BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF BLUEWELL PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 16, Article 13C of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Bluewell Public Service District (the "Issuer") is a public service district and a public corporation and political subdivision of the State of West Virginia in Mercer County of said State.

B. The Issuer presently owns and operates a public waterworks system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain extensions, additions, betterments and improvements to the existing public waterworks system of the Issuer, consisting of water distribution facilities to serve the existing water customers of the Town of Bramwell, the existing customers of the Bluewell Community Water System and the River Road area of Mercer County, including the purchase of certain assets of the public waterworks system of the Town of Bramwell as provided in that certain Intergovernmental Agreement dated as of August 30, 1999, together with all appurtenant facilities (collectively, the "Project") (the Project and any further improvements or extensions thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), which administers the West Virginia Drinking Water Treatment Revolving Fund pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Water Revenue Bonds, Series 2000 (West Virginia DWTRF Program), in the total aggregate principal amount of not more than \$1,275,000 (the "Series 2000 Bonds"), to be initially represented by a single bond, to permanently finance a portion of the costs of acquisition and construction of the Project. The remaining costs of the Project shall be funded from the sources set forth in Section 2.01 hereof. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2000 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Series 2000 Bonds Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the Administrative Fee (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2000 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs

prior to the issuance of the Series 2000 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 35 years.

F. It is in the best interests of the Issuer that its Series 2000 Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and between the Issuer and the Authority, on behalf of the West Virginia Bureau for Public Health (the "BPH"), in form satisfactory to the Issuer, the Authority and the BPH (the "Loan Agreement"), to be approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2000 Bonds as to liens, pledge, source of and security for payment, being the Issuer's (1) Waterworks Revenue Bond, Series A, dated September 2, 1964, issued in the original aggregate principal amount of \$768,460 (the "Series 1964 Bond"); (2) Water Revenue Bond, Series 1982, dated April 20, 1982, issued in the original aggregate principal amount of \$1,625,000 (the "Series 1982 Bond"); (3) Water Revenue Bond, Series 1993, dated July 15, 1993, issued in the original aggregate principal amount of \$311,000 (the "Series 1993 Bond"); (4) Water Revenue Bond, Series 1998 A, dated January 26, 1998, issued in the original aggregate principal amount of \$480,000 (the "Series 1998 A Bond"); and (5) Water Revenue Bond, Series 1998 B, dated January 26, 1998, issued in the original aggregate principal amount of \$142,000 (the "Series 1998 B Bond"), all held by the United States Department of Agriculture. The Series 1964 Bond, the Series 1982 Bond, the Series 1993 Bond, the Series 1998 A Bond and the Series 1998 B Bond are hereinafter collectively called the "Prior Bonds".

Prior to the issuance of the Series 2000 Bonds, the Issuer will obtain the written consent of the Holder of the Prior Bonds to the issuance of the Series 2000 Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

H. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest, if any, on the Bonds (as hereinafter defined) and payments into all funds and accounts and other payments provided for herein and in the Prior Ordinances (as hereinafter defined).

I. In lieu of funding the Reserve Account (as hereinafter defined) with cash, the Issuer may obtain letters of credit, surety bonds or other credit facility for the benefit of the Commission to be drawn upon in the event that at any time payments are

inadequate to provide funds for the Issuer to make all payments required hereunder and in the Loan Agreement.

J. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2000 Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2000 Bonds or such final order will not be subject to appeal or rehearing.

K. The Project has been reviewed and determined to be technically and financially feasible by the West Virginia Infrastructure and Jobs Development Council (the "Council") as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Series 2000 Bonds by those who shall be the Registered Owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owners, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Registered Owners of any and all of such Series 2000 Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond of a series and any other Bonds of the same series, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

Interest, if any, on the Series 2000 Bonds shall be paid by check or draft of the Paying Agent mailed to the Registered Owner thereof at the address as it appears on the books of the Bond Registrar, or by such other method as shall be mutually agreeable so long as the Authority is the Registered Owner thereof.

Unless otherwise provided by the Supplemental Resolution, the Series 2000 Bonds shall be issued in the form of a single bond, fully registered to the Authority, with a record of advances and a debt service schedule attached, representing the aggregate principal amount of the Series 2000 Bonds. The Series 2000 Bonds shall be exchangeable at the option and expense of the Registered Owner for another fully registered Bond or Bonds of the same series in aggregate principal amount equal to the amount of said Bonds then Outstanding and being exchanged, with principal installments or maturities, as applicable, corresponding to the dates of payment of principal installments of said Bonds; provided, that the Authority shall not be obligated to pay any expenses of such exchange.

Subsequent series of Bonds, if any, shall be issued in fully registered form and in denominations as determined by a Supplemental Resolution. Such Bonds shall be dated and shall bear interest, if any, as set forth in a Supplemental Resolution.

Section 3.03. Execution of Bonds. The Series 2000 Bonds shall be executed in the name of the Issuer by the Chairman, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Secretary. In case any one or more of the officers who shall have signed or sealed the Series 2000 Bonds shall cease to be such officer of the Issuer before the Series 2000 Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2000 Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. No Series 2000 Bonds shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.10 shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. The Certificate of Authentication and Registration on any Series 2000 Bonds and the Series 2000 B Bond shall be deemed to have been executed by the Bond Registrar if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 3.05. Negotiability, Transfer and Registration. Subject to the provisions for transfer of registration set forth below, the Series 2000 Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting the Series 2000 Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that such Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as the Series 2000 Bonds remain outstanding, the Issuer, through the Bond Registrar as its agent, shall keep and maintain books for the registration and transfer of the Bonds.

The registered Series 2000 Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 2000 Bonds or transferring the registered Series 2000 Bonds are exercised, all Series 2000 Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Series 2000 Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Series 2000 Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Series 2000 Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Series 2000 Bonds or, in the case of any proposed redemption of Series 2000 Bonds, next preceding the date of the selection of Series 2000 Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2000 Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2000 Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No holder or holders of the Series 2000 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2000 Bonds or the interest, if any, thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues; Lien Positions with respect to Prior Bonds. The payment of the debt service of all Series 2000 Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on Net Revenues in favor of the Holders of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2000 Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 3.09. Delivery of Bonds. The Issuer shall execute and deliver the Series 2000 Bonds to the Bond Registrar, and the Bond Registrar shall authenticate, register and deliver the Series 2000 Bonds to the original purchasers upon receipt of the documents set forth below:

- A. If other than the Authority, a list of the names in which the Series 2000 Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Bond Registrar may reasonably require;
- B. A request and authorization to the Bond Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2000 Bonds to the original purchasers;
- C. An executed and certified copy of the Bond Legislation;
- D. An executed copy of the Loan Agreement; and
- E. The unqualified approving opinion of bond counsel on the Series 2000 Bonds.

Section 3.10. Form of Bonds. The text of the Series 2000 Bonds shall be in substantially the following form, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted hereby, or by any Supplemental Resolution adopted prior to the issuance thereof:

- (1) The Issuer shall first, each month, pay from the Revenue Fund all Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) remit to the National Finance Office the amounts required by the Prior Resolutions to pay the interest on and principal of the Prior Bonds; and (ii) commencing 3 months prior to the first date of payment of principal of the Series 2000 Bonds, remit to the Commission for deposit in the Series 2000 Bonds Sinking Fund, an amount equal to 1/3 of the amount of principal which will mature and become due on the Series 2000 Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2000 Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date.

Withdrawals and

(5) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, any moneys remaining therein and not permitted to be retained therein may be used to prepay installments of the Bonds, pro rata, or for any lawful purpose of the System.

Moneys in the Series 2000 Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 2000 Bonds as the same shall become due. Moneys in the Series 2000 Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the Series 2000 Bonds as the same shall come due, when other moneys in the Series 2000 Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 2000 Bonds Sinking Fund shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2000 Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2000 Bonds and then to the next ensuing principal payment due thereon.

As and when additional Bonds ranking on a parity with the Series 2000 Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in an amount equal to the maximum amount of principal and interest which will become due in any year for account of the Bonds of such series, including such additional parity Bonds.

The Issuer shall not be required to make any further payments into the Series 2000 Bonds Sinking Fund when the aggregate amount of funds therein are at least equal to the respective aggregate principal amount of the Series 2000 Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2000 Bonds and the Prior Bonds, in accordance with the respective principal amounts then Outstanding.

All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited. If required by the Authority at anytime, the Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 2000 Bonds Sinking Fund and the Series 2000 Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2000 Bonds Sinking Fund and the Series 2000 Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2000 Bonds under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest and reserve account payments with respect to the Series 2000 Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. The Issuer shall also on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the Administrative Fee as set forth in the Schedule Y attached to the Loan Agreement.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03 and the relevant provisions of the Prior Resolutions, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. The Gross Revenues of the System shall only be used for purposes of the System.

All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2000 Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2000 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2000 Bonds, shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2000 Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Series 2000 Bonds shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Prior Bonds and the Series 2000 Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Order of the Public Service Commission of West Virginia entered August 9, 2000 (Case No. 99-1761-PWD-CN), and such rates are hereby adopted.

So long as the Series 2000 Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the

Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates and charges initially established for the System in connection with the Series 2000 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, except as provided in the Prior Resolutions. Additionally, so long as the Series 2000 Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the BPH, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2000 Bonds, immediately be remitted to the Commission for deposit in the Series 2000 Bonds Sinking Fund, and, with the written permission of the Authority and the BPH, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2000 Bonds. Any balance remaining after the payment of the Series 2000 Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, in writing, determine upon consultation with a professional engineer that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, aggregating during such Fiscal Year in excess of \$10,000 and not in excess of \$50,000, shall, with the consent of the BPH and the Authority, be remitted to the

Commission for deposit in the Depreciation Reserve. Payment of such proceeds into the Revenue Fund or the Depreciation Reserve shall not reduce the amounts required to be paid into such funds by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2000 Bonds and the Prior Bonds. All obligations issued by the Issuer after the issuance of the Series 2000 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2000 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2000 Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2000 Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the BPH prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2000 Bonds, except with the prior written consent of the Authority and the BPH under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2000 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions, additions, betterments or improvements to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall be not less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or

subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the BPH, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the BPH such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the BPH, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer shall keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable

times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the BPH, the Authority, or any other original purchaser of the Series 2000 Bonds, and shall mail in each year to any Holder or Holders of the Series 2000 Bonds and the Consulting Engineer, requesting the same, an annual report containing the following:

- (A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.
- (B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.
- (C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2000 Bonds, and shall submit said report to the BPH and the Authority, or any other original purchaser of the Series 2000 Bonds. Such audit report submitted to the BPH and the Authority shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and

the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the BPH and the Authority, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the Authority and the BPH, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the BPH and the Authority with respect to the System pursuant to the Act.

The Issuer shall provide the BPH with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in Exhibit D of the Loan Agreement for the Series 2000 Bonds or as promulgated from time to time.

Section 7.09. Rates. Prior to the issuance of the Series 2000 Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2000 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2000 Bonds, including the Prior Bonds; provided that, in the event amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 2000 Bonds Reserve Account and any reserve accounts for obligations on a parity with the Series 2000 Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2000 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2000 Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare

and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the BPH within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the BPH and to any Holder of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority and the BPH and to any Holder of any Bonds, or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement, and forward a copy of such report to the Authority and the BPH by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the BPH, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the BPH is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the BPH covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the BPH and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

Unless otherwise waived by the BPH, the Issuer shall require the Consulting Engineers to submit Recipient As-Built Plans, as defined in the DWTRF Regulations, to it within 60 days of the completion of the Project. The Issuer shall notify the BPH in writing of such receipt.

Unless otherwise waived by the BPH, the Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the DWTRF Regulations, to the BPH when the Project is 90% completed. The Issuer shall at all times provide operation and maintenance of the System in compliance with all State and federal standards.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System during the entire term of the Loan Agreement. The Issuer shall notify the BPH in writing of the certified operator employed at the 50% completion stage.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Series 2000 Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Depreciation Reserve and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Depreciation Reserve. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority and the BPH and the Issuer shall verify such insurance prior to commencement of construction. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.17. Completion, Operation and Maintenance of Project; Permits and Orders. The Issuer shall complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards. The Issuer shall take all steps to properly operate and maintain the System and make the necessary replacements due to normal wear and tear so long as the Series 2000 Bonds are outstanding.

The Issuer has obtained all permits required by State and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia and the Council necessary for the acquisition and construction of the Project, the operation of the System and all approvals for issuance of the Bonds required by State law, with all requisite appeal periods having expired without successful appeal.

Section 7.18. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2000 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon delivery of the Series 2000 Bonds and shall be on a parity with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 7.19. Compliance with Loan Agreement and Law. The Issuer shall perform, satisfy and comply with all the terms and conditions of the Loan Agreement and the Act. Notwithstanding anything herein to the contrary, the Issuer shall provide the BPH with copies of all documents submitted to the Authority.

The Issuer shall also obtain the written approval of the BPH before expending any proceeds of the Series 2000 Bonds made available due to bid or construction or project underruns.

C. The Issuer shall list the funding provided by the BPH and the Authority in any press release, publication, program bulletin, sign or other public communication that

references the Project, including but not limited to any program document distributed in conjunction with any groundbreaking or dedication of the Project.

ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2000 Bonds are Outstanding.

Section 8.02. Certificate and Covenants as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2000 Bonds as a condition to issuance of the Series 2000 Bonds. 2.12 The Local Entity, commencing on the date contracts are executed for the construction of the Project and for two years following the completion of the Project, shall each month complete a Monthly Financial Report, the form of which is attached hereto as Exhibit A and incorporated herein by reference, and forward a copy by the 10th of each month to BPH.

2.13 The Local Entity, during construction of the Project, shall complete Payment Requisition Forms, the form of which is attached hereto as Exhibit B and incorporated herein by reference, and forward such forms to BPH in compliance with the Local Entity's construction schedule.

ARTICLE III

Conditions to Loan; Issuance of Local Bonds

3.1 The agreement of the Authority and BPH to make the Loan is subject to the Local Entity's fulfillment, to the satisfaction of the Authority and BPH, of each and all of those certain conditions precedent on or before the delivery date for the Local Bonds, which shall be the date established pursuant to Section 3.4 hereof. Said conditions precedent are as follows:

(a) The Local Entity shall have delivered to BPH and the Authority a report listing the specific purposes for which the proceeds of the Loan will be expended and the procedures as to the disbursement of loan proceeds, including an estimated monthly draw schedule;

(b) The Local Entity shall have performed and satisfied all of the terms and conditions to be performed and satisfied by it in this Loan Agreement;

(c) The Local Entity shall have authorized the issuance of and delivery to the Authority of the Local Bonds described in this Article III and in Article IV hereof;

(d) The Local Entity shall either have received bids or entered into contracts for the construction of the Project, which are in an amount and otherwise compatible with the plan of financing described in the Application; provided, that, if the Loan will refund an interim construction financing, the Local Entity must either be constructing or have constructed its Project for a cost and as otherwise compatible with the plan of financing described in the Application; and.

in either case, the Authority and BPH shall have received a certificate of the Consulting Engineers to such effect, the form of which certificate is attached hereto as Exhibit C;

(e) The Local Entity shall have obtained all permits required by the laws of the State and the federal government necessary for the construction of the Project, and the Authority and BPH shall have received a certificate of the Consulting Engineers to such effect;

(f) The Local Entity shall have obtained all requisite orders of and approvals from the Public Service Commission of West Virginia (the "PSC") and the West Virginia Infrastructure and Jobs Development Council necessary for the construction of the Project and operation of the System, with all requisite appeal periods having expired without successful appeal, and the Authority and BPH shall have received an opinion of counsel to the Local Entity, which may be local counsel to the Local Entity, bond counsel or special PSC counsel but must be satisfactory to the Authority and BPH, to such effect;

(g) The Local Entity shall have obtained any and all approvals for the issuance of the Local Bonds required by State law, and the Authority and BPH shall have received an opinion of counsel to the Local Entity, which may be local counsel to the Local Entity, bond counsel or special PSC counsel but must be satisfactory to the Authority and BPH, to such effect;

(h) The Local Entity shall have obtained any and all approvals of rates and charges required by State law and shall have taken any other action required to establish and impose such rates and charges (imposition of such rates and charges is not, however, required to be effective until completion of construction of the Project), with all requisite appeal periods having expired without successful appeal, and the Authority and BPH shall have received an opinion of counsel to the Local Entity, which may be local counsel to the Local Entity, bond counsel or special PSC counsel but must be satisfactory to the Authority and BPH, to such effect;

(i) Such rates and charges for the System shall be sufficient to comply with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof, and the Authority and BPH shall have received a certificate of the accountant for the Local Entity, or such other person or firm experienced in the finances of local entities and satisfactory to the Authority and BPH, to such effect; and

(j) The net proceeds of the Local Bonds, together with all moneys on deposit or to be simultaneously deposited (or, with respect to proceeds of grant anticipation notes or other indebtedness for which a binding purchase contract has been entered, to be deposited on a date certain) and irrevocably pledged thereto and the proceeds of grants irrevocably committed therefor, shall be sufficient to pay the costs of construction and acquisition of the Project as set forth in the Application, and the Authority and BPH shall have received a certificate of the Consulting Engineers, or such other person or firm experienced in the financing of drinking water projects and satisfactory to the Authority and BPH, to such effect, such certificate to be in form and substance satisfactory to the Authority and BPH, and evidence satisfactory to the Authority and BPH of such irrevocably committed grants.

3.2 Subject to the terms and provisions of this Loan Agreement, the rules and regulations promulgated by the BPH, including the DWTRF Regulations, or any other appropriate State agency and any applicable rules, regulations and procedures promulgated from time to time by the federal government, it is hereby agreed that the Authority shall make the Loan to the Local Entity and the Local Entity shall accept the Loan from the Authority, and in furtherance thereof it is agreed that the Local Entity shall sell to the Authority and the Authority shall make the Loan by purchasing the Local Bonds in the principal amount and at the price set forth in Schedule X hereto. The Local Bonds shall have such further terms and provisions as described in Article IV hereof.

3.3 The Loan shall be secured and shall be repaid in the manner hereinafter provided in this Loan Agreement.

3.4 The Local Bonds shall be delivered to the Authority, at the offices of the Authority, on a date designated by the Local Entity by written notice to the Authority, which written notice shall be given not less than ten (10) business days prior to the date designated; provided, however, that if the Authority is unable to accept delivery on the date designated, the Local Bonds shall be delivered to the Authority on a date as close as possible to the designated date and mutually agreeable to the Authority, BPH and the Local Entity. The date of delivery so designated or agreed upon is hereinafter referred to as the "Date of Loan Closing." Notwithstanding the foregoing, the Date of Loan Closing shall in no event occur more than ninety (90) days after the date of execution of this Loan Agreement by the Authority.

3.5 The Local Entity understands and acknowledges that it is one of several local entities which have applied to the Authority and BPH for loans from the Fund to finance drinking water projects and that the obligation of the Authority to make any such loan is subject to the Local Entity's fulfilling all of the terms and conditions of this Loan Agreement on or prior to the Date of Loan Closing and to the requirements of the Program. The Local Entity specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Fund to purchase all the Local Bonds and that, prior to execution of this Loan Agreement, the Authority may purchase the bonds of other local entities set out in the State Project Priority List, as defined in the DWTRF Regulations. The Local Entity further specifically recognizes that all loans will be originated in conjunction with the DWTRF Regulations and with the prior approval of BPH.

3.6 The Local Entity shall provide BPH with the appropriate documentation to comply with the special conditions regarding the public release requirements established by federal and State regulations as set forth in Exhibit D attached hereto at such times as are set forth therein.

ARTICLE IV

Local Bonds; Security for Loan; Repayment of Loan; Interest on Loan; Fees and Charges

4.1 The Local Entity shall, as one of the conditions of the Authority and BPH to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of

the Local Entity in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues will be used monthly, in the order of priority listed below:

(i) to pay Operating Expenses of the System;

(ii) to the extent not otherwise limited by any outstanding loan resolution, indenture or other act or document and beginning on the date set forth in Schedule X, to provide debt service on the Local Bonds by depositing in a sinking fund one-third (1/3) of the interest payment next coming due on the Local Bonds and one-third (1/3) of the principal payment next coming due on the Local Bonds and, beginning three (3) months prior to the first date of payment of principal of the Local Bonds, if the reserve account for the Local Bonds (the "Reserve Account") was not funded from proceeds of the Local Bonds or otherwise concurrently with the issuance thereof in an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement"), by depositing in the Reserve Account an amount not less than one-twelfth (1/12) of one-tenth (1/10) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided that if the Local Entity has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by a pledge of either the gross or net revenues, as applicable, of the System as provided in the Local Act;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent

(115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Local Entity will complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or the DWTRF Regulations, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized from such sale, mortgage, lease or other disposition shall be sufficient to fully pay all of the Local Bonds outstanding and further provided that portions of the System when no longer required for the ongoing operation of the System as evidenced by certificates from the Consulting Engineer, may be disposed of with such restrictions as are normally contained in such covenants;

(v) That the Local Entity shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and BPH;

(vi) That the Local Entity will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Local Entity will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Local Entity under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law and all rights as set forth in Section 5 of the Act;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Local Entity will not grant any franchise to provide any services which would compete with the System;

(xi) That the Local Entity shall annually, within six months of the end of the fiscal year, cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and BPH. If the Local Entity receives \$300,000 or more (in federal funds) in a fiscal year, the audit shall be obtained in accordance with the Single Audit Act (as amended from time to time) and the applicable OMB Circular (or any successor thereto). Financial statement audits are required once all funds have been received by the Local Entity. The audit shall include a statement that the Local Entity is in compliance with the terms and provisions of the Local Act and this Loan Agreement and that the Local Entity's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xii) That the Local Entity shall annually adopt a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding fiscal year and shall submit a copy of such budget to the Authority and BPH within 30 days of adoption thereof;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, except for accrued interest and capitalized interest, if any, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Local Entity and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim funding of such Local Entity, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the Authority and BPH, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Local Entity may authorize redemption of the Local Bonds with 30 days written notice to BPH and the Authority;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for all Local Bonds;

(xvii) That the Local Entity shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Local Entity shall complete the Monthly Payment Form, attached hereto as Exhibit E and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month;

(xviii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Local Entity will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Local Entity shall have obtained the certificate of the Consulting Engineers to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority and BPH, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and BPH is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and State laws for construction of the Project have been obtained;

(xx) That the Local Entity shall, to the full extent permitted by applicable law and the rules and regulations of the PSC, terminate its services to any customer of the System who is delinquent in payment of charges for services provided by the System and will not restore such services until all delinquent charges for the services of the System have been fully paid; and

(xxi) That the Local Entity shall submit all proposed change orders to the BPH for written approval. The Local Entity shall obtain the written approval of the BPH before expending any proceeds of the Local Bonds held in "contingency" as set forth in the final Schedule A attached to the certificate of the Consulting Engineer. The Local Entity shall obtain the written approval of the BPH before expending any proceeds of the Local Bonds available due to bid/construction/project underruns.

The Local Entity hereby represents and warrants that the Local Act has been or shall be duly adopted or enacted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, validity, sale and delivery of the Local Bonds shall be approved without qualification by nationally recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit F.

4.2 The Loan shall be secured by the pledge and assignment by the Local Entity, as effected by the Local Act, of the fees, charges and other revenues of the Local Entity from the System.

4.3 At least five percent (5%) of the proceeds of the Local Bonds will be advanced on the Date of Loan Closing. The remaining proceeds of the Local Bonds shall be advanced by the Authority monthly as required by the Local Entity to pay Costs of the Project, provided, however, if the proceeds of the Local Bonds will be used to repay an interim financing, the proceeds will be advanced on a schedule mutually agreeable to the Local Entity, the BPH and the Authority. The Local Bonds shall not bear interest during the construction period but interest shall commence accruing on the completion date as defined in the DWTRF Regulations, provided that the annual repayment of principal and payment of interest shall begin not later than one (1) year after the completion date. The repayment of principal and interest on the Local Bonds shall be as set forth on Schedule Y hereto. In no event shall the interest rate on or the net interest cost of the Local Bonds exceed any statutory limitation with regard thereto.

4.4 The Local Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Local Entity. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series.

4.5 As provided by the DWTRF Regulations, the Local Entity agrees to pay from time to time, if required by the Authority and BPH, the Local Entity's allocable share of the reasonable administrative expenses of the BPH and the Authority relating to the Program. Such administrative expenses shall be determined by the BPH and the Authority and shall include, without limitation, Program expenses, legal fees paid by the BPH and the Authority and fees paid for any bonds or notes to be issued by the Authority for contribution to the Fund.

4.6 The obligation of the Authority to make any loans shall be conditioned upon the availability of moneys in the Fund in such amount and on such terms and conditions as, in the sole judgment of the Authority, will enable it to make the Loan.

ARTICLE V

Certain Covenants of the Local Entity; Imposition and Collection of User Charges; Payments To Be Made by Local Entity to the Authority

5.1 The Local Entity hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this Loan Agreement and the Local Act. The Local Entity hereby further irrevocably covenants and agrees that, as one of the conditions of the Authority

to make the Loan, it has fixed and collected, or will fix and collect, the rates, fees and other charges for the use of the System and will take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and in compliance with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof.

5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds shall prove to be insufficient to produce the required sums set forth in the Local Act and this Loan Agreement, the Local Entity hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges (or where applicable, immediately file with the PSC for a rate increase) and take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and this Loan Agreement.

5.3 In the event the Local Entity defaults in any payment due to the Authority pursuant to Section 4.2 hereof, the amount of such default shall bear interest at the interest rate of the installment of the Loan next due, from the date of the default until the date of the payment thereof.

5.4 The Local Entity hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Local Entity, the Authority may exercise any or all of the rights and powers granted under Section 5 of the Act, including, without limitation, the right to impose, enforce and collect charges of the System.

ARTICLE VI

Other Agreements of the Local Entity

6.1 The Local Entity hereby acknowledges to the Authority and BPH its understanding of the provisions of the Act, vesting in the Authority and BPH certain powers, rights and privileges with respect to drinking water projects in the event of default by local entities in the terms and covenants of this Loan Agreement, and the Local Entity hereby covenants and agrees that, if the Authority should hereafter have recourse to said rights and powers, the Local Entity shall take no action of any nature whatsoever calculated to inhibit, nullify, void, delay or render nugatory such actions of the Authority in the due and prompt implementation of this Loan Agreement.

6.2 The Local Entity hereby warrants and represents that all information provided to the Authority and BPH in this Loan Agreement, in the Application or in any other application or documentation with respect to financing the Project was at the time, and now is, true, correct and complete, and such information does not omit any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Prior to the Authority's making the Loan and receiving the Local Bonds, the Authority and BPH shall have the right to cancel all or any of their obligations under this Loan Agreement if (a) any representation

made to the Authority and BPH by the Local Entity in connection with the Loan shall be incorrect or incomplete in any material respect or (b) the Local Entity has violated any commitment made by it in its Application or in any supporting documentation or has violated any of the terms of the Act, the DWTRF Regulations or this Loan Agreement.

6.3 The Local Entity hereby agrees to repay on or prior to the Date of Loan Closing any moneys due and owing by it to the Authority or any other lender for the planning or design of the Project, provided that such repayment shall not be made from the proceeds of the Loan.

6.4 The Local Entity hereby covenants that it will rebate any amounts required by Section 148 of the Internal Revenue Code of 1986, as amended, and will take all steps necessary to make any such rebates. In the event the Local Entity fails to make any such rebates as required, then the Local Entity shall pay any and all penalties, obtain a waiver from the Internal Revenue Service and take any other actions necessary or desirable to preserve the exclusion from gross income for federal income tax purposes of interest on the Local Bonds.

6.5 Notwithstanding Section 6.4, the Authority and BPH may at any time, in their sole discretion, cause the rebate calculations prepared by or on behalf of the Local Entity to be monitored or cause the rebate calculations for the Local Entity to be prepared, in either case at the expense of the Local Entity.

6.6 The Local Entity hereby agrees to give the Authority and BPH prior written notice of the issuance by it of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project or otherwise related to the Project or the System.

6.7 The Local Entity hereby agrees to file with the Authority and BPH upon completion of acquisition and construction of the Project a schedule in substantially the form of Amended Schedule A to the Application, setting forth the actual costs of the Project and sources of funds therefor.

ARTICLE VII

Miscellaneous

7.1 Schedules X and Y shall be attached to this Loan Agreement by the Authority as soon as practicable after the Date of Loan Closing is established and shall be approved by an official action of the Local Entity supplementing the Local Act, a certified copy of which official action shall be submitted to the Authority.

7.2 If any provision of this Loan Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Loan Agreement, and this Loan Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.3 This Loan Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Loan Agreement.

7.4 No waiver by any party of any term or condition of this Loan Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Loan Agreement.

7.5 This Loan Agreement supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Loan and constitutes the entire agreement between the parties hereto in respect thereof.

7.6 By execution and delivery of this Loan Agreement, notwithstanding the date hereof, the Local Entity specifically recognizes that it is hereby agreeing to sell its Local Bonds to the Authority and that such obligation may be specifically enforced or subject to a similar equitable remedy by the Authority.

7.7 This Loan Agreement shall terminate upon the earlier of:

(i) written notice of termination to the Local Entity from either the Authority or BPH;

(ii) the end of ninety (90) days after the date of execution hereof by the Authority if the Local Entity has failed to deliver the Local Bonds to the Authority;

(iii) termination by the Authority and BPH pursuant to Section 6.2 hereof;
or

(iv) payment in full of the principal of and interest on the Loan and of any fees and charges owed by the Local Entity to the Authority or BPH.

In the event funds are not available to make all of the Loan, the responsibility of the Authority and BPH to make all the Loan is terminated; provided further that the obligation of the Local Entity to repay the outstanding amount of the Loan made by the Authority and BPH is not terminated due to such non-funding on any balance of the Loan. The BPH agrees to use its best efforts to have the amount contemplated under this Loan Agreement included in its budget. Non-funding of the Loan shall not be considered an event of default under this Loan Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Loan Agree

Instructions for Completing Monthly Financial Report

1. You will need a copy of the current fiscal year budget adopted by the Local Entity to complete Items 1 and 2. In Item 1, provide the amount of actual gross revenues for the current month and the total amount year to date in the respective columns. Divide the budgeted annual gross revenues by 12. For example, if gross revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($1200/12$). This is the incremental amount for the Budget Year to Date column.
2. In Item 2, provide the amount of actual operating expenses for the current month and the total amount year to date in the respective columns. The SRF administrative fee should be included in the operating expenses. Divide the budgeted annual operating expenses by 12. For example, if operating expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ($900/12$). This is the incremental amount for the Budget Year to Date column.
3. In Item 3, provide the principal, interest and reserve account payments for all the outstanding bonds of the Local Entity other than this Loan.
4. In Item 4, provide the principal, interest and reserve account payments for this Loan. You need to call the Municipal Bond Commission for the exact amount of these payments and when they begin.
5. In Item 5, provide the amount deposited into the Renewal and Replacement Fund each month. This amount is equal to 2.5% of gross revenues minus the total reserve account payments included in Items 3 and 4. If gross revenues are \$12,000, the Renewal and Replacement Fund should have an amount of \$300 (2.5% of \$12,000), LESS the amount of all reserve account payments in Items 3 & 4. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Entity.
6. The Local Entity must complete the Monthly Financial Report and forward it to the BPH by the 10th day of each month, commencing on the date contracts are executed for the construction of the Project and for 2 years following the completion of the Project. BPH will notify the Local Entity when the Monthly Financial Report no longer needs to be filed.

[To Be Dated as of Date of Loan Closing]

West Virginia Water Development Authority

Charleston, WV 25311-1511

West Virginia Bureau for Public Health
815 Quarrier Street, Suite 418
Charleston, WV 25301-2616

Ladies and Gentlemen:

We are bond counsel to _____ (the "Local Entity"), a
_____.

We have examined a certified copy of proceedings and other papers relating to the authorization of a (i) loan agreement dated _____, including all schedules and exhibits attached thereto (the "Loan Agreement"), between the Local Entity and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Bureau for Public Health (the "BPH"), and (ii) the issue of a series of revenue bonds of the Local Entity, dated _____ (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of \$ _____, in the form of one bond, registered as to principal and interest to the Authority, with principal and interest payable quarterly on March 1, June 1, September 1, and December 1 of each year, beginning _____ 1, _____, and ending _____ 1, _____, all as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Local Entity on _____, as supplemented by the supplemental resolution duly adopted by the Local Entity on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Local Entity and is a valid and binding special obligation of the Local Entity enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the BPH and cannot be amended so as to affect adversely the rights of the Authority or the BPH or diminish the obligations of the Local Entity without the consent of the Authority and the BPH.

3. The Local Entity is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Local Entity and constitute valid and binding obligations of the Local Entity enforceable against the Local Entity in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Entity to the Authority and are valid and legally enforceable and binding special obligations of the Local Entity, payable from the gross or net revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the gross or net revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

The Project and any further extensions, additions, betterments or improvements thereto are herein called the "System." Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Bluewell Public Service District (the "Issuer"), a public service district, public corporation and political subdivision created and existing under the laws of the State of West Virginia, of its \$1,275,000 Water Revenue Bonds, Series 2000 (West Virginia DWTRF Program), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a loan agreement dated August 15, 2000, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Bureau for Public Health (the "BPH"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal only to the Authority, bearing no interest, with principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2001, and ending September 1, 2031, all as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 16,

Article 13C of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public waterworks facilities of the Issuer, including, but not limited to, the cost of acquiring certain assets of the public waterworks system of the Town of Bramwell (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act and the Bond Resolution duly adopted by the Issuer on August 15, 2000, as supplemented by a Supplemental Resolution duly adopted by the Issuer on August 15, 2000 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the Loan Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Loan Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district, public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.
2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the BPH and cannot be amended by the Issuer so as to affect adversely the rights of the Authority or the BPH or diminish the obligations of the Issuer without the written consent of the Authority and the BPH.
3. The Bond Legislation and all other necessary orders and resolutions have been duly and effectively adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.
4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's (1) Waterworks Revenue Bond, Series A, dated September 2, 1964, issued in the original aggregate principal amount of \$768,460; (2) Water Revenue Bond, Series 1982, dated April 20, 1982, issued in the original aggregate principal amount of \$1,625,000; (3) Water Revenue Bond, Series 1993, dated July 15, 1993, issued in the original aggregate principal amount of \$311,000; (4) Water Revenue Bond, Series 1998 A, dated January 26, 1998, issued in the original aggregate principal amount of \$480,000; and (5) Water Revenue Bond, Series 1998 B, dated January 26, 1998, issued in the original aggregate principal

amount of \$142,000, all held by the United States Department of Agriculture, all in accordance with the terms of the Bonds and the Bond Legislation.

5. The Bonds are, under the Act, exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Loan Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered R-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

STEPTOE & JOHNSON

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Bluewell Public Service District (the "Issuer"), a public service district, public corporation and political subdivision created and existing under the laws of the State of West Virginia, of its \$1,275,000 Water Revenue Bonds, Series 2000 (West Virginia DWTRF Program), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a loan agreement dated August 15, 2000, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Bureau for Public Health (the "BPH"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal only to the Authority, bearing no interest, with principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2001, and ending September 1, 2031, all as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 16,

Article 13C of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public waterworks facilities of the Issuer, including, but not limited to, the cost of acquiring certain assets of the public waterworks system of the Town of Bramwell (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act and the Bond Resolution duly adopted by the Issuer on August 15, 2000, as supplemented by a Supplemental Resolution duly adopted by the Issuer on August 15, 2000 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the Loan Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Loan Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district, public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the BPH and cannot be amended by the Issuer so as to affect adversely the rights of the Authority or the BPH or diminish the obligations of the Issuer without the written consent of the Authority and the BPH.

3. The Bond Legislation and all other necessary orders and resolutions have been duly and effectively adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's (1) Waterworks Revenue Bond, Series A, dated September 2, 1964, issued in the original aggregate principal amount of \$768,460; (2) Water Revenue Bond, Series 1982, dated April 20, 1982, issued in the original aggregate principal amount of \$1,625,000; (3) Water Revenue Bond, Series 1993, dated July 15, 1993, issued in the original aggregate principal amount of \$311,000; (4) Water Revenue Bond, Series 1998 A, dated January 26, 1998, issued in the original aggregate principal amount of \$480,000; and (5) Water Revenue Bond, Series 1998 B, dated January 26, 1998, issued in the original aggregate principal

amount of \$142,000, all held by the United States Department of Agriculture, all in accordance with the terms of the Bonds and the Bond Legislation.

5. The Bonds are, under the Act, exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Loan Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered R-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

Ladies and Gentlemen:

I am counsel to Bluewell Public Service District, a public service district, in Mercer County, West Virginia (the "Issuer"). As such counsel, I have examined copies of the approving opinion of Steptoe & Johnson, as bond counsel, a loan agreement dated August 15, 2000, including all schedules and exhibits attached thereto, by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Bureau for Public Health (the "BPH") (the "Loan Agreement"), the Bond Resolution duly adopted by the Issuer on August 15, 2000, as supplemented by the Supplemental Resolution duly adopted by the Issuer on August 15, 2000 (collectively, the "Bond Legislation"), orders of The County Commission of Mercer County relating to the Issuer and the appointment of members of the Public Service Board of the Issuer, the Intergovernmental Agreement dated August 30, 1999, by and between the Issuer and the Town of Bramwell (the "Town"), the Escrow Agreement dated August 29, 2000, by and among the Issuer, the Town and myself, as Escrow Agent, and other documents, papers, agreements, instruments and certificates relating to the above-captioned Bonds of the Issuer (collectively, the "Bonds"). All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Bond Legislation and the Loan Agreement when used herein.

I am of the opinion that:

1. The Issuer is duly created and validly existing as a public service district and as a public corporation and political subdivision of the State of West Virginia.
2. The Loan Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the Authority, constitutes a valid and binding agreement of the Issuer enforceable in accordance with its terms.
3. The members and officers of the Public Service Board of the Issuer have been duly, lawfully and properly appointed and elected, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.
4. The Bond Legislation has been duly adopted by the Issuer and is in full force and effect.
5. To the best of my knowledge after due inquiry with the Issuer, the execution and delivery of the Bonds, the Loan Agreement, the Intergovernmental Agreement and the Escrow Agreement and the consummation of the transactions contemplated by the Bonds, the Loan Agreement, the Intergovernmental Agreement, the Escrow Agreement and the Bond Legislation and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any order, resolution, agreement or other instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, court order or consent decree to which the Issuer is subject.
6. To the best of my knowledge after due inquiry with the Issuer, the Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the creation and existence of the Issuer, the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt

of all requisite orders, certificates and approvals from The County Commission of Mercer County, the West Virginia Infrastructure and Jobs Development Council, the BPH and the Public Service Commission of West Virginia, and has taken any other action required for the imposition of such rates and charges, including, without limitation, the adoption of a resolution prescribing such rates and charges. The Issuer has received the Final Order of the Public Service Commission of West Virginia entered on August 9, 2000, in Case No. 99-1761-PWD-CN, among other things, granting to the Issuer a certificate of public convenience and necessity for the Project and approving the financing for the Project and the rates for the System. The time for appeal of such Final Order has not expired prior to the date hereof. However, the Issuer and the other parties to such Final Order have stated that they do not intend to appeal such Final Order. Such Final Order is not subject to any appeal, further hearing, reopening or rehearing by any customer, protestant, intervenor or other person not a party to original application.

7. The Issuer has duly authorized, executed, delivered and renewed the term of, the Intergovernmental Agreement. The Intergovernmental Agreement has been approved by the Attorney General of the State of West Virginia and by the Public Service Commission of West Virginia, by Final Order entered on December 14, 1999, in Case No. 99-1467-PWD-W-PC, the time for appeal of which has expired prior to the date hereof without appeal. The Issuer has duly approved, authorized and executed the Escrow Agreement and all other documents necessary for the acquisition of certain assets of the public waterworks system of the Town. The real property of the Town of Bramwell to be conveyed under the Intergovernmental Agreement may, however, be subject to a claim against the Town's title thereto by a third party. The Town of Bramwell has covenanted in the Escrow Agreement that, prior to the conveyance of the Assets of the Town to the District as provided therein, the Town will clarify and resolve all possible encroachments on the real property to provide that the Issuer shall have clear title to, or an easement for, all real property which is necessary for the ownership,

construction, operation and/or maintenance of the System.

8. To the best of my knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Loan Agreement, the Bond Legislation, the Intergovernmental Agreement, the Escrow Agreement, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds or the collection or pledge of the Net Revenues therefor.
9. Prior to the execution of construction contracts by the Issuer, I will verify that all successful bidders have made the required provisions for all insurance and payment and performance bonds and I will verify such insurance policies or binders and such bonds for accuracy. Prior to the execution of construction contracts by the Issuer, I will review the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, I will verify that such surety bonds and policies (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interests of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Bond Legislation and the Loan Agreement; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Very truly yours,

NOTES:

FOR MUNICIPAL BOND COMMISSION USE ONLY:

DOCUMENTS REQUIRED:

TRANSFERS REQUIRED:

The purpose of the NEW ISSUE REPORT FORM is to provide the WV Municipal Bond Commission with an early warning of three basic facts no later than the day of closing on any issue for which the Commission is to act as fiscal agent. These are:

1. Formal notification that a new issue is outstanding.
2. Date of first action or debt service.
3. Contact people should we lack documents, information, or funds needed to administer the issue by the date of the first action or debt service.

The commission recognizes that as bond transcripts become increasingly long and complex, it has become more difficult to assemble and submit them to the Commission within the 30 days specified by the West Virginia Code 13-3-8. This notice is not intended to provide all the information needed to administer an issue, but to alert the Commission and ensure that no debt service payments are missed due to delays in assembling bond transcripts. If, at the time of closing, documents such as the ordinance and all supplements, debt service schedules, and a specimen bond or photostat are available and submitted with this form, it will greatly aid the Commission in the performance of its duties. These documents are needed to set up the proper accounts and to advise the issuer of monthly deposit requirements as far in advance of the first debt service as possible.

It is not necessary to complete all items if they are not pertinent to your issue. Indicate the County of the issuer. With PSDs that overlap more than one county, indicate the county of their business office. Complete "Rate" only if the issue has only one rate. Please complete a separate form for each series of an issue. Other important information can be recorded under "Notes."

Again, please submit this form on each new issue on the day of closing. If fund transfers into or out of the Commission at closing are required, please submit this form before closing. If no significant facts change by closing, no resubmission at closing is required. If, however, there are changes, please submit an updated form, with changes noted, at closing.

If you should have any questions concerning this form, please call the Commission.

BLUEWELL PUBLIC SERVICE DISTRICT
Water Revenue Bonds, Series 2000

ESCROW AGREEMENT

This ESCROW AGREEMENT is made, entered into and effective as of August 29, 2000, by and among the TOWN OF BRAMWELL, a municipal corporation (hereinafter "Town"), BLUEWELL PUBLIC SERVICE DISTRICT (hereinafter "District"), and CHARLES W. PACE, ESQUIRE, as escrow agent (hereinafter "Escrow Agent").

WHEREAS, Town and District have entered into an Intergovernmental Agreement dated August 30, 1999 ("the Agreement"), whereby the Town and the District agree to jointly develop and undertake construction of a waterline project within the Town and its service area (the "Project"). As part of said Agreement the District will pay to the Town on the date hereof the sum of Two Hundred Twenty-Five Thousand Dollars (\$225,000) (the "Purchase Price"). As consideration for such payment, the District shall receive from the Town certain assets of the Town's existing public waterworks system (the "Assets"), which Assets shall be conveyed to the District free and clear of all liens, mortgages or other encumbrances. The Town and the District hereby agree and affirm that the transfer of the Assets to the District from the Town shall not occur until the completion of construction of the Project; and

WHEREAS, Town and District have determined that, in order to effectuate the intentions of the parties set forth in the Agreement and to provide consideration to the District upon the payment of the Purchase Price, the parties hereto shall execute the documents necessary to transfer the Assets, being a Deed of the Town of Bramwell, a Bill of Sale of the Town of Bramwell and an Assignment of Rights-of-way and Easements of the Town of Bramwell (collectively, the "Escrow Documents"), on the date of receipt of the Purchase Price from District, being the date hereof, and that the Escrow Documents shall be held by the Escrow Agent until substantial completion of construction of the Project as certified by the consulting engineer for the Project, or as otherwise provided, pursuant to the terms and provisions of this Escrow Agreement; and

WHEREAS, in the course of preparing the Deed of the Town of Bramwell to convey the real property of the Town of Bramwell public waterworks system (the "Real Property"), counsel for the Town and the District discovered that, while the Town holds record title to the Real Property, certain possible encroachments on the Real Property exist, and both parties agree and affirm that,

while the execution of this Escrow Agreement and the Escrow Documents on the date hereof is necessary and in the best interests of both the Town and the District, such possible encroachments must be clarified and resolved prior to the conveyance of the Assets so that the District takes clear title to, or an easement for, all real property which is necessary for the ownership, construction, operation and/or maintenance of the System.

NOW, THEREFORE, WITNESSETH, that the DISTRICT, the TOWN and the ESCROW AGENT hereby agree as follows:

1. Delivery of Escrow Documents.

(a) Town hereby delivers to Escrow Agent the following documents, all as provided in the Agreement:

- (i) the Deed of the Town of Bramwell;
- (ii) the Assignment of Rights-of-way and Easements of the Town of Bramwell; and
- (iii) the Bill of Sale of the Town of Bramwell.

(b) Escrow Agent acknowledges receipt of the Escrow Documents, and agrees to hold and safeguard the same in accordance with this Escrow Agreement.

(c) The parties hereto agree and confirm that the Deed of the Town of Bramwell does not currently contain a description of the Real Property. Prior to the conveyance of the Assets and the disbursement of the Escrow Documents, all as herein provided, the Deed of the Town of Bramwell will be amended to provide for the correct legal description for the Real Property.

2. Disbursement of Escrow Documents. Promptly after the Escrow Agent has received from the District the certification of the District's consulting engineer of the substantial completion of the Project (the "Certificate of Substantial Completion"), the Escrow Agent shall deliver the Escrow Documents to District. Provided, however, that if the Escrow Agent has not received the Certificate of Substantial Completion prior to August 29, 2002, the Escrow Agent shall deliver the Escrow Documents to the District on August 29, 2002. Until the disbursement of the Escrow Documents by the Escrow Agent to the District, the Town hereby agrees that it shall not take any action which would in any way adversely affect the title and ownership interests of the District that it will receive under the Escrow Documents.

3. Termination of Escrow. This Agreement shall terminate upon the disbursement of the Escrow Documents by the Escrow Agent in accordance with Section 2 hereof.

4. Covenants as to Real Property. The Town of Bramwell hereby covenants that, prior to the conveyance of the Assets and the disbursement of the Escrow Documents, it will clarify and resolve all possible encroachments on the Real Property to provide that the District shall have clear title to, or an easement for, all real property which is necessary for the ownership, construction, operation and/or maintenance of the System. Seven (7) days prior to the conveyance of the Assets and the disbursement of the Escrow Documents, the Town shall provide to the Escrow Agent a legal description for the Real Property which satisfies the covenants of this Section 4.

5. Escrow Agent. The Escrow Agent shall act as escrow agent and hold and disburse the Escrow Documents pursuant to the terms and conditions of this Escrow Agreement. His duties under this Escrow Agreement shall cease upon disbursement of the Escrow Documents as provided in Section 2.

(a) This Escrow Agreement expressly sets forth all the duties of the Escrow Agent with respect to any and all matters pertinent hereto. No implied duties or obligations shall be read into this Escrow Agreement against the Escrow Agent. The Escrow Agent, in his capacity as such, shall not be bound by the provisions of any other agreement among the parties to this Escrow Agreement and shall have no duty to inquire into, or to take into account its knowledge of, the terms and conditions of any agreement made or entered into in connection with this Escrow Agreement, including, but not limited to, the Agreement. The Escrow Agent shall incur no liability whatsoever to Town or District, except for his own bad faith or willful misconduct in his capacity as Escrow Agent.

(b) The Escrow Agent shall not be liable for any action taken by him in good faith and believed by him to be authorized or within the rights or powers conferred upon him by this Escrow Agreement, and may consult with counsel of his own choice (including, but not limited to, himself) and shall have full and complete authorization and protection for any action taken or suffered by him hereunder in good faith and in accordance with the opinion of such counsel.

(c) Town and District hereby jointly and severally agree to indemnify the Escrow Agent for, and to hold him harmless against, any loss, liability, damage or expense incurred without bad faith or willful misconduct on the part of the Escrow Agent arising out of or in connection with his entering into and/or performing under this Escrow Agreement, including the cost and expense (including, but not limited to, attorneys' fees) of defending himself against any claim or liability.

(d) Town acknowledges that it is aware that the Escrow Agent is acting as counsel to the District in connection with the Agreement, and agrees that the Escrow Agent's acting under this Escrow Agreement shall not affect his ability to act as counsel to the District in any

matter, including, but not limited to, any claim, action or proceeding with respect to the Agreement or the disposition of or entitlement to the Escrow Documents.

(e) Town and District hereby expressly acknowledge and consent to their respective anticipatory waivers of certain rights against the Escrow Agent as specifically provided in this Section 5 and as may otherwise be provided throughout this Escrow Agreement.
