BE IT ORDAINED AND ENACTED BY THE COUNCIL OF THE CITY OF HINTON:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 16, Article 13 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Hinton (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Summers County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain additions, betterments and improvements to the existing public sewerage system of the Issuer, consisting of construction of a sewage collection system on Route 20 across from the New River from Hinton and also in the Village of Brooklin, lying in both Summers and Raleigh Counties, together with all appurtenant facilities (collectively, the "Project"), which constitute properties for the collection, transportation, treatment, purification, or disposal of liquid or solid wastes, residential sewage or industrial waste (the existing public sewerage system of the Issuer, the Project and any further additions, betterments and improvements thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund Program (the "SRF Program"), which the Authority administers pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds, Series 2003 A (West Virginia SRF Program), in the total aggregate principal amount of not more than \$775,000 (the "Series 2003 A Bonds"), initially to be represented by a single bond, to permanently finance a portion of the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor and eligible under the SRF Program; amounts which may be deposited in the Series 2003 A Bonds Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expense; commitment fees; fees and expenses of the Authority, including the SRF Administrative Fee (as hereafter defined); discount; initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2003 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; the acquisition or construction of the Project and the placing of same in operation; and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2003 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Series 2003 A Bonds be sold to the Authority pursuant to the terms and provisions of a bond purchase agreement by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection (the "DEP"), in form satisfactory to the Issuer, the Authority, and the DEP (the "Bond Purchase Agreement"), to be approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank either on a parity with or junior and subordinate to the Series 2003 A Bonds as to liens, pledge, source of and security for payment, being the Issuer's Sewer Revenue Bond, Series 1990 A, dated June 14, 1990, issued in the original aggregate principal amount of \$637,262 (the "Series 1990 A Bonds"), Sewer Revenue Bond, Series 1990 B, dated June 14, 1990, issued in the original aggregate principal amount of \$29,738 (the "Series 1990 B Bonds"), Sewer Revenue Bond, Series 1990 C, dated June 14, 1990, issued in the original aggregate principal amount of \$668,000 (the "Series 1990 C Bonds" and collectively the "Prior Bonds").

The Series 2003 A Bonds shall be issued on a parity with the Series 1990 A Bonds and the Series 1990 C Bonds and senior and prior to the Series 1990 B Bonds with respect to liens, pledge and source of and security for payment and in all other respects. Prior to the issuance of the Series 2003 A Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Series 1990 A Bonds and the Series 1990 C Bonds are met; (ii) the written consent of the Holders of the Series 1990 A Bonds and the Series 1990 C Bonds to the issuance of the Series 2003 A Bonds on a parity with the Series 1990 A Bonds and the Series 1990 C Bonds; and (iii) the written consent of the Holders of the Series 1990 B Bonds to the issuance of the Series 2003 A Bonds on a senior and prior basis to the Series 1990 B Bonds. Other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System. The Issuer is in compliance with all covenants of the Prior Bonds and Prior Ordinances.

H. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Bonds (as hereinafter defined) and to make all payments into all funds, accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law and the Bond Purchase Agreement relating to authorization of the acquisition and construction of the Project and the operation of the System and issuance of the Series 2003 A Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and the obtaining of a certificate of public convenience and necessity from the Public Service Commission of West Virginia by final

order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2003 A Bonds or such final order will not be subject to appeal.

J. Pursuant to the Act, the Issuer has heretofore established a Sanitary Board, and the Sanitary Board has petitioned the Governing Body to issue the Series 2003 A Bonds for the purposes set forth herein.

K. The Project has been reviewed and determined to be technically and financially feasible by the West Virginia Infrastructure and Jobs Development Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. The Series 2003 A Bonds shall be exchangeable at the option and expense of the Registered Owner for another fully registered Bond or Bonds of the same series in aggregate principal amount equal to the amount of said Bonds then Outstanding and being exchanged, with principal installments or maturities, as applicable,

corresponding to the dates of payment of principal installments of said Bonds; provided, that the Authority shall not be obligated to pay any expenses of such exchange.

Subsequent series of Bonds, if any, shall be issued in fully registered form and in denominations as determined by a Supplemental Resolution. Such Bonds shall be dated and shall bear interest, if any, as of the date specified in a Supplemental Resolution.

Section 3.03. Execution of Bonds. The Series 2003 A Bonds shall be executed in the name of the Issuer by the Mayor, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Recorder. In case any one or more of the officers who shall have signed or sealed the Series 2003 A Bonds shall cease to be such officer of the Issuer before the Series 2003 A Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2003 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of the authorization of such Bonds such person may not have held **such** office or may not have been so authorized.

Section 3.04. Authentication and Registration. No Series 2003 A Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.10 *hereof* shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any Series 2003 A Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 2003 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting the Series 2003 A Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as the Series 2003 A Bonds remain outstanding, the Issuer, through the Bond Registrar as its agent, shall keep and maintain books for the registration and transfer of the Series 2003 A Bonds.

The registered Series 2003 A Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 2003 A Bonds or transferring the registered Series 2003 A Bonds are exercised, all Series 2003 A Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Series 2003 A Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Series 2003 A Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Series 2003 A Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Series 2003 A Bonds or, in the case of any proposed redemption of Series 2003 A Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2003 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2003 A Bonds shall not, in any event, be or constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided.

No Holder or Holders of the Series 2003 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2003 A Bonds or the interest, if any, thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues: Lien Positions with respect to Prior Bonds. The payment of the debt service of all Series 2003 A Bonds shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the operation of the System, on a parity with the lien on the Net Revenues in favor of the Holders of the Series 1990 A Bonds and the Series 1990 C Bonds, and senior and prior to the lien on the Net Revenues in favor of the Holders of the Series 1990 B Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Series 2003 A Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as the same become due.

Section 3.09. Delivery of Bonds. The Issuer shall execute and deliver the Series 2003 A Bonds to the Bond Registrar, and the Bond Registrar shall authenticate, register and deliver the Series 2003 A Bonds to the original purchasers upon receipt of the documents set forth below:

C. As the Issuer receives advances of the remaining monies derived from the sale of the Series 2003 A Bonds, such monies shall be deposited with the Depository Bank in the 2003 A Bonds Construction Trust Fund and applied solely to payment of Costs of the Project in the manner set forth in Section 6.02 hereof, and until expended, are hereby pledged as additional security for the Series 2003 A Bonds.

D. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2003 A Bonds shall be expended as directed by the DEP.

Section 6.02. Disbursements From the Series 2003 A Bonds Construction Trust Fund. On or before the Closing Date, the Issuer shall have delivered to the Authority and the DEP a report listing the specific purposes for which the proceeds of the Series 2003 A Bonds will be expended and the disbursement procedures of such proceeds, including an estimated monthly draw schedule. Payments for Costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements from the Series 2003 A Bonds Construction Trust Fund shall be made only after submission to, and approved from, the Authority and the DEP of the following:

- (I) a completed and signed "Payment Requisition Form," a form of which is attached to the Bond Purchase Agreement, in compliance with the construction schedule; and

(2) a certificate, signed by an Authorized Officer and the Consulting Engineers, stating that:

(A) None of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(B) Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(C) Each of such costs has been otherwise properly incurred; and

(D) Payment for each of the items proposed is then due and owing.

Pending such application, monies in the Series 2003 A Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2003 A Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2003 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2003 A Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2003 A Bonds shall not be nor constitute a corporate indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Series 2003 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2003 A Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues: Lien Positions with Respect to Prior Bonds. The payment of the debt service of the Series 2003 A Bonds shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the Series 1990 A Bonds and the Series 1990 C Bonds and senior and prior to the lien on the Net Revenues in favor of the Holders of the Series 1990 B Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Prior Bonds and the Series 2003 A Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Bond Purchase Agreement. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the sewer rate ordinance of the Issuer enacted November 17, 1998, which rates are incorporated herein by reference as a part hereof.

So long as the Series 2003 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Bond Purchase Agreement. In the event the schedule of rates and charges initially established for the System in connection with the Series 2003 A Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances. Additionally, so long as the Series 2003 A Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the DEP, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2003 A Bonds, immediately be remitted to the Commission for deposit in the Series 2003 A Bonds Sinking Fund, and, with the written permission of the Authority or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2003 A Bonds. Any balance remaining after the payment of the Bonds and the interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, in writing determine upon consultation with the Consulting Engineers

that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding in accordance with the laws of the State. The proceeds of any such sale shall be remitted by the Issuer to the Commission for deposit in the Sinking Funds for prepayment of the Bonds. The payment of such proceeds into the Renewal and Replacement Fund and the Sinking Funds shall not reduce the amounts required to be paid into such funds by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2003 A Bonds and the Prior Bonds. All obligations issued by the Issuer after the issuance of the Series 2003 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2003 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts established by this Bond Legislation have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2003 A Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2003 A Bonds and the interest, if any, thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. Additionally, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2003 A Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the DEP under the conditions and in the manner herein provided (unless less restrictive than the provisions of the Prior Ordinances).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2003 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition or construction of additions, extensions, betterments or improvements to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Recorder a written statement by the Independent Certified Public Accountants reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding;
and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Recorder prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Net Revenues of the System and their source of and security for payment from said Net Revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Series 2003 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2003 A Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books: Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the DEP or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the DEP such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the DEP or their agents and representatives, to inspect all records pertaining to the operation and maintenance the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Governing Body. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Authority and the DEP, or any other original purchaser of the Series 2003 A Bonds, and shall mail in each year to any Holder or Holders of the Series 2003 A Bonds, requesting the same, an annual report containing the following:

- (A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.
- (B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.
- (C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a

summary thereof, to any Haider or Holders of the Series 2003 A Bonds and shall submit said report to the Authority and the DEP, or any other original purchaser of the Series 2003 A Bonds. Such audit report submitted to the Authority and the DEP shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Bond Purchase Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Bond Purchase Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in EXHIBIT E of the Bond Purchase Agreement or as promulgated from time to time.

The Issuer shall permit the Authority and the DEP, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall provide the Authority and the DEP, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2003 A Bonds, equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Recorder, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2003 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to

the Series 2003 A Bonds, including the Prior Bonds; provided that, in the event the amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 2003 A Bonds Reserve Account and any Reserve Accounts for obligations on a parity with or junior to the Series 2003 A Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2003 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2003 A Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinance described in Section 7.04 hereof.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the DEP and the Authority within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance within 30 days of adoption to the Authority and the DEP and to any Holder of the Bonds, who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the DEP, the Authority and to any Holder of any Bonds, or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Bond Purchase Agreement, and forward a copy of such report to the DEP and the Authority by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Bond Purchase Agreement, stating, among other things, that the Project has been or will be constructed in

accordance with the approved plans, specifications and designs as submitted to the Authority and the DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the DEP is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the DEP covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority and the DEP and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt. The Issuer shall submit a "Performance Certificate," a form of which is attached to the Bond Purchase Agreement as Exhibit A, to the DEP within 60 days of the end of the first year after the Project is completed.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the DEP when the Project is 90% completed. The Issuer shall at all times provide operation and maintenance of the System in compliance with all state and federal standards.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the Bond Purchase Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System, and any services and facilities of the water system, if so owned by the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water facilities are not owned by the Issuer, the Issuer shall enter into a termination agreement with the water provider of such water, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 2003 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

- (1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against

the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Bond Purchase Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority and the DEP and the Issuer shall verify such insurance prior to commencement of construction. In the event the Bond Purchase Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the

Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Completion and Operation of Project; Permits and Orders.

The Issuer shall complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer has obtained all permits required by State and federal laws for the acquisition and construction of the Project, all orders and approvals from the Public Service Commission of West Virginia and the West Virginia Infrastructure and Jobs Development Council necessary for the acquisition and construction of the Project and the operation of the System and has obtained all approvals for the issuance of the Series 2003 A Bonds required by State law, with all appeal periods having expired without successful appeal.

Section 7.18. Compliance with Bond Purchase Agreement and Law.

Section 7.19. Tax Covenants.

The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2003 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2003 A Bonds during the term thereof is, under the terms of the Series 2003 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5 % of the Net Proceeds of the Series 2003 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5 % of the principal or 5 % of the interest due on the Series 2003 A Bonds during the term thereof is, under the terms of the Series 2003 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in

respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2003 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 2003 A Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related, all of the foregoing to be determined in accordance with the Code.

B. **PRIVATE LOAN LIMITATION.** The Issuer shall assure that not in excess of the lesser of 5 % or \$5,000,000 of the Net Proceeds of the Series 2003 A Bonds are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. **FEDERAL GUARANTEE PROHIBITION.** The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2003 A Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. **INFORMATION RETURN.** The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2003 A Bonds and the interest thereon, including, without limitation, the information return required under Section 149(e) of the Code.

E. **FURTHER ACTIONS.** The Issuer will take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest on the Series 2003 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions, or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.20. Securities Laws Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

Section 7.21. Contracts; Public Releases. A. The Issuer shall, simultaneously with the delivery of the Series 2003 A Bonds or immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

B. The Issuer shall submit all proposed change orders to the DEP for written approval. The Issuer shall obtain the written approval of the DEP before expending any proceeds of the Series 2003 A Bonds held in "contingency" as set forth in the

Schedule attached to the Certificate of the Consulting Engineer. The Issuer shall also obtain the written approval of the DEP before expending any proceeds of the Series 2003 A Bonds made available due to bid or construction or project underruns.

C. The Issuer shall list the funding as being provided by the DEP and the Authority in any press release, publication, program bulletin, sign or other public communication that references the Project, including but not limited to any program document distributed in conjunction with any ground breaking or dedication of the Project.

ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investments. Any monies held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2003 A Bonds are Outstanding and as long thereafter as necessary to assure the exclusion of interest on the Series 2003 A Bonds from gross income for federal income tax purposes.

Section 8.02. Certificate as to Use of Proceeds; Covenants as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2003 A Bonds as a condition to issuance of the Series 2003 A Bonds. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and applicable to the Series 2003 A Bonds as may be necessary in order to maintain the status of the Series 2003 A Bonds as governmental bonds; (ii) that

it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2003 A Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority, the West Virginia Infrastructure and Jobs Development Council or the DEP, as the case may be, from which the proceeds of the Series 2003 A Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority, the West Virginia Infrastructure and Jobs Development Council or the DEP, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2003 A Bonds and any additional information requested by the Authority.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2003 A Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest, if any, on the Series 2003 A Bonds;
or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2003 A Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2003 A Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 2003 A Bonds shall be on a parity with the Holders of the Series 1990 A Bonds and the Series 1990 C Bonds and senior and prior to the Holders of the Series 1990 B Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project

and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

PAYMENT OF BONDS

Section 10.01. Payment of Bonds. If the Issuer shall pay or there shall otherwise be paid to the Holders of the Series 2003 A Bonds, the principal of and interest due or to become due thereon, if any, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Net Revenues and other monies and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 2003 A Bonds shall thereupon cease, terminate and become void and be discharged and satisfied, except as may otherwise be necessary to assure the exclusion of interest, if any, on the Series 2003 A Bonds from gross income for federal income tax purposes.

if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

such sale, mortgage, lease or other disposition shall be sufficient to fully pay all of the Local Bonds outstanding and further provided that portions of the System when no longer required for the ongoing operation of such System as evidenced by certificates from the Consulting Engineer, may be disposed of with such restrictions as are normally contained in such covenants;

(v) That the Local Government shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and DEP; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Local Government will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Local Government will not grant any franchise to provide any services which would compete with the System;

(xi) That the Local Government shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and DEP, which report shall include a statement that the Local Government is in compliance with the terms and provisions of the Local Act and this Bond Purchase Agreement and that the Local Government's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Local Government may authorize redemption of the Local Bonds with 30 days written notice to the Authority;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for all Local Bonds;

(xvii) That the Local Government shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Local Government shall complete the Monthly Payment Form, attached hereto as Exhibit F

and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month;

(xviii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Local Government will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Local Government shall have obtained the certificate of the Consulting Engineers to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority and DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and DEP is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and State laws for construction of the Project have been obtained;

(xx) That the Local Government shall, to the full extent permitted by applicable law and the rules and regulations of the PSC, terminate the services of any water facility owned by it to any customer of the System who is delinquent in payment of charges for services provided by the System and will not restore the services of the water facility until all delinquent charges for the services of the System have been fully paid or, if the water facility is not owned by the Local Government, then the Local Government shall enter into a termination agreement with the water provider; and

(xxi) That the Local Government shall submit all proposed change orders to the DEP for written approval. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds held in "contingency" as set forth in the final Schedule A attached to the certificate of the Consulting Engineer. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds available due to bid/construction/project underruns.

The Local Government hereby represents and warrants that the Local Act has been or shall be duly adopted or enacted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, validity, sale and delivery of the Local Bonds shall be approved without qualification by nationally recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit G.

The repayment of principal and interest on the Local Bonds shall be as set forth on Schedule Y hereto. In no event shall the interest rate on or the net interest cost of the Local Bonds exceed any statutory limitation with regard thereto.

4.4 The Local Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Local Government. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series.

4.5 As provided by the SRF Regulations, the Local Government agrees to pay from time to time, if required by the Authority and DEP, the Local Government's allocable share of the reasonable administrative expenses of the Authority relating to the Program. 6.1 The Local Government hereby acknowledges to the Authority and DEP its understanding of the provisions of the Act, vesting in the Authority and DEP certain powers, rights and privileges with respect to wastewater treatment projects in the event of default by the Local Government in the terms and covenants of this Bond Purchase Agreement, and the Local Government hereby covenants and agrees that, if the Authority should hereafter have recourse to said rights and powers, the Local Government shall take

ARTICLE VII

Miscellaneous

7.1 Schedules X and Y shall be attached to this Bond Purchase Agreement by the Authority as soon as practicable after the Date of Closing is established and shall be approved by an official action of the Local Government supplementing the Local Act, a certified copy of which official action shall be submitted to the Authority.

7.2 If any provision of this Bond Purchase Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Bond Purchase Agreement, and this Bond Purchase Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.3 This Bond Purchase Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Bond Purchase Agreement.

7.4 No waiver by any party of any term or condition of this Bond Purchase Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Bond Purchase Agreement.

7.5 This Bond Purchase Agreement supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Local Bonds and constitutes the entire agreement between the parties hereto in respect thereof.

7.6 By execution and delivery of this Bond Purchase Agreement, notwithstanding the date hereof, the Local Government specifically recognizes that it is hereby agreeing to sell its Local Bonds to the Authority and that such obligation may be specifically enforced or subject to a similar equitable remedy by the Authority.

7.7 This Bond Purchase Agreement shall terminate upon the earlier of:

(i) written notice of termination to the Local Government from either the Authority or DEP;

(ii) the end of ninety (90) days after the date of execution hereof by the Authority or such later date as is agreed to in writing by DEP if the Local Government has failed to deliver the Local Bonds to the Authority;

(iii) termination by the Authority and DEP pursuant to Section 6.2 hereof; or

(iv) payment in full of the principal of and interest on the Local Bonds and of any fees and charges owed by the Local Government to the Authority or DEP; provided that the amount of the Local Bonds purchased under this Bond Purchase Agreement in any succeeding fiscal year is contingent upon funds being appropriated by the State legislature or otherwise being available to purchase the Local Bonds. In the event funds are not appropriated or otherwise available to purchase all of the Local Bonds, the responsibility of the Authority and DEP to purchase the Local Bonds is terminated; provided further that the obligation of the Local Government to repay the outstanding amount of the Local Bonds is not terminated due to such non-funding on any balance of the Local Bonds. The DEP agrees to use its best efforts to have the amount contemplated under this Bond Purchase Agreement included in its budget. - Item 1 You will need a copy of the current fiscal year budget adopted by the Local Government to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 (\$1,200/12). This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 (\$900/12). This is the incremental amount for the Budget Year-to-Date column.
- Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Local Government according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.
- Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Government.

The Local Government must complete the Monthly Financial Report and forward it to the Water Development Authority by the 10th day of each month, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Government to the Authority and are valid, legally enforceable and binding special obligations of the Local Government, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

(West Virginia SRF Program)

West Virginia Department of Environmental Protection
Charleston, West Virginia

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by The City of Hinton (the "Issuer"), a municipal corporation and political subdivision organized and existing under the laws of the State of West Virginia, of its \$490,000 Sewer Revenue Bonds, Series 2004 A (West Virginia SRF Program), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a bond purchase agreement, dated March 1, 2004, including all schedules and exhibits attached thereto (the "Bond Purchase Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Bond Purchase Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal only to the Authority, bearing no interest, with principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing June 1, 2005, and maturing March 1, 2044, all as set forth in the "Schedule Y" attached to the Bond Purchase Agreement and incorporated in and made a part of the Bonds. The Bonds are subject to the SRF Administrative Fee equal to 0.5% of the principal amount of the Bonds as set forth in the Schedule Y attached to the Bond Purchase Agreement.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquisition and construction of certain additions, betterments and improvements to the existing public sewerage system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Bond Ordinance duly enacted by the Issuer on September 16, 2003, as supplemented by a Supplemental Resolution duly adopted by the Issuer on March 16, 2004 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the Bond Purchase Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Bond Purchase Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Bond Purchase Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to enact the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Bond Purchase Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer, enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.

3. The Bond Legislation and all other necessary ordinances and resolutions have been duly and effectively enacted and adopted by the Issuer in connection with the issuance and sale of the Bonds and constitute valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Bond Purchase Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's Sewer Revenue Bond, Series 1990 A, dated June 14, 1990, issued in the original aggregate principal amount of \$637,262, and Sewer Revenue Bond, Series 1990 C, dated June 14, 1990, issued in the original aggregate principal amount of \$668,000, and senior and prior with respect to liens, pledge and source of and security for payment with the Issuer's Sewer Revenue Bond, Series 1990 B, dated June 14, 1990, issued in the original aggregate principal amount of \$29,738, all in accordance with the terms of the Bonds and the Bond Legislation.

5. The Bonds are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Bond Purchase Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-I, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

Ladies and Gentlemen:

I am counsel to The City of Hinton in Summers County, West Virginia (the "Issuer"). As such counsel, I have examined copies of the approving opinion of Steptoe & Johnson PLLC, as bond counsel, a bond purchase agreement for the Bonds, dated March 1, 2004, including all schedules and exhibits attached thereto, by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP") (the "Bond Purchase Agreement"), a Bond Ordinance duly enacted by the Issuer on September 16, 2003, as supplemented by a Supplemental Resolution duly adopted by the Issuer on March 16, 2004 (collectively, the "Bond Legislation"), a Petition of the Sanitary Board duly adopted on July 18, 2003, and other documents relating to the above-captioned Bonds of the Issuer (the "Bonds"). All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Bond Legislation and the Bond Purchase Agreement when used herein.

I am of the opinion that:

i) The Issuer has been duly created and is validly existing as a municipal corporation and political subdivision of the State of West Virginia, and the Mayor, Recorder and members of the

Council of the Issuer and the Sanitary Board have been duly and properly elected or appointed, as applicable, have taken the requisite oaths, and are authorized to act on behalf of the Issuer in their respective capacities. The Sanitary Board has been duly created by the Issuer and is validly existing as a sanitary board under the Act.

ii) The Bond Purchase Agreement has been duly authorized, executed and delivered by the issuer and, assuming due authorization, execution and delivery by the other parties thereto, constitutes a valid and binding agreement of the Issuer., enforceable in accordance with its trans.

iii) The Bond Legislation has been duly adopted and enacted by the Issuer and is in full force and effect,

iv) The execution and delivery *of the* Bonds and the Bond Purchase Agreement and the consummation of the transactions contemplated by the Bonds, the Bond Purchase Agreement and the Bond Legislation and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, court order or consent decree to which the Issuer is subject.

v) The Issuer has received all orders and approvals from the Public Service Commission of West Virginia, including the Final Order entered on October 14, 2003, and Commission Order entered on March 26th, 2004, in Case No. 03-0900-S-CN, among other things, granting to the Issuer a certificate of convenience and necessity for the Project and approving the financing for the Project. The time for appeal of the Commission Order has not expired prior to the date hereof. However, the Issuer has certified that it does not intend to appeal such Order and the other parties to such Order have stated that they do not intend to appeal such Order. Both orders remain in full force and effect

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use **of** the System, including, without limitation, the receipt of all requisite orders and approvals from the West Virginia Department of Environmental Protection, the West Virginia Infrastructure and Jobs Development Council and the Public *Service* Commission of West Virginia, and has taken any other action required for the imposition of such rates and charges, including, without limitation, the enactment of an ordinance prescribing such rates and charges.

7. To the best of my knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Bonds, Bond Purchase Agreement, the Bond Legislation, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds or the collection or pledge of the Net Revenues therefor.

8. The successful bidder has made required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy. Based upon my review of the contracts, the surety bonds and the policies or other evidence of insurance *coverage* in connection with the Project, I am of the opinion that such surety bonds and policies (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interests of the Issuer; (3) have been executed by duly authorized representatives *of the* proper

parties; (4) meet the requirements of the Act, the Bond Legislation and the Bond Purchase Agreement; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Very truly yours,

Re: Final Title Opinion for City of Hinton

Ladies and Gentlemen:

We are counsel to the City of Hinton (the "Issuer") in connection with a proposed project to construct a sewer line extension across the New River to the Brooklin areas of Summers and Raleigh Counties (*the* "Project"). We provide this final title opinion on behalf *of* the Issuer to satisfy the requirements *of* the West Virginia Department *of* Environmental Protection (*the* "DEP") for the Project. Please be advised of the following:

1. We are of the opinion that the Issuer is a duly created and validly existing municipality possessed with all the powers and authority granted to municipalities under the laws of the State of West Virginia to construct, operate and maintain the Project as approved by the DEP.

The Issuer has obtained all necessary permits and approvals for the construction of the Project.

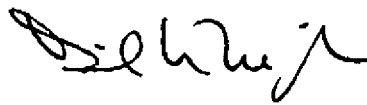

3. We have investigated and ascertained the location of, and are familiar with the legal description of, the necessary sites, including easements and/or rights of way, required for *the* Project as set forth in the plans for the Project prepared by Stafford Consultants, Inc., the consulting engineers for the Project.

4. We have examined the records on file in the Office of the Clerks of the County

Commission of Summers and Raleigh Counties, West Virginia, the counties in which the *Project* is to be located, and, in our opinion, the Issuer has acquired legal title or such other estate or interest in all of the necessary site components for the Project, including all easements andlor rights of way, sufficient to assure undisturbed use and possession *for* the purpose of construction, operation and maintenance for the estimated life of the Project

5. All deeds, easements and rights of way which have been acquired to date by the Issuer have been duly recorded in fhe Office of the Clerks of the County Commissions of Summers and Raleigh Counties to protect the legal title to and interest of the Issuer.

Sincerely,

A handwritten signature in black ink, appearing to read "David L. Ziegler", written in a cursive style.

The City of Hinton

Ladies and Gentlemen:

Based upon the rates and charges set forth in the sewer rate ordinance of The City of Hinton (the "Issuer"), enacted November 17, 1998, and projected operation and maintenance expenses and anticipated customer usage as furnished to us by Stafford Consultants Incorporated, it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the sewerage system of the Issuer (the "System"), will pay all reasonable expenses of operation and maintenance of the System and leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Sewer Revenue Bonds, Series 2004 A (West Virginia SRF Program) (the "Bonds"), to be issued in the original aggregate principal amount of \$490,000 to the West Virginia Water Development Authority on the date hereof, and all other obligations secured by or payable from the revenues of the System, on a parity with or junior to the Bonds, including the Issuer's Sewer Revenue Bonds, Series 1990 A, Sewer Revenue Bonds, Series 1990 B, and Sewer Revenue Bonds, Series 1990 C (collectively, the "Prior Bonds").

It is our further opinion that (i) the Net Revenues for the Fiscal Year following the year in which the Bonds are issued will not be less than 120% of the average annual debt service on the Bonds, including the Prior Bonds and that (ii) the Net Revenues actually derived from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of the Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Bonds, will not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for principal of and interest on the Bonds and the Prior Bonds.

Very truly yours,

CERTIFICATE AS TO USE OF PROCEEDS

The undersigned Mayor of The City of Hinton in Summers County, West Virginia (the "Issuer"), being the official of the Issuer duly charged with the responsibility for the issuance of \$490,000 Sewer Revenue Bonds, Series 2004 A (West Virginia SRF Program), of the Issuer, dated March 30, 2004 (the "Bonds" or the "Series 2004 A Bonds"), on this 30th day of March, 2004, hereby certifies as follows:

1. I am the officer of the Issuer duly charged with the responsibility of issuing the Bonds. I am familiar with the facts, circumstances and estimates herein certified and duly authorized to execute and deliver this certificate on behalf of the Issuer. Capitalized terms used herein and not otherwise defined herein shall have the meanings set forth in the Bond Ordinance duly enacted by the Issuer on September 16, 2003, as supplemented (the "Bond Ordinance"), authorizing the Bonds.

2. This certificate may be relied upon as the certificate of the Issuer.

3. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on March 30, 2004, the date on which the Bonds are being physically delivered in exchange for an initial advance of \$24,500, being a portion of the principal amount of the Series 2004 A Bonds, and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

4. In the Bond Ordinance pursuant to which the Bonds are issued, the Issuer has covenanted that it shall not take, or permit or suffer to be taken, any action with respect to Issuer's use of the proceeds of the Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Internal Revenue Code of 1986, as amended, and the temporary and permanent regulations promulgated thereunder or under any predecessor thereto (collectively, the "Code"), issued by the West Virginia Water Development Authority (the "Authority"), the West Virginia Department of Environmental Protection (the "DEP") or the West Virginia Infrastructure and Jobs Development Council (the "Council"), as the case may be, from which the proceeds of the Bonds are derived, to lose their status as tax-exempt bonds. The Issuer hereby covenants to take all actions necessary to comply with such covenant.

5. The Series 2004 A Bonds were sold on March 30, 2004, to the Authority, pursuant to a Bond Purchase Agreement dated March 1, 2004, by and among the Issuer, the Authority and the DEP, for an aggregate purchase price of \$490,000 (100% of par), at which time, the Issuer received \$24,500 from the Authority and the DEP, being the first advance of the principal amount of the Series 2004 A Bonds. No accrued interest has been or will be paid on the Series 2004 A Bonds. The balance of the principal amount of the Series 2004 A Bonds will be advanced to the Issuer as acquisition and construction of the Project progresses.

6. The Series 2004 A Bonds are being delivered simultaneously with the delivery of this certificate and are issued for the purposes of (i) paying a portion of the costs of acquisition and construction of certain additions, betterments and improvements to the existing public sewerage system of the Issuer (the "Project") and (ii) paying certain costs of issuance of the Bonds and related costs.

7. Within 30 days after the delivery of the Bonds, the Issuer shall enter into agreements which require the Issuer to expend at least 5 % of the net sale proceeds of the Bonds on the Project, constituting a substantial binding commitment. The acquisition and construction of the Project and the allocation of the net sale proceeds of the Bonds to expenditures of the Project shall commence immediately and shall proceed with due diligence to completion, and with the exception of proceeds deposited in the Series 2004 A Bonds Reserve Account, if any, all of the proceeds from the sale of the Bonds, together with any investment earnings thereon, will be expended for payment of costs of the Project on or before June 1, 2005. The acquisition and construction of the Project is expected to be completed by March 1, 2005.

17. All property financed with the proceeds of the Bonds will be owned and held by (or on behalf of) a qualified governmental unit.

18. No proceeds of the Bonds will be used, directly or indirectly, in any trade or business carried on by any person who is not a governmental unit.

20. The Issuer shall use the Bond proceeds solely for the costs of the Project, and the Project will be operated solely for a public purpose as a local governmental activity of the Issuer.

21. The Bonds are not federally guaranteed.

22. The Issuer has retained the right to amend the Bond Ordinance authorizing the issuance of the Bonds if such amendment is necessary to assure that the Bonds remain public purpose bonds.

23. The Issuer has either (a) funded the Series 2004 A Bonds Reserve Account at the maximum amount of principal and interest which will mature and become due on the Bonds in the then current or any succeeding year with the proceeds of the Bonds, or (b) created the Series 2004 A Bonds Reserve Account which will be funded with equal payments made on a monthly basis over a 10-year period until such Series 2004 A Bonds Reserve Account holds an amount equal to the maximum amount of principal and interest which will mature and become due on the Bonds in the then current or any succeeding year. Monies in the Series 2004 A Bonds Reserve Account and the Series 2004 A Bonds Sinking Fund will be used solely to pay principal of and interest on the Bonds and will not be available to pay costs of the Project.

24. There are no other obligations of the Issuer which (a) are to be issued at substantially the same time as the Bonds, (b) are to be sold pursuant to a common plan of financing together with the Bonds and (c) will be paid out of substantially the same sources of funds or will have substantially the same claim to be paid out of substantially the same sources of funds as the Bonds.

25. To the best of my knowledge, information and belief, there are no other facts, estimates and circumstances which would materially change the expectations herein expressed.

26. The Issuer will comply with instructions as may be provided by the Authority, at any time, regarding use and investment of proceeds of the Bonds, rebates and rebate calculations.

27. To the best of my knowledge, information and belief, the foregoing expectations are reasonable.

FOR MUNICIPAL BOND COMMISSION USE ONLY:	
DOCUMENTS REQUIRED:	
TRANSFERS REQUIRED:	

The purpose of the NEW ISSUE REPORT FORM is to provide the WV Municipal Bond Commission with an early warning of three basic facts no later than the day of closing on any issue for which the Commission is to act as fiscal agent. These are:

1. Formal notification that a new issue is outstanding.
2. Date of first action or debt service.
3. Contact people should we lack documents, information, or funds needed to administer the issue by the date of the first action or debt service.

The commission recognizes that as bond transcripts become increasingly long and complex, it has become more difficult to assemble and submit them to the Commission within the 30 days specified by the West Virginia Code 13-3-8. This notice is not intended to provide all the information needed to administer an issue, but to alert the Commission and ensure that no debt service payments are missed due to delays in assembling bond transcripts. If, at the time of closing, documents such as the ordinance and all supplements, debt service schedules, and a specimen bond or photostat are available and submitted with this form, it will greatly aid the Commission in the performance of its duties. These documents are needed to set up the proper accounts and to advise the issuer of monthly deposit requirements as far in advance of the first debt service as possible.

It is not necessary to complete all items if they are not pertinent to your issue. Indicate the County of the issuer. With PSDs that overlap more than one county, indicate the county of their business office. Complete "Rate" only if the issue has only one rate. Please complete a separate form for each series of an issue. Other important information can be recorded under "Notes."

Again, please submit this form on each new issue on the day of closing. If fund transfers into or out of the Commission at closing are required, please submit this form before closing. If no significant facts change by closing, no resubmission at closing is required. If, however, there are changes, please submit an updated form, with changes noted, at closing.

If you should have any questions concerning this form, please call the Commission.

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority f9s this Ordinance. This Ordinance (together with any ordinance, **order** or resolution **supplemental hereto** or amendatory hereof, the "Bond Legislation") is **adopted** and enacted pursuant to the provisions of Chapter 16, Article 13 of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is **hereby** found, determined and declared that:

A. The City of Hinton (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Summers County of said State.

B. The Issuer presently owns and operates a public sewage treatment, collection and transportation system. However, it is deemed necessary and desirable for the health, safety, advantage, convenience and welfare of the inhabitants of the Issuer that there be acquired and constructed certain additions, betterments and improvements for the existing sewerage facilities of the Issuer, consisting of a .625 MGD activated sludge wastewater treatment plant, a main lift station, approximately 7,010 feet of 12-inch force main, and all appurtenant facilities (the "Project") which constitute properties for the collection and transportation of liquid or solid wastes, sewage or industrial wastes (the existing sewerage facilities of the Issuer, the Project and any further additions, improvements or betterments thereto or extensions thereof is herein called the "System") at an estimated cost of \$4,124,000, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the *Issuer*.

C. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all the costs of the operation and maintenance of said System, the principal of and interest on the Bonds and all Sinking Funds, Reserve Accounts and other payments provided for herein and in the Prior Ordinance, all as such terms are hereinafter defined.

D. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds in the total aggregate principal amount of not more than \$1,800,000 in three series, being the Series 1990 A Bonds in the **aggregate** principal amount of not more than \$800,000, the Series 1990 B Bonds in the aggregate principal amount of not more than \$200,000 and the Series 1990 C Bonds in the aggregate principal amount of not **more** than \$800,000 (collectively, the "Original Bonds"), and (at the option of the Issuer) to issue its **sewerage** system bond anticipation notes prior to issuance of the Original Bonds and to issue, contemporaneously therewith or as soon as practicable thereafter, its sewerage system grant anticipation notes and/or a *note* or notes evidencing a line of credit, or any combination of *the* foregoing (**collectively**, the "Notes"), in the **aggregate** principal amount of not **more** than \$2,100,000 to **temporarily** finance costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, **easements** and franchises deemed necessary or convenient therefor; interest upon the

Notes during the term thereof and upon the Bonds prior to and during acquisition or construction and for a period not exceeding 6 months after completion of construction or acquisition of the Project; amounts which may be deposited in the Reserve Accounts; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees of the Authority (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the **Bonds and Notes and** such other expenses as may be necessary or incidental to the financing *herein* authorized, the construction or acquisition of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof, including, with respect to the Notes, any fees for the providing of a letter of credit, as hereinafter defined, and any costs of obtaining insurance thereon; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Bonds or the Notes or the repayment of indebtedness incurred by the Issuer for such purposes, shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Original Bonds constituting the Series 1990 A Bonds and the Series 1990 B Bonds be sold to the Authority (as hereinafter defined) pursuant to the terms and provisions of a loan agreement and a supplemental loan agreement (collectively, the "Loan Agreement") to be entered into between the Issuer and the Authority, in form satisfactory to the Issuer and the Authority, as shall be approved by supplemental resolution, and, further, it is in the best interests of the Issuer that its Original Bonds constituting the Series 1990 C Bonds be sold to the Purchaser (as hereinafter defined) pursuant to the terms and provisions of a Letter of Conditions dated November 17, 1988, and all amendments thereto (collectively, the "Letter of Conditions").

G. There are outstanding obligations of the Issuer which will rank senior and prior to the Bonds as to lien, pledge and sources of and security for payment, being the Sewage **Revenue Bonds**, dated October 1, 1960, issued in the original **aggregate** principal amount of \$720,000, of which \$346,000 remains **outstanding as of** the **date** of initial enactment of this Bond Legislation (the "Prior Bonds") and which are presumed to be held by the public. Sufficient funds (including investments and earnings thereon) have been, or, prior to

the issuance of the Original Bonds, will be, irrevocably deposited with the Commission (hereinafter defined) in escrow to pay, when due, the principal of and the interest on the Prior Bonds, thereby effecting an economic defeasance of the Prior Bonds; however, under the terms the Prior Ordinance (as hereinafter defined), the pledge of Net Revenues in favor of the holders of the Prior Bonds shall not be terminated, discharged and released until redemption of all of the Prior Bonds outstanding by payment of the principal amount thereof, the redemption premium, if any, and interest accrued thereon from moneys and proceeds of securities held in the escrow therefor.

The Series 1990 A Bonds and the Series 1990 C Bonds shall be on parity with each other except as otherwise provided herein, but junior and subordinate to the Prior Bonds with respect to lien, pledge and sources of and security for payment and in all other respects. Other than the Prior Bonds, there are not outstanding any obligations of the Issuer which will rank senior and prior to or on a parity with the Bonds as to lien, pledge and sources of and security for payment.

H. The Issuer has **complied** with all requirements of West Virginia law relating to authorization of the acquisition and construction of the Project and the **operation** of the System, including, without limitation, the imposition of rates and charges, and the issuance of the Bonds and the Notes, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the obtaining of a Certificate of Convenience and Necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have **expired prior to the issuance of the Bonds or any of the Notes or such final order will not be subject to appeal.**

FOR VALUE RECEIVED, THE CITY OF HINTON (herein called "Borrower") promises to pay to the order of the United States of America, acting through the Farmers Home Administration, United States Department of Agriculture (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of _____

DOLLARS (\$ _____), plus interest on the unpaid principal balance at the rate of _____% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first twenty-four months after the date hereof, and \$ _____ covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of **loan closing**, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this **Bond shall be applied** first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Farmers Home

Administration according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable **rates and** terms, taking into consideration prevailing private and **cooperative** rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together *with any* additional **bonds** ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of construction and acquisition of additions, extensions and improvements to the sewerage system (the "**System**") of the **Borrower**, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and

maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower *within* the meaning of any constitutional or statutory provision or limitation, nor shall the Borrower be obligated to pay the same or the interest thereon except from the special fund so provided.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at said office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Ordinance, and upon surrender and cancellation of this Bond. Upon such transfer a new **Bond or** Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and **in** full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13 of the West Virginia Code, as amended (the "Act"), and an Ordinance of the Borrower authorizing issuance of this Bond and a resolution supplemental thereto duly enacted and adopted (collectively, the "Ordinance").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the **Government's request**, apply for and accept such loan in sufficient amount to **repay** the Government.

This Bond is given as evidence of a loan to Borrower made **or** insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Farmers Home Administration and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS JUNIOR AND **SUBORDINATE**, WITH **RESPECT** TO LIEN, **PLEDGE** AND SOURCES OF AND **SECURITY** FOR **PAYMENT**, TO THE BORROWER'S OUTSTANDING **SEWAGE** REVENUE BONDS, DATED OCTOBER 1, 1960, **ISSUED** IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$720,000 AND **DESCRIBED** IN THE ORDINANCE.

Upon completion of acquisition and construction of the Project, the Issuer will file with the Authority a schedule in substantially the form of the "Amended Schedule A" to the Loan Agreement, setting forth the actual costs of the Project and sources of funds therefor. In the event such schedule reflects an excess of funding for the Project, or if the Authority is otherwise advised of an excess, the Authority may tender the Series 1990 B Bonds to the Issuer for payment in an amount equal to such excess to the extent such excess is lawfully available therefor. Notwithstanding the foregoing, if the Issuer has Notes outstanding upon completion of construction of the Project, it will advise the Authority of such fact and submit a second schedule to the Authority upon payment of such Notes, and the Authority will not tender its Series 1990 B Bonds for payment until the outstanding Notes have been paid.

Section 4.01. Authorization and General Terms. In order to pay certain Costs of the Project pending receipt of the Grant Receipts or issuance of the Bonds, the Issuer may issue and sell its Notes in an aggregate principal amount not to exceed \$2,100,000. The Notes may be in the form of bond anticipation notes, grant anticipation notes and/or as evidence of a line of credit from a commercial bank or other lender, or any combination of the foregoing, at the discretion of the Issuer, and as shall be set forth in one or more resolutions supplemental hereto. The Notes shall bear interest from the date or dates, at such rate or rates, payable on such dates and shall mature on such date or dates and be subject to such prepayment or redemption, all as provided in the Indenture and/or supplemental resolution, as applicable.

Section 4.02. Terms of and Security for Notes; Trust Indenture. The Notes, if issued, shall be issued in fully registered form, in the denominations, with such terms and secured in the manner set forth in the Indenture, if applicable (which Indenture in the form to be executed and delivered by the Issuer shall be approved by a supplemental resolution), or one or more supplemental resolutions, if no Indenture is used.

Section 4.03. Notes are Special Obligations. The Notes shall be special obligations of the Issuer payable as to principal and interest solely from proceeds of the Bonds or the Net Revenues (if issued in the form of Bond Anticipation Notes) or the Grant Receipts, the Surplus Revenues and the letter of credit proceeds (if issued in the form of Grant Anticipation Notes) and from other sources described in the Indenture and/or supplemental resolution or resolutions. The Notes do not and shall not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions. The general funds of the Issuer are not liable, and neither the full faith and credit nor the taxing power of the Issuer is pledged for the payment of the Notes. The Holders of the Notes shall never have the right to compel the forfeiture of any property of the Issuer. Section 4.04. Letters of Credit. As additional security for any Notes, the Issuer may obtain a letter or letters of credit from a bank or banks, pursuant to which such bank or banks would agree

Withdrawals and disbursements may be made from the Depreciation Fund only for the following purposes:

(i) For renewals or replacements to the System or for extensions or improvements to the System; and

(ii) To meet the payment of interest on or principal of the Prior Bonds to whatever extent and if for any reason funds in the Prior Bonds Sinking Fund are insufficient for such purpose, and to meet payment of current costs of operation and maintenance of the System to whatever extent and if for any reason funds in the Operation and Maintenance Fund are insufficient therefor; thereafter, and provided payments into the Prior Bonds Sinking Fund are current and in accordance with the foregoing and the requirements of the Prior Ordinance, to meet payment of interest on OR principal of the Series 1990 A Bonds and the Series 1990 C Bonds, on a parity basis, to whatever extent and if for any reason funds in

the Series 1990 A Bonds Sinking Fund, including the Series 1990 A Bonds Reserve Account therein, and the Series 1990 C Bonds Reserve Account, are insufficient for such purposes; and, thereafter, and provided payments into the Prior Bonds Sinking Fund are current and in accordance with the foregoing and the requirements of the Prior Ordinance and provided payments into the Series 1990 A Bonds Sinking Fund, including the Series 1990 A Bonds Reserve Account therein, and into the Series 1990 C Bonds Reserve Account are current and in accordance with the foregoing, to meet payments of interest on or principal of the Series 1990 B Bonds to whatever extent and if for any reason funds in the Series 1990 B Bonds Sinking Fund, including the Series 1990 B Bonds Reserve Account therein, are insufficient for such purposes.

(6) So long as any of the Prior Bonds are outstanding, whenever all specified and required payments from Revenue Fund into the special funds hereinbefore and in the Prior Ordinance provided have been made and there is a balance in the Revenue Fund in excess of the estimated amounts to be so paid into the Operation and Maintenance Fund and the Prior Bonds Sinking Fund during the succeeding three months, such excess shall be withdrawn and paid into the Reserve Fund. Withdrawals and disbursements shall be made from said Reserve Fund to meet any deficiencies in the various special funds provided under the Prior Ordinance and, thereafter, to meet any deficiencies in the various special funds hereinbefore provided and if there are no such deficiencies then withdrawals and disbursements may be made from the Reserve Fund for the purchase or retirement prior to maturity of bonds issued by the Issuer for account of the System or for any other lawful purpose relating to the System.

(7) In the event the Issuer is not required to fund the Depreciation Fund under Subsection 5.03A(5) hereof at any time, the Issuer shall next, on the first day of each month, from the moneys remaining in the Revenue Fund, transfer to the Renewal and Replacement Fund a sum equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal **and** Replacement Fund shall be **kept apart from** all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with

Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in the Series 1990 A Bonds Reserve Account and the Series 1990 C Bonds Reserve Account [except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereby] shall be promptly eliminated with moneys from the Renewal and Replacement Fund on a pro rata basis, and, thereafter, any deficiencies in the Series 1990 B Bonds Reserve Account [except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereby] shall next be promptly eliminated with moneys from the Renewal and Replacement Fund.

(8) The Issuer shall next, on the first day of each month, commencing 13 months prior to the first date of payment of principal on the Series 1990 B Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Series 1990 B Bonds Sinking Fund, a sum equal to 1/12th of the amount of principal which will mature and become due on said Series 1990 B Bonds on the next ensuing principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 1990 B Bonds Sinking Fund and the next annual principal payment date is less than 13 months then such monthly payments shall be increased proportionately to provide, one month prior to the next annual principal payment date, the required amount of principal coming due on such date.

(9) The Issuer shall next, on the first day of each month, commencing 13 months prior to the first date of payment of principal of the Series 1990 B Bonds, if not fully funded upon issuance of the Series 1990 B Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in the Series 1990 B Bonds Reserve Account, an amount equal to 1/120 of the Series 1990 B Bonds Reserve Requirement; provided, that no further payments shall be made into the Series 1990 B Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 1990 B Bonds Reserve Requirement.

Moneys in the Series 1990 A Bonds Sinking Fund and the Series 1990 B Bonds Sinking Fund shall be used only for purposes of paying principal of and interest, if any, on the Series 1990 A Bonds and the Series 1990 C Bonds on a parity basis and on the Series 1990 B Bonds, respectively, as the same shall become due; provided, however, that, notwithstanding anything herein to the contrary, the holders of the Series 1990 C Bonds shall have no claim to moneys in the Series 1990 A Bonds Sinking Fund, including the Series 1990 A Bonds Reserve Account **therein, to the extent** such moneys correspond to monthly installments previously paid upon the Series 1990 C Bonds. Moneys in the Series 1990 A Bonds Reserve Account and the Series 1990 B Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the Series 1990 A Bonds and Series 1990 C Bonds on a parity basis and on the Series 1990 B Bonds, respectively, as the same shall come due, when other moneys in the attendant Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the several Sinking Funds and Reserve Accounts shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Bond Construction Trust Fund, except as otherwise required by the regulations of the Purchaser as to earnings on the Series 1990 C Bonds Reserve Account, and following completion of construction of the **Project**, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payments, if any, due on the respective series of Bonds, and then to the next ensuing principal payments due thereon.

Any withdrawals from the Series 1990 A Bonds Reserve Account and the Series 1990 C Bonds Reserve Account which result in a reduction in the balance of the Series 1990 A Bonds Reserve Account and the Series 1990 C Bonds Reserve Account to below the Series 1990 A Bonds Reserve Requirement and the Minimum Reserve, respectively, shall be subsequently restored from the first Net Revenues available after all required payments have been made in full to the Prior Bonds Sinking Fund first and, thereafter, all required payments set forth in Subsection 5.03(A)(3) hereof have been made in full for payment of debt service on the Series 1990 A Bonds and the Series 1990 C Bonds.

Any withdrawals from the Series 1990 B Bonds Reserve Account which result in a reduction in the balance of the Series 1990 B Bonds Reserve Account to below the Series 1990 B Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments to the Prior Bonds Sinking Fund and after all required payments set forth in Subsection 5.03(A)(3) and to the Series 1990 A Bonds Reserve Account, the Series 1990 C Bonds Reserve Account, the Depreciation Fund, the Renewal and Replacement Fund, the Reserve Fund and the Series 1990 B Bonds Sinking Fund have been made in full.

As and when additional Bonds ranking on a parity with the Bonds are issued, provision shall be made for additional payments into the respective Sinking Fund and otherwise sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate Reserve Account or Accounts in an amount or amounts equal to the maximum amount or amounts of principal and interest which will become due in any year for account of the Bonds of such series.

The Issuer shall not be required to make any further payments into the Series 1990 A Bonds Sinking Fund, the Series 1990 B Bonds Sinking Fund or into the Reserve Accounts therein, or into the Series 1990 C Bonds Reserve Account, when the aggregate amount of funds in said respective Sinking Funds and Reserve Accounts are at least equal to the aggregate principal amount of the respective Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the respective maturities thereof.

The Commission is hereby designated as the fiscal agent for the administration of the Series 1990 A Bonds Sinking Fund, the Series 1990 B Bonds Sinking Fund and the Series 1990 C Bonds Reserve Account created hereunder, and all amounts required for said Sinking Funds and Reserve Accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein.

The payments into the Series 1990 A Bonds Sinking Fund and the Series 1990 B Bonds Sinking Fund shall be made on the first day of each month, except that when the first day of any month shall be a Sunday or legal holiday then such payments shall be made on the next succeeding business day, and all payments to the Commission shall be remitted to the

Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

Moneys in the Reserve Accounts shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 1990 A Bonds Sinking Fund and the Series 1990 B Bonds Sinking Fund, including the Reserve Accounts therein, and the Series 1990 C Bonds Reserve Account, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the respective Bonds and any additional Bonds ranking on a parity therewith that may be issued and Outstanding under the conditions and restrictions and in the priority hereinafter set forth.

Whenever the moneys in the Reserve Accounts of the Series 1990 A Bonds and the Series 1990 C Bonds shall be sufficient to prepay the Series 1990 A Bonds and the Series 1990 C Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay such Bonds at the earliest practical date and in accordance with applicable provisions hereof.

Subject to the provisions of the Prior Ordinance, the Depository Bank is hereby designated as the Fiscal Agent for the administration of the Operation and Maintenance Fund, the Depreciation Fund and the Renewal and Replacement Fund as herein provided, and all amounts required for the Operation and Maintenance Fund, the Depreciation Fund and the Renewal and Replacement Fund will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein and in the Prior Ordinance, together with written advice stating the amount remitted for deposit into each such fund.

The Depository Bank, at the direction of the Issuer, shall keep the moneys in the Operation and Maintenance Fund, the Depreciation Fund and the Renewal and Replacement Fund invested and reinvested in accordance with Section 8.01 hereof.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided and as provided in the Prior Ordinance, are current and there remains in said Revenue Fund a balance in excess of

the estimated amounts required to *be so* transferred and paid into the Prior Bonds Sinking Fund, the Series 1990 A Bonds Sinking Fund (including the Reserve Account therein), the Series 1990 B Bonds Sinking Fund (including the Reserve Account therein), the Series 1990 C Bonds Reserve Account, the Operation and Maintenance Fund, the Depreciation Fund, the Renewal and Replacement Fund and the Reserve Fund during the following month **or such other period as** required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System, including, but not limited to, payment to the Trustee for deposit in the Notes Debt Service Fund.

C. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay the Depository Bank's charges and the Paying Agent fees then due.

D. All funds provided for in this Section shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Holders of the Series 1990 A Bonds and the Series 1990 C Bonds shall have a lien thereon, subject and subordinate to any lien in favor of the Prior Bonds, and, thereafter, and subject and subordinate to the liens of the Holders of the Series 1990 A Bonds and the Series 1990 C Bonds and the Prior Bonds, the Holders of the Series 1990 B Bonds shall have a lien thereon. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in the Revenue Fund, the Operation and Maintenance Fund, the Depreciation Fund, the Reserve Fund and the Renewal and Replacement Fund shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of State and municipal funds under the laws of the State.

E. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove and in the Prior Ordinance provided, subject to the requirements of the Prior Ordinance, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03 and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

F. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

H. All Tap Fees shall be deposited by the Issuer, as received, in the Bond Construction Trust Fund, and following completion of the Project, shall be deposited in the Revenue Fund and may be used for any lawful purpose of the System, provided that, in the event Notes are issued, Tap Fees may, with the written consent of the Authority and the Purchaser be deposited otherwise.

I. The Issuer shall, prior to delivery of the Series 1990 C Bonds, provide evidence that there will be at least 1442 bona fide users upon the System on *completion of* the Project, in full compliance with the requirements and conditions *of* the Purchaser.

J. The Issuer may designate another bank or trust company insured by FDIC as Depository Bank if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change **to be sent** by registered or certified mail to the Purchaser and the Authority.

ARTICLE VI

BOND PROCEEDS; CONSTRUCTION DISBURSEMENTS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the **moneys** received from the sale of any or all of the Original Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 1990 A Bonds, there shall first be deposited with the Commission in the Series 1990 A Bonds Sinking Fund, the amount, if any, specified in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 1990 A Bonds for the period commencing on the date of issuance of the Bonds and ending 6 months after the estimated date of completion of construction or acquisition of the Project.

B. Next, from the proceeds of the Series 1990 A Bonds, there shall be deposited with the Commission in the Series 1990 A Bonds Reserve Account, from the proceeds of the Series 1990 B Bonds, there shall be deposited with the Commission in the Series 1990 B Bonds Reserve Account and from the proceeds of the Series 1990 C Bonds, there shall be deposited with the Commission in the Series 1990 C Bonds Reserve Account, the respective sums, if any, set forth in the Supplemental Resolution for funding of the Reserve Accounts.

C. Next, from the proceeds of the Series 1990 A Bonds and the Series 1990 C Bonds, there shall first be credited to the Bond Construction Trust Fund and then paid, any and all borrowings by the Issuer made for the purpose of temporarily financing a portion of the Costs of the Project, including interest accrued thereon to the date of such payment.

D. The remaining moneys derived from the sale of the Bonds shall be deposited upon receipt with the Depository Bank in the Bond Construction Trust Fund in the manner set forth in the Supplemental Resolution and applied solely to payment of Costs of the Project in the manner set forth in Section 6.02.

E. The Depository Bank shall act as a trustee and fiduciary for the Bondholders with respect to the Bond Construction Trust Fund and shall comply with all requirements with respect to the disposition of the Bond Construction Trust Fund set forth in the Bond Legislation. Moneys in the Bond Construction Trust Fund shall be used solely to pay Costs of the Project and until so expended **are** hereby

pledged as additional security for the Series 1990 A Bonds and the Series 1990 C Bonds, and, thereafter, for the Series 1990 B Bonds; provided, however, that such pledge shall only extend to such moneys as have been actually paid to the Bond Construction Trust Fund by the original purchaser of the respective series of Bonds secured thereby. In the event that Notes are issued, the disposition of funds in the Bonds Construction Trust Fund may be modified from that set forth herein, with the written consent of the Authority and the Purchaser. To the extent required by the Purchaser, in addition to the other requirements herein, proceeds of the Series 1990 C Bonds in the Bond Construction Trust Account in excess of the amount insured by FDIC shall be secured at all times by the Depository Bank in a manner lawful for securing deposits of State and municipal funds under West Virginia law.

F. There shall additionally be established with the Depository Bank such separate accounts and subaccounts within the Bond Construction Trust Fund as are set forth in the Supplemental Resolution so that the Issuer and the Depository Bank may at all times ascertain the source of all funds in the Bond Construction Trust Fund.

Section 6.02. Disbursements From the Bond Construction Trust Fund. Payments for Costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements from the Bond Construction Trust Fund (except for the costs of issuance of the Original Bonds which shall be made upon request of the Issuer), shall be made only after submission to the Depository Bank of a certificate, signed by an Authorized Officer and the Consulting Engineers and as to any proceeds of the Series 1990 C Bonds, a representative of the Purchaser, if the Purchaser so requires, stating:

(A) That none of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(B) That each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(C) That each of such costs has been otherwise properly incurred; and

(D) That payment for each of the items proposed is then due and owing.

In case any contract provides for the retention of a portion of the contract price, the Depository Bank shall disburse from the Bond Construction Trust Fund only the net amount remaining after deduction of any such portion. All payments made from the Bond Construction Trust Fund shall be presumed by the Depository Bank to be made for the purposes set forth in said certificate, and the Depository Bank shall not be required to monitor the application of disbursements from the Bond Construction Trust Fund. The Consulting Engineers shall from time to time file with the Depository Bank written statements advising the Depository Bank of its then authorized representative.

Pending such application, moneys in the Bond Construction Trust Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer, except as otherwise required by the Purchaser with respect to proceeds of the Series 1990 C Bonds in the Bond Construction Trust Fund.

After completion of the Project, as certified by the Consulting Engineers, and all costs thereof have been paid, the Depository Bank shall transfer any moneys remaining in the Bond Construction Trust Fund consisting of Series 1990 A Bond and Series 1990 B Bond proceeds to the Series 1990 A Bonds Reserve Account and when fully funded to the Series 1990 B Bonds Reserve Account, and shall transfer any moneys remaining in the Bond Construction Trust Fund consisting of **Series** 1990 C Bond proceeds to the Series 1990 C Bonds Reserve Account, and when all Reserve Accounts are fully funded, shall return such remaining moneys to the Issuer for deposit in the Revenue Fund, except that, if otherwise required, any balance in the Bond Construction Trust Fund consisting of proceeds of the Series 1990 C Bonds shall be disposed of in accordance with any requirements of the regulations of the Purchaser. The Issuer shall thereafter, apply such moneys in full, first to the next ensuing interest payments, if any, due on the respective series of Bonds and thereafter to the next ensuing principal payments due thereon. Notwithstanding the foregoing, if the Authority tenders any of its Series 1990 B Bonds to the Issuer pursuant to the provisions of the Supplemental Loan Agreement, such moneys shall be applied to the purchase of such Series 1990 B Bonds.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Bonds or the interest thereon is Outstanding and unpaid.

Until the payment in full of the principal of and interest on the Notes when due, and to the extent they do not materially adversely affect Bondholders, the covenants, agreements and provisions contained in this Bond Legislation shall, where applicable, also inure to the benefit of the Holders of the Notes and the Trustee therefor and constitute valid and legally binding covenants of the Issuer, enforceable in any court of competent jurisdiction by the Trustee or any Holder or Holders of said Notes as prescribed in the Indenture; provided, that Section 7.09 shall not be applied to the Grant Anticipation Notes.

Section 7.02. Bonds and Notes not to be Indebtedness of the Issuer. Neither the Bonds nor the Notes shall be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Bonds or Notes, shall ever have the right to compel the exercise of the taxing power of the Issuer to pay said Bonds or Notes or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Positions with Respect to Prior Bonds. The payment of the debt service of the **Series** 1990 A Bonds and the Series 1990 C Bonds issued hereunder shall be secured forthwith equally and ratably by a lien on the Net Revenues derived from the operation of the System on a parity basis, but such lien shall be junior and subordinate to the lien on said Net Revenues in favor of the Prior Bonds. The payment of the debt service of the Series 1990 B Bonds issued hereunder shall be secured forthwith equally and ratably by a lien on said Net Revenues, but such lien shall be junior and subordinate to the lien on said Net Revenues in favor of the Prior Bonds and the Holders of the

Series 1990 A Bonds and the Series 1990 C Bonds. The revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Bonds and to make the payments into the Sinking Funds, the Reserve Accounts, and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to the payment of the principal of and interest on the Bonds as the same become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule pi Rates and Charges. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the ordinance of the Issuer enacted August 10, 1989, which rates and charges are hereby approved, ratified and confirmed.

Section 7.05. Sale of the System. Except as otherwise required by law, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds and Notes, if any, Outstanding, or to effectively defease this Bond Legislation in accordance with Section 10.01 hereof and, if entered into and not previously defeased, the Indenture in accordance with Section 8.01 thereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 1990 A Bonds and the Series 1990 B Bonds, immediately be remitted to the Commission for deposit in the Sinking Funds, and with respect to the Series 1990 C Bonds, immediately be remitted to the National Finance Office designated in the Series 1990 C Bonds, and, with the written permission of the Authority and the Purchaser, or in the event the Authority and the Purchaser are no longer Bondholders, the Issuer shall direct the Commission and the National Finance Office to apply such proceeds to the payment of principal at maturity of and interest on the Bonds. Any balance remaining after the payment of all the Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System. With respect to the Notes, such proceeds in an amount sufficient to pay the Notes in full shall be applied to the payment of the Notes, either at maturity or, if allowable under the Supplemental Resolution or Indenture, prior thereto.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any **of** the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during

the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in **excess** of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property, aggregating during such Fiscal Year in excess of \$10,000 and not in excess of \$50,000, shall with the written consent of the Authority and the Purchaser, be remitted by the Issuer to the Commission for deposit in the Sinking Funds and to the National Finance Office and shall be applied only to the purchase of Bonds of the last maturities then Outstanding at prices not greater than the par value thereof plus 3% of such par value or otherwise. Such payment of such proceeds into the Sinking Fund or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of over 50% in amount of the Bonds then Outstanding and the Consulting Engineers. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and in Section 7.07B, the Issuer shall not issue any obligations whatsoever with a lien on or otherwise payable from any source of payment pledged originally to the Notes issued under the Indenture or supplemental resolution prior to or on a parity with the lien on behalf of such Notes until such Notes have been defeased in accordance with the provisions of the Indenture and the Bond Legislation; and, so long as any of the Bonds are

Outstanding, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Bonds; provided, however, that additional Bonds on a parity with the Series 1990 B Bonds only may be issued as provided for in Section 7.07 hereof. All obligations issued by the Issuer after the issuance of the Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 1990 A Bonds, the Series 1990 B Bonds and the Series 1990 C Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into the Reserve Accounts, the Depreciation Fund and the Renewal and Replacement Fund at the time of the issuance of such subordinate obligations have been made and are current.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

Section 7.07. Parity Bonds. A. No Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 1990 B Bonds. No Parity Bonds shall be issued which shall be payable out of the revenues of the System on a parity with the **Series** 1990 A Bonds and the **Series** 1990 C Bonds, unless the Series 1990 B Bonds are no longer outstanding.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of extensions, improvements or betterments to the System or refunding one or more series of Bonds issued pursuant hereto, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Recorder a written statement by the Independent Certified Public Accountants, based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the

System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Prior Bonds and any other obligations with a lien on the Net Revenues prior to that of the Bonds;
- (2) The Bonds then Outstanding;
- (3) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and
- (4) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineers, which shall be filed in the office of the Recorder prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Consulting Engineers and the said Independent Certified Public Accountants, as stated in a certificate jointly made and signed by the Consulting Engineers and said Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

Not later than simultaneously with the delivery of such Parity Bonds, the Issuer shall have entered into written contracts for the immediate construction or acquisition of such additions, betterments **or** improvements, if any, to the System that are to be financed by such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such **Parity** Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in **compliance** with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

All Parity Bonds shall mature on the day of the years of maturities, and the interest thereon shall be payable on the days of each year, specified in a Supplemental Resolution.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 1990 A Bonds, the Series 1990 B Bonds and the Series 1990 C Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 1990 A Bonds, the Series 1990 B Bonds or the **Series** 1990 C Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

B. Notwithstanding the foregoing, or any provision of Section 7.06 to the contrary, additional Bonds may be issued solely for the purpose of completing the Project as described in the application to the Authority submitted as of the date of the Loan Agreement without regard to the restrictions set forth in this Section 7,07, if there is first obtained by the Issuer the written consent of the Authority and the Purchaser to the issuance of bonds on a parity with the Bonds.

Section 7,08. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds or of a Note or Notes issued pursuant to this Bond Legislation or the Trustee shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto. f

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Consulting Engineers, the Trustee, the Authority and the Purchaser, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of Bonds or Notes, as the case may be, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the Indenture with respect to said Bonds or Notes, as the case may be, and the status of all said funds and accounts.

(C) The amount of any Bonds, Notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of Bonds or Notes, as the case may be, and shall submit said report to the

Trustee, the Authority and the Purchaser, or any other original purchaser of the Bonds. Such audit report submitted to the Authority and the Purchaser shall include a statement that the Issuer is in compliance with the terms and provisions of the Loan Agreement and this Bond Legislation.

Section 7.09. Rates. Equitable rates or charges for the use of and service rendered by the System have **been** established all in the manner and form required by law, and copies of such rates and charges so established will be continuously **on** file with the Recorder, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all reasonable expenses of operation, repair and maintenance of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds; provided that, in the event that amounts equal to or in excess of the Reserve Requirements are on deposit respectively in the Reserve Accounts and reserve accounts for obligations prior to or on a parity with the Bonds are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinance described in Section 7.04.

Section 7.10. Operating Budget and Audit. The Issuer shall annually, at least 45 **days preceding** the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated expenditures for operation and maintenance of the System during the succeeding Fiscal Year. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by the Consulting Engineers, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and

maintenance of the System, and no such increased expenditures shall be made until the Issuer shall **have approved** such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of the Consulting Engineers that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Trustee, the Authority, the Purchaser and to any Holder of any Bonds or Notes, as the case may be, who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Trustee and to any Holder of any Bonds or Notes, as the case may be, or anyone acting for and in behalf of such Holder of any Bonds or Notes, as the case may be.

Section 7.11. No Competing Franchise. Section 8.03. Small Issuer Exemption from Rebate of Excess Investment Earnings to the United States. In accordance with Section 148(f)(4)(C) of the Code, the Issuer covenants that it is a governmental unit with general taxing powers; that no part of the Original Bonds are private activity bonds; that 95% or more of the Net Proceeds of the Original Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer); and that the aggregate face amount of all the tax-exempt obligations (other than private activity bonds) issued by the Issuer during the calendar year in which the Original Bonds are issued does not and will not exceed \$5,000,000, determined in accordance with Section 148(f)(4)(C) of the Code and the Regulations from time to time in effect and applicable to the Original Bonds. In the event of a failure to pay any such amount or amounts, the Issuer will pay, from any lawful sources available therefor, to the United States

an amount equal to the sum of 50% of the amount not paid, plus interest at the required rate on the portion of the amount which was not paid **on** the required date, beginning on such date, unless waived. In order to provide for the administration of this paragraph, the Issuer may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the Issuer may deem appropriate.

The Issuer shall furnish to the Authority and the Purchaser, annually, and at such time as it is required to **perform** its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be requested by the Authority and/or the Purchaser. In addition, the Issuer shall cooperate with the Authority and/or the Purchaser in preparing any required rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority and/or the Purchaser at the expense of the Issuer.

Section 15. The Issuer will take all actions necessary to comply with the Code and Treasury Regulations to be promulgated or to be promulgated thereunder.

Section 16. The Issuer is a governmental unit with general taxing powers to finance operations of or facilities of the nature of the Project and the System; no part of the Bonds are private

Section 17. This Supplemental Resolution shall be effective immediately following adoption hereof.
