except as provided herein, no funds which have been or will be used to acquire directly or indirectly securities, obligations, annuity contracts, investment-type property or any residential rental property for family units which is not located within the jurisdiction of the Issuer and which is not acquired to implement a court ordered or approved housing desegregation plan producing a yield in excess of the yield on the Bonds have been or will be pledged to payment of the Bonds. None of the moneys received from the Bonds will be deposited in any reserve or replacement fund. Because amounts in the Depreciation Fund may be expended for other purposes, there is no reasonable assurance that any such amounts would be available to meet debt service if the Issuer encounters financial difficulties; thus, such amounts may be invested without yield limitation.

17. All property financed with the proceeds of the Bonds will be held for federal income tax purposes by (or on behalf of) a qualified governmental unit.

18. No more than 10% of the proceeds of the Bonds will be used (directly or indirectly) in any trade or business carried on by, and less than 5% of the proceeds of the Bonds have been or will be used to make or finance loans to, any person who is not a governmental unit.

19. The amount designated as cost of issuance of the Bonds consists only of costs which are directly related to and necessary for the issuance of the Bonds.

20. The original proceeds of the Bonds will not exceed the amount necessary for the purposes of the issue.

21. The Issuer shall use the Bonds proceeds solely for permanently financing the Series 2005 A Bonds and Interim Financing, paying costs of the Project, paying such authorized costs of issuance and the System is and will be operated solely for a public purpose as a local governmental activity of the Issuer.

22. The Issuer shall not permit at any time or times any of the proceeds of the Bonds or any other funds of the Issuer to be used directly or indirectly in a manner which would result in the exclusion of the Bonds from treatment afforded by Section 103(a) of the Code by reason of classification of the Bonds as "private activity bonds" within the meaning of the Code. The Issuer will take all actions and refrain from taking such actions as shall be necessary to comply with the Code in order to ensure the interest on the Bonds is excludable from gross income for federal income tax purposes.

23. The Bonds are not and will not be, in whole or in part, directly or indirectly, federally guaranteed within the meaning of Section 149(b) of the Code.

24. The Issuer is a governmental unit and has general taxing powers; no Bonds are private activity bonds; 95% or more of the net proceeds of the Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer); and the aggregate face amount of all tax-exempt bonds or obligations (other than private activity bonds) issued by the Issuer during the calendar year 2007, the calendar year in which the Bonds are issued, is not reasonably expected to exceed \$5,000,000, determined in accordance with Section 148(f)(4)(D) of the Code. For purposes of this paragraph and for purposes of applying such Section 148(f)(4)(D) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a governmental unit to make loans to other governmental units with general taxing powers not subordinate to such unit shall, for purposes of applying this paragraph and Section 148(f)(4)(D) of the Code, be treated as not issued by such unit; all obligations issued by a subordinate entity shall, for purposes of applying this paragraph and Section 148(f)(4)(D) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of such Section 148(f)(4)(D) of the Code and all other entities benefitting thereby shall be treated as one issuer. Therefore, the Issuer qualifies for the small governmental issuer exception to rebate.

25. The Issuer hereby designates the Series 2007 A Bonds as "qualified tax-exempt obligations" for the purpose of Section 265(b)(3)(B) of the Code and covenants that the Bond does not constitute private activity bonds as defined in Section 141 of the Code, and that not more than \$10,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income tax purposes (excluding, however, obligations issued to currently refund any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the amount of the refunded obligation and private activity bonds, as defined in Section 141 of the Code), including the Series 2007 A Bonds, have been or shall be issued by the Issuer, including all subordinate entities of the Issuer, during calendar year 2007.

26. The Issuer has retained the right to amend or supplement its authorizing documents if such amendment or supplement is necessary to preserve the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

27. The Issuer shall comply with the yield restriction on the proceeds of the Bonds as set forth in the Code.

28. There are no other obligations of the Issuer which (a) are to be issued at substantially the same time as the Bonds, (b) are to be sold pursuant to a common plan of financing together with any of the Bonds and (c) will be paid out of substantially the same source of funds or will have substantially the same claim to be paid out of substantially the same source of funds as any of the Bonds.

29. The transactions contemplated herein do not represent an exploitation of the difference between taxable and tax-exempt interest rates and the execution and delivery of the Bonds is not occurring sooner than otherwise necessary, nor are the Bonds in principal amounts greater than otherwise necessary or to be outstanding longer than otherwise necessary.

30. The Issuer covenants and agrees to comply with the rebate requirements of the Code if not exempted therefrom, and with all other requirements of the Code necessary, proper or desirable to maintain the tax-exempt status of the Bonds.

31. The Issuer shall file Form 8038-G in a timely fashion with the Internal Revenue Service.

32. On the basis of the foregoing, it is not expected that the proceeds of any of the Bonds will be used in a manner that would cause any of the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

33. To the best of my knowledge, information and belief, there are no other facts, estimates and circumstances which would materially change the expectations herein expressed.

34. Steptoe & Johnson PLLC is entitled to rely upon the representations, expectations, covenants, certifications and statements contained herein in rendering its opinions regarding the tax-exempt status of interest on the Bonds.

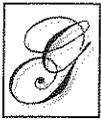

35. To the best of my knowledge, information and belief, the foregoing expectations are reasonable.

WITNESS my signature, dated as of the day and year first written above.

Ladies and Gentlemen:

Based upon the rates and charges as set forth in the water rate ordinance of the City of Hurricane, enacted March 21, 2005, and projected operation and maintenance expenses and anticipated customer usage as furnished to me by the City of Hurricane (the "Issuer"), it is my opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the waterworks system (the "System") of the Issuer, will pay all repair, operation and maintenance expenses of the System and leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Issuer's Water Refunding Revenue Bonds, Series 2007 A (the "Series 2007 A Bonds") and all other obligations secured by a lien on or payable from the revenues of the System on a parity with the Series 2007 A Bonds, including the Issuer's Water Revenue Bonds, Series 1994 (the "Prior Bonds").

It is my further opinion that the Net Revenues actually derived from the System during 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Series 2007 A Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2007 A Bonds, will not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Prior Bonds and the Series 2007 A Bonds.

Very truly yours,

Michael D. Griffith, CPA

Roy Vanater – 2544 Montana Avenue complained to Mayor & Council concerning the Dog Ordinance limiting the number of dogs residents within City limits can have. Also, Mr. Vanater stated that City Manager Ben Newhouse should not be permitted to tell residents to move out of the city, if they don't like something, especially since he does not live within city limits himself. FOR MUNICIPAL BOND COMMISSION USE ONLY:
DOCUMENTS REQUIRED: _____
TRANSFERS REQUIRED: _____

The purpose of the NEW ISSUE REPORT FORM is to provide the WV Municipal Bond Commission with an early warning of three basic facts no later than the day of closing on any issue for which the Commission is to act as fiscal agent. These are:

1. Formal notification that a new issue is outstanding.
2. Date of first action or debt service.
3. Contact people should we lack documents, information, or funds needed to administer the issue by the date of the first action or debt service.

The commission recognizes that as bond transcripts become increasingly long and complex, it has become more difficult to assemble and submit them to the Commission within the 30 days specified by the West Virginia Code 13-3-8. This notice is not intended to provide all the information needed to administer an issue, but to alert the Commission and ensure that no debt service payments are missed due to delays in assembling bond transcripts. If, at the time of closing, documents such as the ordinance and all supplements, debt service schedules, and a specimen bond or photostat are available and submitted with this form, it will greatly aid the Commission in the performance of its duties. These documents are needed to set up the proper accounts and to advise the issuer of monthly deposit requirements as far in advance of the first debt service as possible.

It is not necessary to complete all items if they are not pertinent to your issue. Indicate the County of the issuer. With PSDs that overlap more than one county, indicate the county of their business office. Complete "Rate" only if the issue has only one rate. Please complete a separate form for each series of an issue. Other important information can be recorded under "Notes."

Again, please submit this form on each new issue on the day of closing. If fund transfers into or out of the Commission at closing are required, please submit this form before closing. If no significant facts change by closing, no resubmission at closing is required. If, however, there are changes, please submit an updated form, with changes noted, at closing.

If you should have any questions concerning this form, please call the Commission.

Dear Mr. Peak:

Branch Banking and Trust Company ("BB&T") is pleased to offer this proposal for the financing requested by the City of Hurricane ("City").

- (3) **Interest Rates, Financing Terms and Corresponding Payments:**

<u>Term</u>	<u>Rate</u>

Payments shall be monthly in arrears, as requested. See the attached amortization schedule(s) for information on payments.

The financing proceeds shall be deposited on behalf of the City in a project fund account with Branch Banking & Trust. Earnings on the project fund shall accrue to the benefit of the City for use on Project costs or interest payments.

The interest rates stated above are valid for a closing not later than 45 days after today. Closing of the financing is contingent upon completing documentation acceptable to BB&T and upon the condition of the property being acceptable to BB&T. We shall review your most recent financial statements before funding this transaction.

Remuneration for our legal expenses, preparation of documentation and for providing the project fund services for this financing transaction shall be 1/5 of 1% of amount financed. All applicable taxes, permits, costs of lawyers for the City and any other costs shall be the City's responsibility and separately payable by the City. The financing documents shall allow prepayment of the principal balance in whole on a scheduled payment date with a 1% prepayment premium.

BB&T shall also require the Commission to provide an unqualified counsel opinion. BB&T reserves the right to review the bond, and it must be mutually accepted by BB&T and the City.

* * * * *

BB&T appreciates the opportunity to make this financing proposal and requests to be notified within five days of this proposal should BB&T be the successful proposer.

BB&T shall have the right to cancel this offer by notifying the City of its election to do so (whether or not this offer has previously been accepted by the City if at any time prior to the closing there is a material adverse change in the City's financial condition, if we discover adverse circumstances of which we are currently unaware, if we are unable to agree on acceptable documentation with the City or if there is a change in law (or proposed change in law) that changes the economic effect of this financing to BB&T. We reserve the right to negotiate and/or terminate our interest in this transaction should we be the successful proposer.

City of Hurricane
Water Refunding Revenue Bonds, Series 2007 A

City of Hurricane
Hurricane, West Virginia

Steptoe & Johnson PLLC
Charleston, West Virginia

Ladies and Gentlemen:

The undersigned Russell R. Akers, II, Assistant Vice President of Branch Banking and Trust Company, Charlotte, North Carolina (the "Purchaser"), on behalf of the Purchaser in connection with its purchase of \$1,880,000 aggregate principal amount of the Water Refunding Revenue Bonds, Series 2007 A (the "Bonds"), issued by the City of Hurricane (the "Issuer") on the date hereof, hereby makes the following representations and warranties to you that:

1. We have sufficient knowledge and experience in financial and business matters, including purchase and ownership of tax-exempt obligations, to be able to evaluate the risks and merits of the investment represented by our purchase of the Bonds, and our net worth and available assets are such that we are able to bear the economic risk of our purchase of the Bonds.
2. We understand that the entire principal of and interest on the Bonds are payable by the Issuer solely from and secured by a first lien on and pledge of the Gross Revenues of the System, and a statutory mortgage lien upon the System, including without limitation the personal property financing in whole or in part with the proceeds of the Bonds, on a parity with the Issuer's Prior Bonds, all as more fully defined and described in the Ordinance.
3. We understand that no official statement, prospectus, offering circular or other offering statement containing material information with respect to the Issuer or the Bonds is being issued, that the Bonds are unrated, and that in due diligence, we have made our own inquiry and analysis with respect to the Issuer, the Bonds and the security therefor, and other material factors affecting the security for and payment of the Bonds, and are relying solely on such inquiry and analysis in our purchase of the Bonds.

4. We acknowledge that during the course of the transaction and prior to the sale of the Bonds, we have requested or have had access to information, including financial statements and other financial information, to which a reasonable investor would attach significance in making investment decisions, and we have had the opportunity to ask questions and receive answers from knowledgeable individuals concerning the Issuer, the Bonds and the security therefor, so that as a reasonable investor, we have been able to make our decision to purchase the Bonds. No such information requested by us has been denied to us.

5. Because of our experience in financial and business matters, we feel that we are qualified to make the inquiry and analysis described in paragraph 3 and to understand fully the documents and information described in paragraph 4.

6. We understand that the Internal Revenue Code of 1986, as amended (the "Code"), prescribes satisfaction of several requirements in order that interest on the Bonds be and remain excludable from gross income for federal income tax purposes, some of which apply after issuance of the Bonds, and that noncompliance by the Issuer with certain of such requirements could cause interest on the Bonds to be includable in gross income for federal income tax purposes and thus, subject to federal income taxation retroactively to the date hereof. We also understand that under the Code, interest on obligations, such as the Bonds, which are not "private activity bonds," are not an item of tax preference for purposes of the alternative minimum tax imposed on individuals and corporations by Section 55 of the Code, but that a provision of the Code which is applicable to corporations (as defined for federal income tax purposes), and which would impose an alternative minimum tax on a portion of the excess of adjusted net book income over pre-book alternative minimum taxable income, could subject part of the interest on the Bonds received by corporations to such corporate alternative minimum tax. Additionally, we understand that for tax years beginning after 1986, interest on the Bonds earned by some corporations could be subject to the environmental tax imposed by Section 59A of the Code and enacted by the Superfund Revenue Act of 1986, and that for taxable years beginning after 1986, interest on the Bonds earned by certain foreign corporations doing business in the United States could be subject to the branch profits tax imposed by the Code.

7. We understand that the Bonds (a) are not being registered under the Securities Act of 1933, as amended, and are not being registered or otherwise qualified for sale under the "Blue Sky" laws and regulations of any state, (b) will not be listed on any stock or other securities exchange, (c) will carry no rating from any rating service, and (d) may be resold only to purchasers who meet the criteria set forth herein and who, as a condition to such purchase, deliver an executed letter substantially in the form hereof to Steptoe & Johnson PLLC, Charleston, West Virginia.

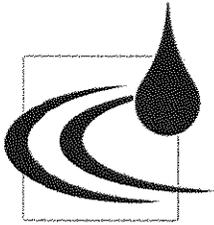

8. We are purchasing the Bonds for investment in our own account and do not intend to divide the Bonds purchased by us nor to resell or otherwise dispose of all or any part of the Bonds purchased by us, except as permitted by law on a basis of full disclosure to any subsequent holder of the Bonds and subject to applicable securities laws and regulations thereunder.

9. We have had the opportunity to consult with and be advised by legal counsel as to the significance of this letter and we have satisfied ourselves that the Bonds are a lawful investment for us under all applicable laws.

Very truly yours,

BRANCH BANKING AND TRUST COMPANY

NOTE MODIFICATION AGREEMENT

WHEREAS, the City of Hurricane (the "Issuer") has heretofore issued its Water Revenue Bonds, Series 2005 A, dated August 24, 2005 (the "Bonds"), pursuant to an Ordinance enacted May 2, 2005, and a Supplemental Resolution adopted August 22, 2005 (collectively, the "Ordinance");

WHEREAS, the Bonds were sold to JPMorgan Chase Bank, N.A., West Virginia (the "Purchaser"), on August 24, 2005;

WHEREAS, the Bonds are payable from the Net Revenues of the System, but were to be taken out by proceeds of additional water revenue bonds, which were expected to be issued prior to February 24, 2007;

WHEREAS, the Bonds were originally scheduled to mature on February 24, 2007, but due to unforeseen circumstances, the Issuer will not be able to issue its water revenue bonds to pay the Bonds on such date; and

WHEREAS, the Issuer and the Purchaser have therefore agreed to extend the maturity date of the Bonds for an additional period, to June 1, 2007, increase the interest rate on the Bonds to 5.71%, with payments starting on April 1, 2007, and continuing on the first day of each month thereafter to maturity, and enter into this Agreement reflecting such modifications;

NOW, THEREFORE, the parties hereto hereby agree as follows:
