STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is enacted pursuant to the provisions of Chapter 16, Article 13 and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The Town of Farmington (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Marion County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants

of the Issuer that there be acquired and constructed certain extensions, additions, betterments and improvements to the existing public sewerage facilities of the Issuer, consisting of improvements to its existing waste water collection system (the "Project") (the existing public sewerage system of the Issuer, the Project and any further extensions, additions, betterments and improvements thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Recorder of the Issuer.

C. The Issuer intends to permanently finance the costs of acquisition and construction of the Project through the issuance of its revenue bonds to the West Virginia Water Development Authority (the "Authority"), which administers the West Virginia Infrastructure Fund (the "Infrastructure Fund") for the West Virginia Infrastructure and Jobs Development Council (the "Council") pursuant to the Act.

D. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds, Series 2007 A (West Virginia Infrastructure Fund) in the total aggregate principal amount of not more than \$400,000 as a single bond (the "Series 2007 A Bonds"), permanently finance the costs of acquisition and construction of the Project. Such costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2007 A Bonds prior to and during acquisition and construction and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the Reserve Account (as hereinafter defined) for the Series 2007 A Bonds; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expense; commitment fees; fees and expenses of the Authority; discount; initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2007 A Bonds and such other expenses as may be necessary or incidental to the financing herein authorized; the acquisition or construction of the Project and the placing of same in operation; and the performance of the things herein required or permitted, in connection with any thereof, provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2007 A Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Series 2007 A Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and between the Issuer and the Authority, on behalf of the Council, in form satisfactory to the respective parties, to be approved hereby if not previously approved by resolution of the Issuer.

G. The Issuer has the following outstanding obligations: (i) Sewer Revenue Bonds, Series 1999 A (United States Department of Agriculture), dated June 17, 1999, issued in the original aggregate principal amount of \$315,000 (the "Series 1999 A Bonds"); and (ii) Sewer Revenue Bonds, Series 1999 B (United States Department of Agriculture), dated June 17, 1999, issued in the original aggregate principal amount of \$80,000 (the "Series 1999 B Bonds"); collectively, the "Prior Bonds").

The Series 2007 A Bonds shall be issued on a parity with the Prior Bonds. Prior to the issuance of the Series 2007 A Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consent of the Holders of the Prior Bonds to the issuance of the Series 2007 A Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

H. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Issuer's Prior Bonds and the Series 2007 A Bonds and to make payments into all funds and accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law, the Loan Agreement (hereinafter defined) relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Series 2007 A Bonds, or will have so complied prior to issuance of any thereof, including, among other things, the approval of the Project and the financing thereof by the West Virginia Infrastructure and Jobs Development Council and the obtaining of a Certificate of Public Convenience and Necessity from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2007 A Bonds or such final order will not be subject to appeal.

J. Pursuant to the Act, the Issuer has heretofore established a Sanitary Board and the Sanitary Board has petitioned the Governing Body to issue the Series 2007 A Bonds for the purposes set forth herein.

K. The Project has been reviewed and determined to be technically and financially feasible by the West Virginia Infrastructure and Jobs Development Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2007 A Bonds shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Bonds, and to make all other payments hereinafter set forth, are hereby irrevocably pledged to such payments as they become due.

Section 3.09. Delivery of Bonds. The Issuer shall execute and deliver the Series 2007 A Bonds to the Bond Registrar, and the Bond Registrar shall authenticate, register and deliver the Series 2007 A Bonds to the original purchasers upon receipt of the documents set forth below:

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Infrastructure and Jobs Development Council (the "Council"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and between the Issuer and the Authority, on behalf of the Council, dated _____, 2007.

- (2) Series 2007 A Bonds Reserve Account.

Section 5.03. System Revenues; Flow of Funds.

A. The entire Gross Revenues derived from the operation of the System and all parts thereof shall be deposited upon receipt in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Prior Ordinances and in this Bond Legislation and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in the Prior Ordinances and in this Bond Legislation. All monies in the Revenue Fund shall be disposed of only in the following manner and order of priority:

- (1) The Issuer shall first, each month, transfer from the Revenue Fund to the Operation and Maintenance Fund an amount sufficient to pay current Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit the interest payments on the respective Prior Bonds, as required by the Prior Ordinances.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and (i) remit the principal payments on the respective Prior Bonds, as required by the Prior Ordinances; and (ii) simultaneously remit to the Commission, commencing 3 months prior to the first date of payment of principal of the Series 2007 A Bonds, for deposit in the Series 2007 A Bonds Sinking Fund, an amount equal to 1/3rd of the amount of principal which will mature and become due on the Series 2007 A Bonds on the next ensuing quarterly principal payment date; provided that, in the event the period to elapse between the date of such initial deposit in the Series 2007 A Bonds Sinking Fund and the next quarterly principal payment date is less than 3 months, then such monthly payments shall be increased proportionately to provide, 1 month prior to the next quarterly principal payment date, the required amount of principal coming due on such date.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and (i) remit for deposit in the respective reserve accounts for the Prior Bonds, the amounts required by the Prior Ordinances to be deposited therein; and (ii) simultaneously remit to the Commission, commencing 3 months prior to the first date of payment of principal of the Series 2007 A Bonds, if not fully funded upon issuance of the Series 2007 A Bonds, for deposit in the Series 2007 A Bonds Reserve Account, an amount equal to 1/120th of the Series 2007 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2007 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2007 A Bonds Reserve Requirement.

(5) The Issuer shall next, on the first day of each month, from the monies remaining in the Revenue Fund, transfer to the Renewal and Replacement Fund, a sum equal to 2 1/2% of the Gross Revenues each month (as previously set forth in the Prior Ordinances and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with monies from the Renewal and Replacement Fund.

Monies in the Series 2007 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2007 A Bonds, as the same shall become due. Monies in the Series 2007 A Bonds Reserve Account shall be used only for the purpose of paying principal of and interest on the Series 2007 A Bonds, as the same shall come due, when other monies in the Series 2007 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on monies in the Series 2007 A Bonds Sinking Fund and the Series 2007 A Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2007 A Bonds Construction Trust Fund, and following completion thereof, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment due on the Series 2007 A Bonds.

Any withdrawals from the Series 2007 A Bonds Reserve Account, which result in a reduction in the balance of such accounts to below the Reserve Requirements thereof, shall be restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2007 A Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve account in an amount equal to the requirement thereof.

The Issuer shall not be required to make any further payments into the Series 2007 A Bonds Sinking Fund or the Series 2007 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2007 A Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the maturity thereof.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Prior Bonds and the Series 2007 A Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2007 A Bonds Sinking Fund and the Series 2007 A Bonds Reserve Account, created hereunder, and all amounts required for said accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited. If required by the Authority at anytime, the Issuer shall make the necessary arrangements whereby required payments into said accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Monies in the Series 2007 A Bonds Sinking Fund and the Series 2007 A Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The Series 2007 A Bonds Sinking Fund and the Series 2007 A Bonds Reserve Account shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2007 A Bonds under the conditions and restrictions set forth herein.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required principal, interest and reserve payments with respect to the Series 2007 A Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

D. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement and submit a copy of said form along with a copy of its payment check to the Authority by the 5th day of such calendar month.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority at anytime, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The monies in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Government Obligations or by other Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as herein above provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and

the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

APPLICATION OF BOND PROCEEDS

Section 6.01. Application of Bond Proceeds; Pledge of Unexpended Bond Proceeds. From the monies received from the sale of the Series 2007 A Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 2007 A Bonds, there shall first be deposited with the Commission in the Series 2007 A Bonds Sinking Fund, the amount, if any, set forth in the Supplemental Resolution as capitalized interest; provided, that such amount may not exceed the amount necessary to pay interest on the Series 2007 A Bonds for the period commencing on the date of issuance of the Series 2007 A Bonds and ending 6 months after the estimated date of completion of construction of the Project.

B. Next, from the proceeds of the Series 2007 A Bonds, there shall be deposited with the Commission in the Series 2007 A Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding of the Series 2007 A Bonds Reserve Account.

C. As the Issuer receives advances of the remaining monies derived from the sale of the Series 2007 A Bonds, such monies shall be deposited with the Depository Bank in the Series 2007 A Bonds Construction Trust Fund and applied solely to payment of the costs of the Project in the manner set forth in Section 6.02 hereof and, until so expended, are hereby pledged as additional security for the Series 2007 A Bonds.

D. After completion of the construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2007 A Bonds shall be expended as directed by the Council.

Section 6.02. Disbursements of Bond Proceeds. The Issuer shall each month provide the Council with a requisition for the costs incurred for the Project, together with such documentation as the Council shall require. Payments for Costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements of the proceeds of the Series 2007 A Bonds from the Series 2007 A Bonds Construction Trust Fund shall be made only after submission to, and approval from, the Council of a certificate, signed by an Authorized Officer and the Consulting Engineers, stating that:

(1) None of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(2) Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a Cost of the Project;

(3) Each of such costs has been otherwise properly incurred; and

(4) Payment for each of the items proposed is then due and owing.

Pending such application, monies in the Series 2007 A Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

The Issuer shall expend all proceeds of the Series 2007 A Bonds within 3 years of the date of issuance of the Council's bonds, the proceeds of which were used to make the loan to the Issuer, if applicable.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2007 A Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2007 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2007 A Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2007 A Bonds shall not be nor constitute a corporate indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2007 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 2007 A Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service on the Series 2007 A Bonds shall be secured by a first lien on the Net Revenues derived from the System, on a parity with each other and with the lien on the Net Revenues in favor of the Holders of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Bonds, and to make all other payments hereinafter set forth, are hereby irrevocably pledged to such payments as they become due.

Section 7.04. Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the sewer rate ordinance of the Issuer enacted June 20, 2005, which rates are incorporated herein by reference as a part hereof.

So long as the Series 2007 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates and charges initially established for the System in connection with the Series 2007 A Bonds shall prove to be insufficient to produce the amounts required by this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will,

to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the amounts required by this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, lease, mortgage or in any manner dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances and with the written consent of the Authority and the Council.

So long as the Series 2007 A Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority and the Council, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall immediately be remitted to the Commission for deposit in the Series 2007 A Bonds Sinking Fund, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest on the Series 2007 A Bonds in accordance with Article X hereof. Any balance remaining after the payment of the Series 2007 A Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Board shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of \$50,000, the Board shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Board may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Revenue Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of \$50,000 but not in excess of \$200,000, the Board shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and the Governing Body may then, if it be so advised, by resolution duly adopted, approve and concur in such finding and authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds derived from any such sale, lease or other disposition of such property, in excess of \$50,000 and not in excess of \$200,000, shall be deposited by the Issuer into the Renewal and Replacement Fund. Such payments of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said fund by other provisions of the Prior Ordinances and this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the source fiscal year for such sales, leases or other dispositions of such properties,

shall be in excess of \$200,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders , or their duly authorized representatives, of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2007 A Bonds. All obligations issued by the Issuer after the issuance of the Series 2007 A Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2007 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2007 A Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Series 2007 A Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority and the Council prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Ordinances shall be applicable. In addition, no additional Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2007 A Bonds pursuant to this Ordinance, without the prior written consent of the Authority and the Council and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Ordinances).

No such additional Parity Bonds shall be issued except for the purposes of financing the costs of the acquisition and construction of extensions, additions, betterments or improvements to the System, refunding all or a portion of one or more series of Bonds issued pursuant hereto, to pay claims which may exist against the revenues or facilities of the System or all of such purposes.

No Parity Bonds shall be issued at any time, however, unless and until there has been procured and filed with the Recorder a written statement by Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustment hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such additional Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115%, of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding;
- (2) Any additional Parity Bonds theretofore issued pursuant to the provisions contained in the Prior Ordinances and this Bond Legislation then Outstanding; and
- (3) The additional Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates enacted by the Issuer, the time for appeal of which shall have expired (without successful appeal) prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Recorder prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12 consecutive month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, as stated in a certificate, on account of increased rates, rentals, fees and charges for the System enacted by the Issuer, the time for appeal of which has expired (without successful appeal) prior to the issuance of such Parity Bonds.

All covenants and other provisions of this Ordinance (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds theretofore or subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Ordinance required for and on account of such Parity

Bonds, in addition to the payments required for the Bonds theretofore issued pursuant to this Ordinance.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to the lien on and source of and security for payment from such revenues, with the Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Ordinance and the Prior Ordinances with respect to the Bonds then Outstanding, and any other payments provided for in this Ordinance and the Prior Ordinances, shall have been made in full as required to the date of issuance of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Ordinance and the Prior Ordinances.

Section 7.08. Books; Records and Audit. The Board shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Board shall permit the Authority and the Council, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Board shall submit to the Authority and the Council such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project; the operation and maintenance of the System and the administration of the loan or any grants or other sources of financing for the Project.

The Board shall permit the Authority and the Council, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Board will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia and the Act. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the

manner and on the forms, books and other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Board shall file with the Authority and the Council, or any other original purchaser of the Series 2007 A Bonds and shall mail in each year to any Holder or Holders of the Series 2007 A Bonds, requesting the same, an annual report containing the following:

- (A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.
- (B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.
- (C) The amount of any Bonds, notes or other obligations outstanding.

The Board shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants (and in compliance with the applicable OMB Circular, or any successor thereof, and the Single Audit Act, or any successor thereof, to the extent legally required), and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of the Series 2007 A Bonds and shall submit the report to the Authority and the Council, or any other original purchaser of the Series 2007 A Bonds. Such audit report submitted to the Authority and the Council shall include a statement that notes whether the results of test disclosed instances of noncompliance that are required to be reported under government auditing standards and, if they are, describes the instances of noncompliance and the audited financial statements shall include a statement that notes whether the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer or the Board has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Board shall permit the Authority or the Council, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Board shall also provide the Authority and the Council, or their agents and representatives, with access to the System site and System facilities as may be reasonably

necessary to accomplish all of the powers and rights of the Authority and the Council with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2007 A Bonds, rates or charges for the use of the services and facilities of the System will be fixed and established, all in the manner and form required by law, and a copy of such rates and charges so fixed and established shall at all times be kept on file in the office of the Recorder of the Issuer, which copy will be open to inspection by all interested parties. The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder. Such schedule or schedules of rates and charges shall be revised from time to time, whenever necessary, so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule or schedules of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System, (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2007 A Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2007 A Bonds including the Prior Bonds; provided that, in the event that, an amount equal to or in excess of the Reserve Requirement is on deposit in the Series 2007 A Bonds Reserve Account and any reserve accounts for obligations on a parity with the Series 2007 A Bonds are funded at least at the requirement therefor, such sum need only equal 110% of the maximum amount required in any year for payment of principal of and interest on the Series 2007 A Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2007 A Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinance described in Section 7.04.

The Issuer hereby covenants to commence enactment of such ordinance or ordinances as shall be required to increase the rates and charges for the services and facilities of the System within 30 days following a determination of the Independent Certified Public Accountant that less than the above-required coverage exists or in the event that the annual audit report shows less than the above-required coverage, such increase to provide rates and charges sufficient to produce such required coverage.

Section 7.10. Operating Budget and Monthly Financial Report. The Board shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority and the Council within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a registered professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the

operation and maintenance of the System, and no such increased expenditures shall be made until the Board shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a registered professional engineer that such increased expenditures are necessary for the continued operation of the System. The Board shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority, the Council and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her, within 30 days of adoption thereof and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for 2 years following the completion of the Project, the Board shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement, and forward a copy of such report to the Authority and the Council by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Board will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, stating, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority and the Council, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the Council is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Board shall provide and maintain competent and adequate engineering services satisfactory to the Authority and the Council covering the supervision and inspection of the development and construction of the Project and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the Council and the Board at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Board shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of the Loan Agreement.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Board will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Board further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System and any services and facilities of the water system, if so owned by the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of the System or the water system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water system is not owned by the Issuer, the Issuer will, to the extent allowed by law, use diligent efforts to enter into a similar termination agreement with the provider of such water, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders thereof.

Section 7.14. No Free Services. The Board will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of either shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer, the Board and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Board hereby covenants and agrees that so long as the Series 2007 A Bonds remain Outstanding, the Board will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Board will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Board will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Board, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the prime contractor and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$1,000,000 per occurrence to protect the Issuer and the Board from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer and the Board from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT OR COMPLETION BONDS, such bonds to be in the amounts of not less than 100% of the amount of any construction contract and to be required of each contractor dealing directly with the Board and such payment bonds will be filed with the Clerk of the County Commission of the County in which such work is to be performed prior to commencement of construction of any additions, extensions or improvements for the System in compliance with West Virginia Code, Section 38-2-39.

(4) FIDELITY BONDS will be provided as to every officer and employee of the Board or the Issuer having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

(5) FLOOD INSURANCE, if the System facilities are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(6) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

B. The Board shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Board shall verify such bonds prior to commencement of construction.

The Board shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority and the Council. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the Board, the prime contractor and all subcontractors, as their interests may appear. The Board shall verify such insurance prior to commencement of construction.

Section 7.16. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the sewerage facilities portion of the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the sewerage facilities portion of the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the sewerage facilities portion of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the sewerage facilities portion of the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Completion of Project; Permits and Orders. The Board will complete the acquisition and construction of the Project as promptly as possible and operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Board will obtain all permits required by state and federal laws for the acquisition and construction of the Project, all orders and approvals from the Public Service Commission of West Virginia and the Council necessary for the acquisition and construction of the Project and the operation of the System and all approvals of issuance of the Series 2007 A Bonds required by State law, with all requisite appeal periods having expired without successful appeal.

Section 7.18. Compliance with Loan Agreement and Law. The Issuer and the Board shall perform, satisfy and comply with all the terms and conditions of the Loan Agreement and the Act. Notwithstanding anything herein to the contrary, the Issuer and the Board will provide the Council with copies of all documents submitted to the Authority. The Issuer and the Board also agree to comply with all applicable laws, rules and regulations issued by the Authority, the Council or other state, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

Section 7.19. [RESERVED]

Section 7.20. Securities Law Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

Section 7.21. Contracts; Public Releases. A. The Issuer shall, simultaneously with the delivery of the Series 2007 A Bonds or immediately thereafter, enter into written contracts for the immediate acquisition or construction of the Project.

B. The Issuer shall submit all proposed change orders to the Council for written approval. The Issuer shall obtain the written approval of the Council before expending any proceeds of the Series 2007 A Bonds held in "contingency" as set forth in the Schedule attached to the certificate of the Consulting Engineer. The Issuer shall also obtain the written approval of the Council before expending any proceeds of the Series 2007 A Bonds made available due to bid or construction or project underruns.

The Issuer shall list the funding provided by the Council and the Authority in any press release, publication, program bulletin, sign or other public communication that references the Project, including but not limited to any program document distributed in conjunction with any ground breaking or dedication of the Project.

ARTICLE VIII

INVESTMENT OF FUNDS; USE OF PROCEEDS

Section 8.01. Investments. Any monies held as a part of the funds and accounts created by this Resolution, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such monies for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2007 A Bonds are Outstanding and as long thereafter as necessary to comply with the Code and to assure the exclusion of interest, if any, on the Series 2007 A Bonds from gross income for federal income tax purposes.

Section 8.02. Certificate and Covenants as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2007 A Bonds as a condition to issuance of the Series 2007 A Bonds. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and applicable to the Series 2007 A Bonds as may be necessary in order to maintain the status of the Series 2007 A Bonds as governmental bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2007 A Bonds which would cause any bonds, the interest, if any, on which is exempt from federal

income taxation under Section 103(a) of the Code, issued by the Authority or the Council, as the case may be, from which the proceeds of the Series 2007 A Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or the Council, to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Bond Legislation.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2007 A Bonds and any additional information requested by the Authority.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2007 A Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest on the Series 2007 A Bonds; or

(2) If default occurs in the Issuer or the Board's observance of any of the covenants, agreements or conditions on their respective parts relating to the Series 2007 A Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2007 A Bonds, and such default shall have continued for a period of 30 days after the Issuer or Board, as appropriate, shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer or Board files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Ordinances.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner or Bondholder of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners or Bondholders including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds; (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners or Bondholders of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Holders of the Series 2007 A Bonds shall be on a parity with those of the Holders of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any

Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer or the Board, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Ladies and Gentlemen:

We are bond counsel to _____ (the

The Local Bonds are issued in the principal amount of \$_____, in the form of one bond, registered as to principal and interest to the Authority, with interest and principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, beginning _____, 1, _____, and ending _____, 1, _____, as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and
(ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Governmental Agency on _____, as supplemented by the supplemental resolution duly adopted by the Governmental Agency on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior

to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding special obligation of the Governmental Agency, enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Governmental Agency without the consent of the Authority and the Council.

3. The Governmental Agency is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Governmental Agency to the Authority and are valid, legally enforceable and binding special obligations of the Governmental Agency, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

- Item 1 You will need a copy of the current fiscal year budget adopted by the Governmental Agency to complete Items 1 and 2. In Item 1, provide the amount of actual **Gross Revenues** for the current month and the total amount year-to-date in the respective columns. Divide the budgeted annual Gross Revenues by 12. For example, if Gross Revenues of \$1,200 are anticipated to be received for the year, each month the base would be increased by \$100 ($\$1,200/12$). This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. For example, Clean Water State Revolving Fund loan from Department of Environmental Protection, Drinking Water Treatment Revolving Fund loan from Bureau for Public Health, Infrastructure Fund loan from Infrastructure and Jobs Development Council, or a loan from the Water Development Authority, etc.
- Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Governmental Agency.

No. AR-1

\$320,000

KNOW ALL MEN BY THESE PRESENTS: That on this the 14th day of November, 2007, the Town of Farmington, a municipal corporation and political subdivision of the State of West Virginia in Marion County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the WEST VIRGINIA WATER DEVELOPMENT AUTHORITY (the "Authority") or registered assigns the sum of THREE HUNDRED TWENTY THOUSAND DOLLARS (\$320,000), or such lesser amount as shall have been advanced to the Issuer hereunder and not previously repaid, as set forth in the "Record of Advances" attached as EXHIBIT A hereto and incorporated herein by reference, in quarterly installments on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2008, as set forth on the "Debt Service Schedule" attached as EXHIBIT B hereto and incorporated herein by reference.

This Bond shall bear no interest. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent"). The interest on this Bond is payable by check or draft of the Paying Agent mailed to the registered owner hereof at the address as it appears on the books of The Huntington National Bank, Charleston, West Virginia, as registrar (the "Registrar"), on the 15th day of the month next preceding an interest payment date, or by such other method as shall be mutually agreeable so long as the Authority is the registered owner hereof.

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Infrastructure and Jobs Development Council (the "Council"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and between the Issuer and the Authority, on behalf of the Council, dated November 14, 2007.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the public sewerage system of the Issuer (the "Project"); (ii) fund the Series 2007 A Bonds Reserve Account; and (iii) to pay certain costs of issuance hereof and related costs. The existing public sewerage system of the Issuer, the Project, and any further extensions, additions, betterments or improvements thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State

of West Virginia, including particularly Chapter 16, Article 13 and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), and a Bond Ordinance duly enacted by the Issuer on November 5, 2007, and a Supplemental Resolution duly adopted by the Issuer on November 5, 2007 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS, WITH THE ISSUER'S (1) SEWER REVENUE BONDS, SERIES 1999 A (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED JUNE 17, 1999, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$315,000 (THE "SERIES 1999 A BONDS"); AND (2) SEWER REVENUE BONDS, SERIES 1999 B (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED JUNE 17, 1999, ISSUED IN THE AGGREGATE PRINCIPAL AMOUNT OF \$80,000 (THE "SERIES 1999 B BONDS" AND, COLLECTIVELY THE "PRIOR BONDS").

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Net Revenues in favor of the Holders of the Prior Bonds, and from monies in the reserve account created under the Bond Legislation for the Bonds (the "Series 2007 A Bonds Reserve Account"), and unexpended proceeds of the Bonds. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and which shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest hereon, except from said special fund provided from the Net Revenues, the monies in the Series 2007 A Bonds Reserve Account and unexpended proceeds of the Bonds. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount payable in any year for principal of and interest on the Bonds, and all other obligations secured by a lien on or payable from such revenues on a parity with the Bonds, including the Prior Bonds; provided however, that, so long as there exists in the Series 2007 A Bonds Reserve Account an amount at least equal to the maximum amount of principal and interest which will become due on the Bonds in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with the Bonds, including the Prior Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Bond Legislation. Remedies provided the registered owners of the Bonds are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of the Registrar by the registered owner, or by its attorney duly authorized in writing, upon the surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of the Project and costs of issuance described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such monies, until so applied, in favor of the registered owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond do exist, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of and interest on this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by the Town of Farmington (the "Issuer"), a municipal corporation and political subdivision organized and existing under the laws of the State of West Virginia, of its \$320,000 Sewer Revenue Bonds, Series 2007 A (West Virginia Infrastructure Fund), dated the date hereof (the "Series 2007 A Bonds" or the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a loan agreement, dated November 14, 2007, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are originally issued in the form of one Bond, registered as to principal to the Authority, bearing no interest, and with principal installments payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2008 to and including September 1, 2047, all as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Series 2007 A Bonds.

The Series 2007 A Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13 and Chapter 31, Article 15A of the West Virginia Code of 1931, as amended (collectively, the "Act"), for the purposes of (i) paying a portion of the costs of acquisition and construction of certain extensions, additions, betterments and improvements to the sewerage system of the Issuer (the "Project"); (ii) funding the Series 2007 A Bonds Reserve Account; and (iii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Bond Ordinance duly enacted by the Issuer on November 5, 2007, as supplemented by a Supplemental Resolution duly adopted by the Issuer on November 5, 2007 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Series 2007 A Bonds are authorized and issued, and the Loan Agreement has been entered into. The Series 2007 A Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Loan Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to enact the Bond Legislation and to issue and sell the Series 2007 A Bonds, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the Council and cannot be amended by the Issuer so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Issuer without the written consent of the Authority and the Council.

3. The Bond Legislation and all other necessary ordinances and resolutions have been duly and effectively enacted and adopted by the Issuer in connection with the issuance and sale of the Series 2007 A Bonds and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

4. The Series 2007 A Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System and secured by a first lien on and pledge of the Net Revenues of the System on a parity with the Issuer's (i) Sewer Revenue Bonds, Series 1999 A (United States Department of Agriculture), dated June 17, 1999, issued in the original aggregate principal amount of \$315,000; and (ii) Sewer Revenue Bonds, Series 1999 B (United States Department of Agriculture), dated June 17, 1999, issued in the original aggregate principal amount of \$80,000, all in accordance with the terms of the Series 2007 A Bonds and the Bond Legislation.

5. The Bonds have not been issued on the basis that the interest thereon, if any, is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest, if any, from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

6. The Series 2007 A Bonds are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof, and the interest on the Series 2007 A Bonds is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

It is to be understood that the rights of the holders of the Series 2007 A Bonds and the enforceability of the Series 2007 A Bonds, the Loan Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

RE: Town of Farmington
Sewer Revenue Bonds, Series 2007 A
(West Virginia Infrastructure Fund)

Ladies and Gentlemen:

We serve as the Town Attorney for the Town of Farmington in Marion County, West Virginia (the "Issuer"). As such counsel, we have examined copies of the approving opinion of Steptoe & Johnson PLLC as bond counsel, a loan agreement for the Series 2007 A Bonds dated November 14, 2007, including all schedules and exhibits attached thereto, by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), (the "Loan Agreement"), a Bond Ordinance duly enacted by the Issuer on November 5, 2007, as supplemented by a Supplemental Resolution duly adopted by the Issuer on November 5, 2007 (collectively, the "Bond Legislation"), a Petition of the Sanitary Board of the Issuer duly adopted October 10, 2007, and other documents relating to the above-captioned Bonds of the Issuer

(collectively, the "Bonds"). Capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Bond Legislation and the Loan Agreement when used herein.

We are of the opinion that:

1. The Issuer has been duly created and is validly existing as a municipal corporation and political subdivision of the State of West Virginia, and the Mayor, Recorder and members of the council and sanitary board of the Issuer have been duly and properly elected or appointed, as applicable, have taken the requisite oaths, and are authorized to act on behalf of the Issuer in their respective capacities.

2. The Loan Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the Authority, constitutes a valid and binding agreement of the Issuer, enforceable in accordance with its terms.

3. The Bond Legislation has been duly adopted and enacted by the Issuer and is in full force and effect.

4. The Issuer has duly enacted the ordinances prescribing the rates and charges of the System.

5. The execution and delivery of the Bonds and the Loan Agreement and the consummation of the transactions contemplated by the Bonds, the Loan Agreement and the Bond Legislation and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, court order or consent decree to which the Issuer is subject.

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders and approvals from the West Virginia Department of Environmental Protection, the West Virginia Infrastructure and Jobs Development Council and the Public Service Commission of West Virginia (the "PSC") and has taken any other action required for the imposition of such rates and charges, including, without limitation, the enactment of an ordinance prescribing such rates and charges. The Issuer has received the Recommended Decision of the PSC dated February 28, 2007 which became final order on March 20, 2007 in Case No.06-1837-S-CN, granting to the Issuer a certificate of public convenience and necessity for the Project and approving the

financing for the Project. The time for appeal of the Commission Order has expired prior to the date hereof without any appeal.

7. To the best of my knowledge, there is no litigation, action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Loan Agreement, the Bond Legislation, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds or the collection of the Gross Revenues or the pledge of the Net Revenues for the payment of the Bonds.

8. All successful bidders have made required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy. Based upon my review of the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, we are of the opinion that such surety bonds and policies (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interests of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Bond Legislation and the Loan Agreement; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Sturm', followed by a long horizontal line extending to the right.

Re: Town of Farmington
 Route 250 N. Sanitary Sewage Extension Project
 Final Title Opinion

Dear Ladies & Gentlemen:

This firm represents the Town of Farmington (the "Town") with regard to a proposed project to construct a sanitary sewage service collection system along Route 250 North in Marion County in order to serve six businesses and six residences (the "Project"), and provides this final title opinion on behalf of the Town to satisfy the requirements of the West Virginia Infrastructure and Jobs Development Council (the "Council") with regard to the Infrastructure Fund financing proposed for the Project. Please be advised of the following:

1. That I am of the opinion that the Town is a duly created and existing municipal corporation possessed with all the powers and authority granted to municipal corporations under the laws of the State of West Virginia and has the full power and authority to construct, operate and maintain the Project as approved by the Bureau for Public Health.

2. That the Town has obtained approval for all necessary permits and approvals for the construction of the Project.

3. That I have investigated and ascertained the location of and am familiar with the legal description of the necessary sites, including easements and/or rights of way, required for the Project as set forth in the plans for the Project prepared by Thrasher Engineering, Inc., the consulting engineers for the Project.

4. That I have examined the records on file in the Office of the Clerk of the County Commission of Marion County, West Virginia, the county in which the Project is

to be located, and, in my opinion, the Town has acquired legal title or such other estate or interest in the necessary site components for the Project sufficient to assure undisturbed use and possession for the purpose of construction, operation and maintenance for the estimated life of the facilities to be constructed.

5. That all deeds or other documents which have been acquired to date by the Town have been duly recorded in the aforesaid Clerk's Office in order to protect the legal title to and interest of the Town.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Sturm', with a long horizontal flourish extending to the right.

Sewer Revenue Bonds, Series 2007 A
(West Virginia Infrastructure Fund)

CERTIFICATE AS TO USE OF PROCEEDS

The undersigned Mayor of the Town of Farmington in Marion County, West Virginia (the "Issuer"), being the official of the Issuer duly charged with the responsibility for the issuance of \$320,000 Sewer Revenue Bonds, Series 2007 A (West Virginia Infrastructure Fund), of the Issuer, dated November 14, 2007 (the "Bonds" or the "Series 2007 A Bonds"), hereby certifies as follows:

1. I am the officer of the Issuer duly charged with the responsibility of issuing the Bonds. I am familiar with the facts, circumstances and estimates herein certified and duly authorized to execute and deliver this certificate on behalf of the Issuer. Capitalized terms used herein and not otherwise defined herein shall have the meanings set forth in the Bond Ordinance duly enacted by the Issuer on November 5, 2007, as supplemented by Supplemental Resolution adopted by the Issuer on November 5, 2007 (collectively, the "Bond Ordinance"), authorizing the Bonds.

2. This certificate may be relied upon as the certificate of the Issuer.

3. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on November 14, 2007, the date on which the Bonds are being physically delivered in exchange for an initial advance of the principal amount of the Series 2007 A Bonds, and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

4. In the Bond Ordinance pursuant to which the Bonds are issued, the Issuer has covenanted that it shall not take, or permit or suffer to be taken, any action with respect to Issuer's use of the proceeds of the Bonds which would cause any bonds, the interest, if any, on which is exempt from federal income taxation under Section 103(a) of the Internal Revenue Code of 1986, as amended, and the temporary and permanent regulations promulgated thereunder or under any predecessor thereto (collectively, the "Code"), issued by the West Virginia Water Development Authority (the "Authority") or the West Virginia Infrastructure and Jobs Development Council (the "Council"), as the case may be, from which the proceeds of the Bonds are derived, to lose their status as tax-exempt bonds. The Issuer hereby covenants to take all actions necessary to comply with such covenant.

5. The Series 2007 A Bonds were sold on November 14, 2007, to the Authority, pursuant to a loan agreement dated November 14, 2007, by and between the Issuer and the Authority, on behalf of the Council, for an aggregate purchase price of \$320,000 (100% of par), at which time, the Issuer received \$54,508 from the Authority and the Council, being the first advance of the principal amount of the Series 2007 A Bonds. No accrued interest has been or will be paid on the Series 2007 A Bonds. The balance of the principal amount of the Series 2007 A Bonds will be advanced to the Issuer as acquisition and construction of the Project progresses.

6. The Series 2007 A Bonds are being delivered simultaneously with the delivery of this certificate and are issued for the purposes of (i) paying the costs of acquisition and construction of certain additions, betterments and improvements to the existing public sewerage facilities of the Issuer (the "Project"); (ii) funding the Series 2007 A Bonds Reserve Account; and (iii) paying certain costs of issuance of the Bonds and related costs.

7. Within 30 days after the delivery of the Bonds, the Issuer shall enter into agreements which require the Issuer to expend at least 5% of the net sale proceeds of the Bonds on the Project, constituting a substantial binding commitment. The acquisition and construction of the Project shall commence immediately and shall proceed with due diligence to completion, and with the exception of proceeds deposited in the Series 2007 A Bonds Reserve Account, if any, all of the proceeds from the sale of the Bonds, together with any investment earnings thereon, will be expended for payment of costs of the Project on or before September 1, 2008. The acquisition and construction of the Project is expected to be completed by March 1, 2008.

9. Pursuant to Article V of the Bond Ordinance, the following special funds or accounts have been created or continued relative to the Series 2007 A Bonds:

(2) The balance of the proceeds of the Series 2007 A Bonds will be deposited in the Series 2007 A Bonds Construction Trust Fund as received from time to time and applied solely to payment of costs of the Project, including costs of issuance of the Series 2007 A Bonds and related costs.

11. Monies held in the Series 2007 A Bonds Sinking Fund will be used solely to pay principal of and interest on the Series 2007 A Bonds and will not be available to meet costs of acquisition and construction of the Project. All investment earnings on monies in the Series 2007 A Bonds Sinking Fund and Series 2007 A Bonds Reserve Account will be withdrawn therefrom and deposited into the Series 2007 A Bonds Construction Trust Fund during construction of the Project, and following completion of the Project, will be deposited, not less than once each year, in the Revenue Fund, and such amounts will be applied as set forth in the Bond Ordinance.

12. Work with respect to the acquisition and construction of the Project will proceed with due diligence to completion. The acquisition and construction of the Project is expected to be completed within three (3) months of the date hereof.

14. With the exception of the amount deposited in the Series 2007 A Bonds Reserve Account, if any, all of the proceeds of the Bonds will be expended on the Project within nine (9) months from the date of issuance thereof.

15. The Issuer does not expect to sell or otherwise dispose of the Project in whole or in part prior to the last maturity date of the Bonds.

16. The amount designated as costs of issuance of the Bonds consists only of costs which are directly related to and necessary for the issuance of the Bonds.

17. All property financed with the proceeds of the Bonds will be owned and held by (or on behalf of) a qualified governmental unit.

18. No proceeds of the Bonds will be used, directly or indirectly, in any trade or business carried on by any person who is not a governmental unit.

19. The original proceeds of the Bonds will not exceed the amount necessary for the purposes of the issue.

20. The Issuer shall use the Bond proceeds solely for the costs of the Project, and the Project will be operated solely for a public purpose as a local governmental activity of the Issuer.

21. The Bonds are not federally guaranteed.

22. The Issuer has retained the right to amend the Bond Ordinance authorizing the issuance of the Bonds if such amendment is necessary to assure that the Bonds remain governmental bonds.

23. The Issuer has either (a) funded the Series 2007 A Bonds Reserve Account at the maximum amount of principal and interest which will mature and become due on the Bonds in the then current or any succeeding year with the proceeds of the Bonds, or (b) created the Series 2007 A Bonds Reserve Account which will be funded with equal payments made on a monthly basis over a 10-year period until such Series 2007 A Bonds Reserve Account holds an amount equal to the maximum amount of principal and interest which will mature and become due on the Bonds in the then current or any succeeding year. Monies in the Series 2007 A Bonds Reserve Account and the Series 2007 A Bonds Sinking Fund will be used solely to pay principal of and interest on the Bonds and will not be available to pay costs of the Project.

24. There are no other obligations of the Issuer which (a) are to be issued at substantially the same time as the Bonds, (b) are to be sold pursuant to a common plan of financing together with the Bonds and (c) will be paid out of substantially the same sources of funds or will have substantially the same claim to be paid out of substantially the same sources of funds as the Bonds.

25. To the best of my knowledge, information and belief, there are no other facts, estimates and circumstances which would materially change the expectations herein expressed.

26. The Issuer will comply with instructions as may be provided by the Authority, at any time, regarding use and investment of proceeds of the Bonds, rebates and rebate calculations.

27. To the best of my knowledge, information and belief, the foregoing expectations are reasonable.

Ladies and Gentlemen:

Based upon the sewer rates and charges set forth in the Sewer Rate Ordinance dated June 20, 2005, the projected operating expenses and the anticipated customer usage as furnished to us by Thrasher Engineering, Inc., the Consulting Engineer to the Town of Farmington (the "Issuer"), it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the sewerage system (the "System") of the Issuer, will pay all operating expenses of the System and (i) will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Sewer Revenue Bonds, Series 2007 A (West Virginia Infrastructure Fund) (the "Bonds") and the Prior Bonds, as hereinafter defined, and sufficient to make the payments required into all funds and accounts and all necessary expenses of operating and maintaining the System during such Fiscal Year; and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Sewer Revenue Bonds, Series 2007 A (West Virginia Infrastructure Fund) (the "Bonds"), to be issued to the West Virginia Sewer Development Authority and all other obligations secured by or payable from the revenues of the System, including the Issuer's Sewer Revenue Bonds, Series 1999 A (United States Department of Agriculture), Sewer Revenue Bonds, Series 1999 B (United States Department of Agriculture) (the "Prior Bonds").

It is our further opinion that the Net Revenues for the Fiscal Year following the year in which the Bonds are issued will be at least 120% of the average annual debt service requirements on the Bonds and the Prior Bonds.

Very truly yours,

Bennett & Dobbins PLLC

FOR MUNICIPAL BOND COMMISSION USE ONLY:

DOCUMENTS REQUIRED: _____

TRANSFERS REQUIRED: _____

The purpose of the NEW ISSUE REPORT FORM is to provide the WV Municipal Bond Commission with an early warning of three basic facts no later than the day of closing on any issue for which the Commission is to act as fiscal agent. These are:

1. Formal notification that a new issue is outstanding.
2. Date of first action or debt service.
3. Contact people should we lack documents, information, or funds needed to administer the issue by the date of the first action or debt service.

The commission recognizes that as bond transcripts become increasingly long and complex, it has become more difficult to assemble and submit them to the Commission within the 30 days specified by the West Virginia Code 13-3-8. This notice is not intended to provide all the information needed to administer an issue, but to alert the Commission and ensure that no debt service payments are missed due to delays in assembling bond transcripts. If, at the time of closing, documents such as the ordinance and all supplements, debt service schedules, and a specimen bond or photostat are available and submitted with this form, it will greatly aid the Commission in the performance of its duties. These documents are needed to set up the proper accounts and to advise the issuer of monthly deposit requirements as far in advance of the first debt service as possible.

It is not necessary to complete all items if they are not pertinent to your issue. Indicate the County of the issuer. With PSDs that overlap more than one county, indicate the county of their business office. Complete "Rate" only if the issue has only one rate. Please complete a separate form for each series of an issue. Other important information can be recorded under "Notes."

Again, please submit this form on each new issue on the day of closing. If fund transfers into or out of the Commission at closing are required, please submit this form before closing. If no significant facts change by closing, no resubmission at closing is required. If, however, there are changes, please submit an updated form, with changes noted, at closing.

If you should have any questions concerning this form, please call the Commission.

BE IT ORDAINED AND ENACTED BY THE COUNCIL OF THE TOWN OF FARMINGTON:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for This Ordinance. This Ordinance is adopted and enacted pursuant to the provisions of Chapter 16, Article 13 of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law. The Town of Farmington (the "Issuer") is a municipal corporation and a political subdivision of the State of West Virginia in Marion County of said State.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

A. The Issuer currently owns and operates a public sewerage system and desires to finance, acquire, construct and operate certain additional public sewerage facilities consisting of certain additions, betterments and improvements to such existing sewerage facilities, with all appurtenant facilities. The Sanitary Board of the Issuer has duly petitioned

the Council for passage of this Ordinance, which petition was heretofore filed with the Recorder.

B. It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer and, accordingly, it is hereby ordered, that there be acquired and constructed certain additions, betterments and improvements to the existing sewerage facilities of the Issuer, consisting of approximately 3,443 linear feet of 8-inch sewer lines, approximately 6,685 linear feet of 6-inch sewer lines, manholes, a simplex sewage pump station, a 125,000 gpd wastewater treatment facility, grit removal channel, a duplex main submersible sewage pump station, a dual channel orbital oxidation ditch, two clarifiers, ultraviolet disinfection, post aeration, sludge holding tank, sludge bagger system, together with all necessary appurtenant facilities (the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Recorder of the Issuer. The existing sewerage facilities of the Issuer, together with the Project and any further additions, betterments and improvements thereto, are herein called the "System." The acquisition and construction of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. The estimated revenues to be derived in each year from the operation of the System after completion of the Project will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Bonds (hereinafter defined) and all funds and accounts and other payments provided for herein.

D. The estimated maximum cost of the acquisition and construction of the Project is \$2,400,000, of which \$395,000 will be obtained from the proceeds of sale of the Series 1999 Bonds herein authorized, \$755,000 will be obtained from a grant by the Purchaser, and \$1,250,000 will be obtained from a grant by the United States Department of Housing and Urban Development (Small Cities Block Grant through the State of West Virginia).

E. It is necessary for the Issuer to issue its sewer revenue bonds in two series, being the Sewer Revenue Bonds, Series 1999 A (United States Department of Agriculture), in the aggregate principal amount of \$315,000 (the "Series 1999 A Bonds"), and the Sewer Revenue Bonds, Series 1999 B (United States Department of Agriculture), in the aggregate principal amount of \$80,000 (the "Series 1999 B Bonds") (collectively, the "Series 1999 Bonds"), to finance a portion of the cost of acquisition and construction of the Project. The cost of such acquisition and construction shall be deemed to include, without being limited to, the acquisition and construction of the Project; the acquisition of any property rights, easements and franchises, deemed necessary or convenient therefor; interest on the Series 1999 Bonds prior to and during acquisition and construction and for a period not exceeding six months after completion of such acquisition or construction of the Project; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for

plans, specifications and surveys; and such other expenses as may be necessary or incidental to the acquisition and construction of the Project and the financing authorized hereby; provided that, reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed costs of the Project.

F. The period of usefulness of the System after completion of the Project is not less than 40 years.

G. There is outstanding an obligation of the Issuer which will rank on a parity with the Series 1999 Bonds as to liens, pledge and source of and security for payment, being a note dated October 4, 1966, issued in the original aggregate principal amount of \$127,500 (the "Prior Bonds"). Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which will rank prior to or on a parity with the Series 1999 Bonds as to liens, pledge and source of and security for payment.

The Issuer is not in default under the terms of the Prior Bonds, the ordinances and resolutions authorizing the issuance of the Prior Bonds or any document in connection therewith, and has complied with all requirements of all the foregoing with respect to the issuance of the Series 1999 Bonds.

H. It is in the best interest of the Issuer that the Series 1999 Bonds be sold to the Purchaser, pursuant to the terms and provisions of the Letter of Conditions.

I. The Issuer has complied with all requirements of law relating to authorization of the acquisition and construction of the Project, the operation of the System, including, without limitation, the imposition of rates and charges, and the issuance of the Series 1999 Bonds, or will have so complied prior to issuance thereof, including among other things and without limitation, the approval of the Project and the financing thereof, by the West Virginia Infrastructure and Jobs Development Council and obtaining a certificate of convenience and necessity for the Project from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired prior to the issuance of the Series 1999 Bonds.

J. Pursuant to the Act, the Issuer has heretofore established a Sanitary Board, and the Sanitary Board has petitioned the Council to issue the Series 1999 Bonds for the purposes set forth herein.

K. The Project has been reviewed and determined to be technically and financially feasible by the West Virginia Infrastructure and Jobs Development Council as required under Chapter 31, Article 15A of the West Virginia Code of 1931, as amended.

Section 1.03. Ordinance to Constitute Contract. In consideration of the acceptance of the Series 1999 Bonds by those who shall be the Registered Owners (hereinafter defined) of the same from time to time, this Ordinance (the "Bond Legislation") shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owners, and the covenants and agreements set forth herein to be performed by the Issuer shall be for the benefit, protection and security of the Registered Owners of the Series 1999 Bonds.

Section 3.02. Description of Bonds. A. The Series 1999 A Bonds shall be issued in single form, numbered AR-1, only as a fully registered Bond, and shall be dated on the date of delivery thereof. The Series 1999 A Bonds shall bear interest from date of delivery, payable monthly at the rate of 4.5 % per annum, and shall be sold for the par value thereof.

B. The Series 1999 B Bonds shall be issued in single form, numbered BR-1, only as a fully registered Bond, and shall be dated on the date of delivery thereof. Section 3.03. Negotiability, Registration, Transfer and Exchange of Bonds. The Series 1999 Bonds shall be and have all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but the Series 1999 Bonds, and the right to principal of and stated interest on the Series 1999 Bonds, may only be transferred by transfer of the registration thereof upon the books required to be kept pursuant to Section 3.04 hereof, by the party in whose name it is registered, in person or by attorney duly authorized in writing, upon surrender of the Series 1999 Bonds for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Bond Registrar.

Whenever the Series 1999 Bonds shall be surrendered for registration of transfer, the Issuer shall execute and deliver a new Bond or Bonds in authorized denominations, for a like aggregate principal amount. The Bond Registrar shall require the payment by the new owner requesting such transfer of any tax or other governmental charge

required to be paid with respect to such transfer, but the Issuer shall pay any other expenses incurred by the Bond Registrar with respect to such transfer.

Issuer proof of his ownership thereof and complying with such other reasonable regulations and conditions as the Issuer may require. The Series 1999 Bonds so surrendered shall be canceled and held for the account of the Issuer. If the Series 1999 Bonds shall have matured or be about to mature, instead of issuing substitute Bonds the Issuer may pay the same, and, if such Bonds be destroyed, stolen or lost, without surrender thereof.

Section 3.07. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Series 1999 Bonds shall be secured forthwith equally and on a parity with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues of the Holders of the Prior Bonds. The Net Revenues derived from the System in an amount sufficient to pay the principal of and interest on the Series 1999 Bonds and the Prior Bonds and to make the payments as hereinafter provided, are hereby irrevocably pledged to the payment of the principal of and interest on the Series 1999 Bonds and the Prior Bonds as the same become due.

(FORM OF SERIES 1999 A BOND)

TOWN OF FARMINGTON

SEWER REVENUE BOND, SERIES 1999 A
(UNITED STATES DEPARTMENT OF AGRICULTURE)

\$315,000

No. AR-1

Date: _____

FOR VALUE RECEIVED, the TOWN OF FARMINGTON (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of THREE HUNDRED FIFTEEN THOUSAND DOLLARS (\$315,000), plus interest on the unpaid principal balance at the rate of 4.5% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of this Bond and continuing on the corresponding day of each month for the first twenty-four months after the date hereof, and \$1,446, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of construction and acquisition of additions, betterments, extensions and improvements to the sewerage system (the "System") of the Borrower, is payable solely from and secured by the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation, nor shall the Borrower be obligated to pay the same or the interest thereon except from the special fund so provided.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at said office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Ordinance, and upon surrender and

cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13 of the West Virginia Code, as amended (the "Act"), and an Ordinance of the Borrower duly enacted May 17, 1999, authorizing issuance of this Bond (the "Ordinance").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS, WITH THE FOLLOWING SEWER REVENUE BONDS OF THE BORROWER:

(i) SEWER REVENUE BONDS, SERIES 1999 B (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED _____, 1999, ISSUED CONCURRENTLY HERewith IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$80,000; AND

(ii) A NOTE DATED OCTOBER 4, 1966, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$127,500, AND DESCRIBED IN THE ORDINANCE.

remit to the Depository Bank, the amount required by the Prior Ordinance to be deposited in the Prior Bonds Sinking Account for payment of the principal of and interest on the Prior Bonds; and (ii) remit to the National Finance Office, the amount required to pay the interest on the Series 1999 Bonds and to amortize the principal of the Series 1999 Bonds over the respective life of the Series 1999 Bonds. Moneys in the Series 1999 Reserve Account shall be used solely to make up any deficiency for monthly payments of the principal of and interest on the Series 1999 Bonds to the National Finance Office as the same shall become due or for prepayment of installments on the Series 1999 Bonds, or for mandatory prepayment of the Series 1999 Bonds as hereinafter provided, and for no other purpose.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit into the Depreciation Account, (i) the amount required by the Prior Ordinance to be deposited therein; and (ii) 0.4167% of the Minimum Reserve, until the amount in the Series 1999 Bonds Reserve Account equals the Minimum Reserve, and thereafter, 0.8334% of the Minimum Reserve, so long as the Series 1999 Bonds are outstanding; provided, however, that in the event Revenues are insufficient to fund the Series 1999 Bonds Reserve Account in accordance with Section 4.03B(3)(ii) above, or a withdrawal of funds from the Series 1999 Bonds Reserve Account is made, payment of Revenues into the Depreciation Account as provided in this Section 4.03B(4)(ii) shall not be made, but instead Revenues shall be applied to the replenishment of the Series 1999 Bonds Reserve Account until such deficiency is cured, at which time payments

into the Depreciation Account as provided in this Section 4.03B(4)(ii) shall resume. Moneys in the Depreciation Account shall be used first to make up any deficiencies for monthly payments of interest on and principal of the Prior Bonds and the Series 1999 Bonds as the same become due, and next to restore to the Prior Bonds Reserve Account and the Series 1999 Bonds Reserve Account, any sum or sums transferred therefrom, all on a pro rata basis. Thereafter, and provided that payments are current and in accordance with the foregoing provisions, moneys in the Depreciation Account may be withdrawn by the Issuer and used for replacements, repairs, improvements or extensions to the System.

(5) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, any moneys remaining therein and not permitted to be retained therein may be used to prepay installments of the Bonds, pro rata, or for any lawful purpose.

Whenever the moneys in the Series 1999 Bonds Reserve Account shall be sufficient to prepay the Series 1999 Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Series 1999 Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The Depository Bank is hereby designated as the Fiscal Agent for the administration of the Series 1999 Bonds Reserve Account and the Depreciation Account as herein provided, and all amounts required for the Series 1999 Bonds Reserve Account and the Depreciation Account will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written directions stating the amount remitted for deposit into each such fund.

All the funds provided for in this Article IV other than the Project Construction Account shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Series 1999 Bonds and the interest thereon, but the Depository Bank shall not be a trustee as to such funds.

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 1999 Bonds and the Prior Bonds in accordance with the respective principal amounts then outstanding.

Subject to the Prior Ordinance, the Depository Bank, at the direction of the Issuer, shall keep the moneys in the Series 1999 Bonds Reserve Account and the Depreciation Account invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Legislation shall, unless otherwise provided herein, or unless otherwise required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia Investment Management Board. Except as otherwise provided in the Prior Ordinance, any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. Earnings on moneys in the Series 1999 Bonds Reserve Account, so long as the Minimum Reserve is on deposit and maintained therein, shall be paid annually in January into the Revenue Fund by the Depository Bank.

C. CHANGE OF DEPOSITORY BANK AND FISCAL AGENT. The Issuer may designate another bank or trust company insured by FDIC as Depository Bank and Fiscal Agent if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

D. USER CONTRACTS. The Issuer shall, prior to delivery of the Bonds, provide evidence that there will be at least 256 bona fide users upon the Project, in full compliance with the requirements and conditions of the Purchaser.

E. CHARGES AND FEES. The Issuer shall remit from the Revenue Fund to the Depository Bank such additional sums as shall be necessary to pay the charges and fees of the Depository Bank then due.

F. INVESTMENT OF EXCESS BALANCES. The moneys in excess of the sum insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, in a lawful manner for securing deposits of State and municipal funds under the laws of the State.

G. REMITTANCES. All remittances made by the Issuer to the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

H. GROSS REVENUES. The Gross Revenues of the System shall only be used for purposes of the System.

Section 4.04. Interim Construction Financing. In order to pay certain costs of the Project pending receipt of proceeds of the Grants and advances of principal of the Series 1999 Bonds, the Issuer may issue and sell its interim construction notes in an aggregate principal amount not to exceed \$395,000 (the "Notes"). The Notes shall be in the form of a line of credit from a commercial bank or other lender, and the Issuer is hereby authorized to enter into the credit agreement with such commercial bank or other lender. The Notes shall bear interest from the date or dates, at such rate or rates, payable on such dates and shall mature on such date or dates and be subject to such prepayment or redemption, all as provided in the credit agreement.

The Notes shall be special obligations of the Issuer payable as to principal and interest solely from proceeds of the Series 1999 Bonds or the Grants. The Notes do not and shall not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions. The general funds of the Issuer are not liable, and neither the full faith and credit nor the taxing power of the Issuer, if any, is pledged for the payment of the Notes. The Holders of the Notes shall never have the right to compel the forfeiture of any property of the Issuer. The Notes shall not be a debt of the Issuer, nor a legal or equitable pledge, charge, lien or encumbrance upon any property of the Issuer or upon any of its income, receipts or revenues except as set forth herein.

ARTICLE V

GENERAL COVENANTS

Section 5.01. General Statement. So long as the Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 1999 Bonds Reserve Account, a sum sufficient to prepay the entire principal of the Series 1999 Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Holders of the Series 1999 Bonds.

Section 5.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the maximum annual debt service on the Series 1999 Bonds and the Prior Bonds and sufficient to make the payments required to be made herein into the respective reserve accounts of the Series 1999 Bonds and the Prior Bonds and the Depreciation Account and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as the Series 1999 Bonds are outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. No additional parity bonds or obligations payable out of any of the Revenues of the System shall be issued, except with the prior written consent of the Purchaser.

Section 5.05. Insurance and Bonds. - (a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the actual cost

thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Series 1999 Bonds.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workers' Compensation Coverage for All Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

(e) Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer; however, if the Issuer has been notified as having special flood or mudslide prone areas, flood insurance must be obtained.

(f) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount of \$50,000 upon the Recorder, provided, however, that no bond shall be required insofar as custody of the Project Construction Account is concerned so long as checks thereon require the signature of a representative of the Purchaser.

(g) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Series 1999 Bonds are outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Statutory Mortgage Lien. For the further protection of the Holders of the Series 1999 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Series 1999 Bonds, such statutory mortgage lien being on a parity with the statutory mortgage lien in favor of the holders of the Prior Bonds.

Section 5.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(A) Failure to make payment of any monthly amortization installment on the Series 1999 Bonds at the date specified for payment thereof; or

(B) Failure duly and punctually to observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Series 1999 Bonds or herein, or violation of or failure to observe any provision of any pertinent law; or

(C) If default occurs with respect to the Prior Bonds or the Prior Ordinance. .

In the event of a default and prior to taking any action to foreclose any security interest or lien securing the Series 1999 Bonds, the Holder of the Series 1999 Bonds shall provide written notification to:

650 Dresher Road
Post Office Box 1015

Section 5.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 5.09. Fiscal Year; Budget. While the Series 1999 Bonds are outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than thirty days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the first day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the year next preceding by

more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.10. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer and on file with the Recorder on the date of adoption hereof, subject to permitted changes.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer shall further comply with the Act with respect to such books, records and accounts.

Section 5.12. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Series 1999 Bonds are outstanding.

Section 5.14. Mandatory Connections. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Division of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of

West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Division of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

ARTICLE VI
