BE IT RESOLVED AND ORDERED BY THE PUBLIC SERVICE BOARD OF CLAY/ROANE PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A, of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared that:

A. Clay/Roane Public Service District (the "Issuer") is a public service district and political subdivision of the State of West Virginia in Clay and Roane Counties of said State, duly created by The County Commission of Clay County pursuant to the Act.

B. The Issuer presently does not own or operate a public waterworks system, and it is deemed essential, convenient, necessary and desirable for the health, safety, advantage, convenience and welfare of the inhabitants of the Issuer, and, accordingly, it is hereby ordered that there be acquired and constructed certain waterworks facilities consisting of a waterworks system of approximately 11 miles from Precious, Clay County, to Newton, Roane County, including transmission facilities, a 50 gpm booster station,

a 100,000 gallon water storage tank and upgrading an existing booster station to 70 gpm, with all necessary appurtenant facilities (the "Project"), which constitute properties for the diversion, development, pumping, impounding, treatment, storage, distribution or furnishing of water to or for the public for industrial, public, private or other uses (the Project and any additions and improvements thereto or extensions thereof is herein called the "System") at an estimated cost of \$1,995,000, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Secretary of the Public Service Board (the "Governing Body") of the Issuer, of which approximately \$450,000 will be obtained from the Bond, approximately \$750,000 will be obtained by a grant from the Purchaser, approximately \$750,000 will be obtained by a grant from the Department of Housing and Urban Development (Small Cities Block Grant through the State of West Virginia), approximately \$25,000 will be obtained by a grant from The County Commission of Clay County and approximately \$20,000 will be obtained by a grant from The County Commission of Roane County. Water will be purchased from Precious Public Service District pursuant to a water purchase contract between Precious Public Service District and the Issuer. The acquisition and construction of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. The estimated revenues to be derived in each year from the operation of the System after completion of the Project will be sufficient to pay all the costs of the operation and maintenance of the System, the principal of and interest on the Bond (as hereinafter defined) and all debt service, reserve fund and other payments provided for herein.

D. It is deemed necessary for the Issuer to issue its Water Revenue Bond in the aggregate principal amount of \$450,000 to finance part of the costs of acquisition and construction of the Project. The cost of such acquisition and construction shall be deemed to include, without being limited to, the acquisition and construction of the Project; the acquisition of any necessary property, real or personal, or interest therein; interest on the Bond prior to, during and for 6 months after completion of such construction to the extent that revenues of the System are not sufficient therefor; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; and such other expenses as may be necessary or incidental to the construction of the Project and the financing authorized hereby; provided, that reimbursement to the Issuer for any amounts expended by it for the repayment of indebtedness incurred for Costs of the Project by the Issuer shall be deemed Costs of the Project.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that the Bond be sold to the United States Department of Agriculture, Farmers Home Administration (the "Purchaser"), pursuant to the terms and provisions of a letter of conditions dated April 6, 1988, and all amendments thereto (collectively, the "Letter of Conditions").

G. There are no outstanding obligations of the Issuer which will rank prior to or on a parity with the Bond as to lien, pledge and/or source of and security for payment.

H. The Issuer has complied with all requirements of law relating to authorization of the acquisition and construction of the Project, the operation of the System, including, without limitation, the imposition of rates and charges, and the issuance of the Bond, or will have so complied prior to issuance of the Bond, including among other things and without limitation, the consent and approval, pursuant to the Act and all other provisions of law, of the issuance of the Bond, the acquisition and construction of the Project and the imposition of rates and charges by the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired.

ARTICLE III

AUTHORIZATION, TERMS, EXECUTION, REGISTRATION AND ISSUE OF BOND

Section 3.01. Authorization of Bond. Subject and pursuant to the provisions hereof, the Bond of the Issuer, to be known as "Water Revenue Bond, Series 1990," is hereby authorized to be issued in the aggregate principal amount of not exceeding \$450,000 for the purpose of permanently financing a portion of the Costs of the Project.

Section 3.02. Description of Bond. The Bond shall be issued in single form, No. R-1, only as a fully registered Bond, and shall be dated the date of delivery thereof. The Bond shall bear interest from date of delivery, payable monthly at the rate of 5% per annum and shall be sold for the par value thereof.

The Bond shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer, and shall be payable as provided in the Bond form hereinafter set forth.

Section 3.03. Negotiability, Registration, Transfer and Exchange of Bond. Subject to the provisions for transfer of registration set forth below, the Bond shall be and have all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State, but the Bond, and the right to principal of, and stated interest on, the Bond, may only be transferred by transfer of the registration thereof upon the books required to be kept pursuant to Section 3.04 hereof, by the party in whose name it is registered, in person or by attorney duly authorized in writing, upon surrender of the Bond for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Bond Registrar.

Whenever the Bond shall be surrendered for registration of transfer, the Issuer shall execute and deliver a new Bond or Bonds in authorized denominations, for a like aggregate principal amount. The Bond Registrar shall require the payment by the Bondholder requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer, but the Issuer shall pay any other expenses incurred by the Bond Registrar with respect to such transfer.

No registration of transfer of the Bond shall be permitted to be made after the 15th day next preceding any installment payment date on the Bond.

Section 3.04. Bond Registrar. The Issuer shall be the Bond Registrar and will keep, or cause to be kept by its agent, at its office, sufficient books for the registration and transfer of the Bond, and, upon presentation for such purpose, the Bond Registrar shall, under such reasonable regulations as it may prescribe, register the Bond initially issued pursuant hereto and register the transfer, or cause to be registered by its agent, on such books, the transfer of the Bond as hereinbefore provided.

The Bond Registrar shall accept the Bond for registration or transfer only if ownership thereof is to be registered in the name of the Government, an individual (including joint ownership), a corporation, a partnership or a trust, and only upon receipt of the social security number of each individual, the federal employer identification number of each corporation or partnership or the social security numbers of the settlor and beneficiaries of each trust and the federal employer identification number and date of each trust and the name of the trustee of each trust and/or such other identifying number and information as may be required by law. Any Bond may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bond shall hold the proper office in the Issuer, although at the date of such Bond such person may not have held such office or may not have been so authorized.

The Bond so surrendered shall be cancelled and held for the account of the Issuer. If the Bond shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, and, if such Bond be destroyed, stolen or lost, without surrender thereof.

The payment of the debt service of the Bond shall be secured forthwith by a first lien on the Net Revenues derived from the System, in addition to the statutory mortgage lien on the System hereinafter provided for. Section 3.08. Form of Bond. Subject to the provisions hereof, the text of the Bond and the other details thereof shall be of substantially the following tenor, with such omissions, insertions and variations as may be authorized or permitted hereby or by any resolution adopted after the date of adoption hereof and prior to the issuance thereof:

(FORM OF BOND)

STATE OF WEST VIRGINIA
CLAY/ROANE PUBLIC SERVICE DISTRICT
WATER REVENUE BOND, SERIES 1990

\$450,000

No. R-1

Date: _____

FOR VALUE RECEIVED, CLAY/ROANE PUBLIC SERVICE DISTRICT (herein called the "Issuer") promises to pay to the order of the United States of America, Farmers Home Administration (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri, 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of FOUR HUNDRED FIFTY THOUSAND DOLLARS (\$450,000), plus interest on the unpaid principal balance at the rate of 5% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following the date of delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$2,210, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to the Issuer as requested by the Issuer and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of the Issuer. Refunds and extra payments, as defined in the regulations of the Farmers Home Administration according to the source of funds involved, shall, after

payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of the Issuer to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, the Issuer shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by the Issuer may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by the Issuer, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by the Issuer, and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by the Issuer to the Government without demand. The Issuer agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

The Issuer hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond is issued to permanently finance a portion of the costs of acquisition and construction of new waterworks facilities of the Issuer, and this Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of construction and acquisition of additions, extensions and improvements to the waterworks system (the "System") of the Issuer, is payable solely from the revenues to be derived from the operation of the System after

there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest thereon except from the special fund so provided.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Issuer, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Bond Legislation, and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A, of the West Virginia Code (herein called the "Act"), and with a resolution of the Issuer duly adopted authorizing issuance of this Bond (the "Bond Legislation").

If at any time it shall appear to the Government that the Issuer may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, the Issuer will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to the Issuer made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Farmers Home Administration and to its future regulations not inconsistent with the express provisions hereof.

IN WITNESS WHEREOF, CLAY/ROANE PUBLIC SERVICE DISTRICT has caused this Bond to be executed by its Chairman and its corporate seal to be hereunto affixed or imprinted hereon and attested by its Secretary, all as of the date hereinabove written.

Section 4.03. Covenants of the Issuer as to System Revenues and Funds. So long as the Bond shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund, a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Bond remaining unpaid, together with interest accrued to the date of such payment, the Issuer further covenants with the holder of the Bond as follows:

(A) REVENUE FUND. The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited as collected by the Issuer in the Revenue Fund. (B) DISPOSITION OF REVENUES. All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority:

(i) The Issuer shall first each month pay from the moneys in the Revenue Fund all current Operating Expenses.

(ii) The Issuer shall next, on or before the due date of payment of each installment on the Bond, transfer from the Revenue Fund and remit to the National Finance Office designated in the Bond (or such other place as may be provided pursuant to the Bond) the amount required to pay the interest on the Bond, and to amortize the principal of the Bond over the life of the Bond issue.

(iii) The Issuer shall also, on each date that payment is made as set forth in (ii) above, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Reserve Fund, 1/12th of 1/10th of the amount, as of the date of calculation, equal to the maximum amount of principal and interest which will become due on the Bond in any year, until the amount in the Reserve Fund equals such maximum amount (the "Minimum Reserve"). After the Minimum Reserve

has been accumulated in the Reserve Fund, the Issuer shall monthly deposit into the Reserve Fund such part of the moneys remaining in the Revenue Fund, after such provision for payment of monthly installments on the Bond and for payment of Operating Expenses of the System, as shall be required to maintain the Minimum Reserve in the Reserve Fund. Moneys in the Reserve Fund shall be used solely to make up any deficiency for monthly payments of the principal of and interest on the Bond to said National Finance Office (or other place provided) as the same shall become due or for prepayment of installments on the Bond, or for mandatory prepayment of the Bond as hereinafter provided, and for no other purpose; provided, however, that when the Minimum Reserve has been accumulated in the Reserve Fund, all earnings of investments of moneys therein shall at least annually be transferred to and deposited in the Revenue Fund and used for prepayment of the principal of the Bond.

(iv) The Issuer shall next, on each date that payment is made as set forth in (ii) above, transfer from the Revenue Fund and deposit in the Depreciation Reserve, the moneys remaining in the Revenue Fund and not permitted to be retained therein, until there has been accumulated in the Depreciation Reserve the aggregate sum of \$99,750, and thereafter such sums as shall be required to maintain such amount therein. Moneys in the Depreciation Reserve shall be used first to make up any deficiencies for monthly payments of principal of and interest on the Bond as the same become due, and next to restore to the Reserve Fund any sum or sums transferred therefrom. Thereafter, and provided that payments into the Reserve Fund are current and in accordance with the foregoing provisions, moneys in the Depreciation Reserve may be withdrawn by the Issuer and used for extraordinary repairs and for replacements of equipment and improvements for the System, or any part thereof.

(v) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, moneys remaining therein and not required to be retained therein, if any ("Surplus

Revenues"), may be used to prepay installments of the Bond or for any lawful purpose.

Whenever the moneys in the Reserve Fund shall be sufficient to prepay the Bond in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Bond at the earliest practical date and in accordance with applicable provisions hereof.

The Depository Bank is hereby designated as the Fiscal Agent for the administration of the Reserve Fund and the Depreciation Reserve herein provided, and all amounts required for the Reserve Fund and Depreciation Reserve will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written advice stating the amount remitted for deposit into each such fund.

The Revenue Fund, the Reserve Fund and the Depreciation Reserve shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Bond and the interest thereon, but the Depository Bank shall not be a trustee as to such funds.

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

The Depository Bank, at the direction of the Issuer, shall keep the moneys in the Reserve Fund and the Depreciation Reserve invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Legislation shall, unless otherwise provided herein or required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia State Board of Investments. Any investment shall be held in and at all

times deemed a part of the fund or account in which such moneys were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund. Earnings upon moneys in the Reserve Fund, so long as the Minimum Reserve is on deposit and maintained therein, shall be paid annually in January into the Revenue Fund by the Depository Bank.

(C) CHANGE OF DEPOSITORY BANK AND FISCAL AGENT. The Issuer may designate another bank or trust company insured by FDIC as Depository Bank and Fiscal Agent if the aforesaid bank should cease for any reason to serve or if the Governing Body determines by resolution that said bank or its successor should no longer serve as Depository Bank and Fiscal Agent. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

(D) USER CONTRACTS. The Issuer shall, prior to delivery of the Bond, provide evidence that there will be at least 200 bona fide users upon the System on completion of the Project, in full compliance with the requirements and conditions of the Purchaser.

(E) CHARGES AND FEES. The Issuer shall remit from the Revenue Fund to the Depository Bank such additional sums as shall be necessary to pay the charges and fees of the Depository Bank then due.

(F) INVESTMENT OF EXCESS BALANCES. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, in a lawful manner for securing deposits of state and municipal funds under the laws of the State.

(G) REMITTANCES. All remittances made by the Issuer to the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

(H) GROSS REVENUES. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE V

GENERAL COVENANTS, ETC.

Section 5.01. General Statement. So long as the Bond shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund a sum sufficient to prepay the entire principal of the Bond remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Bondholder.

Section 5.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Bond, and sufficient to make the payments required to be made into the Reserve Fund and Depreciation Reserve and all the necessary expenses of operating and maintaining the System during such Fiscal Year, and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as the Bond is outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. No additional parity bonds or obligations payable out of any or all of the Revenues of the System shall be issued after the issuance of the Bond pursuant hereto except with the prior written consent of the Purchaser.

Section 5.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Bond remains outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

- (a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all

above-ground structures of the System in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Bond.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workers' Compensation Coverage for all Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code

Section 38-2-39. Workers' compensation insurance will be maintained as required by law.

(e) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount of \$50,000 upon the treasurer, provided, however, that no bond shall be required insofar as custody of the Project Construction Account is concerned so long as checks thereon require the signature of a representative of the Purchaser.

(f) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Bond is outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Fiscal Year; Budget. While the Bond is outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the first day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the year next

preceding by more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.07. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer and on file with the Governing Body on the date of adoption hereof, subject to permitted changes.

Section 5.08. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer further covenants to comply with the Act with respect to such books, records and accounts.

Section 5.09. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Bond is outstanding.

Section 5.10. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

Section 5.11. Statutory Mortgage. For the further protection of the Holder of the Bond, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Bond.

Section 5.12. Events of Default. Each of the following events is hereby declared an "Event of Default":

(A) Failure to make payment of any monthly amortization installment upon the Bond at the date specified for payment thereof;

(B) Failure duly and punctually to observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Bond or herein, or violation of or failure to observe any provision of any pertinent law.

Section 5.13. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 5.14. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

ARTICLE VI

RATES, ETC.

Section 6.01. Initial Schedule of Rates and Charges; Rules. A. The initial schedule of rates and charges for the services and facilities of the System, subject to change consonant with the provisions hereof, shall be as set forth in the Order of the Public Service Commission of West Virginia, entered on September 21, 1990, Case No. 89-564-FWD-CN, which order is incorporated herein by reference as a part hereof.

B. There shall not be any discrimination or differential in rates between customers in similar circumstances.

C. The Issuer may require any applicant for any service by the System to deposit a reasonable and equitable amount to insure payment of all charges for the services rendered by the System, which deposit shall be handled and disposed of under the applicable rules and regulations of the Public Service Commission of West Virginia.

D. The Issuer, to the extent permitted by law, will not accept payment of any water bill from a customer served with water and sewer services by the Issuer without payment at the same time of a sewer bill owed by such customer for the same premises.

E. All delinquent fees, rates and charges for services or facilities of the System shall be liens on the premises served of equal degree, rank and priority with the lien on such premises of state, county, school and municipal taxes, as provided in the Act. The Issuer shall have such remedies and powers as are provided under the Act and other applicable provisions of law with regard to the collection and enforcement of such rates and charges.

F. The Issuer will not render or cause to be rendered any free services of any nature by the System nor any of the facilities; and in the event that the Issuer or any department, agency, officer or employee thereof should avail itself or themselves of the services or facilities of the System, the same fees, rates and charges applicable to other customers receiving like services under similar circumstances shall be charged, such charges shall be paid as they accrue, and revenues so received shall be deposited and accounted for in the same manner as other Revenues of the System.

ARTICLE VII

If any one or more of the covenants, agreements or provisions hereof should be held contrary to any express provision of law or contrary to the policy of express law, although not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed severable from the remaining covenants, agreements or provisions hereof, and shall in no way affect the validity of all the other provisions hereof or the Bond.

Section 7.05. Conflicting Provisions Repealed. All orders or resolutions, or parts thereof, in conflict with the provisions hereof are, to the extent of such conflict, hereby repealed; provided that this Section shall not be applicable to the Loan Resolution (Form FmHA 442-47).

Section 7.06. Table of Contents and Headings. The Table of Contents and headings of the articles, sections and subsections hereof are for convenience only and shall neither control nor affect in any way the meaning or construction of any of the provisions hereof.
