BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF ELKINS ROAD PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Elkins Road Public Service District (the "Issuer") is a public service district, a public corporation and political subdivision of the State of West Virginia in Upshur County of said State.

B. The Issuer presently owns and operates a public waterworks system. However, it is deemed necessary and desirable for the health, safety, advantage, convenience, and welfare of the inhabitants of the Issuer that there be acquired and constructed certain improvements and extensions to the existing public waterworks system of the Issuer, consisting of the construction, operation, and maintenance of a water distribution system extension project in order to provide water service to approximately 263 customers in the Vegan, Gormley, Nebo, Swamp Run, Sand Fork and Five Forks areas of Upshur County, together with all appurtenant facilities (collectively, the "Project"), which constitute properties for the diversion, development, pumping, impounding, treatment, storage, distribution or furnishing of water to or for the public for industrial, public, private or other uses (the existing public waterworks facilities of the Issuer, the Project and any further extensions or improvements thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority") and the United States Department of Agriculture (the "Purchaser") pursuant to the Act.

D. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all Operating Expenses of the System, the principal of and interest on the Bonds (as hereinafter defined) and payments into all funds and accounts and other payments provided for herein.

E. It is deemed necessary for the Issuer to issue its Water Revenue Bonds in the total aggregate principal amount of not more than \$2,400,000 in two series, being the Water Revenue Bonds, Series 2004 A (United States Department of Agriculture), in the aggregate principal amount of not more than \$700,000 (the "Series 2004 A Bonds"), and the Water Revenue Bonds, Series 2004 B (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than \$1,700,000 (the "Series 2004 B Bonds"), to permanently finance a portion of the costs of acquisition and construction of the Project (collectively, the "Series 2004 Bonds"). The remaining costs of the Project shall be funded from the sources set forth in Section 2.01 hereof. Such costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2004 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of

the Project; amounts which may be deposited in any Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2004 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2004 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

F. The period of usefulness of the System after completion of the Project is not less than 40 years.

G. It is in the best interests of the Issuer that its Series 2004 A Bonds be sold to the Purchaser (as hereinafter defined) pursuant to the terms and provisions of the Letter of Conditions (as hereinafter defined) and its Series 2004 B Bonds be sold to the Authority (as hereinafter defined) pursuant to the terms and provisions of a loan agreement (the "Loan Agreement") by and between the Issuer and the Authority, on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), in form satisfactory to the Issuer, the Authority and the Council, approved hereby if not previously approved by resolution of the Issuer.

H. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2004 Bonds as to liens, pledge, source of and security for payment, being the Issuer's (1) Water Revenue Bonds, Series 1979, dated September 23, 1980, issued in the original aggregate principal amount of \$360,000 and currently held by the Rural Utilities Service, United States Department of Agriculture (the "Series 1979 Bonds"); and (2) Water Revenue Bonds, Series 1998 A (West Virginia Infrastructure Fund), dated September 10, 1998, issued in the original aggregate principal amount of \$2,032,000 and currently held by the West Virginia Water Development Authority (the "Series 1998 A Bonds"). The Series 1979 Bonds and the Series 1998 A Bonds are hereinafter collectively called the "Prior Bonds".

The Series 2004 Bonds shall be issued on a parity with each other and with the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects. Prior to the issuance of the Series 2004 Bonds, the Issuer will obtain a certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds is met and the written consent of the Holders of the Prior Bonds to the issuance of the Series 2004 Bonds on a parity with the Prior Bonds. Other than the Prior

Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

I. The Issuer has complied with all requirements of West Virginia law, the Letter of Conditions and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System, including, without limitation, the imposition of rates and charges and the issuance of the Series 2004 Bonds, or will have so complied prior to issuance of any thereof, including, the approval of the Project and the financing thereof by the Council and the obtaining of a certificate of convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2004 Bonds or such final order will not be subject to appeal or rehearing.

J. The Project has been approved by the Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

In consideration of the acceptance of the Series 2004 Bonds by the Registered Owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Bondholders, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Bondholders of any and all of such Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bonds and by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

The registered Bonds shall be transferable only upon the books of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney.

Section 3.08. Bonds Secured by Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of all Series 2004 Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on Net Revenues in favor of the holders of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2004 Bonds and the Prior Bonds and to

make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

(FORM OF SERIES 2004 A BOND)

UNITED STATES OF AMERICA
STATE OF WEST VIRGINIA
ELKINS ROAD PUBLIC SERVICE DISTRICT
WATER REVENUE BOND, SERIES 2004 A
(UNITED STATES DEPARTMENT OF AGRICULTURE)

No. AR-1

Date: _____

FOR VALUE RECEIVED, ELKINS ROAD PUBLIC SERVICE DISTRICT (the "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of _____ DOLLARS (\$ _____), plus interest on the unpaid principal balance at the rate of ____% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of this Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$ _____, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of acquisition and construction of improvements and extensions to the existing public waterworks system (the "System") of the Borrower, is payable solely from the net revenues to be derived from the operation of the System in the manner provided in the hereinafter defined Resolution. This Bond does not in any manner constitute an indebtedness of Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the Resolution and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted on _____, 20____, and a Supplemental Resolution of the Borrower duly adopted on _____, 20____, authorizing issuance of this Bond (collectively, the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farmer and Rural Development Act of 1965. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS, WITH THE ISSUER'S (1) WATER REVENUE BONDS, SERIES 1979, DATED SEPTEMBER 23, 1980, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$360,000 AND CURRENTLY HELD BY THE RURAL UTILITIES SERVICE, UNITED STATES DEPARTMENT OF AGRICULTURE (THE "SERIES 1979 BONDS"); (2) WATER REVENUE BONDS, SERIES 1998 A (WEST VIRGINIA INFRASTRUCTURE FUND), DATED SEPTEMBER 10, 1998, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$2,032,000 AND CURRENTLY HELD BY THE WEST VIRGINIA WATER DEVELOPMENT AUTHORITY (THE "SERIES 1998 A BONDS"); AND (3) WATER REVENUE BONDS, SERIES 2004 B (WEST VIRGINIA INFRASTRUCTURE FUND), DATED _____, ISSUED CONCURRENTLY HERewith IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$ _____ AND HELD BY THE WEST VIRGINIA WATER DEVELOPMENT AUTHORITY.

A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Bond Legislation and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in this Bond Legislation. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority:

- (1) The Issuer shall first, each month, pay from the Revenue Fund the Operating Expenses of the System.

(2) The Issuer shall next, each month, on or before the due date thereof, transfer from the Revenue Fund and remit to the National Finance Office (i) the amounts required by the Prior Resolutions to pay the interest on the Series 1979 Bonds; and (ii) the amounts required to pay interest on the Series 2004 A Bonds.

(3) The Issuer shall next, each month, transfer from the Revenue Fund and (i) on or before the due date thereof, remit to the National Finance Office the amounts required by the Prior Resolutions to pay the principal of the Series 1979 Bonds; (ii) on the first day of each month, remit to the Commission for deposit in the Series 1998 A Bonds Sinking Fund, the amounts required by the Prior Resolutions to pay the principal of the Series 1998 A Bonds; (iii) on or before the due date thereof, remit to the National Finance Office, commencing 24 months following the date of delivery of the Series 2004 A Bonds, the amount required to amortize the principal of the Series 2004 A Bonds over the life of the bond issue; and (iv) on the first day of each month, remit to the Commission, commencing 3 months prior to the first date of payment of principal of the Series 2004 B Bonds, for deposit in the Series 2004 B Bonds Sinking Fund, an amount equal to 1/3rd of the amount of principal which will mature and become due on the Series 2004 B Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2004 B Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payment shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and (i) remit to the Depository Bank, the amounts required by the Prior Resolutions to be deposited in the Reserve Fund for the Series 1979 Bonds; (ii) remit to the Commission, the amounts required by the Prior Resolutions to be deposited in the Reserve Account for the Series 1998 A Bonds; (iii) remit to the Commission, commencing 3 months after the completion of construction of the Project, as certified by the Consulting Engineers, if not fully funded upon issuance of the Series 2004 A Bonds, for deposit in the Series 2004 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2004 A Bonds Reserve Requirement, until the amount in the Series 2004 A Bonds Reserve Account equals the Series 2004 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2004 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2004 A Bonds Reserve Requirement; and (iv) remit to the Commission, commencing 3 months after the completion of construction of the Project, as certified by the Consulting Engineers, if not fully funded upon issuance of the Series 2004 B Bonds, for deposit in the Series 2004 B Bonds

Reserve Account, an amount equal to 1/120th of the Series 2004 B Bonds Reserve Requirement, until the amount in the Series 2004 B Bonds Reserve Account equals the Series 2004 B Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2004 B Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2004 B Bonds Reserve Requirement.

(5) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Renewal and Replacement Fund, an amount equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account; provided, that, as long as the Issuer's Series 1979 Bonds remain outstanding, the Issuer must accumulate in the Renewal and Replacement Fund the aggregate sum of \$50,000 and maintain such sum therein and shall use the monies therein as provided by the Prior Resolutions, except that any deficiencies in the debt service payments on the Series 2004 A Bonds and Series 2004 B Bonds shall be payable from the Renewal and Replacement Fund on a parity with the Prior Bonds. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided that, any deficiencies in any Reserve Accounts (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

(6) After all the foregoing provisions for use of monies in the Revenue Fund have been fully complied with, any monies remaining therein and not permitted to be retained therein may be used to prepay installments of the Bonds, pro rata, or for any lawful purpose of the System.

Monies in the Series 2004 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest on the Series 2004 A Bonds as the same shall come due, when other monies are insufficient therefor, and for no other purpose. Whenever the monies in the Series 2004 A Bonds Reserve Account shall be sufficient to prepay the Series 2004 A Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay, at the earliest practical date and in accordance with applicable provisions hereof, the Series 2004 A Bonds, together with accrued interest thereon to such prepayment date.

Monies in the Series 2004 B Bonds Sinking Fund shall be used only for the purpose of paying principal of and interest, if any, on the Series 2004 B Bonds as the same shall become due. Monies in the Series 2004 B Bonds Reserve Account shall be used only for the purpose of paying principal of and interest, if any, on the Series 2004 B Bonds as the same shall come due, when other monies in the Series 2004 B Bonds Sinking Fund are insufficient therefor, and for no other purpose. Whenever the monies in the Series 2004 B Bonds Reserve Account shall be sufficient to prepay the Series 2004 B Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay, at the earliest practical date and in accordance with applicable provisions hereof, the Series 2004 B Bonds and accrued interest, if any, thereon to such prepayment date.

All investment earnings on monies in the Series 2004 A Bonds Reserve Account (if fully funded), the Series 2004 B Bonds Sinking Fund and the Series 2004 B Bonds Reserve Account (if fully funded) shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2004 Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2004 A Bonds and the Series 2004 B Bonds, respectively, and then to the next ensuing principal payment due thereon, all on a pro rata basis.

Any withdrawals from the Series 2004 A Bonds Reserve Account or the Series 2004 B Bonds Reserve Account which result in a reduction in the balance of such accounts to below the Series 2004 A Bonds Reserve Requirement or the Series 2004 B Bonds Reserve Requirement, respectively, shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement therefor.

The Issuer shall not be required to make any further payments into the Series 2004 A Bonds Reserve Account or the Series 2004 B Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the respective Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2004 A Bonds, the Series 2004 B Bonds and the Prior Bonds in accordance with the respective principal amounts then Outstanding.

The Issuer may designate another bank or trust company insured by FDIC as Depository Bank if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser, the Council and the Authority.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2004 A Bonds Reserve Account, the Series 2004 B Bonds Sinking Fund and the Series 2004 B Bonds Reserve Account created hereunder, and all amounts required for such funds shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Purchaser, the Authority or the Council at any time, the Issuer shall make the necessary arrangements whereby required payments into the said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the Series 2004 A Bonds Reserve Account, the Series 2004 B Bonds Sinking Fund and the Series 2004 B Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2004 A Bonds Reserve Account, the Series 2004 B Bonds Sinking Fund and the Series 2004 B Bonds Reserve Account, shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2004 A Bonds and the Series 2004 B Bonds, respectively, under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) remit to the Commission the required principal, interest and reserve account payments and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement, and submit a copy of said form, together with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such

additional sums as shall be necessary to pay their respective charges, fees and expenses then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by either the Authority or the Council at any time, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The monies in excess of the maximum amounts insured by FDIC in any fund or account shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission or the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

J. All Tap Fees shall be deposited by the Issuer, as received, in the Series 2004 Bonds Construction Trust Fund, and following completion of the Project, shall be deposited in the Revenue Fund and may be used for any lawful purpose of the System.

The Issuer shall expend all proceeds of the Series 2004 B Bonds within 3 years of the date of the issuance of the Council's Bonds, the proceeds of which were used to make the loan to the Issuer.

Pending such application, monies in the Series 2004 Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2004 Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2004 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2004 Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2004 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2004 Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of all the Series 2004 Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the holders of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2004 Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Commission Order of the Public Service Commission of West Virginia entered December __, 2004, in Case No. 04-0296-PWD-CN, and such rates are hereby adopted, which rates are incorporated herein by reference as a part hereof.

So long as the Prior Bonds and the Series 2004 Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums

set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates and charges initially established for the System in connection with the Series 2004 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the provisions governing the sale of the System, or any part thereof, shall be as set forth and described in the Prior Resolutions. Further, so long as the Series 2004 Bonds are outstanding and except as otherwise required by law or with the written consent of the Purchaser, the Authority and the Council, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2004 A Bonds, immediately be remitted to the National Finance Office, and with respect to the Series 2004 B Bonds, immediately be remitted to the Commission for deposit in the Series 2004 B Bonds Sinking Fund, and, with the written consent of the Purchaser, the Authority and the Council, the Issuer shall direct the National Finance Office and the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2004 Bonds. Any balance remaining after the payment of all the Series 2004 Bonds and interest, if any, thereon shall be remitted to the Issuer unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, in writing, determine upon consultation with a professional engineer that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and

Replacement Fund. Payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into such fund by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Bonds. All obligations issued by the Issuer after the issuance of the Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Bonds, and the interest thereon, if any, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest, if any, thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Purchaser, the Authority and the Council prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the System, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions shall be applicable. Additionally, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2004 Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided (unless less restrictive than the provisions of the Prior Resolutions).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2004 Bonds, and must have the prior written consent of the Purchaser, the Authority and the Council.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition or construction of additions, betterments or improvements to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from any improvements to be financed by such additional Parity Bonds and any increase in rates adopted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the time for appeal of which has expired (without successful appeal) prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or

subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 2004 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2004 Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Purchaser, the Authority and the Council or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Purchaser, the Authority and the Council such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Purchaser, the Authority and the Council or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable

times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Purchaser, the Council and the Authority, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of the Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations payable from the revenues of the System outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular, or any successor thereto and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2004 Bonds and shall submit said report to the Purchaser, the Authority and the Council, or any other original purchaser of the Series 2004 Bonds. Such audit report submitted to the Purchaser, the Authority and the Council shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Purchaser, the Authority and the Council, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Purchaser, the Authority and the Council, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority, the Council and the Purchaser with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2004 Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2004 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2004 Bonds, including the Prior Bonds; provided that, in the event that an amount equal to or in excess of the reserve requirement is on deposit respectively in the Reserve Accounts and any reserve accounts for obligations on a parity with the Series 2004 Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2004 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2004 Bonds, including the Prior Bonds. In any event, subject to any requirements of law, the Issuer shall not reduce the rates or charges for services described in Section 7.04 hereof.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures

for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Purchaser, the Authority and the Council within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance within 30 days of adoption to the Purchaser, the Authority and the Council, or to any Holder of the Bonds, who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Purchaser, the Council, the Authority and any Holder of any Bonds or anyone acting for and on behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for 2 years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement, and forward a copy of such report to the Authority and the Council by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Purchaser, the Authority and the Council, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Purchaser, the Authority and the Council is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Purchaser, the Authority and the Council covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Purchaser, the Authority, the Council and the Issuer at the completion of construction that construction of the Project is in

accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of the Loan Agreement.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System, and any services and facilities of the sewerage system, if so owned by the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the sewerage facilities are not owned by the Issuer, the Issuer will, to the extent allowed by law, use diligent efforts to enter into a similar termination agreement with the provider of such sewerage service, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges

applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Purchaser, the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority and the Council and the Issuer shall verify such insurance prior to commencement of construction. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Connections. To the extent permitted by the laws of the State and rules and regulations of the Public Service Commission of West Virginia, the Issuer shall require every owner, tenant or occupant of any house, dwelling, or building intended to be served by the System to connect thereto.

Section 7.17. Completion of Project; Permits and Orders. The Issuer shall complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer has obtained all permits required by State and federal laws for the acquisition and construction of the Project, all orders and approvals from the Public Service Commission of West Virginia and the Council necessary for the acquisition and construction of the Project and the operation of the System and all approvals for issuance of the Bonds required by State law, with all requisite appeal periods having expired without successful appeal.

Section 7.18. Compliance with Letter of Conditions, Loan Agreement and Law. The Issuer shall perform, satisfy and comply with all the terms and conditions of the Letter of Conditions, the Loan Agreement, the Act and this Bond Legislation. The Issuer shall also comply with all applicable laws, rules and regulations issued by the Purchaser, the Authority and the Council, or other state, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System. The Issuer shall provide the Council with copies of all documents submitted to the Purchaser and the Authority.

Section 7.19. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2004 Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2004 Bonds during the term thereof is, under the terms of the Series 2004 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2004 Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2004 Bonds during the term thereof is, under the terms of the Series 2004 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private

Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 2004 Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 2004 Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of the portion of the Project to which such Private Business Use is related. All of the foregoing shall be determined in accordance with the Code.

B. **PRIVATE LOAN LIMITATION.** The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Series 2004 Bonds or \$5,000,000 are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. **FEDERAL GUARANTEE PROHIBITION.** The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2004 Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. **INFORMATION RETURN.** To the extent legally required, the Issuer will timely file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2004 Bonds and the interest thereon including, without limitation, the information return required under Section 149(e) of the Code.

E. **FURTHER ACTIONS.** The Issuer will take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest on the Series 2004 Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.20. Securities Laws Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

Section 7.21. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2004 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2004 Bonds and shall be on a parity with the statutory mortgage lien in favor of the Holders of the Prior Bonds.

Section 7.22. Contracts; Public Releases. A. The Issuer shall, simultaneously with the delivery of the Series 2004 Bonds or immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

B. The Issuer shall submit all proposed change orders to the Purchaser and the Council for written approval. The Issuer shall obtain the written approval of the Purchaser and the Council before expending any proceeds of the Series 2004 Bonds held in "contingency" as set forth in the schedule attached to the certificate of the Consulting Engineer. The Issuer shall also obtain the written approval of the Purchaser and the Council before expending any proceeds of the Series 2004 Bonds made available due to bid or construction or project underruns.

C. The Issuer shall list the funding as being provided by the Purchaser, the Authority and the Council in any press release, publication, program, bulletin, sign or other public communication that references the Project, including but not limited to any program document distributed in conjunction with any ground breaking or dedication of the Project.

ARTICLE VIII

INVESTMENT OF FUNDS; USE OF PROCEEDS

Section 8.01. Investments. Any monies held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own investment or trust department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year (or more often if reasonably requested by the Issuer), a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest on the Bonds from gross income for federal income tax purposes.

Section 8.02. Certificate as to Use of Proceeds; Covenants as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2004 Bonds as a condition to issuance of the Series 2004 Bonds. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and applicable to the Series 2004 Bonds as may be necessary in order to maintain the status of the Series 2004 Bonds as governmental bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of

the Series 2004 Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority or the Council, as the case may be, from which the proceeds of the Series 2004 Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or the Council, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2004 Bonds and any additional information requested by the Authority.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2004 Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest, if any, on any series of the Series 2004 Bonds; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2004 Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2004 Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Resolutions.

Notwithstanding anything herein to the contrary, if default occurs in the due and punctual payment of the principal of or interest on any series of the Series 2004 Bonds or the Prior Bonds, it shall constitute an "Event of Default" with respect to the other series of the Series 2004 Bonds.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in

violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 2004 A Bonds and the Series 2004 B Bonds shall be on a parity with each other and the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of the System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

PAYMENT OF BONDS

Section 10.01. Payment of Bonds. If the Issuer shall pay or there shall otherwise be paid to the Holders of the Series 2004 Bonds, the principal of and interest, if any, due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Net Revenues and other monies and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owner of the Series 2004 Bonds, shall thereupon cease, terminate and become void and be discharged and satisfied; except as may otherwise be necessary to assure the exclusion of interest, if any, on the Series 2004 Bonds from gross income for federal income tax purposes.

ARTICLE XI

MISCELLANEOUS

Section 11.01. Amendment or Modification of Bond Legislation. Prior to issuance of the Series 2004 Bonds, this Resolution may be amended or supplemented in any way by the Supplemental Resolution. Following issuance of the Series 2004 Bonds, no material modification or amendment of this Resolution, or of any resolution or order amendatory or supplemental hereto, that would materially and adversely affect the rights of Registered Owners of the Series 2004 Bonds, shall be made without the consent in writing of the Registered Owners of the Series 2004 Bonds so affected and then Outstanding; provided, that no change shall be made in the maturity of the Bonds or the rate of interest thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest, if any, out of the funds herein pledged therefor without the consent of the Registered Owner thereof. No amendment or modification shall be made that would reduce the percentage of the principal amount of the Bonds required for consent to the above-permitted amendments or modifications. Notwithstanding the foregoing, this Bond Legislation may be amended without the consent of any Bondholder as may be necessary to assure compliance with Section 148(f) of the Code relating to rebate requirements or otherwise as may be necessary to assure the excludability of interest, if any, on the Series 2004 Bonds from gross income of the holders thereof.

Section 11.02. Bond Legislation Constitutes Contract. Section 11.03. Severability of Invalid Provisions. If any section, paragraph, clause or provision of this Resolution should be held invalid by any court of competent jurisdiction, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution, the Supplemental Resolution or the Series 2004 Bonds.

Section 11.04. Headings, Etc. The headings and catchlines of the articles, sections and subsections hereof are for convenience of reference only, and shall not affect in any way the meaning or interpretation of any provision hereof.

the Prior Resolutions shall control (unless less restrictive), so long as the Prior Bonds or any portion thereof are outstanding.

Section 11.06. Covenant of Due Procedure, Etc. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the adoption of this Resolution do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Chairman, the Secretary and members of the Governing Body were at all times when any actions in connection with this Resolution occurred and are duly in office and duly qualified for such office.

Water will be purchased from the City of Buckhannon pursuant to a Water Purchase Contract between the Issuer and said City. The construction and acquisition of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

(E) The cost of such construction shall be deemed to include, without being limited to, the construction or acquisition of the Project, the acquisition of any necessary property, real or personal, or interest therein; interest on the Bond prior to, during and for six months after completion of such construction to the extent that revenues of the System are not sufficient therefor; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; and such other expenses as may be necessary or incidental to the construction of the Project and the financing authorized hereby.

(G) There are not outstanding any obligations of the Issuer which will rank prior to or on a parity with the Bond as to lien and source of and security for payment.

(H) The Issuer has complied with all requirements of West Virginia law relating to authorization of the construction, acquisition and operation of the Project and issuance of the Bond, or will have so complied prior to issuance of the Bond including, among other things, the consent and approval, pursuant to the Act, of the issuance of the Bond by the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired.

No. 1

Date: _____

FOR VALUE RECEIVED, ELKINS ROAD PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America, acting through the Farmers Home Administration, United States Department of Agriculture (the "Government"), at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of Three Hundred Sixty Thousand Dollars (\$360,000) plus interest on the unpaid principal balance at the rate of five per cent (5%) per annum. The said principal and interest shall be paid in the following installments on the following dates: Installments of interest only on the first day of each month for the first twenty-four months after the date hereof and \$1,768, covering principal and interest, thereafter on the first day of each month, except that the final installment shall be paid at the end of forty (40) years from the date of this Bond, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the reverse hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Farmers Home Administration according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or,

except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of construction and acquisition of a new waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Article 13A of Chapter 16 of the West Virginia Code and a Resolution of the Borrower.

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Farmers Home Administration and to its

future regulations not inconsistent with the express provisions hereof.

BOND PROCEEDS; REVENUES AND APPLICATION THEREOF

Section 3.01. Bond Proceeds; Project Construction Account. The proceeds of sale of the Bond shall be deposited on receipt by the Issuer in The Central National Bank of Buckhannon, Buckhannon, West Virginia, a member of Federal Deposit Insurance Corporation (the "FDIC"), in a special account hereby created and designated as "Elkins Road Public Service District Construction Account" (herein called the "Project Construction Account"). The moneys in the Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by such bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Moneys in the Project Construction Account shall be expended by the Issuer solely for the purposes provided herein.

Until completion of construction of the Project, the Issuer will transfer from the Project Construction Account and pay to the Purchaser on or before the fifteenth day of each month, such sums as shall be from time to time required to make the monthly installments on the Bond if there are not sufficient Net Revenues to make such monthly payment.

If the Issuer shall determine at any time that all funds on deposit in the Project Construction Account exceed the estimated disbursements on account of the Project for the ensuing 90 days, the Issuer may invest such excess funds in direct obligations of, or obligations the principal of and interest on which are guaranteed by, the United States of America, which shall mature not later than eighteen months after the date of such investment. All such investments and the income therefrom shall be carried to the credit of the Project Construction Account.

When construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the Project Construction Account shall be disposed of in accordance with the regulations of the Purchaser.

Section 3.02. Covenants of the Issuer as to Revenues and Funds. So long as the Bond shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund hereinafter established, a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Bond remaining unpaid, together with interest accrued and to accrue thereon, the Issuer further covenants with the holder of the Bond as follows:

(A) Revenue Fund. The entire gross revenues derived from the operation of the System, and all parts thereof shall be deposited as collected by the Issuer in a special fund in a bank or trust company in the State of West Virginia which is a member of FDIC, which Fund, known as the "Revenue Fund" is hereby established initially with the Bank named in Section 3.01. The Revenue Fund shall constitute a trust fund for the purposes provided herein and

shall be kept separate and distinct from all other funds of the Issuer and used only for the purposes and in the manner provided herein.

(B) Disposition of Revenues. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority:

(1) The Issuer shall first each month pay from the moneys in the Revenue Fund all current Operating Expenses.

(2) The Issuer shall next, by the fifteenth day of each month, transfer from the Revenue Fund and pay to the National Finance Office designated in the Bond the amount required to pay the interest on the Bond, and to amortize the principal of the Bond over the life of the Bond issue.

(3) The Issuer shall next, by the fifteenth day of each month, transfer from the Revenue Fund and deposit with the said Bank in the Reserve Fund hereby initially established with said Bank, 1/12th of 1/10th of the amount of principal and interest becoming due on the Bond in any year until the amount in the Reserve Fund equals the sum of \$20,000, such sum being herein called the "Minimum Reserve." After the Minimum Reserve has been accumulated in the Reserve Fund, the Issuer shall monthly deposit into the Reserve Fund such part of the moneys remaining in the Revenue Fund, after such provision for payment of monthly installments on the Bond and for payment of operating expenses of the System, as shall be required to maintain the Minimum Reserve in the Reserve Fund. Moneys in the Reserve Fund shall be used solely to make up any deficiency for monthly payments of the principal of and interest on the Bond to said National Finance Office as the same shall become due or for prepayment of installments on the Bond, or for mandatory prepayment of the Bond as hereinafter provided, and for no other purpose.

(4) The Issuer shall next, by the fifteenth day of each month, transfer from the Revenue Fund and deposit in the Depreciation Reserve, hereby initially established with said Bank, the moneys remaining in the Revenue Fund and not permitted to be retained therein, until there has been accumulated in the Depreciation Reserve the aggregate sum of \$50,000, and thereafter such sums as shall be required to maintain such amount therein. Moneys in the Depreciation Reserve shall be used first to make up any deficiencies for monthly payments of principal of and interest on the Bond as the same become due, and next to restore to the Reserve Fund any sum or sums transferred therefrom. Thereafter, and provided that payments into the Reserve Fund are current and in accordance with the foregoing provisions, moneys in the Depreciation Reserve may be withdrawn by the Issuer and used for extraordinary repairs and for replacements of equipment and improvements for the System, or any part thereof.

(5) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, any moneys remaining therein and not permitted to be retained therein may be used to prepay installments of the Bond or for any lawful purpose.

Whenever the moneys in the Reserve Fund shall be sufficient to prepay the Bond in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding,

to prepay the Bond at the earliest practical date and in accordance with applicable provisions hereof.

The aforesaid Bank (and any successor appointed by the Issuer) is hereby designated as the Fiscal Agent for the administration of the Reserve Fund and the Depreciation Reserve as herein provided, and all amounts required therefor will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written advice stating the amount remitted for deposit into each such Fund.

All the funds provided for in this Section shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Bond and the interest thereon, but the aforesaid Bank shall not be a trustee as to such funds. The moneys in excess of the sum insured by FDIC in any of such funds shall at all times be secured, to the full extent thereof in excess of such insured sum, in a manner lawful for securing deposits of State and municipal funds under the laws of the State of West Virginia.

If on any payment date the revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

The Fiscal Agent shall keep the moneys in the Reserve Fund and the Depreciation Reserve invested and reinvested to the fullest extent practicable in direct obligations of, or obligations the payment of the principal of and interest on which are guaranteed by, the United States of America and having maturities not exceeding two years. Earnings upon moneys in the Reserve Fund, so long as the Minimum Reserve is on deposit and maintained therein, shall be paid annually in January into the Revenue Fund by the Fiscal Agent.

(C) Change of Fiscal Agent. The Issuer may designate another bank insured by FDIC as Fiscal Agent if the aforesaid Bank should cease for any reason to serve or if the Governing Body determines by resolution that said Bank or its successor should no longer serve as Fiscal Agent. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

(D) User Contracts. The Issuer shall, prior to delivery of the Bond, obtain signed user agreements from at least 340 bona fide full time users initially upon the System, and shall collect from such users, and deposit in the Project Construction Account not less than \$17,000, based on a tap fee of \$50. In addition, the Issuer shall obtain a "Service Declination Statement" from or for each potential water user located within the Issuer's planned service area who has not delivered a signed users agreement. The Issuer shall also provide evidence that it does not have any signed user agreements from individuals located outside the planned service area. The Issuer shall also, prior to delivery of the Bond, enter into an agreement with the City of Buckhannon for supply of water pursuant to a Letter of Conditions from the Purchaser to the Issuer.

ARTICLE IV

GENERAL COVENANTS

Section 4.01. General Statement. So long as the Bond shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund a sum sufficient to prepay the entire principal of the Bond remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Purchaser.

Section 4.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide revenues in each fiscal year sufficient to produce net revenues equal to not less than 110% of the annual debt service on the Bond and to make the payments required herein into the Reserve Fund and the Depreciation Reserve and all the necessary expenses of operating and maintaining the System during such fiscal year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate revenues for such purposes.

Section 4.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as the Bond is outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 4.04. Issuance of Additional Parity Bonds. No additional parity bonds payable out of the revenues of the System shall be issued after the issuance of the Bond pursuant hereto except with the prior written consent of the Purchaser.

Section 4.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Bond remains outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System in an amount equal to the actual cost thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or

death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Bond.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workmen's Compensation Coverage for all Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39.

(e) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount of \$10,000 upon the treasurer, provided, however, that no bond shall be required insofar as custody of the Project Construction Account is concerned so long as checks thereon require the signature of a representative of the Purchaser.

(f) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Bond is outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 4.06. Statutory Mortgage. For the further protection of the holder of the Bond, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Bond.

Section 4.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(A) Failure to make payment of any monthly amortization installment upon the Bond at the date specified for payment thereof;

(B) Failure duly and punctually to observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Bond or herein, or violation of or failure to observe any provision of any pertinent law.

Section 4.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 4.09. Fiscal Year; Budget. While the Bond is outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a fiscal year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than thirty days prior to the beginning of each fiscal year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such fiscal year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each fiscal year.

If for any reason the Issuer shall not have adopted the Annual Budget before the first day of any fiscal year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year preceding by more than ten per centum; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 4.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 4.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer and on file with the Secretary on the date of adoption hereof, subject to permitted changes.

Section 4.12. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser.

Section 4.13. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Bond is outstanding.

Section 4.14. No Competition. The Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

Section 4.15. Concerning Arbitrage. The proceeds of sale of the Bond will not be invested in such a way as to violate the regulations of the Internal Revenue Service or of the Treasury Department of the United States of America in connection with the arbitrage provisions of Section 103(c) of the Internal Revenue Code of 1954, as amended.

ELKINS ROAD PUBLIC SERVICE DISTRICT

RESOLUTION AUTHORIZING THE ACQUISITION AND CONSTRUCTION OF IMPROVEMENTS AND EXTENSIONS TO THE EXISTING PUBLIC WATERWORKS FACILITIES OF ELKINS ROAD PUBLIC SERVICE DISTRICT AND THE FINANCING OF THE COST, NOT OTHERWISE PROVIDED, THEREOF THROUGH THE ISSUANCE BY THE DISTRICT OF NOT MORE THAN \$2,032,000 IN AGGREGATE PRINCIPAL AMOUNT OF WATER REVENUE BONDS, SERIES 1998 A (WEST VIRGINIA INFRASTRUCTURE FUND); PROVIDING FOR THE RIGHTS AND REMEDIES OF AND SECURITY FOR THE REGISTERED OWNERS OF SUCH BONDS; AUTHORIZING EXECUTION AND DELIVERY OF ALL DOCUMENTS RELATING TO THE ISSUANCE OF SUCH BONDS; APPROVING, RATIFYING AND CONFIRMING A LOAN AGREEMENT RELATING TO SUCH BONDS; AUTHORIZING THE SALE AND PROVIDING FOR THE TERMS AND PROVISIONS OF SUCH BONDS AND ADOPTING OTHER PROVISIONS RELATING THERETO.

BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF ELKINS ROAD PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation"), supplemental to the Prior Resolution (as hereinafter defined), is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Elkins Road Public Service District (the "Issuer") is a public service district and a public corporation and political subdivision of the State of West Virginia in Upshur County of said State.

B. The Issuer presently owns and operates a public waterworks system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants

of the Issuer that there be acquired and constructed certain improvements and extensions to the existing public waterworks facilities of the Issuer, consisting of approximately 15,000 feet of 8-inch water main, 74,000 feet of 6-inch water main, 12,000 feet of 2-inch water main and a water storage tank to serve approximately 247 new customers near Kesling Mill, Sand Run, Ellamore and Mt. Union Church, in Upshur County, together with all appurtenant facilities (collectively, the "Project") (the Project and any further improvements or extensions thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), which administers the West Virginia Infrastructure Fund pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Water Revenue Bonds, Series 1998 A (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than \$2,032,000 (the "Series 1998 A Bonds"), to permanently finance a portion of the costs of acquisition and construction of the Project. The remaining costs of the Project shall be funded from the sources set forth in Section 2.01 hereof. Said costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 1998 A Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Reserve Accounts (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 1998 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 1998 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Series 1998 A Bonds be sold to the Authority pursuant to the terms and provisions of the loan agreement by and between the Issuer and the Authority, on behalf of the West Virginia Infrastructure and Jobs

Development Council (the "Council"), in form satisfactory to the respective parties (the "Loan Agreement"), approved hereby if not previously approved by resolution of the Issuer.

G. There are outstanding obligations of the Issuer which will rank on a parity with the Series 1998 A Bonds as to liens, pledge and source of and security for payment, being the Water Revenue Bonds, Series 1979, dated September 23, 1980, issued in the original aggregate principal amount of \$360,000 (the "Prior Bonds").

The Series 1998 A Bonds shall be issued on a parity with the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects. Prior to the issuance of the Series 1998 A Bonds, the Issuer will obtain the written consent of the Holders of the Prior Bonds to the issuance of the Series 1998 A Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

H. The estimated revenues to be derived in each year following completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System and the principal of and interest on the Series 1998 A Bonds and the Prior Bonds, and to make payments into all funds and accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 1998 A Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 1998 A Bonds or such final order will not be subject to appeal or rehearing.

J. The Project has been reviewed and determined to be technically and financially feasible by the Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Series 1998 A Bonds by those who shall be the Registered Owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owners, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Registered Owners of any and all of such Series 1998 A Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond of a series and any other Bonds of the same series, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

Section 1.04. Definitions. The following terms shall have the following meanings herein unless the context expressly requires otherwise:

"Act" means, collectively, Chapter 16, Article 13A and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended and in effect on the date of adoption hereof.

"Authority" means the West Virginia Water Development Authority, which is expected to be the original purchaser and Registered Owner of the Series 1998 A Bonds, or any other agency, board or department of the State of West Virginia that succeeds to the functions of the Authority, acting in its administrative capacity and upon authorization from the Council under the Act.

FUNDS AND ACCOUNTS; SYSTEM REVENUES AND APPLICATION THEREOF

Section 5.01. Establishment of Funds and Accounts with Depository Bank. The following special funds or accounts are hereby created with (or continued if previously established by the Prior Resolution) and shall be held by the Depository Bank separate and apart from all other funds or accounts of the Depository Bank and the Issuer and from each other:

- (1) Revenue Fund (established by the Prior Resolution);
- (2) Reserve Fund (established by the Prior Resolution and hereinafter referred to as the "Prior Bonds Reserve Account");
- (3) Depreciation Reserve (established by the Prior Resolution); and
- (4) Series 1998 A Bonds Construction Trust Fund.

Section 5.02. Establishment of Funds and Accounts with Commission. The following special funds or accounts are hereby created with and shall be held by the Commission separate and apart from all other funds or accounts of the Commission and the Issuer and from each other:

- (1) Series 1998 A Bonds Sinking Fund; and
- (2) Within the Series 1998 A Bonds Sinking Fund, the Series 1998 A Bonds Reserve Account.

Section 5.03. System Revenues; Flow of Funds. A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Bond Legislation and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided.

- (1) The Issuer shall first, each month, pay from the Revenue Fund the current Operating Expenses of the System.
- (2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) remit to the National Finance Office the amounts required by the Prior Resolution to pay the interest on and the principal of the Prior Bonds; and (ii) commencing 3 months prior to the first date of payment of principal of

the Series 1998 A Bonds, remit to the Commission for deposit in the Series 1998 A Bonds Sinking Fund, an amount equal to 1/3rd of the amount of principal which will mature and become due on the Series 1998 A Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 1998 A Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) remit to the Depository Bank the amount required by the Prior Resolution to be deposited in the Prior Bonds Reserve Account; and (ii) commencing 3 months prior to the first date of payment of principal of the Series 1998 A Bonds, if not fully funded upon issuance of the Series 1998 A Bonds, remit to the Commission for deposit in the Series 1998 A Bonds Reserve Account, an amount equal to 1/120th of the Series 1998 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 1998 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 1998 A Bonds Reserve Requirement.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Depreciation Reserve, the moneys remaining in the Revenue Fund until there has been accumulated therein the aggregate sum of \$50,000, and thereafter such sums as shall be required to maintain such amount therein. Additionally, after the \$50,000 have been accumulated therein and so long as the Series 1998 A Bonds are outstanding, the Issuer shall transfer from the Revenue Fund to the Depreciation Reserve a sum equal to 2 1/2% of the Gross Revenues each month, exclusive of any payments for account of any Reserve Account. All funds in the Depreciation Reserve shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Depreciation Reserve for replacements, repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded

such account to the maximum extent required hereof) shall be promptly eliminated with moneys from the Depreciation Reserve.

(5) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, any moneys remaining therein and not permitted to be retained therein may be used to prepay installments of the Bonds or for any lawful purpose of the System.

Moneys in the Series 1998 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 1998 A Bonds, as the same shall become due. Moneys in the Series 1998 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest on the Series 1998 A Bonds as the same shall become due, when other moneys in the Series 1998 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 1998 A Bonds Sinking Fund and the Series 1998 A Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 1998 A Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment due on the Series 1998 A Bonds and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 1998 A Bonds Reserve Account which result in a reduction in the balance of the Series 1998 A Bonds Reserve Account to below the Series 1998 A Bonds Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 1998 A Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in an amount equal to the maximum amount of principal and interest which will become due in any year for account of the Bonds of such series, including such additional parity Bonds.

The Issuer shall not be required to make any further payments into the Series 1998 A Bonds Sinking Fund or the Series 1998 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 1998 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the maturity thereof.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds and the Series 1998 A Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 1998 A Bonds Sinking Fund and the Series 1998 A Bonds Reserve Account created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority at anytime, the Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 1998 A Bonds Sinking Fund and the Series 1998 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 1998 A Bonds Sinking Fund and the Series 1998 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 1998 A Bonds and any additional Bonds ranking on a parity therewith that may be issued and Outstanding under the conditions and restrictions hereinafter set forth.

B. The Issuer shall on the first day of each month (if such day is not a business day, then the next succeeding business day) deposit with the Commission the required principal, interest and reserve payments with respect to the Series 1998 A Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement for the Series 1998 A Bonds, and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by

the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

I. The Gross Revenues of the System shall only be used for purposes of the System.

J. All Tap Fees shall be deposited by the Issuer, as received, in the Series 1998 A Bonds Construction Trust Fund, and following completion of the Project, shall be deposited in the Revenue Fund and may be used for any lawful purpose of the System.

ARTICLE VI

BOND PROCEEDS; CONSTRUCTION DISBURSEMENTS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the moneys received from the sale of the Series 1998 A Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 1998 A Bonds, there shall first be deposited with the Commission in the Series 1998 A Bonds Sinking Fund, the amount, if any, set forth in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 1998 A Bonds for the period commencing on the date of issuance of the Series 1998 A Bonds and ending 6 months after the estimated date of completion of construction of the Project.

B. Next, from the proceeds of the Series 1998 A Bonds, there shall be deposited with the Commission in the Series 1998 A Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding the Series 1998 A Bonds Reserve Account.

C. As the Issuer receives advances of the remaining moneys derived from the sale of the Series 1998 A Bonds, such moneys shall be deposited with the Depository Bank in the Series 1998 A Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 1998 A Bonds.

D. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 1998 A Bonds shall be applied as directed by the Council.

Section 6.02. Disbursements From the Bond Construction Trust Fund. The Issuer shall each month provide the Council with a requisition for the costs incurred for the Project, together with such documentation as the Council shall require. Payments of all Costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements from the Series 1998 A Bonds Construction Trust Fund (except for the costs of issuance of the Series 1998 A Bonds which shall be made upon request of the Issuer) shall be made only after submission to, and approval from the Council, of a certificate, signed by an Authorized Officer and the Consulting Engineers, stating that:

(a) None of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(b) Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(c) Each of such costs has been otherwise properly incurred; and

(d) Payment for each of the items proposed is then due and owing.

Pending such application, moneys in the Series 1998 A Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 1998 A Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 1998 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 1998 A Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 1998 A Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 1998 A Bonds, shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 1998 A Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service of the Series 1998 A Bonds shall be secured by a first lien on the Net Revenues derived from the System, on a parity with the lien on such Net Revenues in favor of the Holder of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest on the Series 1998 A Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Final Order of the Public Service Commission of West Virginia entered July 31, 1998, in Case No. 97-1546-PWD-CN, and such rates are hereby adopted.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, or any part thereof, except as provided in the Prior Resolution. Additionally, so long as the Series 1998 A Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the Council, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds Outstanding in

accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 1998 A Bonds, immediately be remitted to the Commission for deposit in the Series 1998 A Bonds Sinking Fund, and, with the written permission of the Authority and the Council, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 1998 A Bonds. Any balance remaining after the payment of the Series 1998 A Bonds and interest, if any, thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Depreciation Reserve. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding. The proceeds of any such sale shall be deposited in the Depreciation Reserve. The payment of such proceeds into the Depreciation Reserve shall not reduce the amount required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 1998 A Bonds. All obligations issued by the Issuer after the issuance of the Series 1998 A Bonds and payable from the

revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 1998 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 1998 A Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 1998 A Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the Council prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolution shall be applicable. Additionally, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 1998 A Bonds pursuant to this Bond Legislation, except with the prior written consent of the Authority and the Council under the conditions and in the manner herein provided (unless less restrictive than the provisions of the Prior Resolution).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 1998 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of extensions and improvements to the System or refunding any outstanding Bonds, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer, the period for appeal of which has expired prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 1998 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 1998 A Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority and the Council such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Issuer shall permit the Authority and the Council, or their agents and representatives, to inspect all records pertaining to the operation of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Council, the Authority, or any other original purchaser of the Series 1998 A Bonds, and shall mail in each year to any Holder or Holders of the Series 1998 A Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular or any successor thereto and the Single Audit Act or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 1998 A Bonds, and shall submit said report to the Council and the Authority, or any other original purchaser of the Series 1998 A Bonds. Such audit report submitted to the Authority and the Council shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

The Issuer shall permit the Authority and the Council, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction of the Project, the Issuer shall also provide the Authority and the Council, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority and the Council with respect to the System pursuant to the Act.

Section 7.09. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 1998 A Bonds and all other obligations secured by a lien on or payable from such

revenues on a parity with the Series 1998 A Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit respectively in the Series 1998 A Bonds Reserve Account and the reserve accounts for obligations on a parity with the Series 1998 A Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 1998 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 1998 A Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the Council within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by the Consulting Engineers, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of the Consulting Engineers that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and the Council and to any Holder of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority and the Council and to any Holder of any Bonds, or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the respective Loan Agreements, and forward a copy of such report to the Authority and the Council by the 15th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the Council, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the Council is sufficient to pay the costs of

acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate resident engineering services satisfactory to the Authority and the Council covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such resident engineer shall certify to the Authority, the Council and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of the Loan Agreement.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.14. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Depreciation Reserve and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Depreciation Reserve. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and

such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 7.16. Connections. To the extent permitted by the laws of the State and rules and regulations of the Public Service Commission of West Virginia, the Issuer shall require every owner, tenant or occupant of any house, dwelling or building intended to be served by the System to connect thereto.

Section 7.17. Completion and Operation of Project; Permits and Orders. The Issuer will complete the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the Public Service Commission of West Virginia necessary for the acquisition and construction of the Project and the operation of the System.

Section 7.18. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 1998 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 1998 A Bonds during the term thereof is, under the terms of the Series 1998 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the

Net Proceeds of the Series 1998 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 1998 A Bonds during the term thereof is, under the terms of the Series 1998 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 1998 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 1998 A Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of the portion of the Project to which such Private Business Use is related. All of the foregoing shall be determined in accordance with the Code.

B. **PRIVATE LOAN LIMITATION.** The Issuer shall assure that not in excess of 5% of the Net Proceeds of the Series 1998 A Bonds or \$5,000,000 are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. **FEDERAL GUARANTEE PROHIBITION.** The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 1998 A Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. **INFORMATION RETURN.** To the extent legally required, the Issuer will timely file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 1998 A Bonds and the interest thereon including, without limitation, the information return required under Section 149(e) of the Code.

E. **FURTHER ACTIONS.** The Issuer will take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest on the Series 1998 A Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.19. Statutory Mortgage Lien. For the further protection of the Holders of the Series 1998 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 1998 A Bonds and shall be on a parity with the statutory mortgage lien in favor of the Holder of the Prior Bonds.

Section 7.20. Compliance with Loan Agreement and Law. The Issuer agrees to comply with all the terms and conditions of the Loan Agreement and the Act. Notwithstanding anything herein to the contrary, the Issuer will provide the Council with copies of all documents submitted to the Authority.

The Issuer also agrees to comply with all applicable laws, rules and regulations issued by the Authority, the Council or other state, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

Section 7.21. Securities Laws Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

Section 7.22. Contracts. A. The Issuer shall, simultaneously with the delivery of the Series 1998 A Bonds or immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

B. The Issuer will submit all proposed change orders to the Council for written approval. The Issuer will obtain the written approval of the Council before expending any proceeds of the Series 1998 A Bonds held in "contingency" as set forth in the schedule attached to the Loan Agreement. The Issuer will also obtain the written approval of the Council before expending any proceeds of the Series 1998 A Bonds made available due to bid or construction or project underruns.

ARTICLE VIII

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Bonds are Outstanding and as long thereafter as necessary to assure the exclusion of interest, if any, on the Series 1998 A Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 1998 A Bonds which would cause the Series 1998 A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take any and all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 1998 A Bonds) so that the interest, if any, on the Series 1998 A Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Tax Certificate and Rebate. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 1998 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 1998 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

If the Issuer is subject to the rebate requirements of Section 148(f) of the Code, and not exempted from such requirements, the Issuer covenants to make, or cause to be made, all rebate calculations, computations and payments in the time, manner and as required in Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Series 1998 A Bonds and otherwise covenants and agrees to comply with the provisions of such Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Series 1998 A Bonds. In the event of a failure to pay the correct rebate amount, the Issuer will pay, from any lawful sources available therefor, to the United States such amount, plus a penalty equal to 50% of the rebate amount not paid when required to be paid, plus interest on that amount, unless waived. In order to provide for the administration of this paragraph, the Issuer may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the Issuer may deem appropriate.

The Issuer shall furnish to the Authority, annually, and at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information relating thereto as may be requested by the Authority. In addition, the Issuer shall cooperate with the Authority in preparing any required rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation or, if the Issuer qualifies for any exception to rebate, the Issuer shall submit a certificate stating that it is exempt from the rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Series 1998 A Bonds subject to rebate. The Issuer shall also furnish the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority, including information with respect to earnings on all funds constituting "gross proceeds" of the Series 1998 A Bonds (as such term "gross proceeds" is defined in the Code).

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 1998 A Bonds:

- (1) If default occurs in the due and punctual payment of the principal of or interest, if any, on the Series 1998 A Bonds; or
- (2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 1998 A Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 1998 A Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, Registrar or any other Paying Agent or a Holder of a Bond; or
- (3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or
- (4) If default occurs with respect to the Prior Bonds or the Prior Resolution.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Series 1998 A Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Series 1998 A Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Series 1998 A Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Series 1998 A Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holder of the Series 1998 A Bonds shall be on a parity with the Holder of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Series 1998 A Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and

after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Series 1998 A Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Series 1998 A Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might exercise.

Whenever all that is due upon the Series 1998 A Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Series 1998 A Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond

Legislation, and the title to and ownership of the System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

PAYMENT OF BONDS

Section 10.01. Payment of Bonds. If the Issuer shall pay or there shall otherwise be paid to the Holders of the Series 1998 A Bonds, the principal of and interest, if any, due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Net Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 1998 A Bonds shall thereupon cease, terminate and become void and be discharged and satisfied, except as may otherwise be necessary to assure the exclusion of interest, if any, on the Series 1998 A Bonds from gross income for federal income tax purposes.

ARTICLE XI
MISCELLANEOUS

Section 11.01. Amendment or Modification of Bond Legislation. Prior to issuance of the Series 1998 A Bonds, this Resolution may be amended or supplemented in any way by the Supplemental Resolution. Following issuance of the Series 1998 A Bonds, no material modification or amendment of this Resolution, or of any resolution amendatory or supplemental hereto, that would materially and adversely affect the rights of Registered Owners of the Series 1998 A Bonds shall be made without the consent in writing of the Registered Owners of the Series 1998 A Bonds so affected and then Outstanding; provided, that no change shall be made in the maturity of any Bond or Bonds or the rate of interest thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest out of the funds herein respectively pledged therefor without the consent of the Registered Owner thereof. No amendment or modification shall be made that would reduce the percentage of the principal amount of the Series 1998 A Bonds, required for consent to the above-permitted amendments or modifications. Notwithstanding the foregoing, this Bond Legislation may be amended without the consent of any Bondholder as may be necessary to assure compliance with Section 148(f) of the Code relating to rebate requirements or otherwise as may be necessary to assure the exclusion of interest on the Series 1998 A Bonds from gross income of the holders thereof.

Section 11.02. Bond Legislation Constitutes Contract. The provisions of the Bond Legislation shall constitute a contract between the Issuer and the Registered Owners of the Series 1998 A Bonds, and no change, variation or alteration of any kind of the provisions of the Bond Legislation shall be made in any manner, except as in this Bond Legislation provided.

Section 11.03. Severability of Invalid Provisions. If any section, paragraph, clause or provision of this Resolution should be held invalid by any court of competent jurisdiction, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution, the Supplemental Resolution, or the Series 1998 A Bonds.

Section 11.04. Headings, Etc. The headings and catchlines of the articles, sections and subsections hereof are for convenience of reference only, and shall not affect in any way the meaning or interpretation of any provision hereof.

Section 11.05. Conflicting Provisions Repealed; Prior Resolution. All orders or resolutions, or parts thereof, in conflict with the provisions of this Resolution are, to the extent of such conflict, hereby repealed, provided that, in the event of any conflict between this Resolution and the Prior Resolution, the Prior Resolution shall control, unless less restrictive, so long as the Prior Bonds are outstanding.

Section 11.06. Covenant of Due Procedure, Etc. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the adoption of this Resolution do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Chairman, Secretary and members of the Governing Body were at all times when any actions in connection with this Resolution occurred and are duly in office and duly qualified for such office.

Section 11.07. Public Notice of Proposed Financing. Prior to making formal application to the Public Service Commission of West Virginia for a Certificate of Public Convenience and Necessity and adoption of this Resolution, the Secretary of the Governing Body shall have caused to be published in a newspaper of general circulation in each municipality in Elkins Road Public Service District and within the boundaries of the District, a Class II legal advertisement stating:

Any changes in project cost, source of funds, scope of services, or any other significant changes in the project or applicant must be reported to and approved by USDA, Rural Development, by written amendment to this letter. Any changes not approved by Rural Development shall be cause for discontinuing processing of the application.

The docket may be completed on the basis of an RUS loan in the amount of \$500,000, an RUS grant in the amount of \$1,728,000, and other funding in the amount of \$2,771,220, for a total project cost of \$4,999,220. The conditions referred to above are as follows:

1. Loan Repayment - The loan will be scheduled for repayment over a period of 40 years. The payments due the first 24 months will consist of interest only. Payments for the remaining 456 months will be equal amortized monthly installments. For planning purposes use a 4.50% interest rate and a monthly amortization factor of .00459, which provides for a monthly payment of \$2,295. You have the option of participating in the PREAUTHORIZED DEBIT (PAD) payment process. It will allow for your payment to be electronically debited from your account on the day your payment is due. Your authority must establish and fund monthly a debt service reserve account, which equals 10% of your monthly payment each month until you accumulate the equivalent of one annual installment on your loan.

You are reminded that your authority may be required to refinance (graduate) the unpaid balance of its RUS loan, in whole or in part, upon the request of RUS if at any time it shall be determined the authority is able to obtain a loan for such purposes from responsible cooperative or private sources at reasonable rates and terms for loans for similar purposes and periods of time.

2. Security - The loan must be secured by a statutory lien of equal priority with the PSD's existing revenue bonds, a pledge of the system's revenues and other agreements between you and RUS as set forth in the bond resolution which must be properly adopted and executed by the appropriate officials of your organization. Additional security requirements are contained in RUS Bulletin 1780-12 and RUS Bulletin 1780-27 which are mentioned later.

3. Users - This conditional commitment is based upon you providing evidence that you will have at least 955 bona fide users on the proposed system when it has been completed and is placed in operation. This evidence will consist of 210 signed user agreements and a certification from you that identifies and attests to the number of users actually connected to and using the PSD's existing water system, which is to be partially replaced by the new system, at the time you request authorization to advertise the proposed project for construction bids.

The enclosed Water Users Agreement (RUS Bulletin 1780-9) will be used. Each user signing an agreement must make a user contribution of \$100.00. Each potential user who is located along planned lines and declines the offered service will be provided an opportunity to sign a "Service Declination Statement." A guide "Service Declination Statement" is attached for your use. If a potential user refuses to sign either a user agreement or a declination statement, the individual making the contact for the PSD should complete the declination statement for that potential user and note thereon his/her visit with the potential user, the potential user's refusal to sign, and the reason therefore. The declination statement should also be dated and signed by the individual making the contact.

Before RUS can agree to the project being advertised for construction bids, you must provide evidence that the total required number of bona fide users has been acquired and that all potential users have been offered the proposed service. Information and material evidencing compliance with this requirement must consist of (1) your certification (written) as to the number of users connected to and using the water service of the existing system (paying monthly bills), (2) signed user agreements, (3) signed service declination statements, (4) records evidencing user contributions having been paid, (5) a map locating each potential user's property in the new service area identifying it by number, (6) a list of all signed bona fide users numbered so as to be a cross-reference with the map, and (7) a list of all declination statements numbered so as to be a cross-reference with the map.

4. Bond Counsel - The services of a recognized bond counsel are required. The bond counsel will prepare the form of resolution to be used, in accordance with Subpart D of RUS Instruction 1780. You should immediately provide your bond counsel with a copy of this letter of conditions, its attachments and enclosures.
5. Engineering Services - It will be necessary for you to obtain the services of an engineer. EJCDC No. 1910-1-FA, "Standard Form of Agreement between Owner and Engineer for Professional Services" (Funding Agency Edition) should be used to obtain the services of an engineer. The EJCDC document is issued under copyright and cannot be provided by RUS.

Prior to loan and grant closing, you must provide RUS with documentation that the West Virginia Public Service Commission has reviewed and approved the engineering agreement.

6. Legal Services – It will be necessary for you to obtain the services of a local attorney. For your convenience RUS Bulletin 1780-7, "Legal Services Agreement" is enclosed for your use.
7. Accounting Services – It will be necessary for you to obtain the services of a qualified accountant. The accountant must agree to develop and provide the following:
 - a. All necessary accounting material required by the Public Service Commission of West Virginia (Rule 42 Exhibit).
 - b. Prior to the advertisement of bids, your accountant must certify that the accounts and records as required by your bond resolution have been established and are operational.

The Accountant's Agreement should be submitted to RUS for review. Compensation in the contract should include only those services identified above and not include payment for construction management services from the accountant unless RUS concurrence is obtained.

RUS regulations (Attachment No. 3) outline requirements for the submission of management reports and audits. Appropriate state statutes place certain audit requirements on your PSD. The attached booklets, "Government Auditing Standards (Revised 1994)" (Attachment No. 8), and RUS Bulletins 1780-30 and 1780-31 (Attachment Nos. 9 and 10) outline audit requirements.

You are reminded that certain provisions of the Office of Management and Budget Circular A-133 are applicable to any public body or nonprofit association that expends \$300,000 or more in federal funds in any one fiscal year. You must enter into an agreement annually with an accountant (or the State Tax Department) to perform the audit. The agreement must be in accordance with the requirements of the State Tax Commissioner of West Virginia. Compensation for preparation of the A-133 audit or your annual audit are not included in project funds and should be paid from the operational revenues generated from your system operation.

8. Facility Control - Prior to advertisement for construction bids, you must furnish satisfactory evidence that you have or can obtain adequate continuous and valid control over the lands and rights needed for the project. Such evidence must be in the following form:
 - a. A right-of-way map showing clearly the location of all lands and rights needed for the project. The map must designate public and private lands and rights and the appropriate legal ownership thereof.

- b. A copy of deeds, contracts or options for any lands needed other than rights-of-way, along with a preliminary title opinion covering such lands. Form RD 1927-9, "Preliminary Title Opinion" may be used. In the case of your existing system or where the PSD already acquired real property (land or facilities), a preliminary title opinion(s) concerning all such property(s) will be provided.
 - c. A narrative opinion from your attorney concerning all permits, certifications and other items necessary to show that all legal requirements can be met and stating how they will be met. This narrative should also identify any condemnation proceedings that are anticipated and state how they will be handled.
 - d. A certification and legal opinion relative to title to rights-of-way and easements. Form RD 442-22, "Opinion of Counsel Relative to Rights-of-Way," may be used. This form may contain a few exceptions such as properties that must be condemned; however, prior to the start of construction or loan closing, whichever occurs first, a new Form RD 442-22, must be provided which does not provide for any exceptions.
 - e. On the day of loan closing, the PSD's attorney must furnish final title opinions on all land(s) being acquired. Form RD 1927-10, "Final Title Opinion" may be used. In the case of your existing system or where the PSD has already acquired real property(s) (land or facilities), the PSD's attorney will provide a separate final title opinion(s) covering such property(s) on the day of loan closing.
9. Permits - Copies of all permits needed for the project must be provided for review prior to advertisement for construction bids. Such permits will include but are not limited to the following:
- West Virginia Department of Highways
 - Railroads
 - State Department of Health
 - Department of Environmental Protection
 - Corps of Engineers
 - Public Land Corporation
10. Public Service Commission Approvals - You must obtain the following from the Public Service Commission of West Virginia:
- a. A Certificate of Convenience and Necessity.
 - b. Approval of user charges that are acceptable to you and the Rural Utilities Service.

- c. Approval of financing for the project's proposed financing arrangements.

The "Rule 42" Exhibit to be attached to the Public Service Commission application must contain at least the information shown in Attachment No. 1. A copy of the Public Service Commission application and its "Rule 42" Exhibit must be provided for review.

11. Insurance and Bonding Requirements - Prior to preliminary loan closing, you must acquire the following insurance and bond coverage:

- a. Liability Insurance - Personal Liability - \$500,000; Property Damage - \$200,000 - \$200,000. The limits of liability coverage noted herein should be considered as suggested amounts only. RUS recommends that you consider analyzing your actual needs in detail before you obtain coverage in a specific amount.
- b. Workers' Compensation - In accordance with appropriate State laws.
- c. Position Fidelity Bond(s) - All positions occupied by persons entrusted with the receipt and/or disbursement of funds must be bonded. As a good business practice you will probably wish to have each position bonded in an amount equal to the maximum amount of funds to be under the control of that position at any one time. The minimum coverage acceptable to RUS will be for each position to be bonded for an amount at least equal to one annual installment on your loan(s).
- d. National Flood Insurance - In addition to meeting the requirements for the type of assistance requested, the following requirements must be met for financial assistance for acquisition and/or construction in designated special flood or mudslide prone areas:
 - (1) If flood insurance is available, you must purchase a flood insurance policy at the time of loan closing.
 - (2) Applicants whose buildings, machinery or equipment are to be located in a community which has been notified as having special flood or mudslide prone areas will not receive financial assistance where flood insurance is not available.
- e. Real Property Insurance - Prior to the acceptance of the facility from the contractor(s), you must obtain real property insurance (fire and extended coverage) on all above-ground structures, to include machinery and equipment housed therein. This does not apply to water reservoirs,

standpipes, elevated tanks or noncombustible materials used in treatment plants, clearwells, filters and the like.

12. Contract Documents, Final Plans and Specifications -

a. The contract documents should consist of the following:

- (1) EJCDC Document No. 1910-8-A-1-FA, 1997 Edition, "Standard Form of Agreement between Owner and Contractor on the Basis of Stipulated Price" and EJCDC Document No. 1910-8-FA, "Standard General Conditions of the Construction Contract - Funding Agency Edition" and Attachments. The EJCDC document is issued under copyright and cannot be provided by RUS.
- (2) "RUS Supplemental General Conditions."

RUS Bulletin 1780-26, "Guidance for the Use of EJCDC Standard Documents on Water and Waste Projects with RUS Financial Assistance," is enclosed for use by your engineer in the preparation of the contract documents (Attachment No. 7).

b. The contract documents must provide, as a minimum, the following insurance:

- (1) Liability Insurance - Personal Liability - \$500,000; Property Damage - \$200,000 - \$200,000. This coverage must include indemnification of the PSD and its engineer. RUS Bulletin 1780-13, Attachment 9, suggests certain limits of liability for insurance coverage. Those limits should be considered as minimum requirements only. It is recommended you consider increasing the given limits of liability after analyzing your specific needs.
- (2) Builder's Risk Insurance - On all structures and mechanical and electrical equipment in place or stored on the site to the full insurable value thereof.
- (3) Workers' Compensation - In accordance with applicable State laws.

c. The contract documents and final plans and specifications must be submitted to RUS for approval.

d. The project must be designed in compliance with Section 504 of the Rehabilitation Act of 1973.

13. Interim Financing - Interim financing will be used for the RUS loan if it is available at reasonable rates and terms. You must provide RUS with a copy of the tentative agreement reached in connection with interim financing. A copy of the proposed agreement should be provided for RUS review. A Sample Credit

Agreement is attached for your use in meeting this requirement (Attachment No. 13).

14. Disbursement of Funds - The RUS funds will be advanced as they are needed in the amount(s) necessary to cover the RUS proportionate share of any disbursements required of your PSD, over 30 day periods. Any grant funds not disbursed immediately upon receipt must be deposited in an interest bearing account.

Public Bodies – Interest earned on grant funds in excess of \$100 per year will be submitted to RUS at least quarterly as required in 7 CFR 3016.

The PSD must assure that all project funds are expended only for the eligible items included in the final project budget or as may be later approved by RUS.

15. Water Purchase Contract - You propose to purchase treated water from the City of Buckhannon; therefore, you must enter into a Water Purchase Contract. Form RD 442-30 must be used unless you receive an exception from RUS.
16. Other Funds - Prior to advertisement for construction bids, you must provide evidence showing the approval of the other funds. This evidence should include a copy of the funding award. Prior to award of the contract(s) to the contractor(s), you must provide evidence that the "other" project funds are available for expenditure. This evidence should consist of at least a letter from the lender and/or grantor stating the funds are available for expenditure.
17. At a properly called meeting, you must adopt and properly execute the following forms, and minutes showing the adoption must be provided:

Form RD 442-7 - "Operating Budget"

Form RD 1940-1 - "Request for Obligation of Funds"

RUS Bulletin 1780-12 - "Water or Waste System Grant Agreement"

Form RD 400-4 - "Assurance Agreement"

Form AD 1047 - "Certification Regarding Debarment - Primary"

Form AD 1049 - "Certification Regarding Drug-Free Workplace"

Form RD 1910-11 - "Applicant Certification, Federal Collection Policies"

FmHA Instruction 1940-Q, Exhibit A-1, "Certification for Contracts, Grants and Loans"

Standard Form LLL - "Disclosure of Lobbying Activities" (If Applicable)

Certification of Compliance

Form RD 1942-46, "Letter of Intent to Meet Conditions"

18. The enclosed Water and Waste Processing Checklist (Attachment No. 2) outlines the items needed to complete the loan and grant docket. All the items listed must be included in the loan and grant docket when it is forwarded to the USDA - Rural Development State Office with a request for loan closing instructions to be issued.
19. Upon receipt of the loan and grant docket, which contains all the items required above, RUS may authorize you to advertise the project for construction bids. Such advertisement must be in accordance with appropriate State statutes. Immediately after bid opening you must provide RUS with (a) a bid tabulation, (b) recommendations from you and your engineer as to the acceptability of the bids received, and (c) your recommendations for contract awards. If all parties then agree the construction bids received are acceptable, it is determined that adequate funds are available to cover the total facility costs, and that all the administrative conditions of loan approval have been satisfied, loan closing instructions will be issued. The closing instructions, a copy of which will be forwarded to you, will set forth any further requirements that must be met before the loan can be closed.

When all parties agree that the closing requirements can be met, a mutually acceptable date for the loan closing will be scheduled.

After providing for all authorized costs, any remaining RUS project funds will be considered to be RUS grant funds and refunded to RUS. If the amount of unused RUS project funds exceeds the RUS grant, that part would be RUS loan funds.

If the conditions set forth in this letter are not met within six (6) months from the date hereof, RUS reserves the right to discontinue processing of the application. In the event the project has not advanced to the point of loan closing within the six-month period and it is determined the authority still wishes to proceed, it will be necessary that the proposed budget be reviewed again in detail. If during that review, it is determined the budget is no longer current and/or adequate, RUS reserves the right to require that it be revised or replaced.

We believe the information herein clearly sets forth the actions which must be taken; however, if you have any questions, please do not hesitate to contact me.

Sincerely yours,

JN

The Governmental Agency specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Infrastructure Fund to purchase all the Local Bonds and that, prior to execution of this Loan Agreement, the Authority may commit to and purchase the revenue bonds of other governmental agencies for which it has sufficient funds available.

ARTICLE IV

Local Bonds; Security for Loan;
Repayment of Loan; Interest on Loan;
Fees and Charges

4.1 The Governmental Agency shall, as one of the conditions of the Authority to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Governmental Agency in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows, unless the specific provision or covenant is modified or waived by the Council:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues shall be used monthly, in the order of priority listed below:

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Governmental Agency shall complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or with the written consent of the Council and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Local Bonds outstanding, with further restrictions on the disposition of portions of the System as are normally contained in such covenants;

(v) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected

revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and the Council; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Governmental Agency will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Governmental Agency will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Governmental Agency under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Governmental Agency will not grant any franchise to provide any services which would compete with the System;

(xi) That the Governmental Agency shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and the Council, which report shall include a statement that notes whether the results of tests disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the Governmental Agency's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xii) That the Governmental Agency shall annually adopt a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding fiscal year and shall submit a copy of such budget to the Authority and the Council within 30 days of adoption thereof;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Governmental Agency and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim financing of such Governmental Agency, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the Authority and the Council, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Governmental Agency may not redeem any Local Bonds by it without the written consent of the Authority and the Council and otherwise in compliance with this Loan Agreement;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for the Local Bonds;

(xvii) That the Governmental Agency shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Governmental Agency shall complete the Monthly Payment Form, attached hereto as Exhibit D and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month;

(xviii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be set forth in an opinion of bond counsel, the Governmental Agency will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Governmental Agency shall take any and all action, or shall refrain from taking any action regarding the use of the proceeds of the Local Bonds, as shall be deemed necessary by the Authority to maintain the exclusion from gross income for federal income tax purposes of interest on the State's general obligation bonds or any bonds secured by the Local Bonds;

(xx) That the Governmental Agency shall have obtained the certificate of the Consulting Engineer in the form attached hereto as Exhibit A, to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority and the Council, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the Council is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and State laws for construction of the Project have been obtained;

The monthly requisitions submitted to the Council shall also certify that the Governmental Agency is monitoring compliance by its contractors and subcontractors and that the required information has been submitted.

West Virginia Water Development Authority

Ladies and Gentlemen:

We are bond counsel to _____ (the
"Governmental Agency"), a _____.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated _____, _____, including all schedules and exhibits attached thereto (the "Loan Agreement"), between the Governmental Agency and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and (ii) the issue of a series of revenue bonds of the Governmental Agency, dated _____, _____ (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of \$_____, in the form of one bond, registered as to principal and interest to the Authority, with interest and principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, beginning _____, 1, _____, and ending _____, 1, _____, as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and
(ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Governmental Agency on _____, as supplemented by the supplemental resolution duly adopted by the Governmental Agency on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior

to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding special obligation of the Governmental Agency, enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Governmental Agency without the consent of the Authority and the Council.

3. The Governmental Agency is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

INSTRUCTIONS FOR COMPLETING MONTHLY FINANCIAL REPORT

- Item 1 You will need a copy of the current fiscal year budget adopted by the Governmental Agency to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($\$1,200/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, if Operating Expenses of \$900 are anticipated to be incurred for the year, each month the base would be increased by \$75 ($\$900/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 3 Provide the **Bond Payments (principal, interest and reserve account)** for all the outstanding bonds of the Governmental Agency according to the source of funding. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.
- Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Governmental Agency.

The Governmental Agency must complete the Monthly Financial Report and forward it to the Water Development Authority by the 10th day of each month, commencing on the date contracts are executed for the acquisition or construction of the Project and for two years following the completion of acquisition or construction of the Project.

ELKINS ROAD PUBLIC SERVICE DISTRICT
WATER REVENUE BOND, SERIES 2004 A
(UNITED STATES DEPARTMENT OF AGRICULTURE)

No. AR-1

Date: December 20, 2004

FOR VALUE RECEIVED, the ELKINS ROAD PUBLIC SERVICE DISTRICT (the "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of FIVE HUNDRED THOUSAND DOLLARS (\$500,000), plus interest on the unpaid principal balance at the rate of 4.5% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of this Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$2,295, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of acquisition and construction of improvements and extensions to the existing public waterworks system (the "System") of the Borrower, is payable solely from the net revenues to be derived from the operation of the System in the manner provided in the hereinafter defined Resolution. This Bond does not in any manner constitute a corporate indebtedness of Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the Resolution and upon surrender and cancellation of this Bond.

UPON SUCH TRANSFER A NEW BOND OR BONDS, OF AUTHORIZED DENOMINATION OR DENOMINATIONS, FOR THE LIKE PRINCIPAL AMOUNT, WILL BE ISSUED TO THE TRANSFeree IN EXCHANGE HEREOF.

THIS BOND, UNDER THE PROVISIONS OF THE ACT, IS AND HAS ALL THE QUALITIES AND INCIDENTS OF A NEGOTIABLE INSTRUMENT UNDER THE UNIFORM COMMERCIAL CODE OF THE STATE OF WEST VIRGINIA, BUT MAY ONLY BE TRANSFERRED BY TRANSFER OF REGISTRATION HEREOF WITH THE BOND REGISTRAR.

THIS BOND HAS BEEN ISSUED UNDER AND IN FULL COMPLIANCE WITH THE CONSTITUTION AND STATUTES OF THE STATE OF WEST VIRGINIA, INCLUDING, AMONG OTHERS, CHAPTER 16, ARTICLE 13A OF THE WEST VIRGINIA CODE, AS AMENDED (THE "ACT"), AND A RESOLUTION OF THE BORROWER DULY ADOPTED ON DECEMBER 16, 2004, AND A SUPPLEMENTAL RESOLUTION OF THE BORROWER DULY ADOPTED ON DECEMBER 16, 2004, AUTHORIZING ISSUANCE OF THIS BOND (COLLECTIVELY, THE "RESOLUTION").

IF AT ANY TIME IT SHALL APPEAR TO THE GOVERNMENT THAT BORROWER MAY BE ABLE TO OBTAIN A LOAN FROM A RESPONSIBLE COOPERATIVE OR PRIVATE CREDIT SOURCE AT REASONABLE RATES AND TERMS FOR LOANS FOR SIMILAR PURPOSES AND PERIODS OF TIME, BORROWER WILL, AT THE GOVERNMENT'S REQUEST, APPLY FOR AND ACCEPT SUCH LOAN IN SUFFICIENT AMOUNT TO REPAY THE GOVERNMENT.

THIS BOND IS GIVEN AS EVIDENCE OF A LOAN TO BORROWER MADE OR INSURED BY THE GOVERNMENT PURSUANT TO THE CONSOLIDATED FARMER AND RURAL DEVELOPMENT ACT OF 1965. THIS BOND SHALL BE SUBJECT TO THE PRESENT REGULATIONS OF THE GOVERNMENT AND TO ITS FUTURE REGULATIONS NOT INCONSISTENT WITH THE EXPRESS PROVISIONS HEREOF.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS, WITH THE ISSUER'S (1) WATER REVENUE BONDS, SERIES 1979, DATED SEPTEMBER 23, 1980, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$360,000 AND CURRENTLY HELD BY THE RURAL UTILITIES SERVICE, UNITED STATES DEPARTMENT OF AGRICULTURE (THE "SERIES 1979 BONDS"); (2) WATER REVENUE BONDS, SERIES 1998 A (WEST VIRGINIA INFRASTRUCTURE FUND), DATED SEPTEMBER 10, 1998, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$2,032,000 AND CURRENTLY HELD BY THE WEST VIRGINIA WATER DEVELOPMENT AUTHORITY (THE "SERIES 1998 A BONDS"); AND (3) WATER REVENUE BONDS, SERIES 2004 B (WEST VIRGINIA INFRASTRUCTURE FUND), DATED DECEMBER 20, 2004, ISSUED CONCURRENTLY HERewith IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$1,509,788 AND HELD BY THE WEST VIRGINIA WATER DEVELOPMENT AUTHORITY.

KNOW ALL MEN BY THESE PRESENTS: That on this the 20th day of December, 2004, ELKINS ROAD PUBLIC SERVICE DISTRICT, a public service district and public corporation and political subdivision of the State of West Virginia in Upshur County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the West Virginia Water Development Authority (the "Authority") or registered assigns the sum of ONE MILLION FIVE HUNDRED NINE THOUSAND SEVEN HUNDRED EIGHTY-EIGHT DOLLARS (\$1,509,788), or such lesser amount as shall have been advanced to the Issuer, hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2006, as set forth on the "Debt Service Schedule" attached as EXHIBIT B hereto and incorporated herein by reference.

This Bond shall bear no interest. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent").

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Infrastructure and Jobs Development Council (the "Council"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and between the Issuer and the Authority, on behalf of the Council, dated December 20, 2004.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of improvements and extensions to the existing public waterworks system of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of the Bonds of this Series (the "Bonds") and related costs. The existing public waterworks system of the Issuer, the Project and any further additions, betterments or improvements thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the

Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), a Bond Resolution duly adopted by the Issuer on December 16, 2004, and a Supplemental Resolution duly adopted by the Issuer on December 16, 2004 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS, WITH THE ISSUER'S (1) WATER REVENUE BONDS, SERIES 1979, DATED SEPTEMBER 23, 1980, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$360,000 AND CURRENTLY HELD BY THE RURAL UTILITIES SERVICE, UNITED STATES DEPARTMENT OF AGRICULTURE (THE "SERIES 1979 BONDS"); (2) WATER REVENUE BONDS, SERIES 1998 A (WEST VIRGINIA INFRASTRUCTURE FUND), DATED SEPTEMBER 10, 1998, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$2,032,000 AND CURRENTLY HELD BY THE WEST VIRGINIA WATER DEVELOPMENT AUTHORITY (THE "SERIES 1998 A BONDS"); AND (3) WATER REVENUE BONDS, SERIES 2004 A (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED DECEMBER 20, 2004, ISSUED CONCURRENTLY HERewith IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$500,000 AND HELD BY THE RURAL UTILITIES SERVICE, UNITED STATES DEPARTMENT OF AGRICULTURE (THE "SERIES 2004 A BONDS"). THE SERIES 1979 BONDS AND THE SERIES 1998 A BONDS ARE COLLECTIVELY CALLED THE "PRIOR BONDS."

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the Holders of the Series 2004 A Bonds and the Prior Bonds, and from moneys in the reserve account created under the Bond Legislation for the Bonds (the "Series 2004 B Bonds Reserve Account"), and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and which shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest, if any, hereon, except from said special fund provided from the Net Revenues, the moneys in the Series 2004 B Bonds Reserve Account and unexpended proceeds of the Bonds. The Issuer has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Bond Legislation. Remedies provided the registered owners of the Bonds are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Elkins Road Public Service District in Upshur County, West Virginia (the "Issuer"), of its \$500,000 Water Revenue Bonds, Series 2004 A (United States Department of Agriculture), dated the date hereof (the "Bonds"), pursuant to Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), a Bond Resolution duly adopted by the Issuer on December 16, 2004, and a Supplemental Resolution duly adopted by the Issuer on December 16, 2004 (collectively, the "Bond Legislation"). We have examined the law and such certified copies of proceedings and other papers as we deem necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon the representations of the Issuer contained in the Bond Legislation and in the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The Issuer is duly created and validly existing as a public service district and as a public corporation and a political subdivision of the State of West Virginia with full power to adopt and enact the Bond Legislation, perform the agreements on its part contained therein and issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Bond Legislation has been duly and effectively adopted and enacted by the Issuer and constitutes a valid and binding obligation of the Issuer enforceable upon the Issuer.

3. Pursuant to the Act, the Bond Legislation creates a valid lien on the funds pledged by the Bond Legislation for the security of the Bonds, on a parity with the Issuer's (1) Water Revenue Bonds, Series 1979, dated September 23, 1980, issued in the original aggregate principal amount of \$360,000; (2) Water Revenue Bonds, Series 1998 A (West Virginia Infrastructure Fund), dated September 10, 1998, issued in the original aggregate principal amount of \$2,032,000; and (3) Water Revenue Bonds, Series 2004 B (West Virginia Infrastructure Fund), dated December 20, 2004, issued concurrently herewith in the original aggregate principal amount of \$1,509,788.

4. The Bonds have been duly authorized, executed and delivered by the Issuer and are valid and binding special obligations of the Issuer, payable solely from the sources provided therefor in the Bond Legislation.

5. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

6. The Bonds are, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of the State, and interest on the Bonds is exempt from personal income taxes and corporate net income taxes imposed directly thereon by the State of West Virginia.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Bond Legislation and the liens and pledges set forth therein may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that the enforcement thereof may also be subject to the exercise of judicial discretion in appropriate cases.

Very truly yours,

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Elkins Road Public Service District (the "Issuer"), a public service district, public corporation and political subdivision created and existing under the laws of the State of West Virginia, of its \$1,509,788 Water Revenue Bonds, Series 2004 B (West Virginia Infrastructure Fund), dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a loan agreement, dated December 20, 2004, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal only to the Authority, bearing no interest, with principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2006, and maturing December 1, 2044, all as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purpose of (i) paying a portion of the costs of acquisition and construction of improvements and extensions to the existing public waterworks system of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Bond Resolution duly adopted by the Issuer on December 16, 2004, as supplemented by a Supplemental Resolution duly adopted by the Issuer on December 16, 2004 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the Loan Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Loan Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district, public corporation, and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Bond Legislation and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer, enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Issuer without the written consent of the Authority and the Council.

3. The Bond Legislation and all other necessary orders and resolutions have been duly adopted by the Issuer in connection with the issuance and sale of the Bonds and constitute valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's (1) Water Revenue Bonds, Series 1979, dated September 23, 1980, issued in the original aggregate principal amount of \$360,000; (2) Water Revenue Bonds, Series 1998 A (West Virginia Infrastructure Fund), dated September 10, 1998, issued in the original aggregate principal amount of \$2,032,000; and (3) Water Revenue Bonds, Series 2004 A (United States Department of Agriculture), dated December 20, 2004, issued concurrently herewith in the original aggregate principal amount of \$500,000, all in accordance with the terms of the Bonds and the Bond Legislation.

5. The Bonds are, under the Act, exempt from all taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Loan Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter adopted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond numbered BR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

All capitalized terms used in the Resolution and not otherwise defined herein shall have the same meanings as defined in the Bond Resolution when used herein.

I am of the opinion that:

1. The Issuer is duly created and validly existing as a public service district and as a public corporation and political subdivision of the State of West Virginia.
2. The members and officers of the Public Service Board of the Issuer have been duly, lawfully and properly appointed and elected, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.

4. The execution and delivery of the Bonds and the consummation of the transactions contemplated by the Bonds and the Bond Resolution, and the carrying out of the terms thereof, do not and will not, in any material respect, to the best of my knowledge, conflict with or constitute, on the part of the Issuer, a breach of or default under any agreement, document or instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, rule, order or decree to which the Issuer is subject.

5. 6. To the best of my knowledge, after due inquiry, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Bonds and the Bond Resolution, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds, or the collection or pledge of the Net Revenues therefor.

appeal, further hearing, reopening or rehearing by any customer, protestant, intervener or other person not a party to such Order. Such Orders remain in full force and effect.

7. To the best of my knowledge, after due inquiry, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Loan Agreement, the Bond Resolution, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds, or the collection or pledge of the Net Revenues therefor.

8. I have verified that all successful bidders have made required provisions for all insurance and payment and performance bonds and I have reviewed such insurance policies or binders and such bonds for accuracy. I have reviewed the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project and verified that such surety bonds and policies (1) are in compliance with the contracts; (2) appear adequate in form, substance and amount to protect the various interests of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Bond Resolution and the Loan Agreement; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

Very truly yours,

William C. Thurman

Re: Final Narrative Title Opinion
Elkins Road PSD Phase II Water Extension Project
Case No. 04-0296-PWD-CN

Ladies and Gentlemen:

I serve as counsel for the Elkins Road Public Service District for the above referenced project and in that capacity I have reviewed the right of way maps and report of Chapman Technical Group, Inc. setting forth the easements and rights of way, a tank site, a booster station site, a pressure reducing valve station, including road crossings and other appurtenances for the operation and maintenance of the Phase II system extension. Based upon my review of these maps, reports and the records in the Office of the Clerk of the County Commission of Upshur County, West Virginia, and the documents herein below mentioned, I am of the opinion:

1. That Elkins Road Public Service District is a duly created and existing public corporation possessed with all the powers and authority granted to public service districts under the laws of the State of West Virginia, and as such has the legal power and authority to construct, operate and maintain the water distribution system extension described in the report of Chapman Technical Group, the consulting engineers for the Project.
2. The Elkins Road Public Service District has obtained all necessary permits and approvals for the construction of the aforementioned water distribution system extension as set forth in the Preliminary Opinion of Counsel Relative to Rights of Way on, over and through the property shown on the right of way maps.

3. I have investigated and ascertained the location of and am familiar with the legal descriptions of the necessary sites, including easements and/or rights of way required for the Project as set forth in the plans for the Project prepared by Chapman Technical Group, the consulting engineers for the Project.

4. I have examined the records on file in the Office of the Clerk of the County Commission of Upshur County, West Virginia wherein the Project is to be located, and in my opinion the Elkins Road Public Service District has acquired legal title or such other estate or interest in all of the necessary site components for the Phase II Extension Project, including the sites, rights of way and easements as set forth in the Preliminary Opinion of Counsel Relative to Rights of Way on, over and through the property shown on the right of way maps, with the exception of those listed in Paragraph 5, sufficient to assure undisturbed use and possession for the purpose of construction, operation and maintenance for the estimated life of the Project.

5. The following listed property is to be acquired by eminent domain and the necessary filings have been made in the Office of the Clerk of the Circuit Court of Upshur County, West Virginia, Civil Action 04-P-44, to permit the District a right-of-entry for the purpose of construction, operation and maintenance of the Project on the subject properties. The District's title thereto is defeasible in the event the District does not satisfy any resulting judgement and/or award in the proceedings for acquisition of said premises, and my certification is subject to the following pending litigation:

7. West Virginia Code 16-13A-8 provides, in pertinent part, as follows:

“For the purpose of acquiring any public service properties or lands, rights or easements deemed necessary or incidental for the purpose of the district, each such district has the right of eminent domain to the same extent and to be exercised in the same manner as now or hereafter provided by law for such right of eminent domain by cities, incorporated towns and other municipal corporations...”.

8. The Elkins Road Public Service District is, therefore, duly vested with the right of eminent domain and may acquire rights of way, easements and lands not heretofore acquired from any private property owners and which could not be acquired by negotiation and purchase that are necessary for the construction of the proposed water distribution system extension. Pursuant to such authority the District will institute appropriate proceedings against the property owners, if necessary.

Ladies and Gentlemen:

Based upon the water rates and charges set forth in the Commission Order of the Public Service Commission of West Virginia in Case No. 04-0296 PWD-CN, entered December 13, 2004, and projected operating expenses and anticipated customer usage as furnished to us by Chapman Technical Group, Ltd., Consulting Engineer, it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the waterworks system (the "System") of Elkins Road Public Service District (the "Issuer"), will provide for all Operating Expenses of the System and will leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the (i) Water Revenue Bonds, Series 2004 A (United States Department of Agriculture) (the "Series 2004 A Bonds") to be issued in the amount of \$500,000; (ii) Water Revenue Bonds, Series 2004 B (West Virginia Infrastructure Fund) (the "Series 2004 B Bonds") to be issued in the amount of \$1,509,788; and (iii) all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2004 A Bonds and Series 2004 B Bonds, including the Issuer's Water Revenue Bonds, Series 1979 (United States Department of Agriculture), and Water Revenue Bonds, Series 1998 A (West Virginia Infrastructure Fund) (collectively, the "Prior Bonds").

It is further our opinion that (i) the Net Revenues for the Fiscal Year following the year in which the Series 2004 A Bonds and Series 2004 B Bonds are issued will be at least 120% of the average annual debt service requirements on the Series 2004 A Bonds and Series 2004 B Bonds and the Prior Bonds and that (ii) the Net Revenues actually derived from the System during 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Series 2004 A Bonds and Series 2004 B Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2004 A Bonds and Series 2004 B Bonds, will not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the Prior Bonds, the Series 2004 A Bonds, and the Series 2004 B Bonds.

Very truly yours,

Buckhannon, West Virginia

(West Virginia Infrastructure Fund)

CERTIFICATE AS TO USE OF PROCEEDS

On this 20th day of December, 2004, the undersigned Chairman of the Public Service Board of Elkins Road Public Service District in Upshur County, West Virginia (the "Issuer"), being one of the officials of the Issuer duly charged with the responsibility for the issuance of \$1,509,788 Water Revenue Bonds, Series 2004 B (West Virginia Infrastructure Fund), dated December 20, 2004 (the "Series 2004 B Bonds" or the "Bonds"), hereby certify as follows:

1. I am one of the officers of the Issuer duly charged with the responsibility of issuing the Bonds. I am familiar with the facts, circumstances and estimates herein certified and duly authorized to execute and deliver this certificate on behalf of the Issuer. Capitalized terms used herein and not otherwise defined herein shall have the meanings set forth in the Bond Resolution duly adopted by the Issuer on December 16, 2004 (the "Bond Resolution"), authorizing the Bonds.

2. This certificate may be relied upon as the certificate of the Issuer.

3. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on December 20, 2004, the date on which the Bonds are being physically delivered in exchange for an initial advance of the principal amount of the Series 2004 B Bonds, and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

4. In the Bond Resolution pursuant to which the Bonds are issued, the Issuer has covenanted that it shall not take, or permit or suffer to be taken, any action with respect to Issuer's use of the proceeds of the Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Internal Revenue Code of 1986, as amended, and the temporary and permanent regulations promulgated thereunder or under any predecessor thereto (collectively, the "Code"), issued by the West Virginia Water Development Authority (the "Authority") or the West Virginia Infrastructure and Jobs Development Council (the "Council"), as the case may be, from which the proceeds of the Bonds are derived, to lose their status as tax-exempt bonds. The Issuer hereby covenants to take all actions necessary to comply with such covenant.

5. The Series 2004 B Bonds were sold on December 20, 2004, to the Authority, pursuant to a loan agreement dated December 20, 2004, by and between the Issuer and the Authority, on behalf of the Council, for an aggregate purchase price of \$1,509,788 (100% of par), at which time, the Issuer received \$65,661 from the Authority and the Council, being the first advance of the principal amount of the Series 2004 B Bonds. No accrued interest has been or will be paid on the Series 2004 B Bonds. The balance of the principal amount of the Series 2004 B Bonds will be advanced to the Issuer as acquisition and construction of the Project progresses.

6. The Series 2004 B Bonds are being delivered simultaneously with the delivery of this certificate and are issued for the purposes of (i) paying a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public waterworks facilities of the Issuer (the "Project"); and (ii) paying certain costs of issuance of the Series 2004 B Bonds and related costs.

On the date hereof, the Issuer has simultaneously issued its Water Revenue Bonds, Series 2004 A (United States Department of Agriculture) in the aggregate principal amount of \$500,000 (the "Series 2004 A Bonds"), to pay a portion of the costs of the Project.

7. Within 30 days after the delivery of the Bonds, the Issuer shall enter into agreements which require the Issuer to expend at least 5% of the net sale proceeds of the Series 2004 B Bonds on the Project, constituting a substantial binding commitment. The acquisition and construction of the Project shall commence immediately and shall proceed with due diligence to completion, and with the exception of proceeds deposited in the Reserve Account for the Bonds, if any, all of the proceeds from the sale of the Bonds, together with any investment earnings thereon, will be expended for payment of costs of the Project on or before March 20, 2006. The acquisition and construction of the Project is expected to be completed by December 20, 2005.

8. The total cost of the Project is estimated at \$6,287,788. Sources and uses of funds for the Project are as follows:

SOURCES

Proceeds of the Series 2004 A Bonds	\$ 500,000
Proceeds of the Series 2004 B Bonds	\$1,509,788

USES

Costs of Acquisition and Construction of the Project	\$ 6,271,288

- (2) Renewal and Replacement Fund;
- (3) Series 2004 Bonds Construction Trust Fund;
- (4) Series 2004 B Bonds Sinking Fund; and
- (5) Series 2004 B Bonds Reserve Account.

10. Pursuant to Article VI of the Bond Resolution, the proceeds of the Series 2004 B Bonds will be deposited as follows:

- (1) Series 2004 B Bonds proceeds in the amount of \$-0- will be deposited in the Series 2004 B Bonds Reserve Account.
- (2) The balance of the proceeds of the Series 2004 B Bonds will be deposited in the Series 2004 Bonds Construction Trust Fund as received from time to time and applied solely to payment of costs of the Project, including costs of issuance of the Series 2004 B Bonds and related costs.

11. Moneys held in the Series 2004 B Bonds Sinking Fund will be used solely to pay principal of and interest, if any, on the Series 2004 B Bonds and will not be available to meet costs of acquisition and construction of the Project. All investment earnings on moneys in the Series 2004 B Bonds Sinking Fund and Series 2004 B Bonds Reserve Account, if any, will be withdrawn therefrom and deposited into the Series 2004 Bonds Construction Trust Fund during construction of the Project, and following completion of the Project, will be deposited, not less than once each year, in the Revenue Fund, and such amounts will be applied as set forth in the Bond Resolution.

12. Work with respect to the acquisition and construction of the Project will proceed with due diligence to completion. The acquisition and construction of the Project is expected to be completed within 12 months of the date hereof.

13. The Issuer will take such steps as requested by the Authority to ensure that the Authority's bonds meet the requirements of the Code.

14. With the exception of the amount deposited in the Series 2004 B Bonds Reserve Account, if any, all of the proceeds of the Bonds will be expended on the Project within 15 months from the date of issuance thereof.

15. The Issuer does not expect to sell or otherwise dispose of the Project in whole or in part prior to the last maturity date of the Bonds.

16. The amount designated as costs of issuance of the Bonds consists only of costs which are directly related to and necessary for the issuance of the Bonds.

17. All property financed with the proceeds of the Bonds will be owned and held by (or on behalf of) a qualified governmental unit.

18. No proceeds of the Bonds will be used, directly or indirectly, in any trade or business carried on by any person who is not a governmental unit.

19. The original proceeds of the Bonds will not exceed the amount necessary for the purposes of the issue.

20. The Issuer shall use the Bond proceeds solely for the costs of the Project, and the Project will be operated solely for a public purpose as a local governmental activity of the Issuer.

21. The Bonds are not federally guaranteed.

22. The Issuer has retained the right to amend the Bond Resolution authorizing the issuance of the Bonds if such amendment is necessary to assure that the Bonds remain governmental or public purpose bonds.

23. The Issuer has either (a) funded the Series 2004 B Bonds Reserve Account at the maximum amount of principal and interest which will mature and become due on the Bonds in the then current or any succeeding year with the proceeds of the Bonds, or (b) created the Series 2004 B Bonds Reserve Account which will be funded with equal payments made on a monthly basis over a 10-year period until such Series 2004 B Bonds Reserve Account holds an amount equal to the maximum amount of principal and interest which will mature and become due on the Bonds in the then current or any succeeding year.

Moneys in the Series 2004 B Bonds Reserve Account and the Series 2004 B Bonds Sinking Fund will be used solely to pay principal of and interest on the Bonds and will not be available to pay costs of the Project.

24. Other than the Series 2004 A Bonds, there are no other obligations of the Issuer which (a) are to be issued at substantially the same time as the Bonds, (b) are to be sold pursuant to a common plan of financing together with the Bonds and (c) will be paid out of substantially the same sources of funds or will have substantially the same claim to be paid out of substantially the same sources of funds as the Bonds.

25. To the best of my knowledge, information and belief, there are no other facts, estimates and circumstances which would materially change the expectations herein expressed.

26. The Issuer will comply with instructions as may be provided by the Authority, at any time, regarding use and investment of proceeds of the Bonds, rebates and rebate calculations.

27. To the best of my knowledge, information and belief, the foregoing expectations are reasonable.

WITNESS my signature on the date first written above.

The purpose of the NEW ISSUE REPORT FORM is to provide the WV Municipal Bond Commission with an early warning of three basic facts no later than the day of closing on any issue for which the Commission is to act as fiscal agent. These are:

1. Formal notification that a new issue is outstanding.
2. Date of first action or debt service.
3. Contact people should we lack documents, information, or funds needed to administer the issue by the date of the first action or debt service.

The commission recognizes that as bond transcripts become increasingly long and complex, it has become more difficult to assemble and submit them to the Commission within the 30 days specified by the West Virginia Code 13-3-8. This notice is not intended to provide all the information needed to administer an issue, but to alert the Commission and ensure that no debt service payments are missed due to delays in assembling bond transcripts. If, at the time of closing, documents such as the ordinance and all supplements, debt service schedules, and a specimen bond or photostat are available and submitted with this form, it will greatly aid the Commission in the performance of its duties. These documents are needed to set up the proper accounts and to advise the issuer of monthly deposit requirements as far in advance of the first debt service as possible.

It is not necessary to complete all items if they are not pertinent to your issue. Indicate the County of the issuer. With PSDs that overlap more than one county, indicate the county of their business office. Complete "Rate" only if the issue has only one rate. Please complete a separate form for each series of an issue. Other important information can be recorded under "Notes."

Again, please submit this form on each new issue on the day of closing. If fund transfers into or out of the Commission at closing are required, please submit this form before closing. If no significant facts change by closing, no resubmission at closing is required. If, however, there are changes, please submit an updated form, with changes noted, at closing.

If you should have any questions concerning this form, please call the Commission.

THIS AGREEMENT, made this 10th day of September, 1979, by and between the WATER BOARD OF THE CITY OF BUCKHANNON, hereinafter referred to as the "City", and the ELKINS ROAD PUBLIC SERVICE DISTRICT, a public corporation, hereinafter referred to as the "District",

WHEREAS, the District has been organized and created under the provisions of Chapter 16, Article 13-A of the West Virginia Code, as amended, for the purpose, among other things, of constructing and operating a water distribution system, serving water users within the areas described in plans now on file in the office of the District, and to accomplish this purpose, the District will require a supply of treated water; and,

WHEREAS, the City owns and operates a water distribution system, with capacity currently capable of serving present customers of the City system and the estimated number of water users to be served by the District, as shown in the plans of the District, now on file in the office of the District; and,

WHEREAS, the Water Board of the City of Buckhannon has duly authorized the sale of water to the District and has further authorized the execution of this agreement by the Chairman of the Water Board of the City of Buckhannon; and,

WHEREAS, the District, by resolution duly enacted, has authorized the purchase of water from the City in accordance with the terms of this agreement, and has further authorized the execution of this agreement by the Chairman of the Board of Directors of the District;

NOW, THEREFORE, THIS AGREEMENT WITNESSETH:

FIRST: The City covenants and agrees as follows:

(1) QUALITY AND QUANTITY: To furnish the District, at the point of delivery herein specified, during the term of this agreement or any renewal or extension thereof, potable

treated water meeting applicable purity standards of the State Board of Health (or other cognizant agencies) in such quantity as may be required by the District, but not to exceed One Hundred Nineteen Thousand (119,000) gallons per day. Copy

(2) POINT OF DELIVERY AND PRESSURE: To furnish water at a reasonably constant normal pressure (insofar as equipment and system of the City permits the same) from an existing six (6) inch main supply line, at the master meter facilities which will be located within the right of way of the West Virginia Department of Highways, on United States Route 33 East, in the general vicinity of what is now Baileys' Drive-In and Basin Surveys, Inc., at Station 0+00 of the water distribution system of the District, in Deanville, Upshur County, West Virginia. If a water pressure greater than normally available at the point of delivery is required by the District, the cost of providing such increased water pressure shall be borne by the District. It is expressly understood and agreed by and between the parties hereto that the City makes no guaranties or commitments as to the pressure that it will maintain at the point of delivery other than that the City will take no action to willfully interfere with the pressure which is otherwise available in the City water system at the point of delivery, unless such action may be due to emergency reasons, or for purposes of repair or maintenance.

(3) BILLING PROCEDURE: To furnish the treasurer of the District, or such other office or officer as may be directed by the District, at such address as may be directed, not later than the 15th day of each month, with an itemized statement of the amount of water furnished to the District during the preceding month.

SECOND: The District covenants and agrees as follows:

(1) RATES AND PAYMENT DATE: To pay to the City, not later than the 30th day of each month, for water delivered by the

Copy

City to the District during the preceding month in accordance with the following schedule of rates:

(a) Forty-five cents (45¢) for each one thousand (1,000) gallons of water furnished by the City to the District.

It is expressly understood and agreed by and between the parties hereto that the City shall not increase said rate during the term of this Agreement or any renewal or extension thereof, unless the City obtains approval of the Public Service Commission of the State of West Virginia. However, it is expressly understood and agreed that the City shall have the right to petition the Public Service Commission for an increase in said rate if its costs in providing water under this agreement increase materially or in connection with any application for an increase in its general rate tariff.

(2) CONNECTION FEE: To pay to the City the actual costs of the City in connecting the system of the District into the system of the City. The City agrees to furnish to the District a statement showing its actual costs.

THIRD: It is further mutually agreed by and between the parties hereto as follows:

(1) TERM OF CONTRACT: This contract shall extend for a period of forty (40) years from the date of the initial delivery of any water by the City to the District, and thereafter may be renewed and extended for such term, or terms, as may be agreed upon by the City and the District.

(2) DELIVERY OF WATER: It is agreed that sixty (60) days prior to the estimated date of completion of construction of the District's water distribution system, the District will notify the City, in writing, of its anticipated date for initial delivery of water.

(3) WATER TESTING: When requested by the District, the City will make available to the District's contractor at point

copy

of delivery or other point reasonably close thereto, water sufficient for testing, flushing, and trench filling the system of the District during construction, irrespective of whether any metering equipment has been installed at that time, at a flat charge of Fifty Dollars (\$50.00), which will be paid by the contractor, or on his failure to pay, by the District.

(4) FAILURE TO DELIVER: The City will, at all times, operate and maintain its system in an efficient manner and will take such action as may be necessary to furnish the District with quantities of water required by the District. Temporary or partial failure to deliver water shall be remedied with all possible dispatch. In the event of an extended shortage of water, or the supply of water available to the City is otherwise diminished over an extended period of time, the supply of water to District consumers shall be reduced or diminished in the same ratio or proportion as the supply to City consumers is reduced or diminished. Notwithstanding anything herein contained to the contrary, the City shall not be liable to the District or any of its customers for interruption in water deliveries caused by any breaks or leaks in its water mains or for any other reason or cause beyond the control of the City.

(5) METERING EQUIPMENT: It is agreed that the City will furnish and install, at the point where the system of the District is connected into the system of the City, or at such other locations as may be deemed necessary and convenient by the City, master metering equipment, and required devices of standard type for properly measuring the quantity of water delivered to the District, and to calibrate such metering equipment whenever requested by the District, but not more frequently than once every twelve (12) months. A meter registering not more than two percent (2%) above or below the test result shall be deemed to

COPY

be accurate. The previous readings of any meter disclosed by tests to be inaccurate shall be corrected for one-half (1/2) of the number of months since the last such test, but in no event to exceed six (6) months, in accordance with the percentage of inaccuracy found by such test. If any meter fails to register for any period, the amount of water furnished during such period shall be deemed to be the amount of water delivered in a corresponding period immediately prior to the failure, unless the City and the District shall agree upon a different amount. The metering equipment shall be read on or about the tenth (10th) day of each month. An appropriate official of the District, at all reasonable times, shall have access to the metering equipment for the purpose of verifying its readings. It is agreed that the City will furnish all labor and materials for said installation, including such metering equipment as may be necessary, and that the District shall reimburse the City for the actual costs of the same.

(6) MODIFICATION OF CONTRACT: It is agreed that this contract may be altered or modified by mutual agreement between the parties, with the exception that any increase or decrease in rates shall be based on a demonstrable increase or decrease in the costs of performance hereunder or in the operation of the City water system as a whole and shall not be made without the approval of the Public Service Commission of the State of West Virginia, or such other State regulatory agency that may have jurisdiction over rates charged for water furnished by the City.

(7) REGULATORY AGENCIES: That this contract is subject to such rules, regulations, or laws as may be imposed upon or made applicable to similar agreements in the State of West Virginia by regulatory agencies of the State of West Virginia, and the City and the District will collaborate in obtaining such

copy

permits, certificates, or the like, as may be required to comply therewith.

(8) MISCELLANEOUS: That the construction of the water distribution system by the District is being financed by a loan made or insured by, and/or a grant from, the United States of America, acting through the Farmers Home Administration of the United States Department of Agriculture, and by a grant from the Appalachian Regional Commission and the provisions hereof pertaining to the undertakings of the District are conditioned upon the approval, in writing, of the State Director of the Farmers Home Administration for the State of West Virginia, and upon the granting of such funds by the Appalachian Regional Commission. Any modification of the provisions of this contract, including any increase in the schedule of rates to be paid by the District for the delivery of water, shall be conditioned upon the prior approval, in writing, of the State Director of the Farmers Home Administration for the State of West Virginia, or by the Public Service Commission of the State of West Virginia.

(9) SUCCESSOR TO THE DISTRICT: That in the event of any occurrence rendering the District incapable of performing under this contract, any successor of the District, whether the result of legal process, assignment, or otherwise, shall succeed to the rights of the District hereunder.

(10) DEFAULT BY DISTRICT: In the event the District fails to pay for water when billed by the City and remains in default for a period of thirty (30) days after receipt of written notice from the City of non-payment, or if the District materially breaches this Agreement in any other respect and remains in default for a period of thirty (30) days after receipt of written notice of such default, the City may terminate providing water hereunder to the District until such default is cured. No such

copy

termination of service shall be made until individual customers of the District are given at least ten (10) days notice by the City of its intention to discontinue service to the District. Such notice to individual customers may be served personally or may be provided by publication in a newspaper of general circulation in Upshur County, West Virginia.

IN WITNESS WHEREOF, the parties hereto, have caused this contract to be duly executed in three counterparts, each of which shall constitute an original, this 10th day of September 1979.
