BE IT RESOLVED AND ORDERED BY THE PUBLIC SERVICE BOARD OF ARMSTRONG PUBLIC SERVICE DISTRICT:

ARTICLE I

**STATUTORY AUTHORITY, FINDINGS
AND DEFINITIONS**

Section 1.01. Authority for this Resolution. This Resolution is adopted pursuant to the provisions of Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law. Armstrong Public Service District (the "Issuer") is a public corporation, public service district and political subdivision of the State of West Virginia in Fayette County of said State, duly created pursuant to the Act by The County Commission of Fayette.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

A. The Issuer currently owns and operates a public waterworks system and desires to finance and acquire, construct, operate and maintain certain additional public service properties consisting of additions, improvements and extensions to such existing waterworks facilities with all appurtenant facilities, within the boundaries of the Issuer to be owned and operated by the Issuer.

B. It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer, and, accordingly, it is hereby ordered that there be constructed and designed certain additions, improvements and extensions to the existing waterworks facilities of the Issuer, consisting construction of minor improvements to the water treatment plant, waterline extension, decommissioning of the Deepwater plant, water tank replacement,

valve replacements, and waterline upgrades (the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Secretary of the Public Service Board (the "Governing Body") of the Issuer. The existing waterworks facilities of the Issuer, together with the Project and any further additions, improvements or extensions thereto, are herein called the "System." The design of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. The estimated revenues to be derived in each year from the operation of the System after completion of the Project will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Bonds (hereinafter defined) and all funds and accounts and other payments provided for herein.

D. The estimated maximum cost of the Project is \$1,975,000 of which \$765,000 will be obtained from the proceeds of sale of the Series 2011 A Bonds, herein authorized, \$880,000 will be obtained as a grant from the Purchaser, \$310,000 will be obtained as a grant from the West Virginia Infrastructure Fund and \$20,000 will be obtained from a grant from the Fayette County Commission.

E. It is necessary for the Issuer to issue its Water Revenue Bonds, Series 2011 A (United States Department of Agriculture), in the aggregate principal amount of \$765,000 (the "Series 2011 A Bonds"), to permanently finance a portion of the cost of such acquisition and construction in the manner herein provided. The cost of such acquisition and construction shall be deemed to include, without being limited to, the acquisition and construction of the Project; the cost of all property rights, easements and franchises deemed necessary or convenient therefor and for the improvements and extensions thereto; interest on the Series 2011 A Bonds prior to, during and for six months after completion of such design of the improvements and extensions; engineering, fiscal agents and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; and other expenses necessary or incident to determining the feasibility or practicability of the Project, administrative expense, and such other expenses as may be necessary or incident to the financing herein authorized; provided that, reimbursement to the Issuer for any amounts expended by it for the repayment of indebtedness incurred for costs of the Project by the Issuer shall be deemed costs of the Project.

F. The period of usefulness of the System after completion of the Project is not less than 40 years.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2011 A Bonds as to liens, pledge and source of and security for payment being the Issuer's Water Revenue Bonds, Series 2001 A (United States Department of Agriculture), dated December 13, 2001, issued in the original aggregate principal amount of \$550,000 (the "Series 2001 A Bonds") and Water Revenue Bonds, Series 1974 (United States Department of Agriculture), dated January 30, 1974, issued in the original aggregate principal amount of \$338,000 (the "Series 1974 Bonds") (collectively, the "Prior Bonds"). Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which rank prior to or on a parity with the Series 2011 A Bonds as to liens, pledge and/or source of and security for payment.

The Issuer is not in default under the terms of the Prior Bonds, or the resolutions authorizing issuance of the Prior Bonds or any document in connection therewith, and has complied with all requirements of all the foregoing with respect to the issuance of parity bonds or has obtained a sufficient and valid consent or waiver thereof.

H. It is in the best interest of the Issuer that the Series 2011 A Bonds be sold to the Purchaser, pursuant to the terms and provisions of the Letters of Conditions, dated June 20, 2008, and all amendments thereto, if any (collectively, the "Letter of Conditions").

I. The Issuer has complied with all requirements of law relating to the authorization of the acquisition and construction of the Project, the operation of the System, including, without limitation, the imposition of rates and charges, and the issuance of the Series 2011 A Bonds, or will have so complied prior to issuance of the Series 2011 A Bonds, including, among other things and without limitation, obtaining a certificate of public convenience and necessity and approval of the financing and necessary user rates and charges from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired or shall have been duly waived or otherwise provided for.

In consideration of the acceptance of the Series 2011 A Bonds by those who shall be the Registered Owner of the same from time to time, this Resolution (the "Bond Legislation") shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owner, and the covenants and agreements set forth herein to be performed by the Issuer shall be for the benefit, protection and security of the Registered Owner of the Series 2011 A Bonds.

Section 3.02. Description of Bonds. The Series 2011 A Bonds shall be issued in single form, numbered AR-1, only as a fully registered Bond, and shall be dated the date of delivery thereof. The Series 2011 A Bonds shall bear interest from the date of delivery, payable monthly at the rate of 3.375% per annum, and shall be sold for the par value thereof. The Bond Registrar shall require the payment by the new owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer, but the Issuer shall pay any other expenses incurred by the Bond Registrar with respect to such transfer.

The Series 2011 A Bonds so surrendered shall be canceled and held for the account of the Issuer. If the Series 2011 A Bonds shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, and, if such Bond be destroyed, stolen or lost, without surrender thereof.

Section 3.07. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Series 2011 A Bonds shall be secured forthwith by a first lien on the Net Revenues derived from the System, on a parity with the Prior Bonds. The Net Revenues derived from the System in an amount sufficient to pay the principal of and interest on the Series 2011 A Bonds and the Prior Bonds, and to make the payments as hereinafter provided, are hereby irrevocably pledged to the payment of the principal of and interest on the Series 2011 A Bonds and the Prior Bonds as the same become due.

The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$_____, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly

or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond is issued to (i) pay a portion of the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the existing public waterworks system of the Issuer, and (ii) to pay costs of issuance and related costs.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolutions and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the

West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted _____, 2011, authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act of 1965, as amended. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS ISSUED ON A PARITY, AS TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, WITH THE BORROWER'S WATER REVENUE BONDS, SERIES 1974 (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED JANUARY 30, 1974, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$338,000 (THE "SERIES 1974 BONDS") AND WATER REVENUE BONDS, SERIES 2001 A (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED DECEMBER 13, 2001, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$550,000 (THE "SERIES 2001 A BONDS") (COLLECTIVELY, THE "PRIOR BONDS").

The proceeds of the sale of the Series 2011 A Bonds shall be deposited upon receipt by the Issuer in the Series 2011 A Bonds Project Construction Account. The monies in the Series 2011 A Bonds Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by the Depository Bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Monies in the Series 2011 A Bonds Project Construction Account shall be expended by the Issuer solely for the purposes provided herein.

Monies in the Series 2011 A Bonds Project Construction Account shall be used solely to pay the cost of acquisition and construction of the Project upon vouchers and other documentation approved by the Purchaser.

Until completion of acquisition and construction of the Project, the Issuer will additionally transfer from the Series 2011 A Bonds Project Construction Account and pay to the Purchaser on or before the due date, such sums as shall be from time to time required to make the

monthly installments on the Series 2011 A Bonds if there are not sufficient Net Revenues to make such monthly payment.

Pending application as provided in this Section 4.02, money and funds in the Series 2011 A Bonds Project Construction Account shall be invested and reinvested at the direction of the Issuer, to the extent possible in accordance with applicable law, in Qualified Investments.

When acquisition and construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the Series 2011 A Bonds Project Construction Account shall be disposed of in accordance with the regulations of the Purchaser.

Section 4.03. Covenants of the Issuer as to System Revenues and Funds. So long as any of the Series 2011 A Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 2011 A Bonds Reserve Account, a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Series 2011 Bonds remaining unpaid, together with interest accrued and to accrue thereon, the Issuer further covenants with the Holders of the Series 2011 A Bonds as follows:

A. **REVENUE FUND.** The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited as collected by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Resolutions and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in the Resolutions.

B. **DISPOSITION OF REVENUES.** All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority, subject to the provisions of the Prior Resolutions not otherwise modified herein:

(1) The Issuer shall first, each month, pay from the Revenue Fund the Operating Expenses of the System.

(2) The Issuer shall next, each month, on or before the due date thereof, transfer from the Revenue Fund and simultaneously remit (i) to the National Finance Office the amount required by the Prior Resolutions to pay the interest on the Prior Bonds; and (ii) to the National Finance Office the amount required to pay interest on the Series 2011 A Bonds.

(3) The Issuer shall next, each month, transfer from the Revenue Fund and simultaneously, on or before the due date thereof, remit (i) to the National Finance Office the amount required by the Prior Resolutions to pay the principal of the Prior Bonds; and (ii) remit to the National Finance Office, commencing 24 months following the date of delivery of the Series 2011 A Bonds, the amount required to amortize the principal of the Series 2011 A Bonds.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) remit to the Commission the amounts required by the Prior Resolutions to be deposited in the Reserve Account for the Prior Bonds; and (ii) beginning on the date specified by the purchaser, but in any event not later than the 24th monthly anniversary of the Closing Date, and continuing on each monthly anniversary of the Closing Date thereafter, transfer from the Revenue Fund and remit to the Commission, for deposit in the Series 2011 A Bonds Reserve Account, an amount equal to 10% of the monthly payment amount, until the amount in the Series 2011 A Bonds Reserve Account equals the Series 2011 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2011 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2011 A Bonds Reserve Requirement.

(5) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund, an amount equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided that, any deficiencies in any Reserve Accounts (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

Whenever the money in the Series 2011 A Bonds Reserve Account shall be sufficient to prepay the Series 2011 A Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Series 2011 A Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The Commission is hereby designated as the Fiscal Agent for the administration of the Series 2011 A Bonds Reserve Account. All amounts required for the Series 2011 A Bonds Reserve Account will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written advice stating the amount remitted for deposit into each such fund.

The Revenue Fund shall constitute a Trust Fund and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further

securing payment of the Series 2011 A Bonds and the interest thereon, on a parity with the Prior Bonds.

The Series 2011 A Bonds Reserve Account shall constitute a trust fund and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Series 2011 A Bonds and the interest thereon.

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2011 A Bonds and the Prior Bonds, in accordance with the respective principal amounts then Outstanding.

Subject to the Prior Resolutions, the Commission shall keep the monies in the Series 2011 A Bonds Reserve Account invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Legislation shall, unless otherwise provided herein or required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia Board of Treasury Investments. Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. Earnings from monies in the Series 2011 A Bonds Reserve Account, so long as the Minimum Reserve is on deposit and maintained therein, shall be paid annually by the Commission to the Issuer and deposited in the Revenue Fund.

C. CHANGE OF DEPOSITORY BANK. The Issuer may designate another bank or trust company insured by FDIC as Depository Bank if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

D. USER CONTRACTS. The Issuer shall, prior to delivery of the Series 2011 A Bonds, provide evidence that there will be at least 958 bona fide users upon the System on completion, in full compliance with the requirements and conditions of the Purchaser.

E. CHARGES AND FEES. The Issuer shall remit from the Revenue Fund to the Depository Bank and the Commission such additional sums as shall be necessary to pay the charges and fees of the Depository Bank or the Commission then due.

F. INVESTMENT OF EXCESS BALANCES. The monies in excess of the sum

insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State of West Virginia.

G. REMITTANCES. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

H. GROSS REVENUES. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE V

GENERAL COVENANTS, ETC.

Section 5.01. General Statement. So long as the Series 2011 A Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 2011 A Bonds Reserve Account sums sufficient to prepay the entire remaining unpaid principal of the Series 2011 A Bonds, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenant between the Issuer and the Holder of the Series 2011 A Bonds.

Section 5.02. Rates. So long as the Prior Bonds are outstanding, the Issuer will maintain rates as required in the Prior Resolutions. So long as the Series 2011 A Bonds are outstanding, the Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Series 2011 A Bonds and the Prior Bonds and sufficient to make the payments required herein into all funds and accounts and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System or any part thereof, except as provided in the Prior Resolutions. The System will not be sold without the prior written consent of the Purchaser so long as the Series 2011 A Bonds are outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. No additional Parity Bonds or obligations payable out of any of the Revenues of the System shall be issued, except with the prior written consent of the Purchaser. No Parity Bonds shall be issued after issuance of the Series 2011 A Bonds unless the provisions contained in the Prior Resolution respecting issuance of Parity Bonds have been satisfied.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2011 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions extensions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

So long as the Series 2011 A Bonds and the Prior Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the Prior Bonds, representing 75 % of the then-outstanding principal indebtedness.

Section 5.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Series 2011 A Bonds remain outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

- (a) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.
- (b) PUBLIC LIABILITY INSURANCE, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not

less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Series 2011 A Bonds.

(c) VEHICULAR PUBLIC LIABILITY INSURANCE, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) WORKERS' COMPENSATION COVERAGE FOR ALL EMPLOYEES OF THE DISTRICT ELIGIBLE THEREFOR AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds have been or will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

(e) FLOOD INSURANCE to be procured, to the extent available at reasonable cost to the Issuer; however, if the System is located in a community which has been notified as having special flood or mudslide prone areas, flood insurance must be obtained.

(f) FIDELITY BONDS will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in such amount as may be requested by the Purchaser from time to time.

(g) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Series 2011 A Bonds are outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Statutory Mortgage Lien. For the further protection of the Holder of the Series 2011 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, on a parity with the Prior Bonds, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Series 2011 A Bonds.

Section 5.07. Events of Default. Each of the following events is hereby declared an “Event of Default”:

- (a) Failure to make payment of any monthly amortization installment upon the Series 2011 A Bonds at the date specified for payment thereof;
- (b) Failure to duly and punctually observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Series 2011 A Bonds or herein, or violation of or failure to observe any provision of any pertinent law; and
- (c) If a default occurs with respect to the Prior Bonds or the Prior Resolutions.

Section 5.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default, appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct; provided that, all rights and remedies of the Holders of the Prior Bonds shall be on a parity with the Series 2011 A Bonds.

Section 5.09. Fiscal Year; Budget. While the Series 2011 A Bonds are outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the 1st day

of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year preceding by more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 5.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer on file with the Secretary on the date of adoption hereof, subject to permitted changes.

Section 5.12. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer shall further comply with the Act with respect to such books, records and accounts.

Section 5.13. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Series 2011 A Bonds are outstanding.

Section 5.14. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

ARTICLE VI

RATES, ETC.

Section 6.01. Initial Schedule of Rates and Charges; Rules.

A. The initial schedule of rates and charges for the services and facilities of the System, subject to change consistent with the provisions hereof, shall be as set forth in the Recommended Decision of the Public Service Commission of West Virginia dated June 18, 2010, Commission order dated January 28, 2011 and Commission Order dated March 15, 2011 in Case No. 09-1984-PWD-CN and are incorporated herein by reference as a part hereof.

B. There shall not be any discrimination or differential in rates between customers in similar circumstances.

C. All delinquent fees, rates and charges for services or facilities of the System shall be liens on the premises served of equal degree, rank and priority with the lien on such premises of state, county, school and municipal taxes, as provided in the Act. The Issuer shall have all remedies and powers provided under the Act and other applicable provisions of law with regard to the collection and enforcement of such fees, rates and charges.

D. The Issuer will not render or cause to be rendered any free services of any nature by the System nor any of the facilities; and in the event that the Issuer or any department, agency, officer or employee thereof should avail itself or themselves of the services or facilities of the System, the same fees, rates and charges applicable to other customers receiving like services under similar circumstances shall be charged, such charges shall be paid as they accrue, and revenues so received shall be deposited and accounted for in the same manner as other Revenues of the System.

E. The Issuer may require any applicant for any service by the System to deposit a reasonable and equitable amount to insure payment of all charges for the services rendered by the System, which deposit shall be handled and disposed of under the applicable rules and regulations of the Public Service Commission of West Virginia.

F. The Issuer, to the extent permitted by law, will not accept payment of any water bill from a customer served with water and sewer services by the Issuer without payment at the same time of a sewer bill owed by such customer for the same premises.

ARTICLE VII

MISCELLANEOUS

Section 7.01. Payment of Bonds. If the Issuer shall pay or there shall otherwise be paid, to the Holder of the Series 2011 A Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then with respect to the Series 2011 A Bonds, the pledge of Net Revenues and other monies and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owner of the Series 2011 A Bonds, shall thereupon cease, terminate and become void and be discharged and satisfied.

Except through such direct payment to the Holder of the Series 2011 A Bonds, the Issuer may not defease the Series 2011 A Bonds or otherwise provide for payment thereof by escrow or like manner.

Section 7.02. Modification or Amendment. The Bond Legislation may not be modified or amended after final passage without the prior written consent of the Purchaser.

Section 7.03. Delivery of Bonds. The Chairman, Secretary and Treasurer of the Governing Body are hereby authorized and directed to cause the Series 2011 A Bonds, hereby awarded to the Purchaser pursuant to prior agreement, to be delivered to the Purchaser as soon as the Purchaser will accept such delivery.

Section 7.04. Severability of Invalid Provisions. If any one or more of the covenants, agreements or provisions hereof should be held contrary to any express provision of law or contrary to the policy of express law, although not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed severable from the remaining covenants, agreements or provisions hereof, and shall in no way affect the validity of all the other provisions hereof or the Series 2011 A Bonds.

Section 7.05. Conflicting Provisions Repealed. The Prior Resolutions and all parts thereof not expressly hereby changed shall continue in full force and effect and this Bond Legislation shall be supplemental to the Prior Resolutions.

All resolutions and orders, or parts thereof, in conflict with the provisions hereof are, to the extent of such conflicts, hereby repealed; provided that this Section shall not be applicable to the Loan Resolution (Form FmHA 442-47) or the Prior Resolutions.

Section 7.06. Table of Contents and Headings. The Table of Contents and headings of the articles, sections and subsections hereof are for convenience only and shall neither control nor affect in any way the meaning or construction of any of the provisions hereof.

Section 7.07. Covenant of Due Procedure, Etc. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the adoption of this Resolution do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Chairman, Secretary and members of the Governing Body were at all times when any actions in connection with this Resolution occurred and are duly in office and duly qualified for such office.

Section 7.08. Effective Date. This Resolution shall take effect immediately upon its adoption.

ARMSTRONG PUBLIC SERVICE DISTRICT
WATER REVENUE BONDS, SERIES 2011 A
(UNITED STATES DEPARTMENT OF AGRICULTURE)

\$765,000

No. AR-1

Date: March 28, 2011

FOR VALUE RECEIVED, ARMSTRONG PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of SEVEN HUNDRED SIXTY-FIVE THOUSAND DOLLARS (\$765,000), plus interest on the unpaid principal balance at the rate of 3.375% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$2,984, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a

calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond is issued to (i) pay a portion of the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the existing public waterworks system of the Issuer, and (ii) to pay costs of issuance and related costs.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolutions and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the

West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted March 24, 2011, authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act of 1965, as amended. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS ISSUED ON A PARITY, AS TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, WITH THE BORROWER'S WATER REVENUE BONDS, SERIES 1974 (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED JANUARY 30, 1974, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$338,000 (THE "SERIES 1974 BONDS") AND WATER REVENUE BONDS, SERIES 2001 A (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED DECEMBER 13, 2001, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$550,000 (THE "SERIES 2001 A BONDS") (COLLECTIVELY, THE "PRIOR BONDS").

In accordance with the requirements of the United States Department of Agriculture, the Bonds will be in default should any proceeds of the Bonds be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

Armstrong Public Service District

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Armstrong Public Service District in Fayette County, West Virginia (the "Issuer"), of its \$765,000 Water Revenue Bonds, Series 2011 A (United States Department of Agriculture) dated the date hereof (the "Bonds"), pursuant to Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and a Bond Resolution duly adopted by the Issuer on March 24, 2011 (the "Bond Legislation"). We have examined the law and such certified copies of proceedings and other papers as we deem necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon the representations of the Issuer contained in the Bond Legislation and in the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The Issuer is duly created and validly existing as a public service district and as a public corporation and a political subdivision of the State of West Virginia with full power to adopt and enact the Bond Legislation, perform the agreements on its part contained therein and issue and sell the Bonds, all under the Act and other applicable provisions of law.
2. The Bond Legislation has been duly and effectively adopted and enacted by the Issuer and constitutes a valid and binding obligation of the Issuer enforceable upon the Issuer.
3. Pursuant to the Act, the Bond Legislation creates a valid lien on the funds pledged by the Bond Legislation for the security of the Bonds, on a parity with the Issuer's Water Revenue Bonds, Series 1974 (United States Department of Agriculture), dated January 30, 1974, issued in the original aggregate principal amount of \$338,000 (the "Series 1974 Bonds") and Water Revenue Bonds, Series 2001 A (United States Department of Agriculture), dated December 13, 2001, issued in the original aggregate principal amount of \$550,000 (the "Series 2001 A Bonds") (collectively, the "Prior Bonds").

4. The Bonds have been duly authorized, executed and delivered by the Issuer and are valid and binding special obligations of the Issuer, payable solely from the sources provided therefor in the Bond Legislation.

5. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

6. The Bonds are, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of the State, and interest on the Bonds is exempt from personal income taxes and corporate net income taxes imposed directly thereon by the State of West Virginia.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Bond Legislation and the liens and pledges set forth therein may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that the enforcement thereof may also be subject to the exercise of judicial discretion in appropriate cases.

Steptoe & Johnson PLLC

Ladies and Gentlemen:

I am counsel to Armstrong Public Service District, a public service district in Fayette County, West Virginia (the "Issuer"). As such counsel, I have examined copies of the approving opinion of Steptoe & Johnson PLLC, as bond counsel, a resolution of the Issuer duly adopted March 24, 2011 (the "Resolution"), other documents and papers relating to the Issuer and the above-captioned Bonds of the Issuer (the "Bonds") and documents and orders of The County Commission of Fayette County relating to the creation of the Issuer and the appointment of members of the Public Service Board of the Issuer. All capitalized terms used in the Resolution and not otherwise defined herein shall have the same meanings as defined in the Resolution when used herein.

I am of the opinion that:

1. The Issuer is duly created and validly existing as a public service district and as a public corporation and political subdivision of the State of West Virginia.
2. The members and officers of the Public Service Board of the Issuer have been duly, lawfully and properly appointed and elected, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.
3. The Resolution has been duly adopted by the Issuer and is in full force and effect.
4. The execution and delivery of the Bonds and the consummation of the transactions

contemplated by the Bonds and the Resolution, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any agreement, document or instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, rule, order or decree to which the Issuer is subject.

5. The Issuer has duly published a notice of the acquisition and construction of the Project as required under Chapter 16, Article 13A, Section 25 of the West Virginia Code of 1931, as amended, and has duly complied with the provisions thereof.

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the creation and existence of the Issuer, the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders, certificates and approvals from The County Commission of Fayette County, the West Virginia Bureau for Public Health, and the Recommended Decision of the Public Service Commission of West Virginia dated June 18, 2010, Commission order dated January 28, 2011 and Commission Order dated March 15, 2011 in Case No. 09-1984-PWD-CN among other things, granting to the Issuer a certificate of public convenience and necessity for the Project, approving rates for the System and approving the financing for the Project. Such Orders remain in full force and effect..

7. To the best of my knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Bonds or the Resolution, the acquisition and construction of the Project, the operation of the System, or the validity of the Bonds, or the collection or pledge of the Net Revenues therefore.

Sincerely,

JAMES KELSH, ESQUIRE

SEVEN HUNDRED SIXTY-FIVE THOUSAND AND XX / 100 DOLLARS (\$765,000.00)

NOW THEREFORE, in consideration of the premises the Association hereby resolves:

1. To have prepared on its behalf and to adopt an ordinance or resolution for the issuance of its bonds containing such items and in such forms as are required by State statutes and as are agreeable and acceptable to the Government.
2. To refinance the unpaid balance, in whole or in part, of its bonds upon the request of the Government if at any time it shall appear to the Government that the Association is able to refinance its bonds by obtaining a loan for such purposes from responsible cooperative or private sources at reasonable rates and terms for loans for similar purposes and periods of time as required by section 333(c) of said Consolidated Farm and Rural Development Act (7 U.S.C. 1983(c)).

4. To indemnify the Government for any payments made or losses suffered by the Government on behalf of the Association. Such indemnification shall be payable from the same source of funds pledged to pay the bonds or any other legally permissible source.
5. That upon default in the payments of any principal and accrued interest on the bonds or in the performance of any covenant or agreement contained herein or in the instruments incident to making or insuring the loan, the Government at its option may (a) declare the entire principal amount then outstanding and accrued interest immediately due and payable, (b) for the account of the Association (payable from the source of funds pledged to pay the bonds or any other legally permissible source), incur and pay reasonable expenses for repair, maintenance, and operation of the facility and such other reasonable expenses as may be necessary to cure the cause of default, and/or (c) take possession of the facility, repair, maintain, and operate or rent it. Default under the provisions of this resolution or any instrument incident to the making or insuring of the loan may be construed by the Government to constitute default under any other instrument held by the Government and executed or assumed by the Association, and default under any such instrument may be construed by the Government to constitute default hereunder.
6. Not to sell, transfer, lease, or otherwise encumber the facility or any portion thereof, or interest therein, or permit others to do so, without the prior written consent of the Government.
7. Not to defease the bonds, or to borrow money, enter into any contractor agreement, or otherwise incur any liabilities for any purpose in connection with the facility (exclusive of normal maintenance) without the prior written consent of the Government if such undertaking would involve the source of funds pledged to pay the bonds.
8. To place the proceeds of the bonds on deposit in an account and in a manner approved by the Government. Funds may be deposited in institutions insured by the State or Federal Government or invested in readily marketable securities backed by the full faith and credit of the United States. 11. To acquire and maintain such insurance and fidelity bond coverage as may be required by the Government.
12. To establish and maintain such books and records relating to the operation of the facility and its financial affairs and to provide for required audit thereof as required by the Government, to provide the Government a copy of each such audit without its request, and to forward to the Government such additional information and reports as it may from time to time require.
13. To provide the Government at all reasonable times access to all books and records relating to the facility and access to the property of the system so that the Government may ascertain that the Association is complying with the provisions hereof and of the instruments incident to the making or insuring of the loan.
14. That if the Government requires that a reserve account be established, disbursements from that account(s) may be used when necessary for payments due on the bond if sufficient funds are not otherwise available and prior approval of the government is obtained. Also, with the prior written approval of the Government, funds may be withdrawn and used for such things as emergency maintenance, extensions to facilities, and replacement of short lived assets.
15. To provide adequate service to all persons within the service area who can feasibly and legally be served and to obtain USDA's concurrence prior to refusing new or adequate services to such persons. Upon failure to provide services which are feasible and legal, such person shall have a direct right of action against the Association or public body.
16. To comply with the measures identified in the Government's environmental impact analysis for this facility for the purpose of avoiding or reducing the adverse environmental impacts of the facility's construction or operation.
17. To accept a grant in an amount not to exceed \$ 0.00

The provisions of sections 6 through 17 hereof may be provided for in more specific detail in the bond resolution or ordinance; to the extent that the provisions contained in such bond resolution or ordinance should be found to be inconsistent with the provisions hereof, these provisions shall be construed as controlling between the Association and the Government or assignee.

B. Permit periodic inspection of the construction by a representative of Grantor during construction.

C. Manage, operate and maintain the system, including this project if less than the whole of said system, continuously in an efficient and economical manner.

D. Make the services of said system available within its capacity to all persons in Grantee's service area without discrimination as to race, color, religion, sex, national origin, age, marital status, or physical or mental handicap (possess capacity to enter into legal contract for services) at reasonable charges, including assessments, taxes, or fees in accordance with a schedule of such charges, whether for one or more classes of service, adopted by resolution dated _____, as may be modified from time to time by Grantee. The initial rate schedule must be approved by Grantor. Thereafter, Grantee may make such modifications to the rate system as long as the rate schedule remains reasonable and nondiscriminatory.

E. Adjust its operating costs and service charges from time to time to provide for adequate operation and maintenance, emergency repair reserves, obsolescence reserves, debt service and debt service reserves.

F. Expand its system from time to time to meet reasonably anticipated growth or service requirements in the area within its jurisdiction.

G. Provide Grantor with such periodic reports as it may require and permit periodic inspection of its operations by a representative of the Grantor.

H. To execute any agreements required by Grantor which Grantee is legally authorized to execute. If any such agreement has been executed by Grantee as a result of a loan being made to Grantee by Grantor contemporaneously with the making of this grant, another agreement of the same type need not be executed in connection with this grant.

I. Upon any default under its representations or agreements set forth in this instrument, Grantee, at the option and demand of Grantor, will repay to Grantor forthwith the original principal amount of the grant stated herein above with the interest at the rate of 5 percentum per annum from the date of the default. Default by the Grantee will constitute termination of the grant thereby causing cancellation of Federal assistance under the grant. The provisions of this Grant Agreement may be enforced by Grantor, at its option and without regard to prior waivers by it previous defaults of Grantee, by judicial proceedings to require specific performance of the terms of this Grant Agreement or by such other proceedings in law or equity, in either Federal or State courts, as may be deemed necessary by Grantor to assure compliance with the provisions of this Grant Agreement and the laws and regulations under which this grant is made.

J. Return immediately to Grantor, as required by the regulations of Grantor, any grant funds actually advanced and not needed by Grantee for approved purposes.

K. Use the real property including land, land improvements, structures, and appurtenances thereto, for authorized purposes of the grant as long as needed.

1. Title to real property shall vest in the recipient subject to the condition that the Grantee shall use the real property for the authorized purpose of the original grant as long as needed.

2. The Grantee shall obtain approval by the Grantor agency for the use of the real property in other projects when the Grantee determines that the property is no longer needed for the original grant purposes. Use in other projects shall be limited to those under other Federal grant programs or programs that have purposes consistent with those authorized for support by the Grantor.

3. When the real property is no longer needed as provided in 1 and 2 above, the Grantee shall request disposition instructions from the Grantor agency or its successor Federal agency. The Grantor agency shall observe the following rules in the disposition instructions:

(a) The Grantee may be permitted to retain title after it compensates the Federal Government in an amount computed by applying the Federal percentage of participation in the cost of the original project to the fair market value of the property.

(b) The Grantee may be directed to sell the property under guidelines provided by the Grantor agency. When the Grantee is authorized or required to sell the property, proper sales procedures shall be established that provide for competition to the extent practicable and result in the highest possible return.
[Revision 1, 04/17/1998]

(c) The Grantee may be directed to transfer title to the property to the Federal Government provided that in such cases the Grantee shall be entitled to compensation computed by applying the Grantee's percentage of participation in the cost of the program or project to the current fair market value of the property.

This Grant Agreement covers the following described real property (use continuation sheets as necessary).

All that real property associated with the Armstrong Public Service District's water system.

L. Abide by the following conditions pertaining to equipment which is furnished by the Grantor or acquired wholly or in part with grant funds. Equipment means tangible, non-expendable, personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. A grantee may use its own definition of equipment provided that such definition would at least include all equipment defined above.

[Revision 1, 04/17/1998]

1. Use of equipment.

(a) The Grantee shall use the equipment in the project for which it was acquired as long as needed. When no longer needed for the original project, the Grantee shall use the equipment in connection with its other Federally sponsored activities, if any, in the following order of priority:

(1) Activities sponsored by the Grantor.

(2) Activities sponsored by other Federal agencies.

(b) During the time that equipment is held for use on the property for which it was acquired, the Grantee shall make it available for use on other projects if such other use will not interfere with the work on the project for which the equipment was originally acquired. First preference for such other use shall be given to Grantor sponsored projects. Second preference will be given to other Federally sponsored projects.

2. Disposition of equipment. When the Grantee no longer needs the equipment as provided in paragraph (a) above, the equipment may be used for other activities in accordance with the following standards:

(a) Equipment with a current per unit fair market value of less than \$5,000. The Grantee may use the equipment for other activities without reimbursement to the Federal Government or sell the equipment and retain the proceeds.

(b) Equipment with a current per unit fair market value of \$5,000 or more. The Grantee may retain the equipment for other uses provided that compensation is made to the original Grantor agency or its successor. The amount of compensation shall be computed by applying the percentage of Federal participation in the cost of the original project or program to the current fair market value or proceeds from sale of the equipment. If the Grantee has no need for the equipment and the equipment has further use value, the Grantee shall request disposition instructions from the original Grantor agency.

The Grantor agency shall determine whether the equipment can be used to meet the agency's requirements. If no requirement exists within that agency, the availability of the equipment shall be reported, in accordance with the guidelines of the Federal Property Management Regulations (FPMR), to the General Services Administration by the Grantor agency to determine whether a requirement for the equipment exists in other Federal agencies. The Grantor agency shall issue instructions to the Grantee no later than 120 days after the Grantee requests and the following procedures shall govern:

(1) If so instructed or if disposition instructions are not issued within 120 calendar days after the Grantee's request, the Grantee shall sell the equipment and reimburse the Grantor agency an amount computed by applying to the sales proceeds the percentage of Federal participation in the cost of the original project or program. However, the Grantee shall be permitted to deduct and retain from the Federal share ten percent of the proceeds for Grantee's selling and handling expenses.

(2) If the Grantee is instructed to ship the equipment elsewhere the Grantee shall be reimbursed by the benefiting Federal agency with an amount which is computed by applying the percentage of the Grantee participation in the cost of the original grant project or program to the current fair market value of the equipment, plus any reasonable shipping or interim storage costs incurred.

(3) If the Grantee is instructed to otherwise dispose of the equipment, the Grantee shall be reimbursed by the Grantor agency for such costs incurred in its disposition.

3. The Grantee's property management standards for equipment shall also include:

(a) Records which accurately provide for: a description of the equipment; manufacturer's serial number or other identification number; acquisition date and cost; source of the equipment; percentage (at the end of budget year) of Federal participation in the cost of the project for which the equipment was acquired; location, use and condition of the equipment and the date the information was reported; and ultimate disposition data including sales price or the method used to determine current fair market value if the Grantee reimburses the Grantor for its share.

(b) A physical inventory of equipment shall be taken and the results reconciled with the equipment records at least once every two years to verify the existence, current utilization, and continued need for the equipment.

(c) A control system shall be in effect to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented.

(d) Adequate maintenance procedures shall be implemented to keep the equipment in good condition.

(e) Proper sales procedures shall be established for unneeded equipment which would provide for competition to the extent practicable and result in the highest possible return.

This Grant Agreement covers the following described equipment(use continuation sheets as necessary).

Prompt notification is required prior to contract award.
2. To certify that any facility to be utilized in the performance of any nonexempt contractor subcontract is not listed on the EPA list of Violating Facilities pursuant to 40 CFR Part 32 as of the date of contract award.

[Revision 1, 11/20/97]

3. To include or cause to be included the above criteria and the requirements in every nonexempt subcontract and that the Contractor will take such action as the Government may direct as a means of enforcing such provisions.

As used in these paragraphs the term "facility" means any building, plan, installation, structure, mine, vessel or other floating craft, location, or site of operations, owned, leased, or supervised by a Grantee, cooperator, contractor, or subcontractor, to be utilized in the performance of a grant, agreement, contract, subgrant, or subcontract. Where a location or site of operation contains or includes more than one building, plant, installation, or structure, the entire location shall be deemed to be a facility except where the Director, Office of Federal Activities, Environmental Protection Agency, determines that independent facilities are co-located in one geographical area.

Grantor Agrees That It:

A. Will make available to Grantee for the purpose of this Agreement not to exceed 880,000.00 which it will advance to Grantee to meet not to exceed 44.56% percent of the project development costs of the project in accordance with the actual needs of Grantee as determined by Grantor.

Water Project 2011W-1237
(Bid Overrun)

Dear Mr. Wallace:

The West Virginia Infrastructure and Jobs Development Council (Infrastructure Council) has reviewed the Armstrong Public Service District's (District) preliminary application to install or replace 3,200' of 6" waterline, two settling tanks, one storage tank, telemetry and treatment plant upgrades and take Deep Water plant offline (Project).

Based on the findings of the Water Technical Review Committee, the Infrastructure Council has determined that the Project is technically feasible within the guidelines of the Infrastructure and Jobs Development Act. The District should carefully review the enclosed comments of the Water Technical Review Committee as the District may need to address certain issues raised in said comments as it proceeds with the Project.

Upon consideration of the preliminary application, the Infrastructure Council recommends that the District utilize a \$610,000 Rural Utilities Service grant, a \$765,000 Rural Utilities Service loan (3.75%, 40 yrs), a \$20,000 Fayette County Commission contribution, and receive a binding commitment for a \$310,000 Infrastructure Fund grant contingent upon securing an additional \$270,000 Rural Utilities Service grant. Total project cost is \$1,975,000. Please contact the Rural Utilities Service office at 304-253-9597 (X163) for specific information on the steps the District needs to follow to apply for these funds.

If you have any questions regarding this matter, please contact Jim Ellars at 304-558-4607 (X201).

Sincerely,

Kenneth Lowe, Jr.

BE IT RESOLVED AND ORDERED BY THE PUBLIC SERVICE BOARD
OF ARMSTRONG PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FIND-
INGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution is adopted pursuant to the provisions of Article 13A, Chapter 16 of the West Virginia Code and other applicable provisions of law. Armstrong Public Service District is a public service district created pursuant to said Article 13A.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

(A) Armstrong Public Service District (herein called the "District"), in Fayette County, State of West Virginia, presently has a public waterworks system, but the inhabitants thereof urgently require repairs and improvements to the existing system.

(B) It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the District, and, accordingly, it is hereby ordered, that there be effected certain repairs and improvements

consisting of additional water transmission lines to join the two existing treatment plants for less expensive and better operations; lift stations; and appurtenant facilities (herein called the "Project"), and being more particularly described in and according to the plans and specifications prepared by Joseph E. Settle, Consulting Engineer, Charleston, West Virginia (herein called the "Consulting Engineer"), and heretofore filed in the office of the Secretary of the Public Service Board (herein called the "Board") of the District.

(C) It is necessary for the District to issue its revenue bonds in the principal amount of \$338,000 to finance the cost of such system repairs and improvements in the manner hereinafter provided.

(D) The estimated maximum cost of the system repairs and improvements as hereinafter defined is \$338,000, all which will be obtained from the proceeds of sale of the 1972 Bonds herein authorized.

(E) The cost of such repairs and improvements shall be deemed to include, without being limited to, the acquisition of any necessary property, real or personal, or interest therein; interest on the 1972 Bonds during and for six months after completion of such construction to the extent that revenues of the System are not sufficient therefor; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; and such other expenses as may be necessary or incidental to the system repairs and improvements and the financing authorized by this Resolution.

(F) The period of usefulness of the System after completion of the Project is not less than forty years.

(G) The 1972 Bonds will be junior and subordinate with respect to liens, source of and security for payment, and in all other respects to the Water Revenue Bonds of the District dated June 1, 1956, initially issued in the aggregate principal sum of One Hundred Fifty Thousand Dollars (\$150,000) (herein called the "1956 Bonds").

(H) The District has complied with all requirements of West Virginia law relating to authorization of the Project and issuance of the 1972 Bonds, or will have so complied prior to issuance of any of the 1972 Bonds including, among other things, the consent and approval, pursuant to the Act, of the issuance of the 1972 Bonds by the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired.

Section 1.03. Resolution to Constitute Contract. In consideration of the acceptance of the 1972 Bonds authorized to be issued hereunder by those who shall hold the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the District and such Bondholders, and the covenants and agreements herein set forth to be performed by the District shall be for the equal benefit, protection and security of the legal holders of any and all such 1972 Bonds, and the coupons appertaining thereto, all which shall be of equal rank without preference, priority or distinction of any of the 1972 Bonds or coupons over any other thereof, except as expressly provided therein and herein.

The 1972 Bonds shall be redeemable prior to their respective stated dates of maturity at the option of the District, in whole or in part, in inverse numerical order on January 1, 1984, and on any January 1 thereafter at the price of the par value thereof and accrued interest to the date of redemption, subject to earlier redemption as provided in Section 3.01 hereof upon completion of the Project. If all the 1972 Bonds are held by the Government, all or any number of the 1972 Bonds may be redeemed at any time in inverse numerical order.

Notice of the redemption of any of the 1972 Bonds shall be published at least once not less than thirty nor more than sixty days prior to the date of redemption in a financial newspaper published in the City of New York, New York, and notice of any such redemption shall be sent by registered or certified mail to the holders of registered 1972 Bonds. If all 1972 Bonds to be redeemed are registered other than to bearer, no publication of notice of such redemption need be made. Interest shall cease upon any of the 1972 Bonds so called for prior redemption on the date fixed for redemption, provided payment thereof has been duly made or provided for.

The 1972 Bonds shall be payable with respect to both principal and interest in lawful money of the United States of America at the office of the State Sinking Fund Commission, Charleston, West Virginia, or at First National City Bank, New York, New York, at the option of the holder unless otherwise provided in and for the single, fully registered Bonds, and shall bear interest from their date, payable in accordance with and, as to coupon Bonds not registered as to interest, upon the surrender of the appurtenant interest coupons as they severally mature.

Section 2.03. Execution of Bonds and Coupons. The Bonds shall be executed in the name of the District by the Chairman and its corporate seal shall be affixed thereto and attested by the Secretary. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer before the Bonds so signed and sealed shall have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bond may be signed and sealed on behalf of the District by such person as at the actual time of the execution of such Bonds shall hold the proper office on the Board, although at the date of such Bond such person may not have held such office or may not have been so authorized.

The 1972 Bonds may be sold at one time in their entirety or from time to time in installments as the Board may determine without preference or priority as to any of the 1972 Bonds on account of any such sale in installments.

The coupons to be attached to the 1972 Bonds shall be authenticated with the facsimile signatures of the present

or any future Chairman and Secretary, and the District may adopt and use for that purpose the facsimile signature of any person who shall have been such Chairman or Secretary at the time when said 1972 Bonds shall be actually sold and delivered.

Section 2.04. Negotiability and Registration. The coupon Bonds shall be and have all the qualities and incidents of negotiable instruments under the laws of the State of West Virginia and shall pass by delivery except when registered. The 1972 coupon Bonds may be registered as to principal only or converted into Bonds registered as to both principal and interest in accordance with the provisions of the forms hereinafter provided.

Section 2.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the District may in its discretion issue and deliver a new Bond with all unmatured coupons attached of like tenor as the Bond and attached coupons, if any, so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond and attached coupons, if any, or in lieu of and substitution for the Bond and attached coupons, if any, destroyed, stolen or lost, and upon the holder's furnishing the District proof of his ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the District may require. All Bonds and coupons so surrendered shall be canceled and held for the account of the District. If any such Bond or coupon shall have matured or be about to mature, instead of issuing a substitute Bond or coupon, the District may pay the same, upon being indemnified as aforesaid, and, if such Bond

or coupon be destroyed, stolen or lost, without surrender thereof.

Any such duplicate Bond and coupon issued pursuant to this Section shall constitute original, additional contractual obligations on the part of the District, whether or not the destroyed, stolen or lost Bonds or coupons be at any time found by anyone, and such duplicate Bonds and coupons shall be entitled to equal and proportionate benefits with all other Bonds and coupons issued hereunder.

Section 2.06. Bonds Secured by Pledge of Revenues.

The payment of the debt service of all the Bonds shall be secured forthwith equally and ratably by a lien on the net revenues derived from the system, in addition to the statutory mortgage lien on the system hereinafter provided for, such liens to be junior and subordinate to the liens in favor of the 1956 Bonds. The payment of the debt service of all the 1956 Bonds shall continue to be secured in accordance with the 1956 Bond Resolution by a first lien on the net revenues derived from the system, in addition to the statutory mortgage lien on the system therein provided for.

Section 2.07. Form of Bonds and Coupons. Subject

to the provisions of this Resolution, the text of the 1972 Bonds, the provisions for registration to be endorsed thereon, the coupons, the single Bonds and the other details thereof shall be of substantially the following tenor, with such omissions, insertions and variations as may be authorized or permitted by this Resolution or any subsequent resolution adopted prior to the issuance thereof:

REVENUE BOND

ARMSTRONG PUBLIC SERVICE DISTRICT

No. R-1

Date: _____

FOR VALUE RECEIVED, ARMSTRONG PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America, acting through the Farmers Home Administration, United States Department of Agriculture, (herein called the "Government") at its office in Fayetteville, West Virginia, or at such other place as the Government may hereafter designate in writing, the principal sum of Three Hundred Thirty-Eight Thousand Dollars (\$338,000), plus interest on the unpaid principal balance at the rate of five percent (5%) per annum. The said principal and interest shall be paid in the following installments on the following dates: Interest only on January 1, 1973, and January 1, 1974, and \$20,040 annually thereafter on January 1, except that the final installment shall be paid at the end of forty (40) years from the date of this Bond, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the reverse hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Farmers Home Administration according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date

basis shall be the date of the prepayment by Borrower, and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of repairs and improvements to the existing waterworks of the Borrower, is payable solely from the revenues to be derived from the operation of such waterworks after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the waterworks. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Article 13A of Chapter 16 of the West Virginia Code (herein called the "Act").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farmers Home Administration Act of 1961. This Bond shall be subject to the present regulations of the Farmers Home Administration and to its future regulations not inconsistent with the express provisions hereof.

This Bond and the Bonds of the issue of which this Bond is one are junior and subordinate to the Water Revenue Bonds of the District dated June 1, 1956, initially issued in the aggregate principal amount of One Hundred Fifty Thousand Dollars (\$150,000) (the "1956 Bonds"), and the 1956 Bonds are senior with respect to liens, source of and security for payment, and in all other respects, to the Bonds of the issue of which this Bond is one.

BOND PROCEEDS;-REVENUES AND APPLICATION THEREOF

Section 3.01. Bond Proceeds; Project Construction Account. All moneys received from the sale of any or all the 1972 Bonds shall be deposited on receipt by the District in Merchants National Bank, Montgomery, West Virginia, a member of Federal Deposit Insurance Corporation (FDIC) in a special account heretofore created and designated as "Armstrong Public Service District Construction Account" (herein called the "Project Construction Account"). The moneys in the Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by such bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Moneys in the Project Construction Account shall be expended by the District solely for the purposes provided in this resolution.

Moneys received upon delivery of the 1972 Bonds representing accrued interest will be immediately transferred to and deposited in the Sinking Fund.

Until completion of the Project, the District will transfer from the Project Construction Account and deposit in the Sinking Fund, not later than fifteen days prior to the next interest payment date, such sums as shall be from time to time required to pay the interest becoming due on the 1972 Bonds on such interest payment date.

If the District shall determine at any time that all funds on deposit in the Project Construction Account exceed the estimated disbursements on account of the Project for the

ensuing 90 days, the District may invest such excess funds in direct obligations of, or obligations the principal of and interest on which are guaranteed by, the United States of America, which shall mature not later than eighteen months after the date of such investment. All such investments and the income therefrom shall be carried to the credit of the Project Construction Account.

When construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the Project Construction Account shall first be used to refund promptly any overpayment made with respect to any Federal grant, and any moneys then remaining in the Project Construction Account shall be promptly used to redeem or prepay the latest maturing 1972 Bonds and any residue shall be deposited in the Sinking Fund. The 1972 Bonds shall be subject to such redemption or prepayment without premium under the conditions stated in this paragraph.

Section 3.02. Covenants of the District as to Revenues and Funds. So long as any of the Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Sinking Fund and Reserve Account therein, hereinafter established, a sum sufficient to pay, when due or at the earliest practical redemption date, the entire principal of the Bonds remaining unpaid together with interest accrued and to accrue thereon, the District further covenants with the holders of any and all Bonds issued pursuant to this resolution as follows:

(A) Revenue Fund. The entire gross revenues derived from the operation of the System, and all parts thereof, and all tap fees received, shall be deposited as collected by the District in a special fund in a bank or trust company in the State of West Virginia which is a member of FDIC, which Fund

(herein called the "Revenue Fund") is hereby continued initially with said Merchants National Bank, such Revenue Fund having been established by the 1956 Resolution. The Revenue Fund shall constitute a trust fund for the purposes provided in this Resolution and shall be kept separate and distinct from all other funds of the District and used only for the purposes and in the manner provided in this Resolution.

(B) Disposition of Revenues. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority:

(1) The District shall first each month pay from the moneys in the Revenue Fund into the Operation and Maintenance Fund established by the 1956 Resolution a sum sufficient to pay all current Operating Expenses, as required by the 1956 Resolution.

(2) The District shall next, before the end of each month, transfer from the Revenue Fund and remit to the State Sinking Fund Commission, for deposit into the "Water Revenue Bonds Interest and Sinking Fund", established with the State Sinking Fund Commission by the 1956 Resolution the sum of \$875 as required by the 1956 Resolution until all the 1956 Bonds and the interest thereon have been paid in full or sufficient money has been accumulated in such Water Revenue Bonds Interest and Sinking Fund to pay the 1956 Bonds in full and the interest thereon pursuant to the 1956 Resolution.

(3) The District shall next each month transfer from the Revenue Fund into the "Depreciation Fund" created and established by the 1956 Resolution all moneys remaining in the Revenue Fund, except a sum not to exceed one-sixth of the amount of the current annual budget for working capital. Such transfer is permitted by the 1956 Resolution, all

water service by the District being completely metered and moneys remaining in the Revenue Fund after payment of \$875 as aforesaid into the Water Revenue Bonds Interest and Sinking Fund being available under the 1956 Resolution for financing replacements, repairs, new construction and expansion of the System.

The District shall first each month transfer from the Depreciation Fund and remit to the State Sinking Fund Commission for deposit into the 1972 Sinking Fund, which is hereby established with the State Sinking Fund Commission, one-twelfth of the amount required to pay the interest becoming due on the Bonds on the next interest payment date and commencing with the month of January, 1974, one-twelfth of the amount of the principal maturing on the next Bond principal maturity date.

The District shall also remit to the State Sinking Fund Commission, from time to time, such amounts as shall be required to pay the fiscal charges due to paying agents for paying the Bonds and the interest thereon.

(4) The District shall next, each month, transfer from the Depreciation Fund and remit to the State Sinking Fund Commission, for deposit into the 1972 Reserve Account, hereby established in the 1972 Sinking Fund, one-twelfth of one-tenth of the maximum annual aggregate amount of interest and principal which will fall due on the Bonds outstanding until the amount in the 1972 Reserve Account equals such maximum annual aggregate amount of interest and principal. After such amount has been accumulated in the 1972 Reserve Account the District shall monthly remit to the State Sinking Fund Commission such part of the moneys remaining in the Depreciation Fund, after such provision for payment of maturing principal of and inter-

est on the Bonds, as shall be required to maintain such amount in the 1972 Reserve Account. Moneys in the 1972 Reserve Account shall be used solely to make up any deficiency in the 1972 Sinking Fund for payment of the principal of and interest on the Bonds as the same shall mature or for mandatory redemption of Bonds as hereinafter provided and for no other purpose.

(5) The District shall next, each month, transfer from the Depreciation Fund and remit to the State Sinking Fund Commission the moneys remaining in the Depreciation Fund and not permitted to be retained therein, for deposit in the Replacement Reserve, hereby established with the State Sinking Fund Commission, until there has been accumulated therein the sum of \$10,000 and thereafter, such sums as shall be required to maintain such amount therein. Moneys in the Replacement Reserve shall be used first to make up any deficiencies in the 1972 Sinking Fund for payment of principal of and interest on the Bonds as the same mature, and next to restore to the 1972 Reserve Account any sum or sums transferred therefrom to the 1972 Sinking Fund. Thereafter, and provided that payments into the 1972 Sinking Fund and the 1972 Reserve Account therein are current and in accordance with the foregoing provisions, moneys in the Replacement Reserve may be withdrawn by the District and used for extensions, replacements and improvements of the System, or any part thereof.

(6) After all the foregoing provisions for use of moneys in the Depreciation Fund have been fully complied with, any moneys remaining therein and not permitted to be retained therein may be used to redeem Bonds outstanding or for any lawful purpose, the State Sinking Fund Commission to handle redemption of Bonds upon instructions of the District.

Whenever the moneys in the 1972 Sinking Fund and in the 1972 Reserve Account therein shall be sufficient to purchase or redeem all Bonds outstanding, it shall be the mandatory duty of the District, anything to the contrary in this Resolution notwithstanding, to direct the State Sinking Fund Commission to purchase or redeem all outstanding Bonds at the earliest practical date and in accordance with applicable provisions hereof, any such purchase to be at a price or prices not exceeding the then market price of Bonds so purchased, but in no event exceeding the then redemption price of the Bonds, as to Bonds subject to redemption, and not exceeding the par value of Bonds not subject to redemption but available for purchase.

The State Sinking Fund Commission is hereby designated as the Fiscal Agent for the administration of the 1972 Sinking Fund, the 1972 Reserve Account and the Replacement Reserve as herein provided, and all amounts required therefor will be remitted to the State Sinking Fund Commission from the Depreciation Fund by the District at the times provided herein, together with written advice stating the amount remitted for deposit into said Fund, Account and Reserve.

All the funds provided for in this Section shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Bondholders shall have a lien thereon for further securing payment of the Bonds and the interest thereon. The moneys in excess of the sum insured by FDIC in the Depreciation Fund shall at all times be secured, to the full extent thereof in excess of such insured sum, in a manner lawful for securing deposits of State and municipal funds under the laws of the State of West Virginia.

If on any payment date the revenues are insufficient to place the required amount in any of the funds or accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to those which would otherwise be required to be made into the funds or accounts on the subsequent payment dates.

The State Sinking Fund Commission shall keep the moneys in the 1972 Sinking Fund, the 1972 Reserve Account and the Replacement Reserve invested and reinvested to the fullest extent practicable in direct obligations of, or obligations the payment of the principal of and interest on which are guaranteed by, the United States of America and having maturities not exceeding two years.

Prior to issuance of the Bonds, the District shall collect the tap fee of \$10 each from at least 92 new customers who shall have signed water user contracts in form approved by the Government, and shall have deposited not less than the sum of \$920 in the Revenue Fund.

ARTICLE IV

GENERAL COVENANTS

Section 4.01. General Statement. So long as any of the Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Sinking Fund and the Reserve Account therein a sum sufficient to pay when due, or redeem or purchase prior to maturity, the entire principal of the 1972 Bonds remaining unpaid, together with interest accrued and to accrue thereon and any applicable redemption premiums, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the District and the Bondholders.

Section 4.02. Rates. The District will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide revenues in each fiscal year sufficient to produce net revenues which will provide the moneys required by the 1956 Resolution and will, in addition, equal not less than 110% of the average annual debt service on all Bonds outstanding and to make the payments required herein into the 1972 Sinking Fund, the 1972 Reserve Account and the Replacement Reserve, and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate revenues for such purposes.

Section 4.03. Sale of the System. The System may be sold, mortgaged, leased, or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient fully to pay all

the Bonds and the 1956 Bonds and the interest thereon as herein provided. The proceeds from such sale, mortgage, lease or other disposition of the System shall immediately be remitted to the State Sinking Fund Commission and the District shall direct said Commission to apply such proceeds to the payment of principal and interest of the 1956 Bonds and the Bonds at the redemption price, as herein and in the 1956 Resolution provided, or upon purchase at the then current market price not exceeding the par value thereof plus accrued interest to the date of purchase. Any balance remaining after the redemption or payment of all the Bonds and interest thereon shall be remitted to the District by the State Sinking Fund Commission unless necessary for the payment of other obligations issued by the District and payable out of the revenues of the System.

The foregoing provision notwithstanding, the District shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof, provided that the net book value thereof does not exceed \$5,000. Prior to any such sale, lease or other disposition of said property, the general manager or other duly authorized officer in charge of the System shall make a finding in writing, concurred in by resolution of the Board, determining that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and such proceeds shall be deposited in the Replacement Reserve.

Payments of such proceeds into the Replacement Reserve shall not reduce the amounts required to be paid into

the Replacement Reserve by other provisions of this Resolution.

Section 4.04. Covenant Against Encumbrances. The District will not issue any obligations whatsoever, except additional parity Bonds hereinafter provided for, payable from the revenues of the System which rank prior to or equally as to lien on and source of and security for payment from such revenues with the Bonds; and all obligations hereafter issued by the District payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues, and in all other respects, to the Bonds.

The District will not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge, having priority over or being on a parity with the lien of the Bonds, and the interest thereon, upon any of the income and revenues of the System pledged as security therefor in this Resolution, or upon the System, or any part thereof.

The District will not issue additional bonds or other obligations on a parity with the 1956 Bonds.

Section 4.05. Issuance of Additional Parity Bonds. No additional parity Bonds, as in this Section defined, payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant to this Resolution, except under the conditions and in the manner herein provided.

(A) No such additional parity Bonds shall be issued except for the purposes of financing the costs of the construction or acquisition of extensions, additions and improvements to the System or refunding Bonds issued hereunder, except as provided in subsection (G) of this Section.

(B) No such additional parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Secretary a written certification by a certified public accountant not in the regular employ of the District, based upon the necessary investigation, reciting the conclusion that the net revenues, as defined herein and adjusted as provided below, actually derived from the System during the fiscal year immediately preceding the date of the issuance of such additional parity Bonds, shall have been not less than one hundred twenty per centum (120%) of the average aggregate amount which will mature or become due in any succeeding fiscal year for principal of and interest on the Bonds originally issued pursuant to this Resolution then outstanding on the 1956 Bonds, and on any additional parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then outstanding, and on the additional parity Bonds then proposed to be issued. This limitation may be waived or modified by the written consent of Bondholders representing 75% of each Series of the then outstanding Bonds issued pursuant hereto.

(C) Prior to the issuance of any such additional parity Bonds, the District shall have entered into written contracts for the immediate acquisition or construction of such additions, extensions or improvements to the System which are to be financed by such additional parity Bonds.

(D) The term "additional parity Bonds", as used in this Section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this Section, payable from the revenues of the System on a parity with Bonds originally authorized and issued pursuant to this Resolution or with Bonds which were issued pursuant to this Section as additional parity Bonds, and all the cove-

nants and other provisions of this Resolution (except as to details of such additional parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the holders of any Bonds originally authorized and issued pursuant to this Resolution and the holders of any additional parity Bonds subsequently issued within the limitations of and in compliance with this Section. All such Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System, and their source of and security for payment from said revenues, without preference of any Bond or coupon over any other. The District shall comply fully with all the increased payments into the various funds created in this Resolution required for such additional parity Bonds, in addition to the payments required for Bonds theretofore issued hereunder. Redemption of Bonds prior to maturity, in the event that Bonds of more than one series are outstanding, shall as nearly as practical be on an equal pro rata basis reflecting the original amounts of each series.

(E) All additional parity Bonds issued pursuant to this Section shall mature or be subject to mandatory redemption on January 1 of the year or years of maturity, and the interest thereon shall be payable January 1 of each year.

(F) No additional parity Bonds shall be issued at any time unless all the payments into the respective Funds provided for in the 1956 Resolution, and in this Resolution on Bonds then outstanding and all other payments provided for in this Resolution shall have been made or paid up as required to the date of issuance of the additional parity Bonds and the District shall have fully complied with all the covenants, agreements and terms of this Resolution and the 1956 Resolution

or shall have remedied any deficiency in such compliance.

(G) With the written consent in advance of the original purchaser of the 1972 Bonds and anything to the contrary in subsections (A), (B) and (C) of this Section notwithstanding, additional parity Bonds may be authorized and issued by the District pursuant to supplemental resolution in the event that the 1972 Bonds should be insufficient, together with other funds lawfully available therefor, to pay all costs of construction of the Project. Any such additional parity Bonds authorized and issued under the provisions of this subsection shall be limited to the aggregate principal amount required to make up any deficiency in funds for payment of such construction costs, and the maturities of any such additional parity Bonds shall be in years and amounts suggested by such original purchaser.

Section 4.06. Insurance and Bonds. The District hereby covenants and agrees that so long as any of the Bonds remain outstanding, it will, as an expense of operation and maintenance of the System, procure, carry and maintain insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, on all above-ground structures of the System in an amount equal to the actual cost thereof. In the event of any damage to or destruction of any portion of the System, the District will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The District will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the District during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$100,000 for one person and \$300,000 for more than one person injured or killed in one accident to protect the District from claims for bodily injury and/or death, and not less than \$100,000 from claims for damage to property of others which may arise from the District's operation of the System, such insurance to be procured at the commencement of construction of the Project.

(c) Vehicular Public Liability Insurance, in the event the District owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the District is operated for the benefit of the District, with limits of not less than \$100,000 for one person and \$300,000 for more than one person injured or killed in one accident to protect the District from claims for bodily injury and/or death, and not less than \$100,000 from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle.

(d) Workmen's Compensation Coverage for all Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds will be filed with the Clerk of the County Court of said County prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(e) Fidelity Bonds will be provided as to every member of the Board and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the District in an amount at least equal to the total funds in the custody of any such person at any one time.

(f) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Government holds any of the Bonds, the District will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the District and during such construction will require each contractor and subcontractor to carry insurance of such types and in such amounts as the Government may specify, with insurance carriers or bonding companies acceptable to the Government.

Section 4.07. Statutory Mortgage. For the further protection of the holders of the Bonds and the coupons appertaining thereto, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of any of the Bonds; provided, however, such statutory mortgage lien shall be junior and subordinate to the statutory mortgage lien securing the holders of the 1956 Bonds.

Section 4.08. Events of Default. Each of the following events is hereby declared as "Event of Default":

(A) Failure to make payment of the principal, and, if any premium be due, of such premium, of any of the Bonds either at the date therein specified for their payment or on the date fixed for redemption by proceedings for redemption, or otherwise.

(B) Failure to make payment of any installment of interest due on any of the Bonds on the date specified for the payment of such interest.

(C) Failure duly and punctually to observe or perform any of the covenants, conditions and agreements on the part of the District contained in the Bonds or in this Resolution, or violation of or failure to observe any provision

of any pertinent law, provided any such failure or violation, excluding those covered in (A) and (B) above in this Section, shall continue for a period of thirty days after written notice shall have been given to the District by any Bondholder specifying such failure or violation and requiring the same to be remedied.

Section 4.09. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, any Bondholder may proceed to protect and enforce the rights of the Bondholders by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by such Bondholder, such court may, upon proof of such default, appoint a receiver for the affairs of the District and the System. The receiver so appointed shall administer the System on behalf of the District, shall exercise all the rights and powers of the District with respect to its System and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 4.10. No Priority Between Bonds. The Bonds shall not be entitled to priority one over the other in the application of the revenues of the System or with respect to the security for their payment, regardless of the time or times of their issuance, it being the intention of the District that there shall be no priority among the Bonds, regardless of the fact that they may be actually issued and delivered at different times.

Section 4.11. Fiscal Year; Budget. While any Bonds are outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a fiscal year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than thirty days prior to the beginning of each fiscal year, the District agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such fiscal year unless unanimously authorized and directed by the Board. Copies of each Annual Budget shall be delivered to the Government by the beginning of each fiscal year and shall be mailed to the original purchaser of the Bonds and to those Bondholders who shall have filed their names and addresses with the Secretary of the Board for such purpose.

If for any reason the District shall not have adopted the Annual Budget before the first day of any fiscal year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the year next preceding by more than ten per centum; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the District. Each such Budget of Current Expenses shall be mailed immediately as in the case of the Annual Budget.

Section 4.12. Compensation of Board Members. The District hereby covenants and agrees that no compensation for policy direction shall be paid to the members of its Board in excess of the amount permitted by the Act. Payment of any

compensation to any member of the Board for policy direction shall not be made if such payment would cause the Net Operating Income to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision of this resolution.

Section 4.13. Covenant to Proceed and Complete. The District hereby covenants to proceed as promptly as possible with the construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer and on file with the Secretary of the Board on the date of adoption of this resolution, subject to permitted changes.

Section 4.14. Books and Records. The District will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the District, in which complete and correct entries shall be made of all transactions relating to the System, and any holder of a Bond or Bonds, his agents and representatives, shall have the right at all reasonable times to inspect the System and all records, accounts and data of the District relating thereto.

The District shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants, shall mail a copy of such audit report to the Government and the original purchaser of the Bonds, and shall make available the report of said accountants at all reasonable times to any holder or holders of the Bonds, or any customer receiving services from the System, or anyone acting for and in behalf of such Bondholder, Bondholders or customer.

Section 4.15. Maintenance of System. The District covenants that it will continuously operate, in an economical

and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as any of the Bonds are outstanding.

Section 4.16. No Competition. The District will not permit competition with the waterworks within its boundaries or within the territory served by it and will not grant or cause, consent to, or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the waterworks within the boundaries of the District or within the territory served by the waterworks.

ARTICLE VI

MISCELLANEOUS

Section 6.01. Filing Under Uniform Commercial Code.

Contemporaneously with the delivery of the Bonds, or sooner, the District shall execute Financing Statements meeting the requirements of the Uniform Commercial Code of West Virginia and promptly thereafter, shall file such Financing Statements in the offices of the Secretary of State of the State of West Virginia and of the Clerk of the County Court of said County.

Section 6.02. Modification or Amendment. No material modification or amendment of this resolution, or of any resolution amendatory hereof or supplemental hereto, may be made without the consent in writing of the holders of two-thirds or more in principal amount of the Bonds then outstanding; provided, however, that no modification or amendment shall permit a change in the maturity of any of the Bonds or a reduction in the rate of interest thereon, or in the amount of the principal obligation, or affecting the unconditional promise of the District to pay the principal of and interest on the Bonds as the same shall become due from the revenues of the System, without the consent of the holders of such Bonds. Notwithstanding the above, no amendment or modification shall be made without unanimous consent of the bondholders which would reduce the percentage of the principal amount of Bonds required for consent to the above-permitted amendments or modifications and for consent of 75% of the holders of each Series of Bonds outstanding to waiver or modification of the limitation upon issuance of additional parity Bonds contained in Section 4.05B.

Section 6.03. Sale of Bonds. The Secretary of the Board is hereby authorized and directed to cause notice for bids for the purchase of all the 1972 Bonds, but not less than all,

Section 6.04. Refunding of Bonds Permitted. The District reserves the right, subject to applicable provisions of law, to refund the Bonds when in its judgment it would be to the best interests of the District and of its inhabitants so to do. Upon payment of all the Bonds outstanding, prior to or simultaneously with the issuance of any refunding bonds or of an issue of bonds for the purposes of refunding the Bonds then outstanding and providing funds for additions, extensions and improvements to the System, or upon provision for such payment by deposit irrevocably in trust, with the State Sinking Fund Commission of West Virginia, of a sum equal to the principal amount of the Bonds outstanding, plus an amount equal to all interest accrued and to accrue to the date of payment or redemption of such Bonds, and plus an amount sufficient to pay all applicable redemption premiums on the earliest practical redemption date, the security, pledge and any lien applicable to the Bonds then outstanding shall immediately cease and determine. The sum so deposited in trust shall be used solely to pay at the earliest practical redemption date the principal amount of the Bonds and all interest thereon to the date of redemption and any applicable redemption premiums, or to purchase Bonds at not to exceed the par value of the Bonds plus interest accrued to date of purchase. The moneys so deposited may be invested by the State Sinking Fund Commission in direct obligations of the United States of America or obligations the payment of the principal of and interest on which is guaranteed by the United States of America, having maturities not later than the dates on which the moneys shall be required to be used for such redemption.

ARMSTRONG PUBLIC SERVICE DISTRICT

RESOLUTION AUTHORIZING THE ACQUISITION AND CONSTRUCTION OF CERTAIN PUBLIC SERVICE PROPERTIES CONSISTING OF ADDITIONS, IMPROVEMENTS AND EXTENSIONS TO THE EXISTING WATERWORKS SYSTEM OF ARMSTRONG PUBLIC SERVICE DISTRICT, AND THE FINANCING OF THE COST, NOT OTHERWISE PROVIDED THEREOF, THROUGH THE ISSUANCE BY THE DISTRICT OF NOT MORE THAN \$550,000 IN AGGREGATE PRINCIPAL AMOUNT OF WATER REVENUE BONDS, SERIES 2001 A (UNITED STATES DEPARTMENT OF AGRICULTURE); DEFINING AND PRESCRIBING THE TERMS AND PROVISIONS OF THE BONDS; PROVIDING GENERALLY FOR THE RIGHTS AND REMEDIES OF AND SECURITY FOR THE HOLDER OF THE BONDS; AND PROVIDING WHEN THIS RESOLUTION SHALL TAKE EFFECT

BE IT RESOLVED AND ORDERED BY THE PUBLIC SERVICE BOARD
OF ARMSTRONG PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS
AND DEFINITIONS

Section 1.01. Authority for This Resolution. This Resolution is adopted pursuant to the provisions of Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law. Armstrong Public Service District (the "Issuer") is a public corporation and public service district and political subdivision of the State of West Virginia in Fayette County of said State, duly created pursuant to the Act by The County Commission of Fayette County.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

A. The Issuer currently owns and operates a public waterworks system and desires to finance and acquire, construct, operate and maintain certain additional public service properties consisting of additions, improvements and extensions to such existing

waterworks facilities, within the boundaries of the Issuer to be owned and operated by the Issuer.

B. It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer, and, accordingly, it is hereby ordered, that there be acquired and constructed certain additions, improvements and extensions to the existing waterworks facilities of the Issuer, consisting of the replacement of approximately five miles of 6-inch PVC Class 200 waterline and the installation of new service lines, fire hydrants, valves and related appurtenances, the replacement of raw water pumps, modifications to two existing booster stations, the replacement of the existing Elkridge tank with a new 63,000 gallon water storage tank, and a 1,000 linear foot line extension to serve four (4) new customers in Elkridge, and all necessary appurtenant facilities (collectively, the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Secretary of the Public Service Board (the "Governing Body") of the Issuer. The existing waterworks facilities of the Issuer, together with the Project and any further additions, improvements or extensions thereto, are herein called the "System." The acquisition and construction of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. The estimated revenues to be derived in each year from the operation of the System after completion of the Project will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Bonds (hereinafter defined) and all funds and accounts and other payments provided for herein.

D. The estimated maximum cost of the acquisition and construction of the Project is \$1,154,000, of which \$550,000 will be obtained from the proceeds of sale of the Series 2001 A Bonds herein authorized and \$604,000 will be obtained from a grant from the Purchaser.

E. It is necessary for the Issuer to issue its Water Revenue Bonds, Series 2001 A (United States Department of Agriculture), in the aggregate principal amount of \$550,000 (the "Series 2001 A Bonds"), to finance a portion of the cost of such acquisition and construction in the manner hereinafter provided. The cost of such acquisition and construction shall be deemed to include, without being limited to, the acquisition and construction of the Project; the cost of all property rights, easements and franchises deemed necessary or convenient therefor and for the improvements and extensions thereto; interest on the Series 2001 A Bonds prior to, during and for six months after completion of such acquisition and construction of the improvements and extensions; engineering, fiscal agents and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the Project, administrative expense, and such other expenses as may be

necessary or incident to the financing herein authorized, and the acquisition and construction of the properties and the placement of same in operation; provided that, reimbursement to the Issuer for any amounts expended by it for the repayment of indebtedness incurred for costs of the Project by the Issuer shall be deemed costs of the Project.

F. The period of usefulness of the System after completion of the Project is not less than 40 years.

G. There is an outstanding obligation of the Issuer which will rank on a parity with the Series 2001 A Bonds as to liens, pledge and source of and security for payment, being the Water Revenue Bond, 1974, dated January 30, 1974, issued in the original aggregate principal amount of \$338,000 (the "Prior Bonds"), and held by the Purchaser. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which rank prior to or on a parity with the Series 2001 A Bonds as to liens, pledge and/or source of and security for payment.

ARTICLE III

AUTHORIZATION, TERMS, EXECUTION, REGISTRATION AND ISSUE OF BONDS

Section 3.01. Authorization of Bonds. Subject and pursuant to the provisions of the Bond Legislation, the Series 2001 A Bonds of the Issuer, to be known as "Water Revenue Bonds, Series 2001 A (United States Department of Agriculture)", are hereby authorized to be issued in the principal amount of \$550,000, for the purpose of financing a portion of the cost of the acquisition and construction of the Project.

Section 3.02. Description of Bonds. The Series 2001 A Bonds shall be issued in single form, numbered AR-1, only as a fully registered Bond, and shall be dated the date of delivery thereof. The Series 2001 A Bonds shall bear interest from the date of delivery, payable monthly at the rate of 4.5% per annum, and shall be sold for the par value thereof.

The Series 2001 A Bonds shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer, and shall be payable as provided in the respective Bond forms hereinafter set forth.

Section 3.03. Negotiability, Registration, Transfer and Exchange of Bonds. The Series 2001 A Bonds shall be and have all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but the Series 2001 A Bonds, and the right to principal of and stated interest on the Series 2001 A Bonds, may only be transferred by transfer of the registration thereof upon the books required to be kept pursuant to Section 3.04 hereof, by the party in whose name it is registered, in person or by attorney duly authorized in writing, upon surrender of the Series 2001 A Bonds for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Bond Registrar.

Whenever the Series 2001 A Bonds shall be surrendered for registration of transfer, the Issuer shall execute and deliver a new Bond or Bonds in authorized denominations, for a like aggregate principal amount. The Bond Registrar shall require the payment by the new owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer, but the Issuer shall pay any other expenses incurred by the Bond Registrar with respect to such transfer.

No registration of transfer of the Series 2001 A Bonds shall be permitted to be made after the 15th day next preceding any installment payment date on the Series 2001 A Bonds.

Section 3.04. Bond Registrar. The Issuer shall be the Bond Registrar and will keep, or cause to be kept by its agent, at its office, sufficient books for the registration and transfer of the Series 2001 A Bonds, and, upon presentation for such purpose, the Bond Registrar shall, under such reasonable regulations as it may prescribe, register the Series 2001 A Bonds initially issued pursuant hereto and register the transfer, or cause to be registered by its agent, on such books, the transfer of the Series 2001 A Bonds as hereinbefore provided.

The Bond Registrar shall accept the Series 2001 A Bonds for registration or transfer only if ownership thereof is to be registered in the name of the Purchaser, an individual (including joint ownership), a corporation, a partnership or a trust, and only upon receipt of the social security number of each individual, the federal employer identification number of each corporation or partnership or the social security numbers of the settlor and beneficiaries of each trust and the federal employer identification number and date of each trust and the name of the trustee of each trust and/or such other identifying number and information as may be required by law. The Series 2001 A Bonds shall initially be fully registered as to both principal and interest in the name of the United States of America. So long as the Series 2001 A Bonds shall be registered in the name of the United States of America, the address of the United States of America for registration purposes shall be National Finance Office, St. Louis, Missouri 63103, or such other address as shall be stated in writing to the Issuer by the United States of America.

In case any one or more of the officers who shall have signed or sealed the Series 2001 A Bonds shall cease to be such officer of the Issuer before the Series 2001 A Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. The Series 2001 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case the Series 2001 A Bonds shall become mutilated or be destroyed, stolen or lost, the Issuer may in its discretion issue and deliver a new Bond of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bonds or in lieu of and substitution for the Bonds destroyed, stolen or lost, and upon the holder's furnishing the Issuer proof of his ownership thereof and complying with such other reasonable regulations and conditions as the Issuer may require. The Series 2001 A Bonds so surrendered shall be canceled and held for the account of the Issuer. If the Series 2001 A Bonds shall have

matured or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, and, if such Bond be destroyed, stolen or lost, without surrender thereof.

Section 3.07. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Series 2001 A Bonds shall be secured forthwith by a first lien on the Net Revenues derived from the System, on a parity with the Prior Bonds. The Net Revenues derived from the System in an amount sufficient to pay the principal of and interest on the Series 2001 A Bonds and the Prior Bonds, and to make the payments as hereinafter provided, are hereby irrevocably pledged to the payment of the principal of and interest on the Series 2001 A Bonds and the Prior Bonds as the same become due.

Section 3.08. Form of Bond. Subject to the provisions hereof, the text of the Series 2001 A Bonds and the other details thereof shall be of substantially the following tenor, with such omissions, insertions and variations as may be authorized or permitted hereby or by any resolution adopted after the date of adoption hereof and prior to the issuance thereof:

(FORM OF BOND)

ARMSTRONG PUBLIC SERVICE DISTRICT

WATER REVENUE BOND, SERIES 2001 A
(UNITED STATES DEPARTMENT OF AGRICULTURE)

\$550,000

No. AR-1

Date: _____, 2001

FOR VALUE RECEIVED, ARMSTRONG PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of FIVE HUNDRED FIFTY THOUSAND DOLLARS (\$550,000), plus interest on the unpaid principal balance at the rate of 4.5% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$2,525, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolution and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized

denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted December 11, 2001, authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS ISSUED ON A PARITY, AS TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, WITH THE BORROWER'S WATER REVENUE BOND, 1974, AS DESCRIBED IN THE RESOLUTION.

IN WITNESS WHEREOF, ARMSTRONG PUBLIC SERVICE DISTRICT has caused this Bond to be executed by its Chairman and its corporate seal to be hereunto affixed or imprinted hereon and attested by its Secretary, all as of the date hereinabove written.

The monies in the Series 2001 A Bonds Construction Account in excess of the amount insured by FDIC shall be secured at all times by the Depository Bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Monies in the Series 2001 A Bonds Construction Account shall be expended by the Issuer solely for the purposes provided herein.

Monies in the Series 2001 A Bonds Construction Account shall be used solely to pay the cost of acquisition and construction of the Project upon vouchers and other documentation approved by the Purchaser.

Until completion of acquisition and construction of the Project, the Issuer will additionally transfer from the Series 2001 A Bonds Construction Account and pay to the

Purchaser on or before the due date, such sums as shall be from time to time required to make the monthly installments on the Series 2001 A Bonds if there are not sufficient Net Revenues to make such monthly payment.

Pending application as provided in this Section 4.03, money and funds in the Series 2001 A Bonds Construction Account shall be invested and reinvested at the direction of the Issuer, to the extent possible in accordance with applicable law, in Qualified Investments.

When acquisition and construction of the Series 2001 A Bonds has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the Series 2001 A Bonds Construction Account shall be disposed of in accordance with the regulations of the Purchaser.

Section 4.04. Covenants of the Issuer as to System Revenues and Funds.

So long as any of the Series 2001 A Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 2001 A Bonds Reserve Account, a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Series 2001 A Bonds remaining unpaid, together with interest accrued and to accrue thereon, the Issuer further covenants with the Holders of the Series 2001 A Bonds as follows:

A. REVENUE FUND. The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited as collected by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Resolutions and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in the Resolutions.

B. DISPOSITION OF REVENUES. All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority, subject to the provisions of the Prior Resolutions not otherwise modified herein:

(1) The Issuer shall first, each month, pay from the Revenue Fund the Operating Expenses of the System.

(2) The Issuer shall next, each month, transfer from the Revenue Fund and (i) remit on the first day of each month, to the Commission for deposit in the 1974 Bonds Sinking Fund, the amount required by the Prior Resolutions to pay interest and principal on the 1974 Bonds; and (ii) beginning on

January 13, 2002, remit to the National Finance Office, the amounts required to pay the interest on the Series 2001 A Bonds until January 13, 2004 and continuing on the 13th day of each month thereafter, the amounts required to amortize the interest and principal on the Series 2001 A Bonds over the life of the Bond issue. All payments with respect to principal of and interest on the Prior Bonds and the Series 2001 A Bonds shall be made on an equal pro rata basis in accordance with the respective aggregate principal amounts thereof outstanding and on a parity with each other.

(3) The Issuer shall next, each month, transfer from the Revenue Fund and (i) on the first day of each month, remit to the Commission for deposit into the 1974 Bond Reserve Account, the amount required by the Prior Resolutions; and (ii) beginning on January 13, 2004 and continuing on the 13th day of each month thereafter, remit to the Commission for deposit into the Series 2001 A Bonds Reserve Account, an amount equal to 1/2 of 1/120th of the Series 2001 A Bonds Reserve Requirement, until the amount in the Series 2001 A Bonds Reserve Account equals the Series 2001 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2001 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2001 A Bonds Reserve Requirement. Monies in the Series 2001 A Bonds Reserve Account shall be used solely to make up any deficiency for monthly payments of the principal of and interest on the Series 2001 A Bonds to the National Finance Office as the same shall become due or for prepayment of installments on the Series 2001 A Bonds, or for mandatory prepayment of the Series 2001 A Bonds as hereinafter provided, and for no other purpose; provided, however, earnings from monies in the Series 2001 A Bond Reserve Account, so long as the Series 2001 A Bonds Reserve Requirement is on deposit and maintained therein, shall be returned not less than once each year, by the Commission to the Issuer, to be deposited in the Revenue Fund.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund an amount equal to 2 1/2% of the Gross Revenues each month, exclusive of any payment for account of any Reserve

Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in Qualified Investments. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(5) After all the foregoing provisions for use of monies in the Revenue Fund have been fully complied with, any monies remaining therein and not permitted to be retained therein may be used to prepay installments of the Bonds, pro rata, or for any lawful purpose.

Whenever the monies in the Series 2001 A Bonds Reserve Account shall be sufficient to prepay the Series 2001 A Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Series 2001 A Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The Commission is hereby designated as the Fiscal Agent for the administration of the Series 2001 A Bonds Reserve Account as herein provided, and all amounts required for the Series 2001 A Bonds Reserve Account will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein. If required by the Purchaser at anytime, the Issuer shall make the necessary arrangements whereby required payments into said account shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

The Issuer shall, on dates set forth above (if any such date is not a business day, then the next occurring business day), deposit with the Commission the required reserve account payments with respect to the Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to

the custody, use and application thereof consistent with the provisions of this Bond Legislation.

The Depository Bank is hereby designated as the Fiscal Agent for the administration of the Renewal and Replacement Fund as herein provided, and all amounts required for the Renewal and Replacement Fund will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written instructions stating the amount remitted for deposit into each such fund.

The Revenue Fund, the Series 2001 A Bonds Reserve Account and the Renewal and Replacement Fund shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Series 2001 A Bonds and the interest thereon.

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2001 A Bonds and the Prior Bonds, in accordance with the respective principal amounts then Outstanding.

Subject to the Prior Resolutions, the Commission and the Depository Bank, at the direction of the Issuer, shall keep the monies in the Series 2001 A Bonds Reserve Account and the Renewal and Replacement Fund invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Legislation shall, unless otherwise provided herein or required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated

fund" managed by the West Virginia Investment Management Board. Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. Earnings from monies in the Series 2001 A Bonds Reserve Account, so long as the Series 2001 A Bonds Reserve Requirement is on deposit and maintained therein, shall be returned not less than once each year, by the Commission to the Issuer, to be deposited in the Revenue Fund.

C. CHANGE OF DEPOSITORY BANK. The Issuer may designate another bank or trust company insured by FDIC as Depository Bank if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

D. USER CONTRACTS. The Issuer shall, prior to delivery of the Series 2001 A Bonds, provide evidence that there will be at least 799 bona fide users of the System upon completion of the Project, in full compliance with the requirements and conditions of the Purchaser.

E. CHARGES AND FEES. The Issuer shall remit from the Revenue Fund to the Commission or the Depository Bank such additional sums as shall be necessary to pay the charges and fees of the Commission or the Depository Bank then due.

F. INVESTMENT OF EXCESS BALANCES. The monies in excess of the sum insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State of West Virginia.

G. REMITTANCES. All remittances made by the Issuer to the Commission or the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

H. GROSS REVENUES. The Gross Revenues of the System shall only be used for purposes of the System.

Section 4.05. Interim Construction Financing. In order to pay certain costs of the Project pending receipt of proceeds of the Grants and advances of principal of the Series 2001 A Bonds, the Issuer may issue and sell its interim construction notes in an aggregate principal amount not to exceed \$550,000 (the "Notes"). The Notes shall be in the form of a line of credit from a commercial bank or other lender, and the Issuer is hereby authorized to enter into the credit agreement with such commercial bank or other lender. The Notes shall bear interest from the date or dates, at such rate or rates, payable on such dates and shall mature on such date or dates and be subject to such prepayment or redemption, all as provided in the credit agreement.

The Notes shall be special obligations of the Issuer payable as to principal and interest solely from proceeds of the Series 2001 A Bonds or the Grants. The Notes do not and shall not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions. The general funds of the Issuer are not liable, and neither the full faith and credit nor the taxing power of the Issuer, if any, is pledged for the payment of the Notes. The Holders of the Notes shall never have the right to compel the forfeiture of any property of the Issuer. The Notes shall not be a debt of the Issuer, nor a legal or equitable pledge, charge, lien or encumbrance upon any property of the Issuer or upon any of its income, receipts or revenues except as set forth herein.

ARTICLE V

GENERAL COVENANTS, ETC.

Section 5.01. General Statement. So long as the Series 2001 A Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 2001 A Bonds Reserve Account a sum sufficient to prepay the entire principal of the Series 2001 A Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Holder of the Series 2001 A Bonds.

Section 5.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 115% of the annual debt service on the Series 2001 A Bonds and the Prior Bonds and sufficient to make the payments required herein into all funds and accounts and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as the Series 2001 A Bonds are outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding;
- (3) The Parity Bonds than proposed to be issued.

No additional Parity Bonds or obligations payable out of any of the Revenues of the System shall be issued, except with the prior written consent of the Purchaser.

The foregoing limitation may be waived or modified by the written consent of the Holders of the Prior Bonds.

Section 5.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Series 2001 A Bonds remain outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Series 2001 A Bonds.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workers' Compensation Coverage for All Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100 % of the construction contract, will be required of each prime contractor, and such payment bonds have been or will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

(e) Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer; however, if the System is located in a community which has been notified as having special flood or mudslide prone areas, flood insurance must be obtained.

(f) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount of \$50,000 upon the treasurer, provided, however, that no bond shall be required insofar as custody of the Series 2001 A Bonds Construction Account is concerned so long as checks thereon require the signature of a representative of the Purchaser.

(g) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Series 2001 A Bonds are outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Statutory Mortgage Lien. For the further protection of the Holder of the Series 2001 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, on a parity with the Prior Bonds, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Series 2001 A Bonds.

Section 5.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(a) Failure to make payment of any monthly amortization installment up on the Series 2001 A Bonds at the date specified for payment thereof; and

(b) Failure to duly and punctually observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Series 2001 A Bonds or herein, or violation of or failure to observe any provision of any pertinent law.

Section 5.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default, appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 5.09. Fiscal Year; Budget. While the Series 2001 A Bonds are outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the 1st day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year preceding by more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual

Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 5.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer on file with the Secretary on the date of adoption hereof, subject to permitted changes.

Section 5.12. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer shall further comply with the Act with respect to such books, records and accounts.

Section 5.13. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Series 2001 A Bonds are outstanding.

Section 5.14. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

ARTICLE VI

RATES, ETC.

Section 6.01. Initial Schedule of Rates and Charges; Rules. A. The initial schedule of rates and charges for the services and facilities of the System, subject to change consonant with the provisions hereof, shall be as set forth in the Final Order of the Public Service Commission of West Virginia, entered on September 5, 2001, Case No. 00-1844-PWD-CN which Final Order is incorporated herein by reference as a part hereof.

B. There shall not be any discrimination or differential in rates between customers in similar circumstances.

C. All delinquent fees, rates and charges for services or facilities of the System shall be liens on the premises served of equal degree, rank and priority with the lien on such premises of state, county, school and municipal taxes, as provided in the Act. The Issuer shall have all remedies and powers provided under the Act and other applicable provisions of law with regard to the collection and enforcement of such fees, rates and charges.

D. The Issuer will not render or cause to be rendered any free services of any nature by the System nor any of the facilities; and in the event that the Issuer or any department, agency, officer or employee thereof should avail itself or themselves of the services or facilities of the System, the same fees, rates and charges applicable to other customers receiving like services under similar circumstances shall be charged, such charges shall be paid as they accrue, and revenues so received shall be deposited and accounted for in the same manner as other Revenues of the System.

E. The Issuer may require any applicant for any service by the System to deposit a reasonable and equitable amount to insure payment of all charges for the services rendered by the System, which deposit shall be handled and disposed of under the applicable rules and regulations of the Public Service Commission of West Virginia.

F. The Issuer, to the extent permitted by law, will not accept payment of any water bill from a customer served with water and sewer services by the Issuer without payment at the same time of a sewer bill owed by such customer for the same premises.

ARTICLE VII
MISCELLANEOUS

Section 7.01. Payment of Bonds. If the Issuer shall pay or there shall otherwise be paid, to the Holder of the Series 2001 A Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then with respect to the Series 2001 A Bonds, the pledge of Net Revenues and other monies and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owner of the Series 2001 A Bonds, shall thereupon cease, terminate and become void and be discharged and satisfied.

Section 7.02. Modification or Amendment. The Bond Legislation may not be modified or amended after final passage without the prior written consent of the Purchaser.

Section 7.03. Delivery of Bonds. The Chairman, Secretary and Treasurer of the Governing Body are hereby authorized and directed to cause the Series 2001 A Bonds, hereby awarded to the Purchaser pursuant to prior agreement, to be delivered to the Purchaser as soon as the Purchaser will accept such delivery.

Section 7.04. Severability of Invalid Provisions. If any one or more of the covenants, agreements or provisions hereof should be held contrary to any express provision of law or contrary to the policy of express law, although not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed severable from the remaining covenants, agreements or provisions hereof, and shall in no way affect the validity of all the other provisions hereof or the Series 2001 A Bonds.

Section 7.05. Conflicting Provisions Repealed. The Prior Resolutions and all parts thereof not expressly hereby changed shall continue in full force and effect and this Bond Legislation shall be supplemental to the Prior Resolutions.

All resolutions and orders, or parts thereof, in conflict with the provisions hereof are, to the extent of such conflicts, hereby repealed; provided that this Section shall not be applicable to the Loan Resolution (Form FmHA 442-47).

Section 7.06. Table of Contents and Headings. The Table of Contents and headings of the articles, sections and subsections hereof are for convenience only and shall neither control nor affect in any way the meaning or construction of any of the provisions hereof.

Section 7.07. Covenant of Due Procedure, Etc. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the adoption of this Resolution do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Chairman, Secretary and members of the Governing Body were at all times when any actions in connection with this Resolution occurred and are duly in office and duly qualified for such office.

Section 7.08. Effective Time. This Resolution shall take effect immediately upon its adoption.

Adopted this 11th day of December, 2001.

ARMSTRONG PUBLIC SERVICE DISTRICT
WATER REVENUE BOND, SERIES 2001 A
(UNITED STATES DEPARTMENT OF AGRICULTURE)

\$550,000

No. AR-1

Date: December 13, 2001

FOR VALUE RECEIVED, ARMSTRONG PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of FIVE HUNDRED FIFTY THOUSAND DOLLARS (\$550,000), plus interest on the unpaid principal balance at the rate of 4.5% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$2,525, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolution and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange therefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted December 11, 2001, authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS ISSUED ON A PARITY, AS TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, WITH THE BORROWER'S WATER REVENUE BOND, 1974, AS DESCRIBED IN THE RESOLUTION.

IN WITNESS WHEREOF, ARMSTRONG PUBLIC SERVICE DISTRICT
has caused this Bond to be executed by its Chairman and its corporate seal to be hereunto
affixed or imprinted hereon and attested by its Secretary, all as of the date hereinabove
written.

Section 1.02. Authority for this Resolution. This Resolution is adopted pursuant to the provisions of the Act and other applicable provisions of law.

Section 1.03. Findings. The Governing Body hereby finds and determines as follows:

A. The Issuer is a public service district and public corporation and political subdivision of the State of West Virginia, in Fayette County of said State.

B. The Issuer now owns and operates the System, the acquisition and construction of which has been financed in part by the proceeds of the Series 1985 Bonds.

C. The Issuer derives revenues from the System which are pledged for payment of the Series 1985 Bonds. Except for such pledge thereof, said revenues are not pledged or encumbered in any manner.

D. The Issuer intends to refund the Series 1985 Bonds in their entirety with proceeds of the Series 2002 A Bonds and other funds of the Issuer, to issue the Series 2002 A Bonds and to pledge the Net Revenues of the System for payment thereof. Upon issuance and delivery of the Series 2002 A Bonds and the defeasance of the Series 1985 Bonds, the Series 2002 A Bonds shall have a first lien on the System and the Revenues therefrom.

E. [RESERVED].

F. The estimated revenues to be derived in each year from the operation of the System after the refunding and defeasance of the Series 1985 Bonds will be sufficient to pay all Operating Expenses of the System and to make all other payments provided for in this Resolution.

G. Based upon the assumed principal amount, maturity schedule and interest rates for the Series 2002 A Bonds presented to the Issuer by the Original Purchaser, and after making allowance for the use of cash on hand of the Issuer, the Series 2002 A Bonds show a net present value debt service savings to the Issuer after deducting all expenses of the refunding and the costs of issuing the Series 2002 A Bonds.

H. The Issuer shall not sell the Series 2002 A Bonds without setting forth in the Supplemental Resolution the determination set forth in paragraph G above, based upon the actual principal amount, maturity schedule and interest rates for the Series 2002 A Bonds, and the Issuer shall not issue the Series 2002 A Bonds without having obtained from an Independent Certified Public Accountant a certification that the amount of savings stated to be achieved by the refunding shall in fact be saved, based upon their review, comparison and analysis of the net interest cost in dollars of the Series 2002 A Bonds and the net interest cost in dollars of the Series 1985 Bonds.

I. Subject to the determination and certification required by paragraph H above, it is in the best interests of the Issuer, and the residents thereof, that the Issuer issue the Series 2002 A Bonds and secure the Series 2002 A Bonds by a pledge and assignment of the Net Revenues derived from the operation of the System, the monies in the Series 2002 A Bonds Sinking Fund and the Series 2002 A Bonds Reserve Account, unexpended proceeds of the Series 2002 A Bonds and as further set forth herein.

J. The Series 2002 A Bonds and the Certificate of Authentication and Registration to be endorsed thereon are to be in substantially the forms set forth in EXHIBIT A - BOND FORM attached hereto and incorporated herein by reference, with necessary and appropriate variations, omissions and insertions as permitted or required by this Resolution or a Supplemental Resolution or as deemed necessary by the Registrar or the Issuer.

K. All things necessary to make the Series 2002 A Bonds, when authenticated by the Registrar and issued as in this Resolution provided, the valid, binding and legal special obligations of the Issuer according to the import thereof, and to validly pledge and assign those funds pledged hereby to the payment of the principal of and interest on the Series 2002 A Bonds, will be timely done and duly performed.

L. The adoption of this Resolution, and the execution and issuance of the Series 2002 A Bonds, subject to the terms thereof, will not result in any breach of, or constitute a default under, any instrument to which the Issuer is a party or by which it may be bound or affected.

Section 1.04. Resolution Constitutes Contract. In consideration of the acceptance of the Series 2002 A Bonds by those who shall own or hold the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of such Bondholders of any and all of such Series 2002 A Bonds, all of which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bond, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

Any Series 2002 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Series 2002 A Bonds shall hold the proper office in the Issuer, although at the date of such Series 2002 A Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Series 2002 A Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the Certificate of Authentication and Registration on such Series 2002 A Bond, substantially in the form set forth in EXHIBIT A - BOND FORM attached hereto and incorporated herein by reference with respect to the Series 2002 A Bonds, shall have been duly manually executed by the Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Series 2002 A Bond shall be conclusive evidence that such Series 2002 A Bond has been authenticated, registered and delivered under this Resolution. The Certificate of Authentication and Registration on any Series 2002 A Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Series 2002 A Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder, in accepting any of said Series 2002 A Bonds, shall be conclusively deemed to have agreed that such Series 2002 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder shall further be conclusively deemed to have agreed that said Series 2002 A Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2002 A Bonds remain Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Series 2002 A Bonds. Series 2002 A Bonds shall be transferable only by transfer of registration upon the Bond Register by the registered owner thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or such duly authorized attorney or legal representative. Upon transfer of a Series 2002 A Bond, there shall be issued at the option of the Holder or the transferee another Bond or Bonds of the aggregate principal amount equal to the unpaid amount of the transferred Bond and of the same series, interest rate and maturity of said transferred Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the registered owner or his attorney or legal representative duly authorized in writing, Series 2002 A Bonds may at the

option of the Holder thereof be exchanged for an equal aggregate principal amount of Series 2002 A Bonds of the same series, maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Series 2002 A Bond is exercised, Bonds shall be delivered in accordance with the provisions of this Resolution. All Series 2002 A Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Series 2002 A Bonds, the initial exchange of Bonds and exchanges of Bonds in the event of partial redemption of fully registered Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2002 A Bonds, the Registrar may impose a service charge. For every such transfer or exchange of bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2002 A Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2002 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Bond of like series, maturity and principal amount as the Bond, so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing the Issuer and the Registrar proof of his ownership thereof and that said Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Bondholder listed in the Bond Register shall constitute proof of ownership. All Series 2002 A Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Series 2002 A Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Bond be lost, stolen or destroyed, without surrender therefor.

Any such duplicate Series 2002 A Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Bonds be at any time found by any one, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the Revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued pursuant to this Resolution, the following provisions shall apply:

A. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2002 A Bonds Redemption Account in accordance with Subsection 4.03A(2) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory Redemption Date of said Term Bonds, a sum equal to 1/12th of the amount required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with respect to a series of Series 2002 A Bonds shall be set forth in the Supplemental Resolution relating thereto.

B. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

C. The Issuer shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

D. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the monies in the Series 2002 A Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

E. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Series 2002 A Bonds Sinking Fund), as will exhaust as nearly as practicable such Series 2002 A Bonds Redemption Account payment designated to be made in accordance with paragraph (A) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of \$5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Series 2002 A Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Bond Insurer, the Original Purchaser and the registered owner of the Series 2002 A Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

So long as DTC (as CEDE & CO.) is the registered Owner of the Series 2002 A Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice. Copies of all redemption notices relating to optional redemption of the Series 2002 A Bonds shall also be sent to registered securities depositories.

All official notices of redemption shall be dated and shall state:

- (1) The Redemption Date;
- (2) The Redemption Price;
- (3) If less than all outstanding Series 2002 A Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Series 2002 A Bonds to be redeemed;
- (4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Series 2002 A Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date;
- (5) The place where such Series 2002 A Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar; and

(6) Such other information, if any, as shall be required for DTC-eligible Bonds.

If funds sufficient to redeem all Series 2002 A Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such notice shall also state that such optional redemption is subject to the deposit of such monies with the Paying Agent on or before the Redemption Date. If such monies are not so deposited, the Registrar shall notify all holders of Series 2002 A Bonds called for redemption of such fact.

Official notice of redemption having been given as aforesaid, the Series 2002 A Bonds or portions of the Series 2002 A Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Series 2002 A Bonds or portions of Series 2002 A Bonds shall cease to bear interest. Upon surrender of such Series 2002 A Bonds for redemption in accordance with said notice, such Series 2002 A Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Series 2002 A Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unredeemed principal of such Bond. All Series 2002 A Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2002 A Bonds, and failure to mail or otherwise send such notice shall not affect the validity of proceedings for the redemption of any portion of Series 2002 A Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Series 2002 A Bond is registered as the owner of such Series 2002 A Bond for the purpose of receiving payment of the principal of, and interest on, such Series 2002 A Bond and for all other purposes, whether or not such Series 2002 A Bond is overdue.

Section 3.09. Temporary Bonds. Until Series 2002 A Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Series 2002 A Bonds in temporary form, substantially in the form of the definitive Series 2002 A Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Series 2002 A Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this

Resolution. Upon the presentation and surrender of any Series 2002 A Bond or Bonds in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefor, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without inaking any charge therefor to the Holder of such Series 2002 A Bond in temporary form.

Section 3.10. Authorization of Series 2002 A Bonds. For the purposes of paying a portion of the costs of refunding all of the Series 1985 Bonds of the Issuer, funding the Series 2002 A Bonds Reserve Account, paying costs in connection therewith and paying certain costs of acquisition and construction of certain improvements and additions to the System, there shall be issued the Series 2002 A Bonds of the Issuer, in an aggregate principal amount of not more than \$900,000. The Series 2002 A Bonds shall be designated "Sewer Refunding Revenue Bonds, Series 2002 A" and shall be issued in fully registered form, in the denomination of \$5,000 or any integral multiple thereof for any year of maturity, not exceeding the aggregate principal amount of Series 2002 A Bonds maturing in the year of maturity for which the denomination is to be specified. The Series 2002 A Bonds shall be numbered from AR-1 consecutively upward. The Series 2002 A Bonds shall be dated; shall be in such aggregate principal amount; shall bear interest at such rate or rates, not exceeding the then legally permissible rate, payable semiannually on such dates; shall mature on such dates and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Bonds. A. The Series 2002 A Bonds shall initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2002 A Bonds of each maturity, registered in the name of CEDE & CO., as nominee of DTC. Except as provided in paragraph E below, all of the Series 2002 A Bonds shall be registered in the registration books kept by the Registrar in the name of CEDE & CO., as nominee of DTC; provided that if DTC shall request that the Series 2002 A Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Series 2002 A Bonds registered in the name of such nominee or nominees. No person other than DTC or its nominee shall be entitled to receive from the Issuer or the Registrar either a Series 2002 A Bond or any other evidence of ownership of the Series 2002 A Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Series 2002 A Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry system as provided in paragraph E below.

B. At or prior to settlement for the Series 2002 A Bonds, the Issuer and the Registrar shall execute or signify their approval of a representation letter addressed to DTC in a form satisfactory to DTC (the "Representation Letter"). Any successor Registrar shall,

in its written acceptance of its duties under this Resolution, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Series 2002 A Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Series 2002 A Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in New York Clearing House or equivalent next day funds on the dates provided for such payments to be made to any Bondholder under this Resolution. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Issuer and the Registrar with respect to the principal or Redemption Price of or interest on the Series 2002 A Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Series 2002 A Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Series 2002 A Bonds so redeemed, but DTC may return such Series 2002 A Bonds and make an appropriate notation on the Series 2002 A Bond certificate as to the amount of such partial redemption; provided that DTC shall deliver to the Registrar, upon request, a written confirmation of such partial redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Series 2002 A Bonds of such maturity which have been redeemed.

D. The Issuer, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Series 2002 A Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Series 2002 A Bonds, selecting the Series 2002 A Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under this Resolution, registering the transfer of Series 2002 A Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Issuer nor the Registrar shall be affected by any notice to the contrary. Neither the Issuer nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Series 2002 A Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books of the Registrar as being a Bondholder with respect to (i) the Series 2002 A Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2002 A Bonds, (iv) any notice which is permitted or required to be given to Bondholders under this Resolution, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Series 2002 A Bonds or (vi) any consent given or other action taken by DTC as Bondholder.

E. The book entry system for registration of the ownership of the Series 2002 A Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Series 2002 A Bonds; or (ii) the Issuer determines that

continuation of the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Series 2002 A Bonds. In either of such events (unless in the case described in clause (ii) above, the Issuer appoints a successor securities depository), the Series 2002 A Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer or the Registrar for the accuracy of such designation. Whenever DTC requests the Issuer and the Registrar to do so, the Issuer and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Series 2002 A Bonds.

Section 3.12. Delivery of Bonds. The Issuer shall execute and deliver the Series 2002 A Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2002 A Bonds to the Original Purchaser upon receipt of the documents set forth below:

- (A) A list of the names in which the Series 2002 A Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;
- (B) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2002 A Bonds to the Original Purchaser;
- (C) Copies of this Resolution and the Supplemental Resolution certified by the Secretary;
- (D) The unqualified approving opinion upon the Series 2002 A Bonds by Bond Counsel; and
- (E) A copy of such other documents, certifications and verifications as the Original Purchaser may reasonably require.

Section 3.13. Form of Bonds. The definitive Series 2002 A Bonds shall be in substantially the form set forth in EXHIBIT A - BOND FORM attached hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 2002 A Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series 2002 A Bonds shall have the form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Bonds. Upon the issuance and delivery of the Series 2002 A Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

A. All interest accrued on the Series 2002 A Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 2002 A Bonds Sinking Fund and applied to payment of interest on the Series 2002 A Bonds at the first interest payment date.

B. An amount of the proceeds of the Series 2002 A Bonds which, together with other monies or securities available for such purpose, specifically including, but not limited to, monies on deposit in the Series 1985 Bonds Reserve Account, shall be sufficient to accomplish the refunding and defeasance of the Series 1985 Bonds (which amount shall be set forth in the Supplemental Resolution) shall be paid to the Holder of the Series 1985 Bonds.

C. An amount of the proceeds of the Series 2002 A Bonds equal to the Series 2002 A Bonds Reserve Requirement shall be remitted to the Bond Commission for deposit in the Series 2002 A Bonds Reserve Account; provided that, to the extent the Series 2002 A Bonds Reserve Requirement is satisfied in whole or in part from proceeds of any fund or account established for the Series 1985 Bonds pursuant to the Prior Resolutions, proceeds of the Series 2002 A Bonds shall be deposited in the Series 2002 A Bonds Reserve Account only to the extent needed to satisfy the balance of the Series 2002 A Bonds Reserve Requirement.

D. The balance of any proceeds of the Series 2002 A Bonds and any monies in any fund or account established for the Series 1985 Bonds pursuant to the Prior Resolutions, not used for any of the purposes set forth above, shall be deposited with the Depository Bank in the Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Series 2002 A Bonds and miscellaneous costs of refunding the Series 1985 Bonds at the written direction of the Issuer. All such costs of issuance shall be paid within 60 days of the Closing Date. Monies not to be applied immediately to pay such costs of issuance and refunding may be invested in accordance with this Resolution, subject however, to applicable yield restrictions as may be in effect under the Code. To the extent any proceeds of the Series 2002 A Bonds remain after paying costs of issuance of the Series 2002 A Bonds, such monies shall be used to pay, within 6 months of the date of issuance, the costs of acquisition and construction of capital improvements to the System. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 6 months after the Closing Date, such unapplied proceeds shall be transferred by the Issuer to the Series 2002 A Bonds Sinking Fund. All such proceeds shall constitute a trust fund for such purposes, and there hereby is created a lien upon such monies until so applied in favor of the Holders of the Series 2002 A Bonds.

Section 3.15. Designation of Bonds as "Qualified Tax-Exempt Obligations". The Issuer hereby designates the Series 2002 A Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3)(B) of the Code and covenants that the Series 2002 A Bonds do not constitute private activity bonds as defined in Section 141 of the Code, and that not more than \$10,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income tax purposes (excluding, however, obligations issued to currently refund any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the amount of the refunded obligation and private activity bonds, as defined in Section 141 of the Code, other than qualified 501(c)(3) bonds as defined in Section 145 of the Code), including the Series 2002 A Bonds, have been or shall be issued by the Issuer, including all subordinate entities of the Issuer, during the calendar year 2002.

Section 4.02. Establishment of Funds and Accounts with Bond Commission. - (1) Series 2002 A Bonds Sinking Fund;
- (2) Within the Series 2002 A Bonds Sinking Fund, the Series 2002 A Bonds Reserve Account; and
- (3) Within the Series 2002 A Bonds Sinking Fund; the Series 2002 A Bonds Redemption Account.

Section 4.03. System Revenues and Application Thereof. So long as any of the Series 2002 A Bonds shall be Outstanding and unpaid, the Issuer covenants as follows:

A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Resolution and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided.

- (1) The Issuer shall first each month pay from the Revenue Fund the Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission, (i) commencing 6 months prior to the first interest payment date on the Series 2002 A Bonds, for deposit in the Series 2002 A Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on the Series 2002 A Bonds on the next ensuing semiannual interest payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2002 A Bonds Sinking Fund and the next ensuing semiannual interest payment date is less than or greater than 6 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date; and provided further that, the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2002 A Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 2002 A Bonds deposited therein and subsequent amounts required to be transferred from the Revenue Fund and deposited in the Series 2002 A Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Series 2002 A Bonds Sinking Fund; and (ii) commencing 12 months prior to the first principal payment date or mandatory Redemption Date of the Series 2002 A Bonds, for deposit in the Series 2002 A Bonds Sinking Fund, and in the Series 2002 A Bonds Redemption Account therein in the case of Term Bonds which are to be redeemed, a sum equal to 1/12th of the amount of principal which will mature or be redeemed and become due on the Series 2002 A Bonds on the next ensuing principal payment date or mandatory Redemption Date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2002 A Bonds Sinking Fund and the next ensuing annual principal payment date or mandatory Redemption Date is less than or greater than 12 months, then such monthly payments shall be increased or decreased proportionately to provide, 1 month prior to the next ensuing annual principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2002 A Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Bond Commission, for deposit in the Series 2002 A Bonds Reserve Account, an amount sufficient to remedy any decrease in value of the Series 2002 A Bonds Reserve Account below the Series 2002 A Bonds Reserve Requirement or any withdrawal from the Series 2002 A Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2002 A Bonds Reserve Account results in a determination that the amount of monies and the value of the Qualified Investments deposited to the credit of the Series 2002 A Bonds Reserve Account is less than the Series 2002 A Bonds Reserve Requirement, or (b) any amount is withdrawn from the Series 2002 A Bonds Reserve Account for deposit into the Series 2002 A Bonds Sinking Fund. To the extent Net Revenues and any other legally available funds are available therefor, the amount so deposited shall be used to restore the amount of monies on deposit in the Series 2002 A Bonds Reserve Account to an amount equal to the Series 2002 A Bonds Reserve Requirement to the full extent that such Net Revenues are available; provided, that no payments shall be required to be made into the Series 2002 A Bonds Reserve Account whenever and as long as the amount deposited therein shall be equal to the Series 2002 A Bonds Reserve Requirement.

(4) The Issuer shall next, from the monies remaining in the Revenue Fund (as previously set forth in the Prior Resolutions and not in addition thereto), on the first day of each month, transfer to the Renewal and Replacement Fund, a sum equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in Qualified Investments. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

Monies in the Series 2002 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2002 A Bonds as the same shall become due, whether by maturity or redemption prior to maturity. Amounts in the Series 2002 A Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2002 A Bonds when due, when amounts in the Series 2002 A Bonds Sinking Fund are insufficient therefor and for no other purpose.

The Issuer shall not be required to make any further payments into the Series 2002 A Bonds Sinking Fund or the Series 2002 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of Series 2002 A Bonds issued pursuant to this Resolution then Outstanding, plus the amount of interest due or thereafter to become due on the Series 2002 A Bonds then Outstanding.

As and when additional Bonds ranking on a parity with the Series 2002 A Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at or before maturity and to accumulate a balance in the respective reserve account in an amount equal to the maximum amount of principal and interest which will become due in any year for account of such additional parity Bonds.

The payments into the Series 2002 A Bonds Sinking Fund shall be made on the first day of each month, except that, when the first day of any month shall be a Saturday, Sunday or legal holiday, then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Bond Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Resolution.

The Issuer shall restore any withdrawals from the Series 2002 A Bonds Reserve Account which have the effect of reducing the assets therein below the Series 2002 A Bonds Reserve Requirement from the first Net Revenues available after all required payments have been made in full in the order set forth above.

The Bond Commission is hereby designated as the fiscal agent for the administration of the Series 2002 A Bonds Sinking Fund and the Series 2002 A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Bond Commission from the Revenue Fund by the Issuer at the times provided herein.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period

as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall remit from the Revenue Fund to the Bond Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Bond Commission; the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay any charges and fees then due.

D. The monies in excess of the sum insured by the maximum amounts insured by FDIC in the Revenue Fund and the Renewal and Replacement Fund shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If on any monthly payment date the Net Revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 4.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

F. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE V

INVESTMENTS; NON-ARBITRAGE; REBATES OF EXCESS INVESTMENT EARNINGS

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any monies held as a part of the funds and accounts created by this Resolution in Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section:

(A) Qualified Investments acquired for the Series 2002 A Bonds Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 5 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to semiannually transfer from the Series 2002 A Bonds Reserve Account to the Series 2002 A Bonds Sinking Fund, any earnings on the monies deposited therein and any other funds in excess of the requirement therefor; provided, however, that there shall at all times remain on deposit in the Series 2002 A Bonds Reserve Account an amount at least equal to the Series 2002 A Bonds Reserve Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or

the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from the Series 2002 A Bonds Reserve Account, whereupon it shall be valued immediately after such withdrawal. If amounts on deposit in the Series 2002 A Bonds Reserve Account shall, at any time, be less than the applicable requirement therefor, the Bond Insurer, if any, shall be notified immediately of such deficiency, such deficiency shall be made up from the first available Net Revenues in the order set forth in Section 4.03 hereof.

(D) All amounts representing accrued and capitalized interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Series 2002 A Bonds and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all monies deposited in the Series 2002 A Bonds Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Investment Management Board pursuant to Chapter 12, Article 6 of the West Virginia Code of 1931, as amended.

Section 5.02. Arbitrage. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 2002 A Bonds in such manner and to such extent as may be necessary, so that the Series 2002 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2002 A Bonds) so that the interest on the Series 2002 A Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.03. Tax Certificate and Rebate. A. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2002 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2002 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations,

regardless of whether such actions may be contrary to any of the provisions of this Resolution.

B. The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect, with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and the required amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Series 2002 A Bonds from gross income for federal income tax purposes.

Section 5.04. Continuing Disclosure Agreement. The Issuer shall deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as it may be amended from time to time.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Resolution shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2002 A Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Resolution, the Issuer hereby covenants and agrees with the Holders of the Series 2002 A Bonds, as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2002 A Bonds, or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Series 2002 A Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the Net Revenues of the System, the monies in the Series 2002 A Bonds Sinking Fund and the Series 2002 A Bonds Reserve Account therein, and the unexpended proceeds of the Series 2002 A Bonds, all as herein provided. No Holder or Holders of the Series 2002 A Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2002 A Bonds or the interest thereon.

Section 6.03. Bonds Secured by Parity Pledge of Net Revenues and Monies in Sinking Fund. The payment of the debt service of all of the Series 2002 A Bonds issued hereunder shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System. The Net Revenues derived from the System, in an amount sufficient to pay the interest on and principal of the Series 2002 A Bonds herein authorized, and to make the payments into the Series 2002 A Bonds Sinking Fund, including the Series 2002 A Bonds Reserve Account therein, and all other payments provided for in this Resolution, are hereby irrevocably pledged in the manner provided in this Resolution to the payment of the interest on and principal of the Series 2002 A Bonds herein authorized as the same become due and for the other purposes provided in this Resolution.

Section 6.04. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such

purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2002 A Bonds and all other obligations secured by a lien on or payable from such revenues prior to, on a parity with, or junior to, the Series 2002 A Bonds.

Section 6.05. Operation and Maintenance. The Issuer will operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

Section 6.06. Sale of the System. So long as the Series 2002 A Bonds are outstanding and except as otherwise required by law, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds Outstanding, or to effectively defease this Resolution in accordance with Article IX hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2002 A Bonds, immediately be remitted to the Bond Commission for deposit in the Series 2002 A Bonds Sinking Fund, and the Issuer shall direct the Bond Commission to apply such proceeds to the payment of principal of and interest on the Series 2002 A Bonds. Any balance remaining after the payment of the Series 2002 A Bonds and interest thereon shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from

any such sale, lease or other disposition of such property, aggregating during such Fiscal Year in excess of \$10,000 and not in excess of \$50,000, shall be remitted by the Issuer to the Bond Commission for deposit in the Sinking Funds and shall be applied only to the purchase of Bonds of the last maturities then Outstanding at prices not greater than the par value thereof plus 3% of such par value or otherwise. Such payment of such proceeds into the Sinking Funds or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Resolution. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of over 50% in amount of the Bonds then Outstanding and the Consulting Engineers. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 6.07 and Section 6.08, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2002 A Bonds. All obligations issued by the Issuer after the issuance of the Series 2002 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2002 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2002 A Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2002 A Bonds and the interest thereon, if any, in this Resolution, or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds and Subordinate Debt. No Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2002 A Bonds pursuant to this Resolution, except under the conditions and in the manner herein provided (unless less restrictive than the provisions of the resolutions authorizing the Prior Bonds, in which case the more restrictive provisions shall apply).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2002 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions and improvements to the System or refunding any series of Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by an Independent Certified Public Accountant reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer and approved by the Public Service Commission of West Virginia, the period for appeal of which has expired prior to the date of issuance of such additional parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountant, as stated in a certificate signed by such Independent Certified Public Accountant, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer and approved by the Public Service Commission of West Virginia, the period for appeal of which has expired prior to issuance of such Parity Bonds.

Not later than simultaneously with the delivery of such Parity Bonds, the Issuer shall have entered into written contracts for the immediate construction or acquisition of such

extensions or improvements, if any, to the System that are to be financed by such Parity Bonds.

All covenants and other provisions of this Resolution (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Resolution required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Resolution.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 2002 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2002 A Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Resolution with respect to the Bonds then Outstanding (excluding the Renewal and Replacement Fund), and any other payments provided for in this Resolution, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Resolution.

Any certifications requiring computations establishing that debt service coverage is sufficient to support the issuance of parity Additional Bonds or that requisite debt service savings are available to support the issuance of refunding bonds shall, in all cases, be evidenced by a certificate of an Independent Certified Public Accountant.

No additional bonds, notes, certificates, contracts or any other obligations shall be issued by the Issuer unless no Event of Default shall have occurred and be continuing with respect to the Bonds.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance and bonds and worker's compensation coverage with a reputable insurance carrier or carriers or bonding company or companies covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged and destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

C. WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Issuer and such payment bonds will be filed with the Clerk of the County Commission of the County in which such work is to be performed prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 6.10. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and, in the event the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself or themselves of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee.

The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.11. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all delinquent rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System and any services and facilities of the waterworks system, if so owned by the Issuer, to all delinquent users of services and facilities of the System and will not restore such services of the System (or waterworks system) until all billing for charges for the services and facilities of the System, plus reasonable interest penalty charges for the restoration of service, has been fully paid. If the waterworks system is not owned by the Issuer, the Issuer shall enter into a termination agreement with the water provider, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 6.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.13. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as it shall direct.

The Issuer shall file with the Original Purchaser and any Bond Insurer, and shall mail to any Bondholder requesting the same, an annual report within 30 days following the date of receipt of the final audit containing a balance sheet, statement of revenues, expenses, and changes in retained earnings, and statement of cash flows, as prescribed by generally accepted accounting principles.

The Issuer shall also file with the Original Purchaser and any Bond Insurer, and mail to any Bondholder requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, and Net Revenues derived from the System.

(B) A statement of account balances in all funds and accounts provided for herein and status of said funds.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by an Independent Certified Public Accountant in compliance with OMB Circular 128 or any successor thereto and the Single Audit Act, shall mail upon request, and make available generally, the report of said Independent Certified Public Accountant, or a summary thereof, to any Holder or Holders of Bonds issued pursuant to this Resolution and shall file said report with the Original Purchaser.

Section 6.14. Operating Budget. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, or at such earlier date, prepare and adopt by resolution a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of such a registered professional engineer that such increased expenditures

are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Original Purchaser and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Original Purchaser, the Bond Insurer, if any, and to any Bondholder or anyone acting for and in behalf of such Bondholder who requests the same.

Section 6.15. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Division of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Division of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.16. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2002 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2002 A Bonds.

Section 6.17. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2002 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2002 A Bonds during the term thereof is, under the terms of the Series 2002 A Bonds or any underlying arrangement, directly or indirectly, secured by any

interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2002 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2002 A Bonds during the term thereof is, under the terms of the Series 2002 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2002 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the System, or if the Series 2002 A Bonds are for the purpose of financing more than one project, a portion of the System, and shall not exceed the proceeds used for the governmental use of that portion of the System to which such Private Business Use is related.

B. **PRIVATE LOAN LIMITATION.** The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2002 A Bonds or \$5,000,000 are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. **FEDERAL GUARANTEE PROHIBITION.** The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2002 A Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. **INFORMATION RETURN.** The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2002 A Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. **FURTHER ACTIONS.** The Issuer will take all actions that may be required of it so that the interest on the Series 2002 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 6.18 Municipal Bond Insurance Policy. The Issuer may apply for a Municipal Bond Insurance Policy for the Series 2002 A Bonds. In the event a Municipal Bond Insurance Policy is obtained, additional covenants and provisions of the Issuer may be required by the Bond Insurer as a condition to insuring the Series 2002 A Bonds. These additional covenants and provisions shall be set forth in a Supplemental Resolution, shall

apply to the Series 2002 A Bonds, and shall be controlling in the event any other provisions of this Resolution may be in conflict therewith.

Section 6.19. Merger, Consolidation or Acquisition of Issuer. The Issuer may, without the consent of the holders of the Series 2002 A Bonds, either merge into, be consolidated with or be acquired by, another public service district or municipality at any time following the issuance of the Series 2002 A Bonds; provided, however, that such merger, consolidation or acquisition may only occur if the Issuer first obtains a written statement by an Independent Certified Public Accountant that the merged, consolidated or acquiring entity will, immediately following such merger, consolidation or acquisition, satisfy the test for the issuance of additional parity bonds set forth in Section 6.08 hereof.

ARTICLE VII
DEFAULTS AND REMEDIES

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2002 A Bonds:

(A) If default occurs in the due and punctual payment of the principal of or interest on any Bonds;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Resolution or any Supplemental Resolution or in the Series 2002 A Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Bondholder or any Bond Insurer; or

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America.

The Issuer must cure any covenant default within 30 days after notice of the default, and failure (i) to pay principal of or interest on the Bonds, or (ii) to comply with the Subordinate Debt provisions shall be an immediate event of default.

No waivers shall be granted by any party to the Bond documents without the prior written consent of the Bond Insurer, if any.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Bondholder or any Bond Insurer may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Bondholders, including the right to require the Issuer to perform its duties under the Act and this Resolution;

(C) Bring suit upon the Bonds;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Bondholders; and

(E) By action or bill in equity enjoin any acts in violation of this Resolution or the rights of the Bondholders.

No remedy by the terms of this Resolution conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder or now or hereafter existing at law or by statute.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Bondholders shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Bondholder or any Bond Insurer shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Resolution and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2002 A Bonds issued pursuant to this Resolution and interest thereon and under any covenants of this Resolution for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Resolution shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall

have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Holders of the Series 2002 A Bonds issued pursuant to this Resolution. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Bondholders, and the curing and making good of any default under the provisions of this Resolution, and the title to and ownership of said System shall remain in the Issuer; and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Notwithstanding any other provision of this Resolution, in determining whether the rights of Bondholders will be adversely affected by any action taken pursuant to the terms and provisions of this Resolution, any trustee or Bondholder's committee shall consider the effect on the Bondholders as if no Municipal Bond Insurance Policy were then in effect.

Section 7.04. Restoration of Issuer and Bondholder. In case any Bondholder shall have proceeded to enforce any right under this Resolution by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Bondholder shall be restored to their former positions and rights hereunder, and all rights and remedies of such Bondholder shall continue as if no such proceedings had been taken.

ARTICLE VIII

REGISTRAR AND PAYING AGENT

Section 8.01. Appointment of Registrar. The Registrar for the Series 2002 A Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Registrar. The recitals of fact in the Series 2002 A Bonds shall be taken as statements of the Issuer, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2002 A Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2002 A Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Resolution and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Registrar May Act. Except as otherwise provided by Section 10.02, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Bonds, the first exchange of Bonds and the exchange of Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2002 A Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or effect or aid in any reorganization growing out of the enforcement of the Series 2002 A Bonds or this Resolution, whether or not any such committee shall represent the Holders of a majority in principal amount of the Series 2002 A Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Resolution by giving not less than 60 days' written notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Bondholder in the event all Series 2002 A Bonds are fully registered), specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Series 2002 A Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer or by the Holders of a majority in principal amount of the Series 2002 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer or by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Holders of a majority in principal amount of the Series 2002 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Bondholders. The Issuer shall publish in an Authorized Newspaper (or mail to each Bondholder in the event all Series 2002 A Bonds are fully registered) notice of any such appointment within 20 days after the effective date of such appointment. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Bondholders. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Resolution.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any monies, books and records held by it to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2002 A Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Bonds so authenticated, and, in case any Series 2002 A Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent. The Bond Commission shall serve as the Paying Agent. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Resolution. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Series 2002 A Bonds shall be and remain DTC-eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from monies available therefor.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Resolution. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Bondholders may make such appointment.

The Paying Agent shall enjoy the same protective provisions in the performance of its duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All monies received by the Paying Agent shall, until used or applied as provided in this Resolution, be held in trust for the purposes for which they were received.

ARTICLE IX

DEFEASANCE; DISCHARGE OF PLEDGE OF RESOLUTION

Section 9.01. Defeasance; Discharge of Pledge of Resolution. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Holders of all Series 2002 A Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then this Resolution and the pledges of the Net Revenues and other monies and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Holders of the Series 2002 A Bonds made hereunder, shall thereupon cease, terminate and become void and be discharged and satisfied, except as may be necessary to assure the exclusion of interest on the Series 2002 A Bonds from gross income for federal income tax purposes.

The Series 2002 A Bonds for the payment of which either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on the Series 2002 A Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2002 A Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either monies in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide monies which, together with the monies, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on the Series 2002 A Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of the Series 2002 A Bonds prior to the maturity thereof, on and prior to said Redemption Date. Neither securities nor monies deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Series 2002 A Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on the Series 2002 A Bonds on and prior to such maturity or Redemption Dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations, as such term is limited by the provisions in Section 1.01 hereof or such additional securities as shall be set forth in the Supplemental Resolution.

ARTICLE X

MISCELLANEOUS

Section 10.01. Amendment of Resolution. Prior to issuance of the Series 2002 A Bonds, this Resolution may be amended or supplemented in any way by the Supplemental Resolution. All provisions required by the Bond Insurer, if any, shall be set forth in the Supplemental Resolution and to the extent they constitute an amendment or modification of the Resolution, shall be controlling. Following issuance of the Series 2002 A Bonds, this Resolution and any Supplemental Resolution may be amended or modified without the consent of any Bondholder or other person, so long as such amendment or modification is not materially adverse to any Bondholder, as determined by an opinion of Bond Counsel. In the event any of the Series 2002 A Bonds are insured, no such amendment or modification which adversely affects the security for such Series 2002 A Bonds or the rights of any Bond Insurer for such Series 2002 A Bonds may be effected without the written consent of such Bond Insurer. No materially adverse amendment or modification to this Resolution, or of any Supplemental Resolution, may be made without the written consent of the Holders of 60% in aggregate principal amount of the Series 2002 A Bonds then Outstanding and affected thereby and such Bond Insurer, which must be filed with the Issuer before any such modification or amendment may be made. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Series 2002 A Bond without the express written consent of the Holder of each Series 2002 A Bond so affected, nor reduce the percentage of Series 2002 A Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent, revocation of consent or other instrument which this Resolution may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Resolution if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Bondholder or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Bonds held by a person executing any instrument as a Bondholder, the date of his holding such Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Holder of any Series 2002 A Bond shall bind all future Holders and owners of such Series 2002 A Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Resolution shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Bondholder, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Resolution shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Bonds. All Series 2002 A Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Series 2002 A Bonds shall be deemed Outstanding under this Resolution and no Series 2002 A Bonds shall be issued in lieu thereof. All such Series 2002 A Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Bonds. Anything in this Resolution to the contrary notwithstanding, any monies held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Series 2002 A Bonds which remain unclaimed for 1 year after the date on which such Series 2002 A Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Holders of such Series 2002 A Bonds shall look only to the Issuer for the payment of such Series 2002 A Bonds; provided, however, that, before making any such payment to the Issuer, the Registrar, if so advised by the Bond Commission, or said Paying Agent shall send to the Holder, at the address listed on the Bond Register, by certified mail, a notice that such monies remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of

such notice is mailed, the balance of such monies then unclaimed will be returned to the Issuer. If any of said Series 2002 A Bonds is a coupon Bond, the Registrar or said Paying Agent shall also publish such notice, not less than 30 days prior to the date such monies will be returned to the Issuer, in an Authorized Newspaper.

Section 10.06. Notices, Demands and Requests. Unless otherwise expressly provided, all notices, demands and requests to be given or made hereunder to or by the Issuer, the Registrar, the Paying Agent, the Depository Bank, the Original Purchaser or the Bond Insurer shall be in writing and shall be properly made if sent by United States mail, postage prepaid, and addressed as follows or if hand-delivered to the individual to whom such notice, demand or request is required to be directed as indicated below:
