Section 5.03. Sale of the System. So long as any or all of the Prior Bonds are outstanding, the Issuer shall not sell, lease, mortgage or in any manner dispose of or encumber the System, or any part thereof, except as provided in the Prior Ordinances. So long as the Series 2017 A Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System or any part thereof, without permission of the Purchaser unless the principal of and interest and prepayment penalty, if any, on, the Series 2017 A Bonds paid in full, or deemed paid in full.

No such Parity Bonds shall be issued except for the purpose of financing the costs of design, acquisition, construction and/or equipping of extensions, improvements or betterments to the System, or refunding the Prior Bonds, the Series 2017 A Bonds or hereinafter issued additional Parity Bonds, or any combination of such purposes.

So long as the Series 2017 A Bonds or the Prior Bonds are outstanding, no Parity Bonds shall be issued at any time, unless there has been procured a written statement by an Independent Certified Public Accountant, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such additional Parity Bonds, plus the estimated average increased annual Net Revenues expected to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such additional Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

- (1) The Bonds Outstanding;
- (2) Any additional Parity Bonds theretofore issued pursuant to the provisions contained in this Bond Legislation then Outstanding; and
- (3) The additional Parity Bonds then proposed to be issued.

The Net Revenues actually derived from the System during the 12-consecutive month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such additional Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such additional Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holder of the Series 2017 A Bonds, the Holders of the Prior Bonds and the Holders of any additional Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Additional Parity Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Net Revenues of the System and their source of and security for payment from said revenues, without preference of any Bond. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such additional Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the Revenues of the System is subject to the prior and superior liens of the Bonds on the Net Revenues of the System. The Issuer shall not issue any obligations whatsoever payable from the Gross Revenues or Net Revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Bond.

No additional Parity Bonds shall be issued any time, however, unless all the payments provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such additional Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

If for any reason the Issuer shall not have adopted the Annual Budget before the 1st day of any Fiscal Year, it shall adopt a Budget of Current Expenses from month to month until the adoption of the Annual Budget; provided, however, that adoption of a Budget of Current Expenses shall not constitute compliance with the covenant to adopt an Annual Budget unless failure to adopt an Annual Budget be for a reason beyond the control of the Issuer. .

EXHIBIT B

TAX COMPLIANCE POLICIES

City of Hurricane

Purpose

Issuers of tax-exempt bonds must comply with federal tax rules pertaining to expenditure of proceeds for qualified costs, rate of expenditure, use of bond financed property, investment of proceeds in compliance with arbitrage rules, and retention of records. The following policies are intended to establish compliance by the City of Hurricane (the “*Issuer*”) with these rules in connection with the issuance of the Issuer’s Sewer Refunding Revenue Bonds, Series 2017 A (the “*Tax Exempt Bonds*”).

Tax Requirements Associated with Sale and Issuance of Tax Exempt Bonds

Review and retention of tax documents related to the sale and issuance of Bonds will be supervised by the Mayor of the Issuer or his/her designee (the “*Oversight Officer*”).

- Form 8038-G (tax exempt bonds) will be reviewed and filed not later than the 15th day of the 2nd calendar month following the quarter in which the bonds were issued. Filing of appropriate version or versions of Form 8038-G will be confirmed with bond counsel.

Expenditure of Proceeds of Tax Exempt Bonds for Qualified Costs

Expenditure of proceeds of Tax Exempt Bonds will be reviewed by the Oversight Officer.

- Proceeds of Tax Exempt Bonds will be disbursed pursuant to an approved form of requisition stating the date, amount and purpose of the disbursement.
- Requisitions must identify the financed property and certify as to the character and average economic life of the bond-financed property.
- Requisitions for costs that were paid prior to the issuance of the Tax Exempt Bonds are, in general, limited to costs paid subsequent to, or not more than 60 days prior to, the date a “declaration of intent” to reimburse the costs was adopted by the Issuer. If proceeds are used for reimbursement, a copy of the declaration will be obtained and included in the records for the Tax-Exempt Bonds, if not already part of the bond transcript.

- Requisitions will be summarized in a “final allocation” of proceeds to uses not later than 18 months after the in-service date of the financed property (and in any event not later than 5 years and 60 days after the issuance of the Tax-Exempt Bonds).
- Expenditure of proceeds will be monitored against the expectations to spend or commit 5% of net sale proceeds of Tax Exempt Bonds within 6 months, to spend 85% of net sale proceeds within 3 years, and to proceed with due diligence to complete the project and fully spend the net sale proceeds. Expected expenditure schedules, project timelines, and plans and specifications will be maintained to support expectations. Reasons for failure to meet the expected schedule will be documented and retained in the records for the Tax-Exempt Bonds.
- If the 18-month spending exception to rebate applies, expenditure of gross proceeds will be monitored against the following schedule for the arbitrage rebate exception for the issue, if applicable:
 - 15% within 6 months
 - 60% within 12 months
 - 100% within 18 months
- If the 2-year spending exception to rebate applies, expenditure of “available proceeds” will be monitored against the following schedule for the arbitrage rebate exception for construction issues if applicable:
 - 10% within 6 months
 - 45% within 12 months
 - 75% within 18 months
 - 100% within 24 months

Expenditure of Proceeds

In addition to the general review of expenditures described above, expenditure of proceeds of the Tax-Exempt Bonds will be reviewed by the Oversight Officer.

- Only a small portion (5%) of the proceeds of Tax-Exempt Bonds can be used for operating expenses or other “working capital” costs. Requisitions for costs of the Project will accordingly be monitored to confirm that they are for capital costs of the Project.
- Investment earnings on sale proceeds of the Tax-Exempt Bonds will be tracked and will be requisitioned only for appropriate expenditures.

Use of Bond-Financed Property

Use of bond-financed property when completed and placed in service will be reviewed by the Oversight Officer.

- Average nonexempt use of bond-financed property over the life of the issue cannot exceed 10% of the proceeds.
- Agreements with business users or non-profit organizations for lease or management or services contracts, sponsored research, naming rights or any other potential nonexempt use of bond-financed property will be reviewed prior to execution of any contract to determine if property is bond-financed.
- Agreements with business users or other non-profit organizations for lease or management or services contracts or other private business use involving bond-financed property will be tracked and aggregated with other private business uses for compliance with the 10% limit.
- No item of bond-financed property will be sold or transferred to a nonexempt party without advance arrangement of a “remedial action” under the applicable Income Tax Regulations.

Investments and IRS Filings

Investment of bond proceeds in compliance with the arbitrage bond rules and rebate of arbitrage will be supervised by the Oversight Officer.

- Guaranteed investment contracts (“GIC”) will be purchased only using the three-bid “safe harbor” of applicable Income Tax Regulations, in compliance with fee limitations on GIC brokers in the Income Tax Regulations.
- Other investments will be purchased only in market transactions.
- Calculations of rebate liability will be performed annually by outside consultants.
- Rebate payments will be made with Form 8038-T no later than 60 days after (a) each fifth anniversary of the date of issuance and (b) the final retirement of the issue. Compliance with rebate requirements will be reported to the bond trustee and the issuer.
- Identify date for first rebate payment at time of issuance. Enter in records for the issue.

Records

Management and retention of records related to the Tax Exempt Bonds will be supervised by the Oversight Officer.

- Records will be retained for the life of the Tax Exempt Bonds plus any refunding bonds plus three years. Records may be in the form of documents or electronic copies of documents, appropriately indexed to specific bond issues and compliance functions.
- Retainable records pertaining to the Tax-Exempt Bonds include transcript of documents executed in connection with the issuance of the bonds (including authorizing resolutions, and Form 8038-G) and any amendments, and copies of rebate calculations and records of payments, including Forms 8038-T.
- Retainable records pertaining to expenditures of proceeds of the Tax Exempt Bonds include requisitions, trustee statements and final allocation of proceeds.
- Retainable records pertaining to use of property include all agreements reviewed for nonexempt use.
- Retainable records pertaining to investments include GIC documents under the Income Tax Regulations, records of purchase and sale of other investments, and records of investment activity sufficient to permit calculation of arbitrage rebate or demonstration that no rebate is due.

Overall Responsibility

Overall administration and coordination of this policy is the responsibility of the Oversight Officer.

Sewer Refunding Revenue Bonds, Series 2017 A

City of Hurricane
Hurricane, West Virginia

West Virginia Water Development Authority

Branch Banking and Trust Company
Hurricane, West Virginia

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by the City of Hurricane (the "Issuer") of its \$5,617,141.34 Sewer Refunding Revenue Bonds, Series 2017 A (the "Series 2017 A Bonds"), dated the date hereof.

The Series 2017 A Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13 of the West Virginia Code of 1931, as amended (the "Act"), and a Bond Ordinance duly enacted by the Issuer on March 6, 2017, as supplemented by a Supplemental Resolution duly adopted by the Issuer on March 6, 2017 and Certificate of Determinations, executed by the Mayor, dated March 30, 2017 (collectively, the "Bond Legislation"), and are subject to all the terms and conditions of the Bond Legislation. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation when used herein.

The Series 2017 A Bonds have been sold to Branch Banking and Trust Company, Hurricane, West Virginia (the "Purchaser"). The Series 2017 A Bonds are originally issued in the form of one bond, numbered AR-1, in fully registered form and bear interest on the principal amount thereof at the rate of 2.49% per annum, payable in 124 monthly installments of principal and interest as set forth therein.

The Series 2017 A Bonds are issued for the purposes of (i) refunding the Issuer's Sewer Revenue Bonds, Series 2005 A (West Virginia Infrastructure Fund), dated August 9, 2005, issued in the original aggregate principal amount of \$9,240,515 (the "Series 2005 A Bonds"); (ii) funding the Series 2017 A Bonds Reserve Account; and (iii) paying costs of issuance and related costs thereof.

7402313

We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion. As to questions of fact material to our opinion, we have relied upon representations of the Issuer contained in the Bond Legislation and in the certified proceedings and other certifications of certain public officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, and assuming compliance with the covenants of the Issuer set forth in the Bond Legislation and in certain certificates delivered in connection with the issuance of the Series 2017 A Bonds, we are of the opinion, under existing law, that:

1. The Issuer is a duly created and validly existing municipal corporation and political subdivision under and pursuant to the laws of the State of West Virginia, with full power and authority to enact the Bond Legislation and to issue and sell the Series 2017 A Bonds, all under the provisions of the Act and other applicable provisions of law.

2. The Bond Legislation has been duly adopted and enacted by the Issuer, is in full force and effect as of the date hereof and constitutes a valid and binding obligation of the Issuer enforceable in accordance with its terms.

3. The Series 2017 A Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Purchaser and are valid, legally enforceable and binding special obligations of the Issuer, payable only from and secured by a first lien on the Net Revenues of the System on a parity with the Issuer's (i) Sewer Revenue Bonds, Series 1989 A (West Virginia Water Development Authority), dated December 28, 1989, issued in the original aggregate principal amount of \$2,331,211; and (ii) Sewer Revenue Bonds, Series 2005 B (West Virginia Water Development Authority), dated August 9, 2005, issued in the original aggregate principal amount of \$1,114,236 (collectively, the "First Lien Bonds"); and senior and prior to the Issuer's (i) Sewer Revenue Bonds, Series 1989 B (West Virginia Water Development Authority), dated December 28, 1989, issued in the original aggregate principal amount of \$108,789; and (ii) Sewer Revenue Bonds, Series 2005 C (West Virginia Water Development Authority), dated August 9, 2005, issued in the original aggregate principal amount of \$485,764 (collectively the "Second Lien Bonds"). The First Lien Bonds and the Second Lien Bonds are collectively referred to herein as the "Prior Bonds".

4. Under existing laws, regulations, rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Series 2017 A Bonds (a) is excludable from gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended and the regulations promulgated thereunder (the "Code") and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations under the Code. In addition, interest on the Series 2017 A Bonds is not taken into account in determining adjusted current earnings for purposes of computing the alternative minimum tax on corporations. The opinions set forth above are subject to the condition that the Issuer comply, on a continuing basis, with all requirements of the Code that must be satisfied subsequent to issuance of the Series 2017 A Bonds for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Series 2017 A Bonds set forth in the Bond Legislation, and in certain certificates delivered in connection with the issuance of the Series 2017 A Bonds. Failure to comply with certain of such Code provisions or such certifications, covenants and representations could cause the interest on the Series 2017 A Bonds to be

includable in gross income retroactive to the date of issuance of the Series 2017 A Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Series 2017 A Bonds except as expressly set forth in paragraph 5.

5. The Issuer has designated the Series 2017 A Bonds as "qualified tax-exempt obligations" for purposes of the Code, and has covenanted that it does not reasonably expect to issue more than \$10,000,000 of tax-exempt obligations (other than private activity bonds and obligations issued to currently refund any obligation of the Issuer to the extent the amount of the refunding obligation does not exceed the outstanding amount of the refunded obligations) during the calendar year 2017. Therefore, the Series 2017 A Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3)(B) of the Code.

6. Under the Act, the Series 2017 A Bonds are exempt from all taxation by the State of West Virginia or any county, municipality, political subdivision or agency thereof and the interest on the Series 2017 A Bonds is exempt from personal and corporate income taxes imposed directly thereon by the State of West Virginia.

7. The Series 2005 A Bonds have been paid within the meaning and with the effect expressed in the resolutions authorizing the issuance of the Series 2005 A Bonds, and the covenants, agreements and other obligations of the Issuer to the holders and owners of the Series 2005 A Bonds have been satisfied and discharged. In rendering the opinion set forth in this paragraph, we have relied upon the Receipt and Release of the West Virginia Municipal Bond Commission to the sufficiency of the monies on deposit to provide for the payment of the principal of, interest on, and premium, if any, of the Series 2005 A Bonds.

It is to be understood that the rights of the holders of the Series 2017 A Bonds and the enforceability of liens, pledges, rights or remedies with respect to the Series 2017 A Bonds and the Bond Legislation may be subject to and limited by any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally, and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Bond No. AR-1 of said issue and, in our opinion, said Bond is in proper form and has been duly executed and authenticated. The addressees hereof, together with their permitted successors and/or assigns, may rely on this opinion, but only with respect to the express matters set forth herein and based solely on the laws, facts and circumstances in effect as of the date hereof.

Very truly yours,

STEPTOE & JOHNSON PLLC

Ladies and Gentlemen:

We are counsel to the City of Hurricane, in Putnam County, West Virginia (the "Issuer"), in connection with the issuance and sale of the above-captioned bonds (the "Series 2017 A Bonds") to Branch Banking and Trust Company, Hurricane, West Virginia (the "Purchaser"). As such counsel, we have reviewed copies of the approving opinion of Steptoe & Johnson PLLC, as bond counsel, the Bond Ordinance of the Issuer duly enacted March 6, 2017, as supplemented by the Supplemental Resolution of the Issuer duly adopted March 6, 2017 and a Certificate of Determinations, executed by the Mayor, dated March 30, 2017 (collectively, the "Bond Legislation"), and other documents relating to the Series 2017 A Bonds. All capitalized terms used herein and not otherwise defined herein shall have the same meanings set forth in the Bond Legislation when used herein.

We are of the opinion that:

1. The Issuer has been duly created and is validly existing as a municipal corporation and political subdivision of the State of West Virginia.
2. The Mayor, Recorder and members of the Council of the Issuer have been duly, lawfully and properly elected or appointed, as applicable, have taken the requisite oaths, and are authorized to act in their respective capacities on behalf of the Issuer.
3. The Bond Legislation has been duly adopted and enacted by the Issuer, is in full force and effect as of the date hereof and constitutes a valid and binding obligation of the Issuer enforceable in accordance with its terms.
4. The execution and delivery of the Series 2017 A Bonds and the consummation of the transactions contemplated by the Series 2017 A Bonds and the Bond Legislation, and the carrying out of

the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any ordinance, order, resolution, agreement or other instrument to which the Issuer is a party or any existing law, regulation, court order or consent decree to which the Issuer is subject.

5. It is to be understood that the rights of the holders of the Series 2017 A Bonds and the enforceability of liens, pledges, rights or remedies with respect to the Series 2017 A Bonds and the Bond Legislation are subject to any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws heretofore or hereafter enacted affecting creditors' rights or remedies generally, and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

6. To the best of our knowledge, the Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates and authorizations required by law for the operation of the System.

7. To the best of our knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Series 2017 A Bonds and the Bond Legislation, the operation of the System, the validity of the Series 2017 A Bonds or pledge of the funds set forth in the Bond Legislation. The addressees hereof, together with their permitted successors and/or assigns, may rely on this opinion, but only with respect to the express matters set forth herein and based solely on the laws, facts and circumstances in effect as of the date hereof.

Ladies and Gentlemen:

Based upon the rates and charges set forth in the water rate ordinance enacted by City of Romney (the "Issuer") on February 7, 2011, and projected operation and maintenance expenses and anticipated customer usage as furnished to us by the Issuer, it is our opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the waterworks system (the "System") of the Issuer, will pay all repair, operation and maintenance expenses of the System and leave a balance each year equal to at least 115% of the maximum amount required in any year for debt service on the Water Refunding Revenue Bonds, Series 2017 A, dated April 12, 2017, issued in the original aggregate principal amount of \$1,979,000 (the "Series 2017 A Bonds"), and the Issuer's outstanding:

- (i) Water Revenue Bonds, Series 1997 B (West Virginia Infrastructure Fund), dated August 25, 1997, issued in the original aggregate principal amount of \$1,424,038 (the "Series 1997 B Bonds");
- (ii) Water Revenue Bonds, Series 2012 A (United States Department of Agriculture), dated March 16, 2012, in the original aggregate principal amount of \$510,000 (the "Series 2012 A Bonds");
- (iii) Water Revenue Bonds, Series 2012 B (United States Department of Agriculture), dated March 16, 2012, in the original aggregate principal amount of \$51,000 (the "Series 2012 B Bonds"); and
- (iv) Water Revenue Bonds, Series 2016 A (United States Department of Agriculture), dated July 22, 2016, in the original aggregate principal amount of \$935,000 (the "Series 2016 A Bonds"), (collectively, the "Prior Bonds").

It is further our opinion that (i) the Net Revenues for the Fiscal Year following the year in which the Series 2017 A Bonds are issued will be at least 120% of the average annual debt service on the Prior Bonds and the Series 2017 A Bonds and that (ii) the Net Revenues actually derived from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of the Series 2017 A Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2017 A Bonds, are not less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for the principal of and interest on the Prior Bonds and the Series 2017 A Bonds.

Very truly yours,

Dated: March 30, 2017

TAX CERTIFICATE

The undersigned Mayor of the City of Hurricane (the "Issuer"), being the official of the Issuer duly charged with the responsibility for the issuance of \$5,617,141.34 Sewer Refunding Revenue Bonds, Series 2017 A (the "Series 2017 A Bonds") hereby certifies as set forth in this Tax Certificate, on March 30, 2017 (the "Tax Certificate"). The Series 2017 A Bonds are being issued and delivered on March 30, 2017, pursuant to Article 16 of Chapter 13 of the Code of West Virginia of 1931, as amended, and the Bond Ordinance enacted by the Issuer on March 6, 2017, as supplemented by a Supplemental Resolution adopted by the Issuer on March 6, 2017, and a Certificate of Determinations, executed by the Mayor, dated March 30, 2017 (collectively, the "Bond Legislation").

A. DEFINITIONS

Any capitalized word or term used herein shall have the meanings set forth in Exhibit C, but if not defined in Exhibit C shall have the meaning set forth in the Bond Legislation.

B. GENERAL

1. This certificate is being executed and delivered pursuant to Section 148 of the Code and also addresses other parts of the Code, such as Section 141. I am an officer of the Issuer charged with the responsibility for issuing the Series 2017 A Bonds. I am familiar with the facts, circumstances, and estimates herein certified and am duly authorized to execute and deliver this certificate on behalf of the Issuer.

2. This certificate may be relied upon as the certificate of the Issuer.

3. This Tax Certificate sets forth various facts regarding the Series 2017 A Bonds and establishes the expectations of the Issuer as to future events regarding the Series 2017 A Bonds and the use of the proceeds thereof. The certifications and representations made herein are intended, and may be relied upon, as a certification described in Regulations §1.148-2(b)(2). This Tax Certificate also sets forth certain terms and conditions relating to the restrictions on the use and investment of the proceeds of the Series 2017 A Bonds in order that interest thereon will be excluded from gross income for Federal income tax purposes.

4. This certificate is based upon facts, circumstances, estimates and expectations of the Issuer in existence on the date hereof, the date on which the Series 2017 A Bonds are to be physically delivered in exchange for the issue price thereof, and to the best of my knowledge and belief, the expectations of the Issuer set forth herein are reasonable.

5. The Issuer has covenanted in the Bond Legislation that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2017 A

Bonds which would cause the Series 2017 A Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without limitation, the timely filing of a federal information return with respect to the Series 2017 A Bonds), so that the interest on the Series 2017 A Bonds will be and remain excluded from gross income for federal income tax purposes, and that it will not take any actions which would adversely affect such exclusion.

6. The Series 2017 A Bonds were sold on March 30, 2017, to Branch Banking and Trust Company, Hurricane, West Virginia (the “Purchaser”) for a purchase price of \$5,617,141.34. No other obligations are (i) being sold at substantially the same time (within 15 days) as the Series 2017 A Bonds, (ii) being sold pursuant to the same plan of financing, and (iii) are reasonably expected to be paid from substantially the same source of funds as the Series 2017 A Bonds, determined without regard to guarantees from unrelated parties.

7. The Series 2017 A Bonds are being delivered simultaneously with the delivery of this Tax Certificate and are issued (i) to provide funds to currently refund the Issuer’s outstanding Sewer Revenue Bonds, Series 2005 A, dated August 29, 2005, issued in the original aggregate principal amount of \$9,240,515 (the “Series 2005 A Bonds” or the “Bonds to be Returned”); (ii) to fund the Series 2017 A Bonds Reserve Account; and (iii) to pay certain costs of issuance of the Series 2017 A Bonds and related costs.

8. The sources of proceeds of the Series 2017 A Bonds are as follows:

SOURCES

Proceeds of the Series 2017 A Bonds	\$5,617,141.34
Series 2005 A Bonds Sinking Fund	586,763.36
<u>Series 2005 A Bonds Reserve Account</u>	<u>51,085.96</u>
Total	<u>\$6,254,990.66</u>

9. The proceeds of the Series 2017 A Bonds will be applied as follows:

Fund the Series 2017 A Bonds Reserve	561,714.13
<u>Cost of Issuance</u>	<u>\$35,937.25</u>
Total	<u>\$6,254,990.66</u>

10. The yield on the Series 2017 A Bonds has been determined to be 2.490% (the “Bond Yield”).

11. For purposes of determining whether the Series 2017 A Bonds are private activity bonds, the Issuer makes the following representations. For this purpose, the proceeds of the Series 2017 A Bonds used for refunding purposes are treated in the same manner as the Bonds to be Refunded.

(i) Not more than ten percent (10%) of the proceeds of the Series 2017 A Bonds will be used, directly or indirectly, to replace funds which were used in any business carried on by any person other than a state or local governmental unit.

(ii) Not more than ten percent (10%) of the payment of principal of or interest on the Series 2017 A Bonds and the Bonds to be Refunded will, during the Combined Measurement Period, be, directly or indirectly, (A) secured by any interest in (1) property used or to be used for a private business use by any person other than a state or local governmental unit, or (2) payments in respect of such property, or (B) derived from payments (whether or not to the Issuer), in respect of property, or borrowed money, used or to be used for a private business use by any person other than a state or local governmental unit.

(iii) Not more than five percent (5%) of the proceeds of the Series 2017 A Bonds will be used, directly or indirectly, to make or finance loans to persons other than a state or local governmental unit.

(iv) The Project will not, over the Combined Measurement Period, be used in such a manner that more than ten percent (10%) of the proceeds of the Series 2017 A Bonds will be used in the trade or business of a nongovernmental person. No user of the Project other than a state or local governmental unit has or will during the Combined Measurement Period use more than ten percent (10%) of such facilities on any basis other than the same basis as the general public, and no person other than a state or local governmental unit will be a user of more than ten percent (10%) of such facilities as a result of (A) ownership, (B) actual or beneficial use pursuant to a lease or a management or incentive payment contract, or (C) any other similar arrangement.

C. THE SERIES 2017 A BONDS

1. A Sinking Fund for the Series 2017 A Bonds is created under the Bond Legislation. Monies deposited in the Series 2017 A Bonds Sinking Fund, including subsequent deposits thereto, will be spent within a 13-month period beginning on the date of deposit and will be depleted at least once a year, except for a reasonable carryover amount not in excess of one twelfth (1/12th) of the annual debt service on the Series 2017 A Bonds. The Series 2017 A Bonds Sinking Fund is designed to achieve a proper matching of the Issuer's revenues and debt service on the Series 2017 A Bonds within each Bond Year. All monies held in the Series 2017 A Bonds Sinking Fund will be used to pay debt service on the Series 2017 A Bonds. The Series 2017 A Bonds Sinking Fund qualifies as a Bona Fide Debt Service Fund and all monies in the Series 2017 A Bonds Sinking Fund will be invested without restriction as to yield and are not subject to rebate.

2. A Series 2017 A Bonds Reserve Account is created under the Bond Legislation for the Series 2017 A Bonds in an aggregate amount equal to the least of (i) 10% of the original principal amount of the Series 2017 A Bonds (\$561,714.13), (ii) Maximum Annual Debt Service on the Series 2017 A Bonds (\$617,126.71), or (iii) 125% of average annual Debt Service on the Series 2017 A Bonds (\$771,201.04) (the "Series 2017 A Reserve Account Requirement").

3. The Costs of Issuance Fund to be funded from proceeds of the Series 2017 A Bonds is in the amount of \$35,937.25. The Costs of Issuance include only those amounts directly related to the costs of issuance, sale and delivery of the Series 2017 A Bonds. All such amounts shall be fully expended within 6 months from the date hereof. Pending such disbursement, such monies will be invested without restriction as to yield and are not subject to rebate.

4. Other than the funds and accounts described above, there are no other funds or accounts of the Issuer which (i) are reasonably expected to be used to pay Debt Service on the Series 2017 A Bonds or which are pledged as collateral to secure repayment of Debt Service thereon, and (ii) for

which there is a reasonable assurance that amounts therein will be available to pay Debt Service on the Series 2017 A Bonds.

5. Accrued interest, if any, with respect to the Series 2017 A Bonds in an amount less than 6 month's interest on the Series 2017 A Bonds may be applied within one year from the date hereof toward the payment of interest first due on the Series 2017 A Bonds, as detailed in the Schedules. There is no pre-issuance accrued interest on the Series 2017 A Bonds.

6. No portion of the Series 2017 A Bonds is being issued solely for the purpose of investing the proceeds at a yield higher than the yield on the Series 2017 A Bonds or to replace funds which were used, directly or indirectly, to acquire investments with a yield higher than the yield on the Series 2017 A Bonds.

7. The Issuer certifies, warrants and covenants that the Series 2017 A Bonds are not and will not be part of a transaction or series of transactions that (i) attempts to circumvent the provisions of Section 148 of the Code and the related Regulations, thereby enabling the Issuer to exploit the difference between tax-exempt and taxable interest rates to obtain a material financial advantage; and (ii) overburdens the tax-exempt bond market in any manner, including, without limitation, issuing more bonds, issuing bonds earlier, or allowing them to remain outstanding longer than is otherwise reasonably necessary to accomplish the governmental purposes of the Series 2017 A Bonds.

D. REBATE

1. Application of 6 Month Expenditure Exception from Rebate. The Issuer expects to expend all of the gross proceeds of the Series 2017 A Bonds within 6 months of the issue date of the Series 2017 A Bonds and for the issue to be exempt from rebate pursuant to the "6 month rebate exception" set forth in Section 148(f)(4)(B) of the Code. Should the Issuer fail to expend all of such gross proceeds within such 6 months then the Issuer shall comply with the rebate computation and payment requirements set forth in the remainder of this Section D.

2. Rebate Fund; Calculation of Rebate Amount.

(a) Section 148(f) of the Code requires the payment to the United States of the excess of the amount earned on the investment of Gross Proceeds in Nonpurpose Investments over the amount that would have been earned on such investments had the amount so invested been invested at a rate equal to the Bond Yield, together with any income attributable to such excess. Except as provided below, and as previously set forth as excepted in Section C hereof, all other funds or accounts treated as containing Gross Proceeds are subject to this requirement.

(b) Pursuant to the Bond Legislation, the Issuer has created the Rebate Fund. On or before 45 days following each Computation Date, an amount shall be deposited into the Rebate Fund by the Issuer so that the balance held in the Rebate Fund shall equal the aggregate Rebate Amount due as of the Rebate Payment Date following such Computation Date. Monies so deposited shall be derived from the Issuer's own funds.

(c) On each Valuation Date, the Issuer agrees to value the Nonpurpose Investments allocable to the Series 2017 A Bonds thereunder in accordance with the Regulations. Notwithstanding anything herein to the contrary, the failure to perform the determination of Nonpurpose Investments allocable to the Series 2017 A Bonds as of a Valuation Date shall not be considered a violation of this provision if the application of the Universal Cap would not result in a reduction or reallocation of Gross Proceeds of an issue.

(d) To meet the rebate requirements of Section 148(f) of the Code, the Issuer (or the Rebate Analyst described in Section D.3. hereof) agrees and covenants to take the following actions:

(i) For each investment of (x) amounts held in the Series 2017 A Bonds Reserve Account, and (y) any other monies held by the Issuer which constitute Gross Proceeds, the Issuer shall record the purchase date of such investment, its purchase price, accrued interest due on its purchase date, its face amount, its coupon rate, the frequency of its interest payment, its disposition price, accrued interest due on its disposition date and its disposition date.

(ii) For each Installment Computation Date with respect to Rebate Amounts specified in paragraph (iii) below, the Issuer shall compute the Yield on the Series 2017 A Bonds as required by the Code and Regulations. If any of the Series 2017 A Bonds are redeemed prior to their scheduled maturity, the Issuer agrees to seek the advice of Bond Counsel or other rebate expert to recompute the Yield on the Series 2017 A Bonds as required by the Regulations.

(iii) For each Computation Date, the Issuer shall determine the amount of earnings received on all Nonpurpose Investments described in paragraph (i) above that are allocable to Gross Proceeds of the Series 2017 A Bonds. In addition, where Nonpurpose Investments are retained by the Bond Commission after retirement of the Series 2017 A Bonds, any unrealized gains or losses as of the date of retirement of the Series 2017 A Bonds must be taken into account in calculating the earnings on such Nonpurpose Investments to the extent required by the Regulations.

(iv) In determining the Nonpurpose Investments that are allocable to Gross Proceeds of the Series 2017 A Bonds, the Issuer shall consider the allocation rules set forth in the Regulations, including the rules relating to the Universal Cap, as set forth in Regulations §1.148-6(b)(2). In general, the Universal Cap represents the maximum value of Nonpurpose Investments that may be allocated to an issue of bonds and is determined by reference to the Value of all the outstanding bonds of the issue.

(v) For each Computation Date, the Issuer shall calculate for each Nonpurpose Investment described in paragraph (iii) above, an amount equal to the earnings which would have been received on such Nonpurpose Investment at an interest rate equal to the Yield on the Series 2017 A Bonds as described in paragraph (ii) above. The method of calculation shall follow that set forth in the Regulations.

(vi) In determining the amount of any rebate computed pursuant to this section, all earnings on any Bona Fide Debt Service Fund to the extent such earnings do not exceed \$100,000 in any Bond year shall not be taken into account.

(vii) For each Computation Date, the Issuer shall calculate the Rebate Amount (computed from the Issue Date of the Series 2017 A Bonds to each such Computation Date) by any appropriate method provided in the Code and Regulations that is applicable to the Series 2017 A Bonds, taking into account any computation credit allowed thereunder. In determining the Rebate Amount, the Issuer shall account for the amounts determined under paragraphs (iii), (iv), and (v) above.

(viii) If the Rebate Amount exceeds the amount on deposit in the Rebate Account, the Issuer shall immediately pay that amount, or cause that amount to be paid, into the Rebate Account.

3. Payment to United States. (a) Installment Computation Dates. Unless the Series 2017 A Bonds are redeemed prior to such time, the Issuer shall pay to the United States, not later than sixty (60) days after each Installment Computation Date, an amount which, when added to all previous rebate payments made with respect to the Series 2017 A Bonds, is equal to not less than ninety percent (90%) of the Rebate Amount (computed from the date of issuance of the Series 2017 A Bonds to each such Installment Computation Date).

(b) Final Computation Date. The Issuer shall pay to the United States, not later than sixty (60) days after the last outstanding Series 2017 A Bonds are paid or redeemed, one hundred percent (100%) of the Rebate Amount for the Final Computation Date (computed from the date of issuance of the Series 2017 A Bonds to the Final Computation Date).

(c) Mailing of Rebate Payment. Each Payment of an installment shall be mailed to the Internal Revenue Service Center, Internal Revenue Service Center, Ogden, Utah 84201-0027, or such other address for such purpose published by the Internal Revenue Service. Each payment shall be accompanied by a copy of IRS Form 8038-T.

(d) Excess Balance in Rebate Fund; Excess Rebate Payments. If on the Rebate Payment Date the balance on deposit in the Rebate Fund is in excess of the Rebate Amount attributable to the Series 2017 A Bonds, such excess may be withdrawn by the Issuer from the Rebate Fund. The Issuer may direct that any overpayment of rebate may be recovered from any rebate payment previously made to the United States under any procedure that may be permitted by the Code or the Regulations.

(e) Recordkeeping. In connection with the rebate requirement, the Issuer shall maintain (or cause to be maintained) the following records:

(i) The Issuer shall record all amounts paid to the United States pursuant to this Section D.

(ii) The Issuer shall retain records of the rebate calculations until three years after the Final Computation Date.

(iii) The Issuer shall keep and record the data described in section E(1)(c) hereof pertaining to the investment of the proceeds of the Series 2017 A Bonds until six years after the Final Computation Date.

4. Rebate Analyst. (a) A Rebate Analyst shall be appointed to perform the rebate calculations, as required herein.

(b) The Issuer may rely conclusively upon the opinions, calculations, determinations, directions and advice of the Rebate Analyst. The charges and fees for such Rebate Analyst shall be paid by the Issuer upon presentation of an invoice for services rendered in connection therewith.

5. Failure to Pay Rebate Amounts. In the event the Issuer fails to pay at the proper time and in the proper amounts, any Rebate Amount, it will pay the rebate amount plus interest within 180 days after discovery of such failure as set forth in Section 1.148-3(h)(3) of the Regulations. Notwithstanding the foregoing, in the event the Issuer fails to pay at the proper time and in the proper amount any Rebate Payment or correction amount, it hereby covenants and agrees to pay any penalty required by Internal Revenue Service in lieu of a declaration of taxability on the Series 2017 A Bonds.

6. No Transferred Proceeds. Other than transfers from the debt service funds and debt service reserve funds for the Bonds to be Refunded which will be used on March 31, 2017 to pay a portion of the costs of redeeming the Bonds to be Refunded, there are no remaining unspent proceeds of the Bonds to be Refunded that will become transferred proceeds of the Series 2017 A Bonds.

E. MISCELLANEOUS

1. The Issuer shall file Form 8038-G in a timely fashion with the Internal Revenue Service Center, Ogden, Utah. For purposes of filing the Form 8038-G with the Internal Revenue Service, the Issuer's EIN is 55-6000243. The Form 8038-G attached hereto as EXHIBIT A is, to the best of my knowledge, true and correct, and may be relied upon by Bond Counsel.

In order to perform the calculations required by the Code, it is necessary to track separately all of the Gross Proceeds. To that end, the Issuer hereby agrees to instruct the Bond Commission to establish separate funds, accounts or subaccounts or to take other accounting measures in order to account fully for all Gross Proceeds.

2. The Issuer agrees to continue to monitor the use of the facilities and the expenditure of proceeds of the Series 2017 A Bonds in order to ensure compliance with the relevant tax rules and regulations required so that the interest on the Series 2017 A Bonds will be excluded from gross income for federal income tax purposes. The Issuer will use the compliance policies attached hereto as EXHIBIT B. The Issuer further agrees and understands that if the Tax Exempt Rules are not complied with, the Issuer, in consultation with Bond Counsel, may use (i) the remedial actions set forth in Regulations §1.141-12, or (ii) the voluntary closing agreement process of the Internal Revenue Service in order to bring the Series 2017 A Bonds into compliance with the Tax-Exempt Rules.

3. None of the proceeds of the Series 2017 A Bonds will be used (directly or indirectly) in any trade or business carried on by, or will be used to make or finance loans to, any person who is not a governmental unit.

4. The original proceeds of the Series 2017 A Bonds will not exceed the amount necessary for the governmental purposes thereof.

5. The Issuer shall not permit at any time or times any of the proceeds of the Series 2017 A Bonds or any other funds of the Issuer to be used directly or indirectly in a manner which would result in the exclusion of the Series 2017 A Bonds from treatment afforded by Section 103(a) of the Code by reason of classification of the Series 2017 A Bonds as "private activity bonds" within the meaning of the Code.

6. The Series 2017 A Bonds are not, and will not be, in whole or part, directly or indirectly, federally guaranteed within the meaning of Section 149(b) of the Code.

7. The Issuer has not entered and will not enter into any transaction to reduce the Yield on an investment of the Gross Proceeds of the Series 2017 A Bonds so as to cause the amount to be rebated to the United States Treasury to be less than it would have been had the transaction been at arm's length and the Yield on the Series 2017 A Bonds not been relevant to either party to the transaction, and that all investments of Gross Proceeds will be made on an arm's length, Fair Market Value basis.

8. No portion of the proceeds of the Series 2017 A Bonds will be used directly or indirectly to replace funds of the Issuer or other related governmental agency that have been used directly or indirectly to acquire securities or obligations which may reasonably be expected, on the date hereof, to produce a yield materially higher than the Yield on the Series 2017 A Bonds.

9. In connection with the Series 2017 A Bonds, there has not been created or established, and the Issuer does not expect that there will be created or established, any sinking fund, pledged fund or similar fund (other than as specifically identified in this Tax Certificate), including without limitation any arrangement under which money, securities, or obligations are pledged directly or indirectly to secure the Series 2017 A Bonds or any contract securing the Series 2017 A Bonds or any arrangement providing for compensating, or minimum balances to be maintained by the Issuer or related governmental agencies with, any registered owner of the Series 2017 A Bonds.

10. The Series 2017 A Bonds are not and will not be part of a transaction or series of transactions that (i) attempt to circumvent the provisions of Section 148 of the Code, or any successor thereto, and the Regulations promulgated thereunder which enable the Issuer to exploit the difference between tax-exempt and taxable interest rates to gain a material financial advantage; or (ii) increase the burden on the market for tax-exempt obligations in any manner, including, without limitation, by selling obligations that would not otherwise be sold or selling a larger amount of obligations, or issuing them sooner, or allowing them to remain outstanding longer, than would otherwise be necessary.

11. The Issuer will rebate to the United States the amount, if any, required by the Code and to take all steps necessary to make such rebates. In the event the Issuer fails to make such rebates as required, the Issuer shall pay any and all penalties and other amounts from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, and take all other actions required of it in order to maintain the exclusion of interest on the Series 2017 A Bonds from gross income for federal income tax purposes.

12. The Issuer has retained the right to amend the Bond Legislation authorizing the issuance of the Series 2017 A Bonds if such amendment is necessary to assure compliance with Section 148(f) of the Code or as may otherwise be necessary to assure the exclusion of interest on the Series 2017 A Bonds from the gross income of the holders thereof. In addition, and notwithstanding any other provision hereof, any provision of this Tax Certificate shall be amended at any time and such amendment shall be complied with, upon receipt by the Issuer of an opinion of Bond Counsel that such amendment is necessary or permissible under the then current Code and Regulations and is either necessary to or will not adversely affect the excludability of interest on the Series 2017 A Bonds from gross income of the recipients thereof for federal income tax purposes.

13. The Issuer covenants and agrees to comply with the rebate requirements of the Code if not exempted therefrom, and with all other requirements of the Code necessary, proper or desirable to maintain the tax-exemption of the interest on the Series 2017 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series

2017 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code. The Issuer covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and such Regulations, regardless of whether such actions may be contrary to any of the provisions of the Bond Legislation.

14. The Issuer has designated the Series 2017 A Bonds as “qualified tax-exempt obligations” for purposes of paragraph (3) of Section 265(b) of the Code and as determined in accordance with Section 265(b)(3) of the Code, and that not more than \$10,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income taxes (excluding, however, obligations described in Section 265(b)(3)(C)(ii) of the Code), including the Series 2017 A Bonds, have been or shall be issued by the Issuer during the calendar year 2017, all as determined in accordance with the Code. None of the Series 2017 A Bonds are part of a direct or indirect composite issue.

15. At the time of issuance of the Bonds to be Refunded, the Issuer reasonably expected to spend at least 85% of the spendable proceeds of the Bonds to be Refunded to carry out the exempt purposes for which the Bonds to be Refunded were being issued within three years after the date of issuance of the Bonds to be Refunded. Not more than 50% of the proceeds of the Bonds to be Refunded were expected to be invested in investments having a substantially guaranteed yield for four years or more.

16. For purposes of complying with Regulations §1.148-2(b), an officer of the Issuer must certify the issuer’s expectations as of the issue date. In accordance therewith, the undersigned Mayor of the Issuer hereby in good faith certifies that the representations and covenants set forth in this Certificate constitute the reasonable expectations of the Issuer as of the Issue Date. Accordingly, the representations and covenants set forth herein are intended and may be relied upon as the certification described in Regulations §1.148-2(b) and are being delivered as part of the record of proceedings in connection with the issuance of the Series 2017 A Bonds.

17. To the best of my knowledge, information and belief there are no other facts, estimates and circumstances which would materially change the representations, expectations, covenants, certifications and statements herein expressed.

18. Steptoe & Johnson PLLC is entitled to rely upon the representations, expectations, covenants, certifications and statements contained herein in rendering its opinions with respect to the issuance, sale and delivery of the Series 2017 A Bonds, including its opinions regarding the exclusion of interest on the Series 2017 A Bonds from gross income for federal income tax purposes.

Except as specifically otherwise provided below, the Fair Market Value of an Investment is the price at which a willing buyer would purchase the Investment from a willing seller in a bona fide arm's length transaction. The Fair Market Value of an Investment that is purchased directly from the United States Treasury is its purchase price.

(b) Safe Harbor for Establishing Fair Market Value for Guaranteed Investment Contracts and Investments Purchased for a Yield Restricted Defeasance Escrow. The purchase price of a guaranteed investment contract is treated as its Fair Market Value on the purchase date if -

(i) The institution makes a bona fide solicitation for a specified guaranteed investment contract and reserves at least three (3) bona fide bids from providers that have no material financial interest in the issue (*e.g.*, as underwriters or brokers);

(ii) The institution purchases the highest yielding guaranteed investment contract for which a qualifying bid is made (determined net of broker's fees);

"Final Computation Date" means the date on which the last Bond is Discharged.

"Future Value" means the amount determined by using the following formula:

$$FV = PV(1+i)^n$$

where:

FV = The future value of the nonpurpose receipt or payment at the end of the interval. Each interval ends on the last day of a compounding interval. The compounding interval is the same compounding interval used in computing the Bond Yield.

PV = The future value of the nonpurpose receipt or payment at the beginning of the interval, or the amount thereof if the computation is for the first interval. The first interval begins on the date the nonpurpose receipt or payment is actually or constructively received or paid (or otherwise is taken into account). The amount of every nonpurpose

receipt and payment with respect to an issue that is taken into account at the beginning of the first interval may be rounded to the nearest whole dollar.

i = The Bond Yield during the interval (expressed as a decimal) divided by the number of compounding intervals in a year.

n = A fraction, the numerator of which is the length of the interval and the denominator of which is the length of a whole compounding interval.

The Issue Price generally is the first price at which the Series 2017 A Bonds are sold to the public, and the issue price will not change if part of the issue is subsequently sold at a different price. The Issue Price of Series 2017 A Bonds that are not substantially identical is determined separately. The Issue Price of a bond issue for which a bona fide public offering is made is determined as of the sale date based on reasonable expectations regarding the initial public offering price. The Issue Price of the Series 2017 A Bonds may not exceed their fair market value as of the sale date.

“**Net Sale Proceeds**” means Sale Proceeds less the amount of those Sale Proceeds invested in a reasonably required reserve or replacement fund under Section 148(d) of the Code and as part of a minor portion under Section 148(e) of the Code.

“Replacement Proceeds” means amounts that are treated as replacement proceeds of an issue of bonds under Regulations §1.148-1(c). Generally, amounts are Replacement Proceeds of an issue if the amounts have a sufficiently direct nexus to the governmental purpose of the issue to conclude that the amounts would have been used for that governmental purpose if the proceeds of the issue were not used or to be used for that governmental purpose. Replacement Proceeds include, but are not limited to, sinking funds or pledged funds to the extent that those funds are held by or derived from a substantial beneficiary of the issue (which, for this purpose includes the issuer and any related party to the issuer).

“Valuation Date” means the date on which the value of the Nonpurpose Investments allocable to the Series 2017 A Bonds thereunder must be determined under Regulations §1.148-6. In general, beginning with the first Bond Year beginning after second year anniversary of the Issue Date, the first day of each Bond Year constitutes a Valuation Date.

“Value of a Bond” means the value of a bond determined under Regulations §1.148-4(e). Under those Regulations, value generally means:

(a) In the case of a plain par bond (within the meaning of Regulations §1.148-1(b)), its outstanding stated principal amount, plus accrued unpaid interest or in the case of a plain par bond actually redeemed, or that is treated as redeemed, its stated redemption price on the redemption date plus accrued unpaid interest; and

(b) In the case of a bond other than a plain par bond, the value on a date of such a bond is generally its Present Value on that date, using the yield on the issue of which the bond is a part as the discount factor. In determining the Present Value of a variable rate bond, the initial interest rate on the bond established by the index or other rate setting mechanism is used to determine the interest payments on that bond.

EXHIBIT B

TAX COMPLIANCE POLICIES

City of Hurricane

Purpose

Issuers of tax-exempt bonds must comply with federal tax rules pertaining to expenditure of proceeds for qualified costs, rate of expenditure, use of bond financed property, investment of proceeds in compliance with arbitrage rules, and retention of records. The following policies are intended to establish compliance by the City of Hurricane (the “*Issuer*”) with these rules in connection with the issuance of the Issuer’s Sewer Refunding Revenue Bonds, Series 2017 A (the “*Tax Exempt Bonds*”).

Tax Requirements Associated with Sale and Issuance of Tax Exempt Bonds

Review and retention of tax documents related to the sale and issuance of Bonds will be supervised by the Mayor of the Issuer or his/her designee (the “*Oversight Officer*”).

- Form 8038-G (tax exempt bonds) will be reviewed and filed not later than the 15th day of the 2nd calendar month following the quarter in which the bonds were issued. Filing of appropriate version or versions of Form 8038-G will be confirmed with bond counsel.

Expenditure of Proceeds of Tax Exempt Bonds for Qualified Costs

Expenditure of proceeds of Tax Exempt Bonds will be reviewed by the Oversight Officer.

- Proceeds of Tax Exempt Bonds will be disbursed pursuant to an approved form of requisition stating the date, amount and purpose of the disbursement.
- Requisitions must identify the financed property and certify as to the character and average economic life of the bond-financed property.
- Requisitions for costs that were paid prior to the issuance of the Tax Exempt Bonds are, in general, limited to costs paid subsequent to, or not more than 60 days prior to, the date a “declaration of intent” to reimburse the costs was adopted by the Issuer. If proceeds are used for reimbursement, a copy of the declaration will be obtained and included in the records for the Tax-Exempt Bonds, if not already part of the bond transcript.

- Requisitions will be summarized in a “final allocation” of proceeds to uses not later than 18 months after the in-service date of the financed property (and in any event not later than 5 years and 60 days after the issuance of the Tax-Exempt Bonds).
- Expenditure of proceeds will be monitored against the expectations to spend or commit 5% of net sale proceeds of Tax Exempt Bonds within 6 months, to spend 85% of net sale proceeds within 3 years, and to proceed with due diligence to complete the project and fully spend the net sale proceeds. Expected expenditure schedules, project timelines, and plans and specifications will be maintained to support expectations. Reasons for failure to meet the expected schedule will be documented and retained in the records for the Tax-Exempt Bonds.
- If the 18-month spending exception to rebate applies, expenditure of gross proceeds will be monitored against the following schedule for the arbitrage rebate exception for the issue, if applicable:
 - 15% within 6 months
 - 60% within 12 months
 - 100% within 18 months
- If the 2-year spending exception to rebate applies, expenditure of “available proceeds” will be monitored against the following schedule for the arbitrage rebate exception for construction issues if applicable:
 - 10% within 6 months
 - 45% within 12 months
 - 75% within 18 months
 - 100% within 24 months

Expenditure of Proceeds

In addition to the general review of expenditures described above, expenditure of proceeds of the Tax-Exempt Bonds will be reviewed by the Oversight Officer.

- Only a small portion (5%) of the proceeds of Tax-Exempt Bonds can be used for operating expenses or other “working capital” costs. Requisitions for costs of the Project will accordingly be monitored to confirm that they are for capital costs of the Project.
- Investment earnings on sale proceeds of the Tax-Exempt Bonds will be tracked and will be requisitioned only for appropriate expenditures.

Use of Bond-Financed Property

Use of bond-financed property when completed and placed in service will be reviewed by the Oversight Officer.

- Average nonexempt use of bond-financed property over the life of the issue cannot exceed 10% of the proceeds.
- Agreements with business users or non-profit organizations for lease or management or services contracts, sponsored research, naming rights or any other potential nonexempt use of bond-financed property will be reviewed prior to execution of any contract to determine if property is bond-financed.
- Agreements with business users or other non-profit organizations for lease or management or services contracts or other private business use involving bond-financed property will be tracked and aggregated with other private business uses for compliance with the 10% limit.
- No item of bond-financed property will be sold or transferred to a nonexempt party without advance arrangement of a “remedial action” under the applicable Income Tax Regulations.

Investments and IRS Filings

Investment of bond proceeds in compliance with the arbitrage bond rules and rebate of arbitrage will be supervised by the Oversight Officer.

- Guaranteed investment contracts (“GIC”) will be purchased only using the three-bid “safe harbor” of applicable Income Tax Regulations, in compliance with fee limitations on GIC brokers in the Income Tax Regulations.
- Other investments will be purchased only in market transactions.
- Calculations of rebate liability will be performed annually by outside consultants.
- Rebate payments will be made with Form 8038-T no later than 60 days after (a) each fifth anniversary of the date of issuance and (b) the final retirement of the issue. Compliance with rebate requirements will be reported to the bond trustee and the issuer.
- Identify date for first rebate payment at time of issuance. Enter in records for the issue.

Records

Management and retention of records related to the Tax Exempt Bonds will be supervised by the Oversight Officer.

- Records will be retained for the life of the Tax Exempt Bonds plus any refunding bonds plus three years. Records may be in the form of documents or electronic copies of documents, appropriately indexed to specific bond issues and compliance functions.
- Retainable records pertaining to the Tax-Exempt Bonds include transcript of documents executed in connection with the issuance of the bonds (including authorizing resolutions, and Form 8038-G) and any amendments, and copies of rebate calculations and records of payments, including Forms 8038-T.
- Retainable records pertaining to expenditures of proceeds of the Tax Exempt Bonds include requisitions, trustee statements and final allocation of proceeds.
- Retainable records pertaining to use of property include all agreements reviewed for nonexempt use.
- Retainable records pertaining to investments include GIC documents under the Income Tax Regulations, records of purchase and sale of other investments, and records of investment activity sufficient to permit calculation of arbitrage rebate or demonstration that no rebate is due.
