BE IT RESOLVED AND ORDERED BY THE PUBLIC SERVICE BOARD OF GLEN WHITE-TRAP HILL PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution is adopted pursuant to the provisions of Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law. Glen White-Trap Hill Public Service District (the "Issuer") is a public corporation, public service district and political subdivision of the State of West Virginia in Raleigh County of said State, duly created pursuant to the Act by The County Commission of Raleigh County.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

A. The Issuer currently owns and operates a public waterworks system and desires to finance and acquire, construct, operate and maintain certain additional public service properties consisting of additions, improvements and extensions to such existing waterworks facilities with all appurtenant facilities, within the boundaries of the Issuer to be owned and operated by the Issuer.

B. It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer, and, accordingly, it is hereby ordered, that there be acquired and constructed certain additions, improvements and extensions to the existing waterworks facilities of the Issuer, consisting of water system improvements including installation of 12 inch, 6 inch and 2 inch water line, and one pressure reducing station to provide service to approximately 60 new customers in the Posey-Saxon areas of Raleigh County known as "Cove Creek Project" (the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Secretary of the Public Service Board (the "Governing Body") of the Issuer. The existing waterworks facilities of the Issuer, together with the Project and any further additions, improvements or extensions thereto, are herein called the "System." The acquisition and construction of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. The estimated revenues to be derived in each year from the operation of the System after completion of the Project will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Bonds (hereinafter defined) and all funds and accounts and other payments provided for herein.

D. The Issuer has heretofore issued its Water Revenue Bonds, Series 1974, dated June 26, 1974 in the original aggregate principal amount of \$830,000 (the "Series 1974 Bonds") and its Water Revenue Bonds, Series 1975, dated August 5, 1974, issued in the original aggregate principal amount of \$425,000 (the "Series 1975 Bonds"). The Series 1974 Bonds and the Series 1975 Bonds are currently held by Capmark Finance, Inc.

E. It is in the best interest of the Issuer that the Series 1974 Bonds and the Series 1975 Bonds be refunded in order to allow the Issuer to avoid an overly burdensome parity test.

f. It is necessary for the Issuer to issue its Water Revenue Bonds, Series 2012 A (United States Department of Agriculture) and Water Revenue Bonds, Series 2012 B (United States Department of Agriculture), in the respective aggregate principal amounts of \$200,000 and \$2,300,000 (collectively, the "Series 2012 Bonds"), to pay the Series 1974 Bonds and Series 1975 Bonds and finance a portion of the cost of such acquisition and construction in the manner hereinafter provided. The cost of such acquisition and construction shall be deemed to include, without being limited to, the acquisition and construction of the Project; the cost of all property rights, easements and franchises deemed necessary or convenient therefor and for the improvements and extensions thereto; interest on the Series 2012 Bonds; engineering, fiscal agents and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to

determining the feasibility or practicability of the Project, administrative expense, and such other expenses as may be necessary or incident to the financing herein authorized, and the acquisition and construction of the properties and the placement of same in operation; provided that, reimbursement to the Issuer for any amounts expended by it for the repayment of indebtedness incurred for costs of the Project by the Issuer shall be deemed costs of the Project.

H. The period of usefulness of the System after completion of the Project is not less than 40 years.

I. Upon payment of the Series 1974 Bonds and Series 1975 Bonds, there are outstanding obligations of the Issuer which will rank on a parity with the Series 2012 Bonds as to liens, pledge and source of and security for payment being the Issuer's Water Revenue Bonds, Series 2007 A (United States Department of Agriculture), dated September 26, 2007, issued in the original aggregate principal amount of \$2,249,000 (the "Series 2007 A Bonds") (the "Prior Bonds"). Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which rank prior to or on a parity with the Series 2009 Bonds as to liens, pledge and/or source of and security for payment.

Prior to the issuance of the Series 2012 Bonds, the Issuer will obtain the written consents of the Holders of the Prior Bonds to the issuance of the Series 2012 Bonds on a parity with the Prior Bonds. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

The Issuer is not in default under the terms of the Prior Bonds, or the resolutions authorizing issuance of the Prior Bonds or any document in connection therewith, and has complied with all requirements of all the foregoing with respect to the issuance of parity bonds or has obtained a sufficient and valid consent or waiver thereof.

J. It is in the best interest of the Issuer that the Series 2012 Bonds be sold to the Purchaser, pursuant to the terms and provisions of the Letters of Conditions, dated July 8, 2002, and all amendments thereto, if any (collectively, the "Letter of Conditions").

K. The Issuer has complied with all requirements of law relating to the authorization of the acquisition and construction of the Project, the operation of the System, including, without limitation, the imposition of rates and charges, and the issuance of the Series 2012 Bonds, or will have so complied prior to issuance of the Series 2012 Bonds, including, among other things and without limitation, obtaining a certificate of public convenience and necessity and approval of the financing and necessary user rates and charges from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired or shall have been duly waived or otherwise provided for.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Series 2012 Bonds by those who shall be the Registered Owner of the same from time to time, this Resolution (the "Bond Legislation") shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owner, and the covenants and agreements set forth herein to be performed by the Issuer shall be for the benefit, protection and security of the Registered Owner of the Series 2012 Bonds.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly

or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolutions and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond is issued (i) to pay the Series 1974 Bonds; (ii) to pay the Series 1975 Bonds; (iii) to pay a portion of the costs of acquisition and construction of the Project; and (iv) to pay certain costs of issuance and related costs. If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act of 1965, as amended. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS ISSUED ON A PARITY, AS TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, WITH THE BORROWER'S (I) WATER REVENUE BONDS, SERIES 2007 A (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED SEPTEMBER 26, 2007, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$2,249,000 (THE "SERIES 2007 A BONDS" OR THE "PRIOR BONDS"); AND (II) WATER REVENUE BONDS, SERIES 2012 B (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED _____, 2012, ISSUED CONCURRENTLY HERewith IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$2,300,000 (THE "SERIES 2012 B BONDS").

ARTICLE V

GENERAL COVENANTS, ETC.

Section 5.01. General Statement. So long as the Series 2012 Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 2012 Bonds Reserve Account, sums sufficient to prepay the entire principal of the Series 2012 Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Holder of the Series 2012 Bonds.

Section 5.02. Rates. So long as the Prior Bonds are outstanding, the Issuer will maintain rates as required in the Prior Resolutions. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Series 2012 Bonds and the Prior Bonds and sufficient to make the payments required herein into all funds and accounts and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System or any part thereof, except as provided in the Prior Resolutions. The System will not be sold without the prior written consent of the Purchaser so long as the Series 2012 Bonds are outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. No additional Parity Bonds or obligations payable out of any of the Revenues of the System shall be issued, except with the prior written consent of the Purchaser. No Parity Bonds shall be issued after issuance of the Series 2012 Bonds unless the provisions contained in the Prior Resolution respecting issuance of Parity Bonds have been satisfied.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2012 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions extensions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

So long as the Series 2012 Bonds and the Prior Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a

written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds than proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the Prior Bonds, representing 75% of the then-outstanding principal indebtedness.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 2012 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2012 Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 5.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Series 2012 Bonds remain outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

- (a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System and mechanical and

electrical equipment in place or stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Series 2012 Bonds.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workers' Compensation Coverage for All Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds have been or will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

(e) Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer; however, if the System is located in a community which has been notified as having special flood or mudslide prone areas, flood insurance must be obtained.

(f) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in such amount as may be requested by the Purchaser from time to time.

(g) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Series 2012 Bonds are outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Statutory Mortgage Lien. For the further protection of the Holder of the Series 2012 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, on a parity with the Prior Bonds, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Series 2012 Bonds.

Section 5.07. Events of Default. Each of the following events is hereby declared an “Event of Default”:

(a) Failure to make payment of any monthly amortization installment upon the Series 2012 Bonds at the date specified for payment thereof;

(b) Failure to duly and punctually observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Series 2012 Bonds or herein, or violation of or failure to observe any provision of any pertinent law; and

(c) If a default occurs with respect to the Prior Bonds or the Prior Resolutions.

Section 5.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default, appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct; provided that, all rights and remedies of the Holders of the Prior Bonds shall be on a parity with the Series 2012 Bonds.

Section 5.09. Fiscal Year; Budget. While the Series 2012 Bonds are outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the 1st day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year preceding by more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 5.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer on file with the Secretary on the date of adoption hereof, subject to permitted changes.

Section 5.12. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer shall further comply with the Act with respect to such books, records and accounts.

Section 5.13. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Series 2012 Bonds are outstanding.

Section 5.14. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

ARTICLE VI

RATES, ETC.

Section 6.01. Initial Schedule of Rates and Charges; Rules.

A. The initial schedule of rates and charges for the services and facilities of the System, subject to change consonant with the provisions hereof, shall be as set forth in the Recommended Decision of the Public Service Commission of West Virginia entered April 20, 2011, which became a Final Order on May 10, 2011 in Case No. 10-1900-PWD-CN and are incorporated herein by reference as a part hereof.

B. There shall not be any discrimination or differential in rates between customers in similar circumstances.

C. All delinquent fees, rates and charges for services or facilities of the System shall be liens on the premises served of equal degree, rank and priority with the lien on such premises of state, county, school and municipal taxes, as provided in the Act. The Issuer shall have all remedies and powers provided under the Act and other applicable provisions of law with regard to the collection and enforcement of such fees, rates and charges.

D. The Issuer will not render or cause to be rendered any free services of any nature by the System nor any of the facilities; and in the event that the Issuer or any department, agency, officer or employee thereof should avail itself or themselves of the services or facilities of the System, the same fees, rates and charges applicable to other customers receiving like services under similar circumstances shall be charged, such charges shall be paid as they accrue, and revenues so received shall be deposited and accounted for in the same manner as other Revenues of the System.

E. The Issuer may require any applicant for any service by the System to deposit a reasonable and equitable amount to insure payment of all charges for the services rendered by the System, which deposit shall be handled and disposed of under the applicable rules and regulations of the Public Service Commission of West Virginia.

F. The Issuer, to the extent permitted by law, will not accept payment of any water bill from a customer served with water and sewer services by the Issuer without payment at the same time of a sewer bill owed by such customer for the same premises.

ARTICLE VII
MISCELLANEOUS

Section 7.01. Payment of Bonds. If the Issuer shall pay or there shall otherwise be paid, to the Holder of the Series 2012 Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then with respect to the Series 2012 Bonds, the pledge of Net Revenues and other monies and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owner of the Series 2012 Bonds, shall thereupon cease, terminate and become void and be discharged and satisfied.

Except through such direct payment to the Holder of the Series 2012 Bonds, the Issuer may not defease the Series 2012 Bonds or otherwise provide for payment thereof by escrow or like manner.

Section 7.02. Modification or Amendment. The Bond Legislation may not be modified or amended after final passage without the prior written consent of the Purchaser.

Section 7.03. Delivery of Bonds. The Chairman, Secretary and Treasurer of the Governing Body are hereby authorized and directed to cause the Series 2012 Bonds, hereby awarded to the Purchaser pursuant to prior agreement, to be delivered to the Purchaser as soon as the Purchaser will accept such delivery.

Section 7.04. Severability of Invalid Provisions. If any one or more of the covenants, agreements or provisions hereof should be held contrary to any express provision of law or contrary to the policy of express law, although not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed severable from the remaining covenants, agreements or provisions hereof, and shall in no way affect the validity of all the other provisions hereof or the Series 2012 Bonds.

Section 7.05. Conflicting Provisions Repealed. The Prior Resolutions and all parts thereof not expressly hereby changed shall continue in full force and effect and this Bond Legislation shall be supplemental to the Prior Resolutions.

All resolutions and orders, or parts thereof, in conflict with the provisions hereof are, to the extent of such conflicts, hereby repealed; provided that this Section shall not be applicable to the Loan Resolution (Form FmHA 442-47).

Section 7.06. Table of Contents and Headings. The Table of Contents and headings of the articles, sections and subsections hereof are for convenience only and shall neither control nor affect in any way the meaning or construction of any of the provisions hereof.

Section 7.07. Covenant of Due Procedure, Etc. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the adoption of this Resolution do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Chairman, Secretary and members of the Governing Body were at all times when any actions in connection with this Resolution occurred and are duly in office and duly qualified for such office.

Section 7.08. Effective Date. This Resolution shall take effect immediately upon its adoption.

WATER REVENUE BONDS, SERIES 2012 A
(UNITED STATES DEPARTMENT OF AGRICULTURE)

\$200,000

No. AR-1

Date: April 13, 2012

FOR VALUE RECEIVED, GLEN WHITE-TRAP HILL PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of TWO HUNDRED THOUSAND DOLLARS (\$200,000), plus interest on the unpaid principal balance at the rate of 3.375% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$780, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolutions and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond is issued (i) to pay the Series 1974 Bonds; (ii) to pay the Series 1975 Bonds; (iii) to pay a portion of the costs of acquisition and construction of the Project; and (iv) to pay certain costs of issuance and related costs. This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted April 11, 2012, authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act of 1965, as amended. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS ISSUED ON A PARITY, AS TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, WITH THE BORROWER'S (I) WATER REVENUE BONDS, SERIES 2007 A (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED SEPTEMBER 26, 2007, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$2,249,000 (THE "SERIES 2007 A BONDS" OR THE "PRIOR BONDS"); AND (II) WATER REVENUE BONDS, SERIES 2012 B (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED APRIL 13, 2012, ISSUED CONCURRENTLY HERewith IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$2,300,000 (THE "SERIES 2012 B BONDS").

In accordance with the requirements of the United States Department of Agriculture, the Bonds will be in default should any proceeds of the Bonds be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

Beckley, West Virginia

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Glen White-Trap Hill Public Service District in Raleigh County, West Virginia (the "Issuer"), of its \$200,000 Water Revenue Bonds, Series 2012 A (United States Department of Agriculture) dated the date hereof (the "Bonds"), pursuant to Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), a Bond Resolution duly adopted by the Issuer on April 11, 2012, (the "Bond Legislation"). We have examined the law and such certified copies of proceedings and other papers as we deem necessary to render this opinion.

The Bonds are issued for the purposes of (i) paying a portion of the acquisition and construction of the Project; and (ii) paying certain costs of issuance and related costs.

As to questions of fact material to our opinion, we have relied upon the representations of the Issuer contained in the Bond Legislation and in the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The Issuer is duly created and validly existing as a public service district and as a public corporation and a political subdivision of the State of West Virginia with full power to adopt and enact the Bond Legislation, perform the agreements on its part contained therein and issue and sell the Bonds, all under the Act and other applicable provisions of law.
2. The Bond Legislation has been duly and effectively adopted and enacted by the Issuer and constitutes a valid and binding obligation of the Issuer enforceable upon the Issuer.

3. Pursuant to the Act, the Bond Legislation creates a valid lien on the funds pledged by the Bond Legislation for the security of the Bonds, on a parity with the Issuer's: (1) Water Revenue Bonds, Series 2007 A, dated September 26, 2007, issued in the original aggregate principal amount of \$2,249,000; and (2) Water Revenue Bonds, Series 2012 B (United States Department of Agriculture), dated April 13, 2012 issued concurrently herewith in the original aggregate principal amount of \$2,300,000.

4. The Bonds have been duly authorized, executed and delivered by the Issuer and are valid and binding special obligations of the Issuer, payable solely from the sources provided therefor in the Bond Legislation.

5. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

6. The Bonds are, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of the State, and interest on the Bonds is exempt from personal income taxes and corporate net income taxes imposed directly thereon by the State of West Virginia.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Bond Legislation and the liens and pledges set forth therein may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that the enforcement thereof may also be subject to the exercise of judicial discretion in appropriate cases.

Very truly yours,

Ladies and Gentlemen:

I am counsel to Glen White-Trap Hill Public Service District, a public service district in Raleigh County, West Virginia (the "Issuer"). As such counsel, I have examined copies of the approving opinion of Steptoe & Johnson PLLC, as bond counsel, a Bond Resolution duly adopted by the Issuer on April 11, 2012 (the "Bond Legislation"), other documents and papers relating to the Issuer and the above-captioned Bonds of the Issuer (the "Bonds"), and documents and orders of The County Commission of Raleigh County relating to the creation and expansion of the Issuer and the appointment of members of the Public Service Board of the Issuer. Capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation when used herein.

I am of the opinion that:

1. The Issuer is a duly created and validly existing public service district and public corporation and political subdivision of the State of West Virginia.
2. The members and officers of the Public Service Board of the Issuer have been duly, lawfully and properly elected or appointed, as applicable, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.

3. The Bond Legislation has been duly adopted by the Issuer and is in full force and effect.

4. The execution and delivery of the Bonds and the consummation of the transactions contemplated by the Bonds and the Bond Legislation, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any agreement, document or instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, rule, order or decree to which the Issuer is subject.

5. All permits, licenses, approvals, consents, certificates, orders, exemptions and authorizations necessary for the due creation and valid existence of the Issuer, the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges have been entered and/or received, including, without limitation, all requisite orders, certificates, consents and approvals from The County Commission of Raleigh County and the Public Service Commission of West Virginia, and the Issuer has duly taken any other action required for the imposition of such rates and charges, including, without limitation, the adoption of a resolution prescribing such rates and charges, the time for appeal of which has expired prior to the date hereof without appeal.

6. To the best of my knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Bonds and the Bond Legislation, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds or the collection or pledge of the Net Revenues therefor.

7. The Issuer has received all orders and approvals from the Public Service Commission of West Virginia, including the Recommended Decision of the Public Service Commission of West Virginia entered on April 20, 2011, which became Final Order on May 10, 2011 in Case No. 10-1900-PWD-CN, among other things, granted to the Issuer a certificate of public convenience and necessity for the Project, approved the rates and charges of the System, and approved the financing for the Project. The time for appeal of the Order has expired prior to the date hereof without any appeal. Such Order remains in full force and effect.

Ladies and Gentlemen:

Based upon the water rates and charges as set forth in the Recommended Decision dated April 20, 2011 which became a Final Order on May 1, 2011, in Case No. 10-1900-PWD-CN and projected operation and maintenance expenses and anticipated customer usage as furnished to us by the Issuer, it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the sewer system of the Issuer (the "System"), will pay all repair, operation and maintenance expenses of the System and leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Water Revenue Bonds, Series 2012 A (United States Department of Agriculture), issued in the principal amount of \$200,000; and Water Revenue Bonds, Series 2012 B (United States Department of Agriculture), issued in the principal amount of \$2,300,000 (collectively, the "Series 2012 Bonds"), to be issued on the date hereof, and all other obligations secured by or payable from the revenues of the System, specifically including the Water Revenue Bonds, Series 2007 A (United States Department of Agriculture), dated September 26, 2007, issued in the original aggregate principal amount of \$2,249,000 (the "Prior Bonds").

It is our further opinion that the Net Revenues for the Fiscal Year following the year in which the Series 2012 A Bonds are issued will be at least 115% of the average annual debt service on the Series 2012 Bonds and the Prior Bonds.

Sincerely,

B. It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer, and, accordingly, it is hereby ordered, that there be acquired and constructed certain additions, improvements and extensions to the existing waterworks facilities of the Issuer, consisting of consisting of (i) a small line extension which will serve about twenty-eight potential new customers in the community of Lilly Mountain and will also enable the Issuer to serve the area to the east of Lake Stephens and (ii) construction of a new storage tank, pressure control system and associated facilities project that will also provide improved service to the existing recreational facilities located on the western side of Lake Stephens, together with all necessary appurtenant facilities (the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Secretary of the Public Service Board (the "Governing Body") of the Issuer. The existing waterworks facilities of the Issuer, together with the Project and any further additions, improvements or extensions thereto, are herein called the "System." The acquisition and construction of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. The estimated revenues to be derived in each year from the operation of the System after completion of the Project will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Bonds (hereinafter defined) and all funds and accounts and other payments provided for herein.

D. The estimated maximum cost of the acquisition and construction of the Project is \$3,749,000 of which \$2,249,000 will be obtained from the proceeds of sale of the Series 2007 A Bonds, herein authorized; and \$1,500,000 as a grant from the Purchaser.

E. It is necessary for the Issuer to issue its Water Revenue Bonds, Series 2007 A (United States Department of Agriculture), in the aggregate principal amount of \$2,249,000 (the "Series 2007 A Bonds"), to finance a portion of the cost of such acquisition and construction in the manner hereinafter provided. The cost of such acquisition and construction shall be deemed to include, without being limited to, the acquisition and construction of the Project; the cost of all property rights, easements and franchises deemed necessary or convenient therefor and for the improvements and extensions thereto; interest on the Series 2007 A Bonds prior to, during and for six months after completion of such acquisition and construction of the improvements and extensions; engineering, fiscal agents and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility

F. The period of usefulness of the System after completion of the Project is not less than 40 years.

G. There are outstanding obligations of the Issuer which will rank senior and prior to the Series 2007 A Bonds as to liens, pledge and source of and security for payment, being the Issuer's: (i) Water Revenue Bonds, Series 1974, dated June 26, 1974, issued in the original aggregate principal amount of \$830,000 (the "Series 1974 Bonds") and (ii) Water Revenue Bonds, Series 1975 B, dated August 5, 1975, issued in the original aggregate principal amount of \$425,000 (the "Series 1975 Bonds" and together with the Series 1974 Bonds, the "Prior Bonds") both are currently held by General Motors Acceptance Corporation. Other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which rank prior to or on a parity with the Series 2007 A Bonds as to liens, pledge and/or source of and security for payment.

The Series 2007 A Bonds shall be issued junior and subordinate to the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects. The Issuer is in compliance with the covenants of the Prior Bonds and the Prior Resolution.

The Series 2007 A Bonds shall initially be fully registered as to both principal and interest in the name of the United States of America. In case any one or more of the officers who shall have signed or sealed the Series 2007 A Bonds shall cease to be such officer of the Issuer before the Series 2007 A Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. The Series 2007 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case the Series 2007 A Bonds shall become mutilated or be destroyed, stolen or lost, the Issuer may in its discretion issue and deliver a new Bond of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bonds or in lieu of and substitution for the Bonds destroyed, stolen or lost, and upon the holder's furnishing the Issuer proof of his ownership thereof and complying with such other reasonable regulations and conditions as the Issuer may require. The Series 2007 A Bonds so surrendered shall be canceled and held for the account of the Issuer. If the Series 2007 A Bonds shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, and, if such Bond be destroyed, stolen or lost, without surrender thereof.

Section 3.07. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service of the Series 2007 A Bonds shall be secured by a second lien on the Net Revenues derived from the System, junior and subordinate to the lien on such Net Revenues in favor of the Registered Owner of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Series 2007 A Bonds and the Prior Bonds and to make all other payments provided for in the Bond Legislation, are hereby irrevocably pledged to such payments as they become due.

Section 3.08. Form of Bond. Subject to the provisions hereof, the text of the Series 2007 A Bonds and the other details thereof shall be of substantially the following tenor, with such omissions, insertions and variations as may be authorized or permitted hereby or by any resolution adopted after the date of adoption hereof and prior to the issuance thereof:

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolutions and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized

denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted _____, 2007, authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act of 1965, as amended. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS ISSUED JUNIOR AND SUBORDINATE WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL OTHER RESPECTS, WITH THE ISSUER'S (I) WATER REVENUE BONDS, SERIES 1974 (GENERAL MOTORS ACCEPTANCE CORPORATION), DATED JUNE 26, 1974, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$830,000 (THE "SERIES 1974 BONDS"); AND (II) WATER REVENUE BONDS, SERIES 1975 B (GENERAL MOTORS ACCEPTANCE CORPORATION), DATED AUGUST 5, 1975 ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$425,000 (THE "SERIES 1975 B BONDS" AND TOGETHER WITH THE SERIES 1974 BONDS, THE "PRIOR BONDS").

In accordance with the requirements of the United States Department of Agriculture, the Bonds will be in default should any proceeds of the Bonds be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

IN WITNESS WHEREOF, GLEN WHITE TRAP HILL PUBLIC SERVICE DISTRICT has caused this Bond to be executed by its Chairman and its corporate seal to be hereunto affixed or imprinted hereon and attested by its Secretary, all as of the date hereinabove written.

Section 4.02. Bond Proceeds; Project Construction Account. The proceeds of the sale of the Series 2007 A Bonds shall be deposited upon receipt by the Issuer in the Series 2007 A Bonds Project Construction Account. The monies in the Series 2007 A Bonds Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by the Depository Bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Monies in the Series 2007 A Bonds Project Construction Account shall be expended by the Issuer solely for the purposes provided herein.

Monies in the Series 2007 A Bonds Project Construction Account shall be used solely to pay the cost of acquisition and construction of the Project upon vouchers and other documentation approved by the Purchaser.

Until completion of acquisition and construction of the Project, the Issuer will additionally transfer from the Series 2007 A Bonds Project Construction Account and pay to the Purchaser on or before the due date, such sums as shall be from time to time required to

make the monthly installments on the Series 2007 A Bonds if there are not sufficient Net Revenues to make such monthly payment.

Pending application as provided in this Section 4.02, money and funds in the Series 2007 A Bonds Project Construction Account shall be invested and reinvested at the direction of the Issuer, to the extent possible in accordance with applicable law, in Qualified Investments.

When acquisition and construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the Series 2007 A Bonds Project Construction Account shall be disposed of in accordance with the regulations of the Purchaser.

Section 4.03. Covenants of the Issuer as to System Revenues and Funds.

So long as any of the Series 2007 A Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 2007 A Bonds Reserve Account, a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Series 2007 A Bonds remaining unpaid, together with interest accrued and to accrue thereon, the Issuer further covenants with the Holders of the Series 2007 A Bonds as follows:

A. REVENUE FUND. The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited as collected by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Resolutions and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in the Resolutions.

B. DISPOSITION OF REVENUES. All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority, subject to the provisions of the Prior Resolutions not otherwise modified herein:

(1) The Issuer shall first, each month, pay from the Revenue Fund to the Operation and Maintenance Fund the Operating Expenses of the System.

(2) The Issuer shall next, each month, on or before the due date thereof, transfer from the Revenue Fund and remit to the Holder of the Prior Bonds the amount required by the Prior Resolutions to pay the interest, if any, on the Prior Bonds.

(3) The Issuer shall next, each month, transfer from the Revenue Fund and remit to the Holder of the Prior Bonds the

amount required by Prior Resolution to pay the principal of the Prior Bonds.

(4) The Issuer shall next, by the fifteenth day of each month, transfer from the Revenue Fund and remit to the Depository Bank the amounts required by the Prior Resolutions to be deposited in the Reserve Accounts for the Prior Bonds.

(5) The Issuer shall next, by the fifteenth day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Depreciation Reserve the amounts required by Prior Resolutions until there has been accumulated the aggregate sum of \$80,000 and thereafter such sums as shall be required to maintain such amount therein. Moneys in the Depreciation Reserve shall be used first to make up any deficiencies for monthly payments of principal of and interest on the Prior Bonds as the same shall become due, and next to restore the Reserve Fund any sum or sums transferred therefrom. Thereafter, and provided that payments into the Reserve Fund are current, moneys in the Depreciation Reserve may be withdrawn by the issuer and used for repairs, replacements and equipment and improvements on the System, or any part thereof.

(6) The Issuer shall next, each month, on or before the due date thereof, transfer from the Revenue Fund and remit to the National Finance Office the amount required to pay interest on the Series 2007 A Bonds.

(7) The Issuer shall next, each month, transfer from the Revenue Fund and on or before the due date thereof, remit to the National Finance Office, commencing 24 months following the date of delivery of the Series 2007 A Bonds, the amount required to amortize the principal of the Series 2007 A Bonds over the life of the bond.

(8) The Issuer shall next, beginning on the date specified by the purchaser, but in any event not later than the 24th monthly anniversary of the Closing Date, and continuing on each monthly anniversary of the Closing Date thereafter, transfer from the Revenue Fund and remit to the Commission, for deposit in the Series 2007 A Bonds Reserve Account, an amount equal to 10% of the monthly payment amount, until the amount in the Series 2007 A Bonds Reserve Account equals the Series 2007 A Bonds

Reserve Requirement; provided that, no further payments shall be made into the Series 2007 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2007 A Bonds Reserve Requirement.

Whenever the money in the Series 2007 A Bonds Reserve Account shall be sufficient to prepay the Series 2007 A Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Series 2007 A Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The Commission is hereby designated as the Fiscal Agent for the administration of the Series 2007 A Bonds Reserve Account. All amounts required for the Series 2007 A Bonds Reserve Account will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written advice stating the amount remitted for deposit into each such fund.

The Revenue Fund shall constitute a Trust Fund and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Series 2007 A Bonds and the interest thereon, junior and subordinate to the Prior Bonds.

The Series 2007 A Bonds Reserve Account shall constitute a trust fund and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Series 2007 A Bonds and the interest thereon.

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a junior and subordinate basis, with respect to the Prior Bonds.

Subject to the Prior Resolutions, the Commission shall keep the monies in the Series 2007 A Bonds Reserve Account invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond

Legislation shall, unless otherwise provided herein or required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia Board of Treasury Investments. Any investment shall be held in and at all times deemed a part of the fund or account in which such monies were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. Earnings from monies in the Series 2007 A Bonds Reserve Account, so long as the Minimum Reserve is on deposit and maintained therein, shall be paid annually by the Commission to the Issuer and deposited in the Revenue Fund.

C. CHANGE OF DEPOSITORY BANK. The Issuer may designate another bank or trust company insured by FDIC as Depository Bank if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

D. USER CONTRACTS. The Issuer shall, prior to delivery of the Series 2007 A Bonds, provide evidence that there will be at least 1,861 bona fide users upon the System on completion, in full compliance with the requirements and conditions of the Purchaser.

E. CHARGES AND FEES. The Issuer shall remit from the Revenue Fund to the Depository Bank and the Commission such additional sums as shall be necessary to pay the charges and fees of the Depository Bank or the Commission then due.

F. INVESTMENT OF EXCESS BALANCES. The monies in excess of the sum insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State of West Virginia.

G. REMITTANCES. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

H. GROSS REVENUES. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE V

GENERAL COVENANTS, ETC.

Section 5.01. General Statement. So long as the Series 2007 A Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 2007 A Bonds Reserve Account, sums sufficient to prepay the entire principal of the Series 2007 A Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Holder of the Series 2007 A Bonds.

Section 5.02. Rates. So long as the Prior Bonds are outstanding, the Issuer will maintain rates as required in the Prior Resolutions. When the Prior Bonds are no longer outstanding, the Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Series 2007 A Bonds and the Prior Bonds and sufficient to make the payments required herein into all funds and accounts and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. So long as the Prior Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System or any part thereof, except as provided in the Prior Resolutions. The System will not be sold without the prior written consent of the Purchaser so long as the Series 2007 A Bonds are outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolution shall be applicable.

In addition, no Parity Bonds or obligations payable out of any of the Revenues of the System shall be issued after the issuance of the Series 2007 A Bonds pursuant to this Bond Legislation without the prior written consent of the Purchaser and without complying with the conditions and requirements herein provided (unless less restrictive than the provisions of the Prior Resolution).

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2007 A Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the acquisition or construction of additions extensions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

So long as the Series 2007 A Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds then Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the Series 2007 A Bonds, representing 75% of the then-outstanding principal indebtedness. In the event the foregoing limitation is waived or when the Series 2007 A Bonds are no longer outstanding, the following parity requirement shall be met:

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 2007 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2007 A Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with

respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 5.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Series 2007 A Bonds remain outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Series 2007 A Bonds.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be

procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workers' Compensation Coverage for All Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds have been or will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

(e) Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer; however, if the System is located in a community which has been notified as having special flood or mudslide prone areas, flood insurance must be obtained.

(f) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in such amount as may be requested by the Purchaser from time to time.

(g) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Series 2007 A Bonds are outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Statutory Mortgage Lien. For the further protection of the Holder of the Series 2007 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, and shall be junior and subordinate to the statutory mortgage lien in favor of the Holders of the Prior Bonds, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Series 2007 A Bonds.

Section 5.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(a) Failure to make payment of any monthly amortization installment upon the Series 2007 A Bonds at the date specified for payment thereof;

(b) Failure to duly and punctually observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Series 2007 A Bonds or herein, or violation of or failure to observe any provision of any pertinent law; and

(c) If a default occurs with respect to the Prior Bonds or the Prior Resolutions.

Section 5.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default, appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct; provided that, all rights and remedies of the Holders of the Prior Bonds shall be on a parity with the Series 2007 A Bonds.

Section 5.09. Fiscal Year: Budget. While the Series 2007 A Bonds are outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the 1st day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year preceding by more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 5.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer on file with the Secretary on the date of adoption hereof, subject to permitted changes.

Section 5.12. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer shall further comply with the Act with respect to such books, records and accounts.

Section 5.13. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Series 2007 A Bonds are outstanding.

Section 5.14. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body,

agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

ARTICLE VI

RATES, ETC.

Section 6.01. Initial Schedule of Rates and Charges; Rules.

A. The initial schedule of rates and charges for the services and facilities of the System, subject to change consonant with the provisions hereof, shall be as set forth in the Commission Order of the Public Service Commission of West Virginia, entered on July 13, 2007, Case No. 07-0862-PWD-30B, which Order is incorporated herein by reference as a part hereof.

B. There shall not be any discrimination or differential in rates between customers in similar circumstances.

C. All delinquent fees, rates and charges for services or facilities of the System shall be liens on the premises served of equal degree, rank and priority with the lien on such premises of state, county, school and municipal taxes, as provided in the Act. The Issuer shall have all remedies and powers provided under the Act and other applicable provisions of law with regard to the collection and enforcement of such fees, rates and charges.

D. The Issuer will not render or cause to be rendered any free services of any nature by the System nor any of the facilities; and in the event that the Issuer or any department, agency, officer or employee thereof should avail itself or themselves of the services or facilities of the System, the same fees, rates and charges applicable to other customers receiving like services under similar circumstances shall be charged, such charges shall be paid as they accrue, and revenues so received shall be deposited and accounted for in the same manner as other Revenues of the System.

E. The Issuer may require any applicant for any service by the System to deposit a reasonable and equitable amount to insure payment of all charges for the services rendered by the System, which deposit shall be handled and disposed of under the applicable rules and regulations of the Public Service Commission of West Virginia.

F. The Issuer, to the extent permitted by law, will not accept payment of any water bill from a customer served with water and sewer services by the Issuer without payment at the same time of a sewer bill owed by such customer for the same premises.

ARTICLE VII

MISCELLANEOUS

Section 7.01. Payment of Bonds. If the Issuer shall pay or there shall otherwise be paid, to the Holder of the Series 2007 A Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then with respect to the Series 2007 A Bonds, the pledge of Net Revenues and other monies and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owner of the Series 2007 A Bonds, shall thereupon cease, terminate and become void and be discharged and satisfied.

Except through such direct payment to the Holder of the Series 2007 A Bonds, the Issuer may not defease the Series 2007 A Bonds or otherwise provide for payment thereof by escrow or like manner.

Section 7.02. Modification or Amendment. The Bond Legislation may not be modified or amended after final passage without the prior written consent of the Purchaser.

Section 7.03. Delivery of Bonds. Section 7.04. Severability of Invalid Provisions. If any one or more of the covenants, agreements or provisions hereof should be held contrary to any express provision of law or contrary to the policy of express law, although not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed severable from the remaining covenants, agreements or provisions hereof, and shall in no way affect the validity of all the other provisions hereof or the Series 2007 A Bonds.

Section 7.05. Conflicting Provisions Repealed. The Prior Resolutions and all parts thereof not expressly hereby changed shall continue in full force and effect and this Bond Legislation shall be supplemental to the Prior Resolutions.

All resolutions and orders, or parts thereof, in conflict with the provisions hereof are, to the extent of such conflicts, hereby repealed; provided that this Section shall not be applicable to the Loan Resolution (Form FmHA 442-47).

Section 7.06. Table of Contents and Headings. The Table of Contents and headings of the articles, sections and subsections hereof are for convenience only and shall

WATER REVENUE BONDS, SERIES 2007 A
(UNITED STATES DEPARTMENT OF AGRICULTURE)

\$2,249,000

No. AR-1

Date: September 26, 2007

FOR VALUE RECEIVED, GLEN WHITE TRAP HILL PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of TWO MILLION TWO HUNDRED FORTY NINE THOUSAND DOLLARS (\$2,249,000), plus interest on the unpaid principal balance at the rate of 4.25% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$9,964, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolutions and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized

denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted September 24, 2007, authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act of 1965, as amended. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS ISSUED JUNIOR AND SUBORDINATE WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL OTHER RESPECTS, WITH THE ISSUER'S (I) WATER REVENUE BONDS, SERIES 1974 (GENERAL MOTORS ACCEPTANCE CORPORATION), DATED JUNE 26, 1974, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$830,000 (THE "SERIES 1974 BONDS"); AND (II) WATER REVENUE BONDS, SERIES 1975 B (GENERAL MOTORS ACCEPTANCE CORPORATION), DATED AUGUST 5, 1975 ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$425,000 (THE "SERIES 1975 B BONDS" AND TOGETHER WITH THE SERIES 1974 BONDS, THE "PRIOR BONDS").

In accordance with the requirements of the United States Department of Agriculture, the Bonds will be in default should any proceeds of the Bonds be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

IN WITNESS WHEREOF, GLEN WHITE TRAP HILL PUBLIC SERVICE DISTRICT has caused this Bond to be executed by its Chairman and its corporate seal to be hereunto affixed or imprinted hereon and attested by its Secretary, all as of the date hereinabove written.
