BE IT RESOLVED AND ORDERED BY THE PUBLIC SERVICE BOARD OF HARDY COUNTY PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for This Resolution. This Resolution is adopted pursuant to the provisions of Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law. Hardy County Public Service District (the "Issuer") is a public corporation and public service district and political subdivision of the State of West Virginia in Hardy County of said State, duly created pursuant to the Act by The County Commission of Hardy County.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

A. The Issuer currently owns and operates a public waterworks system and desires to finance and acquire, construct, operate and maintain certain additional public service properties consisting of additions, improvements and extensions to such existing

waterworks facilities with all appurtenant facilities, within the boundaries of the Issuer to be owned and operated by the Issuer.

B. It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer, and, accordingly, it is hereby ordered, that there be acquired and constructed certain additions, improvements and extensions to the existing waterworks facilities of the Issuer, consisting of three booster pump stations, a 100,000 gallon storage tank and approximately 110,000 linear feet of two-inch to eight-inch water line, and all necessary appurtenant facilities (the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Secretary of the Public Service Board (the "Governing Body") of the Issuer. The existing waterworks facilities of the Issuer, together with the Project and any further additions, improvements or extensions thereto, are herein called the "System." The acquisition and construction of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. The estimated revenues to be derived in each year from the operation of the System after completion of the Project will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Bonds (hereinafter defined) and all funds and accounts and other payments provided for herein.

D. The estimated maximum cost of the acquisition and construction of the Project is \$2,700,000, of which \$650,000 will be obtained from the proceeds of sale of the Series 2001 A Bonds herein authorized, \$800,000 will be obtained from a grant from the Purchaser and \$1,250,000 will be obtained from a grant from the United States Department of Housing and Urban Development (Small Cities Block Grant through the State of West Virginia).

E. It is necessary for the Issuer to issue its Water Revenue Bonds, Series 2001 A (United States Department of Agriculture), in the aggregate principal amount of \$650,000 (the "Series 2001 A Bonds"), to finance a portion of the cost of such acquisition and construction in the manner hereinafter provided. The cost of such acquisition and construction shall be deemed to include, without being limited to, the acquisition and construction of the Project; the cost of all property rights, easements and franchises deemed necessary or convenient therefor and for the improvements and extensions thereto; interest on the Series 2001 A Bonds prior to, during and for six months after completion of such acquisition and construction of the improvements and extensions; engineering, fiscal agents and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the Project, administrative expense, and such other expenses as may be necessary or incident to the financing herein authorized, and the acquisition and construction of the properties and the placement of same in operation; provided that, reimbursement to the

Issuer for any amounts expended by it for the repayment of indebtedness incurred for costs of the Project by the Issuer shall be deemed costs of the Project.

Subject and pursuant to the provisions of the Bond Legislation, the Series 2001 A Bonds of the Issuer, to be known as "Water Revenue Bonds, Series 2001 A (United States Department of Agriculture)", are hereby authorized to be issued in the principal amount of \$650,000, for the purpose of financing a portion of the cost of the acquisition and construction of the Project.

Section 3.02. Description of Bonds. The Series 2001 A Bonds shall be issued in single form, numbered AR-1, only as a fully registered Bond, and shall be dated the date of delivery thereof. The Series 2001 A Bonds shall bear interest from the date of delivery, payable monthly at the rate of 4.875% per annum, and shall be sold for the par value thereof.

The Series 2001 A Bonds shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer, and shall be payable as provided in the respective Bond forms hereinafter set forth.

Section 3.03. Negotiability, Registration, Transfer and Exchange of Bonds. The Series 2001 A Bonds shall be and have all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but the Series 2001 A Bonds, and the right to principal of and stated interest on the Series 2001 A Bonds, may only be transferred by transfer of the registration thereof upon the books required to be kept pursuant to Section 3.04 hereof, by the party in whose name it is registered, in person or by attorney duly authorized in writing, upon surrender of the Series 2001 A Bonds for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Bond Registrar.

Whenever the Series 2001 A Bonds shall be surrendered for registration of transfer, the Issuer shall execute and deliver a new Bond or Bonds in authorized denominations, for a like aggregate principal amount. The Bond Registrar shall require the payment by the new owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer, but the Issuer shall pay any other expenses incurred by the Bond Registrar with respect to such transfer.

No registration of transfer of the Series 2001 A Bonds shall be permitted to be made after the 15th day next preceding any installment payment date on the Series 2001 A Bonds.

The Issuer shall be the Bond Registrar and will keep, or cause to be kept by its agent, at its office, sufficient books for the registration and transfer of the Series 2001 A Bonds, and, upon presentation for such purpose, the Bond Registrar shall, under such reasonable regulations as it may prescribe, register the Series 2001 A Bonds initially issued pursuant hereto and register the transfer, or cause to be registered by its agent, on such books, the transfer of the Series 2001 A Bonds as hereinbefore provided.

The Bond Registrar shall accept the Series 2001 A Bonds for registration or transfer only if ownership thereof is to be registered in the name of the Purchaser, an individual (including joint ownership), a corporation, a partnership or a trust, and only upon receipt of the social security number of each individual, the federal employer identification number of each corporation or partnership or the social security numbers of the settlor and beneficiaries of each trust and the federal employer identification number and date of each trust and the name of the trustee of each trust and/or such other identifying number and information as may be required by law. The Series 2001 A Bonds shall initially be fully registered as to both principal and interest in the name of the United States of America. The Series 2001 A Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

In case the Series 2001 A Bonds shall become mutilated or be destroyed, stolen or lost, the Issuer may in its discretion issue and deliver a new Bond of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bonds or in lieu of and substitution for the Bonds destroyed, stolen or lost, and upon the holder's furnishing the Issuer proof of his ownership thereof and complying with such other reasonable regulations and conditions as the Issuer may require. The Series 2001 A Bonds so surrendered shall be canceled and held for the account of the Issuer. If the Series 2001 A Bonds shall have

matured or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, and, if such Bond be destroyed, stolen or lost, without surrender thereof.

Section 3.07. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Series 2001 A Bonds shall be secured forthwith by a first lien on the Net Revenues derived from the System, on a parity with the Prior Bonds. The Net Revenues derived from the System in an amount sufficient to pay the principal of and interest on the Series 2001 A Bonds and the Prior Bonds, and to make the payments as hereinafter provided, are hereby irrevocably pledged to the payment of the principal of and interest on the Series 2001 A Bonds and the Prior Bonds as the same become due.

Subject to the provisions hereof, the text of the Series 2001 A Bonds and the other details thereof shall be of substantially the following tenor, with such omissions, insertions and variations as may be authorized or permitted hereby or by any resolution adopted after the date of adoption hereof and prior to the issuance thereof:

(UNITED STATES DEPARTMENT OF AGRICULTURE)

\$650,000

No. AR-1

Date: _____, 2001

FOR VALUE RECEIVED, HARDY COUNTY PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of _____ DOLLARS (\$ _____), plus interest on the unpaid principal balance at the rate of 5.125% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$3,244 covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolution and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized

denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted _____, 2001, authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS ISSUED ON A PARITY, AS TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, WITH THE BORROWER'S (1) WATER REVENUE BOND, SERIES 1988; (2) WATER REVENUE BOND, SERIES 1990; (3) WATER REVENUE BOND, SERIES 1993; (4) WATER REVENUE BOND, SERIES 1995 A; (5) WATER REVENUE BOND, SERIES 1995 B; AND WATER REVENUE BONDS, SERIES 1998 A AND SERIES 1999 B, AS DESCRIBED IN THE RESOLUTION.

IN WITNESS WHEREOF, HARDY COUNTY PUBLIC SERVICE DISTRICT

SYSTEM REVENUES AND APPLICATION THEREOF; DISPOSITION OF BOND PROCEEDS; FUNDS AND ACCOUNTS

Section 4.01. Establishment of Funds and Accounts with Depository Bank. The following special funds or accounts are created with (or continued if previously established by the Prior Resolutions) and shall be held by the Depository Bank, separate and apart from all other funds or accounts of the Depository Bank and from each other:

- (1) Revenue Fund (established by the Prior Resolutions);
- (2) Depreciation Reserve (established by the Prior Resolutions and continued hereby); and
- (3) Project Construction Account.

Section 4.02. Establishment of Funds and Accounts with Commission. The following special funds or accounts are hereby created with (or continued if previously established by the Prior Resolutions) and shall be held by the Commission separate and apart from all other funds or accounts of the Commission and the Issuer and from each other:

- (1) Prior Bonds Reserve Funds (established by the Prior Resolutions); and
- (2) Series 2001 A Bonds Reserve Account.

Section 4.03. Bond Proceeds; Project Construction Account. The proceeds of the sale of the Series 2001 A Bonds shall be deposited upon receipt by the Issuer in the Project Construction Account. The moneys in the Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by the Depository Bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Moneys in the Project Construction Account shall be expended by the Issuer solely for the purposes provided herein.

Moneys in the Project Construction Account shall be used solely to pay the cost of acquisition and construction of the Project upon vouchers and other documentation approved by the Purchaser.

Until completion of acquisition and construction of the Project, the Issuer will additionally transfer from the Project Construction Account and pay to the Purchaser on or before the due date, such sums as shall be from time to time required to make the monthly

installments on the Series 2001 A Bonds if there are not sufficient Net Revenues to make such monthly payment.

Pending application as provided in this Section 4.02, money and funds in the Project Construction Account shall be invested and reinvested at the direction of the Issuer, to the extent possible in accordance with applicable law, in Qualified Investments.

When acquisition and construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the Project Construction Account shall be disposed of in accordance with the regulations of the Purchaser.

Section 4.04. Covenants of the Issuer as to System Revenues and Funds.

So long as any of the Series 2001 A Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 2001 A Bonds Reserve Account, a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Series 2001 A Bonds remaining unpaid, together with interest accrued and to accrue thereon, the Issuer further covenants with the Holders of the Series 2001 A Bonds as follows:

A. REVENUE FUND. The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited as collected by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Resolutions and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in the Resolutions.

B. DISPOSITION OF REVENUES. All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority, subject to the provisions of the Prior Resolution not otherwise modified herein:

(1) The Issuer shall first, each month, pay from the Revenue Fund the Operating Expenses of the System.

(2) The Issuer shall next, each month, on or before the due date of payment of each installment on the Prior Bonds and the Series 2001 A Bonds, transfer from the Revenue Fund and remit to the National Finance Office, the amounts required to pay the interest on the Prior Bonds and the Series 2001 A Bonds and to amortize the principal of the Prior Bonds and the Series 2001 A Bonds over the respective lives of

each Bond issue. All payments with respect to principal of and interest on the Prior Bonds and the Series 2001 A Bonds shall be made on an equal pro rata basis in accordance with the respective aggregate principal amounts thereof outstanding and on a parity with each other.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously remit to the Commission (i) for deposit into the Prior Bonds Reserve Funds, the amounts required by the Prior Resolutions; and (ii) for deposit into the Series 2001 A Bonds Reserve Account, 0.4167% of the Minimum Reserve, until the amount in the Series 2001 A Bonds Reserve Account equals the Minimum Reserve. Moneys in the Series 2001 A Bonds Reserve Account shall be used solely to make up any deficiency for monthly payments of the principal of and interest on the Series 2001 A Bonds to the National Finance Office as the same shall become due or for prepayment of installments on the Series 2001 A Bonds, or for mandatory prepayment of the Series 2001 A Bonds as hereinafter provided, and for no other purpose; provided, however, that when the Minimum Reserve has been accumulated in the Series 2001 A Bonds Reserve Account, all earnings of investments of moneys therein shall at least annually be transferred to and deposited in the Revenue Fund.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Depreciation Reserve, (i) the amount required by the Prior Resolutions; and (ii) 0.4167% of the Minimum Reserve, until the amount in the Series 2001 A Bonds Reserve Account equals the Minimum Reserve, and thereafter, 0.8334% of the Minimum Reserve, so long as the Series 2001 A Bonds are outstanding; provided, however, that in the event Revenues are insufficient to fund the Series 2001 A Bonds Reserve Account in accordance with Section 4.03B(3)(ii) above, or a withdrawal of funds from the Series 2001 A Bonds Reserve Account is made, payment of Revenues into the Depreciation Reserve as provided in this Section 4.03B(4)(ii) shall not be made, but instead Revenues shall be applied to the replenishment of the Series 2001 A Bonds Reserve Account until such deficiency is cured, at which time payments into the Depreciation Reserve as provided in this Section 4.03B(4)(ii) shall resume. Moneys in the Depreciation Reserve shall be used first to make up any

deficiencies for monthly payments of interest on and principal of the Prior Bonds and the Series 2001 A Bonds as the same become due, and next to restore to the Reserve Fund and the Series 2001 A Bonds Reserve Account any sum or sums transferred therefrom, all on a pro rata basis. Thereafter, and provided that payments are current and in accordance with the foregoing provisions, moneys in the Depreciation Reserve may be withdrawn by the Issuer and used for replacements, repairs, improvements or extensions to the System.

(5) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, any moneys remaining therein and not permitted to be retained therein may be used to prepay installments of the Bonds, pro rata, or for any lawful purpose.

Whenever the money in the Series 2001 A Bonds Reserve Account shall be sufficient to prepay the Series 2001 A Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Series 2001 A Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The Commission is hereby designated as the Fiscal Agent for the administration of the Series 2001 A Bonds Reserve Account as herein provided, and all amounts required for the Series 2001 A Bonds Reserve Account will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein. If required by the Purchaser at anytime, the Issuer shall make the necessary arrangements whereby required payments into said account shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

The Issuer shall, on the first day of each month (if the first day is not a business day, then the first business day of each month), deposit with the Commission the required reserve account payments with respect to the Bonds and all such payments shall be remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation.

The Depository Bank is hereby designated as the Fiscal Agent for the administration of the Depreciation Reserve as herein provided, and all amounts required for the Depreciation Reserve will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written instructions stating the amount remitted for deposit into each such fund.

The Revenue Fund, the Series 2001 A Bonds Reserve Account and the Depreciation Reserve shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Series 2001 A Bonds and the interest thereon.

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2001 A Bonds and the Prior Bonds, in accordance with the respective principal amounts then Outstanding.

Subject to the Prior Resolutions, the Commission and the Depository Bank, at the direction of the Issuer, shall keep the moneys in the Series 2001 A Bonds Reserve Account and the Depreciation Reserve invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Legislation shall, unless otherwise provided herein or required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia Board of Investment Management. Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held,

and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. Earnings from moneys in the Series 2001 A Bonds Reserve Account, so long as the Minimum Reserve is on deposit and maintained therein, shall be returned not less than once each year, by the Commission to the Issuer, to be deposited in the Revenue Fund.

C. **CHANGE OF DEPOSITORY BANK.** The Issuer may designate another bank or trust company insured by FDIC as Depository Bank if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

D. **USER CONTRACTS.** The Issuer shall, prior to delivery of the Series 2001 A Bonds, provide evidence that there will be at least 1,113 bona fide users upon the Project on completion, in full compliance with the requirements and conditions of the Purchaser.

E. **CHARGES AND FEES.** The Issuer shall remit from the Revenue Fund to the Commission or the Depository Bank such additional sums as shall be necessary to pay the charges and fees of the Commission or the Depository Bank then due.

F. **INVESTMENT OF EXCESS BALANCES.** The moneys in excess of the sum insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State of West Virginia.

G. **REMITTANCES.** All remittances made by the Issuer to the Commission or the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

H. **GROSS REVENUES.** The Gross Revenues of the System shall only be used for purposes of the System.

Section 4.05. Interim Construction Financing. In order to pay certain costs of the Project pending receipt of proceeds of the Grants and advances of principal of the Series 2001 A Bonds, the Issuer may issue and sell its interim construction notes in an aggregate principal amount not to exceed \$650,000 (the "Notes"). The Notes shall be in the form of a line of credit from a commercial bank or other lender, and the Issuer is hereby authorized to enter into the credit agreement with such commercial bank or other lender. The Notes shall bear interest from the date or dates, at such rate or rates, payable on such dates and shall mature on such date or dates and be subject to such prepayment or redemption, all as provided in the credit agreement.

The Notes shall be special obligations of the Issuer payable as to principal and interest solely from proceeds of the Series 2001 A Bonds or the Grants. The Notes do not and shall not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions. The general funds of the Issuer are not liable, and neither the full faith and credit nor the taxing power of the Issuer, if any, is pledged for the payment of the Notes. The Holders of the Notes shall never have the right to compel the forfeiture of any property of the Issuer. The Notes shall not be a debt of the Issuer, nor a legal or equitable pledge, charge, lien or encumbrance upon any property of the Issuer or upon any of its income, receipts or revenues except as set forth herein.

ARTICLE V

GENERAL COVENANTS, ETC.

Section 5.01. General Statement. So long as the Series 2001 A Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 2001 A Bonds Reserve Account a sum sufficient to prepay the entire principal of the Series 2001 A Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Holder of the Series 2001 A Bonds.

Section 5.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Series 2001 A Bonds and the Prior Bonds and sufficient to make the payments required herein into all funds and accounts and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as the Series 2001 A Bonds are outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. No additional parity bonds or obligations payable out of any of the Revenues of the System shall be issued, except with the prior written consent of the Purchaser.

Section 5.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Series 2001 A Bonds remain outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance. to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or

destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Series 2001 A Bonds.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workers' Compensation Coverage for All Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds have been or will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

(e) Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer; however, if the System is located in a community which has been notified as having

special flood or mudslide prone areas, flood insurance must be obtained.

(f) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount of \$50,000 upon the treasurer, provided, however, that no bond shall be required insofar as custody of the Project Construction Account is concerned so long as checks thereon require the signature of a representative of the Purchaser.

(g) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Series 2001 A Bonds are outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Statutory Mortgage Lien. For the further protection of the Holder of the Series 2001 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, on a parity with the Prior Bonds, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Series 2001 A Bonds.

Section 5.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(a) Failure to make payment of any monthly amortization installment upon the Series 2001 A Bonds at the date specified for payment thereof; and

(b) Failure to duly and punctually observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Series 2001 A Bonds or herein, or violation of or failure to observe any provision of any pertinent law.

Section 5.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default, appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 5.09. Fiscal Year; Budget. While the Series 2001 A Bonds are outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the 1st day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year preceding by more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 5.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer on file with the Secretary on the date of adoption hereof, subject to permitted changes.

Section 5.12. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer shall further comply with the Act with respect to such books, records and accounts.

Section 5.13. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Series 2001 A Bonds are outstanding.

Section 5.14. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

ARTICLE VI

RATES, ETC.

Section 6.01. Initial Schedule of Rates and Charges; Rules. A. The initial schedule of rates and charges for the services and facilities of the System, subject to change consonant with the provisions hereof, shall be as set forth in the Final Order of the Public Service Commission of West Virginia, entered on April 2, 1998, Case No. 97-0953-PWD-CN, which Final Order is incorporated herein by reference as a part hereof.

B. There shall not be any discrimination or differential in rates between customers in similar circumstances.

C. All delinquent fees, rates and charges for services or facilities of the System shall be liens on the premises served of equal degree, rank and priority with the lien on such premises of state, county, school and municipal taxes, as provided in the Act. The Issuer shall have all remedies and powers provided under the Act and other applicable provisions of law with regard to the collection and enforcement of such fees, rates and charges.

D. The Issuer will not render or cause to be rendered any free services of any nature by the System nor any of the facilities; and in the event that the Issuer or any department, agency, officer or employee thereof should avail itself or themselves of the services or facilities of the System, the same fees, rates and charges applicable to other customers receiving like services under similar circumstances shall be charged, such charges shall be paid as they accrue, and revenues so received shall be deposited and accounted for in the same manner as other Revenues of the System.

E. The Issuer may require any applicant for any service by the System to deposit a reasonable and equitable amount to insure payment of all charges for the services rendered by the System, which deposit shall be handled and disposed of under the applicable rules and regulations of the Public Service Commission of West Virginia.

F. The Issuer, to the extent permitted by law, will not accept payment of any water bill from a customer served with water and sewer services by the Issuer without payment at the same time of a sewer bill owed by such customer for the same premises.

ARTICLE VII

MISCELLANEOUS

Section 7.01. Payment of Bonds. If the Issuer shall pay or there shall otherwise be paid, to the Holder of the Series 2001 A Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then with respect to the Series 2001 A Bonds, the pledge of Net Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owner of the Series 2001 A Bonds, shall thereupon cease, terminate and become void and be discharged and satisfied.

Section 7.02. Modification or Amendment. The Bond Legislation may not be modified or amended after final passage without the prior written consent of the Purchaser.

Section 7.03. Delivery of Bonds. The Chairman, Secretary and Treasurer of the Governing Body are hereby authorized and directed to cause the Series 2001 A Bonds, hereby awarded to the Purchaser pursuant to prior agreement, to be delivered to the Purchaser as soon as the Purchaser will accept such delivery.

Section 7.04. Severability of Invalid Provisions. If any one or more of the covenants, agreements or provisions hereof should be held contrary to any express provision of law or contrary to the policy of express law, although not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed severable from the remaining covenants, agreements or provisions hereof, and shall in no way affect the validity of all the other provisions hereof or the Series 2001 A Bonds.

Section 7.05. Conflicting Provisions Repealed. The Prior Resolutions and all parts thereof not expressly hereby changed shall continue in full force and effect and this Bond Legislation shall be supplemental to the Prior Resolutions.

BE IT RESOLVED AND ORDERED BY THE PUBLIC SERVICE BOARD OF HARDY COUNTY PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A, of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared that:

A. Hardy County Public Service District (the "Issuer") is a public service district and political subdivision of the State of West Virginia in Hardy County of said State, duly created by The County Commission of Hardy County pursuant to the Act.

B. The Issuer presently does not own or operate a public waterworks system, and it is deemed essential, convenient, necessary and desirable for the health, safety, advantage, convenience and welfare of the inhabitants of the Issuer, and, accordingly, it is hereby ordered that there be acquired and constructed certain

waterworks facilities consisting of a waterworks system comprised of lines and a tank reservoir, with all necessary appurtenant facilities (the "Project"), which constitute properties for the diversion, development, pumping, impounding, treatment, storage, distribution or furnishing of water to or for the public for industrial, public, private or other uses (the Project and any additions and improvements thereto or extensions thereof is herein called the "System") at an estimated cost of \$1,033,000, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Secretary of the Public Service Board (the "Governing Body") of the Issuer, of which approximately \$300,000 will be obtained from the Bond, approximately \$473,000 will be obtained by a grant from the Purchaser and approximately \$260,000 will be obtained by a grant from the Department of Housing and Urban Development (Small Cities Block Grant through the State of West Virginia). Certain amounts of water will be purchased from the Town of Moorefield pursuant to a water purchase contract between the Town of Moorefield and the Issuer. The acquisition and construction of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. The estimated revenues to be derived in each year from the operation of the System after completion of the Project will be sufficient to pay all the costs of the operation and maintenance of the System, the principal of and interest on the Bond (as hereinafter defined) and all debt service, reserve fund and other payments provided for herein.

D. It is deemed necessary for the Issuer to issue its Water Revenue Bond in the aggregate principal amount of \$300,000 (the "Bond" or "Bonds"), to finance part of the costs of acquisition and construction of the Project. The cost of such acquisition and construction shall be deemed to include, without being limited to, the acquisition and construction of the Project; the acquisition of any necessary property, real or personal, or interest therein; interest on the Bond prior to, during and for 6 months after completion of such construction to the extent that revenues of the System are not sufficient therefor; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; and such other expenses as may be necessary or incidental to the construction of the Project and the financing authorized hereby; provided, that reimbursement to the Issuer for any amounts expended by it for the repayment of indebtedness incurred for Costs of the Project by the Issuer shall be deemed Costs of the Project.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that the Bond be sold to the United States Department of Agriculture, Farmers Home Administration (the "Purchaser"), pursuant to the terms and provisions of a letter of conditions dated January 21, 1987, and all amendments thereto (collectively, the "Letter of Conditions").

G. There are no outstanding obligations of the Issuer which will rank prior to or on a parity with the Bond as to lien, pledge and/or source of and security for payment.

H. The Issuer has complied with all requirements of law relating to authorization of the acquisition and construction of the Project, the operation of the System, including, without limitation, the imposition of rates and charges, and the issuance of the Bond, or will have so complied prior to issuance of the Bond, including among other things and without limitation, the consent and approval, pursuant to the Act and all other provisions of law, of the issuance of the Bond, the acquisition and construction of the Project and the imposition of rates and charges by the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Bond by those who shall be the registered owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Bondholder and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the registered owners of any and all of such Bond or Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond and any other Bond, by reason of priority of issuance or otherwise, except as expressly provided therein and herein.

Subject and pursuant to the provisions hereof, the Bond of the Issuer, to be known as "Water Revenue Bond, Series 1988," is hereby authorized to be issued in the aggregate principal amount of not exceeding \$300,000 for the purpose of permanently financing a portion of the Costs of the Project.

Section 3.02. Description of Bond. The Bond shall be initially issued as a single Bond, No. R-1, only as a fully registered Bond, and shall be dated the date of delivery thereof. The Bond shall bear interest from date of delivery, payable monthly at the rate of 5% per annum and shall be sold for the par value thereof.

The Bond shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer, and shall be payable as provided in the Bond form hereinafter set forth.

Section 3.03. Negotiability, Registration, Transfer and Exchange of Bond. Subject to the provisions for transfer of registration set forth below, the Bond shall be and have all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State, but the Bond, and the right to principal of, and stated interest on, the Bond, may only be transferred by transfer of the registration thereof upon the books required to be kept pursuant to Section 3.04 hereof, by the party in whose name it is registered, in person or by attorney duly authorized in writing, upon surrender of the Bond for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Bond Registrar. The Bond Registrar shall require the payment by the Bondholder requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer, but the Issuer

shall pay any other expenses incurred by the Bond Registrar with respect to such transfer.

No registration of transfer of the Bond shall be permitted to be made after the 15th day next preceding any installment payment date on the Bond.

In case any one or more of the officers who shall have signed or sealed the Bond shall cease to be such officer of the Issuer before the Bond so signed and sealed have been actually sold and delivered, such Bond may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bond had not ceased to hold such office. Any Bond may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bond shall hold the proper office in the Issuer, although at the date of such Bond such person may not have held such office or may not have been so authorized.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case the Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may in its discretion issue and deliver a new Bond of like tenor as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the holder's furnishing the Issuer proof of his ownership thereof and complying with such other reasonable regulations and conditions

as the Issuer may require. The Bond so surrendered shall be cancelled and held for the account of the Issuer. If the Bond shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, and, if such Bond be destroyed, stolen or lost, without surrender thereof.

The payment of the debt service of the Bond shall be secured forthwith by a first lien on the Net Revenues derived from the System, in addition to the statutory mortgage lien on the System hereinafter provided for. While this Bond is held by an insured lender, prepayments as above authorized made by the Issuer may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by the Issuer, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by the Issuer, and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by the Issuer to the Government without demand. The Issuer agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

The Issuer hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond is issued to permanently finance a portion of the costs of acquisition and construction of new waterworks facilities of the Issuer, and this Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of construction and acquisition of additions, extensions and

improvements to the waterworks system (the "System") of the Issuer, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, nor shall the Issuer be obligated to pay the same or the interest thereon except from the special fund so provided.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Issuer, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Bond Legislation, and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A, of the West Virginia Code (herein called the "Act"), and with a resolution of the Issuer duly adopted authorizing issuance of this Bond (the "Bond Legislation").

If at any time it shall appear to the Government that the Issuer may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, the Issuer will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to the Issuer made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Farmers Home Administration and to its future regulations not inconsistent with the express provisions hereof.

IN WITNESS WHEREOF, the HARDY COUNTY PUBLIC SERVICE DISTRICT has caused this Bond to be executed by its Chairman and its corporate seal to be hereunto affixed or imprinted hereon and attested by its Secretary, all as of the date hereinabove written.

SYSTEM REVENUES AND APPLICATION THEREOF; DISPOSITION OF BOND PROCEEDS; FUNDS AND ACCOUNTS; REBATE

Section 4.01. Establishment of Funds and Accounts with Depository Bank. The following special funds or accounts are created and established with and shall be held by the Depository Bank separate and apart from all other funds or accounts of the Depository Bank and from each other:

- (1) Revenue Fund;
- (2) Project Construction Account;
- (3) Depreciation Reserve;
- (4) Reserve Fund;
- (5) Earnings Fund; and
- (6) Rebate Fund.

Section 4.02. Bond Proceeds; Project Construction Account. The proceeds of the Bond shall be deposited in the Project Construction Account. The moneys in the Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by such bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Moneys in the Project Construction Account shall be expended by the Issuer solely for the purposes provided herein.

Amounts in the Project Construction Account shall be disbursed for Costs of the Project upon filing in the official records pertaining to such account of a certificate of the Issuer describing such disbursement, setting forth the portion, if any, of the Net Proceeds of the Bond to be used for a Private Business Use or to make or finance a loan (other than a loan constituting a Nonpurpose Investment) to other than a state or local governmental unit and certifying that there has been compliance with the provisions of Section 5.12 hereof relating to the Private Business Use limitation and the private loan limitation. Investment earnings and profits on Gross Proceeds of the Bond in the Project Construction Account shall be transferred to the Earnings Fund upon receipt thereof as provided in Section 4.04 hereof. Amounts, if any, remaining in the Project Construction Account shall, upon receipt from the Issuer of a certificate certifying that no further amounts are required to be disbursed for costs and expenses of the

Project, be invested at a Yield not in excess of the Yield of the Bond and shall be transferred and used for redemption of the Bond (or a portion thereof) on the interest payment date next succeeding and the Project Construction Account shall be closed.

Until completion of acquisition and construction of the Project, the Issuer will additionally transfer from the Project Construction Account and pay to the Purchaser on or before the due date, such sums as shall be from time to time required to make the monthly installments on the Bond if there are not sufficient Net Revenues to make such monthly payment.

Pending application as provided in this Section 4.02, money and funds in the Project Construction Account shall be invested and reinvested at the direction of the Issuer, to the extent possible in accordance with applicable law, in Qualified Investments, subject, however, to the provisions of Section 4.04 and Section 5.11 hereof.

Section 4.03. Covenants of the Issuer as to System Revenues and Funds. So long as the Bond shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund, a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Bond remaining unpaid, together with interest accrued to the date of such payment, the Issuer further covenants with the holder of the Bond as follows:

(A) REVENUE FUND. The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited as collected by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided herein and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided herein.

(B) DISPOSITION OF REVENUES. All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority, subject to the provisions of Section 4.04 hereof:

(i) The Issuer shall first each month pay from the moneys in the Revenue Fund all current Operating Expenses.

(ii) The Issuer shall next, on or before the due date of payment of each installment on the Bond, transfer from the Revenue Fund and

remit to the National Finance Office designated in the Bond (or such other place as may be provided pursuant to the Bond) the amount required to pay the interest on the Bond, and to amortize the principal of the Bond over the life of the Bond issue.

(iii) The Issuer shall also, on each date that payment is made as set forth in (ii) above, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Reserve Fund, 1/12th of 1/10th of the amount, as of the date of calculation, equal to the maximum amount of principal and interest which will become due on the Bond in any year, but in no event to exceed 10% of the proceeds of the Bond, until the amount in the Reserve Fund equals such maximum amount (the "Minimum Reserve"). After the Minimum Reserve has been accumulated in the Reserve Fund, the Issuer shall monthly deposit into the Reserve Fund such part of the moneys remaining in the Revenue Fund, after such provision for payment of monthly installments on the Bond and for payment of Operating Expenses of the System, as shall be required to maintain the Minimum Reserve in the Reserve Fund. Moneys in the Reserve Fund not required to be transferred to the Earnings Fund pursuant to Section 4.04 hereof shall be used solely to make up any deficiency for monthly payments of the principal of and interest on the Bond to said National Finance Office (or other place provided) as the same shall become due or for prepayment of installments on the Bond, or for mandatory prepayment of the Bond as hereinafter provided, and for no other purpose.

(iv) The Issuer shall next, on each date that payments are made as set forth in (ii) above, transfer from the Revenue Fund and deposit in the Depreciation Reserve, the moneys remaining in the Revenue Fund and not permitted to be retained therein, until there has been accumulated in the Depreciation Reserve the aggregate sum of \$51,650, and thereafter such sums as shall be required to maintain such amount therein. Moneys in the Depreciation Reserve, other than any sum or sums required to

be transferred to the Earnings Fund, shall be used first to make up any deficiencies for monthly payments of principal of and interest on the Bond as the same become due, and next to restore to the Reserve Fund any sum or sums transferred therefrom other than pursuant to Section 4.04 hereof. Thereafter, and provided that payments into the Reserve Fund are current and in accordance with the foregoing provisions, moneys in the Depreciation Reserve, other than any sum or sums required to be transferred to the Earnings Fund, may be withdrawn by the Issuer and used for extraordinary repairs and for replacements of equipment and improvements for the System, or any part thereof.

(v) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, moneys remaining therein and not required to be retained therein, if any ("Surplus Revenues"), may be used to prepay installments of the Bond or for any lawful purpose.

Whenever the moneys in the Reserve Fund (other than moneys required to be transferred to the Earnings Fund pursuant to Section 4.04 hereof) shall be sufficient to prepay the Bond in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Bond at the earliest practical date and in accordance with applicable provisions hereof.

The Depository Bank is hereby designated as the Fiscal Agent for the administration of the Reserve Fund, the Depreciation Reserve, the Earnings Fund and the Rebate Fund herein provided, and all amounts required for the Reserve Fund and Depreciation Reserve will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written advice stating the amount remitted for deposit into each such fund.

All the funds set forth in this Section, except with respect to the Rebate Fund and Excess Investment Earnings in the Earnings Fund, which shall be held for rebate to the United States free from any such lien or trust, shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so

used, the Purchaser shall have a lien thereon (other than such Excess Investment Earnings in the Earnings Fund and the Rebate Fund as aforesaid) for further securing payment of the Bond and the interest thereon, but the Depository Bank shall not be a trustee as to such funds or the Rebate Fund. It is to be understood that all funds in the Rebate Fund shall be held free and clear of any such lien or trust and shall only be used for the purposes set forth in this Bond Legislation notwithstanding anything else herein to the contrary.

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

The Depository Bank, at the direction of the Issuer, shall keep the moneys in the Reserve Fund, the Depreciation Reserve, the Earnings Fund and the Rebate Fund invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof, subject to the provisions of Sections 4.04 and 5.11 hereof, except that moneys held in the Earnings Fund and Rebate Fund shall only be invested in Government Obligations. Investments in any fund or account under this Bond Legislation shall, unless otherwise provided herein or required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia State Board of Investments. Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund, except to the extent otherwise provided in Section 4.04 hereof.

(C) CHANGE OF DEPOSITORY BANK AND FISCAL AGENT. The Issuer may designate another bank insured by FDIC as Depository Bank and Fiscal Agent if the aforesaid bank should cease for any reason to serve or if the Governing Body determines by resolution that said bank or its

successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

(D) USER CONTRACTS. The Issuer shall, prior to delivery of the Bond, provide evidence that there will be at least 154 bona fide users upon the System on completion of the Project, in full compliance with the requirements and conditions of the Purchaser.

(E) CHARGES AND FEES. The Issuer shall remit from the Revenue Fund to the Depository Bank such additional sums as shall be necessary to pay the charges and fees of the Depository Bank then due.

(F) INVESTMENT OF EXCESS BALANCES. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

(G) REMITTANCES. All remittances made by the Issuer to the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

(H) GROSS REVENUES. The Gross Revenues of the System shall only be used for purposes of the System.

Section 4.04. Rebate of Excess Investment Earnings to the United States. A. EARNINGS AND REBATE FUNDS. All interest earnings and profits on amounts in all funds and accounts provided for and/or established under this Bond Legislation, other than (i) interest earnings and profits on any funds referenced in Subsection C(5) of this Section if such earnings in any Bond Year are less than \$100,000, except for interest earnings and profits on the Earnings Fund, which shall be retained therein until applied as herein set forth, (ii) interest earnings and profits on amounts in funds and accounts which do not constitute Gross Proceeds, and (iii) interest earnings and profits on the Rebate Fund shall, upon receipt by the Depository Bank, be deposited in the Earnings Fund. In addition, all interest earnings and profits on Gross Proceeds in funds and accounts held by the Issuer or otherwise shall, upon receipt, be paid to the Depository Bank for deposit in the Earnings Fund. Annually, on or before the 30th day following the end of each Bond Year or on the preceding business day in the event that such last day is not a business day, the Depository Bank shall transfer

from the Earnings Fund to the Rebate Fund for purposes of ultimate payment to the United States an amount equal to Excess Investment Earnings, all as more particularly described in this Section. Following the transfer referenced in the preceding sentence, the Depository Bank shall transfer all amounts remaining in the Earnings Fund to be used for the payment of Debt Service on the next interest payment date and for such purpose, Debt Service due from the Issuer on such date shall be credited by an amount equal to the amount so transferred; provided that, if the Bond shall have been previously paid in full, such amounts remaining on deposit in the Earnings Fund shall be paid to the Issuer and used for any lawful purpose of the Issuer.

B. DUTIES OF ISSUER IN GENERAL. The Issuer shall calculate Excess Investment Earnings in accordance with Subsection C and shall assure payment of an amount equal to Excess Investment Earnings to the United States in accordance with Subsections D and E.

C. CALCULATION OF EXCESS INVESTMENT EARNINGS. Within 30 days following the last day of the first Bond Year, the Issuer shall calculate, and shall provide written notice to the Purchaser and Depository Bank of, the Excess Investment Earnings referenced in clause (A) of the definition of Excess Investment Earnings. Thereafter, within 30 days following the last day of each Bond Year and within 30 days following the date of the retirement of the Bond, the Issuer shall calculate, and shall provide written notice to the Purchaser and Depository Bank of, the amount of Excess Investment Earnings. Said calculations shall be made or caused to be made by the Issuer in accordance with the following:

(1) Except as provided in (2), in determining the amount described in clause A(1) of the definition of Excess Investment Earnings, the aggregate amount earned on Nonpurpose Investments shall include (i) all income realized under federal income tax accounting principles (whether or not the person earning such income is subject to federal income tax) with respect to such Nonpurpose Investments and with respect to the reinvestment of investment receipts from such Nonpurpose Investments (without regard to the transaction costs incurred in acquiring, carrying, selling or redeeming such Nonpurpose Investments), including, but not limited to, gain or loss realized on the disposition of such Nonpurpose Investments (without regard to when such gains are taken into account under Section 453 of the Code relating to taxable year of inclusion of gross income), and income under Section 1272 of the Code (relating to original issue discount) and (ii) any unrealized gain or loss as of the date of

retirement of the Bond in the event that any Nonpurpose Investment is retained after such date.

(2) In determining the amount described in clause (A) of the definition of Excess Investment Earnings, Investment Property shall be treated as acquired for its fair market value at the time it becomes a Nonpurpose Investment, so that gain or loss on the disposition of such Investment Property shall be computed with reference to such fair market value as its adjusted basis.

(3) In determining the amount described in clause (A)(ii) of the definition of Excess Investment Earnings, the Yield on the Bond shall be determined based on the actual Yield of the Bond during the period between the Closing Date of the Bond and the date the computation is made (with adjustments for original issue discount or premium).

(4) In determining the amount described in clause (B) of the definition of Excess Investment Earnings, all income attributable to the excess described in clause (A) of said definition must be taken into account, whether or not that income exceeds the Yield of the Bond, and no amount may be treated as "negative arbitrage."

(5) In determining the amount of Excess Investment Earnings, there shall be excluded any amount earned on any fund or account which is used primarily to achieve a proper matching of revenues and Debt Service within each Bond Year and which is depleted at least once a year except for a reasonable carryover amount not in excess of the greater of 1 year's earnings on such fund or account or 1/12th of annual Debt Service as well as amounts earned on said earnings if the gross earnings on such fund or account for the Bond Year is less than \$100,000.

D. PAYMENT TO THE UNITED STATES. The Issuer shall direct the Depository Bank to pay from the Rebate Fund an amount equal to Excess Investment Earnings to the United States in installments with the first payment to be made not later than 30 days after the end of the 5th Bond Year and with subsequent payments to be made not later than 5 years after the preceding payment was due. The Issuer shall assure that each such installment is in an amount equal to at least 90% of the Excess Investment Earnings with respect to the Gross Proceeds as of the close of the computation period. Not later than 60 days after the retirement of

the Bond, the Issuer shall direct the Depository Bank to pay from the Rebate Fund to the United States 100% of the theretofore unpaid Excess Investment Earnings in the Rebate Fund. In the event that there are any amounts remaining in the Rebate Fund following the payment required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the Issuer. The Issuer shall remit payments to the United States at the address prescribed by the Regulations as the same may be in time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required by this Subsection D, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor.

E. FURTHER OBLIGATION OF ISSUER. The Issuer shall assure that Excess Investment Earnings are not paid or disbursed except as required in this Section and except as otherwise required under the Code and the Regulations promulgated thereunder. To that end the Issuer shall assure that investment transactions are on an arm's length basis and that Nonpurpose Investments are acquired at their fair market value. In the event that Nonpurpose Investments consist of certificates of deposit or investment contracts, investment in such Nonpurpose Investments shall be made in accordance with the procedures described in applicable Regulations as from time to time in effect.

F. MAINTENANCE OF RECORDS. The Issuer shall keep, and retain for a period of 6 years following the retirement of the Bond, records of the determinations made pursuant to this Section 4.04.

G. INDEPENDENT CONSULTANTS. In order to provide for the administration of this Section 4.04, the Issuer and the Depository Bank (at the expense of the Issuer) may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the Issuer or the Depository Bank may deem appropriate.

H. FURTHER AGREEMENT. Notwithstanding the foregoing, the Issuer further covenants to comply with all Regulations from time to time in effect and applicable to the Bond, as may be necessary in order to fully comply with Section 148(f) of the Code, even if such actions may be contrary to any provision of this Section 4.04. Additionally, in the event of a failure to pay to the United States any amount required under Section 148(f) of the Code, the Issuer will pay to the United States a penalty in an amount equal to the sum of 50% of the amount not paid, plus interest at the required rate on the portion of the amount which was not paid on the required date, beginning on such date, unless waived.

ARTICLE V

GENERAL COVENANTS, ETC.

Section 5.01. General Statement. So long as the Bond shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund (other than sums required to be transferred to the Earnings Fund) a sum sufficient to prepay the entire principal of the Bond remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, and as long after either of the foregoing as is necessary to assure the exclusion of interest on the Bond from gross income for federal income tax purposes, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Purchaser.

Section 5.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Bond, and sufficient to make the payments required to be made into the Reserve Fund and Depreciation Reserve and all the necessary expenses of operating and maintaining the System during such Fiscal Year, and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as the Bond is outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. No additional parity bonds or obligations payable out of the Revenues of the System or any part thereof shall be issued after the issuance of the Bond pursuant hereto except with the prior written consent of the Purchaser.

Section 5.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Bond remains outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Bond.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workers' Compensation Coverage for all Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be

in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation insurance will be maintained as required by law.

(e) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount of \$50,000 upon the Secretary, provided, however, that no bond shall be required insofar as custody of the Project Construction Account is concerned so long as checks thereon require the signature of a representative of the Purchaser.

(f) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Bond is outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Fiscal Year; Budget. While the Bond is outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body.

Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the first day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the year next preceding by more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.07. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer and on file with the Governing Body on the date of adoption hereof, subject to permitted changes.

Section 5.08. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer further covenants to comply with the Act with respect to such books, records and accounts.

Section 5.09. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Bond is outstanding.

Section 5.10. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System

within the boundaries of the Issuer or within the territory served by the System.

Section 5.11. Arbitrage. The Issuer shall not take, or permit or suffer to be taken, any action with respect to the Gross Proceeds of the Bond which would cause the Bond to be an "arbitrage bond" within the meaning of Section 148 of the Code and Regulations promulgated thereunder.

Section 5.12. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Bond are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Bond during the term thereof is, under the terms of the Bond or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Bond are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Bond during the term thereof is, under the terms of the Bond or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Bond used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Bond is for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of the portion of the Project to which such Private Business Use is related. All of the foregoing shall be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of the lesser of 5% of the Net Proceeds of the Bond or \$5,000,000 are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the

result of the same would be to cause the Bond to be "federally guaranteed" within the meaning of Section 149(b) of the Code and Regulations promulgated thereunder.

D. INFORMATION RETURN. The Issuer will timely file all statements, instruments and returns necessary to assure the exemption from taxation of the interest on the Bond, including without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take all actions that may be required of it so that the interest on the Bond will be and remain excluded from gross income for federal income tax purposes, and will not take any actions or fail to take any actions the result of which would adversely affect such exclusion.

Section 5.13. Statutory Mortgage. For the further protection of the holder of the Bond, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Bond.

Section 5.14. Events of Default. Each of the following events is hereby declared an "Event of Default":

(A) Failure to make payment of any monthly amortization installment upon the Bond at the date specified for payment thereof;

(B) Failure duly and punctually to observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Bond or herein, or violation of or failure to observe any provision of any pertinent law.

Section 5.15. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights

and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 5.16. Compensation of Members of Governing Body.
The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

ARTICLE VI

RATES, ETC.

Section 6.01. Initial Schedule of Rates and Charges; Rules. A. The initial schedule of rates and charges for the services and facilities of the System, subject to change consonant with the provisions hereof, shall be as set forth in the Final Order of the Public Service Commission of West Virginia.

B. There shall not be any discrimination or differential in rates between customers in similar circumstances.

C. The Issuer may require any applicant for any service by the System to deposit a reasonable and equitable amount to insure payment of all charges for the services rendered by the System, which deposit shall be handled and disposed of under the applicable rules and regulations of the Public Service Commission of West Virginia.

D. The Issuer, to the extent permitted by law, will not accept payment of any water bill from a customer served with water and sewer services by the Issuer without payment at the same time of a sewer bill owed by such customer for the same premises.

E. All delinquent fees, rates and charges for services or facilities of the System shall be liens on the premises served of equal degree, rank and priority with the lien on such premises of state, county, school and municipal taxes, as provided in the Act. The Issuer shall have such remedies and powers as are provided under the Act and other applicable provisions of law with regard to the collection and enforcement of such rates and charges.

F. The Issuer will not render or cause to be rendered any free services of any nature by the System nor any of the facilities; and in the event that the Issuer or any department, agency, officer or employee thereof should avail itself or themselves of the services or facilities of the System, the same fees, rates and charges applicable to other customers receiving like services under similar circumstances shall be charged, such charges shall be paid as they accrue, and revenues so received shall be deposited and accounted for in the same manner as other Revenues of the System.

ARTICLE VII

If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Holder of the Bond, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then with respect to the Bond, the pledge of Net Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owner of the Bond, except as may otherwise be necessary to assure the exclusion of interest on the Bond from gross income for federal income tax purposes, shall thereupon cease, terminate and become void and be discharged and satisfied.

Section 7.02. Modification or Amendment. The Bond Legislation may not be modified or amended after final passage without the prior written consent of the Purchaser, except that no consent from the Purchaser shall be required to make such additions, deletions or modifications as may be necessary to assure compliance with Section 148(f) of the Code relating to required rebate of Excess Investment Earnings to the United States or otherwise as may be necessary to assure the exemption from federal income taxation of interest on the Bond.

Section 7.03. Delivery of Bond No. R-1. The Chairman, Treasurer and Secretary of the Governing Body are hereby authorized and directed to cause Bond No. R-1, hereby awarded to the Purchaser pursuant to prior agreement, to be delivered to the Purchaser as soon as the Purchaser will accept such delivery.

Section 7.04. Severability of Invalid Provisions. If any one or more of the covenants, agreements or provisions hereof should be held contrary to any express provision of law or contrary to the policy of express law, although not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed severable from the remaining covenants, agreements or provisions hereof, and shall in no way affect the validity of all the other provisions hereof or the Bond.

Section 7.05. Conflicting Provisions Repealed. All orders or resolutions, or parts thereof, in conflict with the provisions hereof are, to the extent of such conflict, hereby repealed; provided that this Section shall not be applicable to the Loan Resolution (Form FmHA 442-47).

(iii) Transferred proceeds, namely, original proceeds of any prior obligations, and interest earnings and profits less losses resulting from investment of such original proceeds in Nonpurpose Investments, which are deemed to become proceeds of the Bond ratably as original proceeds of the Bond, and interest earnings and profits resulting from investment of such original proceeds in Nonpurpose Investments, discharge the outstanding principal of such prior obligations, all on the date of such ratable discharge;

(iv) Sinking fund proceeds of the Bond, namely, amounts, other than original proceeds, investment proceeds or transferred proceeds (as referenced in clauses (i) through (iii) above) of the Bond, which are held in any fund to the extent that the Issuer reasonably expects to use such ~~other~~ fund to pay Debt Service on the Bond;

(v) Amounts in the Reserve Fund and in any other fund established as a reasonably required reserve or replacement fund, with respect to the Bond;

(vi) Investment Property pledged as security for payment of Debt Service on the Bond by the Issuer;

"Investment Property" means any security (as said term is defined in Section 165(g)(2)(A) or (B) of the Code), obligation, annuity contract or, investment-type property or residential rental property for family units which is not located within the jurisdiction of the Issuer and which is not acquired to implement a court ordered or approved housing desegregation plan, excluding, however, obligations the interest on which is excluded from gross income, under Section 103 of the Code, for federal income tax purposes other than specified private activity bonds as defined in Section 57(a)(5)(C) of the Code.

"Regulations" means temporary and permanent regulations promulgated under the Code, applicable to the Bond from time to time.

Section 3. The twelfth paragraphs of the Bond and the Bond form set forth in the Bond Resolution are hereby amended to read as follows, with the new language underlined:

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among

others, Chapter 16, Article 13A, of the West Virginia Code (herein called the "Act"), and with a resolution of the Issuer duly adopted authorizing issuance of this Bond and a resolution amendatory thereof (collectively, the "Bond Legislation").

Section 4. The first sentence of Section 4.02 of the Bond Resolution is hereby amended to read as follows, with the new language underlined:

The proceeds of the sale of the Bond shall be deposited in the Project Construction Account.

Section 5. Subsections A, B, C and D of Section 4.04 of the Bond Resolution are hereby amended to read as follows, with the deleted language struck out and the new language underlined:

A. EARNINGS AND REBATE FUNDS. All interest earnings and profits on amounts in all funds and accounts provided for and/or established under this Bond Legislation, other than (i) interest earnings and profits on any funds referenced in Subsection C(5) of this Section if such earnings in any Bond Year are less than \$100,000, provided that, if the Bond is not a private activity bond (including any "qualified 501(c)(3) bond" as defined under Section 145 of the Code), if the average maturity of the issue of the Bond (determined in accordance with Section 147(b)(2)(A) of the Code) is at least 5 years and if the rate of interest on the issue of the Bond does not vary during the term of the issue, then this clause (i) of this Section 4.04A shall be applied without regard to such dollar limitation, except for interest earnings and profits on the Earnings Fund, which shall be retained therein until applied as herein set forth, (ii) interest earnings and profits on amounts in funds and accounts which do not constitute Gross Proceeds, and (iii) interest earnings and profits on the Rebate Fund, and (iv) interest earnings and profits on amounts in funds and accounts otherwise excepted under the Regulations shall, upon receipt the Depository Bank, be deposited in the Earnings Fund. In addition, all interest earnings and

profits on Gross Proceeds in funds and accounts held by the Issuer or otherwise shall, upon receipt, be paid to the Depository Bank for deposit in the Earnings Fund. Annually, ~~on or~~ before the 30th day following the end of each Bond Year or on the preceding business day in the event that such last day is not a business day, the Depository Bank shall transfer from the Earnings Fund to the Rebate Fund for purposes of ultimate payment to the United States an amount equal to Excess Investment Earnings, all as more particularly described in this Section. Following the transfer referenced in the preceding sentence, the Depository Bank shall transfer all amounts remaining in the Earnings Fund to be used for the payment of Debt Service on the next interest payment date and for such purpose, Debt Service due from the Issuer on such date shall be credited by an amount equal to the amount so transferred; provided that, if the Bond shall have been previously paid in full, such amounts remaining on deposit in the Earnings Fund shall be paid to the Issuer and used for any lawful purpose of the Issuer.

B. DUTIES OF ISSUER IN GENERAL. The Issuer shall calculate Excess Investment Earnings in accordance with Subsection C and shall assure payment of an amount equal to Excess Investment Earnings to the United States in accordance with Subsections D and E.

C. CALCULATION OF EXCESS INVESTMENT EARNINGS. Within 30 days following the last day of the first Bond Year, or such earlier date as may be required under the Regulations, the Issuer shall calculate, and shall provide written notice to the Purchaser and Depository Bank of, the Excess Investment Earnings referenced in clause (A) of the definition of Excess Investment Earnings. Thereafter, within 30 days following the last day of each Bond Year and within 30 days following the date of the retirement of the Bond, or such earlier dates as may be required under the Regulations, the Issuer shall calculate, and shall provide written notice to the Purchaser and Depository Bank of, the amount of Excess Investment Earnings. Said calculations shall be

made or caused to be made by the Issuer in accordance with the following, or in accordance with such other requirements as may be applicable under the Regulations:

(1) Except as provided in (2), in determining the amount described in clause A(i) of the definition of Excess Investment Earnings, the aggregate amount earned on Nonpurpose Investments shall include (i) all income realized under federal income tax accounting principles (whether or not the person earning such income is subject to federal income tax) with respect to such Nonpurpose Investments and with respect to the reinvestment of investment receipts from such Nonpurpose Investments (without regard to the transaction costs incurred in acquiring, carrying, selling or redeeming such Nonpurpose Investments), including, but not limited to, gain or loss realized on the disposition of such Nonpurpose Investments (without regard to when such gains are taken into account under Section 453 of the Code relating to taxable year of inclusion of gross income), and income under Section 1272 of the Code (relating to the original issue discount) and (ii) any unrealized gain or loss as of the date of retirement of the Bond in the event that any Nonpurpose Investment is retained after such date.

(2) In determining the amount described in clause (A) of the definition of Excess Investment Earnings, Investment Property shall be treated as acquired for its fair market value at the time it becomes a Nonpurpose Investment, so that gain or loss on the disposition of such Investment Property shall be computed with reference to such fair market value as its adjusted basis.

(3) In determining the amount described in clause (A)(ii) of the definition of Excess Investment Earnings, the Yield on the Bond shall be determined based on the actual Yield of the Bond during the period between the Closing Date of the Bond and the date the computation is made (with adjustments for original issue discount or premium).

(4) In determining the amount described in clause (B) of the definition of Excess Investment Earnings, all income attributable to the excess described in clause (A) of said definition must be taken into account, whether or not that income exceeds the Yield of the Bond, and no amount may be treated as "negative arbitrage."

(5) In determining the amount of Excess Investment Earnings, there shall be excluded any amount earned on any fund or account which is used primarily to achieve a proper matching of revenues and Debt Service within each Bond Year and which is depleted at least once a year except for a reasonable carryover amount not in excess of the greater of 1 year's earnings on such fund or account or 1/12th of annual Debt Service (which may include a portion of a fund or account, although not a separate and distinct fund or account) as well as amounts earned on said earnings if the gross earnings on such fund or account for the Bond Year is less than \$100,000, provided that, if the Bond is not a private activity bond (including any "qualified 501(c)(3) bond" as defined under Section 145 of the Code), if the average maturity of the issue of the Bond (determined in accordance with Section 147(b)(2)(A) of the Code) is at

least 5 years and if the rate of interest on the issue of the Bond does not vary during the term of the issue, then all amounts earned on such fund or account as well as amounts earned on said earnings shall be excluded in determining the amount of Excess Investment Earnings.

D. PAYMENT TO THE UNITED STATES. The Issuer shall direct the Depository Bank to pay from the Rebate Fund an amount equal to Excess Investment Earnings to the United States in installments with the first payment to be made not later than 30 days after the end of the 5th Bond Year and with subsequent payments to be made not later than 5 years after the preceding payment was due, except to the extent otherwise required under the Regulations. The Issuer shall assure that each such installment is in an amount equal to at least 90% of the Excess Investment Earnings with respect to the Gross Proceeds as of the close of the computation period or other period required under the Regulations. Not later than 60 days after the retirement of the Bond, the Issuer shall direct the Depository Bank to pay from the Rebate Fund to the United States 100% of the theretofore unpaid Excess Investment Earnings in the Rebate Fund. In the event that there are any amounts remaining in the Rebate Fund following the payment required by the preceding sentence, the Depository Bank shall pay said amounts to the Issuer to be used for any lawful purpose of the Issuer. The Issuer shall remit payments to the United States at the address prescribed by the Regulations as the same may be in time to time in effect with such reports and statements as may be prescribed by such Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required by this Subsection D, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor.

Section 6. The Issuer acknowledges that regulations under Section 148(f) of the Code have been or will be promulgated which have or may have an effective date which precedes the date of adoption of the Bond Resolution and/or the date of issue of the Bond and which are, therefore, applicable to the Bond. Such regulations may alter the requirements necessary for compliance with Section 148(f) of the Code and the requirements of the Bond Resolution relating thereto. Accordingly, as provided in the Bond Resolution, the Issuer hereby and by the Bond Resolution covenants and agrees to take all actions that may be required to comply with Section 148(f) of the Code and any temporary, proposed or final regulations thereunder as may be applicable to the Bond from time to time and that it will not take any actions or fail to take any actions the result of which would cause a violation of the foregoing Section of the Code and such regulations, even if such actions may be contrary to any express provision or provisions of the Bond Resolution.

Section 7. The schedule of rates and charges for the services and facilities of the System, as defined in the Bond Resolution, subject to change consonant with the provisions of the Bond Resolution and of this Amendatory Resolution, shall be as set forth in the Final Order of the Public Service Commission of West Virginia, entered on October 26, 1988, Case No. 88-205-W-CN, which order is incorporated herein by reference as a part hereof.

Section 8. The Chairman, Secretary and other officers or members of the Governing Body are hereby authorized and directed to execute and deliver such other documents, agreements, instruments and certificates required or desirable in connection with the Bond hereby and by the Bond Resolution approved and provided for, to the end that the Bond may be delivered on or about March 15, 1989, to the Purchaser.

Section 9. It is hereby found and determined that this Amendatory Resolution is necessary to assure compliance with Section 148(f) of the Code relating to required rebate of excess investment earnings to the United States and to assure the exemption from federal income taxation of interest on the Bond and, therefore, does not require the consent of the Purchaser.

Section 10. The financing of the Project by the Bond is in the public interest, serves a public purpose of the Issuer and will promote the health, welfare and safety of the residents of the Issuer.

Section 11. If any provision of this Amendatory Resolution shall be held invalid, such invalidity shall not affect the remaining provisions of this Amendatory Resolution.

Section 12. This Amendatory Resolution shall be effective immediately following adoption hereof, is amendatory of the Bond Resolution, and in consideration of the acceptance of the Bond by the Purchaser and those others who shall be the registered owners of the Bond from time to time shall be deemed to be and shall constitute part of the contract between the Issuer and such Purchaser and others who shall be the registered owners of the Bond from time to time.

Section 13. Except as expressly amended, modified or altered hereby, the Bond Resolution shall continue and remain in full force and effect as adopted and the Bond Resolution, to the extent not amended, modified or altered by this Amendatory Resolution, and all actions heretofore taken pursuant to the Bond Resolution, are hereby ratified, approved and confirmed.

Adopted this 15th day of March, 1989.

BE IT RESOLVED AND ORDERED BY THE PUBLIC SERVICE BOARD OF HARDY COUNTY PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS
AND DEFINITIONS

Section 1.01. Authority for This Resolution. This Resolution is adopted pursuant to the provisions of Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law. Hardy County Public Service District (the "Issuer") is a public corporation and public service district and political subdivision of the State of West Virginia in Hardy County of said State, duly created pursuant to the Act by The County Commission of Hardy County.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

A. The Issuer now has a public waterworks system and desires to finance and acquire, construct, operate and maintain certain additional public service properties consisting of improvements and an extension to such existing waterworks facilities with all appurtenant facilities, within the boundaries of the Issuer to be owned and operated by the Issuer.

B. It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer, and, accordingly, it is hereby ordered, that there be acquired and constructed certain improvements to and an

extension of the existing waterworks facilities of the Issuer, consisting of an extension of water lines to 11 customers of the District at the Forest Glen Subdivision and all necessary appurtenant facilities (the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Secretary of the Public Service Board (the "Governing Body") of the Issuer. The Issuer will continue to purchase water from the Town of Moorefield pursuant to a water purchase contract between the Issuer and said Town. The existing waterworks facilities of the Issuer, together with the Project and any further additions, extensions or improvements thereto, is herein called the "System." The acquisition and construction of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. The estimated revenues to be derived in each year from the operation of the System after completion of the Project will be sufficient to pay all the costs of the operation and maintenance of the System, the principal of and interest on the Bond (as hereinafter defined) and all debt service, reserve fund and other payments provided for herein.

D. The estimated maximum cost of the acquisition and construction of the Project is \$100,000, of which \$50,000 will be obtained from the proceeds of sale of the Bond herein authorized and \$50,000 from a grant by the Purchaser (as hereinafter defined).

E. It is necessary for the Issuer to issue its revenue bond in the principal amount of \$50,000 to finance a portion of the cost of such acquisition and construction in the manner hereinafter provided. The cost of such acquisition and construction shall be deemed to include, without being limited to, the acquisition and construction of the Project; the acquisition of any necessary property, real or personal, or interest therein; interest on the Bond prior to, during and for six months after completion of such construction to the extent that revenues of the System are not sufficient therefor; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; and such other expenses as may be necessary or incidental to the acquisition and construction of the Project and the financing authorized hereby; provided that, reimbursement to the Issuer for any amounts expended by it for the repayment of indebtedness incurred for Costs of the Project by the Issuer shall be deemed Costs of the Project.

AUTHORIZATION OF ACQUISITION AND
CONSTRUCTION OF THE PROJECT

Section 2.01. Authorization of Acquisition and Construction of the Project. There is hereby authorized the acquisition and construction of the Project, at an estimated cost of \$100,000, in accordance with the plans and specifications which have been prepared by the Consulting Engineers, heretofore filed in the office of the Governing Body. The proceeds of the Bond hereby authorized shall be applied as provided in Article IV hereof.

ARTICLE III

AUTHORIZATION, TERMS, EXECUTION, REGISTRATION AND ISSUE OF BOND

Section 3.01. Authorization of Bond. Subject and pursuant to the provisions of the Bond Legislation, the Bond of the Issuer, to be known as "Water Revenue Bond, Series 1990," is hereby authorized to be issued in the aggregate principal amount of not exceeding \$50,000 for the purpose of financing a portion of the cost of the acquisition and construction of the Project.

Section 3.02. Description of Bond. The Bond shall be issued in single form, numbered R-1, only as a fully registered Bond, and shall be dated the date of delivery thereof. The Bond shall bear interest from the date of delivery, payable monthly at the rate of 5% per annum, and shall be sold for the par value thereof.

The Bond shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer, and shall be payable as provided in the Bond form hereinafter set forth.

Section 3.03. Negotiability, Registration, Transfer and Exchange of Bonds. The Bond shall be and have all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but the Bond, and the right to principal of and stated interest on the Bond, may only be transferred by transfer of the registration thereof upon the books required to be kept pursuant to Section 3.04 hereof, by the party in whose name it is registered, in person or by attorney duly authorized in writing, upon surrender of the Bond for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Registrar. No interest in the Bond shall be transferable except by means of transfer of registration of a Bond representing such interest and delivery of a new Bond or Bonds in exchange therefor in accordance with this Bond Legislation.

Whenever the Bond shall be surrendered for registration of transfer, the Issuer shall execute and deliver a new Bond or Bonds in authorized denominations, for a like aggregate principal amount. The Registrar shall require the payment by the new owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer, but the Issuer shall pay any other expenses incurred by the Registrar with respect to such transfer.

No registration of transfer of the Bond shall be permitted to be made after the 15th day next preceding any installment payment date on the Bond.

Section 3.04. Registrar. The Issuer shall be the Registrar and will keep, or cause to be kept by its agent, at its office, sufficient books for the registration and transfer of the Bond, and, upon presentation for such purpose, the Registrar shall, under such reasonable regulations as it may prescribe, register the Bond initially issued pursuant hereto and register the transfer, or cause to be registered by its agent, on such books, the transfer of the Bond as hereinbefore provided.

The Registrar shall accept the Bond for registration or transfer only if ownership thereof is to be registered in the name of the Government, an individual (including joint ownership), a corporation, a partnership or a trust, and only upon receipt of the social security number of each individual, the federal employer identification number of each corporation or partnership or the social security numbers of the settlor and beneficiaries of each trust and the federal employer identification number and date of each trust and the name of the trustee of each trust and/or such other identifying number and information as may be required by law.

Section 3.05. Execution of Bond. The Bond shall be executed in the name of the Issuer by the Chairman and its corporate seal shall be affixed thereto and attested by the Secretary. In case any one or more of the officers who shall have signed or sealed the Bond shall cease to be such officer of the Issuer before the Bond so signed and sealed have been actually sold and delivered, such Bond may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bond had not ceased to hold such office. Any Bond may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bond shall hold the proper office in the Issuer, although at the date of such Bond such person may not have held such office or may not have been so authorized.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case the Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may in its discretion issue and deliver a new Bond of like tenor as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the holder's furnishing the Issuer proof of his ownership thereof and complying with such other reasonable regulations and conditions as the Issuer may require. The Bond so surrendered shall be canceled and held for the account of the Issuer. If the Bond shall have matured

or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, and, if such Bond be destroyed, stolen or lost, without surrender thereof.

Section 3.07. Bond Secured by Pledge of Net Revenues. The payment of the debt service of the Bond shall be secured forthwith by a first lien on the Net Revenues derived from the System on a parity with the 1988 Bond in addition to the statutory mortgage lien on the System hereinafter provided for as to the Bonds. The Net Revenues derived from the System in an amount sufficient to pay the principal of and interest on the Bond, and to make the payments as hereinafter provided, are hereby irrevocably pledged to the payment of the principal of and interest on the Bond as the same become due all on a parity with the 1988 Bond.

Section 3.08. Form of Bond. Subject to the provisions hereof, the text of the Bond and the other details thereof shall be of substantially the following tenor, with such omissions, insertions and variations as may be authorized or permitted hereby or by any resolution adopted after the date of adoption hereof and prior to the issuance thereof:

WATER REVENUE BOND, SERIES 1990

HARDY COUNTY PUBLIC SERVICE DISTRICT

\$50,000

No. R-1

Date: _____

FOR VALUE RECEIVED, HARDY COUNTY PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America, acting through the Farmers Home Administration, United States Department of Agriculture (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri, 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of FIFTY THOUSAND DOLLARS (\$50,000), plus interest on the unpaid principal balance at the rate of 5% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$246, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Farmers Home Administration according to the source of funds involved, shall, after

payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the

Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolution and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Farmers Home Administration and to its future regulations not inconsistent with the express provisions hereof.

This Bond is on a parity as to liens, pledge and source of and security for payment, and in all other respects, with the 1988 Bond described in said Resolution.

SYSTEM REVENUES AND APPLICATION THEREOF; DISPOSITION OF BOND PROCEEDS; FUNDS AND ACCOUNTS

Section 4.01. Establishment of Funds and Accounts with Depository Bank. The following special funds or accounts are created and established with (or continued if previously established by the 1988 Resolution), and shall be held by, the Depository Bank, separate, distinct and apart from all other funds or accounts of the Depository Bank and from each other:

- (1) Revenue Fund (established by the 1988 Resolution and continued hereby);
- (2) Project Construction Account;
- (3) Depreciation Reserve (established by the 1988 Resolution and continued hereby);
- (4) Reserve Fund (established by the 1988 Resolution and continued hereby);
- (5) Earnings Fund (established by the 1988 Resolution and continued hereby); and
- (6) Rebate Fund (established by the 1988 Resolution and continued hereby).

Section 4.02. Bond Proceeds; Project Construction Account. The proceeds of the sale of the Bond shall be deposited upon receipt by the Issuer in the Project Construction Account. The moneys in the Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by the Depository Bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Moneys in the Project Construction Account shall be expended by the Issuer solely for the purposes provided herein.

Moneys in the Project Construction Account shall be used solely to pay the cost of acquisition and construction of the Project upon vouchers and other documentation approved by the Purchaser.

Until completion of acquisition and construction of the Project, the Issuer will additionally transfer from the Project Construction Account and pay to the Purchaser on or before the due date, such sums as shall be from time to time required to make the

monthly installments on the Bond if there are not sufficient Net Revenues to make such monthly payment.

Pending application as provided in this Section 4.02, money and funds in the Project Construction Account shall be invested and reinvested at the direction of the Issuer, to the extent possible in accordance with applicable law, in Qualified Investments.

When acquisition and construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the Project Construction Account shall be disposed of in accordance with the regulations of the Purchaser.

Section 4.03. Covenants of the Issuer as to System Revenues and Funds. So long as any of the Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund, a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Bonds remaining unpaid, together with interest accrued and to accrue thereon, the Issuer further covenants with the holders of the Bonds as follows:

A. REVENUE FUND. The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited as collected by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Resolutions and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in the Resolutions.

B. DISPOSITION OF REVENUES. All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority, subject to the provisions of Section 4.04 of the 1988 Resolution not otherwise modified herein:

(i) The Issuer shall first each month pay from the moneys in the Revenue Fund all current Operating Expenses.

(ii) The Issuer shall next, on or before the due date of payment of each installment on the Bonds, transfer from the Revenue Fund and remit to the National Finance Office designated in the Bonds (or such other place as may be provided pursuant to the Bonds), the amounts

required to pay the interest on the Bonds, and to amortize the principal of the Bonds over the respective lives of each Bond issue. All payments with respect to principal of and interest on the Bonds shall be made on an equal pro rata basis in accordance with the respective aggregate principal amounts thereof outstanding and on a parity with each other.

(iii) The Issuer shall next, on each date that payment is made as set forth in (ii) above, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Reserve Fund, 1/12th of 1/10th of the amount, as of the date of calculation, equal to the maximum aggregate amount of principal and interest which will become due on the Bonds in any year, until the amount in the Reserve Fund equals such maximum amount (the "Minimum Reserve"). After the Minimum Reserve has been accumulated in the Reserve Fund, the Issuer shall monthly deposit into the Reserve Fund such part of the moneys remaining in the Revenue Fund, after such provision for payment of monthly installments on the Bonds and for payment of Operating Expenses of the System, as shall be required to maintain the Minimum Reserve in the Reserve Fund. Moneys in the Reserve Fund not required to be transferred to the Earnings Fund pursuant to Section 4.04 of the 1988 Resolution shall be used solely to make up any deficiency for monthly payments of the principal of and interest on the Bonds to said National Finance Office (or other place provided) as the same shall become due or for prepayment of installments on the Bonds, or for mandatory prepayment of the Bonds as hereinafter provided, and for no other purpose, on an equal pro rata basis in accordance with the respective aggregate principal amounts thereof outstanding and on a parity with each other.

(iv) The Issuer shall next, on each date that payment is made as set forth in (ii) above, transfer from the Revenue Fund and deposit in the Depreciation Reserve, the moneys remaining in the Revenue Fund and not permitted to be retained therein, until there has been accumulated in the Depreciation Reserve the aggregate sum of

\$56,650, and thereafter such sums as shall be required to maintain such amount therein. Moneys in the Depreciation Reserve, other than any sum or sums required to be transferred to the Earnings Fund pursuant to Section 4.04 of the 1988 Resolution, shall be used first to make up any deficiencies for monthly payments of principal of and interest on the Bonds as the same become due, and next to restore to the Reserve Fund any sum or sums transferred therefrom other than pursuant to Section 4.04 of the 1988 Resolution, all on a pro rata basis. Thereafter, and provided that payments into the Reserve Fund are current and in accordance with the foregoing provisions, moneys in the Depreciation Reserve, other than any sum or sums required to be transferred to the Earnings Fund pursuant to Section 4.04 of the 1988 Resolution, may be withdrawn by the Issuer and used for extraordinary repairs and for replacements of equipment and improvements for the System, or any part thereof.

(v) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, moneys remaining therein and not permitted to be retained therein, if any ("Surplus Revenues"), may be used to prepay installments of the Bonds, pro rata, or for any lawful purpose.

Whenever the money in the Reserve Fund (other than moneys required to be transferred to the Earnings Fund pursuant to Section 4.04 of the 1988 Resolution) shall be sufficient to prepay the Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The Depository Bank is hereby designated as the Fiscal Agent for the administration of the Reserve Fund, the Depreciation Reserve, the Earnings Fund and the Rebate Fund herein provided, and all amounts required for the Reserve Fund and the Depreciation Reserve will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written advice stating the amount remitted for deposit into each such fund.

All the funds provided for in this Section, except with respect to the Rebate Fund and Excess Investment Earnings (as defined in the 1988 Resolution) in the Earnings Fund, which shall be held for rebate to the United States free from any such lien or trust, shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon (other than such Excess Investment Earnings in the Earnings Fund and the Rebate Fund as aforesaid) for further securing payment of the Bonds and the interest thereon, but the Depository Bank shall not be a trustee as to such funds. It is to be understood that all funds in the Rebate Fund shall be held free and clear of any such lien or trust and shall only be used for the purposes set forth in the 1988 Resolution notwithstanding anything else herein to the contrary.

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

Subject to the 1988 Resolution, the Depository Bank, at the direction of the Issuer, shall keep the moneys in the Reserve Fund, the Depreciation Reserve, the Earnings Fund and the Rebate Fund invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Legislation shall, unless otherwise provided herein or required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia State Board of Investments. Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. Subject to the 1988 Resolution, earnings upon moneys in the Reserve Fund, so long as the Minimum Reserve is on deposit and maintained therein, shall be paid annually in January into the Revenue Fund by the Depository Bank and used for prepayment of the principal of the Bonds; provided, however,

notwithstanding any provisions of the 1988 Resolution to the contrary, any amounts remaining in the Earnings Fund following transfer to the Rabata Fund pursuant to the last sentence of Section 4.04A of the 1988 Resolution shall be transferred to and deposited in the Revenue Fund and thereafter immediately used for prepayment of principal of the Bonds on a pro rata basis, so long as the Bond is outstanding.

C. CHANGE OF FISCAL AGENT. The Issuer may designate another bank or trust company insured by FDIC as Depository Bank and Fiscal Agent if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

GENERAL COVENANTS, ETC.

Section 5.01. General Statement. So long as the Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund (other than Excess Investment Earnings required to be transferred to the Earnings Fund pursuant to Section 4.04 of the 1988 Resolution) a sum sufficient to prepay the entire principal of the Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Bondholder.

Section 5.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Bonds and sufficient to make the payments required herein into the Reserve Fund and the Depreciation Reserve and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as the Bond is outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. No additional parity bonds or obligations payable out of any of the Revenues of the System shall be issued, except with the prior written consent of the Purchaser.

Section 5.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Bond remains outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon

any portion of the System now in use, on all above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Bond.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workers' Compensation Coverage for All Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds have been or will be filed with the Clerk of the County

Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

(e) Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer.

(f) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount of \$50,000 upon the treasurer, provided, however, that no bond shall be required insofar as custody of the Project Construction Account is concerned so long as checks thereon require the signature of a representative of the Purchaser.

(g) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Bond is outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Statutory Mortgage. For the further protection of the Holder of the Bond, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Bond and shall be for the equal benefit of the Bonds.

Section 5.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(a) Failure to make payment of any monthly amortization installment upon the Bond at the date specified for payment thereof; and

(b) Failure duly and punctually to observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Bond or herein, or violation of or failure to observe any provision of any pertinent law.

Section 5.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 5.09. Fiscal Year; Budget. While the Bond is outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the 1st day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year

preceding by more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 5.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer on file with the Secretary on the date of adoption hereof, subject to permitted changes.

Section 5.12. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer shall further comply with the Act with respect to such books, records and accounts.

Section 5.13. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Bond is outstanding.

Section 5.14. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation,

public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

- F. The Issuer, to the extent permitted by law, will not accept payment of any water bill from a customer served with water and sewer services by the Issuer without payment at the same time of a sewer bill owed by such customer for the same premises.

If any one or more of the covenants, agreements or provisions hereof should be held contrary to any express provision of law or contrary to the policy of express law, although not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed severable from the remaining covenants, agreements or provisions hereof, and shall in no way affect the validity of all the other provisions hereof or the Bond.

BE IT RESOLVED AND ORDERED BY THE PUBLIC SERVICE BOARD OF HARDY COUNTY PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS
AND DEFINITIONS

Section 1.01. Authority for This Resolution. This Resolution is adopted pursuant to the provisions of Article 13A, Chapter 16 of the West Virginia Code, as amended (the "Act") and other applicable provisions of law.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

A. Hardy County Public Service District (the "Issuer") is a public service district created pursuant to the Act by The County Commission of Hardy County.

B. The Issuer now has a public water system and desires to improve and expand that system and it is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer and, accordingly, it is hereby ordered, that there be acquired and constructed certain improvements, expenditures, extensions and betterments to the existing public water system of the Issuer known as the "System" by an extension of water lines, and (sometimes referred to herein as the "System"), with all necessary appurtenant facilities (the "Project"), and generally described as waterline extensions, booster stations, a storage tank and necessary appurtenances particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Secretary-Treasurer of the Public Service Board (the "Governing Body") of the Issuer. The construction and acquisition of the Project and the financing hereby authorized and provided for are public purposes of the

Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. It is necessary for the Issuer to issue its revenue bonds in the aggregate principal amount of \$330,000 to finance a portion of the cost of such construction in the manner hereinafter provided.

D. The estimated maximum cost of the construction of the Project \$1,330,000, of which \$330,000 will be obtained from the proceeds of sale of the Series 1993 Bond herein authorized, \$330,000 from a FmHA grant and \$670,000 from small Cities Block Grant. The cost of such construction shall be deemed to include, without being limited to, the construction or acquisition of the Project, the acquisition of any necessary property, real or personal, or interest therein; interest on the Bond prior to, during and for six months after completion of such construction to the extent that revenues of the System are not sufficient therefor; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; and such other expenses as may be necessary or incidental to the construction of the Project and the refunding and the financing authorized hereby.

E. The period of usefulness of the System after completion of the Project is not less than forty years.

F. There are currently outstanding the obligations of the Issuer with which the Bond will rank on a parity as to lien and source of and security for payment as follows:

(i) Water Revenue Bond of the Issuer, dated March 15, 1989 (the "1988 Bond") issued in the original principal amount of \$300,000 secured under the terms of the 1988 Resolution (hereinafter defined).

(ii) Water Revenue Bond of the Issuer, dated July 12, 1990 (the "1990 Bond") issued in the original principal amount of \$50,000 secured under the terms of the 1990 Resolution (hereinafter defined).

There are no other outstanding bonds or obligations of the Issuer which will rank prior to or on a parity with the Bond as to lien, pledge and/or source of and security for payment.

G. The Issuer is not in default under the terms of the 1988 or 1990 Bonds or the 1988 or 1990 Resolutions (hereinafter defined) or any document in connection therewith, and has complied with all requirements of all the foregoing with respect to the issuance of parity bonds or has obtained a sufficient and valid waiver thereof.

H. The estimated revenues to be derived in each year from the operation of the System after completion of the Project will be sufficient to pay all the costs of the operation and maintenance of the System, the principal of and interest on the Bond (as hereinafter defined) and all debt service, reserve fund and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law relating to authorization of the construction, acquisition and operation of the Project and issuance of the Bond, or will have so complied prior to issuance of the Bond including, among other things, the imposition of rates and charges, the consent and approval, pursuant to the Act, of the issuance of the Bond by the Public Service Commission of West Virginia by final order and has entered into an intergovernmental agreement with the Putnam County Commission relating to service to a few customers outside the District.

J. It is in the best interests of the Issuer that the Bond be sold to the United States Department of Agriculture, Farmers Home Administration (the "Purchaser"), pursuant to the terms and provisions of a letter of conditions dated March 22, 1991, and all amendments thereto (collectively, the "Letter of Condition").

Section 1.03. Resolution to Constitute Contract. In consideration of the acceptance of the Bond by the Purchaser, this Resolution (the "Resolution") shall be deemed to be and shall constitute a contract between the Issuer and the Purchaser, and the covenants and agreements set forth herein to be performed by the Issuer shall be for the benefit, protection and security of the Registered Owner of the Bond.

AUTHORIZATION OF ACQUISITION AND CONSTRUCTION OF THE PROJECT

Section 2.01. Authorization of Acquisition and Construction of the Project. There is hereby authorized the acquisition and construction of the Project, at an estimated cost of \$1,330,000, in accordance with the plans and specifications which have been prepared by the Consulting Engineers, heretofore filed in the office of the Governing Body. ARTICLE III

AUTHORIZATION, TERMS, EXECUTION, REGISTRATION AND ISSUE OF BOND

Section 3.01. Authorization of Bond. Subject and pursuant to the provisions hereof, the Bond of the Issuer to be known as "Water System Revenue Bond, Series 1993" in the principal amount of \$330,000 is hereby authorized to be issued for the purpose of

financing a portion of the cost of the construction and acquisition of the Project.

Section 3.02. Description of Bond. The Bond shall be issued in single registered form, No. R-1, and shall be dated on the date of delivery. The Series 1993 Bond shall bear interest from date, payable monthly at the rate of five per centum (5%) per annum and shall be sold for the par value thereof.

The Bond shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer and shall be payable as provided in the Bond form hereinafter set forth.

Section 3.03. Execution of Bond. The Bond shall be executed in the name of the Issuer by the Chairman and its corporate seal shall be affixed thereto and attested by the Secretary, and the Chairman and the Secretary are hereby authorized to execute the Bond and such other documents as are necessary to finalize this transaction. In case any one or more of the officers who shall have signed or sealed the Bond shall cease to be such officer of the Issuer before the Bond so signed and sealed have been actually sold and delivered, such Bond may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bond had not ceased to hold such office. Any Bond may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bond shall hold the proper office in the Issuer, although at the date of such Bond such person may not have held such office or may not have been so authorized.

Section 3.04. Negotiability, Registration, Transfer and Exchange of Bond. The Bond shall be and have all the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, but the Bond may only be transferred by transfer of the registration thereof upon the books required to be kept pursuant to Section 3.05 hereof, by the party in whose name it is registered, in person or by attorney duly authorized in writing, upon surrender of the Bond for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Registrar. No interest in the Bond shall be transferable except by means of transfer of registration of a Bond representing such interest and delivery of a new Bond or Bonds in exchange therefor in accordance with this Bond Legislation.

Whenever the Bond shall be surrendered for registration of transfer, the Issuer shall execute and deliver a new Bond or Bonds in authorized denominations, for a like aggregate principal amount. The Registrar shall require the payment by the new owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer, but the Issuer shall pay any

other expenses incurred by the Registrar with respect to such transfer.

No registration of transfer of the Bond shall be permitted to be made after the 15th day next preceding any installment payment date on the Bond.

Section 3.05. Registrar. The Issuer shall be the Bond Registrar and will keep or cause to be kept by its agent at its office, sufficient books for the registration and transfer of the Bond, and upon presentation for such purpose, the Registrar shall, under such reasonable regulations as it may prescribe, register the Bond initially issued pursuant hereto and register the transfer, or cause to be registered by its agent, on such books, the transfer of the Bond as hereinbefore provided.

The Registrar shall accept the Bond for registration or transfer only if ownership thereof is to be registered in the name of the Government, an individual (including joint ownership), a corporation, a partnership or a trust, and only upon receipt of the social security number of each individual, the federal employer identification number of each corporation or partnership or social security numbers of the settlor and beneficiaries of each trust and the name of the trustee of each trust and/or such other identifying number and information as may be required by law.

Section 3.06. Bond Mutilated, Destroyed, Stolen or Lost. In case the Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may in its discretion issue and deliver a new Bond of like tenor as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the holder's furnishing the Issuer proof of his, her or its ownership thereof and complying with such other reasonable regulations and conditions as the Issuer may require. The Bond so surrendered shall be canceled and held for the account of the Issuer. If the Bond shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, and if such Bond be destroyed, stolen or lost, without surrender thereof.

Section 3.07. Bond Secured by Pledge of Net Revenues. The payment of the debt service of the Bond shall be secured forthwith by a parity first lien on the Net Revenues derived from the System on a parity with the 1988 and 1990 Bonds in addition to the statutory mortgage lien on the System hereinafter provided for. The Net Revenues derived from the System in an amount sufficient to pay the principal of and interest on the Bond, and to make the payments as hereinafter provided, are hereby irrevocably pledged to the payment of the principal of and interest on the Bond as the same become due all on a parity with the 1988 and 1990 Bonds.

Section 3.08. Form of Bond. Subject to the provisions hereof, the text of the Bond and the other details thereof shall be of substantially the following tenor, with such omissions, insertions and variations as may be authorized or permitted hereby or any resolution adopted after the date of adoption hereof and prior to the issuance thereof:

WATER SYSTEM REVENUE BOND, SERIES 1993

HARDY COUNTY PUBLIC SERVICE DISTRICT
\$330,000

No. R-1

Date: _____, 1993

FOR VALUE RECEIVED, HARDY COUNTY PUBLIC SERVICE DISTRICT (herein called "Issuer") promises to pay to the order of the United States of America, acting through the Farmers Home Administration, United States Department of Agriculture (the "Government"), or its registered assigns at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of Three Hundred Thirty Thousand Dollars (\$330,000), plus interest on the unpaid principal balance at the rate of five per cent (5%) per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing on the 30th day following delivery of the Bond and continuing on the corresponding day of each month for the first twenty-four (24) months after the date hereof, and \$1621 covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of forty (40) years from the date of this Bond, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to the principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Issuer. Refunds and extra payments, as defined in the regulations of the Farmers Home Administration according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Issuer to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Issuer shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Issuer may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Issuer, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Issuer, and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Issuer to the Government without demand. Issuer agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Issuer hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, construction, extensions and improvements of a water system (the "System") of the Issuer, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Issuer, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Bond Legislation, and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination

or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Articles 13A of Chapter 16 of the West Virginia Code (herein called the "Act") and a Resolution of the Issuer (the Resolution).

If at any time it shall appear to the Government that Issuer may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Issuer will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government,

This Bond is given as evidence of a loan to Issuer made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Farmers Home Administration and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS ON A PARITY AS TO LIEN AND SOURCE OF PAYMENT WITH THE CERTAIN WATER REVENUE BONDS, SERIES 1988 AND 1990 OF THE ISSUER DESCRIBED IN THE RESOLUTION.

The initial address of Government for purposes of bond registration is P.O. Box 678, Morgantown, WV 26505.

REVENUES AND APPLICATION THEREOF; DISPOSITION OF BOND PROCEEDS; FUNDS AND ACCOUNTS

Section 4.01. Establishment of Funds and Accounts with Depository Bank. The following special funds or accounts are created and established with (or continued if previously established by the 1988 Resolution), and shall be held by, the Depository Bank, separate, distinct and apart from all other funds or accounts of the Depository Bank and from each other:

- (1) Revenue Fund (established by the 1988 Resolution and continued hereby);
- (2) Project Construction Account;
- (3) Depreciation Reserve (established by the 1988 Resolution and continued hereby);
- (4) Reserve Fund (established by the 1988 Resolution and continued hereby);
- (5) Earnings Fund (established by the 1988 Resolution and continued hereby); and
- (6) Rebate Fund (established by the 1988 Resolution and continued hereby).

Section 4.02. Bond Proceeds; Project Construction Account. All moneys received from the sale of any or all the Bonds shall be deposited on receipt by the Issuer in the Depository Bank, a member of Federal Deposit Insurance Corporation (FDIC), in a special account hereby now established and designated as "\$330,000 Hardy County Public Service District Water System Construction Account" (herein called the "Project Construction Account"). The moneys in the Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by such bank by securities or in a manner lawful for the securing of deposits of state and municipal funds under West Virginia law. Moneys in the Project Construction Account shall be expended by the Issuer solely for the purposes provided herein.

Until completion of the construction of the Project, the Issuer will transfer from the Project Construction Account and pay to the Purchaser on or before the due date, such sums as shall be from time to time required to make the monthly installment payments on the Bond if there are not sufficient Net Revenues to make such monthly payment.

If the Issuer shall determine at any time that all funds on deposit in the Project Construction Account exceed the estimated

disbursements on account of the Project for the ensuing 90 days, the Issuer may invest such excess funds in Qualified Investments.

Pending application as provided in this Section 4.02, money and funds in the Project Construction Account shall be invested and reinvested at the direction of the Issuer, to the extent possible in accordance with applicable law, in Qualified Investments.

When construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the Project Construction Account shall be disposed of in accordance with the regulations of the Purchaser.

Section 4.03. Covenants of the Issuer as to Revenues and Funds. So long as any of the Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund, a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Bonds remaining unpaid, together with interest accrued and to accrue thereon, the Issuer further covenants with the holder of the Bond as follows:

(A) Revenue Fund. The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited as collected by the Issuer in a special fund in a bank or trust company in the State of West Virginia which is a member of FDIC, which Fund, known as the "Revenue Fund" originally established under the 1988 Resolution and which is hereby continued hereunder with the Depository Bank. The Revenue Fund shall constitute a trust fund for the purposes provided herein and shall be kept separate and distinct from all other funds of the Issuer and used only for the purposes and in the manner provided herein.

(B) Disposition of Revenues. All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority subject to the provisions of Section 4.04 of the 1988 Resolution not otherwise modified herein:

(1) The Issuer shall first each month pay from the moneys in the Revenue Fund all current Operating Expenses.

(2) The Issuer shall next, each month, on or before the due date of payment of each installment on the Bonds, transfer from the Revenue Fund and remit to the National Finance Office designated in the Bond (or such other place as may be provided pursuant to the Bonds), the amount required to pay the interest on the Bonds, and to amortize the principal of the Bonds over the respective lives of each Bond issue. All payments with respect to principal of and interest on the Bonds shall be made on an equal pro rata basis in

accordance with the respective aggregate principal amounts thereof outstanding and on a parity with each other.

(3) The Issuer shall next, on each date that payment is made as set forth in (2) above, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Reserve Fund, 1/12th of 1/10th of the amount, as of the date of calculation, equal to the maximum aggregate amount of principal and interest which will become due on the Bonds in any year, until the amount in the Reserve Fund equals such maximum amount (the "Reserve Requirement"). After the Reserve Requirement has been accumulated in the Reserve Fund, the Issuer shall monthly deposit into the Reserve Fund such part of the moneys remaining in the Revenue Fund, after such provision for payment of monthly installments on the Bonds and for payment of Operating Expenses of the System, as shall be required to maintain the Reserve Requirement. Moneys in the Reserve Fund not required to be transferred to the Earnings Fund pursuant to Section 4.04 of the 1988 Resolution shall be used solely to make up any deficiency for monthly payments of the principal of and interest on the Bonds to said National Finance Office (or other place provided) as the same shall become due or for prepayment of installments on the Bonds, or for mandatory prepayment of the Bonds as hereinafter provided, and for no other purpose, on an equal pro rata basis in accordance with the respective aggregate principal amounts thereof outstanding and on a parity with each other.

(4) The Issuer shall next, on each date that payment is made as set forth in (2) above, transfer from the Revenue Fund and deposit in the Depreciation Reserve, the moneys remaining in the Revenue Fund and not permitted to be retained therein, until there has been accumulated in the Depreciation Reserve the aggregate sum of \$51,650, and thereafter such sums as shall be required to maintain such amount therein. Moneys in the Depreciation Reserve, other than any sum or sums required to be transferred to the Earnings Fund pursuant to Section 4.04 of the 1988 Resolution, shall be used first to make up any deficiencies for monthly payments of principal of and interest on the Bonds as the same become due, and next to restore to the Reserve Fund any sum or sums transferred therefrom other than pursuant to Section 4.04 of the 1988 Resolution, all on a pro rata basis. Thereafter, and provided that payments into the Reserve Fund are current and in accordance with the foregoing provisions, moneys in the Depreciation Reserve, other than any sum or sums required to be transferred to the Earnings Fund pursuant to Section 4.04 of the 1988 Resolution, may be withdrawn by the Issuer and used for extraordinary repairs and for replacements of equipment and improvements for the System, or any part thereof.

(5) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, moneys remaining therein and not permitted to be retained therein, if any ("Surplus

Revenues"), may be used to prepay installments of the Bonds, pro rata, or for any lawful purpose.

Whenever the money in the Reserve Fund (other than moneys required to be transferred to the Earnings Fund pursuant to Section 4.04 of the 1988 Resolution) shall be sufficient to prepay the Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The Depository Bank is hereby designated as the Fiscal Agent for the administration of the Reserve Fund, the Depreciation Reserve, the Earnings Fund and the Rebate Fund herein provided, and all amounts required for the Reserve Fund and the Depreciation Reserve will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written advice stating the amount remitted for deposit into each such fund.

All the funds provided for in this Section, except with respect to the Rebate Fund and Excess Investment Earnings (as defined in the 1988 Resolution) in the Earnings Fund, which shall be held for rebate to the United States free from any such lien or trust, shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon (other than such Excess Investment Earnings in the Earnings Fund and the Rebate Fund as aforesaid) for further securing payment of the Bonds and the interest thereon, but the Depository Bank shall not be a trustee as to such funds. It is to be understood that all funds in the Rebate Fund shall be held free and clear of any such lien or trust and shall only be used for the purposes set forth in the 1988 Resolution notwithstanding anything else herein to the contrary.

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

Subject to the 1988 Resolution, the Depository Bank, at the direction of the Issuer, shall keep the moneys in the Reserve Fund, the Depreciation Reserve, the Earnings Fund and the Rebate Fund invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Legislation shall, unless otherwise provided herein or required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and

giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia State Board of Investments. Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and interest accruing thereon any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. Subject to the 1988 Resolution, earnings upon moneys in the Reserve Fund, so long as the Minimum Reserve is on deposit and maintained therein, shall be paid annually in January into the Revenue Fund by the Depository Bank and used for prepayment of the principal of the Bonds; provided, however, notwithstanding any provisions of the 1988 Resolution to the contrary, any amounts remaining in the Earnings Fund following transfer to the Rebate Fund pursuant to the last sentence of Section 4.04A of the 1988 Resolution shall be transferred to and deposited in the Revenue Fund and thereafter immediately used for prepayment of principal of the Bonds on a pro rata basis, so long as the Bond is outstanding.

(C) Change of Depository Agent and Fiscal Agent. The Issuer may designate another bank or trust company insured by FDIC as Fiscal Agent and Depository Bank if the aforesaid Bank should cease for any reason to serve or if the Governing Body determines by resolution that said Bank or its successor should no longer serve as Fiscal Agent or Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

(D) User Contracts. The Issuer shall, prior to delivery of the Bond, provide evidence that there will be 140 bona fide users initially upon the System, and must obtain user agreements and the user contribution, if any, from each new user and deposit in the Water Project Construction Account all such user contributions collected.

(E) Charges and Fees. The Issuer shall remit from the Revenue Fund to the Depository Bank such additional sums as shall be necessary to pay the charges and fees of the Depository Bank then due.

(F) Investment of Excess Balances. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, in a lawful manner for securing deposits of state and municipal funds under the laws of the State.

(G) Remittances. All remittances made by the Issuer to the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

(H) Gross Revenues. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE V

GENERAL COVENANTS

Section 5.01. General Statement. So long as the Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund a sum sufficient to prepay the entire principal of the Bond or the Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Purchaser.

Section 5.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide revenues in each fiscal year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Bond and to make the payments required herein into the Reserve Fund and the Depreciation Reserve and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as the Bond is outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. No additional parity bonds or obligations payable out of the Revenues of the System or any part thereof shall be issued after the issuance of the Bond pursuant hereto except with the prior written consent of the Purchaser.

Section 5.05. Insurance and Bond. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Bond remains outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the

System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Bond.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workmen's Compensation Coverage for all Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation insurance will be maintained as required by the laws of the State of West Virginia.

(e) Fidelity Bonds will be provided as to every member of the Governing Body and every officer and employee of the District having custody of the Revenue Fund or of any revenues or other funds of the System in an amount at least equal to the total annual debt service requirements for all outstanding FmHA loans.

(f) Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer.

(g) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Bond is outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to

carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Statutory Mortgage. For the further protection of the Holder of the Bond, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon delivery of the Bond.

Section 5.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(a) Failure to make payment of any monthly amortization installment upon the Bond at the date specified for payment thereof; and/or

(b) Failure duly and punctually to observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Bond or herein, or violation of or failure to observe any provision of any pertinent law or the Bond Resolutions.

Section 5.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights and shall have all rights prescribed by the Act, W.Va. Code and other applicable law.

Upon application by the Purchaser, such court may, upon proof of such default appoint a receiver for the affairs of the Issuer and the System. The Receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the Court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 5.09. Fiscal Year; Budget. While the Bond is outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than thirty days prior to the beginning of each fiscal year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal

Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the first day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the year next preceding by more than ten per centum; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 5.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer and on file with the Secretary on the date of adoption hereof, subject to permitted changes.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer further covenants to comply with the Act with respect to such books, records and accounts.

Section 5.13. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Bond is outstanding.

Section 5.14. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

Section 5.15. Tax Covenants as to Tax Exempt Status of Bonds.

1. The District covenants that (a) it shall not permit or cause to be done any act or thing which would result in the loss of exemption from tax of interest on the Bond under Section 103 (a) of the Internal Revenue Code and the regulations thereunder, or under any successor or similar provision of the Internal Revenue Code hereinafter enacted and applicable to the Bond, and regulations thereunder; (b) it shall not invest or otherwise use or permit or cause to be invested or used, any of the proceeds of the Bond, or moneys deemed to be proceeds of the Bond under the Internal Revenue Code, directly or indirectly, in any manner which would result in such Bond being classified as an "arbitrage bond" within the meaning of Section 148 of the Internal Revenue Service Code or regulations thereunder, and each shall comply with the requirements of such Section and (c) no part of the proceeds of the Bond or any funds held under the Ordinance shall at any time be used directly or indirectly for any purpose for which would cause the Bond to be subject to treatment as an "private activity bond" under the Internal Revenue Code or regulations thereunder and to that end the District will comply with the applicable law as long as the Bond is outstanding.

2. Tax Covenants. The District hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. BE IT RESOLVED AND ORDERED BY THE PUBLIC SERVICE BOARD OF HARDY COUNTY PUBLIC SERVICE DISTRICT, MOOREFIELD, WEST VIRGINIA:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS
AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution is adopted pursuant to the provisions of Article 13A, Chapter 16 of the West Virginia Code, as amended (the "Act") and other applicable provisions of law.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

A. Hardy County Public Service District (the "PSD" or "Issuer") is a public service district created pursuant to the Act by an order issued by The County Commission of Hardy County, located in Hardy County, West Virginia.

B. The Issuer now has a public water system and desires to improve and expand that system and it is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer and, accordingly, it is hereby ordered, that there be acquired and constructed certain additions, betterments and improvements to the existing public water system of the Issuer known as the "System" (sometimes referred to herein as the "System") so as to improve the public health, comfort and convenience of residents of the Public Service District, including the construction and installation of all necessary appurtenant facilities consisting of a water distribution system known as rural Phase III to serve residents of Hutterville, Fisher, Frosty Hollow, 1 mile along U.S. Route 220 North, 1/2 mile on County Route 220/4 and adjacent areas (the "Project"), and generally described as water line extensions, pumps, pumping stations, water plant improvements and necessary appurtenances particularly described in and according to the plans and specifications prepared by the Consulting Engineer for the Project and heretofore filed in the office of the Secretary of the Public Service Board (the "Governing Body") of the Issuer. The construction and acquisition of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. It is necessary for the Issuer to issue its revenue bond in the aggregate principal amount of \$320,000 to finance a portion of the costs of such construction in the manner hereinafter provided.

D. The estimated maximum cost of the construction of the Project is \$1,410,000, which will be obtained from the proceeds of sale of the Series 1995A Bond herein authorized and from grants to be made by RECD, as hereinafter

defined, and by the State of West Virginia, in the amounts of \$400,000 and \$690,000, respectively. The cost of such construction shall be deemed to include, without being limited to, the construction or acquisition of the Project, the acquisition of any necessary property, real or personal, or any interest therein; interest on the Bond prior to, during and for six (6) months after completion of such construction to the extent that revenues of the System are not sufficient therefor; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; and such other expenses as may be necessary or incidental to the construction of the Project and the financing authorized hereby.

E. The period of usefulness of the System after completion of the Project is not less than forty (40) years.

F. There are currently outstanding the obligations of the Issuer with which the Bond will rank on a parity as to lien and source of and security for payment as follows:

(i) Water Revenue Bond of the Issuer, dated March 15, 1988 (the "1988 Bond") issued in the original principal amount of \$300,000 secured under the terms of the 1988 Resolution (hereinafter defined);

(ii) Water Revenue Bond of the Issuer, dated July 12, 1990 (the "1990 Bond") issued in the original principal amount of \$50,000 secured under the terms of the 1990 Resolution (hereinafter defined); and

(iii) Water System Revenue Bond of the Issuer, dated June 22, 1993 (the "1993 Bond") issued in the original principal amount of \$330,000 secured under the terms of the 1993 Resolution (hereinafter defined).

With the exception of the bonds described above and the 1995B Series Bond, there are no other outstanding bonds or obligations of the Issuer which will rank prior to or on a parity with the Bond as to lien, pledge and/or source of and security for payment.

G. The Issuer is not in default under the terms of the 1988 Resolution, the 1990 Resolution and the 1993 Resolution or any document in connection therewith, and has complied with all requirements of all the foregoing with respect to the issuance of parity bonds or has obtained a sufficient and valid waiver thereof.

H. The estimated revenues to be derived in each year from the operation of the System after completion of the Project will be sufficient to pay all the costs of the operation and maintenance of the System, the principal of and interest on the Bond (as hereinafter defined) and all debt service, reserve fund and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law relating to authorization of the construction, acquisition and operation of the Project and issuance of the Bond, or will have so complied prior to issuance of the Bond including, among other things, the imposition of rates and charges, the consent and approval, pursuant to the Act, of the issuance of the Bond by the Public Service Commission of West Virginia by final order.

J. It is in the best interests of the Issuer that the Bond be sold to the United States Department of Agriculture, Rural Economic and Community Development, successor in interest to the Farmers Home Administration (the "Purchaser" or "RECD"), pursuant to the terms and provisions of a letter of conditions dated April 8, 1994, and all amendments thereto (the "Letter of Conditions").

K. The Issuer has also made arrangements for interim financing as requested by RECD and deems it to be in the best interests of the Issuer to enter into a Credit Agreement and execute a note or notes in the initial amount of \$320,000 payable to any interim construction or financing lender which lender is initially South Branch Valley National Bank.

Section 1.03. Resolution to Constitute Contract. In consideration of the acceptance of the Bond by the Purchaser, this Resolution (the "Resolution") shall be deemed to be and shall constitute a contract between the Issuer and the Purchaser, and the covenants and agreements set forth herein to be performed by the Issuer shall be for the benefit, protection and security of the Registered Owner of the Bond.

Section 3.01. Authorization of Bond. Subject and pursuant to the provisions hereof, the Bonds of the Issuer to be known as "Hardy County Public Service District Water Revenue Bond (Phase III), Series 1995A" in the principal amount of \$320,000, are hereby authorized to be issued for the purpose of financing a portion of the cost of the construction and acquisition of the Project.

Section 3.02. Description of Bond. The Bond shall be issued as a single registered form, No. AR-1, and shall be dated on the date of delivery. The Bond shall bear interest from date, payable monthly at a maximum rate of four and one half percent (4.50%) per annum or such lower rate that RECD, formerly FMHA, will make available at closing, and shall be sold for the par value thereof but in no event greater than four and one half percent (4.50%) per annum.

The Bond shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer and shall be payable as provided in the Bond form hereinafter set forth.

The Bond shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer and shall be payable as provided in the Bond form hereinafter set forth.

Section 3.03. Execution of Bond. The Bond shall be executed in the name of the Issuer by the Chairman and its corporate seal shall be affixed thereto and attested by the Secretary, and the Chairman and the Secretary are hereby authorized to execute the Bond and such other documents as are necessary to finalize this transaction. In case any one or more of the officers who shall have signed or sealed the Bond shall cease to be such officer of the Issuer before the Bond so signed and sealed have been actually sold and delivered, such Bond may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bond had not ceased to hold such office. Any Bond may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bond shall hold the proper office in the Issuer, although at the date of such Bond such person may not have held such office or may not have been so authorized.

Section 3.04. Negotiability, Registration, Transfer and Exchange of Bond. The Bond shall be and have all the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, but the Bond may only be transferred by transfer of the registration thereof upon the books required to be kept pursuant to Section 3.05 hereof, by the party in whose name it is registered, in person or by attorney duly authorized in writing, upon surrender of the Bond for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Registrar. No interest in the Bond shall be transferable except by means of transfer of registration of a Bond representing such interest and delivery of a new Bond or Bonds in exchange therefor in accordance with this Bond Resolution.

Whenever the Bond shall be surrendered for registration of transfer, the Issuer shall execute and deliver a new Bond or Bonds in authorized denominations, for a like aggregate principal amount. The Registrar shall require the payment by the new owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer, but the Issuer shall pay any other expenses incurred by the Registrar with respect to such transfer.

No registration of transfer of the Bond shall be permitted to be made after the 15th day next preceding any installment payment date on that Bond.

Section 3.05. Registrar. The Issuer shall be the Bond Registrar and will keep or cause to be kept by its agent at its office, sufficient books for the registration and transfer of the Bond, and upon presentation for such purpose, the Registrar shall, under such reasonable regulations as it may prescribe, register the Bond initially issued pursuant hereto and register the transfer, or cause to be registered by its agent, on such books, the transfer of the Bonds as hereinbefore provided.

The Registrar shall accept the Bond for registration or transfer only if ownership thereof is to be registered in the name of an individual (including joint ownership), a corporation, a partnership or a trust, and only upon receipt of the social security number of each individual, the federal employer identification number of each corporation or partnership or social security numbers of the settlor and beneficiaries of each trust and the name of the trustee of each trust and/or such other identifying number and information as may be required by law.

Section 3.06. Bond Mutilated, Destroyed, Stolen or Lost. In case the Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may in its discretion issue and deliver a new Bond of like tenor as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or

lost, and upon the holder's furnishing the Issuer proof of his, her or its ownership thereof and complying with such other reasonable regulations and conditions as the Issuer may require. The Bond so surrendered shall be canceled and held for the account of the Issuer. If the Bond shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, and if such Bond be destroyed, stolen or lost, without surrender thereof.

Section 3.07. Bond Secured by Pledge of Revenues. The payment of the debt service of the Bond shall be secured forthwith by a parity lien with the 1988 Bond, the 1990 Bond, the 1993 Bond and the 1995B Series Bond on the net revenues derived from the System in addition to the statutory mortgage lien on the System hereinafter provided for. The net revenues derived from the System in an amount sufficient to pay the principal of and interest on the Bond, and to make the payments as hereinafter provided, are hereby irrevocably pledged to the payment of the principal of and interest on the Bond as the same become due.

Section 3.08. Form of Bond. Subject to the provisions hereof, the text of the Bond and the other details thereof shall be of substantially the following tenor, with such omissions, insertions and variations as may be authorized or permitted hereby or any supplemental resolution adopted after the date of adoption hereof and prior to the issuance thereof:

\$320,000
HARDY COUNTY PUBLIC SERVICE DISTRICT
TAXABLE WATER REVENUE BOND (PHASE III),
SERIES 1995A

No. AR-1

Date: December 13, 1995

FOR VALUE RECEIVED, the HARDY COUNTY PUBLIC SERVICE DISTRICT, a public service district created pursuant to the Act by an order issued by The County Commission of Hardy County, in Hardy County of said State (herein called "Issuer"), hereby promises to pay to the order of the United States of America (the "Government"), or its registered assigns at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of Three Hundred Twenty Thousand and 00/100 Dollars, plus interest on the unpaid principal balance at the rate of four and one half percent (4.50%) per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing on the 30th day following delivery of the Bond and continuing on the corresponding day of each month for the first twenty-four (24) months after the date hereof, and \$1,469.00 covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of forty (40) years from the date of this Bond, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Issuer as requested by Issuer and approved by the Government, and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto and made a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to the principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Issuer. Refunds and extra payments, as defined in the regulations of the Rural Economic and Community Development, successor in interest to the Farmers Home Administration, according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Issuer to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Issuer shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Issuer may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Issuer, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Issuer, and the Government will pay the interest to which the

holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Issuer to the Government without demand. Issuer agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Issuer hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of construction of improvements to a water system (the "System") of the Issuer, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Issuer, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Bond Legislation, and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Article 13A of Chapter 16 of the West Virginia Code (herein called the "Act").

If at any time it shall appear to the Government that Issuer may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Issuer will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government,

This Bond is given as evidence of a loan to Issuer made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act, as amended. This Bond shall be subject to the regulations of the Rural Economic Community Development, successor in interest to the Farmers Home Administration, and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS ON A PARITY AS TO LIEN AND SOURCE OF PAYMENT WITH THE WATER REVENUE BOND, SERIES 1988, WATER REVENUE BOND, SERIES 1990, WATER SYSTEM REVENUE BOND, SERIES 1993 AND TAXABLE WATER REVENUE BOND (WARDENSVILLE EXTENSION), SERIES 1995B OF THE ISSUER DESCRIBED IN THE RESOLUTIONS ISSUED WITH RESPECT TO EACH SERIES.

INTERIM CONSTRUCTION FINANCING

Section 4.01. Authorization and General Terms. In order to pay certain costs of the Project pending receipt of the gross proceeds of the Bond, the Issuer may issue and sell its Note or Notes (the "Notes"), in an aggregate principal amount not to exceed \$320,000. The Notes may be issued as evidence of a line of credit from a commercial bank or other lender, at the discretion of the Issuer, and as shall be set forth in a resolution supplemental hereto. The Notes shall bear interest from the date or dates, at such rate or rates, payable on such date or dates and shall mature on such date or dates and be subject to such prepayment or redemption, all as provided in the supplemental resolution.

Section 4.02. Terms of and Security for Notes. The Notes, if issued, shall be issued with such terms and secured in the manner set forth in a supplemental resolution.

Section 4.03. Notes are Special Obligations. The Notes shall be special obligations of the Issuer payable as to principal and interest solely from the proceeds of the Bond, grant proceeds, surplus revenues, letter of credit proceeds, if any, and other sources. The Notes do not and shall not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions. The general funds of the Issuer are not liable and neither the full faith and credit nor the taxing power, if any, of the Issuer is pledged for the payment of the Notes. The holders of the Notes shall never have the right to compel the forfeiture of any property of the Issuer. The Notes shall not be a debt of the Issuer, nor a legal or equitable pledge, charge, lien or encumbrance upon any property of the Issuer or upon any of its income, receipts or revenues except as set forth in the supplemental resolution.

Section 4.04. Execution of Documents. The Notes, Credit Agreement and any other documents required to be executed by the commercial bank or other lender shall be executed in the name of the Issuer by the Chairman, and the Chairman and Secretary are hereby authorized to execute any Note, Notes, Credit Agreement or any other documents necessary to secure the interim financing.

ARTICLE V

REVENUES AND APPLICATION THEREOF; DISPOSITION OF BOND PROCEEDS; FUNDS AND ACCOUNTS

Section 5.01. Establishment of Funds and Accounts with Depository Bank. The following special funds or accounts are created and established with (or continued if previously established by the 1988 Resolution) and shall be held by the Depository Bank, separate, distinct and apart from all other funds or accounts of the Depository Bank and from each other:

- (1) Revenue Fund (established by the 1988 Resolution and continued hereby;
- (2) 1995A Project Construction Account;
- (3) Reserve Fund (established by the 1988 Resolution and continued hereby);
- (4) Depreciation Reserve (established by the 1988 Resolution and continued hereby); and
- (5) Sinking Fund.

Section 5.02. Bond Proceeds; 1995A Project Construction Account: All moneys received from the sale of the Bond shall be deposited on receipt by the Issuer in the Depository Bank, a member of Federal Deposit Insurance Corporation (FDIC), in a special account hereby now established and designated as "\$320,000 Hardy County Public Service District Water System Construction Account (Phase III)" (herein called the "1995A Project Construction Account"). The moneys in the 1995A Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by such bank by securities or in a manner lawful for the securing of deposits of state and municipal funds under West Virginia law. Moneys in the 1995A Project Construction Account shall be expended by the Issuer solely for the purposes provided herein.

Until completion of the construction of the Project, the Issuer will transfer from the 1995A Project Construction Account and pay to the Purchaser on or before the due date, such sums as shall be from time to time required to make the monthly installment payments on the Bond if there are not sufficient Net Revenues to make such monthly payment

If the Issuer shall determine at any time that all funds on deposit in the 1995A Project Construction Account exceed the estimated disbursements on account of the Project for the ensuing ninety (90) days, the Issuer may invest such excess funds in Qualified Investments.

Pending application as provided in this Section 5.02, money and funds in the 1995A Project Construction Account shall be invested and reinvested at the direction of the Issuer, to the extent possible in accordance with applicable law, in Qualified Investments.

When construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the 1995A Project Construction Account shall be disposed of in accordance with the regulations of the Purchaser.

Section 5.03. Covenants of the Issuer as to Revenues and Funds. So long as any of the Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Bonds remaining unpaid, together with interest accrued and to accrue thereon, the Issuer further covenants with the holder of the Bond as follows:

(A) Revenue Fund. The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited as collected by the Issuer in a special fund in a bank or trust company in the State of West Virginia which is a member of FDIC, which Fund, known as the "Revenue Fund" originally established under the 1988 Resolution and which is hereby continued hereunder with the Depository Bank. The Revenue Fund shall constitute a trust fund for the purposes provided herein and shall be kept separate and distinct from all other funds of the Issuer and used only for the purposes and in the manner provided herein.

(B) Disposition of Revenues. All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority subject to the provisions of Section 4.04 of the 1988 Resolution not otherwise modified herein:

(1) The Issuer shall first each month pay from the moneys in the Revenue Fund all current Operating Expenses.

(2) The Issuer shall next, each month, on or before the due date of payment of each installment on the Bonds, transfer from the Revenue Fund and remit to the National Finance Office designated in the Bond (or such other place as may be provided pursuant to the Bond), the amount required to pay the interest

on the Bonds, and to amortize the principal of the Bonds over the respective lives of each Bond issue. All payments with respect to principal of and interest on the Bonds shall be made on an equal pro rata basis in accordance with the respective aggregate principal amounts thereof outstanding and on a parity with each other. There is hereby created a sinking fund at the Depository Bank into which the Issuer shall deposit sufficient amounts from the Revenue Fund to pay the interest on the Bonds and to amortize the principal of the Bonds over the remaining respective lives of each Bond issue. As long as the Government owns the Bonds, such deposits can be replaced by the remittances described above.

(3) The Issuer shall next, on each date that payment is made as set forth in (2) above, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Reserve Fund, 1/12th of 1/10th of the amount, as of the date of calculation, equal to the maximum aggregate amount of principal and interest which will become due on the Bonds in any year, until the amount in the Reserve Fund equals such maximum amount (the "Reserve Requirement"). After the Reserve Requirement has been accumulated in the Reserve Fund, the Issuer shall monthly deposit into the Reserve Fund such part of the moneys remaining in the Revenue Fund, after such provision for payment of monthly installments on the Bonds and for payment of Operating Expenses of the System, as shall be required to maintain the Reserve Requirement. Moneys in the Reserve Fund not required to be transferred to the Earnings Fund pursuant to Section 4.04 of the 1988 Resolution shall be used solely to make up any deficiency for monthly payments of the principal of and interest on the Bonds to said National Finance Office (or other place provided) as the same shall become due or for prepayment of installments on the Bonds, or for mandatory prepayment of the Bonds as hereinafter provided, and for no other purpose, on an equal pro rata basis in accordance with the respective aggregate principal amounts thereof outstanding and on a parity with each other.

(4) The Issuer shall next, on each date that payment is made as set forth in (2) above, transfer from the Revenue Fund and deposit in the Depreciation Reserve, the moneys remaining in the Revenue Fund and not permitted to be retained therein, until there has been accumulated in the Depreciation Reserve the aggregate sum of \$56,650, and thereafter such sums as shall be required to maintain such amount therein. Moneys in the Depreciation Reserve, other than any sum or sums required to be transferred to the Earnings Fund pursuant to Section 4.04 of the 1988 Resolution, shall be used first to make up any deficiencies for monthly payments of principal of and interest on the Bonds as the same become due, and next to restore to the Reserve Fund any sum or sums transferred therefrom other than pursuant to Section 4.04 of the 1988 Resolution, all on a pro rata basis. Thereafter, and provided that payments into the Reserve Fund are current and in accordance with the foregoing provisions, moneys in the Depreciation Reserve, other than any sum or sums required to be transferred to the Earnings Fund pursuant to Section 4.04 of the 1988 Resolution, may be withdrawn by the Issuer and used for extraordinary repairs and for replacements of equipment and improvements for the System, or any part thereof.

(5) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, moneys remaining therein and not permitted to be retained therein, if any ("Surplus Revenues"), may be used to prepay installments of the Bonds, pro rata, or for any lawful purpose.

Whenever the money in the Reserve Fund (other than moneys required to be transferred to the Earnings Fund pursuant to Section 4.04 of the 1988 Resolution) shall be sufficient to prepay the Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The Depository Bank is hereby designated as the Fiscal Agent for the administration of the Reserve Fund and the Depreciation Reserve, herein provided,

and all amounts required for the Reserve Fund and the Depreciation Reserve will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written advice stating the amount remitted for deposit into each such fund.

All the funds provided for in this Section, except with respect to the Rebate Fund and Excess Investment Earnings (as defined in the 1988 Resolution) in the Earnings Fund, which shall be held for rebate to the United States free from any such lien or trust, shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon (other than such Excess Investment Earnings in the Earnings Fund and the Rebate Fund as aforesaid) for further securing payment of the Bonds and the interest thereon, but the Depository Bank shall not be a trustee as to such funds. It is to be understood that all funds in the Rebate Fund shall be held free and clear of any such lien or trust and shall only be used for the purposes set forth in the 1988 Resolution notwithstanding anything else herein to the contrary.

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

Subject to the 1988 Resolution, the Depository Bank, at the direction of the Issuer, shall keep the moneys in the Reserve Fund and the Depreciation Reserve invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Resolution shall, unless otherwise provided herein or required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia State Board of Investments. Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account.

(C) Change of Depository Agent and Fiscal Agent. The Issuer may designate another bank or trust company insured by FDIC as Fiscal Agent and Depository Bank if the aforesaid Bank should cease for any reason to serve or if the Governing Body determines by ordinance that said Bank or its successor should no longer serve as Fiscal Agent or Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

(D) User Contracts. The Issuer shall, prior to delivery of the Bonds, provide evidence that there will be 117 bona fide users of the proposed System when the extension of the System is completed and placed in operation, and must obtain user agreements and the user contribution from each new user and deposit in the 1995A Project Construction Account all such new user contributions collected.

(E) Charges and Fees. The Issuer shall remit from the Revenue Fund to the Depository Bank such additional sums as shall be necessary to pay the charges and fees of the Depository Bank then due.

(F) Investment of Excess Balances. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such

insured sum, in a lawful manner for securing deposits of state and municipal funds under the laws of the State.

(G) Remittances. All remittances made by the Issuer to the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

(H) Gross Revenues. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

GENERAL COVENANTS

Section 6.01. General Statement. So long as the Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund a sum sufficient to prepay the entire principal of the Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Purchaser.

Section 6.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide revenues in each fiscal year sufficient to produce net revenues equal to not less than one hundred ten percent (110%) percent of the annual debt service on the Bond and to make the payments required herein into the Reserve Fund and all the necessary expenses of operating and maintaining the System during such fiscal year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate revenues for such purposes.

Section 6.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as the Bond is outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 6.04. Issuance of Additional Parity Bonds or Obligations. No additional parity bonds or obligations payable out of the revenues of the System or any part thereof shall be issued after the issuance of the Bond pursuant hereto except with the prior written consent of the Purchaser or the then holder of or Trustee or agent for the holder of the Bond.

Section 6.05. Insurance and Bond. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Bond remains outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Real Property Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Bonds.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workers' Compensation Coverage for all Employees of the Town Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of one hundred percent (100%) of the construction contract, will be required of each prime contractor, and such payment bonds will be filed with the Clerk of the County Commission of Hardy County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation insurance will be maintained as required by the laws of the State of West Virginia.

(e) Fidelity Bonds will be provided as to every member of the Governing Body and every officer and employee of the PSD having custody of the Revenue Fund or of any revenues or other funds of the System in an amount at least equal to the total annual debt service requirements for all outstanding RECD, formerly FmHA, loans.

(f) Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer.

(g) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Bond is outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 6.06. Statutory Mortgage. For the further protection of the holder of the Bond, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon delivery of the Bond.

Section 6.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(A) Failure to make payment of any monthly amortization installment at the date specified for payment thereof and/or;

(B) Failure duly and punctually to observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Bond or herein, or violation of or failure to observe any provision of any pertinent law or of this Bond Resolution.

Section 6.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to

protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights and shall have all rights prescribed by the Act, W.Va. Code and other applicable law.

Upon application by the Purchaser, such court may, upon proof of such default, appoint a receiver for the affairs of the Issuer and the System. The Receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 6.09. Fiscal Year; Budget. While the Bond is outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a fiscal year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than thirty (30) days prior to the beginning of each fiscal year, the Issuer agrees to adopt an Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such fiscal year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each fiscal year.

If for any reason the Issuer shall not have adopted an Annual Budget before the first day of any fiscal year, it shall adopt a Budget of Current Expenses from month to month until the adoption of an Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the year next preceding by more than ten percent (10%); and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 6.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 6.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer and on file with the Secretary on the date of adoption hereof, subject to permitted changes.

Section 6.12. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the

Purchaser. The Issuer further covenants to comply with the Act with respect to such books, records and accounts.

Section 6.13. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Bond is outstanding.

Section 6.14. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

BE IT RESOLVED AND ORDERED BY THE PUBLIC SERVICE BOARD OF HARDY COUNTY PUBLIC SERVICE DISTRICT, MCOREFIELD, WEST VIRGINIA:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS
AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution is adopted pursuant to the provisions of Article 13A, Chapter 16 of the West Virginia Code, as amended (the "Act") and other applicable provisions of law.

Section 1.02. Findings and Determinations. It is hereby found, determined and declared as follows:

A. Hardy County Public Service District (the "PSD" or "Issuer") is a public service district created pursuant to the Act by an order issued by The County Commission of Hardy County, located in Hardy County, West Virginia.

B. The Issuer now has a public water system and desires to improve and expand that system and it is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer and, accordingly, it is hereby ordered, that there be acquired and constructed certain additions, betterments and improvements to the existing public water system of the Issuer known as the "System" (sometimes referred to herein as the "System") so as to improve the public health, comfort and convenience of residents of the Public Service District, including the construction and installation of all necessary appurtenant facilities consisting of a water distribution system known as the rural Wardensville Extension to serve rural residents in the areas outside the municipal limits of Wardensville, Hardy County (the "Project"), and generally described as water line extensions, pumps, pumping stations, water plant improvements and necessary appurtenances particularly described in and according to the plans and specifications prepared by the Consulting Engineer for the Project and heretofore filed in the office of the Secretary of the Public Service Board (the "Governing Body") of the Issuer. The construction and acquisition of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. It is necessary for the Issuer to issue its revenue bond in the aggregate principal amount of \$280,000 to finance a portion of the costs of such construction in the manner hereinafter provided.

D. The estimated maximum cost of the construction of the Project is \$810,000, which will be obtained from the proceeds of sale of the Series 1995B Bond herein authorized and from a grant to be made by RECD, as hereinafter defined, in the amount of \$530,000. The cost of such construction shall be

deemed to include, without being limited to, the construction or acquisition of the Project, the acquisition of any necessary property, real or personal, or any interest therein; interest on the Bonds prior to, during and for six (6) months after completion of such construction to the extent that revenues of the System are not sufficient therefor; engineering and legal expenses; expenses for estimates of costs and revenues; expenses for plans, specifications and surveys; and such other expenses as may be necessary or incidental to the construction of the Project and the financing authorized hereby.

E. The period of usefulness of the System after completion of the Project is not less than forty (40) years.

F. There are currently outstanding the obligations of the Issuer with which the Bond will rank on a parity as to lien and source of and security for payment as follows:

(i) Water Revenue Bond of the Issuer, dated March 15, 1988, (the "1988 Bond") issued in the original principal amount of \$300,000 secured under the terms of the 1988 Resolution (hereinafter defined);

(ii) Water Revenue Bond of the Issuer, dated July 12, 1990 (the "1990 Bond") issued in the original principal amount of \$50,000 secured under the terms of the 1990 Resolution (hereinafter defined); and

(iii) Water System Revenue Bond of the Issuer, dated June 22, 1993 (the "1993 Bond") issued in the original principal amount of \$330,000 secured under the terms of the 1993 Resolution (hereinafter defined).

With the exception of the bonds described above and the 1995A Series Bond, there are no other outstanding bonds or obligations of the Issuer which will rank prior to or on a parity with the Bond as to lien, pledge and/or source of and security for payment.

G. The Issuer is not in default under the terms of the 1988 Resolution, the 1990 Resolution and the 1993 Resolution or any document in connection therewith, and has complied with all requirements of all the foregoing with respect to the issuance of parity bonds or has obtained a sufficient and valid waiver thereof.

H. The estimated revenues to be derived in each year from the operation of the System after completion of the Project will be sufficient to pay all the costs of the operation and maintenance of the System, the principal of and interest on the Bonds (as hereinafter defined) and all debt service, reserve fund and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law relating to authorization of the construction, acquisition and operation of the Project and issuance of the Bonds, or will have so complied prior to issuance of the Bonds including, among other things, the imposition of rates and charges, the consent and approval, pursuant to the Act, of the issuance of the Bonds by the Public Service Commission of West Virginia by final order.

J. It is in the best interests of the Issuer that the Bonds be sold to the United States Department of Agriculture, Rural Economic and Community Development, successor in interest to the Farmers Home Administration (the "Purchaser" or "RECD"), pursuant to the terms and provisions of a letter of conditions dated May 27, 1994, and all amendments thereto (the "Letter of Conditions").

K. The Issuer has also made arrangements for interim financing as requested by RECD and deems it to be in the best interests of the Issuer to enter into a Credit Agreement and execute a note or notes in the initial amount of

\$280,000 payable to any interim construction or financing lender which lender is initially Capon Valley Bank.

Section 1.03. Resolution to Constitute Contract. In consideration of the acceptance of the Bonds by the Purchaser, this Resolution (the "Resolution") shall be deemed to be and shall constitute a contract between the Issuer and the Purchaser, and the covenants and agreements set forth herein to be performed by the Issuer shall be for the benefit, protection and security of the Registered Owner of the Bonds.

The Bond shall bear interest from date, payable monthly at a maximum rate of four and one half percent (4.50%) per annum or such lower rate that RECD, formerly FmHA, will make available at closing, and shall be sold for the par value thereof but in no event greater than four and one half percent (4.50%) per annum.

The Bond shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer and shall be payable as provided in the Bond form hereinafter set forth.

Section 3.03. Execution of Bond. The Bond shall be executed in the name of the Issuer by the Chairman and its corporate seal shall be affixed thereto and attested by the Secretary, and the Chairman and the Secretary are

hereby authorized to execute the Bond and such other documents as are necessary to finalize this transaction. In case any one or more of the officers who shall have signed or sealed the Bond shall cease to be such officer of the Issuer before the Bond so signed and sealed have been actually sold and delivered, such Bond may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bond had not ceased to hold such office. Any Bond may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bond shall hold the proper office in the Issuer, although at the date of such Bond such person may not have held such office or may not have been so authorized.

Section 3.04. Negotiability, Registration, Transfer and Exchange of Bond. The Bond shall be and have all the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, but the Bond may only be transferred by transfer of the registration thereof upon the books required to be kept pursuant to Section 3.05 hereof, by the party in whose name it is registered, in person or by attorney duly authorized in writing, upon surrender of the Bond for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Registrar. No interest in the Bond shall be transferable except by means of transfer of registration of a Bond representing such interest and delivery of a new Bond or Bonds in exchange therefor in accordance with this Bond Resolution.

The Registrar shall require the payment by the new owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer, but the Issuer shall pay any other expenses incurred by the Registrar with respect to such transfer.

No registration of transfer of the Bond shall be permitted to be made after the 15th day next preceding any installment payment date on that Bond.

The Issuer shall be the Bond Registrar and will keep or cause to be kept by its agent at its office, sufficient books for the registration and transfer of the Bond, and upon presentation for such purpose, the Registrar shall, under such reasonable regulations as it may prescribe, register the Bond initially issued pursuant hereto and register the transfer, or cause to be registered by its agent, on such books, the transfer of the Bonds as hereinbefore provided.

The Registrar shall accept the Bond for registration or transfer only if ownership thereof is to be registered in the name of an individual (including joint ownership), a corporation, a partnership or a trust, and only upon receipt of the social security number of each individual, the federal employer identification number of each corporation or partnership or social security numbers of the settlor and beneficiaries of each trust and the name of the trustee of each trust and/or such other identifying number and information as may be required by law.

Section 3.06. Bond Mutilated, Destroyed, Stolen or Lost. The Bond so surrendered shall be canceled and held for the account of the Issuer. If the Bond shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, and if such Bond be destroyed, stolen or lost, without surrender thereof.

Section 3.07. Bond Secured by Pledge of Revenues. The payment of the debt service of the Bond shall be secured forthwith by a parity lien with the 1988 Bond, the 1990 Bond, the 1993 Bond, and the 1995A Series Bond on the net revenues derived from the System in addition to the statutory mortgage lien on the System hereinafter provided for. The net revenues derived from the System in an amount sufficient to pay the principal of and interest on the Bond, and to make the payments as hereinafter provided, are hereby irrevocably pledged to the payment of the principal of and interest on the Bond as the same become due.

Section 3.08. Form of Bond. Subject to the provisions hereof, the text of the Bond and the other details thereof shall be of substantially the following tenor, with such omissions, insertions and variations as may be authorized or permitted hereby or any supplemental resolution adopted after the date of adoption hereof and prior to the issuance thereof:

HARDY COUNTY PUBLIC SERVICE DISTRICT,

SERIES 1995B

No. BR-1

Date: December 18, 1995

FOR VALUE RECEIVED, the HARDY COUNTY PUBLIC SERVICE DISTRICT, a public service district created pursuant to the Act by an order issued by The County Commission of Hardy County, in Hardy County of said State (herein called "Issuer"), hereby promises to pay to the order of the United States of America (the "Government"), or its registered assigns at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of Two Hundred Eighty Thousand and 00/100 Dollars (\$280,000), plus interest on the unpaid principal balance at the rate of four and one half percent (4.50%) per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing on the 30th day following delivery of the Bond and continuing on the corresponding day of each month for the first twenty-four (24) months after the date hereof, and \$1,286.00 covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of forty (40) years from the date of this Bond, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Issuer as requested by Issuer and approved by the Government, and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto and made a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to the principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Issuer. Refunds and extra payments, as defined in the regulations of the Rural Economic and Community Development, successor in interest to the Farmers Home Administration, according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Issuer to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Issuer shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Issuer may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Issuer, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the

holder on an annual installment due date basis shall be the date of the prepayment by Issuer, and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Issuer to the Government without demand. Issuer agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Issuer hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of construction of improvements to a water system (the "System") of the Issuer, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Issuer, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Bond Legislation, and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Article 13A of Chapter 16 of the West Virginia Code (herein called the "Act").

If at any time it shall appear to the Government that Issuer may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Issuer will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government,

This Bond is given as evidence of a loan to Issuer made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act, as amended. This Bond shall be subject to the regulations of the Rural Economic Community Development, successor in interest to the Farmers Home Administration, and to its future regulations not inconsistent with the express provisions hereof.

INTERIM CONSTRUCTION FINANCING

Section 4.01. Authorization and General Terms. In order to pay certain costs of the Project pending receipt of the gross proceeds of the Bond, the Issuer may issue and sell its Note or Notes (the "Notes"), in an aggregate principal amount not to exceed \$280,000. The Notes may be issued as evidence of a line of credit from a commercial bank or other lender, at the discretion of the Issuer, and as shall be set forth in a resolution supplemental hereto. The Notes shall bear interest from the date or dates, at such rate or rates, payable on such date or dates and shall mature on such date or dates and be subject to such prepayment or redemption, all as provided in the supplemental resolution.

Section 4.02. Terms of and Security for Notes. The Notes, if issued, shall be issued with such terms and secured in the manner set forth in a supplemental resolution.

Section 4.03. Notes are Special Obligations. The Notes shall be special obligations of the Issuer payable as to principal and interest solely from the proceeds of the Bond, grant proceeds, surplus revenues, letter of credit proceeds, if any, and other sources. The Notes do not and shall not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions. The general funds of the Issuer are not liable and neither the full faith and credit nor the taxing power, if any, of the Issuer is pledged for the payment of the Notes. The holders of the Notes shall never have the right to compel the forfeiture of any property of the Issuer. The Notes shall not be a debt of the Issuer, nor a legal or equitable pledge, charge, lien or encumbrance upon any property of the Issuer or upon any of its income, receipts or revenues except as set forth in the supplemental resolution.

Section 4.04. Execution of Documents. The Notes, Credit Agreement and any other documents required to be executed by the commercial bank or other lender shall be executed in the name of the Issuer by the Chairman, and the Chairman and Secretary are hereby authorized to execute any Note, Notes, Credit Agreement or any other documents necessary to secure the interim financing.

ARTICLE V

REVENUES AND APPLICATION THEREOF; DISPOSITION OF BOND PROCEEDS; FUNDS AND ACCOUNTS

Section 5.01. Establishment of Funds and Accounts with Depository Bank. The following special funds or accounts are created and established with (or continued if previously established by the 1988 Resolution) and shall be held by the Depository Bank, separate, distinct and apart from all other funds or accounts of the Depository Bank and from each other:

- (1) Revenue Fund (established by the 1988 Resolution and continued hereby);
- (2) 1995B Project Construction Account;
- (3) Reserve Fund (established by the 1988 Resolution and continued hereby);
- (4) Depreciation Reserve (established by the 1988 Resolution and continued hereby); and
- (5) Sinking Fund.

Section 5.02. Bond Proceeds; 1995A Project Construction Account: All moneys received from the sale of the Bond shall be deposited on receipt by the Issuer in the Depository Bank, a member of Federal Deposit Insurance Corporation (FDIC), in a special account hereby now established and designated as "\$280,000 Hardy County Public Service District Water System Construction Account (Wardensville Extension)" (herein called the "1995B Project Construction Account"). The moneys in the 1995B Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by such bank by securities or in a manner lawful for the securing of deposits of state and municipal funds under West Virginia law. Moneys in the 1995B Project Construction Account shall be expended by the Issuer solely for the purposes provided herein.

Until completion of the construction of the Project, the Issuer will transfer from the 1995B Project Construction Account and pay to the Purchaser on or before the due date, such sums as shall be from time to time required to make the monthly installment payments on the Bond if there are not sufficient Net Revenues to make such monthly payment.

If the Issuer shall determine at any time that all funds on deposit in the 1995B Project Construction Account exceed the estimated disbursements on account of the Project for the ensuing ninety (90) days, the Issuer may invest such excess funds in Qualified Investments.

Pending application as provided in this Section 5.02, money and funds in the 1995B Project Construction Account shall be invested and reinvested at the direction of the Issuer, to the extent possible in accordance with applicable law, in Qualified Investments.

When construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the 1995B Project Construction Account shall be disposed of in accordance with the regulations of the Purchaser.

Section 5.03. Covenants of the Issuer as to Revenues and Funds. So long as any of the Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Bonds remaining unpaid, together with interest accrued and to accrue thereon, the Issuer further covenants with the holder of the Bond as follows:

(A) Revenue Fund. The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited as collected by the Issuer in a special fund in a bank or trust company in the State of West Virginia which is a member of FDIC, which Fund, known as the "Revenue Fund" originally established under the 1988 Resolution and which is hereby continued hereunder with the Depository Bank. The Revenue Fund shall constitute a trust fund for the purposes provided herein and shall be kept separate and distinct from all other funds of the Issuer and used only for the purposes and in the manner provided herein.

(B) Disposition of Revenues. All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority subject to the provisions of Section 4.04 of the 1988 Resolution not otherwise modified herein:

(1) The Issuer shall first each month pay from the moneys in the Revenue Fund all current Operating Expenses.

(2) The Issuer shall next, each month, on or before the due date of payment of each installment on the Bonds, transfer from the Revenue Fund and remit to the National Finance Office designated in the Bond (or such other place as may be provided pursuant to the Bond), the amount required to pay the interest

on the Bonds, and to amortize the principal of the Bonds over the respective lives of each Bond issue. All payments with respect to principal of and interest on the Bonds shall be made on an equal pro rata basis in accordance with the respective aggregate principal amounts thereof outstanding and on a parity with each other. There is hereby created a sinking fund at the Depository Bank into which the Issuer shall deposit sufficient amounts from the Revenue Fund to pay the interest on the Bonds and to amortize the principal of the Bonds over the remaining respective lives of each Bond issue. As long as the Government owns the Bonds, such deposits can be replaced by the remittances described above.

(3) The Issuer shall next, on each date that payment is made as set forth in (2) above, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Reserve Fund, 1/12th of 1/10th of the amount, as of the date of calculation, equal to the maximum aggregate amount of principal and interest which will become due on the Bonds in any year, until the amount in the Reserve Fund equals such maximum amount (the "Reserve Requirement"). After the Reserve Requirement has been accumulated in the Reserve Fund, the Issuer shall monthly deposit into the Reserve Fund such part of the moneys remaining in the Revenue Fund, after such provision for payment of monthly installments on the Bonds and for payment of Operating Expenses of the System, as shall be required to maintain the Reserve Requirement. Moneys in the Reserve Fund not required to be transferred to the Earnings Fund pursuant to Section 4.04 of the 1988 Resolution shall be used solely to make up any deficiency for monthly payments of the principal of and interest on the Bonds to said National Finance Office (or other place provided) as the same shall become due or for prepayment of installments on the Bonds, or for mandatory prepayment of the Bonds as hereinafter provided, and for no other purpose, on an equal pro rata basis in accordance with the respective aggregate principal amounts thereof outstanding and on a parity with each other.

(4) The Issuer shall next, on each date that payment is made as set forth in (2) above, transfer from the Revenue Fund and deposit in the Depreciation Reserve, the moneys remaining in the Revenue Fund and not permitted to be retained therein, until there has been accumulated in the Depreciation Reserve the aggregate sum of \$56,650, and thereafter such sums as shall be required to maintain such amount therein. Moneys in the Depreciation Reserve, other than any sum or sums required to be transferred to the Earnings Fund pursuant to Section 4.04 of the 1988 Resolution, shall be used first to make up any deficiencies for monthly payments of principal of and interest on the Bonds as the same become due, and next to restore to the Reserve Fund any sum or sums transferred therefrom other than pursuant to Section 4.04 of the 1988 Resolution, all on a pro rata basis. Thereafter, and provided that payments into the Reserve Fund are current and in accordance with the foregoing provisions, moneys in the Depreciation Reserve, other than any sum or sums required to be transferred to the Earnings Fund pursuant to Section 4.04 of the 1988 Resolution, may be withdrawn by the Issuer and used for extraordinary repairs and for replacements of equipment and improvements for the System, or any part thereof.

(5) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, moneys remaining therein and not permitted to be retained therein, if any ("Surplus Revenues"), may be used to prepay installments of the Bonds, pro rata, or for any lawful purpose.

Whenever the money in the Reserve Fund (other than moneys required to be transferred to the Earnings Fund pursuant to Section 4.04 of the 1988 Resolution) shall be sufficient to prepay the Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The Depository Bank is hereby designated as the Fiscal Agent for the administration of the Reserve Fund and the Depreciation Reserve, herein provided,

and all amounts required for the Reserve Fund and the Depreciation Reserve will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written advice stating the amount remitted for deposit into each such fund.

All the funds provided for in this Section, except with respect to the Rebate Fund and Excess Investment Earnings (as defined in the 1988 Resolution) in the Earnings Fund, which shall be held for rebate to the United States free from any such lien or trust, shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon (other than such Excess Investment Earnings in the Earnings Fund and the Rebate Fund as aforesaid) for further securing payment of the Bonds and the interest thereon, but the Depository Bank shall not be a trustee as to such funds. It is to be understood that all funds in the Rebate Fund shall be held free and clear of any such lien or trust and shall only be used for the purposes set forth in the 1988 Resolution notwithstanding anything else herein to the contrary.

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

Subject to the 1988 Resolution, the Depository Bank, at the direction of the Issuer, shall keep the moneys in the Reserve Fund and the Depreciation Reserve invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Resolution shall, unless otherwise provided herein or required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia State Board of Investments. Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account.

(C) Change of Depository Agent and Fiscal Agent. The Issuer may designate another bank or trust company insured by FDIC as Fiscal Agent and Depository Bank if the aforesaid Bank should cease for any reason to serve or if the Governing Body determines by ordinance that said Bank or its successor should no longer serve as Fiscal Agent or Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

(D) User Contracts. The Issuer shall, prior to delivery of the Bonds, provide evidence that there will be 82 bona fide users of the proposed System when the extension of the System is completed and placed in operation, and must obtain user agreements and the user contribution from each new user and deposit in the 1995B Project Construction Account all such new user contributions collected.

(E) Charges and Fees. The Issuer shall remit from the Revenue Fund to the Depository Bank such additional sums as shall be necessary to pay the charges and fees of the Depository Bank then due.

(F) Investment of Excess Balances. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in any of such funds or accounts shall at all times be secured, to the full extent thereof in excess of such

insured sum, in a lawful manner for securing deposits of state and municipal funds under the laws of the State.

(G) Remittances. All remittances made by the Issuer to the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

(H) Gross Revenues. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

GENERAL COVENANTS

Section 6.01. General Statement. So long as the Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Reserve Fund a sum sufficient to prepay the entire principal of the Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Purchaser.

Section 6.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide revenues in each fiscal year sufficient to produce net revenues equal to not less than one hundred ten percent (110%) percent of the annual debt service on the Bond and to make the payments required herein into the Reserve Fund and all the necessary expenses of operating and maintaining the System during such fiscal year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate revenues for such purposes.

Section 6.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as the Bond is outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 6.04. Issuance of Additional Parity Bonds or Obligations. No additional parity bonds or obligations payable out of the revenues of the System or any part thereof shall be issued after the issuance of the Bond pursuant hereto except with the prior written consent of the Purchaser or the then holder of or Trustee or agent for the holder of the Bond.

Section 6.05. Insurance and Bond. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Bond remains outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Real Property Insurance, to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from

claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Bonds.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workers' Compensation Coverage for all Employees of the Town Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of one hundred percent (100%) of the construction contract, will be required of each prime contractor, and such payment bonds will be filed with the Clerk of the County Commission of Hardy County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation insurance will be maintained as required by the laws of the State of West Virginia.

(e) Fidelity Bonds will be provided as to every member of the Governing Body and every officer and employee of the PSD having custody of the Revenue Fund or of any revenues or other funds of the System in an amount at least equal to the total annual debt service requirements for all outstanding RECD, formerly FmHA, loans.

(f) Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer.

(g) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Bond is outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 6.06. Statutory Mortgage. For the further protection of the holder of the Bond, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon delivery of the Bond.

Section 6.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(A) Failure to make payment of any monthly amortization installment at the date specified for payment thereof and/or;

Section 6.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement,

or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights and shall have all rights prescribed by the Act, W.Va. Code and other applicable law.

Upon application by the Purchaser, such court may, upon proof of such default, appoint a receiver for the affairs of the Issuer and the System. The Receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 6.09. Fiscal Year; Budget. While the Bond is outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a fiscal year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than thirty (30) days prior to the beginning of each fiscal year, the Issuer agrees to adopt an Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such fiscal year unless unanimously authorized and directed by the Governing Body. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 6.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 6.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer and on file with the Secretary on the date of adoption hereof, subject to permitted changes.

Section 6.12. Books and Records; Audits. The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer further covenants to comply with the Act with respect to such books, records and accounts.

Section 6.13. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Bond is outstanding.

Section 6.14. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

This Resolution is adopted pursuant to the provisions of Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law. Hardy County Public Service District (the "Issuer") is a public corporation and public service district and political subdivision of the State of West Virginia in Hardy County of said State, duly created pursuant to the Act by The County Commission of Hardy County.

service properties consisting of additions, improvements and extensions to such existing waterworks facilities with all appurtenant facilities, within the boundaries of the Issuer to be owned and operated by the Issuer.

B. It is deemed essential, convenient and desirable for the health, welfare, safety, advantage and convenience of the inhabitants of the Issuer, and, accordingly, it is hereby ordered, that there be acquired and constructed certain additions, improvements and extensions to the existing waterworks facilities of the Issuer, consisting of a water distribution system, including meter services, valving, air release valves and water storage tanks for the Phase III - A service area of Frosty Hollow, Welton Orchard Road and Power Spring Road in Hardy County, and all necessary appurtenant facilities (the "Project"), particularly described in and according to the plans and specifications prepared by the Consulting Engineer and heretofore filed in the office of the Secretary of the Public Service Board (the "Governing Body") of the Issuer. The existing waterworks facilities of the Issuer, together with the Project and any further additions, improvements or extensions thereto, are herein called the "System." The acquisition and construction of the Project and the financing hereby authorized and provided for are public purposes of the Issuer and are ordered for the purpose of meeting and serving public convenience and necessity.

C. The estimated revenues to be derived in each year from the operation of the System after completion of the Project will be sufficient to pay all costs of operation and maintenance of the System, the principal of and interest on the Bonds (hereinafter defined) and all funds and accounts and other payments provided for herein.

D. The estimated maximum cost of the acquisition and construction of the Project is \$2,170,000, of which \$550,000 will be obtained from the proceeds of sale of the Series 1998 Bonds herein authorized, \$845,000 will be obtained from a grant from the Purchaser, and \$775,000 will be obtained from a grant from the United States Department of Housing and Urban Development (Small Cities Block Grant through the State of West Virginia).

E. It is necessary for the Issuer to issue its water revenue bonds, in the total principal amount of \$550,000 in two series, being the Water Revenue Bonds, Series 1998 A (United States Department of Agriculture) (the "Series 1998 A Bonds"), in the aggregate principal amount of \$500,000, and the Water Revenue Bonds, Series 1998 B (United States Department of Agriculture) (the "Series 1998 B Bonds"), in the aggregate principal amount of \$50,000 (collectively, the "Series 1998 Bonds"), to finance a portion of the costs of such acquisition and construction in the manner hereinafter provided. The costs of such acquisition and construction shall be deemed to include, without being limited to, the acquisition and construction of the Project; the cost of all property rights, easements and franchises deemed necessary or convenient therefor and for the improvements and extensions thereto; interest on the Series 1998 Bonds prior to, during and for six months after completion of such acquisition and construction of the improvements and extensions; engineering, fiscal agents and legal expenses; expenses for estimates of costs and revenues;

F. The period of usefulness of the System after completion of the Project is not less than 40 years.

G. There are outstanding the following obligations of the Issuer which will rank on a parity with the Series 1998 Bonds as to liens, pledge and source of and security for payment: (i) Water Revenue Bond, Series 1988, dated March 15, 1989, issued in the original aggregate principal amount of \$300,000 (the "Series 1988 Bonds"); (ii) Water Revenue Bond, Series 1990, dated July 12, 1990, issued in the original aggregate principal amount of \$50,000 (the "Series 1990 Bonds"); (iii) Water System Revenue Bond, Series 1993, dated June 22, 1993, issued in the original aggregate principal amount of \$330,000 (the "Series 1993 Bonds"); (iv) Taxable Water Revenue Bond (Phase III), Series 1995 A, dated December 18, 1995, issued in the original aggregate principal amount of \$320,000 (the "Series 1995 A Bonds"); and (v) Taxable Water Revenue Bond (Wardensville Extension), Series 1995 B, issued in the original aggregate principal amount of \$280,000 (the "Series 1995 B Bonds").

ARTICLE III

AUTHORIZATION, TERMS, EXECUTION, REGISTRATION AND ISSUE OF BONDS

Section 3.01. Authorization of Bonds. Subject and pursuant to the provisions of the Bond Legislation, the Series 1998 Bonds of the Issuer, to be known as "Water Revenue Bonds, Series 1998 A (United States Department of Agriculture)", and "Water Revenue Bonds, Series 1998 B (United States Department of Agriculture)", are hereby authorized to be issued in the respective principal amounts of \$500,000 and \$50,000 for a total aggregate principal amount not exceeding \$550,000, for the purpose of financing a portion of the costs of the acquisition and construction of the Project.

Section 3.02. Description of Bonds. The Series 1998 A Bonds shall be issued in single form, numbered AR-1, only as a fully registered Bond, and shall be dated the date of delivery thereof. The Series 1998 A Bonds shall bear interest from the date of delivery, payable monthly at the rate of 4.75% per annum, and shall be sold for the par value thereof.

The Series 1998 B Bonds shall be issued in single form, numbered BR-1, only as a fully registered Bond, and shall be dated the date of delivery thereof. The Series 1998 B Bond shall bear interest from the date of delivery, payable monthly at a rate of 4.75% per annum, and shall be sold for the par value thereof.

The Series 1998 Bonds shall be subject to prepayment of scheduled monthly installments, or any portion thereof, at the option of the Issuer, and shall be payable as provided in the respective Bond forms hereinafter set forth.

Section 3.03. Negotiability, Registration, Transfer and Exchange of Bonds. The Series 1998 Bonds shall be and have all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but the Series 1998 Bonds, and the right to principal of and stated interest on the Series 1998 Bonds, may only be transferred by transfer of the registration thereof upon the books required to be kept pursuant to Section 3.04 hereof, by the party in whose name it is registered, in person or by attorney duly authorized in writing, upon surrender of the Series 1998 Bonds for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Bond Registrar.

Whenever the Series 1998 Bonds shall be surrendered for registration of transfer, the Issuer shall execute and deliver a new Bond or Bonds in authorized denominations, for a like aggregate principal amount. The Bond Registrar shall require the payment by the new owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No registration of transfer of the Series 1998 Bonds shall be permitted to be made after the 15th day next preceding any installment payment date on the Series 1998 Bonds.

Section 3.04. Bond Registrar. The Issuer shall be the Bond Registrar and will keep, or cause to be kept by its agent, at its office, sufficient books for the registration and transfer of the Series 1998 Bonds, and, upon presentation for such purpose, the Bond Registrar shall, under such reasonable regulations as it may prescribe, register the Series 1998 Bonds initially issued pursuant hereto and register the transfer, or cause to be registered by its agent, on such books, the transfer of the Series 1998 Bonds as hereinbefore provided.

The Bond Registrar shall accept the Series 1998 Bonds for registration or transfer only if ownership thereof is to be registered in the name of the Purchaser, an individual (including joint ownership), a corporation, a partnership or a trust, and only upon receipt of the social security number of each individual, the federal employer identification number of each corporation or partnership or the social security numbers of the settlor and beneficiaries of each trust and the federal employer identification number and date of each trust and the name of the trustee of each trust and/or such other identifying number and information as may be required by law. The Series 1998 Bonds shall initially be fully registered as to both principal and interest in the name of the United States of America. So long as the Series 1998 Bonds shall be registered in the name of the United States of America, the address of the United States of America for registration purposes shall be National Finance Office, St. Louis, Missouri 63103, or such other address as shall be stated in writing to the Issuer by the United States of America.

Section 3.05. Execution of Bonds. The Series 1998 Bonds shall be executed in the name of the Issuer by the Chairman and its corporate seal shall be affixed thereto and attested by the Secretary. In case any one or more of the officers who shall have signed or sealed the Series 1998 Bonds shall cease to be such officer of the Issuer before the Series 1998 Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. The Series 1998 Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case the Series 1998 Bonds shall become mutilated or be destroyed, stolen or lost, the Issuer may in its discretion issue and deliver a new Bond of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bonds or in lieu of and substitution for the Bonds destroyed, stolen or lost, and upon the holder's furnishing the Issuer proof of his ownership thereof and complying with such other reasonable regulations and conditions as the Issuer may require. The Series 1998 Bonds so surrendered shall be

canceled and held for the account of the Issuer. If the Series 1998 Bonds shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, and, if such Bond be destroyed, stolen or lost, without surrender thereof.

Section 3.07. Bonds Secured by Pledge of Net Revenues. The payment of the debt service of the Series 1998 Bonds shall be secured forthwith by a first lien on the Net Revenues derived from the System, on a parity with the Prior Bonds. The Net Revenues derived from the System in an amount sufficient to pay the principal of and interest on the Series 1998 Bonds and the Prior Bonds, and to make the payments as hereinafter provided, are hereby irrevocably pledged to the payment of the principal of and interest on the Series 1998 Bonds and the Prior Bonds as the same become due.

Section 3.08. Form of Bond. Subject to the provisions hereof, the text of the Series 1998 Bonds and the other details thereof shall be of substantially the following tenor, with such omissions, insertions and variations as may be authorized or permitted hereby or by any resolution adopted after the date of adoption hereof and prior to the issuance thereof:

(FORM OF SERIES 1998 A BOND)

HARDY COUNTY PUBLIC SERVICE DISTRICT

WATER REVENUE BOND, SERIES 1998 A
(UNITED STATES DEPARTMENT OF AGRICULTURE)

\$500,000

No. AR-1

Date: _____

FOR VALUE RECEIVED, HARDY COUNTY PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of FIVE HUNDRED THOUSAND DOLLARS (\$500,000), plus interest on the unpaid principal balance at the rate of 4.75 % per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$2,375, covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolution and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted _____, 199__, authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS ISSUED ON A PARITY AS TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, WITH THE BORROWER'S (1) WATER REVENUE BOND, SERIES 1988; (2) WATER REVENUE BOND, SERIES 1990; (3) WATER SYSTEM REVENUE BOND, SERIES 1993; (4) TAXABLE WATER REVENUE BOND (PHASE III), SERIES 1995 A; (5) TAXABLE WATER REVENUE BOND (WARDENSVILLE EXTENSION), SERIES 1995 B; AND (6) WATER REVENUE BONDS, SERIES 1998 B, ALL AS DESCRIBED IN THE RESOLUTION.

IN WITNESS WHEREOF, HARDY COUNTY PUBLIC SERVICE DISTRICT
has caused this Bond to be executed by its Chairman and its corporate seal to be hereunto
affixed or imprinted hereon and attested by its Secretary, all as of the date hereinabove
written.

SYSTEM REVENUES AND APPLICATION THEREOF; DISPOSITION OF BOND PROCEEDS; FUNDS AND ACCOUNTS

Section 4.01. Establishment of Funds and Accounts with Depository Bank. The following special funds or accounts are created with (or continued if previously established by the Prior Resolutions) and shall be held by the Depository Bank, separate and apart from all other funds or accounts of the Depository Bank and from each other:

- (1) Revenue Fund (established by the Prior Resolutions);
- (2) Reserve Fund (established by the Prior Resolutions);
- (3) Depreciation Reserve (established by the Prior Resolutions);
- (4) Series 1998 Bonds Reserve Account; and
- (5) Project Construction Account.

Section 4.02. Bond Proceeds; Project Construction Account. The proceeds of the sale of the Series 1998 Bonds shall be deposited upon receipt by the Issuer in the Project Construction Account. The moneys in the Project Construction Account in excess of the amount insured by FDIC shall be secured at all times by the Depository Bank by securities or in a manner lawful for the securing of deposits of State and municipal funds under West Virginia law. Moneys in the Project Construction Account shall be expended by the Issuer solely for the purposes provided herein.

Moneys in the Project Construction Account shall be used solely to pay the cost of acquisition and construction of the Project upon vouchers and other documentation approved by the Purchaser.

Until completion of acquisition and construction of the Project, the Issuer will additionally transfer from the Project Construction Account and pay to the Purchaser on or before the due date, such sums as shall be from time to time required to make the monthly installments on the Series 1998 Bonds if there are not sufficient Net Revenues to make such monthly payment.

Pending application as provided in this Section 4.02, money and funds in the Project Construction Account shall be invested and reinvested at the direction of the Issuer, to the extent possible in accordance with applicable law, in Qualified Investments.

When acquisition and construction of the Project has been completed and all costs thereof have been paid or provision for such payment has been made, any balance remaining in the Project Construction Account shall be disposed of in accordance with the regulations of the Purchaser.

Section 4.03. Covenants of the Issuer as to System Revenues and Funds.

So long as any of the Series 1998 Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 1998 Bonds Reserve Account, a sum sufficient to pay, when due or at the earliest practical prepayment date, the entire principal of the Series 1998 Bonds remaining unpaid, together with interest accrued and to accrue thereon, the Issuer further covenants with the Holders of the Series 1998 Bonds as follows:

A. **REVENUE FUND.** The entire Gross Revenues derived from the operation of the System, and all parts thereof, and all Tap Fees received, shall be deposited as collected by the Issuer in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in the Resolutions and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner provided in the Resolutions.

B. **DISPOSITION OF REVENUES.** All Revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order and priority, subject to the provisions of the Prior Resolutions not otherwise modified herein:

(1) The Issuer shall first, each month, pay from the Revenue Fund the Operating Expenses of the System.

(2) The Issuer shall next, each month, on or before the due date of payment of each installment on the Prior Bonds and the Series 1998 Bonds, transfer from the Revenue Fund and remit to the National Finance Office, the amounts required to pay the interest on the Prior Bonds and the Series 1998 Bonds and to amortize the principal of the Prior Bonds and the Series 1998 Bonds over the respective lives of each Bond issue. All payments with respect to principal of and interest on the Prior Bonds and the Series 1998 Bonds shall be made on an equal pro rata basis in accordance with the respective aggregate principal amounts thereof outstanding and on a parity with each other.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank (i) for deposit into the Reserve Fund, the amounts required by the Prior Resolutions; and (ii) for deposit into the Series 1998 Bonds

Reserve Account, 0.4167% of the Minimum Reserve, until the amount in the Series 1998 Bonds Reserve Account equals the Minimum Reserve. Moneys in the Series 1998 Reserve Account shall be used solely to make up any deficiency for monthly payments of the principal of and interest on the Series 1998 Bonds to the National Finance Office as the same shall become due or for prepayment of installments on the Series 1998 Bonds, or for mandatory prepayment of the Series 1998 Bonds as hereinafter provided, and for no other purpose.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Depository Bank for deposit in the Depreciation Reserve, (i) the amount required by the Prior Resolutions; and (ii) 0.4167% of the Minimum Reserve, until the amount in the Series 1998 Bonds Reserve Account equals the Minimum Reserve, and thereafter, 0.8334% of the Minimum Reserve, so long as the Series 1998 Bonds are outstanding; provided, however, that in the event Revenues are insufficient to fund the Series 1998 Bonds Reserve Account in accordance with Section 4.03B(3)(ii) above, or a withdrawal of funds from the Series 1998 Bonds Reserve Account is made, payment of Revenues into the Depreciation Reserve as provided in this Section 4.03B(4)(ii) shall not be made, but instead Revenues shall be applied to the replenishment of the Series 1998 Bonds Reserve Account until such deficiency is cured, at which time payments into the Depreciation Reserve as provided in this Section 4.03B(4)(ii) shall resume. Moneys in the Depreciation Reserve shall be used first to make up any deficiencies for monthly payments of interest on and principal of the Prior Bonds and the Series 1998 Bonds as the same become due, and next to restore to the Reserve Fund and the Series 1998 Bonds Reserve Account any sum or sums transferred therefrom, all on a pro rata basis. Thereafter, and provided that payments are current and in accordance with the foregoing provisions, moneys in the Depreciation Reserve may be withdrawn by the Issuer and used for replacements, repairs, improvements or extensions to the System.

(5) After all the foregoing provisions for use of moneys in the Revenue Fund have been fully complied with, any moneys remaining therein and not permitted to be retained therein may be used to prepay installments of the Bonds, pro rata, or for any lawful purpose.

Whenever the money in the Series 1998 Bonds Reserve Account shall be sufficient to prepay the Series 1998 Bonds in full, it shall be the mandatory duty of the Issuer, anything to the contrary herein notwithstanding, to prepay the Series 1998 Bonds at the earliest practical date and in accordance with applicable provisions hereof.

The Depository Bank is hereby designated as the Fiscal Agent for the administration of the Series 1998 Bonds Reserve Account and the Depreciation Reserve as herein provided, and all amounts required for the Series 1998 Bonds Reserve Account and the Depreciation Reserve will be deposited therein by the Issuer upon transfers of funds from the Revenue Fund at the times provided herein, together with written advice stating the amount remitted for deposit into each such fund.

The Revenue Fund, the Series 1998 Bonds Reserve Account and the Depreciation Reserve shall constitute trust funds and shall be used only for the purposes and in the order provided herein, and until so used, the Purchaser shall have a lien thereon for further securing payment of the Series 1998 Bonds and the interest thereon.

If on any payment date the Revenues are insufficient to make the payments and transfers as hereinabove provided, the deficiency shall be made up in the subsequent payments and transfers in addition to those which would otherwise be required to be made on the subsequent payment dates.

Principal, interest or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 1998 Bonds and the Prior Bonds, in accordance with the respective principal amounts then Outstanding.

Subject to the Prior Resolutions, the Depository Bank, at the direction of the Issuer, shall keep the moneys in the Series 1998 Bonds Reserve Account and the Depreciation Reserve invested and reinvested to the fullest extent possible in accordance with applicable law, and to the extent practicable, in Qualified Investments having maturities consonant with the required use thereof. Investments in any fund or account under this Bond Legislation shall, unless otherwise provided herein or required by law, be valued at the lower of cost or the then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held by the "consolidated fund" managed by the West Virginia Investment Management Board. Any investment shall be

held in and at all times deemed a part of the fund or account in which such moneys were originally held, and interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. Earnings from moneys in the Series 1998 Bonds Reserve Account, so long as the Minimum Reserve is on deposit and maintained therein, shall be paid annually into the Revenue Fund by the Depository Bank.

C. **CHANGE OF DEPOSITORY BANK.** The Issuer may designate another bank or trust company insured by FDIC as Depository Bank if the Depository Bank should cease for any reason to serve or if the Governing Body determines by resolution that the Depository Bank or its successor should no longer serve as Depository Bank. Upon any such change, the Governing Body will cause notice of the change to be sent by registered or certified mail to the Purchaser.

D. **USER CONTRACTS.** The Issuer shall, prior to delivery of the Series 1998 Bonds, provide evidence that there will be at least 119 bona fide users upon the Project on completion, in full compliance with the requirements and conditions of the Purchaser.

E. **CHARGES AND FEES.** The Issuer shall remit from the Revenue Fund to the Depository Bank such additional sums as shall be necessary to pay the charges and fees of the Depository Bank then due.

F. **INVESTMENT OF EXCESS BALANCES.** The moneys in excess of the sum insured by FDIC in any of the funds or accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State of West Virginia.

G. **REMITTANCES.** All remittances made by the Issuer to the Depository Bank shall clearly identify the fund or account into which each amount is to be deposited.

H. **GROSS REVENUES.** The Gross Revenues of the System shall only be used for purposes of the System.

Section 4.04. **Interim Construction Financing.** In order to pay certain costs of the Project pending receipt of proceeds of the Grants and advances of principal of the Series 1998 Bonds, the Issuer may issue and sell its interim construction notes in an aggregate principal amount not to exceed \$500,000 (the "Notes"). The Notes shall be in the form of a line of credit from a commercial bank or other lender, and the Issuer is hereby

authorized to enter into the credit agreement with such commercial bank or other lender. The Notes shall bear interest from the date or dates, at such rate or rates, payable on such dates and shall mature on such date or dates and be subject to such prepayment or redemption, all as provided in the credit agreement.

The Notes shall be special obligations of the Issuer payable as to principal and interest solely from proceeds of the Series 1998 Bonds or the Grants. The Notes do not and shall not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions. The general funds of the Issuer are not liable, and neither the full faith and credit nor the taxing power of the Issuer, if any, is pledged for the payment of the Notes. The Holders of the Notes shall never have the right to compel the forfeiture of any property of the Issuer. The Notes shall not be a debt of the Issuer, nor a legal or equitable pledge, charge, lien or encumbrance upon any property of the Issuer or upon any of its income, receipts or revenues except as set forth herein.

ARTICLE V

GENERAL COVENANTS, ETC.

Section 5.01. General Statement. So long as the Series 1998 Bonds shall be outstanding and unpaid, or until there shall have been set apart in the Series 1998 Bonds Reserve Account a sum sufficient to prepay the entire principal of the Series 1998 Bonds remaining unpaid, together with interest accrued and to accrue thereon to the date of prepayment, the covenants and agreements contained herein shall be and constitute valid and legally binding covenants between the Issuer and the Holder of the Series 1998 Bonds.

Section 5.02. Rates. The Issuer will, in the manner provided in the Act, fix and collect such rates, fees or other charges for the services and facilities of the System, and revise the same from time to time whenever necessary, as will always provide Revenues in each Fiscal Year sufficient to produce Net Revenues equal to not less than 110% of the annual debt service on the Series 1998 Bonds and the Prior Bonds and sufficient to make the payments required herein into all funds and accounts and all the necessary expenses of operating and maintaining the System during such Fiscal Year and such rates, fees and other charges shall not be reduced so as to be insufficient to provide adequate Revenues for such purposes.

Section 5.03. Sale of the System. The System will not be sold without the prior written consent of the Purchaser so long as the Series 1998 Bonds are outstanding. Such consent will provide for disposition of the proceeds of any such sale.

Section 5.04. Issuance of Additional Parity Bonds or Obligations. No additional parity bonds or obligations payable out of any of the Revenues of the System shall be issued, except with the prior written consent of the Purchaser.

Section 5.05. Insurance and Bonds. The Issuer hereby covenants and agrees that it will, as an expense of construction, operation and maintenance of the System, procure, carry and maintain, so long as the Series 1998 Bonds remain outstanding, insurance with a reputable insurance carrier or carriers covering the following risks and in the following amounts:

(a) Fire, Lightning, Vandalism, Malicious Mischief and Extended Coverage Insurance. to be procured upon acceptance of any part of the Project from the contractor, and immediately upon any portion of the System now in use, on all above-ground structures of the System and mechanical and electrical equipment in place or stored on the site in an amount equal to the full insurable value thereof. In the event of any damage to or destruction of any portion of the System, the Issuer will promptly arrange for the application of the insurance proceeds for

the repair or reconstruction of such damaged or destroyed portion. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance to protect the interests of the Issuer during construction of the Project in the full insurable value thereof.

(b) Public Liability Insurance, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from the operation of the System, such insurance to be procured not later than the date of delivery of the Series 1998 Bonds.

(c) Vehicular Public Liability Insurance, in the event the Issuer owns or operates any vehicle in the operation of the System, or in the event that any vehicle not owned by the Issuer is operated at any time or times for the benefit of the Issuer, with limits of not less than \$500,000 for one or more persons injured or killed in one accident to protect the Issuer from claims for bodily injury and/or death, and not less than \$200,000 to protect the Issuer from claims for damage to property of others which may arise from such operation of vehicles, such insurance to be procured prior to acquisition or commencement of operation of any such vehicle for the Issuer.

(d) Workers' Compensation Coverage for All Employees of the District Eligible Therefor and Performance and Payment Bonds, such bonds to be in the amounts of 100% of the construction contract, will be required of each prime contractor, and such payment bonds have been or will be filed with the Clerk of the County Commission of said County prior to commencement of construction of the Project in compliance with West Virginia Code Section 38-2-39. Workers' compensation coverage shall be maintained as required by the laws of the State of West Virginia.

(e) Flood Insurance to be procured, to the extent available at reasonable cost to the Issuer; however, if the System is located in a community which has been notified as having special flood or mudslide prone areas, flood insurance must be obtained.

(f) Fidelity Bonds will be provided as to every member of the Governing Body and as to every officer and employee thereof having custody of the Revenue Fund or of any revenues or other funds of the Issuer in an amount at least equal to the total funds in the custody of any such person at any one time, and initially in the amount of \$50,000 upon

the treasurer, provided, however, that no bond shall be required insofar as custody of the Project Construction Account is concerned so long as checks thereon require the signature of a representative of the Purchaser.

(g) Provided, however, and in lieu of and notwithstanding the foregoing provisions of this Section, during construction of the Project and so long as the Series 1998 Bonds are outstanding, the Issuer will carry insurance and bonds or cause insurance and bonds to be carried for the protection of the Issuer, and during such construction will require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Purchaser may specify, with insurance carriers or bonding companies acceptable to the Purchaser.

Section 5.06. Statutory Mortgage Lien. For the further protection of the Holder of the Series 1998 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, on a parity with the Prior Bonds, which statutory mortgage lien is hereby recognized and declared to be valid and binding and shall take effect immediately upon the delivery of the Series 1998 Bonds.

Section 5.07. Events of Default. Each of the following events is hereby declared an "Event of Default":

(a) Failure to make payment of any monthly amortization installment upon the Series 1998 Bonds at the date specified for payment thereof; and

(b) Failure to duly and punctually observe or perform any of the covenants, conditions and agreements on the part of the Issuer contained in the Series 1998 Bonds or herein, or violation of or failure to observe any provision of any pertinent law.

Section 5.08. Enforcement. Upon the happening of any Event of Default specified above, then, and in every such case, the Purchaser may proceed to protect and enforce its rights by an appropriate action in any court of competent jurisdiction, either for the specific performance of any covenant or agreement, or execution of any power, or for the enforcement of any proper legal or equitable remedy as shall be deemed most effectual to protect and enforce such rights.

Upon application by the Purchaser, such court may, upon proof of such default, appoint a receiver for the affairs of the Issuer and the System. The receiver so appointed shall administer the System on behalf of the Issuer, shall exercise all the rights and powers of the Issuer with respect to the System, shall proceed under the direction of the court to obtain authorization to increase rates and charges of the System, and shall have the power to collect and receive all revenues and apply the same in such manner as the court may direct.

Section 5.09. Fiscal Year; Budget. While the Series 1998 Bonds are outstanding and unpaid and to the extent not now prohibited by law, the System shall be operated and maintained on a Fiscal Year basis commencing on July 1 of each year and ending on the following June 30, which period shall also constitute the budget year for the operation and maintenance of the System. Not later than 30 days prior to the beginning of each Fiscal Year, the Issuer agrees to adopt the Annual Budget for the ensuing year, and no expenditures for operation and maintenance expenses of the System in excess of the Annual Budget shall be made during such Fiscal Year unless unanimously authorized and directed by the Governing Body. Copies of each Annual Budget shall be delivered to the Purchaser by the beginning of each Fiscal Year.

If for any reason the Issuer shall not have adopted the Annual Budget before the 1st day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that no such monthly budget shall exceed the budget for the corresponding month in the next year preceding by more than 10%; and provided further, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. Each such Budget of Current Expenses shall be mailed immediately to the Purchaser.

Section 5.10. Compensation of Members of Governing Body. The Issuer hereby covenants and agrees that no compensation for policy direction shall be paid to the members of the Governing Body in excess of the amount permitted by the Act. Payment of any compensation to any such member for policy direction shall not be made if such payment would cause the Net Revenues to fall below the amount required to meet all payments provided for herein, nor when there is default in the performance of or compliance with any covenant or provision hereof.

Section 5.11. Covenant to Proceed and Complete. The Issuer hereby covenants to proceed as promptly as possible with the acquisition and construction of the Project to completion thereof in accordance with the plans and specifications prepared by the Consulting Engineer on file with the Secretary on the date of adoption hereof, subject to permitted changes.

Section 5.12. Books and Records; Audits. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and the Purchaser shall have the right at all reasonable times to inspect the System and all records, accounts and data of the Issuer relating thereto.

The Issuer shall, at least once a year, cause said books, records and accounts of the System to be properly audited by an independent competent firm of certified public accountants and shall mail a copy of such audit report to the Purchaser. The Issuer shall further comply with the Act with respect to such books, records and accounts.

Section 5.13. Maintenance of System. The Issuer covenants that it will continuously operate, in an economical and efficient manner, and maintain the System as a revenue-producing utility as herein provided so long as the Series 1998 Bonds are outstanding.

Section 5.14. No Competition. To the extent legally allowable, the Issuer will not permit competition with the System within its boundaries or within the territory served by it and will not grant or cause, consent to or allow the granting of any franchise, permit or other authorization for any person, firm, corporation, public or private body, agency or instrumentality whatsoever to provide any of the services supplied by the System within the boundaries of the Issuer or within the territory served by the System.

ARTICLE VI

RATES, ETC.

Section 6.01. Initial Schedule of Rates and Charges; Rules. A. The initial schedule of rates and charges for the services and facilities of the System, subject to change consonant with the provisions hereof, shall be as set forth in the Final Order of the Public Service Commission of West Virginia, entered on March 13, 1998, Case No. 97-0953-PWD-CN, which Final Order is incorporated herein by reference as a part hereof.

B. There shall not be any discrimination or differential in rates between customers in similar circumstances.

C. All delinquent fees, rates and charges for services or facilities of the System shall be liens on the premises served of equal degree, rank and priority with the lien on such premises of state, county, school and municipal taxes, as provided in the Act. The Issuer shall have all remedies and powers provided under the Act and other applicable provisions of law with regard to the collection and enforcement of such fees, rates and charges.

D. The Issuer will not render or cause to be rendered any free services of any nature by the System nor any of the facilities; and in the event that the Issuer or any department, agency, officer or employee thereof should avail itself or themselves of the services or facilities of the System, the same fees, rates and charges applicable to other customers receiving like services under similar circumstances shall be charged, such charges shall be paid as they accrue, and revenues so received shall be deposited and accounted for in the same manner as other Revenues of the System.

E. The Issuer may require any applicant for any service by the System to deposit a reasonable and equitable amount to insure payment of all charges for the services rendered by the System, which deposit shall be handled and disposed of under the applicable rules and regulations of the Public Service Commission of West Virginia.

F. The Issuer, to the extent permitted by law, will not accept payment of any water bill from a customer served with water and sewer services by the Issuer without payment at the same time of a sewer bill owed by such customer for the same premises.

ARTICLE VII

MISCELLANEOUS

Section 7.01. Payment of Bonds. If the Issuer shall pay or there shall otherwise be paid, to the Holder of the Series 1998 Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then with respect to the Series 1998 Bonds, the pledge of Net Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owner of the Series 1998 Bonds, shall thereupon cease, terminate and become void and be discharged and satisfied.

Section 7.02. Modification or Amendment. The Bond Legislation may not be modified or amended after final passage without the prior written consent of the Purchaser.

Section 7.03. Delivery of Bonds. The Chairman, Secretary and Treasurer of the Governing Body are hereby authorized and directed to cause the Series 1998 Bonds, hereby awarded to the Purchaser pursuant to prior agreement, to be delivered to the Purchaser as soon as the Purchaser will accept such delivery.

Section 7.04. Severability of Invalid Provisions. If any one or more of the covenants, agreements or provisions hereof should be held contrary to any express provision of law or contrary to the policy of express law, although not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed severable from the remaining covenants, agreements or provisions hereof, and shall in no way affect the validity of all the other provisions hereof or the Series 1998 Bonds.

Section 7.05. Conflicting Provisions Repealed. The Prior Resolutions and all parts thereof not expressly hereby changed shall continue in full force and effect and this Bond Legislation shall be supplemental to the Prior Resolutions.

All resolutions and orders, or parts thereof, in conflict with the provisions hereof are, to the extent of such conflicts, hereby repealed; provided that this Section shall not be applicable to the Loan Resolution (Form FmHA 442-47).

Section 7.06. Table of Contents and Headings. The Table of Contents and headings of the articles, sections and subsections hereof are for convenience only and shall neither control nor affect in any way the meaning or construction of any of the provisions hereof.

The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the adoption of this Resolution do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Chairman, Secretary and members of the Governing Body were at all times when any actions in connection with this Resolution occurred and are duly in office and duly qualified for such office.

HARDY COUNTY PUBLIC SERVICE DISTRICT

WATER REVENUE BOND, SERIES 2001 A (UNITED STATES DEPARTMENT OF AGRICULTURE)

\$650,000

No. AR-1

Date: September 18, 2001

FOR VALUE RECEIVED, HARDY COUNTY PUBLIC SERVICE DISTRICT (herein called "Borrower") promises to pay to the order of the United States of America (the "Government"), or its registered assigns, at its National Finance Office, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, the principal sum of SIX HUNDRED FIFTY THOUSAND DOLLARS (\$650,000), plus interest on the unpaid principal balance at the rate of 4.875% per annum. The said principal and interest shall be paid in the following installments on the following dates: Monthly installments of interest only, commencing 30 days following delivery of the Bond and continuing on the corresponding day of each month for the first 24 months after the date hereof, and \$3,140.00 covering principal and interest, thereafter on said corresponding day of each month, except that the final installment shall be paid at the end of 40 years from the date of this Bond, in the sum of the unpaid principal and interest due on the date thereof, and except that prepayments may be made as provided hereinbelow. The consideration herefor shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to Borrower as requested by Borrower and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of Borrower. Refunds and extra payments, as defined in the regulations of the Government according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this Bond and shall not affect the obligation of Borrower to pay the remaining installments as scheduled herein.

If the Government at any time assigns this Bond and insures the payment thereof, Borrower shall continue to make payments to the Government as collection agent for the holder.

While this Bond is held by an insured lender, prepayments as above authorized made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an annual installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection hereof or to preserve or protect any security herefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by Borrower to the Government without demand. Borrower agrees to use the loan evidenced hereby solely for purposes authorized by the Government.

Borrower hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for similar purposes and periods of time.

This Bond, together with any additional bonds ranking on a parity herewith which may be issued and outstanding for the purpose of providing funds for financing costs of additions, extensions and improvements to the waterworks system (the "System") of the Borrower, is payable solely from the revenues to be derived from the operation of the System after there have been first paid from such revenues the reasonable current costs of operation and maintenance of the System. This Bond does not in any manner constitute an indebtedness of the Borrower within the meaning of any constitutional or statutory provision or limitation.

Registration of this Bond is transferable by the registered owner hereof in person or by his, her or its attorney duly authorized in writing, at the office of the Borrower, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the herein defined Resolution and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds, of authorized

denomination or denominations, for the like principal amount, will be issued to the transferee in exchange herefor.

This Bond, under the provisions of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia, but may only be transferred by transfer of registration hereof with the Bond Registrar.

This Bond has been issued under and in full compliance with the Constitution and statutes of the State of West Virginia, including, among others, Chapter 16, Article 13A of the West Virginia Code, as amended (the "Act"), and a Resolution of the Borrower duly adopted September 18, 2001, authorizing issuance of this Bond (the "Resolution").

If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

This Bond is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farmers Home Rural Development Act. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

THIS BOND IS ISSUED ON A PARITY, AS TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, WITH THE BORROWER'S (1) WATER REVENUE BOND, SERIES 1988; (2) WATER REVENUE BOND, SERIES 1990; (3) WATER REVENUE BOND, SERIES 1993; (4) WATER REVENUE BOND, SERIES 1995 A; (5) WATER REVENUE BOND, SERIES 1995 B; AND (6) WATER REVENUE BONDS, SERIES 1998 A AND SERIES 1998 B, AS DESCRIBED IN THE RESOLUTION.

IN WITNESS WHEREOF, HARDY COUNTY PUBLIC SERVICE DISTRICT has caused this Bond to be executed by its Chairman and its corporate seal to be hereunto affixed or imprinted hereon and attested by its Secretary, all as of the date hereinabove written.

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Hardy County Public Service District in Hardy County, West Virginia (the "Issuer"), of its \$650,000 Water Revenue Bonds, Series 2001 A, dated the date hereof (the "Bonds"), pursuant to Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and a resolution of the Issuer duly adopted September 14, 2001 (the "Resolution"). We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon the representations of the Issuer contained in the Resolution and in the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The Issuer is duly created and validly existing as a public service district and as a public corporation and a political subdivision of the State of West Virginia with corporate power to adopt the Resolution, perform the agreements on its part contained therein and issue the Bonds.
2. The Resolution has been duly adopted by the Issuer and constitutes a valid and binding obligation of the Issuer enforceable upon the Issuer.
3. Pursuant to the Act, the Resolution creates a valid lien on the funds pledged by the Resolution for the security of the Bonds, on a parity with the Issuer's (i) Water Revenue Bond, Series 1988, dated March 15, 1989, issued in the original aggregate principal amount of \$300,000 (the "Series 1988 Bonds"); (ii) Water Revenue Bond, Series 1990, dated July 12, 1990, issued in the original aggregate principal amount of \$50,000 (the "Series 1990 Bonds"); (iii) Water Revenue Bond, Series 1993, dated June 22, 1993, issued in the original aggregate principal amount of \$330,000 (the "Series 1993 Bonds"); (iv) Taxable Water Revenue Bond (Phase III), Series 1995 A, dated December 18, 1995, issued

in the original aggregate principal amount of \$320,000 (the "Series 1995 A Bonds"); (v) Taxable Water Revenue Bond (Wardensville Extension), Series 1995 B, issued in the original aggregate principal amount of \$280,000 (the "Series 1995 B Bonds"); and (vi) Water Revenue Bonds, Series 1998 A and Series 1998 B, dated August 17, 1998, issued in the aggregate principal amounts of \$500,000 and \$50,000, respectively, (collectively, the "Series 1998 Bonds") and subject to no prior lien granted under the Act.

4. The Bonds have been duly authorized, executed and delivered by the Issuer and are valid and binding special obligations of the Issuer, payable solely from the sources provided therefor in the Resolution.

5. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

6. The Bonds are, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of said State, and interest on the Bonds is exempt from personal income taxes and corporate net income taxes imposed directly thereon by the State of West Virginia.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Resolution and the liens and pledges set forth therein may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that the enforcement thereof may also be subject to the exercise of judicial discretion in appropriate cases.

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by Hardy County Public Service District in Hardy County, West Virginia (the "Issuer"), of its \$650,000 Water Revenue Bonds, Series 2001 A, dated the date hereof (the "Bonds"), pursuant to Chapter 16, Article 13A of the West Virginia Code of 1931, as amended (the "Act"), and a resolution of the Issuer duly adopted September 14, 2001 (the "Resolution"). We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon the representations of the Issuer contained in the Resolution and in the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The Issuer is duly created and validly existing as a public service district and as a public corporation and a political subdivision of the State of West Virginia with corporate power to adopt the Resolution, perform the agreements on its part contained therein and issue the Bonds.
2. The Resolution has been duly adopted by the Issuer and constitutes a valid and binding obligation of the Issuer enforceable upon the Issuer.
3. Pursuant to the Act, the Resolution creates a valid lien on the funds pledged by the Resolution for the security of the Bonds, on a parity with the Issuer's (i) Water Revenue Bond, Series 1988, dated March 15, 1989, issued in the original aggregate principal amount of \$300,000 (the "Series 1988 Bonds"); (ii) Water Revenue Bond, Series 1990, dated July 12, 1990, issued in the original aggregate principal amount of \$50,000 (the "Series 1990 Bonds"); (iii) Water Revenue Bond, Series 1993, dated June 22, 1993, issued in the original aggregate principal amount of \$330,000 (the "Series 1993 Bonds"); (iv) Taxable Water Revenue Bond (Phase III), Series 1995 A, dated December 18, 1995, issued

in the original aggregate principal amount of \$320,000 (the "Series 1995 A Bonds"); (v) Taxable Water Revenue Bond (Wardensville Extension), Series 1995 B, issued in the original aggregate principal amount of \$280,000 (the "Series 1995 B Bonds"); and (vi) Water Revenue Bonds, Series 1998 A and Series 1998 B, dated August 17, 1998, issued in the aggregate principal amounts of \$500,000 and \$50,000, respectively, (collectively, the "Series 1998 Bonds") and subject to no prior lien granted under the Act.

4. The Bonds have been duly authorized, executed and delivered by the Issuer and are valid and binding special obligations of the Issuer, payable solely from the sources provided therefor in the Resolution.

5. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

6. The Bonds are, under the Act, exempt from taxation by the State of West Virginia, and the other taxing bodies of said State, and interest on the Bonds is exempt from personal income taxes and corporate net income taxes imposed directly thereon by the State of West Virginia.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Resolution and the liens and pledges set forth therein may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that the enforcement thereof may also be subject to the exercise of judicial discretion in appropriate cases.

Ladies and Gentlemen:

We are counsel to Hardy County Public Service District, a public service district in Hardy County, West Virginia (the "Issuer"). As such counsel, we have examined copies of the approving opinion of Steptoe & Johnson PLLC, as bond counsel, a resolution of the Issuer duly adopted September 14, 2001, (the "Resolution"), other documents and papers relating to the Issuer and the above-captioned Bonds of the Issuer (the "Bonds") and documents and orders of The County Commission of Hardy County relating to the creation and expansion of the Issuer and the appointment of members of the Public Service Board of the Issuer. All capitalized terms used in the Resolution and not otherwise defined herein shall have the same meanings as defined in the Resolution when used herein.

We are of the opinion that:

1. The Issuer is duly created and validly existing as a public service district and as a public corporation and political subdivision of the State of West Virginia.
2. The members and officers of the Public Service Board of the Issuer have been duly, lawfully and properly appointed and elected, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.
3. The Resolution has been duly adopted by the Issuer and is in full force and effect.

4. The execution and delivery of the Bonds and the consummation of the transactions contemplated by the Bonds and the Resolution, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any agreement, document or instrument to which the Issuer is a party or by which the Issuer or its properties are bound or any existing law, regulation, rule, order or decree to which the Issuer is subject.

5. All permits, licenses, approvals, consents, certificates, orders, exemptions and authorizations necessary for the due creation and valid existence of the Issuer, the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges have been entered and/or received, including, without limitation, all requisite orders, certificates, consents and approvals from The County Commission of Hardy County and the Public Service Commission of West Virginia, and the Issuer has taken any other action required for the imposition of such rates and charges, including, without limitation, the adoption of a resolution prescribing such rates and charges. The Issuer has duly published a notice of the acquisition and construction of the Project, the issuance of the Bonds and related matters, as required under Chapter 16, Article 13A, Section 25 of the West Virginia Code of 1931, as amended, and has duly complied with the provisions thereof.

6. To the best of our knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Bonds or the Resolution, the acquisition and construction of the Project, the operation of the System, or the validity of the Bonds, or the collection or pledge of the Net Revenues therefor.

DOCUMENTS REQUIRED: _____
TRANSFERS REQUIRED: _____

The purpose of the NEW ISSUE REPORT FORM is to provide the WV Municipal Bond Commission with an early warning of three basic facts no later than the day of closing on any issue for which the Commission is to act as fiscal agent. These are:

1. Formal notification that a new issue is outstanding.
2. Date of first action or debt service.
3. Contact people should we lack documents, information, or funds needed to administer the issue by the date of the first action or debt service.

The commission recognizes that as bond transcripts become increasingly long and complex, it has become more difficult to assemble and submit them to the Commission within the 30 days specified by the West Virginia Code 13-3-8. This notice is not intended to provide all the information needed to administer an issue, but to alert the Commission and ensure that no debt service payments are missed due to delays in assembling bond transcripts. If, at the time of closing, documents such as the ordinance and all supplements, debt service schedules, and a specimen bond or photostat are available and submitted with this form, it will greatly aid the Commission in the performance of its duties. These documents are needed to set up the proper accounts and to advise the issuer of monthly deposit requirements as far in advance of the first debt service as possible.

It is not necessary to complete all items if they are not pertinent to your issue. Indicate the County of the issuer. With PSDs that overlap more than one county, indicate the county of their business office. Complete "Rate" only if the issue has only one rate. Please complete a separate form for each series of an issue. Other important information can be recorded under "Notes."

Again, please submit this form on each new issue on the day of closing. If fund transfers into or out of the Commission at closing are required, please submit this form before closing. If no significant facts change by closing, no resubmission at closing is required. If, however, there are changes, please submit an updated form, with changes noted, at closing.

If you should have any questions concerning this form, please call the Commission.

- Attachment No. 7 - Supplemental General Conditions (RUS Bulletin 1780-14) (Engineer Copy)
- Attachment No. 8 - Government Auditing Standards (Revision 1994) (Accountant Copy)
- Attachment No. 9 - RUS Bulletin 1780-30, "Water Programs Audit Guide and Compliance Supplement "
- Attachment No. 10 - Water Users Agreement (Applicant and Attorney Copies)
- Attachment No. 11 - Declination Statement (Applicant and Attorney Copies)
- Attachment No. 12 - Various other RD Forms as identified on Attachment No. 2

Your documents concerning the creation of your authority are administratively acceptable; however, they will be further reviewed by our Office of the General Counsel at the time your file is forwarded for closing instructions. Any changes required by our Office of the General Counsel will be included in the closing instructions.

The conditions referred to above are as follows:

1. Loan Repayment - The loan will be scheduled for repayment over a period of 40 years. The payments due the first 24 months will consist of interest only. Payments for the remaining 456 months will be equal amortized monthly installments. For planning purposes use a 5.125 % interest rate and a monthly amortization factor of 0.00499, which provides for a monthly payment of \$3,244.00. You have the option of participating in the PREAUTHORIZED DEBIT (PAD) payment process. It will allow for your payment to be electronically debited from your account on the day your payment is due. Your authority must establish and fund monthly a debt service reserve account and a depreciation reserve account, which together equal 10% of the annual debt service each year for the life of the loan. Five percent (5%) will be deposited into both accounts until an annual debt payment has been accumulated. Thereafter, the entire 10% will be deposited into the depreciation reserve account.

You are reminded that your authority may be required to refinance (graduate) the unpaid balance of its RUS loan, in whole or in part, upon the request of RUS if at any time it shall be determined the authority is able to obtain a loan for such purposes from responsible cooperative or private sources at reasonable rates and terms for loans for similar purposes and periods of time.

2. Security - The loan must be secured by a statutory lien of equal priority with the District's existing water revenue bonds, a pledge of the system's revenues and other agreements between you and RUS as set forth in the bond resolution which must be properly adopted and executed by the appropriate officials of your organization.

Additional security requirements are contained in RUS Bulletin 1780-12 and RUS Bulletin 1780-27 which are mentioned later.

3. Users - This conditional commitment is based upon you providing evidence that you will have at least 1,113 bona fide users on the proposed system when it has been completed and is placed in operation. This evidence will consist of 142 signed user agreements and a certification from you that identifies and attests to the number of users actually connected to and using the District's existing water system, which is to be partially replaced by the new system, at the time you request authorization to advertise the proposed project for construction bids.

The enclosed Water Users Agreement (RUS Bulletin 1780-9) will be used. Each user signing an agreement must make a user contribution of \$100.00. Each potential user who is located along planned lines and declines the offered service will be provided an opportunity to sign a "Service Declination Statement." A guide "Service Declination Statement" is attached for your use. If a potential user refuses to sign either a user agreement or a declination statement, the individual making the contact for the District should complete the declination statement for that potential user and note thereon his/her visit with the potential user, the potential user's refusal to sign, and the reason therefore. The declination statement should also be dated and signed by the individual making the contact.

Before RUS can agree to the project being advertised for construction bids, you must provide evidence that the total required number of bona fide users has been acquired and that all potential users have been offered the proposed service. Information and material evidencing compliance with this requirement must consist of (1) your certification (written) as to the number of users connected to and using the water service of the existing system (paying monthly bills), (2) signed user agreements, (3) signed service declination statements, (4) records evidencing user contributions having been paid, (5) a map locating each potential user's property in the new service area identifying it by number, (6) a list of all signed bona fide users numbered so as to be a cross-reference with the map, and (7) a list of all declination statements numbered so as to be a cross-reference with the map.

4. Bond Counsel - The services of a recognized bond counsel are required. The bond counsel will prepare the form of resolution to be used, in accordance with Subpart D of RUS Instruction 1780. You should immediately provide your bond counsel with a copy of this letter of conditions, its attachments and enclosures.
5. Engineering Services - It will be necessary for you to obtain the services of an engineer. For your convenience, Form RD 1942-19, "Agreement for Engineering Services," or EJCDC No. 1910-1, "Standard Form of Agreement between Owner and Engineer for Professional Services" may be used to obtain the services of an

engineer. A copy of Form RD 1942-19 is attached hereto. The EJCDC document is issued under copyright and cannot be provided by RUS.

6. Legal Services - You must obtain the services of a local attorney. For your convenience RUS Bulletin 1780-7, "Legal Services Agreement" is enclosed for your use.
7. Accounting Services - You must obtain the services of a qualified accountant. The accountant must agree to develop and provide the following:
 - a. All necessary accounting material required by the Public Service Commission of West Virginia (Rule 42 Exhibit).
 - b. Prior to the advertisement of bids, your accountant must certify that the accounts and records as required by your bond resolution have been established and are operational.

The Accountant's Agreement should be submitted to RUS for review. Compensation in the contract should include only those services identified above and not include payment for construction management services from the accountant unless RUS concurrence is obtained.

RUS regulations (Attachment No. 3) outline requirements for the submission of management reports and audits. Appropriate state statutes place certain audit requirements for your District. The attached booklets, "Government Auditing Standards (Revised 1994)" (Attachment No. 8) and RUS Bulletin 1780-30 (Attachment No. 9) outline audit requirements. You are reminded that certain provisions of the Office of Management and Budget Circular A-133 are applicable to any public body or nonprofit association that expends \$300,000 or more in federal funds in any one fiscal year. You must enter into an agreement annually with an accountant (or the State Tax Department) to perform the audit. The agreement must be in accordance with the requirements of the State Tax Commissioner of West Virginia. Compensation for preparation of the A-133 audit or your annual audit are not included in project funds and should be paid from the operational revenues generated from your system operation.

8. Facility Control - Prior to advertisement for construction bids, you must furnish satisfactory evidence that you have or can obtain adequate continuous and valid control over the lands and rights needed for the project. Such evidence must be in the following form:
 - a. A right-of-way map showing clearly the location of all lands and rights needed for the project. The map must designate public and private lands and rights and the appropriate legal ownership thereof.

- b. A copy of deeds, contracts or options for any lands needed other than rights-of-way, along with a preliminary title opinion covering such lands. Form RD 1927-9, "Preliminary Title Opinion" may be used. In the case of your existing system or where the District already acquired real property (land or facilities), a preliminary title opinion(s) concerning all such property(s) will be provided.
 - c. A narrative opinion from your attorney concerning all permits, certifications and other items necessary to show that all legal requirements can be met and stating how they will be met. This narrative should also identify any condemnation proceedings that are anticipated and state how they will be handled.
 - d. A certification and legal opinion relative to title to rights-of-way and easements. Form RD 442-22, "Opinion of Counsel Relative to Rights-of-Way," may be used. This form may contain a few exceptions such as properties that must be condemned; however, prior to the start of construction or loan closing, whichever occurs first, a new Form RD 442-22, must be provided which does not provide for any exceptions.
 - e. On the day of loan closing, the District's attorney must furnish final title opinions on all land(s) being acquired. Form RD 1927-10, "Final Title Opinion" may be used. In the case of your existing system or where the District has already acquired real property(s) (land or facilities), the District's attorney will provide a separate final title opinion(s) covering such property(s) on the day of loan closing.
9. Permits - Copies of all permits needed for the project must be provided for review prior to advertisement for construction bids. Such permits will include but are not limited to the following:
- West Virginia Department of Highways
 - State Department of Health
 - Public Land Corporation
10. Public Service Commission Approvals - You must obtain the following from the Public Service Commission of West Virginia:
- a. A Certificate of Convenience and Necessity.
 - b. Approval of user charges that are acceptable to you and the Rural Utilities Service.
 - c. Approval of financing for the project's proposed financing arrangements.

The "Rule 42" Exhibit to be attached to the Public Service Commission application must contain at least the information shown in Attachment No. 1. A copy of the Public Service Commission application and its "Rule 42" Exhibit must be provided for review.

11. Insurance and Bonding Requirements - Prior to preliminary loan closing, you must acquire the following insurance and bond coverage:
 - a. Liability Insurance - Personal Liability - \$500,000; Property Damage - \$200,000 - \$200,000. The limits of liability coverage noted herein should be considered as suggested amounts only. RUS recommends that you consider analyzing your actual needs in detail before you obtain coverage in a specific amount.
 - b. Workers' Compensation - In accordance with appropriate State laws.
 - c. Position Fidelity Bond(s) - All positions occupied by persons entrusted with the receipt and/or disbursement of funds must be bonded. As a good business practice you will probably wish to have each position bonded in an amount equal to the maximum amount of funds to be under the control of that position at any one time. The minimum coverage acceptable to RUS will be for each position to be bonded for an amount at least equal to one annual installment on your loan(s).
 - d. National Flood Insurance - In addition to meeting the requirements for the type of assistance requested, the following requirements must be met for financial assistance for acquisition and/or construction in designated special flood or mudslide prone areas:
 - (1) If flood insurance is available, you must purchase a flood insurance policy at the time of loan closing.
 - (2) Applicants whose buildings, machinery or equipment are to be located in a community which has been notified as having special flood or mudslide prone areas will not receive financial assistance where flood insurance is not available.
 - e. Real Property Insurance - Prior to the acceptance of the facility from the contractor(s), you must obtain real property insurance (fire and extended coverage) on all above-ground structures, to include machinery and equipment housed therein. This does not apply to water reservoirs, standpipes, elevated tanks or noncombustible materials used in treatment plants, clearwells, filters and the like.

12. Contract Documents, Final Plans and Specifications -

a. The contract documents should consist of the following:

- (1) "Agreement" (RUS Bulletin 1780-13) and Attachments 1 through 9, or other agreement approved by RUS. One copy of this item is attached hereto (Attachment No. 6).
- (2) "Supplemental General Conditions" (RUS Bulletin 1780-14). One copy of this item is attached hereto (Attachment No. 7). Additional copies must be reproduced by the engineer.

b. The contract documents must provide, as a minimum, the following insurance:

- (1) Liability Insurance - Personal Liability - \$500,000; Property Damage - \$200,000 - \$200,000. This coverage must include indemnification of the District and its engineer. RUS Bulletin 1780-13, Attachment 9, suggests certain limits of liability for insurance coverage. Those limits should be considered as minimum requirements only. It is recommended you consider increasing the given limits of liability after analyzing your specific needs.
- (2) Builder's Risk Insurance - On all structures and mechanical and electrical equipment in place or stored on the site to the full insurable value thereof.
- (3) Workers' Compensation - In accordance with applicable State laws.

c. The contract documents and final plans and specifications must be submitted to RUS for approval.

d. The project must be designed in compliance with Section 504 of the Rehabilitation Act of 1973.

13. Interim Financing - Interim financing will be used for the RUS loan if it is available at reasonable rates and terms. You must provide RUS with a copy of the tentative agreement reached in connection with interim financing. A copy of the proposed agreement should be provided for RUS review.

14. Disbursement of Funds - The RUS funds will be advanced as they are needed in the amount(s) necessary to cover the RUS proportionate share of any disbursements required of your District, over 30 day periods. Any funds not disbursed immediately upon receipt must be deposited in an interest bearing account in accordance with OMB Circular A-133. Interest earned on these funds must be remitted promptly, at least quarterly, to the Rural Utilities Service. The

District must assure that all project funds are expended only for the eligible items included in the final project budget or as may be later approved by RUS.

15. Other Grants - Prior to advertisement for construction bids, you must provide evidence showing the approval of the other grants. This evidence should include a copy of the grant award. Prior to award of the contract(s) to the contractor(s), you must provide evidence that the "other" grant funds are available for expenditure. This evidence should consist of at least a letter from the grantor stating the funds are available for expenditure.

16. At a properly called meeting, you must adopt and properly execute the following forms, and minutes showing the adoption must be provided:

Form RD 442-7 - "Operating Budget"

Form RD 1940-1 - "Request for Obligation of Funds"

RUS Bulletin 1780-12 - "Water or Waste System Grant Agreement"

RUS Bulletin 1780-27 - "Loan Resolution (Public Bodies)"

Form RD 400-1 - "Equal Opportunity Agreement"

Form RD 400-4 - "Assurance Agreement"

Form AD 1047 - "Certification Regarding Debarment - Primary"

Form AD 1049 - "Certification Regarding Drug-Free Workplace"

Form RD 1910-11 - "Applicant Certification, Federal Collection Policies"

FmHA Instruction 1940-Q, Exhibit A-1, "Certification for Contracts, Grants and Loans"

17. The enclosed Water and Waste Processing Checklist (Attachment No. 2) outlines the items needed to complete the loan and grant docket. All the items listed must be included in the loan and grant docket when it is forwarded to the USDA - Rural Development State Office with a request for loan closing instructions to be issued.
18. Upon receipt of the loan and grant docket, which contains all the items required above, RUS may authorize you to advertise the project for construction bids. Such advertisement must be in accordance with appropriate State statutes. Immediately after bid opening you must provide RUS with (a) a bid tabulation, (b) recommendations from you and your engineer as to the acceptability of the bids received, and (c) your recommendations for contract awards. If all parties then agree the construction bids received are acceptable, it is determined that adequate funds are available to cover the total facility costs, and that all the administrative conditions of loan approval have been satisfied, loan closing instructions will be issued. The closing instructions, a copy of which will be forwarded to you, will set forth any further requirements that must be met before the loan can be closed.

When all parties agree that the closing requirements can be met, a mutually acceptable date for the loan closing will be scheduled.

Attached is a copy of RUS Bulletin 1780-12, "Water and Waste System Grant Agreement," for your review. You will be required to execute a completed form at the time of grant closing.

Any applicant contribution shall be considered as the first funds expended. After providing for all authorized costs, any remaining RUS project funds will be considered to be RUS grant funds and refunded to RUS. If the amount of unused RUS project funds exceeds the RUS grant, that part would be RUS loan funds.

In accordance with the intent of Congress as expressed in the FY 1997 Appropriations Act, recipients of water and waste assistance provided by the Rural Utilities Service are encouraged, in expending the assistance, to purchase only American-made equipment and products.

Please complete and return the enclosed Form RD 1942-46, "Letter of Intent to Meet Conditions," if you desire further consideration be given your application.

If the conditions set forth in this letter are not met within six (6) months from the date hereof, RUS reserves the right to discontinue processing of the application. In the event the project has not advanced to the point of loan closing within the six-month period and it is determined the authority still wishes to proceed, it will be necessary that the proposed budget be reviewed again in detail. If during that review, it is determined the budget is no longer current and/or adequate, RUS reserves the right to require that it be revised or replaced.

We believe the information herein clearly sets forth the actions which must be taken; however, if you have any questions, please do not hesitate to contact me.

Sincerely yours,

BOBBY LEWIS

Dear Mr. Gapp:

This letter is to confirm that the pre-closing for the Hardy County PSD Phase IV Water Project RUS loan/grant will be held on September 14, 2001 at 10:00 A.M. in the conference room of the Hardy County Courthouse. A pre-construction conference will follow at 11:00 A.M. The official loan closing date for the PSD's project will be September 18, 2001. Please have your accountant and your attorney available at 10:00 A.M. for pre-closing decisions.

Please refer to the letter of conditions dated July 6, 2000. All of the requirements of the letter of conditions must be met and the loan must be closed in accordance with RUS Instruction 1780.

Many of the aforementioned items have already been addressed. Those remaining items to be satisfied prior to loan closing include:

1. An addendum to the Engineering Agreement must be properly executed to reflect the changes and additions that have been made since the original Agreement was executed.
2. You will need to sign and date RUS Grant Agreement at Closing. This Form should be dated for September 18, 2001.
3. The Certification on the Loan Resolution will need to be completed at closing
4. The Public Service District's attorney must provide the following items labeled a. through c. no later than the close of business on Friday September 7th, 2001 or the pre-closing will not take place on the 14th as scheduled. These items

were originally identified on your letter of conditions as things that should be done prior to bidding the project.

- a. A copy of deeds, contracts, or options for any lands needed other than rights-of-way, along with a preliminary title opinion covering such lands. Form RD 1927-9, "Preliminary Title Opinion" may be used. In the case of your existing system or where the District already acquired real property (land or facilities), a preliminary title opinion(s) concerning all such property(s) will be provided.
 - b. A narrative opinion from your attorney concerning all permits, certifications and other items necessary to show that all legal requirements can be met and stating how they will be met. This narrative should also identify any condemnation proceedings that are anticipated and state how they will be handled.
 - c. A certification and legal opinion relative to title to rights-of-way and easements. Form RD 442-22, "Opinion of Counsel Relative to Rights-of-Way," may be used. This form may contain a few exceptions such as properties that must be condemned; however, prior to the start of construction or loan closing, whichever occurs first, a new Form RD 442-22, must be provided which does not provide for any exceptions.
5. The PSD's attorney will need to provide Form RD 442-22, Opinion of Counsel Relative to Rights-of-Way, showing no exceptions as mentioned in the paragraph above. This form should be dated September 18, 2001.
 6. The PSD's attorney must furnish a Form FmHA 1927-10, Final Title Opinion, on all land(s) being acquired. In addition, the attorney must provide a separate final title opinion(s) covering all existing property owned by the PSD. The opinion(s) should be dated September 18, 2001.
 7. The PSD's engineer must provide a resume of the proposed project inspector(s).
 8. The PSD must provide a letter accepting the proposed project inspector(s).
 9. The permit from the West Virginia Department of Highways must be on hand at the closing. The PSD should proceed to obtain the necessary bond and forward it to the WVDOH with a request that the permit be issued.
