B. The Issuer now owns and operates, through the Board, a municipal combined water and sewerage System, the construction, extension and improvement of which it has financed or refinanced pursuant to the issuance of the Prior Bonds.

C. The Issuer has determined that present value debt service savings will result from the refunding of its Outstanding Series 2013 B Bonds, Series 2014 C Bonds, Series 2014 D Bonds and Series 2014 E Bonds and that it is in the best interest of the residents of the Issuer and other users of the System to refund such Series 2013 B Bonds, Series 2014 C Bonds, Series 2014 D Bonds and Series 2014 E Bonds.

D. It is deemed necessary for the Issuer to issue its Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2020 A (Tax-Exempt), in the original aggregate principal amount of not more than \$6,000,000, in order to pay in full the remaining principal balance of and all accrued interest on the Issuer's Series 2013 B Bonds, Series 2014 C Bonds, Series 2014 D Bonds and Series 2014 E Bonds. E. It is in the best interest of the Issuer that the Series 2020 A Bonds be sold to the Original Purchaser pursuant to the terms and provisions of a Bond Purchase Agreement to be entered into by and between the Issuer and the Original Purchaser, as shall be approved by the Supplemental Resolution of the Issuer.

Section 3.01. Form and Payment of Bonds. No Series 2020 A Bond shall be issued pursuant to this Ordinance except as provided in this Article III. Any Series 2020 A Bonds issued pursuant to this Ordinance may be issued only as fully registered Series 2020 A Bonds without coupons, in the denomination of \$5,000 or any integral multiple thereof for any year of maturity (or such other denominations as may be set forth in a Supplemental Resolution). All Series 2020 A Bonds shall be dated as of the date provided in a Supplemental Resolution applicable to such series. All Series 2020 A Bonds shall bear interest from the interest payment date next preceding the date of authentication or, if authenticated after the Record Date but prior to the applicable interest payment date or on such interest payment date, from such interest payment date or, if no interest on such Series 2020 A Bonds has been paid, from the date thereof; provided, however, that, if, as shown by the records of the Registrar, interest on such Series 2020 A Bonds shall be in default, Series 2020 A Bonds issued in exchange for Series 2020 A Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the initial Series 2020 A Bonds surrendered.

The principal of and the premium, if any, on the Series 2020 A Bonds shall be payable in any coin or currency which, on the respective date of such payment, is legal tender for the payment of public and private debts under the laws of the United States of America upon surrender at the principal office of the Paying Agent. Interest on the Series 2020 A Bonds shall be paid by check or draft made payable and mailed to the Registered Owner thereof at his address as it appears in the Bond Register at the close of business on the Record Date, or, if requested, in the case of a Registered Owner of \$1,000,000 or more of the Series 2020 A Bonds, by wire transfer to a domestic bank account specified in writing at least 5 days prior to such interest payment date by such Registered Owner.

In the event any Series 2020 A Bond is redeemed in part, such bond shall be surrendered to and canceled by the Registrar, and the Issuer shall execute, and the Registrar shall authenticate and deliver to the Registered Owner thereof, another Series 2020 A Bond in the principal amount of said Series 2020 A Bond then Outstanding.

Section 3.02. Execution of Bonds. The Series 2020 A Bonds shall be executed in the name of the Issuer by the Mayor, by his or her manual or facsimile signature, and the seal of the Issuer shall be affixed thereto or imprinted thereon and attested by the Clerk by his or her manual or facsimile signature; provided, that all such signatures and the seal may be by facsimile. In case any one or more of the officers who shall have signed or sealed any of the Series 2020 A Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2020 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.03. Authentication and Registration. No Series 2020 A Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Ordinance unless and until the

Certificate of Authentication and Registration on such Bond, substantially in the form set forth in EXHIBIT A - FORM OF SERIES 2020 A BONDS attached hereto and incorporated herein by reference with respect to such respective Series 2020 A Bond, shall have been duly manually executed by the Registrar. Any such manually executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Series 2020 A Bond has been authenticated, registered and delivered under this Ordinance. The Certificate of Authentication and Registration on any Series 2020 A Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Series 2020 A Bonds issued hereunder.

Section 3.04. Negotiability and Registration. Subject to the requirements for transfer set forth below, the Series 2020 A Bonds shall be, and have all of the qualities and incidents of, negotiable instruments under the Uniform Commercial Code of the State, and each successive Registered Owner, in accepting any of said Series 2020 A Bonds, shall be conclusively deemed to have agreed that such Series 2020 A Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State, and each successive Holder shall further be conclusively deemed to have agreed that said Series 2020 A Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as any of the Series 2020 A Bonds remain Outstanding, the Registrar shall keep and maintain books for the registration and transfer of the Series 2020 A Bonds. The Series 2020 A Bonds shall be transferable only by transfer of registration upon the Bond Register by the registered owner thereof in person or by his attorney or legal representative duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or such duly authorized attorney or legal representative. Upon transfer of a Series 2020 A Bond, there shall be issued at the option of the Holder or the transferee another Bond or Bonds of the aggregate principal amount equal to the unpaid amount of the transferred Bond and of the same series, interest rate and maturity of said transferred Bond.

Upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar and duly executed by the registered owner or his attorney or legal representative duly authorized in writing, Series 2020 A Bonds may at the option of the Holder thereof be exchanged for an equal aggregate principal amount of Bonds of the same series, maturity and interest rate, in any authorized denominations.

In all cases in which the privilege of transferring or exchanging a Series 2020 A Bond is exercised, Series 2020 A Bonds shall be delivered in accordance with the provisions of this Ordinance. All Series 2020 A Bonds surrendered in any such transfer or exchange shall forthwith be canceled by the Registrar. Transfers of Series 2020 A Bonds, the initial exchange of Series 2020 A Bonds and exchanges of such Bonds in the event of partial redemption of fully registered Bonds shall be made by the Registrar without charge to the Holder or the transferee thereof, except as provided below. For other exchanges of Series 2020 A Bonds, the Registrar may impose a service charge. For every such transfer or exchange of such Bonds, the Registrar may make a charge sufficient to reimburse its office for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such tax or governmental charge, and such service charge for exchange other than the initial exchange or in the event of partial redemption, shall be paid by the person requesting such transfer or exchange as a condition precedent to the exercise of the privilege of making such transfer or exchange. The Registrar shall not be obliged to make any such transfer or exchange of Series 2020 A Bonds that have been called for redemption.

Section 3.05. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2020 A Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may execute, in its discretion, and the Registrar shall authenticate, register and deliver any new Bond of like series, maturity and principal amount as the Bond so mutilated, destroyed, stolen or lost, in exchange and upon surrender and cancellation of, such mutilated Bond, or in lieu of and substitution for the Bond so destroyed, stolen or lost, and upon the Registered Owner furnishing the Issuer and the Registrar proof of his ownership thereof and that said Bond has been destroyed, stolen or lost and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer or the Registrar may incur. The name of the Registered Owner listed in the Bond Register shall constitute proof of ownership. All Bonds so surrendered shall be submitted to and canceled by the Registrar, and evidence of such cancellation shall be given to the Issuer. If such Bond shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer, by and through the Registrar, may pay the same, upon being indemnified as aforesaid, and, if such Bond be lost, stolen or destroyed, without surrender thereof.

Any such duplicate Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Bonds be at any time found by any one, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of and security for payment from the revenues pledged herein with all other Bonds issued hereunder.

Section 3.06. Term Bonds. In the event Term Bonds are issued as part of the Series 2020 A Bonds issued pursuant to this Ordinance, the following provisions shall apply:

A. The amounts to be deposited, apportioned and set apart by the Issuer from the Revenue Fund and into the Series 2020 A Bonds Redemption Account in accordance with Subsection 4.03(A)(2) shall include (after credit as provided below) on the first of each month, beginning on the first day of that month which is 13 months prior to the first mandatory redemption date of said Term Bonds, a sum equal to 1/12th of the amount required to redeem the principal amount of such Term Bonds which are to be redeemed as of the next ensuing mandatory redemption date, which amounts and dates, if any, with respect to a series of Bonds shall be set forth in the Supplemental Resolution relating thereto.

B. At its option, to be exercised on or before the 60th day next preceding any such mandatory redemption date, the Issuer may (a) deliver to the Registrar for cancellation such Term Bonds in any aggregate principal amount desired or (b) receive a credit in respect of its mandatory redemption obligation for any such Term Bonds which prior to said date have been redeemed (otherwise than pursuant to this section) and canceled by the Registrar and not theretofore applied as a credit against any such mandatory redemption obligation. Each Term Bond so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory redemption date, and Term Bonds delivered in excess of such mandatory redemption obligation shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

C. The Issuer shall on or before the 60th day next preceding each mandatory redemption date furnish the Registrar and the Bond Commission with its certificate indicating whether and to what extent the provisions of (a) and (b) of the preceding paragraph are to be utilized with respect to such mandatory redemption payment and stating, in the case of the credit provided for in (b) of the preceding paragraph, that such credit has not theretofore been applied against any mandatory redemption obligation.

D. After said 60th day but prior to the date on which the Registrar selects the Term Bonds to be redeemed, the Bond Commission may use the moneys in the Series 2020 A Bonds Redemption Account to purchase Term Bonds at a price less than the par value thereof and accrued interest thereon. The Bond Commission shall advise the Issuer and the Registrar of any Term Bonds so purchased, and they shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the Issuer on such mandatory redemption date, and any excess shall be credited against future mandatory redemption obligations in the order directed by the Issuer, and the principal amount of such Term Bonds to be redeemed pursuant to mandatory sinking fund redemption shall be accordingly reduced.

E. The Registrar shall call for redemption, in the manner provided herein, an aggregate principal amount of such Term Bonds, at the principal amount thereof plus interest accrued to the redemption date (interest to be paid from the Sinking Fund), as will exhaust as nearly as practicable such Series 2020 A Bonds Redemption Account payment designated to be made in accordance with paragraph (A) of this section. Such redemption shall be by random selection made on the 45th day preceding the mandatory redemption date, in such manner as may be determined by the Registrar. For purposes of this section, "Term Bonds" shall include any portion of a fully registered Term Bond, in integrals of \$5,000.

Section 3.07. Notice of Redemption. Unless waived by any Holder of the Series 2020 A Bonds to be redeemed, official notice of any redemption shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail or electronic transmission at least 30 days and not more than 60 days prior to the date fixed for redemption to the applicable Bond Insurer and the registered owner of the Series 2020 A Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

So long as DTC (as CEDE & CO.) is the registered Owner of the Series 2020 A Bonds, the Registrar shall send all notices of redemption to DTC and shall verify that DTC has received notice.

All official notices of redemption shall be dated and shall state:

- (1) The Redemption Date,
- (2) The Redemption Price,
- (3) If less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (4) That on the Redemption Date the Redemption Price and interest accrued will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,
- (5) The place where such Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Registrar, and
- (6) Such other information, if any, as shall be required for DTC-Eligible Bonds.

If funds sufficient to redeem all Series 2020 A Bonds called for optional redemption have not been deposited with the Paying Agent at the time of mailing any notice of optional redemption, such notice shall also state that such optional redemption is subject to the deposit of such monies with the Paying Agent on or before the Redemption Date. If such monies are not so deposited, the Registrar shall notify all holders of Series 2020 A Bonds called for redemption of such fact.

Official notice of redemption having been given as aforesaid, the Series 2020 A Bonds, or portions of Bonds so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Series 2020 A Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal of such Bond. All Series 2020 A Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

Failure to receive such notice or any defect therein or in the mailing thereof shall not affect the validity of proceedings for the redemption of Series 2020 A Bonds, and failure to mail such notice shall not affect the validity of proceedings for the redemption of any portion of Bonds for which there was no such failure.

Section 3.08. Persons Treated as Owners. The Issuer, the Registrar and any agent of the Issuer or the Registrar may treat the person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of the principal of, and interest on, such Bond and for all other purposes, whether or not such Bond is overdue.

Section 3.09. Temporary Bonds. Until Bonds of any series in definitive form are ready for delivery, the Issuer may execute and the Registrar shall authenticate, register, if applicable, and deliver, subject to the same provisions, limitations and conditions set forth in this Article III, one or more printed, lithographed or typewritten Bonds in temporary form, substantially in the form of the definitive Bonds of such series, with appropriate omissions, variations and insertions, and in authorized denominations. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the lien and benefit created under this Ordinance. Upon the presentation and surrender of any Bond in temporary form, the Issuer shall, without unreasonable delay, prepare, execute and deliver to the Registrar, and the Registrar shall authenticate, register, if applicable, and deliver, in exchange therefore, a Bond or Bonds in definitive form. Such exchange shall be made by the Registrar without making any charge therefore to the Holder of such Bond in temporary form.

Section 3.10. Authorization of Bonds. For the purposes of paying in full the entire outstanding principal of and all accrued interest on the Series 2013 B Bonds, Series 2014 C Bonds, Series 2014 D Bonds and Series 2014 E Bonds (along with other funds of the Issuer available therefor), paying the premium for a Municipal Bond Insurance Policy for the Series 2020 A Bonds, if determined to be financially advantageous to the Issuer, funding the Series 2020 A Bonds Reserve Account (or paying the premium for a Municipal Bond Debt Service Reserve Insurance Policy, if determined to be financially advantageous to the Issuer) and paying costs of issuance of the Series 2020 A Bonds and related costs, there shall be issued the Series 2020 A Bonds of the Issuer, in one or more series, in an aggregate principal amount of not more than \$6,000,000. The Series 2020 A Bonds shall be designated the "City of Charles Town (West Virginia) Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2020 A (Tax-Exempt)" and shall be issued in fully registered form, in denominations of \$5,000 or any integral multiple thereof for any year of maturity (or such other denominations as may be set forth in

the Supplemental Resolution), not exceeding the aggregate principal amount of Series 2020 A Bonds maturing in the year of maturity for which the denomination is to be specified. The Series 2020 A Bonds shall be numbered from AR-1 consecutively upward. The Series 2020 A Bonds shall be dated; shall be in such aggregate principal amount; shall bear interest at such rate or rates, not exceeding the then legally permissible rate, payable semiannually on such dates; shall mature on such dates and in such amounts; shall be subject to such mandatory and optional redemption provisions; and shall have such other terms, all as the Issuer shall prescribe herein and in the Supplemental Resolution.

Section 3.11. Book Entry System for Series 2020 A Bonds. The Series 2020 A Bonds (if purchased by the Original Purchaser) shall initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Series 2020 A Bonds of each maturity, and shall be registered in the name of Cede & Co., as nominee of DTC. Notwithstanding anything herein to the contrary contained, so long as the Series 2020 A Bonds are so issued and registered, DTC (or its nominee) shall be treated as the sole Registered Owner for all purposes hereunder. Each Bond shall bear a legend substantially to the following effect "Except as otherwise provided in the Ordinance, this global bond may be transferred, in whole but not in part, only to another nominee of DTC (as defined in the Ordinance) or to a successor of DTC or to a nominee of a successor of DTC. Unless this certificate is presented by an authorized representative of DTC, to the Issuer or its agent for registration of transfer, exchange, or payment, and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the Registered Owner hereof, Cede & Co., has an interest herein."

With respect to Series 2020 A Bonds registered in the records of the Registrar in the name of Cede & Co., as nominee of DTC, the Issuer and the Paying Agent shall have no responsibility or obligation to any other participant in DTC or to any Person on behalf of whom such a participant in DTC holds a beneficial interest in the Series 2020 A Bonds. Without limiting the immediately preceding sentence, the Issuer and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any other participant in DTC with respect to any beneficial ownership interest in any Bond, (ii) the delivery to any other participant in DTC or any other Person, other than a Registered Owner, as shown in the records of the Registrar, of any notice with respect to any Series 2020 A Bonds, including without limitation any notice of redemption, tender, purchase or any event which would or could give rise to a tender or purchase right or option with respect to any Bond, (iii) the payment to any other participant in DTC or any other Person, other than a Registered Owner, as shown in the records of the Registrar, of any amount with respect to principal of, premium, if any, or interest on, any Bond, or (iv) any consent given by DTC as Registered Owner. Notwithstanding any other provision of this Ordinance to the contrary, the Issuer and the Paying Agent shall be entitled to treat and consider the Person in whose name each Bond is registered in the records of the Registrar as the absolute owner of such Bond for the purpose of payment of principal, premium, if any, and interest with respect to such Bond, for the purpose of giving notices of redemption, sale, purchase or any event which would or could give rise to a sale or purchase right or option with respect to any Bond for the purpose of making payment of any purchase price of such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Issuer and Paying Agent shall pay all principal of, premium, if any, and interest on the Series 2020 A Bonds and the purchase price of any Bond only to or upon the order of the respective Registered Owners, as shown in the records of the Registrar as provided in this Ordinance, or their respective attorneys or legal representatives duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to payment of principal of, premium, if any, and interest on the Series 2020 A Bonds to the extent of the sum or sums so paid. No Person other than a Registered Owner, as shown in the records of the Registrar, shall receive a Bond certificate evidencing

the obligation of the Issuer to make payments of principal, premium, if any, and interest pursuant to this Ordinance.

The Registered Owners have no right to a depository for the Series 2020 A Bonds. The Issuer may remove DTC or any successor thereto for any reason at any time. In such event or in the event DTC shall notify the Issuer that DTC is discontinuing its book-entry system for the Series 2020 A Bonds, the Issuer shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities Exchange Act, notify DTC of the appointment of such successor securities depository and transfer one or more separate Bond certificates to such successor securities depository or (ii) notify DTC of the availability through the DTC of Bond certificates and transfer one or more separate Bond certificates to other participants or beneficial owners as DTC may direct. In such event, the Series 2020 A Bonds shall no longer be restricted to being registered in the records of the Registrar in the name of Cede & Co., as nominee, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names other participants in DTC receiving Series 2020 A Bonds shall designate, in accordance with the provisions of this Ordinance. The provisions of this Section applicable to DTC shall apply, mutatis mutandis, to any successor depository performing the same functions hereunder as DTC.

The Issuer represents hereby that it has executed a Letter of Representations, the terms of which are applicable to the issuance of the Series 2020 A Bonds hereunder. Such Letter of Representations is for the purpose of effectuating the Book-Entry Only System only and shall not be deemed to amend, supersede or supplement the terms of this Ordinance which are intended to be complete without reference to the Letter of Representations. In the event of any conflict between the terms of the Letter of Representations and the terms of this Ordinance, the terms of this Ordinance shall control. DTC may exercise the rights of a Registered Owner hereunder only in accordance with the terms hereof applicable to the exercise of such rights.

Section 3.12. Delivery of Series 2020 A Bonds. The Issuer shall execute and deliver the Series 2020 A Bonds to the Registrar, and the Registrar shall authenticate, register and deliver the Series 2020 A Bonds to the Original Purchaser upon receipt of the documents set forth below:

- (1) If not registered in the name of DTC or its nominee, a list of the names in which the Series 2020 A Bonds are to be registered upon original issuance, together with such taxpayer identification and other information as the Registrar may reasonably require;
- (2) A request and authorization to the Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 2020 A Bonds to DTC for the benefit of the Original Purchaser;
- (3) Copies of this Ordinance and the Supplemental Parameters Resolution certified by the Clerk;
- (4) The unqualified approving opinion of Bond Counsel regarding the Series 2020 A Bonds; and
- (5) A copy of such other documents and certificates as the Original Purchaser may reasonably require.

Section 3.13. Form of Series 2020 A Bonds. The definitive Series 2020 A Bonds shall be in substantially the form set forth in EXHIBIT A – FORM OF SERIES 2020 A BONDS attached

hereto and incorporated herein by reference, with such necessary and appropriate omissions, insertions and variations as are approved by those officers executing such Series 2020 A Bonds on behalf of the Issuer and execution thereof by such officers shall constitute conclusive evidence of such approval, and the definitive Series 2020 A Bonds shall have the form of the opinion of Steptoe & Johnson PLLC, as Bond Counsel, attached thereto or printed on the reverse thereof.

Section 3.14. Disposition of Proceeds of Series 2020 A Bonds. Upon the issuance and delivery of the Series 2020 A Bonds, the Issuer shall forthwith deposit the proceeds thereof as follows:

1. All interest accrued on Series 2020 A Bonds from the date thereof to the date of delivery thereof shall be deposited in the Series 2020 A Bonds Sinking Fund and applied to payment of interest on the Series 2020 A Bonds at the first interest payment date.

2. An amount of the proceeds of the Series 2020 A Bonds equal to the amount, if any, set forth in the Supplemental Resolution shall be remitted to the Bond Commission for deposit in the Series 2020 A Bonds Reserve Account.

3. An amount of the proceeds of the Series 2020 A Bonds equal to the entire outstanding principal of and all accrued interest on the Series 2013 B Bonds, Series 2014 C Bonds, Series 2014 D Bonds and Series 2014 E Bonds as set forth in the Supplemental Resolution, less any monies available at the Bond Commission for payment of the Series 2013 B Bonds, Series 2014 C Bonds, Series 2014 D Bonds and Series 2014 E Bonds, shall be remitted to the Bond Commission to pay the Series 2013 B Bonds, Series 2014 C Bonds, Series 2014 D Bonds and Series 2014 E Bonds in full.

4. An amount of Series 2020 A Bond proceeds which, together with other monies or securities deposited therein, shall be equal to the Costs of Issuance of the Series 2020 A Bonds shall be deposited with the Depository Bank in the Costs of Issuance Fund and shall be drawn out, used and applied by the Issuer solely to pay costs of issuance of the Series 2020 A Bonds at the written direction of the Issuer. Monies not to be applied immediately to pay such costs of issuance may be invested in accordance with this Ordinance, subject however, to applicable yield restrictions as may be in effect under the Code. If for any reason such proceeds, or any part thereof, are not necessary for, or are not applied to such purpose within 120 days following the Closing Date for the Series 2020 A Bonds, such unapplied proceeds shall be transferred by the Issuer to the Series 2020 A Bonds Sinking Fund established in Section 4.02 hereof and applied to the next ensuing payment of interest on the Series 2020 A Bonds. All such proceeds shall constitute a trust fund for such purposes, and there hereby is created a lien upon such monies until so applied in favor of the Holders of the Series 2020 A Bonds from which such proceeds are derived.

Section 4.03. System Revenues and Application Thereof. So long as any of the Series 2020 A Bonds shall be Outstanding and unpaid, the Issuer covenants as follows:

A. The entire Gross Revenues derived from the operation of the System and all parts thereof shall be deposited by the Issuer in the Revenue Fund. The Revenue Fund shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. All Revenues at any time remaining on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

- (1) The Issuer shall first, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the Sinking Funds of the Series 2000 A Bonds, Series 2002 A Bonds, Series 2010 A Bonds, Series 2010 B Bonds, Series 2013 A Bonds, Series 2014 A Bonds, Series 2015 A Bonds, Series 2015 B Bonds, Series 2016 A Bonds, Series 2016 B Bonds, Series 2018 A-3 Bonds, Series 2018 A-7 Bonds and Series 2018 B Bonds the amounts required by the Prior Ordinances to pay the interest on the Series 2000 A Bonds, Series 2002 A Bonds, Series 2010 A Bonds, Series 2010 B Bonds, Series 2013 A Bonds, Series 2014 A Bonds, Series 2015 A Bonds, Series 2015 B Bonds, Series 2016 A Bonds, Series 2016 B Bonds, Series 2018 A-3 Bonds, Series 2018 A-7 Bonds and Series 2018 B Bonds: and (ii) commencing 7 months prior to the first interest payment date of the Series 2020 A Bonds, for deposit in the Series 2020 A Bonds Sinking Fund, a sum equal to 1/6th of the amount of interest which will become due on the Series 2020 A Bonds on the next ensuing semiannual interest payment date; provided, that in the event the period to elapse between the date of such initial deposit in the Series 2020 A Bonds Sinking Fund and the next ensuing semiannual interest payment date is more or less than 7 months, then such monthly payments shall be decreased or increased proportionately to provide, 1 month prior to the next ensuing semiannual interest payment date, the required amount of interest coming due on such date; provided, further that, the initial amount required to be transferred from the Revenue Fund and deposited in the Series 2020 A Bonds Sinking Fund shall be reduced by the amount of accrued interest on the Series 2020 A Bonds deposited therein, and subsequent amounts required to be transferred from the Revenue Fund and deposited in the Series 2020 A Bonds Sinking Fund shall be reduced by the amount of any earnings credited to the Series 2020 A Bonds Sinking Fund.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the Sinking Funds of the Prior Bonds the amounts required by the Prior Ordinances to pay the principal of the Prior Bonds; and (ii) commencing 13 months prior to the first principal payment date or mandatory Redemption Date of the Series 2020 A Bonds, for deposit in the Series 2020 A Bonds Sinking Fund and in the Series 2020 A Bonds Redemption Account therein in the case of the Term Bonds which are to be redeemed, a sum equal to 1/12th of the amount (or 1/6th of the amount if the Series 2020 A Bonds mature semiannually rather than annually) of principal which will mature or be redeemed and become due on the Series 2020 A Bonds on the next ensuing principal payment date or mandatory Redemption Date; provided, that in the event the period to elapse between the date of such initial deposit in the Series 2020 A Bonds Sinking Fund and the next ensuing principal payment date or mandatory Redemption Date is more or less than 13 months (or 7 months if the Series 2020 A Bonds mature semiannually rather than annually), then such monthly payments shall be decreased or increased proportionately to provide, 1 month prior to the next ensuing principal payment date or mandatory Redemption Date, the required amount of principal coming due on such date, and provided further, that the amount of such deposits shall be reduced by the amount of any earnings credited to the Series 2020 A Bonds Sinking Fund and not previously credited pursuant to the preceding paragraph.

Moneys in the Series 2020 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2020 A Bonds, whether by maturity or redemption prior to maturity. Moneys on deposit in the Series 2020 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest on the Series 2020 A Bonds when the funds on deposit in the Series 2020 A Bonds Sinking Fund are insufficient therefore, and for no other purpose. Pending such use, such moneys shall be invested in accordance with Article V.

The Issuer shall not be required to make any further payments into the Series 2020 A Bonds Sinking Fund when the aggregate amount of funds therein, including the Series 2020 A Bonds Reserve Account therein, is at least equal to the aggregate principal amount of Series 2020 A Bonds then Outstanding, plus the amount of interest due or thereafter to become due on such Bonds then Outstanding.

As and when additional Bonds ranking on a parity with the Series 2020 A Bonds are issued, provision shall be made for additional deposits into the respective Sinking Funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirement thereof.

The payments into the Series 2020 A Bonds Sinking Fund shall be made on the first day of each month, except that, when the first day of any month shall be a Saturday, Sunday or legal holiday, then such payments shall be made on the next succeeding Business Day, and all such payments shall be remitted to the Bond Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Ordinance.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Bond Commission (i) for deposit in the respective Reserve Accounts of the Prior Bonds the amounts required by the Prior Ordinances; and (ii) commencing 13 months prior to the first date of

payment of principal of the Series 2020 A Bonds, if not fully funded upon issuance of the Series 2020 A Bonds, for deposit in the Series 2020 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2020 A Bonds Reserve Requirement; provided, that no further payments shall be made into the Series 2020 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2020 A Bonds Reserve Requirement, and thereafter the Issuer shall deposit in the Series 2020 A Bonds Reserve Account, an amount sufficient to remedy any decrease in value of the Series 2020 A Bonds Reserve Account below the Series 2020 A Bonds Reserve Requirement or any withdrawal from the Series 2020 A Bonds Reserve Account, beginning with the first full calendar month following the date on which (a) the valuation of investments in the Series 2020 A Bonds Reserve Account results in a determination that the amount of moneys and the value of the Qualified Investments deposited to the credit of the Series 2020 A Bonds Reserve Account is less than the Series 2020 A Bonds Reserve Requirement, or (b) any amount is withdrawn from the Series 2020 A Bonds Reserve Account for deposit into the Series 2020 A Bonds Sinking Fund. To the extent Gross Revenues and any other legally available funds are available therefore, the amount so deposited shall be used to restore the amount of moneys on deposit in the Series 2020 A Bonds Reserve Account to an amount equal to the Series 2020 A Bonds Reserve Requirement to the full extent that such Gross Revenues are available; provided however, that if the shortfall in the Series 2020 A Bonds Reserve Account is due to a decrease in value of investments therein, such shortfall shall be replenished by not less than 6 equal monthly payments, and if such shortfall is due to a withdrawal from the Series 2020 A Bonds Reserve Account, such shortfall shall be replenished by not less than 12 equal monthly payments, and provided further, that no payments shall be required to be made into the Series 2020 A Bonds Reserve Account whenever and as long as the amount on deposit therein shall be equal to the Series 2020 A Bonds Reserve Requirement.

Amounts in the Series 2020 A Bonds Reserve Account shall be used only for the purpose of making payments of principal of and interest on the Series 2020 A Bonds when due, when amounts in the Series 2020 A Bonds Sinking Fund are insufficient therefore and for no other purpose.

(4) The Issuer shall next, each month, pay from the Revenue Fund the current Operating Expenses of the System.

(5) The Issuer shall next, on the first day of each month, transfer from the monies remaining in the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund (as previously set forth in the Prior Ordinances and not in addition thereto), a sum equal to 2.5% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Subject to the restrictions contained in the Prior Ordinances, so long as the Prior Bonds, withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, or improvements or extensions to the System; provided, that any deficiency in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of

the date of determination of a deficiency, funded such account to the maximum extent required hereof, shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) If on any monthly payment date the revenues of the System are insufficient to make the required deposits in any of the funds and accounts as hereinabove provided, the deficiency shall be made up on the next ensuing payment dates by payments in addition to the payments which are otherwise required to be made into the funds on such ensuing payment dates.

(7) The Issuer may next, each month, after making the above required transfers of moneys from the Revenue Fund, apply any remaining revenues ("Surplus Revenues") to payment of debt service on any subordinate bonds, notes, certificates or other obligations of the System. Any Surplus Revenues then remaining in the Revenue Fund may be used for any lawful purpose of the System.

B. The Bond Commission is hereby designated as the fiscal agent for the administration of the Sinking Funds created or continued hereunder, and all amounts required for said Sinking Funds shall be remitted to the Bond Commission from said Revenue Fund and from the proceeds of the sale of the Bonds, by the Issuer at the times and as otherwise provided herein. All remittances made by the Issuer to the Bond Commission shall clearly identify the fund or account into which each amount is to be deposited. Notwithstanding the foregoing, however, the Bond Commission shall deposit all remittances in the fund or account in the priority established by this Ordinance.

C. If on any monthly payment date the Gross Revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 4.03 and the Gross Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

D. Principal and interest payments, and any payments made for the purpose of funding the Reserve Accounts, shall be made on a parity basis and pro-rata, with respect to the Prior Bonds, the Series 2020 A Bonds, and any parity Bonds hereinafter issued, in accordance with the respective principal amounts of each such series of Bonds then Outstanding, if less than the full amount required hereby.

ARTICLE V

INVESTMENTS; NON-ARBITRAGE

REBATES AND CONTINUING DISCLOSURE CERTIFICATE

Section 5.01. Investments. The Issuer shall invest and reinvest, and shall instruct the Bond Commission and the Depository Bank to invest and reinvest, any moneys held as a part of the funds and accounts created by this Ordinance in Qualified Investments to the fullest extent possible under applicable laws, this Ordinance, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this section.

Except as provided below, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and

any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The Issuer shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Issuer may make any and all investments permitted by this section through the bond department of the Depository Bank. The Depository Bank shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The following specific provisions shall apply with respect to any investments made under this section:

(A) Qualified Investments acquired for the Renewal and Replacement Fund or any Reserve Account shall mature or be subject to retirement at the option of the holder within not more than 3 years from the date of such investment.

(B) The Issuer shall, or shall cause the Bond Commission to, semiannually transfer from each Reserve Account to the corresponding Sinking Fund any earnings on the moneys deposited therein and any other funds in excess of the applicable Reserve Account Requirement; provided, however, that there shall at all times remain on deposit in each Reserve Account an amount at least equal to the applicable Reserve Account Requirement.

(C) In computing the amount in any fund or account, Qualified Investments shall be valued at the lower of the cost or the market price, exclusive of accrued interest. Valuation of all funds and accounts shall occur annually, except in the event of a withdrawal from a Reserve Account, whereupon it shall be valued immediately after such withdrawal. If amounts on deposit in a Reserve Account shall, at any time, be less than the applicable Reserve Requirement, the applicable Bond Insurer, if any, shall be notified immediately of such deficiency, and such deficiency shall be made up from the first available Gross Revenues after required deposits to the applicable Sinking Fund and otherwise in accordance with Section 4.03(3).

(D) All amounts representing accrued interest shall be held by the Bond Commission, pledged solely to the payment of interest on the Bonds and invested only in Government Obligations maturing at such times and in such amounts as are necessary to match the interest payments to which they are pledged.

(E) Notwithstanding the foregoing, all moneys deposited in any Sinking Fund may be invested by the Bond Commission in the West Virginia "consolidated fund" managed by the West Virginia Board of Treasury Investments pursuant to Chapter 12, Article 6C of the Code of West Virginia, 1931, as amended.

Section 5.02. Arbitrage and Tax Exemption. The Issuer covenants that (i) it will restrict the use of the proceeds of the Series 2020 A Bonds in such manner and to such extent as may be necessary, so that such Series 2020 A Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and Regulations prescribed thereunder, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return with respect to such Bonds) so that the interest on the Series 2020 A Bonds will be and remain excluded from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 5.03. Tax Certificate, Rebates, and Rebate Fund. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized

bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of any series of Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2020 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Ordinance.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer or the Board shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and such Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States in the time and at the address prescribed by the Regulations as the same may be in time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefore. The Issuer at its expense, may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 5.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 5.03 in accordance with the requirements of Section 148(f) of the Code and such Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes.

Section 5.04. Continuing Disclosure Certificate. The Issuer shall deliver a continuing disclosure certificate in form acceptable to the Original Purchaser, the form of which shall be approved by the Supplemental Resolution, sufficient to ensure compliance with Rule 15c2-12, as it may be amended from time to time, and the Issuer hereby instructs the Mayor, City Manager and Clerk to take all actions necessary for the Issuer to comply with the continuing disclosure certificate.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. Covenants Binding and Irrevocable. All the covenants, agreements and provisions of this Ordinance shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2020 A Bonds, as prescribed by Article VII. In addition to the other covenants, agreements and provisions of this Ordinance, the Issuer hereby covenants and agrees with the Holders of the Series 2020 A Bonds as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be

irrevocable, except as provided herein, as long as any of the Series 2020 A Bonds or the interest thereon, are Outstanding and unpaid.

Section 6.02. Bonds Not to be Indebtedness of the Issuer. The Series 2020 A Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the Gross Revenues of the System, the moneys in the Series 2020 A Bonds Sinking Fund and the Series 2020 A Bonds Reserve Account therein and the unexpended proceeds of the Series 2020 A Bonds, all as herein provided. No Holder or Holders of the Series 2020 A Bonds issued hereunder shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2020 A Bonds or the interest thereon.

Section 6.03. Series 2020 A Bonds Secured by Parity Pledge of Gross Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of all of the Series 2020 A Bonds issued hereunder shall be secured forthwith equally and ratably with each other by a first lien on the Gross Revenues derived from the operation of the System, on a parity with the lien on the Gross Revenues in favor of the Holders of the Prior Bonds. The Gross Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Series 2020 A Bonds herein authorized, and to make the payments into the Series 2020 A Bonds Sinking Fund all moneys and securities in the Series 2020 A Bonds Sinking Fund, including the Series 2020 A Bonds Reserve Account therein, and all other payments provided for in this Ordinance, are hereby irrevocably pledged in the manner provided in this Ordinance to the payment of the principal of and interest on the Prior Bonds, the Series 2020 A Bonds herein authorized as the same become due and for the other purposes provided in this Ordinance.

Section 6.04. Rates. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the Bond Purchase Agreement and the Issuer shall supply a certificate of Certified Public Accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the water rate ordinance of the Issuer enacted on August 6, 2018 and the sewer rate ordinance of the Issuer enacted August 6, 2018, which rates are incorporated herein by reference as a part hereof.

So long as the Series 2020 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Ordinance and in compliance with this Ordinance. In the event the schedule of rates and charges initially established for the System in connection with the Series 2020 A Bonds shall prove to be insufficient to produce the required sums set forth in this Ordinance, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Ordinance.

Prior to the issuance of the Series 2020 A Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the City Clerk of the Issuer, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to

time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that (a) so long as the Prior Bonds are outstanding, the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, to provide a rate coverage equal to the highest rate coverage required by either (a) the Prior Ordinances or (b) this Ordinance, as set forth below, and thereafter, sufficient, together with other revenues of the System, to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2020 A Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with, or subordinate to, the Series 2020 A Bonds including the Prior Bonds.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 120 days following a determination of the Independent Certified Public Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 6.05. Operation and Maintenance. The Issuer will maintain the System in good condition and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the Revenues of said System in the manner provided in this Ordinance.

Section 6.06. Sale of the System. So long as the Prior Bonds are Outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, except as provided by the Prior Ordinances. Additionally, so long as the Series 2020 A Bonds are Outstanding, the System may be sold, mortgaged, leased or otherwise disposed of only as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to defease the pledge created by this Ordinance as provided by Section 9.01. The proceeds from such sale, mortgage, lease or other disposition of the System shall be immediately remitted to the Bond Commission for deposit in the Series 2020 A Bonds Sinking Fund, and otherwise as prescribed by Section 9.01. Any balance remaining after such defeasance shall be remitted to the Issuer by the Bond Commission unless necessary for the payment of other obligations of the Issuer payable out of the Gross Revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of \$500,000, the Issuer may provide for the sale of such property. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of \$500,000 but not in excess of \$4,000,000 the Issuer shall first, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Issuer may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property not in excess of \$4,000,000, shall be deposited by the Issuer into the Renewal and Replacement Fund.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of \$4,000,000 and insufficient to defease the pledge created by this Ordinance, as provided by Section 9.01, without the prior approval and consent

in writing of any applicable Bond Insurer, if any, and the Holders, or their duly authorized representatives, of 51% in amount of Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the Bond Insurer, if any, and the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable out of Revenues and General Covenant Against Encumbrances. The Issuer shall not issue any other obligations whatsoever, except additional parity Bonds provided for in Section 6.08 hereof, payable from the Revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from the Gross Revenues with the Series 2020 A Bonds; and all obligations hereafter issued by the Issuer payable from the revenues of the System, except such additional Bonds, shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such revenues and in all other respects to the Series 2020 A Bonds.

The Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to such additional parity Bonds, being on a parity with the lien of the Series 2020 A Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2020 A Bonds and the interest thereon in this Ordinance or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. So long as the Prior Bonds are Outstanding, the limitations and requirements on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no additional parity Bonds, as in this section defined, payable out of the revenues of the System shall be issued after the issuance of any Bonds pursuant to this Ordinance, except under the conditions and in the manner herein provided.

No such Additional Parity Bonds shall be issued except for the purposes of financing the costs of the design, acquisition and construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto, or to pay claims which may exist against the revenues or facilities of the System or all of such purposes.

So long as the Series 2020 A Bonds are outstanding, no Additional Parity Bonds shall be issued at any time, however, unless and until there has been procured a written statement by Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustment hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Additional Parity Bonds, if any, shall be not less than 115%, of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding;
- (2) Any Additional Parity Bonds theretofore issued pursuant to the provisions contained in the Prior Ordinances, and this Ordinance then Outstanding; and
- (3) The Additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by

such Additional Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of issuance of such Additional Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants.

The Net Revenues actually derived from the System during the 12 consecutive month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which has expired (without successful appeal) prior to the issuance of such Additional Parity Bonds.

All covenants and other provisions of this Ordinance (except as to details of such Additional Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Additional Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such Additional Parity Bonds, in addition to the payments required for the Bonds theretofore issued pursuant to this Ordinance.

Additional Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to the lien on and source of and security for payment from such revenues, with the Bonds.

No Additional Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Ordinance and the Prior Ordinances with respect to the Bonds then Outstanding, and any other payments provided for in this Ordinance and the Prior Ordinances shall have been made in full as required to the date of issuance of such Additional Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Ordinance and the Prior Ordinances.

Provided, however, that if the most recent audit by an independent certified public accountant for the Issuer states that the Issuer was not in compliance with the rate covenant in Section 6.04 of this Ordinance for the year being audited and the Issuer has, as required by Section 6.04, sought a rate increase sufficient to comply with Section 6.04, such statement in the most recent audit shall not be considered a violation of the covenants, agreements and terms of this Ordinance, so as to prevent the Issuer from issuing Additional Parity Bonds under this Section 6.08.

Section 6.09. Insurance and Bonds. The Issuer hereby covenants and agrees, that so long as the Series 2020 A Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance and bonds and workers' compensation coverage with a reputable insurance carrier or carriers or bonding company or companies covering the following risks and in the following amounts:

A. FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an

amount equal to the greater of the fair appraised value or the original cost thereof. In the time of war the Issuer will also carry and maintain insurance to the extent available against risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged and destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund.

B. PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

C. WORKERS' COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Issuer and such payment bonds will be filed with the Clerk of the County Commission of the County in which such work is to be performed prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

D. FLOOD INSURANCE, to extent available at reasonable cost to the Issuer.

E. BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

F. FIDELITY BONDS will be provided as to every officer and employee of the Issuer or the Board having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 6.10. Mandatory Connections. The mandatory use of the sewerage portion of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer, and in order to assure the rendering harmless of sewage and waterborne waste matter produced or arising within the territory served by the sewerage portion of the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sewerage portion of the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building and every such owner, tenant or occupant shall, after a 30 day notice of the availability of sewerage services of the System, pay the rates and charges established therefore.

Any such house, dwelling or building from which emanates sewage or waterborne waste matter and which is not so connected with the sewerage portion of the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the residents of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 6.11. No Free Services. The Board will not render or cause to be rendered any free services of any nature by its System; and, in the event the Board, the Issuer or any department, agency, instrumentality, officer or employee thereof shall avail himself of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers

receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. Such charges shall be paid as they accrue, and the Issuer shall transfer from its general funds sufficient sums to pay such charges for service to any of its departments or properties. The revenues so received shall be deemed to be revenues derived from the operation of the System and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 6.12. Enforcement of Collections. The Issuer or the Board will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid and to the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, all delinquent rates, rentals and other charges, if not paid, shall become a lien on the premises served by the System. The Issuer and the Board further covenants and agree that they will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System to all delinquent users of services and facilities of the System and will not restore such services of the System until all billing for charges for the services and facilities of the System, including penalties and reconnect fees, have been fully paid, or a payment agreement in compliance with the West Virginia Public Service Commission regulations has been entered.

Section 6.13. No Competing Franchise. To the extent legally allowable, neither the Issuer nor the Board will grant or cause, consent to or allow the granting of any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 6.14. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Series 2020 A Bond, shall have the right at all reasonable times to inspect the System, and all parts thereof, and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles, to the extent allowable under and in accordance with the rules and regulations of the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner, on the forms, in the books and along with other bookkeeping records as prescribed by the Issuer. The Issuer shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Issuer shall be reported to such agent of the Issuer as it shall direct.

The Issuer shall file with the Original Purchaser and any Bond Insurer, and shall mail to any Bondholder requesting the same, an annual report within 30 days following the date of receipt of the final audit containing a balance sheet, statement of revenues, expenses, and changes in retained earnings, and statement of cash flows, as prescribed by generally accepted accounting principles.

The Issuer shall also file with the Original Purchaser and any Bond Insurer, and mail to any Bondholder requesting the same, a monthly unaudited report within 30 days following the end of each month containing the following:

(A) A statement of Gross Revenues, Operating Expenses, and Net Revenues derived from the System; and

(B) A statement of account balances in the Sinking Fund accounts provided for in this Ordinance and status of said funds.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be completely audited by an Independent Accountant, shall mail upon request, and make available generally, the report of said Independent Certified Public Accountant, or a summary thereof, to any Holder or Holders of Series 2020 A Bonds issued pursuant to this Ordinance and shall file said report with the Original Purchaser.

Section 6.15. Operating Budget. The Issuer shall annually, at least 30 days preceding the beginning of each Fiscal Year, or at such earlier date required by its charter or the ordinance of the Board, prepare and adopt by resolution a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Original Purchaser and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Original Purchaser and to any Holder of Bonds or anyone acting for and in behalf of such Holder who requests the same.

Section 6.16. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2020 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on such Series 2020 A Bonds during the term thereof is, under the terms of such Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2020 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2020 A Bonds during the terms thereof is, under the terms of such Series 2020 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2020 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the System, or if the Series 2020 A Bonds are for the purpose of financing more than one project, a portion of the System, and shall not exceed the proceeds used for the governmental use of that portion of the System to which such Private Business Use is related.

B. **PRIVATE LOAN LIMITATION.** The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2020 A Bonds or \$5,000,000 are used, directly or indirectly, to make or finance a loan to persons other than state or local government units.

C. **FEDERAL GUARANTEE PROHIBITION.** The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2020 A Bonds to be directly or indirectly "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. **INFORMATION RETURN.** The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2020 A Bonds and the interest thereon, including without limitation, the information return required under Section 149(e) of the Code.

E. **FURTHER ACTIONS.** The Issuer will take all actions that may be required of it so that the interest on the Series 2020 A Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 6.17. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2020 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon the issuance of the Series 2020 A Bonds and shall be on a parity with one another and with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 6.18. Continuing Disclosures. In order to provide the written undertaking for the benefit of the owners of the Series 2020 A Bonds required by the Securities and Exchange Commission Rule 15c2-12, the Issuer shall enter into a Continuing Disclosure Certificate in such form as may be approved by the Supplemental Resolution, and the Mayor are authorized and directed to execute and deliver such Continuing Disclosure Certificate on behalf of the Issuer, with such changes as the Mayor shall approve, such approval to be conclusively evidenced by the execution of such Certificate by the Mayor.

Section 6.19 Preliminary Official Statement; Official Statement. The distribution of the Preliminary Official Statement with respect to the Series 2020 A Bonds shall be and the same is hereby approved. The execution of the Official Statement by the Mayor shall be conclusive evidence of such approval. Copies of the Official Statement are hereby authorized to be prepared and furnished to the Original Purchaser for distribution.

ARTICLE VII **DEFAULTS AND REMEDIES**

Section 7.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2020 A Bonds:

(A) If default by the Issuer occurs in the due and punctual payment of the principal of or interest on any Bond;

(B) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part in this Ordinance or any Supplemental Resolution or in the Bonds contained, and such default shall have continued for a period of 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer by any Registered Owner of any Bond;

(C) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(D) If the Issuer defaults on the Prior Bonds or Prior Ordinances.

Section 7.02. Enforcement. Upon the happening and continuance of any Event of Default, any Registered Owner of any Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his rights and, in particular:

(A) Bring suit for any unpaid principal or interest then due;

(B) By mandamus or other appropriate proceeding enforce all rights of the Registered Owners, including the right to require the Issuer to perform its duties under the Act and this Ordinance;

(C) Bring suit upon the Bonds;

(D) By action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds; and

(E) By action or bill in equity enjoin any acts in violation of this Ordinance or the rights of the Registered Owners of the Bonds.

No remedy by the terms of this Ordinance conferred upon or reserved to the Registered Owners is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Registered Owners hereunder or now or hereafter existing at law or by statute.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder by the Registered Owners shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

Section 7.03. Appointment of Receiver. If there be any Event of Default existing and continuing, any Registered Owner shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the principal of and interest on the Bonds, the deposits into the funds and accounts hereby established as herein provided and the payment of Operating Expenses of the System and to apply such

rates, rentals, fees, charges or other Revenues in conformity with the provisions of this Ordinance and the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate, maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Series 2020 A Bonds issued pursuant to this Ordinance and interest thereon and under any covenants of this Ordinance for reserve, sinking or other funds and accounts and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the Revenues of the System shall have been paid and made good, and all defaults under the provisions of this Ordinance shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby and a successor receiver appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Registered Owners of the Bonds issued pursuant to this Ordinance. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System, for the sole purpose of the protection of both the Issuer and the Registered Owners of the Bonds, and the curing and making good of any default under the provisions of this Ordinance, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Section 7.04. Restoration of Issuer and Registered Owners. In case any Registered Owner shall have proceeded to enforce any right under this Ordinance by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and such Registered Owners shall be restored to their former positions and rights hereunder, and all rights and remedies of such Registered Owners shall continue as if no such proceedings had been taken.

ARTICLE VIII

REGISTRAR, PAYING AGENT AND DEPOSITORY BANK

Section 8.01. Appointment of Registrar, Paying Agent and Depository Bank. The Registrar, Paying Agent and Depository Bank (collectively, the "Fiduciaries") for the Series 2020 A Bonds shall be appointed pursuant to the Supplemental Resolution. The Issuer is hereby authorized and directed to enter into an agreement with the Fiduciaries, the substantial form of which agreement is to be approved by Supplemental Resolution.

Section 8.02. Responsibilities of Fiduciaries. The recitals of fact in the Series 2020 A Bonds shall be taken as statements of the Issuer, and the Fiduciaries shall not be responsible for their accuracy. The Fiduciaries shall not be deemed to make any representation as to, and shall not incur any liability on account of, the validity of the execution of any Series 2020 A Bonds by the Issuer. Notwithstanding the foregoing, the Registrar shall be responsible for any representation in its Certificate of Authentication on the Series 2020 A Bonds. The Fiduciaries and any successor thereto shall agree to perform all the duties and responsibilities spelled out in this Ordinance and any other duties and responsibilities incident thereto, all as provided by said agreement described in Section 8.01.

Section 8.03. Evidence on Which Fiduciaries May Act. Except as otherwise provided by Section 10.02, the Fiduciaries shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion or other document believed by them to be genuine and to have been signed or presented by the proper party or parties. Whenever any Fiduciary shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action, such fact or matter, unless other evidence is specifically prescribed, may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Issuer, but in its discretion such Fiduciary may instead accept other evidence of such fact or matter.

Section 8.04. Compensation and Expenses. The Issuer shall pay to the Fiduciaries from time to time reasonable compensation for all services, including the transfer of registration of Series 2020 A Bonds, the first exchange of Series 2020 A Bonds and the exchange of Series 2020 A Bonds in the event of partial redemption, incurred in the performance of their duties hereunder.

Section 8.05. Certain Permitted Acts. The Registrar may become the owner of or may deal in Series 2020 A Bonds as fully and with the same rights it would have if it were not Registrar. To the extent permitted by law, the Registrar may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Registered Owners or effect or aid in any reorganization growing out of the enforcement of the Series 2020 A Bonds or this Ordinance, whether or not any such committee shall represent the Registered Owners of a majority in principal amount of the Series 2020 A Bonds Outstanding.

Section 8.06. Resignation of Registrar. The Registrar may at any time resign and be discharged of its duties and obligations under this Ordinance by giving not less than 60 days' written notice to the Issuer and publishing in an Authorized Newspaper notice (or mailing such notice to each Registered Owner in the event all Series 2020 A Bonds are fully registered), specifying the date when such resignation shall take effect, within 20 days after the giving of such written notice. A copy of such notice shall also be mailed to each owner of a fully registered Bond or a coupon Bond registered as to principal (other than to bearer). Such resignation shall take effect upon the day specified in such notice unless a successor shall have been previously appointed by the Issuer or bondholders, in which event such resignation shall take effect immediately.

Section 8.07. Removal. The Registrar may be removed at any time by the Issuer or by the Registered Owners of a majority in principal amount of the Series 2020 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed and duly acknowledged by the Issuer or by such Registered Owners or their attorneys duly authorized in writing and delivered to the Issuer, as the case may be. Copies of each such instrument shall be delivered by the Issuer to the Registrar.

Section 8.08. Appointment of Successor. In case at any time the Registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar or of its property shall be appointed, or if any public

officer or court shall take charge or control of the Registrar or of its property or affairs, a successor may be appointed by the Registered Owners of a majority in principal amount of the Series 2020 A Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such Registered Owners or their attorneys duly authorized in writing and delivered to the Issuer and such successor Registrar, notification thereof being given to the predecessor Registrar. Pending such appointment, the Issuer shall forthwith appoint a Registrar to fill such vacancy until a successor Registrar shall be appointed by such Registered Owners. Any successor Registrar appointed by the Issuer shall, immediately and without further act, be superseded by a Registrar appointed by such Registered Owners. If in a proper case no appointment of a successor Registrar shall be made within 45 days after the Registrar shall have given to the Issuer written notice of resignation or after the occurrence of any other event requiring such appointment, the Registrar or any Registered Owner may apply to any court of competent jurisdiction to appoint a successor.

Any Registrar appointed under the provisions of this section shall be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance.

Section 8.09. Transfer of Rights and Property to Successor. Any predecessor Registrar or Paying Agent shall pay over, assign and deliver any moneys, books and records held by it and relating to the Series 2020 A Bonds to its successor.

Section 8.10. Merger or Consolidation. Any company into which the Registrar may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which the Registrar or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Registrar without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association meeting the requirements set forth in Section 8.08.

Section 8.11. Adoption of Authentication. In case any of the Series 2020 A Bonds shall have been authenticated but not delivered, any successor Registrar may adopt a Certificate of Authentication and Registration executed by any predecessor Registrar and deliver such Series 2020 A Bonds so authenticated, and, in case any Series 2020 A Bonds shall have been prepared but not authenticated, any successor Registrar may authenticate such Series 2020 A Bonds in the name of the predecessor Registrar or in its own name.

Section 8.12. Paying Agent. The West Virginia Municipal Bond Commission shall initially serve as Paying Agent. Any alternate Paying Agent must be a bank, trust company or national banking association authorized to perform the duties imposed upon it by this Ordinance. Such alternate Paying Agent shall signify its acceptance of the duties and obligations imposed upon it pursuant hereto by executing and delivering to the Issuer a written acceptance thereof. Any successor Paying Agent shall take such actions as may be necessary to ensure that the Series 2020 A Bonds shall be and remain DTC-Eligible.

Each Paying Agent shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by such Paying Agent in connection with such services solely from monies available therefor.

Any bank, trust company or national banking association with or into which any Paying Agent may be merged or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Ordinance. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter,

appoint a bank, trust company or national banking association located in the same city as such Paying Agent to fill such vacancy; provided, however, that, if the Issuer shall fail to appoint such Paying Agent within said period, the Bond Commission, a court of competent jurisdiction or a majority of the Bondholders may make such appointment.

The Paying Agents shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in this Article VIII with respect to the Registrar, insofar as such provisions may be applicable.

Notice of the appointment of successor or additional Paying Agents or fiscal agents shall be given in the same manner as provided by Section 8.08 hereof with respect to the appointment of a successor Registrar.

All monies received by the Paying Agents shall, until used or applied as provided in this Ordinance, be held in trust for the purposes for which they were received.

ARTICLE IX

DEFEASANCE; DISCHARGE OF PLEDGE OF ORDINANCE

Section 9.01. Defeasance; Discharge of Pledge of Ordinance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Registered Owners of all Series 2020 A Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Ordinance, then this Ordinance and the pledges of the Gross Revenues and other moneys and securities pledged hereunder, and all covenants, agreements and other obligations of the Issuer on behalf of the Registered Owners of the Series 2020 A Bonds made hereunder, shall thereupon cease, terminate and become void and be discharged and satisfied.

Bonds for the payment of which either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Paying Agent at the same or earlier time, shall be sufficient, to pay as and when due the respective principal of and interest on such Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. All Series 2020 A Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if there shall have been deposited with the Bond Commission or an escrow trustee either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Bond Commission or said escrow trustee at the same or earlier time shall be sufficient, to pay when due the principal of, any redemption premium on and interest due and to become due on said Series 2020 A Bonds on and prior to the maturity date thereof, or if the Issuer irrevocably determines to redeem any of said Series 2020 A Bonds prior to the maturity thereof, on and prior to said redemption date. Neither securities nor moneys deposited with the Bond Commission or an escrow trustee pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Series 2020 A Bonds; provided, that any cash received from such principal, redemption premium, if any, and interest payments on such securities deposited with the Bond Commission or said escrow trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and redemption premium, if any, and interest to become due on said Bonds on and prior to such maturity or redemption dates thereof, and interest earned from such reinvestments shall be paid over to the Issuer as

received by the Bond Commission or said escrow trustee, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only Government Obligations.

ARTICLE X **MISCELLANEOUS**

Section 10.01. Amendment of Ordinance. This Ordinance and any Supplemental Resolution may be amended or modified without the consent of any Registered Owner or other person, solely for the purpose of maintaining the tax-exempt status of the Series 2020 A Bonds; provided, that in the event any of the Series 2020 A Bonds are insured, no such amendment or modification which adversely affects the security for such Series 2020 A Bonds or the rights of the applicable Bond Insurer for such Series 2020 A Bonds may be effected without the written consent of such Bond Insurer. Otherwise, no materially adverse amendment or modification to this Ordinance, or of any Supplemental Resolution, may be made without the written consent of (i) the Registered Owners of 60% in aggregate principal amount of the Series 2020 A Bonds then Outstanding and affected thereby, or (ii) the Bond Insurer. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter the terms of payment of the principal of or interest on, any Series 2020 A Bond without the express written consent of the Registered Owner of such Bond, nor reduce the percentage of Series 2020 A Bonds required for consent to any such modification or amendment.

Section 10.02. Evidence of Signatures of Registered Owners and Ownership of Series 2020 A Bonds. Any request, consent, revocation of consent or other instrument which this Ordinance may require or permit to be signed and executed by Registered Owners may be in one or more instruments of similar tenor, and shall be signed or executed by such Registered Owners in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, shall be sufficient for any purpose of this Ordinance if made in the following manner, or in any other manner satisfactory to the Issuer or the Registrar, as the case may be, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

A. The fact and date of the execution by any Registered Owner or his attorney of any such instrument may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act that the person signing such instrument acknowledged to him the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, a trust company or a financial firm or corporation satisfactory to the Issuer or the Registrar, as the case may be, that the person signing such instrument acknowledged to such bank, trust company, firm or corporation the execution thereof.

B. The authority of a person or persons to execute any such instrument on behalf of a corporate Holder may be established without further proof if such instrument is signed by a person purporting to be the president or treasurer or a vice-president or an assistant treasurer of such corporation with a corporate seal affixed, and is attested by a person purporting to be its secretary or assistant secretary.

C. The amount of fully registered Series 2020 A Bonds held by a person executing any instrument as a Registered Owner, the date of his holding such Series 2020 A Bonds and the numbers and other identification thereof, shall be confirmed by the Bond Register.

Any request, consent or other instrument executed by the Registered Owner of any Bond shall bind all future Registered Owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Registrar in accordance therewith.

Section 10.03. Preservation and Inspection of Documents. To the extent allowable under law, all reports, certificates, statements and other documents received by the Registrar under the provisions of this Ordinance shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer or any Registered Owner, and their agents and their representatives, but any such reports, certificates, statements or other documents may, at the election of the Registrar, be destroyed or otherwise disposed of at any time after such date as the pledge created by this Ordinance shall be discharged as provided in Section 9.01.

Section 10.04. Cancellation of Series 2020 A Bonds. All Series 2020 A Bonds purchased or paid shall, if surrendered to the Issuer, be canceled and delivered to the Registrar, or, if surrendered to the Registrar, be canceled by it. No such Series 2020 A Bonds shall be deemed Outstanding under this Ordinance and no Series 2020 A Bonds shall be issued in lieu thereof. All such Series 2020 A Bonds shall be canceled and upon order of the Issuer shall be destroyed, and a certificate evidencing such destruction shall be delivered to the Issuer.

Section 10.05. Failure to Present Series 2020 A Bonds. Anything in this Ordinance to the contrary notwithstanding, any moneys held by the Bond Commission or a Paying Agent in trust for the payment and discharge of any of the Series 2020 A Bonds which remain unclaimed for 1 year after the date on which such Series 2020 A Bonds have become due and payable, whether by maturity or upon call for redemption, shall at the written request of the Issuer be paid by the Bond Commission or said Paying Agent to the Issuer as its absolute property and free from trust, and the Bond Commission or said Paying Agent shall thereupon be released and discharged with respect thereto, and the Registered Owners of such Series 2020 A Bonds shall look only to the Issuer for the payment of such Series 2020 A Bonds.

TAX COMPLIANCE POLICY

CITY OF CHARLES TOWN (WEST VIRGINIA)

TAX COMPLIANCE POLICIES

Purpose

Governmental issuers of tax-exempt and tax-credit bonds must comply with certain federal tax rules pertaining to expenditure of proceeds for qualified costs, rate of expenditure, use of bond financed property, investment of proceeds in compliance with arbitrage rules, and retention of records. The following policies are intended to establish compliance by the City of Charles Town, West Virginia (the “*Issuer*”), as the issuer, with these rules in connection with the issuance of the Issuer’s Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2020 A (Bank Qualified) (the “*Tax-Exempt Bonds*”). It is understood and agreed by the Issuer, and the Issuer has covenanted to take all actions necessary to maintain the Tax-Exempt Bonds as tax-exempt state and local bonds.

Tax Requirements Associated with Sale and Issuance of Bonds

Review and retention of tax documents related to the sale and issuance of Bonds will be supervised by the City Manager or his designee (the “*Oversight Officer*”).

- Form 8038-G (tax exempt bonds) will be reviewed and filed not later than the 15th day of the 2nd calendar month following the quarter in which the bonds were issued. Filing of appropriate version or versions of Form 8038-G will be confirmed with bond counsel.

Expenditure of Proceeds for Governmental Costs

Expenditure of bond proceeds will be reviewed by the Oversight Officer.

- Bond proceeds will be disbursed pursuant to the Bond Ordinance, and will be a written order of an Authorized Officer, stating the date, amount and purpose of the disbursement.
- Requisitions must identify the financed property in conformity with the Tax and Non-Arbitrage Certificate executed by the Issuer at closing, including any

certifications as to the character and average economic life of the bond-financed property.

- Requisitions for costs that were paid prior to the issuance of the bonds are, in general, limited to costs paid subsequent to, or not more than 60 days prior to, the date a “declaration of intent” to reimburse the costs was adopted by the City. If proceeds are used for reimbursement, a copy of the declaration will be obtained and included in the records for the Tax-Exempt Bonds, if not already part of the bond transcript.
- Requisitions will be in accordance with expectations to spend or commit 5% of net sale proceeds within 6 months, to spend 85% of net sale proceeds within 3 years, and to proceed with due diligence to complete the project and fully spend the net sale proceeds. Expected expenditure schedules, project timelines, and plans and specifications will be maintained to support expectations. Reasons for failure to meet the expected schedule will be documented and retained in the records for the Tax-Exempt Bonds.
- If the 18-month spending exception to rebate applies, expenditure of gross proceeds will be monitored against the following schedule for the arbitrage rebate exception for the issue, if applicable:

15% within 6 months
60% within 12 months
100% within 18 months

- If the 2-year spending exception to rebate applies, expenditure of “available construction proceeds” will be monitored against the following schedule for the arbitrage rebate exception for construction issues if applicable:

10% within 6 months
45% within 12 months
75% within 18 months
100% within 24 months

Expenditure of Proceeds

In addition to the general review of expenditures described above, expenditure of proceeds of the Tax-Exempt Bonds will be reviewed by the Oversight Officer.

- Reserve funds cannot exceed the least of 10% of bond proceeds, maximum annual debt service, or 125% of average annual debt service. The initial funding of any reserve fund will be measured against this limit.

- Only a small portion (5%) of the proceeds of Tax-Exempt Bonds can be used for operating expenses or other “working capital” costs. Requisitions for costs of the Project will accordingly be monitored to confirm that they are for capital costs of the Project.
- Investment earnings on sale proceeds of the Tax-Exempt Bonds will be tracked and will be requisitioned only for appropriate expenditures.

Use of Bond-Financed Property

Use of bond-financed property when completed and placed in service will be reviewed by the Oversight Officer.

- Average nonexempt use of bond-financed property over the life of the issue cannot exceed 10% of the proceeds.
- Agreements with business users or non-profit organizations for lease or management or services contracts, sponsored research, naming rights or any other potential nonexempt use of bond-financed property will be reviewed prior to execution of any contract to determine if property subject to the Bond Ordinance is bond-financed.
- Agreements with business users or other non-profit organizations for lease or management or services contracts or other private business use involving bond-financed property will be tracked and aggregated with other private business uses for compliance with the 10% limit, as set forth in the Tax and Non-Arbitrage Certificate.
- No item of bond-financed property will be sold or transferred to a nonexempt party without advance arrangement of a “remedial action” under the applicable Income Tax Regulations.

Investments and IRS Filings

Investment of bond proceeds in compliance with the arbitrage bond rules and rebate of arbitrage will be supervised by the Oversight Officer.

- Guaranteed investment contracts (“GIC”) will be purchased only using the three-bid “safe harbor” of applicable Income Tax Regulations, in compliance with fee limitations on GIC brokers in the Income Tax Regulations.
- Other investments will be purchased only in market transactions.

- Calculations of rebate liability will be performed annually by outside consultants.
- Rebate payments will be made with Form 8038-T no later than 60 days after (a) each fifth anniversary of the date of issuance and (b) the final retirement of the issue. Compliance with rebate requirements will be reported to the bond trustee and the issuer.
- Identify date for first rebate payment at time of issuance. Enter in records for the issue.

Records

Management and retention of records related to tax-exempt bond issues will be supervised by the Oversight Officer.

- Records will be retained for the life of the bonds plus any refunding bonds plus three years. Records may be in the form of documents or electronic copies of documents, appropriately indexed to specific bond issues and compliance functions.
- Retainable records pertaining to the Tax-Exempt Bonds include transcript of documents executed in connection with the issuance of the bonds (including authorizing resolutions, Bond Ordinance, Form 8038-G, and Tax and Non-Arbitrage Certificate) and any amendments, and copies of rebate calculations and records of payments, including Forms 8038-T.
- Retainable records pertaining to expenditures of bond proceeds include requisitions, accounting statements and final allocation of proceeds.
- Retainable records pertaining to use of property include all agreements reviewed for nonexempt use and any reviewed documents relating to unrelated business activity.
- Retainable records pertaining to investments include GIC documents under the Income Tax Regulations, records of purchase and sale of other investments, and records of investment activity sufficient to permit calculation of arbitrage rebate or demonstration that no rebate is due.

Overall Responsibility

Overall administration and coordination of this policy is the responsibility of the Oversight Officer.

CONTINUING DISCLOSURE POLICY

CITY OF CHARLES TOWN

CONTINUING DISCLOSURE PROCEDURES

PROCEDURES FOR COMPLIANCE WITH OBLIGATIONS UNDER CONTINUING DISCLOSURE UNDERTAKINGS (Current as of April 2020)

These Procedures for Compliance with Obligations under Continuing Disclosure Undertakings (these “Procedures”) set forth specific procedures of the City of Charles Town (the “Issuer”), designed to assist in compliance with applicable requirements set forth in undertakings (“Continuing Disclosure Undertakings”) providing for ongoing disclosure in connection with the offering of obligations to investors (whether or not tax-exempt/tax-advantaged) which are subject to the continuing disclosure requirements of Rule 15c2-12 (the “Rule”) promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934.

These Procedures document practices and describe various procedures for preparing and disseminating related reports and information and reporting “listed events” for the benefit of the holders of the Issuer’s obligations and to assist the Participating Underwriter (within the meaning of the Rule) in complying with the Rule and the Continuing Disclosure Undertaking.

The Issuer recognizes that compliance with pertinent law is an ongoing process, is necessary during the entire term of any obligations issued by the Issuer that are subject to (and not exempt from) the Rule and is an integral component of the Issuer’s debt management responsibilities. Accordingly, implementation of these Procedures will require ongoing monitoring and consultation with bond counsel and the Issuer’s accountants and advisors.

General Policies and Procedures

The following policies relate to procedures and systems for monitoring post-issuance compliance generally.

1. The Executive Director of the Issuer or his or her designee (the “Compliance Officer”) shall be responsible for monitoring post-issuance compliance issues.
2. The Compliance Officer will coordinate procedures for record retention and review of such records.
3. All documents and other records relating to obligations issued by the Issuer shall be maintained by or at the direction of the Compliance Officer.

4. The Compliance Officer will review post-issuance compliance procedures and systems on a periodic basis, but not less than annually.
5. The Compliance Officer will review the annual information required to be filed pursuant to each Continuing Disclosure Undertaking.

Continuing Disclosure

Under the provisions of the Rule, Participating Underwriters are required to reasonably determine that issuers (such as the Issuer) have entered into written Continuing Disclosure Undertakings to make ongoing disclosure in connection with offerings of obligations to investors subject to the Rule. Unless the Issuer is exempt from compliance with the Rule or the continuing disclosure provisions of the Rule as a result of certain permitted exemptions, a Continuing Disclosure Undertaking executed by the Issuer will be required.

In order to monitor compliance by the Issuer with its Continuing Disclosure Undertakings, the Compliance Officer will take the actions listed below, if and as required by such Continuing Disclosure Undertakings. The Compliance Officer may coordinate with staff, and may engage a dissemination agent, administrator, counsel, and/or other professionals to assist in discharging the Compliance Officer's duties under these Procedures as the Compliance Officer deems necessary.

A. Compilation of Currently Effective Continuing Disclosure Undertakings

The Compliance Officer shall compile and maintain a set of all currently effective Continuing Disclosure Undertakings of the Issuer. Such agreements are included in the transcript of proceedings for the Issuer's respective obligation issue. Continuing Disclosure Undertakings are "Currently Effective" for purposes of these Procedures (and hence shall be included in the set of Currently Effective Continuing Disclosure Undertakings) for so long as the obligations to which they relate are outstanding. As obligations are completely repaid or redeemed, the Compliance Officer shall remove the related Continuing Disclosure Undertakings from the set of Currently Effective Continuing Disclosure Undertakings.

B. Annual Review and Annual Reporting Requirements

The Compliance Officer shall ensure that all necessary financial statements, financial information and operating data is filed in the manner and by the filing dates set forth in the Currently Effective Continuing Disclosure Undertakings. The Compliance Officer shall review the set of Currently Effective Continuing Disclosure Undertakings annually, prior to each annual filing, keeping in mind:

- The financial information and operating data required to be reported under a particular Continuing Disclosure Undertaking may differ from the financial

information and operating data required to be reported under another Continuing Disclosure Undertaking; and

- The timing requirements for reporting under a particular Continuing Disclosure Undertaking may differ from the timing requirements for filing under another Continuing Disclosure Undertaking.

C. Calendar; EMMA Notification System

The Compliance Officer shall keep a calendar of all pertinent filing dates required under the Issuer's Currently Effective Continuing Disclosure Undertakings. The Compliance Officer shall also subscribe to notification services made available through the Electronic Municipal Market Access system of the Municipal Securities Rulemaking Board.

D. Annual Review of Prior Filings

As part of the annual review process, the Compliance Officer shall also review prior filings made within the past five years subsequent to the last such review of prior filings. If the Compliance Officer discovers any late or missing filings, the Compliance Officer (after discussing the circumstances with the Issuer's dissemination agent, counsel or other agents as necessary) shall file the missing information.

E. Monitoring of Listed Events

The Compliance Officer shall monitor the occurrence of any of the following events and/or other events set forth in the Currently Effective Continuing Disclosure Undertakings and shall provide notice of the same in the required manner and by the relevant reporting deadline (generally within 10 business days of the occurrence):

- Principal and interest payment delinquencies;
- Non-payment related defaults, if material;
- Unscheduled draws on debt service reserves reflecting financial difficulties;
- Unscheduled draws on credit enhancements reflecting financial difficulties;
- Substitution of credit or liquidity providers, or their failure to perform;
- Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Issuer's obligations, or other material events affecting the tax status of the Issuer's obligations;

- Modification to rights of holders of the Issuer's obligations, if material;
- Calls of the Issuer's obligations, if material, and tender offers;
- Defeasances of the Issuer's obligations;
- Release, substitution or sale of property securing repayment of the Issuer's obligations, if material;
- Rating changes;
- Bankruptcy, insolvency, receivership or similar event of the obligated person;
- The consummation of a merger, consolidation, or acquisition involving the Issuer or the sale of all or substantially all of the assets of the Issuer, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- Appointment of a successor or additional trustee or the change of name of a trustee, if material;
- Incurrence of a Financial Obligation of the Issuer, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Issuer, any of which affect Bondholders, if material; and
- Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Issuer, any of which reflect financial difficulties.

The term "Financial Obligation" is defined in the undertaking as a (a) debt obligation, (b) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation, or (c) guarantee of an obligation or instrument described in either clause (a) or (b). "Financial Obligation" does not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

F. Review of Official Statements

The Compliance Officer shall review drafts of any offering document for a new offering of obligations, with assistance from its dissemination agent, counsel or other agents of the Issuer as necessary, and shall determine that the offering document accurately and completely

describes the Issuer's continuing disclosure compliance history within the five years prior to the date of the respective Official Statement. This compliance review is not meant to limit the Issuer's other reviews of or diligence procedures relating to its offering documents.

G. Record Retention

The Compliance Officer shall retain documentation evidencing the Issuer's annual reviews and its reviews of offering documents in connection with new offerings as set forth above. The Issuer shall retain this documentation, for each Continuing Disclosure Undertaking, for the period that the related obligations are outstanding.

H. Annual Review Checklist

The Bonds and the interest thereon are payable only from and are secured by the Gross Revenues (as defined in the Ordinance) to be derived from the operation of the System, on a parity with the pledge of Gross Revenues in favor of the holders of the Prior Bonds and from moneys in the Series 2020 A Bonds Sinking Fund and the Series 2020 A Bonds Reserve Account established under the Ordinance, and the unexpended proceeds of the Bonds. Such Gross Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose and to make the other payments required by the Ordinance. This Bond does not constitute an indebtedness of the Issuer within any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Gross Revenues, the moneys in the Series 2020 A Bonds Sinking Fund and the Series 2020 A Bonds Reserve Account and unexpended proceeds of the Bonds. Under the Ordinance, the Issuer has covenanted and agreed to fix, establish and collect just and equitable rates or charges for the use of the services and facilities of the System and to revise the same from time to time as will always be sufficient to pay all operating expenses of the System and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest on the Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds, including the Prior Bonds. The Issuer has entered into certain further covenants with the Registered Owners of the Bonds, for the terms of which reference is made to the Ordinance. Remedies provided the Registered Owners of the Bonds are exclusively as provided in the Ordinance, to which reference is here made for a detailed description thereof.

All moneys received from the sale of the Series 2020 A Bonds except for accrued interest thereon shall be applied solely to finance the refunding of the Issuer's outstanding Series 2013 B Bonds, Series 2014 C Bonds, Series 2014 D Bonds and Series 2014 E Bonds, purchase a Municipal Bond Insurance Policy for the Series 2020 A Bonds, purchase a Municipal Bond Debt Service Reserve Insurance Policy for the Series 2020 A Bonds, and pay costs of issuance of the Series 2020 A Bonds, and there shall be, and hereby is, created and granted a lien upon such moneys, until so applied, in favor of the Registered Owners of the Series 2020 A Bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of said Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia, and that a sufficient amount of the Gross Revenues of the System has been pledged to and will be set aside into said special fund by said Issuer for the prompt payment of the principal of and interest on the Bonds of which this Bond is one.
