ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 22C, Article 2 of the

West Virginia Code of 1931, as amended (collectively, the “Act”), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Greater Harrison County Public Service District (the “Issuer”) is a public service district, a public corporation and political subdivision of the State of West Virginia in Harrison, Marion and Taylor Counties of said State.

B. The Issuer presently owns and operates a public sewerage system. However, it is deemed necessary and desirable for the health, safety, advantage, convenience, and welfare of the inhabitants of the Issuer that there be acquired and constructed certain improvements and extensions to the existing public sewerage system of the Issuer, consisting of sewer lines, nine sewage pump stations, five simplex grinder stations, five duplex grinder stations, force mains, a new 100,000 gallon per day wastewater treatment plant with major components to consist of an influent lift station, Orbal system, two clarifiers, sludge holding, ultraviolet disinfection, cascade aeration and effluent lift station to serve customers in the Clarksburg Country Club, Laurel Park, and Route 73 areas in Harrison, Marion and Taylor Counties, West Virginia, together with all appurtenant facilities (collectively, the “Project”), (the existing public sewerage facilities of the Issuer, the Project and any further extensions or improvements thereto are herein called the “System”), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer has heretofore temporarily financed the design and other preliminary costs of the Project by the issuance of the Sewerage System Design Revenue Bonds, Series 2010 A (West Virginia Water Development Authority), dated June 24, 2010, issued in the original aggregate principal amount of \$878,500 (the “Series 2010 A Bonds”) and Sewerage System Bond Anticipation Note, Series 2016 A, dated September 30, 2016, issued to Harrison County Bank in the original aggregate principal amount of \$350,000 (the “Series 2016 A Notes”) (collectively, the “Prior Notes”).

D. It is deemed necessary and desirable for the Issuer to pay the Prior Notes.

E. The Issuer intends to pay the Prior Notes and permanently finance a portion of the costs of acquisition and construction of the Project through the issuance of revenue bonds to the United States Department of Agriculture and the West Virginia Water Development Authority (the “Authority”), which administers the West Virginia Water Pollution Control Revolving Fund Program (the “SRF Program”) pursuant to the Act.

F. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds in the total aggregate principal amount of not more than \$22,765,500 in four or more series, being the (i) Sewer Revenue Bonds, Series 2019 A (United States Department of Agriculture), in the aggregate principal amount of not more than \$9,387,000 (the “Series 2019 A Bonds”), (ii) Sewer Revenue Bonds, Series 2019 B (United States Department of Agriculture), in the aggregate principal amount of not more than \$2,000,000 (the “Series 2019 B Bonds”), (iii) Sewer Revenue Bonds, Series 2019 C (West Virginia SRF Program), in the aggregate principal amount of not

The remaining Costs of the Project shall be funded from the sources set forth in Section 2.01 hereof. Such costs shall be deemed to include the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, upon the Series 2019 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in any Reserve Account (as hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, including the SRF Administrative Fee (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2019 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable Costs prior to the issuance of the Series 2019 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

G. The period of usefulness of the System after completion of the Project is not less than 40 years.

No. BR-1

Date: _____, 2019

FOR VALUE RECEIVED, GREATER HARRISON COUNTY PUBLIC SERVICE DISTRICT (the "Borrower") promises to pay to the order of the UNITED STATES OF AMERICA (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of _____ DOLLARS (\$ _____), plus interest on the unpaid principal balance at the rate of _____% per annum. The said principal and interest shall be paid in the following installments on the following dates: Annual installments of interest only, on _____, 20__ and _____, 20__ (24 months after the date hereof), and thereafter monthly installments of \$ _____, covering principal and interest, beginning _____, 20__, to and including _____, 20__ (40 years from the date of this Bond). Prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the

holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of (i) paying a portion of the costs of acquisition and construction of improvements and extensions to the existing public sewerage system (the "System") of the Borrower; and (ii) paying costs of issuance, payable solely from the net revenues to be derived from the operation of the System in the manner provided in the hereinafter defined Resolution. This Bond does not in any manner constitute an indebtedness of Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the Registered Owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolutions and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted on _____, 2019, and a Supplemental Resolution of the Borrower duly adopted on _____, 2019, authorizing issuance of this Bond (collectively, the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farmer and Rural Development Act of 1965, as amended. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

Principal, interest or reserve payments, whether for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2019 A Bonds, Series 2019 B Bonds, Series 2019 C Bonds and the First Lien Bonds in accordance with the respective principal amounts then Outstanding.

The Issuer may designate another bank or trust company insured by FDIC as Depository Bank if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser, the DEP and the Authority.

The Commission is hereby designated as the Fiscal Agent for the administration of the Series 2019 A Bonds Reserve Account, the Series 2019 C Bonds Sinking Fund and the Series 2019 C Bonds Reserve Account created hereunder, and all amounts required for such funds shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. F. The monies in excess of the maximum amounts insured by FDIC in any fund or account shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2019 Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2019 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2019 Bonds or the interest, if any, thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2019 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of any Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2019 Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with Respect to Prior Bonds. The payment of the debt service of the Series 2019 A Bonds, Series 2019 B Bonds and Series 2019 C Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues derived from the System, on a parity with the lien on the Net Revenues in favor of the Holders of the First Lien Bonds and senior and prior to the Second Lien Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2019 A Bonds, Series 2019 B Bonds, Series 2019 C Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal and the Issuer shall supply an opinion of counsel to such effect. Such rates and charges shall be sufficient to comply with the requirements of the Bond Purchase Agreement and the Issuer shall supply a certificate of certified public accountant to such effect. Since the Issuer satisfies the customer and gross revenue thresholds of West Virginia Code Section 16-13A-9, the PSC does not have any regulatory authority over the Issuer's rates and charges. The rates were approved by the board of the Issuer on May 17, 2017 and approved by The County Commission of Harrison County ("County Commission") on July 13, 2017. On August 9, 2017, a customer of the District filed a petition of appeal with the Circuit Court of Harrison County, West Virginia ("Circuit Court") challenging the new rates established by the District and approved by the County Commission (No. 17-P-163-2). On April 16, 2018, the

Circuit Court entered a final order and determined that the customer had not met the required statutory threshold to appeal the decision of the County Commission approving the District's requested rate increase. On May 15, 2018, the customer filed an appeal from the final order of the Circuit Court entered on April 16, 2018 with the Supreme Court of Appeals of West Virginia ("Supreme Court") (No. 18-0434). On March 27, 2019, the Supreme Court dismissed the customer's appeal of the April 16, 2018 Circuit Court final order as moot based on the Supreme Court's decision in *Pool v. Pub. Serv. Comm'n of W. Va.*, 241 W. Va. 233, 821 S.E.2d 14 (2018). Said rates are currently on file at the PSC as Tariff No. 15.

So long as the Prior Bonds and the Series 2019 Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation and in compliance with the Bond Purchase Agreement. In the event the schedule of rates and charges initially established for the System in connection with the Series 2019 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Bond Purchase Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are outstanding, the provisions governing the sale of the System, or any part thereof, shall be as set forth and described in the Prior Resolutions and the System may not be sold, mortgaged, leased or otherwise disposed of unless the Issuer has obtained the written consent of the Purchaser and the Authority, as applicable Bondholders. Further, so long as the Series 2019 Bonds are outstanding and except as otherwise required by law, and with the written consent of the Purchaser and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2019 A Bonds and Series 2019 B Bonds, immediately be remitted to the National Finance Office, and with respect to the Series 2019 C Bonds immediately be remitted to the Commission for deposit in the Series 2019 C Bonds Sinking Fund, and, with the written consent of the Purchaser and the Authority, the Issuer shall direct the National Finance Office and the Commission to apply such proceeds to the payment of principal of and interest, if any, on the Series 2019 Bonds. Any balance remaining after the payment of all the Series 2019 Bonds and interest, if any, thereon shall be remitted to the Issuer unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of \$10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation

thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of \$10,000 but not in excess of \$50,000, the Issuer shall first, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. Payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amounts required to be paid into such fund by other provisions of this Bond Legislation.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of \$50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided for in Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Bonds. All obligations issued by the Issuer after the issuance of the Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Bonds, and the interest thereon, if any, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest, if any, thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Purchaser, the Authority and the DEP prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the System, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of the Series 2019 Bonds pursuant to this Bond Legislation, without the prior written consent of the Authority and the Purchaser and without complying with the conditions and requirements herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2019 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the design, acquisition or construction of additions, extensions, improvements or betterments to the System or refunding any outstanding Bonds, or both such purposes.

So long as the Series 2019 A Bonds, the Series 2019 B Bonds and the RUS Bonds are Outstanding, no Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

- (1) The Bonds Outstanding;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Holders of the RUS Bonds, the Series 2019 A Bonds and the Series 2019 B Bonds, representing 75% of the then-outstanding principal indebtedness. In the event the foregoing limitation is waived or when the Series 2019 A Bonds, the Series 2019 B Bonds and the RUS Bonds are no longer outstanding, the following parity requirement shall be met:

So long as the Series 1986 A Bonds, Series 1986 B Bonds, Series 1990 A Bonds, Series 1990 B Bonds, Series 2003 A Bonds, Series 2003 B Bonds, Series 2008 A Bonds, Series 2016 A Bonds or Series 2019 C Bonds, are outstanding, no Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The “estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years,” as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from the improvements to be financed by such Parity Bonds and any increase in rates adopted by the Issuer, the time for appeal of which shall have expired prior to the issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period herein above referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the time for appeal of which shall have expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond over any other. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Series 2019 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2019 Bonds.

No Parity Bonds shall be issued at any time, however, unless all of the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of the Parity Bonds, and the Issuer then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Purchaser, the DEP and the Authority, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of the Bonds, requesting the same, an annual report containing the following:

- (B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the status of all said funds and accounts.
- (C) The amount of any Bonds, notes or other obligations payable from the revenues of the System outstanding.

All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Purchaser, the Authority and the DEP, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Purchaser, the Authority and the DEP, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority, the DEP and the Purchaser with respect to the System pursuant to the Act.

Prior to the issuance of the Series 2019 Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2019 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2019 Bonds, including the Prior Bonds; provided, that in the event that

The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the “Consolidated Fund.” The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2019 Bonds:

- (1) If default occurs in the due and punctual payment of the principal of or interest, if any, on any series of the Series 2019 Bonds; or
- (2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2019 Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2019 Bonds, and such default shall have

continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Prior Bonds or the Prior Resolutions.

Notwithstanding anything herein to the contrary, if default occurs in the due and punctual payment of the principal of or interest on any series of the Series 2019 Bonds or the Prior Bonds, it shall constitute an “Event of Default” with respect to the other series of the Series 2019 Bonds.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided, that all rights and remedies of the Holders of the Series 2019 A Bonds, Series 2019 B Bonds and Series 2019 C Bonds shall be on a parity with each other and the First Lien Bonds and senior and prior to the Second Lien Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project and after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof,

and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of the System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

(v) That the Local Government shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and DEP; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

This is the incremental amount for the Budget Year-to-Date column.
- Item 2 Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. - Item 4 Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are \$1,200, then \$30 (2.5% of \$1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Local Government.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Local Government on _____, as supplemented by the supplemental resolution duly adopted by the Local Government on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Bond Purchase Agreement has been undertaken. The Local Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Bond Purchase Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Bond Purchase Agreement has been duly authorized by and executed on behalf of the Local Government and is a valid and binding special obligation of the Local Government, enforceable in accordance with the terms thereof.

2. The Bond Purchase Agreement inures to the benefit of the Authority and the DEP and cannot be amended so as to affect adversely the rights of the Authority or the DEP or diminish the obligations of the Local Government without the consent of the Authority and the DEP.

3. The Local Government is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Bond Purchase Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Local Government to the Authority and are valid, legally enforceable and binding special obligations of the Local Government, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. Under the Act, the Local Bonds and any interest thereon are exempt from all taxation by the State of West Virginia, or any county, municipality, political subdivision or agency thereof.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

GREATER HARRISON COUNTY PUBLIC SERVICE DISTRICT
SEWER REVENUE BONDS, SERIES 2019 A
(UNITED STATES DEPARTMENT OF AGRICULTURE)

\$9,387,000

No. AR-1

Date: August 26, 2019

FOR VALUE RECEIVED, GREATER HARRISON COUNTY PUBLIC SERVICE DISTRICT (the "Borrower") promises to pay to the order of the UNITED STATES OF AMERICA (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of NINE MILLION THREE HUNDRED EIGHTY SEVEN THOUSAND DOLLARS (\$9,387,000), plus interest on the unpaid principal balance at the rate of 2.75% per annum. The said principal and interest shall be paid in the following installments on the following dates: Annual installments of interest only, on August 26, 2020 and August 26, 2021 (24 months after the date hereof), and thereafter monthly installments of \$33,230, covering principal and interest, beginning September 26, 2021 to and including August 26, 2059 (40 years from the date of this Bond). Prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the

holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of (i) paying the Sewerage System Bond Anticipation Note, Series 2016 A; (ii) paying a portion of the costs of acquisition and construction of improvements and extensions to the existing public sewerage system (the "System") of the Borrower; and (iii) paying costs of issuance, payable solely from the net revenues to be derived from the operation of the System in the manner provided in the hereinafter defined Resolution. This Bond does not in any manner constitute an indebtedness of Borrower within the meaning of any constitutional or statutory provision or limitation.

(UNITED STATES DEPARTMENT OF AGRICULTURE)

\$2,000,000

No. BR-1

Date: August 26, 2019

FOR VALUE RECEIVED, GREATER HARRISON COUNTY PUBLIC SERVICE DISTRICT (the "Borrower") promises to pay to the order of the UNITED STATES OF AMERICA (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of TWO MILLION DOLLARS (\$2,000,000), plus interest on the unpaid principal balance at the rate of 2.75% per annum. The said principal and interest shall be paid in the following installments on the following dates: Annual installments of interest only, on August 26, 2020 and August 26, 2021 (24 months after the date hereof), and thereafter monthly installments of \$7,080, covering principal and interest, beginning September 26, 2021 to and including August 26, 2059 (40 years from the date of this Bond). Prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the

holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of (i) paying a portion of the costs of acquisition and construction of improvements and extensions to the existing public sewerage system (the "System") of the Borrower; and (ii) paying costs of issuance, payable solely from the net revenues to be derived from the operation of the System in the manner provided in the hereinafter defined Resolution. This Bond does not in any manner constitute an indebtedness of Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the Registered Owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolutions and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted on August 13, 2019, and a Supplemental Resolution of the Borrower duly adopted on August 13, 2019, authorizing issuance of this Bond (collectively, the "Resolution").

(United States Department of Agriculture)

Greater Harrison County Public Service District

United States Department of Agriculture
Elkins, West Virginia

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Greater Harrison County Public Service District in Harrison, Marion and Taylor Counties, West Virginia (the "Issuer"), of its \$9,387,000 Sewer Revenue Bonds, Series 2019 A (United States Department of Agriculture), dated August 26, 2019 (the "Series 2019 A Bonds"), pursuant to Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), for the purposes of (i) paying the Issuer's Sewerage System Bond Anticipation Note, Series 2016 A, dated September 30, 2016, issued to Harrison County Bank in the original aggregate principal amount of \$350,000 (the "Series 2016 A Notes"); (ii) paying a portion of the costs of acquisition and construction of improvements and extensions to the existing public sewerage system of the Issuer (the "Project"); and (iii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, such certified copies of proceedings and other papers as we deem necessary to render this opinion, the Bond Resolution duly adopted by the Issuer on August 13, 2019, and a Supplemental Resolution duly adopted by the Issuer on August 13, 2019 (collectively, the "Bond Legislation") pursuant to and under which Act and Bond Legislation the Series 2019 A Bonds are authorized and issued.

As to questions of fact material to our opinion, we have relied upon the representations of the Issuer contained in the Bond Legislation and in the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The Issuer is duly created and validly existing as a public service district and as a public corporation and a political subdivision of the State of West Virginia with full power to adopt and

enact the Bond Legislation, perform the agreements on its part contained therein and issue and sell the Series 2019 A Bonds, all under the Act and other applicable provisions of law.

2. The Bond Legislation has been duly and effectively adopted and enacted by the Issuer and constitutes a valid and binding obligation of the Issuer enforceable upon the Issuer.

3. Pursuant to the Act, the Bond Legislation creates a valid lien on the funds pledged by the Bond Legislation for the security of the Series 2019 A Bonds, on a parity with the Issuer's: (i) Sewer Revenue Bonds, Series 1986 A (West Virginia Water Development Authority), dated November 6, 1986, issued in the original aggregate principal amount of \$1,758,771, under its prior name Grant-Union Public Service District (the "Series 1986 A Bonds"); (ii) Sewer Revenue Bonds, Series 1990 A (West Virginia Water Development Authority), dated April 6, 1990, issued in the original aggregate principal amount of \$285,908, under its prior name Grant-Union Public Service District (the "Series 1990 A Bonds"); (iii) Sewer Revenue Bonds, Series 1995 (United States Department of Agriculture), dated April 18, 1995, issued in the original aggregate principal amount of \$432,000, assumed as a result of a merger with Mount Clare Road Public Service District (the "Series 1995 Bonds"); (iv) Sewer Revenue Bonds, Series 2003 A (West Virginia SRF Program), dated June 26, 2003, issued in the original aggregate principal amount of \$1,981,165 (the "Series 2003 A Bonds"); (v) Sewer Revenue Bonds, Series 2003 B (West Virginia Infrastructure Fund), dated June 26, 2003, issued in the original aggregate principal amount of \$4,130,000 (the "Series 2003 B Bonds"); (vi) Sewer Revenue Bonds, Series 2008 A (West Virginia Infrastructure Fund), dated October 27, 2008, issued in the original aggregate principal amount of \$943,506 (the "Series 2008 A Bonds"); (vii) Sewer Revenue Bonds, Series 2016 A (West Virginia SRF Program), dated July 20, 2016, issued in the original aggregate principal amount of \$2,496,500 (the "Series 2016 A Bonds"); (viii) Sewer Revenue Bonds, Series 2019 B (United States Department of Agriculture), dated August 26, 2019, issued concurrently herewith in the original aggregate principal amount of \$2,000,000 (the "Series 2019 B Bonds"); and (ix) Sewer Revenue Bonds, Series 2019 C (West Virginia SRF Program), dated August 26, 2019, issued concurrently herewith in the original aggregate principal amount of \$9,878,500 (the "Series 2019 C Bonds"), and senior and prior to (i) Sewer Revenue Bonds, Series 1986 B (West Virginia Water Development Authority), dated November 6, 1986, issued in the original aggregate principal amount of \$431,387, under its prior name Grant-Union Public Service District (the "Series 1986 B Bonds"); and (ii) Sewer Revenue Bonds, Series 1990 B (West Virginia Water Development Authority), dated April 6, 1990, issued in the original aggregate principal amount of \$13,342, under its prior name Grant-Union Public Service District (the "Series 1990 B Bonds"); all in accordance with the terms of the Series 2019 A Bonds and the Bond Legislation.

4. The Series 2019 A Bonds have been duly authorized, executed and delivered by the Issuer and are valid and binding special obligations of the Issuer, payable solely from the sources provided therefor in the Bond Legislation.

5. The Series 2019 A Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Series 2019 A Bonds.

6. The Series 2019 A Bonds are, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of the State, and interest on the Series 2019 A Bonds is

exempt from personal income taxes and corporate net income taxes imposed directly thereon by the State of West Virginia.

7. With proceeds from the Series 2019 A Bonds, the Series 2016 A Note has been paid in full, and the covenants, agreements and other obligations of the Issuer to the owners of such Note has been satisfied and discharged. In rendering the opinion set forth in this paragraph, we have relied upon the receipt of payment from the owners of such Note that they have received payment for the entire outstanding principal of such Note and all interest accrued thereon on the date hereof and that such Note has been paid in full.

It is to be understood that the rights of the Holders of the Series 2019 A Bonds and the enforceability of the Series 2019 A Bonds, the Bond Legislation and the liens and pledges set forth therein may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that the enforcement thereof may also be subject to the exercise of judicial discretion in appropriate cases.

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Greater Harrison County Public Service District (the "Issuer"), a public service district, public corporation and political subdivision created and existing under the laws of the State of West Virginia, of its \$9,878,500 Sewer Revenue Bonds, Series 2019 C (West Virginia SRF Program), dated the date hereof (the "Series 2019 C Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a Bond Purchase Agreement dated August 26, 2019, including all schedules and exhibits attached thereto (the "Bond Purchase Agreement"), by and among the Issuer, the West Virginia Water Development Authority (the "Authority") and the West Virginia Department of Environmental Protection (the "DEP"), and the Series 2019 C Bonds, which are to be purchased by the Authority in accordance with the provisions of the Bond Purchase Agreement. The Series 2019 C Bonds are originally issued in the form of one bond, registered as to principal and interest to the Authority, bearing interest at the rate of 0.25% per annum, payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2021 and with principal installments payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing December 1, 2021 to and including June 1, 2057 all as set forth in the "Schedule Y" attached to the Bond Purchase Agreement and incorporated in and made a part of the Series 2019 C Bonds. The SRF Administrative Fee of 0.25% shall also be payable quarterly on March 1, June 1, September 1 and December 1 of each year commencing December 1, 2021, as set forth in the "Schedule Y" attached to the Bond Purchase Agreement and incorporated in and made a part of the Series 2019 C Bonds.

The Series 2019 C Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 22C, Article 2 of the West Virginia Code of 1931, as amended (collectively, the “Act”), for the purposes of (i) paying the Issuer’s Sewerage System Design Revenue Bonds, Series 2010 A (West Virginia Water Development Authority), dated June 24, 2010, issued in the original aggregate principal amount of \$878,500; (ii) paying a portion of the costs of acquisition and construction of improvements and extensions to the existing public sewerage system of the Issuer (the “Project”); and (iii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act, the Bond Resolution duly adopted by the Issuer on August 13, 2019, as supplemented by a Supplemental Resolution duly adopted by the Issuer on August 13, 2019 (collectively, the “Bond Legislation”), pursuant to and under which Act and Bond Legislation the Series 2019 C Bonds are authorized and issued, and the Bond Purchase Agreement has been entered into. The Series 2019 C Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Bond Purchase Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation and the Bond Purchase Agreement when used herein.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

2. The Bond Purchase Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and the DEP and cannot be amended by the Issuer so as to affect adversely the rights of the Authority and the DEP or diminish the obligations of the Issuer without the written consent of the Authority and the DEP.

3. The Bond Legislation and all other necessary orders and resolutions have been duly and effectively adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their terms. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Bond Purchase Agreement.

4. The Series 2019 C Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer’s: (i) Sewer Revenue Bonds, Series 1986 A (West Virginia Water Development Authority), dated November 6, 1986, issued in the original aggregate principal amount of \$1,758,771, under its prior name Grant-Union Public Service District (the “Series 1986 A Bonds”); (ii) Sewer Revenue Bonds, Series 1990 A (West Virginia Water Development

5. The Series 2019 C Bonds are, under the Act, exempt from taxation by the State of West Virginia and the other taxing bodies of the State, and the interest on the Series 2019 C Bonds, if any, is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

6. The Series 2019 C Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Series 2019 C Bonds.

7. With proceeds from the Series 2019 C Bonds, the Series 2010 A Bonds have been paid in full, and the covenants, agreements and other obligations of the Issuer to the owners of such Series 2010 A Bonds has been satisfied and discharged. In rendering the opinion set forth in this paragraph, we have relied upon the receipt of payment from West Virginia Municipal Bond Commission, paying agent for the Series 2010 A Bonds, that they have received payment for the entire outstanding principal of such Series 2010 A Bonds and all interest accrued thereon on the date hereof and that such Series 2010 A Bonds have been paid in full.

It is to be understood that the rights of the Holders of the Series 2019 C Bonds and the enforceability of the Series 2019 C Bonds, the Bond Purchase Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter

enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion and the application of equitable remedies in appropriate cases.

We have examined the executed and authenticated Bond numbered CR-1, and in our opinion the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

Ladies and Gentlemen:

I am counsel to Greater Harrison County Public Service District, a public service district, in Harrison, Marion and Taylor Counties, West Virginia (the "Issuer"). As such counsel, I have examined copies of the approving opinions of Steptoe & Johnson PLLC, as bond counsel, a Letter of Conditions dated August 13, 2015, and all amendments thereto, for the Series 2019 A Bonds and Series 2019 B Bonds, a bond purchase agreement for the Series 2019 C Bonds and Series 2019 D

Bonds dated August 26, 2019, including all schedules and exhibits attached thereto (the "Bond Purchase Agreement"), by and among the Issuer, the the West Virginia Water Development Authority (the "Authority"), and the West Virginia Department of Environmental Protection (the "DEP"), the Bond Resolution duly adopted by the Issuer on August 13, 2019, as supplemented by the Supplemental Resolution duly adopted by the Issuer on August 13, 2019 (collectively, the "Bond Legislation"), and other documents, papers, agreements, instruments and certificates relating to the above-captioned bonds of the Issuer (collectively, the "Series 2019 Bonds") and orders of The County Commission of Harrison County relating to the Issuer and the appointment of the members of the Public Service Board of the Issuer. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Bond Legislation and the Bond Purchase Agreement when used herein.

I am of the opinion that:

1. The Issuer has been duly created and is validly existing as a public service district and public corporation and political subdivision of the State of West Virginia.
2. The Bond Purchase Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the Authority, constitutes a valid and binding agreement of the Issuer, enforceable in accordance with its terms.
3. The members and officers of the Public Service Board of the Issuer have been duly, lawfully and properly appointed and elected, as applicable, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.
4. The Bond Legislation has been duly adopted by the Issuer and is in full force and effect.
5. The execution and delivery of the Series 2019 Bonds and the Bond Purchase Agreement and the consummation of the transactions contemplated by the Series 2019 Bonds, the Bond Purchase Agreement and the Bond Legislation and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any order, resolution, agreement or other instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, court order or consent decree to which the Issuer is subject.
6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations necessary for the creation and existence of the Issuer, the issuance of the Series 2019 Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for use of the System, including, without limitation, the receipt of all requisite orders, certificates, consents and approvals from the West Virginia Department of Environmental Protection and the County Commission of Harrison County, and has taken any other action required for the imposition of such rates and charges.
7. To the best of my knowledge, there is no litigation, action, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Bond Purchase Agreement, the Bond Legislation, the acquisition and construction

of the Project, the operation of the System, the validity of the Series 2019 Bonds or the collection or pledge of the Net Revenues therefor.

8. I have ascertained that all successful bidders have provided the drug-free workplace affidavit, submitted their drug-free workplace plan, and the contracts contain language that complies with the Drug-Free Workplace Act, Article 1D, Chapter 21 of the West Virginia Code. I have also verified that all successful bidders have made required provisions for all insurance and payment and performance bonds and we have reviewed such insurance policies or binders and such bonds for accuracy. I have reviewed the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project and verified that such surety bonds and policies (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interests of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Bond Legislation and the Bond Purchase Agreement; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Ladies and Gentlemen:

We are special counsel to the Greater Harrison County Public Service District, a public service district in Harrison, Marion and Taylor Counties, West Virginia (the "Issuer"). As such counsel, we have represented the Issuer before the County Commission of Harrison County, the Circuit Court of Harrison County and the Supreme Court of Appeals of West Virginia in connection with the rates and charges for the System. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Bond Legislation and the Bond Purchase Agreement when used herein.

The rates were approved by the board of the Issuer on May 17, 2017 and approved by The County Commission of Harrison County ("County Commission") on July 13, 2017. On August 9, 2017, a customer of the District filed a petition of appeal with the Circuit Court of Harrison County, West Virginia ("Circuit Court") challenging the new rates established by the District and approved by the

County Commission (No. 17-P-163-2). On April 16, 2018, the Circuit Court entered a final order and determined that the customer had not met the required statutory threshold to appeal the decision of the County Commission approving the District's requested rate increase. On May 15, 2018, the customer filed an appeal from the final order of the Circuit Court entered on April 16, 2018 with the Supreme Court of Appeals of West Virginia ("Supreme Court") (No. 18-0434). On March 27, 2019, the Supreme Court dismissed the customer's appeal of the April 16, 2018 Circuit Court final order as moot based on the Supreme Court's decision in *Pool v. Pub. Serv. Comm'n of W. Va.*, 241 W. Va. 233, 821 S.E.2d 14 (2018).

It is our opinion that said rates are currently on file at the PSC as Tariff No. 15 and are in full force and effect.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Sincerely,

A handwritten signature in blue ink that reads "Steptoe & Johnson PLLC". The signature is written in a cursive, flowing style.
