ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 8, Article 20 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Wheeling (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Ohio County of said State.

B. The Issuer presently owns and operates a public combined waterworks and sewerage system. However, it is deemed necessary and desirable for the health and welfare of the

inhabitants of the Issuer that there be acquired and constructed certain extensions, additions, betterments and improvements to the sewerage portion of the existing public combined waterworks and sewerage system of the Issuer, consisting of improvements to the existing wastewater collection and treatment system, together with all appurtenant facilities (collectively, the "Project") (the existing public combined waterworks and sewerage system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System") in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), which administers the West Virginia Water Pollution Control Revolving Fund Program (the "SRF Program"), all pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Combined Waterworks and Sewerage System Revenue Bonds, in the total aggregate principal amount of not more than \$10,000,000 in one or more series, initially planned to be the Combined Waterworks and Sewerage System Revenue Bonds, Series 2010 B (West Virginia SRF Program) (the "Series 2010 B Bonds"), to permanently finance the costs of acquisition and construction of the Project. Such costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor and eligible under the Act; interest upon the Series 2010 B Bonds prior to and during acquisition or construction and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Reserve Accounts (as hereinafter defined) for the Series 2010 B Bonds; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expense; commitment fees; fees and expenses of the Authority, including the SRF Administrative Fee (as hereafter defined); discount; initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2010 B Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; the design, acquisition or construction of the Project and the placing of same in operation; and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2010 B Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 22 years.

F. It is in the best interests of the Issuer that its Series 2010 B Bonds be sold to the Authority pursuant to the terms and provisions of a Loan Agreement by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection (the "DEP"), all in form satisfactory to the respective parties, to be approved hereby if not previously approved by resolution of the Issuer.

G. The Issuer will have the following outstanding obligations which will rank on a parity with the Series 2010 B Bonds as to liens, pledge, source of and security for payment, being the (i) Combined Waterworks and Sewerage System Revenue Bonds, Series 2005 A (West Virginia SRF Program), dated May 3, 2005, issued in the original aggregate principal amount of \$14,500,000 (the "Series 2005 A Bonds"); (ii) Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 A, dated September 26, 2006, issued in the original aggregate principal amount of \$12,000,000 (the "Series 2006 A Bonds"); and (iii) Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2010 A, dated May 6, 2010, issued in the original aggregate principal amount of \$4,455,000 (the "Series 2010 A Bonds") (collectively, the "Prior Bonds").

The Series 2010 B Bonds shall be issued on a parity with the Prior Bonds with respect to liens, pledge and source of and security for payment and in all respects. Prior to the issuance of the Series 2010 B Bonds, the Issuer will obtain (i) a certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met, and (ii) the written consent of certain of the Holders of the Series 2005 A Bonds to the issuance of the Series 2010 B Bonds on a parity with the Prior Bonds. The Series 2006 A Bonds and Series 2010 A Bonds do not require consent. Other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. The Issuer is in compliance with the covenants of the Prior Bonds and the Prior Ordinances.

H. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Issuer's Prior Bonds, and the Series 2010 B Bonds and to make payments into all funds and accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement (hereinafter defined) relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2010 B Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and the obtaining of a Certificate of Public Convenience and Necessity from the Public Service Commission of West Virginia.

The Series 2010 B Bonds shall be exchangeable at the option and expense of the Registered Owner for another fully registered Bond or Bonds of the same series in aggregate principal amount equal to the amount of said Bonds then Outstanding and being exchanged, with principal installments or maturities, as applicable, corresponding to the dates of payment of principal installments of said Bonds; provided, that the Authority shall not be obligated to pay any expenses of such exchange.

Subsequent series of Bonds, if any, shall be issued in fully registered form and in denominations as determined by a Supplemental Resolution. Such Bonds shall be dated and shall bear interest as specified in a Supplemental Resolution.

Section 3.03. Execution of Bonds. The Series 2010 B Bonds shall be executed in the name of the Issuer by the Mayor, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the City Clerk. In case any one or more of the officers who shall have signed or sealed the Series 2010 B Bonds shall cease to be such officer of the Issuer before the Series 2010 B Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2010 B Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. No Series 2010 B Bonds shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.10 hereof shall have been manually executed by the Bond Registrar. Any such executed

Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any Series 2010 B Bonds shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 2010 B Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting the Series 2010 B Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as the Series 2010 B Bonds remain outstanding, the Issuer, through the Bond Registrar or its agent, shall keep and maintain books for the registration and transfer of such Bonds.

The registered Series 2010 B Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging or transferring the registered Series 2010 B Bonds are exercised, all Series 2010 B Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Series 2010 B Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Series 2010 B Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of any Series 2010 B Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Series 2010 B Bonds or, in the case of any proposed redemption of such Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2010 B Bonds shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so

surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2010 B Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Gross Revenues derived from the operation of the System as herein provided. Section 3.08. Bonds Secured by Pledge of Gross Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service on the Series 2010 B Bonds shall be secured by a first lien on the Gross Revenues derived from the System, on a parity with each other and with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. The Gross Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Bonds, and to make all other payments hereinafter set forth, are hereby irrevocably pledged to such payments as they become due.

- (1) The Issuer shall first, on the first day of each month, transfer from the Revenue Fund and remit to the Commission (i) the amount required by Prior Ordinances to pay interest on the Prior Bonds; and (ii) commencing 4 months prior to the first date of payment of interest of the Series 2010 B Bonds, for deposit in the Series 2010 B Bonds Sinking Fund, an amount equal to 1/3rd of the amount of interest which will mature and come due on the Series 2010 B Bonds on the next ensuing quarterly interest payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2010 B Bonds Sinking Fund and the next quarterly interest payment date is less

Monies in the Series 2010 B Bonds Sinking Fund and the Series 2010 B Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2010 B Bonds Sinking Fund and the Series 2010 B Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2010 B Bonds under the conditions and restrictions set forth herein.

B. Surplus Revenues may be used for any lawful purpose of the System.

In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The monies in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Government Obligations or by other Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as herein above provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of

curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies on a parity and pro rata with respect to the Series 2010 B Bonds and the Prior Bonds all in accordance with the respective principal amounts outstanding before being applied to any other payments hereunder.

B. Next, from the proceeds of the Series 2010 B Bonds, there shall be deposited with the Commission in the Series 2010 B Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding of the Series 2010 B Bonds Reserve Account.

C. As the Issuer receives advances of the monies derived from the sale of the Series 2010 B Bonds, such monies shall be deposited with the Depository Bank in the Series 2010 B Bonds Construction Trust Fund and applied solely to payment of the costs of the Project in the manner set forth in Section 6.02 hereof and, until so expended, are hereby pledged as additional security for the Series 2010 B Bonds.

D. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2010 B Bonds shall be expended as approved by the DEP.

Section 6.02. Disbursements of Bond Proceeds. On or before the Closing Date, the Issuer shall have delivered to the Authority and the DEP a report listing the specific purposes for which the proceeds of the Series 2010 B Bonds will be expended and the disbursement procedures for such proceeds, including an estimated monthly draw schedule. Payments for Costs of the Project shall be made monthly. Invoices for which repayment from the Series 2010 B Bonds Construction Trust Fund will be sought must be first approved by the Issuer.

Except as provided in Section 6.01 hereof, disbursements from the Series 2010 B Bonds Construction Trust Fund shall be made only after submission to, and approval from, the Authority and the DEP of a completed and signed "Payment Requisition Form," a form of which is attached to the Loan Agreement, in compliance with the construction schedule; and

Pending such application, monies in the Series 2010 B Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2010 B Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2010 B Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2010 B Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2010 B Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2010 B Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2010 B Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Gross Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service on the Series 2010 B Bonds issued hereunder shall be secured equally and ratably by a first lien on the Gross Revenues derived from the System, on a parity with each other and with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. The Gross Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Bonds, and to make all other payments hereinafter set forth, are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement and the Issuer shall supply a certificate of Certified Public Accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the water rate ordinance of the Issuer enacted on February 16, 2010, and the sewer rate ordinance of the Issuer enacted May 19, 2009, as amended by Recommended Decision dated September 3, 2010, in Case No. 09-1000-S-MA of the Public Service Commission of West Virginia which rates are incorporated herein by reference as a part hereof.

So long as the Series 2010 B Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates and charges initially established for the System in connection with the Series 2010 B Bonds shall prove to be insufficient to produce the amounts required by this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the amounts required by this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, lease, mortgage or in any manner dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances and with the written consent of the Authority.

So long as the Series 2010 B Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the DEP, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall immediately be remitted to the Commission for deposit in the Series 2010 B Bonds Sinking Fund pro rata with respect to the principal amount of each of the Bonds then Outstanding, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest on the Series 2010 B Bonds in accordance with Article X hereof. Any balance remaining after the payment of the Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the

operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine, upon consultation with a professional engineer, that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into such account by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2010 B Bonds. All obligations issued by the Issuer after the issuance of the Series 2010 B Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2010 B Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2010 B Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2010 B Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no additional Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of

the Series 2010 B Bonds pursuant to this Ordinance, without the prior written consent of the Authority and the DEP and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinance).

No such additional Parity Bonds shall be issued except for the purposes of financing the costs of the design, acquisition and construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto, or to pay claims which may exist against the revenues or facilities of the System or all of such purposes.

So long as the Prior Bonds, and the Series 2010 B Bonds are outstanding, no Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustment hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall be not less than 115%, of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding;
- (2) Any additional Parity Bonds theretofore issued pursuant to the provisions contained in the Prior Ordinances and this Bond Legislation then Outstanding; and
- (3) The additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which has expired (without successful appeal) prior to the issuance of such Parity Bonds.

All covenants and other provisions of this Ordinance (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within

the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such Parity Bonds, in addition to the payments required for the Bonds theretofore issued pursuant to this Ordinance.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to the lien on and source of and security for payment from such revenues, with the Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Ordinance and the Prior Ordinances with respect to the Bonds then Outstanding, and any other payments provided for in this Ordinance and the Prior Ordinance, shall have been made in full as required to the date of issuance of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Ordinance and the Prior Ordinance.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of designing, acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the DEP such documents and information as they may reasonably require in connection with the design, acquisition, construction and installation of the Project; the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer.

Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Authority and the DEP, or any other original purchaser of the Series 2010 B Bonds and shall mail in each year to any Holder or Holders of the Series 2010 B Bonds, requesting the same, an annual report containing the following:

- (A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.
- (B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.
- (C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required in compliance with the applicable OMB Circular, or any successor thereof, and the Single Audit Act, or any successor thereof), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2010 B Bonds and shall submit the report to the Authority and the DEP or any other original purchaser of the Series 2010 B Bonds. Such audit report submitted to the Authority and the DEP shall include a statement that the Issuer is in compliance with the terms and provisions of the Act and the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in the Loan Agreement for the Series 2010 B Bonds or any Exhibit thereto or as promulgated from time to time.

The Issuer shall permit the Authority or the DEP, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Authority and the DEP, or their agents and representatives, with access to the System site and System

facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2010 B Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the City Clerk of the Issuer, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that (a) so long as the Prior Bonds are outstanding, the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, to provide a rate coverage equal to the highest rate coverage required by either (a) the Prior Ordinances or (b) this Ordinance, as set forth in (i) and (ii) below, and thereafter, sufficient, together with other revenues of the System, (i) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2010 B Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with, or subordinate to, the Series 2010 B Bonds including the Prior Bonds; provided that, in the event that, the amounts equal to or in excess of the Reserve Requirement are on deposit in the Reserve Accounts and any reserve accounts for obligations on a parity with the Series 2010 B Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such sum need only equal 110% of the maximum amount required in any year for payment of principal of and interest on the Series 2010 B Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with, or subordinate to, the Series 2010 B Bonds including the Prior Bonds.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Independent Certified Public Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the DEP within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further

certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the DEP and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her, within 30 days of adoption thereof and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority, the DEP and any Holder of any Bonds or anyone acting for and on behalf of such Holder.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for 2 years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement, and forward a copy of such report to the Authority and the DEP by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the DEP is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the DEP covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the DEP and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt. The Issuer shall submit a "Performance Certificate," a form of which is attached to the Loan Agreement for the Series 2010 B Bonds as Exhibit A, to the DEP within 60 days of the end of the first year after the Project is completed.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the DEP when the Project is 90% completed. The Issuer shall at all times provide operation and maintenance of the System in compliance with all state and federal standards.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the Loan Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

The Issuer shall serve the additional customers at the location(s) as set forth in Certificate of Engineer. The Issuer shall not reduce the amount of additional customers served by the project without the prior written approval of the Board of the Water Development Authority. Following completion of the Project the Issuer shall certify to the Authority the number of customers added to the System.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System, and any services and facilities of the water system, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water facilities are not owned by the Issuer, the Issuer shall enter into a termination agreement with the water provider of such water, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 2010 B Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. In the event of any damage to or destruction of any portion of the System, the proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the amount of any construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority and the DEP. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the DEP, the Issuer, the prime contractor and all subcontractors, as their interests may appear. The Issuer shall verify such insurance prior to commencement of construction.

Section 7.16. Mandatory Connections. The mandatory use of the sewerage portion of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be

abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Completion and Operation of Project; Permits and Orders. C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2010 B Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The Issuer will timely file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2010 B Bonds and the interest thereon including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. Section 7.20. Securities Law Compliance. ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investments. Any monies held as a part of the funds and accounts created by this Bond Legislation, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission or Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2010 B Bonds are Outstanding and as long thereafter as necessary to comply with the Code and to assure the exclusion of interest on the Series 2010 B Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2010 B Bonds which would cause the Series 2010 B Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take any and all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2010 B Bonds) so that the interest on the Series 2010 B Bonds will be and remain excluded from gross income

for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Tax Certificate and Rebate. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2010 B Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2010 B Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, unless otherwise agreed by the Authority, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and shall be used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. In addition, the Issuer shall cooperate with the Authority in preparing rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer. To the extent not so performed by the Authority, the Issuer and the Depository Bank (at the expense of the Issuer) may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer or the Depository Bank may deem appropriate in order to assure compliance with this Section 8.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 8.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay the required rebate amount, any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, and take any other actions necessary, in order to maintain the exclusion of interest on the Series 2010 B Bonds from gross income for federal income tax purposes.

The Issuer shall furnish to the Authority, annually, and at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be requested by the Authority. In addition, the Issuer shall cooperate with the Authority in preparing any required rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation and certificate with respect thereto or, if the Issuer qualifies for the small governmental issue exception to rebate, or any other exception thereto, then the Issuer shall submit to the Authority a certificate stating that it is exempt from such rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Series 2010 B Bonds subject to rebate. The Issuer shall also furnish to the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority including information with respect to earnings on all funds constituting "gross proceeds" of the Series 2010 B Bonds (as such term "gross proceeds" is defined in the Code).

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2010 B Bonds:

- (1) If default occurs in the due and punctual payment of the principal of or interest on any Series 2010 B Bonds; or
- (2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions relating to the Series 2010 B Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2010 B Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or
- (3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or
- (4) If default occurs with respect to the Prior Bonds or the Prior Ordinance.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner or Holder of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners or Bondholders including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners or Bondholders of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 2010 B Bonds shall be on a parity with those of the Holders of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers herein above conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the

jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

(v) That the Local Government shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and DEP; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Local Government will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

4.6 The obligation of the Authority to make any loans shall be conditioned upon the availability of moneys in the Fund in such amount and on such terms and conditions as, in the sole judgment of the Authority, will enable it to make the Loan.

5.3 In the event the Local Government defaults in any payment due to the Authority pursuant to this Loan Agreement, the amount of such default shall bear interest at the interest rate of the installment of the Loan next due, from the date of the default until the date of the payment thereof.

5.4 The Local Government hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Local Government, the Authority may exercise any or all of the rights and powers granted under Section 5 of the Act, including, without limitation, the right to impose, enforce and collect charges of the System.

In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($\$1,200/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. This is the incremental amount for the Budget Year-to-Date column.
- Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Local Government according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.
- Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Government.

West Virginia Water Development Authority

Charleston, WV 25311

West Virginia Department of Environmental Protection
601 57th Street
Charleston, WV 25304

Ladies and Gentlemen:

We are bond counsel to _____ (the "Local Government"), a
_____.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated _____, _____, including all schedules and exhibits attached thereto (the "Loan Agreement"), among the Local Government, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and (ii) the issue of a series of revenue bonds of the Local Government, dated _____, _____ (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of \$_____, in the form of one bond, registered as to principal and interest to the Authority, with principal and interest payable quarterly on March 1, June 1, September 1, and December 1 of each year, beginning _____ 1, _____, and ending _____ 1, _____, all as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond duly adopted or enacted by the Local Government on _____, as supplemented by the supplemental

resolution duly adopted by the Local Government on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Local Government and is a valid and binding special obligation of the Local Government, enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Local Government without the consent of the Authority and the DEP.

3. The Local Government is a duly organized and validly existing , with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Local Government and constitute valid and binding obligations of the Local Government, enforceable against the Local Government in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Government to the Authority and are valid, legally enforceable and binding special obligations of the Local Government, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and **the Local Act.**

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

Investigation and suspension
of increase in water rates
and charges as a result of a

On May 19, 2009, the City of Wheeling (City) adopted an ordinance which increased the sewer rates for its customers.

On June 19, 2009, the Commission received a letter from the Ohio County Public Service District which alleged discrimination because the City's proposed rate increase would charge certain sewer customers excessive rates compared to others.

On June 22, 2009, the Commission asserted its jurisdiction, suspended the City's rate increase and referred the matter.

On July 1, 2009, the City filed an affidavit of publication reflecting that the Commission's June 22, 2009 Order had been published in the Intelligencer, a newspaper qualified under West Virginia Code §59-3-1 et seq., published and of general circulation in Ohio County, West Virginia, on June 29, 2009.

On July 9, 2009, Staff Attorney Cassius H. Toon filed the Initial Joint Staff Memorandum to which was attached the July 8, 2009 Initial Internal Memorandum prepared by David Hatten, Utilities Analyst Supervisor, Water and Wastewater Division; Nathan Nelson, Utility Analyst II, Water and Wastewater Division; and Joe Marakovits, Technical Analyst III, Engineering Division.

On August 7, 2009, the City filed a motion to toll the suspension period and to extend the decision due date for the Division of Administrative Law Judges.

On August 14, 2009, the Commission extended the due date for Staff's report until September 28, 2009; extended the decision due date for the Division of Administrative Law Judges until November 12, 2009; and set December 14, 2009, as the new statutory deadline.

On August 19, 2009, the City filed a petition for emergency rate relief.

On August 25, 2009, the Ohio County Public Service District (District) filed an objection to the petition.

On June 3, 2010, Staff Attorney Toon filed the Final Joint Staff Memorandum to which was attached the June 3, 2010 Final Report prepared by William A. Nelson, Utilities Manager, Utilities Division. On June 3, 2010, Staff Attorney Toon also filed the Second Further Final Joint Staff Memorandum to which was attached the June 2, 2010 Utilities Division Second Further Final Memorandum prepared by Mr. Nelson.

On June 7, 2010, the hearing took place with Cassius H. Toon, Esquire, appearing on behalf of Commission Staff; Christopher P. Riley, Esquire, and Joseph J. Buch, Esquire, appearing on behalf of the Ohio County Public Service District; and Robert Rodecker, Esquire, appearing on behalf of the City of Wheeling. At the hearing, the parties represented that, while they agreed with the non-project rates in Staff Exhibit Number 1, there was no agreement on the post-project rates. Therefore, the parties indicated that the City would seek a tolling of the statute regarding both the rate case and the certificate case so that Staff could review the City's financial records for the test year ending June 30, 2009. (See, Tr. of June 7, 2010 hearing, pp. 7-9). The parties waived the briefing schedule.

On June 9, 2010, the City filed a motion to further toll the suspension period and extend the decision due date.

By Commission Order dated June 14, 2010, the current statutory due date of September 1, 2010, was tolled until 12:01 a.m., October 2, 2010, in both Case Nos. 09-0752-S-CN and 09-1000-S-MA. The decision due date for the Division of Administrative Law Judges was extended in both cases from August 6, 2010, until September 3, 2010.

On June 17, 2010, the transcript of the June 7, 2010 hearing (Tr. 2) was filed.

By Procedural Order dated June 29, 2010, a revised procedural schedule was established for the timely processing of this matter which required Staff's final recommendation to be filed on July 23, 2010, and a hearing to take place on August 5, 2010.

On July 7, 2010, the City filed its Tariff Form 42.

On July 23, 2010, Staff Attorney Toon filed the Further Final Joint Staff Memorandum to which was attached the July 23, 2010 Staff Rule 42 Exhibit prepared by Mr. Nelson and the July 23, 2010 Final Internal Memorandum prepared by Mr. Marakovits. Staff reported that the City's previously adopted ordinance proposed a single increase to become effective 45 days after passage. However, as a result of a previous Utilities Division report which was based on the test year ended June 30, 2008, and which recommended both non-project (going level) and project rates, the City now also proposed both non-project and project rates. The City did not re-adopt rates. However, since the non-project rates as presented in the City's Rule 42 exhibit are the interim rates and less than the adopted rates, and the project rates are the same as the previously adopted rates, the City's proposal is acceptable.

Staff reviewed the City's books and records for the test year period of July 1, 2008-June 30, 2009, and made various adjustments. The City currently has two (2) long-term debts.

The Staff-recommended 1 (non-project) rates will generate additional sales revenue of \$775,996, or a 15.2% increase. The Staff-recommended 2 (project) rates will generate additional sales revenue over and above the non-project rates of \$243,786, or a 4.1% increase, and are to be effective upon substantial completion of the project. The percentages are skewed due to the inclusion of the delinquent accounts payable surcharge revenue of \$407,445. A class cost of service study prepared by Staff was used as a guide in determining the recommended rates. The Staff-recommended 1 rates result in an average customer bill for 4,500 gallons usage of \$23.31 which is a \$4.36, or 23%, increase over the City's current average bill for residential, commercial and industrial customers. The Staff-recommended 1 resale rate is a decrease of 5.27% to \$1.84 per 1,000 gallons. The Staff-recommended 2 rates result in an average customer bill for 4,500 gallons of usage of \$25.74 which is a \$2.43, or 10.4%, increase over the Staff-recommended 1 average bill for residential, commercial and industrial customers. The Staff-recommended 2 resale rate is an increase of 10.3%, or \$2.03, per 1,000 gallons. The Staff-recommended 2 rates represent a 10.4% across-the-board increase to all customer classes.

Staff calculated the City's 5-year average of annual capital additions, less any acquired debt or contributions in aid of construction and adjusted by a construction cost index factor and the Engineering Division's analysis, to be \$540,620. Staff also calculated the leak adjustment rate to be \$0.54 per 1,000 gallons.

Staff recommended that the Staff-recommended 1 non-project rates and charges be approved for the City's sewer operations effective upon the issuance of the Final Order in this case. Staff further recommended that the Staff-recommended 2 project-related rates and charges be approved for the City's sewer operations effective upon substantial completion of construction in Case No. 09-0752-S-CN. The Staff-recommended 1 non-project rates and charges, including the delinquent accounts payable surcharge, result in a decrease from the previously approved interim rates. The approved interim rates are subject to refund. However, Staff recommended, in lieu of refunds due to the overcharges, the City be required to apply the overcharges toward the pay down of its delinquent accounts payable until the revised non-project rates become effective.

On August 5, 2010, the hearing took place as scheduled. Cassius Toon, Esquire, appeared on behalf of Commission Staff. Robert R. Rodecker, Esquire, appeared on behalf of the City of Wheeling. Christopher P. Riley, Esquire, appeared on behalf of the Ohio County Public Service District.

On August 17, 2010, the transcript of the August 5, 2010 hearing (Tr. 3) was filed.

EVIDENCE

1. Hearing on October 5, 2009.

Staff called Joseph A. Marakovits, Jr., as its first witness. (Tr. 1, p. 8). Mr. Marakovits, employed in the Commission's Engineering Division, prepared Staff Exhibit One. (Tr. 1, pp. 9-10).

On cross-examination by Mr. Riley, Mr. Marakovits agreed that he had conducted prior analyses of the City's wastewater treatment system. In the 2001 case, storm water inflow was not allocated to resale customers. (Tr. 1, p. 11). There is also no allocation for storm water inflow to the resale class in the instant proceeding. (Tr. 1, p. 12).

Staff called David Hatten as its second witness. (Tr. 1, p. 13). Mr. Hatten prepared Staff Exhibit Two. Mr. Hatten is a Utilities Analyst Supervisor for the Commission's Water and Wastewater Division. (Tr. 1, pp. 14-15). Mr. Hatten identified Staff Exhibit Three as the Further Final Joint Staff Memorandum prepared by himself and Mr. Marakovits. Interim rates were recommended for the City. Staff Exhibit Four reflects current data. (Tr. 1, p. 16). A post-hearing exhibit would also be prepared to reflect an electric service rate increase and certain regulatory expense costs. (Tr. 1, pp. 16-17).

On cross-examination by Mr. Rodecker, Mr. Hatten agreed that the revisions reflected on Staff Exhibit Three did not change Staff's recommendation. (Tr. 1, p. 18).

Upon questioning by the Administrative Law Judge, Mr. Hatten explained that it was purely an internal management decision between the Commission's Water and Wastewater Division and the Utilities Division to have two (2) rate schedules. (Tr. 1, pp. 19-20). The 6.48% across-the-board emergency rate increase was to go into effect on October 8, 2009. (Tr. 1, p. 20). Staff recommended an overall increase above per books of approximately 23%. (Tr. 1, p. 22). The ordinance increase adopted by the City Council was approximately 35%. (Tr. 1, pp. 22-23). There is an approximate \$900,000 difference between what the City's rate ordinance would produce and what the Staff-recommended increase of approximately 23% will produce. The Staff-recommended numbers have nothing to do with the certificate case. (Tr. 1, p. 23).

Upon questioning by the Administrative Law Judge, Mr. Hatten agreed that there was a little bit of class subsidization. However, he could not identify what class was subsidizing what class. (Tr. 1, p. 25). It looked like the commercial class was somewhat subsidizing the residential class in Staff's recommended rates. (Tr. 1, p. 26). The Staff-recommended rate increase is varied by class. The rate increase for the resale class is 21 percent. The overall rate increase is approximately 23 percent. (Tr. p. 27).

On cross-examination by Mr. Riley, Mr. Hatten agreed that \$71,801 allocated to resale customers should be reallocated to the respective classes within the City of Wheeling. (Tr. p. 29). The reallocation will have a small effect on the rates for the resale customers and the other classes. (Tr. 1, p. 30).

On questioning by the Administrative Law Judge, Mr. Hatten testified that the correction would be made in the post-hearing exhibit. (Tr. 1, p. 30).

On cross-examination by Mr. Riley, Mr. Hatten testified that the purpose of Exhibit Three was to combine the classes into two (2) classes. It did not affect Staff's recommendation regarding resale customers. (Tr. 1, p. 30).

On redirect, Mr. Hatten agreed that residential customers got a larger increase after the City lost some large industrial customers. (Tr. 1, p. 33).

Staff concluded its presentation of witnesses. No other party to the proceeding presented any witnesses. All parties waived filing briefs.

2. Hearing on June 7, 2010.

Staff submitted into evidence three (3) exhibits: (1) City of Wheeling-Water Pollution Control Division, Report for Fiscal Year Ended June 30, 2008 (Case No. 09-1000-S-MA); (2) Second Further Final Joint Staff Memorandum dated June 3, 2010 (Case No. 09-1000-S-MA); and (3) Final Joint Staff Memorandum (Case No. 09-0752-S-CN). (Tr. 2, pp. 6-7). No witnesses were presented at this hearing. Only statements of counsel were made. Staff Attorney Toon recommended that the non-project rates be adopted as interim rates pending the Commission granting requests for time extensions. If the time extensions were not granted, Staff

recommended that the non-project rates be adopted as permanent rates. (Tr. 2, p. 7). Mr. Rodecker agreed with Mr. Toon's statement. (Tr. 2, p. 8). Mr. Riley also agreed with the stipulation and the procedural disposition of the cases. (Tr. 2, pp. 8-9). All parties waived the briefing schedule. (Tr. 2, p. 12).

3. Hearing on August 5, 2010.

Staff presented two (2) exhibits at the hearing: (1) Final Joint Staff Memorandum dated June 3, 2010 (Case No. 09-0752-S-CN); and (2) Further Final Joint Staff Memorandum dated July 23, 2010 (Case No. 09-1000-S-MA). No witnesses were presented. Only statements of counsel were made. All parties stipulated to Staff's position and waived the filing of briefs in both cases. (Tr. 3, pp. 6, 8-10).

DISCUSSION

The rates recommended by Commission Staff in this case, which are agreed to by all parties in this proceeding, appear to be reasonable and were designed to cover the City's sewer utility service O&M expenses and to meet all of its debt service requirements and, accordingly, will be approved. The rates recommended by Commission Staff are based upon its examination of the City's sewer system operations, books and records and a Class Cost of Service Study.

FINDINGS OF FACT

1. On May 19, 2009, the City of Wheeling adopted an ordinance which increased the sewer rates for its customers. (See, Ordinance adopted May 19, 2009).

2. On June 19, 2009, the Ohio Public Service District filed a letter with the Commission which alleged discrimination and asserted that the City's proposed sewer rate increase would charge certain sewer customers excessive rates as compared to others. (See, filing dated June 19, 2009).

3. The Public Service Commission invoked its jurisdiction in this matter under West Virginia Code §24-2-4b, made the City a Respondent to this proceeding and, pending investigation, hearing and decision thereon, and as amended, suspended and deferred the use of said increased rates and charges until 12:01 a.m., October 2, 2010, unless otherwise ordered by the Commission. (See, Commission Orders entered June 22, 2009, and June 14, 2010).

4. On July 1, 2009, an affidavit of publication was filed reflecting publication of the Commission's Order on June 29, 2009, in the Intelligencer, a newspaper qualified under West Virginia Code §59-3-1 et seq., published and of general circulation in Ohio County, West Virginia. (See, Affidavit of Publication filed July 1, 2009).

5. On September 29, 2009, the City filed an Affidavit of Publication reflecting that the Notice of Hearing for the October 5, 2009 hearing had been published on September 17 and 21, 2009, in the Intelligencer, a newspaper qualified under West Virginia Code §59-3-1 et

seq., published and of general circulation in Ohio County, West Virginia. (See, Affidavit of Publication filed September 29, 2009).

6. Staff calculated the City's 5-year average of annual capital additions at \$540,620. Under the City's current rates and charges, only \$173,784 is available for capital additions. (See, Statement F2 of Staff Exhibit Two, August 5, 2010 hearing).

7. Staff recommended both non-project (Staff-recommended 1) and project (Staff-recommended 2) rate increases, with the project rate increases to be implemented upon the substantial completion of construction in Case No. 09-0752-S-CN. The Staff-recommended 1 rates will generate additional sales revenue of \$775,996, or a 15.2% increase, and will result in an average customer bill for 4,500 gallons of usage of \$23.31. The Staff-recommended 1 resale rate is a decrease of 5.27% to \$1.84 per 1,000 gallons. The Staff-recommended 2 rates result in an average customer bill for 4,500 gallons of usage of \$25.74. The Staff-recommended 2 resale rate is an increase of 10.3% to \$2.03 per 1,000 gallons. (See, Letter of Transmittal, pp. 3-4, Staff Exhibit Two, August 5, 2010 hearing).

8. The Staff-recommended 1 non-project rates and charges, which include the delinquent accounts payable surcharge, result in a decrease from the previously approved interim rates which were subject to refund. Staff recommended that, in lieu of refunds due to the overcharges, the City be required to apply the overcharges toward the pay down of its delinquent accounts payable until the revised non-project rates become effective. (See, Letter of Transmittal, p. 4, Staff Exhibit Two, August 5, 2010 hearing).

9. All parties to this proceeding, including the City and the Ohio County Public Service District, concurred with Staff's recommendations. (See, Tr. 3, pp. 6, 8-10).

CONCLUSIONS OF LAW

1. The laws of this state and the rules and regulations of the Commission require that the rates adopted in the City's municipal appeal, at issue in this proceeding, be just and reasonable and based primarily on the costs of providing service, i.e., the City's O&M expenses, debt service requirements and a reasonable surplus for plant additions based on a 5-year average of plant additions. The Staff-recommended non-project rates are sufficient, but not more than sufficient, to cover these costs. The Staff project-related rates cover the additional expenses and debt service associated with the project at issue in Case No. 09-0752-S-CN.

2. Under the facts and circumstances of this case and considering the recommendations of Commission Staff, it is reasonable to disapprove the increased sewer rates and charges contained in the most recent sewer ordinance adopted by the City of Wheeling on May 19, 2009, and to substitute therefor and approve the Staff-recommended rates and charges, attached hereto as Appendix A, for all sewer service rendered by the City of Wheeling on or after 12.01 a.m., October 2, 2010, and to substitute therefor and approve the Staff-recommended rates and charges, attached hereto as Appendix B, for all sewer service rendered by the City of

Wheeling upon substantial completion of construction of the project approved in Case No. 09-0752-S-CN.

3. Also under the facts and circumstances of this case and considering the recommendations of Commission Staff, it is reasonable to require, in lieu of refunds due to interim rate overcharges, that the City apply said overcharges toward the pay down of the City's delinquent accounts payable until the approved non-project rates become effective.

ORDER

IT IS, THEREFORE, ORDERED that the municipal sewer rate ordinance adopted by the City of Wheeling on May 19, 2009, be, and hereby is, disapproved and set aside.

IT IS FURTHER ORDERED that the Staff-recommended rates and charges, attached hereto as Appendix A, be, and hereby are, approved for all sewer services rendered by the City of Wheeling on and after 12:01 a.m., October 2, 2010, unless otherwise ordered by the Commission.

IT IS FURTHER ORDERED that the Staff-recommended rates and charges, attached hereto as Appendix B, be, and hereby are, approved for all sewer services rendered by the City of Wheeling upon the substantial completion of construction of the project approved in Case No. 09-0752-S-CN.

IT IS FURTHER ORDERED that, in lieu of refunds due to interim rate overcharges, the City apply said overcharges toward the pay down of its delinquent accounts payable account until the approved non-project rates are effective.

IT IS FURTHER ORDERED that the City of Wheeling file with the Public Service Commission's Tariff Office an original and at least five (5) copies of a revised tariff containing the rates approved in Appendix A within thirty (30) days of the date that this decision becomes final.

IT IS FURTHER ORDERED that the City of Wheeling file with the Public Service Commission's Tariff Office an original and at least five (5) copies of a revised tariff containing the rates approved in Appendix B within thirty (30) days of the date of substantial completion of the project approved in Case No. 09-0752-S-CN.

IT IS FURTHER ORDERED that this proceeding be, and hereby is, removed from the Commission's docket of open cases.

The Executive Secretary is hereby ordered to serve a copy of this order upon the Commission by hand delivery, and by electronic service upon all parties of record who have filed an e-service agreement with the Commission and by United States Certified Mail, return receipt requested, upon all parties of record who have not filed an e-service agreement with the Commission.

NOTICE OF FILING

On May 13, 2009, the City of Wheeling, a municipal utility, filed an application, duly verified, for a certificate of convenience and necessity for Phase II of proposed improvements to its aging wastewater system infrastructure. The City estimates that the total construction costs for the proposed Phase II project is \$14,990,000.00. The City is seeking funding for the project through the American Recovery and Reinvestment Act of 2009 and the State Revolving Fund. As of the filing of this application, the City has not received approval from either funding source.

WHEREAS, the City Council, on May 1, 2009, had its first reading of an Ordinance proposing increased sewer rates and charges to become effective 45 days after adoption of the Ordinance.

Said increased rates are based upon the City receiving funding through a 40-year loan at 0% interest. Should funding terms be different, the rates would be adjusted accordingly. The sewer rates set forth in the pending Ordinance are:

Dear Mr. Herron,

Angela K. Chestnut, P.E.
Executive Director

The West Virginia Infrastructure and Jobs Development Council (Infrastructure Council) has reviewed the City of Wheeling's (City) revised preliminary application to eliminate 20 CSO's and replace deteriorated equipment at the WWTP for the City (Project).

Barbara J. Pauley
Administrative Secretary

Based on the findings of the Sewer Technical Review Committee, the Infrastructure Council has determined that the Project is technically feasible within the guidelines of the Infrastructure and Jobs Development Act. The City should carefully review the enclosed comments of the Sewer Technical Review Committee as the City may need to address certain issues raised in said comments as it proceeds with the Project.

Upon consideration of the revised preliminary application, the Infrastructure Council determined that the City should pursue a \$9,000,000 Clean Water State Revolving Fund loan (3%, 20 yrs) to fund this Project. Please contact the West Virginia Division of Environmental Protection office at 304-926-0499 (X1611) for specific information on the steps the City needs to follow to apply for these funds. **Please note that this letter does not constitute funding approval from this agency.**

If you have any questions regarding this matter, please contact Angela K. Chestnut at 304-558-4607 (X201).

Sincerely,

Kenneth Lowe, Jr.

THIS BOND IS ISSUED ON A PARITY, WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS, TO THE ISSUER'S: (I) COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 2005 A (WEST VIRGINIA SRF PROGRAM), DATED MAY 3, 2005, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$14,500,000 (THE "SERIES 2005 A BONDS"); (II) COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 2006 A, DATED SEPTEMBER 26, 2006, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$12,000,000 (THE "SERIES 2006 A BONDS"); AND (III) COMBINED WATERWORKS AND SEWERAGE SYSTEM REFUNDING REVENUE BONDS, SERIES 2010 A, DATED MAY 6, 2010, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$4,455,000 (THE "SERIES 2010 A BONDS") (COLLECTIVELY, THE "PRIOR BONDS").

This Bond is payable only from and secured by a pledge of the Gross Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Gross Revenues in favor of the Holders of the Prior Bonds, and from monies in the Reserve Account created under the Bond Legislation for the Series 2010 B Bonds (the "Series 2010 B Bonds Reserve Account"), and unexpended proceeds of the Series 2010 B Bonds. Such Gross Revenues shall be sufficient to pay all operating expenses of the System and the principal of and interest on all bonds which may be issued pursuant to the Act and which shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Gross Revenues, the monies in the Series 2010 B Bonds Reserve Account and unexpended proceeds of the Series 2010 B Bonds. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest on the Series 2010 B Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2010 B Bonds including the Prior Bonds; provided however, that, so long as there exists in the Series 2010 B Bonds Reserve Account an amount at least equal to the maximum amount of principal and interest which will become due on the Series 2010 B Bonds in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with or junior and subordinate to the Bonds, including the Prior Bonds, an amount at least equal to the requirement therefor,

such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Bond Legislation. Remedies provided the registered owners of the Bonds are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of the Registrar (as defined in the Bond Legislation) by the registered owner, or by its attorney duly authorized in writing, upon the surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

Ladies and Gentlemen:

We have served as bond counsel to The City of Wheeling (the "Issuer"), a municipal corporation and political subdivision of the State of West Virginia in connection with its \$8,356,000 Combined Waterworks and Sewerage System Revenue Bonds, Series 2010 B (West Virginia SRF Program), dated the date hereof (the "Bonds").

We have examined the law and a certified copy of proceedings and other papers relating to the authorization of (i) a Loan Agreement dated December 14, 2010, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and (ii) the Bonds to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are issued in the principal amount of \$8,356,000, in the form of one bond, bearing interest at the rate of 2% per annum, registered as to principal and interest to the Authority, with principal of and interest on the Bonds payable quarterly on March 1, June 1, September 1, and December 1 of each year, beginning March 1, 2013, to and including March 1, 2032, all as set forth in "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Bonds. The Series 2010 B Bonds are subject to the SRF Administrative Fee equal to 1% of the principal amount of the Series 2010 B Bonds as set forth in the Schedule Y attached to the Loan Agreement.

The Bonds are issued for the purposes of (i) paying the costs of acquisition and construction of certain additions, betterments and improvements to the sewerage portion of the existing public combined waterworks and sewerage system of the Issuer (the "Project"); and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of Chapter 8, Article 20 and Chapter 22C, Article 2 of the Code of West Virginia, 1931, as amended (collectively, the "Act"), and the Bond Ordinance duly enacted by the Issuer on October 19, 2010, as supplemented by the Supplemental Resolution duly adopted by the Issuer on December 7, 2010 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Loan Agreement. All capitalized terms used herein and not defined herein shall have the same meanings set forth in the Bond Legislation.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

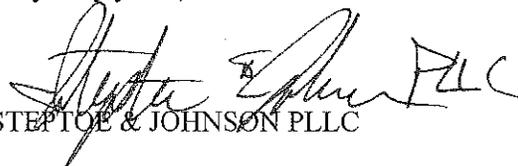

1. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof.
2. The Loan Agreement inures to the benefit of the Authority and DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.
3. The Issuer is a duly organized and presently existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.
4. The Bond Legislation and all other necessary ordinances and resolutions have been legally and effectively adopted or enacted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions in the form of those set forth in Section 4.1 of the Loan Agreement.
5. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Gross Revenues of the System and secured by a first lien on and pledge of the Gross Revenues of the System, on a parity with the Issuer's: (i) Combined Waterworks and Sewerage System Revenue Bonds, Series 2005 A (West Virginia SRF Program), dated May 3, 2005, issued in the original aggregate principal amount of \$14,500,000 (the "Series 2005 A Bonds"); (ii) Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 A, dated September 26, 2006, issued in the original aggregate principal amount of \$12,000,000 (the "Series 2006 A Bonds"); and (iii) Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2010 A, dated May 6, 2010, issued in the original aggregate principal amount of \$4,455,000 (the "Series 2010 A Bonds"); (ii) (collectively, the "Prior Bonds"), all in accordance with the terms of the Bond Legislation.
6. The Bonds are, under the Act, exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

7. Under existing laws, regulations, rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Bonds (a) is excludable from gross income of the owners thereof for federal income tax purposes pursuant to the Code and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations under the Code. It should be noted, however, that interest on the Bonds is included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum tax that may be imposed with respect to corporations. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Code that must be satisfied subsequent to issuance of the Bonds for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Bonds set forth in the Bond Legislation and the Certificate as to Arbitrage, and other certificates delivered in connection with the issuance of the Bonds. Failure to comply with certain of such Code provisions or such certifications, covenants and representations could cause the interest on the Bonds to be includable in gross income retroactive to the date of issuance of the Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

No opinion is given herein as to the effect upon enforceability of the Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond numbered BR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

Ladies and Gentlemen:

I am counsel to The City of Wheeling in Ohio County, West Virginia (the "Issuer"). As such counsel, I have examined copies of the approving opinion of Steptoe & Johnson PLLC, as bond counsel, a loan agreement for the Series 2010 B Bonds, dated December 14, 2010, including all schedules and exhibits attached thereto, by and among the Issuer and the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP") (the "Loan Agreement"), a Bond Ordinance duly enacted by the Issuer on October 19, 2010, as supplemented by a Supplemental Resolution duly adopted by the Issuer on December 7, 2010 (collectively, the "Bond Legislation"), and other documents relating to the above-captioned Bonds of the Issuer (the "Bonds"). All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Bond Legislation and the Loan Agreement when used herein.

I am of the opinion that:

1. The Issuer has been duly created and is validly existing as a municipal corporation and political subdivision of the State of West Virginia, and the Mayor, City Clerk and members of the council of the Issuer have been duly and properly elected or appointed, as applicable, have taken the requisite oaths, and are authorized to act on behalf of the Issuer in their respective capacities.

2. The Loan Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the other parties thereto, constitute valid and binding agreements of the Issuer enforceable in accordance with its terms.

3. The Bond Legislation has been duly adopted and enacted by the Issuer and is in full force and effect.

4. The execution and delivery of the Bonds, the Loan Agreement and the consummation of the transactions contemplated by the Bonds, the Loan Agreement and the Bond

Legislation and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, court order or consent decree to which the Issuer is subject.

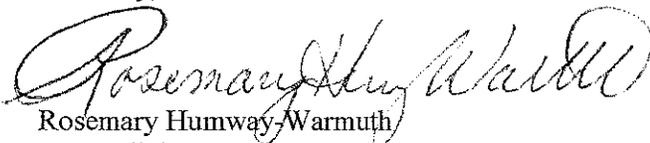

5. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders and approvals from the West Virginia Department of Environmental Protection and the Public Service Commission of West Virginia, and has taken any other action required for the imposition of such rates and charges, including, without limitation, the enactment of an ordinance prescribing such rates and charges.

6. To the best of my knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Loan Agreement, the Bond Legislation, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds or the collection or pledge of the Gross Revenues therefor.

7. I have ascertained that all successful bidders have provided the drug-free workplace affidavit, submitted their drug free workplace plan, and the contracts contain language that complies with the Drug Free Workplace Act, Article 1D, Chapter 21 of the West Virginia Code. I have also ascertained that all successful bidders have made required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy. Prior to the execution of construction contracts by the Issuer, I will review the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, and verify that such surety bonds and policies: (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interests of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Bond Legislation and the Loan Agreement; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Sincerely,

Rosemary Humway-Warmuth
City Solicitor

THE CITY OF WHEELING

Combined Waterworks and Sewerage System Revenue Bonds, Series 2010 B
(West Virginia SRF Program)

CERTIFICATE AS TO ARBITRAGE FOR SERIES 2010 B BONDS

The undersigned Mayor of The City of Wheeling in Ohio County, West Virginia (the "Issuer"), being one of the officials of the Issuer duly charged with the responsibility for the issuance of \$8,356,000 aggregate principal amount of Combined Waterworks and Sewerage System Revenue Bonds, Series 2010 B (West Virginia SRF Program), of the Issuer, dated December 14, 2010 (the "Bonds" or the "Series 2010 B Bonds"), hereby certify this 14th day of December, 2010 as follows:

1. This certificate is being executed and delivered pursuant to Section 148 of the Internal Revenue Code of 1986, as amended, and the temporary and permanent regulations promulgated thereunder or under any predecessor thereto (the "Code"). I am one of the officers of the Issuer duly charged with the responsibility of issuing the Bonds. I am familiar with the facts, circumstances and estimates herein certified and am duly authorized to execute and deliver this certificate on behalf of the Issuer. Capitalized terms used herein and not otherwise defined herein shall have the same meaning as set forth in the Bond Ordinance duly enacted by the Issuer on October 19, 2010, as supplemented by Supplemental Resolution duly adopted by the Issuer on December 7, 2010 (collectively, the "Bond Legislation"), authorizing the Bonds.

2. This certificate may be relied upon as the certificate of the Issuer.

3. The Issuer has not been notified by the Internal Revenue Service of any listing or proposed listing of it as an issuer that may not certify its bonds or the certification of which may not be relied upon by holders of obligations of the Issuer or that there is any disqualification of the Issuer by the Internal Revenue Service because a certification made by the Issuer contains a material misrepresentation.

4. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on December 14, 2010, the date on which the Bonds are to be physically delivered in exchange for more than a de minimus amount of the principal of the Bonds, and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

5. In the Bond Legislation pursuant to which the Bonds are issued, the Issuer has covenanted that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Bonds which would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Bonds) so that the interest on the Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion. The Issuer has, therefore, covenanted to not intentionally use any portion of the proceeds of the Bonds to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except as otherwise allowed under Sections 103 and 148 of the Code.

6. The Series 2010 B Bonds were sold on December 14, 2010, to the West Virginia Water Development Authority (the "Authority") pursuant to a loan agreement dated December 14, 2010, by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection (the "DEP"), for an aggregate purchase price of \$8,356,000 (100% of par value), at which time, the Issuer received \$417,800 from the Authority and the DEP. The balance of the principal amount of the Series 2010 B Bonds will be advanced to the Issuer as acquisition and construction of the Project progresses.

7. The Series 2010 B Bonds are being delivered simultaneously with the delivery of this certificate and are issued for the purposes of (i) paying the costs of acquisition and construction of certain improvements and extensions to the sewerage portion of the existing public combined waterworks and sewerage system facilities of the Issuer (the "Project"); and (ii) paying costs of issuance of the Bonds and related costs.

8. The Issuer shall, on the date hereof or immediately hereafter, enter into agreements which require the Issuer to expend at least 5% of the net sale proceeds of the Bonds for the acquisition and construction of the Project, constituting a substantial binding commitment, or has already done so. Acquisition, construction and equipping of the Project and allocation of the net sale proceeds of the Bonds to expenditures of the Project will commence immediately and will proceed with due diligence to completion, and, with the exception of proceeds constituting capitalized interest, if any, and proceeds deposited in the reserve account for the Bonds, if any, all of the proceeds from the sale of the Bonds, together with any investment earnings thereon, will be expended for payment of costs of the Project on or before December 1, 2012, except as otherwise required for rebate to the United States under Section 148(f) of the Code. Acquisition and construction of the Project is expected to be completed by June 1, 2012.

9. The total cost of the Project (including all costs of issuance of the Bonds) is estimated at \$8,356,000. Sources and uses of funds for the Project are as follows:

SOURCES

Gross Proceeds of the Series 2010 B Bonds	\$ 8,356,000
Total Sources.....	<u>\$ 8,356,000</u>

USES

Acquisition and Construction.....	\$ 8,320,500
of Project	
Costs of Issuance.....	<u>\$ 35,500</u>
Total Uses.....	<u>\$ 8,356,000</u>

Except for the proceeds of the Bonds, no other funds of the Issuer will be available to meet costs of the Project, which would constitute "replacement proceeds" within the meaning of Treas. Reg. § 1.148-1(c), inasmuch as (i) the Issuer does not reasonably expect that the term of the Bonds is longer than is reasonably necessary for the governmental purposes of the Issuer, (ii) the weighted average maturity of

the Bonds does not exceed 120% of the average expected economic life of the Project, and (iii) there are no amounts that have a sufficiently direct nexus to the Bonds or to the governmental purpose of the Bonds to conclude that the amounts would have been used for that governmental purpose if the proceeds of the Bonds were not used or to be used for that governmental purpose.

10. Pursuant to Article V of the Bond Legislation, the following special funds or accounts have been created or continued:

- (1) Revenue Fund (established by the Prior Ordinances);
- (2) Renewal and Replacement Fund (established by the Prior Ordinances);
- (3) Rebate Fund (established by the Prior Ordinances);
- (4) Series 2010 B Bonds Construction Trust Fund;
- (5) Series 2010 B Bonds Sinking Fund; and
- (6) Series 2010 B Bonds Reserve Account.

11. Pursuant to Article VI of the Bond Legislation, the proceeds of the Bonds will be deposited as follows:

A. From the proceeds of the Series 2010 B Bonds, there shall first be deposited with the Commission in the Series 2010 B Bonds Sinking Fund, the amount, if any, set forth in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 2010 B Bonds for the period commencing on the date of issuance of the Series 2010 B Bonds and ending 6 months after the estimated date of completion of construction of the Project.

B. From the proceeds of the Series 2010 B Bonds, there shall be deposited with the Commission in the Series 2010 B Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding of the Series 2010 B Bonds Reserve Account.

C. As the Issuer receives advances of the derived from the sale of the Series 2010 B Bonds, such monies shall be deposited with the Depository Bank in the Series 2010 B Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner as set forth in the Bond Legislation.

Amounts in the Series 2010 B Bonds Construction Trust Fund, if invested, will be invested without yield limitation for a period necessary to complete the Project, not to exceed 3 years. All of such monies are necessary for such purpose.

12. Monies held in the Series 2010 B Bonds Sinking Fund will be used solely to pay principal of and interest on the Series 2010 B Bonds, and will not be available to meet costs of acquisition and construction of the Project. Except to the extent transferred to the Rebate Fund at the request of the

Issuer, all investment earnings on monies in the Series 2010 B Bonds Sinking Fund and the Series 2010 B Bonds Reserve Account will be withdrawn therefrom, not less than once each year, and, during construction of the Project, deposited into the Series 2010 B Bonds Construction Trust Fund, and following completion of construction of the Project, will be deposited in the Revenue Fund, and such amounts will be applied as set forth in the Bond Legislation.

13. Except for the Series 2010 B Bonds Sinking Fund and the Series 2010 B Bonds Reserve Account there are no other funds or accounts established or held by the Issuer which are reasonably expected to be used to pay debt service on the Series 2010 B Bonds, or which are pledged as collateral for the Series 2010 B Bonds and for which there is a reasonable assurance that amounts therein will be available to pay debt service on the Series 2010 B Bonds, if the Issuer encounters financial difficulties. The Issuer does not expect that monies in the Renewal and Replacement Fund will be used or needed for payments upon the Series 2010 B Bonds, and because such amounts may be expended for other purposes, there is no reasonable assurance that such amounts would be available to meet debt service if the Issuer encounters financial difficulties; thus, such amounts may be invested without yield limitation. Except as provided herein, no funds which have been or will be used to acquire directly or indirectly securities, obligations, annuity contracts, investment-type property or any residential rental property for family units which is not located within the jurisdiction of the Issuer and which is not acquired to implement a court ordered or approved desegregation plan or other investment property producing a yield in excess of the yield on the Series 2010 B Bonds, have been or will be pledged to payment of the Series 2010 B Bonds. Less than 10% of the proceeds of the Series 2010 B Bonds, if any, will be deposited in the Series 2010 B Bonds Reserve Account and or any other reserve or replacement fund. The amounts deposited in the Series 2010 B Bonds Reserve Account from time to time by the Issuer will not exceed the maximum annual principal and interest on the Series 2010 B Bonds, and will not exceed 125% of average annual principal and interest on the Series 2010 B Bonds. Amounts in the Series 2010 B Bonds Reserve Account, not to exceed 10% of the proceeds of the Series 2010 B Bonds, if invested, will be invested without yield limitation. The establishment of the Series 2010 B Bonds Reserve Account is required by the Authority, is vital to its purchase of the Series 2010 B Bonds, and is reasonably required to assure payments of debt service on the Series 2010 B Bonds.

14. The Issuer shall, on the date hereof or immediately hereafter, enter into a contract for the construction of the Project, and the amount to be expended pursuant to such contract exceeds 5% of the net sale proceeds of the Bonds.

15. Work with respect to the acquisition and construction of the Project will proceed with due diligence to completion. Acquisition and construction of the Project is expected to be completed within 18 months.

16. The Issuer will comply with the provisions of the Code, for which the effective date precedes the date of delivery of its Bonds to the Authority.

17. With the exception of the amount deposited in the Series 2010 B Bonds Sinking Fund for payment of interest on the Bonds, if any, and amounts deposited in the Series 2010 B Bonds Reserve Account, if any, all of the proceeds of the Bonds will be expended on the Project within 24 months from the date of issuance thereof.

18. The Series 2010 B Bonds Sinking Fund (other than the Series 2010 B Bonds Reserve Account therein) is intended primarily to achieve a proper matching of payments of debt service on the

Series 2010 B Bonds each year. The Series 2010 B Bonds Sinking Fund (other than the Series 2010 B Bonds Reserve Account therein) will be depleted at least once a year except for a reasonable carryover amount not in excess of the greater of 1/12th of annual debt service on the Series 2010 B Bonds, or 1 year's interest earnings on the Series 2010 B Bonds Sinking Fund (other than the Series 2010 B Bonds Reserve Account therein). Except as otherwise allowed, any money deposited in the Series 2010 B Bonds Sinking Fund for payment of the principal of or interest on the Series 2010 B Bonds (other than the Series 2010 B Bonds Reserve Account therein), will be spent within a 13-month period beginning on the date of receipt and will be invested without yield limitation, and any monies received from the investment of amounts held in the Series 2010 B Bonds Sinking Fund (other than in the Series 2010 B Bonds Reserve Account therein) will be spent within a 1-year period beginning on the date of receipt.

19. All proceeds of the Bonds which will be used for the payment of costs of the Project will be expended for such purposes within three years of December 14, 2010.

20. The amount designated as cost of issuance of the Bonds consists only of costs which are directly related to and necessary for the issuance of the Bonds.

21. All property financed with the proceeds of the Bonds will be held for federal income tax purposes by (or on behalf of) a qualified governmental unit.

22. The Issuer shall file Form 8038-G in a timely fashion with the Internal Revenue Service Center, Ogden, Utah 84201.

23. No more than 10% of the proceeds of the Bonds will be used (directly or indirectly) in any trade or business carried on by, and less than 5% of the proceeds of Bonds or \$5,000,000 have been or will be used to make or finance loans to, any person who is not a governmental unit.

24. The original proceeds of the Bonds will not exceed the amount necessary for the purposes of the issue, except to the extent any such proceeds are required for rebate to the United States.

25. The Issuer shall use the Bond proceeds solely for the costs of the Project, and the Project will be operated solely for a public purpose as a local governmental activity of the Issuer.

26. The Issuer shall not permit at any time or times any of the proceeds of the Bonds or any other funds of the Issuer to be used directly or indirectly in a manner which would result in the exclusion of the Bonds from treatment afforded by Section 103(a) of the Code by reason of classification of the Bonds as "private activity bonds" within the meaning of the Code. The Issuer will take all actions necessary to comply with the Code and the Treasury Regulations promulgated or to be promulgated thereunder in order to assure that the interest on the Bonds is excluded from gross income for federal income tax purposes.

27. The Bonds are not, and will not be, in whole or part, directly or indirectly, federally guaranteed within the meaning of Section 149(b) of the Code.

28. The Issuer will rebate to the United States the amount, if any, required by the Code and take all steps necessary to make such rebates. In the event the Issuer fails to make such rebates as required, the Issuer shall pay the required rebate amount and any and all penalties and other amounts from

lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes.

29. The Issuer has retained the right to amend the Bond Legislation authorizing the issuance of the Bonds if such amendment is necessary to assure compliance with Section 148(f) of the Code or as may otherwise be necessary to assure the exclusion of interest on the Bonds from the gross income for federal income tax purposes of interest on the Bonds.

30. The Issuer shall comply with the yield restriction on Bond proceeds as set forth in the Code.

31. The Issuer has either (a) funded the Series 2010 B Bonds Reserve Account at the maximum amount of principal and interest which will mature and become due on the Series 2010 B Bonds in the then current or any succeeding year with the proceeds of the Series 2010 B Bonds, or (b) created the Series 2010 B Bonds Reserve Account which will be funded with equal payments made on a monthly basis over a 10 year period until such Series 2010 B Bonds Reserve Account holds an amount equal to the maximum amount of principal and interest which will mature and become due on the Series 2010 B Bonds in the then current or any succeeding year. Monies in the Series 2010 B Bonds Reserve Account and the Series 2010 B Bonds Sinking Fund will be used solely to pay principal of and interest on the Series 2010 B Bonds and will not be available to pay costs of the Project.

32. The Issuer shall submit to the Authority within 15 days following the end of each bond year a certified copy of its rebate calculation and a certificate with respect thereto or, if the Issuer qualifies for the small governmental issuer exception to rebate, or any other exception thereto, then the Issuer shall submit to the Authority a certificate stating that it is exempt from the rebate provisions and that no event has occurred to its knowledge during the bond year which would make the Bonds subject to rebate.

33. The Issuer expects that no part of the Project financed by the Bonds will be sold or otherwise disposed of prior to the last maturity date of the Bonds.

34. The Issuer covenants and agrees to comply with the rebate requirements of the Code if not exempted therefrom, and with all other requirements of the Code necessary, proper or desirable to maintain the tax-exempt status of the Bonds and the interest thereon. In addition, the Issuer has covenanted to comply with all Regulations from time to time in effect and applicable to the Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and has covenanted to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of the Resolutions authorizing issuance of the Bonds.

The Issuer has further covenanted to calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, unless otherwise agreed by the Authority, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. The Issuer has further covenanted to pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the

Code and such Regulations. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor.

35. The Bonds are each a fixed yield issue. No interest or other amount payable on the Bonds (other than in the event of an unanticipated contingency) is determined by reference to (or by reference to an index that reflects) market interest rates or stock or commodity prices after the date of issue.

36. None of the Bonds has a yield-to-maturity more than one-fourth of one percent higher than the yield on the Bond determined by assuming the Bond is retired on the date that when used in computing the yield on the Bond produces the lowest yield.

37. No portion of the proceeds of the Bonds will be used, directly or indirectly, to replace funds which were used, directly or indirectly, to acquire higher yielding investments, all within the meaning of Section 148 of the Code.

38. There are no other obligations of the Issuer which (a) are to be issued at substantially the same time as the Bonds, (b) are to be sold pursuant to a common plan of financing together with the Bonds and (c) will be paid out of substantially the same sources of funds or will have substantially the same claim to be paid out of substantially the same sources of funds as the Bonds.

39. Except for a reasonable temporary period until such proceeds are needed for the purpose for which such issue was issued or as otherwise allowed, no portion of the proceeds of the Bonds will be used, directly or indirectly, to acquire higher yielding investments, or to replace funds which were used, directly or indirectly, to acquire higher yielding investments, all within the meaning of Section 148 of the Code.

40. The transaction contemplated herein does not represent an exploitation of the difference between taxable and tax-exempt interest rates and the execution and delivery of the Bonds is not occurring sooner than otherwise necessary, nor are the Bonds in principal amounts greater than otherwise necessary or to be outstanding longer than otherwise necessary.

41. On the basis of the foregoing, it is not expected that the proceeds of the Bonds will be used in a manner that would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

42. To the best of my knowledge, information and belief, there are no other facts, estimates and circumstances which would materially change the expectations herein expressed.

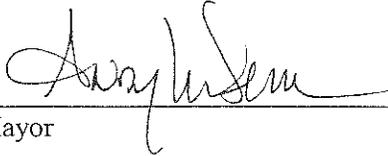

43. Steptoe & Johnson PLLC is entitled to rely upon the representations, expectations, covenants, certifications and statements contained herein in rendering its opinions regarding the tax-exempt status of interest on the Bonds.

44. To the best of my knowledge, information and belief, the foregoing expectations are reasonable.

Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 A

City Clerk
City of Wheeling
Wheeling, West Virginia

West Virginia Water Development Authority
Charleston, West Virginia

West Virginia Department of Environmental Protection
Charleston, West Virginia

Ladies and Gentlemen:

Based upon the rates and charges as set forth in the water rate ordinance of The City of Wheeling (the "Issuer") enacted February 16, 2010, and the sewer rate ordinance of the Issuer, enacted May 19, 2009 as amended by the Recommended Decision entered September 3, 2010 which became Final Order on September 23, 2010 in Case No.: 09-1000-S-MA of the Public Service Commission of West Virginia, and projected operation and maintenance expenses and anticipated customer usage as furnished to us by the Issuer, it is our opinion that such rates and charges will be sufficient, together with investment income, to produce Net Revenues sufficient to pay (i) 125% of the annual debt service on the Issuer's Combined Waterworks and Sewerage System Revenue Bonds, Series 2010 B (West Virginia SRF Program), in the original aggregate principal amount of \$8,356,000 (the "Series 2010 B Bonds"), and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Series 2010 B Bonds, including the Issuer's: (a) Combined Waterworks and Sewerage System Revenue Bonds, Series 2005 A (West Virginia SRF Program), dated May 3, 2005, issued in the original aggregate principal amount of \$14,500,000 (the "Series 2005 A Bonds"); (b) Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 A, dated September 26, 2006, issued in the original aggregate principal amount of \$12,000,000 (the "Series 2006 A Bonds"); and (c) Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2010 A, dated May 6, 2010, issued in the

original aggregate principal amount of \$4,455,000 (the "Series 2010 A Bonds") (collectively, the "Prior Bonds"); and (ii) 100% of the sum of (x) the amount, if any required to be deposited in the Reserve Account to satisfy the Reserve Account Requirement within a period of not more than 12 months, assuming equal payments are made each month, and (y) amounts required to meet any legal debt or other obligation of the System coming due in that period.

It is further our opinion that the Net Revenues, together with investment income derived from the System, during the prior fiscal year or in any 12 consecutive months in the 18 months immediately preceding the date of the actual issuance of the Series 2010 B Bonds, were not less than 125% of the annual debt service during such period, and projected Net Revenues in each of the 3 succeeding years, as adjusted for adopted rate increases for which all appeals have expired, shall not be less than 120% of the Maximum Annual Debt Service on the Bonds and the Prior Bonds.

All terms set forth herein, but not otherwise defined herein, shall have such meaning as provided in the ordinance of the City enacted on August 1, 2006, as amended, approving the Series 2006 A Bonds.

Ladies and Gentlemen:

Based upon the rates and charges as set forth in the water rate ordinance of The City of Wheeling (the "Issuer") enacted February 16, 2010, and the sewer rate ordinance of the Issuer, enacted May 19, 2009 as amended by Recommended Decision entered September 3, 2010 which became Final Order on September 23, 2010 in Case No.: 09-1000-S-MA of the Public Service Commission of West Virginia, and projected operation and maintenance expenses and anticipated customer usage as furnished to us by the Issuer, it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the combined waterworks and sewerage system of the Issuer (the "System"), will (i) provide for all Operating Expenses of the System and (ii) leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Issuer's Combined Waterworks and Sewerage System Revenue Bonds, Series 2010 B (West Virginia SRF Program), issued in the original aggregate principal amount of \$8,356,000 (the "Series 2010 B Bonds"), and all other obligations secured by a lien on or payable from revenues prior to or on a parity with the Series 2010 B Bonds, including the Issuer's: (a) Combined Waterworks and Sewerage System Revenue Bonds, Series 2005 A (West Virginia SRF Program), dated May 3, 2005, issued in the original aggregate principal amount of \$14,500,000 (the "Series 2005 A Bonds"); (b) Combined Waterworks and Sewerage System Revenue Bonds,

Series 2006 A, dated September 26, 2006, issued in the original aggregate principal amount of \$12,000,000 (the "Series 2006 A Bonds"); and (c) Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2010 A, dated May 6, 2010, issued in the original aggregate principal amount of \$4,455,000 (the "Series 2010 A Bonds") (collectively, the "Prior Bonds").

It is further our opinion that the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Series 2010 B Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2010 B Bonds, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Series 2010 B Bonds and the Prior Bonds. To calculate this requirement, we are using the fiscal years ending June 30, 2013, June 30, 2014 and June 30, 2015 based upon the representation of the Issuer that construction will be complete on June 1, 2012.

All terms set forth herein, but not otherwise defined herein, shall have such meaning as provided in the ordinance of the City enacted on April 28, 2005, as amended, approving the Series 2005 A Bonds and the ordinance of the City enacted on October 19, 2010, as amended, approving the Series 2010 B Bonds.

Charleston, West Virginia

Ladies and Gentlemen:

Based upon the rates and charges as set forth in the water rate ordinance of The City of Wheeling (the "Issuer") enacted February 16, 2010, and the sewer rate ordinance of the Issuer, enacted May 19, 2009 as amended by Recommended Decision entered September 3, 2010 which became a Final Order on September 23, 2010 in Case No.: 09-1000-S-MA of the Public Service Commission of West Virginia, and projected operation and maintenance expenses and anticipated customer usage as furnished to us by the Issuer, it is our opinion that such rates and charges will be sufficient (i) to provide for all Operation Expenses of the System and (ii) to leave a balance each year equal to at least 120% of the maximum amount required in any year for payment of principal of and interest on the Issuer's Combined Waterworks and Sewerage System Revenue Bonds, Series 2010 B (West Virginia SRF Program), issued in the original aggregate principal amount of \$8,356,000 (the "Series 2010 B Bonds"), and all other obligations secured by a lien on or payable from such revenues on a parity with, or subordinate to, the Series 2010 B Bonds, including the Issuer's: (a) Combined Waterworks and Sewerage System Revenue Bonds, Series 2005 A (West Virginia SRF Program), dated May 3, 2005, issued in the original aggregate principal amount of \$14,500,000 (the "Series 2005 A Bonds"); (b) Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 A, dated September 26, 2006, issued in the original aggregate principal amount of \$12,000,000 (the "Series 2006 A Bonds"); and (c) Combined Waterworks and Sewerage

System Refunding Revenue Bonds, Series 2010 A, dated May 6, 2010, issued in the original aggregate principal amount of \$4,455,000 (the "Series 2010 A Bonds") (collectively, the "Prior Bonds").

It is further our opinion that the Net Revenues, together with investment income derived from the System, during the prior fiscal year or any 12 consecutive months in the 18 months immediately preceding the date of the actual issuance of the Series 2010 B Bonds was not less than 120% of the annual debt service during such period, and projected Net Revenues in each of the 3 succeeding years, as adjusted for adopted rate increases for which all appeals have expired, is not less than 120% of Maximum Annual Debt Service on the Series 2010 B Bonds and the Prior Bonds.

All terms set forth herein, but not otherwise defined herein, shall have such meaning as provided in the ordinance of the City enacted on April 20, 2010, as amended, approving the Series 2010 A Bonds.

P R E A M B L E

The City of Wheeling has been and remains an ideal locale in which to live, to work, and to raise a family. Its excellent schools, beautiful parks, low crime, incomparable fire department, efficient public services, and, most important, warm and friendly residents, make Wheeling a city without equal for its size.

It is the mission of the Charter Review Board, elected and empowered by the citizens of The City of Wheeling at an election held December 3, 1991, to build upon and improve our fair city, as follows:

1. To provide a leadership figure for the city, backed by the mandate of the electorate, to coordinate and advance our economic rebirth;
2. To provide for a council which is more accountable to the citizens it represents, more efficient, and more decorous in its actions;
3. To retain the city manager form of government to maintain the efficient services our citizens have enjoyed;
4. To more clearly delineate the duties, responsibilities and authorities of the administrative and legislative branches of city government; and
5. To retain unchanged and unaffected by political pressures the Wheeling Park Commission, which has provided our city with successful and beautiful parks for the enjoyment of our citizens and enrichment of our community.

In the hope that we have fulfilled our mission and our obligation, we, the Charter Review Board, have adopted and do propose to the electorate of The City of Wheeling the following charter.

SECTION 1. POWERS AND RIGHTS OF CITY AS CORPORATE BODY.

SECTION 4. FORM OF GOVERNMENT.

SECTION 10. LIMITATION ON TERMS OF THE MAYOR.

The Mayor shall be elected to not more than two consecutive terms: Provided, That nothing herein shall be construed as preventing an incumbent Mayor from election to a Council term following the end of the Mayor's term.

SECTION 11. QUORUM, RECORDS AND MEETINGS OF COUNCIL.

Council shall hold a regular meeting on the first and third Tuesday of each month, unless that day is a legal holiday, in which case the meeting shall be held on the following Wednesday.

A majority of the members elected to the Council shall be a quorum to do business, but a less number may adjourn from time to time. All legislative action shall be by ordinance except where otherwise required by the Constitution or the laws of the State. The Council shall keep a journal of its proceedings which shall

be a public record. At the desire of any member the yeas and nays shall be entered upon the journal, and on the passage of every ordinance, the vote shall be taken by yeas and nays and entered on the journal and no ordinances shall be passed without the concurrence of a majority of the members elected to Council. Except where inconsistent with his Charter, general law or ordinance, the proceedings of Council shall be governed by the rules of parliamentary procedure contained in Robert's Rules of Order, including, but not limited to, the requirement that debate must be limited to the merits of the immediately pending question; except that in a few cases the main question is also open to debate. Speakers must address their remarks to the presiding officer, be courteous in their language and deportment, never alluding to the officers or other members by name, where possible to avoid it, nor to the motives of members. It shall be the duty of the presiding officer to see that parliamentary procedure and decorum are maintained.

SECTION 12. ATTENDANCE AT COUNCIL MEETING REQUIRED FOR VOTING.

No member of Council may vote on any matter before Council unless that member is present at the time of the vote. No paired votes or absentee votes shall be permitted.

SECTION 13. ORDINANCE FORM, PASSAGE, RECORDS AND INDEX; CODIFICATION.

Except where a pressing public emergency makes complying with this provision dangerous to the public health, safety or morals, and by affirmative vote of two thirds of the members elected to Council, and where the ordinance sets out in full the nature of the emergency, a proposed ordinance shall be read by title at not less than two meetings of Council with at least one week intervening between each meeting, unless a member of Council demands that the ordinance shall be read in full at one or both meetings. If such a demand is made, the ordinance shall be read in full as demanded. No ordinance shall contain more than one subject, which shall be clearly expressed in its title, and no ordinance shall be revived or amended unless the new ordinance contains the entire ordinance revived, or the section or sections amended, and the section or sections so amended shall be repealed. Council may adopt codification ordinances, codifying, revising and rearranging the ordinances of the City or any portion of such ordinances. Every ordinance and resolution of Council shall be recorded in the office of the City Clerk, and shall be a public record. The Clerk shall prepare and keep a full and proper index of all ordinances, as well as separate indices of other proceedings of Council.

SECTION 14. PERSONAL INTEREST OF MEMBERS OF COUNCIL; EFFECT.

Any member of Council having any interest, direct or indirect, other than as a citizen of Wheeling, in any matter to be acted upon in any way by Council, shall have no vote on such matter, nor shall be privileged to take part in the discussion thereof except by unanimous consent, and, upon the request of any other member of Council, the member shall retire from the session until such matter has been disposed of.

SECTION 15. RESTRICTION ON FINAL PASSAGE OF CERTAIN ORDINANCES; USE OF STREETS, FRANCHISES.

Every ordinance, resolution or action changing the precinct boundaries or otherwise redistricting the City, or annexing any municipality or territory, or appropriating money in excess of one hundred dollars, or ordering any street improvements or sewer, or granting any franchise, or any right to occupy or use the streets, highways, bridges, or public places in the City or any part thereof, for any purpose, shall be complete in the form in which it is finally passed, and remain on file with the City Clerk for public inspection at least one week before the final passage or adoption thereof. No franchise, or right to occupy or to use the streets, highways, bridges, or public places in the City, or any part thereof, shall be granted, renewed, altered, amended, repealed or extended except by ordinance; provided, however, that nothing contained herein shall prohibit Council from empowering the City Licensing Officer from granting permits to churches, community associations and the like, for the use of portions of City streets for street fairs and fetes of similar character.

SECTION 16. SPECIFIED ORDINANCES; EFFECTIVE DATE; ELECTOR PROTEST.

No ordinance, resolution or action of the Council changing the precinct boundaries or otherwise redistricting the City, or annexing any municipality or territory, or granting to any corporation, firm, person or association, or combination of persons, any privilege, right, license, easement or franchise to establish, maintain or conduct in the City any public utility, except when otherwise required by the general laws of this State, shall go into effect before thirty days from the time of its final passage, and not then unless within two days after passage, Sundays and holidays excepted, the same shall have been published in two newspapers published and generally circulated in the City. And, if during those thirty days a petition signed by ten percent of the qualified voters of the City of Wheeling protesting against the passage of such ordinance, resolution or action, be presented to Council, the ordinance, resolution or action thereupon suspended from going into operation, and it shall be the duty of Council to reconsider the same, and if the same is not entirely repealed the Council shall submit the ordinance, resolution or action as is provided in relation to referendum of ordinances to the vote of the electors of the City, either at the next general municipal election or at a special municipal election to be called for the purpose, and such ordinance, resolution

or action shall not go into effect or become operative unless a majority of the qualified electors voting on the same shall vote in favor thereof. Such petition shall conform to the provisions of Section 81 of this Charter and shall be submitted, examined and certified in the manner provided in Section 81.

SECTION 17. ORDINANCES INITIATED BY ELECTORS; PUBLIC VOTE; PUBLICATION.

Any proposed ordinance may be submitted to the Council by petition signed by ten percent of the qualified voters of the City. Such petition shall be conformed as provided by Section 81 of this Charter, and shall be submitted, examined and certified in the manner provided in Section 81. If the petition be certified to Council as provided in Section 81 of this Charter, and contains a request that the ordinance be submitted to a vote of the people if not passed by the Council, the Council shall either (a) pass such ordinance without alteration within twenty days after attachment of the Clerk's certificate of sufficiency to the petition; or (b) forthwith after the Clerk shall attach to the petition a certificate of sufficiency, the Council shall call a special election, unless a general election is to be held within ninety days thereafter, and at such special or general municipal election such ordinance shall be submitted without alteration to the vote of the electors of the City. If a majority of the votes cast be in favor thereof, such ordinance shall thereupon become a valid and binding ordinance of the City, and any ordinance proposed by petition, or which has been adopted by a vote of the people, shall not be repealed or amended except by a majority vote of the people. Any number of proposed ordinances may be voted upon at the same election. In accordance with the provisions of this section, but there shall not be more than one special election in any period of six months for such purpose.

Whenever any ordinance or proposition is required by this Charter to be submitted to the voters of the City at any election, the City Clerk shall cause such ordinance or proposition to be published once in two daily newspapers published in the City, such publication to be not more than twenty days or less than fifteen days before such election.

SECTION 18. COUNCIL TO GRANT FRANCHISES.

Council shall have authority to grant franchises, subject to the provisions of this Charter.

SECTION 19. PUBLIC UTILITY FRANCHISES; CONDITIONS THEREOF.

Franchises, rights or privileges may be granted by the Council, allowing to persons, firms or corporations for a limited time such occupancy of portions of the streets, alleys or public grounds of the City as may be deemed by it necessary for the use of any public utility as defined by the general laws of this

State. But no such franchise, right or privilege shall hereafter be granted by the Council except under the following restrictions and conditions:

(a) To be offered at regular meeting; publication of object and nature; yea and nay vote. No ordinance granting any franchise, right or privilege, for the use of streets, alleys or public grounds of the City, shall be passed unless it shall have been first offered at a regular meeting of the Council and notice of the object, nature and full extent of such franchise, right or privilege shall have been published by the applicant once a week for four successive weeks in two newspapers of general circulation in the City of Wheeling before being acted upon. The vote thereon shall be taken by yeas and nays and the same entered upon the journal of the proceeding of the meetings of the Council. Opportunity to be heard shall be given to any interested person pursuant to W. Va. Code § 8-31-1.

(b) Period of grant; reservation of right to alter, amend or repeal. If no time be expressly provided in the grant, the franchise, right or privilege shall be granted for one year only, and in no case shall the same extend for a period exceeding fifty years. Nor shall any grant of a franchise, right or privilege be made without the reservation on the part of the City of the right to alter, amend or repeal the same at any time during its term should the grantee fail to do those things which the grant of franchise, right or privilege stipulates that the grantee shall do, or should the grantee do such things as by the grant of franchise, right or privilege the grantee is prohibited from doing; provided, that after notice by the City to the grantee specifying wherein the grantee has failed to comply with the terms of the grant, the grantee shall not within three months from the service of such notice comply with such terms.

(c) Indemnifying City and public against damage. No grant of any franchise shall be made without at the time of making it providing that the grantee shall indemnify the City against all damages caused by the construction, operation or maintenance of any works under the grant. All reasonable additional provisions and conditions may be made for the protection of the public from unnecessary damages or inconveniences by reason of such works and the maintenance of operation thereof.

(d) Consideration for grant. No grant of any franchise, right or privilege shall be made without at the time of making it providing that the City shall receive in consideration therefor proper compensation, which may be paid in such manner as Council shall deem to be in the best interest of the City.

(e) Payment of election expenses where special election required. In case a petition for stay of ordinance is presented in accordance with section sixteen, and a special election is called for the purpose of accepting or rejecting the application for a franchise, right or privilege, the applicant for same shall deposit with the City the amount of expenses of the election, which shall be applied to the payment of such expenses.

(f) Two-thirds vote of Council required. No franchise, right or privilege referred to in this section can be granted unless on

the affirmative vote of at least two-thirds of the membership of Council.

(g) Section not applicable to grant under Section 20; renewal of grants; forfeiture for non-user. The provisions of this section, however, shall not apply to grants made under Section 20 of this Charter. No renewal of any franchise, right or privilege for any such work or public utility service as is mentioned herein, granted for a period of more than three years, shall in any manner be granted until within three years of the time of its expiration. The non-user of a franchise, right or privilege in or upon any street or alley or public ground for a period continuously of one year, shall vacate and annul the same as to the portion so allowed to go into disuse.

SECTION 20. GRANTS FOR SWITCHES OR TRAMWAYS ON STREETS.

Permission may be given to a person, firm or private corporation, not engaged in conducting a public utility business, to place a switch or tramway on a part of a public street or alley, at grade, for the person's own or its own use, but the grant shall be so limited as not to exceed ten years, and a charge, in the nature of an annual rental or license charge for the same, payable to the City, may be fixed by the Council.

All grants under this section shall be subject to the following restrictions and conditions:

If no time is expressly provided in the grant, it shall be for one year only.

It shall provide that the grantee shall indemnify and save harmless the City against all suits, loss or damage, by reason of the construction or maintenance of such switch or tramway, and that the grant may be altered, amended or repealed upon satisfactory evidence that the grantee has failed to comply with its provisions. Reasonable provisions must be made to protect the public from unnecessary damage or inconvenience by reason of such switch or tramway and the operation or maintenance thereof.

SECTION 21. ASSESSMENT FOR PUBLIC IMPROVEMENT; VOTE.

No public improvement, the cost or the part of the cost of which is to be specially assessed on the owners of property, shall be made without notice to abutting owners as provided in Section 22 hereof and the concurrence of three-fourths of the members elected to the Council, unless the owners of a majority of the foot frontage to be assessed, petition in writing therefor, in which case the Council shall be authorized (a majority of the members elected thereto concurring) to ordain such improvement.

SECTION 22. NOTICE OF PROPOSED ASSESSMENTS TO ABUTTING PROPERTY OWNERS.

"PUBLIC HEARING: AN ORDINANCE ESTABLISHING AND FIXING RATES, FEES, AND CHARGES THE WATER DIVISION OF THE CITY WILL CHARGE ITS CUSTOMERS LOCATED INSIDE AND OUTSIDE OF ITS CORPORATE LIMITS, FOR THE TREATMENT AND DISTRIBUTION OF POTABLE WATER.

City Manager Robert Herron gave an overview of the proposed water rate increase. The proposed 5% rate increase will be utilized for increased Operation and Maintenance expenses that have occurred since the last rate increase in 2006. In addition, Mr. Herron explained that, in 1997 the City issued \$20 million worth of bonds for water and wastewater improvements and part of the requirements of that issuance was that the City maintain a combined water and sewer financial statement with 125% debt coverage at the end of each fiscal year. However, on June 30, 2009, the City did not meet the combined 125% debt coverage, mainly because of the 1997 issue's high principal and interest payment and a protest of the City Council's approved sewer rate increase. Because the 1997 principal and interest payment fluctuates from year to year, Mr. Herron proposed a refunding of the 1997 issue which would level the annual payments out. The proposed refunding would not extend the original term of the 1997 issue and would enable the City to meet its debt service coverage requirements on June 30, 2010. The refunding also saves the City approximately a net present value of \$37,000. Mr. Herron pointed out that the Federal Government, through the State Government, is requiring that cities, over the next 20 years, raise their rates to 1.5% median household income per 4,000 gallons of sewage and that those rates, minus O & M, go towards projects for combined sewer cities.

Charles Ballouz, Windsor Manor, spoke in opposition to the proposed water rate increase. William Heffner, 9 Springhaven, commented that there should be a 20 year or long range plan for water projects; and Brian Wieth, 116 Fernwood Ave. was concerned about the quality of the water.

Mr. Herron said that the City will be presenting a long term control plan that will highlight Water Pollution Control projects over the next 20 years.

There being no one else wishing to speak, Mr. Seals moved, seconded by Mr. Henry, to close the public hearing and resume the regular order of business. Motion carried.

MAYOR'S REPORT

Mayor McKenzie announced that the Celtic Festival will be held on March 6, 2010 at the Wheeling Artisan Center. He also commented on the great turnout this afternoon for the first State of the City address at Wesbanco Arena.

"PUBLIC HEARING - ESTABLISHING AND FIXING RATES, FEES AND CHARGES FOR COLLECTION & TREATMENT OF SANITARY SEWAGE"

City Manager Robert Herron said that the proposed rate increase is 35%. He stated that part of the rate increase will go toward operation and maintenance of the wastewater treatment plant. In addition, the City has submitted an application through the West Virginia Infrastructure Council to do approximately \$15 million dollars worth of improvements to the sewage collection system as well as the wastewater treatment plant. The goal of the application is to take advantage of the fact that stimulus funds may be available at a 0% interest rate over a 40 year period, which would amount to an approximately \$350,000 yearly savings.

Donald Bartholomew, a Warwood resident; Charles Ballouz, Windsor Manor and Randy Berisford, 1338 Valley View Avenue, spoke in opposition of the increase.

**"PUBLIC HEARING - AMENDING CODIFIED ORDINANCES - PART SEVEN
"BUSINESS & TAXATION CODE" BY ENACTING ART. 800 - SPECIAL CHARGES
FOR MUNICIPAL SERVICES"**

City Manager Robert Herron explained that this ordinance deals with Part II of the City's Home Rule Application process. This proposed ordinance would enable the City to place a lien on private properties where services have been performed with taxpayer monies and after due diligence and notice, force the sale of the property to collect the lien. An example of some of the services are demolition, grass cutting, trash pick-up, any type of boarding up of the buildings, etc.

Charles Ballouz, a Windsor Manor resident, spoke in support of this proposed ordinance. In response to a question from Mr. Seals in regard to the effective date of this ordinance, Mr. Herron, after consulting with the city solicitor, said that he believes it would be immediately after the ordinance was passed and would not fall under the "grandfathering" provision. Mayor McKenzie asked if there was anyone else who wished to speak at this public hearing. As there was no one else to speak, Mr. Seals moved, seconded by Mr. Henry to conclude the public hearing and resume the regular order of business. Motion carried.

CLERK'S REPORT

Zone Change Request - 116,120,122,128 N. 7TH Street - R-1C to I-1

City Clerk Janice Jones presented Council with a zone change request from Ray Thalman III for property located at 116,120,122,128 N. 7th Street. The present zone is R-1C and the proposed zone is I-1. Mr. Fahey moved, seconded by Mr. Seals, to forward this zone change to the Economic and Community Development Department and the Planning Commission. Motion carried.

In response to a question from Mr. Tiu in regard to the progress of verifying the police cruiser petition, City Clerk Jones said that it is about 50% complete.

Mr. Tiu inquired about whether there would be requirements that homeowners would have to make to upgrade their drainage systems. Mr. Herron said that the current proposal does not include the requirements to eliminate downspouts; however, the State may require this in the future. Mr. Tiu commented that, although this increase is a shared burden, it will assure our citizens that they will be receiving safe water.

City Manager Robert Herron explained that this matter was brought forward by Councilman James Tiu, and subsequently the entire City Council, who were concerned about the best way to assure the safety of the citizens and protect the infrastructure when heavy truck traffic increases with the onset of natural gas drilling expected in Wheeling and Ohio County. After a study of current city and state ordinances and discussion among Police Chief Matheny, Ohio County Sheriff Butler, State Trooper Dean, City Solicitor Humway Warmuth and City Manager Robert Herron, the Administration concurred with the local enforcement of State laws and current city street and bridge weight restrictions by using portable scales or accessing stationary weight stations now existing. The Committee moved acceptance of this portion of the report. Motion carried.

FINANCE COMMITTEE REPORT - SEPTEMBER 20, 2010

The Finance Committee of Wheeling City Council met on Monday, September 20, 2010 at 3:30 p.m. in the Office of the City Manager. Committee Members present: Chair Vernon Seal, Vice Chair Gene Fahey and Member James Tiu. Others present: Councilors Robert Henry, Gloria Delbrugge, Don Atkinson; City Manager Robert Herron, Finance Director Michael Klug, Clerk Janice Jones and the media.

The following matters were discussed:

Financial Statement - August 31, 2010

City Manager Robert Herron commented that the first two months of this fiscal year are very similar to last year for the same time period. Expenditures are 19% of budget and revenues are at 16% of budget. The balance in the General Fund Budget is approximately \$1.2 million dollars. Mr. Herron said that the figures are where they should be at this time. He commented that B & O revenue and building permit revenue are slightly ahead of where they were for the same time period last year. Following this discussion, Mr. Fahey moved, seconded by Mr. Tiu, to accept the Financial Statement for August 31, 2010 as presented. Motion carried.

The Committee moved acceptance of this portion of the report. Motion carried.

Overview and Financing of Phase II Energy Savings Projects

Mr. Herron reviewed Phase I of the Energy Savings Projects with those present which consisted of replacing most of the city's traffic lights with energy-saving LED lights. Joe Hudak, Constellation Energy representative, was present to give an overview of Phase II of the Energy Savings Project. He said that Phase II includes upgrades to lighting and heating and cooling systems at city-owned facilities at a cost of about \$1.4 million dollars. Mr. Hudak commented that, after the city secures financing through bonds, the yearly energy cost savings will repay the debt. As part of the West Virginia Code that permits this financing, the energy savings is guaranteed by Constellation Energy. Any negative differences between the guaranteed savings and the annual debt service are required to be paid by Constellation Energy. The debt would be repaid at a low, fixed rate in 15 years or less. According to Mr. Hudak, by implementing Phase II, the city can achieve a baseline savings for 2010 of \$91,977 annually in energy savings and \$10,580 in operational savings while significantly improving equipment infrastructure and replacing aging mechanical components that have reached the end of their service lives. Additional saving at the city's parking garages also may be achieved through the improvements. Following a question and answer period, Mr. Tiu moved, seconded by Mr. Seals, to go forward with Phase II of the Energy Savings Projects.

The Committee moved acceptance of this portion of the report. Motion carried.

There being no further business to come before the Committee, Mr. Tiu moved, seconded by Mr. Seals, to adjourn. Motion carried. Time: 4:22 p.m.

WHEREAS, the Issuer has, contemporaneously with the execution hereof, issued and sold its \$8,356,000 principal amount of Combined Waterworks and Sewerage System Revenue Bonds, Series 2010 B (West Virginia SRF Program) in fully registered form (the "Series 2010 B Bonds"), pursuant to a Bond Ordinance of the Issuer duly enacted October 19, 2010, and a Supplemental Resolution of the Issuer duly adopted December 7, 2010 (collectively, the "Bond Legislation");

WHEREAS, the Bond Legislation provides for an appointment by the Issuer of a Registrar for the Series 2010 B Bonds; and

WHEREAS, the Issuer desires to appoint, and by the Bond Legislation and this Registrar's Agreement does appoint, the Registrar to act as Registrar under the Bond Legislation and to take certain other actions hereinafter set forth;

NOW, THEREFORE, it is agreed by and between the parties hereto as follows:

2. The Registrar agrees to furnish the Issuer with appropriate records of all transactions carried out by it as Registrar and to furnish the Issuer with the names and specimen

4. As compensation for acting as Registrar pursuant to this Registrar's Agreement, the Issuer hereby agrees to pay to the Registrar the compensation for services rendered as provided in the annexed schedule.

5. It is intended that this Registrar's Agreement shall carry out and implement provisions of the Bond Legislation with respect to the Registrar. In the event of any conflict between the terms of this Registrar's Agreement and the Bond Legislation, the terms of the Bond Legislation shall govern.

6. The Issuer and the Registrar each warrants and represents that it is duly authorized and empowered to execute and enter into this Registrar's Agreement and that neither such execution nor the performance of its duties hereunder or under the Bond Legislation will violate any order, decree or agreement to which it is a party or by which it is bound.

SRF No. C-544351-02
IJDC No. 2009S-1100

Dear Mayor McKenzie:

The plans and specifications for the above referenced project are hereby approved.

This approval DOES NOT constitute authority to advertise for bids. You will be advised by separate letter from this agency as to when such an advertisement can be initiated.

Please be advised it will be necessary to issue an addendum to the contract documents prior to opening of bids to include the current State and Federal Labor Wage Determinations. This and all addenda and revisions to the contract documents must be telefaxed to this office for approval and issued to plan holders five (5) days prior to bid opening. Failure to submit addenda in a timely manner will automatically nullify approval to open bids. Any addenda issued inside the five (5) day period prior to the bid opening must include an automatic extension to the bid opening date of a minimum of seven (7) days.

If any questions arise, please contact Elbert N. Morton, P.E., at (304) 926-0499, ext. 1589.

Sincerely,

BE IT ORDAINED AND ENACTED BY THE COUNCIL OF THE CITY OF WHEELING:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 8, Article 20 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Wheeling (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Ohio and Marshall Counties of said State.

B. The Issuer presently owns and operates a public combined waterworks and sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain additions, betterments and improvements to the sewerage portion of the existing public waterworks and sewerage system of the Issuer, consisting of upgrades to the existing wastewater treatment facilities and the rehabilitation of the existing sewer collection system, together with all appurtenant facilities, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer (collectively, the "Project") (the existing public combined waterworks and sewerage system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System").

C. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund Program (the "SRF Program"), which the Authority administers pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Combined Waterworks and Sewerage System Revenue Bonds, Series 2005 A (West Virginia SRF Program), in the total aggregate principal amount of not more than \$16,000,000 (the "Series 2005 A Bonds"), initially to be represented by a single bond, to permanently finance a portion of the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor and eligible under the SRF Program; interest, if any, upon the Series 2005 A Bonds prior to and during acquisition or construction and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Series 2005 A Bonds Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expense; commitment fees; fees and expenses of the Authority, including the SRF Administrative Fee (as hereafter defined); discount; initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2005 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; the acquisition or construction of the Project and the placing of same in operation; and the performance of the

things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2005 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Series 2005 A Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection (the "DEP"), in form satisfactory to the Issuer, the Authority, and the DEP (the "Loan Agreement"), to be approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2005 A Bonds as to liens, pledge, source of and security for payment, being the Issuer's (i) Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2003 A, dated January 23, 2003, issued in the original aggregate principal amount of \$1,940,000; and (ii) Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 1997, dated January 1, 1997, issued in the original aggregate principal amount of \$20,600,000 (collectively, the "Prior Bonds").

The Series 2005 A Bonds shall be issued on a parity with the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects. Prior to the issuance of the Series 2005 A Bonds, the Issuer will obtain the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds have been met. Other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. The Issuer is in compliance with all covenants of the Prior Bonds and Prior Ordinances.

H. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Bonds (as hereinafter defined) and to make all payments into all funds, accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition and construction of the Project and the operation of the System and issuance of the Series 2005 A Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and the obtaining of a certificate of public convenience and necessity from the Public Service Commission of West Virginia by final

order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2005 A Bonds or such final order will not be subject to appeal.

J. The Project has been reviewed and determined to be technically and financially feasible by the West Virginia Infrastructure and Jobs Development Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 2005 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting the Series 2005 A Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as the Series 2005 A Bonds remain outstanding, the Issuer, through the Bond Registrar as its agent, shall keep and maintain books for the registration and transfer of the Series 2005 A Bonds.

The registered Series 2005 A Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 2005 A Bonds or transferring the registered Series 2005 A Bonds are exercised, all Series 2005 A Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Series 2005 A Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Series 2005 A Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Series 2005 A Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Series 2005 A Bonds or, in the case of any proposed redemption of Series 2005 A Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2005 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate, register and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2005 A Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Gross Revenues derived from the operation of the System as herein

The payment of the debt service of all Series 2005 A Bonds shall be secured forthwith equally and ratably by a first lien on the Gross Revenues derived from the operation of the System, on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. Such Gross Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Series 2005 A Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as the same become due.

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Department of Environmental Protection (the "DEP"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement (the "Loan Agreement") by and among the Issuer, the Authority and the DEP, dated _____, 2005.

All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following manner order of priority:

- (1) The Issuer shall first, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) for deposit in the Sinking Funds for the Prior Bonds, the amounts required by the Prior Ordinances to pay

interest on the Prior Bonds; and (ii) commencing 3 months prior to the first date of payment of interest on the Series 2005 A Bonds, for which interest has not been capitalized or as required in the Loan Agreement, for deposit in the Series 2005 A Bonds Sinking Fund, an amount equal to 1/3rd of the amount of interest which will become due on the Series 2005 A Bonds on the next ensuing quarterly interest payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2005 A Bonds Sinking Fund and the next quarterly interest payment date is less than 3 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next quarterly interest payment date, the required amount of interest coming due on such date.

Surplus Revenues may be used for any lawful purpose of the System.

F. The monies in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03 and the relevant provisions of the Prior Ordinances, and the Gross Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the water rate ordinance of the Issuer enacted October 21, 2003, and the sewer rates approved and described in the Recommended Decision of the West Virginia Public Service Commission entered February 10, 2004, in Case No. 03-1943-S-MA, which rates are incorporated herein by reference as a part hereof.

So long as the Series 2005 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates and charges initially established for the System in connection with the Series 2005 A Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances. Additionally, so long as the Series 2005 A Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the DEP, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2005 A Bonds, immediately be remitted to the Commission for deposit in the Series 2005 A Bonds Sinking Fund, and, with the written permission of the Authority or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2005 A Bonds. Any balance remaining after the payment of the Series 2005 A Bonds and the interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$100,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$100,000 but not in excess of \$200,000, the Issuer shall first, in writing determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation

thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Depreciation Fund. The payment of such proceeds into the Depreciation Fund shall not reduce the amounts required to be paid into such fund by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$200,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2005 A Bonds and the Prior Bonds. All obligations issued by the Issuer after the issuance of the Series 2005 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2005 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts established by this Bond Legislation have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2005 A Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2005 A Bonds and the interest, if any, thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. Additionally, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2005 A Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the DEP under the conditions and in the manner herein provided (unless less restrictive than the provisions of the Prior Ordinances).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2005 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition or construction of additions, extensions, betterments or improvements to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by the Independent Certified Public Accountants reciting the parity coverage required by the Prior Ordinances, so long as the Prior Bonds are outstanding, and thereafter, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding;
and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the City Clerk prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Net Revenues of the System and their source of and security for payment from said Net Revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Series 2005 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2005 A Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the DEP or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the DEP such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the DEP or their agents and representatives, to inspect all records pertaining to the operation and maintenance the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Governing Body. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Authority and the DEP, or any other original purchaser of the Series 2005 A Bonds, and shall mail in each year to any Holder or Holders of the Series 2005 A Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a

summary thereof, to any Holder or Holders of the Series 2005 A Bonds and shall submit said report to the Authority and the DEP, or any other original purchaser of the Series 2005 A Bonds. Such audit report submitted to the Authority and the DEP shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in EXHIBIT E of the Loan Agreement or as promulgated from time to time.

The Issuer shall permit the Authority and the DEP, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall provide the Authority and the DEP, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2005 A Bonds, equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the City Clerk, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, to comply with the rate coverage required by the Prior Ordinances, so long as the Prior Bonds are outstanding, and thereafter, sufficient (i) to

provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2005 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2005 A Bonds; provided that, in the event the amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 2005 A Bonds Reserve Account and any Reserve Accounts for obligations on a parity with the Series 2005 A Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2005 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2005 A Bonds. In any event, the Issuer shall not reduce the rates or charges for services of the System described in Section 7.04 hereof.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the DEP and the Authority within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance within 30 days of adoption to the Authority and the DEP and to any Holder of the Bonds, who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the DEP, the Authority and to any Holder of any Bonds, or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement, and forward a copy of such report to the DEP and the Authority by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the DEP is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the DEP covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority and the DEP and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt. The Issuer shall submit a "Performance Certificate," a form of which is attached to the Loan Agreement as Exhibit A, to the DEP within 60 days of the end of the first year after the Project is completed.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the DEP when the Project is 90% completed. The Issuer shall at all times provide operation and maintenance of the System in compliance with all state and federal standards.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the Loan Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such

fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 2005 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance

policies shall be placed in the Depreciation Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Depreciation Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority and the DEP and the Issuer shall verify such insurance prior to commencement of construction. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Mandatory Connections. The mandatory use of the sewerage portion of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the

Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Completion and Operation of Project; Permits and Orders. The Issuer shall complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2005 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2005 A Bonds during the term thereof is, under the terms of the Series 2005 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2005 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2005 A Bonds during the term thereof is, under the terms of the Series 2005 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2005 A Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2005 A Bonds and the interest thereon, including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest on the Series 2005 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions, or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.20. Securities Laws Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investments. Any monies held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2005 A Bonds are Outstanding and as long thereafter as necessary to assure the exclusion of interest on the Series 2005 A Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2005 A Bonds which would cause the Series 2005 A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2005 A Bonds) so that the interest on

the Series 2005 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Tax Certificate and Rebate. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2005 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2005 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, unless otherwise agreed by the Authority, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and shall be used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. In addition, the Issuer shall cooperate with the Authority in preparing rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer. The Issuer may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 8.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 8.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required,

the Issuer shall pay the required rebate amount, any and all interest, penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, and take any other actions necessary, in order to maintain the exclusion of interest on the Series 2005 A Bonds from gross income for federal income tax purposes.

The Issuer shall furnish to the Authority, annually, and at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be requested by the Authority. In addition, the Issuer shall cooperate with the Authority in preparing any required rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation and certificate with respect thereto or, if the Issuer qualifies for the small governmental issue exception to rebate, or any other exception thereto, then the Issuer shall submit to the Authority a certificate stating that it is exempt from such rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Series 2005 A Bonds subject to rebate. The Issuer shall also furnish to the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority including information with respect to earnings on all funds constituting "gross proceeds" of the Series 2005 A Bonds (as such term "gross proceeds" is defined in the Code).

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2005 A Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest, if any, on the Series 2005 A Bonds;
or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2005 A Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2005 A Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 2005 A Bonds shall be on a parity with those of the Holders of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project

and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent"). The interest on this Bond is payable by check or draft of the Paying Agent mailed to the registered owner hereof at the address as it appears on the books of The Huntington National Bank, Charleston, West Virginia, as registrar (the "Registrar"), on the 15th day of the month next preceding an interest payment date, or by such other method as shall be mutually agreeable so long as the Authority is the Registered Owner hereof.

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Department of Environmental Protection (the "DEP"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement (the "Loan Agreement") by and among the Issuer, the Authority and the DEP, dated April 20, 2005.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain additions, betterments and improvements to the sewerage portion of the existing public combined waterworks sewerage system of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of the Bonds of this Series (the "Bonds") and related costs. The Issuer has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Bond Legislation. Remedies provided the registered owners of the Bonds are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Section 1.02. Authority for this Ordinance. This Ordinance is enacted pursuant to the provisions of the Act and other applicable provisions of law.

Section 1.03. Findings. The Council hereby finds and determines as follows:

A. The Issuer is a municipal corporation and political subdivision of the State of West Virginia, in Marshall and Ohio Counties of said State.

B. The Issuer now owns and operates the System. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed the Project, as defined in Section 1.01 hereof, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the City Clerk of the Issuer.

C. The design of the Project was financed in part by the proceeds of prior bond issues of the Issuer, of which there is presently outstanding the Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2003 A, dated January 23, 2003, issued in the original aggregate principal amount of \$1,940,000, of which approximately \$393,893 is presently outstanding (the "Series 2003 A Bonds").

D. The Issuer has determined and hereby determines that it is in the best interest of the residents of the Issuer and other users of the System to currently refund the Series 2003 A Bonds.

E. It is deemed necessary for the Issuer to issue its Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 A, in the original aggregate principal amount of not more than \$14,000,000, to pay the principal of and accrued interest on the Issuer's Series 2003 A Bonds and to finance the costs of acquisition and construction of the Project. Such costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor and eligible under the Act; interest, if any, upon the Series 2006 A Bonds prior to and during acquisition or construction and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Reserve Accounts; underwriter's discount, engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expense; commitment fees; premiums for municipal bond insurance, reserve account insurance or reserve account surety bonds; letter of credit fees; discount; initial fees for the services of registrar's, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2006 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; the acquisition and construction of the Project and the placing of same in operation; and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2006 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as defined herein.

F. The period of usefulness of the System after completion of the Project is not less than 30 years.

G. It is in the best interest of the Issuer that the Series 2006 A Bonds be sold to the Original Purchaser pursuant to the terms and provisions of a Bond Purchase Agreement to be entered into by and between the Issuer and the Original Purchaser, as shall be approved by the Supplemental Resolution of the Issuer.

H. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2006 A Bonds as to liens, pledge, source of and security for payment, being (i) the Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 1997, dated January 1, 1997, issued in the original aggregate principal amount of \$20,600,000 (the "Series 1997 Bonds"), and (ii) the Combined Waterworks and Sewerage System Revenue Bonds, Series 2005 A (West Virginia SRF Program), dated May 3, 2005, issued in the original aggregate principal amount of \$14,500,000 (the "Series 2005 A Bonds") (collectively, the "Prior Bonds"). The Prior Bonds are payable from and secured by a first lien on the Gross Revenues of the System. The Series 2006 A Bonds shall be issued on a parity with the Prior Bonds, all of which shall have a first lien position with respect to pledge and source of and security for payment and in all other respects. The Issuer has met the coverage requirements for issuance of parity bonds of the Prior Bonds and the Prior Ordinances.

Prior to the issuance of the Series 2006 A Bonds, the Issuer will obtain (i) the certificate of an Independent Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consent of the Holders of the Series 2005 A Bonds to the issuance of the Series 2006 A Bonds on a parity with such Bonds. The written consent of the Holders of the Series 1997 Bonds to the issuance of the Series 2006 A Bonds on a parity with such Bonds is not required by the Prior Ordinances.

I. The Issuer derives revenues from the System which are pledged for payment of the Prior Bonds. Except for such pledge thereof to secure and pay the Prior Bonds, said revenues are not pledged or encumbered in any manner. The Issuer intends to issue the Series 2006 A Bonds and to pledge for payment thereof, the Gross Revenues of the System. Upon issuance of the Series 2006 A Bonds, the Series 2006 A Bonds will be secured by a first lien on the Gross Revenues of the System, on a parity with the Prior Bonds.

J. The estimated revenues to be derived in each year after the date hereof from the operation of the System will be sufficient, to provide for repair, maintenance and operation of the System, the payment of interest on the Series 2006 A Bonds and the Prior Bonds, to create sinking funds, as hereinafter provided, to pay the principal on the Series 2006 A Bonds and the Prior Bonds as and when it becomes due, to provide for reasonable reserves therefor, to provide an adequate depreciation fund, as hereinafter provided, and to make all other payments provided for in this Ordinance.

L. All things necessary to make the Series 2006 A Bonds, when authenticated by the Registrar and issued as in this Ordinance provided, the valid, binding and legal special obligations of the Issuer according to the import thereof, and to validly pledge and assign those funds or commitments pledged hereby to the payment of the principal of and interest on the Series 2006 A Bonds will be timely done and duly performed.

M. The enactment of this Ordinance, and the execution and issuance of the Series 2006 A Bonds, subject to the terms thereof, will not result in any breach of, or constitute a default under, any instrument to which the Issuer is a party or by which it may be bound or affected.

N. The Issuer has complied with all requirements of West Virginia law relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2006 A Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the obtaining of a certificate of convenience and necessity from the West Virginia Public Service Commission by final order, the time for rehearing and appeal of which will either have expired prior to the date of issuance of the Series 2006 A Bonds or such final order will not be subject to appeal or rehearing.

Section 1.04. Ordinance Constitutes Contract. In consideration of the acceptance of the Series 2006 A Bonds by those who shall own or hold the same from time to time, this Ordinance shall be deemed to be and shall constitute a contract between the Issuer and such Holders and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the legal Holders of any and all of such Series 2006 A Bonds, all of which shall be of equal rank and without preference, priority or distinction between any one Series 2006 A Bond and any other Series 2006 A Bond, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

Section 3.02. Execution of Bonds. The Series 2006 A Bonds shall be executed in the name of the Issuer by the City Manager and the Mayor, by their manual or facsimile signatures, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Clerk by his or her manual or facsimile signature; provided, that, all such signatures and the seal may be by facsimile. In case any one or more of the officers who shall have signed or sealed any of the Series 2006 A Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such

Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2006 A Bonds may be signed and sealed on behalf of the City by such person as at the actual time of the execution of such Bonds shall hold the proper office in the City, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Series 2006 A Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Ordinance unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in EXHIBIT A - FORM OF SERIES 2006 A BOND attached hereto and incorporated herein by reference with respect to such respective Series 2006 A Bond, shall have been duly manually executed by the Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Series 2006 A Bond has been authenticated, registered and delivered under this Ordinance. The Certificate of Authentication and Registration on any Series 2006 A Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2006 A Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Series 2006 A Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder, in accepting any of said Series 2006 A Bonds, shall be conclusively deemed to have agreed that such Series 2006 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder shall further be conclusively deemed to have agreed that said Series 2006 A Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2006 A Bonds remain Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Series 2006 A Bonds. The Series 2006 A Bonds shall be transferable only by transfer of registration upon the Bond Register by the registered owner thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or such duly authorized attorney or legal representative. Upon transfer of a Series 2006 A Bond, there shall be issued at the option of the Holder or the transferee another Bond or Bonds of the aggregate principal amount equal to the unpaid amount of the transferred Bond and of the same series, interest rate and maturity of said transferred Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the registered owner or his attorney or legal representative duly authorized in writing, Series 2006 A Bonds may at the

option of the Holder thereof be exchanged for an equal aggregate principal amount of Bonds of the same series, maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Series 2006 A Bond is exercised, Series 2006 A Bonds shall be delivered in accordance with the provisions of this Ordinance. All Series 2006 A Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Series 2006 A Bonds, the initial exchange of Series 2006 A Bonds and exchanges of such Bonds in the event of partial redemption of fully registered Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2006 A Bonds, the Registrar may impose a service charge. For every such transfer or exchange of such Bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2006 A Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2006 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Bond of like series, maturity and principal amount as the Bond so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing the Issuer and the Registrar proof of his ownership thereof and that said Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Holder listed in the Bond Register shall constitute proof of ownership. All Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Bond shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Bonds be at any time found by any one, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the revenues pledged herein, as applicable, with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued as part of the Series 2006 A Bonds pursuant to this Ordinance, the following provisions shall apply:

A. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2006 A Bonds Redemption Account in accordance with Subsection 4.03(A)(2) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 13 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/12th of the amount required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory redemption date, which amounts and dates, if any, with respect to a series of Bonds shall be set forth in the Supplemental Resolution relating thereto.

B. At its option, to be exercised on or before the 60th day next preceding any such mandatory redemption date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory redemption date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

C. The Issuer shall on or before the 60th day next preceding each mandatory redemption date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

D. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the moneys in the Series 2006 A Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory redemption date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

E. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the redemption date (interest to be paid from the Sinking Fund), as will exhaust as nearly as practicable such Series 2006 A Bonds Redemption Account payment

designated to be made in accordance with paragraph (A) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory redemption date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of \$5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the applicable Bond Insurer, if any, the Original Purchaser, and the registered owner of the Series 2006 A Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

All official notices of redemption shall be dated and shall state:

- (1) The Redemption Date,
- (2) The Redemption Price,
- (3) If less than all outstanding Series 2006 A Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Bond, or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,
- (5) The place where such Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar, and
- (6) Such other information, if any, as shall be required for DTC-eligible Bonds.

Prior to any redemption date, the Issuer shall deposit with the Registrar an amount of money sufficient to pay the redemption price of all the Series 2006 A Bonds or portions of such Bonds which are to be redeemed on that date.

Official notice of redemption having been given as aforesaid, the Series 2006 A Bonds or portions of such Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Series 2006 A

Bonds or portions of such Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal. All Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2006 A Bonds, and failure to mail such notice shall not affect the validity of proceedings for the redemption of any portion of Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on, such Bond and (except as provided in Section 6.18) for all other purposes, whether or not such Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Ordinance. Upon the presentation and surrender of any Bond or Bonds in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefor, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefor to the Holder of such Bond in temporary form.

Section 3.10. Authorization of Series 2006 A Bonds. For the purposes of paying in full the entire outstanding principal of and all accrued interest on the Series 2003 A Bonds, paying the costs of acquisition and construction of extensions, additions, betterments and improvements to the System, funding the Series 2006 A Bonds Reserve Account and paying costs of issuance of the Series 2006 A Bonds and related costs, there shall be issued the Series 2006 A Bonds of the Issuer, in an aggregate principal amount of not more than \$14,000,000. The Series 2006 A Bonds shall be designated "The City of Wheeling (West Virginia) Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 A" and shall be issued in fully registered form, in denominations of \$5,000 or any integral multiple thereof for any year of maturity (or such other denominations as may

be set forth in the Supplemental Resolution), not exceeding the aggregate principal amount of Series 2006 A Bonds maturing in the year of maturity for which the denomination is to be specified. The Series 2006 A Bonds shall be numbered from AR-1 consecutively upward. The Series 2006 A Bonds shall be dated; shall be in such aggregate principal amount; shall bear interest at such rate or rates, not exceeding the then legally permissible rate, payable semiannually on such dates; shall mature on such dates and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Series 2006 A Bonds. The Series 2006 A Bonds (if purchased by the Original Purchaser) shall each initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2006 A Bonds of each maturity, and shall be registered in the name of Cede & Co., as nominee of DTC. Notwithstanding anything herein to the contrary contained, so long as the Series 2006 A Bonds are so issued and registered, DTC (or its nominee) shall be treated as the sole Registered Owner for all purposes hereunder. Each Bond shall bear a legend substantially to the following effect "Except as otherwise provided in the Ordinance, this global bond may be transferred, in whole but not in part, only to another nominee of DTC (as defined in the Ordinance) or to a successor of DTC or to a nominee of a successor of DTC. Unless this certificate is presented by an authorized representative of DTC, to the Issuer or its agent for registration of transfer, exchange, or payment, and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the Registered Owner hereof, Cede & Co., has an interest herein."

With respect to Series 2006 A Bonds registered in the records of the Registrar in the name of Cede & Co., as nominee of DTC, the Issuer and the Paying Agent shall have no responsibility or obligation to any other participant in DTC or to any Person on behalf of whom such a participant in DTC holds a beneficial interest in the Series 2006 A Bonds. Without limiting the immediately preceding sentence, the Issuer and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any other participant in DTC with respect to any beneficial ownership interest in any Bond, (ii) the delivery to any other participant in DTC or any other Person, other than a Registered Owner, as shown in the records of the Registrar, of any notice with respect to any Series 2006 A Bonds, including without limitation any notice of redemption, tender, purchase or any event which would or could give rise to a tender or purchase right or option with respect to any Bond, (iii) the payment to any other participant in DTC or any other Person, other than a Registered Owner, as shown in the records of the Registrar, of any amount with respect to principal of, premium, if any, or interest on, any Bond, or (iv) any consent given by DTC as Registered Owner. Notwithstanding any other provision of this Ordinance to the contrary, the Issuer and the Paying Agent shall be entitled to treat and consider the Person in whose name each Bond is registered in the records of the Registrar

as the absolute owner of such Bond for the purpose of payment of principal, premium, if any, and interest with respect to such Bond, for the purpose of giving notices of redemption, sale, purchase or any event which would or could give rise to a sale or purchase right or option with respect to any Bond for the purpose of making payment of any purchase price of such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Issuer and Paying Agent shall pay all principal of, premium, if any, and interest on the Series 2006 A Bonds and the purchase price of any Bond only to or upon the order of the respective Registered Owners, as shown in the records of the Registrar as provided in this Ordinance, or their respective attorneys or legal representatives duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to payment of principal of, premium, if any, and interest on the Series 2006 A Bonds to the extent of the sum or sums so paid. No Person other than a Registered Owner, as shown in the records of the Registrar, shall receive a Bond certificate evidencing the obligation of the Issuer to make payments of principal, premium, if any, and interest pursuant to this Ordinance.

The Registered Owners have no right to a depository for the Series 2006 A Bonds. The Issuer may remove DTC or any successor thereto for any reason at any time. In such event or in the event DTC shall notify the Issuer that DTC is discontinuing its book-entry system for the Series 2006 A Bonds, the Issuer shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities Exchange Act, notify DTC of the appointment of such successor securities depository and transfer one or more separate Bond certificates to such successor securities depository or (ii) notify DTC of the availability through the DTC of Bond certificates and transfer one or more separate Bond certificates to other participants or beneficial owners as DTC may direct. In such event, the Series 2006 A Bonds shall no longer be restricted to being registered in the records of the Registrar in the name of Cede & Co., as nominee, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names other participants in DTC receiving Series 2006 A Bonds shall designate, in accordance with the provisions of this Ordinance. The provisions of this Section applicable to DTC shall apply, mutatis mutandis, to any successor depository performing the same functions hereunder as DTC.

The Issuer represents hereby that it has executed a Letter of Representations, the terms of which are applicable to the issuance of the Series 2006 A Bonds hereunder. Such Letter of Representations is for the purpose of effectuating the Book-Entry Only System only and shall not be deemed to amend, supersede or supplement the terms of this Ordinance which are intended to be complete without reference to the Letter of Representations. In the event of any conflict between the terms of the Letter of Representations and the terms of this Ordinance, the terms of this Ordinance shall control. DTC may exercise the rights of a Registered Owner hereunder only in accordance with the terms hereof applicable to the exercise of such rights.

Section 3.12. Delivery of Series 2006 A Bonds.

The Issuer shall execute and deliver the Series 2006 A Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2006 A Bonds to the Original Purchaser upon receipt of the documents set forth below:

- (1) If not registered in the name of DTC or its nominee, a list of the names in which the Series 2006 A Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;
- (2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2006 A Bonds to DTC for the benefit of the Original Purchaser;
- (3) Copies of this Ordinance and the Supplemental Resolution certified by the Clerk;
- (4) The unqualified approving opinion of Bond Counsel regarding the Series 2006 A Bonds; and
- (5) A copy of such other documents and certificates as the Original Purchaser may reasonably require.

Section 3.13. Form of Series 2006 A Bonds. The definitive Series 2006 A Bonds shall be in substantially the form set forth in EXHIBIT A - SERIES 2006 A BOND FORM attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 2006 A Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series 2006 A Bonds shall have the form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Series 2006 A Bonds. Upon the issuance and delivery of the Series 2006 A Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

1. All interest accrued on Series 2006 A Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 2006 A Bonds Sinking Fund and applied to payment of interest on the Series 2006 A Bonds at the first interest payment date.
2. An amount of the proceeds of the Series 2006 A Bonds equal to the amount, if any, set forth in the Supplemental Resolution shall be remitted to the Bond Commission for deposit in the Series 2006 A Bonds Reserve Account.

3. An amount of the proceeds of the Series 2006 A Bonds equal to the entire outstanding principal of and all accrued interest on the Series 2003 A Bonds as set forth in the Supplemental Resolution shall be remitted to the Bond Commission to pay the Series 2003 A Bonds in full.

4. The amount of Series 2006 A Bond proceeds which, together with other monies or securities deposited therein shall be equal to the Costs of Issuance of the Series 2006 A Bonds shall be deposited with the Depository Bank in the Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Series 2006 A Bonds at the written direction of the Issuer. Monies not to be applied immediately to pay such costs of issuance may be invested in accordance with this Ordinance, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 120 days following the Closing Date for the Series 2006 A Bonds, such unapplied proceeds shall be transferred by the Issuer to the Series 2006 A Bonds Sinking Fund established in Section 4.02 hereof and applied to the next ensuing payment of interest on the Series 2006 A Bonds. All such proceeds shall constitute a trust fund for such purposes, and there hereby is created a lien upon such monies until so applied in favor of the Holders of the Series 2006 A Bonds from which such proceeds are derived.

5. The balance of Series 2006 A Bonds proceeds, if any, shall be deposited in the Series 2006 A Bonds Construction Trust Fund and disbursed as provided in Section 3.15 hereof.

Section 3.15. Disbursements from the Series 2006 A Bonds Construction Trust Fund.

Disbursements from the Series 2006 A Bonds Construction Trust Fund, except for payment of Costs of Issuance of the Series 2006 A Bonds in excess of the monies available in the Costs of Issuance Fund which shall be made upon request of the Issuer, shall be made only for acquisition and construction of the Project, including all necessary engineering and other professional services relating thereto. Pending such application, monies in the Series 2006 A Bonds Construction Trust Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

Section 4.03. System Revenues and Application Thereof. So long as any of the Bonds shall be Outstanding and unpaid, the Issuer covenants as follows:

A. The entire Gross Revenues derived from the operation of the System and all parts thereof shall be deposited by the Issuer in the Revenue Fund. The Revenue Fund

shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. All Revenues at any time remaining on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the Sinking Funds of the Prior Bonds the amounts required by the Prior Ordinances to pay the interest on the Prior Bonds; and (ii) commencing 7 months prior to the first interest payment date of the Series 2006 A Bonds, for deposit in the Series 2006 A Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on the Series 2006 A Bonds on the next ensuing semiannual interest payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2006 A Bonds Sinking Fund and the next ensuing semiannual interest payment date is more or less than 7 months, then such monthly payments shall be decreased or increased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date; provided further that, the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2006 A Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 2006 A Bonds deposited therein.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the Sinking Funds of the Prior Bonds the amounts required by the Prior Ordinances to pay the principal of the Prior Bonds; and (ii) commencing 13 months prior to the first principal payment date or mandatory Redemption Date of the Series 2006 A Bonds, for deposit in the Series 2006 A Bonds Sinking Fund and in the Series 2006 A Bonds Redemption Account therein in the case of the Term Bonds which are to be redeemed, a sum equal to 1/12th of the amount of principal which will mature or be redeemed and become due on the Series 2006 A Bonds on the next ensuing annual principal payment date or mandatory Redemption Date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2006 A Bonds Sinking Fund and the next ensuing annual principal payment date or mandatory Redemption Date is more or less than 13 months, then such monthly payments shall be decreased or increased proportionately to provide, 1

month prior to the next ensuing annual principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date.

Moneys in the Series 2006 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2006 A Bonds, whether by maturity or redemption prior to maturity and, with respect to the Series 2006 A Bonds Reserve Account therein, any amounts necessary to fund such Reserve Account to maintain the Series 2006 A Bonds Reserve Account Requirement. Pending such use, such moneys shall be invested in accordance with Article V.

The Issuer shall not be required to make any further payments into the Series 2006 A Bonds Sinking Fund when the aggregate amount of funds therein, including the Series 2006 A Bonds Reserve Account therein, is at least equal to the aggregate principal amount of Series 2006 A Bonds then Outstanding, plus the amount of interest due or thereafter to become due on such Bonds then Outstanding.

As and when additional Bonds ranking on a parity with the Series 2006 A Bonds are issued, provision shall be made for additional deposits into the respective Sinking Funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirement thereof.

The payments into the Series 2006 A Bonds Sinking Fund shall be made on the first day of each month, except that, when the first day of any month shall be a Saturday, Sunday or legal holiday, then such payments shall be made on the next succeeding Business Day, and all such payments shall be remitted to the Bond Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Ordinance.

(3) The Issuer shall next, each month, transfer from the Revenue Fund and simultaneously remit to the Depository Bank for deposit into the Operation and Maintenance Fund the amount necessary to pay the current Operating Expenses of the System.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit

to the Bond Commission (i) for deposit in the Reserve Accounts of the Prior Bonds the amounts required by the Prior Ordinances; and (ii) for deposit in the Series 2006 A Bonds Reserve Account, an amount sufficient to remedy any decrease in value of the Series 2006 A Bonds Reserve Account below the Series 2006 A Bonds Reserve Requirement or any withdrawal from the Series 2006 A Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2006 A Bonds Reserve Account results in a determination that the amount of moneys and the value of the Qualified Investments deposited to the credit of the Series 2006 A Bonds Reserve Account is less than the Series 2006 A Bonds Reserve Requirement, or (b) any amount is withdrawn from the Series 2006 A Bonds Reserve Account for deposit into the Series 2006 A Bonds Sinking Fund. To the extent Gross Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of moneys on deposit in the Series 2006 A Bonds Reserve Account to an amount equal to the Series 2006 A Bonds Reserve Requirement to the full extent that such Gross Revenues are available; provided however, that if the shortfall in the Series 2006 A Bonds Reserve Account is due to a decrease in value of investments therein, such shortfall shall be replenished by not less than 6 equal monthly payments, and if such shortfall is due to a withdrawal from the Series 2006 A Bonds Reserve Account, such shortfall shall be replenished by not less than 12 equal monthly payments, and provided further, that no payments shall be required to be made into the Series 2006 A Bonds Reserve Account whenever and as long as the amount on deposit therein shall be equal to the Series 2006 A Bonds Reserve Requirement.

Amounts in the Series 2006 A Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2006 A Bonds when due, when amounts in the Series 2006 A Bonds Sinking Fund are insufficient therefor and for no other purpose.

(5) The Issuer shall next, from the moneys remaining in the Revenue Fund, on the first day of each month, transfer to the Depreciation Fund a sum equal to not less than 5% of the Gross Revenues each month (as previously set forth in the Prior Ordinances and not in addition thereto), exclusive of any payments for account of any Reserve Account.

Withdrawals and disbursements may be made by the Issuer from the Depreciation Fund only for the following purposes and in the following order of priority:

(a) To make up any deficiency in any Reserve Account (so that the amount on deposit therein is at least equal to the applicable Reserve Account Requirement);

(b) For the payment of the principal (including the principal amount to be paid under the mandatory redemption schedules) of or interest on the Bonds, but only in the event that at the time of such withdrawal there are not sufficient funds for such purpose in the Sinking Funds (including the Reserve Accounts);

(c) For the payment of the reasonable costs of land and depreciable renewals, repairs, extensions, improvements and additions to the System; and

(d) Upon resolution of the Issuer, moneys in the Depreciation Fund in excess of \$1,000,000 may be transferred by the Issuer to the Redemption Account and used for optional redemption or for purchase of Bonds. In the event of purchase of Bonds, the Issuer may direct the purchase of Bonds offered for sale at the lowest price below the redemption price of such Bonds.

(6) If on any monthly payment date the revenues of the System are insufficient to make the required deposits in any of the funds as hereinabove provided, the deficiency shall be made up on the next ensuing payment dates by payments in addition to the payments which are otherwise required to be made into the funds on such ensuing payment dates.

(7) The Issuer may next, each month, after making the above required transfers of moneys from the Revenue Fund, apply any remaining revenues ("Surplus Revenues") to payment of debt service on any subordinate bonds, notes, certificates or other obligations of the System. Any Surplus Revenues then remaining in the Revenue Fund may be used for any lawful purpose of the System.

B. The Bond Commission is hereby designated as the fiscal agent for the administration of the Sinking Funds created or continued hereunder, and all amounts required for said Sinking Funds shall be remitted to the Bond Commission from said Revenue Fund and from the proceeds of the sale of the Bonds, by the Issuer at the times and as otherwise provided herein. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited. Notwithstanding the

foregoing, however, the Bond Commission shall deposit all remittances in the fund or account in the priority established by this Ordinance.

C. If on any monthly payment date the Gross Revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 4.03 and the Gross Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

D. Principal and interest payments, and any payments made for the purpose of funding the Reserve Accounts, shall be made on a parity basis and pro-rata, with respect to the Prior Bonds, the Series 2006 A Bonds and any parity Bonds hereinafter issued, in accordance with the respective principal amounts of each such series of Bonds then Outstanding, if less than the full amount required hereby.

ARTICLE V

INVESTMENTS; NON-ARBITRAGE;
REBATES AND CONTINUING DISCLOSURE CERTIFICATE

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any moneys held as a part of the funds and accounts created by this Ordinance in Qualified Investments to the fullest extent possible under applicable laws, this Ordinance, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section:

(A) Qualified Investments acquired for the Depreciation Fund or the Series 2006 A Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 3 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to, semiannually transfer from the Series 2006 A Bonds Reserve Account to the Series 2006 A Bonds Sinking Fund any earnings on the moneys deposited therein and any other funds in excess of the Reserve Account Requirement; provided, however, that there shall at all times remain on deposit in the Series 2006 A Bonds Reserve Account an amount at least equal to the Reserve Account Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2006 A Bonds Reserve Account, whereupon it shall be valued immediately after such

withdrawal. If amounts on deposit in the Series 2006 A Bonds Reserve Account shall, at any time, be less than the Reserve Requirement, the applicable Bond Insurer, if any, shall be notified immediately of such deficiency, and such deficiency shall be made up from the first available Gross Revenues after required deposits to the Series 2006 A Bonds Sinking Fund and otherwise in accordance with Section 4.03.

(D) All amounts representing accrued and capitalized interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Bonds and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all moneys deposited in the Series 2006 A Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Board of Treasury Investments pursuant to Chapter 12, Article 6(c) of the Code of West Virginia, 1931, as amended.

Section 5.02. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 2006 A Bonds in such manner and to such extent as may be necessary, so that such Series 2006 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return with respect to such Bonds) so that the interest on the Series 2006 A Bonds will be and remain excluded from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.03. Tax Certificate, Rebates and Rebate Fund. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of any series of Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2006 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Ordinance.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or

account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes.

Section 5.04. Continuing Disclosure Certificate. The Issuer shall deliver a continuing disclosure certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2006 A Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Ordinance, the Issuer hereby covenants and agrees with the Holders of the Series 2006 A Bonds as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2006 A Bonds or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Series 2006 A Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the Gross Revenues of the System, the moneys in the Series 2006 A Bonds Sinking Fund and the Series 2006 A Bonds Reserve Account therein and the unexpended proceeds of the Series 2006 A Bonds, all as herein provided. No Holder or Holders of the Series 2006 A Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2006 A Bonds or the interest thereon.

Section 6.03. Series 2006 A Bonds Secured by Parity Pledge of Gross Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of all of the Series 2006 A Bonds issued hereunder shall be secured forthwith equally and ratably with each other by a first lien on the Gross Revenues derived from the operation of the System, on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds, and all moneys in the Series 2006 A Bonds Sinking Fund, including the Series 2006 A Bonds Reserve Account therein. The Gross Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Series 2006 A Bonds herein authorized, and to make the payments into the Series 2006 A Bonds Sinking Fund, all moneys and securities in the Series 2006 A Bonds Sinking Fund, including the Series 2006 A Bonds Reserve Account therein, and all other payments provided for in this Ordinance, are hereby irrevocably pledged in the manner provided in this Ordinance to the payment of the principal of and interest on the Prior Bonds and the Series 2006 A Bonds herein authorized as the same become due and for the other purposes provided in this Ordinance.

Section 6.04. Rates. Prior to the issuance of the Series 2006 A Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the Clerk of the Issuer, which copy will be open to inspection by all interested parties. The schedule or

schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that: (a) so long as the Series 1997 Bonds are outstanding, the schedule or schedules of rates or charges from time to time enacted with all appeals having expired, shall be sufficient at all times to produce projected annual Net Revenues equal to not less than the sum of (i) 125% of the Maximum Annual Debt Service on the Bonds in any Fiscal Year, and (ii) the amount, if any, required to be deposited in the Reserve Account in order to satisfy the Reserve Account Requirement within a period of not more than 12 months, assuming equal payments are made each month; (b) so long as the Series 2005 A Bonds are outstanding, the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, to comply with the rate coverage required by the Prior Ordinances, so long as the Prior Bonds are outstanding, and thereafter, sufficient (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2006 Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with, or subordinate to, the Series 2006 Bonds including the Prior Bonds; provided that, in the event the amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 2005 A Bonds Reserve Account and any Reserve Accounts for obligations on a parity with the Series 2005 A Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2005 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2005 A Bonds; and (c) so long as the Series 2006 Bonds are outstanding, the schedule or schedules of rates or charges in effect shall be sufficient, together with investment income, to produce Net Revenues sufficient to pay (i) 125% of the annual debt service on parity obligations, and (ii) 100% of the sum of (x) the amount, if any required to be deposited in the Reserve Account in order to satisfy the Reserve Account Requirement within a period of not more than 12 months, assuming equal payments are made each month, and (y) amounts required to meet any legal debt or other obligation of the System coming due in that period. All such rates and charges, if not paid when due, shall constitute a lien upon the premises served by the System.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Independent Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 6.05. Completion of Project; Operation and Maintenance. The Issuer will complete the Project as promptly as possible. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the Revenues of said System in the manner provided in this Ordinance. The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia necessary for the acquisition and construction of the Project and the operation of the System.

Section 6.06. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System except as provided in the Prior Ordinances. Additionally, so long as the Series 2006 A Bonds are Outstanding, the System may be sold, mortgaged, leased or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, or to defease the pledge created by this Ordinance and the Prior Ordinances. The proceeds from such sale, mortgage, lease or other disposition of the System shall be immediately remitted to the Bond Commission for deposit in the respective Sinking Funds, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of \$100,000, the Issuer shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of \$100,000 but not in excess of \$200,000, the Issuer shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of \$100,000 and not in excess of \$200,000, shall be deposited by the Issuer into the Depreciation Fund. Such payments of such proceeds into the Depreciation Fund or the Redemption Account shall not reduce the amounts required to be paid into said funds by other provisions of this Ordinance.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of \$200,000 and insufficient to defease the pledge created by this Ordinance, as provided by Section 9.01, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of 60% in amount of Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any other obligations whatsoever, except additional parity Bonds provided for in Section 6.08 hereof, payable from the Revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from the Gross Revenues with the Series 2006 A Bonds; and all obligations hereafter issued by the Issuer payable from the revenues of the System, except such additional Bonds, shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such revenues and in all other respects to the Bonds.

The Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to such additional parity Bonds, being on a parity with the lien of the Series 2006 A Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2006 A Bonds and the interest thereon in this Ordinance or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are Outstanding, the limitations and requirements on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no additional parity Bonds, as in this section defined, payable out of the revenues of the System shall be issued after the issuance of any Bonds pursuant to this Ordinance, except under the conditions and in the manner herein provided.

No such additional parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition or construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto or the Prior Bonds, or to pay claims which may exist against the revenues or facilities of the System, or all of such purposes.

So long as the Series 1997 Bonds are outstanding, no such additional parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Clerk of the Issuer a written statement by Independent Accountants, reciting the conclusion that the Net Revenues actually derived from the System during the Fiscal Year preceding the date of the actual issuance of such additional parity Bonds, plus the increased

annual Net Revenues expected to be received after the date of issuance of such parity Bonds shall not be less than 125% of the Maximum Annual Debt Service on the following:

- (1) The Bonds then Outstanding;
- (2) Any additional parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and
- (3) The additional parity Bonds then proposed to be issued.

So long as the Series 1997 Bonds are no longer outstanding and the Series 2005 A Bonds are outstanding, no Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by the Independent Certified Public Accountants reciting the parity coverage required by the Prior Ordinances, so long as the Prior Bonds are outstanding, and thereafter, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

So long as the Series 2006 A Bonds are outstanding, no such additional parity bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by an Independent Accountant, reciting the conclusion that the Net Revenues, together with investment income derived from the System, during the prior fiscal year or in any 12 consecutive months in the 18 months immediately preceding the date of the actual issuance of such additional parity bonds, shall not be less than 125% of the annual debt service during such period, and projected Net Revenues in each of the 3 succeeding years, as adjusted for adopted rate increases for which all appeals have expired, shall not be less than 120% of Maximum Annual Debt Service (unless otherwise consented to by the insurer) on the following:

- (1) The Series 2006 A Bonds then Outstanding;
- (2) The Prior Bonds Outstanding;

(3) Any additional parity bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and

(4) The additional parity bonds then proposed to be issued.

The "increased annual Net Revenues expected to be received" as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of delivery of such additional parity Bonds, and shall not exceed the amount to be stated in the aforementioned certificate of Independent Accountants, which shall be filed in the office of the Clerk of the Issuer prior to the issuance of such additional parity Bonds.

The term "additional parity Bonds," as used in this section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this section, payable from the Gross Revenues of the System on a parity with the Series 2006 A Bonds, and all the covenants and other provisions of this Ordinance (except as to details of such additional parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2006 A Bonds, the Prior Bonds and the Holders of any additional parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All the Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System, and their source of and security for payment from said Gross Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such additional parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Ordinance.

The term "additional parity Bonds," as used in this section, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien on the Revenues of the System of which is subject to the prior and superior lien of the Bonds on such Revenues. Any such subordinate bonds, notes, certificates or other obligations shall be payable from Surplus Revenues. The Issuer shall not issue any obligations whatsoever payable from the Revenues of the System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such Revenues, with the Series 2006 A Bonds, except in the manner and under the conditions provided in this section.

No additional parity Bonds, as in this section defined, shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Ordinance on account of the Bonds then Outstanding, if any (excluding the Depreciation Fund), and any other payments provided for in this Ordinance shall have been made in full as required to the date of delivery of the additional parity Bonds.

Section 6.09. Insurance and Bonds. So long as the Prior Bonds are outstanding, the Issuer shall procure, carry and maintain insurance and bonds and workers' compensation coverage pursuant to the provisions of the Prior Ordinances. To the extent the provisions of the Prior Ordinances and this Ordinance are in conflict, the Issuer shall comply with the more stringent requirement. The Issuer hereby covenants and agrees, that so long as the Series 2006 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance and bonds and worker's compensation coverage with a reputable insurance carrier or carriers or bonding company or companies covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the greater of the fair appraised value or the original cost thereof. In the time of war the Issuer will also carry and maintain insurance to the extent available against risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Depreciation Fund and used only for the repairs and restoration of the damaged and destroyed properties or for the other purposes provided herein for the Depreciation Fund.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

C. WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Issuer and such payment bonds will be filed with the Clerk of the County Commission of the County in which such work is to be performed prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, to extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer and employee of the Issuer having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 6.10. Mandatory Sewer Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sewerage facilities portion of the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the sewerage facilities portion of the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the sewerage facilities portion of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the sewerage facilities portion of the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.11. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by its System; and, in the event the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.12. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all delinquent rates, rentals and other charges, if not paid, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System to all delinquent users of services and facilities of the System and will not restore such services of the System until all billing for charges for the services and facilities of the System, including penalties and reconnect fees, have been fully paid, or a payment agreement in compliance with the West Virginia Public Service Commission regulations has been entered.

Section 6.13. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.14. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as it shall direct.

The Issuer shall file with the Original Purchaser and any Bond Insurer, and shall mail to any Holder of Bonds requesting the same, an annual report within 120 days following the end of each Fiscal Year containing a balance sheet, statement of revenues, expenses, and changes in retained earnings, and statement of cash flows, as prescribed by generally accepted accounting principles.

The Issuer shall also file with the Original Purchaser and any Bond Insurer, and mail to any Holder of Bonds requesting the same, a monthly unaudited report within 30 days following the end of each month containing the following:

(A) A statement of Gross Revenues, Operating Expenses, and Net Revenues derived from the System.

(B) A statement of account balances in the Sinking Fund accounts provided for in this Ordinance and the status of said funds.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by Independent Accountants, shall mail upon request, and make available generally, the report of said Independent Accountants, or a summary thereof, to any Holder or Holders of Bonds issued pursuant to this Ordinance and shall file said report with the Original Purchaser.

Section 6.15. Operating Budget. So long as the Series 1997 Bonds are outstanding, the Issuer shall comply with the requirements of the ordinance authorizing the Series 1997 Bonds. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, or at such earlier date required by its charter, prepare and adopt by resolution a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Original Purchaser and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Original Purchaser and to any Holder of Bonds or anyone acting for and in behalf of such Holder who requests the same.

Section 6.16. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2006 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on such Series 2006 A Bonds during the term thereof is, under the terms of such Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2006 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2006 A Bonds during the term thereof is, under the terms of such Series 2006 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2006 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the System,

or if the Series 2006 A Bonds are for the purpose of financing more than one project, a portion of the System, and shall not exceed the proceeds used for the governmental use of that portion of the System to which such Private Business Use is related.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2006 A Bonds or \$5,000,000 are used, directly or indirectly, to make or finance a loan to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2006 A Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2006 A Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2006 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 6.17. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2006 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon the issuance of the Series 2006 A Bonds and shall be on a parity with one another and with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 6.18. Covenants Regarding the Municipal Bond Insurance Policy. The Issuer intends to obtain a Municipal Bond Insurance Policy for the Series 2006 A Bonds from the Bond Insurer. Certain additional covenants of the Issuer, which shall be set forth in full in the Supplemental Resolution, are required by the Bond Insurer as a condition to insuring the Series 2006 A Bonds, shall apply to the Series 2006 A Bonds and any other Bonds which may be insured by the Bond Insurer, and shall be controlling in the event any other provisions of this Ordinance may be in conflict therewith.

Section 6.19. Report of Consulting Engineers. So long as the Series 1997 Bonds are outstanding, the Issuer shall, at least once each year retain recognized qualified independent Consulting Engineers to review the operation, maintenance and repair of the System and to report to the Issuer in writing their recommendations and comments pertaining to the System, including the rate coverage of the System for the Fiscal Year. Such annual report of the Consulting Engineers, or a summary thereof, shall be made available, upon

request, to the Original Purchaser, any Bond Insurer and any Bondholder. Upon the payment of the Series 1997 Bonds, such report shall not be required.

ARTICLE VII

DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2006 A Bonds:

(A) If default by the Issuer occurs in the due and punctual payment of the principal of or interest on any Bond;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Ordinance or any Supplemental Resolution or in the Bonds and Notes contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Holder of any Bond or Note or any Bond Insurer;

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If the Issuer defaults on the Prior Bonds or the Prior Ordinances.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Holder of any Bond or any Bond Insurer may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Holders, including the right to require the Issuer to perform its duties under the Act and this Ordinance;

(C) Bring suit upon the Bonds;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Holders of the Bonds; and

(E) By action or bill in equity enjoin any acts in violation of this Ordinance or the rights of the Holders of the Bonds.

No remedy by the terms of this Ordinance conferred upon or reserved to the Holders is intended to be exclusive of any other remedy, but each and every such remedy

shall be cumulative and shall be in addition to any other remedy given to the Holders hereunder or now or hereafter existing at law or by statute.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Holders shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Holder or any Bond Insurer shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Series 2006 A Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2006 A Bonds issued pursuant to this Ordinance and interest thereon and under any covenants of this Ordinance for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Ordinance shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Holder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Bonds issued pursuant to this Ordinance. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Holders of the Bonds, and the curing and making good of any default under the provisions of this Ordinance, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Notwithstanding any other provision of this Ordinance, in determining whether the rights of the Holders will be adversely affected by any action taken pursuant to the terms and provisions of this Ordinance, any trustee or Holder's committee shall consider the effect on the Holders as if no Municipal Bond Insurance Policy were then in effect.

Section 7.04. Restoration of Issuer and Holder. In case any Holder shall have proceeded to enforce any right under this Ordinance by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Holder shall be restored to their former positions and rights hereunder, and all rights and remedies of such Holder shall continue as if no such proceedings had been taken.

ARTICLE VIII

REGISTRAR, PAYING AGENT AND DEPOSITORY BANK

Section 8.01. Appointment of Registrar, Paying Agent and Depository Bank. The Registrar, Paying Agent and Depository Bank (collectively, the "Fiduciaries") for the Series 2006 A Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Fiduciaries, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Fiduciaries. The recitals of fact in the Series 2006 A Bonds shall be taken as statements of the Issuer, and the Fiduciaries shall not be responsible for their accuracy. The Fiduciaries shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2006 A Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2006 A Bonds. The Fiduciaries and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Ordinance and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Fiduciaries May Act. Except as otherwise provided by Section 10.02, the Fiduciaries shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by them to be genuine and to have been signed or presented by the proper party or parties. Whenever any Fiduciary shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion such Fiduciary may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Fiduciaries from time to time reasonable compensation for all services, including the transfer of registration of Series 2006 A Bonds, the first exchange of Series 2006 A Bonds and the exchange of Series 2006 A Bonds in the event of partial redemption, incurred in the performance of their duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2006 A Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Holders or effect or aid in any reorganization growing out of the enforcement of the Series 2006 A Bonds or this Ordinance, whether or not any such committee shall represent the Holders of a majority in principal amount of the Series 2006 A Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Ordinance by giving not less than 60 days' written notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Holder in the event all Series 2006 A Bonds are fully registered), specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer or by the Holders of a majority in principal amount of the Series 2006 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer or by such Holders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Series 2006 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Holders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Holders. The Issuer shall publish in an Authorized Newspaper (or mail to each Holder in the event all Series 2006 A Bonds are fully registered) notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Holders. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Holder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any moneys, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2006 A Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Series 2006 A Bonds so authenticated, and, in case any Series 2006 A Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Series 2006 A Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent and Depository Bank. The Registrar shall also serve as the Paying Agent and Depository Bank. The Registrar's acceptance of the duties and responsibilities of the Registrar expressed in Section 8.02 shall also include the trusts and the duties of Paying Agent and Depository Bank. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Series 2006 A Bonds shall be and remain DTC-eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from moneys available therefor.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Ordinance. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Holders may make such appointment.

The Paying Agents shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All moneys received by the Paying Agents shall, until used or applied as provided in this Ordinance, be held in trust for the purposes for which they were received.

ARTICLE IX

DEFEASANCE; DISCHARGE OF PLEDGE OF ORDINANCE

Section 9.01. Defeasance; Discharge of Pledge of Ordinance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Holders of all Series 2006 A Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, then this Ordinance and the pledges of the Gross Revenues and other moneys and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Holders of the Series 2006 A Bonds made hereunder, shall thereupon cease, terminate and become void and be discharged and satisfied.

Bonds for the payment of which either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on such Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2006 A Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on said Series 2006 A Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of said Series 2006 A Bonds prior to the maturity thereof, on and prior to said redemption date. Neither securities nor moneys deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Series 2006 A Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on said Bonds on and prior to such maturity or redemption dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations.

ARTICLE X

MISCELLANEOUS

Section 10.01. Amendment of Ordinance. This Ordinance and any Supplemental Resolution may be amended or modified without the consent of any Holder or other person, solely for the purpose of maintaining the tax-exempt status of the Series 2006 A Bonds, provided that, in the event any of the Series 2006 A Bonds are insured, no such amendment or modification which adversely affects the security for such Series 2006 A Bonds or the rights of the applicable Bond Insurer for such Series 2006 A Bonds may be effected without the written consent of such Bond Insurer. Otherwise, no materially adverse amendment or modification to this Ordinance, or of any Supplemental Resolution, may be made without the written consent of the Holders of 60% in aggregate principal amount of the Series 2006 A Bonds then Outstanding and affected thereby and the Bond Insurer, which must be filed with the Clerk of the Issuer before any such modification or amendment may be made. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Series 2006 A Bond without the express written consent of the Holder of such Bond, nor reduce the percentage of Series 2006 A Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Holders and Ownership of Series 2006 A Bonds. Any request, consent, revocation of consent or other instrument which this Ordinance may require or permit to be signed and executed by Holders may be in one or more instruments of similar tenor, and shall be signed or executed by such Holders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Ordinance if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Holder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Holder may be established without further proof if such instrument is

signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Series 2006 A Bonds held by a person executing any instrument as a Holder, the date of his holding such Series 2006 A Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Bond shall bind all future Holders and owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Ordinance shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Holder, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Ordinance shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Series 2006 A Bonds. All Series 2006 A Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Series 2006 A Bonds shall be deemed Outstanding under this Ordinance and no Series 2006 A Bonds shall be issued in lieu thereof. All such Series 2006 A Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Series 2006 A Bonds. Anything in this Ordinance to the contrary notwithstanding, any moneys held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Series 2006 A Bonds which remain unclaimed for 1 year after the date on which such Series 2006 A Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Series 2006 Bonds shall look only to the Issuer for the payment of such Series 2006 Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of such notice is mailed, the balance of such moneys then unclaimed will be returned to the Issuer. If any of said Series 2006 Bonds is a coupon Bond

the Registrar or said Paying Agent shall also publish such notice, not less than 30 days prior to the date such moneys will be returned to the Issuer, in an Authorized Newspaper.

Section 10.06. Notices, Demands and Requests. Unless otherwise expressly provided, all notices, demands and requests to be given or made hereunder to or by the Issuer, the Registrar, the Depository Bank, the Original Purchaser or the Bond Insurer shall be in writing and shall be properly made if sent by United States mail, postage prepaid, and addressed as follows or if hand-delivered to the individual to whom such notice, demand or request is required to be directed as indicated below:

OUTSTANDING REVENUE BONDS OF THE ISSUER: (i) THE COMBINED WATERWORKS AND SEWERAGE SYSTEM REFUNDING REVENUE BONDS, SERIES 1997, DATED JANUARY 1, 1997, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$20,600,000 (THE "SERIES 1997 BONDS"), AND (ii) THE COMBINED WATERWORKS AND SEWERAGE SYSTEM REVENUE BONDS, SERIES 2005 A (WEST VIRGINIA SRF PROGRAM), DATED MAY 3, 2005, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$14,500,000 (THE "SERIES 2005 A BONDS") (COLLECTIVELY, THE "PRIOR BONDS").

This Bond is additionally secured, but only to the extent described in the Statement of Insurance printed on the Bonds, by a policy of municipal bond insurance issued by _____.

The Bonds and the interest thereon are payable only from and are secured by the Gross Revenues (as defined in the Ordinance) to be derived from the operation of the System, on a parity with the pledge of Gross Revenues in favor of the holders of the Prior Bonds and from moneys in the Series 2006 A Bonds Sinking Fund and the Series 2006 A Bonds Reserve Account established under the Ordinance, and the unexpended proceeds of the Bonds. Such Gross Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose and to make the other payments required by the Ordinance. This Bond does not constitute an indebtedness of the Issuer within any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Gross Revenues, the moneys in the Series 2006 A Bonds Sinking Fund and the Series 2006 A Bonds Reserve Account and unexpended proceeds of the Bonds. Under the Ordinance, the Issuer has covenanted and agreed to fix, establish and collect just and equitable rates or charges for the use of the services and facilities of the System and to revise the same from time to time as will always be sufficient to pay all operating expenses of the System and to leave a balance each year equal to at least 120% of the maximum amount payable in any year for principal of and interest on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds, including the Prior Bonds. The Issuer has entered into certain further covenants with the Registered Owners of the Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the Registered Owners of the Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All moneys received from the sale of the Bonds except for accrued interest thereon shall be applied solely to refund the Issuer's outstanding Series 2003 A Bonds, pay costs of acquisition and construction of certain extensions, additions, betterments and improvements to the System, fund a reserve account for the Bonds and pay costs of issuance of the Bonds, and there shall be, and hereby is, created and granted a lien upon such moneys, until so applied, in favor of the Registered Owners of the Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Gross Revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Ordinance.

This Bond is, under the Act, exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

This Bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

Section 1. The Issuer hereby consents to the following amendments to Section 6.04 of the Ordinance, as follows, with underlining indicating the revised language:

Section 6.04. Rates. Prior to the issuance of the Series 2006 A Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the Clerk of the Issuer, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that: (a) so long as the Series 1997 Bonds are outstanding, the schedule or schedules of rates or charges from time to time enacted with all appeals having expired, shall be sufficient at all times to produce projected annual Net Revenues equal to not less than the sum of (i) 125% of the Maximum Annual Debt Service on the Bonds in any Fiscal Year, and (ii) the amount, if any, required to be deposited in the Reserve Account in order to satisfy the Reserve Account Requirement within a period

of not more than 12 months, assuming equal payments are made each month; (b) so long as the Series 2005 A Bonds are outstanding, the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, to comply with the rate coverage required by the Prior Ordinances, so long as the Prior Bonds are outstanding, and thereafter, sufficient (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2006 Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with, or subordinate to, the Series 2006 Bonds including the Prior Bonds; provided that, in the event the amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 2005 A Bonds Reserve Account and any Reserve Accounts for obligations on a parity with the Series 2005 A Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2005 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2005 A Bonds; and (c) so long as the Series 2006 Bonds are outstanding, the schedule or schedules of rates or charges in effect shall be sufficient, together with investment income, to produce Net Revenues sufficient to pay (i) 125% of the annual debt service on parity obligations, and (ii) 100% of the sum of (x) the amount, if any required to be deposited in the Reserve Account in order to satisfy the Reserve Account Requirement within a period of not more than 12 months, assuming equal payments are made each month, and (y) amounts required to meet any legal debt or other obligation of the System coming due in that period. All such rates and charges, if not paid when due, shall constitute a lien upon the premises served by the System.

Section 2. The Issuer hereby consents to the following amendments to Section 6.08 of the Ordinance, as follows, with underlining indicating the revised language:

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are Outstanding, the limitations and requirements on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no additional parity Bonds, as in this section defined, payable out of the revenues of the System shall be issued after the issuance of any Bonds pursuant to this Ordinance, except under the conditions and in the manner herein provided.

No such additional parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition or construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto or the

Prior Bonds, or to pay claims which may exist against the revenues or facilities of the System, or all of such purposes.

So long as the Series 1997 Bonds are outstanding, no such additional parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Clerk of the Issuer a written statement by Independent Accountants, reciting the conclusion that the Net Revenues actually derived from the System during the Fiscal Year preceding the date of the actual issuance of such additional parity Bonds, plus the increased annual Net Revenues expected to be received after the date of issuance of such parity Bonds shall not be less than 125 % of the Maximum Annual Debt Service on the following:

- (1) The Bonds then Outstanding;
- (2) Any additional parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and
- (3) The additional parity Bonds then proposed to be issued.

So long as the Series 1997 Bonds are no longer outstanding and the Series 2005 A Bonds are outstanding, no Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by the Independent Certified Public Accountants reciting the parity coverage required by the Prior Ordinances, so long as the Prior Bonds are outstanding, and thereafter, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

So long as the Series 2006 A Bonds are outstanding, no such additional parity bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by an Independent Accountant, reciting the conclusion that the Net Revenues, together with investment income derived from the System, during the prior fiscal year or in any 12 consecutive months in the 18 months immediately preceding the date of the actual issuance of such additional parity bonds, shall not be less than 125% of the annual debt service during such period, and projected Net Revenues in each of the 3 succeeding years, as adjusted for adopted rate increases for which all appeals have expired, shall not be less than 120% of Maximum Annual Debt Service (unless otherwise consented to by the insurer) on the following:

(1) The Series 2006 A Bonds then Outstanding;

(2) The Prior Bonds Outstanding;

(3) Any additional parity bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and

(4) The additional parity bonds then proposed to be issued.

The "increased annual Net Revenues expected to be received" as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of delivery of such additional parity Bonds, and shall not exceed the amount to be stated in the aforementioned certificate of Independent Accountants, which shall be filed in the office of the Clerk of the Issuer prior to the issuance of such additional parity Bonds.

The term "additional parity Bonds," as used in this section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this section, payable from the Gross Revenues of the System on a parity with the Series 2006 A Bonds, and all the covenants and other provisions of this Ordinance (except as to details of such additional parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2006 A Bonds, the Prior Bonds and the Holders of any additional parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All the Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System, and their source of and security for payment from said Gross Revenues, without preference of

any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such additional parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Ordinance.

The term "additional parity Bonds," as used in this section, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien on the Revenues of the System of which is subject to the prior and superior lien of the Bonds on such Revenues. Any such subordinate bonds, notes, certificates or other obligations shall be payable from Surplus Revenues. The Issuer shall not issue any obligations whatsoever payable from the Revenues of the System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such Revenues, with the Series 2006 A Bonds, except in the manner and under the conditions provided in this section.

No additional parity Bonds, as in this section defined, shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Ordinance on account of the Bonds then Outstanding, if any (excluding the Depreciation Fund), and any other payments provided for in this Ordinance shall have been made in full as required to the date of delivery of the additional parity Bonds.

Section 3. The Issuer does hereby determine that the Municipal Bond Insurance Policy offered by the Bond Insurer for the Series 2006 A Bonds will result in an interest cost savings for the Issuer in excess of the premium to be paid by the Issuer for such Municipal Bond Insurance Policy, and accordingly accepts the Commitment for Municipal Bond Insurance (the "Commitment") of Financial Security Assurance Inc., dated September 1, 2006. The Mayor and City Manager are hereby authorized and directed to execute the approval of the Commitment and deliver the same to the Bond Insurer. Execution by the Mayor and City Manager of the Commitment shall be conclusive evidence of any approval required by this Section.

Section 4. Pursuant to the Commitment, and, as permitted by Section 6.18 of the Ordinance, the covenants and provisions which are required by the Bond Insurer as a condition precedent to issuance of its Municipal Bond Insurance Policy for the Series 2006 A Bonds are hereby set forth in Exhibit A, attached hereto and made a part hereof, such covenants and provisions to be supplemental and amendatory of, and controlling with respect to the Ordinance and applicable to the Series 2006 A Bonds.

Section 5. The Issuer wishes to change the Depository Bank which was previously approved by the Supplemental Parameters Resolution and does hereby appoint and designate WesBanco Bank, Wheeling, West Virginia, for the purpose of serving in the capacity of Depository Bank.

Section 6. The Issuer does hereby appoint and designate WesBanco Bank, Inc., Wheeling, West Virginia, for the purpose of serving in the capacity of Registrar. The Registrar Agreement by and between the Issuer and the Registrar, to be dated as of the date of delivery of the Bonds, substantially in the form submitted to this meeting, shall be and the same is hereby approved. The Mayor shall execute and deliver the Registrar Agreement with such changes, insertions and omissions as may be approved by the Mayor. The execution of the Registrar Agreement by the Mayor shall be conclusive evidence of any approval required by this Section.

EXHIBIT A

MUNICIPAL BOND INSURANCE ORDINANCE REQUIREMENTS

ORDINANCE REQUIREMENTS

The Ordinance shall incorporate the following requirements either in one section or article entitled "Provisions Relating to Bond Insurance" (or the like), the provisions of which section or article shall be stated in the Ordinance to govern, notwithstanding anything to the contrary set forth in the Ordinance, or individually in the appropriate sections:

- (a) "Insurance Policy" shall be defined as follows: "the insurance policy issued by the Insurer guaranteeing the scheduled payment of principal of and interest on the Bonds when due". "Insurer" shall be defined as follows: "Financial Security Assurance Inc., a New York stock insurance company, or any successor thereto or assignee thereof".
- (b) The prior written consent of the Insurer shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Debt Service Reserve Fund, if any.
- (c) The Insurer shall be deemed to be the sole holder of the Insured Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the holders of the Bonds insured by it are entitled to take pursuant to the section or article of the Ordinance pertaining to (i) defaults and remedies and (ii) the duties and obligations of the Paying Agent.
- (d) If acceleration is permitted under the Ordinance, the maturity of Bonds insured by the Insurer shall not be accelerated without the consent of the Insurer and in the event the maturity of the Bonds is accelerated, the Insurer may elect, in its sole discretion, to pay accelerated principal and interest accrued on such principal to the date of acceleration (to the extent unpaid by the Issuer) and the Paying Agent shall be required to accept such amounts. Upon payment of such accelerated principal and interest accrued to the acceleration date as provided above, the Insurer's obligations under the Insurance Policy with respect to such Bonds shall be fully discharged.
- (e) No grace period for a covenant default shall exceed 30 days or be extended for more than 60 days, without the prior written consent of the Insurer. No grace period shall be permitted for payment defaults.
- (f) The Insurer shall be included as a third party beneficiary to the Ordinance.
- (g) Upon the occurrence of an extraordinary optional, special or extraordinary mandatory redemption in part, the selection of Bonds to be redeemed shall be subject to the approval of the Insurer. The exercise of any provision of the Ordinance which permits the purchase of Bonds in lieu of redemption shall require the prior written approval of the Insurer if any Bond so purchased is not cancelled upon purchase.
- (h) Any amendment, supplement, modification to, or waiver of, the Ordinance or any other transaction document, including any underlying security agreement (each a "Related Document"), that requires the consent of Bondowners or adversely affects the rights and interests of the Insurer shall be subject to the prior written consent of the Insurer. The Insurer's consent shall be required for any action taken in the last paragraph of Section 6.06.
- (i) Unless the Insurer otherwise directs, upon the occurrence and continuance of an Event of Default or an event which with notice or lapse of time would constitute an Event of Default, amounts on deposit in the Construction Fund shall not be disbursed, but shall instead be applied to the payment of debt service or redemption price of the Bonds.
- (j) The rights granted to the Insurer under the Ordinance or any other Related Document to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Insurance Policy. Any exercise by the Insurer of such rights is merely an exercise of the Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the Bondholders and such action does not evidence any position of the Insurer, affirmative or negative, as to whether the consent of the Bondowners or any other person is required in addition to the consent of the Insurer.

- (k) Only (1) cash, (2) non-callable direct obligations of the United States of America ("Treasuries"), (3) evidences of ownership of proportionate interests in future interest and principal payments on Treasuries held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor and the underlying Treasuries are not available to any person claiming through the custodian or to whom the custodian may be obligated, (4) subject to the prior written consent of the Insurer, pre-refunded municipal obligations rated "AAA" and "Aaa" by S&P and Moody's, respectively, or (5) subject to the prior written consent of the Insurer, securities eligible for "AAA" defeasance under then existing criteria of S & P or any combination thereof, shall be used to effect defeasance of the Bonds unless the Insurer otherwise approves.

To accomplish defeasance, the Issuer shall cause to be delivered (i) a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to the Insurer ("Accountant") verifying the sufficiency of the escrow established to pay the Bonds in full on the maturity or redemption date ("Verification"), (ii) an Escrow Deposit Agreement (which shall be acceptable in form and substance to the Insurer), (iii) an opinion of nationally recognized bond counsel to the effect that the Bonds are no longer "Outstanding" under the Ordinance and (iv) a certificate of discharge of the Paying Agent with respect to the Bonds; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the Issuer, Paying Agent and Insurer. The Insurer shall be provided with final drafts of the above-referenced documentation not less than five business days prior to the funding of the escrow.

Bonds shall be deemed "Outstanding" under the Ordinance unless and until they are in fact paid and retired or the above criteria are met.

- (l) Amounts paid by the Insurer under the Insurance Policy shall not be deemed paid for purposes of the Ordinance and the Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the Issuer in accordance with the Ordinance. The Ordinance shall not be discharged unless all amounts due or to become due to the Insurer have been paid in full or duly provided for.
- (m) Each of the Issuer and Paying Agent covenant and agree to take such action (including, as applicable, filing of UCC financing statements and continuations thereof) as is necessary from time to time to preserve the priority of the pledge of the Trust Estate under applicable law.
- (n) Claims Upon the Insurance Policy and Payments by and to the Insurer.

If, on the third Business Day prior to the related scheduled interest payment date or principal payment date ("Payment Date") there is not on deposit with the Paying Agent, after making all transfers and deposits required under the Ordinance, moneys sufficient to pay the principal of and interest on the Bonds due on such Payment Date, the Paying Agent shall give notice to the Bond Insurer and to its designated agent (if any) (the "Insurer's Fiscal Agent") by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Bonds due on such Payment Date, the Paying Agent shall make a claim under the Insurance Policy and give notice to the Insurer and the Insurer's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Bonds and the amount required to pay principal of the Bonds, confirmed in writing to the Insurer and the Insurer's Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filing in the form of Notice of Claim and Certificate delivered with the Insurance Policy.

The Paying Agent shall designate any portion of payment of principal on Bonds paid by the Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Bonds registered to the then current Bondholder, whether DTC or its nominee or otherwise, and shall issue a replacement Bond to the Insurer, registered in the name of Financial Security Assurance Inc., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Paying Agent's failure to so designate any payment or issue any

replacement Bond shall have no effect on the amount of principal or interest payable by the Issuer on any Bond or the subrogation rights of the Insurer.

The Paying Agent shall keep a complete and accurate record of all funds deposited by the Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Bond. The Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Paying Agent.

Upon payment of a claim under the Insurance Policy, the Paying Agent shall establish a separate special purpose trust account for the benefit of Bondholders referred to herein as the "Policy Payments Account" and over which the Paying Agent shall have exclusive control and sole right of withdrawal. The Paying Agent shall receive any amount paid under the Insurance Policy in trust on behalf of Bondholders and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Paying Agent to Bondholders in the same manner as principal and interest payments are to be made with respect to the Bonds under the sections hereof regarding payment of Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything herein to the contrary, the Issuer agrees to pay to the Insurer (i) a sum equal to the total of all amounts paid by the Insurer under the Insurance Policy (the "Insurer Advances"); and (ii) interest on such Insurer Advances from the date paid by the Insurer until payment thereof in full, payable to the Insurer at the Late Payment Rate per annum (collectively, the "Insurer Reimbursement Amounts"). "Late Payment Rate" means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. The Issuer hereby covenants and agrees that the Insurer Reimbursement Amounts are secured by a lien on and pledge of the Net Revenues and payable from such Net Revenues on a parity with debt service due on the Bonds.

Funds held in the Policy Payments Account shall not be invested by the Paying Agent and may not be applied to satisfy any costs, expenses or liabilities of the Paying Agent. Any funds remaining in the Policy Payments Account following a Bond payment date shall promptly be remitted to the Insurer.

- (o) The Insurer shall, to the extent it makes any payment of principal of or interest on the Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Insurance Policy. Each obligation of the Issuer to the Insurer under the Related Documents shall survive discharge or termination of such Related Documents.
- (p) The Issuer shall pay or reimburse the Insurer any and all charges, fees, costs and expenses that the Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Related Document; (ii) the pursuit of any remedies under the Ordinance or any other Related Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Ordinance or any other Related Document whether or not executed or completed, or (iv) any litigation or other dispute in connection with the Ordinance or any other Related Document or the transactions contemplated thereby, other than costs resulting from the failure of the Insurer to honor its obligations under the Insurance Policy. The Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Ordinance or any other Related Document.
- (q) After payment of reasonable expenses of the Paying Agent, the application of funds realized upon default shall be applied to the payment of expenses of the Issuer or rebate only after the payment of past due and current debt service on the Bonds and amounts required to restore the Debt Service Reserve Fund to the Debt Service Reserve Requirement.

- (r) The Insurer shall be entitled to pay principal or interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Insurance Policy) and any amounts due on the Bonds as a result of acceleration of the maturity thereof in accordance with the Ordinance, whether or not the Insurer has received a Notice of Nonpayment (as such terms are defined in the Insurance Policy) or a claim upon the Insurance Policy.
- (s) The notice address of the Insurer is: Financial Security Assurance Inc., 31 West 52nd Street, New York, New York 10019, Attention: Managing Director – Surveillance, Re: Policy No. _____, Telephone: (212) 826-0100; Telecopier: (212) 339-3556. In each case in which notice or other communication refers to an Event of Default, then a copy of such notice or other communication shall also be sent to the attention of the General Counsel and shall be marked to indicate "URGENT MATERIAL ENCLOSED."
- (t) The Insurer shall be provided with the following information by the Issuer or Paying Agent, as the case may be:
- (i) Annual audited financial statements within 150 days after the end of the Issuer's fiscal year (together with a certification of the Issuer that it is not aware of any default or Event of Default under the Ordinance), and the Issuer's annual budget within 30 days after the approval thereof together with such other information, data or reports as the Insurer shall reasonably request from time to time;
 - (ii) Notice of any draw upon the Debt Service Reserve Fund within two Business Days after knowledge thereof other than (i) withdrawals of amounts in excess of the Debt Service Reserve Requirement and (ii) withdrawals in connection with a refunding of Bonds;
 - (iii) Notice of any default known to the Paying Agent or Issuer within five Business Days after knowledge thereof;
 - (iv) Prior notice of the advance refunding or redemption of any of the Bonds, including the principal amount, maturities and CUSIP numbers thereof;
 - (v) Notice of the resignation or removal of the Paying Agent and Bond Registrar and the appointment of, and acceptance of duties by, any successor thereto;
 - (vi) Notice of the commencement of any proceeding by or against the Issuer commenced under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "Insolvency Proceeding");
 - (vii) Notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of, or interest on, the Bonds;
 - (viii) A full original transcript of all proceedings relating to the execution of any amendment, supplement, or waiver to the Related Documents; and
 - (ix) All reports, notices and correspondence to be delivered to Bondholders under the terms of the Related Documents.
- (u) Notwithstanding satisfaction of the other conditions to the issuance of Additional Bonds set forth in the Ordinance, no such issuance may occur (1) if an Event of Default (or any event which, once all notice or grace periods have passed, would constitute an Event of Default) exists unless such default shall be cured upon such issuance and (2) unless the Debt Service Reserve Fund is fully funded at the Debt Service Reserve Requirement (including the proposed issue) upon the issuance of such Additional Bonds, in either case unless otherwise permitted by the Insurer.

- (v) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Ordinance would adversely affect the security for the Bonds or the rights of the Bondholders, the Paying Agent shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Insurance Policy.
- (w) No contract shall be entered into or any action taken by which the rights of the Insurer or security for or sources of payment of the Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Insurer.
- (x) If the Bonds are issued for refunding purposes, there shall be delivered an opinion of Bond Counsel addressed to the Insurer (or a reliance letter relating thereto), or a certificate of discharge of the Paying Agent for the Refunded Bonds, to the effect that, upon the making of the required deposit to the escrow, the legal defeasance of the Refunded Bonds shall have occurred.

Section 1.02. Authority for this Ordinance. This Ordinance is enacted pursuant to the provisions of the Act and other applicable provisions of law.

Section 1.03. Findings. The Council hereby finds and determines as follows:

A. The Issuer is a municipal corporation and political subdivision of the State of West Virginia, in Ohio and Marshall Counties of said State.

B. The Issuer now owns and operates the System, the construction, extension and improvement of which it has financed or refinanced pursuant to the issuance of several series of prior bonds.

C. The Issuer derives revenues from the System which are pledged for the payment of the Series 1997 Bonds, the Series 2005 A Bonds and the Series 2006 A Bonds. Except for such pledge thereof to secure and pay the Series 1997 Bonds, the Series 2005 A Bonds and the Series 2006 A Bonds, said revenues are not pledged or encumbered in any manner.

D. The Issuer intends to currently refund the Series 1997 Bonds in their entirety on or about May 27, 2010, with proceeds of the Series 2010 A Bonds and other funds of the Issuer.

E. The estimated revenues to be derived in each year from the operation of the System after the refunding of the Series 1997 Bonds will be sufficient to pay all Operating Expenses of the System and the principal of and interest on the Series 2010 A Bonds and the Prior Bonds, and to make all other payments provided for in this Ordinance.

F. The Issuer shall not issue the Series 2010 A Bonds without having obtained from an independent certified public accountant, a certification that the amount of savings stated to be achieved by the refunding shall in fact be saved, based upon their review, comparison and analysis of the net interest cost in dollars of the Series 2010 A Bonds and the net interest cost in dollars of the Series 1997 Bonds.

G. One of the purposes of the current refunding of the Series 1997 Bonds is to effect the release, termination or modification of liens, restrictions, conditions or limitations imposed in connection with the Series 1997 Bonds.

H. Subject to the determination and certification required herein, it is in the best interest of the Issuer and its residents and customers that the Issuer issue the Series 2010 A Bonds, secure the Series 2010 A Bonds by a pledge of the proceeds thereof deposited in the Escrow Fund established therefor, and secure the Series 2010 A Bonds from a pledge and assignment of the Gross Revenues derived from the operation of the System, the moneys in the respective Sinking Funds and the moneys or other obligations in the respective Reserve Accounts, unexpended proceeds of such Bonds and as further set forth herein.

I. The Series 2010 A Bonds and the Certificate of Authentication and Registration to be endorsed thereon are to be in substantially the forms set forth in **EXHIBIT A** attached hereto and incorporated herein by reference, with necessary and appropriate variations, omissions and insertions as permitted or required by this Ordinance or a Supplemental Resolution or as deemed necessary by the Registrar or the Issuer.

J. All things necessary to make the Series 2010 A Bonds when authenticated by the Registrar and issued as in this Ordinance provided, the valid,

binding and legal special obligations of the Issuer according to the import thereof, and to validly pledge and assign those funds pledged hereunder to the payment of the principal of and interest thereon, will be timely done and duly performed.

K. The enactment of this Ordinance, and the execution and issuance of the Series 2010 A Bonds, subject to the terms thereof, will not result in any breach of, or constitute a default under, any instrument to which the Issuer is a party or by which it may be bound or affected.

L. The Series 2010 A Bonds shall be issued on a parity with one another and with the Prior Bonds, all of which shall have a first lien position with respect to pledge and source of and security for payment and in all other respects. The Issuer has met the coverage requirements for issuance of parity bonds set forth in the respective ordinances pursuant to which the Prior Bonds were issued, and has substantially complied with all other parity requirements, except to the extent that noncompliance with any such other parity requirements is not of a material nature.

Prior to the issuance of the Series 2010 A Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consent to and waiver of certain parity requirements for the issuance of the Series 2010 A Bonds on a parity with the Series 2010 A Bonds from Assured Guaranty Corporation.

Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

Section 1.04. Ordinance Constitutes Contract. In consideration of the acceptance of the Series 2010 A Bonds by those who shall own or hold the same from time to time, this Ordinance shall be deemed to be and shall constitute a contract between the Issuer and such Holders and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the legal Holders of any and all of such Series 2010 A Bonds, all of which shall be of equal rank and without preference, priority or distinction between any one Series 2010 A Bond and any other Series 2010 A Bond, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

ARTICLE II
AUTHORIZATION OF REFUNDING

Section 2.01. Authorization of Refunding. All Series 1997 Bonds Outstanding as of the date of issuance of the Series 2010 A Bonds and all unpaid interest accrued thereon, if any, are hereby ordered to be refunded and paid in full in accordance with the terms of the Escrow Agreement; and the pledge of Gross Revenues in favor of the Holders of the Series 1997 Bonds imposed by the Series 1997 Ordinance authorizing the issuance of the Series 1997 Bonds, the monies in the funds and accounts created by the Series 1997 Ordinance pledged to payment of the Series 1997 Bonds, and any other funds pledged by the Series 1997 Ordinance for payment of the Series 1997 Bonds are hereby ordered terminated, discharged and released upon payment into the Escrow Fund from the proceeds of the Series 2010 Bonds and from other moneys available therefor, of the following: (a) if required by the Escrow Agreement, an amount equal to the fiscal and paying agent charges and the Escrow Trustee charges to become due and payable in connection with the Prior Bonds and (b) an amount which will be simultaneously invested in Government Obligations bearing interest and having maturities sufficient, together with certain cash which may also be deposited, to provide for the payment of the principal of, redemption premium, if any, and interest on the Series 1997 Bonds as the same become due, to the first redemption date thereof, being June 1, 2010, and on such date, to pay the Redemption Price of the Prior Bonds, all as prescribed by the Escrow Agreement.

Contemporaneously with the deposit of such Series 2010 Bonds proceeds and other moneys into the Escrow Fund, the amount on deposit in the sinking fund, including the reserve account therein, and all other funds and accounts created and maintained on behalf of the Series 1997 Bonds shall be deposited in the Escrow Fund, the Reserve Account or such other fund or account as shall be set forth in the Escrow Agreement or in the Supplemental Resolution, and invested as provided therein.

ARTICLE III THE BONDS

Section 3.01. Form and Payment of Bonds. No Series 2010 A Bond shall be issued pursuant to this Ordinance except as provided in this Article III. Any Series 2010 A Bonds issued pursuant to this Ordinance may be issued only as fully registered Series 2010 A Bonds without coupons, in the denomination of \$5,000 or any integral multiple thereof for any year of maturity (or such other denominations as may be set forth in a Supplemental Resolution). All Series 2010 A Bonds shall be dated as of the date provided in a Supplemental Resolution applicable to such series. All Series 2010 A Bonds shall bear interest from the interest payment date next preceding the date of authentication or, if authenticated after the Record Date but prior to the applicable interest payment date or on such interest payment date, from such interest payment date or, if no interest on such Series 2010 A Bonds has been paid, from the date thereof; provided however, that, if, as shown by the records of the Registrar, interest on such Series 2010 A Bonds shall be in default, Series 2010 A Bonds issued in exchange for Series 2010 A Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the initial Series 2010 A Bonds surrendered.

The principal of and the premium, if any, on the Series 2010 A Bonds shall be payable in any coin or currency which, on the respective date of such payment, is legal tender for the payment of public and private debts under the laws of the United States of America upon surrender at the principal office of the Paying Agent. Interest on the Series 2010 A Bonds shall be paid by check or draft made payable and mailed to the Holder thereof at his address as it appears in the Bond Register at the close of business on the Record Date, or, if requested, in the case of a Holder of \$1,000,000 or more of the Series 2010 A Bonds, by wire transfer to a domestic bank account specified in writing at least 5 days prior to such interest payment date by such Holder.

In the event any Series 2010 A Bond is redeemed in part, such bond shall be surrendered to and canceled by the Registrar, and the Issuer shall execute, and the Registrar shall authenticate and deliver to the Holder thereof, another Series 2010 A Bond in the principal amount of said Series 2010 A Bond then Outstanding.

Section 3.02. Execution of Bonds. The Series 2010 A Bonds shall be executed in the name of the Issuer by the Mayor and City Manager, by their manual or facsimile signatures, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Clerk by his or her manual or facsimile signature; provided, that, all such signatures and the seal may be by facsimile. In case any one or more of the officers who shall have signed or sealed any of the Series 2010 A Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2010 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time

of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Series 2010 A Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Ordinance unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in EXHIBIT A - FORM OF SERIES 2010 A BOND attached hereto and incorporated herein by reference with respect to such respective Series 2010 A Bond, shall have been duly manually executed by the Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Series 2010 A Bond has been authenticated, registered and delivered under this Ordinance. The Certificate of Authentication and Registration on any Series 2010 A Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2010 A Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Series 2010 A Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder, in accepting any of said Series 2010 A Bonds, shall be conclusively deemed to have agreed that such Series 2010 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder shall further be conclusively deemed to have agreed that said Series 2010 A Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2010 A Bonds remain Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Series 2010 A Bonds. The Series 2010 A Bonds shall be transferable only by transfer of registration upon the Bond Register by the Holder thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the Holder or such duly authorized attorney or legal representative. Upon transfer of a Series 2010 A Bond, there shall be issued at the option of the Holder or the transferee another Bond or Bonds of the aggregate principal amount equal to the unpaid amount of the transferred Bond and of the same series, interest rate and maturity of said transferred Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the Holder or his attorney or legal representative duly authorized in writing, Series 2010 A Bonds may at the option of the Holder thereof be exchanged for an equal aggregate principal amount of Bonds of the same series, maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Series 2010 A Bond is exercised, Series 2010 A Bonds shall be delivered in accordance with the provisions of this Ordinance. All Series 2010 A Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Series 2010 A Bonds, the initial exchange of Series 2010 A Bonds and exchanges of such Bonds in the event of partial redemption of fully registered Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2010 A Bonds, the Registrar may impose a service charge. For every such transfer or exchange of such Bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2010 A Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2010 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Bond of like series, maturity and principal amount as the Bond so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Bond, or in lieu of and substitution for the Bond so destroyed, stolen or lost, and upon the Holder furnishing the Issuer and the Registrar proof of his ownership thereof and that said Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Holder listed in the Bond Register shall constitute proof of ownership. All Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Bond shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Bond be lost, stolen or destroyed, without surrender thereof.

Any such duplicate Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Bonds be at any time found by any one, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued as part of the Series 2010 A Bonds issued pursuant to this Ordinance, the following provisions shall apply:

A. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2010 A Bonds Redemption Account in accordance with Subsection 4.03(A)(2) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 13 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/12th of the amount required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory redemption date, which amounts and dates, if any, with respect to a series of Bonds shall be set forth in the Supplemental Resolution relating thereto.

B. At its option, to be exercised on or before the 60th day next preceding any such mandatory redemption date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory redemption date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

C. The Issuer shall on or before the 60th day next preceding each mandatory redemption date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

D. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the moneys in the Series 2010 A Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory redemption date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

E. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the redemption date (interest to be paid from the Sinking Fund), as will exhaust as nearly as practicable such Series 2010 A Bonds

Redemption Account payment designated to be made in accordance with paragraph (A) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory redemption date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of \$5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the applicable Bond Insurer, if any, the Original Purchaser, and the Holder of the Series 2010 A Bond or Bonds, as applicable, to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Holder to the Bond Registrar.

All official notices of redemption shall be dated and shall state:

- (1) The Redemption Date,
- (2) The Redemption Price,
- (3) If less than all outstanding Series 2010 A Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,
- (5) The place where such Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar, and
- (6) Such other information, if any, as shall be required for DTC-eligible Bonds.

Prior to any redemption date, the Issuer shall deposit with the Registrar an amount of money sufficient to pay the redemption price of all the Series 2010 A Bonds or portions of such Bonds which are to be redeemed on that date.

Official notice of redemption having been given as aforesaid, the Series 2010 A Bonds or portions of such Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Series 2010 A Bonds or portions of such Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the Redemption Price.

Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Holder a new Bond or Bonds of the same maturity in the amount of the unpaid principal. All Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2010 A Bonds, and failure to mail such notice shall not affect the validity of proceedings for the redemption of any portion of Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on, such Bond and (except as provided in Section 6.18) for all other purposes, whether or not such Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Ordinance. Upon the presentation and surrender of any Bond in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefore, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefore to the Holder of such Bond in temporary form.

Section 3.10. Authorization of Bonds. For the purposes of paying in full the entire outstanding principal of and all accrued interest on the Series 1997 Bonds, funding the Series 2010 A Bonds Reserve Account and paying costs of issuance of the Series 2010 A Bonds and related costs, there shall be issued the Series 2010 A Bonds of the Issuer, in an aggregate principal amount of not more than \$5,000,000. The Series 2010 A Bonds shall be designated the "The City of Wheeling (West Virginia) Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2010 A" and shall be issued in fully registered form, in denominations of \$5,000 or any integral multiple thereof for any year of maturity (or such other denominations as may be set forth in the Supplemental Resolution), not exceeding the aggregate principal amount of Series 2010 A Bonds maturing in the year of maturity for which the denomination is to be specified. The Series 2010 A Bonds shall be numbered from AR-1 consecutively upward. The Series 2010 A Bonds shall be dated; shall be in such aggregate principal amount; shall bear interest at such rate

or rates, not exceeding the then legally permissible rate, payable semiannually on such dates; shall mature on such dates and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Series 2010 A Bonds. The Series 2010 A Bonds (if purchased by the Original Purchaser) shall initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2010 A Bonds of each maturity, and shall be registered in the name of Cede & Co., as nominee of DTC. Notwithstanding anything herein to the contrary contained, so long as the Series 2010 A Bonds are so issued and registered, DTC (or its nominee) shall be treated as the sole Holder for all purposes hereunder. Each Bond shall bear a legend substantially to the following effect "Except as otherwise provided in the Ordinance, this global bond may be transferred, in whole but not in part, only to another nominee of DTC (as defined in the Ordinance) or to a successor of DTC or to a nominee of a successor of DTC. Unless this certificate is presented by an authorized representative of DTC, to the Issuer or its agent for registration of transfer, exchange, or payment, and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the Holder hereof, Cede & Co., has an interest herein."

With respect to Series 2010 A Bonds registered in the records of the Registrar in the name of Cede & Co., as nominee of DTC, the Issuer and the Paying Agent shall have no responsibility or obligation to any other participant in DTC or to any Person on behalf of whom such a participant in DTC holds a beneficial interest in the Series 2010 A Bonds. Without limiting the immediately preceding sentence, the Issuer and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any other participant in DTC with respect to any beneficial ownership interest in any Bond, (ii) the delivery to any other participant in DTC or any other Person, other than a Holder, as shown in the records of the Registrar, of any notice with respect to any Series 2010 A Bonds, including without limitation any notice of redemption, tender, purchase or any event which would or could give rise to a tender or purchase right or option with respect to any Bond, (iii) the payment to any other participant in DTC or any other Person, other than a Holder, as shown in the records of the Registrar, of any amount with respect to principal of, premium, if any, or interest on, any Bond, or (iv) any consent given by DTC as Holder. Notwithstanding any other provision of this Ordinance to the contrary, the Issuer and the Paying Agent shall be entitled to treat and consider the Person in whose name each Bond is registered in the records of the Registrar as the absolute owner of such Bond for the purpose of payment of principal, premium, if any, and interest with respect to such Bond, for the purpose of giving notices of redemption, sale, purchase or any event which would or could give rise to a sale or purchase right or option with respect to any Bond for the purpose of making payment of any purchase price of such Bond, for the purpose of registering transfers with

respect to such Bond, and for all other purposes whatsoever. The Issuer and Paying Agent shall pay all principal of, premium, if any, and interest on the Series 2010 A Bonds and the purchase price of any Bond only to or upon the order of the respective Holders, as shown in the records of the Registrar as provided in this Ordinance, or their respective attorneys or legal representatives duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to payment of principal of, premium, if any, and interest on the Series 2010 A Bonds to the extent of the sum or sums so paid. No Person other than a Holder, as shown in the records of the Registrar, shall receive a Bond certificate evidencing the obligation of the Issuer to make payments of principal, premium, if any, and interest pursuant to this Ordinance.

The Holders have no right to a depository for the Series 2010 A Bonds. The Issuer may remove DTC or any successor thereto for any reason at any time. In such event or in the event DTC shall notify the Issuer that DTC is discontinuing its book-entry system for the Series 2010 A Bonds, the Issuer shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities Exchange Act, notify DTC of the appointment of such successor securities depository and transfer one or more separate Bond certificates to such successor securities depository or (ii) notify DTC of the availability through the DTC of Bond certificates and transfer one or more separate Bond certificates to other participants or beneficial owners as DTC may direct. In such event, the Series 2010 A Bonds shall no longer be restricted to being registered in the records of the Registrar in the name of Cede & Co., as nominee, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names other participants in DTC receiving Series 2010 A Bonds shall designate, in accordance with the provisions of this Ordinance. The provisions of this Section applicable to DTC shall apply, mutatis mutandis, to any successor depository performing the same functions hereunder as DTC.

The Issuer represents hereby that it has executed a Letter of Representations, the terms of which are applicable to the issuance of the Series 2010 A Bonds hereunder. Such Letter of Representations is for the purpose of effectuating the Book-Entry Only System only and shall not be deemed to amend, supersede or supplement the terms of this Ordinance which are intended to be complete without reference to the Letter of Representations. In the event of any conflict between the terms of the Letter of Representations and the terms of this Ordinance, the terms of this Ordinance shall control. DTC may exercise the rights of a Holder hereunder only in accordance with the terms hereof applicable to the exercise of such rights.

original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;

- (2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2010 A Bonds to DTC for the benefit of the Original Purchaser;

The definitive Series 2010 A Bonds shall be in substantially the form set forth in **EXHIBIT A - SERIES 2010 A BOND FORM** attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 2010 A Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series 2010 A Bonds shall have the form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Series 2010 A Bonds. Upon the issuance and delivery of the Series 2010 A Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

1. All interest accrued on Series 2010 A Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 2010 A Bonds Sinking Fund and applied to payment of interest on the Series 2010 A Bonds at the first interest payment date.
2. An amount of the proceeds of the Series 2010 A Bonds equal to the amount, if any, set forth in the Supplemental Resolution shall be remitted to the Bond Commission for deposit in the Series 2010 A Bonds Reserve Account.

4. An amount of Series 2010 A Bond proceeds which, together with other monies or securities deposited therein, shall be equal to the Costs of Issuance of the Series 2010 A Bonds shall be deposited with the Depository Bank in the Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay

costs of issuance of the Series 2010 A Bonds at the written direction of the Issuer. Monies not to be applied immediately to pay such costs of issuance may be invested in accordance with this Ordinance, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 120 days following the Closing Date for the Series 2010 A Bonds, such unapplied proceeds shall be transferred by the Issuer to the Series 2010 A Bonds Sinking Fund established in Section 4.02 hereof and applied to the next ensuing payment of interest on the Series 2010 A Bonds. All such proceeds shall constitute a trust fund for such purposes, and there hereby is created a lien upon such monies until so applied in favor of the Holders of the Series 2010 A Bonds from which such proceeds are derived.

Section 4.03. System Revenues and Application Thereof. So long as any of the Series 2010 A Bonds shall be Outstanding and unpaid, the Issuer covenants as follows:

A. The entire Gross Revenues derived from the operation of the System and all parts thereof shall be deposited by the Issuer in the Revenue Fund. The Revenue Fund shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. All Revenues at any time remaining on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

- (1) The Issuer shall first, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the Sinking Funds of the Prior Bonds the amounts required by the Prior Ordinances to pay the interest on the Prior Bonds, if any; and (ii) commencing 7 months prior to the first interest payment date of the Series 2010 A Bonds, for deposit in the Series 2010 A Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on the Series 2010 A Bonds on the next ensuing semiannual interest payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2010 A Bonds Sinking Fund and the next ensuing semiannual interest payment date is more or less than 7 months, then such monthly payments shall be decreased or increased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date; provided further that, the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2010 A Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 2010 A Bonds deposited therein, and subsequent amounts required to be transferred from the Revenue Fund and deposited in the Series 2010 A Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Series 2010 A Bonds Sinking Fund.
- (2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the Sinking Funds of the Prior Bonds the amounts required by the Prior Ordinances to pay the principal of the Prior Bonds; and (ii) commencing 13 months prior to the first principal payment date or mandatory Redemption Date of the Series 2010 A Bonds, for deposit in the Series 2010 A Bonds Sinking Fund and in the Series 2010 A Bonds Redemption Account therein in the case of the Term Bonds which are to be redeemed, a sum equal to 1/12th of the amount (or 1/6th of the amount if the Series 2010 A Bonds mature semiannually rather than annually) of principal which will mature or be redeemed and become due on the Series 2010 A Bonds on the next ensuing principal payment date or mandatory Redemption Date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2010 A Bonds Sinking Fund and the next ensuing principal payment date or mandatory Redemption Date is more or less than 13 months (or 7 months if the Series 2010 A Bonds mature semiannually rather than annually), then such monthly payments shall be decreased or increased

proportionately to provide, 1 month prior to the next ensuing principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2010 A Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph.

Moneys in the Series 2010 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2010 A Bonds, whether by maturity or redemption prior to maturity. Moneys on deposit in the Series 2010 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest on the Series 2010 A Bonds when the funds on deposit in the Series 2010 A Bonds Sinking Fund are insufficient therefore, and for no other purpose. Pending such use, such moneys shall be invested in accordance with Article V.

The Issuer shall not be required to make any further payments into the Series 2010 A Bonds Sinking Fund when the aggregate amount of funds therein, including the Series 2010 A Bonds Reserve Account therein, is at least equal to the aggregate principal amount of Series 2010 A Bonds then Outstanding, plus the amount of interest due or thereafter to become due on such Bonds then Outstanding.

As and when additional Bonds ranking on a parity with the Series 2010 A Bonds are issued, provision shall be made for additional deposits into the respective Sinking Funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirement thereof.

The payments into the Series 2010 A Bonds Sinking Fund shall be made on the first day of each month, except that, when the first day of any month shall be a Saturday, Sunday or legal holiday, then such payments shall be made on the next succeeding Business Day, and all such payments shall be remitted to the Bond Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Ordinance.

- (3) The Issuer shall next, each month, transfer from the Revenue Fund and simultaneously remit to the Depository Bank for deposit into the Operation and Maintenance Fund the amount

necessary to pay the current Operating expenses of the System.

- (4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the Reserve Accounts of the Prior Bonds the amounts required by the Prior Ordinances; and (ii) commencing 13 months prior to the first date of payment of principal of the Series 2010 A Bonds, if not fully funded upon issuance of the Series 2010 A Bonds, for deposit in the Series 2010 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2010 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2010 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2010 A Bonds Reserve Requirement, and thereafter the Issuer shall deposit in the Series 2010 A Bonds Reserve Account, an amount sufficient to remedy any decrease in value of the Series 2010 A Bonds Reserve Account below the Series 2010 A Bonds Reserve Requirement or any withdrawal from the Series 2010 A Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2010 A Bonds Reserve Account results in a determination that the amount of moneys and the value of the Qualified Investments deposited to the credit of the Series 2010 A Bonds Reserve Account is less than the Series 2010 A Bonds Reserve Requirement, or (b) any amount is withdrawn from the Series 2010 A Bonds Reserve Account for deposit into the Series 2010 A Bonds Sinking Fund. To the extent Gross Revenues and any other legally available funds are available therefore, the amount so deposited shall be used to restore the amount of moneys on deposit in the Series 2010 A Bonds Reserve Account to an amount equal to the Series 2010 A Bonds Reserve Requirement to the full extent that such Gross Revenues are available; provided however, that if the shortfall in the Series 2010 A Bonds Reserve Account is due to a decrease in value of investments therein, such shortfall shall be replenished by not less than 6 equal monthly payments, and if such shortfall is due to a withdrawal from the Series 2010 A Bonds Reserve Account, such shortfall shall be replenished by not less than 12 equal monthly payments, and provided further, that no payments shall be required to be made into the Series 2010 A Bonds Reserve Account whenever and as long as the amount on deposit therein shall be equal to the Series 2010 A Bonds Reserve Requirement.

Amounts in the Series 2010 A Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2010 A Bonds when due, when amounts in the Series 2010 A Bonds Sinking Fund are insufficient therefore and for no other purpose.

- (5) The Issuer shall next, from the moneys remaining in the Revenue Fund, on the first day of each month, transfer to the Depreciation Fund a sum equal to not less than 2-1/2% of the Gross Revenues each month (as previously set forth in the Prior Ordinances and not in addition thereto), exclusive of any payments for account of any Reserve Account .

Withdrawals and disbursement may be made by the Issuer from the Depreciation Fund only for the following purposes and in the following order of priority:

- (a) To make up any deficiency in any Reserve Account (so that the amount on deposit therein is at least equal to the applicable Reserve Account Requirement);
 - (b) For the payment of the principal (including the principal amount to be paid under the mandatory redemption schedules) of or interest on the Bonds, but only in the event that at the time of such withdrawal there are not sufficient funds for such purpose in the Sinking Funds (including the Reserve Account);
 - (c) For the payment of the reasonable costs of land and depreciable renewals, repairs, extension, improvements and additions to the System; and
 - (d) Upon resolution of the Issuer, moneys in the Depreciation Fund in excess of \$1,000,000 may be transferred by the Issuer to the Redemption Account and used for optional redemption or for purchase of Bonds. In the event of purchase of Bonds, the Issuer may direct the purchase of Bonds offered for sale at the lowest price below the redemption price of such Bonds.
- (6) If on any monthly payment date the revenues of the System are insufficient to make the required deposits in any of the funds and accounts as hereinabove provided, the deficiency shall be made up on the next ensuing payment dates by payments in addition to the payments which are otherwise

required to be made into the funds on such ensuing payment dates.

- (7) The Issuer may next, each month, after making the above required transfers of moneys from the Revenue Fund, apply any remaining revenues ("Surplus Revenues") to payment of debt service on any other subordinate bonds, notes, certificates or other obligations of the System. Any Surplus Revenues then remaining in the Revenue Fund may be used for any lawful purpose of the System.

B. The Bond Commission is hereby designated as the fiscal agent for the administration of the Sinking Funds created or continued hereunder, and all amounts required for said Sinking Funds shall be remitted to the Bond Commission from said Revenue Fund and from the proceeds of the sale of the Bonds, by the Issuer at the times and as otherwise provided herein. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited. Notwithstanding the foregoing, however, the Bond Commission shall deposit all remittances in the fund or account in the priority established by this Ordinance.

C. If on any monthly payment date the Gross Revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 4.03 and the Gross Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

D. Principal and interest payments, and any payments made for the purpose of funding the Reserve Accounts, shall be made on a parity basis and pro-rata, with respect to the Prior Bonds, the Series 2010 A Bonds and any parity Bonds hereinafter issued, in accordance with the respective principal amounts of each such series of Bonds then Outstanding, if less than the full amount required hereby.

ARTICLE V
INVESTMENTS; NON-ARBITRAGE
REBATES AND CONTINUING DISCLOSURE CERTIFICATE

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any moneys held as a part of the funds and accounts created by this Ordinance in Qualified Investments to the fullest extent possible under applicable laws, this Ordinance, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section:

(A) Qualified Investments acquired for the Depreciation Fund or any Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 3 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to, semiannually transfer from each Reserve Account to the corresponding Sinking Fund any earnings on the moneys deposited therein and any other funds in excess of the applicable Reserve Account Requirement; provided, however, that there shall at all times remain on deposit in each Reserve Account an amount at least equal to the applicable Reserve Account Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from a Reserve Account, whereupon it shall be valued immediately after such withdrawal. If amounts on deposit in a Reserve Account shall, at any time, be less than the applicable Reserve Requirement, the applicable Bond Insurer, if any, shall be notified immediately of such deficiency, and such deficiency shall be made up from the first available Gross Revenues after required deposits to the applicable Sinking Fund and otherwise in accordance with Section 4.03(3).

(D) All amounts representing accrued interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Bonds and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all moneys deposited in any Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Board of Treasury Investments pursuant to Chapter 12, Article 6(c) of the Code of West Virginia, 1931, as amended.

Section 5.02. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 2010 A Bonds in such manner and to such extent as may be necessary, so that such Series 2010 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return with respect to such Bonds) so that the interest on the Series 2010 A Bonds will be and remain excluded from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.03. Tax Certificate, Rebates, and Rebate Fund. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of any series of Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2010 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Ordinance.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer or the Board shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the

United States in the time and at the address prescribed by the Regulations as the same may be in time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefore. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes.

Section 5.04. Continuing Disclosure Certificate. The Issuer shall deliver a continuing disclosure certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time.

ARTICLE VI
ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2010 A Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Ordinance, the Issuer hereby covenants and agrees with the Holders of the Series 2010 A Bonds as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2010 A Bonds or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Series 2010 A Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the Gross Revenues of the System, the moneys in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account therein and the unexpended proceeds of the Series 2010 A Bonds, all as herein provided. No Holder or Holders of the Series 2010 A Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2010 A Bonds or the interest thereon.

Section 6.03. Series 2010 A Bonds Secured by Parity Pledge of Gross Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of all of the Series 2010 A Bonds issued hereunder shall be secured forthwith equally and ratably with each other by a first lien on the Gross Revenues derived from the operation of the System, on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds, and all moneys in the Series 2010 A Bonds Sinking Fund, including the Series 2010 A Bonds Reserve Account therein. The Gross Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Series 2010 A Bonds herein authorized, and to make the payments into the Series 2010 A Bonds Sinking Fund, all moneys and securities in the Series 2010 A Bonds Sinking Fund, including the Series 2010 A Bonds Reserve Account therein, and all other payments provided for in this Ordinance, are hereby irrevocably pledged in the manner provided in this Ordinance to the payment of the principal of and interest on the Prior Bonds and the Series 2010 A Bonds herein authorized as the same become due and for the other purposes provided in this Ordinance.

Section 6.04. Rates. Prior to the issuance of the Series 2010 A Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the Clerk of the Issuer, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and

to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that: (a) so long as the Series 2005 A or Series 2006 A Bonds are outstanding, the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, to provide a rate coverage equal to the highest rate coverage required by either (a) the Prior Ordinances or (b) this Ordinance, as set forth in (i) and (ii) below, and thereafter, sufficient (i) to provide for all Operation Expenses of the System and (ii) to leave a balance each year equal to at least 120% of the maximum amount required in any year for payment of principal of and interest on the Series 2010 A Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with, or subordinate to, the Series 2010 A Bonds. All such rates and charges, if not paid when due, shall constitute a lien upon the premises served by the System.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Independent Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 6.05. Operation and Maintenance. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the Revenues of said System in the manner provided in this Ordinance. The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia necessary for the acquisition and construction of the Project and the operation of the System.

Section 6.06. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System except as provided in the Prior Ordinances. Additionally, so long as the Series 2010 A Bonds are Outstanding, the System may be sold, mortgaged, leased or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, or to defease the pledge created by this Ordinance and the Prior Ordinances. The proceeds from such sale, mortgage, lease or other disposition of the System shall be immediately remitted to the Bond Commission for deposit in the respective Sinking Funds, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the Issuer by the Bond

Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of \$100,000, the Issuer shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of \$100,000 but not in excess of \$200,000, the Issuer shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of \$100,000 and not in excess of \$200,000, shall be deposited by the Issuer into the Depreciation Fund. Such payments of such proceeds into the Depreciation Fund or the Redemption Account shall not reduce the amounts required to be paid into said funds by other provisions of this Ordinance.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of \$200,000 and insufficient to defease the pledge created by this Ordinance, as provided by Section 9.01, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of 60% in amount of Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any other obligations whatsoever, except additional parity Bonds provided for in Section 6.08 hereof, payable from the Revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from the Gross Revenues with the Series 2010 A Bonds; and all obligations hereafter issued by the Issuer payable from the revenues of the System, except such additional Bonds, shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such revenues and in all other respects to the Bonds.

The Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to such additional parity Bonds, being on a parity with the lien of the

Series 2010 A Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2010 A Bonds and the interest thereon in this Ordinance or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are Outstanding, the limitations and requirements on the issuance of parity obligations set forth in the respective Prior Ordinances shall be applicable. In addition, no Additional Parity Bonds, as in this section defined, payable out of the revenues of the System shall be issued after the issuance of any Bonds pursuant to this Ordinance, except under the conditions and in the manner herein provided.

No such Additional Parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition or construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto, or the Prior Bonds, or to pay claims which may exist against the revenues or facilities of the System, or all of such purposes.

If there are no Series 2005 A or Series 2006 A Bond Outstanding, no Additional Parity Bonds shall be issued at any time unless and until there has been procured and filed with the City Clerk a written statement by an Independent Accountant, reciting the conclusion that the Net Revenues, together with investment income derived from the System, during the prior fiscal year or any 12 consecutive months in the 18 months immediately preceding the date of the actual issuance of such additional parity bonds, shall not be less than 120% of the annual debt service during such period, and projected Net Revenues in each of the 3 succeeding years, as adjusted for adopted rate increases for which all appeals have expired, shall not be less than 120% of Maximum Annual Debt Service (unless otherwise consented to by the Bond Insurer), on the following:

- (1) The Series 2010 A Bonds then Outstanding;
- (2) The Prior Bonds Outstanding;
- (3) Any Additional Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (4) The Additional Parity Bonds then proposed to be issued.

The "increased annual Net Revenues expected to be received" as that term is used in the computation provided in the above paragraphs, shall refer only to the increased Net Revenues estimated to be derived from any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of delivery of such Additional Parity Bonds, and shall not exceed the amount to be stated in the aforementioned certificate of Independent Accountants, which shall be filed in the office of the Clerk of the Issuer prior to the issuance of such Additional Parity Bonds.

Notwithstanding the foregoing, the Issuer shall be permitted to issue bonds which refund any Outstanding Series 2010 A Bonds, any Additional Parity Bonds hereafter issued or any Prior Bonds if, prior to the issuance of such refunding bonds, the Issuer shall have filed with the Clerk: (i) a verification report of the Independent Accountants concluding that present value debt service savings shall be realized by the Issuer as a result of such refunding, after taking into account all costs of issuance of such refunding bonds, and (ii) a certificate of the Independent Accountants reciting the conclusion that the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the issuance of such refunding bonds shall not be less than 115% of the Maximum Annual Debt Service on the following:

- (1) The Prior Bonds Outstanding after such refunding;
- (2) The Series 2010 A Bonds Outstanding after such refunding;
- (3) Any Additional Parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance which shall be Outstanding following such refunding; and
- (4) The Additional Parity (refunding) Bonds then proposed to be issued.

The term "Additional Parity Bonds," as used in this section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this section, payable from the Gross Revenues of the System on a parity with the Series 2010 A Bonds, and all the covenants and other provisions of this Ordinance (except as to details of such Additional Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2010 A Bonds, the Prior Bonds and the Holders of any Additional Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Gross Revenues of the System, and their source of and security for payment from said Gross Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such Additional Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Ordinance.

The term "Additional Parity Bonds," as used in this section, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien on the Revenues of the System of which is subject to the prior and superior lien of the Bonds on such Revenues. Any such subordinate bonds, notes, certificates or other obligations shall be payable from Surplus Revenues. The Issuer shall not issue any obligations whatsoever payable from the Revenues of the System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such Revenues, with the Series 2010 A Bonds, except in the manner and under the conditions provided in this section.

No Additional Parity Bonds, as in this section defined, shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Ordinance on account of the Bonds then Outstanding, if any (excluding the Depreciation Fund), and any other payments provided for in this Ordinance shall have been made in full as required to the date of delivery of the Additional Parity Bonds.

Section 6.09. Insurance and Bonds. So long as the Prior Bonds are outstanding, the Issuer shall procure, carry and maintain insurance and bonds and workers' compensation coverage pursuant to the provisions of the Prior Ordinances. To the extent the provisions of the Prior Ordinances and this Ordinance are in conflict, the Issuer shall comply with the more stringent requirement. The Issuer hereby covenants and agrees, that so long as the Series 2010 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance and bonds and worker's compensation coverage with a reputable insurance carrier or carriers or bonding company or companies covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the greater of the fair appraised value or the original cost thereof. In the time of war the Issuer will also carry and maintain insurance to the extent available against risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Depreciation Fund and used only for the repairs and restoration of the damaged and destroyed properties or for the other purposes provided herein for the Depreciation Fund.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

C. WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Issuer and such payment bonds will be filed with the Clerk of the County Commission of the County in which such work is to be performed prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer and employee of the Issuer or the Board having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 6.10. Mandatory Sewer Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer, and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sewerage portion of the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the sewerage facilities portion of the System and every such owner, tenant or occupant shall, after a 30 day notice of the availability of sewerage services of the System, pay the rates and charges established therefore.

Any such house, dwelling or building from which emanates sewage or waterborne waste matter and which is not so connected with the sewerage portion of the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.11. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by its System; and, in the event the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.12. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all delinquent rates, rentals and other charges, if not paid, shall become a lien on the premises served by the System. The Issuer further covenants and agree that they will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System to all delinquent users of services and facilities of the System and will not restore such services of the System until all billing for charges for the services and facilities of the System, including penalties and reconnect fees, have been fully paid, or a payment agreement in compliance with the West Virginia Public Service Commission regulations has been entered.

Section 6.13. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.14. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as it shall direct.

The Issuer shall file with the Original Purchaser and any Bond Insurer, and shall mail to any Holder of Bonds requesting the same, an annual report within 120 days following the end of each Fiscal Year containing a balance sheet, statement of revenues, expenses, and changes in retained earnings, and statement of cash flows, as prescribed by generally accepted accounting principles.

The Issuer shall also file with the Original Purchaser and any Bond Insurer, and mail to any Holder of Bonds requesting the same, a monthly unaudited report within 30 days following the end of each month containing the following:

(A) A statement of Gross Revenues, Operating Expenses, and Net Revenues derived from the System.

(B) A statement of account balances in the Sinking Fund accounts provided for in this Ordinance and status of said funds.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by Independent Accountants, shall mail upon request, and make available generally, the report of said Independent Accountants, or a summary thereof, to any Holder or Holders of Bonds issued pursuant to this Ordinance and shall file said report with the Original Purchaser.

Section 6.15. Operating Budget. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, or at such earlier date required by its charter, prepare and adopt by resolution a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Original Purchaser and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Original Purchaser and to any Holder of Bonds or anyone acting for and in behalf of such Holder who requests the same.

Section 6.16. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2010 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on such Series 2010 A Bonds during the term thereof is, under the terms of such Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2010 A Bonds are used for a Private Business Use, and (B) an amount in

excess of 5% of the principal or 5% of the interest due on the Series 2010 A Bonds during the terms thereof is, under the terms of such Series 2010 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2010 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the System, or if the Series 2010 A Bonds are for the purpose of financing more than one project, a portion of the System, and shall not exceed the proceeds used for the governmental use of that portion of the System to which such Private Business Use is related.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2010 A Bonds or \$5,000,000 are used, directly or indirectly, to make or finance a loan to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2010 A Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2010 A Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Series 2010 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 6.17. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2010 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon the issuance of the Series 2010 A Bonds and shall be on a parity with one another and with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 6.18. Covenants Regarding the Municipal Bond Insurance Policy. The Issuer intends to obtain a Municipal Bond Insurance Policy for the Series 2010 A Bonds from the Bond Insurer. Certain additional covenants of the Issuer, which shall be set forth in full in the Supplemental Resolution, are required by the Bond Insurer as a condition to issuing the Series 2010 A Bonds, shall apply to the Series 2010 A Bonds and any other Bonds which may be insured by the Bond Insurer, and

shall be controlling in the event any other provisions of this Ordinance may be in conflict therewith.

Section 6.19. Designation of Series 2010 A Bonds as "Qualified Tax-Exempt Obligations". The Issuer hereby designates the Series 2010 A Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3)(B) of the Code and covenants that the Series 2010 A Bonds do not constitute private activity bonds as defined in Section 141 of the Code, and that not more than \$30,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income tax purposes (excluding, however, obligations issued to currently refund any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the amount of the refunded obligation and private activity bonds, as defined in Section 141 of the Code, other than qualified 501(c)(3) bonds as defined in Section 145 of the Code), including the Series 2010 A Bonds, have been or shall be issued by the Issuer, including all subordinate entities of the Issuer, during the calendar year 2010 all as determined in accordance with the Code.

ARTICLE VII
DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2010 A Bonds:

- (A) If default by the Issuer occurs in the due and punctual payment of the principal of or interest on any Bond;
- (B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Ordinance or any Supplemental Resolution or in the Bonds and Notes contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Holder of any Bond or Note or any Bond Insurer;
- (C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or
- (D) If the Issuer defaults on the Prior Bonds or the Prior Ordinances.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Holder of any Bond or any Bond Insurer may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

- (A) Bring suit for any unpaid principal or interest then due;
- (B) By mandamus or other appropriate proceeding enforce all rights of the Holders, including the right to require the Issuer to perform its duties under the Act and this Ordinance;
- (C) Bring suit upon the Bonds;
- (D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Holders of the Bonds; and
- (E) By action or bill in equity enjoin any acts in violation of this Ordinance or the rights of the Holders of the Bonds.

No remedy by the terms of this Ordinance conferred upon or reserved to the Holders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Holders hereunder or now or hereafter existing at law or by statute.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed

to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Holders shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Holder or Bond Insurer shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2010 A Bonds issued pursuant to this Ordinance and interest thereon and under any covenants of this Ordinance for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Ordinance shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Holder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Bonds issued pursuant to this Ordinance. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or

character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Holders of the Bonds, and the curing and making good of any default under the provisions of this Ordinance, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Notwithstanding any other provision of this Ordinance, in determining whether the rights of the Holders will be adversely affected by any action taken pursuant to the terms and provisions of this Ordinance, any trustee or Holder's committee shall consider the effect on the Holders as if no Municipal Bond Insurance Policy were then in effect.

Section 7.04. Restoration of Issuer and Holders. In case any Holder shall have proceeded to enforce any right under this Ordinance by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Holders shall be restored to their former positions and rights hereunder, and all rights and remedies of such Holders shall continue as if no such proceedings had been taken.

ARTICLE VIII
REGISTRAR, PAYING AGENT AND DEPOSITORY BANK

Section 8.01. Appointment of Registrar, Paying Agent and Depository Bank. The Registrar, Paying Agent and Depository Bank (collectively, the "Fiduciaries") for the Series 2010 A Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into appropriate agreements with the Fiduciaries, the substantial forms of which are to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Fiduciaries. The recitals of fact in the Series 2010 A Bonds shall be taken as statements of the Issuer, and the Fiduciaries shall not be responsible for their accuracy. The Fiduciaries shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2010 A Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2010 A Bonds. The Fiduciaries and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Ordinance and any other duties and responsibilities incident thereto, all as provided by said agreements described in Section 8.01.

Section 8.03. Evidence on Which Fiduciaries May Act. Except as otherwise provided by Section 10.02, the Fiduciaries shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by them to be genuine and to have been signed or presented by the proper party or parties. Whenever any Fiduciary shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion such Fiduciary may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Fiduciaries from time to time reasonable compensation for all services, including the transfer of registration of Series 2010 A Bonds, the first exchange of Series 2010 A Bonds and the exchange of Series 2010 A Bonds in the event of partial redemption, incurred in the performance of their duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2010 A Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Holders or effect or aid in any reorganization growing out of the enforcement of the Series 2010 A Bonds or this Ordinance, whether or not any such committee shall represent the Holders of a majority in principal amount of the Series 2010 A Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Ordinance by giving not less than 60 days' written notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Holder in the event all Series 2010 A Bonds are fully registered), specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer or by the Holders of a majority in principal amount of the Series 2010 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer or by such Holders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Series 2010 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Holders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Holders. The Issuer shall publish in an Authorized Newspaper (or mail to each Holder in the event all Series 2010 A Bonds are fully registered) notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Holders. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Holder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any moneys, books and records held by it and relating to the Series 2010 A Bonds to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2010 A Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Series 2010 A Bonds so authenticated, and, in case any Series 2010 A Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Series 2010 A Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent and Depository Bank. The West Virginia Municipal Bond Commission shall serve as the Paying Agent and the bank named in the Supplemental Resolution shall serve as Depository Bank. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance. The Paying Agent and any alternate Paying Agent shall signify its acceptance of the duties and obligations imposed upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Series 2010 A Bonds shall be and remain DTC-eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from moneys available therefore.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Ordinance. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Holders may make such appointment.

The Bonds and the interest thereon are payable only from and are secured by the Gross Revenues (as defined in the Ordinance) to be derived from the operation of the System, on a parity with the pledge of Gross Revenues in favor of the holders of the Prior Bonds and from moneys in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account established under the Ordinance, and the unexpended proceeds of the Bonds. Such Gross Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose and to make the other payments required by the Ordinance. This Bond does not constitute an indebtedness of the Issuer within any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Gross Revenues, the moneys in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account and unexpended proceeds of the Bonds. Under the Ordinance, the Issuer has covenanted and agreed to fix, establish and collect just and equitable rates or charges for the use of the services and facilities of the System and to revise the same from time to time as will always be sufficient to pay all operating expenses of the System and to leave a balance each year equal to at least _____% of the maximum amount payable in any year for principal of and interest on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds, including the Prior Bonds. The Issuer has entered into certain

further covenants with the Holders of the Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the Holders of the Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All moneys received from the sale of the Bonds except for accrued interest thereon shall be applied solely to finance the current refunding of the Issuer's outstanding Series 1997 Bonds, fund a reserve account for the Bonds and pay costs of issuance of the Bonds, and there shall be, and hereby is, created and granted a lien upon such moneys, until so applied, in favor of the Registered Owners of the Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Gross Revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Ordinance.

This Bond is, under the Act, exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

This Bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Ordinance, and the statutes under which this Bond is issued, shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

SECTION 5. The City Manager is hereby authorized and directed to execute the approval of the Commitment and deliver the same to the Bond Insurer. Execution by the City Manager of the Commitment shall be conclusive evidence of any approval required by this Section.

SECTION 11. Pursuant to the Commitment, and, as permitted by Section 6.18 of the Ordinance, the following covenants and provisions which are required by the Bond Insurer as a condition precedent to issuance of its Municipal Bond Insurance Policy for the Series 2010 A Bonds are hereby set forth, such covenants and provisions to be supplemental and amendatory of, and governing with respect to the Ordinance and applicable to the Series 2010 A Bonds:

- (a) "Insurance Policy" shall be defined as follows: the insurance policy issued by the Insurer guaranteeing the scheduled payment of principal of

and Interest on the Bonds when due". "Insurer" shall be defined as follows "Assured Guaranty Municipal Corp (formerly known as Financial Security Assurance Inc.) , a New York stock insurance company. or any successor thereto or assignee thereof."

- (b) The prior written consent of the Insurer shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Series 2010 Bonds Debt Service Reserve Fund, if any. Notwithstanding anything to the contrary set forth in the Ordinance, amounts on deposit in the Series 2010 Bonds Debt Service Reserve Fund shall be applied solely to the payment of debt service due on the Bonds.
- (c) The Insurer shall be deemed to be the sole holder of the Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the holders of the Bonds insured by it are entitled to take pursuant to the section or article of the Ordinance pertaining to (i) defaults and remedies and (e) the duties and obligations of the Paying Agent. Remedies granted to the Bondholders shall expressly include mandamus.
- (d) The security for the Bonds shall include a pledge of any agreement with any underlying obligor that is a source of payment for the Bonds and a default under any such agreement shall constitute an Event of Default under the Ordinance.
- (e) If acceleration is permitted under the Ordinance the maturity of Bonds insured by the Insurer shall not be accelerated without the consent of the Insurer and in the event the maturity of the Bonds is accelerated, the Insurer may elect, in its sole discretion, to pay accelerated principal and interest accrued on such principal to the date of acceleration (to the extent unpaid by the Issuer) and the Paying Agent shall be required to accept such amounts. Upon payment of such accelerated principal and interest accrued to the acceleration date as provided above, the Insurers obligations under the Insurance Policy with respect to such Bonds shall be fully discharged.
- (f) No grace period for a covenant default shall exceed 30 days or be extended for more than 60 days, without the prior written consent of the Insurer. No grace period shall be permitted for payment defaults.
- (g) The Insurer shall be included as a third party beneficiary to the Ordinance.
- (h) Upon the occurrence of an extraordinary optional, special or extraordinary mandatory redemption in part, the selection of Bonds to be redeemed shall be subject to the approval of the Insurer. The exercise of any provision of the Ordinance which permits the purchase of Bonds in lieu of redemption

shall require the prior written approval of the Insurer if any Bond so purchased is not cancelled upon purchase.

- (i) Any amendment, supplement, modification to, or waiver of, the Ordinance or any other transaction document, including any underlying security agreement (each a "Related Document"), that requires the consent of Bondowners or adversely affects the rights and interests of the Insurer shall be subject to the prior written consent of the Insurer.
- (j) Unless the Insurer otherwise directs, upon the occurrence and continuance of an Event of Default or an event which with notice or lapse of time would constitute an Event of Default amounts on deposit in the Construction Fund shall not be disbursed, but shall instead be applied to the payment of debt service or redemption price of the Bonds.
- (k) The rights granted to the Insurer under the Ordinance or any other Related Document to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Insurance Policy. Any exercise by the Insurer of such rights is merely an exercise of the Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the Bondholders and such action does not evidence any position of the Insurer, affirmative or negative, as to whether the consent of the Bondowners or any other person is required in addition to the consent of the Insurer.
- (l) Only (1) cash, (2) non-callable direct obligations of the United States of America ("Treasuries"), (3) evidences of ownership of proportionate interests in future interest and principal payments on Treasuries held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor and the underlying Treasuries are not available to any person claiming through the custodian or to whom the custodian may be obligated, (4) subject to the prior written consent of the Insurer, pre-refunded municipal obligations rated "AAA" and "Aaa" by S&P and Moody's, respectively, or (5) subject to the prior written consent of the Insurer, securities eligible for "AAA" defeasance under then existing criteria of S & P or any combination thereof, shall be used to effect defeasance of the Bonds unless the Insurer otherwise approves.

To accomplish defeasance, the Issuer shall cause to be delivered (i) a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to the Insurer ("Accountant") verifying the sufficiency of the escrow established to pay the Bonds in full on the maturity or redemption date ("Verification"), (ii) an Escrow Deposit Agreement (which shall be acceptable in form and substance to the Insurer), (iii) an opinion of nationally recognized bond counsel to the effect that the Bonds are no longer "Outstanding" under the

Ordinance and (iv) a certificate of discharge of the Paying Agent with respect to the Bonds; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the Issuer, Paying Agent and Insurer. The Insurer shall be provided with final drafts of the above-referenced documentation not less than five business days prior to the funding of the escrow.

Bonds shall be deemed "Outstanding" under the Ordinance unless and until they are in fact paid and retired or the above criteria are met.

- (m) Amounts paid by the Insurer under the Insurance Policy shall not be deemed paid for purposes of the Ordinance and the Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the Issuer in accordance with the Ordinance. The Ordinance shall not be discharged unless all amounts due or to become due to the Insurer have been paid in full or duly provided for.
- (n) Each of the Issuer and Paying Agent covenant and agree to take such action (including, as applicable, filing of UCC financing statements and continuations thereof) as is necessary from time to time to preserve the priority of the pledge of the Trust Estate under applicable law.
- (o) Claims Upon the Insurance Policy and Payments by and to the Insurer.

If, on the third Business Day prior to the related scheduled interest payment date or principal payment date ("Payment Date") there is not on deposit with the Paying Agent, after making all transfers and deposits required under the Ordinance, moneys sufficient to pay the principal of and interest on the Bonds due on such Payment Date, the Paying Agent shall give notice to the Insurer and to its designated agent (if any) (the "Insurer's Fiscal Agent") by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Bonds due on such Payment Date, the Paying Agent shall make a claim under the Insurance Policy and give notice to the Insurer and the Insurer's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Bonds and the amount required to pay principal of the Bonds, confirmed in writing to the Insurer and the Insurer's Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Insurance Policy.

The Paying Agent shall designate any portion of payment of principal on Bonds paid by the Insurer, whether by virtue of Mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a

reduction in the principal amount of Bonds registered to the then current Bondholder, whether DTC or its nominee or otherwise, and shall issue a replacement Bond to the Insurer, registered in the name of Assured Guaranty Municipal Corp. (formerly known as Financial Security Assurance Inc.), in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Paying Agent's failure to so designate any payment or issue any replacement Bond shall have no effect on the amount of principal or interest payable by the Issuer on any Bond or the subrogation rights of the Insurer.

The Paying Agent shall keep a complete and accurate record of all funds deposited by the Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Bond. The Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Paying Agent.

Upon payment of a claim under the Insurance Policy, the Paying Agent shall establish a separate special purpose trust account for the benefit of Bondholders referred to herein as the "Policy Payments Account" and over which the Paying Agent shall have exclusive control and sole right of withdrawal. The Paying Agent shall receive any amount paid under the Insurance Policy in trust on behalf of Bondholders and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Paying Agent to Bondholders in the same manner as principal and interest payments are to be made with respect to the Bonds under the sections hereof regarding payment of Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything herein to the contrary, the Issuer agrees to pay to the Insurer (i) a sum equal to the total of all amounts paid by the Insurer under the Insurance Policy (the "Insurer Advances"); and (ii) interest on such Insurer Advances from the date paid by the Insurer until payment thereof in full, payable to the Insurer at the Late Payment Rate per annum (collectively, the "Insurer Reimbursement Amounts"). "Late Payment Rate" means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. The Issuer hereby covenants and agrees that the Insurer Reimbursement Amounts are

secured by a lien on and pledge of the Gross Revenues and payable from such Gross Revenues on a parity with debt service due on the Bonds.

Funds held in the Policy Payments Account shall not be invested by the Paying Agent and may not be applied to satisfy any costs, expenses or liabilities of the Paying Agent. Any funds remaining in the Policy Payments Account following a Bond payment date shall promptly be remitted to the Insurer.

- (p) The Insurer shall, to the extent it makes any payment of principal or interest on the Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Insurance Policy. Each obligation of the Issuer to the Insurer under the Related Documents shall survive discharge or termination of such Related Documents.
- (q) The Issuer shall pay or reimburse the Insurer any and all charges, fees, costs and expenses that the Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Related Document; (ii) the pursuit of any remedies under the Ordinance or any other Related Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Ordinance or any other Related Document whether or not executed or completed, or (iv) any litigation or other dispute in connection with the Ordinance or any other Related Document or the transactions contemplated thereby, other than costs resulting from the failure of the Insurer to honor its obligations under the Insurance Policy. The Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Ordinance or any other Related Document.
- (r) After payment of reasonable expenses of the Paying Agent, the application of funds realized upon default shall be applied to the payment of expenses of the Issuer or rebate only after the payment of past due and current debt service on the Bonds and amounts required to restore the Debt Service Reserve Fund to the Debt Service Reserve Requirement.
- (s) The Insurer shall be entitled to pay principal or interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Insurance Policy) and any amounts due on the Bonds as a result of acceleration of the maturity thereof in accordance with the Ordinance, whether or not the Insurer has received a Notice of Nonpayment (as such terms are defined in the Insurance Policy) or a claim upon the Insurance Policy.
- (t) The notice address of the Insurer is- Assured Guaranty Municipal Corp. (formerly known as Financial Security Assurance Inc.). 31 West 52nd Street, New York, New York 10019, Attention: Managing Director

In each case in which notice or other communication refers to an Event of Default, then a copy of such notice or other communication shall also be sent to the attention of the General Counsel and shall be marked to indicate "URGENT MATERIAL ENCLOSED."

- (u) The Insurer shall be provided with the following information by the Issuer or Paying Agent, as the case may be;
 - (i) Annual audited financial statements within 150 days (or such greater period of time agreed to by the Insurer) after the end of the Issuer's fiscal year (together with a certification of the Issuer that it is not aware of any default or Event of Default under the Ordinance), and the Issuer's annual budget within 30 days after the approval thereof together with such other information, data or reports as the Insurer shall reasonably request from time to time;
 - (ii) Notice of any draw upon the Debt Service Reserve Fund within two Business Days after knowledge thereof other than (i) withdrawals of amounts in excess of the Debt Service Reserve Requirement and (ii) withdrawals in connection with a refunding of Bonds;
 - (iii) Notice of any default known to the Paying Agent or Issuer within five Business Days after knowledge thereof;
 - (iv) Prior notice of the advance refunding or redemption of any of the Bonds, including the principal amount, maturities and CUSIP numbers thereof;
 - (v) Notice of the resignation or removal of the Paying Agent and Bond Registrar and the appointment of, and acceptance of duties by, any successor thereto;
 - (vi) Notice of the commencement of any proceeding by or against the Issuer commenced under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "Insolvency Proceeding");
 - (vii) Notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of, or interest on, the Bonds;
 - (viii) A full original transcript of all proceedings relating to the execution of any amendment, supplement, or waiver to the Related Documents; and

- (ix) All reports, notices and correspondence to be delivered to Bondholders under the terms of the Related Documents.

In addition, to the extent that the Issuer has entered into a continuing disclosure agreement, covenant or undertaking with respect to the Bonds, all information furnished pursuant to such agreements shall also be provided to the Insurer, simultaneously with the furnishing of such information.

- (v) The Insurer shall have the right to receive such additional information as it may reasonably request.
- (w) The Issuer will permit the Insurer to discuss the affairs, finances and accounts of the Issuer or any information the Insurer may reasonably request regarding the security for the Bonds with appropriate officers of the Issuer and will use commercially reasonable efforts to enable the Insurer to have access to the facilities, books and records of the Issuer on any business day upon reasonable prior notice.
- (x) The Issuer shall notify the Insurer of any failure of the Issuer to provide notices, certificates and other information under the transaction documents.
- (y) Notwithstanding satisfaction of the other conditions to the issuance of Additional Bonds set forth in the Ordinance, no such issuance may occur (1) if an Event of Default (or any event which, once all notice or grace periods have passed, would constitute an Event of Default) exists unless such default shall be cured upon such issuance and (2) unless the Debt Service Reserve Fund is fully funded at the Debt Service Reserve Requirement (including the proposed issue) upon the issuance of such Additional Bonds, in either case unless otherwise permitted by the Insurer.
- (z) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Ordinance would adversely affect the security for the Bonds or the rights of the Bondholders, the Paying Agent shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Insurance Policy.
- (aa) No contract shall be entered into or any action taken by which the rights of the Insurer or security for or sources of payment of the Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Insurer.
- (bb) If the Bonds are issued for refunding purposes, there shall be delivered an opinion of Bond Counsel addressed to the Insurer (or a reliance letter relating thereto), or a certificate of discharge of the Paying Agent for the Refunded Bonds, to the effect that, upon the making of the required

deposit to the escrow, the legal defeasance of the Refunded Bonds shall have occurred. If the Refunded Bonds are insured by Assured Guaranty Municipal Corp. (formerly known as Financial Security Assurance Inc.), at least three business days prior to the proposed date for delivery of the Policy with respect to the Refunding Bonds, the Insurer shall also receive (i) the verification letter, of which the Insurer shall be an addressee, by an independent firm of certified public accountants which is either nationally recognized or otherwise acceptable to the Insurer, of the adequacy of the escrow established to provide for the payment of the Refunded Bonds in accordance with the terms and provisions of the Escrow Deposit Agreement, and (ii) the form of an opinion of Bond Counsel addressed to the Insurer (or a reliance letter relating thereto) to the effect that the Escrow Deposit Agreement is a valid and binding obligation of the parties thereto, enforceable in accordance with its terms (such Escrow Deposit Agreement shall provide that no amendments are permitted without the prior written consent of the Insurer). An executed copy of each of such opinion and reliance letter, if applicable, or Paying Agent's discharge certificate, as the case may be, shall be forwarded to the Insurer prior to delivery of the Bonds.

- (cc) Any interest rate exchange agreement ("Swap Agreement") entered into by the Issuer shall meet the following conditions: (i) the Swap Agreement must be entered into to manage interest costs related to, or a hedge against (a) assets then held, or (b) debt then outstanding, or (iii) debt reasonably expected to be issued within the next twelve (12) months. and (ii) the Swap Agreement shall not contain any leverage element or multiplier component greater than 1.0x unless there is a matching hedge arrangement which effectively off-sets the exposure from any such element or component. Unless otherwise consented to in writing by the Insurer, any uninsured net settlement, breakage or other termination amount then in effect shall be subordinate to debt service on the bonds and on any debt on parity with the Bonds. The Issuer shall not terminate a Swap Agreement unless it demonstrates to the satisfaction of the Insurer prior to the payment of any such termination amount that such payment will not cause the Issuer to be in default under the Related Documents, including but not limited to, any monetary obligations thereunder. All counterparties or guarantors to any Swap Agreement must have a rating of at least "A-" and "A3" by Standard & Poor's ("S&P") and Moody's Investors Service ("Moody's"). If the counterparty or guarantor's rating falls below "A-" or "A3" by either S&P or Moody's, the counterparty or guarantor shall execute a credit support annex to the Swap Agreement, which credit support annex shall be acceptable to the Insurer. If the counterparty or the guarantor's long term unsecured rating falls below "Baa1" or "BBB+" by either Moody's or S&P, a replacement counterparty or guarantor, acceptable to the Insurer, shall be required.

EIGHT HUNDRED THOUSAND DOLLARS

THE CITY OF WHEELING, a municipal corporation organized and existing under the laws of the State of West Virginia (the "City"), for value received, hereby promises to pay, solely from the special funds provided therefore, as hereinafter set forth, to the Holder specified above, or registered assigns (the "Holder"), on the Maturity Date specified above, the Principal Amount specified above and solely from such special funds also to pay interest on said Principal Amount from the Interest Payment Date (as hereinafter defined) preceding the date of authentication hereof or, if authenticated after the Record Date (as hereinafter defined) but prior to the applicable Interest Payment Date or on said Interest Payment Date, from said Interest Payment Date or, if no interest has been paid, from the Bond Date specified above, or, if and to the extent that the City shall default in the payment of interest on any Interest Payment Date, then this Bond shall bear

Capitalized terms used and not defined herein shall have the meanings ascribed thereto in the hereinafter described Ordinance.

Interest accruing on this Bond on and prior to the Maturity Date hereof shall be payable by check or draft mailed by the West Virginia Municipal Bond Commission, Charleston West Virginia, as paying agent (in such capacity, the "Paying Agent"), to the Registered Owner hereof as of the applicable Record Date (each May 15 and November 15) or, in the event of a default in the payment of Bonds, that special record date to be fixed by the hereinafter named Registrar by notice given to the Registered Owners not less than 10 days prior to said special record date at the address of such Registered Owner as it appears on the registration books of the City maintained by WesBanco Bank, Inc., Wheeling, West Virginia, as registrar (in such capacity, the "Registrar"), or, at the option of any Registered Owner of at least \$1,000,000 in aggregate principal amount of Bonds, by wire transfer in immediately available funds to a domestic bank account specified in writing by the Registered Owner to the Paying Agent at least 5 days prior to such Record Date. Principal and premium, if any, shall be paid when due upon presentation and surrender of this Bond for payment at the principal office of the Paying Agent, in Charleston, West Virginia.

This Bond is one of an issue of a series of bonds, in the aggregate principal amount of \$4,455,000 designated "The City of Wheeling (West Virginia) Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2010 A" (the "Bonds"), of like tenor and effect, except as to number, denomination, date of maturity and interest rate, dated May 6, 2010, the proceeds of which are to be used (i) to finance the costs of currently refunding the City's Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 1997, dated January 1, 1997, issued in the original aggregate principal amount of \$20,600,000 (the "Series 1997 Bonds"), (ii) to fund the Series 2010 A Bonds Reserve Account, and (iii) to pay certain costs of issuance of the Series 2010 A Bonds and related costs. The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 8, Article 20 of the Code of West Virginia, 1931, as amended (the "Act"), and an ordinance duly enacted by the Council of the City on April 20, 2010, and supplemented by a supplemental parameters resolution adopted by said Council on April 20, 2010 (hereinafter collectively referred to as the "Ordinance"), and is subject to all the terms and conditions of said Ordinance. The Ordinance provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be

paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Ordinance. Reference is hereby made to the Ordinance, as the same may be amended and supplemented from time to time, for a description of the rights, limitations of rights, obligations, duties and immunities of the City, the Registrar, the Paying Agent, the Registered Owners of the Bonds and the Registered Owners of any subsequently issued additional bonds. Executed counterparts or certified copies of the Ordinance are on file at the office of the City Clerk in The City of Wheeling, West Virginia.

The Bonds of this issue are not subject to redemption prior to their stated maturity dates.

There are outstanding obligations of the City which will rank on a parity with the Bonds as to liens, pledge, source of and security for payment, as follows (collectively, the "Prior Bonds"):

- (1) Combined Waterworks and Sewerage System Revenue Bonds, Series 2005 A, dated May 3, 2005, issued in the original aggregate principal amount of \$14,500,000 (the "Series 2005 A Bonds");
- (2) Combined Waterworks and Sewerage System Revenue Bonds, Series 2006 A, dated September 26, 2006, issued in the original aggregate principal amount of \$12,000,000 (the "Series 2006 A Bonds");

The Bonds and the interest thereon are payable only from and are secured by the Gross Revenues (as defined in the Ordinance) to be derived from the operation of the System, on a parity with the pledge of Gross Revenues in favor of the holders of the Prior Bonds and from moneys in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account established under the Ordinance, and the unexpended proceeds of the Bonds. Under the Ordinance, the City has covenanted and agreed to fix, establish and collect just and equitable rates or charges for the use of the services and facilities of the System and to revise the same from time to time as will always be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund thereby pledged for such purpose and to make the other payments required by the Ordinance. This Bond does not constitute an indebtedness of the City within any constitutional or statutory provision or limitation, nor shall the City be obligated to pay the same or the interest hereon except from said special fund provided from the Gross Revenues, the moneys in the Series 2010 A Bonds Sinking Fund and the Series 2010 A Bonds Reserve Account and unexpended proceeds of the Bonds. The City has entered into certain further covenants with the Holders of the Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the Holders

of the Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All moneys received from the sale of the Bonds except for accrued interest thereon shall be applied solely to finance the current refunding of the City's outstanding Series 1997 Bonds, fund a reserve account for the Bonds and pay costs of issuance of the Bonds, and there shall be, and hereby is, created and granted a lien upon such moneys, until so applied, in favor of the Registered Owners of the Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said City, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Gross Revenues of the System has been pledged to and will be set aside into said special fund by said City for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act is and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the Ordinance.

This Bond is, under the Act, exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

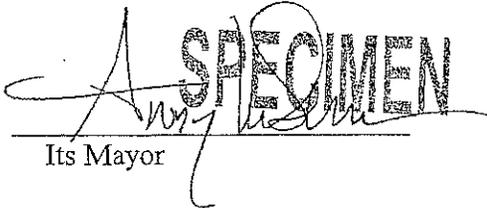

This Bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Ordinance, and the statutes under which this Bond is issued, shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.
