ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolutions supplemental hereto, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13 of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared as follows:

A. The Town of New Haven (the "Issuer") is a municipality and political subdivision of the State of West Virginia in Mason County of said State.

B. The Issuer now owns and operates a public sewerage system. The refunding of the Sewer System Revenue Refunding Bonds, Series 2004, as hereinafter defined, is authorized and provided for and is a public purpose of the Issuer and is ordered for the purpose of meeting and serving public convenience and necessity. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that the Sewer System Revenue Refunding Bonds, Series 2004 be refunded. The existing public sewerage system of the Issuer, which constitute properties for the collection, transportation, treatment, purification, or disposal of liquid or solid wastes, residential sewage or industrial waste and any further additions, betterments and improvements thereto are herein called the "System".

C. The Issuer has heretofore issued its Sewer System Refunding Revenue Bonds, Series 2004, dated March 30, 2004, issued in the original aggregate principal amount of \$525,000 (the "Series 2004 Bonds").

D. It is in the best interest of the Issuer that the Series 2004 Bonds be currently refunded in order to allow the Issuer to take advantage of the interest savings.

E. It is deemed necessary for the Issuer to issue its Sewer System Refunding Revenue Bonds, Series 2010 A (the "Series 2010 A Bonds") in the total aggregate principal amount of not more than \$400,000 to pay in full the principal of and interest accrued on the Series 2004 Bonds, to fund the Series 2010 A Bonds Reserve Account, as hereinafter defined, and to pay costs of issuance thereof and related costs.

F. It is in the best interest of the Issuer that the Series 2010 A Bonds be sold to the Purchaser (as hereinafter defined) pursuant to the terms and provisions of the commitment letter of the Purchaser.

G. The Issuer has complied with all requirements of West Virginia law relating to authorization of the refunding of the Series 2004 Bonds, and the issuance of the Series 2010 A Bonds, or will have so complied prior to issuance of the Series 2010 A Bonds.

H. Upon the refunding of the Series 2004 Bonds, the Issuer will have the following outstanding obligations which will rank on a parity with the Series 2010 A Bonds as to liens, pledge, source of and security for payment, being the Issuer's Supplemental Subordinate Sewer Revenue Bonds, Series 1982 B (West Virginia Water Development Authority), dated October 27, 1982, issued in the original aggregate principal amount of \$89,500 (the "Series 1982 B Bonds" or the "Prior Bonds").

The Series 2010 Bonds shall be issued on a parity with the Prior Bonds with respect to liens, pledge and source of and security for payment and in all respects. Prior to the issuance of the Series 2010 Bonds, the Issuer will obtain (i) a certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the 1982 B Bonds are met, and (ii) the written consent of the Holders of the Series 1982 B Bonds, to the issuance of the Series 2010 B Bonds on a parity with the Series 1982 B Bonds. Other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. The Issuer is in compliance with the covenants of the Prior Bonds and the Prior Ordinance.

I. Pursuant to the Act, the Issuer has heretofore established a Sanitary Board and the Sanitary Board has petitioned the Governing Body to issue the Series 2010 Bonds for the purposes set forth herein.

The Issuer has complied with all requirements of West Virginia law relating to authorization and issuance of the Series 2010 A Bonds.

exchanges or transfers shall forthwith be cancelled by the Bond Registrar. ARTICLE IV **FUNDS AND ACCOUNTS; SYSTEM REVENUES AND APPLICATION THEREOF**

Section 4.01. Establishment of Funds and Accounts with Depository Bank. The following special funds or accounts are hereby created with and shall be held by the Depository Bank separate and apart from all other funds or accounts of the Depository Bank and the Issuer and from each other:

- (1) Revenue Fund (established by Prior Bond Ordinance and hereby continued); and
- (2) Renewal and Replacement Fund (established by Prior Bond Ordinance and hereby continued).

Section 4.02. Establishment of Funds and Accounts with Commission. The following special funds or accounts are hereby created with and shall be held by the Commission separate and apart from all other funds or accounts of the Commission and the Issuer and from each other:

Section 4.03. Covenants of the Issuer as to System Revenues and Funds. So long as the Series 2010 A Bonds shall be outstanding and unpaid, or until there shall have been set apart, a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Series 2010 A Bonds remaining unpaid, together with interest accrued and to accrue thereon, the Issuer further covenants with the holder of the Series 2010 A Bonds as follows:

A. **REVENUE FUND.** The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited as collected by the Issuer in the Revenue Fund established with the Depository Bank. The Revenue Fund shall constitute a trust fund for the purposes provided herein and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided herein.

B. **DISPOSITION OF REVENUES.** All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority:

(1) The Issuer shall first, each month, pay from the monies in the Revenue Fund all current Operating Expenses.

(2) The Issuer shall next, on the first of each month, transfer from the Revenue Account and remit to the Commission the amounts required to pay the interest on the Series 2010 A Bonds.

(3) The Issuer shall next, on the first of each month, transfer from the Revenue Account and simultaneously remit to the Commission (i) the amount required by Prior Ordinance to pay principal on the Prior Bonds; and (ii) the amount required to pay the principal on the Series 2010 A Bonds.

(4) The Issuer shall next, on the first of each month, transfer from the Revenue Account and simultaneously remit to the

Commission (i) the amount required by Prior Ordinance to be deposited in the Prior Bonds Reserve Account; and (ii) for deposit into the Series 2010 A Bonds Reserve Account the amount required to have on deposit therein the Series 2010 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2010 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2010 A Bonds Reserve Requirement.

(5) The Issuer shall next, on the first day of each month, from the monies remaining in the Revenue Fund, transfer to the Renewal and Replacement Fund, a sum equal to 2 ½% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) After all the foregoing provisions for use of monies in the Revenue Fund have been fully complied with, any monies remaining therein and not permitted to be retained therein may be used to prepay installments of the Series 2010 A Bonds, or for any lawful purpose.

Monies in the Series 2010 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2010 A Bonds as the same shall become due. Monies in the Series 2010 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest on the Series 2010 A Bonds as the same shall come due, when other monies in the Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on monies in the Series 2010 A Bonds Sinking Fund shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment due on the Series 2010 A Bonds.

Any withdrawals from the Series 2010 A Bonds Reserve Account, which result in a reduction in the balance of such account to below the Reserve Requirement thereof, shall be restored from the first Gross Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2010 A Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective Reserve Accounts in an amount equal to the requirement thereof.

The Issuer shall not be required to make any further payments into the Series 2010 A Bonds Sinking Fund, or the Series 2010 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2010 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the maturity thereof.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2010 A Bonds Sinking Fund, and the Series 2010 A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited. The Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2010 A Bonds, under the conditions and restrictions set forth herein.

C. CHANGE OF DEPOSITORY BANK. The Issuer may designate another bank or trust company insured by FDIC as Depository Bank if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

D. CHARGES AND FEES. The Issuer shall remit from the Revenue Fund to the Depository Bank and the Commission such additional sums as shall be necessary to pay the charges and fees of the Depository Bank or the Commission then due.

E. INVESTMENT OF EXCESS BALANCES. The monies in excess of the sum insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State of West Virginia.

F. REMITTANCES. All remittances made by the Issuer to the Depository Bank and the Commission shall clearly identify the fund or account into which each amount is to be deposited.

G. GROSS REVENUES. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE V GENERAL COVENANTS

Section 5.01. General Statement. So long as the Series 2010 A Bonds shall be outstanding and unpaid, or until there shall have been set apart a sum sufficient to prepay the entire principal of the Series 2010 A Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Bondholder.

Section 5.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues to pay all operating expenses of the System and to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2010 A Bonds and all other obligations secured by or payable from the revenues of the System on a parity with the Series 2010 A Bonds and sufficient to make the payments required herein into all funds and accounts and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, lease, mortgage or in any manner dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances. So long as the Series 2010 A Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System or any part thereof, without permission of the Purchaser unless the Series 2010 A Bonds are prepaid in full.

Section 5.04. Issuance of Additional Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, all Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2010 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of extensions, improvements or betterments to the System or refunding the Bonds issued pursuant hereto or subsequent Parity Bonds, or any combination of such purposes.

No Parity Bonds shall be issued at any time, unless there has been procured and filed with the Recorder a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in the certificate of the Independent Certified Public Accountants.

The Net Revenues actually derived from the System during the 12-consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holder of the Series 2010 A Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the Revenues of the System is subject to the prior and superior liens of the Bonds on such Revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Bond.

No Parity Bonds shall be issued any time, however, unless all the payments provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 5.05. Insurance and Bonds.

A. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Series 2010 A Bonds remain outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(i) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon any portion of the System now in use, on all above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion.

(ii) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$1,000,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Series 2010 A Bonds.

(iii) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$1,000,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(iv) Workers' Compensation Coverage for All Employees of the Issuer Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds have been or will be filed with the Recorder of the County Commission of said County prior to commencement of construction in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

(v) Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer.

(vi) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues

or other funds of the Issuer in such amount as may be requested by the Purchaser from time to time.

(vii) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, so long as the Series 2010 A Bonds are outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer with insurance carriers or bonding companies acceptable to Purchaser.

B. All insurance proceeds awarded to the Issuer that are not applied to the repair or replacement of the subject property damaged or destroyed, shall be applied by the Issuer to prepayment of the Bond, unless otherwise consented to in writing by the Bondholder.

Section 5.06. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2010 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2010 A Bonds and shall be on a parity with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 5.07. Fiscal Year; Budget. While the Series 2010 A Bonds are outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the 1st day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year preceding by more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.08. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 5.09. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions

relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser within 60 days of completion. The Issuer shall further comply with the Act with respect to such books, records and accounts.

Section 5.10. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Series 2010 A Bonds are outstanding.

Section 5.11. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

Section 5.12. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Bureau for Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Bureau for Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

ARTICLE VI **RATES, ETC.**

Section 6.01. Rates and Charges.

A. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the sewer rate ordinance of the Issuer adopted on February 23, 2010, which rates are incorporated herein by reference as a part hereof.

B. There shall not be any discrimination or differential in rates between customers in similar circumstances.

C. All delinquent fees, rates and charges for services or facilities of the System shall be liens on the premises served of equal degree, rank and priority with the lien on such premises of state, county, school and municipal taxes, as provided in the Act. The Issuer shall have all remedies and powers provided under the Act and other applicable provisions of law with regard to the collection and enforcement of such fees, rates and charges.

D. The Issuer will not render or cause to be rendered any free services of any nature by the System nor any of the facilities; and in the event that the Issuer or any department, agency, officer or employee thereof should avail itself or themselves of the services or facilities of the System, the same fees, rates and charges applicable to other customers receiving like services under similar circumstances shall be charged, such charges shall be paid as they accrue, and revenues so received shall be deposited and accounted for in the same manner as other Revenues of the System.

E. The Issuer may require any applicant for any service by the System to deposit a reasonable and equitable amount to insure payment of all charges for the services rendered by the System, which deposit shall be handled and disposed of under the applicable rules and regulations of the Public Service Commission of West Virginia.

F. The Issuer, to the extent permitted by law, will not accept payment of any sewer bill from a customer served with water and sewer services by the Issuer without payment at the same time of a water bill owed by such customer for the same premises.

ARTICLE VII TAX COVENANTS

Section 7.01. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2010 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2010 A Bonds during the term thereof is, under the terms of the Series 2010 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of

the Series 2010 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2010 A Bonds during the term thereof is, under the terms of the Series 2010 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2010 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the project, or if the Series 2010 A Bonds is for the purpose of financing more than one project, a portion of the project, and shall not exceed the proceeds used for the governmental use of that portion of the project to which such Private Business Use is related. All of the foregoing shall be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2010 A Bonds or \$5,000,000 are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2010 A Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2010 A Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2010 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions, or fail to take any actions which would adversely affect such exclusion.

Section 7.02. Arbitrage and Tax Exemption. Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by the Town of New Haven (the "Issuer") of its \$370,000 Sewer System Refunding Revenue Bonds, Series 2010 A (the "Bonds"), dated the date hereof.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13 of the West Virginia Code of 1931, as amended (the "Act"), and a Bond Ordinance duly enacted by the Issuer on October 26, 2010, as supplemented by a Supplemental Resolution duly adopted by the Issuer on October 26, 2010 (collectively, the "Bond Legislation"), and are subject to all the terms and conditions of the Bond Legislation. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation when used herein.

The Bonds are originally issued in the form of one bond, numbered AR-1, in fully registered form and bear interest on the principal amount thereof at the rate of 3.69% per annum, payable in monthly installments of principal and interest as set forth therein.

The Bonds are issued for the purposes of (i) refunding the Issuer's Sewer System Refunding Revenue Bonds, Series 2004 A, dated October 14, 2004, issued in the original aggregate principal amount of \$525,000 (the "Series 2004 A Bonds"); (ii) funding the Series 2010 A Bonds Reserve Account; and (iii) paying costs of issuance and related costs thereof.

The Bonds have been sold to Branch Banking and Trust Company, Charleston, West Virginia (the "Purchaser"), pursuant to a commitment letter dated October 21, 2010.

We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion. As to questions of fact material to our opinion, we have relied upon representations of the Issuer contained in the Bond Legislation and in the certified proceedings and other certifications of certain public officials furnished to us without undertaking to verify the same by independent investigation.

In connection with the issuance of the Bonds, the Issuer has executed a Certificate as to Arbitrage, dated as of the date hereof (the "Certificate as to Arbitrage"), which, among other things, sets forth restrictions on the investment and expenditure of the Bond proceeds and earnings thereon, to ensure that the arbitrage requirements of the Internal Revenue Code of 1986, as amended, and regulations thereunder (collectively, the "Code"), necessary to establish and maintain the excludability of interest on the Bonds from gross income for federal income tax purposes, are and will continue to be met.

Based upon the foregoing, and assuming compliance with the covenants of the Issuer set forth in the Bond Legislation and in certain certificates delivered in connection with the issuance of the Bonds, we are of the opinion, under existing law, that:

1. The Issuer is a duly created and validly existing municipal corporation and political subdivision under and pursuant to the laws of the State of West Virginia, with full power and authority to enact the Bond Legislation and to issue and sell the Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Bond Legislation has been duly adopted and enacted by the Issuer, is in full force and effect as of the date hereof and constitutes a valid and binding obligation of the Issuer enforceable in accordance with its terms.

3. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Purchaser and are valid, legally enforceable and binding special obligations of the Issuer, payable only from and secured by a lien on the Net Revenues of the System on a parity with the Issuer's Supplemental Subordinate Sewer Revenue Bonds, Series 1982 B (West Virginia Water Development Authority), dated October 27, 1982, issued in the original aggregate principal amount of \$89,500 (the "Series 1982 B Bonds").

4. Under existing laws, regulations, rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Bonds (a) is excludable from gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended and the regulations promulgated thereunder (the "Code") and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations under the Code. In addition, interest on the Bonds is not taken into account in determining adjusted current earnings for purposes of computing the alternative minimum tax on corporations. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Code that must be satisfied subsequent to issuance of the Bonds for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Bonds set forth in the Bond Legislation, and in certain certificates delivered in connection with the issuance of the Bonds. Failure to comply with certain of such Code provisions or such certifications, covenants and representations could cause the interest on the Bonds to be includable in gross income retroactive to the date of issuance of the Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Bonds except as expressly set forth in paragraphs 6 and 7.

5. Under the Act, the Bonds are exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof and the interest on the Bonds is exempt from personal and corporate income taxes imposed directly thereon by the State of West Virginia.

6. The Issuer has designated the Bonds as "qualified tax-exempt obligations" for purposes of the Code, and has covenanted that it does not reasonably expect to issue more than \$30,000,000 of tax-exempt obligations (other than private activity bonds and obligations issued to currently refund any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the outstanding amount of the refunded obligations) during the calendar year 2010. Therefore, the Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3)(B) of the Code.

7. The Series 2004 A Bonds have been paid within the meaning and with the effect expressed in the resolutions authorizing the issuance of the Series 2004 Bonds, and the covenants, agreements and other obligations of the Issuer to the holders and owners of the Series 2004 Bonds have been satisfied and discharged. In rendering the opinion set forth in this paragraph, we have relied upon the Loan Prepayment Notification of Summit Bank to the sufficiency of the monies on deposit to provide for the payment of the principal of, interest on, and premium, if any, of the Series 2004 Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of liens, pledges, rights or remedies with respect to the Bonds and the Bond Legislation may be subject to and limited by any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally, and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond No. AR-1 of said issue, and in our opinion, said Bond is in proper form and has been duly executed and authenticated.

Very truly yours,

As such counsel, we have reviewed copies of the approving opinion of Steptoe & Johnson PLLC, as bond counsel, the commitment letter dated October 21, 2010, from the Branch Banking and Trust Company, Charleston, West Virginia (the "Purchaser"), the Bond Ordinance of the Issuer duly enacted October 26, 2010, as supplemented by the Supplemental Resolution of the Issuer duly adopted October 26, 2010 (collectively, the "Bond Legislation"), and other documents relating to the Bonds. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation when used herein.

We are of the opinion that:

1. The Issuer has been duly created and is validly existing as a municipal corporation and political subdivision of the State of West Virginia.

4. The execution and delivery of the Bonds and the consummation of the transactions contemplated by the Bonds and the Ordinance, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or any existing law, regulation, court order or consent decree to which the Issuer is subject.

5. It is to be understood that the rights of the holders of the Bonds and the enforceability of liens, pledges, rights or remedies with respect to the Bonds and the Ordinance are subject to any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally, and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations required by law for the operation of the System.

7. To the best of our knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Bonds and the Ordinance, the operation of the System, the validity of the Bonds or pledge of the funds set forth in the Ordinance.

Ladies and Gentlemen:

Based upon the rates and charges set forth in the sewer rate ordinance of the Town of New Haven (the "Issuer"), enacted February 23, 2010 and projected operation and maintenance expenses and anticipated customer usage as furnished to me by Triad Engineering, the Consulting Engineer to the Issuer, it is my opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the sewerage system (the "System") of the Issuer, will pay all repair, operation and maintenance expenses of the System and leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Issuer's Sewer Refunding Revenue Bonds, Series 2010 A (the "Bonds"), and all other obligations secured by a lien on or payable from such revenues, including the Issuer's Supplemental Subordinate Sewer Revenue Bonds, Series 1982 B (West Virginia Water Development Authority), dated October 27, 1982, issued in the original aggregate principal amount of \$89,500 (the "Series 1982 B Bonds" or the "Prior Bonds").

It is my further opinion that the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Series 2010 A Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2010 A Bonds, if any, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Series 2010 A Bonds and the Prior Bonds.

Very truly yours,

John L. Ford

TOWN OF NEW HAVEN

Sewer Refunding Revenue Bonds, Series 2010 A
(Branch Banking and Trust Company)

CERTIFICATE AS TO ARBITRAGE

On this 9th day of November, 2010, the undersigned Mayor of the Town of New Haven, Mason County, West Virginia (the "Issuer"), being the official of the Issuer charged with the responsibility for issuing the above-referenced bonds (the "Bonds") of the Issuer, and acting for the Issuer and in its name, hereby certifies as follows with regard to the Bonds and use of the proceeds thereof, all capitalized terms used herein and not otherwise defined herein to have the same meanings set forth in the Bonds Ordinance duly enacted by the Issuer on October 26, 2010, as supplemented by a Supplemental Resolution duly adopted by the Issuer on October 26, 2010 (collectively, the "Bond Legislation"):

1. This certificate is being executed and delivered pursuant to Section 148 of the Internal Revenue Code of 1986, as amended, and the temporary and permanent regulations promulgated thereunder or any predecessor thereto (collectively, the "Code"). I am the officer of the Issuer duly charged with the responsibility of issuing the Bonds. I am familiar with the facts, circumstances and estimates herein certified and duly authorized to execute and deliver this certificate on behalf of the Issuer.

2. This certificate may be relied upon as the certificate of the Issuer.

3. The Issuer has not been notified by the Internal Revenue Service of any listing or proposed listing of it as an issuer that may not certify its obligations or the certification of which may not be relied upon by holders of obligations of the Issuer or that there is any disqualification of the Issuer by the Internal Revenue Service because a certification made by the Issuer contains a material misrepresentation.

4. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on November 9, 2010, the date on which the Bonds are to be physically delivered in exchange for more than a de minimus amount of the principal of the Bonds, and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

5. In the Bond Legislation pursuant to which the Bonds are issued, the Issuer has covenanted to not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Bonds which would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code. The Issuer has, therefore, covenanted to not intentionally use any portion of the proceeds of the Bonds to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except as otherwise allowed under Section 148 of the Code. The Issuer, in the Bond Legislation, has further covenanted that it will take all actions that may be required of it so that the interest on the Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

6. The Bonds were sold on November 9, 2010, to the Branch Banking and Trust Company, Charleston, West Virginia (the "Purchaser"), for a purchase price of \$97,247, being the par value thereof, there being no interest accrued thereon.

7. The principal of the Bonds in the amount of \$370,000 will be paid to the Issuer on the Closing Date, for the purposes of (i) refunding the Issuer's Sewer Revenue Bonds, Series 2004 (the "Series 2004 Bonds"); (ii) funding the Series 2010 A Bonds Reserve Account; and (iii) paying costs of issuance and related costs thereof. None of such monies will be deposited in a reserve or replacement fund, and all of such monies are necessary for such purpose.

8. All proceeds from the sale of the Bonds, together with any investment earnings thereon, if any, will be expended for payment of such refunding the Series 2004 Bonds and costs of issuance of the Bonds on or before December 1, 2010.

9. Sources and uses of the proceeds of the Bonds are as follows:

SOURCES

Gross Proceeds of the Bonds	\$370,000.00
Series 2004 Bonds Reserve Account	\$0.00
Total Sources	<u>\$370,000.00</u>

USES

Refunding Series 2004 Bonds	\$347,326.71
Fund Series 2010 A Bonds Reserve Account	\$19,723.29
Costs of Issuance	\$2,950.00
Total Uses	<u>\$370,000.00</u>

The costs of refunding the Series 2004 Bonds, funding the Series 2010 A Bonds Reserve Account and the costs of issuance of the Bonds is estimated to be at least equal to the gross proceeds of the Bonds. Except for the proceeds of the Bonds, no other funds of the Issuer will be available to meet such costs, which would constitute "replacement proceeds" within the meaning of Treas. Reg. § 1.148-1(c), inasmuch as (i) the Issuer does not reasonably expect that the term of the Bonds is longer than is reasonably necessary for the governmental purposes of the Issuer, (ii) the weighted average maturity of the Bonds does not exceed 120% of the average expected economic life of the betterments and improvements for the System, and (iii) there are no amounts that have a sufficiently direct nexus to the Bonds or to the governmental purpose of the Bonds to conclude that the amounts would have been used for that governmental purpose if the proceeds of the Bonds were not used or to be used for that governmental purpose.

10. Pursuant to Article IV of the Bond Ordinance, the following special funds have been created or continued relative to the Series 2010 A Bonds:

- (1) Revenue Fund (established by Prior Ordinance);
- (2) Renewal and Replacement Fund (established by Prior Ordinance);
- (3) Series 2010 A Bonds Proceeds Fund;
- (4) Series 2010 A Bonds Sinking Fund; and
- (5) Series 2010 A Bonds Reserve Account.

11. Pursuant to Article III of the Bond Ordinance, the proceeds of the Bonds will be paid by the Issuer to the holder of the Series 2004 Bonds. The remainder will be disbursed by the Purchaser to pay costs of issuance of the Bonds and related costs.

Except for "preliminary expenditures" as defined in Treas. Reg. §1.150-2(f)(2), none of the proceeds of the Bonds will be used to reimburse the Issuer for costs of operating and other expenses of the System previously incurred and paid by the Issuer with its own or other funds.

12. Monies held in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account will be used solely to pay the principal of and interest on the Bonds and will not be available to meet costs of operating and other expenses of the System.

13. Except for the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account, there are no other funds or accounts established or held by the Issuer which are reasonably expected to be used to pay the principal and interest on the Bonds, or which are pledged as collateral for the Bonds and for which there is a reasonable assurance that amounts therein will be available to pay debt service on the Bonds if the Issuer encounters financial difficulties. The Series 2010 A Bonds Reserve Account will be fully funded with bond proceeds in the amount of \$19,723.29.

14. Except for a reasonable temporary period until such proceeds are needed for the purpose for which such Bonds were issued or as otherwise allowed, no portion of the proceeds of the Bonds will be used, directly or indirectly, to acquire higher yielding investments, or to replace funds which were used, directly or indirectly, to acquire higher yielding investments, all within the meaning of Section 148 of the Code.

15. The Issuer will comply with the provisions of the Code, for which the effective date precedes the date of delivery of its Bonds to the Purchaser.

16. All proceeds of the Bonds will be expended on payment of currently refunding the Series 2004 Bonds and costs of issuance within 3 months from the date of issuance thereof.

17. The amount designated as cost of issuance of the Bonds consists only of costs which are directly related to and necessary for the issuance of the Bonds.

18. All property financed with the proceeds of the Bonds will be held for federal income tax purposes by (or on behalf of) a qualified governmental unit.

19. No more than 10% of the proceeds of the Bonds will be used (directly or indirectly) in any trade or business carried on by any person who is not a governmental unit. Less than 5% of the proceeds of the Bonds have been or will be used to make or finance loans to any person who is not a governmental unit. The covenants of the Issuer set forth above shall not, in any way, limit or restrict the ability of the Issuer to pay the costs of design and other preliminary costs of the Project, specifically including, but not limited to, engineering fees, from the proceeds of the Bonds.

20. The original proceeds of the Bonds will not exceed the amount necessary for the purposes of the issue.

21. The Issuer shall use the Bonds proceeds solely for currently refunding the Series 2004 Bonds, funding the Series 2010 A Reserve Account and costs of issuance and the System is and will be operated solely for a public purpose as a local governmental activity of the Issuer.

22. The Issuer shall not permit at any time or times any of the proceeds of the Bonds or any other funds of the Issuer to be used directly or indirectly in a manner which would result in the exclusion of the Bonds from treatment afforded by Section 103(a) of the Code by reason of classification of the Bonds as "private activity bonds" within the meaning of the Code. The Issuer will take all actions and refrain from taking such actions as shall be necessary to comply with the Code in order to ensure the interest on the Bonds is excludable from gross income for federal income tax purposes.

23. The Bonds are not and will not be, in whole or in part, directly or indirectly, federally guaranteed within the meaning of Section 149(b) of the Code.

24. RESERVED

25. The Issuer has retained the right to amend or supplement its authorizing documents if such amendment or supplement is necessary to preserve the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

26. The Issuer shall comply with the yield restriction on the proceeds of the Bonds as set forth in the Code.

27. There are no other obligations of the Issuer which (a) are to be issued at substantially the same time as the Bonds, (b) are to be sold pursuant to a common plan of financing together with any of the Bonds and (c) will be paid out of substantially the same source of funds or will have substantially the same claim to be paid out of substantially the same source of funds as any of the Bonds.

28. The transactions contemplated herein do not represent an exploitation of the difference between taxable and tax-exempt interest rates and the execution and delivery of the Bonds is not occurring sooner than otherwise necessary, nor are the Bonds in principal amounts greater than otherwise necessary or to be outstanding longer than otherwise necessary.

29. The Issuer covenants and agrees to comply with the rebate requirements of the Code if not exempted therefrom, and with all other requirements of the Code necessary, proper or desirable to maintain the tax-exempt status of the Bonds.

30. The Issuer shall file Form 8038-G in a timely fashion with the Internal Revenue Service.

31. On the basis of the foregoing, it is not expected that the proceeds of any of the Bonds will be used in a manner that would cause any of the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

32. To the best of my knowledge, information and belief, there are no other facts, estimates and circumstances which would materially change the expectations herein expressed.

33. Steptoe & Johnson PLLC is entitled to rely upon the representations, expectations, covenants, certifications and statements contained herein in rendering its opinions regarding the tax-exempt status of interest on the Bonds.

34. To the best of my knowledge, information and belief, the foregoing expectations are reasonable.

Dear Ms. Mallory:

Branch Banking and Trust Company ("BB&T") is pleased to offer this proposal for the financing requested by the Town of New Haven, West Virginia ("Town").

- (1) **Project:** Sewer System Revenue Refunding Bonds, Series 2010A
- (2) **Amount To Be Financed:** up to \$400,000.00
- (3) **Interest Rates, Financing Terms and Corresponding Payments:**

<u>Maturity</u>	<u>Rate</u>
March 1, 2019	3.69%

Payments shall be monthly in arrears, as requested. See the attached amortization schedule(s) for information on payments.

The interest rates stated above are valid for a closing not later than 45 days after today. Closing of the financing is contingent upon completing documentation acceptable to BB&T and upon the condition of the property being acceptable to BB&T. We shall review your most recent financial statements before funding this transaction.

Remuneration for our legal expenses, preparation of documentation and for providing the financing services for this financing transaction shall be \$2,950.00. All applicable taxes, permits, costs of lawyers for the Town and any other costs shall be the Town's responsibility and separately payable by the Town. The financing documents shall allow prepayment of the principal balance in whole on a scheduled payment date with a 1% prepayment premium.

The stated interest rates assume that the Town expects to borrow less than \$30,000,000 in calendar year 2010 and that the Town shall comply with IRS Code Sections 141, 148 and 149. BB&T reserves the right to terminate its interest in this bid or to negotiate a mutually acceptable rate if the financing is not qualified tax-exempt financing for the purpose of IRS Code Section 265(b)(3).

(4) **Financing Documents:**

It shall be the responsibility of the Town to retain and compensate counsel to appropriately structure the sewer revenue bond according to Federal and West Virginia State Statutes. BB&T shall also require the Town's Bond Counsel to provide an unqualified legal opinion. BB&T reserves the right to review the bond and it must be mutually accepted by BB&T and the Town.

(5)

The financing shall be secured by a parity lien on the revenues from the Town's sewer system. The Town shall charge sewer rates which shall provide debt service coverage of 1.10x after the payment of operating expenses through the maturity date.

* * * * *

BB&T appreciates the opportunity to make this financing proposal and requests to be notified within five days of this proposal should BB&T be the successful proposer.

BB&T shall have the right to cancel this offer by notifying the Town of its election to do so (whether or not this offer has previously been accepted by the Town) if at any time prior to the closing there is a material adverse change in the Town's financial condition, if we discover adverse circumstances of which we are currently unaware, if we are unable to agree on acceptable documentation with the Town or if there is a change in law (or proposed change in law) that changes the economic effect of this financing to BB&T. We reserve the right to negotiate and/or terminate our interest in this transaction should we be the successful proposer.

Please call me at (304) 353-1635 with your questions and comments. We look forward to hearing from you.

Town of New Haven
Sewer System Refunding Revenue Bonds, Series 2010 A
(Branch Banking and Trust Company)Town of New Haven
New Haven, West VirginiaSteptoe & Johnson PLLC
Charleston, West Virginia

Ladies and Gentlemen:

The undersigned Russell R. Akers, II, Vice President of Branch Banking and Trust Company, Charleston, West Virginia (the "Purchaser"), on behalf of the Purchaser in connection with its purchase of \$370,000 aggregate principal amount of the Sewer System Refunding Revenue Bonds, Series 2010 A (the "Bonds"), issued by the Town of New Haven (the "Issuer") on the date hereof, hereby makes the following representations and warranties to you that:

1. We have sufficient knowledge and experience in financial and business matters, including purchase and ownership of municipal revenue obligations, to be able to evaluate the risks and merits of the investment represented by our purchase of the Bonds, and our net worth and available assets are such that we are able to bear the economic risk of our purchase of the Bonds.

2. We understand that the entire principal of and interest on the Bonds are payable by the Issuer solely from the Gross Revenues of the System (as defined in the Ordinance of the Issuer enacted October 26, 2010); that the Bonds are special and limited obligations of the Issuer and are not general obligations or secured by any obligation or pledge of any monies received or to be received by the Issuer other than the Gross Revenues described above; that the Bonds do not now and shall never constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, all as set forth in the Ordinance.

3. We understand that no official statement, prospectus, offering circular or other offering statement containing material information with respect to the Issuer or the Bonds is being issued, that the Bonds are unrated, and that in due diligence, we have made our own inquiry and analysis with respect to the Issuer, the Bonds and the security therefor, and other material factors affecting the security for and payment of the Bonds, and are relying solely on such inquiry and analysis in our purchase of the Bonds.

4. We acknowledge that during the course of the transaction and prior to the sale of the Bonds, we have requested or have had access to information, including financial statements and other financial information, to which a reasonable investor would attach significance in making investment decisions, and we have had the opportunity to ask questions and receive answers from knowledgeable individuals concerning the Issuer, the Bonds and the security therefor, so that as a reasonable investor, we have been able to make our decision to purchase the Bonds. No such information requested by us has been denied to us.

5. Because of our experience in financial and business matters, we believe that we are qualified to make the inquiry and analysis described in paragraph 3 and to understand fully the documents and information described in paragraph 4.

6. We understand that the Bonds (a) are not being registered under the Securities Act of 1933, as amended, and are not being registered or otherwise qualified for sale under the "Blue Sky" laws and regulations of any state, (b) will not be listed on any stock or other securities exchange, (c) will carry no rating from any rating service, and (d) may be resold only to purchasers who meet the criteria set forth herein and who, as a condition to such purchase, deliver an executed letter substantially in the form hereof to Steptoe & Johnson PLLC, Charleston, West Virginia.

7. We have been informed by Steptoe & Johnson PLLC, bond counsel to the Issuer, that the Internal Revenue Code of 1986, as amended (the "Code"), prescribes satisfaction of several requirements in order that interest on the Bonds be and remain excludable from gross income for federal income tax purposes, some of which apply after issuance of the Bonds, and that noncompliance by the Issuer with certain of such requirements could cause interest on the Bonds to be includable in gross income for federal income tax purposes and thus, subject to federal income taxation retroactively to the date hereof. We have also been informed by Steptoe & Johnson that under the Code, interest on obligations, such as the Bonds, which are not "private activity bonds," are not an item of tax preference for purposes of the alternative minimum tax imposed on individuals and corporations by Section 55 of the Code, but that a provision of the Code which is applicable to corporations (as defined for federal income tax purposes), and which would impose an alternative minimum tax on a portion of the excess of adjusted net book income over pre-book alternative minimum taxable income, could subject part of the interest on the Bonds received by corporations to such corporate alternative minimum tax.

8. We are purchasing the Bonds for investment in our own account and do not intend to divide the Bonds purchased by us nor to resell or otherwise dispose of all or any part of the Bonds purchased by us, except as permitted by law on a basis of full disclosure to any subsequent holder of the Bonds and subject to applicable securities laws and regulations thereunder.

9. The Bonds and the other certificates, opinions and documents delivered in connection with the Bonds contain such terms and are in such form that are acceptable to the Purchaser.

10. We have had the opportunity to consult with and be advised by legal counsel as to the significance of this letter and we have satisfied ourselves that the Bonds are a lawful investment for us under all applicable laws.

Very truly yours,

BRANCH BANKING AND TRUST COMPANY

TOWN OF NEW HAVEN
SUPPLEMENTAL SUBORDINATE SEWER REVENUE BOND,
SERIES 1982

\$89,500

KNOW ALL MEN BY THESE PRESENTS: That the TOWN OF NEW HAVEN, a municipal corporation organized and existing under the laws of the State of West Virginia (the "Town"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the WEST VIRGINIA WATER DEVELOPMENT AUTHORITY (the "Authority") or its registered assigns (the "Alternate Payee"), in principal installments of \$2,418.92 payable on October 1 of each of the years from 1983 through 2019, inclusive, the aggregate sum of Eighty-nine Thousand Five Hundred Dollars (\$89,500) in any coin or currency which, on the respective dates of payment of principal, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia, through the Charleston National Bank, Charleston, West Virginia.

This Bond is subject to redemption prior to its stated date of maturity only with the written consent of the Authority, so long as it is the registered owner hereof.

This Bond represents the aggregate principal amount, being \$89,500, of an authorized issue of Bonds (the "Bonds") issued to refund a portion of certain renewed sewer system bond anticipation notes of the Town (the "Note"), the original of which Note was issued to finance the cost of construction and acquisition of certain additions, betterments and improvements to the municipal sewage system (the "System") of the Town. The remainder of the Note is being refunded with the proceeds of \$295,000 in aggregate principal amount of subordinate sewer revenue bonds issued contemporaneously herewith (the "Second Lien Bonds") and with certain other available funds of the Town. This Bond is authorized under and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13, of the Code of West Virginia, 1931, as amended (the "Act"), and an ordinance duly enacted by the Town Council of the Town on the 8th day of July, 1980, as amended thereby on the 22nd day of July, 1980, as supplemented thereby on the 4th day of August, 1980, as further supplemented and amended thereby on the 28th day of July, 1981, as further supplemented and amended thereby on the 8th day of June, 1982, as further supplemented thereby on the 14th day of June, 1982, as further amended and supplemented thereby on the 13th day of September, 1982, and as further supplemented thereby on the 25th day of October, 1982 (the "Ordinance"), and is subject to all the terms and conditions of said Ordinance. In addition to authorizing the Second Lien Bonds, the Ordinance provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured prior to the Bonds and

equally and ratably from and by the funds and revenues and other security provided for the Second Lien Bonds under the Ordinance.

The Bonds are payable only from and secured by the net revenues to be derived from the operation of the System, in the custody and under the control of the Sanitary Board of the Town, which net revenues shall be sufficient to pay the principal of, and interest on, all bonds which may be issued pursuant to the Act and which shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute a corporate indebtedness of the Town within the meaning of any constitutional or statutory provisions or limitations, nor shall said Town be obligated to pay the same except from said special fund provided from the net revenues from the operation of said System. By the Ordinance, the Town has covenanted and agreed to establish and maintain just and equitable rates or charges for the use of such System and the services rendered thereby, which shall be sufficient to provide for the reasonable expenses of operation, repair and maintenance of said System and to leave a balance each year equal to at least 130% of the amount required to pay the maximum amount due in any ensuing year of principal of and interest on all obligations, including the Second Lien Bonds and the Bonds, payable from such revenues. Notwithstanding any of the foregoing, the lien on, pledge of and security for payment of the Bonds from such revenues are junior and subordinate to the lien on, pledge of and security for payment from such revenues created by the Ordinance on behalf of the Second Lien Bonds. The Town has entered into certain further covenants with the holders of the Bonds for the terms of which reference is made to said Ordinance. Remedies provided the holders of the Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

THE BONDS ARE THIRD LIEN OBLIGATIONS OF THE TOWN. BOTH THE BONDS AND THE SECOND LIEN BONDS ARE JUNIOR, SUBORDINATE AND INFERIOR AS TO SOURCE OF PAYMENT AND SECURITY AND IN ALL OTHER RESPECTS TO \$103,000 IN PRINCIPAL AMOUNT OF THE TOWN'S SEWER REVENUE BONDS, DATED JUNE 1, 1963, OUTSTANDING ON THE DATE HEREOF.

This Bond is transferable, as provided in the Ordinance, only upon the books of the Town kept for that purpose at the office of the Treasurer of the State of West Virginia, by the Authority or the Alternate Payee or by his or her or its attorney duly authorized in writing, upon surrender of this Bond together with a written instrument of transfer satisfactory to the Treasurer of the State of West Virginia, duly executed by the Authority or the Alternate Payee, as appropriate, or his or her or its attorney duly authorized in writing. Upon the transfer of this Bond, there shall be issued another fully registered Bond or fully registered Bonds of the aggregate principal amount equal to the unpaid principal amount of this Bond upon transfer hereof.

This Bond is exchangeable at the option and expense of the registered holder hereof for other fully registered Bonds in the denomination of \$5,000 or any integral multiple thereof, in aggregate principal amount equal to the amount of this Bond then outstanding, with principal installments corresponding to the dates of payment of principal installments of this Bond; provided, that the Authority shall not be obligated to pay any expenses of such exchange or any transfer.

This Bond shall be exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

All money received from the sale of this Bond shall be applied solely to refunding the Note, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the holder or holders of the Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said Town, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the revenues of the System of said Town has been pledged to and will be set aside into said special fund by said Town for the prompt payment of the principal of the Bonds.

All provisions of the ordinances and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

IN WITNESS WHEREOF, the said Town of New Haven, West Virginia has caused this Bond to be signed by its Mayor, and its corporate seal to be hereunto affixed and attested by its Town Recorder, all as of the 27th day of October, 1982.

The Bonds shall be payable as to both principal and interest, and the Supplemental Bonds shall be payable as to principal, at the office of the Commission, through a paying agent or agents selected by the original purchaser or purchasers thereof, in any coin or currency that is legal tender for the payment of

public or private debts under the laws of the United States of America.

The WDA Bonds shall be issued in the form of two (2) single bonds, each fully registered to the Authority, one such bond representing the Bonds originally authorized hereby and the other such bond representing the Supplemental Bonds. Each such WDA Bond shall be in the denomination representing the aggregate principal amount of the Bonds originally authorized hereby or the Supplemental Bonds, as the case may be, and shall mature in principal installments as set forth above. Said WDA Bonds shall each be exchangeable at the option and expense of the Holder for other fully registered bonds in the denomination of \$5,000 or any integral multiple thereof, and the Bond originally authorized hereby shall also be so exchangeable for coupon Bonds in the denomination of \$5,000 each, with appropriate interest coupons for interest due and unpaid or to come due attached, in either case with principal installments or maturities, as applicable, corresponding to the dates of payment of principal installments of said WDA Bond exchanged; provided, that the Authority shall not be obligated to pay any expenses of such exchange.

Subsequent series of Bonds may be issued as coupon Bonds, registrable as to principal only, in the denomination of \$5,000 each, or as fully registered Bonds or one fully registered Bond, with payment records or record attached, in the denomination of \$5,000 or any integral multiple thereof. The coupon Bonds shall be dated as of the date specified in the Supplemental Resolution authorizing such coupon Bonds, or the sale thereof, and shall bear interest from their date, payable in accordance with, and upon surrender of, the appurtenant interest coupons as they severally mature. The registered Bonds shall be dated as of the date of their delivery to the original purchaser or purchasers thereof and shall bear interest from such date.

Except as otherwise provided in Section 3.04, before the delivery of any coupon Bonds, all matured coupons thereto attached, except matured coupons for which payment in full has not been provided, shall be cut off, cancelled and destroyed; provided, that if the coupon Bonds are issued in exchange for registered Bonds or a registered Bond upon which interest is in default, as shown by the records of the Treasurer of the State of West Virginia, such coupon Bonds shall have attached thereto all coupons maturing after the date to which interest has been paid in full, as shown

by such records, and in case any interest installments have been paid in part, appropriate notation shall be made on the coupons to evidence such fact.

C. Section 3.02 of the Original Ordinance is hereby amended and reenacted to read as follows:

Section 3.02. Execution of Bonds and Coupons and Supplemental Bonds. Said Bonds and Supplemental Bonds shall be executed in the name of the Town by the Mayor, and the seal of the Town shall be affixed thereto or imprinted thereon and attested by the Town Recorder. In case any one or more of the officers who shall have signed or sealed any of the Bonds or the Supplemental Bonds, as the case may be, shall cease to be such officer of the Town before the Bonds or the Supplemental Bonds, as the case may be, so signed and sealed have been actually sold and delivered, such Bonds or Supplemental Bonds, as the case may be, may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds or Supplemental Bonds, as the case may be, had not ceased to hold such office. Any Bonds or Supplemental Bonds, as the case may be, may be signed and sealed on behalf of the Town by such person as at the actual time of the execution of such Bonds or Supplemental Bonds, as the case may be, shall hold the proper office of the Town, although at the date of such Bonds or Supplemental Bonds, as the case may be, such person may not have held such office or may not have been so authorized.

Any coupons to be attached to the Bonds shall be authenticated with the manual or facsimile signature of the present or future Mayor and Town Recorder of the Town.

D. Section 3.03 of the Original Ordinance is hereby amended and reenacted to read as follows:

Section 3.03. Negotiability, Transfer and Registration. The Bonds and the Supplemental Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting any of said Bonds or the coupons appertaining thereto or any of said Supplemental Bonds, as the case may be, shall be conclusively deemed to have agreed that such Bonds or Supplemental Bonds, as the case may be, shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West

Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds or Supplemental Bonds, as the case may be, shall be incontestable in the hands of a bona fide holder for value in the manner provided hereinafter in the form of said Bonds or Supplemental Bonds, as the case may be.

So long as any of the Bonds or the Supplemental Bonds remains outstanding, the Treasurer of the State of West Virginia shall keep and maintain books for the registration and transfer of the Bonds or the Supplemental Bonds, as the case may be. Any coupon Bonds may be registered at the option of the Holder as to principal only at the office of the Treasurer of the State of West Virginia, such registration to be noted on the back of said coupon Bonds in the space provided therefor. After such registration as to principal only, no transfer of the coupon Bonds shall be valid unless made at said office by the registered owner, or by his or her duly authorized agent or representative, and similarly noted on the coupon Bonds, but the coupon Bonds may be discharged from registration by being in like manner transferred to bearer, and thereupon transferability by delivery shall be restored. At the option of the Holder the coupon Bonds may thereafter again from time to time be registered or transferred as before. Such registration as to principal only shall not affect the negotiability of the coupons, which shall continue to pass by delivery.

Unless otherwise provided by the Supplemental Resolution, at the option of the Holder, coupon Bonds may be exchanged for registered Bonds having maturities of principal installments identical to the maturities of the coupon Bonds being exchanged therefor.

A registered Bond or Supplemental Bond shall be transferable only upon the books of the Town, which shall be kept for that purpose at the office of the aforesaid Treasurer, by the registered owner thereof in person or by his or her attorney duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Treasurer of the State of West Virginia duly executed by the registered owner or his or her duly authorized attorney. Upon exchange or transfer of a registered Bond or of a Supplemental Bond, as the case may be, there shall be issued another registered Bond or Supplemental Bond, as the case may be, or registered Bonds or Supplemental Bonds, as the case may be, of

the aggregate principal amount equal to the unpaid amount of the transferred registered Bond or Supplemental Bond, as the case may be, or, with respect to the registered Bond, at the option of the Holder or the transferee, coupon Bonds with appropriate coupons attached, of the aggregate principal amount equal to the unpaid principal amount of such registered Bond, in either case having principal installments or maturities, as applicable, corresponding to the principal installments of such registered Bond or Supplemental Bond then unpaid.

In all cases in which the privilege of exchanging Bonds or Supplemental Bonds, as the case may be, or transferring a registered Bond or Supplemental Bond, as the case may be, is exercised, Bonds or Supplemental Bonds, as the case may be, shall be delivered in accordance with the provisions of this Ordinance. All Bonds and coupons and all Supplemental Bonds, as the case may be, surrendered in any such exchanges or transfers shall forthwith be cancelled by the Treasurer of the State of West Virginia; provided, however, that said Treasurer may hold coupon Bonds until the maturity thereof for use in future exchanges. For every such exchange or transfer of Bonds or Supplemental Bonds, as the case may be, the Treasurer of the State of West Virginia may make a charge sufficient to reimburse his or her office for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new coupon Bond or each new registered Bond or Supplemental Bond, as the case may be, upon each exchange or transfer, and any other expenses of said Treasurer incurred in connection therewith, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer; provided, however, the Authority shall not be obligated to pay any such sum or sums as a condition precedent. The Treasurer shall not be obliged to make any exchange or transfer of Bonds during the ten (10) days preceding any interest payment date on the Bonds or, in the case of any proposed redemption of Bonds or Supplemental Bonds, as the case may be, said Treasurer shall not be obliged to make any such exchange or transfer of Bonds or Supplemental Bonds, as the case may be, next preceding the date of the selection of Bonds or Supplemental Bonds, as the case may be, to be redeemed.

E. Section 3.04 of the Original Ordinance is hereby amended and reenacted to read as follows:

Section 3.04. Bonds or Supplemental Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond or Supplemental Bond, as the case may be, shall become mutilated or be destroyed, stolen or lost, the Town may in its discretion issue and deliver a new Bond with all unmatured coupons, if any, or a new Supplemental Bond, as the case may be, so mutilated, destroyed, stolen or lost in exchange and substitution for such mutilated Bond or Supplemental Bond, as the case may be, upon surrender and cancellation of such mutilated Bond, and attached coupons, if any, or such mutilated Supplemental Bond, as the case may be, or in lieu of and substitution for the Bond and coupons, if any, or the Supplemental Bond, as the case may be, destroyed, stolen or lost and upon the Holder's furnishing the Town proof of his or her ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Town may prescribe and paying such expenses as the Town may incur. All Bonds and coupons or Supplemental Bonds, as the case may be, so surrendered shall be cancelled by the Town Recorder and held for the account of the Town.

If such Bond or coupons or such Supplemental Bond, as the case may be, shall have matured or be about to mature, instead of issuing a substitute Bond or coupon or Supplemental Bond, as the case may be, the Town may pay the same, upon being indemnified as aforesaid, and if such Bond or coupons or such Supplemental Bond, as the case may be, be lost, stolen, or destroyed, without surrender therefor.

Any such duplicate Bond and coupons or Supplemental Bond, as the case may be, issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Town, whether or not the lost, stolen or destroyed Bond or coupons or Supplemental Bond, as the case may be, be at any time found by any one, and such duplicate Bond and coupons shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the revenues pledged herein with all other Bonds and coupons issued hereunder, and such duplicate Supplemental Bond shall be entitled to equal and proportional benefits and rights as to lien and source of and security for payment from the revenues pledged herein with all other Supplemental Bonds issued hereunder.

The Town shall also, from the Prior Fund, remit to the Commission, on such dates or at such other times as the Commission shall require, such additional sums as shall be necessary to pay the fiscal agency charges due for paying the Bonds and the interest thereon.

The Town shall also apportion and set apart out of the Prior Fund and remit to the Commission for deposit in said Sinking Fund, on the first day of each month, beginning on the first day of that month which is thirteen (13) months prior to the first principal payment date of said Bonds, a sum equal to one-twelfth (1/12) of the amount of principal which will mature and become due on said Bonds on the next ensuing principal payment date.

The Commission is hereby designated as the fiscal agent for the administration of the Sinking Fund created hereunder, and all amounts required for said Sinking Fund shall be remitted to the Commission from said Prior Fund by the Town at the times provided herein.

Moneys in the Sinking Fund shall be used only for the purposes of paying principal of and interest on the Bonds as the same shall become due.

(2) The Town shall next, from the Prior Fund, remit to the Commission for deposit in a Reserve Account in said Sinking Fund, on the first day of each month of each year, beginning with and including the month in which payments from the Prior Fund for semiannual interest are commenced, an amount equal to twenty percent (20%) of all amounts required to be deposited for maturing principal and interest into said Sinking Fund, as provided above, on said dates; provided, however, that no further payments shall be made into said Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the maximum amount of principal and interest that will mature and become due on said Bonds in any succeeding Fiscal Year.

Moneys in the Reserve Account shall be used only for the purpose of payment of maturing principal of and interest on the Bonds when other moneys in the Sinking Fund are insufficient therefor and for no other purpose.

Any withdrawals from the Reserve Account shall be subsequently restored from the first revenue available after all required payments to the Sinking Fund and Reserve Account, including any deficiencies for prior payments, have been made in full.

The Town shall not be required to make any further payments into said Sinking Fund or into the Reserve Account in said Sinking Fund when the

aggregate amount of funds in both said Sinking Fund and said Reserve Account are at least equal to the aggregate principal amount of Bonds issued pursuant to this Ordinance then outstanding, plus the amount of interest due or thereafter to become due on said Bonds then outstanding.

As and when additional Bonds ranking on a parity with the Bonds originally herein authorized are issued, provision shall be made for additional payments into said Sinking Fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the Reserve Account in said Sinking Fund in an amount equal to the maximum provided and required to be paid into the Sinking Fund in any Fiscal Year for account of all the Bonds, including such additional parity Bonds which by their terms are payable from said Sinking Fund.

The payments into the Sinking Fund shall be made on the first day of each month, except that when the first day of any month shall be a Sunday or legal holiday then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Ordinance.

Said Sinking Fund shall be used solely and only and is hereby pledged for the purpose of servicing the Bonds originally authorized hereby and any additional Bonds ranking on a parity therewith that may be issued and outstanding under the conditions and restrictions hereinafter set forth.

(B) Thereafter, from the moneys remaining in said Prior Fund, the Town shall next, on the first day of each month commencing with the first month in which interest shall be first payable from the Prior Fund, remit to a bank which is eligible under the laws of West Virginia to receive deposits of state and municipal funds for deposit in a special account to be designated the "Renewal and Replacement Fund," which fund is hereby established and created, a sum equal to two and one-half percent (2-1/2%) of the Gross Revenues each month, exclusive of any payments for account of the Reserve Account in the Sinking Fund. All funds in said Renewal and Replacement Fund shall be kept apart from all other funds of the Town or said bank, and all or any part of said fund may be and, to the fullest extent possible under applicable law and the need for

such funds for the purposes set forth in this section shall be, invested in Qualified Investments maturing or being subject to retirement at the option of the holder within not more than ten (10) years from the date of such investment. Withdrawals and disbursements may be made from said Renewal and Replacement Fund for replacements, emergency repairs, additions, betterments or improvements to the System; provided, however, that any deficiency in the Reserve Account (except to the extent such deficiency exists because the required payments into such Account have not, as of the date of determination of a deficiency, funded such Account to the maximum extent required by Section 4.01(A)(2)), shall be promptly eliminated with moneys from the Renewal and Replacement Fund in amounts sufficient to eliminate such deficiency.

(C) Whenever all of the required and provided transfers and payments from said Prior Fund into the several special funds, as hereinbefore provided, are current and there remains in said Prior Fund a balance in excess of the estimated amounts required to be so transferred and paid for Operating Expenses and into the Sinking Fund and the Renewal and Replacement Fund during the next succeeding three (3) months, such excess shall be considered as surplus revenues. Said surplus revenues shall be used for the purposes and in the order and priority as follows:

(1) To remit to the Commission for deposit into the Town of New Haven Supplemental Subordinate Sewer Revenue Bond Principal Account (the "Supplemental Bond Principal Account"), which is hereby created and established with the Commission, on the first (1st) day of each month, beginning with the first month in which said surplus revenues are available, a sum equal to one-twelfth (1/12th) of the amount of principal which will mature and come due on the Supplemental Bonds on the next ensuing principal payment date thereof; provided, however, that in the event that the period to elapse between said initial deposit date and the next principal payment date is less than thirteen (13) months, then such monthly deposits shall be increased proportionately to provide, one month prior to the next principal payment date, the amount of principal of the Supplemental Bonds maturing on said date; and, provided, further, that said deposit of surplus revenues one month prior to the next principal payment date shall be in the amount necessary to make the funds on deposit in the Supplemental Bond Principal Account at least equal to the principal of the Supplemental Bonds maturing on said date. Said Supplemental Bond Principal Account

shall be used only for the payment of principal of the Supplemental Bonds. The Town shall also, from said surplus revenues, remit to the Commission, on such dates or at such other times as the Commission shall require, such additional sums as shall be necessary to pay the charges due for paying the Supplemental Bonds. The Town hereby covenants to the Holders of the Supplemental Bonds to make the deposits and payments specified in this paragraph so long as any of the Supplemental Bonds shall be outstanding and unpaid. If there are no longer any Bonds outstanding, such deposits and payments shall be made from the Prior Fund or the Revenue Fund created by Subsection 4.01(B) hereof.

(2) For the construction and acquisition of improvements and extensions to the System.

(3) To the extent not needed for such purposes, said surplus revenues and any surplus moneys in the Sinking Fund, exclusive of the Reserve Account, in excess of the amount of interest to become due on the next interest payment date and the amount of principal to become due within the next succeeding thirteen (13) months, may be used to purchase Bonds upon the open market at a price not exceeding the par value thereof plus three percent (3%) of such par value, or to redeem Bonds at a price not in excess of the redemption price thereof, or for debt service on obligations, other than the Supplemental Bonds, not on a parity with the Bonds, the proceeds of which obligations were used to finance such additions, betterments or improvements.

(D) The moneys in excess of the sum insured by the maximum amounts insured by the FDIC in the Prior Fund and for the Renewal and Replacement Fund (unless remitted to the Commission) shall at all times be secured, to the full extent thereof in excess of such insured sum, by direct obligations of the United States of America or such other obligations as shall be eligible as security for deposits of state and municipal funds under the laws of the State of West Virginia.

(E) If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds on the subsequent payment dates.

(F) Moneys in the Reserve Account shall be invested and reinvested by the Commission in Qualified Investments having maturities not longer than five (5) years from the date of purchase.

(G) All remittances made by the Town to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

(H) After the Prior Bonds have been paid in full (or provisions therefor have been made), all the revenues from the operation of the System shall be deposited in a bank in the State of West Virginia eligible to receive deposits of State and municipal funds in a special fund, to be designated the "Revenue Fund." The Revenue Fund shall constitute a trust fund for the purposes provided in this Ordinance and shall be kept separate and distinct from all other funds of the Town and used only for the purposes and in the manner herein provided. All revenues in the Revenue Fund shall first each month be used to pay all reasonable Operating Expenses of the System. Thereafter, disbursements shall be made from the Revenue Fund in the same priority and to the same extent as such were made from the Prior Fund, as described above.

Section 2.04. Amendments to Article V of the Original Ordinance. Article V of the Original Ordinance is hereby amended and reenacted to read as follows:

ARTICLE V

WDA BONDS TO REFUND NOTES

At the maturity, or call prior to maturity, of the Notes, as provided in Article VII hereof, the WDA Bonds shall be used to defease the Notes and pay issuing expenses required by the Authority. The Town hereby assigns its right to receive funds as proceeds of said WDA Bonds to the Authority, and there shall be no transfer of funds by the Authority to the Town as payment for said WDA Bonds, except to pay costs of issuance of the WDA Bonds and related costs. Said funds received by the Town to pay costs of issuance of the WDA Bonds and related costs shall be deposited by the Town in a separate account to be designated the "WDA Bonds Cost of Issuance Account" hereby established in the Construction Trust Fund created by Subsection 8.01(B) hereof. After paying such costs of issuance and related costs approved by the Council of the Town and allowable under the Act, any moneys remaining in

the WDA Bonds Cost of Issuance Account may be drawn out, used and applied by the Town for the payment of any remaining costs of construction and acquisition of the Project, and purposes incidental thereto. If for any reason such funds received, or any part thereof, are not necessary for, or are not applied to, such purposes, then such unapplied proceeds shall be deposited by the Town in the Reserve Account in the Sinking Fund and shall be used only as provided therefor. Any funds received as payment for the WDA Bonds shall be and constitute a trust fund for the purposes above, and there is hereby created a lien upon such moneys, until so applied, in favor of the Holders of the WDA Bonds.

Section 2.05. Amendments to Article VI of the Original Ordinance. Article VI of the Original Ordinance shall be amended as follows:

A. Section 6.01 of the Original Ordinance is hereby amended and reenacted to read as follows:

Section 6.01. General Covenants of the Town. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the Town and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds or the Supplemental Bonds, as applicable. In addition to the other covenants, agreements and provisions of this Ordinance, the Town hereby covenants and agrees with the Holders of the Bonds and the Supplemental Bonds, as the case may be, as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Bonds or the interest thereon or any of said Supplemental Bonds, as the case may be, is outstanding and unpaid.

Until the payment in full of the principal of and interest on the Notes when due, the covenants, agreements and provisions contained in this Ordinance shall, where applicable, inure to the benefit of the Noteholders and constitute valid and legally binding covenants of the Town, enforceable in any court of competent jurisdiction by any Holder or Holders of said Notes.

B. Section 6.02 of the Original Ordinance is hereby amended and reenacted to read as follows:

Section 6.02. Bonds and Supplemental Bonds Not To Be Indebtedness of the Town. Neither the Bonds nor coupons appertaining thereto nor the Supplemental Bonds, as the case may be, shall be or constitute an indebtedness of the Town within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the revenues of the System, as herein provided. No Holder or Holders of any Bonds issued hereunder, or of any coupon appertaining thereto, or of any Supplemental Bonds, as the case may be, shall ever have the right to compel the exercise of the taxing power of the Town to pay said Bonds or the interest thereon or said Supplemental Bonds, as the case may be.

C. Section 6.03 of the Original Ordinance is hereby amended and reenacted to read as follows:

Section 6.03. Bonds and Supplemental Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Notes and the Bonds issued hereunder shall be secured forthwith equally and ratably by a lien on the Net Revenues derived from the operation of the System, to the extent necessary, with respect to the Bonds, to make the payments required under Section 4.01 of this Ordinance; provided, that such lien is junior and subordinate to the lien held by the holders of the Prior Bonds. The payment of the principal of the Supplemental Bonds shall also be secured by a lien on the Net Revenues derived from the operation of the System, to the extent necessary to make the payments required under Section 4.01 of this Ordinance; provided, that said lien on the Net Revenues shall be junior and subordinate to the respective liens on the Net Revenues created on behalf of the Prior Bonds and the Bonds. The revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Bonds herein authorized, to pay the principal of the Supplemental Bonds and to make the payments into the Sinking Fund, including the Reserve Account therein, and all other payments provided for in this Ordinance are hereby irrevocably pledged, in the manner provided in this Ordinance, to the payment of the principal of and interest on the Notes and the Bonds herein authorized as the same become due, to the payment of the principal of the Supplemental Bonds as the same becomes due and for the other purposes provided in this Ordinance; provided, that said pledge for the payment of the principal of the Supplemental Bonds shall be junior and subordinate to said pledge for the payment of the principal of and interest on the Bonds, which is, in turn, junior and subordinate to the pledge of said revenues created on behalf of the Prior Bonds.

D. Section 6.04 of the Original Ordinance is hereby amended and reenacted to read as follows:

Section 6.04. Rates. Prior to the issuance of the WDA Bonds, equitable rates or charges for the use of and services rendered by the System will be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file in the office of the Sanitary Board and in the office of the Town Recorder, each of which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments on behalf of the Prior Bonds and into the funds and accounts created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Town hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient to provide for all reasonable expenses of operation, repair and maintenance of the System and to leave a balance each year equal to at least 130% of the maximum amount required in any ensuing year to pay the interest and principal as the same become due and accomplish retirement of all obligations other than the Notes, including the WDA Bonds, for the payment of which such revenues have or shall have been pledged, charged or otherwise encumbered.

E. Section 6.06 of the Original Ordinance is hereby amended and reenacted to read as follows:

Section 6.06. Sale of the System. The System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully, as provided by Section 9.06 hereof, all the Notes or the Bonds and Supplemental Bonds, as the case may be, outstanding. The proceeds from such sale, mortgage, lease or other disposition of the System shall, with respect to the Bonds and the Supplemental Bonds, immediately be remitted to the Commission for deposit in the Sinking Fund and the Supplemental Bond Principal Account in amounts respectively sufficient to effect such defeasance pursuant to Section 9.06. In the event the

Authority is no longer a Bondholder, such proceeds must be deposited in amounts respectively sufficient to redeem all the Bonds and Supplemental Bonds then outstanding, at the earliest possible redemption date, and the Town shall direct the Commission to apply such proceeds to effect such redemption at the earliest possible redemption date. Any balance remaining after the payment of all the Bonds and any interest thereon and of all the Supplemental Bonds shall be remitted to the Town by the Commission unless necessary for the payment of other obligations of the Town payable out of the revenues of the System. With respect to the Notes, such proceeds in an amount sufficient to pay in full the Notes shall be remitted to the Holder thereof.

The foregoing provision notwithstanding, the Town shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of Ten Thousand Dollars (\$10,000), the Sanitary Board shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Council of the Town may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of Ten Thousand Dollars (\$10,000) but not in excess of Fifty Thousand Dollars (\$50,000), the Sanitary Board shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and the Council of the Town may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property, in excess of \$10,000 and not in excess of \$50,000, shall be remitted by the Town to the Commission for deposit in the Sinking Fund and shall be applied only to the purchase of Bonds of the last maturities then outstanding at prices not greater than the par value thereof plus three percent (3%) of such par value. Such payments of such proceeds into the Sinking Fund or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Ordinance.

No sale, lease or other disposition of the properties of the System shall be made by the Town if the proceeds to be derived therefrom shall be in excess of \$50,000 and insufficient to pay all the Bonds and Supplemental Bonds then outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of sixty-six and two-thirds percent (66-2/3%) in amount of the Bonds and sixty-six and two-thirds percent (66-2/3%) in amount of the Supplemental Bonds, as the case may be, then outstanding. The Town shall prepare the form of such approval and consent for execution by the then Holders of the Bonds and the Supplemental Bonds, as the case may be, for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

F. Section 6.07 of the Original Ordinance is hereby amended and reenacted to read as follows:

Section 6.07. Issuance of Other Obligations Payable out of Revenues and General Covenant Against Encumbrances. The Town shall not issue any other obligations whatsoever payable from the proceeds of the Bonds or the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such proceeds or revenues with the Notes or the Bonds; provided, that additional notes on a parity with the renewal note provided for in Section 7.01 hereof may be issued as authorized by the Authority; and provided, further, that additional Bonds on a parity with the Bonds may be issued as provided for in Section 6.08 hereof. All obligations hereafter issued by the Town payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Notes and the Bonds; provided, however, that no such subordinate obligations shall be issued unless the Reserve Account in the Sinking Fund is funded to the extent that no further payments are required thereto as provided in Subsection 4.01(A)(2); and provided, further, that no such subordinate obligations shall be issued as long as any of the Supplemental Bonds is outstanding without the prior written consent of the Authority.

Except as provided above, the Town shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Notes or the Bonds, as the case may

be, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Notes or the Bonds, as the case may be, and the interest thereon in this Ordinance, or upon the System or any part thereof or, with respect to the Notes, upon the proceeds of the WDA Bonds.

G. Section 6.11 of the Original Ordinance is hereby amended and reenacted to read as follows:

Section 6.11. Remedies and Appointment of Receiver. Any Noteholder or Bondholder may, by proper legal action, compel the performance of the duties of the Town under this Ordinance and the Act, including the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any default in the payment of interest on any Notes or Bonds when the same shall become due or in the payment of the principal of any Note or Notes, any Bond or Bonds or any Supplemental Bond or Supplemental Bonds, as the case may be, at the respective specified dates of maturity thereof, or otherwise in the performance of any covenant contained in this Ordinance other than as to such payment and such default shall continue for a period of thirty (30) days after written notice to the Town of such default, any Noteholder or Bondholder shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Town with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the Bonds and any interest coupons appertaining thereto and of the Supplemental Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Town exercise all the rights and powers of the Town with respect to said facilities as the Town itself might do.

Whenever all that is due upon the Notes or the Bonds issued pursuant to this Ordinance and interest thereon and upon the Supplemental Bonds, as the case may be, and under any covenants of this Ordinance for Reserve, Sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Ordinance shall have been cured and made good, possession of the System shall be surrendered to the Town upon the entry of an order of the court to that effect. Upon any subsequent default, any Holder of the Notes, Bonds or Supplemental Bonds issued pursuant to this Ordinance shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Town and for the joint protection and benefit of the Town and the Holders of Notes, Bonds and Supplemental Bonds issued pursuant to this Ordinance. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System for the sole purpose of the protection of both the Town and Noteholders or Bondholders, and the curing and making good of any default under the provisions of this Ordinance, and the title to and ownership of said System shall remain in the Town, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

H. Section 6.12 of the Original Ordinance is hereby amended and reenacted to read as follows:

Section 6.12. Enforcement of Collections. The Town will diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System and take all steps, actions and proceedings for the enforcement and collection of such fees, rates, rentals or other charges that shall become delinquent to the full extent permitted or authorized by the laws of the State of West Virginia. All such rates and charges, if not paid when due, shall become a lien on the premises served by the System.

Whenever any rates, rentals or charges for services or facilities of the System shall remain unpaid for a period of thirty (30) days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. The Town further covenants and agrees that in the event it has a municipally owned waterworks system (the "Water System"), it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System and the Water System to all delinquent users of services and facilities of the System and will not restore such services of either the System or the Water System until all delinquent charges for the services and facilities of the System, plus reasonable interest penalty charges for the restoration of service, have been fully paid.

I. Section 6.14 of the Original Ordinance is hereby amended and reenacted to read as follows:

Section 6.14. Books and Records. The Town will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Town, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Note or Notes, a Bond or Bonds or a Supplemental Bond or Supplemental Bonds issued pursuant to this Ordinance shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Town relating thereto.

The accounting system for the System shall follow currently accepted accounting practices and safeguards. Separate control accounting records shall be maintained by the Town. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Town. The Town shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Town shall be reported to such agent of the Town as the Council of the Town shall direct.

The Town shall file with the Consulting Engineers and the Authority, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of Notes, Bonds or Supplemental Bonds requesting the same, an annual report containing the following:

A. A statement of Gross Revenues, Operating Expenses and Net Revenues derived from the System.

B. A balance sheet statement showing all deposits in all the funds provided for in this Ordinance and the status of all said funds.

The Town shall also, at least once a year, cause the books, records and accounts of the System to be audited by a certified public accountant and shall mail upon request, and make available generally, the report of said certified public accountant, or a summary thereof, to any Holder or Holders of Notes, Bonds or Supplemental Bonds issued pursuant to this Ordinance and shall file said report with the Authority, or any other original purchaser of the Bonds.

Section 2.06. Bonds To Mean WDA Bonds with Respect to Security for and Payment of Notes. References in Article VII of the Original Resolution and in the Notes to the sale of, and security for and payment of the Notes from the proceeds of, the Bonds are hereby deemed to mean the WDA Bonds. With respect to Subsection 7.07(B) of the Original Ordinance and as agreed by the Authority, the aggregate principal amount of the WDA Bonds required may, and shall, be reduced to the extent the Town has other funds available for refunding the Notes.

Section 2.07. Amendments to Article IX of the Original Ordinance. Article IX of the Original Ordinance shall be amended as follows:

A. Section 9.01 of the Original Ordinance is hereby amended and reenacted to read as follows:

Section 9.01. Modification or Amendment. No material modification or amendment of this Ordinance or of any ordinance or resolution amendatory hereof or supplemental hereto that would materially and adversely affect the rights of the Holders of any Notes, Bonds or Supplemental Bonds, as the case may be, shall be made without the consent in writing of the respective Holders of two-thirds (2/3) or more in principal amount of such Notes, Bonds or Supplemental Bonds, as the case may be, then outstanding; provided, however, that no change shall be made in the maturity of any Note or Notes, any Bond or Bonds or any Supplemental Bond or Supplemental Bonds, as the case may be, or in the principal amount thereof or the rate of interest on any Note or Notes or any Bond or Bonds or affecting the unconditional promise of the Town to pay such principal and interest out of the funds herein pledged therefor without the consent of the respective Holder thereof. No amendment or modification shall be made that would reduce the percentage of the principal amount of Notes, Bonds or Supplemental Bonds, as the case may be, required for consent to the above-permitted amendments or modifications.

B. Section 9.06 of the Original Ordinance is hereby amended and reenacted to read as follows:

Section 9.06. Defeasance. If the Town shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Notes, Bonds or Supplemental Bonds, as the case may be, the principal thereof, and to the Holders of any coupons appertaining to said Notes or Bonds the interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, then the pledge of any revenues and other moneys and securities pledged under this Ordinance and all covenants, agreements and other obligations of the Town to the Noteholders or the Bondholders, as the case may be, shall thereupon cease, terminate and become void and be discharged and satisfied.

Bonds or coupons or interest installments thereon or Supplemental Bonds, as the case may be, for the payment of which either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the paying agent at the same or earlier time, shall be sufficient, to pay as and when due the

principal of and interest on such Bonds or the principal of such Supplemental Bonds, as the case may be, shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Bonds and any coupons appertaining thereto or all Supplemental Bonds, as the case may be, shall prior to the maturity thereof be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Commission either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Commission at the same time, shall be sufficient, to pay when due the principal of and interest due and to become due, on and prior to the maturity dates thereof, on said Bonds, or to pay when due the principal of said Supplemental Bonds, as the case may be. Neither securities nor moneys deposited with the Commission pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Bonds or the payment of the principal of said Supplemental Bonds, as the case may be; provided, that any cash received from such principal or interest payments on such securities deposited with the Commission, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and the interest due and to become due, on and prior to such maturity dates thereof, on said Bonds, or the principal of said Supplemental Bonds, as the case may be, and interest earned from such reinvestments shall be paid over to the Town as received by the Commission, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations.

C. Section 9.07 of the Original Ordinance is hereby amended and reenacted to read as follows:

Section 9.07. Restrictions as to Arbitrage Bonds. The Town shall not permit at any time or times any of the proceeds of the Notes, the Bonds or the Supplemental Bonds or any other funds of the Town to be used directly or indirectly to acquire any securities or obligations the acquisition of which would cause any Note, Bond or Supplemental Bond to be an "arbitrage bond" as defined in Section 103(c)(2) of the Internal Revenue Code, and the Mayor of the Town

shall deliver his or her certificate, based upon this covenant, with regard thereto to the original purchasers of the Notes, Bonds or Supplemental Bonds, as the case may be.

ARTICLE III

MISCELLANEOUS

The Charleston National Bank, Charleston, West Virginia, has been selected as paying agent for the Authority and is hereby designated as the paying agent for the WDA Bonds. Accordingly, both the Bonds originally authorized by the Ordinance and the Supplemental Bonds are payable as to principal, and the Bonds originally authorized by the Ordinance are payable as to interest, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia, through the Charleston National Bank, Charleston, West Virginia. There shall be no alternate paying agent for the WDA Bonds.

ARTICLE III

Conditions to WDA Loans; Issuance of Governmental Agency Bonds

3.1 The agreement of the Authority to make the Loan is subject to the Authority's issuing and delivering the 1982 Series A Bonds and subject to the requirements of Section 3.4 hereof and to the fulfillment, to the satisfaction of the Authority, of each and all of those certain conditions precedent on or before the delivery date for the Local Bonds, which shall be a date mutually agreed upon by the Authority and the Governmental Agency and which date shall not be prior to one (1) business day before the scheduled maturity of the Governmental Agency's bond anticipation notes or other short-term indebtedness issued in anticipation of the Governmental Agency Bonds, if any (or earlier redemption date thereof if such notes or other short-term indebtedness are in fact called for redemption), nor later than twenty-seven (27) months from the date the 1982 Series A Bonds are delivered to the initial purchasers thereof; provided that, if such Local Bonds are not delivered on or before the date so mutually agreed upon, the Authority may use monies for the purchase of local bonds of

other governmental agencies in accordance with Section 3.4 hereof. Said conditions precedent are as follows:

(b) The Governmental Agency shall have authorized the issuance of and delivered to the Authority for purchase the Governmental Agency Bonds described in Section 3.2 hereof;

(c) The Governmental Agency shall have received bids for the construction of the Project which are in an amount and otherwise compatible with the plan of financing described in the Application;

(d) The Governmental Agency shall have obtained all requisite orders of and approvals from the West Virginia Public Service Commission necessary for the issuance of the Governmental Agency Bonds, construction of the Project and imposition of the rates required to comply with the provisions of Subsection 4.1(b)(iii) hereof and shall have taken any other action required for the imposition of such rates;

3.2 Subject to the terms and provisions of this Loan Agreement, the rules and regulations promulgated by the Authority and the rules, regulations and procedures promulgated from time to time by EPA, it is hereby agreed that the Authority shall make the WDA Loans to the Governmental Agency and the Governmental Agency shall accept the WDA Loans from the Authority, and in furtherance thereof it is agreed that the Governmental Agency shall sell to the Authority and the Authority shall make the WDA Loans by purchasing the Governmental Agency Bonds in the principal amount set forth on Schedule X hereto and providing proceeds of not less than \$326,000, such Governmental Agency Bonds to consist of a mix of Local Bonds and Supplemental Bonds as will result in annual debt service on the Governmental Agency Bonds, together with the outstanding indebtedness set forth on Schedule X, of not in excess of \$50,000. The Local Bonds will be purchased by the

Authority at a price of not less than seventy percent (70%) of the principal amount thereof, and the Supplemental Bonds will be purchased by the Authority at a price equal to one hundred percent (100%) of the principal amount thereof, all as more particularly set forth on Schedule X hereto. The Local Bonds and the Supplemental Bonds shall be issued and sold to the Authority simultaneously. 3.4 The Governmental Agency understands and acknowledges that it is one of several governmental agencies which have applied to the Authority for loans to finance water development projects and that the obligation of the Authority to make any such loan is subject to the sale and the availability of proceeds of the 1982 Series A Bonds at the time the Governmental Agency has fulfilled all of the terms and conditions of this Loan Agreement and to the right of the Authority to make such loans to other governmental agencies as in the aggregate shall permit the fullest and most timely utilization of such proceeds to enable the Authority to pay debt service on the 1982 Series A Bonds.

3.5 In the event the earnings on that portion of the proceeds of the 1982 Series A Bonds issued to purchase the Local Bonds are not sufficient to pay the interest accruing on said portion of the 1982 Series A Bonds pending issuance and delivery of the Local Bonds, the Governmental Agency agrees to issue additional Supplemental Bonds in principal amount equal to such deficiency (as determined by the Authority) and sell such additional Supplemental Bonds to the Authority and assign the proceeds thereof to the Authority, which shall use such proceeds to reimburse itself for such deficiency.

ARTICLE IV

Governmental Agency Bonds; Security for WDA Loans;
Repayment of WDA Loans; Interest on WDA Loans;
Fees and Charges

4.1 The Governmental Agency shall, as one of the conditions of the Authority to make the WDA Loans, authorize

the issuance of and issue the Governmental Agency Bonds pursuant to an official action of the Governmental Agency in accordance with the applicable statute of the State of West Virginia (the "Local Act"), which shall, as enacted, contain provisions and covenants in substantially the form as follows:

(a) That the revenues generated from the operation of the System will be used monthly first to pay operation and maintenance expenses of the System; second, to the extent not otherwise limited by an outstanding local ordinance or resolution, to provide debt service on the Local Bonds, which shall include the establishment of a reserve account for the payment of the Local Bonds into which shall be deposited an amount equal to 20% of all amounts required to be deposited for debt service until such reserve account equals the maximum amount of principal and interest which will come due on such Local Bonds in any year; third, to create a renewal and replacement, or similar, fund in an amount equal to 2-1/2% of the gross revenues from the System, exclusive of the payments into the reserve account, for the purpose of improving or making emergency repairs or replacements to the System, or eliminating any deficiencies in the aforesaid reserve account; and, fourth, to pay debt service on the Supplemental Bonds or to purchase Local Bonds on the open market, or to redeem Local Bonds, or to pay debt service on obligations junior and subordinate to the Local Bonds (other than the Supplemental Bonds). The gross revenues of the System shall always be used for purposes of the System.

(b) Covenants substantially as follows:

(i) That the Governmental Agency Bonds shall be secured by the net revenues from the System;

(ii) That the Supplemental Bonds shall be subordinate to the Local Bonds as to lien and source of payment.

(iii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which along with other revenues of the System will pay all reasonable expenses of operation, repair and maintenance of the System and leave a balance each year equal to at least 130% of the maximum amount required for debt service on all obligations, including the Governmental Agency Bonds, payable from the revenues of the System;

(iv) That the Governmental Agency will complete, operate and maintain the System in good condition;

(v) That the System may not be sold, mortgaged, leased or otherwise disposed of except as a

whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Governmental Agency Bonds outstanding, with further restrictions on the disposition of portions of the System as are normally contained in such covenants;

(vi) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements financed by such parity bonds, shall not be less than 130% of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued; provided, however, that additional parity bonds may be issued to complete the Project without regard to the foregoing;

(vii) That the Governmental Agency will carry such insurance as is customarily carried with respect to works and properties similar to the System;

(viii) That the Governmental Agency will not render any free services of the System;

(ix) That any bondholder may, by proper legal action, compel the performance of the duties of the Governmental Agency under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Governmental Agency Bonds, the right to obtain the appointment of a receiver to administer the System as provided by law;

(x) That all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(xi) That, in the event the Governmental Agency owns a waterworks system (the "Water System"), it will, to the full extent permitted by law, discontinue and shut off the services and facilities of the System and the Water System to all delinquent users of services of the System and will not restore the services of either system until all delinquent charges for the services of the System have been fully paid;

(xii) That the Governmental Agency will not grant any franchise to provide any services which would compete with the System;

(xiii) That the Governmental Agency shall annually cause the records of the System to be audited by a certified public accountant;

(xiv) That the Governmental Agency shall annually adopt a detailed budget of the estimated expenditures for operation and maintenance of the System during the succeeding fiscal year;

(xv) That, to the extent authorized by the laws of the State, prospective users of the System shall be required to connect thereto;

(xvi) That, except to the extent used to refund notes or other short-term indebtedness issued in anticipation thereof, the proceeds of Governmental Agency Bonds, except for accrued interest, must be deposited in a construction fund on which the holder of the Governmental Agency Bonds shall have a lien until such proceeds are applied to the construction of a water development project.

The Governmental Agency hereby represents and warrants that the Local Act has been or shall be duly enacted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, sale and delivery of the Local Bonds shall be approved without qualification by recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit A.

4.2 The WDA Loans shall be secured by the pledge and assignment by the Governmental Agency, as effected by the Local Act, of all the fees, charges and other revenues of the Governmental Agency from the System remaining after the payment of operation and maintenance expenses and as otherwise provided in the Local Act, subject only to such reservations and exceptions as are described in Schedule X hereto or are otherwise expressly permitted in writing by the Authority.

4.3 The principal of the WDA Loans shall be repaid by the Governmental Agency annually on the day and in the years provided in Schedule X hereto, and interest payments on the Loan shall be made by the Governmental Agency on a semi-annual basis as provided in said Schedule X.

4.4 The Loan shall bear interest from the date of the delivery to the Authority of the Local Bonds, at a coupon rate or rates per annum which shall be equal to the coupon rate or

rates per annum borne by the 1982 Series A Bonds for corresponding maturities issued to provide the funds to make the Loan; provided, however, that in no event shall the coupon interest rate or the interest cost exceed any statutory limitation with regard to the issuance of the Local Bonds. The Supplemental Loan will not bear interest.

4.5 The Governmental Agency Bonds shall be delivered to the Authority in fully registered form, exchangeable as provided in the Local Act at the expense of the Governmental Agency.

4.6 The Governmental Agency agrees to pay from time to time, as required by the Authority, the Governmental Agency's allocable share of the administrative expenses (based on the percentage of the Governmental Agency's Local Bonds to all other local bonds purchased by the Authority and then outstanding) of the Authority relating to all loans to be made by the Authority to governmental agencies with the proceeds of the 1982 Series A Bonds. Such administrative expenses shall be as determined by the Authority and shall include without limitation program expenses and fees paid to the trustee and paying agents for such revenue bonds.

4.7 As long as the Authority is the registered owner of all of the Governmental Agency Bonds outstanding, the Governmental Agency will not redeem such Governmental Agency Bonds outstanding without the written consent of the Authority, and any such redemption of Local Bonds authorized by the Authority shall provide for the payment of interest to the first allowable redemption date for the Authority's 1982 Series A Bonds and the redemption premium payable on the 1982 Series A Bonds redeemable as a consequence of such redemption of Local Bonds. Nothing in this Loan Agreement shall be construed to prohibit the Authority from refunding its 1982 Series A Bonds, and such refunding need not be based upon or result in any benefit to the Governmental Agency.

ARTICLE V

Acquisition of Site of Eligible Project; Certain Construction Requirements

5.1 Subject to the terms, conditions and provisions of this Loan Agreement and of the Local Act, the Governmental Agency shall do all things necessary to acquire the proposed site of the Project and to construct the Project in accordance with the plans, designs and specifications prepared for the Governmental Agency by the Consulting Engineers.

5.2 The Governmental Agency shall keep complete and accurate records of the cost of acquiring the Project site and

the costs of constructing, acquiring and installing the Project. The Governmental Agency shall permit the Authority, acting by and through its Director or his duly authorized representatives, to inspect all books, documents, papers and records relating to the Project at any and all reasonable times for the purpose of audit and examination, and the Governmental Agency shall submit to the Authority such documents and information as it may reasonably require in connection with the administration of the WDA Loans or of Federal and State grants or other sources of financing for the Project.

5.3 The Governmental Agency shall require that each construction contractor furnish a performance bond and a payment bond each in an amount at least equal to one hundred percent (100%) of the contract price of the portion of the Project covered by the particular contract, as security for the faithful performance of such contract.

5.4 The Governmental Agency shall require that each of its contractors and all subcontractors maintain, during the life of the construction contract, workmen's compensation coverage, public liability insurance, property damage insurance and vehicle liability insurance in amounts and on terms satisfactory to the Authority. Until the Project facilities are completed and accepted by the Governmental Agency, the Governmental Agency or (at the option of the Governmental Agency) the contractor shall maintain builders risk insurance (fire and extended coverage) on a one hundred percent (100%) basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Governmental Agency, the prime contractor and all subcontractors, as their interests may appear.

5.5 The Governmental Agency shall provide and maintain competent and adequate resident engineering services satisfactory to the Authority covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such resident engineer shall certify to the Authority, EPA and the Governmental Agency at the completion of construction that construction is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

Certain Covenants of the Governmental Agency; Imposition and Collection of User Charges; Payments to be Made by Governmental Agency to the Authority

6.1 The Governmental Agency hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this Loan Agreement and the Local Act. The Governmental Agency hereby further irrevocably covenants and agrees that, as one of the conditions of the Authority to make the WDA Loans, it has fixed and collected, or will fix and collect, the rates, fees and other charges for the use of the System, of which the Project constitutes a whole or a part, as set forth in the Local Act and in compliance with the provisions of Subsection 4.1(b)(iii) hereof.

6.2 In the event the Governmental Agency defaults in the payment of any of said fees and charges to the Authority, the amount of such default shall bear interest at the coupon rate of the Local Bonds, from the date of the default until the date of the payment thereof.

6.3 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Governmental Agency Bonds shall prove to be insufficient to produce the minimum sums set forth in the Local Act, the Governmental Agency hereby covenants and agrees that it will, upon notice by the Authority, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges so as to provide funds sufficient to produce the minimum sums set forth in the Local Act.

6.4 The Governmental Agency hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Governmental Agency, the Authority may exercise any or all of the rights and powers granted under Section 6a of the Act, including without limitation the right to directly impose, enforce and collect charges upon users of the System of which the Project constitutes a whole or a part.

ARTICLE VII

Other Agreements of the Governmental Agency

7.5 The Governmental Agency hereby covenants that, to the extent the proceeds of the Governmental Agency Bonds are used to refund notes or other short-term indebtedness of the Governmental Agency issued in anticipation of the issuance of the Governmental Agency Bonds (the "refunding proceeds"), the yield to the Governmental Agency upon any investment of the refunding proceeds shall be restricted and may in no event exceed the yield on the Governmental Agency Bonds. [Opinion of Bond Counsel for Governmental Agency]

[To Be Dated as of Date of Loan Closing]

West Virginia Water Development Authority
1201 Dunbar Avenue
Dunbar, West Virginia 25064

Gentlemen:

We are bond counsel to _____
(the "Governmental Agency"), a municipal corporation organized
and existing under the laws of the State of West Virginia.

We have examined a certified copy of proceedings and
other papers relating to (i) the authorization of a loan
agreement (the "Loan Agreement"), dated _____,
19___, between the Governmental Agency and the West Virginia
Water Development Authority (the "Authority") and (ii) the
issue of two separate series of revenue bonds of the Govern-
mental Agency, dated _____, 19___ (the "Governmental
Agency Bonds"), to be purchased by the Authority in accordance
with the provisions of the Loan Agreement. The series of
Governmental Agency Bonds described in the Loan Agreement as
Local Bonds is in the principal amount of \$_____, issued
in the form of one bond registered as to principal and interest
to the Authority, interest payable April 1 and October 1 of
each year, beginning _____, 19___, at the respective
rate or rates and with principal payable in installments on
October 1 in each of the years, all as follows:

-------------	--------------------	----------------------

The series of Governmental Agency Bonds described in
the Loan Agreement as the Supplemental Bonds is in the
principal amount of \$_____, issued in the form of one
bond registered as to principal to the Authority, without
interest thereon, with principal payable in installments on
October 1 in each of the years, as follows:

Year

Installment

The Governmental Agency Bonds are issued for the purpose of _____ and paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of Chapter 16, Article 13, of the West Virginia Code of 1931, as amended (the "Code Provision"), under which the Governmental Agency Bonds are issued and the Loan Agreement that has been undertaken, including all schedules and exhibits to the Loan Agreement. The Governmental Agency Bonds have been authorized by a bond ordinance (the "Local Act") duly enacted by the Governmental Agency, which contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement. The Governmental Agency Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion that:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding obligation of the Governmental Agency enforceable in accordance with the terms thereof.
2. The Loan Agreement inures to the benefit of the Authority and cannot be amended so as to affect adversely the rights of the Authority or diminish the obligations of the Governmental Agency without the consent of the Authority.
3. Conditions to WDA Loans; Issuance of Governmental Agency Bonds

3.1 The agreement of the Authority to make the Loan is subject to the Authority's issuing and delivering the 1982 Series A Bonds and subject to the requirements of Section 3.4 hereof and to the fulfillment, to the satisfaction of the Authority, of **each and all** of those certain conditions precedent on or before the delivery date for the Local Bonds, which shall be a date mutually agreed upon by the Authority and the Governmental Agency and which date shall not be prior to one (1) business day before the scheduled maturity of the Governmental Agency's bond anticipation notes or other short-term indebtedness issued in anticipation of the Governmental Agency Bonds, if any (or earlier redemption date thereof if such notes or other short-term indebtedness are in fact called for redemption), nor later than twenty-seven (27) months from the date the 1982 Series A Bonds are delivered to the initial purchasers thereof; provided that, if such Local Bonds are not delivered on or before the date so mutually agreed upon, the Authority may use monies for the purchase of local bonds of

other governmental agencies in accordance with Section 3.4 hereof. Said conditions precedent are as follows:

(a) The Governmental Agency shall have performed and satisfied all of the terms and conditions to be performed and satisfied by it in this Loan Agreement;

(b) The Governmental Agency shall have authorized the issuance of and delivered to the Authority for purchase the Governmental Agency Bonds described in Section 3.2 hereof;

(c) The Governmental Agency shall have received bids for the construction of the Project which are in an amount and otherwise compatible with the plan of financing described in the Application;

(d) The Governmental Agency shall have obtained all requisite orders of and approvals from the West Virginia Public Service Commission necessary for the issuance of the Governmental Agency Bonds, construction of the Project and imposition of the rates required to comply with the provisions of Subsection 4.1(b)(iii) hereof and shall have taken any other action required for the imposition of such rates;

3.2 Subject to the terms and provisions of this Loan Agreement, the rules and regulations promulgated by the Authority and the rules, regulations and procedures promulgated from time to time by EPA, it is hereby agreed that the Authority shall make the WDA Loans to the Governmental Agency and the Governmental Agency shall accept the WDA Loans from the Authority, and in furtherance thereof it is agreed that the Governmental Agency shall sell to the Authority and the Authority shall make the WDA Loans by purchasing the Governmental Agency Bonds in the principal amount set forth on Schedule X hereto and providing proceeds of not less than \$326,000, such Governmental Agency Bonds to consist of a mix of Local Bonds and Supplemental Bonds as will result in annual debt service on the Governmental Agency Bonds, together with the outstanding indebtedness set forth on Schedule X, of not in excess of \$50,000. The Local Bonds will be purchased by the

Authority at a price of not less than seventy percent (70%) of the principal amount thereof, and the Supplemental Bonds will be purchased by the Authority at a price equal to one hundred percent (100%) of the principal amount thereof, all as more particularly set forth on Schedule X hereto. 3.5 In the event the earnings on that portion of the proceeds of the 1982 Series A Bonds issued to purchase the Local Bonds are not sufficient to pay the interest accruing on said portion of the 1982 Series A Bonds pending issuance and delivery of the Local Bonds, the Governmental Agency agrees to issue additional Supplemental Bonds in principal amount equal to such deficiency (as determined by the Authority) and sell such additional Supplemental Bonds to the Authority and assign the proceeds thereof to the Authority, which shall use such proceeds to reimburse itself for such deficiency.

ARTICLE IV

Governmental Agency Bonds; Security for WDA Loans;
Repayment of WDA Loans; Interest on WDA Loans;
Fees and Charges

4.1 The Governmental Agency shall, as one of the conditions of the Authority to make the WDA Loans, authorize

the issuance of and issue the Governmental Agency Bonds pursuant to an official action of the Governmental Agency in accordance with the applicable statute of the State of West Virginia (the "Local Act"), which shall, as enacted, contain provisions and covenants in substantially the form as follows:

(a) That the revenues generated from the operation of the System will be used monthly first to pay operation and maintenance expenses of the System; second, to the extent not otherwise limited by an outstanding local ordinance or resolution, to provide debt service on the Local Bonds, which shall include the establishment of a reserve account for the payment of the Local Bonds into which shall be deposited an amount equal to 20% of all amounts required to be deposited for debt service until such reserve account equals the maximum amount of principal and interest which will come due on such Local Bonds in any year; third, to create a renewal and replacement, or similar, fund in an amount equal to 2-1/2% of the gross revenues from the System, exclusive of the payments into the reserve account, for the purpose of improving or making emergency repairs or replacements to the System, or eliminating any deficiencies in the aforesaid reserve account; and, fourth, to pay debt service on the Supplemental Bonds or to purchase Local Bonds on the open market, or to redeem Local Bonds, or to pay debt service on obligations junior and subordinate to the Local Bonds (other than the Supplemental Bonds). The gross revenues of the System shall always be used for purposes of the System.

(b) Covenants substantially as follows:

(i) That the Governmental Agency Bonds shall be secured by the net revenues from the System;

(ii) That the Supplemental Bonds shall be subordinate to the Local Bonds as to lien and source of payment.

(iii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which along with other revenues of the System will pay all reasonable expenses of operation, repair and maintenance of the System and leave a balance each year equal to at least 130% of the maximum amount required for debt service on all obligations, including the Governmental Agency Bonds, payable from the revenues of the System;

(iv) That the Governmental Agency will complete, operate and maintain the System in good condition;

(v) That the System may not be sold, mortgaged, leased or otherwise disposed of except as a

whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Governmental Agency Bonds outstanding, with further restrictions on the disposition of portions of the System as are normally contained in such covenants;

(vi) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements financed by such parity bonds, shall not be less than 130% of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued; provided, however, that additional parity bonds may be issued to complete the Project without regard to the foregoing;

(vii) That the Governmental Agency will carry such insurance as is customarily carried with respect to works and properties similar to the System;

(viii) That the Governmental Agency will not render any free services of the System;

(ix) That any bondholder may, by proper legal action, compel the performance of the duties of the Governmental Agency under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal or interest on the Governmental Agency Bonds, the right to obtain the appointment of a receiver to administer the System as provided by law;

(x) That all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(xi) That, in the event the Governmental Agency owns a waterworks system (the "Water System"), it will, to the full extent permitted by law, discontinue and shut off the services and facilities of the System and the Water System to all delinquent users of services of the System and will not restore the services of either system until all delinquent charges for the services of the System have been fully paid;

(xii) That the Governmental Agency will not grant any franchise to provide any services which would compete with the System;

(xiii) That the Governmental Agency shall annually cause the records of the System to be audited by a certified public accountant;

(xiv) That the Governmental Agency shall annually adopt a detailed budget of the estimated expenditures for operation and maintenance of the System during the succeeding fiscal year;

(xv) That, to the extent authorized by the laws of the State, prospective users of the System shall be required to connect thereto;

(xvi) That, except to the extent used to refund notes or other short-term indebtedness issued in anticipation thereof, the proceeds of Governmental Agency Bonds, except for accrued interest, must be deposited in a construction fund on which the holder of the Governmental Agency Bonds shall have a lien until such proceeds are applied to the construction of a water development project.

The Governmental Agency hereby represents and warrants that the Local Act has been or shall be duly enacted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, sale and delivery of the Local Bonds shall be approved without qualification by recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit A.

4.2 The WDA Loans shall be secured by the pledge and assignment by the Governmental Agency, as effected by the Local Act, of all the fees, charges and other revenues of the Governmental Agency from the System remaining after the payment of operation and maintenance expenses and as otherwise provided in the Local Act, subject only to such reservations and exceptions as are described in Schedule X hereto or are otherwise expressly permitted in writing by the Authority.

4.3 The principal of the WDA Loans shall be repaid by the Governmental Agency annually on the day and in the years provided in Schedule X hereto, and interest payments on the Loan shall be made by the Governmental Agency on a semi-annual basis as provided in said Schedule X.

4.4 The Loan shall bear interest from the date of the delivery to the Authority of the Local Bonds, at a coupon rate or rates per annum which shall be equal to the coupon rate or

rates per annum borne by the 1982 Series A Bonds for corresponding maturities issued to provide the funds to make the Loan; provided, however, that in no event shall the coupon interest rate or the interest cost exceed any statutory limitation with regard to the issuance of the Local Bonds. The Supplemental Loan will not bear interest.

4.5 The Governmental Agency Bonds shall be delivered to the Authority in fully registered form, exchangeable as provided in the Local Act at the expense of the Governmental Agency.

4.6 The Governmental Agency agrees to pay from time to time, as required by the Authority, the Governmental Agency's allocable share of the administrative expenses (based on the percentage of the Governmental Agency's Local Bonds to all other local bonds purchased by the Authority and then outstanding) of the Authority relating to all loans to be made by the Authority to governmental agencies with the proceeds of the 1982 Series A Bonds. Such administrative expenses shall be as determined by the Authority and shall include without limitation program expenses and fees paid to the trustee and paying agents for such revenue bonds.

4.7 As long as the Authority is the registered owner of all of the Governmental Agency Bonds outstanding, the Governmental Agency will not redeem such Governmental Agency Bonds outstanding without the written consent of the Authority, and any such redemption of Local Bonds authorized by the Authority shall provide for the payment of interest to the first allowable redemption date for the Authority's 1982 Series A Bonds and the redemption premium payable on the 1982 Series A Bonds redeemable as a consequence of such redemption of Local Bonds. Nothing in this Loan Agreement shall be construed to prohibit the Authority from refunding its 1982 Series A Bonds, and such refunding need not be based upon or result in any benefit to the Governmental Agency.

ARTICLE V

Acquisition of Site of Eligible Project; Certain Construction Requirements

5.1 Subject to the terms, conditions and provisions of this Loan Agreement and of the Local Act, the Governmental Agency shall do all things necessary to acquire the proposed site of the Project and to construct the Project in accordance with the plans, designs and specifications prepared for the Governmental Agency by the Consulting Engineers.

5.2 The Governmental Agency shall keep complete and accurate records of the cost of acquiring the Project site and

the costs of constructing, acquiring and installing the Project. The Governmental Agency shall permit the Authority, acting by and through its Director or his duly authorized representatives, to inspect all books, documents, papers and records relating to the Project at any and all reasonable times for the purpose of audit and examination, and the Governmental Agency shall submit to the Authority such documents and information as it may reasonably require in connection with the administration of the WDA Loans or of Federal and State grants or other sources of financing for the Project.

5.4 The Governmental Agency shall require that each of its contractors and all subcontractors maintain, during the life of the construction contract, workmen's compensation coverage, public liability insurance, property damage insurance and vehicle liability insurance in amounts and on terms satisfactory to the Authority. Until the Project facilities are completed and accepted by the Governmental Agency, the Governmental Agency or (at the option of the Governmental Agency) the contractor shall maintain builders risk insurance (fire and extended coverage) on a one hundred percent (100%) basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Governmental Agency, the prime contractor and all subcontractors, as their interests may appear.

5.5 The Governmental Agency shall provide and maintain competent and adequate resident engineering services satisfactory to the Authority covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. 7.5 The Governmental Agency hereby covenants that, to the extent the proceeds of the Governmental Agency Bonds are used to refund notes or other short-term indebtedness of the Governmental Agency issued in anticipation of the issuance of the Governmental Agency Bonds (the "refunding proceeds"), the yield to the Governmental Agency upon any investment of the refunding proceeds shall be restricted and may in no event exceed the yield on the Governmental Agency Bonds. [Opinion of Bond Counsel for Governmental Agency]

[To Be Dated as of Date of Loan Closing]

West Virginia Water Development Authority
1201 Dunbar Avenue
Dunbar, West Virginia 25064

Gentlemen:

We are bond counsel to _____
(the "Governmental Agency"), a municipal corporation organized
and existing under the laws of the State of West Virginia.

We have examined a certified copy of proceedings and
other papers relating to (i) the authorization of a loan
agreement (the "Loan Agreement"), dated _____,
19___, between the Governmental Agency and the West Virginia
Water Development Authority (the "Authority") and (ii) the
issue of two separate series of revenue bonds of the Govern-
mental Agency, dated _____, 19___ (the "Governmental
Agency Bonds"), to be purchased by the Authority in accordance
with the provisions of the Loan Agreement. The series of
Governmental Agency Bonds described in the Loan Agreement as
Local Bonds is in the principal amount of \$_____, issued
in the form of one bond registered as to principal and interest
to the Authority, interest payable April 1 and October 1 of
each year, beginning _____, 19___, at the respective
rate or rates and with principal payable in installments on
October 1 in each of the years, all as follows:

<u>Year</u>	<u>Installment</u>	<u>Interest Rate</u>
-------------	--------------------	----------------------

The series of Governmental Agency Bonds described in
the Loan Agreement as the Supplemental Bonds is in the
principal amount of \$_____, issued in the form of one
bond registered as to principal to the Authority, without
interest thereon, with principal payable in installments on
October 1 in each of the years, as follows:

Year

Installment

The Governmental Agency Bonds are issued for the purpose of _____ and paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of Chapter 16, Article 13, of the West Virginia Code of 1931, as amended (the "Code Provision"), under which the Governmental Agency Bonds are issued and the Loan Agreement that has been undertaken, including all schedules and exhibits to the Loan Agreement. The Governmental Agency Bonds have been authorized by a bond ordinance (the "Local Act") duly enacted by the Governmental Agency, which contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement. The Governmental Agency Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion that:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding obligation of the Governmental Agency enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and cannot be amended so as to affect adversely the rights of the Authority or diminish the obligations of the Governmental Agency without the consent of the Authority.

3. The Governmental Agency is a duly organized and presently existing municipality, with full power and authority to construct, acquire, operate and maintain the project referred to in the Loan Agreement and to issue and sell the Governmental Agency Bonds, all under the Code Provision and other applicable provisions of law.

4. The Governmental Agency has legally and effectively enacted the Local Act and all other necessary ordinances and resolutions in connection with the issuance and sale of the Governmental Agency Bonds.

5. The rates, fees and other charges for the services and facilities of the system referred to in the Local Act are not subject to approval by the Public Service Commission of West Virginia.

6. The Governmental Agency Bonds are valid and legally enforceable special obligations of the Governmental Agency, payable from the net revenues of the system referred to in the Local Act and secured by a lien on and pledge of the net revenues of the system referred to in the Local Act, all in accordance with the terms of the Governmental Agency Bonds and the Local Act, and have been duly issued and delivered to the Authority.

7. The Governmental Agency has reserved the right to issue additional bonds ranking on a parity with the Local Bond, as provided in the Local Act.

8. The Governmental Agency Bonds and the interest on the Local Bonds are, by statute, exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof, and under the laws, regulations, rulings and decisions of the United States of America, as presently written and applied, the interest on the Local Bond is exempt from Federal income taxation.

No opinion is given herein as to the enforceability of remedies with respect to the Governmental Agency Bonds under any applicable bankruptcy, insolvency, moratorium or other laws affecting creditors' rights.

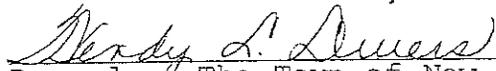

We have examined executed Local Bond numbered R-1 and Supplemental Bond numbered S-1, and in our opinion the form of said bonds and their execution are regular and proper.

Very truly yours,

1 1. In accordance with Subsection 4.1(b)(iii) of

3 and to the terms of the Note, the Note is hereby ordered
4 renewed, and there shall be issued in exchange for such Note
5 a renewal Note, designated "Sewer System Bond Anticipation
6 Renewal Note, 1981 Series A," in the principal amount of
7 \$451,000 (the "Renewal Note"), representing the aggregate
8 principal amount of the Note that matured on June 1, 1981.

9
10 2. If and when authorized by a resolution
11 supplemental hereto, and to the extent interest on the

13 hereinafter defined, is not payable from the net revenues
14 derived from the operation of the System, or from other
15 funds of the Town available therefor, there shall be issued
16 and delivered to the Authority from time to time additional

18 as hereinafter amended, for the Note.

19
20 8. The Mayor and Town Recorder of the Town are
21 hereby authorized and directed to execute, seal and deliver

23 and deliver any other documents necessary and proper in
24 connection with such execution and delivery of the Renewal
25 Note.

26

28 amended and re-enacted to read as follows:

29
30 Section 6.07. Issuance of Other Obligations
31 Payable out of Revenues and General Covenant
32 Against Encumbrances. The Town shall not issue
33 any other obligations whatsoever, payable from the

5 unless the Reserve Account in the Sinking Fund is
6 funded to the extent that no further payments are
7 required thereto as provided in Section 4.01(A)(2).
8

9 Except as provided above, the Town shall not
10 create, or cause or permit to be created, any
11 debt, lien, pledge, assignment, encumbrance or any
12 other charge having priority over or being on a
13 parity with the lien of the Notes or the Bonds, as
14 the case may be, and the interest thereon, upon
15 any of the income and revenues of the System
16 pledged for payment of the Notes or the Bonds, as
17 the case may be, and the interest thereon in this
18 Ordinance, or upon the System or any part thereof
19 or, with respect to the Notes, upon the proceeds
20 of the Bonds originally issued pursuant to this
21 Ordinance.
22

COUNTY OF MASON
TOWN OF NEW HAVEN
SEWER SYSTEM BOND ANTICIPATION RENEWAL NOTE,
1981 SERIES A

No. NR-1

\$451,000

KNOW ALL MEN BY THESE PRESENTS: That the TOWN OF NEW HAVEN, a municipal corporation organized and existing under the laws of the State of West Virginia (the "Town"); for value received, hereby promises to pay, from the proceeds of certain Subordinate Sewer Revenue Bonds to be hereafter issued by the Town, as hereinafter set forth, to the West Virginia Water Development Authority (the "Authority") or its registered assigns, on the thirty-first day of May, 1982, the sum of Four Hundred Fifty-one Thousand Dollars (\$451,000). Interest on said sum is payable from the date hereof at the rate of eight percent (8%) per annum on the 28th day of August, 1981, for interest to September 1, 1981, on the 27th day of November, 1981, for interest to December 1, 1981, on the 26th day of February, 1982, for interest to March 1, 1982, and on the 28th day of May, 1982, for interest to May 31, 1982, solely from the special funds provided therefor, as hereinafter set forth. The principal of this Note is payable in any coin or currency which, on the date of payment of principal, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia, through the Mason County Bank, New Haven, West Virginia; provided, however, that, if the Authority is the registered owner hereof, at the option of the Authority the principal of this Note may be paid by exchanging this Note with the aforementioned Subordinate Sewer Revenue Bonds. The interest on this Note is payable by check or draft mailed to the registered owner hereof at its address as it appears on the Note Register hereinafter provided for.

So long as the Authority is the registered owner hereof, this Note is subject to call on demand of the Authority upon fourteen (14) days' written notice to the Town. This Note is not prepayable or redeemable at the option of the Town.

This Note is a renewal of the Town's \$451,000 in principal amount of Sewer System Bond Anticipation Notes, Series 1980, dated August 11, 1980 (the "Prior Note"), which Prior Note was issued to finance the cost of construction and acquisition of certain additions, betterments and improvements (the "Project") to the municipal sewage system (the "System") of the Town pending the issuance of certain Subordinate Sewer Revenue Bonds as described below, all under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13, of the Code of West Virginia, 1931, as amended (the "Act"), and an ordinance duly enacted by the Council of the Town on July 8, 1980, as amended on July 22, 1980, as supplemented on August 4, 1980, and as supplemented and amended on July 28, 1981 (the "Ordinance"), and is subject to all the terms and conditions of said Ordinance. Such renewal was specifically authorized by Section 7.01 of the Ordinance and said supplemental and amendatory resolution adopted on July 28, 1981 (the "Resolution").

This Note is issued in anticipation of certain Subordinate Sewer Revenue Bonds of the Town, and the principal of this Note is payable from the proceeds of such Subordinate Sewer Revenue Bonds to be issued at the maturity, or call prior to maturity, of this Note, as authorized by the Ordinance. Issuance of said Subordinate Sewer Revenue Bonds was authorized by the Ordinance, and the Authority has agreed to purchase such Bonds. To the extent the principal of this Note is not paid as provided above, it is payable from, and secured by a lien on, the net revenues to be derived from the operation of the System, in the custody and under the control of the Sanitary Board of the Town. Interest on this Note is payable from the net revenues derived from the operation of the System and from other funds of the Town available therefor and, to the extent not so payable, from the proceeds of additional notes, on a parity as to lien and source of and security for payment with this Note, to be issued from time to time in accordance with the Resolution; provided, that any interest accrued hereon after six (6) months after completion of construction or acquisition of the Project shall be paid from the net revenues derived from the operation of the System.

This Note does not constitute a corporate indebtedness of the Town within the meaning of any constitutional or statutory provisions or limitations, nor shall said Town be obligated to pay the same or the interest hereon except from

the proceeds of the Subordinate Sewer Revenue Bonds, said additional notes on a parity with this Note or from the net revenues derived from the operation of said System or other funds of the Town available therefor. Under the Ordinance, the Town has entered into certain covenants with the registered owner of this Note for the terms of which reference is made to said Ordinance. Remedies provided the registered owner of this Note are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof. This Note is junior, subordinate and inferior as to source of payment and security from, and in all other respects with regard to, the net revenues derived from the operation of the System to \$ 106,000 in principal amount of the Town's Sewer Revenue Bonds, dated June 1, 1963, outstanding on the date hereof.

This Note may be transferred only upon the books of the Town which shall be kept for that purpose at the office of the Treasurer of the State of West Virginia (the "Note Register") by an authorized representative of the registered owner hereof in person or by its attorney duly authorized in writing, upon surrender hereof, together with a written instrument of transfer satisfactory to said Treasurer duly executed by an authorized representative of the registered owner or its duly authorized attorney. This Note is also subject to exchange at the office of said Treasurer. Upon exchange or transfer of this Note, there shall be issued at the option of the registered owner or transferee another fully registered Note or Notes, in the denomination of \$5,000 or any integral multiple thereof, of the aggregate principal amount equal to the unpaid amount of the exchanged or transferred Note. So long as the Authority is the registered owner hereof, this Note is subject to call on demand of the Authority upon fourteen (14) days' written notice to the Town. This Note is not prepayable or redeemable at the option of the Town.

This Note is issued as full [or partial] satisfaction of the interest coming due on the Town's Sewer System Bond

Anticipation Renewal Note, 1981 Series A (the "Renewal Note"), in the principal amount of \$451,000 [, and on certain additional notes of the Town on a parity with the Renewal Note previously issued to satisfy interest payments then coming due]. The Renewal Note was issued as a renewal of the Town's \$451,000 in principal amount of Sewer System Bond Anticipation Notes, Series 1980, dated August 11, 1980 (the "Prior Note"), which Prior Note was issued to finance the cost of construction and acquisition of certain additions, betterments and improvements (the "Project") to the municipal sewage system (the "System") of the Town pending the issuance of certain Subordinate Sewer Revenue Bonds as described below, all under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13, of the Code of West Virginia, 1931, as amended (the "Act"), and an ordinance duly enacted by the Council of the Town on July 8, 1980, as amended on July 22, 1980, as supplemented on August 4, 1980, and as supplemented and amended on _____, 1981 (the "Ordinance"), and is subject to all the terms and conditions of said Ordinance. Such renewal was specifically authorized by Section 7.01 of the Ordinance and said supplemental and amendatory resolution adopted on _____, 1981 (the "Resolution"), and the issuance of this Note was specifically authorized by the Resolution and by a resolution supplemental thereto adopted by the Council of the Town on _____, 1981.

This Note is issued in anticipation of certain Subordinate Sewer Revenue Bonds of the Town, and the principal of this Note is payable from the proceeds of such Subordinate Sewer Revenue Bonds to be issued at the maturity, or call prior to maturity, of this Note, as authorized by the Ordinance. Issuance of said Subordinate Sewer Revenue Bonds was authorized by the Ordinance, and the Authority has agreed to purchase such Bonds. To the extent the principal of this Note is not paid as provided above, it is payable from, and secured by a lien on, the net revenues to be derived from the operation of the System, in the custody and under the control of the Sanitary Board of the Town. Interest on this Note is payable from the net revenues derived from the operation of the System and from other funds of the Town available therefor and, to the extent not so payable, from the proceeds of additional notes, on a parity as to lien and source of and security for payment with the Renewal Note and this Note, to be issued from time to time in accordance with the Resolution; provided, that any interest accrued hereon, or on any notes on a parity herewith, after six (6) months after completion of construction or acquisition of the Project shall be paid from the net revenues derived from the operation of the System.

This Note does not constitute a corporate indebtedness of the Town within the meaning of any constitutional or statutory provisions or limitations, nor shall said Town be obligated to pay the same or the interest hereon except from the proceeds of the Subordinate Sewer Revenue Bonds, said additional notes on a parity with the Renewal Note and with this Note or from the net revenues derived from the operation of said System or other funds of the Town available therefor. Under the Ordinance, the Town has entered into certain covenants with the registered owner of this Note for the terms of which reference is made to said Ordinance. Remedies provided the registered owner of this Note are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof. This Note is junior, subordinate and inferior as to source of payment and security from, and in all other respects with regard to, the net revenues derived from the operation of the System to \$ _____ in principal amount of the Town's Sewer Revenue Bonds, dated June 1, 1963, outstanding on the date hereof.

This Note is on a parity, as to lien and source of and security for payment with certain other Sewer System Bond Anticipation Renewal Notes of the Town, outstanding on the date hereof in the aggregate principal amount of \$ _____.

This Note may be transferred only upon the books of the Town which shall be kept for that purpose at the office of the Treasurer of the State of West Virginia (the "Note Register") by an authorized representative of the registered owner hereof in person or by its attorney duly authorized in writing, upon surrender hereof, together with a written instrument of transfer satisfactory to said Treasurer duly executed by an authorized representative of the registered owner or its duly authorized attorney. This Note is also subject to exchange at the office of said Treasurer. Upon exchange or transfer of this Note, there shall be issued at the option of the registered owner or transferee another fully registered Note or Notes, in the denomination of \$5,000 or any integral multiple thereof, of the aggregate principal amount equal to the unpaid amount of the exchanged or transferred Note. For every such exchange or transfer, the Treasurer may make a charge sufficient to reimburse his or her office for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Note upon such exchange or transfer and any other expenses of said Treasurer incurred in connection therewith, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer; provided, that the Authority shall not be obligated to pay any such sum or sums as a condition precedent. The Treasurer shall not be obliged to make any

such exchange or transfer of Notes during the ten (10) days preceding an interest payment date on this Note. Subject to such requirements for transfer, this Note is and has all the incidents of a negotiable instrument under the laws of the State of West Virginia.

This Note and the interest hereon shall be exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

This Note shall be delivered to the Authority as full [or partial] satisfaction of the interest payment on the Renewal Note [and said additional notes previously issued on a parity therewith] coming due on _____, 198_.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Note exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Note, together with all other obligations of the Town, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that the Subordinate Sewer Revenue Bonds described above will be issued to refund this Note.

All provisions of the ordinances and statutes under which this Note is issued shall be deemed to be a part of the contract evidenced by this Note to the same extent as if written fully herein.

IN WITNESS WHEREOF, the Town of New Haven, West Virginia, has caused this Note to be signed by its Mayor, attested by its Town Recorder and its corporate seal to be hereunto affixed, all as of this _____ day of _____, 198_.

Re: \$451,000 Sewer System Bond Anticipation
Renewal Note, 1981 Series A, Due
May 31, 1982

Gentlemen:

The West Virginia Water Development Authority (the "Authority") is the registered owner of the Sewer System Bond Anticipation Renewal Note, 1981 Series A, dated June 1, 1981 (the "Renewal Note"), in the principal amount of \$451,000, of The Town of New Haven, West Virginia (the "Town"). The Renewal Note was issued in accordance with Subsection 4.1(b)(iii) of the Loan Agreement, dated August 11, 1980, between the Town and the Authority (the "Loan Agreement"), and Section 7.01 of the ordinance enacted by the Council of the Town on July 8, 1980, as amended on July 22, 1980, as supplemented on August 4, 1980, and as further supplemented and amended on July 28, 1981 (the "Local Act"), pursuant to said supplemental and amendatory resolution adopted on July 28, 1981 (the "Renewal Note Resolution"). The Renewal Note matures on May 31, 1982.

The Renewal Note is payable from, among other sources, the proceeds of certain sewer revenue bonds to be issued by the Town and sold to the Authority pursuant to the Loan Agreement (the "Local Bonds"). Purchase of the Local Bonds by the Authority was conditioned upon issuance and sale by the Authority of its next series of Water Development Revenue Bonds (Sewage Systems Loan Program).

The Authority anticipates issuing and selling its West Virginia Water Development Authority Water Development Revenue Bonds (Sewage Systems Loan Program), 1982 Series A (the "1982 Series A Bonds"), prior to August 1, 1982. Accordingly, subject to the right of prepayment described below, the Authority hereby extends the stated maturity of the Renewal Note to November 30, 1982, and expressly waives any event of default under the Local Act, the Loan Agreement or the Renewal Note for nonpayment of the Renewal Note on May 31, 1982.

Notwithstanding any of the foregoing, the Town may issue and sell its Local Bonds to the Authority at any time after issuance of the 1982 Series A Bonds, and prior to November 30, 1982, when the Town complies with the conditions precedent set forth in the Loan Agreement. Upon delivery to the Authority of the Local Bonds in the requisite principal amount, interest will cease to accrue on the Renewal Note, and said Renewal Note, together with any interest thereon payable from Local Bond proceeds, must be paid in full.

Except as set forth above, all terms and provisions of and security for the Renewal Note shall be as provided in the Renewal Note Resolution.

Please signify your acceptance of the extension and waiver, and terms thereof, set forth above by executing the duplicate of this letter enclosed and returning it to the Authority, together with a certified copy of the resolution and the opinion of Bond Counsel described below, prior to May 31, 1982, if possible, but in no event later than June 8, 1982. A form resolution authorizing such acceptance and a form of opinion as to the validity of this agreement have been sent to Jackson, Kelly, Holt & O'Farrell, the Town's Bond Counsel. Upon the Authority's receipt of the executed duplicate of this letter, a certified copy of the authorizing resolution or other official action and the requisite opinion of Bond Counsel, this letter shall become an agreement binding upon both the Authority and the Town.

Section 1.02. Findings. It is hereby found, determined and declared as follows:

A. The Town of New Haven, West Virginia (the "Town"), now owns a sewage system (the "System") for the collection and disposal of sewage, the custody, administration, operation and maintenance of which System, both within and without the corporate limits of the Town, is under the supervision and control of The Sanitary Board of the Town (the "Sanitary Board").

B. It is deemed necessary and desirable for the health, welfare and safety of the inhabitants of the Town that there be constructed certain additions, betterments and improvements to the System (the "Project") at an estimated cost of \$2,325,197 in accordance with the plans and specifications prepared by VTN, Inc., Consulting Engineers, Charleston, West Virginia, which plans and specifications have heretofore been filed in the office of the Town Recorder.

C. The Sanitary Board has filed a petition with the Council of the Town, which petition requests that Council enact an ordinance that shall, among other things, provide for the issuance of Sewer System Bond Anticipation Notes of the Town to finance the cost of construction and acquisition of the Project and of Subordinate Sewer Revenue Bonds to refund said Sewer System Bond Anticipation Notes.

D. The Sewer System Bond Anticipation Notes and Subordinate Sewer Revenue Bonds issued pursuant to this Ordinance are junior, subordinate and inferior as to source of payment and security and in all other respects to the Town's Sewer Revenue Bonds, dated June 1, 1963 (the "Prior Bonds"), outstanding on the date of enactment of this Ordinance; provided, however, that the holder or holders of the Sewer System Bond Anticipation Notes shall have a first lien on the proceeds of the Subordinate Sewer Revenue Bonds to be issued pursuant to this Ordinance. Additional bonds on a parity with the Subordinate Sewer Revenue Bonds may be issued upon compliance with the terms and conditions of this Ordinance, but no further obligations having priority over the Sewer System Bond Anticipation Notes or Subordinate Sewer Revenue Bonds may henceforth be issued by the Town.

issued in the aggregate principal amount of \$140,000, certain of which Prior Bonds are

The estimated revenues to be derived in each year after the adoption of this Ordinance from the operation of said System will be sufficient to pay all costs of the operation and maintenance of said System, the principal of

and interest on the Prior Bonds and the Subordinate Sewer Revenue Bonds authorized to be issued pursuant to this Ordinance and all Sinking Fund, Reserve Account and other payments provided for in this Ordinance and in the ordinance authorizing the issuance of the Prior Bonds (the "Prior Ordinance").

E. It is deemed necessary for the Town to issue its Sewer System Bond Anticipation Notes in the principal amount of not more than \$451,000 to finance costs of the construction and acquisition of the Project. Said costs shall be deemed to include the cost of the acquisition of any real property involved; the cost of the construction of said additions, betterments and improvements to the System and any other expenses necessary, incidental, desirable or appurtenant to the acquisition and construction of such additions, betterments and improvements to the System; interest on the Sewer System Bond Anticipation Notes authorized to be issued pursuant to this Ordinance until the scheduled maturity thereof, which maturity date is not more than six months after the estimated date of completion of the Project and interest on the Subordinate Sewer Revenue Bonds authorized to be issued pursuant to this Ordinance prior to, during and for six months after completion of the Project; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; expenses for fiscal or other agents in connection with the issuance of the Sewer System Bond Anticipation Notes and the Subordinate Sewer Revenue Bonds authorized to be issued pursuant to this Ordinance; commitment fees to the West Virginia Water Development Authority and such other expenses as may be necessary or desirable to aid the construction and acquisition of the Project and the financing authorized by this Ordinance.

F. It is deemed necessary for the Town to issue its Subordinate Sewer Revenue Bonds in a principal amount to be hereafter determined by an ordinance or resolution supplemental hereto for the purpose of refunding the Sewer System Bond Anticipation Notes of the Town.

G. It is in the best interests of the Town that its Sewer System Bond Anticipation Notes and its Subordinate Sewer Revenue Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement to be entered into between the Town and the Authority (the form of which agreement is attached to this Ordinance as Exhibit A, which

Exhibit, by this reference, is incorporated herein and made a part hereof) (the "Loan Agreement").

Section 1.03. Ordinance Constitutes Contract. There is hereby authorized the construction and acquisition of additions, betterments and improvements to said System described in Exhibit B hereto, plans and specifications for which have been prepared by the Consulting Engineers and heretofore filed in the office of the Town Recorder.

The proceeds of the Notes hereby authorized shall be applied as provided in Article VIII of this Ordinance.

ARTICLE III

AUTHORIZATION, TERMS, EXECUTION, REGISTRATION AND SALE OF BONDS; AUTHORIZATION AND EXECUTION OF LOAN AGREEMENT

3.01. Authorization and Terms of Bonds. For the purpose of refunding the Notes (and paying certain costs of issuance and related costs, and for such other purposes set forth in the Supplemental Resolution), there shall be issued negotiable Subordinate Sewer Revenue Bonds of the Town, in the aggregate principal amount, bearing interest at such rate or rates, not exceeding ten percent (10%) per annum, payable semi-annually on such dates, and maturing on such dates and in such amounts, all as the Town shall prescribe in the Supplemental Resolution. The Bonds shall be payable as to both principal and interest at the office of the Commission or through a paying agent or agents selected by the original purchaser or purchasers thereof, in any coin or currency that is legal tender for the payment of public or private debts under the laws of the United States of America, and shall be redeemable, in whole or in part, as set forth in the Supplemental Resolution.

The Bonds originally issued pursuant to this Ordinance shall be issued in the form of one coupon Bond, registrable as to principal only. The Bond shall be in the denomination representing the aggregate principal of the Bond issue and shall mature in principal installments, all as provided in the Supplemental Resolution. Said Bond is exchangeable at the option and expense of the Holder for coupon bonds in the denomination of \$5,000 each, in aggregate principal amount equal to the amount of said Bond then outstanding with appropriate interest coupons for interest due and unpaid or to come due attached, with maturities corresponding to the dates of payment of principal installments of said Bond. Subsequent series of Bonds may be issued as coupon Bonds, registrable as to principal only, in the denomination of \$5,000 each. The Bonds shall be dated as of the date which is six months preceding the first interest payment date. The Bonds shall bear interest from their date, payable in accordance with, and upon surrender of, the appurtenant interest coupons as they severally mature.

Except as otherwise provided in Section 3.04, before the delivery of any Bonds, all matured coupons thereto attached, except matured coupons for which payment in full has not been provided, shall be cut off, cancelled and destroyed.

Section 3.02. Execution of Bonds and Coupons.

Said Bonds shall be executed in the name of the Town by the Mayor, and the seal of the Town shall be affixed thereto and attested by the Town Recorder. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer of the Town before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bonds may be signed and sealed on behalf of the Town by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Town although at the date of such Bonds such person may not have held such office or may not have been so authorized.

The coupons to be attached to the Bonds shall be authenticated with the manual or facsimile signature of the present or future Mayor and Town Recorder of the Town, provided, that at least one such signature must be manual, and the Town may, but is not required to, adopt and use for this purpose a facsimile seal.

Section 3.03. Negotiability, Transfer and Registration.

The Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting any of said Bonds or the coupons appertaining thereto, shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value in the manner provided hereinafter in the form of said Bonds.

So long as any of the Bonds remains outstanding, the Treasurer of the State of West Virginia shall keep and maintain books for the registration and transfer of the Bonds. The Bonds may be registered at the option of the Holder as to principal only at the office of the Treasurer of the State of West Virginia, such registration to be noted on the back of said Bonds in the space provided therefor. After such registration as to principal only, no transfer of the Bonds shall be valid unless made at said office by the registered owner, or by his or her duly authorized agent or representative, and similarly noted on the Bonds, but the Bonds may be discharged from registration by being in like manner transferred to bearer, and thereupon transférability by delivery shall be restored. At the option of the Holder the Bonds may thereafter again from time to time be registered or transferred as before. Such registration as to principal only shall not affect the negotiability of the coupons, which shall continue to pass by delivery.

Section 3.04. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Town may in its discretion issue and deliver a new Bond with all unmatured coupons, if any, so mutilated, destroyed, stolen or lost in exchange and substitution for such mutilated Bond upon surrender and cancellation of such mutilated Bond, and attached coupons, if any, or in lieu of and substitution for the Bond and coupons, if any, destroyed, stolen or lost and upon the Holder's furnishing the Town proof of his or her ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Town may prescribe and paying such expenses as the Town may incur. All Bonds and coupons so surrendered shall be cancelled by the Town Recorder and held for the account of the Town. If such Bond or coupons shall have matured or be about to mature, instead of issuing a substitute Bond or coupon, the Town may pay the same, upon being indemnified as aforesaid, and if such Bond or coupons be lost, stolen, or destroyed, without surrender therefor.

Any such duplicate Bond and coupons issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Town, whether or not the lost, stolen or destroyed Bond or coupons be at any time found by any one, and such duplicate Bond and coupons shall

be entitled to equal and proportionate benefits and rights as to lien and source of security for payment from the revenues pledged herein with all other Bonds and coupons issued hereunder.

Section 3.05. Form of Bonds and Coupons. The text of the Bonds originally issued pursuant to this Ordinance, and of the coupons, shall be of substantially the following tenor, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted by this Ordinance, the Supplemental Resolution or any subsequent resolution or ordinance adopted prior to the issuance thereof.

This Bond is subject to redemption prior to its stated date of maturity as follows:

This Bond represents the aggregate principal amount, being \$ _____, of an authorized issue of Bonds, issued to refund certain bond anticipation notes of the Town (the "Note") issued to finance the cost of construction and acquisition of certain additions, betterments and improvements to the municipal sewage system (the "System") of the Town and to pay certain issuance and related costs in connection therewith. This Bond is authorized under and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Article 13 of Chapter 16 of the Code of West Virginia, 1931, as amended (the "Act"), and an ordinance duly enacted by the Town Council of the Town on the 8th day of July, 1980, and supplemented thereby on the ____ day of _____, 19__ (the "Ordinance"), and is subject to all the terms and conditions of said Ordinance. The Ordinance provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Ordinance.

The Bonds authorized by said Ordinance are payable only from and secured by the net revenues to be derived from the operation of the System, in the custody and under the control of the Sanitary Board of the Town, which net revenues shall be sufficient to pay the principal of, and interest on, all bonds which may be issued pursuant to the Act and

which shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute a corporate indebtedness of the Town within the meaning of any constitutional or statutory provisions or limitations, nor shall said Town be obligated to pay the same or the interest thereon except from said special fund provided from the net revenues from the operation of said System. By the Ordinance, the Town has covenanted and agreed to establish and maintain just and equitable rates or charges for the use of such System and the services rendered thereby, which shall be sufficient to provide for the reasonable expenses of operation, repair and maintenance of said System, and to leave a balance each year equal to at least 130% of the amount required during such year to pay the maximum amount due in any ensuing year of principal of and interest on all obligations payable from such revenues. The Town has entered into certain further covenants with the holders of the Bonds for the terms of which reference is made to said Ordinance. Remedies provided the holders of the Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

This issue of Bonds, of which this Bond represents the aggregate principal amount, is junior, subordinate and inferior as to source of payment and security and in all other respects to \$ _____ in principal amount of the Town's _____ Bonds, dated _____, _____, outstanding on the date ~~hereof~~. Additional pari passu bonds may be issued upon compliance with the terms and conditions of the Ordinance, but no further obligations having priority over the Bonds may henceforth be issued by the Town.

This Bond is fully negotiable but may be registered as to principal only in the name of the holder on the books in the office of the Treasurer of the State of West Virginia, at Charleston, West Virginia, such registration to be evidenced by notation on the back hereof by the Treasurer, after which no transfer shall be valid unless made on said books and similarly noted hereon, but it may be discharged from such registration by being transferred to bearer, after which it shall be transferable by delivery, but it may be registered again as before. The registration of this Bond as to principal shall not restrain the negotiability of the coupons by delivery merely.

This Bond is exchangeable at the option and expense of the holder hereof for coupon bonds in the denomination of \$5,000 each, in aggregate principal amount equal to the amount of this Bond then outstanding with appropriate interest coupons for interest due and unpaid or to come due attached, with maturities corresponding to the dates of payment of principal installments of this Bond.

This Bond and interest hereon shall be exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts connected with the issuance hereof and the refunding of the Note, as provided by law and the Ordinance, shall be applied solely to refunding the Note, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the holder or holders of said Bonds. Further, the holder hereof shall have a lien on the proceeds of the Note held by the Town until used to finance the construction and acquisition of the additions, betterments and improvements to the System.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said Town, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the revenues of the System of said Town has been pledged to and will be set aside into said special fund by said Town for the prompt payment of the principal of and interest on the Bonds.

All provisions of the ordinances and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

IN WITNESS WHEREOF, the said Town has caused this Bond to be signed by its Mayor, attested by its Town Recorder and its corporate seal to be hereunto affixed, and the coupons hereto attached to be executed with the manual

ARTICLE IV

SECURITY OF BONDS

Section 4.01. Bonds Junior and Subordinate to Prior Bonds. The Bonds issued pursuant to this Ordinance shall be junior, subordinate and inferior as to source of payment and security and in all other respects to the Prior Bonds. After making all of the payments required with respect to the Prior Bonds pursuant to the Prior Ordinance, the Town shall make the following payments from the Sewer Revenue Fund (the "Prior Fund") established under the Prior Ordinance:

(A) (1) From the moneys in the Prior Fund, the Town shall, on the first day of each month, as set forth in the Supplemental Resolution, apportion and set apart out of the Prior Fund and remit to the Commission, for deposit in a fund to be known as the "Sinking Fund," which is hereby created and established, a sum equal to one-sixth (1/6) of the amount of interest which will become due on said Bonds on the next ensuing semiannual interest payment date: Provided, however, that in the event that the period to elapse between said initial payment date and the next semi-annual interest payment date is less than six (6) months,

then such monthly payments shall be increased proportionately to provide the required amount of interest maturing on the next semiannual interest payment date.

The Town shall also, from the Prior Fund, remit to the Commission, on such dates or at such other times as the Commission shall require, such additional sums as shall be necessary to pay the fiscal agency charges due for paying the Bonds and the interest thereon.

The Town shall also apportion and set apart out of the Prior Fund and remit to the Commission for deposit in said Sinking Fund, on the first day of each month, beginning on the first day of that month which is twelve (12) months prior to the first principal payment date of said Bonds, a sum equal to one-twelfth (1/12) of the amount of principal which will mature and become due on said Bonds on the next ensuing principal payment date.

The Commission is hereby designated as the fiscal agent for the administration of the Sinking Fund created hereunder, and all amounts required for said Sinking Fund shall be remitted to the Commission from said Prior Fund by the Town at the times provided herein.

Moneys in the Sinking Fund shall be used only for the purposes of paying principal of and interest on the Bonds as the same shall become due.

(2) The Town shall next, from the Prior Fund, remit to the Commission for deposit in a Reserve Account in said Sinking Fund, on the first day of each month of each year, beginning with and including the month in which payments from the Prior Fund for semiannual interest are commenced, an amount equal to twenty percent (20%) of all amounts required to be deposited for maturing principal and interest into said Sinking Fund, as provided above, on said dates: Provided, however, that no further payments shall be made into said Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the maximum amount of principal and interest that will mature and become due on said Bonds in any succeeding fiscal year.

Moneys in the Reserve Account shall be used only for the purpose of payment of maturing principal of or

interest on the Bonds when other moneys in the Sinking Fund are insufficient therefor and for no other purpose.

Any withdrawals from the Reserve Account shall be subsequently restored from the first revenue available after all required payments to the Sinking Fund and Reserve Account, including any deficiencies for prior payments, have been made in full.

The Town shall not be required to make any further payments into said Sinking Fund or into the Reserve Account in said Sinking Fund when the aggregate amount of funds in both said Sinking Fund and said Reserve Account are at least equal to the aggregate principal amount of Bonds issued pursuant to this Ordinance then outstanding, plus the amount of interest due or thereafter to become due on said Bonds then outstanding.

As and when additional bonds ranking on a parity with the Bonds herein authorized are issued, provision shall be made for additional payments into said Sinking Fund sufficient to pay the interest on such additional parity bonds and accomplish retirement thereof at maturity and to accumulate a balance in the Reserve Account in said Sinking Fund in an amount equal to the maximum provided and required to be paid into the Sinking Fund in any calendar year for account of all the Bonds, including such additional bonds which by their terms are payable from said Sinking Fund.

The payments into the Sinking Fund shall be made on the first day of each month, except that when the first day of any month shall be a Sunday or legal holiday then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Ordinance.

Said Sinking Fund shall be used solely and only and is hereby pledged for the purpose of servicing the Bonds and any additional bonds ranking on a parity therewith that may be issued and outstanding under the conditions and restrictions hereinafter set forth.

(B) Thereafter, from the moneys remaining in said Prior Fund, the Town shall next, on the first day of each month commencing with the first month in which interest shall be first payable from the Prior Fund, remit to a bank which is eligible under the laws of West Virginia to receive deposits of state and municipal funds for deposit in a special account to be designated "Renewal and Replacement Fund," which account is hereby established and created, a sum equal to two and one-half percent of the gross revenues each month, exclusive of any payments for account of the Reserve Account in the Sinking Fund. All funds in said Renewal and Replacement Fund shall be kept apart from all other municipal funds, and all or any part of said fund may be invested in bonds or other direct or fully guaranteed obligations of the United States of America maturing or being subject to retirement at the option of the holder within not more than ten (10) years from the date of such investment. Withdrawals and disbursements may be made from said Renewal and Replacement Fund for replacements, emergency repairs, additions, betterments or improvements to the System; provided, however, that any deficiency in the Reserve Account (except to the extent such deficiency exists because the required payments into such Account have not as of the date of determination of a deficiency not funded such Account to the maximum extent required by Section 4.01(A)(2)), shall be promptly eliminated with moneys from the Renewal and Replacement Fund in amounts sufficient to eliminate such deficiency.

(C) Whenever all of the required and provided transfers and payments from said Prior Fund into the several special funds, as hereinbefore provided, are current and there remains in said Prior Fund a balance in excess of the estimated amounts required to be so transferred and paid for operating expenses and into the Sinking Fund and the Renewal and Replacement Fund during the next succeeding three (3) months, such excess shall be considered as surplus revenues. Said surplus revenues shall be first used for the construction and acquisition of improvements and extensions to the System, and, thereafter, to the extent not needed for such purposes, said surplus revenues and any surplus moneys in the Sinking Fund, exclusive of the Reserve Account, in excess of the amount of interest to become due on the next interest payment date and the amount of principal to become due within the next succeeding twelve (12) months, may be used to

purchase Bonds upon the open market at a price not exceeding the par value thereof plus three per centum (3%) of such par value, or to redeem Bonds at a price not in excess of the redemption price thereof, or for debt service on obligations not on a parity with the Bonds, the proceeds of which obligations were used to finance such additions, betterments or improvements.

(D) The moneys in excess of the sum insured by the maximum amounts insured by the Federal Deposit Insurance Corporation in the Prior Fund and for the Renewal and Replacement Fund (unless remitted to the Commission) shall at all times be secured, to the full extent thereof in excess of such insured sum, by direct obligations of the United States of America or such other obligations as shall be eligible as security for deposits of state and municipal funds under the laws of the State of West Virginia.

(E) If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds on the subsequent payment dates.

(F) Moneys in the Reserve Account shall be invested and reinvested by the Commission in direct obligations of the United States of America having maturities not longer than five (5) years from the date of purchase.

(G) All remittances made by the Town to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

(H) After the Prior Bonds have been paid in full (or provisions therefor have been made), all the revenues from the operation of the System shall be deposited in a bank in the State of West Virginia eligible to receive deposits of State and municipal funds in a special fund, to be designated the "Revenue Fund." The Revenue Fund shall constitute a trust fund for the purposes provided in this Ordinance and shall be kept separate and distinct from all other funds of the Town and used only for the purposes and in the manner herein provided. All revenues in the Revenue Fund shall first each month be used to pay all reasonable operating expenses of the System. Thereafter, disbursements shall be made from the Revenue Fund in the same priority and to the same extent as such were made from the Prior Fund, as described above.

ARTICLE V

BONDS TO REFUND NOTES

At the maturity, or call prior to maturity, of the Notes, as provided in Article VII hereof, the Bonds originally issued pursuant to this Ordinance shall be used to defease the Notes and pay issuing expenses required by the Authority. The Town hereby assigns its right to receive funds as proceeds of said Bonds to the Authority, and there shall be no transfer of funds by the Authority to the Town as payment for said Bonds, except to the extent Bonds are issued in a principal amount in excess of the amount required to refund the Notes and pay costs of issuance of the Bonds and related costs.

ARTICLE VI

ADDITIONAL COVENANTS OF THE TOWN

Section 6.01. General Covenants of the Town. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the Town and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of said Bonds. In addition to the other covenants, agreements and provisions of this Ordinance, the Town hereby covenants and agrees with the Holders of the Bonds as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Bonds or the interest thereon are outstanding and unpaid.

Until the payment in full of the principal of and interest on the Notes when due, the covenants, agreements and provisions contained in this Ordinance shall, where applicable, inure to the benefit of the Noteholders and constitute valid and legally binding covenants of the Town, enforceable in any court of competent jurisdiction by any Holder or Holders of said Notes.

Section 6.02. Bonds Not To Be Indebtedness of the Town. Neither the Bonds nor coupons appertaining thereto shall be or constitute an indebtedness of the Town within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the revenues

of the System, as herein provided. No Holder or Holders of any Bonds issued hereunder, or of any coupon appertaining thereto, shall ever have the right to compel the exercise of the taxing power of the Town to pay said Bonds or the interest thereon.

Section 6.03. Bonds Secured by Pledge of Net Revenues.

The payment of the debt service of the Notes and the Bonds issued hereunder shall be secured forthwith equally and ratably by a lien on the net revenues derived from the operation of the System, to the extent necessary, with respect to the Bonds, to make the payments required under Section 4.01 of this Ordinance; provided, that such lien is junior and subordinate to the lien held by the holders of the Prior Bonds. The revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Bonds herein authorized and to make the payments into the Sinking Fund, including the Reserve Account therein, and all other payments provided for in this Ordinance are hereby irrevocably pledged, in the manner provided in this Ordinance, to the payment of the principal of and interest on the Notes and the Bonds herein authorized as the same become due, and for the other purposes provided in this Ordinance.

Section 6.04. Rates. Prior to the issuance of the Bonds, equitable rates or charges for the use of and service rendered by the System will be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file in the office of the Sanitary Board and in the office of the Town Recorder, each of which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce gross revenues from said System to pay operating expenses and to make the prescribed payments on behalf of the Prior Bonds and into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Town hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient to provide for all reasonable expenses of operation, repair and maintenance of the System and to leave a balance each year equal to at least 130% of the maximum amount required in any ensuing year to pay the

interest and principal as the same become due and accomplish retirement of all obligations other than the Notes for the payment of which such revenues have or shall have been pledged, charged or otherwise encumbered.

Section 6.05. Completion, Operation and Maintenance.

The Town will expeditiously complete and maintain in good condition said System and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the revenues of said System in the manner provided in this Ordinance.

Section 6.06. Sale of the System. The System may

not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Notes or the Bonds outstanding. The proceeds from such sale, mortgage, lease or other disposition of the System shall, with respect to the Bonds, immediately be remitted to the Commission for deposit in the Sinking Fund, and, in the event the Authority is no longer a Bondholder, the Town shall direct the Commission to apply such proceeds to the payment of principal and interest at maturity of the Bonds about to mature. Any balance remaining after the payment of all the Bonds and interest thereon shall be remitted to the Town by the Commission unless necessary for the payment of other obligations of the Town payable out of the revenues of the System. With respect to the Notes, such proceeds in an amount sufficient to pay in full the Notes shall be remitted to the Holder thereof.

The foregoing provision notwithstanding, the Town shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of Ten Thousand Dollars (\$10,000), the Sanitary Board shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Town Council may then provide for the sale

of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of Ten Thousand Dollars (\$10,000) but not in excess of Fifty Thousand Dollars (\$50,000), the Sanitary Board shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Town Council may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property, in excess of \$10,000 and not in excess of \$50,000, shall be remitted by the Town to the Commission for deposit in the Sinking Fund and shall be applied only to the purchase of Bonds of the last maturities then outstanding at prices not greater than the par value thereof plus three per centum (3%) of such par value. Such payments of such proceeds into the Sinking Fund or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Ordinance.

No sale, lease or other disposition of the properties of the System shall be made by the Town if the proceeds to be derived therefrom shall be in excess of \$50,000 and insufficient to pay all the Bonds then outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of sixty-six and two-thirds percent (66-2/3%) in amount of the Bonds then outstanding. The Town shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable out of Revenues and General Covenant Against Encumbrances.

The Town shall not issue any other obligations whatsoever, payable from the proceeds of the Bonds or the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such proceeds or revenues with the Notes or the Bonds; provided, that additional bonds on a parity with the Bonds may be issued as provided for in Section 6.08 hereof. All obligations hereafter

issued by the Town payable from the revenues of the System, except such additional parity bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Notes and the Bonds; provided, however, that no such subordinate obligations shall be issued unless the Reserve Account in the Sinking Fund is funded to the extent that no further payments are required thereto as provided in Section 4.01(A) (2).

Except as provided above, the Town shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Ordinance, or upon the System or any part thereof. The Town shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Notes, and the interest thereon, upon the proceeds of the Bonds originally issued pursuant to this Ordinance or upon any of the income and revenues of the System pledged for payment of the Notes and the interest thereon in this Ordinance, or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. No additional parity bonds, as in this section defined, payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant to the Ordinance, except under the conditions and in the manner herein provided.

No such additional parity bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of additions, betterments and improvements to the System or refunding the entirety of the Prior Bonds or one or more series of Bonds issued pursuant hereto, or both such purposes.

No such additional parity bonds shall be issued at any time, however, unless and until there has been procured and filed with the Town Recorder a written statement by a certified public accountant not in the regular employ of the Town, based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the net revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any twelve (12) consecutive months, within the eighteen (18) months

immediately preceding the date of the actual issuance of such additional parity bonds, plus the estimated average increased annual net revenues to be received in each of the three (3) succeeding years after the completion of the improvements to be financed by such additional parity bonds, shall not be less than one hundred thirty percent (130%) of the largest aggregate amount that will mature and become due in any succeeding fiscal year for principal of and interest on the following:

- (1) The Bonds originally issued pursuant to the Ordinance then outstanding;
- (2) Any additional parity bonds theretofore issued pursuant to the provisions contained in the Ordinance then outstanding; and
- (3) The additional parity bonds then proposed to be issued.

The "estimated average increased annual net revenues to be received in each of the three (3) succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased net revenues estimated to be derived from (a) the improvements to be financed by such additional parity bonds and (b) any increase in rates authorized by the Town, the time for appeal to the Public Service Commission of West Virginia regarding which shall have expired prior to the date of delivery of such additional parity bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineers, which shall be filed in the office of the Town Recorder prior to the issuance of such additional parity bonds.

The net revenues actually derived from the System during the twelve-consecutive-month period hereinabove referred to may be adjusted by adding to such net revenues such additional net revenues which would have been received, in the opinion of the Consulting Engineers and the said certified public accountant as stated in a certificate jointly made and signed by the Consulting Engineers and said certified public accountant, on account of increased rates, rentals, fees and charges for the System authorized by the Town, the time for appeal to the Public Service Commission of West Virginia regarding which shall have expired prior to issuance of such additional parity bonds.

Not later than simultaneously with the delivery of such additional parity bonds, the Town shall have entered into written contracts for the immediate construction or acquisition of such additions, betterments or improvements to the System that are to be financed by such additional parity bonds.

The term "additional parity bonds," as used in this section, shall be deemed to mean additional bonds issued under the provisions and within the limitations of this section, payable from the revenues of the System on a parity with the Bonds originally issued pursuant to this Ordinance and all the covenants and other provisions of the Ordinance (except as to details of such additional parity bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds originally issued pursuant to this Ordinance and the holders of any additional parity bonds subsequently issued from time to time within the limitations of and in compliance with this section. All the Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any bond or coupon over any other. The Commission shall comply fully with all the increased payments into the various funds created in the Ordinance required for and on account of such additional bonds, in addition to the payments required for Bonds theretofore issued pursuant to the Ordinance.

All additional parity bonds shall mature on the day of the years of maturities, and the semiannual interest thereon shall be payable on the days of each year, specified for the Bonds in the Supplemental Resolution.

The term "additional parity bonds," as used in this section, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued the lien of which on the revenues of the System is subject to the prior and superior lien of the Bonds on such revenues. The Town shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such revenues, with the Bonds, except in the manner and under the conditions provided in this section.

No additional parity bonds, as in this section defined, shall be created at any time, however, unless all the payments into the respective funds and accounts provided for in the Ordinance on the Bonds then outstanding, and any other payments provided for in the Ordinance, shall have been made in full as required to the date of delivery of the additional bonds and the Town shall then be in full compliance with all the covenants, agreements and terms of the Ordinance.

Section 6.09. Insurance. The Town will carry, with a reputable insurance carrier or carriers, such insurance as is customarily carried with respect to works and properties similar to the System, against loss or damage by fire, explosion, hurricane, earthquake, cyclone, occupancy or other hazards and risks, which insurance shall at all times be in an amount or amounts equal to the fair appraisal value of the buildings, properties, furniture, fixtures and equipment of the System. In time of war, the Town shall also carry in said amount such insurance as may be available against loss or damage by the risks and hazards of war. To the extent allowable under the Prior Ordinance, the proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for said Renewal and Replacement Fund. The Town will also carry liability insurance for damage or injury to persons or property in amounts adequate for such purposes and customarily carried with respect to works and properties similar to the System.

Section 6.10. Services Rendered to the Town. The Town will not render or cause to be rendered any free services of any nature by its System; and in the event the Town or any department, agency, instrumentality, officer or employee of the Town shall avail itself or himself or herself of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Town and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Town shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the

operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.11. Remedies and Appointment of Receiver.

Any Noteholder or Bondholder may, by proper legal action, compel the performance of the duties of the Town under this Ordinance and the Act, including the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any default in the payment of interest on any Notes or Bonds when the same shall become due, or in the payment of the principal of any Note or Notes or any Bond or Bonds at the specified date of maturity thereof, or otherwise in the performance of any covenant contained in this Ordinance other than as to such payment and such default shall continue for a period of thirty (30) days after written notice to the Town of such default, any Noteholder or Bondholder shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Town with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the Bonds and interest coupons, the deposits into the funds and accounts hereby established as herein provided and the payment of operating expenses of the System, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Town exercise all the rights and powers of the Town with respect to said facilities as the Town itself might do.

Whenever all that is due upon the Notes or the Bonds issued pursuant to this Ordinance and interest thereon and under any covenants of this Ordinance for Reserve, Sinking or other funds and upon any other obligations and

interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Ordinance shall have been cured and made good, possession of the System shall be surrendered to the Town upon the entry of an order of the court to that effect. Upon any subsequent default, any Holder of the Notes or any Bonds issued pursuant to this Ordinance shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Town and for the joint protection and benefit of the Town and Holders of Notes or Bonds issued pursuant to this Ordinance. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System for the sole purpose of the protection of both the Town and Noteholders or Bondholders, and the curing and making good of any default under the provisions of this Ordinance, and the title to and ownership of said System shall remain in the Town, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Section 6.12. Enforcement of Collections. The Town will diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System and take all steps, actions and proceedings for the enforcement and collection of such fees, rates, rentals or other charges that shall become delinquent to the full extent permitted or authorized by the laws of the State of West Virginia. All such rates and charges, if not paid when due, shall become a lien on the premises served by the System.

Whenever any rates, rentals or charges for services or facilities of the System shall remain unpaid for a period of thirty days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. The Town further covenants and agrees that in the event it has a municipally owned waterworks system (the "Water System"), it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System and the Water System to all delinquent users of services and facilities of the System and will not restore such services of either System until all delinquent charges for the services and facilities of the System, plus reasonable interest penalty charges for the restoration of service, have been fully paid.

Section 6.13. No Competing Franchise. The Town will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services that would compete with services provided by the System.

Section 6.14. Books and Records. The Town will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Town, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Note or Notes or of a Bond or Bonds issued pursuant to this Ordinance shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Town relating thereto.

The accounting system for the System shall follow currently accepted accounting practices and safeguards. Separate control accounting records shall be maintained by the Town. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other book-keeping records as prescribed by the Town. The Town shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Town shall be reported to such agent of the Town as the Council of the Town shall direct.

The Town shall file with the Consulting Engineers and the Authority, and shall mail in each year to any Holder or Holders of Notes or Bonds requesting the same, an annual report containing the following:

A. A statement of gross revenues, operating expenses and net revenues derived from the System.

B. A balance sheet statement showing all deposits in all the funds provided for in this Ordinance and the status of all said funds.

The Town shall also, at least once a year, cause the books, records and accounts of the System to be audited by a certified public accountant and shall mail upon request, and make available generally, the report of said certified public accountant, or a summary thereof, to any Holder or Holders of Notes or Bonds issued pursuant to this Ordinance and shall file said report with the Authority.

Section 6.15. Initial Schedule of Rates. The rates, fees and other charges for the use of the services of the System established under an ordinance of the Town enacted on or before the date of the adoption of the Supplemental Resolution referred to in Section 3.01 hereof shall, for purposes of this Ordinance, constitute the initial schedule of rates for said System.

Section 6.16. Operating Budget. The Sanitary Board shall annually, at least forty-five (45) days preceding the beginning of each fiscal year, prepare and adopt by resolution a detailed budget of the estimated expenditures for operation and maintenance of the System during the succeeding fiscal year. No expenditures for the operation and maintenance of the System shall be made in any fiscal

year in excess of the amounts provided therefor in such budget without a written finding and recommendation by the Consulting Engineers, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Sanitary Board shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of ten percent (10%) of the amount of such budget shall be made except upon the further certificate of the Consulting Engineers that such increased expenditures are necessary for the continued operation of the System. The Town shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to any Noteholder or Bondholder who shall file his or her address with the Town and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Noteholder or Bondholder or anyone acting for and in behalf of such Noteholder or Bondholder.

Section 6.17. Mandatory Connections. The mandatory use of the sewer facilities of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare and the economy of the inhabitants of the Town and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the sewer facilities. Accordingly, every owner, tenant and occupant of every lot, parcel and tract of land that abuts on a street, alley or other public way in which any sewer line, main or facility is located, or which is located within a reasonable distance thereof, not exceeding 300 feet, and is reasonably accessible thereto, and upon which lot, parcel or tract a building or other habitable structure has been or shall be erected for residential, commercial or industrial use, shall connect the waste or sewage lines of such building or structure with the sewer facilities of the System if sewage will flow by gravity from such building or structure into the sewer facilities of the System and shall thereupon and thereafter refrain from using and shall cease to use any other method for the disposal of sewage or water-borne waste matter and shall pay all charges, fees and rates lawfully provided for use of the sewer facilities.

Any such building or structure from which emanates sewage or water-borne waste matter and is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Town and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

ARTICLE VII
AUTHORIZATION, TERMS, EXECUTION, REGISTRATION AND
SALE OF NOTE; LOAN AGREEMENT

Section 7.01. Authorization and Terms of Notes.
For the purpose of financing the cost of construction and acquisition of the Project, there shall be issued and sold to the Authority negotiable Sewer System Bond Anticipation Notes, Series 1980, of the Town, in the aggregate principal amount of not in excess of \$451,000. Said Notes shall be designated "Sewer System Bond Anticipation Notes, Series 1980," and shall be dated as of the date of delivery thereof to the Authority. The Notes shall mature on June 1, 1981; provided, that the Notes shall be renewed at the option of the Authority for a period not to exceed one year at interest rates to be established by the Authority, and authorized by the Supplemental Resolution, but in no event shall such interest rates exceed the maximum permissible rates of interest which the Town may pay under applicable State law. The Notes shall bear interest from the date thereof at the rate of eight percent (8%) per annum, payable for the periods on which interest is payable on the bond anticipation notes of the Authority issued to purchase the Notes (the "Authority's Notes") two days in advance of the interest payment date for the Authority's Notes, all as provided in the Supplemental Resolution. Interest on the Notes shall be payable solely from the funds provided therefor in accordance with Section 8.01 hereof. The Notes shall be subject to call on demand of the Authority upon 14 days' written notice to the Town. The Notes shall not be prepayable or redeemable at the option of the Town.

The Notes shall be issued in the form of one note for the aggregate principal amount of the Notes, registered as to principal to the Authority, with interest coupons attached. Interest on the Notes shall be payable in accordance with, and upon surrender of, the appurtenant interest coupons as they severally mature.

Principal of and interest on the Notes shall be payable in any coin or currency which, on the respective dates of payment of principal and interest, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the Commission, or at a bank or trust company selected by the Authority as an alternate paying agent; provided, however, at the option of the Authority, the principal of the Notes may be paid by exchanging the Note with the Bonds originally issued pursuant to this Ordinance.

Section 7.02. Execution of Notes and Coupons.

Said Note shall be executed in the name of the Town by the Mayor, and the seal of the Town shall be affixed thereto and attested by the Town Recorder. In case any one or more of the officers who shall have signed or sealed the Note shall cease to be such officer of the Town before the Note so signed and sealed shall have been actually sold and delivered, such Note may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Note had not ceased to hold such office. The Note may be signed and sealed on behalf of the Town by such person as at the actual time of the execution of such Note shall hold the proper office in the Town, although at the date of such Note such person may not have held such office or may not have been so authorized.

The coupons to be attached to the Note shall be authenticated with the manual signature of the present or future Mayor and Town Recorder of the Town.

Section 7.03. Negotiability, Transfer and Registration.

The Notes shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting said Notes or the coupons appertaining thereto, shall be conclusively deemed to have agreed that such Notes shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Notes shall be incontestable in the hands of a bona fide holder for value in the manner provided hereinafter in the form of said Notes.

So long as any of the Notes remains outstanding, the Treasurer of the State of West Virginia shall keep and maintain books for the registration and transfer of the Notes. The Notes may be registered at the option of the Holder as to principal only at the office of the Treasurer of the State of West Virginia, such registration to be noted on the back of said Notes in the space provided therefor. After such registration as to principal only, no transfer of the Notes shall be valid unless made at said office by the registered owner, or by his or her duly authorized agent or representative, and similarly noted on the Notes, but the Notes may be discharged from registration by being in like manner transferred to bearer, and thereupon transferability by delivery shall be restored. At the option of the Holder the Notes may thereafter again from time to time be registered or transferred as before. Such registration as to principal only shall not affect the negotiability of the coupons, which shall continue to pass by delivery.

Section 7.04. Notes Mutilated, Destroyed, Stolen or Lost. In case any Note shall become mutilated or be destroyed, stolen or lost, the Town may in its discretion issue and deliver a new Note with all unmatured coupons, if any, so mutilated, destroyed, stolen or lost in exchange and substitution for such mutilated Note upon surrender and cancellation of such mutilated Note, and attached coupons, if any, or in lieu of and substitution for the Note and coupons, if any, destroyed, stolen or lost and upon the Holder's furnishing the Town proof of his or her ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Town may prescribe and paying such expenses as the Town may incur. All Notes and coupons so surrendered shall be cancelled by the Town Recorder and held for the account of the Town. If such Note or coupons shall have matured or be about to mature, instead of issuing a substitute Note or coupon, the Town may pay the same, upon being indemnified as aforesaid, and if such Note or coupons be lost, stolen, or destroyed, without surrender therefor.

Any such duplicate Note and coupons issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Town, whether or not the lost, stolen or destroyed Note or coupons be at any time found by any one, and such duplicate Note and coupons shall be entitled to equal and proportionate benefits and rights as to lien and source of security for payment from the

proceeds of the Bonds and the revenues pledged herein with all other Notes and coupons issued hereunder.

Section 7.05. Form of Note and Coupons. The text of the Note, and of the coupons, shall be of substantially the following tenor, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted by this Ordinance, the Supplemental Resolution or any subsequent resolution or ordinance adopted prior to the issuance thereof.

So long as the Authority is the holder hereof, this Note is subject to renewal at the option of the Authority for a period not to exceed one year at interest rates to be established by the Authority, but in no event shall such interest rates exceed the maximum permissible rates of interest which the Town may pay under applicable State law. So long as the Authority is the holder hereof, this Note is subject to call on demand of the Authority upon 14 days' written notice to the Town. This Note is not prepayable or redeemable at the option of the Town.

This Note represents the aggregate principal amount of Notes issued to finance the cost of construction and acquisition of certain additions, betterments and improvements to the municipal sewage system (the "System") of the Town pending the issuance of certain Subordinate Sewer Revenue Bonds as described below, all under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Article 13 of Chapter 16 of the Code of West Virginia, 1931, as amended (the "Act"), and an ordinance duly adopted by the Town Council of the Town on the 8th day of July, 1980, as supplemented on _____, 19____ (the "Ordinance"), and is subject to all the terms and conditions of said Ordinance.

This Note is issued in anticipation of certain Subordinate Sewer Revenue Bonds of the Town, and the principal of this Note is payable from the proceeds of such Subordinate Sewer Revenue Bonds to be issued at the maturity, or call prior to maturity, of this Note, as authorized by the Ordinance. Issuance of said Subordinate Sewer Revenue Bonds was authorized by the Ordinance, and the Authority has agreed to purchase such Bonds. Interest on this Note is payable from certain proceeds of sale hereof deposited for such purpose in a trust account with _____. To the extent the principal of and interest on this Note are not paid as provided above, they are payable from, and secured by a lien on, the net revenues to be derived from the operation of the System, in the custody and under the control of the Sanitary Board of The Town.

This Note does not constitute a corporate indebtedness of the Town within the meaning of any constitutional or

statutory provisions or limitations, nor shall said Town be obligated to pay the same or the interest thereon except from the proceeds of the Subordinate Sewer Revenue Bonds and this Note or from the net revenues from the operation of said System. Under the Ordinance, the Town has entered into certain covenants with the holders of this Note for the terms of which reference is made to said Ordinance. Remedies provided the holder of this Note are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof. This Note is junior, subordinate and inferior as to source of payment and security from, and in all other respects with regard to, the net revenues derived from the operation of the System to \$ _____ in principal amount of the Town's _____ Bonds, dated _____, _____, outstanding on the date hereof.

This Note is fully negotiable but may be registered as to principal only the name of the holder on the books in the office of the Treasurer of the State of West Virginia, at Charleston, West Virginia, such registration to be evidenced by notation on the back hereof by the Treasurer, after which no transfer shall be valid unless made on said books and similarly noted hereon, but it may be discharged from such registration by being transferred to bearer, after which it shall be transferable by delivery, but it may be registered again as before. The registration of this Note as to principal shall not restrain the negotiability of the coupons by delivery merely.

This Note and the interest hereon shall be exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

All money received from the sale of this Note, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law, shall be applied solely to the payment of the cost of additions, betterments and improvements described in the Ordinance, including payment of any indebtedness incurred by the Town for such purposes which is required to be paid from the moneys received from the sale of such Bonds, or to the appurtenant capitalized interest trust account, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the holder of said Note.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen

and be performed precedent to and in the issuance of this Note have existed, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Note, together with all other obligations of said Town, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that the Subordinate Sewer Revenue Bonds described above will be issued to refund this Note.

All provisions of the ordinances and statutes under which this Note is issued shall be deemed to be a part of the contract evidenced by this Note to the same extent as if written fully herein.

IN WITNESS WHEREOF, the said Town has caused this Note to be signed by its Mayor, attested by its Town Recorder and its corporate seal to be hereunto affixed, and the coupons hereto attached to be executed with the manual signatures of said Mayor and Town Recorder, all as of this ____ day of _____, 1980.

Section 7.08. Notes Are Limited Obligations. The Notes, and the coupons attached thereto, do not constitute a corporate indebtedness of the Town within the meaning of any constitutional or statutory provisions or limitations, nor shall said Town be obligated to pay the same except from the proceeds thereof, the proceeds of the Bonds originally issued pursuant to this Ordinance, or, to the extent the Town does not issue the Bonds or other obligations to refund the Notes, from the net revenues derived from the operation of the System.

ARTICLE VIII

APPLICATION OF NOTE PROCEEDS

Section 8.01. Application of Note Proceeds. From the moneys received from the sale of the Notes authorized and issued pursuant to this Ordinance, the following amounts shall be first deducted and deposited:

A. The amount of the proceeds necessary to pay interest on the Note until scheduled maturity thereof shall be deposited by the Town in a special bank account in a trust fund to be known as the "Capitalized Interest Account," which is hereby created with the Mason County Bank, New Haven, West Virginia, as trustee (the "Trustee"). The Trustee shall segregate all funds and securities in the Capitalized Interest Account separate and apart from other deposits and funds of the Trustee and other deposits and funds of the Town, including the Project Construction Fund. All moneys in the Capitalized Interest Account, until payment in full of all principal and interest owing on the Note at maturity, or call prior to

maturity, shall be held by the Trustee for the holders of the Note, and the Town shall have no rights with respect thereto. All moneys in the Capitalized Interest Account in excess of the amount insured by FDIC shall be continuously secured by, or invested by the Trustee in, direct obligations of, or obligations the principal of and interest on which are guaranteed by, the United States of America ("Governmental Obligations"), which Governmental Obligations shall mature at least one day prior to need for the funds for payment of interest on the Note. At or prior to any interest payment date, the Trustee shall transfer to the paying agents in immediately available funds the amount of interest owing on the Note. Upon final transfer for payment in full of all interest on the Note, the Trustee shall pay to the Town any excess amounts remaining in the Capitalized Interest Account, and the Town shall deposit any such amounts in the Project Construction Fund.

The Town shall pay to the Trustee from time to time reasonable compensation for all services rendered by the Trustee and all reasonable expenses, charges, counsel fees and other disbursements incurred by the Trustee in connection with its performance of its functions hereunder. The Town shall from time to time have the right to appoint a successor Trustee provided that such successor Trustee be a bank or trust company or national banking association insured by the FDIC. The Trustee shall signify its acceptance of the duties and obligations hereby imposed by executing and delivering to the Town a written acceptance thereof.

The Town hereby covenants that it will not, and hereby directs that the Trustee not, invest or use any of the proceeds of the Notes nor any moneys in the Capitalized Interest Account in such manner as to cause the Notes to be "arbitrage bonds" under the provisions of Section 103(c) of the Internal Revenue Code of 1954, as amended.

B. The remaining moneys derived from the sale of said Notes shall be deposited by the Town in a special bank account in a fund to be known as the "Construction Trust Fund," which is hereby created, which fund shall be kept separate and apart from all other funds of the Town and shall be drawn out, used and applied by the Sanitary Board of the Town solely for the payments of the cost of the construction and acquisition of said Project, and purposes incidental thereto, and for no other purposes whatsoever. The moneys in said fund shall be secured at all times by the

deposit of such bonds in direct obligations of the United States of America having a fair market value at least equal to the balance in excess of \$100,000 in said fund. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to, such purposes, then such unapplied proceeds shall be deposited by the Town in the Sinking Fund established pursuant to this Ordinance and shall be used only as provided herein. All such proceeds shall be and constitute a trust fund for such purposes, and there is hereby created a lien upon such moneys until so applied in favor of the Holders of the Bonds herein authorized.

Expenditures or disbursements^s from said Construction Trust Fund, except for legal, fiscal and engineering expenses and expenses in connection with the issuance and sale of the Bonds shall be made only after such expenditures or disbursements shall have been approved in writing by the Consulting Engineers.

ARTICLE IX

No amendment or modification shall be made that would reduce the percentage of the principal amount of Notes or Bonds required for consent to the above permitted amendments or modifications.

Section 9.02. Severability of Invalid Provisions. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, such invalidity shall not affect any of the remaining provisions of this Ordinance.

laws and Constitution of the State of West Virginia applicable
thereto; and that the Mayor, the Town Recorder and members

or cause to be paid, or there shall otherwise be paid, to
the Holders of all Notes or Bonds and coupons the principal
of and interest due or to become due thereon, at the times
and in the manner stipulated therein and in this Ordinance,
then the pledge of any revenues, and other moneys and securities

pledged under the Ordinance and all covenants, agreements and other obligations of the Town to the Noteholders or the Bondholders, as the case may be, shall thereupon cease, terminate and become void and be discharged and satisfied.

For the purpose of this section, securities shall mean and include only Governmental Obligations.

Section 9.07. Restrictions as to Arbitrage Bonds.
The Town shall not permit at any time or times any of the proceeds of the Notes or the Bonds or any other funds of the

Town to be used directly or indirectly to acquire any securities or obligations the acquisition of which would cause any Note or Bond to be an "arbitrage bond" as defined in Section 103(c)(2) of the Internal Revenue Code, and the Mayor of the Town shall deliver his certificate, based upon this covenant, with regard thereto to the Authority.

(ix) That all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, in the event the Governmental Agency owns a waterworks system (the "Water System"), it will, to the full extent permitted by law, discontinue

and shut off the services and facilities of the System and the Water System to all delinquent users of services of the System and will not restore the services of either system until all delinquent charges for the services of the System have been fully paid;

(xi) That the Governmental Agency will not grant any franchise to provide any services which would compete with the System;

(xii) That the Governmental Agency shall annually cause the records of the System to be audited by a certified public accountant;

(xv) That the proceeds of Local Notes, except for capitalized interest, which may be immediately deposited in a sinking fund, must be deposited in a construction fund on which the holder of the Local Notes and the Local Bonds shall have a lien until such proceeds are applied to the construction of a water development project.

The Governmental Agency hereby represents and warrants that the Local Act shall be duly ~~acted~~ in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. [Opinion of Bond Counsel for Governmental Agency]

[To Be Dated as of Date of Interim Loan Closing]

West Virginia Water Development Authority[®]
1201 Dunbar Avenue
Dunbar, West Virginia 25064

Gentlemen:

We are bond counsel to the Town of New Haven (the "Governmental Agency"), a municipal corporation organized and existing under the laws of the State of West Virginia.

We have examined a certified copy of proceedings and other papers relating to (i) the authorization of a loan agreement (the "Loan Agreement"), dated _____, 19__, between the Governmental Agency and the West Virginia Water Development Authority (the "Authority") and (ii) the issue of bond anticipation notes of the Governmental Agency, dated _____, 19__ (the "Local Note"), to be purchased by the Authority in accordance with the provisions of the Loan Agreement, in the principal amount of \$451,000.00, issued in the form of one note registered as to principal to the Authority, bearing coupons representing interest payable from the date thereof for the periods on which interest is payable on the bond anticipation notes issued by the Authority to finance the purchase of the Local Note two days in advance of the interest payment dates for said notes of the Authority, being _____, at the rate of eight percent (8%) per annum.

The Local Note shall mature on June 1, 1981, unless renewed at the option of the Authority for a period of not to exceed one year at interest rates to be established by the Authority, but in no event shall such interest rates exceed the maximum permissible rates of interest which the Governmental Agency may pay under applicable State law. Further, the Local Note is subject to call on demand of the

Authority upon fourteen (14) days' written notice to the Governmental Agency. The Local Note is issued for the purpose of providing funds to finance, in part, the construction and acquisition of certain additions, betterments and improvements (the "Project") to the sewage system (the "System") of the Governmental Agency as described in the Loan Agreement. The Local Note is issued in anticipation of and will be refunded with the proceeds of revenue bonds of the Governmental Agency (the "Local Bond").

We have also examined the applicable provisions of Chapter 16, Article 13, of the West Virginia Code of 1931, as amended (the "Code Provision"), under which the Local Note is issued and the Loan Agreement that has been undertaken, including all schedules and exhibits to the Loan Agreement. The Local Note has been authorized by a bond and note ordinance (the "Local Act") duly enacted by the Governmental Agency, which contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion that;

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding obligation of the Governmental Agency enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and cannot be amended so as to affect adversely the rights of the Authority or diminish the obligations of the Governmental Agency without the consent of the Authority.

3. The Governmental Agency is a duly organized and presently existing municipality, with full power and authority to construct, acquire, operate and maintain the Project and to issue and sell the Local Note and, subsequently, the Local Bond, all under the Code Provision and other applicable provisions of law.

4. The Governmental Agency has legally and effectively enacted the Local Act and all other necessary ordinances and resolutions in connection with the issuance and sale of the Local Note and has duly authorized the subsequent issuance of the Local Bond.

5. The Local Note is a valid and legally enforceable special obligation of the Governmental Agency, payable from the proceeds of the Local Bond and from the net revenues of the System and secured by a pledge of the proceeds of the Local Bond and a lien on and pledge of the net revenues of the System, all in accordance with the terms of the Local Note and the Local Act, and has been duly issued and delivered to the Authority.

6. The Governmental Agency has covenanted and made provisions to issue the Local Bond to refund the Local Note, which Local Bond shall comply in all respects with the requirements set forth in the Loan Agreement.

7. The conditions of Section 4.2 of the resolution adopted by the Authority on May 12, 1980, pursuant to which the bond anticipation notes of the Authority were issued, have been satisfied.

8. The Local Note and the interest thereon are, by statute, exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof, and under the laws, regulations, rulings and decisions of the United States of America, as presently written and applied, the interest on the Local Note is exempt from Federal income taxation.

We have examined executed Local Note numbered N-1, and in our opinion the form of said note and its execution are regular and proper.

Very truly yours,
