ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the “Bond Legislation”) is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 16, Article 13C of the West Virginia Code of 1931, as amended the (collectively, “Act”), and other applicable provisions of law.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared that:

A. The Claywood Park Public Service District (the “Issuer”) is a public service district, public corporation and political subdivision of the State of West Virginia in Wood and Wirt Counties of said State, created by The County Commission of Wood County.

B. The Issuer presently owns and operates a public waterworks system. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be constructed certain extensions, additions, betterments and improvements to the Issuer’s existing waterworks system, including the extensions, additions, betterments and improvements described in Exhibit A hereto (collectively, the “Project”) (the Issuer’s existing waterworks system, the Project and any further additions, extensions, betterments and improvements thereto are herein called the “System”) in accordance with the plans and specifications prepared by Cerrone Associates, Inc., Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all the costs of the operation and maintenance of the System, the principal of and interest on the Prior Bonds and the Series 2016 Bonds and all Sinking Funds, Reserve Accounts and other payments provided for herein, all as such terms are hereinafter defined.

D. It is further deemed necessary for the Issuer to issue its Bonds in the total aggregate principal amount of not more than \$5,043,944, in two series, being the Water Revenue Bonds, Series 2016 A (West Virginia DWTRF Program) in the amount of \$4,343,944 (the “Series 2016 A Bonds”) and the Water Revenue Bonds, Series 2016 B (West Virginia DWTRF Program-Principal Forgiveness) in the amount of \$700,000 (the “Series 2016 B Bonds”)(the Series 2016 A Bonds and the Series 2016 B Bonds are collectively referred to herein as the “Series 2016 Bonds”), to permanently finance a portion of the costs of acquisition and construction of the Project. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest upon the Series 2016 Bonds prior to and during construction and acquisition and for a period not exceeding 6 months after completion of construction of the Project; amounts which may be deposited in the Series 2016 Bonds Reserve Accounts; engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or

incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees of the Authority (as hereinafter defined), initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2016 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2016 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes, shall be deemed Costs of the Project, as hereinafter defined.

E. The estimated maximum cost of the acquisition and construction of the Project and the issuance of the Series 2016 Bonds is \$5,043,944, \$4,343,944 of which will be obtained from the proceeds of the sale of the Series 2016 A Bonds described above and \$700,000 of which will be obtained from the proceeds of the sale of the Series 2016 B Bonds described above.

F. The period of usefulness of the System after completion of the Project is not less than 40 years.

G. It is in the best interest of the Issuer that its Series 2016 Bonds be issued and sold to the Authority (as hereinafter defined) pursuant to the terms and provisions of a Drinking Water Treatment Revolving Fund Loan Agreement to be entered into between the Issuer and the West Virginia Water Development Authority (the "Authority"), acting on behalf of the West Virginia Bureau of Public Health (the "BPH") (the "Loan Agreement"), the execution, delivery and form of which are ratified and approved herein.

H. There are outstanding obligations of the Issuer which will rank on parity with the Series 2016 Bonds as to liens and sources of and security for payment, which obligations (the "Prior Bonds") are designated and described, as follows:

In case any one or more of the officers who shall have signed or sealed any of the Series 2016 Bonds shall cease to be such officer of the Issuer before the Series 2016 Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Series 2016 Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.04. Authentication and Registration. No Series 2016 Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.10 shall have been manually executed by the Bond Registrar. So long as any of the Series 2016 Bonds remain Outstanding, the Issuer, through the Bond Registrar or its agent, shall keep and maintain the books for the registration and transfer of the Series 2016 Bonds.

The registered Series 2016 Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto, together with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the registered owner or his duly authorized attorney.

provisions of this Bond Legislation. All Series 2016 Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Series 2016 Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Series 2016 Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on the Series 2016 Bonds or, in the case of any proposed redemption of Series 2016 Bonds, next preceding the date of the selection of Series 2016 Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2016 Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided and amounts, if any, in the respective Series 2016 Bonds Sinking Funds and the Series 2016 Bonds Reserve Accounts. No holder or holders of any of the Series 2016 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2016 Bonds or the interest, if any, thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues; Lien Positions with Respect to Prior Bonds. The payment of the debt service of all the Series 2016 Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Series 2016 Bonds and the Prior Bonds and to make the payments into all funds and accounts either existing or hereinafter established are hereby irrevocably pledged to the payment of the principal of and interest on the Series 2016 Bonds and the Prior Bonds as the same become due.

2. The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) remit to the respective places designated in the Prior Bonds the amount required to pay the interest on the Prior Bonds; and (ii) remit to the Commission beginning 3 months prior to the first interest payment date on the Series 2016 A Bonds, for deposit in the Series 2016 A Bonds Sinking Fund, a sum equal to 1/3rd of the amount of interest which will become due on the Series 2016 A Bonds on the next ensuing quarterly

interest payment date, provided, that in the event the period to elapse between the date of such initial deposit in the series 2016 A Bonds Sinking Fund and the next ensuing quarterly interest payment date is less than 3 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next ensuing quarterly interest payment date, the required amount of interest coming due on such date.

5. The Issuer shall next, from the moneys remaining in the Revenue Fund, on the first day of each month, transfer to the Repair and Replacement Fund the greater of (a) so long as any of the Prior Bonds remain Outstanding, the greatest amount required by the respective resolutions authorizing such Outstanding Prior Bonds to be deposited therein, or (b) an amount equal to 2 1/2% of the Gross Revenues each month, exclusive of any payment for account of any Reserve Account. Moneys in the Repair and Replacement Fund shall be used first to make up any deficiencies for monthly payments of the principal and interest, if any, the Series 2016 Bonds and the Prior Bonds as the same become due, and next to restore to the Series 2016 A Bonds Reserve Account, the Series 2016 B Bonds Reserve Account and the reserve accounts relating to the Prior Bonds any sums transferred therefrom, and in the event there are not sufficient moneys in the Repair and Replacement Fund to make the transfers required by this sentence, such transfers shall be made on a pro rata basis. Thereafter, and provided that payments into the Series 2016 A Bonds Reserve Account, the Series 2016 B Bonds Reserve Account and the reserve accounts relating to the Prior Bonds are current and in accordance with the foregoing provisions, moneys in the Repair and Replacement Fund may be withdrawn by the Issuer and used for extraordinary repairs and for capital replacements, improvements or additions and capital equipment for the System, or any part thereof.

Moneys in the Series 2016 A Bonds Sinking Fund shall be used only for the purposes of paying principal of the Series 2016 A Bonds as the same shall become due. Moneys in the Series 2016 A Bonds Reserve Account shall be used only for the purpose of paying principal of the Series 2016 A Bonds, as the same shall come due, when other moneys in the Series 2016 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

Moneys in the Series 2016 B Bonds Sinking Fund shall be used only for the purposes of paying principal of the Series 2016 B Bonds as the same shall become due. Moneys in the Series 2016 B Bonds Reserve Account shall be used only for the purpose of paying principal of the Series 2016 B Bonds, as the same shall come due, when other moneys in the Series 2016 B Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 2016 A Bonds Sinking Fund and the Series 2016 A Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2016 Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full to the next ensuing principal payment due on the Series 2016 A Bonds.

All investment earnings on moneys in the Series 2016 B Bonds Sinking Fund and the Series 2016 B Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2016 Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full to the next ensuing principal payment due on the Series 2016 B Bonds.

Any withdrawals from the Series 2016 Bonds Reserve Accounts which result in a reduction in the balance of the respective Series 2016 Bonds Reserve Accounts to below the

respective Reserve Requirements shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the priority set forth above.

As and when additional Bonds ranking on a parity with the Series 2016 Bonds are issued, provision shall be made for additional payments into the respective sinking fund sufficient to pay the interest on such additional Parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirement therefor.

The Issuer shall not be required to make any further payments into the respective Series 2016 Bonds Sinking Funds, or into the respective Series 2016 Bonds Reserve Accounts when the aggregate amount of funds therein are at least equal to the respective aggregate principal amount of the respective Series 2016 Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the maturity thereof.

Principal, interest or reserve payments, whether made for a deficiency or otherwise shall be made on a parity and pro rata with respect to the Series 2016 Bonds and the Prior Bonds in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2016 Bonds Sinking Funds and the Series 2016 Bonds Reserve Accounts created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority in writing at any time, the Issuer shall make the necessary arrangements whereby required payments into the Series 2016 Bonds Sinking Funds and the Series 2016 Bonds Reserve Accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 2016 Bonds Sinking Funds and the Series 2016 Bonds Reserve Accounts shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2016 Bonds Sinking Funds, including the Series 2016 Bonds Reserve Accounts therein, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the respective Series 2016 Bonds.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month), deposit with the Commission the required interest, principal and reserve account payments with respect to the Series 2016 Bonds

and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

D. The Issuer shall complete the Monthly Payment Form, a form of which is attached to the Loan Agreement and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at any time, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the maximum amounts insured by FDIC in any of the funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. The Gross Revenues of the System shall only be used for purposes of the System.

H. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Gross Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

I. All Tap Fees shall be deposited by the Issuer, as received, in the Revenue Fund and may be used for any lawful purpose of the System.

2. Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

3. Each of such costs has been otherwise properly incurred; and

4. Payment for each of the items proposed is then due and owing.

Pending such application, moneys in the Series 2016 Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

2. Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

3. Each of such costs has been otherwise properly incurred; and

4. Payment for each of the items proposed is then due and owing.

Pending such application, moneys in the Series 2016 Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2016 Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of said Series 2016 Bonds or the interest thereon is Outstanding and unpaid. Further, all the covenants, agreements and provisions of the respective resolutions authorizing the issuance of the Prior Bonds shall remain in full force and effect so long as any of the respective Prior Bonds remain Outstanding.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2016 Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Series 2016 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay said Series 2016 Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of the Series 2016 Bonds issued hereunder shall be secured forthwith equally and ratably by a first lien on the Net Revenues derived from the operation of the System, on parity with the lien on said Net Revenues in favor of the Holders of the Prior Bonds. The Net Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Series 2016 Bonds and the Prior Bonds and to make the payments into the sinking funds, including the reserve accounts therein, and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to the payment of the principal of and interest on the Series 2016 Bonds and the Prior Bonds as the same become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges with all requisite appeal periods having expired without successful appeal or such right to appeal having been waived by all parties and the Issuer shall provide an opinion of counsel to the Issuer of such effect. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement and the Issuer shall provide a certificate of a certified public accountant to such effect. The initial schedule of rates and charges for the services and facilities of the System shall be as approved by the Issuer on December 15, 2015, and approved by The County Commission of Wood County on January 28, 2016, and which rates are incorporated herein by reference as a part hereof and are hereby adopted.

So long as any of the Series 2016 Bonds are Outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates and charges initially established for the System in connection with the Series 2016 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent and in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as any of the Prior Bonds are Outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, or any part thereof, except as provided in the respective resolutions authorizing such Outstanding Prior Bonds. In addition, so long as the Series 2016 Bonds are Outstanding and except as otherwise required by law or with the written consent of the Authority and the BPH, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Series 2016 Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2016 Bonds, be immediately remitted to the Commission and applied to the payment of principal of and interest, if any, on the Series 2016 Bonds, respectively. Any balance remaining after the payment of all the Series 2016 Bonds and the Prior Bonds and interest thereon shall be remitted to the Issuer by the Commission and the purchaser unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$250,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Repair and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$250,000 but not in excess of \$1,000,000, the Issuer shall first, in writing, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property shall be deposited in the Repair and Replacement Fund. Such payment of such proceeds into the Repair and Replacement Fund shall not reduce the amounts

required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$1,000,000 and insufficient to pay the Series 2016 A Bonds, the Series 2016 B Bonds and the Prior Bonds then Outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of over 50% in principal amount of the Series 2016 A Bonds, the Series 2016 B Bonds and the Prior Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Series 2016 A Bonds, the Series 2016 B Bonds and the Prior Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and in Section 7.07, so long as any of the Series 2016 Bonds are Outstanding, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2016 Bonds. All obligations issued by the Issuer after the issuance of the Series 2016 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2016 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations. Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2016 Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2016 Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the BPH prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as any of the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the respective resolutions authorizing such outstanding Prior Bonds shall be applicable. In addition, no Parity Bonds payable out of the revenues of the System shall be issued after the issuance of the Series 2016 Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2016 Bonds, and must have the prior written consent of the Authority and the BPH.

No such Parity Bonds shall be issued except for the purposes of financing the costs of the design, construction or acquisition of extensions, additions, improvements or betterments to the System, refunding all or a portion of one or more series of the Prior Bonds, the

Series 2016 Bonds, issued pursuant hereto and/or one or more subsequent series of Parity Bonds, or to pay claims which may exist against the revenues or facilities of the System or all or any combination of such purposes .

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Prior Bonds and Series 2016 Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The “estimated average increased annual Net Revenues to be received in each of the 3 succeeding years,” as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer and approved in the manner required by then applicable law, the period for appeal of which has expired (without successful appeal) prior to the date of delivery of such Parity Bonds, whether or not such approved rates are being charged and collected by the Issuer, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accounts, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the said Independent Certified Public Accountants on account of increased rates, rentals, fees and charges for the System adopted by the Issuer and approved in the manner required by then applicable law, the period for appeal of which has expired (without successful appeal) prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Series 2016 Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the

same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation or separate resolution authorized said parity Bonds required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior lien of the Series 2016 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2016 Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation or the respective resolutions authorizing the issuance of any Outstanding Prior Bonds with respect to the Series 2016 Bonds and the Prior Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

The Issuer shall permit the Authority and the BPH, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the BPH such documents and information as it may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the BPH, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms,

The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Authority and the BPH, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of Bonds requesting the same, an annual report containing the following:

A. A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

B. A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation with respect to the Series 2016 Bonds and Prior Bonds then Outstanding and the status of all said funds and accounts.

C. The amount of any such Bonds or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and if the Issuer receives \$750,000 or more (in any combination of federal funds) in a fiscal year, the audit shall be obtained in accordance with 2 CFR 200 Subpart F, or successor thereto in effect at the time), and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of Bonds and shall submit said report to the Authority, the BPH or any other original purchaser of the Bonds. Such audit report submitted to the Authority and the BPH shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Loan Agreement and this Bond Legislation, and that the Issuer's revenues are adequate to meet the Issuer's Operating Expenses and debt service requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. The Issuer shall permit the Authority and the BPH, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Authority and the BPH, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the BPH with respect to the System pursuant to the Act.

The Issuer shall provide the BPH with all appropriate documentation to comply with any special conditions established by federal and/or state regulations as set forth in the Loan Agreement or as promulgated from time to time.

Section 7.09. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all reasonable expenses of operation, repair and maintenance of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2016 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2016 Bonds, including without limitation the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit, respectively, in the Series 2016 Bonds Reserve Accounts and reserve accounts for obligations on a parity with the Series 2016 Bonds, including without limitation the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest on the Series 2016 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2016 Bonds, including without limitation the Prior Bonds.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the BPH within 30 days of adoption thereof. The Issuer, with the approval of the Governing Body, may amend the budget during the subject Fiscal Year provided that the budget remains balanced after such amendment. If the budget is so amended, a copy of the amended budget shall be submitted to the Authority and the BPH within 15 days of the adoption of such amendment. After the adoption of any such amendment, the budget, as amended, shall be the budget of the Issuer for the balance of the subject Fiscal Year. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon

the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget, any amendments thereto and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the BPH and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets, any amendments thereto and resolutions be furnished him or her and shall make available such budgets, any amendments thereto and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement, and forward a copy of such report to the Authority and the BPH by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the BPH, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the BPH is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the BPH covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the BPH and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall require the Consulting Engineers to submit the final Operation and Maintenance Manual, as defined in the DWTRF Regulations, to the BPH when the Project is 90% completed.

The Issuer shall employ qualified operating personnel properly certified by the State before the Project is 50% complete and shall retain such a certified operator to operate the System so long as the Series 2016 Bonds are Outstanding. The Issuer shall notify the BPH in writing of the certified operator employed at the 50% completion stage.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the service of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and the Issuer shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as any of the Series 2016 Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and

maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Repair and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for said Repair and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS, will be provided for every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction. The Issuer shall also require all contractors engaged in the construction of the Project to carry such workers' compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with

In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the BPH, the Issuer, the prime contractor and all subcontractors, as their interest may appear. The Issuer shall verify such insurance prior to commencement of construction.

To the extent permitted by the laws of the State and rules and regulations of the Public Service Commission of West Virginia, the Issuer shall require every owner, tenant or occupant of any house, dwelling or building intended to be served by the System to connect thereto.

Section 7.17. Completion and Operation of Project; Permits and Orders. The Issuer will complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer has obtained all permits required by state and federal laws for the acquisition and construction of the Project, all orders and approvals from the Public Service Commission of West Virginia and the Council necessary for the acquisition and construction of the Project and the operation of the System and all approvals for issuance of the Series 2016 Bonds required by state law, with all requisite appeal periods having expired without successful appeal or such right to appeal having been waived by all parties and the Issuer shall provide an opinion of counsel to the Issuer of such effect.

Section 7.18. Compliance With Loan Agreement and Law. The Issuer shall perform, satisfy and comply with all terms and conditions of the Loan Agreement and the Act. Notwithstanding anything herein to the contrary, the Issuer will provide the BPH with all copies submitted to the Authority.

The Issuer also agrees to comply with the Act and all applicable laws, rules and regulations issued by the Authority, the Council, the BPH or other state, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

The Issuer shall perform the annual maintenance audits as required by the Loan Agreement and shall submit such audits to the BPH, the Authority and the PSC.

The Issuer shall serve the additional customers described in the Loan Agreement and shall not reduce the amount of additional customers served without the written approval of the Board of the Authority.

The Issuer shall also obtain the written approval of the BPH before expending any proceeds of the Series 2016 Bonds made available due to bid or construction or project underruns.

Section 7.20. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2016 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2016 Bonds and shall be for the equal benefit of all Holders of each respective series of Series 2016 Bonds; provided, however, that the statutory mortgage lien in favor of the Holders of the Series 2016 Bonds shall be on parity with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 7.21. Securities Laws Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein, and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year during which the respective banks hold any such funds, accounts or investments (or more often if reasonably requested by the Issuer), a summary of such funds, accounts, and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2016 Bonds are Outstanding and as long thereafter as necessary to comply with the Code.

Section 8.02. Certificate as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2016 Bonds as a condition of issuance of the Series 2016 Bonds. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and applicable to the Series 2016 Bonds as may be necessary in order to maintain the status of the Series 2016 Bonds as governmental bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2016 Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority or the Council, as the case may be, from which the proceeds of the Series 2016 Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from

taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or the Council, to ensure compliance with the covenants and agreements set forth in this Section 8.02, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2016 Bonds and any additional information requested by the Authority. Without limiting the generality of the foregoing sentence, if required by the Authority and BPH and, unless it qualifies for an exception to the provisions of Section 148 of the Code, which exception shall be set forth in an opinion of bond counsel, the Issuer will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an “Event of Default” with respect to the Series 2016 Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest on any of the Series 2016 Bonds; or

(2) If default occurs in the Issuer’s observance of any of the covenants, agreements or conditions on its part relating to the Series 2016 Bonds, set forth in this Bond Legislation, any supplemental resolution or in the Series 2016 Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, Registrar or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If a default occurs under any of the Outstanding Prior Bonds or the respective resolutions authorizing the issuance of the Outstanding Prior Bonds.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Holders of the Bonds, including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Holders of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that all rights and remedies of the Holders of the Series 2016 Bonds shall be on a parity with the rights and remedies of the Holders of the Prior Bonds s.

Section 9.03. Appointment of Receiver. Any Holder of a Bond, may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Holder of a Bond, shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating

Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other avenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Holder of any Bonds, shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Holders of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds, and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

PAYMENT OF BONDS

Section 10.01. Payment of Series 2016 Bonds. If the Issuer shall pay or there shall otherwise be paid, to the respective Holders of all Series 2016 Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then with respect to the Series 2016 Bonds only, the pledge of Net Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 2016 Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

ARTICLE XI

MISCELLANEOUS

Section 11.01. Amendment or Modification of Bond Legislation. Prior to the issuance of the Series 2016 Bonds, this Resolution may be amended or supplemented in any way by Supplemental Resolution. Following issuance of the Series 2016 Bonds, no material modification or amendment of this Bond Legislation, or of any resolution amendatory or supplemental hereto, that would materially and adversely affect the respective rights of Registered Owners of the Series 2016 Bonds shall be made without the consent in writing of 66-2/3% or more in principal amount of the Registered Owners of the Series 2016 Bonds so affected and then Outstanding; provided, that no change shall be made in the maturity of any Series 2016 Bonds or the rate of interest thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest out of the funds herein respectively pledged therefor without the consent of the respective Registered Owner thereof. No amendment or modification shall be made that would reduce the percentage of the principal amount of Bonds required for consent to the above-permitted amendments or modifications. Notwithstanding the foregoing, this Bond Legislation may be amended without the consent of any Bondholder as may be necessary to assure compliance with Section 148(f) of the Code relating to rebate requirements or otherwise as may be necessary to assure the Series 2016 Bonds remain public purpose bonds.

Section 11.02. Bond Legislation Constitutes Contract. The provisions of the Bond Legislation shall constitute a contract between the Issuer and the Holders of the Bonds and no change, variation or alteration of any kind of the provisions of the Bond Legislation shall be made in any manner, except as in this Bond Legislation provided.

Section 11.03. Severability of Invalid Provisions. If any section, paragraph, clause or provision of this Resolution should be held invalid by any court of competent jurisdiction, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution, the Supplemental Resolution, or the Series 2016 Bonds.

Section 11.04. Headings, Etc. The headings and catchlines of the articles, sections and subsections hereof are for convenience of reference only, and shall not affect in any way the meaning or interpretation of any provision hereof.

Section 11.05. Conflicting Provisions Repealed. All orders, ordinances, or resolutions and or parts thereof in conflict with the provisions of this Resolution are, to the extent of such conflict, hereby repealed, provided that in the event of any conflict between this Resolution and the resolutions authorizing the issuance of the Prior Bonds, such resolutions authorizing the issuance of the Prior Bonds shall control (unless less restrictive) so long as the respective Prior Bonds or any portion thereof are Outstanding.

Section 11.06. Covenant of Due Procedure, Etc. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the enactment of this Resolution do exist, have happened, have been

performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the members of the Governing Body were at all times when any actions in connection with this Resolution occurred and are duly in office and duly qualified for such office.
