(f) The Governmental Agency shall have obtained any and all approvals for the issuance of the Local Bonds required by State law, and the Authority and the Council shall have received an opinion of counsel to the Governmental Agency, which

3.5 The Governmental Agency understands and acknowledges that it is one of several governmental agencies which have applied to the Council for loans from the Infrastructure Fund to finance projects and that the obligation of the Authority to make any such loan is subject to the Council's authorization and the Governmental Agency's fulfilling all of the terms and conditions of this Loan Agreement on or prior to the Date of Loan Closing. The Governmental Agency specifically recognizes that the Authority will not purchase the Local Bonds unless and until sufficient funds are available in the Infrastructure Fund to purchase all the Local Bonds and that, prior to execution of this Loan Agreement, the Authority may commit to and purchase the revenue bonds of other governmental agencies for which it has sufficient funds available.

ARTICLE IV

Local Bonds; Security for Loan; Repayment of Loan; Interest on Loan; Fees and Charges

4.1 The Governmental Agency shall, as one of the conditions of the Authority to make the Loan, authorize the issuance of and issue the Local Bonds pursuant to an official action of the Governmental Agency in accordance with the Local Statute, which shall, as adopted or enacted, contain provisions and covenants in substantially the form as follows, unless the specific provision or covenant is modified or waived by the Council:

(a) That the gross revenues of the System shall always be used for purposes of the System. Such gross revenues shall be used monthly, in the order of priority listed below:

(i) to pay Operating Expenses of the System;

(ii) to the extent not otherwise limited by any outstanding loan resolution, indenture or other act or document and beginning on the date set forth in Schedule X, to provide debt service on the Local Bonds by depositing in a sinking fund one-third (1/3) of the interest payment next coming due on the Local Bonds and one-third (1/3) of the principal payment next coming due on the Local Bonds and, beginning three (3) months prior

to the first date of payment of principal of the Local Bonds, if the reserve account for the Local Bonds (the "Reserve Account") was not funded from proceeds of the Local Bonds or otherwise concurrently with the issuance thereof (which, with an approving opinion of bond counsel to the Governmental Agency, may be with a letter of credit or surety) in an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in the then current or any succeeding year (the "Reserve Requirement"), by depositing in the Reserve Account an amount not less than one-twelfth (1/12) of one-tenth (1/10) of the Reserve Requirement or, if the Reserve Account has been so funded (whether by Local Bond proceeds, monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement;

(iii) to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues from the System, exclusive of any payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System or eliminating any deficiencies in the Reserve Account; and

(iv) for other legal purposes of the System, including payment of debt service on other obligations junior, subordinate and inferior to the Local Bonds.

Provided, that if the Governmental Agency has existing outstanding indebtedness which has greater coverage or renewal and replacement fund requirements, then the greater requirements will prevail until said existing indebtedness is paid in full.

(b) Covenants substantially as follows:

(i) That the Local Bonds shall be secured by a pledge of either the gross or net revenues of the System, as more fully set forth in Schedule X attached hereto and in the Local Act;

(ii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all Operating Expenses and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Local Bonds and all other obligations secured by a lien on or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by Local Bond proceeds, monthly deposits or otherwise) at an amount equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Local Bonds and any such prior or parity obligations;

(iii) That the Governmental Agency shall complete the Project and operate and maintain the System in good condition;

(iv) That, except as otherwise required by State law or with the written consent of the Council and the Authority, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Local Bonds outstanding, with further restrictions on the disposition of portions of the System as are normally contained in such covenants;

(v) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by a lien on or payable from the revenues of the System prior to the Local Bonds and with the prior written consent of the Authority and the Council; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date hereof, without regard to the foregoing;

(vi) That the Governmental Agency will carry such insurance as is customarily carried with respect to works and properties similar to the System, including those specified by Section 2.8 hereof;

(vii) That the Governmental Agency will not render any free services of the System;

(viii) That the Authority may, by proper legal action, compel the performance of the duties of the Governmental Agency under the Local Act, including the making and collection of sufficient rates or charges for services rendered by the System, and shall also have, in the event of a default in payment of principal of or interest on the Local Bonds, the right to obtain the appointment of a receiver to administer the System or construction of the Project, or both, as provided by law;

(ix) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, all delinquent rates and charges, if not paid when due, shall become a lien on the premises served by the System;

(x) That, to the extent legally allowable, the Governmental Agency will not grant any franchise to provide any services which would compete with the System;

(xi) That the Governmental Agency shall annually cause the records of the System to be audited by an independent certified public accountant or independent public accountant and shall submit the report of said audit to the Authority and

the Council, which report shall include a statement that the Governmental Agency is in compliance with the terms and provisions of the Local Act and this Loan Agreement and that the Governmental Agency's revenues are adequate to meet its Operating Expenses and debt service and reserve requirements;

(xii) That the Governmental Agency shall annually adopt a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding fiscal year and shall submit a copy of such budget to the Authority and the Council within 30 days of adoption thereof;

(xiii) That, to the extent authorized by the laws of the State and the rules and regulations of the PSC, prospective users of the System shall be required to connect thereto;

(xiv) That the proceeds of the Local Bonds, advanced from time to time, must (a) be deposited in a construction fund, which, except as otherwise agreed to in writing by the Authority, shall be held separate and apart from all other funds of the Governmental Agency and on which the owners of the Local Bonds shall have a lien until such proceeds are applied to the construction of the Project (including the repayment of any incidental interim financing) and/or (b) be used to pay (or redeem) bond anticipation notes or other interim financing of such Governmental Agency, the proceeds of which were used to finance the construction of the Project; provided that, with the prior written consent of the Authority and the Council, the proceeds of the Local Bonds may be used to fund all or a portion of the Reserve Account, on which the owner of the Local Bonds shall have a lien as provided herein;

(xv) That, as long as the Authority is the owner of any of the Local Bonds, the Governmental Agency may not redeem any Local Bonds by it without the written consent of the Authority and the Council and otherwise in compliance with this Loan Agreement;

(xvi) That the West Virginia Municipal Bond Commission (the "Commission") shall serve as paying agent for the Local Bonds;

(xvii) That the Governmental Agency shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payment. The Governmental Agency shall complete the Monthly Payment Form, attached hereto as Exhibit D and incorporated herein by reference, and submit a copy of said form along with a copy of the check or electronic transfer to the Authority by the 5th day of such calendar month;

(xviii) That, unless it qualifies for an exception to the provisions of Section 148 of the Internal Revenue Code of 1986, as amended, which exception shall be

set forth in an opinion of bond counsel, the Governmental Agency will furnish to the Authority, annually, at such time as it is required to perform its rebate calculations under the Internal Revenue Code of 1986, as amended, a certificate with respect to its rebate calculations and, at any time, any additional information requested by the Authority;

(xix) That the Governmental Agency shall take any and all action, or shall refrain from taking any action regarding the use of the proceeds of the Local Bonds, as shall be deemed necessary by the Authority to maintain the exclusion from gross income for federal income tax purposes of interest on the State's general obligation bonds or any bonds secured by the Local Bonds;

(xx) That the Governmental Agency shall have obtained the certificate of the Consulting Engineer in the form attached hereto as Exhibit A, to the effect that the Project has been or will be constructed in accordance with the approved plans, specifications and design as submitted to the Authority and the Council, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority and the Council is sufficient to pay the costs of acquisition and construction of the Project and all permits required by federal and State laws for construction of the Project have been obtained;

(xxi) That the Governmental Agency shall, to the full extent permitted by applicable law and the rules and regulations of the PSC, terminate the services of any water facility owned by it to any customer of the System who is delinquent in payment of charges for services provided by the System and will not restore the services of the water facility until all delinquent charges for the services of the System have been fully paid or, if the water facility is not owned by the Governmental Agency, then the Governmental Agency shall enter into a termination agreement with the water provider;

(xxii) That the Governmental Agency shall furnish to the Authority such information with respect to earnings on all funds constituting "gross proceeds" of the Local Bonds (as that term is defined in the Internal Revenue Code of 1986, as amended) from time to time as the Authority may request;

(xxiii) That the Governmental Agency shall submit all proposed change orders to the Council for written approval. The Governmental Agency shall obtain the written approval of the Council before expending any proceeds of the Local Bonds held in "contingency" as set forth in the final Schedule B attached to the certificate of the Consulting Engineer. The Governmental Agency shall obtain the written approval of the Council before expending any proceeds of the Local Bonds available due to bid/construction/project underruns;

(xxiv) That the Governmental Agency shall list the funding provided by the Authority and the Council in any press release, publication, program bulletin, sign or other public communication that references the Project, including but not limited to

any program document distributed in conjunction with any groundbreaking or dedication of the Project; and

(xxv) That, unless it qualifies for an exception, the Governmental Agency shall comply with all the requirements of Chapter 21, Article 1C of the Code of West Virginia, 1931, as amended (the "West Virginia Jobs Act") and shall require its contractors and subcontractors to comply with the West Virginia Jobs Act. The Governmental Agency shall provide the Council and the Authority with a certificate stating that (I) the Governmental Agency will comply with all the requirements of the West Virginia Jobs Act; (II) the Governmental Agency has included the provisions of the West Virginia Jobs Act in each contract and subcontract for the Project; (III) the Governmental Agency has received or will receive, prior to entering into contracts or subcontracts, from each contractor or subcontractor a certificate demonstrating compliance with Section 4 of the West Virginia Jobs Act or waiver certificates from the West Virginia Division of Labor ("DOL"); and (IV) the Governmental Agency will file with the DOL and the Council copies of the waiver certificates and certified payrolls or comparable documents that include the number of employees, the county and state wherein the employees reside and their occupation, following the procedures established by the DOL. The monthly requisitions submitted to the Council shall also certify that the Governmental Agency is monitoring compliance by its contractors and subcontractors and that the required information has been submitted.

The Governmental Agency hereby represents and warrants that the Local Act has been or shall be duly adopted in compliance with all necessary corporate and other action and in accordance with applicable provisions of law. All legal matters incident to the authorization, issuance, validity, sale and delivery of the Local Bonds shall be approved without qualification by recognized bond counsel acceptable to the Authority in substantially the form of legal opinion attached hereto as Exhibit B.

4.2 The Loan shall be secured by the pledge and assignment by the Governmental Agency, as effected by the Local Act, of the fees, charges and other revenues of the Governmental Agency from the System as further set forth by and subject only to such reservations and exceptions as are described in Schedules X and Y hereto or are otherwise expressly permitted in writing by the Authority and the Council.

4.3 The principal of the Loan shall be repaid by the Governmental Agency on the days and in the years provided in Schedule X hereto. Interest payments on the Loan shall be made by the Governmental Agency on a quarterly basis as provided in said Schedule X.

4.4 The Loan shall bear interest from the date and at the rate or rates per annum set forth on Schedule X hereto. In no event shall the interest rate on or the net interest cost of the Local Bonds exceed any statutory limitation with regard thereto.

4.5 The Local Bonds shall be delivered to the Authority in fully registered form, transferable and exchangeable as provided in the Local Act at the expense of the Governmental Agency. Anything to the contrary herein notwithstanding, the Local Bonds may be issued in one or more series, as reflected by Schedule X hereto.

4.6 The Governmental Agency agrees to expend the net proceeds of the Local Bonds for the Project within 3 years of the issuance of the bonds which are the source of money used to purchase the Local Bonds, unless otherwise agreed to by the Council.

ARTICLE V

Certain Covenants of the Governmental Agency; Imposition and Collection of User Charges; Payments To Be Made by Governmental Agency to the Authority

5.1 The Governmental Agency hereby irrevocably covenants and agrees to comply with all of the terms, conditions and requirements of this Loan Agreement and the Local Act. The Governmental Agency hereby further irrevocably covenants and agrees that, as one of the conditions of the Authority to make the Loan, it has fixed and collected, or will fix and collect, the rates, fees and other charges for the use of the System and will take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and in compliance with the provisions of Subsections 4.1(a) and 4.1(b)(ii) hereof.

5.2 In the event, for any reason, the schedule of rates, fees and charges initially established for the System in connection with the Local Bonds shall prove to be insufficient to produce the required sums set forth in the Local Act and this Loan Agreement, the Governmental Agency hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges (or where applicable, immediately file with the PSC for a rate increase) and take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Local Act and this Loan Agreement.

5.3 In the event the Governmental Agency defaults in the payment due to the Authority pursuant to this Loan Agreement, the amount of such default shall bear interest at the interest rate of the installment of the Loan next due, from the date of the default until the date of the payment thereof.

5.4 The Governmental Agency hereby irrevocably covenants and agrees with the Authority that, in the event of any default hereunder by the Governmental Agency, the Authority may exercise any or all of the rights and powers granted under the Act and State law, including, without limitation, the right to an appointment of a receiver.

In the event the Governmental Agency fails to make any such rebates as required, then the Governmental Agency shall pay any and all penalties, obtain a waiver from the Internal Revenue Service and take any other actions necessary or desirable to preserve the exclusion from gross income for federal income tax purposes of interest on the Local Bonds.

6.3 Notwithstanding Section 6.2, the Authority may at any time, in its sole discretion, cause the rebate calculations prepared by or on behalf of the Governmental Agency to be monitored or cause the rebate calculations for the Governmental Agency to be prepared, in either case at the expense of the Governmental Agency.

6.4 The Governmental Agency hereby agrees to give the Authority and the Council prior written notice of the issuance by it of any other obligations to be used for the System, payable from the revenues of the System or from any grants for the Project or otherwise related to the Project or the System.

6.5 The Governmental Agency hereby agrees to file with the Authority and the Council upon completion of acquisition and construction of the Project a schedule in substantially the form of Amended Schedule B to the Application, setting forth the actual costs of the Project and sources of funds therefor.

Charleston, West Virginia 25301

West Virginia Water Development Authority

Charleston, West Virginia 25311

Ladies and Gentlemen:

We are bond counsel to _____ (the "Governmental Agency"), a _____.

We have examined a certified copy of proceedings and other papers relating to the authorization of (i) a loan agreement dated _____, _____, including all schedules and exhibits attached thereto (the "Loan Agreement"), between the Governmental Agency and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and (ii) the issue of a series of revenue bonds of the Governmental Agency, dated _____, _____ (the "Local Bonds"), to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Local Bonds are issued in the principal amount of $_____, in the form of one bond, registered as to principal and interest to the Authority, with interest and principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, beginning _____, 1, _____, and ending _____, 1, _____, as set forth in the "Schedule Y" attached to the Loan Agreement and incorporated in and made a part of the Local Bonds.

The Local Bonds are issued for the purposes of (i) _____, and (ii) paying certain issuance and other costs in connection therewith.

We have also examined the applicable provisions of _____ of the Code of West Virginia, 1931, as amended (the "Local Statute"), and the bond _____ duly adopted or enacted by the Governmental Agency on _____, as supplemented by the supplemental resolution duly adopted by the Governmental Agency on _____ (collectively, the "Local Act"), pursuant to and under which Local Statute and Local Act the Local Bonds are authorized and issued, and the Loan Agreement has been undertaken. The Local Bonds are subject to redemption prior

to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Local Act and the Loan Agreement.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion as follows:

1. The Loan Agreement has been duly authorized by and executed on behalf of the Governmental Agency and is a valid and binding special obligation of the Governmental Agency, enforceable in accordance with the terms thereof.

2. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority or the Council or diminish the obligations of the Governmental Agency without the consent of the Authority and the Council.

3. The Governmental Agency is a duly organized and validly existing _____, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt or enact the Local Act and to issue and sell the Local Bonds, all under the Local Statute and other applicable provisions of law.

4. The Local Act and all other necessary orders and resolutions have been legally and effectively adopted or enacted by the Governmental Agency and constitute valid and binding obligations of the Governmental Agency, enforceable against the Governmental Agency in accordance with their terms. The Local Act contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Local Bonds have been duly authorized, issued, executed and delivered by the Governmental Agency to the Authority and are valid, legally enforceable and binding special obligations of the Governmental Agency, payable from the net or gross revenues of the System set forth in the Local Act and secured by a first lien on and pledge of the net or gross revenues of the System, all in accordance with the terms of the Local Bonds and the Local Act.

6. The Local Bonds are, by statute, exempt _____, and under existing statutes and court decisions of the United States of America, as presently written and applied, the interest on the Local Bonds is excludable from the gross income of the recipients thereof for federal income tax purposes.

No opinion is given herein as to the effect upon enforceability of the Local Bonds of bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights or in the exercise of judicial discretion in appropriate cases.

We have examined the executed and authenticated Local Bond numbered R-1, and in our opinion the form of said bond and its execution and authentication are regular and proper.

Very truly yours,

This is the incremental amount for the Budget Year-to-Date column.

Item 2 — Provide the amount of actual **Operating Expenses** for the current month and the total amount year-to-date in the respective columns. Any administrative fee should be included in the Operating Expenses. Divide the budgeted annual Operating Expenses by 12. Item 4 — Provide the amount deposited into the **Renewal and Replacement Fund** each month. This amount is equal to 2.5% of Gross Revenues minus the total reserve account payments included in Item 3. If Gross Revenues are $1,200, then $30 (2.5% of $1,200), LESS the amount of all reserve account payments in Item 3 should be deposited into the Renewal and Replacement Fund. The money in the Renewal and Replacement Fund should be kept separate and apart from all other funds of the Governmental Agency.

BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF HUTTONSVILLE PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A and Chapter 31, Article 15A of

the Code of West Virginia, 1931, as amended (collectively, the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Huttonsville Public Service District (the "Issuer") is a public service district, public corporation and political subdivision of the State of West Virginia in Randolph County of said State.

B. The Issuer presently owns and operates a public sewerage system. However, it is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be acquired and constructed certain improvements and extensions to the existing public sewer facilities of the Issuer, consisting of the replacement of the old Valley Water collection system and its connection to the Issuer's wastewater treatment plant, and the upgrade and enlargement of the existing treatment plant, together with all appurtenant facilities (collectively, the "Project"), which constitute public service properties for the collection, treatment, purification or disposal of liquid or solid wastes, sewage or industrial wastes (the existing sewer facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System"), in accordance with the plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed with the Issuer.

C. The Issuer has heretofore issued its Sewerage System Design Notes, Series 2002 A (West Virginia Infrastructure Fund), dated May 30, 2002, in the original principal amount of $200,000 (the "Notes"), to temporarily finance a portion of the costs of design of the Project. The Notes are secured by a first lien on the proceeds of any revenue bonds, refunding bonds or other obligations of the Issuer, issued subsequent to the issuance of the Notes. The Issuer hereby determines that it is in its best interest to pay the entire outstanding principal of and all interest and administrative fees on the Notes in full with proceeds of the Series 2003 A Bonds (hereinafter defined) on the date of issuance thereof.

D. The Issuer intends to permanently finance a portion of the costs of acquisition and construction of the Project and the costs of refunding the Notes through the issuance of its revenue bonds to the United States of America, United States Department of Agriculture, Rural Utilities Service (the "Government") and the West Virginia Water Development Authority (the "Authority"), in connection with the West Virginia Infrastructure Fund administered by the Authority pursuant to the Act.

E. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds in the total aggregate principal amount of not more than $4,484,000, in two series

(collectively, the "Series 2003 Bonds"), being the Sewer Revenue Bonds, Series 2003 A (West Virginia Infrastructure Fund), in the aggregate principal amount of not more than $3,934,000 (the "Series 2003 A Bonds"), and the Sewer Revenue Bonds, Series 2003 B (United States Department of Agriculture), in the aggregate principal amount of not more than $550,000 (the "Series 2003 B Bonds"), to permanently finance a portion of the costs of acquisition and construction of the Project and to pay the Notes in full. The remaining costs of the Project shall be funded from the sources set forth in Section 2.01 hereof. Such costs shall be deemed to include the cost of acquisition and construction of any public service properties and any improvements and extensions thereto, the cost of all property rights, easements and franchises deemed necessary or convenient therefor; interest, if any, on the Series 2003 Bonds prior to and during acquisition and construction of the Project and for a period not exceeding 6 months after completion of acquisition and construction of the Project; amounts which may be deposited in the respective Reserve Account for the Series 2003 Bonds (as hereinafter defined); the costs of refunding the Notes; engineering and legal expenses; expenses for estimates of costs and revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, commitment fees, fees and expenses of the Authority, discount, initial fees for the services of registrars, paying agents, depositories or trustees or other costs in connection with the sale of the Series 2003 Bonds and such other expenses as may be necessary or incidental to the financing herein authorized, the acquisition or construction of the Project and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof; provided, that reimbursement to the Issuer for any amounts expended by it for allowable costs prior to the issuance of the Series 2003 Bonds or the repayment of indebtedness incurred by the Issuer for such purposes shall be deemed Costs of the Project, as hereinafter defined.

F. The period of usefulness of the System after completion of the Project is not less than 40 years.

G. It is in the best interests of the Issuer that (i) the Series 2003 A Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement by and between the Issuer and the Authority, on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), in form satisfactory to the respective parties (the "Loan Agreement"), approved hereby if not previously approved by resolution of the Issuer, and (ii) the Series 2003 B Bonds be sold to the Government pursuant to the terms and provisions of the Letter of Conditions (as hereinafter defined).

H. There are outstanding obligations of the Issuer which will rank on a parity with the Series 2003 Bonds as to liens, pledge, source of and security for payment, being the Sewer Revenue Bonds, Series 1984 B, dated February 28, 1984, issued in the original principal

amount of $144,089, and the Sewer Refunding Revenue Bonds, Series 2001 A, dated September 13, 2001, issued in the original principal amount of $356,000 (collectively, the "Prior Bonds").

The Series 2003 Bonds shall be issued on a parity with the Prior Bonds with respect to liens, pledge and source of and security for payment and in all other respects. Prior to the issuance of the Series 2003 Bonds, the Issuer will obtain (i) the certificate of an Independent Certified Public Accountant stating that the coverage and parity tests of the Prior Bonds are met; and (ii) the written consent of the Registered Owner of the Prior Bonds to the issuance of the Series 2003 Bonds on a parity with the Prior Bonds. Following the refunding of the Notes and other than the Prior Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

I. The estimated revenues to be derived in each year following completion of the Project from the operation of the System will be sufficient to pay all Operating Expenses of the System, the principal of and interest, if any, on the Series 2003 Bonds and the Prior Bonds and all funds and accounts and other payments provided for herein.

J. The Issuer has complied with all requirements of West Virginia law and the Loan Agreement relating to authorization of the acquisition, construction and operation of the Project and the System, the refunding of the Notes and the issuance of the Series 2003 Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the Project and the financing thereof by the Council and the obtaining of a certificate of public convenience and necessity and approval of this financing and necessary user rates and charges described herein from the Public Service Commission of West Virginia (the "PSC") by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2003 Bonds or such final order will not be subject to appeal or rehearing.

K. The Project has been reviewed and determined to be technically and financially feasible by the Council as required under Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Series 2003 Bonds by those who shall be the Registered Owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owners, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Registered Owners of any and all of such Series 2003 Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond of a series and any

No such Bonds shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Legislation unless and until the Certificate of Authentication and Registration on such Bond, substantially in the form set forth in Section 3.10 hereof, shall have been manually executed by the Bond Registrar. Any such executed Certificate of Authentication and Registration upon any such Bond shall be conclusive evidence that such Bond has been authenticated, registered and delivered under this Bond Legislation. Subject to the provisions for transfer of registration set forth below, the Series 2003 Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Registered Owner, in accepting the Series 2003 Bonds shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Registered Owner shall further be conclusively deemed to have agreed that such Bonds shall be incontestable in the hands of a bona fide holder for value.

So long as the Series 2003 Bonds remain outstanding, the Issuer, through the Bond Registrar as its agent, shall keep and maintain books for the registration and transfer of the Bonds.

The registered Series 2003 Bonds shall be transferable only upon the books of the Bond Registrar, by the Registered Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto, together with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the Registered Owner or his duly authorized attorney.

In all cases in which the privilege of exchanging Series 2003 Bonds or transferring the registered Series 2003 Bonds is exercised, all such Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All such Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Bond Registrar. For every such exchange or transfer of such Bonds, the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Bond Registrar incurred in connection therewith, which sum or sums shall be paid by the Issuer. The Bond Registrar shall not be obliged to make any such exchange or transfer of Bonds during the period commencing on the 15th day of the month next preceding an interest payment date on such Bonds or, in the case of any proposed redemption of such Bonds, next preceding the date of the selection of Bonds to be redeemed, and ending on such interest payment date or redemption date.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Series 2003 Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may, in its discretion, issue, and the Bond Registrar shall, if so advised by the Issuer, authenticate and deliver, a new Bond of the same series and of like tenor as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Registered Owner's furnishing satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer and the Bond Registrar may incur. All Bonds so surrendered shall be cancelled by the Bond Registrar and held for the account of the Issuer. If any such Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender thereof.

Section 3.07. Bonds not to be Indebtedness of the Issuer. The Series 2003 Bonds shall not, in any event, be or constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be payable solely from the Net Revenues derived from the operation of the System as herein provided. No Registered Owner of such Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay such Bonds or the interest, if any, thereon.

Section 3.08. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service of the Series 2003 A Bonds and the Series 2003 B Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues, on a parity with the lien on the Net Revenues in favor of the Registered Owners of the Prior Bonds. Such Net Revenues in an amount sufficient to pay the principal of and interest, if any, on and other payments for the Series 2003 Bonds and the Prior

Bonds and to make all other payments provided for in the Bond Legislation and the Prior Resolutions, are hereby irrevocably pledged to such payments as they become due.

Section 3.09. Delivery of Bonds. A. The Issuer shall execute and deliver the Series 2003 A Bonds to the Bond Registrar, and the Bond Registrar shall authenticate, register and deliver the Series 2003 A Bonds to the original purchasers upon receipt of a request and authorization to the Bond Registrar on behalf of the Issuer, signed by an Authorized Officer, to authenticate and deliver such Bonds to the original purchasers.

B. The Issuer shall execute and deliver the Series 2003 B Bonds to the Government as soon as the Government will accept such delivery.

Section 3.10. Form of Bonds. The text of each series of the Series 2003 Bonds shall be in substantially the following form, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted hereby, or by any Supplemental Resolution adopted prior to the issuance thereof:

This Bond may be redeemed prior to its stated date of maturity in whole or in part, but only with the express written consent of the Authority and the West Virginia Infrastructure and Jobs Development Council (the "Council"), and upon the terms and conditions prescribed by, and otherwise in compliance with, the Loan Agreement by and between the Issuer and the Authority, on behalf of the Council, dated _____, 200__.

This Bond is issued (i) to pay in full the entire outstanding principal of and all interest and administrative fees on the Issuer's Sewerage System Design Notes, Series 2002 A (West Virginia Infrastructure Fund) (the "Notes"); (ii) to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public

sewer facilities of the Issuer (the "Project"); and (iii) to pay certain costs of issuance of this Bond and related costs. The existing public sewer facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System." Subject to the registration requirements set forth herein, this Bond, under the provision of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

FOR VALUE RECEIVED, HUTTONSVILLE PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Randolph County of said State (the "Issuer"), promises to pay to the order of the UNITED STATES OF AMERICA (the "Government"), at its National Finance Office, 1520 Market Street, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, and in the manner provided below, the principal sum of _____ _____ DOLLARS ($_____), or such lesser amount as is set forth on the Record of Advances attached hereto and incorporated herein by reference, plus interest on the unpaid principal balance at the rate of _____% per annum.

The principal of and interest on this Bond shall be paid in the following installments on the following dates: Monthly installments of interest only on the amounts advanced hereunder, commencing 30 days following the date of delivery of this Bond and continuing on the corresponding day of each month thereafter for the first 24 months after the date hereof, and thereafter, on the corresponding day of each month in installments of principal and interest in the aggregate amount of $_____, except that the final installment shall be paid at the end of 40 years from the date of this Bond in the sum of the unpaid principal and interest due on the date thereof and except that prepayments may be made as provided below. This consideration shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to the Issuer as requested by the Issuer and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of the Issuer. Extra payments, as defined in the regulations of the

Government, shall, after payment of interest, be applied to the installment last to come due under this Bond and shall not affect the obligation of the Issuer to pay the remaining installments as scheduled herein.

Any amount advanced or expended by the Government for the collection hereof, or to preserve or to protect any security therefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government, shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by the Issuer to the Government without demand. The Issuer agrees to use the loan evidenced hereby solely for purposes authorized by the Government. The Issuer has granted to the Government a lien on the proceeds of this Bond until such proceeds are expended for authorized purposes.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public sewer facilities of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of this Bond and related costs. The existing public sewer facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System". This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (the "Act"), a Bond Resolution duly adopted by the Issuer on _____, 200_, and a Supplemental Resolution duly adopted by the Issuer on _____, 200__(collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the System, on a parity with the pledge of Net Revenues in favor of the registered owners of the Prior Bonds and the Series 2003 A Bonds, and from moneys in the reserve account created under the Bond Legislation for this Bond (the "Series 2003 B Bonds Reserve Account") and unexpended proceeds of this Bond. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest hereon, except from said special fund provided from the Net Revenues, the moneys in the Series 2003 B Bonds Reserve Account and unexpended proceeds of this Bond. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates or charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount of principal of and interest on this Bond payable in any year and all other obligations secured by a lien or payable from such revenues on a parity with this Bond, including the Prior Bonds and the Series 2003 A Bonds; provided however, that so long as there exists in the Series 2003 B Bonds Reserve Account, an amount at least equal to the maximum amount of principal and interest which will become due on this Bond in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with this Bond, including the Prior Bonds and the Series 2003 A Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order of priority:

(1) The Issuer shall first, each month, pay from the Revenue Fund all current Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) remit to the Paying Agent of the Series 2001 A Bonds for deposit in the Series 2001 A Bonds Sinking Fund, the amount required by the Prior Resolutions for payment of the interest on the Series 2001 A Bonds; and (ii) remit to the National Finance Office for deposit in Series 2003 B Bonds Sinking Fund hereby established at the National Finance Office, the amount of interest due as set forth in the Series 2003 B Bonds.

All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, repairs, improvements or extensions to the System; provided that, any deficiencies in any Reserve Account, except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof, shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

Moneys in the Series 2003 A Bonds Sinking Fund and the Series 2003 B Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest, if any, on the Series 2003 Bonds, respectively, as the same shall become due. Moneys in the Series 2003 A Bonds Reserve Account and the Series 2003 B Bonds Reserve Account shall be used only for the purposes of paying principal of and interest, if any, on the Series 2003 Bonds, respectively, as the same shall come due, when other moneys in the respective Sinking Funds are insufficient therefor, and for no other purpose.

All investment earnings on moneys in the Series 2003 A Bonds Reserve Account and the Series 2003 B Bonds Reserve Account (if fully funded) shall be returned, not less than once each year, by the Commission to the Issuer, and such amounts shall, during construction of the Project, be deposited in the Series 2003 Bonds Construction Trust Fund, and following completion of construction of the Project, shall be deposited in the Revenue Fund and applied in full, first to the next ensuing interest payment, if any, due on the Series 2003 Bonds, respectively, and then to the next ensuing principal payment due thereon, all on a pro rata basis.

Any withdrawals from the Series 2003 A Bonds Reserve Account or

the Series 2003 B Bonds Reserve Account which result in a reduction in the balance therein to below the respective Reserve Requirement shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2003 Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement therefor.

The Issuer shall not be required to make any further payments into the respective Sinking Fund or the Reserve Account for the Series 2003 Bonds when the aggregate amount of funds therein are at least equal to the respective aggregate principal amount of the Series 2003 Bonds issued pursuant to this Bond Legislation then Outstanding and all interest, if any, to accrue until the maturity thereof.

Interest, principal or reserve account payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 2003 Bonds and the Prior Bonds, in accordance with the respective principal amounts then Outstanding.

The Commission is hereby designated as the fiscal agent for the administration of the Series 2003 A Bonds Sinking Fund, the Series 2003 A Bonds Reserve Account and the Series 2003 B Bonds Reserve Account created hereunder, and all amounts required for such accounts shall be remitted to the Commission from the Revenue Fund by the Issuer at the times provided herein. If required by the Authority or the Government at any time, the Issuer shall make the necessary arrangements whereby required payments into such accounts shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required hereunder.

Moneys in the Series 2003 A Bonds Sinking Fund, the Series 2003 A Bonds Reserve Account and the Series 2003 B Bonds Reserve Account shall be invested and reinvested by the Commission in accordance with Section 8.01 hereof.

The respective Sinking Fund and the Reserve Account for the Series 2003 Bonds shall be used solely and only for, and are hereby pledged for, the purpose of servicing the Series 2003 Bonds, respectively, under the conditions and restrictions set forth herein.

B. The Issuer shall on the first day of each month (if the first day is not a business day, then the first business day of each month) deposit with the Commission the required interest, principal and reserve account payments and all such payments shall be

remitted to the Commission with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Bond Legislation. All remittances made by the Issuer to the Commission shall clearly identify the fund or account into which each amount is to be deposited.

C. The Issuer shall complete the "Monthly Payment Form," a form of which is attached to the Loan Agreement, and submit a copy of said form, together with a copy of its payment check to the Authority by the 5th day of such calendar month.

D. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

E. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the respective parties shall require, such additional sums as shall be necessary to pay their respective charges and fees then due. In the case of payments to the Commission under this paragraph, the Issuer shall, if required by the Authority or the Government at any time, make the necessary arrangements whereby such required payments shall be automatically debited from the Revenue Fund and electronically transferred to the Commission on the dates required.

F. The moneys in excess of the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

G. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

H. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

E. Next, from the proceeds of the Series 2003 A Bonds, there shall be paid to the Commission, the amount set forth in the Supplemental Resolution for paying in full the entire outstanding principal of and all accrued interest and administrative fees on the Notes.

F. As the Issuer receives advances of the remaining moneys derived from the sale of the Series 2003 A Bonds, such moneys shall be deposited with the Depository Bank in the Series 2003 Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2003 A Bonds.

G. As the Issuer receives advances of the remaining moneys derived from the sale of the Series 2003 B Bonds, such moneys shall be deposited with the Depository Bank in the Series 2003 Bonds Construction Trust Fund and applied solely to payment of costs of the Project in the manner set forth in Section 6.02 and until so expended, are hereby pledged as additional security for the Series 2003 B Bonds.

H. After completion of construction of the Project, as certified by the Consulting Engineers, and all costs have been paid, any remaining proceeds of the Series 2003 A Bonds shall be expended as directed by the Council and any remaining proceeds of the Series 2003 B Bonds shall be expended as directed by the Government.

Section 6.02. Disbursements From the Bond Construction Trust Fund.

A. The Issuer shall each month provide the Council with a requisition for the costs incurred for the Project, together with such documentation as the Council shall require. Payments of all costs of the Project shall be made monthly.

Except as provided in Section 6.01 hereof, disbursements of proceeds of the Series 2003 A Bonds from the Series 2003 Bonds Construction Trust Fund shall be made only after submission to and approval from the Council of a certificate, signed by an Authorized Officer and the Consulting Engineers, stating that:

(a) None of the items for which the payment is proposed to be made has formed the basis for any disbursement theretofore made;

(b) Each item for which the payment is proposed to be made is or was necessary in connection with the Project and constitutes a cost of the Project;

(c) Each of such costs has been otherwise properly incurred; and

(d) Payment for each of the items proposed is then due and owing.

The Issuer shall expend all proceeds of the Series 2003 A Bonds within 3 years of the date of issuance of the Council's bonds, the proceeds of which were used to make the loan to the Issuer.

B. The proceeds of the Series 2003 B Bonds in the Series 2003 Bonds Construction Trust Fund shall be used solely to pay the cost of acquisition and construction of the Project upon vouchers and other documentation approved by the Government.

Pending such application, moneys in the Series 2003 Bonds Construction Trust Fund shall be invested and reinvested in Qualified Investments at the written direction of the Issuer.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Registered Owner of the Series 2003 Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Registered Owner of the Series 2003 Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as the Series 2003 Bonds or the interest, if any, thereon are Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2003 Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Registered Owner of the Series 2003 Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2003 Bonds or the interest, if any, thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Position with respect to Prior Bonds. The payment of the debt service of the Series 2003 A Bonds and the Series 2003 B Bonds shall be secured forthwith equally and ratably with each other by a first lien on the Net Revenues, on a parity with the lien on the Net Revenues in favor of the Registered Owners of the Prior Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest, if any, on the Series 2003 Bonds and the Prior Bonds and to make the payments into all funds and accounts and all other payments provided for in the Bond Legislation and the Prior Resolutions are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in the Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Loan Agreement. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth in and approved by the PSC Order and such rates are hereby adopted.

So long as the Series 2003 Bonds are Outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and in compliance with the Loan Agreement. In the event the schedule of rates, fees and charges initially established for the System in connection with the Series 2003 Bonds shall prove to be insufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates, fees and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation and the Loan Agreement.

Section 7.05. Sale of the System. So long as the Prior Bonds are Outstanding, the System may not be sold, transferred, mortgaged, leased or otherwise disposed of, except in accordance with the terms of the Prior Resolutions. Additionally, so long as the Series 2003 Bonds are Outstanding and except as otherwise required by law or with the written consent of the Council, the Authority and the Government, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall, with respect to the Series 2003 Bonds, be remitted to the respective Sinking Funds and applied to the payment of principal of and interest, if any, on the Series 2003 Bonds. Any balance remaining after the payment of the Series 2003 Bonds and interest, if any, thereon shall be remitted to the Issuer unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $10,000, the Issuer shall, by resolution duly adopted, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $10,000 but not in excess of $50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other

disposition of such property in accordance with the laws of the State. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. The payment of such proceeds into the Renewal and Replacement Fund shall not reduce the amount required to be paid into said fund by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Registered Owners of the Bonds then Outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Registered Owners of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any obligations whatsoever payable from the revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2003 Bonds. All obligations issued by the Issuer after the issuance of the Series 2003 Bonds and payable from the revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on, pledge and source of and security for payment from such revenues and in all other respects, to the Series 2003 Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2003 Bonds, and the interest thereon, if any, upon any or all of the income and revenues of the System pledged for payment of the Series 2003 Bonds and the interest thereon, if any, in this Bond Legislation, or upon the System or any part thereof.

The Issuer shall give the Authority, the Council and the Government prior written notice of its issuance of any other obligations to be used for the System, payable from the revenues of the System or from any grants, or any other obligations related to the Project or the System.

Section 7.07. Parity Bonds. So long as the Prior Bonds are Outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolutions shall be applicable. In addition, no Parity Bonds, payable out of the revenues of the System, shall be

issued after the issuance of the Series 2003 Bonds pursuant to this Bond Legislation, except with the prior written consent of the Authority, the Council and the Government under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2003 Bonds.

No such Parity Bonds shall be issued except for the purposes of financing the costs of the design, acquisition or construction of extensions and improvements to the System or refunding any Outstanding Bonds, or both such purposes.

So long as the Series 2003 B Bonds are Outstanding, no Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues for the Fiscal Year following the year in which such Parity Bonds are to be issued shall be at least 120% of the average annual debt service requirements on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The foregoing limitation may be waived or modified by the written consent of the Registered Owners of the Series 2003 B Bonds, representing 75% of the then-outstanding principal indebtedness. In the event the foregoing limitation is waived or when the Series 2003 B Bonds are no longer Outstanding, the following parity requirement shall be met:

No Parity Bonds shall be issued at any time, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest, if any, on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer and approved by the PSC, the period for appeal of which has expired prior to the date of issuance of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Bond Legislation (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Registered Owners of the Bonds and the Registered Owners of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the outstanding Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section, equally, as to lien on and source of and security for payment from such revenues, with the Series 2003 Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. The Issuer shall keep complete and accurate records of the cost of acquiring the Project site and the costs of acquiring, constructing and installing the Project. The Issuer shall permit the Authority, the Council and the Government, or their agents and representatives, to inspect all books, documents, papers and records relating to the Project and the System at all reasonable times for the purpose of audit and examination. The Issuer shall submit to the Authority, the Council and the Government such documents and information as they may reasonably require in connection with the acquisition, construction and installation of the Project, the operation and maintenance of the System and the administration of the loan or any State and federal grants or other sources of financing for the Project.

The Issuer shall permit the Authority, the Council and the Government, or their agents and representatives, to inspect all records pertaining to the operation and maintenance of the System at all reasonable times following completion of construction of the Project and commencement of operation thereof, or, if the Project is an improvement to an existing system, at any reasonable time following commencement of construction.

The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Registered Owner of the Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the PSC. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

The Issuer shall file with the Council, the Authority, the Government, or any other original purchaser of the Series 2003 Bonds, and shall mail in each year to any Registered Owner of the Series 2003 Bonds, requesting the same, an annual report containing the following:

(A) A statement of Gross Revenues, Operating Expenses, Net Revenues and Surplus Revenues derived from and relating to the System.

(B) A balance sheet statement showing all deposits in all the funds and accounts provided for in this Bond Legislation, and the status of all said funds and accounts.

(C) The amount of any Bonds, notes or other obligations outstanding.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by Independent Certified Public Accountants in compliance with the applicable OMB Circular, or any successor thereto, and the Single Audit Act, or any successor thereto, to the extent legally required, and shall mail upon request, and make available generally, the report of the Independent Certified Public Accountants, or a summary thereof, to any Registered Owner of the Series 2003 Bonds, and shall submit said report to the Council, the Authority and the Government, or any other original purchaser of the Series 2003 Bonds. Such audit report submitted to the Authority, the Council and the Government shall include a statement that the Issuer is in compliance with the terms and provisions of the Act, the Loan Agreement and this Bond Legislation and that the revenues of the System are adequate to meet the Operating Expenses and debt service and reserve requirements.

Subject to the terms, conditions and provisions of the Loan Agreement and the Act, the Issuer has acquired, or shall do all things necessary to acquire, the proposed site of the Project and shall do, is doing or has done all things necessary to construct the Project in accordance with the plans, specifications and designs prepared by the Consulting Engineers. All real estate and interests in real estate and all personal property constituting the Project and the Project site heretofore or hereafter acquired shall at all times be and remain the property of the Issuer.

The Issuer shall permit the Authority, the Council and the Government, or their agents and representatives, to enter and inspect the Project site and Project facilities at all reasonable times. Prior to, during and after completion of construction and commencement of operation of the Project, the Issuer shall also provide the Authority, the Council and the Government, or their agents and representatives, with access to the System site and System facilities as may be reasonably necessary to accomplish all of the powers and rights of the Authority, the Council and the Government with respect to the System pursuant to the Act.

Section 7.09. Rates. Prior to the issuance of the Series 2003 Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2003 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2003 Bonds, including the Prior Bonds; provided that, in the event that amounts equal to or in excess of the reserve requirements are on deposit respectively in the Reserve Accounts for the Series 2003 Bonds and the reserve accounts for obligations on a parity with the Series 2003 Bonds, including the Prior Bonds, are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest, if any, on the Series 2003 Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2003 Bonds, including the Prior Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget and Monthly Financial Report. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Authority, the Council and the Government within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for

operation and maintenance to the Authority, the Council and the Government and to any Registered Owner of any Bonds, within 30 days of adoption thereof, and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to the Authority, the Council and the Government and to any Registered Owner of any Bonds, or anyone acting for and in behalf of such Registered Owner of any Bonds.

Commencing on the date contracts are executed for the acquisition and construction of the Project and for two years following the completion of the Project, the Issuer shall each month complete a "Monthly Financial Report," a form of which is attached to the Loan Agreement, and forward a copy of such report to the Authority and the Council by the 10th day of each month.

Section 7.11. Engineering Services and Operating Personnel. The Issuer will obtain a certificate of the Consulting Engineers in the form attached to the Loan Agreement, certifying, among other things, that the Project has been or will be constructed in accordance with the approved plans, specifications and designs as submitted to the Authority, the Council and the Government, the Project is adequate for the purposes for which it was designed, the funding plan as submitted to the Authority, the Council and the Government is sufficient to pay the costs of acquisition and construction of the Project, and all permits required by federal and state laws for construction of the Project have been obtained.

The Issuer shall provide and maintain competent and adequate engineering services satisfactory to the Authority, the Council and the Government covering the supervision and inspection of the development and construction of the Project, and bearing the responsibility of assuring that construction conforms to the plans, specifications and designs prepared by the Consulting Engineers, which have been approved by all necessary governmental bodies. Such engineer shall certify to the Authority, the Council, the Government and the Issuer at the completion of construction that construction of the Project is in accordance with the approved plans, specifications and designs, or amendments thereto, approved by all necessary governmental bodies.

The Issuer shall employ qualified operating personnel properly certified by the State to operate the System during the entire term of the Loan Agreement.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by the Act, the rules and regulations of the PSC and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 20 days after the same shall become due and payable, the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the PSC, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the PSC, discontinue and shut off the services of the System and any services and facilities of the water system, if so owned by the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law. If the water facilities are not owned by the Issuer, the Issuer shall enter into a termination agreement with the water provider, subject to any required approval of such agreement by the PSC and all rules, regulations and orders of the PSC.

Section 7.14. No Free Services. Except as required by law, the Issuer will not render or cause to be rendered any free services of any nature by the System, nor will any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance and Construction Bonds. A. The Issuer hereby covenants and agrees that so long as the Bonds remain Outstanding, the Issuer will, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for the Renewal and Replacement Fund. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder's risk insurance (fire and extended coverage) to protect the interests of the Issuer, the Authority, the prime contractor and all subcontractors as their respective interests may appear, in accordance with the Loan Agreement, during construction of the Project on a 100% basis (completed value form) on the insurable portion of the Project, such insurance to be made payable to the order of the Authority, the Issuer, the contractors and subcontractors, as their interests may appear.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(4) FLOOD INSURANCE, if the facilities of the System are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided as to every officer, member and employee of the Issuer or the Governing Body having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

B. The Issuer shall require all contractors engaged in the construction of the Project to furnish a performance bond and a payment bond, each in an amount equal to 100% of the contract price of the portion of the Project covered by the particular contract as security for the faithful performance of such contract. The Issuer shall verify such bonds prior to commencement of construction.

The Issuer shall also require all contractors engaged in the construction of the Project to carry such worker's compensation coverage for all employees working on the Project and public liability insurance, vehicular liability insurance and property damage insurance in amounts adequate for such purposes and as is customarily carried with respect to works and properties similar to the Project; provided that the amounts and terms of such coverage are satisfactory to the Authority, the Council and the Government. In the event the Loan Agreement so requires, such insurance shall be made payable to the order of the Authority, the Issuer, the prime contractor and all subcontractors, as their interests may appear. The Issuer shall verify such insurance prior to commencement of construction.

Section 7.16. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the PSC, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation by such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Completion and Operation of Project; Permits and Orders. The Issuer shall complete the Project as promptly as possible and operate and maintain the System

as a revenue-producing utility in good condition and in compliance with all federal and State requirements and standards.

Section 7.18. [Reserved]

Section 7.19. Statutory Mortgage Lien. For the further protection of the Registered Owner of the Series 2003 Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2003 Bonds; provided however, that the statutory mortgage lien of the Series 2003 Bonds shall be on a parity with the statutory mortgage lien of the Prior Bonds.

Section 7.20. Compliance with Letter of Conditions, Loan Agreement and Law. The Issuer shall perform, satisfy and comply with all the terms and conditions of the Letter of Conditions, the Loan Agreement and the Act. Notwithstanding anything herein to the contrary, the Issuer shall provide the Council with copies of all documents submitted to the Authority.

The Issuer shall also comply with all applicable laws, rules and regulations issued by the Authority, the Council, the Government or other State, federal or local bodies in regard to the acquisition and construction of the Project and the operation, maintenance and use of the System.

Section 7.21. Securities Laws Compliance. The Issuer will provide the Authority, in a timely manner, with any and all information that may be requested of it (including its annual audit report, financial statements, related information and notices of changes in usage and customer base) so that the Authority may comply with the provisions of SEC Rule 15c2-12 (17 CFR Part 240).

ARTICLE VIII

INVESTMENT OF FUNDS

Section 8.01. Investment of Funds. Any moneys held as a part of the funds and accounts created by this Bond Legislation other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Bond Legislation, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank, or such other bank or national banking association, as the case may be, may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2003 Bonds are Outstanding.

Section 8.02. Certificate as to Use of Proceeds. The Issuer shall deliver a certificate as to use of proceeds or other similar certificate to be prepared by nationally recognized bond counsel relating to restrictions on the use of proceeds of the Series 2003 Bonds as a condition to issuance of the Series 2003 Bonds. In addition, the Issuer covenants (i) to comply with the Code and all Regulations from time to time in effect and applicable to the Series 2003 Bonds as may be necessary in order to maintain the status of the Series 2003

Bonds as governmental bonds; (ii) that it shall not take, or permit or suffer to be taken, any action with respect to the Issuer's use of the proceeds of the Series 2003 Bonds which would cause any bonds, the interest on which is exempt from federal income taxation under Section 103(a) of the Code, issued by the Authority or the Council, as the case may be, from which the proceeds of the Series 2003 Bonds are derived, to lose their status as tax-exempt bonds; and (iii) to take such action, or refrain from taking such action, as shall be deemed necessary by the Issuer, or requested by the Authority or the Council to ensure compliance with the covenants and agreements set forth in this Section, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

The Issuer shall annually furnish to the Authority information with respect to the Issuer's use of the proceeds of the Series 2003 Bonds and any additional information requested by the Authority.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2003 Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest, if any, on any series of the Series 2003 Bonds; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2003 Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2003 Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, Registrar or any other Paying Agent or a Registered Owner of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs under the Prior Bonds or the Prior Resolutions.

Section 9.02. Remedies. Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and the Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of the Bond Legislation with respect to the Bonds, or the rights of such Registered Owners; provided that, all rights and remedies of the Registered Owners of the Series 2003 Bonds shall be on a parity with those of the Registered Owners of the Prior Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under the Bond Legislation and the Act, including, the completion of the Project, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the

revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds, any Registered Owner of a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System or to complete the acquisition and construction of the Project on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of the System and shall hold, operate and maintain, manage and control the System, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to the System as the Issuer itself might exercise.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the completion of the Project and the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and

ownership of the System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

ARTICLE X

PAYMENT OF BONDS

Section 10.01. Payment of Series 2003 A Bonds. If the Issuer shall pay or there shall otherwise be paid to the Registered Owners of the Series 2003 A Bonds, the principal of and interest, if any, due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Net Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 2003 A Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

Section 10.02. Payment of Series 2003 B Bonds. If the Issuer shall pay or there shall otherwise be paid to the Registered Owners of the Series 2003 B Bonds, the principal of and interest, if any, due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Legislation, then the pledge of Net Revenues and other moneys and securities pledged under this Bond Legislation and all covenants, agreements and other obligations of the Issuer to the Registered Owners of the Series 2003 B Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

ARTICLE XI

MISCELLANEOUS

Section 11.01. Amendment or Modification of Bond Legislation. Prior to issuance of the Series 2003 Bonds, this Resolution may be amended or supplemented in any way by the Supplemental Resolution. Following issuance of the Series 2003 Bonds, no material modification or amendment of this Resolution, or of any resolution amendatory or supplemental hereto, that would materially and adversely affect the rights of Registered Owners of the Series 2003 Bonds shall be made without the consent in writing of the Registered Owners of the Series 2003 Bonds so affected and then Outstanding; provided, that no change shall be made in the maturity of any Bond or Bonds or the rate of interest thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest, if any, out of the funds herein pledged therefor without the consent of the Registered Owner thereof. No amendment or modification shall be made that would reduce the percentage of the principal amount of Bonds, required for consent to the above-permitted amendments or modifications. Notwithstanding the foregoing, this Bond Legislation may be amended without the consent of any Registered Owner as may be necessary to assure compliance with Section 148(f) of the Code relating to rebate requirements or otherwise as may be necessary to assure the exclusion of interest, if any, on the Series 2003 Bonds from gross income of the Registered Owners thereof.

Section 11.02. Bond Legislation Constitutes Contract. The provisions of the Bond Legislation shall constitute a contract between the Issuer and the Registered Owners of the Series 2003 Bonds, and no change, variation or alteration of any kind of the provisions of the Bond Legislation shall be made in any manner, except as in this Bond Legislation provided.

Section 11.03. Severability of Invalid Provisions.  SPECIMEN

This Bond is issued (i) to pay in full the entire outstanding principal of and all interest and administrative fees on the Issuer's Sewerage System Design Notes, Series 2002 A (West Virginia Infrastructure Fund) (the "Notes"); (ii) to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public sewer facilities of the Issuer (the "Project"); and (iii) to pay certain costs of issuance of this Bond and related costs. The existing public sewer facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System." This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A and Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended (collectively, the "Act"), a Bond Resolution duly adopted by the Issuer on June 4, 2003, and a Supplemental Resolution duly adopted by the Issuer on June 4, 2003 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for this Bond under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL OTHER RESPECTS, WITH THE ISSUER'S (1) SEWER REVENUE BONDS, SERIES 1984 B, DATED FEBRUARY 28, 1984, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $144,089 (THE "SERIES 1984 B BONDS"); (2) SEWER REFUNDING REVENUE BONDS, SERIES 2001 A, DATED SEPTEMBER 13, 2001, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $356,000 (THE "SERIES 2001 A BONDS"); AND (3) SEWER REVENUE BONDS, SERIES 2003 B (UNITED STATES DEPARTMENT OF AGRICULTURE), DATED JUNE 6, 2003, ISSUED CONCURRENTLY HEREWITH IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $550,000 (THE "SERIES 2003 B BONDS"). THE SERIES 1984 B BONDS AND THE SERIES 2001 A BONDS ARE HEREINAFTER COLLECTIVELY CALLED THE "PRIOR BONDS."

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the System, on a parity with the pledge of Net Revenues in favor of the registered owners of the Prior Bonds and the Series 2003 B Bonds, and from moneys in the reserve account created under the Bond Legislation for this Bond (the "Series 2003 A Bonds Reserve Account") and unexpended proceeds of this Bond. Such Net Revenues shall be sufficient to pay the principal of and interest, if any, on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the

SPECIMEN

meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same, except from said special fund provided from the Net Revenues, the moneys in the Series 2003 A Bonds Reserve Account and unexpended proceeds of this Bond. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates and charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount of principal of and interest, if any, on this Bond payable in any year and all other obligations secured by a lien on or payable from such revenues on a parity with this Bond, including the Prior Bonds and the Series 2003 B Bonds; provided however, that so long as there exists in the Series 2003 A Bonds Reserve Account, an amount at least equal to the maximum amount of principal and interest, if any, which will become due on this Bond in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with this Bond, including the Prior Bonds and the Series 2003 B Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the Registered Owner (as defined in the Bond Legislation) of this Bond for the terms of which reference is made to the Bond Legislation. Remedies provided the Registered Owner of this Bond are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth herein, this Bond is transferable, as provided in the Bond Legislation, only upon the books of the Registrar (as defined in the Bond Legislation) by the Registered Owner, or by its attorney duly authorized in writing, upon the surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the Registered Owner or its attorney duly authorized in writing.

Subject to the registration requirements set forth herein, this Bond, under the provision of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of refunding the Notes, the costs of the Project and the costs of issuance hereof as described in the Bond Legislation, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the Registered Owner of this Bond.

In accordance with the requirements of the United States Department of Agriculture for the issuance of parity obligations, this Bond will be in default should any proceeds of this Bond be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened, and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

HUTTONSVILLE PUBLIC SERVICE DISTRICT
SEWER REVENUE BOND, SERIES 2003 B
(UNITED STATES DEPARTMENT OF AGRICULTURE)

No. BR-1

$550,000

FOR VALUE RECEIVED, HUTTONSVILLE PUBLIC SERVICE DISTRICT, a public service district, public corporation and political subdivision of the State of West Virginia in Randolph County of said State (the "Issuer"), promises to pay to the order of the UNITED STATES OF AMERICA (the "Government"), at its National Finance Office, 1520 Market Street, St. Louis, Missouri 63103, or at such other place as the Government may hereafter designate in writing, and in the manner provided below, the principal sum of FIVE HUNDRED FIFTY THOUSAND DOLLARS ($550,000), or such lesser amount as is set forth on the Record of Advances attached hereto and incorporated herein by reference, plus interest on the unpaid principal balance at the rate of 4.5% per annum.

The principal of and interest on this Bond shall be paid in the following installments on the following dates: Monthly installments of interest only on the amounts advanced hereunder, commencing 30 days following the date of delivery of this Bond and continuing on the corresponding day of each month thereafter for the first 24 months after the date hereof, and thereafter, on the corresponding day of each month in installments of principal and interest in the aggregate amount of $2,525, except that the final installment shall be paid at the end of 40 years from the date of this Bond in the sum of the unpaid principal and interest due on the date thereof and except that prepayments may be made as provided below. This consideration shall support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan shall be advanced to the Issuer as requested by the Issuer and approved by the Government and interest shall accrue on the amount of each advance from its actual date as shown on the Record of Advances attached hereto as a part hereof.

Every payment made on any indebtedness evidenced by this Bond shall be applied first to interest computed to the effective date of the payment and then to principal.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of the Issuer. Extra payments, as defined in the regulations of the

Government, shall, after payment of interest, be applied to the installment last to come due under this Bond and shall not affect the obligation of the Issuer to pay the remaining installments as scheduled herein.

Any amount advanced or expended by the Government for the collection hereof, or to preserve or to protect any security therefor, or otherwise under the terms of any security or other instrument executed in connection with the loan evidenced hereby, at the option of the Government, shall become a part of and bear interest at the same rate as the principal of the debt evidenced hereby and be immediately due and payable by the Issuer to the Government without demand. The Issuer agrees to use the loan evidenced hereby solely for purposes authorized by the Government. The Issuer has granted to the Government a lien on the proceeds of this Bond until such proceeds are expended for authorized purposes.

This Bond is issued (i) to pay a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public sewer facilities of the Issuer (the "Project"); and (ii) to pay certain costs of issuance of this Bond and related costs. The existing public sewer facilities of the Issuer, the Project and any further improvements or extensions thereto are herein called the "System". This Bond is issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (the "Act"), a Bond Resolution duly adopted by the Issuer on June 4, 2003, and a Supplemental Resolution duly adopted by the Issuer on June 4, 2003 (collectively, the "Bond Legislation"), and is subject to all the terms and conditions thereof. The Bond Legislation provides for the issuance of additional bonds under certain conditions, and such bonds would be entitled to be paid and secured equally and ratably from and by the funds and revenues and other security provided for this Bond under the Bond Legislation.

THIS BOND IS ISSUED ON A PARITY WITH RESPECT TO LIENS, PLEDGE AND SOURCE OF AND SECURITY FOR PAYMENT, AND IN ALL OTHER RESPECTS, WITH THE ISSUER'S (1) SEWER REVENUE BONDS, SERIES 1984 B, DATED FEBRUARY 28, 1984, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $144,089 (THE "SERIES 1984 B BONDS"); (2) SEWER REFUNDING REVENUE BONDS, SERIES 2001 A, DATED SEPTEMBER 13, 2001, ISSUED IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $356,000 (THE "SERIES 2001 A BONDS"); AND (3) SEWER REVENUE BONDS, SERIES 2003 A (WEST VIRGINIA INFRASTRUCTURE FUND), DATED JUNE 6, 2003, ISSUED CONCURRENTLY HEREWITH IN THE ORIGINAL AGGREGATE PRINCIPAL AMOUNT OF $3,934,000 (THE "SERIES 2003 A BONDS"). THE SERIES 1984 B BONDS AND THE SERIES 2001 A BONDS ARE HEREINAFTER COLLECTIVELY CALLED THE "PRIOR BONDS."

This Bond is payable only from and secured by a pledge of the Net Revenues (as defined in the Bond Legislation) to be derived from the System, on a parity with the pledge of Net Revenues in favor of the registered owners of the Prior Bonds and the Series 2003 A

Bonds, and from moneys in the reserve account created under the Bond Legislation for this Bond (the "Series 2003 B Bonds Reserve Account") and unexpended proceeds of this Bond. Such Net Revenues shall be sufficient to pay the principal of and interest on all bonds which may be issued pursuant to the Act and shall be set aside as a special fund hereby pledged for such purpose. This Bond does not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provisions or limitations, nor shall the Issuer be obligated to pay the same or the interest hereon, except from said special fund provided from the Net Revenues, the moneys in the Series 2003 B Bonds Reserve Account and unexpended proceeds of this Bond. Pursuant to the Bond Legislation, the Issuer has covenanted and agreed to establish and maintain just and equitable rates or charges for the use of the System and the services rendered thereby, which shall be sufficient, together with other revenues of the System, to provide for the reasonable expenses of operation, repair and maintenance of the System, and to leave a balance each year equal to at least 115% of the maximum amount of principal of and interest on this Bond payable in any year and all other obligations secured by a lien or payable from such revenues on a parity with this Bond, including the Prior Bonds and the Series 2003 A Bonds; provided however, that so long as there exists in the Series 2003 B Bonds Reserve Account, an amount at least equal to the maximum amount of principal and interest which will become due on this Bond in the then current or any succeeding year, and in the respective reserve accounts established for any other obligations outstanding on a parity with this Bond, including the Prior Bonds and the Series 2003 A Bonds, an amount at least equal to the requirement therefor, such percentage may be reduced to 110%. The Issuer has entered into certain further covenants with the Registered Owner (as defined in the Bond Legislation) of this Bond for the terms of which reference is made to the Bond Legislation. Remedies provided the Registered Owner of this Bond are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

Subject to the registration requirements set forth in the Bond Legislation, this Bond is transferable, as provided in the Bond Legislation, only upon the books of the Secretary of the Issuer, as registrar (the "Registrar"), which shall be kept for that purpose at the office of the Registrar, by the Registered Owner or by its attorney or legal representative duly authorized in writing, upon surrender of this Bond, together with a written instrument of transfer satisfactory to the Registrar, duly executed by the Registered Owner or its attorney or legal representative duly authorized in writing.

Subject to the registration requirements set forth in the Bond Legislation, this Bond under the provision of the Act, is and has all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code of the State of West Virginia.

All money received from the sale of this Bond, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law and the Bond Legislation, shall be applied solely to payment of the costs of the Project and the costs of issuance hereof as described in the Bond Legislation, and there shall be and hereby is created

and granted a lien upon such moneys, until so applied, in favor of the Registered Owner of this Bond.

The Issuer hereby certifies that it is unable to obtain sufficient credit elsewhere to finance its actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near its community for loans for such purposes and periods of time.

If at any time it so appears to the Government that the Issuer may be able to obtain a loan from a responsible cooperative or private creditor at reasonable rates and terms for loans for such purposes and period of time, the Issuer will at the Government's request apply for and accept such loan in sufficient amount to repay the Government.

In accordance with the requirements of the United States Department of Agriculture for the issuance of parity obligations, this Bond will be in default should any proceeds of this Bond be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity.

This Bond is given as evidence of a loan to the Issuer made or insured by the Government pursuant to the Rural Development Act of 1972. This Bond shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions hereof.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and at the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other obligations of the Issuer, does not exceed any limit prescribed by the Constitution or statutes of the State of West Virginia and that a sufficient amount of the Net Revenues of the System has been pledged to and will be set aside into said special fund by the Issuer for the prompt payment of the principal of and interest on this Bond.

All provisions of the Bond Legislation, resolutions and statutes under which this Bond is issued shall be deemed to be a part of the contract evidenced by this Bond to the same extent as if written fully herein.

IN WITNESS WHEREOF, HUTTONSVILLE PUBLIC SERVICE DISTRICT has caused this Bond to be signed by its Chairperson and its corporate seal to be hereunto affixed and attested by its Secretary, and has caused this Bond to be dated June 6, 2003.

BE IT RESOLVED BY THE BOARD OF THE HUTTONSVILLE PUBLIC SERVICE DISTRICT, RANDOLPH COUNTY, WEST VIRGINIA:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority of this Resolution. This Resolution (the "Bond Legislation") is adopted pursuant to the provisions of Article 13A of Chapter 16 of the Code of West Virginia of 1931, as amended (the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Huttonsville Public Service District (the "Issuer") was established by order of The County Commission of Randolph County, West Virginia, dated June 13, 1972.

B. It is deemed necessary and desirable for the health and welfare of the inhabitants of the Issuer that there be constructed certain sewer facilities (the "Project") of the Issuer, which along with the sewer facilities previously acquired and constructed by the Issuer, shall constitute public service properties for the collection, treatment, purification or disposal of liquid or solid wastes, sewage or industrial wastes (the "System") at an estimated cost of $3,816,590 in accordance with the

plans and specifications prepared by the Consulting Engineers, which plans and specifications have heretofore been filed in the office of the Issuer.

C. The estimated revenues to be derived in each year after the adoption hereof from the operation of the System will be sufficient to pay all the costs of the operation and maintenance of said System, the principal of and interest on the Bonds and all Sinking Fund, Reserve Account and other payments provided for herein.

D. It is deemed necessary for the Issuer to issue its Sewer Revenue Bonds in the principal amount of not more than $500,000 to finance costs of the construction and acquisition of the Project. Said costs shall be deemed to include the cost of all property rights, easements and francises deemed necessary or convenient therefor and for the improvements and extensions thereto; interest upon the Bonds prior to and during construction or acquisition and for six months after completion of construction or of acquisition of the improvements and extensions; engineering, fiscal agents and legal expenses; expenses for estimates of cost and of revenues, expenses for plans, specifications and surveys; other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expense, and such other expenses as may be necessary or incident to the financing herein authorized, and the construction or acquisition of the properties and the placing of same in operation, and the performance of the things herein required or permitted, in connection with any thereof.

E. It is in the best interests of the Issuer that its Bonds be sold to the Authority pursuant to the terms and provisions of a loan agreement to be entered into between the Issuer and the Authority (the form of which agreement is attached hereto as Exhibit A, which Exhibit, by this reference, is incorporated herein and made a part hereof) (the "Loan Agreement").

F. The Issuer does not now own public service properties for the collection, treatment, purification or disposal of liquid or solid wastes, sewage, or industrial wastes.

G. There are not outstanding any obligations of the Issuer which will rank prior to or on a parity with the Bonds and the Notes as to lien and source of and security for payment.

H. Pending issuance of the Bonds, it is necessary for the Issuer to issue its bond anticipation notes (the "Notes") in the principal amount of $426,000 to provide interim financing for the Project, in accordance with the Loan Agreement.

I. The Issuer has complied with all requirements of West Virginia law relating to authorization of the construction, acquisition and operation of the Project and issuance of the Bonds and the Notes, or will have so complied prior to issuance of any thereof, including, among other things, the consent and approval, pursuant to the Act, of the issuance of the Bonds by the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which have expired. The Issuer is not required by the Loan Agreement to have approval of increased sewer rates prior to issuance of the Notes, but shall have obtained approval of necessary sewer rates prior to issuance of the Bonds.

AUTHORIZATION OF CONSTRUCTION AND ACQUISITION OF THE PROJECT

Section 2.01. Authorization of Construction and Acquisition. There is hereby authorized the construction and acquisition of the Project, plans and specifications for which have been prepared by the Consulting Engineers, and heretofore filed in the office of the Board. The proceeds of the Bonds hereby authorized shall be applied as provided in Article V hereof.

ARTICLE III

AUTHORIZATION, TERMS, EXECUTION, REGISTRATION AND SALE OF BONDS; AUTHORIZATION AND EXECUTION OF LOAN AGREEMENT

Section 3.01. Authorization and Terms of Bonds. For the purpose of financing the cost of construction and acquisition of the Project, there shall be issued negotiable Sewer Revenue Bonds, Series 1980, of the Issuer, in the aggregate principal amount of not in excess of $500,000. Said Bonds shall be designated "Sewer Revenue Bonds, Series 1980"; and shall bear interest at such rate or rates, not exceeding the maximum rate authorized by the Act, and shall mature as the Issuer shall prescribe in the Supplemental Resolution. Interest on the Bonds shall be payable semiannually and shall commence as prescribed in the Supplemental Resolution. The Bonds shall be payable as to both principal and interest at the office of the Commission or through a paying agent or agents selected by the original purchaser or purchasers thereof, in any coin or currency that is legal tender for the payment of public or private debts under the laws of the United States of America, and shall be redeemable, in whole or in part, as set forth in the Supplemental Resolution.

The Issuer will issue the Bonds to be exchanged for the Notes, the Bonds shall comply in all respects with the provisions of the Loan Agreement, shall have the following terms, and shall be issued upon the following additional conditions:

(A) The Bonds shall be in an aggregate principal amount equal to the unpaid principal amount of all outstanding Notes plus the amount, if any, required by the Bond Resolution referred to in the Loan Agreement to be paid from the proceeds of the Bonds to fund the Capital Reserve Fund and to pay all Costs of Issuance (both "Capital Reserve Fund" and "Costs of

Issuance" are defined in said Bond Resolution) including, without limitation, any consultant fees, related thereto (collectively, the "Issuing Expenses") as determined by the Authority, and the Issuer will advise the Authority of the amount, if any, of Issuing Expenses to be paid from any of its funds then available to pay such Issuing Expenses before utilizing the proceeds of the Bonds to do so; and

(B) The Bonds shall mature in the times and amounts as directed by the Authority, but not over a period of more than 40 years, and shall be dated, shall bear interest at such rate per annum (but not in excess of the legally permissible rate) as the Authority shall direct and shall be in denominations equal to the unpaid principal amount of each of the Notes to be exchanged, plus the pro rata portion of Issuing Expenses which are not to be paid from other funds of the Issuer attributable to each such Note.

The Bonds shall be issued in the form of coupon Bonds, registrable as to principal only, or in the form of one fully registered Bond with payment record attached (the "Registered Bond").

Coupon Bonds shall be in the denomination of $5,000 each and shall be dated as of the date which is six months preceeding the first interest payment date of the Bonds. Coupon Bonds shall bear interest from their date, payable in accordance with, and upon surrender of, the appurtenant interest coupons as they severally mature. The Registered Bond shall be dated as of the date of its delivery to the original purchaser thereof and shall bear interest from such date.

Except as otherwise provided in Section 3.04, before the delivery of any coupon Bonds, all matured coupons thereto attached, except matured coupons for which payment in full has not been provided, shall be cut off, cancelled and destroyed; provided, however, that if coupon Bonds are issued in exchange for the Registered Bond upon which interest is in default, as shown by the records of the Treasurer of the State, such coupon Bonds shall have attached thereto all coupons maturing after the date to which interest has been paid in full, as shown by such records, and in case any interest installments shall have been paid in part, appropriate notation shall be made on the coupons to evidence such fact.

Section 3.02. Execution of Bonds and Coupons. Said Bonds shall be executed in the name of the Issuer by the Chairman, and the seal of the Issuer shall be affixed thereto or a facsimile of the seal shall be imprinted thereon and attested by the Secretary. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bonds may be signed and sealed on behalf of the Issuer by such person as at the actual time of the execution of such Bonds shall hold the proper office in the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized.

The coupons to be attached to the Bonds shall be authenticated with the facsimile signature of the present or future Chairman and Secretary of the Issuer.

Section 3.03. Negotiability, Transfer and Registration. The Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder, in accepting any of said Bonds or the coupons appertaining thereto, shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the Uniform Commercial Code of the State of West Virginia, and each successive Holder shall further be conclusively deemed to have agreed that said Bonds shall be incontestable in the hands of a bona fide holder for value in the manner provided hereinafter in the form of said Bonds.

So long as any of the Bonds remain outstanding, the Treasurer of the State of West Virginia shall keep and maintain books for the registration and transfer of the Bonds. Coupon Bonds

may be registered at the option of the Holder as to principal only at the office of the Treasurer of the State of West Virginia, such registration to be noted on the back of said Bonds in the space provided therefor. After such registration as to principal only, no transfer of the Bonds shall be valid unless made at said office by the registered owner, or by his duly authorized agent or representative, and similarly noted on the Bonds, but the Bonds may be discharged from registration by being in like manner transferred to bearer, and thereupon transferability by delivery shall be restored. At the option of the Holder the Bonds may thereafter again from time to time be registered or transferred as before. Such registration as to principal only shall not affect the negotiability of the coupons, which shall continue to pass by delivery.

The Registered Bond shall be transferable only upon the books of the Issuer, which shall be kept for the purpose at the office of the aforesaid Treasurer, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereto together with a written instrument of transfer satisfactory to the Treasurer of the State duly executed by the registered owner or his duly authorized attorney. Upon transfer of the Registered Bond, there shall be issued in the name of the transferee, coupon Bonds, with appropriate coupons attached, of the same aggregate principal amount equal to the unpaid principal amount of the Registered Bond, and having maturities corresponding to the principal installments of such Registered Bond then unpaid.

In all cases in which the privilege of exchanging Bonds or transferring the Registered Bond is exercised, Bonds shall be delivered in accordance with the provisions of this Bond Legislation. All Bonds and coupons surrendered in any such exchanges or transfers shall forthwith be cancelled by the Treasurer. For every such exchange or transfer of Bonds, the Treasurer may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and the cost of preparing each new coupon Bond upon each exchange or transfer, and any other expenses of the said Treasurer incurred in connection therewith, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer; provided, however, that in the event the Authority is the Bondholder requesting such exchange or transfer, the Issuer shall pay all such taxes, fees, governmental charges or other expenses incurred in making such exchange or transfer. The Treasurer shall not be obliged to make any such exchange or transfer of Bonds during the ten (10) days preceeding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, next preceding the date of the selection of Bonds to be redeemed.

Section 3.04. Bonds Mutilated, Destroyed, Stolen, or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Issuer may in its discretion issue and deliver a new Bond with all unmatured coupons, if any, so mutilated, destroyed, stolen or lost in exchange and substitution for such mutilated Bond upon surrender and cancellation of such mutilated Bond, and attached coupons, if any, or in lieu of and substitution for the Bond and coupons, if any, destroyed, stolen or lost and upon the Holder's furnishing the Issuer proof of his ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer may incur. All Bonds and coupons so surrendered shall be cancelled by the Secretary and held for the account of the Issuer. If such Bond or coupons shall have matured or be about to mature, instead of issuing a substitute Bond or coupon, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond or coupons be lost, stolen, or destroyed, without surrender therefor.

Any such duplicate Bond and coupons issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Bond or coupons be at any time found by any one, and such duplicate Bond and coupons shall be entitled to equal and proportionate benefits and rights as to lien and source of security for payment from the revenues pledged herein with all other Bonds and coupons issued hereunder.

Section 3.05. Form of Bonds and Coupons. The text of the Bonds, and of the coupons, shall be of substantially the following tenor, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted hereby, or by any Supplemental Resolution adopted prior to the issuance thereof.

This Bond is one of an authorized issue of Bonds (the "Bonds") in the aggregate principal amount of $_____, of like date and of like tenor and effect, except as to principal amount, number, date of maturity, and interest rate, issued to finance the cost of construction and acquisition of new public service facilities for the collection, treatment, purification or disposal of liquid or solid wastes, sewage or industrial wastes in the territory to be served by the Issuer (the "System") of the Issuer under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly Article 13A of Chapter 16 of the West Virginia Code of 1931, as amended (the "Act"), a Resolution duly adopted by the Public Service Board of the Issuer on the _____ day of _____, 19___, and a Supplemental Resolution adopted by said Board on the _____ day of _____, 19____ (collectively called the "Bond Legislation"), and is subject to all the terms and conditions of the Bond Legislation. Remedies provided the holders of the Bonds are exclusively as provided in the Bond Legislation, to which reference is here made for a detailed description thereof.

This Bond is fully negotiable but may be registered as to principal only in the name of the holder on the books in the office of the Treasurer of the State of West Virginia, at Charleston, West Virginia, such registration to be evidenced by notation on the back hereof by the Treasurer, after which no transfer shall be valid unless made on said books and similarly noted hereon, but it may be discharged from such registration by being transferred to bearer, after which it shall be transferable by delivery, but it may be registered again as before. The registration of this Bond as to principal shall not restrain the negotiability of the coupons by delivery merely.

This Bond shall be exempt from all taxation by the State of West Virginia and the other taxing bodies of said State.

All money received from the sale of this Bond or other Bonds of the issue of which this Bond is one, after reimbursement and repayment of all amounts advanced for preliminary expenses as provided by law, shall be applied solely to the payment of the cost of the Project described in the Bond Legislation, including payment of the Notes authorized and issued pursuant to the Bond Legislation and any other indebtedness incurred by the Issuer for such purposes which is required to be paid from the moneys received from the sale of such Bonds, or to the appurtenant sinking fund, and there shall be and hereby is created and granted a lien upon such moneys, until so applied, in favor of the holder or holders of said Bonds.

The Note No. NR-1 shall contain substantially the provisions shown in the form set forth in Section 3.12 A below.

The Notes shall be executed for the Issuer by the Chairman, and the seal of the Issuer shall be impressed thereon and attested by the signature of the Secretary.

The Notes shall be sold pursuant to the Loan Agreement and to such supplemental Note Legislation.

The Notes shall be payable on demand of the Authority upon at least fourteen days written notice to the Issuer.

The Notes shall be renewed at the option of the Authority for a period not to exceed 1 year at lawful interest rates to be established by the Authority.

Section 3.02 A. Deposit of Note Proceeds. The amount received upon the sale of the Notes, less interest to become due until the maturity thereof, shall be deposited on receipt by or for the Issuer with a bank which is a member of the Federal Deposit Insurance Corporation ("FDIC"), in the Project Construction Account established hereby.

Section 3.03 A. Security for the Notes. The Notes shall be secured by the pledge by the Issuer of and by a first lien on (i) the proceeds of the sale of the Bonds issued to refund the Notes; (ii) all moneys and securities in the Sinking Fund, (iii) the proceeds from the sale of the Notes until expended as herein authorized, and (iv) the Net Revenues of the System until payment of the Notes, and said pledge by the Issuer for the benefit of the holders of the Notes, to the extent of the aggregate principal amount of the Notes and the interest thereon, is hereby made and granted. The Issuer will execute such documents as may be required, if any, to perfect such pledge and lien. The Notes shall also be secured by a first statutory mortgage lien on the System as provided in the Act.

Section 3.04 A. Payment of Notes. At the maturity, or call prior to maturity, of the Notes, as provided in Section 3.01 A hereof, the Bonds originally issued pursuant hereto shall be used to defease the Notes and pay issuing expenses required by the Authority. The Issuer hereby assigns its right to receive funds as proceeds of said Bonds to the Authority, and there shall be no transfer of funds by the Authority to the Issuer as payment for said Bonds, except to the extent Bonds are issued in a principal amount in excess of the amount required to refund the Notes and pay costs of issuance of the Bonds and related costs.

ARTICLE IV

SYSTEM REVENUES AND APPLICATION THEREOF

Section 4.01. System Revenues and Application Thereof. So long as any of the Bonds shall be outstanding and unpaid, the Issuer covenants with the Holders of the Bonds as follows:

A. Establishment of System Revenue Fund and Disposition of System Revenues. The entire gross revenues derived from the operation of the System and all parts thereof shall be deposited by the Issuer in a special fund in a bank in the State of West Virginia which is eligible under the laws of West Virginia to receive deposits of state and municipal funds, which fund (herein called the "Revenue Fund") is hereby established. The Revenue Fund shall constitute a trust fund for the purposes provided herein and shall be kept separate and distinct from all other funds of the Issuer and used only for the purposes and in the manner herein provided. All revenues at any time remaining on deposit in the Revenue Fund shall be disposed of only in the following manner and order of priority:

(1) The Issuer shall first each month, from the moneys in the Revenue Fund, pay all reasonable operating expenses of the System.

(2) Thereafter, from the moneys in the Revenue Fund, the Issuer shall, on the first day of each month, commencing with and including the month of _____, 19___, apportion and set apart out of the Revenue Fund and remit to the Commission, for deposit in a fund to be known as the "Sinking Fund," which is hereby created and established, a sum equal to one-sixth (1/6) of the amount of interest which will become due on the Bonds on the next interest payment date; provided, however, that in the event that the period to elapse between said initial payment date and the next semiannual interest payment date for the Bonds is less than six (6) months, then such monthly payments shall be increased proportionately to provide the required amount of interest maturing on the next semiannual interest payment date.

The Issuer shall also, from the Revenue Fund, remit to the Commission, on such dates or at such other times as the Commission shall require, such additional sums as shall be necessary to pay the fiscal agency charges due for paying the Bonds and the interest thereon.

The Issuer shall also apportion and set apart out of the Revenue Fund and remit to the Commission for deposit in said Sinking Fund, as below provided, on the first day of each month, beginning on the first day of that month which is twelve (12) months prior to the first principal payment date of the Bonds, a sum equal to one-twelfth (1/12) of the amount of principal which will mature and become due on the Bonds on the next ensuing principal payment date.

The Commission is hereby designated as the fiscal agent for the administration of the Sinking Fund created hereunder, and all amounts required for said Sinking Fund shall be remitted to the Commission from said Revenue Fund and from the proceeds of the sale of the Bonds as provided in Article V hereof by the Issuer at the times provided herein.

Moneys in the Sinking Fund shall be used only for the purposes of paying principal of and interest on the Bonds as the same shall become due.

The Issuer shall next, from the Revenue Fund, remit to the Commission for deposit in the Reserve Account hereby established in said Sinking Fund, on the first day of each month of each year, beginning with and including the month in which payments from the Revenue Fund for semiannual interest are commenced, an amount equal to twenty per centum (20%) of all amounts required to be deposited for maturing principal and interest into the Sinking Fund, as provided above, on said dates: Provided, however, that no further payments shall be made into the Reserve Account when there shall have been deposited and as long as there shall remain on deposit

therein, an amount equal to the maximum amount of principal and interest that will mature and become due on the Bonds in any succeeding fiscal year.

Moneys in the Reserve Account shall be used only for the purpose of payment of maturing principal of or interest on the Bonds when other moneys in the Sinking Fund are insufficient therefor and for no other purpose.

Any withdrawals from the Reserve Account shall be subsequently restored from the first revenues available after all required payments to the Sinking Fund and Reserve Account, including any deficiencies for prior payments, have been made in full.

The Issuer shall not be required to make any further payments into said Sinking Fund or into the Reserve Account when the aggregate amount of funds in both said Sinking Fund and said Reserve Account are at least equal to the aggregate principal amount of the Bonds then outstanding, plus the amount of interest due or thereafter to become due on the Bonds.

As and when additional bonds ranking on a parity with the Bonds herein authorized are issued, provision shall be made for additional payments into said Sinking Fund sufficient to pay the interest on such additional parity bonds and accomplish retirement thereof at maturity and to accumulate a balance in the Reserve Account in an amount equal to the maximum provided and required to be paid into the Sinking Fund in any calendar year for account of all the Bonds, including such additional bonds which by their terms are payable from said Sinking Fund.

The payments into the Sinking Fund shall be made on the first day of each month, except that when the first day of any month shall be a Sunday or legal holiday then such payments shall be made on the next succeeding business day, and all such payments shall be remitted to the Commission with appropriate instructions as to the Account in which to be deposited and the custody, use and application thereof consistent with the provisions hereof.

Moneys in the Sinking Fund shall be used solely and only and are hereby pledged for the purpose of servicing the Bonds.

(3) Thereafter, from the moneys remaining in said Revenue Fund, the Issuer shall next, on the first day of each month, commencing with the first month in which interest shall be first payable from the Revenue Fund, remit to a bank which is eligible under the laws of West Virginia to receive deposits of public funds for deposit in a special account to be designated "Renewal and Replacement Fund," which account is hereby established and created,

a sum equal to two and one-half per centum of the gross revenues each month, exclusive of any payments for account of the Reserve Accounts. All funds in said Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer, and all or any part of said Fund may be invested in bonds or other direct or fully guaranteed obligations of the United States of America maturing or being subject to retirement at the option of the holder within not more than ten (10) years from the date of such investment. Withdrawals and disbursements may be made from said Renewal and Replacement Fund for replacements, emergency repairs, additions, betterments or improvements to the System; provided, however, that any deficiency in the Reserve Account (except to the extent such deficiency exists because the required payments into the Reserve Account have not as of the date of determination of a deficiency not funded such Reserve Account to the maximum extent required by Section 4.01(A)(2)), shall be promptly eliminated with moneys from the Renewal and Replacement Fund in amounts sufficient to eliminate such deficiency.

(4) Whenever all of the required and provided transfers and payments from said Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in said Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid for operating expenses and into the Sinking Fund and the Renewal and Replacement Fund during the next succeeding three (3) months, such excess shall be considered as surplus revenues. Said surplus revenues shall be first used for the construction and acquisition of improvements and extensions to the System, and, thereafter, to the extent not needed for such purposes, said surplus revenues and any surplus moneys in the Sinking Fund, exclusive of the Reserve Account, in excess of the amount of interest to become due on the next interest payment date and the amount of principal to become due within the next succeeding twelve (12) months, may be used to purchase or prepay Bonds, any such purchase upon the open market to be at a price not exceeding the par value thereof plus three per centum (3%) of such par value, or to redeem Bonds at a price not in excess of the redemption price thereof, or for debt service on obligations not on a parity with the Bonds, the proceeds of which obligations were used to finance such additions, betterments or improvements.

(5) The moneys in excess of the sum insured by the Federal Deposit Insurance Corporation ("FDIC") in the Revenue Fund and for the Renewal and Replacement Fund (unless remitted to the Commission) shall at all times be secured, to the full extent thereof in excess of such insured sum, by direct obligations of the United States of America or such other obligations as shall be eligible as security for deposits of state and municipal funds under the laws of the State of West Virginia.

(6) If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds on the subsequent payment dates.

(7) Moneys in the Reserve Account shall be invested and reinvested by the Commission in direct obligations of the United States of America having maturities not longer than two (2) years from the date of purchase. Moneys in the Reserve Account in excess of the maximum amount required to be therein shall, at least annually, be deposited in the Sinking Fund by the Commission.

(8) All remittances made by the Issuer to the Commission shall clearly identify the funds or accounts into which each amount is to be deposited.

ARTICLE V

APPLICATON OF BOND AND NOTE PROCEEDS

Section 5.01. Construction Trust Fund. From the moneys received from the sale of any or all the Notes, the following amounts shall be first deducted and deposited:

A. The sum required to pay interest on the Notes to maturity shall be deposited in the Sinking Fund and used to pay interest on the Notes as the same becomes due.

B. Upon issuance of the Bonds and exchange of the Bonds for the Notes and payment of allocated issuance expenses of the Bonds of the Authority as provided in the Loan Agreement, any balance remaining from the sale of the Bonds shall be deposited in the Construction Trust Fund.

The remaining moneys derived from the sale of the Notes shall be deposited by the Issuer in a fund to be known as the "Construction Trust Fund," which is hereby created, which fund shall be kept separate and apart from all other funds of the Issuer and shall be drawn out, used and applied by the Issuer solely for the payments of the cost of tne construction and acquisition of the Project, and purposes incidental thereto, and for no other purposes whatsoever. The moneys in said fund shall be secured at all times by the deposit of such bonds in direct obligations of the United States of America having a fair market value at least equal to the balance in excess of the amount insured by FDIC in said fund. If for any reason such proceeds, or any part thereof, are not necessary

for, or are not applied to, such purposes, then such unapplied proceeds shall be deposited by the Issuer in the Sinking Fund and shall be used only as provided herein. All such proceeds shall be and constitute a trust fund for such purposes, and there is hereby created a lien upon such moneys until so applied in favor of the Holders of the Bonds.

Expenditures or disbursements from said Construction Trust Fund, except for legal, fiscal and engineering expenses and expenses in connection with the issuance and sale of the Bonds shall be made only after such expenditures or disbursements shall have been approved in writing by the Consulting Engineers.

ARTICLE VI

ADDITIONAL COVENANTS OF THE ISSUER

Section 6.01. General Covenants of the Issuer. All the covenants, agreements and provisions hereof shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Bonds. In addition to the other covenants, agreements and provisions hereof, the Issuer hereby covenants and agrees with the Holders of the Bonds as hereinafter provided in this Article VI. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Bonds or the interest thereon are outstanding and unpaid.

Section 6.02. Bonds not to be Indebtedness of the Issuer. Neither the Bonds nor coupons appertaining thereto shall be or constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness but shall be payable solely from the revenues of the System, as herein provided.

Section 6.03. Bonds Secured by Pledge of Net Revenues; Statutory Mortgage Lien. The payment of the debt service of all the Bonds shall be secured forthwith equally and ratably by a first lien on the net revenues derived from the operation of the System, to the extent necessary to make the payments required under Section 4.01 hereof. The revenues derived from the System, in an amount sufficent to pay the principal of and interest on the Bonds and to make the payments into the Sinking Fund, including the Reserve Account therein, and all other payments provided for herein are hereby irrevocably pledged, in the manner provided herein, to the payment of the principal of and interest on the Bonds as the same become due, and for the other purposes provided herein.

The Bonds are additionally secured by a statutory mortgage lien pursuant to the Act.

Section 6.04. Rates. Prior to the issuance of the Bonds, equitable rates or charges for the use of and service rendered by the System will be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file in the office of the Board, each of which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce gross revenues from said System to pay operating expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient to provide for all reasonable expenses of operation, repair and maintenance of the System and to leave a balance each year equal to at least 130% of the maximum amount required in any ensuing year to pay the interest on and the principal of the Bonds as the same become due and accomplish retirement of all obligations for the payment of which such revenues have or shall have been pledged, charged or otherwise encumbered.

Section 6.05. Completion, Operation and Maintenance. The Issuer will expeditiously complete and maintain in good condition said System and will operate the same as a revenue-producing enterprise in an efficient and economical manner, making such expenditures for equipment and for renewal, repair and replacement as may be proper for the economical operation and maintenance thereof from the revenues of the System in the manner provided herein.

Section 6.06. Sale of the System. The System may not be sold, mortgaged, leased or otherwise disposed of except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to pay fully all the Bonds outstanding, The proceeds from such sale, mortgage, lease or other disposition of the System shall immediately be remitted to the Commission for deposit in the Sinking Fund, and, in the event the Authority is no longer a Bondholder, the Issuer shall direct the Commission to apply such proceeds to the payment of principal of and interest on the Bonds as they become due or in accordance with redemption provisions hereof. Any balance remaining after the payment of all the Bonds and interest thereon shall be remitted to the Issuer by the Commission unless necessary for the payment of other obligations of the Issuer payable out of the revenues of the System.

The foregoing provision notwithstanding, unless otherwise prohibited by law, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor is not in excess of Ten Thousand Dollars ($10,000), the Board shall, in writing, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property shall be in excess of Ten Thousand Dollars ($10,000) but not in excess of Fifty Thousand Dollars ($50,000), the Board shall first, in writing, determine with the written approval of the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof, and then authorize such sale, lease or other disposition of such property upon public bidding. The proceeds derived from any such sale, lease or other disposition of such property, in excess of $10,000 and not in excess of $50,000, shall be remitted by the Issuer to the Commission for deposit in the Sinking Fund and shall be applied only to the purchase or prepayment of Bonds of the last maturities then outstanding at prices not greater than the par value thereof plus three per centum (3%) of such par value. Such payments of such proceeds into the Sinking Fund or the Renewal and Replacement Fund shall not reduce the amounts required to be paid into said funds by other provisions hereof.

No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom shall be in excess of $50,000 and insufficient to pay all the Bonds then outstanding without the prior approval and consent in writing of the Holders, or their duly authorized representatives, of sixty-six and two-thirds percentum (66-2/3%) in amount of Bonds then outstanding. The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 6.07. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. The Issuer will not issue any other obligations whatsoever, except additional parity bonds provided for in Section 6.08 hereof payable from the revenues of the System which rank prior to or equally, as to lien on and source of and security for payment from such revenues with the Bonds; and all obligations hereafter issued by the Issuer payable from the revenues of the System, except such additional parity

bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Bonds; provided, however that no such subordinate obligations shall be issued unless the Reserve Account in the Sinking Fund is funded to the extent that no further payments are required therefor as provided in Section 4.01(A)(2).

Except as provided in Section 6.08 below, the Issuer will not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Bonds and the interest thereon, upon any of the income and revenues of the System pledged hereby for payment of the Bonds and the interest thereon or upon the System or any part thereof.

Section 6.08. Additional Parity Bonds. No additional parity bonds, as in this section defined, payable out of the revenues of the System, shall be issued after the issuance of any Bonds pursuant hereto, except under the conditions and in the manner herein provided.

No such additional parity bonds shall be issued except for the purpose of financing the costs of the construction or acquisition of additions, betterments and improvements to the System or refunding the entirety of one or more series of Bonds issued pursuant hereto or both such purposes.

No such additional parity bonds shall be issued at any time, however, unless and until there has been procured and filed with the Board a written statement by a certified public accountant not in the regular employ of the Issuer based upon the necessary investigation and certification by the Consulting Engineers, reciting the conclusion that the net revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any twelve (12) consecutive months, within the eighteen (18) months immediately preceding the date of the actual issuance of such additional parity bonds, plus the estimated average increased annual net revenues to be received in each of the three (3) succeeding years after the completion of the improvements to be financed by such additional parity bonds shall not be less than one hundred thirty per centum (130%) of the largest aggregate amount that will mature and become due in any succeeding fiscal year for principal of and interest on the following:

(1) The Bonds originally issued pursuant hereto then outstanding;

(2) Any additional parity bonds theretofore issued pursuant to the provisions contained herein then outstanding; and

(3) The additional parity bonds then proposed to be issued.

The "estimated average increased annual net revenues to be received in each of the three (3) succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased net revenues estimated to be derived from (a) the improvements to be financed by such additional parity bonds and (b) any increase in rates approved by the Public Service Commission of West Virginia prior to the date of delivery of such additional parity bonds and shall not exceed the amount stated in a certificate of the Consulting Engineer which shall be filed in the office of the Board prior to the issuance of such additional parity bonds.

The net revenues actually derived from the System during the twelve-consecutive-month period hereinabove referred to may be adjusted by adding to such net revenues such additional net revenues which would have been received, in the opinion of the Consulting Engineers and the said certified public accountant as stated in a certificate jointly made and signed by the Consulting Engineers and said certified public accountant, on account of increased rates, rentals, fees and charges for the System approved by the Public Service Commission of West Virginia prior to issuance of such additional parity bonds.

Not later than simultaneously with the delivery of such additional parity bonds, the Issuer shall have entered into written contracts for the immediate construction or acquisition of such additions, betterments or improvements to the System that are to be financed by such additional parity bonds.

The term "additional parity bonds," as used in this section, shall be deemed to mean additional bonds issued under the provisions and within the limitations of this section, payable from the revenues of the System on a parity with the Sewer Revenue Bonds, Series 1980, and all the covenants and other provisions hereof (except as to details of such additional parity bonds inconsistent herewith) shall be for equal benefit, protection and security of the Holders of the Sewer Revenue Bonds, Series 1980, and the holders of any additional parity bonds subsequently issued from time to time within the limitations of and in compliance with this section. All the Bonds, regardless of the time or times or their issuance, shall, rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any bond or coupon over any other. The Commission shall comply fully with all the increased payments

into the various funds created hereby required for and on account of such additional bonds, in addition to the payments required for Bonds theretofore issued pursuant hereto.

All additional parity bonds shall have the same monthly maturity date and the same semiannual interest payment dates as the Bonds originally issued hereunder.

The term "additional parity bonds," as used in this section, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued the lien of which on the revenues of the System is subject to the prior and superior lien of the Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from the revenues of the System, or any part thereof, which rank prior to or equally, as to lien and source of and security for payment from such revenues, with the Bonds, except in the manner and under the conditions provided in this section.

No additional parity bonds, as in this section defined, shall be created at any time, however, unless all the payments into the respective funds and accounts provided for herein on the Bonds then outstanding, and any other payments provided for herein, shall have been made in full as required to the date of delivery of the additional bonds and the Issuer shall then be in full compliance with all the covenants, agreements and terms hereof.

Notwithstanding any of the foregoing provisions, with the written consent in advance of the Authority and upon compliance with the terms, limitations and conditions contained herein, additional parity Bonds may be authorized and issued by the Issuer pursuant to supplemental resolution solely to complete the Project in accordance with the plans and specifications therefor now on file with the Board in the event that the Bonds issued hereunder should be insufficient, together with other funds lawfully available therefor, to pay all costs of construction and acquisition of the Project; provided, however, that prior to the issuance of such additional parity bonds under the provisions of this paragraph, the Consulting Engineers shall file with the Board a statement to the effect that additional funds are needed and shall state the amount thereof deemed to be adequate for such purpose. All such additional parity bonds authorized and issued under the provisions of this paragraph shall be limited to the aggregate principal amount required to make up any deficiency in funds for payment of the construction costs to complete the Project and the maturities of any such additional parity bonds shall be in years and amounts suggested by the Authority.

Section 6.09. Insurance. The Issuer will carry, with a reputable insurance carrier or carriers, such insurance as is customarily carried with respect to works and properties similar to the System, against loss or damage by fire, explosion, hurricane, earthquake, cyclone, occupancy or other hazards and risks, which insurance shall at all times be in an amount or amounts equal to the fair appraisal value of the buildings, properties, furniture, fixtures and equipment of the System. In time of war, the Issuer shall also carry in said amount such insurance as may be available against loss or damage by the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties or for the other purposes provided herein for said Renewal and Replacement Fund. The Issuer will also carry liability insurance for damage or injury to persons or property in amounts adequate for such purposes and customarily carried with respect to works and properties similar to the System.

Section 6.10. Services Rendered to the Issuer. The Issuer will not render or cause to be rendered any free services of any nature by its System; and in the event the Issuer or any officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such officer or employee.

Section 6.11. Remedies and Appointment of Receiver. Any Bondholder may, by proper legal action, compel the performance of the duties of the Issuer hereunder and under the Act, including the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any default in the payment of interest on any Bonds when the same shall become due, or in the payment of the principal of any Bond or Bonds at the specified date of maturity thereof, or otherwise in the performance of any covenant contained herein other than as to such payment and such default shall continue for a period of thirty (30) days after written notice to the Issuer of such default, any Bondholder shall, in addition to all other remedies or rights, including, but not limited to, the right of foreclosure provided in the Act, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of the Bonds and interest thereon, the deposits into the funds and accounts hereby established as herein provided and the payment of operating expenses of the System, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions hereof and of the Act.

The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all principal due upon the Bonds and interest thereon and under any covenants hereof for Reserve, Sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions hereof shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Bondholder shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Holders of Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Bondholders, and the curing and making good of any default under the provisions hereof, and the title to and ownership of said System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage or otherwise dispose of any assets of the System.

Section 6.12. Enforcement of Collections. The Issuer will diligently enforce and collect all fees, rates, rentals or other charges for the services and facilities of the System and take all steps, actions and proceedings for the enforcement and collection of such fees, rates, rentals or other charges that shall

become delinquent to the full extent permitted or authorized by the laws of the State of West Virginia. All such fees, rates and charges, if not paid when due, shall become a lien on the premises served by the System. When such fees, rates and charges have been delinquent for thirty (30) days, the Issuer shall have the power to forthwith foreclose the lien on the premises served in the manner provided for the foreclosure of mortgages on real property by the laws of West Virginia, as provided by the Act.

Whenever any rates, rentals or charges for services or facilities of the System shall remain unpaid for a period of thirty days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities shall be delinquent until such time as all such rates and charges are fully paid. The Issuer further convenants and agrees that in the event it owns a waterworks system (the "Water System"), it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services and facilities of the System and the Water System to all delinquent users of services and facilities of the System and will not restore such services of either System until all delinquent charges for the services and facilities of the System, plus reasonable interest penalty charges for the restoration of service, have been fully paid.

Section 6.13. No Competing Franchise. The Issuer will not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation or body, or agency or instrumentality whatsoever for the providing of any services that would compete with services provided by the System.

Section 6.14. Books and Records. The Board will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow currently accepted accounting practices and safeguards. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Board. The Board shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Board shall be reported to such agent of the Issuer as the Board shall direct.

The Issuer shall file with the Consulting Engineers and the Authority, and shall mail in each year to any Holder or Holders of Bonds requesting the same, an annual report containing the following:

A. A statement of gross revenues, operating expenses and net revenues derived from the System.

B. A balance sheet statement showing all deposits in all the funds provided for herein and the status of all said funds.

The Issuer shall also, at least once a year, cause the books, records and accounts of the System to be audited by a certified public accountant and shall mail upon request, and make available generally, the report of said certified public accountant or a summary thereof to any Holder or Holders of Bonds and shall file said report with the Authority and HUD.

Section 6.15. Operating Budget. The Board shall annually, at least thirty (30) days preceding the beginning of each fiscal year, prepare and adopt by resolution a detailed budget of the estimated expenditures for operation and maintenance of the System during the succeeding fiscal year. No expenditures for the operation and maintenance of the System shall be made in any fiscal year in excess of the amounts provided therefor in such budget without a written finding and recommendation by the Consulting Engineers, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Board shall have unanimously authorized the same. The Board shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to any Bondholder who shall file his address with the Board and request in writing that copies of all such budgets and resolutions be furnished him and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Bondholder or anyone acting for and in behalf of such Bondholder.

Section 6.16. Mandatory Connections. The mandatory use of the sewer facilities of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare and the economy of the inhabitants of the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant and occupant of every lot, parcel and tract of land that abuts on a street, alley or other public way in which any sewer line, main or

facility is located, or which is located within a reasonable distance thereof, not exceeding 300 feet, and is reasonably accessible thereto, and upon which lot, parcel or tract a building or other habitable structure has been or shall be erected for residential, commercial or industrial use, shall connect the waste or sewage lines of such building or structure with the facilities of the System if sewage will flow by gravity from such building or structure into the facilities of the System and shall thereupon and thereafter refrain from using and shall cease to use any other method for the disposal of sewage or water-borne waste matter and shall pay all charges, fees and rates lawfully provided for use of the sewer facilities.

Any such building or structure from which emanates sewage or water-borne waste matter and not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

ARTICLE VII

MISCELLANEOUS

Section 7.01. Modification or Amendment. No material modification or amendment hereof or of any resolution amendatory hereof or supplemental hereto that would materially and adversely affect the rights of Bondholders shall be made without the consent in writing of the Holders of two-thirds (2/3) or more in principal amount of the Bonds then outstanding; provided, however, that no change shall be made in the maturity of any Bond or Bonds or the rate of interest thereon, or in the principal amount thereof, or affecting the unconditional promise of the Issuer to pay such principal and interest out of the revenues of the System without the consent of the Holder thereof. No amendment or modification shall be made that would reduce the percentage of the principal amount of Bonds required for consent to the above permitted amendments or modifications.

Section 7.02. Severability of Invalid Provisions. If any section, paragraph, clause or provision hereof shall be held invalid, such invalidity shall not affect any of the remaining provisions hereof.

Section 7.03. Repeal of Conflicting Resolutions. All resolutions and orders, or parts thereof, in conflict herewith are to the extent of such conflict repealed.

Section 7.04. Covenant of Due Procedure, Etc. The Issuer covenants that all acts, conditions, things and procedures required to exist, to happen, to be performed or to be taken precedent to and in the final enactment and passage hereof do exist, have happened, have been performed and have been taken in regular and due time, form and manner as required by and in full compliance with the laws and Constitution of the State of West Virginia applicable thereto; and that the Chairman, the Secretary and members of the Board were at all times when any actions in connection herewith occurred, and are, duly in office and duly qualified for such offices.

Section 7.05. Defeasance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Bonds and coupons the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and herein, then the pledge of any revenues, and other moneys and securities pledged hereby and all covenants, agreements and other obligations of the Issuer to the Bondholders shall thereupon cease, terminate and become void and be discharged and satisfied.

Bonds or coupons or interest installments for the payment of which either moneys in an amount which shall be sufficient, or securities the principal of and the interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the paying agent at the same or earlier time, shall be sufficient, to pay as and when due the principal of and interest on such Bonds shall be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section. Neither securities or moneys deposited with the Commission pursuant to this section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Bond; provided that any cash received from such principal or interest payments on such securities deposited with the Commission, if not then needed for such purpose, shall, to the extent practicable, be reinvested in securities maturing at times and in amounts sufficient to pay when due the principal of and interest to become due on said Bonds on and prior to such maturity dates

thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the Issuer, as received by the Commission, free and clear of any trust, lien or pledge. For the purpose of this section, securities shall mean and include only obligations of, or obligations guaranteed by, the United States of America.

Section 7.06. Restrictions as to Arbitrage Bonds. The Issuer shall not permit at any time or times any of the proceeds of the Bonds or any other funds of the Issuer to be used directly or indirectly to acquire any securities or obligations the acquisition of which would cause any Bond to be an "arbitrage bond" as defined in Section 103(c)(2) of the Internal Revenue Code, and the Chairman of the Board shall deliver his certificate, based upon this covenant, with regard thereto to the Authority.

Section 7.07. Effective Date. This Bond Legislation shall take effect upon passage, in the manner prescribed by law; provided, however, that the Bonds shall not be delivered to the Authority until the West Virginia Public Service Commission has given its approval of the sale of the Bonds thereto.

Re: Governmental Agency Bonds and Loan Agreement

Gentlemen:

As you know, the West Virginia Water Development Authority (the "Authority") owns two series of sewerage system revenue bonds (the "Governmental Agency Bonds") of Huttonsville Public Service District (the "Governmental Agency"). The Governmental Agency Bonds were purchased by the Authority pursuant to the terms of a loan agreement, dated June 9, 1982, as to the Authority (the "Loan Agreement").

On June 19, 1985, the Authority issued $46,320,000 in aggregate principal amount of West Virginia Water Development Authority Water Development Revenue Bonds (Loan Program), 1985 Series A (the "1985 Series A Bonds"). The proceeds of the 1985 Series A Bonds were used, among other things, to refund prior to maturity the Authority's 1982 Series A Bonds, a portion of the proceeds of which was used to purchase one of the series of the Governmental Agency Bonds. One of the reasons for the advance refunding was to effect modifications in certain of the local covenants required by the resolution pursuant to which the 1982 Series A Bonds were issued. Such modifications generally increased the number of years over which the reserve account may be built up to the reserve account requirement, reduced the debt service coverage requirement in general and reduced the debt service coverage required for the issuance of parity obligations. Accordingly, the Loan Agreement may be amended as follows:

1. Subsection 4.1(a) of the Loan Agreement may be amended to read as follows:

> (a) That the revenues generated from the operation of the System will be used monthly

21C

first to pay operation and maintenance expenses of the System; second, to the extent not otherwise limited by an outstanding local resolution or ordinance, to provide debt service on the Local Bonds, which shall include the establishment of a reserve account for the payment of debt service on the Local Bonds (the "Reserve Account") into which shall be deposited an amount equal to one-twelfth (1/12) of one-tenth (1/10) of the amount necessary to fund the Reserve Account at an amount equal to the maximum amount of principal and interest which will come due on the Local Bonds in any year (the "Reserve Requirement") or, if the Reserve Account has been so funded (whether by monthly deposits or otherwise), any amount necessary to maintain the Reserve Account at the Reserve Requirement; third, to create a renewal and replacement, or similar, fund in an amount equal to two and one-half percent (2-1/2%) of the gross revenues of the System, exclusive of the payments into the Reserve Account, for the purpose of improving or making emergency repairs or replacements to the System, or eliminating any deficiencies in the Reserve Account; and fourth, to pay debt service on the Supplemental Bonds or to purchase Local Bonds on the open market, or to redeem Local Bonds, or to pay debt service on obligations junior and subordinate to the Local Bonds (other than the Supplemental Bonds). The gross revenues of the System shall always be used for purposes of the System.

2. Subsection 4.1(b)(iii) of the Loan Agreement may be amended as follows:

> (iii) That the schedule of rates or charges for the services of the System shall be sufficient to provide funds which, along with other revenues of the System, will pay all reasonable expenses of operation and maintenance of the System and leave a balance each year equal to at least one hundred fifteen percent (115%) of the maximum amount required in any year for debt service on the Governmental Agency Bonds and all other obligations secured by or payable from the revenues of the System prior to or on a parity with the Local Bonds or, if the Reserve Account is funded (whether by monthly deposits or otherwise) at an amount at least equal to the Reserve Requirement and any reserve account for any such prior or parity obligations is funded at least at the requirement therefor, equal to at least one hundred ten percent (110%) of the maximum amount required in any year for debt service on the Governmental Agency Bonds and any such prior or parity obligations.

3. Subsection 4.1(b)(vi) of the Loan Agreement may be amended as follows:

> (vi) That the Governmental Agency shall not issue any other obligations payable from the revenues of the System which rank prior to, or equally, as to lien and security with the Local Bonds, except parity bonds which shall only be issued if net revenues of the System prior to issuance of

such parity bonds, plus reasonably projected revenues from rate increases and the improvements to be financed by such parity bonds, shall not be less than one hundred fifteen percent (115%) of the maximum debt service in any succeeding year on all Local Bonds and parity bonds theretofore and then being issued and on any obligations secured by or payable from the revenues of the System prior to the Local Bonds; provided, however, that additional parity bonds may be issued to complete the Project, as described in the Application as of the date of the Loan Agreement, without regard to the foregoing.

The local act pursuant to which the Local Bonds were issued may also be amended to reflect the above modifications.

Please indicate the Governmental Agency's acceptance of these modifications by executing the copy of this letter attached and returning it, together with a certified copy of the official action of the Governmental Agency accepting such modifications, to the Authority.

Very truly yours,

RESOLUTION AUTHORIZING THE REFUNDING OF THE SEWER REVENUE BONDS, SERIES 1984 A, OF HUTTONSVILLE PUBLIC SERVICE DISTRICT AND THE ISSUANCE BY THE DISTRICT OF NOT MORE THAN $356,000 IN AGGREGATE PRINCIPAL AMOUNT OF SEWER REFUNDING REVENUE BONDS, SERIES 2001 A, THE PROCEEDS OF WHICH, TOGETHER WITH OTHER FUNDS OF THE DISTRICT, SHALL BE EXPENDED FOR SUCH REFUNDING AND PAYING COSTS IN CONNECTION THEREWITH; PROVIDING FOR THE RIGHTS AND REMEDIES OF AND SECURITY FOR THE REGISTERED OWNERS OF SUCH BONDS; AUTHORIZING THE EXECUTION AND DELIVERY OF ALL DOCUMENTS RELATING TO THE ISSUANCE OF SUCH BONDS; AUTHORIZING THE SALE AND PROVIDING FOR THE TERMS AND PROVISIONS OF SUCH BONDS AND ADOPTING OTHER PROVISIONS RELATING THERETO.

BE IT RESOLVED BY THE PUBLIC SERVICE BOARD OF HUTTONSVILLE PUBLIC SERVICE DISTRICT:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. Authority for this Resolution. This Resolution (together with any order or resolution supplemental hereto or amendatory hereof, the "Bond Legislation") is adopted pursuant to the provisions of Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (the "Act"), and other applicable provisions of law.

Section 1.02. Findings. It is hereby found, determined and declared that:

A. Huttonsville Public Service District (the "Issuer") is a public service district and a public corporation and political subdivision of the State of West Virginia in Randolph County of said State.

B. The Issuer presently owns and operates a public sewerage system (the "System") and has heretofore financed the acquisition and construction of the System and certain additions, extensions and improvements thereto by issuance of its Sewer Revenue Bonds, Series 1984 A, dated February 28, 1984, issued in the original aggregate principal amount of $380,000 (the "Series 1984 A Bonds"); and Sewer Revenue Bonds, Series 1984 B, dated February 28, 1984, issued in the original aggregate principal amount of $144,089 (the "Series 1984 B Bonds").

C. The Issuer is authorized and empowered under the Act to issue refunding revenue bonds for the purpose of retiring or refinancing all or any part of the outstanding Series 1984 A Bonds.

D. The registered owner of the Series 1984 A Bonds has consented to the prepayment of the Series 1984 A Bonds and the Issuer is advised that present value debt service savings will be realized as a result of the prepayment and refunding of the Series 1984 A Bonds.

E. The Issuer hereby determines that it would therefore be to the benefit of the Issuer and its residents to prepay and refund the Series 1984 A Bonds in their entirety with proceeds of a series of bonds to be designated "Sewer Refunding Revenue Bonds, Series 2001 A" (the "Series 2001 A Bonds") and other moneys of the Issuer.

F. Davis Trust Company, Elkins, West Virginia (the "Original Purchaser"), has offered to purchase the Series 2001 A Bonds by a commitment letter dated August 6, 2001.

G. The Series 2001 A Bonds shall be issued on a parity with the Series 1984 B Bonds, with respect to liens, pledge and source of and security for payment and in all other respects. The Issuer has met the parity and coverage requirements of the Series 1984 B Bonds and the resolutions authorizing the Series 1984 B Bonds and has substantially complied with all other parity requirements, except to the extent that noncompliance with any such other parity requirements is not of a material nature. Prior to the issuance of the Series 2001 A Bonds, the Issuer will obtain (i) a certificate of an Independent Certified Public Accountant stating that the parity and coverage tests of the Series 1984 B Bonds have been met; and (ii) the written consent of the Holders of the Series 1984 B Bonds to the issuance of the Series 2001 A Bonds on a parity with the Series 1984 B Bonds and to the change of the lien position of the Series 1984 B Bonds from a subordinate bond to a first lien bond. Other than the Series 1984 A Bonds and the Series 1984 B Bonds, there are no other outstanding bonds or obligations of the Issuer which are secured by revenues or assets of the System.

H. The estimated revenues to be derived in each year from the operation of the System upon the prepayment and refunding of the Series 1984 A Bonds will be sufficient to pay all costs of operation and maintenance of the System and the principal of and interest on the Series 2001 A Bonds and the Series 1984 B Bonds, and to make payments into all funds and accounts and other payments provided for herein.

I. The Issuer has complied with all requirements of West Virginia law relating to authorization of the issuance of the Series 2001 A Bonds, or will have so complied prior to issuance of any thereof, including, among other things and without limitation, the approval of the refunding from the Public Service Commission of West Virginia by final order, the time for rehearing and appeal of which will either have expired prior to the issuance of the Series 2001 A Bonds or such final order will not be subject to appeal or rehearing.

J. The Issuer does not reasonably expect to issue more than $10,000,000 of tax-exempt obligations (other than private activity bonds and bonds issued to currently refund any obligation of the Issuer) during the calender year 2001.

Section 1.03. Bond Legislation Constitutes Contract. In consideration of the acceptance of the Series 2001A Bonds by those who shall be the Registered Owners of the same from time to time, this Bond Legislation shall be deemed to be and shall constitute a contract between the Issuer and such Registered Owners, and the covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Registered Owners of any and all of such Series 2001 A Bonds, all which shall be of equal rank and without preference, priority or distinction between any one Bond of a series and any other Bonds of the same series, by reason of priority of issuance or otherwise, except as expressly provided therein and herein, including the Series 1984 B Bonds.

Section 1.04. Definitions. The following terms shall have the following meanings herein unless the context expressly requires otherwise:

"Act" means, collectively, Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended and in effect on the date of adoption hereof.

"Authorized Officer" means the Chairperson of the Governing Body of the Issuer or any temporary Chairperson duly selected by the Governing Body.

Section 5.02. Establishment of Funds and Accounts with Commission and Paying Agent. A. The following special funds or accounts are hereby created with (or continued if previously established by the Prior Resolution) and shall be held by the Commission separate and apart from all other funds or accounts of the Commission and the Issuer and from each other:

(1) Series 1984 B Bonds Sinking Fund (established by the Prior Resolution).

B. The following special funds are hereby created with and shall be held by the Paying Agent separate and apart from all other funds or accounts of the Paying Agent and the Issuer and from each other:

(1) Series 2001 A Bonds Sinking Fund;

(2) Series 2001 A Bonds Reserve Account;

(3) Costs of Issuance and Capital Improvement Fund; and

(4) Rebate Fund.

Section 5.03. System Revenues; Flow of Funds. A. The entire Gross Revenues derived from the operation of the System shall be deposited upon receipt in the Revenue Fund. The Revenue Fund shall constitute a trust fund for the purposes provided in this Resolution and shall be kept separate and distinct from all other funds of the Issuer and the Depository Bank and used only for the purposes and in the manner herein provided. All revenues at any time on deposit in the Revenue Fund shall be disposed of only in the following order of priority:

(1) The Issuer shall first, each month, pay from the Revenue Fund all current Operating Expenses of the System.

(2) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Paying Agent for deposit in the Series 2001 A Bonds Sinking Fund, the amount of the interest which will become due on the Series 2001 A Bonds on such date.

(3) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and simultaneously (i) remit to the Commission for deposit in the Series 1984 B Bonds Sinking Fund, the amount required by the Prior Resolution for payment of the principal of the Series 1984 B Bonds; and (ii) remit to the Paying Agent for deposit in the Series 2001 A Bonds Sinking Fund, the amount of principal which will mature and become due on the Series 2001 A Bonds on such date.

(4) The Issuer shall next, on the first day of each month, transfer from the Revenue Fund and remit to the Paying Agent, if not fully funded upon the issuance of the Series 2001 A Bonds, for deposit in the Series 2001 A Bonds Reserve Account, an amount equal to 1/12th of 1/5th of the Series 2001 A Bonds Reserve Requirement; provided that, no further payments shall be made into the Series 2001 A Bonds Reserve Account when there shall have been deposited therein, and as long as there shall remain on deposit therein, an amount equal to the Series 2001 A Bonds Reserve Requirement.

(5) The Issuer shall next, on the first day of each month, from the moneys remaining in the Revenue Fund, transfer to the Renewal and Replacement Fund, a sum equal to 2 1/2% of the Gross Revenues each month (as previously set forth in the Prior Resolution and not in addition thereto), exclusive of any payments for account of any Reserve Account. All funds in the Renewal and Replacement Fund shall be kept apart from all other funds of the Issuer or of the Depository Bank and shall be invested and reinvested in accordance with Article VIII hereof. Withdrawals and disbursements may be made from the Renewal and Replacement Fund for replacements, emergency repairs, additions, betterments, improvements or extensions to the System; provided, that any deficiencies in any Reserve Account (except to the extent such deficiency exists because the required payments into such account have not, as of the date of determination of a deficiency, funded such account to the maximum extent required hereof) shall be promptly eliminated with moneys from the Renewal and Replacement Fund.

Moneys in the Series 2001 A Bonds Sinking Fund shall be used only for the purposes of paying principal of and interest on the Series 2001 A Bonds as the same shall become due. Moneys in the Series 2001 A Bonds Reserve Account shall be used only for the purposes of paying principal of and interest on the Series 2001 A Bonds as the same shall become due, when other moneys in the Series 2001 A Bonds Sinking Fund are insufficient therefor, and for no other purpose.

Any withdrawals from the Series 2001 A Bonds Reserve Account which result in a reduction in the balance therein to below the Series 2001 A Bonds Reserve Requirement

shall be subsequently restored from the first Net Revenues available after all required payments have been made in full in the order set forth above.

As and when additional Bonds ranking on a parity with the Series 2001 A Bonds are issued, provision shall be made for additional payments into the respective sinking funds sufficient to pay the interest on such additional parity Bonds and accomplish retirement thereof at maturity and to accumulate a balance in the respective reserve accounts in an amount equal to the requirement therefor.

The Issuer shall not be required to make any further payments into the Series 2001 A Bonds Sinking Fund or the Series 2001 A Bonds Reserve Account when the aggregate amount of funds therein are at least equal to the aggregate principal amount of the Series 2001 A Bonds then Outstanding and all interest to accrue until the maturity thereof.

Interest, principal or reserve payments, whether made for a deficiency or otherwise, shall be made on a parity and pro rata, with respect to the Series 1984 B Bonds and the Series 2001 A Bonds in accordance with the respective principal amounts then Outstanding.

B. Whenever all of the required and provided transfers and payments from the Revenue Fund into the several special funds, as hereinbefore provided, are current and there remains in the Revenue Fund a balance in excess of the estimated amounts required to be so transferred and paid into such funds during the following month or such other period as required by law, such excess shall be considered Surplus Revenues. Surplus Revenues may be used for any lawful purpose of the System.

C. The Issuer shall remit from the Revenue Fund to the Commission, the Registrar, the Paying Agent or the Depository Bank, on such dates as the Commission, the Registrar, the Paying Agent or the Depository Bank, as the case may be, shall require, such additional sums as shall be necessary to pay their respective charges and fees then due.

D. The moneys in excess of the sum insured by the maximum amounts insured by FDIC in all funds and accounts shall at all times be secured, to the full extent thereof in excess of such insured sum, by Qualified Investments as shall be eligible as security for deposits of state and municipal funds under the laws of the State.

E. If on any monthly payment date the revenues are insufficient to place the required amount in any of the funds and accounts as hereinabove provided, the deficiency shall be made up in the subsequent payments in addition to the payments which would otherwise be required to be made into the funds and accounts on the subsequent payment dates; provided, however, that the priority of curing deficiencies in the funds and accounts herein shall be in the same order as payments are to be made pursuant to this Section 5.03, and the Net Revenues shall be applied to such deficiencies before being applied to any other payments hereunder.

F. All remittances made by the Issuer to the Depository Bank, the Commission and the Paying Agent shall clearly identify the fund or account into which each amount is to be deposited.

G. The Gross Revenues of the System shall only be used for purposes of the System.

ARTICLE VI

APPLICATION OF BOND PROCEEDS

Section 6.01. Application of Bond Proceeds. From the moneys received from the sale of the Series 2001 A Bonds, the following amounts shall be first deducted and deposited in the order set forth below:

A. From the proceeds of the Series 2001 A Bonds, there shall first be deposited with the Commission, the amount set forth in the Prepayment Agreement which, together with other moneys simultaneously deposited therein, shall be sufficient to accomplish the prepayment and refunding of the Series 1984 A Bonds.

B. Next, there shall be deposited with the Paying Agent in the Series 2001A Bonds Reserve Account, the amount, if any, set forth in the Supplemental Resolution for funding the Series 2001 A Bonds Reserve Account.

C. Next, there shall be deposited with the Paying Agent in the Costs of Issuance and Capital Improvement Fund, the balance of the proceeds of the Series 2001 A Bonds and any moneys released by the Commission. The Issuer shall first pay all costs of issuance of the Series 2001 A Bonds and miscellaneous costs of refunding for the Series 1984 A Bonds. All costs of issuance shall be paid within 60 days following the Closing Date. The remaining funds shall be applied solely to capital improvements of the System and shall be fully expended within one year from the date of delivery of the Series 2001 A Bonds.

ARTICLE VII

ADDITIONAL COVENANTS OF THE ISSUER

Section 7.01. General Covenants of the Issuer. All the covenants, agreements and provisions of this Bond Legislation shall be and constitute valid and legally binding covenants of the Issuer and shall be enforceable in any court of competent jurisdiction by any Holder or Holders of the Series 2001 A Bonds. In addition to the other covenants, agreements and provisions of this Bond Legislation, the Issuer hereby covenants and agrees with the Holders of the Series 2001 A Bonds as hereinafter provided in this Article VII. All such covenants, agreements and provisions shall be irrevocable, except as provided herein, as long as any of the Series 2001 A Bonds or the interest thereon is Outstanding and unpaid.

Section 7.02. Bonds not to be Indebtedness of the Issuer. The Series 2001 A Bonds shall not be nor constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter limitation of indebtedness, but shall be payable solely from the funds pledged for such payment by this Bond Legislation. No Holder or Holders of the Series 2001 A Bonds shall ever have the right to compel the exercise of the taxing power of the Issuer, if any, to pay the Series 2001 A Bonds or the interest thereon.

Section 7.03. Bonds Secured by Pledge of Net Revenues; Lien Positions with respect to the Series 1984 B Bonds. Simultaneously with the issuance of the Series 2001 A Bonds, the Series 1984 B Bonds shall advance to a first lien parity position. The payment of debt service of the Series 2001 A Bonds shall be secured by a first lien on the Net Revenues, on a parity with the lien on such Net Revenues in favor of the Holders of the Series 1984 B Bonds. The Net Revenues in an amount sufficient to pay the principal of and interest and other payments on the Series 2001 A Bonds and the Series 1984 B Bonds and to make the other payments provided for in this Bond Legislation, are hereby irrevocably pledged, in the manner provided herein, to such payments as they become due, and for the other purposes provided in this Bond Legislation.

Section 7.04. Initial Schedule of Rates and Charges. The Issuer has obtained any and all approvals of rates and charges required by State law and has taken any other action required to establish and impose such rates and charges, with all requisite appeal periods having expired without successful appeal. Such rates and charges shall be sufficient to comply with the requirements of the Bond Legislation. The initial schedule of rates and charges for the services and facilities of the System shall be as set forth and approved and described in the Order of the Public Service Commission of West Virginia entered March 17, 1995 (Case No. 94-0618-PSD-19A).

So long as the Series 2001 A Bonds are outstanding, the Issuer covenants and agrees to fix and collect rates, fees and other charges for the use of the System and to take all such actions necessary to provide funds sufficient to produce the required sums set forth in the Bond Legislation. In the event the schedule of rates and charges initially established for the System in connection with the Series 2001 A Bonds shall prove to be insufficient to produce

the required sums set forth in this Bond Legislation, the Issuer hereby covenants and agrees that it will, to the extent or in the manner authorized by law, immediately adjust and increase such schedule of rates and charges and take all such actions necessary to provide funds sufficient to produce the required sums set forth in this Bond Legislation.

Section 7.05. Sale of the System. So long as the Series 1984 B Bonds are outstanding, the Issuer shall not sell, mortgage, lease or otherwise dispose of the System, or any part thereof, except as provided in the Prior Resolution. Additionally, so long as the Series 2001 A Bonds are outstanding and except as otherwise required by law, the System may not be sold, mortgaged, leased or otherwise disposed of, except as a whole, or substantially as a whole, and only if the net proceeds to be realized shall be sufficient to fully pay all the Bonds Outstanding, in accordance with Article X hereof. The proceeds from any such sale, mortgage, lease or other disposition of the System shall immediately be deposited in the respective Sinking Funds and the Issuer shall direct the Paying Agent and the Commission to apply such proceeds to the payment of principal of and interest on the Bonds. Any balance remaining after the payment of the Bonds and interest thereon, shall be remitted to the Issuer by the Paying Agent and the Commission.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System hereinafter determined in the manner provided herein to be no longer necessary, useful or profitable in the operation thereof. Prior to any such sale, lease or other disposition of such property, if the amount to be received therefor, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, is not in excess of $10,000, the Issuer shall, by resolution, determine that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then provide for the sale of such property. The proceeds of any such sale shall be deposited in the Renewal and Replacement Fund. If the amount to be received from such sale, lease or other disposition of said property, together with all other amounts received during the same Fiscal Year for such sales, leases or other dispositions of such properties, shall be in excess of $10,000 but not in excess of $50,000, the Issuer shall first, determine upon consultation with the Consulting Engineers that such property comprising a part of the System is no longer necessary, useful or profitable in the operation thereof and may then, if it be so advised, by resolution duly adopted, authorize such sale, lease or other disposition of such property upon public bidding in accordance with state law. The proceeds of any such sale shall be applied only to the purchase or prepayment of Bonds of the last maturities then Outstanding at prices not greater than the par value thereof plus 3% of such par value. The payment of such proceeds into the Renewal and Replacement Fund or the Sinking Funds shall not reduce the amount required to be paid into such funds by other provisions of this Bond Legislation. No sale, lease or other disposition of the properties of the System shall be made by the Issuer if the proceeds to be derived therefrom, together with all other amounts received during the same Fiscal Year for such sales, leases, or other dispositions of such properties, shall be in excess of $50,000 and insufficient to pay all Bonds then Outstanding without the prior approval and consent in writing of the Holders of the Bonds then Outstanding.

The Issuer shall prepare the form of such approval and consent for execution by the then Holders of the Bonds for the disposition of the proceeds of the sale, lease or other disposition of such properties of the System.

Section 7.06. Issuance of Other Obligations Payable Out of Revenues and General Covenant Against Encumbrances. Except as provided in this Section 7.06 and Section 7.07 hereof, the Issuer shall not issue any other obligations whatsoever payable from revenues of the System which rank prior to, or equally, as to lien on and source of and security for payment from such revenues with the Series 2001 A Bonds. All obligations issued by the Issuer after the issuance of the Series 2001 A Bonds and payable from revenues of the System, except such additional parity Bonds, shall contain an express statement that such obligations are junior and subordinate, as to lien on and source of and security for payment from such revenues and in all other respects, to the Series 2001 A Bonds; provided, that no such subordinate obligations shall be issued unless all payments required to be made into all funds and accounts set forth herein have been made and are current at the time of the issuance of such subordinate obligations.

Except as provided above, the Issuer shall not create, or cause or permit to be created, any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or being on a parity with the lien of the Series 2001 A Bonds, and the interest thereon, upon any or all of the income and revenues of the System pledged for payment of the Series 2001 A Bonds and the interest thereon in this Bond Legislation, or upon the System or any part thereof.

Section 7.07. Parity Bonds. So long as the Series 1984 B Bonds are outstanding, the limitations on the issuance of parity obligations set forth in the Prior Resolution shall be applicable. In addition, no Parity Bonds payable out of revenues of the System shall be issued after the issuance of the Series 2001 A Bonds pursuant to this Bond Legislation, except under the conditions and in the manner herein provided.

All Parity Bonds issued hereunder shall be on a parity in all respects with the Series 2001 A Bonds.

No such Parity Bonds shall be issued except for the purposes of financing the costs of design, acquisition or construction of extensions and improvements to the System or refunding the Bonds or both such purposes.

No Parity Bonds shall be issued at any time, however, unless there has been procured and filed with the Secretary a written statement by the Independent Certified Public Accountants, reciting the conclusion that the Net Revenues actually derived, subject to the adjustments hereinafter provided for, from the System during any 12 consecutive months, within the 18 months immediately preceding the date of the actual issuance of such Parity Bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by such Parity

Bonds, if any, shall not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding Fiscal Year for principal of and interest on the following:

(1) The Bonds then Outstanding;

(2) Any Parity Bonds theretofore issued pursuant to the provisions contained in this Resolution then Outstanding; and

(3) The Parity Bonds then proposed to be issued.

The "estimated average increased annual Net Revenues to be received in each of the 3 succeeding years," as that term is used in the computation provided in the above paragraph, shall refer only to the increased Net Revenues estimated to be derived from (a) the improvements to be financed by such Parity Bonds and (b) any increase in rates adopted by the Issuer and approved by the Public Service Commission of West Virginia, the period for appeal of which has expired prior to the date of delivery of such Parity Bonds, and shall not exceed the amount to be stated in a certificate of the Independent Certified Public Accountants, which shall be filed in the office of the Secretary prior to the issuance of such Parity Bonds.

The Net Revenues actually derived from the System during the 12-consecutive-month period hereinabove referred to may be adjusted by adding to such Net Revenues such additional Net Revenues which would have been received, in the opinion of the Independent Certified Public Accountants, on account of increased rates, rentals, fees and charges for the System adopted by the Issuer, the period for appeal of which has expired prior to issuance of such Parity Bonds.

All covenants and other provisions of this Resolution (except as to details of such Parity Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Holders of the Bonds and the Holders of any Parity Bonds subsequently issued from time to time within the limitations of and in compliance with this section. Bonds issued on a parity, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the revenues of the System and their source of and security for payment from said revenues, without preference of any Bond of one series over any other Bond of the same series. The Issuer shall comply fully with all the increased payments into the various funds and accounts created in this Bond Legislation required for and on account of such Parity Bonds, in addition to the payments required for Bonds theretofore issued pursuant to this Bond Legislation.

Parity Bonds shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on revenues of the System is subject to the prior and superior liens of the Series 2001 A Bonds on such revenues. The Issuer shall not issue any obligations whatsoever payable from revenues of the System, or any part thereof, which rank prior to or, except in the manner and under the conditions provided in this section,

equally, as to lien on and source of and security for payment from such revenues, with the Series 2001 A Bonds.

No Parity Bonds shall be issued any time, however, unless all the payments into the respective funds and accounts provided for in this Bond Legislation with respect to the Series 2001 A Bonds then Outstanding, and any other payments provided for in this Bond Legislation, shall have been made in full as required to the date of delivery of such Parity Bonds, and the Issuer shall then be in full compliance with all the covenants, agreements and terms of this Bond Legislation.

Section 7.08. Books; Records and Audit. So long as the Series 1984 B Bonds are outstanding, the provisions for record keeping and audits set forth in the Prior Resolution shall be applicable. The Issuer will keep books and records of the System, which shall be separate and apart from all other books, records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the System, and any Holder of a Bond or Bonds issued pursuant to this Bond Legislation shall have the right at all reasonable times to inspect the System and all parts thereof and all records, accounts and data of the Issuer relating thereto.

The accounting system for the System shall follow current generally accepted accounting principles and safeguards to the extent allowed and as prescribed by the Public Service Commission of West Virginia. Separate control accounting records shall be maintained by the Issuer. Subsidiary records as may be required shall be kept in the manner and on the forms, books and other bookkeeping records as prescribed by the Governing Body. The Governing Body shall prescribe and institute the manner by which subsidiary records of the accounting system which may be installed remote from the direct supervision of the Governing Body shall be reported to such agent of the Issuer as the Governing Body shall direct.

Section 7.09. Rates. Prior to the issuance of the Series 2001 A Bonds, equitable rates or charges for the use of and service rendered by the System shall be established all in the manner and form required by law, and copies of such rates and charges so established will be continuously on file with the Secretary, which copies will be open to inspection by all interested parties. The schedule of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds created hereunder. Such schedule of rates and charges shall be changed and readjusted whenever necessary so that the aggregate of the rates and charges will be sufficient for such purposes. In order to assure full and continuous performance of this covenant, with a margin for contingencies and temporary unanticipated reduction in income and revenues, the Issuer hereby covenants and agrees that the schedule of rates or charges from time to time in effect shall be sufficient, together with other revenues of the System (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2001 A Bonds and all other obligations

secured by a lien on or payable from such revenues on a parity with the Series 2001 A Bonds, including the Series 1984 B Bonds; provided that, in the event that an amount equal to the Series 2001 A Bonds Reserve Requirement is on deposit in the Series 2001 A Bonds Reserve Account and the reserve accounts for obligations on a parity with the Series 2001 A Bonds are funded at least at the requirement therefor, such balance each year need only equal at least 110% of the maximum amount required in any year for payment of principal of and interest on the Series 2001 A Bonds and all other obligations secured by a lien on or payable from such revenues on a parity with the Series 2001 A Bonds. In any event, the Issuer shall not reduce the rates or charges for services described in Section 7.04.

Section 7.10. Operating Budget. The Issuer shall annually, at least 45 days preceding the beginning of each Fiscal Year, prepare and adopt by resolution a detailed, balanced budget of the estimated revenues and expenditures for operation and maintenance of the System during the succeeding Fiscal Year and shall submit a copy of such budget to the Original Purchaser within 30 days of adoption thereof. No expenditures for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amounts provided therefor in such budget without a written finding and recommendation by a professional engineer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures for the operation and maintenance of the System, and no such increased expenditures shall be made until the Issuer shall have approved such finding and recommendation by a resolution duly adopted. No increased expenditures in excess of 10% of the amount of such budget shall be made except upon the further certificate of a professional engineer that such increased expenditures are necessary for the continued operation of the System. The Issuer shall mail copies of such annual budget and all resolutions authorizing increased expenditures for operation and maintenance to any Holder of any Bonds who shall file his or her address with the Issuer and request in writing that copies of all such budgets and resolutions be furnished him or her and shall make available such budgets and all resolutions authorizing increased expenditures for operation and maintenance of the System at all reasonable times to any Holder of any Bonds, or anyone acting for and in behalf of such Holder of any Bonds.

Section 7.11. Operating Personnel. The Issuer shall employ qualified operating personnel properly certified by the State so long as the Series 2001 A Bonds are outstanding.

Section 7.12. No Competing Franchise. To the extent legally allowable, the Issuer shall not grant or cause, consent to or allow the granting of, any franchise or permit to any person, firm, corporation, body, agency or instrumentality whatsoever for the providing of any services which would compete with services provided by the System.

Section 7.13. Enforcement of Collections. The Issuer shall diligently enforce and collect all fees, rentals or other charges for the services and facilities of the System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals or other charges which shall become delinquent to the full extent permitted or authorized by

the Act, the rules and regulations of the Public Service Commission of West Virginia and other laws of the State of West Virginia.

Whenever any fees, rates, rentals or other charges for the services and facilities of the System shall remain unpaid for a period of 30 days after the same shall become due and payable, the property and the owner thereof, as well as the user of the services and facilities, shall be delinquent until such time as all such rates and charges are fully paid. To the extent authorized by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, rates, rentals and other charges, if not paid, when due, shall become a lien on the premises served by the System. The Issuer further covenants and agrees that, it will, to the full extent permitted by law and the rules and regulations promulgated by the Public Service Commission of West Virginia, discontinue and shut off the services of the System and any services and facilities of the water system, if so owned by the Issuer, to all users of the services of the System delinquent in payment of charges for the services of the System and will not restore such services of either system until all delinquent charges for the services of the System, plus reasonable interest and penalty charges for the restoration of service, have been fully paid and shall take all further actions to enforce collections to the maximum extent permitted by law or, if the waterworks facilities are not owned by the Issuer, the Issuer will use diligent efforts to enter into a similar termination agreement with the provider of such water, subject to any required approval of such agreement by the Public Service Commission of West Virginia and all rules, regulations and orders of the Public Service Commission of West Virginia.

Section 7.14. No Free Services. The Issuer shall not render or cause to be rendered any free services of any nature by the System, or any part thereof, nor shall any preferential rates be established for users of the same class; and in the event the Issuer, or any department, agency, instrumentality, officer or employee of the Issuer shall avail itself or themselves of the facilities or services provided by the System, or any part thereof, the same rates, fees or charges applicable to other customers receiving like services under similar circumstances shall be charged the Issuer and any such department, agency, instrumentality, officer or employee. The revenues so received shall be deemed to be revenues derived from the operation of the System, and shall be deposited and accounted for in the same manner as other revenues derived from such operation of the System.

Section 7.15. Insurance. A. The Issuer hereby covenants and agrees that so long as the Series 2001 A Bonds remain Outstanding, the Issuer shall, as an Operating Expense, procure, carry and maintain insurance with a reputable insurance carrier or carriers as is customarily covered with respect to works and properties similar to the System. Such insurance shall initially cover the following risks and be in the following amounts:

(1) FIRE, LIGHTNING, VANDALISM, MALICIOUS MISCHIEF AND EXTENDED COVERAGE INSURANCE, on all above-ground insurable portions of the System in an amount equal to the actual cost thereof. In time of war the Issuer will also carry and maintain insurance to the extent available

against the risks and hazards of war. The proceeds of all such insurance policies shall be placed in the Renewal and Replacement Fund and used only for the repairs and restoration of the damaged or destroyed properties, or for the other purposes provided herein for the Renewal and Replacement Fund.

(2) PUBLIC LIABILITY INSURANCE, with limits of not less than $1,000,000 per occurrence to protect the Issuer from claims for bodily injury and/or death and not less than $500,000 per occurrence from claims for damage to property of others which may arise from the operation of the System, and insurance with the same limits to protect the Issuer from claims arising out of operation or ownership of motor vehicles of or for the System.

(3) WORKER'S COMPENSATION COVERAGE FOR ALL EMPLOYEES OF OR FOR THE SYSTEM ELIGIBLE THEREFOR in compliance with State law.

(4) FLOOD INSURANCE, if the System facilities are or will be located in designated special flood or mudslide-prone areas and to the extent available at reasonable cost to the Issuer.

(5) BUSINESS INTERRUPTION INSURANCE, to the extent available at reasonable cost to the Issuer.

(6) FIDELITY BONDS will be provided for every officer, member and employee of the Issuer having custody of the revenues or of any other funds of the System, in an amount at least equal to the total funds in the custody of any such person at any one time.

Section 7.16. Mandatory Connections. The mandatory use of the System is essential and necessary for the protection and preservation of the public health, comfort, safety, convenience and welfare of the inhabitants and residents of, and the economy of, the Issuer and in order to assure the rendering harmless of sewage and water-borne waste matter produced or arising within the territory served by the System. Accordingly, every owner, tenant or occupant of any house, dwelling or building located near the System, where sewage will flow by gravity or be transported by such other methods approved by the State Department of Health from such house, dwelling or building into the System, to the extent permitted by the laws of the State and the rules and regulations of the Public Service Commission of West Virginia, shall connect with and use the System and shall cease the use of all other means for the collection, treatment and disposal of sewage and waste matters from such house, dwelling or building where there is such gravity flow or transportation hy such other method approved by the State Department of Health and such house, dwelling or building can be adequately served by the System, and every such owner, tenant or occupant shall, after a 30-day notice of the availability of the System, pay the rates and charges established therefor.

Any such house, dwelling or building from which emanates sewage or water-borne waste matter and which is not so connected with the System is hereby declared and found to be a hazard to the health, safety, comfort and welfare of the inhabitants of the Issuer and a public nuisance which shall be abated to the extent permitted by law and as promptly as possible by proceedings in a court of competent jurisdiction.

Section 7.17. Operation of System; Permits and Orders. The Issuer shall operate and maintain the System as a revenue-producing utility in good condition and in compliance with all federal and state requirements and standards.

The Issuer has obtained all permits required by State and federal laws for the operation of the System and all orders and approvals from the Public Service Commission of West for issuance of the Series 2001 A Bonds required by State law, with all requisite appeal periods having expired without successful appeal.

Section 7.18. Tax Covenants. The Issuer hereby further covenants and agrees as follows:

A. PRIVATE BUSINESS USE LIMITATION. The Issuer shall assure that (i) not in excess of 10% of the Net Proceeds of the Series 2001 A Bonds are used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the Series 2001 A Bonds during the term thereof is, under the terms of the Series 2001 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for a Private Business Use; and (ii) and that, in the event that both (A) in excess of 5% of the Net Proceeds of the Series 2001 A Bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the Series 2001 A Bonds during the term thereof is, under the terms of the Series 2001 A Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the Issuer, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over 5% of Net Proceeds of the Series 2001 A Bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the project, or if the Series 2001 A Bonds are for the purpose of financing more than one project, a portion of the project, and shall not exceed the proceeds used for the governmental use of that portion of the project to which such Private Business Use is related. All of the foregoing shall be determined in accordance with the Code.

B. PRIVATE LOAN LIMITATION. The Issuer shall assure that not in excess of 5% of the Net Proceeds of the Series 2001 A Bonds or $5,000,000 are used, directly or indirectly, to make or finance a loan (other than loans constituting Nonpurpose Investments) to persons other than state or local government units.

C. FEDERAL GUARANTEE PROHIBITION. The Issuer shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2001 A Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. INFORMATION RETURN. The Issuer will timely file all statements, instruments and returns necessary to assure the tax-exempt status of the Series 2001 A Bonds and the interest thereon including, without limitation, the information return required under Section 149(e) of the Code.

E. FURTHER ACTIONS. The Issuer will take any and all actions that may be required of it so that the interest on the Series 2001 A Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions or fail to take any actions, the result of which would adversely affect such exclusion.

Section 7.19. Statutory Mortgage Lien. For the further protection of the Holders of the Series 2001 A Bonds, a statutory mortgage lien upon the System is granted and created by the Act, which statutory mortgage lien is hereby recognized and declared to be valid and binding, shall take effect immediately upon delivery of the Series 2001 A Bonds, and shall be on a parity with the statutory mortgage lien in favor of the Holders of the Series 1984 B Bonds.

ARTICLE VIII

INVESTMENT OF FUNDS; NON-ARBITRAGE

Section 8.01. Investments. Any moneys held as a part of the funds and accounts created by this Resolution, other than the Revenue Fund, shall be invested and reinvested by the Commission, the Depository Bank, the Paying Agent or such other bank or national banking association holding such fund or account, as the case may be, at the written direction of the Issuer in any Qualified Investments to the fullest extent possible under applicable laws, this Resolution, the need for such moneys for the purposes set forth herein and the specific restrictions and provisions set forth in this Section 8.01.

Any investment shall be held in and at all times deemed a part of the fund or account in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized from such investment shall be credited or charged to the appropriate fund or account. The investments held for any fund or account shall be valued at the lower of cost or then current market value, or at the redemption price thereof if then redeemable at the option of the holder, including the value of accrued interest and giving effect to the amortization of discount, or at par if such investment is held in the "Consolidated Fund." The Commission shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund or account is insufficient to make the payments required from such fund or account, regardless of the loss on such liquidation. The Depository Bank may make any and all investments permitted by this section through its own bond department and shall not be responsible for any losses from such investments, other than for its own negligence or willful misconduct.

The Depository Bank and the Paying Agent shall keep complete and accurate records of all funds, accounts and investments, and shall distribute to the Issuer, at least once each year, or more often as reasonably requested by the Issuer, a summary of such funds, accounts and investment earnings. The Issuer shall retain all such records and any additional records with respect to such funds, accounts and investment earnings so long as any of the Series 2001 A Bonds are Outstanding and as long thereafter as necessary to comply with the Code and to assure the exclusion of interest on the Series 2001 A Bonds from gross income for federal income tax purposes.

Section 8.02. Arbitrage and Tax Exemption. The Issuer covenants that (i) it shall not take, or permit or suffer to be taken, any action with respect to the gross or other proceeds of the Series 2001 A Bonds which would cause the Series 2001 A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and (ii) it will take any and all actions that may be required of it (including, without implied limitation, the timely filing of a federal information return with respect to the Series 2001 A Bonds) so that the interest on the Series 2001 A Bonds will be and remain excluded from gross income for federal income tax purposes, and will not take any actions which would adversely affect such exclusion.

Section 8.03. Tax Certificate and Rebate. The Issuer shall deliver a certificate of arbitrage, a tax certificate or other similar certificate to be prepared by nationally recognized bond counsel or tax counsel relating to payment of arbitrage rebate and other tax matters as a condition to issuance of the Series 2001 A Bonds. In addition, the Issuer covenants to comply with all Regulations from time to time in effect and applicable to the Series 2001 A Bonds as may be necessary in order to fully comply with Section 148(f) of the Code, and covenants to take such actions, and refrain from taking such actions, as may be necessary to fully comply with such Section 148(f) of the Code and the Regulations, regardless of whether such actions may be contrary to any of the provisions of this Resolution.

The Issuer shall calculate, annually, the rebatable arbitrage, determined in accordance with Section 148(f) of the Code. Upon completion of each such annual calculation, the Issuer shall deposit, or cause to be deposited, in the Rebate Fund such sums as are necessary to cause the aggregate amount on deposit in the Rebate Fund to equal the sum determined to be subject to rebate to the United States, which, notwithstanding anything herein to the contrary, shall be paid from investment earnings on the underlying fund or account established hereunder and on which such rebatable arbitrage was earned or from other lawfully available sources. Notwithstanding anything herein to the contrary, the Rebate Fund shall be held free and clear of any lien or pledge hereunder and shall be used only for payment of rebatable arbitrage to the United States. The Issuer shall pay, or cause to be paid, to the United States, from the Rebate Fund, the rebatable arbitrage in accordance with Section 148(f) of the Code and the Regulations. In the event that there are any amounts remaining in the Rebate Fund following all such payments required by the preceding sentence, the Paying Agent shall pay said amounts to the Issuer to be used for any lawful purpose of the System. The Issuer shall remit payments to the United States at the time and at the address prescribed by the Regulations as the same may be from time to time in effect with such reports and statements as may be prescribed by the Regulations. In the event that, for any reason, amounts in the Rebate Fund are insufficient to make the payments to the United States which are required, the Issuer shall assure that such payments are made by the Issuer to the United States, on a timely basis, from any funds lawfully available therefor. The Issuer may provide for the employment of independent attorneys, accountants or consultants compensated on such reasonable basis as the Issuer may deem appropriate in order to assure compliance with this Section 8.03. The Issuer shall keep and retain, or cause to be kept and retained, records of the determinations made pursuant to this Section 8.03 in accordance with the requirements of Section 148(f) of the Code and the Regulations. In the event the Issuer fails to make such rebates as required, the Issuer shall pay the required rebate amount and all penalties and other amounts, from lawfully available sources, and obtain a waiver from the Internal Revenue Service, if necessary, in order to maintain the exclusion of interest on the Series 2001 A Bonds from gross income for federal income tax purposes.

ARTICLE IX

DEFAULT AND REMEDIES

Section 9.01. Events of Default. Each of the following events shall constitute an "Event of Default" with respect to the Series 2001 A Bonds:

(1) If default occurs in the due and punctual payment of the principal of or interest, if any, on the Series 2001 A Bonds; or

(2) If default occurs in the Issuer's observance of any of the covenants, agreements or conditions on its part relating to the Series 2001 A Bonds set forth in this Bond Legislation, any supplemental resolution or in the Series 2001 A Bonds, and such default shall have continued for a period of 30 days after the Issuer shall have been given written notice of such default by the Commission, the Depository Bank, the Registrar, the Paying Agent or a Holder of a Bond; or

(3) If the Issuer files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America; or

(4) If default occurs with respect to the Series 1984 B Bonds or the Prior Resolution.

Upon the happening and continuance of any Event of Default, any Registered Owner of a Bond, as the case may be, may exercise any available remedy and bring any appropriate action, suit or proceeding to enforce his or her rights and, in particular, (i) bring suit for any unpaid principal or interest then due, (ii) by mandamus or other appropriate proceeding enforce all rights of such Registered Owners including the right to require the Issuer to perform its duties under the Act and this Bond Legislation relating thereto, including but not limited to the making and collection of sufficient rates or charges for services rendered by the System, (iii) bring suit upon the Bonds, (iv) by action at law or bill in equity require the Issuer to account as if it were the trustee of an express trust for the Registered Owners of the Bonds, and (v) by action or bill in equity enjoin any acts in violation of this Bond Legislation with respect to the Bonds, or the rights of such Registered Owners, provided that, all rights and remedies of the Holders of the Series 2001 A Bonds shall be on a parity with the Holders of the Series 1984 B Bonds.

Section 9.03. Appointment of Receiver. Any Registered Owner of a Bond may, by proper legal action, compel the performance of the duties of the Issuer under this Bond Legislation and the Act, including, the making and collection of sufficient rates and charges for services rendered by the System and segregation of the revenues therefrom and the application thereof. If there be any Event of Default with respect to such Bonds any Registered Owner of

a Bond shall, in addition to all other remedies or rights, have the right by appropriate legal proceedings to obtain the appointment of a receiver to administer the System on behalf of the Issuer, with power to charge rates, rentals, fees and other charges sufficient to provide for the payment of Operating Expenses of the System, the payment of the Bonds and interest and the deposits into the funds and accounts hereby established, and to apply such rates, rentals, fees, charges or other revenues in conformity with the provisions of this Bond Legislation and the Act.

The receiver so appointed shall forthwith, directly or by his or her or its agents and attorneys, enter into and upon and take possession of all facilities of said System and shall hold, operate and maintain, manage and control such facilities, and each and every part thereof, and in the name of the Issuer exercise all the rights and powers of the Issuer with respect to said facilities as the Issuer itself might do.

Whenever all that is due upon the Bonds and interest thereon and under any covenants of this Bond Legislation for reserve, sinking or other funds and upon any other obligations and interest thereon having a charge, lien or encumbrance upon the revenues of the System shall have been paid and made good, and all defaults under the provisions of this Bond Legislation shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any Registered Owner of any Bonds shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinabove conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and Registered Owners of the Bonds. Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the System, but the authority of such receiver shall be limited to the possession, operation and maintenance of the System for the sole purpose of the protection of both the Issuer and Registered Owners of such Bonds and the curing and making good of any Event of Default with respect thereto under the provisions of this Bond Legislation, and the title to and ownership of the System shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, assign, mortgage or otherwise dispose of any assets of the System.

Ladies and Gentlemen:

I have reviewed the sewer rates of Huttonsville Public Service District (the "Issuer"), as approved by the order of the Public Service Commission of West Virginia, entered September 23, 2002, in Case No. 02-0444-PSD-CN, and the projected operating expenses and anticipated customer usage provided by Thrasher Engineering, Inc., the consulting engineer of the Issuer. It is my opinion that such rates are sufficient (i) to provide for all operating expenses of the sewer facilities of the Issuer and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Issuer's Sewer Revenue Bonds, Series 1984 B, Sewer Refunding Revenue Bonds, Series 2001 A (collectively, the "Prior Bonds"), Sewer Revenue Bonds, Series 2003 A (West Virginia Infrastructure Fund) and Sewer Revenue Bonds, Series 2003 B (United States Department of Agriculture) (collectively, the "Series 2003 Bonds").

It is further my opinion that the Net Revenues actually derived from the System during any 12 consecutive months within the 18 months immediately preceding the date of the actual issuance of the Series 2003 bonds, plus the estimated average increased annual Net Revenues to be received in each of the 3 succeeding years after the completion of the improvements to be financed by the Series 2003 Bonds, will not be less than 115% of the largest aggregate amount that will mature and become due in any succeeding fiscal year for principal of and interest on the Prior Bonds and the Series 2003 Bonds.

Very truly yours,

Gary K. Bennett

Re: Huttonsville Public Service District Sewer Revenue Bonds,
Series 2003 A (West Virginia Infrastructure Fund)

Ladies and Gentlemen:

We have served as bond counsel to Huttonsville Public Service District (the "Issuer") in connection with the issuance of its Sewer Revenue Bonds, Series 2003 A (West Virginia Infrastructure Fund), dated the date hereof (the "Bonds").

We have examined certified copies of proceedings and other papers relating to the authorization of (i) a loan agreement for the Bonds, dated June 6, 2003, including all schedules and exhibits attached thereto (the "Loan Agreement"), by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council"), and (ii) the Bonds to be purchased by the Authority in accordance with the provisions of the Loan Agreement. The Bonds are issued in the principal amount of $3,934,000, in the form of one bond, registered as to principal only to the Authority, bearing no interest, with principal payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing June 1, 2004, all as set forth in the Schedule Y attached to the Loan Agreement and incorporated in and made a part of the Bonds.

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A and Chapter 31, Article 15A of the Code of West Virginia, 1931, as amended (collectively, the "Act"), for the purposes of (i) paying in full the entire outstanding principal of and all interest and administrative fees on the Issuer's Sewerage System Design Notes,

Series 2002 A (West Virginia Infrastructure Fund); (ii) paying a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public sewer facilities of the Issuer (the "Project"); and (iii) paying certain costs of issuance and related costs.

We have also examined the applicable provisions of the Act and a Bond Resolution duly adopted by the Issuer on June 4, 2003, as supplemented by a Supplemental Resolution duly adopted by the Issuer on June 4, 2003 (collectively, the "Resolution"), pursuant to and under which Act and Resolution the Bonds are authorized and issued, and the Loan Agreement is entered into. The Bonds are subject to redemption prior to maturity to the extent, at the time, under the conditions and subject to the limitations set forth in the Resolution and the Loan Agreement. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Resolution and the Loan Agreement when used herein.

Based upon the foregoing and upon our examination of such other documents as we have deemed necessary, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing public service district and is a public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System, to adopt the Resolution and to issue and sell the Bonds, all under the Act and other applicable provisions of law.

2. The Loan Agreement has been duly authorized by and executed on behalf of the Issuer and is a valid and binding special obligation of the Issuer, enforceable in accordance with the terms thereof.

3. The Loan Agreement inures to the benefit of the Authority and the Council and cannot be amended so as to affect adversely the rights of the Authority and the Council or diminish the obligations of the Issuer without the written consent of the Authority and the Council.

4. The Issuer has legally and effectively adopted the Resolution and all other necessary resolutions in connection with the issuance and sale of the Bonds. The Resolution

constitutes a valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms thereof and contains provisions and covenants substantially in the form of those set forth in Section 4.1 of the Loan Agreement.

5. The Bonds have been duly authorized, issued, executed and delivered by the Issuer to the Authority and are valid, legally enforceable and binding special obligations of the Issuer, payable from the Net Revenues of the System and secured by a first lien on and a pledge of the Net Revenues of the System, on a parity with respect to liens, pledge and source of and security for payment with the Issuer's Sewer Revenue Bonds, Series 1984 B, Sewer Refunding Revenue Bonds, Series 2001 A, and Sewer Revenue Bonds, Series 2003 B (United States Department of Agriculture), all in accordance with the terms of the Bonds and the Resolution.

6. Under the Act, the Bonds and the interest thereon are exempt from taxation by the State of West Virginia and the other taxing bodies of the State.

7. The Bonds have not been issued on the basis that the interest, if any, thereon is or will be excluded from the gross income of the owners thereof for federal income tax purposes. We express no opinion regarding the excludability of such interest, if any, from the gross income of the owners thereof for federal income tax purposes or other federal tax consequences arising with respect to the Bonds.

No opinion is given herein as to the effect upon the enforceability of the Bonds under any applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights or the exercise of judicial discretion or principles of equity in appropriate cases.

We have examined the executed and authenticated Bond numbered AR-1 and in our opinion, the form of said Bond and its execution and authentication are regular and proper.

Very truly yours,

The Bonds are issued under the authority of and in full compliance with the Constitution and statutes of the State of West Virginia, including particularly, Chapter 16, Article 13A of the Code of West Virginia, 1931, as amended (the "Act"), and have been authorized by a Bond Resolution duly adopted by the Issuer on June 4, 2003, as supplemented by a Supplemental Resolution duly adopted by the Issuer on June 4, 2003 (collectively, the "Resolution"). The Bonds are issued for the purposes of (i) paying a portion of the costs of acquisition and construction of certain improvements and extensions to the existing public sewer facilities of the Issuer (the "Project"); and (ii) paying certain costs of issuance and related costs. Re: Huttonsville Public Service District Sewer Revenue Bonds,
Series 2003 A (West Virginia Infrastructure Fund) and
Series 2003 B (United States Department of Agriculture)

Ladies and Gentlemen:

I am counsel to Huttonsville Public Service District (the "Issuer"). As such counsel, I have examined copies of the approving opinion of Jackson Kelly PLLC, as bond counsel, relating to the above-captioned bonds of the Issuer (collectively, the "Bonds"), a loan agreement for the Series 2003 A Bonds, dated June 6, 2003, including all schedules and exhibits attached thereto, by and between the Issuer and the West Virginia Water Development Authority (the "Authority"), on behalf of the West Virginia Infrastructure and Jobs Development Council (the "Council") (collectively, the "Loan Agreement"), the letter of conditions for the Series 2003 B Bonds, dated April 11, 2000, as amended, from the United States of America, United States Department of Agriculture, Rural Utilities Service (the "Government"), a Bond Resolution duly adopted by the Public Service Board of the Issuer (the "Board") on June 4, 2003, as supplemented by

a Supplemental Resolution duly adopted on June 4, 2003 (collectively, the "Resolution"), orders of The County Commission of Randolph County relating to the Issuer and the appointment of members of the Board, and other documents relating to the Bonds and the Issuer. All capitalized terms used herein and not otherwise defined herein shall have the same meaning set forth in the Loan Agreement and the Resolution when used herein.

I am of the opinion that:

1. The Issuer is a duly created and validly existing public service district and is a public corporation and political subdivision of the State of West Virginia, with full power and authority to acquire and construct the Project, to operate and maintain the System and to adopt the Resolution, all under the Act and other applicable provisions of law.

2. The members and officers of the Board have been duly and properly appointed and elected, have taken the requisite oaths and are thereby authorized to act on behalf of the Issuer in their respective capacities.

3. The Loan Agreement has been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the other parties thereto, constitutes a valid and binding agreement of the Issuer, enforceable in accordance with its terms.

4. The Resolution has been duly adopted by the Board and is in full force and effect.

5. The execution and delivery of the Bonds and the Loan Agreement and the consummation of the transactions contemplated by the Bonds, the Loan Agreement and the Resolution, and the carrying out of the terms thereof, do not and will not, in any material respect, conflict with or constitute, on the part of the Issuer, a breach of or default under any resolution, agreement or other instrument to which the Issuer is a party or any existing law, regulation, court order or consent decree to which the Issuer is subject.

6. The Issuer has received all permits, licenses, approvals, consents, exemptions, orders, certificates, registrations and authorizations necessary for the creation and existence of the Issuer, the issuance of the Bonds, the acquisition and construction of the Project, the operation of the System and the imposition of rates and charges for the use of the System, including, without limitation, all requisite permits, approvals, orders and certificates from the West Virginia Department of Environmental Protection, the Council and the Public Service Commission of West Virginia (the "PSC"). The Issuer has taken all actions required for the imposition of such rates and charges, including, without limitation, the adoption of a resolution prescribing such rates and charges. The Issuer has received the orders of the PSC entered on September 23, 2002, and June 2, 2003, in Case No. 02-0444-PSD-CN, granting to the Issuer a certificate of public convenience and necessity for the Project and approving the rates for the System and the financing for the Project. The time for appeal of the PSC order entered September 23, 2002, has expired prior to the date hereof without any appeal having been filed. The time for appeal of the PSC order entered June 2, 2003, has not expired on the date hereof. However, the parties to such order have stated that they do not intend to appeal such order. Such order is not subject to any appeal, further hearing, reopening or rehearing by any customer, protestant, intervenor or other person not a party to such order. All such orders remain in full force and effect.

7. The Issuer has duly published the required notice with respect to, among other things, the amount of the Bonds to be issued, the interest rate and terms of the Bonds, the Project to be constructed, the cost of the Project, the anticipated user rates and charges and the date that a formal application for a certificate of public convenience and necessity is to be filed with the PSC in accordance with Chapter 16, Article 13A, Section 25 of the Code of West Virginia, 1931, as amended, and has duly complied with the provisions thereof.

8. To the best of my knowledge, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened, wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Loan Agreement, the Bonds and the Resolution, the acquisition and construction of the Project, the operation of the System, the validity of the Bonds, the collection of the Gross Revenues or the pledge of the Net Revenues for the

payment of the Bonds.

9. All successful bidders have made the required provisions for all insurance and payment and performance bonds and such insurance policies or binders and such bonds have been verified for accuracy. Based upon my review of the contracts, the surety bonds and the policies or other evidence of insurance coverage in connection with the Project, I am of the opinion that such surety bonds and policies (1) are in compliance with the contracts; (2) are adequate in form, substance and amount to protect the various interest of the Issuer; (3) have been executed by duly authorized representatives of the proper parties; (4) meet the requirements of the Act, the Resolution and the Loan Agreement; and (5) all such documents constitute valid and legally binding obligations of the parties thereto in accordance with the terms, conditions and provisions thereof.

All counsel to this transaction may rely upon this opinion as if specifically addressed to them.

Very truly yours,

Thomas R. Ross II
