Section 1.02. Authority for this Resolution. This Resolution, together with any resolution supplemental hereto or amendatory hereof, is adopted pursuant to the provisions of the Act and other applicable provisions of the law.

Section 1.03. Findings. It is hereby found, determined and declared as follows:

A. The Issuer does not now own or operate a public sewerage system. In order to promote and ensure the health, welfare and safety of the inhabitants of the Issuer, the Issuer proposes to design, acquire and construct a gravity sewer collection system consisting of approximately 35,000 feet of gravity sewer, 165 manholes and cleanouts, 12,000 feet of forcemain and 3 pumping stations to serve the areas of London, Hughes Creek and Hugheston in Kanawha County, together with all appurtenant facilities (the "Project"). The Project and any further additions, betterments and improvements thereto are herein called the "System".

B. In order to design the proposed Project, the Issuer has entered into the Contract with the Consulting Engineers for preconstruction engineering services for a total fee of not to exceed \$238,128.

C. It is deemed necessary for the Issuer to issue its Notes, in an aggregate principal amount of not more than \$119,064, to temporarily finance a portion of the costs of design of the Project and the costs of issuance of the Notes and related costs. The Consulting Engineers are deferring the remaining balance of the cost of design of the Project until such time as monies are received by the Issuer for acquisition and construction of the Project, or, in the event the Project is not acquired or constructed, the Issuer shall not be required to pay the remaining balance due to the Consulting Engineers for design of the Project.

D. It is in the best interests of the Issuer that its Notes be sold to the Authority pursuant to the terms and provisions of the Loan Agreement.

E. There are outstanding obligations of the Issuer which will rank on a parity with the Notes as to pledge and source of and security for payment, being the loan of the West Virginia Water Development Authority to the Issuer, dated September 4, 1975, issued in the original aggregate principal amount of \$1,675.00, currently outstanding in the amount of \$1,691.75 (the "Prior Loan"), held by the Authority. There are no other outstanding bonds or other obligations of the Issuer which will rank senior and prior to or on a parity with the Notes as to liens, pledge and source of and security for payment. The Notes shall be payable only from and secured by a first lien, on a parity with the Prior Loan, on (1) the proceeds of any grants (other than grants from the West Virginia Infrastructure Fund) received by the Issuer for the System; (2) the proceeds of any revenue bonds, refunding bonds or other obligations of the Issuer, issued subsequent to the issuance of the Notes; and (3) Surplus Revenues, if any. The Issuer has no obligations outstanding, other than the Prior Loan, which are payable from any source from which the Notes are payable.

In the event no grants (other than grants from the West Virginia Infrastructure Fund) are received by the Issuer for the System or no revenue bonds, refunding bonds or other obligations of the Issuer are issued by the maturity date of the Notes or no Surplus Revenues are available to amortize the Notes over a 20-year period, the payment of the Notes shall be deferred until the earlier of (i) the date any grants (other than grants from the West Virginia Infrastructure Fund) are received for the System, (ii) the date any revenue bonds, refunding bonds or other obligations of the Issuer are issued, or (iii) 20 years from the date of issuance of the Notes. In the event any grants (other than grants from the West Virginia Infrastructure Fund) are received for the System or any revenue bonds, refunding bonds or other obligations of the Issuer are issued, the Issuer shall pay the entire outstanding principal of and interest, if any, accrued to the maturity date of the Notes, and the Prior Loan, pro rata, from the proceeds thereof. In the event the Issuer receives a grant (other than a grant from the West Virginia Infrastructure Fund) or other non-loan funding assistance for the acquisition and construction of a project to serve the area described in the application to the Council, which grant or other non-loan funding assistance may not be used to pay the Notes, then the Notes and the Prior Loan shall be repaid, pro rata, from the Net Revenues generated from the project constructed from such grant or other non-loan funding assistance (or from bond proceeds secured by such Net Revenues) and such repayment shall be amortized for a period not to exceed 20 years. In the event no grants (other than grants from the West Virginia Infrastructure Fund) are received for the System or no revenue bonds, refunding bonds or other obligations of the Issuer are issued or no project has been acquired or constructed by the Issuer within 20 years from the date of issuance of the Notes, the Council shall authorize the Authority to convert the Notes to a grant and cancel the Notes.

F. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to the authorization of the design of the Project, the Contract and the issuance of the Notes, or will have so complied prior to issuance of the Notes, including the obtaining of approval of the design of the Project, the Contract and the issuance of the Notes from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired.

G. Pursuant to the Act, the Project has been reviewed and determined to be technically and financially feasible by the Council and the Council has authorized the Authority to make a loan to the Issuer from the West Virginia Infrastructure Fund (or will have so authorized prior to issuance of the Notes).

Section 1.04. Notes Legislation Constitutes Contract. In consideration of the acceptance of the Notes by those who shall be Registered Owners of the same from time to time, this Notes Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owners, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the benefit, protection and security of the Registered Owners of the Notes.

ARTICLE II

AUTHORIZATION OF THE DESIGN OF THE PROJECT AND ENTRY INTO THE LOAN AGREEMENT

Section 2.01. Authorization of the Design of the Project. There is hereby authorized and ordered the design of the Project, at an estimated cost of not to exceed \$238,128. The Issuer is hereby authorized and directed to enter into the Contract with the Consulting Engineer.

Section 2.02. Authorization for Issuer to Enter Into Loan Agreement. The Issuer hereby approves the Loan Agreement and the sale of the Notes pursuant to the Loan Agreement. The Issuer is hereby authorized and directed to execute and deliver the Loan Agreement to the Authority.

ARTICLE III

THE NOTES

Section 3.01. Authorization of the Notes. For the purposes of temporarily financing a portion of the costs of design of the Project and paying the costs of issuance of the Notes and related costs, there shall be and hereby are authorized to be issued the Sewerage System Design Notes, Series 1997 (West Virginia Infrastructure Fund), of the Issuer, in an aggregate principal amount of not more than \$119,064.

Section 3.02. Terms of Notes. The Notes shall be issued in fully registered form and shall be initially issued as one Note, numbered R-1, in the principle amount of not to exceed \$119,064. The Notes shall be dated such date, shall bear interest, if any, at such rate or rates, not exceeding the then legally permissible limit on such date or dates; shall be subject to an Administrative Fee, if any, set forth in the Loan Agreement; shall mature on such date or dates and in such amounts; and shall be subject to such repayment or redemption, all as provided in the Supplemental Resolution or the Notes.

The aggregate principal amount of the Notes need not be paid to the Issuer upon delivery of the Notes but may be advanced to the Issuer as requested by the Issuer from time to time; and the Notes shall evidence only the indebtedness recorded on the Record of Advances attached thereto and incorporated therein. Interest, if any, shall accrue on the Notes only on the amount of each advance from the actual date thereof as listed on said Record of Advances.

The Notes shall be payable as to principal and interest, if any, at the principal office of the Paying Agent in any coin or currency which, on the dates of payment, is legal tender for the payment of public and private debts under the laws of the United States of America.

Section 3.03. Execution and Authentication of Notes. The Notes shall be executed in the name of the Issuer by the manual signature of its Chairperson and the seal of the Issuer shall be affixed thereto, and attested by the manual signature of the Secretary of the Issuer. In case any one or more of the officers who shall have signed or sealed any of the Notes shall cease to be such officer of the Issuer before the Notes so signed and sealed shall have been actually sold or delivered, such Notes may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Notes had not ceased to hold such office. Any Notes may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Notes shall hold the proper office of the Issuer, although at the date of such Notes such person may not have held such office or may not have been so authorized.

No Note shall be valid or entitled to any security or benefit under this Resolution unless and until the certificate of authentication and registration on such Note shall have been duly manually executed by the Registrar, and such executed certificate of the Registrar upon any such Note shall be conclusive evidence that such Note has been authenticated, registered and delivered under this Notes Legislation. The certificate of authentication and registration shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the certificate of authentication and registration on all of the Notes issued hereunder.

Section 3.04. Negotiability, Transfer and Registration. Subject to the restrictions on transfer set forth below, the Notes shall be and have all the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder, in accepting any of said Notes, shall be conclusively deemed to have agreed that said Notes shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Notes shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Notes remains Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Notes. The Notes shall be transferrable only upon the books of the Registrar which shall be kept for that purpose at the office of the Registrar by request of the registered owner thereof in person or by his attorney duly authorized in writing, and upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. Upon the transfer of a Note, there shall be issued to the transferee another fully registered Note or Notes of the aggregate principal amount equal to the unpaid amount of the transferred Note.

In all cases in which the privilege of transferring Notes is exercised, Notes shall be delivered in accordance with the provisions of this Resolution. All Notes surrendered in any such transfers shall forthwith be canceled by the Registrar. For every such transfer of Notes, the Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer and the cost of preparing each new Note upon each transfer, and any other expenses of the Registrar incurred in connection therewith, which sum or sums shall be paid by the person requesting such transfer (except for the Authority) as a condition precedent to the exercise of the privilege of making such transfer. The Registrar shall not be obliged to make any such transfer of Notes during the 15 days preceding an interest payment date on the Notes or after notice of nay prepayment of the Notes has been given.

Section 3.05. Notes Mutilated, Destroyed, Stolen or Lost. In case any Note shall become mutilated or be destroyed, stolen or lost, the Issuer, may in its discretion, issue and deliver a new Note in exchange and substitution for such mutilated Note upon surrender and cancellation of such mutilated Notes or in lieu of and substitution for the Note destroyed, stolen or lost and upon the Holder's furnishing the Issuer proof of ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Council may prescribe and paying such expenses as the Issuer may incur. All Notes so surrendered shall be submitted to and canceled by the Registrar and held for the account of the Issuer. If such Note shall have matured or be about to mature, instead of issuing a substitute Note, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Note be lost, stolen or destroyed, without surrender thereof.

Section 3.06. Form of Notes. The text of the Notes shall be in substantially the following form, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted by this Resolution or any Supplemental Resolution adopted prior to the issuance thereof:

Section 3.07. Sale of Notes. The Notes shall be sold to the Authority contemporaneously with, or as soon as practicable and authorized and permitted by applicable law after, adoption of the Supplemental Resolution; provided, that the Authority and the Issuer shall have agreed to the purchase thereof.

Section 3.08. Advances of Principal of Notes. The Issuer shall request the Council for the proceeds of the Notes as needed to pay the costs of design of the Project and the costs of issuance of the Notes and related costs, and such proceeds shall be paid to the Issuer or its designated payee only upon resolution of the Governing Body and only to pay the costs authorized by this Notes Legislation. After payment of all such costs, any remaining Notes proceeds which have been advanced to the Issuer shall be transferred to the Notes Payment Fund and applied to the payment of the Notes.

Section 3.09. Pledge of Security for the Notes. The principal of and interest, if any, on the Notes shall be payable only from and secured by a first lien on (1) the proceeds of any grants (other than grants from the West Virginia Infrastructure Fund) received by the Issuer for the System; (2) the proceeds of any revenue bonds, refunding bonds or other obligations of the Issuer, issued subsequent to the issuance of the Notes; and (3) Surplus Revenues, if any, all of which are hereby pledged for such payment. In the event no grants (other than grants from the West Virginia Infrastructure Fund) are received by the Issuer for the System or no revenue bonds, refunding bonds or other obligations of the Issuer are issued by the maturity date of the Notes or no Surplus Revenues are available to amortize the Notes over a 20-year period, the payment of the Notes shall be deferred until the earlier of (i) the date any grants (other than grants from the West Virginia Infrastructure Fund) are received for the System, (ii) the date any revenue bonds, refunding bonds or other obligations of the Issuer are issued, or (iii) 20 years from the date of issuance of the Notes. In the event any grants (other than grants from the West Virginia Infrastructure Fund) are received for the System or any revenue bonds, refunding bonds or other obligations of the Issuer are issued, the Issuer shall pay the entire outstanding principal of and interest, if any, accrued to the maturity date of the Notes from the proceeds thereof. In the event the Issuer receives a grant (other than a grant from the West Virginia Infrastructure Fund) or other non-loan funding assistance for the acquisition and construction of a project to serve the area described in the application to the Council, which grant or other non-loan funding assistance may not be used to pay the Notes, then the Notes shall be repaid from the Net Revenues generated from the project constructed from such grant or other non-loan funding assistance (or from bond proceeds secured by such Net Revenues) and such repayment shall be amortized for a period not to exceed 20 years. In the event no grants (other than grants from the West Virginia Infrastructure Fund) are received for the System or no revenue bonds, refunding bonds or other obligations of the Issuer are issued or no project has been acquired or constructed by the Issuer within 20 years from the date of issuance of the Notes, the Council shall authorize the Authority to convert the Notes to a grant and cancel the Notes.

Section 3.10. Notes Not to be Indebtedness of Issuer. The Notes shall be special obligations of the Issuer, payable solely from the sources described above. The Holders of the Notes shall never have the right to compel the forfeiture of any property of the Issuer. The Notes shall not be a debt of the Issuer, nor a legal or equitable pledge, charge, lien or encumbrance upon any property of the Issuer or upon any of its income, receipts or revenues except as pledged therefor by this Resolution.

Section 3.11. Refunding of Notes. In the event proceeds of the grants (other than grants from the West Virginia Infrastructure Fund) for the System, proceeds of revenue bonds, refunding bonds or other obligations of the Issuer, issued subsequent to the issuance of the Notes, and/or Surplus Revenues, are not sufficient or available on a timely basis to pay the Notes in full by the maturity date of the Notes, the Issuer covenants and agrees, at the direction of the Authority and the Council, to issue and sell its refunding notes or bonds in an amount sufficient to pay the entire outstanding principal of and interest, if any, accrued on the Notes.

Section 3.12. Prohibition of Other Loans. So long as the Notes are outstanding, no bonds, notes or other evidences of indebtedness shall be issued by the Issuer without the prior written consent of the Authority and the Council; provided however, that the Issuer may issue refunding notes or bonds to pay the entire outstanding principal of and interest, if any, accrued on the Notes in full.

Section 3.13. Covenants with Holders of Notes. In order to secure the payment of the Notes, the Issuer hereby covenants and agrees with the Holders of the Notes, as follows:

Repayment of Loan; Interest on Loan;
Fees and Charges

4.1 The Governmental Agency shall, as one of the conditions of the Authority to make the Loan, authorize the issuance of and issue the Notes pursuant to an official action of the Governmental Agency in accordance with the Local Statute, which shall, as enacted or adopted, contain provisions and covenants in substantially the form as follows, unless the specific provision or covenant is modified or waived by the Council:

(a) The Governmental Agency hereby pledges the following sources of funds as security for the Notes:

(i) Proceeds of any grants (other than Infrastructure Fund grants) received by the Governmental Agency for the System,

(ii) Proceeds of any revenue bonds, refunding bonds or other obligations of the Governmental Agency, issued subsequent to the issuance of the Notes, and

(iii) Surplus Revenues of the System subject to the lien on said Surplus Revenues established for any debt previously issued by the Governmental Agency.

In the event no grants, other than Infrastructure Fund grants, are received for the System or no revenue bonds, refunding bonds or other obligations of the Governmental Agency are issued by the maturity date of the Notes, and if the Surplus Revenues of the System are inadequate to amortize the Notes over a twenty year period, then the payment of the Notes shall be deferred until the earlier of (i) the date a grant(s), other than Infrastructure

Fund grants, are received for the System, (ii) the date revenue bonds, refunding bonds or other obligations of the Governmental Agency are issued, or (iii) twenty years from the date of issuance of the Notes. In the event a grant(s) other than an Infrastructure Fund grant, is received by the Governmental Agency, or revenue bonds, refunding bonds, or other obligations of the Governmental Agency are issued, the Governmental Agency shall pay the Authority the entire outstanding principal of and interest, if any, accrued to the maturity date of the Notes, from such sources. In the event that the Governmental Agency receives a grant(s) or other non loan funding assistance for the construction of a project to serve the area described in the Application which grant or other funding assistance may not be used to pay the Notes, then the Notes shall be repaid from the net revenues of the system so constructed (or from bond proceeds secured by such revenues) and such repayment shall be amortized for a period not to exceed twenty years. If, on the 20th anniversary of the issuance of the Notes, the Governmental Agency has not received any grants, other than Infrastructure Fund grants, has not issued obligations to repay the Notes and has not constructed any improvements to its System, then the Council shall instruct the Authority to convert the Notes to a grant and cancel the Notes.

In the event Surplus Revenues are available and pledged for the payment of the Notes, the revenues generated from the operation of the System will be used monthly, in the order of priority listed below:

- (i) to pay Operating Expenses of the System,
- (ii) for other legal purposes of the System, including payment of debt service on the Notes and all other outstanding obligations of the Governmental Agency and meeting and maintaining all required reserve accounts and renewal and replacement, or similar accounts, and
- (iii) payment of principal and interest, if any, on the Notes.

Provided, that if the Governmental Agency has existing outstanding indebtedness which requires payments to be made to fund a reserve account, depreciation fund, renewal and replacement fund or similar fund or account, such payments shall be made prior to payment of debt service on the Notes.

(b) The Governmental Agency hereby covenants substantially as follows:

- (i) That the Governmental Agency will, simultaneously with the closing of the Notes, if not executed earlier, enter into the Contract for the design of the Project and, following completion of the design, will use its best efforts to complete the Project and will operate and maintain the System in good condition;

(ii) That the Governmental Agency shall establish or, where appropriate, petition the Public Service Commission to establish rates to provide for revenues sufficient to pay the Notes, and that the Governmental Agency recognizes that any owner of the Notes may by proper legal action compel the performance of the duties of the Governmental Agency under the Local Act, and shall also have, in the event of a default in the payment of principal of and interest, if any, on the Notes, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law;

(iii) That, to the extent legally allowable, the Governmental Agency will not grant any franchise to provide any services which would compete with the System;

(iv) That the Governmental Agency shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority, which report shall include a statement that the Governmental Agency is in compliance with the terms and provisions of the Local Act and this Loan Agreement and that the Governmental Agency's revenues are adequate to meet its operation and maintenance expenses and debt service requirements;

(v) That for wastewater systems, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(vi) That the proceeds of the Notes must be deposited in a notes project fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Governmental Agency and on which the owners of the Notes shall have a lien until such proceeds are applied to the payment of the costs of the Contract;

(vii) That, as long as the Authority is the owner of any of the Notes, the Governmental Agency may not redeem any Notes without the written consent of the Authority and the Council and otherwise in compliance with this Loan Agreement;

(viii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, (the "Code"), which exception shall be set forth in an opinion of bond counsel, or, at the option of the Authority, the loan is not tax-exempt, the Governmental Agency will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations or to the effect that no rebate is payable, and, at any time, any additional information requested by the Authority;

(ix) That the Governmental Agency shall take any and all action, or shall refrain from taking any action, as shall be deemed necessary by the Authority to maintain the exclusion from gross income for Federal income tax purposes of interest on the State's general obligation bonds issued to provide moneys for the Infrastructure Fund, or any bonds secured by the Notes;

(x) That the Governmental Agency shall furnish to the Authority such information with respect to earnings on all funds constituting "gross proceeds" of the Notes (as that term is defined in the Code) from time to time as the Authority may request, and

(xi) That the Governmental Agency shall not issue any bonds, notes or other obligations payable from the revenues of the System unless it has received the written consent of the Authority and the Council.

The Governmental Agency hereby represents and warrants that the Local Act has been or shall be duly adopted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, sale and delivery of the Notes shall be approved without qualification by recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit B.

4.2 The principal of and interest, if any, on the Loan shall be repaid by the Governmental Agency on the days and in the years as provided in Schedule X hereto.

4.3 The Loan shall bear interest, if any, from the dates and at the rate or rates per annum set forth on Schedule X hereto. In no event shall the interest rate on or the net interest cost of the Notes exceed any statutory limitation with regard thereto.

4.4 The Notes shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Governmental Agency. Anything to the contrary herein notwithstanding, the Notes may be issued in one or more series, as reflected by Schedule X hereto.

4.5 The Governmental Agency shall pay to the Authority, for the benefit of the Infrastructure Fund, a one time Administrative Fee of 3% of the original aggregate principal amount of the Note. This Administrative Fee will be added to the principal amount of the Note due on the maturity date thereof.

ARTICLE V

Certain Covenants of the Governmental Agency; Imposition and Collection of User Charges; Payments To Be Made by Governmental Agency to the Authority

5.1 The Governmental Agency hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this Loan Agreement and the Local Act.

5.2 In the event the Governmental Agency defaults in any amortized payment to the Authority, the amount of such default shall bear interest at the annual rate of 3% on the installment of the Loan next due, from the date of the default until the date of the payment thereof.

5.3 The Governmental Agency hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Governmental Agency, the Authority may exercise any or all of the rights and powers granted under the Act and State law, including without limitation the right to an appointment of a receiver.

ARTICLE VI

Other Agreements of the Governmental Agency

6.1 The Governmental Agency hereby warrants and represents that all information provided to the Authority and the Council in this Loan Agreement, in the Application or in any other application or documentation with respect to financing the costs of the Contract was at the time, and now is, true, correct and complete, and such information does not omit any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Prior to the Authority's making the Loan and receiving the Notes, the Authority shall have the right to cancel all or any of its obligations under this Loan Agreement if (a) any representation made to the Authority and the Council by the Governmental Agency in connection with the Loan shall be incorrect or incomplete in any material respect or (b) the Governmental Agency has violated any commitment made by it in its Application or in any supporting documentation or has violated any of the terms of this Loan Agreement.

6.2 The Governmental Agency hereby covenants that it will rebate any amounts required by Section 148 of the Code, if applicable, and will take all steps necessary to make any such rebates. In the event the Governmental Agency fails to make any such rebates as required, then the Governmental Agency shall pay any and all penalties, obtain a waiver from the Internal Revenue Service and take any other actions necessary or desirable

to preserve the exclusion from gross income for Federal income tax purposes of interest on the Notes.

6.3 Notwithstanding Section 6.2, the Authority may at any time, in its sole discretion, cause the rebate calculations prepared by or on behalf of the Governmental Agency to be monitored or cause the rebate calculations for the Governmental Agency to be prepared, in either case at the expense of the Governmental Agency.

6.4 The Governmental Agency hereby agrees to give the Authority 90 days prior written notice of the issuance by it of any other obligations to be used to pay costs of the Contract or proposed Project, payable from the revenues of the System or from any grants for the Contract or Project or otherwise related to the Contract, the Project or the System.

ARTICLE VII

Miscellaneous

7.1 Additional definitions, additional terms and provisions of the Loan and additional covenants and agreements of the Governmental Agency may be set forth in Schedule Z attached hereto and incorporated herein by reference, with the same effect as if contained in the text of this Loan Agreement.

7.2 The Authority shall take all actions required by the Council in making and enforcing this Loan Agreement and the provisions of the Note.

7.3 If any provision of this Loan Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Loan Agreement, and this Loan Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.4 This Loan Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Loan Agreement.

7.5 No waiver by either party of any term or condition of this Loan Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Loan Agreement.

7.6 This Loan Agreement merges and supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Loan and constitutes the entire agreement between the parties hereto in respect thereof.

7.7 By execution and delivery of this Loan Agreement, notwithstanding the date hereof, the Governmental Agency specifically recognizes that it is hereby agreeing to sell its Notes to the Authority and that such obligation may be specifically enforced or subject to a similar equitable remedy by the Authority.

7.8 This Loan Agreement shall terminate upon the earlier of:

- (i) the end of ninety (90) days after the date of execution hereof by the Authority if the Governmental Agency has failed to deliver the Notes to the Authority;
- (ii) termination by the Authority pursuant to Section 6.1 hereof; or
- (iii) payment in full of the principal of and interest, if any, on the Loan and of any fees and charges owed by the Governmental Agency to the Authority, acting on behalf of the Council.

IN WITNESS WHEREOF, the parties hereto have caused this Loan Agreement to be executed by their respective duly authorized officers as of the date executed below by the Authority.

Ladies and Gentlemen:

We are bond counsel to _____ (the
"Governmental Agency"), a _____
_____.

We have examined a certified copy of proceedings and other papers relating to (i) the authorization of a loan agreement dated _____, 19__, including all schedules and exhibits attached thereto (the "Loan Agreement"), between the Governmental Agency and the West Virginia Water Development Authority (the "Authority") and (ii) the issue of a series of notes of the Governmental Agency, dated _____, 19__ (the "Notes"), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Notes are in the principal amount of \$_____, issued in the form of one note, fully registered as to principal and interest to the Authority, with interest and principal payable in quarterly installments on September 1, December 1, March 1 and June 1 of each year, beginning _____1, 19__, at the rate as set forth in Exhibit A incorporated in and made a part of the Notes.

The Notes are issued for the purpose of financing a portion of preliminary engineering and design costs for certain _____ (the "Project") and paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the note _____ duly enacted by the Governmental Agency on _____ (the

"Local Act"), pursuant to and under which Local Statute and Local Act the Notes are authorized and issued, and the Loan Agreement that has been undertaken. The Notes are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding special obligation of the Governmental Agency enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and cannot be amended so as to affect adversely the rights of the Authority or diminish the obligations of the Governmental Agency without the consent of the Authority.

3. The Governmental Agency is a duly organized and presently existing _____, with full power and authority to design, construct and acquire the Project and to operate and maintain the System referred to in the Loan Agreement and to issue and sell the Notes, all under the Local Statute and other applicable provisions of law.

4. The Governmental Agency has legally and effectively enacted the Local Act and all other necessary _____ in connection with the issuance and sale of the Notes. The Local Act contains provisions and covenants substantially in the form of those set forth in Article IV of the Loan Agreement.

5. The Notes are valid and legally enforceable special obligations of the Governmental Agency, payable from the proceeds of any grants received by the Governmental Agency for the System, proceeds of any revenue bonds, refunding bonds or other obligations of the Governmental Agency, issued subsequent to the issuance of the Notes, and Surplus Revenues, if any, all in accordance with the terms of the Notes and the Local Act, and have been duly issued and delivered to the Authority.

6. [If required, the Notes are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Notes is excludable from the gross income of the recipients thereof for Federal income tax purposes.]

7. [The Notes and the interest thereon are, by the Local Statute, exempt from taxation by the State of West Virginia and the other taxing bodies of the State.]

No opinion is given herein as to the effect upon enforceability of the Notes of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined executed and authenticated Note numbered R-1, and in our opinion the form of said Note and its execution and authentication are regular and proper.

Very truly yours,

LONDON PUBLIC SERVICE DISTRICT - STEP I LOAN OBLIGATION

The West Virginia Water Development Authority (the "WDA") is advising your office of the outstanding loan obligation of \$1,675 plus a one-percent service charge owed to the WDA by the London Public Service District. Attached are copies of previous correspondence and the loan agreement, which explains the purpose of the loan.

As you may know, this debt is one of the reasons for the Public Service Commission's inability to grant approval for dissolution of the London PSD.

The WDA would appreciate any assistance your office or the Kanawha County Planning and Community Development office can provide in arranging for the WDA to be repaid the loan owed by the London PSD.

PUBLIC SERVICE COMMISSION
OF WEST VIRGINIA
CHARLESTON

Entered: July 1, 1997

CASE NO. 96-1480-PWD-PC (Reopened)

LONDON PUBLIC SERVICE DISTRICT

Petition for consent and approval of
an engineering agreement between the
District and Ghosh Engineers, Inc.

RECOMMENDED DECISION

On December 3, 1996, the London Public Service District (District) filed a petition seeking Commission consent and approval to enter into a contractual agreement for engineering services with Ghosh Engineers, Inc., in accordance with West Virginia Code §16-13A-25. By Recommended Decision entered on February 21, 1997, the agreement was approved.

By letter dated April 25, 1997, the District, by counsel, requested that the case be reopened to obtain Commission approval of a deferred loan to pay Ghosh Engineers for preconstruction engineering services of \$119,064. Attached to the petition for reopening was a letter from Ms. Susan J. Riggs, Executive Secretary, West Virginia Infrastructure and Jobs Development Council (Council), dated April 14, 1997, approving payment of the fee in the form of a deferred loan under the provisions of the Engineering Design Advance Funding Assistance Program.

By Order dated May 23, 1997, this matter was referred to the Division of Administrative Law Judges for a decision to be rendered on or before August 4, 1997.

On June 5, 1997, Staff Attorney Meyishi Blair, Esquire, filed the Final Joint Staff Memorandum to which was attached the Final Internal Memorandum prepared by Mr. Robert L. Skiles, P.E., Engineer IV, and Mr. James W. Boggess, Jr., Utilities Analyst II, both of the Water and Wastewater Division.

The West Virginia Infrastructure and Jobs Development Act (the Act) permits the Council to provide up to \$145,000 for preliminary engineering services as a deferred loan. The obligation will become part of the project cost to be repaid with permanent financing. If the project is not ultimately constructed, the Council has the option to treat the fees, all or in part, as uncollectible. Messrs. Skiles and Boggess indicated that, since the Council's funding assistance was awarded the District in the form of a deferred loan, as provided for in the Act, and will ultimately become part of the permanent financing, Commission approval must be obtained pursuant to West Virginia Code §16-13A-25. Staff recommended that, since the Council

has approved payment pending Commission approval and the amount of the deferred loan does not exceed the maximum amount allowed by the Act and if the project is not built, the District will not be encumbered with this debt, the deferred loan should be approved.

FINDINGS OF FACT

1. By Commission Order entered on February 21, 1997, an engineering agreement between the District and Ghosh Engineers, Inc., was approved. (See, Recommended Decision entered February 21, 1997, which became final on March 13, 1997).

2. In a letter dated April 25, 1997, the District, by its counsel, requested that Case No. 96-1480-PSD-PC be reopened to obtain Commission approval of a deferred loan to pay Ghosh Engineers for preconstruction engineering services of \$119,064. Attached to the petition was a letter from Ms. Susan J. Riggs, Executive Secretary, West Virginia Infrastructure and Jobs Development Council, dated April 14, 1997, approving payment of the fee in the form of a deferred loan. (See, Petition filed April 25, 1997 with attachment).

3. On June 5, 1997, Staff Attorney Meyishi Blair filed the Final Joint Staff Memorandum to which was attached the Final Internal Memorandum of Mr. Robert L. Skiles, P.E., Engineer IV, and Mr. James W. Boggess, Jr., Utilities Analyst II, both of the Water and Wastewater Division. (See, Final Joint Staff Memorandum filed June 5, 1997).

4. In their Memorandum, Messrs. Skiles and Boggess indicated that the Council had granted a deferred loan under the provisions of the Engineering Design Advanced Funding Assistance Program. The deferred loan will become part of the project cost to be repaid with permanent financing. If the project is not ultimately constructed, the Council has the option to treat the fees, all or in part, as uncollectible. (See, Final Joint Staff Memorandum and attachment filed June 5, 1997).

5. Staff recommended that, since the amount of the deferred loan does not exceed the maximum amount allowed by the West Virginia Infrastructure and Jobs Development Act, and since the District will not be encumbered with this debt if the project is not built, the Commission should approve the deferred loan as requested in the District's petition of April 25, 1997. (See, Final Joint Staff Memorandum and attachment filed June 5, 1997).

CONCLUSION OF LAW

The Administrative Law Judge is of the opinion and finds that, since the District has received a deferred loan from the West Virginia Infrastructure and Jobs Development Council in order to pay Ghosh Engineers, Inc., for preconstruction engineering services in the amount of \$119,064, it is reasonable to approve the deferred loan since the District will not be encumbered with this debt if the project is not built and Staff recommends approval of the deferred loan.

ORDER

IT IS, THEREFORE, ORDERED that the petition of the London Public Service District filed April 25, 1997, requesting approval of a deferred loan to pay Ghosh Engineers, Inc., for preconstruction engineering services of \$119,064, be, and the same hereby is, approved.

Re: London Public Service District
Engineering Design Advance Funding Assistance Request

Dear Mr. Johnson:

The West Virginia Infrastructure and Jobs Development Council (Council), at its December 11, 1996 meeting, considered the London Public Service District's (District) request, made pursuant to the Council's Engineering Design Advance Funding Assistance Program (Program), for funding of \$119,064 to pay for preconstruction engineering services related to its proposed project to construct a wastewater collection system to serve the areas of London, Hugheston and Hughes Creek. The Council approved funding in the amount of \$119,064.

The Council understands that the District does not currently have any customers. Accordingly, the Council's funding will be in the form of a deferred loan obligation, to be repaid with the project's permanent financing.

The Council is currently drafting the appropriate loan documents for the proposed funding, and will provide a draft of the same to the District as soon as possible. If you have any questions regarding this matter, please contact Susan J. Riggs, Executive Secretary of the Council, at (304) 558-4607.

Sincerely,

Russell L. Isaacs

STATE OF WEST VIRGINIA
LONDON PUBLIC SERVICE DISTRICT
SEWERAGE SYSTEM DESIGN NOTE, SERIES 1997
(WEST VIRGINIA INFRASTRUCTURE FUND)

No. R-1

\$119,064

KNOW ALL MEN BY THESE PRESENTS: That LONDON PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Kanawha County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the sources and in the manner provided therefor, as hereinafter set forth, to the West Virginia Water Development Authority (the "Authority") or registered assigns, on the 18th day of August, 2000, the principal sum of One Hundred Nineteen Thousand Sixty Four Dollars (\$119,064), or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the Record of Advances attached hereto and incorporated herein by reference as a part hereof, with no interest. The Administrative Fee (as defined in the hereinafter described Notes Legislation) in the amount of 3% as set forth in the Loan Agreement (as hereinafter defined) shall also be payable on the 18th day of August, 2000.

The principal of this Note and the Administrative Fee are payable in any coin or currency which on the date of payment thereof is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Note may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Infrastructure and Jobs Development Council (the "Council"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement dated August 18, 1997, by and between the Issuer and the Authority, on behalf of the Council.

This Note is issued (i) to temporarily finance a portion of the costs of design of new public sewerage facilities of the Issuer (the "Project", and together with any further additions, betterments and improvements thereto, collectively referred to as the "System") and (ii) to pay the costs of issuance hereof and related costs. This Note is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), and a Notes Resolution duly adopted by the Issuer on August 13, 1997, and a Supplemental Resolution duly adopted

by the Issuer on August 13, 1997 (collectively, the "Notes Legislation"), and is subject to all the terms and conditions thereof.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS, WITH THE LOAN OF THE WEST VIRGINIA WATER DEVELOPMENT AUTHORITY TO THE ISSUER, DATED SEPTEMBER 4, 1975, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$1,675.00, CURRENTLY OUTSTANDING IN THE AMOUNT OF \$1,691.75 (THE "PRIOR LOAN"), HELD BY THE AUTHORITY.

The principal of this Note is payable only from and secured by a first lien, on a parity with the Prior Loan, on (1) the proceeds of any grants (other than grants from the West Virginia Infrastructure Fund) received by the Issuer for the System; (2) the proceeds of any revenue bonds, refunding bonds or other obligations of the Issuer, issued subsequent to the issuance of this Note; and (3) Surplus Revenues (as defined in the Notes Legislation), if any. The moneys from these sources shall be deposited into the Notes Payment Fund established under the Notes Legislation for the prompt payment of the principal of this Note and the Prior Loan, pro rata. In the event no grants (other than grants from the West Virginia Infrastructure Fund) are received by the Issuer for the System or no revenue bonds, refunding bonds or other obligations of the Issuer are issued by the maturity date of the Notes or no Surplus Revenues are available to amortize the Notes over a 20-year period, the payment of the Notes shall be deferred until the earlier of (i) the date any grants (other than grants from the West Virginia Infrastructure Fund) are received for the System, (ii) the date any revenue bonds, refunding bonds or other obligations of the Issuer are issued, or (iii) 20 years from the date of issuance of the Notes. In the event any grants (other than grants from the West Virginia Infrastructure Fund) are received for the System or any revenue bonds, refunding bonds or other obligations of the Issuer are issued, the Issuer shall pay the entire outstanding principal of and interest, if any, accrued to the maturity date of the Notes and the Prior Loan, pro rata, from the proceeds thereof. In the event the Issuer receives a grant (other than a grant from the West Virginia Infrastructure Fund) or other non-loan funding assistance for the acquisition and construction of a project to serve the area described in the application to the Council, which grant or other non-loan funding assistance may not be used to pay the Notes, then the Notes and the Prior Loan, shall, pro rata, be repaid from the Net Revenues generated from the project constructed from such grant or other non-loan funding assistance (or from bond proceeds secured by such Net Revenues) and such repayment shall be amortized for a period not to exceed 20 years. In the event no grants (other than grants from the West Virginia Infrastructure Fund) are received for the System or no revenue bonds, refunding bonds or other obligations of the Issuer are issued or no project has been acquired or constructed by the Issuer within 20 years from the date of issuance of the Notes, the Council shall authorize the Authority to convert the Notes to a grant and cancel the Notes.

This Note does not constitute a corporate indebtedness of the Issuer within the meaning of any constitutional, statutory or charter provisions or limitations, nor shall the Issuer be obligated to pay the same except from the sources set forth above. Under the Notes Legislation, the Issuer has entered into certain covenants with the Authority, for the terms of which reference is made to the Notes Legislation. Remedies provided the Authority are exclusively as provided in the Notes Legislation, to which reference is here made for a detailed description thereof.

Subject to the requirements for transfer set forth herein, this Note is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia. This Note is transferable, as provided in the Notes Legislation, only by transfer of registration upon the books of One Valley Bank, National Association, Charleston, West Virginia, as registrar (the "Registrar"), to be made at the request of the registered owner hereof in person or by his attorney duly authorized in writing, and upon surrender hereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney.

All moneys received from the sale of this Note shall be applied solely to the payment of the costs of design of the Project and the costs of issuance and related costs described in the Notes Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the registered owner of this Note.

Under the Act, this Note is exempt from taxation by the State of West Virginia and the other taxing bodies of the State.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at issuance of this Note do exist, have happened and have been performed in due time, form and manner as required by law, and that the Notes, together with all other obligations of the Issuer, do not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia.

All provisions of the Notes Legislation and the statutes under which this Note is issued shall be deemed to be part of the contract evidenced by this Note to the same extent as if written fully herein.

This Note shall not be valid or obligatory unless authenticated and registered by the Registrar by the execution of the Registrar's Certificate of Authentication and Registration attached hereto and incorporated herein.

IN WITNESS WHEREOF, LONDON PUBLIC SERVICE DISTRICT has caused this Note to be signed by its Chairperson and its corporate seal to be hereunto affixed and attested by its Secretary, and has caused this Note to be dated August 18, 1997.

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by London Public Service District (the "Issuer"), a public service district and public corporation and political subdivision created and existing under the laws of the State of West Virginia, of its \$119,064 Sewerage System Design Notes, Series 1997 (West Virginia Infrastructure Fund), dated the date hereof (the "Notes").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a loan agreement, dated August 18, 1997, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and the Notes, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Notes are originally issued in the form of one Note, registered as to principal to the Authority, with no interest, and the entire outstanding principal of the Notes shall be payable on August 18, 2000, all as set forth in the Notes and "Schedule X" attached to the Loan Agreement.

The Notes are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) temporarily financing a portion of the costs of design of new public sewerage facilities of the Issuer (the "Project"); and (ii) paying costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Notes Resolution duly adopted by the Issuer on August 13, 1997, as supplemented by a Supplemental Resolution duly adopted by the Issuer on August 13, 1997 (collectively, the "Notes Legislation"), pursuant to and under which Act and Resolution the Notes are authorized and issued, and the Loan Agreement has been entered into. The Notes are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Resolution and the Loan Agreement.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, that:

1. The Issuer is a duly created and validly existing public service district, public corporation and political subdivision of the State of West Virginia, with corporate power and authority to adopt the Notes Legislation, to design the Project and to issue and sell the Notes, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the Council and cannot be amended so as to adversely affect the rights of the Authority or the Council or diminish the obligations of the Issuer without the written consent of the Authority and the Council.

3. The Notes Legislation and all other necessary orders and resolutions have been duly and effectively adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable upon the Issuer in accordance with their terms. The Notes Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

4. The Notes have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable only from and secured by a first lien on (1) the proceeds of any grants (other than grants from the West Virginia Infrastructure Fund) received by the Issuer for the System; (2) the proceeds of any revenue bonds, refunding bonds or other obligations of the Issuer, issued subsequent to the issuance of the Notes; and (3) Surplus Revenues, if any, all in accordance with the terms of the Notes and the Notes Legislation, all on a parity with the loan of the West Virginia Water Development Authority to the Issuer, dated September 4, 1975, issued in the original aggregate principal amount of \$1,675.00, currently outstanding in the amount of \$1,691.75, held by the Authority.

5. The Notes have not been issued on the basis that the interest thereon, if any, is or will be excluded from gross income for federal income tax purposes; therefore, the interest, if any, on the Notes is not excluded from gross income for federal income tax purposes. We express no opinion regarding other federal tax consequences arising with respect to the Notes.

6. The Notes are, under the Act, exempt from direct taxation by the State of West Virginia, and the other taxing bodies of the State, and the interest on the Notes, if any, is exempt from personal and corporate income taxes imposed directly thereon by the State of West Virginia.

West Virginia Water Development
Authority, et al.

It is to be understood that the rights of the holders of the Notes and the enforceability of the Notes, the Notes Legislation and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Note numbered R-1, and in our opinion the form of said Note and its execution and authentication are regular and proper.

Very truly yours,

Ladies and Gentlemen:

We are counsel to London Public Service District, a public service district, in Kanawha County, West Virginia (the "Issuer"), in connection with the issuance and sale of the above-captioned notes (the "Notes"). As such counsel, we have reviewed copies of the approving opinion of Steptoe & Johnson, as bond counsel, a loan agreement dated August 18, 1997, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of West Virginia Infrastructure and Jobs Development Council (the "Council"), the Notes Resolution duly adopted by the Issuer on August 13, 1997, as supplemented by the Supplemental Resolution duly adopted by the Issuer on August 13, 1997 (collectively, the "Notes Legislation"), and other documents, papers, agreements, instruments and certificates relating to the Notes and orders of The County Commission of Kanawha County relating to the Issuer and the appointment of members of the Public Service Board of the Issuer. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Notes Legislation and the Loan Agreement when used herein.

We are of the opinion that:

1. The Issuer is duly created and validly existing as a public service district and as a public corporation and political subdivision of the State of West Virginia.

2. The members and officers of the Public Service Board of the Issuer have been duly, lawfully and properly appointed and elected, as applicable, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.

3. The Notes Legislation has been duly adopted by the Issuer and is in full force and effect as of the date hereof and constitutes a valid and binding obligation of the Issuer enforceable in accordance with its terms.

4. The Loan Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the Authority, constitutes a valid and binding agreement of the Issuer enforceable in accordance with its terms.

5. The execution and delivery of the Notes and the Loan Agreement and the consummation of the transactions contemplated by the Notes, the Loan Agreement and the Notes Legislation, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any agreement, document or instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, rule, order or decree to which the Issuer is subject.

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations required by law for the creation and existence of the Issuer, the issuance of the Notes and the design of the Project, including, without limitation, all requisite orders, certificates and approvals from The County Commission of Kanawha County, the West Virginia Infrastructure and Jobs Development Council and the Public Service Commission of West Virginia. The Issuer has received the Final Order of the Public Service Commission of West Virginia entered July 21, 1997, in Case No. 96-1480-PWD-PC (Reopened), among other things, approving the issuance of the Notes. The time for appeal of such Final Order has not expired prior to the date hereof. However, the parties to such Final Order have stated that they will not appeal such Final Order. The Final Order is not subject to any appeal, further hearing, reopening or rehearing by any customer, protestant, intervenor or other person not a party to the original application.

7. To the best of our knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Notes and the Notes Legislation, the design of the Project, the validity of the Notes or pledge of the funds set forth in the Notes Legislation.

Very truly yours,
