INSTRUCTIONS FOR COMPLETING MONTHLY FINANCIAL REPORT

- Item 1 You will need a copy of the current fiscal year budget adopted by the Local Government to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($\$1,200/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ($\$900/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Local Government according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.
- Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Government.

The Local Government must complete the Monthly Financial Report and forward it to the Water Development Authority by the 20th day of each month, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project.

Re: \$ _____ Funding Assistance (West Virginia Clean Water
 SRF Program)

Ladies and Gentlemen:

[I am/We are] counsel to _____ (the "Local Government"), a
_____.

[I/We] have examined a certified copy of proceedings and other papers relating to the authorization of a Funding Assistance Agreement dated _____, 20__, including all schedules and exhibits attached thereto (the "Funding Assistance Agreement"), among the Local Government, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"). All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Funding Assistance Agreement and the Local Act.

The Funding Assistance is being provided for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

[I/We] have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the ordinance/resolution duly adopted or enacted by the Local Government on _____, 20__ (the "Local Act"), pursuant to and under which Local Statute and Local Act, the Funding Assistance is authorized and the Funding Assistance Agreement has been undertaken. The Funding Assistance is forgivable at the end of each fiscal year in which funds are advanced for the Project.

Based upon the foregoing and upon [my/our] examination of such other documents as [I/we] have deemed necessary, [I am/we are] of the opinion as follows:

1. The Funding Assistance Agreement has been duly authorized by and executed on behalf of the Local Government and is a valid and binding special obligation of the Local Government, enforceable in accordance with the terms thereof.

2. The Funding Assistance Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Local Government without the consent of the Authority and the DEP.

3. The Local Government is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to enter into the Funding Assistance Agreement, all under the Local Statute and other applicable provisions of law.

4. The members and officers of the governing body of the Local Government have been duly and properly authorized and elected, have taken the requisite oaths and are thereby authorized to act on behalf of the Local Government in their respective capacities.

5. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Local Government and constitute valid and binding obligations of the Local Government, enforceable against the Local Government in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Funding Assistance Agreement.

6. The execution and delivery of the Funding Assistance Agreement and the consummation of the transactions contemplated by the Funding Assistance Agreement and the Local Act, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Local Government, a breach of or default under any resolution, agreement or other instrument to which the Local Government is a party or any existing law, regulation, court order or consent decree to which the Local Government is subject.

7. The Local Government has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the creation and existence of the Local Government, the acceptance of the Funding Assistance, the acquisition and construction of the Project, and the operation of the System, including, without limitation, all requisite permits, approvals, orders and certificates from _____, the DEP and the West Virginia Infrastructure and Jobs Development Council.

8. To the best of [my/our] knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Funding Assistance Agreement or the Local Act, the acquisition and construction of the Project, or the operation of the System.

9. All successful bidders have made the required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been

verified for accuracy. Based upon our review of the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, [I am/we are] of the opinion that such surety bonds or policies: (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interests of the Local Government; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Local Act and the Funding Assistance Agreement and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

10. The contracts contain language requiring the contractors to provide affidavits from all contractors and subcontractors indicating that each contractor and subcontractor have a drug-free workplace policy pursuant to Chapter 21, Article 1D of the West Virginia Code of 1931, as amended. The contractor has submitted a plan to implement the drug-free workplace policy prior to the awarding of the contract pursuant to Chapter 21, Article 1D of the West Virginia Code of 1931, as amended.

All counsel to the transaction may rely upon this opinion as if specifically addressed to them.

I have examined a certified copy of proceedings and other papers relating to the authorization of a Funding Assistance Agreement dated July 20, 2021, including all schedules and exhibits attached thereto (the "Funding Assistance Agreement"), among the Local Government, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"). All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Funding Assistance Agreement and the Local Act.

The Funding Assistance is being provided for the purposes of (i) paying the costs of the Project, and (ii) paying certain issuance and other costs in connection therewith.

I have also examined the applicable provisions of Chapter 16, Article 13 and Chapter 22C, Article 2 of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the resolution

duly adopted by the Local Government on June 29, 2021 (the "Local Act"), pursuant to and under which Local Statute and Local Act, the Funding Assistance is authorized and the Funding Assistance Agreement has been undertaken. The Funding Assistance is forgivable at the end of each fiscal year in which funds are advanced for the Project.

Based upon the foregoing and upon my examination of such other documents as I have deemed necessary, I am of the opinion as follows:

1. The Funding Assistance Agreement has been duly authorized by and executed on behalf of the Local Government and is a valid and binding special obligation of the Local Government, enforceable in accordance with the terms thereof.

2. The Funding Assistance Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Local Government without the consent of the Authority and the DEP.

3. The Local Government is a duly organized and validly existing municipality, with full power and authority to acquire and construct the Project, to adopt or enact the Local Act and to enter into the Funding Assistance Agreement, all under the Local Statute and other applicable provisions of law.

4. The members and officers of the governing body of the Local Government have been duly and properly authorized and elected, have taken the requisite oaths and are thereby authorized to act on behalf of the Local Government in their respective capacities.

5. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Local Government and constitute valid and binding obligations of the Local Government, enforceable against the Local Government in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Funding Assistance Agreement.

6. The execution and delivery of the Funding Assistance Agreement and the consummation of the transactions contemplated by the Funding Assistance Agreement and the Local Act, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Local Government, a breach of or default under any resolution, agreement or other instrument to which the Local Government is a party or any existing law, regulation, court order or consent decree to which the Local Government is subject.

7. The Local Government has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the creation and existence of the Local Government, the acceptance of the Funding Assistance, and the acquisition and construction of the Project including, without limitation, all requisite permits, approvals, orders and certificates from the DEP and the West Virginia Infrastructure and Jobs Development Council.

8. To the best of our knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Funding Assistance Agreement or the Local Act, the undertaking of the Project, or the operation of the System.

9. All successful bidders have made the required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy. Based upon our review of the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, I am of the opinion that such surety bonds or policies: (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interests of the Local Government; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Local Act and the Funding Assistance Agreement and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

10. The contracts contain language requiring the contractors to provide affidavits from all contractors and subcontractors indicating that each contractor and subcontractor have a drug-free workplace policy pursuant to Chapter 21, Article 1D of the West Virginia Code of 1931, as amended. The contractor has submitted a plan to implement the drug-free workplace policy prior to the awarding of the contract pursuant to Chapter 21, Article 1D of the West Virginia Code of 1931, as amended

All counsel to the transaction may rely upon this opinion as if specifically addressed to them.

Respectfully,

Gregory A. Tucker
