Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the “Bond Legislation”) is enacted pursuant to the provisions of Chapter 8, Article 20 and Chapter 16, Article 13C of the West Virginia Code of 1931, as amended (collectively, the “Act”), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Richwood (the “Issuer”) is a municipal corporation and political subdivision of the State of West Virginia in Nicholas County of said State.

B. The Issuer presently owns and operates a public combined waterworks and

sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain extensions, additions, betterments and improvements to the waterworks portion of the existing public combined waterworks and sewerage system of the Issuer, consisting of (i) improvements to the water treatment plant by replacing pneumatically actuated automated valves with electric actuated valves, adding filter to the waste valve and line, rehabilitating the existing 500,000 gallon Lynn Street water storage tank, and replacing flocculator assemblies, settling tube modules, filter medias, surface wash-arm assemblies, high service pumps and backwash pump drives and obsolete control panels; (ii) construct a new 100,000 gallon water storage tank at Hinkle Mountain and a new booster station for the Hinkle Mountain extension area, a new pressure reducing station for the Hinkle Mountain extension area; (iii) extend water distribution mains to serve 11 new customers in the Little Laurel area; (iv) extend water distribution mains to serve 65 new customers in the Hinkle Mountain area; and (v) replace 959 manual read residential meters with radio read meters, together with all necessary appurtenances (collectively, the "Project") (the existing public combined waterworks and sewerage system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), which administers the West Virginia Drinking Water Treatment Revolving Fund.

D. It is deemed necessary for the Issuer to issue its Combined Waterworks and Sewerage System Revenue Bonds, in the total aggregate principal amount of not more than \$11,000,000 in two or more series initially planned to be the (i) Combined Waterworks and Sewerage System Revenue Bonds, Series 2022 A (West Virginia DWTRF Program) in the aggregate principal amount of not more than \$8,000,000 (the "Series 2022 A Bonds"); and Combined Waterworks and Sewerage System Revenue Bonds, Series 2022 B (West Virginia DWTRF Program/Forgiveness) in the aggregate principal amount of not more than \$3,000,000 (the "Series 2022 B Bonds"); (collectively, the "Series 2022 Bonds") to permanently finance a portion of the costs of acquisition and construction of the Project, and pay certain costs of issuance thereof. Such costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2022 Bonds prior to and during acquisition or construction and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Series 2022 A Bonds Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority including the Administrative Fee (as hereinafter defined) for the Series 2022 A Bonds; discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2022 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior

to the issuance of the Series 2022 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Series 2022 Bonds be sold to the Authority pursuant to the terms and provisions of a Loan Agreement by and between the Issuer and the Authority on behalf of the West Virginia Bureau for Public Health (the "BPH") in the form satisfactory to the respective parties (the "Loan Agreement") which is in a form satisfactory to the respective parties approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2022 A Bonds as to liens, pledge, source of and security for payment, being the Issuer's:

Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

H. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest, if any, on the Series 2022 A Bonds and the Prior Bonds and to make payments into all funds and accounts and other payments provided for herein.

The registered Series 2022 Bonds shall be transferable only upon the books of the Bond Registrar, by the Registered Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the Registered Owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 2022 Bonds or transferring the registered Bonds are exercised, Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2022 Bonds shall not, in any event, be or constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Gross Revenues derived from the operation of the System as herein provided. No Holder or Holders of the Series 2022 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2022 Bonds or the interest, if any, thereon.

Section 3.08. Series 2022 A Bonds Secured by Pledge of Gross Revenues; Lien Position with Respect to Prior Bonds. A. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited. The Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the Series 2022 A Bonds Sinking Fund and the Series 2022 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2022 A Bonds Sinking Fund and the Series 2022 A Bonds Reserve Account, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2022 A Bonds under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest, if any, and reserve payments with respect to the Series 2022 Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and

application thereof consistent with the provisions of this Bond Legislation. The Issuer shall also on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the Administrative Fee as set forth in the Schedule Y attached to the Loan Agreement for the Series 2022 A Bonds.

C. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as herein above provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered as surplus revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the System.

D. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this Section, the Issuer shall make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

E. The monies in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

F. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as herein above provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Gross Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

G. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI
BOND PROCEEDS; CONSTRUCTION DISBURSEMENTS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the monies received from the sale of the Series 2022 Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

B. As the Issuer receives advances of the remaining monies derived from the sale of the Series 2022 Bonds, such monies shall be deposited with the Depository Bank in the Series 2022 Bonds Construction Trust Fund and applied solely to payment of the Costs of the Project in the manner set forth in Section 6.02 hereof and, until so expended, are hereby pledged as additional security for the Series 2022 Bonds.

C. After completion of construction of the Project, as certified by the Consulting Engineers, and all Costs have been paid, any remaining proceeds of the Series 2022 Bonds shall be expended as approved by the BPH.

Section 6.02. Disbursement from the Bond Construction Trust Fund. For the Series 2022 A Bonds and Series 2022 B Bonds, the Issuer shall have delivered to the Authority and the BPH a report listing the specific purposes for which the net proceeds of the Series 2022 A Bonds and Series 2022 B Bonds will be expended and the disbursement procedures for such proceeds. Payments for the Costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements of proceeds of the Series 2022 A Bonds and Series 2022 B Bonds from the Series 2022 Bonds Construction Trust Fund shall be made only after submission to and the approval from the BPH, of (1) a completed and signed "Payment Requisition Form" a form of which is attached to the Loan Agreement as EXHIBIT B; and (2) a certificate signed by an Authorized Officer that:

- (B) Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;
- (C) Each of such Costs has been otherwise properly incurred; and

Pending such application, monies in the Series 2022 Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII **ADDITIONAL COVENANTS OF THE ISSUER**

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2022 Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2022 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2022 Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2022 Bonds shall not be nor constitute a corporate indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2022 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2022 Bonds, or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Gross Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service on the Series 2022 A Bonds shall be secured by a first lien on the Gross Revenues derived from the System, on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. The Gross Revenues in an amount sufficient to pay the principal of and interest, if any, on the Prior Bonds, the Series 2022 A Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement and the Issuer shall supply a certificate of Certified Public Accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the water rate ordinance of the Issuer enacted November 4, 2021 and the sewer rate ordinance of the Issuer enacted October 18, 2018 which rates are incorporated herein by reference as a part hereof.

So long as the Series 2022 Bonds are Outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates and charges initially established for the System in connection with the Series 2022 Bonds shall prove to be insufficient to produce the amounts required by this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the amounts required by this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are Outstanding, the Issuer shall not sell, lease, mortgage or in any manner dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances and as provided herein. So long as the Series 2022 Bonds are Outstanding and except as otherwise required by law or with the written consent of the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2022 A Bonds, immediately be remitted to the Commission for deposit in

the Series 2022 A Bonds Sinking Fund, and, with the written consent of the Authority, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2022 A Bonds. Any balance remaining after the payment of all the Series 2022 Bonds and interest, if any, thereon shall be remitted to the Issuer unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine, upon consultation with a professional engineer, that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Revenue Fund. The payment of such proceeds into the Revenue Fund shall not reduce the amount required to be paid into such account by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2022 Bonds. All obligations issued by the Issuer after the issuance of the Series 2022 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2022 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2022 Bonds, and the interest, if any, thereon, upon any of the income and revenues of the System pledged for payment of the Series 2022 Bonds and the interest, if any, thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are Outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no additional Parity Bonds payable out of the revenues of the System, shall be issued after the issuance of the Series 2022 Bonds pursuant to this Ordinance, without the prior written consent of the Authority and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinances).

No Parity Bonds shall be issued except for the purposes of financing the costs of design, acquisition and construction of extensions, additions, betterments or improvements to the System or refunding the Bonds issued pursuant hereto, or both such purposes.

So long as the Prior Bonds or Series 2022 A Bonds are Outstanding, no such Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Recorder a written statement by Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall be not less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The “estimated average increased annual Net Revenues to be received in each of the 3 succeeding years,” as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of issuance of such Parity Bonds and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Recorder of the Issuer prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, as stated in a certificate filed with the Recorder, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Parity Bonds.

All the covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2022 A Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All the Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System, and their source of and security for payment from said revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien on the revenues of the System of which is subject to the prior and superior lien of the Series 2022 A Bonds on such revenues. Any such subordinate bonds, notes, certificates or other obligations shall be payable from the revenues remaining after all payments required to be made in accordance with this Bond Legislation have first been paid. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such revenues, with the Series 2022 A Bonds except in the manner and under the conditions provided in this section.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation on account of the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of issuance of the Parity Bonds and the Issuer is then in full compliance with all the covenants, agreements and terms of this Bond Legislation and every ordinance supplemental thereto, or shall have fully corrected any delinquency or deficiency in such payments.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Lenders, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Lenders such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Lenders, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as the Issuer shall direct.

The Issuer shall file with the Lenders, or any other original purchaser of the Series 2022 Bonds, and shall mail in each year to any Holder or Holders of the Series 2022 Bonds, requesting the same, an annual report containing the following:

- (A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.
- (B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.
- (C) The amount of any bonds, notes or other obligations Outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required in compliance with 2 CFR 200 Subpart F, or any successor thereof), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2022 Bonds and shall submit the report to the Authority, or any other original purchaser of the Series 2022 Bonds. Such audit report submitted to the Authority shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project

and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Lenders, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Lenders, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Lenders with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2022 Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the Recorder of the Issuer, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2022 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2022 Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit respectively in the respective Series 2022 Bonds Reserve Accounts and reserve accounts for obligations on a parity with the Series 2022 Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2022 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2022 Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinance currently in effect.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Issuer that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and

maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the BPH within 30 days of adoption thereof.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a “Monthly Financial Report,” a form of which is attached to the Loan Agreement and forward a copy of such report to the Authority by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Lenders, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Lenders is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Lenders covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Lenders and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit As-Built Plans, as defined in the DWTRF Regulations, to the Issuer within 60 days of the completion of the Project. The Issuer shall notify the BPH in writing of such receipt.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the DWTRF Regulations, to the Issuer when the Project is 90% completed. The Issuer shall at all times provide operation and maintenance of the System in compliance with all State and Federal standards. The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the Loan Agreement. The Issuer shall notify the BPH in writing of the certified operator employed at the 50% completion stage.

The Issuer will serve the additional customers at the location(s) as set forth in Certificate of Engineer. The Issuer will not reduce the amount of additional customers served by the project without the prior written approval of the Board of the Water Development Authority (the “Authority”). Following completion of the Project the Issuer will certify to the Authority the number of customers added to the System.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer, and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 2022 Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the greater of the fair appraised value or the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. In the event of any damage to or destruction of any portion of the System, the proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repair or reconstruction of such damages or destroyed portion or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and

extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the prime contractor and subcontractors, as their interests may appear.

(4) FIDELITY BONDS will be provided as to every officer and employee of the Board or the Issuer having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

(5) FLOOD INSURANCE, if the System facilities are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(6) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such workers' compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided, that the amounts and terms of such coverage are satisfactory to the Lenders, and the Issuer shall verify such insurance prior to commencement of construction. This is the incremental amount for the Budget Year-to-Date column.
Item 2:	Provide the amount of actual Operating Expenses for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. The Local Bonds are issued in the principal amount of \$_____, in the form of one bond, registered as to principal and interest to the Authority, with principal and interest payable quarterly on March 1, June 1, September 1, and December 1 of each year, beginning _____ 1, ____, and ending _____ 1, ____, all as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Local Entity on _____, as supplemented by the supplemental resolution duly adopted by the Local Entity on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Local Entity and is a valid and binding special obligation of the Local Entity, enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the BPH and cannot be amended so as to affect adversely the rights of the Authority or the BPH or diminish the obligations of the Local Entity without the consent of the Authority and the BPH.

3. The Local Entity is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Local Entity and constitute valid and binding obligations of the Local Entity, enforceable against the Local Entity in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Entity to the Authority and are valid, legally enforceable and binding special obligations of the Local Entity, payable from the gross or net revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the gross or net revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. Under the Act, the Local Bonds and any interest thereon are exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by the City of Richwood (the "Issuer"), a municipal corporation and political subdivision created and existing under the laws of the State of West Virginia, of its \$5,060,390 Combined Waterworks and Sewerage System Revenue Bonds, Series 2022 A (West Virginia DWTRF Program), dated the date hereof (the "Series 2022 A Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a Loan Agreement dated June 16, 2022, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Bureau for Public Health (the "BPH"), and the Series 2022 A Bonds, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Series 2022 A Bonds are originally issued in the form of one Bond, registered as to principal and interest to the Authority, bearing interest at the rate of 0.5% per annum, with principal and interest payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing June 1, 2024 to and including June 1, 2062, all as set forth in "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Series 2022 A Bonds. The Series 2022 A Bonds are not subject to the Administrative Fee.

The Series 2022 A Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 20 and Chapter 16, Article 13C of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquisition and construction of certain additions, betterments and improvements to the water portion of the existing combined waterworks and sewerage system of the Issuer; and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act and the Bond Ordinance duly enacted by the Issuer on June 2, 2022, as supplemented by a Supplemental Resolution duly adopted by the Issuer on June 2, 2022 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Series 2022 A Bonds are authorized and issued, and the Loan Agreement has been entered into. The Series 2022 A Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Loan Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Bond Legislation and to issue and sell the Series 2022 A Bonds, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the BPH and cannot be amended by the Issuer so as to affect adversely the rights of the Authority or the BPH or diminish the obligations of the Issuer without the written consent of the Authority and the BPH.

3. The Bond Legislation and all other necessary ordinances, orders and resolutions have been duly and effectively enacted and adopted by the Issuer in connection with the issuance and sale of the Series 2022 A Bonds and constitutes valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

The Series 2022 A Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Gross Revenues of the System and secured by a first lien on and pledge of the Gross Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's: (1) Combined Waterworks and Sewerage System Revenue Bonds, Series 2002 (West Virginia SRF Program), dated December 18, 2002, issued in the original aggregate principal amount of \$682,314 (the "Series 2002 Bonds"); (2) Combined Waterworks and Sewerage System Revenue Bonds, Series 2009 A (West Virginia Infrastructure Fund), dated September 2, 2009, issued in the original aggregate principal amount of \$1,308,155 (the "Series 2009 A Bonds"); and (3) Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2021 A (West Virginia SRF Program), dated May 25, 2021, issued in the original aggregate principal amount of \$600,000 (the "Series 2021 A Bonds") (collectively the "Prior Bonds").

4. The Series 2022 A Bonds are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality or county commission, political subdivision or agency thereof, and the interest, if any, on the Series 2022 A Bonds is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

5. The Series 2022 A Bonds have not been issued on the basis that the interest thereon, if any, is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Series 2022 A Bonds.

It is to be understood that the rights of the Holders of the Series 2022 A Bonds and the enforceability of the Series 2022 A Bonds, the Loan Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

STEPTOE & JOHNSON PLLC

Ladies and Gentlemen:

We are counsel to the City of Richwood, in Nicholas County, West Virginia (the “Issuer”). As such counsel, we have examined copies of the approving opinions of Steptoe & Johnson PLLC, as bond counsel, a loan agreement dated June 16, 2022, including all schedules and exhibits attached thereto (the “Loan Agreement”), by and between the Issuer and the West Virginia Water Development Authority (the “Authority”), on behalf of the West Virginia Bureau for Public Health (the “BPH”), the Bond Ordinance duly enacted by the Issuer on June 2, 2022, as supplemented by the Supplemental Resolution duly adopted by the Issuer on June 2, 2022 (collectively, the “Bond Legislation”), and other documents relating to the above-captioned bonds of the Issuer (collectively, the “Series 2022 Bonds”). All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Loan Agreement when used herein.

We are of the opinion that:

1. The Issuer is duly created and validly existing as a municipal corporation and a political subdivision of the State of West Virginia, and the Mayor, Recorder and members of the Council of the Issuer have been duly, lawfully and properly elected or appointed, as applicable,

have taken the requisite oaths, and are authorized to act on behalf of the Issuer in their respective capacities.

2. The Bond Legislation has been duly adopted and enacted by the Issuer and is in full force and effect.

3. The Loan Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the Authority, constitutes a valid and binding agreement of the Issuer enforceable in accordance with its terms.

4. The execution and delivery of the Series 2022 Bonds and the Loan Agreement and the consummation of the transactions contemplated by the Series 2022 Bonds, the Loan Agreement and the Bond Legislation and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or any existing law, regulation, court order or consent decree to which the Issuer is subject.

5. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the issuance of the Series 2022 Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders and approvals from the Bureau for Public Health and the Public Service Commission of West Virginia, and has taken any other action required for the imposition of such rates and charges, including, without limitation, the enactment of an water ordinance dated November 4, 2021 and a sewer rate ordinance enacted October 18, 2018 prescribing such rates and charges. An affidavit of CPA dated June 6, 2022 has been filed in accordance with such order. Such rate ordinances are in full force and effect.

6. The Issuer has received all orders and approvals from the Public Service Commission of West Virginia, including the Recommended Decision entered March 2, 2022, which became Final Order on March 22, 2022 in Case No. 21-0714-W-CN among other things, granting to the Issuer a certificate of convenience and necessity for the Project and approving the financing for the Project. The time for appeal of the Order has expired prior to the date hereof. The Order is in full force and effect.

7. To the best of our knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Series 2022 Bonds and the Bond Legislation, the acquisition and construction of the Project, the operation of the System, or the validity of the Series 2022 Bonds, or the collection of the Gross Revenues or pledge of the Net Revenues therefor.

8. We have ascertained that all successful bidders have provided the drug-free workplace affidavit, submitted their drug-free workplace plan, and the contracts contain language that complies with the Drug-Free Workplace Act, Article 1D, Chapter 21 of the West Virginia

Code. We have also ascertained that all successful bidders have made required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy. Based upon our review of the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, we are of the opinion that such surety bonds and policies (i) are in compliance with the contracts; (ii) are adequate in form, substance and amount to protect the various interests of the Issuer; (iii) have been executed by duly authorized representatives of the proper parties; (iv) meet the requirements of the Act, the Bond Legislation and the Loan Agreement; and (v) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Ladies and Gentlemen:

Based upon the rates and charges as set forth in the sewer rate ordinance of the City of Richwood (the "Issuer") enacted October 18, 2018, and the water rate ordinance of the Issuer enacted November 4, 2021, and the projected operating expenses and the anticipated customer usage as furnished to us by Issuer, it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the combined waterworks and sewerage system of the Issuer, will pay all operating expenses and leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Combined Waterworks and Sewerage System Revenue Bonds, Series 2022 A (West Virginia DWTRF Program) in the original aggregate amount of \$5,060,390 (the "Series 2022 A Bonds"), issued on the date hereof and all other obligations secured by or payable from the revenues of the System, including the Issuer's:

- (1) Combined Waterworks and Sewerage System Revenue Bonds, Series 2002 (West Virginia SRF Program), dated December 18, 2002, issued in the original aggregate principal amount of \$682,314 (the "Series 2002 Bonds");
- (2) Combined Waterworks and Sewerage System Revenue Bonds, Series 2009 A (West Virginia Infrastructure Fund), dated September 2, 2009, issued in the original aggregate principal amount of \$1,308,155 (the "Series 2009 A Bonds"); and
- (3) Combined Waterworks and Sewerage System Design Revenue Bonds, Series 2021 A (West Virginia SRF Program), dated May 25, 2021, issued in the original

aggregate principal amount of \$600,000 (the "Series 2021 A Bonds") (collectively the "Prior Bonds").

It is further our opinion that the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Series 2022 A Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2022 A Bonds, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Series 2022 A Bonds and the Prior Bonds.

In the course of our due diligence to render this Certificate, we have reviewed the books and records of the System and further opine as follows:

- (a.) The Debt Service Reserve Funds for the Prior Bonds are each funded or are being funded at the level required by the respective ordinance of the Issuer authorizing the issuance of such Prior Bonds (collectively, the "Prior Ordinances");
- (b.) The Renewal and Replacement Fund required by the Prior Ordinances is established and the rates and charges for the System have been established which are projected to be sufficient in the upcoming Fiscal Year to be sufficient to make the required deposits in the Renewal and Replacement Fund; and
- (c.) The Working Capital Reserve Account required by W. V. Code Section 24-1-1(k) is established and the rates and charges for the System have been established which are projected to be sufficient in the upcoming Fiscal Year to be sufficient to make the required deposits in the Working Capital Reserve Account.

The Issuer hereby covenants to take all actions necessary to comply with such covenant.

5. A.
