ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Ordinance. This Ordinance (together with any ordinance, order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted and enacted pursuant to the provisions of Chapter 8, Article 19 of the West Virginia Code of 1931, as amended (the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. The City of Hurricane (the "Issuer") is a municipal corporation and political subdivision of the State of West Virginia in Putnam County of said State.

B. The Issuer now owns and operates a public water treatment and distribution system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be constructed certain additions, betterments and improvements for such existing waterworks system of the Issuer, consisting of repairs to the water storage tanks and replacements of the water lines, filters and back

wash pumps, together with all appurtenant facilities (collectively, the "Project") (the existing waterworks facilities, the Project and any further additions, improvements and betterments thereto or extensions thereof are herein called the "System") at an estimated cost of \$1,248,200, in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The estimated revenues to be derived in each year after completion of the Project from the operation of the System will be sufficient to pay all the costs of the operation and maintenance of said System, the principal of and interest on the Prior Bonds and the Series 1994 Bonds and all sinking funds, reserve accounts and other payments provided for herein and in the Prior Ordinance, all as such terms are hereinafter defined.

D. It is deemed necessary for the Issuer to issue its Water Revenue Bonds, Series 1994, in the total aggregate principal amount of not more than \$1,100,000 (the "Series 1994 Bonds"), to be initially represented by a single Bond, to permanently finance the costs of acquisition and construction of the Project. Said costs shall be deemed to include the repayment of the Notes (hereinafter defined), the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest upon the Series 1994 Bonds prior to and during acquisition or construction and for a period not exceeding 6 months after completion of acquisition or construction of the Project; amounts which may be deposited in the Series 1994 Bonds Reserve Account (hereinafter defined); engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the Project, administrative expense, commitment fees, fees and expenses of the Authority (as hereinafter defined), discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 1994 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 1994 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes, shall be deemed Costs of the Project, as hereinafter defined.

E. The period of usefulness of the System after completion of the Project is not less than 40 years.

F. It is in the best interests of the Issuer that its Series 1994 Bonds be sold to the West Virginia Water Development Authority (the "Authority") pursuant to the terms and provisions of a loan agreement (the "Loan Agreement") to be entered into between the Issuer and the Authority, in form satisfactory to the Issuer and the Authority, as shall be approved by a resolution supplemental hereto.

G. There is an outstanding obligation of the Issuer which will rank on parity with the Series 1994 Bonds as to liens, pledge, source of and security for payment, being the Issuer's Water Revenue Bonds, Series 1965, dated May 1, 1965, issued in the original aggregate principal amount of \$475,000 (the "Prior Bonds"), pursuant to an ordinance enacted by the Issuer on May 12, 1965 (the "Prior Ordinance").

The Issuer has met the parity requirements of the Prior Bonds and the Series 1994 Bonds shall be issued on a parity with the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects.

H. The Issuer has complied with all requirements of West Virginia law relating to authorization of the acquisition, construction and operation of the Project and the System and issuance of the Bonds, or will have so complied prior to issuance thereof.

I. The Issuer is a governmental unit which has general taxing powers to finance operations of or facilities of the nature of the Project and the System; 95% or more of the Net Proceeds of the issues of the Series 1994 Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer); and the Issuer, all subordinate entities, all entities which issue obligations on behalf of the Issuer, and all entities formed or, to the extent provided under Section 148 of the Code, herein defined, availed of, to avoid the purposes of Section 148(f)(4)(D) of the Code and all other entities benefiting thereby reasonably expect to issue less than \$5,000,000 aggregate principal amount of tax-exempt obligations (other than private activity bonds) during the calendar year in which the Series 1994 Bonds are to be issued.

The Bond Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month preceding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 1994 Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 1994 Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Gross Revenues derived from the operation of the System as herein provided and amounts, if any, in the Series 1994 Bonds Reserve Account. No holder or holders of any of the Series 1994 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 1994 Bonds or the interest thereon.

Section 3.08. Bonds Secured by Pledge of Gross Revenues; Lien Positions with Respect to Prior Bonds. The payment of the debt service of all the Series 1994 Bonds shall be secured forthwith equally and ratably with each other, by a lien on the Gross Revenues derived from the System, on a parity with the lien on the Gross Revenues in favor of the Holder of the Prior Bonds. Such Gross Revenues in an amount sufficient to pay the principal of and interest on and other payments for the Prior Bonds and the Series 1994 Bonds and to make the payments into the sinking funds, the reserve accounts therein, and the Depreciation Fund either existing or hereinafter established, and all other payments

provided for in the Bond Legislation, are hereby irrevocably pledged to the payment of the principal of and interest on the Prior Bonds and the Series 1994 Bonds as the same become due.

Section 3.09. Delivery of Bonds. The Issuer shall execute and deliver the Series 1994 Bonds to the Bond Registrar, and the Bond Registrar shall authenticate, register and deliver the Series 1994 Bonds to the original purchasers upon receipt of the documents set forth below:

B. A request and authorization to the Bond Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver the Series 1994 Bonds to the original purchasers; and

C. The unqualified approving opinion of bond counsel on the Series 1994 Bonds.

Section 3.10. Form of Bonds. The text of the Series 1994 Bonds shall be in substantially the following forms, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted hereby, or by any Supplemental Resolution adopted prior to the issuance thereof:

Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent"). The interest on this Bond is payable by check or draft of the Paying Agent mailed to the registered owner hereof at the address as it appears on the books of One Valley Bank, National Association, Charleston, West Virginia, as registrar (the "Registrar"), on the 15th day of the month next preceding an interest payment date, or by such other method as shall be mutually agreeable so long as the Authority is the Registered Owner hereof.

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority, and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement between the Issuer and the Authority, dated _____, 199____.

This Bond is issued (i) to pay certain notes (the "Notes") of the Issuer heretofore issued to pay a portion of the costs of acquisition and construction of certain additions, betterments and improvements for the existing waterworks facilities of the Issuer

This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 8, Article 19 of the West Virginia Code of 1931, as amended (the "Act"), and a Bond Ordinance duly enacted by the Issuer on _____, 199____, and a Supplemental Resolution duly adopted by the Issuer on _____, 199____ (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS, WITH THE ISSUER'S WATER REVENUE BONDS, SERIES 1965, DATED MAY 1, 1965, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$475,000 AND DESCRIBED IN THE BOND LEGISLATION (THE "PRIOR BONDS").

Such Gross Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and which shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Gross Revenues, the moneys in the Series 1994 Bonds Reserve Account and unexpended proceeds of the Bonds. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 140% of the maximum amount payable in any year for principal of and interest on the Bonds, and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds, including the Prior Bonds, so long as the Prior Bonds are outstanding, and thereafter, 115% of such amount; provided however, that if the Prior Bonds are no longer outstanding and so long as there exists in the Series 1994 Bonds Reserve Account an amount at least equal to the maximum amount of

principal and interest which will become due on the Bonds in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding prior to or on a parity with the Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Bond Legislation. Remedies provided the registered owners of the Bonds are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of the Registrar by the registered owner, or by its attorney duly authorized in writing, upon the surrender of this Bond together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law, shall be applied solely to the repayment of the Notes and payment of the Costs of the Project described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the registered owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of and interest on this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

- (1) The Issuer shall first (i) on the first day of each month, transfer from the Revenue Fund and pay to the Commission the amounts required by the Prior Ordinance to be deposited in the Prior Bonds Sinking Fund for payment of the principal of and interest on the Prior Bonds, (ii) simultaneously with the transfer set forth in subsection 5.03A(1)(i), on the first day of each month, commencing 7 months prior to the first date of payment of interest on

Moneys in the Series 1994 Bonds Reserve Account shall be used only for the purpose of paying principal of and interest on the Series 1994 Bonds as the same shall come due, when other moneys in the Series 1994 Bonds Sinking Fund are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 1994 Bonds Sinking Fund and the Series 1994 Bonds Reserve Account shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Bond Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment due on the Series 1994 Bonds, and then to the next ensuing principal payment due thereon.

Any withdrawals from the Series 1994 Bonds Reserve Account which result in a reduction in the balance of the Series 1994 Bonds Reserve Account to below the Series 1994 Bonds Reserve Requirement shall be subsequently restored from the first Gross Revenues available after all required payments have been made in full to the Prior Bonds Sinking Fund and Series 1994 Bonds Sinking Fund.

As and when additional Bonds ranking on a parity with the Series 1994 Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the appropriate reserve account in an amount equal to the maximum provided and required to be paid into the concomitant sinking fund in any year for account of the Bonds of such series, including such additional Bonds which by their terms are payable from such sinking fund.

The Issuer shall not be required to make any further payments into the Series 1994 Bonds Sinking Fund, or the Series 1994 Bonds Reserve Account therein when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 1994 Bonds issued pursuant to this Bond Legislation then Outstanding and all interest to accrue until the maturity thereof.

The Commission is hereby designated as the fiscal agent for the administration of the Series 1994 Bonds Sinking Fund created hereunder, and all amounts required for the Series 1994 Bonds Sinking Fund shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in said Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into the Series 1994 Bonds Sinking Fund, including the Series 1994 Bonds Reserve Account therein, the Prior Bonds Sinking Fund, the Operation and Maintenance Fund, and the Depreciation Fund during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay the charges, fees and expenses of the Depository Bank, the Commission, the Registrar and the Paying Agent.

D. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in the Revenue Fund and the Depreciation Fund shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Gross Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

F. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

- (C) That each of such costs has been otherwise properly incurred;

In case any contract provides for the retention of a portion of the contract price, the Depository Bank shall disburse from the Bond Construction Trust Fund only the net amount remaining after deduction of any such portion. All payments made from the Bond Construction Trust Fund shall be presumed by the Depository Bank to be made for the purposes set forth in said certificate, and the Depository Bank shall not be required to monitor the application of disbursements from the Bond Construction Trust Fund. The Consulting Engineers shall from time to time file with the Depository Bank written statements advising the Depository Bank of its then authorized representative.

After completion of the Project, as certified by the Consulting Engineers, and all Costs have been paid, the Depository Bank shall transfer any moneys remaining in the Bond Construction Trust Fund to the Series 1994 Bonds Reserve Account, and when fully funded, shall return such remaining moneys to the Issuer for deposit in the Revenue Fund; provided that, in no event shall more than 10% of the proceeds of the Series 1994 Bonds be deposited in the Series 1994 Bonds Reserve Account and any balance in excess of said amounts shall be returned to the Issuer for deposit in the Revenue Fund. The Issuer shall thereafter, apply such moneys in full, first to the next ensuing interest payments due on the Series 1994 Bonds and thereafter to the next ensuing principal payments due thereon.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 1994 Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 1994 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as the Series 1994 Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 1994 Bonds shall not be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 1994 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer to pay the Series 1994 Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Gross Revenues; Lien Positions with Respect to Prior Bonds. The payment of the debt service of the Series 1994 Bonds issued hereunder shall be secured forthwith equally and ratably by a lien on the Gross Revenues derived from the operation of the System, on a parity with the lien on said Gross Revenues in favor of the Holders of the Prior Bonds. The Revenues derived from the System, in an amount sufficient to pay the principal of and interest on the Prior Bonds and the Series 1994 Bonds and to make the payments into the Prior Bonds Sinking Fund and the Series 1994 Bonds Sinking Fund, including the Series 1994 Bonds Reserve Account therein, and all other payments provided for in the Bond Legislation are hereby irrevocably pledged, in the manner provided herein, to the payment of the principal of and interest on the Prior Bonds and the Series 1994 Bonds as the same become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in the water rate ordinance of the Issuer enacted August 10, 1992, which rates are incorporated herein by reference as a part hereof.

So long as the Series 1994 Bonds are outstanding and except as otherwise required by law or with the written consent of the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds Outstanding, or to effectively defease this Bond Legislation in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Bonds, immediately be remitted to the Commission for deposit in the Sinking Funds, and, with the written permission of the Authority, or in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal at maturity of and interest on the Bonds. Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and in Section 7.07B, and, so long as any of the Series 1994 Bonds are Outstanding, the Issuer shall not issue any other obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 1994 Bonds. All obligations issued by the Issuer after the issuance of the Series 1994 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 1994 Bonds; provided, that no such subordinate obligations shall be issued unless payments required to be made into all funds and accounts established by the Prior Ordinance and this Bond Legislation have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 1994 Bonds, and the interest thereon, upon any of the income and revenues of the System pledged for payment of the Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any Grants for the Project, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. A. No Parity Bonds, payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 1994 Bonds.

No such Parity Bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of extensions, improvements or betterments to the System or refunding the Series 1994 Bonds issued pursuant hereto, or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Recorder a written statement by the Independent Certified Public Accountants, based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, shall, so long as any of the Prior Bonds are Outstanding, not be less than 140%, and thereafter, shall not be less than 115%, of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

- (1) The Bonds then Outstanding, including the Prior Bonds;
- (2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Ordinance then Outstanding; and
- (3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates enacted by the Issuer, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Consulting Engineers, which shall be filed in the office of the Recorder prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Consulting Engineers and the said Independent Certified Public Accountants, as stated in a certificate jointly made and signed by the Consulting Engineers and said Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

Not later than simultaneously with the delivery of such Parity Bonds, the Issuer shall have entered into written contracts for the immediate construction or acquisition of such additions, betterments or improvements, if any, to the System that are to be financed by such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the System is subject to the prior and superior liens of the Prior Bonds and the Series 1994 Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Prior Bonds or the Series 1994 Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation and the Prior Ordinance with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation and the Prior Ordinance, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation and the Prior Ordinance.

Section 7.08. Books and Records. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the

manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Consulting Engineers and the Authority, or any other original purchaser of the Bonds, and shall mail in each year to any Holder or Holders of Bonds requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation and the Prior Ordinance with respect to all Outstanding Bonds and the status of all said funds and accounts.

(C) The amount of any Bonds or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants and shall mail upon request, and make available generally, the report of said Independent Certified Public Accountants, or a summary thereof, to any Holder or Holders of Bonds, and shall submit said report to the Authority, or any other original purchaser of the Bonds. Such audit report submitted to the Authority shall include a statement that the Issuer is in compliance with the terms and provisions of the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service requirements.

Section 7.09. Rates. Equitable rates or charges for the use of and service rendered by the System have been established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Recorder, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from said System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all reasonable expenses of operation, repair and maintenance of the System and (ii) to leave a balance each year equal to at least 140% of the maximum amount

required in any year for payment of principal of and interest on the Series 1994 Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Series 1994 Bonds, including the Prior Bonds, so long as the Prior Bonds are Outstanding, and thereafter 115% of such amount; provided that, when the Prior Bonds are no longer Outstanding and an amount equal to or in excess of the reserve requirement is on deposit in the Series 1994 Bonds Reserve Account and reserve accounts for obligations prior to or on a parity with the Series 1994 Bonds are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest on the Series 1994 Bonds and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Series 1994 Bonds. In any event, the Issuer shall not reduce the rates or charges for services set forth in the rate ordinance described in Section 7.04.

Section 7.10. Operating Budget and Audit. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by the Consulting Engineers, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of the Consulting Engineers that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to the Authority and to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds or anyone acting for and in behalf of such Holder of any Bonds.

In addition, the Issuer shall annually cause the records of the System to be audited by an independent certified public accountant, the report of which audit shall be submitted to the Authority and which audit report shall include a statement that the Issuer is in compliance with the terms and provisions of this Bond Legislation and the Loan Agreement and that the revenues of the System are adequate to meet the Issuer's Operating Expenses and debt service requirements.

Section 7.11. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or

permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.12. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System to all users thereof delinquent in payment of charges for the services of the System and will not restore such services of the System until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law.

Section 7.13. No Free Services. The Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.14. Engineering Services and Operating Personnel. The Issuer shall provide and maintain competent and adequate resident engineering services satisfactory to the Authority covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such resident engineer shall certify to the Authority and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and

designs, or amendments thereto, approved by all necessary governmental bodies. The Issuer shall retain qualified operating personnel, properly certified by the State, to operate the System so long as the Bonds are outstanding.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as any of the Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Depreciation Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Depreciation Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than \$500,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than \$500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR; AND PERFORMANCE AND PAYMENT BONDS, such bonds to be in the amounts of 100% of the construction contract and to be required of each contractor contracting directly with the Issuer, and such payment bonds will be filed with the Clerk of The County Commission of the County in which such work is to be performed prior to commencement of construction of the Project in compliance with West Virginia Code, Chapter 38, Article 2, Section 39.

(4) FLOOD INSURANCE, to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided for every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear.

Section 7.16. Connections. To the extent permitted by the laws of the State and rules and regulations of the Public Service Commission of West Virginia, the Issuer shall require every owner, tenant or occupant of any house, dwelling or building intended to be served by the System to connect thereto.

Section 7.17. Completion of Project; Permits and Orders. The Issuer will complete the Project as promptly as possible and operate and maintain the System in good condition and in accordance with all federal and state requirements and standards.

The Issuer will obtain all permits required by state and federal laws for the acquisition and construction of the Project and all orders and approvals from the West Virginia Public Service Commission, if necessary, for the acquisition and construction of the Project and the operation of the System.

Section 7.18. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 1994 Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 1994 Bonds during the term thereof is, under the terms of the Series 1994 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or

to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 1994 Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 1994 Bonds during the term thereof is, under the terms of the Series 1994 Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the Series 1994 Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the Project, or if the Series 1994 Bonds are for the purpose of financing more than one project, a portion of the Project, and shall not exceed the proceeds used for the governmental use of that portion of the Project to which such Private Business Use is related. All of the foregoing shall be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of 5% of the Net Proceeds of the Series 1994 Bonds are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 1994 Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The Issuer will file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 1994 Bonds and the interest thereon, including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take any and all actions that may be required of it (including, without limitation, those deemed necessary by the Authority) so that the interest on the Series 1994 Bonds will be and remain excludable from gross income for federal income tax purposes, and will not take any actions, or fail to take any actions (including, without limitation, those deemed necessary by the Authority), the result of which would adversely affect such exclusion.

Section 7.19. Statutory Mortgage Lien. For the further protection of the Holders of the Series 1994 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 1994 Bonds and shall be for the equal benefit of all Holders of the Series 1994 Bonds, provided however, that the statutory mortgage lien in favor of the Holders of the Series 1994 Bonds shall be on a parity with that in favor of the Holders of the Prior Bonds.

Section 7.20. Compliance with Loan Agreement and Law. The Issuer agrees to comply with all the terms and conditions of the Loan Agreement and with all applicable laws, rules and regulations issued by state, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

ARTICLE VIII

INVESTMENT OF FUNDS; NON ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Bond Legislation, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws and this Bond Legislation and the Prior Ordinance, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission, the Depository Bank, or such other bank or national banking association, as the case may be, shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank, or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year (or more often if reasonably requested by the Issuer), a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 1994 Bonds are Outstanding and as long thereafter as necessary to comply with the Code and assure the exclusion of interest on the Series 1994 Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 1994 Bonds which would cause the Series 1994 Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take all actions that may be required of it (including, without implied limitation, the timely filing of a Federal information return

with respect to the Series 1994 Bonds) so that the interest on the Series 1994 Bonds will be and remain excluded from gross income for Federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Small Issuer Exemption from Rebate of Excess Investment Earnings to the United States. In accordance with Section 148(f)(4)(D) of the Code, the Issuer covenants that it is a governmental unit with general taxing powers; that no part of the Series 1994 Bonds are private activity bonds; that 95% or more of the Net Proceeds of the Series 1994 Bonds are to be used for local governmental activities of the Issuer (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer); and that the aggregate face amount of all the tax-exempt obligations (other than private activity bonds) issued by the Issuer during the calendar year in which the Series 1994 Bonds are issued does not and will not exceed \$5,000,000, determined in accordance with Section 148(f)(4)(D) of the Code and the Regulations from time to time in effect and applicable to the Series 1994 Bonds. For purposes of this first paragraph of Section 8.03 and for purposes of applying Section 148(f)(4)(D) of the Code, the Issuer and all entities which issue obligations on behalf of the Issuer shall be treated as one issuer; all obligations issued by a governmental unit to make loans to other governmental units with general taxing powers not subordinate to such unit shall, for purposes of applying this first paragraph of Section 8.03 and Section 148(f)(4)(D) of the Code, be treated as not issued by such unit; all obligations issued by a subordinate entity shall, for purposes of applying this first paragraph of Section 8.03 and Section 148(f)(4)(D) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of such Section 148(f)(4)(D) of the Code and all other entities benefiting thereby shall be treated as one issuer.

Notwithstanding the foregoing, if in fact the Issuer is subject to the rebate requirements of Section 148(f) of the Code, and not exempted from such requirements, the Issuer covenants to make, or cause to be made, all rebate calculations, computations and payments in the time, manner and as required in Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Series 1994 Bonds and otherwise covenants and agrees to comply with the provisions of such Section 148(f) of the Code and the Regulations from time to time in effect and applicable to the Series 1994 Bonds. In the event of a failure to pay any such amount or amounts, the Issuer will pay, from any lawful sources available therefor, to the United States an amount equal to the sum of 50% of the amount not paid, plus interest at the required rate on the portion of the amount which was not paid on the required date, beginning on such date, unless waived. In order to provide for the administration of this paragraph, the Issuer may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the Issuer may deem appropriate.

The Issuer shall furnish to the Authority, annually, and at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its

rebate calculations and, at any time, any additional information relating thereto as may be requested by the Authority. In addition, the Issuer shall cooperate with the Authority in preparing any required rebate calculations and in all other respects in connection with rebates and hereby consents to the performance of all matters in connection with such rebates by the Authority at the expense of the Issuer.

The Issuer shall submit to the Authority within 15 days following the end of each Bond Year a certified copy of its rebate calculation or, if the Issuer qualifies for the small governmental issue exception to rebate, the Issuer shall submit a certificate stating that it is exempt from the rebate provisions and that no event has occurred to its knowledge during the Bond Year which would make the Series 1994 Bonds subject to rebate. The Issuer shall also furnish to the Authority, at any time, such additional information relating to rebate as may be reasonably requested by the Authority, including information with respect to earnings on all funds constituting "gross proceeds" of the Bonds (as such term "gross proceeds" is defined in the Code).

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest on any Bonds; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Bonds set forth in this Bond Legislation, any supplemental resolution or in the Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, Registrar or any other Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond, may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners, provided however, that all rights and remedies of the Holders of the Series 1994 Bonds shall be on a parity with those of the Holders of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond, may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, after commencement of operation of the System, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings

to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for Reserve, Sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project, the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

DEFEASANCE

Section 10.01. Defeasance of Bonds. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the respective Holders of all Series 1994 Bonds, the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Gross Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 1994 Bonds shall thereupon cease, terminate and become void and be discharged and satisfied, except as may otherwise be necessary to assure the exclusion of interest on the Series 1994 Bonds from gross income for federal income tax purposes.

The Issuer will take all actions necessary to comply with the Code and Treasury Regulations to be promulgated thereunder.

Section 16. The Issuer is a governmental unit with general taxing powers to finance operations of or facilities of the nature of the Project and the System; no part of the Bonds are private activity bonds; 95% or more of the net proceeds of the Bonds are to be used for local governmental activities of the Issuer; and the Issuer reasonably expects to issue less than \$5,000,000 aggregate principal face amount of tax-exempt obligations (other than private activity bonds) during the calendar year 1994, being the calendar year in which the Bonds are to be issued. unit to make loans to other governmental units with general taxing powers not subordinate to such unit shall, for purposes of applying this Section and Section 148(f)(4)(D) of the Code, be treated as not issued by such unit; all obligations issued by a subordinate entity shall, for purposes of applying this Section and Section 148(f)(4)(D) of the Code to each other entity to which such entity is subordinate, be treated as issued by such other entity; and an entity formed (or, to the extent provided by the Secretary, as set forth in the Code, availed of) to avoid the purposes of such Section 148(f)(4)(D) of the Code and all other entities benefiting thereby shall be treated as one issuer.

3.1 The agreement of the Authority to make the Loan is subject to the Governmental Agency's fulfillment, to the satisfaction of the Authority, of each and all of those certain conditions precedent on or before the delivery date for the Local Bonds, which shall be the date established pursuant to Section 3.4 hereof. Said conditions precedent are as follows:

(a) The Governmental Agency shall have performed and satisfied all of the terms and conditions to be performed and satisfied by it in this Loan Agreement;

(b) The Governmental Agency shall have authorized the issuance of and delivery to the Authority of the Local Bonds described in this Article III and in Article IV hereof;

(c) The Governmental Agency shall either have received bids or entered contracts for the construction of the Project which are in an amount and otherwise compatible with the plan of financing described in the Application; provided, that, if the Loan will refund an interim financing of construction, the Governmental Agency must either be constructing or have constructed its Project for a cost and as otherwise compatible with the plan of financing described in the Application; and, in either case, the Authority shall have received a certificate of the Consulting

Engineers to such effect the form of which certificate is attached hereto as Exhibit A;

(d) No Loan shall be made for the purpose of refinancing any outstanding long-term indebtedness of a Governmental Agency unless an opinion of counsel is received by the Authority to the effect that such refinancing is permitted by the Act and the Resolution, and that such refinancing will not cause a violation of any covenant, representation or agreement of the Authority contained in the Resolution or Tax Regulatory Agreement with respect to the exclusion of the interest on the Bonds from gross income of the holder thereof for federal income tax purposes;

(e) The Governmental Agency shall have obtained all permits required by the laws of the State and the federal government necessary for the construction of the Project, and the Authority shall have received a certificate of the Consulting Engineers to such effect;

(f) The Governmental Agency shall have obtained all requisite orders of and approvals from the Public Service Commission of West Virginia (the "PSC") necessary for the construction of the Project and operation of the System with all requisite appeal periods having expired without successful appeal, and the Authority shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

(g) The Governmental Agency shall have obtained any and all approvals for the issuance of the Local Bonds required by State law, and the Authority shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

(h) The Governmental Agency shall have obtained any and all approvals of rates and charges required by State law and shall have taken any other action required to establish and impose such rates and charges (imposition of such rates and charges is not, however, required to be effective until completion of construction of the Project) with all requisite appeal periods having expired without successful appeal, and the Authority shall have received an opinion of counsel to the Governmental Agency, which may be local counsel to the Governmental Agency, bond counsel or special PSC counsel but must be satisfactory to the Authority, to such effect;

(i) Such rates and charges for the System shall be sufficient to comply with the provisions of Subsection 4.1(b)(ii) hereof, and the Authority shall have received a certificate of the

accountants for the Governmental Agency, or such other person or firm experienced in the finances of governmental agencies and satisfactory to the Authority, to such effect; and

(j) The net proceeds of the Local Bonds, together with all moneys on deposit or to be simultaneously deposited (or, with respect to proceeds of grant anticipation notes or other indebtedness for which a binding purchase contract has been entered, to be deposited on a date certain) and irrevocably pledged thereto and the proceeds of grants irrevocably committed therefor, shall be sufficient to pay the costs of construction and acquisition of the Project as set forth in the Application, and the Authority shall have received a certificate of the Consulting Engineers, or such other person or firm experienced in the financing of water development projects and satisfactory to the Authority, to such effect, such certificate to be in form and substance satisfactory to the Authority, and evidence satisfactory to the Authority of such irrevocably committed grants.

3.2 Subject to the terms and provisions of this Loan Agreement, the rules and regulations promulgated by the Authority or any other appropriate State agency and any applicable rules, regulations and procedures promulgated from time to time by the federal government, it is hereby agreed that the Authority shall make the Loan to the Governmental Agency and the Governmental Agency shall accept the Loan from the Authority, and in furtherance thereof it is agreed that the Governmental Agency shall sell to the Authority and the Authority shall make the Loan by purchasing the Local Bonds in the principal amount and at the price set forth in Schedule X hereto. 3.4 The Local Bonds shall be delivered to the Authority, at the offices of the Authority, on a date designated by the Governmental Agency by written notice to the Authority, which written notice shall be given not less than ten (10) business days prior to the date designated; provided, however, that if the Authority is unable to accept delivery on the date designated, the Local Bonds shall be delivered to the Authority on a date as close as possible to the designated date and mutually agreeable to the Authority and the Governmental Agency. The date of delivery so designated or agreed upon is hereinafter referred to as the "Date of Loan Closing." Notwithstanding the foregoing, the Date of Loan Closing shall in no event occur more than ninety (90) days after the date of execution of this Loan Agreement by the Authority.

3.5 The Governmental Agency understands and acknowledges that it is one of several governmental agencies which have applied

to the Authority for loans to finance water development projects and that the obligation of the Authority to make any such loan is subject to the Governmental Agency's fulfilling all of the terms and conditions of this Loan Agreement on or prior to the Date of Loan Closing and to the right of the Authority to make such loans to other governmental agencies as in the aggregate will permit the fullest and most timely utilization of such proceeds to enable the Authority to pay debt service on the water development revenue bonds issued by it. The Governmental Agency specifically recognizes that the Authority will not purchase the Local Bonds unless and until it has available funds sufficient to purchase all the Local Bonds and that, prior to such execution, the Authority may commit to and purchase the revenue bonds of other governmental agencies for which it has sufficient funds available. The Governmental Agency further specifically recognizes that during the last 90 days of a period to originate Loans from its water development revenue bond proceeds, the Authority may execute Loan Agreements, commit moneys and close Local Bond sales in such order and manner as it deems in the best interest of the Program.

ARTICLE IV

Local Bonds; Security for Loan;
Repayment of Loan; Interest on Loan;
Fees and Charges

4.1 The Governmental Agency shall, as one of the conditions of the Authority to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Governmental Agency in accordance with the Local Statute, which shall, as enacted, contain provisions and covenants in substantially the form as follows:

(a) That the revenues generated from the operation of the System will be used monthly, in the order of priority listed, as set forth on Schedule Y attached hereto and incorporated herein by reference. The gross revenues of the System shall always be used for purposes of the System.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by the gross or net revenues from the System, as more fully set forth in Schedules X and Y attached hereto;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least

one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the reserve account established for the payment of debt service on the Local Bonds (the "Reserve Account") is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount at least equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement") and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Governmental Agency will complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or with the written consent of the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Local Bonds outstanding, with further restrictions on the disposition of portions of the System as are normally contained in such covenants;

(v) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Governmental Agency will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Governmental Agency will not render any free services of the System;

(viii) That any Local Bond owner may, by proper legal action, compel the performance of the duties of the Governmental Agency under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Governmental Agency will not grant any franchise to provide any services which would compete with the System;

(xi) That the Governmental Agency shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority, which report shall include a statement that the Governmental Agency is in compliance with the terms and provisions of the Local Act and this Loan Agreement and that the Governmental Agency's revenues are adequate to meet its operation and maintenance expenses and debt service requirements;

(xii) That the Governmental Agency shall annually adopt a detailed budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding fiscal year and shall submit a copy of such budget to the Authority within 30 days of adoption thereof;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, except for accrued interest and capitalized interest, if any, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Governmental Agency and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing for non-construction costs) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim funding of such Governmental Agency, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the

Authority, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Governmental Agency shall not authorize redemption of any Local Bonds by it without the written consent of the Authority and otherwise in compliance with this Loan Agreement;

(xvi) That, unless it qualifies for an exception to the provisions of Section 148 of the Code, which exception shall be set forth in an opinion of bond counsel, the Governmental Agency will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Code, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xvii) That the Governmental Agency shall take any and all action, or shall refrain from taking any action, as shall be deemed necessary by the Authority to maintain the exclusion from gross income for Federal income tax purposes of interest on the Authority's water development revenue bonds;

(xviii) That the Governmental Agency shall have obtained the certificate of the Consulting Engineer in the form attached to the Loan Application, to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority, the Project is adequate for the purposes for which it was designed and the funding plan as submitted to the Authority is sufficient to pay the costs of acquisition and construction of the Project;

(xix) That the Governmental Agency shall, to the full extent permitted by applicable law and the rules and regulations of the West Virginia Public Service Commission, terminate the services of any water facility owned by it to any customer of the System who is delinquent in payment of charges for services provided by the System and will not restore the services of the water facility until all delinquent charges for the services of the System have been fully paid or, if the water facility is not owned by the Governmental Agency, then the Governmental Agency shall enter into a termination agreement with the water provider; and

(xx) That the Governmental Agency shall furnish to the Authority such information with respect to earnings on all funds constituting "gross proceeds" of the Local Bonds (as that

term is defined in the Code) from time to time as the Authority may request.

The Governmental Agency hereby represents and warrants that the Local Act has been or shall be duly adopted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, sale and delivery of the Local Bonds shall be approved without qualification by recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit B.

4.2 The Loan shall be secured by the pledge and assignment by the Governmental Agency, as effected by the Local Act, of the fees, charges and other revenues of the Governmental Agency from the System as further set forth by and subject only to such reservations and exceptions as are described in Schedules X and Y hereto or are otherwise expressly permitted in writing by the Authority.

4.3 An Origination Fee Account shall be established with the Trustee to hold the portion of the proceeds of any Loan established to fund an Origination Fee. Amounts on deposit in an Origination Fee Account shall belong to the Governmental Agency receiving the related Loan, but such amounts may only be disbursed from the Account to pay the Origination Fee as and when required to satisfy the requirements of the State's Revolving Fund program established pursuant to Title VI of the Water Quality Act of 1987 or for such other purposes as the Authority may approve in writing.

4.4 The principal of the Loan shall be repaid by the Governmental Agency annually on the day and in the years provided in Schedule X hereto. Interest payments on the Loan shall be made by the Governmental Agency on a semiannual basis as provided in said Schedule X.

4.5 The Loan shall bear interest from the date of the delivery to the Authority of the Local Bonds until the date of payment thereof, at the rate or rates per annum set forth on Schedule X hereto. In no event shall the interest rate on or the net interest cost of the Local Bonds exceed any statutory limitation with regard thereto.

4.6 The Local Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Governmental Agency. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series, as reflected by Schedule X hereto.

4.7 The Governmental Agency agrees to pay from time to time, as required by the Authority, the Governmental Agency's allocable share of the reasonable administrative expenses of the Authority relating to the Program. Such administrative expenses shall be as determined by the Authority and shall include without limitation Program expenses, legal fees paid by the Authority and fees paid to the trustee and paying agents for the water development revenue bonds. The Authority shall provide both the Governmental Agency and the trustee for the water development revenue bonds with a schedule of such fees and charges, and the Governmental Agency shall pay such fees and charges on the dates indicated directly to the trustee. The Governmental Agency hereby specifically authorizes the Authority to exercise the powers granted it by Section 9.06 of the General Resolution.

4.8 The Governmental Agency agrees to expend the net proceeds of the Local Bonds for the Project within 3 years of the issuance of the Authority's bonds.

4.9 As long as the Authority is the owner of any of the Local Bonds outstanding, the Governmental Agency shall not redeem any of such Local Bonds outstanding without the written consent of the Authority, and any such redemption of Local Bonds authorized by the Authority shall provide for the payment of interest to the first allowable redemption date for the applicable water development revenue bonds, the redemption premium payable on the applicable water development revenue bonds redeemable as a consequence of such redemption of Local Bonds and the costs and expenses of the Authority in effecting any such redemption, all as further prescribed by Section 9.11 of the General Resolution. Nothing in this Loan Agreement shall be construed to prohibit the Authority from refunding applicable water development revenue bonds, and such refunding need not be based upon or result in any benefit to the Governmental Agency.

ARTICLE V

Certain Covenants of the Governmental Agency;
Imposition and Collection of User Charges;
Payments To Be Made by
Governmental Agency to the Authority

5.1 The Governmental Agency hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this Loan Agreement and the Local Act. The Governmental Agency hereby further irrevocably covenants and agrees that, as one of the conditions of the Authority to make the Loan, it has fixed and collected, or will fix and collect, the rates, fees and other charges for the use of the System, as set forth in

the Local Act and in compliance with the provisions of Subsection 4.1(b) (ii) hereof.

5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds shall prove to be insufficient to produce the minimum sums set forth in the Local Act, the Governmental Agency hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges so as to provide funds sufficient to produce the minimum sums set forth in the Local Act and as required by this Loan Agreement.

5.3 In the event the Governmental Agency defaults in the payment of any fees due to the Authority pursuant to Section 4.6 hereof, the amount of such default shall bear interest at the interest rate of the installment of the Loan next due, from the date of the default until the date of the payment thereof.

5.4 The Governmental Agency hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Governmental Agency, the Authority may exercise any or all of the rights and powers granted under Section 6a of the Act, including without limitation the right to impose, enforce and collect directly charges upon users of the System.

ARTICLE VI

Other Agreements of the Governmental Agency

6.1 The Governmental Agency hereby acknowledges to the Authority its understanding of the provisions of the Act, vesting in the Authority certain powers, rights and privileges with respect to water development projects in the event of default by governmental agencies in the terms and covenants of loan agreements, and the Governmental Agency hereby covenants and agrees that, if the Authority should hereafter have recourse to said rights and powers, the Governmental Agency shall take no action of any nature whatsoever calculated to inhibit, nullify, void, delay or render nugatory such actions of the Authority in the due and prompt implementation of this Loan Agreement.

6.2 At the option of the Authority, the Governmental Agency shall issue and sell to the Authority additional, subordinate bonds to evidence the Governmental Agency's obligation to repay to the Authority any grant received by the Governmental Agency from the Authority in excess of the amount to which the Governmental Agency is entitled pursuant to applicable policies or rules and regulations of the Authority. Also at the option of the

Authority, the Governmental Agency may issue and sell to the Authority additional, subordinate bonds for such purposes as may be acceptable to the Authority.

6.3 The Governmental Agency hereby warrants and represents that all information provided to the Authority in this Loan Agreement, in the Application or in any other application or documentation with respect to financing the Project was at the time, and now is, true, correct and complete, and such information does not omit any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Prior to the Authority's making the Loan and receiving the Local Bonds, the Authority shall have the right to cancel all or any of its obligations under this Loan Agreement if (a) any representation made to the Authority by the Governmental Agency in connection with the Loan shall be incorrect or incomplete in any material respect or (b) the Governmental Agency has violated any commitment made by it in its Application or in any supporting documentation or has violated any of the terms of this Loan Agreement.

6.4 The Governmental Agency hereby agrees to repay on or prior to the Date of Loan Closing any moneys due and owing by it to the Authority for the planning or design of the Project, and such repayment shall be a condition precedent to the Authority's making the Loan.

6.5 The Governmental Agency hereby covenants that it will rebate any amounts required by Section 148 of the Internal Revenue Code of 1986, as amended, and will take all steps necessary to make any such rebates. In the event the Governmental Agency fails to make any such rebates as required, then the Governmental Agency shall pay any and all penalties, obtain a waiver from the Internal Revenue Service and take any other actions necessary or desirable to preserve the exclusion from gross income for Federal income tax purposes of interest on the Local Bonds.

6.6 Notwithstanding Section 6.5, the Authority may at any time, in its sole discretion, cause the rebate calculations prepared by or on behalf of the Governmental Agency to be monitored or cause the rebate calculations for the Governmental Agency to be prepared, in either case at the expense of the Governmental Agency.

6.7 The Governmental Agency hereby agrees to give the Authority prior written notice of the issuance by it of any other obligations to be used for the Project, payable from the revenues of the System or from any grants for the Project or otherwise related to the Project or the System.

6.8 The Governmental Agency hereby agrees to file with the Authority upon completion of acquisition and construction of

the Project a schedule in substantially the form of Amended Schedule A to the Application, setting forth the actual costs of the Project and sources of funds therefor.

ARTICLE VII

7.2 Schedule X shall be attached to this Loan Agreement by the Authority as soon as practicable after the Date of Loan Closing is established and shall be approved by an official action of the Governmental Agency supplementing the Local Act, a certified copy of which official action shall be submitted to the Authority.

7.3 If any provision of this Loan Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Loan Agreement, and this Loan Agreement shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

7.4 This Loan Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Loan Agreement.

7.5 No waiver by either party of any term or condition of this Loan Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Loan Agreement.

7.6 This Loan Agreement merges and supersedes all prior negotiations, representations and agreements between the parties hereto relating to the Loan and constitutes the entire agreement between the parties hereto in respect thereof.

7.7 By execution and delivery of this Loan Agreement, notwithstanding the date hereof, the Governmental Agency specifically recognizes that it is hereby agreeing to sell its Local Bonds to the Authority and that such obligation may be

specifically enforced or subject to a similar equitable remedy by the Authority.

No. R-1

\$1,100,000

KNOW ALL MEN BY THESE PRESENTS: That the CITY OF HURRICANE, a municipal corporation and political subdivision of the State of West Virginia in Putnam County of said State (the "Issuer"), for value received, hereby promises to pay, solely from the special funds provided therefor, as hereinafter set forth, to the West Virginia Water Development Authority (the "Authority") or registered assigns the sum of ONE MILLION ONE HUNDRED THOUSAND DOLLARS (\$1,100,000), in installments on October 1 of each year as set forth on the "Schedule of Annual Debt Service" attached as Exhibit A hereto and incorporated herein by reference with interest on each installment at the rate per annum set forth on said Exhibit A.

The interest rate on each installment shall run from the original date of delivery of this Bond to the Authority and payment therefor, and until payment of such installment, and such interest shall be payable on April 1 and October 1 in each year, beginning October 1, 1994. Principal installments of this Bond are payable in any coin or currency which, on the respective dates of payment of such installments, is legal tender for the payment of public and private debts under the laws of the United States of America, at the office of the West Virginia Municipal Bond Commission, Charleston, West Virginia (the "Paying Agent"). The interest on this Bond is payable by check or draft of the Paying Agent mailed to the registered owner hereof at the address as it appears on the books of One Valley Bank, National Association, Charleston, West Virginia, as registrar (the "Registrar"), on the 15th day of the month next preceding an interest payment date, or by such other method as shall be mutually agreeable so long as the Authority is the Registered Owner hereof.

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority, and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement between the Issuer and the Authority, dated May 5, 1994.

This Bond is issued (i) to pay certain notes (the "Notes") of the Issuer heretofore issued to pay a portion of the costs of acquisition and construction of certain additions, betterments and improvements for the existing waterworks facilities of the

Issuer (the "Project"); (ii) to pay the remaining costs of acquisition and construction of the Project; (iii) to fund a reserve account for the Bonds of this Series (the "Bonds"); and (iv) to pay certain costs of issuance hereof and related costs. The existing waterworks system of the Issuer, the Project, and any further additions, betterments and improvements thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 8, Article 19 of the West Virginia Code of 1931, as amended (the "Act"), and a Bond Ordinance duly enacted by the Issuer on May 2, 1994, and a Supplemental Resolution duly adopted by the Issuer on May 2, 1994 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for the Bonds under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL RESPECTS, WITH THE ISSUER'S WATER REVENUE BONDS, SERIES 1965, DATED MAY 1, 1965, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF \$475,000 AND DESCRIBED IN THE BOND LEGISLATION (THE "PRIOR BONDS").

This Bond is payable only from and secured by a pledge of the Gross Revenues (as defined in the Bond Legislation) to be derived from the operation of the System, on a parity with the pledge of Gross Revenues in favor of the Holders of the Prior Bonds, and from moneys in the reserve account created under the Bond Legislation for the Bonds (the "Series 1994 Bonds Reserve Account"), and unexpended proceeds of the Bonds. Such Gross Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and which shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute a corporate indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest hereon except from said special fund provided from the Gross Revenues, the moneys in the Series 1994 Bonds Reserve Account and unexpended proceeds of the Bonds. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 140% of the maximum amount payable in any year for principal of and interest on the Bonds, and all other obligations secured by a lien on or payable from such revenues prior to or on a parity with the Bonds, including the Prior Bonds, so long as the Prior Bonds are outstanding, and thereafter, 115% of such amount; provided however, that if the

Prior Bonds are no longer outstanding and so long as there exists in the Series 1994 Bonds Reserve Account an amount at least equal to the maximum amount of principal and interest which will become due on the Bonds in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding prior to or on a parity with the Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the registered owners of the Bonds for the terms of which reference is made to the Bond Legislation. Remedies provided the registered owners of the Bonds are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of the Registrar by the registered owner, or by its attorney duly authorized in writing, upon the surrender of this Bond together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act is, and has all the qualities and incidents of, a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law, shall be applied solely to the repayment of the Notes and payment of the Costs of the Project described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the registered owner of this Bond.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond have existed, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of and interest on this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

IN WITNESS WHEREOF, the CITY OF HURRICANE has caused this Bond to be signed by its Mayor and its corporate seal to be affixed hereon and attested by its Recorder, and has caused this Bond to be dated May 5, 1994.

City of Hurricane Water Revenue Bonds, Series 1994

West Virginia Water Development Authority
1201 Dunbar Avenue
Dunbar, West Virginia 25064

Ladies and Gentlemen:

We have served as bond counsel in connection with the issuance by the City of Hurricane (the "Issuer"), a municipal corporation and political subdivision organized and existing under the laws of the State of West Virginia, of its \$1,100,000 Water Revenue Bonds, Series 1994, dated the date hereof (the "Bonds").

We have examined the law and certified copies of proceedings and other papers relating to the authorization of a loan agreement, dated May 5, 1994, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority") and the Bonds, which are to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are originally issued in the form of one bond, registered as to principal and interest to the Authority, with interest payable April 1 and October 1 of each year, commencing October 1, 1994, at the rate of 6.75% per annum, and with principal installments payable on October 1 in each of the years 1995 through 2033, inclusive, all as set forth in "Schedule X," attached to the Loan Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 8, Article 19 of the West Virginia Code of 1931, as amended (the "Act"), for the purposes of (i) paying certain notes (the "Notes") of the Issuer heretofore issued to pay a portion of the costs of acquisition and construction of certain additions, betterments and improvements to the existing waterworks facilities of the Issuer (the "Project"); (ii) paying the remaining costs of acquisition and construction of the Project; (iii) funding a reserve account for the Bonds; and (iv) paying certain issuance and other related costs in connection therewith.

We have also examined the applicable provisions of the Act, the Bond Ordinance duly enacted by the Issuer on May 2, 1994, as supplemented by a Supplemental Resolution duly adopted by the Issuer on May 2, 1994 (collectively, the "Bond Legislation"), pursuant to and under which Act and Bond Legislation the Bonds are authorized and issued, and the Loan Agreement has been entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Bond Legislation and the Loan Agreement.

In connection with the issuance of the Bonds, the Issuer has executed a Certificate as to Arbitrage, dated as of the date hereof (the "Certificate as to Arbitrage"), which, among other things, sets forth restrictions on the investment and expenditure of the Bond proceeds and earnings thereon, to ensure that the arbitrage requirements of the Internal Revenue Code of 1986, as amended, and regulations thereunder (collectively, the "Code"), necessary to establish and maintain the excludability of interest on the Bonds from gross income for federal income tax purposes, are and will continue to be met.

Based upon the foregoing, and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly organized and validly existing municipal corporation and political subdivision of the State of West Virginia, with full power and authority to construct and acquire the Project, to operate and maintain the System referred to in the Loan Agreement and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer, is a valid and binding special obligation of the Issuer enforceable in accordance with the terms thereof, and inures to the benefit of the Authority and cannot be amended so as to affect adversely the rights of the Authority or diminish the obligations of the Issuer without the written consent of the Authority.

3. The Bond Legislation and all other necessary ordinances and resolutions have been duly and effectively enacted and adopted by the Issuer and constitute valid and binding obligations of the Issuer enforceable upon the Issuer. The Bond Legislation contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

4. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Gross Revenues of the System referred to in the Bond Legislation and secured by a first lien on and pledge of the Gross Revenues of said System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's Water Revenue Bonds, Series 1965, dated May 1, 1965, issued in the original aggregate principal amount of \$475,000, all in accordance with the terms of the Bonds and the Bond Legislation.

5. Under existing laws, regulations, rulings and judicial decisions of the United States of America, as presently written and applied, the interest on the Bonds (a) is excludable from gross income of the owners thereof for federal income tax purposes pursuant to the Code and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed upon individuals and corporations under the Code. It should be noted, however, that interest on the Bonds is included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum tax that may be imposed with respect to corporations. The opinions set forth above are subject

to the condition that the Issuer comply, on a continuing basis, with all requirements of the Code that must be satisfied subsequent to issuance of the Bonds for interest thereon to be or continue to be excludable from gross income for federal income tax purposes and all certifications, covenants and representations which may affect the excludability from gross income of the interest on the Bonds set forth in the Bond Legislation and the Certificate as to Arbitrage, and other certificates delivered in connection with the issuance of the Bonds. Failure to comply with certain of such Code provisions or such certifications, covenants and representations could cause the interest on the Bonds to be includable in gross income retroactive to the date of issuance of the Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

6. The Bonds are, under the Act, exempt from all taxation by the State of West Virginia, or any county, municipality or county commission, political subdivision or agency thereof, and the interest on the Bonds is exempt from personal and corporate net income taxes imposed directly thereon by the State of West Virginia.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Loan Agreement and the Bond Legislation, and the liens and pledges set forth therein, may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

Step toe & Johnson

Re: City of Hurricane
Water Revenue Bonds, Series 1994

Ladies and Gentlemen:

I am counsel to the City of Hurricane, in Putnam County, West Virginia (the "Issuer"). As such counsel, I have examined copies of the approving opinion of Steptoe & Johnson, as bond counsel, a loan agreement dated May 5, 1994, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the West Virginia Water Development Authority (the "Authority") and the Issuer, a Bond Ordinance duly enacted by the Issuer on May 2, 1994, as supplemented by a Supplemental Resolution duly adopted by the Issuer on May 2, 1994 (collectively, the "Bond Legislation") and other documents relating to the above-captioned Bonds of the Issuer (the "Bonds"). Terms used in said opinion, Bond Legislation and Loan Agreement and not otherwise defined herein have the same meanings as therein when used herein.

I am of the opinion that:

1. The Loan Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the Authority, constitutes a valid and binding agreement of the Issuer enforceable in accordance with its terms.

9A

2. The Issuer has been duly created and is validly existing, and the Mayor, Recorder and members of the council of the Issuer have been duly and properly elected or appointed, as applicable, have taken the requisite oaths, and are authorized to act on behalf of the Issuer in their respective capacities.

3. The Bond Legislation has been duly adopted and enacted by the Issuer and is in full force and effect.

4. The execution and delivery of the Bonds and the Loan Agreement and the consummation of the transactions contemplated by the Loan Agreement and the Bond Legislation, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute on the part of the Issuer a breach of or default under any ordinance, resolution, order, agreement or other instrument to which the Issuer is a party or any existing law, regulation, court order or consent decree to which the Issuer is subject.

5. The Issuer has received all permits, licenses, approvals and authorizations necessary for the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and for the imposition of rates and charges for use of the system, and has taken any other action required for the imposition of such rates and charges, including, without limitation, the enactment of an ordinance prescribing such rates and charges. The time for appeal of such rate ordinance has expired prior to the date hereof without any appeal.

6. To the best of my knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Loan Agreement, the acquisition and construction of the Project, the operation of the System or the validity of the Bonds or the collection or pledge of the Gross Revenues therefor.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Very truly yours,

Ladies and Gentlemen:

I am special counsel to the City of Hurricane, in Putnam County, West Virginia (the "Issuer"). As such counsel, I have examined the components of the Issuer's water project financed by the above-captioned bonds (the "Project") and the applicable provisions of the West Virginia Code. Based upon such examination, I am of the opinion that a certificate of public convenience and necessity under West Virginia Code Section 24-2-11 is not required for this Project because such Project consists only of repairs and replacements, and does not constitute or include the construction of any plant, equipment, property or facility, other than ordinary extensions of existing systems in the usual course of business.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Very truly yours,

Ladies and Gentlemen:

Based upon the rates and charges as set forth in the ordinance of the City of Hurricane (the "Issuer") finally enacted August 10, 1992, and projected operation and maintenance expenses and anticipated customer usage as furnished to me by Randolph Engineering Co., Inc., consulting engineer, it is my opinion that such rates and charges will be sufficient to provide revenues which, together with other revenues of the waterworks system of the Issuer, will pay all repair, operation and maintenance expenses and leave a balance each year equal to at least 140% of the maximum amount required in any year for debt service on the Water Revenue Bonds, Series 1994 (the "Bonds"), to be issued to the West Virginia Water Development Authority and the Issuer's outstanding Water Revenue Bonds, Series 1965 (the "Prior Bonds"). It is my further opinion that the net annual revenues of the waterworks system of the Issuer for the 12 consecutive months out of the preceding 18 months were equal to at least 1.40 times the maximum amount that will become due in any succeeding calendar year for both principal and interest on the outstanding Prior Bonds and the Bonds.

Very truly yours,

The purpose of the **NEW ISSUE REPORT FORM** is to provide the WV Municipal Bond Commission with an early warning of three basis facts no later than the day of closing on any issue for which the Commission is to act as fiscal agent. These are:

1. Formal notification that a new issue is outstanding.
2. Date of first action or debt service.
3. Contact people should we lack documents, information, or funds needed to administer the issue by the date of the first action or debt service.

The Commission recognizes that as bond transcripts become increasingly long and complex, it has become more difficult to assemble and submit them to the Commission within the 30 days specified by the WV Code 13-3-8. This notice is not intended to provide all the information needed to administer an issue, but to alert the Commission and ensure that no debt service payments are missed due to delays in assembling bond transcripts. If, at the time of closing, documents such as the ordinance and all suppliments, debt service schedules, and a specimen bond or photostat are available and submitted with this form, it will greatly aid the Commission in the performance of its duties. These documents are needed to set up the proper accounts and to advise the issuer of monthly deposit requirements as far in advance of the first debt service as possible.

It is not necessary to complete all items if they are not pertinent to your issue. Indicate the County of the issuer. With PSDs that overlap more than one county, indicate the county of their business office. Complete "Rate" only if the issue has only one rate. Please complete a separate form for each series of an issue. Other important information can be recorded under "Notes".

Again, please submit this form on each new issue on the day of closing. If fund transfers into or out of the Commission at close are required, please submit this form before closing. If no significant facts change by closing, no resubmission at close is required. If, however, there are changes, please submit an updated form, with changes noted, at close.

If you should have any questions concerning this form, please call the Commission.
