BE IT ORDAINED AND ENACTED BY THE COUNCIL OF THE TOWN OF ATHENS:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 8, Article 20 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The Town of Athens (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Mercer County of said State.

B. The Issuer presently owns and operates a public combined waterworks and sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain additions, betterments and improvements to the sewerage portion of the existing public combined waterworks and sewerage system of the Issuer, consisting of a replacement main sewer line and sewer interceptor to its sewage treatment facility (collectively, the "Project") (the existing public combined waterworks and sewerage system of the Issuer, the Project and any further additions, betterments, improvements or extensions thereof are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Recorder of the Issuer.

C. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System, interest on and principal of the Prior Bonds and the Series 2000 Bonds (as hereafter defined) and to make all payments into all funds, accounts and other payments provided for herein and in the Prior Ordinances.

D. The Issuer intends to permanently finance the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund program (the "SRF Program"), pursuant to the Act, in order to take advantage of the favorable terms available to the Issuer under the SRF Program.

E. It is deemed necessary for the Issuer to issue its Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 (West Virginia SRF Program) (the "Series 2000 Bonds"), in the total aggregate principal amount of not more than \$750,000, initially to be represented by a single bond, to permanently finance a portion of the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2000 Bonds prior to and during construction or acquisition and for a period not exceeding 6 months after completion of construction or acquisition of the Project; amounts which may be deposited in the Series 2000 Bonds Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expense; commitment fees; fees and expenses of the Authority, including the SRF Administrative Fee (as hereinafter defined); discount; initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2000 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; the acquisition and construction of the Project and the placing of the same in operation; and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs

prior to the issuance of the Series 2000 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

F. The period of usefulness of the System after completion of the Project is not less than 25 years.

G. It is in the best interests of the Issuer that its Series 2000 Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and among the Issuer, the Authority and the West Virginia Division of Environmental Protection, a division of the West Virginia Bureau of Environment (the "DEP"), in form satisfactory to the Issuer, the Authority and the DEP (the "Loan Agreement"), approved hereby if not previously approved by resolution of the Issuer.

H. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2000 Bonds as to liens, pledge, source of and security for payment, being the Water and Sewer Revenue Bonds of 1967, Series A, and Water and Sewer Revenue Bonds of 1967, Series B, both dated November 15, 1967, and issued in the respective original principal amounts of \$180,000 and \$57,000 (respectively, the "Series 1967 A Bonds" and the "Series 1967 B Bonds and, collectively, the "Series 1967 Bonds"), and the Water and Sewer Revenue Bonds, Series 1975, dated April 14, 1976, issued in the original principal amount of \$1,376,000 (the "Series 1975 Bonds"). The Series 1967 Bonds and the Series 1975 Bonds are hereinafter collectively referred to as the "Prior Bonds."

Prior to the issuance of the Series 2000 Bonds, the Issuer will obtain the written consent of the Holders of the Prior Bonds to the issuance of the Series 2000 Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

I. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2000 Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and the obtaining of a certificate of public convenience and necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2000 Bonds or such final order will not be subject to appeal or rehearing.

J. The Issuer is a governmental unit which has general taxing powers to finance operations of or facilities of the nature of the Project and the System; 95% or more of the Net Proceeds of the Series 2000 Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the

jurisdiction of the Issuer); and the Issuer, all subordinate entities, all entities which issue obligations on behalf of the Issuer, and all entities formed or, to the extent provided under Section 148 of the Code, herein defined, availed of, to avoid the purposes of Section 148(f)(4)(D) of the Code and all other entities benefiting thereby, reasonably expect to issue less than \$5,000,000 aggregate principal amount of tax-exempt obligations (other than private activity bonds) during the calendar year in which the Series 2000 Bonds are to be issued.

K. The Project has been reviewed and determined to be technically and financially feasible by the West Virginia Infrastructure and Jobs Development Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. Section 3.03. Execution of Bonds. The Series 2000 Bonds shall be executed in the name of the Issuer by the Mayor, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Recorder. In case any one or more of the officers who shall have signed or sealed the Series 2000 Bonds shall cease to be such officer of the Issuer before the Series 2000 Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2000 Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of the authorization of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. No Series 2000 Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.10 hereof shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any Series 2000 Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 2000 Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting the Series 2000 Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as the Series 2000 Bonds remain outstanding, the Issuer, through the Bond Registrar as its agent, shall keep and maintain books for the registration and transfer of the Series 2000 Bonds.

The registered Series 2000 Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 2000 Bonds or transferring the registered Series 2000 Bonds are exercised, all Series 2000 Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Series 2000 Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Series 2000 Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Series 2000 Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Series 2000 Bonds or, in the case of any proposed redemption of Series 2000 Bonds, next preceding the date of the selection of Series 2000 Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2000 Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No Holder or Holders of the Series 2000 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2000 Bonds or the interest thereon.

Section 3.08. Bonds Secured by Pledge of Gross Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service of the Series 2000 Bonds shall be secured by a first lien on the Gross Revenues derived from the System, on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. Such Gross Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Series 2000 Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as the same become due.

Section 3.09. Delivery of Bonds. The Issuer shall execute and deliver the Series 2000 Bonds to the Bond Registrar, and the Bond Registrar shall authenticate, register and deliver the Series 2000 Bonds to the original purchasers upon receipt of the documents set forth below:

- A. If other than the Authority, a list of the names in which the Series 2000 Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Bond Registrar may reasonably require;
- B. A request and authorization to the Bond Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2000 Bonds to the original purchasers;
- C. An executed and certified copy of Bond Legislation;
- D. An executed copy of the Loan Agreement; and
- E. The unqualified approving opinion of bond counsel on the Series 2000 Bonds.

Section 3.10. Form of Bonds. The text of the Series 2000 Bonds shall be in substantially the following form, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted hereby, or by any Supplemental Resolution adopted prior to the issuance thereof:

The interest on this Bond is payable by check or draft of the Paying Agent mailed to the registered owner hereof at the address as it appears on the books of One Valley Bank, National Association, Charleston, West Virginia, as registrar (the "Registrar"), on the 15th day of the month next preceding an interest payment date, or by such other method as shall be mutually agreeable so long as the Authority is the registered owner hereof.

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Division of Environmental Protection (the "DEP"), and upon the terms and conditions

prescribed by, and otherwise in compliance with, the Loan Agreement by and among the Issuer, the Authority and the DEP, dated _____, 2000.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain additions, betterments and improvements to the sewerage portion of the existing public combined waterworks and sewerage system of the Issuer (the "Project"); (ii) to fund a reserve account for the Bonds of this Series (the "Bonds"); and (iii) to pay certain costs of issuance hereof and related costs. The existing public combined waterworks and sewerage system of the Issuer, the Project, and any further additions, betterments or improvements thereto are herein called the "System." The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Bond Legislation.

Such Gross Revenues shall be sufficient to pay all operating expenses of the System and the principal of and interest on all bonds which may be issued pursuant to the Act and which shall be set aside as a special fund hereby pledged for such purpose. The Notes may be in the form of bond anticipation notes, grant anticipation notes and/or as evidence of a line of credit from a commercial bank or other lender, or any combination of the foregoing, at the discretion of the Issuer, and as shall be set forth in one or more resolutions supplemental hereto. The Notes do not and shall not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions. The general funds of the Issuer are not liable, and neither the full faith and credit nor the taxing power of the Issuer is pledged for the payment of the Notes. The Holders of the Notes shall never have the right to compel the forfeiture of any property of the Issuer. The Revenue Fund shall constitute a trust fund for the purposes provided in this Bond Legislation and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in this Bond Legislation and the Prior Ordinances. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) remit to the Depository Bank for deposit in the Prior Bonds Sinking Fund, the amount required by the Prior Ordinances for payment of the interest on the Prior Bonds; and (ii) commencing 3 months prior to the first date of payment of interest on the Series 2000 Bonds for which interest has not been capitalized or as required in the Loan Agreement, remit to the Commission for deposit in the Series 2000 Bonds Sinking Fund, an amount equal to 1/3rd of the amount of interest which will become due on the Series 2000 Bonds on the next ensuing quarterly interest payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2000 Bonds Sinking Fund and the next quarterly interest payment date is less than 3 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next quarterly interest payment date, the required amount of interest coming due on such date.

(3) The Issuer shall next, each month, transfer from the Revenue Fund to the Operation Fund, the amount necessary and sufficient to pay the Operating Expenses.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) remit to the Depository Bank for deposit in the Prior Bonds

Reserve Account, the amount required by the Prior Ordinances to be deposited therein; and (ii) commencing 3 months prior to the first date of payment of principal of the Series 2000 Bonds, if not fully funded upon issuance of the Series 2000 Bonds, remit to the Commission for deposit in the Series 2000 Bonds Reserve Account, an amount equal to 1/120th of the Series 2000 Bonds Reserve Requirement; provided, that no further payments shall be made into the Series 2000 Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2000 Bonds Reserve Requirement.

(5) The Issuer shall next, each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Depreciation Fund, the moneys remaining in the Revenue Fund until there has been accumulated therein the sum of \$90,000, and thereafter, such sums as shall be required to maintain such amount therein. Additionally, so long as the Series 2000 Bonds are outstanding, the Issuer shall next, each month, transfer from the Revenue Fund to the Depreciation Fund, a sum equal to 2 1/2 % of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Depreciation Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Depreciation Fund for replacements, repairs, improvements or extensions to the System; provided, that any deficiency in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof, shall be promptly eliminated with moneys from the Depreciation Fund.

Moneys in the Series 2000 Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2000 Bonds as the same shall become due. Moneys in the Series 2000 Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the Series 2000 Bonds, as the same shall come due, when other moneys in the Series 2000 Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 2000 Bonds Sinking Fund and the Series 2000 Bonds Reserve Account (if fully funded) shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of

the Project, be deposited in the Bonds Construction Trust Fund, and following completion of construction of the Project, be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment due on the Series 2000 Bonds and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 2000 Bonds Reserve Account which result in a reduction in the balance of the Series 2000 Bonds Reserve Account to below the Series 2000 Bonds Reserve Requirement shall be subsequently restored from the first Gross Revenues available after all required payments have been made in full in the priority as set forth above.

As and when additional Bonds ranking on a parity with the Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in an amount equal to the maximum amount of principal and interest which will become due in any year for account of the Bonds of such series, including such additional Bonds.

The Issuer shall not be required to make any further payments into the Series 2000 Bonds Sinking Fund or into the Series 2000 Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2000 Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the maturity thereof.

Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds and the Series 2000 Bonds in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2000 Bonds Sinking Fund and the Series 2000 Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority at anytime, the Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 2000 Bonds Sinking Fund and the Series 2000 Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2000 Bonds Sinking Fund, including the Series 2000 Bonds Reserve Account, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2000 Bonds and any additional Bonds ranking on a parity therewith that may be issued and Outstanding under the conditions and restrictions hereinafter set forth.

B. The Issuer shall, on the first day of each month (if the first day is not a business day, then the first business day of each month), deposit with the Commission the required interest, principal and reserve account payments with respect to the Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. The Issuer shall, on the first day of each month (if the first day is not a business day, then the first business day of each month), deposit with the Commission the SRF Administrative Fee as set forth in the Schedule Y attached to the Loan Agreement. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

C. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinabove provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered as Surplus Revenues (the "Surplus Revenues"). Surplus Revenues may be used for any lawful purpose of the System.

D. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement as Exhibit F, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of each calendar month.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Gross Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. The Gross Revenues of the System shall only be used for purposes of the System.

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the moneys received from the sale of the Series 2000 Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 2000 Bonds, there shall first be deposited with the Commission in the Series 2000 Bonds Sinking Fund, the amount, if any, set forth in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 2000 Bonds for the period commencing on the date of issuance of the Series 2000 Bonds and ending 6 months after the estimated date of completion of construction of the Project.

B. Next, from the proceeds of the Series 2000 Bonds, there shall be deposited with the Commission in the Series 2000 Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding the Series 2000 Bonds Reserve Account.

C. As the Issuer receives advances of the remaining moneys derived from the sale of the Series 2000 Bonds, such moneys shall be deposited with the Depository Bank in the Bond Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02 hereof and until so transferred or expended, are hereby pledged as additional security for the Series 2000 Bonds.

D. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Bonds shall be used to fund the Series 2000 Bonds Reserve Account, if not funded upon issuance of the Series 2000 Bonds, in an amount not to exceed the Series 2000 Bonds Reserve Requirement; provided that, in no event shall more than 10% of the proceeds of the Bonds be deposited in the Series 2000 Bonds Reserve Account. Any remaining proceeds of the Bonds shall be expended as approved by the DEP.

Section 6.02. Disbursements From the Bonds Construction Trust Fund. On or before the Closing Date, the Issuer shall have delivered to the Authority and the DEP a report listing the specific purposes for which the proceeds of the Series 2000 Bonds will be expended and the disbursement procedures for such proceeds, including an estimated monthly draw schedule. Payments for costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements from the Bond Construction Trust Fund shall be made only after submission to, and approval from, the Authority and the DEP of the following:

(1) a completed and signed "Payment Requisition Form," a form of which is attached to the Loan Agreement as Exhibit C, in compliance with the construction schedule, and

(2) a certificate, signed by an Authorized Officer and the Consulting Engineers, stating that

(A) None of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(B) Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(C) Each of such costs has been otherwise properly incurred; and

(D) Payment for each of the items proposed is then due and owing.

Pending such application, moneys in the Bond Construction Trust Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2000 Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2000 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2000 Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2000 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2000 Bonds, shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2000 Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Gross Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service of the Series 2000 Bonds shall be secured forthwith by a first lien on the Gross Revenues derived from the System, on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. The Gross Revenues in an amount sufficient to pay the principal of and interest on the Series 2000 Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation, are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved in the Final Order of the Public Service Commission of West Virginia entered on September 10, 1999, in Case No. 99-0712-S-MA, and the water rate ordinance of the Issuer enacted _____, 19____, which rates are incorporated herein by reference as a part hereof.

So long as the Series 2000 Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the

Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2000 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, except as provided in the Prior Ordinances. Additionally, so long as the Series 2000 Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the DEP, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2000 Bonds, immediately be remitted to the Commission for deposit in the Series 2000 Bonds Sinking Fund, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal at maturity of and interest on the Series 2000 Bonds as prescribed by Section 10.01 hereof. Any balance remaining after the payment of the Bonds and the interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Depreciation Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine, upon consultation with a professional engineer, that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Depreciation Fund. The payment of such proceeds into the Depreciation Fund

shall not reduce the amount required to be paid into such account by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding, without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2000 Bonds. All obligations issued by the Issuer after the issuance of the Series 2000 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2000 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts established by this Bond Legislation at the time of the issuance of such subordinate obligations have been made and are current.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2000 Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2000 Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on issuance of parity obligations set forth in the Prior Ordinances shall be applicable. Additionally, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2000 Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the DEP and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinances).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2000 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions, extensions, improvements or betterments to the System or refunding the Series 2000 Bonds or the Prior Bonds issued pursuant hereto, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Recorder a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during the 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of improvements to be financed by such Parity Bonds shall, so long as the Prior Bonds are outstanding, not be less than 120% of the average aggregate amount, unless waived by the Holders of the Prior Bonds, and thereafter, shall not be not less than 115 %, of the largest aggregate amount, that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from additional customers to be connected to the System as a result of additions, extensions and improvements thereto, or from any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Recorder of the Issuer prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, as stated in a certificate filed with the Recorder, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Net Revenues of the System, and their source of and security for payment from said Net Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Series 2000 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2000 Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the DEP such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Authority and the DEP, or any other original purchaser of the Series 2000 Bonds, and shall mail in each year to any Holder or Holders of the Series 2000 Bonds requesting the same, an annual report containing the following:

- (A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.
- (B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.
- (C) The amount of any Bonds, notes or other obligations payable from the revenues of the System outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail, upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2000 Bonds and shall submit said report to the Authority and the DEP, or any other original purchaser of the Series 2000 Bonds. Such audit report submitted to the Authority and the DEP shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in Exhibit E of the Loan Agreement or as promulgated from time to time.

The Issuer shall permit the Authority or the DEP, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the Authority and the DEP, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2000 Bonds, equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Recorder, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 120% of the average amount required in any year for payment of principal of and interest on the Prior Bonds and the Bonds, so long as the Prior Bonds are outstanding, unless waived by the Holders of the Prior Bonds, and thereafter, equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2000 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2000 Bonds; provided that, in the event that the Prior Bonds are no longer outstanding and an amount equal to or in excess of the reserve requirement is on deposit respectively in the Series 2000 Bonds Reserve Account and any reserve accounts for obligations on a parity with the Series 2000 Bonds are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest

on the Series 2000 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2000 Bonds. In any event, subject to any requirements of law, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinances described in Section 7.04 hereof.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the DEP within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority, the DEP and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds, or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement as Exhibit B, and forward a copy of such report to the Authority and the DEP by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer shall obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the DEP is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the DEP covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the DEP and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the SRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the DEP in writing of such receipt. The Issuer shall submit a "Performance Certificate," a form of which is attached to the Loan Agreement as Exhibit A, to the DEP within 60 days of the end of the first year after the Project is completed.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the SRF Regulations, to the DEP when the Project is 90% completed.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the Loan Agreement. The Issuer shall notify the DEP in writing of the certified operator employed at the 50% completion stage.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid when due,

shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. The Issuer hereby covenants and agrees that so long as the Series 2000 Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. In the event of any damage to or destruction of any portion of the System, the proceeds of all such insurance policies shall be placed in the Depreciation Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Depreciation Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the

order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the amount of any construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project, provided that the amounts and terms of such coverage are satisfactory to the Authority and the DEP and the Issuer shall verify such

insurance prior to commencement of construction. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Division of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Division of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Completion, Operation and Maintenance of Project; Permits and Orders. D. **INFORMATION RETURN.** The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2000 Bonds and the interest thereon, including, without limitation, the information return required under Section 149(e) of the Code.

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2000 Bonds are Outstanding and as long thereafter as necessary to assure the exclusion of interest on the Series 2000 Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2000 Bonds which would cause the Series 2000 Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take any and all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2000 Bonds) so that the interest on

the Series 2000 Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Small Issuer Exemption from Rebate. In accordance with Section 148(f)(4)(D) of the Code, the Issuer covenants that it is a governmental unit with general taxing powers; that no part of the Series 2000 Bonds are private activity bonds; that 95% or more of the Net Proceeds of the Series 2000 Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer); and that the aggregate face amount of all the tax-exempt obligations (other than private activity bonds) issued by the Issuer during the calendar year in which the Series 2000 Bonds are issued does not and will not exceed \$5,000,000, determined in accordance with Section 148(f)(4)(D) of the Code and the Regulations from time to time in effect and applicable to the Series 2000 Bonds. For purposes of this first paragraph of Section 8.03 and for purposes of applying Section 148(f)(4)(D) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a governmental unit to make loans to other governmental units with general taxing powers not subordinate to such unit shall, for purposes of applying this first paragraph of Section 8.03 and Section 148(f)(4)(D) of the Code, be treated as not issued by such unit; all obligations issued by a subordinate entity shall, for purposes of applying this first paragraph of Section 8.03 and Section 148(f)(4)(D) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of such Section 148(f)(4)(D) of the Code and all other entities benefiting thereby shall be treated as one issuer.

Notwithstanding the foregoing, if in fact the Issuer is subject to the rebate requirements of Section 148(f) of the Code, and not exempted from such requirements, the Issuer covenants to make, or cause to be made, all rebate calculations, computations and payments in the time, manner and as required in Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Series 2000 Bonds and otherwise covenants and agrees to comply with the provisions of such Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Series 2000 Bonds. In the event of a failure to pay the correct rebate amount, the Issuer will pay, from any lawful sources available therefor, to the United States such rebate amount, plus a penalty equal to 50% of the rebate amount not paid when required to be paid, plus interest on that amount, unless waived. In order to provide for the administration of this paragraph, the Issuer may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the Issuer may deem appropriate.

The Issuer shall furnish to the Authority, annually, and at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be

requested by the Authority. In addition, the Issuer shall cooperate with the Authority in preparing any required rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation or, if the Issuer qualifies for the small governmental issue exception to rebate, the Issuer shall submit a certificate stating that it is exempt from the rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Series 2000 Bonds subject to rebate. The Issuer shall also furnish to the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority, including information with respect to earnings on all funds constituting "gross proceeds" of the Bonds (as such term "gross proceeds" is defined in the Code).

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2000 Bonds:

- (1) If default occurs in the due and punctual payment of the principal of or interest on the Series 2000 Bonds; or
- (2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2000 Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2000 Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or
- (3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or
- (4) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 2000 Bonds shall be on a parity with the Holders of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to the such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the design of the Project on behalf of the Issuer, with the power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the design of the Project and the possession, operation and maintenance of the System for the sole purpose

of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

PAYMENT OF BONDS

If the Issuer shall pay or there shall otherwise be paid to the Holders of the Series 2000 Bonds, the principal of and interest, if any, due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Gross Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 2000 Bonds shall thereupon cease, terminate and become void and be discharged and satisfied, except as may otherwise be necessary to assure the exclusion of interest, if any, on the Series 2000 Bonds from gross income for federal income tax purposes.

shall have received a certificate of the Consulting Engineers to such effect, the form of which certificate is attached hereto as Exhibit D;

(e) The Local Government shall have obtained all permits required by the laws of the State and the federal government necessary for the construction of the Project, and the Authority and DEP shall have received a certificate of the Consulting Engineers to such effect;

(f) The Local Government shall have obtained all requisite orders of and approvals from the Public Service Commission of West Virginia (the "PSC") and the West Virginia Infrastructure and Jobs Development Council necessary for the construction of the Project and operation of the System, with all requisite appeal periods having expired without successful appeal and the Authority and DEP shall have received an opinion of counsel to the Local Government, which may be local counsel to the Local Government, bond counsel or special PSC counsel but must be satisfactory to the Authority and DEP, to such effect;

(g) The Local Government shall have obtained any and all approvals for the issuance of the Local Bonds required by State law, and the Authority and DEP shall have received an opinion of counsel to the Local Government, which may be local counsel to the Local Government, bond counsel or special PSC counsel but must be satisfactory to the Authority and DEP, to such effect;

(i) Such rates and charges for the System shall be sufficient to comply with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof, and the Authority and DEP shall have received a certificate of the accountant for the Local Government, or such other person or firm experienced in the finances of local governments and satisfactory to the Authority and DEP, to such effect; and

(j) The net proceeds of the Local Bonds, together with all moneys on deposit or to be simultaneously deposited (or, with respect to proceeds of grant anticipation notes or other indebtedness for which a binding purchase contract has been

entered, to be deposited on a date certain) and irrevocably pledged thereto and the proceeds of grants irrevocably committed therefor, shall be sufficient to pay the costs of construction and acquisition of the Project as set forth in the Application, and the Authority and DEP shall have received a certificate of the Consulting Engineers, or such other person or firm experienced in the financing of wastewater treatment projects and satisfactory to the Authority and DEP, to such effect, such certificate to be in form and substance satisfactory to the Authority and DEP, and evidence satisfactory to the Authority and DEP of such irrevocably committed grants.

The date of delivery so designated or agreed upon is hereinafter referred to as the "Date of Loan Closing." Notwithstanding the foregoing, the Date of Loan Closing shall in no event occur more than ninety (90) days after the date of execution of this Loan Agreement by the Authority.

3.5 The Local Government understands and acknowledges that it is one of several local governments which have applied to the Authority and DEP for loans from the Fund to finance wastewater treatment projects and that the obligation of the Authority to make any such loan is subject to the Local Government's fulfilling all of the terms and conditions of this Loan Agreement on or prior to the Date of Loan Closing and to the requirements of the Program. The Local Government specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Fund to purchase all the Local Bonds and that, prior to such purchase, the Authority

may purchase the bonds of other local governments set out in the State Project Priority List, as defined in the SRF Regulations. The Local Government further specifically recognizes that all loans will be originated in conjunction with the SRF Regulations and with the prior approval of DEP.

3.6 The Local Government shall provide DEP with the appropriate documentation to comply with the special conditions regarding the public release and audit requirements established by federal and State regulations as set forth in Exhibit E attached hereto at such times as are set forth therein.

ARTICLE IV

Local Bonds; Security for Loan;
Repayment of Loan; Interest on Loan;
Fees and Charges

4.1 The Local Government shall, as one of the conditions of the Authority and DEP to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Local Government in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues will be used monthly, in the order of priority listed below:

(i) to pay Operating Expenses of the System;

(ii) to the extent not otherwise limited by any outstanding loan resolution, indenture or other act or document and beginning on the date set forth in Schedule X, to provide debt service on the Local Bonds by depositing in a sinking fund one-third (1/3) of the interest payment next coming due on the Local Bonds and one-third (1/3) of the principal payment next coming due on the Local Bonds and, beginning three (3) months prior to the first date of payment of principal of the Local Bonds, if the reserve account for the Local Bonds (the "Reserve Account") was not funded from proceeds of the Local Bonds or otherwise concurrently with the issuance thereof in an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement"), by depositing in the Reserve Account an amount not less than one-twelfth (1/12) of one-tenth (1/10) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly

deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided, that if the Local Government has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by a pledge of either the net or gross revenues of the System as provided in the Local Act;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Local Government shall complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or the Regulations, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, provided that the net proceeds to be realized from such sale, mortgage, lease or other disposition shall be sufficient to fully pay all of the Local

Bonds outstanding and further provided that portions of the System when no longer required for the ongoing operation of such System as evidenced by certificates from the Consulting Engineer, may be disposed of with such restrictions as are normally contained in such covenants;

(v) That the Local Government shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and DEP; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Local Government will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Local Government will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Local Government under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law and all rights as set forth in Section 5 of the Act;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Local Government will not grant any franchise to provide any services which would compete with the System;

(xi) That the Local Government shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and DEP, which report shall include a statement that the Local Government is in compliance with the terms and provisions of the Local Act and this Loan Agreement and that the Local Government's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xii) That the Local Government shall annually adopt a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding fiscal year and shall submit a copy of such budget to the Authority and DEP within 30 days of adoption thereof;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, except for accrued interest and capitalized interest, if any, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Local Government and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim financing of such Local Government, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the Authority and DEP, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Local Government may authorize redemption of the Local Bonds with 30 days written notice to the Authority;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for all Local Bonds;

(xvii) That the Local Government shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Local Government shall complete the Monthly Payment Form, attached hereto as Exhibit F

and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month;

(xviii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Local Government will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Local Government shall have obtained the certificate of the Consulting Engineers to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority and DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and DEP is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and State laws for construction of the Project have been obtained;

(xx) That the Local Government shall, to the full extent permitted by applicable law and the rules and regulations of the PSC, terminate the services of any water facility owned by it to any customer of the System who is delinquent in payment of charges for services provided by the System and will not restore the services of the water facility until all delinquent charges for the services of the System have been fully paid or, if the water facility is not owned by the Local Government, then the Local Government shall enter into a termination agreement with the water provider; and

(xxi) That the Local Government shall submit all proposed change orders to the DEP for written approval. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds held in "contingency" as set forth in the final Schedule A attached to the certificate of the Consulting Engineer. The Local Government shall obtain the written approval of the DEP before expending any proceeds of the Local Bonds available due to bid/construction/project underruns.

The Local Government hereby represents and warrants that the Local Act has been or shall be duly adopted or enacted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, validity, sale and delivery of the Local Bonds shall be approved without qualification by nationally recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit G.

4.2 The Loan shall be secured by the pledge and assignment by the Local Government, as effected by the Local Act, of the fees, charges and other revenues of the Local Government from the System.

4.3 At least five percent (5%) of the proceeds of the Local Bonds will be advanced on the Date of Loan Closing. The remaining proceeds of the Local Bonds shall be advanced by the Authority monthly as required by the Local Government to pay Costs of the Project, provided, however, if the proceeds of the Local Bonds will be used to repay an interim financing, the proceeds will be advanced on a schedule mutually agreeable to the Local Government, the DEP and the Authority. The Local Bonds shall not bear interest during the construction period but interest shall commence accruing on the completion date as defined in the SRF Regulations, provided that the annual repayment of principal and payment of interest shall begin not later than one (1) year after the completion date. The repayment of principal and interest on the Local Bonds shall be as set forth on Schedule Y hereto. In no event shall the interest rate on or the net interest cost of the Local Bonds exceed any statutory limitation with regard thereto.

4.4 The Local Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Local Government. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series.

4.5 As provided by the SRF Regulations, the Local Government agrees to pay from time to time, if required by the Authority and DEP, the Local Government's allocable share of the reasonable administrative expenses of the Authority relating to the Program. Such administrative expenses shall be determined by the Authority and shall include, without limitation, Program expenses, legal fees paid by the Authority and fees paid to the trustee and paying agents for any bonds or notes to be issued by the Authority for contribution to the Fund and the fees and expenses of any corporate trustee for the Fund.

4.6 The obligation of the Authority to make any loans shall be conditioned upon the availability of moneys in the Fund in such amount and on such terms and conditions as, in the sole judgment of the Authority, will enable it to make the Loan.

ARTICLE V

Certain Covenants of the Local Government;
Imposition and Collection of User Charges;
Payments To Be Made by
Local Government to the Authority

5.1 The Local Government hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this Loan Agreement and the Local Act. The Local Government hereby further irrevocably covenants and agrees that, as one of the conditions of the Authority to make the Loan, it has fixed and collected, or will fix and collect, the rates, fees and other charges for the use of the System and will take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and in compliance with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof.

5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds shall prove to be insufficient to produce the required sums set forth in the Local Act and this Loan Agreement, the Local Government hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges (or where applicable, immediately file with the PSC for a rate increase) and take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and this Loan Agreement.

5.3 In the event the Local Government defaults in any payment due to the Authority pursuant to Section 4.2 hereof, the amount of such default shall bear interest at the interest rate of the installment of the Loan next due, from the date of the default until the date of the payment thereof.

5.4 The Local Government hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Local Government, the Authority may exercise any or all of the rights and powers granted under Section 5 of the Act, including, without limitation, the right to impose, enforce and collect charges of the System.

ARTICLE VI

Other Agreements of the Local Government

6.1 The Local Government hereby acknowledges to the Authority and DEP its understanding of the provisions of the Act, vesting in the Authority and DEP certain powers, rights and privileges with respect to wastewater treatment projects in the event of default by the Local Government in the terms and covenants of this Loan Agreement, and

the Local Government hereby covenants and agrees that, if the Authority should hereafter have recourse to said rights and powers, the Local Government shall take no action of any nature whatsoever calculated to inhibit, nullify, void, delay or render nugatory such actions of the Authority in the due and prompt implementation of this Loan Agreement.

6.2 The Local Government hereby warrants and represents that all information provided to the Authority and DEP in this Loan Agreement, in the Application or in any other application or documentation with respect to financing the Project was at the time, and now is, true, correct and complete, and such information does not omit any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Prior to the Authority's making the Loan and receiving the Local Bonds, the Authority and DEP shall have the right to cancel all or any of their obligations under this Loan Agreement if (a) any representation made to the Authority and DEP by the Local Government in connection with the Loan shall be incorrect or incomplete in any material respect or (b) the Local Government has violated any commitment made by it in its Application or in any supporting documentation or has violated any of the terms of the Act, the SRF Regulations or this Loan Agreement.

6.3 The Local Government hereby agrees to repay on or prior to the Date of Loan Closing any moneys due and owing by it to the Authority or any other lender for the planning or design of the Project, provided that such repayment shall not be made from the proceeds of the Loan.

6.4 The Local Government hereby covenants that it will rebate any amounts required by Section 148 of the Internal Revenue Code of 1986, as amended, and will take all steps necessary to make any such rebates. In the event the Local Government fails to make any such rebates as required, then the Local Government shall pay any and all penalties, obtain a waiver from the Internal Revenue Service and take any other actions necessary or desirable to preserve the exclusion from gross income for federal income tax purposes of interest on the Local Bonds.

6.5 Notwithstanding Section 6.4, the Authority and DEP may at any time, in their sole discretion, cause the rebate calculations prepared by or on behalf of the Local Government to be monitored or cause the rebate calculations for the Local Government to be prepared, in either case at the expense of the Local Government.

ARTICLE VII

Miscellaneous

7.1 Schedules X and Y shall be attached to this Loan Agreement by the Authority as soon as practicable after the Date of Loan Closing is established and shall be approved by an official action of the Local Government supplementing the Local Act, a certified copy of which official action shall be submitted to the Authority.

7.2 If any provision of this Loan Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Loan Agreement, and this Loan Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.3 This Loan Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Loan Agreement.

7.4 No waiver by any party of any term or condition of this Loan Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Loan Agreement.

7.5 This Loan Agreement supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Loan and constitutes the entire agreement between the parties hereto in respect thereof.

7.6 By execution and delivery of this Loan Agreement, notwithstanding the date hereof, the Local Government specifically recognizes that it is hereby agreeing to sell its Local Bonds to the Authority and that such obligation may be specifically enforced or subject to a similar equitable remedy by the Authority.

7.7 This Loan Agreement shall terminate upon the earlier of:

(i) written notice of termination to the Local Government from either the Authority or DEP;

(ii) the end of ninety (90) days after the date of execution hereof by the Authority if the Local Government has failed to deliver the Local Bonds to the Authority;

(iii) termination by the Authority and DEP pursuant to Section 6.2 hereof; or

(iv) payment in full of the principal of and interest on the Loan and of any fees and charges owed by the Local Government to the Authority or DEP; provided that the amount of the Loan made under this Loan Agreement in any succeeding fiscal year is contingent upon funds being appropriated by the State legislature or otherwise being available to make the Loan. In the event funds are not appropriated or otherwise available to make all of the Loan, the responsibility of the Authority and DEP to make all the Loan is terminated; provided further that the obligation of the Local Government to repay the outstanding amount of the Loan made by the Authority and DEP is not terminated due to such non-funding on any balance of the Loan. The DEP agrees to use its best efforts to have the amount contemplated under this Loan Agreement included in its budget. Non-appropriation or non-funding of the Loan shall not be considered an event of default under this Loan Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Loan Agreement to be executed by their respective duly authorized officers as of the date executed below by the Authority.

Instructions for Completing Monthly Financial Report

1. You will need a copy of the current fiscal year budget adopted by the Local Government to complete Items 1 and 2. In Item 1, provide the amount of actual gross revenues for the current month and the total amount year to date in the respective columns. Divide the budgeted annual gross revenues by 12. For example, if gross revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($1200/12$). This is the incremental amount for the Budget Year to Date column.
2. In Item 2, provide the amount of actual operating expenses for the current month and the total amount year to date in the respective columns. The SRF administrative fee should be included in the operating expenses. Divide the budgeted annual operating expenses by 12. For example, if operating expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ($900/12$). This is the incremental amount for the Budget Year to Date column.
3. In Item 3, provide the principal, interest and reserve account payments for all the outstanding bonds of the Local Government other than this Loan.
4. In Item 4, provide the principal, interest and reserve account payments for this Loan. You need to call the Municipal Bond Commission for the exact amount of these payments and when they begin.
5. In Item 5, provide the amount deposited into the Renewal and Replacement Fund each month. This amount is equal to 2.5% of gross revenues minus the total reserve account payments included in Items 3 and 4. If gross revenues are \$12,000, the Renewal and Replacement Fund should have an amount of \$300 (2.5% of \$12,000), LESS the amount of all reserve account payments in Items 3 & 4. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Government.
6. The Local Government must complete the Monthly Financial Report and forward it to the DEP by the 10th day of each month, commencing on the date contracts are executed for the construction of the Project and for 2 years following the completion of the Project. DEP will notify the Local Government when the Monthly Financial Report no longer needs to be filed.

West Virginia Division of Environmental Protection
617 Broad Street
Charleston, WV 25301

Ladies and Gentlemen:

We are bond counsel to _____ (the "Local Government"), a
_____.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated ____, ____, including all schedules and exhibits attached thereto (the "Loan Agreement"), among the Local Government, the West Virginia Water Development Authority (the "Authority") and the West Virginia Division of Environmental Protection (the "DEP"), and (ii) the issue of a series of revenue bonds of the Local Government, dated ____, ____ (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of \$_____, in the form of one bond, registered as to principal and interest to the Authority, with principal and interest payable quarterly on March 1, June 1, September 1, and December 1 of each year, beginning ____ 1, ____, and ending ____ 1, ____, all as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly

adopted or enacted by the Local Government on _____, as supplemented by the supplemental resolution duly adopted by the Local Government on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Local Government and is a valid and binding special obligation of the Local Government enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Local Government without the consent of the Authority and the DEP.

3. The Local Government is a duly organized and presently existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Local Government and constitute valid and binding obligations of the Local Government enforceable against the Local Government in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Government to the Authority and are valid and legally enforceable and binding special obligations of the Local Government, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

REVENUE BOND, SERIES 2000
(WEST VIRGINIA SRF PROGRAM)

No. R-1

\$711,976

KNOW ALL MEN BY THESE PRESENTS: That the TOWN OF ATHENS, a municipal corporation and political subdivision of the State of West Virginia in Mercer County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the West Virginia Water Development Authority (the "Authority") or registered assigns the sum of SEVEN HUNDRED ELEVEN THOUSAND NINE HUNDRED SEVENTY SIX DOLLARS (\$711,976), or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing September 1, 2001, as set forth on the "Debt Service Schedule" attached as EXHIBIT B hereto and incorporated herein by reference, with interest on each installment at the rate per annum set forth on said EXHIBIT B. The interest and the SRF Administrative Fee (as defined in the hereinafter described Bond Legislation) on this Bond shall be payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing September 1, 2001, as set forth on EXHIBIT B attached hereto.

Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent"). The interest on this Bond is payable by check or draft of the Paying Agent mailed to the registered owner hereof at the address as it appears on the books of One Valley Bank, National Association, Charleston, West Virginia, as registrar (the "Registrar"), on the 15th day of the month next preceding an interest payment date, or by such other method as shall be mutually agreeable so long as the Authority is the registered owner hereof.

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Division of Environmental Protection (the "DEP"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and among the Issuer, the Authority and the DEP, dated May 4, 2000.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain additions, betterments and improvements to the sewerage portion of the existing public combined waterworks and sewerage system of the Issuer (the "Project"); (ii) to fund a reserve account for the Bonds of this Series (the "Bonds"); and (iii) to pay certain costs of issuance hereof and related costs. The existing public combined waterworks and sewerage system of the Issuer, the Project, and any further additions, betterments or improvements thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 8, Article 20 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (the "Act"), and a Bond Ordinance duly enacted by the Issuer on May 16, 2000, and a Supplemental Resolution duly adopted by the Issuer on May 16, 2000 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY, WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS, WITH THE ISSUER'S (1) WATER AND SEWER REVENUE BONDS OF 1967, SERIES A, DATED NOVEMBER 15, 1967, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$180,000; (2) WATER AND SEWER REVENUE BONDS OF 1967, SERIES B, DATED NOVEMBER 15, 1967, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$57,000; AND (3) WATER AND SEWER REVENUE BONDS, SERIES 1975, DATED APRIL 14, 1976, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$1,376,000 (COLLECTIVELY, THE "PRIOR BONDS").

This Bond is payable only from and secured by a pledge of the Gross Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Gross Revenues in favor of the Holders of the Prior Bonds, and from moneys in the reserve account created under the Bond Legislation for the Bonds (the "Series 2000 Bonds Reserve Account"), and unexpended proceeds of the Bonds. Such Gross Revenues shall be sufficient to pay all operating expenses of the System and the principal of and interest on all bonds which may be issued pursuant to the Act and which shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest hereon, except from said special fund provided from the Gross Revenues, the moneys in the Series 2000 Bonds Reserve Account and unexpended proceeds of the Bonds. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be

sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 120% of the average amount required in any year for payment of principal of and interest on the Prior Bonds and the Bonds, so long as the Prior Bonds are outstanding, unless waived by the Holders of the Prior Bonds, and thereafter, equal to at least 115% of the maximum amount payable in any year for principal of and interest on the Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Bonds; provided however, that so long as the Prior Bonds are no longer outstanding and so long as there exists in the Series 2000 Bonds Reserve Account an amount at least equal to the maximum amount of principal and interest, which will become due on the Bonds in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with the Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Bond Legislation. Remedies provided the registered owners of the Bonds are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of the Registrar by the registered owner, or by its attorney duly authorized in writing, upon the surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of the Project and costs of issuance hereof described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the registered owner of this Bond.

In accordance with the requirements of the United States Department of Agriculture for the issuance of parity obligations, the Bonds will be in default should any proceeds of the Bonds be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened, and have been performed in due time, form

and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Gross Revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of and interest on this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

IN WITNESS WHEREOF, the TOWN OF ATHENS has caused this Bond to be signed by its Mayor and its corporate seal to be hereunto affixed and attested by its Recorder, and has caused this Bond to be dated May 24, 2000.

West Virginia Division of

Charleston, West Virginia

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by the Town of Athens (the "Issuer"), a municipal corporation and political subdivision organized and existing under the laws of the State of West Virginia, of its \$711,976 Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 (West Virginia SRF Program), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a loan agreement, dated May 4, 2000, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Division of Environmental Protection (the "DEP"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal and interest to the Authority, bearing interest at the rate of 2% per annum and with principal and interest payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing September 1, 2001, and ending June 1, 2021, all as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 20 and Chapter 22C, Article 2

of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquisition and construction of certain additions, betterments and improvements to the sewerage portion of the existing public combined waterworks and sewerage system of the Issuer (the "Project"); (ii) funding a reserve account for the Bonds; and (iii) paying certain costs of issuance and related costs.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to enact and adopt the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.

3. The Bond Legislation and all other necessary ordinances and resolutions have been duly and effectively enacted and adopted by the Issuer in connection with the issuance and sale of the Bonds and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Gross Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Gross Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's Water and Sewer Revenue Bonds of 1967, Series A, and Water and Sewer Revenue Bonds of 1967, Series B, both dated November 15, 1967, and issued in the respective original principal amounts of \$180,000 and \$57,000 (respectively, the "Series 1967 A Bonds" and the "Series 1967 B Bonds" and, collectively, the "Series 1967 Bonds"), and the Water and Sewer Revenue Bonds, Series 1975, dated April 14, 1976, issued

in the original principal amount of \$1,376,000 (the "Series 1975 Bonds"), all in accordance with the terms of the Bonds and the Bond Legislation.

5. Under existing laws, regulations, rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Bonds (a) is excludable from gross income of the owners thereof for federal income tax purposes pursuant to the Code and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations under the Code. It should be noted, however, that interest on the Bonds is included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum tax that may be imposed with respect to corporations. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Code that must be satisfied subsequent to issuance of the Bonds for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Bonds set forth in the Bond Legislation and the Certificate as to Arbitrage, and other certificates delivered in connection with the issuance of the Bonds. Failure to comply with certain of such Code provisions or such certifications, covenants and representations could cause the interest on the Bonds to be includable in gross income retroactive to the date of issuance of the Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

6. The Bonds are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

7. The Bonds have not been issued on the basis that the interest thereon is or will be excluded from gross income for federal income tax purposes, therefore, the interest, if any, on the Bonds is not excluded from gross income for federal income tax purposes. We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Loan Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

Ladies and Gentlemen:

We are counsel to the Town of Athens in Mercer County, West Virginia (the "Issuer"). As such counsel, we have examined copies of the approving opinion of Steptoe & Johnson, as bond counsel, a loan agreement for the Series 2000 Bonds, dated May 4, 2000, including all schedules and exhibits attached thereto, by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Division of Environmental Protection (the "DEP"), (the "Loan Agreement"), a Bond Ordinance duly enacted by the Issuer on May 16, 2000, as supplemented by a Supplemental Resolution duly adopted by the Issuer on May 16, 2000 (collectively, the "Bond Legislation"), and other documents relating to the above-captioned Bonds of the Issuer (the "Bonds"). All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Bond Legislation and the Loan Agreement when used herein.

We am of the opinion that:

1. The Issuer has been duly created and is validly existing as a municipal corporation and political subdivision of the State of West Virginia, and the Mayor, Recorder and members of the council of the Issuer have been duly and properly elected or appointed, as applicable, have taken the requisite oaths, and are authorized to act on behalf of the Issuer in their respective capacities.

2. The Loan Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the other parties thereto, constitutes a valid and binding agreement of the Issuer enforceable in accordance with its terms.

3. The Bond Legislation has been duly adopted and enacted by the Issuer and is in full force and effect.

4. The execution and delivery of the Bonds and the Loan Agreement and the consummation of the transactions contemplated by the Bonds, the Loan Agreement and the Bond Legislation and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, court order or consent decree to which the Issuer is subject.

5. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders and approvals from the West Virginia Division of Environmental Protection, the West Virginia Infrastructure and Jobs Development Council and the Public Service Commission of West Virginia, and has taken any other action required for the imposition of such rates and charges, including, without limitation, the enactment of an ordinance prescribing such rates and charges. The Issuer has received the Final Order of the Public Service Commission of West Virginia entered on March 16, 2000, in Case No. 00-0046-S-CN, granting to the Issuer a certificate of public convenience and necessity for the Project and approving the financing for the Project. The time for appeal of such Final Order has expired prior to the date hereof without any appeal.

6. To the best of our knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Loan Agreement, the Bond Legislation, the

acquisition and construction of the Project, the operation of the System, the validity of the Bonds or the collection or pledge of the Gross Revenues therefor.

7. All successful bidders have made required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy. Based upon our review of the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, we are of the opinion that such surety bonds and policies (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interests of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Bond Legislation and the Loan Agreement; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Re: Town of Athens-Construction and replacement of main
sewer lines and interceptor to the town's sewage treatment
facility (SRF#No:C-544279)

Dear Gentlemen:

This firm represents the Town of Athens, a West Virginia Municipal Corporation, with regard to a proposed project to construct and replace main sewer lines and an interceptor to the Town's sewage treatment plant ("the Project"), and provides this final title opinion on behalf of the Town of Athens to satisfy necessary requirements with regard to financing proposed for the Project. Please be advised of the following:

1. I am of the opinion that the Town of Athens is a duly created and existing Municipal Corporation possessed with all of the powers and authority granted to Municipal Corporations under the laws of the State of West Virginia to operate and maintain a sanitary sewer system within and outside the limits of the

Town of Athens, and that the Town of Athens has full power and authority to construct, operate, and maintain the Project as approved by the Division of Environmental Protection.

2. I have confirmed with the Project Engineer that the Town of Athens has obtained all necessary permits and approvals for the construction of the Project.

3. I have investigated and ascertained the location of and am familiar with the legal description of the necessary sites, including easements and/or rights-of-way required for the Project as set forth in the plans for the Project prepared by L. A. Gates Company, Engineers and Consultants, the consulting engineers for the Project.

4. L. A. Gates Company has established a list of all easements necessary for the construction of the Project based upon the tax maps and tax records on file with the Mercer County Assessor's Office. I hereby certify that we have examined the records on file in the Office of the Clerk of the County Commission of Mercer County, West Virginia; that we have traced the chain of title for each of the properties located on a list of easements for twenty years (20) prior to the date hereof; and, that in my opinion the Town of Athens has obtained and acquired valid easements and rights-of-way from the owners of the parcels of property over, under and through which the Project will be constructed which will permit the construction, operation and maintenance of the Project.

Because information provided to the undersigned indicates that Bertha and W. B. Thompson, record title owners of Project Property No. 7, are now both deceased, the easement, right-of-way and right of entry over, under and through said parcel of property for the construction, maintenance and operation of the Project has been acquired by eminent domain (condemnation) in the Circuit Court of Mercer County, West Virginia. The easement and right-of-way which has been acquired by the Town of Athens by eminent domain is defeasible in the event the Town of Athens does not satisfy any resulting judgment and/or award in the proceeding for acquisition of said property, and thus this title certification is subject to the resolution of all matters in such eminent domain proceeding.

5. Deeds have been acquired from all of the other owners of the parcels over, under and through which the Project will be constructed, and said deeds have been recorded in the Office of the Clerk of the County Commission of Mercer County, West Virginia, to protect the legal title to and interest of the Town of Athens, a West Virginia Municipal Corporation.

Please advise if any further or additional information is necessary.

12. RATES: The Issuer has duly enacted a water rate ordinance on May 15, 1979, and adopted the sewer rates as set forth and approved in the Final Order of the Public Service Commission of West Virginia entered on September 10, 1999, in Case No. 99-0712-S-MA, setting rates and charges for the services of the System. The time for appeal of the ordinance and the Final Order has expired prior to the date hereof without any appeal. The rates are currently in effect.

13. SIGNATURES AND DELIVERY: On the date hereof, the undersigned Mayor did officially sign all of the Bonds of the aforesaid issue, consisting upon original issuance of a single Bond, dated the date hereof, by his or her manual signature, and the undersigned Town Recorder did officially cause the official seal of the Issuer to be affixed upon said Bonds and to be attested by his or her manual signature, and the Registrar did officially authenticate and deliver the Bonds to a representative of the Authority as the original purchaser of the Bonds under the Loan Agreement. Said official seal of the Issuer is also impressed above the signatures appearing on this certificate.

14. BOND PROCEEDS: On the date hereof, the Issuer received \$112,464 from the Authority and the DEP, being a portion of the principal amount of the Bonds. The balance of the principal amount of the Bonds will be advanced to the Issuer as acquisition and construction of the Project progresses.

PUBLICATION AND PUBLIC HEARING ON BOND ORDINANCE: Upon adoption of the Bond Ordinance, an abstract thereof, determined by the Governing Body to contain sufficient information as to give notice of the contents thereof, was published once each week for 2 successive weeks, with not less than 6 full days between each publication, the

first such publication occurring not less than 10 days before the date stated below for the public hearing, in the Bluefield Daily Telegraph, a qualified newspaper of general circulation in the Town of Athens, no newspaper being published therein, together with a notice to all persons concerned, stating that the Bond Ordinance had been adopted and that the Issuer contemplated the issuance of the Bonds described in such Bond Ordinance, stating that any person interested may appear before the Governing Body at the public hearing held at a public meeting of Governing Body on the 16th day of May, 2000, at 7:00 p.m., at the Athens Town Hall and present protests, and stating that a certified copy of the Bond Ordinance was on file at the office of the Recorder of the Issuer for review by interested parties during the office hours of the Issuer. 16. PRIVATE USE OF FACILITIES: The Issuer shall at all times take, and refrain from taking, and shall not fail to take, any and all actions necessary in order to assure the initial and continued tax-exempt status of the Bonds and the interest, if any, thereon. Less than 10% of the proceeds of the Bonds will be used, directly or indirectly, for any private business use, and less than 10% of the payment of principal of, or the interest on, such issue, under the terms of such issue or any underlying arrangement, is, directly or indirectly, secured by any interest in property used or to be used for a private business use, payments in respect of such property, or to be derived from payments (whether or not to the Issuer) in respect of property, or borrowed money, used or to be used for a private business use. None of the proceeds of the Bonds will be used, directly or indirectly, for any private business use which is not related to the governmental use of the proceeds of the Bonds, including the disproportionate related business use of the proceeds of the Bonds, and none of the payment of principal on, or the interest on, such issue, under the terms of any underlying arrangement, is, directly or indirectly, secured by any interest in property used, or to be used for a private business use, payments in respect of such property or to be derived from payments (whether or not to the Issuer) in respect of property, or borrowed money, used or to be used for a private business use with respect to such private business use, which is not related to any government use of such proceeds, including the disproportionate business use of the issue of the Bonds. None of the proceeds of the issue of the Bonds will be used, directly or indirectly, to make or finance loans to persons other than governmental units. For purposes of this paragraph, private business use means use, directly or indirectly, in a trade or business carried on by any person, including related persons, other than a governmental unit or other than use as a member of the general public. All of the foregoing shall be determined in accordance with and within the meaning of the Internal Revenue Code of 1986, as amended, including any successor provisions and rules and regulations thereunder (the "Code").

17. NO FEDERAL GUARANTY: The Bonds are not and will not be, in whole or part, directly or indirectly, federally guaranteed within the meaning of Section 149(b) of the Code.

18. IRS INFORMATION RETURN: On the date hereof, the undersigned Mayor did officially sign a properly completed IRS Form 8038-G in connection with the Bonds and will cause such executed Form 8038-G to be filed in a timely manner with the Internal Revenue Service Center, Philadelphia, Pennsylvania.

19. PUBLIC SERVICE COMMISSION ORDER: The Issuer has received the Final Order of the Public Service Commission of West Virginia entered on March 16, 2000, in Case No.00-0046-S-CN, granting to the Issuer a certificate of public convenience and necessity for the Project and approving the financing for the Project. The time for appeal of such Final Order has expired prior to the date hereof without any appeal.

20. CONFLICT OF INTEREST: No member, officer or employee of the Issuer has a substantial financial interest, direct, indirect or by reason of ownership of stock in any corporation, in any contract with the Issuer or in the sale of any land, materials, supplies or services to the Issuer or to any contractor supplying the Issuer, relating to the Bonds, the Bond Legislation and/or the Project, including, without limitation, with respect to the Depository Bank. For purposes of this paragraph, a "substantial financial interest" shall include, without limitation, an interest amounting to more than 5% of the particular business enterprise or contract.

21. CLEAN WATER ACT: The Project as described in the Bond Ordinance complies with Sections 208 and 303(e) of the Clean Water Act.

22. EXECUTION OF COUNTERPARTS: This document may be executed in one or more counterparts, each of which shall be deemed an original and all of which shall constitute but one and the same document.

West Virginia Water Development

Town of Athens
Athens, West Virginia

Ladies and Gentlemen:

Based upon the water rates as set forth in the water rate ordinance of the Town of Athens (the "Issuer") enacted May 15, 1979, and the sewer rates as set forth and approved in the Final Order of the Public Service Commission of West Virginia entered on September 10, 1999, in Case No. 99-0712-S-MA, and projected operation and maintenance expenses and anticipated customer usage as furnished to me by L.A. Gates Company, Consulting Engineers, it is my opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the combined waterworks and sewerage system of the Issuer (the "System"), will pay all repair, operation and maintenance expenses of the System and leave a balance each year equal to at least 120% of the average aggregate amount required in any year for debt service on the Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 (West Virginia SRF Program) (the "Bonds"), to be issued in the original aggregate principal amount of \$711,976 to the West Virginia Water Development Authority on the date hereof, and all other obligations secured by or payable from the revenues of the System, on a parity with the Bonds, including the Issuer's Water and Sewer Revenue Bonds of Series 1967, Series A, Water and Sewer Revenue Bonds of 1967, Series B and Water and Sewer Revenue Bonds, Series 1975 (collectively, the "Prior Bonds"). It is my further opinion that the Net Revenues actually derived from the System during the fiscal year immediately preceding the date of issuance of the Bonds shall not be less than 120% of the average aggregate amount that will mature and become due in any succeeding fiscal year for principal of and interest on the Bonds and the Prior Bonds.

Very truly yours,

JEFFREY S. FEAMSTER, CPA

TOWN OF ATHENS

Combined Waterworks and Sewerage System Revenue Bonds,
Series 2000
(West Virginia SRF Program)

CERTIFICATE AS TO ARBITRAGE

The undersigned Mayor of the Town of Athens in Mercer County, West Virginia (the "Issuer"), being the official of the Issuer duly charged with the responsibility for the issuance of the \$711,976 principal amount of Combined Waterworks and Sewerage System Revenue Bonds, Series 2000 (West Virginia SRF Program), of the Issuer, dated May 24, 2000 (the "Bonds"), hereby certifies as follows:

1. This certificate is being executed and delivered pursuant to Section 148 of the Internal Revenue Code of 1986 and applicable regulations (the "Code"). I am the officer of the Issuer duly charged with the responsibility of issuing the Bonds. I am familiar with the facts, circumstances, and estimates herein certified and duly authorized to execute and deliver this certificate on behalf of the Issuer. Capitalized terms used herein and not otherwise defined herein shall have the same meaning as set forth in the ordinance authorizing the Bonds duly enacted by the Issuer on May 16, 2000 (as supplemented, the "Bond Ordinance").

2. This certificate may be relied upon as the certificate of the Issuer.

3. The Issuer has not been notified by the Internal Revenue Service of any listing or proposed listing of it as an issuer that may not certify its bonds or the certification of which may not be relied upon by holders of obligations of the Issuer or that there is any disqualification of the Issuer by the Internal Revenue Service because a certification made by the Issuer contains a material misrepresentation.

4. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on May 24, 2000, the date on which the Bonds are to be physically delivered in exchange for more than a de minimis amount of the principal amount of the Bonds, and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

5. The Bonds were sold on May 24, 2000, to the West Virginia Water Development Authority (the "Authority"), pursuant to a loan agreement dated May 4, 2000,

by and among the Issuer, the Authority and the West Virginia Division of Environmental Protection (the "DEP"), for an aggregate purchase price of \$711,976 (100% of par), at which time, the Issuer received \$112,464 from the Authority and the DEP, being more than a de minimis amount of the principal amount of the Bonds. No accrued interest has been or will be paid on the Bonds.

6. The Issuer has covenanted in the Bond Ordinance not to take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Bonds which would cause any of the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code. The Issuer has, therefore, covenanted not to intentionally use any portion of the proceeds of the Bonds to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except as otherwise allowed under Section 148 of the Code. The Issuer, in the Bond Ordinance, has further covenanted that it will take all actions that may be required of it so that the interest on the Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

7. The Bonds are being delivered simultaneously with the delivery of this certificate and are issued for the purposes of (i) paying a portion of the costs of acquisition and construction of certain improvements and extensions to the existing sewerage portion of the combined waterworks and sewerage system of the Issuer (the "Project"); (ii) funding a reserve account for the Bonds; and (iii) paying costs of issuance of the Bonds and related costs.

8. Within thirty (30) days after the delivery of the Bonds, the Issuer shall enter into agreements which require the Issuer to expend in excess of \$100,000 on the Project, constituting a substantial binding commitment. The acquisition and construction of the Project shall commence immediately and shall proceed with due diligence to completion, and with the exception of proceeds constituting capitalized interest, if any, and proceeds deposited in the Reserve Account, if any, all of the proceeds from the sale of the Bonds, together with any investment earnings thereon, will be expended for payment of costs of the Project on or before June 1, 2001. The acquisition and construction of the Project is expected to be completed by June 1, 2001.

9. The total cost of the Project financed from the proceeds of the Bonds (including all costs of issuance of the Bonds) is estimated at \$711,976. Sources and uses of funds for the Project are as follows:

SOURCES

Proceeds of the Series 2000 Bonds

\$711,976

Total Sources	<u>\$711,976</u>
---------------	------------------

USES

Costs of Acquisition and Construction of the Project	\$658,697
Capitalized Interest on the Bonds	-0-
Fund Series 2000 Bonds Reserve Account	43,279
Costs of Issuance	10,000

Total Uses	<u>\$711,976</u>
------------	------------------

The total cost of design of the Project is estimated to be at least equal to the gross proceeds of the Bonds. Except for the proceeds of the Bonds, no other funds of the Issuer will be available to meet costs of the Project, which would constitute "replacement proceeds" within the meaning of Treas. Reg. § 1.148-1(c), inasmuch as (i) the Issuer does not reasonably expect that the term of the Bonds is longer than is reasonably necessary for the governmental purposes of the Issuer, (ii) the weighted average maturity of the Bonds does not exceed 120% of the average expected economic life of the Project, and (iii) there are no amounts that have a sufficiently direct nexus to the Bonds or to the governmental purpose of the Bonds to conclude that the amounts would have been used for that governmental purpose if the proceeds of the Bonds were not used or to be used for that governmental purpose.

10. Pursuant to Article V of the Bond Ordinance, the following special funds or accounts have been created or continued relative to the Series 2000 Bonds:

- (1) Revenue Fund;
- (2) Prior Bonds Sinking Fund;
- (3) Prior Bonds Reserve Account;
- (4) Operation Fund;
- (5) Depreciation Fund;
- (6) Bond Construction Trust Fund;
- (7) Series 2000 Bonds Sinking Fund; and
- (8) Within the Series 2000 Bonds Sinking Fund, the Series 2000 Bonds Reserve Account.

11. Pursuant to Article VI of the Bond Ordinance, the proceeds of the Bonds will be deposited as follows:

(1) Bond proceeds in the amount of \$-0- will be deposited in the Series 2000 Bonds Sinking Fund as capitalized interest and applied to payment of interest on the Series 2000 Bonds during acquisition and construction of the Project and for a period not to exceed six months following completion thereof.

(2) Series 2000 Bonds proceeds in the amount of \$43,279 will be deposited in the Series 2000 Bonds Reserve Account.

(3) The balance of the proceeds of the Series 2000 Bonds will be deposited in the Bond Construction Trust Fund as received from time to time and applied solely to payment of costs of the Project, including costs of issuance of the Series 2000 Bonds and related costs.

Amounts in the Bond Construction Trust Fund, if invested, will be invested without yield limitation for a period necessary to complete acquisition and construction of the Project, not to exceed 3 years, except as otherwise set forth herein. All of such moneys are necessary for such purpose.

Except for "preliminary expenditures" as defined in Treas. Reg. § 1.150-2(f)(2), none of the proceeds of the Bonds will be used to reimburse the Issuer for costs of acquisition and construction of the Project previously incurred and paid by the Issuer with its own or other funds.

12. Moneys held in the Series 2000 Bonds Sinking Fund will be used solely to pay principal of and interest on the Series 2000 Bonds and will not be available to meet costs of acquisition and construction of the Project. All investment earnings on moneys in the Series 2000 Bonds Sinking Fund and Series 2000 Bonds Reserve Account, if any, will be withdrawn therefrom and deposited into the Bond Construction Trust Fund during construction of the Project, and following completion of the Project, will be deposited, not less than once each year, in the Revenue Fund, and such amounts will be applied as set forth in the Bond Ordinance.

13. Except for the Series 2000 Bonds Sinking Fund and the Series 2000 Bonds Reserve Account, there are no other funds or accounts established or held by the Issuer which are reasonably expected to be used to pay debt service on the Bonds, or which are pledged as collateral for the Bonds and for which there is a reasonable assurance that amounts therein will be available to pay debt service on the Bonds if the Issuer encounters financial difficulties. The Issuer does not expect that moneys in the Depreciation Fund will be used or needed for payments upon the Bonds. Except as provided herein, no funds which have been or will be used to acquire directly or indirectly securities, obligations, annuity

contracts, investment-type property or any residential rental property for family units which is not located within the jurisdiction of the Issuer and which is not acquired to implement a court ordered or approved desegregation plan producing a yield in excess of the yield on the Bonds have been or will be pledged to payment of the Bonds. Less than 10% of the moneys received from the sale of the Bonds, if any, will be deposited in the Series 2000 Bonds Reserve Account or any other reserve or replacement fund. The amounts deposited in the Series 2000 Bonds Reserve Account from time to time by the Issuer will not exceed the maximum annual principal of and interest on the Bonds and will not exceed 125% of average annual principal of and interest on the Bonds. Amounts in the Series 2000 Bonds Reserve Account, not to exceed 10% of the proceeds of the Bonds, if invested, will be invested without yield limitation. The establishment of the Series 2000 Bonds Reserve Account is required by the Authority, is vital to its purchase of the Bonds, and is reasonably required to assure payments of debt service on the Bonds.

Because amounts in the Depreciation Fund may be expended for other purposes, there is no reasonable assurance that any such amounts would be available to meet debt service if the Issuer encounters financial difficulties; thus, such amounts may be invested without yield limitation.

14. The Issuer will, on the date hereof or immediately hereafter, enter into a contract for the acquisition and construction of the Project, and the amount to be expended pursuant to such contract exceeds the lesser of 2 1/2% of the estimated total Project cost financed with proceeds from the sale of the Bonds or \$100,000.

15. Work with respect to the acquisition and construction of the Project will proceed with due diligence to completion. The acquisition and construction of the Project is expected to be completed within 12 months of the date hereof.

16. Except for a reasonable temporary period until such proceeds are needed for the purpose for which such Bonds were issued or as otherwise allowed, no portion of the proceeds of the Bonds will be used, directly or indirectly, to acquire higher yielding investments, or to replace funds which were used, directly or indirectly, to acquire higher yielding investments, all within the meaning of Section 148 of the Code.

17. The Issuer will comply with the provisions of the Code, for which the effective date precedes the date of delivery of its Bonds to the Authority.

18. With the exception of the amount deposited in the Series 2000 Bonds Sinking Fund for payment of interest on the Bonds, if any, and the amounts deposited in the Series 2000 Bonds Reserve Account, if any, all of the proceeds of the Bonds will be expended on the Project within 12 months from the date of issuance thereof.

19. The Series 2000 Bonds Sinking Fund (other than the Series 2000 Bonds Reserve Account therein) is intended primarily to achieve a proper matching of payments of debt service on the Bonds each year. The Series 2000 Bonds Sinking Fund (other than the Series 2000 Bonds Reserve Account therein) will be depleted at least once a year except for a reasonable carryover amount not in excess of the greater of 1/12th of annual debt service on the Bonds, or 1 year's interest earnings on the Series 2000 Bonds Sinking Fund (other than the Series 2000 Bonds Reserve Account therein). Except as otherwise allowed, any money deposited in the Series 2000 Bonds Sinking Fund for payment of the principal of or interest on the Bonds (other than the Series 2000 Bonds Reserve Account therein), will be spent within a 13-month period beginning on the date of receipt and will be invested without yield limitation, and any moneys received from the investment of amounts held in the Series 2000 Bonds Sinking Fund (other than in the Series 2000 Bonds Reserve Account therein) will be spent within a 1-year period beginning on the date of receipt.

20. The Issuer does not expect to sell or otherwise dispose of the Project in whole or in part prior to the last maturity date of the Bonds.

21. The amount designated as cost of issuance of the Bonds consists only of costs which are directly related to and necessary for the issuance of the Bonds.

22. All property financed with the proceeds of the Bonds will be held for federal income tax purposes by (or on behalf of) a qualified governmental unit.

23. The Issuer shall file Form 8038-G or 8038-GC in a timely fashion with the appropriate Internal Revenue Service Center.

24. No proceeds of the Bonds will be used directly or indirectly in any trade or business carried on by any person who is not a governmental unit.

25. The original proceeds of the Bonds will not exceed the amount necessary for the purposes of the issue.

26. The Issuer shall use the Bond proceeds solely for the costs of the Project, and the Project will be operated solely for a public purpose as a local governmental activity of the Issuer.

27. The Issuer shall not permit at any time or times any of the proceeds of the Bonds or any other funds of the Issuer to be used directly or indirectly in a manner which would result in the exclusion of the Bonds from treatment afforded by Section 103(a) of the Code by reason of classification of the Bonds as "private activity bonds" within the meaning of the Code. The Issuer will take all actions and refrain from taking such actions as shall be necessary to comply with the Code in order to ensure the interest on the Bonds is excludable from gross income for federal income tax purposes.

28. The Bonds are not and will not be, in whole or in part, directly or indirectly, federally guaranteed within the meaning of Section 149(b) of the Code.

29. The Issuer is a governmental unit and has general taxing powers; no Bonds are private activity bonds; and 95% or more of the net proceeds of the Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer). No portion of the Bonds is issued to refund other obligations.

If the Issuer is subject to the rebate requirements of Section 148(f) of the Code, and not exempted from such requirements, the Issuer covenants to make, or cause to be made, all rebate calculations, computations and payments in the time, manner and as required in Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Bonds and otherwise covenants and agrees to comply with the provisions of such Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Bonds. In the event of a failure to pay the correct rebate amount, the Issuer will pay, from any lawful sources available therefor, to the United States such amount, plus a penalty equal to 50% of the rebate amount not paid when required to be paid, plus interest on that amount, unless waived. In order to provide for the administration of this paragraph, the Issuer may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the Issuer may deem appropriate.

The Issuer shall furnish to the Authority, annually, and at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be requested by the Authority. In addition, the Issuer shall cooperate with the Authority in preparing any required rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation or, if the Issuer qualifies for any exception to rebate, the Issuer shall submit a certificate stating that it is exempt from the rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Bonds subject to rebate. The Issuer shall also furnish the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority, including information with respect to earnings on all funds constituting "gross proceeds" of the Bonds (as such term "gross proceeds" is defined in the Code).

30. The Issuer has retained the right to amend or supplement its authorizing documents if such amendment or supplement is necessary to preserve the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

31. The Issuer shall comply with the yield restriction on the proceeds of the Bonds as set forth in the Code.

32. The Issuer has either (a) funded the Series 2000 Bonds Reserve Account at the maximum amount of principal and interest, which will mature and become due on the Bonds in the then current or any succeeding year with the proceeds of the Bonds, or (b) created the Series 2000 Bonds Reserve Account which will be funded with equal payments made on a monthly basis over a 10-year period until such Series 2000 Bonds Reserve Account holds an amount equal to the maximum amount of principal and interest, which will mature and become due on the Bonds in the then current or any succeeding year. Moneys in the Series 2000 Bonds Reserve Account and the Series 2000 Bonds Sinking Fund (established for the annual payment of principal and interest) will be used solely to pay principal of and interest on the Bonds and will not be available to pay costs of the Project.

33. There are no other obligations of the Issuer which (a) are to be issued at substantially the same time as the Bonds, (b) are to be sold pursuant to a common plan of financing together with any of the Bonds and (c) will be paid out of substantially the same source of funds or will have substantially the same claim to be paid out of substantially the same source of funds as any of the Bonds.

34. The transactions contemplated herein do not represent an exploitation of the difference between taxable and tax-exempt interest rates and the execution and delivery of the Bonds is not occurring sooner than otherwise necessary, nor are the Bonds in principal amounts greater than otherwise necessary or to be outstanding longer than otherwise necessary.

35. The Issuer will rebate to the United States the amount, if any, required by the Code and will take all steps necessary to make such rebates. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and obtain a waiver from the Internal Revenue Service in order to maintain the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

36. The Issuer covenants and agrees to comply with the rebate requirements of the Code if not exempted therefrom, and with all other requirements of the Code necessary, proper or desirable to maintain the tax-exempt status of the Bonds.

37. On the basis of the foregoing, it is not expected that the proceeds of any of the Bonds will be used in a manner that would cause any of the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

38. To the best of my knowledge, information and belief, there are no other facts, estimates and circumstances which would materially change the expectations herein expressed.

39. Steptoe & Johnson is entitled to rely upon the representations, expectations, covenants, certifications and statements contained herein in rendering its opinions regarding the tax-exempt status of interest on the Bonds.

40. To the best of my knowledge, information and belief, the foregoing expectations are reasonable.

WITNESS my signature on this 24th day of May, 2000.

The purpose of the NEW ISSUE REPORT FORM is to provide the WV Municipal Bond Commission with an early warning of three basic facts no later than the day of closing on any issue for which the Commission is to act as fiscal agent. These are:

1. Formal notification that a new issue is outstanding.
2. Date of first action or debt service.
3. Contact people should we lack documents, information, or funds needed to administer the issue by the date of the first action or debt service.

The commission recognizes that as bond transcripts become increasingly long and complex, it has become more difficult to assemble and submit them to the Commission within the 30 days specified by the West Virginia Code 13-3-8. This notice is not intended to provide all the information needed to administer an issue, but to alert the Commission and ensure that no debt service payments are missed due to delays in assembling bond transcripts. If, at the time of closing, documents such as the ordinance and all supplements, debt service schedules, and a specimen bond or photostat are available and submitted with this form, it will greatly aid the Commission in the performance of its duties. These documents are needed to set up the proper accounts and to advise the issuer of monthly deposit requirements as far in advance of the first debt service as possible.

It is not necessary to complete all items if they are not pertinent to your issue. Indicate the County of the issuer. With PSDs that overlap more than one county, indicate the county of their business office. Complete "Rate" only if the issue has only one rate. Please complete a separate form for each series of an issue. Other important information can be recorded under "Notes."

Again, please submit this form on each new issue on the day of closing. If fund transfers into or out of the Commission at closing are required, please submit this form before closing. If no significant facts change by closing, no resubmission at closing is required. If, however, there are changes, please submit an updated form, with changes noted, at closing.

If you should have any questions concerning this form, please call the Commission.

ORDINANCE AUTHORIZING THE ISSUANCE OF A \$1,376,000 WATER AND SEWER REVENUE BOND, SERIES 1975, OF THE TOWN OF ATHENS TO FINANCE IMPROVEMENT OF AN EXISTING WATERWORKS OF THE TOWN; DEFINING AND PRESCRIBING THE TERMS AND PROVISIONS OF THE BOND; PROVIDING FOR RATES FOR THE SERVICES OF THE WATERWORKS; PROVIDING GENERALLY FOR THE RIGHTS AND REMEDIES AND SECURITIES OF THE HOLDER OF THE BOND; AND PROVIDING WHEN THIS ORDINANCE SHALL TAKE EFFECT.

BE IT ORDAINED AND ENACTED BY THE COUNCIL OF THE TOWN OF ATHENS:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for This Ordinance. This Ordinance is enacted pursuant to the provisions of Article 20, Chapter 8 of the West Virginia Code and other applicable provisions of law.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

(A) The Town of Athens (herein called the "Town"), in the County of Mercer, State of West Virginia, now owns a public waterworks, but the waterworks is inadequate to meet the needs of the public served by it.

(B) It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Town and, accordingly, it is hereby ordered that the Town construct and acquire improvements and additions to the waterworks consisting of water storage and distribution facilities, with all necessary appurtenant facilities (such improvements and additions to the waterworks being called the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Recorder.

(C) It is necessary for the Town to issue its revenue bond in the principal amount of \$1,376,000 to finance the costs of acquisition and construction of the Project, in the manner hereinafter provided.

(D) The estimated maximum cost of the acquisition and construction of the Project is \$2,856,500, of which \$1,376,000 will be obtained from the proceeds of sale of the Bond herein authorized, \$1,180,500 from a grant by the Economic Development Administration of the United States Department of Commerce and the balance of \$300,000 from a grant by Appalachian Regional Commission.

(E) The costs of such acquisition and construction of the Project shall be deemed to include, without being limited to, the construction and acquisition of the additions, extensions and improvements for the existing waterworks; the acquisition of any necessary additional property, real or personal, or interest therein; interest on the 1957 Bond during and for six months after the estimated completion of such construction to the extent that revenues of the System (hereinafter defined) are not sufficient therefor; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; and such other expenses as may be necessary or incidental to the acquisition and construction of the Project and the financing authorized hereby.

(F) The period of usefulness of the System after completion of the Project is not less than forty years.

(G) There are outstanding on the date of enactment hereof the Water and Sewer Revenue Bonds of the Town, dated as of the first day of December, 1951, in the aggregate principal amount of \$39,000, maturing December 1 in years 1975 to 1981, inclusive (herein called the "1951 Bonds"). The 1951 Bonds will have priority over the 1975 Bond as to lien and source of and security for payment. There are also outstanding on said date an issue of Water and Sewer Revenue Bonds of the Town dated the

15th day of November, 1967 (herein called the "1967 Bonds"), Series A of such issue in the original aggregate principal amount of \$180,000 and Series B of such issue in the original aggregate principal amount of \$57,000. The 1975 Bond will be on a parity in all respects with the 1967 Bonds, Series A and Series B. Farmers Home Administration is the holder or insurer of the 1967 Bonds, Series A and Series B, and has consented to the issuance of the 1975 Bond on a parity with the 1967 Bonds and to the enactment of this Ordinance, a copy of which has been seen by Farmers Home Administration prior to the enactment hereof.

(H) The Town, by the 1951 Ordinance, combined the waterworks and sewerage systems, which were acquired and improved with the proceeds of sale of the 1951 Bonds, into a combined waterworks and sewerage system (herein called the "System") pursuant to the Act. The 1951 Bonds and the 1967 Bonds outstanding, together with the 1975 Bond, will be payable from the revenues of the System as in the 1951 and 1967 Ordinances and herein provided, the 1951 Bonds being senior to the 1967 Bonds and the 1975 Bond.

Section 1.03. Ordinance to Constitute Contract. In consideration of the acceptance of the Bond authorized to be issued hereunder by the holder thereof from time to time, this Ordinance shall be deemed to be and shall constitute a contract between the Town and such Bondholder, and the covenants and agreements herein set forth to be performed by the Town shall be for the benefit, protection and security of the legal holder of the Bond.

Section 2.01. Authorization of 1975 Bond. Subject and pursuant to the provisions hereof, the Bond of the Town to be known as "Water and Sewer Revenue Bond, Series 1975" is hereby authorized to be issued in the principal amount of not exceeding One Million Three Hundred Seventy-Six Thousand Dollars (\$1,376,000) for the purpose of financing the costs of the construction and acquisition of the Project.

Section 2.02. Description of 1975 Bond. The 1975 Bond shall be issued in single form, shall be dated on the date of delivery thereof, and shall bear interest from date of delivery at the rate of five per centum (5%) per annum. The price for the 1975 Bond shall be the par value thereof.

The 1975 Bond shall be payable in monthly installments covering principal and interest in accordance with and as shown in the form hereinafter set forth.

The 1975 Bond shall be payable in advance in whole or in part, without premium, at any time, at the option of the Town.

The 1975 Bond shall be payable with respect to both principal and interest in lawful money of the United States of America at the National Finance Office of the Farmers Home Administration, United States Department of Agriculture, St. Louis, Missouri 63103, or at such other place as the Government may designate in writing.

Section 2.03. Execution of Bond. The Bond shall be executed in the name of the Town by the Mayor and the corporate seal of the Town shall be affixed thereto and attested by the Recorder. In case any one or more of the officers who shall have signed or sealed the Bond shall cease to be such officer before the Bond so signed and sealed shall have been actually sold and delivered, such Bond may nevertheless be sold and

delivered as herein provided and may be issued as if the person who signed or sealed such Bond had not ceased to hold such office. The Bond may be signed and sealed on behalf of the Town by such person as at the actual time of the execution of such Bond shall hold the proper office in the Town, although at the date of such Bond such person may not have held such office or may not have been so authorized.

Section 2.04. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Town may, in its discretion, issue and deliver a new Bond of like tenor as the Bond so mutilated, destroyed, Stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, and (except as to the Government) upon the holder's furnishing the Town proof of his ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Town may require. Any Bond so surrendered shall be canceled and held for the account of the Town. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Town may pay the same, upon being indemnified as aforesaid, and, if such Bond be destroyed, stolen or lost, without surrender thereof.

Section 2.05. Bond Secured by Pledge of Revenues and Statutory Mortgage Lien. The payment of the debt service of the Bond shall be secured forthwith equally and ratably, in addition to the statutory mortgage lien provided by the Act, by a lien on the revenues derived from the System, which lien shall be subject to the prior and superior lien for the 1951 Bonds. The revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Bond, and to make the payments into the Sinking Fund and otherwise as hereinafter provided, are hereby irrevocably pledged to the payment of the principal of and interest on the Bond as the same become due as herein provided and subject to such priority for the 1951 Bonds. The 1967 Bonds and the 1975

Bond are on a parity as to liens and source of and security for payment.

A statutory mortgage lien is granted by the Act and the 1975 Bond and the 1967 Bonds shall be additionally secured thereby, on a parity, and subject to the priority for the 1951 Bonds.

Section 2.06. Form of 1975 Bond. Subject to the provisions hereof, the text of the 1975 Bond and the other details thereof shall be of substantially the following tenor, with such omissions, insertions and variations as may be authorized or permitted by this Ordinance or any subsequent ordinance or resolution enacted or adopted prior to the issuance thereof:

(Form of Bond)

TOWN OF ATHENS

WATER AND SEWER REVENUE BOND
SERIES 1975

No. 1

\$1,376,000

Date: _____

FOR VALUE RECEIVED, the TOWN OF ATHENS (herein called "Borrower") promises to pay to the order of the United States of America, acting through the Farmers Home Administration, United States Department of Agriculture (herein called the "Government") at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of One Million Three Hundred Seventy-Six Thousand Dollars (\$1,376,000), plus interest on the unpaid principal balance at the rate of five percent (5%) per annum. The said principal and interest shall be paid in the following installments on the following dates: Installments of interest only on the first day of each month for the first twenty-four months after the date hereof and \$6,742 covering principal and interest, on the first day of each month thereafter, except that the final installment shall be paid at the end of forty (40) years from the date of this Bond, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the reverse hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Farmers Home Administration according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower, and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate

as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of construction and acquisition of additions to the waterworks of the Borrower is payable solely from the revenues to be derived from the operation of the waterworks after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the waterworks. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Article 19 of Chapter 8 of the West Virginia Code (herein called the "Act"), and represents the entire Series 1975.

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made

or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Farmers Home Administration and to its future regulations not inconsistent with the express provisions hereof.

This Bond is on a parity as to liens and source of and security for payment with the Water and Sewer Revenue Bonds of the Town, Series A and Series B, dated the 15th day of November, 1967 (the "1967 Bonds"), and this Bond and the 1967 Bonds are junior and subordinate, as to liens security and in all other respects, to the outstanding Water and Sewer Revenue Bonds of the Town dated as of the first day of December, 1951.

1975 BOND PROCEEDS; REVENUES AND
APPLICATION THEREOF

Section 3.01. 1975 Bond Proceeds; Project Construction

Account. All moneys received from the sale of the 1975 Bond and all moneys received under any construction loan or grant, except as may be otherwise provided in this Section, shall be deposited on receipt by the Town in Bank of Athens, Athens, West Virginia (the "Bank"), a member of Federal Deposit Insurance Corporation (FDIC), in a special account hereby now established and designated as "Town of Athens Waterworks Construction Account" (herein called the "Project Construction Account"). The moneys in the Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by such bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Moneys in the Project Construction Account shall be expended by the Town solely for the purchase of the existing waterworks and payment of the costs of the Project as provided herein.

Until completion of construction of the Project, the Town will transfer from the Project Construction Account and deposit in the Sinking Fund monthly such sums as shall be from time to time required to pay the monthly interest installments on the 1975 Bond as herein and in the Bond provided.

If the Town shall determine at any time that all funds on deposit in the Project Construction Account exceed the estimated disbursements on account of the Project for the ensuing 90 days, the Town may invest such excess funds in direct obligations of, or obligations the principal of and interest on which are guaranteed by, the United States of America, which shall mature not later than eighteen months after the date of such investment. All such investments and the income therefrom shall be carried to the credit of the Project Construction Account.

When construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the Project Construction Account shall be promptly transferred to and deposited in the Reserve Account with directions that such funds be used immediately to the extent feasible to prepay the latest maturing installments on the 1975 Bond and any residue shall be deposited in the Sinking Fund.

Section 3.02. Covenants as to Revenues and Funds. So long as the Bond shall be outstanding and unpaid, or until there shall have been set apart in the Sinking Fund and the Reserve Account, hereinafter established, a sum sufficient to pay, when due or at the earliest practical redemption date, the entire principal of the Bonds remaining unpaid together with interest accrued and to accrue thereon, the Town further covenants with the holders of any and all Bonds issued pursuant hereto as follows:

(A) Revenue Fund. The entire gross revenues derived from the operation of the System, and all parts thereof, and all tap fees received, except as otherwise provided herein, shall be deposited as collected by the Town in a special fund known as the "Water and Sewer Revenue Fund", (the "Revenue Fund"), established with the said Bank by the 1951 Ordinance. The Revenue Fund shall constitute a trust fund for the purposes provided herein and shall be kept separate and distinct from all other funds of the Town and used only for the purposes and in the manner provided herein.

(B) Disposition of Revenues. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority:

(1) So long as any of the 1951 Bonds remain outstanding and unpaid, or until provision for payment of the 1951 Bonds and the interest thereon and any applicable redemption premiums has been made in full by

deposit of the necessary funds with the State Sinking Fund Commission, the Town shall first dispose of revenues on deposit in the Revenue Fund as provided in this subsection (1) below:

Prior to the date of enactment of this Ordinance the Town has deposited in the Water and Sewer Revenue Bond Interest and Sinking Fund (herein called the "1951 Sinking Fund") established by the 1951 Ordinance with the State Sinking Fund Commission a sum equal to the amount of interest and principal becoming due on the 1951 Bonds during the next succeeding twenty-four months. In the event that moneys retained and maintained in the 1951 Sinking Fund should at any time be less than a sum sufficient to pay the amount of interest and principal becoming due on the 1951 Bonds during the next succeeding twenty-four months, the Town shall deposit from the Revenue Fund from the first moneys available the funds necessary to restore such sum to be retained and maintained in the 1951 Sinking Fund.

(2) The Town shall first, each month, subject to the provisions of subsection (1) above, transfer from the Revenue Fund for transmittal to the State Sinking Fund Commission for deposit into the 1951 Sinking Fund one-sixth of the amount required to pay the interest becoming due on the 1951 Bonds on the next interest payment date therefor and one-twelfth of the amount required to pay the principal maturing on the 1951 Bonds on the next December 1. The Town shall also, each month, and at the same time as the transfers above described in this subsection (2) are made, transfer from the Revenue Fund to the Sinking Fund, hereby established with said Bank for payment of principal of and interest on the 1975 Bond and the 1967 Bonds, the moneys required to be paid from the Sinking Fund to the National Finance Office referred to in the 1975 Bond pursuant to this subsection (2). Payments from the Sinking Fund to the National Finance Office for the 1967 Bonds shall be in accordance with the provisions of the 1967 Bonds and later instructions of the Government. For the first twenty-four months after the date of the 1975 Bond, the

Town shall also transfer from the Sinking Fund and remit to the said National Finance Office the monthly interest amortization installment on the 1975 Bond, and thereafter, for the 1975 Bond, the Town shall remit to said National Finance Office from the Sinking Fund on the first day of each month the amount provided in the 1975 Bond to pay the interest on and the principal of the 1975 Bond. Payment of principal of and interest on the 1951 Bonds shall have priority over any payment upon the 1967 Bonds and the 1975 Bond and any additional parity Bonds issued pursuant hereto.

The Town shall also remit to the State Sinking Fund Commission and said Bank from time to time such amounts as shall be required to pay the fiscal charges due to Paying Agents for paying any of the Bonds and the interest thereon.

(3) The Town shall next, each month, transfer from the Revenue Fund and deposit into the Water and Sewer Maintenance and Operation Fund (herein called the "Operation Fund") established by the 1951 Ordinance and maintained in said Bank, an amount sufficient to pay all reasonable and proper expenses of operation, repair and maintenance of the System for such month. Fixed annual charges, such as insurance and the cost of major repairs and maintenance expenses, may be computed and set up on an annual basis and one-twelfth of the amount thereof may be accumulated in the Operation Fund each month, as permitted in the 1951 Ordinance.

(4) The Town shall next, each month, transfer from the Revenue Fund and deposit into the Reserve Account hereby established in the Sinking Fund one-twelfth of one-tenth of the maximum annual aggregate amount of interest and principal which will fall due on the 1967 and 1975 Bonds outstanding (\$674 monthly for the 1975 Bond and \$150 monthly for the 1967 Bonds), until the amount in the Reserve Account equals such maximum annual aggregate amount of principal and interest. After such amount has been accumulated in the Reserve Account the Town shall monthly transfer to the

Reserve Account such part of the moneys remaining in the Revenue Fund after provision for payment for maturing interest of and principal on the 1967 and 1975 Bonds as shall be required to maintain such amount in the Reserve Account. Moneys in the Reserve Account shall be used solely to make up any deficiency in the Sinking Fund for payment of the principal of and interest on the 1967 and 1975 Bonds as the same shall mature and become due, or for mandatory redemption as hereinafter provided, and for no other purpose.

(5) The Town shall next, each month, transfer from the Revenue Fund and deposit in the Depreciation Fund established by the 1951 Ordinance and now maintained with said Bank the excess remaining in the Revenue Fund above the amounts required to be paid over to the State Sinking Fund Commission and into the Sinking Fund, the Reserve Account therein and the Operation Fund during the succeeding three months until there has been accumulated in the Depreciation Fund the sum of at least \$90,000. Whenever withdrawals are made from the Depreciation Fund to reduce the balance therein below \$90,000, the Town shall, each month, deposit such excess remaining in the Revenue Fund into the Depreciation Fund until the amount therein has been restored to the sum of at least \$90,000. Moneys in the Depreciation Fund shall first be used to make up any deficiency in the 1951 Sinking Fund or the Sinking Fund or the Reserve Account therein, and next may be used for renewals or replacements to the System or for improvements, betterments and extensions thereof.

(6) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, any moneys remaining therein in excess of the amount permitted to be retained therein, may be used to redeem Bonds outstanding, the 1951 Bonds to be first redeemed, or for any lawful purpose.

Whenever the moneys in the Sinking Fund and in the Reserve Account shall be sufficient to pay all 1975 and 1967 Bonds outstanding, it shall be the mandatory duty of the Town, anything to the contrary in this

Ordinance notwithstanding, to direct the Recorder to arrange payment of all outstanding 1975 and 1967 Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The said Bank of Athens is hereby designated as the Fiscal Agent for the administration of the Sinking Fund and the Reserve Account as herein provided, and all amounts required therefor will be transferred to the Sinking Fund from the Revenue Fund by the Town at the times provided herein.

All the funds provided for in this Section shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Bondholders shall have a lien thereon for further securing payment of the Bonds and the interest thereon. The moneys in excess of the sum insured by FDIC in the Revenue Fund, the Sinking Fund, the Reserve Account and the Depreciation Fund shall at all times be secured, to the full extent thereof in excess of such insured sum, in a manner lawful for securing deposits of State and municipal funds under the laws of the State of West Virginia.

If on any payment date the revenues are insufficient to place the required amount in any of the funds or accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to those which would otherwise be required to be made into the funds or accounts on the subsequent payment dates.

The Town shall keep the moneys in the Reserve Account and the Depreciation Fund invested and reinvested to the fullest extent practicable in direct obligations of, or obligations the payment of the principal of and interest on which are guaranteed by, the United States of America and having maturities not exceeding two years.

(C) Initial Deposit in Revenue Fund. Prior to issuance of the 1975 Bonds, the Town shall have signed agreements with at least 74 bona fide new users and shall collect as connection fees at \$25 each the aggregate sum of not less than \$1,850, which sum shall be deposited in the Revenue Fund.

ARTICLE IV

GENERAL COVENANTS

Section 4.01. General Statement. So long as any of the Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Sinking Fund and the Reserve Account a sum sufficient to pay when due, or redeem or purchase prior to maturity, the entire principal of the 1967 and 1975 Bonds remaining unpaid, together with interest accrued and to accrue thereon, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Town and the Bondholders.

Section 4.02. Rates. The Town will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide revenues in each fiscal year sufficient to produce net revenues equal to not less than 110% of the average annual debt service on all Bonds outstanding and to make the payments required herein to be made into the Sinking Fund, the Reserve Account and the Depreciation Fund, and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate revenues for such purposes.

Section 4.03. Sale of the System. The System will not be sold without the prior written consent of the Government, which consent will cover use of any proceeds of such disposition.

Section 4.04. Covenant Against Encumbrances. The Town will not issue any obligations whatsoever, except additional parity Bonds hereinafter provided for, payable from the revenues of the System which rank prior to or equally as to lien on and source of and security for payment from such revenues with the 1967 and 1975 Bonds; and all obligations hereafter issued by the Town payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and

source of and security for payment from such revenues, and in all other respects, to the 1967 and 1975 Bonds. The Town will not issue any bonds on a parity with the 1951 Bonds.

Except as herein provided as to additional parity Bonds, the Town will not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge, having priority over or being on a parity with the lien of the 1967 and 1975 Bonds, and the interest thereon, upon any of the income and revenues of the System pledged hereby as security therefor, or upon the System or any part thereof.

Section 4.05. Issuance of Additional Parity Bonds. No additional parity Bonds, as in this Section defined, payable out of the revenues of the System, shall be issued after the issuance of the Bond pursuant hereto, except under the conditions and in the manner herein provided.

(A) No such additional parity Bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of extensions, additions and improvements to the System or refunding Bonds issued hereunder, except as provided in subsection (C) of this Section.

(B) No such additional parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Recorder a written certification by a certified public accountant not in the regular employ of the Town based upon the necessary investigation, reciting the conclusion that the net revenues, as defined herein, actually derived from the System during the fiscal year immediately preceding the date of the issuance of such additional parity Bonds, shall have been not less than one hundred twenty per centum (120%) of the average aggregate amount which will mature or become due in any succeeding fiscal year for principal of and interest on the Bonds

then outstanding and on the additional parity Bonds then proposed to be issued. This limitation may be waived or modified by the written consent of Bondholders representing 75% of each Series of the then outstanding Bonds issued pursuant hereto.

(C) Prior to the issuance of any such additional parity Bonds, the Town shall have entered into written contracts for the immediate acquisition or construction of such additions, extensions or improvements to the System which are to be financed by such additional parity Bonds.

(D) The term "additional parity Bonds", as used in this Section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this Section, payable from the revenues of the System on a parity with the 1975 and the 1967 Bonds, and all the covenants and other provisions of this Ordinance (except as to details of such additional parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the holder of the 1967 and 1975 Bonds and the holders of any additional parity Bonds subsequently issued within the limitations of and in compliance with this Section. All such Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System, and their source of and security for payment from said revenues, without preference of any Bond or coupon over any other. The Town shall comply fully with all the increased payments into the various funds created herein required for such additional parity Bonds, in addition to the payments required for Bonds originally issued hereunder. Redemption of Bonds prior to maturity in the event that the 1967 and the 1975 Bonds and additional parity Bonds hereby authorized are outstanding, shall as nearly as practical be on an equal pro rata basis reflecting the original amounts of each issue.

(E) No additional parity Bonds shall be issued at any time unless all the payments into the respective Funds provided for herein

on Bonds then outstanding and all other payments provided for herein shall have been made or paid up as required to the date of issuance of the additional parity Bonds and the Town shall have fully complied with all the covenants, agreements and terms hereof or shall have remedied any deficiency in such compliance.

(F) With the written consent in advance of the Government and anything to the contrary in subsections (A), (B) and (C) of this Section notwithstanding, additional parity Bonds may be authorized and issued by the Town pursuant to supplemental ordinance in the event that the 1975 Bonds should be insufficient, together with other funds lawfully available therefor, to pay all costs of construction of the Project. Any such additional parity Bonds authorized and issued under the provisions of this subsection shall be limited to the aggregate principal amount required to make up any deficiency in funds for payment of such construction costs, and the maturities of any such additional parity Bonds shall be in years and amounts suggested by the Government.

Section 4.06. Insurance and Bonds. The Town hereby covenants and agrees that so long as any of the Bonds remain outstanding, it will, as an expense of operation and maintenance of the System, procure, carry and maintain insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In the event of any damage to or destruction of any portion of the System, the Town will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Town will itself, or will require each contractor contracting directly with the Town to, obtain and maintain builder's risk insurance to protect the interests of the Town during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$100,000 for one person and \$300,000 for more than one person injured or killed in one accident to protect the Town from claims for bodily injury and/or death and not less than \$50,000 from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured at the commencement of construction of the Project.

(c) Vehicular Public Liability Insurance, in the event the Town owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Town is operated for the benefit of the Town with limits of not less than \$100,000 for one person and \$300,000 for more than one person injured or killed in one accident to protect the Town from claims for bodily injury and/or death, and not less than \$50,000 from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle.

(d) Workmen's Compensation Coverage for all Employees of or for the System Eligible Therefor; and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each contractor dealing directly with the Town ("prime contractor") and such payment bonds will be filed with the Clerk of the County Court of said County prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(e) Fidelity Bonds will be provided as to every officer and employee of the Town having custody of the Revenue Fund or of any other funds of the System in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount of \$5,000 upon the Recorder, provided, however, that no bond shall be required insofar as custody of the Project Construction

Account is concerned.

Flood Insurance, if National Flood Insurance is available, must be purchased with coverage to the extent available.

(f) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Government holds any of the Bonds, the Town will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Town and during such construction will require each prime contractor to carry insurance, of such types and in such amounts as the Government may specify, with insurance carriers or bonding companies acceptable to the Government.

Section 4.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(A) Failure to make payment of the principal, and, if any premium be due, of such premium, of any of the Bonds either at the date therein specified for their payment or by proceedings for redemption or otherwise;

(B) Failure to make payment of any installment of interest due on any of the Bonds on the date specified for the payment of such interest;

(C) Failure duly and punctually to observe or perform any of the covenants, conditions and agreements on the part of the Town in the Bonds or herein, or violation of or failure to observe any provision of any pertinent law, provided any such failure or violation excluding those covered in (A) and (B) above in this Section, shall continue for a period of thirty days after written notice shall have been given to the Town by any Bondholder specifying such failure or violation and requiring the same to be remedied.

Section 4.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, any Bondholder may proceed to protect and enforce the rights of the Bondholders by

an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by such Bondholder, such court may, upon proof of such default, appoint a receiver for the affairs of the Town and the System. The receiver so appointed shall administer the System on behalf of the Town, shall exercise all the rights and powers of the Town with respect to the System and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 4.09. No Priority Between 1967 and 1975 Bonds. The 1967 and the 1975 Bonds shall not be entitled to priority one over the other in the application of the revenues of the System or with respect to the security for their payment, regardless of the time or times of their issuance, it being the intention hereof that there shall be no priority among such 1967 and 1975 Bonds. The 1951 Bonds are entitled to priority in all respects over the 1967 and 1975 Bonds.

Section 4.10. Fiscal Year; Budget. While any Bonds are outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a fiscal year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than thirty days prior to the beginning of each fiscal year, the Town agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual budget shall be made during such fiscal year unless unanimously authorized and directed by the Council. Copies of each Annual Budget shall be delivered to the Government, by the beginning of each fiscal year and shall be mailed

to those Bondholders who shall have filed their names and addresses with the Recorder for such purpose.

If for any reason the Town shall not have adopted the Annual Budget before the first day of any fiscal year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the year next preceding by more than ten per centum; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Town. Each such Budget of Current Expenses shall be delivered and mailed immediately as in the case of the Annual Budget.

Section 4.11. Covenant to Proceed and Complete. The Town hereby covenants to proceed as promptly as possible with the construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer and on file with the Recorder on the date of enactment hereof, subject to permitted changes.

The Town will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Town in which complete and correct entries shall be made of all transactions relating to the System, and any holder of a Bond or Bonds, his agents and representatives, shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Town relating thereto.

The Town shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants, shall mail a copy of such audit report to the Government and shall make available the report of said accountants at all reasonable times to any holder or

The Government, so long as it holds all the 1967 and 1975 Bonds, may permit substitution of a copy of the annual audit report by the office of the State Tax Commissioner for the copy of annual audit report by a certified public accountant after all the 1951 Bonds have been paid.

Section 4.13. Maintenance of the System. The Town covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as any of the Bonds are outstanding.

Section 4.14. No Competition. The Town will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to, or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Town or within the territory served by the System.

Section 4.15. Concerning Arbitrage. It is not reasonably expected that the proceeds of sale of the 1975 Bond will be invested in such a way as to violate the operating rules in the regulations of the Internal Revenue Service or of the Treasury Department of the United States of America in connection with the arbitrage provisions of Section 103(d) of the Internal Revenue Code of 1954, as amended. The fiscal agent is hereby expressly instructed not to violate such rules in investing such proceeds.
