(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

(v) That the Local Government shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and DEP; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

This is the incremental amount for the Budget Year-to-Date column.

Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are $1,200, then $30 (2.5% of $1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Government.

The Local Government must complete the Monthly Financial Report and forward it to the Water Development Authority by the 10th day of each month, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project.

The monthly fee for properties other than described in Section 9-603 (above) shall be $10.00 per drinking water service. If an improved property does not contain a water service, the service fee shall be $10.00 per parcel. After July 1, 2008, the monthly fee for properties other than described in Section 9-603 shall be computed in the following manner: $1.25 per 1,000 square feet of impervious area upon the property, as determined by the Director.

User fees for a multi-unit property shall be billed to each individual tenant upon the property in a fair and proportionate share of the total property fee, if said tenant has an individual drinking water service meter. At the discretion of the property owner, or if the individual tenants do not have individual drinking water service meters, fees for a multi-unit property may be billed to the property owner. A property owner exercising this choice must complete a written agreement as required by the Director.

The Director shall assign discount credits to those newly constructed properties employing volumetric flow reduction facilities. The Director may further assign discount credits to those existing properties employing rate of flow reduction practices.

The City Council may, from time to time, by ordinance, change these user fees.

State law reference: W. Va. Code §§ 8-16-18, 16-13-16

Sec. 9-606. Collection:

The Director is authorized to assess interest and penalties upon unpaid and past due stormwater user fees and service charges, and to act as deemed appropriate to enforce collection of unpaid fees and charges. Unpaid stormwater fees and charges shall constitute just cause for disconnection of public water service to the non-paying property. The Director shall ensure sufficient notice of disconnection is issued no later than thirty (30) days prior to the scheduled disconnection and that notice of disconnection is posted on the affected property no later than five (5) days prior to the scheduled disconnection. Water service shall be reactivated only upon full payment of the stormwater service charges or other payment arrangements approved by the Director. The Director may also take appropriate legal action to collect unpaid charges, including, but not limited to, placing a lien upon the subject property and/or bringing a civil action in a court of competent jurisdiction to recover unpaid charges and fees.

State law reference: W. Va. Code §§ 8-16-18, 16-13-16.

Sec. 9-607. Use of Funds:

All funds collected for stormwater service shall be accounted for separately and shall be used solely for the construction, operation and maintenance of the stormwater system and stormwater environmental compliance programs.

State law reference: W. Va. Code §§ 16-13-16, 16-13-23(a).

Sec. 9-608. General Requirements and Prohibitions:

(a) The use of the stormwater collection system shall be the collection and transportation of stormwater.

(b) No person shall place or cause to be placed any pollutant into the stormwater system other than stormwater, unless written approval has been granted by the Director. The Director may refuse to grant approval to discharge non-stormwater into the stormwater system for any reason or combination of reasons.

(c) The Beckley Sanitary Board shall administer use of the stormwater system to all users within the City watershed, whether located within or outside City limits.

(d) No person shall cause or permit the introduction of any pollutant into the stormwater system, whether solid, liquid or gaseous, that will cause:

(1) Chemical reaction, either directly or indirectly with the materials of construction used in the stormwater system or that will impair the strength or durability of sewers or structures;

(2) Mechanical action that will destroy or damage sewers or structures;

(3) Restriction of the normal maintenance and inspection of sewers;

(4) Danger to public health and safety or to the environment;

(5) Conditions that create a public nuisance;

(6) An oil sheen or unusual color;

(7) Abnormal demand on the stormwater system capacity; or,

(8) The stormwater system to violate its NPDES permit or applicable receiving water standards and all other Federal, State, and local regulations.

(e) Any person or entity engaged in activities which will or may result in pollutants entering the storm drain system shall undertake best management practices to reduce such pollutants. Examples of such activities include, but are not limited to, compliant operation of facilities that may be a source of pollutants, such as paved parking lots, gasoline stations, industrial facilities, and private roads/streets.

(f) No person shall throw, deposit, leave, maintain or cause to be thrown, deposited, left or maintained any refuse, rubbish, garbage, grease, petroleum products, or other discarded or abandoned objects, articles and accumulations in or upon any street, alley, sidewalk, storm drain inlet, catch basin, conduit or other drainage structures, parking area, or upon any private or public plot of land so that the same might become a pollutant, except where the pollutant is being temporarily stored in properly contained waste receptacles or is part of a well defined compost system.

(g) No person shall cause or permit any dumpster, solid waste bin, or similar container to leak such that any pollutant is discharged into any street, alley, sidewalk, storm drain, inlet, catch basin, conduit or other drainage structure, or upon any public or private plot of land in the urban watershed.

(h) No person shall use the stormwater system for discharge from any environmental cleanup that is regulated under federal or state law unless approved by the Director. Approval by the Director must be conditioned upon the discharge meeting all criteria for discharge under this chapter. Approval conditions may provide for measures appropriate to prevent harm due to

possible exfiltration into the ground adjacent to the system or failure of any pretreatment system for the discharge.

State law reference: W. Va. Code §§ 8-16-5, 16-13-2, 16-13-22.

Sec. 9-609. Illicit Connections:

It is prohibited to establish, use, maintain or continue illicit connections to the municipal stormwater system, or to commence or continue any illicit discharges to the municipal stormwater system.

In outdoor areas, no person shall store motor vehicles, machine parts, or other objects in a manner that may leak grease, oil, or other hazardous substances to the stormwater system. To prevent the discharge of hazardous substances to the stormwater system, the Director may require the installation of a spill containment system. Spill containment systems may consist of a system of dikes, walls, barriers, berms, or other devices as required. No person shall operate a spill containment system such that it allows incompatible liquids to mix and thereby create a hazardous condition.

State law reference: W. Va. Code §§ 8-16-5, 16-13-2, 16-13-22.

Sec. 9-611. Construction Sites:

Any person performing construction work in the city watershed of the City of Beckley shall comply with the provisions of this Article and shall provide erosion and sediment controls that effectively prevent discharges of pollutants to the storm drain system and/or receiving stream. The Director shall establish by regulation standards and guidelines for the implementation and maintenance of best management practices designed to provide erosion and sediment control from construction sites. At a minimum, these regulations shall address:

(1) Erosion controls through the protection and preservation of the soil at an active construction site to prevent off-site sedimentation.

(2) Sediment controls to remove sediment from runoff before the runoff is discharged from an active construction site.

(3) Stabilization and structural practices to prevent sedimentation and erosion.

(4) Stormwater management measures to be installed before, coincident with and upon completion of construction activities. These measures shall be designed to reduce or

eliminate pollutants discharged from the site and to promote flood control objectives designated by the Director.

(5) Construction site housekeeping best management practices, including, but not limited to, equipment maintenance, repair and cleaning, waste management and collection, storage of materials and chemicals, and sanitary facilities.

(6) Compliance with any and all other requirements imposed under the provisions of the Clean water Act.

No landowner or land operator shall receive any building, grading or other land development permit or administrative authorization/license required for building or land disturbance activities without first meeting the requirement of this section.

State law reference: W. Va. Code §§ 8-16-5, 16-13-2, 16-13-22.

Sec. 9-613. Discharge in Violation of Permit:

Any discharge that would cause a violation of a Municipal NPDES Permit and any amendments, revisions or reissuance thereof, either separately considered or when combined with other discharges, is prohibited. Liability for any such discharge, including, but not limited to, the cost of remedial activity, shall be the responsibility of the person(s) causing or responsible for the discharge, and the City shall seek to have such persons defend, indemnify and hold harmless the City in any administrative or judicial enforcement action against the City of Beckley and/or the Beckley Sanitary Board relating to such discharge as provided by applicable rules of law.

ARTICLE I

STATUTORY AUTHORITY, DEFINITIONS AND FINDINGS

Section 1.01. Authority of this Ordinance. This Ordinance is enacted pursuant to the provisions of Chapter 16, Article 13 of the Code of West Virginia, 1931, as amended (the "Act).

Section 1.02. Findings. It is hereby found, determined and declared as follows:

A. The City of Beckley, West Virginia (the "City" or the "Issuer"), now owns a sewerage system (the "System"), both within and without the corporate limits of the City, consisting of a sewage treatment plant or plants and its collecting, intercepting and outlet sewers, lateral sewers, drains, force mains, conduits, pumping stations and ejector stations and all other appurtenances, extensions, improvements and betterments necessary, appropriate, useful, convenient or incidental for the collection, treatment, purification and disposal in a sanitary manner of liquid and solid waste, sewage and industrial waste.

B. In accordance with Section 2 of the Act, the System is under the supervision and control of the Sanitary Board of the City (the "Sanitary Board").

C. The Sanitary Board has presented a petition to the City for the design, acquisition and construction of certain extensions, additions, betterments and improvements to the System (the "Project") as more fully described on Exhibit A, the enactment of this Ordinance and the issuance of the Sewerage System Revenue Bonds (the "Bonds") and the Sewerage System Bond Anticipation Notes (the "Notes").

D. The estimated maximum cost of design, acquisition and construction of the Project is $9,000,000, which will be obtained from the proceeds of the Bonds and the Notes herein authorized.

E. The acquisition and construction of the System were financed or refinanced with proceeds of certain obligations of the City, which obligations are designated and have lien positions with respect to the Bonds as follows:

	Designation	Lien Position
1.	$11200,000 Sewer Revenue Bonds, Series 1998 A, dated March 17, 1998 (the "Series 1998 A Bonds").	First Lien
2.	$9,039,000 Sewer Revenue Bonds, Series 2004 A, dated September 28, 2004 (the "Series 2004 A Bonds").	First Lien
3.	$2,405,000 Sewerage System Refunding Revenue Bonds, Series 2005, dated July 20, 2005 (the "Series 2005 Bonds").	First Lien

The Series 1998 A Bonds, the Series 2004 A Bonds and the Series 2005 Bonds, are collectively referred to as the "Prior Bonds."

F. The City derives revenues from the System, and, except for the pledges thereof to secure and pay the Prior Bonds, said revenues are not pledged or encumbered in any manner.

G. It is necessary and essential to design, acquire and construct the Project, generally described on Exhibit A hereto and incorporated herein by reference, in order to preserve the public health, to be financed through the issuance of the Bonds, in the aggregate principal amount not to exceed $9,000,000. The period of usefulness of the System after completion of the Project is not less than 40 years.

H. The estimated revenues to be derived in each year after the enactment of this Ordinance from the operation of the System will be sufficient to pay all Operating Expenses of the System, the principal of and interest on the Prior Bonds and the Bonds and all funds and accounts and other payments provided for in this Ordinance and the Prior Ordinances.

I. The Bonds and the Certificate of Authentication and Registration to be endorsed thereon are to be in substantially the form set forth in Exhibit B attached hereto and incorporated herein by reference with necessary and appropriate variations, omissions and insertions as permitted or required by this Ordinance or a Supplemental Resolution or as deemed necessary by the Registrar or the City.

J. All things necessary to make the Bonds, when authenticated by the Registrar and issued as in this Ordinance provided, the valid, binding and legal special obligations of the City according to the import thereof, and to validly pledge and assign those funds pledged hereby to the payment of the principal of and interest on the Bonds, will be timely done and duly performed.

K. The enactment of this Ordinance, and the execution and issuance of the Bonds, subject to the terms thereof, will not result in any breach of, nor constitute a default under, any instrument to which the City is a party or by which it may be bound or affected.

L. The City is a governmental unit which has general taxing powers to finance operations of or facilities of the nature of the Project and the System; 95% or more of the Net Proceeds of the Bonds are to be used for local government activities of the City (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the City).

M. It is deemed necessary for the City to issue the Bonds in the aggregate principal amount of not more than $9,000,000, to permanently finance the costs of design, acquisition and construction of the Project and to issue the Notes in the aggregate principal amount of not more than $1,500,000, to temporarily finance the costs of design, acquisition and construction of the Project. Such costs shall be

deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; repayment of any interim financing notes; interest on the Bonds prior to and during construction or acquisition and for six months after completion of construction of the Project; engineering and legal expenses; expenses for estimates of cost and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expense, any fees or expenses of the Original Purchaser or DEP, commitment fees, discount, initial fees for the service of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Bonds, and such other expenses as may be necessary or incidental to the financing herein authorized, the construction or acquisition of the Project and the placing of the same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the City for any amounts expended by it for allowable costs prior to the issuance of the Bonds or the repayment of the indebtedness incurred by the City for such purposes shall be deemed part of the Cost of the Project.

N. It is in the best interests of the City that the Bonds be sold to the Original Purchaser pursuant to the terms and provisions set forth in the Supplemental Resolution.

O. Prior to the issuance of the Bonds, the City shall obtain (i) a certificate from an independent certified public accountant stating that the coverage and parity tests of the Prior Bonds have been met; and (ii) the written consent of the registered owners of the Prior Bonds to the issuance of the Bonds on a parity with the Prior Bonds. The Bonds shall be issued with a lien on the Net Revenues on a parity with the lien held by the registered owners of the Prior Bonds. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the City which are secured by revenues or assets of the System.

The Notes shall be issued junior and subordinate to the Bonds and the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects payable from Surplus Revenues, if any. The Notes shall be payable solely from and secured by the proceeds of the Bonds to be sold to the Authority and the Surplus Revenues (as defined herein) of the System.

P. The City has complied with all requirements of West Virginia law relating to the authorization of the design, acquisition, construction and operation of Project and the System and issuance of the Bonds and the Notes, or will have so complied prior to the issuance of any thereof, including, among other things, the obtaining of a Certificate of Convenience and Necessity, if required, from the Public Service Commission of West Virginia by final order not subject to appeal or rehearing.

Q. The City will not permit, at any time, any of the proceeds of the Bonds or any other funds of the City to be used directly or indirectly in a manner

which would result in the exclusion of the Bonds from the treatment afforded by Section 103(a) of the Code.

R. The Project has been approved by the West Virginia Infrastructure and Jobs Development Council as required under Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended.

A. The City must receive the written consent of the Authority for the issuance of parity bonds.

B. The coverage and parity requirements of the Prior Ordinances must be satisfied.

C. Unless waived in writing by the Authority, the City or the Sanitary Board must enter into written contracts for the immediate design, acquisition or construction of the Project not later than simultaneously with the delivery of the Bonds.

D. The Bonds shall not be issued unless all the payments into the respective funds and accounts provided for in the Prior Ordinances on account of the Prior Bonds and any other payments provided for in the Prior Ordinances, shall have been made in full as required to the date of delivery of the Bonds.

Section 3.11. Term Bonds. In the event Term Bonds are issued pursuant to this Ordinance, the following provisions shall apply:

A. The amounts to be deposited, apportioned and set apart by the City from the Revenue Fund and into the Redemption Account for the Bonds in accordance with Section 4.03 hereof shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 12 months prior to the first mandatory Redemption Date of said Term Bonds, a sum equal to

1/12th of the amount required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory Redemption Date, which amounts and dates, if any, with respect to a series of Bonds shall be set forth in the Supplemental Resolution relating thereto.

B. At its option, to be exercised on or before the 60th day next preceding any such mandatory Redemption Date, the City may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the City on such mandatory Redemption Date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the City, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

C. The City shall on or before the 60th day next preceding each mandatory Redemption Date furnish the Registrar and the Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

D. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the moneys in the Redemption Account for the Bonds to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the City and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the City on such mandatory Redemption Date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the City, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

E. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the Redemption Date (interest to be paid from the Sinking Funds of the Bonds), as will exhaust as nearly as practicable the Redemption Account payment designated to be made in accordance with paragraph (A) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory Redemption Date, in such manner as may be determined by

the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of $5,000.

Section 3.12. Notice of Redemption. Unless waived by any Registered Owner of the Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the City by mailing a copy of an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Bond Insurer, if any, the Original Purchaser and the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Bond Registrar.

So long as DTC (as CEDE & CO.) is the Registered Owner of the Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice. Copies of all redemption notices relating to optional redemption of the Bonds shall also be sent to registered securities depositories.

All official notices of redemption shall be dated and shall state:

(1) The Redemption Date,

(2) The Redemption Price,

(3) If less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,

(4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,

(5) The place where such Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Paying Agent, and

(6) Such other information, if any, as shall be required for DTC-eligible Bonds.

If funds sufficient to redeem all Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such notice shall also state that such optional redemption is subject to the deposit of such moneys with the Paying Agent on or before the Redemption Date. If such moneys are not so deposited, the Registrar shall notify all Registered Owners of such Bonds called for redemption of such fact.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the City shall default in the payment of the Redemption Price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Paying Agent at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Registered Owner a new Bond or Bonds of the same maturity in the amount of the unredeemed principal of such Bond. All Bonds which have been redeemed shall be canceled and destroyed by the Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Bonds, and failure to mail or otherwise send such notice shall not affect the validity of proceedings for the redemption of any portion of Bonds for which there was no such failure.

Section 3.13. Persons Treated as Owners. The City, the Registrar, the Paying Agent and any agent of the City, the Registrar or the Paying Agent may treat the person in whose name any Bond is registered as the Registered Owner of such Bond for the purpose of receiving payment of the principal of and interest on such Bond and for all other purposes, whether or not such Bond is overdue.

Section 3.14. Book Entry System for Bonds Sold to the Underwriter. A. Each series of the Bonds sold to the Underwriter shall initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Bonds of each maturity, registered in the name of CEDE & CO., as nominee of DTC. Except as provided in paragraph E below, all of the Bonds shall be registered in the registration books kept by the Registrar in the name of CEDE & CO., as nominee of DTC; provided that if DTC shall request that the Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Bonds registered in the name of such nominee or nominees. No person other than DTC or its nominee shall be entitled to receive from the City or the Registrar either a Bond or any other evidence of ownership of the Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry system as provided in paragraph E below.

B. At or prior to settlement for the Bonds, the City and the Registrar shall execute or signify their approval of a representation letter addressed

to DTC in a form satisfactory to DTC (the "Representation Letter"). Any successor Registrar shall, in its written acceptance of its duties under this Ordinance, agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

C. So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of or interest on such Bonds shall be made to DTC or its nominee at the addresses set forth in the Representation Letter in New York Clearing House or equivalent next day funds on the dates provided for such payments to be made to any Registered Owner under this Ordinance. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the City and the Registrar with respect to the principal or Redemption Price of or interest on the Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Bonds Outstanding of any maturity, the Registrar shall not require surrender by DTC of the Bonds so redeemed, but DTC may return such Bonds and make an appropriate notation on the Bond certificate as to the amount of such partial redemption; provided that DTC shall deliver to the Registrar, upon request, a written confirmation of such partial redemption. The records maintained by the Registrar shall be conclusive as to the amount of the Bonds of such maturity which have been redeemed.

D. The City, the Paying Agent and the Registrar may treat DTC as the sole and exclusive owner of the Bonds registered in its name or the name of its nominee for the purposes of payment of the principal or Redemption Price of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to the Registered Owners under this Ordinance, registering the transfer of Bonds, obtaining any consent or other action to be taken by the Registered Owners and for all other purposes whatsoever; and neither the City nor the Registrar shall be affected by any notice to the contrary. Neither the City nor the Registrar shall have any responsibility or obligation to any direct or indirect participant in DTC, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books of the Registrar as being a Registered Owner with respect to (i) the Bonds, (ii) the accuracy of any records maintained by DTC or any such participant, (iii) the payment by DTC or any such participant of any amount in respect of the principal or Redemption Price of or interest on the Bonds, (iv) any notice which is permitted or required to be given to the Registered Owners under this Ordinance, (v) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Bonds or (vi) any consent given or other action taken by DTC as Registered Owner.

E. The book entry system for registration of the ownership of the Bonds may be discontinued at any time if either: (i) DTC determines to resign as securities depository for the Bonds; or (ii) the City determines that continuation of

the system of book entry transfers through DTC (or through a successor securities depository) is not in the best interest of the beneficial owners of the Bonds. In either of such events (unless in the case described in clause (ii) above, the City appoints a successor securities depository), the Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the City or the Registrar for the accuracy of such designation. Whenever DTC requests the City and the Registrar to do so, the City and the Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

Section 3.15. Delivery of Bonds. The City shall execute and deliver the Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Bonds to the Original Purchaser upon receipt of the documents set forth below:

(A) A request and authorization to the Registrar on behalf of the City, signed by an Authorized Officer, to authenticate and deliver the Bonds to the Original Purchaser;

(B) Copies of this Ordinance and the Supplemental Resolution certified by the City Recorder; and

(C) The unqualified approving opinion of Bond Counsel regarding the Bonds.

ARTICLE IV
APPLICATION OF BOND PROCEEDS; FUNDS AND ACCOUNTS

Section 4.01. Application of Bond Proceeds. From the moneys received from the sale of the Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. All interest accrued on the Bonds from the date thereof to the date of delivery thereof shall be deposited with the Commission in the Sinking Fund and applied to payment of interest on the Bonds on the first interest payment date.

B. From the proceeds of the Bonds, there shall be deposited with the Commission in the Sinking Fund, the amount, if any, set forth in the Supplemental Resolution as capitalized interest.

C. Next, from the proceeds of the Bonds, there shall be deposited with the Commission in the Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding of the Reserve Account.

D. There is hereby created and established with the Depository Bank a special fund, designated the "Bonds Construction Trust Fund". The remaining moneys derived from the sale of the Bonds shall be deposited by the City in the Bonds Construction Trust Fund. Moneys in the Bonds Construction Trust Fund shall be used solely to pay Costs of the Project and costs of issuance of the Bonds and until so transferred or expended, are hereby pledged as additional security for the Bonds. All costs of issuance shall be paid within 60 days of the Closing Date.

E. After completion of acquisition and construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, the City shall (i) expend any remaining proceeds of the Bonds as provided in the Supplemental Resolution and (ii) file a schedule with the Authority and the DEP, setting forth the actual costs of the Project and sources of funds used therefor.

Section 4.02. Disbursements From the Bond Construction Trust Fund. Except as provided in Section 4.01 hereof, disbursements from the Bonds Construction Trust Fund shall be made only after submission to, and approval from, the Sanitary Board of the following:

A certificate, signed by the general manager of the Sanitary Board and the Consulting Engineers, stating that:

(A) None of the items for which the payment is proposed to be made has formed the basis for any disbursements theretofore made;

(B) Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(C) Each of such costs has been otherwise properly incurred; and

(D) Payment for each of the items proposed is then due and owing.

Pending such application, moneys in the Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the City.

The City shall expend all proceeds of the Bonds within 3 years of the date of issuance of the Bonds.

Section 4.03. Funds and Accounts; Flow of Funds. The funds and accounts established by the Prior Ordinances are hereby continued. In addition to the funds and accounts established by the Prior Ordinances, there are hereby created at the Commission the Sinking Fund, the Reserve Account and the Redemption Account with respect to the Bonds as further described in the Supplemental

Resolution. Following the monthly payment of Operating Expenses, the City shall make monthly payments to the Commission for the Prior Bonds as required under the Prior Ordinances. The monthly payments to the Commission for the Bonds shall be set forth in the Supplemental Resolution.

Moneys in the respective Sinking Funds shall be used only for the purposes of paying principal of and interest on the respective series of Bonds as the same shall become due. Moneys in the respective Reserve Accounts shall be used only for the purposes of paying principal of and interest on the respective series of Bonds as the same shall become due, when other moneys in the respective Sinking Funds are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the respective Reserve Accounts shall be transferred, not less than once each year, to the Bonds Construction Trust Fund prior to completion of the Project and thereafter, to the respective Sinking Funds.

Any withdrawals from the respective Reserve Accounts which result in a reduction in the balance therein to below the applicable reserve requirement shall be subsequently restored from the first Net Revenues available after all required payments to the respective Sinking Funds for payment of debt service on the Bonds have been made in full.

Moneys in the Sinking Funds and the Reserve Accounts shall be invested and reinvested by the Commission in accordance with Section 4.04 hereof.

If, on any monthly payment date, the revenues are insufficient to place the required amount in any of the funds or accounts as provided herein and in the Prior Ordinances, the deficiency shall be made up in subsequent payments, in addition to the payments which would otherwise be required to be made into the funds and accounts on subsequent payment dates.

Interest, principal or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds and the Bonds, in accordance with the respective principal amounts then Outstanding.

The City shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payments.

Except as provided above and in the Supplemental Resolution, all sinking fund, reserve account, and renewal and replacement fund payments shall remain as governed by the Prior Ordinances.

The Gross Revenues of the System shall only be used for purposes of the System.

Section 4.04. Investments. Any moneys held as a part of the funds and accounts created by this Ordinance, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank or such other bank or national banking association holding such fund or account, as the case may be, at the direction of the City in any Qualified Investments to the fullest extent possible under applicable laws, this Ordinance, the Prior Ordinances, the need for such moneys for the purposes set forth herein and the specified restrictions and provisions set forth in this Section 4.04.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount. The Commission, the Depository Bank or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss of such liquidation. The Depository Bank or such other bank or national banking association may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the City, at least once each year (or more often if reasonably requested by the City), a summary of such funds, accounts and investment earnings. The City shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest on the Bonds from gross income for federal income tax purposes.

ARTICLE V

DEFAULT AND REMEDIES

Section 5.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest on the Bonds; or

(2) If default occurs in the City's observance of any of the covenants, agreements or conditions on its part relating to the Bonds set forth in this Ordinance, any supplemental resolution or in the Bonds, and such default shall have continued for a period of 30 days after the City shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Registered Owner of a Bond; or

(3) If the City files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 5.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond or any Bond Insurer if the Bonds are insured may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the City to perform its duties under the Act and the Ordinance relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the City to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Bonds shall be on a parity with those of the Registered Owners of the Prior Bonds.

Section 5.03. Appointment of Receiver. Any Registered Owner of a Bond or any Bond Insurer if the Bonds are insured may, by proper legal action, compel the performance of the duties of the City under the Ordinance and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to the Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the City, with the power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the City exercise all the rights and powers of the City with respect to said facilities as the City itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Ordinance for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Ordinance shall have been cured and made good, possession of the System shall be surrendered to the City upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the City and for the joint protection and benefit of the City and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System

for the sole purpose of the protection of both the City and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Ordinance, and the title to and ownership of the System shall remain in the City, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE VI

ADDITIONAL COVENANTS OF THE CITY

All the covenants, agreements and provisions of the Prior Ordinances shall remain in full force and effect as long as the Prior Bonds and the Bonds are outstanding and shall apply to the Bonds as if fully set out herein. The following covenants are supplemental and in addition to the covenants set forth in the Prior Ordinances.

Section 6.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Registered Owner of the Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Registered Owner of the Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. The Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Registered Owner of the Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Bonds or the interest, if any, thereon.

Section 6.03. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service of the Bonds shall be secured by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Registered Owners of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation, are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 6.04. Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the sewer rate ordinance of the Issuer enacted on April 11, 2006, and the water rate ordinance of the Issuer enacted April 11, 2006, which rates are incorporated herein by reference as a part hereof.

So long as the Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates and charges initially established for the System in connection with the Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 6.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances. Additionally, so long as the Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the DEP, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Bonds, immediately be remitted to the Commission for deposit in the Bonds Sinking Fund and the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Bonds. Any balance remaining after the payment of the Bonds and the interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or

other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $10,000 but not in excess of $50,000, the Issuer shall first, determine, upon consultation with the Consulting Engineers, that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, aggregating during such Fiscal Year in excess of $10,000 and not in excess of $50,000, shall, with the written consent of the Authority, be remitted by the Issuer to the Commission for deposit in the Sinking Funds and shall be applied only to the purchase or redemption of Bonds of the last maturities then Outstanding at prices not greater than the applicable redemption price of such Bonds. Such payment of such proceeds into the Sinking Funds or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding, without the prior approval and consent in writing of the Registered Owners of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Registered Owners of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Bonds. All obligations issued by the Issuer after the issuance of the Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and

accounts established by this Bond Legislation have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Bonds, and the interest, if any, thereon, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 6.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. Additionally, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the DEP and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinances).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition or construction of additions, extensions, improvements or betterments to the System or refunding any Bonds outstanding or both such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Recorder a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall be not less than 120% (when the Series 2005 Bonds are no longer outstanding this amount shall be 115%) of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Recorder prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Registered Owners of the Bonds and the Registered Owners of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section and the Prior Ordinances. All such Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Net Revenues of the System, and their source of and security for payment from the Net Revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in

this section, equally, as to lien on and source of and security for payment from such revenues, with the Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation and the Prior Ordinances with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation and the Prior Ordinances, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation and the Prior Ordinances and every ordinance supplemental thereto, or shall have fully corrected any delinquency or deficiency in such payments and compliance.

Section 6.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the DEP such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Registered Owner of the Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the PSC. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of

the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Authority and the DEP, or any other original purchaser of the Bonds, and shall mail in each year to any Registered Owner of the Bonds requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Registered Owner of the Bonds and shall submit said report to the Authority and the DEP, or any other original purchaser of the Bonds. Such audit report submitted to the Authority and the DEP shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in the Loan Agreement or as promulgated from time to time.

The Issuer shall permit the Authority or the DEP, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Authority and the DEP, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

Section 6.09. Rates. Prior to the issuance of the Bonds, equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of the rates and charges so established will be continuously on file with the Recorder, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each Fiscal Year equal to at least 115% of the maximum amount required in any succeeding Fiscal Year for payment of principal of and interest, if any, on the Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the Reserve Requirements are on deposit in the Reserve Accounts and any reserve accounts for obligations on a parity with the Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each Fiscal Year need only equal at least 110% of the maximum amount required in any succeeding Fiscal Year for payment of principal of and interest, if any, on the Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2007 A Bonds, including the Prior Bonds.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 60 days following a determination of the Issuer that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 6.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the DEP within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate by a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority, the DEP and to any Registered Owner of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the DEP, the Authority and any Registered Owner of any Bonds, or anyone acting for and on behalf of such Registered Owner.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement, and forward a copy of such report to the Authority and the DEP by the 10th day of each month.

Section 6.11. Completion of Project; Permits and Orders. The City shall complete the Project as promptly as possible and operate and maintain the System as a revenue-producing enterprise in good condition and in compliance with all federal and state requirements and standards.

The City has obtained all permits required by state and federal laws for the acquisition and construction of the Project, all orders and approvals from the Public Service Commission of West Virginia and the West Virginia Infrastructure and Jobs Development Council necessary for the acquisition and construction of the Project and the operation of the System and all approvals for the issuance of the Bonds required by state law, with all requisite appeal periods having expired without successful appeal.

Section 6.12. Insurance and Construction Bonds. The City hereby covenants and agrees that so long as the Bonds remain Outstanding, the City will, as an

Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. The City will require that each of its contractors and all subcontractors maintain, during the life of the construction contract, workers' compensation coverage, public liability insurance, property damage insurance and vehicle liability insurance in amounts and on terms satisfactory to the Original Purchaser. Such insurance shall be made payable to the order of the Registered Owners, the City, the prime contractor and all subcontractors, as their interests may appear. The City will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) on a one hundred percent (100%) basis (completed value form) on the insurable portion of the Project, to protect the interests of the City, the Registered Owners, the prime contractor and all subcontractors as their interests may appear during construction of the Project in the full insurable value thereof. In time of war, the City shall also carry in said amount such insurance as may be available against loss or damage by the risks and hazards of war. The proceeds of all such insurance policies shall be disposed of as provided in the Ordinance and otherwise shall be placed in the Renewal and Replacement Fund and used only for the repair and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The City will also carry liability insurance for damage or injury to persons or property in amounts adequate for such purposes and customarily carried with respect to works and properties similar to the System. The City shall carry such other insurance as is required by the Original Purchaser, including but not limited to flood insurance and business interruption insurance, to the extent available at reasonable cost to the City. The City shall verify all such insurance prior to commencement of construction.

The City shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The City shall verify such bonds prior to commencement of construction.

Section 6.13. Issuance of Other Obligations Payable Out of Revenues. In addition to the limitations on the issuance of parity obligations set forth in the Prior Ordinances, no parity obligations payable out of revenues of the System shall be issued after the issuance of the Bonds without the prior written consent of the Registered Owner of the Prior Bonds then Outstanding and without complying with the parity requirements of the Prior Ordinance and the Supplemental Resolution.

Section 6.14. Engineering Services and Operating Personnel. Prior to the issuance of the Bonds, the City shall obtain the certificate of the Consulting Engineers, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the DEP, the Project is

adequate for the purposes for which it was designed, the funding plan as submitted to the DEP is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and state laws for construction of the Project have been obtained.

The City shall provide and maintain competent and adequate engineering services satisfactory covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the City at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

Section 6.15. Compliance With Law. The City hereby covenants and agrees to perform, satisfy and comply with all terms, conditions and requirements of all applicable laws, rules and regulations issued by the Authority, the DEP or other State, federal or local bodies in regard to the construction of the Project and operation, maintenance and use of the System.

Section 6.16. Books; Records and Audit. The City shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The City shall permit the Original Purchaser, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The City shall submit to the Original Purchaser such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of any state and federal grants or other sources of financing for the Project.

All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the City.

The City will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the City, in which complete and correct entries shall be made of all transactions relating to the System, and any Registered Owner of the Bonds issued pursuant to the Ordinance shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the City relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards in accordance with the rules and

regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the City. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books, and along with other bookkeeping records as prescribed by the City. The City shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the City shall be reported to such agent of the City as the Council shall direct.

The City shall file with the Original Purchaser, and shall mail in each year to any Registered Owner or Owners of Bonds requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses and Net Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Ordinance and the status of all said funds and accounts.

(C) The amount of any bonds, notes or other obligations Outstanding.

The City shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by Independent Accountants in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and, shall mail upon request, and make available generally, the report of the Independent Accountants, or a summary thereof, to any Registered Owner or Owners of Bonds. The report of said audit shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the revenues of the System are adequate to meet its Operating Expenses and debt service and reserve requirements.

Section 6.17. Operating Budget. The Sanitary Board shall annually prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for the operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Original Purchaser within 30 days of the adoption thereof.

Section 6.18. Tax Covenants. The City hereby further covenants and agrees as follows:

A. PUBLIC PURPOSE BONDS. The City shall use the Bond proceeds solely for the Project and as otherwise set forth herein, and the Project will be operated solely for as a public purpose and as local governmental activity of the City.

B. PRIVATE ACTIVITY BOND COVENANT. The City shall not permit at any time or times any of the proceeds of the Bonds or any other funds of the City to be used directly or indirectly in a manner which would result in the exclusion of the Bonds from the treatment afforded by Section 103(a) of the Code by reason of the classification of the Bonds as "private activity bonds" within the meaning of the Code. The City will take all actions necessary to comply with the Code in order to assure the tax-exempt status of the Bonds.

C. PRIVATE LOAN LIMITATION. The City shall assure that not in excess of the lesser of 5% of the proceeds of the Bonds or $5,000,000 are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

D. FEDERAL GUARANTEE PROHIBITION. The City shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

E. INFORMATION RETURN. The City shall file all statements, instruments and returns necessary to assure the tax-exempt status of the Bonds, and the interest thereon, including, without limitation, the information return required under Section 149(e) of the Code.

F. FURTHER ACTIONS. The City shall take any and all actions that may be required of it (including those deemed necessary by the Authority) so that the interest on the Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions, or fail to take any actions (including those deemed necessary by the Authority) which would adversely affect such exclusion.

Section 6.19. Rebate Covenant. The City is a governmental unit with general taxing powers to finance operations of or facilities of the nature of the Project and the System. As covenanted above, the Bonds are not private activity bonds within the meaning of the Code, and ninety-five percent (95%) or more of the net proceeds (as defined in the Code) of the Bonds will be used for local governmental activities of the City (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the City). The City reasonably expects to expend the proceeds of the Bonds within the time period that would provide an exception from the rebate requirements of Section 148(f) of the Code. Notwithstanding the foregoing, if the City is in fact subject to such rebate requirements, the City hereby covenants to rebate to the United States the amounts required by the Code and to take all steps necessary to make such rebates. In the event the City fails to make such rebates as required, the City shall pay any and all penalties and obtain a waiver from the Internal Revenue Service in order to maintain the tax-exempt status of interest on the Bonds.

Section 6.20. Arbitrage. The City covenants that (i) it will not take, or permit or suffer to be taken, any action with respect to the proceeds of the Bonds which would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Bonds) so that the interest on the Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 6.21. Tax Certificate and Rebate. The City shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Bonds. In addition, the City covenants to comply with all Regulations from time to time in effect and applicable to the Bonds as may be necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds and fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of the Ordinance.

If it is determined that the City does not quality for an exception to Section 148 of the Code or the City is otherwise subject to rebate in connection with the Bonds, the City shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, unless otherwise agreed by the Authority, the City shall deposit, or cause to be deposited, with the Depository Bank in a separate fund designated the Rebate Fund, such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder, if any, and used only for payment of rebatable arbitrage to the United States. The City shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the City to be used for any lawful purpose of the System. The City shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the City shall assure that such payments are made by the City to the

United States, on a timely basis, from any funds lawfully available therefor. In addition, the City shall cooperate with the Authority in preparing rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the City. The City may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the City may deem appropriate in order to assure compliance with this Section 6.11. The City shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 6.11 in accordance with the requirements of Section 148(f) of the Code. In the event the City fails to make such rebates as required, the City shall pay the required rebate amount and all interest, penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, and take any other actions necessary, in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes.

The City shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation and certificate with respect thereto or, if the City qualifies for the small governmental issue exception to rebate or any other exception therefrom, then the City shall submit to the Authority a certificate stating that it is exempt from such rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Bonds subject to rebate. The City shall also furnish to the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority, including information with respect to earnings on all funds constituting "gross proceeds" of the Bonds (as such term "gross proceeds" is defined in the Code).

Section 6.22. Securities Laws Compliance. The City will provide the Original Purchaser, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Original Purchaser may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240). The City will also deliver a continuing disclosure agreement or certificate in form acceptable to the Original Purchaser sufficient to ensure compliance with SEC Rule 15c2-12, as amended from time to time.

Section 6.23. Defeasance of Bonds. If the City shall pay or cause to be paid, or there shall otherwise be paid, to the Registered Owners of the Bonds, the principal thereof, and redemption premium, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, then the pledge of Net Revenues and any other moneys and securities pledged under this Ordinance and all covenants, agreements and other obligations of the City to the Registered Owners shall thereupon cease, terminate and become void and be discharged and satisfied, except as may otherwise be necessary to assure the exclusion of interest on the Bonds from gross income for federal income tax purposes.

Bonds for the payment of which either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on such Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Commission or an escrow trustee either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on said Bonds on and prior to the maturity date thereof, or if the City irrevocably determines to redeem any of said Bonds prior to the maturity thereof, on and prior to said redemption date. Neither securities nor moneys deposited with the Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on said Bonds on and prior to such maturity or redemption dates thereof, and interest earned from such reinvestments shall be paid over to the City as received by the Commission or said escrow trustee, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations or such additional securities as shall be set forth in the Supplemental Resolution.

Section 6.24. Rates and Charges. The City has obtained any and all approvals of rates and charges required by state law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the sewer rate ordinance of the City duly enacted on November 13, 2007, which rates are incorporated herein by reference as a part hereof.

So long as the Bonds are outstanding, the City covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Ordinance. In the event the schedule of rates, fees and charges initially established for the System in connection with the Bonds shall prove to be insufficient to produce the required sums set forth in this Ordinance, the City hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase

such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Ordinance. In any event, subject to any requirements of law, the City shall not reduce the rates or charges for services set forth in the rate ordinance described above.

The City shall diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid when due, shall become a lien on the premises served by the System. The City further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System, and any services and facilities of the water system, if so owned by the City, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the waterworks facilities are not owned by the City, the City will, to the extent allowed by law, use diligent efforts to enter into a termination agreement with the provider of such water, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 6.25. Contracts. The City shall, simultaneously with the delivery of the Bonds or immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

Section 6.26. Covenants Regarding the Municipal Bond Insurance Policy. The City may obtain a Municipal Bond Insurance Policy for the Bonds. In the event such a Municipal Bond Insurance Policy is obtained, certain additional covenants of the City may be required by the Bond Insurer as a condition to insuring the Bonds. These additional covenants shall be set forth in full in the Supplemental Resolution, shall apply to the Bonds and shall be controlling in the event any other provisions of this Ordinance may be in conflict therewith.

ARTICLE VII

REGISTRAR

Section 7.01. Appointment of Registrar. The Registrar for the Bonds shall be appointed pursuant to the Supplemental Resolution. The City is hereby authorized and directed to enter into an agreement with the Registrar, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 7.02. Responsibilities of Registrar. The recitals of fact in the Bonds shall be taken as statements of the City, and the Registrar shall not be responsible for their accuracy. The Registrar shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Bonds by the City. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication and Registration on the Bonds. The Registrar and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Ordinance and any other duties and responsibilities incident thereto, all as provided by said agreement described above.

Section 7.03. Evidence on Which Registrar May Act. Except as otherwise provided herein, the Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. Whenever the Registrar shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the City, but in its discretion the Registrar may instead accept other evidence of such fact or matter.

Section 7.04. Compensation and Expenses. The City shall pay to the Registrar from time to time reasonable compensation for all services, including the transfer of registration of Bonds, the first exchange of Bonds and the exchange of Bonds in the event of partial redemption, incurred in the performance of its duties hereunder.

Section 7.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Registered Owners or effect or aid in any reorganization growing out of the enforcement of the Bonds or this Ordinance, whether or not any such committee shall represent the Registered Owners of a majority in principal amount of the Bonds Outstanding.

Section 7.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Ordinance by giving not less than 60 days' written notice to the City. A copy of such notice shall also be mailed to each Registered Owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the City or the Registered Owners, in which event such resignation shall take effect immediately; provided that, in no event shall such resignation take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 7.07. Removal. The Registrar may be removed at any time by the City, the Bond Insurer or the Registered Owners of a majority in principal amount of the Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the City, the Bond Insurer or by such Registered Owners or their attorneys duly authorized in writing and delivered to the City, as the case may be. Copies of each such instrument shall be delivered by the City to the Registrar. Such removal shall take effect upon the date stated in such instrument; provided that, in no event shall such removal take effect until a successor has been appointed and has accepted its duties as Registrar.

Section 7.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Registered Owners of a majority in principal amount of the Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Registered Owners or their attorneys duly authorized in writing and delivered to the City and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the City shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Registered Owners. A copy of such notice shall also be mailed to each Registered Owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Any successor Registrar appointed by the City shall, immediately and without further act, be superseded by a Registrar appointed by such Registered Owners. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the City written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Registered Owner may apply to any court of competent jurisdiction to appoint a successor. Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance.

Section 7.09. Transfer of Rights and Property to Successor. Any predecessor Registrar shall pay over, assign and deliver any moneys, books and records held by it to its successor.

Section 7.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 7.08 hereof.

Section 7.11. Adoption of Authentication. In case any of the Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Bonds so authenticated, and, in case any Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Bonds in the name of the predecessor Registrar or in its own name.

ARTICLE VIII

MISCELLANEOUS

Section 8.01. Modification or Amendment. Prior to the issuance of the Bonds, this Ordinance may be amended or supplemented in any way by a Supplemental Resolution. All provisions required by the Bond Insurer, if any, shall be set forth in the Supplemental Resolution and to the extent they constitute an amendment or modification of this Ordinance, shall be controlling. Following issuance of the Bonds, no material modification or amendment of this Ordinance or of any ordinance or resolution amendatory hereof or supplemental hereto which would materially and adversely affect the rights of Registered Owners shall be made without the consent in writing of the Registered Owners of the Bonds then Outstanding and to be affected by said modification; provided, however, that no change shall be made in the maturity of any Bonds or the rate of interest thereon, or in the principal amount thereof, or affecting the unconditional promise of the City to pay such principal and interest out of the revenues of the System without the consent of the Registered Owner thereof. No amendment or modification shall be made which would reduce the percentage of the principal amount of Bonds required for consent to the above permitted amendments or modifications. Notwithstanding the foregoing, this Ordinance may be amended without the consent of any Registered Owner as may be necessary to assure compliance with Section 148(f) of the Code relating to rebate requirements or otherwise as may be necessary to assure the exclusion of interest on the Bonds from gross income of the Registered Owners thereof.

Section 8.02. Severability of Invalid Provisions. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, such invalidity shall not affect any of the remaining provisions of this Ordinance, the Supplemental Resolution or the Bonds.

Section 8.03. Repeal of Conflicting Ordinances. All ordinances, resolutions and orders, or parts thereof, other than the Prior Ordinances, in conflict with this Ordinance are, to the extent of such conflict, repealed.

Section 8.04. Covenant of Due Procedure. The City covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the final enactment and passage of this Ordinance do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Mayor, the City Recorder and members of Council and the Sanitary Board were at all times when any actions in

connection with this Ordinance occurred, and are, duly in office and duly qualified for such office.

Section 8.05. Statutory Notice and Public Hearing. Upon adoption hereof, the abstract of this Ordinance in the form set forth in Exhibit C attached hereto and incorporated herein by reference, shall be published once a week for two successive weeks, with at least 6 full days intervening between each publication, in the Register Herald, a qualified newspaper published and of general circulation in the City of Beckley, together with a notice stating that this Ordinance has been adopted and that the City contemplates the issuance of the Bonds, and that any person interested may appear before the Council upon a certain date, not less than 10 days subsequent to the date of the first publication of such abstract of this Ordinance and notice, and present protests, and that a certified copy of this Ordinance is on file with the City for review by interested persons during office hours of the City. The Council hereby determines that the abstract contains sufficient information as to give notice of the contents hereof. At such hearing, all objections and suggestions shall be heard and the Council shall take such action as it shall deem proper in the premises.

Section 8.06. Effective Date. This Ordinance shall take effect immediately following public hearing and final reading hereof.

This Bond is one of a series of bonds, in the aggregate principal amount of $_____ (the "Bonds"), of like date, tenor and effect, except as to number, denomination, date of maturity and interest rate, the proceeds of which are to be used, together with other funds of the City, (i) to pay the cost of design, acquisition and construction of certain additions, betterments and improvements to the existing sewerage system of the City (the "Project"); (ii) to fund a reserve account for this Bond; and (iii) to pay certain costs of issuance hereof and related costs. The existing sewerage system of the City, the Project and any further additions, betterments and improvements thereto are herein called the "System." The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13 of the Code of West Virginia, 1931, as amended (the "Act"), and an ordinance duly enacted by the City Council of the City on _____, _____, and supplemented by a supplemental resolution duly adopted by the City Council of the City on _____, _____(collectively, the "Ordinance"), and is subject to all the terms and conditions of the Ordinance. The Ordinance provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Ordinance. Reference is hereby made to the Ordinance, as the same may be amended and

supplemented from time to time, for a description of the rights, limitations of rights, obligations, duties and immunities of the City, the Registrar, the Paying Agent, the Registered Owners of the Bonds and the Registered Owners of any subsequently issued additional bonds. Executed counterparts or certified copies of the Ordinance are on file at the office of the City Recorder of the City.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS, WITH THE CITY'S PRIOR BONDS AND THE SEWERAGE SYSTEM REVENUE BONDS, SERIES _____, ISSUED CONCURRENTLY HEREWITH (THE "SERIES _____BONDS") (COLLECTIVELY, THE "PRIOR BONDS"), ALL AS DEFINED IN THE ORDINANCE.

[This Bond is additionally secured, but only to the extent described in the Statement of Insurance printed on the Bonds, by a policy of municipal bond insurance issued by _____.]

The Bonds of this issue are subject to redemption prior to their stated maturity dates, as provided in the Ordinance and as set forth in the following lettered paragraphs:

(A) Optional Redemption. The Bonds maturing on or after _____, _____ are subject to redemption prior to maturity at the option of the City on and after _____, _____, in whole at any time and in part on any Interest Payment Date, as directed by the City, at the following redemption prices (expressed as percentages of the principal amount of Bonds to be redeemed), plus interest accrued thereon to the date fixed for redemption:

(B) Mandatory Sinking Fund Redemption. The Bonds maturing _____, are subject to annual mandatory redemption prior to maturity by random selection on _____ of the years and in the principal amounts set forth below, at the redemption price of 100% of the principal amount of each Bond so called for redemption plus interest accrued to the date fixed for redemption:

In the event of any redemption of less than all outstanding Bonds, Bonds shall be selected for redemption by lot or in such other manner deemed appropriate by the Paying Agent. If less than all the Bonds are to be redeemed, the Bonds to be redeemed shall be identified by reference to the Series designation, date of issue, CUSIP numbers and Maturity Dates.

Notice of any redemption of this Bond, unless waived, shall be given by the Registrar on behalf of the City by mailing an official redemption notice by registered or certified mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar. Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the City shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of this Bond.

The Bonds and the interest hereon are payable only from and are secured by (1) the Net Revenues (as defined in the Ordinance) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the registered owners of the Prior Bonds and the Series _____Bonds, (2) all moneys in the Series _____ Bonds Sinking Fund and the Series _____ Bonds Reserve Account established for the Bonds under the Ordinance, and (3) the unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose and to make the other payments required by the Ordinance. This Bond does not constitute a corporate indebtedness of the City within the meaning of any statutory or constitutional limitation, nor shall the City be obligated to pay the same or the interest hereon except from said special fund provided from the Net Revenues, the moneys in the Series _____Bonds Sinking Fund and the Series _____ Bonds Reserve Account and any unexpended Bond proceeds. Pursuant to the Ordinance, the City has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest on the Bonds and all obligations secured by a lien on or payable from such revenues on a parity with the Bonds, including the Prior Bonds and the Series _____ Bonds; provided however, that so long as there exists in the Series _____ Bonds Reserve Account an amount equal to the maximum amount of principal and interest which will become due on the Bonds in the then current or any succeeding year and in the respective reserve accounts established for any obligations outstanding on a parity with the Bonds, including the Prior Bonds and the Series ____ Bonds, an amount equal to the requirement therefor, such percentage may be reduced to 110%. The City has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Ordinance. Remedies provided the registered owners of the Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All moneys received from the sale of the Bonds, except for accrued interest thereon, shall be applied solely to pay the costs of the Project, to fund the Series _____ Bonds Reserve Account and to pay all costs of issuance of the Bonds, and there shall be, and hereby is, created and granted a lien upon such moneys, until so applied, in favor of the registered owners of the Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the City, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by the City for

the prompt payment of the principal of and interest on the Bonds of which this Bond is one.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may be transferred only upon the surrender hereof at the office of the Registrar and otherwise as provided by the within-described Ordinance.

This Bond is, under the Act, exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof.

This Bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon shall have been signed by the Registrar.

All provisions of the Ordinance, and the statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

IN WITNESS WHEREOF, THE CITY OF BECKLEY (WEST VIRGINIA) has caused this Bond to be signed by its Mayor, and its corporate seal to be imprinted hereon and attested by its City Recorder, and has caused this Bond to be dated as of the Bond Date specified above.

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

This Ordinance (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 16, Article 13 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Beckley, West Virginia (the "Issuer") now owns a stormwater drainage system (the "System").

B. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed improvements and extensions to the existing public stormwater drainage system of the Issuer, consisting of approximately 720 lf of dry swale and/or bio-retention areas; approximately sq ft of landscaped bio-infiltration; approximately 930 ft of corrugated HDPE storm pipe installation; approximately 520 ft of sanitary sewer upgrade/relocation (collectively, the "Project"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the issuer.

The Issuer intends to permanently finance the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Water Pollution Control Revolving Fund pursuant to the Act.

D. ARTICLE V

FUNDS AND ACCOUNTS; SYSTEM REVENUES AND APPLICATION THEREOF

Section 5.01. Establishment of Funds and Accounts with Depository Bank. The following special funds or accounts are hereby created (or continued) and shall be held by the Depository Bank separate and apart from all other funds or accounts of the Depository Bank and the Issuer and from each other:

(1) Revenue Fund;

(2) Renewal and Replacement Fund; and

(3) Series 2009 Bonds Construction Trust Fund.

Section 5.02. Establishment of Funds and Accounts with Commission. The following special funds or accounts are hereby created with and shall be held by the Commission separate and apart from all other funds or accounts of the Commission and the Issuer and from each other:

(1) Series 2009 B-2 Bonds Sinking Fund; and

(2) Series 2009 B-2 Bonds Reserve Account.

Section 5.03. System Revenues; Flow of Funds. A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Bond Legislation and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order of priority:

(1) The Issuer shall first, each month, pay from the monies in the Revenue Fund all current Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission, commencing 4 months prior to the first date of payment of principal of the Series 2009 Bonds, for deposit in the Series 2009 B-2 Bonds Sinking Fund, an amount equal to 1/3rd of the amount of principal, if any, which will mature and become due on the Series 2009 B-2 Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2009 B-2 Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date;.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission, commencing 4 months prior to the first date of payment of principal of the Series 2009 B-2 Bonds, if not fully funded upon issuance of the Series 2009 Bonds, for deposit in the Series 2009 B-2 Bonds Reserve Account, an amount equal to 1/120th of the Series 2009 B-2 Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2009 B-2 Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2009 B-2 Bonds Reserve Requirement.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund, a sum equal to 2 1/2% of the Gross Revenues each month (as previously set forth in the Prior Ordinances and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

Monies in the Series 2009 B-2 Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 2009 Bonds, as the same shall become due. Monies in the Series 2009 B-2 Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the Series 2009 Bonds as the same shall come due, when other monies in the Series 2009 B-2 Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on monies in the Series 2009 B-2 Bonds Sinking Fund and the Series 2009 B-2 Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2009 Bond Construction Trust Funds, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2009 Bonds and then to the next ensuing principal payment, if any, due thereon, all on a pro rata basis.

Any withdrawals from the Series 2009 B-2 Bonds Reserve Account which result in a reduction in the balance therein to below the respective Reserve Requirements shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2009 Bonds are issued, provision shall be made for additional payments into the respective sinking funds

sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in an amount equal to the requirement thereof.

The Issuer shall not be required to make any further payments into the Series 2009 B-2 Bonds Sinking Fund and the Series 2009 B-2 Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the respective aggregate principal amount of the Series 2009 Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2009 B-2 Bonds Sinking Fund and the Series 2009 B-2 Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority at anytime, the Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the Series 2009 B-2 Bonds Sinking Fund and the Series 2009 B-2 Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof

The Series 2009 B-2 Bonds Sinking Fund and the Series 2009 B-2 Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2009 Bonds under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest and reserve account payments, if any, with respect to the Series 2009 Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the ARRA Assistance Agreement, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the respective parties shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The monies in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

BOND PROCEEDS; CONSTRUCTION DISBURSEMENTS

Section 6.01. Application of Bond Proceeds: Pledge of Unexpended Proceeds. From the monies received from the sale of the Series 2009 Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 2009 B-2 Bonds, there shall first be deposited with the Commission in the Series 2009 B-2 Bonds Sinking Fund, the amount, if any, set forth in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 2009 B-2 Bonds for the period commencing on the date of issuance of the Series 2009 B-2 Bonds and ending 6 months after the estimated date of completion of construction of the Project.

B. Next, from the proceeds of the Series 2009 Bonds, there shall be deposited with the Commission in the Series 2009 B-2 Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding the Series 2009 B-2 Bonds Reserve Account.

C. As the Issuer receives advances of the remaining monies derived from the sale of the Series 2009 Bonds, such monies shall be deposited with the Depository Bank in the Series 2009 Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2009 Bonds.

D. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2009 Bonds shall be applied as directed by the DEP.

Section 6.02. Disbursements From the Bond Construction Trust Fund.

On or before the Closing Date, the Issuer shall have delivered to the DEP and the Authority a report listing the specific purposes for which the proceeds of the Series 2009 Bonds will be expended and the disbursement procedures for such proceeds, including an estimated monthly draw schedule. Payments of all Costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements from the Series 2009 Bonds Construction Trust Fund shall be made only after submission to and approval from the DEP, of a completed and signed "Payment Requisition Form," a form of which is attached to the ARRA Assistance Agreement for the Series 2009 Bonds, in compliance with the construction schedule.

Pending such application, monies in the Bond Construction Trust Funds shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2009 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2009 Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The payments required by the Series 2009 Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2009 Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Positions with Respect to Bonds. The payments required by the Series 2009 Bonds shall be secured by a first lien on the Net Revenues derived from the System. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2009 Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and shall provide an opinion of counsel to the Issuer of such effect. Such rates and charges shall be sufficient to comply with the requirements of the ARRA Assistance Agreement and the Issuer shall supply a certificate of certified public accountant to such effect.

So long as the Series 2009 Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the ARRA Assistance Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2009 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the ARRA Assistance Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient

to produce the required sums set forth in this Bond Legislation and the ARRA Assistance Agreement.

Section 7.05. Sale of the System. So long as the Series 2009 Bonds and the Prior Bonds are outstanding and except as otherwise required by law or with the written consent of the DEP, the Authority and the Council, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2009 Bonds, immediately be remitted to the Commission for deposit in the Renewal and Replacement Fund, and, with the written permission of the DEP and the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2009 Bonds. Any balance remaining after the payment of the Series 2009 Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $10,000 but not in excess of $50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2009 Bonds. All obligations issued by the Issuer after the issuance of the Series 2009 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2009 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all finds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2009 Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2009 Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the DEP and the Authority prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinance shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2009 Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the DEP and without complying with the conditions and requirements herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2009 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions extensions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds,

if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer, the time for appeal of which shall have expired prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the time for appeal of which shall have expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 2009 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2009 Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the DEP and the Authority, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the DEP, the Authority and the Council such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the DEP, the Authority and the Council, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the DEP, the Authority, or any other original purchaser of the Series 2009 Bonds, and shall mail in each year to any Holder or Holders of the Series 2009 Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and to the extent legally required, in compliance with the applicable OMB Circular and the Single Audit Act, or any successor thereto), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2009 Bonds, and shall submit said report to the DEP and the Authority, or any other original purchaser of the Series 2009 Bonds. Such audit report submitted to the DEP and the Authority shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the ARRA Assistance Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the ARRA Assistance Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the DEP and the Authority, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the DEP and the Authority, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the DEP and the Authority with respect to the System pursuant to the Act.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in EXHIBIT E of the ARRA Assistance Agreement for the Series 2009 Bonds or as promulgated from time to time.

Section 7.09. Rates. Prior to the issuance of the Series 2009 Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be

sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2009 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2009 Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 2009 B-2 Bonds Reserve Account and the reserve accounts for obligations on a parity with or junior to the Series 2009 Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2009 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with or junior to the Series 2009 Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the DEP and the Authority within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the DEP and the Authority and to any Holder of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the DEP and the Authority and to any Holder of any Bonds, or anyone acting for and in behalf of such Holder of any Bonds.

ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investments. Any monies held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bath or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bath, or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2009 Bonds are Outstanding and as long thereafter as necessary to assure the exclusion of interest, if any, on the Series 2009 Bonds from gross income for federal income tax purposes.

Section 8.02. Certificate as to Use of Proceeds; Covenants as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2009 Bonds as a condition to issuance of the Series 2009 Bonds. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and applicable to the Series 2009 Bonds as may be necessary in order to maintain the status of the Series 2009 Bonds as public purpose bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2009 Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority, the Council or the DEP, as the case may be, from which the proceeds of the Series 2009 Bonds are derived, to lose their status as tax-exempt

bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or the DEP, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Ordinance.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2009 Bonds and any additional information requested by the Authority.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2009 Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest, if any, on the Series 2009 Bonds; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2009 Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2009 Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, Registrar or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of the System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

PAYMENT OF BONDS

Section 10.01. Payment of Bonds. If the Issuer shall pay or there shall otherwise be paid to the Holders of the Series 2009 Bonds, the principal of and interest, if any, due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Net Revenues and other monies and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 2009 Bonds shall thereupon cease, terminate and become void and be discharged and satisfied, except as may otherwise be necessary to assure the exclusion of interest, if any, on the Series 2009 Bonds from gross income for federal income tax purposes.

ARTICLE I
STATUTORY AUTHORITY FINDINGS AND DEFINITIONS

Section 1.01. Authority of this Ordinance. This Ordinance is enacted pursuant to the provisions of Chapter 8, Article 20, and Chapter 13, Article 2E, of the Code of West Virginia, 1931, as amended (the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared as follows:

A. The City of Beckley, West Virginia (the "City"), now owns a sewerage system (the "System"), both within and without the corporate limits of the City, consisting of pumps, storage tanks, sewage treatment plant or plants and its collecting, intercepting and outlet sewers, lateral sewers, drains, force mains, conduits, pumping stations and ejector stations and all other appurtenances, extensions, improvements and betterments necessary, appropriate, useful, convenient or incidental for the treatment, and the collection, treatment and disposal in a sanitary manner of sanitary sewage and industrial wastes.

B. In accordance with Section 18 of the Act, the System is under the supervision and control of the Sanitary Board of the City (the "Sanitary Board").

C. The acquisition and construction of the System were financed in part by the proceeds of prior bond and note issues of the City, including $3,095,000 in original principal amount of Sewer Revenue Bonds, Series 1995A (the "1995 Series Bonds"), which are secured by a first lien on the net revenues of the System.

D. The 1995 Series Bonds are currently outstanding in the aggregate principal amount of $2,655,000.

E. The City derives revenues from the System, and, except for the pledges thereof to secure and pay the 1995 Series Bonds and said revenues are not pledged or encumbered in any manner.

F. The City may now refund the 1995 Series Bonds at a savings to the City and, therefore, such refunding is in the best interests of the City.

G. The 1995 Series Bonds will be refunded with the proceeds of the Series 2005 Bonds, together with funds of the City made available by the refunding of the 1995 Series Bonds.

H. The Series 2005 Bonds shall be issued on a parity with the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects. The City has met the parity and coverage requirements of the Prior Bonds and the Prior Ordinances. Prior to the issuance of the Series 2005 Bonds, the City will obtain (i) a certificate of an Independent Certified Public Accountant stated that the parity and coverage tests of the Prior Bonds have been met and (ii) the written consent of the Registered Owners of the Prior Bonds to the issuance of the Series 2005 Bonds on a parity with the Prior Bonds. The Series 2005 Bonds shall be issued senior and prior to the Notes with respect to liens, pledge and source of and security for payment and in all other respects. Other than the Prior Bonds and the Notes, there are no outstanding bonds or obligations of the City with are secured by revenues or assets of the System.

I. The estimated revenues to be derived in each year after the enactment of this Ordinance from the operation of said System will be sufficient to pay all the costs of the operation and maintenance of said System, the principal of, interest on, and any other charges required to be paid in connection with the 1995 Bonds and the principal of and interest on the Bonds authorized to be issued pursuant to this Ordinance and all sinking fund, reserve account and other payments as may be provided for in this Ordinance.

J. The Series 2005 Bonds and the Certificate of Authentication and Registration to be endorsed thereon are to be in substantially the form set forth herein with necessary and appropriate variations, omissions and insertions as permitted or required by this Ordinance or a Supplemental Resolution or as deemed necessary by the Registrar or the City.

K. All things necessary to make the Series 2005 Bonds, when authenticated by the Registrar and issued as in this Ordinance provided, the valid, binding and legal special obligations of the City according to the import thereof, and to validly pledge and assign those funds pledged hereby to the payment of the principal of and interest on the Series 2005 Bonds, will be timely done and duly performed

L. The enactment of this Ordinance, and the execution and issuance of the Series 2005 Bonds, subject to the terms thereof, will not result in any breach of, nor constitute a default under, any instrument to which the City is a party or by which it may be bound or affected.

M. The City is a governmental unit with general taxing powers.

N. The Series 2005 Bonds are not private activity bonds as defined in the Code.

O. Ninety-five percent (95%) or more of the net proceeds (as defined with respect to the Code) of the Series 2005 Bonds will be issued for local governmental activities of the City.

P. The City shall not permit at any time any of the proceeds of the Bonds or other funds of the City to be used directly or indirectly in any manner which would result in the exclusion of the Bonds from the treatment afforded by Section 103(a) of the Code.

Q. The City will file all statements, instruments and returns necessary to assure the tax-exempt status of the Bonds.

R. The Bonds will not be federally guaranteed within the meaning of Section 149(b) of the Code.

S. It is deemed necessary for the City to issue its Series 2005 Bonds to refund the 1995 Series Bonds.

(1) The City shall first each month, from the moneys in the Revenue Fund, pay all reasonable Operating Expenses of the System.

(2) The City shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) for the deposit in the Series 1998 A Bonds Sinking Fund, the amount required by the Prior Ordinances to pay the interest on the Series 1998 A Bonds; (ii) for deposit in the Series 2004 A Bonds Sinking Fund, the amount required by the Prior Ordinances to pay the interest on the Series 2004 A Bonds; and (iii) commencing August 1, 2005-five months prior to the first date of payment of interest on the Series 2005 Bonds, for which interest has not been capitalized for deposit in the Series 2005 Bonds Sinking Fund, an amount equal to $1/6^{th}$ of the amount of interest which will become due on the Series 2005 Bonds on the next ensuing interest payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2005 Bonds Sinking Fund and the next interest payment date is less than 6 months, then such monthly payment shall be increased proportionately to provide, prior to the next interest payment date, the required amount of interest coming due on such date.

(3) The City shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) for deposit in the Series 1998 A Bonds Sinking Fund, the amount required by the Prior Ordinances to pay the principal of the Series 1998 A Bonds Sinking Fund, the amount required by the Prior Ordinances to pay the principal of the Series 1998 A Bonds; (ii) for deposit in the Series 2004 A Bonds Sinking Fund, the amount required by the Prior Ordinances to pay the principal of the Series 2004 A Bonds; and (iii) commencing August 1, 2005-eleven months prior to the first date of payment of principal of the Series 2005 Bonds, for deposit in the Series 2005 Bonds Sinking Fund, an amount equal to $1/12^{th}$ of the amount of principal which will mature and become due on the Series 2005 Bonds on the next ensuing annual principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2005 Bonds Sinking Fund and the next annual principal payment date is less than 12 months, then such monthly payment shall be increased proportionately to provide, prior to the next principal payment date, the required amount of principal coming due on such date.

(4) The City shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) for deposit in the Series 1998 A Bonds Reserve Account, the amount required by the Prior Ordinances; (ii) for deposit in the Series 2004 A Bonds Reserve Account, the amount required by the Prior Ordinances; and (iii) commencing August 1, 2005-eleven months prior the first date of payment of principal of the Series 2005 Bonds, if not fully funded upon issuance of the Series 2005 Bonds, for deposit in the Series 2005 Bonds Reserve Account, an amount equal to $1/120^{th}$ of the Series 2005 Bonds Reserve Requirement; provide that, no further payments shall be made into the Series 2005 Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2005 Bonds Reserve Requirement.

The City shall also, from the Revenue Fund, remit to the Commission on such dates or at such other times, as the Commission shall require, remit such additional sums as shall be necessary to pay the fiscal agency charges due for paying the 2005 Series Bonds and the interest thereon.

Moneys in the Sinking Fund shall be used only for the purposes of paying principal of and interest on the 2005 Series Bonds as the same shall become due.

The City shall not be required to make any further payments into the 2005 Series Bonds Sinking Fund on account of the Series 2005 Bonds when the aggregate amount of funds in the 2005 Series Bonds Sinking Fund, including the Reserve Account therein, is at least equal to the aggregate principal amount of Bonds issued pursuant to this Ordinance then outstanding, plus the amount of interest due or thereafter to become due on said Bonds then outstanding.

As and when additional Bonds ranking on a parity with the Series 2005 Bonds herein authorized are issued, provision shall be made for additional payments into said Sinking Fund sufficient to pay the principal of and interest on such additional parity Bonds and accomplish retirement thereof at or before maturity.

The payments into the Sinking Fund shall be made on the first day of each month, except that, when the first day of any month shall be a Sunday or legal holiday, then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Ordinance.

(5) Then from the moneys remaining in the Revenue Fund, the City shall next, each month pay into the 2005 Series Bonds Reserve Account, if a reserve account has been required by the Original Purchaser, an amount necessary to make up any deficiency in the 2005 Series Bonds Reserve Account Requirement, resulting from (i) the valuation of investments in the 2005 Series Bonds Reserve Account which results in a determination that the amount of moneys and the Value of the Qualified Investments deposited to the credit of the 2005 Series Bonds Reserve Account is less than the 2005 Series Bonds Reserve Account Requirement, or (ii) withdrawals from the 2005 Series Bonds Reserve Account, for deposit into the Sinking Fund, beginning with the first full calendar month following the event described in either clause (i) or (ii) above. Provided, that in no event shall the amount deposited into the 2005 Series Bonds Reserve Account in any month be less than, in the event the deficiency in the 2005 Series Bonds Reserve Account Requirement is due to a decrease in the value of the Qualified Investments therein in excess of 10% of such amount, an amount equal to 1/4th of the amount of such deficiency, and otherwise, an amount equal to 1/12th of the amount of the deficiency in the 2005 Series Bonds Reserve Account determined as set forth in clause (ii) above and the amount then withdrawn from the 2005 Series Bonds Reserve Account, as described in clause (ii) above (it being understood that any such 1/12th payment shall be made in such amount for 12 consecutive months unless the amount in the 2005 Series Bonds Reserve Account shall have been made equal to the 2005 Series Bonds Reserve Account Requirement prior to such twelfth consecutive month); and provided further, that no payments shall be required to be made into the 2005 Series Bonds Reserve Account whenever and as long as the amount deposited therein shall be equal to the 2005 Series Bonds Reserve Account Requirement.

(6) Thereafter, from the moneys remaining in said Revenue Fund, the City shall next, on the first day of each month commencing with the first month in which interest shall be payable from the Revenue Fund, if the Original Purchaser has required a Renewal and Replacement Fund, remit to the Depository Bank or the Commission for deposit in a special depreciation account, if a depreciation account has been required by the Original Purchaser, to be designated the "Renewal and Replacement Fund," which account is hereby established and created, a sum equal to two and one-half percent (2 1/2%) of the Revenues each month,

exclusive of any payments for the account of the 2005 Series Bonds Reserve Account in the Sinking Fund. All funds in said Renewal and Replacement Fund shall be kept apart from all other municipal funds and shall be invested and reinvested, at the direction of the City, in Qualified Investments to the fullest extent possible under applicable laws, this Ordinance and the need for such moneys for the purposes set forth below.

Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, enlargements, emergency repairs, improvements and extensions to the System; provided, that any deficiency occurring in the Reserve Accounts shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

(7) Whenever all of the required and provided transfers and payments from said Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in said Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid for operating expenses and into the Sinking Fund and the Renewal and Replacement Fund during the next succeeding three (3) months, such excess shall be considered as surplus Revenues. Said surplus revenues shall be first used for the acquisition and construction of extensions, improvements and betterments to the System, and, thereafter, to the extent not needed for such purposes, may be used to purchase Series 2005 Bonds upon the open market at not exceeding the then applicable redemption price or to call and redeem the Bonds on the next succeeding interest payment date or for any lawful purpose of the System.

(8) If on any monthly payment date the revenues of the System are insufficient to make the required deposits in any of the funds as hereinabove provided, the deficiency shall be made up on the next ensuing payment dates by payments in addition to the payments which are otherwise required to be made into the funds on such ensuing payment dates.

B. The Commission is hereby designated as the fiscal agent for the administration of the Sinking Fund created hereunder, and all amounts required for said Sinking Fund shall be remitted to the Commission from said Revenue Fund and from the proceeds of the sale of the Bonds, as provided in Article V hereof, by the City at the times provided herein. All remittances made by the City to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

C. The moneys on deposit in the Revenue Fund and the Renewal and Replacement Fund (unless remitted to the Commission) in excess of the sum insured by the maximum amounts insured by the FDIC shall at all times be secured, to the full extent thereof in excess of such insured sum, by Government Obligations or such other obligations as shall be eligible as security for deposits of State and municipal funds under the laws of the State of West Virginia.

D. The Commission shall invest the funds, if any, which it holds pursuant to this Ordinance, including the 2005 Series Bonds Reserve Account and the Renewal and Replacement Fund in the Sinking Fund, to the fullest possible extent so that all moneys shall be invested for the maximum possible period consistent with the tenor hereof.

E. Anything to the contrary herein notwithstanding, when the aggregate sum in the Sinking Fund, including the 2005 Series Bonds Reserve Account therein, is sufficient to pay and redeem all the Bonds Outstanding and all interest accrued and to accrue thereon and any applicable redemption premiums, the City shall cause all the Bonds to be paid or called and redeemed at the earliest practicable date permitted, pursuant to the provisions hereof as to redemption of Bonds.

ARTICLE V

Section 5.01. Application of the Series 2005 Bond Proceeds; Other Funds of the City.

A. All accrued interest received from the Original Purchaser of the Series 2005 Bonds shall be deposited in the Sinking Fund and used to pay the next maturing interest on the Series 2005 Bonds.

B. The amount of the Series 2005 Bond proceeds necessary, together with such funds of the City as are made available by the defeasance of the 1995A Bonds, to refund the Series 1995A Bonds, which amount shall be set forth in the Supplemental Resolution, shall be applied by the City pursuant to the provisions of the Escrow Agreement.

C. The remaining moneys derived from the sales of the Series 2005 Bonds shall be deposited by the City in the Costs of Issuance Account.

Section 5.03. Costs of Issuance Account. There is hereby created and established at the Depository Bank a special fund to be known as the "The City of Beckley Series 2005 Bonds Costs of Issuance Account," which account shall be kept separate and apart from all other funds of the City, and disbursed upon requisition by the City to pay Costs of Issuance approved by the Sanitary board. The moneys in said account shall be secured at all times by the deposit in such bank, as security, of Government Obligations having fair market value at least equal to the balance in said fund in excess of the amount insured by the FDIC. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to, such purposes, then such unapplied proceeds shall be deposited by the City in the Sinking Fund.

ARTICLE VI
ADDITIONAL COVENANTS OF THE CITY

Section 6.02. Section 6.01. General Covenants of the City. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the City and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Ordinance, the City hereby covenants and agrees with the Holders of the Bonds as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Bonds, or the interest thereon, is outstanding and unpaid.

Section 6.02. Bonds Not To Be Indebtedness of the City. The Bonds shall not constitute an indebtedness of the City within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the revenues of the System, or from the Reserve Account, as herein provided. No holder or holders of any Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the City to pay said Bonds or the interest thereon.

Section 6.03. Rates. Prior to the issuance of the Series 2005 Bonds, just and equitable rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and copies of such rates and charges so fixed and established shall at all times be kept on file in the office of the Sanitary Board and in the office of the City Clerk, each of which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce gross revenues from said System sufficient to pay operating expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the City hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be at least sufficient to provide for all reasonable operating expenses of the System and leave a balance each year equal to at least one hundred twenty percent (120%) of the maximum annual amount required to pay the interest on and principal of the Series 2005 Bonds and all other obligations secured by or payable from the revenues of the System prior to or on a parity with the Series 2005 Bonds as the same become due and accomplish retirement of all Series 2005 Bonds for the payment of which such revenues have or shall have been pledged, charged or otherwise encumbered. To the extent permitted by law, all such rates and charges, if not paid when due, shall constitute a lien upon the premises served by the System.

Section 6.04. Operation and Maintenance. The City will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the revenues of said System in the manner provided in this Ordinance.

Section 6.05. Sale of the System. The System may be sold, mortgaged, leased, or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient fully to pay or redeem at or prior to maturity all the Bonds outstanding. The proceeds from such sale, mortgage, lease or other disposition of the System shall immediately be remitted to the Commission for deposit in the Sinking Fund, and the City shall direct the Commission to apply such proceeds to the payment of principal and interest at the maturity of Series 2005 Bonds about to mature and to the redemption prior to maturity, at the earliest date permitted hereby and at the redemption price, of all other outstanding Series 2005 Bonds. Any balance remaining after the redemption or payment of all the Series 2005 Bonds and interest thereon shall be remitted to the City by the Commission unless necessary for the payment of other obligations of the City payable out of the revenues of the System.

The foregoing provision notwithstanding, the City shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefore is not in excess of ten thousand dollars ($10,000), the Sanitary Board shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the City

Council may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of ten thousand dollars ($10,000) but not in excess of one hundred thousand dollars ($100,000), the Sanitary Board shall first, in writing, determine with the written approval of a consulting engineer that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the City Council may then, if it be so advised, by resolution duty adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property, in excess of ten thousand dollars ($10,000) and not in excess of one hundred thousand dollars ($100,000), shall be remitted by the City to the Commission for deposit in the Sinking Fund and shall be applied only to the redemption of Series 2005 Bonds of the last maturities then Outstanding or to the purchase of Series 2005 Bonds of the last maturities then Outstanding at prices not greater than the redemption price of such Series 2005 Bonds. Such payments of such proceeds into the Sinking Fund or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Ordinance.

No sale, lease or other disposition of the properties of the System shall be made by the City if the proceeds to be derived therefrom shall be in excess of one hundred thousand dollars ($100,000) and insufficient to pay or redeem prior to maturity all the Series 2005 Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of sixty-six and two-thirds percent (66-2/3%) in amount of Series 2005 Bonds then Outstanding. The City shall prepare the form of such approval and consent for execution by the then Holders of the Series 2005 Bonds, for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.06. Issuance of Other Obligations payable out of Revenue and General Covenant Against Encumbrances. The City shall not issue any other obligations whatsoever, except pari passu additional Bonds provided for in Section 6.07 hereof, payable from the Revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such Revenues with the Series 2005 Bonds; and all obligations hereafter issued by the City payable from the Revenues of the System, except such additional Bonds shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such and in all other respects to the Bonds.

The City shall not create, or cause or permit to be created any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to said pari passu additional Series 2005 Bonds, being on a parity with the lien of the Series 2005 Bonds, and the interest thereon. upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Ordinance or upon the System or any part thereof.

Section 6.07. Additional Parity Bonds. No additional parity Bonds, as in this Section defined, payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant to this Ordinance, except under the conditions and in the manner herein provided.

All parity bonds issued hereunder shall be on a parity with the 2005 Series Bonds.

No such additional parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions, improvements and betterments to the System or refunding the entirety of one or more series of Bonds issued pursuant hereto, or both such purposes.

No such additional parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by Independent Accountants, based upon the necessary investigation and certification by a consulting engineer, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided, from the System during any twelve (12) consecutive months within the eighteen (18) months immediately preceding the date of the actual issuance of such additional parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the three (3) succeeding years after the completion of the improvements to be financed by such additional parity Bonds, shall not be less than one hundred twenty percent (120%) of the maximum annual amount which will mature and become due for principal of and interest in any succeeding year on the following:

(1) The Series 2005 Bonds then Outstanding;

(2) Any additional parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and

(3) The additional parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the three (3) succeeding years", as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from any increase in rates enacted by the City, the time for appeal of which shall have expired prior to the date of delivery of such additional parity Bonds, and shall not exceed the amount to be stated in a certificate of a consulting engineer, which shall be filed in the office of the City Clerk prior to the issuance of such additional parity Bonds, adjusted as provided in the following paragraph.

The Net Revenues actually derived from the System during the twelve (12) consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of a consulting engineer and the Independent Accountants as stated in a certificate jointly made and signed by a consulting engineer and the Independent Accountants, on account of increased rates, rentals, fees and charges for the System enacted by the City, the time for appeal of which shall have expired prior to issuance of such additional parity Bonds.

Not later than simultaneously with the delivery of such additional parity Bonds, the City shall have entered into written contracts for the immediate acquisition or construction of such extensions, improvements and betterments to the System which are to be financed by such additional parity Bonds.

The term "additional parity Bonds," as used in this Section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this Section, payable from the Revenues of the System on a parity with the Series 2005 Bonds, and all the covenants and other provisions of this Ordinance (except as to details of such additional parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2005 Bonds and the Holders of any additional parity Bonds subsequently issued from time to time within the limitations of and in compliance with this Section. All the Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Revenues of the System, and their source of and security for payment from said Revenues, without preference of any Bond over any other. The City shall comply fully with all the increased payments into the various funds created in this Ordinance required for and on account of such additional Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Ordinance.

The term "additional parity Bonds," as used in this Section, shall not be deemed to include any bonds, notes, certificates or other obligations subsequently issued, the lien of which on the Revenues of the System is subject to the prior and superior lien of the Bonds on such revenues. The City shall not issue any obligations whatsoever payable from the Revenues of the System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such Revenues, with the Bonds except in the manner and under the conditions provided in this Section.

No additional parity Bonds, as in this Section defined, shall be issued at any time, however, unless all the payments into the respective funds and accounts provided for in this Ordinance on account of the Bonds then Outstanding, and any other payments provided for in this Ordinance shall have been made in full as required to the date of delivery of the additional parity Bonds.

The City may issue additional parity Bonds without compliance with any other conditions for the purpose of refunding prior to maturity any series of the Bonds, provided that the annual debt service required on account of the refunding Bonds and the Bonds which are not refunded shall not be greater in any year in which the Bonds not refunded and the refunding Bonds are to be Outstanding than the annual debt service required in such year if the Bonds to be refunded were not so refunded.

Section 6.08. Insurance. The City will carry such insurance and in such amounts as is customarily carried with respect to works and properties similar to the System, with a reputable insurance carrier or carriers, against loss or damage by fire, explosion, hurricane, earthquake, cyclone, occupancy or other hazard and risks. The City will require that each of its contractors and all subcontractors maintain, during the life of any construction contract, workers' compensation coverage, public liability insurance, property damage insurance and vehicle liability insurance. In time of war, the City shall also carry in said amount such insurance as may be available against loss or damage by the risks and hazards of war. The proceeds of all such insurance policies shall be disposed of as provided in this Ordinance and otherwise shall be placed in the Renewal and Replacement Fund and used only for the repair and restoration of the damaged or destroyed properties or for the other purposes provided herein for said Renewal and Replacement Fund- The City will also carry liability insurance for damage or injury to persons or

property in amounts adequate for such purposes and customarily carried with respect to works and properties similar to the System.

Section 6.9. Mandatory Connections. To the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto.

Section 6.10. Consulting Engineer. The City will retain a recognized, qualified independent consulting engineer on a biannual basis to supervise generally the operation, maintenance and repair of the System and to report biannually to the City in writing their recommendations and comments as to the System. Such biannual report of a consulting engineer, or a summary thereof, shall be made available at reasonable times to any Bondholder requesting the same.

Section 6.11. Services Rendered to the City. The City will not render or cause to be rendered any free services of any nature by its System; and, in the event the City or any department, agency, instrumentality, officer or employee of the City shall avail itself or himself or herself of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the City and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the City shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.12. Enforcement of Collections. The City will diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System and take all steps, actions and proceedings for the enforcement and collection of such fees, rates, rentals or other charges that shall become delinquent to the full extent permitted or authorized by the laws of the State of West Virginia. To the extent permitted by law, all such rates and charges, if not paid when due, shall become a lien on the premises served by the System.

Whenever any rates, rentals or charges for the services or facilities of the System, or a Part thereof, shall remain unpaid for a period of thirty (30) days after the same shall become due and payable, the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. The City further covenants and agrees that it will, to the full extent permitted by law, and any rules and regulations Promulgated by the Public Service Commission of West Virginia applicable thereto, discontinue and shut off the sewerage services and facilities of the System and in the event the City owns a water facility (the "Water System"), the Water System to all delinquent users of the services and facilities of the System, and will not restore either water or sewerage services of the System or the Water System until all delinquent charges for the service and facilities of the System, plus reasonable interest penalty charges for the restoration of service, have been fully paid.

Section 6.13. No Competing Franchise. To the extent allowed by law, the City will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation or body or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.14. Books and Records. The City will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the City, in which complete and correct- entries shall be made of all transactions relating to the System, and any holder of a Bond or Bonds issued pursuant to this Ordinance shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the City relating thereto.

The accounting system for the System shall follow currently accepted accounting practices in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the City. Section 6.15. Initial Schedule of Rates. The rates, fees and other charges for the use of the services and facilities of the System established under an ordinance of the City enacted on or before the date of the adoption or enactment of a resolution or ordinance adopted or enacted in connection with the sale of the Series 2005 Bonds as provided herein shall constitute the initial schedule of rates for the System for purposes of this Ordinance.

Section 6.16. Operating Budget. The Sanitary Board shall annually, at least forty-five (45) days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefore in such budget without a written finding and recommendation by a consulting engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased

expenditures shall be made until the Sanitary Board shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of ten percent (10%) of the amount of such budget shall be made except upon the further certificate of a consulting engineer that such increased expenditures are necessary for the continued operation of the System. The City shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to any Bondholder who shall file his or her address with the City and request in writing that copies of any such budgets and resolutions be furnished him or. her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Bondholder or anyone acting for and in behalf of such Bondholder.

Section 6.18. Public Purpose Series 2005 Bonds. The System will be solely operated for a public purpose and as a local governmental activity of the City.

Section 6.19. Private Activity Bonds. The City shall not permit at any time or times any of the proceeds of the Series 2005 Bonds or any other funds of the City to be used directly or indirectly in a manner which would result in the exclusion of the Series 2005 Bonds from the treatment afforded by Section 103(a) of the Code by reason of the classification of the Series 2005 Bonds as "private activity bonds" within the meaning of the Code. The City will take all actions necessary to comply with the Code in order to assure the tax-exempt status of the Series 2005 Bonds.

Section 6.20. Filings. The City will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2005 Bonds, including, without limitation, the information return required under Section 149(e) of the Code.

BE IT ORDAINED AND ENACTED BY THE COMMON COUNCIL OF THE CITY OF BECKLEY:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

SECTION 1.01. AUTHORITY FOR THIS ORDINANCE.

This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 16, Article 13 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law.

SECTION 1.02. FINDINGS.

It is hereby found, determined and declared that:

A. The City of Beckley (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Raleigh County of said State.

B. The Issuer presently owns and operates a public sanitary sewerage collection and treatment system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain additions, betterments and improvements for the existing sewerage facilities of the Issuer consisting of the replacement

of approximately six (6) miles of interceptor sewer line in the Piney Creek area of Beckley to reduce inflow and infiltration, and relieve hydraulic overloading along said line. The new sewer will consist of pipe 18 to 30 inches in diameter and replaces old pipe from 12 to 24 inches in diameter. The new sewer will extend from the wastewater treatment plant along Piney Creek and Whitestick Creek through the unincorporated community of Raleigh and the Town of Mabscott to its terminus near Crescent Road, Beckley, West Virginia and other various upgrades and repairs (collectively, the "Project") which constitute properties for the collection and treatment of wastewater (the existing sewerage system facilities of the Issuer, the Project and any further additions thereto or extensions thereof is herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have been approved by the Issuer.

C. The Issuer intends to issue its Sewerage System Revenue Bonds, Series 2004 A, in order to pay the remaining costs of the Project, to provide funds to reimburse itself for costs previously incurred and to pay the costs of issuance of the Series 2004 A Bonds.

D. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all the costs of the operation and maintenance of said System, the principal of and interest on the Bonds and all funds and accounts and other payments provided for herein, all as such terms are hereinafter defined.

E. It is deemed necessary for the Issuer to issue its Sewerage System Revenue Bonds, Series 2004 A, in the total aggregate principal amount of not more than $11,000,000.00 (the "Series 2004 A Bonds"). The proceeds of the Series 2004 A Bonds will used to finance certain costs for the construction and acquisition of the Project and to reimburse the Issuer for certain costs already incurred. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest upon the Bonds prior to and during construction or acquisition and for a period not exceeding 6 months after completion of construction of the Project; amounts which may be deposited in the Reserve Accounts; engineering, and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees of the Authority (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the construction or acquisition of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Bonds or the repayment of indebtedness incurred by the Issuer for such purposes, shall be deemed Costs of the Project, as hereinafter defined.

F. The Issuer intends to finance such costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority") in connection with West Virginia Water Pollution Control Revolving Fund Program (the "SRF Program"), pursuant to the Act, in order to take advantage of the favorable terms available to the Issuer under the SRF Program.

G. The period of usefulness of the System after completion of the Project is not less than 20 years.

H. It is in the best interests of the Issuer that its Series 2004 A Bonds be sold to the Authority (as hereinafter defined) pursuant to the terms and provisions of a loan agreement to be entered into by and among the Issuer, the Authority and the West Virginia Department of Environmental Protection ("DEP"), in form satisfactory to the Issuer, the Authority and the DEP, as shall be approved herein.

I. The Series 2004 A Bonds shall be issued on a parity with the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects. The Issuer has met the parity and coverage requirements of the Prior Bonds and the Prior Ordinances. Prior to the issuance of the Series 2004 A Bonds, the Issuer will obtain (i) a certificate of an Independent Certified Public Accountant stating that the parity and coverage tests of the Prior Bonds have been met and (ii) the written consent of the Registered Owners of the Prior Bonds (except the Series 1995A Bonds) to the issuance of the Series 2004 A Bonds on a parity with the Prior Bonds. The Issuer is not required to obtain the parity consent of the Registered Owners of the Series 1995 A Bonds.

The Series 2004 A Bonds shall be issued senior and prior to the Notes with respect to liens, pledge and source of and security for payment and in all other respects. Other than the Prior Bonds and the Notes, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

J. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the construction, acquisition and operation of the Project and issuance of the Bonds, or will have so complied prior to issuance of any thereof, including obtaining of a Certificate of Convenience and Necessity from the Public Service Commission of West Virginia.

K. Pursuant to the Act, the Issuer has heretofore established a Sanitary Board, and the Sanitary Board has petitioned the Council to issue the Series 2004 A Bonds for the purposes set forth herein.

M. The Project has been approved by the West Virginia Infrastructure and Jobs Development Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended, or is grandfathered from review thereby.

SECTION 1.03. BOND LEGISLATION CONSTITUTES CONTRACT.

In consideration of the acceptance of the Bonds by those who shall be the registered owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and

other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided.

(1) The Issuer shall first, each month, pay from the Revenue Fund, all current Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) for deposit in the Series 1995 A Bonds Sinking Fund, the amount required by the Prior Ordinances to pay the interest on the Series 1995 A Bonds; (ii) for deposit in the Series 1998 A Bonds Sinking Fund, the amount required by the Prior Ordinances to pay the interest on the Series 1998 A Bonds; and (iii) commencing 3 months prior to the first date of payment of interest on the Series 2004 A Bonds, for which interest has not been capitalized or as required in the Loan Agreement, for deposit in the Series 2004 A Bonds Sinking Fund, an amount equal to $1/3^{rd}$ of the amount of interest which will become due on the Series 2004 A Bonds on the next ensuing quarterly interest payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2004 A Bonds Sinking Fund and the next quarterly interest payment date is less than 3 months, then such monthly payment shall be increased proportionately to provide, 1 month prior to the next quarterly interest payment date, the required amount of interest coming due on such date.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) for deposit in the Series 1995 A Bonds Sinking Fund, the amount required by the Prior Ordinances to pay the principal of the Series1995 A Bonds; (ii) for deposit in the Series 1998 A Bonds Sinking Fund, the amount required by the Prior Ordinances to pay the principal of the Series 1998 A Bonds; and (iii) commencing 3 months prior to the first date of payment of principal of the Series 2004 A Bonds, for deposit in the Series 2004 A Bonds Sinking Fund, an amount equal to $1/3^{rd}$ of the amount of principal which will mature and become due on the Series 2004 A Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2004 A Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payment shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) for deposit in the Series 1995 A Bonds Reserve Account, the amount required by the Prior Ordinances; (ii) for deposit in the Series 1998 A Bonds Reserve Account, the amount required by the Prior Ordinances; and (iii) commencing 3 months prior to the first date of payment of principal of the Series 2004 A Bonds, if not fully funded upon issuance of the Series 2004 A Bonds, for deposit in the Series 2004 A Bonds Reserve Account, an amount equal to $1/120^{th}$ of the Series 2004 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2004 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2004 A Bonds Reserve Requirement.

(5) From the moneys remaining in the Revenue Fund, the Issuer shall next, on the first day of each month, transfer to the Renewal and Replacement Fund a sum equal to 2½% of the Gross Revenues each month as previously set forth in the Prior Ordinances and not in addition thereto, exclusive of any payments into the Reserve Accounts. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

Moneys in the Series 2004 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2004 A Bonds as the same shall become due. Moneys in the Series 2004 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest on the Series 2004 A Bonds, as the same shall come due, when other moneys in the Series 2004 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 2004 A Bonds Sinking Fund and the Series 2004 A Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Bond Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Series 2004 A Bonds Sinking Fund and applied to the next ensuing interest payments, if any, due on the Series 2004 A Bonds, and then to the next ensuing principal payments due thereon.

Any withdrawals from the Series 2004 A Bonds Reserve Account which result in a reduction in the balance of the Series 2004 A Bonds Reserve Account to below the Series 2004 A Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments set forth in Section 4.03(A)(2) above have been made in full.

As and when additional Bonds ranking on a parity with the Bonds are issued, provision shall be made for additional payments into the respective Sinking Fund sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective Reserve Account in an amount equal to the requirement thereof.

The Issuer shall not be required to make any further payments into the Series 2004 A Bonds Sinking Fund or into the Series 2004 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2004 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the maturity thereof.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2004 A Bonds Sinking Fund and the Series 2004 A Bonds Reserve Account, and all amounts required for such accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority, the Issuer shall make the necessary arrangements whereby required payments into such accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates hereunder.

Moneys in the Series 2004 A Bonds Sinking Fund and the Series 2004 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 7.01 hereof.

The Series 2004 A Bonds Sinking Fund and the Series 2004 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2004 A Bonds Outstanding under the conditions and restrictions herein set forth.

Interest, principal or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2004 A Bonds and the Prior Bonds, in accordance with the respective principal amounts then Outstanding.

A. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payments, and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

B. The Issuer shall also on the first day of each month (if the first day is not a business day, then the first business day of each month), commencing with the payment set forth in Section 5.03.A.(2) hereof, remit to the Commission the SRF Administrative Fee set forth in the Schedule Y attached to the Loan Agreement.

C. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in said Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

D. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement as Exhibit F, and submit a copy of said form along with a copy of its check to the Authority by the 5th day of each calendar month.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar or the Depository Bank, on such dates as the Commission, the Registrar or the Depository Bank, as the case may be, shall require such additional sums as shall be necessary to pay their respective charges then due. The Issuer shall also remit from the Revenue Fund to the Authority, on such

dates as the Authority shall require, the Issuer's allocable share of reasonable administrative expenses, if any, incurred by the Authority with respect to the SRF Program.

F. The moneys in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates.

H. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE V

BOND PROCEEDS

SECTION 5.01. APPLICATION OF SERIES 2004 A BOND PROCEEDS; PLEDGE OF UNEXPENDED BOND PROCEEDS.

From the moneys received from the sale of the Series 2004 A Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 2004 A Bonds, there shall first be deposited with the Commission in the Series 2004 A Bonds Sinking Fund, the amount, if any, set forth in the Supplemental Resolution as capitalized interest.

B. Next, from the proceeds of the Series 2004 A Bonds, there shall be deposited with the Commission in the Series 2004 A Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding the Series 2004 A Bonds Reserve Account.

C. As the Issuer receives advances of the remaining moneys derived from the sale of the Series 2004 A Bonds, such moneys shall be deposited with the Depository Bank in the Series 2004 A Bonds Construction Trust Fund and applied solely to payment of the costs of the Project in the manner set forth in Section 5.02 hereof and until so expended, are hereby pledged as additional security for the Series 2004 A Bonds.

D. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2004 A Bonds shall be expended as approved by the DEP.

SECTION 5.02. DISBURSEMENTS FROM THE BOND CONSTRUCTION TRUST FUND.

On or before the Closing Date, the Issuer shall have delivered to the DEP and the Authority a report listing the specific purposes for which the proceeds of the Series 2004 A Bonds will be expended and the disbursement procedures for such proceeds, including a estimated monthly draw schedule. Payments for Costs of the Project shall be made monthly.

Except as provided in Section 5.01 hereof, disbursements from the Bond Construction Trust Fund shall be made only after submission to, and approval from the Authority and DEP of the following:

(1) a completed and signed "Payment Requisition Form," a form of which is attached to the Loan Agreement as Exhibit C, in compliance with the construction schedule, and

(2) a certificate signed by an Authorized Officer and the Consulting Engineers, stating:

(A) That none of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(B) That each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(C) That each of such costs has been otherwise properly incurred; and

(D) That payment for each of the items proposed is then due and owing, or that Issuer or the Sanitary Board has previously paid such item in connection with the Project is being reimbursed for such payment.

Pending such application, moneys in the Bond Construction Trust Fund, including any accounts therein, shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

SECTION 6.01. GENERAL COVENANTS OF THE ISSUER.

All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Bonds as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Bonds or the interest thereon is Outstanding and unpaid.

SECTION 6.02. BONDS NOT TO BE INDEBTEDNESS OF THE ISSUER.

The Bonds shall not be nor constitute a corporate indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay said Bonds or the interest thereon.

SECTION 6.03. BONDS SECURED BY PLEDGE OF NET REVENUES.

The payment of the debt service of the Series 2004 A Bonds shall be secured by a first lien on the Net Revenues derived from the operation of the System, on a parity with the liens on the Net Revenues in favor of the holders of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest on the Bonds and to make the payments into the Sinking Funds and the Reserve Accounts, and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as the same become due, and for the other purposes provided in the Bond Legislation.

SECTION 6.04. INITIAL SCHEDULE OF RATES AND CHARGES.

The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement. The Issuer has enacted a rate ordinance on January 27, 2004, and such rates are incorporated herein by reference as a part hereof.

So long as the Series 2004 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions

necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2004 A Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

SECTION 6.05. SALE OF THE SYSTEM.

Except as otherwise required by law or with the consent of the DEP and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds Outstanding in accordance with Section 9.01 hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Bonds, immediately be remitted to the Commission for deposit in the Sinking Funds, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal at maturity of and interest on the Bonds. Any balance remaining after the payment of all the Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $25,000, the Sanitary Board shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $25,000 but not in excess of $50,000, the Sanitary Board shall first, in writing determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property, aggregating during such Fiscal Year in excess of $25,000 and not in excess of $50,000, shall be deposited in the Renewal and Replacement Fund. Such payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be

derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

SECTION 6.06. ISSUANCE OF OTHER OBLIGATIONS PAYABLE OUT OF REVENUES AND GENERAL COVENANT AGAINST ENCUMBRANCES.

Except as provided in this Section 6.06 and in Section 6.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Bonds; provided, however, that additional Bonds on a parity with the Bonds may be issued as provided for in Section 6.07 hereof. All obligations issued by the Issuer after the issuance of the Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts at the time of the issuance of such subordinate obligations have been made and are current. The Notes are expressly subordinate to the foregoing Bonds and shall only be entitled to payment so long as the foregoing Bonds are current in their payments.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System from any grants for the Project, or any other obligations related to the Project or the System.

SECTION 6.07. PARITY BONDS.

So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided and with the written consent of the Authority and the DEP.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the design, construction or acquisition of extensions, improvements or betterments to the System or refunding one or more series of Bonds issued pursuant hereto, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Recorder a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates enacted by the Issuer, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Recorder prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Net Revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and

superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

SECTION 6.08. BOOKS AND RECORDS.

The Issuer shall keep complete and accurate records of the cost of acquiring the Project Site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the DEP such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the DEP, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing System, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Authority and the DEP, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of Bonds requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation with respect to said Bonds and the status of all said funds and accounts.

(C) The amount of any Bonds or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular or any successor thereof and the Single Audit Act or any successor thereof and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of Bonds and shall submit said report to the Authority and DEP, or any other original purchaser of the Bonds. Such audit report submitted to the Authority and DEP shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Loan Agreement and this Bond Legislation and that revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for 2 years following completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement as Exhibit B, and forward a copy to the Authority and DEP by the 10th day of each month.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall provide the DEP with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in Exhibit E of the Loan Agreement or as promulgated from time to time.

The Issuer shall permit the Authority or the DEP, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Authority and the DEP, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the DEP with respect to the System pursuant to the Act.

SECTION 6.09. RATES.

So long as the Series 1995 A Bonds, the Series 1998 A Bonds and the Series 2004 A Bonds are outstanding, the City shall maintain rates and charges for the use of the System consistent with the requirements of the ordinances authorizing the issuance of such bonds.

Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Recorder, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all reasonable expenses of operation, repair and maintenance of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds; provided that, in the event an amount equal to or in excess of the Reserve Requirement is on deposit in the Reserve Account and reserve accounts for obligations prior to or on a parity with the Bonds are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds. In any event, subject to any requirements of law, the Issuer shall not reduce the rates and charges for services set forth in the rate ordinance described in the Section 6.04 hereof.

SECTION 6.10. OPERATING BUDGET.

The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and DEP within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual

budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority, the DEP and to any Holder of any Bonds, who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority, the DEP and any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

SECTION 6.11. NO COMPETING FRANCHISE.

To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

SECTION 6.12. ENGINEERING SERVICES AND OPERATING PERSONNEL.

The Issuer shall obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the DEP, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the DEP is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the DEP covering the supervision and inspection of the development and construction of the Project and bearing responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the DEP and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the

operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

SECTION 6.15. INSURANCE AND CONSTRUCTION BONDS.

The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide – prone areas and to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Sanitary Board having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall also require all contractors engaged in the construction of the Project to carry such workers compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project, provided that the amounts and terms of such coverage are satisfactory to the Authority and the DEP. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the DEP, the Issuer, the prime contractor and all subcontractors, as their interests may appear. The Issuer shall verify such insurance prior to commencement of construction.

The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount at least equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verity such bonds prior to commencement of construction.

SECTION 6.16. COMPLETION OF PROJECT.

The Issuer will complete the Project as promptly as possible and operate and maintain the System in good condition and in compliance with all federal and state requirements and standards.

The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project, and all orders and approvals from the Public Service Commission of West Virginia and the West Virginia Infrastructure and Jobs Development Council necessary for the acquisition and construction of the Project and the operation of the System and all approvals for issuance of the Series 2004 A Bonds required by State law, with all requisite appeals having expired without successful appeal.

SECTION 6.17. TAX COVENANTS.

The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2004 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Bonds during the term thereof is, under the terms of the Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be

derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Bonds during the term thereof is, under the terms of the Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% or $5,000,000 of the Net Proceeds of the Series 2004 A Bonds are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2004 A Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take any and all actions that may be required of it (including those deemed necessary by the Authority) so that the interest on the Series 2004 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions, or fail to take any actions (including those determined by the Authority) which would adversely affect such exclusion.

regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30 day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

SECTION 6.19. COMPLIANCE WITH LOAN AGREEMENT AND LAW.

The Issuer shall perform, satisfy and comply with all the terms and conditions of the Loan Agreement. Notwithstanding anything herein to the contrary, the Issuer will provide the DEP with copies of all documents submitted to the Authority.

The Issuer also agrees to comply with all applicable laws, rules and regulations issued by the Authority, the DEP or other State, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

SECTION 6.20. SECURITIES LAWS COMPLIANCE.

The Issuer shall provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

ARTICLE VII

INVESTMENT OF FUNDS; NON ARBITRAGE

SECTION 7.01. INVESTMENTS.

Any moneys held as a part of the funds and accounts created by this Bond Legislation, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 7.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Bonds are Outstanding.

SECTION 7.02. ARBITRAGE.

The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 2004 A Bonds in such manner and to such extent as may be necessary, in view of the Issuer's reasonable expectations at the time of issuance of the Series 2004 A Bonds, so that the Series 2004 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return with respect to the Series 2004 A Bonds) so that the

interest on the Series 2004 A Bonds will be and remain excluded from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

SECTION 7.03. TAX CERTIFICATE AND REBATE.

The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Bonds as may be necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds and fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of the Ordinance.

If it is determined that the Issuer does not qualify for an exception to Section 148 of the Code or the Issuer is otherwise subject to rebate in connection with the Bonds, the Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, unless otherwise agreed by the Authority, the Issuer shall deposit, or cause to be deposited, with the Depository Bank in a separate fund designated the Rebate Fund, such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder, if any, and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be from time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. In addition, the Issuer shall cooperate with the Authority in preparing rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer. The Issuer may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 7.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 7.03 in accordance with the requirements of Section 148(f) of the Code. In the event the Issuer fails to make such rebates as required, the

Issuer shall pay the required rebate amount and all interest, penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, and take any other actions necessary, in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation and certificate with respect thereto of, if the Issuer qualifies for the small governmental issue exception to rebate or any other exception therefrom, then the Issuer shall submit to the Authority a certificate stating that it is exempt from such rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Bonds subject to rebate. The Issuer shall also furnish to the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority, including information with respect to earnings on all funds constituting "gross proceeds" of the Bonds (as such term "gross proceeds" is defined in the Code).

ARTICLE VIII

DEFAULT AND REMEDIES

SECTION 8.01. EVENTS OF DEFAULT.

Each of the following events shall constitute an "Event of Default" with respect to the Series 2004 A Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest on the Series 2004 A Bonds; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2004 A Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2004 A Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, Registrar or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

SECTION 8.02. REMEDIES.

Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided however, that all rights and remedies of the holders of the Series 2004 A Bonds shall be on a parity with those of the Prior Bonds.

SECTION 8.03. APPOINTMENT OF RECEIVER.

Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds any Registered Owner of a Bond shall,

in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for Reserve, Sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE IX

PAYMENT OF BONDS

SECTION 9.01. PAYMENT OF BONDS.

If the Issuer shall pay or there shall otherwise be paid, to the Registered Owners of the Series 2004 A Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Net Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 2004 A Bonds shall thereupon cease, terminate and become void and be discharged and satisfied, except as may otherwise be necessary to assure the exclusion of interest on the Series 2004 A Bonds from gross income for federal income tax purposes.

ARTICLE X

No amendment or modification shall be made that would reduce the percentage of the principal amount of Bonds required for consent to the above-permitted amendments or modifications. Notwithstanding the foregoing, this Bond Legislation may be amended without the consent of any Bondholder as may be necessary to assure compliance with Section 148(f) of the Code relating to rebate requirements or otherwise as may be necessary to assure the excludability of interest on the Bonds from gross income of the holders thereof.

BE IT ORDAINED AND ENACTED BY THE COMMON COUNCIL OF THE CITY OF BECKLEY:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

SECTION 1.01. AUTHORITY FOR THIS ORDINANCE.

This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law.

SECTION 1.02. FINDINGS.

It is hereby found, determined and declared that:

A. The City of Beckley (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Raleigh County of said State.

B. The Issuer presently owns and operates a public sanitary sewerage collection and treatment system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be designed and constructed certain additions, betterments and improvements for the existing sewerage facilities of the Issuer consisting of upgrading the existing Wastewater Treatment Plant, upgrading the Whitestick Pump Station, replacing the

existing Pinecrest Interceptor line and other various upgrades and repairs (the "Project") which constitute properties for the collection and treatment of wastewater (the existing sewerage system facilities of the Issuer, the Project and any further additions thereto or extensions thereof is herein called the "System") at an estimated cost of $10,300,000.00, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have been approved by the Issuer.

C. By ordinance enacted February 13, 1996, and effective March 12, 1996, the Issuer issued its Revenue Finance Anticipation Notes, Series 1996 A (the "Series 1996 A Notes"), in the principal amount of $1,500,000.00 to provide funds to finance temporarily the costs of the preliminary design of the Project.

D. The Issuer intends to issue its Sewerage System Revenue Bonds, Series 1997 A, in order to pay the costs of the Project, to pay the amount outstanding on the 1996 Series A Notes, to provide funds to reimburse itself for costs previously incurred and to pay the costs of issuance of the Series 1997 A Bonds

E. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all the costs of the operation and maintenance of said System, the principal of and interest on the Bonds and all Sinking Fund, Reserve Account and other payments provided for herein, all as such terms are hereinafter defined.

F. It is deemed necessary for the Issuer to issue its Sewerage System Revenue Bonds Series 1997 A in the total aggregate principal amount of not more than $11,000,000.00 (the "Series 1997 A Bonds"). The proceeds of the Series 1997 A Bonds will used to finance certain costs for the construction and acquisition of the Project, to repay the amount outstanding on the Series 1996 A Notes and to reimburse the Issuer for certain costs already incurred. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest upon the Bonds prior to and during construction or acquisition and for a period not exceeding 6 months after completion of construction of the Project; amounts which may be deposited in the Reserve Accounts; engineering, and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees of the Authority (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the construction or acquisition of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Bonds or the repayment of indebtedness incurred by the Issuer for such purposes, shall be deemed Costs of the Project, as hereinafter defined.

G. The Issuer intends to finance such costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority

the "Authority") in connection with West Virginia Water Pollution Control Revolving Fund Program (the "SRF Program"), pursuant to the Act, in order to take advantage of the favorable terms available to the Issuer under the SRF Program.

H. The period of usefulness of the System after completion of the Project is not less than 20 years.

I. It is in the best interests of the Issuer that its Series 1997 A Bonds be sold to the Authority (as hereinafter defined) pursuant to the terms and provisions of a loan agreement to be entered into by and among the Issuer, the Authority and the West Virginia Division of Environmental Protection, a division of the West Virginia Bureau of the Environment ("DEP"), in form satisfactory to the Issuer, the Authority and the DEP, as shall be approved herein.

J. Other than the Series 1995 A Bonds, as defined herein, there is not outstanding any obligations of the Issuer which will rank prior to or on a parity with the Bonds as to lien and source of and security for payment. The Series 1995 A Bonds and the Series 1997 A Bonds shall be secured by a first lien on the revenues of the System, which lien shall be shared on a proportionate basis between each series of bonds.

K. The Issuer has complied with all requirements of West Virginia law relating to authorization of the construction, acquisition and operation of the Project and issuance of the Bonds, or will have so complied prior to issuance of any thereof, including obtaining of a Certificate of Convenience and Necessity from the Public Service Commission of West Virginia.

L. Pursuant to the Act, the Issuer has heretofore established a Sanitary Board, and the Sanitary Board has petitioned the Council to issue the Series 1997 A Bonds for the purposes set forth herein.

M. The Project has been approved by the West Virginia Infrastructure and Jobs Development Counsel as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended, or is grandfathered from review thereby.

SECTION 1.03. BOND LEGISLATION CONSTITUTES CONTRACT.

In consideration of the acceptance of the Bonds by those who shall be the registered owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the registered owners of any and all of such Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond of a series and any other Bonds of the same series, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

SECTION 1.04. DEFINITIONS.

The following terms shall have the following meanings herein unless the context expressly requires otherwise:

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

SECTION 6.01. GENERAL COVENANTS OF THE ISSUER.

All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Bonds as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Bonds or the interest thereon is Outstanding and unpaid.

SECTION 6.02. BONDS NOT TO BE INDEBTEDNESS OF THE ISSUER.

The Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any

nds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay ...d Bonds or the interest thereon.

SECTION 6.03. BONDS SECURED BY PLEDGE OF NET REVENUES.

The payment of the debt service of the Series 1997 A Bonds issued hereunder and Series 1995 A Bonds heretofore issued shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the operation of the System. The revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Bonds and to make the payments into the Sinking Funds, including the Reserve Accounts therein, and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to the payment of the principal of and interest on the Bonds as the same become due, and for the other purposes provided in the Bond Legislation.

SECTION 6.04. INITIAL SCHEDULE OF RATES AND CHARGES.

The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the ordinance of the Issuer enacted September 23, 1997.

SECTION 6.05. SALE OF THE SYSTEM.

Except as otherwise required by law, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds Outstanding, or to effectively defease this Bond Legislation in accordance with Section 9.01 hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Bonds, immediately be remitted to the Commission for deposit in the Sinking Funds, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal at maturity of and interest on the Bonds. Any balance remaining after the payment of all the Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $25,000, the Sanitary Board shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such ...le, lease or other disposition of said property, together with all other amounts received during

the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $25,000 but not in excess of $50,000, the Sanitary Board shall first, in writing determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property, aggregating during such Fiscal Year in excess of $25,000 and not in excess of $50,000, shall with the written consent of the Authority, be remitted by the Issuer to the Commission for deposit in the Sinking Fund and shall be applied only to the purchase of Bonds of the last maturities then Outstanding at prices not greater than the par value thereof plus 3% of such par value or otherwise. Such payment of such proceeds into the Sinking Fund or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of over 50% in amount of the Bonds then Outstanding and the Consulting Engineers. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

SECTION 6.06. ISSUANCE OF OTHER OBLIGATIONS PAYABLE OUT OF REVENUES AND GENERAL COVENANT AGAINST ENCUMBRANCES.

Except as provided in this Section 6.06 and in Section 6.07B, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Bonds; provided, however, that additional Bonds on a parity with the Bonds may be issued as provided for in Section 6.07 hereof. All obligations issued by the Issuer after the issuance of the Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 1995 A Bonds and the Series 1997 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into the Sinking Funds, Reserve Accounts and the Renewal and Replacement Fund at the time of the issuance of such subordinate obligations have been made and are current.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System from any grants for the Project, or any other obligations related to the Project or the System.

SECTION 6.07. PARITY BONDS.

A. No Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided and with the written consent of the Authority and the DEP.

So long as the Series 1995 A Bonds are outstanding, no parity bonds shall issued except in conformity with the requirements of both the ordinance authorizing the Series 1995 A Bonds and this Ordinance.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of extensions, improvements or betterments to the System or refunding one or more series of Bonds issued pursuant hereto, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Authority and the Bank a written statement by the Independent Certified Public Accountants, based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineers, which shall be filed in the office of the Recorder prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Consulting Engineers and the said Independent Certified Public Accountants, as stated in a certificate jointly made and signed by the Consulting Engineers and said Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

Not later than simultaneously with the delivery of such Parity Bonds, the Issuer shall have entered into written contracts for the immediate construction or acquisition of such additions, betterments or improvements, if any, to the System that are to be financed by such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 1997 A Bonds and the Series 1995 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 1997 A Bonds or the Series 1995 A Bonds.

SECTION 7.01. INVESTMENTS.

Any moneys held as a part of the funds and accounts created by this Bond Legislation, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 7.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account.

The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Bonds are Outstanding.

SECTION 7.02. ARBITRAGE.

The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 1997 A Bonds in such manner and to such extent as may be necessary, in view of the Issuer's reasonable expectations at the time of issuance of the Series 1997 A Bonds, so that the Series 1997 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return with respect to the Series 1997 A Bonds) so that the interest on the Series 1997 A Bonds will be and remain excluded from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

SECTION 7.03. REBATE OF EXCESS INVESTMENT EARNINGS TO THE UNITED STATES.

In accordance with the rebate requirements of Section 148(f) of the Code, the Issuer shall take the following actions:

A. CREATION OF FUNDS. There are hereby created, to be held by the Depository Bank as separate funds distinct from all other funds and accounts held by the Depository Bank under this Bond Legislation, the Earnings Fund and the Rebate Fund. All interest earnings and profits on amounts in all funds and accounts established under this Bond Legislation, other than (i) interest earnings and profits on any funds referenced in Subsection C(5) of this Section if such earnings in any Bond Year are less than $100,000, (ii) interest earnings and profits on amounts in funds and accounts which do not constitute Gross Proceeds, and (iii) interest earnings and profits on the Rebate Fund shall, upon receipt by the Depository Bank, be deposited in the Earnings Fund. In addition, all interest earnings and profits on Gross Proceeds in funds held by the Issuer shall, upon receipt, be paid to the Depository Bank for deposit in the Earnings Fund. Annually, on or before the 30th day following the end of each Bond Year or on the preceding business day

In the event that such last day is not a business day, or such earlier date as may be required under the Code, the Depository Bank shall transfer from the Earnings Fund to the Rebate Fund for purposes of ultimate payment to the United States an amount equal to Excess Investment Earnings, all as more particularly described in this Section. Following the transfer referenced in the preceding sentence, the Depository Bank shall transfer all amounts remaining in the Earnings Fund to be used for the payment of Debt Service on the next interest payment date and for such purpose, Debt Service due from the Issuer on such date shall be credited by an amount equal to the amount so transferred.

B. DUTIES OF ISSUER IN GENERAL. The Issuer shall calculate Excess Investment Earnings in accordance with Subsection C and shall assure payment of an amount equal to Excess Investment Earnings to the United States in accordance with Subsections D and E.

C. CALCULATION OF EXCESS INVESTMENT EARNINGS. Within 15 days following the last day of the first Bond Year, the Issuer shall calculate, and shall provide written notice to the Authority and Depository Bank of, the Excess Investment Earnings referenced in clause (A) of the definition of Excess Investment Earnings. Thereafter, within 15 days following the last day of each Bond Year and within 15 days following the date of the retirement of the Bond, the Issuer shall calculate, and shall provide written notice to the Authority and Depository Bank of, the amount of Excess Investment Earnings. Said calculations shall be made or caused to be made by the Issuer in accordance with the following:

(1) Except as provided in (2), in determining the amount described in clause A(i) the definition of Excess Investment Earnings, the aggregate amount earned on Nonpurpose Investments shall include (i) all income realized under federal income tax accounting principles (whether or not the person earning such income is subject to federal income tax) with respect to such Nonpurpose Investments and with respect to the reinvestment of investment receipts from such Nonpurpose Investments (without regard to the transaction costs incurred in acquiring, carrying, selling or redeeming such Nonpurpose Investments), including, but not limited to, gain or loss realized on the disposition of such Nonpurpose Investments (without regard to when such gains are taken into account under Section 453 of the Code relating to taxable year of inclusion of gross income), and income under Section 1272 of the Code (relating to original issue discount) and (ii) any unrealized gain or loss as of the date of retirement of the Bonds in the event that any Nonpurpose Investment is retained after such date.

(2) In determining the amount described in clause (A) of the definition of Excess Investment Earnings, Investment Property shall be treated as acquired for its fair market value at the time it becomes a Nonpurpose Investment, so that gain or loss on the disposition of such Investment Property shall be computed with reference to such fair market value as its adjusted basis.

(3) In determining the amount described in clause (A)(ii) of the definition of Excess Investment Earnings, the Yield on the Bonds shall be determined based on the actual Yield of the Bonds during the period between the Closing Date of the Bonds and the date the computation is made (with adjustments for original issue discount or premium).

(4) In determining the amount described in clause (B) of the definition of Excess Investment Earnings, all income attributable to the excess described in clause (A) of said definition must be taken into account, whether or not that income exceeds the Yield of the Bond, and no amount may be treated as "negative arbitrage."

(5) In determining the amount of Excess Investment Earnings, there shall be excluded any amount earned on any fund or account which is used primarily to achieve a proper matching of revenues and Debt Service within each Bond Year and which is depleted at least once a year except for a reasonable carryover amount not in excess of the greater of 1 year's earnings on such fund or account or 1/12th of annual Debt Service as well as amounts earned on said earnings if the gross earnings on such fund or account for the Bond Year is less than $100,000.

D. PAYMENT TO THE UNITED STATES. The Issuer shall direct the Depository Bank to pay from the Rebate Fund an amount equal to Excess Investment Earnings to the United States in installments with the first payment to be made not later than 30 days after the end of the 5th Bond Year and with subsequent payments to be made not later than 5 years after the preceding payment was due. The Issuer shall assure that each such installment is in an amount equal to at least 90% of the Excess Investment Earnings with respect to the Gross Proceeds as of the close of the computation period. Not later than 60 days after the retirement of the Bonds, the Issuer shall direct the Depository Bank to pay from the Rebate Fund to the United States 100% of the theretofore unpaid Excess Investment Earnings in the Rebate Fund. In the event that there are any amounts remaining in the Rebate Fund following the payment required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States at the address prescribed by the Regulations as the same may be in time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required by this Subsection D, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor.

In the event of a failure to pay any such amount or amounts, the Issuer will pay, from any lawful sources available therefor, to the United States, an amount equal to the sum of 50% of the amount not paid, plus interest at the required rate on the portion of the amount which was not paid on the required date, beginning on such date, unless waived.

E. FURTHER OBLIGATIONS OF ISSUER. The Issuer shall assure that Excess Investment Earnings are not paid or disbursed except as required in this Section. To that end the Issuer shall assure that investment transactions are on an arm's length basis and that Nonpurpose Investments are acquired at their fair market value. In the event that Nonpurpose Investments consist of certificates of deposit or investment contracts, investment in such Nonpurpose Investments shall be made in accordance with the procedures described in applicable Regulations as from time to time in effect. The Depository Bank shall keep the moneys in the Earnings Fund and Rebate Fund invested and reinvested to the fullest extent practicable in Government Obligations with maturities consonant with the required use thereof and investment profits and earnings shall be credited to the account of such fund on which earned.

F. MAINTENANCE OF RECORDS. The Issuer shall keep and retain for a period of 6 years following the retirement of the Bonds, records of the determinations made pursuant to this Section 7.03.

G. INDEPENDENT CONSULTANTS. In order to provide for the administration of this Section 7.03, the Issuer and the Depository Bank (at the expense of the Issuer) may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer or the Depository Bank may deem appropriate.

H. FURTHER AGREEMENT. Notwithstanding the foregoing, the Issuer further covenants to comply with all Regulations from time to time in effect and applicable to the Bonds, as may be necessary in order to fully comply with Section 148(f) of the Code.

I. REPORTING TO AUTHORITY. The Issuer shall furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information as may be requested by the Authority, including, without limitation, information with respect to earnings on all funds constituting "gross proceeds" of the Series 1997 A Bonds (as such term "gross proceeds" is defined in the Code). In addition, the Issuer shall cooperate with the authority in preparing rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer.

SECTION 7.04. SECURITIES LAWS COMPLIANCE.

The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners.

SECTION 8.03. APPOINTMENT OF RECEIVER.

Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

No person other than DTC shall receive an authenticated Bond for each separate stated maturity evidencing the obligation of the City to make payments of principal or redemption price and interest pursuant to this Ordinance. Upon delivery by DTC to the City of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions herein with respect to Record Dates, the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

(c) In the event the City determines that it is in the best interest of the Owners that they be able to obtain Bond certificates, the City may notify DTC, whereupon DTC will notify the Participants, of the availability through DTC of Bond certificates. In such event, the City shall issue and the Bond Register shall authenticate, transfer and exchange Bond certificates as requested by DTC and any other Bondholders in appropriate amounts. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the City and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the City shall be obligated to deliver Bond certificates as described herein. In the event Bond certificates are issued, the provisions herein shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of principal of and interest on such certificates. Whenever DTC requests the City to do so, the City will assist DTC in taking appropriate action after reasonable notice (a) to make available one or more separate certificates evidencing the Bonds to any Participant having Bonds credited to its DTC account or (b) to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

(d) Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of Cede & Co., all payments with respect to the principal or redemption price of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, to DTC as provided in the Representation Letter. When the City gives notices to DTC or its nominee as Bondholder, it shall request that DTC forward (or cause to be forwarded) the notices to the Participants so that such Participants may forward (or cause to be forwarded) such notices to the Owners.

(e) In connection with any notice or other communication to be provided to Bondholders pursuant to this Ordinance by the City with respect to any consent or other action to be taken by Bondholders, the City shall establish a record date for such consent or other action and give DTC notice of such record date not less than 15 calendar days in advance of such record date to the extent possible. Notice to DTC shall be given only when DTC is the sole Bondholder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer or registration set forth below, the Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Registered Owner, in accepting any of said Bonds, shall be conclusively deemed to have agreed that such Bonds shall be, and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Registered Owner shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value.

The Bonds shall be transferable only upon the Bond Register by the Registered Owner thereof in person or by its attorney or legal representative duly authorized in writing, upon surrender thereto, together with a written instrument of transfer satisfactory to the Registrar duly executed by the Registered Owner or such duly authorized attorney or legal representative.

In all cases in which the privilege of exchanging Bonds or transferring the Bonds is exercised, Bonds shall be delivered in accordance with the provisions of this Ordinance. All Bonds surrendered in any such exchanges or transfer shall forthwith be cancelled by the Registrar. For every such exchange or transfer of Bonds, the Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of said Registrar incurred in connection therewith, which changes and expenses shall be paid by the Registered Owner requesting such transfer or exchange. The Registrar shall not be obligated to make any such change or transfer of Bonds during the period beginning with the Record Date and ending on the date or, in a case of any partial redemption of Bonds during the fifteen days next preceding the date of the selection of Bonds to be redeemed.

All Bonds so surrendered shall be cancelled by the Registrar and held for the account of the City. If such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the City may pay the same, upon being indemnified as aforesaid, and, if such Bond be lost, stolen, or destroyed, without surrender therefor.

Any such duplicate Bonds issued pursuant to this Section shall constitute original, additional contractual obligations on the part of the City, whether or not the lost, stolen or destroyed Bonds be at any time found by any one, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of security for payment from the revenues pledged herein with all other Bonds issued hereunder.

The payment of the debt service of all of the Series 1994 A Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Revenues derived from the System. Such Revenues, in the amount sufficient to pay the principal of and interest on the Bonds and to make the payments required into the Sinking Fund and the Reserve Account therein, and the Renewal and Replacement Fund all hereinafter established, are hereby irrevocably pledged to the payment of the principal of and interest on the Bonds as the same become due. The Bonds shall not, in any event, be or constitute an indebtedness of the City within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from Revenues and otherwise as provided herein. No Registered Owner or Owners of any of the Bonds shall ever have the right to compel the exercise of the taxing power of the City to pay the Bonds or the interest thereon.

Section 3.08. Notice of Redemption.

(a) The Registrar shall cause notice of any redemption of Bonds to be mailed by first class mail to the Owners of all Bonds to be redeemed at the addresses thereof appearing in the Registration Books. Each such notice shall (i) be mailed not

(b) If at the time of mailing of any notice of redemption the City shall not have deposited with the Paying Agent moneys sufficient to redeem all the Bonds called for redemption, such notice shall state that it is subject to the deposit of such moneys with the Paying Agent not later than the opening of business on the redemption date and shall be of no effect unless such moneys are so deposited. If such moneys are not deposited by such date and time, the Registrar promptly shall notify the Owners of all Bonds called for redemption of such fact.

(c) Notwithstanding any other provisions herein to the contrary, the Registrar shall cause copies of any notices delivered pursuant to this Section 3.08 to be delivered to such other organizations or entities to which like notices are then delivered in accordance with industry standards.

ARTICLE IV

SYSTEM REVENUES AND APPLICATION THEREOF

Section 4.01. Application of System Revenues. So long as any of the Bonds shall be outstanding and unpaid, the City covenants with the holders of the Bonds as follows:

A. The entire Revenues derived from the operation of the System and all parts thereof shall be deposited by the City in a special fund in the Depository Bank, which fund, to be designated the "Sewerage System Revenue Fund" (the "Revenue Fund"), is hereby established. The Revenue Fund shall constitute a trust fund for the purposes provided in this Ordinance and shall be kept separate and distinct from all other funds of the City and used only for the purposes and in the manner herein provided. All Revenues at any time remaining on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The City shall first each month, from the moneys in the Revenue Fund, pay all reasonable Operating Expenses of the System.

(2) Thereafter, from the moneys in the Revenue Fund, the City shall, on the first day of each month, commencing with and including the first day of that month which is seven months prior to the first interest payment date of said Bonds, apportion and set apart out of the Revenue Fund and remit to the Commission, for deposit in a fund to be known as the "Sinking Fund," which is hereby created and established, a sum equal to one-sixth (1/6) of the amount of interest which will become due on the Bonds on the next ensuing semiannual interest payment date; provided, however, that, in the event the period to elapse between said initial payment date and the next semiannual interest payment date is less than seven (7) months, then such monthly payments shall be increased proportionately to provide the required amount of interest payable on the next semiannual interest payment date one month prior to said date.

The City shall also apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in said Sinking Fund, on the first day of each month, beginning on the first day of that month which is thirteen (13) months prior to the first principal payment date of the Bonds, a sum equal to one-twelfth (1/12) of the amount of principal which will mature and become due on the Bonds on the next ensuing principal payment date.

The City shall also, from the Revenue Fund, remit to the Commission on such dates or at such other times, as the Commission shall require, such additional sums as shall be necessary to pay the fiscal agency charges due for paying the Bonds and the interest thereon.

Moneys in the Sinking Fund shall be used only for the purposes of paying principal of and interest on the Bonds as the same shall become due.

The City shall not be required to make any further payments into said Sinking Fund when the aggregate amount of funds in the Sinking Fund, including the Reserve Account therein, is at least equal to the aggregate principal amount of Bonds issued pursuant to this Ordinance then Outstanding, plus the amount of interest due or thereafter to become due on said Bonds then Outstanding.

As and when additional Bonds ranking on a parity with the Series 1994 A Bonds herein authorized are issued, provision shall be made for additional payments into said Sinking Fund sufficient to pay the principal of and interest on such additional parity Bonds and accomplish retirement thereof at or before maturity.

The payments into the Sinking Fund shall be made on the first day of each month, except that, when the first day of any month shall be a Sunday or legal holiday, then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Ordinance.

(3) Then from the moneys remaining in the Revenue Fund, the City shall next, each month, pay into the Reserve Account an amount necessary to make up any deficiency in the Reserve Account Requirement, resulting from (i) the valuation of investments in the Reserve Account which results in a determination that the amount of moneys and the value of the Qualified Investments deposited to the credit of the Reserve Account is less than the Reserve Account Requirement, or (ii) withdrawals from the Reserve Account, for deposit into the Sinking Fund, beginning with the first full calendar month following the event described in either clause (i) or (ii) above. Provided, that in no event shall the amount deposited into the Reserve Account in any month be less than, in the event the deficiency in the Reserve Account Requirement is due to a decrease in the value of the Qualified Investments therein in excess of 10% of such amount, an amount equal to 1/4th of the amount of such deficiency, and otherwise, an amount equal to 1/12th of the amount of the deficiency in the Reserve Account determined as set forth in clause (ii) above and the amount then withdrawn from the Reserve Account, as described in clause (ii) above (it being understood that any such 1/12th payment shall be made in such amount for 12 consecutive months unless the amount in the Reserve Account shall have been made equal to the Reserve Account Requirement prior to such twelfth consecutive month); and provided further, that no payments

shall be required to be made into the Reserve Account whenever and as long as the amount deposited therein shall be equal to the Reserve Account Requirement.

(4) Thereafter, from the moneys remaining in said Revenue Fund, the City shall next, on the first day of each month commencing with the first month in which interest shall be payable from the Revenue Fund, remit to the Depository Bank for deposit in a special depreciation account, to be designated the "Renewal and Replacement Fund," which account is hereby established and created, a sum equal to two and one-half percent (2½%) of the Revenues each month, exclusive of any payments for the account of the Reserve Account in the Sinking Fund. All funds in said Renewal and Replacement Fund shall be kept apart from all other municipal funds and shall be invested and reinvested, at the direction of the City, in Qualified Investments to the fullest extent possible under applicable laws, this Ordinance and the need for such moneys for the purposes set forth below.

Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, enlargements, emergency repairs, improvements and extensions to the System; provided, that any deficiency occurring in the Reserve Accounts shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

(5) Whenever all of the required and provided transfers and payments from said Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in said Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid for operating expenses and into the Sinking Fund and the Renewal and Replacement Fund during the next succeeding three (3) months, such excess shall be considered as surplus Revenues. Said surplus revenues shall be first used for the acquisition and construction of extensions, improvements and betterments to the System, and, thereafter, to the extent not needed for such purposes, may be used to purchase Bonds upon the open market at not exceeding the then applicable redemption price or to call and redeem the Bonds on the next succeeding interest payment date or for any lawful purpose of the System.

(6) If on any monthly payment date the revenues of the System are insufficient to make the required deposits in any of the funds as hereinabove provided, the deficiency shall be made up on the next ensuing payment dates by payments in addition to the payments which are otherwise required to be made into the funds on such ensuing payment dates.

B. The Commission is hereby designated as the fiscal agent for the administration of the Sinking Fund created hereunder, and all amounts required for said Sinking Fund shall

be remitted to the Commission from said Revenue Fund and from the proceeds of the sale of the Bonds, as provided in Article V hereof, by the City at the times provided herein. All remittances made by the City to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

C. The moneys on deposit in the Revenue Fund and the Renewal and Replacement Fund (unless remitted to the Commission) in excess of the sum insured by the maximum amounts insured by the FDIC shall at all times be secured, to the full extent thereof in excess of such insured sum, by Government Obligations or such other obligations as shall be eligible as security for deposits of State and municipal funds under the laws of the State of West Virginia.

D. The Commission shall invest the funds which it holds pursuant to this Ordinance, including the Reserve Account in the Sinking Fund, to the fullest possible extent so that all moneys shall be invested for the maximum possible period consistent with the tenor hereof.

E. Anything to the contrary herein notwithstanding, when the aggregate sum in the Sinking Fund, including the Reserve Account therein, is sufficient to pay and redeem all the Bonds Outstanding and all interest accrued and to accrue thereon and any applicable redemption premiums, the City shall cause all the Bonds to be paid or called and redeemed at the earliest practicable date permitted, pursuant to the provisions hereof as to redemption of Bonds.

ARTICLE V

APPLICATION OF SERIES 1994 A BOND PROCEEDS

Section 5.01. Application of the Series 1994 A Bond Proceeds; Other Funds of the City.

A. All accrued interest received from the Original Purchaser of the Series 1994 A Bonds shall be deposited in the Sinking Fund and used to pay the next maturing interest on the Series 1994 A Bonds.

B. The amount of the Series 1994 A Bond proceeds necessary, together with such funds of the City as are made available by the defeasance of the 1986 Bonds, to refund the Prior Bonds, which amount shall be set forth in the Supplemental Resolution, shall be applied by the City pursuant to the provisions of the Escrow Agreement.

C. The remaining moneys derived from the sale of the Series 1994 A Bonds shall be deposited by the City in the Costs of Issuance Account.

Section 5.02. Reserve Account. From the moneys made available to the City as a result of the defeasance of the 1986 Bonds, the City shall remit to the Commission such funds as are necessary to fund the Reserve Account to the Reserve Account Requirement.

Section 5.03. Costs of Issuance Account. There is hereby created and established at the Depository Bank a special fund to be known as the "The City of Beckley Series 1994 A Bonds Costs of Issuance Account," which account shall be kept separate and apart from all other funds of the City, and disbursed upon requisition by the City to pay Costs of Issuance approved by the Sanitary Board. The moneys in said account shall be secured at all times by the deposit in such bank, as security, of Government Obligations having a fair market value at least equal to the balance in said fund in excess of the amount insured by the FDIC. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to, such purposes, then such unapplied proceeds shall be deposited by the City in the Sinking Fund.

ARTICLE VI

ADDITIONAL COVENANTS OF THE CITY

Section 6.01. General Covenants of the City. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the City and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions of this Ordinance, the City hereby covenants and agrees with the Holders of the Bonds as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Bonds, or the interest thereon, is outstanding and unpaid.

Section 6.02. Bonds Not To Be Indebtedness of the City. The Bonds shall not constitute an indebtedness of the City within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the revenues of the System, or from the Reserve Account, as herein provided. No holder or holders of any Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the City to pay said Bonds or the interest thereon.

Section 6.04. Rates. Prior to the issuance of the Bonds, just and equitable rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and copies of such rates and charges so fixed and established shall at all times be kept on file in the office of the Sanitary Board and in the office of the City Clerk, each of which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce gross revenues from said System sufficient to pay operating expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the City hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be at least sufficient to provide for all reasonable operating expenses of the System and leave a balance each year equal to at least one hundred twenty percent (120%) of the maximum annual amount required to pay the interest on and principal of the Bonds and all other obligations secured by or payable from the revenues of the System prior to or on a parity with the Bonds, as the same become due and accomplish retirement of all

Bonds for the payment of which such revenues have or shall have been pledged, charged or otherwise encumbered. To the extent permitted by law, all such rates and charges, if not paid when due, shall constitute a lien upon the premises served by the System.

Section 6.05. Operation and Maintenance. The City will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the revenues of said System in the manner provided in this Ordinance.

Section 6.06. Sale of the System. The System may be sold, mortgaged, leased, or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient fully to pay or redeem at or prior to maturity all the Bonds Outstanding. The proceeds from such sale, mortgage, lease or other disposition of the System shall immediately be remitted to the Commission for deposit in the Sinking Fund, and the City shall direct the Commission to apply such proceeds to the payment of principal and interest at the maturity of Bonds about to mature and to the redemption prior to maturity, at the earliest date permitted hereby and at the redemption price, of all other outstanding Bonds. Any balance remaining after the redemption or payment of all the Bonds and interest thereon shall be remitted to the City by the Commission unless necessary for the payment of other obligations of the City payable out of the revenues of the System.

The foregoing provision notwithstanding, the City shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of ten thousand dollars ($10,000), the Sanitary Board shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the City Council may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of ten thousand dollars ($10,000) but not in

excess of one hundred thousand dollars ($100,000), the Sanitary Board shall first, in writing, determine with the written approval of a consulting engineer that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the City Council may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property, in excess of ten thousand dollars ($10,000) and not in excess of one hundred thousand dollars ($100,000), shall be remitted by the City to the Commission for deposit in the Sinking Fund and shall be applied only to the redemption of Bonds of the last maturities then Outstanding or to the purchase of Bonds of the last maturities then Outstanding at prices not greater than the redemption price of such Bonds. Such payments of such proceeds into the Sinking Fund or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions of this Ordinance.

No sale, lease or other disposition of the properties of the System shall be made by the City if the proceeds to be derived therefrom shall be in excess of one hundred thousand dollars ($100,000) and insufficient to pay or redeem prior to maturity all the Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of sixty-six and two-thirds percent (66-2/3%) in amount of Bonds then Outstanding. The City shall prepare the form of such approval and consent for execution by the then Holders of the Bonds, for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable out of Revenue and General Covenant Against Encumbrances. The City shall not issue any other obligations whatsoever, except pari passu additional Bonds provided for in Section 6.08 hereof, payable from the Revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such Revenues with the Bonds; and all obligations hereafter issued by the City payable from the Revenues of the System, except such additional Bonds shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such Revenues and in all other respects to the Bonds.

The City shall not create, or cause or permit to be created any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to said pari passu additional Bonds, being on a parity with the lien of the Bonds, and the interest thereon, upon any of the

income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Ordinance or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. No additional parity Bonds, as in this Section defined, payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant to this Ordinance, except under the conditions and in the manner herein provided.

No such additional parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions, improvements and betterments to the System or refunding the entirety of one or more series of Bonds issued pursuant hereto, or both such purposes.

No such additional parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the City Clerk a written statement by Independent Accountants, based upon the necessary investigation and certification by a consulting engineer, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided, from the System during any twelve (12) consecutive months within the eighteen (18) months immediately preceding the date of the actual issuance of such additional parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the three (3) succeeding years after the completion of the improvements to be financed by such additional parity Bonds, shall not be less than one hundred twenty percent (120%) of the maximum annual amount which will mature and become due for principal of and interest in any succeeding year on the following:

(1) The Series 1994 A Bonds then Outstanding;

(2) Any additional parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and

(3) The additional parity Bonds then proposed to be issued.

The "estimated average increas[illegible] annual Net Revenues to be received in each of the three (3) succeeding years", as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from any increase in rates enacted by the City, the time for appeal of which shall have expired prior to the date of delivery of such additional parity Bonds, and shall not exceed the amount to be stated in a certificate of a consulting engineer, which shall be filed in the office of the City Clerk prior to the issuance of such additional parity Bonds, adjusted as provided in the following paragraph.

The Net Revenues actually derived from the System during the twelve (12) consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of a consulting engineer and the Independent Accountants as stated in a certificate jointly made and signed by a consulting engineer and the Independent Accountants, on account of increased rates, rentals, fees and charges for the System enacted by the City, the time for appeal of which shall have expired prior to issuance of such additional parity Bonds.

Not later than simultaneously with the delivery of such additional parity Bonds, the City shall have entered into written contracts for the immediate acquisition or construction of such extensions, improvements and betterments to the System which are to be financed by such additional parity Bonds.

The term "additional parity Bonds," as used in this Section, shall be deemed to mean additional Bonds issued under the provisions and within the limitations of this Section, payable from the Revenues of the System on a parity with the Series 1994 A Bonds, and all the covenants and other provisions of this Ordinance (except as to details of such additional parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 1994 A Bonds and the Holders of any additional parity Bonds subsequently issued from time to time within the limitations of and in compliance with this Section. All the Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Revenues of the System, and their source of and security for payment from said Revenues, without preference of any Bond over any other. The City shall comply fully with all the increased payments into the various funds created in this Ordinance required for and on account of such additional Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Ordinance.

The term "additional parity Bonds," as used in this Section, shall not be deemed to include any bonds, notes, certificates or other obligations subsequently issued, the lien of which on the Revenues of the System is subject to the prior and superior lien of the Bonds on such revenues. The City shall not issue any obligations whatsoever payable from the Revenues of the System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such Revenues, with the Bonds except in the manner and under the conditions provided in this Section.

No additional parity Bonds, as in this Section defined, shall be issued at any time, however, unless all the payments into the respective funds and accounts provided for in this Ordinance on account of the Bonds then Outstanding, and

any other payments provided for in this Ordinance shall have been made in full as required to the date of delivery of the additional parity Bonds.

The City may issue additional parity Bonds without compliance with any other conditions for the purpose of refunding prior to maturity any series of the Bonds, provided that the annual debt service required on account of the refunding Bonds and the Bonds which are not refunded shall not be greater in any year in which the Bonds not refunded and the refunding Bonds are to be Outstanding than the annual debt service required in such year if the Bonds to be refunded were not so refunded.

Section 6.09. Insurance. The City will carry such insurance and in such amounts as is customarily carried with respect to works and properties similar to the System, with a reputable insurance carrier or carriers, against loss or damage by fire, explosion, hurricane, earthquake, cyclone, occupancy or other hazards and risks. The City will require that each of its contractors and all subcontractors maintain, during the life of any construction contract, workers' compensation coverage, public liability insurance, property damage insurance and vehicle liability insurance. In time of war, the City shall also carry in said amount such insurance as may be available against loss or damage by the risks and hazards of war. The proceeds of all such insurance policies shall be disposed of as provided in this Ordinance and otherwise shall be placed in the Renewal and Replacement Fund and used only for the repair and restoration of the damaged or destroyed properties or for the other purposes provided herein for said Renewal and Replacement Fund. The City will also carry liability insurance for damage or injury to persons or property in amounts adequate for such purposes and customarily carried with respect to works and properties similar to the System.

Section 6.10. Mandatory Connections. To the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto.

Section 6.11. Consulting Engineer. The City will retain a recognized, qualified independent consulting engineer on a biannual basis to supervise generally the operation, maintenance and repair of the System and to report biannually to the City in writing their recommendations and comments as to the System. Such biannual report of a consulting engineer, or a summary thereof, shall be made available at reasonable times to any Bondholder requesting the same.

Section 6.12. Services Rendered to the City. The City will not render or cause to be rendered any free services of any nature by its System; and, in the event the City or any

department, agency, instrumentality, officer or employee of the City shall avail itself or himself or herself of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the City and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the City shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.13. Enforcement of Collections. The City will diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System and take all steps, actions and proceedings for the enforcement and collection of such fees, rates, rentals or other charges that shall become delinquent to the full extent permitted or authorized by the laws of the State of West Virginia. To the extent permitted by law, all such rates and charges, if not paid when due, shall become a lien on the premises served by the System.

Whenever any rates, rentals or charges for the services or facilities of the System, or a part thereof, shall remain unpaid for a period of thirty (30) days after the same shall become due and payable, the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. The City further covenants and agrees that it will, to the full extent permitted by law, and any rules and regulations Promulgated by the Public Service Commission of West Virginia applicable thereto, discontinue and shut off the sewerage services and facilities of the System and in the event the City owns a water facility (the "Water System"), the Water System to all delinquent users of the services and facilities of the System, and will not restore either water or sewerage services of the System or the Water System until all delinquent charges for the service and facilities of the System, plus reasonable interest penalty charges for the restoration of service, have been fully paid.

Section 6.14. No Competing Franchise. To the extent allowed by law, the City will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.15. Books and Records. The City will keep books and records of the System, which shall be separate and

apart from all other books, records and accounts of the City, in which complete and correct entries shall be made of all transactions relating to the System, and any holder of a Bond or Bonds issued pursuant to this Ordinance shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the City relating thereto.

The accounting system for the System shall follow currently accepted accounting practices in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the City. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books, and along with other bookkeeping records as prescribed by the City. The City shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the City shall be reported to the City.

The City shall file with a consulting engineer and the Original Purchaser within 120 days following the end of each Fiscal Year, and shall mail in each year to any Bondholder requesting the same, an annual report containing the following:

A. A statement of Revenues and Operating Expenses from the System.

B. A balance sheet statement showing all deposits in all the funds and accounts provided for in this Ordinance, and the status of all said funds.

The City shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by Independent Accountants, shall mail upon request, and make available generally, the report of said Independent Accountants, or a summary thereof, to any Bondholder, and shall file said report with the Original Purchaser.

Section 6.16. Initial Schedule of Rates. The rates, fees and other charges for the use of the services and facilities of the System established under an ordinance of the City enacted on or before the date of the adoption or enactment of a resolution or ordinance adopted or enacted in connection with the sale of the Series 1994 A Bonds as provided herein shall constitute the initial schedule of rates for the System for purposes of this Ordinance.

Section 6.17. Operating Budget. The Sanitary Board shall annually, at least forty-five (45) days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the

succeeding Fiscal Year. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a consulting engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Sanitary Board shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of ten percent (10%) of the amount of such budget shall be made except upon the further certificate of a consulting engineer that such increased expenditures are necessary for the continued operation of the System. The City shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to any Bondholder who shall file his or her address with the City and request in writing that copies of any such budgets and resolutions be furnished him or her, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Bondholder or anyone acting for and in behalf of such Bondholder.

Section 6.18. Existence of Sanitary Board. The management, operation and control of the System will be vested in the Sanitary Board, or some other separate successor agency of the City, during the period in which any Bonds issued hereunder are Outstanding.

Section 6.19. Public Purpose Bonds. The System will be solely operated for a public purpose and as a local governmental activity of the City.

Section 6.20. Private Activity Bonds. The City shall not permit at any time or times any of the proceeds of the Bonds or any other funds of the City to be used directly or indirectly in a manner which would result in the exclusion of the Bonds from the treatment afforded by Section 103(a) of the Code by reason of the classification of the Bonds as "private activity bonds" within the meaning of the Code. The City will take all actions necessary to comply with the Code in order to assure the tax-exempt status of the Bonds.

Section 6.21. Filings. The City will file all statements, instruments and returns necessary to assure the tax-exempt status of the Bonds, including, without limitation, the information return required under Section 149(e) of the Code.

Section 6.22. Right to Amend. The City retains the right to make any amendments, insertions or deletions by Supplemental Resolutions of this Ordinance as the City deems

desirable or necessary prior to the issuance of the Bonds, including but not limited to amendments, insertions or deletions to comply with the Code. Notwithstanding the provisions of Section 9.01 hereof, the City through City Council shall without consent of the Registered Owners of the Bonds amend or supplement this Ordinance by resolutions supplemental hereto or any amendatory ordinance to comply with the Code if such amendment or supplement is necessary to preserve the tax exempt status of the Bonds. In making their determination to amend or supplement this Ordinance, the City Council may rely on the opinion of a nationally recognized bond counsel.

The City also retains the right to make any amendments, insertions or deletions by Supplemental Resolution of this Ordinance as the City deems necessary prior to the issuance of the Bonds to meet the requirements of the Original Purchaser.

Section 6.23. Parties Interested Herein. Nothing in this Ordinance expressed or implied is intended or shall be construed to confer upon, or to give to, any person or entity, other than the City, the Paying Agent and the Registered Owners of the Bonds, any right, remedy or claim under or by reason of this Ordinance or any covenant, condition or stipulation hereof, and all covenants, stipulations, promises and agreements in this Ordinance contained by and on behalf of the City shall be for the sole and exclusive benefit of the City, the Paying Agent and the Registered Owners of the Bonds.

Section 6.24. Designation of Bank Eligibility. Ladies and Gentlemen:

We have reviewed the sewer service rates of the City of Beckley (the "Issuer"), enacted by the Issuer on November 13, 2007, and the projected operating expenses and anticipated customer usage provided by Burgess and Niple Ltd., the consulting engineer of the

Issuer. It is our opinion that such rates are sufficient (i) to provide for all operating expenses of the sewerage system of the Issuer (the "System"), and (ii) to leave a balance each fiscal year equal to at least 115% of the maximum amount required in any succeeding fiscal year for the payment of principal of and interest on the Issuer's Sewerage System Revenue Bonds, Series 2009 A (West Virginia CWSRF Program), Sewerage System Revenue Bonds, Series 2009 B-1 (West Virginia CWSRF Program/ARRA), Sewerage System Revenue Bonds, Series 2009 C (West Virginia CWSRF Program) (the "Bonds") and all other obligations secured by or payable from revenues of the System on a parity with the Bonds, including the Issuer's Sewer Revenue Bonds, Series 1998 A, Sewer System Revenue Bonds, Series 2004 A and Sewerage System Revenue Bonds, Series 2005 (the "Prior Bonds").

It is further our opinion that the Net Revenues actually derived from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of the Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Bonds, will not be less than 120% of the maximum debt service in any succeeding year on the Prior Bonds and the Bonds.

Capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Ordinance authorizing the Bonds.

Very truly yours,

Smith Cochran & Hicks

Re: City of Beckley
Sewerage System Revenue Bonds, Series 2009 A
(West Virginia CWSRF Program)

Ladies and Gentlemen:

We have served as bond counsel to the City of Beckley ("the Issuer"), a municipal corporation, in connection with the issuance of its Sewerage System Revenue Bonds, Series 2009 A (West Virginia CWSRF Program), dated the date hereof (the "Bonds").

We have examined certified copies of proceedings and other papers relating to the authorization of (i) an ARRA assistance agreement for the Bonds dated September 18, 2009, including all schedules and exhibits attached thereto (the "ARRA Assistance Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and (ii) the Bonds to be purchased by the Authority in accordance with the provisions of the ARRA Assistance Agreement. The Bonds are issued in the principal amount of $679,316, in the form of one bond, registered as to principal and interest to the Authority, with interest at the rate of 2% per annum, and with principal and interest payable quarterly on March 1, June 1, September 1, and December 1 of each year, commencing June 1, 2010, all as set forth in the Schedule Y attached to the ARRA Assistance Agreement and incorporated in and made a part of the Bonds. The Bonds are

subject to the SRF Administrative Fee equal to 1% of the principal amount of the Bonds as set forth in the Schedule Y attached to the ARRA Assistance Agreement.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13 and Chapter 22C, Article 2 of the Code of West Virginia, 1931, as amended (collectively, the "Act"), for the purposes of (i) paying the costs of acquisition and construction of certain additions, betterments and improvements to the existing public sewerage system of the Issuer (the "Project"); (ii) paying the Issuer's Sewerage System Bond Anticipation Note, Series 2008 A; and (iii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act and a Bond and Note Ordinance duly passed by the Issuer on April 22, 2008, effective May 27, 2008, as supplemented by a Supplemental Resolution duly adopted by the Issuer on September 8, 2009 (collectively, the "Ordinance"), pursuant to and under which Act and Ordinance the Bonds are authorized and issued, and the ARRA Assistance Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Ordinance and the ARRA Assistance Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Ordinance and in the ARRA Assistance Agreement when used herein.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly organized and presently existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to enact the Ordinance and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The ARRA Assistance Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer, enforceable in accordance with the terms thereof.

3. The ARRA Assistance Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.

4. The Issuer has legally and effectively enacted the Ordinance and adopted all other necessary resolutions in connection with the issuance and sale of the Bonds. The Ordinance constitutes a valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms thereof and contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the ARRA Assistance Agreement.

5. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's Prior Bonds (as that term is defined in the Ordinance), all in accordance with the terms of the Bonds and the Ordinance.

6. Under the Act, the Bonds and any interest thereon are exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof.

No opinion is given herein as to the effect upon enforceability of the Bonds under any applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights or in the exercise of judicial discretion or principles of equity in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1 and in our opinion, the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

5. The Bonds are, under the Act, exempt from taxation by the State of West Virginia and the other taxing bodies of the State. The Bonds bear no interest.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the ARRA Assistance Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

Re: City of Beckley
Sewerage System Revenue Bonds, Series 2009 B-2
(West Virginia CWSRF Program/ARRA Green)

Ladies and Gentlemen:

We have served as co-bond counsel in connection with the issuance by the City of Beckley (the "Issuer"), a municipal corporation created and existing under the laws of the State of West Virginia, of its $296,952 Sewerage System Revenue Bonds, Series 2009 B-2 (West Virginia CWSRF Program/ARRA Green), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of an ARRA Assistance Agreement dated as of the date hereof, including all schedules and exhibits attached thereto (the "ARRA Assistance

Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the ARRA Assistance Agreement. The Bonds are originally issued in the form of one Bond, registered to the Authority, bearing no interest and subject to principal forgiveness on March 1, June 1, September 1 and December 1 of each year, commencing June 1, 2010, to and including March 1, 2020 all as set forth in the "Schedule Y" attached to the ARRA Assistance Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly. Chapter 16, Article 13 and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquisition and construction of improvements and extensions to the existing public stormwater system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act and the Bond and Note Ordinance duly passed by the Issuer on August 11, 2009, effective August 25, 2009, as supplemented by a Supplemental Resolution duly adopted by the Issuer on August 25, 2009 (the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the ARRA Assistance Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the ARRA Assistance Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the ARRA Assistance Agreement when used herein. Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The ARRA Assistance Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the DEP and cannot be amended by the Issuer so as to affect adversely the

rights of the Authority or the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.

3. The Bond Legislation and all other necessary ordinances and resolutions have been duly and effectively adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the ARRA Assistance Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment from the Net Revenues with the Issuer's Prior Bonds (as defined in the Bond Legislation), all in accordance with the terms of the Bonds and the Bond Legislation.

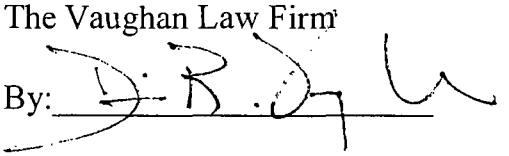

5. The Bonds are, under the Act, exempt from taxation by the State of West Virginia and the other taxing bodies of the State. The Bonds bear no interest.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the ARRA Assistance Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered B-2R-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

The Vaughan Law Firm

Ladies and Gentlemen:

We have served as bond counsel to the City of Beckley ("the Issuer"), a municipal corporation, in connection with the issuance of its Sewerage System Revenue Bonds, Series 2009 C (West Virginia CWSRF Program), dated the date hereof (the "Bonds").

We have examined certified copies of proceedings and other papers relating to the authorization of (i) an ARRA assistance agreement for the Bonds dated September 18, 2009, including all schedules and exhibits attached thereto (the "ARRA Assistance Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and (ii) the Bonds to be purchased by the Authority in accordance with the provisions of the ARRA Assistance Agreement. The Bonds are issued in the principal amount of $1,035,783, in the form of one bond, registered as to principal and interest to the Authority, will bear no interest with principal payable quarterly on March 1, June 1, September 1, and December 1 of each year, commencing March 1, 2011, all as set forth in the Schedule Y attached to the ARRA Assistance Agreement and incorporated in and made a part of the Bonds. The Bonds are subject to the SRF Administrative Fee equal to

.25% of the principal amount of the Bonds as set forth in the Schedule Y attached to the ARRA Assistance Agreement.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13 and Chapter 22C, Article 2 of the Code of West Virginia, 1931, as amended (collectively, the "Act"), for the purposes of (i) paying the costs of acquisition and construction of certain additions, betterments and improvements to the existing public sewerage system of the Issuer (the "Project"); (ii) paying the Issuer's Sewerage System Bond Anticipation Note, Series 2008 A; and (iii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act and a Bond and Note Ordinance duly passed by the Issuer on April 22, 2008, effective May 27, 2008, as supplemented by a Supplemental Resolution duly adopted by the Issuer on September 8, 2009 (collectively, the "Ordinance"), pursuant to and under which Act and Ordinance the Bonds are authorized and issued, and the ARRA Assistance Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Ordinance and the ARRA Assistance Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Ordinance and in the ARRA Assistance Agreement when used herein.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly organized and presently existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to enact the Ordinance and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The ARRA Assistance Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer, enforceable in accordance with the terms thereof.

3. The ARRA Assistance Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.

4. The Issuer has legally and effectively enacted the Ordinance and adopted all other necessary resolutions in connection with the issuance and sale of the Bonds. The Ordinance constitutes a valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms thereof and contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the ARRA Assistance Agreement.

5. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's Prior Bonds (as that term is defined in the Ordinance), all in accordance with the terms of the Bonds and the Ordinance.

6. Under the Act, the Bonds and any interest thereon are exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof.

No opinion is given herein as to the effect upon enforceability of the Bonds under any applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights or in the exercise of judicial discretion or principles of equity in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1 and in our opinion, the form of said Bond and its execution and authentication are regular and proper.

Ladies and Gentlemen:

I am City Solicitor for the City of Beckley in Raleigh County, West Virginia (the "Issuer"). As such City Solicitor, I have examined copies of the approving opinion of Jackson Kelly PLLC and The Vaughan Law Firm, as co-bond counsel,

relating to the above-captioned bonds of the Issuer (the "Bonds"), two ARRA assistance agreements for the Bonds, dated September 18, 2009, including all schedules and exhibits attached thereto (the "ARRA Assistance Agreements"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), a Bond and Note Ordinance duly passed by the Issuer on April 22, 2008, effective May 27, 2008, as supplemented by a Supplemental Resolution duly adopted by the Issuer on September 8, 2009, an Ordinance duly passed by the Issuer on August 11, 2009, as supplemented by a Supplemental Resolution duly adopted by the Issuer on September 8, 2009 (collectively, the "Ordinances"), two Petitions of the Sanitary Board duly adopted on July 15, 2009, and other documents relating to the Bonds. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the ARRA Assistance Agreements, the Ordinances and the General Certificate of the Issuer when used herein.

I am of the opinion that:

1. The Issuer is a duly organized and presently existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Sewer Project and the Stormwater Project, to operate and maintain the Sewer System and the Stormwater System and to enact the Ordinances, all under the Act and other applicable provisions of law. The Sanitary Board has been duly created by the Issuer and is presently existing as a sanitary board under the Act.

2. The ARRA Assistance Agreements have been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the DEP and the Authority, constitutes valid and binding agreements of the Issuer, enforceable in accordance with the terms.

3. The Mayor, Recorder/Treasurer and members of the Council and the Sanitary Board of the Issuer have been duly, lawfully and properly elected or appointed, as applicable, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.

4. The Ordinances have been duly adopted and enacted by the Issuer and are in full force and effect.

5. The execution and delivery of the Bonds and the ARRA Assistance Agreements and the consummation of the transactions contemplated by the Bonds, the ARRA Assistance Agreements and the Ordinances, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach or default under any ordinance, resolution, order, agreement, document or instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, rule, order or decree to which the Issuer is subject.

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the creation and existence of the Issuer, the issuance of the Bonds, the acquisition and construction of the Projects, the operation of the Systems and the imposition of rates and charges, including, without limitation, all requisite orders, consents, certificates and approvals from the DEP, the West Virginia Infrastructure and Jobs Development Council and the Issuer has taken any other action required for the imposition of such rates and charges, including, without limitation, the enactment of an ordinance prescribing such rates and charges.

7. To the best of my knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the ARRA Assistance Agreements, the Bonds and the Ordinances, the acquisition and construction of the Project, the operation of the Systems, the validity of the Bonds, the collection of the Gross Revenues or the pledge of the Net Revenues for the payment of the Bonds.

8. All successful bidders have made the required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy. Based upon my review of the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Projects, I am of the opinion that such surety bonds and policies: (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interest of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Ordinances and the ARRA Assistance Agreements; and (5) all such documents constitute valid and

legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Re: Final Title Opinion for the City of Beckley

Ladies and Gentlemen:

I am City Solicitor for the City of Beckley (the "Issuer") in connection with a proposed project to construct certain extensions, additions, betterments and improvements to the existing sewerage system and stormwater system of the Issuer (the "Projects"). I provide this final title opinion on behalf of the Issuer to satisfy the requirements of the West Virginia Department of Environmental Protection (the "DEP") for the Projects. Please be advised of the following:

1. I am of the opinion that the Issuer is a duly created and validly existing municipality possessed with all the powers and authority granted to municipalities under the laws of the State of West Virginia to construct, operate and maintain the Projects as approved by the DEP.

2. The Issuer has obtained all necessary permits and approvals for the construction of the Projects.

3. I have investigated and ascertained the location of, and I am familiar with the legal description of, the necessary sites, including easements and/or rights of way, required for the Projects as set forth in the plans for the Projects prepared by Burgess & Niple LTD and MSES Consultants, the consulting engineer for the Projects.

4. I have examined the records on file in the Office of the Clerk of the County Commission of Raleigh County, West Virginia, the county in which the Projects are to be located, and, in my opinion, the Issuer has acquired legal title or such other estate or interest in all of the necessary site components for the Projects, including all easements and/or rights of way, sufficient to assure undisturbed use and possession for the purpose of construction, operation and maintenance for the estimated life of the Projects.

5. All deeds, easements and rights of way which have been acquired to date by the Issuer have been duly recorded in the Office of the Clerk of the County Commission of Raleigh County to protect the legal title to and interest of the Issuer.

Very truly yours,

William H. File, III
