This is the incremental amount for the Budget Year-to-Date column.

Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. This is the incremental amount for the Budget Year-to-Date column.

Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Local Government according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.

Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Government.

RE: Preston County Public Service District
Phase II Sanitary Sewer Improvements Project
IJDC Project No.: 2021S-2009
Preston County, West Virginia

Project Team:

This firm represents Preston County Public Service District (hereinafter "District") with regard to the above-referenced Project, and provides this final title opinion on behalf of the District to satisfy the requirements of the funding agencies for the Project. As such, please be advised of the following:

1. That we are of the opinion that the District is a duly created and existing public service district possessed with all powers and authority granted to public service districts under the laws of the State of West Virginia and has the full power and authority to undertake the Project.
2. That the Public Service Commission of West Virginia determined in RFA 24-013, dated February 23, 2024, the Project is in the usual course of business and does not require a Certificate of Convenience and Necessity under *West Virginia Code* §24-2-11.
3. That the District has obtained all necessary permits for the construction of the Project.

4. That we have investigated and ascertained the location of and am familiar with the legal description of the necessary sites, including easements and/or rights-of-way, required for the Project as set forth in the plans for the Project prepared by The Thrasher Group, Inc., the consulting engineers for the Project.

5. That we have examined the records on file in the Office of the Clerk of the County Commission of Preston County, West Virginia, the County in which the Project is to be located and, in our opinion, the District has acquired legal title for one hundred percent (100%) of the necessary easements and/or rights-of-way for the Project sufficient to assure undisturbed use and possession for the purpose of construction, operation and maintenance for the estimated life of the facility to be constructed. That all easements and/or rights-of-way which have been acquired to date by the District have been duly recorded in the aforesaid Clerk's Office in order to protect the legal title to and the interests of the District.

6. The District has obtained all fee take/property purchases necessary for the Project. The deeds have been duly recorded in the aforesaid Clerk's Office in order to protect the legal title to and the interests of the District.

7. That there are no outstanding judgments against the District and there are no tax liens against the District.

8. That all requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and West Virginia State Code Chapter 54 have been met in the acquisition of real property.

If you should have any questions regarding this matter or any of the information contained in this letter, please do not hesitate to contact me.

Very truly yours,

David C. Glover

RE: CPA CERTIFICATE

Ladies and Gentlemen:

Based upon the unappealable rates and charges set forth in the Recommended Decision entered September 9, 2024, which became Final Order on September 29, 2024, which are currently in effect, and the current operation and maintenance expenses and customer usage as furnished to us by the Preston County Public Service District (the "Issuer"), it is our opinion that such rates and charges are sufficient to (i) provide revenues which, together with other revenues of the wastewater system of the Issuer, will pay all repair, operation and maintenance expenses of the System and (ii) to leave a balance each Fiscal Year equal to at least 115% of the maximum amount required in any Fiscal Year for payment of principal of and interest on the Issuer's Sewer Revenue Bonds, Series 2021 A (West Virginia SRF Program), dated April 15, 2021, issued in the original aggregate principal amount of \$3,696,000 (the "Prior Bonds").

In the course of our due diligence to render this Certificate, we have reviewed the books and records of the System and further opine as follows:

America Counts on CPAs

(a.) The Debt Service Reserve Funds for the Prior Bonds are each funded or are being funded at the level required by the respective resolutions of the Issuer authorizing the issuance of such Prior Bonds (collectively, the “Prior Resolutions”);

(b.) The Renewal and Replacement Fund required by the Prior Resolution is established and the rates and charges for the System have been established which are sufficient to make the required deposits in the Renewal and Replacement Fund; and

(c.) The Working Capital Reserve Account required by W. V. Code Section 24-1-1(k) is established and the rates and charges for the System have been established which are sufficient to make the required deposits in the Working Capital Reserve Account.

Sincerely,

Dorinda Kisner
