BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF THE CHESTNUT RIDGE PUBLIC SERVICE DISTRICT:

ARTICLE I
STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the “Bond Legislation”) is adopted pursuant to the provisions of Chapter 16, Article 13A, Chapter 16, Article 13C, and Chapter 31, Article 15A; of the West Virginia Code of 1931, as amended (collectively, the “Act”), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The Chestnut Ridge Public Service District (the “Issuer”) is a public service district and political subdivision of the State of West Virginia in Barbour County of said State.

B. The Issuer presently owns and operates a public waterworks system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain additions, betterments and improvements for the existing public waterworks system of the Issuer, consisting of replacement of sections of potable water distribution mains, construction of two new booster pump stations, upgrading four booster pump stations, upgrading three pressure reducing valves, upgrading five water tanks and replacing one water tank, together with all necessary appurtenances (collectively, the “Project”) (the existing public waterworks system of the Issuer, the Project and any further additions, betterments and improvements thereto are herein called the “System”), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the “Authority”), which administers the West Virginia Drinking Water Treatment Revolving Fund for the Bureau for Public Health (the “BPH”) and administers the West Virginia Infrastructure Fund for the West Virginia Infrastructure and Jobs Development Council (the “Council”).

D. It is deemed necessary for the Issuer to issue water revenue bonds, in the total aggregate principal amount of not more than \$4,521,530 in three or more series initially planned to be the (i) Water Revenue Bonds, Series 2023 A (West Virginia DWTRF Program) in the aggregate principal amount of not more than \$1,902,500 (the “Series 2023 A Bonds”); (ii) Water Revenue Bonds, Series 2023 B (West Virginia DWTRF Program) in the aggregate principal amount of not more than \$721,530 (the “Series 2023 B Bonds”) and (iii) Water Revenue Bonds, Series 2023 C (West Virginia Infrastructure Fund) in the aggregate principal amount of not more than \$1,897,500 (the “Series 2023 C Bonds”); (collectively, the “Series 2023 Bonds”) to permanently finance a portion of the costs of acquisition and construction of the Project. The remaining costs of the Project shall be funded from the sources set forth in Section 2.01 hereof. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2023 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Reserve Accounts (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority including the Administrative Fee (as hereinafter defined) for the Series 2023 Bonds, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2023 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2023 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Series 2023 A Bonds and Series 2023 B Bonds be sold to the Authority pursuant to the terms and provisions of a Loan Agreement (the "DWTRF Loan Agreement") by and between the Issuer and the Authority, on behalf of the West Virginia Bureau for Public Health (the "BPH"); and that the Series 2023 C Bonds be sold to the Authority pursuant to the terms of a loan agreement by and between the Issuer and the Authority on behalf of the West Virginia Infrastructure and Jobs Development Council (the "IJDC Loan Agreement") all in the form satisfactory to the respective parties (collectively, the "Loan Agreements") approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2023 Bonds as to liens, pledge, source of and security for payment, being the Issuer's:

(i) Water Revenue Bonds, Series 1988 (United States Department of Agriculture), dated September 9, 1988, issued in the original aggregate principal amount of \$190,000 (the "Series 1988 Bonds");

The Series 2023 Bonds shall be issued on a parity with the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects. Prior to the issuance of the Series 2023 Bonds, the Issuer will obtain (i) a certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consent of the registered owners of the Prior Bonds to the issuance of the Series 2023 Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

H. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Series 2023 Bonds and the Prior Bonds and to make payments into all funds and accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law and the Loan Agreements relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2023 Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and the obtaining of a Certificate of Convenience and Necessity from the Public Service Commission of West Virginia, if required, by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2023 Bonds or such final order will not be subject to appeal.

J. The Project has been reviewed and determined to be technically and financially feasible by the Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03 Bond Legislation Constitutes Contract. The registered Series 2023 Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging the Series 2023 Bonds or transferring the registered Bonds are exercised, Bonds shall be delivered in accordance with the

provisions of this Bond Legislation. All Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. In case any Series 2023 Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Series 2023 Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2023 Bonds shall not, in any event, be or constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No holder or holders of the Series 2023 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2023 Bonds or the interest, if any, thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service on the Series 2023 Bonds shall be secured by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2023 Bonds and the Prior Bonds and to make all other payments hereinafter set forth, are hereby irrevocably pledged to such payments as they become due.

H. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VII **ADDITIONAL COVENANTS OF THE ISSUER**

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2023 Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2023 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2023 Bonds or the interest, if any, thereon is outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2023 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2023 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2023 Bonds, or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service on the Series 2023 Bonds shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2023 Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement and the Issuer shall supply a certificate of certified public accountant to such effect. The initial

schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Recommended Decision dated July 8, 2022 which became a Final Order on July 28, 2022 in Case No. 22-0272-PWD-19A of the Public Service Commission of West Virginia.

So long as the Series 2023 Bonds are Outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2023 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, lease, mortgage or in any manner dispose of or encumber the System, or any part thereof, except as provided in the Prior Resolutions and as provided herein and with the written consent of the Authority. So long as the Series 2023 Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2023 Bonds, immediately be remitted to the Commission for deposit in the Series 2023 A Bonds Sinking Fund and the Series 2023 C Bonds Sinking Fund respectively and pro rata with respect to the principal amount of each of the Bonds then outstanding and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2023 A Bonds and the Series 2023 C Bonds in accordance with Article X hereof. Any balance remaining after the payment of the Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of \$10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, in writing, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in

accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of \$10,000 and not in excess of \$50,000, shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2023 Bonds. All obligations issued by the Issuer after the issuance of the Series 2023 Bonds and payable from the revenues of the System, except such additional Parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2023 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2023 Bonds, and the interest, if any, thereon, upon any of the income and revenues of the System pledged for payment of the Series 2023 Bonds and the interest, if any, thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority, Council and the BPH prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are Outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2023 Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and without complying with the conditions and requirements herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2023 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions, extensions, improvements or betterments to the System or refunding any Outstanding Bonds, or both such purposes.

So long as the RUS Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the RUS Bonds, representing 75% of the then-outstanding principal indebtedness.

So long as the Series 1995 Bonds, Series 2014 A Bonds, or Series 2023 Bonds are outstanding, no Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The “estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years,” as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer and approved by the Public Service Commission of West Virginia, the time for appeal of which shall have expired prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the time for appeal of which shall have expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 2023 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2023 Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as the Issuer shall direct.

The Issuer shall file with the Authority, Council and the BPH, or any other original purchaser of the Series 2023 Bonds, and shall mail in each year to any Holder or Holders of the Series 2023 Bonds, requesting the same, an annual report containing the following:

All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Authority, Council and the BPH, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Authority, Council and the BPH, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority, Council and the BPH with respect to the System pursuant to the Act.

The Issuer shall provide the BPH and the Council with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in Exhibit D of the Loan Agreements for the Series 2023 Bonds or as promulgated from time to time

The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2023 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2023 Bonds, including the Prior Bonds; provided, that in the event that amounts equal to or in excess of the reserve requirements are on deposit in the Series 2023 Bonds Reserve Accounts, and the reserve accounts for obligations on a parity with or junior to the Series 2023 Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2023 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2023 Bonds, including the Prior Bonds. 3.4 The Local Bonds shall be delivered to the Authority, at the offices of the Authority, on a date designated by the Local Entity by written notice to the Authority, which written notice shall be given not less than ten (10) business days prior to the date designated; provided, however, that if the Authority is unable to accept delivery on the date designated, the Local Bonds shall be delivered to the Authority on a date as close as possible to the designated date and mutually agreeable to the Authority, BPH and the Local Entity. The date of delivery so designated or agreed upon is hereinafter referred to as the "Date of Loan Closing." Notwithstanding the foregoing, the Date of Loan Closing shall in no event occur more than ninety (90) days after the date of execution of this Loan Agreement by the Authority.

3.5 The Local Entity understands and acknowledges that it is one of several local entities which have applied to the Authority and BPH for loans from the Fund to finance drinking water projects and that the obligation of the Authority to make any such loan is subject to the Local Entity's fulfilling all of the terms and conditions of this Loan Agreement on or prior to the Date of Loan Closing and to the requirements of the Program. The Local Entity specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Fund to purchase all the Local Bonds and that, prior to execution of this Loan Agreement, the Authority may purchase the bonds of other local entities set out in the State Project Priority List, as defined in the DWTRF Regulations. The Local Entity further specifically recognizes that all loans will be originated in conjunction with the DWTRF Regulations and with the prior approval of BPH or such later date as is agreed to in writing by the BPH.

3.6 The Local Entity shall provide BPH with the appropriate documentation to comply with the special conditions regarding the special requirements established by federal and State regulations as set forth in Exhibit D attached hereto at such times as are set forth therein.

3.7 The Local Entity shall comply with the following conditions:

(c) The Local Entity shall comply with Section 6002 of the Resource Conservation and Recovery Act (RCRA) (42 U.S.C. 6962). Regulations issued under RCRA Section 6002 apply to any acquisition of an item where the purchase price exceeds \$10,000 or where the quantity of such items acquired in the course of the preceding fiscal year was \$10,000 or more. RCRA Section 6002 requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by EPA. These guidelines are listed in 40 CFR 247.

(d) The Local Entity shall comply with Subpart C of 2 CFR Part 180 and 2 CFR Part 1532, entitled "Responsibilities of Participants Regarding Transactions (Doing Business with Other Persons). To the extent required by BPH, the Local Entity shall provide certifications as to compliance.

(e) The Local Entity shall comply with all requests for data related to the use of the funds provided under this agreement.

(f) The Local Entity shall allow any appropriate representative of the Office of US Inspector General to (1) examine its records relating to the Project and this Agreement and (2) interview any officer or employee of the Local Entity.

(g) The Local Entity must promptly refer to EPA's Inspector General any credible evidence that a principal, employee, agent, sub-grantee contractor, subcontractor, loan recipient, or other person has submitted a false claim under the False Claims Act or has committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving funds provided under this Agreement.

(h) The Local Entity shall not use funds for particular activities for any casino or other gambling establishment, aquarium, zoo, golf course, or swimming pool.

(i) The Local Entity shall require that all laborers and mechanics employed by its contractors and subcontractors be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the Secretary of Labor (DOL) in accordance with subchapter IV of chapter 31 of title 40, United States Code. The Local Entity must require that contractors and subcontractors obtain wage determinations from DOL and comply with DOL guidance and regulations implementing wage rate requirements.

(j) Pursuant to 40 CFR, Section 33.301, the Local Entity agrees to make Disadvantage Business Enterprise (DBE) good faith efforts whenever procuring construction, equipment, services and supplies, and to require that prime contractors also comply. The Local Entity shall also comply with Title VII of the Civil

Rights Act of 1964 (prohibiting race, color, national origin, religion, and sex discrimination in employment), the Americans with Disabilities Act (prohibiting disability discrimination in employment and in services provided by State and Local Entities, businesses, and non-profit agencies), and the Fair Housing Act (prohibiting race, color, national origin, age, family status, and disability discrimination in housing), as well as any other applicable civil rights laws.

(m) The Local Entity shall comply with all record keeping and reporting requirements under the Safe Drinking Water Act and other funding agencies, if applicable, including any reports required by a Federal agency or the BPH such as performance indicators of program deliverables, information on costs and Project progress. The Local Entity understands that (i) each contract and subcontract related to the Project is subject to audit by appropriate federal and state entities and (ii) failure to comply with the Safe Drinking Water Act and other funding agencies, if applicable, and this Agreement may be a default hereunder that results in a repayment of the Loan in advance of the maturity of the Bonds, termination and/or repayment of grants, cooperative agreements, direct assistance or other types of financial assistance, and/or other remedial actions. The Local Entity shall review each contractor’s and sub-contractor’s methodology for complying with Build America, Buy America requirements at the pre-construction meeting. The Local Entity shall require, as part of the contract documents, that the contractor identify the material cost (itemized list) for the contracts and utilize a spreadsheet or other manner to track all de minimus items, which de minimus items must not exceed five percent (5%) of the material cost for the contract. The Local Entity shall require each contractor to transfer all product files to the Local Entity at completion of the Project. The Local Entity shall and hereby agrees to keep and maintain such product files for a minimum of five years after substantial completion of the Project.

(n) The Local Entity covenants and agrees to not expend any proceeds of the Loan or enter into any contracts for components and services prohibited by 2 CFR 200.216 (Prohibition on certain telecommunication and video surveillance services or equipment), implementing section 889 of Public Law 115-232. Prior to entering into any contracts the Local Entity shall certify to BPH in writing that it has reviewed all contracts against the excluded parties list in the System for Award Management (www.sam.gov).

3.8 The Local Entity shall fund and maintain a working capital fund with a balance of not less than one eighth (1/8) of the Local Entity’s actual annual operating and

maintenance expenses. This fund is separate from and in addition to the renewal and replacement fund required under Section 4.1(a)(iii) hereof.

ARTICLE IV

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided that if the Local Entity has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by a pledge of either the gross or net revenues, as applicable, of the System as provided in the Local Act;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Local Entity will complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or the DWTRF Regulations, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized from such sale, mortgage, lease or other disposition shall be sufficient to fully pay all of the Local Bonds outstanding and further provided that portions of the System when no longer required for the ongoing operation of the System as evidenced by certificates from the Consulting Engineer, may be disposed of with such restrictions as are normally contained in such covenants;

(v) That the Local Entity shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority;

(vi) That the Local Entity will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Local Entity will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Local Entity under the Local Act, including the making and

collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law and all rights as set forth in Section 5 of the Act;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Local Entity will not grant any franchise to provide any services which would compete with the System;

If the Local Entity receives \$750,000 or more (in any combination of federal funds) in a fiscal year, the audit shall be obtained in accordance with 2 CFR 200 Subpart F (or any successor thereto). Financial statement audits are required once all funds have been received by the Local Entity. The audit shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the Local Entity's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xii) That the Local Entity shall annually adopt a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding fiscal year and shall submit a copy of such budget to the Authority within 30 days of adoption thereof;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, except for accrued interest and capitalized interest, if any, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Local Entity and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim funding of such Local Entity, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the BPH, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Local Entity may authorize redemption of the Local Bonds with 30 days written notice to BPH and the Authority and with the written consent of the BPH and Authority;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for all Local Bonds;

(xvii) That, unless waived by the Authority the Local Entity shall authorize a sweep resolution so that monthly payments can be made to the Commission electronically. If not waived by the Authority, the Local Entity shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Local Entity shall complete the Monthly Payment Form, attached hereto as Exhibit D and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month;

(xviii) That, if required by the Authority and BPH and, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Local Entity will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Local Entity shall have obtained the certificate of the Consulting Engineers to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority and BPH, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and BPH is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and State laws for construction of the Project have been obtained;

(xxi) That the Local Entity shall submit all proposed change orders to the BPH for written approval. The Local Entity shall obtain the written approval of the BPH before expending any proceeds of the Local Bonds held in "contingency" as set forth in the final Schedule A attached to the certificate of the Consulting Engineer. The Local Entity shall obtain the written approval of the BPH before expending any proceeds of the Local Bonds available due to bid/construction/project underruns.

The Local Entity hereby represents and warrants that the Local Act has been or shall be duly adopted or enacted in compliance with all necessary corporate and other action and

in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, validity, sale and delivery of the Local Bonds shall be approved without qualification by nationally recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit F.

4.2 The Loan shall be secured by the pledge and assignment by the Local Entity, as effected by the Local Act, of the fees, charges and other revenues of the Local Entity from the System.

4.3 At least two and one-half percent (2½%) of the proceeds of the Local Bonds will be advanced on the Date of Loan Closing. The remaining proceeds of the Local Bonds shall be advanced by the Authority monthly as required by the Local Entity to pay Costs of the Project, provided, however, if the proceeds of the Local Bonds will be used to repay an interim financing, the proceeds will be advanced on a schedule mutually agreeable to the Local Entity, the BPH and the Authority. The Local Bonds shall not bear interest during the construction period but interest shall commence accruing on the completion date as defined in the DWTRF Regulations, provided that the annual repayment of principal and payment of interest shall begin not later than one (1) year after the completion date. The repayment of principal and interest on the Local Bonds shall be as set forth on Schedule Y hereto. In no event shall the interest rate on or the net interest cost of the Local Bonds exceed any statutory limitation with regard thereto.

4.4 The Local Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Local Entity. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series.

4.5 As provided by the DWTRF Regulations, the Local Entity agrees to pay from time to time, if required by the Authority and BPH, the Local Entity's allocable share of the reasonable administrative expenses of the BPH and the Authority relating to the Program. Such administrative expenses shall be determined by the BPH and the Authority and shall include, without limitation, Program expenses, legal fees paid by the BPH and the Authority and fees paid for any bonds or notes to be issued by the Authority for contribution to the Fund.

4.6 The obligation of the Authority to make any loans shall be conditioned upon the availability of moneys in the Fund in such amount and on such terms and conditions as, in the sole judgment of the Authority, will enable it to make the Loan.

4.7 If a Local Entity does not draw down all of the proceeds of the Local Bonds within six months of a receipt of a substantial completion certificate or such other time as determined by BPH, the BPH will instruct the Authority to process a final draw on the Local Bonds. BPH will instruct the Authority to advance the remaining proceeds of the Local Bond to the Commission for deposit in the Local Bond's Debt Service Reserve Account.

ARTICLE V

Certain Covenants of the Local Entity; Imposition and Collection of User Charges; Payments To Be Made by Local Entity to the Authority

5.1 The Local Entity hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this Loan Agreement and the Local Act. The Local Entity hereby further irrevocably covenants and agrees that, as one of the conditions of the Authority to make the Loan, it has fixed and collected, or will fix and collect, the rates, fees and other charges for the use of the System and will take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and in compliance with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof.

5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds shall prove to be insufficient to produce the required sums set forth in the Local Act and this Loan Agreement, the Local Entity hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges (or where applicable, immediately file with the appropriate statutory body for a rate increase) and take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and this Loan Agreement.

5.3 In the event the Local Entity defaults in any payment due to the Authority pursuant to this Loan Agreement, the amount of such default shall bear interest at the interest rate of the installment of the Loan next due, from the date of the default until the date of the payment thereof.

5.4 The Local Entity hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Local Entity, the Authority may exercise any or all of the rights and powers granted under Section 5 of the Act, including, without limitation, the right to impose, enforce and collect charges of the System.

ARTICLE VI

Other Agreements of the Local Entity

6.1 The Local Entity hereby acknowledges to the Authority and BPH its understanding of the provisions of the Act, vesting in the Authority and BPH certain powers, rights and privileges with respect to drinking water projects in the event of default by local entities in the terms and covenants of this Loan Agreement, and the Local Entity hereby covenants and agrees that, if the Authority should hereafter have recourse to said rights and powers, the Local Entity shall take no action of any nature whatsoever calculated to inhibit, nullify, void, delay or render nugatory such actions of the Authority in the due and prompt implementation of this Loan Agreement.

6.2 The Local Entity hereby warrants and represents that all information provided to the Authority and BPH in this Loan Agreement, in the Application or in any other application or documentation with respect to financing the Project was at the time, and now is,

Prior to the Authority's making the Loan and receiving the Local Bonds, the Authority and BPH shall have the right to cancel all or any of their obligations under this Loan Agreement if (a) any representation made to the Authority and BPH by the Local Entity in connection with the Loan shall be incorrect or incomplete in any material respect or (b) the Local Entity has violated any commitment made by it in its Application or in any supporting documentation or has violated any of the terms of the Act, the DWTRF Regulations or this Loan Agreement.

6.3 The Local Entity hereby agrees to repay on or prior to the Date of Loan Closing any moneys due and owing by it to the Authority or any other lender for the planning or design of the Project, provided that such repayment shall not be made from the proceeds of the Loan.

6.4 The Local Entity hereby covenants that, if required by the Authority, it will rebate any amounts required by Section 148 of the Internal Revenue Code of 1986, as amended, and will take all steps necessary to make any such rebates. In the event the Local Entity fails to make any such rebates as required, then the Local Entity shall pay any and all penalties, obtain a waiver from the Internal Revenue Service and take any other actions necessary or desirable to preserve the exclusion from gross income for federal income tax purposes of interest on the Local Bonds.

6.5 Notwithstanding Section 6.4, the Authority may at any time, in their sole discretion, cause the rebate calculations prepared by or on behalf of the Local Entity to be monitored or cause the rebate calculations for the Local Entity to be prepared, in either case at the expense of the Local Entity.

6.6 The Local Entity hereby agrees to give the Authority prior written notice of the issuance by it of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project or otherwise related to the Project or the System.

6.7 The Local Entity hereby agrees to file with the Authority upon completion of acquisition and construction of the Project a schedule setting forth the actual costs of the Project and sources of funds.

ARTICLE VII Miscellaneous

7.1 Schedules X and Y shall be attached to this Loan Agreement by the Authority as soon as practicable after the Date of Loan Closing is established and shall be approved by an official action of the Local Entity supplementing the Local Act, a certified copy of which official action shall be submitted to the Authority.

7.2 If any provision of this Loan Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Loan Agreement, and this Loan Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.3 This Loan Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Loan Agreement.

7.4 No waiver by any party of any term or condition of this Loan Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Loan Agreement.

7.5 This Loan Agreement supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Loan and constitutes the entire agreement between the parties hereto in respect thereof.

7.6 By execution and delivery of this Loan Agreement, notwithstanding the date hereof, the Local Entity specifically recognizes that it is hereby agreeing to sell its Local Bonds to the Authority and that such obligation may be specifically enforced or subject to a similar equitable remedy by the Authority.

7.7 This Loan Agreement shall terminate upon the earlier of:

(i) written notice of termination to the Local Entity from either the Authority or BPH;

(ii) the end of ninety (90) days after the date of execution hereof by the Authority or such later date as is agreed to in writing by the BPH if the Local Entity has failed to deliver the Local Bonds to the Authority;

(iii) termination by the Authority and BPH pursuant to Section 6.2 hereof; or

(iv) payment in full of the principal of and interest on the Loan and of any fees and charges owed by the Local Entity to the Authority or BPH.
