If the Series 2016 A Bonds shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, and, if such Bond be destroyed, stolen or lost, without surrender thereof.

Section 3.07. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Series 2016 A Bonds shall be secured forthwith by a first lien on the Net Revenues derived from the System, on a parity with the Prior Bonds. If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a

Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the Registered Owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolutions and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted _____, 2016, authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act of 1965, as amended. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

- (2) Series 2016 A Bonds Reserve Account.

Section 4.02. Bond Proceeds; Project Construction Account. The proceeds of the sale of the Series 2016 A Bonds shall be deposited upon receipt by the Issuer in the Series 2016 A Bonds Project Construction Account. The monies in the Series 2016 A Bonds Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by the Depository Bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Monies in the Series 2016 A Bonds Project Construction Account shall be expended by the Issuer solely for the purposes provided herein.

Monies in the Series 2016 A Bonds Project Construction Account shall be used solely to pay the cost of acquisition and construction of the Project upon vouchers and other documentation approved by the Purchaser.

Until completion of acquisition and construction of the Project, the Issuer will additionally transfer from the Series 2016 A Bonds Project Construction Account and pay to the Purchaser on or before the due date, such sums as shall be from time to time required to make the

monthly installments on the Series 2016 A Bonds if there are not sufficient Net Revenues to make such monthly payment.

Pending application as provided in this Section 4.02, money and funds in the Series 2016 A Bonds Project Construction Account shall be invested and reinvested at the direction of the Issuer, to the extent possible in accordance with applicable law, in Qualified Investments.

When acquisition and construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the Series 2016 A Bonds Project Construction Account shall be disposed of in accordance with the regulations of the Purchaser.

Section 4.03. Covenants of the Issuer as to System Revenues and Funds. So long as any of the Series 2016 A Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 2016 A Bonds Reserve Account, a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Series 2016 A Bonds remaining unpaid, together with interest accrued and to accrue thereon, the Issuer further covenants with the Holders of the Series 2016 A Bonds as follows:

A. **REVENUE FUND.** The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited as collected by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Resolutions and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in the Resolutions.

B. **DISPOSITION OF REVENUES.** All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority, subject to the provisions of the Prior Resolution not otherwise modified herein:

(1) The Issuer shall first, each month, pay from the Revenue Fund the Operating Expenses of the System.

(2) The Issuer shall next, each month, on or before the due date thereof, transfer from the Revenue Fund and simultaneously remit (i) to the National Finance Office the amount required by the Prior Resolution to pay the interest on the Prior Bonds; and (ii) to the National Finance Office the amount required to pay interest on the Series 2016 A Bonds.

(3) The Issuer shall next, each month, transfer from the Revenue Fund and simultaneously, on or before the due date thereof, remit (i) to the National Finance Office the amount required by the Prior Resolution to pay the principal of the Prior Bonds; and (ii) remit to the National Finance Office, commencing 24 months following the date of delivery of the Series 2016 A Bonds, the amount required to amortize the principal of the Series 2016 A Bonds.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) remit to the Depository Bank the amount required by the Prior Resolution to be deposited in the Series 1998 Bonds Reserve Account; (ii) remit to the Commission the amount required by the Prior Resolution to be deposited in the Series 2009 A Bonds Reserve Account; and (iii) beginning on the date specified by the Purchaser, but in any event not later than the 24th monthly anniversary of the Closing Date, and continuing on each monthly anniversary of the Closing Date thereafter, transfer from the Revenue Fund and remit to the Commission, for deposit in the Series 2016 A Bonds Reserve Account, an amount equal to 10% of the monthly payment amount, until the amount in the Series 2016 A Bonds Reserve Account equals the Series 2016 A Bonds Reserve Requirement; provided, that, no further payments shall be made into the Series 2016 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2016 A Bonds Reserve Requirement.

(5) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund, an amount equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in Qualified Investments. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Accounts (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

Whenever the money in the Series 2016 A Bonds Reserve Account shall be sufficient to prepay the Series 2016 A Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Series 2016 A Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The Commission is hereby designated as the Fiscal Agent for the administration of the Series 2016 A Bonds Reserve Account. All amounts required for the Series 2016 A Bonds Reserve Account will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written advice stating the amount remitted for deposit into each such fund.

The Revenue Fund shall constitute a Trust Fund and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Series 2016 A Bonds and the interest thereon, on a parity with the Prior Bonds.

The Series 2016 A Bonds Reserve Account shall constitute a Trust Fund and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Series 2016 A Bonds and the interest thereon.

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2016 A Bonds and the Prior Bonds, in accordance with the respective principal amounts then Outstanding.

Subject to the Prior Resolution, the Commission shall keep the monies in the Series 2016 A Bonds Reserve Account invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Legislation shall, unless otherwise provided herein or required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia Board of Treasury Investments. Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. Earnings from monies in the Series 2016 A Bonds Reserve Account, so long as the Minimum Reserve is on deposit and maintained therein, shall be paid annually by the Commission to the Issuer and deposited in the Revenue Fund.

C. CHANGE OF DEPOSITORY BANK. The Issuer may designate another bank or trust company insured by FDIC as Depository Bank if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

D. USER CONTRACTS. The Issuer shall, prior to delivery of the Series 2016 A Bonds, provide evidence that there will be bona fide users on the System upon completion, in full compliance with the requirements and conditions of the Purchaser.

E. CHARGES AND FEES. The Issuer shall remit from the Revenue Fund to the Depository Bank and the Commission such additional sums as shall be necessary to pay the charges and fees of the Depository Bank or the Commission then due.

F. INVESTMENT OF EXCESS BALANCES. The monies in excess of the sum insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State of West Virginia.

G. REMITTANCES. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

H. GROSS REVENUES. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE V

GENERAL COVENANTS, ETC.

Section 5.01. General Statement. So long as the Series 2016 A Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 2016 A Bonds Reserve Account sums sufficient to prepay the entire remaining unpaid principal of the Series 2016 A Bonds, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenant between the Issuer and the Holder of the Series 2016 A Bonds.

Section 5.02. Rates. So long as the Prior Bonds are Outstanding, the Issuer will maintain rates as required in the Prior Resolution. So long as the Series 2016 A Bonds are Outstanding, the Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Series 2016 A Bonds and the Prior Bonds and sufficient to make the payments required herein into all funds and accounts and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. So long as the Prior Bonds are Outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System or any part thereof, except as provided in the Prior Resolution. So long as the Series 2016 A Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the system, or any part thereof without the prior written consent of the Purchaser. Such consent will provide for the disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. No additional Parity Bonds or obligations payable out of any of the Revenues of the System shall be issued, except with the prior written consent of the Purchaser. No Parity Bonds shall be issued after issuance of the

Series 2016 A Bonds unless the provisions contained in the Prior Resolution respecting issuance of Parity Bonds have been satisfied.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2016 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions, extensions, improvements or betterments to the System or refunding any Outstanding Bonds, or both such purposes.

So long as the Series 2016 A Bonds and the Prior Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds than proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the Prior Bonds, representing 75% of the then-outstanding principal indebtedness.

Section 5.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Series 2016 A Bonds remain Outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

- (a) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) PUBLIC LIABILITY INSURANCE, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Series 2016 A Bonds.

(c) VEHICULAR PUBLIC LIABILITY INSURANCE, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) WORKERS' COMPENSATION COVERAGE FOR ALL EMPLOYEES OF THE DISTRICT ELIGIBLE THEREFOR AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds have been or will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

(e) FLOOD INSURANCE to be procured, to the extent available at reasonable cost to the Issuer; however, if the System is located in a community which has been notified as having special flood or mudslide prone areas, flood insurance must be obtained.

(f) FIDELITY BONDS will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in such amount as may be requested by the Purchaser from time to time.

(g) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Series 2016 A Bonds are Outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will

require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Statutory Mortgage Lien. For the further protection of the Holder of the Series 2016 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, on a parity with the Prior Bonds, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Series 2016 A Bonds.

Section 5.07. Events of Default. Each of the following events is hereby declared an “Event of Default”:

- (a) Failure to make payment of any monthly amortization installment upon the Series 2016 A Bonds at the date specified for payment thereof;
- (b) Failure to duly and punctually observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Series 2016 A Bonds or herein, or violation of or failure to observe any provision of any pertinent law; and
- (c) If a default occurs with respect to the Prior Bonds or the Prior Resolution.

Section 5.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default, appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct; provided that all rights and remedies of the Holders of the Prior Bonds shall be on a parity with the Series 2016 A Bonds.

Section 5.09. Fiscal Year; Budget. While the Series 2016 A Bonds are Outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and

directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the 1st day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year preceding by more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 5.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer on file with the Secretary on the date of adoption hereof, subject to permitted changes.

Section 5.12. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer shall further comply with the Act with respect to such books, records and accounts.

Section 5.13. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Series 2016 A Bonds are Outstanding.

Section 5.14. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

ARTICLE VI

RATES, ETC.

Section 6.01. Initial Schedule of Rates and Charges; Rules. A. The initial schedule of rates and charges for the services and facilities of the System, subject to change consistent with the provisions hereof, shall be as set forth in the Recommended Decision entered on September 18, 2015, which became Final Order of the Public Service Commission of West Virginia on October 8, 2015, in Case No. 15-0872-PWD-CN-PC and are incorporated herein by reference as a part hereof.

B. There shall not be any discrimination or differential in rates between customers in similar circumstances.

C. All delinquent fees, rates and charges for services or facilities of the System shall be liens on the premises served of equal degree, rank and priority with the lien on such premises of state, county, school and municipal taxes, as provided in the Act. The Issuer shall have all remedies and powers provided under the Act and other applicable provisions of law with regard to the collection and enforcement of such fees, rates and charges.

D. The Issuer will not render or cause to be rendered any free services of any nature by the System nor any of the facilities; and in the event that the Issuer or any department, agency, officer or employee thereof should avail itself or themselves of the services or facilities of the System, the same fees, rates and charges applicable to other customers receiving like services under similar circumstances shall be charged, such charges shall be paid as they accrue, and revenues so received shall be deposited and accounted for in the same manner as other Revenues of the System.

E. The Issuer may require any applicant for any service by the System to deposit a reasonable and equitable amount to insure payment of all charges for the services rendered by the System, which deposit shall be handled and disposed of under the applicable rules and regulations of the Public Service Commission of West Virginia.

F. The Issuer, to the extent permitted by law, will not accept payment of any water bill from a customer served with water and sewer services by the Issuer without payment at the same time of a sewer bill owed by such customer for the same premises.

ARTICLE VII

MISCELLANEOUS

Section 7.01. Payment of Bonds. If the Issuer shall pay or there shall otherwise be paid, to the Holder of the Series 2016 A Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then with respect to the Series 2016 A Bonds, the pledge of Net Revenues and other monies and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered

Owner of the Series 2016 A Bonds, shall thereupon cease, terminate and become void and be discharged and satisfied.

Except through such direct payment to the Holder of the Series 2016 A Bonds, the Issuer may not defease the Series 2016 A Bonds or otherwise provide for payment thereof by escrow or like manner.

Section 7.02. Modification or Amendment. The Bond Legislation may not be modified or amended after final passage without the prior written consent of the Purchaser.

Section 7.03. Delivery of Bonds. The Chairman and Secretary of the Governing Body are hereby authorized and directed to cause the Series 2016 A Bonds, hereby awarded to the Purchaser pursuant to prior agreement, to be delivered to the Purchaser as soon as the Purchaser will accept such delivery.

Section 7.04. Severability of Invalid Provisions. If any one or more of the covenants, agreements or provisions hereof should be held contrary to any express provision of law or contrary to the policy of express law, although not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed severable from the remaining covenants, agreements or provisions hereof, and shall in no way affect the validity of all the other provisions hereof or the Series 2016 A Bonds.

Section 7.05. Conflicting Provisions Repealed. The Prior Resolution and all parts thereof not expressly hereby changed shall continue in full force and effect and this Bond Legislation shall be supplemental to the Prior Resolution.

All resolutions and orders, or parts thereof, in conflict with the provisions hereof are, to the extent of such conflicts, hereby repealed; provided that this Section shall not be applicable to the Loan Resolution (Form FmHA 442-47); and provided, that in the event of any conflict between this Resolution and the Prior Resolution, the Prior Resolution shall control (unless less restrictive), so long as the Prior Bonds or any portion thereof are Outstanding.

Section 7.06. Table of Contents and Headings. The Table of Contents and headings of the articles, sections and subsections hereof are for convenience only and shall neither control nor affect in any way the meaning or construction of any of the provisions hereof.

Section 7.07. Covenant of Due Procedure, Etc. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the adoption of this Resolution do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Chairman, Secretary and members of the Governing Body were at all times when any actions in connection with this Resolution occurred and are duly in office and duly qualified for such office.

In the event that USDA determines that the project has not progressed within the five (5) year timeline and that funds will be recaptured, the District will be given appeal rights and due process to document reasons why it believes the decision to de-obligate project funds is not justified.
2. System for Award Management -- System for Award Management (SAM) is a Federal Government database that has combined federal procurement systems and the Catalog of Federal Domestic Assistance into one system. The initiation of SAM includes the functionality of (1) Central Contractor Registry (CCR), (2) Federal Agency Registration (Fedreg), (3) Online Representations and Certifications Application, and (4) Excluded Parties List System (EPLS). The benefits of SAM include streamlined and integrated processes, elimination of data redundancies, and reduced costs while providing improved capability. Registering with SAM is required for all recipients of Federal loans and grants. Registration expires every 12 months and must be renewed. Federal regulation 2 CFR 25.110 requires recipients to maintain this registration until all funds have been expended. Funds will not be disbursed to recipients with expired registrations. Failure to maintain a current SAM registration could delay loan closing and/or payments during construction. Detailed instructions on registration and renewal are available at www.sam.gov or can be provided by our agency.
3. Loan Repayment – The loan will be scheduled for repayment over a period of 40 years. The payments due the first 24 months will consist of interest only. Payments for the remaining 456 months will be equal amortized monthly installments. For planning purposes use a 2.75% interest rate and a monthly amortization factor of .00354, which provides for a monthly payment of \$5,640.00. The District shall participate in the PREAUTHORIZED DEBIT (PAD) payment process. It will allow for the payment to be electronically debited from a specified account on the day the payment is due. The District must establish and fund

monthly a debt service reserve account, which equals 10% of the monthly payment each month until the equivalent of one annual installment on the loan is accumulated. The District will be required to establish this debt service reserve account with the West Virginia Municipal Bond Commission. We also recommend that, as part of this financing, the District move any existing debt service reserve accounts to the Municipal Bond Commission as well. Bond counsel will be able to assist with this.

The District is reminded that it may be required to refinance (graduate) the unpaid balance of its RD loan, in whole or in part, upon the request of RD if at any time it shall be determined the District is able to obtain a loan for such purposes from responsible cooperative or private sources at reasonable rates and terms for loans for similar purposes and periods of time.

4. Security – The loan must be secured by a statutory lien of equal priority with outstanding Water Revenue Bonds, a pledge of the system’s revenues and other agreements between the District and RD as set forth in the bond resolution which must be properly adopted and executed by the appropriate officials of the District. Additional security requirements are contained in RUS Bulletin 1780-27 which is mentioned later.
5. Users – This conditional commitment is based upon the District providing evidence that there will be at least 662 bona fide users on the proposed system when it has been completed and is placed in operation. This evidence will consist of a certification from the District that identifies and attests to the number of users that are actually connected to the District’s existing water system which is to be improved by the new project, at the time the District requests authorization to advertise the project for construction bids.

Before RD can agree to the project being advertised for construction bids, the District must provide evidence that the total required number of bona fide users have been acquired and are currently using the system.

6. Bond Counsel Services -- The services of a recognized bond counsel are required. The bond counsel will prepare the form of resolution to be used, in accordance with Subpart D of RUS Instruction 1780. The District should immediately provide its bond counsel with a copy of this letter of conditions, its attachments and enclosures.
7. Accounting Services –The accountant has agreed to develop and provide the following:
 - a. All necessary accounting material required by the Public Service Commission of West Virginia (Rule 42 Exhibit.)
 - b. Prior to loan closing, the accountant must certify that the accounts and records as required by the bond resolution have been established and are operational.

Agency regulations outline requirements for the submission of management reports and audits. Appropriate state statutes place certain audit requirements on the District. “Government Auditing Standards” (Revised July 2007), which may be accessed at

www.gao.gov/govaud/ybk01.htm, and RUS Bulletins 1780-30 and 1780-31, which may be accessed at our agency website, www.rurdev.usda.gov/UWEP_HomePage.html, outline audit requirements.

The District is reminded that certain provisions of the Office of Management and Budget Circular A-133 are applicable to any public body or nonprofit association that expends \$500,000 or more in Federal funds in any one fiscal year. The District must enter into an agreement annually with an accountant (or the State Tax Department) to perform the audit. The agreement must be in accordance with the requirements of the State Tax Commissioner of West Virginia. Compensation for preparation of the A-133 audit or the District's annual audit are not included in project funds and should be paid from the operational revenues generated from system operation.

8. Facility Control – Prior to advertisement for construction bids, the District must furnish satisfactory evidence that it has or can obtain adequate continuous and valid control over the lands and rights needed for the project. Such evidence must be in the following form:
 - a. A right-of-way map showing clearly the location of all lands and rights needed for the project. The map must designate public and private lands and rights and the appropriate legal ownership thereof.
 - b. A copy of deeds, contracts, or options for any lands needed other than rights-of-way, along with a preliminary title opinion covering such lands. Form RD 1927-9, "Preliminary Title Opinion" may be used. In the case of the existing system or where the District already acquired real property (land or facilities), a preliminary title opinion(s) concerning all such property(s) will be provided.
 - c. A narrative opinion from the project attorney concerning all permits, certifications, and other items necessary to show that all legal requirements can be met and stating how they will be met. This narrative should also identify any condemnation proceedings that are anticipated and state how they will be handled.
 - d. A certification and legal opinion relative to title to rights-of-way and easements. Form RD 442-22, "Opinion of Counsel Relative to Rights-of-Way," may be used. This form may contain a few exceptions such as properties that must be condemned; however, prior to the start of construction or loan closing, whichever occurs first, a new Form RD 442-22, must be provided which does not provide for any exceptions. The attorney's legal opinion should include a certification that all requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and West Virginia State Code Chapter 54 have been met in the acquisition of both real property and rights-of-way. Such requirements may include, but are not limited to, distributing informational material to all affected property owners, and completing appraisals of the affected properties.

- e. On the day of loan closing, the District's attorney must furnish final title opinions on all land(s) being acquired. Form RD 1927-10, "Final Title Opinion" may be used. In the case of the existing system or where the District has already acquired real property(s) (land or facilities), the District's attorney will provide a separate final title opinion(s) covering such property(s) on the day of loan closing.
9. Permits – Copies of all permits needed for the project must be provided for review prior to advertisement for construction bids. Such permits will include but are not limited to the following:
 - a. West Virginia Department of Highways
 - b. State Department of Health
 - c. Department of Environmental Protection (2)

10. Public Service Commission Approvals – The District must obtain the following from the West Virginia Public Service Commission:

- a. A Certificate of Convenience and Necessity.
- b. Approval of user charges that are acceptable to the District and RD.
- c. Approval of financing for the project's proposed financing arrangements.

The "Rule 42" Exhibit to be attached to the Public Service Commission application must contain at least the information shown in Attachment No. 1. A copy of the Public Service Commission application and its "Rule 42" Exhibit must be provided for review.

11. Insurance and Bonding Requirements – Prior to *loan* closing or start of construction, whichever occurs first, the District must acquire the types of insurance and bond coverage shown below. The use of deductibles may be allowed providing the District has the financial resources to cover potential claims requiring payment of the deductible. RD strongly recommends the District have its engineer, attorney, and insurance provider(s) review proposed types and amounts of coverage, including any exclusions and deductible provisions. It is the District's responsibility and not that of RD to assure that adequate insurance and fidelity or employee dishonesty bond coverage is maintained.
 - a. General Liability Insurance – This should include vehicular coverage.
 - b. Workers' Compensation – In accordance with appropriate State laws.
 - c. Position Fidelity Bond(s) – All positions occupied by persons entrusted with the receipt and/or disbursement of funds must be bonded. As a good business

practice the District should have each position bonded in an amount equal to the maximum amount of funds to be under the control of that position at any one time. The coverage may be increased during construction of this project based on the anticipated monthly advances. The minimum coverage acceptable to RD once the District's project is in operation will be for each position to be bonded for an amount at least equal to one annual installment on the District's loan(s). The amount of coverage should be discussed and approved by the Agency. Form RD 440-24, "Position Fidelity Bond" may be used for this purpose.

- d. Real Property Insurance – Prior to the acceptance of the facility from the contractor(s), the District must obtain real property insurance (fire and extended coverage) on all above-ground structures, to include machinery and equipment housed therein. This does not apply to water reservoirs, standpipes, elevated tanks, or noncombustible materials used in treatment plants, clearwells, filters, and the like.

12. Environmental Requirements --

- a. Mitigation – At the conclusion of the proposal's environmental review process, specific actions were negotiated with environmental regulatory officials to avoid or minimize adverse environmental impacts. Those actions(s) are required for successful completion of the project and must be adhered to during project design and construction.
- b. Project Modifications – The project as proposed has been evaluated to be consistent with all applicable environmental requirements. If the project or any project element deviates from or is modified from the original approved project, additional environmental review may be required.

- 13. Vulnerability Assessments (VA) and Emergency Response Plans (ERP) – Congress enacted the Public Health Security and Bioterrorism Preparedness Response Act of 2002, Public Law 107-188 (Bioterrorism Act). The Bioterrorism Act amended the Safe Drinking Water (SDWA) to require all medium and large sized community water systems (serving populations greater than 3,300) to assess vulnerability to terrorist attack and develop emergency plans for response to such an attack. Medium and large community water systems are being monitored by the U.S. EPA for completion of VA's and ERP's.

Rural Development requires all financed water and wastewater systems to have a vulnerability assessment (VA) and an emergency response plan (ERP) in place. New water or wastewater systems must provide a certification that an ERP is complete prior to the start of operations. A certification that a VA is complete must be submitted within one year of the start of operations. All other borrowers must provide a certification that a VA and ERP are complete prior to bid authorization.

RD does not need or want a copy of the VA or ERP. The requested certification will be sufficient to meet our needs. Technical assistance providers are available to provide the District with on-site assistance if desired.

14. Civil Rights & Equal Opportunity – The District should be aware of and will be required to comply with other Federal statute requirements including but not limited to:

Section 504 of the Rehabilitation Act of 1973 – Under Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794), no handicapped individual in the United States shall, solely by reason of their handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving RD financial assistance.

Civil Rights Act of 1964 – All borrowers are subject to, and facilities must be operated in accordance with, Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d *et seq.*) and Subpart E of Part 1901 of this title, particularly as it relates to conducting and reporting of compliance reviews. Instruments of conveyance for loans and/or grants subject to the Act must contain the covenant required by paragraph 1901.202(e) of this title.

The Americans with Disabilities Act (ADA) of 1990 – This Act (42 U.S.C. 12101 *et seq.*) prohibits discrimination on the basis of disability in employment, State and local government services, public transportation, public accommodations, facilities, and telecommunications. Title II of the Act applies to facilities operated by State and local public entities which provide services, programs, and activities. Title III of the Act applies to facilities owned, leased, or operated by private entities which accommodate the public.

Age Discrimination Act of 1975 – This Act (42 U.S.C. 6101 *et seq.*) provides that no person in the United States shall on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

RD financial programs must be extended without regard to race, color, religion, sex, national origin, marital status, age, or physical or mental handicap.

15. Contract Documents, Final Plans and Specifications –

- a. The contract documents should consist of the following:
 - i. EJCDC Document No. C-520, 2013 Edition, “Suggested Form of Agreement between Owner and Contractor (Stipulated Price) and EJCDC Document No. C-700, 2013 Edition, “Standard General Conditions of the Construction Contract” and Attachments. The EJCDC document is issued under copyright and cannot be provided by RD.
 - ii. “WV Supplemental General Conditions.” (See Attachment No. 7)

RUS Bulletin 1780-26, "Guidance for the Use of EJCDC Standard Documents on Water and Waste Projects with RUS Financial Assistance (April 11, 2014 Version)," must be used by the project engineer in the preparation of the contract documents.

- b. The contract documents must provide, as a minimum, the following insurance:
 - i. Liability Insurance – Personal Liability -- \$500,000; Property Damage -- \$200,000 each occurrence. This coverage must include indemnification of the District and its engineer. EJCDC Document C-700, "Standard General Conditions of the Construction Contract" and Exhibit H to RUS Bulletin 1780-26, "Supplementary Conditions" both suggest certain limits of liability for insurance coverage. Those limits should be considered as minimum requirements only. It is recommended the District consider increasing the given limits of liability after analyzing its specific needs.
 - ii. Builder's Risk Insurance – On all structures and mechanical and electrical equipment in place or stored on the site to the full insurable value thereof.
 - iii. Workers' Compensation – In accordance with applicable State laws:
 - c. The contract documents and final plans and specifications must be submitted to RD for approval.
 - d. The project must be designed in compliance with Section 504 of the Rehabilitation Act of 1973.
16. State Prevailing Wage Law – The District should ensure that all requirements of Article 5A of the West Virginia State Prevailing Wage Law, "Wages for Construction of Public Improvements" are met during construction of the project.
17. Disbursement of Funds – The RD funds will be advanced as they are needed in the amount(s) necessary to cover the RD proportionate share of any disbursements required of the District over 30 day periods. Funds will be disbursed by electronic transfer of funds.

The District will establish a separate fund, to be known and hereafter referred to as the Construction Account, with a lending institution insured by the Federal Deposit Corporation. The account shall be used solely for the purpose of paying the costs of the project as outlined in the construction budget. All funds in the account will be secured by a collateral pledge equaling at least 100% of the highest amount of funds expected to be deposited in the Construction Account. All deposits in excess of \$250,000 will be secured by a collateral pledge in accordance with 31 CFR 202.

The District must assure that all project funds are expended only for the eligible items included in the final project budget or as may be later approved by RD.

18. At a properly called meeting, the District must adopt and properly execute the following forms, and minutes showing the adoption must be provided:
 - a. Form RD 1940-1 – “Request for Obligation of Funds”
 - b. RUS Bulletin 1780-27 – “Loan Resolution (Public Bodies)”
 - c. Certification of Compliance
 - d. Form RD 1942-46, “Letter of Intent to Meet Conditions”
19. The enclosed Water and Waste Processing Checklist (Attachment No. 2) outlines the items needed to complete the loan docket. All the items listed must be included in the loan docket when it is forwarded to the USDA - Rural Development State Office with a request for loan closing instructions to be issued.
20. Upon receipt of the loan docket, which contains all the items required above, RD may authorize the District to advertise the project for construction bids. Such advertisement must be in accordance with appropriate State statutes. Immediately after bid opening the District must provide RD with (a) a certified bid tabulation, (b) the project engineer’s written evaluation of the bids received, and (c) the District’s written recommendations for contract awards. If all parties then agree the construction bids received are acceptable, it is determined that adequate funds are available to cover the total facility costs, and that all the administrative conditions of loan approval have been satisfied, loan closing instructions will be issued. The closing instructions, a copy of which will be forwarded to the District, will set forth any further requirements that must be met before the loan can be closed. When all parties agree that the closing requirements can be met, a mutually acceptable date for the loan closing will be scheduled.
21. Excess Loan Funds – If, after bid opening, there is determined to be a significant reduction in project cost, the District’s funding needs will be reassessed. Decreases in RD funds will be based on revised project costs and current number of users; however, other factors including RD regulations used at the time of loan approval will remain the same. Obligated loan funds not needed to complete the proposed project will be deobligated. Any reduction will be applied to grant funds first. In such cases, applicable forms, the letter of conditions, and other items will be revised.
22. Use of Remaining Funds – Applicant contributions will be the first funds expended in the project. Remaining funds may be considered in direct proportion to the amounts obtained from each source and handled as follows:
 - a. Remaining funds may be used for eligible loan purposes, provided the use will not result in major changes to the facility(s) and the purpose of the loan remains the same.

- b. Agency loan funds that are not needed will be applied as an extra payment on the Agency indebtedness unless other disposition is required by the bond ordinance, resolution, or State statute.
- c. Grant funds not expended for eligible purposes will be cancelled. Prior to actual cancellation, the District, project attorney and project engineer will be notified of the Agency's intent to cancel the remaining funds and given appropriate appeal rights.

If the conditions set forth in this letter are not met within twelve (12) months from the date hereof, RD reserves the right to discontinue processing of the application. In the event the project has not advanced to the point of loan closing within the twelve-month period and it is determined the District still wishes to proceed, it will be necessary that the proposed budget be reviewed again in detail. If during that review, it is determined the budget is no longer current and/or adequate, RD reserves the right to require that it be revised or replaced.

We believe the information herein clearly sets forth the actions which must be taken; however, if you have any questions, please do not hesitate to contact me.

Sincerely,

for BOBBY LEWIS
State Director

FACILITY TO SERVE AN AREA LAWFULLY WITHIN ITS JURISDICTION TO SERVE.

WHEREAS, it is necessary for the Marshall County Public Service District No. 2

(Public Body)

(herein after called Association) to raise a portion of the cost of such undertaking by issuance of its bonds in the principal amount of

One Million Five Hundred Ninety-Three Thousand & 00/100

pursuant to the provisions of Chapter 16 Article 13A, West Virginia Code; and

WHEREAS, the Association intends to obtain assistance from the United States Department of Agriculture, (herein called the Government) acting under the provisions of the Consolidated Farm and Rural Development Act (7 U.S.C. 1921 et seq.) in the planning, financing, and supervision of such undertaking and the purchasing of bonds lawfully issued, in the event that no other acceptable purchaser for such bonds is found by the Association:

NOW THEREFORE, in consideration of the premises the Association hereby resolves:

1. To have prepared on its behalf and to adopt an ordinance or resolution for the issuance of its bonds containing such items and in such forms as are required by State statutes and as are agreeable and acceptable to the Government.
2. To refinance the unpaid balance, in whole or in part, of its bonds upon the request of the Government if at any time it shall appear to the Government that the Association is able to refinance its bonds by obtaining a loan for such purposes from responsible cooperative or private sources at reasonable rates and terms for loans for similar purposes and periods of time as required by section 333(c) of said Consolidated Farm and Rural Development Act (7 U.S.C. 1983(c)).
3. To provide for, execute, and comply with Form RD 400-4, "Assurance Agreement," and Form RD 400-1, "Equal Opportunity Agreement," including an "Equal Opportunity Clause," which clause is to be incorporated in, or attached as a rider to, each construction contract and subcontract involving in excess of \$10,000.
4. To indemnify the Government for any payments made or losses suffered by the Government on behalf of the Association. Such indemnification shall be payable from the same source of funds pledged to pay the bonds or any other legal ly permissible source.
5. That upon default in the payments of any principal and accrued interest on the bonds or in the performance of any covenant or agreement contained herein or in the instruments incident to making or insuring the loan, the Government at its option may (a) declare the entire principal amount then outstanding and accrued interest immediately due and payable, (b) for the account of the Association (payable from the source of funds pledged to pay the bonds or any other legally permissible source), incur and pay reasonable expenses for repair, maintenance, and operation of the facility and such other reasonable expenses as may be necessary to cure the cause of default, and/or (c) take possession of the facility, repair, maintain, and operate or rent it. Default under the provisions of this resolution or any instrument incident to the making or insuring of the loan may be construed by the Government to constitute default under any other instrument held by the Government and executed or assumed by the Association, and default under any such instrument may be construed by the Government to constitute default hereunder.
6. Not to sell, transfer, lease, or otherwise encumber the facility or any portion thereof, or interest therein, or permit others to do so, without the prior written consent of the Government.
7. Not to defease the bonds, or to borrow money, enter into any contractor agreement, or otherwise incur any liabilities for any purpose in connection with the facility (exclusive of normal maintenance) without the prior written consent of the Government if such undertaking would involve the source of funds pledged to pay the bonds.
8. To place the proceeds of the bonds on deposit in an account and in a manner approved by the Government. Funds may be deposited in institutions insured by the State or Federal Government or invested in readily marketable securities backed by the full faith and credit of the United States. Any income from these accounts will be considered as revenues of the system.
9. To comply with all applicable State and Federal laws and regulations and to continually operate and maintain the facility in good condition.
10. To provide for the receipt of adequate revenues to meet the requirements of debt service, operation and maintenance, and the establishment of adequate reserves. Revenue accumulated over and above that needed to pay operating and maintenance, debt service and reserves may only be retained or used to make prepayments on the loan. Revenue cannot be used to pay any expenses which are not directly incurred for the facility financed by USDA. No free service or use of the facility will be permitted.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0572-0121. The time required to complete this information collection is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

- 11. To acquire and maintain such insurance and fidelity bond coverage as may be required by the Government.
- 12. To establish and maintain such books and records relating to the operation of the facility and its financial affairs and to provide for required audit thereof as required by the Government, to provide the Government a copy of each such audit without its request, and to forward to the Government such additional information and reports as it may from time to time require.
- 13. To provide the Government at all reasonable times access to all books and records relating to the facility and access to the property of the system so that the Government may ascertain that the Association is complying with the provisions hereof and of the instruments incident to the making or insuring of the loan.
- 14. That if the Government requires that a reserve account be established, disbursements from that account(s) may be used when necessary for payments due on the bond if sufficient funds are not otherwise available and prior approval of the Government is obtained. Also, with the prior written approval of the Government, funds may be withdrawn and used for such things as emergency maintenance, extensions to facilities and replacement of short lived assets.
- 15. To provide adequate service to all persons within the service area who can feasibly and legally be served and to obtain USDA's concurrence prior to refusing new or adequate services to such persons. Upon failure to provide services which are feasible and legal, such person shall have a direct right of action against the Association or public body.
- 16. To comply with the measures identified in the Government's environmental impact analysis for this facility for the purpose of avoiding or reducing the adverse environmental impacts of the facility's construction or operation.
- 17. To accept a grant in an amount not to exceed \$ 0

under the terms offered by the Government; that the n/a

and n/a of the Association are hereby authorized and empowered to take all action necessary or appropriate in the execution of all written instruments as may be required in regard to or as evidence of such grant; and to operate the facility under the terms offered in said grant agreement(s).

The provisions hereof and the provisions of all instruments incident to the making or the insuring of the loan, unless otherwise specifically provided by the terms of such instrument, shall be binding upon the Association as long as the bonds are held or insured by the Government or assignee. The provisions of sections 6 through 17 hereof may be provided for in more specific detail in the bond resolution or ordinance; to the extent that the provisions contained in such bond resolution or ordinance should be found to be inconsistent with the provisions hereof, these provisions shall be construed as controlling between the Association and the Government or assignee.

UNITED STATES OF AMERICA
MARSHALL COUNTY PUBLIC SERVICE DISTRICT NO. 2
WATER REVENUE BONDS, SERIES 2016 A
(UNITED STATES DEPARTMENT OF AGRICULTURE)

\$1,593,000

No. AR-1

Date: March 10, 2016

FOR VALUE RECEIVED, MARSHALL COUNTY PUBLIC SERVICE DISTRICT NO. 2 (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of ONE MILLION FIVE HUNDRED NINETY-THREE THOUSAND DOLLARS (\$1,593,000), plus interest on the unpaid principal balance at the rate of 2.50% per annum. The said principal and interest shall be paid in the following installments on the following dates: Annual installments of interest only, on March 10, 2017 and March 10, 2018 (24 months after the date hereof), and commencing April 10, 2018, monthly payments of \$5,417, covering principal and interest, on said 10th day of each month, to and including March 10, 2056 (40 years from the date of this Bond). Prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made

by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond is issued to (i) pay a portion of the costs of acquisition and construction of certain extensions, additions and improvements to the existing public waterworks system of the Issuer, and (ii) to pay costs of issuance and related costs.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the Registered Owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolutions and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted March 8, 2016, authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act of 1965, as amended. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS ISSUED ON A PARITY, AS TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, WITH THE BORROWER'S WATER REVENUE BONDS, SERIES 2014 A (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED JULY 11, 2014, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$2,241,000 (THE "SERIES 2014 A BONDS" OR THE "PRIOR BONDS").

In accordance with the requirements of the United States Department of Agriculture, the Bonds will be in default should any proceeds of the Bonds be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

Water Revenue Bonds, Series 2016 A
(United States Department of Agriculture)

Marshall County Public Service District No. 2
Moundsville, West Virginia

United States Department of Agriculture
Ripley, West Virginia

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Marshall County Public Service District No. 2 in Marshall County, West Virginia (the "Issuer"), of its \$1,593,000 Water Revenue Bonds, Series 2016 A (United States Department of Agriculture) dated the date hereof (the "Bonds"), pursuant to Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and a Bond Resolution duly adopted by the Issuer on March 8, 2016 (the "Bond Legislation"). We have examined the law and such certified copies of proceedings and other papers as we deem necessary to render this opinion.

The Bonds are issued for the purposes of (i) paying the costs of acquisition and construction of certain extensions, additions and improvements to the existing public waterworks system of the Issuer (the "Project"); and (ii) paying certain issuance and other costs in connection therewith.

As to questions of fact material to our opinion, we have relied upon the representations of the Issuer contained in the Bond Legislation and in the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The Issuer is duly created and validly existing as a public service district and as a public corporation and a political subdivision of the State of West Virginia with full power to adopt and enact the Bond Legislation, perform the agreements on its part contained therein and issue and sell the Bonds, all under the Act and other applicable provisions of law.
2. The Bond Legislation has been duly and effectively adopted and enacted by the Issuer and constitutes a valid and binding obligation of the Issuer enforceable upon the Issuer.
3. Pursuant to the Act, the Bond Legislation creates a valid lien on the funds pledged by the Bond Legislation for the security of the Bonds, on a parity with the Issuer's Water Revenue Bonds, Series 2014 A (United States Department of Agriculture), dated July 11, 2014, issued in the original aggregate principal amount of \$2,241,000 (the "Series 2014 A Bonds" or the "Prior Bonds").

4. The Bonds have been duly authorized, executed and delivered by the Issuer and are valid and binding special obligations of the Issuer, payable solely from the sources provided therefor in the Bond Legislation.

5. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

6. The Bonds are, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of the State, and interest on the Bonds is exempt from personal income taxes and corporate net income taxes imposed directly thereon by the State of West Virginia.

It is to be understood that the rights of the Holders of the Bonds and the enforceability of the Bonds, the Bond Legislation and the liens and pledges set forth therein may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that the enforcement thereof may also be subject to the exercise of judicial discretion in appropriate cases.

Very truly yours,

STEPTOE & JOHNSON PLLC
